OFF-SEASON WORKOUTS--Coach Lee Hurt looks on as Adam Cates lifts 265-lbs. in the "Power Clean" procedure, during off-season workouts. Cates recently reached the 300-lb. plateau in the bench press. (See related story on page 9). --Staff photo

City sets election, approves use of dog

May 6 has been set as the date for the Floydada Municipal Election this year. The date was approved on a motion by councilman Frank Breed. Councilman Amado Morales provided the second and the council passed the issue on a unanimous vote.

POLICE TO USE CANINE UNIT

James Hale, Chief of Police, and Officer Darrell Gooch met with the council to present a request for authorization to utilize a canine unit on the local force. Gooch gave an extensive presentation concerning the background of dogs in law enforcement and the training necessary to make a dog an asset to law enforcement. He also presented a video tape of the training and capabilities of the dog at issue.

Also present at the session was the animal, a female Rottweiler named Missy. Gooch demonstrated that she is very social and interacts well with people, including strangers. According to Gooch, she has been trained primarily to protect officers and their vehicles, not to be aggressive. Gooch said "She will not attack unless someone is threatening the officer or the vehicle. She is trained to stop and hold the culprit until an officer tells her to release."

Gooch asked that the council allow him to have the dog ride with him on duty. Councilman Breed expressed the concern that the city could be opening

themselves up to a lawsuit if someone is bitten by the animal. Gooch responded that complete documentation of the dogs activities on duty and the continuing training she receives would be an adequate defense in the event a lawsuit is filed.

Councilman Leroy Burns made the motion that the department be allowed to have the dog accompany them on duty pending confirmation of liability insurance covering a canine unit. The motion included the provision that the city reimburse Gooch the cost of replacing the dog should she be killed in the line of duty. The city will also share the cost of veterinary treatment if she is wounded in the line of duty.

The motion passed following a second by council woman Nancy Willson. Council members Breed and Morales voted against the proposal.

OTHER ACTION

Bids were opened and read concerning the demolition of two delapidated properties in town. Seven bids were received on the structures at 212 W. Mississippi and eight bids were received on the structures at 606 E. California. Both were awarded to the low bidder, Albert Marmolejo, who submitted bids of \$50.00 on each demolition project. Should he not accept the work under the bid specifications as outlined by the city, the bid would fall to the next

lowest bidder. Kevin Nelson bid \$550.00 for demolition of the structure at 212 W. Mississippi and Martin Morales bid \$549.00 for the demolition at 606 E. California.

Other bidders on the Mississippi street project were Vernon Wickware (\$590), Wayne Bennett (\$750), Melson Dudley (\$780) and Rex Beatty (\$744). Bidding on the California street demolition were Wickware (\$600), Bennett (\$800), Dudley (\$840) and Beatty (\$844). Leandro Hernandez bid \$600 to purchase the property, but the bid was rejected as no notice for sale is out at this time. Cooper & Cooper of Anton, Texas submitted a combined bid for demolition on both properties at \$3,700.00.

A public hearing was held on the proposed demolition of structures at 1030 S. Leonard Street. Council members authorized proceeding with the process and advertising for bids. A public hearing was set for considering the demolition of structures at 308 W. Kentucky Street. The hearing will be held during the March 14 regular session of the council.

A public hearing will also be held at that time concerning the city operating budget for the period April 1, 1989 to September 31, 1989. Public comment is invited at this time.

Doyle Walls was appointed to serve as the city representative on the Floyd County Central Appraisal District board. The council also approved utilizing the services of the district for appraisal, assessing and collecting taxes for the city.

The council also ratified the purchase of a pickup for use in the electric department.

Rilla Sue Woody was approved to lease and operate the city swimming pool for the 1989 summer season under the same conditions as last year. Larry Noland was approved to operate the summer baseball program with the stipulation that he will be responsible for cleaning and litter control of the grounds at the baseball diamonds and the concession stand.

Wayne Russell presided as Mayor Pro Tem in the absence of Mayor Parnell Powell due to illness. Also present at the session were council members Breed, Burns, Morales, Willson and Ginger Warren. City manager Gary Brown attended along with city secretary Jimmie Lou Stewart, city attorney Steve Hale, building inspector Jessie Morales, Chief Hale, Officer Gooch and the Hesperian reporter.

Numerous line breaks cause city to shut off water

City residents were without water, Thursday, February 9, from 3:30 a.m. to 7:00 a.m. According to City Manager Gary Brown, "The water was shut off due to numerous line breaks and the need to make repairs.

Employees in the water department got approximately six hours of sleep in a 56 hour period, beginning the night before, working on lines."

FISD trustees set election, extend school principals contracts a year

A unanimous resolution from FISD trustees, passed on February 13, during the regular monthly session, calls for the scheduling of a trustee election on May 6. Trustees will be elected in districts 5 and 4. Also to be elected is one at-large trustee.

Current board members with terms expiring election include John Dunlap, Charlene Brown and Don Hardy. Both Hardy and Brown reside in District 5 and can run in their district or for the at-large post. Dunlap, as a resident of District 1, will have to run for the at-large post if he chooses to seek re-election.

All district voters will be casting a

ballot for the at-large post. Only voters residing in District 4 and District 5 will be voting for representatives in those districts.

Anyone interested in running for a trustee position may sign up at the office of school attorney Ben Ayres. Filing dates are from February 20 until 5:00 p.m. on March 22.

Absentee balloting will be held in the board room at the administrative offices of FISD under the supervision of absentee election judge Darlynn Ham-bright. Absentee voting will begin on April 17 and end on May 2.

Election judge for the May 6 election

will be Louise Turner. Voters will cast ballots at the County Courthouse. Three ballot boxes will be available for the three trustee positions.

Anyone with questions concerning which district they reside in or which district they are eligible to seek election in may contact Jerry Cannon or Jimmie Collins at the administrative offices. Information and maps are available in that office and staff members will be available to assist in locating your district.

SOUTH PLAINS AND DOUGHERTY PLACED IN VOTING DISTRICTS

Residents of areas added to FISD by the closure of South Plains and Dougherty school districts have been incorporated into districts 4 and 5. South Plains was added to District 4 and Dougherty was placed in District 5. An adjustment in District 2 boundary lines was necessary to adhere to the justice department guidelines for single member districts.

CONTRACTS CONSIDERED IN EXECUTIVE SESSION

Following an executive session for the purpose of building personnel evaluations and contract renewal, the seven members of the Floydada Independent School District Board of Trustees opted to extend several contracts and grant a \$1500 increase to four principals, the administrative assistant and another program director.

C. E. Tyer, principal of R. C. Andrews Elementary School, asked the board not to extend his contract. Tyer indicated his intention to retire at the end of his current obligation to the district, the end of the 1989-90 school year. The board respected his wishes while increasing his salary by \$1500 for the remaining year of his contract.

Principals Ronnie Wood (High School), Joe Christian (Junior High School) and Bobbie Weir (A. B. Duncan Elementary) were each given a one year extension on their contracts, keeping them at the two year duration, along with the \$1500 increase. Administrative assistant Jimmie Collins was also extended one year with a \$1500 increase, as was Les Ross, Special Education Director.

PTA PROPOSES PURCHASE

Judy Schacht met with the board to present a proposal for the purchase of playground equipment at A. B. Duncan Elementary. Schacht, representing the PTA, asked that the board consider matching the funds raised by the PTA this year in order to enable the group to purchase two pieces of playground equipment for the play area at the elementary school. The PTA estimated funds raised to be "about \$3500".

A motion by Andy Hale, seconded by Cindiann Williams and approved by unanimous vote, authorized matching funds up to \$5,000 to be used for the purchase of playground equipment.

Board members approved annual resolutions authorizing the Floyd County Central Appraisal District to appraise, assess and collect taxes for the school district. A resolution to continue taxing personal property such as vehicles, travel trailers, planes and boats was passed.

Removal of structures on condemned city property was also approved by the board. A resolution was passed authorizing the board president, Charlene Brown, to be the signature of record for the district on deeds for the sale of tax-acquired properties.

OTHER ACTION

Board members discussed the possibility of changing guidelines for student eligibility for participation in the annual livestock shows. Brown told fellow trustees that she had been approached by others and asked to bring the matter up. She indicated that some parents are concerned that allowing a student with below 70 averages to participate through having his/her animal prepared and shown by another is unfair to students who have maintained a good grade average.

Michael Hinsley told the board that he had also been concerned about changing the requirements to match those of Lockney so that students from each city would be treated equally in the county show.

Jimmie Collins presented the tax report. \$853,706 has been collected, leaving a balance of \$78,106 to be collected according to Collins. He added that this represents a collection rate of 91.77 percent as opposed to a rate of 89.89 percent at this time in 1988.

BEAU AND SWEETHEART--Floydada Whirlwind Basketball Beau and Sweetheart announced during last Friday night's basketball game were Rolando Cisneros and Lori Christian. Cisneros and Miss Christian are both seniors at Floydada High School. The beau is chosen by the girls basketball team and the sweetheart is named by the Whirlwind basketball team members. --Staff photo

State Rep. Warren Chisum will speak at banquet February 25th

February 25 has been set for the annual Floydada Chamber of Commerce banquet. Tickets have already gone on sale at \$10.00 each, for a roast beef dinner catered by Bobby Rainer and the chance to meet and hear your own State Representative, Warren Chisum.

Mr. Chisum will be the guest lecturer at the banquet, informing those in attendance about the current happenings at the state capital, and possible future problems and solutions in the state legislature. There aren't many opportunities to meet with your representative personally, and the chamber of commerce directors felt this was a perfect opportunity for the community to become informed and meet Mr. Chisum.

Several awards will be handed out at the banquet. Dinner music will be pro-

vided by Joyce Lipham. Spring Lipham will sing two songs for musical entertainment.

Chamber manager, Nettie Ruth Whittle, encourages everyone to dress in western theme, blue jeans and bolo ties for the men and western skirts for the ladies.

Tickets can be purchased from any chamber director. If you can't find a director, tickets are available at the chamber office, the First National Bank or the Floyd County Hesperian.

The banquet will be held in Duncan Elementary Cafeteria at 7:00 p.m., February 25. The chamber encourages you to come and enjoy the fellowship, entertainment, dinner, and meet your representative.

Floyd County Commissioners Court handles routine agenda

Members of the Floyd County Commissioners Court accepted a proposal from the First National Bank of Floydada to act as depository for county finances for the coming year during the Monday session of the court. FNB Floydada was the only institution to submit a proposal. This action was one of several annual matters to be handled at the regular February meeting.

The court approved an order authorizing the Floyd County Central Appraisal District to appraise, assess and collect taxes for the county and authorized the levying of personal property taxes on vehicles, airplanes, travel trailers and boats during the session.

Appointments to the grievance committee were finalized after receipt of letters of acceptance from Alex Wall, June Sherman and Bob Alldredge. The trio were previously selected by random drawing from persons on the grand jury last year.

Two agreements for collecting bounty money for killing coyotes were approved. The names of J. A. Welch and Max Yeary will be added to the list of those eligible to dispose of the predators and collect the \$5.00 bounty on the kill in Floyd County.

SPEMS ADDRESSES COURT

Four representatives of South Plains Emergency Medical Systems met with

the court to encourage the county to become a contributing member of the fifteen regional counties served by the group. Services include repeater communications devices for relaying communications between ambulances and hospitals, training courses for emergency personnel and run sheets to record details of an ambulance call on.

Melisa Gentry, Joan Murray, Mary Helen Jamerson and Darvin Morrison requested that Floyd County consider budgeting \$3,000 per year to SPEMS to assist in the maintenance and repair of the repeater units originally installed with federal funds ten years ago. No alternate funds are available for maintenance and repair. No action was taken by the court at this time.

Treasurer Glenna Orman presented her report on the financial status of the county as of January 31. The county began the month with \$167,374.91 and took in receipts of \$454,659.13. Disbursements totaled \$433,933.19, leaving \$118,100.15 at the end of the month. Collected taxes totaling \$640,000.00 are currently in certificates of deposit awaiting county use during the remainder of the budget year. The CD's have earned \$11,500.00 in interest to date this year.

Farm work contracts were approved for John Dunlap, T. Owen Thornton and Thomas Warren.

SENIOR SHOWMANSHIP—Showmanship awards were presented Tuesday, February 7, at the annual Livestock Show banquet held in the Lockney Elementary cafeteria. Those named were: Dean Smith of Floydada, sheep division; Phillip Glasson of Lockney, swine division; Jennifer Crow of Floydada, beef division. Staff Photo

Homecoming committee donating to local funds

The 1992 Homecoming Committee met and decided to donate funds from the 1988 Homecoming to the following: \$250.00 towards the Whirlwind logo on the high school building; \$250.00 to the Anne Swepston Scholarship Fund; \$250.00 to the A. E. Baker Scholarship Fund; \$250.00 to the Floydada High School Agriculture Department;

\$500.00 to the Floydada High School Student Council; and \$2,000.00 towards the purchase of central air conditioning for the high school auditorium.

Other business discussed were suggestions given to previous committee members. Those attending were: Darlynn Ham-

bright, president; Olin Watson, treasurer; Becky Emert, corresponding secretary; Julianne Cornelius, recording secretary; and Linda Matsler, outgoing recording secretary.

We want to thank and say how much we appreciate the 1988 committee for a job well done.

Courtroom Activities

In county court on Feb. 7, Roberto Cortinas Jr., 27, of Floyd County, pled guilty, to a 2nd DWI charge from Feb. 6. He was fined \$500.00 and court costs of \$88.50 and sentenced to one year in Floyd County jail, to serve six months then probated for the remainder of two years.
Roberto Mireles pled guilty Feb. 8 to a Feb. 6 charge of criminal mischief. He was fined \$200.00 plus court costs of \$88.50 and restitution of \$432.95. He was sentenced to six months in Floyd County jail probated for one year.
On Feb. 9, Mark Shannon Shurbet filed a speeding appeal. There was no disposition on this case.

Also on Feb. 9, Juan Mireles pled guilty to criminal mischief. He was fined \$200.00, court costs of \$88.50 and restitution of \$432.95. He was also sentenced to six months in jail probated for one year.
On Feb. 13, Cozette Harrelson was charged with theft of service/rental property. There was no disposition on this case.
In J.P. court for the week of Jan. 24 - Feb. 14 there were 164 misdemeanor cases filed.

McIntosh completes paramedic training

Paul McIntosh, son of Dr. and Mrs. O. R. McIntosh of Floydada, has completed his paramedic training at Texas Tech University Health Science Center at Lubbock, Texas, and is now a certified paramedic.

REVIVAL

Trinity Church is having a Revival February 12-17. Guest will be country music singer, Buddy Baird. Services will be at 6 p.m. Sunday, and 7:30 p.m. Monday through Friday.

RIBBON CUTTING

The Womens Chamber of Commerce will sponsor a ribbon cutting for the opening of CRH Systems, at 122 W. California, on Friday, February 17, at 10:00 a.m. The new business is owned by Bobbie and Charles Hamilton.

SINGLES

The Floydada Singles Club will meet at Lighthouse Electric on Feb. 18. Floydada members are asked to come at 6 p.m. and guests at 6:30 p.m.
Hostesses Edwina Hollums, Blanche Williams, Ruth Trapp and Ernestine Gilly will serve stew and cornbread. Others are asked to bring a salad or dessert.

Vehicle burglaries reported

Police had a quiet week with only two vehicle burglaries reported.
On February 7 at approximately 8:30 p.m. a woman reported that her purse was stolen out of her unlocked vehicle parked in the 600 block of W. Ross. The purse was later recovered with only food stamps stolen.
A pickup was reported burglarized sometime between Feb. 13 at 10:30 p.m. and Feb. 14 at 7:45 a.m., in the 900 block of S. Leonard. Reported stolen was a tool box from the back and an Escort radar detector from inside the pickup. The passenger door was unlocked.
Police investigated a motor vehicle/bicycle accident in which a 10 year old girl was knocked from her bicycle. The

driver of an 83 Mercury Capri was backing from a driveway when a 10 year old girl rode her bike behind the car as it was backing. She was knocked down and the rear wheel of the car ran over the ankle of the girl. The ankle was not broken. There were no injuries and no charges were filed.

Bridge tournament nets over \$600 for Heart Assn.

The Floyd County Division of the American Heart Association held its annual "Bridge for Heart" tournament and noon meal on Friday, Feb. 10, at the Massie Activity Center. The meal consisted of turkey spaghetti, salad, bread sticks, and dessert.

This is one of the principal fund raising events and netted \$622.18 for the education and prevention of heart attack and stroke and for research.

Sue's Gifts donated first place prize to Ola Barnett and Evonne Stovall of

Plainview; second place prize was contributed by Williams Florist and Card Shop and won by June Stanton and Pat Ellison of Petersburg. A consolation prize was donated by Park Florist and won by Nola Bishop and Gertrude Smitherman of Floydada.

Sixty-eight people participated in this event and in addition to participants from Floydada, Lockney, Petersburg, Silvertown, and Plainview were represented. Palace Cards and Gifts, Bishop-Ramsey Pharmacy, Thompson Pharmacy and Jo Goen contributed door prizes.

The success of this event is the result of dedicated workers consisting of Anne and Jimmy Willson, Kelly Williams, Joyce Williams, Polly Cardinal and Lynn Marler who prepared and served the noon meal. Margaret Fowler, Frances Stanforth and Lavene Moore smoothly ran the tournament. Special appreciation for their contribution in setting up the physical arrangements is given to Kathy and Nathan Mulder and the Floydada Lions Club.

HEART ASSOCIATION BRIDGE TOURNAMENT-- Sixty-eight persons attended the American Heart Association's "Bridge for Heart" tournament last Friday

Twenty-five participate in Pinewood Derby

Floydada Cub Scouts, Pack 357, held their annual Pinewood Derby Tuesday, February 7. Twenty-five boys participated in the races, which were divided into three classes: Tiger - first grade; Cubs - second and third grades; and Webelos - fourth and fifth grades.

The following were winners of their class:

Tigers: first place, Zach Logan; second, Alex Hadderton; third, Joshua Morales.

Cub Scouts: first place, Tyson Whittle; second, Warren Bishop; third, David Bishop.

Webelos: first place, Michael Mercado; second, Adam Soto; third, Dustin Owens.

All boys who participated received a blue ribbon. Refreshments were served to boys and parents. Several special guests were present, and their attendance was appreciated.

Floydada Cub Scouts would like to thank Terry Turner, Tracy Turner, Rex

Harrison, Gary Wilson, Micheal Gilliland and Brandon Gilliland for acting as official weighers, announcers, judges and starter.

The next pack meeting for Floydada

scouts will be around the first of March, when boys and dads will have their Father-Son Cake Bake and Auction. Anyone interested in an original cake please contact a cub scout!

Texas tourism to be featured on new 1989 telephone directories

A native Texan's friendly face smiles from the cover of the 1989 Southwestern Bell Telephone (SWBT) directory which started to be delivered in Floydada on February 7, 1989, said Jim West, Area Manager-External Affairs.

There's a reason why Joe Dobkins of Red Oak is featured on the cover. He's also featured in the Texas Department of Commerce's tourism advertising campaign bearing the theme "Texas. It's like a Whole Other Country". The campaign

is targeted at potential tourists from all over the United States.

"Research from the campaign shows that tourists mention friendliness as the biggest drawing card to Texas, more than the Alamo or any other attraction," said West. "All Texans can have a major impact on tourism by being 'Texas Friendly'."

The photo of Dobkins will appear on more than 175 Southwestern Bell Telephone directories distributed across the state in 1989.

"Travel and tourism directly benefits the Texas economy. It's a \$17 billion industry which helps support over 300,000 jobs in Texas," said West. "Obviously, tourism plays a major role in Texas' economic development effort. Using our directory cover to promote tourism and our 'Texas Friendly' hospitality is one more way we can help boost the state's economy."

West said about 2,279 directories will be delivered to area residences and businesses. Delivery should be completed by February 21, 1989.

The Floydada directory also will feature a slightly larger typeface for the residential and business listings. "We made this change after asking customers how we could improve our directory," said West.

Each residential customer will receive one directory. For additional copies, customers should call their Southwestern Bell Telephone business office. However, West requests that customers not call right away.

"If your friend across town got his directory before you received yours, you'll probably get one within a few days," he said.

This year, 15 white pages and 25 yellow pages make up the Floydada directory. There are 2,166 white page listings.

Local emergency numbers are listed on the inside front cover of the new directory.

Hearing or speech impaired customers using a TTD/TTY may contact the Customer Assistance Bureau to communicate their telephone needs. They may call toll-free 1-951-7088 during business hours for an immediate response. Calls will be answered after hours and directed to the bureau during the next business day.

In the Customer Guide at the front of the directory, customers will find tips on how to save money on their phone call if they have a complaint about their telephone service (1-800-422-0499).

County livestock show premium sale totals \$115,227.50

It was a good year for those who brought their livestock to the premium sale, following the Floyd County Livestock Show. A total of \$115,227.50 was raised, including premiums, bonuses and floor bids. The money will be used by the youngsters involved for a variety of worthwhile causes including education and purchasing more livestock. This total is up from last year's estimated \$9,600-\$9,700.

MR. AND MRS. RUSSEL CLAUDE GRAVES

Batey and Graves exchange marriage promises

The First Baptist Church in Floydada was the scene of the recent double ring ceremony uniting Miss Lonna Diane Batey and Russel Claude Graves.

Parents of the couple are Mr. and Mrs. Jackie Duke of Floydada and Mrs. Ronnie Graves of Post and the late John L. Batey. Grandparents of the groom are Mr. and Mrs. Quanah Maxey and Mr. and Mrs. W.C. Graves, all of Post.

The ceremony was performed by Rev. Howell Farnsworth, pastor of the Floydada church, before candelabra arches tied with teal bows. The bridal aisle was marked by hurricane lamps and teal bows.

Given in marriage by her stepfather and brother, Leighton Batey, the bride wore a white bridal satin gown made by her mother. It featured a chapel length train caught at the back waist with a pouf bow and highlighted with inlaid lace motifs and scalloped lace edging adorned the bouffant leg-of-mutton,

off-the-shoulder sleeves capped by self fabric bows. The sweetheart neckline bodice also featured the same motifs and lace edging.

Her chapel length veil was attached to a headpiece of Lily of the Valley silk flowers and pearl sprays.

She carried a cascade of silk roses made by the groom's grandmother, Mrs. Maxey. The bouquet featured silk ivy, seed pearl sprays and rope, white lace, teal and navy streamers.

For the traditional "something old", tied into the bouquet was the 1901 wedding ring belonging to the late Mrs. Duff Green, great-grandmother of the groom. "Something new" was pearl earrings and necklace, a gift from the groom. Something borrowed was a 1968 penny, birthdate of the groom and belonging to the groom's mother, for her shoe and "something blue" was her garter, also made by Mrs. Maxey.

Attendants for the bride were her sister, Lana Copp of Lazbuddie, as

matron of honor. Her sister-in-law, Julie Duke of Floydada, and Angela Graves, sister of the groom, served as bridesmaids. They wore identical gowns of teal satin featuring bouffant sleeves extending from shoulder bows on the fitted bodice with a scoop neckline. The waist was tied with large self fabric bows overlaid with white lace.

They carried long stem silk roses, also made by Mrs. Maxey, tied with iridescent and teal ribbon streamers. Side hair accents were teal silk flowers.

Serving as best man was Ron Graves, brother of the groom, of Stephenville, and groomsmen were Brad Mason, cousin of the groom, and David Shults, both of Post. Serving as ushers were Blair Didway, cousin of the groom, of Post and Jody Copp, nephew of the bride, of Lazbuddie. They wore navy tuxedos with teal cummerbunds and bow ties. The groom wore his dress blue U.S. Army uniform adorned with his medals.

Flower girls were nieces of the bride, Kayla Copp of Lazbuddie and Randi Duke of Floydada. They wore white taffeta gowns identical to the bridesmaids with teal sashes and rose accents. Teal silk roses circled their hair. They carried white baskets trimmed with teal silk roses.

Ring bearers were Dustin Duke of Floydada, nephew of the bride, and Tye Mason of Post, cousin of the groom. They wore tuxedos identical to the groomsmen.

Wedding music was provided by Mrs. Glen Norman at the organ. She accompanied Margie Pennell as she sang "The Rose" and "You Light Up My Life."

RECEPTION

Following the ceremony, a reception was held in the church parlor. The bride's table stood before a white lattice background that was tied with large teal satin bows. The table was covered with a white cloth edged with a deep lace ruffle caught into scalloped ties with navy and teal silk flowers and bows. The centerpiece of teal, navy and silk flowers was flanked by silver candlesticks with teal tapers. The three-tiered wedding cake was topped with a ceramic bride and groom figurine hand-painted by the bride's mother to match the groom's dress blue army uniform. The cake was served with the cake knife belonging to the groom's aunt and uncle, Orabeth and Noel White. Serving at the bride's table were Misses Kelli LaBaume and Shanna Seymour of

Floydada.

The groom's table was covered with a teal cloth and centered with a silver candelabra with teal crystal votives and entwined with teal and navy silk flowers. The chocolate cake was decorated with the Military Police insignia and the couple's names. Cheese and sausage nibbler trays, crackers, and coffee were also served. Assisting with serving duties were cousins of the groom, Keitha White and Cristal Key. Mrs. Bobby Cowdrey assisted as a member of the houseparty.

Ludustria Leatherman registered guests from Floydada, Post, Lubbock, Roaring Springs, Lazbuddie, Gail, Paoli, Oklahoma, and New York, New York.

The couple left on a short honeymoon and later returned to duty in Bremerhaven, Germany, as Military Police in the U.S. Army.

The bride is a 1987 graduate of Floydada and the groom graduated from Post High School in 1986. Before entering the service, he was employed by United Supermarket in Post.

REHEARSAL DINNER

Mr. and Mrs. Ronnie Graves hosted a rehearsal dinner at the Fellowship Hall of the Floydada First Baptist Church for members of the Batey-Graves wedding party on the previous evening.

Tables were covered with teal cloths and were accented with silk flower arrangements of white, teal and navy around brass candlesticks with teal tapers. Tiny silver and teal heart confetti was sprinkled along the tables.

Dinner music was provided by Jane Mason and Noel White, aunt and uncle of the groom. They were accompanied at the piano by Keitha White.

Assisting with serving was Orabeth White, aunt of the groom.

Sorority hears skin care program

The 243rd meeting of Texas Alpha Mu Delta was called to order at 7 p.m. by president Brenda Heflin in the home of Jeanine Helms. Roll was called with two absences. Minutes from the previous meeting were read and approved. The treasurer's report was given with dues due.

Dora Ross hosted the evening's program. She had invited Ouida and Billie McCandless to give a program on their skin care products. The product is Oil of Mink. Billie presented an extensive talk on the products, which was followed with discussion by all members. The next program will be given by Tammy Wilson on February 21.

The sorority will be having a rush party on March 1. The group's annual

lingerie auction raised an all time high record of \$450, which will be used to defray the costs of the Founder's Day social in April. The Valentine social was held Saturday night in Lubbock, where they crowned the new sweetheart for 1989. The March social will be the concession stand on the 11th. The new ways and means project for this spring will be a home tour in Floydada. Extensive plans are being made for this the first or second week of May. Most of the potential homes have okayed the tour. "We certainly appreciate the cooperation from the people in Floydada, as all the help they can give us to help raise money to put back in the county will be appreciated," members say.

An ice bagging party will be held a couple of Saturdays before the rodeo. Thanks to Cindy Fortenberry for donating the ice this year. A secret ballot was then held to elect a new Valentine sweetheart for 1989. She will represent Alpha Mu Delta in an International Beauty Contest.

There being no further business, the meeting was adjourned with all joining hands for the mizpah.

Hostesses for the evening were Jeanine Helms and Sherese Covington. They served Bearoux, tossed salad, potatoes, iced tea, peach cobbler and ice cream.

VALENTINE SOCIAL

Valentine social members traveled to Lubbock on Saturday evening, February 11, where they met at the County Line Restaurant. After enjoying the delicious cuisine, they crowned Jan Beedy as the sweetheart for 1989. She was presented with the traditional crown, a red rose and a gift. After this they all went to the Comedy Club and enjoyed a few laughs.

After a night of dining and dancing, they journeyed home.

Those attending the Valentine social were: Mr. and Mrs. Clinton Ware, Todd Beedy, Rick Heflin, Marty Covington, Breck Wofford, Kary Helms and Tom Ross.

NEW SWEETHEART--Jan Beedy was crowned as Alpha Mu Delta's 1989 Valentine Sweetheart on Saturday at the County Line Restaurant in Lubbock. The sorority presented Mrs. Beedy with a crown, a rose and a gift. --Staff photo

Floydada Nursing Home Happenings

By Jo Bryant

Hi! Monday started the week as usual, morning coffee and juice. At 10:30 we shared the word taken from Numbers 6-27 What's in the Name? (Ps. 138:2). At 2:00 p.m. the residents had arts and crafts.

Tuesday Brother Neeley couldn't be with us. We pray that Zelma will be progressing better by now. The residents have missed having him. At 2:00 p.m. the Companions and Caring met for their monthly meeting. They helped plan the Valentine's Party.

Wednesday Brother Sanmy Rodriguez came and gave the devotion. We sang some songs. At 2:00 p.m. was a staff meeting. At 3:00 p.m. the residents played bingo. Sue Thompson had the first bingo. Bananas, cheese balls and marshmallows were the treats. Mary Alice Davis assisted the residents.

Thursday Helen Lipham came and played the banjo. We sang some songs. At 2:30 the residents had the rhythm band.

Friday the ladies from the First Baptist Church gave the devotion. Letha Mulder read a poem. Evelyn L. played the piano. At 1:30 the residents went on a bus ride to Plainview. The residents on the bus ride were Charles Breeding,

Ottis Johnson, Billy Probasco, Brooks Calloway, Maude Galloway, Della Halencak, and Burmah Probasco. Thanks Wilma for taking us.

We want to welcome our new residents, Clay and Alice Henry and Icy Snow Weathers.

We wish for Iva Wells and Bill Webster a speedy recovery and hope that they will be back with us soon.

We will celebrate seven birthdays this month. The party will be this Thursday at 2:00 p.m. We invite all family and friends to attend the party.

This week's visitors were: Mary Meason, Margaret Holmes, Brenda and Ina Sanders, Rita Baker, Lubbock; Dee of Odam, Larry and Sharmin Perkins, Beady Owens, Ruby Davis, Daniel McMurrin, Dartha Outlaw, Edna Patton, H. C. and Marjorie McElyea, Frances Badgett, Hazel Bradley, Jettie Moss, Mel and Marjorie Holcomb, Rev. and Mrs. G. A. Van Hoose, Irene Wexler, Rudolph and Iva McCurdy, Mildred Wylie, Irma Garcia, Bessie Wilson, May Sue, Willie Mae Smith, H. C. and Marge McElyea, Opal Kratzer, and Letha Lightfoot.

Turner home is site of bridal courtesy feting Misti Orman

A bridal shower honoring Misti Orman, bride-elect of Lane Jeffreys, was held on Saturday morning, February 11, in the home of Mrs. Robert (Shorty) Turner. Guests were received by the honoree and her mother, Mrs. Bill Orman.

Also attending as honored guests were the grandmother of the bride-to-be, Mrs. Glenna Orman, and four generations of relatives from Lubbock and Anton. They were: great-aunt of the bride-elect, Mrs. Bob Biffle; her daughter, Mrs. Frankie Karvas; her granddaughter, Mrs. Ronnie Buchanan; and great-grandson, Tray.

The serving table was covered with a white cutwork and embroidery cloth and centered with a basket holding navy, white, and red silk flowers. The centerpiece was flanked with double candlesticks of silver holding navy blue candles.

An assortment of fruit breads, cheese ball with crackers, English muffin wedges, and sausage pinwheels were offered to guests, along with coffee and almond tea, all served from silver appointments.

The hostesses presented Misti with the table centerpiece and also a 7-piece set of John Wright cookware. Hostesses for the occasion were: Pat Zimmerman, Martha Farris, Sue Hardy, Vicki Cates, Jan Thayer, Betsy Dempsey, Linda Matster, Janice Lloyd, Dell Gray,

Nancy Mayo, Suzanne Wyrick, Wanda Hickerson, Kay Dean Smith, and Louise Turner.

We Salute ...

HAPPY BIRTHDAY
Thursday, Feb. 16: Gabriel Mendoza Jr., Kim Strickland, Guy Galloway, Oscar Sanchez Jr.

Senior Citizens News

By Thelma Jones

The senior citizens wish to send a big 'thank you' for the response to giving cakes, pies and other goodies, and cash donations at our bake sale, Saturday, to those who gave them and too all of those who purchased them.

Mr. and Mrs. Dennis Wilks of Tulia and Norma Cosby of Floydada visited with Mrs. W. J. Wilks Sunday afternoon.

We are glad to see Rebecca Smith and B and Nora Hatley able to be out some and also others.

We offer sympathy to Mr. and Mrs. Carl Reese on the loss of his sister, Maggie (Jane) Garrett.

Mr. and Mrs. Hollis Payne of Vigo Park spent Thursday and Friday night with her mother, Mrs. Mattie Wester.

Mrs. Ollie Poteet has returned home last week after a visit down state with her children the last six weeks.

Mrs. Mattie Wester visited with Mrs. Jewel Price last week.

Mr. and Mrs. Clarence Guffee and Ruth Duncan visited Mr. and Mrs. Harvey Tardy and Lanell Sunday afternoon.

Mr. and Mrs. Son Jackson and Alma Smith attended the funeral in Plainview for Mrs. Roy Golden, a former neighbor of theirs in the McCoy community several years ago.

This moisture looks good and just hope and pray we get some more, as we surely need it.

Remember the pot luck luncheon Thursday, February 16. Come be with us.

Senior Citizens Menu

Feb. 20-24

Monday: Swiss steak/gravy, mashed potatoes/milk, Italian vegetables, hot yeast roll, margarine or butter, peaches, milk

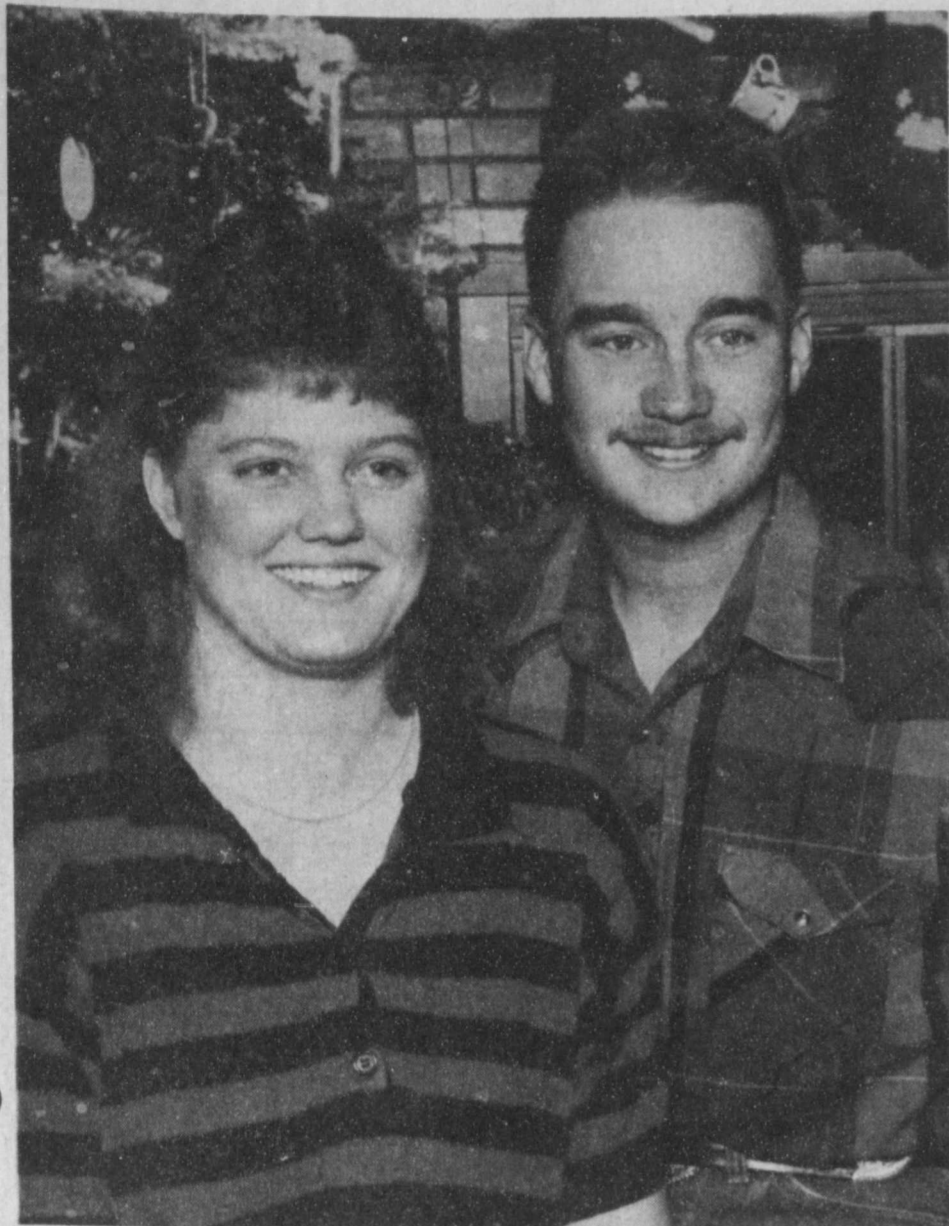

Tuesday: Porcupine meatballs/tomato sauce, whole kernal corn, three bean salad, whole wheat roll, margarine or butter, cherry cobbler, milk

Wednesday: Oven baked chicken, mashed potatoes/milk, broccoli, cranberry sauce, hot yeast, roll, margarine or butter, assorted cookies, milk

Thursday: Macaroni/ham and cheese casserole, spinach, cole slaw, whole wheat roll, margarine or butter, apple-sauce, milk

Friday: Beef chili/beans, whole kernal corn, jellied perfection salad, cornbread, margarine or butter, spice cake/peanut butter icing, milk

South Plains News

COUPLE ENGAGED--Mr. and Mrs. Garth Duncan and Mr. and Mrs. Edwin Knight announce the engagement and approaching marriage of their children, Sandra Diane Parker and Carl Glenn Knight on Saturday, March 18, 1989 at 2:00 p.m. in the Primitive Baptist Church, Stephenville, Texas, with Elder Jim Jackson, pastor of the Floydada Primitive Baptist Church officiating. Sandra graduated from Stephenville High School in 1985, and has attended WTSU in Canyon. Knight graduated from Fairfield High School in 1985. Both are employed by the State of Texas in Austin. Sandra is the granddaughter of the late Mr. and Mrs. Lesol Parker of Floydada, and is the niece of Mr. and Mrs. Elvis Parker of Floydada. Friends and relatives are invited to attend.

AMERICAN HEART MONTH PROCLAMATION

"Whereas, heart disease and stroke this year will kill nearly 1,000,000 Americans and 50,000 Texans, a total which exceeds all other causes of death combined, and
 "Whereas, more than 200,000 of these victims die before retirement age, and
 "Whereas, the American Heart Association is the only voluntary health agency whose sole mission is to reduce early death and disability from heart disease and stroke, and
 "Whereas, the Heart Association's relentless battle against this American epidemic combines a nationwide research program, as well as improving health care in the community through professional and public education, and community service programs, and
 "Now, therefore, I, Mayor Parnell Powell, proclaim the month of February as American Heart Month and urge all citizens to support the educational and fund raising campaign of the American Heart Association in Floyd County. Contributions of time and money will help in the fight against heart disease and stroke."

MAYOR SIGNS PROCLAMATION--Mayor Parnell Powell signed a proclamation designating February as American Heart Month. Tom Farris and Jim Word, representing the American Heart Association, were present for the signing. --Staff photo

by Ruby Lee Higginbotham
 Saturday, Sunday and Monday, February 11-13, were normal spring-like weather. Today, February 14, is cooler and foggy with slow drizzle falling. Maybe the last half of February will be kind enough to bring some much needed moisture.

Mamie Wood and Lulu Teague, along with their grandson, Tim Teague, traveled to Dallas Friday for a visit with their children, James and Juanel Teague, and other relatives and friends. The occasion was Mamie's and Tim's birthdays. Mamie reported, this was the happiest and best birthday of all of them. She was kept busy going to parties and dinners and visiting with friends.

Congratulations are certainly in order for our young people who had livestock in the Floyd County show. Carson Johnson came through with his lamb, a champion, and went for second with another lamb. Tanner did a good job with his sheep, a second and a third place. Ryan Smith, another good sheep man, had two second place lambs. The three boys are cousins, which really makes for good, clean competition. Tanner received a showmanship award but was down with the flu and missed the banquet. Tanner really had a bout with the flu, having to miss school for a week.

Much good work and time was exhibited by Nathan Johnson's boys. Tracy and Tray both exhibited calves. Keep up the good work, fellows. You are on the right track.

South Plains Hobby Club met Thursday, February 9th, in South Plains Community Center, with Dot Cummings as hostess. Minutes were read, and the new year books were passed out. The ladies enjoyed games of Skip-Bo and visiting.

Delicious refreshments of German Chocolate Cake, peanut brittle and other goodies were served. The next meeting will be March 9 at 2:00 p.m. in the home of Carolyn Marble. The program will be a film on the Asmeer Flower Auction in holland. Roll call will be answered with 'My favorite Flower.' Navolin Kinslow

THURSTON GOLDEN ANNIVERSARY--Mr. and Mrs. Joe Thurston celebrated their 50th Wedding Anniversary with a family dinner on Saturday, Feb. 11, at the 50-Yard Line Restaurant in Lubbock. After attending church services at the City Park Church of Christ on Sunday, Feb. 12, the family had lunch at Nielson's Restaurant. Joe and Alta were surprised with an anniversary cake and an anniversary gift basket containing over 125 cards, letters and best wishes from friends and family. Hosting the weekend activities were their children Scotty and Anella Klein of Hobbs, New Mexico; Ken and Lynda Wise of Derby, Kansas; Rob and Sandy Core of Lubbock; and Jacky and Johnnie Ward of Lubbock. The former Alta Hall and Thurston exchanged wedding vows February 12, 1939 in Cleburne, Texas, and moved to Floyd County on March 15, 1939. In addition to their four daughters, Joe and Alta had a son, Joe Robert, deceased in 1976. They have eight grandchildren.

HURRY FOR BEST SELECTION

will bring us the thought for the day. I hope all our members and visitors will make an effort to go.

Jon Jones, son of Travis and Gladys Jones, was among the class of graduates from the school of mortuary in Dallas. Nathan Johnson and Jay Jones flew to Dallas Thursday night for the exercises Friday morning, in Gaston Avenue Baptist Church of Dallas. Others attending were Jon's parents, Travis and Gladys Jones, Joe and Anne Jones and children, and Melvin and Janit Lloyd.

Ruby Higginbotham and Nell McClung met their grandson, Bryant

Higginbotham of Lubbock, in Plainview Sunday for lunch and a visit. Sunday evening Ruby had supper with Carlen, L. N., Deneen, Keith and Edrie Ann. Birthdays ain't so bad when we have families and friends who love us.

We are saddened at the passing of Frank Taylor. Frank was born and grew up in Cedar Hill Community. He was well liked by all who knew him. We extend our sympathy to his family. Frank's parents were the late Mr. and Mrs. M. H. Taylor, long time residents of Cedar Hill.

RUM MUFFINS

- 2 cups Bisquick mix
- 1/4 cup honey
- 1 tsp cinnamon
- 1 tsp allspice
- 1 egg
- 1/2 cup milk
- 2 tbs rum or rum flavoring
- 2 tsp brown sugar
- 1/2 cup chopped pecans (optional)
- Mix all ingredients except brown sugar. Beat for half a minute. Fill 12 greased muffin cups 2/3 full. Sprinkle tops with brown sugar. Bake at 350 degrees for 15 minutes. Serve warm.
- Have a happy Valentine's Day all week long.

Happenings at Caprock Hospital

Helen Teeple, RN Diabetes Class Coordinator

This has been a busy week at the hospital. Dr. Jordan is away on his annual trip to South America. Drs. Hale and Lopez have been busy in their respective offices and in the ER.

Last week, we celebrated the birthdays of Peggy Hill and Mary Simmons with a hospital-wide luncheon held in the dining room.

Medical staff met for their monthly meeting. Dr. Charles Berry of Lubbock gave a very interesting program on cardiovascular disease.

And now for some news from the diabetes class:

The diabetes class met Thursday, January 26th at 7:00 p.m. in the cafeteria at the hospital. Several plans were discussed and decided on at this meeting. Several students weighed themselves to start a weight loss support group. If you wish to participate in the diabetes weight loss support group, please come to the monthly meetings early, (6:30 to 6:55) to weigh in before the regular meetings begin.

At each meeting, different topics of diabetes concerns are discussed and material on topics are given out for reinforcement. This also allows the student to keep material handy when the need arises for it.

New members are always welcome. A diabetic material packet is given to each student or diabetic family member. You do not have to be a diabetic to attend. If you have a family member that is a diabetic, and you want to understand diabetes, please attend these classes.

1950 Study Club hears program from West German AFS student

By Genevieve Evans

The 1950 Study Club met Tuesday, Feb. 7, at Lighthouse Electric with the meeting being called to order by president, Shirley Morton.

Wanda Hickerson introduced Norman Langhoff, who is a West German student living here with the Bobby Rainer family and attending Floydada High School. He is here as an exchange student with the American Field Service. Norman showed slide pictures of West Germany, Berlin, the Berlin Wall, his home and his family. It was a most enlightening program and the members responded with many questions which Norman answered in detail.

After the program refreshments were

Films on diabetes are available.

I encourage students to write down questions throughout the month and bring them to the monthly meeting.

The meetings are held on every 4th Thursday at 7:00 p.m. in the hospital cafeteria.

served by hostesses Nell Abram and Charlotte Campbell.

During the business session the minutes of the previous meetings were read by secretary, Barbara Lutrick. Treasurer, Nettie Ruth Whittle gave a report of the proceeds from the club project which was the Christmas newspaper greetings. The club would like to thank all of those in the community who participated in the project.

A discussion was held regarding a worthy community project in which the club could participate and a committee was appointed to further investigate with other community leaders.

There being no further business the meeting was adjourned.

Odom gives Alpha Sigma Upsilon program

By Karen Elliott

Alpha Sigma Upsilon, chapter of Beta Sigma Upsilon met in the home of Sheri Turnbow, February 7 at 7:00 p.m. President Mitzi Nixon called the meeting to order with all members standing for opening rituals. Minutes of the previous meeting were read and approved.

A motion was made to make a donation to the nursing home for the month of February. New Ways and Means projects were discussed. We discussed having a Chinese Auction.

Our social for February will be Feb. 11, at the Fifty Yard Line in Lubbock. We will crown our new Sweetheart at this time. We will also auction off a box of Valentine candy.

Our next meeting will be February 21, at the First National Bank. Brenda Ward will be hostess with Sheri Turnbow having the program.

Robbie Odom had the program tonight on "What You Should Know About Cholesterol." She also told us about the Writing to Read program they are now using in Duncan Elementary for all kindergarten and first grade students.

There being no further business our meeting was adjourned with all members standing for closing rituals and mizpah. Hostess Sheri Turnbow served refreshments to Karen Elliott, Brenda Ward, Mitzi Nixon, Jan Nichols, Hope Warren, Robbie Odom and Sara Coursey.

Five men try to recover \$600,000 from a skyjacker. 12:00 (3) *** The Pride and the Passion (1957, Adventure Drama) Frank Sinatra, Cary Grant. Guerrilla leader and band recapture a cannon from French troops.

Producers will receive final 13 cents

It's now official. Cotton producers in the 1988 farm program will receive a final 13 cents per pound deficiency payment on top of the 6.4-cent advance payment almost all received at sign-up last winter and spring.

According to Jim Stewart, Director of the Hockley County Agricultural Stabilization and Conservation Service (ASCS) in Levelland, county offices were notified of the 19.4-cent payment total February 2 and expect to have checks to most producers in the mail by the end of February. Lubbock County ASCS Director Alan Mackey agrees, stating that his office expects to spend most of its time from February 6 through February 13 calculating payment amounts and preparing checks. The payment due each producer is to equal the payment rate times the farm's established yield times planted acres. All is to be paid in cash as opposed to a combination of cash and commodity certificates.

For the 25 High Plains counties in its territory, Plains Cotton Growers, Inc., Lubbock, figures money coming into the area economy will total about \$168,462,000. PCG's calculation uses the 3.206 million planted acres reported by the State ASCS Office in College Station and an average estimated yield, weighted by county acreage figures, of 404.2 pounds per acre.

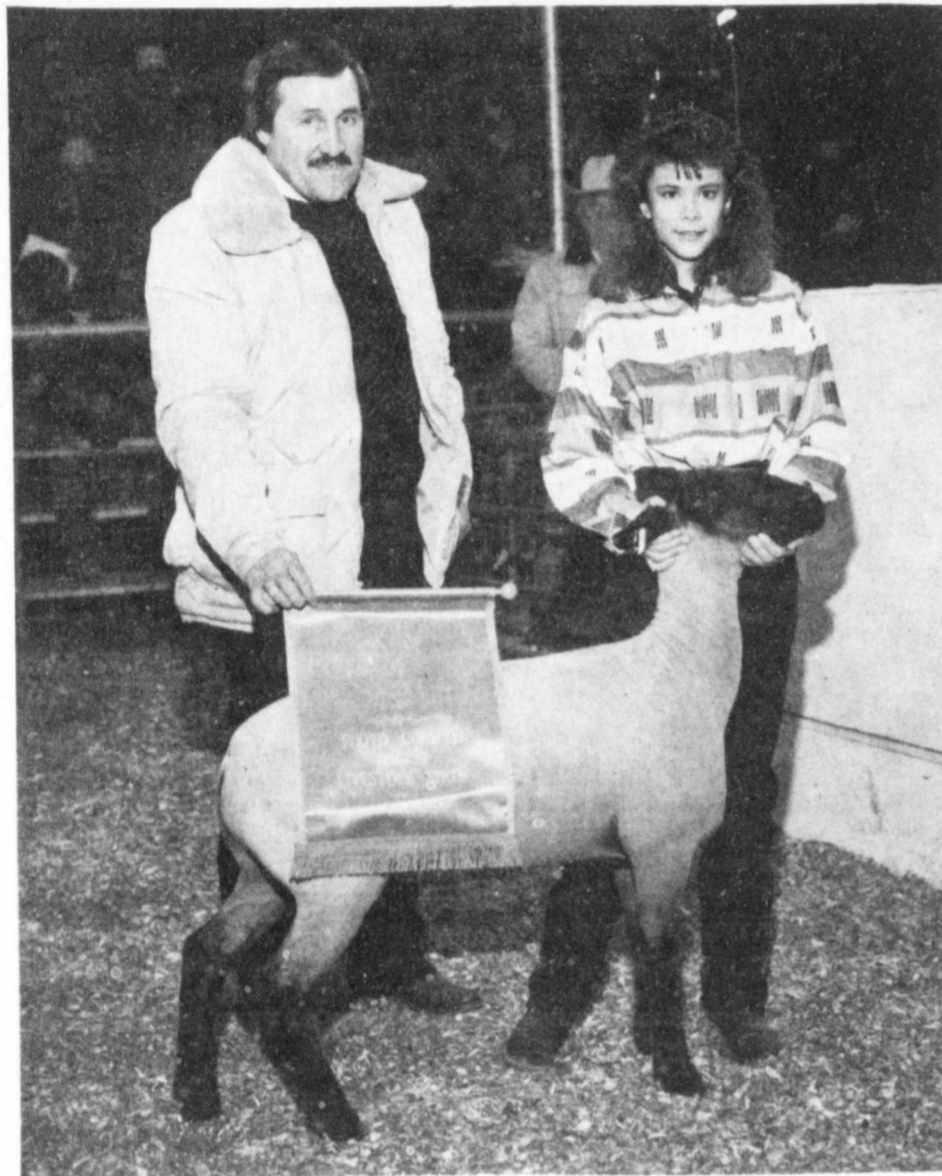

Also boosting the area economy in the early months of 1989, PCG says, will be advance payments to producers as they sign into the 1989 cotton program. USDA has estimated the total deficiency rate for this year at 21.4 cents per pound and is offering 30 percent, or 6.4 cents, in advance. That's the same advance as in 1988, but last year's rate was the result of an estimated 16-cent total, of which 40 percent was made at sign-up.

Cotton deficiency payments equal the difference between the target price and the weighted average farm price during the calendar year or the loan rate, whichever results in the lower payment. The 1988 target was 75.9 cents and the year's average price to farmers came to 56.5 cents, well above the 51.8-cent loan. For 1989 the target has been

dropped to 73.4 cents and the loan is set at 50 cents, meaning the deficiency payment could be as high as the maximum 23.4 cents if the average price falls below the loan. It could also be as little as zero should the year's average price by some strange turn of events climb above 73.4 cents.

Cotton entering the loan program doesn't figure into USDA's average price calculation until actually sold, at which time the price used is the loan redemption level plus the farmer's equity. Non-loan cotton of course goes into the formula at the actual selling

price. Many, including PCG, as recently as November had projected a 1988 deficiency rate of 21 or 22 cents per pound. The lower rate resulted when an expected continuation of low monthly average prices didn't materialize. The average of 51.8 cents in September jumped to 53.9 in October, to 56.7 in November and settled to 55.3 cents in December. The reason, PCG thinks, is because most of the lower valued High Plains cotton in later months went to the loan, while most of the small volume sold came from higher priced cotton of other areas.

Dry than normal conditions intensifies herbicide carryover

Drier than normal conditions in our area may increase the likelihood of herbicide carryover problems during the 1989 crop year. Rotational crops should be selected according to which herbicides were applied last year, according to Dr. Dave Weaver, weed specialist with the Texas Agricultural Extension Service.

Herbicide persistence is influenced by type of herbicide, rate, soil moisture, temperature, amount and depth of tillage, and time elapsed since herbicide application. Many herbicides are broken down by soil microorganisms; therefore, any factor that favors a buildup of organisms will speed herbicide breakdown.

Unusually high rates of herbicides such as atrazine, Treflan, or Prowl applied last spring or even labeled rates applied broadcast may persist long enough to cause injury to susceptible crops. Grain sorghum could be subject to injury where Treflan or Prowl was applied last season. Conversely, cotton or soybeans may be damaged if planted into soils treated with atrazine last season. Also, sorghum injury is likely where atrazine was used in 1988 and additional atrazine either alone or in combination with Dual (Bicep) or Lasso is applied at planting, especially in coarse textured soils.

If herbicides were applied on a 14 to 20 inch band last year, and if thorough tillage to a depth of six inches has oc-

curred, the likelihood of crop injury is substantially decreased.

Because soil types herbicide rates, and rainfall amounts are so variable, it is difficult to predict when carryover may be a problem. According to Dr. Weaver, a simple bioassay conducted 4 to 6 weeks prior to planting will usually give an indication of what can be expanded in a particular field. The procedure follows:

1. Collect representative soil samples to a depth of 3 inches from several locations in a field and mix then in a clean bucket.
2. Collect soil of the same type, that has not received any herbicide, from a fencerow or adjacent field.
3. Place each lot of soil into four or five small containers and label each group either treated or untreated.
4. Plant a number of the seed to be planted into each container, water thoroughly, and place in a well-lighted area. Water as needed.
5. After 14 to 21 days, observe the two groups of containers. If plants grown in treated soil are stunted, or emerge and die, or turn yellow then that crop should not be planted in that field. In the early spring, it may require three to four weeks for test seedlings to exhibit injury symptoms.

This method is not fool-proof, but is a fairly easy way to make an informed decision concerning potential carryover problems in given fields.

FARM... Short cuts

Safety with shop tools

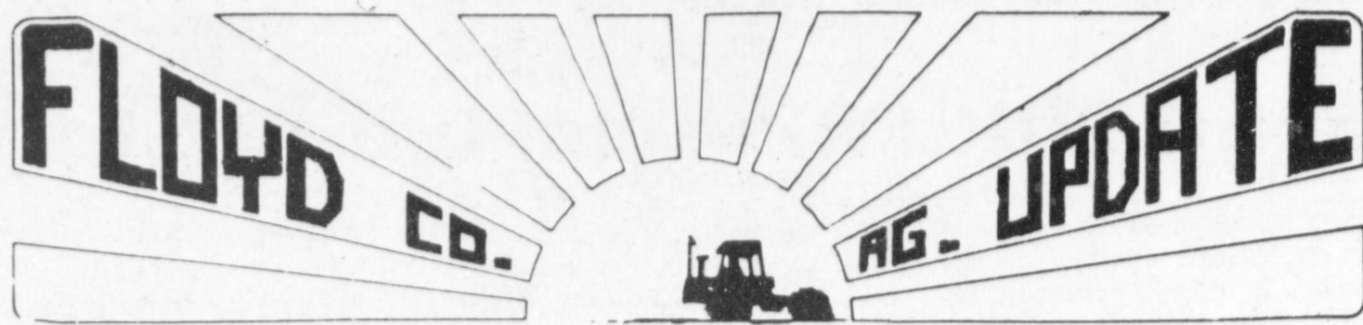

Every job involving hand or power tools can be accident free if safety guidelines are followed.

* Use the correct tool for the job. Don't use a tool for work it wasn't designed to do.

* Wear appropriate personal protective equipment and clothing with no loose ends to catch in moving parts.

* Use and maintain electrically powered tools according to their instruction manual. Make sure they are properly grounded.

* Keep tools away from young children. Unplug, lock out, or otherwise protect switches so children can't start tools.

Eighth signup in progress

CRP acres total 28.1 million

The U.S. Department of Agriculture today announced the enrollment of an additional 2,604,901 acres into the 10-year Conservation Reserve Program.

The acreage was approved from bids submitted on 3,434,646 acres during the seventh signup held July 18-Aug. 31 and brings the total under CRP contracts to 28,130,290 acres, said Vern Neppi, acting executive vice president of USDA's Commodity Credit Corporation.

Annual rental payments in the bids accepted averaged \$49.71 per acre; average for the first six signups was \$48.38.

Neppi said the eighth CRP signup is scheduled for Feb. 6-24, 1989.

The CRP is designed to remove highly erodible and environmentally sensitive cropland from production. In addition to the annual rental payments, owners and operators of qualifying acreage receive cost-share assistance for the establishment of a vegetative cover on their en-

rolled acreage.
Texas CRP Enrollment is as follows:
Total Contracted Acres, 3,457,007;

Seventh Signup Contracted Acres, 299,395; Seventh Signup Tree Acres, 1,505; Seventh Signup Filter Strip Acres, 24.

Dormant oil controls pests

Application of petroleum oils is one of the older means of pest control still practiced today. They are contact insecticides that interfere physically, rather than chemically, with the respiration. Oils on the market today are greatly improved over earlier formulated oils. They are light, highly refined, well standardized, and consistent.

Petroleum oils control the egg, immature, and adult stages of scale insects, aphids and mites on ornamental fruit and nut trees. Some labels list other pests such as mealybugs, whiteflies, case-bearers, leaf rollers, lace bug eggs, and phyloxera. A benefit of using oil sprays,

especially dormant oils, is that they usually interfere less with natural control by parasites and predators than conventional pesticides applied during the growing season. They are also safe for the user. However, oils must be used in accordance with all label directions to avoid damage to the plants being treated.

Dormant oils are the heaviest of all petroleum oils. For maximum effectiveness, they should be applied as late in winter as possible before buds begin to swell. These should not be applied after bud break.

Summer oils are lighter than dormant oils and are formulated for use during spring and summer. Superior oils are the most highly refined of all petroleum oils, and are excellent for horticultural pest control. Superior oils are primarily used on trees during the growing season.

To avoid plant damage, the following precautions should be taken. Never mix oils with sevin or sulfur compounds, or use these within 30 days of application of oils. Most labels recommend that oils be used at temperatures between 40 degrees and 90 degrees F. Do not apply oils if a freeze is likely within 48 hours after application. Since we are in a low humidity area, care must also be taken not to apply dormant oils when temperatures are high. Certain plants are highly sensitive to oils and should not be treated. These include Sugar and Japanese maples, beech, hickory, walnut, certain conifers, such as blue spruce, ferns, palms, African violets, cacti, and other succulent plants. If you have doubts about a plant's sensitivity, treat only a few leaves of a single plant before making an overall application.

Properly mixing oils with water is important. Always consult the label for detailed directions for mixing and to avoid plant damage. Since oils kill by suffocation, good coverage is a must. The oil must penetrate into the cracks and crevices of the bark where the insects overwinter.

Band students selected for UIL

Several Floydada Band students were recently selected to perform in the South Plains Band Director's Association All-Region Honor Bands. Placement into the bands is based on individual auditions before a panel of judges. Students making the bands undergo two days of intensive rehearsals before performing in a grand concert. This year's concert was held at Monterey High School in Lubbock.

Two Breezer Band students performed with the Class C/AAA-AAAA Band. Over four hundred students from thirty area bands auditioned for this

prestigious group. Michael Gilliland make the band on two instruments, bass clarinet and contra alto clarinet. Emily Parks was selected as the second chair trombone. Ms. Cindy Lansford of Plano conducted the band through *Hands Across the Sea March*, *Scheherazade*, *Liberty Fanfare*, and *Riverside Rag*.

Selected from over two hundred students for the Class AAA North Zone Band were nine members of the Whirlwind Band. Seven of these students received chair placement: Anita McCormick, ninth chair trumpet; Ber-

tha Hernandez, twentieth chair clarinet; Roxene Brown, second chair bass clarinet; Martha Garcia, second chair contra alto clarinet; Marty Edwards, second chair baritone saxophone; Michael Goen, tenth chair trombone; and Troy Peel, second chair percussion. Melissa Strickland and Michael Aleman were chosen as alternates on alto saxophone and trombone respectively. Conducting the Honor Band was Mr. Bill Woods from Merkel. Their program consisted of *Ernst August March*, *First Swedish Phapsody*, *Music of the Beatles*, and *Spirit of Texas*.

ALL REGION BAND QUALIFIERS—Nine FHS band members qualified for the All Region Band this season. Pictured left to right are (front) Melissa Strickland, Bertha Hernandez, Roxene Brown, Martha Garcia and Anita McCormick; (back) Marty Edwards, Troy Peel, Mike Goen and Mike Aleman. —Staff photo

PTA special called meeting scheduled Monday night

Monday, Feb. 20, there will be a special called business meeting of the Duncan PTA at 7:00 p.m. in the school cafeteria. This meeting is being held to discuss how to best spend the money raised through the PTA this year. Everyone is encouraged to attend this meeting and voice their ideas and opinions. Members will be voting on various ways to use the money that has been raised through various projects to benefit the school and the students.

The next regular meeting will be held on Monday, March 6, at 7:00 in the school cafeteria. At this meeting new officers will be elected. Everyone is encouraged to continue to support your local PTA unit for the benefit of the students at Duncan Elementary.

**DON'T LET DWI

A holiday message from the
Texas Department of Public Safety

Shine of '89

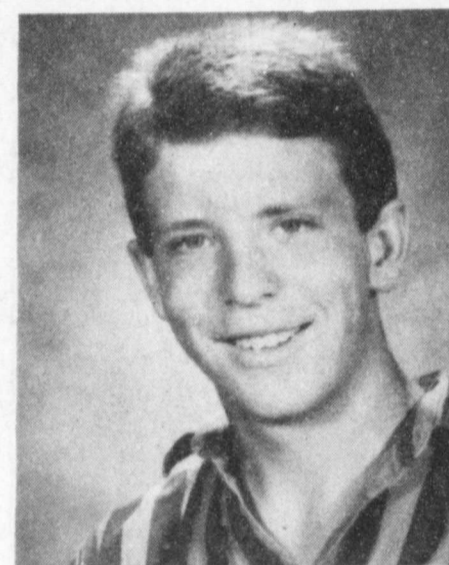

The two seniors in our spotlight this week are Chad Quisenberry and Jacob Galvan.

Chad is the son of George and Sharon Quisenberry. He has one younger brother, Monte. Chad has been active in football, basketball, and FFA for the past four years. He has played golf for one year. Chad is currently secretary of the FA chapter conducting team which attended regionals this year. His plans for the future are to go to South Plains College and then to Tech of Angelo State to become a coach.

Jacob is the son of Linda Chavarria. He has four sisters and three brothers. Besides attending school in Floydada, he has gone to school in Tulia, Olton, and Lubbock. This year Jacob is vice president of the senior class. He has been defensive end and offensive guard

and also punter on the varsity football team. His plans are to go to college and

major in business. He would also like to play college football.

CHAD QUISENBERRY

JACOB GALVAN

Floydada School Menu

February 20-24

Monday:

Lunch — Hamburgers w/mustard, French fries, lettuce, tomatoes, pickles, peach cobbler, milk

Obituary

MAGGIE GARRETT

Services for Maggie Jane Garrett, 87, of Midland, were at 11 a.m. Saturday, Feb. 11, at the Ellis Funeral Chapel in Midland with Roger Hendricks, pastor of the Cuthbert and Austin Street

Church of Christ.

The Rev. Wayne R. Williams, pastor of Parkway Drive Baptist Church in Lubbock, assisted.

Graveside services were at 4:30 p.m. at the Floydada Cemetery, officiated by Hendricks and Williams. Arrangements were under the direction of Ellis Funeral Home of Midland.

Mrs. Garrett died early Thursday morning, Feb. 9, at her residence in Midland. She had been under a doctor's care.

She was born March 12, 1901 in Navarro County. She was raised in Navarro and Dickens Counties. She married Jim Garrett on July 13, 1927 in Clovis, N.M. They lived on a ranch in Chavez County, New Mexico, until 1934 when they returned to Dickens County. In 1942 they moved to Floyd County where they farmed. Her husband died in Floydada in 1967.

She was employed by the Floydada Bakery, and had worked in the Floydada school cafeteria. She later worked as a dental assistant for Drs. Thacker, Greer and McCulley before retiring in 1965. She moved to Lubbock in 1967 and to Midland in 1980.

Survivors include a son, Wade L. of Beaumont, Miss.; three daughters, Dixie Pullen of Midland, Lorene Cummings of Robert Lee and Carlee Pierce of Lubbock; one brother, Carl Reese of Floydada; 14 grandchildren; 38 great-grandchildren; 24 great-great-grandchildren; and numerous nieces and nephews.

The family suggests memorials to Hospice of Midland, Inc., P.O. Box 2621, Midland, Texas 79702.

AT&T ANNOUNCES PRICE CHANGES FOR LONG DISTANCE CALLS WITHIN TEXAS

AT&T announces April 1, 1989, price changes for Long Distance Service (MTS) within Texas. AT&T's prices for long distance calling within Texas will be increased by two cents per minute for calls under 82 miles in distance and one cent per minute for calls that are 82 miles or greater in distance. AT&T's current discounts of 25% for evening calls and 40% for night and weekend calls will remain in effect. The price increases are expected to produce approximately \$22.8 million, which is nearly 2.9% of AT&T's annual revenues for Texas Long Distance Service.

This represents the first AT&T price increase for long distance calls within Texas. AT&T's long distance prices for calls within Texas have been reduced overall by about 12% since 1986.

The Long Distance Service price changes will also impact AT&T's PROSM WATS Texas offering, which offers subscribers a 10% discount on all long distance calls within Texas. These price changes are expected to produce approximately \$661,000, or about 3.5% of the annual revenues for AT&T's PROSM WATS Texas offering.

Prices for AT&T's REACH OUTSM Texas offering will also change. The price for initial hour usage will increase from \$12.55 to \$12.95; the additional hour price will increase from \$11.40 to \$12.00. These price increases are expected to produce approximately \$364,000, or about 2.1% of the annual revenues for AT&T's REACH OUTSM Texas offering.

AT&T's tariffs implementing these changes will be filed with the Public Utility Commission of Texas on March 1, 1989, with an effective date of April 1, 1989. The combined price increases are expected to produce approximately \$23.9 million, which is approximately 2.4% of AT&T's annual revenues for all Texas intrastate services.

If you have questions regarding these price changes please call AT&T's service consultants at 1-800-222-0300 for residential customers or 1-800-222-0400 for business customers. Persons who have questions regarding this tariff filing may also contact the Public Utility Commission of Texas in writing, at 7800 Shoal Creek Blvd., Suite 450N, Austin, Texas 78757, or by calling the Public Information Office at 512-458-0223, or 512-458-0227, or 512-458-0221 teletypewriter for the deaf.

Varsity boys team ends season with 97-65 win over Muleshoe

The boys varsity Whirlwind team rounded out the 1988-89 basketball season with a winning record, defeating Muleshoe 97 to 65 in Graves Gym on February 10. The team possesses a season record of 16-13 with a district showing of 6-4 overall. "The Winds played an excellent game," says Coach Mike Cocanougher. "For a rebuilding year, we had a good season."

The Winds took a commanding lead in the first quarter and never looked back. Frank Suarez garnered 26 points in the match with four team mates also scoring in double digits. Chad Quisenberry, a graduating senior, made 19 points, Mike Aleman had 16 and 12 each was the total for Grant Stovall and Kenneth Collins. Joe Cisneros made 8

points and graduating senior Rolando Cisneros had 4.

"The second half of district, the Winds showed great improvement with each game," said Cocanougher. "Part of our offense is built around the three point shot. In the last five games, we made 28 three pointers, averaging a little over five a game. Making the three pointer can keep you in a lot of ball games."

'WINDS FALL SHORT

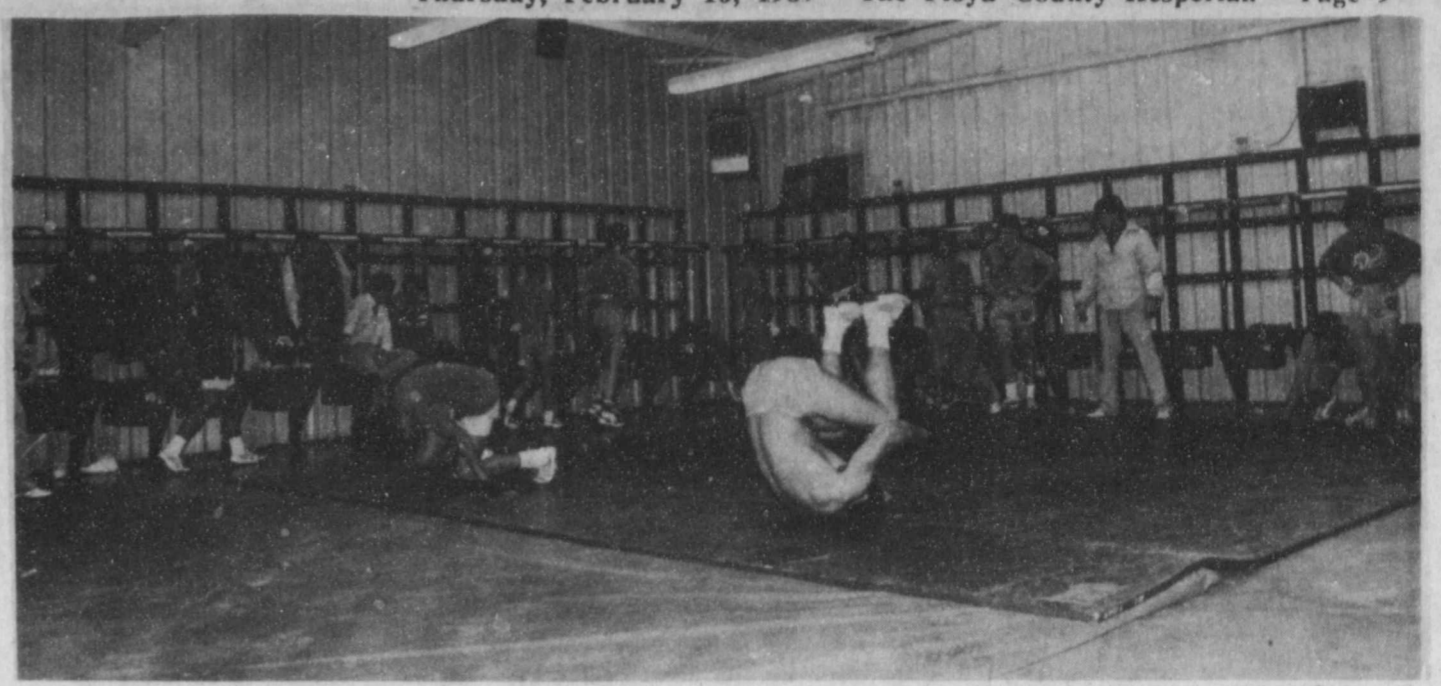

Playing Littlefield on February 7, the

varsity did not fare as well, losing to the district powerhouse 82 to 75. "This was an exciting game," according to Coach Cocanougher. "The boys played very well and had them down by 6 points at the half before having a bad third quarter and getting behind. We were out-manned height wise and had a hard time on the boards. The boys played hard and did the best they could, but fell short 7 points."

Suarez was high point man with 27 points. Quisenberry had 14 and Collins made 13. Aleman made 8, Stovall 7 and J. Cisneros had 6.

Whirlwinds busy in off-season

by Bill Gray

It used to be said that there were two sports in West Texas- "football and spring football." However, that is no longer the case. Highly successful basketball programs have brought state tournament appearances by boys and girls squads to many schools on the Panhandle-South Plains, and have pretty well put that myth to rest.

Football reigns as the number one sport in most areas of the state. Spring (football) training is permitted only in Texas' 5A schools. Smaller schools such as Floydada are currently involved in "off-season," which receives very little attention outside the training facility. The intensified off-season program introduced at Floydada High School two years ago has started paying off in

dividends, according to Head Coach-Athletic Director Dean Bates.

Coach Bates stated, "Because of our small enrollment we have to develop out young men to be competitive with schools twice our size such as Canyon and Littlefield. We still have a long way to go, but the youngsters that have been with us for a couple of years are showing a definite improvement in strength, quickness, and agility."

There won't be any letters awarded for participating in the grueling drills, but the improvement of the young athletes is very obvious. Despite the repetitions of the strength and conditioning drills, "off-season" is far from boring to the Whirlwinds. The intensity and competition spirit is evident. When asked if he

knew the value and purposes for going through such rigorous training, one young man replied, "I may not realize it right now, but you might ask me that question again - in the middle of the fourth quarter of the seventh game next fall!"

Up until the Earl Overton (and now Dean Bates) era, the off-season program received only moderate attention. With new facilities and recently-added equipment, Bates and his staff are dedicated to this type of conditioning. The entire staff is personally involved in the instruction of using proper techniques. They feel that the agility drills on the mats and "pumping iron" will contribute immensely to the overall success of all Whirlwind student athletes.

Rep. Chisum to offer copy or summary of Workman's Compensation reform bill free

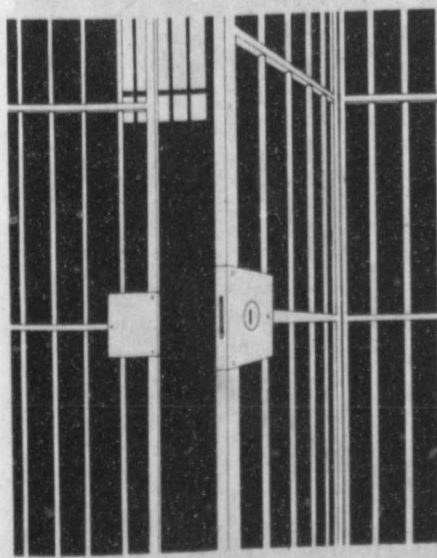

A bill to reform Workman's Compensation in Texas has been designated House Bill #1 in this session of the Texas House of Representatives, ac-

ording to Rep. Warren Chisum, a co-sponsor of the bill. "Employers in Texas pay the highest premiums in the United States for workman's comp," Chisum said, "but employees receive the lowest payments. This bill will address those problems and totally reform compensation in the state."

Because of the importance of the bill,

Rep. Chisum is making a copy available to his constituents. "The bill is 190 pages long, and I'll be happy to send that to anyone who is interested, or we can send them a two-page summary," he said. Anyone interested in obtaining the full bill or the summary can call Rep. Chisum's office in Pampa at 665-3552 or in Austin at 512/462-0736.

If you insist on drinking and driving

Kids Need Water Too

And sooner than you think!

The Texas Water Plan says that demand already exceeds supply in some areas. So let the State of Texas show you how to save water now. Write: Conservation, Texas Water Development Board, P.O. Box 13231, Capitol Station, Austin, Texas 78711.

TEXAS WATER DEVELOPMENT BOARD

Public Notice

On November 9, Southwestern Bell Telephone Company filed a tariff which proposes to prevent local exchange calling over interstate, unrestricted, multi-jurisdictional, WATS Access Lines (UWALs) and intrastate WATS Access Lines (WALs).

UWALs are provided to interexchange carriers for their use in the provision of interexchange interstate and intrastate long-distance and WATS-type services. Similarly, WALs are designed for use in the provision of interLATA and intraLATA WATS services. The UWALs and WALs were not intended to allow local exchange calling.

If these proposed tariff changes are approved, the blocking of local exchange calls over intrastate WATS access lines and UWALs will take place within 30 days. This proposed tariff change will not result in the blocking of local calls placed to an 800 Service number.

The Public Utility Commission (PUC) of Texas has assigned this matter to Docket 8421. A hearing on the merits of these proposed tariff changes is scheduled for March 13, 1989.

Persons who wish to intervene or otherwise participate in these proceedings should mail a request to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757 by February 27, 1989. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0223 or (512) 458-0221, teletypewriter for the deaf.

Southwestern Bell Telephone

APPLE OF OUR EYE—Kay Dean Smith, a 13 year veteran teacher of the 2nd grade in Floydada, has been chosen as this week's Apple of Our Eye at Duncan. She is married to Choise Smith, a farmer, and has three children; Jodie, 23, Hunter, 19, and Dean, 18. She is a graduate of Spearman High School and attended WTSU and graduated from Wayland Baptist. Smith says it is important to guide young people in the values of hard work, personal responsibility, and the importance of education. Her hobby is painting.

News and Views from Cedar Hill

WEATHER

Winter in West Texas can give you some wonderful shirt-sleeve weather like Saturday, Feb. 11, when the temperature dallied with the seventy degree mark, but days like that can deceive you. Any time from early December through March is so suspect that our old timers keep looking over their shoulders to make sure a "blue norther" doesn't take them by surprise.

In the early days any cowboy who ventured out, December through March, without having his slicker lashed behind his saddle automatically labeled himself to be a greenhorn. Once he had attained that status, his solicitous peers would go to any length to give him a "well rounded education" in western survival. Now that educational regimen, as administered by a bunch of resourceful and original thinking cowboys, could be a rigorous and long lasting program; so much so that many novices would have, if given a choice, preferred a stint in a military bootcamp.

The cowboy carried his slicker during those four months, and the modern outdoorsman has a jacket and a pair of weather-proof coveralls stashed away behind his pickup seat or in his cross-over tool box. Keep those toggins handy, the worst storm of the winter may still be ahead of us.

However, if you hate cold weather and you long for balmy breezes, take heart, the calendar says spring is only thirty-two days away. In fact a little pencil work tells us that a week ago last Sunday, which was February 5, was the exact middle of winter. That mid-winter Sunday also gave us 89's coldest reading on the thermometer, a minus seven degrees here at the listening post. Now isn't it logical that the coldest day of the year would fall right smack on the "mildest day" of winter? Yep! There is an outside chance that we are over the hump of winter and we'll coast right on down the hill until, suddenly, it will be Spring!

When a trace of moisture is found here in Floyd County, it sure ought to be mentioned. There were droplets here and there on the automobiles Sunday morning that looked more like sprinkles than they did dew, however the walks were dry, must have been dew. We were sure glad to get that dew!

CROP COMMENTS

Cotton

Prices continue to rise and fall in unison with other AG. markets. If news from far off places kicks the price up a little, or drives it down some, it soon moves back into its old "go nowhere" pattern.

Feed Grains

Weather still pushes and shoves prices on the commodity exchanges. Improved growing conditions in South America keeps the lid on soy beans while talk of winter-kill in North America's winter wheat areas perks wheat prices for a few days.

Wheat

Here at the listening post wheat has had a thorough check-out since the possibility of winter-kill was mentioned a week ago. The patch checked was early, rank, volunteer, and shallow rooted. If any wheat in the county was hurt by the freeze this patch should have been it. A few dead plants were found but they were puny dwarfs that were believed to have been dead before the severe cold arrived. Numerous dead leaves were found on most plants but the center part of each tiller appeared healthy and eager to grow. Tobe agrees with me there was no freeze damage to the wheat.

This wheat was quite large before frost, and it suffered noticeable damage from green bugs at that time. During this week's examination special search was made for insect infestation. Soil at the base of the plants was examined from the surface to a depth of one inch looking for the old American Aborigine Greenbug. Tightly wound leaves were uncured to see if any Russians were hiding inside. Result? Not one insect was seen. A recheck, using a magnifying glass, was made thinking surely at least a spider mite could be found. Nothing!

Are we to conclude that zero weather purges these winter insects from our fields?

CATTLE COMMENTS

For the last year or two Government cattle reports have come in three classes: good, better, and best! Wace-ill there may have been a negative shadow cast by one or two, but, even when that happens, the forecasters always say, "The report was better than we were expecting"

Some of the oldtimers trust the cattle business the same way they trust winter weather, they keep looking over their shoulders, there has got to be something wrong out there somewhere.

Tobe is checking out the paradox presented by the Texas Farm Bureau's getting their ropes all ready to hang Texas' Commissioner of Agriculture, Jim Hightower. Especially since it has happened just at the time Jim has pulled every string just right to sell all the beef Texas can produce to England and the European Economic Community. There is something smelly in THAT woodpile and it ain't no chipmonk! Hurry Tobe! Can't wait!

Tobe got it on the grapevine that a potential hay buyer is beginning to surface every now and then. "Hay for Sale" has been seen often in the ad section of local newspapers, but not once this year has there been a "Hay Wanted" ad. There is a message in that fact.

PEOPLE

On February 1, Master Clay Ware celebrated his very first birthday. His grandparents, Billy Wayne and Peggy Garvin, and his Uncle Scott Garvin from Silvertown; and his Aunt Lisa Ware from Plainview were all there. Blowing out his candle gave Clay some trouble, but it turned out OK, Cody helped him.

Monday 2/13

Attending the funeral service of Frank Taylor from Cedar Hill were Junior and Martha Taylor, Bud and Penny Taylor, Peat Kelley and Norma Welch.

Edna Gilly brought her Aunt Virgie flowers from Amarillo to stay with her Aunt Clara Redd, in Floydada, while she continues recuperating from a broken hip. Mark, Lori and family took lunch with Edna following church services last Sunday.

The Neil Langleys had their grandchildren Dusty and Whitney, along with their mother, Brenda, visiting in their home over the week-end and for a few days. Andy and his family have recently moved from Brownfield to Pampa where he began work, on Feb. 1, as a traveling representative for a company that supplies oilfield equipment. Cathy Langley from the Lubbock branch of Levelland Junior College was also at home this weekend. Charlene reports that Valentine orders have stepped up activity at The Bake Shop!

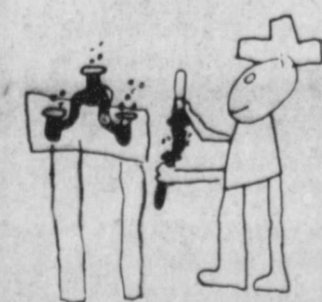

It was a big week for Edna Gilly and her helpers as they put the finishing touches to their preparations for her farm sale on Friday, February 17. Her sons Craig and Mark will have a few items each, in the line-up, so things have really been cracking with all of them. Enough equipment has been brought in by outside consignors so that it shapes up to be a very big sale.

Tobe says people are having trouble with his name, they want to keep calling him "Toby." He says, after watching people wrestle with names like Bastosvosky, he wants to keep it simple. He will just change his spelling to Toby then maybe everyone will be able to operate on the same wave length.

Incidentally I heard "Toby" almost got run over when he went after the mail the other day. Toby has never brought in the mail, that had to be me. A few times when I have crossed ahead of oncoming vehicles, thinking I had worlds of time, I have heard their motors slow down but invariably I was all the way across before the motors slowed down. I decided maybe they thought I might fall backwards. Since I know it would be better public relations I will stay beside my box in the future, and give a friendly wave as you go by.

Even if you are on the right track, you will get run over if you just sit there.

A man
Can't create
water!

So let the State of Texas
show you how to save it!

CARD OF THANKS

I would like to thank the Floydada Businessmen and Farmers and Hinsley Farms for buying my steer. I also want to thank everyone that helped with the Chamber and the County show. It takes a lot of dedicated people and a lot of hard work to make everything run smoothly. Without you giving your time, we wouldn't have a stock show. Thanks to the Chamber for the showmanship trophy they gave me.

Stacy Hinsley
2-16p

I want to thank everyone that was involved with the Chamber and County Stock Show. They both went great. It takes a lot of people working together to pull off a good show. I want to thank the Floydada Businessmen and Farmers and Hinsley Farms for buying my steer at the county show. I appreciate your support. Also thanks to my Granddad Aldo for his add on. I want to add a special thank you for Mr. Wetsel and H. Lane for helping me with my steer while I was in the ring.

Thanks!
Todd Hinsley
2-16p

Thanks to the Chamber and all the members for the local show. Also thank you for the belt buckle I received for having the Grand Champion steer. I want to add a special thanks to Producers Co-op and Mark and Todd Beedy for buying my steer at the County Show. I really appreciate all your support.

Thanks again,
Kristy Hinsley
2-16p

Thank you to everyone who made the Floyd County Livestock Show a success. A special thank you goes to the Floydada Businessmen and Farmers who brought our lambs. We appreciate your support.

Kevin Womack
Amber Womack
2-16p

I would like to express my deepest appreciation to Producers Co-op Elevator & Bob Vickers so very much for buying my pig. Thank you for your support. People like you make it so worthwhile for all the youth in this community.

Thank you,
Robby Green
2-16p

I would like to thank all the Floydada Businessmen and Farmers for purchasing my pig. I would also like to thank D & E Travel Center of Plainview and Warren & Barbara Mathis of Lockney for buying my animal. Thanks for all the support in my first year of showing.

Thank you,
Chad Green
2-16p

I would like to thank all the Lockney Businessmen and Farmers for all the support & help in buying my pig. I would also like to thank D & E Travel Center of Plainview and Rick & Lisa Mosley of Lockney for the bonuses. Thank you for supporting the youth in our great community.

Thank you,
Robby Green
2-16p

Thank you Lockney Businessmen and Farmers for buying my lamb at the Floydada Stock Show sale.

Jeffrey Griffith
2-16p

Dear Lockney Businessmen and Farmers; Thank you for purchasing my lamb. I really appreciate your support of the youth of Lockney.

Sincerely,
Tim Mitchell
2-16p

CARD OF THANKS

I want to thank Jay Lackey, Louis & Rick Reddy, Dan Fry, Stan & Thomas Pierce, Don McCandless, Ouida McCandless, Lanny Glasscock, Norman Allen, Steve Stephenson, Mal Jarboe, Steve Lloyd and Kenneth Pitts for all the support and friendship during the stock show. It was deeply appreciated. Also a special thank you to George & Chad Quisenberry and Jr. Martinez for all their help.

Branda Breed
2-16p

I would like to thank Warren and Barbara Mathis for the extra bonus given me for my lamb.

Jeffrey Griffith
2-16p

Thanks to the Lockney Businessmen and Farmers, Grannie & Grandad Fortenberry, Warren & Barbara Mathis, Ricky & Lisa Mosley, Don Green Auto Parts, Becky Via, Cindy Ogden and my friends for buying and adding bonuses to my pigs.

Also, I appreciate everyone who helped me this year in learning to care for and show my pigs. Your kindness means a lot to me.

Terry Harris
2-16p

I would like to thank Floydada Farmers and Businessmen for buying my barrows at the Floyd County Stock Show. I would also like to thank Reddy and Reddy Farms, Light-house Electric, Floydada Livestock and Stephenson Cattle Company for the add ons of my barrows.

Sincerely, Derrick Martinez
2-16p

Sincere thanks to Producers Co-operative Elevators for buying my pig and to Lanny and Ann Glasscock, Travelworld, Brad and Sheri Smith and Aubrey Stewart for the bonuses on my animal. Your support and encouragement are very important to me.

Thanks again,
Tim Julian
2-16p

I want to thank the Floydada Businessmen and Farmers for buying my lambs. The Floydada exhibitors would not be able to show animals without your dedication.

Also, I am thankful to all of you who have had a part in my nine years of showing lambs. I will never forget the great experience I had and this year's Sweepstakes Award made a great finish for me.

Dean Smith
2-16p

Thank you Producers and Floydada Businessmen and Farmers for buying our sheep this year.

Bruce & Andy McHam
2-16p

We would like to thank all the people that had a part in the livestock show; especially the Businessmen and Farmers that bought our animals. We want to thank Lockney Co-op and Sterley Spraying for buying our steers and J&M Livestock, Stevenson Cattle Co., and Doc and Martha Botkin for adding bonus money to our sale. We appreciate all your support.

Thanks again,
Tracey and Troy Johnson
