Whirlwinds showcase explosive attack

By Bill Gray

If their first encounter with outside opposition is indicative of what to expect this fall, the current indicative of the Floydada Whirlwinds will be among the most exciting AAA clubs on the South Plains in 1989.

Wester Field was the site as Floydada hosted the Antelopes of Post on August 25, for the season's first scrimmage. A tontrolled scrimmage, by design, does not necessarily produce a win or a loss. But, if one were declared for their efforts, the Whirlwind first units clearly came out on top to the delight of over two hundred faithful fans.

On the first offensive snap, Grant Stovall rolled to his left off the option and hurled a perfect out-pattern strike to tight end Kenneth Collins for a long gainer. The pass-run combination caught the Antelope defense by surprise. Several plays later, halfback Jesse Suarez scored the only offensive touch down for either team's first units.

At this point in a young season, defenses are usually a few notches ahead of the offenses. However, the 'Winds return an experienced wishbone backfield, composed of Stovall at quarterback, Frank and Jesse Suarez at halfbacks, and Ruben Chavarria at fullback. Throw in two time All-District center Adam Cates and returnees Lalo Delgado and Joe Cisneros, and the end result was almost mid-season form in ball handling and execution.

Others making strong contributions to the offensive output were guards Johnny DeOchoa and Kelly Wood and left tackle Michael Cooper. These newcomers are fighting hard for starting assignments and will see lots of varsity action come September.

This offensive unit has the potential of piling up a lot of statistics and putting large numbers of points on the board. They have the quickness to make the wishbone work and will give alot of defensive coaches "nightmares" in trying to develop game plans to stop

Floydada's first unit defense looked good most of the way, considering several key position changes for some of last year's starters. Cates has been moved from tackle (where he has been a terror in the trenches the past two years) to defensive end.

Joe Cisneros is manning a cornerback spot, with Jesse Suarez being given a

Batman visiting **OFloydada** for MDA Day

September 2 has been declared MDA day in Floydada. To celebrate the event, many activities have been planned to raise money for the charitable cause.

Batman will arrive at Pay-N-Save, aboard a Floydada fire truck, at 10:00 a.m. While your there visiting the Bat Hero, be sure and drop your donation to MDA into the fireman's boot. A donation of \$1.00 will automatically enter you into a drawing for \$100.00 worth of free groceries, from Pay-N-Save. The drawing will be held at 5:00 p.m.

Several local businesses have agreed to donate a percentage of their sales on that day, to MDA. Besides Pay-N-Save, citizens should be on the lookout for fire trucks, taking donations, at Nielson's Restaurant and on the courthouse square. KKAP will be doing updates throughout the day, broadcasting the ongoing total collected.

Anyone wishing to donate time to collect for MDA should come to the fire hall between 8 p.m. and 12:00 midnight, or anytime on Monday, and pick up a Marchers Kit. If you collect \$35.00 you will receive a free T-Shirt.

The following Floydada businesses are participating in the annual MDA fund raising drive: Nielson's Restaurant & Catering, Dixie Dog Drive-In, Bobbie's Cafe, My-T-Burger and Our

shot at strong safety.

Frank Suarez returns at left cornerback, where he earned All-District laurels a year ago. Newcomer Freddie Portee did an outstanding job at defensive tackle in Coach Dean Bates' "50"

Jay Mendoza (second team All-District in 1988) and Victor Chavarria return and are handling the linebacking chores with confidence. In spite of "bending" at times, the defense didn't allow the Antelopes a deep penetration. A pass interception by Cates may have shown how valuable he will be at the new position.

The Whirlwind first offense registered ten first downs and 190 yards total offense in the allotted thirty plays - with one touchdown. Post's number one offense picked up about 70 yards and four

first downs in their series.

as well, but a lot of the youngsters were getting their first tastes of varsity competion. The 'Winds' second unit defense performed well and turned in some big plays. Several folks from this unit may see a lot of front-line playing time before the year is over.

A pleasant surprise was the play of the Whirlwind JV (composed entirely of 9th graders). They out scored Post 2-1, with Michael Henderson leading the way with a 60 yard TD scamper.

The Whirlwinds travel to Lubbock Cooper for a September 1 scrimmage with the Pirates as a final tune-up before the Idalou opener on September 8. As in past years, the success of the 1989 Whirlwinds will linger on several things, mainly (1) key personnel staying healthy, and (2) younger players coming through if pressed into service. It should Floydada's second offense didn't fare be a fun, exciting and rewarding year.

City to apply for \$183,000 grant

The City of Floydada will apply for a Texas Department of Commerce Community Development grant for extension of a large main water line the length of 12th street. The decision to hearing on Monday, August 28.

Attending the hearing were: Mayor Parnell Powell, city secretary Jimmie Lou Stewart and city attorney Randy Hollums. Others present were council members Wayne Russell, Leroy Burns, Wayne Tipton, Ruben Barrientoz and Frank Breed. Councilman Amado Morales was not present for the hearing or the vote approving the application. No one attended to voice opinions or ask questions concerning the proposed ap-

The city's application will be considered according to criteria based on the need for the project, the number of low to moderate income it will serve and various other factors. A decision will forward the application was made by not be final for several months. If the unanimous vote following a public grant is not forthcoming, reapplication may be made during the next two years.

> The grant requested being submitted by the city asks for \$183,000 for the project. The city has pledged \$24,000 in matching funds if the application is

> Extending the larger water line would facilitate fire protection with the installation of 7 additional fire hydrants along the proposed water line. It would also help in providing water service with better pressure and more water readily

SCRIMMAGE ACTION—Whirlwind QB Grant Stovall has plenty of time to find an open receiver (due to excellent pass blocking) during scrimmage action against Post on August 25. Floydada's first unit offense scored one touch-

down and registered ten first downs and 190 yards, while the 'Winds' defense held the Antelopes to 70 total yards and four first downs.

Preparations for the 24th Annual "Jerry Lewis Labor Day Telethon" are underway, especially in Floydada. The Floydada "Telethon" Pledge Center will be located at the Fire Department. Mike Reeves will serve as Pledge Center Coordinator. Reeves and the Floydada Fire Fighters have been key volunteers for several years for the Muscular Dystrophy Association

The "Telethon" will be broadcast live from Las Vegas and KLBK-TV in

Lubbock. Over 200 stations across the country and several stations in Canada will air this special event. The show will begin Sunday, September 3 at 8 p.m. and continue 22 hours through Labor Day, September 4, at 6 p.m. All area pledge centers, including Floydada, will close between 12 midnight and 8 a.m.

Hosting this year's local portion are KLBK's news anchor Terry Graham, and Vickie Hutson, former KLBK coanchor and Telethon emcee. Special guest emcees will be Chris Contreras, Kathy King, and Rick Gilbert.

The "Jerry Lewis Telethon" is watched by approximately 90 million people every year and is a leader in the Nielson ratings. The 1988 show raised over \$41 million in pledges alone, a record for telethons. Lubbock's telethon raised \$143,000 in pledges and fundraising events, which included Floydada's totals.

Floydada citizens wanting to support the city's fund-raising efforts during the Labor Day weekend for MDA can pick up Marcher Kits for children and adults who want to collect donations door-todoor. Kits will be available at the Floydada pledge center during Tele-

A special "Telethon" Patron Board will be set up at KLBK-TV for individuals and businesses who contribute \$100 or more to MDA prior to the show. These names will be shown throughout the "Telethon." Businesses offering a percentage of sales for Labor Day weekend will be mentioned in Sale-a-Thon segments, too. Contributions or Sale-a-Thon questions can be made to MDA. 8212 Ithaca, Suite F, Lubbock, TX 79423, 806-793-5632.

Floydada's Pledge Center raised

History of Carr's Chapel United Methodist Church Chapel to observe 75th year of worship

By Maye Williams

On April 25, 1904, the Rev. W.H. Carr, a local Methodist minister, organized a church in western Floyd County. There were seven charter members recorded that day, the Rev. Carr, his wife, Martha Jane; their daughter, Miss Anna Carr; their son, Mather Carr, and his wife, Annie; and Mr. P.B. Merrill, and his wife, Jennie. At a gathering of the people of the community a little while later, they decided to name the community Harmony; thus the church was called "The Harmony Society."

The Rev. Carr who lived in the community was the pastor for the next four years and was responsible for organizing churches at Allmon, Lockney, Petersburg, Dickens City, Espuela, and at the Swenson Ranch Headquarters, where the town of Spur now stands. The Rev. Carr was a circuit rider and traveled below the Caprock by horse and buggy and held camp meetings with the

By the year 1914, people from surrounding communities and new settlers had added to the membership of the church, and as Allmon was using their school building for worship services, the two communities decided more adequate facilities were needed. The leaders of both communities got together and selected a centrally located tract of five acres of land and proceeded to build a church. That building stands adjacent to FM 378 in Western Floyd

County and is still in use today. Much of the labor at that time was donated and the entire cost of the building was \$1300.00. The church was named Carr's Chapel in honor of its

A cemetery was located on a part of the land. Dedication services on Nov.

29, 1914 were conducted by the Rev. O.P. Kiker, presiding elder. All day worship services were held and dinner on the ground was provided for all attending. Eighty-one members were listed that day.

There have been regular services held each Sunday since, with few exceptions, Sunday school classes were taught each Sunday and preaching services were held two Sundays a month until the last few years and we now have early morning services each Sunday and Sunday school following the preaching, with no night services.

A historical marker was presented the church, Sunday, June 23, 1963 as it was the oldest rural church still holding regular services and of course remains

During these 75 years of worshipping in this same building we have had people of many nationalities, creeds, cultures and beliefs enter our doors and we have all enjoyed worshipping to-

One of the events we have celebrated since the organizing of the church is the community Christmas tree and program, Dec. 24, each year. We have missed only one year in the last 85 years, and that was in 1918 when all public gatherings were banned because of the flu epidemic.

Although our members now are not many more than those seven charter members, we can look forward to a full house Christmas Eve when people both near and far come home. Last year we had a young man from Italy, a foreign exchange student, worship with us, and there was standing room only.

The program is presented mainly by the children and young people and is unrehearsed. Each one who wishes to participate chooses their own part and has their special place. An offering is taken for the Children's Home of Waco. Texas, and Santa arrives at the conclusion of the program to the strains of Jingle Bells, and distributes sacks of goodies to young and old alike. Then Santa distributes gifts from the tree that has been previously decorated by the people of the community and surround-

The children join in the tree trimming and it is always a festive occasion. After the star is placed a top, the tinsel draped, the lights arranged and the last bauble tied, the lights in the sanctuary are turned out and only the colorful reflections of the lights as they glisten on the tinsel and decorations as we join our voices in Silent Night, Holy Night.

The notes echo through the stillness of the moment and we are reminded once again when the Angels proclaimed the birth of a tiny babe born in a stable to plain ordinary people. We feel a kinship and as His love permeates our thoughts and our being, we sense anew the "Miracle of All Miracles", the birth of our Lord and Saviour of the world.

September 17, 1979, we will be celebrating our 75th year of worship in this church which has changed in appearance very little, but hopefully it has been

The Hesperian will be closed Monday, Sept. 4 for Labor Day. Deadlines for the Hesperian will remain the same.

the place where changes for the better have happened to many who have sought to have a closer relationship with their fellow man and to God.

It is with some regret that we face the fact that our cemetery is growing, but our church membership is not, but our main concern is that we do our best, whatever the task and wherever the place so that we might be able to hear The Master say "Well done thou good and faithful servant."

New state tax weapon against illegal drugs

Starting September 1, a new state tax on illegal drugs- marijuana, cocaine, heroin, etc. - will become a new law enforcement weapon against drug deal-

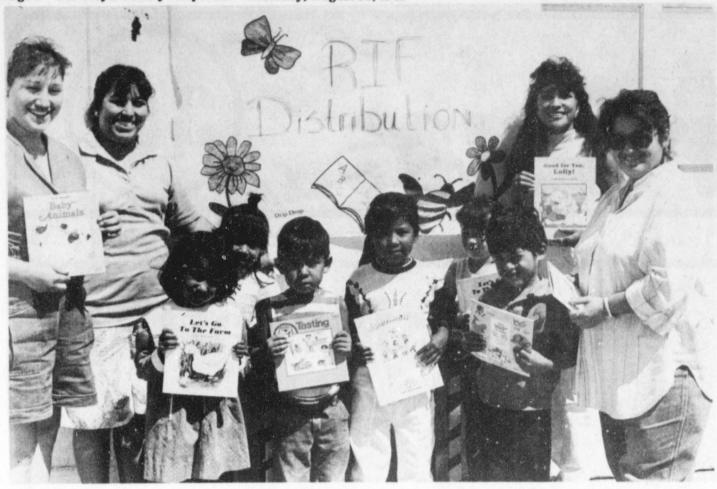

Under the law, a new tax stamp must be placed on marijuana and other drugs. The stamp depicts drugs as poisonous. By avoiding to pay the tax, drug dealers set themselves up for tax evasion prosecution. "Failure to pay the tax can lead to stiff penalties, fines and seizure of property," said State Comptroller Bob Bul-

The law requires drug dealers to purchase tax stamps from the Comptroller that must be placed on any packages of marijuana or controlled substance. The tax rate for marijuana is \$3.50 per gram, which is \$1,624 per pound. The tax rate on controlled substances, virtually any other illegal drug, is \$200 per gram, which is \$90,720 per pound.

Dealers arrested with untaxed drugs owe the tax plus a late penalty and interest. "Dealers can also face a tax fraud penalty of 50 percent of the amount of tax due for failure to purchase tax stamps. A dealer convicted for not paying the tax will be fined an amount equal to the tax and could be sentenced to two to 10 years in prison," said Bullock.

Stamps for marijuana are sold in four denominations ranging from one gram for \$3.50 to one kilogram for \$3,500. Stamps for controlled substances are available in five denominations from one gram for \$200 to 500 grams for \$100,000. Stamps must be purchased by money order or certified check from the Comptroller's office in Austin or by mail. Law enforcement agencies will be prohibited in finding out who is purchasing the stamps, (to help in their investigation) because of the Texas Tax Code Sec. 159.005. According to the spokesman with Bullock's office, "the confidentiality code prohibits information provided on a return or a report from being released. All the information is

Fishing Report

With the water temperature at 79 degrees and the depth currently measuring 110.5 feet, the crappie are still biting well on worms and minnows at Lake Mackenzie as summer winds down.

Red Jennings of Amarillo landed two 2 pound channel cats using minnows on Tule Creek August 21. A two pound cat was also caught on August 22 by William Thomashide III of Fairfield. He was also fishing on Tule Creek, but his bait was chicken livers.

Timothy Kovacs of Dimmitt caught a 9 pound flathead using minnows on

Cope Creek the same day. August 25 Trampas Ball of Nazareth caught a 1 3/4 pound bass using a deep diver hale bender near the mouth of the dam. Chris and Krystal Rios of Tulia also caught a 2 pound channel cat using waterdogs for bait on a trotline up Tule Creek the same day.

MDA/Fire Fighter Appreciation Day Legislative Proclamation

Floydada

By Mayor Parnell Powell

A resolution proclaiming September 2, 1989 as Floydada MDA and Fire Fighter Appreciation Day.

WHEREAS, the Muscular Dystrophy Association and fire fighters nationwide have been partners in the fight against neuromuscular diseases for over three decades, and

WHEREAS, in 1988 Floydada fire fighters raised over \$2,800 in support of the Muscular Dystrophy Association's important cause, and

WHEREAS, the Muscular Dystrophy Association is extremely grateful to the fire fighters of Floydada, and

WHEREAS, the Muscular Dystrophy Association and the City of Floydada is sponsoring Floydada MDA and Fire Fighter Appreciation Day to be held September 2, 1989 in honor of the efforts of Floydada's fire fighters, and

WHEREAS, it is fitting and appropriate that the City of Floydada join the Muscular Dystrophy Association in support of our fire fighters, NOW, THEREFORE,

Be it resolved by Mayor Powell:

That the City of Floydada hereby declares Sept. 2, 1989 as Fire Fighter Appreciation Day and commends Floydada's fire fighters for their efforts in behalf of the Muscular Dystrophy Association.

This is to certify the foregoing was adopted on August 29, 1989.

District Court disposes of cases

Following indictments last week, five cases were disposed of in the 110th District Court this week.

Vella Acy, 23, of Floydada, pled guilty on August 23, to Forgery by Making (2 checks) which occurred on July 12 and 29. She received a sentence of five years in the Texas Department of Corrections, which was probated for 5 years, plus payment of restitution, court costs and attorneys fees.

Also on August 23, Anthony Wayne Emert, 18, of Lockney, pled guilty to burglary of a vehicle, which occurred on May 6. He received a sentence of 5 years deferred adjudication probation, a \$500.00 fine, plus he must pay restitution, court costs and attorneys fees.

Randy Guin Emert, 23, of Floydada, pled guilty on August 23, to driving while intoxicated, subsequent offense, which occurred on July 2. He received a sentence of four years in TDC which was probated for four years. He was also fined \$1,000.00 and must pay court costs and attorney's fees.

Probation was revoked on Charlie Ervin Jones, 33, of Floydada, on August 23. He was originally placed on probation for burglary of a building on October 30, 1985. His probation was revoked for failure to report to his probation officer. He as sentenced to four years in

On August 29, Gilbert Lee Sinor, 35, of Floydada, pled guilty to Driving While Intoxicated/Subsequent Offense which occurred on July 9. He received a sentence of four years in TDC and must pay a fine of \$1,000.00, court costs and attorneys fees.

On August 23 in county court the following people filed speeding appeals: John Charles Cleavenger, James C. Bandy Jr., Brett E. Marble, Gary Dale Cain, Lamar Clayton McBride, and Nathern Troy Short. On August 25, Don C. Noyes and Freddy J. Lilley also filed speeding appeals. There was no disposition on any of the speeding appeals.

August 28, Richard Luna Jr., 24, of Lockney, was charged with DWI. There was no disposition on this case.

In J.P. Court from August 1 - 29, there were 200 misdemeanor cases filed.

Thursday, August 31, 1989 - The Floyd County Hesperian - Page 3

PROCLAMATION--Mayor Parnell Powell (center) signs a proclamation on August 29, designating September 2 as MDA and Fire Fighter Appreciation Day. He is joined by Fireman Mike Reeves (left) and Darolyn Snell of the women's auxiliary. Snell will also be working with KKAP in following events of MDA contributions.

Police investigate disturbance, warn against possession of milk crates

Police started off their week with a disturbance report in the 100 Block of Missouri, occurring at 6:00 p.m. The complainant told police that he had been hit on the left side of his face and knocked down, by another man. The assailant was arrested and charged with simple assault. He paid a fined of \$50.50 and was released.

Also on Sunday, at 6:50 p.m., one man was arrested for public intoxication in the 400 block of W. Virginia. He paid a fine of \$150.00.

On August 26 at 10:20 p.m., city police Officer Darrell Gooch answered a call to Lockney to assist Deputy Butler at the Lockney Community Center. In attempting to arrest an intoxicated man and woman the man fled from police. Officer Gooch and Canine Missy pursued on foot. The subject was caught in a home in the 500 block of S.E. 5th Street, in Lockney, after struggling with and assaulting Officer Gooch. The man faces felony charges.

One accident was investigated by police on August 22 at 10:15 p.m., in the Allsups parking lot. A Delta Oldsmobile was parked at the gas pumps facing east, when a Monte Carlo backed from his angle space in front of the store. The Monte Carlo hit the right back quarter panel of the Oldsmobile. There were no injuries.

Sgt. Snell is now warning everyone who may have a plastic milk crate or bread rack in their possession - it is now illegal to possess these items. "If you have a plastic milk crate or bread rack in your possession, it would be best to return these items. Just leave them at the closest grocery store," said Snell. "Anyone found in possession of them after Nov. 1, will be fined up to \$300.00, due to a new law passed in the last legislative session which makes it illegal to possess them."

fellow lawmakers that Al Capone was words "drugs," "death" and taxes." Phillips Family to be at First Assembly of God Sept. 6

First Assembly of God Church, 714 W. Missouri, Floydada, will be hosting the Phillips Family on Wednesday, September 6, at 7:30 p.m. Everyone is welcome to attend.

The Ministry of the Phillips Family is based on love, faith and a positive declaration of God's Word. Having pastored and evangelized, they have trav- Lu Lu Roman. eled to many parts of the nation.

While in a crusade in Houston, Texas, a letter of commendation on this ministry was received from State Representative Senfronia Thompson. The Phillips Family Singers have

appeared before many high school and college groups, assemblies and commencements with outstanding response.

Christine Phillips and their sons, J. Charles, and Greg. Their music and untiring labors have contributed to the ministers. Greg has an insight to the growth and uprise of this ministry.

Their engagements include concerts in many auditoriums across the country, one of which was the Grand Ole Opry in Nashville, Tennessee. Some of the groups The Phillips Family has performed with are: The Blackwood Brothers, The Speers, Governor Jimmie Davis, The Rambos, The Stamps, and

To their credit are: 16 record albums, former radio programs, weekly television programs on CBN which were aired throughout Texas, Oklahoma, and Arkansas. They have conducted Ministry for Arizona TBN Telethon with a written recommendation from Dr. Philip Crouch, former President of Central Bible College, Springfield, The group consists of Clayton and Missouri and present Vice President of Trinity Broadcasting Network.

J. Charles and Greg are credentialed preaching of the Word that astounds many. In addition to his musical, vocal, and writing abilities, Greg hosted a weekly television broadcast in Dallas for 2 years. His ministry has taken him to the church and high schools alike.

J. Charles has committed to memory over 1,000 passages of scripture. In his teen years, he authored the book entitled, "Pillared By the Truth". He has served many years as an Evangelist and Pastor. Was a frequent guest of Tommy Barnett while Brother Barnett hosted the Praise the Lord in Phoenix, Arizona. J. Charles has received education through the Baptist Student Union.

News and Views from Cedar Hill

By Carl Lemons WEATHER

More rain at Cedar! 1.75" here at the Listening Post; 1" along the Silverton Hwy; est. 1" or more at the Clint Ware, edge-of-the-canyon, home, and evidence of some hail on the land Clint farms 3 miles SE of Cedar; Junior Taylor/ Alcino 1.90"; Jerry and Lindsey Lackey both received 1.50" toward the northeast; and, at 3:30 in the morning, while smart folks are sound asleep, rain is still drumming steadily on the roof.

The occasional roll of distant thunder sends vibrations coursing through the water-logged soil, and it causes things upon the earth to quiver and tremble before the immeasurable force that nature chooses to display from time to time.

Early August have us a soaking fourinch rain with some places measuring more than that. It has rained on all of the four Sundays in August and the amounts have varied form .75 to 1.25". Enough dry-time has been interspersed for farmers to keep up with their plowing and spraying. County agriculture is in fine shape. Imagine! A rain every week in August, with the total approaching 10 inches! If it were any better someone would initiate a move to rename this area the NEW EDEN community. Now, since that has been said, we can expect a hail that will peel the bark off the fence posts!

Daytime temperatures have stayed in the 90 to 95 DF range with a humidity that is not natural to West Texas, and it makes for more misery than 100 degree days of July. Nighttime temperatures have been dropping to the mid-sixties and making the sheets feel good before

Look Who's New!

NOLAND

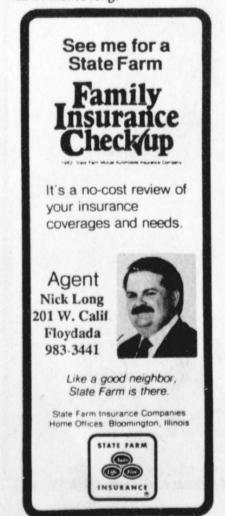

Mr. and Mrs. Kevin Noland of San Angelo are proud to announce the birth of their first son, Reagan Lee born at 6:01 p.m. August 22 in San Angelo. He weighed 7 lbs. 9-1/2 ozs. and was 20-1/

Reagan has one sister, Ashlee, age 2. Grandparents are Mr. and Mrs. Joe Richard Noland of Floydada and Mr. and Mrs. Calvin Pelzel of Wall, Texas.

Great-grandparents are Mr. and Mrs. Gerald Sams of Fort Worth and Bettie Counts of Lockney is a great-greatgrandmother.

McCORMICK

Dorman and Angie McCormick are the parents of a son, Michael Daniel born Aug. 18 at 12:43 p.m. at Methodist Hospital. He weighed 7 lbs., 15 ozs. and was 21 inches long.

CROP COMMENTS

COTTON: If nothing happens some of Cedar Hill's best cotton will top break two bale barrier this year. As a whole, the crop went in the ground a little later than usual, but the timing of irrigation seems to have caused the greatest variation. Rank growth and limited fruiting has been the characteristic of Cedar's earliest watering. The two-bale prospects were watered a little later and a happy medium was struck between plant growth and boll-set. Most of the early and medium watered cotton has been sprayed with a growth retardant which has caused many new bolls to be set. These bolls could be damaged by an early freeze. The latest watered cotton was already over loaded with bolls and has been unable to develop much new stalk growth. It appears to be stunted when compared to the early watered patches but here is not very much difference when the bolls have been counted.

CRP ACRES: The outstanding feature of CRP acres is the current emergence of the first matured seeds that were produced an '89. Junior Taylor tells of table-sized spots that were bare of grass in '88 that are now so completely covered with newly-emerged seedlings that it is difficult to find a bare spot large enough to accommodate one

Some fields with a high percentage of love grass are presenting a major problem by the winding, or wrapping, of the grasses around shredder drive-shafts and blades to the extent of a power overload. These fields are having to be trimmed either with hay swathers or by using old-time mowing machines.

WHEAT: Situation watchers in the commodity markets are keeping a watchful eye on wheat. Of course most of them make their livings off the

McCormick of Floydada and Larry and Sharon Hill of Big Lake. Great-grandparents are Weldon McCormick of Floydada, H.S. Ward of Gainesville, Mr. and Mrs. Alva Minnick and Mr. and Mrs. Ray Hill, all of Big

commissions they generate but some of them anticipate a 70 to 90 cent per bushel jump in the price of wheat before January 1, 1990. If you think the Wall Street farmers are wrong and wheat contracts do approach 5.00 per bushel it would present a marvelous hedging opportunity. If the price moved still higher you might fail to make as much money as you would have otherwise, but you sure wouldn't go broke.

More than 50 percent of Cedar Hill's flat land was plowed over before this rain, ought to finish most of the volunteer but not the wild rye and winter

CATTLE & HAY

CATTLE: Some cattle owners who rely mostly on small lakey areas for the bulk of their pasture are concerned that rising water and the expansion of the water-covered area will deprive them of grazing land.

HAY: Both the late hay and their accompanying weeds reached the correct size for best spraying results this past week and many acres were treated. The combined hay/weed population had sapped the topsoil of much of it's moisture and, now that the weeds are gone, this rain is a genteel situation-saver. PEOPLE

School bus horns have their first toot of the '89 - '90 school year at Cedar Hill homes last Monday morning, and Cedar Hill kids were off to stand in the tree's shade for a time. But Tuesday morning found parents four-wheeling through the mud to meet the bus at the black-top. Now that's the good old-fashioned way; 60 or 65 years ago we always had to make our way to school in the mud on the first day. You could depend on it, just like depending on frost to arrive exactly 60 days after the first broomweed bloom.

Morning services were held at the Assembly of God Church August 27, but evening services were dismissed in deference to their elderly preacher, Bro. Wright, and his wife's long drive back to their home in Spur. Two surprises welcomed church goers at the service: Edna Gilly was able to be back for the first time in weeks, or is it months? And, Eddie Strickland, who pastored the church and taught school here more than Senior Citizens Menu

40 years ago, came into the church shortly before dismissal, and gave a short, inspiring discourse. Eddie and Clarence live in Clarendon now and Eddie is still quite active in church circles. Delicate health keeps Clarence grounded at home much of the time.

Gary and Ermie Hammit, son of Larry and Sunny Lawson Hammit, and their three month old son visited with Edna Gilly, Tuesday, August 22. Accompanying them were Ermie's parents, natives of Frankfurt, West Germany, and his grand-mother Gertrude Gilly Hammit, of Plainview.

Other visitors in Edna Gilly's home this past week were Lou Burleson who came Thursday and brought something for Edna's sweet tooth; Sunday visitors: Gertrude Hammit, Plainview; Clara Redd and Marissa Fortenberry, Floydada.

Edna's speech wavered and there were tears in her voice as she told cf those who have prayed for her since the early days of her stroke. She has been overwhelmed by calls from friends and well-wishers; deeply touched by the receiving of their innumerable get-well cards, some even came from people whom she hardly knew. She sends special thanks to those who brought food and offered and performed personal service in her darkest days.

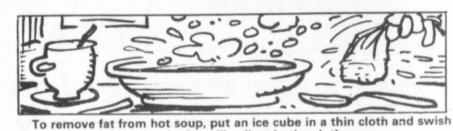

Edna no longer has her "lady in waiting" and is determined to make it on her

Cephus and Imogene Fortenberry were in Lubbock Friday evening for the marriage ceremony of their grandson Todd Hodges and his bride-elect, Melissa Randolph. Todd is currently enlisted in the navy and will be on active sea duty out from San Diego's camp Pendleton for the next 60 days. Todd and Melissa, his mother Phyllis, and his brother Terry, took Sunday dinner with Cephus and Imogene Sunday.

Charlene and Neil Langley entertained a number of friends and associates at a poolside fellowship by their home near old Liberty, Sunday evening. Most of the ladies present were fellow employees of Charlene's from Plainview's Mrs. Kay's Bakery.

YOU CAN GO ANYWHERE, IF YOU BUILD A ROAD

OCTOBER WEDDING PLANNED-Dr. Francis and Elnora Pfeifer of Amarillo wish to announce the engagement of their daughter, Sarah Louise to Jeffrey Neal Bayley, son of Mr. and Mrs. Dan McAnally of Lockney. The couple plan an October 7 wedding at the First United Methodist Church in Lockney. The bride-elect is currently a junior at West Texas State University, majoring in Wildlife Science. She is employed by the WTSU, Cornette Library. A 1987 Writer's Digest School course graduate, Miss Pfeifer also holds a private pilot's license. A 1989 WTSU graduate, the prospective groom is presently employed at San Jacinto United Methodist Church in Amarillo as Youth Director and Christian Education Director. Being named as one of the Outstanding Young Men of America in 1987, Bayley has been involved in a variety of activities including, Guenther Hall Secretary, 1987; Student Activities Council at WTSU, 1987; WTSU Supreme Court Justice, 1987; WT Food Committee President, 1987; and WT Dean's Round Table 1987.

Square Dance News

By Vera Jo Bybee

Whirlers danced Saturday night, the 19th, at the MAC with Sid Perkins calling. Guests were from Childress and Plainview. Hosts were Donald and Mavis Reecer and Floyd and Una Bradford.

Thursday night, the 23rd, found the Whirlers dancing at the Floyd County Fair. Sid Perkins called for this dance also. Guests were from Plainview, Tulia and Lubbock. A great dance was enjoyed by all.

The Whirlers will be dancing Friday, Sept. 1, to the calling of Ellen Spoon of Lubbock. Hosts will be Bill and Lee Peacock of Roaring Springs.

On Friday night, October 27, the Whirlers are looking forward to a big, big dance. Troy Ray from Mabank will be the guest caller. Troy lived in Lockney with his parents, Troy Ray Sr. in the late 40s. We hope all the area dancers will help us have a super dance.

Carol Huggins and Annabelle Bramlett attended the State Festival planning meeting Friday night and all day Saturday, August 18 and 19, at Lubbock. All the State officers and State Festival mmittees were present. They toured the Civic Center and planned the State festival to be held in June 1990 in Lubbock. Jim and Carol Huggins will serve as "Signs Chairman."

Jim and Danny Huggins attended the Cub Scout "You and Me" camp at Camp Post near Post, Texas. They enjoyed camping out in tents and having a full day of scouting events.

Congratulations are in order to Margaret and Wayland Jones for having such a lovely granddaughter, Leslianne Hickerson, daughter of Julie and Randy Hancock of Lockney. She was selected "Little Miss Floyd County" at the Floyd County Fair.

Guests in the home of Floyd and Una Bradford and Mrs. Claude Fawver have been their daughter-in-law, Diane and grandchildren Jamie and Justin Bradford. They all met Danny in Irving and enjoyed dinner and several hours of visiting before Danny and family left for Thomasville, North Carolina, and Floyd and Una and Mrs. Fawver returned home to Floydada.

County Homemakers met August 24

Byron and Charlotte Brock. First the Brocks had overnight guests in their home during Byron's 30th year class reunion. They were Joe Mack Holmes of Midland and Peggy Bickel of Hous-

Recent dinner guests were Byron's brother, Harold and wife Marie of Kerrville, Texas, also, Owen and Carol Norfleet and Jamie of Lubbock.

Byron also celebrated his birthday last week. Charlotte had hamburgers, cake and ice cream. Guests were C. Byron, Shelley and Beau Brock, Kyle, Kay, Ashley and Taylor Brock, Shawnda and Jody Foster and Melvin Brock.

Andy and Jerry Ford's granddaughters, Kara and Kenya Lane of Midland were here last week visiting their other grandparents, BooBoo and Bob Lane. Their parents, Kelly and Glen Lane came after them last weekend and enjoyed the Fair too.

Zora and Paul Reecer visited with their son, Jeff of El Paso at Seminole in the home of their daughter and family, Jana, Steve, Sean and Ryan Hill.

Donnie and Vera Jo's grandchildren, Kara and Clint Faries from Spearman spent the week with them. Clint spent all of his time at the farm in Providence with his cousins, Bryan and Tyler Bybee, sons of Louie and Cynthia. Bryan and Clint are both 10 years old and really have a good time together. They fished at the same pond we did when Clint's parents, Dara and Gary were here and we didn't get anything but chiggers. These boys caught lots of catfish out of that same fishing hole. Dara couldn't believe it. We also had a birthday dinner for Dara on Sunday when she and Gary came after the children. They had to start to school last Monday. I can't believe summer's over.

Herman and Bonnie Graham will be celebrating their 40th wedding anniversary this weekend at the 50 Yard Line in Lubbock. Their children and grandchildren will be hosting the occasion.

Remember the Whirler's "Welcome Mat" is always out. Be making plans now for the January lessons.

COOKING OUT—Family members and residents of the Floydada Nursing Home took a day away from their normal schedule to enjoy a cookout on August 21. Residents and guests were treated to hamburgers, hot dogs, cakes, chips and soft drinks. Family members provided the extra trimmings. Companions 'n' Caring members volunteered to serve and Durrell Fortenberry and Alan Hoogstra were in charge of the cooking.

South Plains News

By Ruby Lee Higginbotham

August is almost gone, now it is time for the school bells to ring, time for sleepy heads to rise early, eat a good breakfast, dressed and ready to go when the school bus comes by.

Then a busy day of study and exercise with moms and dads anxiously awaiting the first six weeks report card.

Looking back over the past nine months the weather pattern has been rather unpredictable. The winter mild and dry, spring, high winds, dust and a late freeze, very little rain until the last of May and first of June. South Plains was hit hard with heavy rain and hail wiping out most of the cotton crops. The summer months dry and hot, just enough showers to help the crops along to maturity. As we go into September and fall the time for wheat planting and harvest. Looking back the past nine months hasn't been to bad.

Attendance at South Plains Church the past month has been about average. Everyone tries to work in a few days of vacation after the crops are laid by and before school starts, vacations and relaxation is good for everyone.

Guest with Ruby Lee, August 18 - 19 was her sister Edith Gugenhiem, her brother and wife Warren and Beth Cypert all from Amarillo.

All attended the Lackey reunion Saturday, August 19. Everyone had a good time visiting even though several of the relatives were unable to attend because of illness or various reasons.

Saturday afternoon Edith and Ruby Lee drove to Bangs, Texas for a few days to visit with Bud and Brit Higginbotham. They returned to their homes in South Plains and Amarillo, Thursday.

The Fishers; Tom, Kelly, Matthew, and Timothy enjoyed a week of vacation and visiting relatives in Colorado.

Funeral services for George F. Williford, 69, were conducted July 6, 1989, at 1:00 p.m. in Cochran Mortuary Chapel of the Roses. Officiating was pastor John Blue Chaplain of Veterans Administration Hospital. Interment in El Paso Cemetery in Derby, Kansas.

George will be remembered by several people around South Plains as he

attended school here.

Mrs. Grigsby Milton, Jr. a sister was unable to attend services because of illness in the Milton family. Lillie Mae, your friends, neighbors and church love you and extend to you our sincere sym-

pathy and prayers.

South Plains Hobby Club will meet in the home of Mrs. E. J. (Navalia) Kinslow, August 14, at 2:00 p.m. Everyone come and enjoy the program by Martha Kirk of Crosbyton. Martha will show slides and talk about life and customs in Saudi Arabia. The Kirks lived and worked in Saudi Arabia several

Visitors Welcome!

Have a good week, stay well and happy and if you can't solve a problem, manage it.

The Rev. Robert A. Schullar

Senior Citizens News

By Thelma Jones

Mr. and Mrs. V. Cross of Paducah visited Saturday afternoon with her sister, Mrs. C.H. Wise.

Mr. and Mrs. J.B. Whitehead are both in the hospital at this time.

Mr. and Mrs. Grady Freeman had word Monday their daughter and daughter-in-law were both out of the hospital; doing ok.

Mr. and Mrs. B Hatley attended the wedding in Amarillo last weekend for Mr. and Mrs. Bob Lotspeich's son.

Those attending the funeral in Lubbock Saturday morning for Angie Collins Tardy were Mr. and Mrs. Harvey Tardy and Lanell, Thelma Jones, Alma Smith, Mr. and Mrs. Billy Jo Smith. She was the wife of Joe Tardy, a grandson of the Harvey Tardy's.

Myria Dade returned home Monday after attending the funeral of her brother Saturday afternoon.

We received about 1-1/2 inches of rain Monday evening and night.

Mr. and Mrs. Lloyd Murry have been

recent visitors of Mrs. Rebecca Smith.

Mrs. Jerry Bradford has returned home from a visit down state with relatives.

Floydada Nursing Home Happenings

By Jo Bryant

Hi, how are you? Monday started the week as usual with our morning coffee and juice break. Bro. Bill Wright came and gave the Dev. taken from Hebrew on having faith. Irene Wexler played the piano for us. We had our family and resident cook-out at 6 p.m. We had a good attendance, and we want to thank all of those who helped make it so. The residents are still talking about it.

Tuesday morning we sang some songs. At 2 p.m. we shared some current events.

Wednesday, Bro. Sammy Rodriquez came and shared the word taken from Exodus 14-13. "God will make a way, when things seem hopeless for us". Pray, stand and wait. The residents played bingo at 2 p.m. Thelma Hoffman had the first bingo. Mary Alice Davis came and helped us.

Helen Lipham came Thursday and played the banjo for us, and sang some songs. We shared from the book of James: 1-5;6. "When you pray to God, believe, and not doubt it all. Who ever doubts is like a wave in the sea that is driven and blown about by the wind." At 2 p.m. the residents had popcorn.

Friday, the ladies came from the First Baptist Church for the Devotional. Evelyn Latta played the piano. The residents went on a bus ride to Matador. Our Place treated them to some ice cream. They enjoyed the trip very much, as they hadn't been to Matador in a long time.

We have a new Administrator that is with us now, her name is Cheryl Ward, from Plainview, Texas. She was born and raised in Turkey, Texas, graduated from Turkey High School, and Wayland Baptist University in Plainview, Texas. She has two children, Stacy Don, 14 and Jane 13. Our Director of Nurses is Ruby Bailey, she has been at the Lockney Care Center, welcome back. Wayne Campbell from Amarillo, Texas will be the R.N. Consultant.

We thank all the churches that come out and give the Devotionals on Sundays too. We were surprised by a visit from Bro. Hollis Payne and Jo Friday, they shared some songs with us, and blessed us with their visit.

This week visitors were: Alma Rape, Irene Wexler, Rudolph and Iva McCurdy, Sue Hoogstra, Lucille Sisson, Winnie Neil, Mal and Marjorie Holcomb, Hollis and Jo Payne; Vigo Park, Tulia, Texas, Rev. Sammy Rodriquez, Carolyn Holmes, Tess Barnett, Frances Barnett, Rev. Larry Perkins.

Happy 40th Anniversary Love, Kathy and Dennis

OBITUARIES

BESSIE BUTCHER

Funeral services for Bessie Lee Butcher 99, of Lubbock were at 2 p.m. Monday, August 21, in Wilson's Funeral Directors Chapel. Burial was in City of Lubbock Cemetery by Wilson's Funeral Directors. Mrs. Butcher died of natural causes at 5 a.m. Friday, Aug. 18,1989, at her home.

She was born July 7, 1890 in Telahoma, Tennessee.

Survivors include two sons, John and W.R., both of Lubbock; three daughters, Gladys Morrison of Florida and Edna Redden and Juanita Hensley, both of Lubbock; a sister, Cora Hartline of Floydada; 12 grandchildren; 22 greatgrandchildren; and seven great-greatgrandchildren.

Pallbearers were William, Jerry and Mike Redden, Darrell Butcher, W.R. Butcher Jr. and Steve Hensley.

ETTA McINTOSH

Services for Etta McIntosh, 87, of Lubbock were at 11 a.m. Friday, Aug. 25, in Moore-Rose-White Funeral Home Chapel with the Rev. Bill Wright, Church, officiating.

Burial was in Floyd County Memorial Park under direction of Moore-Rose-White Funeral Home.

Mrs. McIntosh died Tuesday, Aug. 22, 1989 in a Lubbock nursing home after a lengthy illness.

She was born in Buffalo and moved to Lubbock in 1961 from Floydada. She married B.F. McIntosh June 11, 1921, in Rockdale. She was a member of First United Methodist Church. Two sons, Jack and B.F., died in May and in 1968, respectively.

Survivors include her husband; two daughters, Hope Norman of Lubbock and Joy Jordan of Eastland; a son, O.R. of Floydada; two sisters, Inez Ward of Kingsland and Mildred Grant of Sherman; a brother, Raymer Lee of Houston; 11 grandchildren; and 12 great-grandchildren.

OLLIE POTEET

Services for Ollie T. Poteet, 82, of Floydada were at 2:30 p.m. Monday,

pastor of First United Methodist Aug. 28, in New Salem Primitive Baptist Church with Elder Jim Jackson, pastor, officiating.

He was assisted by Elder Clifford Gowens of Wylie.

Burial was in Floydada Cemetery under direction of Moore-Rose-White Funeral Home.

Mrs. Poteet died Saturday, Aug. 26, 1989, at her residence. Justice of the Peace Lowell Bilbrey ruled natural causes in the death.

She was born in Young County and had lived in Floyd County for many years. She married Calvin W. Poteet on July 16, 1923, in Roaring Springs. He died in 1983.

She was a member of the New Salem Primitive Baptist Church.

Survivors include four daughters, LaVerne McCarty of Lockney, Vera Dean Powell of Farmersville and Lou Reta Ellis and Barbara Wages, both of Henrietta; a son, Curtis of Nara Visa, N.M.; 15 grandchildren; 30 greatgrandchildren; and two great-greatgrandchildren.

ANGIE TARDY

Memorial services for Angie Collins Tardy, 31, of Lubbock, granddaughter of Harvey and Marie Tardy of Floydada, were at 11 a.m. Saturday, Aug. 26, in gram.

Church on the Rock with the Rev. Jack White, pastor, officiating.

The Rev. Jesse McElreath, pastor Lake Country Baptist Church in Fc Worth, assisted.

Burial was in Resthaven Memori Park under direction of Resthaven Fi

neral Home. She died at 5:55 p.m. Thursday, Au 24, 1989, in her home after a length illness. Justice of the Peace Grad Brooke ruled natural causes.

Mrs. Tardy was born in Albuquerqu N.M., and graduated from R.L. Turne High School in Dallas and Texas Tec University. She married Joel Tardy c Dec. 20, 1980, in Lubbock. She was member of South Plains Quilting Guil and Church on the Rock.

Survivors include her husband; thn sons, Daniel, Kirk and Evan, all Lubbock; her mother, Ruth Collins Dallas: two brothers, Bob Collins Jr. Irving, Calif., and Jeff Collins of Dalla and a sister, Lisa Alexander of Dallas

Pallbearers were Rod Varella, Denn Browning, David Boenker Joe Robii son, Melvin Sorrells Jr. and Gorde Wilkerson.

The family suggests memorials t Church on the Rock Building Fund Trinity Church's Parents Day Out Pro

FUN RUN WINNERS--Anna Bell Bramlet, Martha Mangold, W.J. Mangold, Brenda Mangold holding Erin Mangold, Jim Huggins, Carol Huggins and Staff Photo Henry Ruiz.

Use the right energy for the Can you imagine how long the extension cord would have to be to fly this plane anywhere? Electricity just can't do the job when you want to run a jet engine. An electric heat pump can't cool your home as well as a high-efficiency electric air conditioner. And it can't warm your home as well as a natural gas furnace. Think of winter this summer. Nothing heats your home like Energas, West Texas' best energy value. ENERGAS Don't mess with your furnace.

New Shop Foreman at Floyd County Implement

Floyd County Implement, the local John Deere Implement dealer, has welcomed a new shop foreman to Floydada.

Paul Franks assumed the position of shop foreman on Monday, August 21. He comes to the dealership with 20 years of experience gained at John Deere in Shamrock, Texas.

Franks, who was born and raised in Shamrock, also met Colleen, his wife of twenty six years, in Shamrock. They have three children; a daughter who is married and lives in Abilene; one son who works for a cable company in Enith and another son O.J., who has joined his father working at Floyd County Implement.

Franks has recently moved to Floydada, from Shamrock. He will be joined by his wife at a later time. The Franks are members of the First Baptist Church in Shamrock.

Floyd County Farm Situation

C. Mark Brown **Extension Agent-Entomology** Crosby/Floyd County

GENERAL SITUATION Weather this week has been warm and humid, with afternoon and evening thundershowers. Late plowing contin-

- ues in many cotton fields. * Bollworms continue to be a problem in certain fields.
- * Aphids are increasing rapidly in cotton. It is becoming apparent that we are experiencing some control difficul-
- * Sorghum headworms have reached economic levels in many fields.

COTTON Bollworm infestations continue to be found in many fields. In the past several ears, we have seen two distinct peaks of bollworm activity: one in July and one in late August. This year, the cycles have not been as distinct, and we have seen economic worm numbers in various locations throughout July and August. Bollworm moth emergence from corn was staggered this year, which helps to explain the continuous and unpredictable worm pressure we have seen this season. Continue to check all fields, paying particular attention to recently watered or lush fields since they draw moths like a magnet. Highest bollworm activity this week in program fields was recorded at Aiken (65,600 eggs and 4800 small worms with prethroid still providing residual), Sandhill (15,600 eggs, 4875 small and 1950 medium worms), Dougherty (14,500 eggs, 9428 small, 3428 medium, and 3428 large in dryland, skip-row cotton), and Caprock (15,750 eggs, 13,500 small, 2250 medium, and 2250 large hours of mixing. worms in some recently irrigation cotton). We normally see 10-14 days residcontrol from a pyrethroid applica-

a. You know the residual is playing out when you begin finding 3/18" long worms feeding in exposed areas, such as the outside of squares, where contact to residual is possible.

Aphids have been of particular concern this week. Aphid numbers are building rapidly, with infestations being heaviest in southern Crosby County, and widespread, even throughout Floyd County. Counts in problem fields have ranged from an average of 17 per leaf to 43 per leaf.

In the past, aphids have been much more easily controlled in our area than in Southeastern states or even in far west Texas. The folks down in Dawson and Lynn counties have really been bombarded with aphids this year, and have experienced control difficulties in the

FLOYDADA

IMPLEMENT CO.

FIRST NATIONAL

BANK OF FLOYDADA

Floydada

see evidence that we may also be having control difficulties. We are seeing evidence this year of re-infestation where initial control was achieve. I don't yet understand what is going on, but we need to all be on our toes. Aphids from Dawson and Lynn counties have been sent to A&M for identification. The first samples sent have been positively identified as the cotton aphid. We are not yet stating that this is a problem of insecticide resistance; however the question is being addressed. Live aphids have been sent A&M for resistance screening. Preliminary results indicate that resistance is not a factor. As for now, we should strive to do a better job with our present chemical applications. Follow label recommendations. Avoid using the lowest rates for aphid control. For instance, we are suggesting that Bidrin be used at 2 oz per acre with a ground rig or a minimum of 3 oz per acre with a plane. These products kill aphids by contact and local systemic activity. Application in oil may hamper uptake of the aphicide into the leaf, which would subsequently reduce systemic activity. Addition of a surfactant may increase absorption, but be careful not to use the spreader-sticker types of additives since they work essentially like an oil. Ground rigs should be equipped with drops and 3 nozzles to the row. Although aerial wide-swathing has been a common practice in our area, I would discourage wide-swathing, at least for now. Also, when ground-rigging, do not allow chemicals to sit in the tank overnight. It is best to spray the material within a few

SORGHUM Sorghum headworms have reached economic levels in some fields. Program fields have required treatment in the Big 4 and Sandhill areas, with the highest count being an average of 1.75 worms per head in seed production sorghum. Refer to last week's issue for scouting technique, threshold information, and control recommendations. These worms are all sizes, and we are dealing with a combination of fall armyworms and corn earworms. I have been recommending Lannate L (1.5 pts per acre) in seed production fields because this product provides control of both pests and no serious phytotoxicity problems have been experienced. A 3-5 day residual can be expected from this product. Where greenbugs are still a concern, we are using 1 pt of Lannate L

and 0.5 pt Lorsban. Greenbugs were slow to build this year, but continue to be a problem in some fields. The threshold for greenbugs in sorghum from heading to hard dough is when numbers are sufficient to cause the death of two normalsized leaves. I have found a few greenbug mummies, but have not yet seen any significant greenbug reduction by parasitic wasps.

Mite populations are building in some fields, and will need to be watched over the next few weeks. Once sorghum reaches hard dough, mites will not affect yield, but excessively heavy mite populations may cause ladging problems, especially in stands with small diameter

Our midge counts remain light, but don't take this pest for granted this late in the year. Late blooming fields should be checked at least every few days for midge infestations.

The fields we are checking are not past dent and are drying down. I have noticed unusually high aphid numbers on the stalk and leaves near the ear.

past couple of weeks. Now that we have These include corn leaf aphids and what begun fighting aphids, I am beginning to I think are oat-birdcherry aphids (although I'm not certain). These heavy aphid numbers won't affect yield, but I am concerned about the sticky honeydew causing possible harvest problems. We are not currently recommending any control because the aphids will move on as corn dries down and one good rain shower before harvest should remove the honeydew.

SCOUTING PROGRAM

The scouts have now left for school. As I have stated, I will do my best to continue spot-checking all enrolled fields. However, in my opinion, the cotton crop is 2 weeks behind schedule, and if weather remains warm and humid, scouting will be crucial for at least two more weeks. I am asking each participant to help me check enrolled fields to prevent any end-of-season surprises.

SOME TEXAS COTTON PRODUCERS, sponsored by Texas Independent Ginners, recently toured Cotton Incorporated's research facilities in Raleigh, North Carolina. During the tour, the group viewed sample home fashion cotton fabrics which were designed by fabric engineers at the center. These new 100-percent cotton designs help keep U.S. upland cotton vital in domestic and foreign marketplaces. Above, Cotton Incorporated's

manager of weaving operations, Doug Fain (far right) discusses weaving research with tour participants (l-r) Jerry and Jodie McGuire and Bobby Kendrick of Floydada, Wayne and Rosalyn Rainwater of Dougherty and Jean Kendrick of Floydada. Cotton Incorporated is funded by U.S. Upland cotton producers through per-bale assessments.

Small animal projects appeal to youngsters

Today, many youngsters in towns and cities need more direct contact with nature and living things.

For those residing in suburban homes or city apartments, a small pet can compensate a bit for the increasing mechanization of life, said Brent Crossland, county 4-H program coordinator with the Texas Agricultural Extension

"Small animal projects can and will do for city kids what larger animal projects do for farm youngsters," said

The small animal project area includes pets such as cats, guinea pigs, hamsters, mice, gerbils, cage birds, pigeons, doves and tropical fish.

Dogs and rabbits generally are in separate project areas of their own and thus are not included in the small animal

Through the 4-H small animal project, youths learn about breeds of animals, their care and feeding, how to purchase animals and career opportunities, said Crossland.

The 4-H'ers learn about projects through meetings, demonstrations, show, tours and record books, all under the guidance of adult volunteer leaders.

Safety is key word for 4-H shooting sports

Safety at all times is the slogan for the 4-H shooting sports project, now in its twelfth year of state-level competition. Program goals are shooting safety training for all new shooters and the continued promotion of safe gun handling habits for experienced shooters, said Brent Crossland, county 4-H program coordinator with the Texas Agricultural Extension Service.

A somewhat related program called Field and Stream (F&S) grew out of the interest in shooting sports but concentrates on outdoor awareness and resource conservation.

"Safety first, safety always" is the most important lesson taught in the

Case sales top 2.5 million

Second quarter and mid-year earnings for J I Case Company have been released by Tenneco Inc., Houston. For the second quarter, Case reported

operating income of \$134 million, nearly three times its \$46 million profit during the same period in 1988. Operating income for the first half of the year was \$158 million, versus a \$14 million loss in 1988. Sales totaled \$2.5 billion in the first half of 1989, compared with \$2.1 billion a year ago.

This is the third consecutive quarter Case has posted a profit and is the largest quarterly profit in its 147-year history.

Headquartered in Racine, Wisconsin, JI Case is a leading worldwide producer of agricultural and construction equipment. Case has been a wholly owned subsidiary of Tenneco since 1969.
