Questionable Ad Deal Terminated

FRIONA BUSINESSES were hit this week by a very questionable type of promotion. Luckily for all concerned, the City of Friona and the promoters agreed to back away from the deal, and all of the money which had been collected was to be refunded.

Undoubtedly, all of those people concerned learned a very valuable lesson this week. First, you need to know something about the people who are trying to sell you something.

We have always felt that as long as you limit purchases and/or donations to local individuals, then you're on safe ground. If a dispute arises, then at least the person is going to still be located down the street. You can make the necessary adjustment, and everything will be all right.

Under the program which was started in town this week, the promoters could have left town with hundreds, even thousands of dollars, and the local sponsors would have received only about \$350, which was their guarantee.

Local residents and businesses should also realize that if a fund drive is a real, bona-fide drive, it usually will have received considerable publicity in the pages of the Friona Star before it is launched.

The fact that the salespeople came in practically unannounced, and used high-pressure sales tactics should have been a warning signal, and in fact it was to a number of people.

It has always been a mystery to this writer that while we have in the Friona Star a legitimate advertising medium, yet sometimes our space goes begging. But a stranger, even using the telephone, can convince folks to pay \$300 for a very small space, which at best would have been seen by only a small group of people.

Of course, the big thing was that they were using a manufactured need, and appeared to be doing a humanitarian service.

Be careful, folks. Chances are if you haven't heard of a particular project, or the person trying to sell you on it, then it could be a "scam."

THIS BEING AN odd year (by the calendar), it is the year that the University Interscholastic League (UIL) will re-draw and possibly reshape the district boundaries for UIL competition.

School officials and coaches always hold their breath until the new alignments are announced, and hope for the best.

There has been some talk this year of re-vamping the enrollment set-up, in order to increase the number of 4A teams in the state. Currently, whereas there are 32 districts in 2A, 3A and 5A, there are only 16 districts in the 4A classification.

What the UIL might do, is attempt to make a more or less equal number of teams in each classification. The extra teams for 4A would have to come down from 5A, and up from 3A, with a lot of other schools being shifted one way or the other.

Besides there being a smaller number of schools in 4A, there are more schools in class A than any other division, and while some of the larger schools in this division could be moved into class 2A, a big majority of these are small schools, and would be unable to compete on a larger level.

We get accustomed to having certain schools and teams in our districts, but sometimes when the realignment procedures are completed, some of the old rivals are lost, perhaps due to enrollment changes.

This was the case the last time around, when Olton dropped from a 3A school down into class 2A, and Vega went from class 2A into A.

With enrollment figures continuing to change for almost every school, and with the possibility of restructuring the entire setup, there's no telling how it will affect the local school and its district alignment. But everyone will know within the next week or so. Until then, we just have to hope for the best.

An outside sales campaign caused so much of a stir among business leaders because of the way the campaign was geared, that by mutual agreement, the project was cancelled and the promoters were asked to leave town.

At the same time, they agreed to refund the checks which had been collected from local merchants.

A number of business people filed objections with the city manager, with the Chamber of Commerce, and to the Friona Star, after facts concerning the campaign came to light.

The promoters had secured a contract through the local Emergency Medical Service, signed by a city employee, to solicit funds for the local EMS. However, it came out that the sales group was to have kept 80 per cent of the funds collected, with the EMS getting the other 20 per cent, or a minimum of \$350.00.

The out-of-town promoters were selling advertising for a program they told businessmen they would print and distribute at a Christmas program to have been presented locally. They offered a full page in the program for \$300, which would entitle the merchant to 150 tickets, which would have been distributed "among needy children."

Besides objecting to the 20-80 money split, local merchants objected to the questionable tactics used by the solicitors. One merchant said that he was virtually intimidated, and the caller implied that if he had to be picked up by the local ambulance, there was no guarantee that he would live until it reached the hospital.

Young Man Is Stabbed

A young Friona man was seriously injured in a stabbing incident early Sunday morning on the Friona Wheat Growers parking lot, 400 block of Main Street.

Friona Police Department would not release the names of the parties involved, nor comment further on the incident.

"The matter is still under investigation, and has been referred to the District Attorney. I cannot comment further since it might prejudice the investigation," said Friona Police Chief Bill Thieman.

DELIGHTFUL URCHIN.... Chris Hamil, center, plays the title role of "Oliver" in the musical production to be given Monday and Tuesday by the Thespians. Julie Wilshire, left, plays the Widow Corney, and Brent Hinkle plays Mr. Bumble. Curtain time is 7:30 each evening.

(Note: Friona put a brand new ambulance into service this summer. The vehicle is well-equipped and more than adequate to make emergency calls.)

The solicitors also were saying things like "This is the local E.M.S.," and "We are with the local fire department." One caller stated "We are calling from the Chamber of Commerce..."

"The Chamber of Commerce certainly did not approve of the tactics being used, and we began to poll our members and advise them of this, as well as the 20-80 split," said Chamber manager Bunny Murphree.

"We prefer to organize our own fund drive whenever one is needed, and we can promise 100 per cent of each dollar being used locally," said Fire Chief Ralph Shirley.

"We don't need anyone coming in from out of town and making this type of drive. Frionans have proven in the past that they can conduct a fund drive very quickly and efficiently when one is needed," said another spokesman.

Beelee Goodwin, city manager, said he sort of "inherited" the situation, but after complaints snowballed, the promoters were confronted, and after a discussion, it was agreed that they would drop the campaign, and refund the money that had been collected.

More or less adding insult to injury was the fact that, under the terms of the contract, the city had provided D&D Productions an office from which to do its telephone solicitations.

CPR Classes Set Locally

The Parmer County Heart Assn. will sponsor a Cardio-Pulmonary-Resuscitation (CPR) class for the community on Monday and Tuesday, October 24-25.

The class will be held at Friona State Bank from 7-10 p.m. each evening.

Those interested are asked to call Linda Henry at 247-3039 after 5 p.m. or Pat Fleming at 247-3471.

There is no charge for the class, and those attending will receive CPR certification from the American Heart Assn.

Those wishing to serve as an instructor are also asked to contact the local sponsors.

"OLIVER" SET.... Friona's Thespian troupe will present its production of "Oliver" Monday and Tuesday evenings at 7:30 p.m. David Small, in the back, stars in the role of "Fagin." Other

cast members, left to right, are Chuck Ellis, Charlie; Matt Osborn, Bill; Shannon Atwell, Bet; Ricky Barnett, the Artful Dodger, and Diane Johnston, Nancy.

Area Gets Good Rainfall Amounts

The Friona area received its first general rain of the calendar year this week, when moisture from a tropical storm pushed into the area.

In Friona, the week's measurement came to 2.65 inches. The bulk of that, 1.95 inches, came in a 24-hour period from 7 a.m. Wednesday until 7 a.m. Tuesday.

Practically all of the rainfall received in the local area has been slow-falling, beneficial in nature, with none of the flood-type of rain, which hit Lubbock Wednesday, dumping seven inches of rain and doing extensive damage.

Sunday evening, a shower left .14 inch of rain locally. The same night, a violent storm passed to the south of Parmer County. Cotton fields from Morton through Littlefield to Plainview and Abernathy were severely damaged by hail. Getting bad hail damage on October 16, after suffering through a drought in the summer virtually added insult to injury.

The Rhea community reported from 3 1/2 to four inches, according to a spokesman at Sherley-Anderson's Rhea Elevator.

At Hub, the rainfall came to just over two inches, said a spokesman at Hub Grain Co. This is by far the best general rain of the year, and one of the few times as much as an inch of rain has been received at any one time.

FHS-DHS Rivalry Is Renewed Fri.

The Friona Chieftains were visiting the Dimmitt Bobcats Friday night in a District 2-AAA game vital to both teams.

The Chieftains, having been surprised by Abernathy last week, were needing to win to regain hopes for a playoff spot. The Bobcats, who had lost to Littlefield and Muleshoe coming into the game, were forced into a "must win" situation with its 0-2 district record.

It has been a cold, rainy week, so both teams have been limited as to their workout time. In fact, after two solid days of rain, the teams were facing prospects of playing on an extremely wet field, although forecasters were calling for a clearing trend.

The Chieftains had moved a couple of workouts indoors earlier in the week and naturally this limits your capabilities.

In the physical department, the Chieftains went into the game with two players slightly puny. Kevin Brogden was suffering from a leg injury, and Paul Melton has had the flu. However, both players were expected to see action.

The Friona-Dimmitt series is the oldest one on the Chieftains' schedule from a standpoint of games. Although Farwell was met earlier by three years, the Bobcats had been played one more time than the Steers.

Chamber Ballots Due Nov. 1

Friona Chamber of Commerce members are reminded that if they have not returned the ballots they received with their October newsletter, they have until November 1 to mark the ballots and return them.

Members are asked to vote for five of the ten nominees. Names on the ballot are Harry Hutchinson, plant manager of Excel Corp.; Bill Loanman, Parmer County Implement Co.; Dee Willard, farmer; Gaye Tannahill, school employee; Lois Norwood, Ethridge-Spring Agency; Joe Mejia, Friona State Bank; Bill Hardin, Tasty Cream and Winner's Choice owner; Joe Wilhelm, Wilhelm TV & Appliance; Bob Welch, farmer; and Pat Fleming, housewife and school board member.

Those elected will replace Janet Buske, Bob Hurst, D.L. Harguess, Bob Beville and John Blackwell, whose terms are expiring.

Holdover members of the chamber board will be John Mars, Larry Knowles, Karen Britting, David Barnett and Karen Zachary.

Scores Improve In Star Football Contest

Scores improved, although very slightly, in the seventh week of the Friona Star's football contest.

Mike Leonard of Canadian was the first-place winner, correctly picking 18 of the contest games. Leonard was the only contestant to score that high, and will receive \$10.00 cash for his good score.

Three other contestants correctly picked 17 games, and they all received a small cash prize.

Jack Clark won second place, on the basis of the tie-breaker score. Clark picked Friona to edge Abernathy, 14-13, missing the score by 17 total points. Clark receives \$6.00 for second place.

Jackie and Dianne Morgan were the other two contestants correctly picking 17 games, and they tied for third place. Each one missed the tie-breaker 37 total points, picking the

Chiefs to win, 21-0.

Six contestants had scores of 16, missing a cash prize by the possible margin of one missed game. These included Ron Cain, now of Corpus Christi, Charlie Morgan, Floriene White, Jerry Hinkle, Alex Guerra and Rhonda Bentley.

Twenty contestants had scores of 15, and another 23 correctly picked 14.

For the sixth week in a row, a tie game managed to crop up on the contest slate. This time it was the Baylor-Texas Aggie college game, which gave all contestants an automatic "miss."

The top two contestants kept the status quo in the contest standings. Both Patches Fleming and Bobby Davis scored 15s for the week. Fleming holds down first place with a score of 102. Davis is second with 99 correct games.

Jerry Hinkle gained a point on the leaders with his score of 16, and now stands in third place at 96 points.

Tied for fourth at 95 points, and their week's scores, are Alfred Beavers (15), Kevin Beavers (14), Jack Clark (17) and Ron Smiley (15).

The contestant with the leading score at the end of the 13-week period will receive \$100 in cash.

CO-OP MONTH

60,000,000 people have a good thing going.

They're all member-owners of 40,000 cooperatives providing goods and services in every walk of American life.

Cooperatives today come in all sizes and kinds. There are co-ops for electric and telephone service, credit unions and farm credit, housing, food, insurance, farm marketing and farm supply, health and day care. They're found in urban, suburban and rural areas — all over the country. The cooperative way of conducting business has an impressive track record — proving to be an efficient, economical way of meeting common needs of people. That's why co-ops are found in thousands of communities in every single state — why co-ops have grown and flourished.

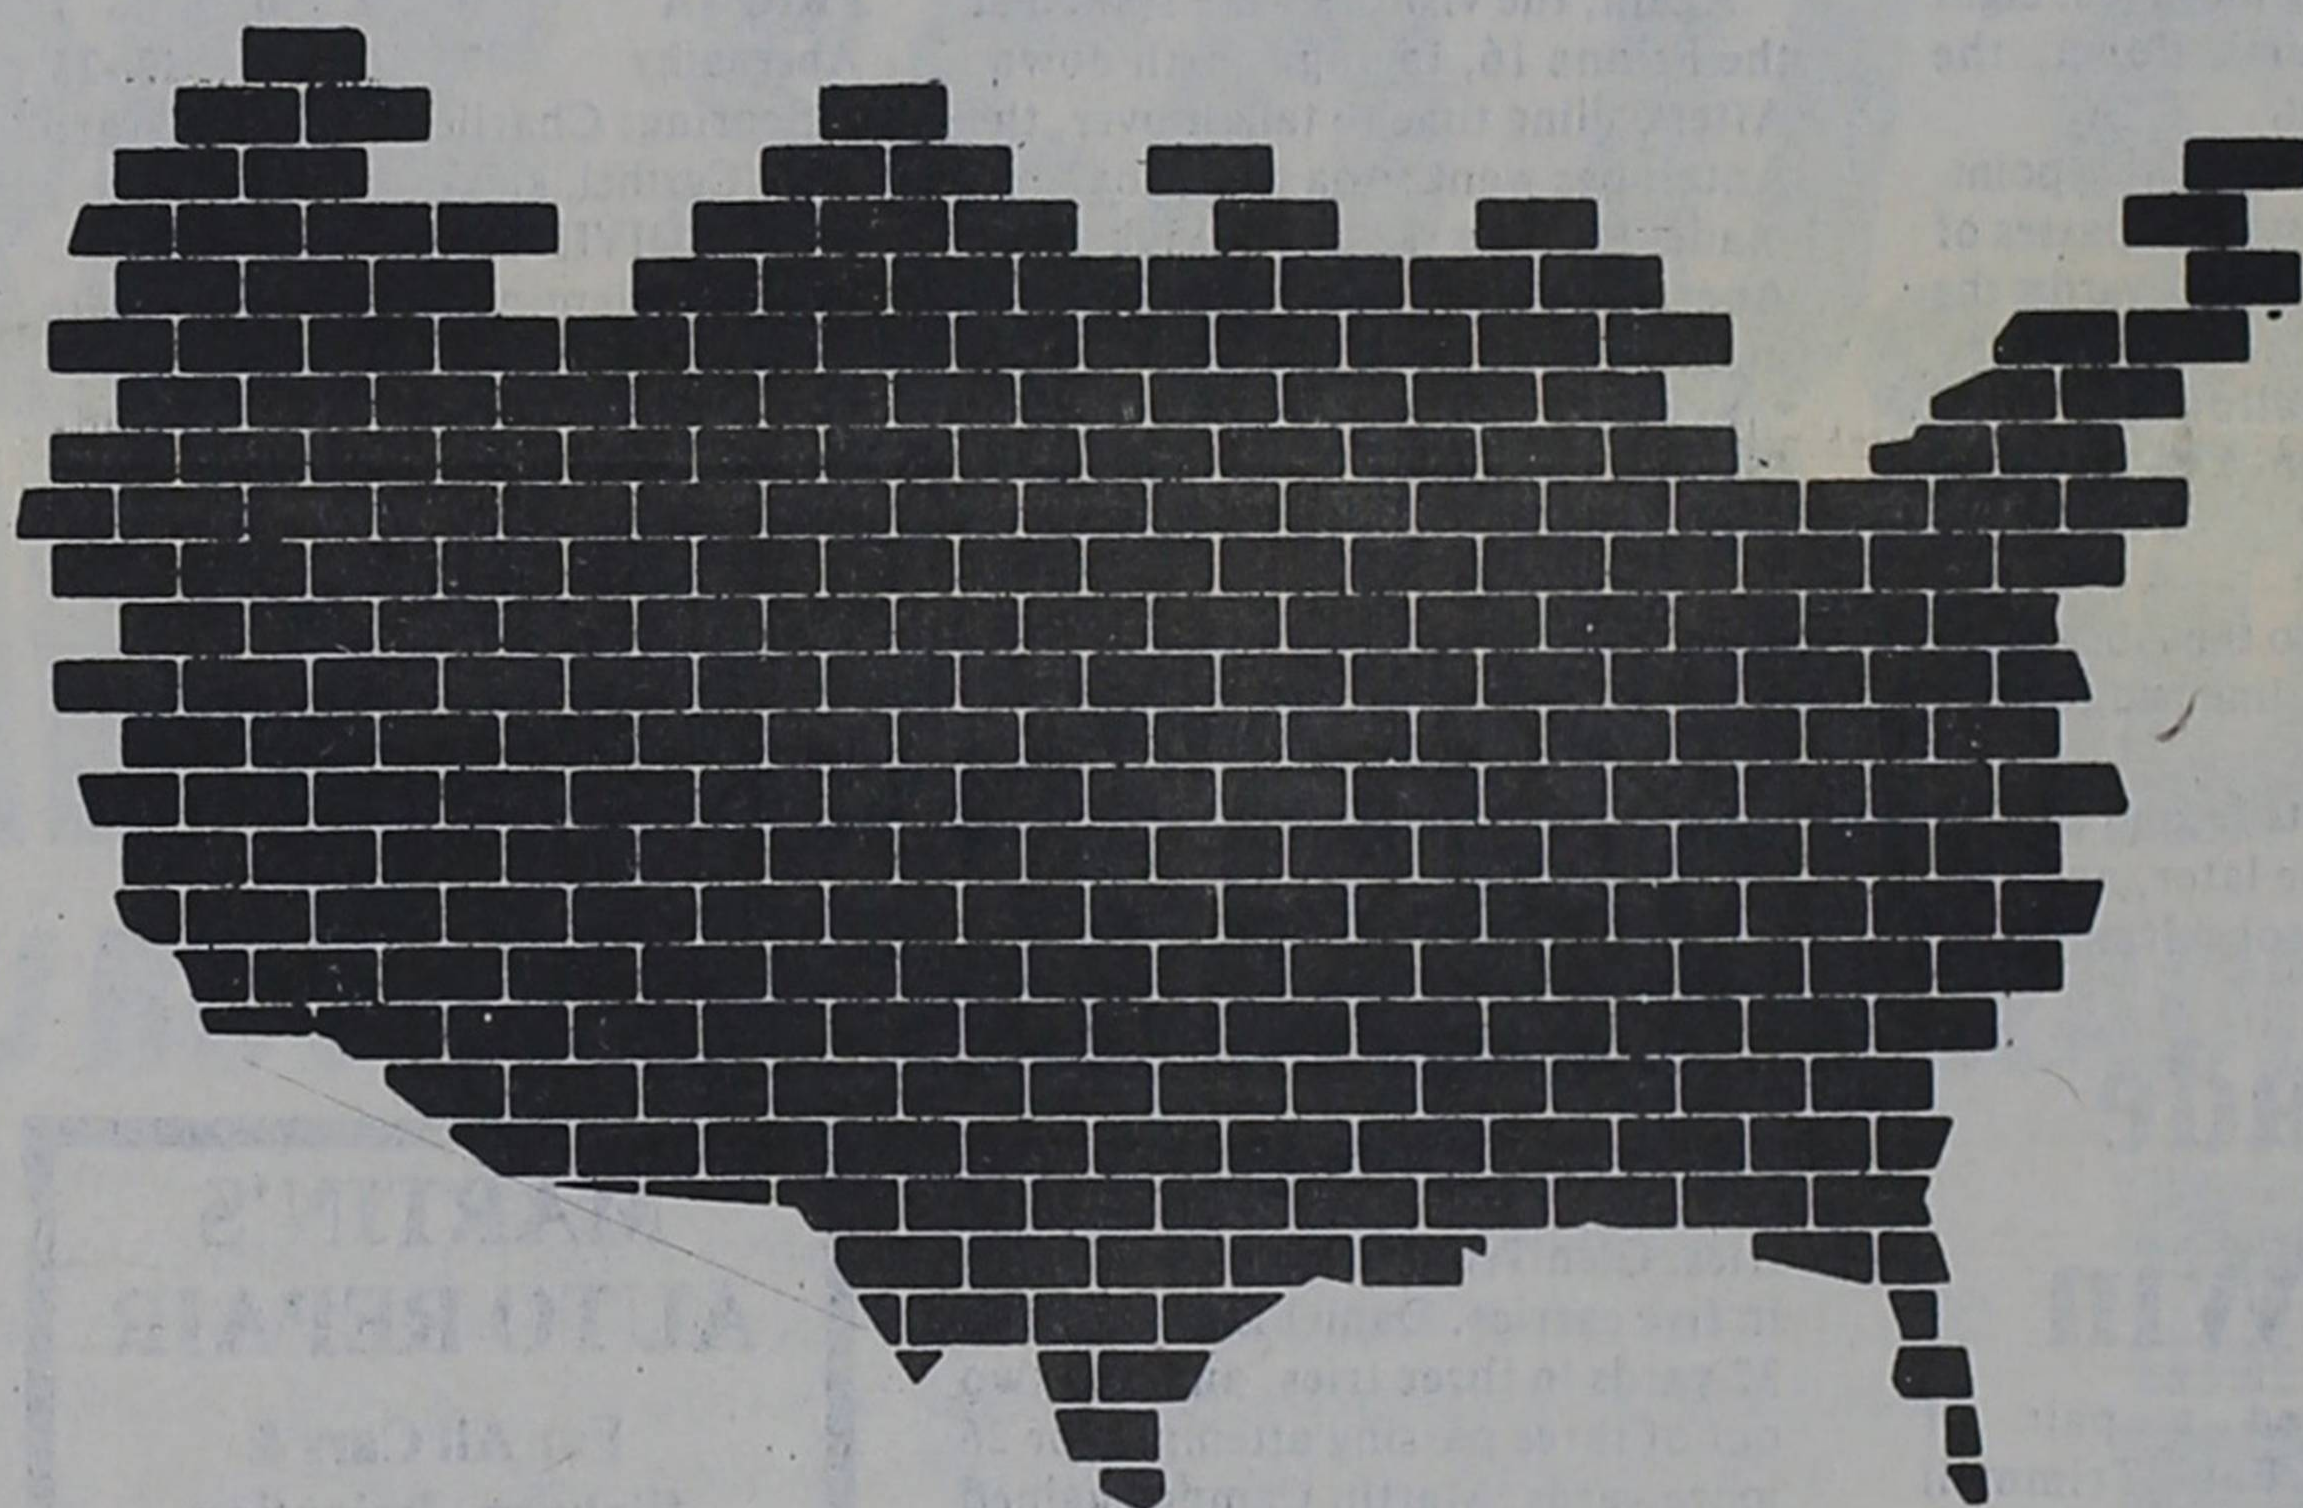

Co-op people are proud of their cooperatives... knowing they provide services and jobs that benefit the whole community.

There's probably a co-op or two in your life, working for a better community and a better America — and for you!

'Lopes Surprise Chiefs In 23-7 Dist. Shocker

For a team which supposedly was casting around in an effort to keep its "sinking ship upright," Abernathy sure could have fooled you.

The Antelopes, who entered last Friday's game with a "ho-hum" 3-3 season record, and was fresh off a 38-6 loss to Muleshoe in their district opener, got their problems worked out in a hurry.

They were helped along by sophomore quarterback Jamie Mansanales, given his first opportunity in a starting role. Prior to last week, Mansanales had been alternating with senior Brian Smith, who has probably called his last signal on offense.

Mansanales picked the Chieftain defense apart like no quarterback has done in the past three years. When the dust had settled, the youngster had completed an astounding 11 of 16 passes, including two for touchdowns.

Abernathy won the game, 23-7, seriously damaging Friona's hopes to make the playoffs for a second straight year.

But, while Mansanales and his friends were starting on offense, the mammoth Antelope defenders weren't doing badly themselves.

Abernathy limited the Chieftains, ranked third in the South Plains area prior to the game, averaging 320 yards, to a meager 79 total yards for the night. A check of past game statistics could not reveal the last time a Chieftain team had been held to under 100 yards offense in a game.

Fans were given a foretaste of things to come, when Friona recovered an Abernathy fumble at the Antelope 30 yard line early in the game. Three running plays lost eight yards, and on fourth down, the Chiefs elected to punt.

Mansanales took over at this point. He completed his first three passes of the game, for 19, 17 and 47 yards, the final one being a touchdown to speedy Sammy Galloway for a touchdown. The point kick gave the visitors a 7-0 lead with 4:52 left in the opening quarter.

The Chiefs drove to the Abernathy 49, but for the third time had to punt the ball away.

Friona recovered its second fumble in the contest a little later, and this time the Chieftains took advantage of the break.

7th Grade Takes Win

Joe Paiz scored a pair of touchdowns, and Paul Trimmell added one on a 46-yard interception return, as the Seventh Grade Braves downed Abernathy, 22-12 last Thursday.

Paiz gained 44 yards on seven carries. Cody Burney added 31 yards on seven tries; Cody Bracken had 59 yards on 16 times, and Jacky Lafuente gained 17 yards on two totes.

Besides his interception that went for a score, Trimmell was a monster on defense, accounting for 14 tackles. Burney added four tackles.

Ernest Crutchfield carried after Friona's second touchdown for a two-point conversion to account for the team's other two points.

Once again, it was an overall team effort contributing to the win.

Quarterback Charlie Veazey faked to Charlie Morgan, and kept the ball, then raced 23 yards for his first touchdown of the season. Doug Carthel's kick tied the game at 7-all with 5:58 left in the first half.

Eloy Caballero broke Mansanales' magic with an interception in the last minute prior to halftime, and returned the ball to the Friona 45 yard line.

Veazey ran 11 yards into Abernathy territory, but two passes fell incomplete and on fourth down the Chiefs again elected to punt as time expired in the half.

The third quarter was a complete nightmare for the Chiefs, who registered minus nine yards during the period.

Abernathy, meanwhile, used a little break to take the lead for good.

Facing fourth and 21 from the Friona 27, it appeared the Chiefs were about to register another good defensive series. The team even had a good rush on Mansanales as he faded to pass, and almost had the slippery quarterback down for a big loss.

But "closies" only count in horseshoes and hand-grenades. Somehow, the Abernathy star managed to throw the pass. And somehow Randy Houston managed to catch it, and then battled his way into the end zone for the score.

Instead of having the ball back at their own 40, the turn of events saw Abernathy taking a 13-7 lead, and from that point on, the Antelopes seemed to control the game.

Early in the fourth quarter, the 'Lopes drove, sparked by the running of Ross Bradley and a 15-yard penalty against Friona.

Again, the visitors were stalled at the Friona 16, facing fourth down. After calling time to talk it over, the Antelopes went for a field goal and made it. The 32-yard kick gave Abernathy a 16-7 lead with 8:37 left in the game.

Friona ran only two plays following the kickoff, as Mansanales even starred on defense, intercepting

8th Grade Wins, 40-14

The Friona eighth grade Braves scored a 40-14 win over Abernathy in a game last Thursday.

Kevin Frye gained 96 yards in 11 tries. Glen Trimmell gained 88 yards in five carries. Daniel Echols added 32 yards in three tries, and was two out of three passing attempts for 26 more yards. Martin Campos gained 55 yards.

Louis Almador had six tackles to pace the defense. Kevin Frye added four tackles. Julian Mendoza, Trimmell, Albert Trevino, Echols and Stephen Thornton each had a pair of tackles.

Friona bolted to a 26-0 lead. Trimmell scored and the PAT was added for an 8-0 lead. A safety gave Friona a 10-0 lead. Friona took an 18-0 lead, then made it 24-0 when Echols hit Trimmell on a touchdown pass. Kevin Frye again ran for two points and a 26-0 lead.

After Abernathy scored, Friona bounced back with a TD by Echols, and one by Campos and a PAT by Joe Dimas for the final margin of 40-14.

a Veazey pass to reclaim the ball for his team.

The Antelopes then drove 66 yards in 11 plays. Bradley got the TD from the five, and the PAT kick made the margin 23-7 with 2:27 left to play.

So completely did Abernathy dominate the second half that the Chieftains never had a first down in the second half until inside the two-minute mark when Morgan broke through for 12 yards and Alfredo Mata followed with a 13-yard run around left end.

It was a very frustrating night for the Chieftains, who entered the game with a 5-1 season mark and 1-0 in league action.

The size of the Antelope players proved to be a factor, as Abernathy's line averaged 200 pounds per man, and wore the Chieftains down throughout the game.

Veazey never went back to pass unless he had one or two of the big defenders draped around his neck.

"I don't know what our problem was. We just never could get going in the game. We didn't play well at all," said Coach Tommy Moss in regard to the game.

JV Team Wins, 26-6

The junior varsity Chieftains scored their second win of the season at Abernathy last Thursday, 26-6. Brad Moyer got the scoring underway with a 31-yard run. Moyer also ran for the two-pointer and Friona led, 8-0. That turned out to be the only scoring of the first half.

In the third quarter, Moyer scored again from the one to climax a drive and give Friona a 14-0 lead. Later in the quarter, Charles Walker rambled 55 yards with a punt return, and the score became 20-0. Moyer wrapped up the scoring with his third TD of the night. The PAT try failed, and Friona led, 26-0.

Abernathy's touchdown came in the final quarter. The win left the Chieftain JV with a 2-1-1 season record.

PATIENTS IN HOSPITAL--
Aubrey Rhodes, Danny Black, Marsella Mayfield and Arlin Hartzog.

Freshmen Drop Tilt

The Friona Freshmen Chieftains' luck was all bad at Abernathy last week, as the Antelopes scored a 14-0 win.

Friona was held to only about 30 yards rushing, in by far their slimmest offensive showing of the season, similar to the varsity's luck the following night.

The loss left the team with a 4-2 season mark.

Cash Earns \$1,000 Prize At Amarillo

Friona's Gary Cash defeated Borger's John Aubrey to earn the \$1,000 first prize last Sunday at Amarillo Dragway.

Cash defeated Idalou's Jimmy Blanton in his semi-final race while Aubrey beat Johnny Young of Laverne, Oklahoma for the right to race Cash.

Aubrey earned \$500 for his second-place finish.

Other winners Sunday were Amarillo's Danny Edwards (challenge-cup division), Amarillo's Mike Lamberson (motorcycle division) and Amarillo's Freda Foster (powder-puff division).

The races concluded Amarillo Dragway's 1983 racing season.

NEW CREEK....Friona had several new "creeks" on Wednesday and Thursday. The above intersection, at 14th and Maple, was running fairly heavily when the picture was taken. Water was seen standing several places after more than two inches of rain fell.

UMBRELLA TIME....It had been quite some time since local residents needed an umbrella, but such was the case Wednesday and Thursday. Sally Putman is shown as she prepares to cross Highway 60 while the rain peppered down.

It's A Girl For Fortenberrys

The Fortenberrys have a son, Ryan, who was two on October 10.

Grandparents are Mr. and Mrs. Paul Fortenberry of Friona and Mr. and Mrs. Lewis Blau of Booker, Texas.

Mr. and Mrs. Alex Barton of Booker and Mrs. Kate Blau of Follet, Texas, are the great-grandparents and Mrs. Mabel Vernon of Eden, Texas, is the great-great-grandmother.

The population of the state of New Hampshire increased only 8.3 percent between the start of the Revolutionary War and the 1970 census.

4-H Clubs Benefit From United Way

(Editor's note: The Friona 4-H Club is one agency that benefits from the United Way drive. Pace-setters are already at work, contacting businesses prior to the drive kick-off, which is scheduled for November 7.)

Each year, beginning in September, more than 100,000 Texas boys and girls aged 9 to 19 join millions of others throughout the country in the world's largest youth organization--4-H.

What is it and why do they do it? A brief look into the nature of the 4-H program and what it has to offer youth and their families can provide the answers to these questions.

First of all, 4-H is fun. 4-H'ers take part in a wide variety of enjoyable activities--club meetings, recreation, camps, learning laboratories and project work. Meanwhile, their families have the joy of working together on projects, participating in fun days, and enjoying a host of other opportunities.

Secondly, 4-H offers educational experiences. Youngsters learn that learning can be fun. 4-H learning takes place in small group work, in individual work on projects, and in conjunction with adult volunteers and family members. They learn at fairs and project shows of various sorts and in a variety of other "non-classroom" environments.

4-H encourages "learning-by-doing" and provides citizenship and leadership skills. 4-H wants to involve all youth--rural, urban, suburban, teens and pre-teens, and from all races, creeds, ethnic and economic backgrounds. 4-H youth learn, work and play together.

In 4-H, young people can learn how to make things, grow things, take care of things and repair things in a wide variety of projects.

And the great part about the whole program is that 4-H youth can select what they want to do. Projects include things such as nature study, wildlife, entomology, animal science, beef cattle, horse and pony, dog care, plant science, gardening, field crops, home economics, foods and nutrition, clothing, automotive, bicycle, small engines, mechanics, electricity, personal development, citizenship, leadership and public speaking.

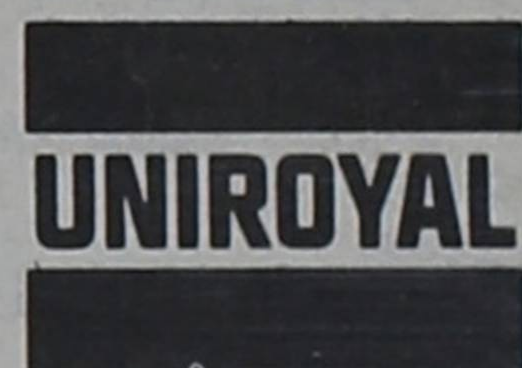

4-H requires no membership fee or dues. It is sponsored by the Texas Agricultural Extension Service which is a part of Texas A&M University and by local, state and national donors.

4-H has a lot to offer. So if you have a desire to learn and want to get involved in an action-oriented program, contact the county Extension office, at 481-3619.

About 40 descendants of the late Charles and Amelia Schlenker, who moved to the Rhea Community from Iowa in 1906, along with about 60 from other parts of the country, had a real fun three day reunion last weekend.

Family members annually meet at the home of Kendall and Wilda Schlenker and children, Cindy, Julie and Kenyon, who live near Placitas, which is between Albuquerque and Santa Fe. Kendall is the son of Harold and Hazel Schlenker of Placerville, California and is an attorney.

Festivities began Friday evening with a barbecue prepared on the patio of the Schlenker home, which is a large adobe with patios and sun porches in the mountains, by Pete Podrell, who owns three barbecue restaurants in the Duke City.

One of the highlights of the gathering was distribution of a recently published cookbook, "Family Favorite Recipes." Earlier Mabelle Hartwell, Louisa Wilson and Helen Potts, the three daughters of the Charles Schlenkers, who still live here, had collected recipes from many of the relatives and had the book published.

Those attending from this area were Mabelle Hartwell, who was the oldest family member present; Ralph and Louisa Wilson; Helen and Cordie Potts; Sarah Dean; Florence and Billy Sifford; Carl and Velma Schlenker; Larry, Judy, Tonya and Tammie Potts; Floyd, Judy, John and Lori Schlenker and Bob, Connie, Mendy, Abbey and Joni Johnson, all of Friona.

Also, Gay and Logan Bingham and Lynn Welch, Amarillo; Holly and Blair Jones, San Antonio; and Gayle, Michelle and Amanda Sifford, Boys Ranch. Amanda was the youngest person present.

Beulah Hopkins, Las Vegas, Nevada; Florence Dorsey, Vista,

California; Harold Schlenker of Placerville, California and J.R. (Chick) Schlenker of Portales, were first generation descendants attending.

Harold and Chick were accompanied by their wives, Hazel and Maurine.

Friona family members served Mexican Pile On as a Spanish guitarist and vocalist serenaded the group. A Sunday morning brunch of ham, scrambled eggs with chillies and hot biscuits was served by the Portales Schlenkers and their children and grandchildren, Jo Day Cope, Mr. and Mrs. John Schlenker, Patsy Neely, Monica Hawes and Carol and Sean Cope.

Kendall Schlenker took many of his relatives riding in his hot air balloon Saturday morning and again Sunday morning.

Mrs. J.C. Wilkerson, a former Friona resident, spent several days last week visiting in the home of her sister, Mrs. Ida Adams. Mrs. Wilkerson currently makes her home in Amarillo with Mr. and Mrs. Chester Hatcher, who live at 3304 Kingston.

Word has been received of the death of Mrs. M.H. Sylvester, Sr. of Meridian, Texas, late last month. Murl and Jimmie lived on a farm west of town a number of years before moving away.

She was born February 2, 1905 in Runnels County and died September 27, 1983. She was a member of the United Methodist Church and the Order of Eastern Star.

Weekend visitors in the home of Mr. and Mrs. W.D. Skipworth, Jim and Karla, were Mr. and Mrs. Ken Wheeler of Hobbs, New Mexico and Mr. and Mrs. Bob Ratliff of Hurst, Texas.

Ratliff took time off from his

visiting to drive to Lubbock Saturday to assist with officiating at the Texas Tech-Rice game.

A family dinner in the Skipworth home Saturday evening honored the visitors. Other guests were Mr. and Mrs. Henry White, Mr. and Mrs. Forrest Osborn and Monique, Mr. and Mrs. T.A. Kelley and Tammi and Mr. and Mrs. Delton Lewellen.

Mr. and Mrs. L.R. (Monk) Hand recently returned after spending ten days in Greece. They were accompanied by their son-in-law and daughter, Dub and Levada Bush, who live at Duncanville, Texas.

Included on their tour was the city of Athens with side trips to Delphi and Napfali. After touring these places, the group boarded the cruise ship, Stella Oceanic, for a cruise to the Greek Islands of Kos, Mykonos, Rhodes and Samos.

While docked in the Turkish port city of Kusadadasi, they visited ruins of the city of Ephesus, where the Apostle Paul spoke to the masses prior to his imprisonment.

Much of this ancient city has been restored and tourists are able to view this site by travelling on the original marble roads.

For the Hands this tour was one of the highlights of the entire trip.

Calvin and Ann Martin, our across the street neighbors, had a real quiet day Wednesday as they marked their eighth wedding anniversary.

Then, early in the evening everything changed. Members of their family, who live here began to arrive by the carloads with all the trappings for a gala party.

Guests, who hosted the surprise party, were Lawrence and Pat Martin, Calvin and Nona Martin, Larry and Judy Martin and children, Mike and Reta Martin and children and J.E. and Kathy Stone and children.

She has served as band representative for her freshman and sophomore classes.
