A view from The Lamplighter

By Ken Towery

Judging from what we read in the newspapers, people are all upset by revelations that their Congressmen have been engaged in a little quiet check kiting up in Washington.

We really don't understand why people get so mad about something like this. After all, the Congressmen have been writing hot checks for years and years, witness a federal debt running into the trillions of dollars and a budget deficit in the billions of dollars.

This time however we would have to admit it's a little different. The Congressmen, including our own Congressman Sarpalius, have been bouncing rubber checks in their own little private bank, which they created in order that they might not have to undergo the trials and tribulations ordinary people must undergo when they wish to spend more than they take in, or when they inadvertently spend more than they take in. The bank, if we may call it that, is, or was until it became embarrassing, just another of those little "perks" of office that help make life bearable for people making only \$125,000 per year for part time work. One shudders to think how many checks were bounced back when the Congressmen were making only \$90,000 per year, plus this and that.

And then there's the little matter of \$300,000, plus or minus, in unpaid bills over in the House dining rooms. We've always figured they were not only well paid, but well fed. But \$300,000 in unpaid restaurant bills?

As a matter of fact, however, we shouldn't imply that our Congressmen have consumed that much without paying for it. Most of the bill, according to press reports, was run up by constituent groups who travel to Washington and eat in the House dining room as guests of various Congressmen. The Congressman signs the tab, since he is the only one who can, and somehow the bill just didn't get paid. Obviously the Congressmen have been reluctant to lean on people who may have helped in their campaigns and may help in the next. It's easier to just let it slide. True, the responsibility to see that the bill is paid rests with the Congressman, but responsibility is a word many of them have difficulty comprehending.

The guilty Congressmen have offered all sorts of lame excuses. Some point out that the money doesn't involve tax dollars. No? Who, pray tell, pays for the quarters that house the bank, and the restaurants? Who pays for the staffs that run the operations. Who subsidizes the operation, from beginning to end? The answer of course is that all that expense is borne by the same people, the taxpayers, who pay \$125,000 per year in salary to lawmakers who can't even balance their checkbooks without the aid of staff.

Then there are those Congressmen who blame it all on a temporary lapse of memory, which given the circumstances and some of the people involved, is understandable.

Still, there's a good side to it. At least some of the offenders have promised, faithfully this time, that they will do better, if only the people will reelect them. True, that's what they said when they raised their salary. More money was going to make better lawmakers. But that was months ago. This time they really mean it.

We can understand why so many people get so upset over things like this, and somehow fail to get upset at other, more egregious wrongs committed by our lawmakers. This is something the people understand, something people have a feel for. Many ordinary citizens, struggling to get by on one-tenth what a Congressman makes, are not strangers to the occasional notice of "insufficient funds" from a friendly bank. He, or she, knows how difficult it is to make ends meet and pay the taxes necessary to keep the government from confiscating

Full day planned for Punkin Day visitors

By Alice Gilroy

It is time for the fit and the not-so-fit to dust off their tennis shoes and get ready for the fun and games of the 1991 Punkin Days.

All the races will be back to kick off the days activities. The in-shape folks will start the serious race at 10:00 a.m., when the 5K runners hit the streets.

The folks out for a Saturday stroll and a visit with their friends, speed away from their starting line at 11:00 a.m., with the Fun Run and Stroller Race.

The Fat Man's Race, composed of the even lesser fit folks, will entertain those who survived the first two races, beginning at 11:30 a.m.

For those of you not interested in racing, the arts and crafts booths will be open on the courthouse square from 9:00 a.m. - 5:00 p.m. Hand made arts and crafts will be displayed from all over the United States. The convenience of the booths and the sales among the downtown merchants, will provide an opportune time for shoppers to stock up on early Christmas gifts.

Food booths will also be abundant to satisfy those who work up an appetite with Punkin Days games.

Little ones will be delighted to know that the famous and popular pumpkin drawing contest, the great pumpkin toss and the pumpkin bowling games will return.

Those a little bit older can enjoy the pumpkin carving contest, the wheelbarrow races, the pumpkin races and the new seed spitting contest.

It is time for the businesses, organizations and individuals to start forming your teams to challenge your arch rivals in the Pumpkin Pie Relay races. The organizers promise this year that the pies will be cooked!

The relay race is a timed event with teams of four. There is a \$4 entry per team to cover the cost of the pies that are destroyed.

Tickets for the popular Cow Patty Bingo are now on sale. The bingo board will be drawn on the street NW of the courthouse and the cows will be ushered into the ring at 1:00 p.m. For \$5.00 a ticket, an individual could win \$200.00 if the cow "bingos" on your number; \$300.00 the second time the cow "bingos", or \$500.00 on the last "bingo".

The chamber is asking everyone to

bring in more entries for the categories of the smallest pumpkin, largest pumpkin, ugliest gourd, prettiest corn, best painted pumpkin, best carved pumpkin and best pumpkin pie.

These entries need to be at the judges tables by 10:00 a.m. on Saturday, October 26. You also have to register your guess for the weight of the trailer load of pumpkins by 10:00 a.m.

PRIZE PUMPKIN--Seven-year-old Brenna Dawdy is hoping that her home grown "Big Mac" will be the winning pumpkin at the Punkin Days contest Oct. 26. Her pumpkin, along with many other pumpkins, was grown from seeds provided to Duncan Elementary by the Floydada Chamber of Commerce. The winning pumpkin grower will receive a bicycle, courtesy of Floydada's Pay-N-Save and Coca-Cola. Brenna is the daughter of J.O. and Cheryl Dawdy of Sandhill. She has three sisters, Leigh, Erin and Johanna. ---Staff photo

County includes Lockney ambulance drivers on workers comp coverage

By Juanita Stepp

The Floyd County Commissioners approved a resolution adding the volunteer fire fighters who serve as ambulance drivers to the county workers

compensation with the Texas Association of Counties. The passage of the resolution will insure that the drivers are covered in the event that they sustain an injury during the performance of their duties when outside the city limits of Lockney on a county ambulance call.

The action was taken to safe guard the volunteers due to a contract between Floyd County and the City of Lockney which relieves Lockney of any liability when volunteer fire fighters are engaged in fighting a fire outside the city limits.

The county has agreed to assume the liability for the fire fighters who serve on the volunteer ambulance crews.

Motion for the action was made by Precinct 2 Commissioner Floyd Jackson, seconded by Precinct 3 Commissioner George Taylor, and approved by unanimous vote.

One of the bids was disregarded as it was not a legal bid. Babe Jones, Inc. of Floydada had submitted a bid of "\$500 over the highest bid up to \$22,000.00." This type of bid cannot be accepted and considered. Bids must state the actual dollar figure.

Bud Watson Machinery Company of Midland bid \$8,600.00 and Bee Equipment Sales of Lubbock bid \$20,145.00.

Floydada children have already started participating by growing their own pumpkin, from seeds provided by the chamber. The child who grows the biggest pumpkin will be awarded a dirt bike during Saturday's Punkin Days. The bike is donated courtesy of Floydada Pay-N-Save and Coca-Cola.

A \$50.00 savings bond will be given to the Duncan Elementary student who wins the "Punkin Days" coloring contest. The pictures will be colored at the school, and are being supplied to the school by the Punkin Day committee.

Three \$50.00 savings bonds will be awarded to the winners of the new poetry contest, that best describes Floydada's Punkin Day's theme. One winner will be chosen from each of the schools, Andrews Elementary, Floydada Junior High, and Floydada

South Plains sets Fall Festival

The South Plains Community is planning a Fall Festival the night of Saturday, October 26. Activities are scheduled from 6:00 to 9:00 p.m. at the Community Center in South Plains.

The stage is set for fun, food and games.

A costume contest will begin promptly at six. Prizes will be given in each age category from children to adult.

Chili, frito pie and homemade pies will be served in the kitchen.

Games will be set up for all ages. They include bingo, a cake walk, basketball throw, fishing pond, bobbing for apples, balloon throw, bean bag toss and others.

Proceeds from the night will be donated to the Jimmy Jo West Love Fund.

Punkin Day bake sale will benefit West

A bake sale will be held Punkin Day, Oct. 26, on the courthouse square. All the proceeds raised from the sale will go to benefit the Jimmie West Love Fund.

Donations for the bake sale are welcome. The baked goods should be freezer wrapped and marked with the name of the items. For more information, contact Sudie, at 983-5165 or 983-3814.

Former teacher questions recent changes in school system, taxes

By Juanita Stepp

Joyce Kimble, a retired FUSD teacher, and Flo Davis met with the Floydada Independent School District Board of Trustees during the regular monthly session on Monday evening. The two ladies were present to pose a series of questions concerning recent changes in the staffing and operation of the district as well as the changes in the tax system now funding the operation of the school.

Kimble began by saying, "I am here as a voice for myself and for Flo and I am not alone. Several others have expressed their concern to me about the things I am going to ask about."

The first item Kimble raised was the addition of several positions at Floydada High School this year. She asked for a description of the duties of the assistant principle in charge of discipline, the detention aide, the aide for the counselor and the curriculum director. "Are these positions really necessary?" queried Kimble.

Superintendent Jerry Cannon answered Kimble, explaining that the positions of assistant principle, the aides and the curriculum director were all

hired as a result of deficiencies cited in Texas Education Agency (TEA) accreditation visits. He went on to say, "The assistant principle in charge of discipline is also in charge of textbooks and attendance, not just discipline. He has a lot to do."

FHS principle Joe Christian told the ladies that the detention aide supervises students in all schools who are hard core discipline problems. They are brought to the high school for alternative education procedures when they are deemed unable to function in a regular classroom. Cannon added that the aide is utilized in the remediation of students preparing for the Texas Assessment of Academic Skills (TAAS) testing when no problem discipline students require his attention.

Kimble asked Cannon, "What about the aide for the counselor? I think an English teacher would need an aide more than a counselor. I know I am walking in hot water here, but I have been in high school and I have been a teacher. A classroom teacher needs more help than a counselor."

By The Way

By Alice Gilroy

Thanks for all the nice comments and nice letters I've received about this column. It made my week. As a matter of fact, it made my year.

We also received a little note from a Mary Dorris, from Clovis, N.M., which she enclosed with her subscription renewal. She said that she sure enjoyed Carl Lemons' articles in the paper and she missed not seeing them anymore. She said, "Seems like there's not much there to look forward in reading since he is not writing now."

I just thought Carl would like to know that. Maybe someday he'll start writing occasionally.

Punkin Day plans are proceeding at a fast and furious pace. Brenda Hefflin and all her committees are doing an excellent job.

The square is going to be packed with arts and crafts booths from all over the United States. Betty Marquis, the chamber manager, said that she is still getting calls from people wanting a booth reservation. There is no room left, and they are telling her to call back if there is a cancellation.

There seems to be a little worry among those involved in the planning, that people are being a little slow in decorating and getting "in the mood."

I agree with them, and we happen to be one of those businesses which is slow in getting decorations up. But we are going to do it and hopefully very soon. Betty is already getting calls setting up tours through the town and media people are already calling Brenda. So get moving folks. This is your chance to help Floydada shine!

Oh, By The Way—there are going to be lots of new prizes this year in the costume contests. Check out the story on Punkin Days.

It is also time to get your teams ready for the famous Pumpkin Pie Relay Race. It is going to be in two divisions this year: 25 years and up, and under 25 years old. The organizers have designated one person as the pie cooker! They promise that the pies will not be runny this year!

I stopped a rumor last week about somebody else. Now I have to dispel a rumor about me.

Believe it or not (and I don't know how), there was a rumor that I was not at Floydada's Membership Breakfast on Friday morning because someone had taken a "shot" at me.

I'm not sure what kind of shot was meant from the person who told the original story, but the story ended up with me being shot at (with a weapon).

I'm really sorry I didn't make it to the breakfast, but it was only because I couldn't get a baby sitter at 6:30 a.m. if anyone was shooting at me, I didn't hear it or feel it.

I hate to bring up this next subject, but there is something I have to talk over with ya'll.

The matter is rising costs in printing and mailing your newspaper. It's also about decreasing advertising revenue.

We have to look at ways to cut costs around here without having to constantly raise subscription rates or ad rates. The one thing that jumps out at us as a money losing venture is the TV guide.

Now that we have combined the Lockney and Floydada newspaper, we are having a hard time finding the space to put all the news around the county. It is particularly hard to get in all the school pictures.

The TV guide is not sponsored by anyone and is printed completely free of charge. There are no ads to help us out. The cost of receiving the service runs us approximately \$2,000 a year. That of course does not include the cost of printing the page with no ads.

Since we have to print pages in divisions of two, there are times we have had to print two pages, not paid for, just to

get in the TV guide.

For instance—we can print 2,4,6,8,10,12,14, or 16 pages. If we have more than 16 pages worth of news, we have to print another section of 2 or 4, etc.

Sometimes we have 12 pages full and we see that we still have pictures and news we haven't gotten in. We can't just put together one more page—we have to put together two more pages (not paid for). All this just to keep the TV guide, which is a free page too.

I know it gets very confusing, but I wanted to try and explain the dilemma we are in. We are still worrying over it, but I wanted ya'll to understand if in the future you don't see the TV guide.

Now I'll just take a week off and let everyone else take all the complaints.

We got Mary Hutton's address wrong last week.

I'm not real sure this is positively correct, but I do know for sure that the town was printed wrong.

Mary Hutton, c/o T.A. Hutton, 18200 S.E. 92nd Street, Newalla, OK., 74857.

Guess what my donut man gave me this morning? He gave me a complimentary donut with blue icing. It seems he is the proud grandpa of a brand new baby grandson!

In case anyone is wondering why I keep referring to him as the donut man, it's because I have never bothered to ask him his name. I'll get it next week, if I remember to ask or he remembers to write it down for me.

Here is his joke for this week.

Teacher: Tiffany, why did you write in your essay that the moon is more important than the sun?

Tiffany: Well, if we didn't have the moon it would be too dark to see at night. But the sun only shines during the day when we don't need it.

Grand Jury indicts four

Floyd County Grand Jurors handed down four felony indictments, October 2.

Manuel Bueno, 19, of Lockney, was indicted for the first degree felony of aggravated robbery, which occurred August 14, 1991.

Reynaldo Garza, 36, of Floydada, was indicted for the third degree felony of aggravated assault which occurred September 22, 1991.

John Bearden Griffin, 55, of Lockney, was indicted with the felony charge of DWI, which occurred on September 25, 1991.

Bobbie Doyle Turner, 48, of Floydada, was also indicted with a felony DWI charge which occurred on September 3, 1991.

In county court, Gordon Adams, 44, of Lockney, pled guilty October 3, to his September 5, 1990 charge of DWI. He was fined \$500.00 and sentenced to 6 months in jail which was probated for two years. He was also ordered to pay court costs.

Henry Gonzales, 30, of Plainview, was charged with theft on October 2. There was no disposition on this case.

October 3, the October 1 assault case against Guadalupe Solis was dismissed.

In J.P. court, October 1-8, there were 20 misdemeanor cases filed.

Floydada Police Report

Starting the week of October 1, Floydada police responded to a call at 10:38 p.m., from a woman who stated two 10 year old runaway girls were at her home. The woman was an aunt of the girls and told police that they had run away from Dickens County. One runaway had taken \$100.00 from her grandfather and had also taken his pickup.

The girls were returned to their homes.

October 2, a criminal mischief was reported from a business in the 100 block of E. California. Apparently rocks had been thrown at the west window of the business and had cracked the window.

Also on October 2, a resident on West California reported that the tags from his '72 Chevrolet were stolen. The theft occurred the night before.

Also stolen during the night of October 1, were the tags from a yellow '75 Chevrolet two door. The car was parked in the 600 block of W. Tennessee.

Police took a report on October 2, that sometime during the month of September, a .357 Magnum Colt Python and a Remington 1100 12 gauge shotgun were stolen from a residence in the 100 block of S. 12th.

A criminal mischief at a home in the 200 block of E. California was reported on October 2. The resident reported that sometime between September 20 and October 2, "big kids" had broken off her clothes line or bent them over. Neighbors had seen the kids swinging and rocking back and forth on the lines.

Police and the Floydada Fire Department were called out to numerous dumpster fires over the weekend.

On Saturday, October 5, three dumpsters were set on fire. The lids of all three were damaged.

On October 6, another three dumpsters were damaged by fire. The fires are being investigated as arson by the Floydada police and fire department.

October 6, at 11:33 p.m., police were called to a disturbance at Allsup's. Arrested at the scene were Raymond Lewis Beaty, 49, of Floydada, and Linda Brewer, 46, of Floydada. Both were charged with public intoxication.

October 7, at 4:30 p.m., a resident reported that sometime during the last week someone had stolen a wedding ring set with a 29 point diamond drop on a twisted gold chain and a nugget on a chain, from a home in the 400 block of W. Mississippi.

Also on October 7, FISD reported a criminal mischief. Sometime during the previous night someone broke out the windows of the boys bathroom at Andrews Elementary.

October 8, at 6:50 a.m., police received a report of an attempted burglary of a business in the 300 block of E. Missouri. Someone had attempted to enter the building the previous night by breaking out a window. Damage is estimated at \$40.00. No entry was made.

Also on October 8, police received a report of a burglary of a business in the 200 block of E. California. Sometime the previous night, someone removed the air conditioner from a window to gain entry. Stolen from inside was \$15.00-\$20.00 in cash and coins.

ACCIDENTS

Police investigated an accident on October 4, on Tree Street at the high school.

A '75 blue Ford Pickup was backing from a designated parking area when its bumper collided with the right front door of a grey Honda which was attempting to turn into a designated park-

ing area. There were no injuries and only minor damage.

Saturday, October 5, at 6:06 p.m., police were called to an accident at the intersection of Texas and Missouri.

According to police, a 1988 Chevrolet, driven by Cleo Fulton, of Floydada, was traveling south on S. Texas and failed to yield the right of way to a 1983 Buick, traveling east on Missouri and driven by Sam Baker.

The cars collided and both vehicles sustained front end damage. The totaled vehicles were removed by wrecker.

Fulton was taken to Lockney General Hospital by Floydada EMS, where he was treated and released.

Baker was later transported to the hospital by private vehicle. He was kept overnight for observation and released the next day.

Reception to kick-off author's visit

John Erickson, accompanied by musician-arranger Trev Tevis, will present a program of readings and original songs from the Hank The Cowdog Series on Wednesday, Oct. 16, for Floydada schools.

The schedule is as follows:
8:30-9:00 a.m. — Reception for the public at high school cafeteria;

9:30-10:30 a.m. — Program for Duncan Elementary School and Jr. High School at high school auditorium;

10:45-11:45 a.m. — Duncan Elementary Library, Erickson autographs and talks with children;

12:00-12:30 a.m. — Lunch at Andrews Elementary School;

12:45-2:00 p.m. — Andrews Library, Erickson autographs and talks with students;

2:30-3:30 p.m. — Andrews Elementary and high school program at high school auditorium

3:30-4:00 p.m. — Erickson will be autographing at high school library

John Erickson has been doing school programs for five years and has spoken to hundreds of thousands of kids in many states. He has published 23 books, some for adults as well as children. His programs are very entertaining to both

students and adults.

The public is invited to attend the 8:30 reception at high school and 120 tickets will be available for seating at the back of the auditorium for the 9:30 performance. The tickets may be purchased at the Floyd County Library for \$3.

The Floyd County Friends of the Library and Parent Teachers Association from Duncan and Andrews are sponsoring this special day.

Teacher questions changes

Continued From Page 1

Cannon explained that the TEA requires the district to have not only a clerical aide for the counselor, but a secondary counselor as well.

"I know I can speak for my wife (Sheree Cannon-FISD Counselor)," said Cannon. "She has been at school at 7 a.m. nearly every morning since school started and works until ten most nights. She is responsible for the coordination not only of the TEA mandated testing but also of seeking scholarships, preparing transcripts, handling personal problems such as teenage pregnancies and runaways, and attending student assessment testing and meetings."

The administrative explanation of the duties of the curriculum director was that he does all second appraisals in employee evaluations for the district as well as coordinating all areas of the school and all classroom instruction.

Cannon also pointed out that the teacher to student ration in FHS English classes averages only 13 students per teacher, one of the lowest ratios in the state.

Kimble then stated, "I am out of teaching six years and we don't have as many students, but we have more chiefs. We need to offer more to the students. We need more subjects, less administrators and less coaches. Too much money is being spent on administrators."

Cannon stated, "I don't think we are out in left field compared to what others are doing."

"I think we are out in left field as far as our emphasis goes. You know I think that and I have thought it for years. I haven't changed and I am not going to."

No action was taken concerning the discussion which included brief references to the murky explanations provided to date concerning the new taxation system stemming from the formation of the County Education Districts.

OCTOBER OUTSTANDING STUDENTS RECOGNIZED

Teachers, family and friends were on hand for the presentation of the October outstanding students. Two from each school were recognized and each received a certificate and the good wishes of the board for a job well done.

A. B. Duncan Elementary School recognized Mandy Holbert, daughter of Phillip and Stephanie Holbert, and Eric Gomez, son of Maria Ramirez. R. C. Andrews Elementary presented

Meredith Schacht, daughter of Clar and Judy Schacht, and Tyson Whittle, son of Mark and Teresa Whittle.

Honored by Floydada Junior High were Jennifer Bramlett, daughter of Bruce and Connie Bramlett, and Chad Hinkle, son of Bill and Duffy Hinkle. Jackie Alaniz, son of Gloria Hernandez, and Kenneth Davis, son of Velma Price, were recognized by Floydada High School.

OTHER MATTERS

One tax title lot was approved for sale and another authorized to be placed up for bids. Lot 9, Blk. 119, Original, Floydada, located at Georgia and Ninth, was approved for sale to Arvanna West for \$300. The sale will be final after all taxing entities involved have approved it.

Lot 8, Blk. 125, Original, Floydada, was authorized to be placed up for bids to be sold. This property is located on Georgia Street across from the Floydada Senior Citizens Center. Anyone bidding on the property should be prepared to make necessary renovations to bring the structure up to city code.

Motion for this action came from Michael Hinsley with a second from Steve Lloyd. The vote was unanimous.

Adrain Helms was reappointed to serve as the FISD representative on the Floyd County Central Tax Appraisal District Board of Directors. He has held the position since the district was set up and will serve for the next two years. Motion for the reappointment was made by John Campbell and seconded by Don Hardy. The appointment was approved by unanimous vote.

Cannon announced the receipt of a donation of a check for \$403.65 towards the athletic fund by the Athletic Booster Club. The contribution will be used to benefit school athletic programs.

He also told board members that several workshops are coming up which will count for school board training and urged board members to attend if possible.

Other business included the reading and approval of the minutes of the last meeting and the payment of monthly bills. There was no tax report. According to Administrative Assistant Jimmie Collins, a report will be available next month as current taxes are beginning to come in.

The board went into executive session to discuss personnel before adjourning the meeting.

PERFECT PANCAKES—Floydada Lions whipped up their own special recipe of crowd pleasing pancakes, during their fund raising Pancake Supper, Friday night.

The proceeds from the supper, which was deemed "very successful" by organizers, will go to the Jimmie Jo West Love Fund. Staff Photo

Letters To The Editor

Dear Mrs. Gilroy,
I am writing in response to the lady you wrote about in your column a few weeks ago, concerning transportation for the elderly or anyone else for that matter.

I work for Caprock Community Action here in Floydada. We are located in the Della Plains school building at 601 E. Ross.

As one of the drivers there, I provide transportation for anyone needing it, whether it's for shopping, paying bills, medical appointments or any public place within our service area, which includes Floyd County, Hale, Dickens, Crosby, Motley and Lubbock. Furthermore, it will cost nothing.

It is a free service with no discrimination. All you need to do is call and schedule with us through our toll free number, 1-800-692-4164.

We realize there are a lot of needs in our community and a lot of these needs we can meet at Caprock Community Action, just call our local office for more information. Our number is 983-3134. Remember if you need transportation call a friend, call Cap-Trans.

Olga Enriquez

Dear Editor,

I appreciate your column. You cover many interesting topics.

I fail to see the interest anyone gets from searching for minor incorrect grammar when there are so many topics of good that are being expressed. I find some typing errors sometimes, but I don't let that interest me as much as the topic of interest of the subject.

The paper was full of good things happening in our communities, both Lockney and Floydada, this past week. I just wondered how many errors Mr. Braly found. I feel his time would be better spent in finding something he

could do with his spare time to contribute to helping someone in need, than searching the paper for grammatical errors.

Beulah Baker

Dear Editor,

After reading Mr. Braly's letter in which he was so concerned with your misuse of grammar, I felt compelled to write a letter of my own.

I personally enjoy your column very much. I think it has not only to do with what you say, but how you say it. It has a relaxed and friendly format, similar to the kind of lifestyle we, in this area, are so fortunate to be able to experience. The articles are finely written, and I think understanding the information given is more important than nit-picking at it's grammar.

As for students learning bad grammar from your newspaper, it may be true sometimes, but your paper's style of communication is no worse than what is spoken daily in most households.

Last, but certainly not least, let me commend you on your MTV poll.

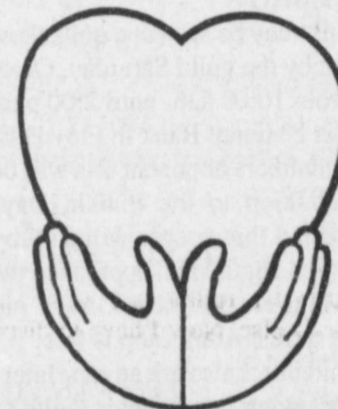

Unfortunately I did not get to participate, because I put it aside for later and remembered it too late. I don't think your idea was so much to determine what everyone else may watch in the

privacy of their own homes, but to give people the opportunity to not have it so readily available to their children.

Your paper is responsible for many good things. Please don't let the opinion of one close-minded person affect the good work you do. Like in anything else, there will be mistakes made, but in my opinion your good qualities certainly outweigh your bad ones.

In closing may I suggest to Mr. Braly, that he find something more constructive to do with his time than nit-picking grammar in our local paper.

Yours Truly,
Anna Reyes

Keeping You In Stitches Guild

By Sydney Jackson

The Keeping You In Stitches Quilt Guild has pieced and quilted a lovely sampler quilt in conjunction with Punkin Days. Each member designed and pieced two blocks.

The blocks were assembled and the quilt was quilted by hand by guild members. Guild members are selling raffle tickets for \$2 each or 3 for \$5. The drawing for the quilt will be held at 5:00 p.m. Saturday, October 26, at the community room of the Floydada First National Bank.

Individual members are selling tickets and they will also be selling them at various businesses in the county until the drawing is held.

The quilt will also be displayed at The Quilt Shop in Lubbock for one week where tickets may also be purchased.

Proceeds from the raffle will go toward facilitating seminars and classes on quilting trends and techniques, such as the Mexican Star class held last month.

Tickets can be purchased from the following guild members: Brenda Heflin, Kelli Redding, Ann Jones, Terrisu Mann, Sydney Jackson, Kay Brock, Shawnda Foster, DarLee Foster, Cindi Belt, Gay Terrell, Cris Taylor, D'Lynn Morris, Dara Ware and Jill Probasco.

QUILT SHOW

The quilt may be seen at a quilt show sponsored by the guild Saturday, October 26, from 10:00 a.m. until 2:00 p.m. at the First National Bank in Floydada.

Guild members hope that this will be a good addition to the Punkin Days festivities and that people will stop by the show and admire and appreciate the beauty and talent that people have put into these quilts. Admission is free.

Guild members also ask anyone interested in showing one of their quilts to please do so. The only way to have a successful show is to have a wide variety of quilts to display!

Members of the guild will be at the FNB in Floydada from 3:00 p.m. until 8:00 p.m. to accept entries for the show. Participants will be asked to fill out a brief information card about the quilt. The entries will be displayed Friday night and stored in the bank that night for safe keeping.

Saturday morning the quilts will be judged by three experts from Lubbock. The quilts will be judged in the following categories: hand pieced quilts, machine pieced quilts, hand appliqued quilts, machine appliqued quilts, whole cloth quilts, cross stitched quilts, wall hangings and baby quilts, antique quilts. Ribbons will be awarded in each category.

Whirlwind Sams Club

By Betty Gilbreath

The Whirlwind Sams of Floydada met at the Lighthouse Electric October 7, at 7:00 p.m. for the monthly meeting with President Claude Weathersbee in charge. Invocation by Boone Adams.

Secretary Frances Weathersbee read thank you notes from W.B. Cates, Addie Assiter and Jerry Livingston expressing their gratitude for cards, prayers and other acts of kindness shown them during their stay in different hospitals and having tests. Hope they can be restored to good health.

President Claude Weathersbee recognized our guests, Ruffus and Ruth Lusk from Spur, guests of the Blanton Hartsells and Mac Williamson from McAdoo. Mac is a former member of our chapter.

Refreshments were served by the McPherson's, chairpersons and the Newberry's assisted. A beautiful pumpkin table arrangement and lots of good food enjoyed by all.

Bob Kendrick was in charge of our program. Jean Kendrick presented a slide presentation titled, "Discover Columbus in America". Our country is rapidly approaching 500 years since Columbus set foot on American soil, narration was by Jean Kendrick.

Wagon Master Robert McPherson called on the trail boss for a report on our

next campout.

Those present at the meeting were the Adams', Cates', John Cockrell, Gilbreath's, Harrison's, Hartsell's, Kendrick's, Lyles', McElyea's, McPherson's, Newberry's, Parker's, Reecer's, Roberta Russell, Weathersbee's, West's, Willis' and Norrell's.

There were 18 rigs represented with 34 members and three guests present. The meeting closed with J.W. Gilbreath leading our chapter song, "Happy Trails."

Buffalo Grass Chapter NSDAR

Buffalo Grass Chapter NSDAR met Sept. 24 at Lighthouse Electric. A salad supper was served to 24 members and guests.

Mrs. Vera Jo Bybee, Regent, presided over the meeting, during which the report on national defense and the President General's message were given by Mmes. Virginia Taylor and Gayle Reay.

Mrs. Nancy Marble, program chairman, gave the patriotic program, "Let Freedom Ring." This was in observance of the 200th anniversary of the adoption of the Constitution of the United States.

The Bill of Rights was read by Gene Reed, Sherry Colston, June Sherman, Susan Dunavant, Loretta Denning, Dorothy Hodges, Mary Lou Bollman, Gladys Jones, Virginia Taylor and Carolyn Cunningham. After each presentation, she rang a school bell which was given to the Floyd County Historical Museum by the family of Judge John Burns, a member of a pioneer family in the Lockney area and a benefactor of the museum. The bell is believed to be more than 125 years old.

Those present were: Mary Lou Bollman, Gene Reed, Rilla Sue Woody, Sherry Colston, Sue Lovell, Ozena Norris, Dorothy Hodges, Nancy Marble, Ona Ruth Neff, Emily Johnston, Susan Dunavant, June Sherman, Gladys Jones, Janis Julian, Virginia Taylor, Carolyn Marble, Gayle Reay, Edna Workman, Vera Jo Bybee, Elfie Sherman, Martha Mangold, Connie Johnson, Carolyn Cunningham and Loretta Denning.

The next meeting will be Oct. 22. Mrs. Eugenia Bethard will lead the historical program, "Discover Columbus in America."

Alpha Sigma Upsilon

By Darolyn Snell

Alpha Sigma Upsilon, Chapter of Beta Sigma Phi, met at the home of Donna Webb on October 1, at 6:30 p.m.

The meeting was called to order by Extension Officer Robbie Odom, due to the absence of both the president and vice president at this meeting. Roll was called with six members present and three excused absent. All members stood for opening rituals.

Business discussed at this meeting concerned two possible donations. One was tabled for further discussion at the next meeting and the other was approved for immediate action.

Hostess Donna Webb then served a delicious meal of barbecued hamburgers, chips, iced tea, and cheesecake for dessert.

Robbie Odom then completed the program we began two meetings ago, on decorating T-shirts.

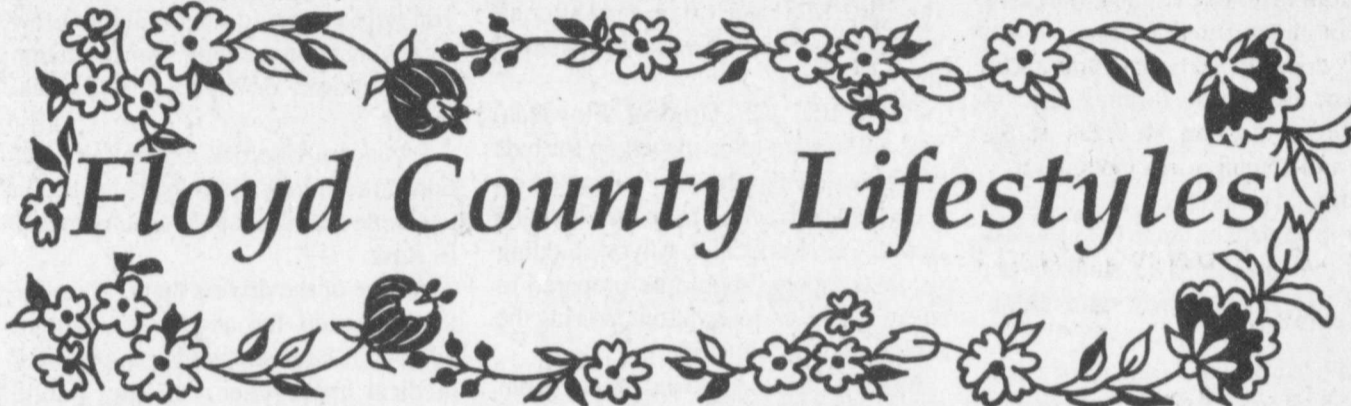

All members then stood for closing rituals and mitzpah.

Our next meeting has been moved to October 22. Hostess will be Tonya Evans, and Hope Warren will have the program.

PUNKIN DAY QUILT--This quilt, which is being quilted by the Keeping You In Stitches Quilt Guild, will be raffled off on Punkin Day, Oct. 26, during the club's Quilt Show at the community room of the First National Bank of Floydada. Entries to the quilt show will be taken Friday afternoon, Oct. 25, at the bank. The quilts will be judged Saturday morning and stay on display all day. Tickets for

the raffle can be bought from club members shown here: (l-r) Cris Taylor, Dorothy Neff, Brenda Heflin, DarLee Foster, Terrisu Mann and Jan Hiekelheim. Other members not pictured, but selling tickets, are Kelli Reddy, Ann Jones, Sydney Jackson, Kay Brock, Shawnda Foster, Cindy Belt, Gay Terrell, D'Lyn Morris, Dara Ware and Jill Probasco. --Staff photo

MEMBERSHIP BREAKFAST--The cast of the upcoming play, "Steel Magnolias," performed for the crowd that attended the Floydada Chamber of Commerce Member-

ship Breakfast, Friday morning. Approximately 100 people were served at the breakfast. Door prizes were also awarded and new chamber members were introduced.

Flu shots - Nothing to sneeze at

It's that season again. No, not flu season - that doesn't really get going until December, although the Centers for Disease Control starts its official surveillance on October 1. It's flu shot season - your one chance to get one-up on the bug.

According to Lowell Johnson, M.D., a family practitioner on Methodist's Hospital's medical staff, the best time for most people to get a flu shot is October or November because the vaccine's power to protect you will begin to decline within a few months. However, the flu season itself can last until April.

High-risk individuals should get the vaccine starting in September. This includes people who are closely associated with health care workers, residents of nursing homes, people with chronic pulmonary or cardiovascular disorders, pregnant women, people who have been treated within the last year for chronic metabolic disease and people infected with HIV virus. Other high-risk individuals are children between 6 months and 18 years old who regularly take aspirin for another condition and who are therefore at risk of developing Reye

syndrome after a bout with the flu.

There are some people who should not receive flu shots, according to the American Hospital Association. Influenza vaccines may contain residual egg protein, so people allergic to eggs should not get a flu shot. Anyone who has ever had hives, swelling of the tongue or difficulty breathing after eating eggs, falls into this category.

Several rumors about the danger of the flu may have some people worried. For instance, there was a slight rise in the incidence of Guillain-Barre syndrome, an extremely rare form of paralysis, associated with the swine flu vaccine in 1976. However, no flu vaccine since then has had any such associations. Also, a person cannot get the flu as the result of a flu shot because the vaccine contains only noninfectious viruses. Very young children, and others who have had no exposure to flu viruses, may come down with fever and discomfort for one or two days, but it is not the flu, and it is very unusual. As for others, a sore arm is the only side effect, and it is reported by less than one-third of those vaccinated.

City-wide garage sale slated Oct. 26

A city-wide garage sale will be held Saturday, Oct. 26. All proceeds will go to the Jimmie Jo West Love Fund. Mrs. West, a Floydada resident, is in need of a lung transplant.

"Roxanna Cummings and Evelyn Branch have offered to let us use a room at The Lamplighter Inn to hold the sale," said Sandra Noland, who is heading the project.

"They have been kind enough to let us use the room that used to be the Pat Walkers Salon," said Noland.

Volunteers are still needed to mark items and to work on Punkin Days. Paper sacks and coat hangers are also needed.

"The week before the sale, volunteers will be at The Lamplighter from 1:00 p.m. to 6:00 p.m. to take donations and mark the items," said Noland.

For more information concerning the garage sale, call Sandra Noland at 983-2087.

Floydada's Methodists plan harvest festival

The Council on Ministries of Floydada's First United Methodist Church has set Nov. 16 as the date for their Annual Harvest Festival. 0000

Heading the planning team for this year's festivities are Mr. and Mrs. Billy Stanforth.

The greatly anticipated handmade king-sized quilt is finished and on display now. Tickets for the quilt are on sale for \$5.00 and the drawing will be held immediately following the bazaar and traditional turkey dinner

Punkin Days

High School.

Two of the savings bonds will be donated by the Floydada Branch of The First National Bank of Lockney, and the other two savings bonds will be given by Floydada's First National Bank.

The Blue Denim Band will provide the country-western dance entertainment Saturday night, October 26, at the Massie Activity Center. The Punkin Day committee states that this is not a costume contest. You can come anyway you want to.

Every year the Punkin Days committee has strived to keep the festival's activities fun for the whole family. Games are planned with all ages and shapes and sizes in mind. Mark the week-end of October 25-26 on your calendar as the days you plan to spend laughing with your family in Floydada.

GOOD LUCK!!

Football Contest Rules

Any subscriber or individual above the age of 7 years old who purchases a Floyd County Hesperian-Beacon is eligible to enter this newspaper's weekly football contest, except employees of this newspaper and family members living in the same household.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. In addition, write in the two tie breaker footballs your guess of the combined total points to be scored by the two teams listed in each tie breaker football. Also circle the team you believe will win. Circle both teams if you think the game will end in a tie.

The only entries which will be considered for prizes will be those on official entry forms which are brought to the Hesperian-Beacon office in Floydada or to the Hesperian-Beacon Office in Lockney by 5:00 p.m. on Friday. No photocopies will be accepted.

NO MAIL ENTRIES WILL BE ACCEPTED.

Three cash prizes are offered each week. In the event of ties - the same number of correct games and equal scores on the tie breakers - prizes will be shared by those involved in the tie.

The tie breaker scores will be utilized only in the event of a tie on the number of games correct. Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at the Hesperian-Beacon office before 5:00 p.m. on Friday. Entries are limited to one per person per week. Weekly winners are limited to one per household.

Overhaul time for Lockney

By Isaac Cuellar

You could say the Lockney Longhorns threw a rod and shattered a piston or two last Friday night as they went west to take on Springlake-Earth.

The Wolverines came into this contest unbeaten and when it was over remained unbeaten at 5-0-0 by shutting out Lockney to the tune of 41-0. They gave Lockney the ol' 1-2 punch by scoring 1 TD in the first, two TDs in the

second and duplicating that in the third and fourth quarters.

Lockney brought their guns to this western gunfight but forgot their ammo. That will not be the case next week as Lockney hosts the Shallowater Mustangs.

"The Mustangs, aside from the Whirlwinds, are probably the toughest team we'll see to date," said Coach John Lowe. "We are just gonna have to play

real well to have a shot at winning this one."

Let's be in Lockney this Friday night and see the possibly re-built Lockney Longhorns tangle with the Shallowater Mustangs. That's this Friday night, Oct. 11. See you there!

Lockney P.T.A. holds first meeting

The Lockney PTA met for the first time this year September 30. After a chili supper a general meeting was called to order by President Kathy Allen. JoBeth Dietrich gave the secretary-treasurer report. The meeting progressed with new business. First, the 1991 Pumpkin Patch Carnival will be October 26, from 7 - 9 p.m. at the Elementary School. Door charge will be \$1.00 for adults and .50 cents for children.

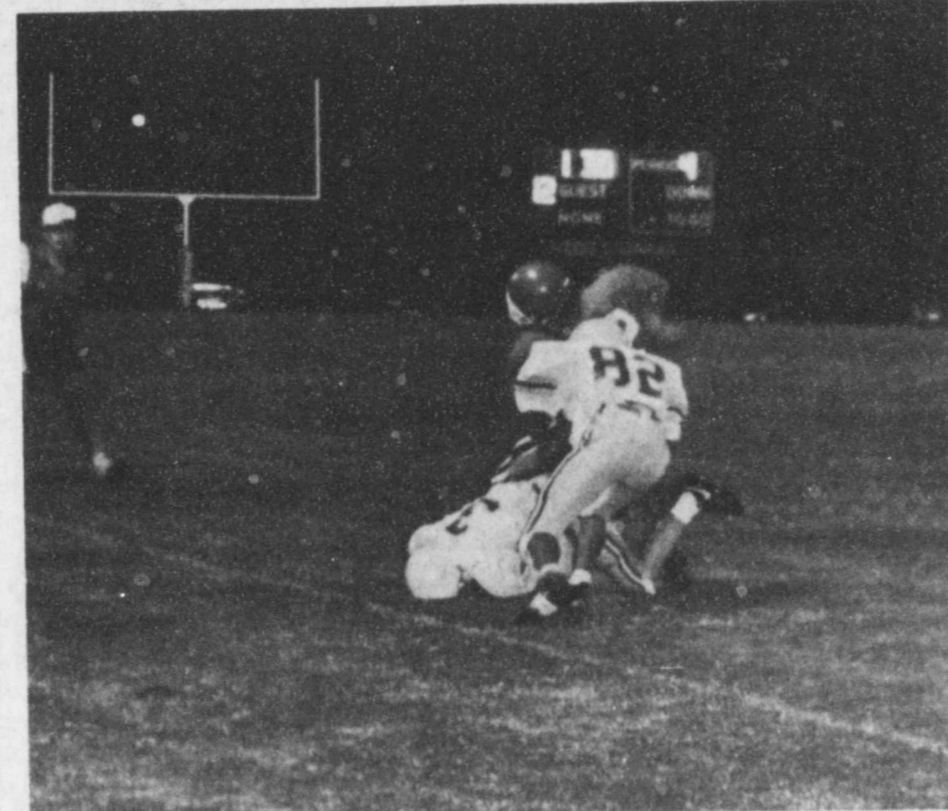

Anyone wishing to have a booth should contact Kathy Allen or Karla Stapp. The Winner of the Week Incentive Program was then discussed, it was with general agreement that PTA would get bids to provide the pictures.

November will be the next meeting for PTA, Program Chairman Terri Fortenberry has lined up a very interesting program. Any question, comment or suggestion you had for our school system, this will be a chance for you to express them. Parents will get to cluster with a teacher. This should be an interesting as well as helpful meeting for everyone.

Red Ribbon Week was also discussed. This year PTA is getting involved and a committee was formed. The members are Cris Taylor, Kathy Allen, Pauline Monroe, and Teresa Balderas. They will put red ribbons on cars at the Elementary School and will be working on some other ideas to help with this Drug Awareness Program.

PTA would like to thank Caprock Industries for supplying the meat for the chili. We hope parents will see the need for a united group of Parent and Teachers to benefit our children. Anyone wanting to join PTA should contact Susie Smith or Reeda Cay Smith.

Sixty five attend 4-H meeting

By Allen Martin

The Lockney 4-H Club held its first meeting of the year Tuesday, September 24, 1991, at 7:00 p.m. at the Lockney Community Center. There were approximately 65 people in attendance.

The meeting began with a trip to the Lockney Volunteer Fire Department. Everyone enjoyed a grand tour of the fire station and all of the equipment and the emergency vehicles. A special look at the new ambulance was a real crowd pleaser.

Once back at the Community Center, everyone enjoyed hearing all about the past summers activities. Cassidy Mallet told about her participation in State 4-H Roundup at Texas A&M University and the State Food Show. Max Green and Rhonda Hickerson also talked to us about the State Roundup and the State "Share-the-Fun" contest. Allen Martin, Lance Patridge and Tim Mitchell told about the 4-H Exchange Trip to Chilli-cothe, Missouri. Mandy Hunter, Sarah

Martin, Lindi Miller and Lauren Mangold filled us in on their clothing projects and the Fashion Review. Wesley Hunter told us about his Citizenship Record Book and Lance Patridge told about his trip to Chicago as a National 4-H Record Book winner. This year's County Camp reports came from Leslieann Hickerson, Cynthia Martin and Mikhael Durham.

New members were also introduced. New members present at the meeting included Lindsey Mathis, Tyler Phillips, Jefferey Hunter, Brittany Aston, Lexi Jones, Rita Mann Wiley, Bobby Mann Wiley, Robert Bartlett, Traci McQuhae, Kassidy Hill and Amanda Thompson.

It was also decided upon during the meeting that the Lockney 4-H Club would have a booth at the Annual Halloween Carnival. Tara and Cassidy Mallet led in a recreational activity, refreshments were served and the meeting was dismissed.

'Wind JV tops Slaton 36-22

Gabino Suarez scored on touchdown runs of 15, 10 and 20 yards to lead Floydada's junior varsity over Slaton 36-22 on October 3. Ronnie Hernandez also ran for touchdowns of 2 and 7 yards as the junior 'Winds amassed their biggest offensive output of the season. QB Josh Thayer passed to Casey Criswell for three 2-point conversions to round out Floydada's scoring.

The 'Wind JV record now stands at 2-1.

Trailing 6-14 at intermission,

Floydada scored twice in each of the final two quarters while holding the junior Tigers to one touchdown in the fourth stanza. Named as outstanding players on offense were Gabino Suarez, Ronnie Hernandez, Kevin Staples and Troy Johnson.

Suarez also led the Floydada defensive effort with two pass interceptions. Thayer also picked off a Slaton aerial to help the second half shut-down.

The JV travels to Friona on Oct. 10 to open district action against the Chieftrain JV.

FHS freshmen roll over Paducah

By Bill Gray

Floydada's 9th grade Whirlwinds defeated the Paducah JV Dragons 36-6 at Paducah on Oct. 3. Floydada built a 22-0 first half lead on the strength of two Dimas Marmalejo touchdown runs of 5 and 4 yards and Terry Harris' 30-yard touchdown. Marmalejo and Pete Cooper also added two-point conversions in the opening two periods.

Bruno Mendez added a third quarter 2-yard touchdown and a 15-yard pass interception for a TD in the fourth quarter. Sammy Rodriguez passed to Ken Cummings for a 2-point conversion in the second half. Andy McHam and Sammy Rodriguez also came up with key pass interceptions.

Derrick Martinez had an outstanding defensive effort, including a blocked

punt which gave Floydada excellent field position.

The 9th graders will split from the JV squad when they travel to face the Friona 9th grade on Oct. 10.

DUNCAN STARS--Selected as Stars of the Week at Duncan Elementary this week were: (back row, l-r) Michael Eubanks, Karla Stovall, Orlando Perez, Jackie Lucio, Jermaine Wickware, Bonnie Dunlap, David Sanchez, Paul Hart, Erick Gomez, Alicia Briones; (center row, l-r) Brenna Dawdy, Aaron Hernandez, Jessica Cas-

Floydada FHA-HERO class hears guest speaker from Texas Tech

By Maria San Juana Frairie

Miss Kellie LaBaume, recruiter for Texas Tech University, was guest speaker for our first meeting of the 1991-92 year. She told us about financial aid for college. She talked about jobs for people with Home Economics training. There is a lot of money if we will just fill out the papers to apply for it.

We met in the CVAE-Home Ec. room in Floydada High School on Friday, Oct. 4.

Yolanda Ledbetter served as chairman until elections are held. Maria San

Juana Frairie led the club in saying the creed. Our advisor, Mrs. Joyce Williams, told us the candy has arrived. We can sell candy bars to help earn our club expenses.

Mrs. Williams announced that the Women's Chamber of Commerce has invited San Juana Frairie to represent our club as a model in the style show at the salad supper Nov. 11 at Duncan cafeteria. We are all invited to attend.

We talked about Punkin Day, Oct. 26. We want to bake pies to sell that day.

Four of our classmates from CVAE-

Home Ec. were invited to the Migrant Students Retreat this week. We rode the school bus to the Baptist Encampment with Mrs. Williams. Francis Nieto won the "Most Improved" award for her leadership. Mary Lou Herrera, Priscilla Herrera and San Juana Frairie also attended the retreat.

In class we are studying grill cooking. After the TAAS tests are over we will start cooking short order foods on the grill. We have also studied money management, leadership, goal setting, nutrition, cooking equipment and terms.

We are ready to start cooking. We will help make breadsticks for the Day Care Spaghetti Supper. We will bake cakes for the nursing home.

Meeting was adjourned by Yolanda Ledbetter.

Coby Marr earns first place in fifth week of annual grid contest

Four entries with only 8 incorrect game picks tied for the winning honors in the fifth week of the Hesperian-Beacon Football Contest. The two tie-breakers were utilized in determining the winners of the weekly prize checks.

First place and the check for \$25.00 went to Coby Marr of Lockney. Marr missed eight games, but correctly selected Springlake-Earth as the winner in the first tie-breaker. He chose a combined score of 29, just 12 points shy of the actual 41 points scored during the game. He may pick up his prize check at the Hesperian-Beacon Office in Lockney on Friday, October 11.

The second and third place prizes were awarded after careful consideration of the first tie breaker answers with

three entries vying for the two prizes. All three entries had eight incorrect game picks and each selected Springlake-Earth to win, effectively shutting off that avenue for determining a winner.

Moving on to the combined score of the Lockney vs Springlake-Earth matchup, H. G. Graham of Lockney emerged with second place based on a total combined score of 26. His check for the \$15.00 second place prize will be waiting in Lockney on Friday.

Mike Anderson of Floydada landed in third place with the assistance of the second tie-breaker, Floydada vs. Slaton, to beat out his closest competition, Bob Alldredge of Floydada. Each had selected Springlake-Earth with combined

points of 24, necessitating the move to the second tie breaker. Anderson selected Floydada to win with a combined total score of 35 points. Anderson can pick up his \$10.00 third prize check on Friday in Floydada.

The actual combined score was 59. Alldredge guessed the score at 27 to garner the Honorable Mention spot this week.

FJHS Grid Action

By Bill Gray

Floydada's 7th grade Breezers continued their winning ways with an impressive 28-6 victory over Slaton's 7th grade Cubs at Wester Field on Oct. 3. Halfback David Mercado started the Floydada scoring avalanche with a 51-yard TD run.

Monte Anderson rushed for touchdowns for 4 yards and 1 yard out. Chad Hinkle also scored from 1 yard out. Vernon Cooper rushed for two 2-point conversions.

According to Coach Jim Webster, "Our defense shut them out, but we gave up a kickoff return for a TD to begin the second half. Marcus Collins ran well and Vernon Cooper and David Mercado had runs of 50-plus yards. On defense Omar Eguia played well at right cornerback and Jacob Guzman turned in a good game at strong linebacker."

The 7th Breezers open district play when they host Friona at Wester Field on Oct. 10. Kickoff is scheduled for 5:30 p.m.

The 8th Breezers didn't fare as well as they dropped a 44-22 decision to Slaton's 8th graders. John Mendez (8-yard run) and Zach Abshier (9-yard run) scored touchdowns for the Breezers in the first half. Arnulfo Cervera ran for a 2-point conversion in the first half.

The Breezers played well in the first half until the defense allowed 16 points in the last 10 seconds of the second quarter. The offense fought back in the second half, with Arnulfo Cervera scoring on a 32-yard run.

Named by the coaches as outstanding on offense were Cervera, Jose De-LaFuente and Zach Abshier. The 8th Breezers' record is now 1-2 and will open district play against Friona on Oct. 10.

'Winds hang on to 32-27 victory

By Bill Gray

The Floydada Whirlwinds closed out their non-district schedule of the 1991 grid campaign with a narrow 32-27 victory over the Slaton Tigers at Floydada's Wester Field on Oct. 4. Each had suffered its first loss last week, and the two squads came into the game rated 1-2 offensively among 3A units on the South Plains.

After the first four weeks the Whirlwinds were rated second behind the high-octane Tigers in total offense in the area, and were scoring at an average of 29 points per game — while allowing a paltry 6.6 against them. Slaton was equally impressive, scoring at a rate of 28 points-per-game while limiting opponents to only 12 per outing. Friday's contest lived up to its advance billing, with the two explosive offenses combining for over 800 total yards in a game not decided until the final seconds.

Floydada's second snap of the ball set the stage for a night filled with long, "home run" plays. Michael Henderson found daylight on the right side of his line, and motored 42 yards for a first down at Slaton's 20-yard line. A costly turnover on the next play ended the Whirlwinds' early threat as the Tigers took possession on their own 25.

Fullback Kevin Canady rushed 21 yards on first down, and a Shayne Murphy-to-Darryl Whaley pass moved Slaton to its own 44-yard line. Outstanding defensive efforts by Whirlwind noseguard Rafael DeOchoa and defensive back Quincy Johnson, coupled with pressure by Adam Gonzales, Scott Crader and the rest of the interior line, quickly shut the door on the Tigers and Slaton was forced to punt.

The Whirlwinds mounted a 4-play, 58-yard drive, highlighted by Kenneth Davis' 21-yard scamper down to the visitors' 30-yard line. On first down Henderson followed the blocking of Todd Cage and Tate Harris, and romped untouched to Slaton's double stripe. Michael Gilliland's PAT kick attempt missed its mark, but Floydada was on top 6-0.

A Slaton turnover led to the next Floydada score as a Joe Williams fumble gave back the ball to the opportunistic 'Winds at the Tiger 42-yard line. Again the 'Winds struck with the quickness and furor of a West Texas "norther." On first down Kenneth Davis followed a good Michael Henderson block and breezed in for his first touchdown of 1991. The conversion attempt for two points was stopped short and the 'Winds increased their lead to 12-0.

Following the ensuing kickoff, Slaton mixed the power running of Joe Williams and the pinpoint passing of QB Shayne Murphy to move to within scoring range as the first quarter drew to a close. The Tigers opened the second stanza with a 2-yard touchdown blast by Williams. Michael Bentancourt's PAT kick was perfect as Floydada's lead was cut to 12-7.

The Green Gang countered with its own brand of wide-open offense by moving 63 yards in just two plays. Billy Villarreal's 44-yard pass found Jesse Rodriguez all alone in the end zone, and Henderson's 2-pointer increased the Whirlwind lead to 20-7.

Ramiro Rios, Ruben Chavarria and Todd Cage and the Whirlwind front gave the Tigers trouble during the next Slaton series. Scott Crader sacked Tiger

punter Michael Bentancourt on fourth down, and the 'Winds were back on the attack at the Slaton 20-yard line. Slaton's defense stiffened, and Floydada elected to go to its "waggle play" on fourth-and-seven-to-go from the Tiger 17. Villarreal handed to Henderson who pitched back to Villarreal who swept 21 yards for the score.

The touchdown was nullified by a clipping penalty, but Villarreal dug a little deeper into his bag of tricks. On fourth down from Slaton's 21-yard line, the 'Wind QB tossed a strike to a wide-open Quincy Johnson. "Q-Dog" hauled in the aerial and Floydada was on the board again. The pass for the 2-point attempt fell incomplete, but the Floydada lead was extended to 26-7.

A fake punt on fourth down enabled the Whirlwinds to mount another scoring threat in the waning moments of the second quarter, but the half closed with Villarreal firing two blanks from Slaton's 17-yard line. Floydada took what most thought to be a comfortable 26-7 lead into the locker room at intermission.

It was a mad bunch of Tigers who came out in the early stages of the third period. Slaton jump-started its offense into an impressive 11-play, 41-yard drive before stalling at Floydada's 25-yard line. The 'Winds took over on downs, but were unable to regain their first half momentum.

On the second play following a Floydada punt, Joe Williams broke into the clear for a 41-yard gainer. Five plays later the Tigers were on the board again, thanks to a 9-yard pass from Murphy to John Chance. Bentancourt's kick attempt hit the upright, but fell through for the single-point conversion. Floydada's lead now was 26-14.

The Whirlwinds managed only one first down on their next possession before being stymied by the inspired Slaton defensive unit. As the third quarter horn sounded, the Tigers once again were doing their utmost to get back into the game. A timely pass interception by Floydada's Ramiro Rios switched the momentum back to the Whirlwinds early in the final period.

Floydada again struck quickly as Michael Henderson took a Villarreal pitch off the option, cut to the right, and galloped 41 yards for what would later prove to be the winning margin. The attempt for the 2-pointer failed, but the 'Winds felt that their lead was secure at 32-14. WRONG!

Floydada's Jesse Rodriguez intercepted a Slaton pass on first down following the kickoff, but the Tigers regained possession four plays later when Garland Wilkerson recovered a Whirlwind fumble. Just as the Tigers appeared to be smelling paydirt they turned the ball back over to the 'Winds. Ramiro Rios fell on the loose ball, and the Whirlwinds seemed to be on the verge of putting away the game. Wrong again!

The 'Winds failed to capitalize on the Slaton miscue as they picked up only six yards during their next series. Following a Floydada punt, the momentum factor definitely shifted to Slaton. The 'Winds were flagged for pass interference, enabling Slaton to keep their drive alive. With less than two minutes remaining in the game, Shayne Murphy hit Darryl Whaley with a scoring strike. The 2-

point attempt for conversion failed, but Slaton had cut their deficit to 12 points.

With 1:18 showing on the clock, Slaton executed an onside kick to perfection, with Joe Williams coming up with the ball at Floydada's 45-yard line. Murphy directed yet another touchdown drive with cool determination. Whaley pulled in an 11-yard pass from Murphy in the back of the end zone, and Bentancourt's kick was good. Only 15 ticks remained on the game clock.

The Tigers' last chance for a comeback was thwarted by Michael Henderson, as he fell on the next onside kick to give Floydada control at mid-field. Billy Villarreal took the last snap and went down to one knee to insure the hard-earned Whirlwind victory.

A disappointed Slaton Tiger will take his 3-2 non-conference slate into 3-3A district wars next week at Acuff against the 0-4 Roosevelt Eagles. The Whirlwinds start playing for keeps when they open District 2-3A action as they host the winless Friona Chieftains.

BILL'S NOTES

For the first 40 minutes last Friday night, the Whirlwinds had about as good a pigskin party as they've had in a couple of years. Only one thing was wrong. Schoolboy games last FORTY-EIGHT minutes, and they aren't over until the final horns sound.

What happened to the 'Winds in the final eight minutes that almost allowed Slaton a come-from-behind victory? It was a combination of things. New people filling spots for those injured and out of the game might have been one reason. Mental fatigue? Maybe so... it was a tough, physical game most of the way, and some of the 'Winds' sharpness began to wear thin at the end.

But, let's give some credit where credit is due. Slaton has some talented folks at some of the skill positions. Murphy was the best quarterback the 'Winds have faced this year. Joe Williams has all the tools to be one of the better runningbacks in the state, and is a pretty good bet to be playing on Saturday afternoons next year.

Slaton's multi-set offense is one of the more dangerous attacks around, and the Tigers have a legitimate shot at the playoffs this year.

Coach Bates and his staff had a good game plan going in, and for most of the evening the 'Wind defenders were well-disciplined and very aggressive against the multiple offense. The Whirlwind offense rolled up a whop-

Jones Equipment of Lubbock submitted a bid of \$10,500.00 and West Texas Equipment Company of Lubbock bid \$25,552.00.

The bid was awarded to the high bidder, Don Bailey of Hamlin, Texas. Bailey submitted a bid of \$27,760.00 for the heavy equipment item. Payment for the D7 Cat is to be made in cash as specified by the published bid offering. Four representatives of bidders were present at the session.

Three farm work contracts were approved by the court. Two were for Precinct 3. Jim Byrd and Rex Yearly each requested that a ranch road be worked. One contract for Travis Jones for reworking a waterway was approved for Precinct 4.

Attending the called meeting were Judge Bill Hardin, commissioners Connie Bearden (Pct. 1), Floyd Jackson, George Taylor and Howard Bishop (Pct. 4) and the Hesperian-Beacon reporter.

ping 320 yards on the ground on just 36 carries (an 8.9 yards-per-carry clip). Once again, Floydada's offensive line deserves a lot of credit for those numbers.

Kenneth Davis and Quincy Johnson made big contributions in relief of the injured Jammie Davis. A lot of playing time in earlier games helped both these young men.

Michael Henderson had his best game ever as a Whirlwind, rushing for 175 yards on 13 carries, scoring twice and running for a two-point conversion. He is my choice for offensive player of the game, and his 49-yard TD in the third quarter is the offensive play of the game.

Ramiro Rios' fumble recovery in the fourth quarter gets my nod for the defensive play of the game. Although the Tigers would go on to twice in the next couple of minutes, "Chucky's" play gave the ball back to the 'Winds just when Slaton appeared to be taking total command.

Scott Crader gets my vote for defensive player of the game... it was his best effort on defense by far, against one of the better offenses the 'Winds will face.

Friona comes calling this Friday. Although they haven't won in '91, they gave Canyon fits a couple of weeks ago... so they shouldn't be taken lightly. What ever medicine the Chieftains have in their bag, it won't be big enough to handle the "Green Giants, Twin Tanks, Boom-Boom, Chucky," and all the rest. The 'Winds will blow them away 41-7. Bill's other picks:

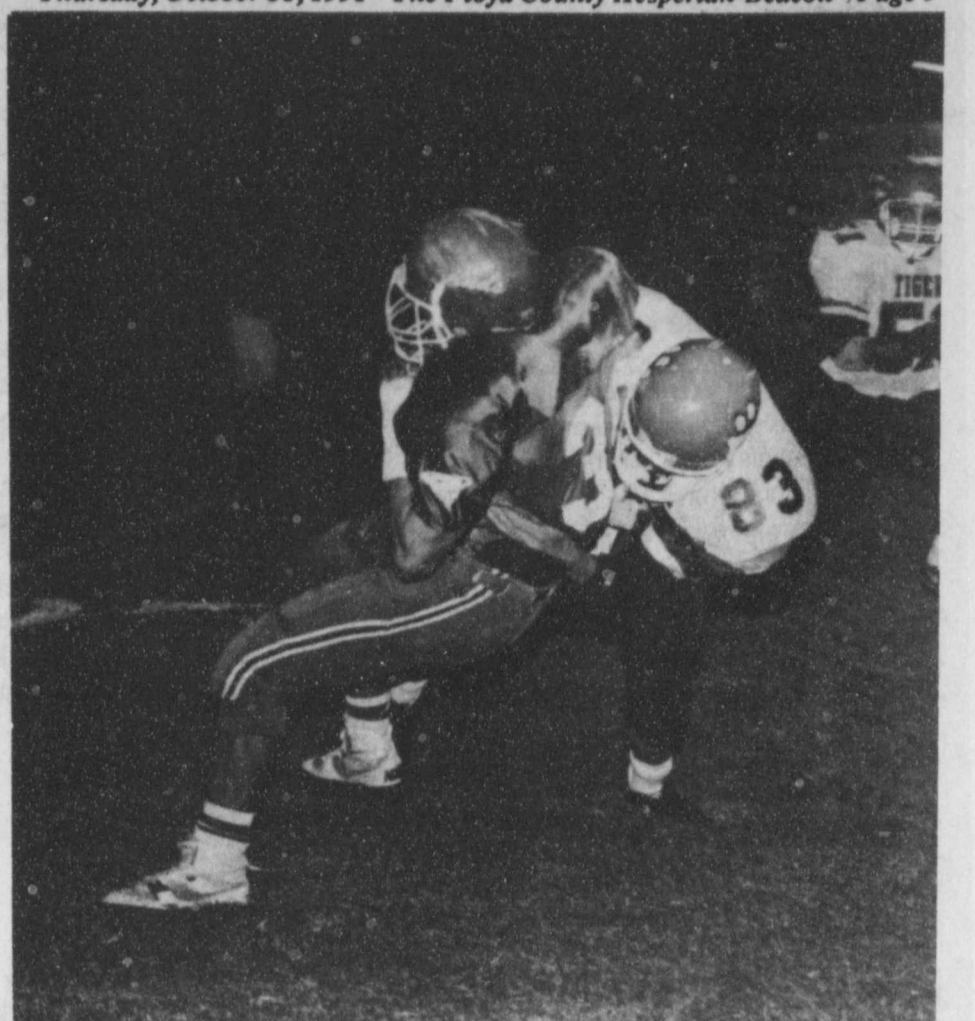

- Littlefield 26, Tulia 14
- Dimmitt 40, Muleshoe 0
- Canyon 9, Childress 7
- Slaton 35, Roosevelt 6
- Crane 23, Colorado City 14
- Dalhart 14, Sanford Fritch 8

Coach's Comments

By Coach Dean Bates
We were very pleased with our win over Slaton last Friday night. We executed extremely well most of the game. Our offense had over 300 yards at the half and we controlled the game until late in the fourth quarter.

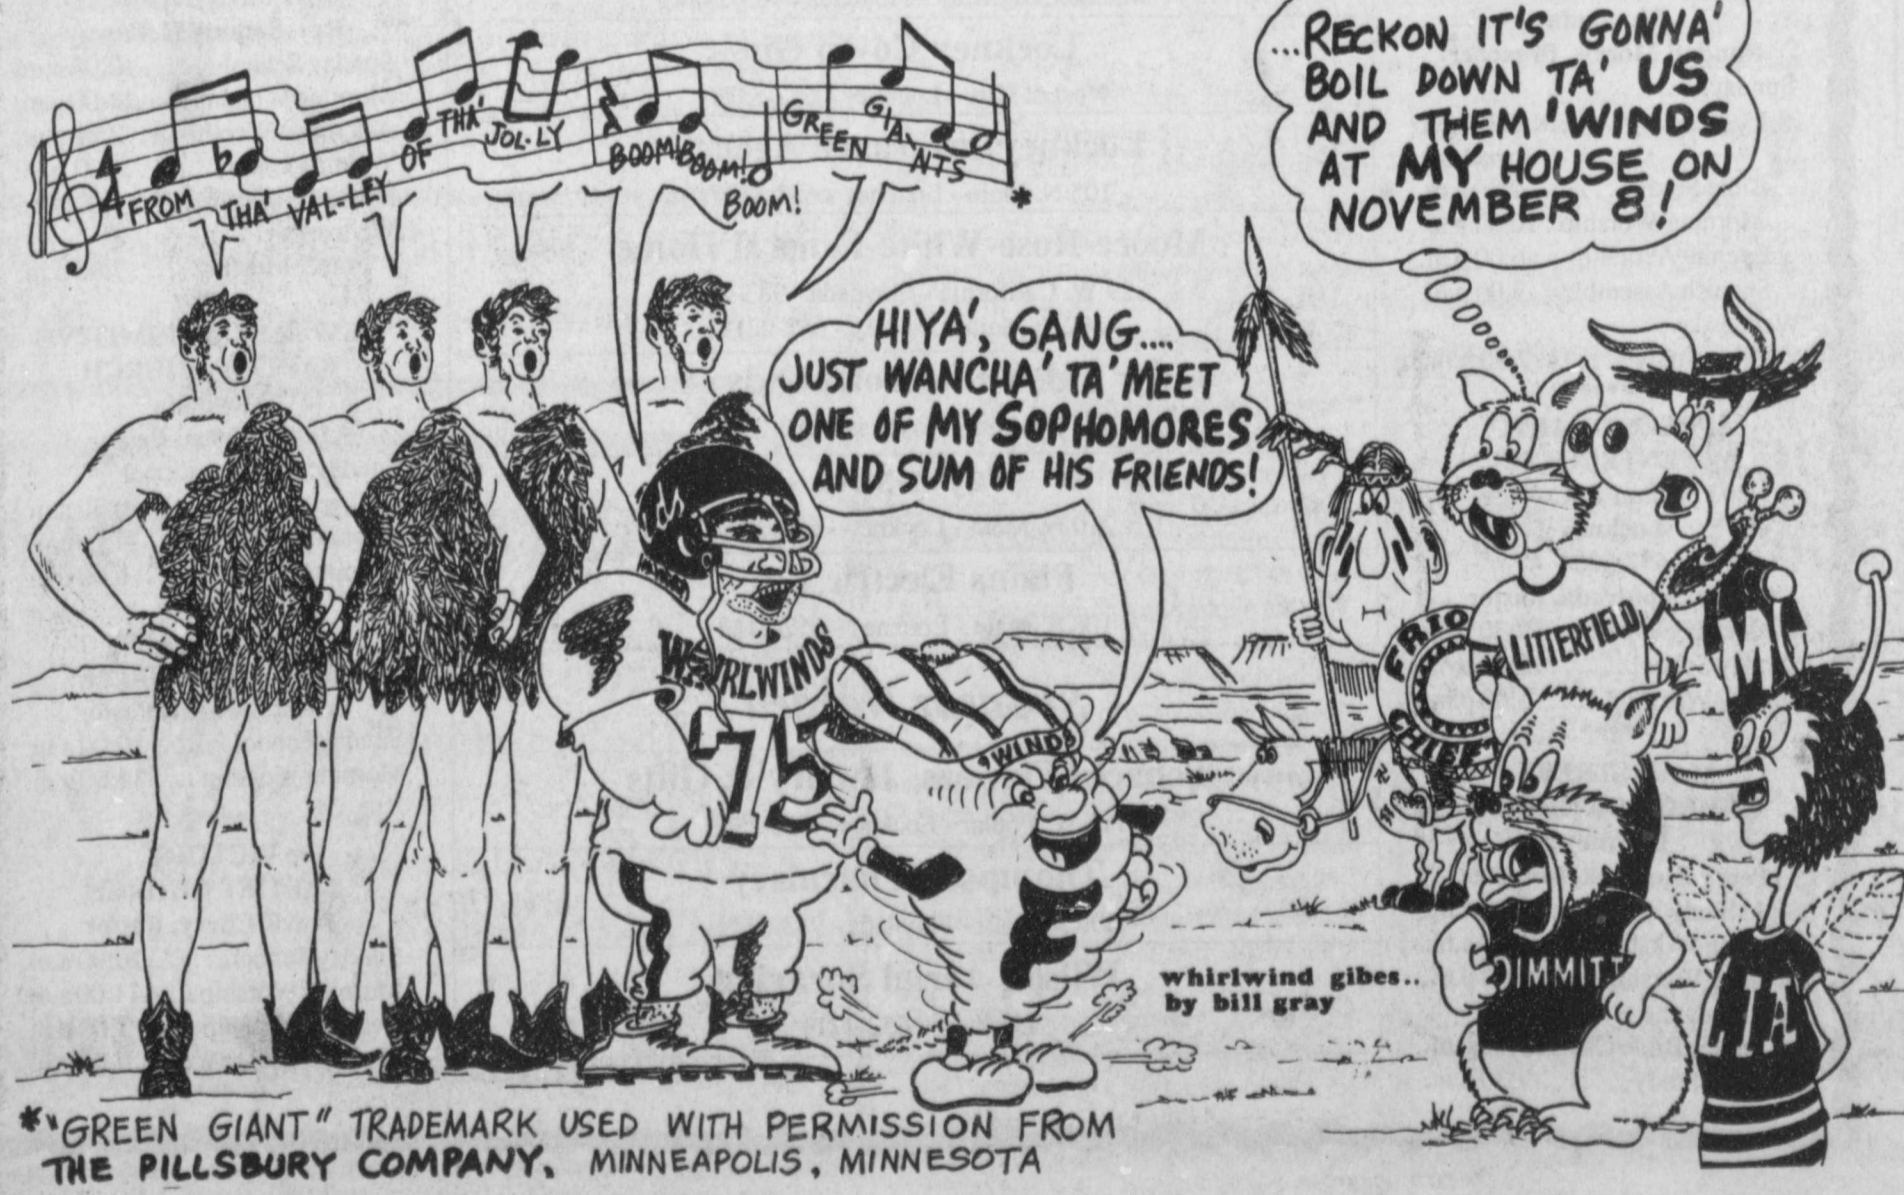

Slaton is an explosive offensive team and their multiple sets gave us a problem and they were able to get a couple of scores late which tightened the game. We have some adjustments to make but our effort again was outstanding. We open our district play at Wester Field this week against a Friona team that is 0-5. Our kids cannot be deceived by their record because they have some good athletes. We must improve each week and all the games are important now. Let's get the district started off right. See you at the game.

Cooper accepts post at Trinity Church

Edward A. Cooper, a long-time Lubbock resident, has recently accepted the post of Senior Pastor of Trinity Church of Floydada. Cooper and his wife have served the church as interim pastor since October of last year.

Pastor Cooper is a 1965 graduate of Monterey High School and is currently pursuing a Master's Degree at Texas Tech University and is completing the requirements for a certified drug and alcohol counselor.

He has previously pastored churches in Texas and Mississippi and is ordained through Faith Christian Fellowship in Tulsa, Oklahoma.

A recognized authority on youth problems, Cooper is a former juvenile

probation officer and currently serves as the Teen Court Coordinator for the City of Lubbock. He and his wife are founders and president of Child Advocacy, Inc., and Shiloh Ranch with an extensive outreach to abused, delinquent and drug abusive young people.

Cooper serves on numerous youth serving agencies and currently serves on the District Attorney's Gang Task Force and on the Board of Directors of the Lubbock Interagency Council. He is a frequent instructor at law enforcement and juvenile probation academics.

Pastor Cooper and his wife, Vairee, have three children, Wendy, a freshman nursing student at South Plains; Mark, a sophomore at Trinity Christian School, and Lindsey, a third grader.

Stroke warning signs given by rehabilitation institute

Suffering from a stroke is extremely frightening. However, there are ways to foresee a stroke.

A stroke is a disruption of blood flow to a certain portion of the brain, which is damaged when it does not receive blood with oxygen. Blood with oxygen is needed for the brain or damage will occur.

When a portion of the brain is damaged, then a function of the body is impaired.

Clogged arteries also can cause a stroke. These arteries can cut the supply of oxygenated blood to the brain. Another cause of strokes is hemorrhaging. These are extremely serious because

brain tissue or clots break loose from the arterial wall and block an artery.

According to Jacqueline Germain, M., medical director of Methodist Hospital's Rehabilitation Institute, the warning signs of a stroke are:

- Dizziness
- A temporary loss in memory or mental ability
- Numbness or weakness in the face, arm or leg
- Garbled speech
- Eye problems, including temporary loss of sight or double vision
- Recent onset of severe headaches

A person can also experience a "little stroke," called transient ischemic attack. The following may signal that immediate medical attention is necessary to prevent a serious stroke:

- Blackouts
- Falls which have no explanation
- Temporary loss of vision
- Dizziness
- Temporary weakness in the limbs

A full stroke rehabilitation program is offered by the Rehabilitation Institute. For more information, call (806) 793-4300.

whatever is owned. Then to see people who have been honored by election to high office act in such sleazy fashion can be troubling, even to the most forgiving.

Then there's the matter of House Speaker Gib Lewis. It's too long and involved to take up now, but the same earmarks are there. Arrangement of power.

In passing, we'll merely report what everyone already knows. The cotton crop, all the way across the rolling plains and up on the High Plains, is a mixed bag. Some fields look reasonably good, some will produce a little, and some look to be a complete washout. Some of the best we saw, thankfully, were here on the South Plains. The milo, by and large, looked good. And truckloads of pumpkins were already heading for the big cities.

And, in case you haven't noticed, the new gas tax is now in operation. But it's only an extra nickel a gallon. Cheers.

ORACION AL ESPIRITU SANTO

Espiritu Santo, tu que me aclaras todo, que iluminas todos los caminos para que yo alcance mi ideal, tu que me das el don divino de perdonar y olvidar el mal que me hacen y que en todos los instantes de mi vida estas conmigo, yo quiero, en este corto dialogo, agradecer por todo y confirmar una vez mas que nunca quiero separarme de Ti por grande que sea la ilusion material.

Deseo estar Contigo y todos mis seres queridos en la gloria perpetua.

Gracias por tu misericordia para conmigo y los mios.

La persona debera rezar esta oracion, decir la peticion y a los tres dias recibira la gracia por mas dificil que esta sea.

Mandese publicar en cuanto se reciba la gracia.

Gracias, Espiritu Santo.

Hunter education class scheduled

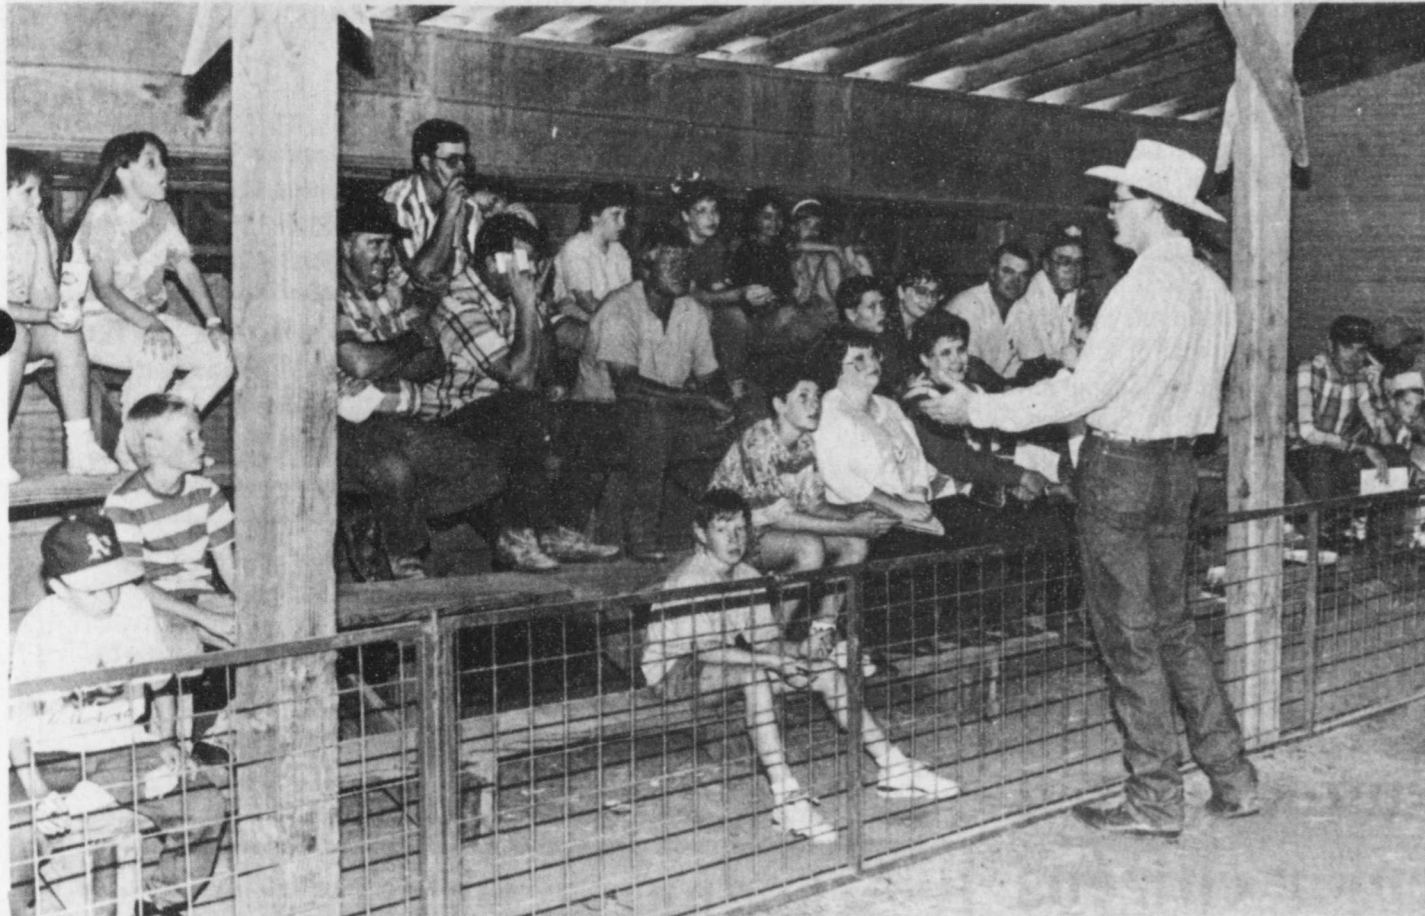

The Texas Parks and Wildlife Department and the Lockney Police Department would like to take this opportunity to announce the formation of a new class for the Texas Hunter Education Program. This is mandatory for youth wishing to hunt in Texas, born on or after September 2, 1971 to legally hunt.

These youths must have both a hunting license and a certificate of certification in their possession while hunting throughout the state unless they are accompanied by an adult 17 years of age or older while hunting. Accompanied by Texas law means this person must be within normal talking range of this person. Setting a stand by themselves during deer season is considered not accompanied by the state.

Approximately 40 states now require

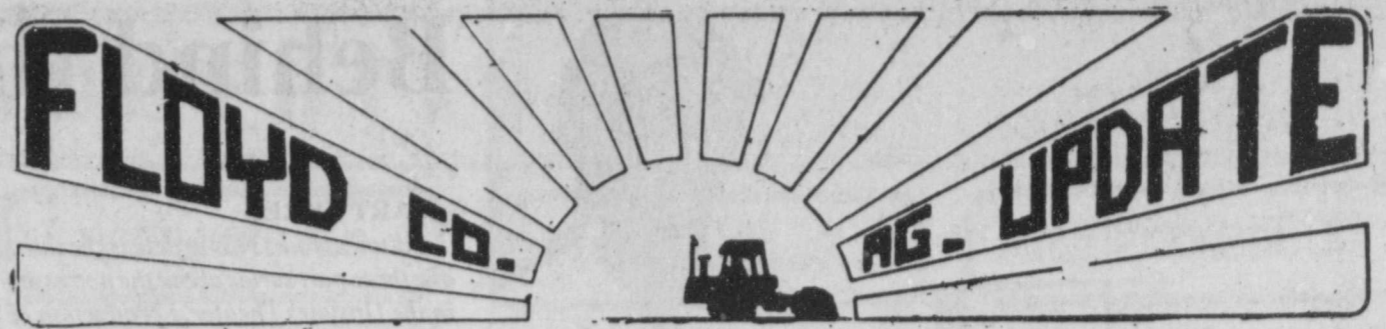

this certification of all hunters regardless of age. Colorado is one of these states. Any one can take the course and is urged to do so, however no one under the age of 12 can be certified. There is a recognition program for those under 12 who take the course but they are not considered to be certified and when hunting they must be accompanied by an adult and supervised by this person. The class will be held at the Lockney Firehall in Lockney and will run from 7:00 p.m. until 10:00 p.m. for four nights, October 23, 24, 30, 31. The total cost of taking the course will be \$5.00 per person, this fee is nonrefundable and all goes to the state for the certification and to help defray the expenses of the materials given to you. The materials alone are well worth your money. All instructors are volunteers. There is a

state test given on the last night of the course and a passing score of 70 or better is required for certification. All four sessions are required to complete the course, no make-ups are available. The class room will accommodate about 20 people, the rest will be referred to later courses, so early pre-registration is important, as this assures you the opportunity to get this certification in time for this seasons hunts. Registration forms may be obtained from any Lockney Police Officer, from either of Floyd County's Justice of Peace Offices and from merchants that handle hunting and fishing licenses for the state. If more information is desired on this you may wish contact Jerry Edwards, with the Lockney Police Department, who will be the course coordinator for the class.

SWINE CLINIC PRESENTED-- Preston Curtis, County Extension Agent for Bailey County, presented a clinic for the Floyd County 4-H and FFA students at the show barn on the Floyd County Fairgrounds on Tuesday, October 1. He discussed equipment and fitting, feeding and nutrition,

care during the show, showmanship, show pig selection and review of judges for major shows. Mike Mallet, Floyd County Agent spoke on drug usage. Kaci Mathis welcomed approximately forty five students and parents. They were fed by Donnie McLaughlin. Staff Photo

County Pumpkin Field Day set

A County Pumpkin Field Day is set for Thursday, Oct. 10. Registration will begin at 9:30 a.m. at the County Extension Office in Floydada. The Extension Office is located in the Agricultural Building, east of the courthouse (door faces east). The Field Day will begin at 10:00 a.m.

Dr. Roland Roberts, Extension Vegetable Specialist, will be the guest speaker. Dr. Roberts has indicated that the High Plains pumpkin is a sought after commodity and has a bright future.

Topics to be discussed by Dr. Roberts will include: varieties, diseases, planting patterns, seed selection, fertilization and marketing.

If you have any questions regarding this Field Day, please call Mike Mallett, County Extension Agent, at 983-2806.

Harvest-aid options face farmers with late-developing cotton crop

Cotton farmers across the Texas High Plains, confronted with a late-planted and late-developing crop, may want to consider using a harvest-aid chemical to help induce boll opening before a killing freeze occurs, says a cotton specialist with the Texas Agricultural Extension Service.

"Although not fully mature, some late set bolls could contribute to yield if the boll opening process is initiated or occurs before a hard freeze," said Dr. James Supak, Extension Service cotton agronomist.

More than half the High Plains cotton crop was planted or replanted in June, Supak noted. Where moisture was generally adequate and insect damage minimal, the crop fruited up well and retained a relatively high percentage of the bolls, he said.

"Below average heat units in July and August, coupled with excessive rains and cool, cloudy conditions in September, further slowed crop development," Supak said. "Consequently, white blooms that occurred after mid-August in the northern counties or late August in the southern sections have a low probability of developing into mature bolls before a killing freeze."

Still, those late set bolls may possibly

contribute to yield if they begin to open before that freeze, he said.

"That process can be triggered by environmental conditions or induced with a harvest-aid chemical," Supak said. Decisions about which course to follow will require careful consideration of boll numbers and yield and quality potential against the cost of chemical application and possible lowering of micronaire by mixing immature and mature fibers.

"In most instances, the best management decision will be to allow the crop to stay in the field until frost because of limited yield and quality potential," the agronomist said.

"The exception will be late maturing cotton that has good yield prospects, based on the number of bolls per plant. If by early- to mid-October, the crop has only small percentages of open bolls and a relatively large number of bolls at 5 and 6 nodes above the uppermost cracked boll (NACB) that are still water, then harvest-aid chemical treatment may be economically justified."

If chemical application is decided upon, Supak suggested that treatment be delayed until 14 to 20 days before the normal frost date. "This will provide as much time as practical for boll develop-

ment, and yet allow time for the harvest-aid treatment to initiate the boll opening process," he said.

Supak explained that sunny, dry conditions and mild temperatures, coupled with periodic cool fronts in late September and October, usually hasten cut-out and crop senescence.

"As the crop enters this accelerated aging mode, boll filling slows down and boll drying begins. In addition, hormonal changes trigger the loosening of cells in the abscission zones between the burs in the bolls," he said.

These same changes also contribute to leaf discoloration and defoliation. As the leaves drop, sunlight warms the bolls and speeds up their opening. "This is why we sometimes see very immature bolls near the top of the plant cracking open whereas more mature bolls lower in the plant are still green and firm," Supak said.

"Immature but harvestable bolls that are conditioned in this manner are unlikely to be damaged by a hard freeze when it occurs. On such 'hardened off' plants, the leaves usually drop and bolls open within a week or two after the freeze," he said.

Immature bolls also can be forced to open through the use of a plant growth regulator called Prep, the agronomist said. This harvest-aid chemical is a strong formulation of ethephon, which releases the plant hormone ethylene into the plant. Ethylene accelerates loosening of the cells in the abscission zones between the burs.

"For this to occur, a sufficient amount of the chemical must be deposited directly on the boll, as the chemical isn't translocated in the plant," Supak cautioned. And he said temperatures must range from a low of the upper 50s to a high of the upper 70s and above for boll opening to occur.

"Where natural aging isn't conditioning the crop, Prep could possibly be used to force opening of immature bolls to avoid risk of their destruction by a hard, killing freeze," Supak said.

The profitability of such a treatment would depend on several factors, including the crop yield potential and the number of bolls that are sufficiently high in moisture to be susceptible to freeze damage, he noted.

In a 1990 test, a portion of a field with yield potential in excess of two bales an acre was terminated when only 20 percent of the bolls were open. To establish

individual boll weights and quality, bolls were harvested from each nodal position and kept separate throughout the drying, opening, ginning and fiber testing.

In this trial, all bolls at or below node 7 were already open. Lint weight and micronaire for the bolls harvested from nodes 7 through 15 are shown in Table 1. These results show that bolls harvested from nodes 8 to 10 were essentially mature at the time of harvest. Bolls at node 11 also were mature (based on lint weight and micronaire value) but still relatively high in moisture at harvest. Bolls at nodes 12 through 15 were immature and very high in moisture.

Supak said these observations indicate that bolls occurring up to 4 nodes above the uppermost cracked boll are mature and in all likelihood would open following a freeze. The remaining bolls are immature and vulnerable to freeze damage.

"A Prep application could 'save' the immature bolls," the cotton specialist said, "but would their contribution to yield and quality justify the treatment cost?" The answer depends on the number of vulnerable bolls located 5 or more NACB, he said.

Assuming that the example crop had 40,000 plants per acre and boll retentions of 35, 25, 15 and 5 percent, at 5, 6, 7 and 8 NACB, respectively, you could expect a Prep treatment to result in 70 pounds of lint yield, he explained. In that

example, about 43 pounds of that yield increase would come from the bolls located 5 NACB and 18 pounds from bolls at 6 NACB, he said.

Using a "micronaire averaging" procedure developed by Dr. Jane Dever, associate research scientist with the Texas Agricultural Experiment Station at Lubbock, mixing the example's immature fiber with the mature would lower mike values about six to seven percent, Supak said. In this example, that would drop the micronaire from 4.1 to 3.8.

From these yield and quality considerations, Dr. Jackie Smith, Extension Service economist at Lubbock, approximated the potential increase in return

FIRE PREVENTION PROCLAMATION--Judge Bill Hardin (left) signed a proclamation on October 3, designating Oct. 6-12 as National Fire Prevention Week. Randy Rainwater, of Floyd County Farm Bureau served as witness to the proclamation. Staff Photo

PROCLAMATION BY THE COUNTY JUDGE OF FLOYD COUNTY

TO ALL TO WHOM THESE PRESENTS SHALL COME:
I, William D. Hardin, County Judge of Floyd County, do hereby declare the week of October 6-12, 1991 as FIRE PREVENTION WEEK in Floyd County for the following reasons:

WHEREAS, FIRE PREVENTION WEEK was inspired by one of the worst fires in the history of our nation: The Great Chicago Fire of 1871. On October 9th of that year, 250 people died and 17,430 buildings were destroyed. In 1911 the Fire Marshalls Association first designated the anniversary of this tragedy Fire Prevention Day, dedicated to encouraging fire safety. In 1922, President Warren G. Harding proclaimed National Fire Prevention Week. Since then, the National Fire Protection Association has been the official sponsor of Fire Prevention Week, leading the nation to practice life-saving fire safety; and

WHEREAS, each year, roughly 5,000 Americans die in home fires. And four-fifths of those people died in their own houses or apartments. During Fire Prevention Week, the NFPA is spotlighting the causes of these tragic home fire deaths and the simple steps you can take to protect yourself and your family.

CAUSES OF FATAL HOME FIRES

Smoking	1,320
Heating	740
Incendiary of Suspicious	640
Electrical Distribution	430
Child Playing	410
Cooking	360
All Other Causes	720
Total	4,620

WHEREAS, it could happen to you and your family. You can reduce the danger of fire in your house dramatically by taking a fire safety tour of your home right now. Locate and eliminate your fire hazards. Install, then periodically test and service smoke detectors in your home. Develop your home fire escape plan to include two escape routes from each room. With all members of the family participating, practice escaping with fire drills at least every six months;

THEREFORE, I call upon the people of Floyd County to participate in the fire prevention activities at home, work and school, and to do as the FIRE PREVENTION WEEK theme for 1991 suggests, "FIRE WON'T WAIT... PLAN YOUR ESCAPE!"

Behind the scenes of "Steel Magnolias"

PART THREE

Editor's Note: This article is the third of a three part series about the actresses in the Upstairs Theater's production of "Steel Magnolias" (October 17, 18, 19, 20, 26 & 27) at the Floydada First United Methodist Church. Call 983-2240 for reservations.

Kay Brotherton is portraying the role of Truvy Jones, the owner of a beauty shop in "Steel Magnolias." Kay has performed in all of last season's Upstairs Theater productions. These roles include Gloria in "Everybody Loves Opal", Tansy McGinnis in "The Nerd", and The Blonde in "Catch Me If You Can." When asked what she found to be the most challenging aspect of this play, Kay responded, "...pretending that doing hair is my profession." "I like Truvy, and that has made it easy to play this role," she added. Kay was quick to quip that she is personally "more level-headed and practical than Truvy." She also stated that it has been a pleasure not being outnumbered by men on the set of this particular play.

Kay Brotherton graduated from Dalhart High School in Dalhart, Texas. She is a magna cum laude graduate of Wayland Baptist University in Plainview with a double major in psychology and physical education. While at Wayland Kay was a varsity cheerleader and was also a member of the women's basketball team. She has completed work for her master's degrees in Psychology and Family Studies at Texas Tech University. Kay is a member of Phi Alpha Theta, a national fraternity which recognizes those who have made conspicuous

attainments in scholarship in the field of psychology. She is a clinical therapist and intervention counseling specialist for Plainview's Central Plains Center for Mental Health, Mental Retardation and Substance Abuse. She is also the supervisor for the adolescent and youth counseling programs at Central Plains. A great deal of her work is done through the Floydada Counseling Center, a branch office of Central Plains MHMR & SA. She is presently serving on the board of the Hale, Floyd, and Lamb County Council on Alcohol Abuse.

Kay is a certified aerobics instructor and leads an aerobics class in Floydada. She is a member of the 1956 Study Club and the West Texas Runners Club. Kay and her husband, David live in Floydada with their daughter, Brienne Kay, age three. They also have two sons Brandon, Age 10, and Chase, age 8, who live in Plainview. The Brothertons are members of First United Methodist Church.

Another member of the Methodist congregation who is making her initial appearance on the Upstairs Theater stage is Vikki Yeary. She is not undertaking her first dramatic role however. Vikki portrayed the role of Charlotte Wolf in the Floydada High School production of "Up the Down Staircase." She has also assisted various high school productions with make-up, costumes, props, and set decorations. Most recently, Vikki was the light and sound technician for the Upstairs Theater's production of "The Nerd." When discussing her experiences with "Steel Magnolias", Vikki claims that portray-

ing a younger person has been her biggest challenge. "The easiest part of being Annelle has been speaking with a Southern accent, but it has been difficult building a believable 'Annelle' character," she states. Vikki adds that the most memorable aspect of this production is that she still become emotional during one of the last scenes in the play.

Vikki is the wife of Max Yeary and they have three children, Charla, 14; Mandi, 10; and Brad, 7. The Yearys are members of First United Methodist Church where Vikki has taught Sunday School. She has also been director of "Mother's Day Out" and Vacation Bible

School. Vikki is employed as the computer lab assistant at R.C. Andrews Elementary School. In her spare time

she enjoys sewing, doing arts and crafts, and is an avid reader. Vikki has been a 4-H leader for the past seven years and she received the Silver Spur Award for outstanding leadership in 1990.

Y.E.S. program implemented for youth and senior citizens

(Editor's Note: Research for this article, by Texas Tech journalism student Tiffany Gentry, was made possible by a grant from the Reader's Digest Foundation.)

By Tiffany Gentry

In a cooperative effort of the Texas Tech University College of Home Economics, the Texas Agricultural Extension Service and the Texas Tech Health Sciences Center, high school students in this area can share special relationships with senior citizens.

The goal to promote positive relationships between today's youth and senior citizens is being made possible through a project called Y.E.S. - Youth Exchanging with Seniors.

The project covers 20 counties of the South Plains, linking members of 4-H and Future Homemakers of America clubs with seniors. The student volunteers provide assisted-living services to senior citizens in their community.

These volunteers are each assigned to a senior citizen who has agreed to participate in the project. The student visits the senior on a regular basis to tend what needs the senior citizens might have, such as housekeeping, personal services, lawn care and occasional auto and home maintenance.

For Deborah Lloyd, home economics teacher at Floydada High School, the Y.E.S. project was a much needed development for both youth and the elderly.

"It's important for seniors to stay as independent as they can, for as long as they can," Lloyd said, "and the students participating are really doing a good job with the seniors around town."

Lloyd pointed out that the Y.E.S. program not only seeks to benefit the elderly, but the students involved as well. "The kids are learning how to communicate with seniors," Lloyd said.

The seniors help to dissolve the myths of aging that many young people have, Lloyd said. "There are a lot of new friendships being made. So both groups are benefiting."

Thirty local senior citizens have been reached through the Y.E.S. program, according to Lloyd. "The nursing home has been a great help in locating independent seniors who might be interested in the program," she said.

Students interested in being a Y.E.S. volunteer fill out a questionnaire that evaluates their views of senior citizens. After they have been actively involved for a period of time, they are reevaluated to see how their opinions of the elderly have changed.

The program is successful if the stereotypes that students might have had prior to their experiences with Y.E.S. have dissolved, according to Lloyd.

Volunteers must go through a two-day training session before they can adopt a senior citizen.

"The kids are exposed to a wide variety of information about the elderly so they will be prepared for anything they might be required to do for that senior citizen," Lloyd said. "They watch films presented from the seniors' points of view and take tests over nutrition, elderly myths, listening skills and safety measures to take if they detect signs of stress in that senior citizen."

Lloyd is preparing for an Intergenerational Project for the community to show how Y.E.S. is reaching out to its senior citizens.

"We're planning something for Punkin Days," Lloyd said. "We're thinking about having a tea at the Senior Citizens Center, or maybe a 'Senior Stretch' under the pavilion downtown."

Lloyd said the students could lead the seniors in an exercise routine as one of the activities scheduled for Floydada's annual Punkin Days celebration Oct. 26.

Lloyd said three Y.E.S. project representatives from Texas Tech will be attending the Punkin Day activities. They are Co-Directors Sheryl Boyd of the Texas Tech Health Sciences Center, Betty Stout, assistant professor in the Tech College of Home Economics and Y.E.S. project coordinator Lora Ann Neill.

Now that Y.E.S. has been accepted as a state project for high school students, it will inevitably expand to reach far more senior citizens than its current 20-county area.

Because of a Texas Tech sponsored video series in three parts about the project, the West Texas program promises to become a statewide activity.

"Calls are coming in from all over the state by high schools wanting to incorporate Y.E.S. in to their communities," Lloyd said.

Because 20 percent of Floyd County's population is over the age of 65, according to Lloyd, the Y.E.S. project was a much needed means by which to close the generation gap between today's youth and one of the nation's most valuable resources - the senior citizen.

After all, according to the Y.E.S. motto, age is a matter of living, not years.

CARD OF THANKS

Dear Citizens,
Having recently moved to Floydada from Celina, Tennessee, I feel a great need to say thank you for the warm welcome which I've received. My purpose here is working with members of the Westside Church of Christ, involving them in personal work and encouraging them to remain "steadfast in the apostles doctrine", Acts 2:42.

Previously in Tennessee the past 12 years of my life have been dedicated to helping in the establishment of two congregations of the body of Christ. These two congregations are located in Celina and Willow Grove, Tennessee. Our desire is to help people realize their great need of obedience to the gospel. The Apostle Paul in Romans 1:16 teaches that "the gospel is God's power unto salvation. If at any time we can be of assistance to you, regarding spiritual matters please feel free to call on us.

A longing from deep within your soul to one day in the after while enjoy the blessings of heaven where God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow or crying, neither shall there be any more pain, for the formal things are passed away as Revelation 21:4 states, then feel free to call on us.

We believe all scripture is given by inspiration of God as 11 Tim 3:16-17 teaches and the truth found therein will make us free, John 8:32.

Again thank you for being so nice and friendly. Indeed it would be an honor to hear from you if and when we can be of help in our great hope of eternal life. Titus 3:7

NOTICE OF APPLICATION

NOTICE IS HEREBY GIVEN that the Applicant Staley Operating Co. 310 W. Wall, Suite 200, Midland, TX 79701 has made application for a spacing exception permit under the provisions of Railroad Commission Statewide Rule 37 (16 Tex Admin. Code Section 337). Applicant seeks exception to the distance to nearest lease line requirement to drill Well No. 1 Byrd Lease 320 Acres Section 18 Block K A B Muncy T.T.R.R. Co. Survey Arick (Wolfcamp) Arick and Wildcat Field. Floyd County, being 20 miles in a southwest direction from Floydada, Texas.

The location of this well is as follows:

330' from the north line and 2200' from the east line of case.
2310' from the south line and 2200' from the east line of survey.

Field Rules for the Arick (Wolfcamp). Arick and Wildcat field are 467,1200.40 acres.

This well is to be drilled to an approximate depth of 6100 feet.

Pursuant to the terms of Rule 37(b) (2) (A) this application may be granted administratively if no protest to the application is received. An affected person is entitled to protest this application. Affected persons include owners of record and the operator of leases of record of adjacent tracts and tracts nearer to the proposed well than the minimum lease line spacing distance. If a hearing is called the applicant has the burden to prove the need for an exception. A protestant should be prepared to establish standing as an affected person and to appear at the hearing either in person or by qualified representative and protest the application with cross-examination or presentation of a direct case. The rules of evidence are applicable in the hearing. If you have questions regarding this application, please contact the Applicant's representative, Denzil R. West, Manager of Operations at (915) 682-3749. If you have any questions regarding the hearing procedure, please contact the Commission at (512) 463-6718.
