Wildcats edge by for District crown

'Winds compete in playoff game Friday

By Bill Gray

The Littlefield Wildcats rallied from a 24-21 deficit to defeat Floydada 28-24 at Wildcat Stadium on November 8. The Whirlwinds held a slim 21-14 halftime lead and moved ahead 24-21 on a 33-yard field goal early in the fourth quarter, but the 'Cats scored the winning touchdown with only 33 seconds remaining in the game.

Littlefield claims the 2-3A District Championship with the victory and the #1 seed in the state playoffs. The Wildcats face Dalhart's Golden Wolves (#2 seed from District 1-3A) at Hereford this week. Floydada will enter the post-

season party for the first time as a #2 seed, and will meet 1-3A champion Childress in the bi-district round this Friday at Plainview's Bulldog Stadium.

The Whirlwinds received the opening kickoff, and marched 72 yards in only five plays. On Floydada's second snap, halfback Jammie Davis broke into the clear and scampered 46 yards before being caught from behind by Littlefield's speedy Trevor Blair at the Wildcat 25-yard line. Ruben Chavarria added 15 yards on the next play before Davis capped the drive with a 5-yard touchdown blast. Michael Gilliland's extra point kick was good, and Floydada led 7-0 barely two minutes into the contest.

The Wildcats countered with some big-play offense in their first series. On first down, QB Michael Vaught rushed for 22 yards on the option, and followed with a 48-yard scoring strike to receiver Cary Hanlin. James Bond's conversion kick was good, and the score was deadlocked at 7.

Following the ensuing kickoff, Chavarria rushed for 16 to start another Floydada scoring thrust. The 7-play, 80-yard drive was capped by quarterback Billy Villarreal's 32-yard TD romp. Gilliland's kick was again true, and the 'Winds were back on top by a touchdown. Floydada's defense held on the next series and forced a Littlefield punt. The 'Winds maintained control as the

first quarter drew to a close.

After an exchange of punts, Floydada mounted a 56-yard, 8-play drive, ending with Villarreal scrambling for a 21-yard touchdown. The drive was costly as Whirlwind lineman Adam Gonzales suffered a severe knee injury and would be lost for the rest of the evening. Trevor Blair gave the Littlefield partisans something to cheer about by returning Gilliland's kickoff for a 77-yard touchdown. Bond's point-after was good, and the Wildcats were back in the game at 14-21.

A mixture of Villarreal's running and passing, and long gainers by Michael Henderson and Jammie Davis, moved the 'Winds deep into Littlefield territory

in the closing moments of the first half. An 11-yard pass to Henderson almost resulted in another Whirlwind score, but the Floydada threat was halted at Littlefield's 4-yard line as the halftime horn sounded.

The Whirlwinds opened the third quarter with an 8-play drive, but came up short on a 4th-down-and-3 at Littlefield's 30-yard line. The Wildcats wasted little time as they marched 70 yards in 9 plays. A 21-yard pass from Vaught to Trevor Blair moved the 'Cats to Floydada's 11-yard line. Two plays later, tailback Anthony Goodson scored from the 6-yard line, Bond added the extra point, and the score was again

Lockney Police Dept. offering \$100 reward

A \$100.00 reward is being offered for information leading to the arrest and conviction of the person or persons involved in the vandalism of the home of Coach John Lowe, 216 S.W. 4th Street, on October 26.

If you have any information concerning this incident, contact Lennie or Jerry with the Lockney Police Department.

Names of persons giving information will be kept confidential.

Short agenda covered by Lockney City Council during regular session

The Lockney City Council met for their regular session on Thursday, November 7 and covered a short agenda.

The minutes of the October meeting were read and approved and the minutes of the called meeting were also read and approved. The called meeting was held to discuss the letting of bids for the purchase of a street sweeper.

The council had discussed the purchase of a street sweeper at the October meeting and tabled the issue for further study. At the called meeting the council voted to advertise for bids for the sweeper. They had made several phone calls thinking that they might be able to contract the street sweeping with some-

one. Mayor Wofford reported that they were unable to find anyone in that business.

Bids have been advertised and those received will be opened on Friday, November 15 at 8:00 a.m. at the Lockney City Hall.

Erma Lee Duckworth, city secretary gave a report on the numbering of houses for the 911 Emergency System. She stated that not all houses in Lockney have the correct house number on them and that they will have to be numbered correctly before the system can be put on the computer. The 911 System will automatically put the house number on Continued On Page 11

Campaign to decorate Lockney streets begins

The streets of Lockney will be shining with new lighted Christmas decorations this year, if the citizens of Lockney "adopt" enough of the decorations to hang downtown.

"The good news," said the project's chairwoman, Vera Jo Bybee, "is that we have enough poles already equipped to handle ten decorations with lights. The bad news is that it will be next year before the SPS crew can come and wire

the rest of the poles. There are approximately 20 more poles that will be wired with 110 outlets next year."

Bybee started the lighting project approximately two weeks ago and has already raised \$4,100.

"Businesses have been so generous," said Bybee. "We still need to raise an additional \$2,000. It is going to cost \$6,000 just to pay the SPS crew to finish Continued On Page 12

Lockney scouts participate in canned food drive Nov. 16

The Lockney scouts will be collecting canned goods door to door in Lockney Saturday, November 16. Food For Scouting is a nationwide event held each year. All canned goods will be given to the local Salvation Army to be distributed to local families who are in need.

Scoutmaster Auffer stated that the scouts would be going from door to door on Saturday, November 16 between 9:00 a.m. and noon. He asked that if you are not going to be at home that you leave your canned goods on the front porch and that if you are missed that you take your donation to the Salvation Army store on south Main Street.

"Last year the scouts gathered several hundred pounds of canned goods. We

appreciate Lockney citizens for supporting the scouting program," stated Auffer.

Floydada Pay-n-Save wins \$50.00 prize

Floydada's Pay-n-Save is the lucky recipient of \$50.00 cash or credit from The Floyd County Hesperian-Beacon.

Pay-n-Save's name was drawn Tuesday from all the football contest sponsors.

The money prize was given this year, by the newspaper, in appreciation for the support of all the sponsors who participate in our annual football contest.

Thirty holiday turkeys will be given away by area businesses

Thirty Thanksgiving Day turkeys will be given away to Hesperian-Beacon readers on Nov. 25. Drawings will be held in the individual participating businesses at 4:30 p.m. on that day. The winners will be contacted and told where to pick up their turkey.

Registration coupons will appear in this week's and next week's issue of the Hesperian-Beacon.

The public is encouraged to fill out the coupons and deposit them in the boxes inside sponsoring businesses in Floydada and Lockney.

You can enter as many times as you wish, but only one winner per family is allowed. You must deposit original coupons only, no photocopies will be eligible. You must be 16 years or older to enter.

Although no purchase is necessary, The Hesperian-Beacon urges people, who are dropping off their coupons, to

browse through the sponsoring businesses and to remember to shop at home first.

Businesses who will be giving away turkeys are: Basket Case, Breakfast Shop, Brown's Department Store, City Auto, Clark Pharmacy, Cornelius Conoco, Davis and Sons Builders Mart, Davis Lumber Company, Don Green Auto Parts, First National Bank of Floydada, First National Bank in Lockney, Floydada Branch of the First National Bank in Lockney, Floydada Coop Gins, Lockney office of the Hesperian-Beacon, Floydada office of the Hesperian-Beacon, Higginbotham-Bartlett, Joe's, Kid's Kiosket, Kirk and Sons, Lockney Insurance, Lockney Meat Company, Nielson's Restaurant and Catering, Oden Chevrolet, Our Place, Pay-n-Save of Floydada, Pay-n-Save of Lockney, Pizza Gold, Producer's Coop Elevator, Thompson Pharmacy and Tipton Oil.

Board discusses Wester Field facilities

By Juanita Stepp
Floydada Independent School District Superintendent Jerry Cannon asked members of the board of trustees to consider doing something about the restroom facilities and the light poles at Wester Field. Cannon told the board "The light poles for the field lighting are old and unsafe. We need to look at replacing the poles. The lights are in good shape and can be used on new poles."

Cannon also told the trustees that the restroom facilities are not in the best of shape and should be renovated or possibly even moved to ease the crowd situation at the end of the field where the restrooms, dressing rooms and concession stand are located.

Cannon then suggested that the board talk to the general public and get a feel for the possible relocation of the sta-

dium to the high school. He stated, "I know there is a lot of tradition at Wester Field, but this would be the ideal time to consider moving the stadium to the high school if it is to be done in the future."

Estimated cost of relocating the eight light standards has been placed at \$1500.00 to \$2000.00 each and would

Early deadlines announced for Thanksgiving and Christmas

The Thanksgiving deadline for the Thanksgiving edition of The Floyd County Hesperian-Beacon will be Monday, Nov. 25, at 3:00 p.m.

The paper will be on the stands the night of Tuesday, Nov. 26 and in the mail on Wednesday, Nov. 27. The office will be closed Thursday, Nov. 28, and

have to be put up for bids before the work could be done. No estimate or potential plan has been presented concerning the restroom facilities. No action was taken on either matter.

TAX REPORT

The first tax report for the 1991-92

Friday, Nov. 29. The deadline for Santa letters and Christmas stories for our Christmas edition, will be 5:00 p.m. Friday, Dec. 6. All teachers and parents should turn in their children's letters by that date. Any other individuals wishing to submit Christmas items must also have them in by this date.

school year was presented by administrative assistant Jimmie Collins. This report is now a two part report as it covers the Floyd County Education District tax levy and the FSD tax levy.

According to Collins, the CED has a total tax levy of \$1,421,314.72. Corrections to date total \$893.82 and current collections total \$655,797.99 leaving a balance to be collected of \$726,622.91 as of October 31. FSD has received 61.64 percent of the collections or \$404,273.23 at this time. The collections are 46.21 percent complete.

The FSD tax levy of \$275,137.70 has had \$160.07 in corrections and \$127,042.83 in collections. The balance to be collected is \$147,934.80 as of October 31. Collections are now 46.24 percent complete.

Combining the totals collected for the CED and FSD, the district has realized \$531,316.06 in tax revenues as of October 31.

OUTSTANDING STUDENTS FOR OCTOBER RECOGNIZED

Each of the four schools presented the students named as Outstanding for the month. The students received board recognition and a certificate to commemorate the occasion.

Named from Duncan Elementary were Natasha Clemmons, daughter of Mr. and Mrs. Bill Clemmons, and Cindy DuBois, daughter of Mr. and Mrs. Craig DuBois. Honorees from Andrews Elementary were Gracie DeLaFuente, daughter of Mr. and Mrs. Juan DeLaFuente, and Monica Galvan, daughter of Alamar Galvan.

Junior High students tagged for the month were Stacey Lloyd, daughter of Mr. and Mrs. Steve Lloyd, and Lucy Golightly, daughter of Mr. and Mrs. Dayne Golightly. Tian Younger, daughter of Mr. and Mrs. Jakey Younger, and Micheal Gilliland, son of Mr. and Mrs. Continued On Page 11

ON THE WAY TO STATE--Michelle Delgado (l) is on her way to the State Cross Country Meet to be held in Georgetown on Saturday, November 16. Miss Delgado placed 7th with a time of 13:12 in the 2-A division of the Region 1 Cross Country Meet held last Saturday at Mae Simmons Park in Lubbock. Miss Delgado is a member of the Lockney Lady Horns Cross Country team and she is coached by Robin McLaughlin (r). Staff Photo

9-1-1 will be in operation beginning Friday, Nov. 15

Residents of Floyd County will be able to use the 9-1-1 emergency phone service beginning Friday, Nov. 15.

"Dispatchers in Floyd County will be trained in the 9-1-1 operation on Thursday, Nov. 14, and the initial 'hot test' period will begin immediately after that," said Ella O'Neil, SPAG coordinator for the 9-1-1 service.

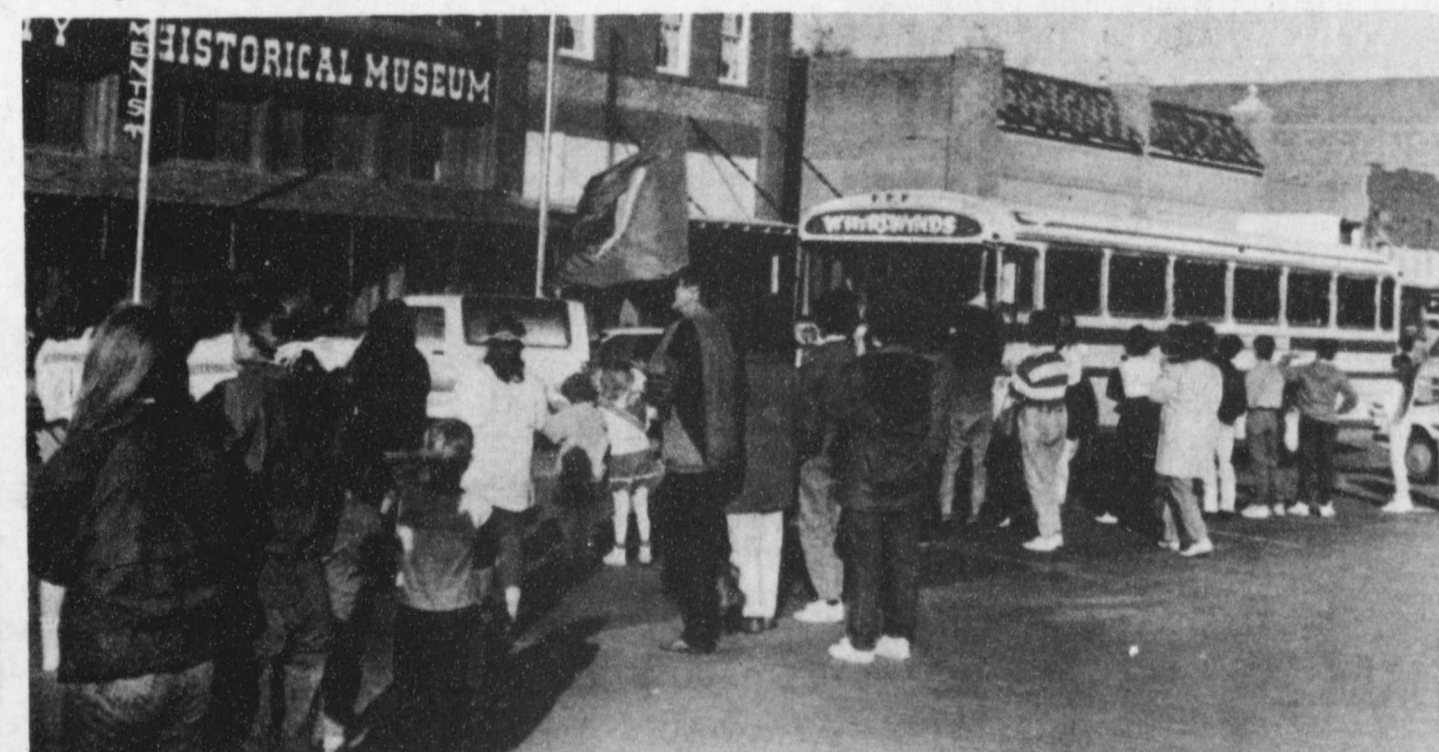

Lockney residents' October phone bills included a note that the 9-1-1 service was already operational.

"We had expected it to be fully opera-

tional at this time," said O'Neil, "but if the public feels comfortable using 9-1-1 now, they can go ahead and start using it on November 15.

"We usually wait to publicize the service until after a 30 day test period, in which 10-20% of the access lines are tested."

The 9-1-1 service is for emergency assistance only. For any non-emergency calls to fire, police or ambulance service, the local published numbers should be used.

ROUSING SEND-OFF—Enthusiastic Whirlwind boosters lined the square last Friday afternoon as the FHS varsity team bus made a circuit through town on the way to Littlefield for the district title game. Although the

'Winds lost 28-24, the team will represent the district as the #2 seed when they face Childress in Plainview for bi-district action.

By The Way

By Alice Gilroy

I was wondering what was going to happen to get me in the Christmas spirit until I walked into Sue's Gifts today. She has got her Christmas Potpourri out on the shelves and it smells wonderful in there. It made me want to go home and put up my decorations.

I was beginning to feel like a scrooge about Christmas. Every year at this time we (at the paper) have to figure out when all our early deadlines will be.

It is hard to explain to people why the deadline for the Christmas paper is on December 6. I looked at my column last year to see what I had said about the early deadlines, and I got confused reading my explanation.

So, this year I'm not going to explain it. I'm just going to say—if you want your child's Santa letter in the paper it has to be in the Floydada or Lockney office by Friday, December 6.

We will be printing extra sections for the Christmas edition every weekend starting December 13. You will be getting your Christmas edition on December 24.

The deadline for the Thanksgiving edition is Monday, November 25. It will be mailed out on November 27.

Congratulations Whirlwinds!

I don't know anything about football, and I get confused keeping up with play-off games, but I am sure of one thing—The Whirlwinds Are In The Playoffs!

I've also been told that theoretically the Whirlwinds have a chance to go to State.

Austin would never be the same!

I was sorry to hear about Adam Gonzales hurting his knee during last week's game. The good news is that it was not serious and he can keep on playing with a brace on his knee.

Coach Bates said he wanted Adam to get completely well for the other playoff games after Childress, so Adam won't get to play this week.

I hope my kid decides to be a professional golfer. What kind of injuries do they get playing golf? All I know is that they make a lot of money and win fancy new cars.

I work with Adam's sister, Rosemary. She is very proud of her brother. So proud in fact that she put green and white streamers all over the front of the office.

I thought it looked real pretty until I noticed on my way home to Lockney on

Monday that she had put green and white streamers on my car's antenna. As I drove down Lockney's Main Street, I slumped low in the seat and hoped no one would see where I parked.

I know ya'll are getting sick and tired of hearing this, but some more pictures didn't work out.

The style show, held in Floydada on Monday night, was a big success. Unfortunately the pictures won't be proof of that. Of course they had to be pictures that we can't go back and take. We're sorry.

Hunting season has arrived.

My husband has coined a new phrase. Instead of "One Shot-One Bird", he says, "One Box-One Bird."

He blames his misses on his shotgun. He does have witnesses that corroborate this, but I think it is a conspiracy.

Even the ones he says he hits he can't find. So not only does he bird a wild shotgun but he also wants a bird dog.

I think he should just borrow.

He has already found a dog that will go with him.

He was hunting out in Finney the other day and from out of nowhere a black Labrador came and sat down next to him. The dog sat patiently beside Lennie waiting for Lennie to shoot.

After a while the dog started to bark at Lennie. If my husband would aim and not shoot, the dog would bark at him.

If Lennie would shoot and miss, the dog would bark at him.

Lennie said it was getting very embarrassing.

After awhile, Lennie shot a bird and the dog went and got it for him. I'm sure the dog felt he had done his duty because Lennie had to fight him for the next bird.

I don't know why, but I think the dog was probably trained by some man's wife. He struck me as the type of dog that would go home and tell the wife what the husband had really been doing all day.

Thinking About Christmas? Try Buying It In Floyd County First!

Commissioners handle routine session

By Juanita Stepp

Meeting in regular monthly session for November, the Floyd County Commissioners Court was faced with a routine agenda including the payment of monthly bills and hearing the county treasurer's report.

Treasurer Glenna Orman reported that the county began the month of October with \$244,859.47 in county accounts. Receipts for the month totaled \$294,796.18 and transfers in totaled \$157,238.46. Disbursements were made in the amount of \$353,504.41 and transfers out totaled \$157,238.46, leaving a balance in county coffers on October 31 of \$186,151.24.

She also reported certificates of deposit totaling \$200,000.00 which have earned interest in the amount of \$989.10. Installment indebtedness now totals \$39,330.05.

Floydada Police Report

Floydada Police responded to a disturbance call, Tuesday, November 5, at 10:00 p.m., at a hotel in the 300 block of S. 2nd. "A 79 year old man was creating a disturbance," said Police Sgt. Snell, "but he left after police arrived and he was requested to do so."

Wednesday, November 6, at 2:10 p.m., a theft was reported at Perry's. Victoria Billegas, 18, of Quitaque, was charged with theft of items totaling \$15.80. She was fined \$50.00 by the city judge, and released.

Police cleared a theft case from Allsup's that occurred on October 25. Rebecca Comacho Hernandez, 28, was fined \$50.00 for theft of cigarettes.

Wednesday, November 6, at 6:15 p.m. police answered an assault complaint that occurred in the 500 block of E. Virginia. There were no serious injuries and a juvenile was referred to juvenile authorities.

A number of forged checks were reported on November 8. "There were four checks totaling \$183.00 written to businesses in town," said Snell. "They were passed on an elderly man who lives on West Virginia and who had had his home burglarized in August. Two 10 year old boys were referred to juvenile authorities and we were able to clear up two burglaries."

Sunday, November 10, at 1:22 a.m., Armando Cantu, 18, of Plainview, was arrested for public intoxication at Allsup's. He was fined \$135.00 and released.

Police received a report on November 12, of stolen license plates. They were stolen Friday night while the vehicle was parked in the 400 block of W. Mississippi.

ACCIDENTS
Police investigated an accident in the 300 block of E. Houston, near 9th Street,

The results of the November 5 Constitutional Amendment Election were canvassed by the Commissioners. After tallying the reported votes in several of the voting precincts, the court allowed the results to stand as presented.

The court heard from 110th District Chief Probation Officer Nathan Mulder concerning a resolution for the Community Supervision and Corrections Department. Mulder asked the court to approve a resolution to submit a plan and a budget proposal to the Community Justice Assistance Division of the Texas Department of Criminal Justice.

The resolution states that the county, as a qualifying entity, will be seeking financial assistance as specified in the recently passed House Bill 93. This settlement of a jail overcrowding lawsuit provides for such assistance to counties that make a concentrated effort to divert offenders into alternative situations

rather than sending them to county jails or to state prison facilities.

Twenty-five percent of the money would have to be used to fund substance abuse prevention, education and treatment programs. The remainder could be used for any purposes for which state aid may be utilized by the Community Supervision and Corrections Department. If the state chooses to fund the county request, the funds would be administered by the county commissioners and would be received in quarterly payments throughout the year.

The resolution was approved unanimously on a motion by Precinct 1 Commissioner Connie Bearden and

seconded by Precinct 3 Commissioner George Taylor.

Also on the agenda of the Tuesday morning meeting was the consideration and approval of two farm contracts. Work was authorized for Carthel Brothers in Precinct 1 and George Howard in Precinct 2. Approval was on a motion by Bearden with a second by Precinct 2 Commissioner Floyd Jackson. Vote was unanimous.

Present for the session were County Judge Bill Hardin, Commissioners Connie Bearden, Floyd Jackson, George Taylor and Howard Bishop, Glenna Orman, Nathan Mulder and the Hesperian-Beacon reporter.

Dear Friends,

Words cannot express the gratitude that I feel for this town. I cannot name names for there is not enough space. In September Alice Gilroy came to my house and listened to my problems. The following week my story appeared, along with a picture, on the front page of the Hesperian-Beacon. I had no idea that you, the people of this town, would not only share your money, time and energy, but also your hearts. You have started the ball rolling and with your love and prayers we will cross the finish line. My family and I do so appreciate each and everyone of you.

My dental surgery is behind me and Dr. Avant is trying to rid me of my kidney stones. We are making progress. Thanks to some of you I have been communicating with our state representatives about financial help. I guess time will tell.

Thanks again Floydada, you are without doubt "A Town With A Heart".

Showroom offers all types of baskets

(Editor's Note: Research for this article, by Texas Tech journalism student Tiffany Gentry, was made possible by a grant from the Reader's Digest Foundation.)

By Tiffany Gentry

If you're looking for some thrifty craft ideas to enhance your Christmas shopping this season, you should make The Basket Case your first stop.

Debbie Wiley, owner of the Basket Case showroom in downtown Lockney, has several festive basket arrangements to add a special touch to anyone's holiday season.

"Right now we're doing gift baskets for Christmas at very reasonable prices," Wiley said. "In a few weeks we'll have a complete stock of baskets just for the Christmas season."

But the showroom has much more to offer than just Christmas baskets. There is an endless selection of eye-catching baskets from which to choose - all far below other craft store prices.

"We have a turnover of thousands of baskets every month," Wiley said. "The variation is unlimited, with more than 100 different kinds of baskets available at one time."

If you're wondering how Wiley is able to offer the baskets to customers at such low prices, the answer is simple.

"I'm a wholesaler, not a retailer," she said.

Wiley said most people don't realize the fact that The Basket Case is a showroom and not a craft store.

"Most small craft stores have to go to an outlet in Dallas to get their goods. That is what's so neat about an outlet being here in Lockney - I can get my merchandise straight from the importer and sell it to customers at prices far below what they would pay at a craft store," Wiley said.

She said customers can buy baskets at 50 percent below cost, which is about 75 percent below what most craft stores charge.

The showroom in Lockney is only a small part of the full operation, according to Wiley. "The basket case was opened for the people wanting to see the wide selection we have in stock."

"Most of the revenue is generated on the road," she said. "I travel around the state with discontinued wholesale merchandise and sell it to retailers, such as florists, coffee shops and craft stores."

Wiley distributes baskets to retailers as far away as Fort Worth, Abilene and the Midland/Odessa areas. Her territory also includes Lubbock, Amarillo and Clovis.

"The showroom customers are from nearby towns - Plainview, Floydada and others," she said.

Wiley began her work as a wholesaler two and a half years ago when she left her trade as a florist.

"I was a florist for 18 years before selling my shop and doing baskets," she said. "Having that experience has helped me in this business."

Wiley employs two part-time helpers to operate the Lockney showroom when she is traveling.

"Pat Frizzell and Shandra Kidd are tremendous assets to the business," she said. "I couldn't make it without them."

Wiley has had measurable success with her operation. The showroom inventory is always sold promptly.

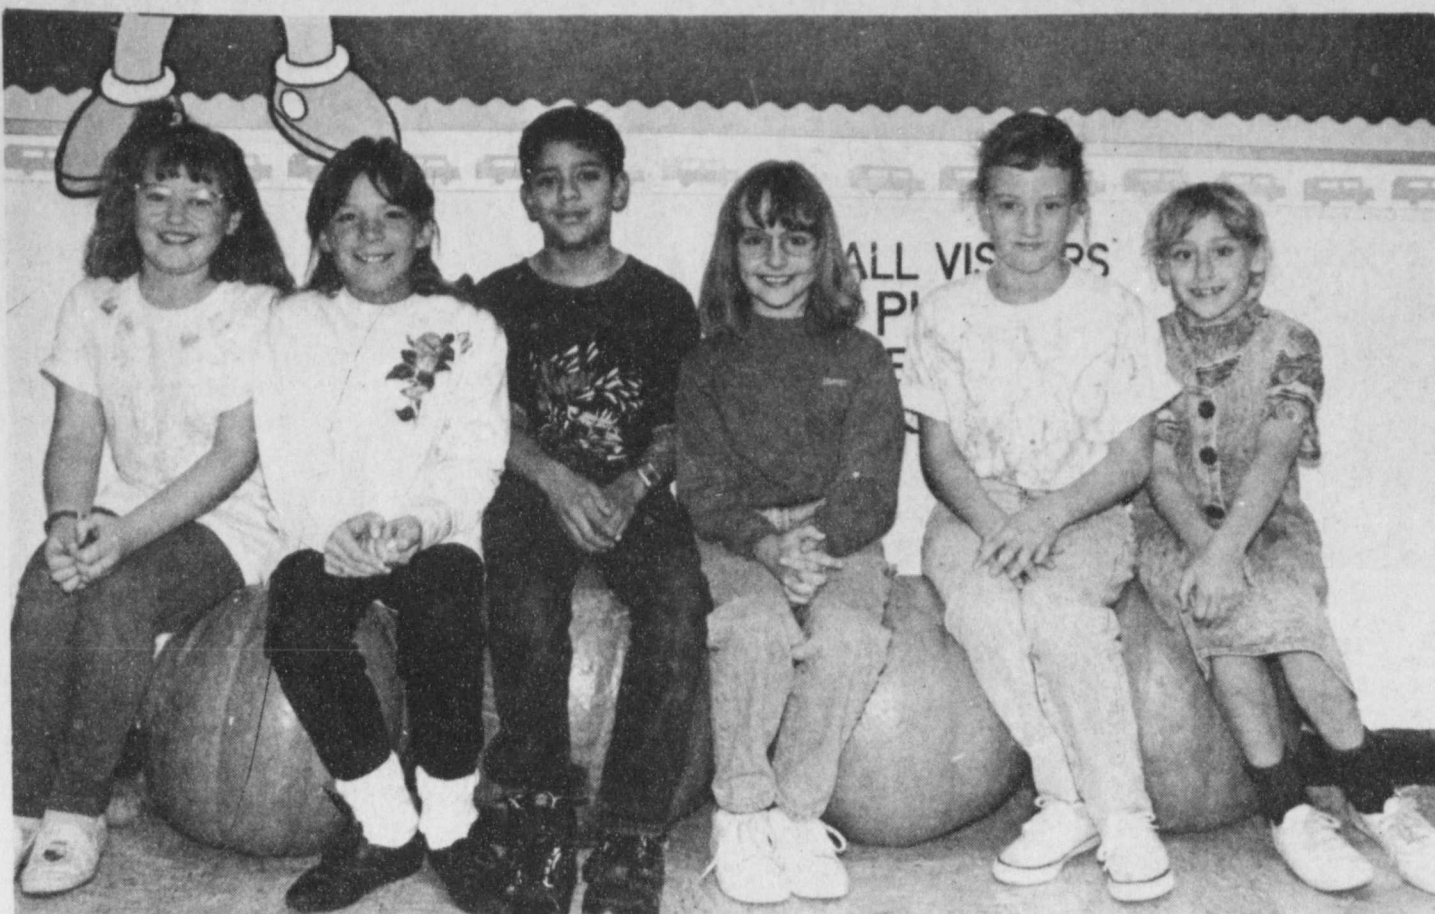

"The inventory changes all the time," she said. "If you came in here two weeks from now, everything would look completely different."

The recently opened Basket Case has

limited hours to keep prices down on a continual basis.

For people wanting to view the wide selection of quality baskets, Wiley said, there will be a craft show at the showroom Nov. 15-17. In addition to baskets, one can see homespun items by local crafters on display.

Hours will be 9 a.m. to 8 p.m. Friday, 9 a.m. to 7 p.m. Saturday, and 1 p.m. to 6 p.m. Sunday.

SMOKE FREE--Six youngsters from the Smoke Free Class of 2000 represented the rest of Andrews 4th grade in this picture, to commemorate November 21 as The Great American Smoke Out Day. Shown here are: (left-

Class of 2000 strives to be "Smoke-Free"

The nearly two million students in the Smoke-Free Class of 2000 (SPC 2000) have just finished the third grade. This year participating classes all over the US learned more about the dangers of smoking, and to reinforce what they learned, they wrote stories, made puppets and posters, produced plays, and signed pledges, promising "to say 'No' and walk away if anyone offers cigarettes or tobacco" to them.

"The importance of reinforcement is apparent," said Kathy Becker, president of the local ACS Unit. "We continue to emphasize the benefits of 'No Tobacco' to students."

For the first time, the Floydada School District is "smoke-free" on all campuses.

SFC 2000 is a project of Tobacco-Free America, co-sponsored by the American Cancer Society, the American Heart Association, and the American Lung Association.

In Floydada, the Smoke-Free Class 2000, made up of 4th grade students in R.C. Andrews Elementary. Their homeroom teachers are Martha Lunsford, Linda Harbin, Kris Ross, Linda Gayle Waller, Ruth Crump and Noma Lou Rainer. Mrs. Ellen Enriquez is principal of R.C. Andrews.

CIGARETTES AND OTHER CANCERS

Although it is now common knowledge that smoking may cause lung cancer, the American Cancer Society reveals that smoking may also be a risk factor in bladder cancer. Warning signs for this form of cancer include blood in the urine and increased frequency of urination.

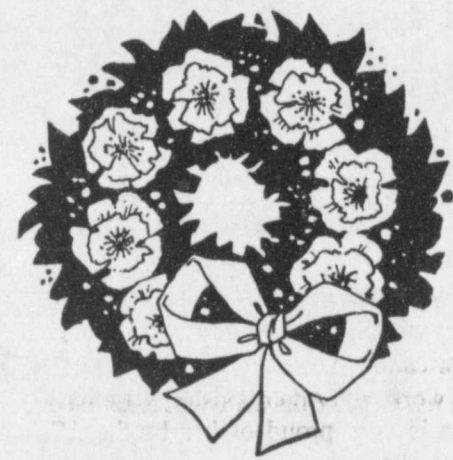

GRAND OPENING--Lockney's Chamber of Commerce welcomed the new business, "The Basket Case", to town with a Grand Opening and Ribbon Cutting ceremony on Friday, Nov. 8. Participating in the ceremony were: (l-r) Tina Graves, Judy Jackson, Bil Anderson, Debbie Wiley, owner; Pat Frizzell, Charlie McQuhae, Shandra Kidd and Julie Hancock.

Cunyus celebrates 100th birthday

(Editor's Note: The majority of this story was taken from an October 6 article, published in the Levelland & Hockley County News-Press)

Frank Cunyus celebrated his 100th birthday, Thursday, October 3, with family and friends at the Hockley County Senior Citizens Center.

Cunyus was born Oct. 3, 1891, in Longview, and has been a resident of Hockley County since 1972.

He recently moved to the Lockney Care Center, from his home in Levelland.

Cunyus attributes his long life to "right living" and says he plans to live as long as it pleases the Lord.

When asked how he spends his days, Cunyus said, "I loaf." His goal in life is to "do good to others." Working in the past as a visitation RSVP volunteer at the Hockley County Senior Citizens,

Cunyus put his talent of talking to work. As part of this volunteer work, Cunyus would visit the nursing home to help cheer up residents.

"His visitation job was good for him," said family members, "because he loves to talk. He is not shy."

Cunyus is partial to Shakespeare's work which he shares with others when his is visiting.

One of 11 children, Cunyus was born in Longview where he also graduated from high school. He went to several colleges and universities including, Sam Houston, Normal Institute, West Texas State University, The University of Texas, Texas Tech University and The University of California.

He has had several occupations. He taught school in Floyd County and New Braunfels including the schools of Bobbit, Roseland and Prairie Chapel.

During the war, Cunyus worked as a civil servant for the Navy Department in San Francisco, Tokyo, Korea, China and Washington D.C. He said, "I've been halfway around the world and back." Besides his position as a civil servant, Cunyus also taught school while in Korea.

Following the war, he worked in San Francisco as an agent of the I.R.S. In 1920 he became the county agent in Sweetwater.

He was a farmer and owned his own income tax preparation service in Slaton before his retirement.

Cunyus married Betha Anna Carthel in Lockney, November 23, 1921. They had four children, Marthella Summers (deceased); Bette Houck, Inverness, Fla.; Joe, of Lockney, and Juanell Kelley, of Dimmitt.

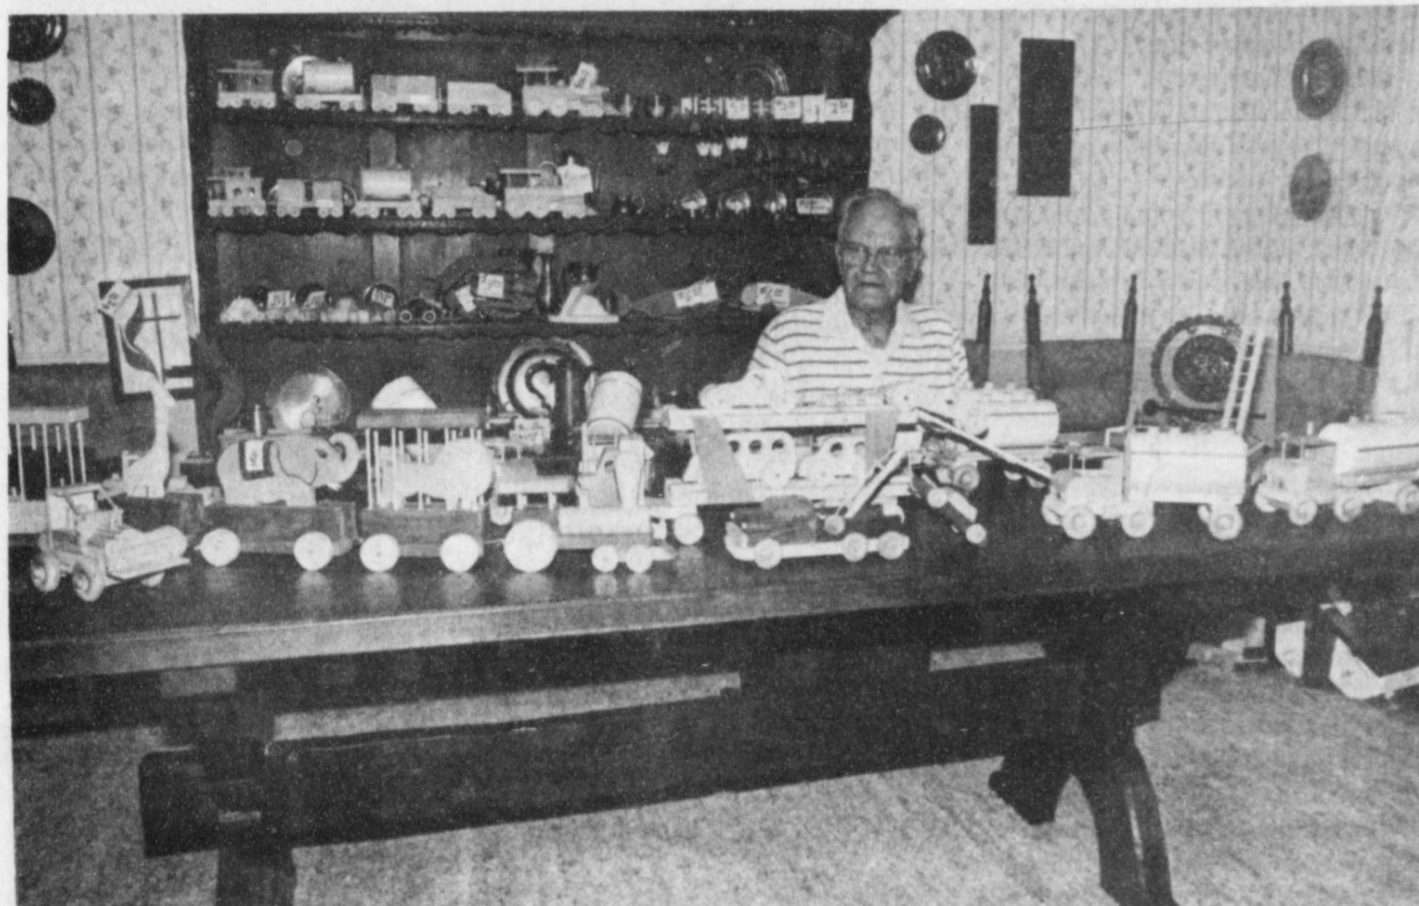

100TH BIRTHDAY CELEBRATED--Family members of Frank Cunyus joined his friends in a 100th birthday celebration at the Hockley County Senior Citizens Center. Pictured are (front row, left to right) John T. Carthel, his brother-in-law; Cunyus, Joe Cunyus, his son; (second

row, left to right) Christi and Cindi Kelley, granddaughters; Barbara Cunyus, daughter-in-law; Bette Houck, daughter; (back row, left to right) Ewell Kelley, son-in-law; Nell Kelley, daughter; Joyce and Chuck Wilson, niece and nephew.

one year building a wide variety of wooden toys and adult gifts that will be on sale, at Floydada's Methodist Church Bazaar, November 16. Staff Photo

Marty Edwards to participate in upcoming holiday parades

Marty Edwards of Floydada, a member of the "world famous" Cowboy Band at Hardin-Simmons University, will be participating in two parades. The Band and members of the Six White Horses riding team will take part in the Foley's Thanksgiving Day Parade in Houston on November 28, and the Adolphus/Children's Christmas Parade

in Dallas on December 7.

Approximately 40 members of the band and eight members of the White Horses riding team will begin making plans for their performances, said Scott Mather, director of the Cowboy Band, and Dr. William O. Beazley, coordinator of the Six White Horses.

DPS urges motorist to drive defensively during holidays

One of the most heavily travelled periods we encounter is during the Thanksgiving holiday. This increased traffic has area and statewide law enforcement officials pondering what can be done to raise traffic safety awareness during this critical driving period.

Major V.J. Cawthon, Regional Commander for the Texas Department of Public Safety stated, "We know that the potential for injury and loss of life is greater during holiday periods, especially a high volume holiday like Thanksgiving. We are asking people to drive defensively."

Many motorists have heard the term "defensive driving", however, it seems few know what it involves. "Most of the art of defensive driving comes from common sense and your own instinct. Training and knowledge of the proper procedures make these senses more effective," Cawthon explained.

Defensive driving can and should become a way of life for all drivers regardless of age or experience according to safety experts. Don't assume the other driver will make the right move. Be prepared for anything. Defensive drivers are in tune with their minds and bodies as well as the road. They are

ready for any situation the road might hand them.

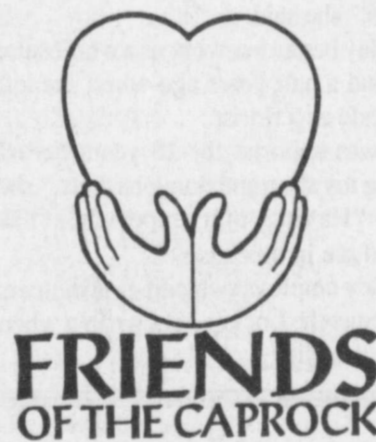

But, some drivers are out of tune. They give in to distractions; daydreams, fatigue, anger, stress, frustration or perhaps alcohol. They are not prepared to react when a dangerous situation arises.

Defensive drivers also make fewer mistakes. Drivers on the average make one error for every two miles they travel. While not every mistake leads to an accident, about 85% of all collisions are the result of driver error. "The most common mistake is speeding. Most people don't match an appropriate speed with driving conditions," Major Cawthon added.

Once, again, all available Troopers will be on the highways this holiday as they have in the past to try to make the roads as safe as possible for all of us. This holiday give safety a second thought.

Lettuce is the world's most popular green.

FCARC holds annual membership drive

This month of November is the Floyd County American Red Cross annual membership drive at the cost of \$1.00 donation per individual membership. More financial donations are always welcome. This money stays in the FCARC for bills incurred such as utilities, heating, paying for CPR mannequins, etc.

The membership awards potluck dinner is scheduled for Thursday, December 12, 1991, at 6:00 p.m. in the Methodist Church Fellowship Hall. All members are welcome.

J.K. West has donated a black and white TV to the FCARC for educational

Langley feted with luncheon

Charline Langley was the guest of honor at a surprise birthday luncheon at the Golden Corral in Plainview, at noon Saturday, Nov. 9. Twenty-five friends were present to surprise Mrs. Langley with flowers, gifts and a decorated birthday cake.

Those attending from Floydada were: Ernestine Gilly, Linda Seymour, Dorris Tinsley, Stacy Reeves, Sandra Noland, Nina Sanders, Neta Marble and Vicki and Charla Yeary.

Pat Crawford of Childress, formerly of Floydada, also attended.

Lockney residents included: Ann Ford, Ana Belle Bramlett, Carol Huggins and Linda Stallings.

Others attending were: Beverly Alvis, Judy Evans, Madelyn Mills, Kay Black, La Gay James and her sister, Pat Pirkle, all of Plainview; Charline's daughter and husband, Cathy and Stuart Vick and Ginger Robinson, all of Lubbock; and Sue Brooks of Tulsa.

usage. Edwine Hollums has donated a suitcase to be used for First Aide supplies carrier for emergency health care or disaster care. Other items needed are: VCR, copy machine or 100 + copies from several businesses, word processor, old trunks, old suitcases, old ice chest, folding table and chairs, water jugs, fans, cleaning supplies, paper goods, office supplies, and garage sale items for January 17 and 18.

CPR class will be given by FCARC on Tuesday, November 12, at the FCARC building, 208 S. Wall Street. The class will be four hours long (6 p.m. to 10 p.m.). The cost will \$10.00 per person prepaid by the 10th. Call Rhonda Guthrie at 983-5089 or the chapter chairman at 983-2581 for more information.

Introduction to Disaster Services (ARC 3066) class will be provided free on November 18, from 6 p.m. to 10 p.m.

at the FCARC building. The class provides basic information about disasters and their effects. It outlines government and nongovernment agencies and gives a broad overview of Red Hinton, at 983-2581 to sign up.

Fund raising plans are being planned for January 17 and 18, 1992, of a garage and bake sale. A Spring Arts & Crafts Show is being considered before Easter. If you are interested in having a booth, please call Helen Teeple at 983-3801.

No information has been received about this county's charter. Olan Watson was this county's chairman prior to Sharon Hinton. The material he have her did not contain this charter. If you have any information about the FCARC charter, please call 983-2581.

Lockney FHA sets Christmas party

By Calixta Guerrero
Tuesday, November 5, 1991, members of the Lockney FHA were brought together in a weekly meeting. The meeting was called to order by President Jennifer Fortenberry. Secretary Alicia Sepulveda read the minutes of the last meeting which was October 29. Members were then told about National Smokeout Month, which is November. No final decision was made to have a project concerning the event. Jennifer then told members of a Christmas party. Everyone agreed to have a Chinese X-mas in which gifts are exchanged by numbering all gifts then have members draw numbers. It was also decided that the organization go Christmas caroling then pitch in for pizza afterwards. The president told members about a community project at the nursing home instead of a weekly project. Any member wanting to participate in a Star Event at the Area-Wide Regional Meeting was told to talk to Mrs. Aston or Mrs. Ellison as soon as possible.

Longhorns fall to Abernathy

By Issac Cuellar
Perhaps the Lockney Longhorns were outclassed as far as the stats and how they compared on paper were concerned, yet, pound per pound the Horns made their presence felt last Friday night as they ended their 1991 football season at Abernathy. Week in and week out the Horns have played hard hitting, too legit to quit type football and regardless of the score they never stopped hitting. Abernathy found out the hard way as Lockney, after trailing 35-6 through three quarters, finally stuffed the Antelopes, not allowing the Lopes to see Lockney's side of the field the entire 4th quarter. Though the Lockney Longhorns lost 35-6 they still made the necessary adjustments to outplay the Lopes during the final moments of the game.

nenaro Zapata for the initial score of the ball game (A 9 yard touchdown and catch, respectively). Carlos Raissez's catches (3 of them) were instrumental in the TD drive.
*Salute to the Seniors: #11 Juan Vargas; #56 Jarod Harrison; #76 Chad Cook, #81 Shane Douglass; #64 Lee Truett.
Way to go Horns, Head Coach John Lowe and Staff for representing Lock-

ney with Pride. You have truly earned the slogan which you integrated throughout the season 'NO ONE PLAYS HARDER'.

Whirlwinds compete in playoff game Friday

Continued From Page 1

Floydada charged back after the kick-off, as Chavarria carried 41 yards on first down. A sure tackle by Blair, as he had to again catch a Floydada runner in the open field, prevented Chavarria from an 80-yard scoring romp. Littlefield's defense tightened, and the 'Winds turned the ball over on downs at the Wildcat 30-yard line. The Wildcats failed to gain a first down, and punted back to Floydada as time expired in the third stanza.

Floydada opened the final period by picking up three first downs and 44 yards. A costly penalty on first down helped stall the drive. Three plays later the 'Winds were faced with a 4th-and-10 situation at Littlefield's 17-yard line. Michael Gilliland was called upon for only his second field goal attempt of his career. The junior calmly booted the 33-yarder to break the tie as Floydada regained the lead 24-21.

Littlefield committed its first turnover only moments later when Whirlwind Ramiro Rios recovered a loose ball at the Wildcat 20-yard line. Floydada took possession deep in Littlefield territory with less than four minutes remaining, and the 'Winds appeared to be on their way to a second district championship in three years. Wrong! Floydada was unable to capitalize on the Wildcat error, and turned the ball over on downs. Littlefield took possession on its own 21-yard line with 3:19 remaining on the clock.

Anthony Goodson broke into the clear on 3rd-down-and-eight and rambled for 30 yards before being brought down at Floydada's 48-yard line. Vaught carried for a crucial first down, and hooked up with Blair for a 22-yard pass and run to Floydada's 12-yard line. In the closing minute, Vaught carried another six yards to set up the game-winner. Vaught moved to his left on third down, and appeared trapped at the 3-yard line. In the designed play, he pitched to his left to a trailing Trevor Blair, who carried the final two yards into the end zone. Bond added the conversion, and Littlefield started its victory celebration. It was the Wildcats' first lead of the game.

Brandon Gilliland fielded the short Littlefield kickoff at Floydada's 45-yard line, and the Whirlwinds' hopes hinged on Villarreal's passing and running. Billy V. ran for 16 to the Wildcat 39 — only 20 ticks remained on the clock. Time ran out after three incomplete passes and a short gainer on a scramble.

Floydada dominated the game in every statistical category except the most important — the final 28-24 score. The 'Winds led in penetrations 6-4 and in first downs 24-14. Villarreal, Jammie Davis, and Ruben Chavarria each rushed for over 100 yards, and the Whirlwind offense produced 420 yards on 62 carries (almost 7 yards-per-carry). It was a heart-breaking loss for the Whirlwinds, but it was a classic battle between two quality high school teams.

Both squads will represent District 2-3A well in the playoffs, and it is possible for the two to meet in the playoffs in the Regional Championship (quarter-finals).

BILL'S NOTES

Whew . . . What a game! In the coming years when Floydada football is discussed, this game will rank with some of the legendary Whirlwind matchups with Iowa Park, Phillips, Denver City, and Childress. Speaking of the last two, if the 'Winds are able to turn it up another notch or two and get by Childress in the bi-district round, they'll more than likely face Denver City in the area round. So, in the next two weeks, this edition of the 'Winds could put to rest some of their ghosts of playoffs past.

What is so satisfying about Floydada's playoff appearance this year? Every poll and pre-season prediction had the 'Winds tagged as an also-ran (every poll and prediction except this writer, I might add). I foretold of an 8-2 season record, with the 'Winds making the playoffs as the second seed of the district (Hesperian-Beacon, September 5 edition). I am proud and pleased that they came through for me! More important — I am pleased for the youngsters and the coaching staff. It takes a lot of sacrifices by all involved — players, coaches, families, cheerleaders, etc. — to make things "click." The support shown by this community has to be especially satisfying to the young men and their coaches.

There is one other point I would like to make before naming the outstanding players, my game predictions, etc. In a tight game between two evenly-matched football teams, one or two key calls (or lack of calls) by the game officials can be determining

factors in the outcome. Just ask Texas Tech Coach Spike Dykes about the non-call against Texas for pass interference in the final seconds two weeks ago at Austin.

There were several questionable judgments at Littlefield. Granted, the 'Winds had some defensive breakdowns that allowed some long gainers, and my bellyaching shouldn't take away from the fine efforts by the 'Cats in pulling out the win. A couple of spots on 4th-down plays seemed to benefit the Wildcats. By and large, we have had excellent officiating throughout the season until the past two weeks. Those attending the games know the incidents to which I refer.

The game-winner for Littlefield was very close to being an illegal forward lateral. That's the way I saw it from a close view on the sidelines, but I stopped wearing that black and white shirt in 1974. At a time that the ruling bodies are requesting that crowds and sideliners refrain from heckling and criticizing game officials, I would agree — but at the same time I would request that the various officials' organizations do their part to insure that their members are doing the best job available. To err is human. It may be maddening to coaches and fans — but understandable — if a ref blows a judgement call. But when mechanics are involved and he is not in proper position to make that call, that is an entirely different matter. That was possibly the case in the game-decider at Littlefield.

I normally don't give out game laurels to opposing team members, but I would be remiss if I didn't honor Littlefield's Trevor Blair as the defensive player of the game. The senior speedster personally prevented at least four Floydada scores with his come-from-behind tackles and his pass defense on possible TD tosses to Michael Henderson and Jesse Rodriguez. Blair also scored the game-winner in the final minute, but his 77-yard touchdown return gets my vote for special team-defensive play of the game.

My choice for offensive player of the game is not so objective. Floydada QB Billy Villarreal had a splendid evening. His scrambling on passing situations not only produced big chunks of yardage, but it also prevented the turnover bug via pass interceptions from hitting the 'Winds. The little man also scored two impressive touchdowns, and my choice for player of the game goes to the gutsy field general. Michael Gilliland's first successful field goal gets my vote for the offensive play of the game. It could have well been the game-winner.

Adam Gonzales was having his usual good night before being cut down with a knee injury. Fortunately it wasn't as severe as first expected, and "Boom-Boom" may be able to return to action if the 'Winds manage to play awhile in post-season.

For the first time in a number of weeks, the Whirlwinds will be rated an underdog this week to the Bobcats in the bi-district clash. I'll have to buck the experts and go with the 'Winds in a 27-20 thriller. Bill's other pics:

'Wind JV ends season with 20-8 win

By Bill Gray

The Whirlwind Junior Varsity completed its season with a 20-8 victory over Littlefield at Wester Field on November 7. Floydada's final record was six victories against one defeat.

The J.V.'s most productive offensive weapon, Gabino Suarez, registered two touchdowns in the season finale. Quarterback Josh Thayer scored on a run off the option and converted one 2-pointer. The coaches were pleased with the overall efforts of the squad this year.

FJHS Grid Report

By Bill Gray
Floydada's 7th Grade Breezers completed a successful 1991 campaign with an impressive 38-12 victory over Littlefield. The Breezers finished with a record of six victories against only one setback.

Jacob Guzman opened Floydada's scoring with a 58-yard TD run. Monte Anderson passed to Todd Cocanougher for the 2-point conversion. Marcus Collins scored on runs of 40 and 15 yards with Anderson and David Mercado adding 2-point conversions all in the first quarter.

Following an Omar Equia pass interception and return to Littlefield's 1-yard line, Marcus Collins tallied again from 1 yard out. Vernon Cooper added a 2-point conversion run in the second period. Adam Soto closed out the Breezers' scoring avalanche with a 72-yard touchdown run. The Breezers held a 38-6 halftime lead. Following an early Littlefield touchdown, the 7th Graders scored 31 unanswered points.

Coach Webster stated, "We're really proud of our group of kids. They had an outstanding year. They worked hard in practice and applied that to the playing field. They still have a lot of areas that need improvement, but for their first year of football they did an outstanding job." Named as outstanding players on offense were Jacob Guzman, Tomas Barrientos and Robert Cuba. Cited for his outstanding defensive effort was cornerback Omar Equia.

The 8th Breezers didn't fare as well in their season finale at Littlefield as Floydada was on the short end of a 42-12 score to the undefeated hosts. The 8th Graders completed their season with three victories and four losses. Arnulfo Cervera accounted for all the Breezers points as he scored on runs of 21 and 80 yards.

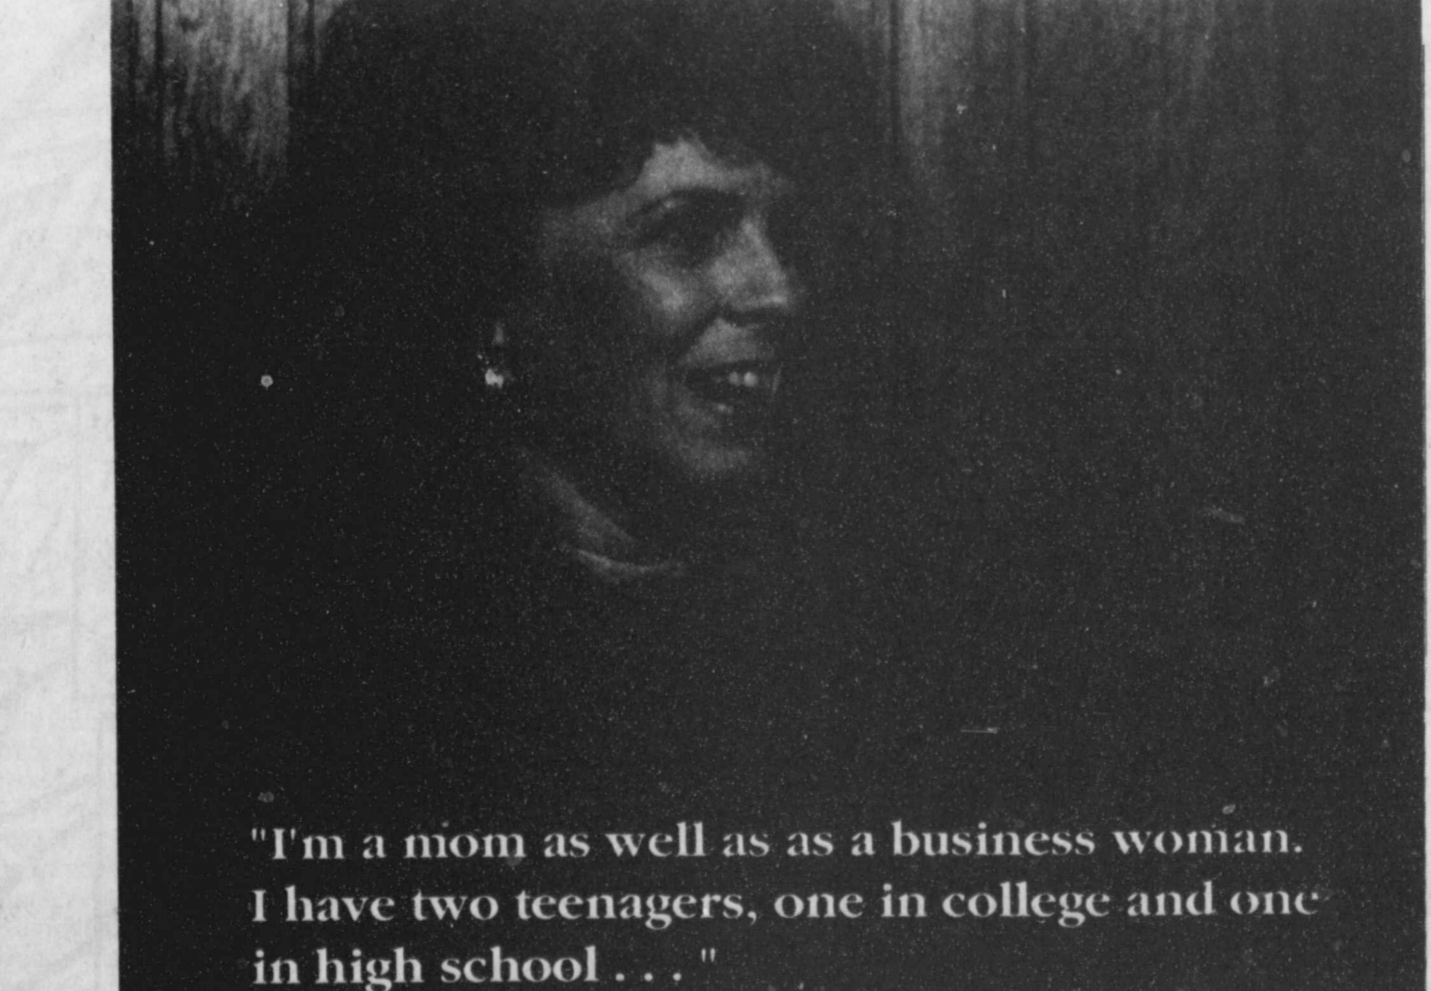

According to Coach Clark, "It was a

disappointing way to end the season. Littlefield has an outstanding team that finished 8-0, but we did not play well. We made some fundamental mistakes that allowed Littlefield to score early and get us down, so the entire game was an uphill battle. Our team never quit, and there can be some good things expected from this group on the high school program.

Coach's Comments

By Coach Dean Bates
Our kids really played hard in trying to capture the 2-AAA District Championship. It was a well played game by two good football teams and we just came up short. We had an outstanding game offensively with three backs rushing for over a hundred yards each. Our defensive line had another outstanding game and we put ourselves in positive to win and just couldn't turn the corner.

There were many big plays in the game and Littlefield was able to make them at the end. I think our youngsters are definitely a play off caliber ball club and will represent our district well.
We face a good, solid Childress team Friday night in Plainview at 7:30 p.m. and must play well on both side of the ball in order to win. Our kids will respond to the challenge. See you at the game.

Marricle takes top spot in final week of contest

Keith Marricle of Floydada earned the first prize check for \$25.00 in the final week of the annual football contest. Marricle had the distinction of being the only contestant to miss only six game picks this week. His check will be waiting for him in Floydada at the Hesperian-Beacon Office on Friday, November 15.

Second and third place were determined with the assistance of the tie-breaker (Floydada vs. Littlefield). Two contestants, Justin Graham of Lockney and Jammie Davis of Floydada each missed seven games on the contest this week resulting in a tie for the two prizes. Each selected Floydada as the winner of the tie-breaker. This was not a factor in determining the winner of the prizes as Floydada lost the game. Based on the combined points scored by Floydada and Littlefield during the game, Graham earned the second place and Davis the third.

Graham estimated combined points of 37. The actual score was 52. He will be able to claim his second place check for \$15.00 at the Lockney office of the

Hesperian-Beacon on Friday. Davis chose 28 as the total combined points to be scored, garnering the third place spot and a check for \$10.00. The check will be available to him on Friday at the Floydada office of the Hesperian-Beacon.

Bi-district Playoff tickets now on sale

Tickets for the Friday night, November 15, playoff game between Floydada and Childress are on sale at the high school office. Tickets are \$2.00 for students and \$4.00 for adults. They will be on sale until noon in Floydada. Gate tickets will be \$5.00 for all seats.

Floydada will be the visiting team and will have the east stands at Bulldog Stadium in Plainview. The game is scheduled to begin at 7:30 p.m.

FHF FFA JUNIOR SKILLS TEAM

FHS Greenhand FFA Skills Team earns 3rd at state meet

The Greenhand FFA Skills Demonstration Team from Floydada FFA won third place at the State Leadership Contest held at Sam Houston State University in Huntsville, Nov. 9. The local team consisting of three first year FFA members had previously been chosen area champion and competed against nine other teams from throughout Texas for the championship.

Team members included Misty Bertrand, Matt Whittle and Tali Cage.

Skills Demonstration teams perform a demonstration of a actual agricultural skill. They are scored on the explanation of the skill and the participation of all team members. Floydada FFA demonstrated the Proper Building of an Electric Fence.

FFA is a vocational organization made up of students enrolled in Agriculture Science and Technology classes.

Texas FFA has over 54,000 members in nearly 950 local chapters.

Ninth graders fall to Littlefield

By Bill Gray

Littlefield's undefeated 9th Grade Wildcats overcame a 6-all halftime deadlock to defeat Floydada 32-20 at Wester Field on November 7. Floydada's Sammy Rodriguez, optioned to Pete Cooper for a 50-yard touchdown in the first quarter. The young 'Cats answered with a single score in the opening period of play.

The second half included some costly mistakes by the Whirlwinds. A fumble on the opening kickoff and another fumble on Floydada's first offensive series enabled Littlefield to score two quick touchdowns. Trailing 32-12 in the fourth quarter, Floydada had one more impressive drive in the closing minutes.

Rodriguez hit Cooper on a halfback pass, and Cooper added the two-point conversion to help Floydada's cause. The 9th Graders completed their season at 4-2 with both defeats inflicted by Littlefield.

Named for their outstanding play in the game were Pete Cooper, D.G. Holms, Bruno Mendez and Peter Luna.

FHS varsity cross country teams vie at regional meet

By Jennifer Harbin

The final cross country meet the teams have been working for was run last Saturday at Mae Simmons Park in Lub-

bock. This year's Cross Country teams are a great group of girls and boys with a lot of determination and stamina.

We're very proud of their hard work and devotion. Their hard work definitely paid off when the girls placed 6th and the boys placed 8th in the Regional Cross Country meet.

Varsity girls are Elisa Suarez with a great time of 13:25, Lezlie Warren, Linda Dagley, Pepper Hinkle, Aimee Fondy, Tamie Cocanougher and Viola Hernandez.

A great accomplishment was made by Linda Dagley, Pepper Hinkle, and Aimee Fondy when they ran their best time of the season, Linda Dagley, 13:45; Pepper Hinkle, 14:15, and Aimee Fondy, 14:05.

The boys team is coached by Coach Mac Willson. It's been a good year for them. Their team members are Fugi Barrientos, Jackie Alaniz, Jamie Suarez, Billy Villarreal and Ronnie Cantrell.

Floydada School Menu

Nov. 18-22

Monday:
Breakfast — Orange juice, cinnamon toast, milk

Lunch — Lasagna casserole, corn, spinach, oatmeal cookie, hot roll, milk

Tuesday:
Breakfast — Pineapple juice, sausage, toast, milk

Lunch — Frito pie, pinto beans, pickle spears, cornbread, applesauce, milk

Wednesday:
Breakfast — Grape juice, hot oatmeal cereal, toast, milk

Lunch — Bar-b-q wieners, mashed potatoes, mixed vegetables, apricots, hot roll, milk

Thursday:
Breakfast — Orange juice, pancakes, syrup, milk

Lunch — Turkey, dressing, gravy, cranberry sauce, green beans, fruit cup, hot roll, milk

Friday:
Breakfast — Apple juice, dry cereal, toast, milk

Lunch — Corn dogs w/mustard, tator tots w/catsup, tossed salad, ice cream cup, milk

Floydada schools dismissing at 1 p.m. Friday, Nov. 15

Floydada schools will be dismissed at 1 p.m. Friday, Nov. 15, for staff development.

Weather contributes to weevils demise

The 1991 Plains Cotton Growers Boll Weevil Control Program's fourth spray application was just getting underway last week when frigid temperatures swept into the area. The cold temperatures effectively ended the 1991 growing season on October 30 and stayed in the area for several days with temperatures falling to a record low of 7 degrees on Sunday, November 3.

According to Dr. Don Rummel, a research scientist at the Texas Agricultural Experiment Station, the generally low temperatures that persisted for the two to three day period should have a

Ag Commissioner issues reminder on pesticide restriction

Agriculture Commissioner Rick Perry issued a reminder to Texas farmers and ranchers that the U.S. Environmental Protection Agency has suspended the use of parathion on all but nine of the approximately 90 crops the pesticide is used on.

Because of mechanical harvesting rather than hand labor, the EPA is allowing restricted parathion applications on alfalfa, barley, canola (after proper information is provided to EPA), corn, cotton, sorghum, soybeans, sunflower and wheat.

Parathion is one of the most acutely toxic pesticides registered by the EPA. From 1965-1980, the agency's Pesticide Incident Monitoring System listed 72 deaths due to parathion.

The organophosphate pesticide, registered since 1948, also has caused bird kills and harmed the fish food chain, according to the EPA.

Because of concerns about health risks to agriculture workers and the environment, the EPA is preparing to cancel the use of parathion on the nine field crops that currently are exempt.

Existing parathion stocks may be used until Dec. 31, 1991. After this date, all use of existing parathion stocks, except for the nine exempt field crops, will be prohibited.

To safely dispose of unused parathion, contact your local or state hazardous waste authority.

very positive effect. When combined with the record low temperature on November 3, the freeze may result in as much as a 50-percent mortality rate among the weevils that managed to make it into overwintering habitat.

Comparing final acreage figures for the 1991 and 1990 programs show that almost twice as many cotton acres were sprayed this year. A total of 224,264 acres received treatments during the recent completed program. The 1990 program only treated 114,051 acres.

The dramatic increase in treatable acres from 1990 has been attributed to a heavy migration of weevils from Rolling Plains counties that adjoin the PCG control zone.

The 1991 program was one that will be remembered for many reasons. Chief among them was the outstanding level of precision attained by the contractor Aero-Tech Inc., of Clovis, N.M. Aero-Tech personnel used two turbine air tractor airplanes to make the spray ap-

plications.

"This was the first time in the history of the boll weevil program that turbine aircraft had been used and the results were really outstanding," notes Roger Haldenby, PCG boll weevil program coordinator.

Another program first was the use of a state-of-the-art electronic guidance system. The wet ground conditions became a blessing in disguise during the first application, conducted September 23-25. The soggy ground gave program officials an unexpected chance to evaluate the system installed in the two airplanes contracted to the program.

The program is a cooperative venture between Lubbock-based Plains Cotton Growers, Inc. and the U.S. Department of Agriculture. The 1991 program employed a total of 107 people and had several USDA employees directly involved with the program. Funding for the program comes from a 10-cent per bale check-off paid by area cotton pro-

Study completed on barky cotton

A new round of studies on the way bark affects cotton's processing ability has recently been completed by researchers at Texas Tech's International Center for Textile Research and Development (ICTRD). The studies were

funded by the Plains Cotton Improvement Committee (PCIC) to provide a basis for generating a change in the way bark is viewed in the classing system and the market.

As well as sponsoring the development of new cotton varieties for the High Plains, PCIC is trying to determine how the presence of bark affects the spinning performance of cotton at the textile mill. The research was initiated in 1986 and preliminary results of the latest studies were presented to the committee during the meeting.

The results confirm that most levels of bark are easily managed on modern textile machinery and should not be separated from other forms of trash when looking at the cotton's processing potential. Only extremely heavy bark levels were found to affect the cotton's spinning performance and the quality of the end product.

The availability of the newer technology means that the days when an automatic reduction for bark at any level was justified may be coming to an end. Producers are concerned that current grade reductions for bark do not accurately reflect the true market value of their cotton.

The latest study was conducted with the actual cottons used in the original bark study done in 1986. The earlier study used older ring-spinning technology and less efficient cleaning equipment whereas the 1991 study was done on newer rotor-spinning machines and evaluated a variety of modern cleaning and trash extraction methods.

Results of the two studies reflect how the textile industry has learned to handle problems previously caused by bark. The original study showed that bark could impact the spinning performance of cotton.

However, the new study shows that the combination of increased knowledge and improved technology, particularly in the pre-spinning area of opening and cleaning, virtually eliminates any

effect of bark on spinning performance. Only extremely heavy bark levels showed any appreciable decrease in spinning performance and quality.

The PCIC has played a key role in this research and is now ready to mount a coordinated effort to work for a change in the way bark is designated. Papers describing the results of these studies, as well as others concerning different aspects of bark, will be presented at the Beltwide Cotton Conferences in January of 1992. The results of the studies will likely be considered by the Cotton Marketing Advisory Committee as they work towards improvements in the current grading system.

\$15 million offered for new agriculture venture development

Agriculture Commissioner Rick Perry praised the State Bond Review Board for its approval of an additional \$15 million to help underwrite agricultural ventures.

Proceeds from the sale of the \$15 million in commercial notes, which will be a general obligation of the state, will be used to help finance agricultural production, processing and marketing operations through the Texas Agricultural Finance Authority of TAFE.

"This is great news for farmers, ranchers, processors and many other small business entrepreneurs across Texas," said Perry, who is making food and fiber processing a major focus of his administration. "The board's action paves the way for the development of new agricultural industries."

"We now have the means to help innovative and hard-working Texans stimulate job growth and promote economic opportunity."

America's second largest agricultural producer, Texas only processes 8 percent of the food and fiber it grows or raises.

GIVE THANKS FOR "TOTALLY TEXAS" DINNERS

By Rick Perry

Texas Commissioner of Agriculture

The Pilgrims who commemorated their first harvest at Plymouth Colony in 1621 sat down to three days of feasting. They gave thanks, not only for their new store of food, but also for surviving a long harsh year on foreign soil.

Historians tell us that the first Thanksgiving table was graced with native North American dishes as well as food nurtured from precious seed the Pilgrims had brought from England. Their table was laden with game, seafood and bounty from the fields — pumpkins, leeks, carrots, cornbread, turnips and berries. No one seems to know for sure if turkey was on the menu, but by the next officially recorded Thanksgiving, in July 1623, it had been added.

Though almost 370 years have passed since that first Thanksgiving, Americans still pause every autumn to celebrate the abundance of food. We Texans, in particular, can count our blessings for the food on our Thanksgiving tables because, in all likelihood, a great deal of it was raised here at home.

It is possible, in fact, to enjoy a "Totally Texas" Thanksgiving at which every dish on the table is made from foods raised and processed by Lone Star agricultural producers. Agriculture is an \$11.2 billion annual business in Texas. Our farmers and ranchers raise nearly every kind of crop and livestock produced in the United States.

Farming and ranching is our state's second largest industry. And, while the majority of citizens live in cities and suburbs today, our roots reach back to rural communities where farming still is a way of life.

Fall is an especially abundant season in Texas. Our largest commercial vegetable harvest is under way in the Rio Grande Valley and South Texas, sending truckloads of fresh produce to market. The East Texas sweet potato crop is in packing sheds. Pork producers report plentiful supplies of ham. And, Texas processors supply ample quantities of Texas smoked turkeys and turkey breasts. Consumers can even decorate their tables with Indian corn and gourds raised on the High Plains.

But that's not all. Consumers who prefer a less traditional Thanksgiving meal will find plenty of Texas-raised foods to choose from — everything from venison, quail and rabbit sausage to gourmet cheeses, specialty herbs and award-winning wines.

More than 800 food processing and beverage companies market their products through the Texas Department of Agriculture's "Taste of Texas" program which promotes products ranging from relishes to low-cholesterol buffalo meat. These products, which bear the red, white and blue "Taste of Texas" logo, are sold in supermarkets throughout the state.

This great diversity of Texas products makes a "Totally Texas" Thanksgiving menu totally possible, a meal that family and guests will savor for months. In this spirit, our suggestion for a "Totally Texas" Thanksgiving includes:

Baked Lone Star Ham
or
Roasted Texas Turkey Breast

Butternut Squash Pudding

Crunchy Broccoli and Cauliflower Salad

Whole Wheat Rolls

Sweet Potato Pie with Pecan Crunch Topping

Texas Chardonnay
and Texas Sparkling Waters

Floydada School Board discusses Wester facilities

Continued From Page 1
Bobby Gilliland, were the outstanding students from Floydada High School.

OTHER MATTERS

The board approved the text book committee for the 1991-92 school year and authorized early dismissal on six occasions for staff development sessions for teachers. These dates are: November 15, November 26, December 20, February 28, March 13 and May 8. School will turn out at 1:00 p.m. on these dates to enable teachers to attend required training session needed to accumulate 20 hours of staff development training for the year.

Board members also approved the Texas Association of School Board Policy update #40. The update is the result of the passage of Senate Bill 351. The new items will be included in the TASB policy manual the district maintains.

The second Monday of each month has been set for FUSD board meetings effective with the December board session. The next scheduled session is slated for December 9.

Among other items handled by the board was the reading of the minutes of the previous meeting and approval of the monthly bills.

Cannon reported that the school is

now fully accredited by the Texas Education Agency and had received a letter stating that all discrepancies from the August accreditation visit had been corrected and the district is in full compliance with state standards.

He also passed out copies of a recent newspaper article stating that Texas school districts now have an average property tax rate of \$1.20 per \$100 valuation. Cannon pointed out that the \$0.90 cent tax rate in FUSD is well below this level.

The playoff game scheduled on Friday night, November 15, for Floydada will be against Childress and will be played at 7:30 p.m. at Bulldog stadium in Plainview. FHS will be the visiting team and will have the east stands. Cannon told the board that tickets are \$2 for students and \$4 for adults. Tickets will be on sale at FHS until noon on Friday. Gate prices are \$5 for everyone.

Attending the Tuesday evening session in addition to parents and the outstanding students were Jerry Cannon, Jimmie Collins, Charlene Brown, Michael Hinsley, John Campbell, Don Hardy, Steve Lloyd, Trena Simpson, Billy Joe Villarreal, Joe Christian, Bruce Bramlet, Ellen Enriquez, Bobbie Weir, Grant Hambright, Joe Stepp and the Hesperian-Beacon reporter.

City Council discusses 9-1-1

Continued From Page 1

The screen when a call comes in so that the emergency vehicle will be able to respond to the correct address with no loss of time.

Jamie Johnson, engineer for the City of Lockney, is studying the map of Lockney and will be in charge of numbering the houses.

The council reviewed the financial statement and several of the councilmen agreed that they were pleased with the financial shape the city was in. October was the first month of the new fiscal year. In April the city began a six month budget in order to change the beginning of the fiscal year from April to October.

The council had voted to change the beginning date because it was difficult to plan a budget when they had not received the reports from the taxing entities.

Councilmen also reviewed current bills and they were approved for payment.

Present at the meeting were Mayor Kenneth Wofford, Aldermen J. D. Copeland, Sam Fortenberry, Gary Marr and Ronnie Aston; City Attorney Paul Lyle, City Secretary Erma Lee Duckworth, Assistant City Secretary Charlotte Hooten, and the Hesperian-Beacon reporter.

Obituaries

TRACI DAWN BARBEE

Services for Traci Dawn Barbee, 21, of Noonday, were at 2 p.m. Monday, November 4, 1991, at Burks-Walker-Tippit Funeral Directors Chapel in Tyler with the Rev. Sherman Mayfield officiating.

Burial was in Noonday Cemetery. Miss Barbee died Saturday night, November 2, 1991, in Tyler from injuries sustained in an automobile accident. She was on her way to her 22nd birthday party.

She was born November 4, 1969, in Dallas and attended Robert E. Lee High School and Tyler Junior College. She resided in the Tyler area 15 years. She was a cashier in the Service Department for White's Tyler Ford and attended Pleasant Hill Baptist Church in Tyler.

Survivors include her parents, Don R. and Beverly Barbee, of Noonday; grandparents, Velma and Charlie Warren of Floydada and Margie Miller of Dallas; great-grandparents, Mr. and Mrs. Elmer Horn of Canton; one sister, Misty Michelle Barbee, Noonday; and several aunts, uncles and cousins.

Pallbearers were Buddy Mims, Matt Wakefield, Jason Carter, Brendon Blankenship, Stephen Hood and Tripp Stele.

Honorary pallbearer was Shannon Barbee.

MYRA BARRETT

Services for Myra Ellison Barrett, 44, of Dallas were at 2 p.m. Sunday, November 10, 1991, in the First Baptist Church with the Rev. Milton F. Gardner, a Baptist minister, officiating.

Burial was in Aspermont Cemetery under direction of McCoy Funeral Home.

Ms. Barrett died Thursday afternoon, November 7, 1991, at her place of business in Dallas.

She was born in Stamford and was a graduate of Aspermont High School. She owned an antique business.

Survivors include her mother, Ermine Ellison of Aspermont; four brothers, DeWitt Ellison Jr. and Gary Frank Ellison, both of Aspermont, Boyce Ellison of Irrigon, Ore., and Terry Lee Ellison of Lockney; three sisters, Zell Gardner of Tyler, Movelda Hyer of Snyder and Ozella Warner of Aspermont.

EDITH HALL

Services for Edith Ferguson Hall, 79, of McLean will be at 2 p.m. Thursday in Trinity Church in Floydada with the Rev. Bob Ferguson, pastor of the

Church of Nazarene in Grassland, and Edd Cooper, pastor, officiating.

Burial will follow in Floyd County Memorial Cemetery under the direction of Lamb-Ferguson Funeral Home.

She died 1:20 a.m. Tuesday, November 12, in Shamrock General Hospital after a brief illness.

Edith Abney was born in Lubbock County, June 15, 1912. She married L.C. "Kay" Ferguson in 1928 in Plainview. He died in 1983. She subsequently married Willard Hall, who died in 1991. She moved to McLean from Porterville, California, after his death.

Survivors include two daughters, Ruby Bunch of Floydada and Louise Summers of Plainview; three sons, L.C. Ferguson of Phoenix, Ariz., Ralph Ferguson of McLean and Charles Ferguson of Shallowater; two sisters, Ella Mae Dever of Lubbock and Madge Williamson of Houston; two brothers, Fred Abney of Shallowater and E.J. Abney of Ropesville; 20 grandchildren; 33 great-grandchildren; and three great-grandchildren.

FLOYD MOSLEY SR.

Graveside services for Floyd D. Mosley Sr., 61, of Beebe Ark., were at 2 p.m. Monday, November 11, 1991, in Flomot Cemetery with Johnny Harrison, officiating.

Burial was under direction of Schooler-Gordon Funeral Directors of Quitaque.

Mosley died Thursday night, November 7, 1991, in the Veterans Administration Hospital in Little Rock, Ark., after a lengthy illness.

He was born in Floyd County. He was a retired farmer and a veteran of World War II. He attended schools in Quitaque.

Survivors include a son, Floyd Jr. of Hooks; a daughter, Wilma Sutton of Beebe; a sister, Lenora Purcell of Quitaque; and six grandchildren.

Donations needed for ten Christmas lights in Lockney

Continued From Page 1 installing the outlets needed for the Christmas lights.

"We now need money to buy the lights to go on the 10 decorations that can be put up this year. We are asking people in the community to 'Adopt A Decoration'. Any money they can spare would be appreciated and would go toward this goal of immediately lighting the 10 decorations that we can hang."

The donors list for the decorations now includes: Il Penseroso Study Club, Caprock Industries, Athena Study Club, First National Bank, Lockney Co-op Gin, Lockney Gin, D&J Gin, Lockney Insurance, J&K Insurance, Barker Realty, Tye Company, Consumers Fuel, Brown's Dept. Store, Lions Club, Lambert Spraying Service, Davis Lumber, Schacht's Flowers and Gifts, Lockney Meat, Johnson and Johnson Auto Parts, Clar and Judy Schacht and family, Hershel and Octavia Carthel, Dr. Gary and Brenda Mangold and girls, Cablevision of Texas, Cargill Hybrid Seeds and Donnie and Vera Jo Bybee.

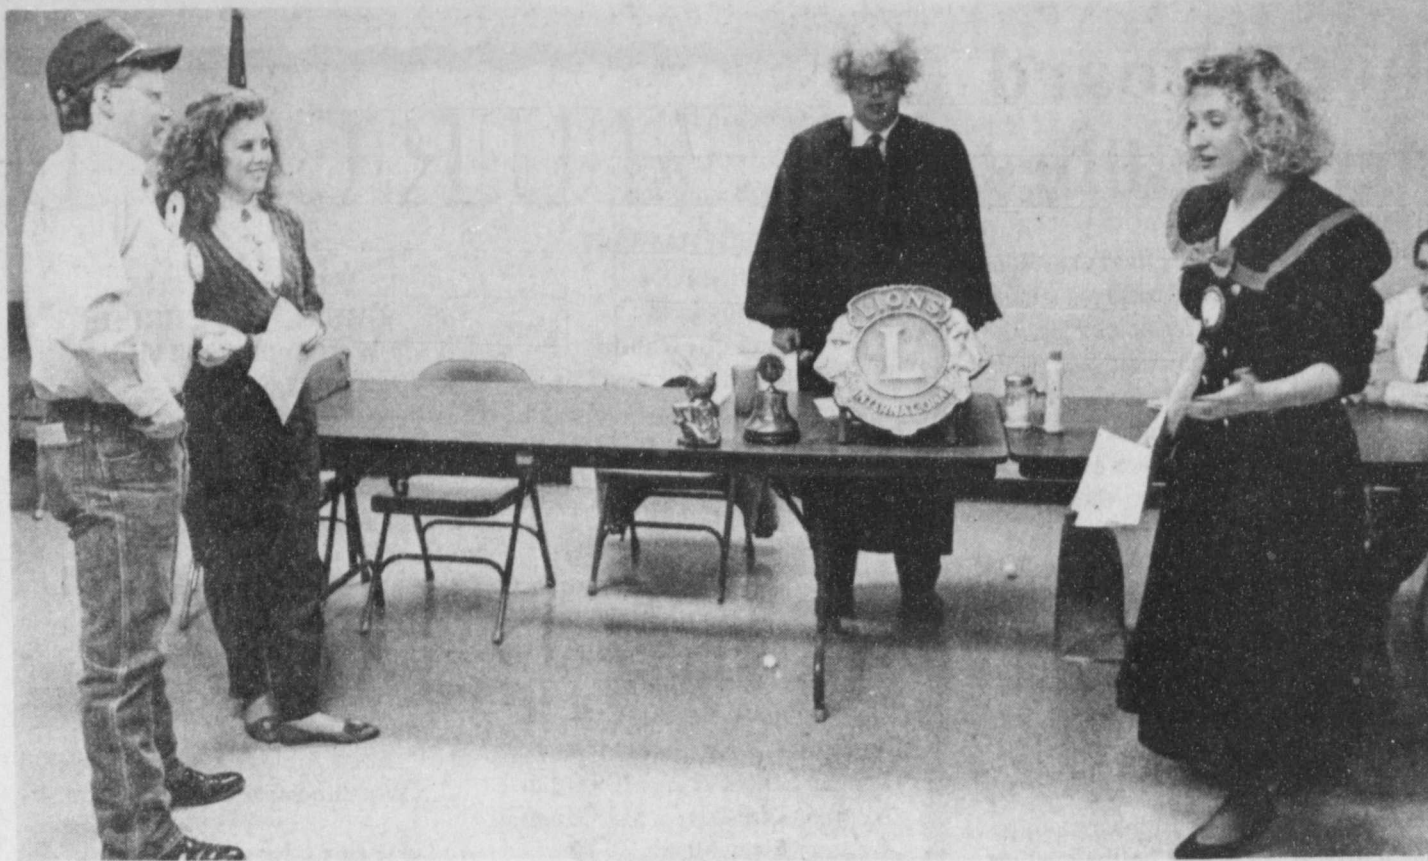

Anyone interested in "Adopting A Decoration," should send their donation to Vera Jo Bybee, Rt. 1, Box 10, Lockney. "They can also call me at 652-2357," said Bybee. "I'd be happy to come get the donation."

Courtroom Activities

In county court, November 6, Eulabio H. Estrada and Armando Navarro filed speeding appeals. There was no disposition on these cases.

November 12, Donald Eugene McCready, 51, of Matador, was charged with DWI. There was no disposition.

Also on November 12, Tony Zuniga, 20, of Lockney, was charged with DWI. There was no disposition on this case.

GUILTY AS CHARGED--Floydada Lions Club held a "Kangaroo Court", Thursday, November 7, and found Lion Bill Smith guilty on several charges. Smith had resigned his position as "Tail Twister" the week before, so he could accept a job in Midland. The Lions were "angered" by his resignation and voted him back in as Tail Twister the following week. He was then promptly "fired" from the position. Nick Long then presented Smith with a

key to nothing and warned other Lions to change their locks. Sweetheart Robin Galloway arrested Smith and brought him before Judge Thomas Montgomey Williams to face a variety of trumped up charges brought against him by Lion and Prosecutor Dena Reecer. After a guilty verdict by Williams, Lion President Johnny Summers presented Smith a "Do It Yourself" Tar and Feather kit and told him to get out of town. Staff Photo

Franco serves as Fellow in Washington

Most college students can only hope for the opportunity to work in their prospective career fields, especially when that field is in the Washington D.C. political realm. Wayland Baptist University junior, Joe Franco, had the opportunity this past summer to be a part of that realm as he participated in the 1991 Minority Leaders Fellowship Program.

The program is sponsored by The Washington Center, which is the largest independent, non-profit organization that enables students to earn college credit for internships in the nation's capitol.

Franco was one of over 200 students nominated nationwide and one of the 65 chosen as a Fellow from 29 states.

In the fall of 1990, Wayland Baptist University was extended an invitation from the fellowship program to nominate a minority student for the program. Six faculty and staff members, appointed by former president, Dr. Lanny Hall, named Franco as the Wayland nominee.

Franco received his acceptance letter in March and arrived in Washington D.C. on June fourth.

"I remember flying into Washington National Airport and feeling the butterflies in my stomach and a knot in my throat," said Franco. "Only a few years ago I was a high school dropout with little or no future in life. Now I was in the nation's capitol as an honored college student."

All of the Fellows belong to some sort of minority group — Hispanic, Afro-American, or Asian. "Being with such a diverse group of people was, in itself, a great experience," said Franco. "You have a group labeled 'Minority Leaders' and you have people with very strong ideals."

Franco was not only involved with The Washington Center, but he also served a nine-week internship with the Democratic National Committee. He worked as Special Assistant to the Chairman in Chairman Ron Brown's office.

While Brown was away from Washington, Franco took newspapers and magazines from around the country, selected and summarized important political events for Brown. Franco said this was helpful for himself because there was a lot happening that he was not aware of.

He also was responsible for answering any questions for constituents. This required him to know what was going on in both the democratic party and the republican party.

Franco represented the Chairman's office at many receptions and was able to attend a lot of events that were by invitation only on behalf of the democratic party.

In addition to his internship, Franco attended many seminars and receptions for the Fellows. He was present at some

House of Representative floor sessions and briefings at the White House. Franco attended several "brown-bag" lunches sponsored by key staff members of the Democratic National Committee. They provided a great opportunity to discuss and hear important issues concerning party politics.

He also had free-time which he spent at places like the National Zoo and King's Dominion in Virginia.

"One of the most rewarding experiences was volunteering as an English tutor at 'Casa del Pueblo,'" said Franco. "I had the pleasure of working with a 56-year-old Nicaraguan immigrant who had been a registered nurse in her native home. She seemed eager to tell me about life on the 'other side' of town. A side that seems so distant from the grandeur of the nation's capitol yet only a few blocks away. Her face showed the scars of having been through the political and economic wars here and in her native land."

"At the start of my tutoring sessions I told her that I would try to teach her what I knew but that I also expected to learn from her. She looked at me somewhat puzzled and humbly asked what she could possibly teach me. At the end of my last session, I hoped that I taught her half as much as she taught me."

Franco is a junior from Lockney majoring in political science. At age 16, Franco married and quit school. "I am a self-motivated individual with high goals. I am determined to finish my undergraduate studies, then apply to law school." He also expressed an interest in returning to Washington in the future.

Aleman completes Marine basic training

Pfc. Christopher Michael Aleman, son of Minnie Soliz and Angel Aleman and grandson of Mrs. Pete Soliz of Floydada, has completed 13 weeks of Basic Training at the Marine Corp Recruit Depot in San Diego, California.

At the completion of Basic Training, Aleman was meritoriously promoted to Private First Class, and will return to San Diego for MCT Training on November 11, 1991.

Aleman is a 1991 graduate of Floydada High School.

PFC. CHRISTOPHER MICHAEL ALEMAN

Rupe completes artillery course

Pvt. Oliver C. Rupe has completed the basic field artillery cannoneer course at Fort Sill, Oklahoma.

During the course, students were taught the duties of howitzer or gun section crewman. They also received instruction in communications, maintenance and the handling of ammunition and explosives.

He is the son of Michael Z. and Janet M. Rupe of Clovis, NM.

His wife, Serena, is the daughter of Robert and Linda Talley of Lockney.

PVT. OLIVER C. RUPE

Women and Lung Cancer By the mid 1980's, lung cancer will surpass breast cancer to become the number one cancer killer of women, reports the American Cancer Society.

JUDGES ATTEND SEMINAR -- Ninety-one Justices of the Peace attended a 20-hour seminar recently in Amarillo. Among those attending was Floyd County Justices of the Peace Lowell Bilbrey, Precincts 1 & 4 (center) and Dottie Stansell, Precincts 2 & 3 (2nd from left). The seminar was conducted by the Texas Justice Training Court headquartered at Southwest Texas State University at San Marcos and complies with the dictates of the Supreme Court Rule and the Texas Government Code regarding continuing training in areas such as new legislation, rules of evidence, advanced civil law, alternate sentencing, judicial ethics, juvenile law, truancy, family violence, forcible entry and detainer, probable cause, and financial management of court costs and fees. Others in the photo are (left) Royce Don Gann of Cottle County, (right) Cora Smallwood and J. T. Swim of Motley County. --Courtesy Photo

PUBLIC NOTICE

On April 16, 1991, GTE Corporation ("GTE") and Contel Corporation ("Contel") filed a joint petition for declaratory relief with respect to the obligations or requirements of GTE or Contel and/or any of its subsidiaries relating to the merger of GTE and Contel. GTE and Contel have requested a ruling from the Public Utility Commission of Texas that neither GTE nor Contel is required to report the merger of GTE and Contel pursuant to Section 63 of the Public Utility Regulatory Act ("PURA"), TEX. REV. CIV. STAT. ANN. art. 1446c (Vernon Supp. 1991), that no investigation of the merger by the Commission is required. In the alternative, GTE and Contel seek a determination that the merger is consistent with the public interest.

The Commission is investigating the merger between GTE and Contel Corporations to determine whether the merger is consistent with the public interest. In reaching its determination, the Commission shall take into consideration the reasonable value of the property, facilities or securities to be acquired, disposed of, merged or consolidated. If the Commission finds that the merger is not in the public interest, the Commission shall take the effect of the transaction into consideration in GTE Southwest Incorporated's and Contel of Texas, Inc.'s next ratemaking proceeding and disallow the effect of such transaction if it will unreasonably affect rates or services.

This filing has been assigned Docket No. 10212. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission. A request to intervene, participate, or for further information, should be mailed by 3 p.m., December 31, 1991, to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, TX, 78757. Further information may also be obtained by calling the Public Information Division of the Public Utility Commission at (512) 458-0256, or (512) 458-0221 teletypewriter for the deaf.

CARD OF THANKS

I would like to take this opportunity to thank everyone who helped and participated in the Style Show. I especially want to thank my co-chairman, Mary Martinez, also Vicki Norrell, Debra Graham, Julie Duke and Anne Carthel for all their help and hard work. I want to thank my sister-in-law, Tammie Shuping, my mother-in-law, Sue Chesshir, and Dana Anthony for all the baby-sitting they provided. I want to thank my husband and Karlton Noland for their help, and also my father-in-law for letting them off to help me and for letting us use their snowball lights. You are all wonderful. I most especially want to thank my husband for hanging the lights on the castle and for his never ending patience and help. I love you!

My love to all,
Christina Chesshir
11-14p

CARD OF THANKS

Trav and I cannot begin to adequately thank all of you dear people for your outpouring of love and concern. I wish it were possible to name each one beginning with those who came to my aid at school, manning the phone and radio to locate my family, pick up my things and supporting me in all ways. I can still see your kind faces and hear your voices and know that you were there. Thanks ambulance crew! You did a great job. How thankful we are to have you. Each prayer, thought, call, visit, card, flower and gift of food has been greatly appreciated. We realize God has blessed us greatly and we are rich beyond measure because of you. Thank you dear friends and precious family. Gladys Jones 11-14p
