Horse Show To Be Viewed On June 19

The Parmer County 4-H Horse Show that was held last Saturday, June 11, will be televised locally on Sunday, June 19. It will begin at 1:30 p.m. on Friona Cablevision, channel 6.

Y-H, Fire Department Have Drive

The Friona Young Homemakers will be working with the Friona Volunteer Fire Department to raise money for the annual July Fourth fireworks display.

To date, approximately \$500.00 is needed to have a display and unless that goal is reached by Wednesday, June 22, this will be a quiet July Fourth.

The Friona Volunteer Fire Department is in charge of ordering and shooting the fireworks and the Friona Young Homemakers have volunteered to collect the needed funds.

If any club, organization or individual wishes to donate to the fireworks fund they may do so by contacting Paula Wilson at the City Office, 623 Main Street or call her at 247-2761.

Carnival To Be Here June 21-26

St. Teresa's Catholic Church is sponsoring Great Southwest Shows starting Tuesday, June 21 and running through Sunday, June 26.

This show will feature rides for all the family, games for the family, concession stands and many interesting attractions.

Advance tickets are available from Ramiro Caballero, 247-3739 or from any of the queen contestants, Angie Aragon, Cynthia Gonzales or Gracie Bautista.

Plans Are Being Made For July 4th Events

The July Fourth celebration plans are underway and will kick off with the Friona Noon Lions Club annual barbecue lunch, starting at 11:30 a.m. through 1:30 p.m. at the Friona Community Center on Monday, July 4.

Other events for the day will include a cake walk sponsored by the Friona Young Homemakers, and held just in time for dessert. Eva Miller's stage band will be playing music during the lunch for the enjoyment of the diners.

Afternoon activities will include the annual 42 tournament, horseshoe pitching contest, ping pong tournament, tennis tournament and volleyball tournament.

For the youngsters there will be the

City Receives Sales Tax Check

State Comptroller Bob Bullock today sent checks totaling \$43.8 million in local sales tax payments to 974 cities that levy the one-per cent sales tax.

"The cities who lean most heavily on oil and gas for their local receipts are still suffering, but the rest of the state is beginning to make up for the drops in revenue we saw earlier this year," Bullock said. So far this year, in local sales tax cities have received \$353.5 million, less than one per cent behind the \$354 million total paid by this time last year.

Friona's check amounted to \$4,342.02, which was up from the same period a year earlier, when the city's check was \$3,701.65.

For the year, however, Friona's sales tax receipts amount to \$46,383.37, down 6.21 per cent from the \$49,454.57, as of the same date in 1982.

Parmer County's three municipalities received \$6,331.02 for the period, up from \$5,914.25 a year earlier. For the year, the county total receipts are \$69,414.94, compared to \$72,145.92 a year ago.

Houston received the largest check, \$8.4 million, a 12.5 per cent increase from the city's June 1982 payment, but year-to-date payments for Houston are still about 8.3 per cent behind last year. Dallas' check for \$5.2 million brought that city's 1983 total to \$41.7 million, 8.5 per cent ahead of last year.

San Antonio received \$2.9 million, boosting that city's increase over 1982 to 10.7 per cent. Austin's check for \$1.7 million equals a 16.7 per cent rise above last year. Fort Worth's check of \$1.7 million represents a ten per

cent increase for 1983.

Midland and Odessa payments still lag behind last year. Odessa's \$456,000 June payment leaves 1983 year-to-date payments to that city 32.1 per cent behind last year. Midland received \$376,000, leaving that city 25.5 per cent behind 1982.

Bullock also sent June rebates to the state's two Metropolitan Transit Authorities. The Houston MTA received \$9.3 million, up from last June's \$8.7 million check. The San Antonio MTA got \$1.3 million, up from last June's \$976,000.

The June checks were for taxes collected on sales made in April and reported to the Comptroller by the end of May.

Complete Addresses Are Needed

Some people take pride in the fact that they are well known by citizens in their community. It is sometimes felt that a letter addressed to John Doe and the town should be sufficient address to get a piece of mail delivered. This may have been the case in years gone by.

"Due to increasing mail volumes, duplication of names, etc., it is very important that each piece of mail be properly addressed," says Postmaster Bill Wells.

"Each postal customer who has a post office box should use his complete address, including ZIP code, when corresponding so the correspondent's reply will contain the complete address," he continued.

One problem encountered by your friends at the post office is what to do with a piece of mail addressed to John Doe where there are two or more John Does. This type situation requires extra time which can cause delay to other mail. Also, we sometimes have new employees who do not know every John Doe. The box number on your mail is very important.

"The Postal Service wishes to better serve you. You can help. Please use your box number and insist that your correspondents do also. Your cooperation is needed and appreciated," Wells concluded.

Conservation Choices Are Available

Farmers have an unparalleled opportunity this year to improve their soil and water conservation systems, said Peter Myers, Chief of the USDA's Soil Conservation Service.

Under the Payment-In-Kind (PIK) program and other acreage limitation programs, farmers in Texas are taking 9.3 million acres out of production. One-fifth of the nation's cropland is pledged to the program and now farmers can put a great deal of soil and water conservation on the ground.

Some of the erosive and less productive acreage will be taken out of annual crop use and planted to grasses and legumes as cover crops. This has the potential for saving soil and water resources as well as building up natural fertility.

Myers said this is also a good time for planning ways to fit no-till or other conservation tillage methods into the farm operation.

On more erosive acres, permanent conservation practices such as terraces, grassed waterways, windbreaks and other enduring practices can be installed without interrupting cash crop production.

On the most erosive or other marginal land, farmers are encouraged to discontinue use of those acres for crop production. Those acres may be best suited for permanent grasses, trees, or wildlife habitat.

The 1983 programs offer farmers a rare opportunity to balance their short-term cash needs with their longer conservation and productivity goals, said Myers.

LETTERS AWARDED.... Members of Friona's Reserve Officers were awarded Letters of Accommodation for their service during the time Friona was without regular police protection. The letters were presented by Police Chief Bill Thieman. Reserve members in the back row next to Thieman are Jim Taylor, John Taylor and Roger Fields. In the front row, left to right, are John Blackwell, Donny Campbell and Ira Parr.

USDA Exercises PIK Option For '83 Wheat

Secretary of Agriculture John R. Block today said it will be necessary to require wheat producers who do not have sufficient quantities of wheat pledged as price support loan collateral to meet their payment-in-kind requirements to obtain loans on their 1983 crop production.

Producers who have no 1983 crop wheat planted for harvest or who do not have sufficient wheat planted for harvest to meet their PIK requirements will receive payment-in-kind from other wheat in Commodity Credit Corporation inventory, he said.

Block said all producers who signed a contract to participate in the 1983 PIK program agreed to obtain a loan on their 1983 production for PIK purposes to satisfy program needs if required by CCC. USDA decided to exercise this option after determining there is an insufficient quantity of wheat currently available to CCC to meet PIK needs, he said.

CCC has developed special provisions to permit producers to use their 1983 wheat production for

PIK purposes even though they do not have warehouse or on-farm storage available, Block said. The producer must certify to the local county office of USDA's Agricultural Stabilization and Conservation Service that the required quantity was harvested from an eligible farm and has not been sold prior to the certification.

The producer can obtain the loan, redeem the loan collateral and sell it to CCC. The producer then will be eligible to immediately receive the payment-in-kind from CCC inventory. However, these producers will not receive the proceeds of the sale of the wheat to CCC until their PIK availability date, Block said.

Producers with eligible 1983 crop wheat stored in an approved structure on the farm or in a warehouse covered by a uniform grain storage agreement may receive a regular price support loan for the wheat and earn storage payments for up to five months beginning on the PIK availability date.

FAMILIAR SIGHT.... Friona residents saw plenty of lightning displays such as this during the electrical storm Wednesday night that passed through the area. Last week's storms caused considerable crop and property damage in other parts of the county.

Hub Grain Remains Undefeated In Tee Ball

Hub Grain managed to hold on to their undefeated record during the past two weeks, as they added four additional victories to their total number of wins.

Tasty Cream fell to the undefeated team by a 33-23 score. Hub Grain took an early lead and held the top spot throughout the game. Tasty Cream got off to a slow start and only scored a total of two runs in the first two innings as opposed to Hub's 17.

They finally began bringing in runs but came up short as they were unable to get their defensive game going and Hub Grain outscored them ten runs.

Jack and Jill was the next victim to fall to Hub Grain. That match took place on June 7.

Jack and Jill scored only one run their first time at bat and allowed Hub Grain eight. Hub Grain took advantage of the early lead and added 17 more before the game was over. They held Jack and Jill to 18 total runs and came out on top of the 25-18 win.

Penny Sandoval, Jeremy Hart, Kyle Potts, Freda Lafuente and Ruben Diaz were leading scorers for Hub Grain. They each scored four points.

Mark Rodriguez led the Jack and Jill team with four runs.

Tasty Cream then met Jack and Jill on June 9 for a close match. Tasty Cream won the game 26-20.

Due to the unavailability of the official book on the night of the game, the results were not recorded.

Hub Grain squeaked past Credit

Union 30-27, in a game that nearly proved to be Hub Grain's first loss.

Credit Union held a one point lead at the bottom of the second inning. They scored six more in the next period and held Hub Grain scoreless. Eleven more runs were added in the final two innings.

Hub Grain began their rally in the fourth inning as they scored nine runs and added eight more in the fifth inning to take the three point win.

On June 13, Tasty Cream met Hub Grain in another close match, but Hub Grain pulled out the 27-20 victory.

Following their near loss to Credit Union, Hub Grain decided it was best to start off with the lead, so they picked up seven points at their first time at the plate.

Tasty Cream did not give up though. They scored eleven points in the first two innings and were only down by two, but allowed their opponent to score nine points in the third period and only added three to their total. At that point the score was 22-14, Hub Grain's favor.

The Tasty Cream team scored six more runs in the final inning but it was not quite enough as Hub added an additional five.

Benny Sandoval, Ruben Diaz, Jay Carson, Jon Parker and Harvey Martinez each scored four points to lead the Hub Grain attack.

Yolanda Garza led the Tasty Cream scoring with four runs.

Credit Union won the battle played June 14 against Jack and Jill.

Credit Union scored six runs in each of the first three innings to hold an 18-14 lead at the bottom of the third. They picked up seven more in the final period and Jack and Jill only scored six more.

The final score was 25-20 in favor of Credit Union.

THIS SEASON

Two Frionans Are Members Of "Texas"

The gates are opened, the flags are flying, the lines are polished, and "Texas" is playing for its eighteenth season in Palo Duro Canyon State Park. Every night except Sunday, eighty singers, actors, and dancers burst upon the stage to the sounds of "Texas Forever," and once more the story of the settling of the Texas Panhandle during the 1880's is unveiled to near-capacity houses.

Indians, horses, thunder, fire, and romance are all parts of the show. "Goose bumps" are frequently apparent when audience members are made to feel a part of the sacrifice, perseverance, and humor of these pioneers.

Company members were selected in auditions that were held throughout Texas and New Mexico in January and February. Those selected have been sharpening and refining their talents in rehearsals that began in May. Eight hours of practice six and one-half days a week forms the company into a unified whole that not even wind, heat, cold, or storms can divide.

Hospitality members have dusted off their Texas draws and their "Howdy y'all's." They know how to get the most possible cars onto the parking lot and how to pour hundreds of soft drinks in only a few minutes.

Catholics Set Brunch On June 19

There will be a brunch Sunday, June 19 at St. Teresa's Catholic Church Hall.

The menu will consist of barbecue ribs, potato salad, rice, beans, iced tea and coffee. Adult tickets will be \$3.00 and children 12 and under will be served for \$1.75. Dessert will be available for an extra charge.

Proceeds from the brunch will go for queen candidate, Cynthia Gonzales.

Two local residents perform at "Texas. They are Jo Ann Flores and Brendan Wyly.

Jo Ann is in the hospitality department. She is the granddaughter of Jose B. Flores, Sr., and the niece of Fred and Ofelia Flores, all Friona residents. She is a 1982 graduate of Friona High School. She is a freshman sociology major at West Texas State University.

Wyly, a sound and light technician, is the grandson of Alta Wyly of Friona. He is returning for his second year of work with the light and sound crew. Brendan attends Canyon High School and is pursuing a course of study to prepare himself for entry into an engineering school.

It's A Girl For K. Rutherfords

Mr. and Mrs. Keith Rutherford are the parents of a baby girl born Monday, May 23, in High Plains Baptist Hospital in Amarillo.

Named Tara Lee, the new arrival weighed seven pounds, eight ounces and was nineteen inches long.

She is the first child for the couple. Grandparents are Ted and Martha Rutherford of Tucumcari, New Mexico and Gerry and Bobbie Radtke of Amarillo.

REMEMBER WHEN ?

If you can remember when Friona Consumers Fuel Association was located south of Frio Draw, you've been here a long long time. Cars parked in front of the building and at the side and the lack of pavement indicate the picture was taken in the late twenties. Wana Brewer, local resident who was familiar with the location of the firm in both locations, provided the photo. Friona State Bank is happy to have brought you this glimpse from the past.

Close Battles Rage In Major League

During the past two weeks of play in the Major League division, Friona Star has upped their undefeated record to 8-0.

They met Friona Feed Yard on June 2 and showed the opponent no mercy as they won the game 24-3.

Scoring was at its highest mark in the first and third innings for Friona Star as they scored nine runs in the first and twelve in the third. They picked up only three points in the second. Andre Duran led the scoring attack with four runs.

Friona Feed Yard was unable to score until the third time at bat when they scored all of their runs during that time. James Monk, Johnny Ibarra and Ernie Crutchfield were the players scoring runs for Feed Yard.

Reeve Chevrolet took on Friona Feed Yard June 6 in a close match that ended up Reeve Chevrolet 14, Feed Yard 9.

At the end of the second inning, the score was already 9-2 in favor of Reeve. But Friona Feed Yard had an impressive third inning when they scored five points and held Reeve scoreless. However, Reeve did not intend to take that lightly, so they scored four runs in the fourth period and held Feed Yard scoreless.

The Feed Yard team was only able to pick up two in the final period of play and Reeve picked up one additional run to bring the final score to 14-9, Reeve Chevrolet's favor.

Daylen Gallman, Sammy Garcia and Daniel Chavez were the top scorers for the winning team with three runs each. James Monk led the Friona Feed Yard pack with three runs.

On June 9, Bovina pounded Friona State Bank 33-9. Bovina had control throughout the game. They scored 14 points their first time at bat and after a slow second round of batting with only three runs scored, came back and added 16 more in the third.

Friona State Bank had their best scoring drive in the first inning when they scored five points and from that point on it was down hill all the way. They picked up three in the second and only one in the third inning to bring their total to nine.

Jimmy Gilbreath and Mike Bermea led the Bovina attack with five runs each. Louis Dunnam was leading scorer for Friona State Bank with three.

Bovina's next victim was Friona Feed Yard. That match was played on June 11.

Bovina held the lead from the beginning as they outscored their opponent 11-1 in the first inning. They were unable to score again until the fourth period when they picked up five more points and

scored one in the fifth.

Friona Feed Yard played a super defensive game in the third inning but were unable to score effectively against the strong Bovina team. Feed Yard's scoring was made up of one run in each of the first three innings and three additional runs in the fifth.

The final score of the game was 17-6.

Friona Star and Reeve Chevrolet were the next two teams to meet. Friona Star won the make-up match 15-3.

The score was a close 2-1 in favor of the Star. But things picked up in the third inning as the Friona Star team picked up three points and held Reeve to only one. Both teams scored one run in the fourth inning. Friona Star broke away in the fifth when they scored nine runs to put away the win.

Hector Perez and Andre Duran were leading batters for Friona Star. Bill White, Daylen Gallman and Kevin Zachary scored runs for Reeve Chevrolet.

Friona State Bank and Reeve Chevrolet paired up for the next battle, and Reeve came out on top of the 19-13 score.

The score was tied at the bottom of the second inning, 5-5 and again at the bottom of the fourth 8-8. Reeve Chevrolet came out in the fifth inning and outscored Bank 11-5 to chalk up another victory.

The most exciting game of the season was played on June 13 and featured Bovina and the undefeated Friona Star team. Bovina came prepared to try to be the first team to defeat the Star and it appeared they would succeed.

A bad case of nerves proved disastrous for Friona Star's pitcher in the first inning as he walked eight batters. In addition to that, Bovina had a single hit and a home run to bring their first inning score to 11.

The Star team only brought home five runners in the first inning and found themselves down by six runs to the strong Bovina team.

Clint Deaton took the pitcher's mound in the second inning to try to bring his team to life and when the dust settled he had succeeded.

The Bovina team did not score a single run in the next three innings, while Friona scored four. That made the score 11-9 still Bovina's favor.

Bovina picked up two more in the fifth and held Friona Star scoreless. The score was then 13-9. Bovina was unable to score points in the sixth and the Star picked up two to make the score 13-11.

In the seventh inning, the Bovina team scored two points and Friona

scored four tying the ball game 15-15 at the end of regulation time. An extra inning had to be played and Friona Star took the first bat.

Robert Sandoval got on base with a single, Jerry Lafuente walked after being hit by the pitcher and Jacky Lafuente hit a single. Hector Perez hit a sacrifice ball to bring Sandoval in and Cody Bracken was hit by the pitcher and walked, but was later put out at home.

Clint Deaton was the next batter and he socked a triple to bring in the remaining runners. The next batter was put out and Friona Star had to settle for three points.

Bovina only needed four runs to win the game. Randy Stone was up first and hit a single, but was put out trying to steal second base.

Mike Bermea, the next batter, was struck out by the Star pitcher. Hippy Gomez was the next batter for Bovina and he hit a hard grounder between second and first. The ball was stopped by Friona Star's second baseman, Andre Duran, and thrown to first baseman, Shannon Cochran, to put the runner out at first and take the win for the Star.

The score ended Friona Star 18, Bovina 15.

Friona Star took on Reeve Chevrolet on June 14 and put away another victory. The final score was 22-13 in favor of the Star.

The Star took an early lead of 4-2 and after a scoreless second inning added nine more points in the third. They scored nine more points in the remainder of the game.

Reeve had their best scoring drive in the fifth as they scored six runs. But, with the two points they scored in the second and three scored in the sixth they were still nine points shy of Friona Star.

Hector Perez was the winning pitcher for the Star.

Daniel Chavez and Sammy Garcia pitched for Reeve Chevrolet.

Reeve Chevrolet defeated Friona State Bank 17-9 on June 16. The score was tied 6-6 following the third inning but Reeve Chevrolet picked up eleven runs in the fourth period and did not allow the Bank team a single point.

Then it was the Bank's turn to bat, but a last ditch effort was eight points shy of tying the ball game and Reeve came away with the victory.

RUN, KEVIN, RUN....Black Grain's Kevin Frye gets a double in Thursday night's game against Bengier Air Park. Rod Britting is the catcher for Bengier. Black Grain won the game.

Bengier Air Park Posts Five Wins

Bengier Air Park held on to their lead in the Senior League baseball division as they picked up three more victories.

The leading team defeated Cattle Town with a runaway score of 22-4. Cattle Town was the first team to score as they scored two runs in the first inning and held Bengier blank. They picked up one more in the second and Bengier picked up three and the score was tied three all.

But Bengier came to life and scored 15 points in the next two innings and held Cattle Town to only one. Then they added four more to bring their final number of runs to 22, and blanked Cattle Town at their next turn at bat.

Eugene Lopez and Frank Aragon led the Bengier scoring with four runs each. Leroy Mercado, Chuck Ellis, Peter Malouf and Tracy Carthel scored one run each for Cattle Town.

Bengier Air Park and Cattle Town met again on June 9 for a hard fought re-match. Bengier came out on top of the 11-9 score but Cattle Town made them work for the victory.

Neither team scored in the first inning. Cattle Town outscored Bengier 5-2 in the second period.

Bengier had their best scoring drive in the third inning as they picked up seven runs and did not allow Cattle Town to score in the third or fifth inning. Bengier only picked up two runs in the remainder of the game, but the lead they had built was enough to stay on top, as Cattle Town only picked up four additional runs.

Tracy Carthel led the scoring for Cattle Town with three runs. Eugene Lopez scored two to lead Bengier Air Park.

Black Grain was Bengier's next victim when they met on June 10. Black Grain took the early lead scoring four runs in the first inning and holding Bengier to only one. But Bengier picked up twelve runs in the next period and allowed Black Grain only two.

It was Bengier all the way following that as they picked up four more points to Black Grain's one in the remainder of the game.

The final score was 17-7. Eugene Lopez, Santos Cuevos and Steve Aragon were top scorers for Bengier Air Park.

Black Grain defeated Cattle Town 15-3 on June 13. Black Grain scored seven points in the second inning to begin the battle, and eight more in the next four innings to make their total 15 points.

Cattle Town scored all three of their runs in the third inning, but were unable to get a rally going and fell short by 12 runs. Patches Fleming and Ruben Alfaro led Black Grain's scoring attack with three runs each.

In a re-match on June 14, Cattle Town took revenge on Black Grain as they came out on top 13-9.

Black scored first with six runs chalked up in the first inning, but did not score again until the sixth inning when they picked up two, and added one in the seventh.

Cattle Town scored three in the second period and three more in the fifth to tie the game at six all at the bottom of the fifth inning. Both teams scored twice in the sixth and the score remained tied, but Cattle Town crossed the home plate five times in the final period and came away with the victory.

B J Bees Lead Minor Division

The BJ Bees are still going strong in the Mustang (minor) League Baseball division. The Bees now hold a 7-1 won-lost record.

Ethridge-Spring fell the Bees in a close match. The final score was 10-8.

Pat Upton and David Barnett shared the pitching responsibility for the BJ Bees and Albert Trevino was Ethridge-Spring's pitcher.

Bovina was the next opponent for the Bees. They met on June 13. BJ Bees won the game 22-16. David Barnett was the winning pitcher and Martin Meza pitched for Bovina.

Then the BJ Bees met Ethridge-Spring again on June 14 and came out with another victory.

The Bees scored 14 runs in the first inning, and 12 more their second inning to put the game away.

Pat Upton was the winning pitcher for the Bees. Brian Wheeler pitched

for Ethridge-Spring.

Friona Ford defeated Ethridge-Spring on June 16 by a score of 17-9.

Bryce McMurtrey lead the scoring for Friona Ford with four runs credited to him.

James Warren and Warren Duke lead the Ethridge-Spring scoring. Tony Ibarra was the winning pitcher.

Letter To The Editor

Dear Friends,

I read somewhere that farming is the only form of gambling legalized in all fifty states. That started me thinking of other forms of gambling; cards, dice, horse races and alleged "sporting events."

Some friends of mine enjoy going to Las Vegas and pouring dollars into one armed bandits. One fellow said he won big. He went there in an automobile and came back in a Greyhound Bus!

Now, personally, I have never indulged in games of chance (too timid or too dumb to learn all the rules) but I can't say I've never gambled.

Many years ago I began to bet with insurance companies. My continued existence in human form seemed of prime importance. I bet them I was soon to join my forebears, they bet I wasn't.

This became a habit. Now I find I am betting on real estate, vehicles and my family's health. Thousands of dollars have been spent to gratify my desire to protect persons and property. I bet that most of us have invested thousands of dollars in insurance--and justifiably so--I wouldn't be caught dead without it--bum joke!

Thank goodness most of us are still ahead in the game. We haven't been called home yet, no disastrous fires, our old jalopies are still in one piece and we darn sure have no flood damage. So are we immune from catastrophe? Want to bet?

Folks on the east coast suffer hurricanes. I grew up there and have been in two. Incidentally the name of these storms comes from two West Indian words, "hurri"--evil and "cane"--spirit. If you don't believe in evil spirits just live through one! We always had at least two days of warning. Move out or take the consequences. That's fine for city

people; we farmers couldn't move out. How do you move a growing crop or in my case a dairy herd?

Mother Nature is a capricious old Lady; she must be the Devil's mother-in-law. You can't fight her so you might as well try to get along on her terms.

Volcanic eruptions, earthquakes (I was subject to one in Utah) don't give very good odds but you do have a fighting chance. Have you ever bought insurance against hurricanes, volcanos or earthquakes? If you have, come to see me, I want to sell you my summer cabin on Mt. St. Helen's.

Hurricanes, volcanos and earthquakes are mere pikers when put up against the most fearsome of Mother Nature's illegitimate offspring--a killer tornado!

How many times have I been told, "Why, we haven't had one for years!"

What does that really mean?

If you had been feeding dollars into a one armed bandit in Las Vegas and had not won would you not believe that the next play would be a jackpot?

That's what Mother Nature thinks. "Hey, we haven't hit Friona in a heck of a long time; let's give them a whirl!"

She doesn't know that Friona has the best Volunteer Fire Department in the whole Texas Panhandle. She doesn't know that for five bucks apiece Frionans can have a first class warning system.

We can beat the Old Lady at her own game but we'll have to get on the ball. The Fire Department has obligated itself for the purchase of the system. To allow them to suffer financial loss would be a darn poor way to show our appreciation.

Remember, folks, we are all just penciled in!

Town Talk

By June Floyd

Call 247-3681 With Your News Item

A warm welcome is in order for Friona High School's new head basketball coach, Oscar Bronniman, his wife, Lavelle, and children, Bart, Bena and Bret.

The Bronnimans have been residents of Deaf Smith County several years and have recently moved to 608 West Ninth, the house formerly occupied by D.L. and Ruth Harguess and daughters, Dee Ann and Tammy.

They've been coaching and teaching at Walcott the past few years. Lavelle is an elementary teacher.

Postmaster Bill Wells, who has been confined to his home several days due to illness, has returned to work. He and his wife, Audine, visited relatives and friends in Amarillo last weekend.

Out-of-town visitors in the home of Mr. and Mrs. V.R. Jordan included Mr. and Mrs. Roy L. Morrow, Dallas and Mr. and Mrs. Johnny Ford of Fordyce, Arkansas.

Mrs. Morrow is Mrs. Jordan's sister and Mrs. Ford is Jordan's niece.

Nelson and Lorraine Welch spent a few days last week at Creste del Monte, the family retreat in the mountains of Northeastern New Mexico.

They were accompanied by Mr. and Mrs. Dwayne Bishop and sons, Michael and Buddy of Dimmitt and Mrs. Monte Sue Bailey and children, Shawn and Heather, of Amarillo.

Two members of the spring graduating class of Clovis High School have Friona connections. They are Rusty Ridley and Ernest Wright.

Rusty, the son of Dwain and Marilyn Potts Ridley, was born here. His maternal grandparents, Cordie and Helen Potts, are long time residents of the Rhea Community.

Ernest's parents, Gerald and Laurie Cooper Wright, are former Friona residents. They lived here in the late fifties and early sixties and at the present time farm southwest of Clovis.

Janet Woodard, Amarillo, and Jinx Snead and Shannel Woodard, both of Friona, spent several days recently visiting relatives in the Port Arthur area.

Mrs. Ivan Gray, the mother, grandmother and great-grandmother of the three, has been hospitalized. She was released from the hospital and returned to the nursing home before the West Texans returned home.

Recent out-of-town visitors in the Floyd home have been Frieda and Brandon Dickson of Garland; Gerald and Sarah Floyd of Elkhart, Kansas; Marie Grisham, Brownfield; and Ola and Tom Bowers, Seagraves.

A musical program is being planned for the regular third Tuesday covered dish luncheon at Friendship House.

This monthly get together begins with a game session in the morning and ends with an afternoon game session.

Mary Johnston, RN, conducts a blood pressure clinic and all senior citizens interested are invited by Athelea Neal, president, to attend.

Dewayne and Cheryl Procter and children, Darran, Wade and Darla Sue are home following a visit in the home of her parents, Mr. and Mrs. Gerald Ramage, who live in Carthage, Texas.

The Ramages are former residents of the Lazbuddie Community. Incidentally, the Procters have

purchased the home of Mayor Wright Williams at 1303 West Sixth Street and will soon be moving from their present home, 711 West Fifth.

Tera McGlothlin had a twelve day vacation in Hawaii recently. She accompanied her sister, Gladys Hughes, and niece, Carmen Ives of Cortez, Colorado, on a sightseeing trip. They visited four of the Hawaiian Islands and reported a wonderful trip.

Four members of the Walter Hill family who recently moved from Glenwood, Arkansas, to Viola Treider's house at 901 West Fourth, are Friona residents for the first time.

The fourth, the former Barbara Bracken, was born here and was a member of Friona High School's 1965 graduating class. The Hill children are Tony, 14; Cynthia, 11; and Gwen, 9.

The Hills lived in Alaska a number of years before moving to Arkansas a couple of years or so ago.

Barbara, the daughter of Mr. and Mrs. Gene Bracken, is the sister of Melba Smiley and Rex Bracken.

Eugene and Doris Boggess may not have any Father's Day visitors, but they had most of their children and grandchildren home at the same time last weekend.

Wendy Boggess and children, Dusty and Jared, who live in White Fish, Montana, have been visiting here a week or so and Robbie Rucker and children, Lisa and Mitch Welch, all of Midland, spent the weekend here.

Wendy's husband, Joe, is in the construction business and the winters in northern Montana, where they live, are so severe that building contractors never have summer vacations.

Laverne Burrow returned home Friday after a two week visit in the

home of Mr. and Mrs. John C. Burrow and children, Tina and Tona, who live in the small town of Midfield, which is near Boston, Massachusetts.

John is a zone manager of the Chevrolet Division of General Motors and his territory is made up of thirteen states in the New England and Middle Atlantic group.

Laverne reported rainy cold weather with dogwoods and azaleas blooming in profusion.

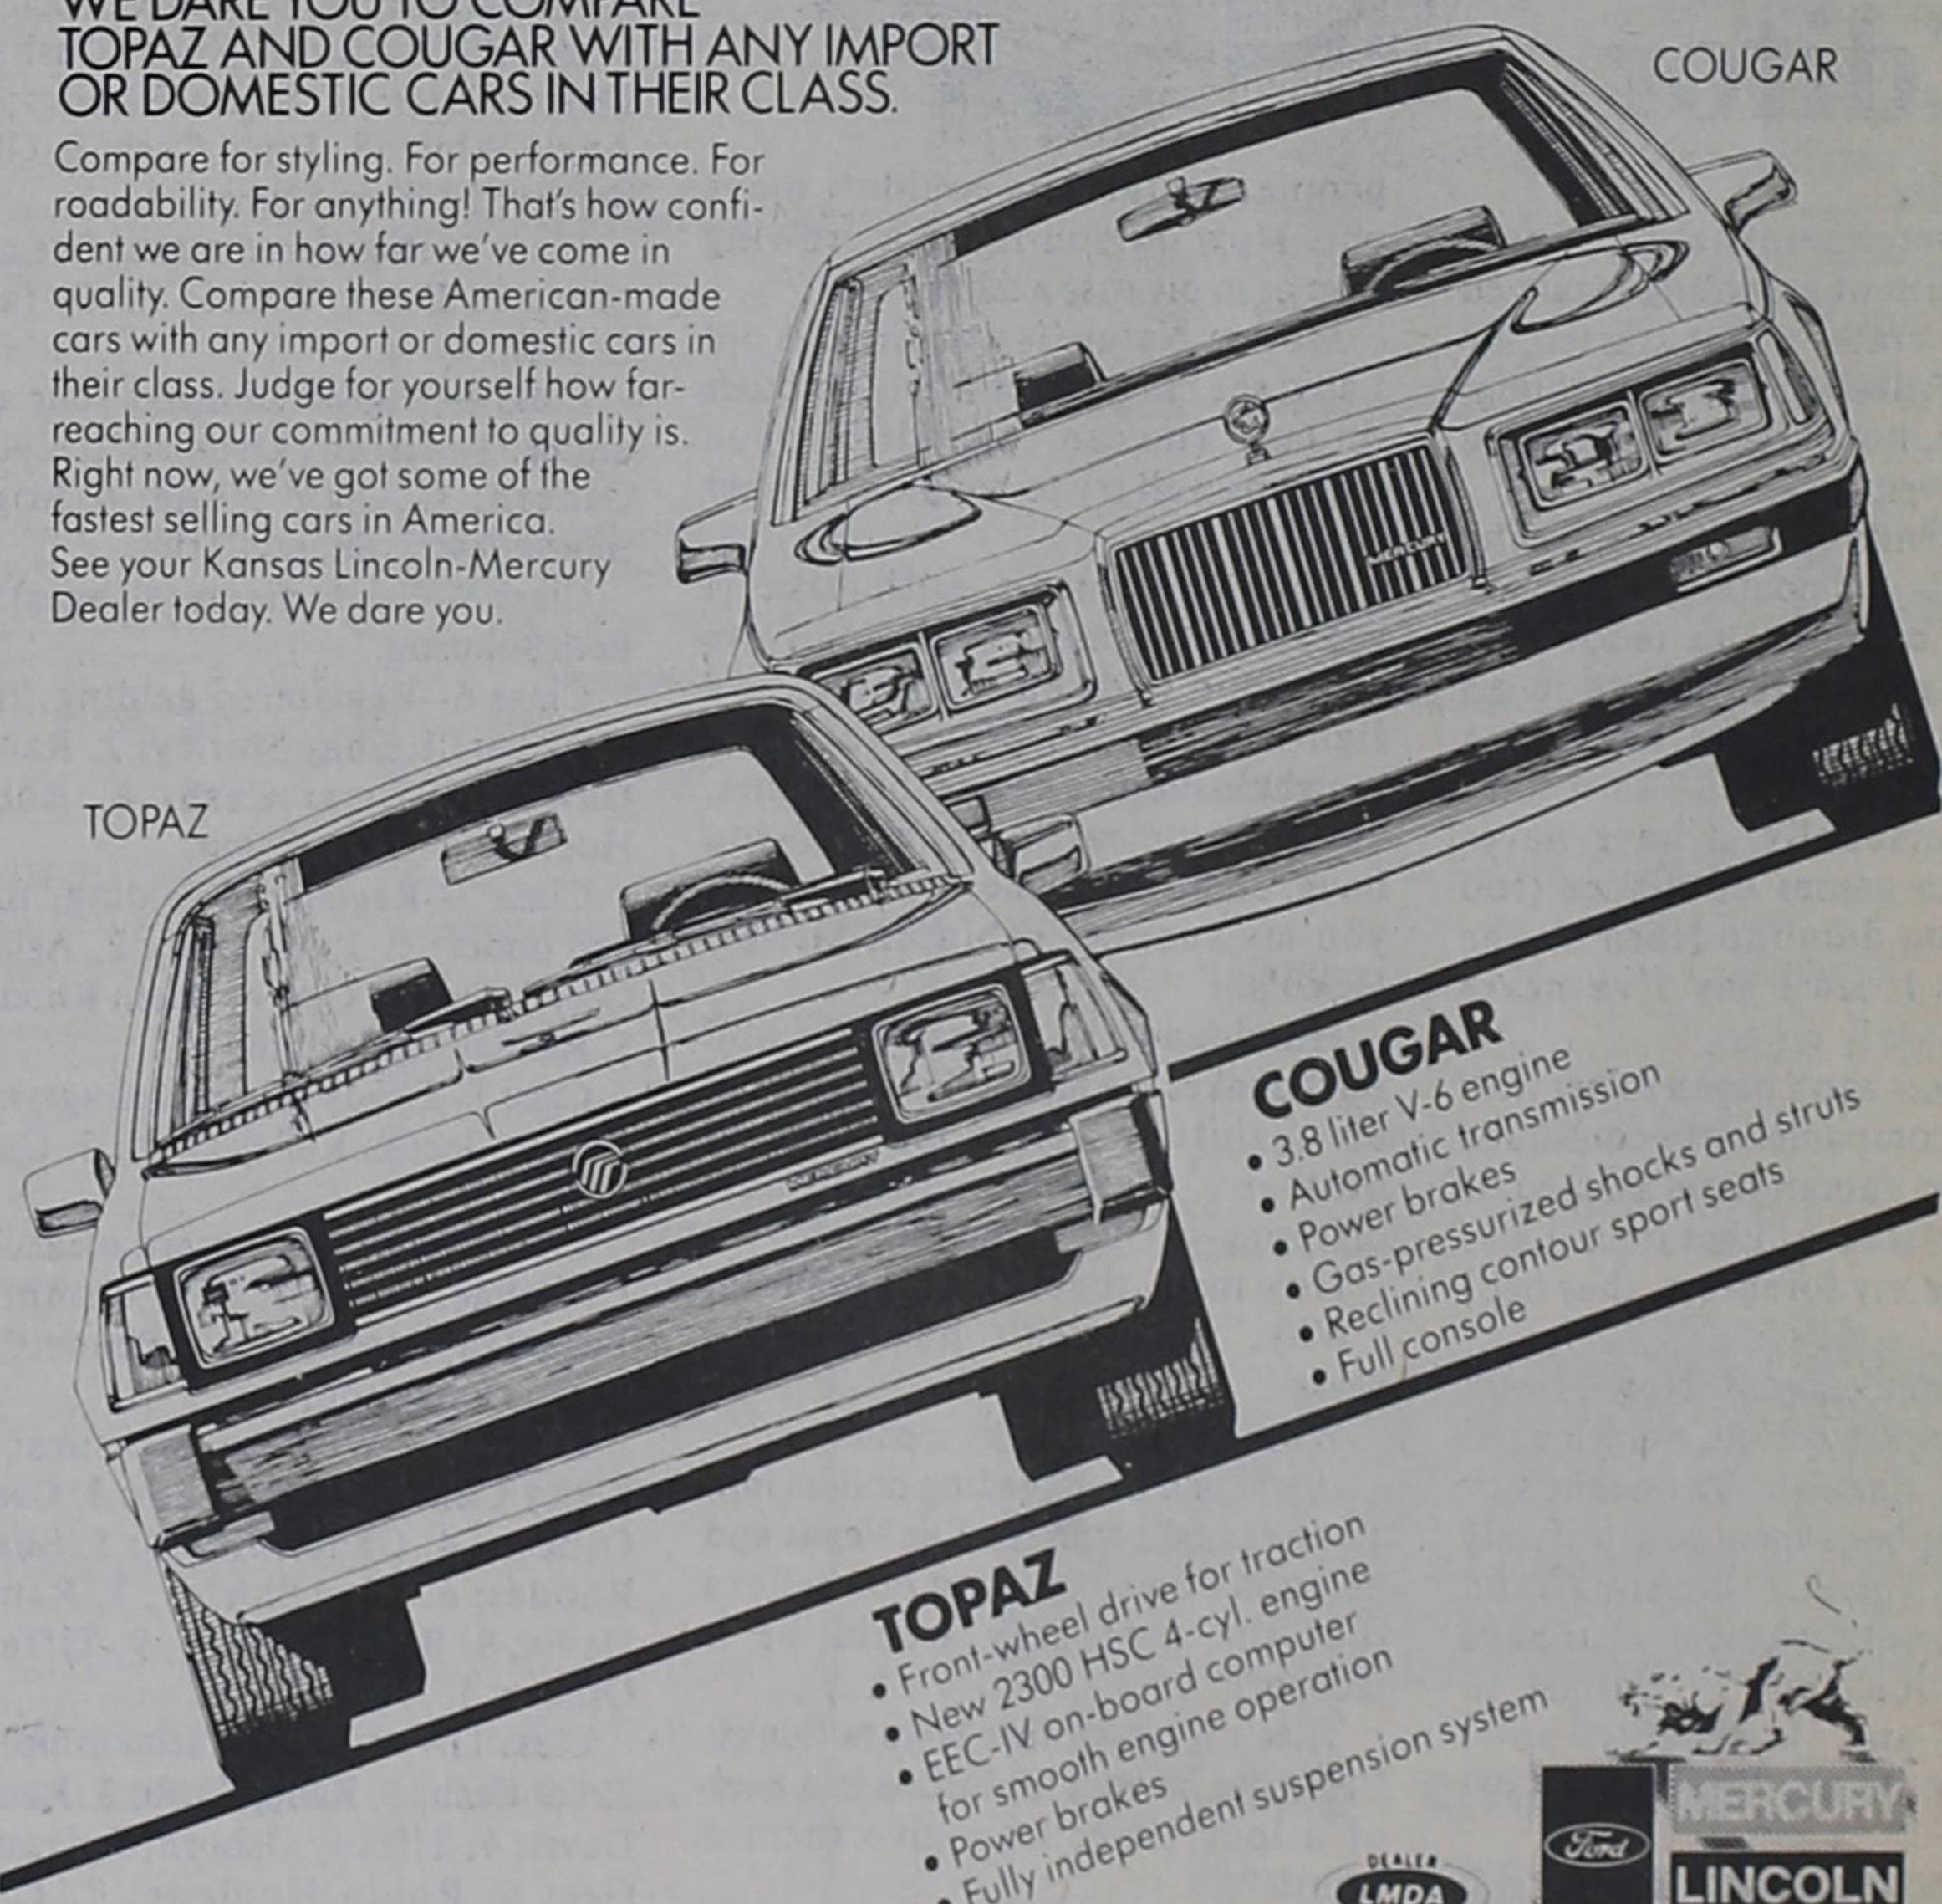

MR. and MRS. V.R. JORDAN....Mr. and Mrs. V.R. Jordan, who were observing their sixty-fifth wedding anniversary, were honored with a family dinner at Thompson House Sunday. Those present, besides the hosts, Mr. and Mrs. Marvin Jordan, were Mr. and Mrs. Bobby Jordan and children, Lori and Todd, Friona; Mr. and Mrs. Jerry Michaels and Kyle, Amarillo; Mrs. Lee Cranfill, Dumas; Mr. and Mrs. Roy L. Morrow, Dallas; and Mr. and Mrs. Johnny Ford, Fordyce, Arkansas. The same group, with the exception of Mrs. Cranfill and addition of Mr. and Mrs. Clark Kaufman, Amarillo, were afternoon and evening guests in the Jordan home. The honored couple also received telephone calls from J. Cranfill, Dumas, and Ken Jordan, Amarillo, grandsons who were unable to be present.

The bridegroom is a 1982 graduate of Clarendon High School and is attending Clarendon Junior College. He is engaged in farming.

Vacation Bible School Set At Congregational Church

Union Congregational Church has set plans for a different kind of Vacation Bible School program this year. Instead of a full week of activities, three separate days of fun and study have been put on the calendar.

The first date is this Tuesday, June 21. All children kindergarten through sixth grade are invited for a day of learning about God's Creation. Bible School will start at 10 a.m. at 1601 Euclid and run until 1:30 p.m. Each

child is asked to bring a sack lunch. Drinks will be provided.

Other dates for Vacation Bible School this summer are Wednesday, July 13 and Wednesday, August 3. One day will be devoted to studying the "Life and Times of Jesus Christ" and the other to the life and work of another Bible character.

Come and join the fun of exploring God's world! For more information, Rev. Skip Sirnic can be reached at 247-3635.

Summer Day Camp Termed Successful

The Friona Parks and Recreation Department Summer Day Camp has just completed its first session. Aside from weather problems, the camp has been a big success with day campers and counselors alike having an enjoyable time.

The first week's activities included: Monday as registration day and a time of getting to know each other better with games and songs. Tuesday was movie day and the movies shown were *A Bugs Bunny Cartoon* and *Laurel and Hardy's Another Fine Mess*.

Wednesday was swim day and the campers had the swimming pool all to

themselves for an hour's worth of swimming and fun. Thursday was dress up day and since the theme for the first week was "Wacky Week," the children dressed as wacky as they wanted and they got a chance to model their crazy outfits.

The last day of Wacky Week was special event day. This day was spent playing wacky games like an "Almost Anything Goes" event with competition between teams with the first and second place teams receiving ribbons.

To register for one of the succeeding camps, contact the City Hall at 247-2761.

R. Gomez Celebrates Her Third Birthday

Sherry O'Brian, Bobby Thompson Exchange Vows In Church Ceremony

Sherry Dawn O'Brian and Bobby Darell Thompson, both Friona residents, exchanged wedding vows Wednesday, June 1 at 6 p.m.

The ceremony was held in Friona's United Methodist Church with Rev. Geary Brogden of the First Baptist Church, Friona, performing the wedding ceremony.

The bride is the daughter of Mr. and Mrs. Dwight O'Brian of Friona.

The bridegroom is the son of Mr. and Mrs. Darell Thompson of Friona and Jan Thompson of Hereford.

The altar was centered with a heart shaped candelabra with an arrangement of white and mauve colored flowers surrounded on each side by a 15 branch candelabra and a seven branch candelabra. Bouquets of orchid lilacs and pink lilies in a fluted brass basket and two schiffli plants, which the bride will use in her home, were on each side of the kneeling bench. The windows were decorated with two votive candles and arrangements of orchid flowers. The pews were marked with greenery and white bows.

Eva Miller of Friona, organist, and Owaissa Fallwell of Dexter, New Mexico, pianist, presented wedding music. She is a cousin of the bride. Linda Murphree and Geary Brogden sang "Endless Love" and "You And I." Jay Ray Watson of Hereford sang "Surely The Presence" as they lit the unity candle, "God, Man, Woman" and "One Day At A Time." The trio sang "The Lord's Prayer."

As the bride was presented in

Gene Waits Have Boy

Mr. and Mrs. Gene Wait of Dimmitt are the parents of a baby boy born Saturday, June 11 at 9:39 a.m. in West Plains Medical Center, Muleshoe.

Named Darrel Allan, the new arrival weighed eight pounds, one ounce. He is the first child for the couple.

Grandparents are Mr. and Mrs. John Price of Friona and Mr. and Mrs. John Wait of Dimmitt.

Great-grandparents are Mr. and Mrs. Wesley Wait of Campo, Colorado, Margaret Brownlee and David Brownlee of New Mexico.

Great-great-grandparents are Mr. and Mrs. William Vanderwerf of Odessa, Missouri.

marriage by her father, she wore a formal length gown of white silk organza accented with alencon lace and fashioned with a Queen Anne neckline, an empire waistline, sheer illusion sleeves with wide lace cuffs with fine rows of accordion pleated silk organza and lace flowing down the back from the waistline to a cathedral length train. All lace on the dress and train was enhanced with seed pearls.

The bride wore a wide brimmed hat of accordion pleated silk organza. The top of the hat was alencon lace and pearls. The back was picked up in a fan-like bow of neplon net with a satin rose and organza satin ribbon. Mid-length streamers of neplon net completed the look.

She carried a bouquet of white camillias, mauve, white and orchid stephanotis, burgandy roses, white phalaenopsis orchids with white lace, mauve, orchid and white ribbon streamers.

Carrying out bridal tradition, she carried a white Bible carried by her mother and wore wedding rings belonging to her paternal grandmother for something old. Her

Royce Kecks Have Baby Girl

Royce and Catherine Keck of Morton are the parents of a baby girl born Monday, June 6 in West Plains Medical Center, Muleshoe.

Named Chelsea Michele, she weighed six pounds, fifteen ounces and was nineteen inches long at birth.

Grandparents are Mr. and Mrs. R.L. Duke of Friona and Mr. and Mrs. Beal Keck of San Angelo.

Great-grandmothers are Mrs. Robert Duke of Clarksville and Mrs. A.W. Underwood of Sinton.

Boy Is Born To Richard Baileys

Richard and Sharon Bailey of Levelland are the parents of a baby boy born Sunday, June 12 in Lubbock General Hospital.

Named Andrew Titus, the new arrival weighed nine pounds, five ounces and was twenty-two inches long. He has an older sister, Suzanna, two years old.

Grandparents are Bud and Wanda McElroy of Levelland, formerly of the Hub Community.

dress was new. She borrowed diamond earrings from her maternal grandmother and wore the traditional blue garter.

Diane Johnston of Friona was the maid of honor. Bridesmaids were Teresa O'Brian of Friona, sister of the bride, and Mrs. Tonda Clark of Friona, sister of the groom.

Her attendants wore long dresses of cotton voile with a ruffle worn off-the-shoulder. A ruffle around the bottom was attached to the waistline in back to form a cascade.

They carried nosegays of white, orchid and mauve flowers with white lace streamers and satin ribbon to match their dresses. They wore matching flower combs in their hair.

Joel Hight of Friona was the best man. Groomsmen were James Clark of Friona and Greg O'Brian of Friona, brother of the bride.

Serving as ushers were Jay Hight of Albuquerque, New Mexico, Mike Hubbard of Amarillo, Charlie Morgan and Kirk Frye, both of Friona.

Gina and Tina Willard of Friona were the flower girls. They wore long white dresses with eyelet yokes with two tiers of lace around the bottom. They carried small nosegays of mauve and white flowers and wore matching combs in their hair.

Cam and Dee Buchanan of Lubbock were the ring bearers.

Jimmy and Cathy Williams of Friona, brother and sister of the groom, lit the candles.

The reception was held in the Fellowship Hall of the church.

Tawnya Hand, cousin of the bride, presided at the guest registry.

The bride's mother and father and her maternal grandparents, the T.G. Whites, also celebrate their anniversaries on June 1.

The bride's table was covered with a mauve tablecloth with a white lace cover. An arrangement of orchid and mauve flowers with five white tapers and baby's breath accented the table setting.

The groom's table was covered with a wine colored cloth with a cutwork overlay. A silver coffee service completed the table setting.

Judy McLellan and Debbie Wilcox served cake. Punch was served by Sheri Brown. Shea Woodard served from the groom's table.

Sarita Ellis of Friona presented "Thank You" scrolls to each guest as they were seated.

Following a wedding trip to Red River, New Mexico, the couple will reside southeast of Friona.

For traveling the bride wore a white long sleeved dress with tucks around the bottom of the skirt and yolk accented with a multi-colored belt.

Special guests were grandparents, Mr. and Mrs. T.G. White of Corpus

Mrs. Bobby Thompson

Christi, Kenneth O'Brian, Mr. and Mrs. John S. Thompson, all of Friona, and Mr. and Mrs. Duane Darling of Lazbuddie.

The bride is a 1983 graduate of Friona High School.

The bridegroom is a 1980 graduate

of Friona High School and attended San Marcos University.

REHEARSAL SUPPER

A rehearsal supper was held in the Woman's Club House and was hosted by the groom's parents.

SAVE 20% ON A GAS GRILL

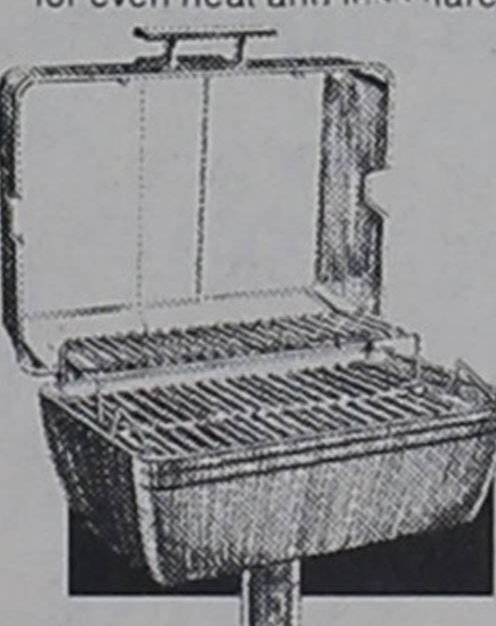

...JUST WHEN YOU WILL USE IT MOST!

Here's an opportunity to buy a gas grill at a big savings... and have the whole summer ahead to enjoy it. That's a real bargain! You will make the most of our great West Texas evenings and weekends cooking outdoors. Gas grills give food that wonderful outdoor flavor without the mess of charcoal or the bother of LP tanks. And, while you are having a hot time in the backyard, your kitchen stays cool. The money you save by buying now will put a lot of hamburgers and steaks on that grill. Now's the time to move up to gas grill cooking while prices are down.

Prices in this ad reflect corrections from those listed in Energas statement enclosure on gas grills.

DUCANE

Ducane cast-aluminum grills feature top-ported aluminized-steel burners, which last longer and save gas, and a unique coal grate designed to prevent flare-ups. Some models have Rotis-A-Grate, a separate vertical burner for roasting from behind the meat, and porcelainized-steel cooking grids.

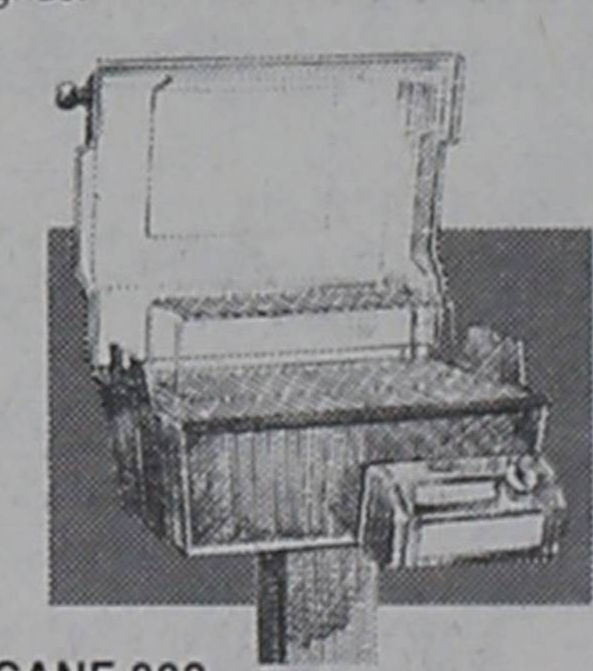

DUCANE 1502
Dual burners, dual controls — one for each side, when you don't need to use the full 410 sq. in. porcelainized-steel cooking grid, plus 108 sq. in. chrome warming rack and Vermont Maple side shelf.
