PARADE

The parade begins at 10:30 a.m. on the south end of Main Street. Registration is set to begin at 9:00 a.m. and to receive a prize or ribbon you must be registered.

FLOYD COUNTY 5K & FUN RUN

The 5K will begin at 9:30 a.m. and the Fun Run at 9:00 a.m. on Saturday. The starting line is on the north end of Main Street in front of the Police Department. Pre-registration must be received by Saturday, September 12. Late registration will be accepted. Packets can be picked up at the Lockney General Hospital between 3:00 and 5:00 p.m. on Friday, September 18. Corporate sponsors are First National Bank in Lockney, Caprock Industries and Floyd County Fair Board.

CHILI COOKOFF

The cookoff starts at 11:00 a.m. on Saturday. There is a \$15.00 entry fee. Each entrant must cook a minimum of 10 pounds of meat; no electricity will be available; all ingredients are to be prepared on the spot; judging will take place at 5:00 p.m. Chili will be served at 5:00 p.m. for \$2.50 per bowl.

WASHER PITCHING CONTEST

The fifth annual Washer Pitching contest will be held on Saturday beginning at 1:00 p.m. This will be a double elimination contest. Entry fees are \$20.00 per team or \$10.00 per person.

VOLLEYBALL

There is a \$30.00 entry fee per team and regulation rules will be followed. The tournament will start at 1:00 p.m. on Saturday.

TUG-O-WAR

Two preliminary tugs will be held, one at 6:00 p.m. on Thursday and the other at 6:00 p.m. on Friday. There is a \$30.00 entry fee and a 1500 pound weight limit per team. The first place team will receive a Traveling Trophy.

TWINS CONTEST

Fun event with no entry fee or age limit. The event will be held at 4:00 p.m. on Saturday. The categories are: Look Alike, Dressed Alike, Youngest, Oldest, Most Different.

CHILDRENS BARNYARD

A variety of farm animals for everyone to pet and perhaps even feed. You will see a baby calf, goat, pig, rabbits, ducks, chickens, kittens, puppies as well as other animals. It is located in the fair

Continued On Page 3

See You At The Pole!

Lockney citizens will gather at the flag pole at City Hall at 7:00 a.m. Wednesday, Sept. 16, to participate in a simultaneous prayer for the youth in the community. Lockney students will be meeting at the same time in the Lockney schools for prayer. The nationwide event is expected to draw thousands across the country.

Punkin Day committee plans community-wide candy handout

The Punkin Days committee is actively seeking volunteers to pass out candy to youngsters during the community wide trick-or-treating celebration Oct. 31 in downtown Floydada.

Plans are currently underway to block out the city square and set up tables on downtown sidewalks. Several businesses and organizations have already agreed to work tables, but other volunteers are still needed.

Because Halloween and Punkin Days fall on the same day this year, the Punkin Day committee felt it would be more enjoyable for families and safer for children to have the costume contest on Saturday, Oct. 31, at 6:00 p.m. under the pavilion.

R Photography will begin taking pictures at 5:30 p.m., near the pavilion, of

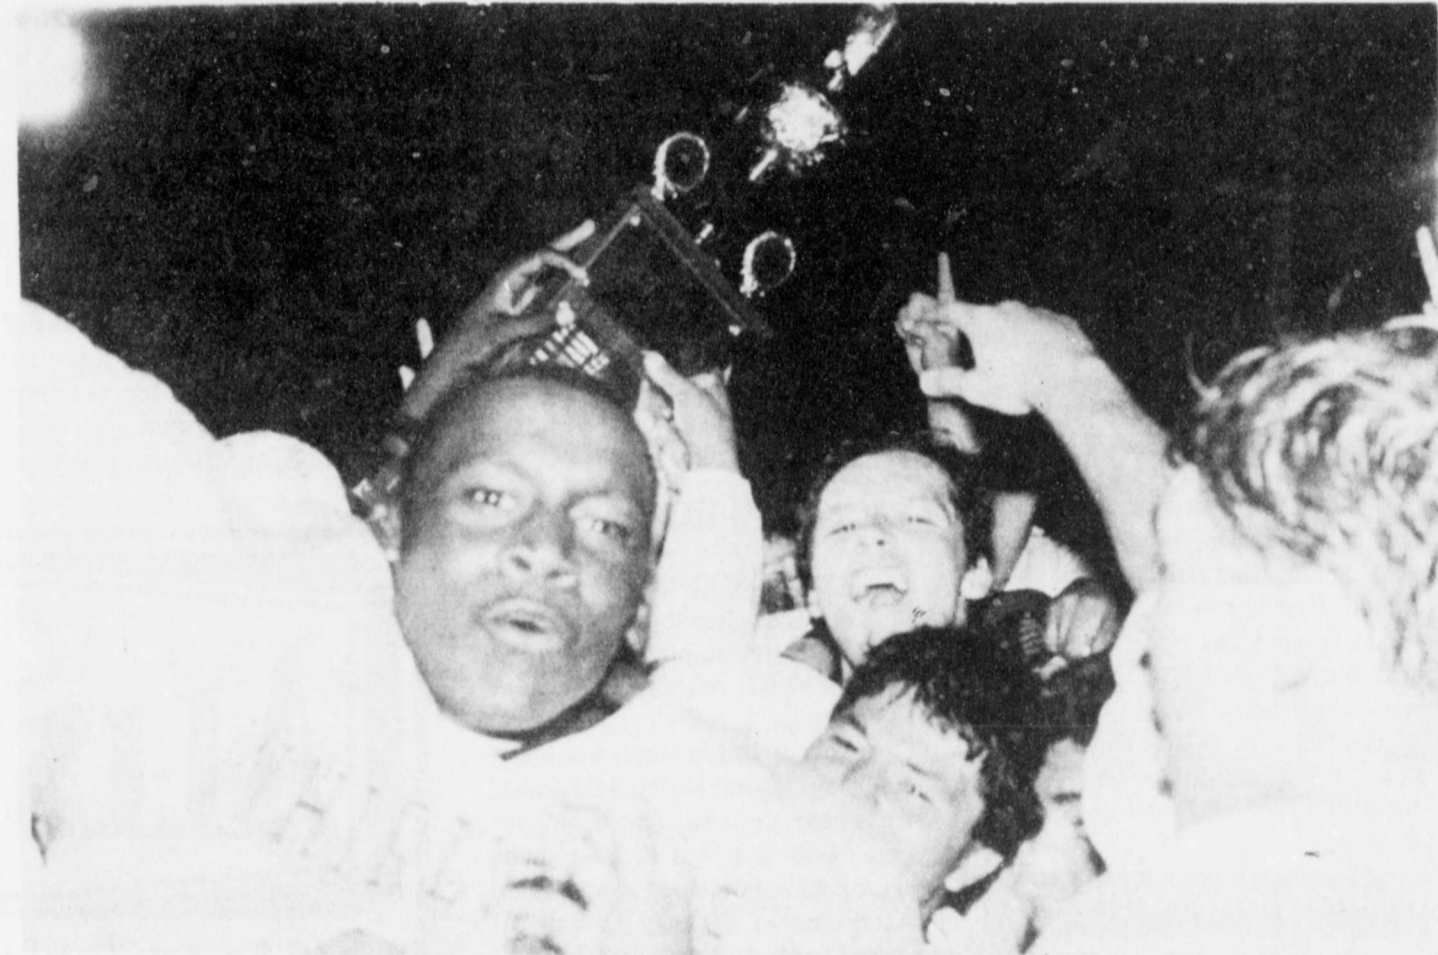

any ghost or goblin who would like to have a professional photograph of their costume. There will be a nominal fee for the pictures.

Downtown trick or treating will commence at the end of the costume contest and residential trick or treating will be discouraged.

The Floydada chamber office is asking for donations of candy to hand out, or cash to purchase candy.

Volunteers to treat the trick or treaters may dress in costume and should be in high school or older. The trick or treating should last approximately two hours.

Anyone interested in helping out should call Anne Carthel, 983-2377, or the Floydada Chamber of Commerce, 983-3434.

HAPPY CHAMPS -- Michael Henderson (left) and Scott Crader (right) lead the cheers for a bunch of jubilant Whirlwinds after receiving the county trophy. The Winds

successfully defended their Floyd County Championship with a 49-6 victory over Lockney on September 4.

-- Staff Photo

Lockney enrollment up from 1991

Lockney's school enrollment figures, as of Friday, Sept. 4, 1992, stood at 833 students. The current figures show an increase over last year's figures of 806 students.

"Yearly enrollment figures are difficult to compare, because of the continuing enrollment of students throughout the first month of school," said Administrative Secretary Jackie Lou Holt. "Depending on which week the figures are reported the number may vary. Our figures keep going up, but they also went up last year. I believe our enrollment will end up being about the same this year as last."

Elementary campus enrollment stood at 435 on Friday with Hispanics making up 63% of the student population. Thirty-

five percent of elementary students are Anglo and Black students comprise 1% of the population.

Junior high enrollment was 185 students, on Sept. 5, with a majority population of 58% being Hispanics, 39% Anglo and 3% Black.

Two hundred and 13 students are enrolled in Lockney High School, and once again Hispanics make up the majority of the enrollment figure at approximately 63%.

A breakdown of schools and their enrollment figures can be found on Page 10.

This chart will represent enrollment figures from the second week of school. The figures have gone up.

School board members review redistricting recommendations

FLOYDADA — Following an invocation by board member John Campbell, the Floydada Independent School District was called to order by board president Charlene Brown. Present for the session were board members Brown, Campbell, Michael Hinsley, Steve Lloyd, Billy Villarreal, school superintendent Jerry Cannon, administrative assistant Jimmie Collins, FHS principal Joe Christian, Caprock Special Education Coop director Les Ross, curriculum director Grant Hambricht, Linda Waller, Lyn Marler, Joe Stepp and the Hesperian-Beacon reporter.

Minutes from the previous meetings were read by vice-president Hinsley in the absence of board secretary Trena Simpson. The minutes were approved with one spelling correction noted.

A motion by Hinsley with a second by Lloyd was passed by unanimous vote of those present authorizing the payment of monthly bills. Board member Don Hardy arrived at this point in the proceedings.

Superintendent Cannon asked Collins to present the committee recommendation from the redistricting committee to the board for approval. The committee asked that the board approve a plan for five single member voting districts with two at-large districts, for a total of seven board members. The maps provided for the board detailed the recommended changes in district boundaries to achieve the desired changes without disenfranchising any sitting board members.

A motion by Hardy, seconded by Campbell, and passed unanimously, approved the plan for submission to the Justice Department. The redistricting plan will not be final until approval is secured concerning its compliance with the Voting Rights Act of 1965.

Board members approved setting teacher career ladder appraisal periods from September 21, 1992 thru January 8, 1993 and from January 18 thru May 7, 1993. Motion for the action was made by Campbell with a second by Villarreal.

Christian presented a letter from the FHS Student Council which requested a deletion or amendment to the current dress code for students at the secondary school level in Floydada. The council asked that item #2 be changed to allow students to wear short pants to school. The letter specified that the short pants should be loose fitting, no shorter than four inches above the knee, not designed for athletic wear and not cutoffs. Christian recommended amending the code to include this, not deleting the item entirely.

A motion by Lloyd was seconded by Villarreal based on the recommendation. Board members voted unanimously to allow short pants as specified in the letter to be worn on secondary school campuses.

Board members again approved a \$500.00 contribution to the juvenile department of the 110th Judicial District. The department works with the school in handling juvenile problems and offenders and the school has made this contribution to the operation for the past four or five years according to Cannon.

Lloyd made a motion to make the contribution and Hardy seconded it. Members approved the motion unanimously.

Employment of two special education aides met with a slight delay in the case of one applicant. Jason Bean was approved for employment as an aide at R. C. Andrews Elementary on a motion by Hardy with a second by Hinsley. Employment of the second applicant, Nora Cisneros, was delayed so that the possibility of nepotism could be checked on after board member Villarreal told the board she is his cousin.

Special education director Ross asked the board to approve the only bid submitted for installing a wheel chair lift at the Junior High next year. He stated that it took several months to get the equipment and have it installed when the lift at Andrews was authorized. This makes it necessary to begin now if the lift is to be in place next fall when it will be needed to accommodate a wheel chair student who will be moving to Junior High as a seventh grader.

The bid of \$27,217.50 was approved

County Education District sets tax rate at 80.67 cents

Meeting in a special called session on Friday, August 28, 1992, the Floyd County Education District adopted a budget for the 1992-93 school year and set a tax rate for the same period.

Jim Martin of Lockney put forward a motion to adopt the proposed budget for the 1992-93 school year as presented to the CED board. The motion was seconded by Dickie Lambert, also of Lockney, and approved by unanimous vote.

The budget approved by the FCED board totals \$1,531,080.00. Revenues include \$1,508,668.00 from the 1992-93 tax levy, \$7,762.00 in carry over tax collections from the 1991-92 school year and \$14,650.00 to be contributed by the two member school districts to cover the cost of administration and operation for the FCED.

Expenditures include \$1,200.00 for legal fees, \$1,000.00 for a required audit of financial records, \$5,000.00 to cover the cost of tax appraisals and collections handled by the Floyd County Central Appraisal District, \$500.00 for part time labor, \$200.00 for media advertising

costs, \$500.00 for postage, \$500.00 for supplies, \$2,000.00 for travel to allow members to attend state mandated training sessions, \$3,500.00 for insurance and \$250.00 for bonding expense. These items total the \$14,650.00 the individual districts will pay for operating costs.

The remainder of the budget, the tax revenues, will be disbursed to FISD and LISD to fund school operations. FISD is slated to receive \$948,982.00 and LISD will get \$567,558.00 based on the number of students enrolled at each school.

Motion was made by Charlene Brown of Floydada and seconded by Michael Hinsley, Floydada, to set a tax rate of 80.67 cents for the 1992-93 school year. Vote on the motion was unanimously in favor.

Present for the noon session were board members Michael Hinsley, Charlene Brown, Dickie Lambert and Jim Martin. Also in attendance were FISD school superintendent Jerry Cannon, administrative assistant Jimmie Collins and LISD superintendent W. H. Hallmark.

By The Way

By Alice Gilroy

I want to call your attention to a "This Week" in our community events calendar. Debbie Montandon of Lockney is trying to organize a Life Chain in Lockney on October 4.

The chain will consist of PEACEFUL people wanting to show their support for "Pro Life". She said that everyone will carry a sign and form a chain down Main Street in Lockney to show their support of the anti-abortion movement.

Neither Debbie, or other organizers in other towns, want this to be a place where shouting or accusations are demonstrated. It is only for people to quietly and peacefully form a chain and let everyone else know how many people are out there who feel this way.

Debbie said that if not enough people show up she will encourage everyone to join the chain in Plainview.

Remember—this isn't just for Lockney people! Anyone can come!

I had some bee keepers lingo in last week's paper. Here is fisherman's lingo that I stole out of Jim Reynolds column in Tulia.

**It's called:
When Fishermen Meet**

- "Hiyamac"
- "Lobuddy"
- "Binearlong?"
- "Coplours"
- "Cetchanenny?"
- "Goddafew"
- "Kindarthay?"
- "Bassencarp"
- "Ennysizetoom?"
- "Cuplapowns"
- "Hittinhard?"
- "Sordalike"
- "Whachoozin?"

advertising purposes.

Now of course, some to these are worthwhile causes, but I'll let you judge for yourself.

The month of October has been designated: National Adopt-A-Dog Month, Campaign for Healthier Babies Month, Combat Asthma Awareness Month, Computer Learning Month, Consumer Information Month, Co-op Awareness Month, Energy Awareness Month, Nat'l Garage Door Safety Month, Nat'l Aids Awareness Month, Nat'l Car Care Month, Nat'l Clock Month, Nat'l Cosmology Month, Nat'l Disability Employment Awareness Month, Nat'l Family Sexuality Education Month, Nat'l Kitchen & Bath Months, Nat'l Liver Awareness Month, Nat'l Seafood Month, Nat'l Sudden Infant Death Syndrome Awareness Month and Spinal Health Month.

WAIT — THERE'S MORE! The rest are designated days out of October. Several of them are on the same day, which doesn't make sense to me.

There is: World Vegetarian Day, World Farm Animals Day, American Beer Week, Nat'l Fire Prevention Week, Minority Enterprise Development Week, Nat'l Health Care Food Service Week, Mental Illness Awareness Week, Nat'l Metric Week, Nat'l Newspaper Week, Nat'l Osteopathic Medicine Week, Nat'l Religious Reference Books Week, Physician Assistant Day, Credit Union Week, Nat'l YWCA Teen Week, Nat'l School Lunch Week, Columbus Day, Nat'l Dessert Day (my favorite);

White Cane Safety Day, Nat'l Boss Day, Dictionary Day, Black Poetry Day, Nat'l School Bus Safety Week, Nat'l Dental Hygiene Week, Nat'l Forest Products Week, Nat'l Infertility Awareness Week, United Nations Day, Consumer Protection Week, Nat'l Magic Week, Nat'l Save Your Back Week, Peace, Friendship & Good Will Week, Mother-In-Law Day, and of course—Halloween!

Courtroom Activities

In county court, September 3, Joe Castro Jr., pled not guilty to his August 26 charge of assault.

Also on September 3, Joe Cedillo, 52, of Petersburg, pled guilty to his September 1 charge of DWI. He was sentenced to six months in jail which was probated for two years. He was also fined \$500.00 and court costs.

Also on September 3, Reginaldo Mata was charged with unlawfully carrying a weapon.

Upstairs Theater slates "Opal Is A Diamond"

FLOYDADA — The first production of the Upstairs Theater's 1992-93 season, *Opal is a Diamond*, will be presented on October 1, 3, 4, 9, 10, and 11. The play is a sequel to the theater's 1990 production, *Everybody Loves Opal*. Frances Puckett returns to the stage as Opal Kronkie. Jaynette Harrison, Dallas

Ramsey, Don Warren, Kay Brotherton, Paco Garcia, and Carlen Beedy display their theatrical talents as well. Cindy and Grant Hambright are the production's co-directors.

The October 1, 3, 9, and 10 performances will be preceded by a dinner, and the October 4 and 11 productions are

matinees only. "Play Only" and matinee tickets are \$6.50. Combination tickets (dinner and play) are priced at \$12.50. Reservations can be made by calling 983-2445.

Patrons making reservations for this year's productions are advised to a new ticket reservation policy. Reserved tick-

ets must be paid for 48 hours prior to the requested performance. For example, if a person wants to attend a performance on a Saturday night then the tickets must be paid for by Thursday. Any unpaid reservations will then be made available to the general public. Tickets for *Opal is a Diamond* may be picked up at CRH Systems (116 W. California) during regular business hours. According to Grant Hambright, co-chairman of the theater, "We want everyone to have an opportunity to attend on the night of their choice. If we have a sell-out performance, we begin a waiting list just in case there are cancellations. In the past we have had people not honor their reservations and we didn't have time to notify the people on the waiting list that they could come. Some of the waiting list people are from out-of-town and can only attend certain performances. The new '48 Hour Policy' will now afford us the opportunity to notify people on the waiting list that openings are available." Hambright strongly recommends patrons to make their reservations early for the best selection of performances and seats.

Floydada Police Report

FLOYDADA -- Watchful neighbors can be credited with halting a burglary in progress, early in the morning of September 8.

According to police reports, people housewatching a home in the 300 block of W. Crockett, reported suspicious activity in a neighbors home.

Police responded and found three men hauling furniture from the home and putting it in a U-Haul.

Taken from the home was all the furniture, a water bed, assorted clothing and a TV.

Arrested at the scene were Carlos Manuel Saucedo, 22, of Dallas; Gerardo Gonzalez Gonzalez, 24, of Dallas; and Juan Manuel Saucedo, 36, of Dallas. Charges are pending at this time.

"They will probably end up being deported," said Police Chief James Hale.

September 7, at 9:30 p.m. police took a report of a 14 year old female runaway. Her possible whereabouts were for-

Minor injuries sustained in Lockney accident

LOCKNEY -- Highway Patrolman Ron Parks was called to the scene of a major accident, at the intersection of FM 378 and FM 97, on September 2, at 10:35 a.m.

One woman, Debra Nash, was taken to Lockney General Hospital by ambulance where she was treated and released. Nash who was 8 1/2 months pregnant, had complained of neck pain.

According to Parks, J.R. Belt, of Lockney, was driving a 1991 GMC pickup south on FM 378. "Belt ran the stop sign at FM 97 and collided with a 1988 Buick 4 door, driven by Helen McLemore, who was westbound on FM 97.

"The Buick skidded 120 feet before it hit a curb and came to a stop. Belt was not injured."

Two year old, Leslie Nash, was strapped in a car seat in the back, and received very minor lacerations.

"Leslie had a glass cut on her nose and forehead."

Leslie and McLemore were both transported, by private vehicle, to Lockney General Hospital for observation. They were treated and released.

ENCHILADA DINNER

(Includes rice, beans, salad, cake, tea or coffee)
Saturday, Sept. 19 11:00 a.m.--2:00 p.m.

Eat at the church (503 S. Wall, Floydada) or take out (983-2177)

Everyone is encouraged to bring entries for the following exhibits:

Top-O-The Crop, Agriculture, Community Displays, Commercial Exhibits, Educational Exhibits, Art, Textiles, Canned Fruits & Vegetables, Culinary, the Youth Department, Craft Department, and Flower Department.

Rules and regulations can be found in the Fair Catalogue, which can be picked up at businesses in Lockney and Floydada or by calling the chairman of the department.

HOT DOG, HOT DOG, ANYONE FOR A HOT DOG-- Dub Dipprey serves up hot dogs to everyone who stopped under the red, white and blue awning in Floydada on

Thursday and in Lockney on Friday. The bank employees served the free hot dogs and lemonade in celebration of Labor Day. Staff Photo

THIS WEEK

ENCHILADA DINNER

St. Mary Magdalen Church in Floydada will host an enchilada dinner on Saturday, Sept. 19. Serving will be from 11 a.m. to 2:00 p.m. and persons may eat in the church hall or take out by calling 983-2177. Plates will include enchiladas, rice, beans, salad, cake and tea or coffee. Proceeds will benefit the building fund.

GENEALOGICAL SOCIETY

Caprock Genealogical Society will meet Monday, Sept. 21, at 7 p.m. in the Pioneer Room of First State Bank in Silverton. The program will be by Marisue Potts, who will show slides on her trip to Scotland. Everyone is invited.

LOCKNEY PTA

The first Lockney PTA meeting will be a chili supper Monday, Sept. 14, at 6:00 p.m. This will be free to members and 50 cents for member's children. You may join the PTA at the door.

DWI CLASS CANCELLED

DWI Education Class scheduled for Sept. 14, 15 and 16 has been cancelled. The next class in Floyd County will be in November. Anyone who needs to take a class sooner may take the class in Hale County.

PRO LIFE SUPPORTERS

Those interested in quietly and peacefully promoting Pro Life are asked to call Debbie Montandon at 652-3696. If enough support is shown, an Oct. 4 Life Chain will be held in Lockney. Please call as soon as possible.

CANCER SOCIETY

American Cancer Society, Floyd County Unit, will meet Monday, Sept. 14, at 5 p.m. in the community room of the First National Bank of Floydada.

RALLY DAY PICNIC

The Trinity Lutheran Church, Providence Community, will have a Rally Day Picnic Sunday, Sept. 12, at 5:30 p.m. Everyone is invited to come and participate in food and games. The church is located at the intersection of FM 788 and Hwy. 2301.

FLOYDADA 4-H

Floydada 4-H Club will hold their first monthly meeting on Monday, Sept. 14, at 7:00 p.m. in the Massie Activity Center. All 4-H'ers and those who would like to join are reminded to attend and to please ask your parents to attend this first meeting also.

DUNCAN PTA

Duncan PTA will have its first meeting of the year by sponsoring an open house on Tuesday, Sept. 15, at 7:00 p.m. Everyone is encouraged to attend and meet the teachers.

SARPALIUS MOBILE

U.S. Rep. Bill Sarpalius' mobile office will be in Floyd County on Sept. 17. They will be at Lockney from 9 to 10 a.m. at the bank and in Floydada from 11 a.m. to 12 noon at the courthouse.

THE FLOYD COUNTY HESPERIAN-BEACON

(USPS 202-680)
Published weekly each Thursday at 111 East Missouri Street, Floydada, Texas 79235. Second class postage paid at Floydada, Texas 79235.

POSTMASTER: Send change of addresses to: The Floyd County Hesperian-Beacon, 111 E. Missouri, Floydada, Texas 79235.

SPAGHETTI SUPPER

Floyd County Day Care will sponsor their annual Spaghetti Supper on Friday, Sept. 11, in the Floydada Junior High Cafeteria. Serving will be from 5-8:00 p.m., prior to the Floydada-Brownfield game. Tickets are now on sale at \$3.50 for adults and \$1.75 for children.

DANCE

Lockney Quarterback Club will be sponsoring a dance, open to all ages, on Saturday, Sept. 12, from 8:00 p.m. to 12 midnight in the Lockney Elementary Cafeteria. Music will be by "Music To The Maxx". Admission will be \$5.00 per person.

AFGHAN TICKETS

Tickets are available for the drawing of the apricot colored afghan that has been donated to the Lockney Senior Citizens. The drawing will be Sept. 25.

TIME CHANGE FOR 5K AND FUN RUN

Floyd County Fair Fun Run will begin at 9:00 a.m. Saturday, Sept. 19, in Lockney. The 5K run will start at 9:30 a.m. The time that had been printed in earlier registration forms has been changed. Disregard the 8:30 a.m. starting time.

SALVATION ARMY TAKING DONATIONS

The Salvation Army in Lockney is now beginning to take donations of toys for Christmas and items for baskets for the needy. Anything will be appreciated. For more information or if you want to make a donation, contact Alicia at 652-2285; Art Barker, 652-2642 at the office; or Soila Reyna at 652-2143. The building is located west of Barker Realty.

Children usually get all the vitamins they need

Children will get the vitamins and minerals they need if parents sidestep the supplements and focus on the four major food groups, says Dr. Kathleen J. Motil at the USDA's Children's Nutrition Research Center in Houston.

"Even the most finicky eater will get enough vitamins and minerals with a varied diet including meat, dairy products, grains and fruits and vegetables," says Motil, assistant professor of pediatrics at Baylor College of Medicine.

"Children's vitamin and mineral preparations really treat the parent rather than the child. They provide parental peace of mind," she said.

Motil urges parents to exercise caution if they insist on over-the-counter supplements.

Vitamins can be potentially toxic, she warns. More is not always better, and megadoses of vitamins can be harmful.

"Too much iron can be fatal, and there are cases where excess Vitamin A and D can damage the kidneys, heart, and brain," she said.

Motil believes supplements should only be given under the care of a physician for specific medical reasons such as a chronic illness, teen pregnancy, or eating disorders.

However, she points out that a pediatrician may decide to recommend a fluoride supplement, available alone and in combination with vitamins, if there is insufficient fluoride in the drinking water.

For parents who want to leave supplements behind, Motil provides the following dietary refresher:

To make sure your child gets adequate iron, serve red meat and liver, poultry and fish, legumes, fortified cereals, enriched whole-grain breads, dark-leafy vegetables and dried fruits.

Calcium is found in milk, cheese,

yogurt, salmon and broccoli.

For vitamin C, try citrus fruits, green peppers, tomatoes, broccoli and strawberries. Cantaloupe and apricots are rich in Vitamin A.

The B vitamins can be found in meats, fish, poultry, grains and cereals, sweet potatoes, bananas and eggs.

1950 Study Club make plans for upcoming year

FLOYDADA — The first meeting of the year was held at the community room of Lighthouse Electric Cooperative Tuesday evening, Sept. 1. A Mexican stack-up meal was hosted by the members of the program committee, Shirley Morton, Nettie Ruth Whittle and Margie Fowler. The room and serving table were decorated with fresh flowers and relics from Mexico.

The new president, Geneile Evans, presided as the meeting began with the roll call, "My Summer Project". The program, "Welcome to a New Club Year!" included discussions about the special projects for the year.
 New officers are Geneile Evans, president; Lovene Moore, 1st vice president; Shirley Morton, 2nd vice presi-

dent; Martha Lotspeich, recording secretary; Wanda Hickerson, treasurer; Jane McCulley, reporter; and Lovene Moore, federation counselor. The names of three women were proposed for membership.
 The chairman of the program committee, Shirley Morton, presented the new yearbook. She outlined the programs for the year, designating one meeting as "guest night".

Those attending were Nell Abram, Edris Edwards, Geneile Evans, Margie Fowler, Wanda Hickerson, Martha Lotspeich, Jane McCulley, Doris McLain, Lovene Moore, Sue Moore, Shirley Morton, Carol Reese and Roberta Russell.

We Salute...

LOCKNEY — There were 66 present for supper and everyone enjoyed it once again.

The quilt has been put on the quilting frame, so some of the ladies quilted.
 T.V. Copeland is wearing a shiner, when asked what was wrong, he said, "Women are tougher than they used to be." Is that right, T.V.?
 Next week we will have potluck.
 Our sympathy goes out to the Irvan Caldwell family.
 Our sympathy goes out to Velma Harrison on the loss of her great-grandson.

Our many thanks to James Hill for sharing Myrt's file on birthdays, anniversaries and etc., on members with the Center. This was her personal file and we appreciate his sharing.

Montandon, Mr. and Mrs. Floyd Jackson, Effie Parker, Elfie Sherman, Mr. and Mrs. Bobby McCormick

RECIPE
Reuben Casserole
 1 (32 oz.) jar sauerkraut, drained
 1 medium onion, grated or dehydrated
 4 (2.5 oz.) package thinly sliced corned beef
 2 1/2 cups (10 oz.) shredded Swiss cheese
 1 1/4 cup sour cream
 1/4 tsp. garlic powder
 9 slices rye bread
 2 tbs. melted butter
 Combine sauerkraut, sour cream, onion and garlic powder. Put in lightly greased 8 inch square baking dish. Add corned beef and Swiss cheese. Remove crush of bread, cut into triangles and cover top of casserole. Top with melted butter. Cover and refrigerate for at least 8 hours. To bake, remove from refrigerator and let stand at room temperature for 30 minutes. Bake at 350 degrees F. for 35 minutes or until lightly browned.

MENU
 September 14 - 18
Monday: Meatloaf, macaroni and cheese, green beans, corn salad, raisins
Tuesday: Fried chicken, gravy, creamed potatoes, spinach, jello salad, cheese cake
Wednesday: Enchiladas, Spanish rice, pinto beans, green salad, peaches
Thursday: Brisket, baked potatoes, green peas, macaroni salad, brownies
Friday: Chicken fried steak, gravy, creamed potatoes, carrots, three bean salad, cherry cobbler

Longhorns stumble against 'Winds in annual county clash

By Les Reed

LOCKNEY — This past week the single most asked question of me was, "What will you find to write about this week?" Well the answer to that question is football. First I would like to congratulate the Whirlwinds of Floydada on a well played game and secondly I would like to say to the Lockney Longhorns, chins up, the season has just begun! Going into the first game of the season against a team like the Whirlwinds is tough, but as a team you must stand united to come out strong in the end. Fans you too must stand united with the team and support them one hundred percent!

Minutes after the game began the Longhorns got a taste of what the evening held for them. With the first offensive drive stopped after 3 downs the Horns were forced to punt the ball for what turned out to be just one of many times during the evening. With the Whirlwinds now on offense it took only two plays before running back Michael Ochoa blew through our defense for a 44 yard touchdown followed by the extra point by Michael Gilliland.

Turnovers seemed to be a problem for the Longhorns as in the second offensive drive the Whirlwinds were able to intercept a Vargas pass. All together the Longhorns suffered 3 fumbles and the one interception. Floydada soon expanded their lead to 14 to 0, as the extra point was again successful for the Whirlwinds. The first quarter ended as

the Whirlwinds seemed to have things well in control.

"The Whirlwinds are a really good team," Coach Lowe stated. With the Horns short on seniors, many see them as a year out from really making their mark. Not helping matters for the Horns were the injuries suffered during the game. Joey Adams suffered a back injury and Patrick Monroe had a slight separation in his shoulder. Both players were to be evaluated by the doctors to see if they would see playing time in next week's game.

During the second quarter the Whirlwinds were able to add six more points to the scoreboard. The point after attempt was no good so the half ended with the Whirlwinds in front by 20 to 0. Coming back after the half only seemed to add fuel to the fire as the Whirlwinds tacked on an additional 20 points in the third period. "This was not a good experience. There are not a lot of positive things I could say," quoted Coach Lowe.

In the final quarter the Longhorns saw a little silver lining around a very dark cloud as the Horns were able to put 6 points on the score board. Tanner Johnson broke loose for a 65 yard touchdown run which kept the Whirlwinds from shutting the Horns out all together.

Next week we face the Petersburg Buffaloes. Like the Longhorns, the Buffaloes will be looking for their first win as well. You come on out this coming Friday as we travel to Buffalo country and help the Longhorns bring

home a victory.

YOU'RE NOT GOING ANYWHERE--Joey Adams #70 does his job as he brings down the Whirlwind quarterback inside the Lockney 10 yard line. Several other Longhorns are on their way to help. Lockney played Floydada for the County Championship in the first game of the season. The game was played in Lockney. Staff Photo

JUST TEN MORE--The Lockney Shorthorns do pushups as their coaches encourage them to work harder. David Brewer is 7th grade coach and Rodney Dowell coaches 8th grade. The junior high teams will meet Petersburg on Thursday at 5:00 p.m. in Mitchell-Zimmerman Field. Staff Photo

1992 Lockney Homecoming Notes

EXES SOUGHT

The Lockney Homecoming committee still needs addresses for David Jameson, Eldora Jameson, Jerry Irons, Geraldine Byars and Georgia Belyeu. Anyone with information on these exes is asked to call Dewanda Blenden at 652-2563.

Smile & Have A Nice Day!

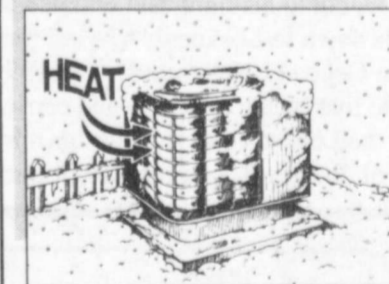

THE WARMTH OF THE EARTH

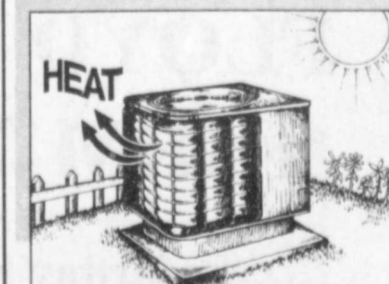

The heat pump captures it to heat and cool your home naturally.

The Dual Fuel Heat Pump uses existing heat to keep your home comfortable...naturally. Because it doesn't have to create heat, it's very efficient. For each unit of energy it uses, the Dual Fuel Heat Pump creates two or three units of heat.

Dual Fuel Heat Pump owners say it costs them less to operate than other systems. And, because it's electric, the Dual Fuel Heat Pump is cleaner.

There is heat in the air on the coldest days. The heat pump captures it to warm your home.

In summer, it becomes a high efficiency air conditioner. During hot weather, the heat pump captures the heat inside the home and takes it outside.

Contact your heat pump dealer or Southwestern Public Service Company for more information.

Dual Fuel Heat Pump

Whirlwinds blow past Horns for county title

By Bill Gray
FLOYDADA -- The Floydada Whirlwinds scored early and often, and successfully defended their Floyd County Championship with a 49-6 victory over the Lockney Longhorns on September 4. Taking up where they left off as the South Plains' 3A total offense leader in 1991, the 'Winds rolled up almost 500 yards in the season opener for both clubs at Lockney's Mitchell-Zimmerman Field.

The Longhorns received the opening kickoff, but only managed one yard in their first offensive series and were forced to punt. Following a Lockney penalty, the Whirlwinds scored on their first scrimmage play from the Longhorn 43-yard line with junior Mike Ochoa carrying the distance. Micheal Gilliland's first extra point attempt of the year was perfect, and the 'Winds led 7-0 -- barely two minutes into the contest.

A pass interception by Floydada's Jammie Davis, deep in Lockney territory, led to the next Whirlwind scoring drive. It took only six plays for the 'Winds' high octane offense to again cross Lockney's double stripe, with senior running back Michael Henderson punching across from ten yards out. Gilliland again added the conversion kick to extend the Whirlwind lead to 14-0.

Lockney QB Leo Vargas ran a 13-yard keeper in the Longhorn series following the ensuing kickoff as the 'Horns attempted to get their offense untracked. However, fullback David Luna's fumble on second down was recovered by Floydada noseguard Rafael DeOchoa, which brought an end to the drive.

Sophomore quarterback Sammy Rodriguez completed his first pass as a Whirlwind starter on first down from the Lockney 41-yard line. The aerial to Jason Pyle moved the 'Winds down to Lockney's 25. Two plays later Jammie Davis scored on a 23-yard scamper, but the touchdown was nullified due to a clipping penalty. A swing pass from Rodriguez to Henderson netted the 'Winds five yards as the first quarter drew to a close.

The 'Winds were unable to convert a third-down play on the first snap of the second stanza, and Lockney took over on downs on the Longhorn 16-yard line. Floydada's defense held, and Lockney attempted a fourth-down punt. The snap was high, Vargas mishandled the ball, and DeOchoa recovered for the 'Winds deep in Longhorn territory. Two plays later Ochoa carried in for his second touchdown of the half. The point-after run attempt failed, and the Whirlwind margin was 20-0.

Following an exchange of punts, the Longhorns mounted their most serious drive of the game. A delay of game penalty proved to be costly as the 'Horns ran out of downs at Floydada's 6-yard line. Two consecutive carries by Ochoa moved the 'Winds out of the shadow of their own goal posts up to the Floydada 23-yard line. The halftime horn sounded with the Whirlwinds holding a commanding 20-0 lead.

Floydada's Michael Henderson lost the handle on the second half kickoff, the ball was bumped out-of-bounds, and the 'Winds had to start their first series from their own 1-yard line. On first down, Rodriguez kept the ball on the option, cut to his right, and rambled 52 yards down to Lockney's 47-yard line. Mike Ochoa blasted through the center of the line on the next play and carried into the Lockney end zone for his third TD of the night. Sammy Rodriguez

passed to brother Jesse for the two-pointer and the 'Winds were up 28-zip.

Following the kickoff the 'Horns were unable to garner a first down, but the 'Winds drew a roughing the kicker penalty which gave Lockney new life at their own 40-yard line. The 'Horns made three first downs on the strength of the running of Vargas, David Luna and Phineas Riddley, but again the turnover bug hit. Wayne Wells' recovery of a Vargas fumble gave possession back to the 'Winds at their own 43-yard line.

Floydada quickly capitalized on the Longhorn miscue. Second string fullback Tyrone Henderson carried for 7 and 13 yards and Rodriguez ran for another 7 yards, setting up Michael Henderson's second touchdown from the Lockney 30. Gilliland's extra point kick failed, and the Whirlwinds were penalized for a late hit on a Lockney player who attempted to advance the errant kick. The penalty was tacked on the ensuing kickoff.

Gilliland's high kick hung up in the strong south wind, and bounced into the hands of a pursuing Michael Henderson. Three plays later Tyrone Henderson scored from 26 yards out for his first touchdown as a Whirlwind.

Gilliland's kick was wide to the right (thanks to the swirling wind), and the score was extended to 40-0.

Lockney picked up three first downs (one as a result of a roughing the passer penalty against Floydada) and moved down to the Whirlwind 23-yard line where disaster struck again. Wayne Wells recovered his second fumble of the period as time ran out in the third quarter.

Entering the fourth quarter, Floydada coach Dean Bates pulled his starters. Junior QB Tate Glasscock took over the controls of the backfield, consisting of Tyrone Henderson, Pete Cooper, and Gabino Suarez. The second unit offense moved from their own 23 down to the Lockney 35-yard line. The Longhorns took over on downs at that point, and on their first snap, reserve quarterback Tanner Johnson kept on the option and raced down the west sidelines for a 65-yard touchdown, 8:44 remained in the ball game. The point-after run attempt by Riddley failed, but the 'Horns were on the board and avoided a shutout.

Tyrone Henderson and Gabino Suarez rushed for 30 and 32 yards, respectively, to start the 'Winds' next series. The offense sputtered, and Michael Gilliland was called on to attempt a 35-yard field goal, which came up short. Lockney spent three plays at their own 20-yard line, and attempted a fourth-down punt which was blocked by Scott Crader.

The Whirlwinds had their second touchdown called back due to a penalty when sophomore Pete Cooper's 15-yard scamper was nullified. However, Gilliland was given another chance at a field goal three plays later. This time the senior's kick split the uprights from 41 yards out. A partially blocked punt by Jason Pyle a few moments later set up Floydada's final touchdown. With :02 showing on the game clock, Glasscock cut to his left, kept on the option, and scored from 11 yards out. A bad snap resulted in a run attempt for the conversion, which failed, making the final score: Floydada 49, Lockney 6.

The Whirlwinds will have their hands full this week as District 3-3A Brownfield comes calling for the Wester Field home opener. The Cubs lost to 4A Frenship 28-27 last week and will be ready to get back on a winning

track. Lockney travels to Petersburg, a 20-22 loser to Crosbyton in week one.

BILL'S NOTES

It was good to see a lot of our younger players get some valuable game time. Tate Glasscock did well running the club and running backs Tyrone Henderson, Gabino Suarez and Pete Cooper proved that they could be important factors in the overall success of the 'Winds this season.

Floydada's first unit lines, on both sides of the trenches, certainly lived up to their preseason billing. I was surprised at some comments made by the "fence gang" during halftime. I was asked, "Why isn't Floydada hitting any harder?" Of course, this inquiry was made by someone not taking the Whirlwind hits. Perhaps the 'Winds were a little conservative in the first 24 minutes, and weren't as dominating as expected.

My reply to the question: "I would equate Floydada's performance in the first half to a scratch golfer playing with a group of weekenders shooting in the 90s. That low handicap golfer will likely score in the mid-to-high 80s -- simply because of the level of competition. When the 'Horns came out after intermission they played with much more enthusiasm, which resulted in Floydada's increased intensity.

Early on the Whirlwind fronts were doing an adequate job (adequate enough, however, to have paved the ways for a 20-0 lead). When Floydada turned it up a notch in the third quarter, the Whirlwinds' superiority over the younger and smaller 'Horns became quite obvious. The holes were big enough between the tackles for Louis Pyle and me to pull two cotton trailers on foot for at least five yards per attempt!

The almost 500 yards in total offense displayed good efforts by the backfields, but the lines were the keys, and for that reason the interior troops (Crader, Gilliland, Cage, Gonzales and DeOchoa) win my vote for offensive players of the game. My nod for offensive play of the game goes to Sammy Rodriguez for his 52-yard scamper from the Whirlwind 1-yard line to open the second half. Sammy's run on the option pushed the 'Winds out of impossible field position, and set up Ochoa's six-pointer on the next play. Honorable mention for offensive player is junior fullback Mike Ochoa. His almost 150 yards on just nine carries and three touchdowns in his varsity debut brings back

Coach's Comments

By Coach Dean Bates

FLOYDADA -- For the most part we were pleased with our performance against a much improved Lockney team. There were things that we did not do well, but some of that we must give due credit to Lockney. Coach Lowe and his staff have done an outstanding job in a year's time and they had a sound, solid game plan for us. Turnovers and mistakes in the kicking game made the game appear a lot different than it actually was. We wish them a lot of success for the rest of the year.

We must prepare for a very good Brownfield team in our season opener at

COOPER BREAKS FOR END ZONE-- Floydada sophomore Pete Cooper (24) cuts to the outside on his way to a 15-yard touchdown in last Friday's game. The score was

nullified by a Whirlwind penalty, the second such score called back in the 49-6 Floydada victory over the Lockney Longhorns.

-- Staff Photo

memories of Ruben Chavarria!
 My "Headhunter" award for the "Hit of the Night" goes to junior noseguard Rafael DeOchoa for his stick on Phineas Riddley after a 14-yard gainer late in the 3rd quarter... that hit was heard all the way to Brownfield! Ralphie also gets my vote for defensive player of the game for his two critical fumble recoveries. The new line-backing tandem of Ochoa and Israel Medrano performed well, as they have big spots to fill for departed All-South Plains Ruben Chavarria and super-hitter Ramiro Rios.

Some work still needs to be done in the kicking game, although "Gill" boomed the 41-yard FG with plenty to spare. Penalties cost the 'Winds two touchdowns, although an aggressive team like Floydada will draw a lot of flags (not always justified).

Lockney is a young team still learning a new system. The 'Horns don't lack talent -- they are just short on experience. They will be a factor in their district, and could be real spoilers for some of the district favorites. Several Floydada players, including Scott Crader commented, "Lockney is much improved over last year, and really took it to us at times out there tonight." Turnovers not only killed Lockney drives, but set up several Floydada scoring opportunities. Improvements there will keep the 'Horns in a

lot of ball games.
 Brownfield won't be as easy. The Cubs lost a toughie to 4A Frenship, and will give the 'Winds their first real test at Wester Field this Friday. However, I will still go along with my preseason pick of Floydada 30, Brownfield 27. Bill's other picks:

- Lockney 13, Petersburg 8
- Littlefield 20, Abernathy 12
- Tulia 22, Canyon 7
- Lubbock Cooper 14, Shallowater 6
- Kermit 19, Denver City 15
- Hamlin 26, Abilene Wylie 21
- Idalou 33, Muleshoe 13

---Upset Special---

Michigan 27, Notre Dame 24

SCORE BY QUARTERS

Floydada 14 6 20 9 -- 49
 Lockney 0 0 0 6 -- 6

SCORING SUMMARY

Floydada -- Mike Ochoa 43 run (Micheal Gilliland kick)

Floydada -- Michael Henderson 10 run (M. Gilliland kick)

Floydada -- Mike Ochoa 7 run (run failed)

Floydada -- Mike Ochoa 47 run (Jesse Rodriguez pass from Sammy Rodriguez)

Floydada -- Michael Henderson 30 run (kick failed)

Floydada -- Tyrone Henderson 26 run (run failed)

Lockney -- Turner Johnson 65 run (run failed)

Floydada -- M. Gilliland 41 FG (kick failed)

Floydada -- Tate Glasscock 11 run (kick failed)

RUSHING -- Floydada: Mike Ochoa 9-146, 3 TDs; Tyrone Henderson 9-94, 1 TD; Sammy Rodriguez 5-79; Michael Henderson 6-54, 2 TDs; Gabino Suarez 4-52; Jammie Davis 6-15; Tate Glasscock 7-33, 1 TD. Lockney: Turner Johnson 2-53, 1 TD; David Luna 12-44; Leo Vargas 17-31; Frank Gutierrez 4-16; Phineas Riddley 6-20; Lalo Chavira 4-11.

PASSING -- Floydada: Sammy Rodriguez 2-2-0, 22 yds.; Tate Glasscock 0-1-0. Lockney: Turner Johnson 1-3-0, 10 yds.; Leo Vargas 0-6-1.

RECEIVING -- Floydada: Jason Pyle 1-17; Michael Henderson 1-5. Lockney: Lalo Chavira 1-10.

PASS INTERCEPTIONS -- Floydada: Jammie Davis.

FUMBLE RECOVERIES -- Floydada: Rafael DeOchoa 2; Wayne Wells 2.

BLOCKED PUNTS -- Floydada: Scott Crader, Jason Pyle.

Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise determined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from \$1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from \$1.75 to \$1.70. In addition, the Touch-tone rates for business PBX trunks will be reduced from \$3.15 to \$2.18.

This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce the rates for Touch-tone service in 1993.

The Custom Calling Services affected by the Company's application are optional telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

Residence	Business	
	Current Rate	Proposed Rate
One Feature per line		
Call Waiting	\$2.10	\$2.85
Call Forwarding	2.10	2.10
3-Way Calling	2.10	2.10
Speed Call-8	2.10	2.10
Two Features per line		
Call Waiting, Call Forwarding	3.75	4.25
Call Waiting, 3-Way Calling	3.70	4.25
Call Waiting, Speed Calling-8	3.70	4.25
Call Forwarding, 3-Way Calling	3.70	3.50
Call Forwarding, Speed Calling-8	3.70	3.50
3-Way Calling, Speed Calling-8	3.70	3.50
Three Features per line		
Call Waiting, Call Forwarding and 3-Way Calling	5.30	5.65
Call Waiting, Call Forwarding and Speed Calling-8	5.30	5.65
Call Waiting, 3-Way Calling and Speed Calling-8	5.30	5.65
Call Forwarding, 3-Way Calling and Speed Calling-8	5.30	4.90
Four Features per line		
Call Waiting, Call Forwarding, 3-Way Calling, Speed Calling-8	6.90	7.05
Speed Calling - 30 code capacity	3.20	3.20

Most of the Company's residence and business customers who subscribe to Custom Calling Features and Touch-tone service will be affected by the proposed rate restructuring.

It is expected that the restructuring of Custom Calling Features will result in a rate increase for approximately 2.9 million residence customers and 280,000 business customers. The reduction in rates for certain Custom Calling Services and Touch-tone Service will affect approximately 4.3 million residence customers and 1.7 million business customers.

This rate restructuring is expected to have a "revenue-neutral" effect on the Company's annual revenues. The proposed rate restructuring of Custom Calling Services will increase the Company's annual revenues by \$19.8 million; while the reduction in Touch-tone rates will decrease the Company's annual revenues by \$19.8 million.

This proceeding has been designated Docket No. 11382. Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC as soon as possible. The deadline to intervene is October 30, 1992. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

Southwestern Bell Telephone

Pest Management Report

By C. Mark Brown
Extension Agent-Entomology
Crosby/Floyd Counties

GENERAL SITUATION

We've received some needed rainfall since my last report, but it came with a price for some folks. Hail damage occurred in the Sandhill area on August 31, and some hail also occurred at Floydada.

COTTON

Growth conditions range widely in cotton. Some fields have reached cut-out, and I don't think there are enough squares left in them for a bollworm population to become established. However, some of the replant cotton (particularly the thinner stands) is still producing fruit. These actively growing fields will be attractive to worms for some time yet.

Aphids are below treatment levels in the fields I have looked at this week. Remember that the level of concern is an average of 50 aphids per mainstem leaf. I have noted some parasitism of cotton aphids in some fields, caused by parasitic wasps.

Spider mites are causing leaf discoloration in some fields. Due to limited yield potential and the high cost of miticide applications in cotton, few fields will probably be treated. Also, I've seen good beneficial activity within these mite populations, namely predaceous thrips species and minute pirate bug nymphs.

The following information on lakeweed control appeared in Kerry Siders' Aug. 26 newsletter. Kerry is the Extension Agent-Pest Management for Castro-Lamb Counties.

"We are nearing the time of year when herbicide applications to control Lakeweed (Woollyleaf Bursage) will be most effective. From mid September (Lamb County is a restricted county until time to treat Lakeweed with Banvel. There are other legal herbicides which will suppress or control Lakeweed but only Banvel does not

render the ground unproductive for a couple of years. Yes, there is the argument that "well the ground is already rendered unproductive with the Lakeweed, why would it matter if we sterilize the soil for a couple of years." Killing the ground out" for a couple of years only delays the agony. Generally, those Lakeweed spots come right back the following year.

As any of you that attended the Lakeweed Field Day in Sudan back in July know, there is no silver bullet; but there is a control program which incorporates chemical and mechanical methods over a period of a few years that will control Lakeweed.

It is suggested that Banvel be applied at 2 pounds (2 qts) per acre in 15 gallons of water per acre. A good surfactant is also suggested. Additional chemicals, as Roundup, and other additives have not shown to add any additional control.

Then in the spring and summer a combination of cultivation or disking and post-directed herbicide applications should be used to set back any regrowth at that time. The constant killing of above ground plant parts and root kill from Banvel will eventually exhaust subsoil energy supplies from roots which can extend down to 15-20 feet."

SORGHUM

The rains should really be of benefit to our sorghum catch crop. Growth stages now range from boot to hard dough. With the exception of one horror story, insect pest activity has been light in program fields this week. The midge counts I've recorded have been low. Parasitism levels in greenbug populations are now running in the 30 to 50% range. Spider mites can only be found in small colonies in the fields I have checked.

Now for the horror story. . . One of the last fields I checked before this writing is a field near Savage in the milk to soft dough stage. The trusty shakebucket method revealed an average of 53 headworms per 10 plants, or more than 5 per head. This was approximately a 3:1 ratio

of fall armyworms to corn earworms. Sizes ranged from 1/8 to 1 inch.

As of this writing, I don't know how widespread this problem is. Remember though that fall armyworms tend to prefer grass-type crops, so check headed sorghum fields carefully, as well as early planted wheat.

WHEAT

Continue checking seedling wheat for greenbug infestations. The general 'rule-of-thumb' threshold for controlling greenbugs in wheat that is 3 to 6 inches tall is 100 to 300 per linear foot. Occasionally, populations of 25 to 50 greenbugs per foot of drill row in very young wheat may warrant treatment.

SCS kicks off windbreak tree program

By Dora Ross

The Floyd County Soil and Water Conservation District will kick off their annual windbreak tree program Thursday, Sept. 17, at the Floyd County Fair. Pamphlets and information will be available during all of the fair; however, personnel will be available to take or-

ders Friday night and Saturday.

The establishment of windbreaks around fields and farmsteads provide substantial benefits to wildlife. They have been proven to be very important nesting areas for 15 to 25 different species of song birds and critical wintering areas for many species of resident and wintering wildlife, particularly pheasants. There may be cost-share assistance available to landowners who develop windbreaks for wildlife protection through the local chapter of Pheasants Forever. For more information concerning this assistance, contact Mark Lewis, Habitat Manager, High Plains Chapter of Pheasants Forever, or Soil Conservation Service. Wildlife packets are adaptable to CRP acres to establish wildlife habitats.

Windbreaks are relatively cheap to install and maintain. They provide for multiple-use benefits such as beautifying the countryside and/or farmstead, reduction of energy costs for heating and cooling buildings, reduction of soil blowing, and establishes livestock shelters.

We encourage all CRP landowners who are incorporating wildlife habitats into CRP acreage to purchase a wildlife packet(s). A limited number of wildlife packets are available. They include quail and pheasant, turkey, deer, and squirrel. Each packet contains 4 species and 25 seedlings of each species (100 total seedlings).

Trees will be sold at a nominal price through the Texas Forest Service. The seedlings are grown at the West Texas Nursery in Lubbock and are adapted to this area.

Conifers available this year include the Afghanistan Pine (Bullet), Afghanistan Pine, Arizona Cypress, Austrian Pine, Ponderosa Pine, Rocky Mountain Juniper, Redcedar, and White Pine. Conifers will be sold for \$72.00 for 40 seedlings plus tax. Bullets will be sold for \$36.00 for 30 seedlings plus tax. We will accept a minimum order of 20 seedlings.

Hardwoods available this year include Catalpa, Desert willow, Green ash, Honeylocust, Little walnut, Nanking cherry, Osage orange, Pecan, Red oak, Russian olive, Sandcherry, Skunkbush sumac, Mulberry, and Hackberry. Hardwoods will be sold for \$40.00 for 100 seedlings plus tax. We will accept a minimum order of 25 seedlings per species.

Tree orders are now being taken at the Soil Conservation Service Office in Floydada. The SWCD Board will continue to sell tree seedlings upon their availability until March 1993. All orders are filled on a first-come first-service basis. Be sure to get your order in early to get the seedlings you desire most. These trees are made available to all Soil and Water Conservation Districts in this area and the supply is limited.

For information and order placement, contact your local Soil Conservation Service, Floydada Field Office, USDA Building, Highway 70 East, phone number 983-2352.

Programs and services of Soil Conservation Service are offered on a non-discriminatory basis without regard for race, color, national origin, age, sex, religion, marital status, or handicap.

FARM BUREAU SPONSORS FIREMEN--Bobby Welborn (r) accepts a check from Floyd County Farm Bureau President Randy Rainwater, in the amount of \$345.00, which paid for him to attend the Texas A&M Fire Training School. "We appreciate the time and effort Bobby took to further his training," said Rainwater. Staff Photo

Replacement heifer increase causes concern

Speculation is brewing over what cattle producers are intending to do with the abundant number of heifers being kept in herds rather than being sold. A substantial increase in the number of cattle kept in herds could eventually drop prices for feeder cattle and calves at the farm level.

There was an 8 percent increase in heifers 500 pounds and over being retained as beef cow replacements last year, said Dr. Ernest Davis, economist with the Texas Agricultural Extension Service.

"This signals that producers are either attempting to increase beef cow numbers or that they plan to cull their present beef cow inventories rather sharply and need these additional heifers to replace the older cows," Davis told cattle producers attending the 38th annual Beef

Cattle Short Course and Trade Show. The 2-day event drew nearly 1,000 ranchers to Texas A&M University.

Beef cow numbers in the U.S. Department of Agriculture's Mid-Year Cattle Inventory were only fractionally above year-ago numbers at 34.6 million head, he said.

The total cattle and calf inventory was exactly the same as a year ago at 109.2 million head. "Even though prices have been good for cattle, producers have been reluctant to expand their herds because there is not excessive profitability in beef production. They're just not making a killing," he said.

Dairy cow numbers are actually down from 1 percent from last year with 9.85 million head. The dairy industry has been liquidating for the past five years because of the lack of profitability and

increased milk production per cow.

"But, there was a big, blinking red light in the report, and that was the increase in the number of heifers," he said.

If cattle producers are only attempting to replace those cows they have culled, there will not be much of an increase in the beef cow herd, in the size of the annual calf crop, or in feeder cattle and calf supplies, he said.

"Such a situation would have little impact on future cattle prices," he said.

On the other hand, if the increased numbers are a signal of beef cow herd expansion, that could negatively impact the beef cattle market, he said. A cow herd expansion at a level of only 3 percent could drop feeder cattle and calf prices by \$5 to \$6 per hundredweight (cwt.) by next spring.

"The reason for this amount of concern and caution is the delicate balance we have between the supply and demand for beef," he said.

After commercial and farm slaughter

and normal death losses, there are about 9 million calves left from the 1991 crop. Normal herd expansion is about 20 percent, and 8.7 million calves would be kept as replacements in the beef and dairy cow herd.

If the calves that are left are added to the 1.5 million head imported annually from Mexico and Canada, there will be a surplus of 1.75 million head. Add to that an increase of 3 percent, 1.2 million head, in the cow herd and calf crops, that could topple markets.

"Demand and exports are not increasing that fast. If prices drop drastically, I don't believe any of us can stay in business," he said.

PARTICIPANTS GET HANDS-ON TRAINING--Pictured are part of the A.I./Palpation Clinic participants going through hands-on training of cattle A.I. This clinic was sponsored by the Texas Agriculture Extension Service, the Crosby/Floyd County Extension offices and COBA/Select Sires.

President Bush announces additional emergency funds

President George Bush announced an additional \$755 million in emergency funds for crop losses incurred in 1990, 1991 and 1992. This is in addition to the \$955 million disaster assistance for 1990-91 crops.

The application period for disaster claims on fall-seeded program crops planted in 1991 and harvested in 1992 will begin September 8, and end October 2, Harris said. The application period for producers with losses on other 1992 crops, and for producers with losses from 1990 or 1991 crops who did not previously receive disaster payments for those losses, will begin on October 13 and end February 12, 1993.

"Disaster assistance is available on a per-farm basis for any two years of 1990, 1991 or 1992," Harris said. "The original program provided \$955 million for either 1990 or 1991. Now, relief will also be provided for fall-seeded program crops planted in 1991 for harvest in 1992. Producers will be eligible to apply for assistance on 1990, 1991 or 1992 crop losses; however, if producers received assistance for any of those years they may not receive further assistance for that crop year. Producers who receive payments for fall-seeded program crops will only be eligible for assistance for 1992 crop losses."

Producers with qualifying gross reve-

nues of less than \$2 million per year may file claims for losses of participating and nonparticipating program and nonprogram crops. "Producers with crop insurance must have had losses greater than 35 percent," Harris said. "Producers without crop insurance must have had losses greater than 40 percent. Producers with 1992 crop losses are required,

under certain conditions, to purchase crop insurance for 1993."

Harris said producers intending to file for assistance should begin to assemble their records now, so they will be ready when the official application period opens and they should contact their county Agricultural Stabilization and Conservation Service office

Zavala hosts Bible Study

Bible Study was held in the home of Hector Zavala at 6 p.m. Monday. The study began with prayers and thanksgiving for children, friends and family, and for freedom and peace and salvation.

Scriptures read included Matthew Chapter 5, Verses 7-10: "Blessed are the merciful: for they shall obtain mercy; Blessed are the pure in heart: for they shall see God; Blessed are the peacemakers: for they shall be called the children of God; Blessed are they which are

persecuted for righteousness sake for theirs is the kingdom of Heaven."

The evening was closed with prayers and christian music selections, "Be Bold and Strong", "Blessed Be The Name of The Lord", and "Deeper and Deeper", by Morris Chapman and the Minneapolis Singers.

Blessings were extended for Viola, Steve, Monica, Tammy, Jose, Mary Lou, Freddy and Anna.

Sandwiches, chips and tea were served.

'America's First Newspaper'

Newspapers are such an integral part of American life that it is hard to imagine a time when they were not available on every street corner. In Colonial times, however, American journalism faced many hardships, including poor communications and distribution systems, as well as a government intolerant of criticism.

On Sept. 25, 1690, Benjamin Harris of Massachusetts published what history records as America's first newspaper. *Publick Occurrences, Both Foreign and Domestic* was a first for the people of Boston; before the paper, news usually was posted on trees and poles.

The first issue of *Publick Occurrences*, however, proved to be its last. Upset by several of Harris' views, the Massachusetts governor issued an order of suppression that outlawed the paper.

It wasn't until 14 years later that printer John Campbell capitalized on Harris' idea by founding the *Boston News-Letter*, a weekly newspaper that began publication in 1704. The *News-Letter* lays claim to several firsts in American journalism, including the use of correspondents, the selling of subscriptions, and home delivery.

Today, there are more than 9,000 newspapers published in the United States. And, despite the many changes

that have taken place in the past 302 years, the motivating force behind Harris' attempt to bring journalism to America is the same force that guides the media today: the public's right to know.

ORACION AL ESPIRITU SANTO

Espiritu Santo, tu que me aclaras todo, que iluminas todos los caminos para que yo alcance mi ideal, tu que me das el don divino de perdonar y olvidar el mal que me hacen y que en todos los instantes de mi vida estas conmigo, yo quiero, en este corto dialogo, agradecerte por todo y confirmar una vez mas que nunca quiero separarme de Ti por grande que sea la ilusion material.

Deseo estar Contigo y todos mis seres queridos en la gloria perpetua. Gracias por tu misericordia para conmigo y los mios.

La persona debera rezar esta oracion, decir la peticion y a los tres dias recibira la gracia por mas dificil que esta sea.

Mandese publicar en cuanto se reciba la gracia.

Gracias, Espiritu Santo.

M.J.M.

Public Notice

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting at approximately \$50.

Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You would have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is introduced in their area.

If you want to block your name or number, you need only press *67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

Anonymous Call Rejection (ACR or "block the blocker") allows subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

Proposed Rates (monthly)*	Residence	Business
Calling Number only	\$6.50	\$ 8.50
Calling Name only	\$6.50	\$ 8.50
Calling Name & Number	\$8.00	\$12.00
Anonymous Call Rejection	\$3/\$1**	\$3/\$1**

* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are \$2.70 per feature, with a maximum charge of \$5.40. For business customers, the charges are \$5.40 per feature, with a maximum charge of \$10.75.

** Anonymous Call Rejection is \$3 per month if purchased without Caller ID and is \$1 per month when purchased with Caller ID Name or Number.

This proceeding has been designated Docket No. 11362, and a hearing on the merits has been scheduled for November 16, 1992. The PUC has jurisdiction to consider this matter pursuant to Sections 16, 18, 37 and 38 of the Public Utility Regulatory Act (PURA). This application was filed pursuant to the provisions of the PUC's Substantive Rule 23.24. Among the issues that will be addressed in this proceeding is the legality of the Caller ID device and service under Texas wiretap laws.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is October 26, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

Researchers discover vaccine Lyme Disease still on the rise

Researchers this week announced the discovery of a vaccine effective in protecting lab animals from Lyme disease. Human clinical trials on the new vaccine however, will not begin until later this year. "Until the vaccine is available to the general public, it's still extremely important for people to be aware of, and protect themselves from, the disease," said Lowell Johnson, M.D., a family physician on Methodist Hospital's medical staff.

Second only to AIDS, Lyme disease is the fastest growing infectious disease in the country - cases of the disease have been reported in all states, with the exception of Hawaii, Alaska and New Mexico. A greater incidence of Lyme disease is found during the summer months, when people tend to be outdoors.

The disease is caused by a tiny infectious spirochete which lodges in ticks. These ticks (which usually feed on forest and marsh animals, such as deer and mice) can then bite and infect humans. "In the majority of cases, a bulls-eyed shape rash appears anywhere from three to 32 days after the bite," Dr. Johnson said. Other symptoms of the disease include fatigue, fever, headache, chills, and painful joints and muscles.

Prompt treatment with antibiotics is successful in most cases. "But, if left untreated, the disease can lead to arthritis, irregular heartbeat, meningitis, facial paralysis and other nervous system complications," Dr. Johnson said.

Dr. Johnson suggests the following tips to protect yourself against Lyme disease:

*Stay away from mice habitats, such as tall grass, wood piles, stone fences and scrub pines.

*When hiking, wear light-colored clothing, which makes it easier to spot ticks. Tuck long pants into socks or boots.

*Spray repellent on clothing to repel ticks on contact.

*If you should discover a tick, grab it close to the skin's surface with tweezers. Pull it out straight back, slowly-crushing it could disperse the infectious spirochete.

*Wash hands, and disinfect the area with alcohol or hydrogen peroxide.

Unicare provides grant for Alzheimer Research

The Unicare Foundation, Inc., a national not-for-profit charitable organization, announced that it has approved a \$30,000 grant to The French Foundation for Alzheimer Research.

The grant will fund a joint Unicare/French Foundation fellowship awarded this year to Rudolph Tanzi, Ph.D.

The French Foundation for Alzheimer Research is a non-profit organi-

zation dedicated to finding the cause, sure and key to prevention of Alzheimer disease. The foundation has underwritten over \$3.5 million in research grants and has sponsored or co-sponsored 28 workshops and seminars. It offers technical assistance to universities and organizations interested in developing Alzheimer disease care units. It has developed several nationally recog-

nized innovative education programs. The Unicare Foundation was established by Unicare Health Facilities, Inc., a national provider of health care services, to further charitable, educational and scientific activities. The foundation's activities are supported by fund raising activities conducted by Unicare employees nationwide. To date, the Unicare Foundation has con-

tributed grants which total more than \$722,000 to organizations related to Alzheimer disease.

Unicare Health Facilities, Inc., operates 150 health care facilities across the country, and is actively involved in the care and research related to Alzheimer patients.

The Floydada Nursing Home is a member of the Unicare family.

Obituaries

LOLA CALDWELL
Services for Lola Imigene Caldwell, 79, of Lockney were at 10 a.m. Saturday, September 5, 1992, in Main Street Church of Christ with Glen Walton, officiating, and Ed Hull, pastor, assisting.

Burial was in Lockney Cemetery under direction of Moore-Rose-White Funeral Home.

Mrs. Caldwell died at 9:55 a.m. Thursday, September 3, 1992, in Methodist Hospital in Lubbock.

She was born in Donley County. She was raised in Hedley and moved to Amarillo. She moved to Lockney in 1979. She was a homemaker and a member of the Lockney Senior Citizens. She married Irvan Caldwell on April 4, 1930, in Hollis, Okla. She was a member of the Church of Christ.

Survivors include her husband; a son, Jerry of Lockney; a daughter, Sandra Turley of Lockney; a brother, Rex L. Lamberson of Amarillo; a sister, Otha Rakes of Amarillo; two grandchildren; and two great-grandchildren.

BESSIE WILSON
Services for Bessie Wilson of Floydada was at 10 a.m. Monday, September 7, 1992, at First United Methodist Church with the Revs. Clark Williams, pastor, and Bill Wright, pastor of St. Paul United Methodist Church in Amarillo, officiating.

Burial was in Floyd County Memorial Park under direction of Moore-Rose-White Funeral Home.

Mrs. Wilson died Friday at Methodist Hospital after a brief illness.

She was born in Grayson County and moved to Floyd County in 1918 from Howe. She married Woodrow Wilson in Floydada in 1934. He died in 1982. She was a member of First United Methodist Church.

Survivors include three daughters, Myrna Pykee of Lubbock, Sonja Beth Glassmoyer of Lindale and Dee Ann Robertson of Eureka, MO; seven grandchildren; and three great-grandchildren.

Health Fair to be held in Silverton

"A Healthier You," is the theme for the 1992 Health Fair, sponsored by the Briscoe County Extension Service. The event will be held on Saturday, September 19, from 1-5 p.m. at the show barns in Silverton.

Admission to the Health Fair will be free. The services offered by the agencies participating in the health fair will be free of charge or offered at a reduced price. Fourteen agencies from the surrounding area have registered that they will be attending. Those persons registered include: Silverton Volunteer Ambulance Service, Life Gift West Texas, Lions Hi-Plains Eye Bank, Hospice of the Plains, Central Plains Center

for MHMR and Substance Abuse, Panhandle Council on Alcoholism and Drug Abuse, Panhandle Council for the Deaf, Hi-Plains Hearing Aid Center, Panhandle Regional Planning Commission, Alzheimer's Association, Briscoe County Clinic, American Cancer Society, Briscoe County Extension Service and the Don and Sybil Harrington Cancer Center.

Special services which will be offered by involved agencies include: glaucoma screening, blood pressure checks, hearing evaluations and cholesterol testing.

Make plans now to attend on Saturday, September 19 and learn how to become "A Healthier You."

Legal Notice
Correction to:
Lockney General Hospital District
Indigent Health Care Program Guidelines

Lockney General Hospital District will use the following rules and procedures to comply with its responsibility under the Indigent Health Care and Treatment Act.

Application can be requested from Susie Frizzell at Lockney General Hospital. Assistance in completing the application will be provided if needed. Contact Susie Frizzell for assistance.

Lockney General Hospital District will use rules and procedures found in the County Indigent Health Care Program Handbook published by the Texas Department of Human Services. In summary, these are the rules:

1. Application forms must be completely filled out.
2. Verification of income, termination of income, residence, household composition, and resources is required, if questionable.
3. Net income cannot exceed

Family Size	Maximum Countable Income Standards		
	Single Adult and Adult with Children	Couples and couples with Children	Children Living with Ineligible Adults Who Are Not Legal Parents
1	\$ 75	\$ ---	\$ 63
2	158	120	96
3	184	200	126
4	221	226	151
5	246	262	194
6	284	289	210
7	308	324	261
8	351	350	287
9	377	392	330
10	420	418	356
11	446	461	399
12*	488	487	425

* Add \$38 for each additional household member if the household size exceeds 12 persons.

4. Liquid resources assets cannot exceed \$1000. The equity value of a car greater than \$1500 is counted against the \$1000 limit. Personal property and homestead are exempt assets.
5. Eligible persons must be a resident of Lockney General Hospital District.
6. Applicants must provide all requested information and documentation requested or applications will be denied.
7. Applicants have the right to appeal adverse decisions.

CARD OF THANKS

We would like to take this opportunity to express our sincere appreciation for all of the prayers, cards and visits paid to Gilbert Louis (G.L.) Favver during his stay at Methodist Hospital after receiving a replacement knee joint.

The many loving thoughts helped create a successful surgery and hopes for a quick recovery. Each friendship and act of kindness is treasured.

A special thanks is extended to the staff and members of the First Baptist Church. We greatly appreciated the visits from Brother Hal and Mike Holster.

Sincerely,
G.L. and Thelma Favver

Floyd County Hesperian-Beacon FOOTBALL CONTEST

GOOD LUCK!!

Football Contest Rules

Any subscriber or individual above the age of 7 years old who purchases a Floyd County Hesperian-Beacon is eligible to enter this newspaper's weekly football contest, except employees of this newspaper and family members living in the same household.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. In addition, write in the two tie breaker footballs your guess of the combined total points to be scored by the two teams listed in each tie breaker football. Also circle the team you believe will win. Circle both teams if you think the game will end in a tie.

The only entries which will be considered for prizes will be those on official entry forms which are brought to the Hesperian-Beacon office in Floydada or to the Hesperian-Beacon Office in Lockney by 5:00 p.m. on Friday. No photocopies will be accepted.

NO MAIL ENTRIES WILL BE ACCEPTED.

Three cash prizes are offered each week. In the event of ties - the same number of correct games and equal scores on the tie breakers - prizes will be shared by those involved in the tie. The tie breaker scores will be utilized only in the event of a tie on the number of games correct.

Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at the Hesperian-Beacon office before 5:00 p.m. on Friday.

Entries are limited to one per person per week. Weekly winners are limited to one per household.
