Siders begins duties as Floyd County Agent

Kerry Siders assumed his duties as Floyd County Extension Agent, April 15, after moving here from Dimmitt.

Siders, 29, is unmarried and had previously served in Dimmitt for three years as an extension agent and pest manager for Castro and Lamb County.

He was born in Indiana and raised in McAllen. Siders graduated McAllen High School and went on to receive his BS in Agronomy from Texas A&I in 1987.

KERRY SIDERS

He then attended Texas Tech and graduated in December 1989 with a Masters Degree in Weed Science. Siders then took over the reins as Extension Agent in Dimmitt.

"I plan on continuing with the 4-H tradition," said Siders, "but I also want to put a lot of emphasis on AG production. I would like to concentrate on supplied research and result demonstrations. We won't be looking at just crop protection, but also water management and various aspects of crop production. I hope to get it going very quickly. I also hope to work on some community development projects."

New physician on duty at Cogdell Clinic

By Alice Gilroy

Floydada's new physician, Dr. Antoine Albert, brings with him a solid background of establishing rural health care.

On loan from St. Mary's Hospital in Lubbock, Dr. Albert (pronounced Al-Bear) says he shares the same visions as St. Mary's in organizing good rural health care to communities.

He also has very definite thoughts how not to organize health care. After spending many years practicing in Canada and working in "socialized medicine," Dr. Albert speaks from experience on the good and bad of government controlled health care.

Born in New Brunswick, Canada, in 1947, Dr. Albert attended St. Louis College and received a BA and BSC in 1967 in the area of Science and Art. He also majored in music and still enjoys playing his grand piano.

DR. ANTOINE ALBERT

SAY AHHHH! Dr. Kevin Stennett examines Brady Eugene Tannahill at the Pre-School Clinic held annually by the Athena Study Club. Brady, the son of Mr. and Mrs. Larry Tannahill, will be a kindergarten student at Lockney Elementary when school begins next fall. Staff Photo

Mother organizes drug and alcohol free party

An effort to provide teenagers with an alternative to an after-prom "beer bust" has been spearheaded by one Floydada mother, Jan Rubio, who has organized "Project Prom Night."

"My son came to me last year and told me that he wished there was some kind of party to go to after the prom that wasn't just a 'beer bust,'" said Rubio. "I promised him then that I would do something for him this year." It's a promise Rubio, with the help of some other concerned parents, has kept.

"Project Prom Night" will begin at 12:30 a.m., after the Floydada Junior-Senior Prom and is open and free of charge to any Floydada junior or senior.

"Music To The Maxx" will spin records until 4:30 a.m., but according to Rubio the party will last until there is nobody left.

The party will be held at Della Plains Gymnasium and refreshments will be served.

"There will be other things to do besides dancing," said Rubio. "We will have games including ping-pong and

Floydada man found guilty, given two 99-year sentences

A Floyd County Jury returned a verdict of guilty on two counts of Injury to a Child, against Henry Fuentes, 33, of Floydada, on Wednesday April 14. The jury then followed up the verdict with two 99 year sentences.

The verdict followed two days of testimony including physicians who testified that child abuse and neglect occurred before the October 10 death of 5 week old Latoya Cappuchino.

Fuentes wife, Eloisa, has also been charged with injury to a child but her case has not gone to trial.

Dr. Waagner, a pediatric infection disease specialist, testified that Latoya had possible flea bites on her body and rodent bites on her hands and feet.

Other medical experts testified that at the time of her death she had a broken arm and a broken leg.

"The broken arm was a spiral break caused by twisting the arm," said Dis-

trict Attorney Becky McPherson. "The break on her leg, which was in the joint area between her ankle and foot, were caused by an intentional impact force."

"She was not mobile. She was only 39 days old. She couldn't have broken those bones herself."

According to McPherson, the doctors testified that Latoya died from sepsis, which is an internal infection. This infection caused severe diarrhea and possible vomiting. Left untreated these symptoms produced severe dehydration.

Dr. Waagner testified that Latoya had to have been very sick from 36 to 72 hours before she was brought in. "She was emaciated from dehydration."

Fuentes and his wife brought Latoya, who was not breathing, to the Floyd County Sheriff's office on Oct. 7. She was taken by ambulance to Lockney.

Dr. Gary Mangold, of Lockney, testified that Latoya was close to death from severe breathing problems, a low heart rate and kidney failure.

The child was transported to the intensive care unit at Methodist Hospital.

She never regained consciousness and was declared dead on Oct. 10.

"We don't know what caused the sepsis," said McPherson. "But the symptoms of the sepsis, left untreated, caused her death."

Dr. Viswanathan, director of pediatric intensive care unit at Methodist Hospital, testified that he believed the fractures indicated child abuse and the other medical problems indicated neglect of the infant.

"One charge of injury to a child was due to the bone breakage," said McPherson. "The other count was for failure to get medical attention for the diarrhea."

Henry and Eloisa Fuentes had assumed custody of the infant, September 2, a day after Henry Fuentes 16 year old cousin had given birth to the girl in University Medical Center.

Neither Fuentes or his wife testified during the trial, however grand jury testimony by the Fuentes was read to the jury.

The two 99 year sentences will run concurrently. Fuentes was also fined \$10,000 on each count.

Chemical containers not allowed in dumpsters

"It is against the law for anyone to dispose of chemical containers in city dumpsters," according to Floydada City Manager Gary Brown. This law applies to farmers, chemical stores, homeowners or anyone else who has a need to dispose of a chemical container.

Brown added, "Chemical containers may be brought to the Floydada Landfill for disposal, if they have been triple rinsed and have holes in them, which make them unusable for holding another chemical."

"Anyone caught putting chemical containers in a dumpster will be fined on," said Brown. "Everyone's cooperation will be appreciated."

2nd Annual Amateur Night to feature Floyd County talent

The Floydada Women's Chamber of Commerce is sponsoring the 2nd annual Floyd County Amateur Night, April 30 at Floydada High School. The evening is guaranteed to be enjoyable with plenty of family entertainment.

Several groups have already signed up for a singing performances including a group of kindergarten children and a group of 1st through 3rd graders. Also, the Lockney Athena Study Club and Floydada 4-H will each perform a skit.

Several individuals have also signed up for songs.

Participation is still being encouraged and all kinds of talent will be accepted. Only the first 30 paid entries will be accepted. Entry fees are \$3.00 for a single and \$5.00 for a group.

The entry forms may be picked up at the Floydada Chamber office of the Floydada High School. The time limit for your presentation is 4 minutes. A rehearsal will be held, Thursday, April 29 at 7:00 p.m. Door admission to the event will be \$1.00.

For more information contact chairperson Kelli Williams at 983-5699.

Micheal Gilliland competing in International Science Fair

Micheal Gilliland, a senior at Floydada High School competed Saturday, April 17, in the 37th Annual South Plains Regional Science and Engineering Fair in Lubbock. His project was Chlorhydra viridissima - Opposing Effects of Acid Rain on This Symbiotic Organism.

Gilliland was awarded first place in the High School Biological Sciences Division. Also, he received the American Society for Microbiology Commendation, The United States Army Award of Achievement, The National Association of Biology Teachers Award, The Texas Tech College of Agricultural Sciences High Individual Award and Scholarship, and the Texas Tech University College of Arts and Sciences Scholarship.

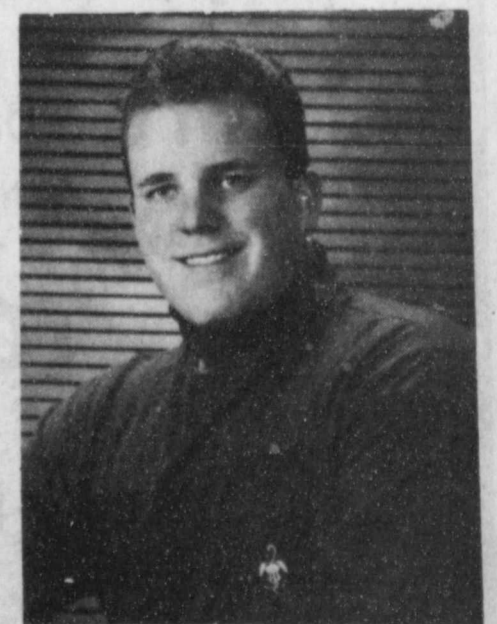

More than 396 students from 64 school districts in 21 counties participated in the 37th annual event at the Municipal Coliseum. The event showcased projects from students in grades 4 through 12.

In addition to the all-expense-paid trip to the international competition, received a \$500 agricultural science

scholarship and a \$500 college of arts and sciences scholarship to Tech.

Gilliland and his instructor, Mrs. Teresa Hollums will attend the International Science Fair competition in Mississippi in May.

Gilliland is the son of Bob and Barbara Gilliland.

MICHEAL GILLILAND

BY THE WAY!

BY
ALICE
GILROY

Is anybody else getting sick and tired of our national news programs hammering away at "Gays in the Military" and the discrimination against them.

I've lost track of how many shows such as "20-20" and "Prime Time" have been telling us how awful the military is and how they should be more open-minded. It is obviously an effort to re-adjust the way of thinking of the majority of the American people.

We are finally supposed to give up and say—"There must be something to this. We must be narrow minded and prejudiced. We are supposed to think of homosexuals and their "minority rights" in the same way as we think about the minority rights of Blacks and Mexican Americans.

The national media is going to have to get on the ball to show us how "everybody is doing it", so we will support President Clinton when he issues his executive order on the ban of gays in the military.

According to an AP story in the Lubbock AJ on April 17, gay and lesbian activists met with Pres. Clinton in the Oval Office. The participants said the president still plans to issue an executive order by July 15 on the ban on gays in the military. According to the story, Clinton expressed confidence that the ban would be overturned.

Tom Stoddard, executive director of the Campaign For Military Service, an ad-hoc group working to overturn the ban on gays in the military, said, "This meeting symbolized the entry of lesbian and gay people into the mainstream of American life, and it is the president of the United States who, through his moral leadership, permitted that to happen."

That's right folks—you read it right. He said "MORAL LEADERSHIP!" Oh yeah—one other thing. In the

same story they quoted Torie Osborne, executive director of the National Gay and Lesbian Task Force, as saying of their joint meeting with Clinton—"We laughed. We all laughed...that this is indeed the Gay Nineties, and this is the decade when gays and lesbians come home."

Meanwhile all the support the homosexuals are getting in Washington has thrilled the gay community so much they are planning a march on the nation's capitol on Sunday.

The organizers say it will be the largest ever with one million people marching (we'll see).

They are going to start their celebration on Tuesday with events ranging from lobbying Congress and presenting the toll of AIDS to a leather-fetish party, mass gay weddings and a drag-queen show.

There are supposed to be almost 300 events planned around the march. Workshops will teach how to use Bible passages to support homosexuality and about 1,500 same-sex couples are expected for a mass wedding ceremony Saturday (I wonder which Bible passage they'll use for that one?)

An April 20 AP story said, "Organizers acknowledge some behavior at the events may not play well with the general public" (especially since we are supposed to be convinced how Biblical and normal this is), but they said "they refuse to suppress people for the sake of politics."

And we all know how the gay rights activist hate to play politics! The one true part of that statement was how they hate to suppress people.

I take that back—they only hate to suppress you if you are a homosexual who believes the way the activist do!

THE VILLAGE PREACHER

by Ed Hull

THE BASIS OF FAITH

The glorious Christian faith, which is the one faith spoken of in Eph. 4:5, was delivered to mankind through Jesus, the only begotten Son of God. This is a holy faith delivered to a sinful people to teach them and lead them to live holy lives and to worship the Holy God.

Many times when you enter into a discussion about God, the hypothetical comes up. For example: "What if a person was going to someone's house to hear about Jesus and study God's Word so that they could become a Christian but died on the way - what happens to their soul? Or to the Christian who sins just before dying?" These and many others like them are the "What ifs" and, amazingly, God's Word answers them all.

But here is a "what if" I would like to pose: What if the only religious instruction you ever received was THE BIBLE - "And by this we know that we have come to know Him, if we keep His commandments." (I John 2:3) - no outside influences from family, friends, religious instructors, manuals, doctrines of men, etc.

Now consider I John 2:4,5: "The one who says, "I have come to know Him," and does not keep His commandments, is a liar, and the truth is not in him; but whoever keeps His word, in him the love of God has truly been perfected. By this we know that we are in him: the one who says he abides in Him ought himself to walk in the same manner as He walked." I John 2:3-5

Lighthouse annual meeting slated April 29

The 54th Annual Membership Meeting of Lighthouse Electric Cooperative, Inc. will be held at the cooperative headquarters building on East Highway 70 in Floydada on Thursday, April 29.

Activities get underway at 2:30 p.m. Thursday afternoon with the 5th annual member health fair to be held in the Gerald Lackey Community Room of the headquarters building. The health fair is slated to run from 2:30 until 5:30 p.m.

This year's fair will feature health screening by professional volunteers, and will include such services as blood pressure check, diabetes screening, pulmonary function check, nutrition counseling, stress management, cholesterol screening, glaucoma testing, hearing tests, and informational booths manned by volunteers from the American Heart

Association, American Cancer Society, and Lone Tree Recovery Center.

Registration for the business meeting begins at 4:30 p.m., and the evening meal of barbecue, fish, and chicken catered by Danny's Fins & Hens of Lubbock will begin at 6:00 p.m. Entertainment for this year's meeting will be provided by The 3M Company of Motley County.

The business portion of the meeting will be called to order at 7:00 p.m. by Cooperative President Louis Lloyd. Business to be transacted by the membership includes the election of three directors to serve three year terms on the board.

Nominees for director from District 1, which is comprised of that area of Crosby County east of Texas Highway 207 and a portion of western Dickens

County, are incumbent J.W. Jackson and Donald Clyde Ellison, both of Crosbyton.

Nominees from District 3, which is the area of Floyd County north of U.S. Highway 70 and east of FM 378, and bounded on the east generally by the caprock, plus that area of Briscoe County south and east of Silverton, bounded on the east by the caprock, are Bud Taylor and incumbent Don Bean, both of Floydada.

At the Hall County district membership meeting in Memphis, Texas, on March 25, incumbent Ronald Mullin of Turkey was elected as the director nominee for District 4, which includes the northeast corner of Floyd County below the caprock and north of FM 97, the northwest corner of Motley County bounded by FM 97, the northwest corner of Motley County bounded by FM 97 and Texas 70, southeast Briscoe County below the caprock, and south-

western Hall County.

Entertainment for the youngsters attending the meeting will be a performance by a magician, "Magic by Russell". Door prizes will be given away throughout the meeting, with the grand prize drawing for \$500 cash or credit on electric bill slated at the end of the meeting.

The Lighthouse annual meeting has traditionally been planned and hosted by a Member Services Committee appointed by the board of directors. Members of the planning committee for this year's meeting are: District 1, Mr. and Mrs. Barry McGaughy of McAdoo; District 2, Mr. and Mrs. Kevin Nelson of Floydada; District 3, Mr. and Mrs. Joey Davis of South Plains; District 4, Mr. and Mrs. Mark Allen of Quitaque; District 5, Mr. and Mrs. Steve Johnson of Providence; District 6, Mr. and Mrs. Chad Byrd of Petersburg, and District 7, Mr. and Mrs. Stephen Becker of Floydada.

This Week

FHS CLASS OF '73

The Floydada High School Class of 1973 is looking for the addresses of the following classmates: Patrice Barnes, Stan Covington, Eugene Cuellar, Linda Beaver Dobrowski, Thomas Green, Erick Jones, Danny Martin, Kathy Lake Westbrook, David Whitley, Jackie Elliot, Lanell McCandless, Shirley Newton, Karen Nickel, Pam Patterson, Verlyn Ratzlaff, Donald Stofel, Guy Townsend, Johnny Walker, Danny Wheeler, James Winter, David Ware. Anyone with information regarding these addresses should call Lisa Mosley at 652-2569.

ELECTION BOXES

READY FOR PICK-UP
Election boxes are now ready for county election officials to pick up in Margaret Collier's office at the county courthouse in Floydada.

SOUP LABELS

Duncan PTA is participating in Campbell's Summer Soup Label Collection. Certain labels are worth 2 for 1 if collected by Sept. 30. For a list of these and all other collectible labels, see the PTA's box at Pay-n-Save in Floydada.

LITTLE LEAGUE PARENTS

There will be a meeting at the baseball park Thursday at 6:30 p.m. for all parents who have children enrolled in Floydada's summer baseball program.

BAND BOOSTERS

Floydada Band Boosters will meet at 7:30 p.m. Thursday in the FHS band hall. All parents of junior high and high school band students need to be present.

DIABETES CLASSES

Diabetes class will meet at 7 p.m. Thursday, April 22, in the lobby area of W.J. Mangold Memorial Hospital, Lockney. Classes are free and meet the 4th Thursday of each month. For more information, contact Helen Teeple, R.N., 983-3801.

in the United States. "The United States will have to do something about its crime rate and drug problem before considering socialized medicine. These problems are costing too much money. "The crime rate is much higher here than in Canada and the teenage pregnancy problem is costing billions of dollars. While I was in Ballinger, 3/4 of my obstetric patients were teenagers. It is not like that in Canada.

"I don't know how to solve these problems, but I know that socialized medicine would not work with these problems in the United States."

Dr. Albert's wife and their 12-year-old daughter Chantale will be moving to Lubbock at the end of May. Albert will commute from Lubbock while his wife pursues a degree as a French Pastry Chef.

"She hopes to open a shop in Lubbock," said Albert. "She specializes in chocolate and she is very artistic in her designs."

The Albert's will also keep their home in Ballinger with their 50 acres of vineyards. "I grow wine," laughed Dr. Albert. "I enjoy working in the vineyard."

In an effort to build up a patient load in Floydada for future doctors, St. Mary's Hospital has agreed to allow Dr. Albert to work at Floydada's Cogdell Clinic.

Albert's office hours will be Monday-Friday, 8:00 a.m.-5:00 p.m.

Court considers building purchase

By Juanita Stepp
Floyd County Commissioners agreed on Monday, April 19, to consider the proposed purchase of a separate building by the Floyd County Central Appraisal District. Hardin, who serves as a board member for the Appraisal District, cited a lack of space in the courthouse as the major need to find alternate quarters for the district.

He told the court that the proposed purchase has not been finalized saying, "The district is looking at several buildings at this time. Nothing is definite, but a working estimate of the cost is around \$50,000.00 for the purchase and renovation of a building."

Hardin also told the court that the Appraisal District would be purchasing a new computer which they have funds to pay for. The funds, according to Hardin, are in reserve and were accumulated through budget surplus until about three years ago. "At that time," said Hardin, "the district had to begin returning the budget surplus to the taxing entities that fund the operation on a percentage basis calculated from the percent of the levy collected by each entity."

The reserve funds, invested in certificates of deposit, have now grown to about \$89,000.00. The estimated first year cost of the proposed new computer would be \$87,417.00 stated Hardin. Over a five year period, the cost of the new computer, the maintenance contract and the programming updates necessary to meet state requirements, would total approximately \$114,869.00.

Commissioners agreed to consider the purchase, but specified that the dis-

trict should return to the commissioners with more complete details and actual costs prior to making the purchase. The officials cited a wish to know exactly the costs and obligation the purchase would place on the county before agreeing to the purchase of a building.

Motion for the action was made by Precinct 4 Commissioner Howard Bishop. County Judge Bill Hardin seconded the motion and the vote was unanimous with Bishop, Hardin, Precinct 2 Commissioner Floyd Jackson and Precinct 3 Commissioner George Taylor all voting in favor. Precinct 1 Commissioner Connie Bearden was not present at the meeting.

FARM WORK CONTRACTS

Four farm work contracts were approved by the court at the Monday special session. They included: Scott Faulkenberry at a Precinct 3 location 2 1/2 miles south and 1 mile west of Cedar

Hill Elevator, Conservation water works for livestock; Nance Farms by J. D. Nance in Precinct 2 at a location 2 1/2 miles north of Lone Star School to clean up old improvements and put in cultivation; Martha Taylor in Precinct 3 for a fire guard and feed road at a site 1 1/2 miles west of Cedar Hill Elevator; and Eugene Beedy for a conservation feed road 3 1/2 miles north and 2 miles east of Cedar Hill Elevator in Precinct 3.

Motion to approve the farm contracts was made by Jackson and seconded by Taylor. The vote was unanimously in favor.

The only other item on the agenda for the called session was the reading of the minutes from previous meetings. The minutes were read by Judge Hardin and approved as presented by the court.

Another special session is scheduled for Thursday, April 22, for the purpose of discussing the hiring of a lawyer to defend the county against a lawsuit which has been filed by a jail inmate.

JASON PYLE

MICHAEL HENDERSON

JAMMIE DAVIS

The Best That We Can Be In '93

By Criselda Valdez

The first FHS senior in our spotlight this week is Jammie Davis, son of Mr. and Mrs. Jerry Cannon. He has attended FHS for 7-1/2 years and has been very involved in sports all this time. This year he has played football, tennis and basketball and he's been on the track team.

Jammie doesn't have much spare time since he works for the school, but when he does he is usually listening to Michael Jackson, the person he would most like to meet. The person he admires the most is Sheree Cannon. His favorite subject in school is art. He attends First Baptist Church.

Jammie's plans in the future are to attend Ranger Junior College where he has received a football scholarship. Other than football he is not sure what he will major in. Good luck, Jammie!

Our next senior, Jason Pyle, has been very active in sports and all school activities during his 12 years in Floydada schools. He is the son of Robert and Paula Pyle and has one sister, Amber, who is a sophomore in FHS.

Besides being on the football and track teams, Jason is active in FFA with show animals and is in the Fellowship of

Christian Athletes. He was chosen Student of the Month his junior year and has served in the Student Council. After school and in the summers he works on the farm with his dad.

Some of Jason's favorites are the TV show "Coach" and the movie "Die Hard." His favorite subject in school is Government. In his spare time he enjoys sports, as well as his horses and dog.

Jason plans to attend South Plains College and eventually get married and settle down on the farm. Best to you, Jason!

Next is Michael Henderson, son of Mr. and Mrs. Bill Weir. His younger brother, Thomas, is a junior in F.H.S.

Michael has attended Floydada schools all 12 years. While in high school he has been in football, track, basketball, and baseball. He has received many sports honors including All District Running Back and MVP in basketball. He is also in Fellowship of Christian Athletes. He plans to attend college and become a coach. Last summer he worked for the school system and now he is working after school at Pay-n-Save.

Michael's favorite class in school is math. He collects sports cards and enjoys listening to music, watching TV, and wearing black.

We hope to hear good things about these three seniors in the future.

FHA-HERO delegates to attend state youth leadership convention in Houston

Three Floydada High School students who qualified to attend the State Future Homemakers of America meeting in Houston April 16 and 17 were Sandra Coleman, president of the Bluebonnet FHA-HERO chapter; Maria Reyes, historian of the Sunshiners chapter, and Laura Ochoa, treasurer of the Red Rose Chapter. They stayed with their advisor, Mrs. Joyce Williams, at the convention headquarters, the Hyatt-Regency Hotel

in downtown Houston.

The general assemblies and group interest meetings were held in the George R. Brown Convention Center. Sandra Coleman was the voting delegate at the Friday assembly.

The students chose from 22 workshops. The Floydada delegates attended

the study session on "Gangs: Why The Violence?", and "Running For Office."

All were treated to an outdoor barbecue near the convention center Saturday noon. The students were very appreciative of the opportunity to attend the convention in Houston and interact with delegates from all over Texas.

Through years of financial struggle and numerous other problems encountered in keeping our hospital functional there has been one dedicated individual who has stood strong against the odds. His compassion, integrity and loyalty have earned him the respect of all who know him.

Hubert Frizzell has given years of service to our hospital and community. He, along with all the other current board members Claude Brown, Bill Sherman, Jerry Johnson, and Ronnie Hardin, has formed an invaluable team that is second to none. They have spent countless hours providing guidance and foresight to mold our hospital into the fine facility it is today.

Please help keep W.J. Mangold Memorial Hospital strong and healthy by voting for Hubert Frizzell and our other current board members, Jerry Johnson and Ronnie Hardin.

**The Future of Our Hospital
 Sincerely Depends on Your Vote.**

Whirlwinds open district baseball action

By Bill Gray
MULESHOE 14, FLOYDADA 3

The Muleshoe Mules scored seven runs in the top of the fourth inning to spoil Floydada's district baseball opener with a decisive 14-3 victory over the Whirlwinds at Watson Field on April 13. The Mules opened the game with a three-run first inning. The 'Winds countered with three runs of their own in the bottom of the first, but for all intents and purposes that was all the offensive threat Floydada could manage the remainder of the game.

Muleshoe played error-free ball, and limited Floydada to only one base hit (a single hit by Michael Mercado) in the five-inning contest. Floydada's defense had one of its worst outings of the year as the 'Winds committed eight errors and gave up 11 earned runs.

Floydada coach Jimmy Webster

summed up the game by saying, "It wasn't a very good game for us... not a good game at all! We just let them (Muleshoe) do what ever they wanted to do. It was really a lesson in humility."

at the plate in the top of the seventh inning. The 'Winds jumped out to a 4-0 start in the first inning and scored three more in the third in their 7-hit attack. Four Whirlwind errors played a big part in the final outcome, although the Hornets also had four miscues.

Floydada started the game with three straight singles, followed by two Tulia errors. Following a double play, David McCarty lashed a triple and the 'Winds scored four first-inning runs. The Whirlwind pitching faltered and allowed the Hornets six runs in the first two innings. It could have been worse, except Bobby Luna made a 2-out diving catch in left field with the bases full of Hornets.

Ken Cummings had his finest game at the plate, and Eric Luna had a big 2-out, 2-RBI single. McCarty also had one of his better days offensively.

According to Coach Webster, "We had our chances to win with Ralph (DeOchoa) at the plate in the top of the 7th, representing the tying run, but we just couldn't get it done. We're still so young in spots, although I refuse for that to be used as an excuse. We've got to eliminate our mental errors if we ever plan on being a team that can compete on a regular basis."

The coach added, "Today we came out aggressively and did some good things. We just couldn't ever get a big enough lead to hold them... plus, they hit the ball extremely well. We started

the game better than any this year... I think Coach Burleson had a lot to do with that by getting our guys going today. If we keep playing like we did today, we could make it interesting on down in the district race."

With the defeat, Floydada's record now stands 6-11 (0-2 in district). The 'Winds will host Friona at Watson Field on April 20, and Dimmitt will be in town for a 1:00 p.m. date on Saturday, April 24.

LADY 'WINDS EARN DISTRICT TITLE -- Members of the Lady 'Winds track squad congratulate each other after learning they had earned the overall district title at the district meet in Dimmitt last Saturday.

Photo Courtesy of Jim Reynolds, Tulia Herald

Lady 'Winds take District 2-3A title

By Bill Gray

Floydada's Lady 'Winds and the Tulia Hornet boys captured team titles on April 16 and 17 at the District 2-3A track meet at Dimmitt. First and second place finishers in individual events and team relays advance to the Region I-3A meet to be held in Odessa on April 30 and May 1.

Floydada won the girls' championship with 129 points, followed by Friona at 121, Muleshoe at 118, Tulia at 86-1/3, Littlefield at 62, and Dimmitt at 60-2/3.

The Lady 'Winds won four events on Saturday, including the 400 and 1600 relays, and had strong individual performances from Pepper Hinkle and Tian Younger with first-place finishes in the high jump and 800-meter run, respectively.

Elisa Suarez, Maribel Cervera, Dana McCandless and Kayla Turner carried the green and white colors for 51.90 timing for victory in the 400-meter relay as they edged Tulia's time of 52.32. Suarez and McCandless were joined by Maria Oviedo and anchor Tian Younger for the winning 1600 relay team, which clocked 4:08.35 to Tulia's second-place 4:10.56. The 800 relay team of Cervera, McCandless, Lacy Golightly, and Kayla Turner finished third behind Tulia and Littlefield with a time of 1:54.27.

Pepper Hinkle won the high jump with her first successful attempt at 5'-0". Friona's Cindy Reeb matched that mark, but it was on her second attempt, and Hinkle was declared winner of the event. Younger was victorious in the half-mile (800 meters) with a 2:22.28 timing, and qualified for the regional meet for the third consecutive year with a second-place finish in 300 hurdles. Friona's Mindy Milner won the event in 47.18.

Dimmitt's Kim Thomas edged Floydada's Elisa Suarez by only .07 of a second to take top honors in the 400-meter run. Suarez missed a regional berth by only three inches in long jump as she finished third with a distance of 15'-6", but qualified for region with a second-place finish in triple jump with a distance of 34'-5 1/4".

Other Lady 'Wind third-place finishers were Maribel Cervera (13.57 in the 100 meters), Kayla Turner (27.24 in the 200 meters), and Missy Pernell (5:48.30 in the metric mile). Although these ladies failed to qualify for the region meet in those events, their third-place efforts gave Floydada the added depth in total points toward the overall team title.

Lady 'Winds' coach Deanna Logan praised the team's performance and commented, "We did very well with a small number of people. I've never seen the kids more excited over anything... I think we'll be very competitive at region in two weeks."

The Tulia Hornets, led by outstanding individual performances from Cory Sanders, John Brookins, Rusty Crosby, their distance runners and relay teams, defended their District 2-3A boys' track championship with a team output of 202 total points. Friona finished a distant second with 100 points, followed by Floydada at 94 points, Muleshoe at 87, Littlefield at 53, and Dimmitt at 38.

Four Whirlwinds - Michael Henderson, Jason Pyle, Adam Gonzales and Scott Crader contributed the majority of Floydada's total team points.

As expected, Gonzales and Crader continued their season-long march to regional, and possible state berths, in shot put and discus. Adam won the district shot put title with a toss of 54'-11 3/4". Scott was a close second with a 52'-4 3/4" mark.

Crader again reversed the finish by taking first in discus with a 61'-9" measurement. Gonzales was runner-up with a 153'-10" toss. Both advance to Odessa for regionals, giving the Whirlwinds a rare opportunity to send entries in both

events to the state track meet.

Michael Henderson drew tickets for the regional meet by placing second in three events, and missed by less than five inches of qualifying for a fourth. Henderson accomplished all of this following knee surgery less than three weeks ago. Michael finished third in long jump behind the talented duo of Cory Sanders and Cash Love of Tulia, but gained a close second in triple jump at 45'-1 1/4" to Sanders' 45'-2". Love placed third in triple jump at 43'-8 3/4".

Henderson closed fast in the 100 meters to run second at 10.98 behind Sanders' 10.87. John Brookins finished third in the event at 11.06, but won the gold in 200 meters at 22.26. Henderson ran second in the 200 at 22.49 to complete his team and individual scoring.

Jason Pyle gave the Whirlwinds two other region-qualifying spots as he placed second in pole vault with a 13'-0" effort, and ran second in the 100 hurdles with a time of 14.89.

Coach David Carr was very happy with the results, especially considering the small number on the track squad. The coach commented, "With a little bit of luck, we would have qualified at least one of our relay teams. We were right there in the mile (1600 relay), but dropped the stick. The kids gave their all... and I'm proud of them."

Coach Carr was also pleased with the results of the junior varsity performers,

who placed third in team standings in that division, and was composed totally of freshmen.

Demencio Lopez and Jesse Sanchez finished second and third in the 1600 and 3200, respectively, and the mile relay team finished in fourth place. Rance Barnett ran sixth in the 200 meters and placed fourth in high jump, and Neal Nelson copped a fourth place in pole vault.

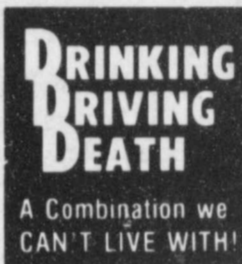

Anthony Emert placed third in shot put and sixth in discus in the junior varsity division. Frankie Maldonado finished fourth and Joe Ysasaga placed second in the 800 meters.

Coach Carr stated, "We've got some good, young kids coming up who are going to be very competitive. They all had a good outing at Dimmitt, and the experience will certainly help them out for the next several years."

TULIA 10, FLOYDADA 8

Floydada traveled to Tulia on April 17 for the first district baseball meeting between the Whirlwinds and Hornets in recent years. The first-year Hornets came from behind to edge Floydada in the 7-inning contest. Although it was the second consecutive District 2-3A loss, the Whirlwinds played one of their better games of the season.

It was a game that could have gone either way as Floydada had the tying run

Letters To The Editor

Dear Editor,

I would like to take this opportunity to thank everyone who so graciously helped in some way with the recent agricultural tour by the International Cotton School from Texas Tech. All of the participants were both pleased and overwhelmed by the kindness, helpfulness, and hospitality of the friendly Floydada folks.

This tour was just one of the examples of how tourism can be successfully promoted in Floyd County and how the benefits from the positive media publicity can encourage our own residents to realize that we have a great deal to offer to people.

This group of people was tremendously diverse and yet all had one thing in common: an interest in agriculture, specifically cotton. The tour did not just center on cotton, however, and it became evident very quickly that there was a great interest among the visitors in other agricultural pursuits. It also became quickly evident that the entire group was glad for the opportunity to get out of the "city" and into the fresh air and sunshine and friendly, hard working people who were willing to share their time, knowledge, and ideas about current and future trends in farming and ranching on the South Plains.

Two Lubbock stations gave us coverage, KAMC and KCBD, and KFYO dedicated their noon agriculture program as well. Not only is this good for the image of Floydada as other towns may see us, but it helps to develop a stronger sense of community pride among the locals, too. This pride is the key factor to counting our blessings, seeing our county as we can be in the future if we all try to focus on developing our resources and using creative logic to determine our possibilities. This positive media could also be just the thing to encourage some small business or manufacturing company to decide to locate here some day, or some family looking for a productive small town to move.

A sincere thank you to all the busi-

nesses who contributed to the gift bags for our visitors; the Chamber of Commerce, Tammy Leeson, and Larry Ogden for getting the gift bags together, donating T-shirts, and welcoming the visitors; the City of Floydada and Gary

Brown for the pins, ideas, and radio contacts; Charlene Brown for her time and skill in baking the gift breads; Vickie Norrell for representing the Women's Chamber; Britnee Brotherton, our reigning Tiny Miss Floydada for being on hand to welcome our guests; Roxanna Cummings and Evelyn Branch for sharing the Lamplighter and serving our guests; Eddie Smith, Hulon Carthel, Chuck Holmes, and Buddy and Barbara Hendricks for sharing your specific areas of knowledge, your equipment, and your presentations on behalf of Floyd County agriculture; Circle Dot Ranch (Joe and Virginia Taylor and their family helpers and cowboys) for the wonderful meal, beautiful scenery and entertainment; Alice and the Hesperian-Beacon coverage; and Stephen Becker, his staff at A.I.M. and the Texas Tech 8th International Cotton School for giving the Tourism Development group an opportunity to prove that Floydada can be entertaining, gracious, and remarkably interesting to people from all over the world.

Anyone in our county who is interested in getting involved in the efforts to develop tourism, who has some interesting or unique entertainment available, or who has a group of people coming into our county and would like ideas for their entertainment may contact Larry Ogden, Roxanna Cummings, Gary Brown, Virginia Taylor or Anne Carthel.

Sincerely,
Anne Carthel

Dear Editor,

This has been a long time coming! And since this is one of my good weeks - I felt it best to get this wrote.

As you know I came down with liver and lung cancer a year ago. I've been on chemo treatments since, and it has rid-

me of the lung cancer. The chemo quit working when I moved to Canyon. The spots on my liver had increased in size from a shirt button to the size of a quarter (there are four spots). My doctor put me on stronger medicine for the past 6 weeks, which, I went in for every other day. This has totally made me sick and weak.

I got x-rays Monday, April 12, and the spots have still increased to 30% larger - "what can I say"!

I just wanted to let you in Floydada know this and wanted you to know that I have been so grateful to my friends there, who have stayed by my side through this ordeal.

Kathy Ferguson has come up to Canyon so many times to be with me and hold my hand, it has helped so very much. Roland and Charla Adams have stopped by to visit me. Connie and Jennifer Bramlett came the other day - so we had an outing (shopping) that is. It was great. I still get cards from you all and do appreciate it. When I have good days, I'm like a "motor mouth", can't shut me up.

My folks and relatives are still helping me. My mom and sister take turns on my chemo week to drive me home.

I tried to get my oldest daughter, Talea to get a "hardship" license, in order to run store errands for me - but down here in Amarillo, I have to turn over my driver's license, in order for Talea to get hers. "No way." Oh well! I just have to cross my fingers that she doesn't get stopped.

I wanted yuns all to know, if I can, I'd like to attend Old Settlers Day, so hopefully, it will be one of my good days so I can be a motor mouth and visit yuns. I do appreciate you all who keep me in your prayers at church - maybe it will help again. (I'm not that far away - yet.)

Thank you,
Dianna Dillinger Owens
and family

Canyon, TX 79015
(806) 655-7820

Dear Editor,

I am totally honest when I say that my name being printed in the Hesperian for comments I made at the last school board meeting never crossed my mind. The reality of it all came a couple of days later when someone told me I would probably get boxed around a bit in the next issue. I thought maybe I should put my guard up a little. I hope I didn't make too many people in our community upset. I just want to mention a few things not stated and clarify a couple of others.

To clarify one thing, I will guarantee that the people who attended the meeting with me were a group of "concerned parents" and not a group of "vigilante parents". I appreciated their support and we need more of it. We need support from all parents with school age children in school. Our kids are the greatest investment we have as parents, church, school, and community. In order to ensure the success of our kids, it takes the support of us all.

I do hope to see the construction of a new gym and the moving of Wester Field in the near future. We should expedite both of these projects because each year we graduate a class of kids that will never have the opportunity to enjoy the facilities discussed. I believe a bond election is needed. Now don't get excited! Taxes for the amount don't go up forever to cover the bond. It is a one time thing to raise money for certain projects. As far as moving the stadium is concerned, 1974 was a long time ago. Are we going to let something that occurred almost 20 years ago make up our minds today? Think of it as a donation, which can be made for anything, athletics or not, and just cents on the dollar to improve or construct a facility that benefits the entire community.

It is not unique for a small community like Floydada to support athletics. Most all small towns rally behind their football, baseball, and basketball teams. Most of us look forward to these nights in their respective seasons. It's a common bond for communities like ours, so let's not watch the program deteriorate from lack of funds.

A new gym will give us the means to have tournaments and raise money. We could have A & B teams in our Jr. High level grades or 5th quarter games. Another gym would help accommodate the large interest which is evident with the new girls "PIP" program we have. And yes, many of us want to get a program started for the younger boys also. These sort of things will keep a lot more children wanting to compete and fewer

Letters To The Editor

Continued From Page 6
children quitting because they don't get enough playing time.

Athletics will always be a huge part of education in a small school system like Floydada. Reason being is that such a high percentage of students have to participate to field teams, and many of them multi-sport. Kids learn in athletics many things that will benefit them in most anything they ever choose to do in life. Such things are motivation, self discipline, teamwork, practice makes perfect, how to handle pressure, giving that little extra, and it ain't over till it's over, just to name a few.

We are a poor school district. Tax base is low compared to area and state. Talk about budget? 82% of the school budget goes to salaries. When Jr and Sr. High school students can spend as much as 30 to 50% of their daily lives in school and in school related activities, I can see where every dollar of those salaries is earned. We can see the remaining 18% doesn't go very far.

The bottom line is that many of the problems concerning our school system are Purely Financial.

Any person supporting these new facilities MUST let the school board members and others in our community know that you do support these much needed improvements. Are we really doing all we can do for the kids?

Sincerely,
Randy Beedy
Floydada, Texas

Dear Editor,

I would like to take this opportunity to present another view concerning how our school district spends its money. I too am concerned about my children's education, but I am more interested in seeing a wider diversity added to our curriculum than in adding to our athletic capabilities.

First, let me make it clear that I have no objections to moving the football stadium if it is more economically feasible. I think most of us were unaware of the extent of renovations required at the old field. I do have objections to spending so much of our money in only one area of our curriculum, i.e., extra coaches, a new gym.

Athletics serves only a small portion of our student body and, for the most part, the athlete's career is over when they graduate.

In the last few years, a large portion of money has gone to renovate the track, field house, weight room, baseball field and now the football field. Notice this is primarily boys athletics. This money is besides the annual portion of the school budget for coach's salaries which are above our local base for teachers, an equipment budget, travel budget, and not the least - substitute pay for all the days coaches have to miss. And, while the social and spectator benefits are immensely enjoyable, the revenue generated from these sports is a drop in the bucket.

I also agree that sports build character, but there's a down side too. For the talented few that may not have to warm the bench, life is great, but for many — they're just not good enough. And who hasn't heard a coach ridicule or humiliate a child? This can start in T-ball or Little Dribblers.

We spend money on seminars and retreats to build kids' confidence and yet this is acceptable behavior from a coach. There's also the spectator that gets out of control and ruins it for everybody. This is all part of that character we're building.

To conclude, I don't mean these points to sound anti-athletics; overall, sports are a positive force in our community. What I would like to see is more balance in our spending.

I've often wondered why we do not have a choir program in Jr. High and High School, and High School have its own art department. A Fine Arts annex might be a possibility if enough interest was shown. Music and art can be of community service all of a person's life.

Or, perhaps push for more advanced course in Science or Humanities. Play-ground equipment for the lower grades would be another thought - Andrews is especially bare.

Let's look at giving MORE students a chance to shine rather than just a few.

I do want to commend our school board for trying to do their best and be good stewards of our money. Thanks for your commitment.

Sincerely,
Judy Schacht

Dear Editor,

I always thought our city councilmen were elected city officials to make our city a better place to live and work. We are all supposed to be created equal. I try to get along and be courteous to everyone at work and in public. There are times when we all have to bite our tongue and smile.

Well! Let me set one councilman straight. He is one of the rudest persons I have ever met, and to do so in front of his children and other people. Instead of putting forth goodwill, this councilman puts out sour notes.

This is my second time to be intimidated by this person. I know this person wouldn't like for any of his female family members to be treated in this

fashion. I know some of you are wondering who. The who is Amado Morales. This letter is for only the councilman named above, and no reflection on other members.

Thank You,
Helen Griggs

Dear Editor:

Far too long, in most cases of child abuse and deaths, courts, judges, attorneys, and juries have been sending the message that "a crime against a child is NOT a crime"!

How justifying of the jury in Floydada to convict Henry Fuentes for torturing and killing a 5-week-old baby girl. I praise that jury of 7 women and 5 men, the judge, and District Attorney Becky McPherson for their stand for the children being protected against mean and sick people.

This Henry Fuentes will not suffer pain as he inflicted on this baby. Yet I think he should. His attorney, Gregg Hukill, argued for a lighter sentence due to his other children at home needing "a father figure". Deliver us from those who think this is a "father figure". He would take a chance on the other children being abused to win a sentence. So it seems he still believes a crime against children is not a crime. (Side by side of an article from Floydada in April 14 issue of the Lubbock Avalanche-Journal was an account of a San Antonio judge giving a proven child abuser probation — until his sentencing and his committing the same acts over and over during the time he was free to a 7-year-old girl).

I respectfully ask that District Attorney Becky McPherson appear personally at the Board of Pardons and Parole to protest Fuentes' being set free, if ever this child murder is up for probation or parole.

Sincerely,
J. King

Parents may preview graphic DWI accident film

The Lockney FHA Chapter is sponsoring a DWI Educational Video entitled "Accident in King County." The movie will be presented by the Department of Public Safety and a DPS Trooper will be on hand to talk to the students before and after the movie.

Because it is live footage of an actual accident involving four teenagers who were killed in a car accident after drinking and driving, much of the footage is graphic.

The movie will be shown on Friday, April 30. Any parent who would like to preview the movie before it is shown to the students can watch the movie at 8:30 a.m., April 30.

Any parent who does not want his or her child to attend the movie will need to notify Mr. Poole, the principal of Lockney High School. The student will then spend time in the Library during the movie.

LITTLE LONGHORNS—Named as Little Longhorns for the week of April 19-23 at Lockney Elementary School were (l-r, back row) Garrett Mathis, Amanda Thompson, Cristina Amador, Michelle Gross, Taurean McDonald, Brandon Prather; (l-r, third row) Angel Salazar, Crystal

Olivarez, Cecelia Reyes, Rebecca Rendon, Melanie Hugins; (l-r, second row) Mary Anguiano, Sabrina Martinez, Isaac Bernal, Victor Martinez, Leticia Guerrero; (l-r, front row) Nicole Vasquez, Jamie Ray, Jana Miller, and Zane Montandon. —Staff Photo

Lockney Longhorns roll over Morton Indians, 14-4

By David Norwood

The Lockney Longhorn baseball team opened district play by defeating the Morton Indians 14-4. The game was played April 8 at Longhorn field.

The Longhorns jumped ahead in the first inning by scoring 5 runs on 6 hits. Singles by Tanner Johnson and Andy Stapp started the scoring roll. An RBI double by Carlos Raissez and a RBI single by Jared Mosley provided the Longhorns with a 5-0 lead.

The Longhorns added 2 runs in the third, 4 in the fourth and completed the 10 run rule by scoring 3 runs in the bottom of the sixth.

The offensive fire power was provided by Jared Mosley, who was 3 for 3 with 5 runs batted in. Carlos Raissez also had a good night at the plate by going 2 for 3 with 2 RBI's. Leo Vargas pitched his fifth complete game of the year and improved his record to 5-1 for the season.

LOCKNEY DEFEATS HALE CENTER

Lockney improved to 2-0 in district play by defeating Hale Center 16 to 0. Back to back homeruns by Carlos Raissez and Andy Stapp gave the Longhorns a 5-0 lead after the first inning.

The Horns then exploded for 11 runs in the fourth inning. Lockney hit 5 doubles and 4 singles to blow the dust out 16-0.

Alfred Martinez improved his pitching record to 3-2 by allowing only 2 hits and striking out 11 Hale Center hitters.

ELS LAB STUDENTS—Emmanuel Ramirez (l) and Jessica Garza (not pictured) turned in Perfect Papers and Valentine Salazar (r) was named Lab Pal of the Week. The Lockney Elementary School students were recognized for the week of April 19-23. —Staff Photo

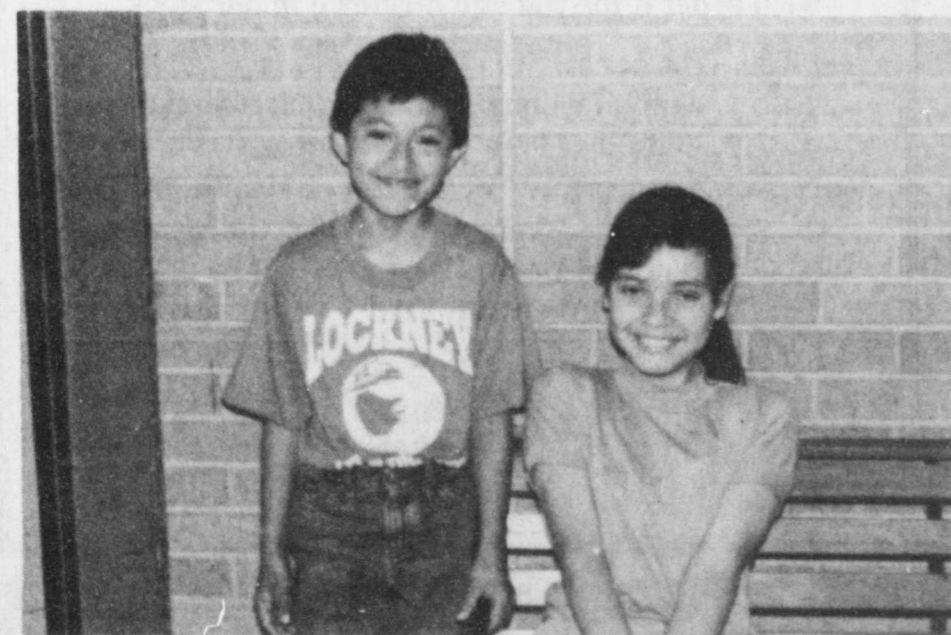

Cotham issues reading challenge to local students

Phil Cotham, principal at Lockney Elementary School, has challenged his students to read 5000 books in three weeks in recognition of National Library Week.

April 18-24 has been set aside as National Library Week to encourage the reading of books and the use of the library.

Librarians for the Lockney schools are Kay Williams at Lockney High School, Dovie Davis at Lockney Junior High and Joyce Marks at Lockney Elementary.

The Floyd County Branch Library, located on South Main Street, is open from 1:00 - 5:00 p.m. each afternoon and Doyleene Dipprey is the librarian.

ELS LAB STUDENTS NAMED—Three students were recognized from the Lockney Elementary School ELS Lab. Angie Blanco (l) was named Lab Pal of the Week. Melissa Martinez (center) and Lucia Ascencio (r) were named for their Perfect Papers. —Staff Photo

Parent Advisory Council dinner meeting scheduled

Chapter I Reading/ Math and Migrant

From Lockney ISD — PAC Committee
The Parent Advisory Council will be having their dinner meeting on Monday, April 26, at the Lockney Elementary Cafeterium. Meeting will start at 7:00 p.m.

All parents of students served in Chapter I Reading, Math or Migrant are cordially invited. End of our school year reports will be given by the Lockney ISD staff working in these federal programs.

A potluck supper will be served afterwards, and persons present will have a chance to win a door prize. Several door prizes will be given away to the lucky winners.

All parents are encouraged to be at this meeting, for your input and support are very important. Thanks — before-

hand for your involvement and support.

Junta del Concilio de Padres — Programas de Capitulo I Lectura/ Matematicas y Migrante

Escrito Por El Comito del Lockney ISD

El dia Lunes, Abril 26, a las 7:00 p.m. se llevara acabo una junta y cena para todos los padres de estudiantes que estan participando en los programas federales de Capitulo I Lectura/matematicas o Migrante. Esta junta y cena sera en la cafeteria de la escuela elemental de Lockney. Se invita a todos los padres ya que su presencia y apoyo son muy importantes.

Se dara un reporte por los encargados de estos programas, de lo que se ha logrado en este año escolar. Despues de los reportes se servira una cena para todos los presentes y tendran la oportunidad de ganarse un premio. Tendremos varios premios donados por los comerciantes locales.

Recuerden que les esperamos a todos, ya que los necesitamos a todos, ustedes los padres y la escuela comparten juntos en la educacion de los estudiantes. Su consejo y apoyo en la planacion, implementacion y evaluacion de nuestros programas federales es much muy importante. Muchas gracias - de antemano por sue involucrimiento y apoyo.

Lockney School This Week

LOCKNEY 4-H

The Lockney 4-H Club will meet Monday, April 26, at 7:00 p.m. in the Lockney Community Center. Members are reminded to bring paper items for the Ronald McDonald House.

Drag steer roping slated this weekend

Burleson Arena in Flomot will be hosting the 1993 Drag Steer Roping this weekend, April 23, 24 and 25.

The featured event of the weekend will be the Sunday afternoon matched roping between Guy Allen and Tee Woolman. The best time on five steers will determine the match winner.

Guy Allen from Vinita, Oklahoma, is returning for his fifth matching roping at Burleson Arena. Allen spared no time in launching his record setting pace as he won his first world title at age 19 in 1997. There have been a record tying six national finals steer roping average

titles, two in the last three years. Considering how many times he has re-written the steer roping record books, Allen finds himself moving ahead of his own accomplishments.

Tee Woolman, Llano, Texas, three time world champion team roper has qualified seven times for the National Steer Roping Finals competition. Woolman has competed for several years in the Sunday afternoon steer roping event at Burleson Arena but this will be his first matched roping at Burleson Arena.

CM Trailer, Madill, Okla., made the "bright red" two horse trailer to be given to the winner of the Sunday afternoon

"open" steer roping that begins at 1 p.m. with the introduction of ropers.

Senior ISRA members will be competing on Sunday morning at 9 a.m. These men love the sport and enjoy the competitive spirit of their fellow members.

Friday night, April 23, 6 p.m. starts the Bob Wills weekend "under the Cap" with three team ropings. High money winner of the night wins the "twister" saddle to be given away to team ropers. Carl Alford stock contractor, Hereford, will be handling this event.

Curt Robinson, Pendleton, Oregon, will be introducing the steer ropers on Saturday and Sunday. He joined PRCA in 1974 and has announced numerous rodeos across the country throughout his 19 year career. Known for his static mastery, and extensive knowledge of rodeo, as well as the cowboy, make the commentary interesting, factual and resourceful.

Saturday morning at 9 a.m., the Invitational Steer Ropers Association will begin their roping. Saturday afternoon following the ISRA will be a novice steer roping.

Smith Brothers of Denton will be furnishing the cattle for the steer roping events.

Wade Brannon, Silverton, has made bits to be given in the drawing for the price of the gate admission, winner must be present to win.

Lockney Lions Club will be at the concession stand, this year hamburgers and barbecue along with other items will be available.

SPARKY AND FRIENDS—Twenty-nine youth from Floyd County completed a 4-H Electric Project held at Lighthouse Electric and led by Randy Duke, Bill Hunter Brent Sanders and Danny Nixon. Participants included, bottom row: Wade Miller, Jeffrey Hunter, Kellen Wyrick, Randi Duke, Kayla Kopp, Nick Hadderton, Brad Yeary, Scott Nixon, Ryan Welborn; second row, Joey Snell,

Heath Stoerner, Tyler Bybee, Tyler Phillips, Brittany Aston, Zach Emert, Abby Sanders, Traci McQuhae, Katie Sanders, Danny Nixon; third row, Wesley Hunter, Dusty Duke, Jordan Chaparro, Stacey Lloyd, Charla Yeary, Laura Dean, Meredith Schacht, Mandi Yeary; top row, Brent Sanders, Bill Hunter, John Ford and Randy Duke. --Staff photo

HORSE PROJECT MEMBERS COMPETE AT DISTRICT—Members of the Silver Spurs 4-H Horse Project were involved in the South Plains District 4-H Horse Judging Contest on Saturday, April 3, at the Texas Tech Livestock Arena in Lubbock. Four halter and four performance classes were judged. Performance classes were chosen from Western Pleasure, Reining, Cutting, Showmanship, Hunter Under Saddle, Western Horsemanship and Western Riding. Those participating from Floyd County were: (l-r, top row) Kelsey Pierce, Amy Davis, Kyle Pierce, Wade Wiles; (l-r, bottom row) Kacie Young, Jurahee Jones and Tyler Phillips. Courtesy Photo

FLOYD COUNTY FARM NEWS

Floyd County Pest Management

By C. Mark Brown
Extension Agent-Entomology (PM)
Crosby/Floyd Counties

JOB POSITION CHANGE
After attending Texas Tech University, I began work with the Texas Agricultural Extension Service as the Extension

Agent-Pest Management for Crosby-Floyd Counties in May, 1986. Recently a new Extension position was created in Lubbock County, for which I applied. I have accepted this new position, and will begin work in Lubbock County on May 1. My major job responsibilities in Lubbock County will include: row crop and vegetable production, pest management, and water quality and conservation.

I have accepted this position change with mixed emotions. Although I am excited about new challenges and job experience opportunities, I regret leaving the Crosby-Floyd position. I consider it a blessing to have worked and lived in Crosby and Floyd Counties during the past seven years. The people in this area are shining examples of the reasons for which I feel pride in being able to work in the endeavors of Agriculture, and pride in being a native of West Texas. I appreciate the support and friendship extended to me, and will always feel a certain loyalty to Crosby and Floyd Counties.

MAILING LIST UPDATE AND ACREAGE ENROLLMENT

My supervisors are actively recruiting a replacement for me, and I am confident that he will receive the same welcome and support that I received upon my arrival.

Federal law requires us to annually update our newsletter mailing list. If you would like to receive/continue receiving the Crosby-Floyd Pest Management Newsletter during the 1993 growing season, we need to hear from you. Please return the enclosed mailing list card to us by May 22.

If you are interested in participating in the 1993 Crosby-Floyd Pest Management field scouting program, please complete the enclosed acreage sign-up card, and send it back to us at your earliest convenience. Please understand that this card only indicates your interest in participating, does not constitute an agreement by either party, and is dependent upon the starting date of the

new EA-PM.

CROP PROTECTION CHEMICAL UPDATE

Section 18 exemptions have been granted for the use of Lorsban on wheat to control Russian wheat aphids, and for the use of Ammo and Cymbush on onions for thrips control during 1993.

DowElanco has been actively pursuing a full Section 3 registration for Lorsban on wheat since the late 1980's, and it was finally approved on April 2, 1993. In 1993, anyone using Lorsban 4E on wheat must comply with supplemental labeling. For 1993, a new product will be registered for use on wheat. This product will be identical to Lorsban 4E in chemical composition but will have a different name (Lorsban 4E-SG, SG for Small Grains), be packaged in mini-bulk containers, and be labeled for wheat only. Per agreement with us EPA, this product will be a restricted use pesticide.

A 'stop sale' order has been issued by EPA for Probe herbicide. Probe has been used as a preemergence and early post-directed weed killer in cotton. It was essentially the only product labeled for preemergence weed control in the course textured soils of West Texas. At this time, no dealers or distributors are allowed to sell this herbicide.

Use of Zorial Rapid 80 in West Texas cotton has resulted in some label changes initiated by Sandoz Agro., Inc. The 1993 label allows only for preemergence applications. Also label restrictions have been changed on use rates. Consult the 1993 Zorial Rapid 80 label for additional information.

RUSSIAN WHEAT APHID

Sampling and Economic Thresholds for Russian Wheat Aphid. While walking across a field, randomly select 100 tillers. In order to prevent bias, select tillers without looking at them. Carefully examine each tiller and record the number infested. Consider any tiller with one or more Russian wheat aphids as infested.

Women's Softball getting organized

By D'Lyn Morris
The Lockney Women's Softball Association met Thursday night, April 13, to organize and discuss league play for the 1993 season. Eight teams were represented at the meeting, including three local teams.

The Lockney teams are Providence, Jenaro Zapata's team and the Phillip Luna-Oscar Martinez team. From Floydada, Chill Out, coached by Erminio Yannis and a team coached by Juan Eguia. Three teams from Plainview will participate including the Hawks, the Mavericks and Bad Company.

Two field clean-up days were scheduled. The first is on May 1 from 10:00 a.m. until noon. The second is on May 15 from 4:00 p.m. until 6:00 p.m. All players should plan to attend both clean-up sessions and help prepare the field for summer. Those participating should bring a rake, hoe, shovel, wheel barrow, gasoline weed eater or trash bags. All tools should be marked so that they can be easily identified.

A coach's meeting is planned for May 13 at 7:00 p.m. at Lockney Junior High Cafeteria. All league rules will be finalized and coaches will receive their rosters, copies of rules and USSSA rule book.

May 15 is the deadline for entering the league. The \$250 entry fee and 15 member roster must be received before game schedules are prepared.

Games will begin on Tuesday, June 1, and will be played at 7:00, 8:00 and 9:00 p.m. each Monday, Tuesday and Thursday.

Officers for 1993 include D'Lyn Morris, president, Toni Ibarra, vice-president and Julie Hancock, secretary-treasurer.

For more information contact D'Lyn Morris at 652-2270 or Julie Hancock at 652-2497.

PLAY CAST—Cast and crew members of Floydada High School's one-act play, "Flowers for Algernon" were (back, l-r) Therese Sims, Micheal Gilliland, Geert Smeekens, Scott Crader, Josh Thayer, Brandon Gilliland; (front, l-r) Shea Sanders, Brandi Ross, Alissa Wilson, Linda Dagley, Melissa Faulkenberry, Rhealene Brown, Tiana Younger, Joni Smith. Not pictured are director Lou Burleson and Jaynette Harrison. —Staff photo

Lockney Police Report

On April 9 Lockney police took a report of the burglary of a 1986 GMC pickup. The vehicle was burglarized late April 8 while parked on the north side of the Lockney Oil and Butane station. Two cassette tape cases containing approximately 60 cassette tapes were stolen. They were valued at \$400.00.

Lockney police questioned two suspects in the burglary and a juvenile suspect has been turned over to juvenile authorities. Charges are expected to be filed on a 17 year old adult. The stolen property has been recovered by police.

On Sunday, April 11 Lockney police stopped a vehicle for running a stop sign and failing to maintain a single lane. The driver, David Zavala, appeared to be intoxicated and was arrested for DWI. A passenger in the vehicle who appeared to be intoxicated was arrested for Public Intoxication. A third person in the vehicle was released.

On April 12 at 10:00 p.m. Lockney Police responded to a domestic violence call in the 600 block of SE 6th. The investigation showed that there was no physical assault therefore no charges were filed.

4-Her's celebrate National Volunteer Week with party

Floyd County 4-H will celebrate in style at a party in their honor during National Volunteer Week, April 18-24. The Adult Leader Appreciation Party will take place Thursday, April 22, at Lighthouse Electric in recognition of all the time volunteered to the success of the County 4-H program.

4-H, the largest youth organization in the world, boasts of over five million members. Volunteers are essential to the successful delivery of 4-H programs to youth. Last year alone, there were over 500,000 adult leaders working directly and indirectly with youth nation wide. The average 4-H volunteer donates 220 hours per year in preparing for club meetings and teaching youth.

4-H Adult Leaders are a group of dedicated individuals who are a very important part of Texas' 4-H program. They are invaluable in giving your 4-H'er the one-to-one attention he or she needs. A leader can be anyone who is interested in working with youth in a

specific project area or a group activity.

Floyd County leaders assist 4-H'ers in a variety of activities such as Stock Show concession stands, county wide 4-H dances, county camp, method demonstrations, judging contests, share-the-fun skits, record books, interstate exchange programs, summer library programs as well as specific projects areas such as horse, electric, swine, food and nutrition, consumer education, recreation, clothing and many others. No matter what area your interest or expertise is in there is a way you can help out in 4-H.

4-H is the youth phase of the Texas A&M University, and the Texas Agriculture Extension Service in cooperation with local, state and federal government designed to help youth from 9 to 19 years of age develop into self reliant, productive adults.

For more information on how you can become involved as a 4-H Adult Leader, contact the County Extension Office at 983-2806.

Courtroom Activities

In county court April 15, the April 6 Driving While License Suspended Charge against Alejandro Gonzales was dismissed.

Also dismissed was an April 6 charge of Driving While License Suspended Charge against Kenneth Caro.

April 16 Antonio and Dora Longoria were charged with Thwarting Compulsory School Attendance.

April 19 Jose Luis Rubio, 23, of Floyd

County, was charged with DWI. There was no disposition on this case.

Also on April 19, Larry Collier Richardson was charged with theft. There was no disposition on this case.

A April 7 assault charge against Kendall Whiskers, was dismissed April 19.

Also dismissed on April 19 were March 4 theft charges against Anthony Wilhite and James Oliver.

Fair board plans new activities

by Tammy Ray

On April 1, the Floyd and Surrounding Counties Fair Board met to discuss the business of this year's fair.

The board discussed having an area of FFA and FHA competition. Letters would be sent out to the area schools to see if they wanted to compete. Items would be judged and points will be given \$100.00 and a sweepstakes plaque.

Also on the agenda was the discussion of having Kennedy's Hitch Team at Old Settlers and at the fair on Friday, September 17th to give a short program to the area 4th graders. Area schools will also be invited to this event.

There will also be a jackpot sheep show on Saturday. This will be a sanctioned show and everyone in the state of Texas is invited.

The logo for the fair was discussed and it was decided to check with Lisa Mosley to see if she know of someone who would be able to draw it. This logo would be painted on the side of the entertainment building, printed on the catalogs, and maybe on the fair T-shirts.

On Sunday afternoon, September 19th, there will be a steer and heifer show. Due to the amount of space required, this will be for Floyd and Surrounding counties only.

A team penning will be held on Saturday and Sunday of the fair. Prizes will include Brushpopper Jackets from Wrangler.

The country store was also discussed. People could put items in the country store only if something was entered in the fair and if the person entering worked a short time in the store.

Due to the fact that many women work through the week, Ladies Day will be replaced with Senior Citizen Day. This will be held on Friday, September 17th. The day would be filled with activities enjoyed by the Seniors of Floyd and Surrounding counties.

There will be a chuckwagon competition on the north side of the rodeo arena on Saturday. This will be discussed further at the next meeting along with the fair theme.

We will have the same carnival as last year with a few new rides. They will be set up on the north side of the fair building to increase parking.

The stairs in the middle of the building will be replaced with a ramp to better enable access the east end of the fair building.

There will be gospel singing on Sunday afternoon. This will be held in the entertainment building from 2 p.m. until 4 p.m. There will also be lunch served on Sunday. This would be for after church. Bring the whole family out after church for lunch and the fair.

The auction will once again be held on Thursday night. It was discussed to have a raffle or drawing at the end of the auction. The prize discussed was a TV/VCR combination. More information on this will be forthcoming.

Washer pitching will be held Sunday to better accommodate all events. The children's rodeo will be on Friday before the game to give smaller children a chance to compete in other events. A teen dance was discussed for after the game.

There will be a peddle pullers compe-

tion for all ages held on Saturday. It will be held in the upstairs of the fair building, which will be opened this year.

Labor and material to make new curtains for the entertainment building will be donated by Cargill Hybrid Seeds. The curtains will be discussed at the next meeting.

Pat Schwab and Monty and Kim Teeter were elected as new members of the fair board.

The fair board met on Saturday, April 3, to clean up our part of the highway for the National Trash-off. After completion of our section, the fair board decided to help the Chamber finish their section.

Jesse Garza is checking into having a Scout Camporee on Friday night and Saturday of the fair. This will be further discussed at the next meeting.

The next meeting of the fair board will be held on May 4 at the Home Ec building in Lockney. Anyone with comments on the fair is invited to attend.

Sales tax rebates decrease

By Juanita Stepp

April 1993 sales tax rebates made to Floyd County cities from the state comptroller's office have been received. Year to date totals displayed a decrease from last year for both Floydada and Lockney. Lockney and Floydada figures also indicate decreases in monthly rebates when compared to April of 1992 rebates.

Total rebates received in Floyd County this month totaled \$9,822.30, a decrease of 20.88 percent when compared to the \$12,414.27 received at this time in 1992.

Floydada's April check from the state comptroller's office was in the amount of \$6,805.04 and showed a decrease of 20.96 percent from the \$8,609.35 payment received in April of 1992.

Lockney displayed a decrease of 20.70 percent from the same period in 1992 in over all receipts. The April check received by Lockney was in the amount of \$3,017.26 compared to \$3,804.92 received in April 1992.

Total rebates for the year to date in the county are down 2.84 percent from last year. Floydada totals have fallen by 2.55

percent and Lockney totals are down 3.47 percent from 1992.

Area cities, their April 1993 rebates and percentage of change are listed below.

Quitaque; \$680.29, +3.38%
Silverton; \$873.85, -22.74%
Crosbyton; \$4,850.70, -7.87%
Lorenzo; \$1,295.52, -14.03%
Ralls; \$4,046.76, +23.58%
Abernathy; \$4,995.27, -59.61%
Hale Center; \$2,071.92, +5.54%
Petersburg; \$1,253.67, -45.15%
Plainview; \$142,967.50, -10.01%
Idalou; \$2,936.73, +3.26%
Lubbock; \$1,078,006.09, -1.81%
Matador; \$1,074.02, -3.77%
Roaring Springs; \$1,423.89, -5.91%

Payments totaling \$99 million in local sales tax rebates went back to 971 Texas cities and 109 counties this month, according to the state comptroller's office. This month's sales tax payments include taxes collected on February sales and reported to the Comptroller in March by businesses filing monthly tax returns.

Moore gives report on Girlstown to 1950 Club

Members of the 1950 Study Club traveled to Plainview for their April meeting. They enjoyed a Chinese meal at the Far East Restaurant. Plans had been made to have members of the senior class at Girlstown as guests, but they were unable to attend. The program was changed and Lovene Moore was speaker.

Girlstown is one of the projects of Federated Women's Club. Lovene, as Federation Counselor, gave a report on

the changes in Girlstown since it became a branch of Boys Ranch.

President Geneile Evans reported that the walking path, a community project the club had sponsored, was now complete. It is hoped that many Floydada citizens will use and enjoy the walking path at the park east of Floydada High School. The study club is grateful to the City of Floydada for contributing the manpower and to the many interested people who donated funds which made the walking path a reality.

Members attending the meeting were Geneile Evans, Nell Abram, Martha Lotspeich, Jane McCulley, Doris McLain, Lovene Moore, Shirley Morton, Carol Reese, and guest, Joy Smitherman.

Iota Tau Chapter initiates four new members

The Iota Tau Chapter of the Delta Kappa Gamma Society met for their April meeting in the First Methodist Church of Floydada. Members from Abernathy, Floydada, Hale Center, Lockney, Petersburg and Plainview were present. Hostess was Sarah Sanders.

The hostess, along with some of the members, provided a meal of enchiladas, beans, rice, tossed salad, chips and salsa.

The group initiated four new members into Iota Tau. They were Frances Hambright and Melva Dorman of Floydada, Sheila Gardenhire of Plainview and Judy Lowry of Hale Center.

All members then updated their member profiles and celebrated Iota Tau's birthday with cake.

This was the last chapter meeting until September. In May, there will be a joint meeting with Gamma Iota and Kappa Xi in Plainview.

spent several days in the Hill Country seeing the bluebonnets.

Mrs. Virginia Waits of Hale Center spent Saturday with her mother, Mrs. Decota Odam.

Mr. and Mrs. T.L. Holland spent last week with their sons and families in the Dallas area.

Sympathy to the family of Roy Lynch; also to the Preston Badgetts in the loss of his brother.

Fay Jackson and Elizabeth Armstrong visited Mrs. Alma Dunn over the weekend.

Mr. and Mrs. Elmo Leatherman of Weatherford visited her sister, Mrs. Beulah Baker and his brother, Mr. and Mrs. Clarence Leatherman.

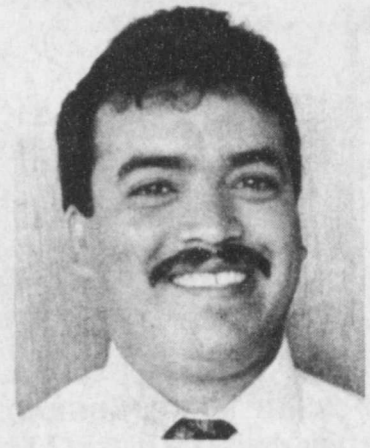

Mary Glenn Burgett of Dallas visited several days with her sisters, Mrs. Margaret Holmes and Mable Redwine.

Mrs. Marie Tardy and Lanell and Alma Smith and Wynona Willis, a niece from Petersburg, spent Saturday at Hale Center with Mrs. Clara Martin who celebrated a birthday for Alma Smith.

J.R. Turner was able to be at church Sunday night after an illness. Hope he continues to improve.

Opal Earp's sister, Miss Ferguson, her daughter Irlene Copheraham and granddaughter, Lisa of Amarillo visited Mrs. Earp and Molly and Bill Stringer last Tuesday.

Homemakers highlight District meet

During the annual District 2 Texas Extension Homemakers meeting which was held in Plainview, 47 homemakers graduated from Family Community Leadership, a program sponsored jointly by the Texas Extension Homemakers Association and the Texas Agricultural Extension Service. Graduates from Floyd county included Jonelle Fawver and County Extension Agent, Melissa Long.

The Family Community Leadership (FCL) program is an educational program jointly sponsored by the Texas Agricultural Extension Service and the

Texas Extension Homemakers Association. FCL is designed to increase the leadership capabilities and involvement of women (and others) in the public policy decision-making process. It is based on teaching materials and leadership development concepts developed through a grant from the W.K. Kellogg Foundation by six western state Cooperative Extension Services and Extension Homemakers Associations.

For more information concerning FCL or Texas Extension Homemakers Association call your county Extension office at 983-2806.

LEADERSHIP MEETING GRADS—Graduating from Family Community Leadership during the District 2 Texas Extension Homemakers meeting were Floyd County Extension Agent Melissa Long (left) and Jonelle Fawver. The two were awarded certificates for their accomplishment.

Harmony tours Lamplighter

Nine members of the Harmony Club met April 12 at The Lamplighter Inn in Floydada. The group was served a salad luncheon. A brief business meeting was held immediately following the luncheon.

Maye Williams took reservations for a state cookbook which will be released in the fall. The book will feature five recipes from some of the best cooks in each county of Texas. If you are interested in reserving one of these books, contact any Floyd County Extension member or Melissa Long, agent, who will also provide any more information

needed.

Members then were given a guided tour of the many rooms that are being restored at The Lamplighter. These rooms depict different eras and occupations of the area. Some of these are farmers, ranchers, railroad, highway, mens and ladies and "The Honeymoon Room."

Members attending were: Anna M. Hopper, Vivian Curtis, Juanita Pool, Lucille Miller, Ruth Scott, Maye Williams, Arvie Schulz, Blanche Williams, Karen Miller and agent, Melissa Long.

GOLDEN ANNIVERSARY—Mr. and Mrs. Bob Kendrick of Floydada will be honored with a reception, marking their 50th wedding anniversary, on Sunday, April 25, in the Wall Street Parlor of First Baptist Church. Kendrick and Jean McSwain were married on April 26, 1943 in Arkadelphia, Ark. The reception, slated for 1:30 to 3:30 p.m., is hosted by the couple's five children and their spouses, Sandy and George Stewart, Linda and Wayne Mixon, Becky and Richard Sterling, Kathryn and Warren McDougall and Byron and Ilene Kendrick. The couple has 13 grandchildren and three step-grandchildren.

Copeland hosts El Progreso Club

El Progreso Study Club met April 14 in the home of Arla Copeland. The following members were present: Arla Copeland, Faye Ferguson, Elaine Gibson, Cornelia Johnson, Hazel Johnson, Alice Mitchell, Merle Mooney, Doris Thacker, Kathleen Thornton and a guest, Diana Glover. Because of illness

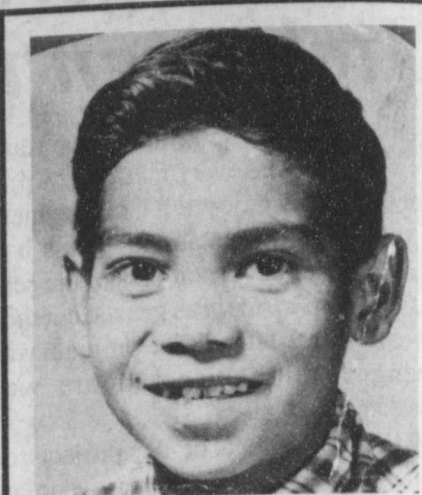

and inclement weather five members were absent.

Refreshments were served and then the president conducted a business meeting. Doris Thacker introduced the guest speaker, Diana Glover, who gave the most interesting review of Paul Harvey's book, "The Rest of the Story".

The club adjourned by saying the Club Womans Collect.

Dent Dudes:
 Their trade secret can save you money!

Clayton Spears has a secret. He's part of a growing group of automotive repair experts nationwide who offer a real alternative to repairs at a traditional body shop.

Just how he does it is a trade secret, but his process can remove a dent from a car at less cost - a lot less. The average price for removing a dent from a car door can be between \$150-\$200, yet his company - Dent Dudes - can do it for around \$45.

Essentially, the Dent Dudes process removes the dents without breaking the car's paint. This saves the expensive steps of sanding and repainting.

Spears says this is ideal for Amarillo because his system is perfect for removing automotive hail damage. Generally, restoring cars that have been hail damaged is extremely expensive due to the number of dents that must be removed, sanded down and repainted. His system, he says, makes it economical to repair vehicles that once were almost a total loss.

Dent Dudes offers a variety of other services, as well, including color-match touch-up to remove damage from road chips. Spears, with 18 years in the automotive business, is supported by a crew with 41 years of combined expertise in restoring damaged cars.

In addition, Spears, offers contract restoration of antique vehicles and is a certified automotive investment counselor. That means he can advise customers about which older automobiles are worth restoring, how much to pay for such a vehicle - and then help them restore it to like-new condition.

Dent Dudes, which has been in business since early 1992, has prospered due to its unique, money-saving automotive repair secrets. But now that the secret is out, visit Dent Dudes at 4549 Western in Randall Plaza. Don't drive an ugly car one more day!

Up to 50% off Conventional Body Shops
 (Example: \$2500 Damage Conventional Method, Paintless Dent Dude Methods Cost \$1250.)
 You get the cash back from your insurance check.

Residents celebrate April birthdays

By Lorilla Bradley

April is a lovely month
When flowers start to bloom
The trees and grass reclothe themselves
And not a dat too soon!

We're greeting Mrs. Willis
... Her years are 88 ...
She loves a birthday party
And wouldn't dare be late.

Our Mrs. Mable Redwine
Has her special day
And may it be a good one
In a very special way.

We welcome Mr. Roeder ...
His parents named him Paul ...
And for a birthday party
You only need to call.

Let's cheer these lovely people
With the same old birthday song ...
So join us as we sing it
And come out good and strong.

Thursday, April 15, was party time at the rest home with members of the City Park Church of Christ hosting. The Hesperian photographer came for the picture taking followed by everyone being ushered into the dining room with the honorees being seated at the "honor" table.

Their places were marked with special cards. Each honoree wore a fresh carnation given by Williams Florist and Card Shop. The table was covered with a pale pink cloth and centered with a

floral arrangement in shades of pink. Jo Bryant read a brief history of the life of the honorees after which the poem was read and all joined in singing the Happy Birthday song.

Joining Mrs. Willis for the celebration were relatives, Davis Willis, Dovie Holmes, Henry Willis and Gladys Widener. Other guests included Fred Arrendondo Jr., brother of Luis Arren-

dondo and Ernest Smitherman visiting his wife, Ruth.

The refreshment plate held a delicious birthday cake and a tangy fruit punch, which was served to the honorees, guests and home residents.

The next party will be Thursday, May 20, 2:30 p.m. You are invited to be with your loved ones and friends. We are always happy to have visitors.

APRIL BIRTHDAYS—Floydada Nursing Home celebrated the April birthdays of: (front, L-R) Lennie Willis and Paul Roeder; (back, L-R) Dovie Willis and Dave Willis, the daughter and son of Lennie Willis, were also on hand to celebrate. Not pictured with an April birthday was Mabel Redwine.

Ruiz promoted in Marine Corp

Marine Lance Cpl. Gilbert Ruiz, son of Florentino and Pauline Ruiz of Lockney, was recently promoted to his present rank while serving with 2nd Battalion, 3rd Marines, 3rd Marine Division, Okinawa, Japan.

The 1991 graduate of Lockney High School joined the Marine Corps in November 1991.

Look Who's New!

DAY

Greg and Kathy Day are proud to announce the arrival of their daughter, Lauren Sedona. She was born at 9:33 a.m. Friday, April 2, 1993, in La Jolla, Calif.

Lauren weighed 7 lbs. 14 ozs. and was 20 inches long at birth.

Grandparents are Lonnie and Wynell Hinsley of Floydada and Richard and Adele Day of Buffalo, N.Y.

Great-grandmother is Dorothy Staudt of Ft. Worth.

JONES

Caycee Jones arrived Monday, April 19, 1993, at 7:29 p.m. in St. Mary's Hospital. She is the "brand new" sister to Tye Jones. Their parents are Steve and Carla Jones of Levelland.

Grandparents are Lou and Stanley Burleson and LaRue and Bill Jones of Levelland.

Great-grandparents are Mollie Burleson and Maw Maw Jones of Post.

LAGUNAS

Jeff and Ronda Lagunas of Floydada are proud to announce the birth of their son, Brady Garett, born at University Medical Center in Lubbock at 7:21 a.m. Tuesday, April 13, 1993.

Brady weighed 6 lbs. 2 ozs. and was 19-3/4 inches long at birth. He has two older brothers, Seth and Dakota.

Grandparents are Pauline and Ronnie Bruce of Floydada and Pat and Joe Lagunas of Vernon.

STANE

Ernie and Lisa Stane of Lubbock are proud to announce the birth of their first child, a son, William Chance born at 11:30 a.m. Wednesday, April 14, 1993, in St. Mary's Hospital.

William weighed 8 lbs. 12 ozs.

Grandparents are Nita Patton of Wolforth and W.C. Patton of Lubbock.

Great-grandparents are Mr. and Mrs. Raymond Stane of Hobbs, N.M., and Edna Patton of Floydada.

CASSIDY HILL

MARY LOU ZAVALA

Hill and Zavala compete in Our Diamond Miss Pageant

Cassidy Hill, daughter of Elnetia Hill of Lockney, and Mary Lou Zavala, daughter of Richard and Vicky Zavala of Lockney, competed in the Our Diamond Miss Pageant held Saturday, April 17, in Lamesa.

Miss Hill, competing in the Young Miss Division, won the title of Model Queen of the Year.

Miss Zavala competed in the Junior Miss Division. She won in four catego-

ries, being named Model Queen of the Year, Glamour Queen, Miss Photogenic and receiving the Judge's Choice Award.

The honors earned both girls an invitation to advance to the 1993 Texas State Our Diamond Miss Pageant to be held in Abilene in June.

"OUR PLEASURE IS TO SERVE YOU"

I would like this opportunity to serve as your mayor; to work on building a strong partnership with the entire community being actively involved in making Floydada a better place to live and work.

I have been attending council meetings for the past year and feel I could carry on with the excellent work the current mayor and council members have already begun, such as getting the landfill permitted, the park beautification project finished, as well as upgrading city services.

I am aware of some issues that need to be looked at by the council. One of those being the declining population and the decreasing cash flow that is just beginning in local businesses.

We need to boost Floydada's pride in itself and create a positive attitude about our town and its future.

I am for having more people involved in this community, because we are all in this together. We must establish reachable goals and see them through to completion.

It's Time for a New Spirit In Floydada. Together We Can Make It Happen!

SLOP ON SUNSCREEN—Julianne Cornelius, Education Chairman for the American Cancer Society will be giving educational programs on skin cancer this week at A.B. Duncan and R.C.A. schools. A popular video with Sid The Seagull, from Australia, will be a teaching tool as the

rule of "Slip On a Hat, Slop on Some Sunscreen and Slap on a Hat." First graders at R.C. Andrews are shown here demonstrating how to protect yourself from the sun with hats and sunscreens.

—Staff Photo

Floydada students learn to protect themselves against skin cancer

"Some 600,000 new cases of skin cancer will be diagnosed in the United States this year, and a fair share of those will be diagnosed in Texas," said Julianne Cornelius, education chairman for the local ACS unit. "That incidence has been increasing at the rate of three to five percent each year.

"Most alarming, though, is the increased incidence of malignant melanoma. Cases of malignant melanoma, a serious form of cancer have increased 1000 percent since the 1930s. The American Cancer Society estimates skin cancer will kill 8,800 Americans this year, 6,300 of those deaths attributable to malignant melanoma."

According to the American Cancer Society, the increasing incidence of cancer could be altered if individuals follow a few simple guidelines for reducing their risk of skin cancer. For example, Texans should:

* Use a sunscreen with a Sun Protec-

tion Factor (SPF) of at least 15 during all outdoor activities, and avoid sunburn altogether.

* Avoid direct exposure to the sun between the hours of 10 a.m. and 3 p.m. by staying inside or by wearing a hat and protective clothing.

* Avoid tanning salons altogether because they provide intense exposure to harmful ultraviolet rays.

"Public knowledge is an important factor in the prevention and in the early detection of skin cancer," Cornelius said.

Individuals can do a lot to decrease their own risk of ever developing skin cancer, and, like many other forms of skin cancer, should a skin cancer de-

velop, it is more easily treated and highly curable if it is found and examined by a doctor at an early stage of its development.

The American Cancer Society has adapted curriculum materials promoting skin cancer prevention for school children. These materials were derived from the "Slip, Slop, Slap" campaign originally used in Australia. In addition, the Society has developed a Skin Cancer Program training manual to use in teaching health professionals how to conduct educational programs for the public.

For more information about skin cancer contact your local American Cancer Society Unit or call toll free 1-800-ACS-2345.

Whirlwind Sams visit Thackerville, Oklahoma

By Marjorie McElyea

On Monday, April 12, Mac and I came from Beaumont to Thackerville coast to coast and waited for the rest of the club.

Tuesday, Barbara and Kenneth Willis arrived and the rest of the club including, the Weathersbees, Parkers, Lyles and McPhersons came about 2:30 on Wednesday and Thursday. The Norrell's arrived to tell us about the snow in Floydada. We all went to Catfish Louie's for dinner that night and some played Crazy Uno and Bingo.

Thursday started out with shuffle board games, weather was cold and wet. We had lunch at Golden Corral and games in the afternoon.

Friday was antique day and we made the antique malls and viewed several of the 300 antique homes that have been restored. The are really beau-

tiful. We ate at Underwoods and the evening was spent visiting and games and at 7:00, coast to coast held horse races for us. Saturday was a free day with lunch at La Casa Mexico, then all did as they pleased. Sunday, a Silver Streak group from around Dallas and Ft. Worth invited us to devotion. Some stayed and some left for home.

A good time was reported by all.

Advertising in this newspaper, benefits your business and your community.

Obituaries

BOB FARMER

Services for Bob Farmer, 84, of Plainview were at 10 a.m. Monday, April 19, in St. Mark's Episcopal Church with Father Chuck Chapman officiating. Burial was in Plainview Cemetery.

Mr. Farmer died at 9:55 p.m. Friday, April 16, 1993, in Heritage Home, Plainview.

He was born May 28, 1908 in Amarillo. He moved to Clarendon and Hereford at an early age, then to Plainview in 1916 when his father was President of Wayland Junior College. He graduated from Plainview High School in 1926 and attended Baylor Dental College in Dallas. When the depression came he then moved back to Plainview in 1930.

He and his brother, Ray, purchased Plainview Bus Company which he operated until the 1940s. In 1942 he started Farmers Nursery and operated it until about 1985. He also owned and operated Farmer's Mini Storage.

He married Bobbie Lee Skipworth on Sept. 2, 1934 in White Deer, Texas.

He was a member of St. Mark's Episcopal Church, a past member of Plainview Rotary Club, a member of Plainview Amateur Radio Club, and a member of Amateur Radio Relay League (ARRL). He had received the ARRL Award for teaching of Ham Operators.

Survivors include his wife; two sons, Robert E.L. "Bobby" Farmer III of Tomales, Calif., and James Richard "Jimmy" Farmer of Napa, Calif.; and four grandchildren.

ROY LINCX

Services for Roy Lee Lincx, 72, of Floydada were at 2 p.m. Tuesday, April 20, in Moore-Rose-White Funeral Home Chapel with the Rev. Howell Farnsworth, pastor of First Baptist Church, officiating.

Burial was in Floydada Cemetery.

Mr. Lincx died at 9:20 a.m. Friday, April 16, 1993, in Amarillo's Veterans Administration Hospital after an illness.

He was born Jan. 19, 1921 in Iredell and moved to Floyd County in 1923 from New Mexico. He had been a gas station owner and operator. He was a U.S. Army Medical Corp veteran of World War II.

Survivors include a brother, Talmage Lincx of Floydada; and two sisters, Ione Caldwell of El Paso and Mozelle Bice of Lubbock.

ROBBY E. REASONER

Graveside services for Robby E. (Bob) Reasoner, 69, of Sherman were at 4:30 p.m. Saturday, April 17, in West Hill Cemetery with the Rev. Derral Williams officiating. Arrangements were under the direction of Johnson-Moore Funeral Home.

Mr. Reasoner died at his home on Thursday, April 15, 1993.

He was born October 10, 1923 in Bonham, Texas, to John and Georgia Matthews Reasoner. He attended school in Floydada.

He was married to Geraldine Carter on Nov. 13, 1945 in Plainview. He was a retired security officer for Oscar Mayer. He was in the U.S. Army Air Corps during World War II serving in Europe. He was a Baptist.

Survivors include his wife, Geraldine of Sherman; one son, Jerry Reasoner of Sherman; one daughter LaRue Wilhite of Madill, Okla.; two brothers, Sam of Denton and L.A. of Slaton; three sisters, Johnny Terrell of Floydada, Hulda Page of Atoka, Okla., and Polly Brown of Custer, Okla.; and three grandchildren. He was preceded in death by a son, Elton Wayne Reasoner, who died in 1965.

ULRIKE SUSAN BREED

Ulrike Susan Breed, 47, of Aransas Pass, Texas, died April 6, 1993 in a traffic accident.

A memorial service was conducted at 2 p.m. April 14 at Farmers Funeral Home in Silsbee. Charlie Marshall Funeral Homes Inc. in Aransas Pass handled arrangements.

A native of Germany and former resident of Silsbee, she lived in Aransas Pass a year and was associated with the real estate rental business. While living in Silsbee, she was known as Susan Brown.

Survivors include her husband, former Floydada resident Michael Breed of Aransas Pass; a son, Derek Brown of Silsbee; a daughter, Liane Brown of Knoxville, Tenn.; two sisters, Gabi Mengewein and Sylvia Hill, both of Germany; and three grandchildren.

FLOYDWHISENANT

Services for Floyd Earnest Whisenant, 67, of Floydada were at 10 a.m. Monday, April 19, in Branon Funeral Home Chapel with the Rev. Ronnie Marley, pastor of Northside Baptist Church, officiating.

Burial was in Lamesa Memorial Park. Mr. Whisenant died Friday, April 16, 1993, in Lubbock's Methodist Hospital after an illness.

He was born in Borden County and married Adele Evers on Aug. 9, 1958, in Lamesa. He had farmed in the Floydada area for 20 years.

Survivors include his wife; two sons, Michael J. of Seminole and Rickey L. of Corpus Christi; a daughter, Karla K. Horton of Lamesa; a brother, Bill of Lamesa; two sisters, Glennis Spencer of Lake Brownwood and Mickie Roper of Lubbock; and six grandchildren.

LEGAL NOTICE

NOTICE TO ALL PERSONS
HAVING CLAIMS AGAINST THE ESTATE OF
BILLIE J. HANNA, AN INCOMPETENT

Notice is hereby given that original letters of guardianship were issued on the Estate of Billie J. Hanna, an incompetent, No. 5200, now pending in the County Court of Floyd County, Texas, on April 14, 1993, to WARREN A. JOHNSTONE, whose residence is 2104 Campbell Road, N. W., Albuquerque, New Mexico and whose registered agent is Dena A. Reece, attorney for the Estate, P. O. Box 7, Floydada, Texas.

All persons having claims against said estate now being administered are hereby required to present them within the time and in the manner prescribed by law.

Dated April 14, 1993

Dena A. Reece, Attorney
for the Estate
State Bar No. 16673350

Cards of Thanks

We want to thank all the friends and relatives that participated or gave to the last Michael Brown Golf Scholarship Tournament. A good time was had by all. This year we collected \$665.00 to be added to the fourth year of this scholarship.

God Bless everyone,
Steve & Maria Brown
4-22p

The family of Carl Reese thanks all those who sent flowers, food and messages at the time of Carl's death. We send special thanks to the doctors at Lockney General, to Jim Jackson, to the ladies at New Salem Primitive Baptist Church, to Grace Jarrett, to the neighbors and to all who assisted in any way. Your kindnesses and concerns will always be remembered.

Sincerely,
Inez Walker Reese and the families of
Dixie Collins
Mona Alldridge
Joe Walker
Beth Turner
Shirley Murray
4-22p

A Special Thank goes to Lockney Police Officers, Floydada, Briscoe, Hale County Officers, the Lockney Fire Department, Wilson Spraying Service, Randy Henderson and many, many more who searched for Ira F. Henderson on 4-15-93. What a comfort to have good friends and neighbors when in need. Thanks again.

Gail, Charlie, Juanita Henderson
4-22p

We want to thank everyone for their prayers, visits, cards, flowers, money and the food that has been given to our family.

Sincerely,
The Willie McGee Family
4-22p

I want to express my sincere thanks for your prayers, consideration and compassion following my accident Easter weekend.

Sincerely,
Larry and Renee Jones.
4-22c

Thanks to all who offered prayers and expressions of concern and love on behalf of our beloved Francis. We appreciate all the acts of kindness, the food and sympathy shown during our loss.

4-22p

We, Dick, Doris and Sam, want to thank everyone who showed their love for Sam while he was in the hospital in Lubbock. He is now at home doing well. Your cards, flowers, gifts, prayers and calls were greatly appreciated. We could not have gotten through the last month without them. Thank you, Dr. Jordan, for your kind and tender care. Sam loves you and Mary. May God bless each and everyone of you for your love.
Dick, Doris and Sam Jones
4-22p

We wish to thank friends and family, for the kindness and support, given to us during the loss of our beloved Susan. For the phone calls, visits, cards, food, memorials and especially all of the prayers, we thank you. All your expressions of sympathy have been a comfort to us and greatly appreciated.

Dated April 14, 1993

Dena A. Reece, Attorney for the Estate
State Bar No. 16673350
4-22c

INVITATION FOR BIDS

The City of Lockney, Texas, will receive sealed bids for the seal coating of streets until 9:00 a.m. on the 7th day of May, 1993, at the Lockney City Hall, P. O. Box 387, Lockney, Texas 79241, at which time all bids received will be publicly opened and read aloud.

Bids are invited for furnishing all materials, labor, equipment and performance for the seal coating of approximately 29,441 square yards of street pavement.

Copies of Contract Documents may be obtained from OJD Engineering, Inc., P. O. Box 543, Wellington, Texas 79095, phone 806-447-2503, FAX 806-447-2445. The non-refundable fee for each set of Contract Documents is \$10.00.

A Bid Bond in the amount of 5% of the bid, issued by an acceptable surety, shall be submitted with each bid. A certified check or bank draft payable to the City of Lockney, or negotiable U. S. Government Bonds (at par value) may be submitted in lieu of the Bid Bond.

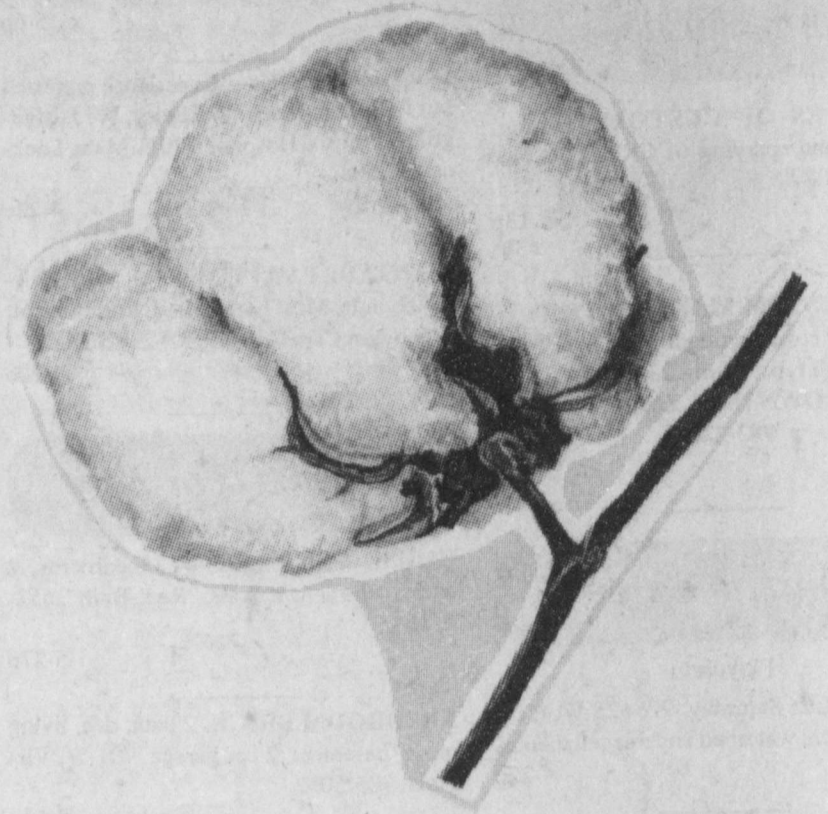

State Statute requires local governments to require a performance and a payment bond from all contractors where such contracts involve construction of public works projects in excess of \$25,000. If the cost of the project is less than \$25,000, payment for the project will be withheld until the contractor has completed all work to the satisfaction of the engineer and the owner.

The City of Lockney reserves the right to reject any or all bids or to waive any informalities in the bidding. Bids may be held by the City of Lockney for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of bidders, prior to awarding the contract.
