## County delays hiring deputy

By Juanita Stepp

Floyd County Sheriff Charlie Overstreet met with the commissioners court during the regular November session to request permission to advertise for a deputy to replace Kyle Adams who recently resigned. Commissioners were reluctant to agree and asked that the sheriff's department try operating with only three deputies for the next month or so.

County Judge Bill Hardin asked that the department present the monthly log detailing all calls and assignments for the deputies during the month at the December session. Overstreet was also asked to include a list of all court appearances and special assignments performed by the department during the month.

This documentation would allow the court to see how work time is being utilized and how much overtime would be accumulated with the reduced number of deputies. According to Jon White, a deputy attending the Monday morning session, the draw back will be in taking time off. The resignation of Adams leaves the department with no one to cover for comp time and regular time off.

Under the current schedule with one sheriff and three deputies, the sheriff begins taking calls at 6:00 a.m. and serves as backup at any time needed. He is also filling in as jailer and dispatcher when needed. One deputy is on duty from 8 a.m. to 5 p.m. (usually the deputy assigned to Lockney), one deputy is on duty from 10 a.m. to 7 p.m. and the third deputy is on duty from 4 p.m. to 1 a.m. through the week and until 2 a.m. on Friday and Saturday. That deputy is also on call each night after 1 or 2 a.m. According to Overstreet, no county officers are regularly on duty from 2 a.m. until 6 a.m. but one is on call if needed.

County treasurer Glenna Orman presented her monthly report stating that the county began the month of October with \$176,698.66 and took in receipts of \$352,649.50. Disbursements totaled \$260,393.94, leaving \$268,954.22 in county accounts as of October 31. Orman also reported certificates of deposit totaling \$130,000.00 in the name of Precinct #3 and interest from certificates earned to date at \$1,256.55. Farm work contracts were approved for seven individuals and one was voided on a motion by Precinct 4 Commissioner Howard Bishop and seconded by Precinct 2 Commissioner Floyd Jackson. The first contract, for L. D. Smith in Precinct 1, was approved pending payment on two previous contracts still on the account books. Smith asked that a railroad right-of-way be returned to cultivation for soil conserva-

tion purposes at a location one mile south of Barwise.

Precinct 2 had two contracts, the first from Floyd Jackson by Aaron Wilson for returning a railroad right-of-way to cultivation for soil conservation at a site 2 miles south and 1 1/2 miles west of Lockney and the second for Paul Schacht 2 miles west of Lockney on the south side of U.S. 70 to clean up old improvements and return land to cultivation.

Precinct 3 had only one contract. Mark Sanders requested the leveling of a former railroad right-of-way to return land to cultivation for soil conservation.

Precinct 4 had one request for working a feed road for James Cage at a location 14 miles east, 3 miles west and 2 miles east of Floydada. A request for repairing washes in a ranch road came from Mark Wason by Mrs. Billy Wason. The request cited soil conservation and stated a location 8 miles northeast of Dougherty. The final request came from Clarence Guffee 6 miles east and 2 miles north of Floydada to clean a waterway.

Contract #1317 in Precinct 2 was voided. The contract request originally came from Bill Thompson and was

approved by the court on June 7, 1993.

Precinct 1 Commissioner Connie Bearden also asked that the charges be waived on a contract for J. R. Turner in return for road materials he donated to the county. The request was approved.

... The commissioners examined and approved for payment all properly presented accounts for the month.

... Two budget amendments were approved to enable payment of all accounts and the transfer of \$10,000.00 from road and bridge funds to each of the four precincts was authorized.

... Monthly reports of fines and fees collected were reviewed by the court. Reports were received from the district clerk, the county clerk, the two justices of the peace and the tax assessor/collector.

... Election returns from the November 2 constitutional amendment voting were reviewed and accepted as correct as reported.

... A motion by Bearden, seconded by Bishop, was passed unanimously rejecting the NTS proposal for long distance telephone service. The county will remain with the current service from Valuline.

... Precinct 3 Commissioner George Taylor made a motion to approve leasing space in central Precinct 3 from Ed Harmon to serve as an equipment yard. The motion was seconded by Bearden and approved by unanimous vote.

### Veterans Day

## Pause and Remember

By Ken Towery

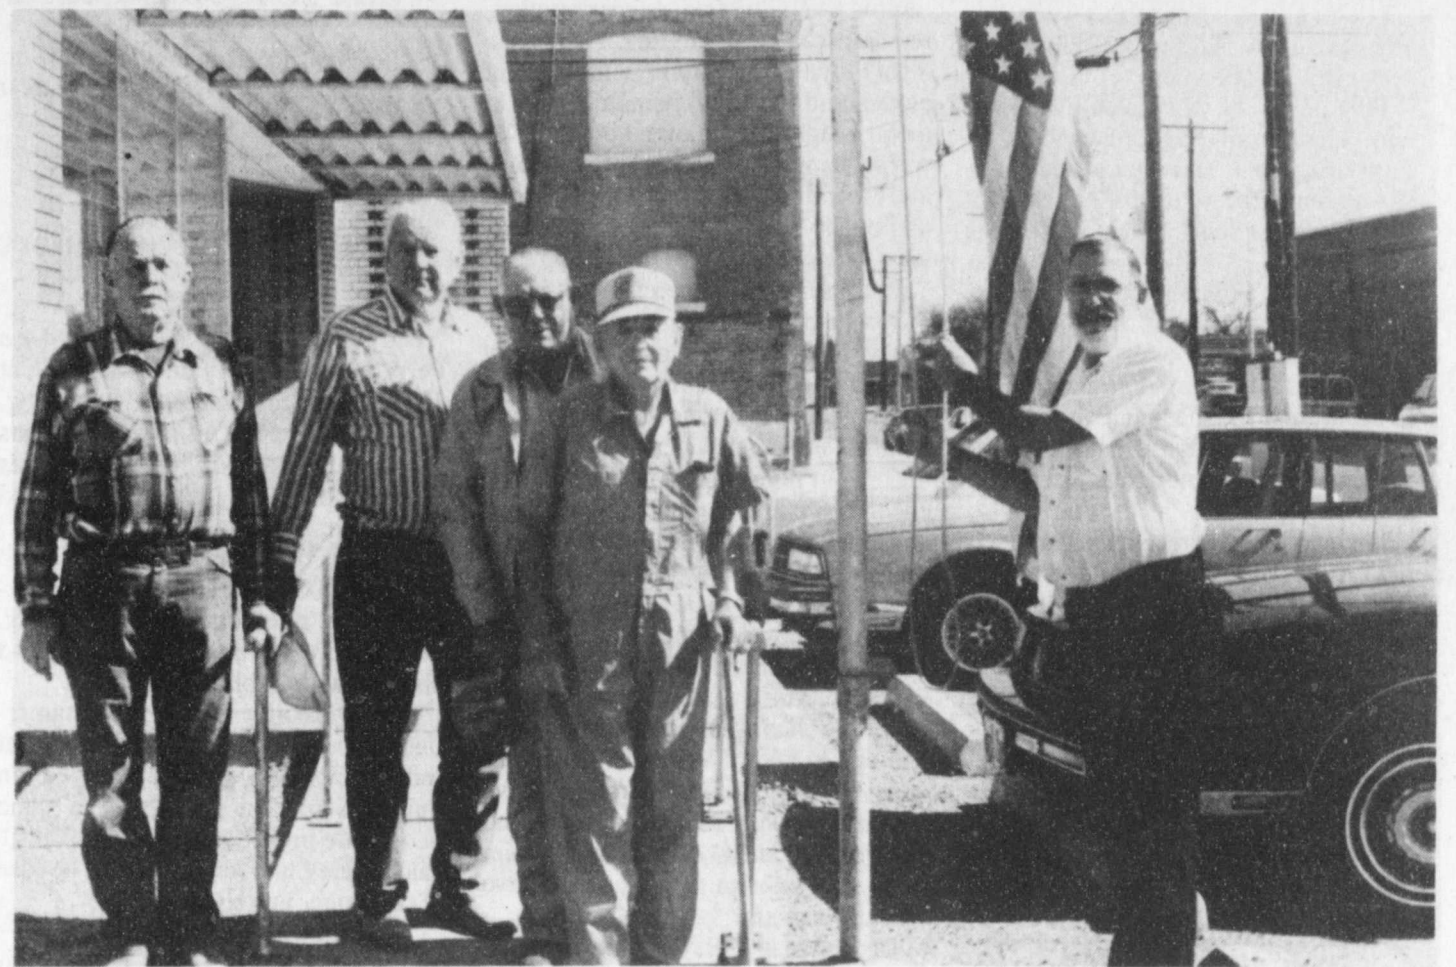

Yes, makin' mock o' uniforms that guard you while you sleep  
Is cheaper than them uniforms, an' they're starvation cheap;  
An' hustlin' drunken soldiers when they're goin' large a bit  
Is five times better business than paradin' in full kit.  
Then it's Tommy this, an' Tommy that, an' "Tommy, 'ow's yer soul?"  
But it's "Thin red line of 'eroes" when the drums begin to roll -  
The drums begin to roll, my boys, the drums begin to roll,  
O it's "Thin red line of 'eroes" when the drums begin to roll. —  
We aren't no thin red 'eroes, nor we aren't no blackguards too,  
But single men in barracks, remarkable like you.

—from Rudyard Kipling's *Tommy*.

The nation has set aside November 11 as "Veterans Day", a day to pay tribute to those who fought in America's wars, of which, suddenly, there are quite a few. There still a few around from World War I, still quite a few from World War II, from the bloody Korean War (officially called a "police action"), from the Vietnam War, and the more recent conflicts.

Others may look upon them as heroes, but, like Kipling, we don't know of many who regard themselves as "Heroes." They were, and are, "remarkable like you." They were mere men doing their duty, or what they regarded as their duty. That, in the final analysis, is what makes heroes, whatever their station in life.

So we hope our readers will pause for a moment to remember. To remember especially those who didn't make it back.

## Merchants giving away 31 turkeys

Thirty-one Thanksgiving Day turkeys will be given away to Hesperian-Beacon readers on Friday, November 19. Drawings will be held in the individual participating businesses at 4:30 p.m. on that day. The winners will be contacted and told where to pick up their turkey.

Registration coupons will appear in this week's and next week's issue of The Hesperian-Beacon.

The public is encouraged to fill out the coupons and deposit them in the boxes inside sponsoring businesses in Floydada and Lockney.

You can enter as many times as you wish, but only one winner per family is allowed. You must deposit original coupons only, no photocopies will be accepted. You must be 16 years or older to enter.

Although no purchase is necessary, The Hesperian-Beacon urges to people, who are dropping off coupons, to browse through the sponsoring businesses and to remember to shop at home first.

Floyd County businesses who will be giving away turkeys are: The Breakfast Shop, Brown's Department Store, Caprock Meat, City Auto, Clark Pharmacy, Cornelius Conoco, Davis & Sons, Davis Lumber Company, J.B. Briskey's, Feature Attractions, First National Bank of Floydada;

First National Bank in Lockney, Floydada Branch of The First National Bank in Lockney, Floydada Co-op Gins, Hesperian-Beacon in Lockney and Floydada, Higginbotham-Bartlett, Joe's, Our Place, Kirk and Sons, Lock-

ney Insurance, Lockney Meat Company, Feather Your Nest, Nielson's Restaurant, Oden Chevrolet, Pay-n-Save in Floydada and Lockney, Pizza Gold, Producer's Coop Elevator, Thompson Pharmacy and Tipton Oil.

## Lockney Care Center sponsoring Thanksgiving dinner and auction

LOCKNEY — The Lockney Care Center will play host to their annual Thanksgiving dinner and auction on Sunday, Nov. 21. A turkey and dressing dinner with all the trimmings will be served from 11:00 a.m. to 1:30 p.m. and the auction will begin at 2:00 p.m. and continue until all the items are gone. The auction is held each year to insure that each and every resident will have an exceptionally nice Christmas. Some of the proceeds will also be used for the residents birthdays.

A few of the items to be auctioned off include an afghan from Bessie Jackson, tatted bookmarks from LaVerna Sams and barbed wire in the shape of the state of Texas crafted by Wilson Barton, along with many other donated items. Homemade cakes, pies, candy and breads also will be auctioned. Anyone with items they would like to donate for the auction are asked to bring them by the Lockney Care Center and everyone is invited to the Thanksgiving dinner and auction.

## Bertrand and Warren headed for National FFA Convention

FLOYDADA—Floydada FFA students, Misty Bertrand and Lezlie Warren were selected by the Texas State FFA Association to attend and participate in the National FFA Convention in Kansas City, Missouri, this week.

The two were selected by the state to represent the Texas Association of the FFA. They will participate on the National FFA Courtesy Corp. This corp of students from all the United States will

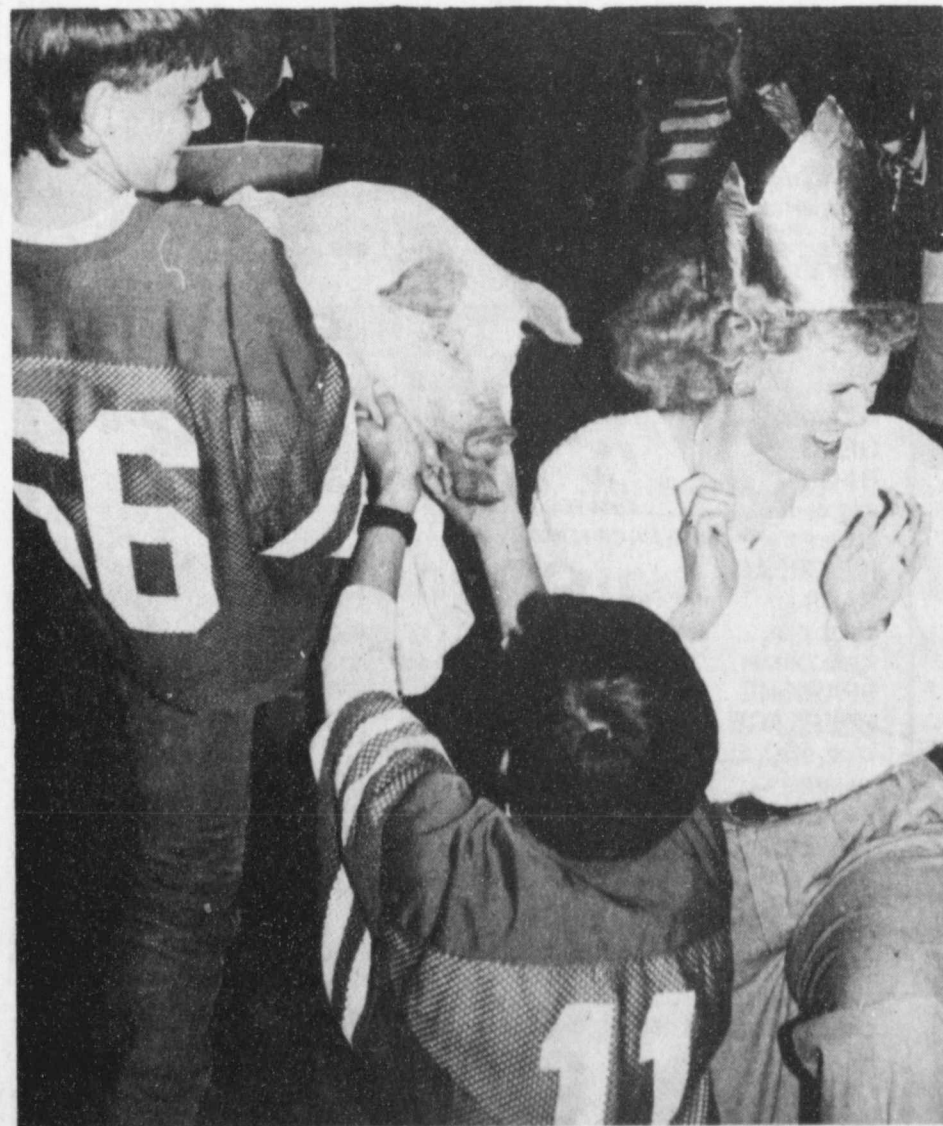

be responsible for conducting the programs which will take place at the National FFA Convention.

There will be approximately 38,000 FFA members attending the convention.

"Congratulations to Misty and Lezlie for being selected to represent Floydada FFA and the state of Texas," said Floydada High School FFA Advisor, Barron Wetsel.

YECH!!—Coach Deanna Logan reacts to her Pig Kissing experience at the pig rally at Floydada Junior High. It's hard to tell if the pig was insulted but he really didn't seem to mind as much as Coach Logan. Logan was crowned "Queen of Pork" at the rally. She was named the winner after a fund raising project in which students and faculty voted on the coach they wanted to see kiss a pig, by placing money in different jars. The coach with the most money earned had to kiss the pig. Staff Photo

## FFA wins second consecutive State Leadership Championship

FLOYDADA—Floydada FFA chapter competed in the State FFA Leadership Contest this past weekend and came home with a Sweepstakes Trophy for the second consecutive year. This year's event was held at Sam Houston State University in Huntsville.

The teams responsible for the honor were the Senior Chapter Conducting Team of Lezlie Warren, Zacha Harris, Anthony Emert, Rance Barnett, Misty Bertrand and Crystal Sanders; the Greenhand Farm Skills Team of Kayla

Turner, Shayla Turner and Aimee Fondy; the Greenhand Quiz Team of Jennifer Bramlett, Stacey Lloyd, Will Warren and Chad Hinkle; and the Junior Chapter Conducting Team of Kelli Bertrand, Mindy Dorman, Cassy Fawver, Peppre Selman, Christy Hale, Laci Christian and Heather Arney.

"The community has a lot to be proud of with these students," said FFA Advisor, Barron Wetsel.

The competition began with District contest, escalated to area and finally to the state level. There are some 950 local FFA chapters in the state of Texas, with some 58,000 Texas members.

"This is the largest youth group organization in the state, and we have the 'best of the best' right here in Floydada," commented Wetsel.

### Love Fund started for James

FLOYDADA—A Love Fund has been established at the First National Bank in Floydada for Dustin James, 4-year-old son of Donny and Julie James, and grandson of Fran and Andrew James of Floydada.

Dustin has been diagnosed with leukemia and proceeds to the fund will help the family with hospital bills.

### Chamber plans new 4th of July tradition in Floyd County

In anticipation of a possible July 4th parade honoring all of our veterans, the Floydada Chamber of Commerce is asking for all veterans who have lived in or are currently living in Floyd County to call the chamber office at 983-3434.

The chamber manager, Brenda Clampitt, would like to have your name, rank, and branch of military you served in.

"We hope to make this a very unique and special parade to honor our military," said Clampitt.

"We want everyone who has ever served in any branch of the military to

I don't have a soapbox this week, but I do have a few plugs to put in for some very nice local people.

First of all—if you haven't tried the corn meal from Sagebrush Mills in Floydada you are missing a treat. It is stone ground from Indian Corn and it's great. Just use your regular recipes for cornbread and stuff like that. The office is located in a warehouse behind Don Hardy Car Wash.

My second plug is for the Lamplighter Inn lunches. There are some great places to eat around Floydada but you should also check out Evelyn Branch's home-cooking and the Lamplighter's peaceful atmosphere.

I love to go in there and visit at lunch time. I feel like I'm sitting down with family, but somebody else is waiting on me and washing the dishes. They run an ad every week to let people know what they are serving because they only serve one entree each day (buffet style). When you get the paper, cut out the ad and put it next to your home or office phone. Pick out your favorite meal and check them out. And men—this place is not just for ladies. I promise you will not go away hungry.

Now that Christmas is getting close remember to look here first. There are a lot of Floyd County stores with beautiful clothes and clever gift items available in them. I highly recommend that anyone who does not want to fight the crowds and the traffic check out all the stores in this county before you drive to Plainview or Lubbock. You won't regret it. The clothes aren't any prettier outside of Floydada or Lockney.

My next plug is for the recently opened Quitaque Riding Stables.

The fellow that runs the stables is so helpful. He bends over backwards to make your horse ride a pleasant experience. You can rent a horse by the hour and tour the Rails To Trails or for a three hour minimum he will trailer you and the horses to Quitaque Park and let you ride the Equestrian Trail.

My son, husband and I took the ride in Quitaque Park a few weeks ago. It was the most relaxing and enjoyable day we had had in a very long time. The Quitaque Chamber of Commerce will have the number to the stables. I recommend that you call ahead of time and let him know that you are coming. He'll have the horses ready!

Take a break with your family before the really cold weather sets in.

**FLOYDADA**—The Caprock Community Action Association of Floydada moved to a new building last month in order to combine all of the offered community services to a central location.

Caprock Community Action provides a variety of services to those who are disabled or lower income individuals.

The new location at 701 E. Lee, combines transportation services, a women's health clinic, utility assistance, home weatherization, commod-

## Floydada Police Report

Floydada Police were called to Perry's Variety Store on October 27, at 10:30 a.m. in reference to a shoplifting. Viviana Solis, 38, of Floydada, was arrested and charged with theft. She was taken before City Judge Frank Breed where she was assessed a fine.

October 31, at 12:17 a.m. police were called to 400 block of N. 10th in reference to a man knocking on doors. Ronald Ray Kimbrell was arrested and charged with Public Intoxication.

Police are also investigating numerous reports of eggs being thrown at individuals and graffiti sprayed on buildings on October 31. "The same people are involved in both incidents," said Police Chief James Hale. "The case is still under investigation."

ity distribution and job training. Most of these programs require income or disability guidelines, but the transportation service can be utilized by anyone. Medicaid will usually cover the costs of this service.

The transportation service is called Cap-Trans. Cap-Trans will transport people from private homes to public facilities. It cannot be used for going from private home to private home. The driver asks for 24 hours notice in regular cases, but when wheelchair lifts are needed they ask for a weeks notice. They are able to transport people as far as Lubbock, Plainview, Matador and Crosbyton. The office is open from 8:30 a.m. to 5 p.m., Monday through Friday.

Another service offered is the women's health clinic. The center devotes every Tuesday to women's health care. This program includes routine pelvic examinations, pap smears, birth control methods, counseling, and treating minor problems. A licensed nurse practitioner does the exams and can refer more serious cases to doctors.

When funding is available, Caprock Community Action has a utility assistance program. This program helps lower income individuals pay their utility bills. People must meet certain criteria to utilize this service.

Josie Lopez, the center director, said, "Last year we paid nearly \$5,000 in utility costs."

With the cold weather on the way, the weatherization program allows the elderly and handicapped to stay warm and keep their bills down at the same time.

Olga Enriquez, a driver for the center, said, "We do storm windows and doors as well as caulking for anyone who meets the guidelines."

"We can't disclose what the guidelines are for any of these programs, but

people should apply for them. You might be surprised who qualifies for them," said Enriquez.

One of the center's biggest programs is commodity distribution. Some of the foods included this year are: fruit cocktail, potato flakes, pinto beans, applesauce, butter, peanut butter, peas, peaches, raisins, apple juice and orange juice.

Lopez said, "We really hope to have a lot of people come this year."

"This program is run strictly by volunteers and the food is federally funded," said Lopez.

The main office for Caprock Community Action is located in Crosbyton. The Crosbyton office is in charge of the Job Training Partnership Act. A representative from Crosbyton comes to Floydada for this program. J.T.P.A. places people in jobs and trains them while on the job. The employer pays half the salary and J.T.P.A. pays the other half until training is complete.

A branch of this program is the sum-

mer youth program that places high school students in jobs for the summer.

Enriquez said, "People must meet the set guidelines but it does give kids a chance to make some money when they are out of school."

Lopez said, "We do not discriminate against anyone who meets the guidelines."

Caprock Community Action Association has offices in Matador, Spur, Crosbyton, Ralls, Plainview, Abernathy and Floydada.

## Methodist "Harvest Fest" set Saturday

FLOYDADA—The Annual Harvest Fest of Floydada's First United Methodist Church begins at 9:30 a.m. Saturday, Nov. 13, according to Bob and Frances Hambright and Bob and Martha Lotspeich, co-chairpersons of the '93 Festival. With the holiday season fast approaching, and harvest almost complete, this will be the ideal time to enjoy food and fellowship with your neighbors.

The "Country Store will feature baked items, jams and jellies, and arts and crafts items; a special "Woodworker's Shop" features handcrafted toys and

decorative items. A nursery and special activities are planned for the children during lunchtime.

At 1:00 p.m. a drawing will be held for the beautiful hand-stitched king size quilt made by several of the women of the church.

The traditional Harvest-Fest dinner will be served in the Fellowship Hall from 11:30 a.m. till 1:00 p.m. Many church families will share in the preparation of the delicious roast turkeys,

cornbread dressing, candied sweet potatoes, southern-style green beans, jellied cranberry sauce, hot yeast rolls, and pecan and pumpkin pies.

A separate line will be set up for take-out meals starting at 11:00 a.m. Drive-up service will be available through the alley behind the church after 11:00. Delivery may be arranged by calling the church office 983-3706 before 5:00 p.m. Friday. Turkey dinner tickets are priced at \$3.00 for children under 12, and \$5.00 for adults.

## Courtroom Activities

In District Court, November 8 the following cases were settled through plea bargains:

Gary Ray Broadus, 38, of Vernon, pled guilty to possession of a controlled substance. The offense occurred on August 26, 1993. Vernon received 10 years in TDC which was probated for 10 years. He was also fined \$1,500 and \$140.00 in restitution;

Delton Cantrell, 39, of Floydada, pled guilty to Aggravated Assault on a Peace Officer. The offense occurred on March 27, 1993. He was sentenced to four years in TDC which was probated for 4 years. He was also fined \$500.00 and court costs.

In county court, on November 1, the following cases were filed:

Tommy Browning, Speeding Appeal; Roy B. Charles, Theft; Lajuana

DeBusk, Theft; Eliseo Garza Jr., DWI; Raymond Gutierrez, Resisting Arrest; Rojelio Guzman, DWI;

Bob Hernandez, Possessing Marijuana; Ronnie Hernandez, Criminal Trespass; Jaime McDonald, Assault; Nicolas Moyarga, Speeding Appeal and Driving Motor Vehicle With No Liability Insurance;

Johnny Perez, DWI and Possessing Marijuana; Shane Perkins, Theft; Rosa Linda Rando, Theft; Timothy Aaron Settle, Driving While License Suspended;

Arnoldo Trevino Jr., DWI, Driving While License Suspended, Resisting Arrest and Evading Arrest;

On November 8 in county court, Delton Cantrell pled guilty to Reckless Conduct. He was fined \$250.00 plus court costs.

## Three men arrested following assault in McCoy Community

Floyd County Sheriff's Deputies were called to McCoy Gin on Thursday, November 4 at 1:56 p.m. in reference to an assault.

Deputies arrived at 2:10 p.m. and discovered that the victim, Vicente Medelez, 46, of Floyd County had been taken to the Sheriff's office by private vehicle.

Medelez arrived at the Sheriff's office at approximately 2:30 p.m. and Paramedic Paul McIntosh was called. McIntosh called for an ambulance and Medelez was transported to W.J. Mangold Memorial Hospital where he was treated for lacerations on the head. He

was released the same day.

Sheriff's deputies obtained aggravated assault warrants for Gregoria Rosa Jr., 51, Gregorio Rosa III, 30, and George Rosa, 26. "They were arrested in the McCoy community without incident," said Chief Deputy Greg Pierce. Sheriff's deputies were assisted in the arrest by Floydada Police Department and Lockney Police Department.

The three are being held in the Floyd County Jail on \$10,000 bond each.

"It is not known at this time why the assault took place," said Sheriff Charlie Overstreet. "The investigation is continuing."

## Early holiday deadlines set

The deadline for the Thanksgiving edition of The Floyd County Hesperian-Beacon will be Monday, November 22, at 3:00 p.m. in the Lockney and Floydada office.

The paper will be on the stands the night of Tuesday, November 23 and in the mail on Wednesday, Nov. 24. The office will be closed Thursday, Nov. 25 and Friday, Nov. 26.

The deadline for Santa letters and

Christmas stories for our Christmas edition will be December 8th. We would like them earlier from the schools if possible, but the 8th is the absolute latest they will be accepted.

The Christmas edition is not confined to children's Santa letters. Any resident that has a favorite Christmas story or poem they would like to share should also submit those to this paper by December 8.

## Caution urged in holiday travels

A time to be thankful is once again upon us. It seems that during the Thanksgiving period, most people are trying to get home to their loved ones. This is a time when families reunite and gather together for big turkey dinners and a period of time when we give thanks for being able to get together and enjoy ourselves. This also brings on an increase of traffic on our streets and highways. We, the Texas Department of Public Safety, urge everyone to use extreme care this year, so that we can live to have another Thanksgiving.

It is true that many Texas citizens will become a statistic during this holiday period and that many planned gatherings will be ruined by these tragedies. Let us keep in mind, as we plan our trips and gatherings, this year to plan ahead and give ourselves plenty of travel time

and plenty of rests stops. We must remember to be a defensive driver and to watch out for the other person at all times.

Remember, no matter how good of a driver we may be that we cannot control the person that we are meeting. We have no guarantee that, that person has not dropped a cigarette, had a cardiac arrest, tanked up on booze or hopped up on pills. Let's drive as if each driver will always do the unexpected and in this manner we can live to enjoy another holiday. Remember, to always be a defensive driver.

This is also a time that hunters will be on the highway. This will also add to the congestion of our streets and highways. Let us all take the time to be a courteous driver and to keep our minds in the right frame of mind.

**SMOKE-FREE CLASS 2000**—The 6th grade class at R.C. Andrews Elementary has been designated as the Smoke-Free Class 2000. ## "Smoke-free class 2000" sixth graders promoting Great American Smokeout

FLOYDADA—In 1988 the first grade classes were designated "Smoke-free Class 2000" in the hope that tobacco use may decline dramatically if that number of young people can make the effort to graduate 2000 with few or no users. A challenge? Yes! With education and a "push" for good health, the challenge may be met.

This month, the sixth grade students

## Lockney Post Office extends daily hours

The Lockney branch of the United States Postal Service will be extending the hours during which the customer service window will be open in order to better serve the Lockney postal customers.

Beginning Monday, Nov. 15, the window will be open from 8:30 a.m. to 4:30 p.m. without closing during the lunch hour. These hours will be observed Monday through Friday.

The office will also be open from 9:00 a.m. to 11:00 a.m. on Saturdays beginning November 20th. Saturday hours will be observed through Christmas for customer convenience.

will discuss good health and the effect that smoking and smokeless tobacco can have. Educational materials are being distributed, and they are encouraged to "take the message home" to parents and older brothers and sisters.

Thursday, Nov. 11, a special activity period will be devoted to viewing a video from the American Cancer Society and hearing a discussion led by a health representative on the effects of chewing and dipping.

"We are glad to work with the local board of the American Cancer Society," said Ellen Enriquez, principal of R.C. Andrews Elementary. "In spite of the serious health risk of smokeless tobacco, recent reports show widespread use among children and teenagers. We'd like to help correct that."

## Moore presents program to 1950 Study Club

FLOYDADA—The members of the 1950 Study Club met in the home of Nettie Ruth Whittle for their November meeting. The program was brought by club member, Lovene Moore, who is the Caprock District Chairman of the General Federation of Women's Clubs.

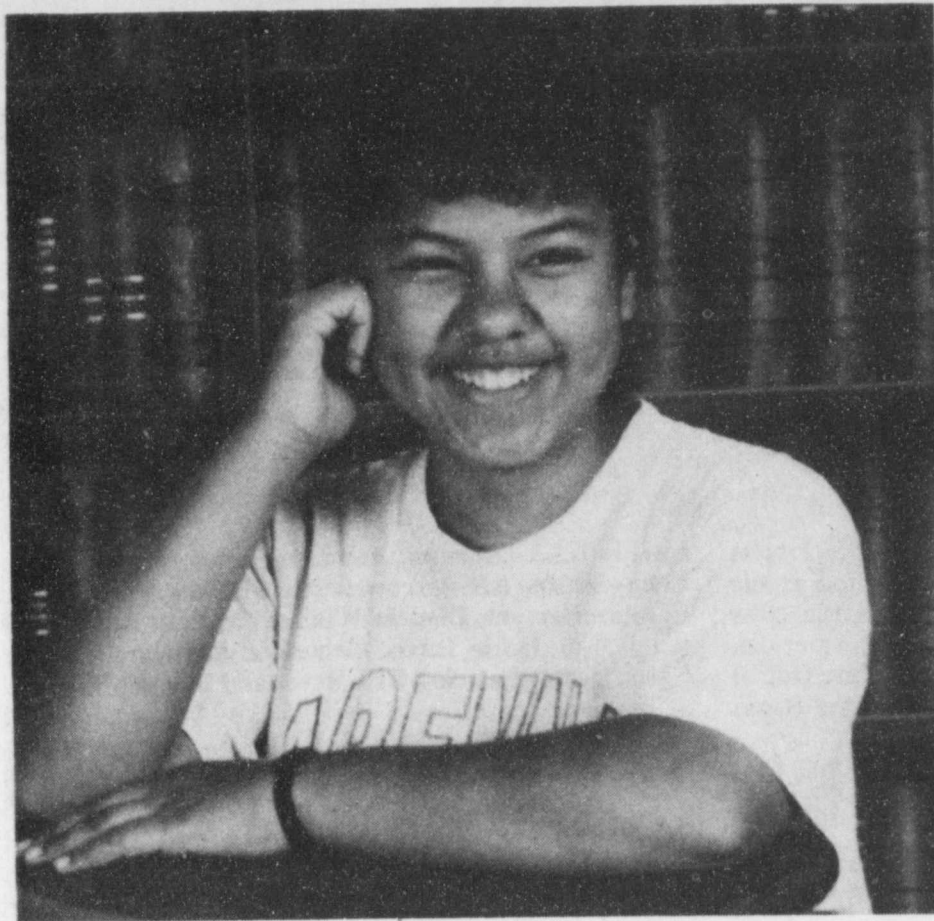

Lovene gave a brief history of the Federation which is now an international organization. Then she told of its accomplishments through the combined influence of women's clubs. Early on, due to the lack of access to books, the Federation was largely responsible for the establishment of public libraries.

Federated women's clubs have always been actively involved in community and national projects dealing with physical and mental health, education, the arts and the local and national good. Patriotism is also stressed.

Members were surprised to learn of two projects of Federated women's clubs that resulted in such innovations as the packaging of bread in wrappers and the painting of a stripe down the center of highways.

The most recent project of the 1950 Study Club has been the construction of the Walking Path for the park east of Floydada High School. It is now completed. Many people are now walking more safely in the park instead of on the streets. The park walking path was used recently for the "Walk for Heart" and for the "Trunk or Treat" event for children, making this Halloween event safer and more fun. The 1950 Study Club continues to be grateful to people in the community who helped to make the Walking Path possible.

All members of the club were present for this meeting. Geneile Evans presided over a business session, and also acted as a co-hostess. Those attending were: Nell Abram, Ellie Anderson, Addie Assiter, Edris Edwards, Geneile Evans, Margie Fowler, Wanda Hickerson, Martha Lotspeich, Jane McCulley, Marjorie McElyea, Doris McLain, Lovene Moore, Sue Moore, Shirley Morton, Carol Reese, Roberta Russell and Nettie Ruth Whittle.

**15TH BIRTHDAY**—A Mass Celebration in observance of the 15th birthday of Mary Romero, daughter of Luis and Margarita Romero of Floydada, will be held at 1:00 p.m. Saturday, Nov. 13, in St. Mary Magdalen Catholic Church. Miss Romero was born on Nov. 12, 1978. A reception will follow at 2:30 p.m. in the Floydada R.V. Park and a dance will held at the Palm Room in Lubbock beginning at 8:00 p.m. —Courtesy photo

Christina is the granddaughter of Mr. and Mrs. W.R. Daniel and Mr. and Mrs. Bobby Kendrick of Floydada. The prospective groom is a graduate of Graceville High School in Graceville, Florida. He is currently attending Criswell College in Dallas seeking a degree in Biblical Studies. The couple plan a Jan. 7, 1994 wedding at Hagerman Baptist Church in Pottsboro.

## Senior Citizen Rockins

By Gene Newton  
**LOCKNEY**—There were 63 present for fellowship and supper at the Lockney Senior Citizen get-together on Thursday night.

The hosts for this month are Maxine Hill, Octavia Carthel and Edna Workman. Any help you can give them will be appreciated.

The center is beautifully decorated ladies!

We would like to thank Renee Armstrong for coming to our rescue when we call upon her. Thanks to the ones who did kitchen duty and phone answering.

We are proud of the lunch served at the center everyday. Seeing each and everyone as they gather for lunch is a blessing.

This month on our calendar we will have J. Wampler, the hearing aid person, from 10:00 a.m. to 1:00 p.m. on November 9th, then at 2:30 that day we will have Christie Pare and the Festive Fare Cooking Demonstration for Southwestern Public Service.

Ladies, on Monday the 15th we will have a vest demonstration at the center. Get out your husbands old tie, velvet and satin material and come on down to the center and sew up a storm. For more information on this call Hazel Johnson.

A dollar donation will still entitle you to a chance on a beautiful quilt, hand-made and quilted by the ladies at the center. The quilt will be given away on December 16.

Let's pray for the sick that their health should be restored if it be Thy will.

**GOLD AWARDS**—Caprock Girl Scout Council President Lee Ruth Creg (left) presented Therese Sims and Christy Garcia of Floydada with their Gold Awards during a ceremony held in Lubbock Saturday. Also present for the event were the girls' parents Carroll and Elizabeth Sims and Juan and Dora Garcia. —Staff photo

## Two bestowed Gold Awards

FLOYDADA—Therese Sims and Christy Garcia, both of Floydada, were honored at a Gold Award Ceremony on Saturday, Nov. 6. The ceremony, sponsored by the Caprock Girl Scout Council, was held at Lakeridge United Methodist Church in Lubbock.

Sims, daughter of Carroll and Elizabeth Sims, and Garcia, daughter of Juan and Dora Garcia, were among three other girls from Lubbock who were also recognized with the award.

The honorees have worked for the past three years to receive their Gold Awards and are the first girls from Floydada to be eligible for this honor.

To qualify, the two had to earn their Senior Girl Scout Leadership Award, which has five steps to it. The purpose of this was to broaden their skills as a leader. They had to log 30 hours in leadership by serving as an officer in a group, assisting with a younger group, planning and giving a public presentation, serving in a leadership capacity for the council and working with an adult with children.

Next they had to earn the Career Exploration Pin. For this they had to write their own resume, plan a Career Fair, plan a speaker's project, survey the community, carry out a career internship, and get a paying job.

Following this they had to earn the Senior Girl Scout Challenge which involved developing their potential, relating to others, developing values for living, contributing to society and helping others know about girl scouting.

The girls then had to earn their gold

award by earning four interest project patches and then doing a Gold Award Project. For this project, the girls chose the topic of AIDS. They had to do research on the subject, gather all the facts on it, decide how their project would help others, then they wrote a play on the subject, made posters for it, and drew up pamphlets. The play will be presented at a later date. All of this had to be approved by the council.

The Caprock Girl Scout Council President, Lee Ruth Creg, pinned the girls Saturday with their pins. They also received a certificate from President

Bill Clinton, and one from the United States Army. Christy will also receive an award from the Catholic church. The girls will have five different college scholarships that they can apply for.

The girls pinned their parents with Gold Award pins after receiving theirs as they felt they would not have been able to stay in scouting for 12 years without their parents' support.

Elizabeth Sims, the girls Scout leader, commented, "They are very proud of their Gold Awards, but will miss being in scouts now."

## Good wrapping, good addressing are good keys to Christmas mailings

Postal employees are often asked by customers how best to prepare parcels and letters for mailing.

When holiday messages or parcels are delayed or damaged, no one is happy. The odds favor timely, safe delivery of holiday mail, and with a little extra care, customers can help the United States Postal Service complete its appointed rounds.

Mailing early is the best way to get

important holiday cards and gifts to their destination on time. But there are several other mailing tips that will help speed your mail safely to delivery.

Customers really appreciate it when they receive advice on how to best mail their packages, letters, and cards.

As a first step, customers should properly address cards and packages with the name, house number and street (or post office box number), and the city, state, and ZIP Code reserved for the last line. Including the apartment number is especially important during the holiday season.

Postal customers are reminded that some holiday greeting cards may not be acceptable for mailing at standard rates. Letter standards require that envelopes be at least 3 1/2 inches high and 5 inches long to meet minimum mailing standards. On the other hand, a surcharge

must be paid on pieces which exceed any of the following dimensions — 6 1/2 inches high or 11 1/2 inches long or 1/4 inch thick."

# Lockney playoff hopes buried in Earth

**By Coach Scooter Cassler**  
In an unusual season that saw many outstanding individual and team efforts, the Lockney Longhorn football season came to a final do-or-die struggle at Earth Friday night. Both Lockney and

Springlake-Earth need this final district victory to gain a state playoff berth alongside the Shallowater Mustangs, already assured of playoff position. Springlake won the game and the playoff spot as District 3-2A co-cham-

pions with Shallowater due to a tie with the Mustangs in their district meeting. The Wolverines finished the season 9-0-1, 6-0-1 in district, as the Longhorns finished 6-4 overall and 5-2 in league play.

The Wolverines totaled 440 yards of offense, including 355 yards rushing and 85 yards passing by quarterback Brian Hulet.

Lockney's often-explosive offense was limited to 119 yards, all on the ground.

Springlake's Hulet was responsible for five touchdowns, rushing for four himself and passing for another. Fullback Jarrod Busby accounted for two more Wolverine scores and was the leading rusher for the game. Lockney's leading rusher was senior Phineas Riddley, who carried nine times for 47 yards.

The final 6-4 of the 1993 Longhorns cannot truly measure the success of the players who managed six wins in a row during the season. Despite the final result for the 'Horns, the players, cheerleaders, and fans can all be very proud of this year's season and can look forward with anticipation the development of a strong program for years to come. The Longhorns are "wanting more in '94" and will be a team worth watching. Congratulations to each and every one of you, Longhorns!

Great job, Hustlin Horns!!

## Fulton wins final football contest for season

**By Juanita Stepp**  
First prize for the tenth week of the annual Floyd County Hesperian-Beacon Football Contest goes to Pam Fulton of Lockney. She was the only contestant who missed five games on the final contest this season. Her first place check for \$25.00 will be waiting in the Lockney office on Friday.

Second place went to H. G. Graham of Lockney. He missed six games on the contest as did Homer Ragland Jr., also of Lockney. Each chose Springlake-Earth

as the winner in the Lockney/Springlake-Earth match-up, necessitating the use of the tie-breaker score to determine second and third place this week. Graham chose a total combined score of 52, just three points away from the actual score of 49 to take the \$15.00 second place check which he can claim in the Lockney Office on Friday.

The third place check for \$10.00 will be waiting in the Lockney office on Friday for Ragland who selected a total combined score of 35, 14 points under the actual total.

Honorable mention also goes to those missing seven games this week, Deneen Marricelle and W. H. Simpson of Floydada and Owen Thornton of Lockney. Gail Hale, Franklin Harris, Sam Hale, Wes Campbell and Keith Marricelle, all of Floydada, and Phil Cotham of Lockney each missed eight games this week. Eleven entries missed nine games on the contest this week.

### ERROR LAST WEEK

After an error in grading the contest entries last week was brought to our attention, staff members re-graded the entries. No change in the winners resulted as final scores were two points higher for the announced winners as well as for many of those involved.

### Hey Longhorn Fans!!

The Lockney High School Varsity and Junior Varsity Cheerleaders would like to thank everyone who helped support the Longhorns this season.

To the Coaches and their families, we thank you for all the time and planning in making the Longhorn team what it was.

To the teachers and student body, we thank you for supporting the football boys in every way possible. By wearing Red and Black, decorating the halls, selling booster ribbons, and attending the pep rallies, you helped US out a great deal.

To all the fans and parents, we thank you for supporting our son/daughter in all the Lockney school activities. Knowing that you are behind them rooting for them helps them to strive for the best.

And finally, to all the Lockney football players, we thank you for making this year one to remember. You played your hardest, no matter who or what tried to bring you down. When you started two-a-days you guys knew what was ahead, you tried your hardest and we are so very proud of you and your awesome accomplishments.

## SPS official slates February retirement, successor named

Roy Holmes, Division Manager for Southwestern Public Service Company's Southern Division, based in Lubbock, has announced he will retire in February.

SPS Lubbock District Manager Jake Webb has been named to the new position of assistant division manager for the Southern Division. This arrangement is designed to allow Webb to make a smooth transition to division manager in February.

The Southern Division includes 40 communities in four company districts within the South Plains. Webb will continue direct responsibility for the Lubbock District, where he has been manager for the past 14 years.

SPS President Coyt Webb (no relation) said the interim position of assistant division manager will provide continuity for SPS's ongoing community and economic-development programs in the area.

"Roy's leadership and personal involvement in the community have significantly contributed to the success of SPS's programs in the South Plains," Coyt Webb said. "We realize the positive role that SPS must continue to play in the area."

"Jake knows the South Plains and its people," Coyt Webb said. "He will continue to direct the quality service and community involvement that our customers have come to expect."

# Floydada edges Dimmitt in 28-27 thriller

by Bill Gray

The Floydada Whirlwinds closed out their 1993 football season with a thrilling 28-27 victory over the Dimmitt Wildcats at Wester Field on November 5. The victory enabled the Whirlwinds to move into a second-place tie with Tulia in the final District 2-3A race, but the Hornets will advance into Bi-District play by virtue of their 24-19 victory over the 'Winds on October 22.

The Littlefield Wildcats defeated Tulia 27-14 for the District 2-3A Championship and will face District 1-3A runners-up Amarillo River Road at Hereford on November 13 in the Bi-District round, Tulia will meet District 1-3A champ Perryton at Borger on November 12.

Dimmitt finishes at 2-8 (1-4 in district play), but gave the Whirlwinds all they could handle. The Bobcats' Derrick Thomas rushed for 212 yards and 3 touchdowns on 35 carries and had an 85-yard touchdown return of a kickoff. The Bobcats had the opportunity to win the game on a 35-yard field goal attempt with but two seconds remaining in the game. The game's finale was almost a repeat of Floydada's heart-breaking loss to Littlefield a week ago. However, the kick was wide, Floydada ran out the clock on the next play, and the Whirlwinds grabbed their fifth victory of the season against five losses.

Floydada's Pete Cooper had the most productive night of his whirlwind career by rushing for 229 yards on only 15 attempts and scored twice. Cooper scored in the first quarter from the 12-yard line to cap 6-play, 65 yard opening drive by the Whirlwinds. Rafael DeOchoa kicked his first of four important conversions, which turned out to be the difference in the contest.

The Bobcats responded with a time-consuming scoring drive of their own as they moved 64 yards in 14 plays, with Thomas accounting for 43 yards on 10 carries. Thomas punched it in from a yard out with two minutes remaining in the first period, and Phil Tucker's PAT deadlocked the score at 7-all.

Sammy Rodriguez hit Brandon Gilliland with a 28-yard scoring strike following a Dimmitt fumble on a punt return. However, it took Dimmitt only one play to answer Gilliland's touchdown as Derrick Thomas returned the ensuing kickoff 85 yards for the Bobcat's second score. It was the only kickoff return for a touchdown against the Whirlwind kicking until this year. Tucker missed the conversion and the halftime score had Floydada on top 14-13.

The Bobcats opened the second half with an impressive 11-play drive, but Floydada's defense held and the 'Winds took over on downs at their own 35-yard line. Cooper broke into the clear on the next snap, and only a last-gasp effort by Dimmitt's Steven Villanueva prevented a touchdown. However, Cooper carried the final 8 yards on the next play, DeOchoa's PAT kick was good, and Floydada extended its lead to 21-13. The Wind stopper unit held Dimmitt to minus yardage on the next series, but Gabriel de la Fuente mishandled Tait Crow's punt. Phil Thrasher recovered the fumble for the Bobcats, but Floydada's defense stiffened and forced another Bobcat punt.

On first down from his own 9-yard line, Cooper rushed for 48 yards on a sweep to carry the 'Winds into Dimmitt territory. Floydada suffered its second turnover when Tate Glasscock's half-back option pass was intercepted at the Bobcat 10-yard line late in the third quarter. Although Dimmitt held possession for over 8 minutes of the 3rd quarter, the Whirlwind defenders kept the visitors out of the endzone.

Rodriguez intercepted a Tait Crow pass on the first play of the final stanza. Two minutes and 27 yards later, Sammy scored from 9 yards out, the conversion kick was good, and Floydada was in command 28-13. Dimmitt received good field position following the ensuing kickoff, moved 44 yards in six plays, and on the seventh play of the drive, Thomas scored his third touchdown of the game. Crow passed to Villanueva for the two pointer and the Bobcats trailed 28-21.

Seven minutes remained, and Dimmitt had regained momentum.

Following a short Whirlwind punt against a brisk breeze, Thomas added Dimmitt's 27th point on a 57-yard scamper. The attempt for a 2-pointer and the victory was thwarted by a strong pass rush led by Brandon Gilliland, and Rod Vela's coverage on the intended receiver. Floydada was again unable to mount a time-consuming drive punted back to the 'Cats and Dimmitt had one last opportunity to pull out an upset.

Thomas tossed a 17-yard halfback pass to Raymond Limas to move the Bobcats into Floydada territory and a 24-yard pass from Crow to Limas set up a Dimmitt field goal attempt in the last moments. Fortunately, for the Whirlwinds, the 35-yard attempt was wide and Floydada took over on downs, Rodriguez went to one knee as the final two ticks ran off the game clock.

Cooper and Dimmitt's Derrick Thomas had career nights. The twosome combined for over 600 all-purpose yards and they are both juniors...we are in for another year of fireworks from these two! Cooper and Thomas are my co-offensive players of the game...runners up, because my selection as offensive players of the game are Adam Gonzales (deep snaps), Elias Gutierrez (holder) and Rafael DeOchoa (kicker). There were long runs and passes that set up Whirlwind touchdowns, but none were more important than the four kicked conversions that made the ultimate difference.

My choice for defensive play of the game was Glasscock's shot on Raymond Limas that prevented the winning Bobcat touchdown at the end-and probably left a lasting impression of smash-mouth football on the Dimmitt senior. Floydada's front five get my nod for defensive players of the game. The 'Cats had the ball over 8 minutes of the third quarter, but were unable to penetrate Floydada's 20-yard line!

I know there's disappointment that the 'Winds didn't make the post-season party this year-but they gave their "all" and were in every game of the year (except one) until the final moment. Looks like two of my pre-season predictions are on schedule however, like the Cowboys back in the Super Bowl and Texas Tech just two wins away from the holiday trip to El Paso!

## Breezer Football Report

By Bill Gray

FLOYDADA—The 7th grade Breezers hosted Dimmitt's 7th grade at Wester Field on Nov. 4 and came out on the short end of a 52-8 score. A Michael Black-to-Dusty Duke pass for 31 yards produced Floydada's only touchdown. Cody Stovall tossed to Cory Kirk for the two-point conversion.

Coach Jimmy Webster stated, "We were beaten by a team that has bigger, stronger and faster kids... their guys were huge. Dimmitt and Floydada have totally opposite views of 7th grade athletics. They play to win at all costs, and we try to teach fundamentals and techniques. We very rarely beat Dimmitt in the 7th grade in any sport."

The coach added, "Next year we will compete very well with them. This class of kids is going to be outstanding in football after they have a couple of years' work in off-season. I'm extremely proud of them for their efforts this year"

### 8TH GRADE

The 8th grade Breezers closed out the season last Thursday with an outstanding performance in defeating Dimmitt's 8th graders 14-6. The 8th Breezers finished the season at 5-3-1, which was a big improvement from last year's record of 2-6-1.

Coach Craig Cooke commented, "This has been a great year for the 8th grade and we expect a lot from these

young men."

Richard Casillas put the Breezers on the board first with a 25-yard run off the option in the first quarter. Casillas then passed to Jason Henderson for the two-point conversion. Dimmitt responded with a second period score, but missed the point-after, and Floydada was on top 8-6 at intermission.

The Breezers recovered an onside kick to start the third quarter, and drove the ball down the field. Casillas scored again on a 10-yard option run. The P.A.T. failed, but Floydada had all the points needed. The Breezers' defense held the young 'Cats in check for the remainder of the game.

The coaches named Casillas, Henderson, Mario Nunez, Adam Peralez, Jorge Saldana, Pedro Chairez, Blake Bramlett and Jessie Garza as the game's outstanding offensive players. Cited for their defensive performances were Chairez, Garza, Bramlett, Saldana, George Perez, Tyson Whittle and Jason Campbell.

### Correction

The name of Ticen Harper was incorrectly identified in last week's edition of The Hesperian-Beacon. Ticen, a 7th grade Breezer football player, was one of the team members named Outstanding Offensive Player of the game. Sorry for the typographical error, Ticen!

### BILL'S NOTES

As I stated last week, a break here or there in several games and the 'Winds would be in the playoffs. It was just not meant to be this year. The finale, however, was a tribute to both teams last Friday. This time the game determining breaks went in Floydada's fa-

### Coaches Comments

by Coach Dean Bates

We were very pleased to win our last game Friday night. Dimmitt has good personnel and they played hard. We made mistakes in the kicking that kept the game closer. Two good tailbacks played Friday night and they will return for another season.

Pete Cooper had 228 yards rushing and Derrick Thomas had 212 yards rushing for Dimmitt. All in all we have had a good season and had several close ball games that kept us from having an outstanding year, but we are pleased with the effort of our youngsters. Thanks for the support that we receive and we now need to support our other programs.

# Social Security and SSI benefits to increase in 1994

By Terry Richardson  
Social Security and Supplemental Security Income (SSI) beneficiaries will receive a 2.6 percent raise in their benefits for 1994. The increase will appear in the checks Social Security

beneficiaries receive on January 3, 1994 and SSI recipients receive December 30, 1993.

The latest increase raises the average Social Security benefit for a retired worker from \$657 to \$674 per month. The average monthly benefit for a couple where both spouses are receiving benefits will be \$1,140 in 1994, compared with \$1,111 in 1993. Average monthly disability benefits will be \$641 in 1994, a \$16 increase from the current amount. A young widow with two children received an average monthly payment of \$1,282 this year; in 1994, the amount will increase to \$1,316 a month.

The maximum federal SSI monthly payment for one person will be \$446 in 1994, up from \$434 in 1993. For a couple, the maximum monthly amount will increase from \$652 to \$669 in 1994. Since some states add money to the federal benefit, total payment amounts will vary from one state to another.

The maximum amount of money that beneficiaries between the ages of 65 and 69 can earn in 1994 without reducing the amount of their Social Security benefits is \$11,160. In 1993, the limit was \$10,560. For every \$3 a person earns over \$11,160, \$1 is withheld from his or her benefit.

For people under age 65, the corresponding limit will be \$8,040 next year, up from \$7,680 in 1993. For every \$2 a person under 65 earns over \$8,040 \$1 is withheld from benefits. The benefits of people aged 70 or over who continue to work are not affected, no matter how much they earn.

For planning purposes, those Social Security beneficiaries with significant outside income need to be aware that effective for taxable years after 1994, the tax rate on their benefits will be increased. Couples whose income is more than \$44,000 and individuals with income exceeding \$34,000 will pay income tax on 85 percent of their Social Security benefits. Currently, couples whose income is more than \$32,000 and individuals who have income exceeding \$25,000 pay tax on 50 percent of their Social Security benefits. Only about 20 percent of all Social Security recipients pay taxes on their Social Security benefits.

# Food label changes due by May 1994

By May 1994, Virtually all packaged foods will be required to display new government-mandated food labels. The Food and Drug Administration says the new labels are designed to do three things.

1. Clear up the confusion about what's in packaged foods.  
2. Help people make healthy food choices.

3. Encourage food companies to start "linking with the food in the packages, not just the words on the labels."

The new labels will not include the familiar list of eight to 12 vitamins and minerals, or the recommended daily allowances. The rationale is that Americans are not dying of diseases brought on by vitamin deficiencies, but of diseases brought on by excesses, particularly of fat and sodium. Health claims that will be allowed are:

- \*Calcium and osteoporosis ("brittle bones")
- \*Sodium and high blood pressure ("hypertension")
- \*Fat and cancer
- \*Fat and heart disease
- \*Fiber and cancer
- \*Fiber and heart disease
- \*Antioxidants (such as vitamins C and E) and cancer

Information on the new labels will also include serving size and standard servings per container. The new labels will include how many total calories, and calories from just fat. Also included will be the total fat contained in one serving and how much is saturated fat. A general information section will tell you how much dietary fiber, simple sugars, sodium and dietary cholesterol is in a single serving.

Safe handling instructions are now included on all packages of meat bought in the grocery and specialty stores. These instructions include basic tips like:

- \*keeping meat refrigerated or frozen
- \*thaw all meat in the refrigerator or the microwave
- \*keep raw meat and poultry separate from other food
- \*wash working surfaces, utensils and hands after handling raw meat
- \*refrigerate leftovers immediately or discard

These new labels can be found anywhere on the package including the bottom of the tray. The Agriculture Department hopes the new labels on packages of raw meat will save lives.

## Thompson joins Cargill in safety effort during the FFA National Convention

Cargill will sponsor John Thompson's appearance before 29,000 attendees at the 66th National FFA Convention Thursday, Nov. 11 at the Marriott Downtown in Kansas City, Mo.

Thompson was only 18 years old in January 1992 when he survived a horrible farm accident in which both of his arms were severed below the shoulder by a power take-off shaft. The incident drew worldwide media attention after reports that Thompson, who was working alone, saved his own life by rushing 400 feet to his parent's Hurdfield, N.D., home, kicked open the door and called for help with a pen clenched in his teeth. He then waited in the bathtub so he wouldn't get blood on his mother's carpet. John was eventually flown to Minneapolis where, eight hours after the accident, doctors reattached his arms.

Thompson, a former member of the FFA, said he wanted to attend the convention "to keep people constantly aware of the dangers involved in farm work."

Thompson will join Dan Huber, president of Cargill's Agriculture Sector, and Guy Shoemaker, southwest

geography manager for the Cargill Grain Division, for a news conference at 2:30 p.m., Nov. 11, at the Dow Elanco sponsored "Farm Safety 4 Just Kids" booth at the FFA Agriculture Career Show in the H. Roe Bartle Hall, adjacent to the Municipal Auditorium. (Members of the press must obtain complimentary entrance badges from the FFA at the Municipal Auditorium.)

Thompson will present the FFA national safety awards at 3:50 p.m. at the Marriott.

On Friday, Nov. 12, Thompson will travel 75 miles northeast to the Cargill grain elevator in Forest City, MO. to meet with rural students at Mound City and Oregon schools.

Farmers were more attentive to taking safety precautions after his accident, Thompson said, "but as soon as they're out in the field, their minds are on getting things done and they are not thinking about the safe way of doing things. The safe way takes more time, and that is why so many farmers continue to work dangerously. I want to remind them how easily an accident can happen," he said.

Cargill's interest in farm safety

stems from its year-old partnership with the nonprofit organization Farm Safety 4 Just Kids. Farm Safety 4 Just Kids was founded in 1986 in Earlham, Iowa, by Marilyn Adams who lost her 11-year old son to a farm accident.

Throughout North America, more than 125 Cargill locations have become business members of Farm Safety 4 Just Kids. Cargill has formed 12 chapters and sponsored many events with Farm Safety 4 Just Kids. "We have been dedicated to serving farmers for about 128 years, and it is fitting to serve their families as well," Huber said of the partnership. "Cargill's safety efforts have worked successfully in our workplace and can easily be focused on children in their farm surroundings."

Cargill is a privately held merchandiser, processor, transporter and warehouse of agricultural and other bulk commodities. The company is a major supplier of food ingredients and products to food service institutions and restaurants, grocery retailers, wholesalers and food manufacturers. It employs more than 70,500 individuals in 58 countries.

## 1994 program not big surprise

by Shawn Wade  
The preliminary announcement of a 1994 Acreage Reduction Program of 17.5 percent wasn't a big surprise according to Lubbock-based Plains Cotton Growers (PCG). The USDA announcement was made on November 1. PCG officials, citing an expected increase in U.S. carry over stocks, say USDA was pretty much required to increase the ARP from 1993's 7.5 percent to meet the 30 percent stocks to use ratio required by the 1990 Farm Bill. USDA officials have until January 1 to decide if they want to make changes to

the 1994 ARP.  
Such a change could be warranted, says PCG, if the 1993 crop comes in smaller than expected. The preliminary ARP was figured based on the October crop estimate.  
PCG recommended that the 1994 ARP be set at the lowest possible level to help producers maintain a higher level of income from their land. The PCG Board, recognizing that current world prices were keeping U.S. farm level prices low, made their recommendation based on the premise that producers need to be able to produce and sell more

cotton to offset the lower prices.  
"The increase in the 1994 set-aside will probably result in the desired drop in cotton production," says Donald Johnson, PCG Executive Vice President. "Unfortunately for producers the world marketplace will probably continue to prevent a significant increase in cotton prices that would offset the income loss from planting fewer acres."  
Johnson added that USDA officials also announced the 1994 target price and price support loan levels when they announced the preliminary ARP. He noted that the target price stays at the statutory minimum 72.9 cents per pound for 1994 and that the loan rate was lowered to 50 cents per pound, also the statutory minimum.

One effect of the higher ARP on producers is that only 67.5 percent of a farm's base acres will be eligible for the upland cotton deficiency payment. The drop in the base loan rate will, however, bring the maximum possible deficiency payment for the 1994 crop up to 22.9 cents per pound. The final deficiency payment rate is set at the difference between the upland cotton loan rate and the target price or the difference between the calendar year average farm price and the target price, whichever is lowest.

## Management symposium set

This year's symposium will feature concurrent sessions for women and people interested in receiving continuing education credit. Three CEUs will be offered for those holding private, commercial and non-commercial chemical applicator's licenses. Program segments include:

The 9th Annual Panhandle Farm Management Symposium will be Dec. 1 from 9 a.m. to 12:30 p.m. in conjunction with the Farm and Ranch Show at Cal Farley Civic Center, 3rd and Buchanan, in Amarillo. Sponsors will be Potter County Extension Service Committees, Texas Agricultural Extension Service, Sunray Co-op, Ciba Geigy, Dow Chemical, DuPont, FMC, and Sandoz.

\*Regulations Governing the Use of Pesticides by Don Renchie, TAEK

\*Agricultural Waste Pesticide Collection and Container Recycling Program by James Knoll, Texas Natural Resources Conservation Commission.

The Potter County Extension Home Economics Committee will host a women's program starting with a holi-

day coffee and registration at 9:00 a.m. Program highlights include:

\*Skin Protection: How to Avoid Skin Cancer

\*Christmas Fashion Show featuring Amarillo businesses and models with Janette Taylor as show coordinator. She is a representative from State Rep. Swinford's Dist. Office.

\*Festive Foods: Recipes and Tasting by Jan Stevens, marketing representative for Southwest Public Service Company in Amarillo.

## Bit of history comes to state fair

With his long white beard and silver wire-rim glasses, Johnny Anderson looks like he could have just stepped out of the past, and it is the past Anderson demonstrated at the 1993 State Fair of Texas.

For two days, Anderson showed visitors at the Texas Department of Agriculture's Food and Fiber Pavilion how a cream separator works.

The 1941 model "De Laval 18 Cream Separator" attracted quite a bit of attention at the Pavilion with younger visitors wondering what the contraption was, while older ones found past memories resurfacing.

"I've had some (in the audience) who have used a separator and some who didn't have a clue about where milk came from," Anderson said. "But they all leave with a little more understanding of the dairy industry."

Anderson said he was attracted to the job of demonstrating cream separation and churning butter because he has always enjoyed history. A little more than two years ago, Anderson switched from making Lee jeans to re-enacting history at the Southwest Dairy Center in Sulphur Springs.

Anderson said he learned about past milk processing methods through research and from talking with those who

are familiar with such methods.  
"The way to learn is to talk to somebody and listen to somebody who has done it before," he said.

During his demonstration, Anderson explained that centrifugal force separates cream from unprocessed milk in just minutes. Cream is lighter than milk and this weight difference is intensified by the machine, which multiplies the pull of gravity by 1,000 times as milk is spun inside it.

Cream separation also can occur naturally, but takes much longer. Anderson said he remembers his mother setting a covered pan of milk aside and 24 hours later scooping the cream off the top to make butter.

The hand-operated cream separator

was invented in 1878, but went out of mainstream use in the late '50s and early '60s, Anderson said. However, some cream separators are still in operation today on small dairy farms for home consumption. And many people have asked Anderson where they could buy a table-top cream separator for their own use. However, these people also should have a dairy cow, because cream separates best at the cow's body temperature of 105 degrees, Anderson said.

Throughout the year Anderson's demonstrations and other historical facts about the dairy industry can be discovered at the Southwest Dairy Center. The center is open from 9 a.m. to 4 p.m., Tuesday through Saturday. For more information call (903) 439-MILK.

## Big Brother, M.D.

By Edwin Feulner  
Even the health-care debate has become infected with political correctness.

Not too many years ago, any self-respecting conservative would have aimed both barrels at President Clinton's health-care reform plan and called it what it is: socialized medicine. Today, that's considered a no-no in politically correct society, so we shop around for more acceptable euphemisms.

But why? Why not just tell the truth about this bureaucratic nightmare? If a cradle-to-grave federal health-care entitlement program managed by a National Health Board and a network of state and regional "health alliances" isn't socialized medicine, I don't know what is.

Then again, maybe I do know what is: the national "health security" card each of us will be issued by Big Brother, M.D. Don't worry about whether the health-care co-op you're forced to enroll in is equipped to treat your arthritis, gout, or

hemorrhoids. Just flash your card and everything will be okay.

Anyone who thinks more bureaucracy and regulation — the heart and soul of the Clinton plan — will reduce health-care paperwork is a prime candidate for the new mental-health benefits offered by Dr. Clinton.

Anyone who thinks price controls on insurance premiums — the backbone of Clinton's cost-reduction strategy — will reduce costs without reducing the quality and availability of care has no knowledge of history. Price controls have never worked.

Anyone who thinks we'll be able to choose a doctor that isn't part of the "health-care co-op" each of us will be herded into, needs some of those "free" prescription drugs Dr. Clinton has promised — an anti-hallucinogen, perhaps.

Anyone who looks at a plan 239 pages long in its draft "summary" form — with laws, regulations, and instructions yet to come — and sees "simplified" health care, had better get new eyeglasses.

And anyone who thinks government can better manage America's \$900 billion a year health-care industry — larger than the entire economy of France — has probably been napping during the entire 75-year rise and fall of Soviet state socialism.

America doesn't desperately need to do anything about its health-care system. For all of its flaws, it's still the best in the world.

If we're serious about trying to reduce the rate of inflation in the system and make health coverage available to the uninsured, we can and should do so — but without creating another huge entitlement program that will bankrupt the country and reduce the quality and efficiency of our medical care.

If you'd like to know about the Heritage Foundation's Consumer Choice Health Plan, a plan that would really fix the problems — without "fixing" us — just drop me a note and I'll send you some free information. The address is 214 Massachusetts Ave., N.E., Washington, D.C. 20002.

Unlike all the "free" benefits offered by Dr. Clinton, the material I send you will really be free. It won't cost you or your employer a single cent (other than the cost of your note paper and a 29-cent stamp).

In the meantime, the best advice I can offer is this: If the Clinton plan becomes law, don't get sick.

(Note: Feulner is president of The Heritage Foundation, a Washington-based public policy research institute).

## Obituaries

### BEATRICE COVINGTON

Services for Beatrice Covington, 63, of Floydada were at 10 a.m. Saturday, Nov. 6, in Moore-Rose-White Funeral Chapel in Floydada with Frank Taylor, pastor of Church of the Nazarene in Plainview, officiating.

Burial was in Floydada Cemetery by Moore-Rose-White Funeral Home.

Mrs. Covington died at 3:38 a.m. Thursday, Nov. 4, 1993, in St. Mary's Hospital in Lubbock.

She was born Beatrice Watkins on Sept. 9, 1930 in Floyd County. She married Benjamin Robert Covington in 1943 in Floydada. He died March 29, 1962.

She was a housewife and a member of the Assembly of God Church.

Survivors include three daughters, Darlene Saens of Granbury, Diane Nelson of Ft. Worth and Glenda Harmon of Plainview; six sons, Robert, Stanley and Steve Covington, all of Chandler, Keith Covington of Plainview, Kenneth Covington of Dimmitt and Glen Vasquez of Ft. Worth; one sister, Lois Taylor of Amarillo; 25 grandchildren; and nine great-grandchildren.

### CLYDE M. SAUL

Services for Clyde Mancel Saul, 77, of Lockney were at 2 p.m. Tuesday, Nov. 9, in the First Baptist Church of Floydada with the Rev. Floyd C. Bradley, retired Baptist minister, officiat-

ing. He was assisted by the Rev. Howell Farnsworth, pastor of the First Baptist Church in Floydada, and the Rev. Robert Saul, son of Clyde Saul.

Burial was in Floyd County Memorial Park by Moore-Rose-White Funeral Home of Floydada.

Mr. Saul died at 6:26 a.m. Sunday, Nov. 7, 1993, in St. Mary's Hospital in Lubbock following a lengthy illness.

He was born on April 4, 1916 in Salesville, Texas. He married Allene Evans in June 1940 in Kress. She died March 19, 1971. He married Margaret Biggs on April 14, 1979 in Floydada.

A graduate of Plainview High School, he attended Wayland Baptist University, Howard Payne College at Brownwood and graduated from West Texas State College. He taught school, farmed, ranched and operated several businesses, including Livestock Auctions at Floydada and Tulia.

He was a member of the First Baptist Church.

Survivors include his wife, Margaret; three sons, Robert Mancel Saul of New York City, N.Y., and Ft. Worth, Tex., Jim Saul of Quitaque, and Ricky Biggs of Plainview; one sister, Reba Hanna of Mineral Wells; two brothers, Doyle Saul of Plainview and Leon Saul of Mineral Wells; six grandchildren; and three great-grandchildren.

He was also preceded in death by a sister, Arlene Snow and a brother, Leroy Saul.

Pallbearers were Kirk Saul, Scott Saul, David Saul, Leroy Immel, Weymon Saul, Chuck Saul, Jerry Hanna and Roland Saul.

The family suggests memorials be made to a favorite charity.

### RUTH S. SHAW

Funeral services for Ruth Simpson Shaw of Laguna Niguel, Calif., were held Saturday, Nov. 6, in Newport Beach, Calif.

Mrs. Shaw passed away Wednesday, Nov. 3, 1993, in a Costa Mesa, Calif., hospital.

She was born in Floydada on Sept. 12, 1923. She graduated from Floydada High School and attended West Texas State University. During the World War II years, she was employed in Washington, D.C. She and Don Shaw were married Dec. 24, 1945. He passed away in 1988.

Survivors include two sons, Jim Shaw of Severna Park, Maryland, and Randy Shaw of Costa Mesa, Calif.; one sister, Virginia Holland of Dallas; two brothers, Jim Simpson and Jr. Simpson, both of Floydada; and three grandchildren.
