MOST PEOPLE WITH whom we are associated watched at least a good portion of *The Winds Of War* last week on television. Most of these folks also had an opinion on the series, ranging from "pretty good" to "disappointing."

A feature article in Sunday's Hereford Brand dealt with Frieda Davis, who was born and raised in Nazi Germany. She called the television movie an accurate portrayal of the events covered.

However, Mrs. Davis said the movie really didn't tell many of the atrocities that the Nazis perpetrated on the German people and Hitler's enemies.

Although most of the critics have centered their attention on the movie's main characters, played by Ali MacGraw, Robert Mitchum and Polly Bergen, our attention was focused on the actors who played the historical figures.

We thought that Ralph Bellamy did a fine job as Franklin D. Roosevelt, from what we've seen on FDR from films and recordings. Likewise, the choice for Churchill was great, and the actor chosen for Hitler came across about like you expected him to.

Those who felt that the series ended strangely, need to realize that Herman Wouk's book takes one only to the brink of the United States' involvement in World War II.

If you want to see how the Henry family came out in the progress of the war, and whether Byron and Natalie ever made it back together, you'll have to read Wouk's sequel to *Winds, War and Remembrance*.

War and Remembrance is available at the Friona Public Library, so if you're interested in checking it out, you might want to call the library, as this might be a popular book. *Winds of War* is also available, if you want to see how close the television movie was to the original.

W. Fielding To Head Excel Corp.

William G. Fielding, group vice president for fabrication operations since September 1980, has been elected president of Excel Corporation. Lanny L. Binger, group vice president of the slaughter division since May 1980, has been elected executive vice president.

Fielding succeeds F. William Nicholson, who resigned to become chief executive officer of Valley View Agri, a division of Valley View Holdings Co., Dallas.

Fielding joined Excel, then MBPXL Corporation, in May 1980 as vice president for strategic planning and risk management.

Before joining Excel, Fielding had served as a Cargill assistant vice president in charge of flour milling operations since April 1979. He was general manager of Cargill's Burrus Milling Division from November 1977 to April 1979, and was administrative manager for Burrus from March to November of 1977.

He held several merchandising and administrative positions in Cargill's Domestic Soybean Crushing Division before transferring to flour milling operations in 1977. He joined the company in January 1969.

Binger served as vice president of cattle procurement from February 1975 until May 1980 when he was named group vice president of slaughter operations. He joined Excel, then Missouri Beef Packers, Inc. and later MBPXL Corporation, as a cattle buyer in 1969.

Excel is the beef processing and fabrication subsidiary of Cargill.

CAGE ROYALTY.... Crowned last Friday as *Basketball King and Queen* at Friona High School for 1982-83 were two senior members of the *Chieftains and Squaws*. *Joey Howard* was named *Basketball King*, and *Judy McLellan* is *Basketball Queen*.

Two FHS Grid Stars Are Signed

Two members of the Friona Chieftains' 1982 football team, which made the playoffs for the first time in 17 years, have been signed to scholarships and letters of intent. The players are Mark Montoya and Michael Chaney.

Montoya, kicking specialist for the Chieftains, was signed to a scholarship by the University of Texas at El Paso. Donny Carthel, a member of the UTEP staff, was in Friona Monday to sign Montoya.

Montoya was named All-District four years as place kicker and twice as a punter. He tied the school record with a 49-yard field goal and his kicking was a vital aspect of the team's drive to the playoffs.

Chaney, a tackle for the 1982 Chieftains, is called a "sleeper" by

HS Debators Win Tourney

Friona High School's debaters did themselves proud at the Texas Tech Debate Tournament February 11-12.

Senior debaters Patti Hinton and Stan Miller won the tournament.

Two other FHS debate teams reached the quarterfinals in the tournament. They were the teams composed of Brent Hinkle-Bill Caudill and Traci Zoth-David Small.

WIN TROPHY.... Patti Hinton and Stan Miller, Friona High School's number one debate team, won first place last weekend at the Texas Tech Invitational Debate Tournament. Two other FHS debate teams reached the semi-final stage in the tournament.

Coach Tommy Moss. Mike was the most improved player we had. He didn't have the playing background that some of the players did, and was just coming into his own," Moss said.

Moss said he was hopeful that other members of the team would be offered scholarships.

B.B. Loop Will Start On March 7

The Friona Youth Basketball (Little Dribblers) program will kick off on March 7, it was announced this week.

Jerry Lewis, chairman of the program for 1983, said that teams were drawn Thursday night, and that there would be 24 teams including boys and girls, six teams in each of four leagues.

Leagues are divided into third and fourth (together) and fifth and sixth grade youngsters.

March 16 will be the final day for a youngster to enter the program.

The league is still in need of coaches, and anyone wishing to help may call Lewis, or any member of the Youth Basketball board.

City Gets February Tax Check

State Comptroller Bob Bullock Monday returned \$114.3 million in local sales tax payments to 974 cities who levy the one-per cent city sales tax.

Although the payment is the largest single one returned to cities since the rebates began in 1968, Bullock warned merchants and city officials not to make too much of it.

The City of Friona received \$15,953.82 as its share of the February allocation. This was down ten per cent from the \$18,011.65 that the city received for the same period a year earlier.

"Our sales tax goose is still laying golden eggs but they are not growing as fast as they used to," Bullock said. The Comptroller pointed out February allocations, based on sales made in December, are traditionally the biggest of the year.

"Last February we made an allocation that was 16 per cent higher than the previous year, which was 16 per cent higher than the year before that," Bullock said. "This February, our allocation is only 7.49 per cent higher than February 1982. And a good deal of this is because of streamlined procedures we're using to get as much city revenue back to the city that collected it just as soon as possible. If we took out the part of the increase due to processing improvements, the rate of growth over last February would look even smaller."

Houston received the largest check, for \$21.8 million, down 2.5 per cent from February 1982. Dallas' check for \$13.1 million was up more than 17 per cent from the previous February.

San Antonio received \$6.3 million, up 9.7 per cent. Fort Worth got \$4.2 million, up nearly 15 per cent over last year. Austin's \$4.3 million was up 26.4 per cent over last year but El Paso, continuing to suffer the effects of Mexico's economic troubles, received \$2.3 million, down 4.2 per cent from last February.

Bullock also sent February rebates to the state's two Metropolitan Transit Authorities. The Houston MTA received \$25.5 million, up 2.5 per cent from last February. The San Antonio MTA got a check for \$3.6 million up 8.5 per cent from last year.

The City and MTA sales taxes are collected along with the state sales tax by merchants and rebated monthly to the cities in which they are collected by the Comptroller.

Slow Action Evident In Local Races

Action continued to be slow in two local races, with deadline for signing March 2.

Two have filed for spots on the Friona School Board: Jerry London and Teddy Fangman.

In the Friona City Council race, one person, Gaye Tannahill, filed for a spot on the ballot this week. Terms of Jack Hamil, Beth Thompson and Jon Mack Roden are expiring.

Terms on the school board which are expiring are Jerry Hinkle and London's.

School Sets Spring Break

The "Early Spring Break" for Friona Schools will be held as scheduled, February 28, March 1-2, Superintendent of Schools Tom Jarboe announced this week.

Jarboe said that it is not known at this point if the school will have to make up days missed due to the snow and cold, but if it does, these days may be taken from the Easter week break, later this spring.

School dismisses next Friday at 2:45 p.m.

CLASSMATES HONOR.... Richie Malouf and Sherrl Brownd were named this week as *Mr. and Miss FHS* in the annual voting for favorites at the high school. They will be featured in the pictorial section of the 1983 FHS yearbook.

Auction Totals Down From '82

The auction sale at the 1983 Parmer County Junior Livestock Show was considerably off the record level of the 1982 show, according to figures released this week by the Livestock Show Association.

Compilation of the final figures was delayed more than usual due to a mix-up on sale day which resulted in the barrows being shipped to the wrong packer.

The total paid out at the 1983 show was \$75,817.03. This was down considerably from the all-time record total of \$120,025.47 which was paid following the 1982 show.

However, show official John Taylor pointed out that a much larger number than usual of the sale animals were pulled out and kept by owners this year, which resulted in a big drop in the amount paid by the floor buyers.

The amount paid by the floor buyers came to \$26,916.03 this year, compared to \$50,187.57 a year ago.

Prices paid for the barrows were fairly close to those paid in 1982, but the deficit seemed to be in the lamb and steer category.

In 1982, barrows sold for an average of \$2.00 per pound, and the average was \$1.92 per pound at the 1983 sale.

The 44 lambs which made the sale were bought for an average of \$2.35

per pound. This was off the average price of \$2.75 paid in 1982.

In 1982, the steers sold for an average of \$1.25 per pound. At the 1983 sale, only one or two steers went for as much as \$1.00 per pound.

As an example, the Grand Champion Steer at the 1983 show, shown by Corrie Lundy, sold for 90¢ per pound this year. In 1982, the Grand Champ Steer went for \$3.00 per pound.

Grand Champion Barrow sold for \$2.60 per pound this year, which was close to the price of \$3.00 per pound paid in 1982.

The Grand Champion Sheep, by contrast, sold for \$3.50 per pound at this year's sale, and this was 25 cents per pound above the price paid for the champion sheep a year ago.

Floor prices at the 1983 sale were 62 cents per pound on the steers, bought by Friona Industries; 58 cents per pound for barrows, by Clovis Hog Co.; and 55 cents per pound for sheep, by Estacado Feeders of Hereford.

"We appreciate everyone who supported the sale, and the young showmen, by purchasing the animals. It helps them 'come out' on their projects when they can get good prices," said Taylor.

Names of all the buyers at the 1983 show are listed in a "thank you" advertisement on page 7 of this issue.

TOP EMPLOYEES.... Prairie Acres Nursing Home began a program to recognize an "Employee of the Month" for the calendar year 1983, and the winners of the first two awards are shown above. Opal Bailey, left, was honored for January, and Onnie Brady won the February honors. The employees are chosen by their fellow workers.

Rites Held Locally For 5-Year-Old

Funeral services for Jesse Manuel Mendoza, five years old, were held Wednesday, February 16, at 10:30 a.m. in St. Teresa's Catholic Church with Zeferino Villarreal officiating.

Burial was in the Friona Cemetery under the direction of Ellis-Blackwell Funeral Home.

Born December 25, 1977 in Friona, he died Sunday, February 13, at Parmer County Community Hospital, after suffering an apparent heart attack. He was a member of the Catholic Church.

Survivors include his mother, Erma Mendoza of Scottbluff, Nebraska; his father, Nemenfio Mendoza of Friona; one sister, Veronica and one

JESSE MENDOZA

brother, Andy, both of the home in Friona; his grandparents, Mr. and Mrs. Cruz Mendoza of Friona and Mr. and Mrs. Walter Ortega of Holyoke, Colorado.

Pallbearers were Gilbert Mendoza, Julian Mendoza, Alex Mendoza, Mark Madrid, Fidenzo Diaz and Jerry Preato.

W.A. Bass Dies In Oklahoma

Funeral services for William Arthur Bass, 88, of Rocky, Oklahoma, were conducted last Friday at the First Baptist Church in Rocky. Rev. William Burns, pastor, officiated.

Bass died Wednesday, February 2 at the Sentinel Nursing Home, Sentinel, Oklahoma.

He was born October 14, 1894 in Missouri, and was a long-time resident of the Rocky, Oklahoma, area. He was a retired farmer.

Survivors include four sons, Cecil and Estis, both of Friona; Raymond Bass of Exeter, California, and Ertis Bass of Rocky, Oklahoma; three daughters, Marjorie Berger of Honolulu, Hawaii; Mary Lou Walker of Houston, and Ruth Lawrence of Enid, Oklahoma.

Also surviving are two brothers, Clarence of Newcastle, Oklahoma and Sidney of California; one sister, Mable Troupe of Oklahoma City; 22 grandchildren, 40 great-grandchildren and five great-great-grandchildren.

11 Accidents Investigated In County

Steve Talkington, Texas Highway Patrol Trooper in Parmer County, reports that for the month of January the Texas Highway Patrol Troopers investigated a total of eleven accidents in this county.

There was one fatal accident with a total of three persons killed, five injury accidents with a total of ten persons injured and five property damage accidents.

In District 5B, which includes the top 31 counties of the Texas Panhandle, there were 294 accidents investigated by the Texas Highway Patrol.

Highway Patrol Captain Bob Russell reports that the Texas Highway Patrol Troopers investigated six fatal accidents with a total of nine persons killed, 79 injury accidents with a total of 130 persons injured, and 209 property damage accidents.

Friona Flashbacks

....from the files of The Friona Star

55 YEARS AGO--FEB. 17, 1928

An entire train of Holt tractors passed through Friona Monday morning, heading east, supposedly for distribution in the Panhandle country. This was a sight rather unusual in a way, since most all shipments of any kind of farm machinery passing through Friona are headed west. But the Holt factory being in Oakland, California, this train was being shipped toward eastern farms.

45 YEARS AGO--FEB. 18, 1938

O.G. Turner of this locality has just completed his invention of a pump and windmill, which will be, perhaps, the most successful invention of its kind yet devised.

The people of the Congregational Church here are expecting the arrival of their new pastor, Rev. Carl C. Dollar, during this week. Rev. Dollar is expected to preach his first sermon locally on Sunday.

40 YEARS AGO--FEB. 12, 1943

Approximately 300 people attended a memorial service in the Methodist Church here in honor of Private Arthur Thomas Parker, U.S. Marines, who was reported killed in action somewhere in the Pacific area February 4, according to a telegram to his father, Willis Parker of Friona. So far as is known, he was the first Parmer County serviceman to give his life in defense of his country during World War II.

35 YEARS AGO--FEB. 13, 1948

The Lions athletic club tied for first place honors in the Dimmitt Invitational Tournament in which eight teams were entered. Those who played for the Friona team were Ben Allen, Joe Brummett, John Renner, Junior Renner, James White, Rex Dennison, DeWayne Cleveland, Leslie Ford and Douglas Gosner.

30 YEARS AGO--FEB. 21, 1953

Friona faculty members held a social Wednesday night with hostesses being Mrs. Wayne Stark,

Mrs. John Benger and Miss Evelyn Carey.

Mr. Rodrick Cravens of Houston, partner in the Cravens-Dargan insurance firm of Houston, was a business visitor in the Ethridge-Spring Insurance office this week.

25 YEARS AGO--FEB. 13, 1958

Floyd Crume, work unit conservationist with the Friona office of the Soil Conservation Service, has announced his resignation to enter private business, effective February 23. The soil conservationist will become a sales engineer for Tellyer Pipe Company of Friona.

Six men were nominated to fill three upcoming vacancies on the Board of Directors of the Friona Chamber of Commerce. Names of the six nominees, Billy Nichols, Robert Ginsburg, Kenneth Williams, Gaylord Maurer, Joe Ferrell and Hollis Horton, were placed on ballots which were mailed out earlier this week.

15 YEARS AGO--FEB. 14, 1963

Some three inches of snow fell Sunday, Monday and Tuesday of this week, bringing some relief to the dry conditions locally. The Friona area had received officially only .02 inch of moisture since last December 1, prior to the snow of this week, which added .20 inch of moisture. Some of the snow drifted considerably, however.

15 YEARS AGO--FEB. 8, 1968

After a packed city council meeting room expressed interest in additional safety factors for the school crossing at highways around the school system, the Friona City Council voted Monday to employ two crossing attendants.

Voter registration topped the all-time record in Parmer County by over 1,000, it was revealed this week by Parmer County Tax Assessor-Collector Hugh Moseley. The county will have a total of 3,873 qualified voters in 1968 elections.

10 YEARS AGO--FEB. 15, 1973

Two excellent girls basketball teams will square off at 11:30 a.m. Saturday in Lubbock Coliseum in the Region 1 tournament. Friona (23-6), and Spearman (30-3) will be the opponents. The two teams met in the finals of Friona's invitational tournament last December 2, with Spearman making off with a one-point win, 36-35.

5 YEARS AGO--FEB. 26, 1978

Joan Carson of Bovina won Grand Champion Steer honors last week at the Parmer County Jr. Livestock Show. This was her second county title in three years. She won with a 1191-pound Charolais cross. Joe Reeve, 13-year-old 4-H Club member from Friona, became the first Friona youngster in 18 years to claim the Grand Champion Barrow honors. He won with a 242-pound Duroc. Tim Garner of Bovina had the prize lamb, a 109-pound medium wool entry.

Young showmen from Parmer County will receive a total of \$66,343.42 for their efforts at the Parmer County Jr. Livestock Show, a tabulation this week by show officials revealed.

Koehn Rites Held Here

Graveside services for Bill Koehn, 85, were held Tuesday, February 15, at 10:30 a.m. at the Friona Cemetery. Rev. Andy Hollinger, pastor of the Calvary Baptist Church, officiated. Ellis-Blackwell Funeral Home was in charge of arrangements.

Born August 27, 1897 in Halstead, Kansas, he died Sunday, February 13 in the Farwell Convalescent Center in Farwell.

Survivors include four daughters, Arlene Murieta of Friona, Gwendolyn Paben of Brookshire, Texas, Rosalie Champion of Nashville, Tennessee and Zona Ann; two brothers, Howard Koehn of Wichita, Kansas and Eli Koehn of McPherson, Kansas.

FRIONA STATE BANK

Recipes Are Given By Friona Residents

Friona residents entered baked goods in a contest prior to Christmas sponsored by Friona State Bank. Those testing the dishes voted on the winners, who were announced in the Star's Christmas edition, along with their prize-winning recipes.

As space allows, the Star will be printing some of the other recipes:

HAWAIIAN SNOW BALLS

By Wanda Hart

1/2 cup butter 1 cup sugar
2 egg yolks, well beaten
1 No. 2 can crushed pineapple, drained until almost dry
1/2 cup ground or finely chopped nuts
2 egg whites, stiffly beaten
1 cup whipping cream, whipped
1 can coconut
48 medium-size vanilla wafers
Cream butter and sugar. Add well beaten egg yolks. Mix in the well drained pineapple and the nuts. Fold in stiffly beaten egg whites. Refrigerate for at least 2 hours. Spread generously between 3 vanilla wafers, making a stack. Refrigerate overnight or at least 2 to 4 hours. Ice the sides of each stack with whipped cream and roll gently in the coconut. Cover the top with whipped cream and top with coconut. Chill overnight or at least 2 to 4 hours before serving.

Note: These freeze well. Instead of using the nuts, you may use 1 cup chopped dates. Also, instead of separating the eggs, you can beat the 2 whole eggs until very thick and add to the creamed mixture. Before serving top each with a bright red cherry. Also, for Easter you can tint the whipping cream, sprinkle with green tinted coconut and place jelly beans on top to look like a small nest.

CHEESE BALL

By Scharla Hollinger

1 large pkg. cream cheese
1 (5 oz.) jar old English cheese
1 Smokette cheese tube
Soften cheese. Mix and add the following:
1 teaspoon Worcestershire sauce
1" cube butter
1/4 teaspoon garlic powder
Mix well and roll into a large ball. Wrap in wax paper and refrigerate overnight. Before ready to serve, roll ball in 1/4 cup walnuts chopped and 1/3 cup olives chopped. Serve with assorted crackers.

NUT ROLLS

By Patricia Wilkins

DOUGH
1 lb. Crisco 8 cups flour
6 egg yolks 2 Tbsp. sugar
3 pkg. dry yeast 1/2 tsp. salt
1 pint milk

FILLING
2 1/2 lbs. English walnuts, ground fine
1 1/2 cup sugar
Melt Crisco and milk to warm. Add dry ingredients, then egg yolks. Work until elastic. Let dough rise and work down, let rise again and work down. Make in small balls and roll thin on pastry cloth in powdered sugar. Put thin layer of filling, fold and place on greased cookie sheet. Brush with egg whites. Bake at 325 degrees for 10 minutes. *Note-Dough freezes well for later use, and baked rolls keep well.

FRUIT ROLL

By Grace Whitefield

Lucile Eastep
1-14 oz. (Sweetened Condensed) Eagle Brand Milk
4 Tbsp. lemon juice
1 cup glazed (candied) cherries
1 cup glazed (candied) pineapple
1 lb. dates (pitted and chopped)
1 cup nuts
1/2 lb. miniature marshmallows
1/2 lb. graham crackers
(Take out 10 crackers--roll very fine for covering)

Roll remainder coarsely
Mix Eagle Brand Milk and lemon juice well. Add cherries, pineapple, dates, nuts, marshmallows and coarsely rolled crackers. Mix well (best to mix with hands). Form into 2 rolls and cover with finely rolled crackers until all crumbs are used. Store in refrigerator. Will keep for 3 to 4 weeks. Freezes well. When slicing roll, sprinkle slices with more fine graham crumbs.

DATE NUT ROLLS

By Betty Renner

6 Tbsp. margarine 1 cup sugar
8 oz. pkg. chopped dates Pinch salt
1 cup chopped nuts 1 tsp. vanilla
1 1/2 cups Rice Krispies cereal
Confectioners sugar
Melt margarine in saucepan. Add dates, nuts, sugar and salt. Cook over low heat until dates and sugar are

melted. Add vanilla and cereal. Cool until mixture can be shaped into walnut sized balls. Roll in confectioners sugar.

ROCKY ROAD DELIGHTS

By Cathy Spencer

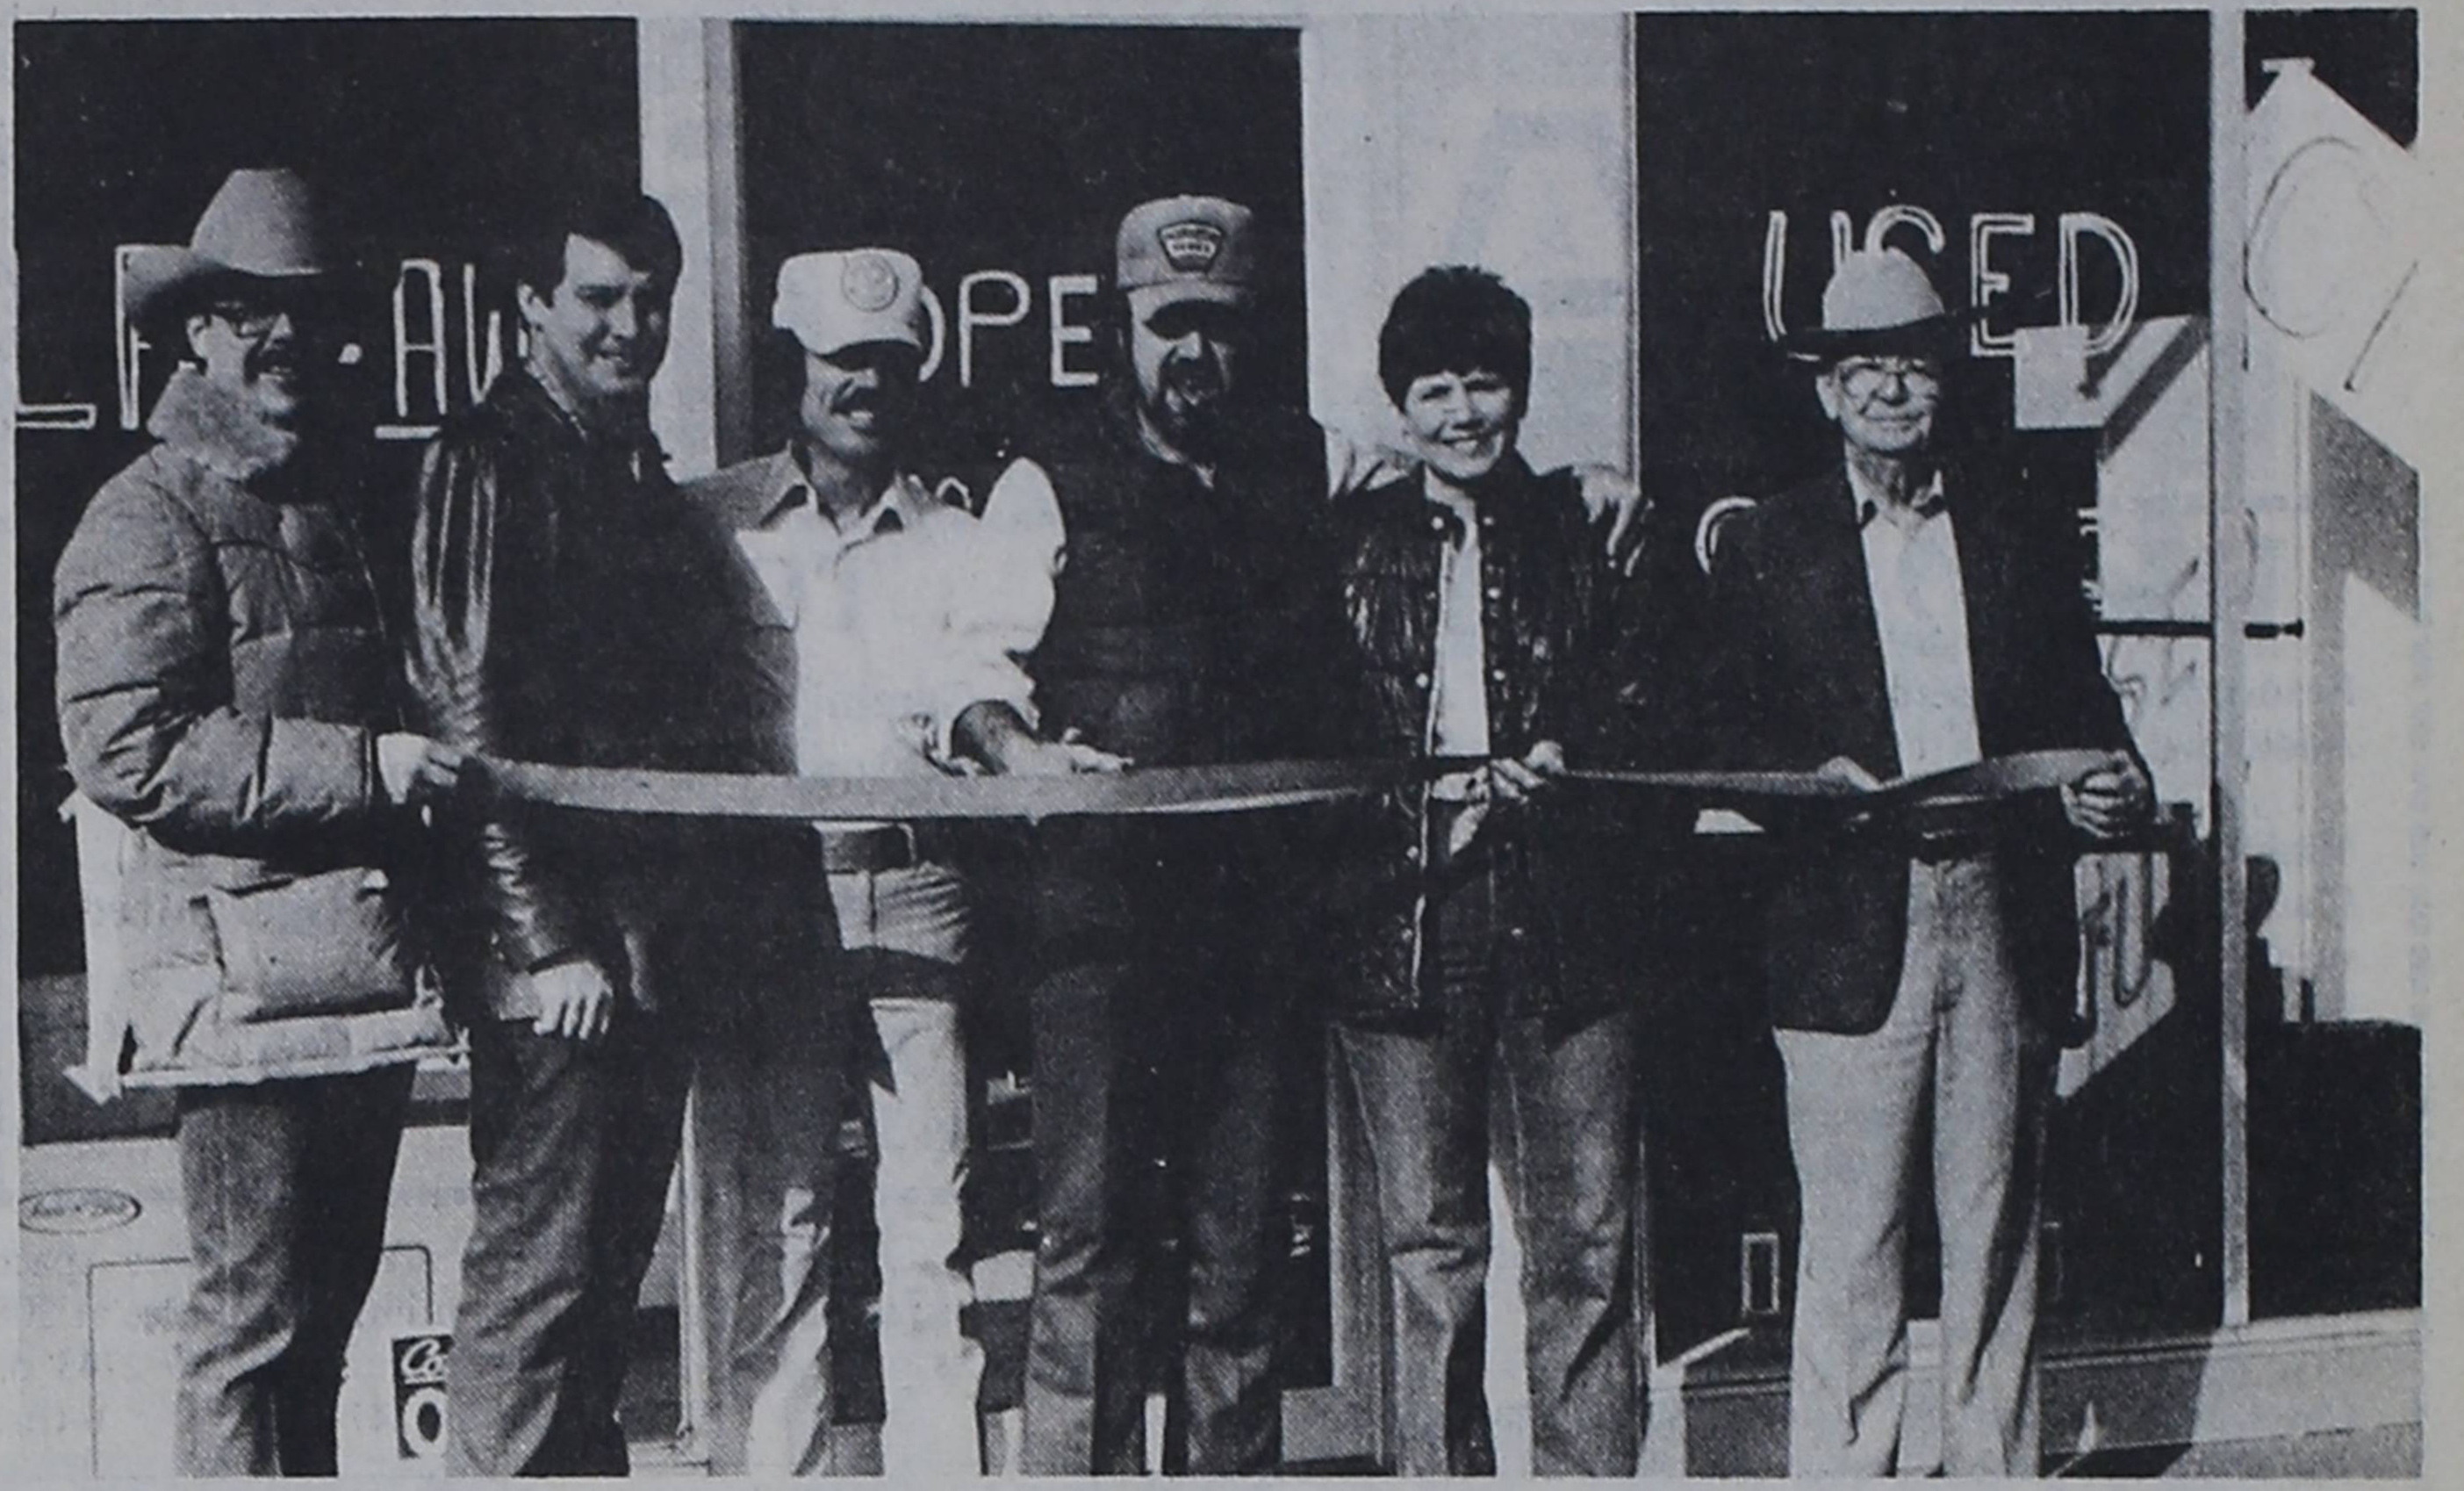

1-12 oz. pkg. milk chocolate or real chocolate morsels
1-14 oz. can Eagle Brand Sweetened Condensed Milk
2 Tbsp. butter
1-10 1/2 oz. pkg. miniature marshmallows

In top of double boiler, over boiling water, melt morsels with sweetened condensed milk and butter. Remove from heat. In large bowl, combine nuts and marshmallows; fold in chocolate mixture. Spread in wax paper lined 13x9 inch pan. Chill 2 hours. Remove from pan, peel off waxed paper and cut into squares.

APRICOT BRAID

By Jyl Grimsley

1 cup dried apricots 1 tsp. cinnamon
1/4 cup boiling water 1/4 cup sugar
1/2 cup brown sugar 2 pkg. yeast
3 cups flour, divided 1 tsp. salt
1/4 cup margarine, softened
1/4 cup warm water 1 egg
Combine apricots and 1/4 cup boiling water in small pan; cover and simmer about 25 minutes or until tender. Drain and mash; stir in cinnamon and brown sugar. Set aside. Combine 2 cups flour, 1/4 cup sugar, yeast and salt in a large bowl. Add butter and 1/4 cup warm water; beat at medium speed of electric mixer for 2 minutes. Add egg and remaining flour; beat 1 minute. Cover with plastic wrap and towel; let rise about 1 hour or until double. Punch dough down; turn out on floured surface and knead 10 minutes or until smooth and elastic. Roll dough into 14"x6" rectangle and place on large greased cookie sheet. Spoon apricot mixture down center third of dough. Slit dough at 1" intervals along each side of filling. Fold strips at an angle across filling, alternating from side to side. Cover and let rise in a warm place for about 1 hour. Sprinkle with 2 Tbsp. sugar. Bake at 350 for 20 to 25 minutes. Let cool. Optional: Make confectioners glaze and drizzle over top of Braid.

On The Farm In Parmer Co.

By SETH RALSTON
Heavy snows, wet soils and cold weather has delayed soil sampling for High Plains and South Plains producers. Soil sampling and fertilizing was also delayed by the government finally establishing the PIK program. Do not let these delays raise your 1983 production cost this year, cautioned Seth Ralston, county Extension agent in Parmer County.

"Our farm economics is such that producers cannot afford to blindly add fertilizer for the 1983 crop," Ralston said. "There is still time and the laboratories have computerized their reporting systems for faster sample turn around."

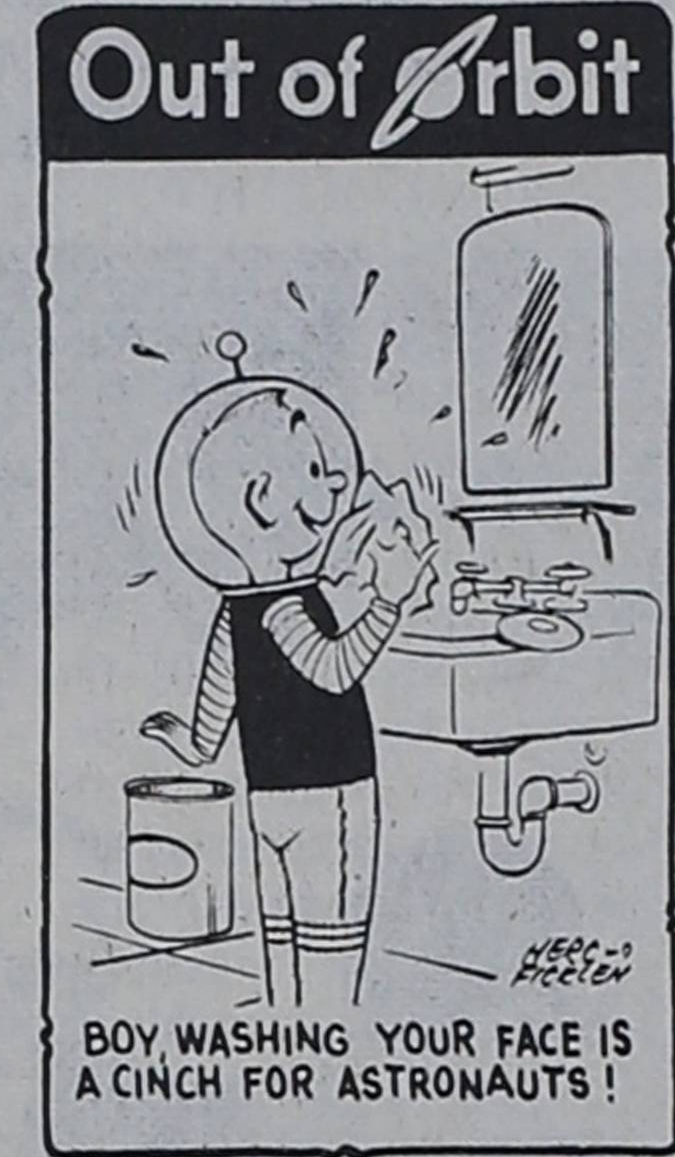

The best time for sampling is just before the field is dry enough to handle tractor traffic. Later everyone will be in a dead run to get their land prepared, so be ready to start your PIK production acres on the right foot, he cautioned.

To get a good soil test, a good soil sample is essential. Obtain ten to fifteen samples taken from the surface down to six inches deep. Mix these

samples in a plastic bucket. Then take about two-thirds to three-fourths of a pint of the sample soil and mail to the soil testing laboratory for testing.

Be sure to complete a crop information sheet on each soil sample, notes Ralston. This aids the soil chemist to generate a better fertilizer recommendation for your farm.

Information sheets, sample bags for mailing and additional information on soil testing is available at the county Extension office.

Over 500 Attend State Convention

More than 500 Texas Farmers Union members and friends attending Texas Farmers Union's annual convention in Austin January 20-22 heard the state's newly-elected top officials pledge their support for farmers and rural programs, including the TFU Green Thumb employment program for older workers.

TFU Green Thumb employs more than 1,000 rural, low-income elderly persons in schools, senior centers, libraries, and museums in 111 counties across the state.

New Agriculture Commissioner Jim Hightower said Texas farmers are "innovative, productive--and they are broke. Thousands are staring bankruptcy in the face. We can't have

Annual Land Bank Meeting Held Feb. 8

The Federal Land Bank Association of Muleshoe held its Annual Stockholders Meeting, February 8 in the Bailey County Civic Center.

Arnold R. Henson, Vice President and Treasurer of the Federal Land Bank of Texas, was the featured speaker. Henson told the stockholders and guests how the Bank determines the variable interest rate and gave his opinion of the economic outlook for the future.

Jim Claunch of Bula and William Gromowsky of Bovina were elected for three year terms on the Board of Directors of the Association. Others serving on the Board are Gorden Duncan of Muleshoe, chairman, James B. Glaze of Muleshoe, vice chairman and Arlin Hartzog of Bovina.

an economic recovery in this country until the farmers recover."

Hightower promised to work with farmers and farm communities to bring about some changes. "We worked with you to save the Green Thumb program," he said, referring to successful efforts to maintain Green Thumb funding in the face of proposed budget cuts. "That's one battle we won."

Hightower recognized that the larger problems facing farmers would require immediate and concerted action. "It's time to raise less corn and more hell," he said.

Governor Mark White, in his first major address on farm policy since taking office, expressed his solid support for family farmers, the "biggest and most efficient producers in the United States."

"One thing we do better in Texas than anywhere else on earth is produce food and fiber," White told the farm group. "We just can't let you go out of business." The governor said he was planning to work closely with Hightower and other officials to advance the farmer's cause.

Also addressing the convention were Congressman J.J. (Jake) Pickle of Austin; Texas House Speaker Gib Lewis; Attorney General Jim Mattox; State Treasurer Ann Richards; and Texas Farmers Union President Mike Moeller.

Moeller, elected to a second two-year term by convention delegates, said Green Thumb had been a vital part of the Older Americans Act for years.

"People came together as never before to fight the fight to save Green Thumb," Moeller said, "and the main reason we won is the Green Thumb workers themselves."

Pickle told the farmers that "Green Thumb is a great program and you (Farmers Union) ought to be proud to sponsor it."

Cold Period Is Costly To Chiefs

An ice-cold fourth quarter by the Friona Chieftains spoiled an upset bid by the Chieftains against Abernathy here Tuesday night, as the Antelopes claimed the district runnerup honors for post-season play.

The final score was Abernathy 68, Friona 52, but the score was not indicative of the fact that for three quarters the Chieftains gave the Antelopes quite a battle. It was a seven-point ball game at 51-44, before the Chiefs went into their deep freeze.

The tall and talented Antelopes jumped out to a 6-2 lead. Layups by Scott Straw kept the Chieftains close at 6-4 and 8-6. However, the Chiefs had an early cold spell and also committed some turnovers, as Abernathy raced to a 21-10 lead at the end of the opening quarter.

Ed Teal's early basket gave Abernathy a 13-point edge at 23-10, before Friona began to peck away at the lead. Goals by Straw, Charlie Veazey and Joey Howard helped Friona trim the margin to nine points, 27-18 midway through the second quarter.

But the Antelopes took advantage of Friona's inability to hit free throws to stretch their lead to 15 points, 37-22. Baskets by Veazey and Straw in the last minute pulled the Chieftains within 11 at halftime, 37-26.

The Chieftains had an outstanding third quarter. Richie Malouf hit a long jump shot from the side to open scoring 15 seconds into the second half.

A pair of baskets by Howard, sandwiched around a super layup by Michael Chaney, and two classy shots by Veazey kept the Chieftains close, and when Malouf made a layup shot with 3:24 left in the quarter, Friona had trimmed the margin to seven points at 47-40.

But the team still was not hitting its free throws. During the rally, the Chiefs missed four points from the line, which would have cut Abernathy's lead to three points, if the team had been shooting like they had the past two weeks.

Abernathy countered with a basket by Larry Perkins for a 49-40 lead, and after Malouf scored again, Cleatus Irlbeck sank a long jump shot for a 51-42 Abernathy edge.

Straw stole the ball and drove for a layup that kept Friona close at 51-44. That came with 1:24 left in the third quarter.

Even the most die-hard Chieftain fan could not imagine that Friona would go virtually an entire quarter from this stage without scoring a single point.

Abernathy, meanwhile, got baskets from Teal, Perkins and Sammy Galloway. Perkins' second basket gave Abernathy a 64-44 lead with 4:30 left in the game, as the Antelopes had scored 13 unanswered points.

The Chieftains didn't crack the scoring ice until 1:58 remained on the

clock. Howard's free shot did the trick (it was also the team's first free throw of the game). But by then, the Antelopes had the game in the bag.

Friona fans had the last cheer, when Malouf hit a shot from midcourt as time expired. The shot popped the nets for a two-pointer. Richie had barely missed a similar try in the first half, that one being thrown baseball-style three-quarters of the length of the court. The earlier shot hit the backboard and rim and bounced away.

Straw's 14 points led the Chieftains. Malouf, Chaney and Veazey each added ten.

The Chieftains' battle against defending state champ Dimmitt here last Friday had not been quite as interesting a game, although Friona did have its moments early on.

Joey Howard popped the nets on a long jump shot to give Friona an early tie at 6-all, and a moment later Straw drove the length of the court for a layup, and Friona had an 8-7 lead, its only one of the game.

Howard, who had a deadly eye against Dimmitt, popped two more baskets to keep Friona close at 13-10 and 15-12, and Veazey's jumper with six seconds appeared to keep the Chieftains within three points at quarter's end at 19-16.

But Kevin Cleveland, Dimmitt's scoring whiz, launched a 25-footer at the buzzer, which gave the Bobcats a 21-16 lead.

Cleveland, who started slowly in the scoring department, picked up steam in the second stanza. He connected on five quick points to hike Dimmitt's lead to ten points at 26-16.

Howard canned another pair of shots to pull Friona to within six at 26-20, but Cleveland and John Smith went on a scoring spree and the Bobcats took a 41-21 lead at halftime. Friona went scoreless the last 4:24 of the second quarter.

It was more of the same in the second half. The Bobcats outscored the Chiefs, 18-12 in the third quarter, and with Cleveland still pouring in the shots from all angles, Dimmitt erupted for 33 fourth-quarter points for the final margin of 92-43.

Cleveland tallied 49 points for the 'Cats, which was two points shy of his all-time school scoring mark.

Squaws Win Season Finale Over Dimmitt

The Friona High School Squaws, who have had an up and down season, finished the 1982-83 season on a winning note last Friday, downing rival Dimmitt, 50-45.

It was the second district win for the Squaws over the Bobbies. Friona's District 2-AAA record was 4-6. The team's season record was 14-12.

It took a stellar second-half performance by the Squaws to pull out the win, after a cold second quarter found the team trailing at halftime, 29-24.

Friona had the early lead, 2-0 and 4-2 on baskets by Sherry O'Brian. The score rocked back and forth, with Dimmitt's Tami Washington giving her team the lead at the end of the quarter, 11-10.

Miss O'Brian popped a basket for a 12-11 Friona lead, then hit another to keep Friona within one at 15-14. But at this point Dimmitt reeled off eight quick unanswered points, to grab a 23-14 lead.

Miss O'Brian, turning in a spectacular final game, came back for four more baskets in the period to trim Dimmitt's lead to 29-24 at the half. Most of Sherry's points came on shots from the corner, where she was deadly Tuesday night.

Dimmitt scored first to open the third quarter, but Friona answered the challenge. Wennetter Jackson sank two free throws and a jump shot, Miss O'Brian again connected from the corner, and then canned a jump shot to tie the score at 31-all

midway through the quarter.

After Dimmitt took a 33-31 lead, Friona countered with baskets by Diane Johnston, tying it at 33-all, and Miss O'Brian, for Friona's first lead since the early stages of the game at 35-33. This was the score at the end of the quarter.

The fourth quarter was an exciting one. The score was tied five times.

Friona took a 39-33 lead before Dimmitt scored, but the Bobbies roared back to tie the count at 39-all. O'Brian gave Friona a 41-39 edge, but Shawn Jackson tied it for Dimmitt at 41.

Cara Brockman connected on a long jump shot to give the Squaws a 43-41 lead, but Washington tied it for Dimmitt, and the Bobbies took their first lead at 45-43.

O'Brian tied it at 45-all, and Brockman again swished the net for a 47-45 Friona lead that stood up. The Squaws put the clinching points on the board when Diane Johnston hit the first of a 1-1 free throw with 1:01 left on the clock, and Wennetter Jackson rebounded her second shot and pumped it in, for a 50-45 lead that turned out to be the final score.

Miss O'Brian, with 13 field goals, led the team in scoring with 26 points.

Population Growth To Affect Roads

An anticipated 66.5 per cent population growth by the year 2000 in Parmer County will have a severe impact on all aspects of the transportation system, Ben Alley, District Engineer, District Five, State Department of Highways and Public Transportation, Lubbock, said today.

"The increase in population will probably bring an increase in vehicles of at least 50 per cent—and that is a very conservative estimate," he said. "When you consider that everything we eat, wear or use has to be transported at one time or another, you can easily see the fantastic impact that our projected growth will have on our aging transportation system."

Ben Alley went on to note that Texas already has more traffic on many highways than can be handled efficiently.

"The addition of half again as many vehicles, or more, to those streams of traffic clearly underlines the need for enormous programs of improvement and maintenance," he said, adding that all types of trucks and service vehicles will be needed to serve the growing population, as well as personal automobiles.

"Here in District Five we are looking at an anticipated increase in

population from 420,580 to 687,961 in the year 2000. Parmer County population is expected to increase from 11,308 to 18,837. That represents an anticipated increase of 66.58 per cent for District Five and an anticipated increase of 66.58 per cent for Parmer County, as compared to a 50 per cent increase in population expected statewide. That will be an increase of from 14 million to 21 million population statewide," Alley said.

"We are facing this influx of new Texans with a system that is fast becoming obsolete. We not only need new facilities to provide the road networks for an expanding future, but we desperately need to rebuild and modernize what we have now."

Alley went on to say that the State Department of Highways and Public Transportation has made a considerable effort to identify what needs to be done and to set priorities for its construction and maintenance projects during the coming years.

"The Department will apply modern planning, construction, maintenance and management techniques in providing for a transportation system that will meet anticipated growth," Alley concluded.

Services Set Saturday For Wendell Garner

Funeral services for Wendell Garner, 52, will be held Saturday, February 19 at 3 p.m. at the First Baptist Church of Bovina, with Rev. J.L. Bass, pastor, officiating.

Burial will be in the Bovina Cemetery, under the direction of Ellis-Blackwell Funeral Home.

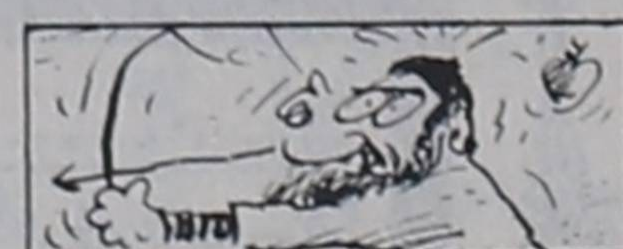

Born November 13, 1930 in Plainview, Garner married Martha Blevins September 21, 1951, in Clovis, N.M. He had been a resident of Parmer County for the past 23 years, moving here from Plainview.

Garner was a member of the First Baptist Church of Bovina, the Bovina Lions Club, and had helped organize the Bovina Roping Club, of which he was still an active member.

He was an active member of the men's slowpitch softball program, and was a farmer. He died Thursday

evening, February 17, at his home. Death was attributed to natural causes.

Survivors include his wife, Martha of the home; two daughters, Mrs. Donna Mitchell and Mrs. Susan Hix, both of Bovina; one son, Dickey Garner of Friona; one brother, Keith Garner of Bovina; his stepmother, Mrs. Leora Garner of Plainview; one stepbrother, James Davis of Gales Ferry, Connecticut, and seven grandchildren.

Some people once believed that shooting arrows under a fruit tree would cause the fruit to fall off the tree just as the arrows fell.

Eighteen Plan To Compete In Houston

Eighteen FFA members from Friona will be participating in the 1983 Houston Livestock Show and Rodeo, February 19-March 6. With more than 30,000 expected livestock entries, the Houston Livestock Show is once again the world's largest.

Exhibiting steers in Houston will be Dana Berend, Roddy Berend, Brian Edelman, Corrie Lundy, Jeff Lundy, Shain Rhodes, Holly Tatum and Wendy Tatum.

Those taking lambs will be Michael Deaton, Sarita Ellis, Shain Rhodes, Jennifer Smith, Todd Southward, Shayne Woodard and Shea Woodard.

Barrows will be shown by Sarita Ellis, Robin Houlette, Stephanie Miller and Wendell Woodruff.

Taking turkeys to Houston will be Sarita Ellis and Shain Rhodes.

"Our 1983 Show is going to be another spectacular event," noted Show President E. Norwin Gerhart. "With the combination of the finest livestock found anywhere, thousands of hard-working 4-H and FFA exhibitors, an exciting championship rodeo in the Astrodome and 17 of the biggest names in the entertainment world to perform here, the Houston Rbdeo in 1983 just can't be beat!"

Stars for the 1983 Rodeo include Kool and the Gang, Mel Tillis, Merle Haggard, Hank Williams, Jr., Lacy J. Dalton, T.G. Sheppard, Rosanne Cash, Eddie Rabbitt, Conway Twitty, Sylvia, Ricky Skaggs, Janie Fricke, Don Williams, Crystal Gayle, Larry Gatlin and the Gatlin Brothers Band, Charley Pride and the Oak Ridge Boys.

"We know that the Houston Show is an annual family event for fans from all across the state," said Gerhart. "And, it's still as affordable as ever, with ticket prices remaining at \$4.00 and \$8.00, just as they were in 1982."

Attending the Houston Livestock Show is a traditional event for fans and exhibitors alike. Renown as the most prestigious event in the livestock industry, the Show attracts the finest livestock in both the open and junior show divisions. And, with more than half a million dollars in prize money and premium auction prices above market value, the Show once again offers exceptional awards for all the hard work involved in raising an animal to win a blue ribbon from Houston.

However, the 1983 Houston Livestock Show and Rodeo is truly an educational and entertainment spectacular with a two-week schedule of events to appeal to everyone. In addition to the livestock show, there's the National Cutting Horse Association World's Championship Finals, a world's championship rodeo, a host of exciting contests that kick off Go Texan Days in fun-filled fashion and the rodeo parade to lead things off.

On February 19, the first weekend of activities begins in grand style with the rodeo parade at 10 a.m. through downtown Houston. This parade, with more than 6,000 riders, colorful floats, bands and dignitaries, gets everyone ready to Go Texan.

The world's championship barbecue contest celebrates its tenth anniversary this year, highlighting two days of colorful and crowd-pleasing contests. These include men's and ladies' hay-hauling contests, three fiddlers contests, a whistler's contest and two days of horseshoe pitching tournament action. There's even a spectacular fireworks display on Saturday night.

At the horse arena, the National Cutting Horse Association World's Championship Finals will take place, February 17-20. The finest cutting horses will compete for the title in open and non-professional divisions, hoping to capture glory, as well as a part of the biggest added money cutting purse ever. Tickets to this event are separately priced at \$6.00 each and may be bought through the rodeo ticket office.

Monday, February 21 marks the start of actual competition in the world's largest livestock show. The first week is devoted primarily to open show competition, drawing professional breeders and ranch owners from some 35 states to show the best in breeding beef, dairy, swine, poultry, sheep, Angora goats and rabbits. There is some junior competition this week as well-breeding sheep and goats and the junior dairy show.

The Horse Arena is filled from February 17 through March 6 with more than 3,000 horses entered in nine shows, including the NCHA world's championship finals. To accommodate all the horse entries, competition here begins earlier than ever.

During the second week, junior show exhibitors take over the vast exhibition facility. Traditionally accounting for more than 65 per cent of all show entries, the Astrodome is filled to capacity with the results of hard work by youngsters who have their hopes set high at Houston. While junior show competition includes breeding stock, commercial steers and dairy animals, the real spotlight is on the market divisions, where a grand champion can mean an education or a future in agriculture.

The Houston Show holds the world's record for prizes paid for all grand and reserve grand champions in each of its five market divisions. With the 1982 Grand Champion Steer bringing \$127,000, it's easy to see why Houston is the place to be.

Community support, volunteer action and civic involvement assure that junior exhibitors will receive prices above market for their animals who make the premium auctions. These same individuals and businesses also donate \$600 calf scramble certificates for the winners of scramble heifers in the Astrodome's exciting contest.

Across the street at the rodeo in the Astrodome, action is fact and furious as the top professional cowboys and barrel racers pit their skill against the clock and the roughest, toughest rodeo stock anywhere.

Black Club Has Meeting

The Black Study Club met recently at the home of Sharon Thornton. Mildred Welch, president, was in charge of the business meeting.

Mildred Barnett, in her opening exercise, reported on "How Mardi Gras floats are made."

Roll call was answered by "What is your emergency reason for speeding?" The program was a discussion of future meetings.

Those attending were the hostess, Sharon Thornton, Mildred Welch, Mildred Barnett, Ann Kelley, Lucille Rockey, Beverly Mars, Carrie Tatum, Hannah Lookingbill, Ann Carthel, and one visitor, Vanette White.

Refreshments of hors d'oeuvres, punch and coffee were served by Mrs. Thornton.

Highway Problems Face Department

In stormy weather, such as the recent snow storms, and freezing and thawing weather, the costly and cured motorist's bugaboo, the pothole, becomes a great concern. The pothole is always a major concern in the spring for the State Department of Highways and Public Transportation maintenance forces. Starting when water seeps into a crack in the road surface, maturing in the freeze-thaw cycles of a cold, wet winter, Texas potholes pop out almost faster than maintenance crews can repair them.

Department crews are taking the offensive by putting in extra efforts on every dry day to repair the potholes so the danger will not be increased.

District Five of the State Department of Highways and Public Transportation uses a cold mix to fill potholes, and sometimes concrete is used in emergency repair.

One method to prevent potholes is through frequent resurfacing of highways. But no state in the nation has sufficient funds to undertake such a program.

Potholes are cursed by the motorist when he examines a bent wheel or ruined tire or when he pays for a

"When business is good, it pays to advertise; when business is bad, you've got to advertise."

--Anonymous

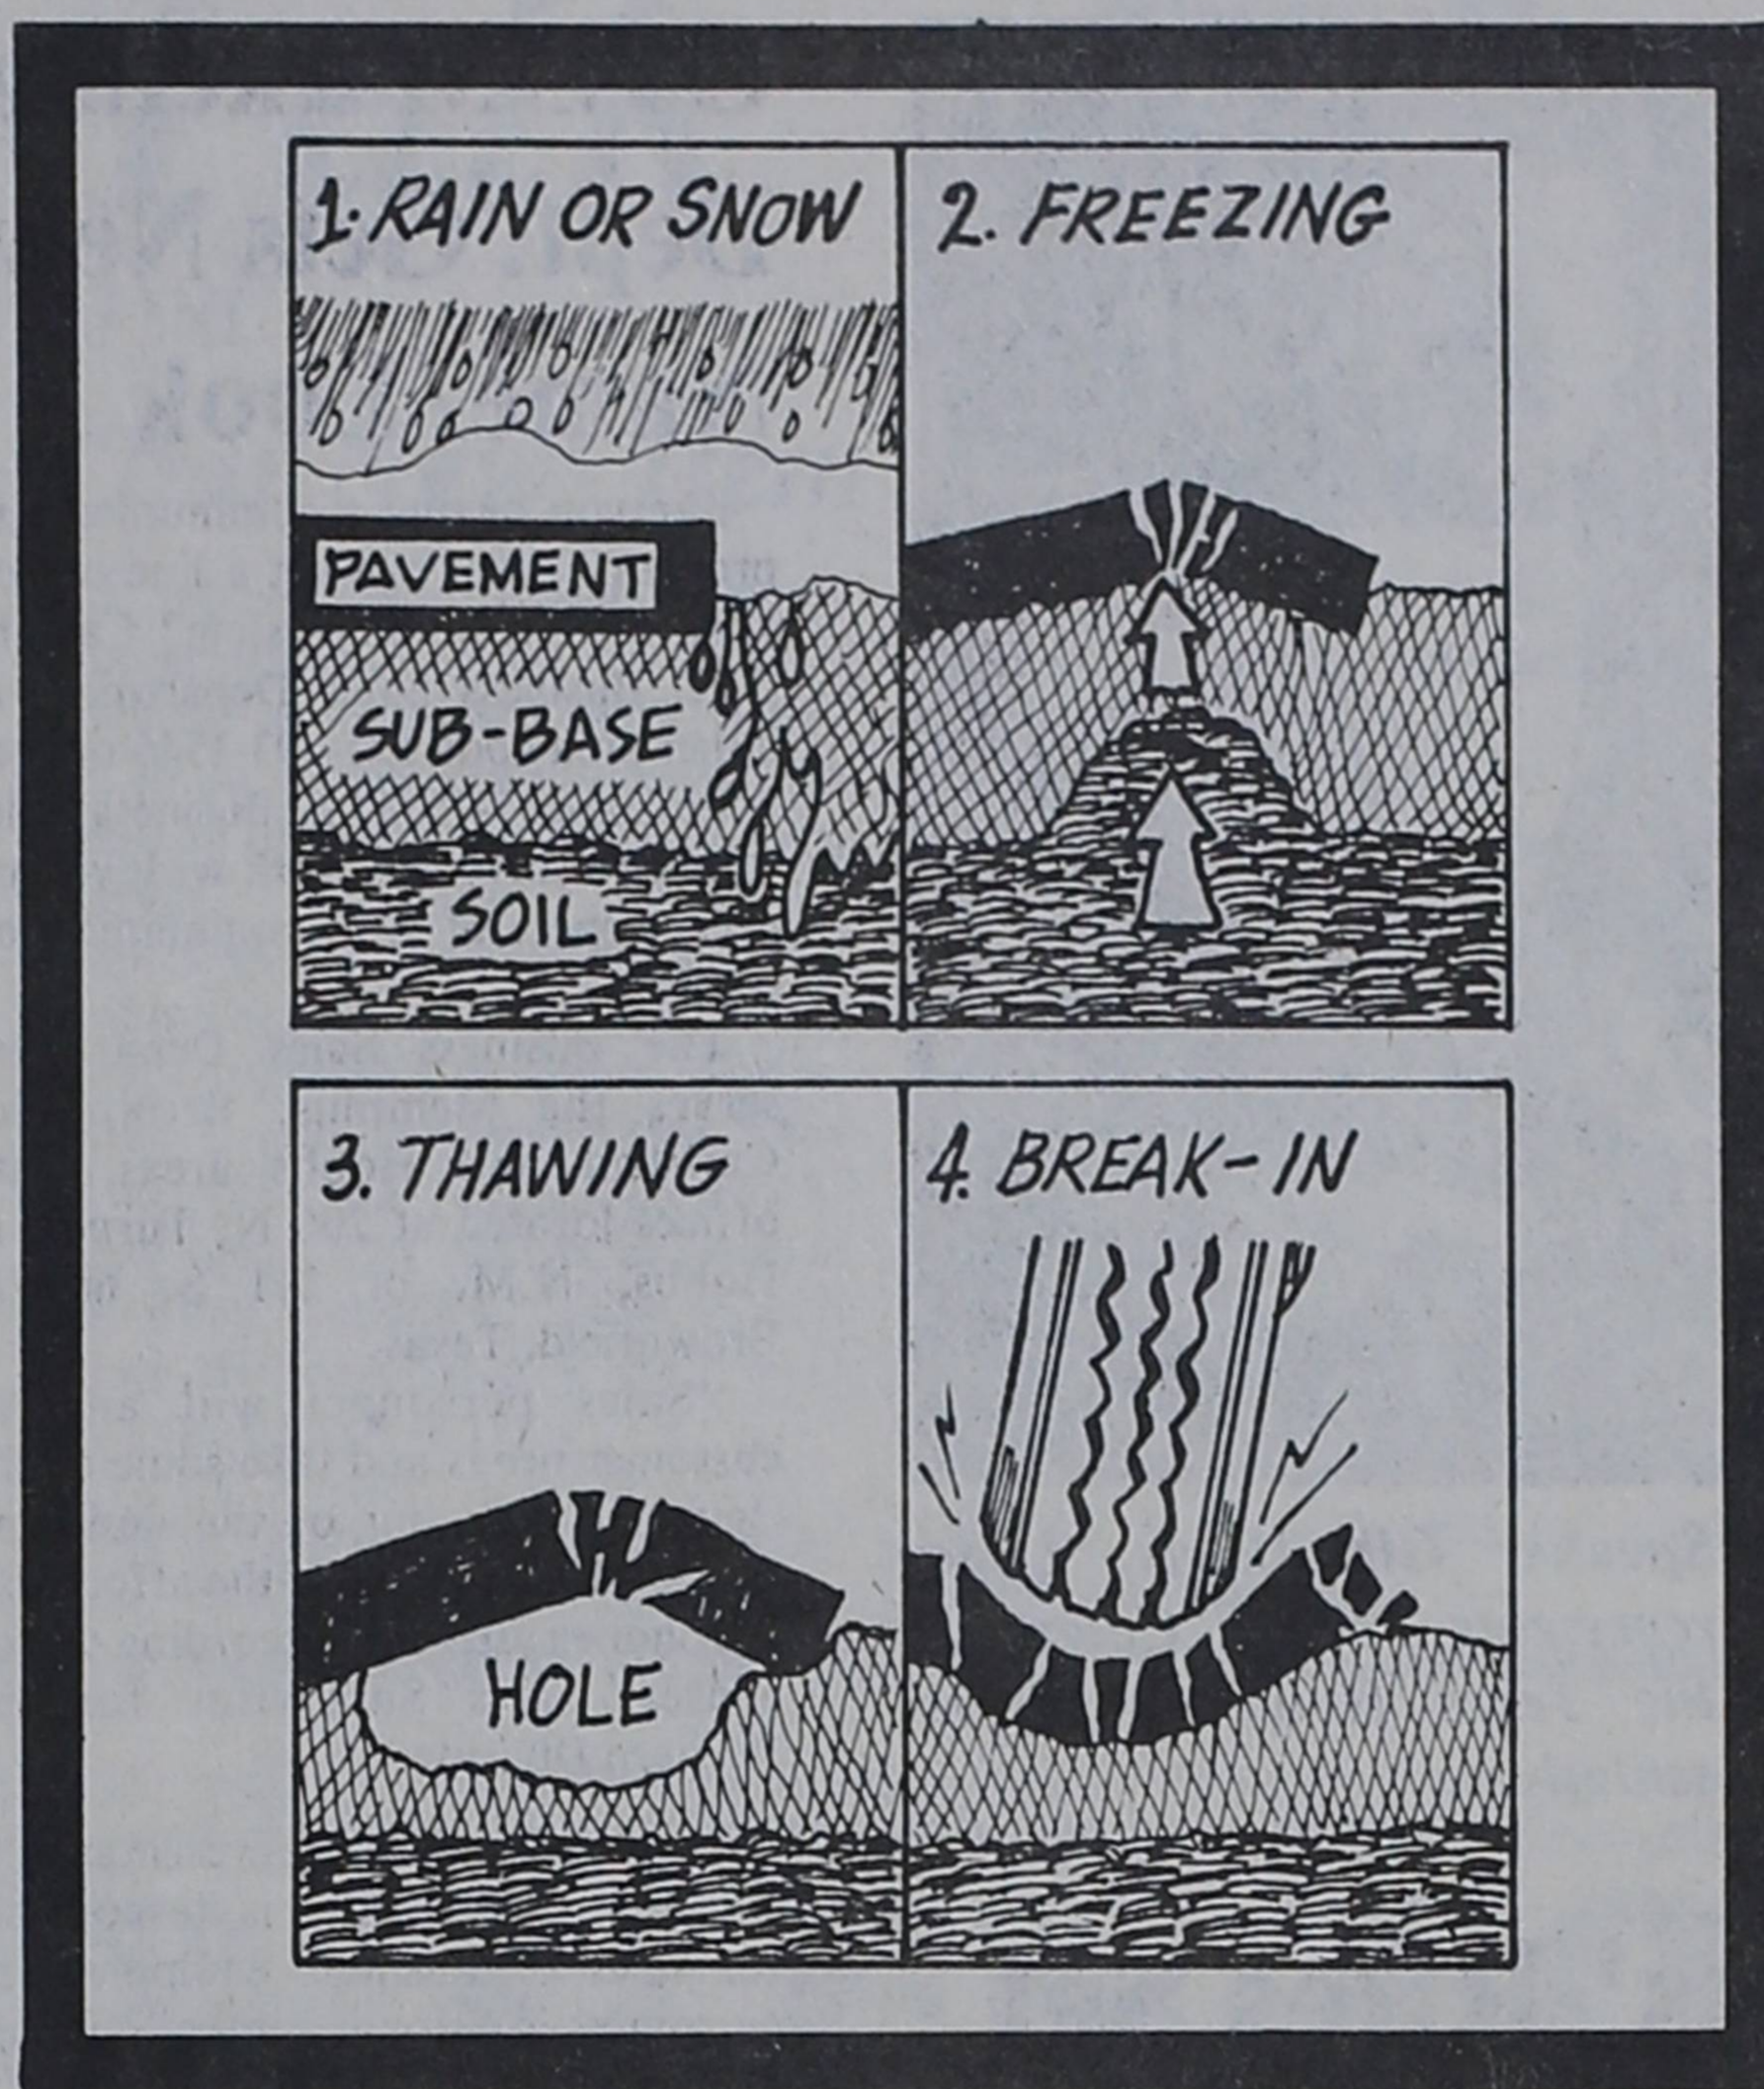

wheel alignment. They should also be roundly berated for the extra fuel they cause to be used--motorists slow down or stop to avoid them or take a longer route because of them and make that extra trip to a mechanic.

Texas will have plenty of potholes after this winter, and some are already beginning to pop up.

Ice and snow has covered all of the District Five 17-county area of the State Department of Highways and Public Transportation so far this winter. Maintenance crews have been working diligently around the clock to blade the snow and ice and place salt where needed for the safety and convenience of the traveling public.

Work will continue throughout the winter months, and because of cold and wet weather, only emergency repair can be done. Any extensive resurfacing will have to wait until the freeze-thaw cycles are over and the weather is compatible to the material being used.

It is estimated that 8,000 man hours will be spent in District Five of the State Department of Highways and Public Transportation, alone this winter, according to Mel Pope, Assistant District Engineer, in clearing highways of snow and ice, at an estimated cost of \$120,000. It is estimated that repair work to mend the damage of potholes and alligator cracks in the pavement due to this winter's weather will cost

an estimated \$500,000.

If potholes and alligator cracks are not repaired, the roads will deteriorate even further, and the cost to the public in gasoline and repairs to automobiles will increase, as well as the increased costs in rebuilding the roadways which will result.

As soon as weather permits, the

State Department of Highways and Public Transportation will start repair on the damaged roadways. In the meantime, the public is urged to be cautious in driving and watch for any damaged roadway that might be a hazard to driving and cause an accident and damage to the traveler and his vehicle.

--Letter To The Editor--

Dear Editor:

There are several bills pending in the State Legislature which are very important to our children of divorced parents, to the parents and to the grandparents. I would like to use this means of bringing them to the attention of your readers, and to urge people to contact their representatives in Austin regarding the need for passage of these bills.

It would be wise to also contact Lt. Gov. William Hobby and Gov. Mark White, asking for their assistance in getting these bills through the legislature and enacted into law.

Two of the bills are: House Bill No. 367 by Alan Schoolcraft-relating to joint managing conservatorship of children; and, Senate Bill No. 79 by Chet Brooks-relating to the rights of grandparents to have access to their grandchildren.

Among others to be considered are: SB No. 45 by Ray Farabee, HB No. 94 by Matt Garcia and HB No. 262 by Rollin Khoury.

If you wish to read the bills before voicing your concern, you may obtain a copy by calling Senate Bill Distribution 475-2520; House Bill Distribution 475-8452 (there will be a small charge for copies) or by contacting the Austin office of the sponsoring legislator.

Address for senators, governor and lieutenant governor: P.O. Box 12968, Capitol Station, Austin, Texas 78711; for Representatives: P.O. Box 2910, Austin, Texas 78769.

"Pete" Laney is the state representative in this district, and Bill

Sarpalius is the state senator. THE TIME IS NOW--these bills are in committee or probably will be shortly.

Thank you,
Evelyn E. Lehmann

Laney Is Committee Chairman

State Rep. Pete Laney (Democrat-Hale Center), has been named chairman of the House Committee on State Affairs for the 68th Legislature.

Rep. Laney, who is serving his sixth term in the House, was also appointed to the House Committee on House Administration.

The Committee on State Affairs will have jurisdiction over all matters pertaining to questions of state policy, the administration of state government, the organization, powers, regulation, and management of state departments and agencies. Additionally, the committee has jurisdiction over the defense of the state and nation, veterans of military services, and the operation of state government and its agencies and departments.

"The operation of state government is complex to say the least. The continuing need to see that it is run efficiently and at the lowest possible cost in terms of taxpayer dollars, is the direct responsibility of the House Committee on State Affairs," Lewis said in announcing Rep. Laney's appointment.

"Rep. Laney has a long record of proven leadership both as a House member and committee chairman. When translated to oversight of legislation affecting state government, Rep. Laney's appointment is one of the key choices of this session," Lewis concluded.

NAMED CHAIRMAN....State Rep. Pete Laney, left, is shown accepting the gavel as chairman of the House Committee on State Affairs from House

Speaker Gib Lewis. Laney represents Parmer County in the Texas House of Representatives.

Mrs. Hankins' Rites Set

Funeral services for Totsie M. Hankins, 44, a former Friona resident, are scheduled for 2 p.m. Saturday at the W.W. Rix Funeral Chapel in Hereford.

Rev. C.W. Allen, pastor of St. John's Baptist Church, will officiate. Burial will be in West Lawn Cemetery, Hereford, under the direction of Rix Funeral Directors.

Mrs. Hankins died at the Herman Medical Research Center Hospital in

Houston on Monday.

Survivors include two daughters, Cynthia Jackson and Kimberly Hankins, both of Hereford; one son, Barry Hankins of Hereford; her parents, Mr. and Mrs. Lyman Adams; three sisters, Peggy Williams, Betty Redus and Billie Polk, all of Hereford.

Also surviving are three brothers, Rev. D.L. Adams of St. Louis, Missouri, Edward Adams and Dennis Adams, both of Hereford; and four grandchildren.

Mrs. Hankins was a member of the St. John's Baptist Church and the Eastern Star.

Seminar Is Set Saturday

The Deaf Smith-Castro Counties Legal Secretaries Assn. is holding a seminar on wills, probate and estate planning Saturday, February 19 at Hereford State Bank's Friendship Room, from 9 a.m.-12 noon.

Wayne Thomas, Hereford attorney, will present the program. The general public is welcome to attend, says Jeanie Tucker, spokesman for the association.

"FILING SHORT FORM NOT SIMPLE," SAYS H & R BLOCK

Two different short forms and new deductions make short form filing more complicated this year.

You may not be eligible or it may not be to your advantage to file one of the two short forms. The short forms, including the new 1040EZ, can only be used by taxpayers meeting certain strict requirements. You are limited in deductions on the short forms. Using the wrong form could cost you money, or even mean an audit.

You will have peace of mind in

knowing H & R Block's personal, courteous, and competent service is yours... at a very reasonable price. One Day Service is also available for your convenience at any H & R Block office.

H & R Block's tax preparers are trained to know which of the forms - 1040EZ, 1040A, 1040 - gives you the maximum tax advantage for your individual requirements.

Call 247-3681 With Your News Item

The past few spring like days have been most welcome to Friona residents. A lot of yard and garden work has been done and a few green sprigs in flower beds tell us that soon we will be seeing spring flowers in bloom.

At least one father-son farming team took advantage of the sunshine one day to practice casting. As I drove down West Sixth Street I observed these two perfecting their casting skills. Maybe they were testing Christmas gifts they hadn't been able to try out due to the bad weather--or, maybe they hadn't been able to go fishing for so long that they just wanted to get the feel of using their rods and reels.

Ronnie and Carol Stevick returned home early this week after a fishing trip to Toledo Bend, which is down near Nacogdoches, Texas.

While they were gone the children, Chad and Brooke, visited in the home of their grandparents, Mr. and Mrs. Glen Stevick and Mr. and Mrs. Troy Hutson, and an aunt and uncle, Karen and Mickey Harrelson.

T.I. Bureson is home after a two week visit with his grandson, Clay Cash, who lives in Salt Lake City, Utah.

Clay's parents, Don and Kay, had to be away from home on an extended business trip, so T.I. flew out to keep Clay company during their absence.

Salt Lake City, like Friona, had some snow, so T.I. and Clay spent some time building snow men. They also built a house for Clay's Labrador Retriever and another for his two parakeets.

T.I. says he's not the world's best cook, but that when he and Clay are together they agree that McDonald's is a good place to eat, so don't have much trouble in that department.

Five of Friona's newest residents are from Anchorage, Alaska. They are Leon, Jeffie, Tracey, Troy and Terron Talley, who recently moved to 510 Woodland Avenue.

Leon is the new preacher at Sixth Street Church of Christ. He and his family lived at Hooker, Oklahoma, several years before moving to Alaska. He and Jeffie are both natives of the southwest and grew up in southeastern New Mexico, so they're really not strangers to this area.

Tracey, 14, is in the eighth grade; Troy is ten and a fifth grader and Terron is eight and a second grade student.

Grandpa Tom Pruet's batching days will be over by the time you're reading this. By that time his granddaughter, J'Mae Randolph, along with her mother, Melissa, and grandmother, Martha Mae, will be here.

J'Mae was born February first. She's the first child for the Randolphs, as well as the first grandchild for the Pruetts.

Tom has made several trips to the Randolph home, which is near Oklahoma City, since Christmas, so has already met J'Mae.

Since Pearl McLean's telephone call Saturday morning, my acquaintance of someone who has received money in the Reader's Digest promotion numbers exactly one.

Pearl reported, "Sometime ago I received a check for \$10."

I'd still like to hear from someone else who has received money or knows someone who has.

Bert Rule, who moved to Amarillo a few years ago, was in town Monday. She came down to check on her sister, Lola Doris Knapp, who has been a patient in the local hospital, and her mother Mrs. Ida Adams. Lola Doris had just been dismissed and was at home.

The Rules, Bob and Bert, live out in the west part of Amarillo--"on kind of a side street"--Bert said, so their street had not been clear of snow in a long time.

She said, "Bob finally finished clearing our walks, driveway and patio by working a few hours at a time, but there's still a lot of snow everywhere."

An avid doll collector, Bert, is still pursuing her hobby with the enthusiasm of a teenager. Visiting with her was a pleasure.

Glen and Ruth Stevick returned home early last week after a ten day vacation on the West Coast. They flew to San Francisco for a visit in the home of Jay and Betty Stevick Kuykendall and their family.

Fishing in Berkeley Bay was a treat for Glen, but he just couldn't catch a sturgeon that was long enough for him to get to keep. Anything under three feet had to be put back in the water and Glen's longest catch was just 32 inches.

Monday the Stevicks went to Olton for the funeral of Jack LaFrance of that city. His brother, Jerry, is the husband of the former Janet Stevick.

Jody LaFrance returned home with his grandparents for a week's visit.

Even though the wedding of Cindy Barnett and Jerry Hawkins was in Dallas when the Panhandle roads

were almost impossible, several Frionans signed the guest register.

Several ex-Frionans were there, too, so the reception was kind of like a reunion of Friona residents--present and past.

All three of Cindy's grandparents, Rudolph and Clara Renner and Ruby Barnett, were able to attend. Others in the group included Lillie Mae Baxter, Dub and Virginia Cleveland, Danny and Linda Murphree, Delton and Betty Lewellen, Clarence and Peggy Monroe and Curtis and Gertrude Murphree.

Eugene and Patsy Bandy spent some time with their oldest son,

Johnny, and his wife, Carla, who live in nearby Terrell, before accompanying them to the wedding.

Marvin and Dorothy Robbins Massey of Blunt, South Dakota, were also there. Cotton and Kay Renner and Lee Renner, all of Winnsboro, Louisiana, attended.

Ray and Jean Murphree, who now live in Bridgeport, Texas, were also there.

When the bride's parents, Doyce and Mary Joyce, and brother, David, are added to the list, Friona was well represented.

Worry is interest paid on trouble before it falls due.

F.I. Profits Show Substantial Gains

Friona Industries, Inc. recently reported substantial increases for the first six months of its 1983 fiscal year as net earnings doubled and sales were up 22 per cent.

For the first half ended December 31, 1982, the Company had net earnings of \$2 million, or 94 cents per share, on sales of \$126 million, compared with net earnings of \$1 million, or 46 cents per share, on sales of \$103 million in the same period of fiscal 1982.

"A favorable cost/price relationship on the sale of Company-owned cattle and higher feed yard occupancy contributed to operating profit gains in all our major business segments, with the exception of Meat Processing and Distribution," said Ron Davenport, chairman, president and chief executive officer.

"This trend was established in the

Chili Supper, Talent Show Set Feb. 25

The Walcott P.T.O. will sponsor a Chili Supper and Talent Show, on Friday, February 25 at the Walcott School.

The chili supper will start at 6 p.m. Tickets for the chili supper and talent show will be \$3.00 for adults and \$1.25 for children.

If you only want to attend the talent show, it will start at 7 p.m. and tickets will be \$1.00 for adults and 50 cents for children.

All the talent will be furnished by persons from the Walcott community and everyone is invited to attend.

Wedding Announcement

Mr. and Mrs. Bill R. Poe of Sudan announce the engagement and approaching marriage of their daughter, Melody, to Jason Hesse, son of Mr. and Mrs. August Hesse, Jr. of Dalhart.

Miss Poe is a 1980 graduate of Sudan High School and is living in Friona. She is employed by Ethridge-Spring Agency.

Hesse is a 1975 graduate of Dalhart High School and is employed by Robertson Electric in Friona.

The couple will make their home in Friona.

first quarter and continued through our second quarter," he explained.

Second quarter net earnings of \$761,000, or 36 cents per share, on sales of \$64.4 million compared with net earnings of \$433,000, or 19 cents per share, on sales of \$50.7 million in the second quarter of fiscal 1982.

During the first half of the year, the Company sold 48 per cent more cattle, or 58,000 head versus 39,000 head. The average sales price per hundred weight was about five per cent lower than in the first half of fiscal 1982, but this was more than offset by an eight per cent decline in the average cost of sales per hundred weight, resulting from the lower cost of purchasing and fattening cattle. Company-owned cattle accounted for 33 per cent of total corporate operating profits.

Other major business segments which showed improved operating profits when compared to the first half of last year included Commercial Feeds, 72 per cent increase; Animal Health Supplies, 37 per cent; Custom Feeding, 25 per cent, and Grain, 14 per cent.

"More cattle on feed in the Company's feed yards and at other feed yards in our operating area was instrumental in these operating profit and overall sales increases," said Davenport.

The average number of cattle on feed in the Company's feed yards was 27 per cent ahead of the same six months of fiscal 1982, and 29 per cent higher on a second quarter comparison for the two fiscal years.

Operating profits from Meat Processing and Distribution operations in the first half were curtailed due to a lower profit margin resulting from a lower than normal cost/price relationship for the hamburger meat the Company provides to more than 770 Wendy's Old Fashioned Hamburger Restaurants in fifteen states. This segment, which contributed ten per cent of corporate operating profits, registered a decline of 43 per cent when compared to operating profits in the first half of the previous year. Actual pounds of hamburger meat processed was 12 per cent higher (30.1 million pounds) and the average number of restaurants served was 742, a 15 per cent gain.

"The increase in feed yard occupancy and a measure of stability in profit margins for cattle and most of our other operations provides a cautiously optimistic outlook for the Company," said Davenport.

AT RED RIVER....The youth group from Friona's Union Congregational Church spent last weekend skiing at Red River, N.M. From the left are

Lila Vars Receives Achievement Award

Lila Vars, director of development at West Texas State University, has received a Career Achievement Award from Amarillo Women's Network.

Vars received one of five Career Achievement Awards presented by the group which includes more than 300 women professionals in Amarillo and Canyon.

She began duties as WTSU's director of development, which involves fund-raising for the university, in November. Before the appointment to the position, she had worked for eight years as WTSU associate registrar.

A graduate of Friona High School and the daughter of Mrs. Myrl Buske, Vars received a bachelor's degree in education from Texas Tech University and taught at Lubbock schools before moving to Canyon in 1965. She joined the WTSU registrar's staff in 1974.

Since coming to WTSU, Vars also has served as Director of Women's Programs, as a founder and chairperson of the governing board of the WTSU Children's Center and

has been involved in recruiting students.

Since August she has supervised the WTSU Campus Services, a university student host and hostess organization, served as advisor to the WTSU Student Foundation and serves in an advisory capacity to the WTSU Foundation.

She was elected to a three-year term in 1981 to the Canyon Independent School District Board of Trustees and is a past president of the Top of Texas District Federation of Women's Clubs.

Other recipients of the Career Achievement Awards are Eunice King, an administrator for the Amarillo Hospital District; Marilyn House, the only woman in Amarillo with the title of associate in risk management in insurance; June Legacy, assistant superintendent for the Amarillo Independent School District; and Dianne Bosch, an Amarillo police officer who has been honored as Officer of the Year by the International Association of Women Police.

VALENTINE ROYALTY....Residents and staff members of Prairie Acres voted George Millard and Rose Carpenter as their Valentine King and Queen. Mrs. Carpenter is a former Bovina resident. The pair was crowned at a "hearty" party on Monday, February 14.

LCC Society Accepts Two New Members

Dana Miller of Friona and Jeffery Fairchild of Adrian were two of 26 Lubbock Christian College students selected for membership in Alpha Chi Honor Society.

It's A Girl For Grimsleys

Jayson and Jyl Grimsley of Friona became parents recently of a new baby girl, Jena Kathlene, weighing six pounds, six ounces and was twenty inches long.

Jena has a big brother, two-year-old Justin.

Her grandparents are Mr. and Mrs. William Gromowsky of Bovina and Mr. and Mrs. David Grimsley of Friona.

Esther Bowman of Friona is her great-grandmother.

Alpha Chi annually inducts the top ten per cent of the senior class and top ten per cent of the junior class. Initiation ceremonies will be Thursday, February 24 at 6 p.m. in the President's Dining Room of the Betty Hancock Campus Center.

Dana is a junior music major who graduated from Friona High School in 1980. She is on the Yearbook staff and is a member of Meistersingers chorus. She is also a member of Christliche Damen social club. Her mother is Mrs. Ross Miller of Friona.

Jeffery is a junior agriculture business major who graduated from Adrian High School in 1981. He is a member of Kyodia social club. His parents are Mr. and Mrs. Larry Fairchild of Adrian. Mr. and Mrs. E.L. Fairchild and Mr. and Mrs. Otis Neel, all of Friona, are his grandparents.

Laura Jacobs Gives HD Club Program

The Rhea Extension Homemakers Club met February 14 at 7 p.m. at the home of Roxann Hurst. The club received their 1983 yearbook.

Gay Taylor called the meeting to order. Cecelia Schueler served as secretary. The roll call was answered with "My Favorite Color," by nine members and three guests, Laura Jacobs, Gay's mother, Sarah Morton of Hereford, and Monann Potts.

The minutes of the last meeting were read and approved. The treasurer's report was given.

Laura Jacobs reported on a District Training Meeting for council chairmen and delegates that she attended January 31 in Lubbock. The district meeting will be held April 19 in Brownfield. Martha Schueler will be presenting a candy demonstration for one of the workshops that day.

The State Extension Homemaker's meeting will be held in Lubbock September 20-22.

Laura Jacobs has some Texas Extension Homemakers Association cookbooks that she will sell for \$10 each. If interested in one of these 230 page cookbooks call her at 806-481-3619.

The Rhea Extension Club was happy to learn that a new Extension Club had been organized at Lazbuddie making two clubs for Parmer County.

The club programs for several

months were planned. Lois Potts will host the March 14 meeting in her home at 8 p.m. (Texas time). The program will be "Cancer Risk Assessment."

Laura Jacobs gave a program on reasons for keeping an up-to-date family health and medical record. She gave everyone present some health books for their personal health and medical records.

Roxann Hurst served a heart shaped strawberry cake, nuts, coffee and spiced tea from a Valentine theme decorated table. The centerpiece was a red balloon bouquet.

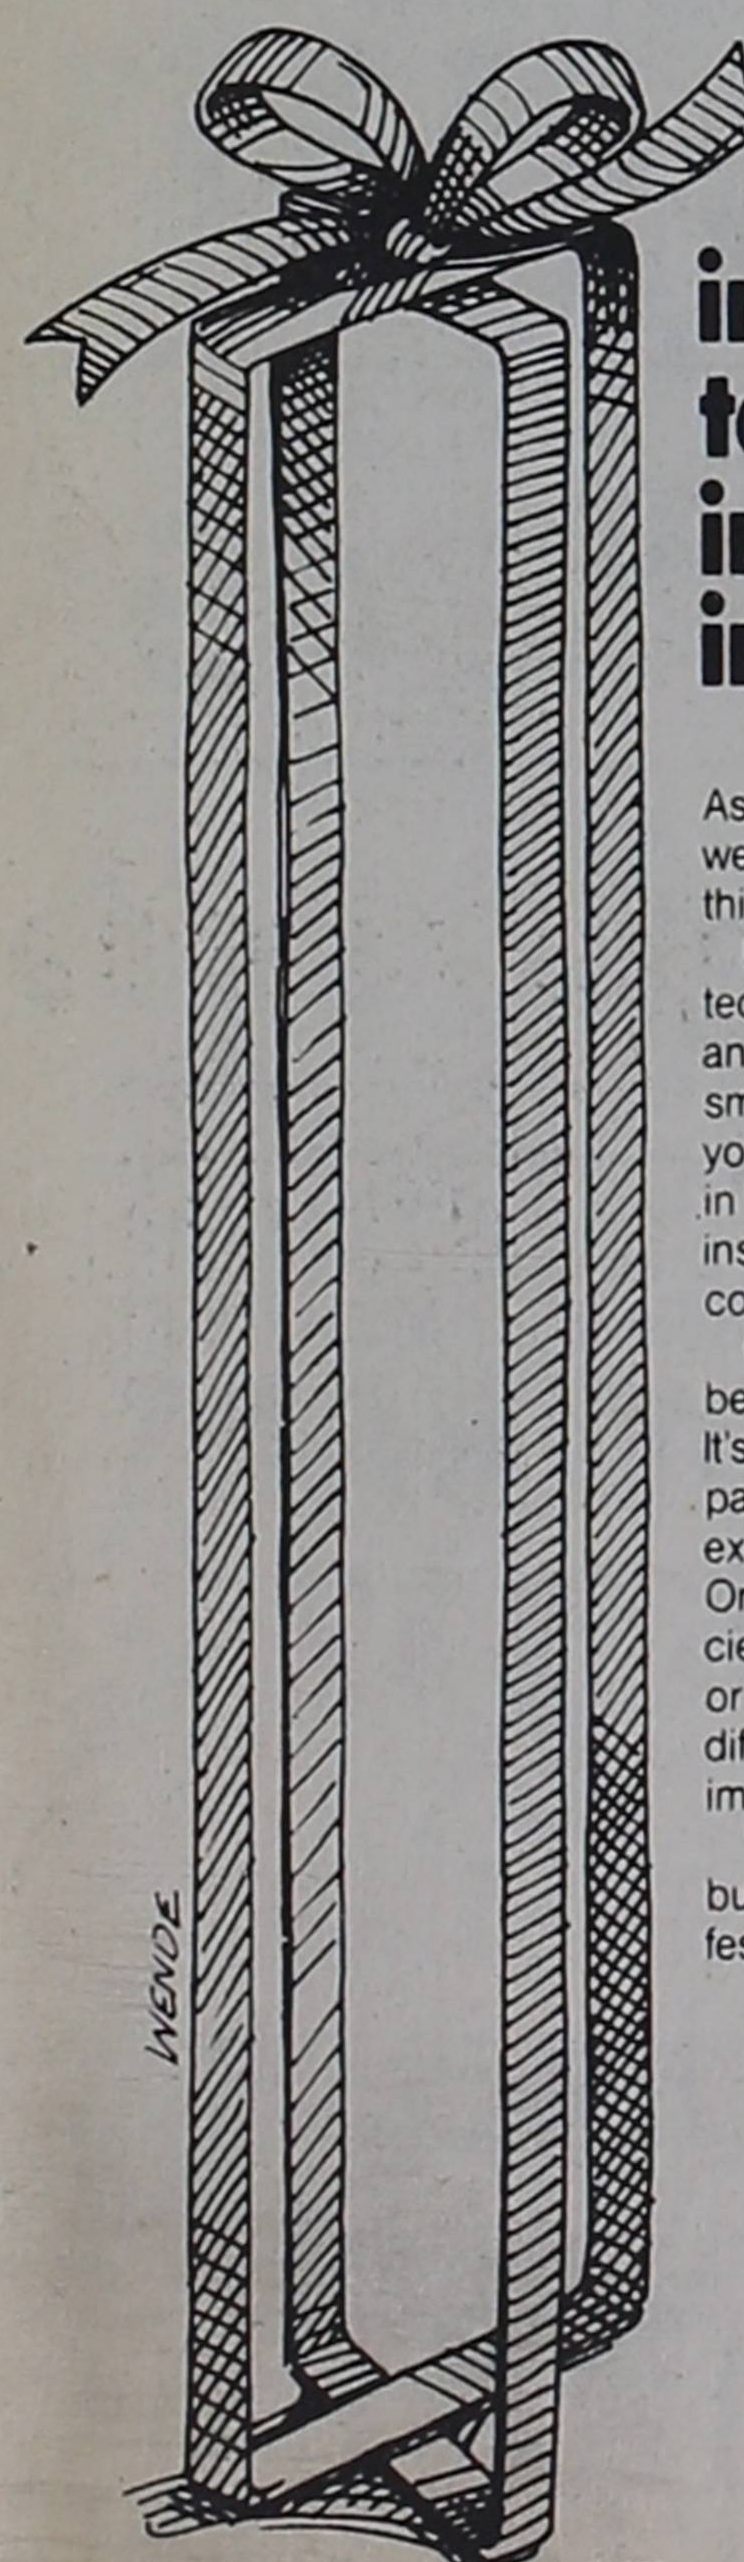

St. Ann's Sets Annual Sausage Meal

The St. Ann's Catholic Church of Bovina is sponsoring their annual German Sausage Dinner, Sunday, February 20 from 11:30 a.m. until 2 p.m.

They will be serving homemade German sausage, homemade sauerkraut, home canned green beans, mashed potatoes, gravy, Jello salads, relish plate, carrot or chocolate cake, homemade bread, butter, coffee and tea.

Donations will be \$4.50 per adult plate, \$2.50 for children six and under. Take-out plates are \$4.75 per plate. Door prizes will be awarded. Sausage will be for sale at the door. Serving will be at St. Ann's Parish Hall on Third Street in Bovina.

The intelligent way to buy something intangible, like insurance.

As an independent insurance agency, we know that insurance is not the easiest thing to buy wisely.

Even though it provides financial protection against future misfortune, insurance itself is intangible. You can't hear it, smell it, or feel it. So, when you buy it, you'd better have complete confidence in the agent who's selling it to you. Our insurance professionals inspire such confidence.

Our knowledge and experience extend beyond a single insurance company. It's an important part of our job to compare the policies offered by CNA, for example, and other insurance companies. Only then do we recommend the policies that best fit your needs. Intangible or not, we can put our fingers on real differences which can be of enormous importance to you.

Whether you need protection for your business, auto, home, or life, call our professionals. It's the intelligent thing to do.
