Temperatures change in a matter of hours

Floyd County weather changed from Indian summer to winter overnight and snow covered the pumpkins on Halloween. The temperature fell from a warm Indian Summer day Tuesday to 29 dees during the night. The first freeze of the season came earlier than normal.

Snow fell intermittently on Wednesday and on Thursday morning the ground was lightly covered in most parts of the county. Snow depth ranged up to one inch. Trick or treaters on Halloween night made their rounds in the unseasonable cold. The temperature fell to a low of 21 degrees.

The temperature rose to 40 degrees on Friday and during the night dropped to 26 degrees. On Saturday the temperature stayed in the twenties.

Residents of the county woke Sunday morning to find from two to four inches of snow had fallen. Sunday morning the temperature dipped to 6 degrees and the day was cold and blustery.

On Monday the sun came out with a vengence and the temperature began its climb to 50 degrees. Tuesdays high stood at 60 degrees and the night time low was 34.

By Ken Towery

If polls are to be believed, including a Southwest Research Associates survey of voter attitudes here on the South Plains, the coin of politicians in Congress has seldom been valued lower. In the aftermath of Congressional bounced checks, stiffed restaurant bills, fattened Congressional pay envelopes, evident irresponsibility in the handling of this nation's budget woes, most people now say their opinion of Congress as a whole is lower than any time in the past ten

Not only that, despite the fact that Democrats control both Houses of Congress and have for many years, despite the fact that the Democrats set the Congressional agenda, set the rules and determine both the debate and the outcome, an overwhelming majority of people, again if polls are to be believed, blame both political parties, Republias and Democrats alike, for the way the Congress of the United States is run.

In some ways that may seem strange, but we believe there is good reason for the people to feel that way. Without going too deeply into the reasons we think that situation prevails, we would merely say that so long as it exists the people will see little reason to change their voting habits. The result, unless things change, will be that people will complain and complain, and then go down and vote again for the very people they are complaining about, thereby perpetuating the very condition they complain about. They seem to have given up hope of making any meaningful change. And that, of course, is just the way the special interests want it.

One result is that now more and more people say terms of politicians, at both the national and state levels, should be limited by law.

In a way this too is strange. The mechanism is there to boot them out, and has been there from the beginning. Nevertheless the coalition of special interests groups, the "civil rights" lobby, the gay-lesbian caucus, the liberal national media, even some of the powerful industrial groups, is of such power that in the end they prevail, no

matter how much the people complain. All of which has caused us to change our thinking on the term limitation business. We have always been opposed to the idea, believing that eventually the people would come to understand what is going on, and would rise up in some

SNOW ON THE MAGNOLIA TREE--Four inches of snow covered Floyd County during the night Saturday. This early snow left a white blanket in its wake. The

temperature dropped to freezing on Wednesday, October 30 and reached a low of 5 degrees on Sunday. By Monday the temperature was up to 50 degrees.

Floyd County voters reject state lottery

Floyd County voters bucked the trend, Tuesday, and turned thumbs down on proposals to authorize a lottery for the State.

While the rest of Texas was approving the lottery, voters in Floyd County turned it down by a vote of 664 to 546.

The results were even more decisive in a proposal to set up a State Ethics Commission that would have the power to recommend pay hikes for state legislators. Floyd voters turned that down by a whopping 801 to 346, while the idea was being approved in the major metropolitan areas.

Twenty five percent of Floyd Count voters turned out for the election. The county clerk's office estimated voter turnout at 1,214, from a pool of 4,885

registered voters. A breakdown of the vote by precincts

can be found on page 3.

Whirlwind send-off planned Friday

Everyone is invited to send off the Fightin' Whirlwinds on their quest to bring home the District football championship.

The Whirlwind bus will circle the downtown area at 4:10 p.m. . Friday, prior to the trip to Little-

Powell treated like "an ordinary kid" despite Cerebral Palsy

(Editor's Note: Research for this article, by Texas Tech journalism student Tiffany Gentry, was made possible by a grant from the Reader's Digest Foundation.)

By Tiffany Gentry

When you see a boy like Tony Powell, you see a handicapped child. But to the students and faculty at R.C. Andrews Elementary, he is just another kid - and Tony wouldn't have it any other way.

"The kids are really good with him," Abel Vasquez said. "They treat him like an ordinary kid, and that's how he likes

Vasquez, Tony's learning assistant, spends every school day with Tony. He works with Tony in every aspect of the learning process, and understands him

"I'm sure sometimes I get on his nerves, but maybe someday he'll look

back on all this and thank me," Vasquez

disease affecting the brain as well as the body. An 11-year-old fifth grader, Tony has gradually adjusted to his lifestyle of wheelchair confinement.

But Tony doesn't let his handicap get in the way of his ambitions. When asked what he wanted to do when he grew up, Tony knew the answer immediately. "I want to be a computer expert. Once my computer was broken and I fixed it," he

Amazingly computer literate for his age, Tony regularly operates a Macintosh computer in his classroom.

Amy Smith, Tony's homeroom teacher, attested to Tony's knack for computers. "He has taught several people how to operate that computer,"

At an early age, Tony has proven his ability to overcome his disabilities. For Tony has Cerebral Palsy - a crippling the past two years he has participated in the Fun Run Race for kids during Punkin

"He rode a special bicycle with pedals, a steering wheel and straps to hold him in while racing," Vasquez said. "He definitely proved he's got spirit. He even finished ahead of a runner."

Vasquez also has plans to enter Tony in the Special Olympics next spring in Lubbock.

"We've got some money saved for entry fees for Tony and a few more kids to compete," he said. "Maybe he could compete in a bicycle race or an event he has seen before.'

The Special Olympics Committee sends potential entrants application forms to be submitted for official acceptance to participate in events. Vasquez said he plans to submit the application

Vasquez has been working with Tony periodically for a year. He began his work last August and stopped in November when he was forced to take fulltime employment. But after several months of separation from his young friend, Vasquez was able to resume his preferred job when school began again

"I didn't realize how attached to Tony I had become," Vasquez said. "I couldn't wait to be back."

Tony never fails to amaze his teacher, Amy Smith.

"He's really something," she said. "He is always happy. He fits in so well with the other kids.'

Smith was familiar with Tony's plans for the future. "He wants to go to college. And I

think he will, too, because he'll try anything. He won't quit until he gets something accomplished," she said. But not everything comes easy for

learning my multiplication tables," he said. "But when I finally learn one, I won't forget it." Tony reflects his "typical kid attitude" in his reply to the question of what

"The hardest thing for me to do is

his favorite subject was. "P.E.," he said, grinning. Ellen Enriquez, Andrews Elementary principal, has seen Tony develop for

several years. "I was his third grade teacher two years ago, so I think I know him pretty well," she said.

"It's terrific seeing Tony working to be a typical child," Enriquez said. "In the three years I've known him, he's come a long way. He's more mobile in his wheelchair, he's grown, and he can communicate better. He is also working with a physical therapist from Lubbock

Enriquez pointed out Tony's most important accomplishment.

Tony is totally mainstreamed now. This means that he does all of his learning in regular classrooms as opposed to the special education alternative. That's

a big step." Vasquez helps Tony communicate with the help of a new electronic device.

"Right now he's learning how to use a program called the Light Talker," he

The Light Talker is an instrument

made up of a computerized keyboard of letters, objects and words at which Tony can aim an electronic sensor attached to a band on his forehead.

"Tony is getting better at it," Vasquez said. "He uses it to say what he finds difficult to express through words."

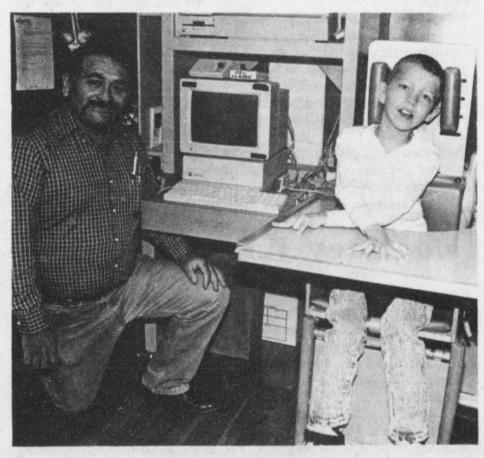

Vasquez plans to be Tony's companion for many years to come. "He's like my own child," Vasquez said.

It is apparent that the two work well together.

"Abel is an excellent male role model for Tony," Enriquez said. "It's important that he has someone like Abel to

But Vasquez knows that Tony is much more inside than he portrays from the outside.

"You know, he's the smartest little boy I've ever seen," he said. "All I am is his hands."

ABEL VASQUEZ AND TONY POWELL

Caprock board reviews bids

During an October 24 board meeting, Caprock Hospital Board of Directors, selected the First National Bank of Floydada as the exclusive depository for the proposal period ending December 31, 1993.

The board also heard a proposal from the Floydada branch of the First National Bank of Lockney.

A motion was also made during the meeting, to accept J.Q. Long's Roofing bid of \$40,411.00.

Other bids made to the hospital, on the hospital roof were: C.B. Thompson Construction Company, Lubbock, \$76,563.00; Texas Roofing Company, Lubbock, \$47,985.00; Lydick-Hooks Roofing Company, \$58,944.00; and Construction Services, Amarillo,

During an October 17 hospital board meeting Brandon Durbin, CPA of Durbin & Company, presented the annual audit of hospital operations, year ending September 30, 1991.

The audit depicted an operating loss of \$537,376.00 for the fiscal year which relates to a loss of \$326.67 per patient day. It also reflected a cash deficit of \$141,261.00 to address \$190,142.00 in liabilities.

Mr. Durbin expressed concern for the obsolete data processing system currently being used by the hospital and noted several instances where it apparently contributed to inadequate account-

By The Way By Alice Gilroy

Did everyone remember to go vote on Tuesday?

I wonder how many people read over the amendments and decided it was too confusing and decided to stay away from the polls.

You don't think our legislatures make the wording confusing on purpose do

I'm sure if they knew how to think like normal people they would do their best to talk that way.

Lennie and I made a bee-line for the voting tables Tuesday morning just so we could cancel each other out! *****

I read in the paper last week that Alberto Gonzalez, in Portland, Oregon, had been sentenced to five years without sex. He received this harsh sentence after he deliberately infected his girlfriend with AIDS. The woman was able to prove he knew he had AIDS, etc. His girlfriend also believed that Gonzalez had infected others.

The judge thought it was terrible and sentenced Gonzalez to one year. Instead of going to prison, the judge doomed Gonzalez with a terribly long five years without sex and house arrest for six months.

I'm not sure what happens after his five years are up. Maybe he won't live that long, but if he does, he can go kill someone else.

The best part of the story is how the judge is going to insure that the man does not have sex for five years.

Since he didn't send him to prison, the judge gave the responsibility of chaperoning the man's sex life to the probation department.

The infected man has to wear a bracelet (for only six months) which will enable the probation department to monitor his whereabouts. If he leaves the house, the probation officers will know it (Gonzalez is allowed to go to work).

Isn't this interesting? I'm sure that this man won't be able to figure out any way to get around this little technicality.

I'm also sure the probation officers were thrilled with this assignment. I wonder what else they can make those little bracelets monitor. If the bracelets were able to tell the probation officers that the offender was having sex, or even thinking about it, would they be able to drop everything and get over there before the criminal deed was done?

I wonder if the women that were infected by this man feel that justice has been done?

We were going to have a feature story in this week's paper about a local war hero, in honor of Veteran's Day on November 11.

He left town for a few weeks and the interview had to be called off for awhile. We will have the story later.

We don't want ya'll to think we have forgotten Veteran's Day. It will always hold a special place in my heart, because like many of you, I grew up with a war

I will never forget what my father and other men and women like him have done for this country ever since its formation 215 years ago.

The Lockney Police were dispatched

FHS Cross Country teams qualify for regional meet

Floydada Cross Country teams competed in the District Meet at Mae Simmons Park in Lubbock on Saturday, Nov. 2, and came out on top.

Junior Varsity girls, Varsity girls and Varsity boys all qualified for the Regional Cross Country Meet, which will be held Saturday, Nov. 9, at Mae Simmons Park in Lubbock.

Junior Varsity girls achieved the title of District champs.

Varsity girls placed 2nd with 47 points. Individual places were: Elisa Suarez, 4th, 13:30; Lezlie Warren, 5th, 13:54; and Linda Dagley, 8th, 14:06.

Varsity boys also placed 2nd overall with 49 points. Placing were Jackie Alaniz, 5th, 17:20; Jaime Suarez, 8th, 18:05; Refugio Barrientos, 9th, 18:24.

Runners in the regional meet will be Varsity girls, Elisa Suarez, Lezlie Warren, Tian Younger, Tamie Cocanougher, Linda Dagley, Aimee Fondy, Pepper Hinkle and Viola Hernandez.

Varsity boys competing will be Jackie Alaniz, Jaime Suarez, Refugio Barrientos, Billy Villarreal and Ronnie Cantrell.

Michelle Delgado advances to regionals in cross country

Michelle Delgado placed second in the District 3-2A Cross Country Meet held Saturday in Lubbock at Mae Simmons Park. Her time was 13.29. Delgado will advance to the Regional meet which will be held at the same location this weekend. She will run at 9:20 a.m.

The Lockney girls team placed 4th overall. They had a combined score of 87 points.

Standings as the girls crossed the finish line included Nicole McDonald placed 21st, Lisa Vargas 25th, Leticia Vargas 26th, Daniel McDonald 28th, Daisy Blanco 31st and Kori Kellison 33rd.

The varsity boys team placed 5th overall in the competition. Refugio Perez placed 22nd in the run, Leo Vargas 23rd, Jenaro Zapata 29th, David Turner 30th, and Julio Ramirez 31st.

Junior Varsity runners included Tiffany Ellison, Carolyn Turner, Almadena Basaldua and Rhanda Hickerson. Robin McLaughlin is coach for the cross country runners.

Senior Citizens News

By Thelma Jones Please call me at 983-3296 for your

news items to be put in the Senior Citizens News. I would appreciate it. Mrs. Kay Kenney visited with Mrs. Fred Battey Saturday afternoon.

Mr. and Mrs. Turner returned home last week after a visit to Garden City, Kansas, with their daughter.

Mrs. C.H. Wise and Denton had company last week. They were Francis Dilley of Columbus, Miss., Becky Campbell of Murphisboro, Tenn., Nita McKassele of Hooker, Okla., and Carrie Welty of Brownwood. They are nieces of her husband. They are also nieces of Pauline Faulkenberry.

Mr. and Mrs. Loyce Turner of Missouri, Blanche Williams, the Doyle Turners and others from here visited Mrs. Valree Turner Sunday afternoon.

Not much news as it has been cold, snowy and icy. People haven't been out much unless necessary.

Covered dish luncheon Saturday, Nov. 9, at 10:30. Come and share with

Mr. and Mrs. Bob Ashton of Houston spent several days last week visiting his parents, Mr. and Mrs. Clarence Ashton and his sister, Frances Ashton. His mother is in the rest home at Lockney.

Lula Teague left Lubbock Sunday, Oct. 28, for Nashville, Tenn., to attend a convention with a bus crew from Lubplaces of interest. Coming back on Monday, Oct. 28,

Roy H. Teague had a barbeque lunch at the Richland Hills Church of Christ for everyone on the bus. That being 46. Several of the group had relatives in that

bock. She also visited alot of other

area that met them there. Lula Teague and Ila Hammonds spent Monday in Lubbock shopping.

Floydada Nursing Home Happenings

By Jo Bryant

Hi, once again on this new week once again. Do hope all are keeping well and

Monday started the week as usual with Bro. Bill Wright giving the morning devotion. Irene Wexler couldn't be with us, so we listened to some songs, and Ottis Johnson lead the singing. In the evening, the residents had current events and popcorn.

Tuesday the residents played games, exercised and had cake and punch.

Wednesday was the usual Bingo game and Lennie Willis had the first Bingo. Ruth Hammonds came and assisted the residents. Mary Alice Davis couldn't be with us, we missed her.

Thursday was a cold, snowy day, we were disappointed that we had to cancel the Halloween activities because of the snow. In the evening at 2:30 the residents did have their party. The Companion & Caring ladies, Selma Ortiz, Leona Neff, Shirley Varner, Dolores Cannon, Sue Hoogstra, Ruth McIntosh and Ola Smith came and served beautiful and good decorated cake long with punch. They also served them candy pumpkins and candy. They played some games. We had a parade of costumes, Charles Breeding won first on his bat costume

and Elizabeth Aleman won first on her

It was too cold Friday to go on the bus ride, so we all stayed in and played dominoes and some watched the National Now show.

Our resident of the month is Mrs. Ellen Galloway, who has been with us for three years. Her son is Al Galloway. Congratulations to a very sweet lady. Marie Johnston in housekeeping is our employee of the month of November. She has been with us for six and one half years. Keep up the good work and the

We welcome a new resident, Mrs. Maude Parvin, her son is Elbert Parvin. We wish for Fannie McConic a speedy recovery, as she is in the hospital in Lubbock.

Our administrator, Wanda Gibbs flew to Milwaukee, Wisconsin for a week. She returned safely, after much detouring on the trip.

So until next week, take care and come to see us.

Whirlwind Sams of Floydada discussed plans for Christmas

By Betty Gilbreath

The Whirlwind Sams of Floydada net at the Lighthouse Electric Novemper 4, at 7:00 p.m. for the monthly meeting with Claude Weathersbee in charge. Invocation was by Jerry Living-

Betty Gilbreath gave the report on Fred Thaxton, he fell and broke his hip on Monday, October 28. He is in Methodist Hospital in Lubbock. Frances Weathersbee gave the report on Vernon Parker, he is having some test run. It is our prayer they will be well soon.

The president called on Robert McPherson for the report on our final campout for the year, also our Christmas

party. Refreshments were served by the Adams chairpersons, assisted by the Weathersbees and Pyles. All enjoyed a tater bake and dessert. The table arrangement was beautiful as usual.

Betty Miller was in charge of our program. Jerry Livingston presented a video of their vacation this past June. We also seen some slides of the wildlife refuge at Muleshoe and some slides of our trip to Lake of the Pines in March

during Spring Break, this was enjoyed by everyone.

Those present at the meeting were the Adams', Cates', Cockrell's, Gilbreath's, Harrison's, Hartsell's, Kendricks', Lyles', Livingston's, McPherson's, Miller's, Lorene Newberry, Patzer's, Pyle's, Wayne Russell, Weathersbee's, Willis', Norrell's, and the Lusk's. The Kendricks drew the door prize. We welcome to our club new members, the Lusk's from Spur. Hope they will enjoy our travel club.

There were 19 rigs represented with 36 members present. The meeting closed with J.W. leading our chapter song, "Happy Trails."

Manager of the formation of the contraction of the

Thornton chose Lockney as the winner in the Lockney vs. Morton tiebreaker with a total combined score of 20. The actual combined score was 48. He may pick up his check at the Hesperian-Beacon Office in Lockney on Friday, November 8.

The second place prize went to Graham who had a guess of 33 points on the tie-breaker score, selecting Morton to win. The check for the \$15.00 second place prize will be waiting for him in Lockney on Friday.

Enriquez garnered the third place spot with a total combined score of 26 points and Morton as the choice for winner. The third place check for \$10.00 will be in Floydada for him on Friday.

Honorable Mention honors go to the seventeen entries with eight incorrect guesses. Space limitations preclude naming them individually.

FHA News Report

By Brandy Lackey

The month of October was a busy one for the FHA Chapter. At our meeting, Reagan Session, vice president, gave a report on the Leadership Workshop in Lockney. Following her report, Roxann Cavazos reported on the Punkin Days booth.

The students made bubble wands to sell, along with the recipe.

Also discussed during the meeting was the group's community projects. One will be to visit the nursing home in Floydada and decorate the residents' doors.

They will also be writing and producing a play on teenage pregnancy. Actors will be FHA members.

WHIRLWIND DAY PROCLAIMED -- Mayor Wayne Russell, center, signed a proclamation designating Friday, November 8, as Floydada Whirlwind Day in honor of the fine performances turned in by the athletes of the Floydada High School Varsity Football Team this season. -- Staff Photo

CITY OF FLOYDADA FLOYDADA, TEXAS

OFFICE OF THE MAYOR

PROCLAMATION

WHEREAS, November 8, 1991, marks the gridiron clash between the Floydada Whirlwinds and the Littlefield Wildcats for the District Championship; and

WHEREAS, this has been an exciting, hard-fought, and successful football season, and we are proud of the record the Floydada Whirlwinds have earned and the fine publicity they have brought to our community by their inspired team play; and

WHEREAS, we, the citizens of this community, desire to honor these athletes for their proficiency, physical conditioning, and sportsmanship displayed throughout this Whirlwind season;

THEREFORE, I, as Mayor, do hereby proclaim November 8th, 1991, as FLOYDADA WHIRLWIND DAY in our community, urging all citizens to be supportive of this occasion.

DATED this 5th day of November, 1991.

/s/ Wayne A. Russell WAYNE A. RUSSELL, MAYOR CITY OF FLOYDADA

FHA-HERO Chapter Reports

Bluebonnet Chapter By Sandra Ramirez

Reporter
The Bluebonnet Chapter of Future
Homemakers of America-HERO held a
meeting Oct. 29, at 2:00 p.m. in the
CVAE homemaking room of Floydada
High School. Julie Johnston led the
group in repeating the creed.

Elections were held with the following being selected as officers: Yolanda Ledbetter, president; Katrina Session, vice-president; Julie Johnston, secretary; San Juana Fraire, treasurer; Sandra Ramirez, reporter and song leader, and Stacy McHam, sergeant-at-arms. Mrs. Joyce Williams is advisor of the Bluebonnet Chapter.

Projects the group has been involved in included the making of breadsticks for the Day Care Spaghetti Supper and baking birthday cakes for the nursing home.

The club planned to visit Lubbock Christian University for High School Day on Nov. 2.

Secretary Julie Johnston handed out FHA-HERO membershp cards to all who had paid their dues. They have also sold candy bars to raise money for club expenses.

A special thanks was extended to Yolanda Ledbetter for working all day at the Punkin Day booth. Stacy McHam also helped with the booth. Red Rose Chapter By Nancy Sandoval

The Red Rose Chapter of the FHA-HERO met in the CVAE-Home Ec. room at Floydada High School on Wednesday, Oct. 30. The purpose of the meeting was to elect officers. Those elected were: Gail Lebetter, president; Mary Lou Herrera, vice-president; Priscilla Herrera, secretary; Frances Nieto, treasurer; Nancy Sandoval, reporter, historian and song leader.

Members who worked at serving the Day Care spaghetti supper were Frances Nieto, Priscilla and Mary Lou Herrera.

Special recognition was given to Monica Wickware for being high saleswoman of candy sales. She has sold more than anyone in all the CVAE classes.

A big thanks was given to Gail Ledbeter, Francis Nieto, Mary Lou Herrera and Priscilla Herrera for working in the club booth on Punkin Day.

The group also planned a Halloween party with the students of Mr. Smith and Mr. Galloway. Club advisor, Mrs. Joyce Williams, told the group about High School Day at Lubbock Christian University.

PUBLIC NOTICE

On April 16, 1991, GTE Corporation ("GTE") and Contel Corporation ("Contel") filed a joint petition for declaratory relief with respect to the obligations or requirements of GTE or Contel and/or any of its subsidiaries relating to the merger of GTE and Contel. GTE and Contel have requested a ruling from the Public Utility Commission of Texas that neither GTE nor Contel is required to report the merger of GTE and Contel pursuant to Section 63 of the Public Utility Regulatory Act ("PURA"), TEX. REV. CIV. STAT. ANN. art. 1446c (Vermon Supp. 1991), that no investigation of the merger by the Commission is required. In the alternative, GTE and Contel seek a determination that the merger is consistent with the public interest.

Contel seek a determination that the merger is consistent with the public interest.

The Commission is investigating the merger between GTE and Contel Corporations to determine whether the merger is consistent with the public interest. In reaching its determination, the Commission shall take into consideration the reasonable value of the property, facilities or securities to be acquired, disposed of, merged or consolidated. If the Commission finds that the merger is not in the public interest, the Commission shall take the effect of the transaction into consideration in GTE Southwest Incorporated's and Contel of Texas, Inc.'s next ratemaking proceeding and disallow the effect of such transaction if it will unreasonably

This filing has been assigned Docket No. 10212. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission. A request to intervene, participate, or for further information, should be mailed by 3 p.m., December 31, 1991, to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, TX, 78757. Further information may also be obtained by calling the Public Information Division of the Public Utility Commission at (512) 458-0256, or (512) 458-0221 teletypewriter for the deaf.

Floydada blasts Tulia & clinches playoff berth

The Floydada Whirlwinds, paced by Michael Henderson's touchdown runs of 36, 22 and 4 yards, and a team rushing output of 381 yards, continued their drive toward a District 2-3A championship by defeating the Tulia Hornets 26-7 at Tulia's Younger Field on November 2. Floydada's season record improves to 8-1 overall, and the 'Winds remain deadlocked at 4-0 with Littlefield as district co-leader.

With the victory over Tulia (pre-season favorite for the loop crown), the Whirlwinds are assured a post-season appearance for the second time in Dean Bates' three-year tenure as head coach. A win over Littlefield this week will give Floydada a district championship and the number one seed in the bi-district round of the Class AAA State Playoffs. Tulia, now 4-5 on the season and 2-2 in district action, travels to Dimmitt this Friday in a meeting of district also-

After winning the coin toss, Tulia received the opening kick. The Hornets were unable to penetrate the Whirlwind defense, and were forced to punt after three plays in their initial offensive series. Floydada started with excellent field position at its own 43-yard line. Ruben Chavarria's 12-yard burst up the middle on first down, followed by Jammie Davis' 9-yard gainer, moved the 'Winds to Tulia's 36-yard line.

On second-and-short, Michael Henderson found an opening on the left side of his line. Aided by Michael Gilliland's key block, Henderson rambled untouched to the Hornet end zone. A high snap on the conversion attempt forced holder Billy Villarreal to attempt a pass for two, but Tulia contained the busted play. Floydada was up by six points barely three minutes into the game.

In their second possession the Hornets went to the air, but were again turned away without a first down. Following a Tulia punt, the Whirlwinds mounted an impressive 11-play, 84yard drive, which resulted in a Jammie Davis touchdown from six yards out. Villarreal tossed a perfect two-pointer to Jesse Rodriquez, and the 'Winds were rolling 14-0 as the first quarter drew to a turned the interception 36 yards down to close.

Villarreal opened the second stanza with an 11-yard quarterback draw, fol-

GUESS WE KINDA'

GOT LEFT OUT OF IT,

lowed by Chavarria's 6-yard run to Tulia's 28-yard line for a Whirlwind first down. On third and 13 Billy V. hit receiver Rance Pernell with a 16-yard pass to move the 'Winds into 4-down territory at the Hornet 15-yard line. Two illegal procedure penalties moved the 'Winds back and into a 2nd and 19 situation. Villarreal was forced out of the pocket on the next play and threw his first interception of the 1991 season.

Tulia's Tony Kelly hauled in the errant aerial, broke several tackles, and raced 85 yards down the west sideline for a Hornet touchdown. Jacob Thompson's conversion kick was perfect, and Tulia was back in the game at

Just as it appeared that the Hornets had gained the momentum, Floydada countered with some offensive fireworks of its own. Floydada drove 43 yards in 7 plays. On second down from Tulia's 22-yard line, Villarreal ran to his left on the option. At Tulia's 9-yard line, Villarreal pitched to a trailing Michael Henderson — who carried in for his second score of the game. Gilliland's conversion kick was wide to the left, and the first half ended with Floydada holding a 20-7 lead.

The Whirlwinds received the second half kickoff, but were forced into their first punt of the evening. The Hornets sustained their first serious offensive drive of the game, highlighted by a 40yard pass from Ryan Prater to Tyson Willis. On third down at Floydada's 37, Whirlwind sophomore noseguard Rafael DeOchoa broke through to sack Prater for an 11-yard loss to halt the Tulia scoring threat.

Following an exchange of possessions, DeOchoa registered another sack of Tulia's quarterback for a sizeable loss on the final play of the third quarter. Michael Gilliland joined the "sack pack" with a fine defensive effort to throw Prater for a loss to open the fourth quarter. After another exchange of punts, the Hornets were in possession at the Tulia 38-yard line.

On third down, Floydada's linebacker Ruben Chavarria picked off a Prater pass at Tulia's 40-yard line, and rethe Hornet 4-yard line. An insurance touchdown was scored by Henderson on the next play. Villarreal's 2-point pass

attempt to Jammie Davis was batted down by Tulia's Kevin Pepper.

The Hornets made one last effort to put some offensive points on the board, but Jaime Suarez intercepted a Tulia pass at the 'Wind 8-yard line, and returned it out to the 19. A Tulia personal foul gave Floydada control at its own 35-yard line with just minutes remaining in the contest. Three first downs and 29 yards later the final horn sounded with the Whirlwinds positioned at Tulia's 6-yard line.

Many thought that this week's Tulia-Dimmitt match would have playoff overtones, but that will not be the case. Both post-season representatives of District 2-3A will be at Littlefield this Friday as the Whirlwinds and Wildcats battle for the district championship. The victor will ace either Canyon or the Dalhart-River Road winner in bi-district play. The loser will take its number two seed against 1-3A champions Chil-

BILL'S NOTES

First of all, congratulations are certainly in order to the Whirlwinds in their securing a state playoff berth one week before the end of the regular season. As most know, this team was supposed to "be a year away" due to a small number of returning seniors and a large junior class. An old saying states that for every sophomore starter a team can count on at least one loss. Sophomores like Adam Gonzales, Rafael DeOchoa, and Mike Ochoa weren't considered when this theory was conceived. Add super-sub sophomores Brandon Gilliland and Israel Medrano, who have made numerous contributions to this year's success, and the theory has been put to rest at Floydada.

As far as this team being a year away . . . a year away from WHAT? The 1991 Whirlwinds have scored 297 points, making them one of the higher scoring teams in the school's history (I intend to check some of the records this next week just to see where this current squad rates in this category). One of the keys to this year's success has been the overall team effort. The 'Winds have accounted for 2,400 rushing yards on the season, but one will not find a Floydada running back among the top of the area stats because of the balance and offensive scheme of this team, they have a "whole lot of people who can hurt you in a whole lot of ways." More than once this year I have heard an opposing coach, while scouting in advance mutter, "How ARE we going to defend against Floydada?"

whirlwind gibes... by bill gray

HEY WHIRLWIND FANS!

This week the Mighty Winds take on the Littlefield Wildcats. Kickoff is at 7:30 at Littlefield. Come on out and help lead the Winds to another victory.

Go Winds, Get A Wildcat! Varsity Cheerleaders

Coach's Comments

By Coach Dean Bates

We are thrilled with the efforts of our football team. Our players dominated a good Tulia team on their grass, and have set the stage for the battle for the gold ball at Littlefield Friday night.

Littlefield is a strong team again this year, and they are well coached. Their kids are very aggressive, and they have a great tradition. They have won six games in a row and are playing with a lot of confidence right now. Both teams have secured a playoff spot and this one is for all the marbles.

Our kids have developed into a solid club and they will be aggressive and play with a lot of intensity.

We are right where we had hoped to be - playing for the District Championship the last game of the regular season. It will be a game worth watching between two good teams.

There will be a good crowd in Littlefield Friday night and, as always, our community will be well represented. See you at the game!

Floydada School Menu

Monday: Breakfast — Grape juice, cinnamon toast, milk

Lunch — Hamburger pizza, corn, pickle spears, 1/2 apple, milk Tuesday:

Breakfast - Pineapple juice, sausage, toast, milk

Lunch - Spaghetti w/meat sauce, baked beans, fried okra, oatmeal cookie, hot roll, milk

Wednesday:

Breakfast — Orange juice, scrambled egg, toast, milk

Lunch — Bar-b-q chicken, mashed potatoes, green beans, peaches, hot roll, milk

Thursday:

Breakfast — Apple juice, pancakes, syrup, milk

Lunch — Beef tacos, pinto beans, tossed salad, golden glo salad, combread, milk

Friday:

Breakfast — Grape juice, dry cereal, toast, milk

Lunch — Hamburgers w/mustard, French fries w/catsup, lettuce, tomatoes, pickles, apricot cobbler, milk

"Members of Gamblers Anonymous, Cuchara, Colorado are pleased to announce, Mr. William Staniforth of South Plains, Texas, has won the First Snow Contest, his third win! The prize will arrive registered mail in the next few days. Congratulations, BeBe!"

While "weak sister" Muleshoe can't really be used as a gauge, they were a common opponent with Tulia, and there is a point worth considering. Tulia junior running back Cory Sanders carried 18 times for 208 yards and four touchdowns against the Mules. The Whirlwinds limited the speedster to only 27 yards on 7 carries. Tulia's John Brookins carried 22 times for 121 yards against the Mules - Floydada limited him to 12 yards on 10 carries.

Floydada's defense added to the woes of Tulia quarterback Ryan Prater, who had 11 pass interceptions going into the game. It was only a matter of time before the Floydada secondary started taking advantage of Prater's season-long problems; interceptions by Chavarria and Suarez certainly came at opportune times, and pretty well took away all chances for a Tulia comeback.

The Whirlwinds had 290+ yards total offense in the first half, with 19 first downs, while the defense limited the Hornets to 21 total yards and ONE first down. That was a tremendous effort on BOTH sides of the line of scrimmage. The 57 and 84-yard drives for Floydada scores in the first quarter set the stage of the game for line play dominance that Tulia was never able to overcome. Michael Henderson rushed for 132 yards on 15 carries (8.8 yards-per-pop) and Chavarria was 12 for 91 yards (7.6 yds.-per-carry). The offensive line of Scott Crader, Todd Cage, Michael Gilliland, Rafael DeOchoa, and Adam Gonzales contributed heavily to these stats, and when the All-District squad is named, it would not be surprising to have an almost all-Whirlwind front on the honors

My choice for defensive player of the game goes to sophomore Rafael DeOchoa, mainly because his actions also earned my defensive plays of the game. Tulia QB Ryan Prater was never the same after DeOchoa's second sack. Honorable mention for defensive play of the game goes to Tulia's Tony Kelly on his 85-yard return for a touchdown of Billy Villarreal's first pass interception of the year. It was a major league play, and could have made the difference in a close ball game. Ruben Chavarria's pass interception which led to Floydada's last score also should be mentioned as one of the key efforts

Floydada's offensive line should get equal billing, but Michael Henderson gets my vote for the offensive player of the game. With three rushing touchdowns and 132 yards gained, Henderson pretty well ran at will against the Hornets. The offensive play of the game was Michael's first quarter touchdown (on Floydada's third play from scrimmage), which set the stage for the entire game as far as offensive control was

Before I get into this week's game predictions, etc., I would be remiss if I didn't take this opportunity to congratulate the Lockney Longhorns in their 26-22 victory over Morton. It has been a long season for the young Longhorns (Abernathy won't help any this week), but there will come a time that this bunch will gell.

The Whirlwinds face their toughest challenge of the season this week when they travel to the unfriendly surroundings of Littlefield for a showdown with the Wildcats for the district championship. Through the years the 'Winds don't have a particularly good record at the Wildcats' home field, but the current edition of the Whirlwinds have been going against the "experts" and their predictions all year. If the 'Winds can get out of the chute early as they have done these past several weeks, then I see an almost total Floydada dominance as we have witnessed since the Canyon loss earlier in the season. I'll talk about the playoff possibilities next week after the 'Winds nail down the district championship to the tune of 31-20 over the Littlefield Wildcats.

Lockney Longhorns defeat Morton 26-22

By Issac Cuellar

The Lockney Longhorns traveled to Morton last Friday evening to engage in a classic clash with the Morton Indians. The hard fought game turned out to be the most exciting confrontation of the

The initial score was produced by the Horns as Juan Vargas dodged his way to a touchdown behind some very impressive blocking. The Horns were 6-0 after the two point conversion failed and Vargas was on his way to a total gain of 102 yards on 17 carries for the night.

The Indians returned a punt for a touchdown and ended the first quarter in the lead 7-6 after making the PAT.

After a possession for each team, the

Horns generated a touchdown as the first half drew to a close. Utilizing good blocking and the running talents of Juan Vargas, the Horns regained the lead when Vargas raced outside key blocks to spring into the end zone. The score at halftime was 12-7 in favor of Lockney High School.

Momentum belonged to Morton during the third quarter as the Indians completely shut down the Horns. As a result, the Indians held the Longhorns and denied them even one first down during the third period. Adding to the stand-tall Morton defense, was an offense that included a stunning aerial attack. This performance allowed the Indians to regain the lead in the third quarter, 15-12.

again and began working on the clock with a time consuming drive that started in the third quarter and ended half way through the fourth quarter. Morton capped the extended drive with a rushing touchdown that all but sealed the game at 22-12 with just six minutes remaining in the game.

The final six minutes resulted in a Phineas Riddley 80-yard touchdown to bring Lockney within two points of the Indians. With the score 22-20, Carlos Raissez caught two key clutch passes to keep a drive alive. He caught the winning touchdown pass from Leo Vargas.

This fantastic finish in freezing weather heralded the end of a nearly season long losing streak for the Lock-

The Morton Indians held the Horns ney High School Varsity Football Team. The team accomplished a near impossible feat in scoring 14 points in six minutes for a 26-22 victory.

ISSAC'S COMMENTS

Congratulations to Head Coach John Lowe and the Lockney Longhorns as well as the assistant coaches for an outstanding victory.

I have a simple roll call this week due to a solid performance by the Horns.

The Horns as a whole came together and just got the job done under really adverse conditions, the extremely cold weather and being down by ten points.

The fans were truly loyal and supported the Horns all the way despite the same conditions.

Finally, I have one dedication to pass on. Leo Vargas wishes to dedicate his game winning touchdown pass to the entire third grade class.

The Lockney Longhorns travel to Abernathy to tangle with the state ranked Antelopes on Friday, November Horns, Fans, See Ya There!

Tax Return Preparation

293-0880 Plainview

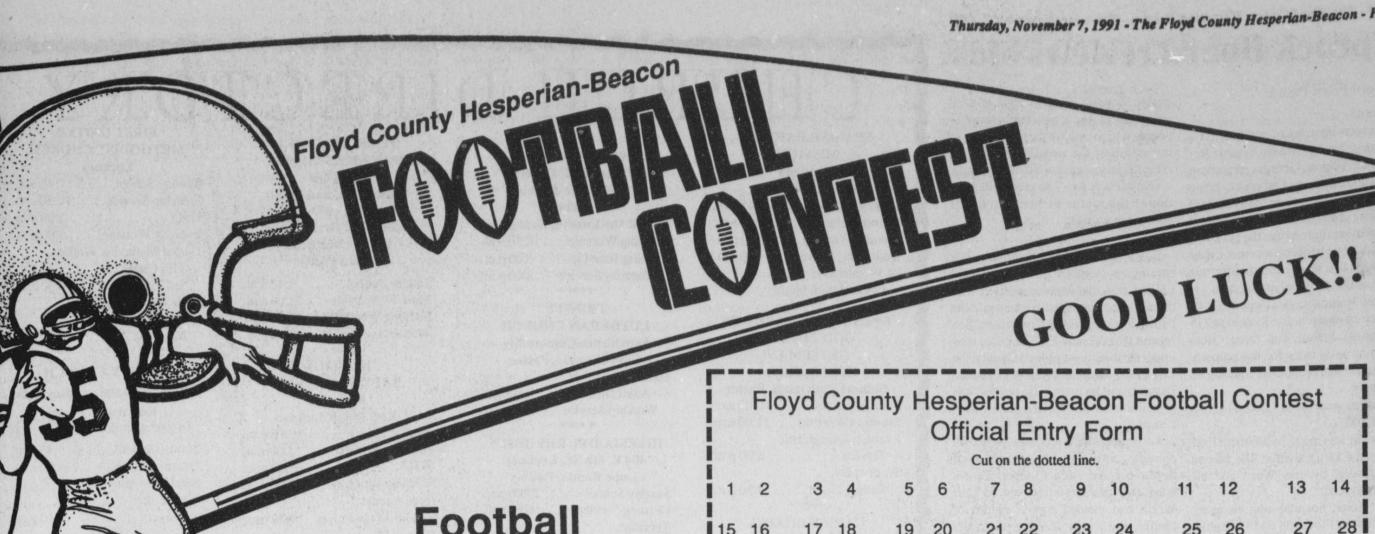

On October 18, 1991, Southwestern Bell Telephone Company filed an application with the Public Utility Commission of Texas to add a new optional service offering called SmartTrunk™ Service.

The application has been assigned Tariff Control No. 10687. SmartTrunk Service provides access between the customer's premises and the serving Southwestern Bell central office for circuit-switched voice and data communications. This communication capability is provided where facilities are available using Integrated Services Digital Network architecture. ISDN services available with SmartTrunk Service use Primary Rate Interface (PRI) technology. SmartTrunk Service requires PRI ISDN compatible Private Branch Exchange (PBX) customer provided equipment registered under FCC Part 68 Rules. SmartTrunk Service employs a 1.544 Mbps facility (denoted as SmartTrunk Interface) typically divided into twenty-three B channels and one D channel. B channels are used for voice and data communications while the D channel provides out-

If approved by the Commission, the rates for each SmartTrunk Interface facility will be \$1,110 per month under a 36-month service contract or \$1,010 per month under a 60-month service contract. The proposed rate for the use of the central office varies from \$12.25 up to \$18.90 per month for each B channel depending on the rate group classification which is determined by the customer's location. Southwestern Bell estimates revenue of \$2.8 million from this offering during the first year.

Persons who wish to intervene or otherwise participate in these proceedings should file comments regarding this application with the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd. Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256. The telecommunications device for the deaf (TDD) number is (512) 458-0221.

Football Contest Rules

Any subscriber or individual above the age of 7 years old who purchases a Floyd County Hesperian-Beacon is eligible to enter this newspaper's weekly football contest, except employees of this newspaper and family members living in the same household.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. In addition, write in the two tie breaker footballs your guess of the combined total points to be scored by the two teams listedin each tie breaker football. Also circle the team you believe will win. Circle both teams if you think the game will end in a tie.

The only entries which will be considered for prizes will be those on official entry forms which are brought to the Hesperian-Beacon office in Floydada or to the Hesperian-Beacon Office in Lockney by 5:00 p.m. on Friday. No photocopies will be accepted.

NO MAIL ENTRIES WILL BE ACCEPTED.

Three cash prizes are offered each week. In the event of ties - the same number of correct games and equal scores on the tie breakers - prizes will be shared by those involved in the tie.

> **FLOYDADA IMPLEMENT**

1. Tulia vs. 2. Dimmitt

The tie breaker scores will be utilized only in the event of a tie on the number of games correct. Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at the Hesperian-Beacon office before 5:00 p.m. on Friday.

Entries are limited to one per person per week. Weekly winners are limited to one per household.

Caprock Board reviews bids

Continued From Page 1

ing records.

The board later heard a report on a proposal given by Health System Resources of Atlanta, Georgia, regarding upgrading procedures and cost to bring the hospital's data processing system up to industry standards. Even though all board members agreed that the system is in immediate need of enhancement, they also agreed that an expenditure for this purpose is not essential at this time.

Sammy Hale presented three offers he has received on the house located at 715 W. Virginia Street. The three offers were on an as-is basis for the property and were all cash proposals requiring no financing.

and \$18,500.

A motion was made by Kenneth Pitts to accept the \$18,500 offer. The motion was seconded by Jim Word and all members agreed.

Terry Keltz, hospital administrator, stated that the Floydada EMS committee had reported they felt it would be in the best interest of cost containment to transfer the ownership of the ambulance to the City of Floydada, which would in turn lease or provide the ambulance to the newly formed EMS entity.

This would facilitate lower costs regarding insurance coverage and represent a substantial savings to the operation of the ambulance.

Upon this recommendation and to and 3rd.

enable Floydada EMS to begin its individual operation, a resolution was prepared which authorizes transfer of ownership of the ambulance from the Hospital District to the city of Floydada.

(Editor's Note: The city tabled action on this matter at their October 21 council meeting).

Board member Joy Assiter, who is a committee member of the Floydada EMS, stated that she was pleased with the work accomplished in recent months by the Floydada EMS Committee. She related that the new EMS service, now under the direction of Floyd County, the City of Floydada, and Caprock Hospital District, will be more efficient and less The offers were for \$17,000, \$17,500, of a drain on tax dollars for all con-

> Keltz presented a report on physician recruiting activities during the month of September and early October. He related that the recruiting trip to Fort Worth had yielded several names of family physicians desiring to locate their practice in a rural West Texas set-

> These physicians are currently in family resident training and will not be available for our community until 1992 or later.

He also related that plans are being finalized to participate in the "Healthfind Exchange" recruiting event to be held in San Antonio on November 2nd

sort of electoral revolt. But we have come to the realization that "eventually" is a long time, and unless something is done quickly, this country and its people will suffer even more than now. The people do indeed understand what is going on, but seem undecided what to do about it.

This is not a happy position for us to be in, simply because there are people in public office whom we admire and support, and will continue to support. We believe, for instance, that Warren Chisum is a good public servant and we will continue to vote for him, whether he runs as a Democrat or whatever. Or we will until we have reason to do otherwise. We feel the same way about Phil Gramm. But if the only way we can shake up the system is to vote for term limitations, we have come to the conclusion we will do so, given the opportunity.

If you happened to catch the "60 Minutes" interview with our Gov. Ann Richards recently on CBS, you were probably as puzzled as we were about some of her responses.

Clearly the interview was part of the buildup now going on about her chances of being VP on the Democratic ticket. Personally we think her chances are very good, but that's beside the point for now. What intrigued us was her comments about getting into politics. In response to a question she noted that her husband was first asked to run (for Travis County Commissioner). When

he backed off, she was asked. She thought it over. At first the thought did not please her. It would probably be the end of her marriage, she reasoned, and certainly the end of her way of life, as she knew it. Then, she said, she figured "well . . . maybe that wouldn't be all bad." So she ran. And of course she was right, it did mean the end of her marriage and her way of life. The interviewer, a very friendly sort, also said something like "some people say your rule in politics is that you have no rules. How do you respond to that?" She thought a moment and said "Well, that's probably

And oh yes. Our governor also told us, on national T.V., that she just loved to tell jokes, and she liked dirty jokes. That will come as no surprise to the old crowd around Austin.

Whatever happened to Claytie? Clearly, in politics, there's different strokes for different folks. The Gov's new Texas marches right along.

Just A Thought Man is unjust, but God is just; and finally justice Longfellow triumphs.

Television is an invention that permits you to be entertained in your living room by people you wouldn't have in David Frost your home.

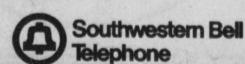

Public Notice

On July 1, 1991, Southwestern Bell Telephone filed an application with the Public Utility Commission of Texas that proposes to delete Paragraph 3.4(G) from Section 3 of Southwestern Bell's intrastate Access Service Tariff, which concerns credits where a customer uses Switched Access Service to furnish a service which has been defined to be an exchange service. The application was assigned Docket No. 10463.

Because Southwestern Bell is not aware of any customers who presently use switched access service to furnish an exchange service, Southwestern Bell does not believe its revenues will be affected. However, certain interexchange carrier customers of switched access service have made claims under the aforementioned tariff. Such customers, but only to the extent they provide an exchange service using switched access, would be affected by this application. Based on claims made for credits (assuming such credits were allowable), Southwestern Bell's revenues would be affected by no more than \$1,168,962 annually, which is .037 percent of the Company's adjusted revenue for the 12-month period ending December 31, 1990. It is not possible to know how many interexchange carriers might believe themselves entitled to credits, but 189 carriers have registered with the Commission pursuant to PUC Substantive Rule 23.61.

The tariff, after suspension, is proposed to be effective

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible, but no later than November 15, 1991. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256. The telecommunications device for the deaf (TDD) number is (512) 458-0221.

a hectic week on the High Plains of Texas. Aside from the USDA announcements the 25-county area also received its first killing freeze to bring the growing season to a very abrupt

The preliminary 10-percent acreage set-aside percentage doubles the 1991 set-aside of five-percent. According to USDA officials the ARP announced it should allow production in 1992 to meet the 30-percent stocks-to-use ratio mandated by the 1990 Farm Bill.

The target price for the 1992 crop will remain at 72.9 cents. Also announced was a 1992 cotton loan rate of 52.35 cents, up from the 1991 base loan rate of 50.77 cents.

"The announcement of the preliminary set-aside figure of 10-percent, the new loan rate of 52.35 cents and the target price of 72.9 cents gives producers a pretty good idea of what to expect in 1992," explains Donald Johnson, Executive Vice President of Lubbockbased Plains Cotton Growers (PCG).

Aside from the USDA announcements there were several notable events that occurred on the High Plains during the last week of October. The most notable was the rather dramatic close of the 1991 growing season.

Tempertures across the area plummented below the freezing mark on Wednesday and Thursday to all but halt the harvesting activities that had been picking up steam across the area. It also ended the progress the area's mostly late dryland crop had made during October.

Overall it is expected that the icy condition will not severely affect the quality of the crop in an adverse manner. Extension Cotton Specialist James Supak notes that, following the freezing temperatures, an increase in harvesting activity can be expected in about a week

The eventual size of the High Plains crop should be higher that first expected from the generally late crop. Favorable weather during the month of October allowed many of the area's cotton acres to make significant gains. The 25county crop is still expected to fall well below the USDA's latest 3-million bale estimate. A new crop estimate will be released by USDA on November 12.

Soil and Water Conservation District

Board attends annual meeting

and Water Conservation District board of directors attended the 51st annual meeting of soil and water conservation districts held in Corpus Christi Oct. 21-

Attending the conference were Mr. and Mrs. Leslie L. Nixon Jr., Mr. and Mrs. J.O. Dawdy, Mr. and Mrs. Leon Ferguson and Jon J. LaBaume, Floyd County Soil Conservation Service District Conservationist.

Featured speakers on the program included James Owen, president, Texas and Southwestern Cattle Raisers Association; Robert Wetherbee, president, National Association of Conservation Districts; John Hall, chairman, Texas Water Commission; Jerry Clark, Director of State Governmental Affairs, Associated Milk Producers, Inc., and Wes Oneth, SCS State Conservationist,

"The major issues heard at the meeting included discussions on re-authorization of the Clean Water Act, Endangered Species Act, federal wetlands programs and coastal zone management," said Nixon, Chairman of the Floyd County SWCD.

Citing Wetherbee's comments on the wetland conservation issue, Nixon said that NACD is working on behalf of conservation districts nationwide to find a practical wetlands conservation strategy that balances aquatic ecosystem protection with growth and devel-

"The problem with the wetlands issue is the proposed changes in the Federal Manual for Identifying and Delineating Jurisdictional Wetlands. Hydric soils, hydrophydic vegetation and hydrology are still the key elements in making wetland determinations; however, the

Members of the Floyd County Soil big change is the criteria to prove the hydrology is there," said Nixon.

Nixon said that the projected time frame for finalization of the proposed 1991 wetlands manual is one year. He added that the old 1987 manual will be used until the new document is final-

"With respect to the re-authorization of the Endangered Species Act, U.S. Fish and Wildlife specialists discussed the legalities of the Act and how provisions of the act may affect farmers and ranchers," Nixon said.

"We were told that even if endangered or threatened species are present on our land, we may not have a problem. Normal farming or ranching procedures that have been in place for years may not impact the species. Chances are, present farming conditions would not further endanger the species since it has survived previous years under the same circumstances," he added.

There are exceptions. If a project has federal connections such as permits, federal grants and loans, technical assistance from federal agencies, the Fish and Wildlife Service needs to be consulted to determine if a species is im-

"Since soil and water conservation districts have the responsibility to assist farmers and ranchers to develop conservation programs to meet specific needs, we were told that if we are going to maintain the credibility that conservation districts can work with people on a voluntary basis, we are going to have to

make sure that we meet the January 1, 1995 deadline for implementing conservation compliance plans established under the 1990 Farm Bill," Nixon said.

In hearing the talk by John Hall, Chairman, Texas Water Commission, on TWC's five year plan to protect the state's water resources, the TWC chairman indicated that the majority of Texas farmers and ranchers as well as businesses are doing everything possible to comply with the state's environmental

Hall said that there is a small group who ignore the standards and endanger the public. "As a result the TWC is pursuing a set of strategies that will ensure compliance with the law," he

Regular elections for directors to represent state areas one, three, and five of the Association of Texas Soil and Water Conservation Districts were held at the meeting.

Representing area one is T. Michael Holt of Spearman. The director for area three is Donald Swann of Taft. Area Five's director is Maurice Shepherd of

Charles "Buddy" Clark of Menard was re-elected president. Donald Swann is current vice president of the

SWCD PROVIDES BOOK COVERS--Ms. Ellen Enriquez (far right) principal at R. C. Andrews Elementary School in Floydada accepts conservation book covers from Jon J. LaBaume (third from left) District Conservationist. Others shown (left to right) are Ms. Anna Letta Bradshaw, 5th grade teacher, and Mrs. Larry Benjamin, 5th grade teacher assistant. --Staff Photo

SWCD promotes conservation with book covers

Ms. Ellen Enriquez, Principal at Floydada's R.C. Andrews School since August of 1990, is no stranger to soil and water conservation. She has officially accepted book covers from the Floyd County SWCD.

She was first involved with conservation work 19 years ago as a summer employee withthe local Soil Conservation Service as high school student Ellen DeLeon.

Enriquez said, "I worked through the Public Employment Program at that time."

"It was a program set up to assist youth during the summer months," said Jon J. LaBaume, District Conservationist with the local SCS office. Enriquez was one of the first employees involved with the public works program and LaBaume went on to state that the local

SCS office was one of the first entities of government to use the program.

Enriquez graduated from Floydada High School in 1974, graduated from West Texas State University with a Bachelor of Arts in Elementary Education. She also received a Bilingual Certification and Kindergarten endorsement from WTSU. She obtained her Masters Degree in Education Administration from Texas Tech University. She is married to Abe Enriquez. She is the mother of one son and one daughter.

"I taught seven years at Hereford and commuted to and from Canyon," said Enriquez. Upon returning to Floydada she was employed at A.B. Duncan Elementary and remained there as one of the 3rd grade teachers for four years. During that tenure of time she taught and had SCS personnel give programs on the

importance of conservation.

"I never thought 19 years ago that I would be a principal in the Floydada school system," said Enriquez. Even with her busy schedule, when approached about receiving the book covers, she set up a special meeting of all fifth graders to receive the covers and provided them with an opportunity to learn about conservation.

Leslie Nixon, Chairman of the Floyd

County Soil and Water Conservation District, stated that all schools in Lockney and Floydada have been provided the covers with conservation messages.

Nixon said, "It is hoped that this project will assist students to learn more about our natural resources and the wise use of our soil, water, and plants."

CARD OF THANKS

How thankful we are to have you. Each prayer, thought, call, visit, card, flower and gift of food has been greatly appreciated. We realize God has blessed us greatly and we are rich beyond measure because of you. Thank you dear friends and precious family.

> Gladys Jones 11-7c

We would like to thank everyone who had a part in making "Punkin Days" such a great success. First of all, thanks to the Hesperian-Beacon for all the great publicity. Your coverage of this event was first-rate, as always. Thank you, Boy Scouts and Cub Scouts for your help with the banners and painting the letters for Bingo.

To the Electric Department of the City, thanks for everything, especially those last minute jobs we asked you to do.

Thanks to the Street Department for a fine job, and to Police Chief James Hale for directing traffic and for removing that bunch of drunks from our celebration. You did a great job.

We owe a special thanks to Brenda Heflin for the many hours she spent to insure a Great Punkin Days Celebration. Each project chairperson worked hard to see that a good time was had by all. "Punkin Days" didn't just happen, you all made it happen.

Thanks to the County employees for making the Town Square look so pretty for our celebration. We tried to leave it looking good at the end of the day.

Thank you to the Downtown Business People for your support of this occasion, and thanks to the pumpkin farmers who supply the pumpkins for the games.

Last but not least, thank you to everyone who came to enjoy the day with us, and thanks to God for such a beautiful day.

Sincerely, Laura Farris, President Betty Marquis, Manager Board of Directors of The Floydada Chamber of Commerce 11-7c
