## Ellison named Miss Floyd County

**By Neta Marble**  
LOCKNEY — Tiffany Ellison was named 1993 Miss Floyd County at the Queens Pageant held Saturday night in conjunction with the Floyd and Surrounding Counties Fair. Miss Ellison was chosen as queen from a field of eleven contestants.

Four young misses were chosen to represent Floyd County in the afternoon competition. Avery Aston was chosen Tiny Miss; Tracy Ramirez, Little Miss; Karen Resio, Junior Miss; and Amy Anderson, Young Miss.

### MISS FLOYD COUNTY

In addition to being named Miss Floyd County, Miss Ellison also received the trophy for Outstanding Interview. She is the 16-year-old daughter of Terry and Zeldia Ellison and a junior at Lockney High School.

First runner-up honors went to Kay Lynn Lusk. She also was named as Glamour Girl and Miss Congeniality. The Miss Congeniality award is a special award in which the contestants vote on the girl that is friendly and helpful to everyone. Miss Lusk is the 17-year-old daughter of Raymond and Martha Lusk and a junior at Lockney High School.

Named as second runner-up was Misty Bertrand. She is the 16-year-old daughter of Randy and Connie Bertrand and is a junior at Floydada High School.

Emily Aiken garnered the third runner-up banner. She is the 17-year-old daughter of Kent and Sherry Aiken and is a senior at Plainview High School.

Fourth runner-up honors went to Danika Dudley. She is the 16-year-old daughter of Darrell and Cindy Dudley and a junior at Floydada High School.

Winner of the essay writing portion of the competition was Marty Gregg. She is the 18-year-old daughter of Bobby and Eva Spencer and Lenis Gregg. Miss Gregg is a 1992 graduate of Plainview High School and a freshman at South Plains Junior College in Levelland.

Lisa Perez was the recipient of the Judges Award. This award is given to a non-finalist who catches the judge's eye for her outgoing personality. Miss Perez is the 15-year-old daughter of Severo and Hope Perez and is a sophomore at Lockney High School.

Receiving participation ribbons were Sandra Pyle, 15-year-old daughter of Everett and Elba Pyle. She is a sophomore at Lockney High School; Tikka Smith, 15-year-old daughter of Dan and Reeda Cay Smith and a junior at Lockney High School; Chelsea Patridge, 15-year-old daughter of Greg and Susan Patridge and a sophomore at Lockney High School; and Viola Hernandez, 17-year-old daughter of Harvey and Barbara Hernandez and a junior at Floydada High School.

The eleven young ladies competed in sportswear, formal wear and interview divisions. Each of the top five finalists received a scholarship award. Miss Floyd County received a \$1,000 scholarship; 1st runner-up, \$200; 2nd runner-up, \$100 and 3rd and 4th runners-up \$50 each. A \$50 savings bond was presented to the essay contest winner.

Musical entertainment throughout the evening was provided by Scott Crader of Floydada, Ryan Tumire of Big Springs and Abbi Hutcherson of Plainview. Mary Lindsey Poole entertained the audience with a high energy jazz dance routine.

Crader sang "I Will Be Here" to the reigning 1992 Miss Floyd County, Kori Kellison, in the opening ceremony of the evening. He also sang to the girls as they were on stage after the evening wear competition.

### TINY MISS, LITTLE MISS, JUNIOR MISS AND YOUNG MISS

Forty-four girls entered the 11th edition of the Tiny Miss, Little Miss, Junior Miss and Young Miss Pageants. They were judged on Interview and Party Dress.

### TINY MISS

Avery Aston was named Tiny Miss Floyd County. She is the 5-year-old daughter of Ronnie and Trina Aston of Lockney. First runner-up honors went to Brinece Brotherton. She is the 4-year-old daughter of David and Kay Brotherton of Floydada.

Named second runner-up was Rebecca Thornton. She is the 5-year-old daughter of Travis and Amy Thornton of Plainview. Third runner-up and Glamour Girl was Lara Patton. She is the daughter of Bill and Ronee Patton of Lubbock.

Fourth runner-up was Lindsey Leatherman. She is the 5-year-old daughter of John and Dee Leatherman of Floydada. Best Interview was given by Cody Wiley 4-year-old daughter of Melody Wiley of Lockney. The Judges Award

went to Stephanie Luna. She had that something extra that caught the eye of the judges. Miss Luna is the 3-year-old daughter of Mr. and Mrs. Steve Luna of Floydada.

Receiving participation ribbons were Desiree DeLeon, 3-year-old daughter of Michael and Amy DeLeon of Lockney; Hayley Hayes, 3-year-old daughter of Tommy and June Hayes of Plainview; Latasha Perales, 4-year-old daughter of David and Bertha Perales of Lockney; Laura Fulton, 3-year-old daughter of Chris and Pam Fulton of Lockney; Senee Foster, 3-year-old daughter of Jody and Shawnda Foster of Lockney; Jennifer Reyes, 5-year-old daughter of Juan and Anna Reyes of Lockney; Jordan Sherman, 3-year-old daughter of Billy and Robin Sherman of Lockney; and Ashlei Shaw, 3-year-old daughter of Carlton and Sherry Shaw of Lockney.

### LITTLE MISS

Tracy Ramirez was named Little Miss Floyd County and also received the Best Interview honors. She is the 8-year-old daughter of Carlos and Sandra Trevino of Floydada.

Named first runner-up was Julie Martinez. She is the 8-year-old daughter of Robert and Selma Martinez of Lockney.

Second runner-up and Glamour Girl honors went to Katy Gooch. She is the 6-year-old daughter of Dennis and Tonya Gooch of Floydada.

Third runner-up and winner of the Judges Award was Cheryl Reed. She is the 7-year-old daughter of Les and Ruth Reed of Lockney.

## Caprock Hospital District Board delays action on hospital opening

**By Juanita Stepp**

FLOYDADA — A deeply shaken board of trustees for Caprock Hospital District met in regular session on Thursday, September 16, 1993. The group was still in shock from learning of the sudden death of board member Jerry Thompson. A moment of silence was observed in honor of his service to the board and the community and to note his untimely passing.

The major topic on the agenda, setting an official opening date for the Floydada hospital, was discussed, but

no action was taken. Administrator Ronald Ammons told the board his reasons for moving ahead with opening the facility with the present physicians and the newly hired Physician's Assistant (PA) as staff were that recruiting additional physicians would be easier and that confidence in the hospital would be raised if it were open.

Dr. Antoine Albert, currently on loan from St. Mary of the Plains Hospital in Lubbock, told the board that he felt it was important to get the facility open and functioning, but recommended a

step by step plan to do so. He indicated that with the current staff and the clinic, lab and x-ray departments working well, the next step he would consider would be to open a 24 hour emergency room.

Albert stated that this would provide sources of income to the district and allow time to assess the potential patient admissions from the clinic and an emergency room in order to calculate the possible patient population for the hospital. He questioned the legal aspects in-

## Area citizens share dedication of Wall of Pride with project organizer

**By Alice Gilroy**

Lisa Mosley had high hopes when she began the Wall of Pride. The project she felt would take approximately nine months to complete, ended up consuming two years of her life and the life of her family and art students.

The end is in sight now for Mosley and the many others who have donated hundreds of hours of time toward the downtown beautification program. A dedication ceremony, held Saturday, September 18, did exactly what it was intended to do. The ceremony left hardly a dry eye in the crowd and motivated many to attend one final tile making session held the next day. Everyone who left the ceremony wanted to be sure their tile was on the wall for posterity.

The Wall of Pride started as all great works of art do—with an idea. Then there was a drawing on a piece of paper. The rest is history which has been recorded on a downtown wall of Lockney.

According to Mosley, art teacher at Lockney High School, and Wall of

Pride organizer, the idea began when Dub Hallmark was approached by someone looking to give away grant money for rural schools.

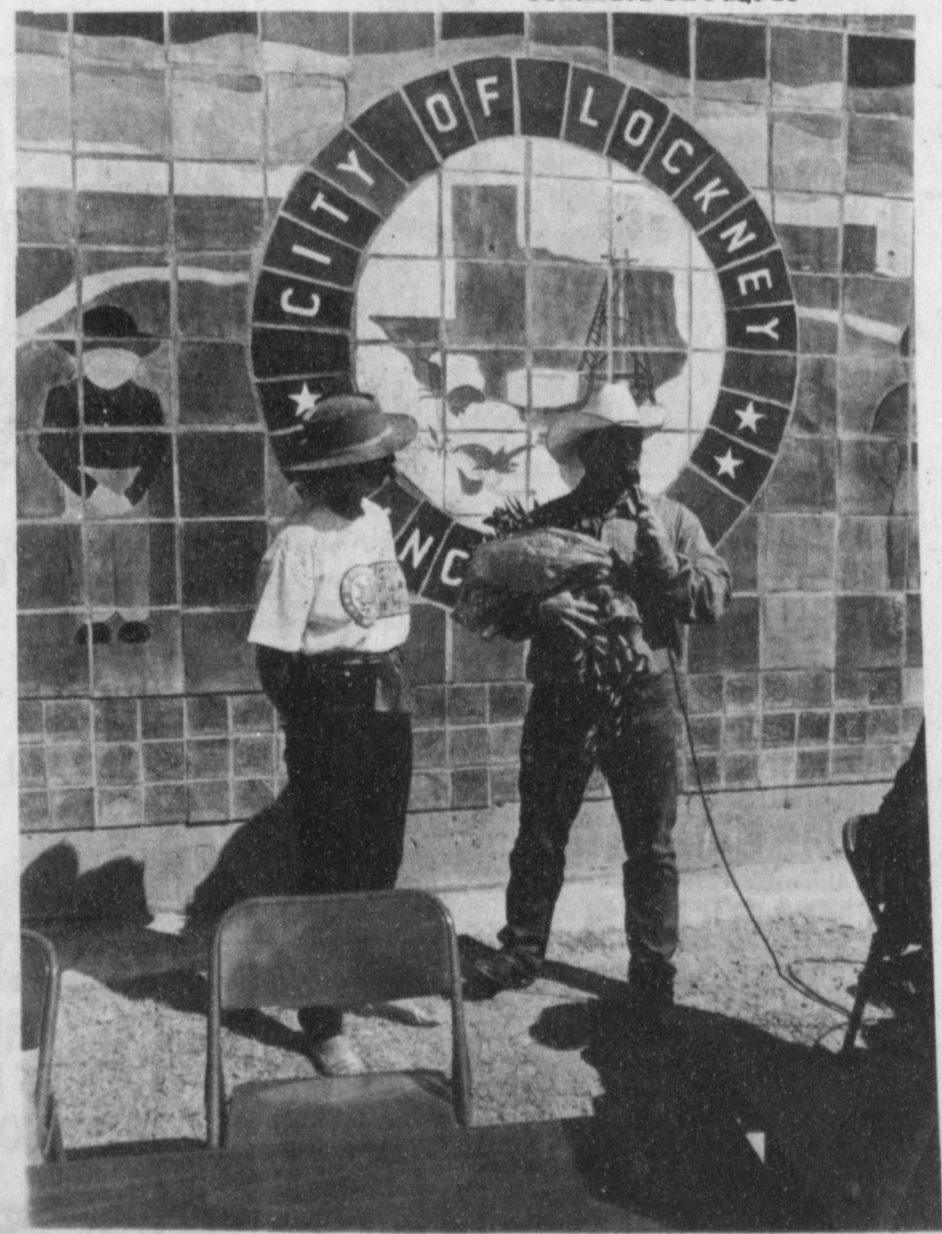

"Hallmark was school superintendent at the time this all started," said Mosley. "He was asked if Lockney would take part in the Texas Rural Project. Kansas State University had received a grant from the Ford Foundation which was supposed to be used to bring schools and communities together. KSU chose five

schools in West Texas who would receive the grant money.

"One school used their grant money to hire a motivational speaker and paid him to give a speech. We wanted to do something that would better achieve the goal of the project.

"It was Hallmark's idea to use the money, which totaled \$2,000, for a downtown beautification project. He approached me about having the art

## Fair Board slates Tuesday meeting

LOCKNEY -- A meeting of the Floyd County Fair Board will be held at 7:00 p.m. Tuesday, September 28 in the Entertainment Building on the fairgrounds.

The directors would like to encourage those who would like to help with the 1994 fair to attend this meeting.

"The fair cannot continue to grow and improve without new board members and new ideas," stated Shawnda Foster. "Being on the board is hard work, but we have lots of fun working together and organizing the fair.

"We would like to invite you to come to the meeting on Tuesday if you would be interested in re-viewing the 1993 fair and making plans for the 1994 fair," she continued.

If you have any comments or suggestions contact Kyle Brock at 652-3437 or Shawnda Foster at 652-2383.

## Floydada Branch of FNB in Lockney names new president

FLOYDADA--Paul Sharp has been welcomed into the community as the new president of the Floydada Branch of The First National Bank in Lockney. Sharp will be handling the day to day operations of the Floydada branch.

Sharp comes to the bank's branch with approximately 10 years of banking experience. He worked at banks through his college years at Texas Tech and after graduating in 1986 with a BS in Agricultural Economics, Sharp worked at the Texas Department of Banking. He then went to work as a loan officer in the correspondent bank department at the First National Bank in Lubbock before being hired by FNB in Lockney.

Sharp's wife, Becky, is also a 1986 Tech graduate with a BS in Education. She currently teaches Pre-K in Brownfield. The couple have been married for five years and have a 2 1/2 year old son, Trevor. They are currently members of Oakwood Baptist Church in Lubbock.

The Sharp's are both originally from Slinnett.

"The directors, officers and employees feel very fortunate to have Paul as branch president, and as part of the Floydada community," said Jim

## Floydada businessman suffers fatal heart attack

Jerry Thompson, long-time Floydada businessman and respected community leader, died September 15, 1993 of a heart attack. He was 49 years old.

Thompson was born on Nov. 10, 1943 in Wellington. He graduated from Southwestern Oklahoma State University in 1967 with a BS degree in Pharmacy. He married Jan Langford, December 15, 1961 in Wellington. The couple moved to Floydada in 1969 from Memphis, Texas, with their two-year-old son, Greg. In 1970 a second son, Mark, was born to the family.

June 10, 1969, Thompson bought Johnson Pharmacy at 200 S. Main in Floydada and changed the name of the business to Thompson Rexall Pharmacy. Over the years both sons worked in the store alongside their father who filled the prescription needs of his customers. His wife, Jan was also a part of the business making sure the shelves were stocked with a variety of items.

After moving to Floydada, Jerry Thompson quickly became active in community endeavors. Several additions and changes have taken place in the pharmacy over the years reflecting Thompson's desire to provide needed services and merchandise to the area.

JERRY THOMPSON

Jerry Thompson was known for his charity and willingness to serve. He served as a Floydada City Councilman from 1973-1981 and also on the Floydada Chamber of Commerce Board of Directors. He was president of the Chamber of Commerce from 1985-1986.

He was a member of the Hospital Board of Directors from 1991 to present and was also currently serving on the Floydada Airport Board of Directors.

He had been a Rotarian for over 25 years and had also served on the Board of Directors for Floyd County Heart Association and Cancer Society.

He was a member of First Baptist Church and was ordained as a deacon, June 22, 1986. He served as Chairman of Deacons from 1990-1991. He taught 1st grade Sunday School for over 10 years and was also involved in the church's TV ministry.

Thompson was a former Little League and Little Dribblers coach. He was named Employer of the Year in 1982 by the Floydada Chamber of Commerce.

Services were held for Thompson at 10:30 a.m. Saturday, September 18, 1993, at the First Baptist Church in Floydada. The Revs. Floyd C. Bradley, a retired Baptist minister, and Howell Farnsworth, pastor, officiated.

Burial was at 3 p.m. in North Fairview Cemetery in Wellington by Moore-Rose-White Funeral Home.

He is survived by his wife; two sons, Greg Thompson of Dumas and Mark Thompson of Stephenville; a sister, JoAnn McClendon of Oklahoma City, Oklahoma; and a brother, Jim Thompson of Overland Park, Kansas.

Pallbearers were Jakey Younger, Scott Faulkenberry, Robert Stovall, Tommy Cathey, Don Matthews, Doyle High, Bill Weir and Andy Hale.

The family suggests memorials to Floydada EMS, the Scholarship Fund at First National Bank in Floydada, the TV Fund at First Baptist Church of Floydada, or your favorite charity.

## BY THE WAY!

BY  
ALICE  
GILROY

I usually love to give my opinion on things but I am at a loss of what to say about the death Jerry Thompson. I feel very inadequate trying to write a simple obituary when it is impossible to reflect on paper what someone has meant to a community.

Jerry touched the lives of hundreds of people and I consider myself blessed because I was one of those people.

After the news of his death spread through the area I was asked by several people—"What is Floydada going to do?"

They weren't referring to the fact that the city had lost a very capable and enterprising businessman. They were referring to the fact that Floydada had lost a kind Christian man, a great boss, a caring friend and a honest and hard-working public servant.

Jerry was always ready to contribute to whatever school or charitable organization happened to walk in his door. He was also very supportive of this newspaper. I know—I walked in his door every week. He never said "No" when we needed him.

I will always miss his familiar smile behind the pharmacy counter, and I can still hear his laugh. Everytime we talked—we enjoyed shared laughter.

## Letters To The Editor

To the Family of Mr. Jerry Thompson,  
Our pen doesn't want to write down our feelings of sorrow but something has to be written for the comfort of our hearts, friends, and family.

With a heart full of sympathy and shock the employees and family of Caprock Hospital would like to express their deepest condolences to your family. Some of the events in our lives are undecipherable but are a part of life. Just like a beautiful rose, in each of its petals there is a beauty and in each of its thorns, a bitter fact is hidden.

Jerry was a man with outstanding character, personality, and service to the town of Floydada, either as a pharmacist, Rotary Club member who cared about children, youth and their future, as well as constantly standing behind the hospital for its reopening to serve the community and surrounding area.

Jerry, we will always remember you.  
Caprock Hospital District Administration and Employees

Dear Editor:  
My family and I attended the Floyd County fair this past weekend. Fair officers Kyle Brock, Gregg Taylor, Shawnda Foster, Rise Ford, Tammy Ray, along with any and all who helped, are to be congratulated. The fair and its events were well planned and executed. They all did a great job and we really enjoyed it.

That's what I'll always remember—the smile that always came to my face everytime I saw him. That feeling can never be taken away.

The love that he shared stays behind for us to pass on to someone else. He would have wanted it that way. Lets not disappoint him.

I'm glad God shared Jerry with us for just a little while.

The Fair Board deserves a lot of credit and a lot of thanks for all their work on the Floyd County Fair. I haven't heard one negative comment from anyone.

It was a great success and the best fair I've ever been too!!!

Thanks also to Cargill for once again coming through with shady tents and luxuries like port-a-potties at the trap shoot.

I'm always impressed with Cargill's dedication to Floyd County. I appreciate it.

There weren't too many dry eyes at the Wall of Pride Dedication ceremony on Sunday.

Besides being impressed with the beautiful wall, I was really impressed that Lisa Mosley could deliver her great speech without bawling her eyes out.

If you haven't seen the wall you really need to take a Sunday drive to downtown Lockney. There is no way you can leave without feeling good about where you live.

Congratulations Lisa and Lockney!

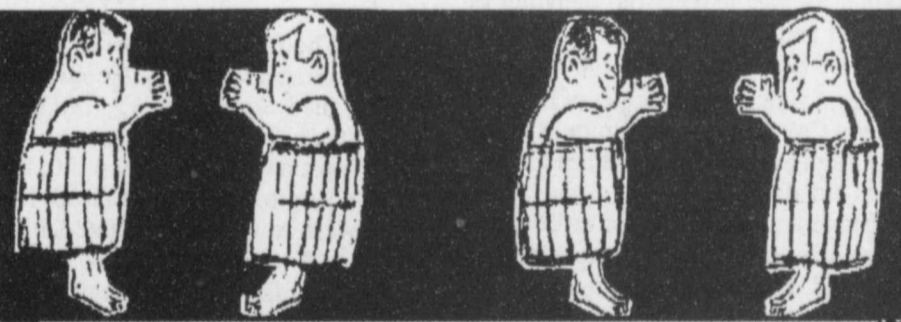

Oh By the Way—before I forget—the Tuesday night listing for NYPD Blues in your TV guide was a misprint. They still aren't going to broadcast it.

I asked the public relations office of KAMC what kind of reaction they had had about their decision to not run NYPD Blue in a prime time slot.

I talked to a fellow named, Greg. Greg said they had had all kinds of reactions—from very happy to very angry. He said it was hard to tell who was calling the most.

He said that at first they were getting calls from the "very happy"—but the "very angry" were beginning to catch up.

He wanted to make it clear, however, that even though they appreciated everyone's comments they were not the deciding factor. "No one group influenced us," he said. "We are not reacting to comments one way or the other—it was a very difficult decision. But we had to decide what we felt was appropriate for our community and what was appropriate for prime time."

# Board delays action on hospital opening

Continued From Page 1  
involved in opening with so few physicians. This would be difficult for Dr. Tomasevic and the PA to cover an emergency room situation on a 24 hour a day basis without hiring outside temporary physicians.

Another area of concern to Albert was possible transfer situations when the PA is on duty. According to Albert, transfer of a patient requires a physician's signature and it would be questionable to have a PA signing. He suggested seeking legal advice before taking this course of action.

Ammons told the board he had checked into it and that a PA's signature was acceptable as long as a physician countersigned within 24 hours since this is classified as a medically underserved area. The only thing necessary would be for the board to approve this course of action and include it in the by-laws of the facility.

Board member Tom Farris questioned the advisability of "trying to force the hospital open on a shoe string without an adequate staff of doctors." He stated that the odds of keeping it open were not good under those circumstances.

## COURTROOM ACTIVITIES

In District Court, September 20, Vince Alan Hope, 32, of Snyder, pled guilty to arson. The arson occurred on May 11, 1993. Hope was sentenced to 10 years in TDC.

Also in district court, the probation of Ramiro Briones, 39, of Floydada, was revoked. He was sentenced to eight years in TDC. He had been placed on probation after he had been convicted of forgery. The probation was revoked because he had been convicted of a charge of possession of marijuana in Virginia. Briones has already served his time in Virginia.

Chad Allen Moseley, 18, of Floydada, pled guilty to Burglary of a Motor Vehicle. He was sentenced to 10 years probation and a \$500.00 fine, plus restitution and court costs.

In county court, September 16 the following cases were filed:

- Denis Baldwin, Criminal Trespass, no disposition;
- Calvin Craver, Driving While License Suspended, no disposition;
- Calvin Craver, 39, of Floyd County, DWI, no disposition;
- Raul Cruz, Jr., Obstruction of Arrest, no disposition;
- Lionel Oscar Garza, 23, of Floyd County, DWI, no disposition;
- Matilda Hernandez, Theft, no disposition;
- Clara Porter, Obstructing Arrest, no disposition;
- Clara Porter; Interference With Duties of Public Servants, no disposition;
- Coedella Porter, Interference With Duties of Public Servants;
- Alvin Simon, Driving While License Suspended, no disposition;
- Darolyn D. Williams, 27, of Floyd County, DWI, no disposition;

... No action concerning the purchase of software to operate the clinic.

Board president Fred Thayer stated that the board would want to hire temporary emergency room doctors for at least two weekends a month until additional full time physicians are recruited to avoid stress on Dr. Tomasevic and the PA. He also said that whatever plan is decided upon for opening the hospital, the full support and cooperation of Dr. Albert would be needed in order to make it work.

No decision was made by the board and no action was taken at the early morning regular session. A work session was scheduled for Tuesday, September 29, at 7:00 a.m.

Other items on the agenda included: ... Motion was made by Kenneth Pitts to purchase general liability insurance for the facility. It was seconded by Joy Assiter and approved by unanimous vote.

... No action was taken to appoint a medical staff.

... Tabling action of a personnel manual.

... No action concerning a policy & procedure manual as the manual is not ready yet.

... Monthly bills were approved for payment and the financial report states that the district has approximately \$500,000.00 in funds at this time.

... Ammons reported that a situation exists in that several items on the districts inventory are no longer on the premises. It will be looked into further during the work session.

... reading and approval of minutes from previous meetings.

## Chamber making goodie bags

FLOYDADA—The Floydada Chamber of Commerce is currently taking donations from area businesses to include in complimentary "goodie bags".

"Visitors who stop into our chamber office are always looking for mementos from Floydada that they can take with them," said Chamber Manager Brenda Clampitt.

"I am putting together bags that I would like to fill with donations from local businesses, such as pens and calendars with the businesses names on them."

Anyone who would like to help the chamber welcome visitors should drop off their donations at the office or call 983-3434.

Clampitt will also be placing a community event calendar in the chamber

exists in that several items on the districts inventory are no longer on the premises. It will be looked into further during the work session.

## Heart Association sponsoring Heart Walk October 23

The American Heart Association will sponsor an American Heart Walk, Oct. 23.

The Floyd County Chapter is currently recruiting teams for the event, which will take place at the walking path near Floydada High School.

Walkers will take pledges to sponsor their walk and will collect donation depending on the distance they travel.

Anyone interested in participating should contact: Kay Brotherton, Grant Hambright or Tommy Farris.

# Council adopts budget, sets tax

**By Juanita Stepp**  
**FLOYDADA** — A public hearing was conducted concerning the 1993-94 proposed City of Floydada operating budget. No one was present to speak at the hearing and the council proceeded with a vote to approve Ordinance #757 adopting the proposed \$4,285,948.00 in budget expenditures. Motion for the action was made by Eric Cornelius and seconded by Leroy Burns. All present voted in favor of the motion.

The budget beginning October 1, 1993 estimates revenues at \$1,158,761.00 in the General Fund and \$489,300.00 in the Water Fund. Farm revenues are expected to total \$13,450.00 and the Sewer Fund should see \$146,000.00 taken in during the year. The Electric Fund revenues were

estimated at \$964,500.00 and the Health Fund at \$9,600.00. Money to be transferred from reserves was placed at \$870,493.00.

A motion by Amado Morales, seconded by Cornelius, was unanimously approved adopting an ad valorem tax rate of 40 cents per \$100.00 valuation for 1993. The money collected as a result will be used to support the budget for the 1993-94 fiscal year of city operation. This tax rate remains the same as last year with no increase to taxpayers.

Proposals were presented to the council by Sam Baker of Goen & Goen Insurance Agency of Floydada, Foy Pricer of Texas Municipal League of Austin, and Dan Wilkins of the Dodson Agency of Plainview for health insurance for city employees for the coming year. After hearing the proposals and discussing the plans, the council voted unanimously to renew coverage with TML on a motion by Schacht, seconded by Morales. The council will allow the Dodson Agency to present a plan for coverage of out of pocket expenses to the employees who may choose to purchase it on their own.

Ordinance #759 was approved on a motion by Clar Schacht, seconded by Dale Lawson, setting new rates for garbage collection. The vote was unanimously in favor and the new residential rate will be \$14.00 per month per household. Commercial rates will also rise, with businesses with one dumpster and one pickup a week being charged \$18.50 per month. Two pickups per week would cost \$32.50 and three would run \$46.50 per month. Current customers from outside the city limits must pay an additional \$2.00 per month on top of these new rates.

A mutual aid agreement between the city, Floyd County and the City of Lockney was approved and will be signed when all three entities have agreed to the pact. This will allow law enforcement personnel from all parts of the county to assist each other when asked to do so and spells out the duties, obligations and liabilities of each entity in such cases of assistance.

Two traffic control ordinances were adopted by the council during the session. The first authorizes the installation of four way stops at South 3rd Street and West Ollie Street and at South Garrison Street and West Ollie Street. The second approves a 20 mile per hour speed limit on East Thornton Street from 12th Street to 14th Street.

Annexation of a housing area adjacent to the Ralls Highway was approved and the ordinance will be forwarded to Washington, D. C. where the Justice Department will have 60-90 days to rule on the suitability of the annexation.

A public hearing was scheduled of the next regular council session concerning a request for a variance for Harold Snell. He had asked permission to erect a larger than code storage building on his property in the 400 block of West Missouri. The plan was approved by the Planning and Zoning Committee on September 7.

A second required public hearing for the 1993 TCDF application concerning a water line grant was held with no one in opposition.

An offer from Letha Ledbetter to purchase a tax sale property was withdrawn during the council session. No action was taken on the issue.

Members were appointed to several boards under the jurisdiction of the city. Bill Brown, Jim Crawford and Louis Lloyd were appointed to serve two year terms on the Airport Board. A fourth position, that of Jerry Thompson who died suddenly on Wednesday, was not filled. The council opted to allow the

Airport Board to make a recommendation for a replacement.

Eric Cornelius was reappointed to serve as the city representative on the Floydada EMS Board of Directors. Doyle Walls was again selected to represent the city on the Floyd County Central Appraisal District Board of Directors.

Four members of the Planning and Zoning Commission and Board of Adjustment were reappointed. They include Monte Williams, Kyle Smith and Isidro Sanchez for two year terms and Ralph Jackson for a one year term. Joining the board will be Barbara Gilliland for a one year term replacing J. Royce Bradshaw.

Other action at the monthly session on Thursday, September 16, included:

... City manuals for personnel policies and procedures were updated and approved by the council and holiday off times were set for Thanksgiving and Christmas. All city employees will be off for Thanksgiving Day and the Friday following. Christmas holidays will see half of the city employees off on Friday before and the other half on the Monday after.

... The Floyd County Hesperian-Beacon was designated the official newspaper for the city. All legal notices will be published in the local paper as required by law.

... Approval was given to advertise for a new pickup and a new police vehicle as provided for in the 1993-94 budget.

... Council member Cornelius was authorized to look into the possibility of getting vacant buildings painted with mural type scenes to beautify the city. He will report back to the council at a later date. The suggestion was made that the local art students might be able to do the painting for extra credit.

... Council approved closing an old bank account dating back to 1967 with Ameritrust N. A. in Dallas and requesting the balance, \$125.00, be forwarded to the city at this time.

... Minutes of the previous meetings were read and approved.

... Monthly bills were approved for payment and line item adjustments were made to the 1992-93 budget which ends this month.

## FISD sets tax rate of \$1.08

**By Juanita Stepp**  
**FLOYDADA** — Meeting in called special session on Monday, September 20, 1993 at 1:00 p.m., the Floydada Independent School District Board of Trustees voted unanimously to set a 1993 ad valorem tax rate of \$1.08 per \$100.00 valuation. Motion for the action was made by Mitch Probasco and seconded by Billy Joe Villarreal.

Attending the short called session were board members Charlene Brown, John Campbell, Mitch Probasco, Trena Simpson and Billy Joe Villarreal, school superintendent Jerry Cannon and administrative assistant Jimmie Collins.

## THANK YOU ALL!

We would like to thank the people of Floydada for the many wonderful ways you expressed your concern for us during this devastating tragedy. The many phone calls, flowers, crying with us, memorials, prayers, cards of sympathy, and all the delicious food that was brought to the home showing us how much you care.

Without God, friends, and the support of family this would have been totally unbearable.

A special thanks to Brother Hal, Brother Bradley, Mike Holster, Bill Smith, Penny Giesecke and Roberta Hardin for the beautiful service.

We want to thank everyone that attended the service. What a comfort to us and what a way to tell Jerry goodbye. Jerry would have been so proud.

Pastors are like Jerry, they love everyone and we need to love and support them and when we do they will return that love tenfold.

Jerry loved Floydada and wanted the very best for Floydada. He worked hard trying to keep Floydada a place to be proud of.

Greg, Mark and I appreciate and thank everyone for their love, support and loyalty to Jerry and for your continued love and support of us.

Jan, Mark, Greg and Jamie

## 1956 Club plans "Tater Bake"

**By Linda Harbin**  
The 1956 Study Club began its new year on Sept. 14, with a picnic in the lovely backyard setting at the home of Rozanne Bishop. Helping to host the event, Melissa Long and Sharon Rainwater served assorted sandwich meats, cheeses, chips, dips and fruits to members and guests. After enjoying the meal outdoors, the group moved inside for the business meeting.

Each member answered roll call by telling about the most memorable secret pal gift she has received. Minutes from the May meeting were read and approved. Correspondence of thanks was read from Holly Henderson for the scholarship, Sharon Rainwater for honoring her as Club Woman of the Year, Latresa Miller for remembering her when her Dad died, and Amanda Parks for sending her to the leadership seminar. A letter of resignation was read from Sharon Henderson. Jennisu Smith asked to be recognized as an associate member.

Atha Sue was nominated and elected to fill the office of first vice-president, vacated by Sharon Henderson. The treasurer's report was read and the club voted to donate \$25 to the Miss Floydada scholarship and \$50 to the Day Care Center Spaghetti Supper. It was decided to again buy an ad in the F.H.S. yearbook.

Club yearbooks were passed out and members discussed activities that are planned for the year. Atha Sue discussed assignments for the Tater Bake that is coming up October 8. Members signed up to work two shifts and bring three pies each. The group was divided into teams to have a contest for ticket sales.

Secret Pals were revealed and new secret pals were drawn. The club adjourned with the reading of the collect.

## Dougherty Homecoming slated Saturday

The Dougherty Community will be gathering for a homecoming reunion on Saturday, Sept. 25, beginning at 10 a.m. in the Massie Activity Center in Floydada.

All residents and former residents are invited to attend. Those planning on attending need to R.S.V.P. to Irene King, 983-3960, or Virginia Cage, 983-3811. The meal will be catered.

## Whirlwind Sams travel to Littlefield

**By Marjorie McElyea**

The Whirlwind Club left the Massie Activity Center Friday morning about 8:30 a.m. enroute to Littlefield for a campout. We arrived about 10 a.m. and were met by the Chamber of Commerce with coffee and donuts for all, along

with a welcome to their city.

Friday afternoon we toured the Denim Factory. It was fascinating to see the cotton made into rope then thread, then dyed and it was amazing to see all the mechanics that go into a yard of denim. It was also great to see those

millions of yards of finished materials. Our guide was Margaret Criston. She was very patient to explain all the different phases of process.

Friday night we went to Anton to eat fish at Shirley B's.

Saturday some toured the town and the fellows had coffee and donuts. That afternoon we ladies went shopping. Later in the afternoon we had watermelon furnished by our trail boss Boone Adams.

We went to Cattlelacs Steak House for dinner. After dinner some played games at the Senior Citizens room and the others attended a community dance sponsored by the Senior Citizens. It was for the whole family and great fun. The youngsters enjoyed Cotton Eyed Joe and Put Your Little Foot and more.

Sunday devotion was given by Francis Weathersbee and since it was Rufus Lusk's birthday we sang the birthday song. President J.W. Gilbreath then led us in Happy Trails and we were then served coffee and cookies after which we departed for home.

Attending were the Millers, Adams, Weathersbees, Kendricks, Hartsells, Lusks, Russells, Lyles, Thaxtons, Norrells, Gilbreaths, McPhersons, Feuerbachers and McElyeas.

It was a short trip but a lot of fun for all.

## Floydada Senior Citizens News

**By Thelma Jones**

Mr. and Mrs. H.C. Payne and Mrs. Mattie Wester spent the last ten days with relatives in Baton Rouge, Louisiana, and while there Hollis officiated the wedding ceremony of Mrs. Wester's great-niece.

Mrs. Opal Earp's grandson of Denton spent Friday night with his grandmother.

We have a lot of deaths to report this week. Sympathy is extended to the families of Myrtle Self, Jerry Thompson and Sarah Beard, Allen Bingham; also to Bill Hardin on the loss of his sister; to Leroy Burns on the loss of his sister-in-law.

Mr. and Mrs. Turner Hunter visited with their granddaughter, Jerry and Gordon Hadgens and girls in Abernathy Sunday.

Mrs. Jimmie Jo West, daughter of Mrs. Irene King, was at home over the week with her mother, Mrs. Irene King.

Ila Hammonds, Willie McCormick and Pernie Leatherman visited Mrs. Eula Battey last week.

**ENGAGEMENT ANNOUNCED—Philip Wilbanks and Jo Bryant are happy to announce their engagement. Ms. Bryant has been a resident of Floydada for 34 years and is originally from Crowell. She is currently the Activities Director for the Floydada Nursing Home. She has two children and five grandchildren, with one on the way. Wilbanks, a native of Lubbock, moved to Floydada in January of 1992. He owns and operates the Farmers Insurance Agency in Floydada and has been associated with the same company since 1977. He is the father of five children and seven grandchildren, with two more on the way.**

## Floydada Nursing Home Happenings

**By Jo Bryant**

Hi! Once again, do hope this finds you well and happy and taking time to say "I Love You".

Monday started the week as usual Bro. Williams, United Methodist, gave the devotional. Irene Wexler played the piano. Edna Patton, Ivola Walters helped with the singing at 2:00 p.m. the residents painted ceramics.

Tuesday was room visits and at 2:30 the residents saw a film on Current Events.

Wednesday was Bingo. Mary A. Davis, Ray Beaty came and assisted the residents. Mona Dunn had the first Bingo.

From 12 noon to 3:30 was our annual Employee Picnic. Barbecue and all the trimmings were served. Games were played. The winner would get a ticket for the prizes. Those winning the prizes were Donna Thiesbaud R.N., lottery tickets; Hope Mendoza, clock radio; Dorothy Kerr, potato perfect; Janie Luna, silverware; Hope Mendoza, boom box. It was a fun filled day.

Thursday was our monthly birthday party. We had several guests. We had five having birthdays. Thanks go to the

ladies from the City Parl: Church of Christ for the chocolate cake, fruit punch.

Friday, Freida Simpson came and played the piano and gave the devotional. Joyce Lipham lead the singing.

On to Lockney to the Fair on the bus. Dairy Queen, Lockney, treated the residents to ice cream and drinks.

We thank all our churches for coming on Sunday to share with the residents.

Our girls have decided to do something different for our annual fundraiser on Punkin Days. They are making a quilt and will raffle it on Saturday afternoon. The tickets are \$1.00 each. All our employees will be selling them. The quilt will be on display prior to the raffle.

Our community expresses our love, sympathy to the family of Jerry Thompson. He will be greatly missed.

Thought: "Now is the Time" Now is the time, my friend, no longer wait.

To scatter loving smiles and words of cheer.

To those around whose lives are now so dear.

They may not meet you, in the coming year.

## Homebuilders hear health program

**By Jonelle Fawver**

The Homebuilders Extension Club met Sept. 14 in the home of Jonelle Fawver with five members, a guest and agent present. Barbara Willis, president, called the meeting to order and roll call was answered by "Tell ways you have revised recipes for a healthier heart."

Minutes of the last meeting were read and approved and the treasurer's report given by Jonelle. Gladys Widener, council delegate, reported from August meeting. Recommendations and rule changes to be presented at the state TEHA meeting were discussed and voted on by our club for Floyd County delegate to cast her ballot there.

The promotion of "No Sew Draperies" demonstration sponsored by the Floyd County Extension Service and council was brought to our attention to work on by Melissa Long, CEA.

"Food for a Healthy Heart" was given by Melissa. Cut out hearts were passed out to each and we were to list bad foods, for the heart, on one side and good foods on the other side. We were then given the five "steps for living longer and liking it."

The steps are: 1. Exercise daily and maintain normal weight; 2. Cut down on dietary fat; 3. Eat more fruits/vegetables; 4. Drink 8 glasses of water and, 5. Eat balanced varied diet from the food groups of A) meat, poultry, fish and eggs, B) dairy; C) cereals, grains and legumes and, D) fruits and vegetables.

We were given pamphlets of "15 Tips to Help You Avoid Too Much Fat, Saturated Fat, Cholesterol". Melissa ended her program with having five versions of dip for us to sample made with regular or light products as sour cream, yogurt

and cheeses.

Next meeting will be with Lillian Smith on Sept. 28. There will be Show and Tell and auction.

Refreshments were served to Gladys Widener, Sue Lovell, Barbara Willis, Murl Mayfield, guest Crawford Sandifur, agent Melissa Long and hostess, Jonelle Fawver

## Your Health\* Our Care

By Trina Wilson RN

Physicians are on the front lines of an ongoing battle against abuse of children and the elderly in this country. Reports suggest that nearly four million children and older adults are abused each year in the U.S.

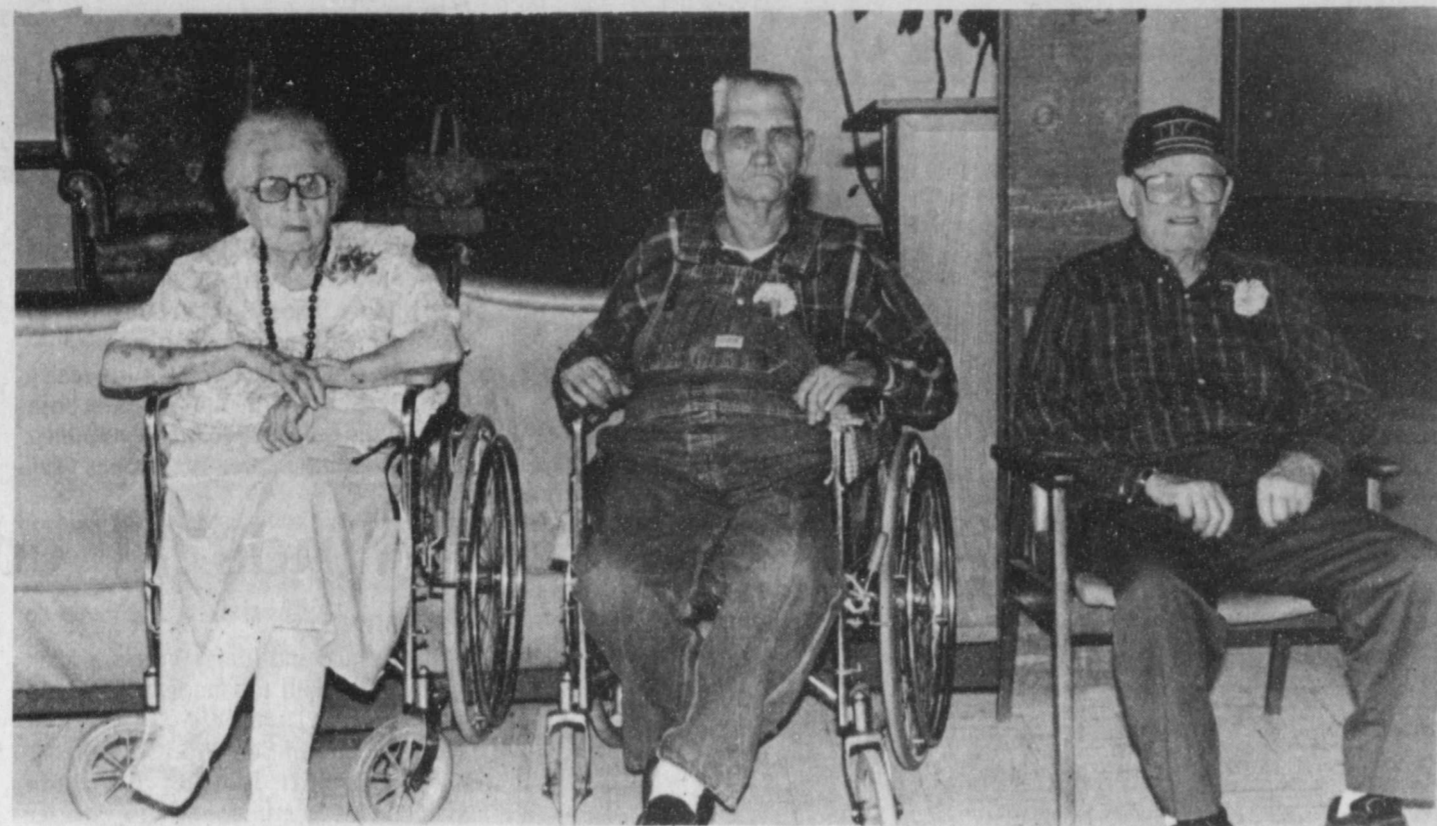

Every state has enacted laws requiring physicians to report child abuse to designated authorities. Physicians can face both civil and criminal liability for failure to report. While state laws are not uniform all reporting statutes define the types of abuse or injuries against children which must be reported, the type and format of report required (oral, written, or both), the agency to which the report must be made, and some provision of immunity from civil or criminal liability.

All states also have legislation addressing abuse of the elderly. The content and language of elder abuse laws are similar to child abuse reporting laws.

Many people are not as familiar with the warning signs of elder as they are of the warning signs of child abuse. The warning signs for elder abuse might include bruises or cuts which are not consistent with the patient's or caregiver's explanation of the injury, bruises or cuts to areas where people do not usually hurt themselves such as the inner thighs, injuries that suggest multiple causes, multiple bruises that appear to have been received at the same time, blood-stained undergarments, dehydration or malnutrition, and wound or skin lesions that do not appear to be properly tended.

As our population grows older it becomes the responsibility of the younger, more vibrant segment or society to protect those who cannot protect themselves. If you have observed or suspect abuse contact the following numbers: For suspected child abuse call Children's Protective Services 1-806-762-2680. For suspected elder abuse call 1-806-762-2680.

## Residents observe September birthdays

By Lorilla Bradley

September is a month of change . . .  
From Summer into Fall . . .  
And before we hardly know it  
The snows will come to call!

Mrs. Roberson we will greet  
. . . She counts from 1902 . . .  
A lovely lady we must say . . .  
And very pretty, too.

To interest Ottis Johnson  
I'll tell you what it takes . . .  
A party filled with lots of fun  
And several kinds of cakes!

We honor Mrs. McConic  
. . . She dates from 1909 . . .  
We wish her Happy Birthday . . .  
At this her special time.

Mr. Holt we're greeting  
. . . He counts from 1903 . . .  
May all his days be happy  
And ever worry free.

We welcome Mrs. Bearden  
. . . Her years are 93 . . .  
She knows a lot of history . . .  
Just ask and you will see.

To serenade these people  
Let's do the Birthday Song . . .  
So get your "vocals" ready

And sing out good and strong.

Thursday, Sept. 16, was party time at the rest home with members of the City Park Church of Christ hosting. The Hesperian photographer came for the picture-taking followed by everyone being ushered into the dining room.

The "honor" table was laid with a white cloth and centered with an arrangement of silk roses in a crystal vase. Each honoree wore a fresh corsage compliments of Williams Card and Flower Shop. Their places were marked with special cards.

We are sorry Mrs. McConic was unable to attend. Mrs. Bearden wel-

comed her son, Connie and daughter-in-law, Ray Nell along with Arla Williams and Alma Smith. Opal Guffee was visiting her husband, Clarence.

Jo Bryant read a brief history of the life and times of the honorees. The poem was read and all joined in singing the Happy Birthday song. A most delicious chocolate cake along with angel food cake was on the refreshment plate enhanced by a tangy fruit punch which was served to the honorees, guests, home residents and employees.

The next party will be Thursday, Oct. 21, 2:30 p.m. We surely appreciate our guests and we invite you to be with us.

## Sterley exes unite for reunion

A few former students of the Sterley School in the early 1930s met to reminisce about their school days and view pictures from the past.

They gathered at 11:00 at Furr's Cafeteria in Plainview and enjoyed lunch on Tuesday, Sept. 14.

The first time the group met was in May 1987.

Students in attendance were Katharyn

(Davis) Smith of Hale Center, Hortense (Byars) Phillips of Lockney, Lois (Clinton) Duncan of Plainview, Mason Pascual of Woodbury, Tennessee, Dorothy (Byars) Carthel of Floydada, Estelle (Byars) Carthel of Floydada and one teacher, May (Foster) Davis of Plainview.

Others attending included Cibell Pascal, Jack Smith, and Joe Phillips.

## Delta Kappa Gamma Society meets

The Iota Tau Chapter of the Delta Kappa Gamma Society met Monday, September 13 in Plainview. Hostesses were Rosalene Bassett and Sandy Williams. The Plainview members furnished a wide variety of salads for our enjoyment. We were happy to welcome Kay Williams of Lockney back. Her accident last spring had kept her from attending our meetings.

We regretfully accepted the resignations of Charolette Mitchell of Lockney; Nancy Floyd, Abernathy; and Nancy Priest, Abernathy. Nancy Baucum of

Plainview has moved to O'Donnell and has transferred her membership.

The program was presented by heads of various committees. They illustrated and explained the necessary components of a well rounded program.

## Senior Citizen Rockins

By Gene Newton

There were 65 present for a delicious supper on Thursday night.

We want to thank Kyle Brock for coming to the center and inviting all of us to the fair.

He told us about Senior Day on Friday, about the gospel singing, domino playing and several more events that were going on. He also brought some of the auction booklets down to the center for the seniors citizens.

"We have some swell young people like Kyle in our community."

The auction at the fair brought some over the six thousand mark. Pretty good for a small town. The Doug Bradleys really work at that for their community.

Effie Parker had her son and his wife, Alfred J. and Pat Smith, from Amarillo with her for lunch on Thursday at the center.

We have had several donations on our new room at the center. We do thank everyone who helped us, it is your organization. Also, anyone wishing to help should contact Harley Workman. I personally want to thank Harley for his man hours and concern on our building. Every little thing that is done means improvement. So lets improve our town and community.

Lets pray for the sick and less fortunate friends and neighbors.

# Fourth quarter comeback stuns 'Winds

**By Bill Gray**  
**FLOYDADA**—The Hamlin Pied Pipers, a Class 2A regional finalist a year ago, scored three fourth-quarter touchdowns to outlast the Floydada Whirlwinds 28-20 at Wester Field on September 17. Numerous Hamlin penalties and turnovers helped keep Floydada in the game as the Whirlwinds' offense failed to rush over one hundred yards for the second consecutive week. The 'Winds held leads of 14-0 and 20-7 before the visitors rallied with two scores in the final four minutes. The Pipers have registered victories over three straight Class 3A opponents to remain undefeated for 1993 campaign while Floydada's mark for the year now stands at 2-1.

Floydada's initial series following the opening kickoff stalled at the Whirlwind 47-yard line, but Tyrone Henderson's 44-yard punt nailed the Pied Pipers deep in their own territory for their first offensive sets. Hamlin managed four first downs and traveled 59 yards before Whirlwind defender Troy Johnson's hard hit of Piper quarterback Jason Pearce caused a fumble, which was recovered by Israel Medrano at the Floydada 26-yard line.

Four plays later Sammy Rodriguez found a wide-open Brandon Gilliland, and hit him with a 48-yarder for Floydada's first score. Henderson's conversion was good, and the 'Winds were up 7-0 in the closing seconds of the first period.

Floydada capitalized on a second Hamlin turnover early in the second quarter. Pearce's 3rd-down pass from the Pipers' 31-yard line was intercepted by Tate Glascock who returned it 13 yards and put the 'Winds back in business at Hamlin's 37. A play-action pass from Rodriguez to Gabriel DeLaFuenta covered 27 yards to give the 'Winds a 1st-and-goal at the visitors' 4-yard line. Sammy crossed the double stripe two plays later, Henderson kicked the PAT, and the Whirlwind lead was extended to 14-0.

Hamlin received good field position on the ensuing kickoff and moved 58 yards in only 5 plays. Passes from Pearce to James Clawson for 34 yards and a 20-yard TD toss to Roy Coleman put the Pipers on the scoreboard. Derek Moore's kick was perfect, and the visitors had narrowed the margin by seven points. The Pied Pipers staged a 6-play drive into scoring territory in the closing minutes of the first half, but a 40-yard field goal attempt by Moore, with :33 showing on the clock, was wide to the right. Floydada held the narrow 14-7 lead at intermission.

The early moments of the second half were virtually a replay of the first 24 minutes. Hamlin continued having turnover and penalty problems. Rodriguez, operating out of his cornerback slot, intercepted a Hamlin pass to give the Whirlwinds possession at midfield. The 'Winds took advantage of Hamlin's miscues four plays later as Rodriguez connected on an 18-yard pass-and-run touchdown to DeLaFuenta. An errant snap spoiled the conversion attempt, but Floydada was in control 20-7.

Following an exchange of punts, the Whirlwinds committed their only turnover of the evening. Piper defensive end Cory Mitchell intercepted Sammy Rodriguez's attempted pitch in midair and gave Hamlin possession at its own 38-yard line. It was the break Hamlin sought to change the momentum of the game. The Piper drove 55 yards in 7 plays, and David Bell carried in from seven yards out on the first play of the fourth period. Moore's kick attempt was thwarted by a bad snap, which was followed by an incomplete pass on the conversion attempt. Although the visitors trailed 20-13, the momentum and the 20 m.p.h. wind were definitely in Hamlin's favor.

Hamlin's defensive front stiffened on the 'Winds' next series, and forced Floydada to punt against the stiff breeze. John Weaver broke through Floydada's protection, blocked Henderson's kick, and the Pipers were again on the march from the Whirlwind 24-yard line. Mike

Ochoa recovered two Hamlin fumbles within three minutes, but Floydada was unable to capitalize on the turnovers. The Whirlwind defense was ineffective against the Pipers' potent attack in the late stages of the final stanza.

James Clawson scored on a 38-yard wingback reverse, and Pearce passed to David Bell for the two-point conversion to give Hamlin its first lead at 21-20 with 3:40 left in the contest. Following the Piper kickoff, the Whirlwinds failed to convert a 4th-down attempt, and Hamlin took over on downs at Floydada's 25-yard line.

It took the Pied Pipers only four plays to gain find the Whirlwind end zone. Jason Pearce carried in from a yard out with :30 showing on the game clock. Moore tacked on the extra point for Hamlin's surprising 28-20 final margin of victory. Rodriguez passed for 13 yards to Gilliland in a desperate attempt to stage a Floydada rally. The final horn sounded with Sammy firing blanks at midfield.

The Pied Pipers take their unblemished 3-0 record into Winters this week as they open District 7-2A play against the Blizzards. Floydada will lick its wounds and try to get back on the winning track. It won't be an easy assignment as the Whirlwinds travel to Lamesa for a date with state-ranked Reagan County, a 27-3 victor over Class 4A Lamesa last week. The Owls handed Floydada its most one-sided loss a year ago - a 28-0 blanking at Snyder. Reagan County rolled to an 11-0 record in 1992 before losing 50-14 in the playoffs' area round to eventual 3A state champ Southlake Carroll.

**BILL'S NOTES**

For the most part of three quarters the Whirlwinds held their own against the very physical and quick Pied Pipers. Hamlin's 200+ rushing yards wore down Floydada's defense in the late stages of the third period. When the game was on the line in the 4th quarter the Pipers simply out-muscled the smaller Whirlwinds. Hamlin had the speed at the skill positions to compliment the Pipers' "beef" in the trenches.

It would appear that the Pipers had the physical edge, but don't tell Gabby or Tate. It was earlier noted that Hamlin would have the largest and fastest overall bunch the 'Winds would face this year. If that's the case, Floydada should have an easier time - at least physically - for the remainder of the schedule . . . but, don't tell Reagan County THAT.

Coach Alan Cherry, in his first year at Hamlin after taking Hart to playoffs for several years, inherited a number of talented young men from his predecessor (who took the Pipers to the 2A Regionals a year ago). This team has the potential to go at least that far. However they are not a very classy act. There is a real problem with discipline, and it could derail them on down the road. The late hits, trash talk, etc. won't be tolerated by playoff officials. (There was even a verbal attack, by one of the Piper players, directed

against an adult member of the home field-furnished chain gang!) When lack of discipline such as this is witnessed, it should make Floydada all the prouder of its coaches and players.

For the defensive play of the game, I've got to hand it to Mitchell's picking off Sammy's pitch, which led to Hamlin's decisive points and the momentum change enabling the Pipers to pull out the game. Tate Glascock gets my nod for the defensive player of the game . . . plus, Tate gets my first "headhunter award" of the season for his several "sticks!" on pass coverage.

Offensively, the 'Winds have had better nights, but there were several bright spots . . . especially Sammy's well-thrown 27-yard toss to DeLaFuenta, which set up the Whirlwinds' second score. That play gets my nod for the offensive play of the game. That catch, along with his touchdown reception in the 3rd quarter and his 5+ yards-per-carry rushing output, makes it easy for me to name Gabby the offensive player of the game.

It doesn't get any easier. Reagan County will be even tougher than the Pipers . . . mainly because they are well-coached and disciplined. The Owls pretty well had their way last year, but the 'Winds made it easy a couple of times with some untimely turnovers. If the Owls don't take the 'Winds seriously, and if Floydada holds its mistakes to a minimum, there could be a real surprise at Lamesa this week.

After some of my bonehead "picks" last week, I think it's time for Bill's Picks to take a week's hiatus. I will, however, take this opportunity to congratulate Lockney on the 'Horns' first victory, and wish them luck as they open district play at home against New Deal.

## Coach's Comments

By Coach Dean Bates

We played a very large and talented Hamlin team last Friday night and had a chance to win the game. Our kids played hard, but we made too many mistakes to go ahead and finish the game out.

In the fourth quarter Hamlin really took advantage of our inabilities on both sides of the ball and were able to punch in the winning score. We face a very

talented team this week in Reagan County. They are just about the same level as last year, so it will take a solid effort from our youngsters this week.

They are very disciplined and well coached and will enter the game undefeated. We will be the visiting team in Lamesa with game time at 8:00 p.m. See you at the game!

## 'Winds JV edges Dimmitt

**By Bill Gray**

The Whirlwind Junior Varsity struck for two first half touchdowns and held on to nudge Dimmitt's JV 14-12 at Wester Field on Sept. 16. Capitalizing on a Dimmitt fumble, Floydada marched 65 yards for a first quarter score. Vernon Cooper carried in from 4 yards out and Nufo Cervera tacked on the point-after for an 8-0 Floydada lead.

Cooper scored again in the second period on a 3-yard run off the option. The conversion attempt failed, and the JV 'Winds were up 14-0 at the halftime intermission. Both defenses stiffened and neither squad threatened during the scoreless third quarter.

Dimmitt rallied late in the final stanza to score on a 40-yard pass with less than four minutes remaining in the game. Following a blocked Floydada punt, the young Bobcats struck for a last minute touchdown on a 5-yard run. Floydada's defense denied both of Dimmitt's conversion attempts to seal the hard-earned victory.

Monty Quisenberry, Vernon Cooper, Nufo Cervera and Monty Anderson were cited for their offensive efforts by Coach Lee Hurt. Named outstanding on defense for Floydada were Neal Nelson, Michael Molinar and Andy Outlaw.

The Whirlwind JV will travel to Hart for their next outing on September 23.

## Breezer Football Report

**By Bill Gray**

Floydada's two junior high football squads traveled to Dimmitt on Sept. 16 for non-district action. The 7th Breezers found the going rough as the young Bobkittens clawed their way to a 34-6 victory. Floydada's only score came on Gilbert Garza's 20-yard touchdown on a reverse.

The coaches selected Oscar Sanchez as the offensive player of the game and John Dunavant was praised for his defensive efforts.

Coach Jimmy Webster commented, "Dimmitt looked real good! They are really fast and have great size."

The coach stated, "If we do things exactly right and put out 100% the

whole game, we would play them tough . . . it would have taken our very best effort to beat them. I think things will be different next time if we continue to improve on our techniques and make our grades."

**8TH GRADE**

The 8th Breezers fared some what better as Dimmitt's 8th graders were victorious in a 12-0 defensive struggle. According to the coaches, Jason Campbell was recognized as the outstanding defensive player for Floydada.

The Breezer teams return to action on Sept. 23 when they host the junior high squads from Hart at Wester Field. Kick-off for 7th grade action is set for 5:30 p.m. The 8th graders are scheduled to play at 7:00 p.m.

# There's Always Been One Good Way To Insure Your Crop Investment. Now There Are Two.

Ask your local crop insurance agent about this year's new Group Risk Plan (GRP).

It's a pilot program being offered in selected counties and it provides an alternative to conventional Multiple Peril Crop Insurance policies.

It could be just right for you.

The cost is low. The dollar amount of protection is high.

Production guarantees and indemnity payments are based on the county

average yield rather than individual farm yields.

There's almost no paperwork and you don't need yield records.

Although GRP may not be for everyone, it's definitely worth looking into.

# Longhorns outscore Chieftains

by Scooter Cassler  
**LOCKNEY**—To paraphrase the late Dr. Martin Luther King: "It's come at last, it's come at last; Thank God Almighty, it's come at last!!" What has come is the anxiously awaited initial victory of the 1993 Lockney Longhorn football season.

In a high-scoring affair that saw fans cheering themselves hoarse and coaches reaching for their Roloids, Lockney outran Crosbyton to a 42-28 victory Friday night at Mitchell-Zimmerman Field.

The Longhorns scored first in the opening quarter after several minutes of strong defensive play, forcing a Crosbyton punt and recovering their own fumble early in the quarter. With 8:54 left in the quarter, Quarterback Leo Vargas scored on a keeper from six yards out. After Patrick Monroe's kick the 'Horns led 7-0. The next Lockney score came at 1:31 left in the quarter as fullback David Luna blasted into the endzone from 20 yards out. Monroe's kick extended the Lockney lead to 14-0. Crosbyton's outstanding tailback Chris Williams quickly returned the favor for Crosbyton, racing to a 65 yard score from scrimmage with 57 seconds left in the quarter. This closed the lead to 14-6 after an unsuccessful point-after try.

The second quarter saw a rapid exchange of possessions, as the Chieftains defense forced a Lockney punt. Lockney safety Tanner Johnson quickly negated the Crosbyton excitement with an interception of a Tommy Brian pass. The interception was overturned by a Lockney penalty, returning possession to the visitors. Williams quickly capitalized after the penalty with a 19 yard scoring burst with 7:34 left in the half. The point after try was unsuccessful, closing the score to 14-12.

On the ensuing kickoff halfback Phineas Riddley excited the crowd with a 36 yard kickoff return giving the 'Horns good field position. The strong Longhorn offense then began a drive which culminated with a Riddley plunge into the endzone only to find this score disallowed by another penalty. After the step-off of this penalty, Crosbyton's defense forced a fumble which they recovered on their own 2-yard line.

This success was immediately overturned by the Lockney defense, forcing a Chieftain punt. Nose guard Carlos Raisse blocked the punt at the 7 yard line and the offense quickly converted with a 1 yard scoring pass from Vargas to Riddley. The point after try for two was good, stretching the lead to 22-14

just before halftime. Vargas capped the quarter by intercepting a Brian pass and returning it 35 yards, giving the Longhorns the final possession of the first half.

After a strong halftime performance by the Longhorn marching band, Vargas re-established the 'Horns defensive strength midway through the quarter with another interception return of 16 yards. In very quick fashion, the Longhorn offense struck again, with an unusual play probably not to be found in any playbook: a Vargas fumble in the endzone after a 9 yard run was recovered by center Max Green! The PAT kick by Monroe increased the lead to 29-12. Crosbyton's offense then displayed some strength of its own as Brian tossed to fullback Michael Naccenceno for a 30 yard strike and minutes later capped the drive with a 15 yard scoring strike to tightend Brady Underwood. With 55 seconds remaining in the quarter, the two-point PAT try closed the score to 29-20, Longhorns.

Fourteen seconds later, after the kickoff, Vargas raced to the goal line from 65 yards out, then kept the ball on an unsuccessful 2-point PAT attempt: Lockney 35, Crosbyton 20 after 3 quarters.

The fireworks were far from over, however, as the final stanza saw each offense score again and a successful possession by Lockney's second offense late in the quarter. Quarterback Vargas rekindled the pyrotechnics with a 76 yard scamper to set up his own 4 yard scoring plunge with 7:06 left in the game. Monroe's fourth PAT kick of the night stretched the lead to 42-20. Ever dangerous Chris Williams concluded the Crosbyton scoring with a 19 yard pass reception for a touchdown and a successful try for two, realizing the final score: Lockney 42, Crosbyton 28.

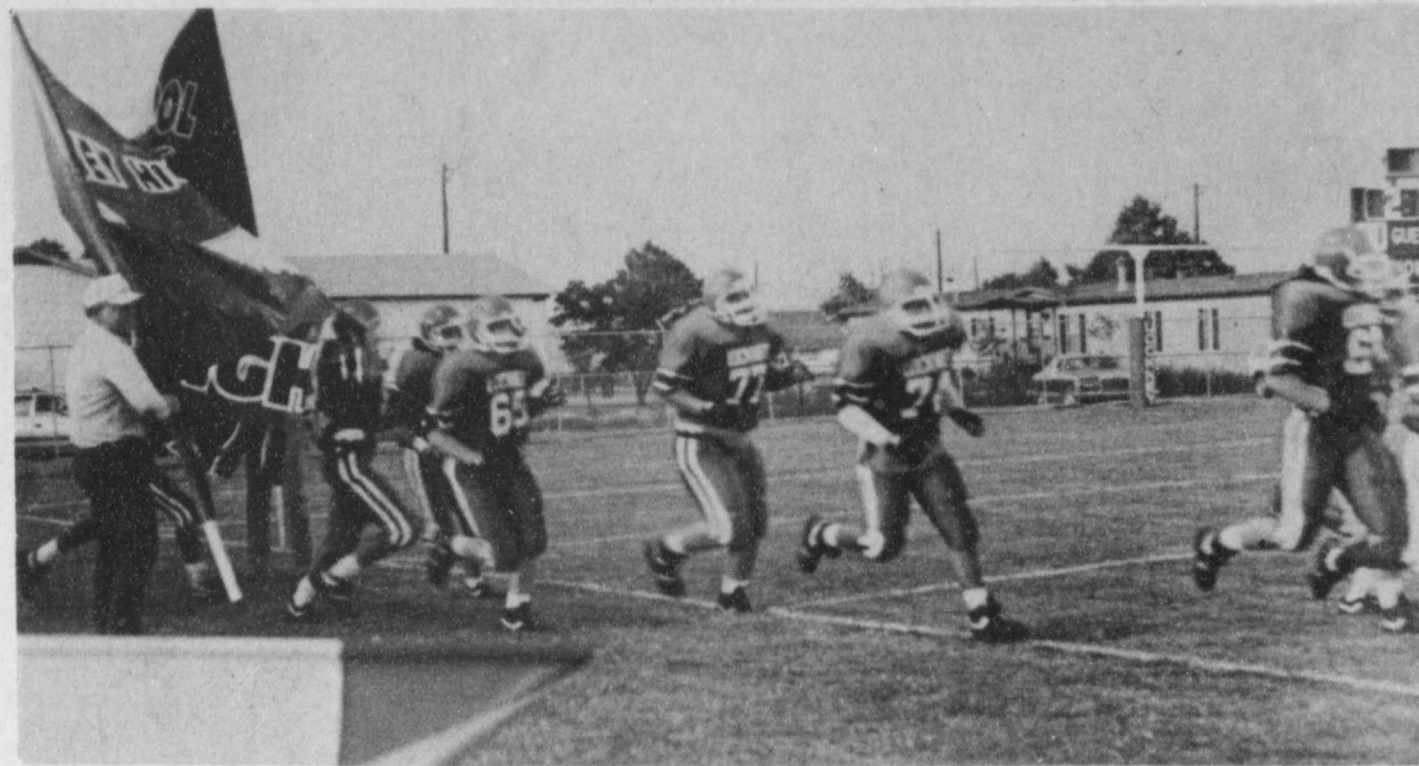

Congratulations to the Longhorn team and coaching staff for a very exciting win!! Come and support your Longhorns in their district opener Friday, September 20, at 7:30 p.m. at Mitchell-Zimmerman Field. See you at the game!!

# Simpson earns first place in third week of football contest

By Juanita Stepp  
 W.H. Simpson Jr. of Floydada wins the first prize check for the third week of the annual Floyd County Hesperian-Beacon Football Contest. He missed only 5 games on the weekly contest and will receive a check in the amount of \$25.00 for his efforts. Simpson was one of three contestants this week to miss

five games, tying with Gail Hale and Irma Vasquez, also of Floydada.

All three contestants selected Floydada to win, so the tie-breaker score was used to determine the first, second and third place winners. Simpson emerged with the top prize on a total combined score of 38 on the Floydada-Hamlin match, just 10 points of away from the actual score of 48.

Hale ranked second with a tie-breaker score of 28, twenty points away from the actual total. She will receive the second place prize check of \$15.00. Vasquez landed in third place with a combined score guess of 24, half the actual combined score. Her efforts will be rewarded with a check for \$10.00 on Friday.

Honorable mention goes to those who missed six games on the contest this week. They include Brent Sanders, Franklin Harris, Justin Reeves, Mary Ferguson, Michael Aleman, Jean Hale, Mike Anderson and Bob Alldredge, all of Floydada. Missing 7 on the contest were Phil Cotham, W. L. Carthel and Boyd Lee, all of Lockney, as well as Sheree Cannon, Katie/Abbie Sanders, Willie Mae Marricle, Aaron Noland and Brad Yeary, all of Floydada, and J. L. Self of Silvertown. Missing eight this week were Lockney entries from E. M. Pyle Jr., Holly Norwood, Pam Fulton and Noe Blanco Jr. Marivel Esquivel, Sammy Bradley, Carrie Davis, Keith Marricle, Chad Turner and Rodney Ferguson of Floydada also missed 8. Nine entries missed nine games before the misses moved into double digits.

**CONTEST RULES**  
 The contest continues to grow with 80 entries this week. Anyone above the age of seven is eligible to submit an entry

except employees of this newspaper and their immediate families living in the same household.

**No mail entries** will be accepted. All entries must be submitted on the official entry form printed on the Football Contest page each week. All entries must be taken to the Hesperian-Beacon Office, either at 102 W. Bryant in Lockney or 111 E. Missouri in Floydada. Each entry must be in the office no later than 5:00 p.m. on Friday of each week.

The contest is simple to enter. Clip out the entry form on the contest page and circle the number of the team you think will win in each of the games listed in the footballs on the page. If you decide two teams will tie, circle both numbers. Select a winner in each of the two tie-breaker games and write your guess of the total combined points of the two teams in the football. If a tie occurs in which a winner cannot be determined by using the two tie-breaker games, the prize will be shared by those tying.

Readers are reminded that entries are limited to one entry per week per person. Weekly winners are limited to one per household per week.

The contest entries will be graded each Monday following the weekend games. Results will be announced in the next issue of this newspaper and checks for prize money may be picked up at the appropriate Hesperian-Beacon Office, either in Floydada or Lockney, on Friday.

**SPONSORS**  
 Contest sponsors are again making the contest and the prize money possible. Shopping with these sponsor businesses will let them know you appreciate their sponsorship of the local contest. Sponsors this year include Attebury Grain, Cargill Hybrid Seeds, AgEquipment Group, Lambert Spraying, Schacht's Flowers, Jewelry & Gifts, Pay-n-Save in Floydada, Wilson Photography, R Photography, Floydada Implement, Floydada Coop Gin, City Auto, Thompson Pharmacy, Light-house Electric Company, The First National Bank of Floydada, Brown Implement, Floyd County Farm Bureau, the First National Bank in Lockney & the Floydada Branch, Script Printing and Office Supply, Higginbotham-Bartlett Company, Tipton Oil & Butane, Punkin' Patch Restaurant, Cornelius Conoco, Hale Insurance & Real Estate, Producer's Coop Elevator, Floyd County Seed, Muncy Elevator, J. # Seventh Grade shorthorns outlast Crosbyton opponents

by Scooter Cassler  
**LOCKNEY**—Thursday evening at Crosbyton witnessed the opening of the 1993 Lockney Shorthorn 7th grade football season. In a see-saw struggle for control of the line of Lockney outlasted Crosbyton 8-6.

The Lockney defense held the Chieftains offense scoreless several times inside their own territory, including a goal-line stand in the first quarter, denying a Chieftain score early in the contest. Lockney quarterback Bret McQuhae tied the game with a 60-yard scoring run

and then gave the 'Horns the lead with a successful two point PAT attempt: Lockney 8, Crosbyton 6.

All of the 'Horns defensive players performed well, holding a larger Crosbyton offense to only one score. Outstanding efforts were given by Chris Rodriguez and Cooter Durham; offensive standout was Bret McQuhae.

The Shorthorns will begin district play next Thursday against the New Deal Lions. The game begins at 5 p.m. at Mitchell-Zimmerman field. See you at the game!!

**SEVENTEEN HANDS HIGH** -- Lockney Elementary students were treated to a field trip to see the Kennedy Percherons during the Floyd County Fair last week. The youngsters were shown the technique for measuring a

horse by "hands" and other interesting equine facts by the horse handlers. The Percherons were on hand during the fair Friday and appeared in the parade on Saturday. -- Staff Photo

## County joins in national prayer

Floyd County adults and youth gathered at flag poles around the county, early in the morning, September 15, to join in the National Day of Prayer.

Well over one million people in every state joined in the prayer last year, and organizers expected that this year's number would be greater.

"See You at the Pole" is student led, but all across the nation adults have supported them by praying across the

street from their schools, at courthouses and city hall flagpoles, in church and from their homes.

In Floydada 58 youth gathered at the flag pole at Floydada High School. They were joined by 7 parents and two school personnel.

R.C. Andrews Elementary flag pole was surrounded by 21 children, 7 parents and 2 school personnel including Principal Ellen Enriquez.

Twenty-five adults met simultaneously on the courthouse lawn.

At Lockney City Hall, 11 adults prayed while 45 students circled the lawn at Lockney High School.

"See You at the Pole" is widely supported by most denominations, youth organizations and Christian leaders. Promotion is coordinated by the National Network of Youth Ministries, but no one organization is the sponsor.

## Duncan Elementary School holding annual open house

FLOYDADA -- Duncan Elementary School extends an open invitation to attend the annual open house sponsored by Duncan PTA.

The PTA has many exciting plans for the upcoming school year, and encourages all parents of Duncan youngsters to join the fun on Tuesday, September 28 at 7 p.m.

Parents can take this opportunity to

view their child's room and meet with their teachers.

PTA is a grassroots organization made up of parents, teachers, and others around the state who have a special interest in children, families and schools.

The 1993-1994 PTA officers are: Julianne Cornelius, president; Melanie Beedy, membership chairperson; Shawnda Greer, project chairperson; Judy Dunlap, programs chairperson; Sandra Bradley, secretary; and Dee Leatherman, treasurer.

**FJHS PEP SQUAD** -- Members of the 1993 Floydada Junior High Pep Squad include: (back row, left to right) Shanna Mensch, Laura Dean, Mandi Yeary, Shannon Ware, Mary Jane Cisneros, Amanda Green, Reagan Pernel; (middle row) Melissa Perez, Stephanie Emert, Jennifer Hernandez, Jessica McCary, Roni Emert, Dea

Watson, Meredith Schacht; (front row) Jennifer Luna, Linda Vargas, Angie Medrano, Royanne Mercado, Elena Chairez and Esmeralda Saldana. Eighth grade officers are Capt. Angie Medrano, Lt. Stephanie Emert and Shannon Ware. Seventh grade officers include Roni Emert, Mandi Yeary and Royanne Mercado. -- Staff Photo

**R. C. ANDREWS ELEMENTARY** students enjoyed lunch on the school lawn last Friday, followed by a face painting session before a noon pep rally on campus. The youngsters were enthusiastic in their support of the FHS Varsity team as it prepared to meet Hamlin on Friday night. -- Staff Photo

## R. C. Andrews students to celebrate Constitution Week

FLOYDADA -- Andrews Elementary School in Floydada will celebrate the 206th anniversary of the signing of the United States Constitution during a Thursday, September 23, ceremony. Included in the ceremonies will be the presentation of a certificate of appreciation from a representative of U. S. Senator Phil Gramm's office.

The ceremony will take place at 1 p.m. at the Andrews Elementary School, 215 N. White St. The public is invited to attend.

Jennifer Crabtree, director of Gramm's office in Lubbock, will deliver remarks regarding the significance

of Constitution Week, which the nation is observing Sept. 17-23.

### Andrews Elementary hosting open house

R.C. Andrews Elementary School would like to invite parents to "Meet The Teacher" on Tuesday, Sept. 28, from 4:00 p.m. to 7:00 p.m.

Parents may pick up their child's report card and visit with the classroom teachers at that time.

### No school in Floydada Monday

The Floydada Independent School District will be conducting campus staff development workshops on Monday, Sept. 27; therefore, students will not attend classes on that date. Classes will resume at their regularly scheduled time on Tuesday, Sept. 28.

Other scheduled staff development days for the 1993-94 school year are: Dec. 6, Feb. 24 and 25, March 28 and April 29.

**CHEERING FOR THE TEAM** -- Floydada Varsity Cheerleaders led enthusiastic Andrews students and other fans in yells supporting the FHS Varsity at a pep rally last Friday. The students had crafted paper whirlwinds and footballs in honor of the local football team. -- Staff Photo

# Citizens dedicate Wall of Pride

Continued From Page 1

students paint a mural downtown but we worried about vandalism of the wall."

The project continued to grow from that point on. With the thought of vandalism easily ruining a painting and the strong desire to get everyone involved, Mosley came up with the idea of a mural made out of clay. Individual tiles would be created by students and other Lockney citizens with any kind of unique design or an individual's name.

"We feel like this wall and the effort that was put into the project by students and the community accomplished the intent of the Ford Foundation grant better than anything else that could have been done."

In the fall of 1991, Mosley approached the Lockney City Council and requested permission to put the tile mural on a wall located at Main and Locust Streets. The land had recently been cleared by the city and plans had already been made to turn the small plot into a park.

Mosley had already designed the Lockney seal which is now centered on the mural. She presented the design to the councilmen and they unanimously agreed to turn the wall over to Mosley and her talented students.

"All the art students had a chance to present their ideas for the mural, but a committee of six students was chosen to make the final decisions concerning the design," said Mosley.

The committee consisting of: Jimmie Bradley, Cody Jackson, Samantha Salinas, Chris Villa, Ignacio Luna and Andy Stapp began the slow process of creating a design. The drawings were small at first and then enlarged in several steps.

"We wanted to depict the past and present of Lockney," said Mosley. "We had some very lively discussions in class before we finally decided on the drawing that was ultimately used."

"We wanted a covered wagon to be the first drawing and start off the picture, but it didn't look right. Then someone suggested a train, and since Floyd County has the only train tunnel in the State of Texas, I thought that should be added. So we started with a train coming out of the tunnel bringing settlers to this area."

"Every design had to have good composition and also be of importance to the community in some way."

The final drawing and the scene now depicted on the Wall of Pride begins with (left-right) a train leaving a tunnel, a horse drawn plow, a Longhorn steer branded with a double "L", a country church, a cemetery, an old Ford vehicle, the Lockney Christian College, an image of students long ago and another image of modern day students, the Lockney High School, the Fair Building, a Ford truck, a harvest picture of cotton, pumpkins, and wheat, a new tractor, a cotton field being sprayed by a crop duster and an irrigation pump spilling water into the ditches.

"Obviously we had to have the Double 'L' on the steer," said Mosley. "We wanted to depict the cattle industry and we thought it would also be a good way to promote our 'Lockney Longhorns.' The design process was also a great history lesson as the students learned that Lockney Christian College was eventually disbanded and is now Lubbock Christian College."

"When the students were going through old photographs trying to draw pictures of the students from a long time ago, they commented that the kids were all Anglo and no one was touching. They looked very prim and proper, so that is the way they were drawn."

"My students wanted their generation to depict students of all nationalities and holding hands," continued Mosley. "They felt it was very important for people to know that they truly cared for each other."

The drawing of the pickup brought up some small problems. What kind of pickup was it going to be? Were the students going to put GMC, Chevrolet, Dodge or Ford on the back?

One student arrived at the answer when he said, "We should make it a Ford, because without their grant money this wall wouldn't have been possible."

"This whole project meant so much to so many students," said Mosley. "They gave up lots of time that they could have been sitting in the Methodist Church parking lot visiting. Instead they were devoting their time to this mural."

"For instance," said Mosley, "the night before I was to present the drawing at a community meeting, I still did not have a drawing of the irrigation pump."

"I was in my art room about 10:30 p.m. working on the drawing and I heard someone knock at the door. Jimmie Bradley had brought me a sketch of an irrigation pump. He had gone out to his father's field and had turned the lights of his pickup toward the pump. He sat in the truck and sketched what he saw."

The process of enlarging the final picture took three weeks with 65 art students working every day. "We had to have two pictures," said Mosley. "One picture we used as a guide and the other one was cut up to use to transfer the design on the tile."

After each 12" X 12" tile was made, and dried for two weeks, they were put through their first "firing" at a temperature of approximately 2000 degrees.

The tiles were then numbered (to fit the pattern) and using carbon paper, the design was traced onto the tile. Three coats of glaze were then brushed onto each individual tile and then two coats of clear glaze were sprayed over that. The tiles were then fired again, finishing the process.

"Each firing takes 48 hours," said Mosley. "Only 21 big tiles can be done each time and because of breakage or flaws some tiles were fired three times."

The tile making process started in January, 1992. Six thousand five hundred pounds of clay was used to make 1,650 small blue tiles and 575 tiles for the picture design. This process alone did not end until the day before the mural was placed on the wall.

After each tile was made they were packed into boxes and taken to a room above the new addition of the elementary school. Laid out on the floor the creators could watch their design grow and keep track of missing pieces. After laying out all the tile it was noticed that one tile was missing—and only one day was left. Mosley quickly returned to the kiln and fired up one last tile.

Although the project took much longer than expected and consumed her life, Mosley did not feel the pressure, she said, until the clay was first ordered and turned out not to be the type of clay that was needed.

"In January of 1992 when we first ordered 4,000 pounds of clay it turned out to be the wrong kind of clay," said Mosley. "We didn't know that until we had made a lot of tile and they kept breaking and warping in the firing process. It turns out there was no grog in the clay. Grog is a sand that gives the clay strength."

"We contacted the company and the owner admitted the mistake. He personally delivered 4,000 pounds of new clay and took 2,500 pounds back. He ended up being very helpful and it turned out to be a good learning process. However, it did set us back several months."

Mosley says that she has met some wonderful people who have donated a lot of time and money to the project. "The money from the Ford Foundation got us quite a way into the project. We didn't start needing more money until we were into the glazing process."

"Cargill built drying racks for the tiles since there was not enough room in the classroom to lay them out. They also built a cinder block wall on top of the brick wall where we were going to place the mural. They donated the material and the labor for both of these improvements."

"Students used one day to sand down the cinder block wall to prepare for the installation."

"Marlon McDonald, of McDonald Construction, put up boards along the bottom edges of the wall so the tile could rest on them."

"Truit Whitehead, owner of Plainview Tile & Marble, agreed to be a consultant at no charge. He volunteered his time on Saturday, September 4, 1993, to help put up the circular seal in the center. He got that done in one day. We had to have the seal in first and then we worked out from there."

"September 7 we began gluing the tile on the wall. That process took five days. The grouting process, which was next, took four days," said Mosley. "I got a lot of ribbing during the grouting process. I had made a point of making the art students put a lot of texture in their tiles and then when we slid the grouting on it stuck in all of the texturing."

"We had to get the grout out of the tiles with toothbrushes and nail brushes. Smooth tiles would have been a lot easier and they didn't let me forget it," laughed Mosley.

"Rev. Tommy Beck and McDonald are going to get it ready to put brick around the edges and at the bottom. Beck has also volunteered to lay the brick."

"Randy Henderson has found a steel siding company that is going to donate siding and install it across the top. We will also eventually want to landscape the area. I have a dream that one day we can put lights shining down on the wall from under the siding and we want to add a plaque. Maybe someday we could have permanent viewers placed where people could see the top tiles."

Lisa Mosley and the proud citizens of Lockney are quick to point out that there is nothing like the Wall of Pride anywhere else. "This is historic," said Mosley. "We didn't want to leave anyone out."

Her desire to please everyone led an exhausted Mosley and crew to give the community one more day of tile making. "After we got the wall up we had so many people come to us and ask us if they could make a tile," said Mosley. "Many of them said they didn't know what we had meant when we advertised the tile making days. Once they saw the personalized tiles on the wall they wanted to be a part of it. We just had to give them another chance."

After announcing one more day of tile making, Mosley's art rooms were crammed with people anxious to leave their mark. Five hundred and eleven tiles were made on Sunday and must now go through the long glazing and firing process. "We got 150 more tiles than we expected," said Mosley. "We will go all the way to the east end with the tile we might end up with another row. I don't want to tile up all of the west end because we will be planting trees there. The trees would eventually cover the wall in that area."

Hallmark, speaking at the dedication ceremony, told the audience that the Wall of Pride cost less than \$6,000 to create and install. "If we had hired 'professionals' to do this job it would have cost \$215,000," said Hallmark.

The Wall of Pride has already earned it's name many times over as evidenced by the hundreds of people eagerly looking for their place on the wall and proudly showing it off to anyone standing nearby.

The beautiful colors grab your attention as you pass the wall and travelers are drawn to it to catch a glimpse of Lockney history and the names of the people who have made it a very proud community.

"My goal personally in all of this," said Mosley, "was for people to see these students as I see them. We think they don't care about anything, but this proves that they really do care. For some kids this wall is the only stability and permanence they have in their lives and they are committed to taking care of it."

"The Wall was dedicated to the citizens of Lockney: those from the past who settled and began our town; those in the present who continue to live here and make it grow; and especially to our children, who are our future."

Hallmark also summed up his feelings of the Wall of Pride at the dedication ceremony, when he said, "this project proves that living in a small town is the best kept secret in America."

## Sales tax rebates surpass 1992

By Juanita Stepp

September 1993 sales tax rebates made to Floyd County cities from the state comptroller's office have been received and year to date totals once more display an increase from last year for both Floydada and Lockney. Figures for each of the two cities indicate increases in monthly rebates when compared to August 1992 rebates.

Total rebates received in Floyd County this month were \$13,110.53, a decrease of 0.69 percent when compared to the \$13,202.36 received at this time in 1992.

Floydada's September check from the state comptroller's office was in the amount of \$9,418.57 showing an increase of 0.33 percent over the \$9,386.68 payment received in September of 1992.

Lockney displayed a decrease of 3.24 percent from the same period in 1992 in over all receipts. The city's September check was in the amount of \$3,691.96 compared to \$3,815.68 received in September 1992.

Area cities, their September 1993 rebates and percentage of change are listed below.

Quitaque;	\$1,135.87, -29.01%
Silverton;	\$1,427.47, -3.56%
Crosbyton;	\$5,887.19, -14.16%
Lorenzo;	\$1,773.53, -3.61%
Ralls;	\$5,838.32, +21.78%
Abernathy;	\$6,646.05, -9.56%
Hale Center;	\$3,307.50, +4.46%
Petersburg;	\$1,674.41, -13.30%
Plainview;	\$170,662.91, -1.97%
Idalou;	\$3,322.72, -29.96%
Lubbock;	\$1,896,975.06, +48.74%
Matador;	\$1,252.31, -17.70%
Roaring Springs;	\$2,440.01, -41.65%
Tulia;	\$16,076.77, -12.60%

Payments totaling \$117.4 million in local sales tax rebates went back to 937 Texas cities and 109 counties this month, according to the state comptroller's office. This month's sales tax payments include taxes collected on July sales reported to the Comptroller in August by businesses filing monthly tax returns.

Sales taxes are collected by merchants and forwarded to the state which retains a 6.25 percent share and returns the city sales tax portion to each city, county, hospital district or transit system. Neither Floyd County nor Lockney

General Hospital District and Caprock Hospital District levies a sales tax at this time. No qualifying transit system, which could also levy a sales tax, oper-

ates within the county.

All local sales taxes have been approved by local voters and may be used for any legal city expense.

## No Sew Draperies workshop is Oct. 5

The Floyd County Extension Home-maker Council will sponsor a No Sew Draperies workshop to be held Tuesday, Oct 5, at the County Extension Office meeting room.

Two workshops will be held, at 1:00 p.m. and 7:00 p.m. The hands on workshops will be given by Virginia McMahan associated with the Duitall Fabric Master.

At the 1 1/2 hour seminar, you will learn to create custom, professional quality window and decorating treatments with no rods, little or no sewing, at ground level, in only minutes and for up to 80% less in cost than other methods.

Bring your window measurements and a friend to practice step by step instructions with fabric and designer ring provided.

Pre-registration until Sept. 29 will be \$15.00 and same day registration will be \$20.00. To pre-register or for more information, call 983-2806, or come by the Floyd County Extension Office.

**LOCKNEY'S FIRST BALE**—Lockney's first bale of cotton, belonging to Glen Sutterfield, was ginned on Monday, September 20, at D&J Gin in Lockney. The dryland cotton, Variety HS 200, was grown northeast of Lockney. The bale weighed 465 lbs. Shown here are (L-R) David Foster of D&J Gin, and Glen Sutterfield. The first bale receives a bonus check from the Lockney Chamber of Commerce.

# Cotton harvest aid chemicals discussed

By Kerry Siders  
Floyd Co. Ag. Agent

Determining how much money to spend on harvest aids, like most farming decisions should be a straight forward business decision, but unfortunately the most important factor is unknown, the weather. Thus we are forced to examine the cost and return factors that we can predict and utilize historical weather patterns to make a decision, knowing that even the most thought out decision could turn out in error if the weather does not cooperate.

Yield gain or loss from use of harvest aids is caused by two competing factors, boll maturation and weathering loss. Due to the intense fruiting and abrupt cutout in most fields, we can delay harvest aid application in 1993 until maximum boll weight gain and thus only have to consider yield loss from weathering.

The High Plains experiences a relatively small amount of weight loss during its normal harvest period. However, 1993 bolls are opening during the wetter months of September and early October, and a larger loss due to weathering is possible this year.

Premature application of harvest aids decrease micronaire and can increase yellowness (lower color grade). However in 1993 we expect most fields will be allowed to reach maximum weight and micronaire. This year we have to contend only with the decline in grade (color, leaf, and bark) as the crop is delayed into fall.

Ginning, hauling and custom harvesting costs are set on the weight of seed cotton. Any leaf reduction in the seed cotton directly translates to dollars saved in harvest and ginning costs. A one percent increase in turnout due to

lower trash content, for example from 20 to 21, results in a \$4 savings per bale, for harvesting/modulating and ginning costs of \$1.25 and \$2.25 per hundred weight.

This year our crop has reached its maximum lint weight already. Most of the dryland fields prematurely terminated boll set due to drought, while the fully irrigated acreage benefitted from near optimum July and August weather that compressed boll setting and maturation. However, we should not read into this year a permanent change in our production practices. If next year's crop is late, we'll be back to squeezing every last pound out of the season and saving every last penny.

We have several techniques to determine when we can apply harvest aids and still retain maximum yield: percent open boll, sharp knife technique, and Nodes Above Cracked Boll (NACB).

Applying a defoliant (not desiccant) when the percent open bolls reach 60% has been a standard technique across the Belt, for a desiccant 80% is commonly used. Although this is still a useful gauge, more accurate techniques are now available. When the crop is set over either a rapid or prolonged period, the percent open boll technique can give erroneous recommendations.

Cutting into green bolls with a sharp knife is a highly accurate method to assess maturity. You don't even need to pick out the seeds, just inspect the cut cross section of seeds looking for signs of immaturity: any jelly left, glistening of free water in the boll, cotyledons white and not yellow/green, seed coat white and not tan or darker.

Nodes Above Cracked Boll (NACB) allows producers to determine when their field is safe to treat with a harvest aid and still reach 100% of the yield potential. To do this walk into 4 parts of a field, find 10 plants with a first position cracked boll, and examine the green bolls above. When all the green bolls are within 3 nodes of the cracked boll that field will reach 100% maturity and waiting any longer to apply a harvest aid will not increase lint yield.

In general, this will be the year when defoliating leaves (getting them to drop to the ground) will be very beneficial. Leaves are dropped by either applying low rates of desiccants on cotton that is naturally dropping leaves or applying defoliant and boll openers. Applying a high rate of desiccant (Cyclone) to green cotton can cause leaves to stick to the plant.

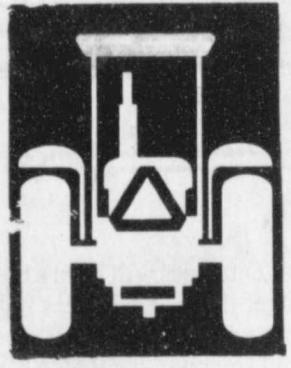

With the lack of rainfall in July and August, many dryland fields desiccated early. Leaves in these fields will have thick waxy cuticles (leaf surface wax) that inhibits the uptake of harvest aid chemicals. Under such conditions, less than ideal leaf drop is expected. Wetting agents should be added, especially a non-ionic surfactant with Cyclone. Applications of Cyclone applied just prior to 2 days of cool overcast weather will further lessen the benefit from this product.

Early test plots on short dried up cotton, evaluated 7 days after application, indicate that 16 oz. of Cyclone resulted in severe desiccation, while 8 oz. stuck some leaves and dropped some. Four ounces of Cyclone caused minimal des-

iccation and similar leaf drop as the 8 oz. rate. Rates between 4 and 8 ounces of Cyclone appear optimum on dryland low yield potential cotton. For more information contact the Floyd Co. office of the Texas Agricultural Extension Service.

<sup>1</sup> Use on cotton with natural leaf shed. These high rates can cause green, healthy leaves to stick. Always use a non-ionic surfactant when applying Cyclone.  
<sup>2</sup> No more than 32 ounces of Cyclone may be applied in any one season. The need for — and rate of — Cyclone in a second application will depend on the amount of green leaves remaining.  
<sup>3</sup> If percent open bolls has reached 75%, addition of Prep to open the remaining green bolls is rarely justified.  
<sup>4</sup> Besides crop maturity, the activity of Prep is affected by rate and temperature. Under cooler conditions, boll opening can be enhanced by increasing the rate.

## Floyd County Farm News

### Haying and grazing to be allowed

According to Bob Lotspeich of the Floyd County ASCS Office, word was received early Wednesday, September 22, 1993, that Floyd County has been approved for emergency haying and grazing of ACR and CU for pay. Producers must sign a register in the ASCS Office before haying or grazing ACR or CU for pay. Producers may contact the ASCS Office for more information.

## Brown sees new Magnum tractors

FLOYDADA—When JI Case lifted the curtain on the next generation of Case International MAGNUM™ tractors during a recent business meeting in Memphis, Tennessee, Steve Brown of Brown's Implement in Floydada was there to see the new machines and learn the specific benefits to his customers. Brown was among more than 2,000 Case IH dealers and sales personnel from across North America who attended business meetings held this week specifically for the purpose of introducing the MAGNUM 7200 Series high-horsepower tractors. The meetings provided a full day of informational and training sessions to acquaint Case IH dealers with key features of the five new tractors, which range from 130 to 215 PTO horsepower (97 to 160 kW). "More than anything, they build on the positive features of the 7100 Series MAGNUM tractors," said Brown. He explained that the original MAGNUM tractors, the 7100 Series introduced in 1987, represented the first real industry breakthrough in tractor design

in more than two decades. Tractors use proven and new technologies "At the meeting, we got a good, firsthand look at all five of the 7200 Series models," Brown said. "They have the features our customers have always liked about the MAGNUM tractors — 18-speed full powershift transmission, reliable Case diesel engine, super visibility and tremendous hitch capacity. They come with in-cab hydraulic flow controls, an extra-slow creeper-speed option and other features our customers have requested during the seven years since the line was introduced. And, naturally, they have lots of new features customers have been asking for. "I'm convinced that these new MAGNUM tractors will have every bit as much impact on setting standards in the industry as the original lineup did," he added. One major improvement is in turning radius, according to Brown. The turning radius with the new 7200 Series tractors is now as much as 11 percent tighter than on previous models. To achieve tighter

## Case International shows new line of Magnum tractors

Steve Brown of Brown's Implement was in Memphis, Tennessee last week to see firsthand this new line of Case International MAGNUM tractors. This new 7200 Series tractors incorporate the field proven engine, transmission, hitch technology and superlative cab comfort that are the hallmarks of the MAGNUM line, along with, among other improvements, tighter turning, easier servicing, more comprehensive hitch controls and, of course, new styling.

## Here's another necessity for your apartment.

If you are living in an apartment or duplex, this may be the first opportunity you've had to experience the terrific benefits of having natural gas in your home. You will find that for heating your home during cold weather,

for hot water, or for cooking, nothing beats natural gas for convenience, economy, and efficiency.

With cooler temperatures just around the corner, here are a few reminders from your friends at Energas Company on the safe and responsible use of natural gas where you live.

### Your furnace needs an annual check-up.

Your natural gas furnace has been sitting quietly all summer, waiting for the time it's really needed. And like anything that's been idle a while, your furnace needs a checkup before it starts back to work. You may want to check with your landlord or apartment manager about arranging for an annual inspection by a qualified professional heating contractor. Once it's been inspected, your furnace should require very little attention the rest of the winter.

### A closet isn't always a closet.

Your water heater or furnace is probably in a closet all by itself. And that's the way it should stay. As tempting as it may be, don't use the space around a water heater or furnace for storage. Even

if these major appliances sit in the open, the space around them should be kept clear to insure adequate air circulation.

### If you smell gas.

We hope that you will never have to deal with a gas leak. If you do smell gas, day or night, exit the building then call your local Energas office immediately. Do not flip light switches or use any other electrical equipment. Do not light a match or a candle. Do not try to find the leak yourself.

### For more information.

Get a free folder from your landlord or apartment manager. Or call your local Energas office.

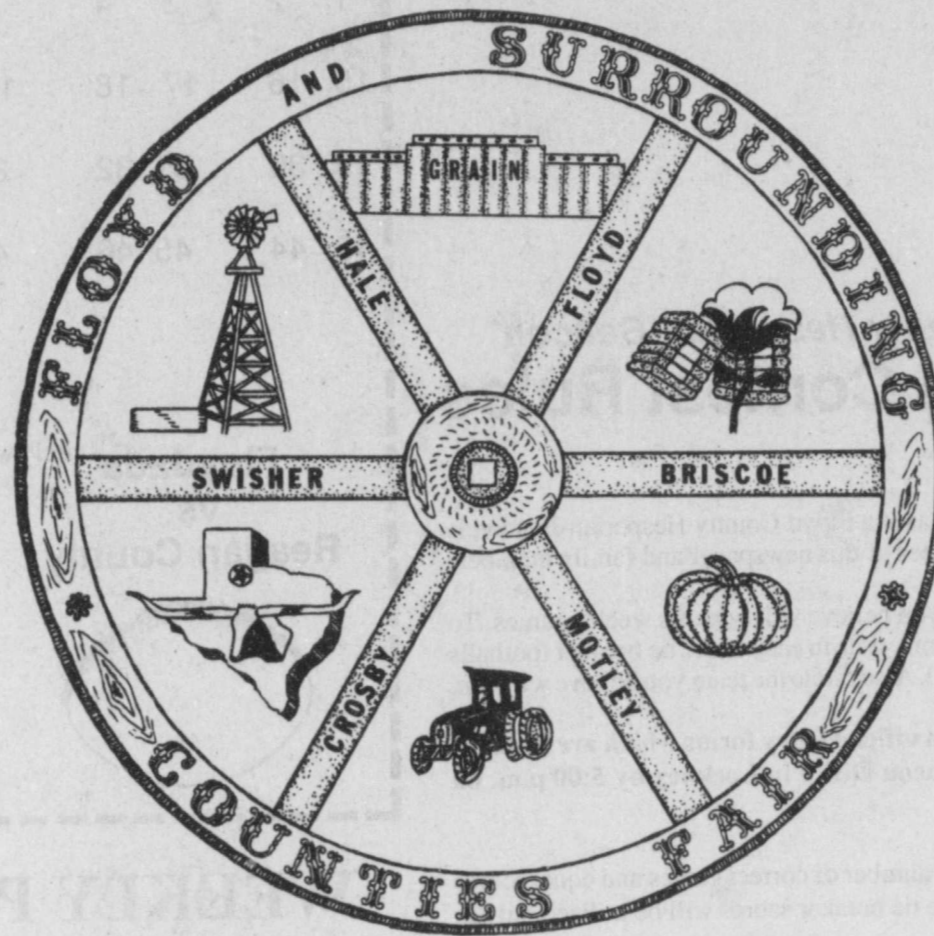

Natural gas is the best energy you can have in West Texas for any home heating job. Just set your thermostat, and have a great winter!

**ENERGAS**

We're proud to be your gas company

# Floyd County Hesperian-Beacon FOOTBALL CONTEST

**GOOD LUCK!!**

## Floyd County Hesperian-Beacon Football Contest Rules

Any subscriber or individual above the age of 7 years old who purchases a Floyd County Hesperian-Beacon is eligible to enter this newspaper's weekly football contest, except employees of this newspaper and family members living in the same household.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. In addition, write in each of the tie breaker footballs your guess of the combined total points to be scored by the two teams listed. Also circle the team you believe will win. Circle both teams if you think the game will end in a tie.

The only entries which will be considered for prizes will be those on official entry forms which are brought to the Hesperian-Beacon office in Floydada or to the Hesperian-Beacon Office in Lockney by 5:00 p.m. on Friday. No photocopies will be accepted.

**NO MAIL ENTRIES WILL BE ACCEPTED.**  
Three cash prizes are offered each week. In the event of ties - the same number of correct games and equal scores on the tie breakers - prizes will be shared by those involved in the tie. The tie breaker scores will be utilized only in the event of a tie on the number of games correct.

Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at the Hesperian-Beacon office before 5:00 p.m. on Friday.

Entries are limited to one per person per week. Weekly winners are limited to one per household.
