Garcia bestowed 1992 Miss Floydada crown

After one final walk by the former Miss Floydada Robin Galloway, a new representative for the city, Annett Garcia, was crowned during Saturday night's pageant.

The new Miss Floydada, Annett Garcia, is the 16 year old daughter of Mr. and Mrs. Balentine Riojas. Annett also received the Best Interview award from the panel of judges, and was voted Miss Congeniality.

Annett is a varsity cheerleader and is on the spirit and leadership committee.

As Miss Floydada, Annett will receive a prize package consisting of a hairstyle by Jeanine's, Nails by Debbie, stationary from Script Printing, a \$50 Savings Bonds and a \$300.00 scholarship.

Also receiving crowns during the gala event were: Kelli Bertrand, as Miss Junior Miss and Glamour Girl; Kember Everett as Miss Little Miss, Best Interview and Glamour Girl; and Marla Reeves as Miss Tiny Miss and Glamour Girl.

Kelli Bertrand is the 12 year old daughter of Glen and Debbie Bertrand. Kember Everett is the 9 year old daughter of Rob and LeShay Everett. Marla Reeves is the four year old daughter of

Mike and Stacy Reeves. These winners were also recipients of \$50.00 Savings Bonds.

The First National Bank of Floydada

donated two \$50.00 Savings Bonds and the First National Bank of Lockney, Floydada Branch, also donated two \$50.00 Savings Bonds.

RUNNERS-UP

Placing as runners-up in the Miss Floydada division were: Amber Poole, 1st runner-up; Spring Lipham, 2nd runner-up; Danika Dudley, 3rd runner-up; and Amber Womack, 4th runner-up and Glamour Girl.

Runners-up in the Junior Miss division were: Meredith Schacht, 1st runner-up and Best Interview; Misti Cochran and Amber Arney tied for 2nd

runner-up; and 4th runner-up went to Zan Daniels.

Little Miss runners-up were: Tasha Clemmons, 1st runner-up; Crystal Riojas, 2nd runner-up; Jackie Lucio and Bambi Cochran tied for 3rd runner-up.

Tiny Miss runners-up were: Molly Long, 1st runner-up and Best Interview; Maggie Vick, 2nd runner-up; Stacey Griggs and Katy Gooch tied for 3rd runner-up.

Tiny Miss participants were: Cynthia Martinez, Valerie Riojas, Jenny Hernandez, Britnee Brotherton, Becky Warren and Jenifer Dudley.

ENTERTAINMENT

Entertainment for the evening came in the form of a variety of dance routines and solos sung by local Floyd County youth.

The evening opened up with a 50's dance number featuring the reigning Miss Floydada queens, Meghan Graham, Shonda Smith, Heather Arney and Robin Galloway. There was also a surprise appearance by the Miss Pumpkin Pie Queen Becky Emert. Ms. Emert made a humorous stroll down the runway delighting the full auditorium.

Shonda Smith and Meghan Graham each entertained with a dance routine and Ruth Vasquez and Allison Mangold

1992 MISS FLOYDADA
ANNETT GARCIA

Brag pages deadline Feb. 6

It's time once again for parents and grandparents to take their precious pictures out of their hallowed frames and put those pictures in the "Grandparents Brag Pages," in the Floyd County Hesperian-Beacon, February 13.

Deadline for submitting your "brag" pictures is, February 6, at 5:00 p.m. at the Lockney office and the Floydada office. The cost per photo is \$10.00.

Any size picture is fine and color pictures are acceptable. Pictures reproduce better if they are sharp and have good contrast. Forms are available in the Lockney and Floydada offices, that contain all the information we will need to include with your child's photo.

Don't be outdone by some other grandparent. Show everyone how proud you are of the "joy of your life." Get your photo in by February 6.

PARTICIPANTS

Also participating in the pageant in the Miss Floydada division were: Rhonda Garcia, Peppre Selman, Lyndi Probasco, Amber Poole, Jodee Breed, Amanda Garcia and Mandy Ogden.

Cassy Fawver also participated in the Junior Miss Division.

Other participants in the Little Miss Division were: Holly Wiles, Sonia Delgado, Kayla Stovall and Lindsey Whitten.

1992 QUEENS—Also crowned Queens during the 1992 Miss Floydada Pageant were: (l-r) Kelli Bertrand, Junior Miss Floydada and Glamour Girl; Marla Reeves, Tiny Miss and Glamour Girl; Kember Everett as Little Miss, Best Interview and Glamour Girl. — Staff Photo

Cook receives top award at annual Floyd County Livestock Show banquet

Chad Cook, son of Richard and Edith Cook of Lockney, was presented with the prestigious Sweepstakes Award, Thursday night, January 30, during the annual Floyd County Livestock Show Banquet.

The Sweepstakes honor is based on all around involvement in the stock show over several years. Cook was recognized for his work in areas of sportsmanship, attention to his animals, showmanship, and his dealings with other participants.

With his traveling Sweepstakes trophy, Cook also received a plaque and \$100.00 from the Dusty Burleson Memorial Scholarship.

Fifteen year old Cassidy Mallett, of Lockney's 4-H, and daughter of Mike and Connie Mallett, was named the Stock Show Sweetheart during Thursday night's ceremonies. Mallett was recognized for her efforts in raising \$1,080 in Stock Show Memberships. She is a sophomore at Lockney High School. Cassidy has been very active in

4-H and has served several years as a club officer in 4-H. She enjoys showing steers, breeding swine and cattle.

Cassidy is an honor student and a member of the National Honor Society. She has participated in State 4-H Roundup as well as completing a record book.

Four candidates representing each of the county's 4-H and FFA chapters, sold a total of \$2,965 in total memberships. Representing the other clubs were: Floydada FFA Kerri Emert; Lockney FFA Melissa Griffith; and Floydada 4-H Lezlie Warren.

Herdsmen winners were also named during the banquet. T.J. Allen was named Herdsman in the Beef division; Amanda Henderson was named Sheep Herdsman and Jonathan Simpson was awarded the Swine Herdsman trophy.

Herdsmen winners were judged on how well they maintained their pens and stalls during the stock shows.

Plaques were presented to all Grand Champion and Reserve Grand Champion winners. Breed champion owners, Reserve Breed Champion owners and showmanship winners were also recognized with plaques.

Clar Schacht served as the Master of Ceremonies during the annual banquet and Kim Hinsley, president of the Livestock Show Association, presented the youth with their awards.

Jon LaBaume was recognized for his many years of work with the Stock Show Association. He stated that because of health reasons he will not be as actively involved in the stock shows in the future but he would not be out of the work completely.

Hinsley was also presented with a gavel for his work as president of the association. He stated that this would be his last year to serve as president.

Floyd County Farm Bureau once again sponsored the meal, which was served at Lockney Cafetorium.

Plaques were donated by the follow-

A view from The Lampighter

By Ken Towery

Oh dear. The new Ethics Commission has just completed a meeting in Austin. You remember the Ethics Commission. It was the Governor's answer, and the Texas Legislature's answer, to continuing revelations of unsavory behavior on the part of our lawmakers, or rather, some of our lawmakers. So now the Ethics Commission must decide what is "ethical" and what is not, and write guidelines for all those involved.

Frankly we don't envy the Commission. The law under which they are operating is a sorry, rotten, approach to the problem, no matter if the Governor called it good. Indeed, its main thrust is to cloak wrong doers with all sorts of protection. For instance, ethics complaints against statehouse politicians must be filed confidentially, and the Commission must consider those complaints in secret. It is illegal for them to even acknowledge that they are considering a complaint. So much fog envelops the issue that in all probability a major "ethical" issue could be settled behind closed doors without the public ever becoming aware that a question had arisen.

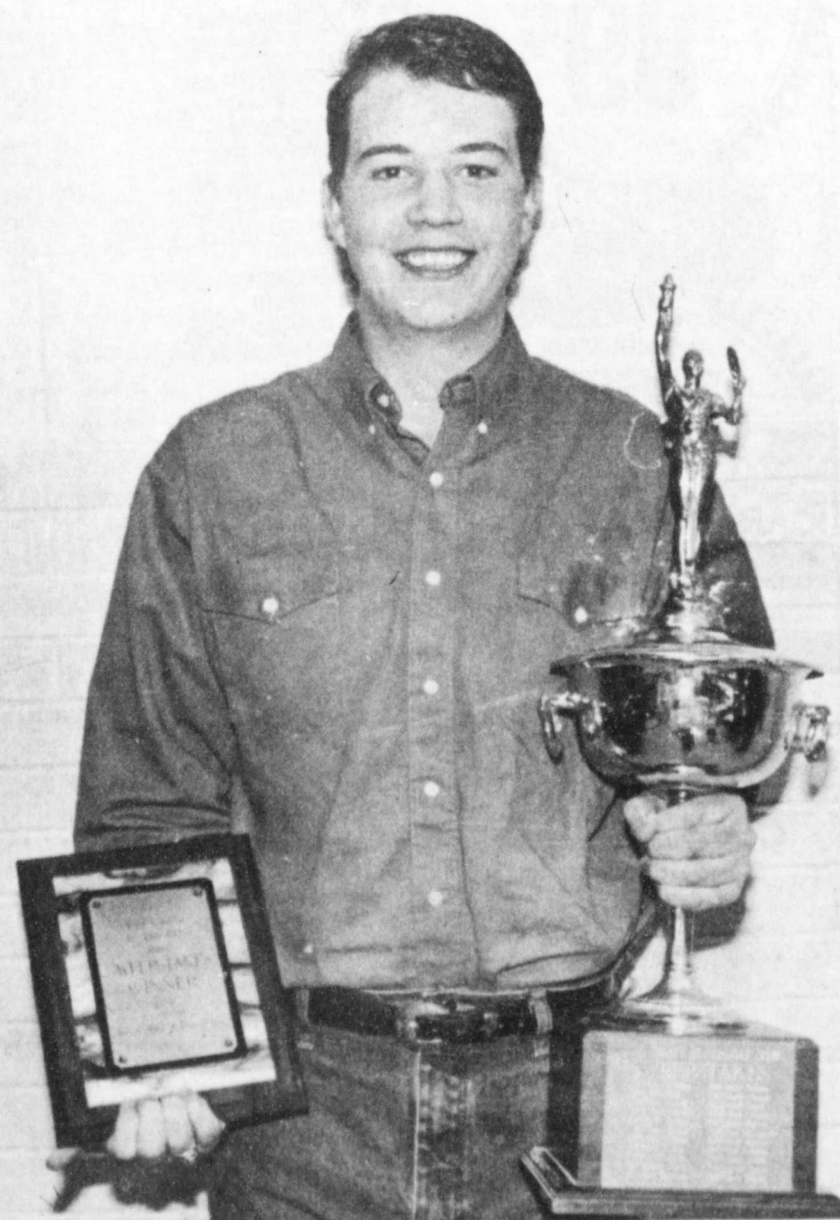

Right now the Commission is worrying about what to do with certain slush funds put together by Speaker Gib Lewis. He has announced he will not run again, but what can be done about the nearly \$1,000,000 he has amassed from interested parties while serving the "public" interest? There are those who suspect the money was put together not only to help Mr. Lewis in his own election efforts, but for use as a conduit for those members who tend to support him. This is a time-honored ploy in politics, used by Lyndon Johnson when he was "leader" of Democrats in the U.S. Senate, by Jim Wright when he was in a somewhat similar position over in the House, and by political leaders of both parties as far back as we can remember. The question in this case is what to do about future use of money ostensibly

PRESTON WATSON MEMORIAL SCHOLARSHIP

A Scholarship Fund has been established in honor of the late Preston Watson.

Contributions may be made at First National Bank of Floydada or at Floydada High School in Jaynette Harrison's office.

CHAD COOK
SWEEPSTAKES WINNER

Golightly seeks re-election as Tax Assessor-Collector

Penny Golightly has been Floyd County's Tax Assessor Collector since May 1987. She is once again seeking this elected position and is running unopposed in the democratic primary.

Before assuming her duties in 1987, Golightly has worked for the previous Tax Assessor, Jonelle Fawver, for 4 1/2 years. Golightly took over the office when Fawver retired.

Her duties of office include: motor vehicle registration, collecting and reporting motor vehicle sales tax and titles, voter registration and farmer fee reports.

"I have enjoyed serving the people of Floyd County," said Golightly. "I enjoy visiting and have also enjoyed helping law enforcement personnel when called upon.

"A lot has changed in my office since I first started, especially in this past year. There are a lot of new rules and regulations, such as showing proof of insurance. The motor vehicle sales tax is now going to the state. We used to get 5% of it.

"The commissioners now get from the highway report, the same amount of the sales tax that we used to keep for fees of office."

Born in Lubbock, Penny moved to the Lakeview Community in 1960 with her

parents Mr. and Mrs. F.D. McClintock. Her father is now deceased.

Penny has been married to her husband Dayne for 21 years. Dayne works for the highway department. They have two children Rance, 17, and a daughter Lucy who will be 14 in March.

"Being the voter registrar I feel very strongly about people getting out to vote and using their privilege. I would appreciate people voting and giving me their support."

PENNY GOLIGHTLY

By The Way

By Alice Gilroy

I'm experiencing the *Working Mothers Guilt Syndrome* again, and my husband is experiencing the "It's All My Fault" syndrome again.

For those of you who have read this column for a couple of years, you may remember that my son broke his arm about two years ago. He broke it while he was playing with his daddy.

He would crawl all over his daddy's shoulders and jump to the floor, etc., etc. During one of those jumps he landed wrong and broke his arm. When he was asked how he broke his arm, he would always say, "Daddy did it."

Well Saturday, Daddy did it again. Well, not really—just in a round about way.

We were all at the vets office and Brandon was getting into everything while we waited for the doctor. Finally in desperation, his dad told him to sit in a chair (a bar stool up against a wall) and be still. He was not to get out until we were through with all of our business.

Brandon did as he was told. No sooner had he gotten in the chair than he swiveled around, the back of the chair fell off and he promptly fell out. (The chair had been broken before and was leaning against the wall to hold it together).

To make a long story short—he broke his arm. Same arm and probably in the same place.

My husband told me later—"This is just great. Brandon will probably go around telling people I did it again!"

My guilt didn't set in until later.

I had to go take pictures of The Miss Floydada Pageant Saturday night. I felt like a criminal leaving my little boy laying on the couch just hours after breaking an arm, but I comforted myself knowing his daddy was there to prop him up, feed him and fluff the pillows under his arm.

I got home too late to say good-night.

The next morning it was just me and Brandon in the house. Lennie had to go to an all-day school.

Brandon woke up while I was getting ready for church and wanted to know where his daddy was.

I told him he had to go to a school and would be gone all day.

Brandon looked up at me with a terribly sad expression and said, "But who is going to take care of me?"

My first reaction was to say, "What am I—CHOPPED LIVER?"

But instead, I tried to be understanding. I said, "I'll take care of you, sugar."

He said, "But who is going to fix my pillows?"

"I'll do it," I whimpered.

"Well—Ok," he said, as he turned to leave.

I don't think he believes I'm up to it.

The halls of Floydada High School were full of beautiful young ladies Saturday night. The pageant went off without a hitch.

Anne Carthel, the master of ceremonies, was beautiful, and the entertainment by Floyd County youngsters was great. The whole affair was very professional.

This year I came to a new understanding about what some of the awards meant. Besides the winner, 1st runner up, 2nd runner up, etc., there are also awards given for the Glamour Girl and Best Interview.

Molly Long, daughter of Melissa and Nick Long, won 1st runner-up and Best Interview in the Tiny Miss division.

Small enough to give you the service you expect.
Let us show you what we can do for you.

GOEN & GOEN
"SERVING YOU FOR OVER 65 YEARS"
983-3524 102 East California, Floydada

Molly ran from back stage and met her mom in the hall. She was showing off her trophies and her mom took the Best Interview trophy proudly in her hands and told Molly—"This one is great, Molly. It means you can talk!"

I wonder where she gets that gift of gab?

Francis Badgett of Floydada brought in a story about her daughter Anna Busick and Anna's husband Charles.

The Busick's own a ski resort in New Mexico and were brave enough to put out a sign in front of their business saying, "Texans Welcome."

The sign caught the eye of a newspaper columnist who wrote about how brave he thought the Busick's words were. The column appeared in the El Paso Times, June 6, and was written by John Laird.

According to Francis, Texans are not well thought of in New Mexico, but since putting up the sign the Busick's have been overrun by Texans.

But that's OK with them. Anna says she is a die-hard Dallas fan and lets people know she is from Floydada.

Donut Man's Jokes of the Week

Convict: Writing your memoirs?
Cellmate: No, just a letter to myself so I'll get some mail.

Convict: What are you saying?
Cellmate: Don't know-mail call isn't until 3:30.

Mom: Don't be afraid of the dog, honey. He barks a lot, but see how he's wagging his tail?

Janey: But Mommy, I don't know which end to believe!

Courtroom Activities

In county court, January 23, Jose Edward Cedillo, 22, of Plainview, pled guilty to his July 8, 1991 charge of DWI. He was fined \$500.00 and sentenced to 180 days which was probated for two years plus court costs.

Michael Gatica, 22, of Lockney, pled guilty to DWI. He was sentenced to six months in jail, probated for two years and fined \$500.00.

Maximo Nunez, 28, of Floydada, also pled guilty to his May 13, 1991, charge of DWI. He was fined \$750.00

Larry Richardson pled guilty January 30 to his August 22, 1991 charge of unlawfully carrying a weapon. He was fined \$100.00 plus court costs and sentenced to 180 days in jail which was probated for six months.

January 31, 1992, Stacy Crosby was charged with theft by check.

February 4, the following people were charged with theft by check: Matthew Albert Aday, Billy Don Hughes, Bobby Kaiser, Walt Marshall, Randy Sharp and Leslie Sinor.

In J.P. court Pct. #2 & #3, 51 misdemeanor cases were filed.

and sentenced to one year in jail, probated for two years, plus court costs.

January 30, Juan Manuel Camacho pled guilty to his October 14, 1991 charge of unlawfully carrying a weapon. He was fined \$100.00 and sentenced to one day in jail plus court costs.

Gary Gonzales was charged with assault, on January 30. There was no disposition on this case.

Also on January 30, Donald Eugene McCready pled guilty to reckless conduct. He was fined \$250.00 plus court costs and one day in jail.

February 4, the following people were charged with theft by check: Matthew Albert Aday, Billy Don Hughes, Bobby Kaiser, Walt Marshall, Randy Sharp and Leslie Sinor.

In J.P. court Pct. #2 & #3, 51 misdemeanor cases were filed.

Police were called to a report of a criminal mischief, January 21, at 10:00 p.m. A man told police that he had parked his car to attend the basketball game and when he came back to the car he found the glass on the driver's door had been broken. The complainant suspected two juveniles and the police are investigating the incident.

January 31, at 4:15 p.m., police received a call from a woman in the 200 block of E. Houston. She stated she had been assaulted and she signed a domestic violence complaint. John Gonzales Zuniga, 31, of Floydada was charged with assault, paid a fine of \$131.00 and was placed in the Floyd County Jail.

February 1, at 1:54 a.m., Floydada police arrested Roberto Camacho on two warrants of aggravated assault with a deadly weapon. "The assault occurred on January 24, 1992," said Police Chief James Hale. "A firearm was used to shoot at a vehicle in which two women were riding."

Jordan artwork on display through February

The First National Bank of Floydada is happy to present the work of artist, Jean Schofield Jordan, through the month of February. Jordan has exhibited twice prior to this month's showing, and each time has been well-received by area viewers.

Jean Jordan is no stranger to West Texas art. Growing up in Terry County, and always being interested in art, she attended Texas Tech and received her degree in Broadfield Art Education. She has studied with outstanding artists Albert Handell, Doug Dawson, Tom Lynch, Ben Konis, and Ted DeGracia.

She has won numerous local and state awards. She was the 1990 Merit Winner of the Degas Pastel Society Show in New Orleans, and recently had work accepted in the Texas Visual Art Association's Citation Show in Dallas.

Jordan has taught art to children and adults and is currently working at the Lubbock Garden and Arts Center. Her favorite medium now is pastel; however, she still paints with oils. "I find that I am currently 'rushed' in my life, and the spontaneity of pastels seems to fit that situation", said the artist. As busy as she is with her home life and growing

children, she feels that her painting is extremely important.

Simple everyday objects and her love for people will be reflected in Jordan's paintings. Her landscapes capture the spirit of rural West Texas; her colors are bright and light or restful and pleasing to the eye.

The paintings of Jean Jordan will be open to the public during regular banking hours this month, and the First National Bank invites everyone to take advantage of the Lubbock artist's exhibit.

CITY SECRETARY SWORN IN—Sharon Quisenberry (right) was sworn in as the new city secretary for Floydada by Mayor Wayne Russell (left) on Monday, February 3. Her appointment was previously approved by the city council and the oath of office was witnessed by Municipal Judge Frank Breed. —Staff Photo.

Letters To The Editor

Editors Note:
The following letter is referring to a classified ad we ran on 1-9-92. The ad was for a PIANO TUNER. We goofed, but we sure enjoyed Mr. Adam's humorous approach to our error.

To the Editor:
I see by the Floyd County Hesperian-Beacon of 1-9-92 that there is a new piano tuner in the area. As a piano technician in South Texas, I must inform my friends in Floydada that we only charge \$25.00 for piano tuning. We charge \$55.00 for piano tuning. Our best deal is our piano tuna, which is

\$3.95, served on a nice bed of lettuce with tomato wedges and crackers. The down side is that we do charge for mileage.

Sincerely,
Glea Adams
Hondo, TX

Dear Editor,
I would like to say three cheers for Ann Ford. She has a fine, very polite son. Anyone who knows or associates with Ryan really appreciates him. I think our DPS troopers could profit by taking lessons from him as they sure could use some help in many respects.

I also agree with her on the unfair misinterpretation of the law in Floyd County. Laws are made to help and not to be ignored just because it might cost to try murderers and thieves.

Hang in there Ford family. We're behind you.
Beth Kropp

Lamplighter

Continued From Page 1

raised for other purposes. After all the backing and forthing is finished, we suspect Mr. Lewis will be able to legally do what he wishes with the money.

About the only thing that is certain in all this is that the question of "ethics" in government and politics will always be with us. The wrongly-focused Constitutional amendment recently urged upon the people by this state's political leadership and some well meaning editorial writers, plus the cleverly-worded legislation attendant to the issue, will certainly do little to correct ills of the past. In fact we will never be able to depend upon laws and rules to assure honesty in government, though they may help a little. The real answer, obviously, is good people in office.

Speaking of ethics and politicians, we had a long visit the other day with a new man on the block, so to speak. Mr. Ernie Houdashell came by the Hesperian office while in town boosting his campaign for the U.S. Congress. It wasn't the first time he has been here. For a while he was on the staff of former U.S. Congressman Beau Boulter. The Congressman, a lawyer, had hired Houdashell (in our own opinion) because of his contacts within the District's agricultural community. It was a smart move on the Congressman's part. Houdashell subsequently parted company with Mr. Boulter for what he considered good and sufficient reasons. Quite a few others shared his disillusionment. We had the feeling, after extensive discussion with Mr. Houdashell, that he would stand hitched. For those who vote in the Republican Primary, we would commend his candidacy.

County unemployment rate rises to 6.3 percent

According to figures released by the Texas Employment Commission on January 28, The current unemployment rate in Floyd County is 5.1 percent. This represents an estimated 241 workers who are drawing unemployment benefits. This does not include those not employed who no longer draw unemployment benefits. The unemployment rate in the previous monthly report was 6.3 percent unemployed in Floyd County.

The commission reports the civilian work force in Floyd County at this time

is an estimated 4,718 workers. The report states that 4,477 of these eligible workers are employed during the period covered by the latest report.

Commissioner Mary Scott Nabors said "Total employment was up somewhat, but it is hard to feel too good about it because all the increase was in retail trade. We feel that the increase was due to final staffing for Christmas and Texas has probably already lost these jobs." She also pointed out that average real earnings decreased for American workers for the eighth straight year.

Floyd County Lifestyles

Floydada girls awarded crowns during pageant

Continued From Page 1

A lively dance routine was performed by Molly Long, Cienna Carthel, Jenny Young, Tasha Clemmons and Breanna Dawdy.

More dances came from Mary Lindsey Poole and a fast paced tap dance was performed by Jennifer Fortenberry.

Tian Younger sang "Under the Boardwalk", accompanied by Scott Crader. Crader also sang a solo for the Miss Floydada participants at the end of the show.

DUTIES OF THE QUEENS

The duties of the Junior Miss winner will include giving the invocation at the Style Shows as well as handing out door prizes. She will help with Punkin Days, rides in parades, and will assist Miss Floydada at the Christmas lighting ceremony.

The Little and Tiny Miss will help with door prizes at the Style Show and assist with Punkin Days as well as ride in parades.

Miss Floydada will attend ribbon cutting ceremonies, attend the Chamber Breakfast in October, will present the Employer of the Year Award at the Chamber banquet, ride in parades, introduce the emcee at the Spring and Holiday Style Shows, serve as a model at style shows and switch on the lights for the annual Carole of Lights.

JUDGES

The judges for the pageant were Paula Parker, of Lamesa, Ronnie Standefur, of Lubbock and Teena Parks, of Lubbock.

Parker has been actively involved in pageants since 1986. She is currently Mistress of Ceremonies and South Plains Director for the Our Diamond Miss pageant.

Standefur teaches gymnastics, twirling and dancing. She also specializes in interview training, and has taught and coached all phases of pageant preparation.

Parks has judged pageants on the state, local and national levels and has judged preliminaries for advancing to Miss America. She coaches and trains for all phases of pageantry, and has taught modeling in New York.

The judges for the Little Miss Pageant were: Wanda Smith, of Meadow; Kim Bayer of Levelland, and Gail Adams of Crosbyton.

Smith is a graduate of Jean Johnson School of Modeling where she modeled for several years. For the past fifteen years she has worked as a consultant for young pageant girls.

Bayer has been active in pageant systems for the past ten years and has been active in organizing local pageants.

Adams has been active with her daughter for the past 14 years in pageants. She and her husband own and operate Adams Funeral Home in Crosbyton, and Carter-Adams Funeral Home in Ralls.

JUNIOR MISS RUNNERS-UP—The runners-up in the Junior Miss Division were: (l-r) Meredith Schacht, 1st runner-up and Best Interview; Amber Arney and Misti Cochran tied for 2nd runner-up; Zan Daniels, 4th runner-up. —Staff Photo

TINY MISS RUNNERS-UP—The runners-up for the Tiny Miss Division were: (l-r) Molly Long, 1st runner-up and Best Interview; Maggie Vick, 2nd runner-up; Katy Gooch and Stacey Griggs tied for 3rd runner-up. —Staff Photo

Allen Stallings earns degree from Tech

Allen Lee Stallings of Lockney recently received his Bachelor of Science degree in Agricultural Economics. He graduated with Cum Laude honors from Texas Tech University. He is a freshman.

He was among more than 1,500 students that received degrees during the December commencement exercises.

Look Who's New!

BRAMLET

Jill Elizabeth Bramlet is proud to announce that she is the new daughter of Larry and Beth Bramlet of Lockney. She was born on Tuesday, January 28, in Lockney General Hospital at 3:26 p.m.

Jill is also proud to be the granddaughter of Wayne and Annabel Bramlet of Lockney and Eldon and Mary White of Lubbock and the great-granddaughter of Eula Bramlet of Lockney and Floyd and Sally Gregory of Quanah.

CUB SCOUT MOMS took all the top honors in the "unlimited" class at the Pack 259 Pinewood Derby on February 1 in Lockney. Left to right, Ronda Afill placed first, Tina Graves came in second and Glenda Jones took third as the women shut out the men in the model car races. —Photo by James Huggins

Terrell, Perez named on honor lists

Lisa Michelle Terrell of Lockney, a senior at Texas Tech University and an English major, recently qualified for the President's List. She earned a 4.0 (A) grade point average while enrolled in 12 or more credit hours of classwork.

David Daniel Perez of Lockney, a freshman and a computer science major and Allen Lee Stallings of Lockney, a senior, and an agricultural economics

major, qualified for the Dean's List at Texas Tech University. They earned a grade point average of 3.5 to 3.9.

There were more than 2,500 students that qualified for the academic honors lists at the end of 1991 fall semester.

Floydada Nursing Home Happenings

By Jo Bryant

Hi! on this cold rainy day. Gound hog didn't see his shadow, the old saying is if he didn't, we would have an early spring, do hope so.

The residents enjoyed the Martin's coming from Lockney on a Saturday to play and sing for them. Come back soon.

Bro. Bill came and gave the devotional. Irene Wexler played the piano. In the evening the residents had "Hat Day" we talked about the different jobs, etc. where people wear hats, and we associate their hat and jobs. Ruth Hammonds shared her hat collection with the residents. They enjoyed seeing all the different hats of Weldon Hammonds.

Tuesday, was arts and crafts, so the residents made a hat to wear, cowboy, policeman, fireman, party, sport hat, fishing, etc. They did exercise and songs in the morning.

Wednesday, was games, exercise and coffee and juice. Bingo was played at 2:30 p.m. Mary Davis and Ruth Hammonds assisted the residents. Ruth Trapp had the first Bingo. Bananas, candy, cheese balls were the treats.

Thursday, was rhythm band and "Good Ole Days" songs. Visitors from

the Calvery Baptist Church brought the residents apples, oranges and cookies. They were Edna Patton, Irene Wexler, Iva Walters, Mrs. Odam and Mrs. Crawford. Thanks, the residents really enjoyed them.

Friday, Mollie Stringer came and shared the devotion with us. She sang, "He was there all the time." Evelyn Latta closed with a prayer. On to Plainview on the bus ride with Grace Gomez taking us. McDonald's treated us to ice cream.

We really enjoyed the beautiful red roses given to us by the First Baptist Church, U.M.U. They were used for the Caprock Assoc. of Paster's Convention.

Our love and sympathy go out to the family and friends of Sue Thompson, we will miss her. She was a resident for 11 years.

Lennie Willis is back from the hospital. Charles Breeding is in St. Mary's Hospital, Lubbock, we wish for him a speedy recovery.

Keep casting your vote for our Jr. King/Queen and Resident King/Queen. We appreciate it much. Proceeds go into the activity fund. So many more things we could do with it.

Take Care - Have A Good Week!

APRIL WEDDING PLANNED--Richard and Rebecca Burns of Floydada, are pleased to announce the engagement and approaching marriage of their daughter, Amy Laural, to Jerry Wade Copeland of Slaton, son of Jerry and Patsy Copeland of Slaton. Amy is a 1988 graduate of Floydada High School and a 1991 graduate of Texas Tech University where she received her bachelors degree. She was on the Dean's List and a member of Alpha Chi Omega. Jerry is a 1986 graduate of Slaton High School and attended Texas Tech University. He is presently employed with Lubbock Nut & Bolt Co., Inc. The couple plan a April 14, 1992 wedding at First Baptist Church in Slaton.

Whirlwind Sams Club hears program on stamp collecting

By Carol Reese

The Floydada Whirlwind Sams met at Lighthouse Electric on Monday evening, Feb. 3. Twenty-three rigs were represented, which was all of the members present except for two couples. To begin the meeting Fay Benson led in prayer.

The following having February birthdays were recognized: Ruby Hartsell, Jean Kendrick, Frances Weathersbee and Alan Benson. The Feuerbachers and Harrisons have February anniversaries, but both couples were absent. Fred and Yvonne Thaxton were welcomed back after a long absence.

Delicious refreshments were served by John and Geneva Cockrell, Alan and Fay Benson and Kenneth and Barbara Willis.

John and Geneva Cockrell gave a very interesting program on stamp collecting. When John began collecting stamps in 1965, each stamp cost only 4 cents. He showed slides of stamps that they have collected through the years, telling some interesting history of many of them.

Other interesting facts that they told: The first stamp was printed in England in 1840. The first United States stamp was a 5 cent stamp picturing Benjamin Franklin. Until 1869 all stamps were portraits. The largest number of stamps issued in one year was 91 issued in 1991. In 1992 there will be 126 stamps issued.

John has always collected plate blocks, and Geneva collects single

stamps. The Cockrells made stamp collecting sound like a fascinating hobby.

After a program, Boone Adams, president, presided over a brief business meeting.

The next campout will be a trip to Amarillo on February 21-23, with Bob Kendrick as Trail Boss. Harold and Carol Reese's name was drawn for the door prize. The meeting adjourned with the singing of "Happy Trails."

We Salute...

HAPPY BIRTHDAY

Thursday, February 6 - Penny Ogden, Tate Harris, Brian Odom

Friday, February 7 - Darla King, Mari Mendoza, Danny Nutt

Saturday, February 8 - Ashley Fonseca, Jessie Gourdon, Eric Glenn, Jeremy Rubio, Joe Harbin

Harmony Extension Club gathers

The Harmony Extension Club met January 21, at 2 p.m. in the home of Doris Snodgrass.

Vivian Curtis, new president, called the meeting to order. Ruth Scott read an interesting article and the minutes of the last club meeting.

Club members need to pay the council their dues. Blanche Williams directed a recreation game. Plans for the year were discussed by the members.

Refreshments were served to the following: Vivian Curtis, Ruth Scott, Anna Maude Hopper, Juanita Poole, Maye Williams, Blanche Williams,

Bess Carr and the hostess Doris Snodgrass.

Duncan Kids Can!

Dear Duncan Parents:

As you can see we have a busy time ahead of our kids. We have had a good first semester. We have high expectations of having an even better second semester.

We need your help at Duncan. Absenteeism is our biggest enemy. We can not teach our kids if they are not here at school with us. We are really going to concentrate on getting our kids here on a regular basis. I will be visiting with certain parents on a continuous basis as we try to finish this year on a successful note.

I hope to see you all at our next PTA meeting. Please, come and be a part of your child's educational experience.

Thank you,
Bobbie and the Duncan Staff

EARLY EDUCATION SKILLS:

Identify and name, community workers and zoo animals; directional and quantitative terms, big/little and up/down, etc.; pre-handwriting skills; gross motor, balance board

ACTIVITIES:

Alphabet and number songs, finger plays, etc.; color and shape activities, winter and valentine activity sheets

4-YEAR-OLD PRE-KINDERGARTEN SKILLS

SPEECH/LANGUAGE

Early Education will be working on spatial relations: in, on, under, over

Kindergarten and First Grade is working on auditory memory

Second and Third graders will be

1991-92 WHIRLWIND VARSITY — Members of this seasons varsity boys team included (front row, left to right) Billy Villarreal, Quincy Johnson, Jamie Suarez; (back row) Prandon Gilliland, Jammie Davis, Michael Henderson and David McCarty. — Staff Photo

Littlefield snatches win from Whirlwinds

The Littlefield High School boys varsity defeated the Floydada High School Whirlwinds 61-60 on FHS home ground Tuesday, February 4. According to Coach Mike Cocanougher, "The boys played hard, in fact, they played as good a game as they ever could, but like

Score by Quarters	1st	2nd	3rd	4th	tot.
Littlefield	18	15	13	15	61
Floydada	16	12	13	19	60

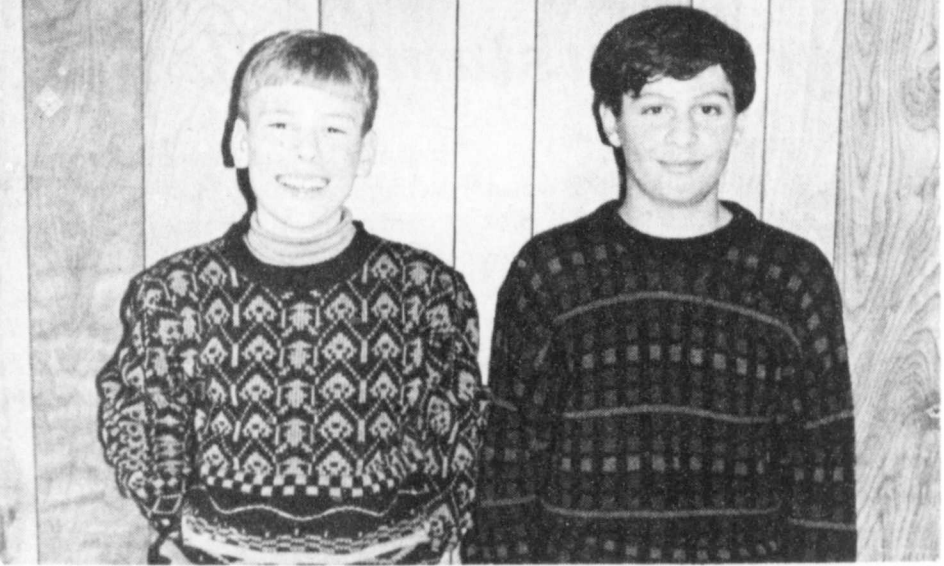

This makes the team season record 12-13 with a 1-7 district record. The Winds will face Dimmitt at Dimmitt on Friday, February 7. The final home game of the season will be on Tuesday, February 11. Tulia will be the opponent and the junior varsity boys will play first beginning at

4:00 p.m. always this season, we were out-sized. The other teams simply have larger more powerful players."

Michael Henderson was the high point player for the evening, scoring 23 points and making 12 rebounds. Billy Villarreal had 12 points and 5 rebounds. Quincy Johnson made 11 points and Brandon Gilliland scored 8 with 7 rebounds. Jamie Suarez had 4 points and David McCarty added 2.

APPLE OF OUR EYE—Connie Hurt is a Chapter I Regular Aide at Duncan. She has been employed for four years. She is married to Coach Lee Hurt and has two children, Salina and Corey. —Staff Photo

UIL WINNERS—Will Warren (left) and Kenny Holmes (right), placed 2nd and 4th, respectively, at the recent Science UIL competition held the weekend of January 25. They are students at Floydada Junior High School.

Four listed on Texas Tech Honor Roll

Four Floydada students were among more than 2,500 Texas Tech University students qualified for the academic honors lists at the end of the 1991 fall semester.

Named to the President's List were Matthew Rex Beatty, a junior finance/real estate major, who is the son of Mr. and Mrs. Rex Beatty, and Amy Tryvonne McCormick, a sophomore

elementary education major, is the daughter of Mr. and Mrs. Delmas McCormick.

Those listed on the Dean's List were Amy Laurel Burns, a senior human development major, who is the daughter of Mr. and Mrs. Richard H. Burns, and Timothy Ray Terrell, a junior finance major, is the son of Mr. and Mrs. Billie Dale Terrell.

DECA COMPETITORS — Students from FHS who made the trip to Amarillo last weekend to attend a District 8 Career Development Conference were (left to right, standing) Libby Martinez, Janet Sherrill, Becky Turner, Jack Alaniz; (seated) Roxann Cavazos and Roxanne Mercado.

DECA students attend district conference in Amarillo

The Floydada High School Chapter of DECA was represented by Jack Alaniz and Janet Sherrill in the Quiz Bowl Competition held in Amarillo January 31 through February 1. The pair won in the first round against Amarillo Palo Duro High. They drew a "bye" for the second round and lost the championship round to Amarillo High School.

Roxanne Mercado placed second in Food Marketing and also had a second-alternate win. She will be advancing to the state conference in Austin, Texas, March 5-8.

Roxann Cavazos, Libby Martinez and Becky Turner participated in the

Apparel and Accessories category. Turner won a first in the Master Employee Level and will also attend the state conference. Martinez won a third place rating in the Amarillo meet.

"Their performance was a credit to

our community and to FHS," said DECA Sponsor Bob Alldredge. He and his wife Charlene will be accompanying

Mercado and Turner to the Texas DECA State Career Development Conference in Austin.

Floydada School Menu

Public Notice

Southwestern Bell Telephone Company recently filed an application with the Public Utility Commission of Texas (PUC) for approval to redefine the location of the demarcation point, or demarc. The demarc is where Southwestern Bell Telephone wiring connects with customer-maintained wiring.

This request will not increase customers' service rates. This request simply changes the point within the wiring where Southwestern Bell's maintenance responsibility ends and the customer's maintenance responsibility begins. As before, customers will be able to connect their own wiring directly to Southwestern Bell's network at points up to the new demarc.

Southwestern Bell is seeking approval of this new demarc location to bring its tariff into compliance with a Federal Communications Commission Order in CC Docket 88-57.

More information will be included in customers' bills beginning February 1, 1992. Persons who wish to comment on the application should notify the PUC by March 20, 1992. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, TX 78757, or you may call the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

Local gymnasts earn prizes at area tournament

Floydada gymnasts competed in a Division I meet in Lubbock on January 25. Held at Evans Junior High School, the meet featured competitions in trampoline and tumbling.

Laura Reddy and Denise Rainwater both earned a first place rating for their performance on the trampoline. Monica Mason and Dustin Covington were awarded second place finishes in the same area. Earning third places were Tracy Ramirez and Lindsey Reddy. Karen Resio and Ashley Norrell finished with a fifth place award and Veronica Morales earned a sixth.

Lindsey Reddy came in with a first place finish in tumbling while Monica Mason and Laura Reddy posted second place scores. Karen Resio won a third place award with Denise Rainwater and Dustin Covington following in fifth place. Veronica Morales earned a sixth place rating and Tracy Ramirez came in seventh.

FLOYDADA GYMNASTS — Floydada youngsters competing in a gymnastics meet in Lubbock recently included (front row, left to right) Laura Reddy, Denise Rainwater, Ashley Norrell, Dustin Covington, Tracy Ramirez, Veronica Morales; (back row) instructor Albert Tretto, Karen Resio, Lindsey Reddy, Monica Mason and instructor Mitzi Zschiesche.

Floydada High School salutes Feature Teacher

By Robin Galloway

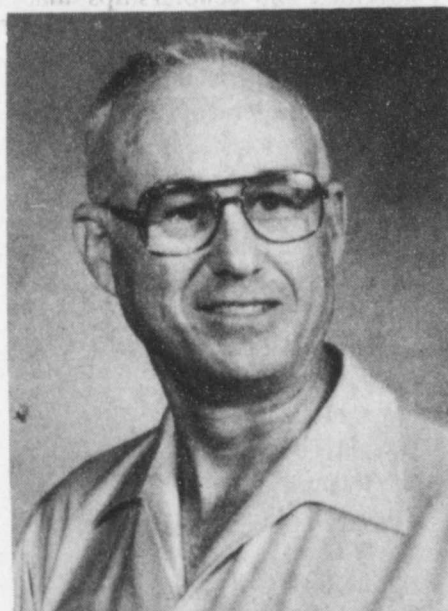

This week's Feature Teacher is Bob Alldredge. He was born in Crosby County. He started school at South Plains and graduated from Denver High School. As a teenager, he worked at various summer jobs including pumping gas, roustabout in an oil field, and an engineer's helper on the first paved highway from Denver City to the New Mexico state line. He also served two years in the military during the Korean War.

Mr. Alldredge obtained a Bachelor of Science degree from Texas Tech. He was involved in graduate studies at ENMU and Texas Tech. He has been in the teaching field for 35 years. He has taught at Vernon, Floydada, Hobbs, N.M., and night courses at College of

the Southwest and Hobbs. The courses he has taught include Math, Science, English and Marketing Education, which he is currently teaching.

Mr. Alldredge enjoys playing golf, fishing, reading, working in his shop and old cars. He has a very positive outlook. He believes in trusting God, loving your neighbor, thinking positive, being enthusiastic, and living each day to the fullest.

Mr. Alldredge is Floyd County Trustee and Vice Chairman for Central Plains Center for Mental Health-Mental Retardation and Substance Abuse. He is also President of FCS Federal Credit Union and Secretary for Trailblazer Accessories, Inc., in Lubbock. He also owns and manages KKAP AM/FM Radio here in Floydada.

BOB ALLDREDGE

Floydada Girl Scout troop visits Science Spectrum in Lubbock

The Floydada Junior Girl Scout Troop 299 visited the Science Spectrum Friday, January 31 and Saturday, February 1. The Science Spectrum hosts Camp-Ins for Scouts several consecutive weekends that offer learning experiences.

The 11 girls and their leaders attended workshops that included: experiments with different chemicals added to cabbage juice, building their own kaleidoscope, learning about the different parts of a Space Station, how they worked and then building their own Space Station, visiting an inflatable planetarium, and studying about solar heating and what affects it.

Lights out was at 12:45 with over 200

girls bedded down all over the floor. Morning activities included exploring the exhibits and visiting the Science Shop.

Girls attending were: Andrea Rodriguez, Nichole Hartline, Ruth Vasquez, Deanne Woods, Marcelina Guzman, ShaVonne Taylor, Roni Emert, Meredith Schacht, Zan Daniels, Dea Campbell and Carissa Coursey. Leaders were Judy Schacht and Glenda Wilson.

Coming Through in '92

By Linda Suarez & Janet Sherrill
Jennifer Crow is our first senior this week. She is the daughter of Sue Crow and Richie Crow and she has one sister, Jamie and two step-brothers, Steven and Curtis.

Jennifer has been a cheerleader throughout her high school years. She also plays basketball and is in the FFA

and FCA (Fellowship of Christian Athletes).

Jennifer's favorite TV show is "In Living Color". Her favorite subject in school is typing. She attends the Methodist church.

If Jennifer could travel to any place in the world she would go to Italy and she would invite her closest friends. Jennifer plans to attend Texas Tech University and major in secondary education. Then someday, after finishing school she'd like to get married. She said the best thing about Floydada High is the closeness that everyone shares.

Our second senior this week is Branda Mack Breed, daughter of Mr. and Mrs. Joe

Mack Breed. She has attended school in Floydada for ten years. In high school she has been active in basketball and FFA. She placed third in State Farm Skills.

Branda's favorites include Beverly Hills 90210, Young Guns, fettuccini and Garth Brooks. She also likes rodeos, riding horses and water skiing. She has two cats and two horses.

Of all the people she knows, Branda admires her mother the most. She likes going to school in Floydada because of the small classes.

Branda's plans for the future include marriage in the summer and college in the fall.

PRESTON WATSON MEMORIAL SCHOLARSHIP

A Memorial Scholarship Fund has been established in honor of the late Preston Watson. Contributions may be made at First National Bank of Floydada or at Floydada High School in Jaynette Harrison's office.

Bradley; (l-r, front row) Jason Graham, Juan Vargas, Jenaro Zapata, David Turner, Leo Vargas and Orlando Garza. Staff Photo

Lockney Basketball Report

By Issac Cuellar LONGHORNS DEFEAT HART BY ONE POINT

The Lockney Longhorn Basketball Team rallied back in their game with Hart on January 28 to defeat the Hart team by a score of 61-60.

Leading scorer in the game was Juan Vargas. He led with 20 points. Jimmy Bradley followed with 14 points, Marcus Bueno 8 points, Jarod Mosley 8 points, Shawn Hill 6 points, Jernardo Zapata 2 points.

The game rated as the comeback of the season thanks to Coach Evans and his Lockney Longhorns.

The Lockney Longhorns were pushed to the test and responded in dramatic fashion as Hart took an early blast and built it to a devastating 41-21 lead early in the third quarter.

When push came to shove Coach Evans' Longhorns were unleashed. Juan Vargas hit from the 3 point range four times and the speedsters kept the ball moving quickly and ultimately they found the net.

Lockney's "magic" made Hart's 21 point third quarter lead quickly disappear and they found themselves in the thick of things down the stretch.

Hart's ship sank when Marcus Bueno made the final shot off the glass with 5 seconds left, giving the Lockney Longhorns the triumph of victory as they defeated Hart 61-60.

LONGHORNS FALL TO OLTON BY 6 POINTS

The Lockney Longhorns fell six points short of winning as they were tested by the Olton Mustangs on January 31. The score at the final buzzer was 57-51.

Jimmy Bradley led the scoring with 16 points. He was followed by Marcus Bueno with 13 points. Leo Vargas scored 9 points by making three 3 point shots. Shawn Hill, Jarod Mosley and Jernardo Zapata scored 4 points apiece and Juan Vargas made 1 point.

LADY HORNS DEFEAT HART GIRL 64-60

The Lockney Lady Horns basketball team defeated the Hart girls 64-60 in a hard fought home game.

Turning in 15 points was LaDonna Butler. She was followed by Nicole McDonald with 13 points. Carolyn Turner scored 12 points, Kori Kellison 8 points, Almadena Basaldua 8 points, Michelle Delgado 4 points, and Daisy Blanco 4 points.

The Lady Horns have moved in 7-2 in district play.

The Hart girls basketball team stamped into Lockney Tuesday night, January 28, wanting nothing less than a rumble and the Lockney Lady Horns gave them just that and then some.

At one point in the first quarter Hart was enjoying a 12 point lead at 16-4. After shocking the hometown crowd, and the Lady Horns as well, Hart's fast breaking pace was quickly countered by Lockney's all-out ball control. Lockney's defense began crashing the boards while the offense kept plugging away at Hart's early lead.

By the end of the first half Lockney had come from behind to lead 32-30. The lead changed hands half way through the third quarter as Hart managed to go up by 4 points before the Lady Horns reached deep inside to give it one final run. Lockney had just enough heart to find the victory lane in the fourth quarter as they pulled it off 64 to 60.

OLTON CONTINUES WINNING WAYS

The Olton girls varsity basketball team kept to their winning ways with a

win over the Lady Horns. The score at the end of the game was 47-38.

Kori Kellison led the scoring drive for the Lady Horns with 13 points. Nicole McDonald scored 8 points, Carolyn Turner 5 points, Michelle Delgado 4 points, Almadena Basaldua 4 points, and LaDonna Butler 4 points.

Coach Fortenberry's Lady Horns, coming off a victory over the Hart girls, were ambushed in Olton last Friday night.

From beginning to end the ingredients were just not right for the Lady Horns to take their 8th victory in district play. Olton handed Lockney a 47-38 loss.

ISSAC'S COMMENTS:

Congrats to Coach Evans and the Lockney Longhorns for their great comeback against Hart. I've never seen such an exciting and emotional high school basketball game. It was much more exciting than the Super Bowl XXVI.

I'm sure I am not alone when I say that my heart is with Coach Fortenberry and the Lady Horns. The Lady Horns have come a long way and with their work out for them they will go even further.

JUNIOR VARSITY PLAYS HART HORNS

The Lockney Junior Varsity boys basketball team came out at the bottom of the heap in their game with Hart 37-30.

Jason Graham led the scoring in the game with 8 points. David Turner and Micheal Durham followed with 5 points each. Allen Martin scored 4 points and Lalo Chavira, Martinez each scored 3 points. Phenias Riddley sank 2 points.

LOCKNEY JV DEFEATS OLTON 60-54

The Olton Mustang Junior Varsity basketball team were shocked at their defeat to the Lockney JV boys 60-54.

Phineas Riddley led the scoring against the Mustangs with 10 points. Micheal Durham and Allen Martin shot 6 points each, Martinez and Lalo Chavira made 4 points each and David Turner sank 2 points.

JV LADY HORNS SQUEAK BY HART BY 2 POINTS

The Lockney JV Lady Horns squeaked by the Hart girls by 2 points. The score at the end of the game stood Lockney 35 and Hart 33.

Danielle McDonald scored 19 points to come away as leading score maker. She was followed by Rhonda Hickerson with 10 points and Tiffany Ellison 6 points.

The girls record stands at 8 wins and 3 losses.

JV GIRLS LOSE SQUEAKER

The Olton JV girls made it by the Lockney JV girls by 1 point in their game on January 31. The score at the final buzzer was Olton 21 and Lockney 20.

Danielle McDonald scored 8 points to lead the scoring and was followed by Dede McCarty with 6 points, Tiffany Ellison with 4 points and Rhonda Hickerson with 2 points.

LOCKNEY EIGHTH GRADERS LOSE HEART BREAKER

The Lockney eighth grade Shorthorns lost a heart breaker, 56-17, to Hart on February 3rd.

Joe Marks led the scoring with 7 points. Michael Reynaga scored 4 points, Adrian Rosales, Shannon Veal and Brady Marr each racked up 2 points.

EIGHTH GRADE GIRLS STUMBLE IN OVERTIME

The Lockney eighth grade Lady Shorthorns were tied at the end of their

game with Hart and came up short in overtime. The game ended 42-37.

Angela Hall and Tikka Smith were tied for leading scorer with 8 points each. Randi Jo Henderson made 6 points, Diana Lemons 5 points, Chelsea Patridge 4 points, and Nicole Emert, Lisa Perez and Tamarah Burson each sank 2 points.

Lockney School Menu

SEVENTH GRADE SHORTHORNS ROLL OVER HART 43-23

The Lockney Seventh Grade Shorthorns sounded defeated the Hart seventh grade team by a score of 43 to 23. Their record for the year stands at 6-6.

Danny Vasquez and Gerardo Luna each made 16 points to share the honor of leading the scorers. Corbin Kellison followed with 11 points.

SEVENTH GRADE LADY SHORTHORNS PLAY HART

The Seventh Grade Lady Shorthorns played the Hart girls on February 3 and wound up on the bottom of the heap 31-12 after a cold night on the boards.

Kimberly Martinez led the scoring for the Lady Shorthorns with 6 points. She was followed by Kelli Clark and Debrah Ballejo with 2 points each and Patricia Reyes and Kaci Mathis with 1 point each.

Seed quality has potential problems

By Mike Mallett, CEA-Ag.
For cotton producers considering using 1991 crop seed to plant in 1992, there are a few things to consider. The 1991 seed drop has potential problems.

Some of these concerns are:
- Seed maturity in the 1991 crop
- If using your own seed, be sure to test for: standard germ, cool germ, cool/warm vigor index, free fatty acid, tetrazolium, accelerated aging. (Testing can be done with the TDA.)

Standard germ for seed is 80% or greater. Cool germ should test 50% or greater. The cool/warm vigor index can be an aid to sorting seed lots and deciding planting dates. Classification for the cool/warm vigor index is: less than 120, poor; 120 - 140, fair; 140 - 160, good; greater than 160, excellent.

If you are catching your own seed for 1992 planting, encourage your delinquent to cull the seed hard. 1992 may be a good year to plant certified seed. As far as seed treatment - look at it as "stand" insurance. Some practices that reduce seedling losses are: crop rotation, seed quality, timely planting, fungicide treatments.

Fungicide treatments of cotton seed is the most underrated practice in Texas. On the South Plains 65% of the cotton seed is treated with Captan only.

In trials conducted, the in-furrow treatment gave no better fungi control than seed treatment, and probably cost more.

For your consideration, seed treatment and replant costs are listed below.

TREATMENT COSTS	
Nuflow ND + Apron	\$5.00
VitaVax PCNB + Apron	5.00
Apron + Demosan	5.00
For 20 pounds of planted seed per acre, this figures out to \$2.00 per acre for seed treatment.	
REPLANT COSTS/ACRE	
rod weed	\$4.00
planting	6.00
herbicide	6.00
seed	3.60 - 10.00
	\$19.60 - 26.00

Conference covers all aspects of cotton industry

By C. Mark Brown
Extension Agent-Entomology (PM)
Crosby/Floyd Counties

I recently had the opportunity to attend the Beltwide Cotton Conference, held this year in Nashville, Tennessee. This meeting addresses all aspects of the cotton industry, including production, ginning, and textiles. A good representation from Crosby and Floyd Counties, as well as other South Plains counties, was present at this meeting. Ralls cotton producer, Steve Verett, addressed the general session of the conference concerning HVI classing. This was an excellent meeting, and I strongly urge all those involved in the cotton industry to make plans for attending the January, 1993 cotton conference to be held in New Orleans.

Enclosed are just a few highlights from some of the sessions I attended. Remember that producers should review the following statements cautiously since many of them are findings from only one year's research, and some may not relate well to the Crosby-Floyd production area.

- World production in 1991 is estimated at 91 million bales, while '91 U.S. production is estimated at 16.8 million bales.

- Mobay Chemical Company has changed its name to Miles, Inc. - Agricultural Division, effective January 1, 1992.

- Area-wide IPM (integrated pest management) programs from 1976-78 allowed for a 50% reduction in pesticide use and a 10% increase in yield. With

today's better varieties, computer simulation models such as GOSSYM, and emphasis on host plant resistance, pathogens, crop manipulation, and area-wide programs, the statement was made that IPM has just begun.

- A line of transgenic cotton is now being bred to tolerate 40 X the use rate of Bromoxynil (Buctril), so that over-the-top sprays will be possible.

- Vanadium foliar feed trials in the Lubbock area gave excellent results in the Lubbock area in 1990; however 1991 findings were inconsistent with this.

- Narrow row cotton production requires much more intensive management, but has provided an 18% yield advantage under limited irrigation and a 16% yield advantage in fully irrigated cotton in the Texas South Plains, primarily because of the increased number of bolls per plant, increased boll retention, and increased water use efficiency. The 30-inch rows pose a problem with tractor tire widths, and some rollovers have been reported. Narrow row cotton has a higher yield potential, but less recovery time from damage.

- Number of nodes above the uppermost white flower is becoming realized as a good indicator for tracking plant growth response. The photosynthates being produced by the plant decline rapidly once there are 5 or fewer nodes above the uppermost white flower.

- The tremendous aphid pressure experienced in the Texas High Plains in 1991 was discussed. Management strategies for 1992 will include: avoid-

ance of late-planted cotton, uniform and optimum plant stand, avoidance of applying excessive nitrogen, avoidance of automatic insecticide applications with cultivation for fleahoppers, and treating with the higher rate range once aphid numbers average 50/leaf.

- Temik side-dress application applied at 5, 7, and 12 lbs. per acre on July 24 resulted in a 250 lb. yield increase in 1991 as compared with the untreated check.

- Cotton variety resistance was indexed in far West Texas in variety trials in 1991. Varieties exhibiting the lowest average aphid numbers included Alltex Atlas and Paymaster HS 26. Highest average aphid numbers were found in HQ 95 and Alltex Max 9. (Variation in counts was high, thus reducing the confidence in the results of this test.)

- A naturally occurring fungus that destroys aphids in the Delta is classified as Neozytis fresensis, and this may possibly be the same fungus as the one affecting aphids in High Plains cotton during the '91 growing season. Spores of the fungus normally attach to a leg and often fill the aphid's body in 2 to 3 days. Once detected in a field, the epizootic usually runs its course in 1 to 2 weeks, and will remain in the field the remainder of the season in the Delta. The speaker explained that this fungus shows some promise under low humidity conditions.

- Research has indicated an incompatibility with pyrethroids mixed with 22% area foliar feed, resulting in a 35 to

70% decreased recovery of pyrethroid and reduced insect control. The cause was a physical rather than a chemical incompatibility. An oily layer is formed in top of the mixture. No adjuvants at the recommended rate overcame the physical incompatibility, nor did agitation.

Alternatives explained to farm families

Factors beyond their control, such as the cotton market and the weather, are making it difficult for many area farmers to obtain adequate financing for their 1992 crop, says an agricultural economist with the Texas Agricultural Extension Service.

To help producers caught in this situation, the Extension Service will hold a series of programs, "Financial Alternatives for Farm Families," said Dr. Jackie Smith, the Extension economist here. Sessions will be held in Lubbock, Abilene and Amarillo. There is no charge for the programs.

The Abilene program will be from 9 a.m. until noon February 11, in the meeting room of the county extension office. The Amarillo program will be from 1 to 4 p.m. February 12, at the Texas A&M University Agricultural

Research and Extension Center, 6500 Amarillo Blvd. West.

The Lubbock program will be from 9 a.m. until noon February 13, at the Texas A&M Agricultural Research and Extension Center. The center is on FM 1294, just east of the Shallowater exit on I-27.

The sessions will be co-sponsored by the Extension Service and the Agricultural Economics Department at Texas Tech University. The Extension Service is an agency of the Texas A&M University System.

Topics to be discussed include loan restructuring, cash flow analysis, the mediation process in resolving distressed loans, a description of the various bankruptcy alternatives and the tax implications of any type of loan restructuring. Speakers will include Dr. Danny

Klinefelter, Extension Service agricultural economist and management specialist at College Station, and Dr. Gary Condra, director of the Ag Loan Mediation Program at Tech.

Calibration clinic slated for sprayers

Wylie Manufacturing will be conducting a Texas Department of Agriculture approved pesticide applicator continuing education seminar. The seminar will emphasize sprayer calibration, sprayer safety and sprayer applications.

The clinic will take place Wednesday, February 26 at the Koko Palace, 5101 Avenue Q, in Lubbock. It will begin at 10:00 a.m.

The TDA will also feature a one hour session on laws and regulations which will give each individual a total of four hours recertification credits. The course is aimed at private applicators. Each individual is asked to bring a license or a certificate number, in order to receive the proper credit, upon completion of the course.

Wylie Manufacturing believes that sprayer maintenance and calibration are more important than ever. With the development of high-activity pesticides and the new concern about ground water protection, farmers have more reasons to accurately apply pesticides.

Calibration instruction before the spraying season begins is important to improve application accuracy, maximize investment returns in crop protection chemicals and help to protect the environment.

Those attending are asked to RSVP 1-800-722-4001.

Summary of Cotton Marketing Report

A bearish world supply situation continues to erode cotton prices, limiting sales of West Texas/Oklahoma growths last week on TELCOT to 53,565 bales. The volume was a 55.6 percent decline from the previous week's season-high 120,124 bales.

Average daily prices received for cotton sold on the electronic marketing system for the five trading days ending January 30 failed to surpass the 40-cent level. Average gross premiums over the adjusted world price, or loan repayment rate, declined steadily from a high of 1,006 points to a low of 941. This was a departure from the previous week when premiums remained consistently above 1,000 points.

The falling prices and premiums caused some producers, especially those with higher quality cotton, to withdraw lots listed for sale in TELCOT's firm offer program. Others simply refused to lower their asking prices to prevailing levels. Another indication of producers' dissatisfaction with current prices is the increased movement of marketable cotton into the government loan. Last week, cotton placed in TELCOT's Loan Advance Program (LAP) increased 21,735 bales. Total LAP entries now stand at 109,017 bales, 16.8 percent of all cotton offered for sale on TELCOT this season. The increased LAP entry also probably is a sign that some producers are in need of cash they can receive from TELCOT's LAP in order to pay off production loans and begin lining up financing for the 1992 crop.

Cotton futures at the New York Cotton Exchange set new contract lows on two consecutive days last week, then rebounded to close higher on January 29 on ideas the market was oversold. Throughout the week, many traders pondered the effect of USDA lowering the AWP. Some predicted the price would drop based on the week's calculations. Most, however, agreed that an unchanged AWP would be supportive to futures.

As some analysts had predicted, USDA lowered the AWP 30 points on January 30. The new AWP is 42.15 cents per pound, effective through February 6. Other trade experts had expressed their desire for USDA to use its maximum discretion to lower the AWP to 40.03 cents. USDA arrived at this week's AWP by subtracting 15.38 cents, to adjust for U.S. location and base quality, from the Northern Europe price of 57.53 cents per pound. The new AWP results in a Producer Option Payment (POP) of 862 points.

A less than outstanding export sales report was released by USDA on January 30. It showed U.S. cotton exports increased a net 73,300 bales during the week ended January 23, a 73.1 percent decrease from the previous week. The latest export figure also is 25 percent below the four-week average. Featured buyers were Hong Kong, 23,400 bales; South Korea, 13,900; and Japan, 12,500 bales.

On the flipside of the demand coin, domestic cotton consumption continues to be strong. Most market analysts see not reason to question the present USDA forecast of 9.1 million bales used by U.S. mills this season. They note yarn sales are strong and demand for denim is especially good at this time. The bright outlook for the U.S. textile industry seems like an enigma in today's recession, but there is a logical reason. U.S. mills in recent years changed their buying methods, utilizing concepts such as "quick response" and "just-in-time" delivery of raw materials such as cotton. Both are designed to keep inventories and associated costs as low as possible.

The current bearish prices are having an impact on projected cotton acreage in other countries. In Mexico, for example, 1992 planted acreage is expected to drop almost 50 percent from the 1991 crop. Trade sources now say the 1992-93 Mexican crop should fall below 600,000 bales, the lowest output since 1948-49 when the country produced 528,000 bales of cotton. Much of the acreage is going to heat since prices for that commodity recently soared, up 63 percent from the same time a year ago.

On the demand side, 1991-92 Mexican cotton usage is expected to be 800,000 to 850,000 bales, according to a trade source, likely making Mexico a significant cotton importer in the coming year.

Destruction of habitat reduces insect population

Certain crop pests overwinter in the soil. This allows producers the opportunity to manipulate the overwintering habitats of these insects, and thus greatly reduce survival and subsequent emergence of these pest populations the following spring.

Southwestern corn borer larvae overwinter in the stalk base or root crown, insulated by a frass plug and by the

Locals do well at El Paso stock show

Floyd County was once again represented very well by its youth. At the El Paso Stock Show, Ryon Smith had lambs which placed third and fourth in the Medium Wool division. Desha Smith had one lamb to place fifteenth in the Medium Wool division.

Tara Mallett received Reserve Grand Champion Angus Heifer with her entry. She also received one of only nine \$1,000 scholarships through the Beef Cattle Division of the stock show.

Cassidy Mallett exhibited the Grand Champion Angus Heifer and had a steer place ninth. Jeffrey Griffith, representing Lockney FFA, received eleventh place with his entry in the Hamp category of the Swine division.

surrounding soil. Destruction of overwintering habitat of Southwestern corn borers is a very important cultural IPM practice for reducing damage from this insect to High Plains corn. This habitat destruction can be accomplished either by disking or by shredding stalks near enough to ground level so as to remove the plugs from the end of the girdled stalks, thus allowing greater exposure of the insects to the winter elements. Shredding of stalks could be used in conjunction with minimum tillage practices so that overwintering corn borer populations might still be reduced without plowing. Populations are most effectively reduced when stalks are plowed before mid-February.

Cotton bollworms overwinter in the soil in the pupal stage. Greater winter survival of bollworms has been noted in conservation tillage and no-till fields than in conventionally tilled fields. It is

important to realize that bollworm populations can migrate into our area, thus allowing potential for heavy bollworm pressure regardless of the number of bollworms that successfully overwinter in the Crosby/Floyd area. However an equally important point involves a research study conducted at the Lubbock Experiment Station in 1986. This study indicated that even moderate soil tillage results in a high level of winter mortality for overwintering bollworms. Therefore, overwintering bollworm survival can be effectively reduced even in conservation tillage management systems.

HEART MONTH--Judge Bill Hardin (center) is shown here signing a proclamation declaring the month of February, Heart Month. Witnessing the signature are Jim Word (left) and Margaret Herrera (right) both representing the American Heart Association.
 Staff Photo

AMERICAN HEART MONTH Floyd County, Texas PROCLAMATION

"WHEREAS, diseases of the heart and blood vessels this year will kill almost one million Americans, which nearly totals the total number of deaths from all other causes combined, and

"WHEREAS, such diseases are the number one killers in Floyd County, and

"WHEREAS, as estimated 170,000 American victims of cardiovascular diseases die before reaching retirement age, and

"WHEREAS, over 22,000 Texans died last year from heart attack, and

"WHEREAS, cardiovascular diseases will cost our country more than \$101.3 billion this year, and

"WHEREAS, nearly 62 million Americans have the 'silent killer', high blood pressure, and

"WHEREAS, the American Heart Association is the only voluntary health agency whose sole mission is to reduce disability and death from cardiovascular diseases and stroke, and

"WHEREAS, habits for regular exercise, which appear to be beneficial for adults, are formed in childhood, the American Heart Association will continue to educate students about the necessity of physical activity, and

"WHEREAS, of the nearly 47 million smokers in the nation, approximately 3.4 million teenagers, the American Heart Association will aggressively continue to provide anti-smoking public education to schools, and

"WHEREAS, the American Heart Association is funding a nationwide research program, as well as improving health care in Floyd County through professional and public education as well as community service programs.

"NOW, therefore I, William D. Hardin, County Judge, proclaim the month of February as American Heart Month and urge all citizens to support the lifesaving mission carried out by twenty two citizens of Floyd County American Heart Association volunteers during the month. Contributions of time and money will help in the fight against heart disease, stroke, and other related disorders. During 1991 Floyd County raised over \$9,000.00. I urge citizens to help the American Heart Association, Floyd County, meet their goal of raising \$9,500.00 during American Heart Month."

Approved: William D. Hardin, Floyd County Judge
 Margaret Herrea, Floyd County Secretary

ORTHOPEDIC SURGERY CLINIC AT CROSBYTON CLINIC HOSPITAL

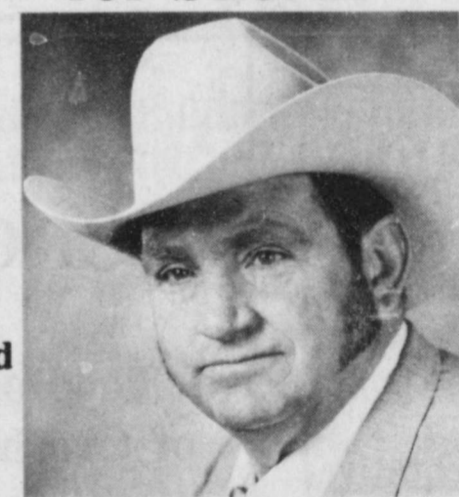

The Board of Directors, Medical Staff and Administration of Crosbyton Clinic Hospital are pleased to announce the opening of an ORTHOPEDIC SURGERY CLINIC beginning Wednesday afternoon, February 5, 1992.

Dr. D.K. Pal will provide the orthopedic surgery services. Dr. Pal is a Fellow in the American College of Surgeons and a Fellow in the American Academy of Orthopedic Surgeons. He and his wife are longtime residents of Lubbock. Dr. Pal will provide his orthopedic surgery clinic on Wednesday afternoons at the Crosbyton Clinic Hospital.

For an appointment, please consult your physician and/or call the receptionist at Crosbyton Clinic Hospital at 675-2382.

"Quality Care in a Caring Environment"

ELECT Ellis M. Butler for Sheriff

Educated

Certified

Experienced

Dedicated

Fair

As I ask the citizens of this county to elect me Sheriff, I am constantly told, "We are Sick and Tired of Our Children being Destroyed By Drugs. If we elect you, What Are You Going To Do About It?"

When I am elected there are several things that need doing. Drugs and The People that sell them will be my first priority. This problem can't be solved overnight, it is an ongoing problem, but with cooperation between all Law Enforcement Agencies in this county we can do something about it. There is a lot of help available.

I am not going to make a lot of promises!
 I Am Going To Give You Something Better!!
 RESULTS!

PUBLIC HEALTH WEEK—Maybelle Enriquez (left), Community Service Aide with the Texas Department of Health, looks on as Mayor Wayne Russell (right) signs a proclamation naming Feb. 2-8, Public Health Week.

—Staff Photo

RESOLUTION

WHEREAS, Good health is the right of every Texan and the mission of public health is to promote and protect the health of Texans through education, disease and injury prevention, regulation, research, and delivery of preventive health services; and

WHEREAS, The ability to be a productive worker, student and citizen is directly tied to one's health status and having good health among Texans is necessary for the economic well-being of Texas; and

WHEREAS, A working partnership among governmental agencies, voluntary organizations, private health care providers, professional associations, health advocates, and consumers is essential in providing public health services and meeting the health needs within the state; and

WHEREAS, The contributions and challenges of public health in Texas need to be recognized and supported by all Texans; now, therefore, be it

RESOLVED, That all organizations and individuals involved in public health services in Texas be commended for their tireless work and dedication to public health and its mission of protecting and promoting the health of our citizens; and, be it further

RESOLVED, That the week of February 2 through February 8, 1992, be recognized as

Public Health Week in Texas.

Mayor Wayne A. Russell

Salvation Army now offering free booklet to assist in will preparation

The Salvation Army is offering a free booklet to assist the seven-out-of-eight people who have not prepared a will.

With this booklet, the Salvation Army is offering information to help control the distribution of an estate to family, friends and charitable organizations. With an up-to-date will, an estate is distributed by one's own wishes rather than legal formulas.

Some think only wealthy people need

a will, or that drawing a will is too expensive or complicated. The Salvation Army wants people to know that, without a will, the state will determine the disposition of assets, the welfare of one's spouse, and the guardianship of one's children.

For this free booklet write: The Salvation Army, Planned Giving, P.O. Box 2785, Lubbock, TX 79408.

Sarpalius' mobile office arrives Feb. 13

U.S. Rep. Bill Sarpalius' mobile office will be in Floydada (11:00-12:00 p.m. at the courthouse) and Lockney (9:00-10:00 a.m. at the bank) on February 13, 1992.

The mobile office allows the congressman to bring his office's services directly to his constituents. A represen-

tative from the Congressman's office will be on hand to assist with constituent questions.

The mobile office will be traveling to each town in the district on a monthly basis. For more information, contact Aaron Alejandro, District Coordinator, at (817) 767-0541.

CARD OF THANKS

As director of the 1992 Miss Floydada Pageant, I have many people to thank for its success. First to Betty Marquis for all her hard work and many hours spent, I could not have done it with out her. To Julie Duke for a superb stage decoration, they looked great. To the Women's Chamber members preparing the food and all the backstage and preparation help they gave. To Edd Henderson Jr. and Christy Ramos for the help in tabulations and keeping everything going smooth. To Shelia Poole for her help and support. To Ann Carthel for the wonderful job she did as MC. To Chris Wilson for choreographing the music. To Austin Williams for running the spotlight. To all the special entertainment and guest who were able to come. And a very special thank you to all the contestants. I hope you had a enjoyable experience.

The Miss Floydada Pageant was a big success because of all the hard work of many people and a big thank you to each of you. I would also like to say a special thank you to the Floyd County Hesperian-Beacon for their support in publicity.

Debra Graham
2-6p

I want to thank the Lockney Hospital staff for what they did for me before I went to Methodist Hospital for surgery. Thanks to my friends and relatives for all the cards, flowers, visits and phone calls while I was in the hospital. And, for phone calls, visits and food since I have been home and especially your prayers through it all.

I'm glad I live in Floydada. I'm doing fine and glad to be home.

Ethel Warren
2-6p

Dear Floydada Businessmen and Farmers,

Thank you for buying my pigs, I appreciate your support and help in our stock show. Sincerely,

CARD OF THANKS

The family of Russell Reeves would like to take this opportunity to convey our thanks to each of you that made this time more bearable for us.

To each of you that called, came by or just thought of us, you are appreciated. To each of you that brought food or sent a card, we will not forget your kindness. "Dad" was taken from us suddenly. The tremendous outpouring of love and support has helped us through this most difficult time.

We would like to extend a special thank you to the Assembly of God Church and Brother Van Hoose and Brother Daniels. Also, thank you Edell, Quaid and Jan for the way the services were conducted. The Floydada Cemetery Association deserves special appreciation.

Our hope is that God will bless each of you in a very special way.

What is a heart attack?

February is American Heart Month. During this month the American Heart Association will be providing information to Floyd County residents on what every age group needs to know for a healthy lifestyle. One of those messages is the warning signs of a heart attack.

You've heard of it. You might fear it. You may have even had one. So what's a heart attack?

It occurs when the blood supply to part of the heart muscle is severely reduced or stopped. This usually happens when arteries that supply blood to the heart muscle are blocked by obstructions that include deposits of fat and cholesterol. A blood clot lodged in a coronary artery can also cause a heart attack. In both cases, the heart muscle is damaged and death can be imminent.

During a heart attack, the body usually sends out warning signals that your heart is starving for oxygen.

"An uncomfortable pressure, fullness, squeezing of pain in the center of your chest for more than two minutes is one signal," says Lynn Marler, president of the American Heart Association of Floyd County. "Chest pain that

spreads to your shoulders, neck or arms is another. Lightheadedness, fainting, sweating, nausea or shortness of breath may also occur."

"Sometimes the signals may subside, only to return later." More than 300,000 Americans die each year due to heart attacks before reaching the hospital, so don't ignore the warning signals. Act immediately.

The American Heart Association recommends you call the emergency rescue service 911 if you are having chest discomfort lasting two minutes or longer. If you can get to a hospital faster by car, have someone drive you. Do not drive yourself. Find out which hospitals in your area offer 24-hour emergency cardiac care. Select in advance the facility nearest your home or office and tell your family and friends so they will know what to do.

"Keep a list of emergency numbers next to your telephone in a prominent place in your pocket, wallet or purse," adds Lynn Marler. If you are with someone who is experiencing the warning signals that last for two minutes or longer, insist on taking prompt action.

Obituaries

GEORGE BARNEY MAYFIELD
Services for George Barney Mayfield, 94, of Waco were at 4 p.m. Tuesday, January 28, in Lorena.

He was a brother of Gordon Mayfield and farmed with Gordon in the Center Community in Floyd County for two years. He then moved to New home where he owned and operated a grocery store. He then moved to Bruceville. He moved to Crosbyton in 1926 from Whitney, where he farmed 30 years or more.

Survivors include his wife, Pauline of Waco; one son, Rickie of Lorena; one brother, Jim R. of Bend, Oregon; one sister, Florence Laxon of Kingston, Oklahoma; two grandchildren and several nieces and nephews.

MARION MEEK

Services for Marion Lois Meek, 93, of Floydada were at 2 p.m. Saturday, February 1, 1992, in Moore-Rose-White Funeral Home with the Rev. Bill Wright, pastor of First United Methodist Church, officiating.

Burial was in Floydada Cemetery. Mrs. Meek died Thursday, January 30, 1992, in Lewisville Memorial Hospital in Lewisville after a lengthy illness.

She was born in Menburn, Iowa, and moved to Floyd County in 1910. She married Roy Meek on January 5, 1939, in Floydada. He died in 1956. She was a homemaker, a farmer and a member of First United Methodist Church.

Survivors include a daughter, Martha Carey of Lewisville; and three grandchildren.

SHEILA STEINBOCK

Services for Sheila Steinbock, 36, of Lubbock, will be at 2 p.m., Thursday, February 6, in First United Pentecostal Church with the Rev. Steve Shaw, pastor, officiating.

Burial will be in Peaceful Gardens Memorial Park under direction of Rix Funeral Directors.

Mrs. Steinbock died at 10:33 p.m., Monday, February 3, 1992, in Methodist Hospital after a lengthy illness.

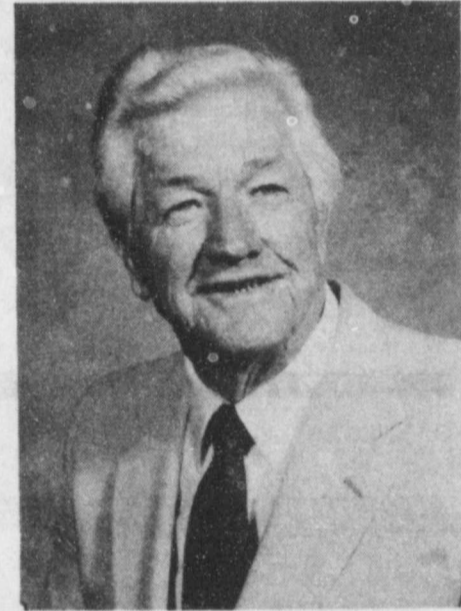

She was born in Lockney and moved from Jal, N.M., to Lubbock in 1970. She married Troy Steinbock on Feb. 17, 1990, in Lubbock. She was a homemaker and a member of First United Pentecostal Church.

Survivors include her husband; a son, B.J. of Lubbock; her mother, Mildred Thornton of Lubbock; a sister, Wanell Gregg of Lubbock; and a brother, Tom Thornton of Lubbock.

Pallbearers will be Larry Gregg, John

Taylor, Z Marshall, Kenny Kent, Terry Thornton and Tommy Thornton.

The family suggests memorial to the Hodges Cancer Center.

PRESTON WATSON
Funeral services for Preston Watson, 75, of Floydada will be at 2 p.m. Thursday, Feb. 6, in the First Christian Church with the Rev. Robin Hoover, pastor, officiating. Interment will be in Floydada Cemetery under the direction of Moore-Rose-White Funeral Home.

Mr. Watson died Sunday, Feb. 2, 1992, at his home.

Born Aug. 18, 1916 in San Saba, Texas, he came to Floyd County in 1950 from Archer City, Texas. He married Lavern Hunt in 1941 in San Saba.

He was a former football coach and school principal in Floydada.

He had attended Daniel Baker College and Texas A&M University. He served with the U.S. Armed Forces in World War II and was a member of the First Christian Church.

Survivors include his wife, Lavern; one son, Dicky Watson of Wylie, Texas; two sisters, Madge Maddox and Zola Ward Trail, both of Denison, Texas; two brothers, Wilburn Watson of Beaumont and Jack Watson of Abilene; and two grandchildren.
