## Lockney superintendent submits resignation

Lockney School Superintendent Dub Hallmark submitted his resignation to the LISD board members during Monday night's regular meeting. Hallmark's resignation will be effective June 30, 1993.

"I feel this is the best move for the school and the community," said Hallmark.

"Single member districts will be implemented in the May 1994 election and it is possible that there could be as many as 5 new board members. I agreed

to hold off on my retirement for an additional year in order to stay with the board through the transition into single member districts. I had hoped that it would be settled by May of 1993. Since that did not occur on schedule the school board and myself agreed it is better to get a superintendent now and have him at work for a year. He will then be able to get his feet on the ground before the newly elected board takes office."

According to Hallmark applications for superintendent will be taken until

May 14, 1993. The interviewing process will begin May 20 and last until June 7.

Applicants will be interviewed by a district committee made up of school board members, teachers, principals and a parent.

Five finalists will be chosen by the school board June 10-25. One will be offered the job and can report for duty as possible after July 1.

"If a new superintendent could not start right away, I would be available until October if I was needed," said

Hallmark.

Also at the board meeting the contractors who were going to paint the out of bounds area of the new gym told the trustees that they should be aware that painting the floor could cause a maintenance problem. The painters asked the trustees to consider the cost of maintenance and think about leaving the out of bounds area the same color as the rest of the floor.

There was no action taken at this time. Trustees also evaluated the budget at the board meeting. According to Hallmark, "August 31, 1993 we will have overspent our original budget between \$14,000 and \$15,000.

"We have to remember that we had to amend the budget to include new band uniforms which costs \$37,000, so we are in pretty good shape."

Trustees voted to change May Board

meeting to May 11 and approved Mike Mooney as election judge. Merle Mooney, Dorothy Martinez and Jane McDonald will serve as assistants.

Voting booths will be set up in the high school hallway May 1.

School board members received information to study so they can formulate a new cheerleading policy. The new policy will be presented to the school board next month and will cover areas such as who can try out for cheerleader, discipline and general procedures.

Hallmark stated that interviews are still going on for the girls head basketball coach and no decisions have been made.

Other resignations accepted by the school board was Gladys Bobbitt. Bobbitt was an elementary aide.

Sheryl Bybee was hired as school nurse to replace Mrs. Ulmer who is retiring this year.

## New doctor coming to Cogdell Clinic

Dr. Antoine Albert will open his practice at Cogdell Clinic, Monday, April 19.

Dr. Albert is a family practitioner and employed by St. Mary's Hospital. "St. Mary's is loaning Dr. Albert to Floydada in an effort to provide services to the community and help build up a clientele," said Hospital Administrator Ron Ammons.

Dr. Albert is originally from Canada and comes to Floydada from Ballinger where he had practiced for 12 years. He received his medical degree in Canada.

A complete story on Dr. Albert will be in next week's edition.

WATSON FIELD DEDICATION--City Councilman Clar Schacht holds up the sign that will be placed at Watson Field in memory of Preston Watson. A dedication ceremony was held Tuesday, April 13 prior to the Floydada-Muleshoe baseball game. Staff Photo

WATSON EXTENDS APPRECIATION--LaVern Watson, wife of the late Preston Watson, spoke to the crowd gathered for the dedication ceremony of Watson Field, Tuesday. Mrs. Watson was accompanied by her son Richard. Staff Photo

## Watson Field formally dedicated

The Floydada Whirlwinds baseball field was formally dedicated the Watson Field, Tuesday, April 13, in memory of Preston Watson. Bobby Gilliland, president of the Whirlwind Booster Club opened the afternoon ceremonies with a brief look at the life of Preston Watson.

"Watson Field is dedicated to a man that touched many lives while he coached and taught in the Floydada School system," said Gilliland. "He was born August 18, 1916 and graduated San Saba High School. He received his Bachelor of Science Degree from Daniel Baker College of South West University, of Brownwood, in 1939.

"He enlisted in the U.S. Navy April 13, 1942 and received his Honorable Discharge September 21, 1945.

"Watson was married to LaVern Hunt in 1941 and they had one son Richard Watson. Watson's teaching experience included: 1940-41, Hutchinson School District; 1941-42 Richland Spring School District; 1945-1950 Archer City School District; 1950-1960 Floydada Independent School District as Head Coach of the Floydada Whirlwinds."

Watson left teaching for a few years to work in the insurance business but returned to the school system in 1964 when he served as Athletic Director from 1966-1974 for FISD. In 1974 he went to work as the Principal of R.C. Andrews Elementary until 1984 when he retired. Watson died February 3, 1992.

"He dedicated his life to the education of our youth," said Gilliland. "He loved all types of sports and coached baseball, track and football during his life having many successful teams along the way."

Clar Schacht, Floydada City Councilman, spoke of behalf of the City of Floydada and presented a sign designating the field Watson Field. Schacht gave a brief history of the beginnings of Watson Field.

"In 1991, the City Council of the City of Floydada agreed to work with the Floydada Independent School District in remodeling this baseball park," said Schacht. Floydada High School was in the process of establishing a high school baseball program and had hired Jimmy Webster to coach the baseball team.

"The remodeling included new fencing, new light poles and lights, new dugouts, new back-stop, new turf, new bleachers, and a new press box. Most of the work involved was done by City employees and local people.

"In March, 1992, after the death of Preston Watson, Chad Quisenberry who grew up across the street from the Watsons, asked the City Council and the FISD School Board to consider his suggestion to name this baseball park "Watson Field" in memory of Preston Watson. The City Council voted unanimously to name the baseball park "Watson Field".

"This spring, "Watson Field" has become one of the finest baseball fields for high school ball in this area. The addition of a modern score board and a PA system also add to the park."

Schacht then introduced LaVern Watson and her son Richard. Mrs. Watson thanked those involved on behalf of her husband and extended her appreciation for the dedication. "Youngsters will see this sign and this field and remember Preston," said Mrs. Watson. She also urged the Whirlwinds to victory in the Floydada-Muleshoe game that followed the dedication.

## Reecer approved as special prosecutor

By Juanita Stepp

Floyd County Commissioners voted unanimously to use the services of local attorney Dena Reecer as the special county prosecutor in misdemeanor cases. This position is necessary in order to deal with local cases which would fall to a county attorney. District Attorney Becky McPherson had handled such cases since the resignation of Kenneth Bain from the office of county attorney since no candidate came forward to seek election to the office.

Reecer submitted a proposal to the court for consideration a few weeks ago. The court accepted the proposal during the April 12 regular session of the court. Motion to accept the offer came from Precinct 2 Commissioner Floyd Jackson and was seconded by Precinct 4 Commissioner Howard Bishop.

### APPRAISAL DISTRICT CONTRACT APPROVED

The court also approved the bi-annual contract with the Floyd County Central Appraisal District. The contract specifies the duties of the appraisal district in assessing and collecting taxes for the county. It also specifies the cost to the county on a percentage basis, determined by the amount of ad valorem taxes collected by the district.

The contract was first approved by Floyd County Tax Assessor/Collector

Penny Golightly. Motion for the commissioners court to approve renewal of the contract came from Jackson with a second by Precinct 1 Commissioner Connie Bearden. The vote was unanimous.

### TREASURERS REPORT

Treasurer Glenna Orman presented both a monthly and a quarterly report to the court. She told the court that the county began the month of March with \$254,090.93 in county funds. Receipts totaled \$306,406.81 and transfers in

were \$69,976.20. Transfers out were the same, \$69,976.20 and disbursements totaled \$308,846.31, leaving county funds at \$251,651.43 at the end of March.

Orman reported \$300,000.00 in certificates of deposit at the First National Bank in Lockney from undivided taxes. She also reported a \$90,000.00 certificate of deposit belonging to Precinct 3 on deposit with the First National Bank of Floydada. These certificates of deposit have earned \$4,754.29 in interest

## Permission granted to Floydada Landfill for disposing of shingles

After much negotiation and many phone calls, Floydada City Manager Gary Brown has been able to get permission for the disposal of shingles at the Floydada Landfill. To help defray the cost of handling the shingles, the city council has established fees, which must be paid at the gate.

To comply with Texas Water Commission regulations, each load of shingles brought to the landfill must be registered with the landfill attendant.

According to Brown, the information will allow city personnel to keep records of the owner and origination point

(address) of the shingles.

Brown asks that all people bringing shingles to the landfill to have patience. All loads of shingles must be secured (covered to prevent blowing out) or the unloading fee will be 50% more.

"Hopefully the public realizes that new rules and regulations are coming out daily and the city of Floydada is attempting to carry out its responsibility," said Brown.

Anyone having any questions about the procedures should contact Floydada City Hall.

### Love Fund started for McGee family

A Love Fund has been started at the First National Bank in Lockney for the McGee family. Funds will help defray the cost of financial obligations following the death of Willie McGee.

## Moving football stadium again before Floydada School Board

By Juanita Stepp

A full house was present at the FISD regular session for April on Monday evening as Randy Beedy spoke to the board, stating that he and other supporters would like the board to consider hiring a full time boys basketball coach and an additional boys coach so that the head basketball coach would not have to double as an assistant football coach. He also encouraged the board to look into hiring both a seventh and an eighth grade girls basketball coach rather than only one for both grades.

Mike Anderson asked if the school had contacted any "really good coaches such as those who had teams at state this year" for the basketball openings or if they were waiting for coaches to come to them. Cannon responded that it was a bit unethical to pursue coaches in such a manner and that it might "come back to haunt us." He said that several appli-

cants have come forward and some had even backed out of applying because they had heard there were a group of "vigilante parents" in Floydada that wanted to run the program.

Beedy was also vocal in expressing his disappointment that the board last month voted to renovate the Wester Field rather than move to the high school. About forty people were present in the Floydada Independent School Board meeting room on Monday evening, April 12, as Beedy told the trustees, "We are not going to let this die. We want to see the football stadium moved and we intend to pursue this in the future."

Beedy was emphatic in stating that he and others he had talked with wanted to see the football facility moved and want the district to build a new gym for basketball. He made a lengthy presentation covering many possible aspects of both projects and asked about the possible time frame for constructing a new gym. Cannon replied that the shortest possible time frame with economic conditions as they are now and school funding so uncertain would probably be five years in the future.

Beedy told the board that he had hoped to hear that a new gym could be constructed sooner and that the football field could be moved before five years had passed. He suggested a bond issue to build a new gym and was told that it is very difficult to get a bond issue passed for an athletic facility. He was also informed that the last attempt, passing a bond issue which included moving the football stadium in about 1974, was

defeated 3 to 1 by local voters.

Beedy indicated that he didn't see why anyone would object to spending money in the community on the schools to benefit the kids. "I don't care what anyone says," he added, "sports is a huge, huge part of education. It teaches students things they learn no place else."

Beedy added that he saw no logic in the board voting down the moving of the football field and suggested that they "just vote again to move it."

Board member John Campbell stated that he had voted against the move based on the feedback he had gotten from the voters who elected him. "They said they did not want the stadium moved, so I voted against it as their representative. Next time I vote on it, I will vote to move it because I think it would be better for the kids," ended Campbell.

Beedy complimented him and stated, "The voters need to realize that once you are elected, you are here for the kids, not the voters."

Board president Charlene Brown said that too many of the residents of FISD do not have students in school any more and do not want to see taxes increased. Board member Michael Hinsley added that he felt there was a negative attitude in the town about almost everything. He also stated that he feels sports teaches children incentive and self-discipline and should be strongly supported.

Beedy told the board that Nick Long had suggested building a multi-purpose facility that would serve a variety of needs such as one he knows of at Per-

## Police chief answers complaints

By Juanita Stepp

LOCKNEY — Lennie Gilroy, Chief of Police for the City of Lockney answered specific complaints leveled against him by a Lockney resident during the regular council session for the month of April. Petra Gonzales appeared before the council to state her complaints about the handling of a variety of police investigations involving members of her family.

Council members present were given a written statement and then heard specific accusations of police harassment and invasion of privacy. Council members Bil Anderson and Sam Fortenberry were not present.

Gonzales objected to Gilroy's questioning her 18 year-old son as a suspect in a theft of money at the high school and to his questioning friends and other family members concerning the source of her son's money.

"Where we get our money is no one's business but ours," said Gonzales. "Officer Gilroy has no right to ask my son's friends about what we do or how much money we spend."

She also stated that Gilroy frequently

drives by the family home, is rude to them when speaking to them and publicly criticizes the family for the manner in which they raise their children. She ended her presentation by saying, "We are not the only ones in the community that have a problem with Officer Gilroy and I want to know what you are going to do about it."

Mayor Kenneth Wofford then told Gonzales that the council would consider the matter in executive session and inform her of any action taken.

Gilroy asked the mayor if there was any objection to his answering

Continued on Page 16

### Wacko Weather

April showers brought a little more than expected when a Wednesday morning rain turned into large snowflakes which covered the ground throughout the county. The temperature turned from a sunny 87 degrees on Tuesday to a wet and cold 34 degrees on Wednesday.

## BY THE WAY!

BY  
ALICE  
GILROY

My time has arrived. It is now my turn to join the ranks and file of all the other moms and dads who run back and forth to the baseball field. T-Ball is now a reality in our family.

This will be Brandon's first year at the sport and I hope he stays as excited about the game after he starts as he was about signing up for it. You never know about these things—it could go either way.

When Brandon got his first softball, bat and glove he figured that was all he needed to be a number one ball player. He begged us constantly to play with him. He loved the game—and he was a pretty good batter. He can also throw a pretty mean ball. Things were going great and there was no end to Brandon's dreams of growing up to be a pro-baseball player—until the inevi-

table happened. HE GOT HIT RIGHT IN THE CHEST WITH THE BALL!

Whoa Nellie—all of a sudden this game wasn't all it was cracked up to be. It was funny when his McMa got hit with the ball but an entirely different matter when the shoe was on the other foot.

For awhile there he started dodging balls like his mother. Things are starting to get better now—we'll see.

I probably shouldn't have told that story—I've probably condemned him to always being the last one picked for a team!

Oh By The Way—when I went to sign Brandon up for T-Ball Steve McPherson couldn't resist giving me a hard time. One of the first things out of his mouth was, "Hey, maybe this year we'll get some Little League pictures in the paper!"

Hardy-Har Har Steve. Just for that I'll put lots of pictures in, but they'll all be of Brandon!

Oh yeah—Lennie was excited about Brandon joining T-Ball until I brought home that piece of paper about the Boy Scout and Little League Bake Sale.

His mouth fell open when he read the part about how him and Brandon had to make a homemade (not store bought) cake, pie, cupcakes, etc., for the May 1 auction.

This auction is pretty famous in Lockney. It draws in a lot of money and most of the cakes are very creative. Dads and sons come up with some very interesting delicacies.

I'm sure this is what is worrying Lennie. Making a home baked anything is going to be quite a chore for a man who feels like he has really accomplished something when he makes a bowl of instant cream of wheat.

The bake sale instructions also said that the guys had to clean up all the mess.

This should also be interesting considering Lennie cooks everything he can in shaped aluminum foil so he doesn't have to clean up a pan.

A great many experts who have written books on child behavior never had any children. That's what gave them the time to write the books.

Good judgement comes from experience, which comes from poor judgement.

## County approves Dena Reecer as special prosecutor

Continued From Page 1

to date. County installment indebtedness now stands at \$1,154.37 according to Orman.

### FARM WORK CONTRACTS

Three farm work contracts were unanimously approved on a motion by Bishop with a second by Bearden. One contract, #1135 for J. C. Anderson, previously approved on February 10, was voided on the same motion.

Approved were: Olga T. Miller Trust by Lindan Morris in Precinct 2, to clean a waterway 3 miles north and 1 1/2 mile east of the intersection at Aiken; Dan Hagood by Brad Hagood to fill in a wash in Precinct 4 at a location 1 1/2 miles east and 1/2 mile south of old Baker School; and L. B. Monk for working a feed road and fire guard in Precinct 3 at a location 3 1/2 miles east of Lockney.

An additional motion was placed in the record by Commissioner Jackson, detailing the previous approval of a farm work contract for W. E. Terrell of Plainview for work at a site near Aiken in Precinct 2. The contract was approved, the work done and the county paid \$935.00 for the work. The contract has now apparently disappeared and Judge Bill Hardin suggested that the contract be documented in the record by means of a motion. The motion by Jackson was seconded by Bearden and passed with all voting in favor.

The court also approved the payment of properly presented monthly bills on a motion by Precinct 3 Commissioner George Taylor. Budget amendments were also authorized to facilitate the movement of funds within the annual budget constraints. Motion for this action came from Bearden with a second from Taylor.

Monthly reports from county elected officials whose offices collect fines and fees were also reviewed and accepted as presented. These offices include the District Clerk, the County Clerk, the County Tax Assessor/Collector and both Justices of the Peace.

## THIS WEEK

### FLOYDADA SINGLES

Floydada Singles will meet Saturday, April 17, at 6 p.m. in the Senior Citizens building. Hostesses will be Juanita Henry, Blanche Williams and Ernestine Gilly.

### DIABETES CLASSES

Diabetes class will meet at 7 p.m. Thursday, April 22, in the lobby area of W.J. Mangold Memorial Hospital, Lockney. Classes are free and meet the 4th Thursday of each month. For more information, contact Helen Teeple, R.N., 983-3801.

### LOCKNEY TRANSFERS

Parents who wish to transfer students for the 1993-94 school year should come to the superintendent's office in Lockney and sign transfer forms before May 1.

### HARDY SCHOLARSHIP

If anyone would like to contribute to the Elaine Cooper Hardy scholarship fund as a memorial, please contact Glenda Ford at 652-2554 or Gayle Jackson at 652-3333.

### FISHING TOURNEY

Charles Ball Fishing Tournament is set for Saturday, April 17, at Lake Mackenzie. Fishing will begin at sunrise and weigh-in is at 3:00 p.m. Entry fee of \$20.00 is payable at Consumers Fuel and will be used for scholarships.

### LOCKNEY ALL-SPORTS

Lockney All-Sports Banquet will be at 8:00 p.m. April 24 in the elementary school cafeteria. Tickets, priced at \$7.50, are available from any athlete or at the high school office.

### PRE-SCHOOL CLINIC

The 43 annual pre-school clinic, sponsored by the Athena Study Club of Lockney, will be held Thursday, April 15, in the Lockney Elementary School Cafeteria.

## Floydada Police Report

April 8, Floydada Police took a report of a burglary of a habitation that occurred sometime after April 3. The home was located in the 500 block of E. Missouri. Stolen from the home was a box fan and an oscillating fan valued at approximately \$25.00 each.

April 9 a resident in the 600 block of W. Kentucky reported two rings stolen from her home. It is unknown the exact day the jewelry was taken. Stolen was one yellow gold dinner ring valued at \$3,000 and one gold "little finger" ring with three diamonds, valued at \$2,000.

Also on March 9, a resident from a home in the 300 block of W. Mississippi reported several items stolen from his carport. The complainant told police the theft occurred between March 25-26. Stolen was a battery charger on wheels, valued at \$108.00 and a Air Impact Wrench, valued at \$35.00.

Police also took a burglary report on April 13. The home burglarized was located in the 100 block of W. Tennessee. The door was kicked in and approximately \$2,500 worth of property was stolen from the home. Items stolen included cameras, a typewriter, knives, Nintendo games and ammunition.

## Courtroom Activities

In county court April 7, Kendall Whiskers was charged with assault. There was no disposition on this case.

## Caprock Education Greenhouse

(on Floydada High School Campus - Corner of Tree and Crockett)

will be open daily  
Monday thru Friday - 4-6 p.m.  
until school is out.

## THE VILLAGE PREACHER

by Ed Hull

### THE GLORIOUS RESURRECTION

The Word of God declares in James 1:2-4 "Consider it all joy, my brethren, when you encounter various trials, knowing that the testing of your faith produces endurance. And let endurance have its perfect result, that you may be perfect and complete, lacking in nothing."

The conclusion of this statement is that the Lord will test us along the way to bring us to the understanding, maturity and perfection that He wants us to have.

Oftentimes we rebel against such adverse instruction and discipline. The reasoning we use is "I can't accept that", or "I've had enough", or "God would never expect that from me", etc.

We need to pause and consider that the greatest test of faith, obedience, love and devotion was demonstrated by our Lord. "He made Him who knew no sin to become sin on our behalf, that we might become the righteousness of God in Him." II Cor. 5:21.

This our Lord could only accomplish on the cross as the Lamb of God who takes away the sins of the world (John 1:29). Three days after the crucifixion the greatest event in the history of the world took place, and confirmed as absolute truth every statement Jesus ever made. That event was the glorious resurrection.

## Meet Your Candidates

Lockney City Council

**KENNETH WOFFORD**

Kenneth Wofford is seeking the office of Mayor of Lockney. He is unopposed on the ballot.

Wofford was a member of the city council for ten years before serving as mayor for the last two years. He also served on the Lockney school board for six years in the 1960's. Five of the six years were as chairman of the board.

Wofford was born east of Lockney and has lived in the city for 33 years. He is an LHS graduate and a member of the West Side Church of Christ. He and his wife Retha are the parents of two daughters, one son and nine grandchildren. Wofford is semi-retired.

Commented Wofford, "The City of Lockney is in good shape financially and we will endeavor to keep the present business-like type of administration in the future." Wofford expressed his gratitude to the citizens of Lockney for their splendid cooperation the past 2 years and stated that he looks forward to the challenge of the next two.

He served in the U. S. Air Force from 1966-1968. He is a Texas Tech graduate and earned a masters degree in Agricultural Business from Texas A & M in 1974.

Anderson and his wife Ann have been married for 23 years. The couple have three children, Melissa, Jennifer and Amy.

He is active in community affairs and served as Lockney Chamber of Commerce President in 1991-92.

After serving a term on the council, Anderson says, "I know that the city faces some tough problems in the future and I would like to be in a position to try to head off some of the things that are not in the best interest of our community. I just wish that more people would exhibit an interest in our city government and in working for the good of the community through it."

Anderson credits his experience in management and accounting for making him aware of many potential problems before they grow to major issues. "I feel that the city is well run, but I believe that I have a responsibility to make my abilities available to work toward the betterment of the city."

**RODGER STAPP**

Rodger Stapp, candidate for Lockney City Council, has been a resident of Lockney his entire life. He graduated from LHS in 1970 and took over the family Body Shop in 1971. Stapp Paint and Body Shop moved to the present location after purchasing the building six years ago.

Stapp is also involved in Davis Lumber Company. He shares the partnership with Rick Griffith.

His wife, Belinda is an employee of the U. S. Postal Service. The couple are parents of four children, Shannon Lynn, Andy Ray, Jeremy Lee and Tyrell Trent.

Says Stapp, "I decided to run for city council because I am interested in the manner in which things are done. I would like to help my community and I felt that getting involved in city government might be a way to do that."

There are three candidates in the race for two school board positions. Mike Mathis is the lone incumbent running for reelection. Also on the ballot will be Dan Smith and Aaron Wilson. Profiles of the trio of office seekers follow.

**MIKE MATHIS**

Mike Mathis is seeking election to a second term on the LISD Board of Trustees. He is a 1975 graduate of Lockney High School and attended West Texas State University before returning to Lockney to farm.

Mathis and his wife Ginger have three children. 14 year-old Kaci, nine year-old Lindsey and eight year-old Garrett are all students in the Lockney system.

The family are members of the West College and Third Street Church of Christ. They are involved in the Floyd County 4-H and the FFA Livestock Show as well as many other local activities.

"I have learned a lot during my first term on the board," said Mathis. "I feel that there is a lot I can do to contribute to the welfare of our children through the decisions the board makes in the future."

Mathis added, "I am grateful to the community for all it has given to us and would like to return something to it by being of service on the board."

**DAN SMITH**

Dan Smith is seeking election to the Lockney Independent School District School Board. Smith is 38 years old and a farmer. He is a lifelong resident of Lockney. He is married to Reeda Cay Lawson Smith and the couple has two daughters, 15 year-old Tikka and 12 year-old Michelle. The family attends church at the Main Street Church of Christ.

Smith is a 1972 graduate of Lockney High School. He graduated from Texas Tech University in 1976 with a BS degree in Agricultural Economics.

A former two-term mayor of the City of Lockney, serving from 1987 through 1991, Smith is also a past president of the Lockney Rotary Club and continues

## Meet Your Candidates

Lockney School Board

to maintain membership in that civic organization. He is presently a member of the Board of Directors of Plains Cotton Growers and serves on the board for the Floyd County Central Appraisal District.

Smith has been a member of the Board of Directors of Floyd County Farm Bureau for 13 years and served three years as president. He was voted the State Chairman of Young Farmers and Ranchers by Texas Farm Bureau in 1985 and was the Outstanding Young Farmer of Texas in 1987.

"I see several major decisions facing the Lockney school district in the future," said Smith. "I would like to be a part of making those decisions which so deeply effect our children."

Side Church of Christ. Wilson is an active member of the Lockney Volunteer Fire Department and assists in the operation of the ambulance.

"Both my wife and I graduated from high school here and we have been watching what goes on for the past several years with interest," says Wilson. "I just feel that it is my turn to try to contribute whatever I can to help the system that educated us as it does the same for our children. I would like the opportunity to have a part in making the best decisions we can for the best interest of the students."

## Early voting underway

By Juanita Stepp

Early voting for the May 1 election began on April 12 and will continue through April 27. Voters who wish to vote early should bring their voter registration card to the location indicated below for each municipal election and the constitutional amendment balloting. Any eligible voter can exercise the option of voting early in any or all of the scheduled May 1 elections.

**CITY OF FLOYDADA**

Early voting for the City of Floydada will be held at City Hall, 114 W. Virginia in Floydada each weekday until April 27. Voters may cast ballots in the early voting between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday.

Appearing on the ballot will be two

candidates for Mayor, Hulon Carthel and Jon Nielson. Selections for Council member District 2 are Ruben Barrientoz or Dale Lawson. Candidates for Council member District 3 are Leroy Burns and Roxanna Cummings. Voters will elect one mayor and a council representative in each district.

**CITY OF LOCKNEY**

Early balloting in Lockney will be held at City Hall, 218 E. Locust between the hours of 8:00 a.m. and 5:00 p.m. each weekday until April 27.

Candidates appearing on the ballot are: Kenneth Wofford for Mayor; Bill Anderson and Rodger Stapp for council positions. Voters will elect one mayor and two council members.

City Council.**

*"Working for a progressive and secure future for Floydada."*

Political Advertising Paid For By The Candidate.

**WITH A POSITIVE ATTITUDE AND A TEAMWORK ATMOSPHERE WE CAN MAKE A CHANGE IN THE FUTURE OF FLOYDADA!!**

Floydada's Founding Fathers worked very hard to establish this community, and we must carry on the old values with a new course.

This community needs a strong economic development plan. A vision to make progress happen. The future of Floydada needs to start today.

Our City Council and other civic groups need to work together to establish reachable goals, and then act to see them through to completion. To strive to unite this community so that everyone who wants a say will have their say, not a small group making decisions for the rest of us.

I'm for having more people involved in this community.

Because we are all in this together, we must work for a common goal, so that we will have a positive and aggressive promotion for Floydada. We must establish a strong economic package for our town so we can attract new industry, new jobs and a new attitude for this community.

It's time for a New Spirit In Floydada. Together We Can Make it Happen!

VOTE MAY 1st

==== JON C. NIELSON

**TO MARRY JULY 10**—Mr. and Mrs. Jerome Bernard Webre of Port Neches, Texas, announce the engagement and approaching marriage of their daughter, Ellen, to Tom Potts, son of Mr. and Mrs. Frank Potts of Floydada, and grandson of Mrs. Emily Johnston and Mrs. Mollie Bureson, both of Floydada. Ms. Webre is a graduate of Thomas Jefferson High School in Port Arthur and Lamar University in Beaumont. She is currently employed as an elementary school teacher at Cypress Fairbanks ISD in the Houston area. Potts is a graduate of Floydada High School and Texas Tech University, where he received his Bachelor of Science degree in Construction Technology. He is employed by Cardio Systems of Houston. A July 10 wedding is planned at St. Catherine Catholic Church in Port Arthur. They plan to make their home in the Houston suburb of Clear Lake.

**★ Your Health ★ Our Care**

**By Trina Wilson RN  
TUBERCULOSIS - RETURN  
OF A KILLER DISEASE**

Everyone is more than a little paranoid these days. You see it at the easy-mart and at church: Whenever someone sneezes or coughs, people scatter. Throughout both large and small American cities, the resurgence of tuberculosis is causing ripples of alarm in both the general population and the scientific community.

"The more the disease is around, the greater the risk to the average person," says Don Kopanoff, associate director

of CDC's division of TB elimination. Since 1986, TB has been on the rise. The upsurge has been driven by a complex mix of medical and social factors: the AIDS epidemic, poverty, and homelessness.

Tuberculosis is a communicable disease that most commonly affects the lungs and respiratory system and is caused by infection with the Mycobacterium tuberculosis. The bacterium is spread via tiny, airborne droplets released when someone with active TB coughs or sneezes. If inhaled, the droplets can deposit infectious particles in the lungs.

One of the ways being discussed in health care circles to control this disease is the reestablishment of TB sanitoriums. The last of the big TB sanitoriums closed down in the late 1970's, just a few years before the current resurgence of TB. Though the poor conditions at some of those facilities were scandalous, some public health experts have suggested that it might be wise to bring sanitoriums back.

"But there is no reason to build special hospitals for people with TB," says Lee Reichman, president of the American Lung Association. The possibility of utilizing facilities which are no longer in operation has been discussed as a solution to the problem. This type of approach would not only serve the needs of a community by keeping a facility open or reopening an existing facility, but would also serve the public good.

The general signs and symptoms of tuberculosis are hectic fever, sweats, emaciation, and persistent, productive cough. If you believe you have TB, or have been exposed to TB, contact your physician for a check up.

What all of us must realize is that it is relatively easy to prevent the spread of TB, however, the most dangerous TB case is the one that goes undiagnosed.

**Fortenberry  
awarded Tech  
scholarship**

Each year the Texas Tech University Ex-Students Association awards academic scholarships to outstanding students who graduate from their high schools as valedictorians and salutatorians.

Among the students who received the scholarship to Texas Tech is Jennifer Fortenberry, salutatorian of Lockney High School. She is the daughter of Mr. and Mrs. Samuel Fortenberry of Lockney.

Jennifer is majoring in pre-pharmacy at Texas Tech and is a member of Kappa Kappa Gamma social sorority.

# Il Penseroso reviews activities

By Cris Taylor

Il Penseroso Jr. Study Club met Thursday, April 8, in the home of Dana Wright. Co-hostesses for the evening were Diane Lowe and Lori Satterwhite. The blessing was given by Pat Schwab and members were then treated to fresh pasta salad, Hawaiian bread, along with a very tasty spinach dip, and lemonade to drink. Lemon bars were served for dessert.

President Rise Ford then called the meeting to order with secretary Melody Wiley calling roll with 16 members present. The minutes were read and approved.

Club members voted to reschedule the Spring Bridge Tournament that was

cancelled on April 3, the new date will be announced later. Kathy Young and Julie Ellison announced that the club quilt has gone to the quilters to be quilted. We are all anxious to see it. Members again chose for the quilt to be done in a Christmas theme. Kathy and Julie have put a lot of hard work into getting it together and commented on it being gorgeous.

Rise reminded everyone of the upcoming auction to be held on April 22. Auction items were discussed for the newer members, to help in deciding what to bring. Everyone is to bring a guest and an auction item.

Committees, projects and upcoming

officer elections were discussed along with a variety of topics for the next year's agenda. Rise then closed the meeting and Secret Pal gifts were handed out.

Next meeting will be at Dena Reece's house on April 22, with Tami Wofford, Diane Lowe and Karla Stapp as co-hostesses.

Members present were: Julie Ellison, Rise Ford, Terri Fortenberry, Diane Lowe, Lori Satterwhite, Pat Schwab, Sammie Setliff, Karla Stapp, Michealle and Keenan Stennett, Heather Stowe, Victory Stewart, Cris Taylor, Melody Wiley, Tami Wofford, Dana Wright, and Kathy Young.

**COUPLE ENGAGED**—Mr. and Mrs. Vernon Steed of Lubbock and Mr. and Mrs. Carey Smith of Levelland announce the engagement of their daughter, Shannon Allene Smith to Ritchie Don Thornton, son of Mr. and Mrs. Ronnie Thornton of Plainview. The bride-elect graduated from Monterey High School. She is a student at Texas Tech University and is a candidate for May 1993 graduation, at which time she will attain a BBA in Ac-

counting. She is involved in Kappa Kappa Gamma Sorority at Tech. Thornton, a graduate of Lockney High School, is a graduate of Texas Tech University, where he earned a B.A. in Journalism. He was a member of Phi Delta Theta Fraternity. He is currently a student teacher at Frenship in Lubbock. The couple plan a July 17 wedding in the Raintree Christian Church, Lubbock.

**COUPLE SETS JULY WEDDING DATE**—Mr. and Mrs. Kendis Julian of Floydada wish to announce the engagement and forthcoming marriage of their daughter, Kristi Michelle, to Timothy Edward Elkner, son of Mr. and Mrs. John Elkner of Mays Landing, New Jersey. Ms. Julian is a graduate of Texas Tech University where she earned a degree in Housing and Interiors and is currently a designer for the Ethan Allen Gallery, Reis' Concord

House, in Lubbock. She is the granddaughter of Jesse and Aubrey Stewart and Mrs. Bonnie Julian. Elkner is a professor at Texas Tech University, specializing in viticulture, having earned his undergraduate degree from Rutgers University, masters degree from Clemson and PhD in horticulture from Virginia Polytechnical Institute and State University. A July 3 garden wedding is planned in Lubbock.

## Floydada Senior Citizens News

By Thelma Jones

Dora Davis' daughter died Saturday afternoon at her home.

Mr. and Mrs. Bill Holliday spent the Easter holidays with their daughters in Hobbs and Lovington, New Mexico.

Thanks to the senior citizens for the calls and visits I have had since I fell. I am doing o.k.

Sympathy to the following families who have lost loved ones: Ralph Gee

family, Carl Reese family, and Odell (Bud) Breed family. I am sure I have missed a lot since my illness and I haven't been able to write the news.

Ethel Warren enjoyed dinner Sunday with her son, Elvis Warren on his 67th birthday. There were also other relatives attending.

Mattie Wester had company last week from Baton Rouge, Louisiana.

Dale Tardy of Lubbock visited his mother and sister, Marie and Lanell Tardy Sunday afternoon.

Mr. Lula Teague spent Saturday night and Sunday with her son, Mr. and Mrs. Keith Teague in Pampa.

Mr. and Mrs. Jim Dempsey and family of Keller, Texas, spent the Easter holiday with his mother, Mrs. Betsy

Dempsey and other relatives.

Mr. and Mrs. Olin Watson visited Mr. and Mrs. Clarence Guffee and he is doing very well.

Lorene Newberry and Ila Marie Warren visited Mrs. Eula Battey Monday evening.

Mrs. Alma Rape spent Sunday with her daughter, Mr. and Mrs. Leslie Nixon and family.

Those spending a week with Murl Mayfield were: Jim Riley Mayfield (a brother of Gordon) and wife, Billie from Bend, Oregon; Gene Mayfield of Henrietta, Texas; Bobbie Dale Mayfield, San Angelo; Tressie Mayfield McPherson, Idalou, and Syble Mayfield Crausbay, Crosbyton. Bob Bradford, Sue Chesshir and Don Gamer Chesshir, Mamie Wood and Gerie Smitherman were visitors.

## "Eye of the Storm" to be shown at Floydada's First Baptist Church

"Eye of the Storm" is the new dramatic movie from World Wide Pictures starring Connie Sellecca (Hotel, P.S. I Love You) and Jeff Conaway (Taxi, Grease), with Deborah Tucker (Dallas, Happy Campers).  
 Returning home from covering the Persian Gulf War, award-winning TV journalist, Tom Edwards (Jeff Conaway), and his producer, Patricia "Pete" Peterson (Connie Sellecca) are given the task of "keeping the ratings high."  
 It puts them at odds, since Tom feels the best "story" is one which would trash the faith of returning servicemen and women. "The war is over, what role does God play now? Is He out in the open or has He been put back in the closet?" asks Tom in his TV interviews. "Pete" urges him to let God "speak" for Himself.  
 Tom's real war is at home with his daughter and within his own heart. In the wake of his wife's death, Tom immerses himself in his work, leaving Jill (Deborah Tucker) hurt and alone.

Their struggling attempts to reach out to each other serve only to widen the gap between them.  
 Through the movie stories of soldiers from Operation Desert Storm and the faithful support of co-worker "Pete" Peterson, Tom comes to experience genuine peace in the midst of the storms that engulf him.  
 "Eye of the Storm" addresses vital, timely issues very relevant in today's society. Families will be captivated by this contemporary story of what faces many single parents and their children as careers are juggled with person relationships.  
 "Eye of the Storm" is produced by World Wide Pictures, the motion picture ministry of the Billy Graham Evangelistic Association.  
 Pastor Hal Farnsworth and the members of First Baptist Church would like you to attend this outstanding new film, "Eye of the Storm" on April 18, 1993, at 7:00 p.m.  
 For more information, please call the church office at 983-3755.

## "Musical drama Celebrate Life" presented by Methodist Church

This Saturday and Sunday, April 17 and 18th, the Sanctuary Choir of Floydada's First United Methodist Church will present "Celebrate Life!", the musical drama by Beryl Red and Ragan Courtney. First published in the 1970's, Celebrate Life! gave us songs that have become mainstays of church music, such as "In Remembrance of Me" and "The Truth Shall Make You Free."  
 Under the direction of Bobby Rainer, this production combines resources of

the church's drama ministry and the music department in an effort to offer a fresh look at the life of Christ.  
 Celebrate Life! tells the marvelous story of Jesus through scripture, drama, and a variety of musical styles. The public is invited to the free performance in the church's sanctuary, 203 W. Kentucky.  
 Cast members include church members of all ages, and the drama offers something for everyone. Come prepared to laugh, to cry, and to consider in a new light the life of all lives.

## Early voting now underway

**Continued From Page 3**  
**FLOYDADA ISD**  
 Floydada ISD will be holding early voting at the school administration offices, 226 W. California in Floydada. Voters may cast ballots between the hours of 8:00 a.m. and 4:00 p.m. Monday through Friday through April 27.

# Records are a must for pre-school clinic at Lockney Elementary

The Athena Study Club is sponsoring their annual Pre-School Clinic at Lockney Elementary School on Thursday, April 15, from 1:30 to 3:30 p.m. Parents are reminded to bring their child's Social Security Card, Birth Certificate and Immunization Record with them when they come.

The purpose of this clinic is to register youngsters who will enter the Lockney School System for the first time in August 1993. Included in this category are children who will reach their fifth birthday on or before September 1, 1993, and who will be attending school for the first time. Also children who are six years old and who have never attended school should come to this clinic.

Medical checkups will be given by Dr. Gary Mangold, Dr. Kevin Stewart and Dr. Kevin Stennett. Dr. William Dean will conduct the dental exams and Dr. Stewart Webb will check the children's vision. Karen Quebe will hold the speech screening.

**LITTLE LONGHORNS NAMED**—Named as Little Longhorns for the week of April 12-16 at Lockney Elementary School were (l-r, back row) Sandra Salazar, Crystal Castro, Jessie Ledesma, Ramiro Martinez, Jeremy Butler, Jessica Garza, Velvet Johnson, Sara Davis; (l-r, second row) Angie Blanco, Corye Gill, Jacob Ortegón, Justin Stoerner, Teresa Day, Jeffrey Perales, April Dorman; (l-r, third row) Gaen Smith, David Balderas, Anthony Galvan; (l-r, front row) Jessica Cruz, Isabel Torrez, Addie Foster and Analisa Leal. —Staff Photo

# FHA members going to state conference

Representatives of the Lockney Chapter of Future Homemakers of America will be attending the 1993 State Leadership Conference along with 5500 members and advisors from Texas. "FHA/HERO: A Circus of the Stars" is the theme of the 1993 meeting which will be held in the George R. Brown Convention Center, Houston Texas, April 16-17, 1993.

Attending from Lockney will be Alicia Sepulveda, Mandy Hunter, Holly Ascencio, Maricela Luna, Tiffany Ellison, Trudi Lambert, Federico Cervantes, Sal Failla, Dragan Tomic, Lauri Rodriguez, JoAnn Amador and Mark Arismendez and advisor, Treena Aston

Members will motivate individuals to swing into action by developing skills for life through character development, creative and critical thinking, family communications, practical knowledge and vocational preparation. Dynamic keynote speakers and presentation by members will highlight the two day conference.

Interest sessions on leadership skills, time management, positive self image, self defense, communications, sexually transmitted diseases and other critical teen issues will be held for members to attend.

The business of the Texas Association, Future Homemakers of America, will be conducted during the House of Delegates session, Friday, April 16. Recognition of the competitive events participants and installation of the 1993-94 officers will climax the Saturday evening session.

These officers, elected through chapter participation throughout the state, will be placed in office by a nominating committee. A newly elected president will receive the gavel from Kara Bates, outgoing president, from DeKalb, Texas.

Future Homemakers of America is an organization sponsored by the Vocational Home Economics Education Division, Texas Education Agency, with Judith A. Hetherly, Director and Sharon Reddell Pierce, State Advisor.

*Have a nice day!*

**LOCAL FHA MEMBERS TO ATTEND CONFERENCE**—Representing the Lockney FHA Chapter at the 1993 State Leadership Conference in Houston will be (l-r, front row) Alicia Sepulveda and Mandy Hunter; (l-r, center row) Holly Ascencio, Maricela Luna, Tiffany Ellison, Trudi Lambert and Advisor, Treena Aston; (l-r, back row) Federico Cervantes, Sal Failla and Dragan Tomic. Not pictured are Lauri Rodriguez, JoAnn Amador and Mark Arismendez. —Staff Photo

# Annual Father-Child Cake Bake Auction slated for May 1

It's time once again for the annual Father-Child Cake Bake Auction. This event is sponsored by Lockney Cub Scouts. Lockney Youth Baseball will team up with the Cub Scouts and Boy Scouts to create an evening of fun and excitement on Saturday, May 1, 7:00 p.m. at Lockney Elementary School.

The items at the auction are prepared and baked by the child and a father, or a male figure. Any decorating is to be done strictly by the child. Help from Mom is forbidden. The sumptuous deli-

cacy will then be auctioned off to the highest bidder.

This auction is the major fundraising drive for these Lockney youth programs.

The public is invited to attend the auction as are representatives of local businesses. The youth in these programs appreciate and need your support.

# Silver Spurs Horse Project meets in home of Amy Davis

By Tyler Phillips  
The Silver Spurs Horse Project met April 5, at 7 p.m., in the home of Amy Davis. Wade Wiles called the meeting to order and the 4-H pledge and motto was recited.

After a short business meeting, the group went to the barn where we had a hands-on demonstration of horse safety and grooming. The members also took turns practicing showmanship at halter.

The meeting was adjourned and refreshments were served.

# Lockney Track Report

### Floydada youths place at SPC Livestock Judging Invitational

A total of 137 teams from throughout much of Texas competed in Friday's (April 2) annual South Plains College livestock judging invitational for 4-H and FFA teams.

Floydada's FFA chapter placed 4th in High Point Teams Overall, and 5th in High Point Team Swine.

Matt Whittle placed 3rd in High Point Individual in Cattle.

More than 400 young people signed up for the annual contest, which featured judging in three species — cattle, swine and sheep.

Members of SPC's award-winning livestock judging team served as judges, and organizer for the contest was Jim Jenkins, SPC associate professor of agriculture and one of the sponsors of SPC's livestock judging teams.

"The youngsters who participate in the contest are a fine group of young people, and they provide some very solid competition," said Jenkins. "We

are always pleased to have them on campus."

### Floydada School Menu

April 19-23

- Monday:**  
Breakfast — Apple juice, toast, jelly, milk  
Lunch — Spaghetti w/meat sauce, fried okra, vegetarian beans, peaches, hot roll, milk

Lunch — Hamburger w/mustard, French fries, lettuce, tomatoes, pickles, cherry cobbler, milk

### Teachers invited to conservation workshops

The Board of Directors of the Floyd County Soil and Water Conservation District invites all teachers of Floyd County to attend the nationally acclaimed Project Learning Tree and Project Wild workshops. These workshops have been established in cooperation with Texas Tech University for teachers to earn approved advanced academic training credit.

Project Learning Tree which will be held June 24, 1993, from 9:00 a.m. to 4:00 p.m., at the Ranching and Heritage Center, emphasizes the importance of productive land base with respect to forest and other land resources.

Project Wild, which will be held June 25, 1993, from 9:00 a.m. to 4:00 p.m., at the Ranching Heritage Center, emphasizes on wildlife ecology, management, and conservation.

Teachers may attend either one or both 5, of the workshops for credit. A teacher may earn six (6) hours of AAT credit, which is a prerequisite for individual career ladder advancement, per workshop.

Registration information may be obtained from Texas Tech University, Dr. Gerald Skoog, College of Education, 742-2371. For additional information contact the Soil Conservation Service, USDA Building, Highway 70 East, Floydada, Texas. Phone (806) 983-2352.

Programs and services of the Soil Conservation Service are offered on a nondiscriminatory basis without regards for race, color, national origin, age, sex, religion, marital status or handicap.

**YOLANDA LEDBETTER**

### The Best That We Can Be In '93

by Criselda Valdez

The first F.H.S. senior in our spotlight this week is Yolanda Ledbetter, or "Yogie." She is the daughter of Doris Ledbetter and has four sisters.

Yolanda has attended school in Floydada all of her life. She has served one year as FHA-HERO president. She plans to attend South Plains College and major in Cosmetology. Her favorite subject in school is English IV.

Yolanda has many hobbies which include tennis, singing, and dancing. Her favorite movie is "The Color Purple," and her favorite TV show is "Out All Night."

Yolanda is a very talented young lady, especially in singing. She attends Mt. Zion Baptist Church, where she is in the youth group and also sings with the choir.

If Yolanda could travel to Hawaii, she would take her mother. She admires her mother the most. Yolanda loves her family, friends, and teachers. She also likes to help people in trouble. Yolanda, keep singing those sweet notes of har-

**GAIL LEDBETTER**

**CATHERINE PIPER**

mony.

Another senior in our spotlight is Gail, daughter of Mrs. Jerlean Ledbetter. She is an only child, and she has two daughters. Gail's mother takes care of her daughters while she comes to school.

Gail has attended F.H.S. for twelve years. She is the secretary of FHA this year and was president last year. Gail is undecided as to where she wants to attend college.

Her favorite subject in school is Math. When asked what she remembers best about school she said, "I remember when I took Algebra I and Informal Geometry. Mr. and Mrs. Lockwood stayed by my side until I learned about Math."

Gail attends Mr. Zion Baptist Church and sings in the choir. She likes to work in her spare time. She wants to give her two daughters a great future. They are her number one priority in life. Gail is an inspiration to all single mothers because she has continued her high school education. Keep up the good work, Gail.

The final senior is Catherine Piper or "Cat." Her legal guardian is her aunt,

Thelma Martin.

Catherine came to F.H.S. only two years ago but she quickly got involved in activities such as FHA, Y.E.S., Senior T-Shirt Committee, and Spirit Committee. Her favorite subject in school is Theater Arts.

After graduation she plans to attend South Plains College and either major in social work or study cosmetology. What she would really like to do in the future is to become a doctor.

Catherine is a caring and cheerful senior. The thing she has to offer other people is kindness and understanding. Her hobbies include volleyball and swimming. She also plays the flute and violin; in fact, in her previous high school, she was president of the school orchestra. She was also in the Drama Club, the Spanish Club, and the Key Club, so it is no wonder that she wishes F.H.S. had more activities and school spirit.

These three senior girls are some of the many who are "The Best That We Can Be In '93."

### Getting Off A Losing Streak at FHS

On Friday, April 23, from 8:15 until 12:00, Floydada High School is sponsoring a GOALS Day (Getting Off A Losing Streak). Students will be able to select 4 sessions to attend from a list of 18.

Topics included in these are: AIDS, stress management, eating disorders, dangers of steroid use, physical/sexual abuse, alcohol abuse, parent/teen relations, suicide, occupational trends, teen

pregnancy and sexuality and learning styles and personality. These topics will be presented by area professionals in their respective fields.

GOALS Day is a motivational program to help the students become more responsible in their decision-making.

If parents would like to attend the sessions, or if you have questions, please feel free to contact Mrs. Cannon at 983-3916.

# FHS teams prepare for district meet

The Floydada track squads traveled to Brownfield on April 10, and had good tune-ups against several teams and individuals they will encounter in the District 2-3A meet this week at Dimmitt. The Whirlwinds took team honors at the Cub Relays with a total of 82 points.

Other finishers and team totals included: 2. Plains, 53; 3. Brownfield, 47; 4. Post, 45; 5. (tie) Kermit and Shallowater, 43; 7. Morton, 42; 8. Littlefield, 40; 9. Roosevelt, 34; and 10. Muleshoe, 30. The Lady 'Winds also had a good

outing at Brownfield, scoring 58 1/4 team points to finish in second place behind Lubbock Cooper's 75 points. District 2-3A members Dimmitt, Littlefield, and Muleshoe, placed seventh, eighth, and ninth, respectively. Micheal Henderson, Jason Pyle,

Adam Gonzales, and Scott Crader again paced the way for the Whirlwinds' team victory at Brownfield. Henderson won the triple jump at 43'-5 3/4", was first in the 100-meter dash at 10.98, and placed second in long jump with a distance of 21'-5 1/2".

Pyle registered one of his best-ever efforts with a second place pole vault of 13'-0". He also placed second in 300 hurdles at 40.89, and finished fifth in 100 hurdles at 15.59.

Gonzales and Crader continue to have among the top distances in shot put and discus — regardless of school classification — in Region I. Gonzales tossed his personal best in competition as he won the shot put at 54'-0 1/4". Crader finished second with a 53'-2 1/4" measurement. For the fourth time in meets this Spring, the Floydada duo finished 1-2 in discus with Crader edging his teammate 149'-5" to 147'-10".

Tulia will be the odds-on favorite to repeat as district track champs this week at Dimmitt, due to the Hornets' strong entries in the relay teams, 100 and 200-meter sprints, long jump and triple jump. However, Floydada has an excellent opportunity to earn some tickets to the region level in several events.

The Lady 'Winds' mile relay team was a pleasant surprise in the 1600, as they won with a time of 4:14.75 over second place Dimmitt's 4:15.96. Floydada also placed fourth in the 400 relay at Brownfield with a time of 52.27. Tian Younger and Elisa Suarez continued to be the Lady 'Winds' individual point-producers. Younger ran second in 300 hurdles at 47.58, and placed third in the 800-meter run with a time of 2:24.22.

Suarez ran the 400 meters at 59.41 for third, and also placed third in long jump with a distance of 15'-10 1/2". Pepper Hinkle tied with three others for fourth place in high jump at 4'-10". Pernell placed fifth and sixth in the 1600 meters and 3200 meters, respectively, to close out Floydada's team scoring.

The competition will be fierce at the district meet this Friday and Saturday, but Younger and Suarez appear to be Floydada's best chances for individual berths at the Region I meet. The Lady 'Winds' are also a strong contender in the quarter-mile and mile relays.

**ARTS FESTIVAL WINNERS**—Winning in the recent Floydada Junior High Arts Festival were (back row, l-r) John Arrendondo, Dustin Owens, Anthony Robles, James Castillo, Vernon Cooper, Rheann Foust, Jesse Cabello, Omar Eguia, Carlos Hernandez, Vicki Ochoa, Francisca Reyes, Ivana Irias; (third row, l-r) Daniel Arellano, Jerry Meyers, Crystal Hernandez, Ashleigh Williams, Peppre Selman, Marty Herrera, Norma Gonzales, Jesse Garza,

Abel Lopez, Nick Williams; (second row, l-r) Ben Outlaw, Diane Gonzales, Elizabeth Cuellar, Crystal Driver, Jamie McGuire, Angie Medrano, Cassy Fawver, Jason Campbell, Ubaldo Chavez, Joe Lucio, Sandie Hart; (front row, l-r) John Doerschuk, Tamara Brown, Melissa Perez, Jessica Maldonado, Jennifer Luna, April Gourdon, Leigh Dawdy, Stephanie Emert and Le Hoang.

## Feature Teachers at R. C. Andrews

### MRS. WALLER

By Dane Sanders

The fourth grade Feature Teacher this month is Mrs. Gayle Waller. She graduated from high school here in Floydada. Then she went to West Texas State University, Texas Tech University, and received her degree from Wayland Baptist University.

Some of her hobbies are riding horses, swimming, playing the piano, painting, gardening, reading, and playing with her grandchildren. In her spare time she enjoys traveling.

Mrs. Waller's husband is a teacher at Floydada High School. Mr. and Mrs. Waller have two sons, two daughters-in-

law, and two grandchildren. She enjoys spending time with her family.

Mrs. Waller has taught school for 27 years. She taught kindergarten for 15 years, high school for one year, and fourth grade for 11 years.

Mrs. Waller said, "The first year I started teaching it seemed so strange to be getting paid for doing something I loved to do. I still marvel at being so blessed to be with children I love and make a nice living, too."

### MISS BRADSHAW

By Dusty Duke

Miss Anna Leta Bradshaw was named Feature Teacher for the 5th grade. She was very pleased to have the

Feature Teacher honor.

Miss Bradshaw is a loved math teacher for the 5th grade and likes the subject she teaches. It all started when she graduated from our own Floydada High School and went on to get her teaching degree at Texas Tech. She has taught school for three years.

Some of her hobbies are playing the piano, reading books and she really loves to travel. Miss Bradshaw has traveled to lots of places and enjoyed every one of them.

Miss Bradshaw comes from a family of four. Her dad's name is Willie, her mom is Clara and her brother's name is J Royce.

Miss Bradshaw said, "I love to teach and Andrews is a great place to teach."

### MRS. HAMBRIGHT

By Chad Turner

Sixth grade teacher, Mrs. Frances Hambricht has the honor of being named this month's Feature Teacher. Mrs. Hambricht went to high school in Flomot, Texas. She went on to college at West Texas where she got her degree.

She has many hobbies like playing the piano, reading and craft things. In her extra time she loves to travel and collect bunnies.

Mrs. Hambricht is happily married to Bob Hambricht. She also has two children and their names are Jim Bob and Alissa Hambricht. She has been teaching for 31 years and still loves it.

Mrs. Hambricht said, "This is a great place to work because I get to know and appreciate people I would not know otherwise."

## Meet Your Candidates

### Caprock Hospital District Board of Directors

There are five candidates for three positions on the Caprock Hospital District Board of Directors. Originally, six people announced, but one, Harvey Allen, has filed to withdraw his candidacy.

**JOY ASSITER**

Joy Assiter is one of three incumbents running for reelection to the Caprock Hospital District Board of Directors. She is seeking her fourth term and says, "I am deeply committed to seeing the hospital reopened and serving the needs of the community."

Originally from Oklahoma, Assiter graduated from Lockney High School. She is active in the community, maintaining memberships in the Eastern Star and in the Women's Division of the Floydada Chamber of Commerce. She is retired from a position as Floydada Branch Manager at Sunbelt Savings and Loan (now Bank of America).

Assiter and her husband Tommy have three grown children, two sons and a daughter. The couple are members of the Methodist Church.

"I am seeking this office again," said Assiter, "because I feel that the board needs the benefit of experienced members while we strive to reopen the hospital. I am convinced that our community needs the hospital and that we will be able to provide that service to our fellow citizens in the near future."

**TOM FARRIS**

Tom Farris, a third generation native of Floydada, is offering himself as a candidate for the Caprock Hospital District Board of Directors. A graduate of Floydada High School, Farris received a Bachelor of Business Administration degree from Texas Tech University in 1973. He is currently President of the First National Bank of Floydada and has been with the bank for twenty years. He and his wife Laura make their home in Floydada.

"I believe I can bring a new dimension to the hospital board," stated Farris. "A look at the district and the hospital from the stand point of good solid busi-

ness practices might be helpful in making the hard decisions."

Farris stated that he would like to see a well staffed primary care facility in operation in Floydada, backed up by an excellent emergency services unit. "I feel that this is the best type of care the district can offer and that the community can afford at this time," added Farris. "We must be very careful to consider balancing the needs of the community against the burden on the taxpayer, and we need to move very carefully in regard to reopening the hospital."

"I feel that it is important not to lose sight of the fact that the hospital lost more than \$500,000.00 a year during each of the last two years it was open and we need to guard against that happening if it is reopened prematurely," added Farris. "I am not against the hospital reopening, but I would have to be very convinced that we are very certain it can successfully remain open before I would favor that course of action."

Farris also indicated his support for the clinic now operated by Dr. Hoang. "Dr. Hoang came here when we needed a doctor. He came with a desire to serve and asked nothing in return except that he be allowed to practice medicine and live in Floydada," said Farris. "I would like the board to be mindful of his commitment to Floydada when they negotiate with other physicians."

**JERRY THOMPSON**

Jerry Thompson, a resident of Floydada for twenty-three years, is also an incumbent seeking a return to office on the Caprock Hospital District Board of Directors. He is a local pharmacist and has served one term on the board already.

Originally from Wellington, Thompson owns and operates Thompson Pharmacy. He received his bachelor's degree in pharmacy from South West Oklahoma State University.

Thompson is a member of the Rotary Club, the Chamber of Commerce and is a deacon in the First Baptist Church. He also serves on the board for the Floydada

Municipal Airport. He and his wife Jan have two sons.

Says Thompson, "My goal is to see the hospital reopened, I think it is very important for Floydada to have the facility in place and serving the community." He went on to add that he has been involved in recruiting attempts to secure the services of physicians for the hospital during the past two years. "I think it is becoming increasingly difficult to attract good physicians with the hospital closed. We need it open in order to provide a workplace for a potential physician. We also need the coverage it could provide in the emergency room."

Thompson stated, "I think that closing the hospital has had a negative effect on the town and the only way to reverse that is to get it open as soon as possible."

**T. M. WHITELEY**

A former lab technician at Caprock Hospital is seeking a first term on the hospital board. T. M. "Whitey" Whiteley, who retired from the hospital in 1986, says, "I hope I can contribute to the reopening of the hospital in some manner. I feel that as a previous medical professional, I have something positive to contribute to the operation of the district as a whole and to the reopening of the hospital in specific."

Whiteley is married and his wife, Norma, is employed by the Texas Department of Human Services. The couple has four grown children and are active in St. Mary Magdalen Catholic Church, where Whiteley serves as a consultant to the building committee at this

time. The family has lived in Floydada since 1976.

Stated Whiteley, "My primary interest is in getting the hospital open once again. My secondary interest, of course, is in returning former local employees to work."

**JIM WORD**

Incumbent Jim Word, former Marine and retired insurance agent, is seeking reelection to the Caprock Hospital Board. Word came to Floydada in 1946 and maintained an insurance business until he semi-retired on December 31, 1980. He is very active in the community as a member of the Floyd County Historical Commission, the Floydada Chapter of the American Heart Association, the Floyd County Board of Equalization and the Floydada Senior Citizen's Organization.

Word is also involved in archaeology and has been a part of Boy Scouting for more than 30 years. He has been a member of the Lion's Club in Floydada since it was reorganized in 1946. His first wife, Dorothy Cousins Word, died in 1981 and Word married Margarite Word in 1985. He has three grown children and seven grandchildren.

Asked why he is running for hospital board, Word responded, "I want to help in any way I can. Floydada and Floyd County have been good to me both in my business and in my personal life and I am willing to try to give something back if I can."

## BOOE ROOFING COMPANY

Our Poly-Shield roofing system was designed especially for commercial roofs.

The system begins with fibered cutback asphalt, which is a much higher grade than conventional "hot" asphalt. It stays pliable much longer.

Instead of using paper or fiberglass felts which are weak, we use spunbonded polyester felt that is up to 40 times stronger. The stronger the felt, the stronger the roof.

Final surface options include: leaving the roof black, aluminum coating, or ceramic granules for heat reflection.

Obviously our poly-shield system is a much better roof, why does it cost about the same as an old "hot" roof?

We buy our asphalt in bulk semi-tankers directly from the asphalt plant. We pay much less than the other guys.

# FLOYD CO. AG. UPDATE

**FARMING TECHNIQUES EXCHANGED**--Steven Becker (far right) addressed the crowd that was in Floydada Saturday from a variety of countries and states. The tour was arranged for the 8th Texas International Cotton School and were entertained by the Agriculture Investment Marketing Company, owned by Steven Becker. Arrangements for the variety of stops made around the county were made by the Floyd County Tourism Task Force. The tour group is seen here inside the Lamplighter Bed and Breakfast just before their treat to Pumpkin Bread and coffee.

Staff Photo

## Floyd County water levels rise

Floyd County ground water levels rose an average of 0.10 of a foot in 1992 in the measured wells of the network of 98 privately-owned wells maintained by the High Plains Underground Water Conservation District No. 1 in its 577,650 acre service area within the county. This represents an increase of 8,664 acre-feet of water in storage in the Ogallala Aquifer last year in the portion of Floyd County within the Water District boundaries.

Ground water levels within the Water District's Floyd County service area declined 0.42 of a foot during the 10-year period from 1983 to 1993. A decline of 0.72 of a foot was recorded during the five-year period from 1988 to 1993.

Ground water levels in the Ogallala Aquifer within the 6.4 million acre Water District service area had an average rise of 0.14 of a foot from January 1992 to January 1993. This is a net increase of about 135,103 acre-feet of ground water in storage in the Ogallala Aquifer within the Water District service area.

A zero average annual change in ground water levels was recorded for the first time in the Water District's history in 1985. Depth-to-water measurements revealed an average ground water level rise of 0.50 of a foot in 1986; an average rise of 0.90 of a foot in 1987; an average decline of 0.51 of a foot in 1988; an average decline of one foot in 1989; an average decline of 1.06 feet in 1990 and an average decline of 0.73 of a foot in 1991.

A network of 1,076 privately-owned observation water wells is used to determine the annual change in the quantity of water in storage in the Ogallala Aquifer within the High Plains Water District. The depth-to-water measurements

are taken in January and February of each year in order to allow water levels to stabilize from the pumping during the previous growing season.

By comparing the current depth-to-water measurements with those taken the previous year, Water District Technical Division staff members can determine what changes have occurred in the ground water levels.

Of the 15 counties or portions of counties making up the High Plains Water District, eight recorded average rises in depth-to-water levels. These counties were Armstrong, Cochran, Crosby, Floyd, Hale, Hockley, Lubbock and Lynn. Bailey, Castro, Deaf Smith, Lamb, Parmer, Potter and Randall Counties showed average declines in the depth-to-water measurements.

## EPA exemption allows use of Ammo and Cymbush for thrip control on onions

By C. Mark Brown  
Extension Agent-Entomology (PM)  
Crosby/Floyd Counties

The Environmental Protection Agency (EPA) has recently granted a Section 18 specific exemption to allow the use of Ammo and Cymbush insecticides on dry bulb onions to control thrips. These products have been used successfully during the past several years to control thrips, the most important insect pest on the South Plains.

This specific exemption is subject to the following conditions and restrictions:

- \* The products, Ammo 2.5 EC manufactured by FMC Corporation, and Cymbush 3E manufactured by ICI Americas, may be applied. All applicable directions, restrictions, and precautions on the EPA-registered product labels must be followed.

- \* Five (5) applications by ground or air may be made at 0.08 to 0.10 lb. a.i. per acre, beginning when a threshold of an average of 25 thrips per onion plant is reached. Total rate is not to exceed 0.5 lb. a.i. per acre per season.

- \* A 7-day pre-harvest interval will be observed.

- \* Cypermethrin is highly toxic to bees exposed to direct treatment of blooming crops or weeds. Do not apply cypermethrin or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

- \* Cypermethrin is highly toxic to fish and other aquatic organisms. To protect aquatic organisms, do not apply cypermethrin within 300 yards of any body of water including rivers, creeks, streams,

canals, lakes, or reservoirs.

- \* Do not apply where run-off is likely to occur to aquatic habitats. Do not make applications or cypermethrin within 24 hours following a local weather forecast which predicts a high probability (equal to or greater than 50 percent) of rainfall in order to avoid contamination of surface waters as a result of rainfall run-off from treated onion fields. Do not apply directly to water, areas where surface water is present, or to inter-tidal areas below the mean high water mark. Do not make applications when weather conditions favor drift from treated areas. Do not contaminate water by cleaning of equipment, or disposal of wastes. Do not contaminate water when disposing of equipment washwaters.

- \* Notify State and Federal authorities, and FMC Corporation or ICI Americas (whichever is appropriate), immediately if you observe any adverse environmental effects due to the use of cypermethrin.

- \* Inasmuch as Ammo 2.5 EC and Cymbush 3E are restricted use products, application of these products shall be made only by certified applicators or

persons under their direct supervision, and only for those uses covered by the certified applicators certification.

- \* Farm operators shall be responsible for the prior notification requirements as set forth in Section 7.26 (h) (4) of Title 4, Texas Administrative Code whenever aerial applications or Ammo 2.5 EC or Cymbush 3E are to be made to bulb onion fields.

- \* Do not allow entry into fields of bulb onions following an application of Ammo 2.5 EC or Cymbush 3E until at least 24 hours have elapsed unless appropriate protective clothing is worn.

- \* The EPA Headquarters shall be informed immediately of any adverse effects (such as fish kills) resulting from the use of Ammo 2.5 EC or Cymbush 3E in connection with this exemption. Any adverse effects should be reported by calling EPA's Emergency Response Section at (703) 305-7717.

- \* This specific exemption expires one year from the date of issuance.

## Variety of nationalities learn Floyd County farming techniques

Participants from all over the world toured Floyd County on Saturday seeing for themselves the diverse agriculture in the county and gathering information to take back to their own country.

The tour was arranged for the 8th Texas International Cotton School. The individuals, who came from gins, textile companies and national research projects, will attend intensive training for two weeks. The group is on a fact finding mission in an effort to learn details and information which will make them better able to judge the quality and grades of cotton. They are also seeking to improve their understanding of the production and harvesting of cotton.

The group of twenty-three school participants came from a wide variety of places, including: Lubbock, Rotan, Childress, El Paso, Los Angeles, Knoxville, Tennessee, Mexico, Czech Republic, Bangladesh and the Egyptian National Research Project.

During their stay, the Agriculture Investment Marketing Company in Floydada in conjunction with the Floyd County Tourism Task Force, volunteered to entertain these students with an agricultural tour of Floyd County.

According to Anne Carthel, President of Floyd County's Tourism Task Force, the group were treated to a morning tour of Smith Farms, owned by Eddie Smith, in an effort to learn "the innovative cotton farming of Smith Farms."

After the Smith tour, the group was treated to pumpkin bread and coffee at the Lamplighter Bed and Breakfast. The reception was hosted by Roxanne Cummings and Evelyn Branch, owners of the Inn, and several representatives from the city of Floydada were on hand to welcome the guests.

At the city reception the agriculture students were taken to Heptad Vegetables, owned by Hulon and Gary Carthel, for a lesson on pumpkin production and grading.

At 12:30 p.m. a chuckwagon lunch was shared with the cowboys at the Circle Dot Ranch, owned by Joe and Virginia Taylor.

Chuck Holmes, owner of Hi-Plains Farms, demonstrated Onion Production in an afternoon tour. The last item on the Tourism Task Force's itinerary was a 3:45 p.m. visit to Barwise Gin, owned by Buddy and Barbara Hendrix.

"Floyd County is very excited to have had the privilege of sharing our people,

agricultural knowledge, and beautiful scenery with this diverse group," said Carthel. "As will all small rural communities we are trying to let our resources shine and move toward a positive trend in developing some tourism opportunities to complement our small town charm."

"We appreciate everyone who took time out to make our guest feel welcome by giving tours and to Roxanne and Evelyn for feeding them free of charge.

## PCG to hold membership meeting

By Shawn Wade

Officials of Lubbock-based Plains Cotton Growers (PCG) announce their 36th annual membership meeting will be held April 15.

PCG's meeting will be held in the Civic Center Theater in conjunction with the Texas Cotton Ginners' Association (TCGA) convention and trade show April 15-17. All producers and ginners are invited to attend.

Registration for the PCG meeting will begin at 8:45 a.m. outside the Theater. The program is scheduled to begin at 9:15 a.m.

PCG officials are pleased to have three outstanding speakers on the agenda for the meeting as well. They are: Jesse Moore, Director of the United States Department of Agriculture-Agricultural Marketing Service (USDA-AMS) Cotton Division to discuss changes in the classing system; John Maguire, Vice President, Washington Operations for the National Cotton Council (NCC) to discuss issues facing the cotton industry; and Wayne Bjorlie, Director, Fibers and Rice Analysis Division, USDA-ASCS to talk about the 1993 CCC Loan Schedule.

Following the PCG meeting will be the Texas High Plains Cotton Seminar at 1:30 under the theme "Building Cotton Production and Marketing Skills."

"This year's meeting will be full of interesting information for everyone regardless of their role in the cotton industry," says Donald Johnson, PCG Executive Vice President.

In addition to PCG's guest speakers the meeting will also feature addresses from PCG President Wayne Huffaker of Tahoka and Johnson. Reports on the High Plains Boll Weevil Control Program and the Plains Cotton Improvement Program are also scheduled.

Following the membership meeting the PCG Board of Directors will meet in rooms 108-109 of the Civic Center for the election of 1993-1994 officers. Current officers include Huffaker, Vice President Frank Jones of Lamesa and Secretary-Treasurer Jackie Burris of Wellman. Under PCG By-Laws each of the PCG officers is eligible for reelection to his current position.

TCGA officials also announce that a workshop discussing employment documentation and various anti-discrimination provisions of the Immigration Reform and Control Act will be

## Extension service offers Quicken computer course

held Friday morning, April 16. The seminar will begin at 9:30 a.m. and all agricultural employers are encouraged to attend.

## Extension service offers Quicken computer course

A computer program easily adaptable to the record keeping needs of farm and ranch enterprises will be taught by the Texas Agricultural Extension Service during a one-day course April 21 at the Texas A&M Agricultural Research and Extension Center in Lubbock. The course, Introduction to Quicken, results from numerous requests for an introduction to Quicken software.

The course will begin with an overview of Quicken and its components, basic data entry, generating simple reports and the many utilities found in Quicken. Tips for speeding data entry using quick keys, memorizing and splitting transactions, and using categories and classes to facilitate reporting will be covered. Advanced topics such as transaction groups, transfers between accounts and payroll record keeping will also be demonstrated.

This course will be modeled after a two-day course taught at the Halfway Training Center, but computers will not be available for participant use, as they are at the Halfway center. Instruction will be by lecture and demonstration only. No computer experience is required. Participants need not own Quicken software.

The course will run from 9 a.m. to 4 p.m. at the A&M Center on FM 1294, just east of I-27 at the Shallowater exit. The registration fee of \$20 covers both the participant and their spouse. Lunch will be on your own. Participants need only register and pay the fee at the door. No pre-registration is required.

For additional information contact your local county extension agent or call Smith at (806) 746-6101.

## JAMES G. BADGETT

Funeral services for James Gipson Badgett, 77, of Conroe, Texas, were held Monday, March 22, 1993, at 10 a.m. in St. James Episcopal Church with the Rev. Michael Chalk officiating. Interment followed in Garden Park Cemetery with Cashner Funeral Home in charge of arrangements.

Mr. Badgett was born June 9, 1915 in Grayson County, Texas, the son of David Ray and Florence Sloan Badgett and died on March 18, 1993 in Conroe.

He married Marguerite Gaines in San Antonio, Texas on Jan. 14, 1943. Mr. Badgett was a 1934 graduate of Floydada High School and a 1938 graduate of West Texas State University, Class of 40A-Randolph Field-Original (first) class, a veteran of WWII, and a member of St. James Episcopal Church. He was also retired from Champlin Petroleum Co. (now Union Pacific Resources), as manager of the Conroe area. Mr. Badgett had resided in Conroe since 1970.

Survivors include his wife, Marguerite of Conroe; two daughters, Linda Forward of Odessa, and Barbara Brady of Agnes, Texas; two brothers, Preston R. Badgett of Floydada and Jack S. Badgett of Oklahoma City, Okla.; and two grandchildren.

## FRANCIS COLLIER

Graveside services for Francis Collier, 54, of Floydada will be held Friday, April 16, 1993, at 2 p.m. at East Forrest Lawn Cemetery with Minister Jessie Williams of Wichita Falls, Texas, officiating. Burial will be directed by Moore-Rose-White Funeral Home.

Mrs. Collier died Saturday afternoon at her residence after a lengthy illness. She was born in Jefferson, Texas, and

had been a long time resident of Floydada.

On May 16, 1964 she and J.C. Collier were united in marriage.

Survivors include her husband of Littlefield, Texas; her mother Dora Davis of Floydada; four brothers, Willie of Matador, Joe and James of Floydada and T.J. of Fort Worth; two sisters, Vella Ware and Ella Davis both of Floydada and many nieces and nephews.

## SUE CRUME

Funeral services for Mary Sue Crume, 48, were at 2 p.m. Friday, April 9, 1993, in St. Alice Catholic Church with Monsgr. Tim Schwartner pastor, officiating. Burial was in Plainview Memorial Park by Lemons Funeral Home.

Mrs. Crume died at 2 a.m. Wednesday, April 7, 1993, in Methodist Hospital Lubbock after a brief illness.

She was born Mary Sue Burt on Aug. 4, 1944 in Tulsa. She grew up in Nazareth and graduated from Nazareth High School. She graduated from St. Paul's Nursing School in Dallas in 1965 and from Harris Hospital School of Anesthesia in Fort Worth in 1977. She worked for Plains Memorial Hospital in Dimmitt before moving to Plainview in 1977 and working for Central Plains Regional Hospital as an anesthetist until 1992 when she returned to Plains. She was a member of St. Alice Catholic Church.

She married Harlan Crume on May 27, 1978 in Plainview. The Crume's owned Crume Gin in the Providence Community.

Survivors include her husband; one daughter, Abby of Plainview; a brother, Sam Burt of Longview; and two sisters,

Mrs. Louis (Virginia) Huseman of Nazareth and Mrs. Ross (Martha) Kirkpatrick of Leon, Okla.

## LLOYD R. COLLIS

Military graveside services for Lloyd Randell Collis, 70, of Hemphill were held at 2:00 p.m. Saturday, April 10, in the Hemphill Cemetery under the direction of Starr Funeral Home.

Mr. Collis died Thursday, April 8, 1993, in Lufkin Memorial Hospital.

He was born October 15, 1922 in Hillsboro. He moved to Hemphill in 1985 from Lockney. He was a World War II Navy veteran. He was retired from Green Machinery Pump Co., where he worked as a welder.

Survivors include his wife, Beatrice Collis of Hemphill; his mother, Mrs. Ora Collis of Lockney; three sons, Rick of Alba, Lloyd of Abilene and Larry Collis of Plano; two daughters, Carol Davis of Quinlan, Barbara Gilliland of Floydada; two brothers, Gene of Farris and Glenn of Lockney; one sister, Frances Hartley of San Angelo; eight grandchildren; and one great-grandchild.

## ROBERT VEIGEL

Services for Robert Howard Veigel, 81, were at 11 a.m. Tuesday, April 13, 1993, in the First United Methodist Church with the Rev. Joe Wood, pastor, officiating.

Burial was in West Park Cemetery by Gilliland-Watson Funeral Home.

Veigel died Saturday evening, April 10, 1993, in Deaf Smith General Hospital.

He was born in Happy Union in Hale County and moved to Deaf Smith County in 1935 from Floyd County.

He married Genevieve Faith on Oct. 22, 1933, in Plainview. He was a stock farmer and member of First United Methodist Church. A son, Don Ray Veigel, died in 1959.

He is survived by his wife; a son, Bob W. Veigel of Hereford; a daughter, Dorothy Oswald of Philadelphia, Pa.; a sister, Mabel Rogers of Plainview; seven grandchildren and four great-grandchildren.

## ROBIN FORTENBERRY

Services for Robin Fortenberry, 80, of Hereford were at 10:30 a.m. Saturday, April 10, in Rix Funeral Directors Chapel with the Rev. James Jones, pastor of Assembly of God Church in Plainview, officiating. Burial was at 3 p.m. in Lockney Cemetery directed by Rix Funeral Directors.

Mr. Fortenberry died Thursday, April 8, 1993, in Deaf Smith General Hospital.

He was a native of Floyd County, where he married Ruth Gill on Dec. 23, 1933. He moved to Hereford in 1982 and was a member of Assembly of God Church.

A daughter, Darlene Fortenberry, died in 1953.

Survivors include his wife; two sons, Eldon Fortenberry of Hereford and Darrel Fortenberry of Floydada; two brothers, Fred Fortenberry of Amarillo and Cephus Fortenberry of Lockney; two sisters, Mary Ann Tucker of Lubbock and Evelyn Winn of Lockney; seven grandchildren; and 15 great-grandchildren.

The family suggest memorials to a favorite charity.

Issued this the 1st day of April, 1993.  
(Emitada este dia 1 de Abril, 1993.)

## Hale to serve as Hutchison's Floyd County chairman

State Treasurer and U.S. Senate candidate Kay Bailey Hutchison has announced that Bill Hale will serve as her Floyd County Chairman in her race for the U.S. Senate.

"Bill Hale is an outstanding community leader," Mrs. Hutchison said, "I couldn't be more pleased that he has agreed to come on board. He will be a tremendous asset to our campaign and I look forward to working with him in the upcoming months."

"We've had solid, unified Republican backing in all areas of Texas, plus significant Democrat and Independent support," Mrs. Hutchison said.

## America's First Newspaper

Newspapers are such an integral part of American life that it is hard to imagine a time when they were not available on every street corner. In Colonial times, however, American journalism faced many hardships, including poor communications and distribution systems, as well as a government intolerant of criticism.

On Sept. 25, 1690, Benjamin Harris of Massachusetts published what history records as America's first newspaper. *Publick Occurrences, Both Foreign and Domestick* was a first for the people of Boston; before the paper, news usually was posted on trees and poles.

The first issue of *Publick Occurrences*, however proved to be its last. Upset by several of Harris' views, the Massachusetts governor issued an order of suppression that outlawed the paper.

It wasn't until 14 years later that printer John Campbell capitalized on Harris' idea by founding the *Boston News-Letter*, a weekly newspaper that began publication in 1704. The *News-Letter* lays claim to several firsts in American journalism, including the use of correspondents, the selling of subscriptions, and home delivery.

Today, there are more than 9,000 newspapers published in the United States. And, despite the many changes that have taken place in the past 302 years, the motivating force behind Harris' attempt to bring journalism to America is the same force that guides the media today: the public's right to know.

## Lockney Hospital District Board of Directors

Seeking a position on the Lockney General Hospital District board are five individuals. Present board members vying for re-election are Hubert Frizzell, Jerry Johnson and Ronnie Hardin. Also signed up for a place on the May 1 ballot are Jack Covington and Phil Cotham.

The hospital board election will be held on Saturday, May 1, 1993, in the east hall at Lockney High School. Mr.

T. Owen Thornton will serve as election judge. The voting will begin at 7:00 a.m. and continue until 7:00 p.m.

Hubert Frizzell is seeking another term as a member of the Lockney General Hospital District board. He has served on the board off and on since 1947. He has been associated with the board since the beginning and was instrumental in acquiring the barrack buildings that were used for the first

HUBERT FRIZZELL

hospital.

He served on the hospital board from 1947 until 1954, returning to the board in 1973 when arrangements were made to set up the hospital district. He served as chairman of the board from 1973 until 1977. After sitting out a term he ran again in 1982 and served until 1988.

After serving three terms a member cannot serve a fourth term consecutively but he was appointed by the board to fill out the unexpired term of Chester Carthel in 1989 and was elected again in May 1991 for another two year term.

Frizzell is a retired farmer and has lived in Floyd County all of his life. He and his wife, Agnes, are the parents of one son, Tony. They are members of the First Baptist Church in Lockney.

Frizzell stated, "If I am elected to another term on the board I will do the best that I can do for the hospital."

Hardin is president of the First National Bank in Lockney. He belongs to the Lockney Lions Club, Masonic Lodge and is a Lockney Chamber of Commerce Director.

He is a graduate of Munday High School and Texas Tech University.

### JACK COVINGTON

Jack Covington is seeking a position on the hospital board after being off for one term. Covington served on the hospital board from 1986-1991, for a total of three terms.

Covington came to work at the AgEquipment Group in 1977 and is currently Accounting Manager. He is a graduate of Floydada High School and of Texas Tech University.

He and his wife, Tanya, have four children and six grandchildren. They have lived in Lockney since 1981 and are members of the First Baptist Church. Covington is a member of several or-

### PERSONAL CARE ATTENDANT PROGRAM

If you or someone you know has a developmental disability and would like to go to work, contact Goodwill Industries' Personal Care Attendant Program. This program provides classroom training, job coaching and placement for people who want to care for elderly or disabled people in their home. The Personal Care Attendant Program helps persons with disabilities help others. For more information call (806) 741-0170.

Personal Care Attendant Training Program funded by The Texas Planning Council for Developmental Disabilities.

ganizations and has held numerous offices and positions.

When asked why he was interested in running for the hospital board he stated, "I feel at this point that my having six years of experience on the hospital board and my working for a large company might add something to the board."

PHIL COTHAM

Phil Cotham, principal at Lockney Elementary, will be seeking his first elected position as a board member of the W.J. Mangold Memorial Hospital in the May 1 municipal elections.

Cotham is one of five men running for three positions on the Hospital board.

He has served as principal of Lockney Elementary for one year. Before filling that position Cotham had served as ten years as a Lockney coach and teacher, and as an Assistant K-12 Principal for three years.

Cotham came to Lockney in 1982 from West Texas State University in Canyon. He graduated WT with a BS in Physical Education and came to work in Lockney as the head Junior High Coach and Assistant Varsity Coach.

In 1986, Cotham was named Head Varsity Basketball Coach and served in that position for three years. In 1989 Cotham was named Assistant Principal. He continued in his studies while teaching in Lockney and has earned his Masters in Education from Sul Ross University and also has his Mid Management Certificate and is currently studying for his superintendents certification.

Cotham has been married to his wife Cindy for 11 years. They have two children Todd, 8, and Landon, 5. They are members of Lockney's First Baptist Church.

When asked why he is seeking a position on the hospital board, Cotham said, "I have lived in Lockney for 11 years and I want to be able to give something back to the community."

"I know about working with an administrative board because of my work with the school board. There has to be good interaction with the board and the administration while continuing to allow people the opportunity to do their individual work."

## Police chief answers complaints

Continued From Page 1

Gonzales' accusations in open session. He said, "I feel that unless she hears the answers from me, she will not feel that her complaints have really been answered."

Wofford told the gathering that there was nothing to prevent Gilroy from speaking in open session, but that any deliberation concerning personnel would have to be held in executive session.

Gilroy then told Gonzales that part of his job as a police officer was to ask questions and gather information. "Since police officers can not always witness a crime taking place, we have to investigate crimes after they occur. We ask questions of anyone who might be involved and of anyone who might have any information that would assist us in determining what happened and who did it. If that is harassment, then I guess I am guilty of harassment."

He also admitted that police officers on patrol often drive by the family home, just as they often drive by most of the other homes in Lockney. He told her that this is also part of a police officer's job.

The specific charges made by Gonzales that Gilroy is "out to get my son just like he got his brother Lupe" were answered by Gilroy who stated, "If Chris has done something wrong, then yes, I will try to make a case against him just as I did his brother in the past. It is unfortunate that Chris has health problems, but that will not protect him from punishment if he commits a crime."

Gilroy had information from public records which he presented to the council concerning previous arrests and convictions on both of Gonzales' sons as well as the traffic tickets written to family members within the past several years. Stated Gilroy, "If we (the Lockney Police) were trying to harass them, they would have had more than five tickets."

Gilroy also pointed out that any time Gonzales' sons had been questioned, they had been apprised of their rights and told they did not have to talk to officers. He also said that standard procedure had been followed in taking statements from the young men without the parents present.

Gilroy also commented on the fact that Gonzales had asked to see the evidence collected on her son Chris which led to an indictment by a Grand Jury last Tuesday. He indicated that her lawyer was incorrect in telling her that the police would show her the evidence. Gilroy told her that her lawyer would have to get a court order to have the evidence revealed to the defense lawyer.

Gonzales then indicated that her lawyer had told her that they had the option of speaking to the Grand Jury and that they had been present but the Grand Jury would not let them speak.

Gilroy told her that the normal procedure is that the Grand Jury has the option to listen to the evidence and can ask for whatever additional information it might need or talk to anyone they choose before making a decision. He said, "In this case, the jury felt that there was enough evidence without talking to anyone else. Your lawyer is misinformed and is giving you bad advice if this is what he told you."

Mayor Wofford asked if there were any other statements that Gonzales wished to make and she replied, "We will be waiting to see what you decide to do about Officer Gilroy. Our lawyer might have some other action to take after that."

The council ended the Thursday, April 8 session with an executive session during which the matter was discussed. According to City Secretary Charlotte Hooten, no formal action was taken following the executive session. Also discussed during the closed session was the on-going lawsuit concerning voting districts. No action was taken concerning that issue.

### SEAL COAT PROJECT BIDS TO BE TAKEN

A motion by council member J. D. Copeland was made to advertise for bids on the annual seal coat project for city streets. The motion was seconded by council member Terry Jones and passed unanimously. City engineers were available to present the streets to be coated and offer advice concerning the bid specifications.

### RAILROAD RIGHT-OF-WAY PURCHASE DISCUSSED

Discussion concerning the possible purchase of the railroad right-of-way by the landfill was held. Councilmen indicated that they would only be in favor of purchasing the smallest parcel which would give the city title to the land where a sewer lift connection is presently located. Mayor Wofford was authorized to look into such a purchase and report back to the council.

### TAX TITLE LOT SALE APPROVED

A unanimous vote approved the potential sale of city lots 10 and 11 in Block 2 of the Tuttle Addition to Domingo Hernandez Jr. for \$550.00. The sale will be subject to approval by the other taxing entities holding title to the tax title property located on N.E. 7th Street. Motion was made by council member Gary Marr and seconded by Jones.

### FAMILY PLANNING TO BE AT COMMUNITY CENTER

The local Community Action Organization will be allowed to use the small part of the Community Center for two hours a day on the second and fourth Thursdays of each month free of charge. The organization will be conducting family planning sessions at that time. Use of the building is conditional on their leaving the facility clean after each session. Motion was made by Copeland and seconded by Marr. The vote was unanimously in favor.

### MCDONALD REAPPOINTED TO BOARD

Robert McDonald was unanimously reappointed to an additional term on the Mackenzie Water Authority Board of Directors on a motion by Jones, seconded by Copeland. His current term was due to expire April 30.

### SUMMER SWIMMING POOL OPERATOR DISCUSSED

Council members were advised that Violet Cooper, who has operated the swimming pool in the past, had submitted a letter advising the council that she would be unable to take on the project again this year. Council members decided to advertise for an operator.

The motion by Copeland stated that the council accepts the resignation of Cooper and will advertise for bids. Anyone interested in the summer work can obtain more information by contacting City Secretary Charlotte Hooten. The motion was seconded by Marr and passed by unanimous vote.

### HIRING OF THIRD STREET DEPARTMENT EMPLOYEE DISCUSSED

The council briefly discussed the possibility of hiring a third street department worker on a full time basis. The cost of an additional employee and information comparing towns of much the same population was presented. The matter was tabled for further consideration.

Council members reviewed the monthly financial statements, heard and approved the minutes from the previous meeting and authorized the payment of the monthly bills. Budget amendments were passed to facilitate the moving of money designated for one use to another as required by state law.

Brief department reports were made. Mayor Wofford told the council that the Boy Scouts would be glad to label the city dumpsters with warning labels. He also told the council that the regular session of the council in May will be held on Friday, May 7th, in order to canvass the votes from the May 1 election.

JERRY JOHNSON

Jerry Johnson is seeking another term on the Lockney General Hospital District Board of Directors.

He is the owner and operator of Johnson and Johnson Auto Parts and has lived in Lockney all of his life.

He and his wife, Dani, are the parents of three children, Jerald Johnson, Jason Johnson and Eric Humphries and they have two grandchildren. They are members of the First United Methodist Church.

Johnson graduated from Lockney High School and has been involved in various organizations throughout the years. He has served as a member of the Lockney City Council and the Lockney Volunteer Fire Department.

When asked why he was running for a seat on the hospital board he stated, "I want to see our hospital continue to do well. We have a conservative board and the hospital is very important to our community. I would like to see our construction project finished."

RONNIE HARDIN

Ronnie Hardin is running for his second term on the board of the Lockney General Hospital District. He has served on the board for two years.

When asked why he is running for another term on the board he stated, "Hopefully I can be of some service. We have a good hospital district and I would like to help keep it that way."

Hardin and his wife, Shirley, moved to Lockney in 1986 from Post. They have two sons, Sammy and Glenn, and two grandsons. They are members of the First Baptist Church in Lockney.
