OB-GYN signs with Caprock

DR. TOMMY SWATE

Caprock Hospital District board president Fred Thayer announced on Friday, October 29, the signing of Dr. Tommy Swate as a member of the district's medical staff. On Tuesday Dr. Swate was already busy setting up his office and will be available to begin seeing patients immediately.

Swate is an OB-GYN and general practice physician. He will be moving to Floydada with his wife, Rita and fourteen month old son, Christian. He also has a son, 19, and a five year old daughter, from a previous marriage, who do not live with Swate.

Swate was born in Salina, California, and raised all of his life in Cotton Valley, Louisiana (40 miles from Shreveport). He attended Louisiana Tech graduating in 1967. In 1971 he graduated from Tulane Medical School with a medical degree. He also received a Master's degree in Public Health from Tulane.

He completed his residency in OB-GYN at Oschner Foundation Hospital in New Orleans.

In 1975 Swate moved to Houston and set up an OB-GYN private practice, delivering over 10,000 babies.

"While in Louisiana I delivered 60 babies in one day," said Swate. "I was very tired at the end of the day."

While maintaining his practice, Swate also attended law school from 1975-1980. He received his Law Degree from South Texas College of Law in 1980, the same year he received his board certification in OB-GYN.

"In 1987 or 1988 I stopped the medical practice and started a private law practice," said Swate. "I was not happy in that work. I liked delivering babies. Everybody is happy when a baby comes along and it's a lot of fun."

Swate began looking for a place to

begin his medical practice again. I wanted to move my family out of Houston and into a rural area," said Swate. "I wanted a community with a population between 3,000-7,000 and a community that was excited about obstetrics." He found Floydada.

Swate also has 69 hours of Clinical Psychology and Family Therapy. "I like family therapy," said Swate.

"I think I can contribute a lot to this community and I am looking forward to being a part of it."

The hospital board has also announced a tentative opening date of

December 4 for the local hospital facility. "This is of course, tentative, depending upon whether or not all the criteria and inspections necessary for opening a hospital can be accomplished by that date," said Thayer.

Other board action taken this week during a series of short sessions included the acceptance of the resignation of Dr. Mira Tomasevik, effective immediately.

Board members also held a work session concerning the district personnel manual and a policies and procedures manual for hospital operation.

County votes down four amendments

State okays 14 of 16 in Tuesday election

A small turnout of Floyd County voters, 11%, voted down 4 of the 16 proposed constitutional amendments on Tuesday's ballot, however Texas voters as a whole ratified 14 of the 16 amendments.

Only 506 of the county's 4,722 voters turned out for elections, voting no on Propositions 1, 5, 7 and 13 and yes on all the remaining amendments.

Rejected with 399 votes against and 79 votes in favor, was proposition 1, which would have authorized \$50 million in bonds to help in the start-up costs of what were called "historically underutilized businesses," those owned by women and minorities. This was also rejected by the majority of Texas voters.

Also rejected by Floyd County voters, by a vote of 245 - 236 was Proposition 5 which would allow the Legislature to set minimum qualifications for county sheriffs. This amendment was approved by the majority of Texas voters.

By a vote of 245 against and 201 in favor, Proposition 7 was defeated in Floyd County, however it was passed by the rest of the Texas voters. Proposition 7 repeals an 1870's-era stock and bond provision.

Proposition 13 was defeated in Floyd County by a vote of 239-223, but passed by Texas voters. This amendment will add the four Texas State Technical College system campuses to those receiving money from the Higher Education Assistance Fund.

By an overwhelming majority, 402 yes and 94 against, Floyd County voters joined the rest of Texas in ratifying Proposition 4, the amendment which will give voters the final say if the Legislature ever decides to impose an income tax.

Proposition 12 which will deny bail to people charged with certain violent or sexual crimes while on probation, parole or mandatory supervision, passed in Floyd County with an overwhelming vote of 441 for a 53 against.

Proposition 15 also showed a large majority of Floyd County voters in favor

Deadlines early next week

Farm Radio: Carrie Emert, Crystal Sanders and Skeeter Smith.

Creed Speaking: Jennifer Bramlett.

The Floydada FFA groups are under the instruction of Barron Wetsel and Mark Standlee.

Floyd County automobile accident claims life of Plainview woman

FLOYDADA—Dovie Donthan Mallow, 72, of Plainview died from injuries suffered in a two-car accident near Floydada on Wednesday afternoon, October 27. LaTresa Miller, 35, and 14-month-old, Abigail Miller were also injured in the accident. DPS responded to the accident at 2:05 p.m., 5.9 miles west of Floydada on FM 784 (Sandhill highway).

According to DPS Trooper Marty Lucke, LaTresa Miller was driving southbound on a county road in a 1987 Chevrolet Suburban. Passengers in the

vehicle with Miller were her daughter Abigail and her mother, Dovie Mallow.

"Miller failed to yield the right of way and collided with Gene Bloys, 62, of Floydada, who was driving east on FM 784 in a 1993 Dodge pickup," said Lucke. Miller's vehicle was struck in the right side by the pickup.

According to Lucke, the pickup spun 180 degrees. The Suburban also spun 180 degrees but also left the roadway, flipped through the air and landed on its top.

EMS, Highway Patrol and Floyd County deputies responded to the scene. Miller was airlifted from the scene and flown to University Medical Center. Abigail was transported to UMC by ambulance.

"Mallow was pronounced dead at the scene," said Lucke.

"Bloys refused treatment at the scene but was later taken by private vehicle to Plainview Hospital where he was treated and released." Miller and Abigail were released from the hospital on Friday.

"None of the people involved in the accident were wearing seat belts," said Lucke.

Services for Dovie Mallow were held at 10:00 a.m., Saturday, October 30, in College Heights Baptist Church in Plainview. The Rev. Don Robertson, pastor, officiated.

Burial was in Plainview Memorial Park under the direction of Lemons Funeral Home.

Mrs. Mallow was born on September 15, 1921 in Floydada. She married James Thomas Mallow on March 29, 1942, in Plainview. He died on July 27, 1993.

She attended Lakeview and Floydada schools and graduated from Floydada High School.

She and her husband moved from Plainview to Halfway in 1947, where they engaged in farming. The couple returned to Plainview in 1983. She was

First National Bank of Floydada recognized as 'Creme de la Creme'

FLOYDADA—Bauer Financial Reports, Inc., Coral Gables, Florida, a bank research and rating firm, is pleased to announce that First National Bank of Floydada in Floydada has been awarded its five-star rating for eighteen consecutive quarters (4 1/2 years) since the inception of the awards. Only 792 banks out of 11,333 banks nationwide, less than 7% have received this continual outstanding rating for safety, strength and performance.

The rating is based on the analysis of March 31, 1993, financial data is filed with federal regulators.

To receive recognition as a Creme de la Creme bank, First National Bank of Floydada met the following criteria: Its tangible capital exceeded 9.0% of tan-

gible assets, its risk-based capital ratio exceeded 10.5%, delinquencies and repossessed assets were manageable, it was continually soundly invested and the bank has consistently been profitable during the period.

"First National Bank of Floydada has displayed uninterrupted excellence in banking. Having continually earned our highest five-star rating clearly demonstrates First National Bank of Floydada's commitment to stability and to remaining a well-capitalized, profitable bank ready to serve its community of customers and neighbors," said Paul A. Bauer, president of the research firm.

HUMAN PUPPET SHOW--Max Von Roder, of Snyder, presented an entertaining Human Puppet Show at Saturday's Punkin Day in Floydada. The actors, (l-r) Nick Long, Eric Cornelius and Mike Holster, were the human puppets. The arms were provided by their wives who were standing behind the curtain and unable to see. The arms were put through a variety of simple projects to which the husbands reacted. In this photo the unattached arms were lathering the faces preparing for a shave. Staff Photo

Weather doesn't stop Punkin crowd

Cold wet weather all day Friday with more cold but clear weather on Saturday diminished the Punkin Day crowd to less than expected, however organizers were pleased with the turnout and the participation in the popular pumpkin

games. Hotel reservations in Floydada were cancelled by out of town guests on Friday due to fears of more of the same weather on Saturday. However those who took the chance to visit the city were not disappointed with the sunny skies or the friendly atmosphere among the crowd.

Vendors and arts and crafts booths reported a good business and expressed a desire to return to next year's event. Downtown merchants were also delighted with sales when many people stopped in for warmth and then decided to stay and shop. One business reported booming sales in gloves and ski caps alone.

Even though early morning temperatures were in the low 20's the serious and not-so serious runners still reported to the starting lines. One 5-K runner, a 60 year old running enthusiast from Lubbock, surprised other runners by taking off his sweatshirt and running barechested and wearing only a pair of tennis shoes and running shorts.

The fun run was full of youngsters who braved the cold but only one stroller race participant showed up with her baby being replaced by a "pumpkin

Mangold Memorial Hospital planning Health Fair Dec. 4

W.J. Mangold Memorial Hospital is planning a Health Fair for Saturday, December 4. The fair will be held at the Lockney Elementary School Cafeteria from 10:00 a.m. until 5:00 p.m. and is open to everyone.

The goal set for the fair is to provide information, services, and fun for the entire family and to have participation from the community as a whole.

The purposes of the fair are to honor the memory of Dr. W.J. Mangold; to promote general health awareness; to encourage positive strategies for preventive health care; and to give the

BY THE WAY!

BRRRRR!!!

Boy! You Floyd County folks sure are a hardy lot!

I sat in my office on Friday afternoon and admired from afar the people who were braving the horrible weather to set up tents on the courthouse lawn.

I can't believe they continued on with that mission. I gave up and I wasn't even out there!

I can't say enough about the people who endured the terrible weather on Friday and the people who braved the cold on Saturday. Of course we owe a great deal of thanks to Cargill and their very brave and loyal employees who hung in there in the terrible cold wind, snow and rain to put up tents for Punkin Day booths. City employees were also out there, including City Manager Gary Brown (who never worries about getting his hands dirty with everybody else).

Punkin Day committee members Anne Carthel, Vicki Norrell and Brenda Heflin looked like eskimos out there on the lawn—but they stuck with it.

A lot of prayer and God's smiling face brought us sunshine and dryer weather on Saturday, and we also owe a great deal of thanks to the people who came out to shop and play. The cold obviously cut the Punkin Day crowd way down, but the ones who did show up had a wonderful time.

The games were just as fun and the smiles just as big. Actually most smiles just froze on everybody's face.

Brenda Clamptt, Floydada's Chamber Manager, said that the chamber just broke even on the festival but she was still ecstatic. She told me that there has been nothing but good comments from all the visitors (and there was a lot of them), and from the vendors. Everyone says they are coming back. She even talked to some people who seriously wanted to look into moving to Floydada because they had "never met a friendlier town".

This is exactly the type of thing all these hard working folks are trying to accomplish with Punkin Days. It may have been cold but it was a huge success.

Roxanne Cummings said they had a family from Houston stay at the Lamp-lighter and attend the festival. She said they had a wonderful time and participated in everything, including trunk or treating. Their daughter even won some ribbons. They will be back and will bring more people.

There are too many to mention but you've all been great. Give yourself a treat and take a year off. See you next October!

Lockney Police Report

LOCKNEY—On Oct. 16 at 1:22 p.m. Lockney Police investigated a burglary of the Longhorn Inn. The front (West) door to the Longhorn Inn was forced open and several boxes of candy were stolen.

On Oct. 26 Lockney Police took report of a garage burglary that occurred sometime within the last two weeks. Someone entered the garage, located in the 500 block of SW 6th Street, and stole several fishing rods and reels.

On Oct. 30 shortly after dark Lockney Police noticed that several cars around the Lockney Elementary School had been egged during the Halloween Carnival. Within a short time four Lockney juveniles were issued citations for the criminal mischief. The juveniles were then turned over to their parents.

On Oct. 31 at approximately 7:00 p.m. Lockney Police investigated a burglary of a habitation that occurred in the 400 block of SW 2nd Street. Taken in the burglary were 6 shotguns, 2 handguns, an Emerson TV, Sharp VCR and some jewelry.

If you have any information on these burglaries you are asked to contact the Lockney Police Department. If you have any information your name will be kept confidential.

FNB in Lockney elects Clar Schacht to Board of Directors

LOCKNEY—Jim Doucette, Chairman of the Board of First National Bank in Lockney, is pleased to announce the appointment of Clar Schacht to the Board of Directors.

Doucette said, "With the addition of Mr. Schacht to the Board of Directors FNB Lockney and the Floydada Branch will have greater representation for the Floydada area. Also members of the Board feel very fortunate to have Mr. Schacht join the Board. He has the reputation of being a very good businessman and is a very community minded person. For these reasons, we are confident that Mr. Schacht will be an asset to the Bank and help us to better serve the Floydada community."

Schacht is a Floyd County native and has resided in Floydada since 1986 when he became agency manager of the Floyd County Farm Bureau. He is a 1968 graduate of Texas Tech University and earned a Master's degree in Education in 1972.

After graduating from Texas Tech, Schacht taught school in Kansas before returning to Floyd County to farm. In 1980, he became the construction trades instructor in the Floydada school system and then joined the Farm Bureau organization in 1982.

While being in Lockney, he was active in the First Baptist Church, Floyd County Fair, Chamber of Commerce and served three years on the Lockney ISD school board. In 1985, Schacht was named Lockney Citizen of the Year.

Since moving to Floydada, he has become active in the Rotary Club of which he has served as president. He currently is a member of the Floydada

JANET BRYANT BYBEL

Levelland artist featured at Floydada bank in November

FLOYDADA—The First National Bank of Floydada is happy to have on exhibit the oil paintings of Levelland artist, Janet Bryant Bybel through the month of November. The full-time professional artist paints with oil glazes about which she learned from Jan Herring of El Paso and Cloudcroft, N.M.

Bybel, who grew up in Lubbock and lived in Scottsdale, Ariz., before moving to Levelland, received her education at Stephens College in Columbia, Mo., and Texas Tech University and has studied under a number of artists since.

"I have always enjoyed art and drawing," said the artist, "but I started out in commercial art. It was Clarence Kinkaid who persuaded me that I should be involved in the studio arts rather than in commercial art." She followed his advice in 1980.

Bybel teaches workshops and gives demonstrations in Texas and New Mexico. She is an associate member of Knickerbocker Artists, a national association for artists of all media. She has a painting hanging in their annual show in the Perry House Gallery in Old Alexandria, Va. Her artwork may also be seen in the Webb Gallery, Amarillo, and the Adele M. Gallery, Dallas.

This year in June, the artist won first place in oils in the Classic Art Show at the Garden and Arts Center, Lubbock. She is entered currently in The Jubilee, a memorial art show and sale designated for a Gene Hemmle Memorial Scholarship. The artist has a studio in her home, does portraits, commissions, and has paintings available for viewing. Visitors are always welcome!

Cervera ends recruit training

Marine Pfc. Julio C. Cervera, son of Victor R. and Maria C. Cervera of Floydada, recently completed recruit training and was promoted to his present rank.

During the training cycle at Marine Corps Recruit Depot, San Diego, recruits are taught the basics of battlefield survival, introduced to typical military daily routine and personal and professional standards.

All recruits participate in an active physical conditioning program and gain proficiency in a variety of military skills including first aid, rifle marksmanship and close-order drill. Teamwork and self-discipline are emphasized throughout the cycle.

The 1992 graduate of Floydada High School joined the Marine Corps in March 1993. His wife, Gabina, is the daughter of Manuel and Gloria Suarez also of Floydada.

ACS plans for Great American Smokeout

One of the most publicized annual events of the American Cancer Society is the Great American Smokeout in November. Realizing that smoking kills more people than heroin, alcohol, fires, homicides, suicides, according to the ACS Research Group, the education committee is striving to "Get the message across" to all concerned!

The Great American Smokeout places an emphasis on more than just smoking! While there is concern on the danger of smoking, there is equal concern linked to smokeless tobacco.

Hospitality: Texas-Style

Texans are known all across the world for their friendliness and their "Texas-Style" hospitality. Since we have a great reputation for hospitality, we need to make sure that all of us who are involved in meeting "tourists" can fulfill that reputation.

The Silverton Chamber of Commerce and the Executive Board of the Briscoe County Extension Service will be hosting a "Texas Hospitality Training," presented by Joe Wheeler of the Borger Chamber of Commerce. The training will be held on Tuesday, Nov. 9, at the Silverton School Cafeteria beginning at 6:00 p.m. The cost for the training will be \$15 which includes a meal and workbook materials.

To attend, pre-register by calling the Briscoe County Extension Office at 823-2131, ext. 11. Anyone who is interested in promoting tourism will benefit from the training.

Brown and Brooks exchange nuptials

FLOYDADA—Ward Ray Brooks and Rhealene Ismanell Brown, both of Floydada, were united in marriage during a morning ceremony held in Iowa Park, Texas. The couple exchanged nuptials before their family, Mr. and Mrs. Ray Brooks, Mr. and Mrs. Gary Brown and Jason and Roxene Brown.

The bride carried out the tradition of something old, new, borrowed and blue. Something old was a white linen handkerchief that once belonged to her great-grandmother, Irene Gray, and now belongs to her grandmother, Ismanell Gray.

Something new was her attire, a denim blouse with a striped yoke and a straight calf-length skirt to match. She wore her mother's wedding ring set during the ceremony for something borrowed. Something blue was a garter bought for her by her brother and sister. A corsage made by Frances Hambright and Carol Brooks, mother of the groom, completed her outfit.

Roxanna Cummings. The male members of the families were treated to lunch at the home of the Gary Browns'.

A lingerie shower honoring Rhealene was held Saturday afternoon in the home of Mrs. Glenna Watson. Other co-hostesses for this event were Mrs. Dean Watson, Mrs. Chad Edwards and Mrs. Brad Fulton.

Mr. and Mrs. Brooks will reside in Wichita Falls. Brooks is employed as a civilian firefighter at Sheppard Air

Force Base and Rhealene will be in nursing school at Midwestern University.

Out-of-town guests for the day's events included: Mr. and Mrs. Vance Gray, Clarendon; Mrs. Sybil Brown, Groom; Harold and Edith Beck, Vera, Texas; Allen and Peggy McGaughey and Faye Railsback, Knox City; Ernest and Marianna McGaughey, Tulsa; Elissa Inman, Brete and Jake, Elk City, Okla.; Christi Brooks, Destiny and

Merrick, Eastland; Louis and Louise Clark, Olton; Jane McGaughey, Wade Brooks, Mrs. Lon Jackson, Mrs. Danny Gipson and Amanda, all of Lubbock; Andrea McGaughey, Jeane Tittle and Mrs. Frank Quick, Amarillo; Jason Brown, Abilene; Roxene Brown, Canyon; Mr. and Mrs. Jerry Gray, Canyon; Mr. and Mrs. Dusty Tittle, Vernon; Mrs. Bill Lee, Beaumont; Brink Lee, Hondo, and Mr. and Mrs. R.G. Morris, Petersburg.

Favorite hats viewed by club members

By Tracy Campbell
FLOYDADA—The 1990 Study Club held their monthly meeting on Oct. 13 in the home of Betty Ann Fortenberry. The meeting was called to order by President Denise Holcombe at 7:00 p.m. Special guest Virginia Taylor, of South Plains, was introduced to present a hat style show.

Mrs. Taylor gave us a history of the many hats she has collected dated as far back as 1750 BC. As she told stories of hat fashion, members Libby Campbell and Dara Ware modeled each hat. Several members brought their favorite hat and at the end of the style show those members modeled their hat and told the story behind them.

Members enjoyed the program and would like to thank Mrs. Taylor for taking time to share with our club.

Tracy Campbell called roll with members answering to what their favorite Halloween costume was and minutes were read from the previous meeting. Kelly McCormick handed out the new yearbooks made by the Yearbook Committee.

Denise called for officer reports. Betty Ann Fortenberry gave the treasurer's report and Deanna Logan read thank you notes from Sandra Schwertner for the gift and the scrapbook given by the club for the work she did as president. A note was also read for the gift given to Jan and Whitley Beedy, and October birthdays and anniversaries were recognized.

With no other officer reports, Denise called for unfinished business. She also brought forth discussion on the absent policy the club has and a motion was made by Deanna Logan to abolish the

policy and Libby Campbell seconded that motion. If any member is going to miss a meeting, she needs to contact an officer and one of the hostesses.

Denise then brought the discussion on the need for a Service Committee Chairman. Janet Thornton volunteered and discussion developed on service in November. Holly Lee made the motion that members bring clothes, household items, or food to donate to the SOS and Dara Ware seconded that motion.

Kelly McCormick gave a report on the Social Committee saying that socials have been included in the yearbook and if any member has any suggestions they can be presented to the committee. Betty Ann Fortenberry gave a report on the Santa Committee which will take care of the children taking pictures at the Santa in December project. A photographer has been lined up and more details will be given at the November meeting.

With no other committee report, Denise opened the floor to new business. Deanna brought up discussion on the American Heart Association Walk-a-Thon which took place on Oct. 23. Members were asked to sponsor a walker or walk themselves. Kelly McCormick moved the club sponsor our members who walk and Holly seconded that motion. With no further business at hand the meeting was adjourned and secret sister gifts were handed out.

Members enjoyed a lasagna, rolls, green salad, and peach cobbler dinner served by hostesses Betty Ann Fortenberry and Delinda Lucke. The next meeting will be held at Lighthouse Electric Cooperative, Inc. on Nov. 10 with Holly Lee and Libby Campbell acting as hostesses.

Those members present were: Jan Beedy, Robin Bowden, Libby Campbell, Tracy Campbell, Shereese Covington, Betty Ann Fortenberry, Jeanine Helms, Denise Holcombe, Connie Hurt, Kayla Johnson, Holly Lee, Deanna Logan, Delinda Lucke, Kelly McCormick, Tammy McDonough, Sandra Schwertner, Stefani Shortes, Mendy Shurbet, Regina Smith, Shelly Smith, Janet Thornton and Dara Ware.

FLOYDADA—Hi! Once again we start a new month, seems like October flew in a hurry. Do hope that you are keeping warm.

Monday started the week as usual, morning coffee and juice and cookies. We went to thank all for the extra cookies and cakes and goodies brought to us by the 1990 Study Club. At 2:30 p.m. the residents had arts and crafts, they made ghosts and pumpkins, fall leaves.

Tuesday was songs and exercise day. Wednesday was the weekly Bingo. Otis Johnson had the first Bingo. Mary Alice Davis assisted the residents, thanks Mary.

Thursday was the Halloween Party given by the ladies from the Companions 'n' Caring. These included Sue Walker, Shirley Varner, Dolores Cannon, Leona Neff. Residents played games and were given prizes. Decorated pumpkin cookies, fruit punch was served to all. The residents enjoyed seeing the volunteers dressed in their costumes.

Friday, Atha Sue came and played the piano for us. Joyce Lipham lead the

Whirlwind Sams gather for monthly meeting

By Marjorie McElyea

FLOYDADA—Whirlwind Sams met Monday, Nov. 1, at Lighthouse Electric. The meeting was called to order by president J.W. Gilbreath. The birthday song was sung for Jerry and Glenda Livingston, Eva Parker, Fred Thaxton, W.B. Cates and Geneva Cockrell. We had one anniversary, Yvonne and Fred Thaxton.

The invocation was given by W.B. Cates. Delicious refreshments were served by the Adams', Weathersbees and Thaxtons.

Wagon master Kenneth Willis called on Jean Kendrick to give a report on the trip to Gaines County. The program was

brought by Virginia and Louis Pyle. It was a drawing match and we had a lot of fun.

Madge West gave a report on the Fredricksburg trip. Betty Gilbreath reported on the State Samboree at Amarillo. We had nine rigs present.

Minutes were read by Betty Gilbreath and approved Harold and Geneva Bennett were voted in as new members.

We were delighted to have the Lusks back. Rufus has been sick but is up and able to attend. The door prize was won by John and Geneva Cockrell. We had 20 rigs present and were dismissed by singing Happy Trails.

What's behind that mind-numbing pain?

Mind-numbing headaches can leave you feeling like a zombie, but fortunately the condition usually responds rapidly to treatment and disappears within a few hours.

However, for 45 million chronic headache sufferers, the pain can be more serious. Headache sufferers spend over

\$4 billion on remedies and make 80 million visits to doctors each year. They lose 64 million workdays annually.

The two major categories of headaches are muscle contraction (tension) and vascular (cluster and migraine) though the distinction is not always clear-cut.

The common tension headache occurs when neck and scalp muscles tense up creating the sensation of a tight band around the head. The headache may be related to stress, anxiety or depression.

Vascular headaches occur when blood vessels in the brain alternately shrink and swell, creating an intense, and often debilitating pain.

Cluster headaches are extremely painful. They occur as a series of one-sided headaches, each following the other over a span of days and even weeks. An attack can last 15 minutes to four hours. Once a cluster series ends, the sufferer may be free of symptoms for months or years.

Migraine headaches usually throb on one or both sides of the head. In about 15 percent of the sufferers, a migraine attack is preceded by warning signals-called aura-that may last five to 30 minutes. These clues can include visual disturbances, such as flickering of lights, zigzag lines and a tingling sensa-

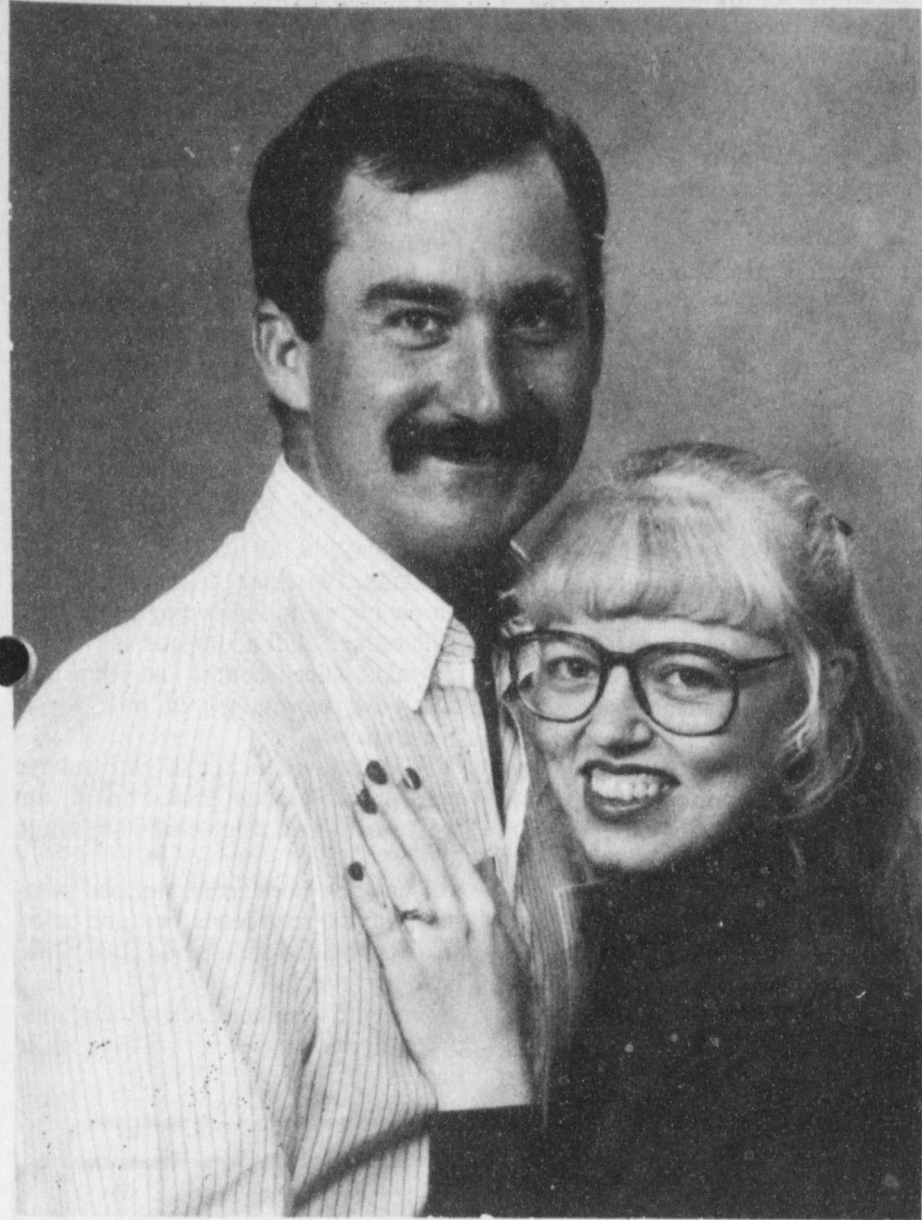

tion.

J. Thomas Hutton, M.D., a neurologist on Methodist Hospital's medical staff, advises that, "While the causes of a migraine headache are not entirely understood, an attack can be triggered by stress, hormonal changes, foods, changes in living patterns and weather."

"Foods containing chemicals such as tyramine, monosodium glutamate, nitrates and nitrites that expand or constrict blood vessels, may also contribute to migraines," he said.

Doctors use a variety of nondrug approaches to treating headaches, including biofeedback relaxation techniques, exercise and avoidance of fatigue. There are also a number of drugs to prevent headaches, to stop them or lessen their severity.

If you experience a sudden increase in frequency, duration and severity of headaches, and their related symptoms, be sure to see your doctor.

ENGAGEMENT ANNOUNCED—Twila Clark of Quitaque is pleased to announce the engagement and approaching marriage of her daughter, Denise Saul, to Rodney Smith, the son of Joe and Kathy Smith of Mena, Arkansas. Il Penseroso hosts Halloween party

By Patricia Schwab

LOCKNEY—Members of the Il Penseroso Junior Study Club gathered Tuesday, Oct. 26, in the home of Deanna Brewer for their Halloween Party. Lori Satterwhite, Sammie Setliff and Heather Stowe served as co-hostesses.

The meeting was called to order by President Michealle Stennett and minutes of the previous meeting were read by Secretary Lori Satterwhite.

A Health Fair Carnival will be held on December 4 in memory of Dr. W.J. Mangold. The club will have a play area for the children.

Michealle Stennett presented Diane Lowe with a framed picture in appreciation for the good things John and Diane Lowe have done for the school and for

the club.

For the Halloween party, members came dressed in what they wore in high school. Everyone brought yearbooks, scrapbooks, etc...of their high school days.

Deanna Brewer had a game for everyone to play and chips, dips and popcorn balls were served by the hostesses.

Members present were Alice Carthel, Deanna Brewer, Char Dowell, Shawnda Foster, Pam Fulton, Diane Lowe, Regina Orr, Codee Owens, Ruth Reed, Shelley Roberts, Lori Satterwhite, Pat Schwab, Sammie Setliff, Robin Sherman, Karla Stapp, Michealle Stennett, Heather Stowe, Cris Taylor, Kim Teeter, Jean Anne Williams, Tami Wofford, and Robyn Zalman.

LOCKNEY—There were 62 present on Thursday night for Witches Brew, cornbread, salad and desserts. The brew was stirred up by the center's cook, Sonny Sutton.

Brenda Mangold and helpers are getting a Health Fair started for December 4 at school.

We want to pray for the sick and ill of our community.

The October hosts would like to thank everyone who helped and the cook would also like to thank anyone who helps in any way.

The new room has a roof and is painted inside. Harley, it is really shaping up!

nita Poole as hostess. Vivian Curtis, president, called the meeting to order. Roll call was answered by "From Trash to Treasure - Glass Recycling."

Ruth Scott, secretary, read the minutes of the last meeting. Ruth Scott also gave the treasurer's report. Karen Miller gave the yearbook committee report.

Juanita Poole gave the Sunshine Committee report and the club drew names for the Christmas party.

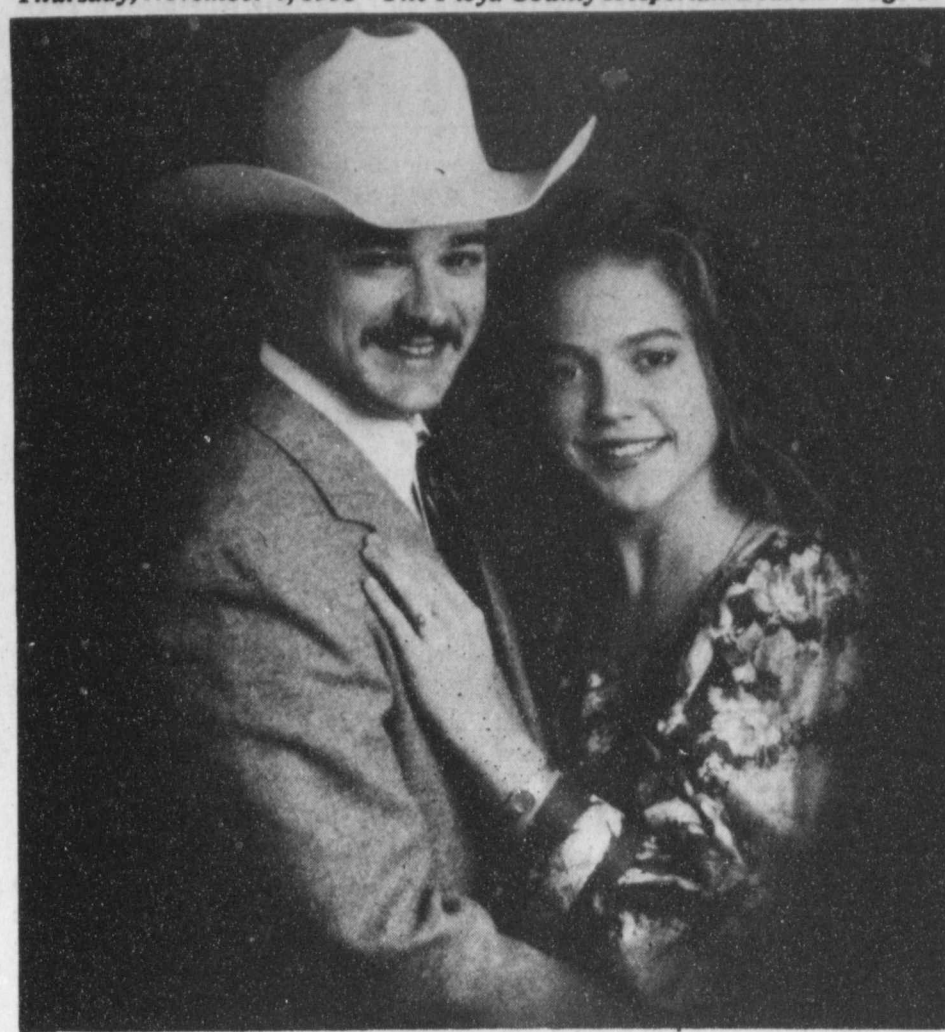

Karen Miller, 4-H chairman, gave a report on the food show in Lockney. Blanche Williams gave the council report.

Lucille Miller gave the demonstration on the Glass Recycling with each club member making a baby food glass jar Christmas tree and putting lights in them.

Guest Annette Milmer gave a demonstration on a wreath made of recycled shells, Christmas ornaments and dried leaves and ribbon and filler. The wreath was a good decoration for many occasions.

Refreshments served were in a Halloween motif and served by the hostess, Juanita Poole to the following club members: Mae Williams, Anna Maude Hopper, Ruth Scott, Vivian Curtis, Arvie Schulz, Karen Miller, Lucille Miller, Blanche Williams, Imelda Murry, Martha Ruckman, Doris Snodgrass and a guest, Annette Milmer.

Homebuilders hear genealogy program

By Jonelle Fawver

FLOYDADA—Gladys Widener's home was the meeting place for Homebuilders Extension Club on Oct. 26. Barbara Willis, president, called the meeting to order and answering roll call "Information I have learned from family research" by six members and a guest. Recreation was led by Gladys Widener.

Minutes of the last meeting were read by Jonelle Fawver and approved. She also gave the treasurer's report. Council delegate, Gladys, gave a report from the Oct. 14 meeting.

We made plans for our next meeting with Sue Lovell, hostess, on Nov. 9 and Melissa Long, CEA, giving the program. Plans for our club Christmas party were also made. Harmony Extension Club reported on their plans for the combined meeting later in November.

Genealogy research was given by Sue for our program. Sue said you can be serious in your research of births,

deaths, marriages and people in households through census or have fun with genealogy if anyone wrote down stories of family history containing amusing happenings.

Mahon Library and Church of Latter Day Saints, both in Lubbock, have good records. Sue said, the museum here in Floydada has some good records of families in the county, Texas and the South. Many times you can find local records in county libraries or museums.

She has been to the Library of Congress in Washington, D.C., the Daughters of the American Revolution and the Depository of Colony Records in Maryland. Sue is serious in her research more than the average person.

Refreshments were served to members Sue Lovell, Murl Mayfield, Lillian Smith, Gladys Widener, Barbara Willis, Jonelle Fawver and guest, Crawford Sandefur.

Letters To The Editor

Dear Editor,
Once again a good event for our town and county has come and gone and once again a small group of people gave a lot of themselves to make the event a success.

A person could never name all those who sacrificed but I would like to say thanks to a few.

To everyone who decorated, plan to make next years decorations even better. To the city employees who spent a tough Friday helping with the tents, you are great. To those who showed up Saturday to be a part of Punkin Days, you are special.

Rosemary, you made it and all should be proud of you for finishing and even being on time. Anne for your hours and hours of worry, hosting, smiling and praying for a successful day you should be rewarded for above and beyond work.

To all who helped with or gave to Trunk or Treat, thanks! Floydada Police Department and others who helped with crowd and traffic control, you did well.

For Brenda and Vickie who were there Friday and Saturday when it was ever so cold, make the husbands take you for a night out. And yes Vickie, it's easy to say, no more, but if you will help one more year, I will enjoy participating with Morgan again.

THANKS TO ALL!!
Gary Brown

To the people of Floyd County,
I would just like to take a minute to thank all the wonderful people of Floyd County for the opportunity to serve you as a deputy sheriff for the last two and one half years. I have made many friends, and hopefully less enemies in a job where you are not always the good guy.

I have had the chance to work for and

with two fine sheriffs. In this period of time I have also seen alot of changes, most of them for the better of the county.

As of now my plans are to move to Wichita Falls, take it easy for several months, and get married on December 18th.

I would like to take this opportunity to thank several people who have made this a very unforgettable job; all the employees with the sheriff's office, Lockney P.D., Floydada P.D., Marty and Ron. And a special thanks to Charlie, Linda, and Greg for all the good times we had. To anyone that I have left off the list, thank you as well.

Good luck to Darrell and Katrina in their new home, I hope it is as comfortable for you as it has been for me.

Sincerely,
Kyle Adams

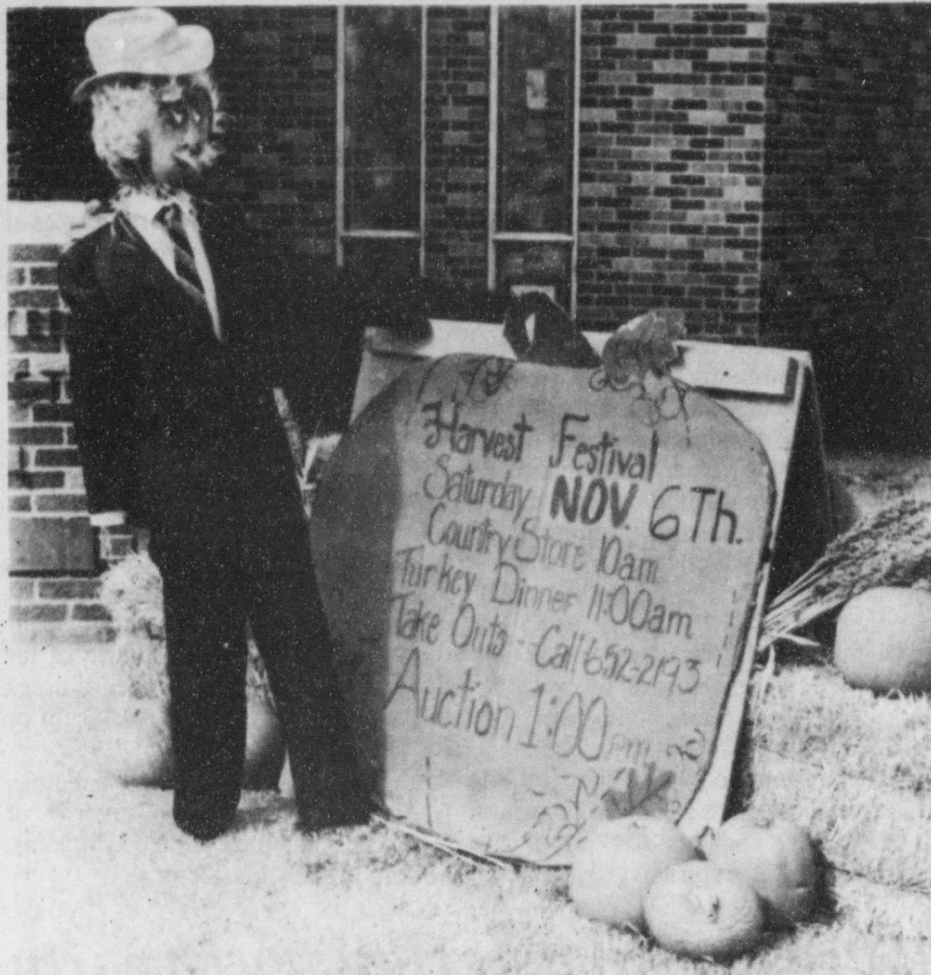

Dear Friends:

I would like to take this opportunity to thank Pay-n-Save and Johnny Summers for donating the food for the Fat Man's Race. Everyone sure seemed to enjoy the fine cuisine of pumpkin pie, candy pumpkins and pumpkin juice (orange juice).

Thanks also go to all of the people who worked the tables and made sure all the hungry racers got fed. They were Terry Nelson, Renee Jones, Judy Emert, Mary Emert, Sarah Hinsley, Becky Sharp, Peggy Turner, Carl Turner, Karen Lawson and Debra Graham.

The runners this year were Paul McIntosh, Bobby Gilliland, Clar Schacht, Mike Holster, Mabry Greenhaw, Levi Anderson, Eric Cornelius, Gary Brown, Lennie Gilroy and Tony Quintana. Thanks to all of you guys for supporting the Fat Man's Race. I hope to see you again next year!

Thanks Again!
Laura Turner

participants. Paul McIntosh, dressed in black leather and driving a Harley Davidson motorcycle, with City Manager Gary Brown on the back, made the Fat Man's drag. McIntosh was also sporting a "orange pumpkin helmet" to get in the mood.

Mike Holster carried a travel portapotty on his Fat Man Run so he would be sure to have seat at his required stop and food break. After finishing each snack, Holster would pull toilet paper from inside his coat and clean the crumbs from his face.

Punkin Day revelers were also delighted by the antics of the Human Puppet Show, featuring Nick Long, Eric Cornelius and Mike Holster (up front) and the arms of their wives providing hilarity to the event. You had to see it to believe it.

She continued, "He came through the surgery with no problems. He stayed in ICU for two days before he was moved to a private room. We are so grateful that he got a kidney as fast as he did. Some people have to wait for a long time before they get one that matches."

Gonzales' first kidney was donated by his father after his own kidneys failed. Since that time he has completed his high school studies and received his diploma in May.

"The doctors and nurses, everyone at the hospital treats him kind and special. We are grateful to everyone at the hospital, all our friends and relatives, stated Mrs. Gonzales. "We take life so for granted. Life has changed us for the better since Chris has been sick."

community an opportunity to support local charities during the holiday season.

There are many informational, adult-oriented booths and service type booths with many professional agencies participating. There will be more information about these in the weeks to come.

The Harrington Cancer Center of Amarillo will bring their mobile mammogram unit if there is enough interest. This will be a convenient opportunity for women to have a mammogram done in Lockney for a comparable cost. Appointments will need to be scheduled in advance.

There will be a poster contest for all

school students to help promote and advertise the fair. Prizes will be given and students are encouraged to enter.

The hospital will have a doll clinic booth which will have future doctor and future nurses hats and will provide helium balloons for the children. There will be an opportunity for pictures with Santa for a small charge, with proceeds going to charity.

Donations of a new toy at the door are encouraged and will entitle each person to register for nice door prizes to be given away during the day.

There is limited booth space available and anyone with ideas, or if your group is interested in having a booth, please contact Brenda Mangold at 652-3855 or Marsha Allen at 652-3373. If you cannot have a booth, perhaps you can help by donating a door prize.

The hospital hopes to make this an annual event which will increase health awareness in our community and brighten the holidays for local needy families.

Local students included in 27th Who's Who edition

Four students from Floyd County are included in the 27th Annual Edition of *Who's Who Among American High*

School Students, 1992-93.

Those selected include: from Floydada, Sherrie R. Clark of Southwestern Assembly of God College, Laura M. McCarty of Lubbock Christian University, Tanner R. Smith of Texas Tech University, and from Lockney, Shelley D. Edwards of South Plains College.

Who's Who, published by Educational Communications, Inc., Lake Forest, Illinois, is the largest high school recognition publication in the country. Students are nominated by high school principals and guidance counselors, national youth groups, churches or by the publishing company based upon students' performance in scholarship award contests or extracurricular activities.

Final selection is determined on the basis of criteria which include high achievement in academics and leadership in school activities, athletics or community service. Traditionally, 99% of *Who's Who* students have a grade point average of 'B' or better and 97% are college bound.

The 27th edition of *Who's Who*, published in 16 regional volumes, features nearly 725,000 students or just over 5% of the nation's 12,000,000 high school students. They represent approximately 15,000 of the 22,000 public, private and parochial high schools in the country.

Who's Who students also compete for \$125,000 in scholarship awards and participate in the publication's annual opinion poll of teen attitudes. The book is distributed to up to 15,000 high schools, colleges, universities and public libraries throughout the country.

JUMPING ROPES FOR HEART ASSN.—Students at R.C. Andrews Elementary School participated in the recent "Jump Rope for Heart" campaign, benefitting the American Heart Association. Money pledges are being

accepted through Nov. 6. Fourth, 5th, and 6th grade physical education students are under the instruction of Coach B.K. Bates and Assistant, Albert Hill.

Hernandez completes recruit training

Marine PFC Mark Hernandez, son of Mary Mariscal and Mario Hernandez Sr. of Lockney, recently completed recruit training at Marine Corp. Recruit Depot, San Diego, California.

During the training cycle, recruits are introduced to typical daily routine and study personal and professional standards traditionally exhibited by Marines. In addition to an active physical

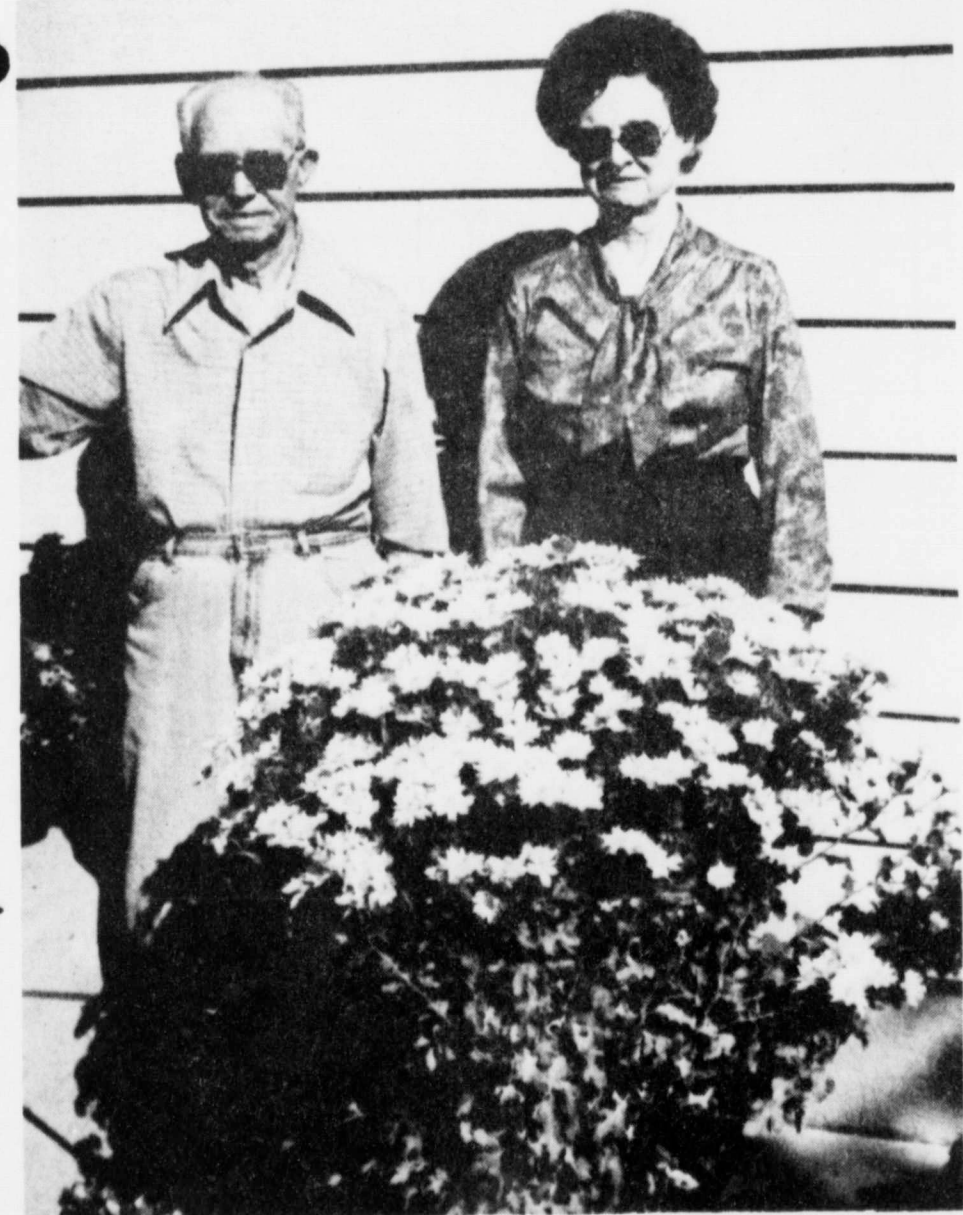

conditioning program, close order drill, first aid, combat training, teamwork and self-discipline are included in the training.

PFC Hernandez is a 1993 graduate of Lockney High School and graduated from boot camp on October 22, 1993. He is currently at Camp Pendleton, California for further training.

BBB receives inquiries about organizations

By Nan Campbell, President Better Business Bureau® of the South Plains, Inc.

Requests from groups claiming affiliation with law enforcement organizations have been the lead generator of inquiries to the BBB in recent months. The police and firefighters in our communities are people who put their lives on the line to protect you, your family and your business. When you are asked to give - WAIT.

There are a lot of hype merchants out there who are only too happy to take your money without giving you all the facts needed to make an informed decision - or the 'facts' they give are inaccurate, jargon reeled off by the paid solicitor who may know little or nothing about what the money actually does.

If you donate to groups like these, our hardworking local law enforcement agencies may not be helped much, if at all. Don't assume that just because the caller claims to be affiliated with a law enforcement agency, that the money goes there. Give us a call at 763-0459.

The BBB is a unique organization that it is supported entirely by business.

However the services of the Bureau are utilized not only by business, but by the public.

The demand by the public for the Bureau's services is based mainly on the BBB name and a confidence in the integrity of the organization as an unbiased source of information. The BBB name is its most valuable asset, which must be protected at all times.

Recently, the Bureau's name has been misused by two local companies claiming they are members of the BBB, which they are NOT. This implied endorsement in an attempt to cash in on the Bureau name and take advantage of the public's trust cannot be tolerated.

Our dues-paying members have agreed to NOT use the BBB name in advertising because they want to maintain the integrity and credibility of the BBB name.

Call the BBB 24 hours, 7 days at (806) 763-0459.

Littlefield stuns Whirlwinds with game-winning field goal

By Bill Gray

FLOYDADA—The Littlefield Wildcats captured a state playoff berth and at least a share of the District 2-3A title with a shocking 15-13 come-from-behind victory over Floydada at Wester Field on October 29. The 14-point underdog Whirlwinds took the undefeated Wildcats to the limit in the losing cause, and saw their post-season hopes vanish as Littlefield's Danny Vargas connected on a 25-yard field goal with 5 seconds remaining in the game.

Field position and time of possession played important roles as the Wildcats held the ball almost nine minutes longer than Floydada. Low temperatures and 30 mph north winds contributed to a chill factor of -5 below zero at kickoff time. In spite of the adverse conditions, the Whirlwinds held the lead from early in the second quarter until Littlefield's go-ahead field goal at the end of the game. It was only the second time this season that the Wildcats trailed in a game, as they improved to 9-0 (4-0 in district play). The 'Winds fell to 4-5 overall (2-2 in 2-3A play).

Floydada faced the strong winds at the outset and managed one first down before being forced to punt against the wind. A punt of only one net yard gave the visitors possession at Floydada's 43-yard line. However, the Wildcats were "three and out" and punted for a touchback into the Whirlwind end zone.

Floydada netted only one yard in its next possession and gave the Wildcats good field position on a punt of only 11 yards. Littlefield capitalized on the opportunity as tailback Rene Espinoza broke into the clear on first down from the Whirlwind 32-yard line, and raced untouched into the end zone. Vargas' kick was wide on the conversion attempt, but the Wildcats were up 6-0 at the 4:46 mark of the first stanza.

The Whirlwinds fought back with a

12-play, 80-yard drive following the ensuing kickoff. A 15-yard pass from Sammy Rodriguez to Brandon Gilliland, two fourth-down conversions, and a pass interference call against Littlefield moved the 'Winds into scoring territory early in the second quarter. On 4th-and-1 from Littlefield's 16-yard line, Rodriguez pitched to Pete Cooper on the option and the nifty junior carried the double stripe. Rafael DeOchoa's P.A.T. was good, and the 'Winds took the 7-6 lead into the halftime locker room.

It was Littlefield's turn to blow the wind in the third period, and the 'Cats only managed one first down in their initial series. Rodriguez hit Wildcat quarterback Joey Polk just as he delivered an option pitch, the ball went to the ground, and Adam Gonzales' recovery gave Floydada possession at Littlefield's 40-yard line.

Four plays later, Rodriguez and Cooper again teamed with an option pitch for a score. Cooper was credited with the 29-yard touchdown, but DeOchoa's conversion kick hit the crossbar. Nevertheless, Floydada increased its lead to 13-6 and retained possession with a successful inside kick.

Rodriguez connected with Gilliland for a 38-yard pass-and-run to inside Littlefield's 10-yard line on third down. The ball popped loose as Gilliland hit the ground. It was judged a turnover as Justin Johnson recovered the ball at Littlefield's 8-yard line to end the Whirlwind scoring threat.

Following an exchange of punts, Littlefield mounted a 16-play, 89-yard drive that took the 'Cats into the Floydada end zone with five minutes elapsed in the final period. Espinoza carried seven consecutive times, and on his eighth attempt scored from five yards out to bring Littlefield to within a point. Espinoza received the call for a 2-point conversion to take the lead, but

Whirlwind linebacker Mike Ochoa shut down the play.

The Whirlwinds attempted to play ball-control and take as much time off the clock as possible. Rodriguez hit Ochoa with an 18-yard pass for a first down at Floydada's 41-yard line. However, a rush for no yardage and two in complete passes forced the 'Winds to give up the ball with a punt. The Wildcats took over at their own 44-yard line with a little over four minutes remaining in the contest.

A 16-yard pass from Polk to Louis Williams on first down moved the Wildcats into Floydada territory, and two plays later Justin Johnson snared a 19-yarder to give the visitors their third penetration of Floydada's 20-yard line. Polk's third-down pass to Johnson was perhaps the most important play of the evening for Littlefield as it kept alive the game-winning drive. Polk kept it on the ground the next three plays. The rough Littlefield QB ran for 7 yards to Floydada's 9, and Espinoza carried twice to the Whirlwind 6-yard line. At that point the Wildcats called time out with 11 seconds remaining in the clock.

The Whirlwinds used delay tactics to try to rattle Littlefield by calling two consecutive timeouts. However, as the clock wound down to 5 seconds, the 25-yard attempt by Vargas was signaled "good" and the Wildcat celebration started. The Whirlwinds got their hands on the ball as Gabriel de la Fuente returned the ensuing kickoff to the Whirlwind 40 as time expired.

Littlefield will meet Tulia this Friday to determine the playoff seeds for District 2-3A. A Wildcat victory over the Hornets will give Littlefield an outright championship and the number one seeding in the playoffs. A Tulia win puts the Hornets into the first seeding and a District co-championship with the Wildcats. Tulia is assured at least a number two seeding by virtue of the Hornets' 24-19 victory over Floydada on Oct. 22. The Whirlwinds close the 1993 season at home this week against the Dimmitt Bobcats.

die-hard fans witnessed at icy Wester Field last Friday.

Floydada's loss is a bitter pill to swallow - perhaps the most disappointing setback in Dean Bates' five years as the Whirlwind boss. In spite of the painful outcome, the game was one of Floydada's finest hours. It was a gutsy game by a small bunch of gutsy young men - a game the Whirlwinds could have won, but didn't. But, it wasn't because the effort wasn't there.

This squad has represented their school with good sportsmanship and dignity all year and has given its fans a lot of excitement. An appropriate tribute to this Whirlwind team will be a full house this week as the 'Winds close-out the '93 campaign against Dimmitt. Littlefield's tailback, Rene Espinoza, gets my nod as offensive player of the game for his two-touchdown and 128-yard rushing effort. Offensive play of the game was not the winning field goal by Vargas, but the 19-yard Polk-to-Johnson pass which kept alive the winning drive.

My nod for defensive player of the game again goes to Adam Gonzales. He played a whale of a game under the most adverse conditions. Defensive play of the game - in

my opinion - goes to the judgement call on Jed's fumble. It was THE difference in the ballgame.

In my BIASED opinion, the ball should have been ruled dead following the tackle with the end result a Floydada 1st-down-and-goal at the 9-yard line (and leading 13-6). It wasn't the first time this year that a judgement call had a bearing on the final outcome.

The 'Winds should close with a win over Dimmitt and finish at 5-5 for the year. A couple of different "judgements" and the year could have easily been 9-1 or even 8-2.

Good luck to Lockney as they attempt to secure a playoff berth against Springlake-Earth. The 'Horns have had a good year, and came close to having a successful one, but I can't see them topping the Wolverines.

Oh yes, one last hurrah for Texas Tech in their rare 31-22 victory over those "BURNT ORANGE" 'Horns in Austin!

Littlefield JV tops FHS JV, 20-6

By Bill Gray
FLOYDADA—The Whirlwind JV traveled to Littlefield on Oct. 28 and were upended by the young 'Cats 20-6. Named as outstanding offensive play-

ers by the coaches were Michael Molinar, Monty Anderson and Peter Luna. Defensive players of the game for Floydada were Michael Mercado, Tomas Barrientos and Chad Hinsley. Floydada's junior varsity closes its season this week at Dimmitt.

By Dean Bates
An outstanding high school football game was played last Friday under adverse weather conditions. Both teams played well and Littlefield was able to pull out the win late in the game. Our players went over there to win the game and our effort was good and we are proud of that. Dimmitt is our last game of the year and they have some outstanding players. They have not had a lot of success, but have begun to play well, so we must prepare for another tough game. These 'Winds deserve your support as we try to finish the season on a winning note. See you at the game!

Breezer Football Report

By Bill Gray
FLOYDADA—The 7th grade Breezers played a good game in a losing cause to Littlefield's 7th graders at Wester Field on Oct. 28. Littlefield scored in every quarter for the final outcome of 36-22, but the Breezers made the game very interesting and knotted the score 22-22 early in the third quarter.

Michael Black blocked a punt that Martin Suarez recovered on Littlefield's 1-yard line to set up Floydada's first touchdown by Gilbert Garza. Black connected with Dusty Duke on a half-back pass for a touchdown - only one second before halftime.

Following halftime, Floydada received the kick and marched down the field to tie the score at 22-22. The Breezers were successful with an inside kick, and retained possession. They were unable to capitalize on the opportunity as the visitors scored again in the 3rd quarter and added an insurance touchdown in the fourth period.

Coach Webster named Michael Black as the defensive player of the game. Black and guard Tian Harper were named outstanding offensive players. Cited for their performances on special teams were Michael Black, Tony Diaz and Martin Suarez.

8TH GRADE
The 8th grade put together a complete game last Thursday and totally controlled the Littlefield Wildcats, by a

score of 35 to 6.

The Breezers first scored early in the second period with Richard Casillas on a 3-yard run. Mario Nunez's PAT was good with a three yard run. In the same period the Floydada team scored again on a 71-yard punt return. Casillas added the PAT with a three yard run.

The third score came with just seconds left in the first half on a 43 yard TD pass from Richard Casillas to Blake Bramlett and Jason Campbell added the PAT kick. The first half closed with a score of 23-6.

The third quarter started with a 14 yard run by Adam Peralez off the option play. PAT failed. The last score of the night came late in the third quarter with Richard Casillas' 26 yard run off the option. The PAT failed and the final score of the game was 35-6.

The coach said, "We had a great effort all around. We had total control of the ball from the beginning to the very end. The 8th graders have improved their record to 4-3-1 and have a good chance of beating Dimmitt Thursday, something that has not been done in several years in the junior high."

Recognized as offensive players of the game were Richard Casillas, Pedro Chairez, Mario Nunez, Jorge Saldana, Adam Peralez and Jason Campbell. Noted for their efforts on the defense were Pedro Chairez, Jorge Saldana, Jason Campbell, Blake Bramlett and Richard Casillas.

Simpson wins weekly contest

By Juanita Stepp
First prize for the ninth week of the annual Floyd County Hesperian-Beacon Football Contest goes to W. H. Simpson of Floydada. One of five contestants who missed eight games on the contest this weekend, Simpson selected Littlefield to win over Floydada in the tie-breaker and chose a total score of 35 points, seven points over the actual score of 28. His first place check for \$25.00 will be waiting in the Floydada office on Friday.

Second place went to Boyd Lee of Lockney who also selected Littlefield to win in the tie-breaker. He chose a total combined score of 42. This was 14 points over the correct combined score. The second place check for \$15.00 can be claimed in the Lockney Office on Friday.

Taking the third place spot this week was Sheree Cannon of Floydada. Cannon selected Floydada to win with a total combined score of 28, the actual total. Choosing Littlefield to win would have made her the first place winner. She will be able to pick up a prize check for \$10.00 at the Floydada office on Friday.

Honorable mention also goes to Irma Vasquez, Fran James, Wes Campbell, Jason Henderson, Dusty Anderson and Juan P. Martinez, all of Floydada, as well as H. G. Graham, Roman Lee Blanco, and E. M. Pyle Jr., all of Lockney. Each missed nine games this week. Fourteen entries missed 10 games on the contest this week.

CONTEST RULES
Anyone above the age of seven is eligible to submit an entry except em-

ployees of this newspaper and their immediate families living in the same household.

No mail entries will be accepted. All entries must be submitted on the official entry form printed on the Football Contest page each week. All entries must be taken to the Hesperian-Beacon Office, either at 102 W. Bryant in Lockney or 111 E. Missouri in Floydada. Each entry must be in the office no later than 5:00 p.m. on Friday of each week.

SPONSORS

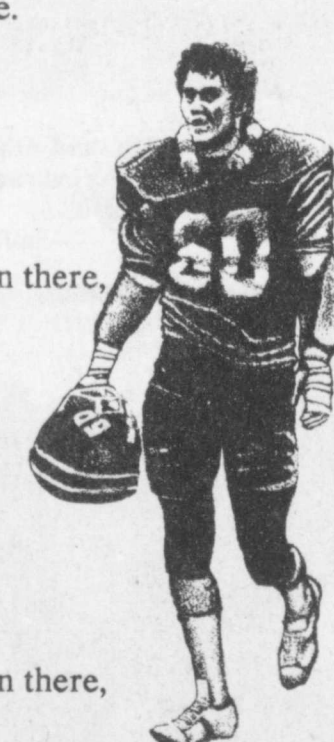

Contest sponsors are again making the contest and the prize money possible. Shopping with these sponsor businesses will let them know you appreciate their sponsorship of the local contest. Sponsors this year include Attebury Grain, Cargill Hybrid Seeds, AgEquipment Group, Lambert Spraying, Schacht's Flowers, Jewelry & Gifts, Wilson Photography, the First National Bank in Lockney & the Floydada Branch, J. Littlefield stuns Whirlwinds with game-winning field goal

By Bill Gray

FLOYDADA—The Littlefield Wildcats captured a state playoff berth and at least a share of the District 2-3A title with a shocking 15-13 come-from-behind victory over Floydada at Wester Field on October 29. The 14-point underdog Whirlwinds took the undefeated Wildcats to the limit in the losing cause, and saw their post-season hopes vanish as Littlefield's Danny Vargas connected on a 25-yard field goal with 5 seconds remaining in the game.

Field position and time of possession played important roles as the Wildcats held the ball almost nine minutes longer than Floydada. Low temperatures and 30 mph north winds contributed to a chill factor of -5 below zero at kickoff time. In spite of the adverse conditions, the Whirlwinds held the lead from early in the second quarter until Littlefield's go-ahead field goal at the end of the game. It was only the second time this season that the Wildcats trailed in a game, as they improved to 9-0 (4-0 in district play). The 'Winds fell to 4-5 overall (2-2 in 2-3A play).

Floydada faced the strong winds at the outset and managed one first down before being forced to punt against the wind. A punt of only one yard gave the visitors possession at Floydada's 43-yard line. However, the Wildcats were "three and out" and punted for a touchback into the Whirlwind end zone.

Floydada netted only one yard in its next possession and gave the Wildcats good field position on a punt of only 11 yards. Littlefield capitalized on the opportunity as tailback Rene Espinoza broke into the clear on first down from the Whirlwind 32-yard line, and raced untouched into the end zone. Vargas' kick was wide on the conversion attempt, but the Wildcats were up 6-0 at the 4:46 mark of the first stanza.

The Whirlwinds fought back with a

12-play, 80-yard drive following the ensuing kickoff. A 15-yard pass from Sammy Rodriguez to Brandon Gilliland, two fourth-down conversions, and a pass interference call against Littlefield moved the 'Winds into scoring territory early in the second quarter. On 4th-and-1 from Littlefield's 16-yard line, Rodriguez pitched to Pete Cooper on the option and the nifty junior carried across the double stripe. Rafael DeOchoa's P.A.T. was good, and the 'Winds took the 7-6 lead into the halftime locker room.

It was Littlefield's turn to battle the wind in the third period, and the 'Cats only managed one first down in their initial series. Rodriguez hit Wildcat quarterback Joey Polk just as he delivered an option pitch, the ball went to the ground, and Adam Gonzales' recovery gave Floydada possession at Littlefield's 40-yard line.

Four plays later, Rodriguez and Cooper again teamed with an option pitch for a score. Cooper was credited with the 29-yard touchdown, but DeOchoa's conversion kick hit the crossbar. Nevertheless, Floydada increased its lead to 13-6 and retained possession with a successful onside kick.

Rodriguez connected with Gilliland for a 38-yard pass-and-run to inside Littlefield's 10-yard line on third down. The ball popped loose as Gilliland hit the ground. It was judged a turnover as Justin Johnson recovered the ball at Littlefield's 8-yard line to end the Whirlwind scoring threat.

Following an exchange of punts, Littlefield mounted a 16-play, 89-yard drive that took the 'Cats into the Floydada end zone with five minutes elapsed in the final period. Espinoza carried seven consecutive times, and on his eighth attempt scored from five yards out to bring Littlefield to within a point. Espinoza received the call for a 2-point conversion to take the lead, but

Whirlwind linebacker Mike Ochoa shut down the play.

The Whirlwinds attempted to play ball-control and take as much time off the clock as possible. Rodriguez hit Ochoa with an 18-yard pass for a first down at Floydada's 41-yard line. However, a rush for no yardage and two in complete passes forced the 'Winds to give up the ball with a punt. The Wildcats took over at their own 44-yard line with a little over four minutes remaining in the contest.

A 16-yard pass from Polk to Louis Williams on first down moved the Wildcats into Floydada territory, and two plays later Justin Johnson snared a 19-yarder to give the visitors their third penetration of Floydada's 20-yard line. Polk's third-down pass to Johnson was perhaps the most important play of the evening for Littlefield as it kept alive the game-winning drive. Polk kept it on the ground the next three plays. The rougy Littlefield QB ran for 7 yards to Floydada's 9, and Espinoza carried twice to the Whirlwind 6-yard line. At that point the Wildcats called time out with 11 seconds remaining in the clock.

The Whirlwinds used delay tactics to try to rattle Littlefield by calling two consecutive timeouts. However, as the clock wound down to 5 seconds, the 25-yard attempt by Vargas was signaled "good" and the Wildcat celebration started. The Whirlwinds got their hands on the ball as Gabriel de la Fuente returned the ensuing kickoff to the Whirlwind 40 as time expired.

Littlefield will meet Tulia this Friday to determine the playoff seeds for District 2-3A. A Wildcat victory over the Hornets will give Littlefield an outright championship and the number one seeding in the playoffs. A Tulia win puts the Hornets into the first seeding and a District co-championship with the Wildcats. Tulia is assured at least a number two seeding by virtue of the Hornets' 24-19 victory over Floydada on Oct. 22. The Whirlwinds close the 1993 season at home this week against the Dimmitt Bobcats.

die-hard fans witnessed at icy Wester Field last Friday.

Floydada's loss is a bitter pill to swallow - perhaps the most disappointing setback in Dean Bates' five years as the Whirlwind boss. In spite of the painful outcome, the game was one of Floydada's finest hours. It was a gutsy game by a small bunch of gutsy young men - a game the Whirlwinds could have won, but didn't. But, it wasn't because the effort wasn't there.

This squad has represented their school with good sportsmanship and dignity all year and has given its fans a lot of excitement. An appropriate tribute to this Whirlwind team will be a full house this week as the 'Winds close-out the '93 campaign against Dimmitt. Littlefield's tailback, Rene Espinoza, gets my nod as offensive player of the game for his two-touchdown and 128-yard rushing effort. Offensive play of the game was not the winning field goal by Vargas, but the 19-yard Polk-to-Johnson pass which kept alive the winning drive.

My nod for defensive player of the game again goes to Adam Gonzales. He played a whale of a game under the most adverse conditions. Defensive play of the game - in

my opinion - goes to the judgement call on Jed's fumble. It was THE difference in the ballgame.

In my BIASED opinion, the ball should have been ruled dead following the tackle with the end result a Floydada 1st-down-and-goal at the 9-yard line (and leading 13-6). It wasn't the first time this year that a judgement call had a bearing on the final outcome.

The 'Winds should close with a win over Dimmitt and finish at 5-5 for the year. A couple of different "judgements" and the year could have easily been 9-1 or even 8-2.

Good luck to Lockney as they attempt to secure a playoff berth against Springlake-Earth. The 'Horns have had a good year, and came close to having a successful one, but I can't see them topping the Wolverines.

Oh yes, one last hurrah for Texas Tech in their rare 31-22 victory over those "BURNT ORANGE" 'Horns in Austin!

Littlefield JV tops FHS JV, 20-6

By Bill Gray

FLOYDADA—The Whirlwind JV traveled to Littlefield on Oct. 28 and were upended by the young 'Cats 20-6. Named as outstanding offensive play-

ers by the coaches were Michael Molinar, Monty Anderson and Peter Luna. Defensive players of the game for Floydada were Michael Mercado, Tomas Barrientos and Chad Hinsley. Floydada's junior varsity closes its season this week at Dimmitt.

Coaches Comments

By Dean Bates

An outstanding high school football game was played last Friday under adverse weather conditions. Both teams played well and Littlefield was able to pull out the win late in the game.

Our players went over there to win the game and our effort was good and we are proud of that.

Dimmitt is our last game of the year and they have some outstanding players. They have not had a lot of success, but have begun to play well, so we must prepare for another tough game.

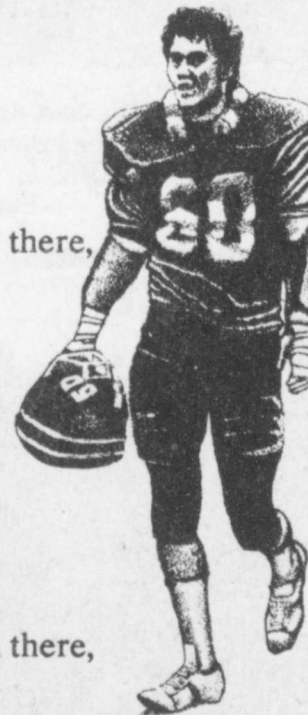

These 'Winds deserve your support as we try to finish the season on a winning note. See you at the game!

BILL'S NOTES

Regardless of the level of play - from the Pop Warner, Pee Wee and school boy leagues through collegiate and the big-buck boys who play on Sundays - one will not see a more dramatic finish than what a few dozen

Simpson wins weekly contest

By Juanita Stepp

First prize for the ninth week of the annual Floyd County Hesperian-Beacon Football Contest goes to W. H. Simpson of Floydada. One of five contestants who missed eight games on the contest this weekend, Simpson selected Littlefield to win over Floydada in the tie-breaker and chose a total score of 35 points, seven points over the actual score of 28. His first place check for \$25.00 will be waiting in the Floydada office on Friday.

Second place went to Boyd Lee of Lockney who also selected Littlefield to win in the tie-breaker. He chose a total combined score of 42. This was 14 points over the correct combined score. The second place check for \$15.00 can be claimed in the Lockney Office on Friday.

Taking the third place spot this week was Sherree Cannon of Floydada. Cannon selected Floydada to win with a total combined score of 28, the actual total. Choosing Littlefield to win would have made her the first place winner. She will be able to pick up a prize check for \$10.00 at the Floydada office on Friday.

Honorable mention also goes to Irma Vasquez, Fran James, Wes Campbell, Jason Henderson, Dusty Anderson and Juan P. Martinez, all of Floydada, as well as H. G. Graham, Roman Lee Blanco, and E. M. Pyle Jr., all of Lockney. Each missed nine games this week. Fourteen entries missed 10 games on the contest this week.

CONTEST RULES

Anyone above the age of seven is eligible to submit an entry except em-

ployees of this newspaper and their immediate families living in the same household.

No mail entries will be accepted. All entries must be submitted on the official entry form printed on the Football Contest page each week. All entries must be taken to the Hesperian-Beacon Office, either at 102 W. Bryant in Lockney or 111 E. Missouri in Floydada. Each entry must be in the office no later than 5:00 p.m. on Friday of each week.

Girl scouts seeking members

FLOYDADA—The Floydada Girl Scouts are trying to get their troops going again this year. They are needing all interested girls to help them get started. They have the leaders ready and waiting. The leaders are desperate and need your help.

As of now there is only one kindergarten girl signed up. They need more five-year-olds to help get a troop started. There are eight first grade girls that are meeting on Thursday's after school with Debra Graham. If there are any more first graders who want to join, contact Debra at 983-5515.

There are four second and third graders that need more girls to join them. These girls can contact Susan Kirk or Elizabeth Sims.

One girl has signed up at Andrews

Elementary. Any 4th, 5th or 6th grade girls interested may sign up after school on Thursday in the school cafeteria. If you are unable to sign up at this time, contact Elizabeth Sims at 983-2256.

Judy Schacht is in charge of the junior or high age girls, so anyone in this age

group who is interested may contact her.

There will be another sign-up day after school Tuesday at Duncan Elementary for all ages. If you are interested in Girl Scouts come by and sign up or call Elizabeth Sims to be placed in a troop.

Never Before Like '94

By Melissa Faulkenberry
FLOYDADA—Tony Hernandez is this week's Senior spotlight focus. Tony was born May 25, 1975. He is the son of Rita Hernandez of Floydada and has one brother by the name of Aaron James Hernandez.

Tony, who has attended Floydada schools for 13 years, participates in football and Theater Arts. He works year round and in the summer is a roofer. During the school year he works at Lowe's grocery store.

Tony's favorites include: TV show, "Roseanne"; movie, "Beverly Hillsbillies"; book, "To Kill A Mockingbird"; color, fuchsia; subject in school, English; food, pizza; comic book, "X-Man" and song, "What's It To You." He likes listening to good country music as one of his pastimes. If he had the opportunity to take a vacation trip he would go to South Padre Island, but when asked what country he would like to travel to, he replied that "I would choose to go to France and take Vivian, my girlfriend, with me."

He stated that, "I admire Miss Ritchey (English IV teacher) the most and if I could meet any famous person it would be Dolly Parton."

Tony collects stamps in his spare time and a Lamborgine would please him

the most. In the future, Tony plans to "go to college (A&M University), marry someday and raise a family. When asked what he liked best about Floydada, he replied that he likes the students. However, if Tony could change anything about our school, it would have to be the racism that goes on.

As a conclusion on this week's spotlight, I would like to wish Tony the best of luck this year and in the future!

PUNKIN DAY PUNKIN TOSS

Fumbles freeze red hot Horns

by Scooter Cassler
Old Man Winter's first wintry blast of the year and a fumble-plagued offense combined to cool the previously volcanic Lockney Longhorn wishbone attack, allowing the Shallowater Mustangs to capitalize on five fumble recoveries to ice the 'Horns 21-7 Friday at Mitchell-Zimmerman Field.

Lockney's final home stand of the 1993 season proved a strong test of even the most stalwart of fans, as temperatures dipped into the teens, the north-born "Arctic Express" drove snow flurries across the field, winds gusting strongly, and five of the Mustangs possessions began in Lockney territory.

The Longhorns initial possession of the contest began at the Lockney 19-yard line following a 17-yard kickoff return by Phineas Riddley. The drive promised great things to come, covering 59 yards and 7 minutes and 30 seconds of the first quarter, only to stall on the first Longhorn turnover of the game at the Mustangs 22-yard line. Eight plays and a controversial Lockney pass interference call later, Shallowater punted to the 'Horns 21-yard line. Leo Vargas' first punt of the game into a gusting wind yielded only ten yards. Six plays later tailback Aaron Brown capped the 32-yard drive with a 13-yard plunge into the endzone for the Mustang's first score. Brown's PAT kick made the score 7-0 with 10:44 left in the half. A dead-ball foul (roughing the kicker) would be penalized on the ensuing kickoff.

A fumble of the kickoff forced the 'Horns defense back onto the field with their backs to the wall. Despite regaining possession at the Lockney 22-yard line, the Mustangs were able to capitalize on this field position. Despite a 13-yard completion from Hartman to David Long, a Riddley knockdown of another Hartman pass attempt denied an easy touchdown. Aaron Brown's field goal attempt was blocked and recovered at the 10-yard line by Longhorn Carlos Raisseze.

The 'Horns offense continued to roll up first downs on the next possession, needing only two plays, runs by Riddley leading rusher of the game, and Patrick Monroe. Vargas' punt three plays later covered 44 yards from the Lockney 10-yard line. Monroe's recovery of a Shallowater fumble regained possession at the Mustang 36-yard line. The 'Horns came up short here, however, as a

fumble two plays later resulted in a Shallowater return of 16 yards to the Lockney 49.

Shallowater's next possession garnered another first down, then fizzled out due to an illegal block penalty and a pressure and sack of Hartman by David Luna. Lockney's following possession went "three and out", including a delay of game penalty. Vargas' punt covered 41 yards, setting Shallowater back to their own 28. After two consecutive first downs, defensive end Michael Durham ended the half with a sack of quarterback Hartman. Score 7-0; Shallowater.

Returning to the field after halftime, the kickoff by Shallowater came in snow flurries. The kick return by Tanner Johnson covered 16 yards, setting the 'Horns up at their own 20-yard line. One penalty and "three and out" forced a Longhorn punt into the wind and returned possession to the Mustangs at the Lockney 33. The eighth play of the drive yielded a 1-yard touchdown plunge by quarterback Hartman. Aaron Brown's PAT kick made the score 14-0; Shallowater.

Johnson's kickoff return of 18 yards brought the ball to the Lockney 47. After Riddley gained 13 yards and a first down, Shallowater regained possession by covering a Lockney fumble at the 40-yard line. Shallowater failed to capitalize, however, going "three and out" and punting to the Lockney 7-yard line. After "going for it" on 4th down at their own 15-yard line, David Luna's 5-yard run gave the 'Horns another first down at the 20. An offside penalty and a fumble recovery at the 17 gave Shallowater what seemed to be an easy scoring opportunity. The Longhorn defense denied the score and forced a 24-yard field goal attempt by Brown, which was wide of the goalposts.

After this goaline stand, the 'Horns began a 17-play drive that covered 77 yards and nearly 7 minutes of the clock. After the first play of the drive, the end of the third quarter saw this score: Shallowater 17, Lockney 7.

The fourth quarter drive pushed the ball down the field for 4 first downs and a penetration of the opposing 20-yard line. A fourth down pass attempt by Johnson was sucked behind the line, giving Shallowater the ball at their own 9-yard line. After "three and out" and a forced punt, the 'Horns regained possession at the Mustang 40-yard line and

mounted their lone scoring drive of the night.

The scoring drive, which covered 40 yards, included runs by Riddley, Johnson, Lalo Chavira and Luna's 10-yard scoring run with 1:26 left in the game. Monroe's PAT kick made the score 1-7, Shallowater.

Lockney's onside kick was recovered by Shallowater at their own 43, and the third play of the possession yielded a 49-yard touchdown run by Aaron Brown. Brown's PAT made the score 21-7 with one minute left. The final Longhorn possession covered 56 yards in the final sixty seconds, only to run out of time at the Mustang 13. This drive included 44 yards on 4 carries by Phineas Riddley. Final score: Shallowater 21; Lockney 7.

Next up: Springlake-Earth, Friday, 7:30 p.m., at the Springlake-Earth Football Field. Come out and support your Longhorns as they travel to Earth to knock the Wolverines out of the playoffs! See you at the game!!

Longhorns: Conceive-Believe-Achieve!! When the mind conceives a goal or a dream; when the heart believes in the dream; the body can achieve anything the mind conceive. We are all behind you; we believe in you; Just Do It!!

Seventh grade loses to Olton

By Scooter Cassler
In a Lockney home game, October 21, Olton's 7th grade Mustangs scored on the first play from scrimmage on a 55-yard touchdown run and missed the PAT attempt, making the score 6-0 at the end of the first quarter.

After an exchange of possessions, neither team mounted a scoring threat before the half.

Lockney's first possession of the half yielded a turnover, giving the Mustangs excellent field position. Four plays later, the Mustangs scored from 8 yards out. The PAT attempt was no good making the score 12-0. The final score of the game came late in the third quarter as Lockney's Thad Lusk scored on a 65-yard pass play from Brett McQuhae. Final score: Olton 12, Lockney 6.

LOCKNEY TIES SHALLOWATER

In a great display of courage, October 28, Lockney's 7th grade gridders lined up against Shallowater's Mustangs with only 10 players and battled to a 6-6 tie. Due to injury and illness, only 10 were available for the game.

Scoring occurred in the first half, as Shallowater score in the first quarter and Lockney in the second. Matthew Lerma's pass interception at 2:33 of the 2nd quarter set up a 72-yard touchdown run by Chris Rodriguez evened the score at 6-6 at halftime.

Despite controlling the ball all but 33 seconds of the 3rd quarter, the 'Horns were unable to score again. Great defensive play, including fumble recoveries by Abel Rosales and Thad Lusk, denied the Mustang offense the final quarter. Final score: Shallowater 6, Lockney 6. Great job, 7th graders!

Math/Science team vies at invitational

LOCKNEY — The Lockney Math/Science team attended the Seminole Invitational meet on Saturday, October 30th. The Calculator Team placed 4th overall.

Jered Glasson placed 7th in Number Sense. In Calculator Carlos Perales tied for 3rd, Jared Mosley placed 4th and Max Green placed 5th.

In Math Jared Mosley placed 9th and in Science he placed 7th. Federico Cervantes placed 9th in Science.

All students competed against other students in their grade level. Other students competing on Saturday were Mark Terrell and Rowdy Boggs.

LaDora Auffer is the sponsor of the Math/Science Team and accompanied the group to Seminole.

Students from twelve small schools (A, AA, AAA) participated.

IT'S UP TO YOU NOW--Tanner Johnson (11) passes off to Lalo Chavira (21) just as he is about to be tackled. The Longhorns played Shallowater in their last home game of the season and the score was as cold as the players and fans. The game against Springlake-Earth on Friday night will be the last district game of the season. Staff Photo

8th grade Shorthorns continue winning streak

By Scooter Cassler
The 8th grade Shorthorn offense displayed its strength once again in a 36-6 victory over the Olton Mustangs, October 21.

The Shorthorns jumped out to an early lead on their initial possession of the game as Devon Phillips scampered 30 yards to the endzone. Clyde Walker's PAT attempt lifted the early score to 8-0. The very next possession also yielded a score as Walker blasted in from five yards out.

Tyson McDonald's PAT attempt was unsuccessful, making the score 14-0 at quarter. The second quarter saw no scoring threats and the score remained 14-0 at the half.

Once again, the Shorthorn offense struck early to open the second half. On the fifth play of the possession, Adam Cummings found David Hernandez on a 31-yard scoring pass. Phillip's PAT attempt raised the score to 22-0.

After regaining the ball again, Max Ramirez' 25 yard run penetrated Mustang territory where three plays later, Carson Johnson found Hernandez for an 8-yard scoring strike. Cummings' PAT run made the score 30-0.

Willie Luna's 30-yard TD run at 6:50 of the 4th quarter finished Lockney's scoring for the night at 36-0. Olton's running back Mike Sandoval rounded out all scoring for the game at 5:16 of the

quarter with 50 yard scoring run. Final score: Lockney 36, Olton 6.

LOCKNEY SLIPS BY SHALLOWATER

In a very exciting hard-hitting contest, Lockney's 8th grade slipped by Shallowater 6-0.

In a very physical turnover-free first half (only one turnover), neither offense was able to penetrate the goalline, leaving both teams scoreless at halftime.

The third quarter reversed this trend, as a fumble and two penalties thwarted any offensive drive mounted by either team. Third quarter score: 0-0.

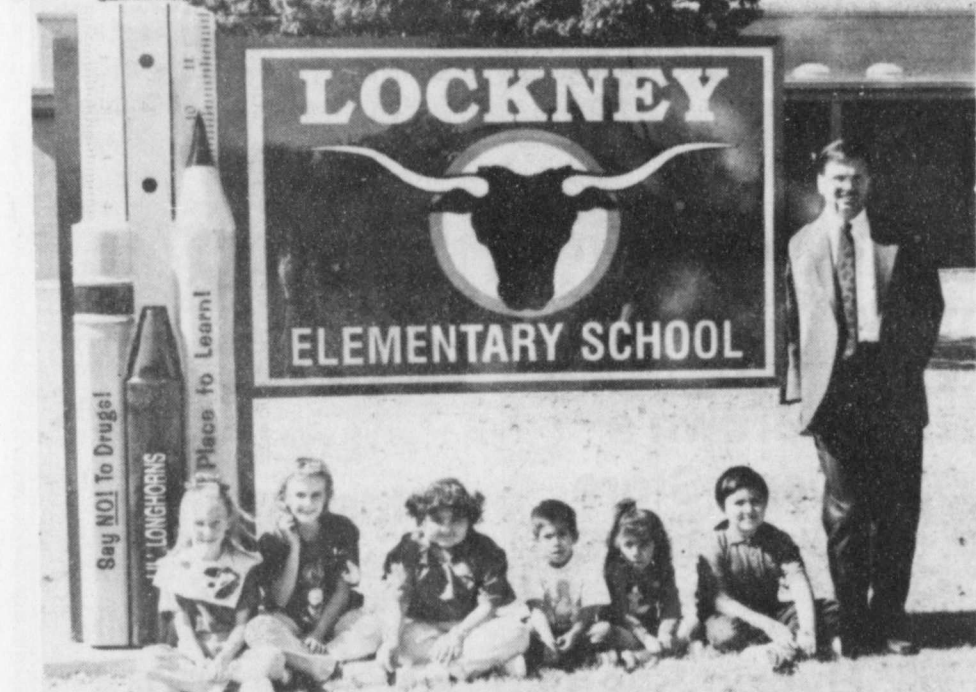

The final stanza saw scoring threats by both teams. Lockney scored on the tenth play of the drive on a 4-yard plunge by Devon Phillips. The PAT attempt was unsuccessful: 6-0, Lockney.

The Mustang drive was denied in Lockney territory with 1:11 left, returning the ball to the 'Horns, who merely downed the ball to insure the 6-0 win.

Hey Longhorn Fans!!

This week is the biggest game of the season...our play-off chance is at stake. And for this the Longhorn team needs all the support of the community.

Friday is final game in regular season. The pep rally, which will recognize all the seniors, will be around 3 p.m. in the high school gym. The game will begin at 7:30 p.m. at Springlake-Earth.

The guys need everyone's support on Friday night. It is a very important game and we hope all of you can make it. We also ask that everyone drive safely to and from the game.

Evangelist to speak to Primera Mision Bautista in Floydada

Minh Nguyen, formerly of Vietnam, has quite a story to tell to anyone who will come to listen to his testimony, Sunday Nov. 5, at Primera Mision Bautista in Floydada.

Nguyen will tell the story of his upbringing in a buddist family. According to Nguyen, his grandmother is a white witch and three of his uncles were opium addicts. In his testimony Nguyen tells of his mother who was drug dealer and his life of crime.

"I did time in California and Texas prisons," says Nguyen. His felony record includes assault with a deadly

weapon, cocaine possession, auto theft, shop lifting, check fraud and robbery. "I was involved with drugs at the age of 16 and overdosed on cocaine."

Nguyen will testify how sin destroyed his family, friends and himself. "I was physically, emotionally, mentally and spiritually dead. I am now a born again Christian and an evangelist for God."

Nguyen will speak at the 11:00 a.m. service and will be joined by four Wayland Baptist University students who will present special music.

Primera Mision Bautista is located at 400 W. Kentucky in Floydada.

Cemetery Association seeking donations

FLOYDADA—The Board of Directors for the Floydada Cemetery Association are currently seeking donations for the upkeep of the cemetery.

The directors are in the process of straightening monuments, and have already done a considerable number this year. The directors would like to continue this program and any monetary

help that can be given would be greatly appreciated.

Donations for the Floydada Cemetery Association are sought one time annually. Contributions can be made to the First National Bank of Floydada, or Moore-Rose-White Funeral Home in Floydada.

Lyme disease danger for hunters

By David Kostroun
Extension Agent-Entomology (PM)
Crosby/Floyd Counties

Now that Texas hunting season has begun, a succession of seasons including dove, duck and deer will send many hunters into the woods. And with the number of cases of Lyme disease increasing, hunters need to take extra precautions to avoid ticks this season.

While Lyme disease is a preventable disease, the number of cases in Texas have doubled in the last year. The primary transmitter of the disease is still the deer tick and the black-legged or lone star tick. While peak exposure is during the summer when everyone seems to be outdoors, hunters are susceptible during the fall months.

Lyme disease patients respond to antibiotic treatments of tetracyclines and certain penicillins, especially when the disease is diagnosed early. However, left undiagnosed and untreated it can become extremely debilitating, affecting the joints, nervous system and heart. Preventive measures such as avoiding tick bites and getting an early diagnosis are important.

Lyme disease in humans is often called a "great imitator" because of its ability to mimic a wide variety of illnesses including influenza, arthritis, syphilis, multiple sclerosis and Alzheimer's disease. People living in or visiting Lyme disease endemic areas, who are bitten by ticks, are advised to watch for symptoms of the disease. Early symptoms of the disease include a characteristic red bull's eye rash and/or flu like symptoms. Later symptoms are usually seen as arthritis of the knees, hips, and ankles, meningitis, and other neurological problems such as numbness, tingling in the extremities, and loss of concentration and memory.

When in habitats likely to be infested with ticks, certain precautions can be taken to avoid tick bites. There is no reason for panic if you are bitten. Contracting Lyme disease from a tick bite depends on whether or not that tick was a carrier of the infectious agent and on how long the tick had been feeding on you.

Because the movement and bites of ticks are seldom felt, careful and frequent examination of the body and clothing is imperative. To obtain some degree of protection against ticks and make their detection easier, wear light-colored clothing, a long-sleeved shirt, trousers and socks. Keep clothing buttoned, shirttail inside trousers and trouser legs inside tops of socks. A ring of

masking tape with the sticky side out placed around the tops of boots or shoes will often trap ticks that are ascending to look for an attachment site. Repellents and insecticides can also be effective in preventing tick bites if properly used in accordance with label directions.

Researchers don't think Lyme disease can be transmitted during deer processing, but hunters should practice certain safety procedures anyway.

When hunters return to their homes or cabins, they should always check their clothing, their bodies, and their hunting dogs for ticks and remove them promptly. Live ticks can be submitted

for examination to determine the presence of Lyme spirochetes. Contact the Texas Department of Health, Bureau of Laboratories, (512) 458-7605, for information on collection and shipping.

County Pest Management to continue soil sampling project

By David Kostroun
Extension Agent-Entomology (PM)
Crosby/Floyd Counties

During the last three winters, a pilot soil sampling project has been conducted under the direction of the Crosby-Floyd Pest Management Committee. At the October 7 meeting a decision was made to continue this project during the 1993-94 off-season.

The purpose of the soil sampling program is to increase the scope and visibility of the Crosby-Floyd IPM program, increase net profits for participating producers, reduce unnecessary or excess application of inorganic fertilizers, thus reducing the chances of ground water contamination, and to reduce pest problems indirectly related to fertility imbalances. As the scouting program demonstrates the value of regular scouting, this soil sampling project is an educational effort designed to demonstrate the value of quality soil testing.

This year, the soil sampling project is being offered to producers that had enrolled acres in the 1993 scouting program as well as any producer in Crosby and Floyd Counties. This project is structured similarly to the scouting program. Participating producers will pay a per sample fee, which will be appropriated through Texas Pest Management Association (TPMA) to hire employees to take the soil samples.

A soil sample will consist of a composite of 10 to 25 core samples, pulled randomly throughout the field to a depth of 12 inches. We suggest then an aver-

age soil sample should represent a 40 to 50 acre area, and should not represent more than 100 acres. Samples will be processed at the Texas A&M Soil Sampling Laboratory at Lubbock.

The cost of the program was set at the October 7 Pest Management Committee Meeting. The cost will remain the same as last year's rate of: a flat fee of \$25 per sample. This includes the \$14 required for lab analysis, including micronutrients (pH, N, P, K, Ca, Mg, Na, S, Salinity, Zn, Fe, Cu, and Mn). Participants will be provided with soil test reports, and the Extension Agent-Ento (PM) will receive a copy as well. Producers may call and ask for assistance with interpretation of the report if necessary.

The \$25 per sample fee includes the cost for lab analysis, scout wages, travel costs, and equipment. This may initially sound expensive, but one should consider that, with the exception of water, money spent on fertilizer will yield the

highest return per invested capitol of any input. Studies have shown that soil sampling is a good investment whether one leases or owns. Remember too that the results of a soil test are only as good as the quality of the sample that was taken to provide representation of any particular field.

The program will be run on a first-come first-serve basis. If you are interested in participating in this soil sampling project, or if you need more information, please contact the extension office at 806/675-2426.

Texas Farm Bureau to review variety of policy resolutions

The 41-member Texas Farm Bureau Resolutions Committee will meet Nov. 8-10 at the TFB offices, according to Glen Jones, director of TFB Research, Education and Policy Development.

The Resolutions Committee reviews state and national resolutions submitted by county Farm Bureaus. The 41 person committee consolidates by subject matter and prepares resolutions for consideration by voting delegates at the 60th annual TFB convention, Nov. 28-Dec. 1, at San Antonio.

State resolutions adopted at San Antonio will become policy for TFB members during 1994. National resolutions approved at the TFB convention will be forwarded to the American Farm Bureau Federation for consideration at the 75th annual AFBF meeting in January at Fort Lauderdale, Fla. Those pro-

posals adopted will become policy for all state Farm Bureaus in 1994.

"We anticipate a number of resolutions pertaining to property rights, education, taxation, the environment and the farm program," Jones said.

TFB Vice President Bob Stallman of Columbus will serve as the committee chairman. State Directors Aubrey Rasor of Gruver and Stephen Vance of Texarkana, will serve as committee vice president and secretary respectively.

Tim Addison of Plains, chairman of the TFB Young Farmers and Ranchers Advisory Committee and District 2 directors, John Quebe of Lockney (Floyd County), Keith Wied of Wilson (Lynn County); and Weldon Melton of Plainview (Hale County), will also serve on the committee along with directors from other districts around the state.

PUMPKIN AUCTION--Auctioneers Tim Assiter (holding basket) and Larry Ogden (with microphone) put a lot of style into their sales technique during a lunchtime Punkin Day Auction, on Saturday. Several items donated by local merchants and a quilted wall hanging donated by the Keeping You In Stitches Quilting Club were auctioned off.

Cotton growers hear status of High Plains crop

By Shawn Wade
LUBBOCK — A broad sampling of the U.S. cotton industry met in Lubbock October 21 at the annual West Texas Flow/Marketing meeting sponsored by the Texas Cotton Association. Lubbock based Plains Cotton Growers reported that 200 estimated attended were provided a status report on the High Plains crop by Dr. Kater Hake, Extension Cotton Specialist from Lubbock. They also heard a report on U.S. and world cotton situations from Russell Barlowe, chairman of the USDA's Interagency Cotton Estimates Committee.

Hake confirmed the high quality and yield of the 1993 High Plains crop and noted that virtually non-existent disease and insect pressure early in the season allowed the area crop to make remarkable use of ideal weather and overcome some adversity during the remainder of the growing season. Hake estimated that approximately 1.2 million bales have been harvested so far.

Overall Hake rated the quality of the 1993 crop as good to excellent. Eighty percent of the cotton graded in Lubbock has received color grades of 21 or better. It was noted that there is an excellent opportunity for High Plains Cotton to take the place of cotton normally purchased from other growing regions in southeastern mills because of its high quality.

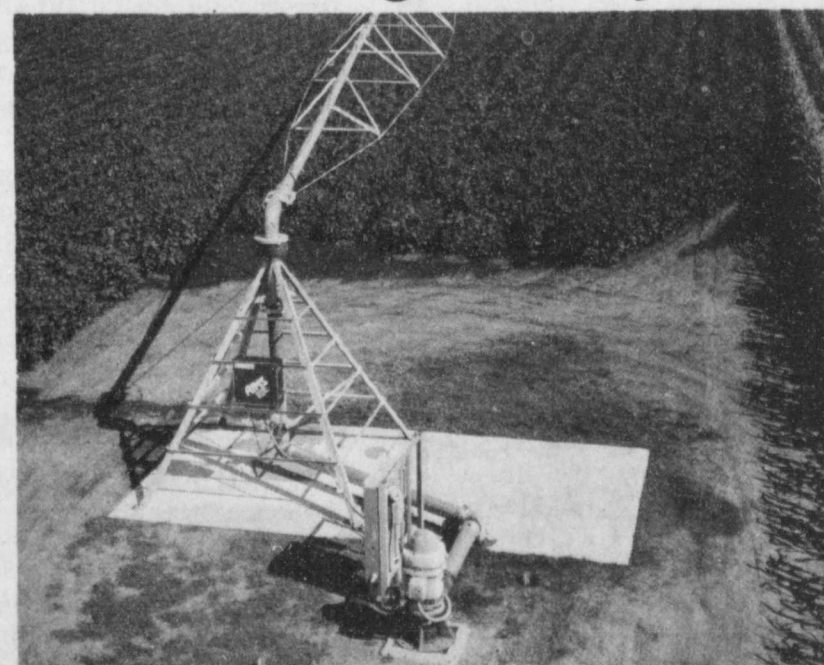

"This year's crop is definitely opening some doors for producers in our area," says PCG executive vice-president Donald Johnson. "It should help get across what producers here on the High Plains have known for some time now, that the High Plains of Texas is now the place to find quality cotton."

Barlowe discussed a variety of issues including the 1994 Acreage Reduction Program (ARP), noting that a recommendation has been forwarded to the Secretary of Agriculture. He added that the 1994 ARP percentage would be announced by November 1.

Barlowe also discussed the world cotton situation, noting that several countries hinted that the current U.S. cotton program was responsible for depressed world prices. He added that this belief persists despite the fact U.S. cotton is not currently among the five lowest price quotes for delivery in northern Europe.

Texas-Korea beef trade likely

The next major trading partner for Texas beef producers may be the Republic of Korea, says Texas beef industry leader Harlan Huffman of McGregor.

Huffman, a Texas rancher and farmer, was one of four directors of the Texas Beef Council (TBC) who recently returned from six days of meetings with representatives of Korean "super-groups" that handles sales of imported beef.

The Texas team evaluated the potential for beef trade between Korea and Texas under a new beef merchandising arrangement that became effective June 26, 1993.

A major provision of the new agreement, Huffman says, is a Simultaneous Buy-Sell (SBS) system. SBS allow U.S. marketers to deal directly with end users—restaurants, hotels and supermarkets—for 10 percent of the imported beef Korea will buy in 1993. The SBS portion will increase an additional 10 percent annually until full liberalization of the Korean market occurs in 1997. Before this agreement, the Korean government and livestock groups controlled access to that country's beef markets.

Huffman says the new terms on market access will greatly increase opportunities for exports to Korea from major cattle-producing states like Texas. By 2000, Korea's beef purchases could propel that country into second place among U.S. customers.

To reach the Korean market, Huffman says, U.S. beef producers will have to battle for market share with Australia and New Zealand. These two countries also have signed beef agreements with Korea. At present, they share two-thirds

of the Korean market compared to the one-third share held by the U.S. However, Australian and New Zealand beef is produced mostly on grass. The average Korean meat buyer perceives that product as lower in quality than grain-fed U.S. beef.

Huffman said USMEF's goal is to build real demand for U.S. beef through Korean private sector users and consumers. That should benefit the Texas beef industry as it sells to a growing market that desires the leaner beef Texas producers excel in producing.

Before returning to the U.S., Huffman and the Texas trade team members also met with beef importers on the island of Taiwan. Huffman says the Taiwanese market also offers great opportunity.

LEGAL NOTICES

PUBLIC NOTICE

City of Floydada will be receiving applications from construction contractors to participate in a program for housing rehabilitation assistance, funded by HOME Investment Partnership Program through the Texas Department of Housing and Community Affairs.

Contractors will be required to submit, along with the application, their qualifications, references, certificate of insurance and a credit report. Applications may be obtained upon request from the City Secretary, City of Floydada, P. O. Box 10, Floydada, Texas 79235-0010. (806) 983-2834. Applications will be accepted until 5:00 P. M. on November 30, 1993, at the City Hall, 114 West Virginia Street in Floydada, Texas.

THE CITY OF FLOYDADA IS AN AFFIRMATIVE ACTION/EQUAL OPPORTUNITY EMPLOYER.

Hulon Carthel, Mayor
City of Floydada

PUBLIC NOTICE

NOTICE TO PUBLIC OF REQUEST FOR RELEASE OF FUNDS

City of Floydada
P. O. Box 10
Floydada, Texas 79235-0010
(806) 983-2834

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

On or about November 15, 1993, the above-named City of Floydada will request the Texas Department of Housing and Community Affairs to release Federal funds under the Title II of the National Affordable Housing Act of 1990, to be used for the following project:

ACTIVITY HOME INVESTMENT PARTNERSHIP PROGRAM

Owner Occupied Housing Rehabilitation Contract No. 532237

Project to be located in the city limits of Floydada, Floyd County, Texas. A more detailed description of the project and a map showing the specific locations of the proposed improvements is available for public examination at City Hall, 114 West Virginia Street.

An Environmental Review Record respecting the within project has been made by the above-named City of Floydada, which documents the environmental review status of the project. The Environmental Review Record is on file at the above address and is available for public examination and copying upon request.

Release of Funds

The City of Floydada will undertake the project described above with HOME Investment Partnership funds from the Texas Department of Housing and Community Affairs under Title II of the National Affordable Housing Act.

The City of Floydada is certifying to TDHCA that the City of Floydada and Hulon Carthel, in his official capacity as Mayor, consent to accept the jurisdiction of the federal courts if an action is brought to enforce responsibilities in relation to environmental assessments, decision making, and action; and that these responsibilities have been satisfied. The legal effect of certification is that, upon its approval, the City of Floydada may use the Home Investment Partnership Program funds and TDHCA will have satisfied its responsibilities under the National Environmental Policy Act of 1969.

Objections to State Release of Funds

Texas Department of Housing and Community Affairs will accept an objection to its approval only if it is on one of the following bases: (a) that the certification was not in fact executed by the certifying officer or other officer of applicant approved by TDHCA; or (b) that applicant's environmental review record for the project indicated omission of a required decision finding or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58.75) and may be addressed to Home Investment Partnership Program, Texas Department of Housing and Community Affairs, P. O. Box 13941, Austin, Texas 78711-3491.

Objections to the release of funds on a basis other than those stated above will not be considered by TDHCA. No objection received after November 30, 1993, will be considered by TDHCA. The Chief Executive Officer of the City of Floydada is Hulon Carthel, Mayor.
