Floyd County Fair opens today Ladies compete for crowns in Saturday pageants

The 39th annual Floyd County Fair will open its doors today and fill three days full of events. The event will be held at the fair grounds east of Lockney.

All entries need to be brought to the fair on Wednesday afternoon or Thursday morning. Entry clerks will be on hand to receive the exhibits.

Judging of the Community Exhibits, Women's Division and Agriculture Department will begin at 1:00 p.m. on Thursday. The building will be open to the public after the judging is completed.

A new event, "The Old Boot and Tennis Shoe" contest has been scheduled for Thursday. Kana Kennedy will take your old boots and tennis shoe at 9:00 a.m. on Thursday in the ag department. All entries will be given a number and fair-goers will be asked to vote for the pair of boots and tennis shoes that they think best suits the title of "Old Boots" or "Old Tennis Shoes".

The Old Time Auction will be held on Thursday night at 7:30 p.m. Sam Fortenberry Auctioneers will be donating their

services. According to the fair catalogue, "There will be something everyone needs, so come on out and get your 'One of a Kind', 'Honest to Goodness', 'locally Grown, Made, or Donated', Floyd County Fair item."

Friday is traditionally "Ladies Day" at the fair. Events will begin at 9:00 and continue until 1:45.

At 6:00 p.m. on Friday the entertainment building will be filled with gospel singing. The group Crystal River will headline the entertainment. They will be joined by the Gospel Heirs from Amarillo, Grammy and Pop from Silverton, and the Holy Ghost Express from Lubbock.

Crystal River consists of four brothers putting harmony to the music they love to sing and sharing stories of being raised in a family of twelve kids. Their stories have been known to make you cry and almost always make you laugh.

Born, raised and still headquartered in Lubbock, Crystal River has been sharing and ministering through song and music since 1974. Their love for

God and music has given them a sincere desire to reach out to people with a message of a strong family bond and Christian commitment.

Saturday's events will start at 9:00 a.m. with a 5K and Fun Run. Participants and on-lookers should gather in front of the Lockney Police Department on Main Street.

The parade will begin at 10:30 a.m. Registration will begin at 9:00 on the south end of Main Street. All entries must be registered in order to be eligible for prize money or ribbons.

Miss Floyd County will be chosen at a pageant on Saturday night. The Little Miss Pageants are to begin at 1:00 p.m. and the Miss Floyd County pageant at 6:00.

City reviews proposed TCDP grant application

FLOYDADA — A public hearing to discuss the 1992 Texas Community Development Program grant application proposed by the city was conducted at City Hall on the evening of September 15. The hearing, second of two, followed the approval of the minutes from two meetings held in August.

Kay Howard, a representative of the consulting firm Gary Traylor and Associates presented the specifications of the grant application, telling those present that the city will be applying for a grant of \$197,000.00 to be matched with \$30,000.00 in local funds. This amount will be used for replacing 10,420 linear feet of one inch water line with four inch line if the grant is approved. Included in the application are seven fire hydrants and 121 new connections. The project will be carried out in a section of northeast Floydada if funded.

Howard stressed that the grant application must clear a regional review committee before going to the state. She also stated that such projects are scored on a criteria which awards up to 700 points. "In the past, we have seen projects funded if they could score around 500 points," said Howard. "We have allowed the application to garner as many points as possible."

After the closing of the hearing, Councilman Ruben Barrientos made a motion to approve a resolution authorizing the submission of the grant application. The motion was seconded by Councilman Wayne Tipton. The vote was unanimously in favor.

Bruce Bramlet, director of the 1992 summer baseball program, came before the council to ask that the city assist the summer league in meeting expenses. He told the council that the program had come up \$1,028.00 short of meeting all expenses last summer. He attributed the shortfall to the expansion and upgrading program the league carried out this summer as well as to failed fund raisers.

Councilman Eric Cornelius arrived at the meeting during Bramlet's presentation. He joined the rest of the council in unanimously approving a city contribution to the program in the amount of \$1,028.00. Motion for the action was made by Councilman Morales with a second by Councilman Tipton.

Discussion of the previously tabled request for annexation into the city by residents of a section located along the South Ralls Highway again resulted in no immediate decision. Councilman Burns made a motion to proceed with the process of gathering the necessary information needed to determine if the area could be annexed. The motion was seconded by Councilman Schacht. The

remainder of the council passed the motion.

Doris McLain and Geneile Evans from the 1959 Study Club came before the council to propose a sharing of costs in a proposed walking path around the City Park at High School. City manager Brown reported that the project would cost an estimated \$4,000.00 with the city providing the labor and equipment.

Court approves farm contracts, hear financial accounts

Meeting in regular session for the month of September, the Floyd County Commissioners Court examined and approved all bills properly presented. One exception was a public assistance burial request. Motion to approve the bills was made by Precinct 4 Commissioner Howard Bishop and seconded by Precinct 2 Commissioner Floyd Jackson. The vote was unanimous.

The burial request was made by the family of a recently deceased Floyd County resident. According to Judge Bill Hardin, the request was made after the family had completed the funeral arrangements and paid about two thirds of the cost which was over \$3,000.00.

The court turned down the request on the basis that county policy for public assistance for burials is to be applied for prior to making funeral arrangements and that the arrangements then made must be the least expensive possible with the family paying as much of the

bill as possible. County policy limits the amount Floyd County can pay if a request is approved to \$550.00. According to Judge Hardin's secretary, Margaret Herrera, Moore-Rose-White Funeral Home had provided figures indicating that the least expensive funeral possible could be provided for under \$1,000.00.

Payment of the approved bills was authorized on a motion by Precinct 1 Commissioner Connie Bearden with a second by Precinct 3 Commissioner George Taylor. The vote was unanimously in favor.

Nine farm work contracts were approved on a motion by Taylor, seconded by Jackson. The vote was again unanimous. Contracts approved included: Louis Pyle, Precinct 1, at a location 5 miles southwest of Floydada, cleaning out a drainage ditch and building up a

terrace; Cawley & Graves by Jerry Cawley, Precinct 2, at a location 11 miles north and 1 mile east of Lockney, pulling trees in a waterway; J. R. Belt by Eddie Foster, Precinct 2, at a location 1 mile east of Lockney, well pit for cattle; Steve McPherson, Precinct 2, at a location 11 acres west of Lockney, border; Nathan Johnson, Precinct 2, at a location 6 miles north of South Plains and 2 1/2 miles west, clean a waterway; Ricky Kellison, Precinct 2, at a location 1 1/2 miles north of Lockney, feed road; Nancy E. Kelley, Precinct 3, at a location 1/2 mile northwest of Cedar Hill Elevator, conservation repairing livestock watering system; Alfredo Arredondo by Sisto Arredondo Jr., Precinct 3, at a location 1 1/2 miles east of Cedar Hill, conservation working a fire guard; and Kenneth Broseh, Precinct 3, at a

location 6 1/2 miles northeast of Cedar Hill elevator, conservation working a ranch road.

County treasurer Glenna Orman made her report on the financial accounts of Floyd County for the period from August 1 thru August 31, 1992. She reported that the county began the month with \$213,705.82 in the accounts and had receipts of \$389,812.67 during the month. Transfers in and out were \$61,486.09 each and disbursements totaled \$454,821.25. Leaving a balance in county accounts at the end of the month totaling \$148,697.24.

According to Orman, the county also had \$321,000.00 in certificates of deposit at FNB Lockney which have earned \$23,680.05 in interest revenue to

Lockney council sets tax rate at 39.3 cents

LOCKNEY—A few of the many items discussed by Lockney City Council, during open session, Sept. 10 included the adoption of the 1992-93 budget, the setting of tax rates, a change in the city insurance coverage and refusal of a new franchise agreement with Southwestern Bell.

The session opened with the minutes being read by city attorney Paul Lyle. The minutes were approved as read with the addition of Alderman Bil Anderson

Miss Texas to speak at Lockney banquet

LOCKNEY—The Lockney Chamber of Commerce has announced that Amy Parker, Miss Texas, will be the guest speaker for the March 6, 1993 banquet.

Parker will be participating in the Miss America Pageant, Saturday, September 12, and if she is declared the new Miss America the Miss Texas Runner Up will take over Lockney's banquet podium for Parker.

Parker was born in Dallas and currently resides in Carrollton. She is a graduate of Newman Smith High School and is currently a senior at the University of North Texas majoring in Speech Communications.

She would like to pursue a career as a spokesperson in the motivational speak-

to the list of those present.

An informal budget hearing was conducted and after a brief discussion of the proposed budget for 1992-93 a motion was made by Anderson and seconded by Marr, that the council adopt the budget. Vote on the matter was unanimously in favor.

The budget for October 1, 1992 thru September 30, 1993, as adopted, estimates revenues at \$669,041.50. Expenditures are calculated at \$664,793.02, leaving an expected carryover in funds totaling \$4,248.48. Expenses for each department are estimated as follows: Administrative, \$110,532.00; Police, \$115,867.98; Fire, \$26,196.00; Street, \$82,050.00; Sanitation, \$91,500.00; Parks, CC, CF, MC, \$15,475.00; Swimming Pool, \$10,700.00; and Water & Sewer, \$212,472.04.

According to Mayor Wofford, this budget is lower than the budget for the current year which totaled \$779,444.00. The decrease was attributed mostly to lower payments on the city obligations in connection with Mackenzie Municipal Water Authority. Wofford pointed out that only one increase in salary had been included in the budget for the coming year and that was for a new employee. He called it "a bare bones budget."

The council voted to set the ad val-

Lockney Post Office updating citizen records

LOCKNEY — The Lockney post office needs to update its records in order to give the citizens better service. Postmaster Terry Jones asks that the application form that is to be placed in the boxes be filled out and returned to the service window.

He stated that if you need help in filling out the forms that you come to the service window.

LISD reviews litigation, accepts property bids

LOCKNEY — The board of directors of the Lockney Independent School District met September 10, with Attorney Paul Lyles, and entered executive session to discuss pending litigation. There was no action taken relating to the recent suit, concerning the redistricting of voting districts, however the directors did approve bids submitted to the board.

A bid of \$8500, from Barker Real Estate, was approved for a home owned by the LISD. Other bids ranged from \$2,500 - \$6,500.

Two bids for city lots owned by LISD were also opened and the bid of \$2,000 from Barker Insurance, which was tied to the \$8,500 bid for the home, was accepted. Another bid of \$2,276 from Ray Sissney was rejected.

By The Way

By Alice Gilroy

For those of you who have been following the schedule of fair events from the paper, there are a couple of things I want to make right.

First of all make note that the times for the Fun Run and 5K Run are different in the Fair Catalogue and on the race entry forms. In order to avoid confusion the race organizers are going to go with the time in the fair catalogue. The Fun Run starts at 9:00 a.m. and the 5K starts at 9:30.

There has been another little misunderstanding.

The catalogue said there would be turkeys and hams given away at the trap shoot—so we said there would be turkeys and hams given away at the trap shoot. Let everyone be aware!!!! There will not be turkeys and hams given away!

However you could win some cold hard cash! That's better anyway. And what's better than cold hard cash? A subscription to the Floyd County Hesperian-Beacon — that's what!

So, besides the cash, there will also be two more prizes.

In an effort to get more ladies to enter the trap shoot, I am issuing a challenge. Any woman that can beat me at the shoot will win a one year subscription to this paper.

We will give away two subscriptions, so two women can beat me. Actually millions of women can beat me, but I'm only giving away two subscriptions. This is an easy prize ladies. See you there!

So remember, don't forget all the other fair activities this week-end. For those of you with kids who have made the mistake of driving past the carnival equipment before it was all set up, I know your children spotted it and won't let you forget what day the farris wheel will start turning!

Brandon tells me all the time that he has a real good "rememberie." And he's right. He does have a good "rememberie"!

Guess What!!
The "Punkin Days" committee has been trying for several years to get the attention of Texas Highways and this year they made it!

A photographer for Texas Highways will be in Floydada soon to photograph pumpkin production all around here.

Texas Highways have the most beautiful pictures and I am really excited about this opportunity.

The photographer doesn't necessarily want to cover the "Punkin Day" festival because the pumpkin production will already be over around here, but I believe they will be devoting quite a few pages to our beautiful fall colors in this county.

The photographer will be taken all

over the place so get ready with some great ideas for decorating and we will let you know when he is going to be here. They are going to shoot pictures now for the fall issues in 1993!!!

Couple reopens Caprock Meat

As of September 4, Caprock Meat has once again opened its doors, under new ownership.

Specializing in deer processing, beef and hog processing, the new owners John and Irene Hernandez, have also earned a reputation for their special German sausage.

Born and raised in Wilson, John, began as a freshman working after school at a meat cutting shop in Slaton. Learning much of the trade from his father, John also worked for 13 years as a meat cutter and market manager for Safeway and Furr's Supermarkets.

Irene was born and raised in O'Donnell. After they both graduated High School they were married in 1977 and lived for a time in Lubbock. They have two children, Jennifer, a 7th grader, and Jeremy, 6th grader.

Two years ago, John went into partnership with his father at Wilson Meat Processing in Wilson, before branching out on his own at Caprock Meat.

"We had a lot of customers out this way," explained Irene. "With the purchase of Caprock Meat we will be able to help out our customers and we will have a lot more room. We have built up a good business with the processing of deer meat and now our deer customers will not have so far to drive."

For the last two years the Hernandez's have participated in the Hunters For The Hungry Program. In this program the Hernandez's would process deer meat donated by hunters and then give the meat to the South Plains Food Bank.

"Last year we had 20 hunters that donated deer meat," said Irene. "That is about 300 pounds of meat."

"Deer processing is a big part of our business but of course we also process beef and hog. We have a full retail market and we like to custom cut for our customers. We bring in our own beef and because we have been in Wilson off and on with John's dad, we have built up a good retail market. We also sell all kinds of deli products and we make our own German sausage."

"John learned the art of making the German sausage from the Germans in Slaton. We make it hot or mild and we

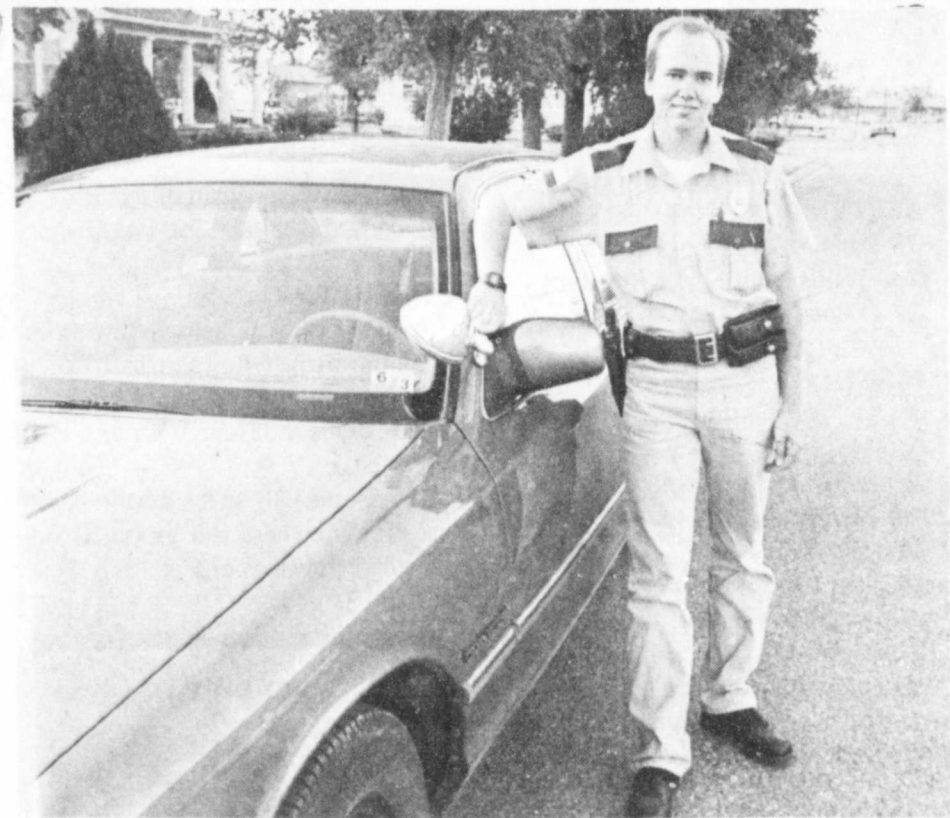

make our own beef jerky which is really popular." The Hernandez's have joined the Floydada Chamber of Commerce and are planning a ribbon cutting ceremony close to 'Punkin Days'.

CRYSTAL RIVER TO PERFORM AT FAIR—The Floyd County Fair Board has announced that Crystal River will perform at the Gospel Jamboree on Friday night. Other entertainers to perform on Friday night are the Gospel Heirs, Grammy & Pop and Holy Ghost Express. The singing will begin at 6:00 p.m. in the entertainment building. Courtesy Photo

ROY EHRESMAN

Lockney council hires additional reserve officer

LOCKNEY — After approval by the Lockney City Council, on September 10, Roy Ehresman joined the Lockney Police Department as a reserve police officer.

Ehresman, a single man of 22 years, was born and raised in Plainview. He graduated from Plainview High School in 1988 and then attended Eastern New Mexico University for 2 1/2 years.

While in college, Ehresman studied Sociology with an emphasis in Criminal Justice. He was also enrolled in ROTC.

After college, and with the sponsorship of the Lockney Police Department, Ehresman entered the police academy. Ehresman graduated the academy in August of this year.

"Reserve Officers have the same authority and training as a regular officers," said Police Chief Lennie Gilroy. "Roy will be working with the other officers in Lockney periodically. He has already proved to be an asset for the department and we are very happy to have him working with us."

Trap shoot scheduled at fair Saturday

Saturday afternoon's trap shoot at the Floyd County Fair will not be a regulation trap shoot, but a modified event to fit the simple equipment. This will also insure as much safety as possible.

All firearms must be unloaded before reaching the fair grounds, and safety and range etiquette must be observed. Anyone who fails to satisfy the range officials judgement of safety will be disqualified and asked to leave.

The entry fee will be \$3.00 per event for persons who are current holders of a Hunter Safety Education Certificate, and \$4.00 for anyone else. Everyone will be shooting for money prizes only, however in efforts to increase ladies participation, a challenge has been issued for an additional prize.

Alice Gilroy, the editor of the Hesperian-Beacon, will challenge any female shooter. One year subscriptions to the paper will be given away to any two ladies who can out shoot Gilroy.

The number of event will depend on the turnout. If there are enough youth present there will be an event for them.

The trap shoot will begin at 12:30 p.m. on Saturday and go until interest fades. There will be a limited amount of 12 ga. and 20 ga. shot shells for sale at the shoot. Only trap, skeet or field loads will be allowed. No magnum ammo will be allowed.

The public is invited to attend, however any children must be closely supervised by parents or guardian. All participants must sign a waiver form before competing, and the trap shoot will be cancelled in the event of rain.

Keeping You In Stitches Guild

By D'Lyn Morris

Terrisu Mann hosted the guild for the September 8, meeting at the home in Lubbock. The guild members and guests quilted on a fabulous Star Spin quilt incredibly well pieced by Terrisu. This difficult pattern was taught in a class taken by Terrisu at the Quilt Shop in Lubbock earlier this year.

Cindy Belt, librarian, reported on the progress of the books and magazines donated to the collection. She showed the group several files containing patterns and instructions for a variety of quilting projects. Anne Jones will keep the travelling collection of books at her house until the October meeting when it will be passed along to the hostess of the November meeting.

Patterns, directions and fabric were distributed to members to complete a placemat to be auctioned at the Punkin Day celebration October 31.

The First National Bank in Lockney will display quilts from the guild the week of Thanksgiving, November 23-27.

Plans were finalized for the guild's quilt show to be held during the Floyd County Fair on Friday, September 18, from 9 a.m. until 5 p.m. There will be a quilt set up to work on for anyone desiring to put in a few stitches. Some special awards will be presented including, "Best of Show" and "Viewers' Choice", winners.

Guests were Tracy Cowan and Peggy Ainsworth of Lubbock and Cheryl Dawdy of Floydada.

Guests for lunch were Kalli Hicks, Diana Sisemore, Anna Hichelheim and Janna Wadsworth.

Terrisu Mann won the Bride's Bouquet blocks that she designed in rich Fall jewel tones of green, blue, red, teal and brown.

The next meeting will be October 13 with Anne Jones as hostess.

Members attending were Cindy Belt, Kay Brock, Dar Lee Foster, Shawnda Foster, Jill Graham, Brenda Heflin, Jan Hichelheim, Sidney Jackson, Terrisu Mann, D'Lyn Morris, Gay Terrell and Lexie.

Floydada Spirit of Sharing

By Ruth McIntosh

FLOYDADA — Floydada Spirit of Sharing held a salad luncheon at Light-house Electric on Wednesday, September 9, with 35 members present. Following the meal the group enjoyed a slide presentation by Phil and Mary Baer who were visiting friends in the area.

The Baers have spent fifty years as Wycliffe Bible translators among Indian tribes in the jungles of Chiapas, Mexico. Hearing how they created a written language beginning with only the spoken word and then, over the years, translated the Bible into that language is both amazing and inspiring.

They also raised their five children in the jungle until high school age, and the slides dealing with that period of their lives made it evident that the Indians and the Baers were learning from one another about survival, about cooperation and about life in general.

Following the program Billie Jordan, SOS president, conducted a very brief business meeting before adjournment. The main thrust of her remarks was appreciation for all the time and energy given by the volunteers in keeping SOS in operation, plus the on-going need for additional workers.

Volunteers attending were: Margie Sue, Charlene Alldredge, Helen Martin, Loretta Burns, Willie McCormick, Jonelle Fawver, Ethel Carmack, Mary Alice Davis, R.G. Dunlap, Edith Marrs, Margaret Word, Jimmie Lou Stewart, Faye Bertrand, Evelyn Sparks, Alice Baker, Anne Willson, Edna Patton, John Key West, Madge West, Mildred Cates, Nell McClung, Margie Fowler, Shirley Jackson, Edwina Hollums, Elaine Reid, Charles Craig, Emily Johnston, Lorene Newberry, Doris McLain, Mary

McPherson, Virginia Cage, Helen Lipham, Janice Lloyd and Ruth McIntosh.

1990 Study Club

By Jan Beedy

The 1990 Study Club met at Light-house Electric on Wednesday, Sept. 9. The meeting was conducted by the new president, Sandra Schwertner. The members introduced themselves and welcomed several visitors. Those visiting our club were Tracy Campbell, Denise Holcome, Kayla Johnson, Amanda Fulton and Betty Ann Fortenberry.

We discussed and planned a September social. A cookout and volleyball game was scheduled for Sunday, Sept. 20, at 5:30. The fun will take place at Holly Lee's home. Thank you notes were read from Gayla Marble for her baby gift and Sandra Schwertner for her house warming gift.

The members discussed purchasing the Drug Awareness materials that we raised funds for last Spring. It was decided to look into setting up Drug Awareness programs or presentations.

The details for the Halloween Fun House were decided upon. It will be on Saturday, Oct. 31, from 8:00-10:00.

It will be at the Della Plains Gym. There will be activities for all ages. Cakes will be given away on the cake walk and there will be booths with games such as ball toss, duck pond, ring toss, grab bags and ping pong shoot. If anyone is interested in having a booth at the Fun House, please contact Lori Battey at 983-2308. Everyone is welcome.

The business meeting was concluded and everyone enjoyed a salad and dessert dinner. The meal was enjoyed by all. Members present were Lori Battey, Jan Beedy, Sherese Covington, Brenda Heflin, Jeanine Helms, Traci Helms, Holly Lee, Deanna Logan, Gayla Marble, Kelly McCormick, Mary Sanders, Sandra Schwertner, Mendy Shurbet, Janet Thornton, Dara Ware and Tami Wofford.

1956 Study Club

The patio of the Floydada Country Club was the setting for the September 8 meeting of the 1956 Study Club. Each member enjoyed a picnic supper that she brought in a paper sack. President Melissa Long supplied lemonade and cherry cheesecake for everyone. Members answered roll call with a hint for packing a picnic.

Thank you notes were read from Jennifer Crow and Christy Benjamin, recipients of the 1956 Study Club's scholarships last May. A note was also read from the Junior High Library, thanking the club for the donation last spring. Resignations were accepted from Ruth Crump and Lisa Becker who have each moved out of town.

The main item of business was to make plans for the "Tater Bake" which will be served prior to the homecoming game on October 2. Sharon Rainwater, chairman of the Tater Bake project, appointed committees and asked for volunteers to take care of all the details. Each member was given tickets to sell.

In other business, the club voiced to make a donation to the Floyd County Day Care Spaghetti Supper, and to purchase an ad in the FHS yearbook.

Last year's secret pals were revealed, and new secret pals were drawn.

The meeting was adjourned with the reading of the Collect. Members present were Melissa Long, Sharon Rainwater, Shawnda Greer, Susan Simpson, Donna Henderson, Linda Harbin, Darlynn Hambright, Rozanne Bishop, Judy Dunlap, Sharon Henderson, Candy Thrasher, Dixie Smith, Atha Sue, Judy Schacht, Sherese Cannon, Kathy Becker, Dana Crossland, Rosemary Finley, Vicki Vandiver and new members, B.K. Bates and Penny Taylor.

Whirlwind Sams Club

By Carol Reese

The Whirlwind Sams met at Light-house Electric at 7 p.m. on Monday evening, Sept. 7, for their regular monthly meeting. Jerry Livingston led the invocation. After Boone Adams, president, recognized those with September birthdays and anniversaries, the Adams and the Weathersbees served delicious refreshments.

George Miller, program chairman, introduced Wendall and Mary Tom Tooley, former Floydadians who now live in Plainview, who presented a delightful musical program. They sang several folk, country, and religious songs with Wendall accompanying on the guitar. After their musical selections, the Tooleys told about their recent trip to Poland, East Germany, Russia and the Scandinavian countries. They also showed some pictures from the trip.

After the program, the president conducted a brief business meeting. Claude Weathersbee announced plans for the trip to Kerrville in October. Yvonne Thaxton reported on the campout in Ruidoso in August. Wayne and Roberta Russell won the door prize. Thirty-three members and two guests were present. Since there will not be a campout in September, the group will meet at the Pizza Gold on September 14 to eat together and have a time of fellowship.

Stout-Boyd marry in Levelland

Natalie Elaine Stout of Levelland became the bride of Kevin Joe Boyd of Sundown during a 7:30 p.m. candlelight ceremony in the South Plains Church of

Levelland on Saturday, Sept. 5, 1992. Eddie Trice, pastor, officiated the recitation of vows. The bride is the daughter of Paul and

Elaine Stout of Levelland and the granddaughter of Thomas and Marie Warren of Floydada. The groom is the son of Bobby and Darlene Boyd of Sundown. Given in marriage by her father, the bride wore a white mermaid style satin dress overlaid with lace and accentuated with sequins, lace bouffant sleeves and a large bow in the back. The dress was designed by the bride and made by Sharon Williams of Lubbock. Her fingertip veil was made by her aunt, Nita Patton of Lubbock.

The bride's sister, Barbie Stout of Levelland attended as maid of honor. Bridesmaids were Mychelle Stout, sister of the bride, of Levelland, Kelli Boyd, sister of the groom, of Sundown and Courtney Williams of Muleshoe.

Bridal attendants were attired in royal blue and baby blue tea-length dresses. They carried white, long stem silk roses.

Flower girls were Ashton Warren of Levelland and Becky Warren of Floydada, cousins of the bride. They carried baskets of blue and white flowers made by the bride's aunt, Dana Warren of Littlefield.

Aron Boyd, brother of the groom, of Sundown was ring bearer.

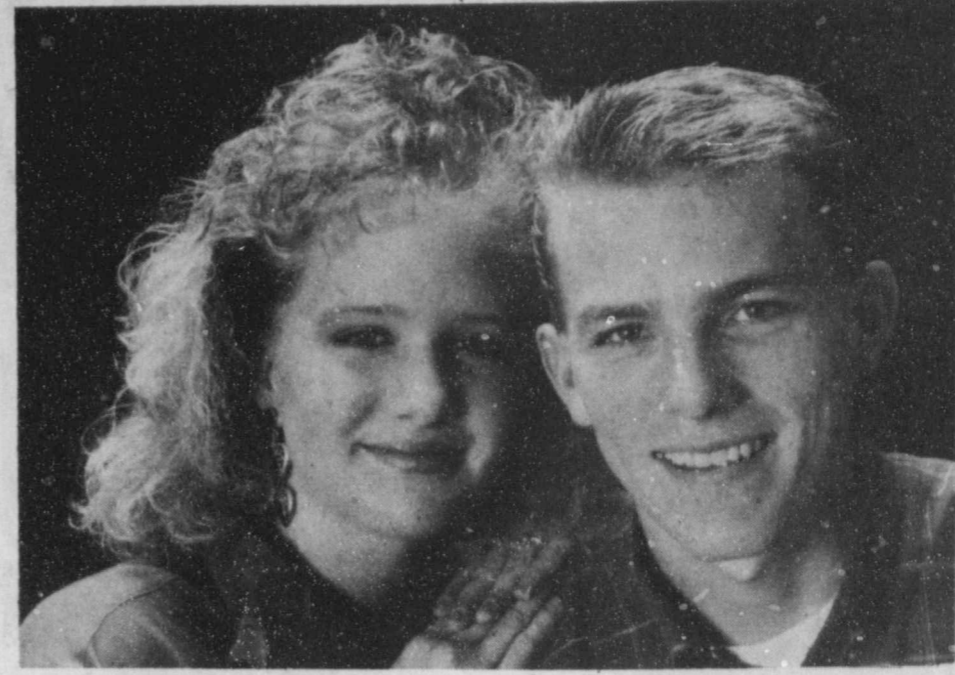

Serving as best man was Jason Boyd, brother of the groom. Groomsmen were Colby Sharp, Justin McInroe and Jason McInroe.

Jason Owens, cousin of the bride, of Floydada and Mitch Sims were ushers.

RECEPTION

A reception was held following the ceremony in the fellowship hall. Reception assistants were aunts of the bride, Joyce Owens and Hope Warren, both of Floydada.

The couple will be residing in Pasadena, Texas, where the groom is employed in construction.

Bean-Tzouanakis recite nuptials

A 6 p.m. ceremony at St. John's United Methodist Church in Lubbock on Saturday, Sept. 12, 1992, united in marriage Judi Carole Bean of Houston and Alexander Tzouanakis of Galveston. The couple recited nuptials before the Rev. William Wright of St. Paul's United Methodist Church in Amarillo, formerly of the First United Methodist Church in Floydada.

A tall cathedral candlestick supporting a large arrangement of all white flowers, including delphinium, garden roses, watsmia, gerbera daisies, dendrobium orchids and casa blanca lilies,

centered the altar area. Pews were marked with clusters of mixed foliage and cascades of English ivy. Groupings of potted palms and ferns completed the sanctuary decoration.

The bride is the daughter of Donald and Jane Bean of Floydada. She is the granddaughter of Susie Aury of Silverton. The groom is the son of Emmanuel and Susan Tzouanakis of Lexington, Kentucky. He is the grandson of Glenna Sampson of Erie, Pennsylvania, and Maria Tzouanakis of Heraklion, Crete, Greece.

Escorted and given in marriage by her father, the bride chose a sheath gown of white silk shantung. The gown featured a portrait neckline trimmed with jeweled Alencon lace and long lace sleeves fitted off the shoulder. Jewelled lace also adorned the fitted bodice with dropped waist. The straight skirt and detachable chapel train were adorned with a wide band of Alencon lace. A chapel-length veil fell from her headpiece. She carried a cascading bouquet of casa blanca lilies, gardenias, dendrobium orchids and gloriosa lilies.

Attending the bride as matron of honor was Jill Allen of Clayton, North Carolina. Bridesmaids were Angela Cobb of Eules, cousin of the bride; Carol Battaglia, Becky Hammonds and Kathy Riley, all of Houston.

Bridal attendants wore formal red faille two-piece suits with slim floor length skirts. Their sleeveless jackets featured off-the-shoulder portrait collars and were accented with jewelled buttons at the waist. They carried arrangements of purple dendrobium orchids, gloriosa lilies, fire and ice roses and red gerbera daisies.

Acting as best man was the groom's brother, Christopher Tzouanakis of Orlando, Florida. Groomsmen were David Tzouanakis of Lexington, Kentucky, brother of the groom; Hugh Thomas of Rochester, New York, Joe Pruneda of Temple, and Thomas Doneker of Los Angeles, California.

Seating guests were Michael Bean, brother of the bride, of Mesquite, Russell Webb of Plano, Anthony and Nicholas Tzouanakis, brothers of the groom, of Lexington, Kentucky, and Eleftherios Tzouanakis, cousin of the groom, of Heraklion, Greece.

Musical selections included soloist Lee Battey of Floydada singing "When Love Is Found" and "O Perfect Love". Trumpeter Willie Strieder accompanied organist Jane Ramsey on the processional, "Trumpet Voluntary", and recessional, "Ode to Joy". Strieder played Ave Maria on the trumpet during lighting of the unity candle. Michael Bean, brother of the bride, read the scripture.

RECEPTION

Teysha Cellars was the site for a buffet and dance reception, hosted by the bride's parents. Music was provided by the band Masterpeace.

An arrangement of gloriosa lilies, red gerbera daisies, archoke blossoms and purple dendrobium orchids centered the foyer registration table.

The bride's table was draped with ivory brocade, silk cording, and tassels. The bridal cake was decorated with fresh flowers and garlands of English ivy. The groom's table was draped with a woven fabric of purple grapes and foliage. The chocolate cake was decorated with fresh strawberries, grapes, purple dendrobium orchids and fresh

grape leaves and tendrils. An arrangement of seafoam statice, allium, lilies and dendrobium orchids garnished the buffet table.

Following a wedding trip to the Hawaiian Islands, the couple will make their home in Galveston, Texas.

The bride is a graduate of Texas A&M University and the University of Texas Medical Branch, Galveston. She is employed as a physical therapist with Texas Back Institute in Houston.

The groom attended John Hopkins University in Baltimore and the University of Texas Medical Branch in Galveston. He has completed a medical residency in Internal Medicine and is currently completing a Pulmonary Medicine Fellowship.

PRE-NUPTIAL COURTESIES

Bridal courtesies extended to the couple included a bridal luncheon at the Women's Club in Lubbock, hosted by Frances Staniforth, Polly Cardinal, Flo Davis and Jonnie Delle Cogdell.

A party at the home of Mr. and Mrs. Eugene Beedy, Floydada, was also hosted by Mr. and Mrs. Charles Tyer, Ray Gene Ferguson, Mark Beedy, Fred Marble, Bob Lotspeich, Tommy Assiter, Stanley Burleson, Louis Lloyd, Laron Fulton, Pete Hickerson, Norman Muncy, Charles Hamilton, and Ms. Shirley Morton, Joy Smitherman, Sherrae West, Janet Milam and Peggy Probasco.

The rehearsal dinner and party, hosted by the groom's parents, was held at the County Line. Guests included members of the wedding party and out-of-town friends of the bride and groom.

MRS. ALEXANDER TZOUANAKIS

Floydada Nursing Home Happenings

By Jo Bryant

FLOYDADA — Hi! Do hope that this finds all well and enjoying this Indian Summer days and nights.

Monday was Labor Day, some of the residents went visiting with their loved ones and some had visitors here. I went to a reunion in Truscott, Texas and barbequed.

Tuesday, Barbara Hill of Lockney and I attended an Activities Director's meeting in Lubbock. Billie Cross of Post received the award for the Activity Director of the Year, 1991-92. Pretty good for a small town, we think!

Wednesday was Bingo as usual. Henry Willis had the first Bingo. Mary Alice Davis and Ruth Hammonds assisted the residents and brought some snacks.

Thursday the residents listened to some music, songs and enjoyed some ice cream. They have been enjoying the exercise and mini basketball net and

Have A Great Week!

ball. Thanks to Ruby Wilson, Elizabeth Aleman for the assistance and rehab.

Friday, Judy Schacht gave the devotion and Joyce Lipham played the piano for us. We appreciate all the cookies too, that the Sunday School class brings from the First Baptist Church. On to Plainview for the bus ride. Grace Gomez drives us. McDonalds treated the residents to ice cream. The residents going were: Nettie Adams, Peggy Young, Maude Parvin, Etoile Stanley, Knox Jameson, Kermit Glover, Henry Willis, Harry Booth, and Brooks Calloway.

The residents will start making a friendship quilt, so family and friends if you have material scrapes, stencils, iron ons, please bring them to us. There are 50 blocks to sew for our residents. Do believe that it will be fun!

Paul Roeder is in the Lubbock hospital at this time. Our prayers, thoughts are with him.

Rev. Jackson gave us a devotion on Thursday morning, thanks, come again.

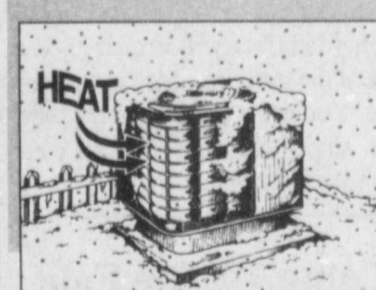

THE WARMTH OF THE EARTH

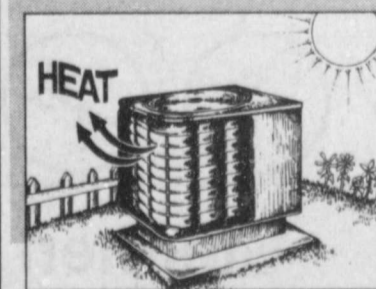

The heat pump captures it to heat and cool your home naturally.

The Dual Fuel Heat Pump uses existing heat to keep your home comfortable...naturally. Because it doesn't have to create heat, it's very efficient. For each unit of energy it uses, the Dual Fuel Heat Pump creates two or three units of heat.

Dual Fuel Heat Pump owners say it costs them less to operate than other systems. And, because it's electric, the Dual Fuel Heat Pump is cleaner.

There is heat in the air on the coldest days. The heat pump captures it to warm your home.

In summer, it becomes a high efficiency air conditioner. During hot weather, the heat pump captures the heat inside the home and takes it outside.

Contact your heat pump dealer or Southwestern Public Service Company for more information.

Arvizu wins football contest

The second week of the annual Floyd County Hesperian-Beacon Football Contest had one clear cut winner, Fernando Arvizu of Floydada. He missed only seven games on the contest. The first place check for \$25.00 will be waiting for him in the Floydada Office on Friday.

Second place and a check for \$15.00 goes to Noe Blanco Jr. of Lockney. He was one of three persons missing eight games on the contest. Among the three, Blanco was the only entrant selecting Brownfield as the winner of the first tie-breaker game. His check will be waiting in the Lockney Office on Friday.

The \$10.00 third place check will go to Pam Fulton of Lockney. The total score tie-breaker of the Floydada-Brownfield game was used to determine

the third place winner. Fulton chose a tie-breaker score of 37, closest to the actual score of 29. She may pick up her check on Friday at the Lockney Office.

Keith Marricle of Floydada earns an honorable mention for his eight misses this week. His tie-breaker score was 38.

Sponsors making the contest and the prize money possible include Attebury Grain, Cargill Hybrid Seeds, The Tye Company, Lambert Spraying, Schacht's Flowers, Jewelry & Gifts, Lockney Meat Company, Pay-n-Save in Lockney, Pay-n-Save in Floydada, Wilson Photography, R Photography, Providence Farm Supply, Floydada Implement, Floydada Coop Gin, City Auto, Thompson Pharmacy, Ray Lee Equipment Company, Lighthouse Electric Company, The First National Bank

FJHS 7th grade Breezers open season against Brownfield

By Bill Gray

Coach Jimmy Webster's 7th grade Breezers opened their 1992 grid season against Brownfield on September 10. The two junior high squads held a controlled scrimmage for one-half of a game, and played the other half under full game conditions.

The Breezers lost 3 TDs to 1 TD in the scrimmage portion, but Webster stated, "We weren't interested in the score. We were looking for improvement in fundamental techniques. We were also looking for hustlers and hitters. We need to get better at those things and we'll do fine."

The offensive standouts were center Jason Campbell and guard Kyle Pierce. Blake Bramlett scored on a 6-yard run in the controlled scrimmage. The 7th Breezers lost 6-0 to Brownfield in the game-condition segment.

Registration begins year for Floydada Girl Scout troops

By Elizabeth Sims

Floydada Girl Scouts are off to a big start. We are excited about having six troops this year and of all the exciting things there are for the girls to do. Outside of the weekly meetings there are also workshops through the council that the girls will be able to go to. If there is any girl that would like to become a scout contact one of our leaders and we will make sure you get placed in a troop.

The national dues for scouts this year are \$6.00 per year per member. This is for the insurance that covers the scouts if they are injured during a scout meeting or event. The troop dues are \$20.00 a year. This is to cover crafts and supplies used in the troop meetings while working on the badges the girls earn. This also helps to pay for the badges the girls earn.

The girl scout program is open to any girl from the age of 5 years up to 18 years old. Any girl may join at any time during the year and pay their troop dues any way they can. Come on girls and join the fun and make new friends through scouting. Where else can you have this much fun for only 50 cents a week.

To join the scout program just contact any of our leaders. They are as follows:

Debra Graham, Daisy girls, age 5-6 or in kindergarten. They will be meeting on the 1st and 3rd Monday of each month at Duncan school from 3:45-4:30. Her phone number is 983-5515.

Karol Rainwater, Brownies, age 6, or in the first grade. They will meet on Tuesday of each week at Duncan school from 3:45-5:00. Her phone number is 983-2979.

Susan Kirk, Brownies, age 7 or in the

GIRL SCOUTS

second grade. They will be meeting each week at Duncan school from 3:45-5:00, but have not decided on a day of the week yet. Her phone number is 983-3299.

Maria Vasquez, Brownies, age 8 or in the third grade. They will meet each Tuesday at Duncan school from 3:45-5:00. Her phone number is 983-5332.

Judy Schacht, Junior girls, ages 8-11 or in grades 4-6. They will meet once a week at R.C. Andrews school from 4:00-5:00. They have not decided on the day of the week yet. Her phone number is 983-2906.

Elizabeth Sims, Cadette and Senior girls, ages 12-18 or in grades 7-12. They will meet once a week and will be working on their gold award. Her phone number is 983-2256.

If there is any adult that would like to help with any of the troops just call any of the leaders. We can always use extra help.

Have a great week!

Brownfield holds on to upset Whirlwinds, 17-12

By Bill Gray

The Brownfield Cubs scored 17 unanswered first half points, and withstood a furious fourth quarter Floydada rally to defeat the Whirlwinds 17-12 at Wester Field on September 11. The Cubs and Whirlwinds are both now 1-1 in the young grid season.

The 'Winds were unable to generate any offense following the opening kickoff, and were forced to punt. Brownfield capitalized on excellent field position as the Cubs moved 41 yards in nine plays on their initial offensive drive. Aided by a pass interference call against the 'Winds, Brownfield's Shad Evans carried the final yard. Robert Garcia added the extra point with a perfect kick, and the Cubs were up 7-0 with 5:28 remaining in the first quarter.

Floydada was flagged for an illegal block on the ensuing kickoff and started their next series on their own 19-yard line. Brownfield's "Split-Six" defense, led by David Strickland and Bubba Marrow, played havoc with Floydada's offensive game plan.

Tyrone Henderson was called on to punt for the 'Winds, but dropped the snap. The errant ball was picked up by Brownfield's Daniel Espinosa, who also fumbled. The loose ball was finally recovered by Michael Henderson for Floydada, giving the 'Winds new life at their own 15-yard line.

The 'Winds managed their initial first down of the game, only to turn the ball over on a fumble. Noel Garcia recovered for the Cubs and they were back in business at Floydada's 25-yard line.

A second pass interference call against the 'Winds paved the way for another Brownfield touchdown on the first play of the second quarter. Noel Garcia carried in on a quarterback sneak, Jesse Pauda kicked the conversion, and the visitors forged ahead 14-0.

Following the Brownfield kickoff, the 'Winds picked up only their second first down of the night as they moved out to their own 41-yard line. A couple of Sammy Rodriguez passes fell harm-

lessly to the ground as the Whirlwind receivers had a hard time holding on to the ball. A high snap on a Floydada punt attempt set up a Brownfield field goal, as Jesse Pauda split the uprights from 32 yards to extend the Cubs' lead to 17-0.

In the waning moments of the first half, Sammy Rodriguez found a wide open Jason Pyle in the northwest corner of the end zone, but the 31-yard attempt was batted away. Most Floydada fans felt that pass interference should have been called, but there was no flag against the Cubs. Another Rodriguez pass fell incomplete, and Brownfield took over on downs as the first half came to a close.

The tide turned in Floydada's favor on the second half kickoff. Roderick Reed fumbled the return and Scott Crader recovered for the Whirlwinds on Brownfield's 23-yard line.

Consecutive runs by Michael Henderson, Mike Ochoa and Jammie Davis gave the 'Winds a first down and goal-to-go at Brownfield's 8 yard line, but a fourth down pass from Rodriguez to Jason Pyle was ruled stopped just a couple of inches from the end zone. Brownfield took over within their own one yard line, and three plays later were forced to punt. The short punt was returned by Gabino Suarez, and the 'Whirlwinds were back in business at the visitors' 29-yard line. However, a first down Floydada turnover gave possession back to the Cubs on their own 24.

A confusing, offsetting penalty on Brownfield's second play resulted in another break in the Cubs' favor as they were awarded a first down at their own 25-yard line. The Whirlwinds' defense stiffened with Ochoa, Jammie Davis and Todd Cage leading the charge.

For one of the few times all night the Cubs were "three and out" and were forced to punt. A 16-yard pass from Rodriguez to Jammie Davis highlighted a 7-play, 30-yard Whirlwind drive in the closing minutes of the third period.

Michael Henderson opened the fourth quarter with a nifty 11-yard run. A late-

hit call on the Cubs moved the ball even closer to the Brownfield end zone. Two plays later Henderson scored from five yards out to finally put the 'Winds on the board. Micheal Gilliland kicked the conversion, but the point was nullified by an illegal procedure penalty. "Gill's" second attempt sailed wide to the right, and the score remained Brownfield 17, 'Winds 6.

The Cubs mounted a short drive following the ensuing kickoff, but sputtered at the Floydada 30-yard line.

"Wind linebacker Israel Medrano made a good defensive play on a Brownfield fourth down screen pass and Floydada took over on downs at their own 26 yard line.

Following an exchange of punts the 'Winds were back deep in their own territory at the 3 yard line. Pass interference was assessed against the Cubs two plays later, moving the 'Winds out to their 22. A 17-yard scamper by Jammie Davis was all for naught, as Brownfield picked off a Rodriguez aerial two plays later.

Brownfield fumbled on first down following the interception, and the loose ball was picked up by Scott Crader. The senior defensive end turned running back by advancing the ball 37 yards on the return.

Floydada fought the clock in their next drive. Henderson rushed for 14 yards on first down, and a 23-yard Rodriguez-to-Davis pass moved the 'Winds to Brownfield's 19-yard line. Rodriguez capped the 9-play drive with a 6-yard touchdown on a QB keeper. The attempt for a two-point conversion failed. The 'Winds lined up for the on-sides kick attempt with three seconds remaining on the game clock.

Gilliland executed the kick perfectly and the 'Winds had one last chance to attempt a miracle play to pull out a victory. Rodriguez sent all his receivers out in a spread formation, but was slammed to the ground before he could get away the pass. The final horn sounded, the scoreboard read, "Brownfield 17, Floydada 12," and the 'Winds had suffered their first loss of 1992.

Seagraves, a 22-6 loser to New Deal last week, will host Brownfield this Friday as the Whirlwinds travel to Hamlin. The Pied Pipers have been ranked as high as #4 in the state in Class 2A, but lost 35-17 to 3A Abilene Wylie

last week.

BILL'S NOTES

It is very difficult at times to be an avid Whirlwind fan, and at the same time be an objective sportswriter. Good sports fans do not make good sportswriters, and vice versa. The loss to the Cubs was especially hard to take because the 'Winds are a lot better ball club than they displayed in the first half disaster.

Was it complacency and lack of mental preparedness? Was it questionable officiating?

Perhaps it was a great deal of both. The 'Winds just couldn't get untracked in the first 24 minutes - they showed no intensity and didn't appear to really want to get after it.

Was the one-sided blowout against Lockney harmful? Maybe.

Granted, the Whirlwinds didn't receive any breaks - from the bounce of the ball to some very questionable calls - for most of three quarters. Every time the 'Winds appeared to be getting something going, they "shot themselves in the foot" or had a hankie dropped!

Brownfield's "split-six" did have something to do with some of the Floydada miscues, but the 'Winds' lack of hustle and desire may have had more to do with their bad play than anything else. That is correctable.

Unfortunately, bad officiating cannot always be corrected. It's just a shame sometimes when the flow of the game is so controlled by such an incompetent crew.

As fans (and sportswriters, too), we are asked (or rather sternly warned) not to criticize the game officials. It's kind of hard sometimes to abide by that decree, but by and large I do agree with it. However, I also feel that those selected to call high school football have a responsibility to the competing schools to do the best job possible in seeing that the contests are played as close to the rules of the game as they can. When the calls consistently go against any one team, as they did last Friday, the credibility of the officiating becomes suspect.

On several occasions, flags were dropped by out-of-position people, such as Pyle's apparent touchdown reception... I could go on and on in citing other instances, but those in attendance know the ones I would be writing about.

I guess the bottom line is that the 'Winds have got to play well enough to overcome all the obstacles, including poor or lack of calls. The Whirlwinds did not play a good game in the first 24 minutes, and Brownfield had a good enough team to capitalize on the errors. I don't think that will happen again!

The 'Winds had some bright points in the game, but almost too few to mention. Scott Crader's nice return after a fumble

recovery seemed to really pump some people up and probably helped change the momentum which led to the 'Winds' fourth-quarter rally. Gilliland's on-sides kick at the end helped put the 'Winds in a position to pull out the game.

Neither team really deserved to win. I do think the 'Winds learned a valuable lesson - they've got to do more than just show up to come out on top!

It will be a toughie at Hamlin this week. The Pied Pipers should be fired up after their loss to Abilene Wylie. But, I have a hunch that the Whirlwinds as we know them will do MORE than just make an appearance. They will deliver a strong message to the Pipers and those remaining on the schedule.

Brownfield had the luxury of seeing the WRONG Whirlwind. Hamlin won't be so fortunate! The 'Winds will return to their winning form by at least 8 points!

Before I get into the rest of the pics, I would like to congratulate the Lockney Longhorns on their sound thrashing of Petersburg. I knew it would be just a matter of time before John Lowe's gang started to gel!

Ninth graders slip by Brownfield, 8-6

By Bill Gray

The 9th grade Whirlwinds opened their 1992 football season with an 8-6 victory over the Brownfield freshmen. Brownfield registered a touchdown in the first quarter, but missed the extra point. Floydada countered with a second period touchdown from Arnulfo Cervera from seven yards out. Cervera added the 2-point conversion on a reverse for the winning margin.

It was a physical, defensive battle in the second half. David Watson and Michael Mercado were named as offensive players of the game by Coach Mike Cocanougher. Outstanding defensive performances were turned in by Neal

Nelson and Michael Molinar.

Jesse Sanchez intercepted a Brownfield pass with less than a minute remaining in the game to seal the victory for Floydada.

Coach's Comments

By Coach Dean Bates

The football team was not prepared mentally for the Brownfield game. That is my responsibility, and we played as poor a first half as we have ever played. It was not a typical Whirlwind effort and that will change.

We played with more intensity in the second half, and had opportunities to win and came up short.

The mental preparation must get better, and our execution must improve if we are to be a good football team.

Hamlin is a highly regarded, state ranked team, and we must play hard on the road to get on track again. They are a large, fast team, and we will have to play well to win. We are looking forward to the challenge. See you at the game.

School out early Friday
Floydada schools will dismiss classes at 1:00 p.m. Friday, Sept. 18, for staff development.

8th grade Breezers beat Brownfield 20-12

Floydada's 8th grade Breezers opened the 1992 season with a 20-12 victory over visiting Brownfield. Marcus Collins put the Breezers on the board in the first quarter with a 7-yard run up the middle. Collins also carried for the two-point conversion. QB Monty Anderson kept the ball on the option and scored from 17 yards out on Floydada's second touchdown. The conversion attempt failed.

The Breezers final touchdown came in the fourth quarter when Vernon Cooper took a pitch from Anderson, cut back against the flow and scored from 7 yards. Again the extra point attempt failed. In addition to Anderson, Collins, and Cooper, the coaches named Robert Cuba, Adam Soto, and Tomas Barrientos as offensive standouts.

The Breezer defense held off the Cubs in the fourth quarter to insure the victory. The defense was led by tackler Dustin Owens and Angel Aleman and end Todd Cocanougher. Linebackers Emilio Guzman and Tomas Barrientos were also cited for a good defensive game.

First-year Breezer coach Craig Cooke commented, "We need to improve more defensively in order to have a good year. We gave up too many big plays. We also need to work harder to get into playing shape. Our numbers are few, so we must be able to play all 32 minutes of the game at 100 percent."

Cross country team in Plainview meet

The Lockney Cross Country team participated in the Plainview Invitational Meet held at the Wayland Bowl on Saturday, September 12.

The Lockney boys team placed 10th in Division I with 361 points.

Lalo Chavira placed 54th with a time of 19:24; Leo Vargas, 62nd, 19:41; Julio

Ramirez, 77th, 20:17; Robert Delgado, 79th, 20:21 and David Turner, 89th, 20:43.

The girls varsity team participated in Division I. Lisa Vargas placed 48th with a time of 14:35 and Danielle McDonald 93rd with a time of 15:17.

Debrah Ballejo placed 17th with a time of 14:32 in the junior varsity division of the meet.

Kim Kayler is the cross country coach.

City of Lockney sets 39.3 cent tax rate for 1992

Continued from Page 1

orem tax rate for the 1992 taxing period at 39.3 cents per \$100 valuation. This is an increase of three percent over the previous year and required no publication of notices or public hearings. Motion to set the rate was made by Copeland with a second by Fortenberry.

Mackenzie Municipal Water Authority director John Simpson came before the council to present the annual report from the water facility. His report is an annual event in each of the four cities sharing the cost and benefits of the water authority. They include Tullia, Silverton, Floydada and Lockney. Lockney share of the annual operating expenses will be \$1,948.00 per month for the coming year. These expenses are calculated on a 24 month average each year in order to make the annual participation as fair as possible stated Simpson.

Jim Bob Martin appeared before the council to discuss property lines on two individual pieces of property he owns in the city of Lockney. Each has a portion of a building on what is dedicated city property. One is on an alley and the other on an unopened city street. Martin asked the city to consider exchanging cross-deeds on the areas to allow him a clear title to the properties.

Attorney Lyle told the council they would need to see a survey of the areas which should be provided by Martin and that Martin would have to discuss the situation and solution with the adjacent land owners. He also suggested that Martin inquire into the title search and possible title insurance on the properties at the time he purchased them to see if there was any problem or assistance to be had there.

A discussion concerning applying for a Texas Community Development Grant was cancelled after the mayor informed the council that Lockney was not eligible based on the 1990 Census figures depicting the city as being only 41 percent low to moderate income. Participation in the program requires that at least 60 percent of the residents be in the low income range. A survey can be conducted in the next few months to determine the income levels in Lockney at this time and the council could consider applying for grant funds next year said the mayor.

Claude Brown was appointed to a two year term as the chairman of the Lockney Housing Authority Board of Directors. Jinna Sue Turner and Pat Frizzell were appointed to two year terms as board members. Motion for the action was made by Copeland with a second by Anderson. The motion carried unanimously. Additional board members are Libby Delgado and Kenneth Tate.

Police Chief Lennie Gilroy came before the council to request that Roy Ehresman be authorized to join the department as a reserve officer. As such, he will receive no compensation and will work as needed during special events or other times when he can be useful. The reserve status will allow him to retain his certification as a law enforcement officer and allow him to gain time and experience while assisting Lockney officers as a volunteer. The appointment as a reserve officer was

approved on a motion by Fortenberry, seconded by Marr.

Discussion about moving the siren at City hall to another location and placing a larger siren at City Hall was deferred after Alderman Fortenberry told the council he had not checked into the matter at this time.

Irasema Velasquez met with the council to discuss the proposed change in the franchise agreement between Southwestern Bell Telephone and The City of Lockney. The council had approved the ordinance on the condition that an offensive clause concerning future liability in any dispute or problem arising regarding the ordinance be removed.

Velasquez told the council that more than 288 Texas cities had already voted to implement the new ordinance as written and that Bell Telephone did not intend to remove the clause.

Implementation of the proposed new five year ordinance would mean an increase in municipal fees paid to the phone utility by city residents with phones. This fee is then returned to the city by the phone company. Currently the fee per line is 19 cents per month and yields about \$2300.00 per year to city coffers.

Under the proposed agreement, the user fee would increase to 66 cents per line per month over a period of either two or five years. The council characterized the user fee as a tax and opted to remain with the current agreement which is effective until the year 2001. The council was explicit in saying that they preferred to tax their citizens through the ad valorem taxes levied annually and not through a hidden tax even though it would appear to the citizens that the phone company was responsible for the additional cost to them.

Attorney Lyle will prepare an ordinance rescinding the previous approval of the proposed ordinance. This will be considered at the next regular council session.

City secretary Hooten asked that the council approve changing the employee health insurance from a \$200 deductible to a \$500 deductible and adding a prescription card feature to the plan. According to Hooten, the cost of the insurance coverage will increase by 15 percent on October 1 even if no change is made. Changing to a \$500 deductible will lower the cost of the insurance by 6.5 percent and adding the prescription feature will add 5 percent. She told the council that the employees on the policy had all agreed that this was a change they would like to see implemented.

Copeland made a motion to make the change in coverage and Fortenberry seconded. The vote on the matter was unanimously in favor.

Other business considered in the morning long session last Thursday included approval of budget amendments and department reports by the various aldermen.

The following persons were present for the meeting: Mayor Kenneth Wofford, Alderman Fortenberry, J.D. Copeland, Marr and Anderson; City Attorney Paul Lyle, City Secretary Charlotte Hooten, Irasema Velasquez and the Hesperian-Beacon reporter.

'Horns trample Buffaloes

By Les Reed

LOCKNEY — Execution was key in Fridays game as the Longhorns outscored the Buffaloes of Petersburg 32 to 16. The Horns went out ready to play ball and play ball they did! With the Longhorns at 1 and 1 for the season, they have already matched that of last years record and with it this early in the year only good things are ahead for the Horns.

Early on in the game both teams seemed to have trouble putting points on the scoreboard. Offensively both Lockney and Petersburg was moving the ball but no scores were made. Working with the wishbone offense the Longhorns were finally able to hit pay dirt early in the second quarter as Leo Vargas found running room behind a strong offensive line and was able to score from 15 yards out. The point after was good and this put the Horns out in front 7 to 0. The defense of the Longhorns did their job as they held the Buffaloes scoreless in the first half. The second score of the first half came from Vargas connecting with Jenaro Zapata for a 45 yard pass resulting in another 6 points. The point after attempt again was good and this left the

score at 14 to 0 at the half.

Coming out after the half the Longhorns again struck first with a 62 yard run by Phineas Riddley. The point after attempt was blocked and Jeff Weaver of the Buffaloes was able to return the ball for 2 points. The Longhorns next score was made as Phineas Riddley shook off defenders for another quick 6. The point after attempt failed but the Horns would capitalize on a Buffalo fumble and again score, putting the Horns up by 32 to 2. The Petersburg team was not ready to quit though. Brannon Rodgers threw to Rudy Marquez for a 67 yard touchdown. The Buffaloes opted for a 2 point extra point and succeeded with Brannon Seth running the ball in for another 2. This

ended the third quarter with the Horns still out in front 32 to 10.

The final quarter saw no additional points for the Horns, but the defense stood in strong and only allowed 6 additional points for the Buffaloes. The Horns came out with a very impressive victory over the Buffaloes this past week. Next week we will travel to Crosbyton for our final game before district play begins. Crosbyton played a tough game against both Hale Center and Petersburg, coming out a winner both times but after talking with a few of the Longhorn players I found one thing in common, excitement. Have you ever noticed what happens when people get excited about something? Usually it pushes them to even greater heights than that of the week before. The Longhorn players are now excited! What about you? Come on out this next week to Crosbyton and get excited with the Horns and help them bring another victory home.

TAAS TESTS SCHEDULED
TAAS test are scheduled for September 22, 23 and 24 at the three Lockney schools.

The test will be given to students in the third, seventh, ninth and eleventh grades.

Parents need to be sure that the students get a good nights sleep the night before the tests and that they eat a good breakfast on the days of the tests.

WHERE TO DROP STUDENTS OFF

Phil Cotham, principal at Lockney Elementary asks that parents drop students off in the parking lot on the south side of the elementary school. He stated that the students who are let out on the west side of the building have to walk through the school buses to get to the building and that the potential for an accident is great.

PARENTS NEED TO REGISTER AT OFFICE

Principal Phil Cotham asks that ALL parents and visitors coming into the elementary building need to come to the office every time before going to their child's room. This request includes everyone.

PIPS MEETING TO BE HELD

A general meeting will be held at the Lockney High School Gym for all parents who have students who are interested in participating in the PIPS basketball program. The meeting will be held Tuesday, September 22 at 6:00 p.m. Officers will be elected and a discussion on sanctions will be held.

LONGHORN FANS

"Hey all you Longhorn Fans, come support the Big Red Thursday and Friday nights. The junior varsity will play at home on Thursday and the varsity will travel to Crosbyton on Friday. The varsity game starts at 8:00 p.m. But don't forget the pep rally Friday afternoon in the high school gym at 3:30. Comeout and cheer the Longhorns on to another victory.

Public Notice

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting at approximately \$50.

Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You would have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is introduced in their area.

If you want to block your name or number, you need only press *67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

Anonymous Call Rejection (ACR or "block the blocker") allows subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

Proposed Rates (monthly)*

	Residence	Business
Calling Number only	\$6.50	\$8.50
Calling Name only	\$6.50	\$8.50
Calling Name & Number	\$8.00	\$12.00
Anonymous Call Rejection	\$3/\$1**	\$3/\$1**

* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are \$2.70 per feature, with a maximum charge of \$5.40. For business customers, the charges are \$5.40 per feature, with a maximum charge of \$10.75.

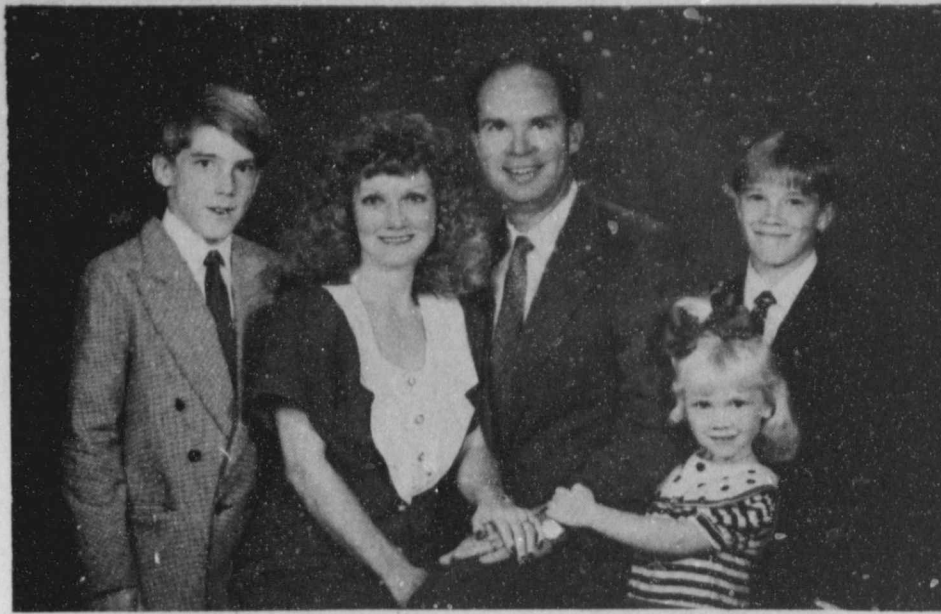

** Anonymous Call Rejection is \$3 per month if purchased without Caller ID and is \$1 per month when purchased with Caller ID Name or Number.

This proceeding has been designated Docket No. 11362, and a hearing on the merits has been scheduled for November 16, 1992. The PUC has jurisdiction to consider this matter pursuant to Sections 16, 18, 37 and 38 of the Public Utility Regulatory Act (PURA). This application was filed pursuant to the provisions of the PUC's Substantive Rule 23.24. Among the issues that will be addressed in this proceeding is the legality of the Caller ID device and service under Texas wiretap laws.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is October 26, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

Floydada's First United Methodist Church receives new pastor

As of September 1, The First United Methodist Church of Floydada, welcomed Clark Williams as their new pastor. The former pastor, Bill Wright, has been appointed to St. Paul's Church in Amarillo. Clark and his wife Dendy, have three children: Nick, 12, Andy, 10, and Abil Gail, 4. Both Clark and Dendy are graduates of Coronado High School in Lubbock. Clark received his degree from Texas Tech University and then went on to Asbury Theological Seminary. He has served as Associate Pastor of San Jacinto United Methodist Church in Amarillo, from 1981-1984, pastor of Bovina/Oklahoma Lane United Methodist Churches, from 1984-1987, and as pastor of Trinity United Methodist Church in Amarillo, from 1987-to present.

Dendy attended Methodist Hospital's School of Nursing and is a licensed Vocational Nurse, though she has not worked in that vocation for some time. Dendy loves singing in the choir and Clark and sons are interested in sports of all kinds. Clark especially enjoys bass fishing. The public is invited to come and meet the new family in Floydada and welcome Rev. Clark as the new pastor.

LIONS DISTRICT GOVERNOR VISITS--Floydada Lions Club hosted a visit from their District Governor C.L. "Chuck" Fisher, on Thursday, September 10. Fisher is also a member of the Lubbock Industrial Lions Club. Governor Fisher spoke of his commitment to increase membership within local lions clubs and encouraged all Lions to reach for that goal. Council reviews proposed TCDP grant application

Continued From Page 1

Evans asked that the city consider paying half if the study club raised half. The council agreed to look at doing so and the study club will be reporting back to the council in November or December concerning the progress of their fund raising. The club has already voted to donate \$200.00 to the project and proposes taking donations and pledges as well as conducting fund raising activities to raise the rest.

Brown told the ladies that they could expect to see the project underway in early spring if they had a good report at the end of the year. Motion for consider-

ing the project was made by Tipton with a second by Barrientoz. The vote was unanimously in favor.

Mayor Russell conducted a public hearing on the proposed budget for the 1992-93 fiscal year beginning October 1. Brown presented the budget telling those present that revenues for the coming year are estimated at \$2,203,662.00. Expenditures have been calculated at approximately \$2,848,653.00 according to Brown. The \$644,991.00 shortfall in income will be made up by transfers reserved surplus revenue funds accumulated in previous year.

Motion to adopt the budget as presented was made by Cornelius following the closing of the hearing. The motion was seconded by Morales and approved by unanimous vote.

Tipton next made a motion to set an ad valorem tax rate of 40 cents per \$100 valuation for the 1992 taxing year. Mayor Russell pointed out that he had been associated with the council for the past 24 years was very proud of the fact that the City of Floydada had not raised taxes during that period.

Schacht seconded the motion to adopt the 40 cent tax rate. The motion was passed by unanimous vote.

A series of motions accompanied the next item on the meeting agenda, a proposed increase in rates to customers of the city sanitation and sewer services. According to city officials, the increase in rates hinges on increased costs due to meeting conditions established by the EPA and state agencies regulating both areas of city services.

Schacht made a motion to increase the rates by \$1.50 for sanitation and by \$0.50 for sewer. The motion received a second from Tipton.

Further discussion revealed that residential rates would rise to \$10.50 per month beginning with the November billing. This cost is for one pickup of dumpster trash each week of the month, for an average of \$2.42 per pickup over the entire year.

Commercial customers would pay \$13.00 per month for one dumpster to be picked up three times a week. This is an average of \$1.00 per pickup of dumpster trash over the entire year. Commercial users are paying \$1.00 for any extra pickups in excess of the three regularly scheduled.

Councilman Morales expressed his opinion that this is not fair to the residential customers. The extra wear and tear on the machinery, the extra labor from city employees and the extra handling costs at the landfill should be added into the commercial rate according to Morales.

A vote on the motion resulted in a split vote with Schacht, Tipton and Cornelius voting for the new rates as presented and Burns, Barrientoz and Morales voting against. At this point, Schacht made a motion to rescind his original motion. This was seconded by Morales and approved unanimously. A motion by Barrientoz followed, asking that the matter be tabled for further study. Morales seconded and the vote was unanimous. Brown is to prepare a report detailing the actual costs and payments involved in providing commercial service for the next council session.

The Floyd County Hesperian-Beacon was designated as the official newspaper for the coming year. This is an an-

nual action to authorize the vehicle of publication for legal notices the city must make public. The motion by Cornelius, seconded by Barrientoz, was approved unanimously.

Council members authorized the city manager to write specifications and advertise for bids to purchase a new police vehicle. Motion was made by Burns with a second by Morales.

Payment of monthly bills was approved and Brown presented a brief city manager's report before adjournment.

Attending the session were: Mayor Wayne Russell; Councilmen Amado

Morales, Ruben Barrientoz, Clar Schacht, Leroy Burns and Wayne Tipton; City manager Gary Brown, city attorney Karen Houchin, city secretary Sharon Quisenberry and city employees Connie Galloway, Jessie Morales, Elza Mercado and Chris McGowan; Kay Howard, Paul McIntosh, Monica Morales, Ruben James Barrientoz, Hector Zavala, Ridley Gibson, Geneile Evans, Doris McLain, Sam Spence, Bruce Bramlett, Roxanna Cummings, Rhonda Guthrie, Larry Guthrie, Vickie Latta, Joe Stepp and the Hesperian-Beacon reporter.

Commissioners approve contracts

Setting the ad valorem tax rate for 1992 was the next order of business. Judge Hardin recommended that the tax rate be set at a level which would generate the same income as last year. This rate was calculated by the Floyd County Central Appraisal District at 36.65 cents per \$100 valuation and is a slight increase from the 1991 rate of 36.54 cents. Commissioner Jackson voiced the opinion that failure to increase the taxes by at least 3 percent would only result in financial trouble for future years and necessitate larger tax increases in the future.

A motion by Taylor opted for setting a tax rate of 36.65 cents per \$100 valuation for 1992. The motion was seconded by Bearden and passed on a unanimous vote.

Judge Hardin told the court that with candidates for constable on the ballot in the November General Election, he expects to have two serving after January 1. In view of this, bond requirements needed to be set for the office. He suggested that the bond be set at \$1,500.00 for each constable.

Hardin stated, "I can foresee no instance in which a constable would have to be responsible for that amount of money, but in the event that one is and the funds cannot be accounted for, the bonding company would reimburse the county up to that amount as the bond on the sheriff had when funds were unaccounted for in that department."

A motion by Jackson with a second by Bishop was approved unanimously setting the bond at \$1,500.00. The county will be responsible for paying the fee on the bond policy to protect it against losses from the two constables.

The final item handled by the court at the Monday morning session was the annual approval of an agreement to house and transport state prisoners picked up on blue warrants for parole violations. Motion for the renewal of the agreement was made by Bishop with a second by Bearden. The vote was in favor.

The session adjourned at approximately 11:30 a.m.

Proposed expenditures include \$828,290.11 for salaries & wages, \$116,089.75 for benefits, \$647,277.56 for operating expenses and \$57,508.00 for capital outlay. This would leave an expected fund balance at the end of September 1993 in the range of \$205,823.43.

The proposed budget was approved on a motion by Bearden with a second by Taylor. The vote was unanimously in favor of the matter.

Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise determined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from \$1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from \$1.75 to \$1.70. In addition, the Touch-tone rates for business PBX trunks will be reduced from \$3.15 to \$2.18.

This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce the rates for Touch-tone service in 1993.

The Custom Calling Services affected by the Company's application are optional telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

One Feature per line	Residence		Business	
	Current Rate	Proposed Rate	Current Rate	Proposed Rate
Call Waiting	\$2.10	\$2.85	\$2.65	\$3.25
Call Forwarding	2.10	2.10	2.65	3.50
3-Way Calling	2.10	2.10	2.65	2.50
Speed Call-8	2.10	2.10	2.65	2.50
Two Features per line				
Call Waiting, Call Forwarding	3.75	4.25	4.75	6.00
Call Waiting, 3-Way Calling	3.70	4.25	4.75	4.75
Call Waiting, Speed Calling-8	3.70	4.25	4.75	4.75
Call Forwarding, 3-Way Calling	3.70	3.50	4.80	5.00
Call Forwarding, Speed Calling-8	3.70	3.50	4.75	5.00
3-Way Calling, Speed Calling-8	3.70	3.50	4.75	4.00
Three Features per line				
Call Waiting, Call Forwarding and 3-Way Calling	5.30	5.65	6.90	7.50
Call Waiting, Call Forwarding and Speed Calling-8	5.30	5.65	6.90	7.50
Call Waiting, 3-Way Calling and Speed Calling-8	5.30	5.65	6.90	6.25
Call Forwarding, 3-Way Calling and Speed Calling-8	5.30	4.90	6.90	6.50
Four Features per line				
Call Waiting, Call Forwarding, 3-Way Calling, Speed Calling-8	6.90	7.05	9.00	9.00
Speed Calling -30 code capacity	3.20	3.20	4.25	3.20

Most of the Company's residence and business customers who subscribe to Custom Calling Features and Touch-tone service will be affected by the proposed rate restructuring.

It is expected that the restructuring of Custom Calling Features will result in a rate increase for approximately 2.9 million residence customers and 280,000 business customers. The reduction in rates for certain Custom Calling Services and Touch-tone Service will affect approximately 4.3 million residence customers and 1.7 million business customers.

This rate restructuring is expected to have a "revenue-neutral" effect on the Company's annual revenues. The proposed rate restructuring of Custom Calling Services will increase the Company's annual revenues by \$19.8 million; while the reduction in Touch-tone rates will decrease the Company's annual revenues by \$19.8 million.

This proceeding has been designated Docket No. 11382. Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC as soon as possible. The deadline to intervene is October 30, 1992. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

Farm Bureau adopts resolutions at annual meeting

FLOYD COUNTY FARM BUREAU DIRECTORS--The 1992-'93 Directors for the Floyd County Farm Bureau are: (back, left-right) President John Quebe, Delmas McCormick, David Vaughn, Randy Rainwater; (front row, left-right) Phil Dunavant, Joe Jones and Jay Lackey. Staff Photo

By Alice Gilroy
Floyd County Farm Bureau treated members to entertainment and tasty fajitas catered from "Roys", during their annual Farm Bureau meeting, September 12 at Duncan Elementary.

Joe Calley, the Director of Staff Developments at Texas Farm Bureau, was the guest speaker for the evening and delighted the crowd with his humorous motivational speech.

Resolutions proposed and adopted by the local members included:

County Resolutions:

(1) The county should continue to maintain all existing blacktop county roads.

(2) We oppose the \$10.00 fee charged for roads and bridges.

State Resolutions:

(1) Oppose state mandated regulations without funding of the state.

(2) We support legislation that any "Rails to Trails" organization within Texas would be required to maintain fences, control of noxious weeds, maintenance of rights-of-way, litter control and liability insurance along the right-of-way.

National:

(1) We oppose consolidation of County ASCS offices without a specific set of criteria established to proceed with consolidation.

President Randy Rainwater spoke to

the group on the work that the local county chapter has done in the community. Above the job of providing insurance, Rainwater pointed out that County Farm Bureau had also sponsored the Stock Show Banquet, set a local representative to the A&M training school, sent two individuals to the state convention and sent Delmas McCormick to a leadership convention. Rainwater also pointed out that the Floyd County Farm Bureau has also been involved with the County Extension Agent in sponsoring many events.

Clar Schacht, the agency manager for Floyd County, also spoke on the agencies work within the past year. He said, "In April, May and June, we worked a little over 150 claims due to the hail here."

"In central Texas, Farm Bureau had to deal with the a \$250 million storm, and Hurricane Andrew was another disaster that affects all Farm Bureau agencies around the state.

"State regulations also cost us money," said Schacht.

Schacht also presented Linda Seymour, a secretary in the local office, with a plaque of appreciation for her 10 years of service.

Rhealene Brown addressed those in attendance and told of her experience at the Citizenship Seminar Training Session. Floyd County Farm Bureau had

sponsored Brown, along with Andy Stapp and Shawn Hill. Stapp and Hill were not at the meeting Saturday night.

Bobby Welborn was also on hand to thank Farm Bureau for sending him as a Fire School Representative to the training school at Texas A & M. Welborn showed a film of the fire fighting school to the members present.

Due to three vacancies becoming available on the Board of Directors, Delmas McCormick called for nomination of new directors.

Mark Beedy, who is currently a board member but eligible for another term, was re-elected. David Bond and Monty Teeter were also elected to fill the vacancies left by retiring members Phil Dunavant and Ronnie Aston.

Phil Dunavant was also presented with a plaque of appreciation for 8 years of service. Ronnie Aston, who has served for 6 years, was not present to receive his plaque.

Also honored with a plaque, was Randy Rainwater, for his 2 years as President of the board.

The financial report was given by Joe Jones. The report showed a total income for the 10 month period of November 1, 1991 thru August 20, 1992, of \$66,944.77. Total expenses were \$59,326.20. Total income from operations was \$7,618.57 and cash reserves for August 20, 1992 was \$40,988.68.

Floyd County ASCS News

Basic Eligibility: Producers with crop insurance must have had losses greater than 35%. Producers without crop insurance must have had losses greater than 40%.

Phase I - That which we have just completed (1990 or 1991).

Phase II - \$100 million for program crops planted in 1991 for harvest in 1992 (1992 wheat, barley, and oats only). Signup begins on September 8 and ends on October 2. After Phase II signup ends, data will be transmitted to USDA to see if a factor will be necessary.

Phase III - \$655 million for crop losses for 1990, 1991, 1992. Signup begins on October 13 and ends on February 12, 1993. After Phase III signup ends, data will be transmitted to USDA to see if a factor will be necessary.

Producers will have their choice of receiving disaster benefits for two of the three years - 1990, 1991, 1992.

For example: If you received benefits for 1990 in Phase I, you will now have a choice of 1991 or 1992. If you received benefits for 1991 in Phase I, then you will now have a choice of 1990 or 1992.

If a farm receives benefits for Phase II, the farm is eligible only for the remaining 1992 crops under Phase III.

If an operator has multiple farms,

some farms may be selected to earn benefits for 1 year and other farms selected to earn benefits in another year.

Because the selection criteria is by farm, all eligible crops on a farm will receive disaster benefits for the same year.

If a different operator was recorded for the farms in any of the years 1990, 1991, or 1992, then all operators must agree to which year will earn benefits. This agreement must be reached and signed by October 9.

Gross Income Limit: All persons must certify that their gross revenue does not exceed \$2 million for the most recent tax year preceding the crop year for which benefits are requested. NOTE THAT THIS IS GROSS REVENUE.

Payment Limitation: Total payments and benefits received for crop disaster losses in a specific disaster crop year cannot exceed \$100,000 for each "person".

Multiple Peril Crop Insurance: Each producer requesting disaster payments for 1992 crops must obtain multiple peril crop insurance for 1993, for the applicable farm and crop. Waivers may be granted in certain cases.

Insurance closing date for wheat is September 30.

Things to bring in when you apply: Production Records, Crop Appraisals,

CCC-440-showing whether you had crop insurance or not.

Disaster benefits and deficiency payments cannot be earned on the same production.

Pheasants Forever

"EFFECTS OF HUNTING RESTRICTIONS"

Research in Minnesota (MN) and Iowa (IA) shows that restrictive seasons has no measurable effects future pheasant numbers. Biologist made yearly state to state comparisons, over 20 years, of pheasant number data in similar habitat and weather areas (lower 2 tiers of MN counties and upper 2 of IA). During the 20 years, MN's daily limit was 1 less, and season length half that of IA. When sever winter weather reduced the population, MN closed their season for four years. IA did not. Despite the differences, the two states had mirror image population trends. MN was not stock piling birds by restricting harvest.

During the four closed seasons, MN had to yield to an uncomprehending public. "We must stop hunting so the bird population can grow." It did not grow more than IA's! Instead MN hunters lost 2.4 million hours of recreation and 400,000 roosters in their bag (Wooley 91).

Backstage with "Opal is a Diamond"

By Grant Hambricht

FLOYDADA — Two new faces make their stage debut in the upcoming production of *Opal is a Diamond* at the Upstairs Theater. Carlen Young Beedy and Paco Garcia display their dramatic talents through the roles of Toni Hansen and Miggy Ramos, respectively. These characters are truck drivers who are befriended by the title character, Opal Kronkie. Toni and Miggy admire their friend so much that they assist her in her latest quest—running for public office. Coming to the aid of a friend does have its potential rewards, but the local political machinery assures Toni and Miggy that a price must be paid first. They persevere and eventually emerge as winners. Both roles are similar on the stage; however, both actors have had diverse personal backgrounds.

Carlen Young Beedy is the daughter of Deral G. and LaFaun Young. She was born in Lubbock, and she and her family moved to the Floydada area in 1962. She attended South Plains Elementary School for six years and graduated from Floydada High School in 1977. Carlen attended Texas Tech University during 1977-78 and worked at Texas Instruments until 1979. Schooling at Angelo State University was her next endeavor before marrying her husband Randy in

1980. They have two children: Ragan, age seven and Charlie, age three. Carlen's work experience outside of the home has included being a school secretary at Highland Park ISD (Amarillo) from 1981-87 and at Floydada ISD where she is currently employed. Beedy states that she does not have much time for hobbies being a working mother, but she does enjoy golf, aerobics, bike riding, and other outdoor activities. The Beedys are members of the First United Methodist Church. Carlen was a member of the FHS Drama Club, yet this production marks her stage debut.

Another actor making his initial stage appearance is Paco Garcia. Paco was born in Brownfield and was raised in Lawton, Oklahoma. He graduated from Lawton High School in 1978 and lived in Lawton until 1983. At that time Paco moved to St. Paul, Minnesota where he worked as a chef at the Marriot Hotel. Floydada became home where he met his wife, Mary. They have three sons:

Adam, a seventh grader; Jim, a fifth grader; and Daniel, a first grader. Paco has been employed by the Floydada ISD for the past five years. The Garcias are members of the Spanish Mission Baptist Church.

Ticket reservations are obtained by calling 983-2445. Patrons are advised to pay for their tickets at least 48 hours prior to their requested performance time. Tickets may be purchased and picked up at CRH Systems, 116 W. California, during the regular office hours. Production dates are October 1, 3, 4, 9, 10 and 11. All performances are dinner theaters except for the October 4 and 11 matinees.

HELP WANTED

A letter of heartfelt thanks to the dear people of Lockney.
On the 22nd of August 1992, my only and baby sister Marty Smith left us. That day I was with her until about 3:30 p.m. She left that night at 9:30 p.m. During the 5 weeks (almost) that she was so ill and when I was there I never felt or saw so much love and support for her and her family as you all gave.
Most of you I know, if not by name by face and with love. Of course all of you know how much she loved you. As I watched the people come in and out, wishing her the best and feeling your hearts break as mine and the family's hearts were breaking we had your love and support to hold us up and to hold on to. There are so many people I want to say THANKS to. Some names I cannot remember but to all let me send all my love.
Dr. Gary, what can I say-THANKS! To Shirley, Flo, and Alton, who was her bridge in troubled waters as all of you were. A very special Thanks to Peggy and Richard, Buddy and Debbie Wiley for being there again for us. To Dr. Travis Hart who knew some of my baby sisters laughter and hurt and in some way made it easier for us. Another special Thanks to Louie Bybee, Stanley Stoerner, Aaron Wilson, Johnny Taylor, Jeff Taylor, and Ken Cooley for carrying her so gently. I'm sure there will be a big emptiness in your hearts as there is in mine.
Words are so inadequate at this time. I keep reminding myself of a love that grew and was so beautiful-perhaps God had a garden just for her.
I love you all. God Bless each and everyone of you and keep you in his hands.
I'll try to see you in person before long, but right now we take "One Day at a Time".

Football Contest Rules

Any subscriber or individual above the age of 7 years old who purchases a Floyd County Hesperian-Beacon is eligible to enter this newspaper's weekly football contest, except employees of this newspaper and family members living in the same household.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. In addition, write in the two tie breaker footballs your guess of the combined total points to be scored by the two teams listed in each tie breaker football. Also circle the team you believe will win. Circle both teams if you think the game will end in a tie.

The only entries which will be considered for prizes will be those on official entry forms which are brought to the Hesperian-Beacon office in Floydada or to the Hesperian-Beacon Office in Lockney by 5:00 p.m. on Friday. No photocopies will be accepted.

NO MAIL ENTRIES WILL BE ACCEPTED.

Three cash prizes are offered each week. In the event of ties - the same number of correct games and equal scores on the tie breakers - prizes will be shared by those involved in the tie. The tie breaker scores will be utilized only in the event of a tie on the number of games correct.

Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at the Hesperian-Beacon office before 5:00 p.m. on Friday.

Entries are limited to one per person per week. Weekly winners are limited to one per household.
