LIGHTNING PEELS BARK — Bark peeled from a tree at 115 Jeffie by lightning during an early Sunday morning thunderstorm lays around the tree's bottom. The tree is in the yard of the Rafael DeOchoa family residence. Severe weather passed through the area three consecutive nights and rain fell each day. — Staff photo

Students keep coming ...

Floydada enrollment ends week at 1,327

Where are they coming from? That is the question being asked by school officials as enrollment figures continue to mount. According to information from Supt. Jerry Cannon, 1,320 youngsters were on the rolls Sept. 10. This represents an increase of 49 students above the 1,271 students enrolled on the same date last year.

The 1,271 on Sept. 10, 1986, was the high mark for the 1986-87 school year in Floydada.

"The students seem to keep coming in," Supt. Cannon told The Hesperian. One reason for the increase, obvious, is the merger of Dougherty school with Floydada. However, the Dougherty school had fewer than 20 students during its final year.

The Sept. 10 enrollment figures released by Supt. Cannon were 33 greater than the number enrolled six days earlier.

Increases by campuses last week were: Duncan Elementary, 12; Andrews Elementary, 9; junior high, 4; and high school, 8.

Six of the 16 classes — including early childhood, pre-kindergarten, kindergarten and the "trainable" class at Andrews Elementary — number over 100 students. Three others are above 90 in number.

Sixth grade remains the largest class with 116 pupils. The school's smallest three classes are grades 10, 11 and 12 with 77, 72 and 79 students.

The 1,320 students in classes on Sept.

10 represents the highest enrollment figure in several years for Floydada schools.

Following are the Sept. 10 enrollment by classes:

DUNCAN ELEMENTARY	
Early childhood	13
Pre-kindergarten	22
Kindergarten	112
Grade one	105
Grade two	95

Grade three	89
Total	440
ANDREWS ELEMENTARY	
Grade four	109
Grade five	110
Grade six	116
Trainable	9
Total	344
JUNIOR HIGH	
Grade seven	114
Grade eight	97

Total	211
HIGH SCHOOL	
Grade nine	97
Grade ten	77
Grade eleven	72
Grade twelve	79
Total	325
Grand total	1,320

The superintendent says enrollment climbed seven more Friday, bringing the total number of students to 1,327.

Bicentennial of U.S. constitution to be celebrated tonight in Floydada

To honor the 200th anniversary of the United State Constitution, Floydada is planning a special program and reception on Thursday (today), Sept. 17. Floydada Masonic Lodge will be the site of the 7:30 p.m. event.

Co-hosts for the constitutional fete will be Floydada Lions Club, Floydada Rotary Club, Floydada American Legion Post No. 118, Buffalo Grass Chapter of Daughters of the American Revolution and Floydada Lodge No. 712, AF&AM.

Alton R. Griffin, a well-known Lubbock attorney and a former criminal district attorney for the 72nd Judicial District, has been invited to deliver the keynote address.

Griffin, a charter member of Lubbock Scottish Rite Bodies, is a member of the

Scottish Rite Learning Center of West Texas' board of directors and formerly served as district governor of District 2-T2, Lions International. He is the brother of Mrs. Garland Foster of Floydada.

Planners of tonight's program note that Griffin's message will be "inspirational, patriotic and educational." They

point out that the Lubbock attorney has "a vast knowledge of constitutional law."

The public is invited to attend the bicentennial program. Floydada Masonic Lodge is located at 130 West Mississippi.

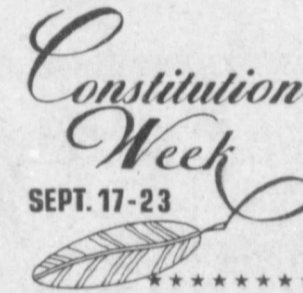

There is no admission charge.

The United States Constitution, which was later ratified by the states, was the first written constitution in the world. No other constitution has lasted as long.

"The nation's constitution is the cornerstone of American democracy and symbolizes national ideals of freedom, justice, equality and hope," sponsors of the Thursday function point out.

"The celebration of the Bicentennial of the Constitution offers an opportunity to revitalize the spirit of Americanism," they continue in inviting the general public to join in the special program.

The reception will follow the program.

Condemnation proceedings to expand city landfill initiated

Mayor Parnell Powell has been instructed by the Floydada City Council to "retain an attorney conversant in such matters and begin condemnation proceedings" to expand the current landfill site for future needs.

The council was told that the tentative contract submitted to Helen Hammonds and her attorney has not been signed even though the thirty day grace period has expired. The council opted to go to condemnation proceedings rather than to pursue further negotiations on a motion by Don Green, seconded by Ginger Warren and approved unanimously on September 10.

School crossing guard Sarah West presented a request for a salary increase due to the decrease in her hours. Prior to September 18, West worked one hour three times a day for a total of 15 hours per week and was paid \$4.31 per hour. She requested \$6.45 per hour to offset the loss of one hour per day as students at Duncan will no longer be leaving campus at noon unless accompanied by parents.

A motion by Wayne Russell, seconded by Green authorized a school crossing guard salary of \$5.00 per hour. Russell stated, "I don't feel that we can justify a salary of more than that for part time employees."

John Simpson and Gayle Light representing Mackenzie Municipal Water Authority presented the proposed 1987-88 budget for the lake facility. Floydada's base monthly payment will decrease by \$3579 for the next twelve months due to an accumulated surplus of \$110,000 being rebated to participa-

ting cities. The proposed expenditures for 1987-88 were predicted at \$420,890.

Wayne Tipton of Tipton Oil met with the Council to request an alley easement which would allow him to move the propane service center of his operation from the east end of his lots to the west end. An easement is required by the agency regulating such operations (Texas Railroad Commission) to ensure adequate space between the buildings, tanks and public traffic areas.

The easement was approved on a motion by Frank Breed, seconded by Green and passed by unanimous vote. Two resolutions were passed by the council at the Thursday evening session. The first authorized the sale of a tax lot, Lot 4, Block 25, original, to Joe Barrientos for \$500 as requested by the Floydada Independent School District.

The second resolution adopted the week of October 4-10 as Public Power Week in Floydada as requested by the American Public Power Association. The week is set aside to honor and encourage public owned power utilities to continue to operate and improve their services.

A motion by Leroy Burns, seconded by Green, authorized the conducting of a door to door survey in unpaved minority sections of the city. The information thus gathered will be used to complete applications for the TCDP 1987 competition for a community development paving grant. According to an informal estimate by former city manager Bill Feuerbacher and current city manager Gary Brown, there may be

as many as 24 qualified blocks in the city.

Discussion of the Energas franchise

agreement of further information from area cities.

A motion ratifying actions taken by

Gary Brown from August 17, 1987 the date he began work at the city, until his

Winds strive for 3-0 at Olton

Floydada gridders make first road trip Friday

Off to their fastest start in several seasons, the Fighting Whirlwinds head to Olton on Friday in quest of improving their record to 3-0.

After two home encounters — 14-6 and 6-0 over Crosbyton and Roosevelt, respectively — the Whirlwinds will be making their initial road trip of the '87 campaign.

Kickoff is scheduled for 8 p.m. Following the Olton contest, the Green and White has engagements with Lockney and Abernathy before opening 2-AAA warfare.

NEW COACH

Glenn Johnson, once a star athlete for the Mustangs, has returned to Olton as head coach.

Olton "has a new coach and is putting in a new system," points out Whirlwind mentor Earl Overton. "I'm sure they'll improve as they learn the system."

The Mustangs, who were downed by a pair of

good squads — 35-12 by Muleshoe and 48-20 by Shallowater — operate from a multiple set offense, "basically running out of the 'I.' They utilize a "50" defense.

Although they stopped Olton 7-0 last fall, the Whirlwinds remember that the Mustangs could have tied or won the game before a late rally was halted deep in Floydada territory.

'REAL GOOD EFFORT'

"We feel we had a real good effort" against Roosevelt, Coach Overton says. "Our kids rose to the occasion and played hard. It was a big win for them."

He adds that "Roosevelt had a good and a physical football team. They played hard, too."

"We've been lucky" to have avoided injuries "other than the normal bumps and bruises" in another game, the first-year mentor says.

Halfback Ty Stovall, who injured an elbow in the

Cooper scrimmage, had his cast removed Monday. Coaches have a "wait and see" attitude concerning Stovall's return to duty, depending upon how the injury responds. It is possible that he could see action Friday.

Barring practice injuries, Coach Overton does not "anticipate any major changes" in the lineup for Olton.

The Fighting Whirlwind defensive unit, which has allowed only six points and one penetration in eight quarters, is expected to be unchanged Friday. It includes: LE Roel Cisneros, 195; LT Leonard King, 195; N Dana Cooper, 175; RT Adam Cates, 185; RE Jason Brown, 154; LB Danny Caballero, 170, and Johnny Taylor, 182; LC Daniel Medrano, 140; RC David Medrano, 155; SS Chad Quisenberry, 153; and FS Chad Pernel, 156.

"Our kids have worked hard, and I couldn't ask for any better effort," Coach Overton says in commending his team.

WHIRLWIND BAND FLAG CORPS — Eight girls comprise the Whirlwind Band Flag Corps for the 1987-88 school year. Crystal Rowley, co-captain (left), and Cathy Langley, captain, appear on the bottom; the middle row (left to right) includes

Andra Smith, Jenifer Thrasher and Laura Vallejo; and standing are (from left) Ange Shurbet, Dina Livingston and Michelle Torrez.

— Staff photo

No damage reported from Sunday morning tornado

South Plains tornadoes always occur during the spring and early summer months, right?

Wrong! A tornado was spotted "between Muncy and Floydada" about 1:30 Sunday morning. The site was "probably four or five miles from Floydada," according to Sheriff Fred Cardinal.

The sheriff related that the funnel was "on the ground and moving southeast."

Darrell Gooch of the Floydada Police Department was near the twister while observing the clouds. "Nobody reported damage," ac-

cording to Sheriff Cardinal, who noted that the tornado was in "open country." Due to heavy rain the peace officers who were watching the cloud could not determine exactly how far it remained on the ground.

Clouds were watched three consecutive nights.

Another tornado reportedly struck down south of Crosbyton and in another Crosby County site, although no damage apparently resulted.

Lightning ripped bark from a tree in Floydada and a tree was also uprooted.

FIRE SCHOOL CHECK — Clar Schacht (left), agency manager of the Floyd County Farm Bureau, hands a check to Alan Fondy to cover his expenses at the Texas A&M University Fire School, held the third week in July. The Farm Bureau annually sponsors a fireman at the school. — Staff photo

Farm Bureau sponsors local fireman at Texas A&M school

Alan Fondy received last Wednesday afternoon a check from Floyd County Farm Bureau to cover his expenses at the Texas A&M University Fire School in College Station the third week in July. Clar Schacht, FCFB agency manager, presented Fondy with the check.

The county Farm Bureau annually sponsors a local fireman at the school. An idea born four years ago in Floydada became a state reality during the 1987 fire school. Dinks Eckert was coordinator and Fondy served as an instructor for an 18-hour course on

agro-rescue. Taught for the first time this summer at the state school, the agro-rescue segment — which receiving "overwhelming response" — will be expanded to a 30-hour course next summer.

In addition to Eckert and Fondy, Floydada volunteer firemen attending the state school were Bobby Welborn, Cowboy Wylie and Danny Nixon.

"I would like to give thanks to all Farm Bureau members who had a part in sending a Floydada volunteer fireman to such a fine school," Fondy says.

Condemnation proceedings to expand landfill initiated

Continued from Page One
 appointment as city manager became effective on September 1, was approved on a motion by Burns, seconded by Warren and passed unanimously.

Garbage pick-up service will be extended to the Jamie Lewallen and Walter Davis residences outside the city limits. Each residence will be billed the regular monthly charge for the services.

A pair of proposals for painting the interior of City Hall were considered.

Dale Griffin estimated a cost of \$116 for labor. Wiley Griggs estimated \$280 for labor. Griffin will be asked to

complete the project. Water and electricity have been installed to RV parking sites at the city

park adjacent to the city swimming pool area. Gravel areas are due to be installed in the near future according to city manager Brown.

The council agreed to ask a committee of local RV enthusiasts to investigate other city RV parks and present recommendations for rules and regulations for the parks operation.

Two separate lapel pins are being purchased for advertising and public relations purposes. The pair will sport either "I Love Floydada" or "You've got a friend in Floydada." The \$1125 cost for 1000 pins will be shared with the Chamber of Commerce.

Other matters discussed by the council included the possibility of painting faded street signs instead of using a bake on film to redo them. Also discussed was a double cross walk on Jackson street at R.C. Andrews Elem. and the routing of school buses leaving Andrews north instead of south on White Street as they leave the bus loading area.

The council also approved applying for a credit card to facilitate necessary travel for city officials and employees.

Police Chief James Hale will be attending a one week school for study of body language (Kinesis Theory) in Huntsville in November. The school will emphasize techniques to be used in questioning people and handling complaints in order to assist an officer in determining what questions to ask and when to ask them. The city will pay the \$325 tuition for the school.

Attending the session were council members Russell, Burns, Green, Warren, Breed and Nancy Willson. Also present were Mayor Parnell Powell, Jimmie Lou Stewart, Gary Brown, Steve Hale, Wayne Tipton, Sarah West, James Hale, John Simpson, Gayle Light, Joseph Stepp and The Hesperian reporter.

HEY WHIRLWIND FANS,
 This week the Whirlwinds take on the Olton Mustangs at Olton. Kickoff is at 8:00 p.m. So come out and support the Winds. Go WINDS!

Varsity Cheerleaders MISSIONS
 Bilingual missions are being given this week at St. Mary Magdalen by the M&M sisters. The missions begin at 7:30 p.m. each evening and will continue through Friday, Sept. 18. Everyone is invited.

OPEN HOUSE
 R.C. Andrews Elementary will be holding open house from 7-9 p.m. Sept. 22. Parents and the public are invited to view the school and visit with the teachers.

JR. HIGH OPEN HOUSE
 Floydada Junior High is having open house on Tuesday, Sept. 22, from 7-8:00 p.m.

ADULT EDUCATION CLASSES
 Adult education classes are held each Monday and Tuesday from 6:30-9 p.m. at R.C. Andrews Elementary School cafeteria. This is a study for GED tests, written test for driver's license, and citizenship, and to improve basic skills in math, science, social studies, reading and English. Classes are free.

EARTH CELEBRATION
 Earth Chamber of Commerce invites local residents to participate in the "Last Chance on Earth" chili cook-off and arts and crafts show on Saturday, Sept. 26. A pet show, games and food booths also are planned. For further information, persons may contact the Earth Chamber of Commerce, P.O. Box 496, Earth, Texas 79031 or phone Jaci Garner, 806-257-2035.

SINGLES
 The Floydada Singles Club will meet Saturday night, Sept. 19, at the Lighthouse Electric building for a box supper. Hostesses will be Ruth Trapp, Betsy Dempsey, Nettie Adams and Lucille Miller.

MOTHER'S DAY OUT
 The Mother's Day Out program at the First United Methodist Church will be held each Tuesday from 8:30 to 5:00. All children of the community are invited to attend. For more information call 983-3093 or 983-3707.

MORTON HOMECOMING
 The 1987 Morton High School Homecoming is scheduled for Saturday, Sept. 26. The homecoming football on Friday night, Sept. 25, will be Morton vs. Spur. All Morton exes are encouraged to attend the event.

Letter to the Editor

Dear Jim,
 I wanted to congratulate Ms. White for the job she has done with the band. Also I would like to congratulate the Floydada High School Band for a job well done at the Friday ball game. They have all been working under a severe handicap with the resignation of the band director.

I feel that Ms. White has done an excellent job of stepping in and taking over a difficult job. She has succeeded in making the band members want to do the best possible job. Thanks to the efforts of Ms. White and all the members of the band I feel we have a band that the citizens of Floydada can be proud of.

day I don't think may 15 or so of the 40 private carts play, probably not over 27 holes, where the Pro has 25 carts playing 36 holes or more everyday, but his doesn't cost the club. If the Club wants to take in more money I suggest making the Pro pay the same cart fees, pay a rental fee on the building he turned into a repair shop, give the club a percentage on all tournaments, start conserving energy on the buildings and free house we furnish him. Seems like everytime I receive mail from the board it says for the benefit of YOUR club. I, myself think its time the MEMBERS of the Floydada Country Club got involved in the way things are being run, after all it is OUR money and our course and we ought to have a voice in the way it is being handled. I'm sure I'm going to offend some people but I'd like some answers to a lot of unanswered questions, like why isn't the course as good at all times as it is before a tournament, why aren't the books audited, does someone have something to hide? Why have we lost 2 greens, is it because the Pro and Greenskeeper are playing Golf and there is no one there to work on the course. How many weeks paid vacation do they actually get? Who actually runs the Club, the Pro or the Board? Who spends all the money and what is it being spent for? If you have ever wondered about any of these its time you went to a board meeting and found out why, or elected a board member willing to find out why.

TIRED OF IT ALL
 Jerry Warren
 /s/ Jerry Warren

TO ALL COUNTRY CLUB MEMBERS AND INTERESTED PARTIES
 I recently received a survey in the mail concerning the Country Club to Quote "help with the future plans of your Club" unquote. I would like to start with the question, why is the new board facing large financial expenditures. If I remember correctly the last legally elected board in just 3 1/2 months paid off in excess of \$12,000.00 dollars worth of unpaid bills, 2 years or older, which I might add was a slow part of the year when the course was less crowded and left \$3,000.00 operating money in the bank. Where has all the money gone taken in as dues, green fees, etc. I as a member don't think the answer is in increasing dues or liquor sales or assessments. I recently attended a board meeting and suggested that the club get a portion of the tournaments fees and the only reply was it would be looked into. Several of the private cart owners met with the board to inquire why the Pro didn't pay the same \$125.00 yearly fee for carts. We were told that our carts cost the Club money in electricity costs, so ours were to be higher. How can that be? On any Given

Floyd County liability insurance cost triples

Public officials and employees liability insurance covering errors and omissions was the major topic at the September session of the Floyd County Commissioners Court. The current policy, expiring on September 14, was obtained in 1984 for a three year period of a cost of \$6,614. The renewal of the policy will cost \$7,249 for a period of one year. This is a more than triple increase.

According to County Judge Bill Hardin, "This policy does not cover the sheriff's department, the county attorney or the district attorney. They are all under separate policies."

The policy was approved after the commissioners learned that other insurance companies had been contacted concerning such a policy and had either declined to write the policy or given quotes "higher than this." Approval came on a unanimous vote for a motion by Thomas Warren, seconded by Floyd Jackson.

The sale of a tax lot in Lockney was approved at the request of Lockney Independent School District. Lot 6 and the north 20 feet of lot 7, block 12 in the original township of Lockney will be sold to J.H. Workman for the sum of \$756. The motion for approval was made by Jackson and seconded by Warren.

Beth Benitz and Pitney Bowes Corporation presented a proposal for the

replacement of the county mailing equipment and copier with a modern mailing system and a remanufactured copier by Pitney Bowes. The representative estimated a savings in postage with new equipment "in the range of 10 to 30 percent" and some savings also on the copier. The court will consider the purchases at a later date.

County Treasurer Glenna Orman presented her report for the month of August, stating that the county began the month with \$218,159.51 took in \$660,018.30 and had expenditures of \$730,702.17, leaving a balance of \$147,475.64 at month end. Orman also reported \$619,000 in certificates of deposit which will fund county operations over the remaining four months of the 1987 budget. Interest to date on certificates of deposit totals \$43,569.39.

The court approved budget amendments to transfer funds from unused accounts to accounts which have become depleted or need additional funds to meet the demands made on them. This was done on a motion by Sam Spence, seconded by Warren and approved unanimously.

Private farm work contracts were authorized for James Nichols and Neil Langley. Two contracts were voided at the request of Jackson in Precinct 2. They were for Aaron Wilson and Keith Phillips.

Attending the session were commissioners Spence, Jackson, Warren, and Kay Crabtree. Also present was Judge Hardin, Glenna Orman, Margaret Herrera, Beth Benitz and the Hesperian reporter.

Juvenile house burglar captured 'in the act'

"Thanks to a concerned neighbor," one juvenile was caught Tuesday afternoon inside a house he and a companion allegedly were burglarizing. The other juvenile was apprehended later. Both have been turned over to juvenile authorities.

Members of the sheriff's department received the call concerning the house burglary about 4:25 p.m. Tuesday and went to the residence at 720 South Wall. One of the lads was found inside.

The pair reportedly had entered the vacant house after opening a window. Although no one resides in the house, "some furnishings" remain inside.

Floydada man suffers 'pretty severe beating'

A Floydada man sustained "a pretty severe beating" about 1:30 a.m. Saturday. He allegedly was attacked by two companions.

Rudy Comacho, the victim, sought medical attention at Caprock Hospital on Sunday. He sustained no broken bones but reportedly had severe bruises and abrasions. Comacho was treated and released.

However, he will be forced to undergo ear surgery as a result of an injury during the fight, which occurred about three miles east of Floydada on a dirt road.

Camacho, who is in "his early 20s," reportedly got into the car with his two assailants. They drove to the site east of town, where the fight developed. Reportedly, "bad blood" has existed between the men.

Rudy Castaneda and Joe H. Zavala both pleaded guilty in county court on Tuesday morning to charges of assault with bodily injury. Each man was sentenced to 30 days in jail, probated for six months, and fined \$100 plus court costs of \$88.50.

Both Castaneda and Zavala are Floydada residents. The Hesperian has learned that officials were not informed of the pending ear surgery until after the two men had been tried.

Tractor stolen from Abernathy found here

A 4450 John Deere tractor and an eight-row cultivator, which were stolen July 5 from a farm near Abernathy, have been located and confiscated by the Floyd County Sheriff's Department.

Sheriff Fred Cardinal says the tractor is "nearly new," having only about 1,300 hours of work.

Private citizens spotted the tractor "coming down the road with its lights off" about 10:30 p.m. Sept. 8. The lights reportedly were being turned off and on and the tractor was being driven in the Harmony community.

This situation caused two citizens to follow the vehicle and contact the sheriff's department.

Before officers could reach the scene, the tractor driver "pulled up in Jim Jackson's field, locked the cab and took off on foot."

Officers followed his tracks west about two miles to Carr's Chapel. Tracks were lost at that point.

By this time, a cloud was approaching and officers had to remove vehicles and the tractor from the muddy field.

"Eight units" of peace officers drove to the scene: five from Floydada, one from Lockney and two from Crosbyton.

The tractor was "locked up" in Deryl Evans barn — a John Deere key was secured to drive the tractor — until the next day when it was moved to Floyd County implement for storage.

The cultivator was found Saturday afternoon, 10 miles south and three miles west of Floydada. It also was taken to the implement house for storage.

An Abernathy area farmer has identified both the tractor and the cultivator as being the equipment which was stolen from his farm.

On Friday before the tractor was recovered, an individual informed the sheriff's department that a John Deere tractor was parked among trees about 10 miles south of Floydada. The tractor, which the sheriff believes was the same one due to certain identification data, was moved before the sheriff's department could reach the site.

Criminal mischief charges produced by 'slashed tire'

Charges of criminal mischief were filed Monday against Ruben Montoya, 38, in connection with a Saturday night incident.

Police Chief James Hale says police received a Sunday night call that Montoya "had a shotgun and was looking for Jamie Ortiz," his son-in-law. Officers found no weapons.

Ortiz, 21, told police that he had just returned to his home, 414 West Kentucky, from Plainview when Montoya "came over to his house and started a fight." The time was "just before 10 o'clock."

Ortiz later reported to police that the right rear tire on his pickup had been "slashed."

The Sunday night incident evidently was associated to a Friday night report. Norma Ortiz, 19 (Montoya's daughter) reported at 7:44 p.m. Friday that she had sustained blows to her head and leg during an argument with her husband, Jamie.

Mrs. Ortiz declined to prefer charges. Juan Carrillo of 207 East Houston reported to police Sunday that the rear window had been broken from his Chevrolet pickup and that sheet metal above the glass was damaged. Damage

in the criminal mischief case was placed at \$200.

Carrillo claimed to police that the glass was not broken on Saturday, Sept. 5, but that he noticed the damage on Sunday, Sept. 13 when he moved the vehicle, which had been parked east of his residence.

Police state that "It looked as if glass was broken by a rod or small pipe. The object caused damage to the cab of the pickup just above the window."

Fines for having no liability insurance rise drastically

NEW PATROL 'VEHICLE'—City policeman Darrell Gooch was called to city hall on Saturday to receive his "new patrol vehicle," courtesy of "friends." The "vehicle" includes a red light, a shotgun, handcuffs and an antenna, all toys.

The Constitution
 It may not be perfect, but nobody's come up with anything better.

City Judge Parnell Powell informs the public of a state ruling, effective Sept. 1, which increases fines for drivers cited for having no liability insurance to "\$160 to \$175."

The state added \$75 in "state court costs," which also includes \$10.50, an increase of 50 cents plus the \$75.

The new state insurance law "nearly doubles" the amount formerly assessed for drivers cited for having no liability insurance.

Lake report

Steven and Terry Rossi caught 6 1/2 and 2 pound blue catfish Sunday, Sept. 13, from Mackenzie Lake. The Tullia duo was using minnows and cut-up perch for bait.

A 2 1/2 pound smallmouth was reeled in Saturday by Bill Glenn of Tullia. He was using deep Wee-R for his catch "by the first boat ramp."

Several "good bass" have also been landed during the past week.

Dr. Dale R. Rhoades cited for 40 years of practice

A physician who has rendered medical attention to six generations of one family and several generations of numerous other families throughout the area was paid homage Saturday for 40 consecutive years of practice at Crosbyton Clinic Hospital.

Hordes of "Rhoades Babies," their families and other patients-friends filed into Crosby County Pioneer auditorium in Crosbyton on Saturday afternoon to greet Dr. Dale R. Rhoades on "Rhoades Day."

In an outpouring of love and admiration, approximately 115 guests called from 2 to 4 p.m. to greet Dr. Rhoades, exchange memories and, in dozens of instances, pose for photos with the man who delivered them. Also, a dozen or so plants and floral arrangements were sent to the reception by friends and well wishers.

The doctor delivered 3,400 babies during the first half of his practice. Among these were 27 great-grandchildren of the late Rev. and Mrs. H.M. Reed.

Both the second and next to last infants ushered into his world by Dr. Rhoades were present for the Saturday reception.

SECOND DELIVERY

Jan Wallace White, now a Plainview resident, was only the second child to be delivered by the young doctor. This earned her the distinction of being the senior "Rhoades Baby" attending the reception. Her paternal grandparents are Mr. and Mrs. A.W. Wallace of Crosbyton.

The first of Dr. Rhoades' numerous deliveries was reputed to be "Junebug" Chron. The Chrons are now Alaska residents.

Youngest of the "Rhoades Babies" at the reception was Earl Bell of Crosbyton. Dr. Rhoades had ceased his obstetrics practice but attended Earl's mother, who is a daughter of T.J. and Frances Taylor. Taylor is a personal friend of Dr. Rhoades and served for many years as hospital administrator.

Bobby Fira, son of Mr. and Mrs. Willie Fira, was actually the final child delivered by Dr. Rhoades. The doctor did not attend Mrs. Fira during her pregnancy but delivered Bobby due to an emergency situation.

MAYOR 'RHOADES BABY'

Crosbyton Mayor Lance Morris is a

"Rhoades Baby." So is his brother, Phil Morris, a member of the Crosbyton school board.

All four daughters of former Crosbyton mayor George Whit and his wife, Sandra, fit into this category. Three of the four attended the reception.

Two of the husbands-wives who share the distinction of being "Rhoades Babies" are Tim and Susie (Hardy) Havens of Crosbyton and Marty and D'Ann (Cornelius) Davis of Seagoville. There are dozens more.

Among the twins delivered by the veteran doctor are Wayne and Dwayne Wells, sons of Mr. and Mrs. Dewey Wells of Ralls, and L'Cinda Gaye Dewbre McClure and M'Linda Raye Dewbre Adams, daughters of Mr. and Mrs. Jacky Dewbre of Crosbyton.

Kristi McGinnes, not technically a "Rhoades Baby" but who has received medical attention from the longtime Crosbyton physician since infancy, flew in from Dallas for the reception. Instead, she saw Dr. Rhoades in his office due to a severe tooth problem.

Nancille Thompson Gallimore of Austin traveled to Crosbyton for the reception.

One of the letters traveling the

greatest distance came from Pvt. Luis Arroyo III, who is stationed in Fort Ord, Calif., with the U.S. Army.

"I am proud to be one of the 'Rhoades Babies,'" he stated, mentioning that his parents, Luis Jr. and Amelia Arroyo, were Dallas residents when Mrs. Arroyo conceived her only child, "but I had to be delivered by Dr. Rhoades! (My Mom thinks you are the only doctor around)."

Pvt. Arroyo concluded his correspondence by mentioning that he was in Dr. Rhoades' office this summer for treatment of poison oak rash.

MOTHER-DAUGHTER

A mother and daughter at the Saturday reception were Kitty Joyce and Buffy McDowell, both "Rhoades Babies."

He delivered six of the seven Willie B. Terrell offspring. The six-generation family which has been "doctored" by Dale Rhoades are the Van Meters of McAdoo.

Mrs. Rhoades secured addresses of over 300 "Rhoades Babies." Several have the middle name of "Dale," at least some named in honor of the doctor who delivered them.

More than a few couples from McAdoo to Ralls and other areas had all of their offspring delivered by Dr. Rhoades. A special bond existed — and continues to exist — between the children, their parents and the doctor.

Dr. Rhoades had personal remembrances from yesteryear to share with many of the reception guests.

Approximately one-third of the "Rhoades Babies" whose addresses were received continue to make their homes in Crosby County or the East Plains.

Others are widely scattered: Lubbock, Abilene, Arlington, Bridgeport, Dallas, Matador, Slaton, Clifton, Austin, Irving, Waxahatchie, Fort Worth, Amarillo, Tahoka, Comfort, Tulla, Plainview, Whitharral, Grapevine, Andrews, Spur, Lorenzo, Jayton, Hereford, El Paso, Canyon, Seminole, Colorado City, Midland, Seagoville, Floydada, Santa Anna, Wolforth, Temple, Lamesa, Stonewall.

Also, Odessa, San Angelo, College Station, Houston, Royce City, Athens, Mesquite, Flint, Big Spring, Iowa Park, Cone, Burleson, Idalou, Waco, Dimmitt, Wilson, Bovina, Amherst, Olton, Girard, Seminole, Snyder, Verhalen, LaPorte, Duncanville, Weatherford, Afton, Granbury, Denton, Bryan, Huntsville, Abilene, Keller, Campbell, Levelland, Rotan, Post and Humble, all in Texas.

FAR AND WIDE

Also, Anchorage, Alaska; Dayton, N.J.; Wenatchee and Belfair, Washington; Piedmont, Oklahoma City, Duncan, Stillwater, Boswell and Walters, Okla.; Fort Collins, Greeley and Littleton, Colo.; St. Charles, Mo.; Carmel, Hanford and Los Angeles, Calif.; Grand Forks, N.D.; Lovington, Jal and Albuquerque, N.M.; New Kensington and Washington, Pa.; and Slidell, La.

Sandra Jones Pierrro's mother came to Crosbyton from Long Beach, Calif., to

have her daughter delivered by Dr. Rhoades.

Marylin (Mrs. Vannoy) Paschall, now of Bryan, has the original billing for the delivery of at least one of her children.

Dozens of "Rhoades Babies" who could not be present Saturday remembered their first doctor with letters, cards, photos and other correspondence.

Both of Dr. Rhoades' offspring, Bob Rhoades of Lubbock and Pam Davis of Abilene, their spouses and all six of the Rhoades' grandchildren were with their father-grandfather Saturday during his special day.

Mrs. Rhoades — who began formulating plans for the reception almost a year ago — says that hostesses volunteered to assist. They included Beth Reynolds, Ruby Swindall, Betty McGinnes, Billie Jo Freeman, Margaret Thompson, Sue Hudman and Anne Butler, all of Crosbyton; Clea Ellison of Lubbock; and Irene Jester of Ralls.

SUNDAY DINNER

Charlie and Verna Anne Wheeler opened their home Sunday evening for a dinner honoring Dr. Rhoades on his 40 years of medical practice in Crosbyton. Norton Barrett served as emcee for a program during which guests shared memories with and about Dr. Rhoades.

Attending the dinner were Mr. and Mrs. Louis Pyle of Floydada. Pyle has managed Dr. Rhoades' farming operation for 30 years.

J.W. Jackson, chairman of the Crosbyton Clinic Hospital board of directors, presented him a framed certificate of appreciation on behalf of the board. Among the dinner guests was Jean Lemley, hospital administrator and a longtime Rhoades associated patient.

In addition, 12 letters — some forwarded by special delivery — from friends unable to attend the dinner were read by Mrs. Rhoades. Dr. E.D. Fernandez, who practiced with Dr. Rhoades prior to his retirement, phoned from Miami, Fla., to extend his greetings.

Margie Rhoades began actual preparations for the fetes in June. She was assisted by various friends in various ways. Only close friends realize that Mrs. Rhoades was serving as chairman of the Rio Blanco Heritage Foundation, which was planning and producing "God's Country" — she personally made several costumes — at the same time as the serious planning for Dr. Rhoades' functions were underway.

Among the dozens of pieces of correspondence which arrived for the reception and have been placed in a scrapbook for Dr. Rhoades was one from Nancille Thompson Gallimore of Austin. It contained several obvious questions.

The letter states in part:

"I've often wondered what Dr. Rhoades was thinking when he delivered a child into this world. Maybe things like, 'This child will be strong willed and will go far in the world' or 'This one is going to be very shy and need lots of love' or maybe he was thinking 'Wish I were home in bed.'"

"I've also wondered how many of 'his

babies' did he continue to administer care to after infancy. Like me for example. There were times when I thought Dr. Rhoades was the only adult that knew anything. At least he would always answer questions and not act shocked that he had been asked."

"I must say that one of my best friends is Dr. Rhoades. I know that I can call on him at any time and he will do his best to guide me in the right direction."

"For those that haven't had the opportunity to know the man that helped them into this world, I'm sorry. They've truly missed out on a lot."

GOD GIVEN TALENT

Dale Rhoades believes he — along with other physicians — was given a talent for administering to those in need of medical attention and has applied this gift of healing for 40 years without regard for age, race, economic or other status. He learned that frequently a word of encouragement or advice is as important as the medical knowledge.

He is proud of the fact that he never charged more for a delivery than the family could afford and still properly cared for their newborn child and other family members.

One fond memory is of a black man who operated a shoe-shine stand for his livelihood. He approached Dr. Rhoades about attending his wife and delivering their child. What would be the cost, the man wondered to Dr. Rhoades.

"How about \$25?" answered the doctor. The agreement was reached.

Each Saturday, the new father would walk down from town to the hospital and lay 50 cents down on the counter. He was a proud man and paid every cent of his obligation...at 50 cents a week.

The respect Dr. Dale Rhoades has earned in 40 years of practice was repeatedly evident Saturday during the reception in his honor and again Sunday evening during the dinner.

"I wouldn't change my profession nor my home if I could relive my life," he told friends. "I look forward to (practicing medicine) each day!"

Guess what Baptist preacher is HALF-A-CENTURY old this week?? H.E.F.

WIND DAMAGE — High winds early Sunday morning uprooted a large tree in the Marilyn Buchanan front yard at 402 E. Grover. Weather spotters scrutinized potentially dangerous clouds three consecutive nights. — Staff photo

Cedar Hill News

By Carl Lemons Monday, 9-14:

Crop comments: The weather and the calendar have joined forces to produce the cool, wet conditions ideal for the germination and emergence of fall and winter weeds. Killing those pests, followed closely with a drill, could signal the beginning of a record breaking wheat crop for 1988. Cucumbers continue moving to a market that reputedly has a strong demand. Pickers have refused to work in some fields where cucumber stands were thinned by the July hailstorms. Edna Gilly was able to muster a crew of local residents to pick such a field last week thereby delivering a load independent of the usual work brokers. Where there is a will there is a way. Immediately south of the intersection of highways 97 and 207 the highway passes between two fields of turnips. Look them over as you drive past. Cotton north of Cedar continues to look surprisingly well in spite of the hail, while that to the east and on toward Hillcrest looks very, very good. Regardless of what it looks like, there will be disappointment at the gin unless the cotton gets a lot of hot, dry weather. Maize fields are not ripe enough at this time for sprouting to occur in the head. Seed maize producers are suffering a loss in eye appeal as the grain becomes discolored, and if it continues wet too long the crop will be rejected by the seed companies.

Water again laps the blacktop that crosses Cedar Hill Lake. Several night time showers early the past week, augmented by 1.3" rain on Sunday and another 2.8" on Monday has deposited a total of five inches of rainfall at the center of the community. For the second time in 1987 less than thirty feet of roadway separates the two parts of the Cedar Hill Lake. Rains in July raised the

water level 30' above the highway surface, stopped automobile crossings, and made it necessary for the highway department to pump 17 million gallons from the lake. At Sundown Monday both ditches along FM 97 going east from Floydada, Silverton 207 were pouring South Plains water into Hillburn lake. Water there is very near the macadam too.

Ruthie and W.M. Clark came to can pickles at Edna Gilly's home last Friday.

John Belaska reports that his wife's doctors are pleasantly surprised by the speed with which she is recovering. Though she still suffers, she gets in and out of bed by herself, and moves about the house. Both he and Willie wish to express their appreciation to those who visited her in the hospital and sent flowers. Due to his role as chief cook and caretaker John sends special thanks to those who helped them in the food department. Thanks to Tom and Gladys Fortenberry who brought a large (last a month) pound cake, for a stew from the Mortons, chicken and dumplings from Edna Gilly, a stew from Imogene and Cephus Fortenberry, and chicken and goodies from Martha and Junior Taylor, thanks again to all those above and those not listed.

You old, old timers will remember the place where the Belaskas live as the old Conner place.

Junior and Martha Taylor visited with Mattie Davis in Plainview Sunday afternoon. Mattie still suffers minor discomfort from the injury she received in early August.

John and Cindy Fortenberry are proud parents of a new son. Michael Shawn was born at 3:08 p.m. Sunday, September 13, in Lockney General Hospital and weighed 5 pounds, 2 1/4 ounces. He has a three-year-old sister, April. Grandparents are Marissa Stone Fortenberry of Floydada, and Durrell

and Alpha Fortenberry of Cedar Hill.

A poorly timed visit with Sylvia Yeary Monday afternoon found her just sitting down to the supper table at the Lockney Care Center. Her words were, "I'm doing as well as could be expected."

Brother Hollar from San Angelo filled the pulpit at the Assembly of God Church both services Sunday. Muddy roads reduced attendance only slightly. Durrell and Alpha were in Lockney to welcome their new grandson at time of the morning service. Hearers reported two very good sermons, with emphasis on the evening service. One member described Brother Hollar as a preaching machine. The new roof on the church! An example of excellent timing.

Clara Mize seems to have completely recovered from the illness that put her in the hospital a week ago. Sunday, September 13, was an especially good day for her. Betty and George are back from a combination business/vacation trip to New Mexico.

The best way to break a habit is to drop it.

Lakeview News

Mr. and Mrs. Weldon Hammonds visited relatives in Vernon, the George Davis family and in Thalia, the Billy Hammonds last week-end. On Monday evening they visited the William Bertrands.

A nice rain Sunday morning left about 1/2 inch of moisture and cloudy skies the first part of the week.

Mrs. Georgia Mae Smith Erickson has been named a Distinguished Alumni of Texas Tech University and will be honored at Homecoming in October. A well deserved recognition for this, generous and enthusiastic Blanco Canyon neighbor.

Abundant Life Fellowship will see 'Prodigal Planet' film Sunday

Prodigal Planet is a film that offers a futuristic look at a nuclear charred world following the wholesale exchange of nuclear attack. The film follows the lives of a few survivors left in that radioactive wilderness and will be shown at Abundant Life Fellowship Assembly of God, at 6:00 p.m., on Sunday, Sept. 20, in Floydada, 701 W. Missouri. This is part one of a two part film. The second part will be shown on October 18.

This Mark IV production is the fourth in a series of prophecy films on the end times including: Thief In The Night, A Distant Thunder, and Image of The Beacon. The Prodigal Planet builds on the quality and power of the earlier films in the series. It is notable not only for the excellent performances and the compelling dramatic sweep of the story line, but also for its biblical accuracy and penetrating insights into scriptural truth.

The story follows the desperate journey of David Michaels, a condemned fugitive from the world-wide dictatorship of the anti-christ. He and

others, who refuse to wear the mark of the anti-christ, must run for their lives.

At the same time, underground believers are seeking a key computer component that will allow them to broadcast information and support to their resistance members around the world. It becomes David's lot to try and deliver the component to an unknown destination in the deserts of the Western United States. His search for clues unravels like an Agatha Christie thriller.

With outstanding technical production and cinematography, Prodigal Planet allows a glimpse of the devastation in the "days after". Although the film is based on biblical prophecy of destruction and tribulation found in the books of Revelation, Daniel, and Ezekiel, the film offers a positive message of hope and reassurance amidst our current climate of pessimism and despair about the future. Even a planet that has become a prodigal is not beyond the reach of the love of God.

"Prodigal Planet" is a true story that is yet to happen, a spokesperson says.

Floydada Nursing Home

By Jo Bryant

This was the Labor Day weekend holiday. Some of the resident's family came to visit them, or took them out for a drive. They enjoyed seeing their family, also some friends dropped by.

Tuesday we had morning coffee and juice break as usual. Bro. Neeley came and gave the morning devotion. It was about the woman at the well. We sang three songs, "Angel Band," "It Is Well With My Soul" and "Jesus the Lover of My Soul." The resident enjoyed the bananas too.

At 2:30 the residents painted ceramics.

Wednesday, Bro. Earl Blair from the First United Methodist Church came and gave the devotion. In the evening Bingo was played. I had to go to a Unicare Co. meeting in Lubbock, so Angelina Reynolds and her daughter, Tine Verone came and helped with the Bingo. Marshmallows, bugles snacks and punch were served. Those playing were Opal Morrison, Oda Birchfield, Florence Curry, Brooks Callaway, Myra Hall, Ruth Benson, Ruth Smitherman, Della Halencak, Maude Galloway, Rosetta Underwood, Charles Breeding. Thanks girls for helping.

Thursday morning, coffee and juice break again. Tim Owens couldn't come to the devotion so I, Jo Bryant presented the devotion, on Ecc. 3:1-9. We talked about the change of season, Fall, and how we could see God in all creation, in the change of season at this time of year. For most of us, there is a season and reason for everything under Heaven. A time for everything. Everything that has happened to us, has brought us thus far. Then the Sunshine Sunday school class brought, cheese

crackers, and bananas, thanks ladies. In the evening the residents enjoyed the rhythm band once again.

Friday the women of the First Baptist Church presented the devotion. Helen Lipham from the Bible Baptist Church came and presented enjoyable selections on her banjo. Letha Mulder opened with a prayer and Mrs. A. Adams shared the scripture in story form of the "Prodigal Son." Mrs. Lillian Ross read us Ps. 104.

At 1:30 the residents went on the bus ride to the country, around Sandhill and Barwise. They saw the sunflower fields, the corn being harvested, put into containers and the trucks hauling the corn to the elevators, also saw a huge watermelon patch. They enjoyed the ice cream from My-T-Burger. Thanks a lot once again. Those going on the bus ride were: Iva Wells, Florence Curry, Della Halencak, Maude Galloway, Brooks Callaway, Rosetta Underwood, Charles Breeding, Wilma Payne and Jo Bryant. Friday was cheese and butter day, so Wilma needed to take some others to go get their food.

We want to welcome a new resident Mrs. Iva Benson, we wish for her the best. We are also happy to have two residents back with us once again, Mrs. Gertrude Feuerbacher and James Taylor, may you continue to recover well.

This week's visitors: Scott Faulkenberry, Alan Benson, Opal Guffee, Ethel Hambricht, Lucille Sisson, Margaret Holmes, Bessie Wilson, Willie Smith, May Sue, Hazel Bradley, Frances Badgett, Letha Lightfoot, Opal Kratzer, Laura Turner, Winnie Neil, Mel Holcomb, Ray Holcomb, John and Christine Lyles, Deota Odam, Bobbie Rogers, Evelyn Pierce, Edna Patton, Beady Owens, Carlyn Holmes, Myra Dade and Melvin Holcomb.

DAR to resume meetings Sept. 22

Buffalo Grass Chapter NSDAR will meet on Tuesday, Sept. 22, at Light-house Electric in Floydada.

Mrs. Eugenia Bethard, Regent for the ensuing year, urges all members of the Chapter to be present at this important meeting. Goals and projects of the Chapter for 1987-88 will be presented and discussed.

A salad supper will be served at 6:30 p.m. Each member is responsible for bringing a salad. Margaret Wheeler and Jeanette Wilson are hostesses.

50TH ANNIVERSARY — Mr. and Mrs. Ben Galloway of Idalou observed their 50th wedding anniversary with a reception in the First Baptist Church parlor, Floydada. Galloway and Tinnie Bradford were married on September 18, 1937 in Floydada. Hosting this event were the couple's children, Miss Corynne Galloway of Arlington, Texas; Doug Galloway, Floydada; Mrs. Bennie Ogletree, Columbus, Miss.; Mrs. Cindy Sharp, Dalhart; also, their daughter-in-law, Elaine Galloway, Floydada; son-in-laws, Mark Sharp, Dalhart, and Dr. Ben Ogletree, Columbus, Miss.; and grandchildren, Guy Galloway, Rusty Galloway and Robin Galloway, all of Floydada; Marshall Sharp, Dalhart, and Blake and Brittany Ogletree, Columbus, Miss.

Senior Citizens News

By Thelma Jones

The senior citizens offer their sympathy to the family of George L. Smith. The family of Mary Smith, Mr. and Mrs. Paul Willis and family, Clara Martin, Mr. and Mrs. Harvey Tardy and family, Thelma Jones and Alma Smith express their thanks for all who sent cards, food and calls.

Dub and Donna Hartline of Benson, Arizona, their son, Buddy and wife of Germany, James and Addie Hartline of Levelland and Gloria Grass of Floydada spent several days with their mother, Mrs. Cora Hartline.

Mrs. Myria Dade's sister-in-law passed away last Friday in Ft. Worth.

Mrs. Lois Parker is a patient in the local hospital, also Viola Brown and Tom Porter.

Don Davis of Blossom, Texas visited his mother, Rubye Davis and they attended the Smith reunion in Olton. She also had as her guests, Mrs. Lavada Kinard and her daughter, Linda Baker of Bonham.

Mrs. Rubye Pharis of Ft. Worth visited Mr. and Mrs. Floyd Webb and they visited Mrs. Mildred Plumlee, Mr. and Mrs. Pete Roe and Vera Mitchell in Roaring Springs over the week-end.

Mrs. Altha Ginn of Littlefield spent Friday night with Thelma Jones. She also visited Jewel Belle Ginn.

Mr. and Mrs. Bill Daniel visited Mr. and Mrs. Harvey Tardy and Lanell Sunday afternoon.

Those who visited Thelma Jones last week were Eula Battey, Kate Crabtree, Alma Rape, Helen Solomon, Ethel Warren, Myrtle Switzer and several others.

Remember the potluck luncheon Thursday, Sept. 17. Come be with us. Mrs. Ham Smith Jr. of Clovis, New

New officers preside at first Alpha Sigma meeting

By Jodie McGuire

Alpha Sigma Upsilon chapter of Beta Sigma Phi met for their first meeting of the new school year at the First National Bank community room on Tuesday evening, September 8.

Newly elected officers took over their offices as follows: Jan Poteet, president; Alice Ogden, vice president; Jodie McGuire, recording secretary; Emma Pate, treasurer; Brenda Watson, corresponding secretary; and Barbara Edwards, extension officer.

A thank you note was read from Mrs. Velma Webb who was the lucky one

whose name was drawn to win the quilt that was raffled at the Floyd County Fair. This project was a very successful money maker for us, and we appreciate everyone who purchased tickets.

Plans are being made to attend the annual Beta Sigma Phi convention which will be held in Plainview on October 17 and 18. Our group will work in the registration and hospitality areas.

Karen Elliott brought our program for the evening. It was a grief and bereavement exercise. Hostesses Alice Ogden and Sheila Carter served refreshments and the meeting was adjourned.

Floydada Rebekah Lodge holds September meetings

By Artie Webb

Floydada Rebekah Lodge met on Tuesday night, Sept. 8, for a regular meeting. Valree Turner, Noble Grand, and Dorothy Reeves, Vice Grand, presided.

Lodge was opened for business and in a short ceremony Kathy Green was re-instated into the lodge. She had been a member of the lodge several years ago but had dropped out because of her work schedule. The lodge was happy to welcome Kathy back.

Those reported ill this week were Ruth Gilliland doing nicely after heart

surgery. Shorty Turner out of the hospital doing fine.

After lodge closed refreshments of chips, dips, cookies, cake and lemonade were served. Everyone enjoyed the fellowship.

On Friday night, Sept. 11, we got the report of Don Vernon's death. He and his wife Ethelyn, were members of Floydada Rebekah Lodge.

Several members of this lodge attended the funeral on Monday evening at Lockney.

Ruth Gilliland also reported to be home doing nicely.

ALLDREDGE

Steve and Pat Alldredge of Brownfield are proud to announce the birth of their son, David Robert, born September 14 in Methodist Hospital.

He weighed 7 lbs. 11 ozs. and was 21 1/4 inches long.

His sister is Stacie and she is 21 months old.

Grandparents are Mr. and Mrs. George Wiede of Peralta, New Mexico and Mr. and Mrs. Bob Alldredge of Floydada.

Maternal great-grandfather is Mr. Harry Wiede Sr. of San Marcos, Texas.

BROWN

Rex and Dana Brown are pleased to announce the birth of their second son, Tanner Clay. Tanner was born Thursday, Sept. 3, at 2:45 p.m. at Caprock Hospital.

He weighed 9 lbs. 3 ozs. and was 21 1/2" long. Tanner has two older brothers, Andy, 9, and Brandon, 3. Grandparents are Eunice Woody of Floydada and Edmund and Pat Brown of Lubbock.

Great-grandparents are Viola Brown of Floydada and Mrs. E.V. Bartlett of Crosbyton.

We Salute...

HAPPY BIRTHDAY

Thursday, Sept. 17: LaVada Garrett, Barbara Nutt, Derrick Martinez, Doris Gilmore

Friday, Sept. 18: Isabell Gonzales, Emmett Howard, Tiffany Gentry, Otis Ellis

Saturday, Sept. 19: Cecelia Peralez
Sunday, Sept. 20: Dea Watson, Betty Fuller, Chad Harmon, Shane Orman
Tuesday, Sept. 22: Dawn Attebury, Lucille Duncan

HAPPY ANNIVERSARY

Sunday, Sept. 20: Mr. and Mrs. Jose Bueno
Monday, Sept. 21: Junior and Mary Martinez

School Menu September 21-25

Monday:
Breakfast — Orange juice, toast, milk
Lunch — Macaroni w/cheese, ham wedge, green beans, peach half, hot roll, milk

Tuesday:
Breakfast — Pineapple juice, dry cereal, milk
Lunch — Meat balls/gravy, mashed potatoes, mixed vegetables, hot roll, peanut butter cookie, milk

Wednesday:
Breakfast — Grape juice, hot rice cereal, toast, milk
Lunch — Pig in blanket, corn, spinach, pear half, milk

Thursday:
Breakfast — Apple juice, pancakes, syrup, milk
Lunch — Beef tacos, seasoned pinto beans, tossed salad, corn bread, jello w/applesauce, milk

Friday:
Breakfast — Orange juice, cinnamon toast, milk
Lunch — Hamburger w/mustard, French fries, lettuce, tomatoes, pickles, peach cobbler, milk

Courtroom Activities

In district court, on Sept. 9, 1987, Clinton Wade Jackson, who was previously indicted for criminal mischief was acquitted.

Sept. 9 in county court, Gerardo Medrano pled guilty to driving while license suspended under the safety responsibility act. He was fined \$125.00, 60 days in jail which was probated for 6 months plus court costs of \$88.50.

Juan Garcia Mireles, 21, of Hale County, pled guilty to DWI. He was sentenced to a jail term of 10 days and fined \$400.00 plus court costs of \$88.50. Rudy Castaneda pled guilty on Sept. 15 to his 9-14 charge of assault with bodily injury. He was assessed a jail term of 30 days which was probated for 6 months. He was also fined \$100.00 plus court costs of \$88.50.

Also on Sept. 15, Joe H. Zavala pled guilty to his Sept. 14 charge of assault with bodily injury. He was assessed a jail term of 30 days which was probated for 6 months. He was also fined \$100.00 plus court costs of \$88.50.

In J.P. court for the week of Sept. 8 through Sept. 15, 79 misdemeanor charges were filed. There were also four administrative hearings.

Senior Citizen's Menu

September 21-25

Monday — Hamburger steak, mushroom gravy, mashed potatoes, oriental vegetables, roll and butter, banana pudding, milk

Tuesday — Roast turkey, giblet gravy, cornbread dressing, cranberry sauce, buttered broccoli, roll and butter, canned pears, milk

Wednesday — Beef stroganoff on noodles, buttered green beans, tossed salad with dressing, roll and butter, jello with strawberries and bananas, milk

Thursday — Oven fried chicken, cream gravy, mashed potatoes, turnips and greens, roll and butter, spice cake, milk

Friday — Breaded veal cutlet, cauliflower and peas, buttered carrots, roll and butter, plum cobbler, milk

JUNIOR HIGH CHEERLEADERS — Floydada Junior High Cheerleaders for the 1987-88 school year are: (top) Jennifer Crow; (left to right) Elisa Suarez, Kalli Hicks, Tian Younger, Sylvia Caballero and Spring Lipham. "These girls yell at the Thursday pep rally and Thursday afternoon seventh and eighth grade football games that start at 5 p.m.," according to sponsor Dianne James.

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS OF PROPOSED
CONSTITUTIONAL AMENDMENTS
SPECIAL ELECTION
NOVEMBER 3, 1987

PROPOSITION NO. 1 ON THE BALLOT
House Joint Resolution 104 proposes a constitutional amendment to allow the legislature to provide a guarantee for the Texas grain warehouse self-insurance fund. The guarantee of the fund may not exceed \$5 million, and when the fund reaches \$5 million, the guarantee will cease. The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to provide for the surety of a grain warehouse fund to be established by the grain industry for the protection of farmers and depositors of grain in public warehouse facilities."

"The constitutional amendment authorizing agreements between the State Department of Highways and Public Transportation and the Texas Turnpike Authority and the governing bodies of counties with a population of more than 400,000, adjoining counties, and cities and districts located in those counties to aid turnpikes, toll roads, and toll bridges by guaranteeing bonds issued by the Texas Turnpike Authority."

PROPOSITION NO. 2 ON THE BALLOT
House Joint Resolution 60 proposes a constitutional amendment to permit rural fire prevention districts in counties with populations over 400,000 to levy a tax at a rate not to exceed six cents (\$.06) per \$100 property valuation for the district, if the voters of the district approve the tax.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to raise the maximum property tax rate that may be adopted by certain rural fire prevention districts, but only if approved by the districts' residents."

PROPOSITION NO. 6 ON THE BALLOT
House Joint Resolution 4 proposes a constitutional amendment to allow the legislature to establish three separate development funds. A Texas product development fund could be established to aid in the development and production of new or improved products in the state. The amendment would authorize the issuance of up to \$15 million of general obligation bonds to provide initial funding for the program. A Texas small business incubator fund could be established to foster and stimulate the development of small businesses in the state. Small businesses operating under the program would be exempt from ad valorem taxation. The amendment would authorize the issuance of up to \$10 million in general obligation bonds to provide initial funding for the program. A Texas agricultural fund could be established to promote the production, processing and marketing of agricultural products produced primarily in Texas by small Texas agricultural businesses. The amendment would authorize the issuance of general obligation bonds in the amount of \$100 million outstanding at one time to carry out the agricultural fund program. The legislature could require review and approval of the issuance of bonds and the use of bond proceeds.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to provide for state financing of the development and production of Texas products and businesses."

PROPOSITION NO. 3 ON THE BALLOT
House Joint Resolution 48 proposes a constitutional amendment to extend the school ad valorem tax exemption for elderly persons to the surviving spouse of a person receiving the exemption. If a surviving spouse is at least 55 years old at the time of death of the person receiving the exemption, ad valorem public school taxes could not be increased as long as the homestead remained the residence homestead of the surviving spouse.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to limit school tax increases on the residence homestead of the surviving spouse of an elderly person if the surviving spouse is at least 55 years of age."

PROPOSITION NO. 10 ON THE BALLOT
Subsections (d) and (e) of Section 1 of Senate Joint Resolution 12 propose a constitutional amendment to allow the legislature to exempt from ad valorem taxation all tangible personal property except structures which are used as residential dwellings and property held or used for the production of income. This exemption would be in addition to the personal property homestead exemption already established by the constitution. If the legislature authorizes the exemption of additional personal property from taxation, under this amendment, local political subdivisions may pass resolutions providing for taxation of such property unless the property is exempt from ad valorem taxation under another law.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to allow the legislature to exempt from ad valorem taxation certain personal property not held or used for the production of income."

PROPOSITION NO. 4 ON THE BALLOT
House Joint Resolution 5 proposes a constitutional amendment to allow the legislature to create programs and make loans and grants of money for development and diversification of the economy, elimination of unemployment and underemployment, stimulation of agricultural innovation, promotion of agricultural enterprises, and development of transportation and commerce. Bonds or other obligations payable from ad valorem taxes must be approved by the voters in the political subdivision seeking such funding sources.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to provide assistance to encourage economic development in the state."

PROPOSITION NO. 11 ON THE BALLOT
Section 1, Subsections (f) and (g) of Senate Joint Resolution 12 propose a constitutional amendment to exempt from ad valorem taxation goods, wares, merchandise, and ores other than oil, gas and petroleum products. These items would be exempt from taxation only if they originated outside the state and were located in the state for a period of 175 days or less for purposes of assembly, storage, manufacture, processing, or fabrication. Such property could be taxed by a county, school district, or municipality if the governing body of the political subdivision took official action to provide for the taxation of the items while they were located in the political subdivision. If the governing body of a political subdivision took official action to tax the items before January 1, 1988, the tax would be effective for the 1988 tax year. If the action were taken after January 1, 1988, and before April 1, 1988, the tax would become effective January 1, 1989.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment providing for the exemption from ad valorem taxation of certain property that is located in the state for only a temporary period of time."

PROPOSITION NO. 5 ON THE BALLOT
House Joint Resolution 65 proposes a constitutional amendment to permit the State Department of Highways and Public Transportation to contract with the Texas Turnpike Authority and to contribute money to the costs of turnpikes, toll roads and toll bridges of the Authority. The amendment would authorize the governing body of a county with a population over 400,000, a county adjoining such county, and any city or district located in or partially in such county to make agreements with the Texas Turnpike Authority and levy ad valorem taxes to pay part or all of the principal and interest on Turnpike Authority bonds and to pay maintenance and operating expenses of the Turnpike Authority, if the voters approve the tax.
The proposed amendment will appear on the ballot as follows:

PROPOSITION NO. 12 ON THE BALLOT
Senate Joint Resolution 35 proposes a constitutional amendment to allow a married couple to agree in writing that all or part of their community property will become the property of the surviving spouse if one spouse dies.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment permitting spouses to hold community property with right of survivorship."

PROPOSITION NO. 6 ON THE BALLOT
House Joint Resolution 56 proposes a constitutional amendment to allow the legislature to authorize the issuance of up to \$500 million in general obligation bonds to be used to acquire, construct, and equip new correctional institutions and mental health and mental retardation institutions or to repair existing institutions. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the projects to be financed by the bond proceeds.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the issuance of general obligation bonds for projects relating to corrections institutions

PROPOSITION NO. 13 ON THE BALLOT
Senate Joint Resolution 27 proposes a constitutional amendment to authorize the creation of special districts to provide emergency services. The commissioners court in a county participating in a district could, upon approval of the voters, levy an ad

PROPOSITION NO. 7 ON THE BALLOT
Senate Joint Resolution 55 proposes a constitutional amendment to provide for the issuance of \$400 million in general obligation bonds to be used for loans to local governments for acquisition, construction, repair, renovation, and equipment of public facilities or for grants to local governments for planning public facilities. The amendment would also permit the issuance of revenue bonds for the same purposes to be repaid from excess revenue from repayments of loans made under the amendment and from other revenues pledged to the retirement of revenue bonds. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the use of the bond proceeds.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment providing for the issuance of general obligation bonds to finance certain local public facilities."

PROPOSITION NO. 14 ON THE BALLOT
Senate Joint Resolution 34 proposes a constitutional amendment to allow the state a limited right to appeal criminal cases. Under current law, only criminal defendants are allowed to appeal. This proposed amendment would allow the legislature to pass laws granting state prosecutors the right to appeal in limited circumstances.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment giving the state a limited right to appeal in criminal cases."

PROPOSITION NO. 8 ON THE BALLOT
Senate Joint Resolution 54 proposes a constitutional amendment to authorize the Texas Water Development Board to issue an additional \$400 million in water development bonds. Of the \$400 million authorized, \$200 million would be designated for conservation and development of water resources, \$150 million would be designated for water quality enhancement, and \$50 million would be designated for flood control. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the use of the bond proceeds.
The proposed amendment will appear on the ballot as follows:

PROPOSITION NO. 15 ON THE BALLOT
House Joint Resolution 35 proposes a constitutional amendment to abolish the office of county treasurer in Gregg County and transfer the duties of that office to the county auditor or an elected official designated by the commissioners court. The amendment would also abolish the office of county treasurer in Fayette and Nueces counties if a majority of the voters in those counties vote in favor of the amendment. In Fayette County, the functions of the treasurer would be transferred to the county auditor or the officer succeeding to the auditor's functions. In Nueces County, the powers, duties, and functions of the treasurer would be transferred to the county clerk.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to provide for the abolition of the office of county treasurer in Gregg, Fayette, and Nueces counties."

PROPOSITION NO. 9 ON THE BALLOT
Senate Joint Resolution 9 proposes a constitutional amendment to provide that a state legislator is eligible to serve in another state office even if the compensation of the office was increased during his legislative term or even if the appointment is made in whole or in part (including Senate confirmation) by the legislature. The legislator could not, however, receive the increased compensation approved during his legislative term.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to provide that a member of the legislature is eligible to be elected or appointed and to serve in a different state office but may not receive an increase in compensation granted to that office during the legislative term to which he was elected."

PROPOSITION NO. 16 ON THE BALLOT
Senate Joint Resolution 6 proposes a constitutional amendment to allow the commissioners court in a county with a population of more than 150,000 to establish more than one Justice of the Peace court in each Justice of the Peace precinct, i.e., to provide for the election of more than one Justice of the Peace in each Justice of the Peace precinct.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment providing that certain justice precincts may contain more than one justice of the peace court."

PROPOSITION NO. 10 ON THE BALLOT
Senate Joint Resolution 26 proposes a constitutional amendment to allow the legislature to define by law those municipal functions that are governmental and those that are proprietary. This authorization would apply to laws passed by the 70th Legislature, 1987, and by future legislatures in regular or special session. A municipality is liable for damages arising out of acts committed under its proprietary functions, but not its governmental functions. Definition of such functions by the legislature would clarify the liability of a municipality in civil lawsuits filed against it.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to define for all purposes the governmental and proprietary functions of a municipality."

PROPOSITION NO. 17 ON THE BALLOT
Senate Joint Resolution 26 proposes a constitutional amendment to allow the legislature to define by law those municipal functions that are governmental and those that are proprietary. This authorization would apply to laws passed by the 70th Legislature, 1987, and by future legislatures in regular or special session. A municipality is liable for damages arising out of acts committed under its proprietary functions, but not its governmental functions. Definition of such functions by the legislature would clarify the liability of a municipality in civil lawsuits filed against it.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to define for all purposes the governmental and proprietary functions of a municipality."

PROPOSITION NO. 11 ON THE BALLOT
House Joint Resolution 18 proposes a constitutional amendment to authorize the legislature to provide for the creation, operation, and financing of jail districts. Financing of a jail district could be accomplished through the issuance of bonds and other obligations, or by levy of an ad valorem tax on property located in the district if the qualified electors of a district approve an ad valorem tax or bonds secured by a property tax.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment relating to the creation, operation, and financing of jail districts."

PROPOSITION NO. 18 ON THE BALLOT
Senate Joint Resolution 54 proposes a constitutional amendment to authorize the Texas Water Development Board to issue an additional \$400 million in water development bonds. Of the \$400 million authorized, \$200 million would be designated for conservation and development of water resources, \$150 million would be designated for water quality enhancement, and \$50 million would be designated for flood control. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the use of the bond proceeds.
The proposed amendment will appear on the ballot as follows:

PROPOSITION NO. 19 ON THE BALLOT
House Joint Resolution 88 proposes a constitutional amendment to authorize the issuance of \$500 million in general obligation bonds, the proceeds of which will be used to establish a superconducting super collider fund. The fund would be used to provide economic incentives for the superconducting super collider research facility, and the agency administering the fund would be authorized to grant land or property to the United States government for undertakings related to the facility.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the issuance of general obligation bonds to fund undertakings related to a superconducting super collider research facility sponsored or authorized by the United States government, and to make appropriate grants for such undertakings."

PROPOSITION NO. 20 ON THE BALLOT
House Joint Resolution 96 proposes a constitutional amendment to allow the legislature to provide ad valorem tax relief for mobile offshore oil and gas well drilling equipment. The tax relief would be limited to equipment that is being stored while not in use in a county that is adjacent to the Gulf of Mexico or on a body of water that is adjacent to the Gulf of Mexico.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the legislature to provide ad valorem tax relief for certain offshore drilling equipment that is not in use."

PROPOSITION NO. 21 ON THE BALLOT
Senate Joint Resolution 17 proposes a constitutional amendment to provide for legislative involvement in the executive branch of government by permitting the legislature to include the speaker of the house of representatives in the membership of an agency or committee that includes officers of the executive branch of government and performs executive functions. Under current law, the legislature is not allowed to exercise any powers in executive matters under Article II of the Texas Constitution, which provides for the "separation of powers" into three distinct departments.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment permitting the legislature to include the speaker of the house of representatives or the speaker's appointee in the membership of an executive agency or committee."

PROPOSITION NO. 22 ON THE BALLOT
Senate Joint Resolution 53 proposes a constitutional amendment to allow the legislature to limit the term of office of a gubernatorial appointee to a vacancy in a state or district office to a partial, temporary term if the appointment is made on or after November 1 of the last year of the governor's term and the governor is not reelected. Under this amendment, the legislature may provide that the tenure of such an appointee would end sooner than the term would normally expire.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to allow the legislature to limit the authority of a governor to fill vacancies in state and district offices during the end of the governor's term if the governor is not reelected."

PROPOSITION NO. 23 ON THE BALLOT
Senate Joint Resolution 54 proposes a constitutional amendment to authorize the Texas Water Development Board to issue an additional \$400 million in water development bonds. Of the \$400 million authorized, \$200 million would be designated for conservation and development of water resources, \$150 million would be designated for water quality enhancement, and \$50 million would be designated for flood control. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the use of the bond proceeds.
The proposed amendment will appear on the ballot as follows:

and mental health and mental retardation facilities."

PROPOSITION NO. 9 ON THE BALLOT
Senate Joint Resolution 9 proposes a constitutional amendment to provide that a state legislator is eligible to serve in another state office even if the compensation of the office was increased during his legislative term or even if the appointment is made in whole or in part (including Senate confirmation) by the legislature. The legislator could not, however, receive the increased compensation approved during his legislative term.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to provide that a member of the legislature is eligible to be elected or appointed and to serve in a different state office but may not receive an increase in compensation granted to that office during the legislative term to which he was elected."

PROPOSITION NO. 10 ON THE BALLOT
Subsections (d) and (e) of Section 1 of Senate Joint Resolution 12 propose a constitutional amendment to allow the legislature to exempt from ad valorem taxation all tangible personal property except structures which are used as residential dwellings and property held or used for the production of income. This exemption would be in addition to the personal property homestead exemption already established by the constitution. If the legislature authorizes the exemption of additional personal property from taxation, under this amendment, local political subdivisions may pass resolutions providing for taxation of such property unless the property is exempt from ad valorem taxation under another law.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to allow the legislature to exempt from ad valorem taxation certain personal property not held or used for the production of income."

PROPOSITION NO. 11 ON THE BALLOT
Section 1, Subsections (f) and (g) of Senate Joint Resolution 12 propose a constitutional amendment to exempt from ad valorem taxation goods, wares, merchandise, and ores other than oil, gas and petroleum products. These items would be exempt from taxation only if they originated outside the state and were located in the state for a period of 175 days or less for purposes of assembly, storage, manufacture, processing, or fabrication. Such property could be taxed by a county, school district, or municipality if the governing body of the political subdivision took official action to provide for the taxation of the items while they were located in the political subdivision. If the governing body of a political subdivision took official action to tax the items before January 1, 1988, the tax would be effective for the 1988 tax year. If the action were taken after January 1, 1988, and before April 1, 1988, the tax would become effective January 1, 1989.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment providing for the exemption from ad valorem taxation of certain property that is located in the state for only a temporary period of time."

PROPOSITION NO. 12 ON THE BALLOT
Senate Joint Resolution 35 proposes a constitutional amendment to allow a married couple to agree in writing that all or part of their community property will become the property of the surviving spouse if one spouse dies.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment permitting spouses to hold community property with right of survivorship."

PROPOSITION NO. 13 ON THE BALLOT
Senate Joint Resolution 27 proposes a constitutional amendment to authorize the creation of special districts to provide emergency services. The commissioners court in a county participating in a district could, upon approval of the voters, levy an ad

PROPOSITION NO. 14 ON THE BALLOT
Senate Joint Resolution 34 proposes a constitutional amendment to allow the state a limited right to appeal criminal cases. Under current law, only criminal defendants are allowed to appeal. This proposed amendment would allow the legislature to pass laws granting state prosecutors the right to appeal in limited circumstances.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment giving the state a limited right to appeal in criminal cases."

PROPOSITION NO. 15 ON THE BALLOT
House Joint Resolution 35 proposes a constitutional amendment to abolish the office of county treasurer in Gregg County and transfer the duties of that office to the county auditor or an elected official designated by the commissioners court. The amendment would also abolish the office of county treasurer in Fayette and Nueces counties if a majority of the voters in those counties vote in favor of the amendment. In Fayette County, the functions of the treasurer would be transferred to the county auditor or the officer succeeding to the auditor's functions. In Nueces County, the powers, duties, and functions of the treasurer would be transferred to the county clerk.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to provide for the abolition of the office of county treasurer in Gregg, Fayette, and Nueces counties."

PROPOSITION NO. 16 ON THE BALLOT
Senate Joint Resolution 6 proposes a constitutional amendment to allow the commissioners court in a county with a population of more than 150,000 to establish more than one Justice of the Peace court in each Justice of the Peace precinct, i.e., to provide for the election of more than one Justice of the Peace in each Justice of the Peace precinct.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment providing that certain justice precincts may contain more than one justice of the peace court."

PROPOSITION NO. 17 ON THE BALLOT
Senate Joint Resolution 26 proposes a constitutional amendment to allow the legislature to define by law those municipal functions that are governmental and those that are proprietary. This authorization would apply to laws passed by the 70th Legislature, 1987, and by future legislatures in regular or special session. A municipality is liable for damages arising out of acts committed under its proprietary functions, but not its governmental functions. Definition of such functions by the legislature would clarify the liability of a municipality in civil lawsuits filed against it.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to define for all purposes the governmental and proprietary functions of a municipality."

PROPOSITION NO. 18 ON THE BALLOT
House Joint Resolution 18 proposes a constitutional amendment to authorize the legislature to provide for the creation, operation, and financing of jail districts. Financing of a jail district could be accomplished through the issuance of bonds and other obligations, or by levy of an ad valorem tax on property located in the district if the qualified electors of a district approve an ad valorem tax or bonds secured by a property tax.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment relating to the creation, operation, and financing of jail districts."

PROPOSITION NO. 19 ON THE BALLOT
House Joint Resolution 88 proposes a constitutional amendment to authorize the issuance of \$500 million in general obligation bonds, the proceeds of which will be used to establish a superconducting super collider fund. The fund would be used to provide economic incentives for the superconducting super collider research facility, and the agency administering the fund would be authorized to grant land or property to the United States government for undertakings related to the facility.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the issuance of general obligation bonds to fund undertakings related to a superconducting super collider research facility sponsored or authorized by the United States government, and to make appropriate grants for such undertakings."

PROPOSITION NO. 20 ON THE BALLOT
House Joint Resolution 96 proposes a constitutional amendment to allow the legislature to provide ad valorem tax relief for mobile offshore oil and gas well drilling equipment. The tax relief would be limited to equipment that is being stored while not in use in a county that is adjacent to the Gulf of Mexico or on a body of water that is adjacent to the Gulf of Mexico.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the legislature to provide ad valorem tax relief for certain offshore drilling equipment that is not in use."

PROPOSITION NO. 21 ON THE BALLOT
Senate Joint Resolution 17 proposes a constitutional amendment to provide for legislative involvement in the executive branch of government by permitting the legislature to include the speaker of the house of representatives in the membership of an agency or committee that includes officers of the executive branch of government and performs executive functions. Under current law, the legislature is not allowed to exercise any powers in executive matters under Article II of the Texas Constitution, which provides for the "separation of powers" into three distinct departments.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment permitting the legislature to include the speaker of the house of representatives or the speaker's appointee in the membership of an executive agency or committee."

PROPOSITION NO. 22 ON THE BALLOT
Senate Joint Resolution 53 proposes a constitutional amendment to allow the legislature to limit the term of office of a gubernatorial appointee to a vacancy in a state or district office to a partial, temporary term if the appointment is made on or after November 1 of the last year of the governor's term and the governor is not reelected. Under this amendment, the legislature may provide that the tenure of such an appointee would end sooner than the term would normally expire.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to allow the legislature to limit the authority of a governor to fill vacancies in state and district offices during the end of the governor's term if the governor is not reelected."

PROPOSITION NO. 23 ON THE BALLOT
Senate Joint Resolution 54 proposes a constitutional amendment to authorize the Texas Water Development Board to issue an additional \$400 million in water development bonds. Of the \$400 million authorized, \$200 million would be designated for conservation and development of water resources, \$150 million would be designated for water quality enhancement, and \$50 million would be designated for flood control. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the use of the bond proceeds.
The proposed amendment will appear on the ballot as follows:

PROPOSITION NO. 24 ON THE BALLOT
House Joint Resolution 83 proposes a constitutional amendment to allow a county to use county equipment and personnel to perform work, without compensation, for another governmental entity if the commissioners court finds that the work will not interfere with the performance of county work and approves performance of the work. The governmental entity must be located wholly or partly in the county, and the governing body of the governmental entity must file a written work request with the commissioners court.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to permit a county to perform work, without compensation, for another governmental entity."

PROPOSITION NO. 25 ON THE BALLOT
Senate Joint Resolution 5 proposes a constitutional amendment to allow the Legislature to authorize Randall County to levy a tax for the benefit of the Amarillo Hospital District. Any such tax could be levied only on property located outside the City of Amarillo and outside the South Randall County Hospital District. The tax could not be more than 75¢ per \$100 property valuation and would be effective only upon approval by the voters in the area to be taxed. If the tax is authorized by the Legislature and approved by voters, the Amarillo Hospital District is to serve residents of part of Randall County. If a tax is levied under this provision, Randall County must repay the State for the cost of publication of this amendment.
The proposed amendment also permits the legislature to authorize a hospital district to change its boundaries or jurisdiction if the district was created or authorized by a constitutional provision that includes a description of the boundaries or jurisdiction of the district. Any change in the boundaries or jurisdiction of such a hospital district would become effective only upon approval of the voters in the district.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to permit the Amarillo Hospital District to serve certain residents of Randall County, to authorize Randall County to provide financial assistance to the district, and to authorize certain hospital districts to change their boundaries or jurisdiction with voter approval."

PROPOSITION NO. 26 ON THE BALLOT
Senate Bill 86 submits to the voters the question of whether the 15 members of the State Board of Education should be appointed instead of elected. If the proposition passes, the Governor will appoint a member of the board for each district, with the consent of the Senate. If the proposition fails, the members will be elected from these districts.
The referendum will appear on the ballot as follows:
"The State Board of Education shall be composed of members who are appointed from districts instead of elected, with equal representation throughout the State of Texas."

PROPOSITION NO. 27 ON THE BALLOT
The Texas Racing Act submits to the voters the question of whether pari-mutuel wagering should be legal in Texas on a county-by-county local option basis. If pari-mutuel wagering is adopted by the voters statewide, a county must also pass a separate proposition on pari-mutuel wagering at an election held in the county before any such wagering may be conducted in that county.
The referendum will appear on the ballot as follows:
"The legalization of pari-mutuel wagering under the Texas Racing Act on a county-by-county local option basis."

EXPLANATORY STATEMENT FOR STATEWIDE REFERENDUM NO. 1
Senate Bill 86 submits to the voters the question of whether the 15 members of the State Board of Education should be appointed instead of elected. If the proposition passes, the Governor will appoint a member of the board for each district, with the consent of the Senate. If the proposition fails, the members will be elected from these districts.
The referendum will appear on the ballot as follows:
"The State Board of Education shall be composed of members who are appointed from districts instead of elected, with equal representation throughout the State of Texas."

EXPLANATORY STATEMENT FOR STATEWIDE REFERENDUM NO. 2
The Texas Racing Act submits to the voters the question of whether pari-mutuel wagering should be legal in Texas on a county-by-county local option basis. If pari-mutuel wagering is adopted by the voters statewide, a county must also pass a separate proposition on pari-mutuel wagering at an election held in the county before any such wagering may be conducted in that county.
The referendum will appear on the ballot as follows:
"The legalization of pari-mutuel wagering under the Texas Racing Act on a county-by-county local option basis."

Go Winds!

"The constitutional amendment to authorize the issuance of an additional \$400 million of Texas Water Development Bonds for water supply, water quality, and flood control purposes."

PROPOSITION NO. 24 ON THE BALLOT
House Joint Resolution 83 proposes a constitutional amendment to allow a county to use county equipment and personnel to perform work, without compensation, for another governmental entity if the commissioners court finds that the work will not interfere with the performance of county work and approves performance of the work. The governmental entity must be located wholly or partly in the county, and the governing body of the governmental entity must file a written work request with the commissioners court.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to permit a county to perform work, without compensation, for another governmental entity."

PROPOSITION NO. 25 ON THE BALLOT
Senate Joint Resolution 5 proposes a constitutional amendment to allow the Legislature to authorize Randall County to levy a tax for the benefit of the Amarillo Hospital District. Any such tax could be levied only on property located outside the City of Amarillo and outside the South Randall County Hospital District. The tax could not be more than 75¢ per \$100 property valuation and would be effective only upon approval by the voters in the area to be taxed. If the tax is authorized by the Legislature and approved by voters, the Amarillo Hospital District is to serve residents of part of Randall County. If a tax is levied under this provision, Randall County must repay the State for the cost of publication of this amendment.
The proposed amendment also permits the legislature to authorize a hospital district to change its boundaries or jurisdiction if the district was created or authorized by a constitutional provision that includes a description of the boundaries or jurisdiction of the district. Any change in the boundaries or jurisdiction of such a hospital district would become effective only upon approval of the voters in the district.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to permit the Amarillo Hospital District to serve certain residents of Randall County, to authorize Randall County to provide financial assistance to the district, and to authorize certain hospital districts to change their boundaries or jurisdiction with voter approval."

EXPLANATORY STATEMENT FOR STATEWIDE REFERENDUM NO. 1
Senate Bill 86 submits to the voters the question of whether the 15 members of the State Board of Education should be appointed instead of elected. If the proposition passes, the Governor will appoint a member of the board for each district, with the consent of the Senate. If the proposition fails, the members will be elected from these districts.
The referendum will appear on the ballot as follows:
"The State Board of Education shall be composed of members who are appointed from districts instead of elected, with equal representation throughout the State of Texas."

EXPLANATORY STATEMENT FOR STATEWIDE REFERENDUM NO. 2
The Texas Racing Act submits to the voters the question of whether pari-mutuel wagering should be legal in Texas on a county-by-county local option basis. If pari-mutuel wagering is adopted by the voters statewide, a county must also pass a separate proposition on pari-mutuel wagering at an election held in the county before any such wagering may be conducted in that county.
The referendum will appear on the ballot as follows:
"The legalization of pari-mutuel wagering under the Texas Racing Act on a county-by-county local option basis."

CO-OP GIN OFFICIALS — The Floydada Co-op Gins, Inc., board of directors and manager Ray Gene [PeeWee] Ferguson are pictured following the annual membership meeting. Seated [left to right] are Delmas McCormick,

secretary; Button Beedy, president; and Randy Bertrand, vice president. Ferguson [left] stands with other directors [standing from left] Tommy Lyles, Eddie Smith, Steve Lloyd and Ted Anderson. — Staff photo

120 members at co-op gin meeting

One hundred and 20 members gathered for the annual Floydada Co-op Gins, Inc., annual stockholders meet-

ing, held Sept. 8 in Massie Activity Center. During the business meeting, a film

was shown on the denim mill at Littlefield. Ted Anderson and Eddie Smith were

re-elected as directors. Each is to serve a three-year term. Members received \$95,000 in current dividends and the margin for the year was \$348,000. Retired 1976 stock totaled \$94,000. Ray Gene Ferguson is manager of Floydada Co-op Gins, Inc. In addition to Smith and Anderson, the board consists of Button Beedy (president), Randy Bertrand (vice president), Delmas McCormick (secretary), Tommy Lyles and Steve Lloyd. Drawings were held for door prizes. Following the business meeting, refreshments were served.

City tax rebates continue to climb

Both Floydada and Lockney exhibited an increase in overall receipts for 1987 in the latest figures released by State Comptroller Bob Bullock. Floydada has

received \$81,940.34 this year to date. Payments received in this time frame in 1986 were \$72,709.46. This represents an increase of 12.70% for 1987.

Lockney had received \$33,088.30 at this time in 1986. Their total to date for 1987 is \$36,775.78. This represents an overall increase of 11.14% for Lockney in 1987.

Floydada lost ground on a month by month basis, receiving only \$5,383.69 when checks were sent out on September 11. The amount received for the same period in 1986 was \$6,697.57. Lockney increased their monthly receipts from \$3,199.02 in 1986 to \$4,174.54 in 1987.

Statewide, payments are down by about 6% according to Bullock. Checks sent out in September are for city sales taxes collected on sales made in July and reported to the comptroller's office by August 20. 1,039 cities in the state participate in the rebate program.

Other area cities and their payments and percentages are as follows:

- Quitque, no payment
- Silverton, \$891.40, -16.63%
- Crosbyton, \$2,507.83, -21.39%
- Lorenzo, \$1,432.68, -3.85%
- Ralls, \$2,971.67, -9.61%
- Abernathy, \$3,339.75, +1.27%
- Edmonson, no payment
- Hale Center, \$2,148.12, -1.57%
- Petersburg, \$1,780.81, +11.36%
- Plainview, \$115,603.58, +0.31%
- Idalou, \$3,239.81, +4.79%
- Lubbock, \$915,009.81, -5.80%
- New Deal, no payment
- Slaton, \$10,278.84, -16.55%
- Wolfforth, \$2,006.00, -4.02%
- Matador, \$882.70, +1.15%
- Roaring Springs, \$604.28, +19.88%
- Happy, no payment
- Kress, \$669.41, -8.82%
- Tulia, \$9,607.89, -8.77%

Texas sells \$100 million in cotton to Taiwan buyers

"In an era of depressed U.S. export, Texas continues to lead the nation as the single largest supplier of cotton to the Republic of China on Taiwan," Deputy State Agriculture Commissioner Mike Moeller said.

"This sale of over \$100 million in Texas cotton to the Taiwanese is obviously a bright spot for the Texas farm economy and is good economic news for the overall Texas economy as well. The success of this sale is due, in part, to the aggressive international marketing program of the Texas Department of Agriculture (TDA), the close cooperation of House Speaker Jim Wright and support from the state's farm organizations," Moeller said.

Moeller made the comments in Fort Worth where he signed an agreement with the Taiwanese to purchase \$100.7 million in Texas cotton. This is approximately 380,000 bales of cotton.

This is the ninth mission by the Republic of China on Taiwan. In the delegation's eight previous visits, they have purchased approximately \$380 million in Texas cotton, plus other agricultural and industrial supplies. In 1986, the delegation purchased \$80 million in Texas cotton.

"Because we have established ongoing trade relations between our people, the Texas Department of Agriculture's International Marketing staff is now encouraging the Taiwanese to deal directly with Texas producers for the sale of grains, livestock, cotton and processed foods," Moeller said.

"Initiating new sales of Texas agricultural products to Taiwan is only one aspect of TDA's international marketing program, which has also helped to sell honey to the Middle East, wine to England, barbecue sauce to France, cattle to Mexico, sheep to India and blue crab to Hong Kong.

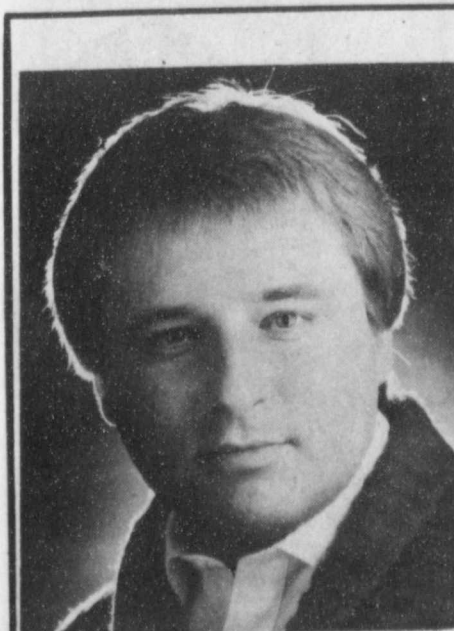

"At TDA, our approach to international marketing is based upon three essential elements; staff that 1) speak the languages, understand the customs and know the government and industry leaders of the countries where they are doing business; 2) know what the market needs of the countries are; and 3) have the technical expertise available

to make the sale.

"To extend our state's productivity around the world and to bring billions of dollars worth of export sales home to Texas, our state government should initiate a top-notch aggressive export program," Moeller said. "Working side-by-side with enterprising Texans who want to export, the state can play a vital role in market development, capital formation, entrepreneurial training and solving bureaucratic problems."

Also, TDA has developed a computerized trade lead referral system. This allows TDA international marketing specialists to learn of a potential agricultural sale anywhere in the world, just as soon as it is reported to a U.S. embassy or foreign trade office. TDA staff can then take these trade leads and match them with potential Texas suppliers.

To assist further with international sales, TDA marketing specialists frequently escort foreign buyers to specific Texas farms, ranches and export facilities. These international marketing specialists, who combined speak 13 foreign languages, also assist Texas sellers and foreign buyers to expedite the currency exchanges, transportation and paperwork involved with international sales.

LUKE GARRETT

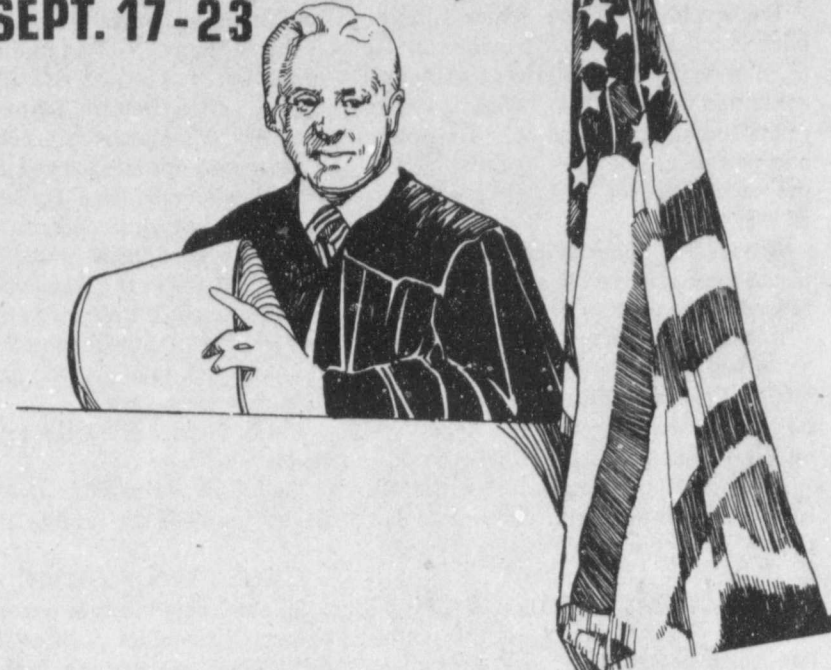

This Sunday night the First Baptist Church of Floydada is excited to present Luke Garrett, a Christian recording artist with Homer Swart Home Records at 7:00 p.m. Luke Garrett is one of the most talented soloists today sharing God's word through song.

While attending UCLA Luke was the 1980 recipient of the 1st Prize Popular Vocalist Award and has appeared with Carol Lawrence, Glen Campbell and Debby Boone. Luke is a singer/songwriter with Home Sweet Home/Bug and Bear Music and will be presenting music from his current album "Judgement In The Gates" as well as popular gospel music and hymns.

The First Baptist Church of Floydada invites the whole community to this wonderful time of worship and praise.

Constitution Week

SEPT. 17-23

October 1 is the 1987 deadline for filing a new W-4 or W-4A withholding form with your employer. All workers must file either a Form W-4 or the simpler W-4A with their employers. By filling it out to adjust your withholding in accordance with the 1987 tax law, you will have the correct amount of taxes withheld from your paycheck and will avoid owing any penalty for underpayment of taxes. Whenever your tax situation changes significantly, you should fill out a new Form W-4 or W-4A. For example, you need to complete a new form if you get married or divorced...add or drop a dependent...incur or lose a large tax deduction or credit.

Sam Spence appointed to area advisory commission

Governor Bill Clements has appointed Floyd County Commissioner Sam Spence to the local advisory panel charged with evaluating federal grant proposals from communities and counties in the South Plains.

The 12-member South Plains Regional Community Development Review Committee will consider requests for Community Development Block Grant funds for the geographical region served by the area Council of Governments. The panel is made up of elected governing officials from participating subdivisions, which generally are towns, smaller cities and counties.

Other than Spence, appointees include: Ralls Mayor Kirk A. McLaughlin, who was named chairman; Cochran County Commissioner Billy D. Carter; Denver City Alderman Terry Manord; Plainview Mayor E.V. Riddlehuber; Lub-

bock County Commissioner Boyd O. Roberts; and Muleshoe Mayor Darrell Turner.

Because members serve staggered terms, Manord will serve through Dec. 31, 1987, while the terms of the other appointees will end Jan. 1, 1989.

"This committee," the governor says, "plays a significant role in the distribution of funds received by the state of Texas through the federal Community Development Block Grant program."

"The panel's review of applications for funding of community development projects proposed by the towns, cities and counties in this area is one of the critical steps in ensuring that progress is made in providing much needed public facilities and housing assistance in Texas."

Have a good week!

COTTON COUNCIL ASKS TROPICAL OIL LABELING

National Cotton Council President Aven Whittington, appearing with soybean and sunflower industry representatives at a joint hearing by two House Agricultural subcommittees, urged passage of a tropical oils labeling bill.

The Greenwood, Miss., producer said the bill is vital because consumers need to know nutritional properties of edible oils used in food products. He said cottonseed oil is healthful for consumers, having a 3-to-1 ratio of unsaturated to saturated fatty acids. Whittington also pointed out that cottonseed oil has been used as a cooking oil in the United States for almost a century, and ranks third (behind soybean and corn oil) in cooking oil consumption.

Whittington said testifying in support of a bill introduced earlier this year by Rep. Dan Glickman (D-Kans.) which

would require that foods containing palm, palm kernel, or coconut oils carry labels indicating specifically which tropical oil is used and stating that it is "a saturated fat." At the present time, these imported oils are simply designated as "vegetable oil" — leaving the impression they are non-saturated fats like cottonseed, soybean, sunflower, safflower, and other oils.

'GROWN-AND-MADE' CAMPAIGN GETS BOOST

Campaign goals and plans for the "Grown and Made in the USA" campaign during the coming year were made by regional directors of the National Cotton Women's Committee

regional directors in a meeting at National Cotton Council's headquarters in Memphis.

Among its goals, the group plans to expand the number of participating organizations from 28 to 40, and insure that each actively carries out campaign activities. Directors also will make an effort to conduct a promotion at each of the three major apparel markets, and initiate a pilot program to encourage retailers to stock more U.S.-made cotton apparel.

They agreed to support a "Grown and Made" campaign for cottonseed oil in cooperation with the National Cottonseed Products Association.

IT'S ELECTRIC. BUT WORKS WITH GAS.

Dual Fuel Heat Pump

It cools. It heats. It works with your present gas system. The Dual Fuel Heat Pump offers you the best of both energy worlds. It is electric, so you get modern, clean, quiet heating and cooling. The Dual Fuel Heat Pump takes care of 100% of your cooling and about 80% of your heating needs. It is only when temperatures are extremely low that your gas furnace goes to work and the Dual Fuel Heat Pump rests. Each system works at the temperature at which it is most efficient . . . and most economical.

Wind defense stout . . . again!

Early touchdown enough for 6-0 win

Greg Sheppard meet the Fighting Whirlwind defense!

Roosevelt's supreme senior running back raced for a 21 yard gainer in the third quarter but otherwise was well contained by the Whirlwind defense, which has now allowed only six points and one penetration — to Crosbyton in the season-opener — in eight quarters of 1987 football.

Roosevelt's bulky defense, which has paced the Eagles to the playoffs the past two campaigns, also proved stingy.

In fact, the Wester Field gridiron was no place for players bashful about hitting Friday night as leather popped on both sides of the line from the opening kickoff until the final whistle.

An opportunist band of green shirts capitalized on an early turnover to put the only six points on the scoreboard.

FUMBLE RECOVERY

Johnny Taylor, a rugged 182 pound linebacker, pounced on a loose ball to set Floydada in business at the enemy 15.

Kenneth Collins, a gifted freshman playing in his first varsity contest, plowed 15 steps through white clad

Eagles to register a "6" on the home side of the scoreboard with 4:11 remaining in quarter number one.

Corey Bates' PAT attempt was wide to the left.

The series before Taylor's fumble recovery was almost as crucial.

Sheppard fumbled away the ball at the Floydada 34 and David Medrano was Johnny-on-the-spot to claim the ball. His twin brother, Daniel, then raced 22 yards to the Eagle 44. Fullback Taylor gained 3, Bates was halted for a one step loss, but after the Winds were charged with holding, the senior quarterback went 6 yards.

Bates' 36 yard punt rolled dead on the Roosevelt 10.

Sheppard gained 1 and 3 before Taylor grabbed the fumble at the 15.

JOCKEY FOR POSITION

Like two heavyweight boxers, the two squads jockeyed for position throughout the second quarter and both mounted mild threats.

The Whirlwinds earned the lone penetration as a sustained drive advanced to the Eagle 19 before running short of downs. Taking a punt at their

own 37, the green shirts marched on a 6 yard first down run by Medrano, an 11 yard scamper by Bates for a new series and another first on a Roosevelt offsides penalty. On third down, Bates rushed 9 steps to the 19. A fourth-and-two failed as Ralph Casillas was buried by white shirts at the line of scrimmage.

Gaining possession at its 19, the Eagle offensive machine — which scored 27 points against Dimmitt the previous week — started rolling on a 32 yard scamper by Felix Arroyo and two more firsts on runs of 9 and 10, which carried to the Floydada 28.

Jason Brown and Adam Cates swarmed the quarterback to knock down a pass before the Eagles gained 1, had a motion penalty and went for 5. On fourth-and-nine the visitors saw an aerial batted down on an alert effort by Chad Quisenberry.

A 16 yard scamper by Medrano and a pair of major penalties — personal foul and defensive holding — carried the Fighting Whirlwinds to the Eagle 29. With time running short, Bates kept for 5 but the quarterback was sacked by a hard rushing Eagle band for a 7 step setback as the half ended.

DEFENSE EXCELS

The same defensive menu was served to fans in the second half. There was not a single penetration in the final 24 minutes.

Winds gained two first downs — on an 8 yard run by Bates and a 9 yard scamper by Medrano — and the speedy Sheppard's 21 yard dash was the Eagles' lone first. Quisenberry went high to intercept on the play after Sheppard's run.

Five punts were exchanged in quarter number three. The best punt of the night came on the next to last snap as Bates' 54 yard beauty was killed at the Roosevelt 5.

Daniel Medrano turned in a defensive gem when he tripped up Sheppard for a 2 yard loss.

Midway through the final stanza, a 16 yard Eagle pass represented the white shirts' last bit of offensive fireworks.

The brilliant Whirlwind defense limited Roosevelt to a 1 yard gain by quarterback Mike Richardson, two incomplete passes and a quarterback sack for a 1 yard loss late in the game. One of the incompletions was caused by a mighty hit on the intended receiver by Bates.

With the seconds ticking away, Leonard King covered a fumble at the Roosevelt 28. The Whirlwinds were content to run out the clock on the following snap.

Starting for the Fighting Whirlwind defense were ends Roel Cisneros and Brown, tackles King and Cates, nose Dana Cooper, linebackers Danny Caballero and Taylor, the Medrano twins at

held at the Massie Activity Center.

You must be 18 or older to enter and
YOU MUST BE PRESENT TO WIN.

FOOTBALL CONTEST

1st prize \$10⁰⁰ 2nd prize \$6⁰⁰ 3rd prize \$4⁰⁰

CONTEST RULES

Any Hesperian subscriber or individual above the age of 7 who purchases a Hesperian from a newsrack is eligible to enter this newspaper's weekly football contest, except employees of Floyd County newspapers.

To play, circle on official entry form the numbers of teams you believe will win this week's games. To indicate a tie, circle both teams playing a particular game. In addition, indicate in the tie-breaker football your guess on the total number of points to be scored by the two teams listed.

The only entries considered for prizes will be those appearing on official entry forms and those brought to the Hesperian office by 5 p.m. Friday.

Three cash prizes are offered weekly. In the event of ties - the same number of correct games and equal scores on the tie breaker - prize money will be shared among those involved in the tie. The tie-breaker score will be utilized only in the event of a tie on the number of games missed.

In the contest to determine the season winner and the recipient of the two tickets to the Nov. 22 Dallas Cowboys-Miami Dolphins game in Dallas, each contestant will receive one point for each correct game selected on an official form throughout the season.

Print name and address plainly on official entry form and double check that your choices of winners have been circled.

Enter one entry per person per week. Weekly winners are limited to one per household.

Entry Deadline: 5 p.m. Friday

SEASON WINNER Earns:

2 Tickets to Cowboys-Dolphins Game on November 22!

Breezers launch football season with victories

Whirlwind junior varsity and freshmen stay at home and junior high teams travel to Olton in Thursday games.

The freshmen are scheduled to play Plainview in a 4:30 match, with the junior varsity taking the field for a 6:30 encounter with Olton at Wester Field. In Olton, seventh graders are slated to square off at 5 p.m. and the eighth graders follow.

In contests last Thursday, Floydada and Roosevelt split four matches. The Breezers claimed victory in both junior high games while the JV and freshmen met defeat.

JUNIOR VARSITY

In a see-saw game in which all the scoring came in the first half, Roosevelt claimed a 12-8 verdict over the Whirlwind JV.

The homestanding Eagles scored first, but the Winds grabbed the lead on a 6 yard touchdown run by Armando Morales and a pass for two bonus points from quarterback Grant Stovall to halfback Morales. Roosevelt regained the edge with a second quarter TD.

Defenses prevailed in the second half.

FRESHMEN

Roosevelt scored early on a Whirlwind turnover and then went ahead 14-0 before half enroute to a 20-0 verdict for the Eagles. Roosevelt scored its third TD late in the contest.

EIGHTH GRADE BREEZERS OPEN SEASON WITH 30-6 VICTORY

Breezers opened their season on Thursday, Sept. 10, against Lubbock Roosevelt. The Breezers took the opening kickoff and drove the ball to the 5 yard line but were unable to get the ball in on four downs. Roosevelt took over and on the first snap they fumbled and the Breezers recovered.

Quarterback Billy Joe Villarreal hit Quincy Johnson in the end zone from 7 yards out for the first TD. The extra points were run in by Ruben Chavarria, leaving the score 8-0 at the end of the first quarter.

During the second quarter the Breezers added 8 more points to their total. The score came on a 13 yard run around the right end by Chavarria. Michael Cooper went around the left end for the two-point conversion. The score at the half was 16-0 in favor of the Breezers.

Coach Tim James' crew added another TD during the third quarter. It came on a 30 yard run around right end by Chavarria. The try for 2 failed.

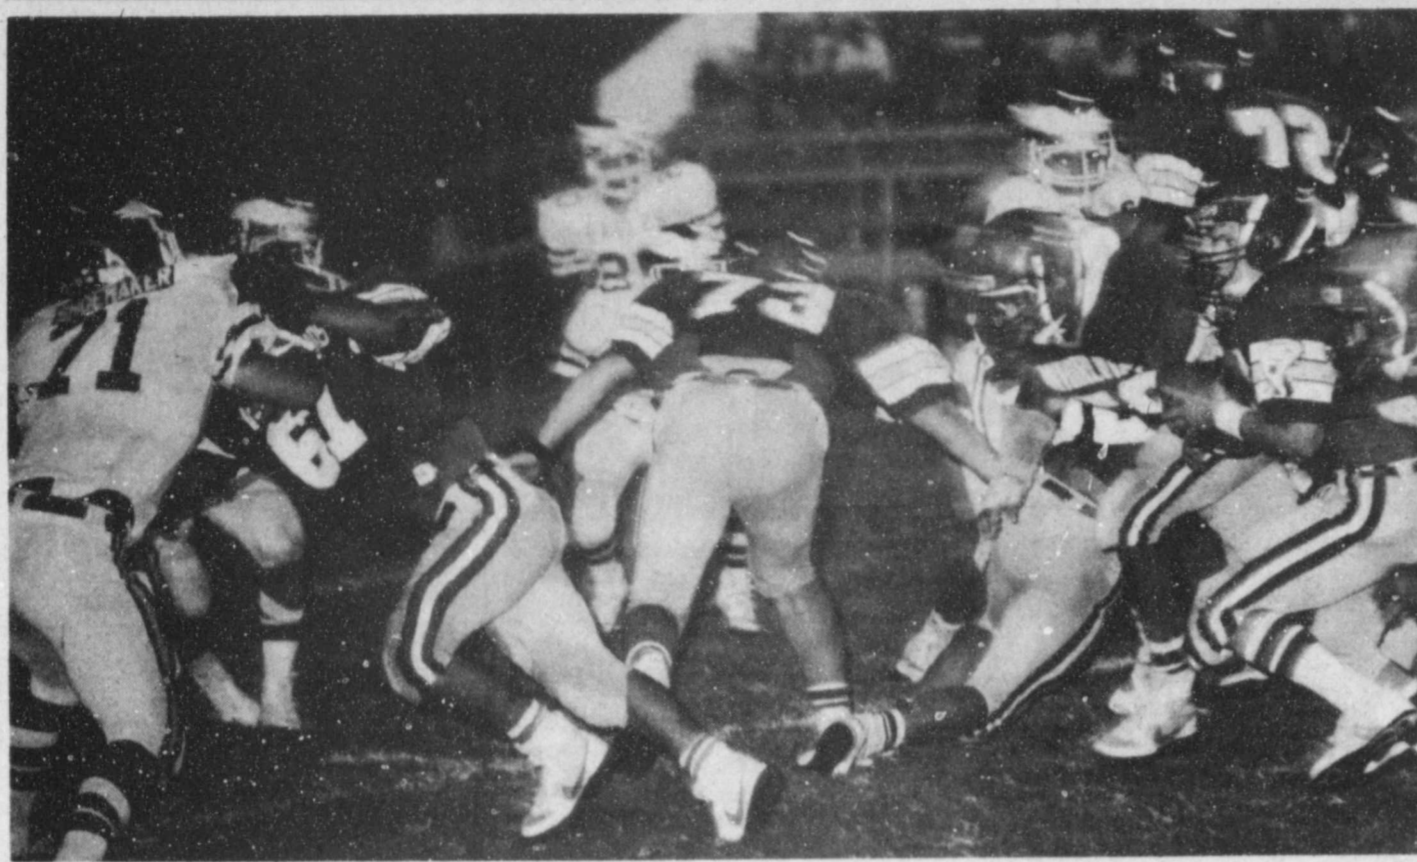

During the fourth quarter Kenneth Davis scored on a 1 yard run up the middle, and Jamie Suarez went around the right end for the 2-point conversion.

Late in the fourth period, Roosevelt managed to score a TD. The game ended with the Breezers on top 30 to 6. "I was real pleased with the players' efforts," Coach James says. "We made some mistakes but that is expected for your first game. The entire team did a good job executing, considering it was their first game of the season."

SEVENTH GRADE BREEZERS CLIP ROOSEVELT, 6-0

The seventh grade football had a scrimmage against Roosevelt last Thursday. The match was "a good learning session for the seventh grade," according to Coach Rex Holcombe. Floydada's Michael Henderson

scored the only touchdown of the game during the first quarter. The point-after attempt by Jamie Davis fell short. "The Breezers played well on defense, not allowing the Roosevelt team to score," Coach Holcombe says. Seventh grade plays Olton today (Thursday) for its opening game of the season.

Woody prime gesser in second grid contest

Duncan Woody was all alone in first place in The Hesperian's second week of the '87 football contest. Woody missed only five of 22 games to capture the \$10 check.

Five contestants submitted forms bearing six incorrect winners. This necessitated that the tie-breaker be used to determine second and third place winners. Floydada and Roosevelt scored only six points in the tie-breaker.

T.L. Holland claimed second by virtue of his 19 point tie-breaker guess to win \$6. Third place and \$4 went to Deneen Marricle, with a guess of 20.

The other three individuals with six misses — Travis Gentry, Franklin Harris and Juan P. Martinez — each guessed 27 points.

Receiving honorable mention for entries bearing seven incorrect winners are Jean Hale, Andy Hale, Anthony Caballero, Suzanne Wyrick and Barbara

Cocanougher.

DR. HALE TAKES LEAD

Dr. Andy Hale has taken the early lead in the season contest, which produces two Dallas Cowboys-Miami Dolphins game tickets for the winner. He has 35 points.

Deneen Marricle is a close second with 34 points.

Among the other leaders are: Thirty-two points — Franklin Harris, T.L. Holland

Thirty-one points — Sherry Hale, Dolan Hanna, Anthony Caballero, Suzanne Wyrick, Jean Hale and Duncan Woody

Thirty points — Terry Mac Turner, Paige Cannon, Jeffrey Marler and Travis Gentry.

A number of other contestants have scores in the high 20s.

Floydada vs. Plainview In Donk Baseball

Manager Moore Gives Lineup For
Floydada Lions Club Benefit Game

The lineup for the coming Lions of Floydada vs. Lions of Plainview donkey baseball game which will be held on Wester Field under the arcs has been released by Frank L. Moore, chief tail-twister of the whole "She-Bang", with orders that it will be announced from some prominent place.

The Lions are sharpening up their claws for the Plainview club. They plan to run "Hog-Wild" when they tangle in Plainview August 16, which is Monday, under the lights. The homecoming game on Wester Field will be no cinch for the local donkey ball players but none daunted they are planning to cop that skirmish too.

The lineup as released by manager Moore reads as follows:

NAME	POSITION	Batting Average
Hodge Henderson	Pitcher	.188
Roy Eubank	Catcher	.330
W. Guthrie	1st Base	.299
L.G. Matthews	2nd Base	.440
P. Goen	SS	.291
C. Hammonds	3rd Base	.500
Ed Williams	L. field	.000
C. Gilliam	C. field	.711
G. Glover	a couple of haircuts and a shave.	

UTILITY MEN

Homer Steen	Pitcher	.291
Homer McDonald	Catcher	.333
Dillard Scott	Pigtail	.250
Vernon Shaw	Gen. Flunkie	.888
Nat Henderson	2nd Gen. Flunkie	111
Marvin English	Bouncer	1.000
G.T. Young	Chief B.W.	.333
Jim Willson	Lumberjack	.777
T.W. Quirk	in charge of cash	1.000
Wesley Little	chief carver	.400
Roy Holmes	Costumes & Pictures	.100
Ben Ayres	Trainer & Rules Committee	.234
Winifred Newsome	Law & Order	.219
Baird Bishop	First Aid	.999
E.L. Norman	Bat Boy	.099
Dr. G.V. Smith	Pinch Hit	.375
A.B. Keim	Clean-up man	.500
Burl Holt	Fire Prevention	.051
L. Britton	Driver	.555
J.B. Bishop	Parts picker-upper	.666
Bill Daily	Ladies Man	1.000

If the line up is any indication the Floydada Lions should have the inside track on the other team. The local club is so well supplied with utility men that they can meet almost any threat that the enemy club may offer. Batting power is generally strong at the plate when the players are equipped with a knife and a fork but with a bat they may be as bad as Englishmen with chop sticks.

The home team is planning to make so many runs that the base runners will have to carry the donks after the first three innings because the beasts will be worn out from circling the diamond according to reports.

Billy Wester Honored On Ninth Birthday

Billy Wester was honored, Saturday, August 7, with a birthday party at the home of his parents, Mr. and Mrs. J.C. Wester. The affair was in honor of his ninth birthday.

A blue and white color scheme was used in decorations and on the birthday cake. Games were played for entertainment during the party.

Guests present were Lena Foy Denson, Maurine Medlen, Marion Landers, Billy Landers, Minnie Kate Sparks, Billy Yearwood, Lajuana Jo Sharp, Johnnie Collins, James Edward Cline, Johnny Hammonds, Netha Denson, Wendell Denson, Gene Arwine, Ray Neil Ford, and Jean Wester.

Locals and Personals

BORN - To Mr. and Mrs. W.E. Bursleson, of Quitaque, in Smith and Smith Sanitarium, Floydada, August 3, a son named Stanley Carr.

Mr. and Mrs. S.F. Byars and daughters, Dorothy and Hortense and Mr. and Mrs. Aaron Carthel and son Gary, who visited Lake Dallas, Denton, Greenville, and McKinney returned home Monday.

E. Ray Smith and family have moved this week to Lubbock where Mr. Smith will be employed with the Gulf State Life Insurance Company.

Mr. and Mrs. John Emert returned the last of the week from Wise County where they visited relatives.

Sunday guests of Mr. and Mrs. G.C. Edwards and children were Mr. and Mrs. Lindsey Graham, Mr. and Mrs. Cecil Hanks, Floydada, Mrs. Annie Royce of Royce City, and Mr. and Mrs. Lancaster of Matador.

Mr. and Mrs. O.G. Glassmoyer and children and Mr. and Mrs. Tate Jones and boys are vacationing this week in the Yellowstone National Park region.

Mt. Blanco News Friendship Circle Meets.

The Friendship Circle met Thursday afternoon with Mrs. Walter Crawford as the hostess. Regular club business was

dispersed of with Mrs. G.S. Apping, president in charge. Exchange of patterns, recipes, and home improvement ideas followed, supplemented by needlework and a social hour.

Mrs. W.H. Scoggins who is home from Lorenzo was presented with blocks for a friendship quilt pieced by each club member.

Refreshments of iced punch and cake were served to the following: Mesdames C.A. McClure, Weldon McClure O. McMurray, Bert Affleck, J.A. Trammell, M.J. Mosley, J.A. Hartsell, Faye Whittle, D.F. Rogers, Wesley Hay, W.E. Crawford, J.E. Largent, R.H. Teague, T.O. Wilson, J.H. Watson, S.G. Apping, W.H. Scoggins, Walter Crawford, and also the Misses Iva Watson, Oma Lee Watson, Maxene Rowell, Frances Rogers, Gladys Powell, Rachael McClure, Connie McClure, Modene Hartsell, Rachael Mosley of Alford, Effie Marie Coffman of Groom.

Go Winds!

Legumes good bet for pastures

Legumes are a good bet for winter grazing in Texas, and planting time is here.

Legumes offer several benefits for Texas pastures, says Dr. J. Neal Pratt, forage specialist with the Texas Agricultural Extension Service.

They provide higher quality forage than perennial grasses growing in most Texas pastures, thus boosting livestock performance. Legumes can improve the total production of quality forage on most farms and ranches.

Legumes also can lengthen the pasture growing season and can provide options for pasture management.

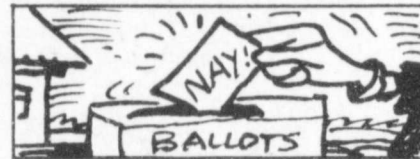

Since legumes are planted in the fall, they offer little competition to summer grasses.

September and October rains usually provide favorable conditions for planting legumes, says Pratt.

Several legumes are available for the special areas of Texas, notes the specialist. Vetch is a longtime favorite and grows well in most areas of the

state. Madrid sweetclover is a deep-rooted legume and is well-suited for Central, South and West Texas.

County Extension agents and Extension program councils throughout the state annually conduct demonstrations to show advantages of legumes in pasture production, Pratt says. He encourages producers to contact their county Extension office for recommendations on legumes this fall.

Susan B. Anthony, the great feminist of the 19th century, was fined \$100 in 1872 for attempting to vote in the presidential election.

Members of the family of Sam and Carrie Thompson and other relatives gathered at the community center in Claude for a day of visiting Sunday, September 13.

Thompsons meet in Claude

Those present were Sam and Lillian Thompson, Lloyd and Jewel Thompson, Glenna Hopson, Craig Gaither, Todd, Jo Betsy and Clay Morphis, and Wanda and Tony Jones of Plainview; Roy and Lotella Burrows, Pearl Formby, David, Rhonda, Shan and Jeff Stephenson, Bobbie and Charlotte Johnson of Amar-

illo, Edith Gilliland, Muleshoe; Maydene Fairbairne, and Mr. and Mrs. Skip Fairbairne and children of Shallowater; Bea and Evert Johnson, Gerald, Linda, Starla, Jerry and Joel Johnson, Roger, Linda, Christi and Joe Lynn Johnson of Claude; Kim, Glenna Kay, Rebecca, and Keegan Butler of Lubbock; Keith and Neta Marble, South Plains; Stan and Elva Dowds, Tucumcari, New Mexico, and Susan Lee, House, New Mexico.

Proclamation

WHEREAS, September 17, 1987, marks the two hundredth anniversary of the drafting of the Constitution of the United States of America by the Constitutional convention; and

WHEREAS, To accord official recognition to his memorable anniversary, and to the patriotic exercise that will form a noteworthy feature of the occasion, seems fitting and proper; and

WHEREAS, Public Law No. 915 guarantees the issuing of a proclamation each year by the President of the United States of America designating September 17 through September 23 as Constitution Week.

NOW, THEREFORE, I Parnell Powell, by virtue of the authority vested in me as Mayor of the City of Floydada in the State of Texas, do hereby proclaim the week of September 17 through 23 as Constitution Week, in the City of Floydada and urge all our citizens to pay special attention during that week to our Federal Constitution and the advantages of American Citizenship.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City to be fixed at Floydada, Texas, this 11th day of the year of our Lord one thousand nine hundred and eighty-seven, and the Independence of the United States of America, the two hundred and eleventh.

/s/ Parnell Powell

NATIVIDAD LUNA

Funeral services for a two-year-old Lockney youngster, Natividad G. (Nat) Luna, were at 2 p.m. Wednesday in Templo Bautista Salem Church in Lockney. The Rev. Tiuvoro (Butch) Villarreal, pastor, officiated.

Burial was made in Lockney Cemetery. Moore-Rose Funeral Home handled arrangements.

Relatives and friends were pallbearers.

The youngster died about 5:45 p.m. Monday in Lockney General Hospital following a lengthy illness.

He was born Nov. 20, 1984, in Lubbock.

Survivors include his parents, Mr. and Mrs. Abelino Luna of Lockney; two brothers, Abelino Luna Jr. and Gerardo Luna, both of the home; three sisters, Emma Ascencio of Lockney and Elida Luna and Erna Luna, both of the home.

JAMES MONROE PIERCE

James Monroe Pierce of 118 W. Crockett, a Floyd County resident for over half a century, was buried Sunday in Floyd County Memorial Park following 2 p.m. memorial services in First Baptist Church. The Rev. Howell Farnsworth, pastor, officiated.

Grandsons served as pallbearers. Moore-Rose Funeral Home directed arrangements.

Mr. Pierce, 85, was claimed by death at 10:45 p.m. Friday, Sept. 11, in Caprock Hospital after a brief illness.

A farmer, he moved to Floyd County in 1928 from Hill County.

He was born Jan. 14, 1902 in Hill County and was married to Willie Evaline Brantley on Jan. 10, 1925, in

Blum, Tex.

Mr. Pierce was a Baptist.

Survivors include his wife; three daughters, Elizabeth Johnson and Thelma Johnson, both of Floydada, and Dorothy Smalley of Petersburg; two sons, Tom Pierce and Neil Pierce, both of Floydada; two sisters, Shirley Irwin of Crosbyton and Vernie Fields of Pharr; one brother, Otis Pierce of Kalgary; a half-brother, L.C. Pierce of Morton; a half-sister, Merle Dee Anderson of Elkhart, Tex.; two step-sisters, Gladys Hardin of California and Evelyn Frost of Hillsboro; 14 grandchildren; and 22 great-grandchildren.

Away

DORIS EILEEN POWELL

Doris Eileen Powell, 61, of Howe, Texas, died Sunday, Sept. 13, at her home after a brief illness.

Services were Tuesday, Sept. 15, at the Howe Baptist Church. Interment was in the Highland Cemetery at Anna, Tex., under the direction of Flesher Funeral Home at Van Alstyne.

Mrs. Powell was born in Wheeling, West Virginia, and married Tillman S. Powell on July 10, 1945, in Amarillo. The family lived at South Plains until 1981 when they moved to Howe.

Survivors are her husband, Tillman Powell of Howe; two sons, Tom Powell of Houston and Warren G. Powell of Palestine; two daughters, Donna Rushing of Howe and Sandy Powell of Floydada; Three brothers, Bill Auber, Don Auber and Kenny Auber, all of Wheeling, W.V.; two sisters, Mary Ann and Charlott Bowers, both of Wheeling; two step-brothers, Herman Riddle of Wheeling and Bill Riddle of Cleveland, Ohio; and eight grandchildren. Pallbearers were nephews.

BARELY COVERED — Sam Spence had to rely on slightly more than half an umbrella Monday to ward off the rain. The umbrella developed a problem at the wrong time, leaving its owner less than fully protected. Umbrellas were in vogue that morning. — Staff photo

AT&T ANNOUNCES UPCOMING PRICE CHANGES FOR SOME TEXAS INTRASTATE SERVICES

AT&T announces the following price changes for some of its Texas intrastate services. These changes, which more closely reflect the actual costs incurred by AT&T in providing these services, will become effective on October 1, 1987.

- SDN (Software Defined Network) Schedule B prices will be reduced an overall 7.1%. Schedule C prices will be reduced 4.4% for the initial 30-second rate period of each call.

- WATS 80 service prices for both the initial period 80-hour usage and additional period usage will increase 5%.

- The monthly prices for AT&T's Private Line Service will increase up to \$25 per channel termination for Analog services and 10% for Digital Data Services.

- A \$25 monthly surcharge will also apply to any private lines which may be used to access the local exchange network, unless certified as exempt by the customer. The \$25 surcharge, which was previously authorized by the Public Utility Commission of Texas, is a flow through of charges assessed by the Local Exchange Companies to AT&T for those Private Line services.

The combined effect of these price changes is expected to produce approximately \$4.99 million annual revenue, which is approximately .5% of AT&T's annual revenues for all Texas intrastate services.

If you have questions regarding the changes for Private Line service, please call AT&T toll-free at 1-800-345-5092. If you have questions regarding the WATS or SDN price changes, please call our business consultants toll-free at 1-800-222-0400. AT&T's tariffs reflecting these changes will be filed with the Public Utility Commission of Texas on August 31, 1987, with an effective date of October 1, 1987.

Persons who have questions regarding this tariff filing may also contact the Public Utility Commission of Texas in writing, at 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757, or by calling the Consumer Affairs Division at (512) 458-0223, or (512) 458-0227, or (512) 458-0221 for teletypewriter for the deaf.
