Lakeview Community landmark destroyed by fire

By Joyce Williams

Fire destroyed one of the oldest houses in Lakeview Monday afternoon. The old W.N. Jones house, occupied by Mr. and Mrs. Johnny Riojas and Mr. and Mrs. Carlos Riojas and family, burned to the ground around 2 p.m. The they moved into Floydada.

house was previously occupied for several year by the Roy Fawvers before. The women of the family were at home with two children they babysit for, Ignacio Trejo and Marcos Riojas, both 2 years old, when they heard a noise in the direction of the bathroom. Upon opening the door to investigate, they found the room in flames. The ladies

quickly took the children to safety; no one was injured in the fire.

By the time the fire was reported from the Dee Adams home, the large two story wooden home was enveloped in flames. This tragic fire cost the family all of their possessions and clothing except for those they were wearing. The

The families are staying with another son, Valdemar Riojas at 226 East Tennessee in Floydada. The phone number is 983-3796 for anyone wishing to assist the families. This hard working family will need many things as they begin to put their life back together again.

Clothing sizes are: Myra, ladies size 10, (or men's jeans waist 32), medium blouse, 8 1/2 shoe. Frances, ladies size 12, medium blouse, 7 1/2 shoe. Rachel, girls size 10, shoe size 2 1/2. Marcus, boys shirt size 18, pants waist 29", length 31". C+los, Jr., boys shirt size 16, pants

28" waist, length 31", shoe size 8. Mando, boys shirt size 14, pants 14, shoe size 8. Johnny, large men's shirt, 32" waist pants, size 8 shoe. Alex, boys shirt size 8, pants 7 slim, shoes 13 1/2. Mr. Riojas wears an extremely large size clothing.

FIRE DESTROYS HOME—Yet another fire has claimed the home and possessions of a Floyd County family. During the early afternoon on Monday, January 28, a fire broke out in a Lakeview area landmark, the W.N. Jones Homestead now owned by Hazel Mitchell of Waco. The house was on land being farmed by Robert and Louis Pyle 2 miles west of Lakeview. The fire presumably started from the hot water heater in the bathroom, although the fire department was unable to confirm this as the interior of the dwelling was enveloped in flames by the time the firemen and equipment arrived after the alarm was received in Floydada around 2:00 p.m.

Floydada Junior Livestock Show schedule set

The schedule for the annual Floydada Junior Livestock Show has been announced. The barns will open at 9:00 a.m. on Friday, February 8. All animals being shown must be in the barn by 7:00 p.m. of that day. Weigh-in will begin at 7:00 p.m. on February 8. The barns will re-open at 8:00 a.m. on Saturday, February 9 and judging will begin at 10:00 a.m. with the lambs. Judging of barrows will be after lunch, and the steer judging will follow. Show chairman this year will be Laron Fulton with Jon LaBaume and Edwin Nutt assisting. Gary Brown will serve as the show secretary. James Cage and Bill Hendricks will be assisting Louis Anderson who is the lamb superintendent and Jerry Thompson will assist

Elmer Dean Williams who is swine superintendent. Rob Heflin will be the steer superintendent and his assistant will be Craig Edwards. Bill Hendricks, Buddy Hendricks, and Leon Williams are the official weighers, and Harvey Allen will serve as the announcer. The show judge will be Jerry Hawkins. Entry fees will be \$3.00 in each category for each entry. Fees must be paid at the time of weighing and cannot be refunded. Entries will be accepted from regularly enrolled 4-H members 8 years or older and in the third grade or from any FFA or FHA member under the supervision of the County Extension Agent or the Floydada Vocational Agricultural Instructor and attending

public school in Floydada. All entries must be in show condition and have a health certificate from a practicing veterinarian as required by the Texas Animal Health Commission. The owner must exhibit the animal unless the owner has two or more entries in the same class or at the discretion of the Vocational Agriculture teacher or the County Extension Agent. There are seven lamb classes: finewool (ramboillet or merino or a cross between the two breeds), finewood cross breed, shropshire, southdown, hampshire, suffolks, and other breeds. Lambs in the fat classes must have their lamb teeth and will not be able to show if they weigh less than 80 lbs. with the exception of shropshire and southdown which may weigh 75 lbs. Ewe and wether lambs may be shown, and lambs will be toothed at the time they cross the official scales. All lambs must be shorn within seven days of the opening show date. Division of classes will be at the discretion of the superintendents and show secretary. There are seven barrow classes: berkshires, chester whites, duroc, hampshires, spots, yorkshires, and

crosses. Breed classes and weight will be divided at the discretion of the superintendents and the show secretary. Barrows in the show must weigh 190 lbs. but not exceed more than 265 lbs. The entries in the steer division must weigh 850 lbs. All steers being shown must be halter broke and must show in the arena to qualify for premium money. Classes will be divided at the discretion of superintendents and show secretary. All three divisions of the show, lambs, barrows, and steers, are competing for the following premiums: Light and heavy classes

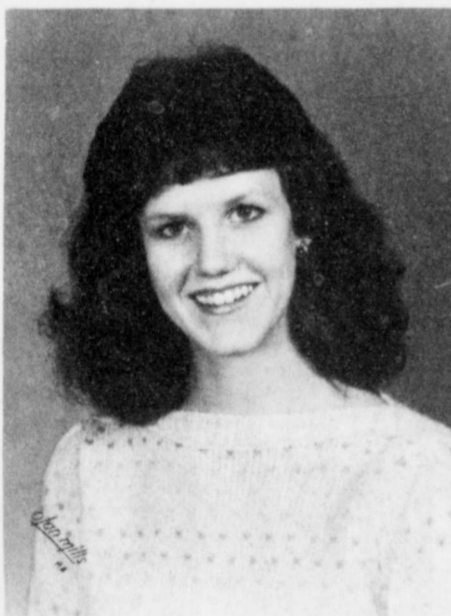

1st place	\$5.00
2nd place	\$4.00
3rd place	\$3.00
4th place	\$2.00
5th place	\$1.00

First through fifth places will also receive ribbons. The breed champion and reserve breed champion will receive rosettes. The grand champion will receive an award belt buckle and the reserve grand champion will receive a desk set. Prizes are being provided by the Floydada Chamber of Commerce.

Sweetheart candidates named

LISA SMITH

KELLIE LABAUME

Lisa Smith, the daughter of Anna and A.O. Smith of Floydada, is the FFA candidate for Sweetheart of this year's Floyd County Junior Livestock Show. A senior at Floydada High School, she was a band member for three years as well as being band president and Outstanding Junior band student in her junior year. Lisa was named the National Honor Society Freshman of the year in 1981-82 and is a two year member and secretary of NHS this year. She was Sophomore Sweetheart and is president of Deca for 1984-85. Lisa has been a member of Student Council for four years and has received departmental recognition from her teachers. The FHA candidate for Sweetheart is Kellie LaBaume. Kellie is the 14-year-old daughter of Mr. and Mrs. Jon LaBaume. She is a freshman at Floydada High School and is a member of both FFA and FHA. Kellie is also in band and has been a finalist in the Miss Floydada Pageant. She was 1st runner-up in the Miss Floyd County Pageant

and also in the Kids of America Pageant held in Crosbyton. Kellie has been a member of 4-H for five years and is serving as vice-president this year as well as being on the Floyd County Council. She won 1st place in the Floyd County 4-H Food Show and won 1st, 2nd, and 3rd places in competition at the District Food Show in Lubbock. Kellie showed barrows at the stock show last year, winning Grand Champion in the Floyd County Junior Livestock Show. She will again be showing barrows. The sweetheart candidates will be selling memberships to the Floyd County Livestock Show Association. The young lady selling the most memberships will be named as this year's sweetheart. Memberships are \$5.00 for individuals and \$10.00 for businesses. The memberships assist in the care and maintenance of the stock show facilities and allow the general public to share in their operation.

Bank switches computers

The First National Bank of Floydada in its continuing efforts to improve customer service is making some changes in their checking account department. They are changing computer service companies and to facilitate this conversion, all statements for the month of January will be mailed on Friday, February 1st. Customers who normally pick-up their statements may do so beginning Monday, February 4th.

The banks asks that you please excuse this temporary inconvenience. Bank statements for the month of February will return to the normal statement cycle dates to which you are accustomed. They would like to thank you for your consideration and ask that you call on them any time they may be of service to you with your banking needs.

Allied Pharmacy files lawsuit

Allied Pharmacy Service, Inc. of Abilene, Texas has filed a lawsuit in the 72nd District Court against Caprock Hospital Medical Services, Inc. and YDP, Inc. doing business as Caprock Hospital in Floydada. The suit, filed last week in Lubbock, requests compensation of \$113,500.00 owed for various pharmaceutical goods and services as well as interest on the amount and \$5,000.00 in attorney's fees. The two Lubbock firms named as defendants were responsible for the operation and administration of the local hospital until the termination of their contract on June 30, 1984. At this time, the local board of directors engaged an administrator and began to oversee the operation of the hospital for the benefit of the local citizenry. Prior to June 30, 1984, the board of directors functioned only as a taxing entity and had no active pole in the hospital's

operation. The current board of directors at Caprock Hospital District has also been named as defendants in the suit. E.A. Williams, Claude Weathersbee, Louis Anderson, Jo Wester, and Don Bean are the names listed in the suit. "We are very unclear as to why the board of directors for Caprock Hospital District have been named in the suit," stated Guy Hazlett, the current administrator of the hospital. "We have received no copy of the suit or the allegations as yet, and we will not be able to make an informed statement about the suit until we receive that and have conferred with the lawyers to see where we stand. The actual suit has no effect on the hospital or any of the services we provide now. This is a carryover from prior management and will not inconvenience our clients or staff at the present."

Curfew ordinance to be enforced

Police chief, Doug Brewer, stated this week that the curfew law that was passed in September of 1976 is still in effect and will be enforced starting with this announcement.

The curfew law, referred as Ordinance No. 572, regulates "the presence of minors under the ages of eighteen (18) years in public streets and other places between certain hours in the City of Floydada making it unlawful for any parent or person having lawful custody to permit a minor to be upon the streets

and around other public buildings within such time limits." The ordinance prohibits the loitering of any minor, whether male or female, under the age of 18 years between the hours of 12:00 o'clock midnight and 5:00 a.m. unless accompanied by its parent or guardian EXCEPT when engaged in lawful employment OR when the minor is conducting legitimate business or is sent on an emergency errand by his or her parent, guardian or other adult or person having the care and custody of

and around other public buildings within such time limits." The ordinance prohibits the loitering of any minor, whether male or female, under the age of 18 years between the hours of 12:00 o'clock midnight and 5:00 a.m. unless accompanied by its parent or guardian EXCEPT when engaged in lawful employment OR when the minor is conducting legitimate business or is sent on an emergency errand by his or her parent, guardian or other adult or person having the care and custody of

D.W.I. CLASS

A D.W.I. Education Class will be held in the Floyd County Courthouse in the County Courtroom on February 4th and 5th, from 6:00 p.m. to 10:00 p.m. each night. The cost of the class is \$35.00, which must be paid in advance at the Adult Probation Office on the second floor of the courthouse. This class is a required probation condition for a first conviction of driving while intoxicated. If not completed within 180 days of conviction, the person's drivers license will be automatically suspended. This is not a defensive driving course and you cannot get credit on your car insurance for taking this class.

Crawford writes fourth novel

Max Crawford, a former Floydada resident, recently published his fourth novel, "Lords of the Plains." Crawford is the son of Earl and Thelma Crawford.

Crawford was born in Lubbock in 1938 and lived most of the next eleven years in the Mount Blanco Community before moving to Floydada in 1949. He graduated from Floydada High School in 1956 and attended the University of Texas for two years before serving a two year stint in the army. Returning to college after the service, Crawford earned a degree in economics in 1963.

While living in Houston after completing college, Crawford developed a serious interest in writing as a career and with the encouragement of writer Larry McMurtree, decided to pursue it. In 1968, Crawford attended Stanford University in California on a grant for creative writing.

Crawford's first published novel, "Waltz Across Texas", was actually written after his second published novel, "The Backslider." His third novel was "The Bad Communist."

Two years ago, Crawford spent some time in and around Floydada researching "Lords of the Plain." Thelma Crawford says of her son, "He knows the area he wrote about well. He used to wander the canyon with Choise Smith."

Austin freelance writer James Whitaker, who reviewed the novel for the Texas Monthly Magazine says, "Crawford's 'Lords of the Plain' is a haunting novel about Comanche warfare on the Llano Estacado. The novel depicts the events of the late 1800's through the eyes of an eastern Cavalry captain who soon realizes the strange beauty and mystery of this area. Crawford uses splendid narrative set pieces to explore, at length, the conflicts of the era."

Crawford is currently at work on two more books according to his mother. The most ambitious project of his career is an epic tome concerning the British and their involvement in China. Crawford has been researching this novel for several years. The second novel is a shorter thriller type novel.

Need an oversized toothpick?

Have you traveled to Lockney recently and wondered who all those poles on the east side of the highway belong to? Have you wondered what they are going to do with them, and how they got there?

The poles are the beginning of the Southwestern Public Service \$21 million power line starting at OklaUnion Power Station and ending at the Tucko Station (north of Abernathy).

The line will allow SPS to exchange power with the Public Service Company of Oklahoma (PSO), and other utilities in the eastern electrical grid.

OklaUnion Power Station is a coal-fired power plant currently under construction near Vernon. The plant is owned by West Texas Utilities Company and PSO.

The SPS company power line will eventually tie in to the South Plains Plant 6, a coal-fired power plant, being built northeast of Dalou. According to Wayland Richardson, the Plainview system store supervisor, "The supplies, including poles, conductors, and conductor arms, are brought in by train and by trucks. The cargo is unloaded and given to the contractors, EMKO, of Salt Lake City, Utah. EMKO will then deliver it to the right of way site. Floydada is one of three distribution points for the supplies; the other points are Crowell and Paducah. The materials delivered to Floydada will cover approximately 60 miles of the power line until connected to Crowell and Paducah."

According to W.T. Seitz, vice president of engineering and operations of

SPS, "when completed, the Southwestern Public Service Company's 345 KV power line will be 162 miles long. It will be supported by 100-foot tubular steel, H-frame structures."

Richardson stated that he could not give an estimation on when the poles would be erected. He said that, "The contractors are in Paducah now heading

this way, and weather may determine how fast they get here."

Southwestern Public Service Company primarily provides electric utility service to a population of more than one million patrons in a 70,000 sq. mile area of the Panhandle and South Plains of Texas, eastern and southeastern New Mexico, the Panhandle of Oklahoma, and Southeastern Kansas.

Option seminar held

Stroud Insurance Company sponsored a financial seminar for area farmers on January 29 at the Massie Activity Center in Floydada. The topic of the seminar was "Survival Revival, the 1,000 Day Journey for the Farmer." Dealing with the many risks and problems faced by modern family farmers in the complex world of production, marketing, and finance, the program stressed the importance of careful planning in order to survive the next three or four years in good shape for the future.

Representing two new service firms designed to aid farmers with the analysis and planning necessary for survival, Steve Stroud and Tom Tipton of Prairie States Financial Services and Prairie States Commodities Inc., from Oklahoma, addressed such topics as analysis of actual costs, establishing a sound cash flow and marketing options. Stroud conducted the morning session and Tipton spoke following the catered luncheon from Danny's Hens and Fins of Lubbock.

Stroud stressed "being honest with yourself about the cost of your operation." He said, "Only if you include every expense or portion of expense the operation requires for production and supports with its income do you get an accurate picture of your situation." He went on to say, "Then use these facts to make good decisions concerning your operation."

Stroud told the more than 100 farmers attending, "You must include your living expense in your analysis. Too many farmers do not allow a payday for themselves. You also need to take insurance into account. You must protect yourself against losses." He added, "Good financial planning allows a farmer to maximize his profits and minimize his risks."

Tipton began his address with the statement "Agriculture is at a cross-

roads coming from a time when increased production was the answer and going to a time when intelligent financial planning and marketing must be stressed."

The main point of Tipton's program was the use of commodity options and futures as an alternative hedge bringing to a farmer the advantages of limited risk, flexibility, and liquidity. He said, "Effective marketing gives a farmer the ability to use the futures and options markets to shift the burden of price risk to someone else."

Following a discussion period, Stroud closed the program saying, "I remember my father telling me life is like a wheel. It goes round and round, so when you are down in the mud at the bottom, just hang on. It will turn and you will come out on top. But when you do, take a deep breath, cause you are fixing to go under again!"

Anyone wanting more information on the services provided by Stroud or the Prairie States service firms may contact local insurance agent, Dale Goen, who represents Stroud Insurance in this area and orchestrated the seminar here.

Letter to the Editor

To the Editor:

As a scleroderma patient who has suffered alone for too many years with a disease that few people have ever heard of, I am attempting to locate others who suffer from scleroderma (systemic sclerosis).

My New Year's resolution is to correspond with as many scleroderma patients as possible. Doctors tell me there are 300,000 of us. Perhaps your readers can assist me in locating others like myself. I can be reached at 21 Brennan Street, #21, Watsonville, California 95076.

Thank you,

SOUTHWESTERN PUBLIC SERVICE poles are being delivered to a distribution point on Highway 70, just north of Floydada. Construction in this area will not start until contractors make their way from Paducah.

Library Friends organize

A reorganizational meeting of the Friends of the Floyd County Library was held in the county courthouse on Thursday evening, January 24. The basic purposes of this organization are to promote and support the library, so as to maintain a facility that will be of service to everyone in the county. Ours is an unusually fine library for a county the size of Floyd. Not only is there an abundance of fine reference books, fiction, and children's books, but our library is a member of a network of lending libraries, allowing us to obtain books on loan from any other library in the system. In addition to books, there are films and records on a variety of subjects available for loan, as well as projectors for rent, to those who need them.

The "Friends" is an independent support group comprised of individuals of all ages from throughout the county who want to help promote the library. This may be done through public awareness by means of programs given

to outside groups, or by bringing children and adults to the library, or by word-of-mouth acclamation of the various merits of our two facilities, etc.

Although the location of the library in Floydada has been sorely criticized, the main problem seems to be insufficient interest in the use of the present facility to warrant the expense and efforts that would be involved in changing that location. The "Friends of the Library" will be striving to bring about an increase in this use, among other things.

Of special interest to the "Friends" is the potential involvement of more young adults. Continuing growth of the library will most surely affect their children in years to come, and the parents' support at this time would make a lot of difference.

Any one of any age who has an interest in joining is welcome. For more information, contact Jackie Walls at 983-2329. They need the help of everyone to keep the library strong.

Thank You from 4-H

Here we go again! "The day is cold and dark and dreary," one of several. Such a nice day to sit by the fire or take a nap.
Sunday was the same only we had a little snow and rain Saturday night and I missed church. Well, this is winter.
The Henry Brewers had company over the weekend. Relatives came Saturday from Wichita Falls.
Mrs. Eula Battey and Mrs. Ola Warren are doing very well.
Mrs. Roe Jones is home OK. So are her daughters.
Mrs. Leo Frizzell is home, all well. The Mayfield's colds are better.
Mrs. C.M. Meredith is home from South Texas, Victoria, where she visited with son, Curtis and family. She says it is cold there, too.
Letha and Travis Lightfoot are home and OK.
Mrs. Plumlee is home and fine.
Son, Victor of Plainview came Saturday afternoon, but Sue did not come. She has the flu.

MONTE WILLIAMS (left) is congratulated by C.J. Payne (right) on the occasion of his assumption of the Chairmanship of the Floydada Salvation Army Service Unit on January 7. Payne, the outgoing chairman, has held the office for 4 years. Other officers are: Olin M. Watson Jr., vice chairman; Mary L. McPherson, treasurer; and Fred Cardinal, welfare secretary.

Veterans lose payment

A large number of veterans and other recipients of disability and death pension benefits from the Veterans Administration will fail to receive their regular payment on February 1, 1985. According to Margaret A. Herrera, Veterans Service Officer for Floyd County, failure to receive the benefits payment will probably be related to the annual income report which is required by the Veterans Administration each year.

On November 1, 1984, all veterans, as well as widows and children of veterans, in receipt of disability or death pension from the VA received an annual income questionnaire card. This income report had to be completed and returned to the VA prior to January 1, 1985, or benefits would be terminated. Many of these pension recipients either lost the income report card, or failed to complete and return it by the deadline date, thus

no benefit payment was sent on February 1, 1985.

Those who failed to return the income card can still do so and be reinstated if their entitlement continues. If the income card cannot be found at this time, a substitute reporting form may be obtained from your local Veterans Service Officer of from any office of the Veterans Administration. Under current law, benefit payments cannot be resumed until the required annual income report is received showing all 1984 income and the anticipated income from all sources in 1985. In addition, if the annual accounting is not received by the VA, it is possible that an overpayment will be declared covering all benefits which were paid during 1984. It is, therefore, most important that the VA be provided with annual income report as soon as possible.

"Harvey" staged for April

Members of the Floyd County Arts Association were delighted with a program of instrumental and vocal music at their winter meeting, held last Sunday at the First Christian Church in Floydada. Guest artists brought to their audience a vast assortment of musical styles and types, performing with voice, piano, violin, trombone and harmonica -- everything from musical comedy and "hoe down" tunes to gospel music and Mozart.

Following the musical program, members and guests were invited to enjoy refreshments while they viewed an exhibit of art by some of the past and present students of Dewane Franklin.

During the brief business meeting which preceded the program, Stella Benjamin, drama committee chairman for the Association, announced that the comedy-farce "Harvey" had been selected as the Association's Spring production. Cecil Osborne, South Plains, will direct the play. Dinner-and-theatre performances are tentatively scheduled for Saturday, April 20, in Lockney, and Saturday, April 27, in Floydada. A Sunday afternoon, April 28, matinee performance is also being considered.

Cecil Osborne, a past graduate of Wayland Baptist with a major in drama, is presently serving as minister of the South Plains Church. Although his pastoral duties have taken precedence over the years, his interest in the theatre has not diminished. He will be holding try-outs on Tuesday evening, February 5th, at 7:00 p.m. at Goen & Goen Insurance offices, and invites everyone to come.

There are twelve parts to be cast in this play. Four of these have only a few lines and appear in only one scene, each. In addition, there are two major roles and six moderate-sized ones. In all, there are six males and six females.

Some of you may remember the movie version of this Pulitzer prize winning play. Jimmy Stewart played the starring role of Elwood P. Dowd, whose best friend is a six-foot, one-inch rabbit

whom no one can see, except Elwood. If you have any interest in being in this play, or if you would be willing to work backstage (we'll need at least four people to just help move scenery between scenes) please come to Goen & Goen offices next Tuesday evening, February 5, at 7:00 p.m. Come join the fun! They need you!

FHS BAND STUDENTS who performed with the all-region band last weekend were: [back row, l-r] Teresa Gentry, Marlyse McGaugh, Laron Cheek and Andrea Bonner; [center row] Mary Ann Quillan, Kathy Lopez, Laurie Garcia, Diana Wilson and Tiffany Gentry with Gabriel Mendoza [kneeling.]

PUBLIC NOTICE

AT&T Communications of the Southwest, Inc. ("AT&T Communications"), in accordance with the Public Utility Regulatory Act and the rules of the Public Utility Commission of Texas ("PUC") hereby gives notice of its intent to implement a new schedule of rates for its services. The new rates will be effective February 22, 1985, unless otherwise determined by the PUC. All customers and classes of customers would be affected by the proposed rates.

AT&T Communications has filed restructured tariffs designed to more closely recover access and other costs for private line, DATAPHONE* Digital Service, OCC Facilities, WATS and 800 services.

Also proposed is the institution of a charge for directory assistance to begin to recover access costs incurred for such service, and increases in rates for operator assisted AT&T Long Distance calls.

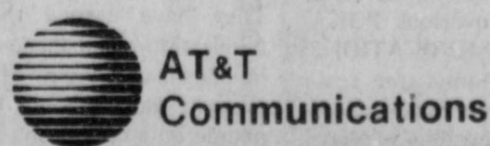

AT&T Communications is proposing to restructure its AT&T Long Distance Service and to reduce its overall revenues from basic long distance approximately \$25 million.

While long distance rates will, in most instances, be reduced, certain AT&T Long Distance rates are proposed to be increased to more nearly recover the access charges approved by the PUC for such service.

The proposed new rates for all services would result in an increase in adjusted test period revenues of \$123.4, or 11.3 percent.

A complete copy of the proposed tariffs are on file with the Texas Public Utility Commission.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene or participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information also may be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

PROCLAMATION

"Whereas, heart disease and stroke this year will kill nearly 1,000,000 Americans and 50,000 Texans, a total which exceeds all other causes of death combined, and

"Whereas, more than 200,000 of these victims die before retirement age, and

"Whereas, the American Heart Association is the only voluntary health agency whose sole mission is to reduce early death and disability from heart disease and stroke, and

"Whereas, the Heart Association's relentless battle against this American epidemic combines a nationwide research program, as well as improving health care in the community through professional and public education, and community service programs.

"Now, therefore, I, Parnell Powell, Mayor of the city of Floydada proclaim the month of February as American Heart month and urge all citizens to support the educational and fund raising campaign of the American Heart Association in the city of Floydada.

Contributions of time and money will help in the fight against heart disease and stroke."

Parnell Powell,

Parnell Powell, Mayor
City of Floydada, Texas

Tickets on sale for art auction

Area chairmen for ticket sales to the Floyd County Arts Association's "White Elephant and Art Auction" are planning their sales strategies for this fund-raising event. Jackie Walls of Floydada and Gleyenn Earle Cummings of Lockney will be setting up committees of ticket salespersons to contact Floyd County residents about making reservations for an evening of dinner, professional entertainment, and auction events on Saturday, February 23, at 7:00 p.m.

The Massie Activity Center in Floydada will be turned into "Chinatown" for an evening of fun and fund-raising in the style of a Chinese New Year Celebration: "The Year of the White Elephant." A professional magician will be on hand to amaze and delight with his table-side "sleight of hand" maneuvers. Background music throughout the evening will be provided by Freida Simpson, at the piano. Kenneth Gregg and Sam Fortenberry will preside over the auction events, which will include everything from sealed-bid, or "silent" auction, to "Chinese" auction bidding, along with more traditional auctioneering.

Individuals and merchants throughout the area are donating a wide variety of goods and services for the benefit of this fundraiser for the arts. Some of the articles pledged are: modeling of fashions for auction, use of video equipment and films for a weekend, numerous works of art by area artists, etc.

In addition to the auction items, door prizes will be given every hour, but you must be present to win.

Reservations will be limited, and must be made in advance, due to the buffet dinner that is included in the \$7.50 admission price. It's all in good fun and to raise funds for the Arts Association's programs and projects for the coming year. For more information, or to get your tickets, contact Jackie Walls, 983-2329, or Gleyenn Earle Cummings, 652-3771.

JOY ALLEN (left), leader, and Debra Graham (right), assistant leader of Girl Scout Troop 450, show scout member, Misty Warren how to cross stitch.

Joy Allen and Graham bestowed 15-year pins

The Caprock Girl Scout Annual meeting at the Southern Sea Restaurant in Lubbock, honored two of its members: Debra Graham and her mother, Joy Allen, with 15 year pins. The pins were presented by Mrs. Betsy Strain, chairman of the personal service committee.

Debra Graham started in the Girl Scouts in Troop 297, in 1969-1970, when she was in the 2nd grade. Mrs. Allen also started in the Girl Scouts at this time, and became the leader of Troop 297. After Troop 297 dissolved in 1981, Debra and Joy joined Troop 450 as assistant leader and leader, respectively. Joy and Debra are assisted by Rilla Sue Woody, another assistant leader.

In 1981 Troop 450 started with 13 girls, but today only two girls are members, Misty Warren and Pam Woody. Mrs. Allen feels the biggest reason in the small membership is the problem of "finding dedicated women who have the time to give as leaders."

Joy Allen has provided another service to many Floydada residents by being the cookie chairman for the past 15 years. Joy says that "up to 200 cases of Girl Scout cookies come to my house

every year for distribution." She feels the most important thing she has accomplished as a leader was in helping her daughter and others like her to achieve the recognition needed to be chosen for Girl Scout sponsored trips.

Debra Graham's contributions to Girl Scouts are also many. Beginning at the age of 15 years old when she earned the highest honor a girl scout can receive, she earned First Class Girl Scout, equivalent to the Eagle Scout Award given in the Boy Scouts. Because of Debra's cookie sales she has attended Camp Rio Blanco for six years, and has been named the high salesman in cookies for two years. Debra has been rewarded by being chosen for numerous trips for her dedication and hard work in Girl Scouts. Some of the trips include the Austin Heritage trip, a trip to Our Cabano in Mexico, and Washington D.C.

Any girls in the 7th, 8th, or 9th grade interested in joining the Girl Scouts should call Debra at 983-5515, or Joy at 983-2830. If there are any women interested in becoming leaders of other troops, they are encouraged to call Debra or Joy also.

VEH students model homemade garments

Students of the Vocational Education Homemaking high school class presented a fashion show Friday morning, January 18, in the Home Economics room.

The students modeled garments they had sewn the past few weeks in class. Modesta Garcia modeled a button down front skirt of grey polished cotton. Lisa Galvan modeled a short jump suit of orchid, grey and rose striped chambray. A jogging suit of orchid knit was modeled by Sara Guzman, Rosa Linda Maldonado modeled a short red cotton jumpsuit over a black sweater and black hose. Evon Garza handed out programs,

and the teacher, Joyce Williams, narrated the show.

A folding screen decorated with fabric swatches, pattern envelopes and spring fashion illustrations was used as background for the show. After the style show, students served refreshments to the guests. The table was covered with a pink cloth and centered with an arrangement of pink and blue flowers in a crystal basket. Fruit punch and cookies, made by the junior high students, were served from a crystal punch bowl and crystal trays. Guests included parents, day care workers, Plan A office workers, a representative from Perry's store (where all the sewing supplies were bought), Ron Wood the high school principal, and Jerry Cannon the Floydada school superintendent.

FASHION SHOW—Floydada High School Vocational Education Homemaking students model outfits that they sewed while in class. Displaying garments are [l-r] Modesta Garcia, Lisa Galvan, Rosa Linda Maldonado and Sara Guzman. "Ruth Remembers"

By Mrs. W. Boone Hall
(nee Ruth Brown)

Early in 1905 my father and mother, Mr. and Mrs. W.T. Brown with four of their eight children (the others were married) Stella, Jessie, Susie and Ruth (the writer) moved from Denton, Texas to Floydada, Texas.

Father bought a two storied building from a Mr. Ranft, on the south side of square about where Hale's store is now located.

The first floor was stocked with light hardware, and the second story was our living quarters; consisting of two bedrooms on north front, a small parlor and a big kitchen and den (as we would call it today.)

Some of the fondest memories of my life center around this home.

The two bedrooms and parlor were carpeted with loom woven rag rugs. To me their loveliness rivaled the expensive lush plush carpets of today. There was a hanging coal oil lamp dripping with crystal prisms lighting the dining table.

Since my darling little mother spent most of her time in the kitchen -- she had polio when two years old which left her completely paralyzed in her lower limbs -- there is where we all congregated. Oh, she was the heart of the family. There she cooked, she served, she read to us, she prayed for us and there she sang praises to the Lord. Had ever a home have such a mother as ours? The big girls kept the rest of the house.

You went upstairs by an enclosed stairway at back of store or from an outside east entrance.

So many people climbed the stairs to visit my mother. Oliver and Mary Dee Allen came bringing milk (they were children of Mr. and Mrs. W.I. Allen). Mary Dee was always laughing. Janie Ryals, (who later married Jess Sherbet) and her father also brought milk. Janie was such a gentle and charming girl.

The big girls friends would come visiting too -- Jessie Snodgrass (Mrs. Tom Triplett), Hope Duncan (Mrs. John Hammond), Jeffie Bartley (Mrs. Worth Shipley), Beatrice Henry (Mrs. (Dr.) George Smith), and others. They would talk their young girl "courting talk." How it enthralled me. How I longed to be grown and have a fellow -- oh, dearie me!

I'd stay upstairs with mother awhile then run downstairs to be with my father in the store.

I recalled so vividly Judge Howard (father of Lee Howard and Dora Howard) came in to look for a pocket knife. Dad opened glass showcase and pulled out a tray of knives. One held Mr. Howard's attention -- as it had mine. It had a huge sparkling silver chain that you could festoon across chest. I can imagine Judge Howard envisioned it hanging across his expensive vest.

After much thought he said, "Mr. Brown, I believe I'll take the knife with

silver chain." Then in my childish honesty I exclaimed, "Oh, Mr. Howard, that knife won't cut hot butter." Quickly and graciously he replied "Mr. Brown, I'll just think on this deal a little longer," and left.

I thought my father would be provoked and scold me, but he never said a word. Bless his old heart! A sale shot to pieces, but a little girl's heart flooded with love for her father.

"Precious memories, how they linger; how they ever flood my soul."

Matrons gather in Carr home

The Past Matrons club of Floydada Chapter No. 31, Order of the Eastern Star, met Thursday, January 24, at 6:30 p.m. in the home of Bess Carr.

A period of visitation followed a delicious salad supper enjoyed by ten members.

President Flora McNeill presided over the business meeting, when roll call was answered by each member giving her New Year's resolution.

During the meeting, plans were made to prepare name plates to be placed on the resident's doors at the nursing home.

Those attending were Mmes. Flora McNeill, Faye Jackson, Hazel Swebston, Eula Parrack, Cleo Goins, Carrie Cline, Roberta Russell, Ruth Trapp, Anne Swebston and hostess Bess Carr.

OBITUARIES

MARTHA BADGETT
Graveside services for Martha Badgett, 42, of Port Lavaca were at 10 a.m. Tuesday, January 29, in Floydada Cemetery with Dr. Floyd C. Bradley of Plainview, a former pastor of Floydada First Baptist Church, officiating. Burial was under the direction of Moore-Rose Funeral Home of Floydada.

She died at Port Lavaca Friday, January 25, following a lengthy illness. Mrs. Badgett was born in Bristow, Oklahoma. An employee of Alcoa Co., she had married James Badgett February 26, 1977 in Victoria.

Survivors include her husband; two daughters, Kimberly Spoon of Victoria and Nancy Spoon of Port Lavaca; two stepdaughters, Lynne Badgett and Jamie Badgett, both of Fairbanks, Alaska; a brother, Douglas Fose of New Orleans, Louisiana; and her mother, Phyllis Fosc of Port Lavaca.

LILLIE DAVIS
Services for Lillie Davis, 89, of Abernathy were at 2 p.m. Friday, January 25 in First United Methodist Church in Abernathy with the Rev. Tommy Beck, pastor, officiating. Burial was in Abernathy Cemetery by Chambers Funeral Home.

She died at 9 a.m. January 24 in Hi-Plains Hospital in Hale Center after a lengthy illness.

Mrs. Davis was born in Decatur and married Phillip Davis October 27, 1912 in Olney. The couple moved to Abernathy from Floydada in 1947 and owned and operated Davis Grocery Store many years. Mr. Davis died in 1975. Mrs. Davis was a Methodist.

Survivors are three sons, Preston and Blewett Davis, both of Abernathy, and Ted Davis of Dumas; a sister, Verna Wood of Littlefield; four grandchildren; and two great-grandchildren.

CLAUDE S. EVANS
Graveside rites were held January 22 in Mountain View Cemetery at Kingman, Arizona, for Claude S. Evans, 82, father of Claudette Hulcy of Plainview.

Evans died January 18 at his home in Kingman. He was born May 2, 1902, in Haskell County, Texas. A retired forklift driver, he moved to Kingman 12 years ago from California.

The graveside rites were conducted by the Rev. George Gilbert, pastor of Haulapai Baptist Church in Kingman. Arrangements were by Tucker Funeral Home of Kingman.

Other survivors are his wife, Laura; two other daughters, Mary Lou Cattanazar of Scottsdale, Arizona, and Johnnie Evans of Seymour; one son, Claude (Frog) Evans of Kingman, Arizona; one brother, Otis Evans of Texas; and four grandchildren, including Monty Hulcy of Plainview and Christi Hasley of Lubbock; and two great-grandchildren.

CLARENCE FOSTER
Services for Clarence Foster, 97, were at 2 p.m. Saturday, January 26, at Calvary Baptist Church with the Rev.

Hollis Payne, pastor, officiating. Interment was at Floydada Cemetery under direction of Moore-Rose Funeral Home.

Foster died at Abilene Convalescence Home January 24.

He was born in Jack County and moved to Floyd County in the early 1900s.

He owned and operated the Foster Motel in Floydada for 40 years. He was a member of the Calvary Baptist Church.

Survivors include a son, Bruce of Houston; a daughter, June Callahan of Abilene; 11 grandchildren; and 15 great-grandchildren.

CLOIS KING
Funeral services for Clois Leroy King, 76, of the Lone Star Community, were at 2 p.m. Monday, January 28, in First Baptist Church in Lockney with the Rev. Kevin Wood officiating.

Burial was in Plainview Memorial Park under direction of Moore-Rose Funeral Home.

Mr. King died Friday, January 25, in Lockney General Hospital.

He and Vera Elder were married on March 1, 1931 in Elk City, Oklahoma. Moving to Floyd County in 1941, he was a retired farmer and a deacon at Lone Star Baptist Church.

Survivors include his wife; three brothers, Walter Downs of Sudan, W.E. Downs of Fort Worth and Harland Downs of Abernathy; and one sister, Geneva Harton, of Littlefield.

MARCELINO MITCHELL
Funeral services were held Monday afternoon in Templo Bautista in Plainview for Marcelino Mitchell, 85, of Friona. He was the father of Mrs. Raul Vera of Plainview, formerly of Lockney.

Burial was in Parklawn Memorial gardens of Plainview by Wood-Dunning Funeral Home.

Mitchell was born April 27, 1899, in Mosquero, New Mexico. He was married in 1921 to Manuelita Tafoya in Gallallos, New Mexico, who preceded him in death in 1968. Mitchell was a rancher.

Survivors include eight sons; six daughters; 48 grandchildren; 33 great-grandchildren; and one great-great-grandchild.

MARIANO SALINAS
Funeral services were held Saturday in La Primera Iglesia Bautista in Mission for Mariano Salinas, 70, who was the father-in-law of Rachel Salinas of Lockney.

Mr. Salinas died Thursday, January 24, in McAllen Methodist Hospital. He was born April 17, 1914, in Brownsville. He was preceded in death by his oldest son, Ted Salinas. He also is survived by his wife, Blanca; two sons, Frank Salinas of New York, and Eulalo Salinas of LaSara; 17 grandchildren; and 12 great-grandchildren.

The funeral service was conducted by the Rev. Eleazar Sanchez and the Rev. Arcadio Gonzales, formerly of Floydada.

Pallbearers were Teddy Salinas, Joe Ortiz, Pete Diaz, Leonard Cox, Efran Robles and Andres Martinez. Burial was made by DeLeon's Funeral Home.

Remember your loved ones with a living memorial to the Caprock Hospital Auxiliary Memorial Fund.

Mrs. Jane Pruitt, Treasurer, 983-2040.

PUBLIC NOTICE

In accordance with the Public Utility Regulatory Act and the Rules of the Public Utility Commission of Texas, AT&T Communications of the Southwest, Inc. (AT&T Communications) gives notice to all of its Texas customers that a new procedure for long distance billing was made effective on an interim basis on August 6, 1984 in Docket No. 5800.

The procedure referred to is "Rate Period Specific Billing" and it applies to all message telephone service (AT&T Long Distance calls) including non-REACH OUT Texas calls within the State of Texas. This new procedure affects all AT&T Long Distance customers. All intral.ATA long distance calls and all interstate long distance calls are currently billed using this procedure.

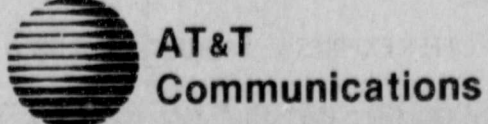

Under this procedure, customers are billed a specific charge for long distance calls according to the rate or rates in effect throughout the time of each call. If a call begins in one rate period and extends into a different rate period, the customer will be charged whatever rate is in effect for each portion of the call.

For example, if a customer places a call at 4:58 p.m. on a weekday and talks for ten minutes, the first two minutes of the call would be charged at the full weekday rate which extends from 8:00 a.m. to 5:00 p.m. The remaining eight minutes of the call would be billed at the evening rate which extends from 5:00 p.m. to 11:00 p.m. and includes a 25% discount. If Rate Period Specific Billing were not in effect, the entire call would have been billed at the higher day rate. Calls which extend from the evening rate period (25% discount) to the night and weekend rate period (40% discount) or from the night and weekend rate period (40% discount) to the day rate period (no discount) would also be billed according to the actual minutes of use during each rate period.

AT&T Communications anticipates a minimal increase of approximately .02% in its revenues or approximately \$250,000 annually.

A complete copy of the "Rate Period Specific Billing" tariff is on file with the Texas Public Utility Commission.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene or participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information also may be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

FHA-HERO students tour SPC

By Modesta Garcia

Floydada High School FHA—HERO class, along with their sponsor Mrs. Joyce Williams, traveled to South Plains College in Levelland on Wednesday, January 23. The group was met by Mr. Scott Yarborough in the administration building. He assigned them to Mary Beth Van Zandt, who is on a work study job. She works ten hours a week taking high school students on tours of the campus.

In the student union building we saw the bookstore, which carries school supplies. In the dining hall, the students were told that all food was prepared by S.A.G.A. a company that serves colleges. No plate lunches are served at the college. Foods served include sandwiches, a salad bar, snack foods, pizza, soup, ice cream and soft drinks. Since students prefer these foods there is not as much wasted. Students are hired to work in the dining hall.

We then went through the women's gym and workout room. In the cosmetology class, we observed girls rolling hair and giving perms and manicures. In the Fine Arts Building there were ceramic kilns, artist easels and paintings done by students. The C.W. Post family has donated beautiful paintings from Europe. We also saw the music rooms and library.

Outside there were several tennis courts. In the girl's dorm we visited

the Baker Center living room, where girls meet their dates, since no boys are allowed past this area. The dorm mother is called Mom. She looks after all the girls. The dorm mother we visited grew up in Floydada and mentioned that she knew Mrs. Carolyn Cheek and Mrs. Ann Helms.

On our return trip we stopped at the Lubbock branch of South Plains College. Miss Leesa Taylor told us that in the future daycare workers must have certificates to show they have studied childcare and advised us to prepare for the jobs now. She also told us about their food service courses.

I feel that the college showed us they will help with any problems.

"I noticed that the college has 14 tennis courts," said Lisa Galvan, who was one of the students on the tour.

Sara Guzman observed "The bookstore had sweatshirts for sale."

"They had a game room and TV room for students to visit between classes and all right there on campus," said Rosa Linda Maldonado.

There was a feeling of friendliness everywhere we went at the college. We learned a lot about training we can get at both the Levelland and Lubbock campuses. The financial aid office also provided us with papers to fill out in order to apply for grants.

We would like to thank Mr. Ron Wood and Mr. J.E. Waller for giving us the permission to go on the trip.

Eighth grade boys place first in Tulia tourney

Floydada's eighth grade boys traveled to Tulia on January 5 to compete in the Tulia Tournament. The Breezers scored 20 points in the first quarter of their first game against Nazareth. With a decided lead in the second quarter, Coach Bodey allowed all members of the team to play and they racked up another 12 points. The first half ended with the score Floydada 32 and Nazareth 8. Floydada continued to dominate during the second half and ended the game with a decisive score of 41 to 19.

The Breezers second appearance during the tournament was the toughest game of the day. Tulia was the opponent and the two teams were apparently evenly matched as the first quarter score was 8-8. The second quarter continued in the same vein with the scoring pretty even. The half ended with Floydada 18 and Tulia 16. The second half was not as even. The Breezers scored 33 points to Tulia's 16, making the final score 51 to 32.

The two victories gave the team first place in the 1985 Tulia Tournament.

Friana's eighth grade Chiefs came to Floydada on January 7 to meet the Floydada eighth grade Breezers. Floydada's boys again dominated the play, scoring 14 to Friana's 7 in the first quarter. The Breezers racked up 22 points in the second quarter to end the half with a score of 36-7. Friana played well during the second half, but was unable to overcome the lead established by the Breezers. The game ended with Floydada winning 55-27.

A trip to Idalou on January 21 took the Breezers into the most difficult match-up they had faced thus far in the season. Idalou took the lead by scoring 14 points in the first quarter to Floydada's 5. The Breezers came back to score 16 points in the second quarter, ending the half with a score of 26-21 in favor of Idalou.

Floydada pulled within 2 points of Idalou in the third quarter and tied the game up at the finish of the fourth

quarter, making the score 43-43 and forcing an overtime. The overtime ended with Floydada ahead 49-46.

Betty Fuller, the grandmother of team member Chad Quisenberry, said,

"The game was the best I have ever seen."

Coach Bodey expressed his thanks for parental support of the team and added, "The kids have really improved."

South Plains News

By Mrs. Murray Julian

South Plains, Jan. 28:

There was rain Saturday night and on Sunday we had a snowstorm which lasted throughout Sunday morning, but soon melted off. Regular wintry weather is here with us and 38 degrees makes it seem really cold this Monday morning. The fog soon burned off here in our area.

The Floyd County Art Association met Sunday at 2:00 p.m. in Floydada at the First Christian Church, and several from here attended the art showing which was so enjoyed by all of them including Mmes. Mamie Wood, Janis Julian, Helen Teeple, Ruby Higginbotham, Mr. and Mrs. Sterling and Gleyne Earle Cummings, and Mr. and Mrs. Don and Sara Probasco.

Mr. and Mrs. Roby and Teresa Lutrick and children, twins, Tessa and Tobi, and baby, Erin Rochelle, have been staying here several weeks with her folks. Mr. and Mrs. Dean Stewart and Kyle, while they were searching for a home. Roby is employed at Hamby's in Plainview. The couple will now be moving to Lockney, where they will make their home.

Mrs. John (Tammy) Cummings was graduated from Texas University in Austin on January 22, where she received her bachelor of journalism. John will be graduating from T.U. in May. Congratulations, Tammy!

The South Plains Hobby Club will have its February meeting in Floydada on February 13, at the home of Mrs. Letha Mulder at 2:00 p.m. Roll call will be "My Favorite Quilt Pattern."

Mr. and Mrs. Sterling Cummings, her sister and brother-in-law, Mr. and Mrs. Elmo Hall of Hereford left here on January 19th for a trip through Arkansas, but as they reached Fort Smith, they were turned back home on Jan. 20th, due to icy conditions on the roads there.

Zach Cummings and his family now live in Lockney. Zach will be farming in Barwise this coming year.

Helen Teeple is going to be chairman for the art association auction which will be held in Floydada at the Massie Activity Center on February 25th, with a Chinese New Year's Festival. A group of South Plains ladies will be meeting at the South Plains Baptist fellowship hall Thursday morning, January 31. (This coming Thursday.) They will be making Chinese decorations for the festival. If you could and would like to help, please do. Each lady will be welcome.

We are happy to say that Mrs. Alvin Nichols of Sweetwater got to come home from the hospital last Tuesday, after spending days there and undergoing stomach surgery. She also had a bout with allergies and other complications. Now she is home and has a companion staying with her and taking care of her while she convalesces.

Lakeview News

By Joyce Williams

A light 1" snow fell over the community Monday morning but was melted by noon.

Mr. and Mrs. Milton Harrison were Sunday dinner hosts to Mr. and Mrs. Don Harrison.

The Lakeview oil well is still a "tight hole" with no information going out. The crew is still here. The geologist has gone home. While he was working here he attended the City Park Church of Christ regularly.

Mrs. Buell Neff visited with her son, Donald, and family in Lubbock during the recent holidays. All her children were present. These included Patricia and Bill Smith and girls of Littlefield. Also Nellie and Jack Johnson and family of Luling, Texas were there. Ona Ruth was recently a hostess to the members of the Daughters of the American Revolution.

Mr. and Mrs. Q.D. Williams, and Mr. and Mrs. James Williams and children attended a 70th birthday party Sunday for Q.D.'s brother, Earl in Hamlin, Texas. They went to church in Aspermont and drove on for the family party from 1:30 to 3 p.m., hosted by the honoree's daughter and grandchildren.

You may begin to understand the true meaning of the term "Identity crisis" when you try to cash a check in a strange town.

A man recently hired temporary help to answer his business phone while he was away on a trip. When a salesman called one day, the English secretary responded: "Mr. Brown has gone to the United Kingdom." The salesman was shocked. "I'm terribly sorry," he stammered. "Is it too late for me to send flowers?"

Cedar Hill News

By Grace Lemons

We had a light snow and drizzle rain and the temperature is cold with no measurable amount of moisture.

Several are still sick with the flu. Cephus and Imogene Fortenberry are feeling better. Phil Lemons and Twyla have been ill.

Grace Lemons visited the W.T. Coopers in Lockney Monday and with Vivian Roberts in Floydada Thursday.

J.B. Whitehead is improving satisfactorily after undergoing hip surgery recently.

Norma Welch and Mrs. Peat Kelley visited Mr. and Mrs. Carl F. Lemons Sunday evening.

Rosa Lackey is doing as well as expected after sustaining a broken hip from a fall at her home last week. She is in Room 379 at Methodist Hospital in Lubbock. We trust that she will improve rapidly. Our prayers are with her at this time.

Patsy Boone of Lubbock spent the weekend with her parents, Tom and Gladys Fortenberry.

Several attended the funeral of Rob Spillman at 10:00 a.m. in the funeral home Monday morning in Tulia. Burial was in the Silvertown cemetery. He is related to the Fortenberry families of our community.

Dinner guests in the home of Edna Gilly Sunday were her children, Craig and Trudi Gilly, Amy and Tara and Mark and Lori Gilly, Emory and Jessica.

Imogene Fortenberry and Edna Gilly attended church services at the Trinity Church in Floydada Sunday evening.

Geraldine Callaway and her granddaughter and two great-granddaughters visited Clara Mize Friday afternoon.

Bud Henderson visited Clara Mize Sunday morning.

PUBLIC NOTICES

NOTICE OF PUBLIC MEETING

The State Department of Highways and Public Transportation will conduct a public meeting on February 11, 1985, at 3 P.M. in the County Courtroom of the Floyd County Courthouse in Floydada, Texas, for the purpose of discussing the construction of F. M. 602 from U.S. 70, 1.0 mile east of F.M. 602, south to F.M. 1958 in Floyd County.

This proposed improvement will consist of the construction of a farm to market type pavement consistent with other farm to market highways in the area. Proposed right of way width will be 100 feet.

Maps and other drawings showing the proposed location and geometric design will be displayed at the public meeting and together with environmental studies and any other available information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office of the State Department of Highways and Public Transportation in Plainview, Texas.

Personnel from the State Department of Highways and Public Transportation will be in attendance at this meeting to answer questions and give information concerning the design, the State's Relocation Assistance Program and right of way acquisition.

All interested citizens are invited to attend this public meeting.

Card of Thanks

Thanks to Floydada Fire Department and local Lakeview neighbors for helping with the fire Monday.
Louis and Robert Pyle
1-31c

We wish to thank all our friends and relatives for the cards, letters, phone calls, visits and prayers. All this meant so much to us while we were patients in the hospitals. We also want to thank the doctors and personnel at the two hospitals for all of this. We are truly thankful.
J.K. & Mabel Holmes
1-31p

The family of Ada Lee Jones would like to thank each and everyone who was so good to us at the time of our loss. The cards, flowers, food, kind words and prayers helped us through those difficult days. To Dr. Hale and the nurses we thank you for your compassion and loving care while she was in the hospital.
May we be as helpful to you in your time of need is our prayer.
Mrs. Otis Anderson & family
Mr. & Mrs. Brownie Smith & family
Mr. & Mrs. Albert Jones & family
Mr. & Mrs. Roy Crawford & family
1-31p

We would like to express our thanks to all those who have shown so much love and kindness during the illness and loss of our loved one, Mary Green. We deeply appreciate the care and concern of the staff of the Lockney Care Center, and of Dr. Mangold and the staff of Lockney General Hospital.
Macon and Evelyn Ulmer and Rosemary
Mr. & Mrs. Jerry Ulmer & family
Mr. & Mrs. Max Ham & family
Mr. & Mrs. Terry Ulmer & family
1-31p

We, the members of the family of Lonnie Hal Scott, wish to express our sincere appreciation to our friends and relatives of Lockney and Floydada and other places who came to us with helpful hands, during the "Home Going" of our precious loved one -- Lonnie Hal Scott. Some came from California and other distant places to help carry our burden.
Special thanks go to our undertakers: Mr. Moore and Mr. Rose for their untiring efforts even into the late hours of night, for our comfort. The Harmony women came through as they always do, to furnish nourishing food for everyone present.
God's blessings on each one.
Blanche Scott Rutherford

Landscape & Gardening

DISCOVER GARDENING IN '85

Got a New Year's resolution? If not, here is one for you to consider: "Discover the Quiet Excitement of Gardening in '85". What can gardening mean to you? Gardening can mean goodness and joy to all who engage in it. Gardening can mean fresh air and healthful exercise leading to a feeling of satisfaction and accomplishment at day's end. Gardening can be a form of "medicine" for both body and soul... relieve frustration and tension and replace the need for aspirin and tranquilizers. Gardening can mean a more beautiful, less polluted outdoor environment for all to enjoy...can help beautify your neighborhood, city and country. Gardening can...do so many things for you that no other hobby or pastime can.

And what better place to garden than Texas, where gardening can be a year-round outdoor experience where soils are good and plant choice and type of gardening is wide and versatile.

Successful gardening may be accomplished on a window sill, among rocks, in pots and pan, in water, in sun or shade...where it is hot, and where it is cold. Each situation calls for somewhat of a new set of gardening rules and practices.

For the unknown and new gardener, advice is abundant; yet, to select the best gardening information is often difficult. Local gardeners must select gardening books and magazines which are written and adaptable to their growing area. It is a little practical value to learn the culture of the Northern Maples or White Birch when they demand the cold of more northern areas and are not at all adaptable to Texas.

The advantage of buying plants from local nurseries is to be assured of adaptable plants for a given area, as well as some good, free and practical advice of how to grow the plant.

A vast amount of gardening information can be found at the County Extension Office. We have scores of up-to-date publications on nearly every aspect of gardening and ornamental horticulture. This information is available free of charge to anyone interested enough to come by.

What are the outstanding and important traits of a good gardener? Score yourself and see what you rank:

1. Love of natural beauty. You'll need to appreciate the beauty of the living plants nature has loaned for your use. She's expecting your cooperation. Use your imagination; let your landscape reflect your feelings and emotions. Make it something special, a part of you, not just another plot of grass and row of bushes.

2. Patience. Give your plants a chance. Don't expect large trees overnight. Take care of those young growing plants, and they'll reward your wait. Don't rush it.

3. Civic responsibility. Your landscape is a vital part of your community and your street. Your neighbors are counting on you to hold up your part of the bargain. Your landscape, or lack of it, reflects the kind of person you are.

4. Curiosity. The good gardener is intrigued by things around him. He wonders how he can improve his landscape's appearance or how he can make it more functional or why a plant is dying or what new plant he could try.

5. Enthusiasm. A good gardener most probably is a good doctor, laborer, or musician. He's accustomed to doing things right. Success is, after all, a personal characteristic that springs up in every facet of a person's life.

6. Financial responsibility. A good gardener knows that dollars spent on his home landscape are fine investments. Sooner or later most of us trade homes, and a lovely lawn and garden are mighty good trading tools.

7. Willingness to work. Successful gardeners are hard workers. But it's no harder to keep your landscape in tip-top shape than it is to play a round of golf or a game of tennis.

So that's our list. Let's hope you scored all plus. One minus and you've got a New Year's resolution.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, or national origin.

Students voice protest in vocational ag cuts

Dear Friends of Vocational Agriculture

My name is Shannon Barbee. I am currently serving as Vice-President of the Floydada FFA chapter. I have been involved with agriculture for many years. I am a sophomore at Floydada High School, and I am enrolled in Agriculture II. I have been involved in many FFA leadership conventions, judging contests, stock shows, and conventions and clinics during my two years in Ag and FFA. These activities are a very important part of my life and also the lives of many others. Through these activities and agriculture classroom and shop activities, I am learning many valuable things that will not only help me now, but in the future as well.

I feel that if these events that I have mentioned were terminated, the people involved in agriculture and FFA programs could not benefit from these programs as they do now. If these programs are terminated, America's future will be affected. America's future cannot continue to be a prosperous one without the help of agricultural and FFA programs.

Sincerely Yours,
Shannon Barbee

thing. I feel this makes the class just as important as any other.

There are many things to learn in the classroom such as different types of grasses and their grazing values, many types of feed rations, different breeds of livestock, soil judging, livestock judging and many safety precautions.

You can learn a lot in the classroom, but I have learned much more out of the classroom such as welding, woodwork, electricity, and how to use all of the machinery and tools in the shop. I personally feel I have learned more at the stock shows than anywhere else, especially one of the major shows. There are also many leadership activities and judging contest that are very important too.

I feel this is a very important class and shouldn't be changed at all.

Sincerely,
Hunter Smith

Dear friends of Vocational Agriculture
My name is Charlie McMurrin and I am a member of the FFA.

I would like to tell you a few things I have learned in Vocational Agriculture. (1) Learned shop skills and safety. (2) Learned how to raise animals, plants and other crops. (3) Learned responsibility. (4) I learned how to belong to a group and how to get along with others better.

I was on the Floydada chapter land judging team last year. We learned about soil and it's needs and types. I also showed a pig in the local and county stock show.

If it weren't for Vocational Agriculture and FFA I would never have learned these things. I am glad we have this in our high school. It is the class I learn the most in.

Yours Truly,
Charlie McMurrin.

A friend of the FFA.

I have learned a lot in Ag as long as I have been in it, and I think I've learned things that will help me as well as others in the future. I've learned to do things like weld, raise a crop, work a little with cattle and sheep, work on farm equipment and vehicles. I feel that all these things are important to today's society and also in the future, just as it has been in the past, because somebody has got to grow crops for food and clothing, and raise cattle for meat and work on equipment that is needed sometimes to survive.

I don't feel like this nation would be

where it is if it weren't for agriculture. I think FFA is a great opportunity for anyone. And now hear they are trying to shut it down in the schools. Where else are you going to learn?

I just want the kids in the future to have the same opportunity we have had.

Yours Truly,
Don Chesshir

Agriculture is a very prominent business in the United States. Farming and ranching have been in families for generations and will be there for generations to come. America's food and clothing depend greatly on the knowledge of the farmer and rancher of tomorrow. It is my belief that cutting the funds in the Vocational Agriculture Department of education would be a great mistake, thus depriving the Future Farmer of American the education he or she deserves.

For example, a person can look in a book and see how to weld, but he just can't pick up a welder and make a beautiful weld. It takes practice to be able to make a beautiful weld, and practice comes from hands-on experience which is supplied by the Vocational Agriculture Department. Therefore if the funding is cut, there will be no money to buy electrodes and metal and none to keep the machines repaired. Thus the Future Farmer doesn't have the experience he needs. This holds true to the many other things that the Vocational Agriculture Department offers.

Teaching the young farmers and ranchers early will make them better for tomorrow, making agriculture a better business. I find it a disgrace to the United States Government to even entertain the thought of cutting the funds for America's education, and I think that it should do its best to keep education in America strong and let it be the best it can be for the students of America so that America may become a greater nation for tomorrow.

Natural resource management meeting held

Farmers Home Administration (FmHA) has prepared a draft Natural Resource Management Guide. The Guide is a brief document describing the major environmental standards and review requirements that have been promulgated at the Federal and State levels and that affect the financing of FmHA activities in Texas. The purpose of the meeting is to discuss the Guide as well as to consider comments and questions from interested parties. Copies of the Guide can be obtained by writing or telephoning: Cave Wann at 817-774-1400.

The meeting will be at 10 a.m. at the Federal Building, 101 S. Main, Room 134, Temple, Texas 76501.

J. Lynn Futch, FmHA State Director said that any person or organization desiring to present formal comments or remarks during the meeting should contact FmHA in advance, if possible. It will also be possible at the start of the meeting to make arrangements to speak. Time will be available during the meeting to informally present brief, general remarks or pose questions. Additionally, a 30-day period for the submission of written comments will follow the meeting.

p&r surge systems

Solar Powered Surge

P & R Surge Systems introduces the AUTO PRO CONTROLLER with solar power, completely internal batteries, and an automatic setting for progressively lengthening surge cycle times. The AUTO PRO is totally energy self sufficient. A solar panel mounted to its lid continuously trickle charges the enclosed battery pack. In the absence of any sun, the batteries will sustain the system for 15 days. With an average of only 3 hours of sun a day, the system will run perpetually. The controller offers both manually programmable cycle/time settings and a user-simple auto mode.

In the manual mode the user can set one, two, three, or up to four different programs of any time and number of cycles to run one after another. In the auto mode the user sets one number—"out time". The controller automatically sets cycles and progressively longer surge times to push the water out to the end of the field. It then automatically changes to a constant surge time for continuous cycling. The controller holds both the manual and auto modes in memory simultaneously.

The cast aluminum butterfly surge valve is tough, small, light and easy to move. Five valve sizes are available to fit 4.6, 7.8 and 10 inch gated pipe. They are portable, weighing from 20 to 55 lbs., and compact in widths from 20 to 30 inches including couplers.

P & R also offers an inexpensive controller with a single program for continuous cycling (solar optional). For information contact Perry Farm Machinery, 1202 Plainview Hwy, 667-3505.
