FLOYD COUNTY'S FIRST BALE-- Johnnie Belt, of Lockney, delivered the first bale of cotton in the county to D&J Gin. The cotton was weighed in at 2:45 p.m. on October 8 and was ginned at 4:50 p.m. The first bale weighed 520 pounds. The seed variety was Paymaster HS-26. His first load produced three bales and a remnant. Belt has 170 acres planted in cotton and he stated that he applied Prep nine days before stripping. Shown here are (l-r) David Foster, owner of D&J Gin, Johnnie Belt and Lockney Chamber President Dub Hallmark presenting Belt with \$50.00 for the first bale. Staff Photo

Floydada Independent School District purchases new suburban

By Juanita Stepp
FLOYDADA — Purchase of a new vehicle for use by the Floydada Independent School District was approved by the board of trustees at the regular monthly session for October. The board opened bids from three local auto dealers and took the lowest bid.

Submitting bids on the proposed purchase of a 1993 7 passenger Suburban were: City Auto - \$20,450.00; Oden Chevrolet - \$20,350.00; and Floydada Ford - submitted bids on a Ford Aerostar and an Econoline van. The Ford bids were not considered as the two vehicles did not meet the bid specifications the school was using.

A motion by board member Don Hardy, seconded by board member Billy Joe Villarreal, approved the purchase of the vehicle bid by Oden Chevrolet. The vote on the matter was unanimous.

A motion by board member Michael Hinsley called for hiring Charlotte Dowell as the associate school psychologist for the Caprock Special Education Cooperative. Included in the motion was the hiring of Nora Cisneros as a special education aide, tabled from a previous meeting. The fact that she is the cousin of board member Villarreal does not constitute nepotism in hiring her according to school authorities.

Hardy provided the second for the motion. Vote on the issue was unanimously in favor.

Outstanding students for the month were recognized in the presence of family, friends, faculty and the board at the Tuesday evening session. Receiving recognition from A. B. Duncan Elementary School were: Cory Hurt, son of Mr. and Mrs. Lee Hurt; and Jennifer Ashley, daughter of Debbie Ashley. Recognized from R. C. Andrews Elementary School were: Noe Romero, son of Mr. and Mrs. Luis Romero; and Brandi Gourdon, daughter of Mr. and Mrs. Johnny Gourdon.

Floydada Junior High School recognized Michael Palacios, son of Mr. and Mrs. Art Palacios, and Laci Christian, daughter of Mr. and Mrs. Joe Christian. Floydada High School honorees included Tian Younger, daughter of Mr. and Mrs. Jakey Younger, and Micheal

Gilliland, son of Mr. and Mrs. Bobby Gilliland.

A discussion of the computer system being considered for purchase by the Floyd County Central Appraisal District was part of the session. No action was taken at this time on the matter.

Board members heard the reading of the minutes from the previous meeting

Commissioners open bids for two sheriff's patrol cars

By Juanita Stepp
Bids for the purchase of two Floyd County Sheriff's Department patrol cars were opened at 10:00 a.m. on Wednesday, October 14, in the Floyd County Courtroom. Two bids were received on the proposed purchase.

Oden Chevrolet bid a 1993 Chevrolet Caprice with police package at \$12,660.00 per vehicle. Floydada Ford submitted a bid of \$13,798.00 per vehicle for 1993 Crown Victorias.

The court approved awarding the bid to Oden Chevrolet on a motion by Floyd Jackson and seconded by Connie Bearden. The vote was unanimously in favor of the purchase.

Bid specifications call for delivery within 60 days.

MONDAY SESSION

The Floyd County Commissioners meeting began on Monday, October 12 at 8:30 a.m. The session recessed at approximately 10:00 a.m. for reconvening on Wednesday.

Considered during the short session were the monthly bills which were approved on a motion by Precinct 4 Commissioner Howard Bishop and seconded by Precinct 1 Commissioner Connie Bearden. The vote was unanimously in favor of approving the accounts as presented. Payment of the bills was authorized on a motion by Precinct 3 Commissioner George Taylor with a second by Precinct 2 Commissioner Floyd Jackson.

Six farm work contracts were approved by the commissioners. They in-

Lockney City Council hears details of voting rights lawsuit

By Juanita Stepp
LOCKNEY — City Attorney Paul Lyle briefly detailed the terms of a voting rights lawsuit filed against the City of Lockney by local resident Joe S. Perez prior to the conclusion of the regular council session on Thursday, October 8. Lyle told the assemblage that the purpose of the legal action was to force the city to divide into designated districts, each represented by single council members, rather than the current at-large election system.

The lawsuit, filed on September 4 in the United States District Court for the Northern Division of Texas in Lubbock, lists as defendant the City of Lockney. Also included as defendants are Mayor Kenneth Wofford and city council members Bill Anderson, J. D. Copeland, Terry Jones, Gary D. Marr and Sam Fortenberry.

According to Lyle, the plaintiff's contention is that the current method of election prevents Mexican American candidates for city offices from being

elected because Anglo-American voters casting ballots for their preferred candidates cancel out or minimize Mexican American votes under the at-large system.

Lyle told the council that the Perez lawsuit states that there is sufficient minority population which is geographically concentrated in such a manner that the creation of single member districts would allow the minorities to elect several representatives of their choice. According to the lawsuit, the results of the 1990 Census place Lockney population at 2,207 persons, approximately 47 percent of which are Mexican Americans. Lyle also pointed out that the lawsuit contends that the minority group in Lockney is politically cohesive and that Perez has been an active leader in the Mexican American community.

An answer to the suit was scheduled to be filed on October 8 stated Lyle and the court would issue a scheduling order asking the parties of the lawsuit to deter-

mine if the suit could be settled or mediated.

Lyle then advised the council that further discussion should take place in executive session in order to preserve the attorney-client privilege. The council entered an executive session at this time. No formal action was taken following the session.

OTHER MATTERS

Other items considered by the council during the Thursday morning session included the reading and approval of the minutes from the previous meeting and authorization of the payment of monthly bills. Financial statements were re-

FLOYDADA — Ghosts and goblins will invade the downtown square Oct. 31 as Punkin Day organizers incorporate trick-or-treating into the day's events.

Surrounding streets will be blocked off and tables will be set up in front of businesses. Merchants have agreed to hand out treats themselves or allow organizations to use their sidewalk space, said Anne Carthel, Punkin Days chairman.

Volunteers are needed to make this alternative to residential trick-or-treating a success. The committee plans to arrange 20 tables with two volunteers per table, Carthel said.

A costume contest is scheduled for 6 p.m. Kids participating in the competition will be directed to the starting station after they show off their creative costume. Each child will be given a card which will be checked off at each table

Band receives top rating at Wayland

FLOYDADA — This past Saturday, Oct. 10, the Floydada Whirlwind Band participated in the 2nd Annual Wayland Marching Festival held at Bulldog Stadium in Plainview. Participating in the contest were 12 bands from around the South Plains and Panhandle areas of the state.

The Floydada Whirlwind Band received a first division at the contest from all three judges. Those judges were Mr. Barry Hurt, Director of Bands at Plainview High School, Mr. O.T. Ryan, coordinator of Fine Arts for the Plainview schools, and Mr. J.W. King, noted director and judge throughout the southwest United States.

The judges commented on the bands playing and marching and gave many valuable suggestions for the improvement of the overall contest show.

Micheal Gilliland and Austin Williams were recognized as outstanding

drum majors in the Class Three A Division. The percussion section also received an award as the outstanding percussion line. The members of the drum line are: snare, Corinna Cisneros, Stacy Lloyd and Mindy Dorman; bass drum, Jennifer Bramlett, James Castillo and Kathy Hoffman; cymbals, Nelda Enriquez and Crystal Hernandez; mallets, Laci Christian, Christy Hale and Kelli Bertrand, and tri-toms are played by Nathan Carr.

The Whirlwind Band will next compete at the Texas Tech Marching Festival this Saturday, Oct. 17, at Jones Stadium in Lubbock. They will march at 4:07 in the afternoon. The next contest will be the District 16 U.I.L. Marching Contest which will also be held at Jones Stadium on Wednesday, Oct. 21, at 9:00 a.m. The public is invited to attend both contests and support the band as they represent the school and community at these competitions.

Lockney alumni gather for Homecoming '92 weekend

LOCKNEY — Six hundred and fifty Lockney High School Exes gathered on

October 9th and 10th for the various events of the 1992 homecoming weekend.

The celebration began with a bonfire on Thursday night. The cheerleaders and band led the procession of decorated cars to the fairgrounds where the bonfire was held.

Exes and students filled the gym on Friday afternoon for the pep rally. Cheers were led by the varsity cheerleaders with assistance from the band and feature twirler.

Sam Fortenberry talked to the football team and told them that the homecoming game would be the one that they would always remember winning or losing.

In closing, former cheerleaders led the singing of the school song.

Mitchell-Zimmerman Field was filled to capacity for Friday night's football game against Morton. After a hard fought game the Longhorns fell to the Indians 40-35.

During the festivities at halftime Kori Kellison was named 1992 Homecoming Queen. She is the daughter of Ricky and Kathy Kellison and a senior at LHS.

Chosen as runners-up from a field of 12 candidates were Melissa Salas, junior; Mandy Hunter, sophomore; and Gracie Rodriguez, freshman. The girls were escorted by their fathers.

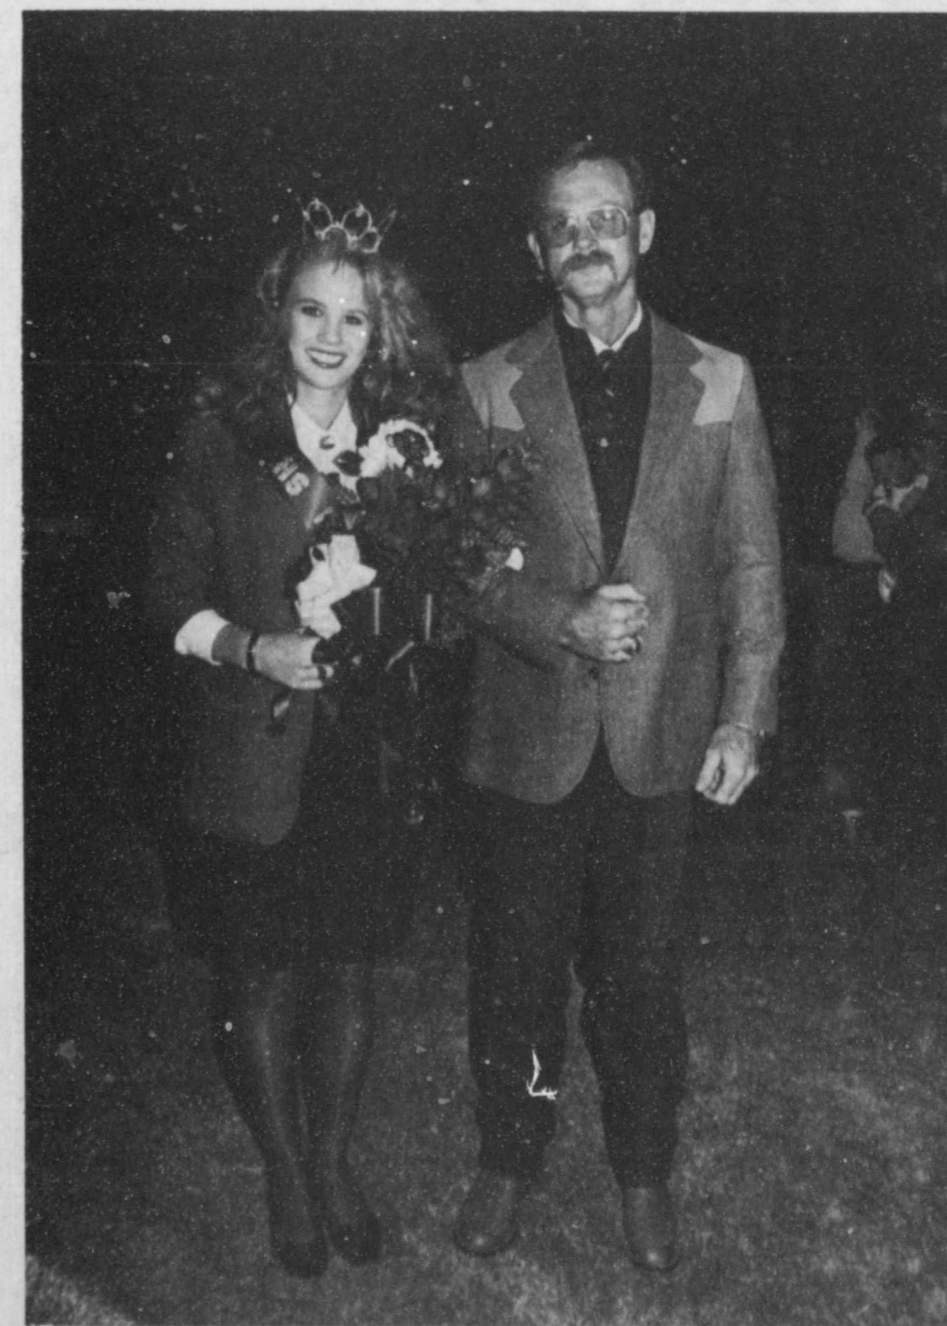

After the football game class parties were held in various locations.

BUSINESS MEETING

John Quebe, president of the Ex-Student Association called the business meeting to order and the minutes of the 1988 meeting were read by Shawnda Foster.

In a memorial service, Boyce Mosley read the names of those classmates who are deceased. He explained how it felt to

By The Way

By Alice Gilroy

I'm sorry for the swap in titles last week on Major General Robert Dempsey and Major Brian Vickers.

I haven't gotten that many phone calls since I wrote a column about too many basketball games over the Christmas holidays!

Everyone was very understanding about my military ignorance and I hope that Major General Dempsey didn't mind being demoted for one week. Major Vickers probably enjoyed being promoted.

I felt so sorry for the Longhorns Friday night. They played so hard and they almost had it. It certainly was an exciting game and I was really proud of the efforts of the Lockney Longhorns. It was a good Homecoming game, even though you didn't win.

Ya'll made your exes proud!

As a matter of fact, it was a good Homecoming week-end. Thanks to everyone who made it so much fun.

Thanks also to LaDelle Gowens for the beautiful painted windows in downtown Lockney. They really spruced things up. I also noticed people walking the streets at all hours, window peeping at the old time school decorations. The homecoming committee did an outstanding job!

I got a call from Tanya Covington last night. She wanted me to warn everybody about less than honest fruit vendors selling their pretty fruit around town. She said several people in Lockney got ripped off this week.

A young couple brought their truck into town and gave samples of apples, oranges and grapefruit. Tanya said the samples were absolutely delicious.

Several cases were brought by different people only to find when they cut into them that the inside were rotten or spoiled in some other way.

We decided that you should make the fellow give you a sample out of the box or bag that he is going to sell to you, and you should be allowed to pick the one you want.

I've spent many years congratulating myself on my good sense in moving

away from Houston and into Floyd County. I feel very smug about how much smarter Lennie and I were compared to those people in the city who think they are smarter because they live in the big city.

"We left the sophisticated and cultured to become stupid country hicks."

Lately I was beginning to think that maybe I shouldn't be so smug. After all—living in a small town didn't necessarily make me smarter. After all, I had to remember that I made a lot more money in Houston. I could shop in grocery stores 24 hours a day, and I could get money out of the bank 24 hours a day. I had started to forget all the reasons I left the city with a big sigh of relief.

It was all brought back to me in an article my dad gave me from the Austin American Statesman. After you got past all the stories on rape, murder, unidentified skeletal remains found, etc., etc., there was a small story in the "River City Currents" column.

It is a kind of "This Week" column for Austin. The little subtitle under "River City Currents", says "What's hip, hot and happening around the area".

The very first hip and hot thing which was listed was (I'll quote it verbatim):

Silence Really is Golden...

"Maybe those new age gurus really do have more wisdom than the rest of us after all. A recent flier advertising upcoming workshops offers a chance to participate in a day of silence, 'to allow life itself to become meditative and more fulfilling.' The cost of staying quiet: \$50.

I'm not sure, but I think we are all missing out on a racket of some kind.

I've also been thinking. You folks who have land could send out fliers advertising peace and quiet in your corn field or CRP. You could tell people that for \$50.00 they would be taken out in the middle of the field and sat on a rock where they could enjoy the peace for one day. They could be at one with nature (they would have to sit on a rock because it is more environmentally correct. No rocking chairs allowed).

Or, maybe I could start charging people \$50.00 who want me to be quiet for one day!

viewed for the final month of the 1991-92 fiscal year. These documents show that the city has ended the year in the black according to city secretary Charlotte Hooten. The 1992-93 fiscal year began on October 1, 1992 under a new operating budget.

Police Chief Lennie Gilroy was given permission by the council to relocate the Lockney Police Department into a building owned by the city and located under the water tower. This would afford the department more privacy for handling law enforcement matters than has previously been possible in the shared county office space.

In addition to building repairs and repainting, Gilroy told the council that

he would like to have a new door, an answering machine and a scanner. He estimated the expenses for these items at around \$500.00. Council members authorized expenditures in this range at the discretion of the chief.

Motion for the action was made by council member Gary Marr and seconded by council member Bill Anderson. Approval was unanimous.

A motion by Anderson, seconded by council member J. D. Copeland, was approved unanimously rescinding the council's previous approval of a Southwestern Bell Telephone plan to increase the pass through charge to customers. The current ordinance regarding the telephone company franchise will remain in effect.

A request for the replacement of a yield sign at the corner of 7th and Bryant was turned over to the police chief. He will be instructed to study the situation and make recommendations concerning any possible change in the street signs at that intersection. Council members Bill Anderson, Terry Jones and Gary Marr offered to ride with Gilroy when he assesses the matter.

City attorney Paul Lyle will be conducting study on the current city ordinances regarding trash receptacles (dumpsters in particular). The question of whether or not the police can write a ticket to anyone caught abusing city trash receptacles has arisen in the past several weeks with the fires being set in the containers, causing damage to the

containers and to the lids. The city must pay the trash service for the containers damaged.

Lyle was instructed to determine if the current ordinances would allow writing tickets and fining those involved in such vandalism. He will report back to the council with his findings.

Brief department reports were presented by each council member with the exception of Sam Fortenberry who was not present. Attending the session were Mayor Kenneth Wofford, council members J. D. Copeland, Gary Marr, Terry Jones and Bill Anderson. Also present were city secretary Charlotte Hooten, city attorney Paul Lyle, Police Chief Lennie Gilroy and the Hesperian-Beacon reporter.

Courtroom Activities

In district court, September 17, LaRaine Carver, 29, of Floydada was indicted on three felony counts of aggravated sexual assault which occurred twice on June 16, 1992 and June 30, 1992. Judge Randy Hollums set the bond at \$15,000 on each case for a total of \$45,000. An additional \$45,000 bond was also placed on Carver for aggravated sexual assault charges out of Motley County.

Carver was released, without posting bond, from the Floyd County Jail and is currently staying with her mother. "I released her," said Sheriff Cardinal, "because of health problems that I did not think we could take care of in jail."

In county court, on October 7, Horacio Hernandez Favela, 31, of Floydada, pled guilty to DWI. He was fined \$500.00 and sentenced to six months in jail which was probated for two years. He was also ordered to pay court costs.

Also on October 7, Ruben Herrera Martinez, pled guilty to driving while his license was suspended. He was fined \$250.00 and sentenced to 90 days in jail which was probated for six months. He must also pay court costs.

Edward V. Navarro, 30, of Amarillo, was charged with DWI on October 7. There was no disposition on this case.

October 8, Steve Ray Caballero was charged with driving while his license was suspended. There was no disposition on this case.

Also on October 8, Tomas Hernandez,

30, of Floydada, was charged with DWI. He pled guilty and was fined \$500.00 plus court costs. He was sentenced to six months in jail which was probated for two years.

Hernandez also pled guilty to driving while his license was suspended. He was fined \$100.00 plus court costs and sentenced to 30 days in jail which was probated for six months.

October 9, Jose Sosa Bueno filed an appeal on a disorderly conduct charge.

October 12, Pete J. Martinez, was charged with possession of alcoholic beverage for sale in dry area. There was no disposition on this case.

Also on October 12, Jose Efrain Peralez Jr., 31, of Lockney, was charged with DWI. There was no disposition on this case. Peralez was also charged with possessing marijuana. There was no disposition on this case.

Ascensio named Soldier of the Week at San Antonio training post

LOCKNEY — Tony Ascensio, a 1992 graduate of Lockney High School, was named the Soldier of the Week at his training post in San Antonio, Texas, last week. Ascensio is stationed with the 82nd Airborne and training to be a medical assistant.

Ascensio has been in the Army since June of this year and will be home on leave for two weeks beginning October 27. He will then be stationed in North Carolina. He will be welcomed home by his parents, Manuel Fierros and Gloria Villarreal as well as six brothers, five sisters and his girl friend, Debbie Pyle.

lost fellow classmates and how they touched each and everyone's lives. He told the gathering that Mitchell-Zimmerman Field was named for two Lockney graduates who were killed during World War II.

The memorial service was closed by Melinda Wilson Thompson. She sang a song written by Boyce Mosley expressly for LHS grads who have passed on.

Students in the classes of 1939, 1940, 1941 and 1942 were recognized as Honor Graduates. Each received a long stemmed chrysanthemum.

Joe Nall, of the Class of 1927, was recognized as the oldest student present and Bertha Ragle Smith, Class of 1929 was recognized as the oldest woman student present.

Larry and Sunny Lawson Hammit received recognition for having traveled the longest distance. They reside in Taiwan.

It was announced that the Class of 1956 had presented a speaker's stand to the high school in memory of their classmates who are deceased.

Reviewing LHS history it was announced that the Longhorn was chosen as the mascot in 1923; Mrs. Merle Halthcock wrote the words and Mrs. G.D. Tate the music to the school song in 1937.

It was also reported that the school colors were changed from maroon and white to red and white about 1957. It was

thought that the band director had ordered new uniforms that were black with red fronts. Then the next year the football team changed their uniforms to red and white.

Officers were elected for the 1996 Homecoming. They are Sterling Cummings, president; W.L. Carthel, vice-president and Gleyne Earle Cummings, secretary-treasurer.

A doll donated by Billie Sims was won by Octavia Carthel. The money

raised from the sale of the tickets will be used to defray the cost of homecoming.

D'Lyn Morris introduced the entertainment for the meeting. A video presentation, put together by Chuck and Joyce Wilson, featuring photos of classes, activities and individuals from 1909 until the present was shown.

The meeting was closed with the singing of the school song.

Many of the students adjourned to the downtown area and took part in the Old Fashioned Saturday activities.

all county funds rather than the estimated balances utilized for budgeting purposes.

County treasurer Glenna Orman submitted her financial reports, including a monthly report, a quarterly report and an annual report, each concerning the fund balances in county coffers. All were approved as presented.

During the month of September, the final month on the 1991-92 fiscal year budget, Orman reported a beginning balance of \$148,697.24. Receipts for the month totaled \$420,319.87 and transfers in between county funds were \$303,760.60. Transfers out between county funds were an equal amount, \$303,760.60, and disbursements totaled \$338,325.70 leaving the county with \$230,691.41 at the end of September.

Orman also reported that the county had no funds in certificates of deposit as of the end of September. Year to date totals for interest earned on certificates of deposit stands at \$25,191.89 according to Orman. Installment indebtedness is \$2,608.37.

The commissioners reviewed reports from the fine and fee collecting offices under their jurisdiction. These include the district clerk, the county clerk, and two Justices of the Peace.

Gun enthusiasts win awards

By Bill Gray

Mark Whittle and Greg Bishop from Floydada earned top honors at the NRA Black Powder Cartridge Rifle Silhouette Championships. The annual event was held at the Whittington Center, a state-of-the-art facility located south of Raton, New Mexico.

The competition involved shooting at metallic cutouts of chickens, javelinas, turkeys and rams at distances of 200, 300, 385 and 500 meters, respectively. Shooters were allowed to use cross sticks to support their rifles for all targets except the chickens which must be shot offhand.

Not to be confused with muzzle-loaders, the rifles used in the competition were breech-loading, single-shot cartridge weapons. They must be original or replicas of American rifles manufactured prior to 1896, utilizing exposed hammers (the same styles of rifles that the buffalo hunters used in the 1870s. Modern propellant was not allowed - only black powder or pyrodex can be used to load the cartridges.

Sights must also be of that time period. Fold-up ladder style peep sights are allowed, but modern sights including scopes are not permitted.

Classes were broken down into Master AAA, AA, A, and B. Whittle and Bishop both shot in the AAA class which had 67 entries, a record number of shooters. Awards were presented to the

top ten in each class except the Master, which only the top five received awards.

Day one of the two-day match found Bishop in 3rd place and Whittle at 7th place. Neither placed in Match 2. However, Whittle's aggregate points from the first two matches enabled him to garner 8th place in the total scoring.

One of the more notable competitors was Mike Venturino, writer co-editor for Guns and Ammo Magazine and an expert on the original Sharps rifles. In 1989, actor Tom Selleck flew to Montana and received first-hand experience from Mike on the Sharps rifles. Selleck utilized this research in filming the movie "Quigley Down Under."

Two-thirds of the rifles used in BP cartridge silhouette matches are Sharps. There were 204 competitors from 24 states. Texas had the second highest attendance with 29 entries.

Cavazos awarded WBU scholarship

FLOYDADA — Floydada native Jo Ann Cavazos has been awarded a scholarship for the 1992-93 academic year at Wayland Baptist University.

Cavazos, the daughter of Mr. and Mrs. Robert Cavazos, was awarded a general scholarship. She is an office technology major.

McCarty serving as resident assistant

FLOYDADA — Lubbock Christian University has begun its 36th school term. A Floydada resident, Laura McCarty, is serving this year as a Resident Assistant.

As a Resident Assistant, Laura assists the dormitory supervisor in managing student housing in Katie Rogers Hall. To qualify as a resident assistant Laura had to have attended LCU at least one full academic year and maintained a minimum grade point average of 2.25.

Lubbock Christian University is a four-year liberal arts university provid-

ing academic excellence in a Christian atmosphere. The University enjoyed an enrollment increase of more than nine percent this year. This is the largest increase in the last 12 years.

Steps to building your child's self-esteem

By Melissa Long, CEA-HE

Editors Note: This is the second part in the series.

A child's feelings about himself, his self-esteem, relates closely to his assessment of how he "measures up" to what people expect. Simply, this is how it works! When expectations are realistic it is easy for a child to experience success and feel personally valuable—feelings which build high self-esteem. On the other hand, when expectations are too high or too rigid, parents often express disappointment in their child's actions. As disappointments mount up they begin to eat away at a child's view of his own value and his self-esteem begins to diminish.

How Do I Know If My Expectations Are Realistic?

Start by checking your expectations with the basic facts of child development. Learn in a general way what children of a certain age are like and something about their current state of development. By comparing your expectations with these general facts, try to determine if your goals are generally within reason. Then, recognizing that no child is "in general" or "average," check to see that you have adjusted your expectations to suit the specific needs, interests and environment of your particular child. Determine if your expectations set appropriate standards of achievement. Ask yourself if they define realistic behavioral limits.

Roadblocks to Realistic Expectations

Consciously or unconsciously most parents view their children through a series of filters which are the result of their past experiences, personal wishes, or cultural values. These filters often act as roadblocks to a clear view of appropriate expectations for our children. Check yourself on a few of these more common filters.

Inexperience - Often causes parents to expect too much of children. Frequently a problem with the first child.

Hang-over Wishes - Expectations for a child are based on parents' wishes and values left over from their childhood, rather than on the child's wants and needs.

Current Hungers - Parents may treat children in a manner designed to fulfill their own wishes. For example, children may be pushed to high academic performance or school leadership to add status to parents' position.

Borrowed Standards - Often because it is easiest and most natural, parents place the same expectations on their children as they experienced when young; giving little or no thought to today's living or the particular child.

Chart the results of your expectations for your child. Evaluate their impact! . . .

For example:

Expectation
Toddler expected not to touch knick-knacks in the house.

Result
Child often has hands slapped, accompanied by "NO! NO!"

Evaluation
Action may destroy a child's curiosity which is his main motivation for learning at this age. It is desirable to provide an environment in which he is free to explore and research! The expectation is based on parental wishes, not on the child's need.

Expectation

Preschooler expected to be honest at all times.

Result

Child frequently isolated in room or denied privileges as punishment.

Evaluation

This concept is often hard for a child to understand because a sense of morality or conscience does not begin to develop until about age 6. A child may begin to feel that he is no good in the eyes of his parents. Any comments made should be directed to the behavior, not at the child. Use: "It's important to tell me exactly what happened" instead of "No one likes children who lie".

Run a check on your current expectation

One by one evaluate the expectations you have for your children by asking yourself these questions.

- * Why do I have this expectation?
 - * Where did it come from?
 - * Is it based on my wishes or my child's needs?
 - * Does it realistically fit this particular child . . . at this age . . . with his temperament and background?
 - * What purpose does it serve?
- Next, check your expectations for fairness. Weed out the ones that have no meaning for your child at his stage of development. Evaluate the expectations against the list of filters described. Be careful not to camouflage a desire in yourself as a need in your child. Revise your expectations as needed. Re-evaluate often.

Fawvers celebrate 60th wedding anniversary

MR. AND MRS. GILBERT L. FAWVER

Mr. and Mrs. Gilbert L. Fawver have resided at their farm home, 10-1/2 miles southeast of Floydada in the Baker Community, throughout their 60 years of marriage.

The couple will be honored Sunday, Oct. 18, with a reception feting them on their 60th wedding anniversary. All friends of the honorees are extended "an open invitation" to attend the reception from 2:00 until 4:00 p.m. in the parlor annex (on Wall Street) of First Baptist Church in Floydada.

Hosting the event will be the couple's daughter and son-in-law, Mr. and Mrs. Edwin Wilcox of Levelland, along with their five grandchildren and six great-grandchildren.

A native of Eldorado, Oklahoma, the former Thelma Colston was born May 2, 1914. She moved with her family to the Baker Community in the spring of 1920 as a child. Gilbert L. Fawver was born Oct. 19, 1913, in the house which has been his life long residence.

Miss Colston and Fawver were married Oct. 19, 1931, in the Floyd County Courthouse in Floydada. Judge Howard performed the ceremony.

Through the years, the couple have been extremely active in youth work,

particularly aiding 4-H and FFA youngsters and assisting with the Floyd County Junior Livestock Show. Mrs. Fawver is a former 4-H leader.

Mr. Fawver is a retired farmer, has served 30 years as a director on the Floyd County Soil and Water Conservation District board, having chaired the board for 12 years and having held every other board office.

He was honored for the year 1962 with a Certificate of Merit for Outstanding Soil Conservation Supervisor by Texas Bank and Trust Company of Dallas. He was elected in February 1971 as chairman of the South Plains Association of Conservation Districts.

In addition, Fawver has been a board member of the South Plains Association of Governments, Farmers Home Administration, Floydada Co-op Gin and formerly served as a rural school board trustee. The Floydada FFA Chapter has honored him with a Chapter Farmer Degree. He also is a past president of the Floyd County Old Settlers. He has served the past 12 years on the High Plains Water Board.

Mr. and Mrs. Fawver are members of First Baptist Church in Floydada. The family requests that no gifts be given.

JANUARY WEDDING PLANNED--Travis and Geraldine Gentry of Floydada are pleased to announce the engagement and approaching marriage of their daughter, Tiffany June, to Christopher Glen Cobern, son of Glen and Evelyn Cobern of Mt. Pleasant. The bride-elect is a 1989 graduate of Floydada High School and a senior at Texas Tech University. Cobern is a 1991 graduate of Texas Tech University and is attending Graduate School at the University of Texas at Tyler. A January 2, 1993, wedding is planned in Lubbock Primitive Baptist Church.

Homemakers Club hears report on state meeting held in Waco

By Muri Mayfield

Floyd County Extension Homemakers Club met recently with Jonelle Fawver, chairman, calling the meeting to order. Opening exercise was by Melissa Long and recreation by Muri Mayfield.

Roll call was by Vivian Curtis. There were nine members present, along with the county agent, Melissa Long.

All signed a birthday card being sent to Ruth Trapp.

The treasurer's report was given by Gladys Widener. Standing committee recommendations were presented and all were left the same, with the exception of the finance committee. The council paying \$20.00 for expenses for two delegates and the county agent to the District TEHA meeting in 1993 was omitted. Also, the council voted to pay a total of \$150 to the state meeting in Waco in 1993.

Karen Miller, vice TEHA chairman for Floyd County, was the delegate to the Galveston state meeting. She presented a report on the convention, which had 974 attendees.

The club's spring District meeting will be in Plainview on April 1, 1993.

Briscoe, Hale, Floyd and Swisher counties will be hosting. Floyd County was to select a name or theme for the event. The theme will be "Be Some Bunney".

TEHA club reports Harmony had a book review by Frances Puckett on the book "How God Uses Cracked Pots" by Patsy Clairmont.

The TEHA report was given by Maye Williams.

The Homebuilders reported meeting with Jonelle Fawver for two combined meetings. Melissa gave a report on literacy and Jonelle a program on lamp shades.

The agent's report was concerning the 4-H Club for boys and girls. If anyone has a boy or girl, who would like to join, they may contact Melissa Long. Participants learn cooking, canning and sewing, along with some recreation.

Reports were given on the fair.

Reminder dates were given for November 16, at 2 p.m., the yearbook committee will meet to work on the

1993 club books. The 4-H Food Show will be November 7. Festive Foods will be held at Lighthouse Electric on December 1 at 5:30 p.m.

Running Water Draw Arts and Crafts Festival slated

The 18th Annual Running Water Draw Arts and Crafts Festival will be held in the Ollie Liner Ag. Center in Plainview from Oct. 16 through Oct. 18. The festival brings together over 100 artists and craftspeople from throughout the Southwest.

During the three days over 7,000 people will attend. All items for sale are handmade by the exhibitor. Jewelry, pottery, clothing, furniture, quilts, afghans and numerous country crafts are included. Original artwork in oil, watercolor, and acrylics are offered.

This event is co-sponsored by the Plainview Rotary Club and the Llano Estacado Museum at Wayland Baptist University. Proceeds from the sales are used to support numerous charities and civic activities supported by the Rotary club and to provide support for the museum collections and exhibits.

The festival will be open on Friday, Oct. 16, from noon to 8 p.m.; Saturday, Oct. 17 from 10 a.m. to 8 p.m.; and on Sunday, Oct. 18 from noon to 5 p.m.

Senior Citizens News

By Thelma Jones

FLOYDADA — We all want to express our thanks to Beulah Baker and Edna Patton for the job well done as president and vice president this year for the Senior Citizens and the ones who helped in the kitchen as well as others who have helped and the fellowship of everyone, and the ones who had the programs for the luncheon the second Saturday each month.

Elizabeth Balios of Lubbock spent the weekend with her grandmother, Mrs. Alma Dunn.

Myria Dade attended a reunion in Matador with friends Saturday.

Mrs. Ethel Warren had company Thursday, a nephew, Claude Workman, of Wickenburg, Calif., and niece, Mrs. Almeda Phillips of Lockney. She was Claudes sister.

Mrs. Mattie Wester visited Mrs. Lucille Robbins last week.

Mr. and Mrs. Ronnie Gotcher visited Mr. and Mrs. Hollis Payne and Mattie Wester last week.

Mrs. Deetoe Odam visited Mrs. Bobbie Rogers Monday afternoon.

Mrs. Beuna Holmes of Richardson, Texas has been visiting her sister, Mr. and Mrs. Ralph Gee, recently.

Mrs. Margrete Word was elected president of the Senior Citizens meetings. We have the covered dish luncheon the second Saturday in each month and William Bertrand as vice president.

Everyone come and bring someone with you and enjoy the programs, fellowship and visiting.

A quarter horse can attain a speed of 47.5 miles an hour.

McDonalds treated us to some ice cream.

Our monthly birthday party is this Thursday. We have seven for the month of October.

What Age Are You?

Age cannot be counted by
The years a person lives,
But by the Hope within his heart,
And all the love he gives.
How young you are does not depend
Upon your date of birth,
How old you are, not measured by
Your time upon this earth.

But if your heart is full of dreams,
And if you are among
Those with an eagerness for life,
... Then you are truly young.
But if you see no beauty,
In all that you behold,
And care not for your fellow man,
... Then you are truly old.

FLOYDADA

Hi! on this crisp cool morning. It's time once again to come share with you. We have been busy as a bee around here.

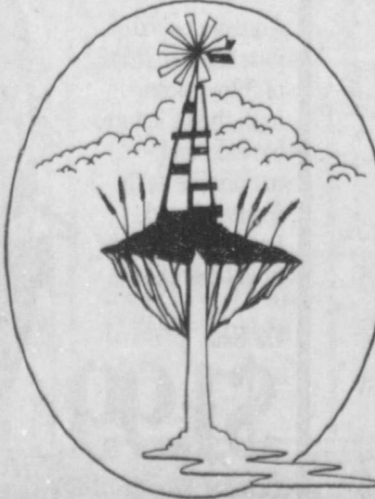

Monday started our week as usual with the morning coffee, juice and cookies. Bro. Williams gave the devotion. Irene Wexler played the piano for us. Edna Patton, Ivola Walters, Deetoe Odam passed residents some bananas. At 2 p.m. the residents painting ceramics were Lennie Willis, Etoile Stanley, Charles Breeding and Kermit Glover.

Tuesday, the Companion & Caring had their monthly meeting. We discussed the Halloween Party and serving pie for National Pie Day. The ladies present were Ola Smith, Shirley Varner, Leona Neff, Ruth McIntosh. Bro. Richardson came and brought the residents bananas and gave the devotion and sang some songs. Thanks, it was good having you again.

Wednesday was our Bingo day. Mary Alice Davis, Ruth Hammonds came and assisted the residents. Henry Willis had the first Bingo.

Thursday, Paul McIntosh came and gave a program on Fire Prevention Week. He shared some tips on fire prevention. At 3:00 p.m. Thursday, Ebert Parvin and his daughter, Martha both came and played the guitar and sang gospel and country/western songs. The residents really enjoyed it.

Friday, Joyce Lipham came and played the piano for us. Carmon and Nancy Rivillo, from the Baptist Encampment came and shared the word and Nancy sang a song, "He Touched Me". On to Plainview on the bus ride.

SCOTT CRADER

The Best That We Can Be In '93

By Criselda Valdez

The neat thing about being the senior class reporter is that I get to meet great seniors.

Scott Crader, for example, is senior class president. He is the son of Mr. and Mrs. Jimmy Crader and has one sister, Lisa.

Scott is a very active senior and is in many activities. He plays varsity football and has received many honors. He is also involved in other sports as well.

He is involved in youth activities at First Baptist Church in Floydada. He has many hobbies and if I were to name them all it would take the page.

He is also very talented, he plays guitar and sings.

Last summer a special honor that he had was being selected for the Texas Baptist All-State Youth Choir.

Scott plans to attend Hardin-Simmons University in Abilene and major in music and minor in religion.

When asked what he likes about FHS, his reply was, "The teachers and atmosphere."

Scott is one of the many seniors showing the best he can be in '93!

Coaches Comments

By Coach Dean Bates

We were pleased with our district opener at Muleshoe. We executed very well early in the game and scored on three of our first four traps.

Muleshoe was able to control the ball some in the second quarter with their passing game, and we had some sloppy execution as well.

There are still things we must improve on as we continue our district schedule.

Friana comes to town Friday, and we will see the ball in the air again. They are very multiple offensively and rely heavily on the passing game. We know they will play hard and we must prepare to meet that effort.

See you at the game.

Whirlwind JV tops Muleshoe

By Bill Gray

The Whirlwind JV posted 30 points before Muleshoe found scoring territory in Junior Varsity action at Wester Field on October 8. Nufo Cervera had touchdown runs of 20 and 25 yards, and Gabriel DeLaFuente carried over from the 1 yard line.

DeLaFuente also ran back a first quarter pass interception for 40 yards and a touchdown. Two-point conversions were made by J.R. Quiñtan, Cervera, and DeLaFuente. Muleshoe staged a mild rally in the 4th quarter with touchdown passes of 30 and 15 yards. Both conversion attempts failed for the final point margin of Floydada 30, Muleshoe 12.

The coaches named the following as outstanding players: Peter Luna (offensive and defensive line); Neal Nelson (defensive linebacker), Tate Glasscock (defensive secondary), and Rod Vela (offensive end). The 'Wind JV travels to Friana for a date with the Chieftain JV on October 15.

Whirlwind Fans!

Come cheer the Fighting Whirlwinds to another District Victory this Friday, Oct. 16, starting at 7:30 p.m. The 'Winds will be taking on teh Friana Chieftains.

Thank you,
Varsity Cheerleaders

Floydada Junior High Grid Report

By Bill Gray

The 7th grade Breezers marched 70 yards on their opening drive to put their only points on the board as they were outscored 30-8 by Muleshoe's 7th graders on October 8. Mario Nunez ran from 8 yards out for Floydada's lone touchdown. Fernando Maldonado added the conversion attempt for the extra point.

Coach Jimmy Webster named Maldonado as Floydada's offensive player of the game. The coach stated, "Fernando ran the ball well and Richard Casillas played well at times. He (Casillas) hit hard and made 50% of our tackles."

Casillas was named defensive player of the game. The coach added, "We gave up 30 unanswered points. Our kids need to get more physical and play with more aggression."

The trip home from Muleshoe wasn't as long for the 8th Breezers as Floydada blew away their young Mule counterparts 44-8. The Breezers scored in every quarter for their largest point output of the season.

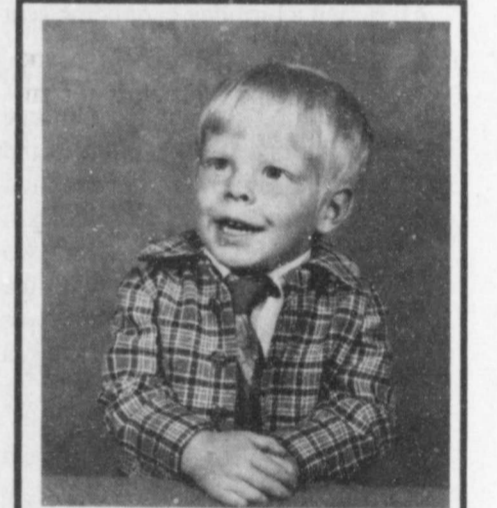

Robert Cuba had touchdown runs of 4, 34, and 21 yards; Vernon Cooper scored from 33, 6, and 4 yards and added a 2-point conversion; Monte Anderson passed to Todd Cocanougher for a 2-point and Chris Enriquez ran for a 2-point conversion.

The coach noted, "The team played an outstanding game! Cuba and Cooper ran extremely well due to the line's blocking."

Named as offensive standouts were: Angel Aleman (center), Julian Hernandez (right tackle), Chris Enriquez (fullback), Monte Anderson (QB), Robert Cuba (right halfback), and Vernon Cooper (left halfback).

Receiving defensive honors from the coaches were Emilio Guzman (linebacker), Angel Aleman (right tackle), and Julian Hernandez (nose guard).

The Breezers return home to host Friana on October 15. The 7th graders kick off at 5:30 p.m., with the 8th Breezers following at 7:00 p.m.

'Winds spoil Mules' homecoming

By Bill Gray

The Floydada Whirlwinds amassed almost 500 yards on the ground and ruined Muleshoe's Homecoming on October 9 at the Mule's Benny Douglass Stadium. Many of the overflowing home crowd were still standing in the ticket lines while Floydada was scoring three touchdowns within the first five minutes of the initial quarter in the District 2-3A opener for both squads.

Floydada's 42-6 winning margin marked the third consecutive year for the 'Winds to saddle the Mules by 30 or more points. But, it wasn't as easy as the final score might have indicated.

Muleshoe won the opening coin toss, but deferred their option to the second half. It was the first of many Mule blunders during the evening. Following a rather scary return of the opening kickoff, Floydada's Michael Henderson took the pitch on first snap from his own 23-yard line, and, keyed by devastating blocking from the right side of the 'Wind offensive line, galloped untouched to the Muleshoe end zone - 73 yards away. The hold for the PAT was muffed, the attempt failed and Floydada held an early 6-0 lead.

An errant pitch from QB Ruben Gonzalez to Mule running back Pedro Nunez on Muleshoe's third snap in their first series resulted in a turnover. Rafael DeOchoa recovered the loose ball for the 'Winds and Floydada was back in business at the Mule 24 yard line.

Johnny Eguia made the most of his first start at fullback for the 'Winds as the seldom-used senior popped for 16 yards on first down to the Muleshoe 8 yard line. Eguia carried on the next play following the chain movement, and he blasted into the Muleshoe end zone from the 8 yard line. Eguia carried on the next play following the chain movement, and he blasted into the Muleshoe end zone from the 8 yard line. Eguia carried on the next play following the chain movement, and he blasted into the Muleshoe end zone from the 8 yard line.

Aided by a pass interference call against the 'Winds on their next series, the Mules moved as far as their 29 yard line, but stalled and had to punt back to Floydada.

On first down following change of possession, Jammie Davis found a breach in Muleshoe's front wall (attributed to blocking by Todd Cage and DeOchoa), and sped 62 yards for another long-range Floydada touchdown. Michael Gilliland's kick was good this time, and the Whirlwinds led 21-0, 7:08 still remained in the opening quarter.

The Whirlwinds' quick lead acted as a wake-up call for the Muleshoe offense. Following the ensuing kickoff, Mule quarterback Ruben Gonzalez directed his run-and-shoot offense to a touchdown by tossing an 8-yarder to Chad Freeman in the waning minutes of the first quarter. Gonzalez attempted the extra point, but his kick hit the upright, and the score remained 21-6 in favor of the visitors.

Muleshoe executed a successful on-sides kick, and the Mules were ready to go with their unorthodox offensive scheme at mid-field. A short pass completion was followed by three incomplete aeriels by the Muleshoe offense, and the 'Winds took over on downs at the 50 yard line.

Two Michael Henderson rushes propelled the 'Winds to the Muleshoe 36 yard line as the unusually long first quarter drew to a close. Floydada had only ten offensive plays in the initial period, but still maintained a two-touchdown margin.

The second quarter produced a lot of fireworks as both teams moved up and down the field almost at will, with Floydada on the ground and Muleshoe mostly through the air. The Whirlwind defense made some adjustments in shutting down the Mule's wide-open attack. Inside pressure by Rafael DeOchoa, Michael Gilliland and Todd Cage kept the Mule running game pretty well in check and caused a lot of pass incompletions.

A pass interference call against the 'Wind secondary permitted the Mules to move as far as Floydada's fifteen yard line late in the period, but two plays later Michael Henderson picked off a Gonzalez pass at the goal line and returned it out to the Floydada 25. On first down, Jammie Davis broke into the clear, down the north sidelines for an apparent touchdown, but it was ruled that he had stepped out-of-bounds at Muleshoe's 38 as the first half came to a close.

The Muleshoe aerial bombardment continued after intermission, but additional defensive adjustments during the halftime break payed off for the Whirlwinds. The Mules were unable to penetrate any deeper into Floydada territory than the 47 yard line in the final 24 minutes of play.

Michael Henderson carried four times

for 39 yards in a 10-play, 53-yard drive, which ended with Jammie Davis' 1-yard TD plunge in Floydada's first possession of the 3rd quarter. The conversion was good, and Floydada's lead increased to 28-6. Muleshoe was never again able to gain any momentum it had experienced at times in the first half.

The Whirlwind defense was superb the remainder of the game while the offensive ground troops scored two additional touchdowns on time-consuming drives.

Jammie Davis scored from 20 yards out late in the third quarter to give him three touchdowns and 165 total yards for the night. Israel Medrano and Brandon Gilliland picked off passes to end Muleshoe threats as the Mules were held to only four offensive plays in the 4th quarter which produced negative yardage.

Sammy Rodriguez and Pete Cooper teamed for a lot of yardage in a 10-play drive which resulted in Floydada's final score. Gabino Suarez cracked the Mule double stripe from two yards out, Michael Gilliland added the kick, and the Whirlwinds prevailed 42-6. Floydada's offense took control of the game in the waning moments and was in possession of the ball at Muleshoe's six yard line when the final buzzer sounded.

The 'Winds return to Wester Field this Friday where they will host the Friona Chieftains, a 41-0 loser to Tulia last week. The 1-5 Mules will travel to Littlefield where they will likely find a bunch of mad Wildcats following the 14-all tie with Dimmitt last week.

BILL'S NOTES

The Mules' aerial circus produced some anxious moments for the 'Winds and their coaching staff, and it was a real credit to the Whirlwind defense which allowed only 18 completions out of 42 attempts by Muleshoe QB Ruben Gonzalez.

Interior line play on both sides of the ball was again all-Floydada. Going into the Muleshoe contest the 'Winds were averaging almost 300 yards-per-game on the ground. Friday's output will put them over the 300 barrier. A lot of that can be attributed to the stable of talented running backs.

For the second week in a row, Michael Henderson scored from long range early in the first quarter. Henderson carried six times for 101 yards in the first quarter alone and ended the night with 11 totes for 154 yards and a score.

Jammie Davis receives my nod for offensive player of the game as he carried only 12 times for 165 yards and three touchdowns. Henderson's 77-yard gallop to start the scoring avalanche is named my offensive play of the game. Davis and Henderson were named honorable mention for their performances at Muleshoe by the October 13 edition of the AMARILLO DAILY NEWS.

My defensive players of the game were noseguard Rafael DeOchoa and Michael Gilliland. Together with Todd Cage the trio gave the QB fits after the adjustments to the strange-split formations employed by the Mules.

The defensive play of the game was made by Jason Pyle for his solid hit of a Mule receiver just as the ball arrived. The play occurred midway through the fourth quarter and the "pop" was heard all the way to Thalia... Jason also gets my "Headhunter" award for the vicious, but CLEAN, hit.

It's still two weeks before the real issue will be settled when Tulia comes to Wester Field. The 14-all Dimmitt-Littlefield tie

JOSH OUTNUMBERED -- Floydada cornerback Josh Thayer seems to be outnumbered in this Muleshoe formation. #37 is the intended receiver on this pass formation and numbers 15, 43, and 88, doing the blocking. The Mules' wide open & unusual run-& shoot offense produced only 6 points in the Floydada rout. -- Staff Photo

really put the district picture into a blur. But, the important game for the 'Winds is this Friday at home against Friona. The Chieftains haven't been on much of a warpath of late, but they are considered dangerous simply because they are the next district game.

Friona has some squirrly offensive schemes themselves, so it may be another air show, complete with non-huddle formations. They don't have enough gimmicks, though, as the Whirlwinds will send them back to the wigwams with their scalps in their own hands through the courtesy of the Whirlwind cavalry by the tune of at least five buffalo hides (Col. Mackenzie's versions of touchdowns).

Lockney contestants sweep sixth week of football contest

First place in the sixth week of the annual Hesperian-Beacon football contest was won by Roger Perez of Lockney. He easily emerged as the top contestant this week by missing only four games on the contest. One game he and everyone else misspoke on was the matchup between Littlefield and Dimmitt which ended in a 14-14 tie. A check for \$25.00 will be waiting in the Lockney Office on Friday for Perez.

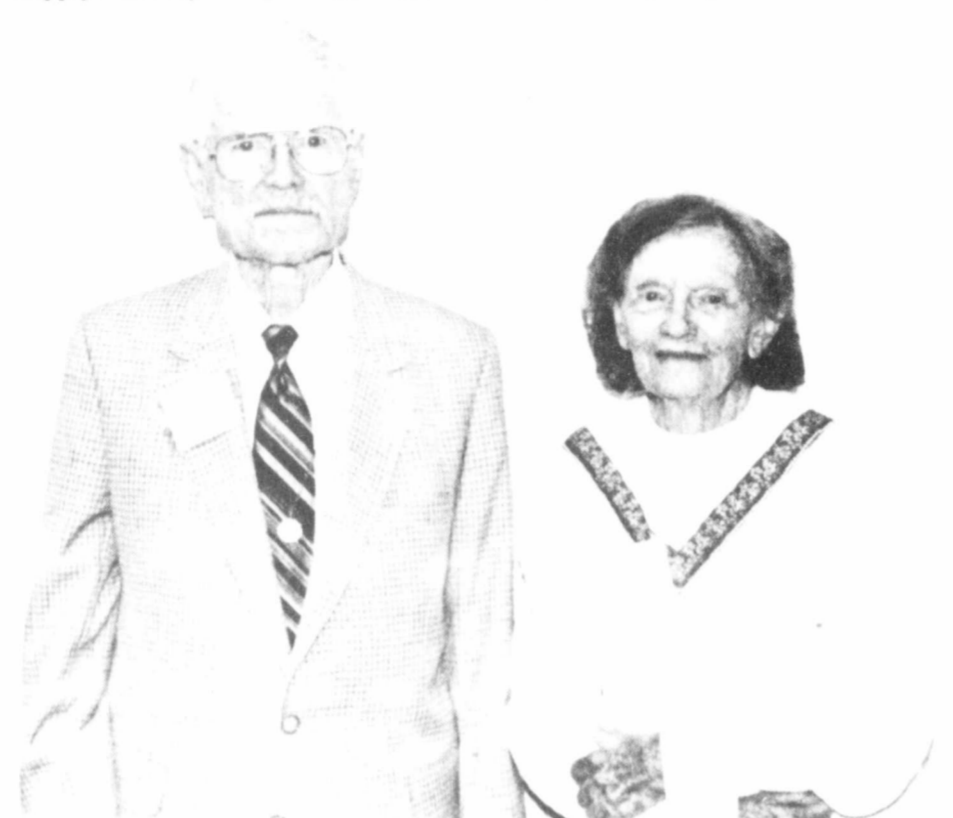

Lockney contestants also took the second and third place prizes this week. Landing in the second place spot was Noe Blanco Jr. He has been a consistent winner this season and missed only six on the contest this week. A \$15.00 check will be waiting in Lockney on Friday with his name on it.

Third place and the \$10.00 prize goes to Pam Fulton. She missed seven games this week. More than a dozen contestants missed eight games and about 20 had nine incorrect on this mid-season week.

Sponsors making the contest and the prize money possible include Attebury Grain, Cargill Hybrid Seeds, The Tye Company, Lambert Spraying, Schacht's Flowers, Jewelry & Gifts, Lockney Meat Company, Pay-n-Save in Lockney, Pay-n-Save in Floydada, Wilson Photography, R Photography, Providence Farm Supply, Floydada Implement, Floydada Coop Gin, City Auto, Thompson Pharmacy, Ray Lee

SPS files to pass fuel-cost savings along to customers

Texas retail customers of Southwest Public Service Company should be seeing a credit in an upcoming electric bill.

SPS has filed with the Public Utility Commission of Texas to credit approximately \$10.1 million to its Texas retail customers for savings in fuel costs and related interest. The proposed credit includes \$9.1 million in actual fuel savings and almost \$1 million in interest, based on an annual rate of 11.7 percent.

A Texas residential customer using 1,000 kilowatt hours of electricity a month would receive a one-time credit of \$15.94.

"We expect commission approval in time to apply the credit to customers' December bills," said Gerald Diller, SPS group manager of rates and regulation. The credit would cover fuel expenses from July 1991 through August 1992.

Retail customers include residential, commercial and industrial users.

"Negotiated contract terms allowed SPS to take advantage of purchasing natural gas when prices were low," Diller said. "And additional savings were realized through lower short-term freight rates for a portion of our coal."

In addition, the company's power plants overall have consistently ranked among the most efficient in the nation in converting coal and other fuels into electricity, he said.

SPS President and Chief Operating Officer Coyt Webb said the company expends significant effort to remain a low-cost producer. "The cost of fuel makes up about half of an electric bill, and our ability to control this cost is very important to our customers," Webb said.

Different forms of fuel-cost adjustment apply to SPS customers in other states, as well as to the company's firm wholesale customers. Savings as they occur are passed through to these wholesale customers and retail customers in New Mexico, Oklahoma and Kansas.

Longhorns play tough for homecoming crowd

By Les Reed

LOCKNEY — Friday the fans of Lockney Longhorns were entertained with some exciting football. The Longhorns played an excellent game against the Morton Indians even though we came up a few points short on the board. I believe the Horns were winners this past Friday regardless of the scoreboard! How about you? I know that the many fans that had returned for Homecoming saw a very impressive team that is still in the district run, in fact we saw a team Friday that is going to stay in the game until the end no matter what happens.

Lockney went on top early in the game as the fans watched as David Luna busted through the defensive line, running 56 yards for the first touchdown. Patrick Monroe put the extra point through leaving the Horns up by 7. Things look real good as the Horns put another unanswered 7 points on the board as Leo Vargas ran from 8 yards out followed by a Monroe extra point.

Morton came back in the first quarter as Mack Hawkins ran from 28 yards out. With the extra point attempt off the Horns were up by 8 at the end of the first quarter.

The second quarter saw the Morton Indians striking first with another touchdown by Hawkins, but again the extra point was no good. This left the score at 14 to 12, leaving Lockney up by only 2. The Horns stood in there and once again got the offense going. Leo Vargas was then able to run in from 31 yards out to

once again put the Horns on top. The extra point was good once again by Monroe. Phineas Riddley added another score during the second period as he ran from 4 yards out.

Morton answered the call as they were able to pull within four during the second quarter as Kenny Patton caught a pass from Kyle Smart. The Indians went for 2 on their extra point try and were successful. The half ended with a score of Lockney 28, Morton 20.

The third period was an eye opener for the Horns as the Indians came out and put 14 unanswered points on the scoreboard. This time though the Horns decided to stick around and not throw in the towel quite yet. Down by only six the Horns knew they were still in the game.

During the fourth and final period the fans got behind the Horns and literally stood to the occasion! Thanks fans! Mike Tyson would once again put 6 points on the board for the Indians leaving the Horns to trail by 12.

Leo Vargas and Jenaro Zapata had plans of their own though as they connected for a touchdown pass from 11 yards out. Patrick Monroe would hit one more extra point to go 5 for 5 for the night. As we all know this left the Horns down by only 5 points. With a win still in reach the Horns moved the ball down the field scoring once but only to have the ball brought back due to a penalty. The penalty hurt us by moving us back while at the same time took some precious minutes off the clock. The Horns were then unable to score leaving the

final score 40 to 35 in favor of the Indians.

Once again let me say to you who played the game that you did an excellent job. There is no reason to hang your head low, you didn't fail, you just came up a few points short. Prepare yourselves for next week as you look to take on the Antelopes and hand them their fourth district loss.

This coming Friday will be a road game for the Horns so let's plan on packing out the stands at Abernathy just as we did here this past Friday. The support of the fans is greatly appreciated. See you Friday at 7:30 p.m. in Abernathy.

Burleson named West Texas Majorette Model

Jennifer Burleson was named Miss West Texas Majorette Model at the West Texas Twirling Festival held Saturday, October 3 in conjunction with the South Plains Fair in Lubbock.

Miss Burleson placed second in the Miss South Plains Mini-Pageant; second in "X" Strut and second in Solo.

She is the daughter of Mr. and Mrs. Omar Burleson and is currently feature twirler for the Lockney Longhorn Band.

This is the 39th year for the twirling

contest and it is billed as the oldest running baton twirling contest in the state of Texas.

HOMECOMING PEP RALLY--Lockney Longhorn cheerleaders led the standing room only crowd in yells during the 1992 Homecoming pep rally. Sam Fortenberry

spoke to the football team and ex-cheerleaders led the school song. They were assisted by the Longhorn Band and feature twirler. Staff Photo

ORACION AL ESPIRITU SANTO

Espiritu Santo, tu que me aclaras todo, que iluminas todos los caminos para que yo alcance mi ideal, tu que me das el don divino de perdonar y olvidar el mal que me hacen y que en todos los instantes de mi vida estas conmigo, yo quiero, en este corto dialogo, agradecerte por todo y confirmar una vez mas que nunca quiero separarme de Ti por grande que sea la ilusion material.

Deseo estar Contigo y todos mis seres queridos en la gloria perpetua. Gracias por tu misericordia para conmigo y los mios.

La persona debera rezar esta oracion, decir la peticion y a los tres dias recibira la gracia por mas dificil que esta sea.

Mandese publicar en cuanto se reciba la gracia.

Gracias, Espiritu Santo.

Williams delegate to annual meeting

Jerry D. Williams of Lockney has been elected as a delegate to the 109th annual meeting of the American Angus Association, Nov. 15-17 in Louisville, Kentucky, reports Richard Spader, executive vice president of the American Angus Association.

Williams, a member of the American Angus Association with headquarters in St. Joseph Missouri, is one of 269 Angus breeders who have been elected by fellow members of their state association

to serve as a representative at the annual meeting. Representing 47 states and Canada, the delegates will participate in the business meeting and elect a new president, vice president and five directors to the American Angus Association Board.

The annual meeting is held in conjunction with the annual convention and banquet, and the 1992 Roll of Victory Angus Show during the North American International Livestock Exposition.

The American Angus Association has nearly 24,000 active members and is the largest beef breed organization in the world.

Reactions run from good to bad

Reactions following Wednesday nights freezing temperatures run from good to bad with the majority in the more upbeat category according to Lubbock-based Plains Cotton Growers (PCG). Even though the area's first freeze came two to three weeks earlier than usual most producers think it will produce generally positive effects.

Apparently southern areas received just what they needed, a light freeze that will encourage plants to begin drying down and dropping leaves before harvest. Northern areas were not as lucky with below freezing temperatures staying long enough to put the final nail in the coffins of some late fields.

"The below freezing temperatures experienced by much of the High Plains may prove beneficial to most producers," says PCG Executive Vice President Donald Johnson. "In most cases temperatures dropped below the freezing mark for only a short time."

What effect the freeze will have on the eventual size of the High Plains crop is still unknown, although most observers feel it will not be particularly harmful. Many producers seem to have decided the crop has for the most part made all the cotton it has a realistic chance to make and are ready to begin harvest

preparations.

Many area crop watchers now feel a crop near 1.25 million bales can be reached and that the October USDA estimate of 1.36 million bales may also be possible.

MORE COTTON NEWS

Sign-up for Phase III of the disaster program begins Tuesday, October 13, and many producers want to know how disaster relief payments will be calculated according to Lubbock-based Plains Cotton Growers (PCG). PCG officials encourage producers who plan to apply for disaster benefits to contact their county ASCS office to get specific details about the program.

PCG officials understand that no major changes have been made and disaster payments will be computed the same way they were under Phase I of the Program. One thing that did change however is that under Phases II and III producers will be guaranteed the 50.04-percent payment rate calculated for Phase I of the program.

Producers who sign up for the program for the first time under Phase III will have the option of choosing 1990, 1991, or 1992. Growers who participated under Phase I will be limited to

choosing between 1992 and the year for which they have not received payments.

Producers still cannot receive a disaster payment and a deficiency payment on the same pound or bushel of crop under Phase III. Growers need to be aware that an adjustment will be necessary at sign-up to make sure deficiency and disaster payments are not made on the same pound or bushel of the crop.

Insurance indemnity payments are also likely to have little affect on most producers applying for disaster relief under Phase III. The only time insurance proceeds will reduce the amount of a producers disaster payment is when the expected gross income of the farm is less than the sum of the insurance indemnity and the expected disaster payment. In this situation the disaster payment will be reduced by the amount of difference between the two figures.

Predator referendum set at extension office

From Mike Mallett, CEA-Ag.
The Texas Sheep and Goat Raisers Association is the sponsoring organization for the Sheep and Goat Referendum (Predator Referendum) on October 29, 1992. Local county Extension offices have been designated as official voting locations in each of the 111 eligible counties.

The election will take place Oct. 29, from 7:00 a.m. to 7:00 p.m. Absentee voting is allowed.

The referendum for predator control is being held because sheep and goat losses to predators continue to be a major economic constraint on the industry despite existing predator control programs. If passed, the referendum would provide a source of funds to supplement ongoing efforts.

What to know about pesticides, food safety

From Mike Mallett, CEA-Ag.
 *On average, only one in 20,000 chemicals makes it from the chemist's laboratory to the farmer's field.
 *To ensure that a product, when used properly, will not present any health or environmental concerns, it is subjected to more than 120 separate tests.
 *Pesticide development, testing, and EPA approval takes eight to 10 years and costs manufacturers \$35 million to \$50 million for each product.
 *According to the National Cancer Institute, there is no scientific evidence that ingestion of pesticide residues on fruits and vegetables causes cancer in human beings.
 *The legally allowable amount of pesticide residue that may remain is set at a level that includes wide safety margins. For example, a 150-pound adult would have to eat 3,000 heads of lettuce of each day for the rest of his or her life to ingest the amount of a pesticide found to cause health problems in laboratory mice.

Floyd County Hesperian-Beacon FOOTBALL CONTEST

GOOD LUCK!!

Football Contest Rules

Any subscriber or individual above the age of 7 years old who purchases a Floyd County Hesperian-Beacon is eligible to enter this newspaper's weekly football contest, except employees of this newspaper and family members living in the same household.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. In addition, write in the two tie breaker footballs your guess of the combined total points to be scored by the two teams listed in each tie breaker football. Also circle the team you believe will win. Circle both teams if you think the game will end in a tie.

The only entries which will be considered for prizes will be those on official entry forms which are brought to the Hesperian-Beacon office in Floydada or to the Hesperian-Beacon Office in Lockney by 5:00 p.m. on Friday. No photocopies will be accepted.

NO MAIL ENTRIES WILL BE ACCEPTED.

Three cash prizes are offered each week. In the event of ties - the same number of correct games and equal scores on the tie breakers - prizes will be shared by those involved in the tie. The tie breaker scores will be utilized only in the event of a tie on the number of games correct.

Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at the Hesperian-Beacon office before 5:00 p.m. on Friday.

Entries are limited to one per person per week. Weekly winners are limited to one per household.
