## A view from The Lamplighter

By Ken Towery

Big doings this weekend so make your plans. Very few thought, when a few local folks were dreaming up something to draw attention to the county, that the results would be what they were. In a few short years the celebration has grown to where it is recognized far and wide, along with the communities that got it started.

I know it may sound self-serving, but I do believe we here at the paper have done our bit, maybe even a little more than our bit, to help the endeavor along. We did it for several reasons. Number one, of course, is that we believe one of the roles of a newspaper, in addition to accurately and faithfully reporting the news, is to act as a cohesive force in its community, lending its weight, if it has any, to those who seek to build the community, make it a better place for people to work and for youngsters to grow up.

The Punkin Days fun festivities are by no means the only tool in this effort. The Old Settlers Days, or Pioneers Reunion, has its own special flavor and its own special meaning. The same could be said of the County Fair, and the opportunity it affords for young and old to demonstrate their skills on a variety of subjects. But this weekend the spotlight is on Pumpkin Days, or "Punkin Days", so plan to be there. There will be many visitors in town, from near and far. Let's help make them welcome and show them we have an appreciation for our community.

And speaking of Punkin Days and all that, Rick Perry was in town a couple of weeks ago to boost the event and, we suppose, to draw attention to his own effort aimed at boosting the sale of Texas-grown products. He's been active in that effort since beating Jim Hightower (with a major assist from the state's farmers and ranchers) last November to become this state's Commissioner of Agriculture. Perry must have felt he was in friendly territory, since he was the top vote-getter in Floyd County during that November General Election, if memory serves.

From our standpoint it was a successful visit. A couple of Lubbock television stations came over to cover the event, and it made both daily papers that circulate in this area. It certainly didn't hurt and may well have helped us here.

It is probably a little early to pass judgement on what kind of Commissioner of Agriculture Perry will turn out to be. In our own opinion he has done well to this point, particularly considering the fact that a couple of statehouse politicians, Gov. Ann Richards and State Senator Steve Carriker, seem determined to hamstring his efforts whenever and wherever they can. There's even a rumor around Austin that Carriker wants to, and may, take on Perry in the next election for Agriculture Commissioner. Frankly, we doubt it will happen. A few months ago the rumor mill had it that the Secretary of State would resign and Carriker be appointed in his place. That rumor had all the earmarks of being floated from Carriker's office as a trial balloon, as does this one. Still, there's going to be someone, and we could be wrong. It might be Carriker. He's angered many agricultural folks across the state and in his District with his support of the trial lawyers agenda, as well as his mishandling of legislation many cotton farmers were pushing to set up a foundation to combat the boll weevil. And, in politics, one of the tried and true principles has been that if one is in trouble in his own District, or own office, the best way to save face is to try for something higher. That way when one loses, as we believe Carriker surely would at this point, not too much humiliation is involved.

## Costume contest kicks off Punkin Days

By Alice Gilroy

Young and old alike will be kept busy with fun and games during Floydada's Punkin Days weekend.

Friday starts the weekend of thrills, with a city wide pep rally at 3:00 p.m. at the Jr. High, followed by the traditional costume contest under the pavilion. Judging will start after school at 4:30 p.m.

### MONEY PRIZES FOR COSTUME CONTEST

Age divisions for the contest will be: infant-3 years; 4-5 years; kindergarten to 1st grade; 2nd and 3rd grade; Andrews students; Junior High students; High School students; and adults.

The winning costume in the High School division will receive a first place prize of \$100 in gasoline, courtesy of

Cornelius Conoco. Second place winner will receive two tickets to the Saturday night Punkin Day Dance, courtesy of the Women's Chamber. A "Punkin" T-Shirt will be awarded to the 3rd place High School winner.

The first place winner in the Junior High division will receive \$100 cash, courtesy of Heptad Vegetables. Second place will receive a gift certificate for

the purchase of one tape from Thompson's Pharmacy, courtesy of Women's Chamber. The third place winner will receive a "Punkin" T-Shirt, courtesy of the "Punkin Days" committee.

The overall winner among the Andrews participants will receive five free movie rentals, courtesy of Feature Attractions.

The overall winner from Duncan will be awarded a Teenage Mutant Ninja Turtles II tape, courtesy of Feature Attractions.

### SATURDAY'S RACES

A 5K Race will kick off Saturday's fun at 10:00 a.m., followed by the Fun Run and Stroller Race at 11:00 a.m. Participation is urged. An entry form for the races can be found in this newspaper. T-Shirts will be given to anyone who registers.

**MISS MACKENZIE AND HER COURT**—The 18th annual Miss Mackenzie Pageant was held Saturday night in Silvertown. Top winners in the competition were (l-r) Kori Kellison of Lockney, finalist; Jennifer Fortenberry of Lockney, Miss Mackenzie 1992; Robin Galloway of Floydada, second runner-up; Spring Lipham of Floydada, first runner-up; Meredith Gruben of Tulia, finalist, and Sheila Kirkpatrick of Tulia, Miss Congeniality.

Jennifer Fortenberry of Lockney, sponsored by the Lockney Lions Club, was named Miss Mackenzie 1992 at the conclusion of the annual pageant Saturday night in the Silvertown School Auditorium. Sponsored by the L.O.A. Junior Study Club, the pageant is in its 18th year.

Miss Fortenberry is the daughter of Sam and Kelly Fortenberry and is a student in Lockney High School. She received her crown, a bouquet of flowers and a \$700 scholarship, donated by Swisher Electric Cooperative, Tulia Wheat Growers, First State Bank of Tulia, First National Bank of Tulia, First National Bank of Lockney, First State Bank of Silvertown, L.O.A. Junior Study Club, Mackenzie Water Authority, City of Silvertown and First National Bank of Floydada.

Each of the finalists was asked the same question, while the other girls were kept in a room offstage. The ques-

tion was, "If you could live your life as someone else, who would it be and why?"

Miss Fortenberry answered that she would choose to be her mom, who took such good care of her family and their home.

First runner-up in the contest was Spring Lipham of Floydada, sponsored by Cornelius Conoco. She is the daughter of Julian and Joyce Lipham and is a student in Floydada High School. To the question, she answered "Barbara Bush", because of her down-to-earth attitude in a glamorous surrounding.

Second runner-up was Robin Galloway, daughter of Doug and Elaine Galloway, a student in Floydada High School. She was sponsored by the Women's Division of the Floydada Chamber of Commerce, and in answer to the question said "Mary Lou Retton," on the day she won her gold medals.

The other two finalists were Meredith Gruben, daughter of Princess and Gary Gruben of Tulia and Kori Kellison, daughter of Ricky and Kathy Kellison of

Lockney. Miss Gruben answered "Sandra Day O'Connor" and Miss Kellison answered "Lucille Ball."

Sheila Kirkpatrick of Tulia was named "Miss Congeniality".

Entertainment for the event was provided by Mary Lindsey Poole of Lockney, an entrant in the Miss Texas Teen Pageant, and former Miss Mackenzie, Angel Edwards Morren, who vocalized three numbers.

Judges for this year's pageant were Nicki Logan, Lifestyles editor for The Plainview Daily Herald; Nelda Laney of Hale Center, and Colleen Chadwick, Hale County Extension Agent-Home Economics. All have pageant judging experience.

Master of ceremonies was Nick Long of Floydada, and Carolyn Luckenbach provided piano music. Stage ushers were Brian Martin and Lyndell Ivory.

## Floydada discusses ambulance, landfill

By Juanita Stepp

The Floydada City Council was asked to consider accepting the title to the Floydada EMS Ambulance. Eric Cornelius, the city representative to the ambulance board, presented the request at the regular October session of the council on Monday evening. Cornelius asked the council to accept the title to the ambulance, bringing it under the coverage of the city for insurance purposes.

Cornelius emphasized the fact that the city was not being asked to be responsible for the ambulance or any aspect of its operation. Stated Cornelius, "This request is being made for the savings to be gained on insurance coverage only."

The estimated savings would be in the

amount of about \$2000 per year for liability coverage on the vehicle and professional liability for the ambulance personnel added Cornelius. The costs paid out last year by Caprock Hospital District were pegged at \$4700 for vehicle insurance and almost \$1200 for professional personnel coverage. The current policies expire on November 10 and new coverage must be in place if the ambulance is to continue to run.

Goen & Goen Insurance has quoted \$2800 for vehicle insurance, but changing the title to the city would allow the coverage to be obtained for \$1895 under the current city policy from Texas Municipal League. The professional

## Array of booths will have a little bit of everything

(Editor's Note: Research for this article, by Texas Tech journalism student Tiffany Gentry, was made possible by a grant from the Reader's Digest Foundation.)

By Tiffany Gentry

If you're planning to attend Floydada's annual "Punkin Days" celebration Saturday, you'll see an abundance of arts and crafts - not to mention food - thanks to Vickie Norrell and Deedie Covington.

Norrell and Covington, chairwomen of these booths for Punkin Days, have joined efforts in successfully attracting a record number of booths from all over the state for this year's activities.

"We've got 39 arts and crafts booths and 10 food booths registered for Saturday," Norrell said.

Norrell said the arts and crafts committee maintains a list each year of names of booth entrants, formed when Floydada hosted its first Punkin Days celebration in 1987.

"The list expands every year," Norrell said. "We added 20 names to it just this year from people calling in, wanting to reserve a spot in the activities."

People desiring to display their arts and crafts from a booth must send the arts and crafts committee a picture of their booth or samples of their work, according to Norrell. "We do this in order to have a wide variety of arts, crafts or food rather than ending up with a lot of similar booths," she said.

Entrants must also complete an application for booth approval to be screened

by the committee, Norrell said. Upon approval of a booth, the committee sends acceptance letters to the entrants, at which time the booth officially becomes a part of Punkin Days.

The arts and crafts committee received more than 50 booth applications, representing such areas of the state as Midland, Kerrville, Amarillo, Kermit, Farwell, Hamlin and the Dallas area, Norrell said.

"The entry deadline was Oct. 1, but people were calling even a few days ago, hoping they might get in," she said. "We ended up adding five slots to our original layout, so we should have some interesting entries."

Norrell said entrants must meet certain qualifications in order for their booths to be accepted by the committee. "They must submit original, hand-made arts and crafts and their booth must be no larger than 10'x10'," she said.

Booth entrants are displaying a large sampling of arts and crafts, Norrell said. "We'll have displays such as Southwest, country, decorative wooden ornaments and clothing booths with tuxedo shirts, spin art and hand-painted T-shirts."

The arts and crafts committee is composed of five members. They are Norrell, Covington, Shawnda Greer, Kathy Becker and Jan Beedy.

The committee is responsible for more than just accepting booth entrants, according to Covington.

## By The Way

By Alice Gilroy

There are so many things to say about Punkin Days on Saturday that I'm not going to take the room in this column. Be sure and read all about the events in the Punkin Day stories. There are some great prizes that will be given out and lots of money to be won.

Brenda Heflin is going to be on TV at least two times Friday promoting Punkin Days (Channel 13 noon news and Live at 5:00 on Channel 11). The chamber of commerce also put together a 30 second commercial that will be shown throughout the week on KCBD. (The commercial idea was stolen from the folks who publicized the Floyd County Fair).

The chamber also paid for an ad in the Lubbock Avalanche Journal publicizing Punkin Days, the arts and crafts booths, and the many items that will be on sale at our downtown stores.

The chamber of commerce is working for Floydada, just like it does in Lockney. So come out and show your appreciation for the hard work the chamber has done.

I hope to see a lot of people dressed up in costume on Friday too. Seeing all the funny costumes gets me all primed and ready for the fun on Saturday.

The Day Care Center will have their Spaghetti Supper this Friday before the game. You won't have to worry about dishes or cleaning up if you come eat with them.

Tickets to the Cow Patty Bingo will also be on sale at the spaghetti supper.

Leroy Burns, at City Auto, was a good sport about his sign. He let me know nicely where he wanted "Punkin Head" to put the sign, and the sign has been erected once again (a little further down the road).

My husband and I were fortunate enough to be able to attend the Sunday matinee of "Steel Magnolia's". If you haven't gotten a ticket I hope you can still get one. It will be well worth your while.

There is a review of the play elsewhere in the paper. I hope it will convince you to go see the play. I personally thought it was better than the movie. The only reason I didn't sob as loud during the play as I did during the movie was because there were too many people around.

The cast did a magnificent job!

I wanted to make a comment about the Letter to the Editor published last week concerning Pay-n-Save.

I sympathize with the writer concerning the high prices of groceries and the high price of living in general. Without taking anything away from what the writer said, I want to say something on behalf of Pay-n-Save.

First of all, it was not Pay-n-Save's fault that Furr's closed up and left. Furr's sold out everywhere. It was not our town's fault that Furr's left. Furr's organization overexpanded. We were also sorry to see Furr's close. It dealt a big blow to this newspaper in terms of advertising revenue. We know it was also hard on the community losing families and jobs.

However, I don't believe that the price of groceries went up in our local store because of Furr's closing out. I believe that the price of groceries has gone up everywhere because of costs such as rising gasoline prices and the increase in taxes on gasoline. It costs more to get the groceries to the stores now.

I know I may be accused of being biased because of the advertising that Pay-n-Save does with us, and that is true to an extent. I am biased. I appreciate Johnny Summers (Floydada's manager) and Nick Munoz (Lockney's manager).

They are always there when organizations need a hand-out or a sponsor. They support our communities above and beyond the call of duty. They give back.

We have had grocery stores in Floydada that did not support this newspaper with advertising. It hurt the paper and we could not give as much back to the community because of it.

There are plenty of towns the size of

Floydada and Lockney that don't even have a grocery store, much less one that cares about the area or it's people.

Johnny Summers told me when Furr's sold out that he was dreading what would be coming up next. He said, "I wish I did have competition. I like competition. From here on out, it isn't going to matter if my prices are the same as Lubbock or Plainview, people are going to accuse me of price fixing and ripping them off." He was right.

The writer of the letter last week said, "Now that the Furr's store has been stripped it will be even more difficult for another grocery store to offer its services to our community."

That is true to a point, but I just want everyone to remember that there is more to offering services to a community than just occupying a building and selling your wares.

In response to Deen Braly's response to my response, I have something to say.

He said, "By the happy accident of birth, however, you don't have to meet those standards with the publication owners."

Mr. Towery, the owner, is my father. I'm proud of it.

Mr. Braly doesn't know much about the owner, and that's OK. The "boss" has an extremely high set of standards about what is said in his newspaper. Unfortunately the newspaper can't afford to hire perfect English professors to proof our copy. We do our best.

We cover the news and we keep you informed. We do a good job with our mistakes in print for everyone to see.

It is true that I got this job only because my father was who he was. It's been great. I'm very fortunate and very grateful. I work for the best.

Donut man's joke of the week.

"We will also award prizes, greet entrants and help them set up, and oversee the entire operation during the day," she said.

Covington said the booths will be up from 9 a.m. to 5 p.m. Saturday. "The arts and crafts booths will be on the north side of the courthouse lawn and the food booths will be on the south side," she said.

The food booths will present Punkin Days participants with an assortment of foods from which to choose, such as fajitas, cotton candy, barbecue, ice

cream and cobbles.  
"It's set up to where you can eat while you're participating in all the events," Norrell said. "There will be no need to leave the courthouse square for a meal."

Covington said there will be a new addition to this year's booth displays - a non-profit booth section.

"This is where we have all the non-profit organizations, such as the Floydada and Lockney PTA clubs, Floyd County 4-H and a special booth set up for Jimmie Jo West," she said. West is a Floydada resident scheduled for a lung transplant.

Raffle tickets will be drawn at the non-profit section. A compact television set, hand painted pumpkin and a trip are to be given away, Covington said.

Children will not be left out of the Punkin Days activities.

"The local Jaycees are doing a moon-walk for the kids, and the FHA will be giving away bubble blowers," Norrell said. "They can participate in the face-painting booth, have their caricatures drawn by a Lubbock artist or have their names put in personalized print-out fairy tales."

Covington said the extra activities were part of an effort to get the kids interested and more involved in the Punkin Days celebration this year.

"We organized coloring contests for the younger kids and poetry contests for the older ones," she said. Prizes will be

awarded to the winners during Saturday's festivities.

Covington said the arts and crafts committee is trying to attract spectators from all around the South Plains this year.

"Visitors might enjoy staying overnight at the recently restored Bed and Breakfast Hotel," she said of the former Lamplighter Inn.

Norrell and Covington urge all Punkin Days participants to spend time at the numerous booths at this year's celebration. There will indeed be something for everyone, they said.

## Floydada Police Report

Floydada Police investigated a dog bite Thursday, October 17, in the 700 block of S. 3rd. According to Sgt. Snell of the Floydada Police, the woman was bitten on the leg by her own Pit Bull puppy when she jerked his leash to try and make him walk with her. The woman did not require stitches.

Monday, October 21, at 1:12 a.m. police responded to a report of a disturbance in the 800 block of Crockett. Efran Cruz Munoz, 34, of Floydada, was arrested for public intoxication.

Also on Monday, police received a report of a theft of #4 (3 cable wrap) copper wiring from Adams Well. The value of the wiring was placed at \$400.00.

**ACCIDENTS**  
Friday, October 18, at 10:27 a.m. police responded to an accident at 2nd

and Mississippi.

A 1984 Ford Thunderbird was east bound on Mississippi when it was hit on the right side by a northbound '84 pickup. The driver of the T-Bird was cited for failure to Yield Right of Way. The driver of the pickup was cited for driving with no drivers license.

Saturday, October 19, at 8:18 p.m., a '76 Oldsmobile was parked in a parking lot in the 300 block of S. 2nd when it was hit by a '83 Chevrolet backing from a parking space.

Tuesday, October 22, at 9:55 a.m., at the intersection of 5th and Jackson, a '73 Oldsmobile which was west bound on Jackson was hit on the side by a '90 Ford pickup which was traveling north on 5th.

The driver of the Oldsmobile was cited for failure to yield right of way, no drivers license and no insurance.

The "Fat Man's Race", will begin at 11:30 a.m. (see separate story of this race). The 5K, Fun Run and Fat Man's Race will all begin in front of the Floyd County Farm Bureau.

The great Pumpkin Race will begin at 2:30 p.m. on the courthouse square. This race is reserved for those who have up until this time managed to retain their dignity. There is no entry fee for this race which is open to all ages; 12 & under; 13-29; and 30 & over.

The wheelbarrow race will begin at the square at 3:00 p.m. for ages 13 & over. This popular race pits the wheelbarrow driver against his blindfolded navigator passenger. More than one partnership has dissolved at the finish line.

The Pumpkin Pie Relay race will be held at 3:30 p.m.. Teams of four, in age divisions of 24 years and younger and 24 years and older, will run in this timed event. There is a \$4 entry fee for the team which pays for the pies used in the race. The pumpkin pies will be cooked!

**GAMES**  
The little ones will be delighted to know that the pumpkin drawing contest, the great pumpkin toss and the pumpkin bowling games will return this year. The children's games will begin at 1:00 p.m. A seed spitting contest, for those 13 years and over, will also begin at 1:00

## Challenges issued in annual Fat Man's Race

There is good news about the Fat Man Race this year. There is no entry fee. All that is required to enter is your sense of humor.

A spare tire around your middle is not required this year. Good sports are all that are allowed in the game.

The head fat man, Clar Schacht, has challenged all the "Fat Men" in the county, to "get out there and eat and run."

Schacht has made a personal challenge to Nick Long, Mack Hickerson, Hulon Carthel, Doyle Walls, Bill Hale, Mabry Greenhaw, Jerry Cannon, Bruce Bramlett, Shorty Turner, James Williams, Bobby Gilliland, the entire Lion's Club, Larry Ogden, and many more (you know who you are). Organizers of the race have decide to

add to the palate's enjoyment by having six tables of mouth-watering Punkin delights instead of only four. The pies will be cooked!

The race will begin at Sears, with the six tables located at Script Printing, FNB Floydada, Sue's Gifts, Hales, the mailbox at Texas Department of Human Resources, the driveway to the Sheriff's office and the finish line will be at Farm Bureau.

To enter the race, bring your body and your sense of humor to the rear entrance of the Farm Bureau office and register at least thirty minutes before the race and be given a number. The race begins at 11:30 a.m., Saturday morning.

You can shop, eat, and have fun - all at Punkin Day, Saturday!

Tables will be set up under the pavilion for senior citizens to partake in games of Dominoes and cards. This activity is being sponsored by the Y.E.S. group. Refreshments will be served to the participants.

### COW PATTY BINGO

The cow will be unleashed on his bingo squares at 1:00 p.m. All tickets for the bingo must be purchased by this time. Chances on the bingo will go for \$5.00. The bingo board will be drawn on the street NW of the courthouse near Mr. T's Cleaners.

If the cow drops his first bingo on your square you will win \$200.00. His second bingo brings a prize of \$300.00 and his last bingo wins \$500.00

### PUMPKIN ENTRIES

All entries in the different categories of the "best pumpkins" contest must be submitted by 10:00 a.m. Categories will be divided into: smallest pumpkin, largest pumpkin, ugliest gourd, prettiest corn, best painted pumpkin, 12 & over, and 13 & over; best carved pumpkin, 12 & over and 13 & over; and the best pumpkin pie.

Children who have grown pumpkins from seeds donated by the chamber, must have their pumpkins in place for judging at 10:00 a.m. The winners dirt bike will be awarded at the end of the days activities.

### MORE CASH PRIZES

A trailer full of pumpkins will be parked at the SW corner of the courthouse square. Anyone who correctly guesses the weight of the pumpkins in the trailer will win \$25.00. All guesses must be registered by 10:00 a.m. The pumpkins will then be used throughout the day from the games.

The individual who snaps the best picture at Punkin Days will be awarded two tickets to the Chamber of Commerce Banquet. The winning picture will be that one which best represents a community view of Punkin Days.

A \$50.00 savings bond will be given to the Duncan Elementary student who wins the "Punkin Days" coloring contest.

Three \$50.00 savings bonds will be awarded to the winners of the poetry contest. One winner will be chosen from Andrews Elementary, Floydada Junior High and the High School.

The savings bonds will be donated by Floydada's First National Bank and the Floydada Branch of Lockney's First National Bank.

on display at the community room of Floydada's First National Bank. The quilt show will last until 2:00 p.m. A drawing will be held for a "Punkin Day" quilt at the end of the day. Chances for the quilt can be purchased at the bank on Saturday.

A city wide garage sale will be held at The Lamplighter Inn, in the "old" Pat Walker's studio, beginning at 9:00 a.m. All the proceeds from the sale will go to benefit the Jimmie Jo West Love Fund.

The famous Punkin Jail will be erected on Saturday on the square. For a fee of only \$1.00, "deputies" will kidnap whoever you wish and bring them to jail. Prisoners will have to carve a pumpkin handcuffed or pay \$1 to get out.

The "Blue Denim Band" will play at the Massie Activity Center, Saturday night, from 9:00 p.m. to 1:00 a.m. Admission is \$5 per person. The Punkin Day Committee stresses that this is not a costume dance. You can come any way you want to.

Check out the ads in this week's paper for the many sales that will be offered at downtown stores. A schedule of the Punkin Days events, courtesy of Floydada's First National Bank, is also

included in the newspaper for your convenience.

Bring the family Saturday and spend the day together. Games are made with all ages in mind so no one goes away without being able to participate. Come play with your friends and stroll the grounds of Floyd County courthouse meeting out-of town guests. Make a good impression so they'll come back next year or move here next week.

## Whirlwind Sams Club enjoys trip to Abilene

**WHIRLWIND SAMS ATTEND STATE SAMBOREE**  
By Betty Gilbreath

The Whirlwind Sams of Floydada motored to Abilene, Texas on Wednesday, October 16, 1991 for the "Texas Fall Fun Fiesta Samboree." The group met at Nielson's Restaurant for a 7:00 a.m. breakfast before departing Floydada at 8:00 a.m. for the journey. Wayne and Roberta Russell, Vernon and Eva Parker and Bill Gilbreath joined us for breakfast.

Leading the caravan were Robert and Betty McPherson. Making the trip were the Cates', Gilbreaths, Cockrells, Lyles', McElyeas, Adams' and the Weatherbees. Ruffus and Ruth Lusk joined the caravan south of Post, making a total of nine rigs.

Three lucky members won door prizes. The Cates' won two and the McElyeas and McPhersons each won one. Jay Jenkins led the audience in the Pledge of Allegiance. Wednesday evening service was devotional time with Bubba Hanna, State Chaplin for the "Good Sams", was the speaker. Following the service, "The Woodson Handbell Choir", a group of children from the handicapped school, played for us. These children travel extensively and have played for the President in Washington.

There were events scheduled every day including exercise classes, seminars and craft shows. Lunch on Thursday was at Western Sizzler and then we shopped at Wal-Mart. Thursday evening was the parade of all the Chapter flags for the state and the Samboree Opening Ceremonies.

Recognition of all the chapters was made and one couple, visiting from Norway, was singled out.

Friday morning, part of our group took the tour bus to Dyess Air Force Base and went on one of the big planes.

Saturday morning began with coffee and doughnuts and a big flea market in the Display Building. There was everything from A to Izzard for sale, arts and crafts and a raffle as well. None of our group was lucky on this. There was also a cakewalk, a wheelchair race and an egg toss (messy).

At lunchtime, we all loaded up and went to Furr's Cafeteria where we were joined by W. B.'s brother, Lonnie Cates, and wife from Justin, Texas. We always enjoy visiting with them. Our entertainment for the evening was "6 Lbs. of Music" from Eureka Springs, Arkansas.

Sunday morning, an All Faith Wor-

ship Service was held with Bubba Hanna as Chaplin and Opie Kyle directing the choir. After the closing prayer, everyone went their separate ways with the Floydada bunch headed for Abilene State Park at Buffalo Gap for a few days.

**WHIRLWIND SAMS CAMP AT ABILENE STATE PARK**

Kenneth and Barbara Willis left Massie Activity Center with a group of Good Sams destined to join those already at Abilene State Park. Making the journey were Thaxtons, Norrells and Wests. The Parkers came in earlier and this group joined us around 1:30 p.m.

After getting all the trailers settled, we all met in the group shelter to visit and play games. Later in the evening, Wayne and Roberta Russell joined us after a side trip to Rising Star to visit a granddaughter and her husband who is the minister at the Methodist Church.

Sunday evening, the Willis' brought a catered meal of barbeque with all the trimmings. The Norrell's daughter, Christie Brooks and baby Destiny from Eastland, came to visit and have supper with us. After supper, J. W. Gilbreath led the group in song and Claude Weatherbee had a short vesper service titled "Honesty" and read from Proverbs, Chapter 16, Verse 17. John Key West voiced the closing prayer.

An ex-Floydada resident, Royce (Bigfoot) Turner, and his wife Evelyn, came by to visit. They now live in Houston.

Monday started with coffee and sweet breads prepared by the Willis' and the rest of the day was spent relaxing and playing games or just doing your own thing. Lunch was barbeque on a bun.

Tuesday was a beautiful morning and we had coffee and some of the men played washers. At 11:30, we loaded into four vehicles and went to Abilene for lunch at El Chico for a Mexican meal. Late in the evening, some of the men gathered firewood and made a fire. We toasted marshmallows, sang songs and visited. Before retiring, J. W. led the group in singing "Happy Trails".

The Wests were taken to Abilene for a steak dinner by their granddaughter.

Wednesday morning was very busy with everyone getting ready to return to Floydada or move on to other places for a few more days of fun. All that attended (a total of 14 rigs and 28 people) extend a big thanks to Kenneth and Barbara for a fun filled weekend. Those that could not attend missed a good time.

**OCTOBER BIRTHDAYS CELEBRATED--Residents at the Floydada Nursing Home celebrated their birthdays with a party. Everyone enjoyed birthday cake, angel food cake, ice cream and punch. Those having October birthdays are (left to right) Ernest Smitherman, Ruth Smitherman, Nettie Adams, Della Halencak, Peggy Young, Ruth Trapp and Myra Hall. Not pictured are Oda Birchfield and Esther Peck.**

## Residents observe October birthdays

By Lorilla Bradley

October, dressed for autumn has Her colors all ablaze . . . No matter where you "see" her You're bound to stand and gaze!

Our Mrs. Della Halencak Has lived 100 years . . . So let us serenade her With 100 happy "cheers"!

Mrs. Hall we're greeting . . . Her years are 84 . . . Her phone is always handy For "chats" . . . what say we more!

We greet our Mrs. Smitherman . . . Her parents named her Ruth . . . She loves her friends to visit And believe me . . . THAT'S the truth!

Mrs. Trapp we welcome At this her special time . . . We hope each day is happy With 'things all working fine!

Mrs. Peck we welcome As here she spends her days . . . May they be bright and cheery With everything she craves!

For Peggy Young, our youngest We have a lot of praise . . . Because she thinks of others And has such helpful ways!

Our Mrs. Nettie Adams . . . Her years are 91 . . . Is a very lovely lady and To know her is such fun!

Our Mrs. Oda Birchfield Whose years are 95 . . . Has slowed her step a little But her years have made her wise.

Someone who is sharing With these, his birthday time . . . Is Mr. Ernest Smitherman . . . To all he is good and kind.

Let's serenade these people With the good old Birthday Song So join us with your "vocals"

And sing out good and strong!

Thursday, Oct. 17, was party time at the Rest Home with ladies of the City Park Church of Christ hosting.

The Hesperian photographer came for the "picture taking" after which everyone was ushered into the dining room with the honorees being seated at the "honor" table. Each one wore a fresh corsage compliments of Williams Flower and Card Shop. Their thoughtfulness in providing these flowers is gratefully appreciated by everyone.

Jo Bryant read a brief history of each honoree which was followed by the

reading of the poem. Everyone joined in singing the Happy Birthday song.

We are so sorry Mrs. Birchfield was unable to attend the party but so glad Mr. Smitherman could be with his wife, Ruth.

The refreshment plate held iced, white birthday cake and angel food cake along with a tangy fruit punch. An unexpected treat was assorted flavors of ice cream furnished by Boone Adams honoring his mother's "day". Thank you, Boone . . . we appreciate your thoughtfulness.

The next party will be Thursday, Nov. 21, 2:45 p.m. You are invited to attend.

# 'Steel Magnolia's' cast praised

By Alice Gilroy  
If they could be presented with an Oscar from the "Academy", the cast and directors of Steel Magnolia's would deserve one.

As one who saw the movie version first, I was prepared for difficulty in accepting Floydada's production starring "Hometown folks." I was determined I should enter the theatre with an open mind and be generous in my thinking about their "acting abilities".

My eyes were certainly opened. I say with all sincerity that Floydada's Steel Magnolias was more entertaining than Hollywood's.

Under the direction of Grant Hambricht, the six woman cast brought the audience to tears just as easily as they kept us laughing.

The set was superbly designed with realistic props from local beauty shops. I was surprised to see Annette Dupuy, played by Vikki Yeary, actually wash and set Jaynette Harrison's character, M'Lynn Eatenton's, hair.

During intermission, one woman was overheard saying, "Vikki sure did a good job of rolling Jaynette's hair. I kept waiting for the hair to pop out and it didn't."

It was fun to watch the transformation of Annette on stage, both in appearance and character. Yeary managed to play the part of several women in her transformation, and she worked through all her changes with the support of her outspoken, patient and loving friends in Truvy's Beauty Shop.

Truvy, played by Kay Brotherton, was the perfect surrogate mother and friend for Annette. Truvy gave Annette a home, a job, self respect, and self-confidence. Truvy's beauty shop was a place of support for Annette as well as her other close friends; M'Lynn Eatenton, Shelby Eatenton-Latcherie, Clairee Belcher and Ouiser Boudreaux.

Meeting often, the girls shared each other's joys, sorrows and bad days.

Knowing each other's flaws the women shared their love with openness, and honesty.

Truvy made it clear to Annette on her first day at work, that the philosophy at Truvy's Beauty Shop was, "There is no such thing as inner beauty." Truvy was looking after beauty trade by making her friends feel pretty on the outside as well as the inside.

Beauty was even found in the character of Ouiser Boudreaux, played by Doris McLain. Ouiser works constantly at never letting her "tender" side show, but her friends know her for what she is and love her in spite of herself.

After a particularly stressful day for Ouiser and much complaining on her part, it was suggested that she might try counseling. She shot back with the memorable line, "I'm not crazy. I've just been in a bad mood for 20 years!"

It's unknown whether Doris McLain is any relation to Shirley McLain, who played Ouiser in the Hollywood version. It is my opinion however, that Shirley needs some acting lessons from Doris. Doris' character was much more believable and enjoyable.

Lou Burleson played Clairee Belsher, the lovable and lively "grand lady of Chinquapin Parish." Clairee has recently lost her husband but doesn't let that slow her down a bit. She purchases the town's radio station and proceeds to broadcast football games cheering her team on to victory.

Clairee's one-liners in response to Ouiser's complaining keeps the audience in stitches.

The true test of steel for the southern Magnolia's comes when M'Lynn Eatenton, played by Jaynette Harrison, and her daughter Shelby, played by Kelli Reddy, are faced with two life and death situations.

The first decision comes from the diabetic Shelby who goes against her doctors orders not to have children. At Christmas, Shelby surprises her mother and the rest of the girls with the announcement of her pregnancy.

Worried about her daughters safety, M'Lynn finds it difficult to share in the joy or give the support that Shelby wants so desperately from her mother. Willing to face death Shelby goes on with her plans of giving birth.

The delivery takes a lot out of Shelby and before the child is two years old, Shelby is faced with failing kidneys.

Without hesitating, and grateful for the chance to once again give life to her daughter, M'Lynn offers one of her own kidneys. The operation is planned with M'Lynn and Shelby laughing through the fears and concerns of their beauty shop counselors.

The last scene of the play takes place after the funeral of Shelby, who fails to make it through the transplant successfully.

The pain shown by M'Lynn, while trying to come to grips with the death of her daughter, moves the audience to tears. Her heart breaking, M'Lynn describes the last moments with her daughter. Speaking of her husband, M'Lynn says, "men are supposed to be made of steel, but he couldn't stay and watch" (the plug being pulled on Shelby's life support).

"I kept holding her hand and watching her," sobbed M'Lynn. "I brought her into this world and I kept trying to push-push to give her life again. Finally the sounds stopped and there was no more noise."

Standing and shouting with despair and anger, M'Lynn cries out, "I just wish I could hit someone—I want to hit someone!"

At this point, the tears are brought up short as Clairee grabs Ouiser and shoves her in M'Lynn's face. "Here, hit Ouiser—hit Ouiser!" says Clairee.

The audience roars and the pain is gone.

Before M'Lynn leaves the beauty shop to face her family without Shelby, Annette (who is now pregnant) says, "If this baby is a girl, my husband and I want to name her Shelby."

"What are you going to name it if it is a boy," she is asked.

After a puzzled pause, Annette says, "Shelby, I guess."

"Life goes on," says M'Lynn.

## Senior Citizens Rockins

Our sympathy to Wanda and Murle Rogers on the death of Wanda's uncle in Odessa.

Jewell Thompson and Hazel Johnson were gone a week on a trip to Hawaii. They did a lot of sightseeing, but one they really enjoyed was going up above tree tops and clouds to see the large volcano. The flight was good going over, but they had one four hour layover and 2 1/2 hour layover returning home.

Jewell Thompson spent Sunday in Plainview at the Gordon Rogers home. Her son-in-law, Ronnie Rogers' grandmother was celebrating her 89th birthday. There were 18 in attendance.

Katherine Ball of Lubbock and daughter, Cheryl Teeter ate lunch Monday at the center.

Visiting Georgia Ford Sunday was a great-grandson, John Ford of Corpus Christi.

Martha Margaret Davis left September 26, and returned October 11, from a trip to England. In Brighton, England she saw and visited the pavilion built by King George IV. In Winchester, England she visited the cathedral, also did some more sightseeing.

### NEWS

Thursday night, October 17, was potluck supper. There were 71 people that enjoyed a real good supper.

Thursday night, October 24, will be salad supper. The "blood cholesterol screening" will be October 24, from 10:00 a.m. to 7:00 p.m., the public is invited to come by and have a cholesterol check, the cost is \$6.00.

Hazel Johnson will give a program on basket weaving, October 28, at 1:00 p.m. Five yards of material, size 0 needle are needed. There are two businesses to get material, addresses are at the center.

## Floydada Nursing Home Happenings

By Jo Bryant

Hi, once again it's time to share with you what is happening around here at the nursing home. Do hope this finds you well and happy.

Isn't this month going fast, can't believe it's nearly time for Punkin Day and Halloween. The staff and residents are looking forward to all the coming holidays.

Monday started the week off as usual, with morning coffee, juice and cookies. We want to thank the Sunday School classes at the First Baptist Church for providing the cookies. They are really faithful in bringing the cookies, just when you think that this is it, they come with cookies. Bro. Bill Wright came and did the devotion on prayer, and usually asking for more than we need. Irene Wexler came and played the piano for us and Otis Johnson led the singing. In the evening, the residents painted ceramics, a ghost.

Tuesday, the residents had rhythm band, and in the evening the ladies from the Companion & Caring came and did manicures for all, and did room visits to assist the residents with their personal needs.

Wednesday, was exercise once again. At 2 p.m. the staff had a meeting. At 2:30

p.m. the residents played Bingo. Ruby Holcomb had the first Bingo. Ruth Hammonds came back, so she and Mary Alice Davis assisted the residents in playing Bingo. Thanks girls for bringing extra snacks.

Thursday, was our monthly birthday party. We had eight honorees. They were Nettie Adams, Myra Hall, Della Halencak, Oda Birchfield, Esther Peck, Ruth Smitherman, Ruth Trapp, Peggy Young and Ernest Smitherman, husband of Ruth Smitherman, also celebrated his birthday and was Ruth's guest. Boone Adams provided ice cream and sherbet for all present. Dolores Cannon and Dorothy Neff came in the morning to do all of the ladies' hair. Joyce Williams' student class baked two beautiful cakes decorated with harvest corn. The ladies from the City Park Church of Christ serving were Lorilla Bradley, Ruth Walker and Beulah Baker.

Friday, Lee Burton came and gave the devotion on the "Power of God's Word." Evelyn Latta played the piano for us, and closed with a prayer. Dairy Queen treated the residents with some ice cream, then on to Matador on the bus ride. It was a nice day for the ride. The residents saw some ducks, and enjoyed seeing the cotton begin to open up. Wilma Payne drove the bus for us. The residents going were Brooks Galloway, Charles Breeding, Knox Jameson, Henry Willis, Warren Denton, Peggy Adams, Audie Poteet, and Nettie Adams. Mrs. Audie Poteet got to see her home, and visit her neighbor.

Be sure and come by our Floydada Nursing Home Booth which we will have on Saturday at Punkin Day. We will be selling nachos, Frito Pies, and soft drinks. The proceeds will go toward the Alzheimers Research. Tracts, brochures will be available for all to pick up.

# FHA observes Drug Awareness Week

The Floydada High School Student Council is sponsoring Drug Awareness/Spirit Week Monday, October 21 through Friday, October 25.

Activities focusing on Drug Awareness Week are intended to make students aware of the problems of drug use and abuse. The campus campaign slogan is "Say No to Drugs!" Red ribbons were provided to all campuses by the local Lions Club. The tags read, "Proud to Be... Drug Free."

In an effort to combine both activity emphases, students wore crazy socks on Monday, and posters reading, "Sock It to Drugs" and "Sock It to the Mules" were hung in the halls.

The major event for drug awareness

was Tuesday. As selected students dressed as the Grim Reaper, every twenty-three minutes a student was "claimed" by the Reaper. The "claimed" students, representing the teenage lives snuffed out every twenty-three minutes in drug/alcohol related accidents and deaths, had their faces painted white. These students were not to speak or be spoken to for the remainder of the day.

For spirit activities, each class was responsible for decorating its section of the halls. In addition to this project, the Student Council began selling links for a spirit chain. Competition between each class will end Friday at the pep rally. Students will carry out the theme of the day by wearing sweats for "Sweat

Out Drugs", "Live Drug Free... No Sweat!" and "Sweat Out the Mules".

On Wednesday the Student Council members tied red streamers and red balloons to trees, sign posts, faculty and students' cars. Red is the designated color for Drug Awareness Week. Also on Wednesday, the student body attended a multi-media assembly designed to increase students' self-esteem.

Students' attention was focused Thursday on Spirit Week. A Spirit King and Spirit Queen were elected from the ranks of the senior class. The winners will be presented at the all-school pep rally on Friday. To carry out the day's theme of "Don't Let Drugs Cut Short Your Life", and "Short-Out the Mules",

students will be allowed to wear walking shorts to class.

Students and faculty will be participating in activities Friday by wearing green and jeans and sunshades. The day's theme is "Shade Out Drugs" and "Shade Out the Mules". Culminating the week's activities will be the all-school pep rally at the junior high gym at 3:00 p.m. In addition to the crowning of Spirit King and Spirit Queen, there will be a special ceremony of "The Pinning of Colors" on the varsity football players, coaches, and managers.

The Drug Awareness/Spirit Week committee included Billy Villarreal, Christy Benjamin, Josh Thayer and Tami Cocanougher. Other participating organizations were the pep squad, the cheerleaders and the annual staff.

Drug awareness and prevention is an on-going educational process. However, the emphasis of this week has given special attention to this problem in hopes of enlightening students to the pitfalls of drug use. Most students at FHS agree that the best prevention is "SAY NOPE TO DOPE!"

## Hey All You Whirlwind Fans!

This week, the Winds battle it out with the Muleshoe Mules. Everyone come out to Wester Field and support the Whirlwinds Friday night at 7:30. Also, there will be an all-school pep rally Friday at 3:00 in the junior high gym. So try to be there and help build spirit to boost the Whirlwind record to 7-1.

## Whirlwind JV wins wild one

Floydada's JV defeated Dimmitt 32-28 at Wester Field on Oct. 17. The season battle had action reserved normally for varsity-level play. Gabino Suarez scored early for Floydada on a 5-yard run and then added the 2-point conversion.

After an exchange of punts, Josh Thayer added a second Floydada touchdown on a 20-yard off the option. To close out first quarter action, Dimmitt intercepted a Floydada option pitch for

an 85-yard touchdown.

Suarez ran for a 12-yard touchdown in the second quarter, but Dimmitt counted with their second score of the game. The JV 'Winds took a not-so-safe lead into the locker room at halftime. Both teams added third quarter scores with Suarez going in from 6-yards out.

Dimmitt took the lead in the fourth quarter by another interception of a Floydada option pitch. The play covered 25 yards and gave the visitors their first lead at 28-26. Gabino Suarez scored his fourth touchdown of the game late in the fourth quarter as Floydada rallied for the close victory.

Outstanding offensive players: Gabino Suarez and Kevin Staples. Defensive players of the game were Joe Hernandez and Tyson Edwards.

## Lowrance wins 1st in football contest

Submitting the only entry with incorrect game picks in the single digits was Gene Lowrance of Floydada. Lowrance earns the winning honors in the seventh week of the Hesperian-Beacon Football Contest with nine incorrect choices. The prize check for \$25.00 may be picked up at the Hesperian-Beacon Office in Floydada on Friday, October 25.

The second and third place prizes were awarded after careful consideration of the first tie-breaker answers with three entries vying for the two prizes. All three entries had ten incorrect game picks and each selected Olton to win, eliminating that as a means of determining a winner.

Using the combined score of the Lockney vs. Olton matchup, Carrie Davis of Floydada emerged with second place based on a total combined score of 35. The actual combined score of the

game was 54. Her check for the \$15.00 second place prize will be waiting in Floydada on Friday.

Treena Aston of Lockney landed in third place. Aston chose a combined score of 32 points to earn the \$10.00 third prize check. She may claim her prize on Friday at the Hesperian-Beacon Office in Lockney.

Honorable Mention honors go to Dusty Anderson of Floydada. His tie-breaker score was 24, placing him in fourth position this week.

Let the sponsors know that you enjoy playing the football contest and trade with them whenever possible. Sponsors this year include Cargill Hybrid Seeds, Tye Company, Lambert Spraying, Schacht's Flowers, Jewelry & Gifts, Lockney Meat, Pay-n-Save in Lockney and Floydada, Wilson Photography, R

## Floydada Junior High Football Report

### 7TH GRADE BREEZERS DEFEAT DIMMITT 28-6

Dimmitt scored first and the seventh grade Breezers countered with 28 unanswered points. Marcus Collins scored on a 9 yard run to begin the scoring marathon. Jacob Guzman ran in for the two point conversion.

On the next possession, Guzman scored on a 67 yard reverse and then made the conversion on a run.

During the second half, Collins scored again, this time on a 3 yard run. The conversion was not good. Adam Soto ran in for a 5 yard touchdown to end the scoring. The conversion was not successful.

Coach Jimmy Webster tabbed Jacob Guzman as the outstanding offensive player. He cited super running and blocking. David Mercado was a real hustler on the kicking team according to the coach.

### 8TH GRADE BREEZERS DEFEATED BY DIMMITT

"Despite losing the ball game, this was the 8th grades best performance of the year," said Coach Kyle Clark. "Dimmitt has an outstanding team and the 8th graders gave them all they wanted."

Turnovers proved to be the Breezers

undoing as they lost the ball three times inside the Dimmitt 30 yard line. One loss was on downs and the other two were on fumbles. Floydada was leading 12-8 late in the fourth quarter and was driving for the insurance touchdown when they fumbled at the Dimmitt 29. The Bobcats took five plays to score and take the lead 16-12.

With two minutes and 27 seconds remaining in the game, Floydada took the ball and quickly drove to the Dimmitt 25. An untimely fumble ended their chance of scoring the winning touchdown with 54 seconds remaining.

Coach Clark said, "Our kids really played well and deserved to win the game. A couple of missed scoring opportunities overshadowed a great team effort against a good opponent. This game displayed a big improvement in the level of our playing and if we continue to improve, there will be big victories down the road."

## FHS 9th grade beats Motley County JV

The 9th grade Whirlwinds edged the Motley County JV 18-14 on Oct. 17. Floydada scored late in the first quarter as Dimas Marmolejo tallied from 20 yards out on an option play.

The ball changed hands several times during the second period. Shortly before halftime Sammy Rodriguez connected on a pass to Pete Cooper for a touchdown to give Floydada a 12-0 lead at intermission. Motley County got on the board with a score and conversion to narrow the gap 12-8, but Floydada's

Bruno Mendez scored from 1 yard out to close the third quarter.

Motley County scored again in the fourth quarter, but Floydada controlled the ball after the ensuing kickoff to seal the victory.

Named by the coaches as outstanding players on offense were Lionso Cisneros, Sammy Rodriguez and Pete Cooper. The outstanding defensive players were Derrick Martinez, D.G. Hollums and Peter Luna.

# 'Winds blast Dimmitt

By Bill Gray

The Floydada Whirlwinds once again blew gaping holes in the credibility of pollsters by hammering the Dimmitt Bobcats 27-6 at Bobcat Stadium on Oct. 18. The contest had been projected a toss-up by the Harris Rating System, but the 'Winds totally dominated the Bobcats in virtually every statistical category. Only a 67-yard desperation touchdown pass by Dimmitt in the game's final two minutes prevented Floydada from registering its third shutout of the 1991 campaign. So complete was Floydada's control that the Bobcats managed only 40 yards total offense and one first down in the initial 24 minutes of play.

Floydada won the coin toss, but deferred its option to the second half. Dimmitt elected to take the 25-mph northwind and kicked to the Whirlwinds. At first it appeared the 'Cats had made the correct decision as Floydada was hampered by poor field position in the early going. A 44-yard punt by Dimmitt's Lincoln Stewart backed the 'Winds into a deep hole at their own 4-yard line early in the first quarter.

Floydada orchestrated two first downs for some breathing room, but had to punt back to Dimmitt from its own 35. On third down from Dimmitt's 33-yard line, Bobcat quarterback Tait Crow's pass was intercepted by Ramiro Rios to give Floydada its best field position of the opening stanza.

Billy Villarreal's 15-yard pass to Jesse Rodriguez helped sustain the Whirlwinds' drive down to Dimmitt's 18-yard line as the scoreless first quarter came to a close. Michael Henderson rushed for 10 on a pitch off the option, and Jammie Davis scored from seven yards out on the next play. Michael Gilliland's conversion kick was good, and Floydada took a 7-0 lead which it would never relinquish.

Dimmitt fumbled the ensuing kickoff, with Ramiro Rios coming up with the errant ball for Floydada. The 'Winds were back in business at the Bobcat 33-yard line. Floydada picked up a first down on a 14-yard Villarreal-to-Rance Pernell pass, but Dimmitt's defense stiffened.

Four plays later the Bobcats took over on downs at their own 9-yard line. At this point the superiority of the Floydada

line became evident. Adam Gonzales, Ruben Chavarria and Rafael DeOchoa made key defensive plays to stymie Dimmitt's attempts to work the ball out from deep in Bobcat territory. Lincoln Stewart's short punt gave Floydada possession at Dimmitt's 18-yard line, but the 'Winds were unable to capitalize on the scoring opportunity.

The Bobcats took over on downs at their own 15-yard line, and on the second snap Lincoln Stewart broke to the left after finding a crease in the Floydada defense. Stewart rambled down the west sideline for an apparent 85-yard Bobcat touchdown. However, flags brought the play back — due to two men in motion on the play — and the Whirlwinds breathed a little easier.

After the called-back touchdown, Jammie Davis recovered a Dimmitt fumble to give the Whirlwinds possession at the Bobcats' 5-yard line. Two plays later Michael Henderson crashed over for a Floydada touchdown. Michael Gilliland's PAT kick was wide to the left and the score remained Floydada 13, Dimmitt 0.

The 5-yard penalty for illegal motion, which nullified Dimmitt's 85-yard touchdown, produced a 13-point Floydada swing. It was probably the key play of the game.

Following Floydada's kick, Dimmitt gambled and lost on a fourth-down play in the final two minutes of the second quarter. Floydada's defense stiffened, and the ball went over on downs to the 'Winds at Dimmitt's 47-yard line. Two consecutive Villarreal passes to Jaime Suarez and Jesse Rodriguez moved the 'Winds to Dimmitt's 16-yard line with less than a minute remaining in the half.

Villarreal ran for 11 yards on a quarterback draw down to Dimmitt's 5-yard line, and on the next play tossed a scoring strike to Jesse Rodriguez. The two-point conversion attempt failed, but Floydada had increased its lead to 19-0.

In the final ticks of the first half, Jammie Davis intercepted a Dimmitt pass and almost broke for an 80-yard touchdown. Davis was hauled down from behind at the Bobcat 38-yard line as the halftime horn sounded.

Floydada exercised its second-half option and received against the strong wind to open the third quarter. Ruben

Chavarria popped for 12 yards on a trap play on first down. The "trap" worked most of the night as a result of the Whirlwind offensive line.

The Whirlwinds picked up four first downs on the drive down to Dimmitt's 8-yard line before a 15-yard clipping penalty helped stall the scoring threat. Dimmitt took over on downs, but the Bobcats had "three plays and out" due to good defensive efforts by Chavarria, Ramiro Rios, and the entire Floydada defensive front.

Following an exchange of punts, Floydada's Billy Villarreal intercepted a Dimmitt pass on the fifth play of the fourth quarter for the Whirlwinds' fifth takeaway of the game. The 'Winds gained possession at their own 41-yard line, but were unable to sustain the drive and punted back to the Bobcats. Quincy Johnson's sack of Bobcat quarterback Billy Ray Thomas set the stage for Floydada's control to prevent any type of Dimmitt comeback.

With Dimmitt unable to get a drive going, the Whirlwinds took over on downs at the Bobcat 36-yard line. Chavarria broke for runs of 16 and 19 yards to put the 'Winds in scoring territory with a 1st-and-goal-to-go at Dimmitt's 1-yard line. Chavarria got the call, scored on a dive, and tacked on the 2-point conversion to extend Floydada's commanding lead to 27-0.

Dimmitt avoided a shutout when Billy Ray Thomas connected on a 67-yard scoring pass to Jeremy Casey with only 1:58 left in the contest. The 'Winds prevented the 2-point conversion attempt to seal the winning margin at 27-6.

Floydada ran out most of the remaining time on the clock. Chavarria punted 42 yards into the end zone on the 'Winds' last touch of the ball. The final play of the game was a Tait Crow pass from Dimmitt's 20-yard line which fell harmlessly incomplete.

The Whirlwinds will host the winless Muleshoe Mules in the last home game of 1991 this Friday. Dimmitt will have a real "cat fight" on its paws to remain in playoff contention when the Bobcats travel to Littlefield, a 14 to 7, come-from-behind victor over 0-7 Friona last week.

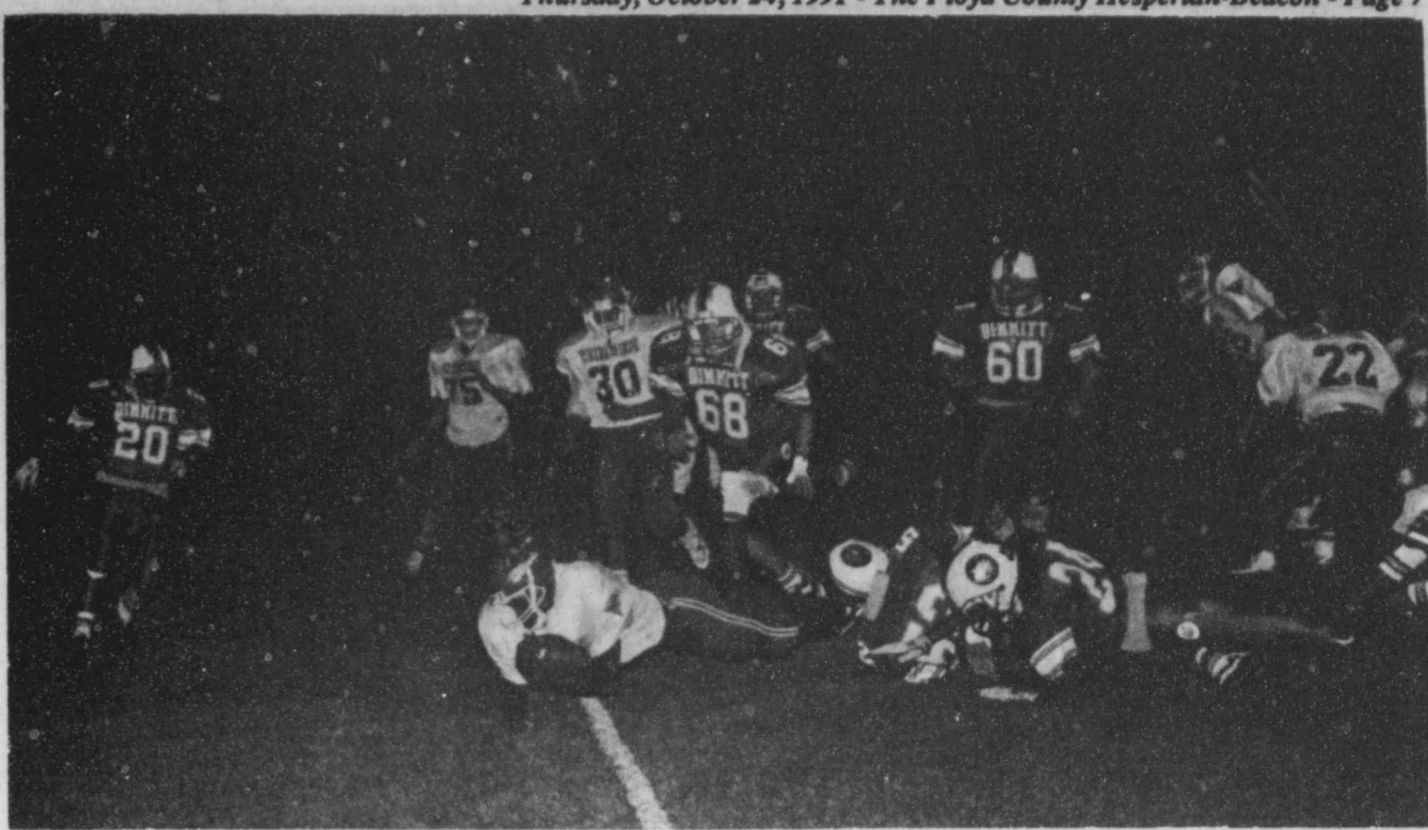

## BILL'S NOTES

Although the final score and game stats didn't indicate as such, it was a good Dimmitt club that Floydada bombed last Friday. The Bobcats had been rated as high as #2 in District 2-3A in a pre-season coaches' poll, and had earlier defeated perennial power Denver City and knocked off Muleshoe 32-0 last week in their district opener.

Dimmitt's Lincoln Stewart is a quality player and came into the game averaging over 100 yards-per-outing. In Dimmitt's 24-12 victory over Denver City, Stewart rushed for 116 yards on 17 carries (6.8 yards per attempt). Floydada's defense allowed the talented runner only 31 yards on 10 carries, and held the Bobcats to only one meaningless touchdown (they had been scoring a 25 point-per-game clip).

The 'Winds capitalized on three of five Bobcat turnovers while losing only one fumble themselves. Floydada's lack of turnovers have been a big factor in their success so far. The Whirlwinds' only loss, a 14-15 heart-breaker to Canyon, came as a result of turnovers and some mistakes that have now been rectified. Billy Villarreal continues his amazing streak of seven games with no pass interceptions.

Floydada had such a complete overall game it is difficult to single out any individual efforts. That is one of the key ingredients of the current edition of the Whirlwinds — there are no heroes on this team. There are those who can be counted on to give a solid performance week in and week out, but each

JAMMIE STRETCHES FOR 6 -- Whirlwind Jammie Davis scored from 7 yards out early in the second quarter against Dimmitt in last Friday's action. Other 'Winds in the play (white jerseys) were Adam Gonzales (#75), Jesse Rodriguez (#30) and Ruben Chavarria (#22). Chavarria led all rushers with 84 yards on 14 carries and one touchdown.

Staff Photo

week someone else seems to step forward and make important contributions.

Adam Gonzales, Rafael DeOchoa and the rest of the 'Wind defensive front played havoc with Dimmitt's explosive backfield. Ramiro Rios had his usual top-notch efforts on defense and special teams, and picked off his fifth interception of the year (Chucky leads the 'Winds in this category).

If anyone deserved individual honors for outstanding play — both offense and defense — it had to be Ruben Chavarria. The senior linebacker/fullback played a whale of a game on both sides of the ball. His pursuit on defense kept the Dimmitt backfield guessing all night. Chavarria's 14 carries for 84 yards (six yards-per-tote) and one touchdown added yet another dimension to the Whirlwind multiple-option attack.

The defensive play of the game was Jammie Davis' fumble recovery following Dimmitt's called-back touchdown. The turnover led to a 13-point Floydada swing and solidly put the momentum in the Whirlwinds' corner. Honorable mention for defensive play of the game goes to Dimmitt's 44-yard punt by Lincoln Stewart down to Floydada's 4-yard line on the Bobcats' first possession. The Whirlwinds were very fortunate to recover from the bad field position against the stout northern breeze.

My pick for the offensive play(s) of the game were a series of four thrusts by the 'Winds late in the second quarter. Villarreal passed for 16 to Jaime Suarez — then to Jesse Rodriguez for back-to-back first downs.

Billy Villarreal ran an 11-yard quarterback draw down to Dimmitt's 5-yard line, and then threw a 5-yard scoring strike to Jesse Rodriguez to give the 'Winds a commanding 19-0 lead with only 38 seconds remaining in the half.

Muleshoe ventures into Wester Field this Friday for the 'Winds' final home appearance of the year. The Mules were blitzed by Tulia 32-0 last week and have scored only 22 points in their first seven games.

A giant all-city pep rally is scheduled at 3:00 p.m. on Punkin Day Friday at the junior high gym. A large turnout is expected to

show the Whirlwinds the support for the next three all-important district games.

The 'Winds are close to approaching their peak, and certainly won't take the hapless Mules for granted. However, Floydada should get somewhat of a breather and have the opportunity to set the pattern for the momentum it will take to continue its drive to a playoff berth. Look for the 'Winds to kick the Mules back to Bailey County by about seven touchdowns. Bill's other pics:

## Coach's Comments

By Coach Dean Bates

Our defensive football team had an outstanding game against a good offense. Dimmitt was only able to make three first downs the whole night.

The kids did an excellent job containing Lincoln Stewart and he has had an

### Floydada ISD observes National Coaches Day

Floydada Independent School District observed National Coaches Day on October 19, 1991. A luncheon was held for all FISD coaches and PE teachers at A. B. Duncan Elementary School. The third grade lined the halls with posters made in honor of the occasion and chanted cheers honoring the coaches.

The meal was prepared by Connie Hurt, Mary Emert, Irene Morales, Kathy Mulder and Sue Chesshir. Two football cakes (made by Tammie Shuping) served as the centerpiece on a table decorated as a football field in Floydada's green and white colors.

A. B. Duncan Elementary expressed appreciation for all the hard work the PE teachers and coaches do for FISD and the students.

outstanding year running the ball. Our offensive team had a good night as well and probably should have scored a couple of more times.

We had penalties and fumbles down close on two drives which we were not able to convert.

This was a big win on the road and it is the first of three big games on the road. We play our last home game Friday against Muleshoe. All of the district games are important and we must prepare for a Muleshoe team that has not had much success.

There are areas that we must improve on and we can ill afford not to play well. See you at the game.

### City-wide pep rally planned

A city-wide pep rally is planned at Floydada Junior High School gymnasium beginning at 3:00 p.m. Friday. Floydada will play against Muleshoe Friday night at 7:30 p.m. at Wester Field.

## LISD Board hears convention report

The Lockney School Board held their regular meeting on Monday, October 14 and discussed the State School Board convention held in Houston recently.

Members of the school board attending the convention from Lockney were Jim Bob Martin, Paul Glasson, Bernie Ford and Carlton Johnson.

Bernie Ford served as Lockney's voting delegate to the Delegate Assembly.

Those attending the convention received the six hours training that are required for school board members each year. New board members are required to have twenty hours of training and it is possible to get these hours at the meetings held during the convention.

Superintendent W.H. Hallmark reported to the group that there will be a area wide school board meeting in Lubbock on October 22 and another meeting in Amarillo in November where they can finish their required hours.

The budget was presented to the members during the meeting and they briefly went over it. Hallmark pointed out the various figures and it will be gone over in detail at the November

meeting.

Principals, James Poole, Terry Ellison and Joyce Evans told the board what they were doing at their schools during Red Ribbon Week and other activities coming up were also discussed, including the carnival to be held on October 26 at the elementary school.

Paul Glasson was appointed to the Floyd County District Appraisal Board. He will serve a two year term.

## Parent Advisory Council to meet

Lockney Parent Advisory Council (PAC) will meet Tuesday, Oct. 29, at 7:00 p.m. in the Lockney Elementary cafeteria. Parents of students in the Chapter I Regular and Migrant are asked to attend, along with any other persons interested.

This will be a very informative meeting, with an explanation of the guidelines and regulations of these federal programs.

Refreshments will be served and door prizes given.

JUNTA DEL CONCILIO

In regular business the members heard the reading of the minutes, approved payment of the current bills, heard the tax report and reviewed the investments.

Present at the meeting were Jim Bob Martin, Paul Glasson, Gary Mangold, Carlton Johnson, Bernie Ford, Mike Mathis, Dickie Lambert, W.H. Hallmark, James Poole, Terry Ellison and Joyce Evans.

### CONSEJERO DE PADRES

El martes, día 29, de Octubre, habrá una junta del Concilio Consejero de Padres a las 7:00 p.m. en la cafetería de la escuela elemental. Esta junta de mucha importancia, es para los padres de estudiantes en los programas federales del Capitulo I Lectura y Migrante y tambien pueden asistir cualquier otra persona interesada.

Sera una junta muy informativa con explicacion de las reglas y guias de estos programas. Por favor de asistir, haga el esfuerzo de estar presente. Se sirviran refrescos y habra unos premios.

## Public Notice

On July 1, 1991, Southwestern Bell Telephone filed an application with the Public Utility Commission of Texas that proposes to delete Paragraph 3.4(G) from Section 3 of Southwestern Bell's intrastate Access Service Tariff, which concerns credits where a customer uses Switched Access Service to furnish a service which has been defined to be an exchange service. The application was assigned Docket No. 10463.

Because Southwestern Bell is not aware of any customers who presently use switched access service to furnish an exchange service, Southwestern Bell does not believe its revenues will be affected. However, certain interexchange carrier customers of switched access service have made claims under the aforementioned tariff. Such customers, but only to the extent they provide an exchange service using switched access, would be affected by this application. Based on claims made for credits (assuming such credits were allowable), Southwestern Bell's revenues would be affected by no more than \$1,168,962 annually, which is .037 percent of the Company's adjusted revenue for the 12-month period ending December 31, 1990. It is not possible to know how many interexchange carriers might believe themselves entitled to credits, but 189 carriers have registered with the Commission pursuant to PUC Substantive Rule 23.61.

The tariff, after suspension, is proposed to be effective May 1, 1992.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible, but no later than November 15, 1991. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256. The telecommunications device for the deaf (TDD) number is (512) 458-0221.

## Vargas makes only touchdown

By Issac Cuellar  
Olton Memorial Stadium was the site of the Longhorn-Mustang football game last Friday night.

The Longhorns got as close as 26-7 in the third quarter before Olton pumped up the volume to the tune of 47-7.

Juan Vargas made Lockney's lone touchdown of the game and Patrick Monroe kicked the extra point.

Lockney will play at home next Friday night. They will host the Hale Center owls.

### ISSAC'S ROLL CALL.

#8 Phineas Riddley blocked a punt that led to Lockney's second TD of the year.

#11 Juan Vargas scored Lockney's second TD of the year

In particular I saw a few good hits on defense. They were made by Patrick Monroe #33; Carlos Raissez #40; and Jarod Harrison #56.

I feel that the Hale Center versus Lockney game will be a very even ball game. Both teams match up well. I'll go so far as to say that Lockney will win

their first game of the year. The score of the game will be Lockney 22 and Hale Center 20.

### LOCKNEY JV

Alfred Martinez, #22 made the first score of the game and Tanner Johnson carried the ball in for a two point conversion as Lockney took an early lead in their game with Olton last Thursday.

#10 Frank Gutierrez made big, big, big yardage to put the JV into scoring position inside the five yard line and #22 Alfred Martinez scored the touchdown. The two point conversion failed.

The score was 14-14 at the games end.

### ROLL CALL:

Way to go Alfred Martinez and Frank Gutierrez!

### 7TH GRADE SHORTHORNS

The Lockney seventh grade Shorthorns defeated the Olton seventh graders by a score of 36 to 18 to continue their winning tradition.

### ROLL CALL:

Michael Luna #40 - two touchdowns. Good Job!

Ricardo Cruz #20 - one touchdown. Way to go!

Gerardo Luna #11 - two touchdowns. Outstanding!

Jason Perales #8 - one interception.

Danny Vasquez #52 - Two quarterback sacks.

The seventh graders are unbeaten at 4-0-1.

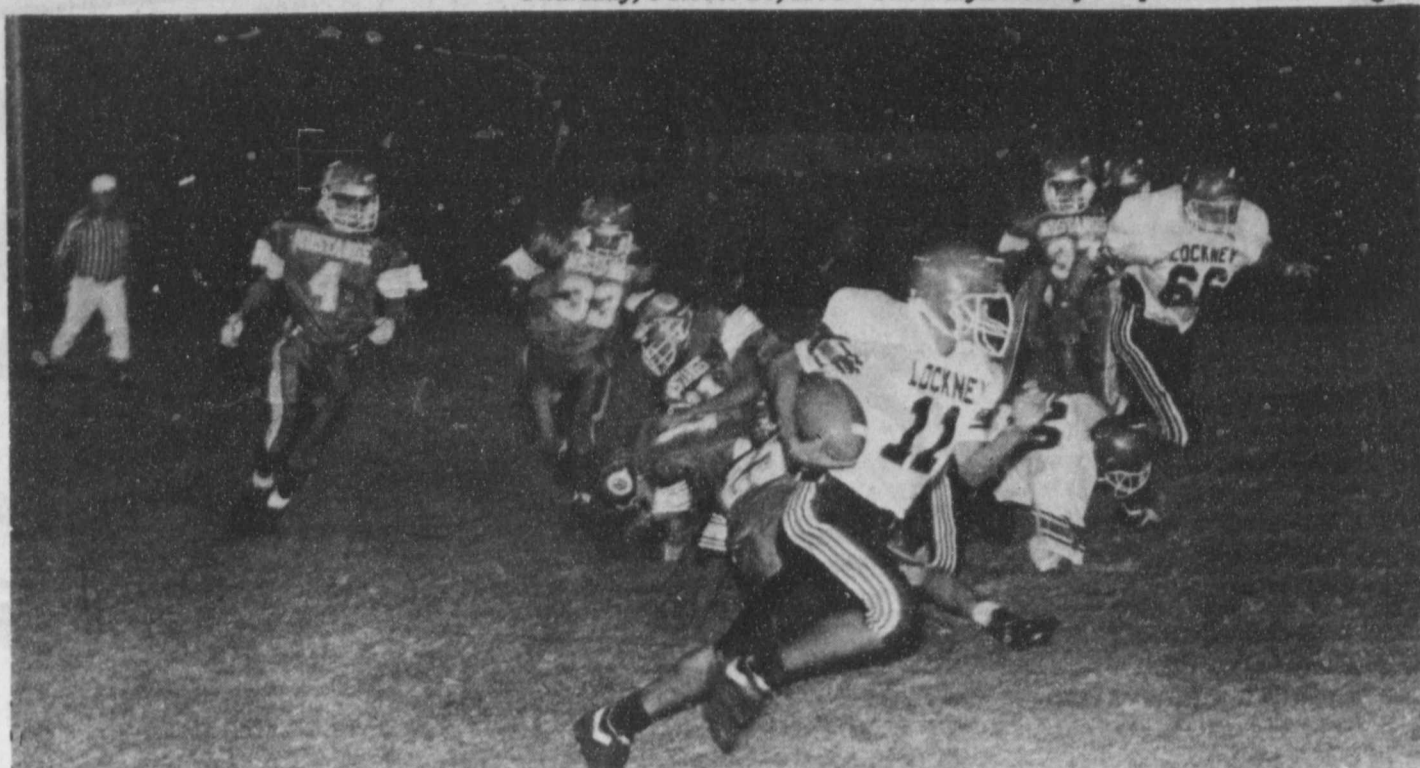

### 8TH GRADE SHORTHORNS

Mike Hernandez scored the one touchdown made in the eighth grade game with Olton.

### ROLL CALL:

Mike Hernandez #12 - One touchdown.

Carlos Perales #21 - Good hustle even while nursing a sore knee.

## Rapunzel performs in Lockney for Red Ribbon Week

The rock band Rapunzel played to the students at Lockney High School and Junior High on Monday, October 21. Their concert, amid colored flashing lights and smoke, was a part of the Red Ribbon Week "Just Say No" program.

Rapunzel is a high-energy rock band with a mission: to reach South Plains youth with a powerful anti-drug message. While presenting concerts in a 36-county range, Rapunzel also provides original educational materials to schools. The program is supported by R.A.D.A.R. TOWER INC., a non-profit anti-drug corporation presently funded by a grant from the Texas Commission on Alcohol and Drug Abuse.

Besides performing original compositions dealing with issues facing stu-

dents, Rapunzel links rock songs heard on the radio with the anti-drug theme. Band members relate personal experiences to students, emphasizing the importance of supporting friends in the decision not to use drugs or alcohol and the power inherent in living drug-free. "Don't let drugs destroy your dreams," guitarist Scott Faris tells students. Rapunzel's presentation is positive, uplifting and clean. Student participation is encouraged during concerts.

As further reinforcement of the anti-

drug message, band members signed autographs and talked to students personally after the performance. The group has established a Rapunzel phone line for students needing help. Band members also offer a mailing address to students and correspond personally with each student who writes to them. Finally, Rapunzel provides to schools classroom speakers, many of whom are recovering addicts.

All four band members make it clear that they do not use drugs, alcohol or

even cigarettes. The members of the band include: Scott Faris, guitarist; Mike Hogan, drummer and lead vocalist; Amy Faris, keyboardist and Gary Kent, bassist.

Rapunzel hopes to diminish the drug problem through its innovative approach. For more information call R.A.D.A.R. TOWER'S Executive Director Glenda Cameron at 806-637-3120.

### Lockney Quarterback Club schedules meeting

The Lockney Quarterback Club will meet Monday, October 28 at 7:00 p.m. at the junior high cafeteria. The club will be hosting the junior varsity football team, cheerleaders and their parents. A spaghetti supper will be served and everyone is invited to come out. The club reported that Keith Stansell won free groceries in the Quarterback Club raffle held at the Lockney-Floydada football game.

## Lockney Math-Science Team competes in meet

On October 12, the Lockney Math/Science Team participated in the TSTC Math/Science/Computer Science Meet at Sweetwater. Approximately 450 students participated.

In 9th grade math, Jared Mosley placed 2nd. The math team placed 9th.

In number sense the team placed 6th. Allen Martin placed 9th for 10th grade and in 12th grade Ignacio Luna placed 7th and Chris Villa placed 8th.

The science team placed 7th with 9th grade - Jared Mosley placing 7th, 10th grade - Angie Clark placing 6th, and 12th grade Ignacio Luna, 6th, and Chris Villa, 8th.

Ryan Ford and Lance Patridge placed 10th for the computer science team.

Other students participating were DeDe McCarty, Jerod Glasson, Max Green, Debbie Pyle, Shawn Hill, Jennifer Fortenberry and Mark Todd Terrell.

## LHS Sophomore Class sets fundraiser

The Sophomore Class at Lockney High School is having a raffle-fundraiser. Instead of raffling off one large ticketed item, we are raffling off several small ticketed items. These items were donated by the merchants of Lockney and other surrounding communities. There will be approximately 40 different prizes, and if you purchase a ticket, you could win one of the 40 prizes. There will be a drawing of 1 prize per ticket. Each ticket sales for \$1.00 and there is no limit to the number of prizes you win. For example, if you were to buy 10 tickets, and your name was drawn 10 times, then you would win 10 different prizes. The businesses that donated these items were very generous, and we want to thank them for helping support the sophomore class. The following is a list of businesses and what they donated for the raffle-fundraiser. Some of the prizes that were donated will be combined with other prizes listed below.

Lockney Vet Clinic, 2 cans of flea spray; J and K Insurance, 2 USAG Insurance caps; Consumer's Fuel Assn., \$15.00 car wash; Davis Lumber, Playmate Cooler; D and J Gin, 2 D&J Gin caps; Lambert Spraying Service, 2 bags of Dog Chow; Webster Service and Supply, \$10 worth of gas; Pay-n-Save Grocery, \$10 worth of groceries; Schacht Flowers, Jewelry & Gifts, gift basket; Lockney Dairy Queen, \$10 gift certificate; Rosa's Hair Chateau/Gift Gallery, basket with hair products;

Donuts and More, 1 dozen donuts; Longhorn Inn, hamburger/large Coke; Shear Country, haircut and style; Janie's Family Dining, \$10 gift certificate; Tye Co., Stuff-it office set; Main Street Pizza, 2 large pizzas; Lockney Oil and Butane, \$10 worth of gas; Lee's Home & Auto & Video, 4 movie rentals; Barbara's Beauty Shop, Nexus Shampoo; Brown's, \$15 gift certificate; Sundai's, haircut and style; Lockney Meat Co., 6# box of patties; Pam's Aerobics Class, 1 month aerobics; The Craft Shop, \$20 of wall fans.

Out of town businesses donating were:

Cargill Hybrid Seeds in Aiken, jacket; Golden Corral in Plainview, 2 steak dinners; Davis & Sons Builders Mart, Floydada, flag kit; Pizza Hut, Plainview, medium size pizza; Hair by Simon, Plainview, 3 haircuts given by Simon Urrutui, Gail Howard and Mick Jasper; Hair by Simon, Plainview, manucure by Dora Morales; Plainview Pit Bar-B-Que, \$20 gift certificate; Cinema 6 Cinemark Theatre, 2 movie passes; Subway's, 10 6" sub sandwiches; Kettle Restaurant, 2 buffets of choice; Sonic Drive-In, Brown Bag Special; Mr. Gatti's, large pizza of choice; Hasting's, promo cassette tape; Mrs. K's Bakery, 1/4 white sheet cake with rose.

There are other items that are being donated, but at the time of printing they were unavailable. Tickets may be purchased from any sophomore at Lockney High School, or you can call the school office for more information. Tickets are again just \$1.00 and the final drawing will be held on Halloween, October 31. So make sure and get you tickets before

then. There will be a ticket booth at the carnival, so you may purchase your tickets there!

**ROCK BAND BRINGS MESSAGE--**The rock band Rapunzel performed at the Lockney High School amid colored flashing lights and smoke. Their message to the high school and junior high students was "Just Say No".

Rapunzel's presentation was positive and the students were encouraged to participate. The group performed at the school to boost Red Ribbon Week. Staff Photo

# Floyd County Hesperian-Beacon FOOTBALL CONTEST

**GOOD LUCK!!**

## Football Contest Rules

Any subscriber or individual above the age of 7 years old who purchases a Floyd County Hesperian-Beacon is eligible to enter this newspaper's weekly football contest, except employees of this newspaper and family members living in the same household.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. In addition, write in the two tie breaker footballs your guess of the combined total points to be scored by the two teams listed in each tie breaker football. Also circle the team you believe will win. Circle both teams if you think the game will end in a tie.

The only entries which will be considered for prizes will be those on official entry forms which are brought to the Hesperian-Beacon office in Floydada or to the Hesperian-Beacon Office in Lockney by 5:00 p.m. on Friday. No photocopies will be accepted.

**NO MAIL ENTRIES WILL BE ACCEPTED.**

Three cash prizes are offered each week. In the event of ties - the same number of correct games and equal scores on the tie breakers - prizes will be shared by those involved in the tie.

The tie breaker scores will be utilized only in the event of a tie on the number of games correct.

Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at the Hesperian-Beacon office before 5:00 p.m. on Friday. Entries are limited to one per person per week. Weekly winners are limited to one per household.

## Weight Loss Surprises Researchers

WASHINGTON -- A nutrition organization was hopeful that a nutritionally complete "hi-tech" food tablet would help erase world hunger problems, until a study revealed that one of the ingredients could cause significant weight loss.

Although other studies and scientists may not agree, researchers in Europe found that the ingredient, a natural plant colloid, actually caused people to lose weight, even though specifically instructed not to alter normal eating patterns, according to one study published in the prestigious *British Journal of Nutrition*. Researchers in an earlier study had speculated that the weight loss was due to a decrease in the intestinal absorption of calories.

While the development of the product called Food Source One, a project of National Dietary Research, would not be used to successfully fulfill its original goal, the formula which has since been improved with other natural colloids has been a windfall for some overweight people. A Daytona Beach, Florida woman fighting a weight battle for 12 years used the product on the recommendation of her physician and lost 30 pounds. She stated, "Not only have I lost 30 pounds but my cholesterol has dropped from 232 to 143. I have two closets full of clothes which have not fit me in two years that I can now wear." In a separate report, a telephone interview revealed that a Wilmington, North Carolina pharmacist lost 14 pounds in 3 weeks on the product and was never hungry.

Food Source One tablets are part of National Dietary Research's comprehensive plan to bring a rapid end to obesity in this country. A variety of nutritionally sound diet plans, specially prepared by NDR, accompany each bottle and provide a natural, drug free alternative for confronting the problem of obesity.

# FLOYD CO. AG. UPDATE

**OFFICIALS MEET LOCALS**--U.S. and State ASCS officials were in Floydada, Thursday, meeting with local ASCS staff, in hopes of gaining insight on better ways to get input from local people, and improve service to farmers and ranchers. Shown here are: (left-right) Donnie G. Bowman, Acting State Executive Director from College Station; Tom VonGarlem, Assistant Deputy Administrator from Washington D.C.; Jerry D. Harris, Chairman of the Texas State ASCS Committee from Lamesa; and Bob Lotspeich, Floyd County's Executive Director of ASCS. Staff Photo

## Officials visit local ASCS offices

Tom VonGarlem, Assistant Deputy Administrator for State and County ASCS Offices, met recently with Floyd County ASCS employees. VonGarlem is involved in the policy decisions of ASCS farm programs and is here at the request of U.S. Senator Phil Gramm. Jerry D. Harris, Chairman of the Texas State ASC Committee, stated that Senator Gramm has consistently encouraged those involved in policy making decisions to come out and visit with the people affected by those policy decisions. VonGarlem's visit was in response to that request.

Over a two day period Mr. VonGarlem visited with ASCS employees in Floydada, Crosbyton, Anson, and Lamesa. ASCS groups from the surrounding counties were invited to attend

the meeting and provide their input. The purpose of the meeting was to get input from local people on ways to improve service to the farmers and ranchers of Texas.

The Agricultural Stabilization and Conservation Service is the United States Department of Agriculture agency that administers farm programs passed by Congress. This includes pro-

grams that effect many local farmers and ranchers.

Chairman Harris noted that this meeting brought together local ASCS employees and Administration policymakers to evaluate the effectiveness of current programs and find ways to improve the service provided through policy decisions made with this local input.

## Directors elected to board

The 1991 High Plains Cotton Breeders' Tour held October 15-16 featured visits to eight High Plains cotton breeding research facilities. About 50 people attended the two-day event.

Participants were given an opportunity to look at the efforts of seven area seed companies trying to ready new varieties with improved yield and quality characteristics. The tour also included a stop at the Texas Agricultural Experiment Station for a tour of Dr. John Gannaway's research plots.

Seed companies visited by the tour included: Custom Ag Service, Loraine; Holland Cotton Seed Co., Big Spring; Dunn Seed Co., Seminole; Cargill Hybrid Seed Company, Aiken; Levelland Delinting Company, Levelland; Brownfield Seed and Delinting Co., Brownfield; and Seedco Corp., Lubbock.

Gannaway's research is aimed at improving the quality of cotton grown on the High Plains and to develop cotton varieties specifically suited to the growing conditions found here. Gannaway's research is funded by the Plains Cotton Improvement Committee (PCIC). Each of the seven breeding facilities visited by the tour are using material from Gannaway's project to develop new cotton varieties.

The PCIC was formed in 1983 by Lubbock-based Plains Cotton Growers (PCG) and funds Gannaway's research through a 10-cent per bale assessment collected at area compresses.

"Producers on the High Plains are serious about improving the quality of

the cotton they produce," explains Myrl D. Mitchell, PCIC Chairman. "Look at any of the area's cotton breeding programs and you can see a commitment to developing quality cotton for High Plains producers. The ultimate beneficiary of this research will be the producer who will be able to take advantage of the new varieties."

Recognizing the improvements being made on the High Plains several textile mills have indicated that they will be buying more cotton from the area in the future.

Lester Smith, of Cone Mills in Greensboro, NC, acknowledged the efforts of High Plains producers recently at the West Texas Flow/Marketing Meeting in Lubbock on October 17. Smith commended the area's commitment to developing new technology like the High Volume Instrument classing (HVI) system and the continuing effort to improve the quality of cotton through the Plains Cotton Improvement Program.

Smith explained that Cone Mills expects to purchase as much as 400,000 bales of High Plains cotton in 1991-92 as a direct result of these efforts. Approximately 225 individuals representing various business segments involved in moving cotton to market attended the meeting.

## Manure has positive impact

**By Mike Mallett, CEA-Ag.**  
Research at the Bushland Experiment Station has shown that manure applications to fields has had a positive impact on crop production. Recently at an educational meeting two farmers in the Canyon and Dalhart areas expressed their pleasure with the positive benefits they have experienced since using feedlot manure. These producers indicated their fertilizer costs have dropped tremendously, and they will keep utilizing manure in their cropping system.

**Availability of Plant Nutrients**  
**NITROGEN**  
Nitrogen, generally the element of primary concern, is present in feedlot waste largely as organic nitrogen.

Field studies with sorghum at Bushland indicate that about 120, 60, and 30 pounds of the 270 pounds present in 10 tons of manure is available for plant use during the first, second, and third seasons, respectively.

**PHOSPHORUS**  
Like nitrogen, the phosphorus present

in manure is largely in organic form and becomes available for plant use only after biodegradation.

It is highly likely that application rates sufficient to meet the crop's nitrogen requirement will be more than adequate to supply phosphorus requirements even on deficient soils.

**SECONDARY AND MICRO NUTRIENTS**  
Iron and zinc availability from manure in fields known to be deficient in these elements has not been adequately evaluated. Observation has been made that manure applications have not been effective in reducing the incidence of iron deficiency symptoms in sorghum the first year after application.

**Influence on Soil Properties**  
Continued annual applications of 10 to 15 tons per acre can be expected to have a favorable effect on soil properties.

Some advantages are:  
- Increase in organic matter over time  
- Improves soil structure

- improved cohesiveness of soil
- decreased bulk density
- Increased water infiltration rate
- Increased water holding capacity
- Decreases evaporation rate
- Decreases compaction problems
- Improves availability of Iron, Zinc and Phosphorus in calcareous soils
- Iron is chelated
- Some disadvantages may be:  
- Salt accumulation: apply manure in the fall so that winter and spring rains may reduce the salinity hazard
- Weed seed introduction: the potential problem is lessened when the wastes are stockpiled and allowed to undergo heating
- Nitrate accumulation

Feedlot waste can best be applied soon after harvest and ahead of initial land preparation when the land supports equipment well. Subsequent tillage operations should break up and incorporate the material into the soil to prevent nitrogen loss as ammonia and to insure placement of the phosphorus in the root zone.

In regard to micro nutrients, be reminded that these foliar applications are a "quick fix". With manure, iron, for example, is chelated which makes it readily available.

In considering the use of feedlot wastes be sure to run an economic comparison of inorganic fertilizer versus manure.

## Eight facilities are toured

Texas grain sorghum producers recently elected five men to represent them on the 15-member Texas Grain Sorghum Board. The board administers the .8 of 1 cent per cwt assessment collected on grain sorghum grown in Texas.

Producers in the South Texas District re-elected Dick Perry of Robstown to a six-year term. Perry is currently serving as board chairman. He raises registered Brangus cattle, cotton and sorghum on his Nueces County farm.

In the Panhandle District, Troy Sublett of Hereford was re-elected to a six-year term. Sublett, who farms in Deaf Smith County, raises 250 acres of

sorghum. Sublett is active in Lion's Club, the Texas Wheat Producers and the High Plains Water District.

Jack Cobb of Plains was elected to a six-year term in the West Texas District. Cobb farms in Yoakum County. He is a pilot and owns an aerial spraying service.

In the Upper Coast District, producers elected two directors to the board. Howard Salge of Skidmore was re-elected to the board to a two-year term, and Bill Kubecka of Palacios, a write-in candidate, was elected to a six-year term.

Floyd County is a part of the West Texas District.

# Floydada discusses ambulance, landfill

Continued From Page 1

liability for personnel would then be effective at "little or no cost," according to city officials.

Councilman Leroy Burns stated, "I am against this and you all know I am against it. The ambulance needs to stay a part of the hospital. At this time, that is all we are getting out of the hospital. We are still paying taxes, but the hospital is closed and the ambulance is the only thing the hospital is doing for us."

Cornelius pointed out that the hospital was no longer operating the ambulance. He told the council that the ambulance board was doing that. The board has applied for a provider number in order to be able to bill Medicare, Medicaid and private insurance for ambulance runs. Cornelius also said that Jimmie Lou Stewart had offered to assist with the bookkeeping.

Councilman Wayne Tipton told the gathering, "I would rather not see it under the city. I think that we could be opening a can of worms we would rather not see in the future."

Burns stressed, "The ultimate responsibility lies with whoever has the title and the city does not need to be in the ambulance business."

Newly hired ambulance service director Ted Porter was asked to voice his opinion and he stated, "I think it needs to be out from under the hospital. It is operating much more smoothly and efficiently under the auspices of the ambulance board with the assistance of South Plains Emergency Medical Service. We couldn't ask for a better crew." Porter also told the council that the present volunteers are capable of meeting any emergency that might arise in Floydada.

Ultimately, the matter was tabled until a joint session between the city council, the Floyd County Commissioners Court, the Caprock Hospital District Board and the Ambulance Board could be scheduled. Motion to table came from Councilman Clar Schacht with a second by Burns and a unanimous vote in favor. Also tabled was the matter of appointing an official ambulance board to supervise the operation of the ambulance.

## LANDFILL PROBLEMS

### CONTINUE TO DEVELOP

City manager Gary Brown informed the council at the October 21 session that the recently issued Environmental Protection Agency regulations and the changes being made in state agencies have resulted in estimates nearing a million dollars for the possible opening of the Floydada Landfill expansion.

According to Brown, the city can continue to operate in the present location for 24 months with no significant changes. At that time, water monitoring wells must be implemented and the final covering would be changed. The city will also have to have methane monitoring wells in place on sections no longer used. Brown told the group that with careful handling, the present location would serve Floydada's needs for about 18 months.

An estimate of the costs yet to be incurred by the city in opening the expanded section of the landfill was given to each councilman. These costs include \$25,000.00 for additional paperwork needed to make the current application acceptable to the state agencies involved and to meet the new regulations.

The estimate, prepared after talking with city engineering consultants, also includes the drilling of four monitoring wells at a cost of \$35,000.00 each and pit preparation. This preparation, a compacted layer of clay with a synthetic liner covering and another layer of compacted clay, is placed at \$3.00 per square foot for a total of \$653,000.00 plus a leachate collection system estimated at \$50,000.00.

The final item on the preliminary list was a set of scales. Each load of solid waste would have to be weighed in order to be certain that the state fee, based on weight, is paid. The current fee the city pays the state for being able to unload trash in the city landfill is 50 cents per ton.

This places the cost of arriving at the point where the landfill is ready to open at \$893,400.00. This is in addition to the more than \$125,000.00 already invested in the project.

Annual operation costs will also rise under the new regulations. Brown said that an employee would have to be placed at the landfill to monitor trash being brought in for unauthorized items.

The cost of furnishing an employee would be about \$18,000 per year including benefits and salary.

Additional costs of \$6,000.00 would be involved in a better daily covering system. The major expense would be the four testing samples required each year on the monitoring wells. This cost is estimated at \$100,000.00 per year. The samples would have to undergo a battery of tests for 284 chemicals. The total annual operating expenses estimate is \$124,000.00. All of the above figures are based on opening a five acre section of the landfill expansion which would serve Floydada for approximately 8 years stated Brown.

### NEW SEWER AND GARBAGE RATES SET

A motion by Cornelius, seconded by Schacht for the approval of City Ordinance #747 setting new sewer and garbage fees was approved by unanimous vote. The new rates are as follows:

Residential sewer is \$6.25 per month minimum with an additional charge of \$1.00 for each additional connection. Residential garbage rates will be \$9.50 per month.

Commercial sewer rates will be \$7.75 minimum with \$1.00 charged for each additional connection and \$9.50 for each wash trap. Commercial garbage rates were set at \$12.00 per month for four pickups per month. Additional requested pickups would be \$1.00 per month.

### REPRESENTATIVES NAMED

Doyle Walls was reappointed to another two year term on the Floyd County Central Appraisal District. His current term ends December 31, 1991. Motion for the action came from Schacht with a second from Councilman Ruben Barrientoz. The vote was unanimously in favor of the action.

Clar Schacht was appointed to serve on the newly created Community Justice Council. The council was created by House Bill 93 during the second special legislative session this year. Tipton made the motion and it was seconded by Barrientoz. The remainder of the council approved the appointment unanimously.

### OTHER MATTERS

The council opened bids for the proposed purchase of a new sewer machine. Only one bid was received. The bid met all specifications and was lower than anticipated. The base price was \$22,005.00 with a \$3500 trade in allowance making the cost to the city \$18,505.00. The amount budgeted for the purchase was in excess of \$20,000.00. Motion for awarding the bid was made by Cornelius with a second by Tipton and a unanimous vote in favor of the purchase.

The bid for demolition of the structure at 621 W. Jackson was awarded to Lloyd Soudelier for \$300. His was one of five bids received on the project. Wayne Bennett bid \$695.00, Manuel Reyes bid \$700.00, Kevin Nelson bid \$1,200.00 and Vernon Wickware bid \$595.00. Soudelier received the bid on the basis of it's being the low bid. The land owner, T. U. Lynch, will have two weeks to remove any possessions he wishes to keep. Soudelier will have the 60 days to clear the lot. The bid was awarded on a motion by Barrientoz, seconded by Tipton and approved by unanimous vote.

Arvana West's offer to purchase a tax title lot owned by the taxing entities was accepted by the council. West offered \$300.00 for Lot 9, Block 119, Original Town of Floydada, located at the corner of Georgia St. and Ninth St. The approval of the bid is contingent upon

approval from the remainder of the taxing entities concerned with the property. Motion for city approval was made by Burns with a second by Tipton.

The council unanimously adopted a drug and alcohol policy to meet standards set by the workers comp requirements. The policy will be given to each employee, current and new, for their information concerning the manner in which any drug or alcohol related incident will be handled. It must be read and signed off on by each employee. Motion for adopting the policy was made by Schacht and seconded by Cornelius.

The regular monthly session of the council was changed to the third Tuesday of each month from the third Monday of each month. Motion for the action was made by Cornelius with a second by Tipton. The vote was unanimously in favor of the action which will take effect in November.

A \$200 donation to the South Plains Regional Science and Engineering Fair was approved by the council. The money will assist in funding the annual series of local fairs and scholarships available to area students. Burns made the motion and Tipton seconded it.

The council also authorized the council to join the Highground of Texas, an economic development coalition. The coalition is a group of cities banding together in an attempt to bring industry to the area. Annual fee for membership is \$500.00. Cornelius made the motion for the action and Burns seconded.

Authorization was given to city personnel by the council to draw up the contract for the next year's lease of the municipal airport. The contract will be essentially the same as the last one for operation of the airport under the watchful eye of the Floydada Municipal Airport Board of Directors. Authorization came on a motion by Burns, seconded by Tipton and approved unanimously by the council.

City manager Brown reported that progress is being made on the High School baseball park with the city providing the labor and FISD paying for 60 to 65 percent of the materials.

He also reported that he had attended a workshop for entities considering a buyout of a local cable company. The facts and figures presented at the workshop were discouraging in that aspect said Brown. The workshop also pointed out that new technology means drastic changes in the near future for the cable industry. Fiber optics and telephone systems will eventually replace cable systems according to those speaking at the seminar.

Brown also noted that local cable personnel and Wayland Baptist University communications students will be filming a 20 minute promotional tape on the city of Floydada. Anyone with ideas for things to be included should contact Riddle Gibson at the local cable office or the office in Plainview.

Attending the session were Mayor Wayne Russell, councilmen Leroy Burns, Wayne Tipton, Eric Cornelius, Ruben Barrientoz and Clar Schacht. Councilman Amado Morales was not present. Also in attendance were city manager Gary Brown, city secretary Jimmie Lou Stewart, city attorney Karen Houchin, Sharon Quisenberry, Connie Galloway, Rhonda Guthrie, Riddle Gibson, Frank Breed, Wayne Bennett, Manuel Reyes, Jon Nielson, Mr. and Mrs. Lloyd Soudelier, Ted Porter, Joe Stepp and the Hesperian-Beacon reporter.

## Dr. Kevin Stennett attends national medical meeting

Dr. Kevin Todd Stennett of Lockney, attended the Annual Scientific Assembly of the American Academy of Family Physicians (AAFP) in Washington, D.C. The meeting was held September 25-29. More than 4,000 family physicians from around the country attended the continuing medical education meeting.

The local physician, who is a member of the Academy, heard renowned speakers discuss up-to-the-minute health care topics. Dr. Stennett also had an opportunity to attend 30 clinical seminars and visit more than 86 scientific and nearly 330 technical exhibits. Subjects covered in this four day scientific session were of immediate interest to family doctors both in their everyday practices and in their continual endeavors to keep abreast of the latest advances in medicine. Some of this year's topics included asthma in the 90's, environmental and occupational hazards, posttraumatic stress disorder, reimbursement and socioeconomic issues, medical issues from the Persian Gulf War and depression.

## Cemetery Association seeks donations

It is fall and time to make your annual donation to the Floydada Cemetery.

This year improvements have been made to the storage building and the pump building in addition to the upkeep and other expenses of maintaining the cemetery.

You may make your donation at the First National Bank or by mailing it to or taking it by Moore-Rose-White Funeral Home, P.O. Box 444, Floydada, Texas.

Your support of the cemetery is appreciated.

the AAFP is the national association of family doctors representing more than 71,000 family physicians and medical students. It was the pioneer among medical organizations in requiring its members to take continuing medical education. AAFP members must complete 150 hours of mandatory continuing study every three years.

## Letter to The Editor

Dear Editor,

A pastor has the public perception of being his church's leader, and thus the congregation and the community-at-large rightfully expects more from him than from each other. Clergy certainly don't enjoy living in a fishbowl, but it is sadly inevitable with the job.

Public school teachers and elected officials are, for the most part, held to higher moral and ethical standards than those we taxpayers seemingly have established for friends or ourselves. Because they are held up to our young ones as an example, their lives (both public and private) are scrutinized by everyone. Although it might seem somewhat unfair, the office or position carries that added negativity within itself.

The editor/publisher of any print media has the final responsibility for any content or wording in the publication. Since you are the only newspaper published in Floyd County you present us to the world through your thoughts and words. Whatever you print colors and influences the manner with which we all are perceived. We have the right to expect good grammar from you BECAUSE you are the editor. It "comes with the territory" and is a given, even though it is a responsibility you probably did not seek. Most editors, as well as most working folk, work under the hazy but real threat of unemployment for sloppy performance and laxness. By the happy accident of birth, however, you don't have to meet those standards with the publication owners.

My job is not to edit and replace poor grammar - that remains strictly to the editor or publisher. You may hold my writings up for public ridicule at any time you see fit. (I was heartened that you managed to find my deliberate

"emphatic redundancy") Basic psychology, however, teaches that pointing out the faults in others, when one's own foibles have been exposed, is an immature and pre-adolescent attempt to save face. If it "makes your day" or "makes your year" then please do it often. You are final arbiter and it is up to you to respond at whatever level you feel comfortable. Perhaps then in your ebullience you might exert the extra time and effort to edit your own efforts and make us all proud.

The topic contents of "By the Way" through most of this past year have been informative and interesting. I join the many others that are so happy to read about events and happenings in our community, rather than a weekly saga of your child's teething, toddling, toilet training, or whatever. There are many opportunities for educational, cultural, and civic growth available locally now. We appreciate your hard work at keeping us well informed. Please continue to renew your efforts in behalf of our county's well-being and be assured that we look forward to your carefully thought out and succinctly stated future espousings.

Yours truly,  
Wayne D. Braly

The Lockney Chamber of Commerce is selling tickets is selling tickets on a 1992 Chevrolet Silverado pickup as a fund raising project. The Chamber would like to answer some questions that have come up.

What will the Chamber do with all that money? (If all the 2000 tickets are sold the Chamber will have raised \$40,000.00)

1. Purchase Pickup - \$18,000.00 (it is necessary for the Chamber to sell 900 tickets just to break even)

2. Depending on the ticket sales the Chamber plans to donate to local projects such as - baseball field lights, Christmas lights for downtown, landscape the planned downtown park, improve the Lockney downtown appearance, and money to match government grants for civic projects.

We plan to draw the winning ticket at the Chamber banquet in March, 1992. However we will not draw until a minimum of 900 tickets have been sold (this is to be able to pay for the pickup).

Tickets are \$20.00 each and can be purchased in Lockney at Consumer's Fuel, Lockney Co-op Gin, S.P.S. Office, Lockney First National Bank, Caprock Industries Feedyard, J.D. Copeland's office, D & J Gin and from any Chamber Director. You must be a licensed driver to purchase tickets.
