FHS Homecoming '88 deemed a success

By Anne Carthel

Homecoming 1988 was deemed a success by all in attendance. Friday's registration began at noon and continued until the pep rally at 3:15.

The pep rally took place this year at

the track field in order to provide seating for the exes and the homecoming queen candidates' parents. The snake dance and the pep rally evidenced the spirit and excitement both the exes and the FHS students felt for the Homecoming game.

Both the junior varsity and varsity cheerleaders performed with feats of pyramids, basket tosses, and stunts. The Homecoming queen candidates and their parents were presented. Many memories of past pep rallies were brought to hearts and minds when the school song was sung at the conclusion.

The Lion's Club pancake supper served over 600 at the junior high cafeteria prior to the game. The proceeds from this supper are used locally to benefit many individuals.

Following the supper, the stands filled to capacity with a crowd of 5,000 to watch the Floydada Whirlwinds shut out the Lockney Longhorns, 35-0. An excellent halftime performance by both bands climaxed the crowning of the Homecoming queen for 1988, Miss Blanca Medrano, 17, daughter of Alfredo and Elvira Medrano. Tiffany Gentry, 16, daughter of Travis and Geraldine Gentry, took first runner-up, and Rhoda Hernandez, 13, daughter of Mr. and Mrs. Frank Maldonado, was the second runner-up.

Following the game, a teen dance was held at the Massie Activity Center with DJ Don VanLandingham, who did an outstanding job with the music. About 240 teens were in attendance at the dance.

Local exes hosted reunions and parties throughout the town after the game Friday night. These get-togethers included almost 60 years of graduates. Certainly our out-of-town exes were made to feel welcome.

Saturday morning registration resumed at 9:00 a.m. at the high school library. Doris McLain did a superb job of organizing registration with the help of student council members and exes.

Coffee and donuts were provided for the exes in the cafeteria with Flora McNeill serving as hostess. The halls of FHS were packed with exes prior to the business meeting at 11:00 in the auditorium.

The business meeting began with the invocation by Ronnie Hill (class of '68), followed by the welcome by Student Council president, Tiffany Gentry. The junior class held its drawing for a shotgun and announced the ticket winner, David Martinez of Dougherty.

The meeting was then called to order by Larry Barbee, Floydada Ex-Student Association president. The minutes of the past homecoming meeting were read by the secretary, Anne Carthel. Linda Matsler, treasurer, followed with a report of the finances of the association.

Lovene Moore presented a stirring memorial service in dedication to all those exes who were deceased since the past homecoming in 1984. This service was concluded with the song, "Beyond a Sunset" sung by Trava Gentry May (1979), Terri Gentry Patrick (1981), Teresa Gentry (1986) and Tiffany Gentry (1989).

The Student Council officers and the queen contestants were recognized by J.E. Waller. Larry Barbee then introduced school board members and any present or past administrators and teachers. Jaynette Harrison recognized our present foreign exchange student, Norman Langhoff who was not present, and then recognized our two former students who returned for the homecoming festivities, Enrico Pizzini (1972) from Italy and "Jep" Varankana Timwathana (1976) from Thailand. They were presented caps bearing the new "Floydada, Pumpkin Capital of the World" logo. A letter from Peter Prischel (1970) who was not able to attend but wanted to convey his good wishes, was also read by Jaynette.

Linda Matsler recognized the class of 1958 who had 25 registered. She also recognized exes in the classes prior to 1930. The anniversary classes of 1938, 1948, 1958, and 1969 were also recognized. The class of 1968 had a summer reunion and was therefore not recognized.

New business for Homecoming 1988 included the presentation of new officers and a motion concerning the future dates of all Homecomings. The new officers recommended were: president, Darlynn Warren Hambright (1953); vice-president, Bobby Gilliland (1968); recording and publicity secretary, Julianne Lipham Cornelius (1981); corresponding secretary, Becky Bertrand Emert (1976); and treasurer, Olin Watson (1939). These officers were unanimously elected. The motion was made by Polly Cardinal that the Homecoming officers for 1992 be instructed to recommend that future homecomings of FHS be held in the month of October. The motion was passed.

Mae Garrett was recognized as being the oldest ex in attendance, and several exes were recognized for traveling the farthest distance nationally, as well as the international distance travelled by "Jep" who came from Thailand.

Acknowledgements were made to Ronnie Wood, Jerry Cannon and the main office personnel, Student Council, Tom Assiter, Barron Wetsul and the FFA, Lighthouse Electric, Coop Gin, The Palace, Thompson's, Gary, Thayer and Bowers, CPA, Sheree Cannon, Lou Burleson, Carol Reese, Shop Rite Foods, Joe Christian, Charles Tyer, Floydada Power and Light, Chamber of Commerce, Jerry Warren and Penny Giesecke.

Following the business meeting, exes were dismissed to enjoy a catered lunch by Danny's Hens and Fins. Lunch was served to 930 exes in the high school gym, cafeteria and patio. At 1:00 the class meetings began and exes joined in groups for visiting and renewing old acquaintances. From 3:00-4:00, the band and athletics groups met.

Saturday afternoon there were several local reunions held in individuals' homes prior to the dance. The dance began at 9:00 p.m. at the Coop Gin barn

and despite the rain, over 500 people came to enjoy the music and the company. The music was provided by Mal-

function Junction. At the conclusion of the dance, Nielson's catered breakfast to those exes who remained.

1988 HOMECOMING QUEEN— Blanca Medrano, 17, was crowned 1988 Homecoming Queen during last Friday night's halftime activities. Blanca was escorted by her father, Alfredo Medrano. Photo by R Photography

MY RIBBON'S BIGGER THAN YOUR RIBBON— One year old Meghan Graham, daughter of Debra and Scott Graham, appears to be a little envious of the ribbon worn by three-year old Skyler Cornelius, son of Julianne and Eric Cornelius. Staff Photo

Membership drive kicks off Sept. 28th

If you happen to be one of those individuals or businesses who have not gotten around to joining the Chamber of Commerce, or if you happen to be one of those non-members who is not sure who the chamber directors are, then you better get ready to meet your chamber.

Wednesday, September 28, will be the kickoff day for three days of hard sell by the Floydada Chamber of Commerce. All potential new members, (over 100 businesses and individuals) will be called upon by the board of directors.

In an effort to add some fun and excitement into the membership drive the directors have been divided up into two teams consisting of seven members each. The teams will be competing against each other to see who can obtain the most new members. Monte Williams, chamber president, will head up the team called The Hard Chargers. Nettie Ruth Whittle, chamber manager, will head up the team of The Bold Ones. Each team member will have the same list of names, so you should be prepared to be visited seven times.

"We are looking for The Most Wanted—those that are not members of the Chamber of Commerce," said Whittle.

"To reward the winning team, the losing team will have to prepare a meal and serve it to the victors, and we already have our teams picked and ready to go," said Williams.

The Floydada Chamber of Commerce funds economic development programs improving our business climate and attracting new business to our area.

The Floydada Chamber of Commerce sponsors and promotes local events to encourage community participation and enjoyment. "We stay busy all year," said Whittle. "Just some of our yearly events include: Floydada Stock Show, helping in obtaining Christmas decorations around the city, awards for best lighted homes and businesses at Christmas, banquet, membership breakfast, cash bonus for the first bale of cotton, and 'Punkin Day' activities. The chamber

also stays busy publishing brochures and maps that outline Floydada's assets and dispense community information to non-local interests."

"The chamber depends upon the support of our business and farming community to be successful," said President Williams. "We encourage you to join us and become an active part in our progress. We are a non-profit association of over 250 businesses and individuals

Allen Bros. Circus arrives Wednesday for two shows

St. Mary Magdalene Church is once again sponsoring a circus for Floydada. This year's circus will be brought to us by Allen Bros. Circus. They will arrive in Floydada early Wednesday morning, September 28. Acres of canvas, including a large big top, will be erected at the Rodeo grounds.

The circus will be unloaded between 7 and 8 a.m. and the big top will be pulled into the air between 9 and 10 a.m. Performances will be at 5:00 p.m. and 7:00 p.m.

Reduced rate advance tickets are on sale now from all members of the St. Mary Magdalene Church, Azteca Restaurant, Evelyn's Beauty Salon, and Jim and Gloria Gomez at 222 W. Kentucky. The reduced rate, advance tickets, are available only before circus day.

Allen Bros. Circus is an opportunity to relive the childhood excitement of the circus or to experience this special excitement for the very first time. This circus is one of ten tent circuses which operate in the United States.

Allen Bros. Circus has it all - jugglers, clowns, acrobats, aerialists, elephants and much, much more.

Allen Bros. Circus will travel over 25,000 miles this season, showing in over 225 cities in 23 states and four Canadian provinces. The circus is on the road nine months out of the year, generally playing in a different town each day. The remaining three months are spent at

accomplishing collectively what no one individual or firm can do alone."

Membership dues are \$75.00 for businesses plus \$10.00 for each full time employee and \$5.00 for each part time employee. The chamber would arrange for the dues to be taken out in a bank draft each month, if the business would prefer. The Floydada Chamber of Commerce is 100% tax deductible.

the show's winter quarters in Central Florida preparing for the next season. The show is a complete city within itself, with its own power plants, commissary, water supply, first aid personnel, and even its own mailman.

Tickets for first masquerade ball go on sale

This year your Halloween costume won't go to waste after only a couple of hours of fun. Not only can you compete in the 'Punkin Day' costume contest but the Women's Chamber of Commerce wants you to dress up for the first 'Punkin Day Masquerade Ball.'

Costumes are optional but to add to your enjoyment, people are encouraged to get in the "spirit of things" and come in costume.

This year's dance sponsored by the Women's Chamber of Commerce will feature the music of the popular Slow Motion Band. Tickets are on sale now for \$5.00 per person. Proceeds will go to help the Women's Chamber and their community promotional activities.

The date of the dance has been set for Punkin Day, Oct. 29, from 9:00 p.m. - 1:00 a.m. at the Massie Activity Center. Tickets can be purchased now from any women's chamber member or at the Floydada Chamber of Commerce office.

Juan Martinez wins first place

Juan P. Martinez claimed first place in the third week of the Hesperian's annual football contest. Martinez failed to correctly select only three games out of the 21 played. (The Texas A&M-Alabama match up was counted as a freebie for everyone after cancellation, courtesy of hurricane Gilbert.) Martinez will receive the \$10 first place money.

Second place was decided by a tie breaker score of 30 from Sammy Hale. Hale missed 4 picks to receive the second place money of \$6.00.

Third place winner was Deneen Marricle who also missed 4 games and chose a tie-breaker of 27, eight points shy of the total 35. She will take home the \$4.00 third prize. Checks may be picked up at the Hesperian office on Friday.

Rating honorable mention with 5 incorrect games were Sheree Cannon, Joe

Hawkins, W. O. Newberry, Franklin Harris, Doug Ward, Gene Lowrance, Ricky Mosley, Wes Campbell, Sarah Sanders, Kevin Tipton, Kirt Wyrick and Bill Clemmons. 19 entries had 6 incorrect choices. There are now 88 entered in the contest.

CONTEST STANDINGS

Tabulation of this week's results finds Steve Brooks leading the pack alone in the race for the Cowboys-Oilers tickets. Brooks has a total of 49 points. Following closely with 48 points are Jean Hale, Sherry Hale, Doug Ward and Sammy Hale. Joe Jones, Franklin Harris and T. L. Holland check in this week with 47 and Deneen Marricle, Mike Anderson and Juan Martinez tally 46.

Lucio Vasquez, Bob Marler, Laura Hale, Wes Campbell and Sheree Cannon each have 45 points. Lisa Mosley, Tom Moore, Sarah Sanders, Andy Hale, Ricky Mosley, Jared Mosley, Dale Jahay and Bell Clemmons stand at 44. W. O. Newberry posted 43 this week while Brent Sanders and Clay Simpson came in at 42. Scott Redden and Robert Redden each have 41 and Glenda Wilson, Keith Marricle, Travis Gentry, Mike Reeves, Sammy Bradley, Jack Robertson and Nelda Enriquez have a total score to date of 40 points.

Remember to enter each week to continue piling up the points!

Weekend rainfall amounts measured

Remnants of Hurricane Gilbert drenched parts of Floyd County on Sunday, while other parts of the county were reportedly 'mowing their grass'.

Rainfall amounts across the county were as follows: Floydada, 2.7", Dougherty, 4", Lockney, 1", McCoy, approximately 3", Aiken, 1/2", Muncy, 1 3/4", South Plains, and 1.4", and Lakeview, 4".

FISD to issue gold cards

Senior citizens 65 years of age and older will be given a gold card from the Floydada Independent School District to attend all extra curricular activities free of charge. Come by the administration office, 226 West California Street and get your card. Superintendent of Schools, Jerry Cannon expresses his appreciation to all of the Floydada senior citizens for their loyal and continued support.

Women's Chamber needs your pumpkin recipes for cookbook

Anyone wishing to submit their pumpkin recipes to the Women's Chamber of Commerce must do so by September 27.

The recipes will be printed in a booklet that the Women's Chamber will hand out free at "Punkin Day", October 29. In order to be printed in time, the recipes must be in to the printer by September 27.

If you have been putting it off, but meaning to get them in, send in your recipes now to: Women's Chamber of Commerce, Box 291, Floydada, Texas 79235.

SALUTE TO EMS-September 18-24 has been proclaimed "Emergency Medical Services Week in Texas," by Gov. Bill Clements. The event honors the specially trained persons whose timely actions often make the difference between life and death. Texas ambulances respond to more than a million calls each year. State law requires that

each vehicle be licensed by the Texas Department of Health, and that each be staffed by at least two persons certified in EMS. Pictured here are Floydada's volunteer EMS personnel: (left-right) Paul McIntosh, Coordinator Rhonda Guthrie, Maria Vasquez, and Mike Reeves. Not pictured are Bill Stringer, B.J. Villereal, and Barbara Hernandez. Staff Photo

SEAL OF EXCELLENCE-There are 3200 Buick dealers in the U.S. Out of the 3200, only the top 20 are recognized by Buick for dealer satisfaction. City Auto of Floydada is one of those 20. In honor of this achievement, Leroy Burns, owner of City Auto, was presented Friday, with the Buick General Sales Manager Seal of Excellence. The seal is an

embossed bronze plaque depicting Burn's profile. The plaque hung in the Buick Gallery of Achievement at the Buick home office, in Flint Michigan, for one year before the presentation. Shown here are: (left-right) Greg Goethe, Buick District Service Manager; Leroy Burns and Greg Fraley the Buick District Sales Manager. Staff Photo

-Letters To The Editor-

Dear Editor:
I am writing to commend Neta Marble on the coverage of her "Fifty Years Ago" and "Glancing Back in Time" columns. I really enjoyed reading them. I'll bet many others did also. May we please read some more of these in the future?

I really enjoy the paper and reading about home town people. I enjoy Carl Lemons' Cedar Hill news. Can you get more people interested in writing about events in their community? Please keep the paper as big as it has been in the past few weeks.

You had an article about Clarence Guffee a few weeks ago. Let me tell you another story about how he went out of his way to help a child pass the summers pursuing her favorite hobby of reading. We had no public library at the time, and when my mother told him how much I liked and needed to read, he loaned me regular schoolbooks from the school library. I suppose I read everything in that library. I was lucky someone was interested in helping develop a child's

mind. I have never forgotten this. Thanks again, Mr. Guffee!

This is in reference to some controversy in the last few weeks. Old friends and acquaintances, please let Floydada remain the people that I knew, caring about and sharing with everyone, whether it be a kind word, a smile, or

doing a good deed. That is what life is all about and that is also the way I remember all of you.

With love to everyone,
/s/ Joyce Porter Wallace

Albert stresses workers comp reform in interview

Candidate for the Texas State Senate, Bobby Albert, was in Floyd County Friday kicking off his fall campaign and stressing workers compensation reform.

During an interview with The Hesperian, Albert stated, "When I began this campaign I was worried about bringing jobs to Texas, but now I am concerned about keeping Texas jobs in Texas. We are losing jobs to other states like Illinois and New York because their workers comp rates are so much lower."

Texas employers are paying premiums that are in the top 10 percent in the nation, and Texas workers are receiving benefits that are in the lowest 10 percent in the country.

"If a manufacturer has the choice between locating in a state where the cost per employee is \$2000 like Texas, or \$89 like Georgia, it is not hard to figure out where he is going to go."

"Personal injury lawyers should enter

the picture only if there is a question of law, not more money."

"My opponent received a large contribution from personal injuries lawyers. If you want to know if a candidate is serious about workers comp reform, you need to ask him two simple questions: one, are you willing to eliminate lump sum settlements, and second, are you willing to do away with Trial de novo? Trial de novo is a legal tool used by the personal injury lawyers to drive up the amounts of settlements, which puts more money in their already overflowing pockets. I would like to know where my opponent stands on these issues."

Albert ended his interview by saying that he would like to form a "Team 30." It would be a team of local and state officials in the 30 counties who would meet on a regular basis. We could then be one voice on all issues in question and make sure we get our fair share from Austin."

BOBBY ALBERT

Hale selected as chairman for Bush campaign

Bill Hale of Floydada was named Friday as the Floyd County chairman of the Texas George Bush for President Campaign.

Tom Loeffler, co-chairman of the campaign, said Hale will help coordinate campaign events in the county through the November election.

"We know this will be a hotly contested race, but with the strong network we are creating in Texas and with creative leaders like Bill, I know George Bush will be our next president," Loeffler said.

Penny Butler, also a co-chairman of the campaign, said the more than 160 county chairmen in the campaign will work closely with regional Bush officials and with the headquarters office in Austin.

American Cancer Society sets up toll-free response system

Residents of the area now have an opportunity to have questions about cancer answered by calling a toll-free number which will be staffed by trained

American Cancer Society volunteers. These volunteers have access to a comprehensive database of information. The toll-free number is 1-800-ACS-2345, and may be called from anywhere in Texas between the hours of 8:30 a.m. and 4:00 p.m. (CST).

Callers may ask questions about the disease, about cancer detection and warning signs, and about treatments. Callers can find out about services that are available to patients and their families, both local services and educational services for public groups.

Remember this number 1-800-ACS-2345.

We Salute...

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 8, 1988

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment providing that when the federal government reimburses the state for expenditures of state funds dedicated to acquiring rights-of-way and for constructing, maintaining, and policing public roadways, such federal funds must also be used for those purposes.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment and/or clarification providing that federal reimbursement of state highway dedicated funds are themselves dedicated for the purpose of acquiring rights-of-way and constructing, maintaining, and policing public roadways."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 2 proposes a constitutional amendment to establish an economic stabilization fund in the state treasury. The fund would consist of one half of the unencumbered balance of general revenues at the end of a biennium and three fourths of the difference between the net oil and gas production taxes received in a fiscal year and the net oil and gas production taxes received in the 1987 fiscal year. During any fiscal biennium, the amount in the economic stabilization fund could not exceed 10% of the total deposited in general revenue in the preceding biennium.

The state comptroller and the state treasurer could decide to trans-

fer monies from the fund into the general revenue fund to alleviate a temporary cash shortage in general revenue. The legislature could make appropriations from the fund on approval by a three fifths vote of each house to make up the difference between anticipated general revenue and appropriations. On approval of two thirds of the members of each house of the legislature, the legislature could appropriate monies from the fund for any purpose.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment establishing an economic stabilization fund in the state treasury to be used to offset unforeseen shortfalls in revenue."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 5 proposes a constitutional amendment that establishes the Texas growth fund. All investments of the Texas growth fund must be directly related to furthering economic growth and employment opportunities in Texas. At least 50 percent of the fund must be invested in equity and/or debt security for the initial construction, expansion, or modernization of business or industrial facilities in Texas. Not more than ten percent of the fund may be invested in venture capital investments. Of the funds available for venture capital investments, not more than 25 percent may be invested unilaterally, and the remaining investments must be matched at least equally by funds from other sources. The Texas

growth fund will be managed by a board of trustees consisting of four members appointed by the Governor and one member from and elected by the membership of each of the following: The Board of Regents of the University of Texas System; The Board of Regents of the Texas A&M System; The Board of Trustees of the Teacher's Retirement System of Texas; The Board of Trustees of the Employee's Retirement System of Texas; and the State Board of Education. The trustees may set the investment policy of the fund, enter into investment contracts, and take any action necessary for the creation, administration, and protection of the fund. The amendment authorizes the Board of Regents of the University of Texas System and the State Board of Education, in managing the permanent university fund and the permanent school fund, to acquire, exchange, sell, supervise, manage, or retain any kind of investment, including investments in the Texas growth fund. The fund will be phased out after the tenth anniversary of its creation, but the Legislature may create a second growth fund by a two thirds vote of each house.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for the investment of the permanent university fund, the permanent school fund, and public employee retirement systems in the Texas growth fund created by the amendment, which will directly create, retain, and expand job opportunity and economic growth in Texas."

Estos son los informes explicativos sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 8 de noviembre de 1988. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.

Reports reflect quiet week for police

Police reports reflected a quiet week in Floydada, however one man was arrested, Saturday, by city police after Officer Gooch had to pull to the side of the road to avoid being hit by the oncom-

ing car.

At 3:10 a.m. on September 17, Officer Gooch was traveling north on 12th street when he observed a 1970 Chevrolet traveling south in the north bound lane. The driver, Joe Natal Baltierra, was stopped and charged with DWI.

Also on September 17 a man was arrested in the 500 block of W. Georgia and charged with public intoxication and for being a minor in possession of alcohol.

Sometime between September 18 and 19 a business in the 300 block of South 2nd was the victim of criminal mischief when someone used ball bearings to put holes in the windows.

A pink frame girls bike was stolen from a residence on September 18 between 3:30 and 4:30 p.m. The bike which has a brown seat and a clear reflector under the seat was leaning up against the side of the house when it was taken.

Courtroom Activities

In county court on September 19, Edmond Howard Evans, Jr., 36, of Washington, pled guilty to DWI. He was fined \$500.00 and sentenced to 21 days in jail. He was also ordered to pay court costs of \$88.50.

Also on September 19, Joe Natal Baltierra, 27, of Floydada, pled guilty to DWI. He was fined \$100.00 and sentenced to one year confinement in the county jail. He was also ordered to pay court costs of \$88.50.

1988 crops eligible for premiums at South Plains Fair

Crops grown during the 1988 season will be eligible to compete for \$1,530 in premiums being offered during the 71st annual Panhandle-South Plains Fair in Lubbock September 24-October 1.

Competition is open to everyone and crops will be accepted from 3 p.m. to 7 p.m. on Sept. 23 and from 8 a.m. until noon on opening day of the eight-day exposition, according to Steve L. Lewis, general manager.

Thomas Cotton Neely will serve as superintendent and Chris Kountz will be the assistant.

Premium money will be paid and ribbons awarded through the first three places in each class, including \$6 for first, \$5 for second and \$4 for third.

Perishable fruits and vegetables are not returnable and will be disposed of as they spoil, Lewis said. Only one sample from each lot will be permitted.

Divisions include cotton, grains and seeds, sheaf grains and seeds, grain sorghum heads, hay (baled), corn, vegetables, fruit and miscellaneous crops.

The human body is built around a frame containing 206 bones. The whole works is linked together with 60,000 miles of blood vessels.

Nearing icy weather could pose threat to home LP-gas users

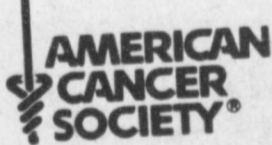

With the winter heating season approaching, Texas homeowners who fuel furnaces and appliances with liquefied petroleum gas should double-check to make sure the regulator on their LP-gas tank is properly installed and protected from snow and ice, say safety officials of the Railroad Commission's Liquefied Petroleum Gas Division.

If the regulator vent ices over, high-pressure gas can be released directly to home appliances. A normal 3/4-inch blue flame on an appliance could suddenly turn into a dangerous torch. Over the past few winters, several home and business fires have been caused by such regulator freeze-ups, officials say.

Commission safety officials say regulators on many home tanks are located under a protective metal dome on the top of the tank, shielding them from weather and insects. Homeowners with tanks where the circular regulator has been installed outside the dome cover should check to make sure that the regulator vent is pointing down toward the ground, away from the weather.

If homeowners are concerned about whether or not their regulator is properly installed, they should contact the LP-gas dealer that fills or services the tank.

LP-gas, more commonly known as propane or butane, is used as a residential and commercial fuel in areas where natural gas utility service is not available.

VOTING

The presidential election is November 8, 1988. The cut-off date for changing precincts or registering to vote is October 10, 1988. The Tax Assessor/Collector's office will not be open for regular business, on November 8th election.

SENIOR CLASS PICTURES

Senior Class Pictures 1935-1959 will be on display at the Floyd County Museum through the month of October. The museum is open from 1 to 5 each weekday.

DIABETES CLASS

Diabetes class will meet Thursday, Sept. 22, at 7 p.m. in the dining room of Caprock Hospital. Please plan to attend, if you or any of your family have diabetes.

MAMMOGRAMS

Caprock Hospital District will be offering mammograms on Sept. 27. Please call 983-2875 for an appointment.

SINGLES

The Floydada Singles Club will meet at 7:00 p.m. Saturday, Sept. 24 at Lighthouse Electric. The group will be having a pot-luck meal. Hostesses will be Ruth Trapp, Ruth Scott, Betsy Dempsey and Nettie Adams.

LIBRARY FRIENDS

Floyd County Friends of the Library will meet Monday, Sept. 26, at 5 p.m. in the Floyd County Library. All members are asked to attend.

CANYON GAME TICKETS

Football tickets for the Canyon game will be sold until 4:00 p.m. Friday at the high school. They will be priced at \$3.00 for adults and \$2.00, students.

BROWNIE REGISTRATION

It's not too late for first or second grade Brownies. Call Debra Graham at 983-5515 or 983-5161.

WHIRLWIND FANS

This Friday night the Winds will travel to Canyon to take on the Eagles, so let's all go out and support the guys! There will be a sendoff at 4:15 at the field house.

RAY MACHA NEEDS YOUR VOTE TO IMPROVE LAW ENFORCEMENT IN FLOYD COUNTY

1. Ray Macha will insist on higher standards of performance for the employees of the Sheriff's office. Employees who cannot, or will not meet these standards will be replaced. Employees who excel will be rewarded.

2. Ray Macha will not allow prisoners to answer the telephone, dispatch on police radio, operate police teletype or act in the capacity of a jailer. They will not be allowed to represent themselves as an employee of the Sheriff's office.

3. Ray Macha understands the importance of cooperation between law enforcement agencies. He is committed to fair, clearly defined responsibilities between agencies that are worked out in a spirit of cooperation and compromise, so that all Floyd County residents will benefit.

4. Ray Macha believes Floyd County residents expect, and deserve more active patrol to help prevent crime and less time spent sitting in an office or coffee shop.

5. Ray Macha will not waste your tax dollars.

I believe there are changes taking place in Floyd County. Changes that can benefit us all. Recent elections of new county officials, and new officials to be elected, point to a desire of the voters for a change. I believe that I can be a part of that change. A positive change for us all. I would appreciate your vote in November.

Political Ad paid for by Ray Macha

MR. AND MRS. ENRIQUE MEDINA

Senior Citizen News

By Thelma Jones

There was a large crowd who attended the high school homecoming Friday and Saturday. The two who were the oldest graduates to attend were Mrs. Kate Bullard Crabtree in 1915 and Mae Montague Garrett in 1918. Probably others I didn't know about. Everyone enjoyed seeing old friends.

Local people had lots of weekend guests in their homes for the event. Teachers and friends called.

The Senior Citizens offer their sympathy to the families of Mrs. Carrick Snodgrass on the loss of her husband and to the J.M. Willsons on the loss of their mother, Mrs. J.M. Willson.

Also sympathy to Mrs. Howell Farnsworth on the loss of her father, and maybe others I don't know about.

We all enjoyed the luncheon last Thursday, so all come on third Thursday in each month. We would love to have you come join and be one of our group. Welcome new members and visitors also anytime. Also come and play 42, 84, bridge, Skip Bo at 5:00 on Monday and Thursday nights. We have a good

time and fellowship.

We still have a lot of sick people in hospitals and rest homes.

Mrs. Myrtle Switzer returned home after a two week visit with her nephew Bennie Lee Ewing in Dallas.

I am sorry I can't tell you who all visited relatives and friends so I won't undertake it as I am sure would miss a lot. Some from far away here for Homecoming.

Everyone enjoyed the rain Saturday night and Sunday. The sun sure looks good this morning. Crops sure need it.

The bus will be going to Lubbock to the fair and if you want to go call 983-2032. The trip will be Sept. 29.

Mrs. Ethel Warren spent last week in Amarillo with her son and family and contacted friends while there also. Her son brought her home and spent the night with her.

Several senior citizens of other places visited our center while here for Homecoming.

Mr. and Mrs. Harvey Tardy will celebrate their 60th wedding anniversary on the 5th of October.

Classes gather for parties throughout the weekend

Class of '53

Homecoming celebrates for the Floydada High School class of '53 met Saturday, September 17, in the home of Gordon and Darlynn Hambricht.

Refreshments of coffee, lime shurbet punch, finger sandwiches, fresh vegetables with dip, and an assortment of sweets were served to 49 from a table decorated with a white cloth. Milk glass appointments held a colorful arrangement of fall gourds. Also highlighting the table were rolls of tissue with the words "Let The Good Times Roll" and "Facts About The Fifties" which added a note of school-yard humor to fond memories of "remember when" came back to classmates as they marked their 35th anniversary of their high school graduation.

Classmates and spouses were: Kerwin and Mary Helen Baxter, Richardson; Charles and Jo Hartman, Amarillo; Bill and Beth Turner, Fritch;

Class of '55

The Class of 1955 gathered in the Crosbyton home of Don and Chris Brints Edwards on Thursday, September 15 for a night of visiting and reminiscing.

Those attending were Waldo Baxter, Hereford, Ginger Tinnen Harber, Shallowater, Jack Jarrett, Rosenberg, Gerry Graves Taylor, Hereford, Stan Vickers, Rosenberg, Bevna Holmes Wilson, Alvarado, Johnnie and Sue Wilson,

Class of '72 & '73 Ladies

A coffee for the ladies from the classes of 1972-1973 was held during Homecoming weekend Saturday morning from 9-11:00 a.m. in the home of Laura Campbell Turner. Thirty Floydada exes attended the gathering representing 16 different locations and three states other than Texas. "Remember whens" and "I haven't seen you since..." were shared by the group.

A former '73 graduate, Patsy Schultz Tomison of El Paso, who could not attend, sent her Homecoming spirit to her classmates in the form of a letter for all to read.

Those attending were: Phyllis Burton, Floydada; LeeAnn Thompson Harendt, Abilene; Shawn Shurbet Pate, Lubbock; Johnnie Thurston Ward, Lubbock; LuAnn Lovell Collins, Monahans; Sherry Harris Parsons,

Billy and Nita Carmack, Corsicana; Beverly Caddel, Plainview; Bert and Rose Grimes, Petersburg; Jerrold and Ima Jean Powell, Ralls; Dr. Brooks and Barbara Chapman, Dallas; Olin and Gleniss Ruth Trapp, Hobbs, New Mexico; Wilton and Betty Green, D'Woodland; Bobby and Donna Smith, Idalou; Troy and Betty McNeill, Lubbock; Mayor Glen Parkey, Amarillo; Roy and Shirley Teague, Hurst; Franklin and Marty Stovall, Houston; Dorman Turner, Hobbs, New Mexico; and Myrna Pyke, Lubbock, Texas.

From Floydada were: Joe Richard and Sandra Noland, Lewis and Ann Reddy, A.C. and Beth Pratt, Don and Gayle Daniel, Scott and Beth Faulkenberry, Harold and Charlene Norrell, Adrain and Ann Helms, Carolyn McDonald Cheek, Fern Hartsell, Winona Jackson, and the host and hostess, Gordon and Darlynn Hambricht.

Crosbyton, Naomi Allen Johnson, Farmington, N.M. and Elizabeth Morren, Hill, Clint, Texas.

Also, Roger and Bo Dean Pate Poage, Bobby and Noma Lou Hamilton Rainer, Aaron Rendon, Harold and Vivian Snell, Melvin and Helen Terrell, Keith and Neta Marble, all of Floydada, and Don and Chris Brints Edwards of Crosbyton.

Plano; Sally Mize Wimberly, Ruidoso, N.M.; Karen Willis Sage, Graham; Linda Beaver Dabrowski, San Antonio; Kathy Lake Westbrook, Amarillo; Alison McLain, Colorado Springs, Co.; Lynn Fowler Rourke, Shaker Heights, Oh.; Annette Jordan Bonds, Muleshoe; Jo Bunch Elliott, Odessa; Joyce Bunch Harnes, San Angelo; Gaye Hammonds Wineinger, Amarillo; and Janie Pyle Mills, Lubbock.

Also, hostesses, Laura Campbell Turner, Olivia Martinez Mercado, Zahn Daniel Turner, Penny Bertrand Ogden, Cindy Day, Vikki Warren Yeary, Cindy Moore Fuller, Beverly Snider Harrison, Sarah Puckett Sanders, Donna Woolsey Anderson, Floydada; Lisa Gregory Mosley, Lockney; Denice Chadwick Payne and Gail Harrison Howard, Plainview.

Former Floydada resident marries in Texas City

Carol Kaylene Reed and Enrique Medina were united in marriage with Judge Bishop of Texas City officiating. The ceremony was held at Davidson House, a restored victorian mansion in Texas City.

The bride is the daughter of Mr. and Mrs. Connie Reed of Panhandle, former Floydada residents. Mother of the groom is Mrs. Martina Sanchez of Eagle Pass.

Given in marriage by her father, the bride wore a formal gown of ivory moire taffeta, featuring a Victorian collar and yolk of Chantilly and Venice lace, bordered with a wide ruffle of taffeta. The fitted dress extended to ruffles of moire taffeta around the bottom of the skirt extending into a small train and up in the back to a large bow just below the waist and with elbow length chantilly lace mittens.

Maid of honor was Karla Starr of

Seabrook. Best man was Jose Casales of Eagle Pass. Guests were seated by Mark Quintela of Texas City and Kelly Reed of Panhandle.

Among guests attending the ceremony were the bride's sister and niece, Connie and Misty Bertrand of Floydada.

The bride, a native of Floydada, attended school at Floydada and Groom, and graduated from high school at Panhandle in 1979. She is employed as a

configuration management analyst for Rockwell International at Johnson Space Center in Houston.

The groom attended school in Eagle Pass, graduating from high school in 1978. He is a logistics analyst for Rockwell International at Johnson Space Center in Houston.

After a wedding trip to Seattle, Washington, and Victoria B.C. Canada, the couple will make their home in League City.

Floydada Nursing Home Happenings

By Jo Bryant

Monday, Sept. 12, started the week as usual with morning coffee, juice as usual, we had a good crowd. Bro. Bill Wright from the First United Methodist Church came at 10:30 to give the devotional on Mark gospel, "Who will be first." At 2:30 the residents had a sing-along memory lane. Then the ladies from the Sunshine Sunday school class from the First Baptist Church came and served the residents cookies and cheese crackers. It was a nice treat.

Tuesday, I had to go to an all day activity directors association meeting in Lubbock.

Wednesday, the residents had their regular coffee and juice time. At 4:30, we sang some songs, and shared the devotional about faith. At 2:00 p.m. the residents played Bingo. Mrs. Linnie Willis had the first Bingo. Mary Alice Davis came and helped us, thanks Mary.

Thursday was the monthly birthday party. We had five honorees this month.

Rachel Mendoza to mark 15th birthday on Saturday

Luis and Gloria Mendoza are proud to announce the 15th anniversary celebration of their daughter, Rachel Mendoza on Saturday, September 24, at St. Jose Catholic Church in Lockney.

Godparents will be as follows: crown, Mr. and Mrs. Mario Cortez; ring, Mr. and Mrs. Joe Vega; rosary and Bible, Mr. and Mrs. Juan Mendoza; pillow, Mr. and Mrs. Pete Gonzales; bouquet, Mr. and Mrs. Antonio DeLaFuente; decorations, Mr. and Mrs. Joe Lucio; album, Mr. and Mrs. Rey Mercado; video, Mr. and Mrs. Fidencio Gonzales; knife, Mr. and Mrs. Ricky Vasquez; cake, Mr. and Mrs. Erenst Cortez, Mr. and Mrs. Roy Cortez, Mr. and Mrs. Nino Garcia, Mr. and Mrs. Frankie Luna, Mr. and Mrs. Pat Mendoza, Mr. and Mrs. David Mendoza, Mr. and Mrs. Jesse Rodriguez, Mr. and Mrs. Jesse Vela; music, Mr. and Mrs. Robert Luna, Mr. and Mrs. Adrin Luna, Mr. and Mrs. Robert Torres Jr., Mr. and Mrs. Jose Torres, Mr. and Mrs. Tony Hernandez;

Also, Mr. and Mrs. Erby Molinar, Mr. and Mrs. Lupe Martinez, Mr. and Mrs. Abel Vasquez, Mr. and Mrs. Arturo Castillo, Mr. and Mrs. Johnny

There were two who had birthdays on Sept. 14, Willie B. Russell and Brooks Callaway and Addie Lindley and Lena Withers were both on Sept. 29 and Otis Johnson was Sept. 3.

Otis Johnson was born in Floyd County, Floydada. He has a twin, Otis. He has four brothers and one sister. He has been in the home for nine months. His church preference is Church of Christ. He likes rodeo, baseball, music and singing.

Mrs. Addie Lindley was born Sept. 29, 1892 at Ellis, County, Texas. She had 10 children, eight daughters and two sons, alot of grandchildren and great-grandchildren. She has been in the nursing home for six years. Her church preference is Primitive Baptist.

Mrs. Willie B. Russell was born in Wilbarger Co. in Vernon. On Sept. 14, 1900. She has two sons, James Ed and Gordon, Hale Center, Texas. She has several grandchildren and great-grandchildren. Mrs. Russell lived in Matador

Johnston, Mr. and Mrs. Nacho Trejo, Mr. and Mrs. Oscar Sanchez, Mr. and Mrs. Mario Garcia, Mr. and Mrs. Harvey Hernandez, Mr. and Mrs. Arnold Peralez, Mr. and Mrs. Frank Ibarra, Mr. and Mrs. Joe Ibarra, Mr. and Mrs. Rey Mora, Mr. and Mrs. Abe Enriquez, Mr. and Mrs. Abelino Luna, Mr. and Mrs. Pat Martinez, Mr. and Mrs. Joe Angel Torres, Mr. and Mrs. Arturo Rivera and Mr. and Mrs. Donald Perez; doll, Jessica Ann Gonzales.

Ferguson and Gellner exchange marriage vows

MRS. MARCUS E. GELLNER

Shanna Leigh Ferguson and Marcus Edward Gellner were united in marriage at the First Baptist Church in Graham. John Cary, associate pastor of Oak Street Baptist Church, officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Norman Ferguson of Graham and Mr. and Mrs. Eddie Gellner of Round Rock, Texas. The bride is the granddaughter of Mr. and Mrs. R.R. Ferguson and the niece of Ray Gene Ferguson, all of Floydada.

The ceremony began as organist, Mrs. Ronnie White, sounded 4:00 chimes.

Escorted to the altar and given in marriage by her father, the bride wore a formal gown of embroidered lace and organza. The Victorian neckline featured a yolk of lace, pearls and sequins accented by schiffli embroidery with a ruffle of chantilly-type lace around the yolk. The lace sleeves were accented with ruffles at the wrist. The skirt featured chantilly-type lace and organza ruffles which lead to a heart shaped chapel train. Her headpiece was a cap covered with chantilly lace and pearls and a single veil edged in silk venise lace and ribbon bows which was borrowed from her cousin, Mrs. Mike Beights of Colorado City, Texas.

The bridal bouquet, designed by Mrs. W.L. Scott III who also served as wedding coordinator, was a cascading bouquet of pink roses and baby's breath atop a white satin Bible belonging to her maternal great-grandmother. Also in her bouquet was a handkerchief belonging to the groom's maternal great-grandmother which was carried in her wedding. This heirloom was also carried in the weddings of the groom's maternal grandmother and mother.

The bride's wedding attire was new and she wore the blue garter that her mother wore in her wedding. In her shoe were pennies bearing the birth dates of the bride and groom.

The altar area was decorated with ficus and Boston fern accented with a pair of spiral candelabras and a single seven branch candelabra decorated with a large pink satin bow. The family pews were marked with pink bows, baby's breath and fresh greenery.

Mrs. White also accompanied Sheila Farabee as she sang "The Rose" and

"The Lord's Prayer."

Serving as maid of honor was Brenda Gilbert. Bridesmaid was Shannon Warner. They wore identical pink tea length moire taffeta dresses featuring puff sleeves, scoop back and a flat bow with streamers to the hem which were designed by the bride's mother. They carried a bouquet of pink and white roses attached to a white lace fan which were also designed by Mrs. Scott. Flower girl was Jessica Darilek. She was dressed in a tea length dress of pink moire taffeta with puff sleeves and bow sash and carried a white basket trimmed with pink ribbon, roses and white lace.

Allen Culp served as best man and groomsman was Ronnie Ferguson, brother of the bride. Ushers were Joe Hill of Wichita Falls, cousin of the groom, and Paul Maples of Graham. Ring bearer was Lonnie Gellner of Round Rock, brother of the groom. They all wore gray tuxedos with pink cummerbund and tie while the groom wore a gray tuxedo with tails and gray cummerbund and tie.

Wedding guests were registered by Cristi McNeill of Lubbock, cousin of the bride.

A reception was hosted by the bride's parents in the activity building. The bride's table was covered with an elegant white linen cut work cloth and was highlighted with a multi-tier clover leaf design wedding cake which featured inverted crystal glasses between the tiers that belonged to the bride's maternal great-grandmother. The cake was decorated with pink silk roses, baby's breath and fresh greenery and was topped with the bride and groom from her parent's wedding cake. The cake was a gift from the bride's aunt, Mrs. Harold Starkey. Serving at the bride's table was Leanne Beights of Colorado City, Cristi McNeill of Lubbock, both cousins of the bride, Gina Dobbs of Graham and Amy Harrison of Montrose, Colorado.

Teresa Ratcliff presided at the groom's table which was also covered with a white linen cloth. The heart shaped chocolate cake was decorated with fresh strawberries dipped in chocolate. Baby's breath and fresh greenery completed the cake decoration. The centerpiece was of greenery, ribbon and baby's breath surrounding a brass trum-

pet. Cheese and a fruit dish featuring fresh fruit and dip completed the table. The groom's table was a gift to the couple from the bride's aunt, Mrs. James McNeill of Lubbock.

Members of the houseparty included Mmes. James McNeill of Lubbock, Ray Gene Ferguson of Floydada, Wayne Nevins of Tulia, Wayne Roark, W.L. Scott III, Jody Jones, Harold Starkey, Doug Bell, Johnny Darilek and Mark Dunagan, all of Graham.

Rice bags filled with bird seed were distributed by Guy Bell, cousin of the bride, and Jessica Johnston.

Pre-nuptial activities included a bridesmaid's brunch hosted by Mrs.

James McNeill at the home of Mrs. W.L. Scott III and a miscellaneous shower at the home of Mrs. Wayne Roark on July 23. Hostesses were Oleta Roark, Lisa Wooldrige, Gayla Dunagan, Nell Wheat, Donna Ainsworth, Phyllis Pearce, Dorothy Jones, Shirlene Goodwin, Teresa Knight, Judy Jones, Helen Gowens, Emma Darilek and Shirley Yandell.

The rehearsal dinner was hosted by the bride's aunt and uncle, Mr. and Mrs. Ray Gene Ferguson at their Poussum Kingdom Lake home.

After a short wedding trip, the couple will be at home in Wichita Falls where the groom is employed at Wichita Recycling and the bride at Albertsons.

Floydada Senior Citizens encourage participation

By Peggy Medley

Would you like a nutritional meal each day, an exercise class or play bridge, 42, or 84, three times each week, or any day of your choice. If so we encourage you to join others at the Floydada Senior Citizens at the corner of 8th and East Georgia.

Lunch is served Mondays through Friday from 11:30 until 12:30. Just call and let us put your name on the list for that particular day. Yes, even the young may eat with us and do. We also deliver meals to your home, just call before 10:30 a.m.

Exercise classes are held Monday, Wednesday and Friday from 9 a.m. until 10 a.m. in the exercise room at the center. It's free and you can "workout" at your own leisure on bar rails or other equip-

ment that can benefit your health.

We play bridge, dominoes, 42, and 84 two afternoons each week beginning at 2 p.m. Game night is each Thursday evening starting at 5:00.

On the third Thursday of each month we hold a covered dish luncheon. We also have a worthwhile program before lunch, concerning topics of history, educational, religion, health and films of various interests. Come at 11:15 and enjoy some good fellowship before the program. Persons with birthdays for the month are also honored.

Place these dates on your calendar and join us for lunch whenever possible. We carry a weekly menu in the Hesperian for your convenience. We hope you will soon be among the many who walk through our doors. We welcome you at anytime.

Reading classes offered

You can learn the Lau Bach Way to Reading and teach other people to read. This is a picture association method of

Look Who's New!

ZIMMERMAN

Terry and Barbara Zimmerman of Amarillo are proud to announce the birth of their daughter, Holly Anne Dorine Zimmerman, born at 8:05 a.m. Sept. 8 in High Plains Baptist Hospital in Amarillo.

She weighed in at 6 lbs. 11 ozs. and was 19 inches long.

Grandparents are August and Dorine Schwertner of Floydada and John and Anne Zimmerman of Amarillo.

Great-grandmothers are Charlotte Alexander of Amarillo and Genevieve Winters of Lubbock.

teaching phonics. This will be presented Friday evening, Sept. 23, from 6-9 p.m. in the Unger Library in Plainview, 825 Austin St., and Saturday, Sept. 24, from 9-5, with an hour off for lunch, classes will be held for anyone desiring to learn to be a reading teacher.

By teaching someone to read you may save a life if they learned how to read safety instructions, or medication directions. You may help someone qualify for a job and get off welfare. You may help them be able to read the Bible and change their life.

There is no charge for learning to be a reading teacher of the Lau Bach Method. You may call the Floyd Co. Library or Unger Library, Plainview, (806-296-1148) for more information. A certificate will be awarded to all who complete the 10-hour teacher training course.

CANCER SOCIETY AWARDS PRESENTED-Linda Matsler, president of the Floydada Chapter of the American Cancer Society, presented awards to local volunteers during recent ceremonies. Receiving the honors were (left to right) Emily Johnson, a district award for service and a Sword of Hope plaque; Sherry Hale, a Sword of Hope plaque for publicity; Doris McClain, a certificate of appreciation for the Great American Smoke Out in 1987;

Janis Lloyd, district awards for Education and Service; Linda Matsler, Addie Assiter, a certificate of appreciation for hosting the 1986 and 1987 Christmas brunch; and Kay Zimmerman, a certificate of appreciation for heading up the 1988 Cancer Crusade. Not pictured but also receiving awards were Evelyn Latta, Sword of Hope plaque, and Kathy Jackson, a certificate of appreciation. Staff Photo

'One Deathless Day' campaign still pushing toward ultimate 1988 goals

With the 101 Driving Days of Summer having drawn to a close, Texas has yet to see a deathless day on its 300,000 miles of roadways, the Texas Coalition for Safety Belts announced.

As of August 16, at least two deaths had been recorded for every day of the summer safety promotion, which began May 28. The "One Deathless Day" campaign officially ended on Labor Day, September 5.

"It's possible that we've had a deathless day in the latter part of August, and just don't know it yet," said George R. Gustafson, president of Texas Safety Association and spokesperson for the coalition. "Due to statistical reporting procedures at the Department of Public Safety, we have a time lag of about two weeks in our reports."

According to DPS policy, a death due to traffic injuries counts as a fatality on the day of the accident, even if the victim dies 30 days later. "For this reason we are not able to give final figures, even for the first half of August," said DPS spokesman David Wells. "At this point, our two best days this summer appear to be August 3 and August 10, with two fatalities each. Those figures could change, however, as more reports come in."

The summer's deadliest day is still June 25, as noted in the coalition's August 1 report. However, followup reports have brought that day's death toll up to 24. At the time of the last report, only 20 fatalities were on record for that day.

The 101 days of summer ended with Labor Day weekend, typically one of the most dangerous times to be on the road. The DPS predicted that 35 would die in Texas traffic accidents during this holiday weekend.

To help reduce the risk, Texas Highway Patrol troopers turned on their headlights for the second annual Drive for Life campaign on Saturday, September 3. The campaign sponsors, Mothers Against Drunk Driving (MADD) and Volkswagen United States, Inc., had asked motorists all over the United States to refrain from drinking and driving and to remind others by driving with their headlights on throughout the day.

The first Drive for Life campaign took place October 24, 1987. National MADD reports that alcohol-related fatalities on that day were 27% below the average count recorded for Saturdays in the fall of 1986.

"MADD's special project fits in well with the lifesaving message of our

Deathless Day promotion," Gustafson noted. "We hope that, working together, we have saved some lives in Texas this Labor Day."

The final report on "One Deathless Day" will be issued October 5.

Social Security News

By Terry J. Clements

Whether or not a person applying for Social Security disability benefits is disabled under the law is a decision made by the Disability Determination Services office in the State in which he or she lives. The decision is made by a team of trained people that includes a physician and a disability evaluation specialist.

In arriving at the decision, every reasonable effort is made to get medical evidence from the person's physician and from hospitals or other facilities where he or she may have been treated. The Government is authorized to pay a reasonable fee for any medical reports requested.

The physicians and facilities contacted for this purpose are asked for a summary of the person's medical history. This would include a diagnosis, the date of onset of the illness or injury, the degree to which it limits the person's activities, the results of any medical tests that may have been performed, and the treatment provided. The physician or facility is not asked to pass judgment on the extent of the individual's disability, if any.

If the medical information available from these sources is not sufficient to permit an evaluation of the person's condition, a special examination or test may be required. Social Security will pay for such an examination or test, including certain travel expenses that may be associated with it.

Once a decision on the claim is reached, Social Security sends a written notice to the applicant advising him or her of the decision. If the claim is not approved, the notice to the applicant will explain the basis for the decision.

For more information, or to file a claim call 293-9623.

U.S. Navy Blue Angels fly at Reese

Colonel Mark H. Lillard III, commander of Reese AFB's 64th Flying Training Wing has designated Sunday, October 16, as "Commanders Day" Open House.

The base will be open to the public from 10 a.m. to 5 p.m.

The featured flying attraction will be the U.S. Navy's Blue Angels Flight

Demonstration team. They will be making their first visit to Reese in 20 years and will be flying their A/F-18 Hornet jet fighters.

More than 30, and possibly as many as 50 aircraft from all the military services will be on static (ground) display on the flightline when the gates open. The display will include fighters, bombers,

reconnaissance, transports, helicopters and training aircraft.

A number of the latest military aircraft are expected to fly-by and give a demonstration of their flying maneuver capability. Reese's T-37 and T-38 training jets will fly-by in formation prior to the Blue Angels show.

A number of exhibits and displays will be available for viewing. The Reese fire department will show the capability of their crash-rescue trucks and demonstrate a simulated extraction from a disabled aircraft. The Reese Honor Guard Drill Team and Color Guard will perform throughout the day.

There will be plenty of food, drink and parking available.

The Reese AFB appearance will mark the only Blue Angels flight demonstration in the West Texas, Oklahoma, New Mexico area between now and the end of their 1988 show season in November.

Whittle new South Plains chamber head

Nettie Ruth Whittle, the manager of Floydada's Chamber of Commerce, has

been elected as President of South Plains Association of Chamber executives.

The organization consists of about 20 member towns from Friona to Lamesa, and from Clovis to Spur.

"We meet once a month," said Whittle, "and compare notes about progress in our towns. We also exchange ideas about our communities."

Whittle has also served as vice president and secretary of the organization.

Lake Mackenzie Report

Daniel Castro of Lubbock hooked a 1 3/4 pound channel cat on minnows near the first boat ramp on August 30.

Four channel cats weighing from 2 1/2 to 4 pounds were caught by Brian and Calvin Robinson of Amarillo on September 4. They were taken on a trotline up Tule Creek using perch and minnows as bait.

A 3 3/4 pound large mouth bass was caught on a rattle trap near the second big island in the lake by Bill Noble of Tulia on September 6.

Jim Huneycutt of Canyon caught a 3 pound large mouth bass at the mouth of Tule Creek on September 9. He was using an orange Harvey worm.

Cactus Cove Marina reported a 7-1/2 lb. tuna cat was caught on September 17 up Tule Creek. J.T. Hodges from Amarillo used stink bait to catch the cat.

September 18, five channel cats were caught up Tule Creek, by Wayne Mayfield, Guinn Fitzgerald, David Tipton, and A. Hartman from Silverton. The two largest cats weighed 8-1/2 lbs. and 8 lbs. Water dogs on a trout line were used as bait.

The lake temperature is 71 degrees and lake depth is 107.4 ft.

Floyd Data

Louis Newell had as houseguests for the Homecoming weekend his sister Betty and her husband Gilbert Shirey of Torrence, California. Also visiting were Lanell and Shirey Wilkes of Medford, Oregon and Mr. and Mrs. Louis O. Newell from Fort Summer, N. Mex.

After the Friday and Saturday Homecoming activities, Louis Newell of Floydada, and Mr. and Mrs. Gilbert Shirey and Mr. and Mrs. L.O. Newell attended a birthday celebration in Lubbock for Mrs. Mable Scott. The 92nd birthday celebration was hosted by Mr. and Mrs. Cecil Sluder in honor of her mother.

DPS reports on July activities

Capt. L.A. Reinhart, District Supervisor of the Lubbock Highway Patrol District comprised of 21 counties said, "For the month of July, our troopers investigated two fatal accidents, 56 personal injury accidents, and 74 property damage accidents. There were two persons killed and 56 persons injured in

these accidents." Sgt. Glenn Fant of Crosbyton stated, "In Floyd county, our troopers investigated no fatal accidents, no personal injury accidents, and one property damage accident in the month of July. No one was killed and no one was injured in these accidents."

Prepare now to control winter weeds in your lawn and yard

If you are among the numerous people who had a nice crop of winter weeds in your lawn last year, now is the time to begin preparations for control of these unwanted weeds.

Unwanted grasses are the most common winter weed problem occurring in area bermudagrass lawns, according to Dr. John Abernathy, weed and herbicide scientist and resident director of research at the Texas Agricultural Experiment Station in Lubbock.

Several pre-emergence herbicides are available to help control the weed problems. Abernathy says herbicides such as Surflan, Balan, and Dacthal should be applied during the late fall or early spring before the weed seed can germinate. He reminds homeowners that these herbicides should be uniformly applied to the lawn and thoroughly watered into the sod.

"Surflan provides the best winter weed control when it is applied to a healthy, well-covered bermudagrass lawn. This herbicide should last through the following summer," he says. If the bermudagrass has blank areas without grass runner cover, Abernathy says Surflan may inhibit runner growth.

Roundup is another herbicide which may be used to control winter weeds. Roundup should be applied postemergence to the weeds in late winter or early spring before the bermudagrass begins to turn green. If the bermudagrass has any green runners, Roundup can cause injury to them.

Other pre-emergence chemicals such as Atrazine and Simazine are labeled for use on bermudagrass in East and Central Texas. However, Abernathy advises their use on the Texas High Plains. "Because of sandy soils with low organic matter and high pH values in this area, atrazine and simazine can cause serious injury to bermudagrass lawns,"

he notes.

Abernathy also reminds homeowners to exercise caution when using fertilizers that contain weed control materials. "It is very important to make accurate applications of the granular material since overlapping rates will result in severe injury to the bermudagrass," he explains.

Additional information may be obtained from the Texas Agricultural Extension Service, local nurseries or other lawn and garden stores. Commercial lawn care services in the Lubbock and Amarillo areas can help homeowners with their winter weeds problems as well.

OBITUARIES

WILLIAM C. SNODGRASS

Funeral services for William Carrick Snodgrass, 74, were at 3 p.m. Friday, Sept. 16, in First United Methodist Church with the Rev. Lee Crouch, a Methodist minister, officiating, assisted by the Rev. Bill Wright, pastor. Burial was in Carr's Chapel Cemetery by Moore-Rose Funeral Home.

Mr. Snodgrass died of natural causes at 3:15 a.m. Wednesday, Sept. 14, in his home. He was born Oct. 6, 1913 in Floyd County and married Doris Manning on May 18, 1932 in Lovington, N.M. He was a farmer and stockman and he had been a trustee of Blanco School. He was a past president of the Rural Electric Association board and was a member of the Carr's Chapel United Methodist Church.

Surviving are his wife; a daughter, Elayne Reid of Floydada; a sister, Lucille Miller of Petersburg; two grandchildren; and three great-grandchildren. Pallbearers were Bryan Thomas, Jim Tye, Steve Ferguson, Paul Glasson, Joe Reyes, Brad Hagood, Allan Gross and Dallas Ramsey.

MAVIS WILLSON

Services for Mavis L. Willson, 93, were at 10 a.m. Tuesday at First United Methodist Church of Floydada with the

Rev. Bill Wright, pastor, officiating. Burial was in Floyd County Memorial Park by Moore-Rose Funeral Home. She died at 5:15 a.m. Sunday, September 18, in Floydada Nursing Home after a lengthy illness.

Mrs. Willson was born in Vashti and moved to Floyd County in 1919 from Hale Center. She married James McCrory Willson Sr. on June 14, 1919 in Hale Center. He died in 1972. She was a homemaker and a member of First United Methodist Church.

She attended Seth Ward College in Plainview and Southwestern University in Georgetown. A member of the first graduation class, she received a business administration degree from Southern Methodist University. She was district president and state vice president of the American Legion Auxiliary. She was a trustee for Floydada Independent School District, Texas Wesleyan College in Fort Worth and Lydia Patterson Institute in El Paso.

She was a member of the Order of the Eastern Star, Chapter #31.

She was given the Freedom Foundation Leadership award in 1960. She was listed in Who's Who of American Women, Who's Who of American Education and Who's Who of the Southwest. She is listed in the Texas Women of Distinction in 1962.

She and her husband established 33 foundations for colleges, universities and other institutions for outstanding speakers. She was awarded an honorary doctorate degree in literature in 1962 from McMurry College and was awarded citation in humanities from Southwestern College in Winfield, Kan. She was listed in the 1962 Texas Women of Distinction roster.

Survivors include two sons, James M. Jr. of Floydada and David R. of Plainview; two daughters, Louise Arnold of Lubbock and Oragene Addis of Dallas; a brother, R.E. Terry of Houston; a sister, Vera Germany of Brazoria; 12 grandchildren; and 20 great-grandchildren.

The family suggests memorials to First United Methodist Church of Floydada.

Pallbearers were James M. Willson III, Richard Willson Arnold, James Carl Arnold, Davis Blair Willson, Jim Word and Joseph S. Traugott.

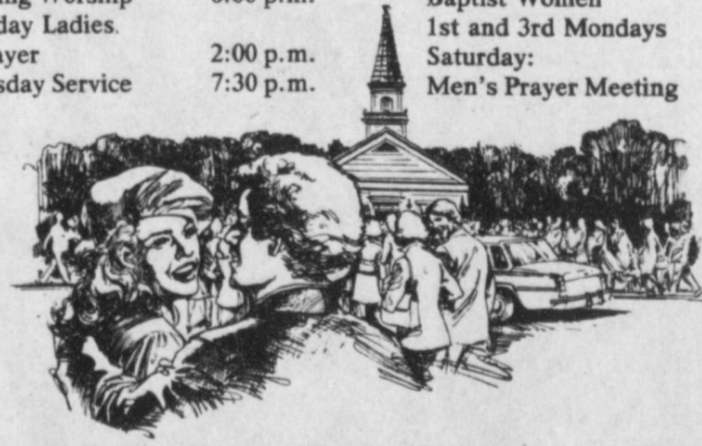

JOHN HAMBRIGHT

In the obituary printed in last week's paper for John Hambright, the name of Leonard Alexander of Floydada was inadvertently left off as a survivor. He is a brother-in-law of Mr. Hambright.

Farm Safety Week recognized

In conjunction with National Farm Safety Week, Governor William P. Clements, Jr. has proclaimed the week of September 18-24, 1988 as Texas Farm and Ranch Safety Week. This year's theme for Farm Safety Week, "Ensure Your Future With Farm Safety", stresses the hazards involved with agricultural production and the effort into preventing injury and illness on the farm, especially during times of economic stress.

Each year this event is observed to initiate and promote safety on Texas farms and ranches. About 100 Texas rural families suffer farm and ranch related accidents and an estimated 20,000 disabling injuries and 250,000 in injuries

requiring medical attention occur annually.

A further look at farm accident figures compiled by the National Safety Council show that most fatalities are caused by (in descending order) tractors, firearms, drowning, burns, falls, electrical shock and machinery. Over the past ten years, rural fatalities have been reduced by 50% due to increased awareness and improved safety design. The National Safety Council estimates for 1987, such mishaps resulted in about 1,600 deaths and 160,000 disabling injuries.

One in four children in the United States is involved in an accident of consequence each year. Accidents kill more children than any other cause.

Often on a farm, children are exposed to many workplace hazards and often at a young age lend a hand with work.

Several recommendations can help keep children safe:

1. Educate youngsters about dangers of farm equipment.
2. Keep firearms, chemicals, medications, matches, and tools inaccessible to children.
3. Keep play areas free of hazards; enclose preschooler's play area.
4. Teach children to swim but do not let them swim without the presence of a responsible adult.
5. Make grain bins, animal quarters, silos, and chemical storage areas off limits to children. Lock and bar entry. Remove keys from motorized equipment to prevent children from starting it.
6. Train and supervise young people in a new chore or job until you are sure they can do it safely.
7. Encourage young people to take part in safety activities of local youth organizations and schools. Involve them in hazard hunts around their homes.

Most agricultural accidents and work illnesses can be prevented at little or no expense. Safety features on farm equipment and machinery should be maintained and repaired when needed. These precautions and the use of safe work procedures can reduce the needless suffering of rural accident victims and prevent the financial burden of agricultural accidents on productivity and family income.

Educational programs conducted by the Texas Agricultural Extension Service serves people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap, or national origin.

USDA revises 1988 country and commodity allocations

The U.S. Department of Agriculture has issued revised country and commodity allocations for fiscal year 1988 under Titles I/III of Public Law 480 — the Food for Peace Program.

Acting Under Secretary of Agriculture Richard W. Goldberg said current program plans provide for distribution of \$761.2 million in commodity shipments, changed from \$782.7 million the previous quarter. Of the current amount, \$759.1 million is presently allocated and \$2.1 million is being held in a reserve to furnish commodities for unforeseen needs during the remainder of the fiscal year.

Goldberg said there has been an increase in the allocations for El Salvador, Ghana, Indonesia, Jamaica, Kenya, Peru, Tunisia, Yemen and Zaire. The allocation for Senegal has been withdrawn and a new country, Uganda, has been identified for an allocation. Also, some minor revisions have been made to the commodity composition of the table.

The revised allocations meet the requirement of Section 111 of P.L. 480, which directs that not less than 75 percent of food-aid commodities be allocated to friendly countries that meet the per capita income criterion for lending by the International Development Association. Currently the countries in this category are those with an annual per capita gross national product of \$835 or less.

Goldberg said the program takes into account many variables including commodity and budget availabilities; changing economic and foreign policy situations, including human rights assessments; potential for market development; fluctuations in commodity prices; availability of handling, storage and distribution facilities; and possible disincentives to local production.

Except for agreements already signed, these allocations do not represent final U.S. commitments or agreements with participating governments.

Situations still may develop which could cause a further change in country and commodity allocations, Goldberg said.

Title I of P.L. 480 is a concessional sales program designed to promote exports of agricultural commodities from the United States and to foster economic development in recipient countries. The program provides loans of up to 40 years, with a grace period of up to 10 years and low interest rates.

Title III provides for the forgiveness of the debt incurred under Title I, based on accomplishments in food for development programs and projects agreed upon by the United States and recipient countries.

Additional technical information on the P.L. 480 program is available from Mary Chambliss of USDA's Foreign Agricultural Service, (202) 447-3573.

A complete list of allocations follows.

USDA estimates 1988 deficiency payments for cotton at 16 cents

The preliminary weighted average farm price for U.S. upland cotton through July came to 59.2 cents per pound.

The deficiency payment under the 1988 farm program will be determined by subtracting either the calendar year average price or the 51.8 cent loan from the established 75.9 cent target price, whichever results in the smaller payment. USDA estimated the payment rate for the year at 16 cents, and producers who requested an advance, as most did, received 40 percent of that amount, 6.4 cents, at program sign-up in late 1987. The remainder will be paid in 1989 after final price figures, including revised figures for the first seven months, have been tallied through December.

Should the 59.2 cent average through July hold for the rest of the year, the total payment would come to 16.7 cents, and producers could expect a final settlement of 10.3 cents above the advance.

But Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, thinks the final payment may be well above that level. "U.S. prices have been in a freefall since June,

we're harvesting a crop of almost 15 million bales, looking at a carryover in excess of 8 million bales, and the adjusted world price has fallen to the low 40's. So there's little hope for a return to the 57 to 61 cent farm prices that prevailed earlier," Johnson concludes.

The reported average price dropped from 61.2 cents in June to 58.6 cents in July, and the latest figure, for mid-August, came in at only 55.2 cents. However marketings at the lower July price were only 123,000 bales, and the weighted annual average was hardly affected. The full month price and volume for August won't be available until September 30.

If the lower prices continue through the heavier volume months of August through December, as expected,

Johnson figures the weighted annual average will drop appreciably. Marketings for the final five months of 1987 accounted for an admittedly unusual 79 percent of the year's total. In a more normal year, 1986, almost 60 percent of the year's volume was recorded in the final five months.

If one assumes an average farm price of 55 cents, and marketings of another 6.5 million bales (about 65 percent of the total) for the remainder of 1988, Johnson speculates, the annual average price would equal about 56 cents and a total deficiency payment of 19.9 cents would be due, 13 cents above the advance.

Marketings and price figures through July for 1988 appear in the chart below.

	Marketings (1000 bales)		Prices (¢ per lb.)	
	Monthly	Cumulative	Monthly	Weighted Avg.
January	1,283	1,283	60.6	60.6
February	687	1,970	56.8	59.3
March	388	2,358	57.7	59.0
April	305	2,663	59.4	59.1
May	359	3,022	58.9	59.0
June	314	3,336	61.2	59.2
July	123	3,459	58.6	59.2

1987 Sorghum deficiency payments due this fall

Sorghum farmers will receive the balance of their 1987 sorghum deficiency payments this fall. The payment will be approximately 43 cents per bushel (77 cents per cwt.) times the farm yield in 1987. Deficiency payments will only be made to farmers who participated in the 1987 sorghum program. Eighty-four percent of the base sorghum acres were enrolled in the program in 1987.

The deficiency payment is the difference between the basic loan rate which was \$2.17/bu. and the actual loan (Findley amendment) of \$1.74/bu. na-

tional average. These payments are not subject to the limitation of payments. The weighted average received by farmers for the year (September 1, 1987-August 31, 1988) was \$1.60-\$1.70 per bu. Final calculations will be made in October and there is a remote possibility that they will raise the final average above the \$1.74 level. This would reduce the payment proportionally.

Producers will receive their checks as soon as possible after the October calculations are made. Payments to sorghum farmers are expected to total \$200 million, nationwide.

Grain supply market share will affect policy

Even though August saw a return to normal rainfall patterns over much of the Midwest, the Drought of '88 remains the overriding factor in agricultural policy.

It will likely shape decisions of farmers, their South American and European counterparts, consumers, exporters and public policy makers during the next year, until a harvest in 1989 is assured.

Farmers of every country envision planting every available acre because the scarcity of supply, and the resulting higher-than-normal prices tell them to. Total grain in storage by this time next year may fall to a 54-day supply according to the Worldwatch Institute in Washington. Three national consumer groups have petitioned the U.S. Department of Agriculture (USDA) to discontinue its Export Enhancement Program (EEP). The program has provided government-owned stocks to exporters so they could offer selected countries reduced prices. The EEP has been a great success in drawing down surplus stocks of wheat that held farmer's prices down. The trouble is, claim the consumer advocates, the drought has left us with sufficiently-depleted supplies to assure farmers and consumers alike of higher prices. Farmers with a crop to sell are delighted; housewives are not.

Exporters, naturally, favor the EEP as a means of being more competitive in the world market. Foreign competitors, notably the European Community (EC), have subsidized their own exports for years, chipping into the U.S.'s share of the market. When we have played the game by their rules, they cried foul. Resolution of the subsidy war is pending before the General Agreement on Tariffs and Trade (GATT). The U.S. advocates the elimination of subsidies and a return to free market economics. The EEP has provided significant leverage in this conflict. With our huge surpluses and the will to regain our markets matched against a like commitment from the EC it looked like a classic showdown. One side or the other might blink before GATT can act. With the appearance of the drought, the EC is confident that internal consumer concern over grain stocks depleted by drought and exports will force the USDA to abandon EEP and its campaign to eliminate subsidies.

Secretary of Agriculture Richard E.

Lyng has pledged that the Reagan Administration will not embargo any agricultural commodities that are short in supply due to the drought. Neither will he suspend EEP sales to foreign countries. The USDA will, however, relax one of its other principle controls over supply. Wheat farmers will be required to idle only 10 percent of their land to be eligible for price support benefits. The current crop was grown with 27.5 percent of land in production. The drought will probably relax the USDA's grip on corn production as well. If exports resume the brisk pace they set earlier in the year, now that prices reflected on the Chicago Board of Trade have moderated and USDA production estimates drop further, it is conceivable that acreage setasides themselves will be set aside in 1989.

And if the drought recurs in 1989, than all bets are off as to the probable course of government policy, especially given the unknown inclinations of a new administration. A drought in 1989 is not likely, according to Richard J. Feltes, vice president and director of marketing for Refco, Inc. Reviewing the drought patterns of the 20th century, he noted that drought years come in pairs, but not back-to-back.

"It's very unusual to have back-to-back droughts in the Midwest," he said. "In the drought years of the 1930's, the ones we've heard this year most often compared to, 1934 was a drought year; then 1935 was a good year and drought returned in 1936."

History also pairs the droughts of 1954 and 1956 and perhaps 1980 with 1983. Whichever year 1988 pairs with, it is not likely to be 1989. Some climatologists that observe such patterns believe, however that we are due for a droughty period in the early 1990's.

Thus our leadership could be caught, in 1989 and beyond, between the need to maintain our regained position in the world export market (for the good of our farmers and our economy) and the need for abundant cheap food supplies (for the good of our consumers).

Should a reduction in the USDA estimates of 1988 corn production decrease any further, it could result in another spurt in prices, making our corn less competitive in the world market. Consumers would be assured of abundant, but not cheap, supplies.

Rain good for CRP - delays corn harvest

Rains this past week and weekend was what our CRP grass needed. The rains helped some crops such as wheat planting or wheat that was already planted; corn harvest will be delayed where heavy rains fell.

Weed controls will still be an important part of ones management. Many fields were needing weed control and they really need it now. Other fields were fairly clean with small weeds, but rains may require one to do weed control again.

If anyone has questions on how many weed controls are set up in their contract or the number of times weed control can be cost shared, they need to contact the Soil Conservation Service staff at our office located on U.S. Hiway 70 East or call 983-2352.

The early CRP contacts were set up to pay on weed control as many times as were needed, but CRP contracts signed during the last two sign-up periods have only one weed control that can be cost shared even though more than one control may be needed. Again, if anyone has questions, please feel free to call our office.

News and Views from Cedar Hill

Normally an auction sale carries with it the stigma of a depressed atmosphere. A sale owes it's very being to the fact that someone had died, a business has failed, or at the very least someone's dreams and plans have gone awry. Such was not the case last Saturday afternoon when the people of South Plains gathered to dispose of the remaining school related items that were still housed in their old school building.

Already their school was gone, they had tasted the dregs of a bitter cup; they had struggled mightily but could no longer operate their school system; now a new dream had been born; a new community rallying point was being perfected. Envisioned was a "Community Center" of broad appeal.

Admittedly the development of a unit equally attractive to both young and old is very difficult to deal with. Nevertheless an organization had been formed: bylaws adopted, officers elected, arrangements for the use of the gymnasium had been made, membership fees for individuals and families had been set, and a fund had been established. In short, difficult or not, they were ready to tackle the job.

Floydada Independent School District representatives had sorted through the physical equipment and everything that FISD could use had been moved to town. All that was left, except the school building itself, was donated to the Community Center.

So Saturday's auction, it's sole objective being to add to the fund of the Community Center, was an upbeat affair! A little in excess of \$3000 was realized from the sale, and there remained several tiers of the nine-unit seats in the auditorium that were not sold. If these items are not sold soon they will have to be moved out because it has been stipulated that the building needs to be cleared by Sept. 15.

The South Plains Community Center makes it clear that inquiries and memberships from other nearby areas will be welcome. The building will feature a fitness center and part of the proceeds from Saturday's auction will be used to purchase a treadmill and weight lifting equipment. The center will be available for reunions and other public uses. For further information contact the Nathan Johnsons, the Ted Givens, or the Kelvin Cummings.

Your writer, along with the Morton family, was invited to lunch at the Phil Lemon home Monday. Now at three o'clock your writer would reach the exact end of this first 70 years on this earth; the Bible tells us that is all we can expect. So, facing the afternoon with apprehension, fearing his time was running out, and feeling it might well be his last meal, your writer tore himself away from the writing of this column and accepted the invitation.

Not long after lunch an acquaintance of Phil's, and his young daughter, arrived and they were talking outside under the willow tree. The talk went on and on while the young lady shifted from foot to foot and looked very bored.

Thus it was that I went out and met Miss Amanda Fawver, learned she was in the third grade, she went to Duncan Elementary, and her teacher's name was Mrs. Livingston.

Soon I was showing Amanda that a whistle could be whittled from a willow twig; only thing, when the whistle was finished, it wouldn't work. Assuring her that I was much better at squash stem horns than I was at willow whistles we moved a few steps out into the garden. Now squash horns are easy to make and in less than a minute I handed her a finished horn.

Amanda gave the horn a good hard blow and "BAROOOOOOO" it comes out, not too loud, but the sound was somewhere between a donkey's bray and a ship's horn on a foggy morning. Amanda had shown interest and asked questions as we worked but now her face became a kaleidoscope of expressions. A startled, almost scared look, then disbelief, as she looked at the simple little thing in her hand. A look of wonder, a leaf stem into a horn; a look of rapture, what else does the world have hidden?; and a look of anticipation, let's turn a pumpkin into a golden coach. Quickly she looked back at me with a big smile, then she was racing through the tomato vines back to the willow tree.

"Daddy! Daddy! Listen!", she cried, as though he could have failed to hear it! A few minutes later, as they drove away, Amanda waved her squash stem horn out the window, then "BAROOOOOOOOOO!"

Now they were gone and I glanced at my watch. It was well past three o'clock. I was alive! My first 70 years had not done me in! Even now I was living in bonus time!

Already I was into my second 70, and it wasn't bad at all! I wonder what it will be like tomorrow?

Brighten your corner with humor; it is the sunshine of the soul.

Monday, September 12:

Dear Disappointed Reader: "Tomorrow" I found out that doing an Edition 70 can be a big, big, bite to chew, or maybe it's that my 70 years has slowed me down. My last week's News was delivered to the printer bright and early Wednesday morning, 18 hours too late, so it wasn't printed. I decided to rewrite Edition Seventy, one more time, and tack this update to its bottom. My apologies!

Weather for the week has been dry, not even a sprinkle. Night temperatures in the low 60s with afternoons humid and 30 degrees higher. Frost October 15!

Crop comments are virtually unchanged, however cotton is opening fast and some growers say they may defoliate before the predicted Oct. 15 freeze. Producer's Elevator has received two samples of corn this week with tests running 20 to 25% moisture. Some tomatoes are being shipped out of the county and the period of heaviest production is still to come.

Wednesday Cephus and Imogene visited Evelyn Winn at her home in Lockney. Evelyn is still ill with a strain of lupus that affects her lungs similar to emphysema. She continues to take medicine, has lost 13 pounds, and thinks she will not be able to return to work before Oct. 1.

Thursday Edna Gilly accompanied her mother for a doctor's checkup in Plainview. Ruthie's broken arm is healing nicely. Sunday luncheon guests at Edna's home were Clara Redd and Golden Nabors from Floydada.

In the absence of a pastor the Assembly of God congregation met for Sunday school last Sunday but preaching services were dismissed. Bro. Jude Strickland moved into the pastor's home early in the week as a "batching pastor" and will serve the church in an interim capacity. Mrs. Strickland plans to con-

tinue her teacher's contract with the Amarillo School System, but she will be in Cedar Hill on weekends.

Karen Strickland of Lubbock (no relation to Jude and Marie) took dinner with her mother Alpha and Durrell Fortenberry Sunday.

Business is like a wheel barrow — it stands still until someone pushes it.

Monday, September 19:

Weather has at last turned rainy, amounts ranged from two inches at Busby's on Hwy. 207, to 3.2 inches at Clint Ware's on the edge of the canyons to the east. This week many three inch careless weeds were observed to have seed heads an inch and a half long; another frost sign! The weather man promises us a week with 80 degree highs, Lord please give us 30 days!

Crop comments: At least one field of Cedar Hill corn is in the elevator, a decent yield at a cost of only two waterings, not bad. Rain didn't help the cotton but it fell gentle and didn't hurt much either. CRP grasses are now developing a heavy crop of seed for volunteering in the spring. Cucumbers are not setting new fruit as well as when it was warmer, but later prices are much, much improved. Hay is being baled on many farms and this rain will promote lots of sucker growth for second crop grazing. Drought-stunted fields now promise to recover and make substantial yields. Tomatoes are being shipped to various points. They are at their peak in production, excellent quality, and priced competitively. Wheat sowing has been finished on some farms, while other farmers are waiting to kill a crop or two of wild rye ahead of their drills.

People: Ruth Clark, still nursing a broken arm, spent Wednesday night with her daughter Edna Gilly. Clara Redd visited at Edna's Sunday afternoon.

In working with boys, be fair...be firm...be one of them...Cal Farley

Happenings at Caprock Hospital

By Molly Stringer

The Board of Directors met on Thursday of last week for the regularly scheduled monthly meeting. Those attending were: Don Bean, President, William Bertrand, Joy Assiter, Melba Vickers, and Fred Thayer, others attending were Leroy Schaffner, and Molly Stringer.

Molly Stringer and Rhonda Stoval attended a meeting in Lubbock last Thursday. This was an update on Aids. During the seminar a patient with Aids addressed the group. Some interesting information was given, the fact that Aids is not spread by casual contact was reinforced. You do not get Aids from touching, social kissing, coughing, or sneezing. You do not get Aids from eating utensils, water fountains, toilet seats, telephones, or typewriters, or using facilities such as swimming pools, restrooms, or gymnasiums; also being close to other people such as on a crowded bus in a classroom or restaurant. Most interesting of all was that the Aids virus is very weak and easily killed. Common household bleach is most effective on destroying the Aids virus. This is what most of the area hospitals are using to clean up any wasted blood or body fluids.

Mike Reeves and two other employees of the Plainview Fire Dept. came over last week and recertified all of the Nursing Staff in Cardio-pulmonary Resuscitation. This is required of all our staff every year.

Several of our staff are Ex's of Floydada High School and attended the activities provided for them and their former classmates. It was good to see old friends again.

Dr. Lopez has been vacationing this week. We look forward to having him back.

Molly Stringer and Leroy Schaffer plan to attend a meeting in Lubbock on Quality Assurance. This meeting is provided through Methodist Hospital.

Several of our nursing staff will be attending a meeting next week on Abuse of Children and the Elderly.

A staff meeting for nurses was held on Wednesday. Helen Teeple, R.N., gave some instructions on the prepping of the

surgery patient.

Our long-time employee at Caprock Hospital this week is Clara Burns. Clara was born in Georgia. She met and married a Texan who was stationed at an Army base near her hometown. They were married and moved to Texas in 1963. Clara's family still lives in Baxley, Georgia. She manages to visit her home state at least once every year. Clara moved to Tuscon, Arizona in 1971. She worked at St. Mary's Hospital as a nurses aide, she then returned to Floydada after about a years absence. She started to work at Caprock Hospital at that time. She worked until 1981 in that capacity. She then attended LVN school in Plainview, after graduation she moved back home to Georgia and worked at Applying General for a year. She returned to work at Caprock hospital in 1984.

Clara has two children and one grand child. Her son James is stationed at Ft. Hood. Her daughter Dell plans to be married in October of this year. She takes great pride in her grandson William Albert, he is three and lives with Clara at the present time.

Clara enjoys reading, and especially

enjoys keeping up with politics. She keeps herself well informed and has very strong political opinions. Clara is a good nurse she cares about her patients. She states that she enjoys working at Caprock Hospital and feels that the community is getting more involved in the hospital. Clara works as a LVN on the 7-3 shift, she a feisty little lady who always does her share of the work. She plans to start school and work on her R.N. in the future.

Remember Mammograms will be done on September 27th, please call for an appointment.

Health Tip

1. Sparkle and smile, as soon as you start to feel tense, smile inwardly and imagine that your eyes are sparkling.

2. Change your perceptions, stop negative thoughts by telling yourself, "alert, amused mind; calm body. I am on top of the situation."

3. Breathe away tension, take two slow deep breaths, counting to four as you inhale or exhale. Imagine the air slowly filling your lungs from top to bottom. As you exhale keep your jaw, and your shoulders limp. Tell yourself, "I can allow myself to relax and handle this situation."

Child CPR course offered at Wayland

Advance registration is now open on the Wayland Baptist University campus for a one-day course in cardiopulmonary resuscitation (CPR) for infants and children.

Sponsored by Wayland's Lifelong Learning Center and the Hale County Red Cross, the course is scheduled for Saturday, Oct. 1, 9 a.m. to 5 p.m., at College Hill Day Care Center, 800 Canyon, Plainview.

The course is designed to teach persons who work with young children how to save the life of a child whose heart and/or breathing has stopped.

Instruction will include lecture and hands-on practice using mannequins, and persons who complete the course will be certified basic rescuers.

Mrs. Frances Sams, owner and operator of College Hill Day Care Center, will instruct the course.

Cost is \$12.50 per person and includes all materials.

Since enrollment is limited to 20 persons, pre-registration is required in at the Lifelong Learning Center, 708 Yonkers. Enrollment will be accepted on a first-come, first-served basis.

More information is available from the center at 296-5521, ext. 548.

PUBLIC NOTICES

NOTICE TO BIDDERS

Floydada Independent School District is now receiving sealed bids for new lockers to be located in the boys and girls physical education department at R.C. Andrews Elementary located at 215 North White in Floydada, Texas.

For specifications and information contact Jimmie Collins, Administrative Assistant at 226 West California, Floydada, Texas 79235. Phone 806-983-5167. The bids will be opened at the regular scheduled meeting of the Board of Trustees October 11, 1988, 7:00 p.m.

Floydada Independent School District reserves the right to reject any or all bids and to waive any formalities of the bid.

9-22, 29; 10-6c

NOTICE TO BIDDERS

The Commissioners Court of Floyd County will accept sealed bids until 10:00 a.m., October 10, 1988, for the purchase of the following:

Precinct #2: One (1) 150/180 H.P. Motor Grader
Trade-in: One (1) 140 G Caterpillar S.N. 72V1912
One R13 Tempo Roller S.N. W13644E
One SCHI Kohler with magnet S.N. 308 569

Precinct #4: One (1) 150/180 H.P. Motor Grader
Trade in: One (1) 1975 12 G Caterpillar S.N. 61M2134

INSTRUCTIONS:

Bidding Specifications for the above are available in the County Judge's Office, Floyd County Courthouse Rm. 105, Floydada, from 9:00 a.m. to 5:00 p.m., Monday thru Friday.

All bids should be delivered to County Judge, Floyd County Courthouse Rm 105, Floydada, Texas 79235. Bids shall be sealed when presented and will be opened at the above time and date.

Payment will be made in cash upon delivery and approval. Floyd County reserves the right to accept or reject any or all bids and the right to waive all formalities.

WILLIAM D. HARDIN, Floyd County Judge

FLOYDADA HOMECOMING - 1988

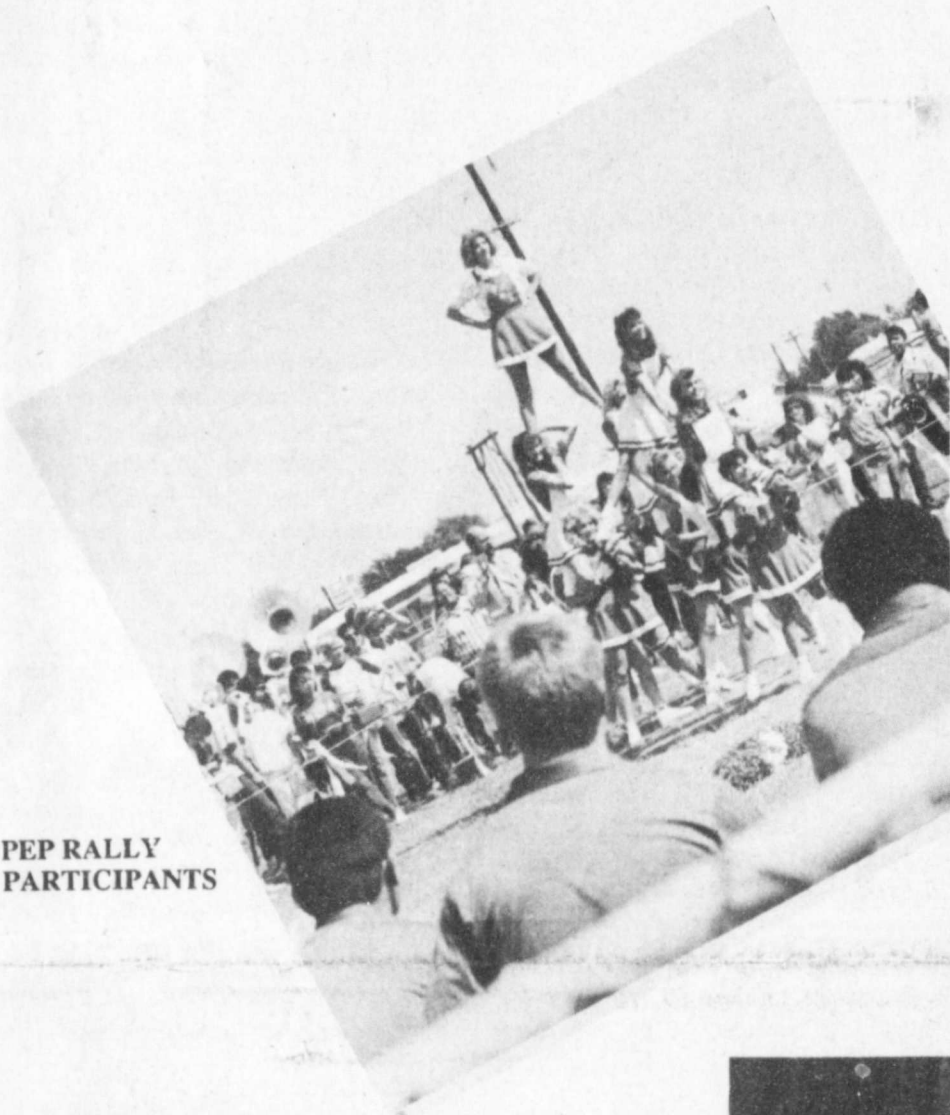

MARY MONTAQUE GARRETT, of Floydada, class of 1918, was the oldest ex in attendance at Homecoming.

"BRING THE TEAM ON!"

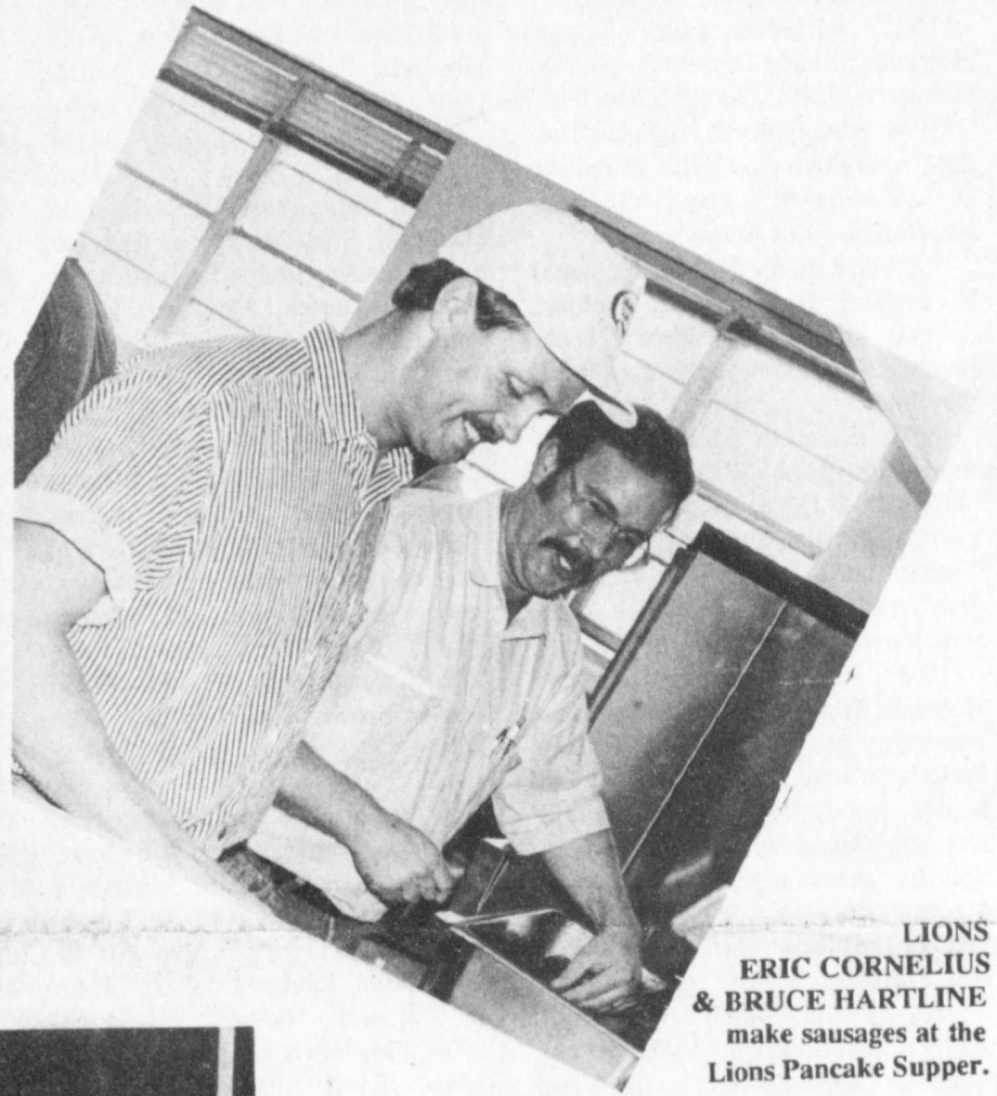

LARRY BARBEE, of Floydada, president of the Homecoming Association, conducted the business meeting.

PEP RALLY PARTICIPANTS

LOVENE MOORE conducted Memorial Services.

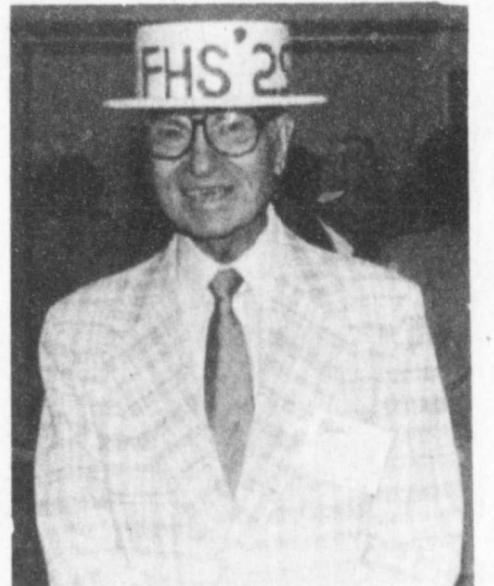

LIONS ERIC CORNELIUS & BRUCE HARTLINE make sausages at the Lions Pancake Supper.

LONGHORN REX MATHIS (66) tries to hold off the charge of a Whirlwind defender. Photo by R Photography

PAST EXCHANGE STUDENTS, Mr. and Mrs. Enrico Pizzini, of Milan Italy; and Varangkana (Jep) Timwathana of Bangkok who was accompanied by her mother, traveled from their homes to once again be a part of Floydada activities.

MARTIN E. BROWN, of California, was visiting from the class of 1925.

GLEN & FLORENE JARNIGAN, HARVEY BROCK & JAMES LOVELL share memories.

FREIDA JARRETT HALL & KEITH MARBLE talk over old times.

JESSE SUAREZ (24) tries to avoid 'Horn Juan Vargas (11) after taking handoff.

Whirlwind Band begins calendar sales next week

The "Spirit of the Winds" band will be selling band calendars next week, September 26-30. The band students will begin a door to door campaign on Tuesday, September 27.

Calendars will cost \$5.00 which includes 6 listings. A cost of \$.50 will be charged for each additional listing.

This is the only project that the band

students will be participating in and the funds will go toward new band uniforms and other band projects. When a band student calls on you, please be ready to buy a calendar and support this project.

Interested persons who were not contacted may call Donna Henderson, 983-2546 after 5 to make necessary arrangements.

Whirlwind JV takes Lockney JV 18-6

On September 16 the Whirlwind JV traveled to Lockney, where they grabbed their first victory of the season — 18 to 6. The Junior Longhorns received the opening kick, but were unable to advance against a tough Floydada defense. The first Lockney punt was blocked by Freddie Portee. The ball popped into the air, and Henry Hernandez caught it in full stride — he didn't stop until he had reached the Longhorn goal for the score. The PAT attempt was short and Floydada led 6-0.

Possession changed hands several times before Floydada mounted a 70 yard drive. Behind the solid blocking of the offensive line, Brian Teeple moved the wishbone to perfection toward the end zone. Michael Aleman took the pitch from Teeple on the option and raced 25 yards to paydirt. The conversion attempt again was short, and the 'Winds extended their lead to 12-0. Shortly before halftime, Lockney blocked a Floydada punt, drove for 40 yards and a touchdown. The PAT failed and Floydada held a 12-6 lead at intermission.

The 'Winds opened the second half with a good drive, only to see it temporarily stalled by an exchange of fumbles at mid-field. The Whirlwinds got back on track and marched to the Lockney 3, but failed to get across the double stripe and turned the ball over on downs. Lockney's first down at their own three ended in disaster, as the ball was fumbled into the endzone. An alert Whirlwind recovered for the score, the PAT failed, and Floydada pushed its lead to 18-6.

The JV program is a learning process, and the coaching staff is doing a good job developing the younger players. Offensive standouts of the game included Brian Teeple, Michael Aleman, Kenneth Davis, and Tracey Johnson.

Defensive stalwarts were Jamie Suarez, Roy Garcia, Henry Hernandez, and Freddie Portee.

Floydada School Menu

September 26-30

Monday:
Breakfast — Orange juice, toast, milk

Lunch — Fish w/catsup, potato salad, green beans, peanut butter cookie, milk

Tuesday:
Breakfast — Pineapple juice, dry cereal, milk

Lunch — Frito pie, pinto beans, spinach, corn bread, peaches, milk

Wednesday:
Breakfast — Grape juice, hot rice cereal, toast, milk

Lunch — Spaghetti w/meat sauce, fried squash, pickle spears, wild cherry cake, hot roll, milk

Thursday:
Breakfast — Apple juice, cinnamon toast, milk

Lunch — Vegetable beef soup w/crackers, pimento cheese sandwich, fruit cup, milk

Friday:
Breakfast — Orange juice, pancakes, syrup, milk

Lunch — Hamburgers w/mustard, French fries, lettuce, tomatoes, pickles, peach cobbler, milk

Shine of '89

By Geneva Huerta

Serving as one of the three poster chairmen of the FHA Senior Class of 1989 is Rusty Edwards. Rusty has kept himself in the light as manager of the varsity football team. He is a member of the National Honor Society, and for many years his "Whirlwind" cartoons have been featured in the Hesperian. After graduation he plans to attend college. Rusty is the son of Bud and Barbara Edwards and has one younger brother.

One of the most athletic seniors this year is Trish Hanna who is on both the cross country and basketball teams. Trish is a member of the annual staff and is serving as Treasurer of the Student Council. The daughter of Dolan and Gail Hanna, Trish plans to attend college after graduation.

Floydada eighth graders defeat Lockney 8th, 28-0

Floydada 8th grade football team played host to the Lockney 8th graders on Thursday, September 15. Floydada defeated the Lockney Jr. High team by a score of 28-0.

Floydada recovered a fumble following the opening kickoff and Michael Henderson scored on an option play from Josh Thayer from about 12 yards out. Jamie Davis added the extra points on a sweep play.

Lockney mishandled the next kickoff and Ronnie Hernandez recovered the ball. Davis scored a few plays later with Anderson adding the extra points. Floydada's third touchdown came with 11 seconds remaining in the half on an 8 yard run by Davis. The extra point

attempt failed.

Floydada received the second half kickoff and sustained a good drive only to turn the ball over to Lockney on downs. Later in the third quarter, on a 4th down play, the punter, Henderson, got a bad snap from the center and ran the ball 45 yards for a touchdown.

According to coach Rex Holcombe, the 8th grade returns a good team from last year. Their record was 8-1 in 1987 as 7th graders. The record after the Lockney win stands at 1-0.

Coach Holcombe stated, "The team played good and showed sportsmanship throughout the game."

Next 8th grade game is Tulia here at 7 PM Thursday, September 22.

'Winds celebrate Homecoming - remain champs!

By Bill Gray

The aftermath of Hurricane Gilbert wasn't due to hit the South Plains until Saturday or Sunday, but the Lockney Longhorns had to feel that the storm system arrived early — as the Floydada Whirlwinds all but blew away the visitors 35-0 at Wester Field on September 17. Five different Whirlwinds contributed to the scoring avalanche, which didn't give the Canyon Eagles' scouting party much to go on for their showdown with the 'Winds this Friday at Canyon's Kimbrough Stadium. The Whirlwinds so dominated play last Friday that the Longhorns were able to gather only 73 yards total offense and four first downs. To the delight of the overflowing Homecoming crowd, Floydada won the Floyd County Championship for the second consecutive year.

After receiving the opening kickoff, Lockney was unable to establish an offensive threat and punted to the 'Winds. It took the "Green Gang" only a short time to put points on the board. QB Chad Quisenberry chalked up a 5-yard blast for the first Floydada TD following a 54-yard dive — sustained by a 27-yard run by Frank Suarez and a 17-yard pass reception by Armando Morales. Kenneth Collins split the uprights for the PAT — his first of five perfect kick conversions for the evening.

Lockney reached Floydada territory on their next possession, but were stopped at the 'Wind 46 and had to punt. The Longhorns recorded their initial first down in this series, but stellar defensive work by Jesse Suarez, Adam Cates, Leonard King and Kenneth Collins stalled any hopes for a Lockney score.

The Whirlwinds marched like "Sherman through Georgia" in a error-free, 82-yard drive for their second tally — with the key play coming on a Quisenberry-to-Collins pass into the left flat which went for a 53-yard gainer. With 37 seconds remaining in the first quarter Collins took the pitch out of the Wishbone and cut back across the double stripe. The following snap by Joe Cisneros with the hold by Quisenberry were perfect as Collins again drilled the point-after. (Cisneros handles the snapping chores on punts and placements, and is doing a consistently good job.)

Early in the second quarter the 'Winds' defense stiffened and forced Lockney into yet another punting situ-

ation. The 'Horn punter recovered his own muffed snap, but Floydada took over on downs at Lockney's 17. The Whirlwinds moved toward scoring territory, but lost a good opportunity by fumbling inside the Lockney 3. Lockney gained little on the first two plays. On 3rd-and-nine from his own five, Michael Monroe took a Louis Perez pitch, quick-kicked for 56 yards, and helped the 'Horns out of the bad field position. Neither team generated much of an offense the remaining minutes of the first half, and the Whirlwinds went into the locker room owning a two-touchdown cushion.

The halftime activities were highlighted by an excellent show from the vastly-improving "Spirit of the 'Winds," the Floydada High School Marching Band. Also on tap was what many in the crowd had been waiting for — the introduction of the Homecoming Queen and her Court. Blanca Medrano, daughter of Alfredo and Elvira Medrano, was crowned Homecoming Queen, 1988. First runners-up honors went to Tiffany Gentry, daughter of Travis and Geraldine Gentry. Second runner-up was Rhoda Hernandez, daughter of Frank and Lillie Maldonado.

Lockney opened the second half with a squib kick in an effort to regain possession — a tactic that almost worked! However, Frank Suarez emerged from the bottom of the pile with the ball, and the 'Winds took over on their own 37. Two nice runs by Quisenberry picked up 15 yards and a first down at Floydada's 35. A jarring tackle by Longhorn Wesley Teeter knocked the ball loose from Kenneth Collins two plays later, and Gonzales recovered for the 'Horns. Two plays later Jacob Galvan pounced upon a Lockney fumble, and gave possession back to the 'Winds. Teeter, Rex Mathis, and Phillip Glasson made some good defensive plays, and stalled the Floydada thrust at the Lockney 38 — where Jacob Galvan punted deep into Lockney turf. The Longhorns advanced to their own 19 where they were forced to punt. Several Whirlwinds rushed the Lockney punter, and Grant Stovall's block attempt was successful. The ball bounced into the endzone where it was recovered by Leonard King for a Floydada touchdown. Kenneth Collins kicked the PAT, and the 'Winds extended their lead to 21-0.

Lockney was unable to move the ball, and again elected to quick-kick on third down. The 42-yard punt drove the 'Winds deep in their own territory. Floydada failed to manage a first down, and Galvan punted them out of the hole. Lockney fumbled on the first play after regaining possession, with Adam Cates coming up with the loose ball for the 'Winds at their own 48. Floydada picked up two first downs and 27 yards as time ran out in the third period. Quisenberry carried on the option down to the Lockney 14 on the first play of the final stanza. Two plays later, an errant pitch off the option, was recovered by Gilbert Ruiz for the 'Horns. Again, a scoring opportunity was squandered away by the Whirlwinds.

Lockney moved the ball for several plays, but fumbled again. Armando Morales recovered the ball for Floydada. On the next play, Frank Suarez took the handoff, and behind the excellent blocking from his offensive line, rambled 23 yards for paydirt. Collins added the PAT to extend the 'Winds' lead to 28-0. An Adam Cates' sack of 'Horn QB Louis Perez in the next series forced a Lockney punt. A good return of the punt by Collins was nullified by an illegal blocking penalty, which put Floydada on their own 37. During this drive some new faces appeared in the Floydada line-up and made a good showing.

Corey Mulder and Rueben Chavarria sparked a 63-yard drive for a score, with Travis Bishop carrying for the final five

yards for the TD. Collins came on to kick his seventh consecutive conversion of the young season. The final minutes ticked away as Lockney again failed to penetrate Floydada territory. At the final gun, the men in green rushed to the center of the field where they were presented the prize for their efforts of the evening — the Floyd County Championship trophy.

Even though our friends to the North were blanked in the current version of the long-standing rivalry, it certainly should be mentioned that Lockney never gave up — they took the fight to the 'Winds right down to the final second of play. This is a credit to their coaching staff as well as the youngsters themselves. Several times in the game, another team would have "folded their tents," but not the Longhorns. A word of warning to future Lockney opponents: DON'T take them lightly...they will fight and scrap until the clock runs out!

BILL'S REMARKS

This week commences what could almost be called "Murderer's Row" for the Whirlwinds — they will play their next three games in the unfriendly surroundings of the home fields of the opposition. The Canyon Eagles present the most formidable foe the 'Winds have faced so far in 1988. The undefeated Eagles come into Friday's encounter fresh off a 32-0 whitewash of Friona. Canyon features a stable of thoroughbreds who galloped for 352 rushing yards against the Chiefs. Floydada's rushing defense will be put to the ultimate test to try to contain this juggernaut. Canyon has been moved to AAA with this year's UIL re-alignment. Several

players of this team were members of last year's AAAA Quarter-finalists. Even though many are gone from that playoff team, Canyon has been picked by many sports analysts as the top AAA club in Region I.

It doesn't take a genius to figure out that it will require an ALL OUT EFFORT for Floydada to bag the Eagles. The 'Winds continue to improve in most aspects of the game. Eliminating costly errors and turnovers in scoring territory has to be upmost in the minds of Coach Overton and his staff as they prepare for the Canyon game.

Superlatives of Lockney game: Offensive players of the game - Chad Quisenberry and Kenneth Collins; Defensive players of the game - Entire linebacking corps and Grant Stovall; Offensive play of the game - 53-yard pass from Quisenberry to Collins, which set up second touchdown; Defensive plays of the game - blocked punt by Stovall which was recovered for TD by Leonard King for Floydada; quick-kick of 56 yards by Lockney's Michael Monroe, whose effort brought the Longhorns out of a deep hole in their own territory. This writer would be run out of town for predicting a Canyon victory on Friday. However I'm not going with the Whirlwinds out of loyalty or the threat of seeking a new address — I really feel the Whirlwinds can beat Canyon. They've got to want to and execute their game plan with dedicated intensity. With that thought in mind, here are my "Picks of the Week":

- | | |
|-----------------|-------------------|

Rushing: Frank Suarez 15-86; Kenneth Collins 10-39; Chad Quisenberry 10-73; Jesse Suarez 4-32; Corey Mulder 7-19; Rueben Chavarria 3-22; Travis Bishop 1-5
 Passing: Chad Quisenberry 3-8-0; 79 yds.
 Receiving: Armando Morales 1-17; Kenneth Collins 1-53; Frank Suarez 1-9

Coach's Comments

Coach Overton was pleased with the overall effort shown in the Lockney game. Upon viewing the game film, he was disturbed at the turnovers in obvious scoring situations. He pointed out that this would be an area of concentration by the staff the remainder of the week while working on the Canyon game plan.

In discussing this week's opponent, the Canyon Eagles, Overton acknowledged they are a very good football team with a lot of tradition going for them. Canyon reached the quarterfinals in AAAA last season. Overton stated, "We need to go up there, play hard from snap

to whistle, and draw on mental toughness and discipline to execute to the best of our ability." He went on to say, "There is no easy way out — we have to line 'em up and get after them."

When asked about the Whirlwind injury situation, Overton responded, "We have plenty of bumps and bruises, but nothing serious that we can't live with."

The coach made a special point to ask that a good following travels to Canyon this week to back the Whirlwinds. Kick-off is set for 8:00 p.m. at West Texas State University's Kimbrough Stadium.

FOOTBALL CONTEST

CONTEST RULES

Any subscriber or individual above the age of 7 who purchases a Hesperian from a newsrack is eligible to enter this newspaper's weekly football contest, except employees of Floyd County Newspapers.

To play, circle on official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing a particular game. In addition, indicate in the tie-breaker football your guess on the total number of points to be scored by the two teams listed.

The only entries considered for prizes will be those appearing on official entry forms and those brought to the Hesperian Office by 5 p.m. on Friday. No mail entries will be accepted.

Three cash prizes are offered weekly. In the event of ties - the same number of correct games and equal scores on the tie breaker - prize money will be shared among those involved in the tie. The tie-breaker score will be utilized only in the event of a tie on the number of games missed.

In the contest to determine the season winner and the recipient of the two tickets to the Nov. 24 Dallas Cowboys-Houston Oilers game in Dallas, each contestant will receive one point for each correct game selected on an official form throughout the season.

Print name and address plainly on official entry form and double check that your choices of winners have been circled.

Enter one entry per person per week. Weekly winners are limited to one per household.

SEASON WINNER EARNS:

2 Tickets to Cowboys-Oilers Game on November 24

1st prize \$10⁰⁰

2nd prize \$6⁰⁰

3rd prize \$4⁰⁰
