## Pheasant Season Begins Dec. 10

WITH THE CHRISTMAS shopping season upon us, it once again gives us the chance to recommend that people do as much of their shopping as possible right here in Friona.

We have "preached" on this subject so often in this column that our readers probably would rather hear their real preacher expound on the subject of "giving" than hear it again, but here's a new twist:

We have borrowed the following editorial from our friend Wendell Tooley of the Tulia Herald. Maybe Wendell has come up with an idea yours truly has missed in the past...anyway, whatever is true for Tulia has to be just as right for Friona.

The editorial was entitled: "THE GIFT THAT SEVEN ENJOY":

How's that again?...share your Christmas dollar with seven others!

That's right, and here's how it works. A dollar spent in this community often turns over seven times.

That means this Christmas when you spend a dollar in this community, it may not only bring happiness to the person who receives your Christmas gift, but creates some happiness for possibly seven other persons or business firms in this community.

So...starting with your hometown merchant (who most certainly appreciates and merits your business) you can make a lot of people happy this Christmas.

The Star suggests you consider your hometown business firm when you Christmas shop this year.

Very often, the tendency is to bypass the local businesses in favor of out-of-town purchases with the excuse that "we can't find what we want in our town" or "we can get it cheaper somewhere else."

First, we think shoppers should make certain the local merchants don't have a particular item before they go out of town and, secondly that they carefully consider the extra cost of going out of town before they use the old excuse about getting it cheaper elsewhere.

There's a lot to be said about the convenience and ease of shopping in your hometown...avoid all the parking problems...the big crowd problems...the stress of taking something back that isn't right after Christmas.

Most important of all is the simple fact that our merchants hold our economic base together...they pay taxes that keep our schools, city, county, hospital in service to our people. They buy the advertising in school annuals, all sorts of school promotions...they support all the civic organization projects, the 4-H and FFA...they give to the United Fund. How many of the big out-of-town merchants contribute to these local organizations?

And one last shop-at-home reminder...when you spend money in the big city you just help it grow larger...while helping your hometown grow smaller.

The 1983 pheasant season will kick off next Saturday morning, December 10.

Once again, the season will be two weeks in duration, spanning three weekends. Final day of the season will be Sunday, December 25.

The bag limit will remain the same as in years past: two cocks per day and four in possession. Only the cock pheasants are legal game.

A good hunting season is anticipated. Jack Patterson, spokesman for the pheasant season, said he had seen a good number of pheasants in the Rhea community. Reports from other parts of the area have also been encouraging.

A large influx of hunters is expected for the opening weekend of the season next week.

A contest for the hunter turning in the longest tailfeather will be held sponsored by the Parmer County Game Management Association. Details on where to turn in the feather entries will be announced next week.

Texas followed the lead of its neighboring state, New Mexico, with the passage of House Bill 1421, which authorized the formation of Operation Game Thief. Concerned citizens may call a 24-hour toll-free number, 1-800-792-GAME, to report flagrant violations of Texas' wildlife and fish laws.

Since implementing its game thief

program in 1976, New Mexico has collected over \$79,000 in fines and paid almost \$40,000 in rewards.

Trespassing laws have been stiffened with HB 717 upping criminal trespassing from a Class C to a Class B misdemeanor. In addition, if the offender carries a deadly weapon, he can be charged with a Class A misdemeanor.

Notice has to be present before a person can commit criminal trespassing. Notice is given in three ways: (1) Oral or written communication by owner of property; (2) Presence of fencing to exclude intruders or contain livestock, or (3) Sign posted on property indicating entry is forbidden.

Under the Texas penal code, a Class C misdemeanor carries a maximum \$200 fine. However, trespassers convicted under the new law, under a Class B misdemeanor, will face a possible \$1,000 fine and/or 180 days in jail.

If the offender carries a deadly weapon, and most hunters do, the Class A misdemeanor can cost up to \$2,000 in fines and up to a year in jail.

No public funds will be used in the Operation Game Thief program. More than \$20,000 in donations from individuals and organizations have been received to get the program started.

SHOPPING TIME...Kriste Herring, Friona's reigning Maize Queen, took on the role of "Miss Merry Christmas" this week, for a tour of Friona stores, to see what was available for shoppers locally. Kriste found a big variety of gifts available. Check the series of "Miss Merry Christmas" advertisements inside this issue.

## Davis Wins Star Football Contest

Bobby Davis held on to edge Ron Smiley for the grand prize in the Friona Star's 1983 football contest.

Both contestants recorded scores of 18 for the final week, allowing Davis to hold his two-point lead. Final score was 187 for Davis and 185 for Smiley.

But the race went down to the wire. Of the final five (late) professional games played last Sunday, Davis and Smiley had picked two games differently.

Davis had chosen San Diego over Denver and Atlanta over Green Bay. Smiley took the reverse picks.

If you watched the game on TV, you know that Atlanta won its game with a pair of electrifying interceptions to down the Packers, and this handed Davis the title, avoiding a tie for the top spot. Davis, who said this was his first year to stay in the contest throughout, was awarded the cash prize of \$100, and title of local football expert for 1983.

The other leading contestants had gone for upsets to attempt to catch up, and instead fell further back. Kevin Beavers finished third, eight points off the pace at 179.

In the final weekly contest, Martha Clements won with a score of 20.

(Note: The Air Force-San Diego

State game, which was moved from its original date for TV purposes, was counted right on each entry blank. The game will be played this Saturday night.)

Mrs. Clements missed only the Littlefield-Ballinger and San Francisco-Chicago games. She was awarded the weekly cash prize of \$100. Martha's score of 20 was the highest winning score of the season.

Two contestants correctly picked 19 games, and they claimed second and third prizes.

Kenneth McLellan won second place by out-guessing Eddie Gauna on the L.A. Raiders-N.Y. Giants tie-breaker score. McLellan missed the actual score by just two points, picking the Raiders, 27-10. Gauna was only nine points away, picking the Raiders to win 34-10. The score was 27-12.

Davis, Smiley and Jim Pope were the only contestants to correctly pick 18 games for the week.

## Donations Sought For Children

Donations are being solicited for the Golden Spread Foster Parents' Assn. (Castro, Deaf Smith, Parmer and Oldham counties) for a special Christmas fund.

The Foster Parents Assn. is making preparations for a special Christmas for the foster children who are being cared for in the counties named.

Any individual or group wishing to sponsor a child or help in any way may contact the Christmas chairperson, Rita Burgess, at 137 Ave. B, Hereford, Tx. 79045, or call her at 364-6766.

Otherwise, they may contact Parmer County's chairperson, Judy Cross, at Route 3, Box 3-A, Friona, Tx., 79035, or call her at 247-2302.

Donations may also be made at the Hereford State Bank, to the Golden Spread Foster Parents Christmas Fund, Box 272, Hereford, Texas, 79045. The deadline for donations is December 9.

The money donated will be used to buy gifts of toys and clothing for the foster children in the four-county area.

## Nine Chiefs All-District

Nine members of the Friona Chieftain football team were named to the all-district teams announced this week by District 2-AAA coaches.

The Chieftains landed three spots on the first team offense, two on first team defense and two each on the second teams all-district. In addition, seven other Chieftains gained "honorable mention" status, which meant they received at least two votes in the all-district selection process.

Charlie Morgan made it two years in a row, and was a unanimous choice to the first team offense. Other FHS players on that 11-man team were wide receiver Eloy Caballero and lineman Tim Kirk.

Morgan joined Littlefield's stellar junior runningback Steve Green, also a unanimous choice, and Muleshoe's Trent Hysinger in the District 2-AAA "dream backfield."

Caballero was also named to the first team defense at a safety position, along with linebacker Reese Fleming. Caballero should have been the leading pass interceptor in the district, with 11 for the season and at least one in each district game.

Reese Fleming, who had the leading average for his team in "yards per carry," was named to the second team offense, and teammate Mitch Reeve landed a spot on the unit as a lineman.

John Aguirre, who like Caballero

had some touchdown-saving plays during the season, was named to the second team defense at a cornerback spot and Kirk was once again tabbed at a lineman position.

District and area champion Littlefield led the all-district selections with 18 spots on the four teams; runnerup Muleshoe had 13 spots; Dimmitt eight; Abernathy seven and Tulia four.

Given honorable mention status

for the all-district voting from Friona were linemen Harvey Lafuente, Jose Sammarron and Troy Crutchfield; runningback Alfredo Mata, cornerback Rudy Bermea, linebacker Shayne Woodard and kicker-linebacker Doug Carthel.

Coach Tommy Moss said that considering the abundance of talent on the district teams this year, he felt that Friona came out fairly well on the all-district selections.

TOP WINNER...Kriste Herring, during her stint as "Miss Merry Christmas" this week took time to present Bobby Davis with the grand prize check of \$100 in the Friona Star's annual football contest.

## Chamber To Sponsor Tues. Event

The Women's Division of the Chamber of Commerce will sponsor a Community Christmas service Tuesday, December 6, beginning promptly at 6:30 p.m. at the City Park on Main Street.

With the help of Santa Claus, a 25-foot Christmas tree will be lighted and the public will get to enjoy the music of the handbell choir from First Baptist Church, under the direction of Geary Brogden, and Christmas caroling by the Friona Community Choir, under the direction of Eva Miller.

There will also be selections by Friona's Maize Queen, Kriste Herring. Residents are urged to make plans to attend the event, join in the fun, and get into the Christmas spirit.

A rehearsal for those interested in singing with the Community Choir has been called for Sunday afternoon, December 3, at 3 p.m. at the First Baptist Church.

WEEK'S WINNER...Martha Clements was the winner in the final week of the Friona Star football contest. She is being presented her winning check by Bill Loafman of Parmer County Implement Company, one of the contest sponsors.

## Pictures, Santa Set Saturday

Santa Claus will make his first official visit of the season to Friona on Saturday, December 3, from 10 a.m. until 4 p.m. at the Chamber of Commerce Office, 621 Main Street.

At this time, mothers can have their children's pictures made with Santa. The cost will be \$3.00 for one picture or two pictures for \$5.00. The photos will be 5x3 1/2 inches, and will be in color.

Money raised from the project will go to support the Community Christmas Service. The Women's Division of the Chamber of Commerce is sponsoring the appearance of Santa Claus Saturday.

Hey, kids--it's time to get your letters to Santa Claus in to the Friona Star, in order that they may be included in the Star's Christmas edition.

All letters sent to Santa in care of the local post office also will appear in the Star. For your convenience, the Star's "Santa Mailbox" will be left in front of the office.

**Troy Bass  
Is Given  
Cash Award**

Troy W. Bass, city letter carrier at the Friona Post Office for the past three and one-half years, was honored Wednesday with a cash award of \$250.00.

A check was presented to Bass in a short ceremony, by Postmaster W.W. Wells. Bass is the carrier on City Route Two, which covers the eastern section of Friona.

Postmaster Wells said that Bass had earned the award from a number of standpoints.

"He has not had a vehicle accident nor personal injury since becoming employed by the Postal Service in April of 1980. He performs his duties in a professional manner, yet takes time to help those who are less fortunate than he," Wells said.

The postmaster said that Bass makes an extra effort to deliver mail which either has a wrong address or no address at all, or maybe a name like "Grandma," or "Grandpa."

"He never shirks his duty, and is always doing more than what is required of him. He is well-liked by employees and customers alike. Troy Bass is the kind of employee every postmaster would like to have in his employment," Wells concluded.

The Parmer County Soil and Water Conservation District is sponsoring a poster and essay contest again this year.

These are to be on a half size poster. They can be on any phase of Resource Conservation. Put your name, address, grade, school, and teacher's name on the back of the poster.

Turn your poster in to your teacher or school principal by December 20, 1983. You may also bring them by our office at 1306 West Ninth in Friona.

They will be judged in two categories: kindergarten through second grade and third through sixth grade. The first, second and third place winners of each school will receive a ribbon. These winners will be judged county-wide. The first, second and third place winners of the county will receive a trophy. The first place in the county will be entered in regional competition in Temple, Texas.

This is an open contest to all boys and girls from grades kindergarten through sixth. This does not jeopardize Texas Interscholastic League eligibility.

## Charles Hughes Is Named To FI Board

Friona Industries, Inc. reported net earnings of \$688,000, or 30 cents per share, on sales of \$66 million for the first quarter of its 1984 fiscal year.

This compared with net earnings of \$1.2 million, or 58 cents per share, on sales of \$62 million for the same quarter ended September 30, 1982.

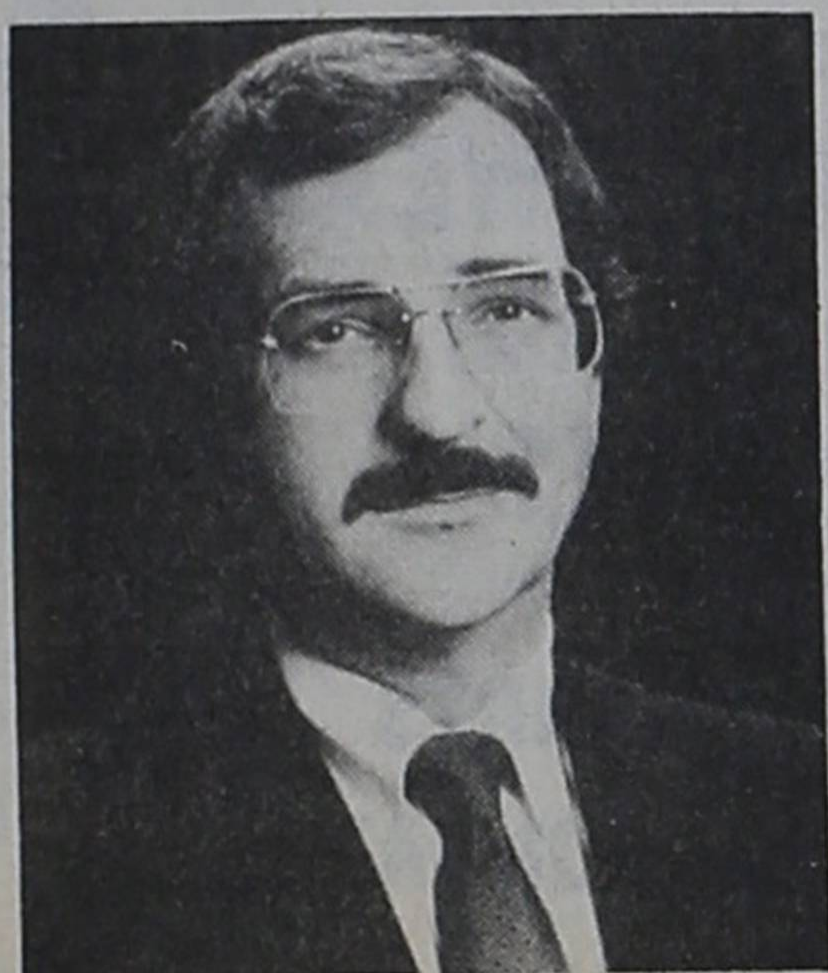

"The Meat Processing and Distribution, Commercial Feeds and Custom Feeding segments all showed substantial increases in operating profits," said Ron Davenport, board chairman, president and chief executive officer.

Even though average occupancy in the Company's four feedyards was below the level of the first quarter of the previous year, Custom Feeding operating profits were higher. This was attributable to favorable profit margins.

At the Company's annual meeting of shareholders held in Friona Wednesday, Charles H. Hughes was elected to the board of directors.

Directors declared a quarterly cash dividend of 12 1/2 cents per share on the common stock. The dividend is payable February 1, 1984, to shareholders of record as of January 13, 1984.

Also elected officers of the Company were Jack Hamil, vice president; Jim Small, treasurer; and Ronny Hargis, controller. Hamil, who has been with the company for 14 years, is manager of Hi-Pro Feed Operations. Small, who has been with the Company for four years, has extensive experience in grain and

feedyard financial management. He is a graduate of Texas Tech University. Hargis, who joined the Company earlier this year, was formerly with a public accounting firm in Amarillo. He is a Certified Public Accountant and a graduate of the University of Texas at Austin.

Hughes was named financial vice president and treasurer of the Company in 1979 and secretary in 1981. Prior to joining Friona Industries, Hughes was vice president and treasurer of Western Beef, Inc., in Amarillo, Texas, where he served in management positions for about ten years. A Certified Public Accountant, Hughes holds a BBA degree in accounting and an MBA degree in finance from West Texas State University.

The Company's common stock is traded on the American Stock Exchange under the symbol FI.

# Chieftain Cagers Have New Look For 1983

The Friona Chieftains have a new look as they start the 1983-84 season. Not only does the team have a number of new faces in the lineup, but it also has a new one at the sidelines, where Oscar Bronniman is the new coach.

Coach Bronniman welcomed three starters back from the team which made a late-season run at a possible playoff spot a year ago, but the main concern is lack of height.

Back are guards Charlie Veazey and Charlie Morgan, giving the team's outside game good shape. Also back is Robert Escalante, at 6-2 the team's tallest member.

Joining this trio from the JV team a year ago are Ricky Barnett, Eloy Caballero, Kevin Brogden, Johnny McLellan, Guy Wilkins, John Aguirre and Bill Caudill. Of this group, Caballero, Brogden and McLellan are seniors, the rest are juniors.

Bronniman will be hoping to use the team's quickness to make up for its loss of height. As usual, the team is competing in one of the toughest class AAA districts in the state.

Dimmitt went all the way to the state title this year, but is expected to take a back seat to Abernathy in pre-season rankings. The Antelopes, who

will drop back to AA after this season, are loaded with talent.

In early games, the Chiefs dropped their season opener to River Road, there, 77-44. Veazey's 17 points and Barnett's 10 led the team in scoring. The Wildcats broke out to an early lead and were in command all the way.

The team bounced back on Saturday, November 26 with a thrilling win over Boys Ranch, 63-62 at home. Veazey scored 23 points, Barnett and Escalante ten each to pace the Chieftains.

Friona led it 31-24 at halftime, but Boys Ranch caught up, and the final quarter was a scoring derby, with the Chiefs winning out by the slimmest of margins.

The team made their record 2-1 with a 74-42 win over Vega in a home game. Veazey again paced the point-makers with 16, and Aguirre added 12.

## Friona Hosts Tournament

Friona will host its annual basketball tournament next weekend, December 8-9-10, with eight teams playing in both the boys and girls divisions.

Thursday's schedule looks like this:

**GIRLS**  
Melrose vs Mulehoe, 9:30 a.m.; Vega vs Friona JV, 3:30 p.m.; Happy vs Farwell, 12:30 p.m. and Lazbuddie vs Friona, 6:30 p.m.

**BOYS**  
Melrose vs Muleshoe, 11 a.m.; Nazareth vs Vega, 5 p.m.; Happy vs Farwell, 2 p.m., and Lazbuddie vs Friona, 8 p.m.

Friona teams will meet the winners or losers of the Happy-Farwell games on Friday. Trophies will be awarded to champions, runners-up, third place and consolation in each division.

The varsity teams were competing in the Vega tournament this weekend.

The Squaws were to meet Vega's girls in the winner's bracket Friday night at 6:30. The Chiefs, losers to Boys Ranch in the first round, also meet the host Vega Longhorns in consolation play Friday.

Other teams in the tournament are Bovina, Channing, Adrian and Panhandle.

## Squaws Return Three Starters To Court

Friona High School's Squaws return three starters as they begin their new season, giving the team a good edge in experience.

The Squaws, who were 14-12 for the season and fourth in district at 4-6 are looking to improve their marks in 1983-84.

Back are senior guards Diane Johnston and Kristi Britting. Senior post girl Wennecker Jackson, 5-8, also returns.

Joining this trio on the squad are Sharon Frye, Francis Saiz, Amanda Perez, Debbie Reeve, Julie Wilshire, Teresa Wilcox, Nikki Osborn, Sarita Ellis, Sheila Gresham, Diana Cruz, Patsy Aragon and Gayla Stowers.

In games so far, the Squaws pulled out a one-point win at Amarillo River Road, 49-48 in an overtime thriller.

Miss Perez scored 22 points, including six timely baskets in the fourth quarter to help bring the team

from a 36-30 deficit and force the overtime. Miss Jackson scored a pair of timely baskets in the OT.

The Squaws returned home to suffer a loss that was just the reverse of the win, 45-44 to Vega on Tuesday.

Friona again played catch-up, but failed by one point to overtake the visiting Vegans. Misses Jackson and Johnston tied with 14 points to pace Friona's scoring.

# Dennis Anthony On GSPA Board

In its regular bi-monthly meeting in Amarillo on November 9, Texas Grain Sorghum Producers Board installed four new directors. They will serve six-year terms on the board which administers the programs of the sorghum check off established in the Texas High Plains by a referendum of sorghum producers in 1969. Directors are elected by the producers who are affected by the sorghum check off.

New directors are: George Reeves of Dalhart, Jack Cobb of Plains, Delbert Watson of Muleshoe and Weldon Shelton of Lamesa.

Following the installation of new directors, the board elected officers. Albert Scheele of Lockney is the board's new chairman. Scheele previously served as vice chairman. The new vice chairman is Jim Dowty of Dumas. Dennis Anthony of Friona was elected secretary-treasurer. These officers were elected to two year terms. Other members of the twelve-man board are: Jack Crowl of Morse, Bob Gillispie of Gruver, Loyall Turner of Spearman, Ralph Mabry of Lubbock and K.B. Parish of Springlake.

Texas Grain Sorghum Producers Board (TGSPB) conducts and directs grain sorghum promotion through market development, research and education. Its greatest efforts are directed toward establishing and improving markets for Texas sorghum. The work is financed by a refundable assessment of five cents per ton of sorghum deducted at the time of first sale.

Commodity checkoff programs are vital to establishing and maintaining world markets for U.S. feed grains. They provide funding for U.S. Feed Grains Council, a non-profit corporation which expands export markets for U.S. feed grains through a network of fourteen offices with programs in 50 countries of Latin America, Europe, the Middle East, Africa and Asia.

Council activities promote the sale of and demand for U.S. feed grains through technical information and assistance programs. Farmers in the United States depend upon the Council to promote the sale of corn and grain sorghum in world markets. This work is financed jointly by producers and agri-business with two-thirds of the funding from producer checkoff programs.

There are statewide sorghum checkoff programs in Kansas and Nebraska. Corn producers have established statewide checkoffs in Kansas, Nebraska, Iowa, Illinois, Wisconsin, Virginia and North Carolina.

It seems that just about everyone in the area went somewhere to visit friends or kinfolks or had company during the Thanksgiving holidays. This is always such a fun time of year and it's good when everyone--whether coming or going--gets home without any accidents.

Then, as soon as Thanksgiving is over, we begin looking forward to the upcoming Christmas season. Some of our local merchants and residents have already decorated for the season. Noticed Monday that the City of Bovina--our nearest neighbors to the southwest--has street decorations up and they're beautiful.

Ethlie and Johnny Hand and two of their grandchildren, Ashlee and Dustee Gee, drove down to Fort Worth and spent a few days visiting in the home of Mr. and Mrs. Kirby Williams and daughters, Keli Jon and Heidi.

Mrs. Williams is the former Jonnie Hand.

A few days before Thanksgiving Myrl Buske drove to Lubbock, where she was joined by Katherine Styles, for a trip to Abilene. These two ladies, mothers of Rick and Deann Buske Styles, enjoyed a few days together--sewing and cooking--before the Styles family were free from jobs and school activities.

Scott Mullen of Houston was a special guest in the Styles home Thanksgiving Day. Others present were the hosts, their three children, Mike, Sheri and Scott, and their mothers.

John and Louise Hays arrived home Tuesday evening after an extended visit in Mississippi and other southern states. They had been gone since a few days before Thanksgiving.

Guests in the home of Bill and Audine Wells during the holidays were Charles and Renea Wells and daughter, Heather, of Amarillo; Lynn and Jane Wells of New York City; and Vera Fanning, mother of Jane Wells, who also lives in Amarillo.

Bill and Audine also spent three days in Amarillo visiting with their

sons, daughter-in-laws and granddaughter before the New York part of the family departed by plane for their return trip.

On Thanksgiving Day the Wells families were guests in the home of Harley and Linda Daniel in Hereford. There were twenty-eight other family members there, so the day was a family reunion of sorts. Mrs. Daniel is Audine's niece.

Frank and Carmaleet Truitt and Ray and Wanda White returned home Sunday from Houston, where they had been visiting in the home of their children, Larry Frank and Shirley White Truitt.

The Truitts drove down sometime the previous week for an extended visit and were joined by the Whites, who flew down, for Thanksgiving. Then the two couples drove home.

An assortment of children and grandchildren were at Roy and Eva Miller's for a sumptuous Thanksgiving dinner. Jan and Mara Miller came from Los Alamos, New Mexico; and Clyde, Linda, Evelyn, David and Dusty Times drove down from Sunday.

Mary Lou Glass and three of her children, Jamie, Teri and John, of McLean were accompanied to Friona by another daughter, Maridale Miller, who lives at San Angelo.

Also present were Sam and Donna Mears, who live here, and Randy and Sarah Gerles and Clint Mears, who live in Canyon.

Afternoon visitors were Nelda Miller, Curt and Cathi Miller of Friona; Kent, Amanda, Lanette, Emile and Ross Miller of Duncan, Oklahoma; and Dana Miller of Lubbock.

Clifton and Charlene Harper went to Jane, Missouri where they spent the holidays visiting her parents, Mr. and Mrs. Lowery Walker. Mrs. Walker had been injured in an automobile accident earlier and was making satisfactory recovery.

Calvin Ivie of Irving, Texas, was here early this week for a visit with his father, Rosco Ivie, and to attend funeral services for Otey Hinds, a

long time resident of the Black Community.

Thanksgiving Day dinner guests in the home of Mr. and Mrs. James Procter were Mr. and Mrs. Jim Peterson of Lamesa; Ron and Libby Procter, Jeff and Jenny, Dewayne and Cheryl Procter, Daran, Wade and Ted, Charlotte and Barry Procter, all of Friona.

Mr. and Mrs. Kent Miller and children, Lanette, Emile and Ross of Duncan, Oklahoma, and Dana Miller of Lubbock were weekend guests in the home of Nelda Miller.

Other Thanksgiving Day dinner guests in the Miller home were Curt and Cathi Miller, Mildred May and Amy Mason.

Incidentally Amy, who has lived in Friona many years, is moving to Duncan, where she has purchased a home and gone to work.

Mr. and Mrs. Gene Johnson of Garden Grove, California, spent a week visiting in the home of his mother, Carol Hardesty. Other Thanksgiving Day dinner guests were Waltie Mayes, Amarillo and Jana Emerson and daughters, Cheryl and Kenna.

Mr. and Mrs. Odell Holley had a busy holiday season. They spent a few days visiting in the home of Mr. and Mrs. Ed Barton and children, Berkett and Bryan, who live in Amarillo.

On Thanksgiving Day they were accompanied to Channing by Mrs. Barton and children for a visit in the home of Mr. and Mrs. Roy Foster. Mrs. Foster is Holley's sister.

Other guests in the Foster home were Mr. and Mrs. Roger Weatherford and children, Dumas; Mr. and Mrs. Mike Foster and children, Chad and Sara, and Roy Don Foster, all of Amarillo.

Upon their return home the couple was accompanied by their granddaughter, Berkett, who spent several days. Ellis Grant, a former co-worker of Mr. Holley in Amarillo, was a Wednesday guest in their home.

Patty Corbell had a very special

reason for making a pre-Thanksgiving trip to Fort Smith, Arkansas. Her first grandchild arrived there Monday, November 14. He weighed seven pounds, six ounces and was named Sean Daniel. His parents are Trey and Paula Kaiser.

Then, a couple of days before Thanksgiving, Patty's husband, Hack, and daughter, Bianca, drove down and the three returned home together.

Roscoe and Lavern Parr attended funeral services in Big Spring Monday for her brother-in-law, Buford Wells.

Wells died at his home in Big Spring on Friday. He is survived by his wife, Opal Wimberly Wells.

## Bev Lindeman Is Injured

Bev Lindeman of Oakley, Kansas was seriously injured last Friday when he fell from a three-wheeler he was riding.

Bev, eight-year-old son of Mr. and Mrs. Rusty Lindeman, suffered a fractured skull in the accident. He was taken to St. Joseph's Hospital in Denver where he remains a patient. His grandmother in Friona, Clara Looper, reported that the boy's condition is good.

## Outstanding Four-H Members Honored

Randy Davis and Geretta Hutchins  
Parmer County Gold Star Boy and Girl

Thirty-nine outstanding members of 4-H Clubs across the South Plains were honored in Lubbock Monday night, November 21.

In addition to receiving the Gold Star Award, highest honor presented at the county level, the youths were urged by State Senator Bill Sarpalius to dream dreams of achievement and then set about making those dreams reality.

Joining the youths at the awards banquet in the cafeteria at Coronado High School, were parents, government officials, Extension leaders, fellow 4-H'ers, educators and other community leaders.

### Wied Gives Study Club Program

Modern Study Club met Tuesday, November 15 at the Women's Club House.

Johnnie Walters entertained the group with piano selections.

Bobby Wied presented the program. He explained how to view and create art with a demonstration on water color painting.

Faye Reeve and Mary Pryor, hostesses, served refreshments to eleven members and one guest, Nancy Edelman.

Honored from Parmer County were Geretta Hutchins, daughter of Lee and Gloria Hutchins of Farwell and Randy Davis, son of R.C. and Verna Davis of Oklahoma Lane.

"We live in a great country. We have more to be thankful for than anyone else in the world. Yet we take so much for granted," Sarpalius said.

The state senator said he was concerned about the decline in American family life as evidenced by an increasing divorce rate, our lack of support for our churches, an increasing crime rate and other problems. But he said we are fortunate to have organizations such as 4-H Clubs, celebrating their 75th anniversary this year, to give youngsters the opportunity to learn by doing and develop leadership skills.

He told of hearing former President Lyndon B. Johnson tell a group of youths visiting Washington to dream dreams and then make those dreams come true. "I realized that was the purpose of America," Sarpalius said, to provide a place

where that can happen.

Master of ceremonies was Dr. Kary Mathis, chairman of the department of agricultural economics at Texas Tech University. Guests were welcomed by James Hull, General Manager of the Deaf Smith Electric Cooperative, one of the twelve electric cooperatives which have sponsored the banquet for the past 26 years. The others are Bailey County, Caprock, Dickens, Lamb, Lea, Lighthouse, Lone Wolf, Lyntegar, Midwest, South Plains and Swisher cooperatives.

The awards presentations were narrated by Earl Broseh of Lockney, chairman of the district 4-H council, and Chris Caddel of Lubbock, council vice chairman. The awards were presented by Dr. Catherine Crawford and Billy C. Gunter, district Extension directors.

Dinner music was provided by Kenley Powell, Yoakum County 4-H'er. Also on the program were 4-H members Bryan Shaw of Gaines County, Sharla Blay of Terry County and Kayla Gentry of Dawson

County.

4-H is the youth development program of the Texas Agricultural Extension Service, an educational arm of the Texas A&M University System.

### Kenneth Walter Stationed In Mediterranean

Navy Machinist's Mate Fireman Kenneth M. Walter, son of Betty M. Walter of Friona, recently departed on a deployment to the Mediterranean.

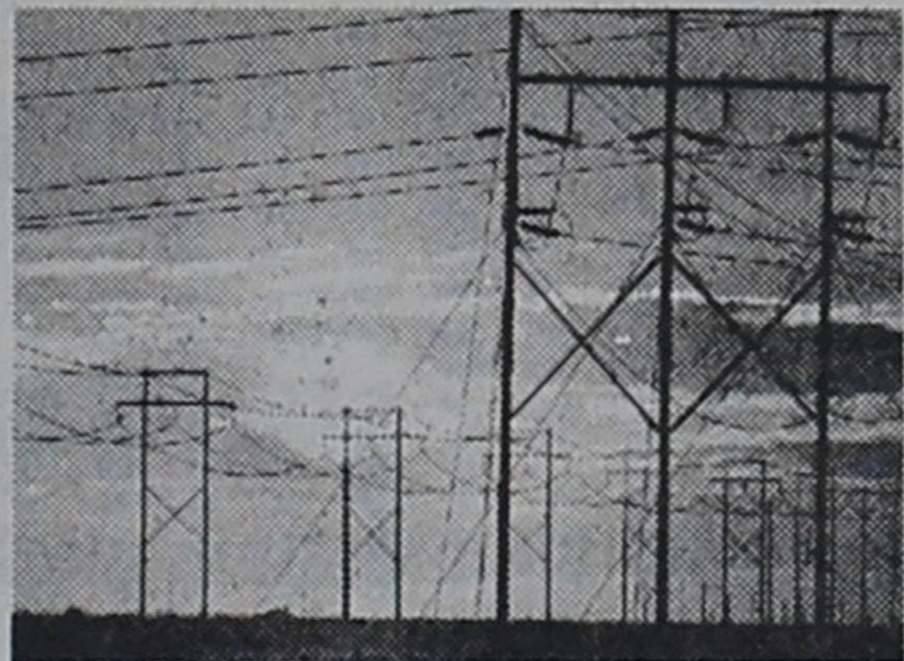

He was a crew member aboard the frigate USS W.S. Sims, homeported in Mayport, Florida.

During the deployment, his ship will participate in training exercises with the Sixth Fleet units and those of allied nations.

Port calls will be made to several Mediterranean ports. The W.S. Sims is 438 feet long and carries a crew of 245.

These guys need food for energy.

We need fuel to make electricity.

A lot of people use electricity and don't know where it comes from. It takes fuel to make electricity. Just like we need food for energy.

Once upon a time, fuel choice was simple for Southwestern Public Service Company because our service area includes some of the largest natural gas fields in the country.

Now, over half of your electricity is produced from coal. Coal is abundant, and electricity produced from coal costs much less than electricity produced from natural gas.

Doing everything we can to keep costs down is another way we're

Raw electricity.

SPS uses natural gas and coal to make electricity.

## ---Library Corner---

By DARLA BRACKEN

November brought 651 patrons to the library and 1282 items were loaned. We registered 23 new readers, 1,053 viewed library films or programs and 44 children attended Story Hour in three sessions. Volunteers were Janet Bureson, Karene Bass, Lynda Grimsley, John Southall and Louise Widner.

On November 7, the Friends of the Library officers and the Library Board members hosted a get-acquainted dessert supper at the library for the mayor and city council members. Those attending were Mayor Clarence Monroe and his wife Peggy, Carl White and Jon Mack Roden, city councilmen, and Beelee Goodwin, city manager. Others attending were Gretta Warren, Becky Riethmayer, Camille Beville, Judy Herring, Kathryn Goddard, Letha Cunningham, Cindy King, Billie Fairchild, Mary Rose Brito, Nancy Edelman and Darla Bracken.

The Friends booth at the November Bazaar held November 18 and 19 brought in lots of our dues for the year. We now have a membership of two students, 26 individuals, 28 family, 19 sustaining, two organizations, and 17 life. If you're interested in joining and have not done so, it's not too late. Dues are per year: \$5.00 for students; \$1.00 individual; \$5.00 family; \$10.00 sustaining; \$25.00 organizations; and \$100.00 life (payable at the library anytime). The Friends group is mainly a supportive organization with only one meeting per year in June, and the dues money is spent on different library needs. Current goals are: new card catalog and copying machine. Thanks to these Friends members who worked the booth: Donna Mears, Lunell Horton, Doris Barnett, Helen Bailey, Camille Beville, Nancy Edelman, Betty Talley and Darla Bracken; and congratulations to Ralph Shirley, the winner of our raffle.

We were the recipients of an early Christmas gift this week--Carol Ellis donated a copy of the "Ellis Heritage Cookbook" to the library. As many of you know Carol is a family history buff and this is an outgrowth of that hobby. The tasty recipes have been collected from various members of Bill's family and are as varied and interesting as are the different family members. All types are included from breads to desserts and each section is

illustrated with Carol's drawings of old quilt patterns. Also included are different kitchen helps and hints (i.e. substitutes, pan sizes, recipes for multiples, etc.) In fact it is simply chocked full of good food, good ideas and good memories. We've all experienced memories through a treasured family recipe and the "Ellis Heritage Cookbook" shares their memories with us. The genealogy quotes scattered throughout are an interesting touch, also.

Our new large print book packets, the Spanish language book packets, and the cassette tape packets are all just in from Amarillo and are available for check-out.

Magazine donations have been made by Lunell Horton.

Book donations were made by Anita Guest and Carol Ellis.

Memorial donations have been made by:

Hollis Hortons, Lucille Rocky and Dee Willards to Truitt Boothe.

Cass and Marie Perkins and Darla Bracken to Pauline Lampkin.

New on the bookshelf are:

Fiction--Changes by Danielle Steel;

Doctors At Risk by Frank Slaughter;

Blood and Orchids by Katkov.

Non-fiction--Exercises for the Elderly; Astronomy Handbook by Muirden; A Year In The Beeyard by Morse; Beginners Guide To Photography by Laycock; Bruce Tegner's Book of Self-Defense.

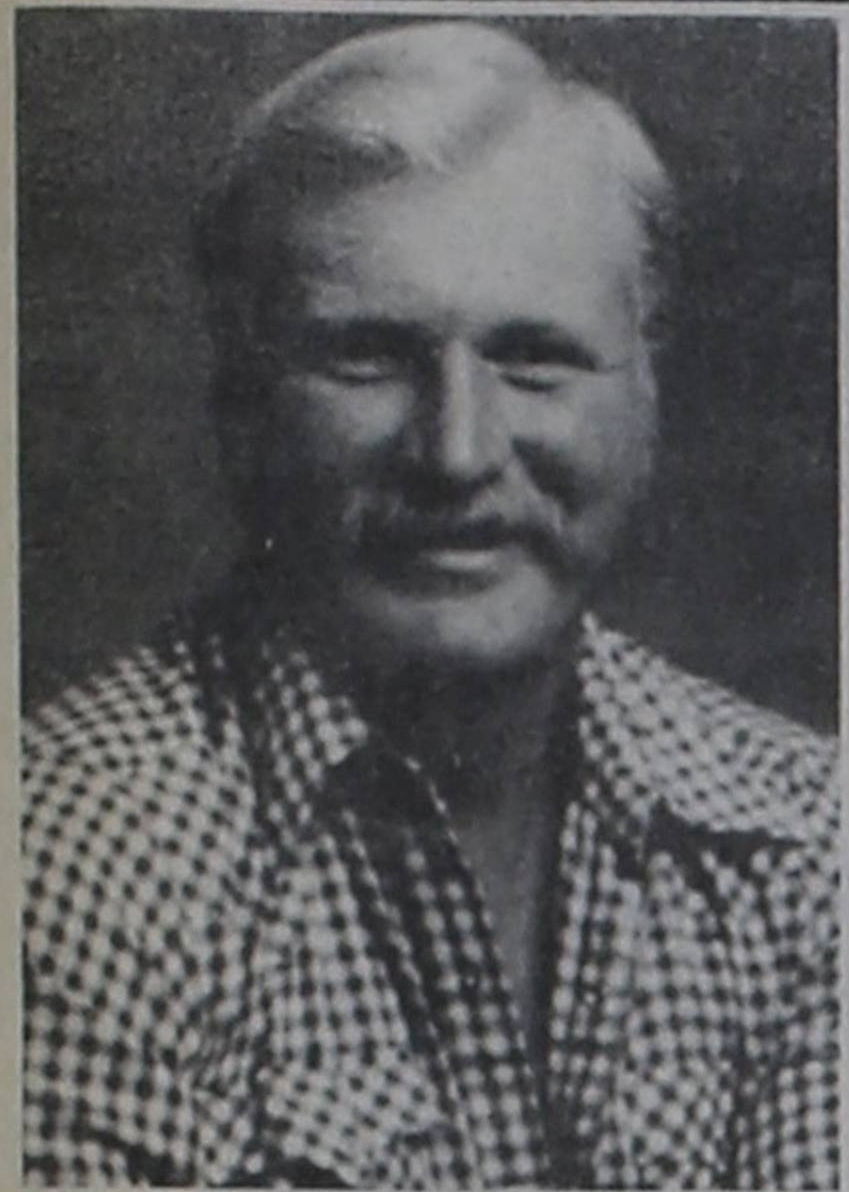

Biography--Marriage Made In Heaven (story of Ruth and Billy Graham).
