A view from The Lamplighter

On November 2nd we'll all have another opportunity to amend the Texas Constitution for the umpteenth time. As usual the voter will probably have a certain amount of difficulty in determining exactly where wisdom lies when it comes time to vote, given the wording of the proposals.

As things now stand we intend to vote no on numbers 1, 7, 13, and yes on the others. We doubt the sun will fall if all are approved, or if all are rejected, but at any rate they are there for the voters to decide. Some day, perhaps, the state constitution will be revamped and we won't have to decide if McLennan County, or Jackson County, need their surveyors. (You will find those questions in propositions 6 and 8.)

We see by the papers that Wal-Mart has had its hand slapped by an Arkansas court for "predatory" pricing with the intent of driving its competitors out of business. Whether the judgement stands up on appeal to a higher court is anyone's guess at this point. The question, of course, is Wal-Mart's intent. As far as we know, it is not illegal to sell goods at below cost, which was one of the complaints against Wal-Mart. But it is illegal, in some jurisdictions at least, to engage in "predatory pricing" for the purpose of driving one's competition out of business. That is very difficult to achieve when the playing field is more or less level, but it becomes much easier when a business achieves sufficient economic power to dominate a market. What is lost in selling a few items below cost can be easily made up in other places. And anyone who believes Wal-Mart became the biggest (and most profitable) retailer in America by selling below cost on some items and not making it up on other items is qualified for the nut house.

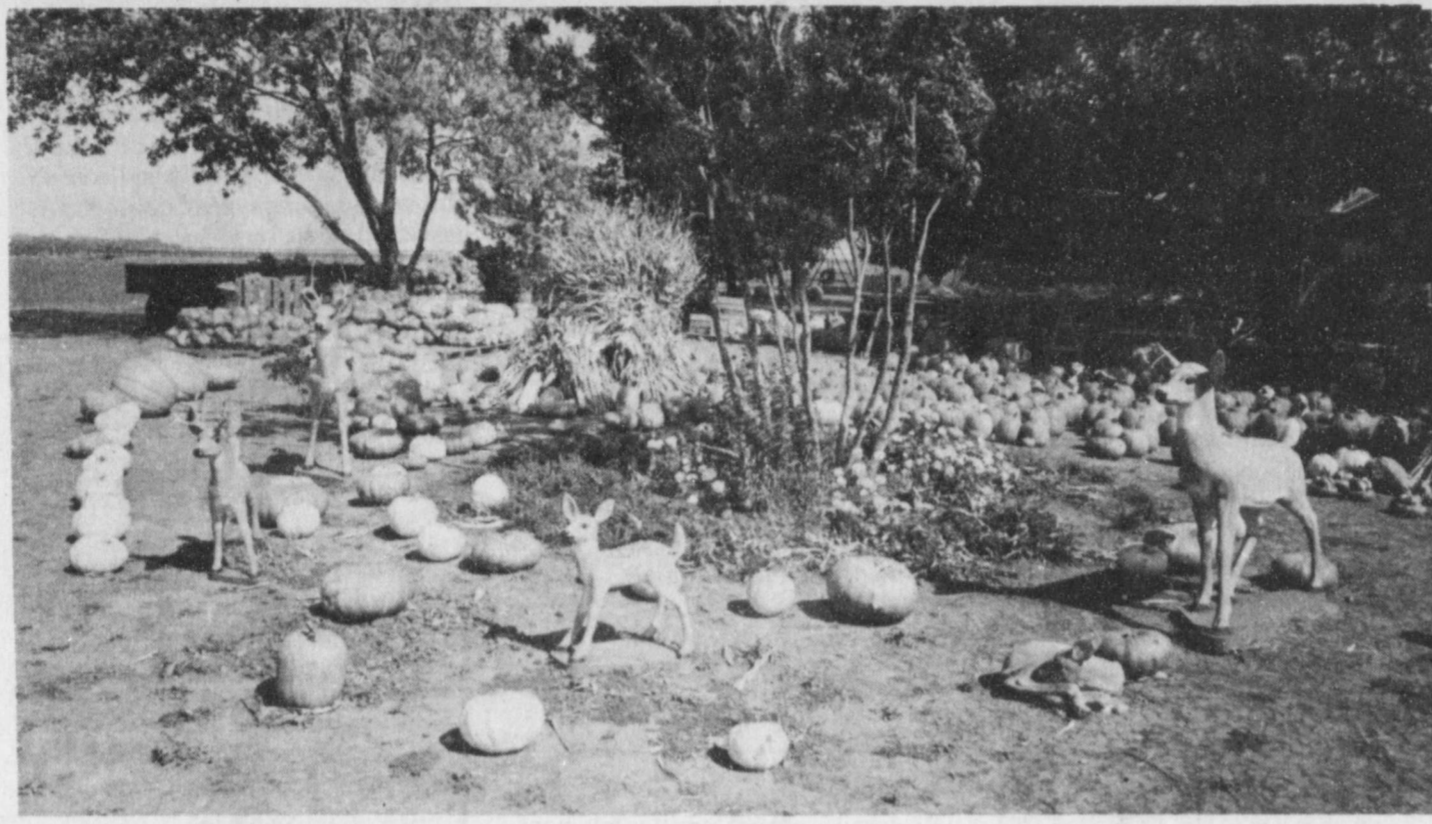

There is no doubt that many small businesses, particularly in small towns across America, have been driven from business simply because they can't compete with Wal-Mart. Small retailers cannot deal directly with manufacturers in the same manner huge retailers can. Nor do they usually have their own integrated transportation system, and their own storage warehouses, providing areas of efficiency in operation that in turn can result in lower prices.

But small business do have, or can have, some things going for them that the Wal-Marts of this world do not. They have, or can have, the advantage of

personal service, of specialized attention, of community good will. And, in some cases, they can also compete with the huge retailers in the area of price as well. People are learning that, all things considered, bigness is not necessarily better. They are learning that indeed sometimes good things do come in small packages.

From a strictly business standpoint, and from Wal-Mart's standpoint, Wal-Mart cannot be faulted. From their standpoint they made a wise business decision years ago when they decided to target small-town America. In doing so they avoided (for the time) head-to-head competition with other giant retailers in the big cities, and they walked into an area where pricing and advertising got people's attention. They walked into a situation where many small businesses in small towns had for too long taken the position that there was no need to advertise their goods and services, that "everyone knows what we have here, so why should I advertise." That attitude helped lead to the demise of many small businesses, for consumers not only want to know what is for sale and what price, they want to know that the business really wants and appreciates their trade.

Fortunately, for whatever reason, the small business community is, it seems to us, coming to life and fighting back. There have been several reports, within the last few months, of communities turning down prospective Wal-Mart stores. They have come to realize the value, not only to themselves but to their community, of those small businesses that helped build the community and hold it together. No matter how the court case in Arkansas comes out, it will have served the purpose of pinpointing one more problem facing rural communities across America.

City may reopen landfill

By Juanita Stepp
FLOYDADA — City Manager Gary Brown reported to Floydada city council members that the state Historical Commission has finally approved their part of plans for the opening of the new portion of the Floydada Landfill. This approval, along with the court ordered delay in implementation of overly stringent EPA regulations, leaves the way clear for the city to begin work on the landfill according to Brown.

"All of the ducks have finally lined up and it looks like the city can get back in the landfill business," stated Brown. "We will be putting up a fence and looking for a set of scales to monitor the tonnage. The next step will be to dig a pit if no new snags develop."

Brown also reported on the possibility that an air generating firm may locate

in the vicinity. According to Brown, the firm situates wind activated electrical power generation units in areas where the wind is adequate and sells the power generated to areas in need of the utility. He told the council that the possibility exists for as many as 125 units to be located here should the company opt to settle in Floydada.

The final item on the city manager's report was that an individual has expressed an interest in deeding 103 tracts of property to the city as a gift. The city council indicated that they were in favor of accepting the gift and would be willing to pay the necessary transfer fees on the various properties.

Mayor Hulon Carthel read portions of a letter informing the council that the City of Floydada has qualified for a Certificate of Achievement in Excel-

lence in Financial Reporting based on an application made earlier in the year at the urging of the accountants from Edd Henderson, CPA. According to the letter, the award represents a significant accomplishment by a government and its management. A special plaque will be arriving in about eight weeks to commemorate the award.

Mayor Carthel also proclaimed Saturday, October 30, as the date for Trick or Treating in the city. Going out on Sunday, October 31, is being discouraged and parents are urged to take advantage of the Punkin' Day Trunk or Treating at the Floydada High School Park on Saturday to make this a safe Halloween for their youngsters. Special bags are being provided by the city for the event.

Tricks and treats will be found at PTA Halloween carnival in Lockney Elementary

LOCKNEY — A wide assortment of ghosts, goblins, cowboys and hobos will invade the Lockney Elementary School

on Saturday night, October 30 for the annual Halloween Carnival. The fun will start at 7:00 p.m. and continue until

Costume contest to be held at Floydada High School

The very popular Punkin Day costume contest has been revised this year in order to avoid confusion and tired feet.

In an effort to move the children through faster and allow parents and grandparents places to sit, the contest will be held at the auditorium in Floydada High School. The contest will begin at 6:00 p.m. and parents are asked to arrive earlier in order to pre-register. Children will be walked across the stage individually for judging and parents are asked to stay seated unless you need to carry your child across the stage.

There will be a \$1.00 entry fee for each contestant. The age group divisions have been divided into small groups beginning at: Infant-6 months; 6 months-1 year; 1-3 years; 4-5 years; kindergarten-1st grade; 2nd-3rd grade; 4th-6th grade; 7th-8th grade; 9th-12th grade; adults and a separate group theme category.

First, second and third place ribbons will be awarded in each age division.

Judges for the event are: Laura Turner, Judy Emert and Cathy Ross. Anyone wishing more information on the contest should contact Mitzi Nixon at 983-2203.

R Photography will be at the high school from 5:30 p.m.-8:00 p.m. to take pictures of people in costume. Different size picture packets will be for sale.

After each group has been judged they will be pointed in the direction of the trunk or treat path at the high school park.

Staggering the times of children leaving the high school will hopefully stop large groups of children descending on trunk or treat volunteers all at once.

TRUNK OR TREAT

Children and their parents are asked to trick or treat at the park on Saturday night instead of at homes on Halloween

Decorating pays off

FLOYDADA—Three hundred dollars in prize money has been awarded to various individuals and businesses who participated in the recent Pumpkin Decorating Contest.

After careful consideration Sunday, judges named the following businesses as winners: 1st place, City of Floydada, \$50.00; 2nd place, First National Bank of Floydada, \$30.00; and 3rd place, Floydada Branch of The First National Bank in Lockney, \$20.00. The Floyd County Hesperian-Beacon received honorable mention.

Winning in the Highway Decorating Contest were: 1st, Floydada Branch of The First National Bank in Lockney, \$50.00; 2nd, 1956 Study Club, \$30.00; and 3rd, Floydada Lions Club, \$20.00.

Receiving checks for the Best Decorated Homes were: 1st, the Tommy Assiter home, Ralls Highway, \$50.00; 2nd, the W.H. Finley home, 1/2 mile east of Floydada just past Annie Taylor Park, \$30.00; and 3rd, the Jackie Gregory home, Ralls Highway, \$20.00. Honorable mention was given to the Clar Schacht home, 904 W. Crockett.

Punkin Day promises plenty of fun and games

If the Punkin Day Committee and the Floydada Chamber of Commerce has left anything out of their fun filled day of Punkin activities you'll be too busy to notice.

There will be something for everybody at Floydada's 7th Punkin Days October 30. Children won't be the only ones who will have a chance at pumpkin games and there is always the chance that you just may win money at some of the events.

The committee will be up early Saturday morning arranging vendors under their tents, donated once again by Car-gill) and getting ready for the onslaught of early runners.

As usual the day will officially begin with the race registrations at 8:30 a.m. Serious runners will be able to compete in the 5K race and the runners out for grins can go at their own pace in the Fun Run and Fat Man's Race.

The arts and crafts booths will be ready for shoppers by 9:00 a.m. so get an early start.

Anyone bringing a painted or carved pumpkin for judging should have all entries in by 10:00 a.m., under the pavilion.

The biggest pumpkins, smallest pumpkins, prettiest corn and ugliest gourds also have to be on display by 10:00 a.m.

Registration for your baked pumpkin goods of all kinds (pies, cakes, cookies, candy, breads, etc) must be registered by 10:00 a.m. at a table northeast of the pavilion between the Ag Building and the courthouse. All recipes must contain at least 1/2 cup of pumpkin. There will be an age division for any and all cooks.

If you want to try your luck at the \$25.00 prize for the correct guess in the "Guess the Weight of the Trailer" contest, you must have your guess registered at the chamber table by 10:00 a.m.

Popular games returning this year include: seed spitting, washer pitching, pumpkin carving, pumpkin toss, pumpkin bowling, pumpkin rolling, wheelbarrow race, pumpkin pie relay race, and a chance at big money prizes with Cow Patty Bingo.

There will be plenty of food booths around the square which will help revelers keep up their strength. Early Christmas shoppers will find a haven of home made crafts and the EMS will also be set up for free blood pressure checks.

Luncheon entertainment will begin at 1:00 p.m. under the pavilion, with a human puppet show by Max Von Roeder, starring Lions Club members. Von

Roeder and his wife live in Snyder and have traveled all over the U.S. with their show. They are owners of Von Roeder Seed Farms Inc. Surprise entertainment is also promised by the Punkin Committee including a Miss Punkin Patch contest. This pageant will feature three gorgeous "ladies" with "super talents".

After a long day of activities (a complete schedule can be found inside this edition) the party is still not over.

The famous Costume Contest will be held for kids of all ages, at the High

School auditorium, beginning at 6:00 p.m. There will be a \$1.00 entry fee for kids this year.

A new twist has been added to the trick or treating tradition this year. Floydada will have its very first trunk or treating at the high school walking path. The trunk or treating will begin at 6:15 p.m. Children and their parents are encouraged to make good use of the safe walking path and of the volunteers handing out the candy from the trunks of their car. Trick or treating in the neighborhoods is being discouraged Saturday or Sunday night.

A 4-H dance for all ages will end the day. The dance will be held at Duncan Elementary, beginning at 9:00 p.m., with Paramount Productions spinning the records.

Bring your energy and your smiles to pass around in Floydada this Saturday. You'll enjoy visiting with your old friends and making some new ones.

Fat Man's race looking for all shapes and sizes

As usual the organizers of the famous Fat Man's Race, held annually during Floydada's Punkin Days, are having a hard time finding people who will admit that they have the right type of body shape to compete in the Fat Man's Race.

It's down to the wire now and only a few people have whispered their desire to compete.

There is no fee for entry into this wild and crazy race and the only qualification needed is a good appetite and a good sense of humor. "There are no weight requirements," said race organizers Laura Turner and Angie Veld. "Running skills are not necessary. Use your own judgement and get around the square any way you can. Just be sure and make your food stops."

Five tables will be set up around the square supplying snacks of pumpkin juice (orange juice), candy corn pumpkins and small "itty-bitty pieces" of pumpkin pie.

To enter this race participants should go by the Farm Bureau Office between 10:45 a.m. and 11:15 a.m. to pick up entry numbers. The race will begin at 11:30 a.m.

Two streets closed Saturday

Two streets in downtown Floydada will be closed to traffic and parking on Saturday during Punkin Day activities.

Closed will be Main Street, between Missouri St. and California St., and California Street, between Wall St. and Main.

BY THE WAY!

BY
ALICE
GILROY

Halloween is here—and Lockney and Floydada have it all under control.

Lockney will entertain the kids with a great carnival Saturday night at the elementary school. It's a very good alternative to trick or treating!

Lockney is asking kids to do their treating on Saturday night instead of Sunday and they are going to keep most of you so busy at the school you won't need to roam the streets too much—except for your favorite houses of course!

Floydada has their good clean fun Punkin Day all day Saturday. When all your kids finish up on Saturday they may be too pooped to be rowdy the rest of the night.

Floydada is also encouraging youngsters to do their trick or treating on Saturday, and they would really like you to come to the new Trunk or Treating at the walking path at the high school. It's another great alternative to the traditional door to door candy hunt.

I've heard about people bringing their kids into Floydada from Lubbock and other places around the South Plains just because they want something the family can do together during Halloween.

Come out and enjoy Punkin Day and then enjoy your Halloween night either at Lockney's carnival or Floydada's trunk or treating!

I received a very interesting article from Danny Clark, the pharmacist in Lockney, concerning a lawsuit filed against drug makers by some leading drug store chains.

The AP story out of New York said, "The nation's biggest drugstore chains on Thursday filed a broad antitrust lawsuit accusing leading pharmaceutical companies of colluding to drastically mark up the prices they charge neighborhood pharmacies."

The lawsuit accuses seven drug makers of charging pharmacies up to 1,200

percent more than other drug buyers such as hospitals and health maintenance organizations (such as HMO's).

For instance the manufacturer Ciba-Gelgy will sell 30 patches of Transderm-Nitro (cardiac) medicine to HMO's and hospitals for \$8.40. They sell the same to our community pharmacy for \$39.89 which is a 375% difference.

Wyeth Manufacturer sells 100 tablets of Inderal (cardiac) medicine to HMO's, etc., for \$4.12. The same medicine goes to Clark's Pharmacy and others like him, for \$48.31, which is a percentage difference of 1,073.

It may make you stop and think about the prices you have to pay. I hope the drug stores win!

I want to pass on a quote the "Perspective" page in Newsweek magazine.

Gerard Paillou, who is mayor of the nude-only French resort of Cap d'Agde, was quoted as saying, "More and more holidaymakers...are refusing to get undressed. That sort of behavior is very offensive to genuine nudists."

He made that quote after introducing a beach patrol that goes around the beach and orders clothed sunbathers to strip!

I think it's only fair. Those nudists don't want a bunch of weirdos on the beach with them. After all they have their children to look after. And besides those clothed sunbathers run down the value of beach property.

TOMMY RAY

Lockney gets new reserve police officer

LOCKNEY — Lockney Police Chief Lennie Gilroy announced the association of Tommy Ray with the Lockney Police Department as of October 26. Ray will be joining the force as a part-time reserve officer. This brings the department staff to a total of five, two full-time and three part-time officers.

Ray was reared in the Littlefield area and graduated from Roosevelt High School in Lubbock. He attended South Plains College and is a graduate of the law enforcement academy there. Currently employed as a dispatcher for the Lubbock County Sheriff's Department, Ray is a licensed peace officer.

Ray has been married for ten years and he and his wife Penni have one daughter, Amanda.

Appraisal office closed on election day

Floyd County Central Appraisal District office will be closed on Tuesday, Nov. 2, for the General Election. The office will also close on Wednesday, Nov. 3, for staff workshops. For any questions call 983-5256.

Letters To The Editor

Dear Editor,
The members of Il Penseroso Jr. Study Club would like to express their appreciation towards Mr. and Mrs. John Lowe. The Lowes are two very caring and kind individuals. There are very few people in this community who can match the amount of time and concern the Lowes give the students of Lockney High School.

As the high school counselor and sponsor of various student activities, Mrs. Diane Lowe has devoted many long nights and weekends to ensure that the students and faculty receive the best assistance and care possible. As the head football coach, Mr. John Lowe has also labored many long hours. The result of his commitment to and relationship with the students are obvious both in the classroom and on the field. We will also mention, our football team—the so far undefeated district team, many thanks to Coach Lowe.

Il Penseroso Jr. Study Club just wanted the Lowes to know, that we appreciate everything they have given to this town.

Dear Publisher,
Enclosed is my subscription payment for \$18.

We (my husband Herschel and I) really enjoy the news from home! We have lived here in California for most of our married life, but Floydada, still has

a special place in our hearts and we love it and like hearing what takes place there. We wish we had stayed but it's too late now to go back, our children and grandchildren live here, and like it, so we will just remember and be glad for our little hometown of the past. We love the Lamplighter and Alice a lot!
LaVerne and Herschel Travis

Dear Editor,
FLOYDADA is a great place to live and raise children. There are many things which contribute to this fact, but community pride activities such as Old Settlers, County Fairs, Pumpkin Days, and Church or School activities are at the top of the list.

Last Thursday night F.H.S. had a community wide pep rally and bonfire. This was a community/school undertaking which was a huge success. Several hundred people came out in the cool night air to show their SUPPORT for the

Whirlwind Football Team and their PRIDE in their community.

It makes me proud to see members of our community, regardless of race or cultural difference, come together for a common cause. So pat yourself on the back FLOYDADA for a job well done.

I also want to give special thanks to: the Floydada Rodeo Assn. for use of the rodeo grounds; City of Floydada for site preparation and fire safety; F.I.S.D. staff and students for stacking wood; local businesses and individuals for contributing wood; Booster Club members for helping with parking; student parents for initiating the idea and making the original contacts to secure the site and materials.

Sincerely,
Joe Christian, Principal
Floydada High School

Have A Good Week!

Enjoy tricks & treats with downtown merchants

Several Floydada businesses will entertain visitors on Friday with treats. Many more will be in costume and would enjoy showing off their creativity to anyone brave enough to make the rounds.

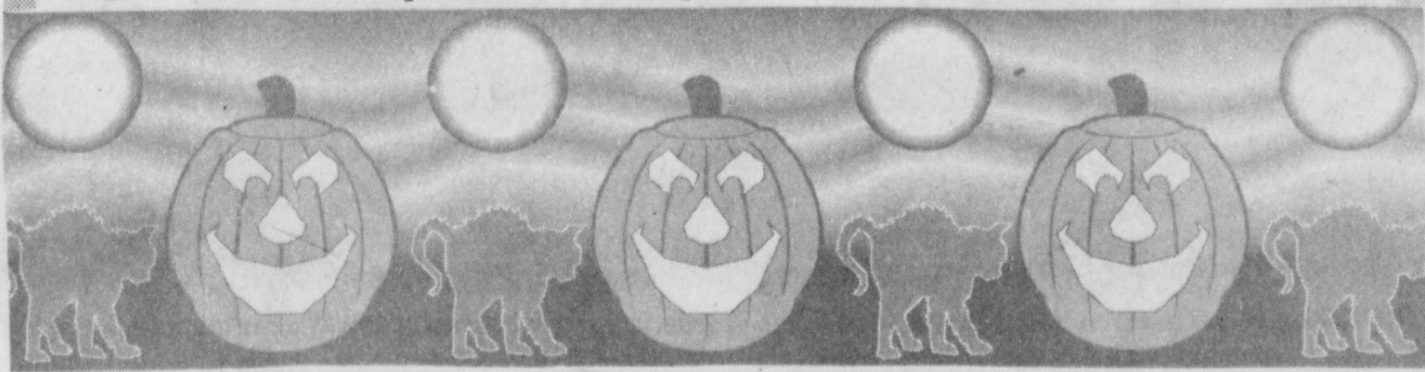

As of Tuesday the following businesses had notified the paper of their plans to be in costume: the First National Bank of Floydada, the Bank of America, the Floydada Branch of the First National Bank in Lockney, Nick Long-State Farm, Edd Henderson CPA, KFLR radio and the office of Dena Reecer, Attorney at Law, the Federal Credit Union and The Floyd County Hesperian-Beacon.

Serving refreshments will be the Floydada ISD office, from 9:30 a.m.-10:30 a.m.; the Floyd County Courthouse in the county courtroom, from 2:30 p.m.-4:30 p.m.; the Floydada Branch of the First National Bank in Lockney, the Bank of America, the businesses inside the Federal Credit Union from 10:00 a.m.-3:00 p.m.; the City of Floydada, Sue's Gifts; and The Floyd County Hesperian-Beacon from 2:00 p.m.-4:00 p.m.

Caprock HD board considers Ammons' staffing proposals

By Juanita Stepp
FLOYDADA — Board members for Caprock Hospital District Thursday, October 21, heard a proposal for getting the hospital open as soon as possible by hiring two Locum Tenens (temporary physicians) to join the currently employed staff. Hospital administrator Ronald Ammons told the board, "Now is the time to move if we ever make it work."
 "I truly believe that if we open now, we can remain open in the future," stated Ammons. "I have learned the hard way not to count on anything, but I feel that we will be able to recruit permanent physicians to the community if the hospital is open and functioning."

Ammons proposed adding two temporary physicians to the staff who could work in the clinic and offer physician staffing for the hospital along with the physicians assistant currently employed. He told the board that this would be adequate for opening the hospital despite of the fact that Dr. Mira Tomasevic has submitted a thirty day notice of her resignation. Tomasevic is returning to her homeland, Bosnia, Yugoslavia, with her ailing mother according to Ammons.

At the present time, Caprock Hospital District has two prospects for permanent physicians which appear to be promising. A third physician is ready to come to Floydada in January, according to St. Mary of the Plains officials who have been attempting to recruit doctors for the district. If all of these work out and do arrive, the need for temporary doctors would be alleviated.

Ammons request is based on a tentative hospital opening date of December 1, 1993 if at least one and possible two, temporary physicians can be contracted in the next few weeks. These would be used on a fulltime basis until permanent physicians are committed to the district and on staff at the hospital. St. Mary's personnel assured the board that Dr. Antoine Albert, under contract to St. Mary's, would continue to serve Floydada until an acceptable permanent physician has agreed to work in Floydada and tend his patients.

Citing the monthly fixed costs the district is currently meeting, Ammons estimated that hiring the additional personnel necessary to open the facility would increase costs from \$70,000.00

by about \$20,000.00 to \$30,000.00 per month. He also estimated that income derived from lab work, hospital admissions and operation of an open facility with a rural health care clinic and home health care services in place would more than cover the cost of operation each month, including the cost of Locum Tenens.

A motion by Kenneth Pitts and seconded by Tom Farris was passed by unanimous vote, giving Ammons authority to recruit and hire temporary physicians to staff the clinic and hospital.

A second motion, voiced by Farris, stated, "Assuming that Locum Tenens are in place and functioning satisfactorily, the district will then proceed with a tentative opening date of December 1." The motion was seconded by Pitts and approved by unanimous vote of the board.

In view of the fact that nursing staff must be recruited in addition to physicians, board president Fred Thayer asked that anyone who has or knows of rental property in Floydada contact the hospital or board members. Homes will have to be found for the additional staff members who will be joining the facility in November and December if a December 1 opening date can be met.

Minutes for previous meeting were read and approved.

A work session will be scheduled to work on a personnel manual for district employees. This was set for 7:00 a.m. on Wednesday, October 27.

Action on a policy and procedure manual was tabled until a later date.

Purchase of software to operate the clinic was tabled until a later date.

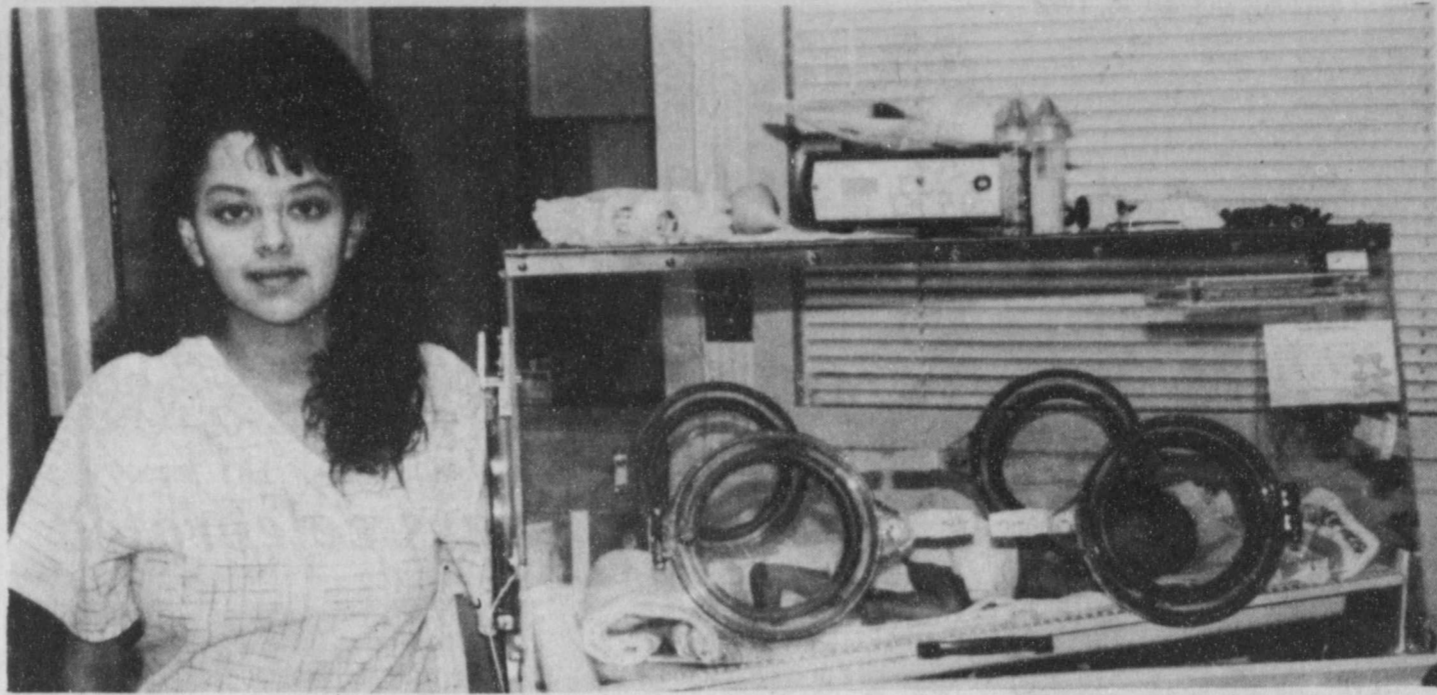

Appointment of a medical staff was tabled until a later date.

A property bid from Letha Ledbetter was accepted by the board for the sale of a sheriff's sale tax property. The sale will not be final until all involved taxing entities have approved the bid.

Appointing a new board member was discussed. No action was taken as the matter was not on the agenda.

Payment of monthly bills was authorized and financial reports were accepted as presented.

The board adjourned the early morning meeting with plans to return at 1:00 p.m. to consider personnel in an emergency executive session. Action taken following this session was a vote in favor of offering a contract to a physician recruited by an agency employed by St. Mary of the Plains Hospital.

Perez completes ROTC encampment

LOCKNEY—Air Force Reserve Cadet David D. Perez has completed a U.S. Air Force ROTC field training encampment at Sheppard Air Force Base in Wichita Falls.

The summer curriculum consists of orientation on jet aircraft, career opportunities, human relations education, and equal opportunity training. Physical fitness and survival training is also emphasized. The field training is normally attended by cadets between their second and third year of college.

The cadet is a student at Texas Tech University, Lubbock.

Perez is the son of Efrén and María Perez of Lockney.

4-H'ers compete in food show

From Melissa Long, CEA-HE 4-H Cooking... An American Tradition was the theme for this year's county food show held Sunday, Oct. 24, at the Lockney Elementary Cafetorium. Over 60 members took part in project work and 39 4-H'ers exhibited dishes they prepared and gave interviews covering food and nutrition information they had learned through their 4-H Food and Nutrition projects in the weeks prior to the show.

Cameron Kemp, Lindsey Mathis, Abby Sanders, Corye Gill, Bonnie Dunlap, Laura Miller, Brady Rasco, Robert Bartlett, Katrina Bartlett, Erika Miller, Eric Bartlett, Chelsea Patridge, and Cody Hayes. Also participating were Robert Dunlap and Pee Wee 4-H'ers Melissa Dunlap, Molly Long, Karah Hrbacek, and Mason Becker.

sisting with the projects included Treena Aston, Sheri Miller, Dana Crossland, Sarah Sanders, Sharon Bartlett, D'Lee Powell, JoLynn Dean, Vikki Yeary, Kathy Hunter, Kathy Becker, Karen Miller, Cody Hayes, Cynthia Martin, Chelsea Patridge, Mandy Hunter, Kaci Mathis, Charla Yeary, and Tim Mitchell.

The national 4-H objectives set for 4-H'ers participating in food and nutrition projects state that 4-H'ers will understand the interrelationships between food preparation, science and nutrition. Understand that all individuals need the same foods, but in varying amounts, depending on age, sex, and lifestyle. Develop appropriate eating habits. Learn to select and purchase food in order to get the most nutrition for the money spent. Develop management skills to plan, prepare, and serve nutritious meals and snacks. Understand the social and cultural roles of food in daily living. Develop leadership and work skills to enhance personal growth and citizenship.

Winners in each of the categories included:
(Junior 1's) Main Dish: 1st, Brad Yeary; Alternate, Tasha Powell; Fruits and Vegetables: 1st, Janee Hrbacek; Alternate, Madison Becker; Breads and Cereals: 1st, Jeffrey Hunter; Alternate, Garrett Mathis; Snacks and Desserts: 1st, Brittany Aston; Alternate, Wade Miller.

By Gene Newton

Sixty-three were present for our usual Thursday get-together. All enjoyed a large meal. Games were played after lunch for those who wished to join in.

Birthday cake was served for Shorty Hartman, Ann Cook, Dorothy Stapp and Jimmy Stennett.

Nina reported Dan was resting better. I believe Bill Thomas was sent to Lubbock and Flo Lee was back with us. She wants to thank everyone for the visits, cards, calls and prayers while she was in the hospital.

Marie was absent and we miss you when you are a regular. Hope she is feeling better soon. Theta, where were you and Jo?

We want to pray for our sick and ill and to thank everyone who has been volunteering their help with lunch duty. It takes all of you to be a family run organization and this is your organization also.

The next meeting will be Thursday, October 28. The center will make the stew. Please bring salad, cornbread and desserts.

MENU

Monday: Beef stroganoff over noodles, spinach souffle, green salad, cake

Tuesday: Swiss steak, broccoli and rice casserole, salad and dessert

Wednesday: Meat loaf, gravy potatoes, green beans, salad, dessert

Thursday: Oven fried chicken, macaroni and cheese, lima beans, salad and dessert

Friday: Salmon croquette, potatoes, candied carrots, salad and dessert

Longhorns kick Mustangs

By Coach Scooter Cassler

In yet another powerful display of offensive skills, Lockney's Longhorns defeated Olton's Mustangs 40-14 Friday night at Olton.

Led by leading rusher Patrick Monroe's two scoring runs and Tanner Johnson's two touchdown receptions, the 'Horns power wishbone offense scored early and often and ran away from the Mustangs.

Lockney's first score of the game came with 6:15 left in the quarter as Leo Vargas found Johnson for a 30 yard scoring strike. Monroe PAT kick made the score 7-0, Longhorns.

The only other scoring attempt was by the Longhorns; a fixed goal try by Monroe that missed the mark near the end of the quarter. Lockney's defense held the Mustangs offense every possession of the quarter, allowing little positive yardage.

After the change of quarters, both offenses gained two possessions before mounting any scoring threat. With 5:40

left in the half, Monroe galloped in from 43 yards out for the second Longhorn score. Monroe's second PAT kick of the night was unsuccessful, making the score 13-0, Longhorns.

Lockney's defensive control continued up to the half, as Olton regained possession five more times before half and was denied each possession. The final Longhorn score of the half came on a Monroe 41-yard gallop to the endzone with 14 seconds left in the half. Vargas' PAT run raised the score to 21-0, Lockney. Vargas ended the half for the Mustangs as well, intercepting an Olton pass attempt.

The halftime intermission did nothing to slow down the Longhorn offense, as David Luna exploded through the line and raced 76 yards for the opening score of the half. Monroe's third PAT missed the mark; Score-Lockney-27, Olton-0!

The following possessions for both teams came up "three and out". Olton's second possession realized their initial score on a Michael Wilbourn 30-yard

gallop to the end zone. The PAT kick narrowed the score to 27-7, Lockney, with 5:01 left in the quarter. Lockney answered on the following possession, using a first down pass to Mikhael Durham and 46-yard run by Luna during the drive, capped by a Vargas 4-yard plunge into the endzone. Monroe's PAT kick missed, making the score 33-7 Longhorns, with 3:23 left in the quarter.

Olton's final possession of the quarter ended the quarter with quarterback sacks by Johnson and Joe Marks and a tackle for a loss behind the line of scrimmage by Shane Hooten. Score: 33-7, Lockney.

The final quarter saw the on-going Olton possession culminated in a touchdown pass and successful PAT kick. Score: 33-14, Lockney.

Lockney's initial possession of the final stanza consumed the next 3:35 on the clock, including a 24-yard run by Luna, a 21-yard run by Phineas Riddley, and a drive ending touchdown pass of 23 yards from Vargas to Johnson.

Monroe's successful PAT kick realized the final score of 40-14, Longhorns.

Vargas capped off his defensive performance of the night with the second and third of his three interceptions. Great work, Longhorn players and coaches! Next up: Shallowater's undefeated Mustangs, 7:30 Friday at Mitchell-Zimmerman Field. See you at the game!

Longhorn Band Receives A Division I

A proud Longhorn band returned home Tuesday night with a 1st division rating from the region marching contest held in Lubbock, October 26.

The band competed against 13 other Class 2A bands and was one of six to receive a 1st division rating.

This qualifies the band to compete in the Area Marching contest to be held in Odessa on Saturday, October 30. At the area competition the bands will be divided into four or five regions and the top 2 bands will advance to state competition on November 8.

HEY LONGHORN FANS!!

It has been another great week for students at Lockney High! We had another great victory last Friday over Olton. The football team looks really good and they really need our support for their last two regular season games.

This Thursday, October 28, will be the annual snake dance parade and bonfire. Anyone and everyone is asked to decorate your car in red and black streamers, shoe polish and whatever you can think of and join in the snake dance. We will meet at the high school parking lot (on the North side by the band hall and gym) around 6:30 p.m. when everyone is ready we will head down Locust Street then Main Street in the snake dance formation. The football players, cheerleaders and band will lead and everyone can follow. The bonfire will include carved pumpkins donated to us by Heptad Vegetables. It will begin around 7 or 7:30 p.m. So come out and show your support on Thursday night.

The Little Longhorn Cheerleaders will join the Varsity Cheerleaders in the pep rally on Friday. It will begin around 3 p.m. in the high school gym. The final home game for the season will start at 7:30 p.m. at Mitchell-Zimmerman Field in Lockney. It is the final time the Longhorn team will play at home so come and see the Longhorns take on the Shallowater Mustangs.

A very big "CONGRATULATIONS" goes out the Longhorn Band! They received a division I at marching contest on Tuesday, and will advance to Odessa on Saturday, October 30. They have put in many long hours during summer band, Monday night rehearsals and during school...they truly deserve to win!! We want to wish the band Good Luck as they go to Odessa on Saturday. We wish all of you the best and we hope you have a safe trip to and from Odessa!!

For everyone going to the bonfire, the game on Friday and the Band on Saturday...and to all the football guys Good Luck. Thanks again, to Heptad Vegetables for donating the pumpkins and to all the fans for supporting Lockney High.

Cargill offers rural student scholarships

LOCKNEY — The Cargill Foundation will sponsor 250 scholarships in the amount of \$1,000.00 each for high school seniors from U. S. farm families once more this coming spring.

The Cargill Scholarship Program for Rural America is open to all high school seniors who will graduate in the spring. The seniors must come from families that derive at least half of their income from farming. Scholarship candidates must enroll full-time next fall at an accredited two or four-year college, university or vocational-technical school.

"The program has helped to honor academic achievement among rural students," said Bill Pearce, president of the Cargill Foundation. "It's an endeavor that has received an enthusiastic reception in rural communities. We are committed to this scholarship program."

The Cargill Foundation established the program in 1986 to recognize and encourage academic achievement, accomplishment and talent among rural youth. Thus far, the Cargill Foundation has presented 1,503 awards amounting to a total of \$1.75 million. Cargill is a Minnetonka, Minnesota based, privately held merchandiser, processor,

transporter and warehouse of agricultural and other bulk commodities which employs more than 69,705 individuals in 58 countries.

The national FFA selects scholarship recipients, although applicants do not have to be FFA members. The organization bases selection on academic record, leadership, extra-curricular accomplishments and financial need.

"The FFA has a long history of administering scholarship programs for agriculturally-based companies," said

Gladys Tripp of Cargill Community Relations. "Because it is a national organization that is part of the curriculum in many rural high schools, it is ideally suited to manage the program."

Information and application forms can be obtained at any Cargill Office or high school FFA department. Students may request forms from the Cargill Scholarship Coordinator, National FFA, P. O. Box 45205, Madison, Wis. 53744-5205. Application deadline is February 15, 1994.

ATTENTION: Parents of Sophomores

If you have a child who is a Sophomore at Lockney High School, we need you to attend a dinner meeting with your Sophomore student Tuesday, November 2, 1993. It will begin with a hamburger cookout in the Lockney Junior High Cafeteria at 6:30 p.m. after the meal, we will give you information on your child's future and we will include TAAS materials.

I know you are busy, but this is an important meeting and we need you to attend.

See you there,
 James Poole

BASKETBALL DEMONSTRATION

Following the open house, the Lockney Lady Horns coaching staff and the Girls Athletic Boosters will host a demonstration of the girls basketball program. The demonstration will be held in the new gym beginning at 7:00 p.m. and will include all girls in basketball from the seventh and eighth grades as well as from high school.

"The Battle"

By Edward Marks

Brave young warriors walk on the field.

This battlefield others have known.
 They follow a legacy of values that's real

And may pass some along.

They carry life values they learn,
 A code by which they might live.
 No one can give you what you must earn.

And neither is it something you give.

They learn of courage, to be sure,
 Of pride and dignity, too,
 Because life can offer quite a lure,
 Known to more than a few.

Of honor and commitment they speak,
 These values are not easily earned.
 These things are not known by the weak,

But in the soul of the brave they burn.

In uniforms and protective gear,
 These brave young men chose to live.
 Before roaring crowds year by year,
 They are the best that life can give.

What makes them endure the pain?
 What keeps them going on
 When it seems there's nothing to be gained

But quitting would seem so wrong.

You see it's a battle of heart and will,
 Where courage is put to the test
 And when the battle seems all uphill,
 They can say, "I've done my best!"

Tulia Hornets turn back late Whirlwind rally

By Bill Gray

FLOYDADA—Tulia quarterback Kareem White rushed 20 times for 161 yards and three touchdowns to guide the Hornets over Floydada 24-19 in a crucial District 2-3A contest at Tulia's Younger Field on Oct. 22. Tulia scored twice in the opening period, kicked a second-quarter field goal, added a touchdown in the third stanza, and was in command 24-0 before the Whirlwinds staged a three-touchdown rally in the final 15 minutes of the game.

The victory enabled the Hornets to pull into a tie for second place with Floydada in the district standings with a 2-1 record behind league leader Littlefield's 3-0 mark. The Hornets also now hold the tie-breaker over the 'Winds if it comes down to that for playoff consideration. Floydada and Tulia also share identical 4-4 overall records for the 1993 season.

Floydada received the opening kickoff, but was unable to mount a sustained drive and was forced to punt. The Hornets wasted little time in gaining control of the game as White engineered a 4-play, 54-yard drive to Floydada's 12-yard line. White carried in on an option on first down from that point. Junior

Garcia kicked the conversion and Tulia was on the board—barely four minutes into the opening period.

Whirlwind quarterback Sammy Rodriguez suffered only his second pass interception of the year on Floydada's possession following the kickoff. The Hornets couldn't capitalize on the turnover, but gained valuable field position on an exchange of punts. Tulia rolled for three first downs, but Tate Glasscock picked off a White pass on fourth down. However, Floydada took over only step away from its own end zone.

The 'Winds punted out of trouble, deep in their own territory, but Tulia was soon operating again on the Floydada side of the 50-yard line. White capped a 5-play, 45-yard drive with a touchdown run from the 32-yard line. Garcia's kick extended the Hornet lead to 14-0.

Garcia connected on a 32-yard field goal to add to the Hornets' margin late in the second quarter. The Whirlwinds crossed into Tulia territory for the first time in the final two minutes of the first half, but advanced no deeper than the Hornet 35-yard line as the first 24 minutes came to a close.

On Tulia's initial play from scrimmage following intermission, White

broke several tackles at the line and scampered 56 yards for the Hornets' final touchdown. Garcia added the kick, and it appeared that Tulia was on its way to a lopsided victory. However, the Hornets committed turnovers on their next four possessions. Zach Abshier gave the ball back to the 'Winds on their 35-yard line via a fumble recovery, and it took Floydada only 6 plays to move 65 yards to the Tulia end zone. Rodriguez scored from two yards out, the two-point conversion attempt was unsuccessful, but the Whirlwinds were finally in the scoring column late in the third period.

Tulia attempted to regain control as the Hornets marched 45 yards into scoring territory in the early moments of the final stanza. White received a blow from Glasscock, and was replaced at quarterback by Jesse Pitt. The new Tulia QB had problems with Floydada's defensive thrusts, led by Adam Gonzales and Rafael DeOchoa, and turned over the ball on a pass interception in the end zone to Brandon Gilliland.

The Whirlwinds made the most of the opportunity. Running back Pete Cooper gained 11, 13, 10 and 11 yards on four consecutive carries to set up Floydada's second touchdown. Cooper gained 111 of his 138 rushing yards during the second half rally. Rodriguez scored from a yard out to cut Tulia's lead to 24-12 at the 7:53 mark of the fourth quarter.

Tulia fumbled on its next series, but Kareem White picked off another Rodriguez pass to delay Floydada's comeback. Following a Tulia punt, the Whirlwinds moved 39 yards in nine plays. On the tenth snap of the drive, Rodriguez tossed a 10-yarder to fullback Mike Ochoa for the score. DeOchoa added the extra point, and the 'Winds closed the gap to less than a touchdown with 3 1/2 minutes showing on the clock.

The Hornets registered two first

downs while attempting to run out the clock, but Floydada would have one last chance to pull out a victory. The 'Winds took possession with a scant 79 seconds remaining, but ran out of downs at their own 43-yard line. White went to one knee to run off the final seconds and seal the Tulia victory.

The Hornets can keep pace with a playoff berth when they host Muleshoe this week. The 3-5 Mules, fresh off a 20-12 decision over Dimmitt, could be troublesome as they look for their second district victory. Floydada hosts undefeated Littlefield this Friday at Wester Field. The Whirlwinds must win to keep alive their playoff aspirations.

BILL'S NOTES

It almost seemed as though the 'Winds had forgotten to show up for the first 33 minutes at Younger Field. Nothing seemed to go right for them in the first half... of course a lot of Floydada's offensive problems were being caused by Tulia's defense. The Hornets had a good game plan and kept the 'Winds contained on the perimeter. The option pitches, etc. were just not working. Defensively the 'Winds looked good at times, but missed a lot of tackles. They had a hard time containing White, who had the best game of his career.

The 'Winds showed what they were made of in their second half rally. A couple of breaks, here and there, and they would have pulled it out. Gilliland had another good game on both sides of the ball with the pass interception and the beautiful pass reception over the head and all. Tate had his usual tough outing. The lick he put on White certainly took off some of the Tulia QB's sting. Cooper had another good game... particularly in the second half.

My choice for offensive player of the game goes to White. His 161 rushing yards and 3 TDs were certainly the difference in the game. His 56-yard TD on the first snap of the second half is my selection as offensive play of the game... it was the difference in the final outcome.

Ralphie spent a lot of time jamming things up in the Tulia backfield. He brought down several from behind, and even made a solo tackle on a pass receiver out in the flat. For his efforts, I'm naming him the defensive player of the game, although Adam, Jed and Zach's performances are worthy of mention. My choice for defensive play of the game is Gilliland's pass interception in the end zone. Had the Hornets scored on that drive, the likelihood of Floydada's late game rally would have been less. At least that turnover and Floydada's 80-yard TD drive put the 'Winds in position for a possible win.

The Whirlwinds were in an almost identical position this time last year, following a 35-21 loss to these same Hornets, as far as playoff possibilities are concerned. Floydada had to beat the Wildcats over at their house to get in the post-season party. The 'Winds get the 'Cats at Wester this year with the same stakes beckoning and on the line. Strange things happen around Floydada at Punkin' Day time... like a major upset... like Floydada 32, Littlefield 28!

Bill's other picks:
Lockney 20, Shallowater 17
Tulia 22, Muleshoe 14

Coach's Comments

By Coach Dean Bates

FLOYDADA—Give Tulia credit for a good solid effort last Friday. They are extremely quick defensively and gave us problems all night. Their quarterback took advantage of poor angles by our defense and made some big plays.

We must prepare for an excellent and undefeated Littlefield football team.

They have good personnel and no weaknesses. We must play better on both sides of the ball and in the kicking game to have a chance. This is a very important ball game for us and one that we must win to have a shot at the District championship. Our team is still working hard and trying to get the job done.

Come out and support the Winds. See you at the game!

Tulia JV defeats FHS junior varsity

By Bill Gray

FLOYDADA—Floydada's Jr. Varsity jumped out to a 14-6 lead, but couldn't hold it as Tulia's JV scored 16 second-half points to pull out the game 22-14 in junior varsity action at Wester Field on Oct. 21.

Michael Molinar scored touchdowns in the first and second quarters and Vernon Cooper added a 2-point conversion following the second Floydada touchdown.

The coaches named Cooper, Monte Quisenberry and Angel Aleman as the

outstanding offensive players. Defensive players of the game for Floydada were Frankie Luna, Michael Mercado and Tim Rando.

The 'Wind JV will travel to Littlefield on Oct. 28 for a 7:00 p.m. date with the Wildcat Junior Varsity.

Breezer Football Report

By Bill Gray

FLOYDADA—Tulia's 7th graders scored 16 first-half points and held on to defeat Floydada's 7th grade Breezers 16-0 in junior high action at Tulia on Oct. 21. The Daubers scored on a 45-yard pass and conversion in the first quarter and added a 10-yard run to a touchdown in the second period for all the points they would need.

Coach Webster stated, "We never really got anything going offensively. We were real successful in moving the ball, but couldn't put together a sustained drive."

"We came out flat defensively, but

turned it up a notch in the second half," he added.

The coach named right tackle Patrick Odum as the offensive player of the game.

8TH GRADERS

The 8th grade Breezers had their best game of the year as they defeated Tulia's 8th graders 22-16.

According to the coach, "We got off to a slow start, but finished very strong for a come-from-behind win. It was a very fun game to watch."

Tulia scored first on a long drive to take the early lead 6-0 in the first quarter. The 8th grade Daubers added a second-quarter touchdown to extend their lead to 12-0 before Floydada got on the scoreboard late in the first half on a 45-yard pass from Richard Casillas to Blake Bramlett. The conversion attempt failed, and Tulia held a 12-6 lead at intermission.

Tulia scored again in the third period to go up by 18-6. Floydada managed to score in the last moments of the third quarter on a 25-yard run by Mario Nunez. Nunez also ran for the conversion to cut Tulia's lead to 18-14 after three quarters.

Jessie Garza recovered an onside kick for Floydada, and four plays later Casillas scored on a 40-yard run off the option. Casillas hit Tim Simpson with a pass for the 2-point conversion to seal the victory for Floydada. The 8th Breezers were the only Floydada grid squad to defeat a Tulia team last week.

The offensive players of the game were Richard Casillas, Mario Nunez, Adam Perales, Jorge Saldana and Tyson Whittle. Named for their defensive performances were Saldana, Casillas, Whittle, Pedro Chairez, Jason Campbell and Bobby Green.

Both Breezer squads will be in action on October 28 when they host Littlefield's junior high teams at Wester Field.

'Meet the Lady Winds' set Nov. 6

Athletic boosters will have an opportunity to meet this year's girls' basketball players during the "Meet the Lady Winds" set for 6:00 p.m. Saturday, Nov. 6, in the Floydada Junior High Gym.

There will be a P.I.P. demonstration, followed by the presentation of all junior high and freshman players. The Varsity and Junior Varsity teams will then present a demonstration before all players are introduced.

There will also be a parent meeting. Refreshments will be provided by the Booster Club.

Everyone is invited to attend.

HEY WHIRLWIND FANS!!

Everyone come out and support the Mighty Whirlwinds this week as they take on the Littlefield Wildcats. The all-school pep rally will be at 3:00 p.m. at Jr. High on Friday. The game is at Wester Field at 7:30 p.m. So come out and help us support the Whirlwind Team!!

This week's senior spotlight is Jesse Segura. Jesse is the son of Damacio and Maria Segura. He has four sisters and three brothers.

Jesse has attended Floydada schools for 11 years. He has been involved in football.

Over the summer Jesse was employed by Pay-N-Save. He attends St.

Mary Magdalen Catholic Church.

If he could travel to any country he would choose France. Jesse admires Mr. Lockwood most, which many people in this school do as well.

Someday he would like to meet Ross Perot. When asked what he would change about this school he answered, "Longer Lunches!"

Jesse collects football, basketball and baseball cards.

Some of his favorites include T.V. Show-Moon Over Miami; Movie- Cool Runnings; Book- Of Mice and Men; Color, Canary yellow; Subject, Algebra II; Food, Enchiladas; Song, Missing My Baby; and Musical Groups, La Mafia and La Sombra.

In the future Jesse would like to go to college but at this point is unsure of which one to attend. Marriage is also in his future.

FIRE UP THE SPIRIT -- About 500 Whirlwind fans attended last Thursday's pep rally and bonfire prior to the Tulia game on Friday. An effigy of the Tulia Hornet was sacrificed to the raging inferno. Noe Blanco Jr. wins eighth week of annual football contest

By Juanita Stepp

First prize for the eighth week of the annual Floyd County Hesperian-Beacon Football Contest went to Noe Blanco Jr. of Lockney. He was one of four contestants who missed five games on the contest this weekend. Blanco chose Lockney to win in the tie-breaker and selected a total score of 38 points, sixteen points under the actual score of 54. His first place check for \$25.00 will be waiting in the Lockney office on Friday.

Roman Lee Blanco, another member of the same Blanco household, also missed five games on his entry. Due to the contest rule that only one person from an address may win each week, Roman receives an honorable mention this week.

Second place went to Wes Campbell of Floydada who also selected Lockney to win in the tie-breaker. He chose a total combined score of 35. This was 19 points under the correct combined score. The second place check for \$15.00 can be claimed in the Floydada Office on Friday.

Taking the third place sport this week

was Dusty Anderson of Floydada who also missed 5 games on his entry. Anderson selected Lockney to win with a total combined score of 27, half of the actual combined score of the game. He will be able to pick up a prize check for \$10.00 at the Floydada office on Friday.

Honorable mention also goes to entries that missed six games, ten contestants in all. A. W. James, Gail Hale, Aaron Noland, Sherce Cannon, Bob Alldredge, Irene Hernandez, Carrie Davis, and Lucio Vasquez, all of Floydada, and H. G. Graham and Chad stapp of Lockney, each missed six games this week. Fifteen entries missed 7 games on the contest this week and another sixteen missed 8 games. Seventeen entries had nine games incorrect and five missed ten games before the misses advanced in double digits.

CONTEST RULES

Anyone above the age of seven is

eligible to submit an entry except employees of this newspaper and their immediate families living in the same household.

No mail entries will be accepted. All entries must be submitted on the official

entry form printed on the Football Contest page each week. All entries must be taken to the Hesperian-Beacon Office, either at 102 W. Bryant in Lockney or 111 E. Missouri in Floydada. Each entry must be in the office no later than 5:00

p.m. on Friday of each week.

Readers are reminded that entries are limited to one entry per week per person. Weekly winners are limited to one per household per week.

The contest entries will be graded each Monday following the weekend games. Results will be announced in the next issue of this newspaper

"Punkin Daze"

A "punkin" is a funny fellow
He has a head that's mighty yellow.
Take a knife and carve some eyes
Or make him into "punkin" pies!
Now you can take a lot of paint
And make him look like what he "aint!"
And yet there is another way...
Just dress him up for "punkin" day!
But if your "punkin" comes to school
Be sure he minds the "golden rule!"
Never let him wear a frown
Since he's a booster for our town.

Fraud is focus of consumer week efforts

Consumer fraud is the focus of this year's National Consumers Week which began Sunday, October 24, and runs through October 30, 1993. Consumer fraud affects everyone and is an enormous problem. The U.S. Office of Consumer Affairs states that over \$100 billion is the estimated loss annually.

All consumers are targets, especially senior citizens. Some of the most common and troublesome frauds involving South Plains citizens are:

1. Telemarketing—the prize award scams where victims must pay money to get a 'free' prize. This area includes mail order, free trips and vacations, coupon books, magazines subscriptions, health products, sympathy scams and phoney investments.
2. Credit Repair—for a fee of up to \$1000 consumers can repair their bad credit records, get them out of debt, improve credit or even obtain a credit card for them.
3. Home Improvement—these kinds of fraud include the 'gypsies' that come to consumers doors and claim to have left-over materials and give them a great deal; or tell consumers their roof need to be repaired; or use high-pressure to get them to sign a contract using scare tactics or threats.

Kay Howard of HOWCO, the consulting firm handling the city home rehabilitation grant project, asked the council to appoint a citizens committee to work with the project in determining eligibility and need for those applying for rehabilitation services under the \$250,000.00 project. City council members all voted to appoint Gonzalo Gonzales, Paul Sharp, Philip Wilbanks, Adolfo Garcia, Margaret Herrera, Ernestine Pleasant and Donnell Gowen to the committee. Motion was made by Eric Cornelius and seconded by Clar Schacht.

Howard also made a short presentation concerning the proposed employment of a local coordinator for the extended project. The position will span a time frame of more than a year and will either pay an hourly rate for services performed or a per unit rate as compensation. Publishing a public notice was approved for seeking a qualified local person to take on the position. Motion to advertise was made by Wayne Tipton, seconded by Dale Lawson and approved by unanimous vote.

A resolution submitted by Southwestern Public Service for city approval of a 2.9 percent decrease in electric rates was tabled pending a November 8 public hearing on the item. According to Brown, city rates cannot be changed without a public hearing and must be in the form of an ordinance. SPS is asking for the approval due to a Public Utility

Commission (PUC) ruling requiring that they lower rates because of what were termed "excessive profits" by the commission.

Schacht made a motion to amend the cable TV franchise to say that Floydada as a city has the authority and the expertise necessary to regulate their cable provider and that the city will abide by FCC regulations in doing so. Cornelius seconded and the matter was approved by unanimous vote.

Minutes for the previous meeting were approved as written.

Payment of September bills was approved and financial statements were reviewed and accepted as presented.

A public hearing regarding Harold Snell's request for a zoning variance was held. No one appeared to object to his building a storage building in excess of code size on his property and the variance was granted by unanimous vote on a motion by Schacht with a second by Cornelius.

City water service was approved for two areas outside the city limits. Property belonging to Michelle and Allen Ruddell north of Floydada Implement Company on HWY 70 will be connected to the city lines with the Ruddells to bear the cost of installation and paying an out of city rate for water service. Motion was made by Schacht and seconded by Lawson. The vote was unanimously in favor.

Property belonging to residents along the Matador Highway, commonly called "Turnerville," will be granted water service. The residents will be responsible for the cost of installation and maintenance of the line after it crosses the city limits. Again, residents will pay the outside city limits rate of 1 1/2 times the city minimum rate for the first 2000 gallons of water. Motion for the action came from Schacht and was seconded by Cornelius. The vote was four in favor and Leroy Burns abstained.

Letha Ledbetter resubmitted her original bid for the purchase of a sheriff's sale tax title property. The bid was accepted with all voting in favor after a motion by Tipton, seconded by Cornelius.

The only item introduced for discussion during the public forum was the possibility of renaming two of the city parks. The matter will be placed on a future agenda.

The possibility of creating a utility rate for occasional use was briefly discussed and no action taken as no support for the special rate was evident.

A motion by Tipton, seconded by Schacht, was approved unanimously for working toward replacing all city street marking signs with a uniform set of signs. The action stemmed from a request from a local resident who wants to raise funds from the local citizenry for the project and asked that the city consider sharing the cost of such a project. The city will agree to pay two-thirds of the cost if the citizens group can raise one-third of the cost of the project.

Bill Harbin was appointed to fill a vacancy on the Airport Board on the recommendation of the serving board members. The term will be for two years beginning immediately.

The council clarified instructions for accepting bids on the proposed purchase of a new police vehicle. Bids will

be taken for a full size vehicle with a police package.

City secretary Sharon Quisenberry notified the council of arrangements concerning attendance at the upcoming city officials convention in San Antonio. She also informed those present that the city will have a three minute feature spot on a video being shown at the opening and closing sessions of the convention depicting the vast differences between the many areas of the state. The mayor and the city manager each asked that council members attend pertinent informational sessions they felt would be beneficial for the city.

Cornelius reported that he had made little progress in putting together an effort to beautify the city by painting murals on abandoned buildings, but declared he is still working on it. Abandoned car removal was also discussed and will be addressed at a later meeting.

Attending the session in addition to Mayor Carthel, Council members Burns, Tipton, Cornelius, Schacht and Lawson, City Manager Brown and City Secretary Quisenberry were City Attorney Karen Houchin, Allen and Michelle Ruddell, Joe Stepp, Roxanna Cummings, Carl Turner, Elza Mercado, Harold Snell, Karen Lawson, Kay Howard, Earnest Back and the Hesperian-Beacon reporter.

Sunday. Cars will be parked around the high school park walking path with the trunk lids popped open. Candy is being purchased by the Punkin Day committee and will be handed out to volunteers with their vehicles. The committee is still looking for adults who would enjoy spending part of their Halloween evening handing out candy to children in costume walking the path. If you want to donate your time and vehicle please call Anne Carthel at 983-2377. Even if you have already talked to someone and expressed an interest in helping, the committee asks that you call Carthel and make sure your name is on the list. Pay-N-Save in Floydada will also have a drop box set up inside the store for anyone wishing to donate a bag of candy to the Punkin Day Committee for the Trunk or Treating. Candy or money to buy candy can also be left at the Chamber of Commerce office, Sagebrush Mills office (behind

Don Hardy Car Wash), or at Hulon and Anne Carthel's home.

WILL MARTIN

Will Martin to celebrate 85th birthday November 2

Will Martin, a longtime writer for The Floyd County Hesperian-Beacon will be celebrating his 85th birthday November 2.

Martin's remembrances of early years on the South Plains is well known among this newspaper's readers. Although a stroke has slowed his writing down a great deal, Martin still manages to put his memories on paper.

He was born 2 1/2 miles west of Floydada in a half-dugout with a dirt floor. Martin's father was a farmer and a farm laborer of W.M. Massie.

Martin has lived in Floydada all of his life except for three years, 1941-43 spent in Plainview. He attended Northside School, the "Red Brick Schoolhouse" in Floydada.

According to Martin, "The Red Brick Schoolhouse was three stories, including 1/2 story under ground. The lower floors were used for 5th-7th grade and the upper floors were 8th-12th. Six months before I graduated I was moved to a new High School, which is where Floydada Junior High is now."

After graduating Martin helped his father farm and married his wife, Beatrice on July 29, 1935.

They had three children Carolyn Ann Sue, who now resides in Lockney, Jesse Martin, of Lubbock and Bobby Don Martin. Bobby Don died in 1983 at the age of 37.

It was shortly after his son's death that Martin took up the pen and began to entertain readers with his remembrances of this area. The Floyd County Historical Museum currently has a collection of Martin's stories on file.

Martin, his wife and family plan on a quiet birthday celebration.

Floydada Police Report

Floydada Police arrested Eliseo Garza Guerra Jr., 23, on October 19 in the 400 block of East Kentucky, for DWI.

Two passengers in the vehicle, Marivel Rodriguez, 17, and a sixteen year old girl were charged with public intoxication.

Another passenger, Bob Hernandez, 22, was arrested for public intoxication and possession of marijuana.

A motor vehicle burglary was reported to police on October 18, at 8:30 p.m. According to police reports a golf bag with clubs was stolen from a pickup during the night of October 17. The value of the loss was estimated at \$1,620.

October 20, at 11:05 p.m. police were called to a home in the 700 block of South 5th in reference to a domestic disturbance. According to police reports Officer Darrell Gooch attempted to keep Raymond Gutierrez, 24, from hitting a woman at the residence and Gooch was assaulted. Gutierrez was arrested and charged with assault and resisting arrest.

Sgt. Harold Snell was called to the scene of an accident, Monday, October 25, at 5:06 p.m. in the 300 block of N. 2nd near Jackson. Connie Martinez, of Floydada, was transported to W.J. Mangold Memorial Hospital as a result of that accident.

According to Snell, Martinez was driving north in the left lane of N. 2nd when she stopped to wait for traffic before turning into a private drive. The El Camino which Martinez was driving was then hit in the rear by Maria Sanchez driving a '75 Chevrolet.

Martinez received a cut on the back of the head and was transported to the hospital where she was treated and released.

Sanchez was given citations for following too close and no seat belt and no seat belt on a 2 year old in the car. Both cars were driven away.

1993 disaster loan terms explained

From Bob Lotspeich, CED
FLOYDADA—Floyd County ASCS office in Floydada is now accepting applications for 1993 disaster losses in quantity and/or quality and will continue to do so through March 4, 1994. Producers whose 1993 crops are insured by FCIC will be eligible for payments for losses exceeding 35 percent. Producers without such insurance will be eligible for payments for losses greater than 40 percent.

To be eligible to receive 1993 disaster benefits, producers should purchase 1994 crop insurance if it is possible that the 1993 loss for the commodity for which payments are being sought is greater than 65 percent of expected production. Insurance purchased to meet the multiple peril crop insurance can be cancelled if it is later determined that crop insurance is not required. Producers cannot avoid the crop insurance requirement by delaying the filing of a request for disaster benefits until after the crop insurance sales closing dates.

The sales closing date for barley, wheat and oats has been extended to Oct. 31, 1993, for the 1994 crop year.

APPROVED GINS
 All gins in Floyd County have certified the use of bagging and ties that meet commodity credit corporation requirements to place cotton in the loan.

LOANS AVAILABLE
 The 1993 Floyd County Loan Rates are: Wheat, \$2.41/bu.; barley, 1.60/bu.; rye, 1.41/bu.; soybeans, 4.66/bu.; corn, 1.99/bu.; oats, 0.93/bu.; grain sorghum, 3.15/cwt.; and cotton, 52.30¢/lb.

LOAN DEFICIENCY PAYMENTS
 LDP's (Pop Payments) for cotton are computed using the AWP (Average World Price) which changes at 3:00 p.m. every Thursday. Cotton received in this office after 3:00 p.m. on Thursday will receive the LDP for the next week.

1992 "NL" PAYMENTS
 No 1992 crop "NL" (not subject to limit) deficiency payments for corn, barley, oats and wheat will be made because the national weighted market price exceeded the loan rate before re-

duction. There will be a 2 cent per bushel "NL" payment for grain sorghum.

1994 PROGRAMS
 Secretary of Agriculture Mike Espy

announced a 1994 acreage reduction program (ARP) of 5 percent for corn and 0 percent for grain sorghum, barley, oats and wheat. Cotton will be announced later.

Quail counts up this year

By Calvin Richardson
 TPWD Biologist
 More survey routes were included in the Panhandle District Quail Census in 1993 than ever before. The Panhandle Regulatory District is comprised of 56 counties, extending south from the Oklahoma panhandle to Andrews County and east to Jones County.

Quail surveys were conducted in mid-August by the Texas Parks and Wildlife Department along 36 routes in 29 counties in the High Plains and western portion of the Rolling Plains. Each census route is driven at 20 mph, during the first hour after sunrise or during the hour prior to sunset. Evening lines are driven from west to east, and morning routes are driven from east to west. All quail observed are categorized as singles, pairs, or coveys and each bird is classified by age class.

The quail surveys indicated a 10% increase in the number of birds observed in 1993 (36.5 birds/route) compared to 1992 (33.2 birds/route) in the High Plains and western Rolling Plains. When compared to the 5-year average for the Panhandle District (1989-93),

Grain sorghum board directors to be elected

Ballots for the biennial election of directors to the Texas Grain Sorghum Board were recently mailed to Texas grain sorghum producers. The fifteen member board administers the checkoff funds collected on grain sorghum grown in the state. An assessment of 16 cents per ton is collected and used to fund programs for research, insect and disease control, education and promotion of Texas grain sorghum.

Under the assessment program, the state is divided into five districts, with each district having three representatives to the board. In this year's election, producers will elect seven directors from the five TGSB districts. Two seats are open in the West Texas and the East Texas districts, while one seat is open in each of the other three districts.

Three men are running for the two spots open in the West Texas District. The three are Jim Boston of Roscoe, Pat George of Tulia and Ralph Mabry of Lubbock. Up for election for the two seats open on the board from East Texas District are Dale Spurgin of Allen and Wilbert Vorwerk of Taylor.

Producers running for the seats open in the other three districts are Dale Artho of Wildorado in the Panhandle District, Jess Person of Mathis in the Upper Coast District, and Richard Kotzur of Edinburg for the South Texas District. Voters may vote for the nominees from their district who are listed on the ballot or they may write in a different candidate.

Anyone who produces grain sorghum in Texas or who owns a farm on which sorghum is produced is eligible to vote in the election. Producers who did not receive a ballot in the mail can obtain one by calling the Texas Grain Sorghum Board office at (806) 298-4501. Ballots are also available from the Texas Agricultural Extension Service county offices or from local grain elevators.

To be counted in the election, ballots must be mailed to the TGSB office, postmarked no later than November 10, 1993.

quail numbers are 58% higher in 1993. The 5-year average is about 25 birds observed per route. Quail production was relatively low during 1989-91 and better than average in 1992-93.

In Garza, Kent, Fisher, Scurry, and Stonewall counties, collectively, the 1993 quail counts (60.8 birds/route) were 53% higher than in 1992 (39.7 birds/route) and 66% higher than the 5-year average (36.6 birds/route) for those counties.

In Cottle, Hall, and Motley counties, collectively, the quail counts (28 birds/route) were 27% higher than in 1992 (22 birds/route) and 80% higher than the 5-year average (15.5 birds/route) for those counties.

New routes were established in Martin, Dawson, Terry, Borden, Swisher and Hale counties. Each route indicated relatively low quail populations except for Borden County where 41 birds were observed. Low quail production is usually expected in counties which are intensively farmed, especially in areas that are clean-farmed. However, there are limited areas with good quail numbers where nesting cover (bunchgrasses) has been allowed to develop and weeds (ragweed, sunflower, doveweed, pigweed), which provide valuable food in the form of seeds, have not been eliminated.

The 1993-94 quail hunting season is 121 days in length for all counties in Texas, extending from October 30 to February 27. The bag limit for quail is 15 birds per day, with a possession limit of 45.

Technical assistance concerning the management of quail and other wildlife is available to landowners at no charge through the Texas Parks and Wildlife Department. TPWD biologists are available to assist landowners with wildlife management practices such as discing, food plots, prescribed burning, wetland enhancement, grazing management and brush management.

For information on wildlife management or to request technical assistance, contact Calvin Richardson in Lubbock (806/746-6101), Jim Lionberger in Snyder (915/573-9864), or Gene Miller in Amarillo (806/353-3141).

SOFT SHOULDER DUMPS TRUCK--A semi truck loaded with corn landed on its side in a barrow ditch trapping the driver, James Walzier, of Plainview, inside. The accident occurred Monday morning, October 25, 2 miles west of Hwy. 378 on FM 2286. The truck, which belonged to Arvie Newton, of Lockney, was headed east on 2286. When it turned south onto a dirt road the tires sank in the soft dirt of the shoulder causing the truck to roll onto its side in the ditch. Walzier was taken to W.J. Mangold Memorial Hospital with minor injuries. Staff Photo

Producers encouraged to shred

By Kerry Siders, CEA-Ag.
 In most areas of the Cotton Belt, stalk destruction is an integral part of soil management between harvesting and the succeeding crop. In some of these areas the methods and timing of stalk destruction are regulated by state or local codes. In our immediate area this is not yet the case. Several factors encourage producers to start shredding immediately after harvest.

*Insect and Disease Control - Besides management of boll weevil which is becoming more prevalent, suppression of other pests also is enhanced by prompt crop destruction. A number of important pathogens, such as root rot may overwinter in undestroyed cotton stalk.

*Deep Tillage - Where fall deep tillage is required to remove compaction, early stalk shredding allows a longer window for timing the tillage operations

when soil moisture is optimum. When soil moisture is optimum, effective loosening of the soil profile occurs with minimum diesel consumption. If soils are wet when deep-tilled, further compaction occurs and soil loosening is reduced. If soils are too dry, large clods of compacted soil are unearthed requiring multiple tillage to pulverize and excessive consumption of diesel.

*Soil Erosion - Shredded cotton stalks on the soil surface provide some protection against water erosion. Anyone who has seeded a lawn is familiar with the erosion protection that small amounts of straw or other residue provide.

*Stalk Decomposition - Cutting up the residue allows microorganisms greater access to decompose the stalk which will reduce interference with the planting of the following crop. Research has shown that if shredded stalk pieces

are no longer than 9 inches, maximum decomposition occurs along with minimal interference with cotton planting. Placing cotton residue on the surface (versus stalk still standing) will maintain a higher moisture content in the residue as water wicks from the soil surface. This practice also provides great warmth for stalk decomposition from the sun's heat.

NOTE: Now through the end of the year is an excellent time to soil sample for fertility recommendations. For more information on these topics or others contact the Floyd County office of the Texas Agricultural Extension Service.

Dawdy reelected to SWCD board

J.O. Dawdy has been re-elected to the Floyd County Soil and Water Conservation Board of Directors. The purpose of the Floyd County SWCD is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters. All conservation programs managed by the district is of a voluntary nature to the landowner or operator.

As one of five individuals serving on the District Board of Directors, Dawdy is responsible for district policies and procedures for carrying out the district program within the framework of the

Texas soil conservation district law. In Texas, there are 212 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board. The Floyd County Soil and Water Conservation District was organized in 1940.

Host families sought for students

American Host families are being sought for high school students from Western and Eastern Europe, Asia, South America, and Australia for the 1994-95 school year in a program sponsored by the American Intercultural Student Exchange (AISE). There are also semester students from Brazil and Australia in need of homes from January, 1994 through June, 1994.

These students, ages 15 and 18, will arrive in the United States in August,

attend a local high school, and return to their home countries in June of 1994. The students, all fluent in English, have been carefully screened by the local representatives in their home countries, and have their own medical insurance

and spending money. AISE's main focus is teaching young people about the importance of the acceptance of other cultures.

Cards Of Thanks

The family of Bessie J. Purcell wants to thank everyone for the beautiful floral offerings, the food and the many prayers said on our behalf. Our special thanks to Bro. Harold Abney for going to Quitaque with us and conducting the funeral service. The scripture verses that he read were so comforting to our hearts. Also thanks to Zeldia Ellison who sang so beautifully. May God bless each of you.

Floyd County Hesperian-Beacon FOOTBALL CONTEST

GOOD LUCK!!

Floyd County Hesperian-Beacon Football Contest Rules

Any subscriber or individual above the age of 7 years old who purchases a Floyd County Hesperian-Beacon is eligible to enter this newspaper's weekly football contest, except employees of this newspaper and family members living in the same household.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. In addition, write in each of the tie breaker footballs your guess of the combined total points to be scored by the two teams listed. Also circle the team you believe will win. Circle both teams if you think the game will end in a tie.

The only entries which will be considered for prizes will be those on official entry forms which are brought to the Hesperian-Beacon office in Floydada or to the Hesperian-Beacon Office in Lockney by 5:00 p.m. on Friday. No photocopies will be accepted.

NO MAIL ENTRIES WILL BE ACCEPTED.

Three cash prizes are offered each week. In the event of ties - the same number of correct games and equal scores on the tie breakers - prizes will be shared by those involved in the tie. The tie breaker scores will be utilized only in the event of a tie on the number of games correct.

Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at the Hesperian-Beacon office before 5:00 p.m. on Friday.

Entries are limited to one per person per week. Weekly winners are limited to one per household.
