A view from  
The  
Lamplighter

By Ken Towery

You, or some of you, may be getting a phone call in the future from Southwest Research Associates in Lubbock, seeking your opinion on all the weighty issues of the day. In fact you may have received one last week. We are involved in the survey, as you may have read, but have tried to keep a low profile. We draft the questions, and analyze the results, but folks there in Lubbock do the actual calling and computerize the results. The results are faxed to the White House immediately upon completion and then go to the press statewide and some of the national press. We have made the decision to expand the survey into all those counties that surround Lubbock County, which of course will include us here. So if you get a call, don't cuss 'em out.

Your opinion is important. A letter to the editor is still the best way, but this might be the next best. Besides, it's all part of our effort to let people nationwide know where we are and who we are. What with the Punkin Days celebration, the Old Settlers Reunion, and the differences of opinion in the Court House, we are succeeding.

In fact this is the season for polls, what with the election coming up next month. The state is awash in polls. The general public sees the "results", but they never see what is called "the cross tabs" in the polling business. That is where the computer tells you not only how many people have decided to vote for whom, but who they are (in percentages).

We saw one the other day dealing with the Sarpalius-Waterfield race here in the 13th Congressional District. We don't know how it will turn out finally, since it involved the northern tier of counties, but at the moment it is interesting. For instance, among those who say they are farmers, 62 percent say they are planning to vote for Waterfield, while 33 percent say they will support Sarpalius, with the rest undecided. Among those who say they are housewives, 51 percent say they are for Waterfield, while 31 percent say they are for Sarpalius. But the picture changes among those who say they are involved in the medical field. There, 50 percent say they are for Sarpalius and 30 percent say they will vote for Waterfield. Fifty-four percent of the teachers who responded say they will vote Waterfield, with 18 percent going for Sarpalius. But Sarpalius has a good lead among those who say they are unemployed, by 60 to 20 percent. Sarpalius has a huge lead among black voters, 87 percent to 12 percent for Waterfield, with practically no "undecided." The situation is somewhat different among Hispanics. There Sarpalius has 66 percent of the vote, to Waterfield's 11 percent, with a large group undecided. Waterfield has 49 percent of the Anglo vote, to the incumbent Sarpalius's 37 percent, with the rest undecided. Overall Waterfield has a lead of 45 to 42 percent for Sarpalius in Potter and Randall Counties, and a much larger lead of 48 to 36 percent in rural counties. But when all factors are considered, this promises to be a tight race, unlike the Williams-Richards race, or the Gramm-Parmer race, where Gramm and Williams appear to be running away with it, in West Texas at least.

Reports we have seen of anticipated voter activity in the upcoming elections are not particularly encouraging. If things don't pick up some, we are likely to see a low voter turnout statewide, since early indications are that voter registration has been very slow. This perhaps reflects a general disillusionment among voters as to their ability to ever make changes in the course of their government. A case at point is the pay increase for members of Congress. Remember what a flap was caused when those who currently run Congress de-

## Racers compete for national titles during array of Punkin Day races

By Alice Gilroy

The Punkin Days games committee have come up with several events for those who are in great physical shape, those who are strangely shaped or those who are in no shape at all.

Even those who choose not to participate in the racing events will enjoy laughing and cheering their friends on from the sidelines.

### 5K RACE

The 5K Race, which attracts the "real runners," will kickoff the Punkin Day events at 10:00 a.m. on Oct. 27. This race, which covers 3.1 miles, will start in front of the Farm Bureau office. The racers will go to the Silverton Highway, south to the Matador Highway, turn left at Lighthouse, go to the designated point

### Absentee voting begins for Nov. 6th election

Absentee balloting for the November 6 General Election began on Wednesday, Oct. 17. The absentee voting period will be open through Friday, Nov. 2.

Any registered voter who wants to vote early, may do so in person at the Floyd County Clerk's Office in the county courthouse at Floydada. Ballots may be cast on weekdays during regular business hours.

Absentee voting by mail has already begun and will continue until Nov. 6. More information can be obtained by contacting County Clerk, Margaret Collier at 983-3236.

## Miss Floydada set for Nov. 17

The Miss Floydada Pageants have been set for Saturday, Nov. 17 at 7:00 at Floydada High School. Interviews will be at 2:30 the same day.

The Floydada Chamber of Commerce sponsors the Miss Floydada competition, while the Women's Division of the Floydada Chamber of Commerce is in charge of the Little Miss contests.

The pageant committee says there have been some exciting changes this year. We have added two new awards, in all age divisions; Glamour Girl, which is strictly facial beauty and Top Interview Score, which is the girl with the highest score in interview. Also a consolation

and then back the same way.

There are four age divisions for the 5K Race: 14-18, 19-29, 30-39, 40 and up. First, second and third place trophies will be awarded in each age division.

Ten area cross country teams have been invited to participate in the race. Local junior high and high school students are encouraged to enter the race and bring home the trophy and the title.

### FUN RUN AND STROLLER RACE

The Fun Run and Stroller Race starts at 11:00 a.m., after the 5K Run. This "run" will cover a distance of one mile and participants can walk the event if they choose.

Age divisions for the Fun Run are: 6-8, 9-12, 13-16, 17-25, 26 and up. The starting line will be in front of Sears (on Main), down to Hwy. 70, turn left, go to Tipton Oil and turn left on Wall back to the finish line.

The stroller race is not meant to be just for moms and grandmas pushing kids. Dads and grandfathers are encouraged to push and those in wheelchairs can also participate.

Winners of the Fun Run will receive ribbons and all racing participants will also receive ribbons.

### FAT MAN'S RACE

Keeping with the tradition, started last year by Clar Schacht, the Punkin Committee is bringing back the popular Fat Man's Race. This "race" starts at 11:30 a.m. and will go around the court-

house square.

The qualifications for entry are simple. You must have a "visible spare tire," a good sense of humor and most of all a hearty appetite (you will have to qualify yourself, no one else will be brave enough to pick you out).

The rules for the race (yes, Clar, this year there are rules) are also simple.

The racers will start at the northeast corner of the square (by Farm Bureau); go one block - stop - eat a piece of pumpkin pie; go one block - stop - eat of piece of pumpkin bread; go one block - stop - drink some pumpkin brew (orange Gatorade); go another block to finish line and eat a pumpkin cookie.

Always trying to be helpful, the pumpkin committee will have Floydada's new ambulance standing by to provide race participants with the best possible care. (Roloids will also be available!)

### PUMPKIN PIE RELAY RACE

This is the first year for the soon to be famous - Pumpkin Pie Relay Race. The winner of this race, which begins at 2:00 p.m., will be declared the Pumpkin Pie Relay National Champion.

In a letter sent out by the games committee, businesses and organizations are being urged to form teams to compete in this race.

Since Floydada has the title of "Pumpkin Capital of the U.S.A.," the

## Marijuana seized during drug raids

A purchase of marijuana on Wednesday, Oct. 10, led to the raid of two local residences on Thursday, Oct. 11.

According to Sgt. Harold Snell, of the Floydada Police Department, "At approximately 7:40 p.m. on Thursday, City and County officers assisted South Plains Narcotics Task Force Officers in the raid of a local residence in the 200 block of East Houston.

"An approximate 1 lb. bag of marijuana was seized during this raid, leading to charges of possession, sale and

delivery, on Servando Charles, 35, of Floydada.

Following this raid, police then went to a residence in the 300 block of West Virginia, and seized 11 bags of marijuana (approximately 11 lbs.). Arrested at that location were: Ignacio Quintailan Sr., 70, of Floydada and Fidel Garcia Garcia, 42, of Raymondville. Quintailan and Garcia were charged with possession with intent to distribute. Bond was set at \$25,000.

## ADVANCE sponsoring "Meet Your Candidate" forum Oct. 23

A "Meet Your Candidate Forum" is scheduled for Oct. 23, at A.B. Duncan Elementary Cafetorium in Floydada. Sponsored by AVANCE/ADVANCE, the event will commence at 7:00 p.m.

AVANCE/ADVANCE is a non-partisan organization whose main purpose is the improvement of community relations by political awareness and education of the citizens and more involvement of the community in the political process. The organization will not endorse any candidate or any particular platform.

All candidates for state and the 13th Congressional district, who will appear on the Nov. 6 ballot have been invited to participate in the forum.

Candidates who have been invited to attend are: U.S. Senator Phil Gramm and his opponent Democrat Hugh Parmer and Libertarian Gary Johnson; U.S. Representative Bill Sarpalius and his opponent, Republican Representative Dick Waterfield; Clayton Williams, Ann Richards and Jeff Daiell, candidates for Governor;

J.E. "Buster" Brown, Dan Morales and Ray E. Dittmar, candidates for Attorney General; Warren G. Harding Jr., John Sharp and William E. "Bill" Grisham, candidates for Comptroller;

Rob Mosbacher, Bob Bullock and Tom Owens, candidates for Lieutenant Governor;

State Treasurer candidates, Kay Hutchison, Nikki Hightower, Suzanne Love;

Land Commissioner candidates, Wes Gilbreath, Garry Mauro and Richard C. Donaldson;

Agriculture Commissioner candidates, Rick Perry, Jim Hightower and Karen A. Teguneyer.

According to Linda Ratliff, spokesperson for ADVANCE, "All the candidates stated they would be there, or have a representative there. There won't be time to ask questions of local candidates, but we will introduce the local candidates."

Jimmy Willson will moderate the event. He will ask each candidate one or more questions submitted to him (on paper) by the audience. The number of questions will be equal for each candidate for a particular office.

The opposing candidate will then be given one minute to respond to the original answer. Original answers will also be limited to one minute.

"AVANCE/ADVANCE believes in a better informed electorate. Through open forums and discussions, citizens should become more aware of the issues and better acquainted with the candidates for the various offices," said Ratliff.

There is no admission charge and coffee and doughnuts will be served.

## Decorate your homes and businesses

There's not much time left to get your home or business decorated for 'Punkin Days.'

The chamber will once again award cash prizes to the winners of the contest. Businesses and homes alike will be awarded 1st, 2nd and 3rd place prizes.

First place winners will receive \$15.00; 2nd place, \$10.00; and 3rd place, \$5.00.

The judging will be done Oct. 31 and the winners will be announced after the costume contest on the square.

Anyone who would like their home judged (either in town or out in the country) should call the chamber office. This will insure that the judges do not overlook your home.

## Registration deadline for hospital rollback election is October 21

Deadline for registering to vote on Rollback Tax Election for Caprock Hospital District is Oct. 21, 1990. Absentee voting for Caprock Hospital District starts 20 full days before the election, which makes it Oct. 31, 1990. Then the absentee voting in person ends 3 full days before the election, which makes it Nov. 16, 1990, according to Penny Golightly, Tax Assessor-Collector, Voter Registrar.

Anyone requesting a ballot by mail can do so by writing to Molly Stringer to this address: Box 540, Caprock Hospital District, Floydada, TX 79235.

Absentee voting will be conducted at the Caprock Hospital District with Molly Stringer as the absentee judge. Absentee ballots will be collected in a locked box until opened on the election day and counted. The election will be held at the Massie Activity Center Nov. 20, 1990.

**A GREAT PRIZE FOR A GREAT PUMPKIN--**Johnny Summers, manager of Pay-N-Save, displays the dirt bike that will be given to the child who has grown the great pumpkin from the seeds donated in May by the Floydada Chamber of Commerce. For the second year in a row, the bike is being given to the winner courtesy of Pay-N-Save and Coca-Cola.

Staff Photo

## Pumpkin delicacies being served at local restaurants during "Punkin Week"

Three Floydada restaurants will be serving pumpkin delicacies beginning on Oct. 22, which is the week preceding "Punkin Days". Establishments participating include Pizza Gold, Nielson's Restaurant and Leonard's Cafe.

# Letters To The Editor

Dear Editor,  
When I read that Dist. Judge David Cave had announced that he is "taking a month off" to campaign, I couldn't help but wonder how he would have reacted to a similar announcement from Dist. Attorney Becky McPherson?

Since Mrs. McPherson is not running for re-election this year, and since I don't believe she would hold the district's legal activities in such little regard as to "take a month off" to campaign, we can't know how Judge Cave would have reacted. But somehow I think he would have questioned how the district court could conduct its regular business without the presence of one so important to the process.

That is my question: does the district judge have so little to do that he can "take off a month" to campaign for re-election?

Are there not hearings and trials that should have been held during this month he is "taking off"? Are the counties having to bear extra expenses of housing prisoners because Judge Cave will not be available for this month?

Will this be the first time the legal process has had to wait on Judge Cave? I understand that he is sometimes absent from the district because he is trying cases in other districts. Is it required that he sit in other districts?

It seems that even when Judge Cave does schedule a case, he doesn't always find it important to be there himself (as happened in Briscoe County when Judge Cave chose not to be present but instead met with commissioners in another county). That was not just inconvenience to all involved, it also cost Briscoe County money it can ill afford.

When I was summoned two times to appear for jury selection, I saw Judge Cave's lack of professionalism firsthand. Thanks to a microphone near at the judge's bench, I was able to clearly

hear slumbering sounds coming from the judge. Also, when the group would be called to reconvene after recesses, we all had to sit and wait until Judge Cave chose to return to the courtroom. Different ones would leave the court to check as to why the judge had not appeared, and then shrug their shoulders as they sat down to wait some more.

One last question? What is a gag order? Stupid me... I thought it meant that those involved had to "shut up", particularly in print, about a certain matter. Judge Cave's paid political advertisement inferred that Mrs. McPherson's name appears on a list of people who have been suspended from the practice of law. Just for the record: her name does not appear on that list.

Gayle Jackson

Dear Editor,

I feel I must write this letter to let the voters in the Caprock Hospital District know how important it is that we keep Caprock Hospital open.

Recently my husband, Henry Hinton, became ill in Floydada. I took him to the emergency room where he received immediate treatment. His condition was such that he could not have survived if I'd had to take him any farther. The Dr. and nurses were able to stabilize him so that he could be taken by helicopter to Lubbock for further treatment. Now that he has returned home, he has to have weekly blood tests. This can be done at Caprock Hospital because there is a lab there. This is much easier on him than it would be to have to make weekly trips to Lubbock. Also it is not as time consuming or as costly.

There have been several times in the past few years that Henry has been hospitalized. Whenever possible he has been in Caprock Hospital, but of course for more specialized treatment it has been necessary to go to another city. It is

very comforting to know that there are doctors and a hospital in Floydada, especially late at night and when time is short.

It is my prayer that the voters in Caprock Hospital District will vote against the tax rollback, so that the hospital can remain open. Anyone of you might be the next one in urgent need of the hospital facilities.

Sincerely,  
Olive Hinton

Open Letter to the Voters of Caprock Hospital District, I read with great interest the letter Mr. Watson put in the paper.

Where has all the money gone? After looking over court records I find that in 1981 Caprock Hospital went into a 5 year lease with Caprock Hospital Medical Services Inc. (Dan Powers). Under these provisions, there was advanced to Dan Powers the sum of \$195,500, only \$33,149 of which was restored. Lessee CHMS Inc. without the consent of Caprock Hospital District, and in breach of the agreement sold the pharmacy inventory and converted the proceeds of the sale to its own use in the amount of \$43,923.56. CHMS Inc. failed to pay for insurance under the lease as required in the amount of \$26,916 for which Caprock Hospital District was entitled reimbursement and for which CHMS Inc. were liable.

On July 15, 1984 the CHMS Inc. borrowed \$90,000 at the First National Bank in Floydada and they refused to pay the note, with the result of the sum of \$82,341 being withdrawn from Caprock Hospital District's account. Caprock Hospital District was held liable for this note, plus interest and attorneys' fees.

At this time the lease was terminated. CHMS Inc. had an overdraft at the bank in the amount of \$41,854 which was charged to this hospital. The CHMS Inc. accepted advance payments from patients for which refunds were due and which the CHMS Inc. were liable to the hospital in the amount of \$27,109.

During 1984 the hospital advanced CHMS Inc. \$170,000. CHMS Inc. was liable to the hospital for the total sum of \$564,494.92 + interest. Lawsuit was filed against CHMS Inc. and no action was ever taken. The hospital board failed to take action and the case (Cause #6994) was dismissed on the 6th day of December 1989. I believe at this time, 1989, that Mr. Bertrand was on this board. The board was mailed a letter October 25, 1989 and no action was taken. NOW WHAT I WANT TO KNOW - WHERE WAS THE BOARD? WHY WAS THERE NO ACTION TAKEN FOR SUCH A LARGE SUM OF MONEY THE HOSPITAL BOARD LOST?

Article No. 4494 q-1 in the state law creating this hospital district section 5.02 - I found the law for the dissolution of the hospital. The hospital district may be dissolved not by the board members but by a petition of at least 15% of the registered voters in the district and or an election of the dissolution of the hospital. The board has not done either of these.

In closing, I agree with Mr. Watson that there are quite a few people in Floydada that are not poor. I suggest that he ask his wealthy neighbors give about \$10,000 each to help clear up the indebtedness of this hospital. I think that would be a gracious and generous attribute toward Caprock Hospital and its financial troubles. I believe I am paying too much taxes to the hospital, and what

I am paying I would certainly like to see spent well. After reading this court record telling me there is so much mismanagement, the hospital is making me ill.

Now what I would like to know from the board is what changes, besides taxing the people to death, are going to be made to keep the hospital solvent and on a paying basis. I can't believe the misguided statements I've heard and read about. Please, voters, think about your tax dollars and what poor management is costing the people of this district.

Thank you very much for your attention to these facts and figures I have given you. These facts and figures are on record at the courthouse.

Sincerely,  
Dorothy Merrell

Dear Ed and Voters,

In absolute contrast to what some are spreading, THIS TOWN IS TOTALLY DEPENDENT ON THE AGRI-BUSINESS ECONOMY! The farmers and ranchers, the landowners, will be paying the majority of this 70% hospital tax increase, as they pay the majority of all the taxes. Each will be paying for the hospital tax alone between \$700 and \$7,000 per year and will receive no free medical aid! There is no reason for us to assume they will continue to support this community if we continue to put more and more taxes on them each year. They are not compelled to sell their cotton, grain, cattle and hogs here. Why should the merchants of Floydada be supported by the farmers and ranchers, if we continue this policy? They can take their money from the banks, and anything we sell here they can buy somewhere else.

Being a good citizen does not include opening your wallet and giving money in vast sums each year to those who are not using it prudently. Empty hospital rooms, the house Dr. Lopez lives in for \$250 per month, having more employees than necessary, and the money spent on a dermatologist working elsewhere \$3,000 per month, \$800 for rent on the house our board are renting for the dermatologist who isn't here, these things do not save lives. With just the money that this hospital has paid to Methodist in Lubbock for "consulting", they could

have paid their utilities bill.

The real problems are not being addressed by the board and administration. In order to find solutions, you must first isolate the problems. Lack of in-patients is the problem. Why do the area residents not use this hospital? Too healthy, too high costs, bad bookkeeping and filing of insurances, double billing, whatever the reasons the lack of in-patients is evident. These problems are being ignored by the board. If this problem is not solved the hospital will eventually close no matter how high taxes go.

The public's preference to use other hospitals (American Competition), the board's wasteful financial endeavors and refusal to make cut backs have created this current financial situation, not the taxpayers. The only ones discussing closing the hospital are the board members. That's the only campaign slogan they can come up with to persuade people to give them 70% more money to cover their blunders. This hospital, as is, just can't stand "American competition" and are using communist tactics to take 70% more of your money this year and 120% more over the last 5 years. Even with this enormous subsidy of about \$390,000 per year over the last few years they are still losing \$165,000 per year! The new tax increase will be giving this board \$700,000 per year to play with! Tell the hospital to get their money "the old fashioned way... earn it!" Even with the tax roll back in effect

they will receive an increase in taxes of 8% or about \$32,000.

The law is clear that the district cannot be dissolved without a vote of the people. Until such time as the people have voted to dissolve the district the board must continue to administer the district. The people would not allow the board to close the hospital for vindictive reasons, simply because they don't get their 70% increase. If the board tried to close the hospital and dissolve the district, we could elect another board.

Floyd County Taxpayers Association  
Vicki Webster

Dear Ed,

How about that Vicki Webster trying to save the taxpayers of Floyd County \$3,000,000 + dollars over the next 10 years. That's really disgusting, isn't it? Trying to make the hospital spend tax dollars wisely, why whoever heard of such despicable acts?

Brian Webster

Buy your Cow Patty Bingo tickets now. \$5.00 at the Hesperian, the Chamber Office, Assiter Insurance or from any Chamber member.

## By The Way

By Alice Gilroy

Boy - this is going to be a really busy Halloween, and lots of fun.

Besides all the activities on Oct. 27, Pumpkin Days, there is also a masquerade dance at the Massie that night at 8:00 p.m.

There will also be the Halloween Carnival at Lockney Elementary Saturday night. That's always a lot of fun too. Since Lockney kids will trick or treat Saturday, this is a great place to go afterwards.

R.C. Andrews will be having their Halloween carnival on Wednesday, Oct. 31, starting at 6:00 p.m. You could go to that after the costume contest on the courthouse square at 4:30 p.m.

When you get a chance, go by the Floydada Chamber of Commerce office. The women's division decorated the office and it looks great. Those girls are so artistic and creative. Channel 13 was in the chamber office on Monday

interviewing Julianne Cornelius and Kyle Smith about 'Punkin Days.' The office looked great for the interview, so did Scott Faulkenberry's 'Big-Mac Pumpkin Patch!'

There will be more press coming within the next couple of weeks and they will be browsing throughout the county, so get your home and business decorated and looking good.

The Boy Scouts will be putting up the red, white and blue banners around Floydada for Punkin Days. They are the same banners that the First National Bank of Floydada bought for the Old Settlers Centennial Celebration.

If any Floydada businesses will be having Open House, either on Punkin Days or Oct. 31, please let me or the Chamber of Commerce office know. I'll be sure and include the Open Houses in the list of Punkin Days events.

Be sure and get your tickets to the Cow Patty Bingo. You have a chance to win up to \$500.00. We have tickets here at the Hesperian and the chamber has them too!

Those of you who have been selling tickets need to get your money to Becky Emert at Assiter Insurance, Quick!

C.L. and Lucy Dean Record of Lockney returned from the summer mountain retreat recently, and had some heart-warming news about a church that has started up there.

About the first of June the Records go to their summer home residence about 30 miles from Antonito, Colorado. They stay until October. The only people that are up there are other summer residents, campers and people staying at Rocky Mountain Lodge. There was no church.

Fifteen years ago, the Records opened their home for Sunday worship service. Anyone that wanted to come was welcome. C.L. would give the devotional and Lucy Dean sang and played the piano.

Starting with just a few stopping in, word of mouth has now spread throughout the mountains. "We had 301 people sign our guest register this year. We average about 40 people in our home on Sunday. By the time we left we had 69 people in there."

Lucy Dean told me that their home really only seated 22 people, but that all 69 people were sitting down. She said it reminded her of the story about the loaves and fishes.

I just wanted to tell everyone that little story. It made me feel good and I hope it will do the same for you.

# S.O.S. sends out an SOS

By Ruth McIntosh

Floydada Spirit of Sharing appreciates deeply the support we have had from the churches and the community since our opening in 1984. Your generous gifts of food, clothing and money have been welcome beyond words. But we come now asking for perhaps the most essential thing of all — a small portion of your time.

Our roster of volunteer workers has dwindled through the years from 70 in 1984 to 44 at the present time. Half of our current volunteers have been working since we first opened, which is certainly evidence of their loyalty and commitment, but it seems imperative now that we have additional help if we are to continue meeting the needs that come to us.

On Wednesday, Oct. 24, at the Floydada Methodist Church we plan to have a thorough training program for each of the five positions — receptionist, interviewer, food pantry, clothing room, and after-hours on-call duty. Mary Jackson, Community Relations Coordinator for Texas Dept. of Human Services, will be conducting the workshop. She was our resource person when S.O.S. began, and she provides an insight into the real heart of volunteerism that we believe is what S.O.S. needs at this point.

Registration for the workshop will begin at 9:15. All participants will be together for the morning session and probably for the first hour after lunch. Lunch will be provided by S.O.S.

At 2:30 there will be a short break followed by more specific instruction in

five smaller groups. Pauline Pierce and the clothing room workers will go to the S.O.S. building, as will Margie Sue and the food pantry workers. The other three groups will remain at the church with Anne Willson leading the on-call persons, Helen Martin the receptionists, and Ruth McIntosh the interviewers. This will be a time of intensive study of our guidelines and records with an eye toward clarifying some problem areas in each position.

We believe that all workers — experi-

enced and new — can benefit greatly from this workshop, and we definitely hope to have a large number of new (or recycled?) volunteers.

Since its opening S.O.S. has helped in various ways almost 3000 families, over 10,000 people. S.O.S. belongs to and serves the entire community. If any of you — man, woman, couple — can give even one afternoon a month, please come to the workshop and at least see just what is involved. Rewards are intangible but very real.

**JAIL & BAIL--**Wally Davis and Cheryl Ward served out their time (one hour) at the March of Dimes jail, located at Oden Chevrolet, on Tuesday. Inmates were arrested and brought in every hour by City Policeman Earnest Beck

and earned their release by calling citizens for their pledges toward the March of Dimes. According to organizers the day was a big success and over \$2,000 was raised in the fight against birth defects. Staff Photo

## Church Harvest Festival is Nov. 10-11

As a part of its year-long Centennial Celebration, Floydada's First United Methodist Church will hold the Annual Harvest Festival November 10 and 11. "Celebrating a Century Serving Christ" is the theme for activities during the church's 1990 Anniversary Observance.

This year's Harvest Bazaar Saturday will include an old-fashioned turkey dinner, a country store, a book sale and a "Woodworker's Shop". The Friendship Circle has just published a new cookbook "Methodist Menu Vol.

II" that will be available for the first time during the Bazaar

Sunday, Nov. 11, will begin with church school at 9:45 a.m. and Common Worship at 11:00 a.m. Tarpley Music

### The Lamplighter...

Continued From Page 1

ced to slip through their pay raise? The people came unglued, and Congress backed off, for a short while. Then they rammed it through, no matter what the people thought. So now, while they are making decisions to raise our taxes again and cut Medicare, along with nearly everything else, their own salary goes up to \$125,000 in January. No cuts there.

The incumbent Congressmen have a long history of taking care of themselves, regardless. And evidently the people are on the verge of deciding that their best way to make a point, sadly, is just not vote. We can understand their feelings, but the problem is that if we don't vote, things will never change, for sure.

## Courtroom Activities

In county court on Oct. 10, Ruben Garza, was charged with theft.

On Oct. 16, Servando Charles, 34, of Floydada was charged with possession of marijuana.

Company in Lubbock will supply the newest Allen Digital Computer Organ for a concert/demonstration by Mr. Randy Stevens, noted resident organist for Westmont Christian Church.

The concert is scheduled for 5:30 p.m. so that many in the area might enjoy this unique experience without interference to their regular Sunday schedule. A covered dish meal will be served after the concert and the entire community is invited to participate in both days' activities.

## Categories are open for variety of pumpkins, gourds and corn

A display of every size and shape of pumpkins, gourds and corn can be seen Oct. 27 during Floydada's Punkin Days.

Once again tables will be set up to show off Floyd County's colorful crop, and to compete in different categories.

The following categories will be judged again, this year: (a) smallest pumpkin, (b) largest pumpkin, (c) ugliest gourd, (d) best painted pumpkin, 13 and over and under 13, (e) best carved pumpkin, 13 and over and under 13, and (f) best pumpkin pie.

Guests to the city should be able to go back to their respective homes and

marvel to their friends about the talents of those folks in Floyd County. If you have an artistic talent or a growing talent, be sure and bring your entry. People want to see pumpkins at the Pumpkin Capital U.S.A.!

Floydada cheerleaders will once again register the entries, which must be submitted by 10:00 a.m.

## This Week

### ALL SCHOOL PEP RALLY

An all-school pep rally is set for 3:15 p.m. Friday at Graves Gym (junior high). School officials ask that guests do not park on Marivena Street, between 4th and 5th Streets. This space is reserved for buses transporting students from other schools. Everyone is encouraged to attend.

### WOMEN'S CHAMBER

The Women's Division of the Floydada Chamber of Commerce will meet Tuesday, Oct. 23, at 5:00 p.m. at the Chamber of Commerce.

### FLOYDADA SINGLES

Floydada Singles Club will meet Saturday night, Oct. 20, at 6:30 at the Senior Citizens building, with a Mexican dish supper. Hostesses are Betsy Dempsey and Agnes Baker.

### 4TH GRADE PLAY

R.C. Andrews PTA will meet on Monday, Oct. 22, at 7:00 p.m. in the school gym. Fourth grade will present a short play titled, "Kids and Parents."

### MISSIONS CONVENTION

Templo Getsemani - Assembly of God, 308 E. Mississippi, will be hosting missionaries to Bolivia, Paul and Kristen Frigoli on Oct. 26-28. Times are set for 7 p.m. Friday; 10 a.m., 5 p.m. and 7 p.m. Saturday, and 11 a.m. and 6 p.m. Sunday. Everyone is invited to join them for food, games and a good time in the Lord.

### DIABETES CLASS

Diabetes class will meet at Caprock Hospital on Thursday, Oct. 25, at 7 p.m. in the dining room. Cindy Rowell, dietician from Methodist Hospital, will be guest speaker.

### SARPALIUS MOBILE OFFICE

U.S. Rep. Bill Sarpalius' mobile office will be in Floyd County Tuesday, Oct. 23. He will be at the courthouse in Floydada from 12 noon to 1:00 p.m. and at the bank in Lockney from 1:30 to 2:30 p.m.

## It's YOUR Money

Edd V. Henderson, Jr.

### WHAT'S THAT COMPANY CAR WORTH?

Uncle Sam is taking a closer look at every fringe benefit offered to employees, up to and including the use of a company car. New federal guidelines indicate how much should be considered an addition to income -- and therefore to payroll taxes. (Note: If the "company" car is a police car or ambulance or other vehicle used for business only, it's not a taxable fringe benefit. Car phones don't count, if the employer requires their use; a parking spot for the car is not taxed, either.) The basic rule is that the employee must recognize gross income equal to the fair market value of the car, but regulations offer three special valuation methods: annual lease value, based on the cost of the car; cents per mile, which values the employee's personal use at the standard 26-cents-per-mile rate; and computer value, assigning \$1.50 per one-way commute in the car. The employer gets to choose the method of valuation, but must notify employees in a timely manner.

# News and Views from Cedar Hill

**WEATHER:**  
"He that increaseth knowledge, increaseth sorrow" wrote the wisest man who ever lived almost three thousand years ago. The saying is somewhat bland; it's a little like the caution light that always blinks between the stop and the go signals, still King Solomon felt it

was worthy of a place in that at portion of the eternal-word that we call The Book of Proverbs.

For years your writer tossed the phrase "Indian-summer" about with reckless abandon, having only a vague idea of it's meaning. Then a year ago a session

with The Old Farmers Almanac, backed up by a definition from Webster's Unabridged, cleared the fog from the term "Indian-summer" and left it's meaning clear and distinct.

Those two masterful documents tell us that Indian-summer only begins following the first killing freeze of the fall. The Indians would make great haste, working like beavers during the ensuing period of summer-like warmth, to finish bringing in their stores for the winter; hence the term "Indian summer".

Well, we increased our knowledge; now we know, and isn't that great! Gone is the grey! Now all is black, or all is white! When the temperature hits eighty degrees before frost that is a warm fall day. When the temperature hits eighty after frost that is Indian summer.

Hey! Solomon warned of a fly, named "sorrow", that goes with our new-found ointment, so let us consider what our trusted friend, the weather man, has done to complicate the situation. Feeling that Ann Richards and Clayton Williams were not stirring up enough controversy, the weather man's frost Tuesday night was a virtual killer in some parts of the county while damage was practically nil at other places. As matters now stand Pat and Mike, operating two different farms, can both be stripping dryland cotton on the same day; Pat, who had no freeze, will be stripping on a wonderful FALL day while Mike, just a few miles up the road, had a killing frost so it is Indian-summer where he is working!

At the Listening Post late Tuesday afternoon, once N&V had been finished and transmission to the Hesperian office had been completed, we grabbed a number of empty buckets and headed out to the tomato patch; possibility of a hard freeze had been predicted for the night! By the time the first five gallon

bucket had been filled with green tomatoes the sun had set and we were literally groping in semi-darkness.

A Coleman gasoline lantern we had borrowed from Welch Enterprises was put to work and the gathering of green tomatoes continued, but now the vines were being uprooted and carried to the light for the picking. An hour and a half later we were looking for a break and went inside to get the latest weather report. The forecast was unchanged; still a possible low of 27, but a cup of hot chocolate had gone into a chilled body, the chair felt so good, and drowsiness had taken hold.

By twelve o'clock mid-night our nap was over and we were back outside among the heavily loaded tomato vines which by now, as you might expect, were dripping wet with dew. The temperature continued to fall and toward the last many tomatoes would drop from fingers too numb with cold to send the "Hey! We dropped one!" message to the brain. When those cold fingers opened over the bucket and there was no corresponding thumping sound of a falling tomato, it was back to the ground and search until that tomato which had been dropped was found.

By 3:00 A. M. thirty six gallons, 4.5 bushels, of green tomatoes had been carried inside, and guess what! It didn't freeze! Now on Tuesday, six and one half days later, Indian sum :: oops, the word is "fall," fall still marches on with daytime 80's and night-time 50's; it may never freeze!

**CROP COMMENTS**

**COTTON:** Most operators with dryland cotton have been reluctant to fund the defoliation expense, but some who did defoliate aggressively have already sent as much as 50% of their dryland crop to the gin, and the remainder is going fast.

The rising and falling crescendo of spray planes, as they bank and turn, can still be heard most every day as they continue to apply defoliant. However budget-conscious farmers are repairing old sprayers brought back from their fence rows, purchasing used sprayers, and every now and then a brand spanking new one is assembled for use on irrigated cotton.

**THE LEANING CEDARS**

Oct. 14: A call from Doyle Love of Bridgeport to the Cephus Fortenberrys Sunday night warns them that his wife, Edna (Easly) Love, may be losing ground in her fight against a stroke.

**THE UPRIGHT CEDARS**

Oct. 10: The "surprise for Imogene" project that Cephus Fortenberry started while Imogene was visiting Doyle and Edna Love in Bridgeport continues to grow at a rapid pace now that she has gotten back home before it was finished. The search for a matching drainboard carried them to Lubbock last Wednesday. They visited with Garland and Mary Tucker while there.

Oct. 10: Alpha and Durrell Fortenberry had her daughter, Karen Hill, and her children as dinner guests Sunday.

Oct. 13: Circumstances beyond one's control tend to overpower a person's "druthers" from time to time. On October 10<sup>th</sup> 1890 Uncle Ceph and Aunt Ann Fortenberry arrived to the shores of Hackberry Lake two miles northeast of Cedar Hill. One hundred and four of their descendants and friends gathered at the lakeside last Saturday in memory of that occasion. Your writer planned a rather comprehensive account of that gathering and, Lord willing, it will be finished and printed in next week's paper.

Oct. 14: Members of the Cedar Hill Assembly of God Church elected to attend services in Floydada Sunday

since their pastor had to be away for the day.

Oct. 15: A group of ladies, past and present residents of Cedar Hill: Marris (Sparks) Fortenberry, Earnestine (Dillard) Gilley, Edna Gilley, and Juanita Henry drove to see and enjoy the handiwork of Trula Martin in her home east of Flomot Monday afternoon. Trula makes an art of the intricate and decorative needle work that she does on shirts. In fact she operates what might be called a fireside industry from her home.

Oct. 16: Juanita Teeple had dinner with Edna Gilley at her home Tuesday. They went crop-looking in the afternoon. They report the most spectacular sight was the huge, two hundred pound, Big-Mack pumpkins displaying their orange colored splendor in Mark Gilley's pumpkin patch on the old Starkey place. Two of those pumpkins, little fellers, small enough that Edna's hand could move them by himself without a helper, now grace Edna's front lawn. Look 'em over as you drive by and imagine what the whoppers are like!

**LOVE AND KINDNESS ARE THE ONLY INVESTMENTS THAT NEVER FAIL!**

## County Extension Club discusses future projects

Floyd County Extension Clubs Council met Oct. 11 at 2 p.m. in the council room with Vivian Curtis, president, presiding. As the secretary, Blanche Williams was on vacation there were no minutes of the previous meeting to read.

The president had each one to give their names as there were two visitors that didn't know everyone.

Jonelle Fawver and Ruth Trapp, who were delegates to the state meeting in Amarillo Oct. 2, 3 and 4, gave reports. Jonelle reported the new state officers elected at the meeting were Pat Bandleman, president; Betty Billington, vice-president; Carrol Davig, secretary, Charlotte Watson, treasurer.

Maye Williams, president of Harmony Club, gave a report of the meetings since last council meeting and Ruth Trapp, president of Homebuilders, gave their report.

Mary True announced there will be a Festive Foods program Monday, Oct. 15, at 5:30 at Lighthouse building, sponsored by Southwestern Public Service and Extension Service.

November 28 will be a meeting on making microwave candy. This will be during the noon hour at the Lighthouse. Bring a sack lunch.

The Council Christmas party will be Dec. 7 at 2 p.m. at the council room. Homebuilders will be hosts. Bring a gift to exchange of \$5.00 value.

At close of council meeting Murle Mayfield, TEHA chairman, called the group back in session in order to elect a TEHA vice president. Karen Miller was elected.

A baby shower was given for Mary True at the close of the council meeting. Mary was sent out of the room on the pretense of playing a game, while the table was prepared for refreshments.

Ruth Scott then conducted a game on baby talk (after Mary was allowed to come in) and a game of scoring points on different things you were wearing and 2000 points if you were pregnant. Mary won and her prize was a car seat and some money.

Refreshments of cookies and punch were served to 12 members and Mary.

## Caprock Hospital Happenings

By Molly Stringer

We continue to be busy at the hospital. We have four surgeries scheduled for this week. Patient census is 10 today.

The Board of Director's met for a planning session on Tuesday of last week. All members were in attendance as were Leroy Schaffner and Molly Stringer.

Pat McMillian from Methodist Hospital was over on Thursday of last week. He brought administrators from Lamesa and Colorado City, to look over our hospital and have some input on improvements we can make.

The staff at the hospital are planning a bake sale on Punkin Day. The proceeds will be used for some needed equipment in housekeeping and improving the front desk area. Any money left will be added to the nurses fund which will be used to buy equipment. Find our booth and come by our goodies.

Leroy Schaffner went to Lubbock to Methodist Hospital for a meeting last week.

Molly Stringer attended a meeting at Texas Tech University Med School last week. It was a very informative meeting on drugs and legalities involved in the medical field.

Medical staff met last week for the regular monthly meeting as did the nursing staff and Quality Assurance Committee.

areas which handle blood or any body fluids were inserviced last week on Hepatitis B Vaccine by Linda Marshall of Merle, Sharpe and Dome drugs. This vaccine must be offered to all employees who work in high risk areas.

**Thought for today**

Truth will rise above falsehood as oil above water.

## Child Welfare Board presents program to 1990 Study Club

By Sheres Covington  
The third meeting of the 1990 Study Club was called to order with 19 members present and four absent. The minutes were read by Brenda Heflin and roll was called. Committee reports were given by the committee chairpersons. Gayla Marble gave the Punkin' Days update and showed the lifesize backdrop for our picture booth. Picture prices, advertisement and sign-up times were voted on. Brenda Heflin, have the Bridge Tournament report. The date, agenda and meal were discussed and decided upon. Gayla also informed us of the Halloween Social. We will meet at the nursing home at 5:30 on Halloween night to share pumpkins and fellowship. After that, a hotdog supper will be served at Lighthouse, followed by trick-or-treating and the R.C. Andrews Carnival.

An outstanding program was given by the local Child Welfare Board. Gloria Robertson from Plainview showed a film, spoke and answered many ques-

tions. Local board members in attendance were Connie Johnson and Gladys Jones. The Child Welfare also presented a certificate of appreciation to the 1990 Study Club for its outstanding contributions.

After the program, new yearbooks were passed out and a gas and food certificate was decided on for Anna Rivera. Secret sisters were chosen and next month's meeting was mentioned in order to get reservation plans ready.

Mendy Shurbet and Cindy Fortenberry were hostesses and served a delicious meal of Mexican casserole, salad, beans and Dolly Madison dessert in the home of Jan Beedy.

Members present were: Jan Beedy, Sheres Covington, Cindy Fortenberry, Brenda Heflin, Gayla Marble, Julie James, Sandra Schwartner, Dara Ware, Mendy Shurbet, Holly Lee, Deanna Logan, Traci Rice, Christina Chesshir, Dana Anthony, Vanell Littlefield, Tracy Helms, Sandy Trevino, Lori Battey and Pam Lewis.

## Influence and control in parenting topic for club

By Judy Dunlap  
Kay Brotherton of the Floydada Counseling Center presented a program on influence and control in parenting to members of 1956 Study Club last Tuesday evening.

Mrs. Brotherton suggested allowing children to pursue their own goals, within boundaries, discussed by the family. Included in steps parents can take to influence their children's lives are genuineness, warmth and unconditional positive regard. She encouraged those parents to spend time with their children rather than doing things for or to their children.

Following the talk refreshments were served by hostesses Linda Harbin, Donna Henderson and Patti Miller.

During the business meeting President Judy Schacht reminded members

of their assignments for the annual fundraiser Tator Bake preceding the football game Friday night. She also discussed the group's participation in the national "Proud to be Drug Free" campaign. A booth for the Andrews Ward School Halloween Carnival was organized.

Items donated for auction for the evening were a cake by Sheree Cannon, a wreath by Sharon Henderson, and an afghan by Patti Miller.

In addition to the above mentioned members others present included LuAnn Schaffner, Candy Thrasher, Kathy Becker, Lisa Becker, Susan Simpson, Sharon Rainwater, B.K. Bates, Melissa Long, Atha Sue, Ruth Crump, Leora Younger, Darlyn Hambricht, Sherry Hale, Rozanne Bishop, Rosemary Finley, and Judy Dunlap.

## Senior Citizens Menu

## Whirlwind Sams Club travel to Fredricksburg

Six RV's left the Massie Activity Center at 8:00 a.m. October 11, and were joined at Cone with the 7th rig as they journeyed to Fredricksburg for their monthly campout.

The group kept in contact with their CB's and after stopping for two coffee breaks, a stop for lunch and another for gas, the group arrived at 5:00 p.m. at Oakwood RV Park and were met by four others who had arrived early. One other arrived on Saturday, to join in the festivities.

Friday morning, after coffee the group loaded into suburbans and drove into Fredricksburg where they toured the Dulimer Factory. The owner gave a delightful tour telling us of the history of the musical instrument and then we toured the factory, seeing the many pieces cut from beautiful woods and then the process of gluing the pieces together and adding the stings.

After the tour, we had to stop by a bakery shop to sample the many goodies baked in Fredricksburg.

After lunch the ladies, eleven of them, loaded into the Weathersbee's suburban and drove into Fredricksburg where they rearranged the numerous shops and WalMart.

Dinner Friday night, was at a German

restaurant, "Freidhelm's" where most of the group chose German food. They were joined by former members, Fay and Ruby Gooch.

Saturday, was our famous potluck meal and afterward the women enjoyed more art and craft stores while the men mostly kept up with ball games.

Saturday night, the recycled food was spread on picnic tables and we enjoyed the beauty of the "great outdoors."

Nights were spent in the building with games of 84, bridge, Spinner and Mexican Train.

After Sunday morning, devotional brought by Frances Weathersbee and Happy Trails led by John Key West the group were on their own.

Those making the campout were: Bob and Jean Kendrick, Robert and Betty McPherson, Orval and Lorene Newberry, Fred and Yvonne Thaxton, John and Christine Lyles, Boone and Ruth Adams, Blanton and Ruby Hartsell, Milton and Jo Harrison, Claude and Frances Weathersbee, L.V. and Addie Assiter, John Key and Madge West and George and Betty Miller.

Kenneth and Barbara Willis planned this wonderful campout but due to the arrival of a new grandson, the group was led by the Newberry's.

## Floydada Nursing Home Happenings

By Jo Bryant  
Hi, once again to one and all. My, doesn't it seem as if another week has gone by.

Monday, started the week as usual with juice and coffee. Bro. Bill Wright came and gave us the devotional, and Irene Wexler played the piano for us. In the afternoon, the residents painted an owl. They always enjoy that.

Tuesday, I had to attend the Activity Association meeting, in Lubbock. It is required by the state, for me to receive five and one half hours of continuing education, 12 hours a year are required. We had a guest speaker to present a program on how to cope with a loved one who has Alzheimers. The speaker has a mother in a Lubbock nursing home with the disease. Also, in the evening, we had a workshop on art and crafts for the holiday season.

Wednesday, Bro. Sammy Rodriguez came and gave us the devotional. We appreciate him. At 2 p.m. the residents had bingo. Linnie Willis had the first bingo. Mary Alice Davis came and assisted the residents. At 2 p.m. Cheryl Ward, administrator, gave us a workshop on Obra., on the new guide lines for the dignity and rights of our residents.

Thursday and Friday, I wasn't here as I was under the weather with minor surgery, must say all tests were benign. Bill Johns came and gave the devotional on Noah's Ark. It is a symbol of our salvation, saved by water and grace of Jesus. Evelyn Latta played the piano for us.

Saturday, Jim Miller and friends came and played the guitar. They played country and western music. The residents really enjoyed them.

We want to thank the First United Methodist Church for their devotion, Sunday, we appreciate their time and devotion.

Our love and sympathy are with the family of Horace Carr. Bessie Carr has

worked here to fill in for us, she is a LVN. Our prayers, thoughts are with you at this time.

We invite all family and friends to attend the birthday party for this month, we have six. Della Halencak, Myra Hall, Oda Birchfield, Peggy Young, Ruth Smitherman, and Nettie Adams, also Ernest Smitherman, husband of Ruth, had a birthday October 10, same as Della's.

Visitors: Dave and France Willis, Paducah; J.V. Martin, Jo McCallan, Dowell Brewer, Myria Dade, Pauline Robertson, Irene Wexler, Bill Johns, Evelyn Latta and Arlene Holmes.

**Grace Heacock receives Alaskan Commissioner's Recognition Award**

Grace Anne Heacock, daughter of Emily Johnston, was one of six educators selected to receive Alaskan Commissioner's Recognition Awards.

The Milken Family Foundation gave \$25,000 to each recipient who had demonstrated excellence in educational fields.

Heacock teaches third grade in Weller Elementary School in Fairbanks.

Grace Anne attended Floydada Schools and graduated from Floydada High School in 1960.

She was selected Alaska's outstanding elementary level social studies teacher of the year in 1989.

Presentation of the awards was made October 5, 1990 at the Anchorage Westward Hilton Hotel. Mrs. Jackson attended the presentation.

# Women's chamber will sponsor dance on Punkin Days

The Floydada Women's Chamber of Commerce met Tuesday, Oct. 2, at 5:00 p.m. The minutes were read and approved, and the treasurer's report was given.

Punkin Day events were discussed as follows:

Dance chairman, Debra Graham passed out tickets for each member to sell at \$5.00 each, and each person was asked to turn in money at the Oct. 23 meeting. The dance will be held at the

Massie Activity Center Saturday, Oct. 27, from 9:00 p.m. to 1:00 a.m. for 13 years and over. Costumes are optional, prizes will be awarded for best couple, boy and girl. The music will be provided by the Rex Thomas Band. Decorations for the dance were discussed.

The women's division voted to donate \$25.00 to the Punkin Days, 5-K, Fun Run, Stroller and Fat Man's Races. Volunteers were asked to bring food for the Fat Man's Race. We put together

Punkin Cookbooks which will be free and available under the pavilion, at the courthouse Saturday, Oct. 27.

We also agreed to decorate a Punkin Tree for the Chamber office and different members will make the ornaments and decorate.

A \$10.00 donation will be made to the R.C. Andrews PTA for their Halloween Carnival Wednesday, Oct. 31. Each member was also encouraged to participate in the Punkin Days costume contest downtown on Halloween.

New business discussed were the details of the open house Wednesday, Oct. 31, for the Federal Credit Union building (former Lighthouse Electric building) and the 2:00 p.m. ribbon cutting for the two new businesses of 1. Consolidated Cotton Company, Inc., Debbie Wiles, Agent, and 2. Dena Reece, Attorney-at-Law.

A report on the Holiday Happening Style Show and Salad Supper was given by chairmen, Deedie Covington and Vickie Norrell. The date is Monday,

Nov. 5, at the Duncan Cafeteria, admission is \$2.00 and a salad. Half of the proceeds will go towards a scholarship for the newly crowned Miss Floydada Saturday, Nov. 17. The theme is "Winter Wonderland." Emcees will be Julianne Cornelius and Anne Carthel. Entertainment will be provided by "Proclaim", of the First Baptist Church. Goodie bags and door prizes will be given. The tables will be decorated by local merchants and individuals.

Tiny Miss were discussed. These pageants will be held in conjunction with the Miss Floydada pageant sponsored by the Chamber of Commerce. Emcee for the pageant will be Bill Smith.

A special meeting was called for Tuesday, Oct. 23, 5:00 p.m., at the Chamber office. Please turn in dance ticket sales at this time.

Members in attendance were: Anne Carthel, Julie Duke, Julianne Cornelius, Debra Graham, Barbara Fyffe, Allison Robertson, Daphna Simpson, Deedie Covington and Vickie Norrell.

**ASSOCIATE OF THE YEAR--**Stephen Davidson, manager of Furr's Supermarket, (left), presented Charles Wise the produce manager of Furr's, with an Associate of the Year Award, on Monday, October 15. Wise, who has been employed at the store for 23 years, was chosen for the honor by the Furr's management. **Staff Photo**

## Racers compete for titles

Continued From Page 1

letter states, "We felt a National Champion should come from this community."

The relay will consist of a four person team. The race will start at the museum. The first team member will take off and run a block to Quality Body Shop while eating 1/4 of a pie. He will then hand the pie to his teammate who will run back to the museum while eating another 1/4 of pie.

This will continue until all four members have run their leg of the race and eaten their piece of pie.

Cool Whip will be piled on top of the pie, which after bounced up and down in the runner's face may obscure his vision (if not plaster his nose).

The entry fee for the relay race is \$4.00 (\$1.00 for each person) and there are no age limits. Ribbons will be given for first and second place winners.

If the race goes well the committee hopes to have a traveling trophy for the event every year.

### PUMPKIN RACE

Beginning at 1:00 p.m. the pumpkin race will return. Age divisions are 13-29 and 30 and over.

This race will be on the courthouse square and the rules are simple.

Contestants pick out their own pump-

kin off the pumpkin trailer. They will race each other while rolling the pumpkin to the finish line.

There will be additional rules this year. You cannot kick the pumpkin and you have to maintain a constant roll with your hands. You cannot roll the pumpkin to the finish line with one or two big pushes!

### WHEELBARROW RACE

The wheelbarrow race starts after the pumpkin race. For safety sakes, only those 13 and over will be able to participate.

In this race, a team of two will race to beat the clock. The driver of the wheelbarrow will be blindfolded. The navigator will be sitting in the wheelbarrow, holding pumpkins, and directing the driver through an obstacle course of pumpkins.

This race, like the pumpkin rolling race, has always separated the truly graceful people from those who have to work at it.

Since Floydada is truly the one and only "Pumpkin Capital," the winner of any of the above races could easily boast of carrying the national title. You could be the national champion 5K runner, fun runner, fat man runner, pumpkin pie relay winner, pumpkin roller or wheelbarrow racer.

Details of the Jr. Miss, Little Miss and

**RED RIBBON WEEK--**Eric Cornelius, president of the Floydada Lion's Club, presented Melissa Strickland, president of the student council, and Larry Galvan, vice-president of the student council, with red ribbons donated to the schools by the local Lion's Club. The ribbons are inscribed with the words, "Proud To Be Drug Free." The high school student council will be responsible for distributing the ribbons to all the schools to commemorate Drug Free Week, October 22-26. **Staff Photo**

## "Do right - and risk the consequences" SAM HOUSTON

TO THE CITIZENS OF FLOYD COUNTY:

In my first open letter placed in last week's newspaper I explained to you my immediate concern causing me to conduct an audit. That was, to determine if in fact the District Attorney had taken compensation for serving as County Attorney. Had she done so then pursuant to Article 16, Sections 33 and 40 of the Texas Constitution she would have abandoned her office immediately upon receipt of her compensation from Floyd County. This would have placed in question all acts taken by her as District Attorney in all four counties since November, 1989. Since last week other documents have been furnished to me that makes it even more clear that she has taken compensation for serving as County Attorney and thus abandoned her office of District Attorney. That was my first and most pressing concern. I had also received such conflicting reports from the District Attorney and County Judge Bill Hardin that this too caused me immense concern. After a review of some of the records submitted by the District Attorney and the County Commissioners Court and kept in the County Treasurers office there were such conflicts and lack of documentation that these factors combined caused me to Order a limited audit.

When I sought this office as your District Judge four years ago I could not leave a coffee shop or a gin office in Floyd County or any place where the farmers and landowners had gathered without hearing loud cries from those taxpayers about the County Auditor that Judge Miller appointed. Without a single exception they wanted me to cease to have a full time county auditor. The laws of Texas permits the District Judge to select a County Auditor. That auditor serves on a permanent basis and the duties include an examination of all financial records of the County on a regular basis, reporting to the District Judge as directed by the District Judge and setting up accounting standards and principals which shall be followed by all county officials and employees. This includes the District Attorney, who under the law is a county official. And in the final duty, the Court Appointed County Auditor must sign all checks drawn on the county before they may be cashed. If the County Auditor finds that something is wrong the County Auditor may not sign the check. In less populated counties of Texas our laws provides that the District Judge MAY appoint a County Auditor. In larger populated counties the District Judge SHALL appoint a County Auditor. As I explained to many of you four years ago I thought that the job of auditing could be done by appointment of special auditors who, from time to time could look at trouble spots and get them straightened out. In four years I have only appointed one such

special auditor. But in no wise can the District Judge give up his duty of oversight responsibility over the financial affairs of Government. That duty is placed on the District Judge by the laws and Constitution of Texas. I cannot give up that duty any more than I can that of holding Court and presiding over trials. It is not that I have abandoned that responsibility, but that I have chosen different means to accomplish the end of fulfilling that duty and responsibility. My means was designed to have three functions: First, to save Floyd County money. I have accomplished that end. I have saved the county over \$80,000.00 in the last four years by not having a person on the County payroll full time. Second, I wanted to give greater latitude to the Commissioners Court in handling the financial affairs of the County. I told you four years ago in articles that I placed in the paper and in my visits to the landowners of this County that I felt that you must not rely on a Court Appointed Auditor to see that the financial affairs are taken care of properly. But that you must take extreme care in selecting your County Commissioners Court and County Judge. To the fullest extent possible I have not interfered with the Commissioners Court supervision of the County Financial affairs. The Third thing that I want to accomplish by this end was to give the Commissioners Court the opportunity to create a system that would ensure that proper accounting procedures were adopted and followed and enforced and done in a more economical manner. I have lived all my life on a farm and ranch and my family has been engaged in agricultural pursuits since before the Civil War. My family knows the burden of paying ad valorem taxes. I know that burden as a taxpayer of some substance in Dickens County. \$80,000.00 is not a number to take lightly in times when our farm prices have shrunk to fantastic levels compared to everything else in our economy.

But when I saw a problem and Ordered a limited Audit that would have cost \$700.00 had it been done without objection from the Commissioners Court and the District Attorney This Court was met with strong opposition. Your Commissioners Court hired an Austin Law firm to fight my conduct of an audit and they have paid one lawyer to fly from Austin on several occasions. They then hired this same lawyer and Austin Law Firm to represent Becky McPherson in her ill fated efforts to stop the audit. I have not been furnished nor have I seen an affidavit signed by her indicating that she is too poor to hire her own attorney. Your Commissioners Court has paid over \$7,000.00 to date to this Austin Law Firm to represent McPherson in her efforts to stop the audit.

They have caused the Court Appointed Auditors to make several unnecessary trips to Floydada from Lubbock and caused this Court to take legal means to enforce the lawful orders of the Court. I cannot control their conduct. I can only do my duty. Many of the good and decent of this County do not understand these facts.

A few days ago a citizen approached me and told me that it was my fault that the County had been out over \$14,000.00 on this audit. This good man had been told false reports. My auditor would have charged about \$700.00 to do the audit had he been permitted to do so without objection and law suits being brought to stop the audit. But such was not to be. Every possible effort has been made by the District Attorney to stop that audit. In the last pleadings filed by the lawyer hired by the Commissioners Court the District Attorney requested visiting Judge McCoy not to order the records turned over to my auditors because McPherson claimed the protection of the Fifth Amendment against self incrimination. Can you imagine such? Can you condone an elected public official attempting to claim the Fifth amendment privilege against self incrimination in an effort to get to public records kept in her possession and control which any citizen has a right to examine at any time for any reason whatsoever? Your Commissioners Court is paying for the Austin lawyers to make such pleadings. Your District Judge is charged with the duty and responsibility under the law to make certain that the financial affairs of the County are conducted in accordance with sound accounting principles and that everything is done in an honest and above board fashion. I have saved the County over \$80,000.00 in the past four years by not having a full time County Auditor and when I seek to have an audit costing approximately \$700.00 some people are angry with me. Those farmers and landowners who wanted me to get rid of the permanent auditor need to lend me some support at this time.

What has an audit accomplished so far? We have discovered a systematic scheme of double billing on the part of Becky McPherson. Because of this fact I have appointed a Special Prosecutor to compile this supporting data and to present this to the Grand Jury of the Four Counties where the double billing occurred. There is no excuse for double billing for travel expenses. A letter to the editor from Mrs. Ogden, the secretary to Mrs. McPherson indicated that such practice was "standard office procedure". Let me assure you this "standard office procedure" only started with the arrival of McPherson to the District Attorneys office. It was not

done by her predecessor and Mrs. Ogden served as secretary for Mr. Hollums for many years. It is not acceptable behavior for your public officials to be paid twice for the same travel expenses. It is not right and yet it is done from time to time and when caught the matter is presented to the Grand Jury of the County which has been the victim of such schemes. I will demand that this practice cease and I will instruct the Commissioners Court to adopt accounting practices to see that double billing does not occur in the future. I have never engaged in such practices, neither did my predecessor, Judge Miller, neither did the former District Attorney, Mr. Hollums. It is just not acceptable and will not be tolerated by this Court.

We have also found that your Commissioners Court has adopted a practice of permitting the District Attorney to send in request for expenses without having any receipts to back up those claimed expenses. After my audit commenced Mrs. McPherson returned to the County Treasurer over \$8,500.00 in money she received by sending invoices for expenses to the Commissioners Court for which she had no such expenses. This is improper and will cease.

The Court Appointed Auditor does not have his report completed, but when it is I will examine it and may thereafter make other and further recommendations and issue such other Orders to the Commissioners Court as may be necessary and proper to see that the financial affairs of this County are handled in accordance with the procedures provided by law and sound accounting procedures.

It has been suggested by the District Attorney that I have been "after her". So far as I now know she is the only one in these four counties engaged in double billing for travel expenses, in sending statements for expenses in excess of \$8,000.00 which were not in truth and in fact incurred. If the audit reveals other wrongs on the part of others then the audit will be extended to those areas of wrong doing. At the time of this writing I have been the subject of mean, low down attacks on my reputation and conduct as a Judge. I have faith in an educated public. I have no faith in an uneducated peoples ability to govern themselves. Demagogues have taken advantage of the facts that many Citizens are not keeping themselves informed about the operation of their County Government, the duty of the County and State Officials and the District Court. I pray that this and my previous article has had the effect of letting you know the truth so that you may judge my reason for requesting a \$700.00 audit fairly and properly.

Yours most sincerely  
DAVID CAVE  
DC3:1tr2

## Assembly of God plans kids crusade Oct. 22-25

The many talents of Pastor and Mrs. Al Owen will be featured October 22-25, in a kids (of all ages) crusade at First Assembly of God Church. Activities begin at 7:30 p.m. each evening at the church, 714 W. Missouri Street.

Crusade regulars, Elmo the dummy who lives in a suitcase, Koko the talking monkey and the Praisin' Raisins will be joined this year by a assortment of special guests. Rappin' Rabbit will "do his thing"; Webster Webfoot will offer a few "quacks" and professional clowns, Sparkles and Toes, will add their unique brand of humor. A visit will also be made to God's Sonshine Garden.

Thrilling puppet plays with sound and blacklight effects will bring the Bible to life.

There will also be chemical sermons, Gospel magic, balloon animal favors, singing and candy tree. All the children will have opportunity to earn prizes.

"We know children and adults alike will enjoy these four fun-filled days of learning about God," said Pastor Owen. He invites everyone to attend.

AL OWEN WITH ELMO & KOKO

## Addresses established for military mail to Saudi Arabia

The Military Postal Agency has established several addresses for the general public to use to send mail to service members in Saudi Arabia, according to Lieutenant Colonel Clyde Long, commander of Army recruiting activities in New Mexico and West Texas.

Mail is limited to first class mail of less than 12 ounces, including audio tapes.

For members of the Army, Air Force, and Marine Corps in Saudi Arabia, use: Any service member, Operation Desert Shield, APO New York 09848-0006 "Mail for a particular service member, identified by name, rank, and service number," Long said, "should be sent directly to the appropriate APO/FPO number."

The following APO numbers for deployed Army units were announced earlier:

101st Airborne Division (AA) APO 09309

82nd Airborne Division APO 09656

24th Infantry Division (M) APO 09315

## Local boxing club holds tournament

The Floydada Boxing Club held a boxing tournament Saturday, October 13, at Della Plains gym. The event started at 7:30 p.m. with boxing clubs participating from Floydada, Olton, Levelland, Odessa, Snyder, Lubbock, Hereford, Ft. Stockton, Seminole and Hobbs, New Mexico.

Dr. Bryan Sims of Lubbock was the physician for the event.

Participating from Floydada were: Raul Romero, won a decision over Hector Castillo of Odessa; Shane Derryberry, won a decision over Dustin Sherwood of Ft. Stockton.

These boys are trained by Sharkey LeCroy, Juan Vasquez and Sheryl LeCroy. Ninety-five percent of the crowd were parents, relatives and friends from out of town.

**Punkin Day is next week Oct. 27th!**

Cow Patty Bingo tickets available at the Chamber Office, The Hesperian, Assiter Insurance or from any Chamber member for \$5.00

1st Corps Support Command, Fort Bragg APO 09657

197th Infantry Brigade APO 09315

11th Air Defense Artillery Brigade APO 09656

3rd Armored Cavalry Regiment APO 09209

If the APO/FPO number is not known, or if one has yet to be assigned to a unit, mail to individual service members should be sent to the individual's address prior to deployment. It will be forwarded as quickly as possible.

## Serving In the Middle East

(Editor's Note: The Hesperian will be publishing a list of Floyd County servicemen, who have been sent to the Middle East. If anyone in the county has a son or daughter there please let us know and we will add their name to the list, so that other residents may remember them in their prayers.)

# Simpson, Jones and Hale win 6th week of football contest

Earning the \$10 first place prize for this week in the Hesperian Football Contest was W. H. Simpson. He was one of two entrants who missed six games out of the 22 possible on the contest. Both of these entries selected Floydada as the winner over Friona. The tie breaker score was used to determine first and second place in the contest. Simpson guessed a total combined score of 28 points, twelve points lower than the actual total 40 points scored by Floydada. Friona did not score any points.

Glady's Jones claimed second place in the contest selecting a tie-breaker score of 24. She will receive the \$6.00 check for her efforts this week.

Sammy Hale missed seven games, selecting Floydada to win and choosing a tie-breaker score of 40 points. He will earn the \$4.00 third place check. All winners may pick their prize checks at the Hesperian Office on Friday.

Honorable mention goes to six other entries that missed seven games. These contestants and their tie-breakers are Joy Allen (32), Travis Gentry (38), Willie Luna (25), Terry Turner (35), Duncan Woody (35) and Jennifer Noland (42).

**MAKE SURE ENTRIES ARE CORRECTLY FILLED OUT**  
Entries need to be filled out properly. Be sure to circle the number of the team you choose to win on the OFFICIAL ENTRY FORM which has your name and address on the top. Select a winner in the tie-breaker game and enter your guess of the combined scores of both teams in the little football provided. Clip out the small square entry form and turn it in at the Hesperian Office by five p.m. on Friday afternoon.

You may want to retain the remainder of the contest page to keep track of your choices as you watch the games on the weekend. This will allow you to see how you did in picking the winners as the weekend progresses.

**LEADING THE CONTEST**  
Joy Allen is still out in front for the \$56.00 season prize with 93 total points. Duncan Woody remains in second place with a score of 91 total points. Franklin Harris is now alone in third place with a cumulative total of 89 points. Susan Simpson and Sammy Hale each have 88 total points. A. W. James and Jared Mosley are next on the list with 87 points.

Others in the running at this time include Mike Anderson, Sheree Cannon, Andy Hale, Sherry Hale, W. O. Newberry and Terry Turner who all have 86 points. T. L. Holland and Willie Luna each have 85 points and Deneen Marric, Nicole Mosley, Mike Reeves, Sarah Sanders and Clay Simpson now stand at 84 points each. Sammy Bradley, Wes Campbell and Carl Lewis now have 83 points.

Everyone is urged to turn in their entry each week to remain in the running for the \$56 final prize as well as the weekly money prizes being awarded. Remember, only one entry per person per week and only one winner per household per week.

**CONTEST SPONSORS**  
Among those providing fulltime sponsorship for the contest are Floydada Implement, Ray Lee Equipment, Don Hardy Car Wash, Floyd County Seed, Floydada Co-op Gin, City Auto, Thompson Pharmacy, Lighthouse Electric, Pay-n-Save in Floydada, The First National Bank of Floydada, Brown Implement, Our Place Drive-In, Davis & Sons Builders Mart, The Floydada Branch of The First National Bank in Lockney, KKAP Radio, the Floyd County Hesperian and R-Photography. Helping out by sponsoring on alternate weeks are Script Printing and Office Supply, Nielson's Restaurant & Catering, Quality Body Shop, Cornelius Conoco, Dixie Dog, Don Green Auto Parts, Hale Insurance & Real Estate and Producer's Cooperative Elevator.

Let the sponsors know that you appreciate their efforts in bringing this contest to you. Trade with them whenever possible and promote business at home in Floydada. These merchants and business firms contribute their time and support to many local activities. This is a chance to show your appreciation and support for them.

## JV 'Winds pound Friona

Floydada's Junior Varsity Whirlwinds were somewhat unfriendly hosts to Friona at Wester Field on October 11 as they ran away from the Junior Chiefs 36-14.

Ronnie Hernandez started the scoring avalanche with a 3-yard TD run in the first quarter. Keith Teeple passed to Jason Pyle for the two pointer. Hernandez added another score later in the first period, but the attempt for two failed.

Floydada's barrage continued in the second quarter, with Teeple hitting Jason Pyle with a 25-yard TD pass. Gabino Suarez tallied on the two-point conversion. Shortly before halftime, Suarez intercepted a Friona aerial and dashed 94 yards for the touchdown. Jonathan Simpson scored on the two-

point conversion pass from Teeple, and the Junior 'Winds took a commanding 30-0 lead into the locker room at intermission.

Tate Glasscock scored on a 7-yard run in the third quarter, but the conversion attempt failed. Friona finally got on the board with touchdown runs of 80 and 8 yards in the fourth stanza against Floydada's second unit defense.

Coach Lee Hurt named Wayne Wells, Keith Teeple, Ronnie Hernandez and Gabino Suarez as the outstanding offensive players of the game. Recognized for their defensive performances were Gabino Suarez, Adam Gonzales and Brandon Gilliland. The JV 'Winds travel to Dimmitt for their second district game this Thursday.

**PYLE IN FOR SCORE--Jason Pyle hauls in a 25-yard touchdown pass from Keith Teeple in the JV Whirlwinds' 36-14 victory over Friona on October. The JV 'Winds travel to Dimmitt this week to face the Junior Bobcats.** Staff Photo

## Floydada Breezers sweep two from Friona

Floydada's 7th grade Breezers improved their season record to 3-2 with a 20-0 victory over Friona's 7th graders on October 11. Floydada started slowly, but held a 6-0 lead at the half. The Breezers came on strong in the second half by posting 14 unanswered points.

Arnulfo Cervera scored on a 55-yard sweep, John Mendez scored twice on runs of two and four yards, and Cervera added a two-point conversion to account for the Floydada scoring.

Cited for their offensive effort was the entire line: Anthony Emert, Michael Mercado, David Watson, Tim Rando, Bill Wilson, Rance Barnett, Joe Ysasaga and Alex Vallejo. The defensive stalwarts were: Arnulfo Cervera, Alex Vallejo, John Mendez and Zach Abshier.

According to Coach Kyle Clark, "There was an outstanding effort by the offensive line in the second half. The defense played well, recording their third shutout of the season. They played their best game of the year by playing consistently, with few mistakes. It was great overall execution on both sides of

the ball."  
The 8th grade Breezers remained the only unbeaten Floydada grid squad with a 22-6 decision over Friona. The Breezers held a 14-0 lead on the strength of Pete Cooper's 13-yard run in the first quarter and QB Corey Johnston's 3-yard pass to Michael Gourdon in the second period. Cooper rushed for the two-pointer.

Cooper added a 9-yard run for a score and a two-point PAT in the fourth quarter to close out the scoring. Friona scored a harmless 6-pointer in the fourth quarter to avoid a shutout.

Coach Jim Burleson named the entire line, Bruno Mendez and Pete Cooper as

the outstanding offensive players. Those receiving defensive accolades were: Michael Gourdon (with two interceptions and one touchdown), Ian McIntosh, Jimmy Taylor and D.G. Hollums.

Coach Burleson noted, "We know our district is very competitive. Our players must continue to improve each week. However, these kids always play hard. They work hard and continuously rise to meet all challenges. The coaches are proud of the 8th Breezers' football team."

Both Breezer squads will host the Dimmitt Junior High teams at Wester Field on October 19.

**Lets Compare Hospitals**

**FACTS:**

1. Caprock Hospital is licensed for 40 beds, Lockney 20, and Crosbyton 50.
2. Caprock has an average inpatient of 3, Crosbyton - 13, and Lockney - 7.
3. Caprock has 40+ employees for just the hospital, Lockney has 60 for the clinic and hospital, Crosbyton has 80 for the clinic and hospital.
4. Caprock has 6 bookkeepers for just the hospital, Crosbyton has 3 for the clinic and hospital.
5. Caprock has 8% in-patience occupance, Lockney 35% and Crosbyton 36%.
6. Caprock taxes 3 precincts, Lockney 1 and Crosbyton - 0. That's right, Crosbyton has no hospital tax and they are surviving.
7. Caprock has 3 times as much land to tax than Lockney and of course Crosbyton doesn't have any.
8. Caprock roughly gets \$700,000 tax dollars now and Lockney gets \$360,000, Crosbyton gets 0.
9. Caprock gets twice as much money as Lockney and Lockney has twice as many in-patients, Crosbyton gets 0 tax dollars and they have 4 times as many in-patients.
10. Crosbyton sealed off 14 rooms to save money. Caprock has refused to even consider sealing off any rooms.
11. Why do people go out of town to the doctor. Office visits at our clinic are \$25.00 and at Lockney are \$10.00. Most people in Floydada and Lockney are on Medicare and Medicaid. Lockney charges them what Medicare and Medicaid will pay, in Floydada they charge more and make you pay the difference.

**THE PROBLEM IS NOT MONEY IT IS MANAGEMENT!**

They don't need more tax dollars, they need better management of the \$400,000 they were already getting.

Floydada opens district with blowout

# Whirlwinds scalp Friona

By Bill Gray

The Floydada Whirlwinds converted five Friona turnovers into 27 first quarter points, and opened defense of their 2-3A crown with an impressive 40-0 blanking of the Chieftains at Friona on October 12. Friona now falls to 1-5 for the season and 0-1 in district play. Floydada's record improves to 3-2-1 (1-0 in district) with its largest scoring output since defeating Friona 42-0 last November.

The Chieftains self-destructed by turning over the ball on the first play from scrimmage. Less than a minute into the game, Johnny DeOchoa recovered Curtis Brady's fumble and the Whirlwinds set up shop at Friona's 16-yard line. Keeping the ball on the ground, Floydada moved into Friona's end zone in seven plays as Tracey Johnson carried the last two yards for his first touchdown as a member of the Whirlwind Varsity. Kenneth Collins' conversion kick was perfect, and the 'Winds were on the way to their first district victory.

Following the ensuing kickoff, Friona picked up a first down on Curtis Brady's 15-yard gainer, but two plays later Brian Teeple intercepted Scott Houston's pass and the 'Winds were back in business at their own 45. Three plays later, Teeple found Collins on a deep crossing pattern and hit "KC" with a 53-yard scoring toss. The snap on the PAT was high, and Collins was stopped short of his attempt to convert for two.

On Friona's first play following the kickoff, Ismael Rocha couldn't find the handle, and gave up the ball to Jesse

Rodriguez. Teeple lofted a beautiful pass to Michael Aleman at the 15, but the ball was stripped at the Friona 5. It was Floydada's only turnover of the evening.

The Chieftains returned the favor by committing their fourth turnover in the first eight minutes. Ramiro Rios recovered Curtis Brady's second fumble, putting the 'Winds in scoring position at the Friona 10. Tracey Johnson rambled for his second TD on the next play, the pass attempt for PAT was incomplete, and the 'Winds were up 19-zip.

Friona failed to make a first down on its next possession and punted for the first time. Kenneth Collins fielded the ball at Floydada's 48, broke two tackles, and outran Friona's entire secondary as he registered his first punt return for a touchdown in 1990.

Teeple passed to Jammie Davis for the two pointer, and the Whirlwinds continued to light up the scoreboard. The first quarter ended with the 'Winds in command, 27-0.

A short Friona punt gave the Whirlwinds good field position as the second quarter got underway. Billy Joe Villarreal directed a 10-play, 49-yard drive by the second unit offense. A 24-yard pass from Billy Joe to Jaime Suarez moved the 'Winds to Friona's 18-yard line.

Six plays later, Quincy Johnson crossed the double stripe for another Whirlwind score. Andrew Cameron, Floydada's Foreign Exchange Student from New Zealand, scored his first point in American football as he booted the extra point. Floydada was on top 34-0 as

the first half drew to a close.

The "Battle of the Bands" at intermission was no closer than the score of the ball game. The "Spirit of the 'Winds'" clearly out-played and out-marched their counterparts. In spite of losing a number of personnel due to grades, the Floydada Band turned in another enjoyable and entertaining performance.

Friona gamely tried to get back into the contest early in the third quarter, but Curtis Brady again turned over the ball after a 56-yard gainer. The Whirlwinds' longest drive of the evening was helped along by Kenneth Collins' 26-yard run on a fake punt down to the Chieftains' 30-yard line. Floydada capped the 11-play, 90-yard drive on Michael Henderson's touchdown from the 5. Cameron's PAT kick was wide, and the score remained Floydada 40, Friona 0.

The Chieftains mounted one more serious threat to put something together with a 9-play, 53-yard drive in the fourth quarter. The Whirlwind defense stiffened, and the second unit offense ran out the clock on the Friona 1-yard line.

Whirlwinds will be severely tested this Friday as the 5-1 Dimmitt Bobcats come calling at Wester Field. Kickoff is slated for 7:30 p.m. Dimmitt survived a scare last week as the Bobcats had to come from a 7-0 first half deficit to edge Muleshoe 14-13. Friona will be hard pressed to get on the winning track when the Chieftains travel to Littlefield, a 7-6 victor over the Tulia Hornets last week.

BILL'S NOTES

The Whirlwinds played near-flawless ball in the league opener. Granted, Friona is not on par with the stronger teams of the district. Nevertheless, Floydada's first unit offense executed well. Ten different backs accounted for 242 rushing yards. A lot of younger people received some valuable experience.

There were a lot of penalties late in the game — mostly by second line folks — but, the turnover bug of past weeks took a welcomed hiatus. The Chieftains put the ball on the ground several times in the early going, but some of those miscues can be attributed to the Whirlwinds' hard-hitting and swarming defense.

Floydada's secondary didn't allow a completed pass. Friona's only long gainer went for naught due to a turnover at the end of the play.

My "Headhunter of the Game" award

"KC" SCORES ON PUNT RETURN — After having several punt returns for touchdowns called back due to penalties last year, Kenneth Collins tallied a 52-yard against Friona in Floydada's 40-0 blitz of the Chieftains on October 12.

Staff Photo  
goes to one particularly hard "pop." Johnny DeOchoa turned in his best defensive effort of the year, and had several hits of this caliber. The one Ochoa put on Chieftain Curtis Brady, late in the second quarter, earns Johnny my "Headhunter Award" this week.

Floydada can make a giant stride toward a playoff spot and the inside track for another district crown this week with a victory over Dimmitt. It won't be easy. The Bobcats are "for real," and are a class club. Their only loss was to perennial power Denver City, and the 'Cats were only a play or two away from taking that one. It will take an all-out effort to tame the Bobcats. It certainly won't be a game for the weak-hearted as the 'Winds will pull it out 27-21!

## Coach's Comments

By Coach Dean Bates

We are extremely pleased with our efforts against Friona last Friday night. We played well early in the game, and our execution was sharp offensively. We were able to play a lot of our younger players most of the game from the second quarter on. This will help us down the road.

Johnny DeOchoa had an outstanding game defensively at nose guard, and our entire defense chased the ball well the whole game.

We have an exciting challenge Friday night at Wester Field when we play host to the Dimmitt Bobcats. They enter the game 5-1 on the season and 1-0 in district play. The Bobcats are a well-balanced football team. It will take a good, solid performance from our football team — and our youngsters are looking forward to the game.

There will be a school-wide, city-wide pep assembly Friday at 3:15 p.m. at the junior high school gym. Hope to see you there, as our athletes deserve your support.

### Floyd County Hesperian FOOTBALL CONTEST

**CONTEST RULES**

Any subscriber or individual above the age of 7 who purchases a Hesperian from a news rack is eligible to enter this newspaper's weekly football contest, except employees of the newspaper.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing a particular game. In addition, indicate in the tie breaker football your guess on the total number of points to be scored by the two teams listed. Also circle the team you believe will win.

The only entries considered for prizes will be those appearing on official entry forms and brought to the Hesperian Office by 5 p.m. on Friday. NO MAIL ENTRIES WILL BE ACCEPTED.

Three cash prizes are offered each week. In the event of ties - the same number of correct games and equal scores on the tie breaker, prize money will be shared by those involved in the tie. The tie breaker score will be utilized only in the event of a tie on the number of games correct.

In the contest to determine a season winner and the recipient of the \$56 prize, each contestant will receive one point for each correct game selected on the official entry form throughout the season. Running totals will be kept by the Hesperian and weekly scores published regularly.

Print name and address plainly on the official entry form and double check your choices before clipping out the form and depositing it at the Hesperian Office before 5 p.m. on Friday.

Entries are limited to one per person per week. Weekly winners are limited to one per household.

**\$20.00 In Cash Prizes Each Week**

1st prize \$10.00    2nd prize \$6.00    3rd prize \$4.00

## Duncan Kids Can!

We have had a Tom Terrific first six weeks. Both teachers and kids are really working hard. Our kids have a great attitude about themselves and about coming to school. We are all really working hard to achieve. We appreciate your continued support and interest in Duncan. We are expecting to have a Tom Terrific school year. Our desire as a staff is to teach our kids more than they knew when we began! Please, feel free to come and join us at Duncan at anytime. We believe with all our hearts that Duncan Kids Can!

clock and time, problem solving, number order  
 Science: plant and animal environment, magnets, simple machines  
 Social Studies: neighbors and neighborhoods

### THIRD GRADE

Language Arts: main idea/sequence, punctuation/capitalization, Halloween writing, Thanksgiving diary  
 Math: addition - regrouping, subtraction borrowing  
 Science: plants  
 Social Studies: continents

### MUSIC

Overall objectives: singing, moving, playing and listening; Composer of the Month: Franz Joseph Haydn

### SKILLS

K - Explore environmental sounds; move with a steady beat; discriminate fast/slow sounds; loud/soft sounds, high/low sounds; imitate melodic patterns; discriminate BWN singing/speaking voice  
 1st - Review of rhythmic concepts (long/short sounds - quarter and half notes); discriminate high/low sounds; identify melodic notation; compare and contrast high/low concepts (also, fast/slow)  
 2nd - Imitate and perform a two-beat rhythm pattern; imitate and perform a three-beat pattern; compare and contrast dynamics; imitate and perform rhythmic patterns; discriminate fast/slow sounds; demonstrate knowledge of rhythmic concepts (even/uneven sounds/ steady beat; explore environmental sounds  
 3rd - Imitate and perform two-beat rhythmic pattern; (same for three-beat patterns); demonstrate knowledge of rhythmic concepts; perform specified movements; create new melody; construct soundpiece/homemade instruments; compare and contrast up/down directionality

### ACTIVITIES

K - Sing seasonal (holiday) songs; play singing games; listen and use expressive movement; accompany with rhythm instruments and melody instruments.  
 1st - Perform singing games; move with a steady beat; listen for image building; sing seasonal (holiday) songs and folksongs; hear music that tells a story; accompany with rhythm and melody instruments.  
 2nd - Sing popular songs and folk songs; sing seasonal (holiday) songs; perform singing games; perform locomotor and axial movements/games; accompany with rhythm and melody instruments, play "Ghostly Rhythms" games; hear music that tells a story.  
 3rd - Sing popular folk and seasonal (holiday) songs; accompany with rhythm and melody instruments (also, homemade instruments); move and use body percussion/games; identify melodic notation/games.

### SPECIAL EDUCATION

MATH: number order, place value, addition/subtraction with and without regrouping, clocks - telling time

LANGUAGE ARTS: alphabetical order, punctuation, prefixes/suffixes, story writing

### P.E.

This six weeks all grade levels are working on a fitness unit. Our objectives are to increase muscular strength, muscular endurance, speed and coordination, and good posture and muscle tone. Increasing flexibility is also an important focus. Our activities will include station drills, parachute exercise routines, jogging, aerobic trails and various endurance games. Testing will follow these activities so fitness levels can be monitored later in the year.

Following the fitness unit, we will work on spatial concepts. These include personal space, general pace, levels of movement (high, medium, low), direc-

tionality (right, left, forward, backward, up, down, etc.), pathways, range (near and far) and force. Children will learn how these concepts relate to their movement and to other people's movements.

Halloween games will be incorporated in both of these units. Halloween fitness routines, tag games and obstacle courses will be used in the fitness unit and Halloween relays, hunts and creative movement of Halloween characters will be used in the spatial concepts unit.

### SPEECH/LANGUAGE

Students are working in folders which include material geared to individual weaknesses.

### ARTICULATION

Students with articulation errors have pictures in their folders so that they can practice independently.

## Show Pigs for Sale

Duroc, Chester, Hampshire, Crosses

**Recent Placings**  
 Champion Chester - Haskell sale  
 Reserve Hampshire - Haskell sale

4 pigs sold at Plainview sale  
 (sold above sale average)

3 barrows will be in Texas Tech sale October 28th

**Coy & Jon LaBaume**  
 983-3334 after 5:00 p.m.

# Gas. It's A Natural Way To Protect Our World.

Leading scientists tell us that increased use of natural gas could dramatically improve the quality of our environment. Gas is the cleanest burning of all fossil fuels. So, unlike other fuels such as oil and coal, natural gas doesn't emit high levels of carbon dioxide into the atmosphere. These pollutants are believed to be a major cause of many of the environmental problems facing us today. One way in which natural gas is now being used to help reduce air pollution involves the injection of gas into coal burning facilities. This procedure can result in reducing nitrogen oxide emissions by as much as 60%.

So, when it comes to heating your home this winter - or cooking your food or heating your water - natural gas is the way to go.

Natural gas. It's clean. Dependable. And environmentally friendly. That's why, gas is a natural.

**ENERGAS**

Gas. It's a natural.

### EARLY EDUCATION

Identify and name self/members of family: me/myself/I, mother/mom, father/dad, brother, sister, baby, grandmother, grandfather, girl/boy, woman/man, adult/child

Identify and name farm animals and the sounds they make: cow/moo, horse/neigh, dog/bark, cat/meow, pig/oink, sheep/baa, chicken/cluck, turkey/gobble, duck/quack, goat, rabbit

Identify, name and know use of specific articles of clothing: pants, shirt, shoes, socks, dress, coat, hat, jacket, scarf, boots, gloves/mittens, underwear  
 Season/holiday: Halloween - black cat, jack-o-lantern, ghost, witch, costumes

Colors: blue and yellow  
 Shape: square

Nursery rhymes: Mary Had A Little Lamb and Little Bo Peep

Self-help: dressing/undressing - put on and remove clothing; know front/back and inside/outside of clothing; be able to fasten snaps

Health: safety from strangers  
 Gross motor: uses large muscle group - jumping, hopping

Fine motor: uses specific hand movements - strings beads, stacks blocks, shows hand preference

Cognition: Quantitative - slow/fast, few/many; Directional - far/near, over/under, low/high, inside/outside

Social: expresses joy, sadness, anger, surprise, jealousy

### KINDERGARTEN

Language Arts: sound discrimination, complete sentences, supply missing word, alphabet introduction

Math: one to one matching, sets, shapes, patterns

Science: classifying, sink/float, fire safety

Social Studies: home safety, poisons, Halloween/Thanksgiving, ways to learn  
 Health: drugs, health habits, body parts

### FIRST GRADE

Language Arts: initial letter, short vowels, capitalization and punctuation, context clues

Math: subtraction to 6, ordinal numbers, number line, greater than - less than

Science: simple machines, transportation, bicycle safety, Earth

Social Studies: Columbus, stranger danger

### SECOND GRADE

Language Arts: nouns, compound words, ABC order, suffixes and prefixes, dictionary skills

Math: addition and subtraction to 18,

**Ninety percent grown on High Plains**

**Producers cashing in on pinto beans**

A fourth of the approximately 930 million pounds of pinto beans grown annually in the U.S. are sold south of Interstate 10, mostly in Texas, New Mexico, California and Old Mexico. Now, Texas producers are beginning to cash in on that staple of the increasingly popular Tex-Mex and barbecue cuisines.

Experts estimate that Texans will do down about 150 million pounds of pintos a year.

This year, some 18,000 acres of pintos were grown in Texas, with about 90 percent in the High Plains, says Dr. Roland Roberts, vegetable specialist with the Texas Agricultural Extension Service. With yields averaging 1,500 pounds an acre, Texas is harvesting some 27 million pounds of pintos this fall.

That will make a lot of refried or barbecued beans, but it still is only about 16 percent of the demand in Texas alone, the Texas Department of Agriculture reports.

Colorado, Idaho, North Dakota and Nebraska produce about 81 percent of the nation's pinto supply. A large part of the Texas acreage is grown under contract to Colorado packers, Roberts said. Pintos harvested in the Texas Panhandle under such contracts are hauled to Colorado, packaged with local grown beans, and often shipped right back through the Panhandle to Texas markets, he noted.

A few pinto beans have been grown in the Texas Panhandle since the 1970s. Usually they were a "catch crop" after a more traditional crop had been lost to weather or other problems. Acreage ranged from 200 to 1,000 acres a year.

But in the last five years, increasing demand and more attractive prices for the farmer have prompted increased interest and acreage. Sluggish markets in 1982-83 saw the price paid farmers drop as low as nine cents a pound. For the past two years, however, the price to farmers has been about 31 cents a pound.

From less than 1,000 acres in 1980, Texas production climbed to some 9,000 acres in 1989, doubling this year. The pinto bean is an excellent crop for

the High Plains and many other parts of Texas, Roberts says. They are successfully cultivated as far south as the Rio Grande Valley.

The fertile soils, low humidity and bright sunlight of the Texas High Plains produce an excellent quality pinto, Roberts said. "Beans are very susceptible to foliage diseases," he noted. "Our semi-arid climate and high light intensity — with day after day of sunlight — keep diseases down."

"And we have extended periods without significant rainfall, so we can get the (bean) crop to mature and the pods to dry so they can be harvested without disease."

Educational programs conducted for the past several years by Roberts and county agents of the Extension Service have helped Texas farmers understand how the crop can benefit them in many

ways.

One advantage to farmers is the short time the crop is in the field, about 75 days. "When we can finish out a cash crop in 75 to 80 days, from seeding to harvest, we can fit that into a time slot between other crops," Roberts said. Pinto beans can be planted after wheat harvest in early summer for a second crop, and are harvested in time to plant winter wheat, for example.

Pinto beans, a legume, are valuable in crop rotation systems to improve the soil. They required standard row crop equipment already owned by most crop producers.

A special workshop and field demonstration by the Extension Service on the Gary Foster farm in Swisher County showed producers how to harvest the beans with minimum damage to bring top price.

**Mosley elected to county board**

Ricky Mosley of Lockney was recently elected to the Floyd County board of directors, October 8, 1990. Mosley represents zone one of the district.

Junior Taylor of Lockney was re-elected. Taylor represents zone two.

The purpose of the Floyd County SWCD, with headquarters in Floydada is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on con-

servation matters.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

As two of five individuals serving on the district board of directors, Mosley and Taylor will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

Mosley is active in youth activities and is involved with the Floyd County Fair Board, Floyd County Stock Show Association and is a Floyd County Farm Bureau Director. He and his family are active in the West College and Third Street Church of Christ. He is married to the former Lisa Gregory from Floydada. They have three children, Jared, Johnnie and Nicole.

Taylor is active in The Cedar Hill First Assembly of God Church and has served as an SWCD Director for 12 years.

He and his wife, Martha, have two children, Bud of the Cedar Hill Commu-

nity and Beth Joiner of Irving. They have two grandchildren.

In Texas there are 210 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCDs do not have the powers of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature to the land owner or operator.

AT A RECENT CEREMONY in Austin, Texas Agriculture Commissioner Jim Hightower presented a Texas Family Land Heritage certificate to Truman Merrell and Virginia Taylor for the Merrell Homeplace founded in 1890 in Floyd County. On the right is Dr. Charles Arntzen, deputy chancellor and dean of the College of Agriculture and Life Sciences at Texas A&M University, who gave the

address. The program, sponsored by the TDA, honors farm and ranch families who have kept their land in continuous agricultural production for a century or more. In this year's 17th annual Family Land Heritage Program, the TDA honored 119 Texas farm and ranch families from 76 different counties.

**Fruit tree disease control suggestions given**

Sometimes fruit tree care is forgotten or neglected in the fall, but it's a critical time for controlling many peach and plum tree diseases to insure a good crop next year.

Applying a copper fungicide now can stop or help reduce three of the major diseases that attack peach, apricot, and plum trees in Texas. These are peach leaf curl, bacterial leaf spot, and bacterial canker.

The puckered and distorted peach tree leaves that were either bright red or light green in diseased areas last spring were the result of peach leaf curl fungus. The time to control this disease effectively is in the fall by use of a copper-containing fungicide.

Bacterial leaf spot and bacterial canker can be partially controlled by fall spraying with a copper fungicide. Bacterial leaf spot affects both the fruit and the foliage. The infection causes fruit to

crack, and leaves develop angular spots that drop out. Bacterial canker will kill trees slowly. Damaged areas are slightly sunken and somewhat darker in color than the surrounding bark. As the trees break dormancy in the spring, gum is formed by the surrounding by the surrounding tissue, and may exert enough pressure to break through the bark and flow. The area beneath the canker has a soured odor.

Timing of the fall spray is critical for effective control and for avoiding tree damage. Unless applied correctly, copper, a metal, may cause severe defoliation.

Spraying should be done when 70 percent of the leaves have fallen. Spraying too early will cause leaf shed or cause the spray to be ineffective later.

**IBM BEGINNINGS**  
Integrated Pest Management was per-

formed in cotton by a Texas Agricultural Experiment Station entomologist in the Lone Star State.

This concept was extended to the entire South by a research program headed by the entomologist, Dr. Perry Adkinson, with the Texas A&M University System.

The concept utilizes cultural controls such as stalk destruction to avoid harboring overwintering insects and preserves and encourages "friendly" parasites, pathogens, and predators that adversely affect cotton insects. It also uses short-season cottons to avoid insect build-up and advocates toleration of insect damage within limits termed "economic thresholds."

As a result, Integrated Pest Management usually cuts costs and minimizes use of chemical insecticides.

This concept now has been extended to a wide range of crops, resulting in

more efficient production and a cleaner environment.

## Post office receives new computers

By Lori Mertins

The United States Postal Service recently installed two new computers in the Floydada Post Office Branch to enable the office to become more efficient in its mail service.

Postmaster T.E. Rice said that the Postal Service purchased the computers with cash nationwide, and that the new computers will not affect future postal service rates.

Rice said that the Floydada Post Of-

fice received its computers about two months ago. At the present time, they are used primarily for window operations. He said that the computers contain 814 different account numbers which enable them to do daily financial reports; mail first class, second class and parcel post; and keep track of stamp inventory and the number of stamps sold.

The computers have two screens, one for the clerk and one for the customer. Rice said that the customers seem to

appreciate the fact that they can now see how the rates are computed.

Rice said that they had to work out a few kinks because the office changed from a completely manual to a completely automated system. "So far it hasn't made our life easier," said Rice. He also said that eventually every post office branch will be connected by a computer system to the main office in Washington D.C., where they will report their daily transactions.

## Floydada Police Report

Continued from Page 1

On Wednesday, Oct. 10, police were called to the high school at 11:15 a.m., because a juvenile had assaulted the principal. The juvenile ran after the assault. The case has been referred to the juvenile's parole officer. The principal did not require medical attention.

A criminal mischief at the high school, was reported to police on Oct. 13. The incident occurred during the ball game Oct. 12. According to police, the passenger door of an '83 Cougar was scratched with an unknown object. A juvenile suspect has been named.

At 12:23 a.m. Oct. 14, Officer Beck observed a grey Oldsmobile run a stop sign at 4th and Price. The vehicle was stopped at 2nd and Lee, and the driver was found to be intoxicated. Isabel Lopez, 40, of Floydada was arrested for DWI. The passenger, Rubina Torres, 20, of Floydada was arrested for public intoxication.

On Sunday night, Oct. 14, a burglary

of a residence in the 200 block of East Crockett, was reported at 8:09 p.m. A brother of the resident arrived at the house unexpectedly and found a juvenile inside. The man knew the juvenile and he has been referred to his probation officer. Nothing is reported missing at this time.

Lopez was released on \$500 bond on Monday. Torrez was fined \$127.50 and is being placed on the city's work program to pay on this and other fines she owes.

On Tuesday, Oct. 16, Officer Beck donated his time to the March of Dimes Jail & Bail program. Over 20 people were "arrested" by Beck and brought to the makeshift jail at Oden's Chevrolet. Once there the prisoners were sentenced to raise donations through phone calls, for one hour. Over \$2,500 was raised for the charity.

### ACCIDENTS

Police were called to the labor camp

Oct. 13, at 8:52 a.m. to investigate an accident.

An '83 Mercury backed up in front of a '78 Ford. The Mercury was hit on the right front quarter. There was minor damage to both.

On Oct. 14, at 10:40 a.m. someone backed into an '81 Chevrolet Suburban which was parked in the middle of the street in front of Furr's Supermarkets. The driver of the other car left the scene. There was minor damage to the front bumper.

On Oct. 14, at 3:18 p.m. an accident with injuries was investigated in the 200 block of West Price.

According to police, "An '84 Ford pickup, driven by Roger Gooch and also occupied by his wife, slowed down for the railroad tracks and were hit from behind, by an '85 Dodge pickup.

The driver of the Dodge, Henry Gutierrez, 41, of Floydada was arrested for DWI.

Mr. and Mrs. Gooch were treated at Caprock Hospital and Methodist Hospital for neck injuries. They returned home Sunday night.

Gutierrez was later transported to Caprock Hospital, at approximately 8:00 p.m., complaining of stomach pains. He was kept overnight.

Gutierrez is currently in the county jail in lieu of \$5,000 bond on felony DWI charges and he also faces charges of driving without insurance.

On Monday at 9:00 a.m. in the 100 block of North Main, a '68 GMC truck was attempting to pull into a parking space and hit a parked '88 Ford pickup.

At 5:15 p.m. on Monday, a Mac truck ran over a gas meter barricade in the 100 block of West Missouri. There was minor damage to the right front bumper.

## Obituaries

### HORACE CARR

Services for Horace Carr, 79, of Floydada, were at 2 p.m. Tuesday, October 16, 1990, in Carr's Chapel United Methodist Church with the Rev. Jim Teeter, pastor, officiating.

The Rev. Brian Adams, associate pastor of Saint Luke's United Methodist Church in Lubbock assisted, and burial was in Carr's Chapel Cemetery under direction of Moore-Rose-White Funeral Home.

He died 2:30 a.m. Sunday, October 14, 1990, in Methodist Hospital in Lubbock following a lengthy illness.

He was born in the Harmony Community and attended Floydada High School and Draughn's Business College in Lubbock. He was a U.S. Army Air Corps veteran of World War II. He married Beth Rutherford in 1959 in Floyd County. He was a longtime member of Carr's Chapel United Methodist Church, a member of the Masonic Lodge in Petersburg and was a retired farmer.

He is survived by his wife; a daughter, Johnnie Latham of Bee Branch, Ark.; a sister, Maye Williams of Floydada; four grandchildren and three great-grandchildren.

Pallbearers were Ronnie Hopper, Elmer Dean Williams, Leon Williams, Phil Dunavant, Tommy Assiter and Allan Gross.

### CHARLES GINN

Services for Charles Vaughn Ginn, 50, of Petersburg were at 2 p.m. Monday, Oct. 15, in the First United Methodist Church with the Rev. Jim Teeter, pastor, officiating. Burial was in Floyd County Memorial Park under direction

of Moore-Rose-White Funeral Home. He died at 3:40 p.m. Friday, Oct. 12, 1990, in Lubbock's St. Mary of the Plains Hospital after an illness.

Mr. Ginn was born in Plainview and moved to Petersburg in 1965. He married Linda Welborn in Floydada in 1959. He was a farmer.

He formerly taught vocational agriculture and vocational education for the handicapped. He was a 1963 graduate of Texas Tech University.

He was a member of the First United Methodist Church in Petersburg, where he held various offices. He was also active on the school board in Petersburg and the Petersburg stock show board.

Survivors include his wife; two daughters, Caryn Malanax of Petersburg and Susan Ginn of Lubbock; a son, Phil Ginn of Augusta, Ga.; his parents, Guy and Margaret Ginn of Floydada; a sister, Jancy Rodgers of Petersburg; a brother, Pat Ginn of Lubbock; and three grandchildren.

Pallbearers were Bob Pierson, Les Ross, W.T. Leon, Hoyt Stephens, John Perry, Bert Grimes, Jim Fox and Steve Trowbridge.

### LARRY HADDERTON

Services for Larry Joe Hadderton, 45, of White River were at 3 p.m. Wednesday, October 17, 1990, in Hudman Funeral Home with the Rev. Tim Myers, pastor of White River Lake Chapel, officiating.

Burial was in Terrace Cemetery. Hadderton died at 12:15 a.m. Monday, October 15, 1990, in Lubbock's Methodist Hospital after an illness.

He was born in Spur and moved to White River in 1972. He married Judi Cook Jan. 22, 1965, in Post. He had

worked for the Texas Highway Department and was a Baptist.

Survivors include his wife; a son, John Heath of Lubbock; two daughters, Staci Hadderton and Arnie Hadderton, both of White River; his parents, Frank Sr. and Marilyn Hadderton of Canyon Valley; three brothers, Frank Jr. of Post, Randy of Canyon Valley and Michael of Floydada; and two grandchildren.

### JOHN MONTGOMERY

Services for John William Montgomery, 83, of Waxahachie were at 2 p.m. Tuesday, October 16, 1990, in Boze-Michel Funeral Home.

Burial was in Lakeview Cemetery under direction of Moore-Rose-White Funeral Home of Floydada.

Montgomery died early Sunday morning, October 14, 1990, at a relative's residence in Floydada.

He was born in Romulus, Okla., and moved from Lubbock to Waxahachie in 1979. He married Irene Whitlock June 29, 1934, in Frederick, Okla. He had worked as a supervisor for Moss-Gordon Lint Cleaners of Lubbock.

Survivors include his wife; four sons, George of Waxahachie, Donald of Fort Worth, William of Sherman and Charles of Dallas; two sisters, Sarah Ellen Smith of Floydada and Emma Price of Durant, Okla.; a brother, Oscar of Feld, Okla.; nine grandchildren; and five great-grandchildren.

## Andrews Halloween carnival set Oct. 31

After an absence of several years, the newly formed R.C. Andrews P.T.A. is sponsoring a Halloween Carnival Oct. 31, from 6:00-9:00. P.T.A. will sponsor a concession stand with hot dogs, frito pie, nachos and cotton candy. They will also have a cake walk with lots of delicious homemade goodies.

4-H is planning a wonderful Spook House with three separate areas to thrill your child.

Duncan P.T.A. is sponsoring a Dunking Booth with Mrs. Weir, Mrs. Enriquez, Mr. Baer, Mr. Christian, Coach Bates, Jimmie Collins and Mr. Cannon.

Fifth grade is having a Sponge and Cream Throw with the "victims" being Mrs. Enriquez, Margie Womack, Linda Smith, Amy Smith and other favorites.

There will be a Balloon Dart, Basketball and Football Throw. Also included are a Bean Bag Toss, Face Painting, Hair Repair, Fortune Tellers, Marriage Booth, Fishing Pond, Lollipop Flag and others. Halloween balloons will be available from a friendly clown.

Admission will be 25 cents for stu-

dents and 50 cents for adults. Those with Andrews P.T.A. membership get in free with their card.

Wednesday will be an exciting day, so

make plans to attend the Costume Contest, come eat with us and let the kids have fun while you take a break from the trick or treaters.

**SETTING THEMSELVES UP FOR A FALL--FISD administrators** have agreed to man a "Dunkin' Booth" at the PTA Halloween Carnival on October 31, from 6:00 p.m. - 9:00 p.m., at R.C. Andrews. Dunkies for the event will be (left-right) Ellen Enriquez, Bobbie Weir and Dean Bates. Dunkies not pictured are Jerry Cannon, Jimmy Collins, Joe Christian and Larry Baer. Everyone is invited to come out and take aim at their favorite FISD celebrity. Staff Photo

## Public Notice

Southwestern Bell Telephone Company has filed an application with the Texas Public Utility Commission to introduce two experimental services called Call Forwarding - Busy Line and Call Forwarding - Don't Answer.

Call Forwarding - Busy Line and Call Forwarding - Don't Answer are optional call management services that will automatically forward a customer's incoming calls to a pre-designated number whenever that incoming call encounters a busy or don't answer condition. These services are for both business and residence customers. The company proposes that the services be available beginning November 19, 1990.

The monthly rates for Call Forwarding - Busy Line and Call Forwarding - Don't Answer are \$1.00 for residence customers and \$3.00 for business customers. The monthly rate for subscribing to both services is \$1.75 for residence customers and \$4.00 for business customers. During this experimental offering period the installation charges will be waived.

Call Forwarding - Busy Line and Call Forwarding - Don't Answer are expected to generate first-year revenues of approximately \$752,000.

Call Forwarding - Busy Line and Call Forwarding - Don't Answer will be offered on an experimental basis in selected areas throughout the state for 12 months. The availability of these services after that time will depend on Southwestern Bell's decision of whether to offer the services on a permanent basis.

Persons wishing to comment on these services should notify the commission by November 9, 1990. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or you may call the Public Utility Commission Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

# Senior Stars of '91

By Becky Porter

Rosalinda Gonzales is the daughter of Guadalupe and Irene Gonzales. She has two sisters and a brother who are also in FHS. One is her twin sister, Rosemary. She has attended Floydada schools for 12 years, even though she has also attended several other schools. Rosalinda says, "We do move alot and it's hard, but you know you have to. Sometimes it is good to get away from a place for a while and look for new things. You just have to accept it."

In her spare time, Rosalinda enjoys reading, cooking, and listening to Bon Jovi while eating pizza. Her favorite box office hit is "Pretty Woman", and #1 song is "I'll be there for you."

The only thing Rosalinda would change about FHS would be, "I would offer more courses, so students would have a better variety to learn from."

When asked, "If you had one wish, what would it be?" She replied, "For the war in the Middle East to stop."

New to Floydada High School this year is senior Michael Gonzalez. Because his father was in the army, Michael has lived in Germany for nine years and has also attended school in Virginia, Kansas, and Washington. His parents are Orfalinda and Roberta Gonzalez and he has four brothers and sisters.

When asked, "What's the best thing about attending Floydada High School," he replied, "Everyone is friendly and full of school spirit!"

At six feet, two inches tall, it seems only natural that Michael is interested in basketball, football, and baseball. In his spare time, he likes to fish and collect baseball cards.

Mexican and Italian foods are his favorites and "The Simpsons" is his favorite T.V. series.

Michael plans to enter the air force immediately after graduation.

Good luck and God bless you, Rosalinda and Michael, this week's senior stars!

## Dec. 14 is deadline for scholarship applications

High school students who are interested in applying for \$1,000 college scholarships should request applications by December 14, 1990 from Educational Communications Scholarship Foundation, 721 N. McKinley Road, P.O. Box 5002, Lake Forest, IL 60045-5002. To receive an application, students should send a note stating their name, address, city, state, zip code, approximate grade point average and year of graduation. All requests for applications will be fulfilled on or about January 15, 1991. Seventy-five winners will be selected on the basis of academic performance, involvement in extracurricular activities and need for financial aid.

**STUDENT EARNS BLACK BELT--** Monty Anderson, 11, received his Kunami Ryu black belt October 11, 12 and 13. Monty, representing Walters Karate, received this honor after 4 1/2 years of intense training and studying the martial arts. Monty is the son of Mike and Barbara Anderson of Floydada.

**APPLE OF OUR EYE--** Carolynn Smith was honored teacher this week, at Duncan Elementary. Smith, a third grade teacher, has been teaching for 26 years. She is a graduate of Floydada High School and West Texas State. She has been married to Dale Smith for 21 years and has three children, Shawn, Shannon and Sharon. Staff Photo

**JAIL AND BAIL --** Floydada Mayor Wayne Russell lent the dignity of his office to the pursuit of funds for the March of Dimes last Tuesday. Russell was one of many local citizens who were 'arrested and jailed' for the cause. Each then made calls to obtain 'bail money' in the form of donations from friends and acquaintances. Staff Photo

## Cross Country Corner

By Christy Benjamin

Saturday, October 13, Floydada hosted the White River Run at the Plains Baptist Assembly. The varsity girls placed fifth overall. Elisa Suarez came in first for Floydada and twelfth overall. Elisa had an impressive time of 12:24. Coming in next for the team was Linda Suarez, with an improved time of 12:36, which put her in sixteenth place. Tian Younger's strong finish was followed next y teammates Kalli Hicks, Angie Maldonado, Gabina Suarez, Leshia Black and Tonya Powell.

The junior varsity girls placed a very impressive second out of the teams running, Saturday. Leading them to their outstanding finish was Lezlie Warren. Lezlie finished third, with a time of 13:03. Teammate Tami Coanougher was close behind, finishing in fifth place. Linda Dagley also made the top ten, coming in eighth. Kristi Hinsley and Aimee Fondy soon followed to add points to the teams total.

Others running in the JV division were: Heather Fondy, Crystal Sanders, Pepper Hinkle, Carrie Emert, Mandy Bailey, Stacy Myers, Holly Henderson, Jodee Breed, and Katharine Davis.

The varsity boys finished in fifth place. Jamie Suarez came in first among his teammates, with a time of 18:17. Michael Aleman came in next for Floydada, followed by Gabino Suarez, Billy Villarreal, and Richard Gonzalez.

We applaud these teams' fine performances. Now all of their hard work and determination will be put to the test. This Saturday, October 20, the cross country teams will return to the Lubbock course to compete in the district meet. Coaches Logan and Rice believe the teams have progressed well in the past weeks and are capable of the challenge ahead of them. The meet begins at 11:00 in the morning. Show these teams that you're behind them by cheering them on to victories Saturday.

We believe in you, Winds. . . Good Luck!!!
