A view from
The
Lamplighter
By Ken Towery

A few months ago several boatloads of Chinese, brought here by avaricious smugglers, were dumped on our shores. Immediately there arose a hue and cry across the land concerning the issue of illegal aliens. Congressmen and Senators weighed in, along with a few governors, notably the Governor of California. One had hopes that finally, at long last, something was about to be done.

Then, just as suddenly as it began, it faded from the public arena. Quietness suddenly prevailed. Why is this? Why is discussion of something so terribly important to this nation's health and welfare approached so gingerly by elected officials? And even more gingerly by a national media that presumes to advise mere mortals on everything else, on ethics and morals, on economics and politics, on national policy and international policy?

We certainly don't know all the answers, but we have suspicions concerning at least some of the reasons. We suspect part of the answer lies in what might be called "the sleeping dog syndrome", which causes politicians to let sleeping dogs sleep, lest they bite those who wake them. We suspect some of those politicians who did in fact speak out immediately got bit.

Out in California, for instance, where the problem of illegal immigration is even worse than in Texas, one Cardinal Roger M. Mahony, the archbishop of this nation's largest Roman Catholic archdiocese, (which includes 1 million illegal immigrants among its 4.5 million members) told a gathering of state legislators, city council members and various business groups, that "undocumented" immigrants are entitled to universal health care at the expense of the American taxpayer, the same as if they were citizens of the United States.

The Los Angeles Times reported Mahony as saying, "Access to quality, adequate and affordable health care is a human right, not a privilege of class, economic status, citizenship or other qualifications."

Mahony was echoing, and emphasizing, the position of the National Conference of Catholic Bishops, which adopted a resolution in June saying that every person had a "right" to health care, including AIDS patients, the unborn, the elderly, etc.

It would be interesting to know how much taxes, income or otherwise, the good archbishop has paid into that kitty from which universal health care will be funded. And it would be interesting to know how his proposals would impact those of his parishioners who are in fact citizens, and usually good, hard working, tax paying citizens at that. But that's another story.

The Clinton Administration's health care plan does not specifically set aside funds for the health care of illegal immigrants. But it proposes a \$1 Billion fund for payments to hospitals for emergency room care, where many illegals receive treatment. That fund, of course, would come from taxpayers. Specifically extending health coverage to illegal immigrants, said a Clinton spokesman, would be "politically difficult." They did not say it would be wrong. Only that it would be "politically difficult." The special fund would be one way of straddling the issue, politically, while having the practical effect of taking care of the situation.

One of the cardinal precepts of western civilized thought, embodied in our laws, is that one should not profit from illegal acts. The law, for instance, frowns on the idea of one citizen defrauding another citizen, or one citizen killing another citizen in order that he might collect insurance he would otherwise have to wait for. But in the area of illegals that concept is tossed out the window. If a Guatemalan is able to enter the country illegally, eluding federal officers at every turn, the fact that he broke the law to get here, that he is breaking the law every day he remains here, is to be ignored. His health care is to be provided by a special fund, courtesy the citizen taxpayer.

The problems caused by massive illegal immigration is not something that was suddenly sprung upon the American people. It has been building since the late 1960s. Continued On Page 3

Annual celebration activities finalized

1993 Punkin Day draws nearer

By Alice Gilroy

Floydada's annual Punkin Days will celebrate its seventh year of festivities on Oct. 30.

The first Punkin Day was born in 1987. A local pumpkin producer approached a board member of the Floydada Chamber of Commerce with an idea of promoting Floydada pumpkins in the same way that Vidalia, Georgia promotes their onions or Idaho promotes their potatoes.

The idea was presented to the chamber of commerce and within two weeks the first Punkin Day celebration was held. With the help of a few very determined citizens the idea quickly took shape. The colorful harvest and festival has now received coverage from local and statewide television stations, area newspapers, national magazine coverage and has also been broadcast on national television shows.

The Floydada Chamber of Commerce and the Punkin Day Committee have continued to work very closely together to make this project an annual success. The two committees continue to keep the tradition of using the festival to promote the city and bring families to town. It has always been the philosophy of the committees that there should be "fun for everyone".

The money raised from the festival has always been used to further promote the city and to sponsor a bigger and better festival year after year.

FLOYD COUNTY PUMPKIN HISTORY

The history of the pumpkins in this county dates back to 1841 when a Santa Fe expedition passed through and stumbled upon a group of Indians. The Indians were startled and ran away leaving behind pumpkins that were quickly eaten by members in the expedition.

However, the real patriarch of pumpkins was long time farmer, B.A. (Slim) Robertson.

Robertson originally began with only ten acres of the orange crop and as the demand increased, so did his acreage. He became affectionately known as "the pumpkin man" and sold his pumpkin on the roadside next to his home, and later he began shipping truckloads elsewhere.

Today the legacy left by "Slim" has triggered a surge of community pride and enthusiasm as Floydada has eagerly risen to fame as "The Pumpkin Capital."

Lockney school enrollment is down from 1992 figures

By Neta Marble

LOCKNEY—Lockney school enrollment figures now stand at 820 students. This figure is down 13 students from the 833 students who were enrolled in 1992.

Yearly enrollment figures are difficult to compare during the first weeks of school because of the continuing enrollment but this far into the year they are fairly stable.

Elementary campus enrollment stands at 420 students. Seven of the students are Black, 269 Hispanic and 144 Anglo. Hispanics make up 64 percent, Anglo 34 percent and Blacks 2 percent of the student body.

Floydada shows increase from 1992 enrollment count

FLOYDADA—Enrollment figures for Floydada schools as of September 28, 1993 were 1,241 students, an increase of 59 students from the 1992 enrollment figures. Enrollment figures fluctuate throughout the beginning months of school and usually level off as seasonal workers move from town.

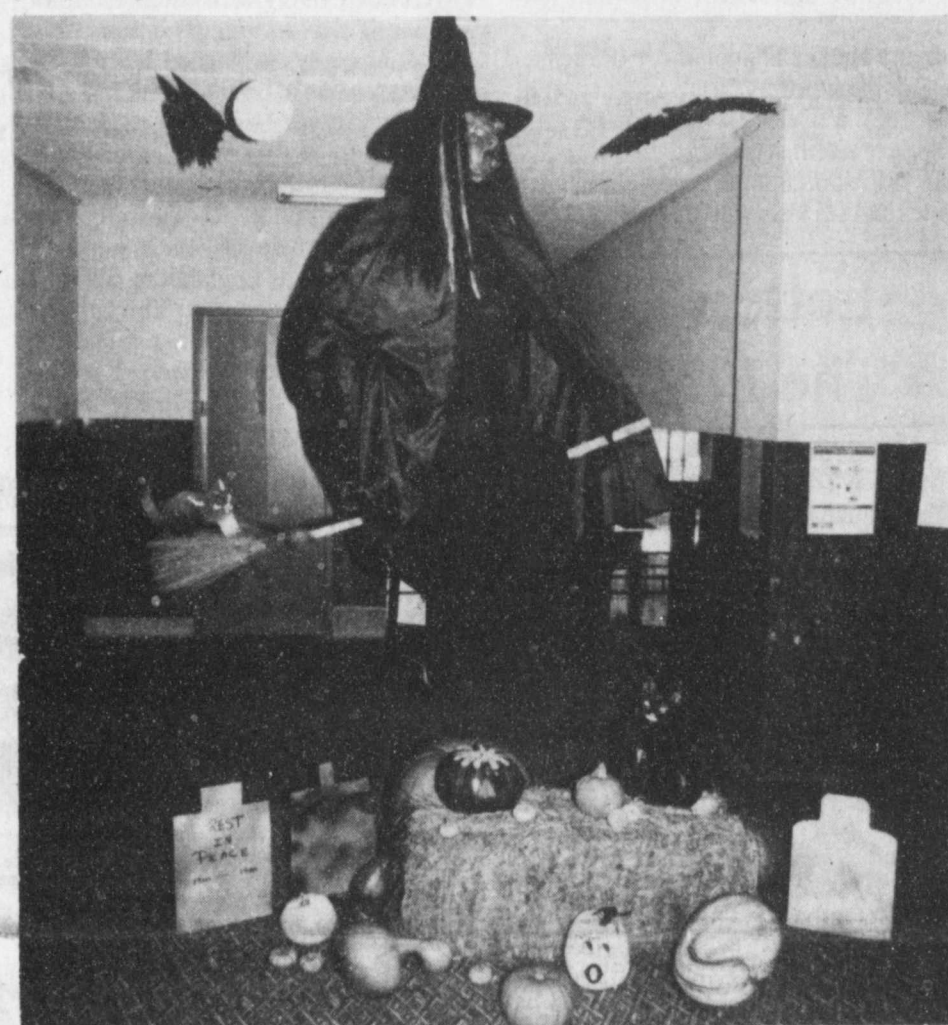

Duncan Elementary showed the largest increase of students with a total enrollment of 406, up by 43 students from last year's enrollment figure. Sixty-six percent of the elementary student population is Hispanic, 27% are Anglo and 6% are Black.

The next largest increase in enrollment was seen at the junior high campus. The 1993 total enrollment figure is 211 students, which is up 31 students

U.S.A."

This year, thirty-three farmers have planted 1,029 acres of pumpkins, which is up by 230 acres from last year. The number of farmers have also increase by 13 since last year.

Pumpkins produce about 20,000 to 50,000 pounds per acre. That's approximately 20 to 51 million pounds of pumpkins produced in this county.

WELCOME TO THE COURTHOUSE--This lifesize witch flies her broom above a small graveyard in the middle of the 2nd floor of the Floyd County Courthouse. She is just one of many characters promoting Punkin Day Oct. 30.

LISD considers new energy system

Lockney School Board trustees opened their regular monthly meeting with a public hearing, October 14, to inform citizens of performance of the 1992-93 10th grade economically disadvantaged students on the state TAAS tests.

Board members and principals were the only people at the public hearing. Principals addressed the trustees and

reviewed campus improvement plans. It is the goal of the school district by 1998 to have 90% of all students enrolled passing the TAAS reading, math and writing tests for three years continuously.

After the public forum the trustees entered into a regular meeting and opened the discussion with a consideration of installing an energy management system.

Superintendent Raymond Lusk reviewed the computerized system which would be connected to all air conditioners and heaters throughout the schools. The system would monitor inside and outside air and automatically turn the thermostats off and on.

"The system will shut off the air conditioning or heating at the end of the working day," said Lusk. "It will turn back on in time to heat or cool before the

& up), and the mini-pumpkins (8 oz.). A few Atlantic Giants are produced weighing well over 100 lbs. The varieties are loaded onto trucks and shipped all over the United States.

Not only has the number of pumpkin producers and pumpkin acreage grown but the Punkin Day festival itself continues to increase in size and ability to draw hundreds of out-of-town tourists to the city.

PUNKIN DAY EVENTS FINALIZED

Punkin Days has added new events to the program and kept the reliable favorites. Games for the whole family include: 5K and Fun Run, Fat Man's Race, pumpkin rolling races, wheelbarrow races, timed pumpkin carving contest, pumpkin face drawing contest for kids, pumpkin bowling, pumpkin tossing, pumpkin relay races, and seed spitting contest.

Visitors also enjoy the many arts and crafts booths featuring handmade crafts, and chances to earn money at the Cow Patty Bingo and the Guess The Weight of the Pumpkins in the Trailer.

To show off pumpkins, contests will also feature categories such as: largest and smallest pumpkins, best carved pumpkins, best painted pumpkins, ugliest gourd, prettiest decorative corn and best pumpkin pie.

The Texas Agricultural Extension Service is also sponsoring a Punkin Day Bake Show which will be judged at 10:30 a.m., October 30. There will be age divisions beginning at 7 years old all the way to adults. Categories will include: pies, cakes (including pumpkin roll), cookies (including brownies), candy, breads and miscellaneous. All recipes must contain at least 1/2 cup pumpkin.

Saturday's Lunch Entertainment

There will be plenty of places to eat around the square and entertainment provided under the pavilion during the noon hour.

A quilted Pumpkin Wall Hanging, quilted by Keeping You in Stitches Quilting Club, will be auctioned off during lunch.

Max Von Roder will also present his popular and entertaining human puppet show. As always the Punkin Committee will probably have a couple of surprise entertainers making appearances.

The Punkin Day committee is also sponsoring another home, business and highway decorating contest. First place winners will receive \$50.00, 2nd place \$30.00 and third place \$20.00. Judging will take place Sunday, October 24 at 2:00 p.m.

Trunk or Treating

Halloween's trick or treating will take place in Floydada on Saturday night beginning at 6:15 p.m., with a new twist to the candy gathering.

Children will be encouraged to participate in the costume contest at the auditorium in Floydada High School and then head out to the walking path. Cars will be parked near the path with the trunks popped open. Volunteers will be handing out candy from the trunk to the ghosts and goblins walking safely

Continued On Page 2

All "Walk For Heart" donations will be in memory of Thompson

FLOYDADA—All donations given for the American Heart Association's "Walk For Heart" will be in memory of Jerry Thompson for his years of dedication to the good of Floyd County.

Residents are asked to turn in their donations to Kay Brotherton, chairperson of the "Walk For Heart" or to those that solicit donations for this cause. Donors do not have to participate in the "Walk For Heart", but your contribution will provide funds for research.

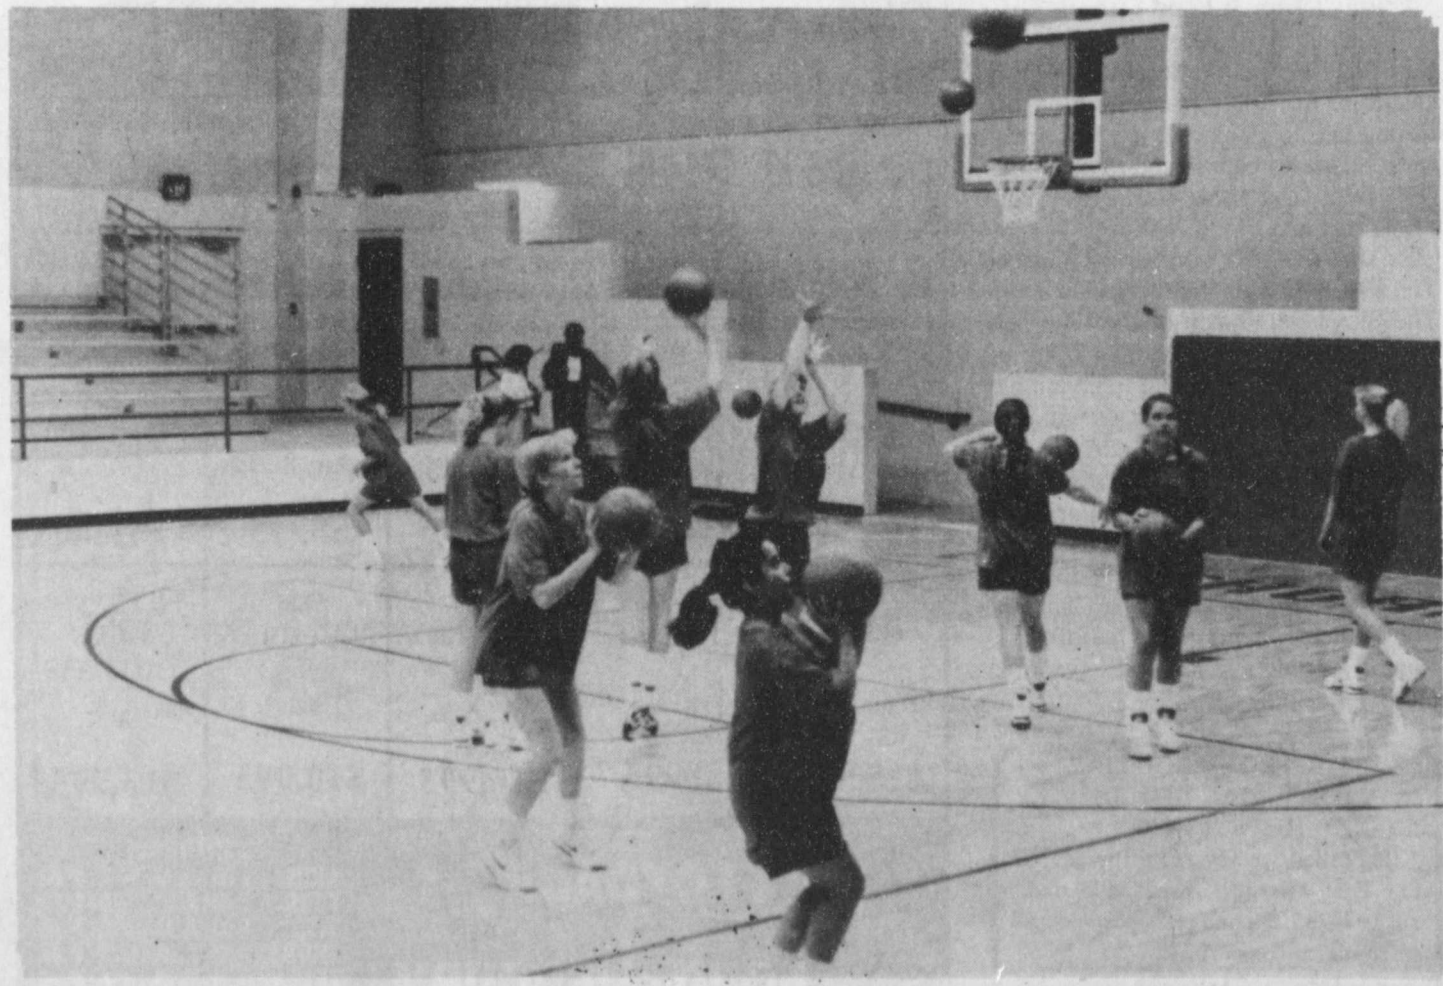

Those that wish to participate in the "Walk For Heart" will meet at the Floydada High School track this Saturday, Oct. 23, at 9:00 a.m.

Decorators to win prize money

Anyone wishing to submit their home, business or highway decoration for consideration in the decorating contest must contact the Floydada Chamber of Commerce by Friday, October 22, or call Shelly Smith at 983-3248.

The judging will be done Sunday, October 24 at 2:00 p.m. The judges will only go to the sites on the list supplied to them by the chamber of commerce. If you want to be on the list you must call ahead of time.

First place winners in the three categories will each receive \$50.00, 2nd place will earn \$30.00 and third place winners will take home \$20.00.

READY FOR ACTION--Lockney Coaches moved their offices and team workouts into the newly completed gymnasium last week. These Lockney Lady Horns, their managers and the coaching staff, have nothing but good things

to say about Lockney's new gym. The girls were practicing under the bright lights last Monday afternoon and getting the feel of the new atmosphere in readiness for the upcoming basketball season. Staff Photo

BY THE WAY!

BY
ALICE
GILROY

Way to go Longhorns and Whirlwinds!! (I can't leave anybody out!) I know you Longhorn fans are going to find this hard to believe but I have heard quite a few Whirlwind fans talking about how proud they are of ya'll. Isn't that something?! Maybe the two towns can be friends even with rivalry football teams.

For those of you who have not gotten a chance to see the October issue of Texas Highways and Progressive Farmer you should get a copy. You will be very impressed with the kind of coverage this area received. The photography is beautiful in both magazines. If you want to write the editors and thank them for their time and consideration of this very often forgotten part of the country, you can write them at: Letters Editor, Texas Highways, Box 141009, Austin, TX 78714-1009; and Letters, Progressive Farmer, Box 2581, Birmingham, AL 35202.

I have just a few important bits and pieces of information to pass on from the Punkin Day committee. They are still looking for some good natured people to join in the Fat Man's Race. See Laura Turner if you're interested.

Also the committee really needs volunteers for Trunk or Treating. Just bring your sense of humor, love of kids and your car to the park at the High School. The candy will be provided by the chamber. Just pop your trunk and pass out candy to the goblins going by. It is lots of fun.

If you want to participate please call Ann Jones so they can plan on you. Also, if you can donate candy or money to buy candy the chamber needs that kind of help too!

One more thing—we are going to dress in costume here at the paper on Friday. I hope there are some more businesses that are going to kick off the week-end along with us. Dressing up is lots of fun and really gets you in the mood for a fun Punkin Day.

Next week we will publish a list of other merchants who will be dressing up and or serving refreshments to the public. We will be having some simple

1993 Punkin Day is next weekend

Continued From Page 1 along the path. The candy will be supplied to the volunteers by the Chamber of Commerce.

Children do not have to participate in the costume contest before they can trunk or treat.

The chamber is still looking for candy donations and volunteers to hand out the candy.

Organizers are encouraging children to use this time to do their trick or treating instead of Sunday, October 31. Homeowners who would be buying candy for children on Halloween are being asked to donate that candy to the chamber to be used at the trunk or treating.

Friday's Fun & Food
The chamber is also continuing the tradition of asking downtown merchants to dress up in costume on the Friday before Punkin Day. This spectacle is always guaranteed to be "lookers" into your store—and they just might stay and buy something.

Be sure to check out the costumes at The Floyd County Hesperian-Beacon, The Floydada Branch of the First National Bank in Lockney, The Bank of America and Floydada's First National Bank. Some of the businesses will also serve refreshments on Oct. 29.

A list of other businesses wishing to participate with costumes and/or treats for visitors will be published next week.

Visitors planning to trip to the city should contact the Floydada Chamber of Commerce, at 983-3434, for information on lodging and activities available around the county.

LISD considers energy management system

Continued From Page 1

total buy-up," said Lusk, "or we could pay nothing and split the savings cost 50-50 with the company over a 5 year period."

According to the estimates of W.D. Wesley, the school would save \$63,000 over a 5 year period with a total buy out. If the school shared the savings with the company the estimated amount of savings would be half of that amount.

According to Wesley the minimum savings for the school if this system was installed would be \$18,000 per year. "I always figure low and hope its higher," said Wesley.

The computer system would have the capabilities of an "override system" in case the air conditioning or heating had to be turned on for an event being held in the school after hours.

No decision was reached concerning the system and the trustees agreed to study the matter further.

The board tentatively approved the request from the band boosters to sponsor a Donkey Basketball game pending the approval from the school attorney who is checking on litigation that could arise from possible accidents.

Trustees also voted to sell basketball season tickets. The tickets should not be confused with reserve seats. "There will

be no reserve tickets," said Lusk. "Season tickets will cost \$25.00 for adults and \$15.00 for students."

Buying a season ticket will save an adult \$7.00 and a student \$6.00.

School board members discussed the problem being caused by the guy wires behind the new gym. Because of the dangers created for people driving through the lot it was decided to relocate the support pole behind the gym. "A new pole will be relocated and will carry the weight of the other electrical poles," said Lusk. "We will have to pay to relocate the pole but it will be worth it to keep someone from running into it."

Trustees approved a waiver of the 22-1 class size for the 3rd grade. Because of a massive move-in of third grade students (68 students and 3 teachers) it

was necessary for the board to waive the mandate for one semester which calls for a student teacher ratio of 22-1. One third grade class will now have 24 students for one semester.

The purchase of new equipment for the gymnasium was also unanimously approved by the trustees. Winning approval was training room equipment and concession stand equipment totaling approximately \$4,000. The board is also checking prices for rubber mats that will be placed in the walkways of the aluminum bleachers.

New uniforms for the boy's basketball team was also approved. The last suits bought by the school, for the boys, were purchased in 1987. The team will now be fitted with two sets at a cost of \$13,147.

refreshments here at the paper, just to encourage you to come visit with us. Other businesses serving refreshments (that I know about now) are: Bank of America and the Floydada Branch of the First National Bank in Lockney. If your business wants to be included in the list please let us know so we can publish your name.

Have you noticed how once again the styles are coming around from the 60's again (they never left the Austin area).

Just when I finally got rid of my bell bottoms and mini skirts—they are back in style. Not that I would have worn them again, mind you. My "bottoms" have long since outgrown the "bell". I'm also now used to wearing long dresses and I don't know how to bend over in a mini skirt anymore—not that anyone ever does know how (which is exactly why all the men liked them).

I look back on those styles and wonder how I wore them. Thank goodness I was young at the time and I could probably endure more pain. Rocky Mountains are so much more comfortable than hip huggers. Super large T-shirts are now my favorites because they cover the sagging parts that a "body suit" could never cover.

I guess I can find comfort in knowing that "Twiggy" has also gotten fat and cut her hair off.

There are some things from the 60's that I still enjoy—the music for one. It's also amazing to see how tame those 60's musician "freaks" look now compared to the current group of rock and rollers.

I started thinking about all of this after an experience at Pay-N-Save the other day. A nice clean cut teenager was carrying out my groceries to the car.

After the usual exchange of pleasantries, like—"Have a nice day and come back," the young man ended the conversation with a simple "Peace".

I was startled and then started to laugh. He laughed too.

At least he didn't have a U.S. flag sewed to his rear.

Anyway I was relating this to my husband and I said, "I sure hope all the 60's fads aren't coming back."

He said, "Yeah, if we're going to go through the 60's again I wished we'd go through the years before that." (He is an old Elvis Presley fan and was probably really hoping for the 50's).

Oh By the Way—I have noticed that the 40's style of dresses is coming back. Those are the simple straight line calf length dresses that are easy to move and bend over in. The men hate them.

Windshield stickers to deter theft

Introducing the latest in anti-theft devices from Texas.

The Texas Department of Transportation (TxDOT) is issuing a new vehicle registration sticker — for placement inside windshields instead of outside on license plates. The program begins with registrations expiring January 1994.

The sticker is larger and of a different design. Its main purpose is to deter theft — bringing up another important feature.

If the sticker is peeled off the windshield, the word "VOID" appears on it, making it a useless scrap of paper. It's not even worth stealing.

In 1992, 568,885 replacement license plates and stickers were issued. TxDOT

estimates that 60 percent of replacement stickers issued were due to theft. At \$5.30 per replacement, replacing the stickers cost the public \$1.8 million and a lot of time and aggravation.

"When the word gets out that these stickers are useless when peeled off the glass, incidence of stolen stickers will drop quickly, as will the cost of replacing stolen stickers," said Jerry Dike, director of TxDOT's Division of Motor Vehicle Titles and Registration. "But the savings don't stop there. If all stolen stickers were used on vehicles that would otherwise be legally registered, state and county revenue losses could exceed \$17 million. Recouping these losses could mean savings passed on for use on other projects."

The 72nd Texas Legislature passed a law in 1991 mandating the sticker change to lower vehicle registration theft. Drivers whose vehicles have no windshield will continue using the license plate stickers.

Letters To The Editor

To the Editor,
Mr. Ken Towery and Mr. Rush Limbaugh, much of what you say and write I agree with.

Mr. Clinton is our President now and for the next few years.

Go ahead with the fault finding, but give us some constructive ideas, not of the past 12 years.

Personally I do not believe either of you are as smart as you think.

L.D. Smith
Floydada

Dear Alice,
On September 19, a fall at First Baptist Church resulted in a broken shoulder for my mother, Ernestine Gilly. The Floydada EMS personnel were there immediately with not only professional care, but also with concern and compassion.

While Mother has been recuperating at home, Barbara Hatley has delivered delicious noon meals from the Senior Citizens Center. Home Health Care is providing daily care with a great deal of professionalism.

Floydada is indeed fortunate to have the services of these caring individuals, and our family is very appreciative.

Sincerely,
Janice Davis

ON YOUR STARTING LINE--Julianne Cornelius, chairperson of the 5K and Fun Run & Stroller Race held every year on Punkin Day has been very busy pre-registering athletes of all shapes and sizes who want to participate

in the races. You may register on the day of the race, however you will not be guaranteed a correct T-shirt size unless you pre-register. Registration forms are included on this page. Staff Photo

Punkin Day racers signing up now

All ages, shapes and sizes of fit and fiddle folks are encouraged to join the popular Punkin Day, 5K Race and Fun Run on October 30.

The 5K race traditionally kicks off the festivities on Punkin Day, beginning at 10:00 a.m. at the starting line between City Auto and Floyd County Farm Bureau.

First, second and third place winners of the 5K run will receive large trophies which are being sponsored by Coca-Cola. If you pre-register for the race by Oct. 31, you will be guaranteed a T-Shirt in your correct size.

The popular Fun Run and Stroller Race begins at 11:00 a.m. Runners in this event will be required to cover one mile, down Main Street to Houston, East to Wall Street and back north to Missouri Street.

Ribbons will be awarded to the winners of the Fun Run. Participants in the Fun Run must also pre-register by October 23 to be guaranteed a shirt in your size. The shirts that will be given with registration are black and white striped baseball shirts.

Entry fee for the races is \$15.00 which includes the shirt.

Late registration and packet pickup will be at the starting line on race day in front of Farm Bureau, 101 S. Wall.

Sponsors of the races are: Plainview Coca-Cola, Sierra Water of Lubbock, Running Times Magazine, Pay-N-Save of Floydada, Perry's of Floydada, City of Floydada, Floyd County Farm Bureau - Clar Schacht, Floydada Boy and Girl Scouts, West Texas Running Club of Lubbock and The Floyd County Hesperian-Beacon.

A pre-registration form can be found inside this newspaper.

The Lamplighter

Continued From Page 1

can people. They have been pending for many years. And it has also been evident that the problems would only get worse if something was not done about it.

But rather than "something being done about it", any number of Congressional acts and court rulings have tended to make the matter worse, to encourage the flow of illegals. If a pregnant woman in Honduras or Haiti, for instance, can get to this country to give birth to her child, the child immediately becomes an American citizen eligible for those things all other American citizens are eligible for. And while the mother is here she is afforded the protection of all the laws of the United States, as she should be.

The abuses growing out of the welter of laws and rulings relative to illegal immigration are well known and are of concern to practically everyone except our political "leaders." We know of one case where a local citizen (she came here legally and now has her citizenship) returned to her homeland and brought her ailing elderly grandmother to this country for a "visit." Once here the grandmother was taken to Lubbock's Methodist Hospital where major (and expensive) surgery was performed. The granddaughter is on the federal WIC program. You can guess who picked up the tab for the "emergency" surgery.

We cannot blame people from foreign lands for trying to get here by hook or crook. In most cases they are leaving places that have become over populated and correspondingly poor, where the opportunity for economic survival has become slim at best. But we do not serve our own citizens well by continuing to play the role of patsy for governments around the world that look upon the United States as the dumping ground for all their own problems. We have many,

many citizens here who are struggling to make ends meet. Their lot is not made any easier by the influx of hundreds of thousands of illegal immigrants also competing for work and a place in the sun.

Nor, for that matter, do we serve well the people in those foreign lands striving

County Post Offices hosting Customer Appreciation Day

The employees of the post offices in Floyd County would like to invite their customers to a Customer Appreciation Day. Each post office in Floyd County will designate a day for all their customers to take part in the open house and enjoy refreshments that will be provided.

In Floydada, the flag will be raised on Tuesday, October 26, at 9:00 a.m. and the open house with refreshments will follow. It will continue until 11:00 a.m.

"Come by and visit with present and past employees and watch us work your mail," said Floydada Postmaster Tommy Rice.

The Lockney residents are asked to come visit with Postmaster Terry Jones and other employees also on Tuesday, October 26, from 11 a.m. to 3 p.m. This will include open house and refreshments.

Dougherty Post Office will have their open house on Tuesday, October 26 from 8 a.m. to 12 p.m. Postmaster is Billie Clifton.

South Plains Post Office will open their doors on Thursday, October 28, from 9 a.m. to 12 p.m. Postmaster is Pat Stewart.

to make their own lot better where they are. As long as the unhappy, disaffected people of countries x, y, or z, continue to think the solution to their problems is to get to the United States, rather than improve conditions in their own country, chances are very slim that those conditions will ever be improved.

As we have said before, until that one problem is solved we will never be able to solve many of the other problems plaguing our national life and national economy. In the absence of that, all the talk about "reinventing government" or "ending the welfare mess as we know it," or addressing the escalating cost of education and health care, or getting a handle on the nation's crime problem, will be just so much hogwash.

We suspect, however, that all will be quiet on the immigration front until the next boatload of Chinese are dumped on our shores. Then there will be TV coverage, followed by a momentary outburst from Congress and politics will revert to usual.

Unless and until citizens themselves start demanding that something be done.

Punkin Day is next weekend!

This Week

LAMAZE CLASSES

W.J. Mangold Memorial Hospital in Lockney will offer Lamaze Childbirth Classes starting Thursday, Nov. 4. Classes will meet each Thursday for six weeks from 7:00 to 9:30 p.m. at the First Baptist Church in Lockney. To register call Molly Stringer, R.N., at 983-5854.

BREAST CANCER AWARENESS

October is Breast Cancer Awareness month. For answers to your questions about cancer, call 1-800-ACS-2345. Early detection can save your life!

PARENTING CLASSES

Parenting classes will be held in the Home Economics Lab at Lockney High School each Monday night at 7:00 p.m. for the next five weeks. The program is entitled "Preparing For The Teenage Years." All parents of Lockney 4th, 5th and 6th grade students are encouraged to attend.

PARENT CONFERENCES

Parent conferences for Lockney Elementary School students will be held the week of Nov. 1-5. Appointment times will be set for each student.

HALLOWEEN CARNIVAL

The Halloween Carnival at Lockney will be Saturday, Oct. 30, at the elementary school. There will be booths, food, games and costume judging. Debbie Wylie is chairman of this event.

ST. MARY MAGDALEN HALLOWEEN CARNIVAL

St. Mary Magdalen Catholic Church in Floydada will be having a Halloween Carnival in the church hall on Wednesday, Oct. 27, beginning at 6:30 p.m. There will be food, games and costume judging. Everyone is invited.

ARTIST FEATURED

Floydada artist Jill Warren will be featured in an exhibition and sale of selected oil paintings at Caprock Winery on Saturday, Oct. 23, from 5:30 to 8:00 p.m. The winery is located 1/2 mile east of U.S. 87 on Woodrow Road at Lubbock.

DANCE

Lockney Quarterback Club will be sponsoring a dance on Saturday, Oct. 23, from 8 p.m. to 12 midnight in the Lockney Elementary Cafeteria. All ages are welcome. Admission will be \$5.00 per person. A DJ from Paramount Productions will provide the music.

ADULT EDUCATION

Adult Education classes are being offered at Lockney High School, from 6:30 to 9:00 p.m. on Monday and Thursday nights. Training is offered for GED, Adult Basic Education and English as a Second Language. Classes are free to anyone not required to be in public school. JTPA computer lab will be used to improve skills in reading, math and keyboarding.

SALVATION ARMY DONATIONS NEEDED

The Salvation Army store in Lockney continues to need donations, especially

children's clothes and shoes for all sizes. If no one is there leave clothes inside the front door or call Art Barker.

VETERANS OFFICER

Veterans Service Officer Ralph Jackson will be available in the county courtroom on Friday afternoons from 1:00 to 5:00 p.m.

BLOOD PRESSURE CLINIC

Free blood pressure clinic is held in the community room of the First National Bank in Floydada every Tuesday from 9 a.m. to 11 a.m. Everyone is welcome.

ALCOHOLICS ANONYMOUS

Alcoholics Anonymous and Al-Anons meet each Tuesday night at 8:00 p.m. Anyone wanting the loving fellowship of men and women who can share their experience, strength and hope are welcome. Meetings are held in the County Extension Building, at the north end of the building. Anyone interested may call 983-3635 or 652-3546.

Jarnagin returns from deployment to Persian Gulf

FLOYDADA—Navy Master Chief Petty Officer Joe M. Jarnagin, son of Glenn and Floriene Jarnagin of Floydada, recently returned aboard the guided missile cruiser USS Truxtun, homeported in San Diego, Calif., from a six-month deployment to the Western Pacific and Persian Gulf as part of the aircraft carrier USS Nimitz Battle Group.

While operating in the Persian Gulf, the battle group completed 19 bilateral and multinational exercises with various Gulf nations in continuing efforts to develop and strengthen political and military ties with countries of the region.

During this deployment, USS Nimitz's embarked aircraft squadrons flew nearly 3,000 missions in direct support of Operation Southern Watch, enforcing the U.N. "no fly" zone over southern Iraq.

Additionally, the carrier received its second consecutive Admiral Flatley Memorial Award, presented annually to recognize ships which surpass all competitors in overall contributions to aviation safety.

The USS Truxtun is a nuclear-powered cruiser armed with guns, missiles and torpedoes. The ship also carries its own helicopter.

Today, American aircraft carriers, their planes and escort ships provide a global presence, standing ready to respond to protracted contingencies at a moment's notice, from the sea.

The 1969 graduate of Floydada High School joined the Navy in April, 1971.

MRS. GUY TIMOTHY McWILLIAMS
(nee Trisha Dawn Pernell)

—Photo by R Photography

Pernell-McWilliams pledge nuptials

FLOYDADA—Nuptial vows were recited by Trisha Dawn Pernell and Guy Timothy McWilliams during an evening ceremony Saturday, Oct. 16, at the First Baptist Church in Floydada. Stewart Smith, minister of the Church of Christ in Turkey, officiated the double ring ceremony.

Parents of the couple are Rick and Donna Pernell of Dougherty and Bob and Virginia McWilliams of Flomot.

The altar area was an enchantment of candlelight with brass candelabras flanking a larger arch candelabra, holding 42 white candles and trimmed in wine colored roses and grape ivy. The unity candle, trimmed in wine satin ribbon and greenery, completed the setting and was lit by the couple during the ceremony. The bridal aisle was lined with brass candle holders, accented with roses, greenery and white satin bows.

Escorted and given in marriage by her

father, the bride chose a sheath gown of bridal satin with sheer, long fitted sleeves and scooped sweetheart neckline. The bodice was embellished with pearl and sequined re-embroidered French alencon lace applique. The back featured a detachable train, accented with a double bow and satin rosettes at the dropped basque waistline.

Her headpiece was a halo of white satin rosettes interspersed with white pearls. Pearl strands on satin ribbon fell softly on one side of her face for an elegant look. A double-layer fingertip length veil attached to the headpiece gave a soft flowing effect.

The bridal bouquet was a cascading arrangement of wine roses and white stephanotis. The center was highlighted with pearls and intertwined with white lace. Secured to the back of the bouquet were a handkerchief, belonging to the bride's paternal great-grandmother, and two rings, one belonging to her paternal

great-grandmother and one to her maternal grandmother. In her shoes, the bride placed pennies, minted in the years that she and the groom were born, along with a lucky sixpence.

Attending the bride as maid of honor was Katharine Davis of Floydada. Bridesmaids were Angie Holland of Plainview, Jennifer Crow of Floydada, Branda Breed of Plainview and Kerrie Pitts of Floydada.

They wore two-piece, black brocade dresses with slim, floor-length skirts. The bodices were decorated with Venise lace. Each carried a single rose, with fern, tied with white silk ribbon trimmed in gold.

Flower girls were Tasha Clemmons of Floydada and Kendra Covington of Dougherty. One had her hair laced with baby's breath and the other wore a white floral halo. They carried white baskets filled with rose petals.

Ring bearer was cousin of the groom, Chase Maynard of Quitaque.

Acting as best man was Stacy Price of Turkey. Groomsmen were Brent Brown of Turkey, Blake Walter of Plainview, Roger Hammonds of Dougherty, and Randy Lacy of Lubbock. Seating guests were Chad Pernell, brother of the bride, and Matt Washington, nephew of the groom.

The groom and all male attendants were attired in black tuxedos.

Organist during the ceremony was Mrs. Ross Herrington of Quitaque. Guests were registered by Missy Pernell of Dougherty.

placed at each window.

The bride's table, draped with a white satin cloth, held a four-tier Italian cream cake decorated with white roses, fresh greenery and baby's breath. The focal point was the bridal bouquet, which was placed in a marble vase atop a beveled mirror. Presiding at the bride's table were Kalli Hicks and Janet Himes.

The groom's chocolate cake was topped with chocolate strawberries and cascading white grapes. Highlighting the setting was a silver candelabra. Serving were Dalane Brown and Kori Price.

Scott Crader and Jennifer Crow vocalized the selections, "You And I" and "To Me", during the reception.

Reagan Pernell assisted the flower girls in distributing bird seed bags to all the guests.

Following a wedding trip to Cozumel, Mexico, the couple will make their home in McAdoo.

The bride is employed by Producers Coop in Floydada and the groom is associated with McWilliams Dirt Works in Quitaque.

COURTESIES

Pre-nuptial courtesies extended to the couple included a bridal shower in the home of Kristi Hopper of Dougherty; a shower held in the community room of the First State Bank in Quitaque; an engagement party hosted by friends in Turkey; and a lingerie shower given by the bridesmaids and friends of the bride in Lubbock.

The rehearsal dinner was hosted by the groom's parents at the Floydada Country Club.

Senior Citizen Rockins

By Gene Newton

There were 78 present for our Thursday night get-together. We had a delicious meal, good entertainment and socialization.

We want to thank Ann Ford for coming down to the center and giving our flu shots.

Margie Turner had her brother and his

wife, Delphia and Bonnie Jones from Allen, Okla., as her guests.

We want to thank Grammy and Pop from Silverton, Lucy Dean Record, Ann Ford and Margie Savage for their singing. If you have never heard their singing you have missed something.

Thursday night is potluck. We will be looking for you.

MENU

Monday: Chicken fried steak, creamed potatoes, sweet peas, salad and dessert

Tuesday: Roast beef, potatoes, carrots, salad and dessert

Wednesday: Swiss steak, spinach, red beans, salad and dessert

Thursday: Fried chicken, potatoes, green beans, salad and dessert

Friday: Baked fish, hominy, sweet peas, potato salad and dessert

(The menu is subject to change)

RECEPTION

A reception, following the ceremony, was held in the Wall Street Parlor. The room was lit with candlelight as votive candles, encircled with greenery, were

Homemakers adopt national name

From Melissa Long, CEA-HE

The National Extension Homemakers Council, Inc. changed its name in February, 1992, to become the National Association for Family and Community Education, or NAFCE.

All state affiliates were encouraged to adopt the same name, inserting the state's name instead of "national", thus changing the Texas Extension Homemakers Association to become the

Texas Association for Family and Community Education, or TAFCE.

The delegates to the 1993 Annual TEHA State Convention in Waco in September addressed this proposal, presented from McLennan County and recommended by the state Bylaws Committee. The proposal passed with the two-thirds majority vote necessary for bylaws amendment.

The mission of the organization has not changed. Our mission continues to

be continuing education, leadership development, and community service. This change does not diminish the fact that we are homemakers — and proud to be homemakers — but we are so much more. We care about families in our local community, but we are concerned about families in an even larger global community.

"Homemaker" has a different meaning to different people. While we members view "homemaker" to mean more than operating a household, many do not. Many others view it to primarily mean cooking and serving.

We think the new name will bring a true awareness of our organization. We members know who we are... others do not. The new name is already opening new doors.

Locally, the Floyd County Extension Homemakers Council will be known as the Floyd County Family and Community Education Council, or Floyd County FCE Council. Clubs will now be known as the Harmony and Homebuilders Family and Community Education Clubs.

For more information on Floyd County Community Education Clubs and how you could become a member, contact the County Extension Office or call 983-2806.

1956 club hears 'Farm Safety for Kids' program

By Judy Dunlap

FLOYDADA—"Farm Safety for Kids" entitled the program Bil Anderson of Caprock Industries Feedyard in Lockney presented to members of 1956 Study Club. The ladies met Oct. 12 in the home of Penny Taylor.

Anderson shared two videos, "Farm Safety Just For Kids" and "Kids Talk Farm Safety". The films encouraged people to role-play farm safety, always be aware of where children are playing and take time out before becoming overly tired or too rushed.

A Floyd County Chapter of "Farm Safety Just for Kids" is being organized. Anderson has more information for

individuals or groups who may be interested.

Following the presentation, refreshments were served by Mrs. Taylor, and co-hostesses, Susan Simpson and Judy Dunlap.

During the business meeting treasurer Rozanne Bishop deemed the Tater Bake a financial success. Tater Bake Chairman Atha Sue expressed her appreciation to businesses, club members, and patrons who helped make the bake a profitable fundraiser.

Atha Sue recognized Darlynn Hambricht as Clubmember Selling the Most Tickets. She also named winners of the Poster Coloring Contest for members' children: Meredith Schacht, Bonnie Dunlap, Molly Long and Blake Greer.

A committee was organized to make a Punkin Days decoration for an entrance into Floydada. Co-chairing are Judy Schacht, Rozanne Bishop and Candy Thrasher.

Donations were made to a local Girl Scout Troop and to Bil Anderson.

The next meeting will be Nov. 9 in the home of Judy Schacht.

Members present included Rozanne Bishop, Judy Dunlap, Melissa Long, Patti Miller, Sharon Rainwater, Susan Simpson, Penny Taylor, Candy Thrasher, Vickie Vandiver, Leora Younger, Shawnda Greer and Donna Henderson.

We Salute in Floydada

Quitaque sponsors foliage tour on Caprock trailway

The Quitaque Chamber of Commerce invites the public to attend the first annual Fall Foliage Tour on Oct. 23. On that date you can be among the first to enjoy the beautiful panorama of fall foliage along Caprock Canyons State Park Trailway — Texas' newest and most exciting trail system.

Your motorized tour along the Trailway, offered from 8:00 a.m. to 4:00 p.m., will pass through rugged Caprock country, and wind along a peaceful valley. It will journey alongside spring-fed Quitaque Creek, and the only railroad tunnel in Texas. Brilliant fall colors will be evident all along the way, and the golden cottonwoods, rocky mountain junipers, mesquite, plum and shinnery oaks should capture fall colors at their peak. As an added bonus wild turkey, pheasant, quail, dove, Aoudad sheep and mule deer can often be seen along the route.

Tours are \$5.00 per person. Before your tour you can enjoy coffee

and donuts at the Senior Citizens Building. The refreshments will be served from 7:00 a.m. until 10:30 a.m. Proceeds earned will go to the Friends of the Library.

There will be a number of other activities during the day, including the historical tours of homes from 1:00 to 5:00 p.m., for \$3.00 per person.

Lunch will be served by Roye Pigg from 11:00 a.m. to 2:00 p.m., at the Quitaque Community Center, which will include soup, salad, hot rolls, and fresh home-baked pumpkin desserts, that will be a real treat for everyone. Reservations can be made for any of the events by calling 806/455-1456.

Visitors are invited to stroll down the street during the day and view Quitaque's unique Sidewalk Museum. You'll also want to visit beautiful 14,000 acre Caprock Canyons State Park, which is located only three miles north of Quitaque.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. Edward Marks of Lockney are proud to announce the engagement of their daughter, Jessica Ralynn, to James Allin Davis, son of Mr. and Mrs. Denny Davis of Crosbyton. The bride-elect is a candidate for December graduation at West Texas A&M University in Canyon. The prospective bridegroom attended West Texas A&M University and is employed by Davis Farms in Lubbock. The couple plan a January 8, 1994 ceremony at the First Baptist Church in Lockney.

Nursing Home Happenings

By Jo Bryant

Hi! Do hope this finds you well and happy and doing good.

Monday started the week as usual with morning coffee, juice and cookies. The Rev. Clark Williams gave the devotion. Irene Wexler played the piano. The ladies from the W.M.U. of the Calvary Baptist passed out bananas to the residents. It was Columbus Day, so the residents did a word puzzle, on Columbus at 2:00 p.m.

Tuesday I attended the Professional Activity Directors Association meeting in Lubbock. It was the first meeting for the fall. Activity Directors are required 10 hours a year continuing education. Judy Slagle gave a program on Pet Therapy and Dolores Martinez, R.N., spoke on the special role of the activity director and the requirements and the changes.

Wednesday was Bingo. Otis Johnson had the first Bingo. Mary Alice Davis assisted the residents.

At 1:30 Wednesday, Oct. 13, the Food Service Department was acknowledged in the dining room. A buffet lunch was served.

The following received a 5-star blue pin: Nancy Robinson, Dorothy Kerr,

Mary Coleman, Sally Ruff, Yolanda Luna and Dorothy Collins, also Minnie Soliz, Maria Johnston, Gloria Enriquez, Alex Reyes, Vivian Eguia. Pictures were taken of the occasion.

Thursday the residents had current events and popcorn.

Friday we were blessed by the ministry of the First Baptist Church. The Rev. Floyd Bradley, the Rev. Hal Farnsworth, Mike Holster and Gilbert Davis. The music and devotion was very good. Joyce Lipham played the piano.

On to Lockney on the bus ride. Dairy Queen treated the residents to ice cream.

Our love, sympathy go out to the family of Nettie Adams. We will miss her.

Our birthday party is this Thursday. We have four honorees. We invite you to attend at 2:30 p.m. Peggy Young, Oda Birchfield, Myra Hall, and Ruth Smitherman will all be celebrating their birthdays.

Until next time, take care and come see us. We love you.

A Thoughtful Question: "The question is not, 'How much of what is mine will I give to God?' Rather the question is, 'How much of what is God's shall I keep for myself?'"

Homemakers change name

By Muri Mayfield

FLOYDADA—Floyd County Extension Homemakers had their name changed to the Floyd County Texas Association for Family and Community Education (TAFCE) during the recent state convention.

TAFCE council came to order at 2 p.m. in the council room with Jonelle Fawver presiding. She led the group in the creed as the opening exercise.

Recreation was by Gladys Widener. Roll call was answered by eight members. Vivian Curtis read the minutes, they stood approved as read.

The Harmony and Homebuilders both reported on three meetings and auction sales. Karen Miller reported on the state meeting, adding that the 1994 meeting will be in Lubbock and the District meeting will be on April 7 in Crosbyton. Ruth Scott reported on the No Sew Draperies workshops. There were 43 who attended one or the other of the two workshops.

Maye Williams, 1994 council chairman, appointed the following committees:

Program - Gladys Widener, Jonelle Fawver, Vivian Curtis, Juanita Poole.

Education - Barbara Willis, Imelda Murry, Martha Ruckman, Lucille Miller.

Finance - Blanche Williams, Muri Mayfield, Arvie Schulz.

Recreation - Ruth Scott, Lillian Smith, Annie Maude Hopper.

4-H - Karen Miller, Sue Lovell, Doris Snodgrass.

Reporter - Muri Mayfield.

Other announcements included: Melissa Long was not present, she was in Lubbock helping with the farm show.

On Nov. 10, Melissa, Maye Williams and Karen Miller will be going to Lubbock to meet with all the District 2 agents, council chairmen and TAFCE.

The County Achievement Banquet will be Nov. 14.

The Festive Foods Demonstration will be Nov. 16.

Family Community Leadership Rally Day will be Oct. 21.

County Food Show will be at 2 p.m. Oct. 24 in the Lockney Elementary Cafetorium.

Punkin Day will be Oct. 30.

Homebuilders are also very glad to have Mrs. Floyd Fuqua back with them.

Your Health * Our Care

By Trina Wilson, RN

LOCKNEY—Measles is a serious disease. It is very easily passed from one person to another by droplet form in the air. It causes high fever, cough, and a rash and lasts for 1-2 weeks.

In recent years, 3,000 to 28,000 cases of measles have been reported yearly in the U.S. and outbreaks still occur. Recently, one such outbreak occurred in Floyd County.

One out of every 1- children who contracts measles will also have an ear infection or pneumonia. Measles can also cause an infection of the brain that could lead to convulsions, hearing loss, and mental retardation. This happens to about 1 out of every 1,000 children reported to have the disease.

Babies and adults who catch measles are often much sicker and are more likely to suffer longer or die than elementary school age children and teenagers with measles.

The importance of immunization against measles is underscored each time a child dies with complications from this preventable disease or when an infant is born with birth defects as a

result of exposure to measles before birth.

Immunization of preschool-age children is intended to provide early protection to this most vulnerable group. The measles vaccine is currently recommended to be administered at 15-18 months of age with a vaccine booster at 4-6 years of age. It is unknown at this time if additional boosters at ten year intervals will be indicated in the future.

The resurgence of measles in the U.S. during 1989-1991 involving 55,622 cases nationwide in which 166 children died was attributed primarily to vaccine failure. The specific cause of the epidemic was failure to vaccinate children at the recommended age of 12-15 months (12-15 years prior to this outbreak it was recommended that the measles vaccine be given at 12 months of age, however, those recommendations have since been changed).

Measles is a vaccine preventable disease. Granted, an injection hurts, but think of the consequences to your child if you do not vaccinate him/her. See your physician for more information.

Floydada Senior Citizens Menu

October 25-29

Monday: Polish sausage, cabbage, corn, celery sticks, cornbread, pumpkin crunch, milk/beverage choice

Tuesday: Roasted turkey, cornbread dressing, green beans, coleslaw, hot rolls, apple crisp, milk/beverage choice

Wednesday: Enchilada casserole, red beans, stewed tomatoes, onions and

peppers, fruit salad, milk/beverage choice

NSDR meets at Lighthouse

FLOYDADA—Buffalo Grass Chapter NSDAR met at Lighthouse Electric with Nancy Marble, Regent, presiding. After the opening ceremony, the hostesses, Mmes. Grace Zablieski and Eugenia Bethard served a salad supper to two visitors: Linda Terrell of Lockney and Noilene Boiden of Odessa; and members, Mary Lou Bollman, Sherry Colston, Carolyn Cunningham, Loretta Denning, Susan Dunavant, Ozena Norris, Emily Johnston, Janis Julian, Sue Lovell, Carolyn Marble, Gene Reed, Nancy Marble, Gayle Reay, Jeanette Wilson, Vera Jo Bybee, Dorothy Hodges and Margaret Wheeler.

Mrs. Linda Terrell presented the program, "New Zealand's Literary Success." She has spent several months in New Zealand with a Teacher's Education Exchange. She discussed the difference in methods of teaching and the high percentage of students who are learning to read compared to those in the United States. Methods of teaching were also compared and discussed by Mrs. Terrell and the group present.

Following the program, business was discussed and future meetings were

announced and discussed. Buffalo Grass Chapter will host a reception at the Floyd County Historical Museum at 2 p.m. Sunday, Oct. 24, honoring State Regent, Mrs. John K. Hanell of San Antonio. Chapters in Division I are invited to attend, as well as prospective members and guests of Buffalo Grass Chapter.

The next meeting will be Tuesday, Oct. 26, at the museum at 7 p.m. All members are urged to attend.

Ropesville plans fiesta

The Ropes 6th Annual Fun Fiesta and Diamond Jubilee will be Saturday, Oct. 23, from 9 a.m. to 12 midnight at the Ropesville community building.

Activities throughout the day will include, craft, food and game booths, cowboy poetry, storytelling, auction, contests and music. A parade will begin at 9:00 a.m. and a street dance will start at 8:00 p.m.

All proceeds from the day's activities will benefit the community building's repair and restoration fund. For more information, contact Jean Hamby, 562-3821.

Women urged to check for cancer

If you read the papers and watch T.V., you are already aware of the fact that October is National Breast Cancer Awareness Month.

The American Cancer Society is urging women to study carefully the guidelines on breast self-exam and mammography which has proven to truly save lives! In a year when more than 180,000

women are estimated to be diagnosed with breast cancer, the ACS has stepped up its role in a major fight against this disease.

Last fall, author Erma Bombeck, a cancer survivor, testified on behalf of the ACS before the House Select Committee. Responding to her questions and demands, coupled with the petitions of millions of women, the Congress authorized \$406 million for cancer research. It also passed the Mammography Quality Standards Act that requires all mammography facilities to be inspected and accredited as safe.

This should answer the question most asked by women: "Will a mammogram

put me in any danger?" "How about radiation?" you ask. Each year, a woman is exposed to more "background" radiation in her daily life than she receives from her annual mammogram.

"In the past year, thousands of women have called the American Cancer Society's toll-free number with questions about cancer. You can do the same," said Linda Matsler, president of the local Floyd County Board. "Just call 1-800-ACS-2345 for any information you need."

Remember that 'Early Detection Can Save Your Life!'

El Progreso Study Club meets in Ferguson home

El Progreso Study Club met in the home of Faye Ferguson on Wednesday afternoon at 2:30. Refreshments were served to Edythe Clark, Arla Copeland, Elaine Gibson, Cornelia Johnson, Hazel Johnson, Bobbie Kellison, Alice Mitchell, Merle Mooney, LaVerna Sams, Doris Thacker, Kathleen Thornton and hostess Faye Ferguson.

Hazel Johnson, president, called the meeting to order. Kathleen Thornton, secretary, read the minutes. Arla Copeland brought the program. She gave a book review on "Snips and Snails" by Louise Baker. The reading of the club collect closed the meeting.

The next meeting will be held in the home of Kathleen Thornton on the 10th day of November and will be the auction sale with Ronnie Thornton in charge.

All members are asked to bring beautiful and useful items to be sold. This is our money making project and everyone looks forward to it.

Miller gives program to extension club

By Doris Snodgrass

The Harmony Extension Club met Oct. 11 at 2 p.m. in the club room at the Harmony Community Center with Imelda Murry as hostess.

The meeting was called to order by the president Vivian Curtis. Roll call was answered by "Information I Have Learned From Family Research."

Ruth Scott, secretary, read the minutes of the last meeting and they were approved. She also gave a treasurer's report.

Each committee chairman gave their reports.

The program on "Reflections of The Future and Past - Genealogy" was given by Karen Miller.

She gave a very interesting program using family history books and a book on cemeteries in Texas.

The thought for the day was "The history of every country begins in the heart of a man or a woman."

Refreshments were served of a Hal-

loween motif to the following members, Anna Maude Hopper, Juanita Poole, Ruth Scott, Vivian Curtis, Lucille

Miller, Martha Ruckman, Maye Williams, Doris Snodgrass, and a guest, Joyce Murphree and the hostess, Imelda Murry.

Parent advisory council meeting scheduled

FLOYDADA—A meeting for the parents of students who are enrolled in the Chapter I Migrant classes in the Floydada Independent School District are encouraged to be present for a meeting Tuesday, Oct. 26, at 6:30 p.m. in the R.C. Andrews cafeteria. Mrs. Francisca Ramirez will preside.

Officers for the Floydada Migrant Parent Council are the following: Mrs. Ramirez, Mrs. Juanita Lopez and Mrs. Juana Sanchez, co-chairpersons, and

Lockney FHA installs new officers

By Holly Ascencio
LOCKNEY—The Lockney Future Homemakers of America have begun a new year and elected new officers. On September 21, 1993 the advisors, Treana Aston and Julie Ellison held the installation of officers. They are Johnnie Mosley, president; Kay Lynn Lusk, vice-president of programs; Kaci Mathis, vice-president of projects; Anabel Comacho, Secretary; Mary Luna, treasurer; Holly Ascencio, reporter; and Trudi Lambert, historian.

Each new officer was given a rose symbolizing the eight purposes of FHA. After the officers gave their part they, along with the members, ended the meeting with the FHA Creed.

On Tuesday, Oct. 12, FHA members met and were divided into groups and went door to door to raise money for the American Cancer Society. The organization raised over \$300.

Mrs. Maria Vasquez, secretary.

The program will be "Traveling With Education," presented by Mrs. Ester Arellano.

Everyone is invited to attend this informative meeting and support your child and school.

R. C. Andrews Elementary names Becker Feature Teacher

By Tara Gilly
FLOYDADA—Our feature teacher is Mrs. Kathy Becker.

Mrs. Becker wanted to become a school teacher because she likes people

and learning. She likes to see "the light" when a student understands a concept. She taught Home Economics at high school and loved it.

This is her first year at RCA, where she teaches Language and one class of Reading. She says that these are such necessary components to a child's education. She feels that if a child can read and write well, he or she will be able to master higher level thinking skills.

She hopes to be able to incorporate some new ideas to help students on all levels.

Her family consists of her husband of 14 years, Stephen, a nine-year-old daughter, Madison, and an eight-year-old son, Mason. In her spare time she enjoys her children's activities.

Mrs. Becker's motto in teaching her children and students is: "Privilege In-

volves Responsibility."

KATHY BECKER

Duncan Kids Can!

From Bobbie Weir, Principal
FLOYDADA—What an interesting start we have had at Duncan Elementary. It has already become a busy year in the lives of our kids. We are in the process of working on curriculum this year to align how and what we teach to facilitate mastery on the State's standardized testing instrument and to teach thinking processes so that kids can begin to solve their own problems.

Some of our changes include: High Scope Developmentally Appropriate program for Kindergarten, Pre-K 4-Year-Olds, and Early Education. We are working also on our First, Second, and Third grade curriculum approach with an integrated/interdisciplinary approach. We are continuing to focus on our oral/written language development here in the building. We feel that these new moves for Duncan will help our kids become a truly educated work force.

We enjoyed our PTA Open House. We had over 420 people in the building that night. Way to go Duncan parents!

Please, let us reinforce how much our kids need both the home and the school as they grow and develop into tomorrow's work force. Together, both

places can benefit our kids. We look forward to working with our kids and our parents. Let's have a Tom Terrific second six weeks.

KINDERGARTEN

Language Arts: Color, visual discrimination, speaking and listening skills, fine motor skills, oral language

Math: Shapes, patterns, introduction to numbers

Science: Autumn, colors, fire safety
Social Studies: Halloween
Health: Halloween safety

FIRST GRADE

Language Arts: Capitalization, beginning of sentences, I, names; punctuation, A B C order, creative writing
Math: Problem solving, addition/subtraction, memorization of addition facts to 10, graphing

Science: Fire safety, Halloween safety, spiders/insects, fall
Social Studies: Geography, map skills; Columbus

SECOND GRADE

Language Arts: Nouns, compound words, proper nouns, plurals; adjectives, sentence structure, letter writing, descriptive writing
Math: Add/subtract double digit, ordinal numbers, greater-less than comparison, begin regrouping

Science: Matter, solid, liquid, gas; energy; light, heat

Social Studies: Neighborhoods, maps, Columbus, government

THIRD GRADE

Language Arts: Nouns, verbs, usage of verbs

Math: Subtraction, geometry

Science: Animals

Social Studies: Land features and map skills

SPEECH/LANGUAGE

Thought processing; unit of calendar, seasons, months of year, days of week

ARTICULATION

Auditory discrimination; correct production of speech sounds in isolation, in syllables and in words.

SPECIAL EDUCATION

Math: Place value, addition, problem solving, computer math games

Language Arts: Writing sentence, capitalization, punctuation; creative thinking and writing; parts of speech, nouns, verbs; alphabetical order, sequence

MUSIC

Skills: All classes will make up Halloween songs either to familiar songs or original melodies. They may sing individually or in groups, including echo singing melodic patterns

Activities: Everyone will be singing Halloween songs for "Punkin Day". Singing games, poems (choral readings), circle games and action songs will be performed.

Lockney Varsity Longhorns defeat Abernathy Antelopes

by Scooter Cassler

The late Ken Cleveland of Dimmitt High School, considered one of the greatest high school basketball coaches in the history of the game, once told his team during a crucial period in last year's drive for their 18th consecutive district championship: "One of the true tests of a winner is that time when things are out of sync; when the teams is not playing well; that they can still manage to gain victory under difficult circumstances."

Lockney Longhorns football fans witnessed much the same happenstance Friday night as the 'Horns managed a 27-11 victory over the Abernathy Antelopes at Mitchell-Zimmerman Field.

The Lockney offense jumped off to a quick start after forcing a "three and out" initial possession for the Antelopes. Following a 50-yard punt by Abernathy's Brian Martin, four plays

and just over one minute's worth of offensive explosion saw the first Longhorn score at 9:02 left in the quarter. David Luna ripped off 13 yards, Leo Vargas found receiver Tanner Johnson for 24, Patrick Monroe burst for 13 yards, and Vargas capped the strong series with a 17-yard touchdown run. Monroe's kick made the score 7-0.

The ensuing kick off began Abernathy's drive deep in their own territory at the 15-yard line. Third down and 5 yards to go saw a Johnson-caused fumble recovered by Lalo Chavira and returned 20 yards for the second Lockney touchdown. Monroe's second PAT kick increased the lead to 14-0 with 7:39 left in the quarter. Abernathy's following possession ground out over six minutes of the remaining time with the key play a pass from quarterback David Carver to receiver Chris Lambert, good for 29 yards. Eight plays later, the Ante-

lope offense stalled and a 24-yard field goal attempt by Martin was unsuccessful. Lockney closed out the quarter, after turning the ball over on downs, with a sack of quarterback Carver by Johnson and Matthew Raisseiz. Score: Lockney 14, Abernathy 0.

Three plays later, the Longhorn defense forced another Antelope punt. After a Vargas 12-yard return, a roughing the kicker penalty gave the Antelopes a second chance at the punt, which Vargas promptly fielded and returned for 16 yards. Two plays into the following Longhorn possession, Vargas scampered 38 yards for the third 'Horns score of the half. A bad snap on the PAT kick by Monroe muffed the attempt, leaving the score 20-0 with 10:30 remaining in the half.

Two kick-off attempts later, due to a Longhorn offside penalty, the Antelopes resumed possession of the ball.

After a successful third-down conversion, Lockney regained possession on a Carlos Raisseiz tip and catch of a Carver pass attempt. "Three and out" by the 'Horns offense turned the ball over to the Antelopes at 7:38 of the second quarter. Despite a Riddle knock-down of a Carver pass and a Raisseiz sack of Carver, the seventh play of the series yielded Abernathy's only touchdown of the night, as Carver plunged into the endzone from a yard out. A novelty extra-point set, the "swinging gate", yielded a successful PAT attempt. Score: Lockney 20, Abernathy 8.

The following kick-off was returned 26 yards in a sparkling run by Phineas Riddle. A minute and fifty seconds of offense ground to a halt when the 'Lopes recovered a Vargas fumble at mid-field. The final 2:56 of the quarter saw two changes of possession, with neither team able to mount a threat before halftime. Score Lockney 20, Abernathy 8.

Riddle increased his return yardage for the evening with a 25-yard return of the opening kickoff. "Three and out" was the rule for each team's initial possession of the half. Lockney's second series was spoiled by Donnie Pierson's interception of a Vargas pass at the Lockney 32-yard line. Six plays later, Martin capped off the scoring drive with a successful 24-yard field goal out of the hold of Carver. Score 20-11; Lockney.

Tanner Johnson returned the following kick off 16 yards, setting Lockney up at their own 32. "Three and out" pre-

vailed again and forced another Vargas punt, this one for 39 yards. Johnson spoiled Abernathy's next drive with a fumble recovery at the Antelope 43-yard line. Two more exchanges yielded little offense for either team before quarter's end: Lockney 20, Abernathy 8.

Four plays into the final stanza, Abernathy muffed a punt attempt due to a bad snap from center, turning the ball over to the Longhorns at the 46-yard line. Four plays later, the 'Horns scoring threat was negated at the Longhorn 21 by an Abernathy interception of a Vargas pass attempt. After two first downs and a fumble recovery by Matthew Raisseiz, mounted yet another scoring drive, only to lose a fumble at the 5-yard line.

The following play, Abernathy's David Carver attempted a swing pass, which, if thrown behind the quarterback in his own backfield, is treated as a fumble-David Luna's recovery of Carver's errant pass set the 'Horns up at eh 4. Two plays later, Riddle blasted over from two yards out. Monroe's PAT kick ran the score to 27-11, Longhorns, with 5:30 left in the game.

Vargas' final punt of the night came with 1:46 left and rolled 51 yards, which is one his best kicks of the season. Abernathy's final drive of the game began at their own 10-yard line. Three passes of 10, 22, and 29 yards fueled the drive, which ultimately covered 90 yards of grass. The scoring threat ran out of gas at the goal line, however, as Phineas Riddle picked off a Carver

pass attempt.

Final: Lockney 27, Abernathy 11. Congratulations to the Longhorns team and coaching staff. Keep up the great work! Next up: the Olton Mustangs, at Olton, 7:30 p.m. See you at the game!

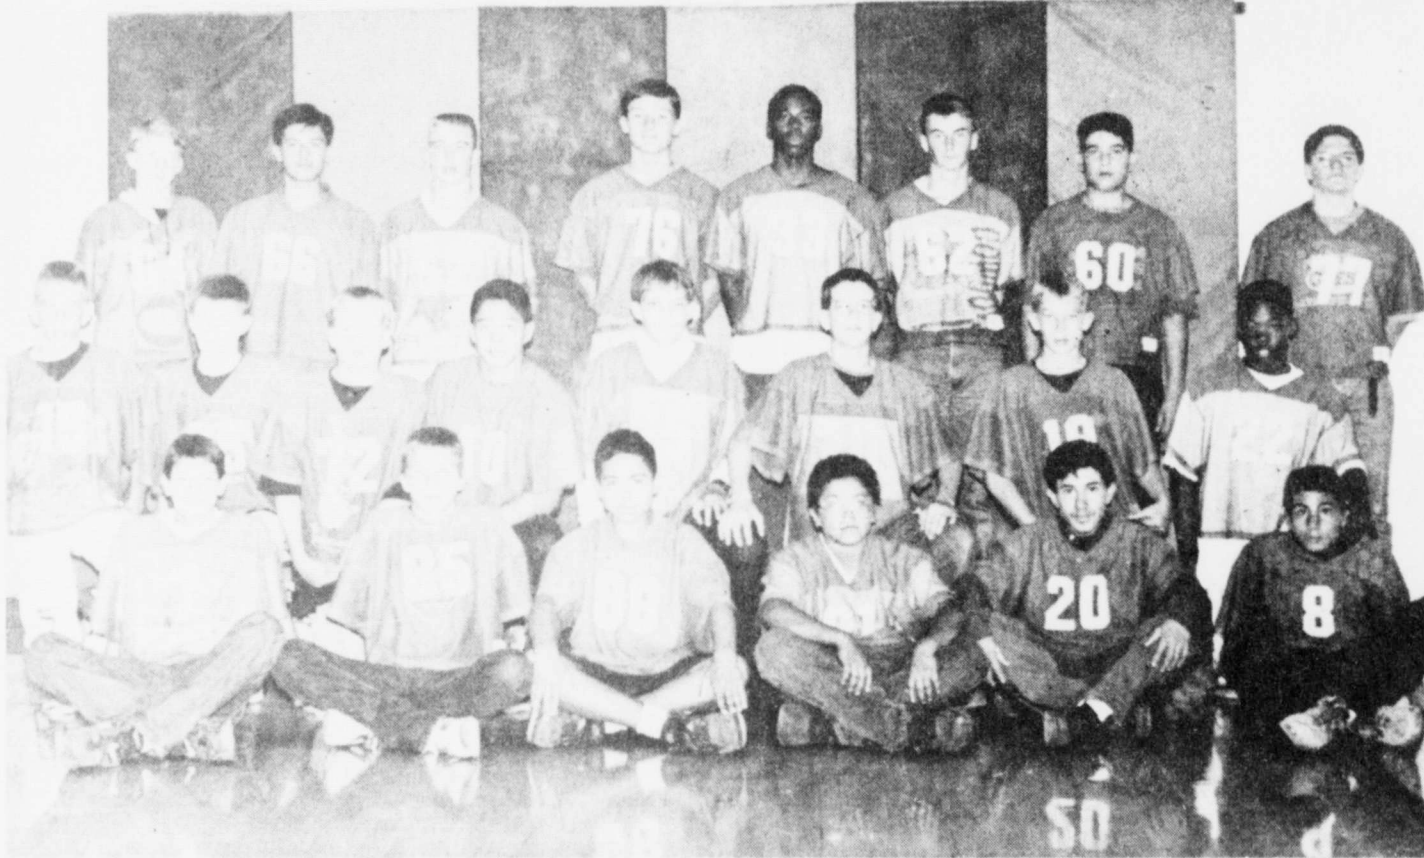

Game Statistics

Rushing—
LOCKNEY--David Luna: 5 carries, 21 yards
 Phineas Riddle: 5 carries, 27 yards; 1 touchdown

ONE MORE WIN AND THREE TO GO--Patrick Monroe (33) takes the ball for the Lockney Longhorns and starts off down the field with a herd of Antelopes coming at him. The win over Abernathy racked up one more district win for the Longhorns and their district record stands at 4-0. The score at the final buzzer was 27-11. Photo by David Perez

THIS IS HOW YOU DO IT—Anne Jones of Floydada shows Kaci Young of Lockney how to tie a goat during a meeting of the Silver Spurs 4-H Horse Project group. The meeting was a special presentation on Rodeo Events in which horses are used. —Courtesy Photo

HEY LONGHORN FANS!!

We want to say, first of all congratulations to all the Longhorn football players..you played a good game Friday and you all should be very proud.

Another Congratulations goes out to the Lockney Longhorn Band who performed Saturday at the Wayland Marching Festival. They received a division 1 and Best Percussion Performance. Way to go Band!!

We hope all you Longhorn fans know that this is the best Lockney has done in football in almost 10 years. We have not been this successful since 1984! That is something to be very proud of. We need all your help in supporting the guys in the final three weeks of district play. This week we play the Olton Mustangs. The pep rally is at 3 p.m. in the high school gym and the game is at Olton beginning at 7:30 p.m. We hope to see all of you there rooting for the 'Horns.

For the football boys, we wish every one of you the best of luck. We know you can do it. To the Longhorn Band who will march at the Texas Tech Marching Festival on Saturday and have their Marching Contest on Tuesday, October 26, we wish you all the best of luck!! To everyone travelling to Olton on Friday we hope you have a safe trip to and from the game.

Glasson speaks to 4-H group

By Amy Davis
 Members of the Silver Spurs 4-H Horse Project held their first meeting of the year in the home of Ron and Debbie Shatley on Sept. 6. Dr. Paul Glasson of Lockney was the guest speaker on the subject of Colic in Horses.

On Sept. 20 the project held a special meeting at the Floyd County Extension Office to elect officers for the new year. County Agent Kerry Siders spoke to the group about Parliamentary Procedure. The new officers are President, Tyler Phillips; Vice-President, Jurahee Jones; Secretary, Kaci Young; Treasurer, Matt McPherson; and Reporter, Amy Davis. The October meeting was held at Joe and Anne Jones' home in Floydada. Ann did a special presentation on Rodeo Events in which horses are used and taught the group how to tie a live goat. The goat was provided by Steve McPherson. New member Madison Becker was introduced and the group made plans for horse judging practice to be held at the AQHA show in Amarillo on Oct. 9. The next meeting will be held in November with date, time and location to be announced based upon the weather.

Lockney School Menu

Oct. 25-29

Monday:
 Breakfast — Cereal, toast, orange, milk
 Lunch — Chicken fried steak, creamed potatoes, fried squash, rolls, fruit cocktail, milk

Tuesday:
 Breakfast — Peanut butter on toast, pineapple, milk
 Lunch — Ham, pinto beans, spinach, roll, grapes, milk

Floydada High School Whirlwinds blank favored Chieftains

By Bill Gray
FLOYDADA—The Floydada Whirlwinds (8-point underdogs according to the Harris Rating System) scored on two opening-period possessions and added a field goal and touchdown in the fourth quarter to shutout Friona 23-0 at Chieftain Field on October 15. Floydada completely dominated in every statistical category, including time of possession (34:57-13:03), while snapping Friona's four-game winning streak.

The Whirlwinds (4-3 overall, 2-0 in district play) remain tied with undefeated Littlefield atop the District 2-3A standings. Friona, which saw its playoff possibilities severely threatened, drops into a second place tie with Tulia at 1-1 in district action and 4-3 for the season.

Friona's offense failed to convert a third-down situation after receiving the opening kickoff and was forced to punt. Blair Burney's kick traveled only 10 yards to give Floydada excellent field position from which to start its initial offensive series. Sammy Rodriguez, Pete Cooper, and "Company" wasted little time in moving 55 yards in eight plays. Cooper ran 34 yards in only two carries behind excellent blocking from Eric Smith, Adam Gonzales and Brandon Gilliland. Gabriel de la Fuente followed devastating blocks by Troy Johnson and Rafael DeOchoa to cruise untouched into the end zone from the 12-yard line to put the 'Winds on the board in the first five minutes.

Friona's deep receivers misjudged DeOchoa's ensuing kickoff - which sailed over their heads. To add to their problems, the Chieftains were penalized on the return and commenced their second possession from their own 5-yard line. Gonzales and DeOchoa led the Whirlwind defensive front in holding Friona to "three and out." It was the second of eight times in the game that the 'Wind stopper unit would deny Friona a 3rd-down conversion.

Following Burney's punt from his own end zone, the Green Gang had momentum at the Tribe's 36-yard line. On 4th-and-7 from Friona's 32, Rodriguez converted the first of three 4th-down attempts with a TD strike to Elias Gutierrez. Pete Cooper crashed into the end zone - and a game official - enroute to the two-pointer with 3:23 remaining in the first quarter.

Friona mounted its initial serious venture into Floydada territory late in the period. Burney completed a 14-yard

pass to Jimmy Arias in the 10-play, 43-yard drive, only to end up firing blanks. The 'Winds took over on downs at their own 35-yard line as time expired.

The second quarter belonged entirely to Floydada. The 'Winds held possession for all but 57 seconds of the 12-minute time period. They moved 50 yards in 10 plays to open the period, but Friona's defense and a delay-of-game infraction forced a Whirlwind field goal attempt from the 15-yard line. DeOchoa's kick was blocked by Roy Hendley, who returned the ball 40 yards to give the Chieftains good field position at Floydada's 37. Hendley's return was Friona's longest gainer of the evening.

Chris Hanna rushed for 5 yards on first down, but two incomplete passes and a penalty forced Burney into a 4th-down pass attempt to Arias. The pass had "touchdown" written all over it, but Whirlwind defender Tate Glasscock had different ideas. Reaching Arias at the same time as Burney's well-thrown aerial, Tate flattened the Chieftain receiver the ball fell incomplete, and the 'Winds took over on downs to end the threat.

The Whirlwinds maintained possession for the remaining 4 1/2 minutes of the first half. They picked up three first downs and a second penetration before having a 12-yard touchdown pass from Rodriguez to Gutierrez nullified due to an ineligible receiver-downfield penalty. Time expired before Floydada could punch into the end zone, and the halftime horn sounded with the Whirlwinds on top 14-0.

Floydada's first possession after intermission was a near-disaster. Mike Ochoa muffed the low snap on a punt attempt, and Friona took over at the 'Wind 23-yard line. The Chieftains registered their only penetration of the game when they moved to the Whirlwind 19, but an unsportsmanlike conduct violation spoiled their opportunity to get on the scoreboard. The 'Winds stopped Burney on a 4th-down keeper - it was the final Friona snap in Floydada territory.

The 'Winds took over at their own 37-yard line and moved to Friona's side of the 50 before getting off their only punt of the night. Sophomore Zach Abshier set the tone of Floydada's next defensive stand with a QB sack. A short run and Burney's 11th incomplete pass

forced Friona's third punt. The Whirlwinds marched to midfield as the scoreless third quarter drew to a close.

Floydada continued its time-consuming drive into the first four minutes of the final stanza. Facing a 3rd-and-10 at Friona's 44, Sammy Rodriguez tossed a perfect 39-yard pass to Gutierrez at the Friona 5. Penalties and the Chieftain defense held the 'Winds out of the end zone, but Rafael DeOchoa connected with a 25-yard field goal to widen Floydada's margin to 17-0 with 8:25 remaining on the clock. It was the first 3-pointer of Rafael's Whirlwind career.

Burney completed passes to Arias for 17 and 18 yards following the kickoff, but Mike Ochoa picked off Friona's 3rd-down toss and returned it from Floydada's 44 down to the Chieftain 21. A face-mask penalty at the end of the play gave the Whirlwinds their sixth penetration inside Friona's 20-yard line. Cooper capitalized on the turnover by breaking several tackles on a first-down option pitch from 16 yards out, and danced across the double stripe for the Whirlwinds' 23rd point.

Abshier sacked Burney for a 9-yard loss on Friona's first play following DeOchoa's kickoff. The 'Wind defense closed the door on the Chieftains' final opportunity to avoid a shutout, and Burney was again forced to punt. Tate Glasscock came in to direct the second unit offense, which ran off the remaining 5 1/2 minutes. The celebration started as the 'Winds posted their first whitewashing since the 28-0 Homecoming victory over Childress in 1992 - and their first district shutout in three years.

Friona will probably see its last glimmer of playoff hopes die this week when the Chieftains tangle with co-leader Littlefield. The 7-0 Wildcats destroyed Muleshoe 60-0 last week, and will be just marking time as the "Punkin Day

Friday" date approaches at Floydada.

The Whirlwinds' success on the road will be severely tested when they travel to Tulia this Friday. The Hornets, surprised 14-8 by Friona two weeks ago, snapped a four-game losing skid to get back into playoff contention with a 16-0 shutout of Dimmitt. Tulia's Younger Field hasn't been one of the friendlier surroundings for the 'Winds in recent years. However, neither was Floydada's own Wester Field against the Hornets in 1992. Barring an earth-shattering miracle by Friona at Littlefield, the winner of the Whirlwind-Hornet matchup will have an inside track on one of District 2-3A's playoff spots.

BILL'S NOTES
 The Friona victory was not only Floydada's first district shutout in three

years, but it also played havoc with the Harris System's point spread, which had the Chieftains favored by 8... a 31-point swing! The 'Winds had another strong, well-balanced offensive outing of almost 400 yards.

Sammy and Elias were on the same wave length for a couple of long beauties. Anyone considered for offensive player of the game would have to share that honor with those blocking in the offensive interior.

Eric, Ralphie, Tyson, Adam and Jed are clicking and doing a super job. Their efforts are making it possible for a lot of things to happen. So, those five folks get the nod this week.

The outstanding play of the game has to be Sammy's 39-yarder to Elias - with people draped all over him, Sammy still managed to toss the ball in the air for 45 yards into double coverage... and hit his target.

Again, my choice for offensive player of the game is "Tate-ed." Glasscock's shot on

Jimmy Arias was heard in Littlefield. It stopped a 4th down attempt that had "6" written on it for Friona. Defensive players of the game, in my book, were Zach and Jed. They made several key plays from their end spots, and gave Burney all kinds of fits.

To maintain the momentum building for not only a playoff berth, but a possible district title as well, it is absolutely necessary to knock off the Hornets this week. The 'Winds owe Dan Pair's swarm something for last year anyhow. So, taking that little march one step farther, it'll be payback time at Younger in a nail-biter... Floydada 27, Tulia 20.

Bill's other picks:

'Winds JV romps over Friona Junior Varsity

By Bill Gray
FLOYDADA—The Whirlwind Junior Varsity scored two first-period touchdowns and glided to a 27-6 victory over Friona's Junior Varsity at Wester Field on Oct. 14.

Vernon Cooper put Floydada on the board first with a 35-yard TD run. Monty Anderson tossed a 12-yard TD strike to Frankie Luna, and Nufu

Cervera ran the two-point conversion for the 'Winds other opening quarter points. Friona scored its only points of the game in the second quarter.

Frankie Maldonado ran five yards for a Floydada touchdown during the third stanza. Frankie Luna picked the conversion to extend the 'Wind lead to 21-6. Tomas Barrientos intercepted a Chieftain pass to set up Floydada's final

points in the fourth period. Cooper scored from 5-yards out, the conversion attempt failed, and Floydada prevailed 27-6. Cooper also had two interceptions in the final period to help end any chances of a Friona rally.

Defensive players of the game were Cooper, Michael Mercado and Eric Luna. Chad Hinsley, Frankie Luna and Peter Luna were cited by the coaches for their offensive efforts.

The Whirlwind Junior Varsity will host Tulia's JV at Wester Field on Oct. 21. Kickoff is scheduled for 6:00 p.m.

Coach's Comments

By Coach Dean Bates

We played well on the road at Friona against an improved football team. Our defense recorded its first shutout of the season and is steadily improving.

We controlled the ball offensively, but were not as consistent as we need to be. We had one touchdown called back and were not able to score twice down close in the first half because of penalties. We have to avoid errors when we

get inside the 20.

We are pleased to be 2-0 in district and look forward to the opportunity to play a very good and well-coached Tulia team. They have a lot of speed in their skill people, and are really quick up front. We must play well if we expect to compete.

The games get more important each week as we continue our push for the district title. See you at the game.

Cleo Whittle earns first place in seventh week of football contest

By Juanita Stepp

First prize winner for the seventh week of the annual Floyd County Hesperian-Beacon Football Contest was Cleo Whittle of Floydada. He and three other contestants missed seven games on the contest, a remarkable feat considering the three games which ended in tie scores and numerous upsets which turned up this weekend. Whittle chose Floydada to win in the tie-breaker and selected a total score of 21 points, just two points under the actual score of 21. His first place check for \$25.00 will be waiting in the Floydada office on Friday.

Second place went to Shane Derryberry of Floydada who also selected Floydada to win in the tie-breaker. He chose a total combined score of 56. This was 23 points over the correct combined score. The second place check for \$15.00 can be claimed in the Floydada Office on Friday.

Taking the third place spot this week was Tommy Caldwell of Plainview who once again missed 7 games on his entry deposited in the Lockney office. Caldwell was the first place winner last week and might possibly have been the second place winner this week if he had chosen Floydada to win in the tiebreaker, however, he failed to circle a winner at all. Moving on to the combined score, he emerged in third place with a guess of 30, seven points over the actual combined total. He will be able to pick up a prize check for \$10.00 at the Lockney office on Friday.

Honorable mention goes to the fourth entry that missed seven games, Wes Campbell of Floydada. Campbell selected Friona to defeat Floydada (Wrong!) in the tie-breaker and selected a 35 point combined score, 12 points over the actual score. Honorable mention also goes to Marcos Torrez of Floydada who submitted the only entry to miss eight games. Seventeen entries

Breezer Football Report

By Bill Gray

FLOYDADA—The 7th grade Breezers scored in the second and fourth quarters and held on to edge Friona's 7th graders 12-8 in junior high action at Friona on Oct. 14. Michael Black hit Dusty Duke with a halfback option sweep pass just before halftime for the only first half points.

Floydada's defense made another strong goal-line stand as Friona had the ball at the Breezer 2-yard line. The young Chieftains failed to score on two thrusts from that point before fumbling into Floydada's end zone. Black recovered the loose ball for the touchback to end the threat.

Keith Collins extended Floydada's lead to 12-0 with a 6-yard TD run in the fourth period. Friona scored on a double reverse with three minutes remaining and attempted an onside kick Floydada recovered, but was later forced into a punting situation with only 40 seconds remaining on the clock. The Breezers

opted for a safety rather than a block on the punt attempt. The defense held Friona for two more plays to seal the hard-earned victory.

Michael Black, Dane Sanders and Dusty Duke were named by Coach Webster as defensive players of the game. Black and Tony Diaz were honored for outstanding offensive efforts.

8TH GRADE

The 8th grade Breezers didn't fare as well as they were outmanned by a Friona squad that hasn't lost a game in two years and have given up only four scores during that period. Floydada's only score came on a quarterback sneak late in the second period by Richard Casillas in the 49-6 loss.

Aided by eight Floydada turnovers, the Friona 8th graders scored at will. Following the lone touchdown by Casillas, the Breezers never again threatened.

Named as offensive players of the game were Richard Casillas, Tyson Whittle and Jorge Saldana. Outstanding defensive players were Casillas, Whittle, Saldana and Pedro Chairaz.

The Breezer squads hit the road again this week when they travel to Tulia. Kickoff for the 7th graders is 5:30 p.m. with the 8th grade game at 7:00 p.m. at Younger Field.

Hey, Whirlwind Fans!

The Floydada Whirlwinds will take on the Tulia Hornets at 7:30 p.m. Friday night in Tulia.

We will be showing our support for the team during a bonfire and pep rally Thursday night, Oct. 21, starting at 8:30 p.m. at the rodeo grounds.

So everyone come on out Thursday night and then to the game on Friday and show the 'Winds we're behind them all the way.

Farm loans for losses

Emergency applications being accepted

Applications for emergency farm loans for losses caused by fire are being accepted at the Farmers Home Administration (FmHA) office located in Floydada, FmHA County Supervisor Becky Rainer said.

Floyd County is one of 149 in Texas recently named by Secretary of Agriculture Mike Espy as eligible for loans to cover part of actual production losses resulting from the fire.

Becky Rainer said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business or \$500,000 whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest is 4.5 percent.

"As a general rule, a farmer must have suffered at least a 30 percent loss of

production to be eligible for an FmHA emergency loan," Mrs. Rainer said. Farmers participating in the PIK or Federal Crop Insurance program will have to figure in proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until May 10, 1994 but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possible over into the next farming season," Mrs. Rainer said.

FmHA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens and to farming partnerships, corpora-

tions or cooperatives in which U.S. citizens hold a majority interest.

The FmHA office in Floydada is open from 8:00 a.m. to 12:00 noon and 1:00 p.m. to 5:00 p.m. Monday through Friday.

Directors attend annual meeting

Approximately 1,000 soil water conservation district directors and other conservation leaders are expected to attend the Fifty-Third Annual Meeting of Soil and Water Conservation District Directors when they meet October 18-20 in Lubbock at the Lubbock Memorial Civic Center.

The purpose of the meeting is to review developments affecting state and national conservation programs. Various workshops will focus on an array of issues.

"A panel of Legislative leaders will discuss recently enacted legislation having an impact on soil and water conservation programs in Texas," said the effectuation Senate Bill 503 which establishes a site specific water

quality management plan development and implementation program;

the issue of USDA reorganization and its impact on the Soil Conservation Service and SWCD's; the reauthorization of the Clean Water Act;

and a training session for conservation district directors and district employees.

Regular elections for Association of Texas Soil and Water Conservation District Directors for State Areas One, Three and Five will be held and a president and vice-president of the State Association will be elected. Clyde Goutschak, Texas State Soil and

Water Conservation Board Director of Information and Education.

"The National Historic Preservations Act and how the USDA Soil Conservation Service must comply with its provisions when Cultural resources are found on private land will be addressed in the Public Information/Education workshop," he added.

In the environmental issues forum the Texas Clean Rivers Program including an overview of the State Water Quality Assessment Programs which will be addressed include the considerations involving the coordination of this program with soil and water conservations district (SWCD's) and the TSSWCB;

PCG holds quarterly meeting at Texas Farmer-Stockman show

By Shawn Wade

A quarterly meeting of the Lubbock-based Plains Cotton Growers Board of Directors was held Wednesday, October 13, 1993 at the site of the first annual Texas Farmer Stockman Show. The Farm Show, held on Lubbock's City Farm one and one half miles east of Loop 289 on 50th Street, is being called the biggest farm and ranch exposition ever held in the state of Texas.

PCG Board members discussed a number of issues including the North American Free Trade Agreement, the Plant Variety Protection Act, Federal Crop Insurance, recommendations for the 1994 Farm Program and the reorganization of the United States Department of Agriculture. Also discussed was the progress of the 1993 PCG Boll Weevil Control Program.

PCG Board members were given an opportunity to view some of Dr. John Gannaway's new cotton breeding lines developed through the PCG Plains Cotton Improvement Program (PCIP). They also had an opportunity to see some of the new commercial varieties being developed from PCIP lines by High Plains seed companies.

Roger Haldenby, PCG Boll Weevil Program Coordinator, briefed the board on the progress of the 1993 Control Program. He noted that a total of nine aircraft are being used on the program, maintaining a six day a week flying schedule. Haldenby added that the third

application would get underway Tuesday, Oct. 19.

The PCG Board meeting was held at the site of the Texas Farmer-Stockman Show and the Board commended the Farmer-Stockman organization for the tremendous job done to plan and execute the exposition.

HARVESTING ACTIVITIES PICKING UP STEAM

Harvesting activities have been picking up steam across the High Plains with producers treating fields in preparation for harvest. It is expected that the next two weeks will bring a rapid increase in the number of acres harvested. Many area gins are now running 24 hours a day.

As more of the crop comes in yield estimates are beginning to change based on actual production. In general, yields on the dryland cotton have been better than expected. Irrigated fields are also doing well, however only part of the acres so far fall into this category. Some crop watchers feel that most of the crop will be out of the field before Thanksgiving as long as a significant weather delay is avoided.

The October crop estimate from USDA lowered U.S. crop prospects to 17.01 million bales, a decrease of several hundred thousand bales. The High Plains estimate was relatively unchanged, down slightly to 3.5 million bales.

Biologist gives reservoir report

By Charles Munger
District Biologist

The water level at Mackenzie Reservoir is way down but the largemouth bass are still holding on. The Texas Parks and Wildlife Fisheries crew sampled largemouth bass in the reservoir this fall using electrofishing equipment. Mackenzie Reservoir has consistently produced largemouth bass up to 20 inches long and most are in good condition.

Past electrofishing samples have shown an increase in catch rate of bass. We collected 21 bass/hour in 1988 and 59/hour in 1990. The catch rate increased to 113 bass/hour in 1993. Most of the fish collected in the 1993 sample were this year's young.

Statistics derived from our sampling data indicate that the largemouth bass population in the reservoir is much improved from 1988 but has remained relatively unchanged since 1990.

The proportion of fish over 14 inches is essentially unchanged from 1990 even though the catch rate of bass 15 inches and longer was down from 20/hour in 1990 to 12/hour in 1993. The catch rate of 20 inch largemouth bass was steady at about one fish/hour.

The increased total catch rate and decreased catch rate of 14-19 inch fish from 1990 to 1993 may be due to one of two things. Either the reservoir has reached its carrying capacity for larger largemouth bass or the low water levels have increased the vulnerability of larger fish to anglers. Of the two, the

second is most likely.

As water levels decrease, it concentrates fish into a smaller area. This crowding can decrease the available food supply and increase aggression between larger, territorial fish. The combination of less food and increased aggression make these larger fish much easier to catch and remove. The problem with removing these fish is that, when water levels recover, many of the potential brooders are gone.

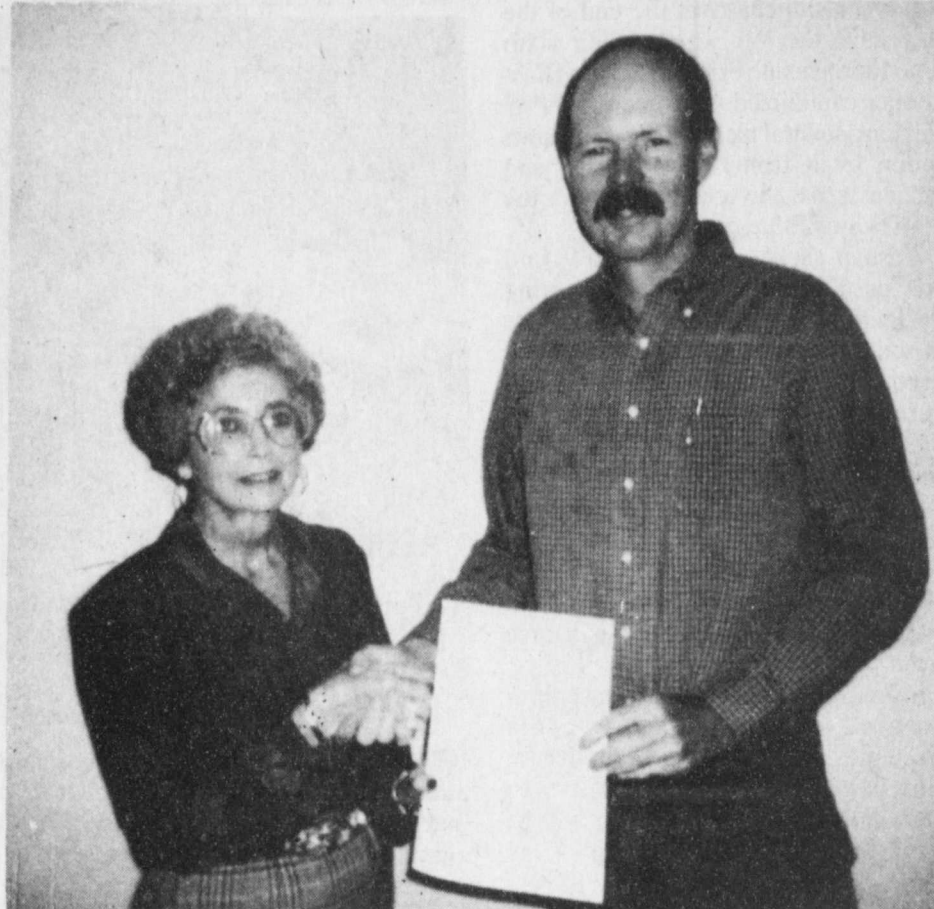

The practice of catch and release is the only thing that will keep these larger fish available for the future. Next time you go fishing remember that sometimes when catching is best it is best to release.

Proposition 16 to provide development

By Commissioner Rick Perry

On Nov. 2 Texas voters will once again be asked to decide on a slew of constitutional amendments that address issues ranging from building more prisons to abolishing county surveyors. When voters are plowing through this long list, I hope they will not overlook the last amendment, Proposition 16, which has the potential to boost ag processing in Texas and create directly and indirectly more than 15,000 new jobs in our rural and urban areas.

Proposition 16 proposes to increase funding for the Texas Agricultural Finance Authority, or TAFE, from its current \$25 million level to \$100 million. With its existing \$25 million, approved by voters in 1989, TAFE has helped 34 businesses obtain loans from lending institutions. These 34 ag processing and diversification businesses helped by TAFE have directly and indirectly created or saved more than 4,600 jobs and added \$463 million to the state's economy.

Companies helped by TAFE are not traditional farms and ranches. However, these companies do keep our farmers and ranchers in business by making it a priority to buy Texas-grown products. For instance, east of San Antonio in Waelder, J&B Sausage uses Texas beef, pork, turkey and chicken to provide supermarket chains with a line of sausages and smoked meat products. In West Texas, a Graham sportswear manufacturer, Falcon Industries uses Texas cotton in its T-shirts, sweats,

jogging suits and other athletic wear. And in San Antonio, En Casa Foods uses Winter Garden vegetables for its Northern Mexico and South Texas canned cuisine.

These companies are not Saturn car plants or microchip consortiums, but they are providing jobs by relying on this state's most basic source of renewable wealth - agriculture. TAFE-assisted companies help revitalize our urban and rural areas as well as strengthen Texas Agriculture by increasing in-state agricultural processing.

Texas is the nations second largest ag producing state, but we have a poor record for turning our raw agricultural wealth into more valuable consumer-ready goods. Our state was never a British colony, but we tend to act like one by sending most of our agricultural products away to be processed and then by paying premium prices to buy these goods back in finished form. Of all the agricultural goods we produce, only 8 percent remains in Texas to be made into valuable goods like clothing and convenience foods. The rest we ship out of

the state for someone else to get rich on.

Adding just 1 percent to our 8 percent ag processing rate would contribute \$2.2 billion in economic activity to Texas each year. And increasing our ag processing rate from 8 percent up to the national average of 20 percent would add more than \$26 billion annually to the state's economic output.

But ag processing businesses are expensive to start up, keep going and expand, and that's where the TAFE program fits in. Banks these days are reluctant to take risks, especially with new businesses, so TAFE acts to guarantee loans for approved companies from banks. There are many agricultural-related enterprises out there - probably several in your very own community - that have the potential to create new jobs, but these enterprises need a nudge in the right direction. TAFE provides that nudge with absolutely minimal expenses to the taxpayer.

TAFE is an investment in Texas that will pay tremendous dividends for years to come. So on November 2, please vote. And please don't forget to check the bottom of the ballot - Proposition 16 to provide jobs for Texans through agriculture.

Obituaries

BESSIE JACKSON

Services for Bessie Judd Jackson, 83, of Lubbock were at 2 p.m. Saturday, October 16, 1993, in Cumberland Presbyterian Church with the Rev. George Estes, pastor, officiating. The Rev. Sam R. Estes Jr. will assist.

Burial was in Lubbock Cemetery under direction of Franklin-Bartley Funeral Home.

Mrs. Jackson died at 4 a.m. Thursday, Oct. 14, 1993, in her residence. She was under a doctor's care.

She was born on June 1, 1910 in Smithville, Tenn. She moved from Cookeville, Tenn., to Lubbock in 1919. She married Marshall E. Jackson on Jan. 3, 1932, in Clovis N.M. She was a housewife and had been member of Cumberland Presbyterian Church for 69 years.

Survivors include her husband; two sons, Donald of Brownwood and Gary of Lawton, Okla.; a daughter, Lucy Eade of Lubbock; a brother, Earl Judd of Lubbock; two sisters, Pearl Tatum and Dallas and Bernice Maurer of Lubbock; eight grandchildren; and four great-grandchildren.

The family suggests memorials to Cumberland Presbyterian Church.

M. RAY LANDRUM

Services for M. Ray Landrum, 80, of Amarillo were at 10:30 a.m. Monday, October 18, 1993, in First Baptist Church in Friona with the Rev. Charles Broadhurst, pastor, officiating.

Burial was in Castro Memorial Gardens in Dimmitt under direction of Ellis-Blackwell Funeral Home of Friona.

Mr. Landrum died at 3:25 p.m. Friday, October 15, 1993, in St. Anthony's Hospice in Amarillo.

He was born on June 16, 1913, in Floydada. He married Rosella Dixon. She died in 1980. He later married Mildred Arnold on Sept. 15, 1984, in Amarillo, and he was a recent docent of the Sterquell Collection in Amarillo, and he was past president of the Friona Credit Union and the Evening Lions Club. He designed the Windmobile, and he sailed from Friona to Amarillo gaining worldwide recognition in 1950. He had owned a grocery store, a freezer plant and several movie theaters. He managed Cold Water Cattle Company Farm, and he moved to Amarillo from Friona in 1990. A daughter, Margaret Rose, died in 1958, and a son, Joel Randolph, died in 1989.

Survivors include his wife; a daughter, Jinni Konis of Amarillo; three stepsons, Tony Arnold of San Antonio, Brad Arnold of Hereford and Gary Arnold of Amarillo; a brother, Joel Landrum of Albuquerque, N.M.; two sisters, Marie Scarbrough of Clifton, Ariz., and Dorothy Chesnut of Merced, Calif.; six grandchildren; and nine great-grandchildren.

The family suggests memorials to the Friona Library, Parmer County Community Hospital, Prairie Acres Nursing Home or to St. Anthony's Hospice in Amarillo.

CHRISTINE POTEET

Services for Christine Poteet, 79, of Lockney, were held at 2:00 p.m. Saturday, October 16, 1993, in the Lockney First Baptist Church with Rev. Harold Abney, pastor, officiating.

Interment followed in the Ralls Cemetery under direction of Carter-Adams Funeral Home in Ralls.

Mrs. Poteet died at 10:00 a.m. Thursday, October 14, 1993, at her residence following a lengthy illness. She was under Hospice care.

She was born Jan. 19, 1914, in Bell County, Texas and married Olan Poteet on Dec. 24, 1931 in Ralls. She was a homemaker and a member of the Lockney First Baptist Church where she taught Sunday School for several years. She was a member of Rebecca Fraternal Organization and was a graduate of Temple High School. She moved to Lockney in 1939 from Ralls.

She is preceded in death by a brother, Charles E. Fuller and by 2 sisters, Doris

King and Hassie Lane.

Survivors include her husband, two sons, Layne Poteet and Dwayne Poteet of Austin; two daughters, Pat Turner of Shreveport, La. and Beverly Wilson of Abernathy; three sisters, Lois Young of Temple, Margaret Wheeler of Cone, and Mildred Foster of Bedford, Texas; 10 grandchildren and 7 great-grandchildren.

Pallbearers were Charles Overstreet, Jesse Savage, Sammie Bownds, Lester Bownds, Dub Dipprey, Leland Bilbrey.

Honorary Pallbearers were Truett Bilbrey, Fred Cardinal, James, Boydston, Morris Stevens.

G.W. SMITH

Services for G.W. Smith, 78, of Floydada were at 10 a.m. Thursday, October 14, 1993, in City Park Church of Christ with Houston Green, evangelist of the Church in Bayfield, Colo., and Robert Davis, layman of West Side Church of Christ in Floydada, officiating.

Burial was in Floyd County Memorial park under direction of Moore-Rose-White Funeral Home.

Mr. Smith died at 7:54 p.m. Tuesday, October 12, 1993, in Lubbock's Methodist Hospital.

He was born on Feb. 22, 1915, in Floydada. He married Alta V. Lloyd on July 23, 1934, in Roswell N.M. He served on the boards of Farmers Home Administration and Producers Cooperative Elevator and was a member of the Church of Christ.

Survivors include his wife; a son, Dale of Floydada, a daughter, Freida Dunn of Floydada; two brothers, Roy E. of Plainview and William H. of Floydada; three sisters, Ruth Harrison, Jo Harrison and Mona Dunn all of Floydada; six grandchildren; and eight great-grandchildren.

Pallbearers were Ronnie Smith, Rex Harrison, Melvin Lloyd, Steve Lloyd, Paul Lloyd, Mitchell Lloyd, Greg Williams and Drew Lloyd.

The family suggests memorials to the Floydada Ambulance Service.

BESSIE PURCELL

Funeral services for Bessie Purcell, 87, of Albuquerque, N.M., former Quitaque resident, will be at 2 p.m. Thursday, Oct. 21, in the First Baptist Church. Burial will be in Resthaven Cemetery by Myers-Long Funeral Directors.

Mrs. Purcell died Sunday, Oct. 17, 1993 at the home of her daughter in Albuquerque.

She was born Bessie Chandler on March 5, 1906. She married Otis Purcell on March 25, 1922. He died in October 1982. They had lived in Quitaque and operated a service station and grocery store.

She was a member of Parkview Baptist Church in Albuquerque.

Survivors include one son, Dean of Albuquerque; two daughters, Betty Love of Albuquerque and Violet Cooper of Lockney; one sister, Mrs. Bob (Elene) McAninch of Plainview; seven grandchildren; 17 great-grandchildren; and two great-great-grandchildren.

Pallbearers were grandsons, Ted Cooper, Tim Cooper, David Love, Mike Purcell, Joe Figueroa, Archie Jones and Robert Marshall.

The family suggests memorials to the Parkview Baptist Church in Albuquerque.

Card of Thanks

We appreciate all of the prayers, visits, cards and telephone calls that have been made by our family and friends during Gordon's hospital stay and since he has come home to recuperate. Brother Farnsworth's prayerful attentiveness meant so much to all of us. Our prayer is for God to bestow bountiful blessings on each of you.
 Gordon and Darlynn Hambright
 10-21p

Many thanks to everyone who has been so thoughtful while I've been home with a broken shoulder. The cards, calls, visits, flowers and food are very much appreciated.
 With Love,
 Emestine Gilly

Stennett attends national medical meeting in Florida

LOCKNEY — Dr. Kevin Stennett, a doctor at W.J. Mangold Memorial Hospital, attended the 45th Annual Scientific Assembly of the American Academy of Family Physicians in Orlando, Florida. The meeting was held October 7-10 and approximately 5,000 family physicians from around the country attended the continuing medical education meeting.

Dr. Stennett, who is a member of the Academy, heard renowned speakers discuss up-to-the-minute health care

topics. He also had the opportunity to attend 19 separate educational forums covering hundreds of health care topics designed to keep family physicians abreast of the latest advances in medicine. More than 94,000 seats were available making this the largest medical educational meeting ever held for family physicians.

Subjects covered in this four-day scientific session were of immediate interest to family doctors both in their everyday practices and in their continuing endeavors to provide optimum health care for their patients. Some of this year's topics include: health care reform, managed competition, wilderness medicine, teenage pregnancy, medical ethics and laboratory quality assurance.

Headquartered in Kansas City, Missouri, the AAFP is the national association of family doctors representing more than 75,000 family physicians and medical students. It was the pioneer among medical organizations to require its members to complete 150 hours of mandatory continuing education every three years.

Local sales tax rebates again surpass 1992

By Juanita Stepp
October 1993 sales tax rebates made to Floyd County cities from the state comptroller's office have been received and year to date totals once more display an increase from last year for both Floydada and Lockney. Figures for each of the two cities indicate increases in monthly rebates when compared to September 1992 rebates.

Total rebates received in Floyd County this month were \$14,093.74, an increase of 10.19 percent when compared to the \$12,790.15 received at this time in 1992.

Floydada's October check from the state comptroller's office was in the amount of \$10,303.27 showing an increase of 13.82 percent over the \$9,051.85 payment received in October of 1992.

Lockney displayed an increase of 1.39 percent from the same period in 1992 in over all receipts. The city's October check was in the amount of \$3,790.47 compared to \$3,738.30 received in October 1992.

Area cities, their October 1993 rebates and percentage of change are listed below.

Quitque; \$839.22, -5.07%
Silverton; \$1,253.48, +3.21%
Crosbyton; \$4,579.35, -27.10%
Lorenzo; \$1,847.95, +10.24%
Ralls; \$5,287.24, -4.23%
Abernathy; \$6,453.76, +5.28%
Hale Center; \$3,236.44, +30.70%
Petersburg; \$1,704.81, +28.86%
Plainview; \$171,622.63, +15.80%
Idalou; \$3,964.31, +16.39%
Lubbock; \$2,090,901.62, +71.28%
Matador; \$1,075.48, -13.07%
Roaring Springs; \$2,636.52, -13.18%

Payments totaling \$122.5 million in local sales tax rebates went back to 979 Texas cities and 109 counties this month, according to the state comptroller's office. This month's sales tax payments include taxes collected on August sales reported to the Comptroller in September by businesses filing monthly tax returns.

Better Business Bureau issues scam warning

The Better Business Bureau has received information today of a scam involving the food service industry that seems to be sweeping across the country.

It seems that a John Walker with Health Advice Bureau, out of Garden City, NY has mass mailed a letter dated October 8, 1993, to restaurants. The letters state "...While in your area on local client. A usual food and service were of excellent standard and I look forward to returning soon. You many already be aware of the fact that one of your wait staff accidentally split a drink and soiled my blazer...As requested I am enclosing a photocopy of my dry cleaning bill for reimbursement...would appreciate your prompt attention to this matter..."

According to the BBB/West Palm Beach, Florida, the letters are post-marked New York, NY. All copies of letters are dated October 8, 1993, and the

dry cleaning bill is for a man's purple silk jacket and dated September 24. The Bureau also reports that occupational license.

We would appreciate it if anyone has

received such a letter in the South Plains that they please contact our office at 763-5554, their local Postmaster or Postal Inspection Service in Miami at (305) 436-7200.

Floyd County Hesperian-Beacon FOOTBALL CONTEST

GOOD LUCK!!

Floyd County Hesperian-Beacon Football Contest Rules

Any subscriber or individual above the age of 7 years old who purchases a Floyd County Hesperian-Beacon is eligible to enter this newspaper's weekly football contest, except employees of this newspaper and family members living in the same household.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. In addition, write in each of the tie breaker footballs your guess of the combined total points to be scored by the two teams listed. Also circle the team you believe will win. Circle both teams if you think the game will end in a tie.

The only entries which will be considered for prizes will be those on official entry forms which are brought to the Hesperian-Beacon office in Floydada or to the Hesperian-Beacon Office in Lockney by 5:00 p.m. on Friday. No photocopies will be accepted.

NO MAIL ENTRIES WILL BE ACCEPTED.

Three cash prizes are offered each week. In the event of ties - the same number of correct games and equal scores on the tie breakers - prizes will be shared by those involved in the tie. The tie breaker scores will be utilized only in the event of a tie on the number of games correct.

Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at the Hesperian-Beacon office before 5:00 p.m. on Friday.

Entries are limited to one per person per week. Weekly winners are limited to one per household.

Floyd County Hesperian-Beacon Football Contest Official Entry Form

Cut on the dotted line.
