Tax suits to be published

Beginning next week, at the request of the Floyd County Appraisal District, and with the approval of all taxing entities, this newspaper will begin publishing the names of those individuals who have had suits and judgements against them for delinquent taxes.

New principal joins junior high school staff

Eddie Sneed, has been busy learning everyone's name at Floydada Junior High School, as well as becoming familiar with his new duties as principal.

Before coming to Floydada, Sneed was the principal for three years at Hamilton High School. His wife, Pat, taught freshman and junior English at Hamilton.

The Sneeds are both graduates of Canton High School. They married in 1968, after graduating, and Eddie joined the army while Pat continued her education at East Texas State University, eventually earning a Master's in Education.

After military service, Sneed earned a living as a carpenter before he too went back to school. In 1974, while his wife taught school, Sneed attended East Texas State University and earned his Bachelor of Science.

After graduation he taught at Tyler Middle School and continued to work on his Master's Degree in Education.

After five years at Tyler, Sneed bought his own service station. After a short three years out of the field of education, in 1986 Sneed went back to teaching Physical Science, Physics and Chemistry at Mabank High School. He also coached boys basketball at Mabank.

In 1988 Sneed became assistant principal at Mabank and then in 1991 moved to Hamilton High School.

Pat, who has been teaching for over 20 years, is now teaching 6th grade Social Studies at Andrews Elementary School.

The Sneeds have two children, a 19 year old daughter, Sheridan, who is a student at MCC in Waco, and 15 year old Josh who is a freshman at Floydada High School.

"The secretary and staff that I have, have this new job very easy for me," said Sneed. I can't say enough good things about them.

"I don't plan on making any big changes here. Things are running very smoothly and I want to keep it that way. There are bunch of real good kids here, and I hope to see a continuation of good things.

Floydada City Council votes to set 40¢ tax rate

FLOYDADA — Council members for the City of Floydada voted unanimously to set the 1994 tax rate at \$0.40 per \$100.00 valuation. The rate has remained unchanged for more than a dozen years. The tax rate was set following a scheduled public hearing on the budget. Motion to continue the tax rate at 40 cents was made by Councilman Wayne Tipton and seconded by Councilman Dale Lawson. All voted in favor.

Two public hearings were conducted during the session. No citizens were in attendance to voice comments at either hearing. The first hearing concerned the proposed application for a TCDP grant to fund additional water line improvements within the city. With no one in opposition, the city will submit the application. Proposed work will be in the general area of 10th to 12th Street and Virginia to Georgia Street.

The second hearing was on the proposed budget for the 1994-95 fiscal year which will begin October 1, 1994. Following the hearing, the council approved the budget as submitted. Motion for the approval was made by Councilman Clar Schacht with a second by Councilman Albert Hill. All voted in favor.

The budget places the revenue for the year at \$3,410,557 from all sources.

Terrell's unique teaching style leads to award

By Alice Gilroy
LOCKNEY—For many years the students, teachers, administrators and parents associated with Lockney Junior High School, have known there was something special about language arts

teacher, Linda Terrell. Those who know her feel that it's about time she was recognized as special. No one was surprised, except maybe Terrell herself, after she was chosen to represent Region 17 as the 1994

Regional Secondary Teacher of the Year. Region 17 represents 61 school districts, 80,000 students and 6,000 teachers.

Terrell's name was then advanced for consideration in the state Teacher of the Year competition in which she competed

against representatives from 19 other Education Service Center Regions. Although she did not place as a finalist in that competition, it did not stop her peers and her students from honoring Terrell with an award ceremony Monday afternoon.

Joe Neely, Executive Director of Region 17, and Phyllis Kinnison, Coordinator of Communications in Region 17, presented Terrell with a plaque in recognition of her award.

"This is not an easy award to get," said Neely as he addressed the assembly. "Students usually don't get to the point you want to tell teachers how much you appreciate them until later in life."

Lockney Superintendent Raymond Lusk said, "In Mrs. Terrell's room you never know what will be going on. It is an exciting class...crazy and wild at times."

"If you hear the sound of Linda's heels tip tapping down the hall," said Junior High Principal Terry Ellison, "you know she is hurrying from one place to another."

And hurry she does—just to keep up with her students.

If you stop in for a visit, you find yourself caught up in the enthusiasm of Terrell and her students. You can't help yourself.

Terrell's rooms (both in junior high and high school) reflect not only her personality but the personality of every student in her class. Artwork lines the walls from top to bottom.

Terrell's students don't just write a book report—they illustrate it. You don't just learn punctuation—you illustrate it. They don't just learn how to write—they write their own books (four each year for each student).

"I realize students learn best through hands-on experience," said Terrell, "so I have created a kinesthetic environment. My classroom becomes a visual showcase of students' work, with posters hanging from wires around the room and blanketing the ceiling. I consider art an extension of literature and I believe art is a natural expression of learning."

A 7 1/2' tree in Terrell's classroom is adorned with green leaves cut from construction paper. Each time a student finishes a book, he or she cuts out their own leaf and places it on the tree.

In the first five weeks, 68 eighth grade students have read 82 books (the books are checked out of a library within Terrell's own room).

Silent reading time is set aside the last 15 minutes of Monday-Wednesday-Friday classes. During this time students can sit on the floor, on bean bags or in the famous 8' X 4' loft built in the classroom.

Carpet remnants cover this area where 4 students can recline and read below or on top of the loft. Terrell says she has

National Merit List recognizes J.W. Poteet II

FLOYDADA--1994 Floydada High School graduate, J.W. Poteet II, has made the 1995 National Merit Semifinalists list for the National Merit Scholarship Program. More than one million juniors in more than 19,000 U.S. high schools entered the scholarship program in 1993 by taking the Preliminary Scholastic Aptitude Test. The list of semifinalists tallies 15,000.

Floydada High School principal, Joe Christian, said, "This was the first student to qualify in as long as we can remember. We're very excited for J.W. and wish him much success."

Poteet graduated from Floydada High School in three years and is now attending college in Oklahoma.

High school students who are designated as semifinalists in the National Merit Scholarship Program have an opportunity to advance in the competition by qualifying as finalists. Finalists are considered for some 6,700 Merit Scholarships that are offered annually and supported by 600 independent organizations.

The Merit Program is conducted by National Merit Scholarship Corporation (NMSC), a privately financed, not-for-profit organization that operates without government funding. In the 39 annual competitions completed to date, more than 148,500 distinguished students have won Merit Scholarships representing expenditures and commitments totaling \$48 million. Next spring, NMSC will announce the 1995 class of Merit Scholars who will receive awards worth about \$26 million for college undergraduate study.

TEACHER OF THE YEAR--Language Arts teacher Linda Terrell was presented with a plaque during an assembly, Monday, September 19, recognizing her recent Regional Secondary Teacher of the Year award. Shown

here are: (l-r) LISD Superintendent Raymond Lusk, Junior High Principal Terry Ellison, Linda Terrell, and Joe Neely, executive director of Region 17.

Search for additional physician contemplated

FLOYDADA — Clinic Administrator Bob Ericson reported to the Caprock Hospital District Board of Trustees that Dr. Antoine Albert, the clinic physician, is recommending that a search begin for an additional doctor to staff the clinic. According to Ericson, Albert feels that the practice will be in a position to support another doctor in the not so distant future. Another doctor will also need to be in place and established prior to the expiration of Albert's two year contract.

Ericson told the board that he is receiving calls from physician recruiters on a daily basis asking what the needs in Floydada are and offering prospective physicians. "They indicate that they have physicians who want to come to this area and practice," said Ericson.

Board member Joy Assiter asked board president Tom Farris if there had been any contact with St. Mary's in regard to physician recruitment. Farris replied, "They are still interested but feel that they cannot even talk to us until the Swate matter is settled and it is not settled at this time. I know they are interested in us, but have no indication as to the extent of that interest at this

time."

Ericson also reported that the computer billing and bookkeeping system for the clinic is due to be up and running by September 30.

The matter of discussion and a decision concerning the proposed purchase of a second ambulance for use by Floydada EMS was again tabled. Farris told the board that specific information is not yet available for presentation to the board. He also told the board that a committee is being formed to research the proposed purchase and formulate specifications to take bids on.

Farris appointed J. R. Turner to represent the hospital district on the committee. He noted that board action is not necessary for a board appointment to a

committee for information gathering and fact finding.

Dr. William Dean D.D.S. met with the board to report that two additional dentists, a surgeon and an orthodontist, are now spending two days a month at his office in Cogdell Clinic. He said that this arrangement is not benefiting him monetarily as the two are not paying him for office space, but will be a benefit in available services to patients here in the Floydada area.

Dean also asked that the board consider altering his contract when it comes up for renewal at the end of December. The original contract was for one year with monthly extensions following that

BY THE WAY!

BY
ALICE
GILROY

The fair is over—I'm pooped. But not near as pooped as the people that really worked at the fair.

It was a great three days—the Fair Board went way beyond the call of duty and really kept everyone entertained. By the time Sunday rolled around my camera was even tired.

Which leads me into an excuse. I don't know what happened to the steer and heifer pictures I took on Sunday. The pictures are terrible. The only thing you can remotely see is the banner on the backdrop.

I just got the camera out of the shop the week before the fair. I also had my lens checked out. Both repairmen said there was nothing wrong with either item. Go Figure!

Anyway—I'm really sorry. I know a lot of people worked very hard and were depending on me and my camera to record the winning events. I am capable of taking pictures—we took a lot of pictures—but all my inside pictures were terrible. Sorry.

Besides my catastrophe it appeared everybody else had pretty smooth sailing—except for the black-out Saturday night.

Actually it was kind of fun. It sure stirred things up for awhile.

The power went off shortly after 8:00 p.m. and the fair barn was pitch black. You know that expression—"Dark as the inside of a cow"—now I know what they mean. You couldn't see your hand in front of your face.

The booth I was sitting at was near an outside opening so once my eyes got accustomed to the light we made out OK. The booths down the hallways were out of luck.

The dark didn't seem to bother people too bad (except for some children who were separated from their parents), but when the bats started flying so did the vendors.

I was plenty brave about the dark—but the flying rats were another matter.

Anyway—it livened up the evening and SPS came to the rescue. Within an hour the lights were back on.

Just a quick advertisement!
The Chow Dipper, by Ken Towery, is now available in the Floydada office and the Lockney offices of this newspaper.

I am so excited and so proud of my dad I could pop. I would tell you that it is a wonderful book—but ya'll know that I am biased—so you'll just have to buy it

and see for yourself.

It is great reading for those interested in the history of WWII and the fall of Bataan and Corregidor—for those interested in political history in Texas and Washington and for those journalist interested in a newspaperman's view on controversial stories (such as the Texas Veterans Land Scandal).

The cost of the book is \$22.95, but Floyd County folks get a 20% discount. Your price, including tax, is \$19.69.

Buy one now and bring it to a book signing party in October. We'll let you know for sure which day the author will be here.

COURTROOM ACTIVITIES

In district court, September 13, Raymond Mendez, 17, of Floydada, pled guilty to Forgery, which occurred on April 23, 1994. He was sentenced to 5 years probation, \$250.00 fine, restitu-

Floydada Police Report

A Floydada resident was the victim of a car theft, September 20, however his vehicle was recovered with the help of an alert truck driver.

According to police, at 3:21 a.m., a trucker used his CB radio to report an abandoned vehicle to the police department. An officer went to the scene, approximately 3 miles out of town, near Brown Gun on Hwy. 62, and found a 1987 Pontiac Sunbird with a broken steering column.

The owner was notified and after he checked out the vehicle he discovered that several items had been stolen from the car.

Missing from the vehicle were: a Mossburg 12 gauge pump shotgun, valued at \$208.70; a Daisy BB pellet gun, valued at \$75.00; a black belt, \$60, and a belt buckle, \$60. Approximately \$200 in damage was done to the vehicle.

September 18, at 1:57 a.m., police stopped a vehicle after they observed that the driver was failing to maintain a single lane of traffic. The driver, Elva Martinez, 32, of Floydada, was subsequently arrested and charged with DWI.

September 17, at 4:00 p.m., police took a report of a dog bite on the forearm of a 6 year old girl. According to police reports, the child had been warned not to approach the dog while it was eating, but the child was left unattended for a brief time and touched the dog.

The girl was transported to W.J. Mangold Memorial Hospital where she was treated and released. No stitches were required.

The dog was chained in a back yard at the time of the incident.

Lifestyle Clinic reopens with two doctors

Lifestyle Clinic has reopened in Floydada, with the return of Dr. David Martin, D.C., and the addition of Dr. Randell L. Hunter, D.C., C.C.S.P.

The initials at the end of each doctor's name refers to Doctor of Chiropractic medicine. Hunter is also a Certified Chiropractic Sports Physician.

Before coming to Floydada, Dr. Martin and Dr. Hunter were partners in a clinic in Denton. After Martin left to come to Floydada, Hunter took over the Denton clinic. Dr. Hunter has now rejoined Martin in the Lifestyle Clinic on a part time basis. He will also maintain a clinic in Quitaque, where he lives with his grandfather.

A native of Flomot, Hunter graduated Matador High School in 1980. He went on to West Texas State University where he graduated Cum Laude in 1984, with a BS degree in General Studies.

He continued his education at Texas Chiropractic College, in Pasadena, graduating Magnum Cum Laude in 1988. He then entered into practice in 1989 in Denton.

Dr. Hunter has also completed post graduate studies at the Parker Chiropractic College in Dallas in the area of

sports related injuries.

Because of his expertise in this area, Dr. Hunter works with the Pro Rodeo

circuit in conjunction with the Wrangler Sports Chiropractic Program. "I hit all the local rodeos such as Fort Worth and

Lockney ISD works through short agenda

LOCKNEY—Members of the Lockney School Board met Thursday night for their regular monthly meeting and worked through a short agenda. Their meeting included recognition of Linda Terrell as the Secondary Teacher of the Year, a records retention proposal, policy updates, resolutions, maintenance projects and reports by the principals and athletic director.

Linda Terrell has been chosen as the 1994 Teacher of the Year for Educational Service Center for Region 17. The board members signed a recognition letter stating, "We are fortunate to have you as a member of the faculty of Lockney Schools and are proud of the honors you have brought to yourself, to your students and to the Lockney Independent School District."

"May we express our thanks to you for your dedication to your profession, to this school, and most of all, to the children of Lockney."

"Our congratulations and best wishes in the State Teacher of the Year competition."

Superintendent Raymond Lusk reported that 95.68 percent of the taxes for 1993 have been collected. The certified rate is 96.4 percent.

Several 8th grade students are presently taking Ag Science on the freshman level. The school is allowed through a waiver process in order to award high school credit to these students. The motion was made by Bernie Ford and the second made by Dickie Lambert.

Members of the board voted to accept the waiver.

Mike Mathis asked if the purchasing group for the lunchroom was satisfactory. Lusk replied that it is really too early to tell but that so far the service has been good and deliveries have been made on time.

Trustees voted to approve Policy Update DEC. This update consisted of minor adjustments to clarify provisions in the local policy text concerning the concurrent use of leave. They also voted to approve the resolution for an amended local Cafeteria Plan (Section 125 of the Internal Revenue Code) to include a child care benefit.

A bid of \$365.67 from Manuel Solis was accepted for Lot 40, Block 2, of the Tuttle Addition in Lockney. This bid was made to the City of Lockney and must be accepted by all taxing entities. The motion to accept the bid was made by Bernie Ford and the second by Dickie Lambert. All voted in favor of the motion.

Lusk reported that the school district is required to have a Records Retention Plan in place by January 1. Along with this plan all records must be sorted, organized, and categorized according to standards set by the Texas State Library Records Management Division.

He added that a proposal had been made by Records Consultant, Inc. to do this for the district. After some discussion the board voted to table this item until a further study could be made.

LHS Principal James Poole reported that he is very pleased with the Alternate School in Floydada. Currently there are 11 Lockney students attending this school and he reported that three of the students will finish at mid-term.

"These students probably would not have gotten their diploma if it had not been for this school. The moral is good and the kids work at their own pace. Overall we are pleased," Poole stated.

He told the board members that the senior class had voted to combine their Baccalaureate and Graduation exercises. Several reasons the students gave included changing traditions, hardship of family coming from a distance, and the time involved in two nights. The board members agreed to let the students decide.

Poole also reported that Journalism teacher Lisa Mosley is wanting to take 14 Journalism students to Dallas to tour Taylor Publishing Company. Money was budgeted for a trip last summer that was not taken. He stated that the money could be used for this trip. The board agreed to the trip.

Phil Cotham, elementary school principal, stated that he was very pleased with the parent meetings that were held in place of the Open House that had been held in the past.

He said that the teachers in each of the grades had told the parents what they expected from the children, what the parents could expect in the way of homework and plans for discipline.

"I explained about attendance and tardies as well as how to use the incoming lane in the parking lot to drop off children in the morning. We need some more practice in this area but it is getting better, he stated.

"The comments from the parents about the meetings were very positive. We may have open house in the spring in conjunction with Texas Public Education Week," he continued.

Discussion was held on the parking lot at the football field and the one across east from high school. The board voted

to cover both the lots with rock taken from the abandoned railroad. Dan Smith stated that he would spread the rock to cut down on the expense.

Lusk gave a report on the proposed library for high school and junior high. He stated that he would have an architect at the October meeting so that they could discuss plans and ideas. The old gym in the southeast corner of the high school is the proposed location for the library.

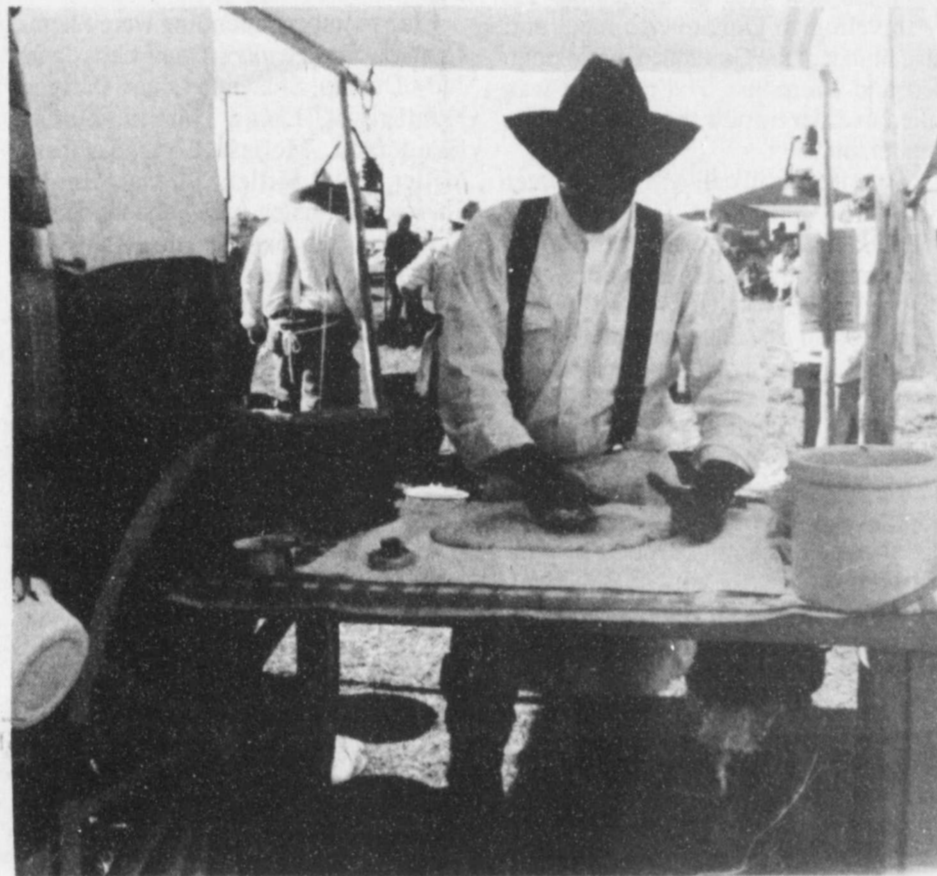

Athletic Director Malcom Moerbe reported to the board on the football teams and coaches. He stated that the 7th and 8th grades had won their games with Crosbyton and that the JV had lost. He stated, "We are all ready to go Friday. We have practiced well all week and the doctor has cleared the boys who were injured at Petersburg last Friday night. We are glad that those injuries were not as serious as first thought."

"I am extremely proud of the job the coaches have done. They are doing such a good job and working with the kids quite well. They are professionals on the field as well as in the classrooms."

Lusk commented that the South Plains School Board Association would hold their fall meeting on Monday, September 26 at 6:30 p.m. in the Regional Service Center XVII. In addition to a business meeting the Speaker of the House Pete Laney will give a Legislative Update. He reported that he will be attending and all board members are invited to attend also.

Regular items on the agenda were the reading and approving of the minutes of the last meeting, the paying of current bills, and reviewing of the financial statement. No one was present for the public forum.

Present at the meeting were Trustees Jim Bob Martin, Paul Glasson, Mike Mathis, Dan Smith, Bernie Ford and Dickie Lambert. Also present were Superintendent Raymond Lusk; Principals James Poole, Terry Ellison, Phil Cotham; Athletic Director Malcom Moerbe and the Hesperian-Beacon reporter.

CHUCKWAGON BISCUITS--Cooks were busy during the Chuckwagon Cookoff, Saturday, at the Floyd County Fair. Rules of the cookoff were strict, requiring period dress and equipment. This cowboy was working hard preparing sourdough biscuits which will be placed in a dutch oven under a bed of hot coals to cook. Staff Photo

1990 Study Club plans for new year

By Sandra Schwertner
 FLOYDADA--The 1990 Study Club met September 14, at 7:00 at Lighthouse Electric. The meeting was then called to order by President Shelly Smith. Shelly then welcomed members and recognized new members.
 Sandra Schwertner, sunshine girl, took roll call and everyone introduced themselves. She then read a letter of resignation from Traci Helms and thank you note from Floydada EMS for the donation that was made for the ambulance fund.

Kelly McCormick took the floor discussing committees and our new year books. Kelly collected dues of \$5.00 for the year. Sandra then had everyone draw secret sisters for the 1994-95 year. Holly Lee made the motion that there be four gifts for secret sisters per year and have the April meeting designated for people that have summer birthdays.

All members chose committees they wanted to serve on and then split into groups to discuss our projects for the year. Jeanine Helms made the motion to have a carnival at Halloween for the children. A date will be decided at the next meeting. Chairman of our Punkin Days committee will be Becky Sharp.

Delinda Lucke and Rita Kennedy presented candy announcing that they are expecting. Congratulations Marty and Delinda and David and Rita on your great news.

The club presented past president Denise Holcombe with a gift and scrapbook for the great job she did in 1993-94. A lot of hard work was put into the scrapbook by committee members,

Jeanine Helms, Delinda Lucke and Tracy Campbell.

All members brought a salad or dessert and then we revealed secret sisters from the 1993-94 year.

Those attending the meeting were Kim Hardin, Tammy McDonough, Jeanine Helms, Anna Leta Bradshaw, Cesali Ericson, Dara Ware, Mendy Shurbet, Gayla Marble, Delinda Lucke, Betty Ann Fortenberry, Becky Sharp, Regina Smith, Robin Nixon, Jan Beedy,

1956 Study Club begins year with visit to Quitaque

By Leora Younger
 FLOYDADA--The 1956 Study Club began the new year on September 13, by traveling to Quitaque to meet and have dinner at the Quitaque Quail Lodge Bed and Breakfast. The meeting was called to order by new president, Donna Henderson.

Response to roll call was "A Summer Moment."

Thank you notes and other correspondence was ready by Teresa Minnix, secretary. The club voted for Trina Simpson to become an associate member.

Members also voted to give a donation to the scholarship for the Floyd County Fair Queen Contest and to donate \$5.00 to the American Heart Association for each club member that participates in the "Walk for Heart" on the walking path Saturday, Oct. 1, at 9:00 a.m.

Atha Sue led the discussion concerning the annual Tator Bake to be held before the Littlefield game on Friday, Oct. 14, 5:00-7:00 p.m. Price of tickets are \$4.00 for adults and \$2.00 for children under 12. These may be purchased from club members or at the door the night of the Tator Bake.

Secret pals were revealed by giving her a gift. Those wishing for secret pals this year, drew names.

El Progreso Club meets for lunch at Lamplighter

By Alice Mitchell
 El Progreso Study Club enjoyed their first meeting of the 1994-95 year with a lunch at the Lamplighter Inn in Floydada. The meeting was opened with a prayer led by Arla Copeland.

This marked the 67th year for the organization. It is the clubs policy to suspend their meetings during June, July and August.

Elaine Gibson, president of the club, invited the members to serve their plates from the buffet in the dining room.

Members present were Arla Copeland, LaVerna Sams, Kathleen Thornton, Edythe Clark, Hazel Johnson, Cornelia Johnson, Doris Thacker, Alice Mitchell and Elaine Gibson.

After lunch Mrs. Gibson reviewed the events of the coming year and admonished us to "Take Time For Living". The Club Woman's Collect was recited by the members and club was adjourned.

The members were invited to take a tour of the Lamplighter Inn and enjoy the antique furnishings provided in the various guest rooms.

The October 12th study will be held in the home of Elaine Gibson.

Senior Citizen Rockins

By Gene Newton
 There were 52 members and guests present for a delicious meal and games last Thursday night.

I think we had a very nice fair last weekend.

We need to remember those who are ill. In the hospital are Margie Cypert, Myrtle Taylor, Mrs. Ferris, and Blanche Phegley.

We want to offer our sympathy to Kathryn Rucker Ball's children and grandchildren on their loss.

The Lockney Senior Citizens are in the process of getting a new cook - so stick with us and it will work out.

We will miss Sharon - she was a good one.

Geneva thanks everyone who helped at the fair in our booth. Judy Miller, a nurse at the Lockney hospital, won the quilt. She lives in Silverton.

The women at the center have started our Christmas quilt.

MR. AND MRS. RAY DuBOSE
 (nee Michelle Griffith)

Electric co-op plans new plant

Golden Spread Electric Cooperative has filed with the Texas Public Utility Commission a notice of intent to apply for a certificate of convenience and necessity for construction of a new 400 megawatt generating plant.

A final site selection has not been made, but two preferred sites are currently under consideration. One site is located in Moore County south of

Sunray, and the other site involves properties in Yoakum and Gaines Counties east of Denver City.

Approval by the Texas Public Utility Commission of the notice of intent will only give Golden Spread the right to file an application for a certificate of convenience and necessity, which is the authorization needed before the project could be constructed.

In its filing, Golden Spread advised the Commission that it also intends to solicit proposals from other utilities and independent power suppliers for both new capacity and demand side control options. The solicitation will be made in about three months and will include a request for purchased power or other supply options.

Golden Spread currently purchases wholesale power from Southwestern Public Service Company and from West Texas Utilities Company. SPS' 1993 load and capacity resource forecast, which includes the Golden Spread loads, shows a need to construct 486 megawatts of new gas turbine generating capacity to serve area loads.

Golden Spread President Robert W. Bryant said, "Our proposal does not duplicate any existing generating facilities. It simply means that SPS can defer the construction of additional generating plants on its system, and that will benefit SPS retail consumers."

Golden Spread's member systems are Bailey County Electric Cooperative (Muleshoe), Deaf Smith Electric Cooperative (Hereford), Greenbelt Electric Cooperative (Wellington), Lamb County Electric Cooperative (Littlefield), Light-house Electric Cooperative (Floydada), Midwest Electric Cooperative (Roby), North Plains Electric Cooperative (Perryton), Rita Blanca Electric Cooperative (Dalhart), South Plains Electric Cooperative (Lubbock), Swisher Electric Cooperative (Tulia) and Tri-County Electric Cooperative (Hooker, Oklahoma).

Five residents celebrate September birthdays

By Lorilla Bradley

September brings us autumn
With summer on the wane . . .
But birthdays still continue
With parties just the same!

We honor Mrs. Robinson
. . . Her years are 92 . . .
But she still likes birthday parties
With lots of things to do!

It's time to honor Otis . . .
. . . His favorite food is cake . . .
So any time you bake one
A great big slice he'll take!

To our Mrs. Fannie McConic
. . . She counts from 1909 . . .
We wish a happy birthday
At this her special time.

Salutes to Mrs. Bearden
. . . Her years are 94 . . .
She knows a lot of stories
About the days of yore!

Mr. Holt we're greeting . . .
. . . A man of many years . . .
We wish him happy birthday
With lots of luck and cheers!

Let's do the birthday "ditty"
To cheer these people on
So join us in the singing
With voices good and strong.

Thursday, Sept. 15, was party time at the Rest Home with members of the City Park Church of Christ hosting. The Hesperian photographer came for the picture taking followed by everyone being ushered into the dining room.

The honorees were seated at the "honor" table, their places being marked with special cards. The table was laid with a pink cloth and centered with a floral arrangement in shades of deep salmon and light bronze. The poem was read and all joined in singing the Happy Birthday song. Williams Florist and Card Shop presented each honoree with a lovely fresh corsage.

The refreshment plate contained delicious chocolate cake and angel food cake complimented with a tangy fruit punch.

Seated with Mrs. Bearden were family members, Connie and Raynelle, Arla Williams and Junior Bearden. Included was a special friend, Alma Smith. Another guest was Corine Lewis, sister of Doris Hillin. We are always so happy to have visitors and urge you to be with your friends and loved ones at this special time.

We surely thank all of you who help us any way during the party. Without you we might never "make" it! The next party will be Thursday, Oct. 20, 2:30 p.m. You are invited.

SEPTEMBER HONOREES—Four residents of the Floydada Nursing Home were honored with a birthday party Thursday, September 15. The four observing September birthdays were (l-r) Otis Johnson, Bernice Robinson, Emma Bearden and Robert Holt.

Floydada Senior Citizen News

By Margarette Word

FLOYDADA-- Remember to come to the center and eat a good hot lunch. Call by 10 a.m. We had 88 eating Wednesday, Sept. 14.

"Thank you", Howard Gene Bishop for the fresh tomatoes and for paying for the labor of cutting the weeds that had grown up around the center.

Our donations are coming in so good. We truly "Thank You." We have people lined up to paint the outside of the building and negotiations are being made to have the inside painted. Hopefully we can start in the next two weeks. If you would like to donate toward the improvements needed at the center, please send your check to the center, P.O. Box 573, Floydada, TX 79235.

Floyd and Elo Parks from Buena Park, California, were recently visitors of J.W. and Betty Gilbreath, W.B. and Eula Mae Cates, Bill and Estelle Gilbreath and Ruth Scott.

Jay and April Hollums are on their way to Florida. They are here for a few days visiting with Jay's parents, Teresa and Randy Hollums. Also Teresa's mother, Mrs. Grady Gay from Cleburne, Texas, has been here for about a month.

Ernestine Gilly, Grace Grundy and Larry and Gail Noland made a trip to Branson and Eureka Springs. They also stopped by Blue Ridge, Texas, to visit the Alton Noland. They were gone eight days.

Irene Irby had visitors recently. They were Mr. and Mrs. Foy Johnson from Tulsa, Okla., and Mr. and Mrs. Ed Meachem from Midland. They were on their way to Matador for a reunion.

Letha Mulder's two sisters from Littlefield, Lavis McGaugh and Inez Myrland, came to pick up Letha and then drove to Clarendon to another sister, Eunice Land to have a get-together. These four are the only ones left out of 12 children.

Thursday, Sept. 29, is Senior Citizen Day at the Lubbock South Plains Fair. A fun day has been planned by St. Mary of the Plains Hospital's Senior Class.

Small door prizes, free entrance fee for Thursday only to senior citizens, a dance contest, and many more entertainment events will take place. Make plans to go for a full day of fun. The center has a schedule, if you'd like to see it.

Remember the center stays open till 4 p.m., Monday through Friday.

Faye and William Bertrand spent the weekend in Lubbock. They attended a South Plains Emergency Medical Service meeting. Williams received "Volunteer of the Year Award," and Placido Gonzales the "EMT of the Year" award.

We are so grateful to have such a wonderful E.M.S. team to be on call day and night. Congratulations to these award winners and to all the volunteers for a job well done.

George Henry of Austin and Myrna Sartain of Houston were here recently visiting their mother, Juanita Henry.

Singles are meeting Saturday, Sept. 24, at 6 p.m. at the Floydada Senior Citizens Center. Please bring a dish. Hostesses will be Ernestine Gilly, Gladys Widener, and Beulah Baker.

Dollie Burgett of Dallas has been here for the past month visiting her sister, Beulah Baker. They have had a lovely

time visiting relatives and friends. They also enjoyed playing "84" at the center.

Please remember those in our nursing, retirement homes and those who are at home and in the hospital who are ill and need our prayers and concern. Send a card or go by for a visit and let them know you care.

Thought for the Day: "Let others see Jesus in you."

Floydada Nursing Home Happenings

By Jane Martinez
Activity Director

FLOYDADA--We have had a good week, we have enjoyed everyone that has come out to visit with us.

We have also enjoyed having the ladies that come to sing for us on Monday and Friday.

This week we had a good turnout for Bingo. I would also like to say that we have been having more of our residents come out for activities. One activity I can get a good crowd for is exercise. They really enjoy their exercises.

I would also like to thank the ladies of the Church of Christ for bringing the cakes and punch for our birthday party. We are really glad to have them as a part of our volunteers. We would like to thank Corine Lewis for helping serve and helping us clean after our resident birthday party.

Special thanks to Mr. W.H. Smith Sr. for all the watermelons he has brought us for our residents. They have enjoyed them. Also thanks to Sallinda Ruff for the crochet booties she gave Doris Hillin and Irene Sherrill when we went to the fair in Lockney. This ladies had a real good time at the fair. Also thanks go to Jessie Savage (the Jessie James Gang) for coming to play and sing.

Anyone wanting to come and play or sing for us, we welcome you. We also welcome anyone that wants to volunteer their time to us.

Until next week, see ya'll!

"Hawaiian Luau" serves as theme for club meeting

FLOYDADA--1950 Study Club members met September 13 in the home of Ellie Anderson. The theme for the meeting was a Hawaiian Luau. Members wore attire of the island. The sound of Hawaiian music and smells of wonderful "chicken stack" greeted those present.

The menu was prepared by Ellie Anderson, Shirley Morton, Roberta Russell and Nettie Ruth Whittle. Other members present included Nell Abram, Addie Assiter, Edris Edwards, Martha Lotspeich, Jane McCulley, Marjorie McElyea, Doris McLain, Lovene Moore, Sue Moore and Carol Reese.

Meeting was called to order by president, Jane McCulley, using her effective gavel. Joining the Heart Walk Oct. 1 was discussed and approved.

Course of study for the year is Preserving Our Family Heritage. New yearbooks were presented to members by committee, Roberta Russell, Shirley Morton and Nettie Ruth Whittle.

Program chairman Carol Reese introduced guest, Francis Weathersbee, who have a book review of Janette Oke's "Woman Named Damaris."

Phillip Glasson takes top grid prize in week three

First place this week in the Floyd County Hesperian-Beacon Football Contest went to Phillip Glasson of Lockney who was one of three contestants missing six games on the contest. Glasson selected Post to win over Floydada in the tie-breaker game. Due to the Post 40-8 victory over Floydada, he will be able to pick up the first place check for \$25.00 at the Lockney office on Friday, September 23. This is the best of three finishes for Glasson who took second place in the first week and honorable mention in the second.

The tie-breaker combined game score was used to determine the second and third place winners for this week since the other two contestants who missed six selected Floydada to win. E. M. Pyle Jr. of Lockney chose a tie-breaker score of 44, four points under the actual combined score of 48. A check for \$15.00

will be waiting for him in Lockney on Friday.

Billie Moore of Floydada earned third place and a check for \$10.00 by choosing a tie-breaker score of 27 points, twenty-one points under the actual combined score.

Earning an honorable mention for missing only seven games this week were Angel Blanco, Pam Fulton, H. G. Graham, and Jared Mosley, all of Lockney, and Clay Simpson, Brad Yeary, and Franklin Harris, all of Floydada. Missing eight were Billy Villarreal of College Station, Boyd Lee, Coby Marr, Harold Abney, and Dickie McCarty, all of Lockney, and Sammy Bradley, Gail Hale, Travis Gentry, Josh Tipton, Chad Turner, Sheree Cannon, Keith Marricle, Rodney Ferguson, and Mike Reeves, all of Floydada.

Fourteen entries missed nine games on the contest this week and twelve entries missed ten.

There were a total of 31 entries in the Lockney contest box and 57 entries in the Floydada contest box, making a total of 88 entries for the third week of the contest.

CONTEST RULES

Anyone above the age of seven is eligible to submit an entry except employees of this newspaper and their immediate families living in the same household.

No mail entries will be accepted. All entries must be submitted on the official entry form printed on the Football Contest page of each weekly issue. All entries must be taken to the Hesperian-Beacon Office, either at 102 W. Bryant in Lockney or 111 E. Missouri in Floydada. Each entry must be in the office no later than 5:00 p.m. on Friday of each week.

The contest is simple to enter. Clip out the entry form coupon on the contest page and circle the number corresponding to the team you think will win in each of the games listed in the footballs on the contest page. If you think two teams will tie, circle both numbers. Select a winner in each of the two tie-breaker games on the contest entry coupon and write your guess of the total combined points of the two teams in the accompanying football. If a

tie occurs in which a winner cannot be determined by using the two tie-breaker games, the prize will be shared by those tying.

Readers are reminded that entries are limited to one entry per week per person. Weekly winners are limited to one per household per week.

The contest entries will be graded each Monday following the weekend games. Results will be announced in the next issue of this newspaper and checks for prize money may be picked up at the appropriate Hesperian-Beacon Office, either in Floydada or Lockney, on Friday.

SPONSORS

Shopping with businesses sponsoring the contest will show your appreciation of their support for the local football contest. day, and Monday, December 23, 24, 25, and 26th The other half will be off Saturday, Sunday, Monday, and Tuesday, December 24, 25, 26, and 27.

Airport board members Charles Craig, Jeffery Johnson, L.B. Stewart, and Bill Brown were reappointed for two year terms to expire in 1996. Housing Authority board members Roxanna Cummings and Nick Long were also reappointed for additional two year terms while Barbara Gilliland and Ralph Jackson were reappointed to one year terms on the Planning and Zoning Commission and Board of Adjustment. All appointments were unanimously approved.

Permission was granted by the council to advertise the sale by sealed bid of several used vehicles.

The Floyd County Hesperian-Beacon was designated as the official publication for the City of Floydada for the coming year. Motion was made by Schacht and seconded by Tipton. The vote was unanimously in favor.

Payment of monthly bills was authorized following a review of monthly financial documents.

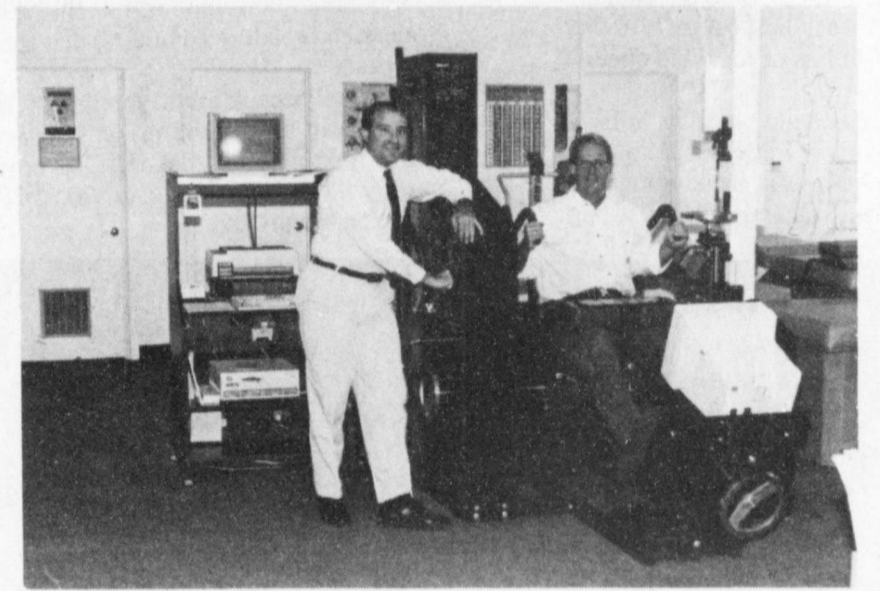

City Manager Gary Brown reported on possible recycling programs which might be instituted in the future. These include programs for paper of all kinds, oil, filters, glass, plastics and other items for recycling. He also reminded the council that water rates revert to the winter rates next month.

Minutes of the previous meeting were read and approved as presented.

Attending the evening session were Mayor Hulon Carthel, Councilmen Dale Lawson, Albert Hill, Clar Schacht, Wayne Tipton, and Eric Cornelius, City Manager Gary Brown, City Secretary Sharon Quisenberry, City Attorney Karen Houchin, Karen Lawson, Joe Stepp and the Hesperian-Beacon reporter.

"NEIGHBORS HELPING NEIGHBORS"

If you are living in an apartment or duplex, this may be the first opportunity you've had to experience the terrific benefits of having natural gas in your home. You will find that for heating your home during cold weather, for hot water, or for cooking, nothing beats natural gas for convenience, economy, and efficiency.

With cooler temperatures just around the corner, here are a few reminders from your friends at Energas Company on the safe and responsible use of natural gas where you live.

Your furnace needs an annual check-up.

Your natural gas furnace has been sitting quietly all summer, waiting for the time it's really needed. And like anything that's been idle a while, your furnace needs a checkup before it starts back to work. You may want to check with your landlord or apartment manager about arranging for an annual inspection by a qualified professional heating contractor. Once it's been inspected, your furnace should require very little attention the rest of the winter.

A closet isn't always a closet.

Your water heater or furnace is probably in a closet all by itself. And that's the way it should stay. As tempting as it may be, don't use the space around a water heater or furnace for storage. Even

if these major appliances sit in the open, the space around them should be kept clear to insure adequate air circulation.

If you smell gas.

We hope that you will never have to deal with a gas leak. If you do smell gas, day or night, exit the building then call your local Energas office immediately. Do not flip light switches or use any other electrical equipment. Do not light a match or a candle. Do not try to find the leak yourself.

For more information.

Get a free folder from your landlord or apartment manager. Or call your local Energas office.

Natural gas is the best energy you can have in West Texas for any home heating job. Just set your thermostat, and have a great winter!

Before the crowning of the new queen, 1993 Miss Floyd County, Tiffany Ellison, made her final walk down the runway. She was escorted by Tyson McDonald, Corbin Kellison, Alfred Martinez and Tim Mitchell. Miss Ellison told the audience how much she had enjoyed being Miss Floyd County, "and I hope that the girl who receives the crown tonight will enjoy it as much as I

have." She is presently a senior at Lockney High School and the daughter of Terry and Zeldia Ellison. Miss Floyd County and the four runners-up will receive \$1400.00 in savings bonds along with their crown, banner, silver trays and flowers. The money was donated by local businesses.

Paula Parker served as Mistress of Ceremony for both pageants and judges were Belinda Ellison, Debbie Staudt and Yvette Harris.

Handling fuel safely -- it only makes sense

--From American Petroleum Institute
Handling fuel safely is easy if consumers remember these two basics -- gasoline should be used only for its intended purpose, as a motor fuel, and stored correctly. Here are some other DO'S and DON'TS for consumers:

- DO --**
- *store gasoline outside the home, in a shed or detached garage.
- *store gasoline only in small amounts on a high shelf in a tightly sealed and clearly marked container especially made to contain gasoline, available at hardware and discount stores.
- *transport gasoline in a proper container if using your car, and make sure

the trunk lid is left slightly open to prevent vapor buildup in the trunk.

- DON'T --**
 - *try to put out a gasoline fire with water because water will spread the flames. Use only an approved (Type B or Type A-B-C) fire extinguisher to put out a gasoline fire, or leave the area immediately and call your local fire department for assistance.
 - *use gasoline as a cleaner or as a fire starter.
 - *store gasoline in glass or plastic milk jugs, or soda bottles.
 - *store gasoline near ignition sources, gas appliances or in car trunks.

IMPORTANT NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND FAIRNESS HEARING IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF ALABAMA SOUTHERN DIVISION

Russell Price, et al vs. Ciba-Geigy Corporation
NO. 94-0647-CB-S

U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO GALECRON®

and Their Spouses, Children, Other Relatives and Legal Representatives:

GALECRON® WAS A COMMERCIAL AGRICULTURAL PESTICIDE WHICH WAS MARKETED IN THE U.S. BY CIBA-GEIGY CORPORATION. IT WAS NOT MARKETED FOR RESIDENTIAL OR HOME GARDENING USE.

U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO GALECRON® MAY BE ELIGIBLE FOR FREE MEDICAL MONITORING AND/OR CASH PAYMENTS UNDER A PROPOSED LEGAL SETTLEMENT.

You may belong to a class of people covered by a proposed settlement of a legal action ("Settlement"), and you may be entitled to receive the benefits of the Settlement. This Notice tells who is covered by the Settlement, and describes the litigation, the benefits of the proposed Settlement, and your legal rights. All Settlement Class members who do not timely exclude themselves from the lawsuit will be bound by the Settlement if it is approved.

PLEASE READ THIS NOTICE CAREFULLY - IT MAY AFFECT YOUR LEGAL RIGHTS - FOR MORE INFORMATION CALL 1-800-565-3126

By Order of the United States District Court for the Southern District of Alabama, a class action has been conditionally certified for settlement purposes on behalf of Settlement Class Members (as defined below) who may now or later have claims against Ciba-Geigy Corporation arising out of work-related exposure to Galecron®. On January 30, 1995, a fairness hearing will be held at the Courthouse, United States District Court, Southern District of Alabama, 113 St. Joseph St., Mobile, Alabama, 36602, at 9:00 a.m. Central Time, so the Court can determine if the class action should be finally certified and if the Settlement summarized in the Notice should be approved as fair, reasonable and adequate. This hearing may be continued without further notice.

I. DEFINITION OF CLASS

Under the Settlement, Galecron® is defined as chlordaneform or any chlordaneform-containing product, either manufactured, formulated, packaged, distributed or sold by or on behalf of Ciba-Geigy Corporation or related parties, regardless of the trade name of the product; or any metabolite of Galecron®, including the substance known as 4-COT or 5-CAT.

The Settlement Class is defined as:

- (1) All persons who fall into one of the following categories, and who reside in the United States as of the date of filing of the Class Action Complaint, who have been exposed in the United States to Galecron® ("Exposed Persons")
 - a. **Plant Workers:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment at Ciba-Geigy Corporation's St. Gabriel, Louisiana or McIntosh, Alabama sites, was exposed to Galecron®, including, without limitation, individuals who worked in manufacturing, formulating or packaging Galecron® or in the waste disposal of Galecron®, or worked in the construction, demolition or maintenance of any facilities used for the foregoing activities at such St. Gabriel, Louisiana or McIntosh, Alabama sites; or
 - b. **Formulators:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment was exposed to Galecron® while at a plant or site which was involved in mixing, blending, packaging, handling or otherwise formulating pesticides which contained, in whole or in part, Galecron®; or
 - c. **Applicators:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment, was exposed to Galecron® while involved in the application of pesticides which contained, in whole or in part, Galecron®, including, without limitation, aerial and land applicators, flagmen, mixers, blenders, loaders and other individuals who handled such pesticide prior to or during the application process; and
 - d. **Other Covered Workers:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment was exposed to Galecron® at the Clean Land, Air, Water Corporation or Environmental Purification Advancement, Inc. disposal sites located near Bayou Sorrel, Louisiana; at Empak, Inc. in Deer Park, Texas; or in a testing or research laboratory, whether or not owned by Ciba-Geigy Corporation; or
- (2) The spouses, parents, children or other relatives of the Exposed Persons described above.

(Collectively "Settlement Class Members"). Note: If you are an Exposed Person, you are a Settlement Class Member whether or not you have been diagnosed with an illness. Spouses, parents, children or other relatives are Settlement Class Members but the claims they are settling are limited to those arising from an Exposed Person's exposure.

Relevant Dates
Galecron® was registered for use from 1968-1989. Some Exposed Persons may have been exposed before or after those dates.

II. IMPORTANT MEDICAL NOTICE To Plant Workers, Formulators, Applicators and Other Covered Workers (as defined above):

You may have an increased risk of developing bladder cancer if you had on-the-job exposure to Galecron®. Workers exposed to Galecron® should participate in a medical monitoring program because early detection of bladder cancer can result in more effective treatment. As part of the Settlement, Ciba-Geigy has agreed to establish a medical monitoring program for the detection of bladder cancer for those individuals who do not exclude themselves from the lawsuit. Within six months, this program should be available free of charge to all Exposed Persons who do not exclude themselves from the lawsuit.

If you had on-the-job exposure to Galecron®, it is recommended that you or your doctor call 1-800-565-3126 to learn how you can obtain further medical information or enroll in the medical monitoring program.

III. BRIEF SUMMARY OF LITIGATION

On February 8, 1994, a class action lawsuit was filed against defendant, Ciba-Geigy Corporation ("Ciba-Geigy"), in Alabama State Court, which lawsuit was later removed to the United States District Court for the Southern District of Alabama. The Complaint, as amended, alleges that the Settlement Class as defined above is entitled to damages for medical monitoring and other compensation as a result of Exposed Persons' exposure to Galecron®.

Ciba-Geigy has filed an Answer denying all essential allegations of the Complaint, and asserting affirmative legal defenses. The Court has decided that the case can proceed as a class action for purposes of settlement only. This does not mean that the Class Representatives would have been successful had the case gone to trial. The Court has made no such determination, and the proposed Settlement is not to be construed as an expression of any opinion by the Court as to the merits of any of the claims asserted against Ciba-Geigy.

IV. PROPOSED SETTLEMENT

A Settlement has been entered into between the Class Representatives, Class Counsel and Ciba-Geigy, which will resolve all past, present and future claims against Ciba-Geigy arising out of Exposed Persons' exposure to Galecron®. The Settlement provides for the establishment by Ciba-Geigy of two funds to provide medical benefits and compensation to Exposed Persons or their legal representatives.

(1) **The Medical Monitoring and Treatment Fund ("The MMT Fund").** If the Settlement is approved, Ciba-Geigy will make an initial deposit of \$5,000,000 into the MMT Fund, and will thereafter make additional deposits on an as-needed basis. There is no limit to the amount of money Ciba-Geigy can be required to contribute over the life of this Fund.

The MMT Fund will pay for a medical monitoring program designed to detect at an early stage the form of bladder cancer alleged to be associated with Galecron®: specifically, primary urothelial carcinoma of the urinary collecting system, i.e., renal pelvis, ureter, bladder and urethra. The MMT Fund will also pay for all medically necessary treatment not paid for by Medicare or Medicaid if the Exposed Person has been or in the future is diagnosed with such bladder cancer.

The MMT Fund will pay for medical monitoring to Exposed Persons for a period of 20 years, and will pay for medical treatment until one full year passes with no claims for treatment being filed but in no event less than 20 years. Ciba-Geigy will have no obligation to continue the medical monitoring and treatment program if the Settlement is not approved. Only Exposed Persons, i.e., eligible Plant Workers, Formulators, Applicators and Other Covered Workers, as defined in this Notice, will be entitled to medical monitoring and treatment.

(2) **The Disease Compensation and Administration Fund ("The DCA Fund").** If the Settlement is approved, Ciba-Geigy will also make an initial deposit of \$30,000,000 into the DCA Fund. In addition to medical treatment paid for by the MMT Fund, the DCA Fund will make cash payments of up to \$410,000, as set forth in more detail below, on behalf of an Exposed Person who, after exposure to Galecron®, has developed or in the future develops the form of bladder cancer alleged to be associated with Galecron®: specifically, primary urothelial carcinoma of the urinary collecting system, i.e., renal pelvis, ureter, bladder and urethra. Cash payments will vary depending upon the Exposed Person's age, smoking status and participation in the health screening program. For Exposed Persons who are non-smokers and participants in the health screening program, the cash payments will be as follows: (a) \$10,000 in the event of treatment involving an invasive procedure (this is a one-time payment regardless of the number of procedures); (b) up to \$150,000 in the event of a radical cystectomy (bladder removal) with diversion of the urinary tract, which amount will decrease with a person's age to a minimum of \$10,000 if the Exposed Person is 85 years or older; and (c) up to \$250,000 in the event an Exposed Person's death is found to be caused by bladder cancer, which amount will decrease with age to a minimum of \$17,500 if the Exposed Person is 85 years or older. An Exposed Person may collect separately for (a), (b) and (c) above, so that the maximum payment to an Exposed Person is \$410,000. The cash payments described above will be reduced by 12.5% if the Exposed Person had smoked in the five years prior to diagnosis. A separate 12.5% reduction will be made if he or she had failed to participate in the health screening program in each of the three years prior to diagnosis (or in each year that the program was available, if less than three years). The DCA Fund also will pay \$1,000 to any Exposed Person who was diagnosed with hemorrhagic cystitis within three months following exposure (this is a one-time payment regardless of the number of manifestations). In addition, the DCA Fund will pay for administrative costs, and class counsel's attorneys' fees, costs and expenses as determined by the Court. All cash payments from the DCA Fund are paid only on account of a compensable claim of an Exposed Person, i.e., an eligible Plant Worker, Formulator, Applicator or Other Covered Worker, as defined in this Notice. Cash payments to a spouse, parent, child or other relative will only be made if they are the legal representative of an Exposed Person.

The benefits of the DCA Fund will continue as long as the MMT Fund continues, or until the DCA Fund is exhausted as set forth below. Ciba-Geigy has agreed to pay up to a maximum of \$45,000,000 for the benefits afforded by that Fund. If the DCA Fund is exhausted, Ciba-Geigy may continue paying for compensable claims. If Ciba-Geigy does not continue to pay, Settlement Class Members will be able to opt-out of the DCA Fund and will retain their right to pursue any legal claims they may have, except for claims for medical monitoring, medical treatment, fear of illness or cancer, or increased risk of illness or cancer, because medical monitoring and treatment will continue to be available.

(3) **Other Conditions.** The Stipulation of Settlement presently provides for medical monitoring, treatment and compensation payments for certain medical conditions set forth in this Notice. In the event, however, that a Court approved Epidemiology Panel determines to a reasonable medical certainty that any other medical condition is caused by Galecron® exposure, that condition will be deemed a compensable claim, and will be eligible for medical monitoring (if feasible); medical treatment; and cash payments. The cash payments will not exceed the maximum amounts payable for the covered medical conditions set forth above.

(4) **Administrator.** A nationally recognized entity or entities with substantial investment and medical claims administration experience will be appointed by the Court to administer the Settlement. The Administrator will determine whether a Settlement Class Member is eligible for benefits under the settlement. Any disputes concerning a Settlement Class Member's entitlement to benefits will be resolved by a Medical Advisory Panel or by a single arbitrator, depending upon the issue in dispute. The decision of the Medical Advisory Panel or arbitrator each have the effect of an arbitration decision and shall be binding upon all parties, including the Settlement Class Member.

(5) **Release.** Settlement Class Members who do not exclude themselves from the Class release all past, present and future claims: (i) relating to the covered medical conditions listed above; and (ii) relating to an Exposed Person's exposure to Galecron®, including all claims alleging that any other cancers, personal injuries or risks are caused by exposure to Galecron®. This means that claims that Galecron® exposure caused any condition other than those medical conditions listed above will be released, but will receive no compensation or treatment, unless the Court approved Epidemiology Panel finds that such other condition is caused by Galecron® exposure. The release is effective as against Ciba-Geigy and certain additional releaseses as defined in the Stipulation of Settlement, including Ciba-Geigy, Ltd., the parent of Ciba-Geigy.

If you believe you are a member of the Settlement Class, and have any questions regarding any of the benefits set forth above, you are urged to call 1-800-565-3126 for further information.

V. CLASS REPRESENTATIVES AND CLASS COUNSEL

The Court has designated the following Settlement Class Members, Russell W. Price, Leslie E. Hovers, Grady W. Brown, Jennie Ropp Brown, Jack Harley Woodward, Alts Woodward, Joe H. Bowman and Martha Annie Bowman, as class representatives to represent all Settlement Class Members. The Court has also designated as Class Counsel the following individuals: Timothy E. Eble; J. Cecil Gardner; Joseph J. McKernan; S.C. Middlebrooks III; Charles W. Patrick, Jr.; and Patrick W. Pendley. The Class Representatives and Class Counsel believe that the proposed Settlement is fair, reasonable and adequate. Class Representatives and Class Counsel have entered into the proposed Settlement after weighing the substantial benefits against the probabilities of success or failure, and the long delays that would be likely if the case proceeded to trial.

There has been no agreement between the parties regarding attorneys' fees. At the fairness hearing, Class Counsel will request the Court to award attorneys' fees and reimbursement of costs and expenses, to be paid from the DCA Fund. Class counsel will request a percentage fee award not to exceed 20% of the benefit conferred on the class, half of which will be requested to be paid over a 4-year period while legal work continues.

VI. RIGHTS AND OPTIONS OF SETTLEMENT CLASS MEMBERS

If you are a Settlement Class Member, you have the following options:

- (1) **You may do nothing and remain a Settlement Class Member.** If you choose to take no action, your interests as a member of the Settlement Class will be represented by the Class Representatives and Class Counsel, at no cost to you individually. You will be bound by any judgment or final disposition of the litigation, and may participate in the benefits available as a member of the Settlement Class. It is important, however, to fill out the REQUEST FOR INFORMATION FORM in order to learn how to receive benefits.
- (2) **You may remain a Settlement Class Member and either represent yourself or hire your own attorney to represent you at your own cost.** You or your attorney must file an Entry of Appearance with the Clerk of the Court and send a copy to Class Counsel and Ciba-Geigy, at the addresses set forth below. Such Entry of Appearance must be filed by December 16, 1994.
- (3) **You may remain a Settlement Class Member and object to the Settlement.** Any Settlement Class Member who does not elect exclusion from the Settlement Class and who objects to the proposed Settlement must mail such objections and any supporting papers to the Clerk of the Court, at the address set forth below, on or before December 16, 1994. If the person filing the objection intends to appear personally at the January 30,

Hours by Appointment

1995 Fairness Hearing described above, he or she must file with the Clerk, on or before December 16, 1994, a Notice of Intent to Appear. Any Settlement Class Member who does not file objections in the time and manner described above is forever foreclosed from raising any objection to such matters. Any Settlement Class Member whose objection is overruled will still be bound by any judgment or final disposition of the litigation. Copies of all objections and Notices of Intent to Appear that are mailed to the Clerk of Court must also be mailed to Class Counsel and to counsel for Ciba-Geigy at the following addresses:

Class Counsel Galecron Class Action P. O. Box 974 Charleston, SC 29402	Counsel for Ciba-Geigy Henry B. Alsbrook, Jr. Adams and Reese 4500 One Shell Square New Orleans, LA 70139
---	---

(4) **If you choose to remain a Settlement Class Member (under Options 1, 2 or 3 above), you may receive the benefits afforded by this Settlement within six months of the Court's Order directing this Notice.** Ciba-Geigy has agreed to make all benefits afforded by this Settlement available to Settlement Class Members on an interim basis prior to final Court approval of the Settlement. The appropriate Proof of Claim forms will be required (see Section VII below), and an appropriate release will be required for any cash payments made. During this interim claims procedure, class counsel's fees and expenses will be paid upon approval of the Court and ultimately deducted from the DCA Fund initial deposit.

(5) **You may request exclusion from the Settlement Class.** If you elect to be excluded from the Settlement Class, you will not be bound by any judgment, disposition, or settlement of the class action, but you also will not be able to participate in the Settlement. You will retain and be free to pursue any claims you may have. If you wish to exclude yourself from the Settlement Class, you must mail a request for exclusion to the following:

Clerk of Court
United States District Court
For the Southern District of Alabama
113 St. Joseph Street
Mobile, Alabama 36602

Your exclusion request must set forth your full name and current address. Your written request for exclusion must be post-marked no later than December 16, 1994.

VII. PROOF OF CLAIM PROCEDURE

In order for an Exposed Person to receive medical monitoring, he or she will be required to submit proof of certain employment-related exposure to Galecron®. In order to receive medical treatment or the disease compensation outlined above, a Settlement Class Member will also be required to have been diagnosed, subsequent to exposure, with one of the covered medical conditions listed above. A Proof of Claim to participate in medical monitoring may be submitted at any time during the duration of the program. A Proof of Claim for a covered medical condition must be submitted within one year of diagnosis (or, if the condition has already been diagnosed, within one year after approval of the Settlement). The Proof of Claim is designed so that you may complete it yourself. Class Counsel is available to answer questions you may have about claims procedures, without charge to you. If you desire legal assistance, you are free to retain an attorney of your choice.

To obtain a Proof of Claim Form for medical monitoring, medical treatment or disease compensation, please call 1-800-565-3126 or fill out the REQUEST FOR INFORMATION FORM below and mail it to Class Counsel at P.O. Box 974, Charleston, SC 29402. No benefits will be available to any member of the Settlement Class unless he or she submits the necessary Proof of Claim Form.

VIII. FOR FURTHER INFORMATION

THIS NOTICE IS ONLY A SUMMARY. The complete terms of the Settlement, and all other pleadings and relevant documents in this litigation, are on file and may be examined or copied during regular business hours at the offices of the Clerk of the Court, United States District Court, 113 St. Joseph Street, Mobile, Alabama 36602. DO NOT CALL THE CLERK OF COURT if you have any questions about this Notice or the Settlement. Address any questions regarding this Notice or Settlement in writing to the Class Counsel at P. O. Box 974, Charleston, SC 29402, or by calling 1-800-565-3126.

Any requests for additional information, like the Proof of Claims Forms or a complete copy of the Settlement, should be made by calling 1-800-565-3126, or by filling out the REQUEST FOR INFORMATION FORM below and mailing it to Class Counsel. It is recommended that all Settlement Class Members who do not wish to exclude themselves mail the REQUEST FOR INFORMATION FORM, as it will facilitate further communication if the Court approves the Settlement. If you do not mail the attached form, the Court may not be able to communicate with you directly and you may not learn how to receive your benefits.

Post turns big plays into victory over Whirlwinds

By Bill Gray
 FLOYDADA--The Post Antelopes capitalized on three pass interceptions, scored three times in a 6-minute span of the second quarter, and glided to a 40-8 victory over the Whirlwinds at Wester Field on September 16. Although the total games statistics were fairly close (Floydada actually held a 16-14 edge in first downs and 26:25 to 21:35 time-of-possession advantage), it was the Antelopes' ability to make the big plays which catapulted the visitors to the lopsided result.

Post, a pre-season selection as one of Region I's premier Class 2A grid squads, improves to 2-1 on the year. The Antelopes will open District 4-2A action at Ralls this week. The Whirlwinds take a 1-2 season mark into their home encounter with the Childress Bobcats tomorrow night.

The game started without much fanfare. Following an exchange of punts, the Whirlwinds mounted a 9-play, 46-yard drive to the visitors' 40-yard line. Zach Abshier's first punt gave the Antelopes poor field position at their own 3. However, it took Post only four plays to cover the 97 yards to the Whirlwind end zone.

Post junior quarterback Bodie Simpson hit wide-out Cody Bain with a perfect aerial at the Post 45 on first down from his own 19-yard line. Bain avoided the would-be Whirlwind defender and raced untouched for 55 yards down the east sideline to pay dirt. The pass-and-run covered 79 yards and was a preview of the Antelopes' 2nd-quarter fireworks.

Following a Floydada turnover, Post covered 54 yards in 10 plays. Brad Lawson carried in from 3 yards out, Simpson ran the two-pointer, and the 'Lopes were on their way to their biggest-ever winning margin over the 'Winds.

Floydada's Sammy Rodriguez suffered his second interception three plays later when Simpson snagged an almost unbelievable one-handed catch and returned it to the Whirlwind 28-yard line. Casey Hart's halfback pass found Javier Saldivar all alone in the end zone, Simpson kicked the conversion, and Post was up 21-0.

Floydada was "three and out" late in the second period, and Abshier again was forced to punt. Post gave up its only turnover of the evening when Vernon Cooper recovered to put Floydada in possession at its own 39-yard line. The Whirlwinds moved toward the visitors' end zone shortly before the halftime break. It was during this series that Sammy Rodriguez was blind-sided after handing off to Frankie Luna. Sammy had to be assisted from the field and was unable to return to the contest.

It appeared that the Whirlwinds were on the verge of putting points on the board in the final minute of the quarter. Any Floydada hopes for a rally were dashed moments later when Brad Lawson stepped in front of a Floydada receiver, picked off an Abshier pass at the goal line, and breezed for the north end zone. The 100-yard return for a touchdown, as time elapsed, gave the Antelopes an almost insurmountable 27-0 halftime lead.

The Whirlwinds opened the second half with a determined drive from their own 30, but had to relinquish possession on downs at Post's 12-yard line.

Post JV team upends 'Wind Junior Varsity

By Bill Gray
 FLOYDADA--Post's JV Antelopes rallied for 20 second half points to defeat Floydada's JV Whirlwinds 26-6 at Post on September 15.

The 'Lopes scored on a 10-yard run in the first quarter, but Floydada answered on a 75-yard pass from Monty Anderson to Robert Cuba in the last minute of the second period. Neither team was able to convert and the score remained a 6-all deadlock at halftime.

The Antelopes scored on a five-yard run in the third period, and capitalized on a Floydada turnover with a 27-yard TD pass several minutes later. The JV Antelopes closed out the game with a 1-yard TD run in the final period.

The coaches named Monty Anderson, Robert Cuba and Frankie Maldonado as the outstanding offensive players. Defensive players of the game were Chad Benjamin and Julian Hernandez.

Antelope fullback Russ Bird's 71-yard sprint was cut short of a score by Monte Quisenberry's saving tackle at the 2-yard line. However, Bird crashed through on the ensuing play to extend Post's margin to 33-0.

Floydada moved 52 yards on eight plays in its next series, but again gave up the ball on downs at Post's 25. Brad Lawson broke into a long gainer into Whirlwind territory, and Floydada was flagged for a face mask infraction at the end of the play. Bullish tailback Alvin Reed then covered the final 38 yards for the Antelopes' sixth TD of the game. Simpson added Post's 40th and final point with a perfect kick.

The Whirlwinds averted their first regular-season shutout since a 21-0 blanking by Littlefield in 1990 by staging a touchdown drive in the final three minutes. Abshier's 16-yard pass to Ken Cummings moved the ball to Post's one, and Abshier's QB sneak blasted through on the next play. Abshier added the two-point conversion to cap the 60-yard scoring drive.

BILL'S NOTES

From looking at the final score, one might think that the Antelopes administered a "good country lickin'." Maybe it was. Floydada's offense sputtered at times, but the blitzing 'Lope defense had something to do with that. Post is a solid, well-balanced squad that should live to its pre-season expectations. If there is a better 2A squad in Region I (including Springlake-Earth) I would hate to tangle with it.

The 'Winds had some key people missing, and that had a lot to do with the run-away - especially on defense. There were at least two plays that could have gone either way (which contributed to a 28-point swing). In spite of the one-sided loss, there were some positive points for the 'Winds... the kind of things that keep 'em coming back regardless of the circumstances or the score.

Zach Abshier did a pretty good job, under a lot of pressure, and had an entire half of additional experience. I'll bet he wishes he had that pass back that went 100 yards the other way. He did another fine job of punting -- he nailed the 'Lopes down at their own 3 on one occasion (this is getting to be a game-to-game occurrence). Vernon Cooper, subbing for brother Pete, ran well and ran tough... plus had another good defensive outing. Monte Quisenberry made a couple of nice touchdown-saving tackles. Neal Nelson was missed on both sides of the line -- hopefully he'll be back in full form this week.

My choice for offensive player of the game goes to Vernon Cooper -- his 119 yards on 16 carries was his best effort as a Whirlwind. We'll see a lot more of this talented sophomore in the years to come. The offensive play of the game was Casey Hart's halfback toss for a TD which caught the Whirlwind defense totally off-guard.

Post's Brad Lawson gets my nod for defensive player of the game, and his 100-yard interception return for a score is my favorite for defensive play of the game. I didn't detect a "headhunter" hit. The lick given to Sammy, which put him out of action, came close... but I don't give my "headhunter" mention to an opponent.

An old adversary, the Childress Bobcats,

come calling this week in the 'Winds' last home appearance until an all-important district clash with Littlefield on October 14. The Bobcats bombed Class 2A Electra 44-0 last week, but Post and Electra aren't even in the same galaxy.

The Childress-Floydada matchups are legendary... part of the lore of Texas school-boy football. After an uncharacteristic hiatus from post-season play a year ago, the Bobcats are hoping to use the next two weeks as momentum-builders going into 1-3A action. Charlie Johnston's gang is gonna' have to use the Hamlin Pied Pipers as a stepping stone to springboard into district play because the Whirlwinds will have more than one surprise come tomorrow night. Rebounding from the narrow loss to Brownfield and the Post debacle, Floydada will clip the Bobcats' tails a little shorter... by a whisker.

FHS Coach's Comments

By Bill Gray
 FLOYDADA--In summing up the loss to Post and after viewing the game film, Coach Bryan Davis stated, "We didn't look very good at all at times, especially on defense. We still have a lot to do to try to stop the big plays... that's where Post hurt us the most."

The coach added, "Our kids were embarrassed because they know they can play better. This is not to take anything away from a good Post team, but we did not have a very good game defensively. There are going to be some changes and I know we can and will play better."

Discussing the upcoming Childress game, defensive coordinator David Carr said, "They are pretty basic and well-balanced. They have a fairly basic 2-

Breezer Football Report

By Bill Gray
 FLOYDADA--The 7th and 8th Breezers' "split squad" hosted Hale Center in a game-condition scrimmage on September 15. The visitors came out on top 18-6.

James Johnson ran for a 40-yard TD for Floydada's only score. The coaches cited David Bishop for his defensive performance at linebacker.

Post's 7th graders scored early and often to blank the 7th grade Breezers 38-0 at Wester Field. The visitors took advantage of several Breezer turnovers and mistakes to hold a 20-0 lead at intermission.

The coaches noted the exceptional defensive play of Darryl Henderson and Ty Hendrix. Offensively, Floydada moved down the field several times - only to lose the ball.

The 8th grade Breezers were the only Floydada grid team to register a victory last week. The Breezers scored 20 unanswered first half points and then held off a furious Post rally during a second half rain and wind storm to edge the Post 8th graders 20-14.

Michael Black's punting kept the visitors in bad field position for most of the

first half. Keith Collins scored from 11 yards out on a pitch from Cody Stovall with three minutes remaining in the first half. Black added the extra point conversion on a run. Chad Turner recovered a Post fumble which led to the Breezers' next touchdown.

Post 9th graders top Floydada freshmen

By Bill Gray
 FLOYDADA--Post's 9th grade Antelopes scored 20 points in the second period and added a fourth quarter TD to defeat Floydada's Freshmen 28-12 at Post on September 15. Floydada's Richard Casillas returned the second half kickoff for a 75-yard touchdown to put the 'Winds back into the game.

Casillas also tossed a 40-yard pass to Tim Simpson to set up a 4-yard TD by Adam Perales in the fourth quarter.

The defensive players of the game were Kyle Pierce and Tyson Whittle. The coaches named Tim Simpson and Adam Perales as the game's outstanding offensive players.

NOTICE OF PROPOSED GAS RATE CHANGE

On September 20, 1994 Ennergas Company filed Statements of Intent to change its gas rates and service charges with the Texas Railroad Commission and each incorporated city listed below. The proposed changes will take effect no sooner than 35 days after filing.

The Company proposes to increase its customer charge by 89 cents per month with no other changes to its gas rate schedules. The change would apply to General Service (residential and commercial) and Small Industrial Service. The Company also proposes the following increased service charges:

	During Business Hours	After Hours
Turn on new service with meter set	\$23.50	\$35.25
Turn on service (shut-in test required)	19.00	28.50
Turn on service (meter read only required) and miscellaneous service calls	10.50	15.75
Reconnect delinquent service or service temporarily off at customer's request	29.50	39.00
Dishonored check charge	25.00	

The proposed changes are expected to increase the Company's annual revenues by approximately 1.9% and therefore do not constitute a "major change." The proposed changes could affect approximately 217,000 gas consumers in the following communities and surrounding rural areas:

Abermathy	Hart	O'Donnell	Southland'
Amherst	Hereford	Olton	Springlake
Anton	Idalou	Opdyke West	Stanton

Longhorns scalp Chieftains, 42-16

By the Lockney Athletic Booster Club Reporter

LOCKNEY— It took the 3rd ground for the Horns offense to get cranked up, but when they did, Look Out Crosbyton. Everything just seemed to click Friday night as the Horns stamped into town.

Tanner Johnson was the first Horn on the board with an outstanding run. On fourth and goal he ran wide right and after running over at least 3 defenders somehow managed to score. Shannon Veal passed to Charles VanZant for the two point conversion.

Crosbyton came right back and tied the score at 8-8. But that was as close as the Chiefs would be all night.

Lockney marched right back down the field and Joe Marks broke away for a 30 yard run and a score. It was downhill from there for the red and white.

The Horn's exploded for 22 points in the 2nd quarter. Johnson scored once again and Devon Phillips got across the goal line twice. Johnson and Phillips had a good night running the option play. Phillips scored once more in the

2nd half to send the Lockney total to 42 points.

Charles Van Zandt, Lalo Chavira and Chris Mathis also had some good runs from the line of scrimmage. Van Zandt nearly broke a couple of kick-off returns all the way.

Springlake had better watch out for the Horns special teams, because they are capable of going all the way anytime.

The offensive line played extremely well all night. Mikhael Durham and Matthew Raisseze were blocking Chiefs all over the field. These two guys just love to hit people. Carlos Perales, Rowdy Boggs, Tim Mitchell, Shannon Veal and Michael Hernandez were pushing people off the line of scrimmage. Ramon Padilla went up against their big man (230 lbs) and whipped him all night long.

If the offense can build on this performance, and keep improving each week the rest of the district had better take notice because these guys will be hard to stop.

On the defensive side of the ball the Horns played equally well. There were a

few new faces in the defense Friday night due to injuries last week. Josh Lambert, Mikhael Durham, Devon Phillips were held out of the defensive game so that they can heal up for the Springlake game. Tim Mitchel, Charles Van Zandt and Julio Ramirez filled in very well in those positions.

Jarrod Clark did a great job filling in for an injured Shannon Veal. He made several key tackles. Lalo Chavira and Michael Hernandez played real tough at the corners. The coaches cleared the bench so everyone saw some action.

Springlake-Earth comes to town this Friday and all the makings for a great game will be there. The Wolverines are currently ranked 10th in the state. They have been to the quarterfinals the last two years. This will probably be the best ball club the Horns will face all year. The Horns are ready to show that they can play with the best of them. Good Luck and... Beat Springlake.

Remember fans, this Friday night is flag night. Be sure to bring your Longhorn flag to the game. We will wave them on the 3rd down. Thanks for all the great support. See you at the game.

LHS Coach's Comments

By Coach Malcolm Moerbe
LOCKNEY--Hello Win Column! It was a must game for us and we really responded. The team got mentally and emotionally prepared to play and as a result we had some fun on Friday.

We needed some momentum going into this week's game and we got it. It was an outstanding all around effort. Tanner's second and third effort touchdown run on our first score typified our performance.

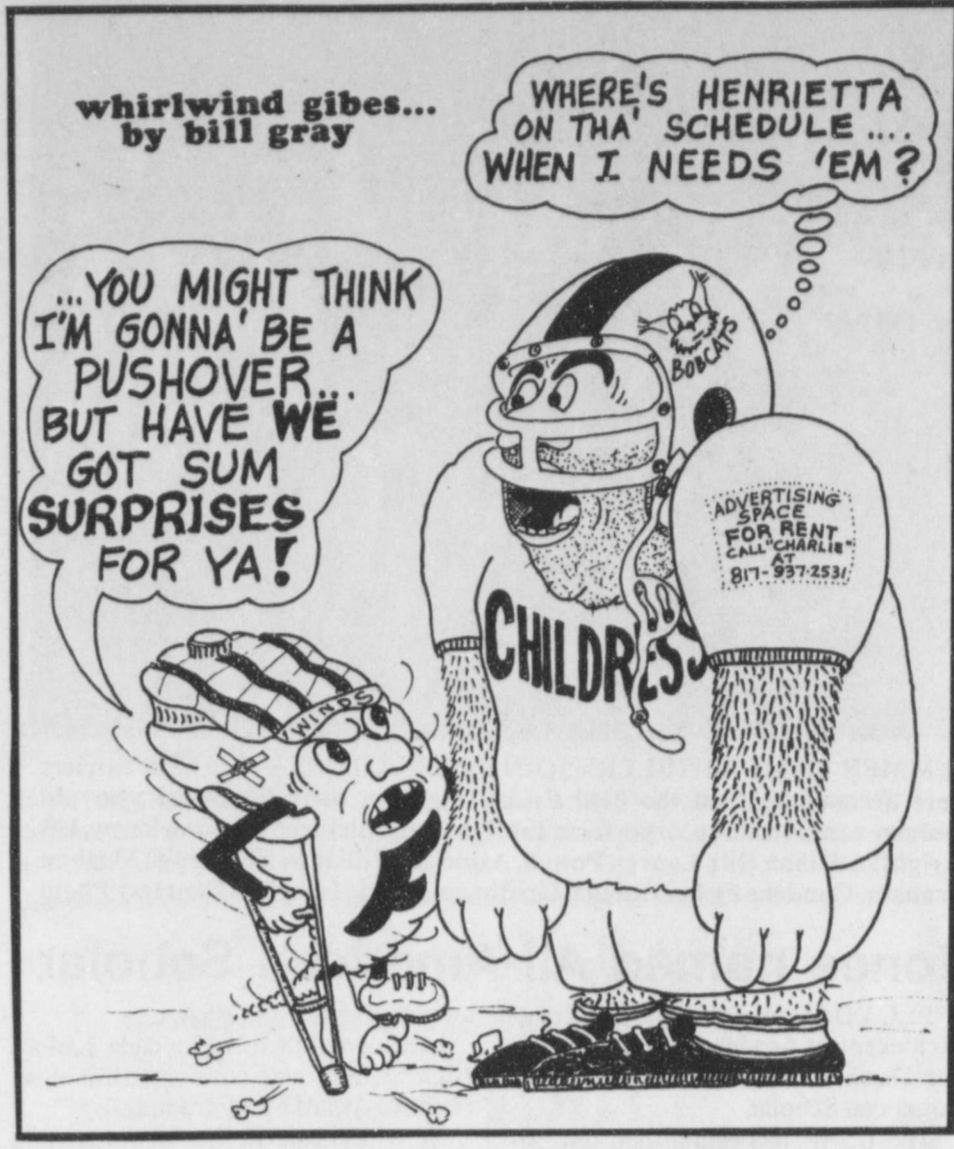

Outstanding performances were turned in by Devon Phillips (rushing), Tanner Johnson (leadership), Mikhael Durham (headhunter); the whole defensive line (Matthew Raisseze, Carlos Perales, Rowdy Boggs, Josh Lambert, Ramon Padilla, Mikhael Durham, Michael Hernandez, Tim Mitchell, Shannon Veal, Julio Ramirez); Tanner Johnson (interception); Charles Van Zandt (caused fumble) and Phillips (two fumble recoveries).

DEFENSIVE POINT LEADERS

Game: Lalo Chavira, 29; Carlos Perales, 27; Jr. Martinez, 20; Joe Marks, 19; and Matthew Raisseze, 19.

Season: Carlos Perales, 98; Michael Hernandez, 90; and Lalo Chavira, 83.

Have a good week!

Warren in top ten for third week

By Stacey Lloyd
FLOYDADA--The Floydada Lady Winds and Whirlwind cross-country teams ran last weekend at the Frenship Invitational.

Lezlie Warren finished in the top ten for the third consecutive week, taking fifth place with a time of 12:50. Lacy Golightly also received a medal for 25th place, recording a time of 13:14. The Lady Winds team finished 6th overall.

Other varsity girls and their times were: Tara McCandless, 31st, 13:18; Missy Pernel, 47th, 13:44; Leigh Dawdy, 121st, 15:36; and Christy Hale, 142nd, 16:48.

Joe Sanchez placed 27th at 17:51. Other varsity boys and their times were Omar Eguia, 19:03; Randy York, 19:31; Michael Molinar, 19:32; Nick Williams, 21:34; Will Warren, 21:40; and Auggy Gonzales, 21:53.

Victoria Cummings finished fourth with a time of 11:40 in the junior high girls' race. Analisa Enriquez and Amanda Green also finished in the top 30 with times of 13:51 and 13:57. Other junior high girls that ran are as follows: Amanda Williams, 15:06; Katie Sanders and Carissa Coursey, 16:59; Cindy Suarez, 17:04; Mary Beth York, 17:07;

Erin Dawdy, 17:34; Kylan Sanders, 18:20; Jody Bueno, 18:22; Tiffany Henderson, 18:32; and Resa Mercado, 20:16.

Tara Williams, a fifth grader at R.C. Andrews won the Mile Fun Run with a time of 5:27 and Brenna Dawdy also ran in the race and finished with a time of 7:24.

TWO LADY WINDS FINISH IN TOP TEN

FLOYDADA--On Saturday, Sept. 3, 12 contestants from Floydada competed in a cross country meet at Brownfield. Tara McCandless finished 6th with a time of 13:38. Lezlie Warren finished 8th with a time of 13:41. The Varsity girls' team placed 7th overall.

Other team members and their times include: Lacy Golightly, 34th, 14:43; Leigh Dawdy, 76th, 16:37; Christy Hale, 80th, 16:48. Amanda Williams represented Floydada Jr. High. She placed 37th with a time of 15:58.

The boys team consisted of Randy York, 35th, 20:18; J.J. Ysasaga, 38th, 20:29; Adam Soto, 39th, 20:36; Will Warren, 55th, 23:48. Also running but unable to finish were Omar Eguia and Dustin Owens.

JV Horns fall to Crosbyton

LOCKNEY--The Lockney Junior Varsity lost to Crosbyton last Thursday with a score of 28-8. The Horns only score came in the first half when Anthony Poole rumbled for 30 yards.

Carson Johnson completed a pass to David Hernandez for the two-point conversion. The halftime score was 8-8.

In the second half, the Horns could not get any offense going, and the defense was unable to stop the Chief's of-

fense.
 "We didn't play like we are capable of playing. We came out flat, and did not show much enthusiasm. We are going to regroup this week and come and give Springlake-Earth a battle," said the coach.
 The J.V. play Springlake-Earth Thursday at Springlake. The 7th grade will play first starting at 5:00 p.m., followed by the 8th graders and then the J.V.

LJHS Shorthorns do well against Crosbyton Chiefs

LOCKNEY--The 7th grade Shorthorns played their first game Thursday at Crosbyton and came home with a victory. The final score was 18-6.

The first half was controlled by the defense's with Crosbyton finding the endzone once. The Shorthorns trailed 0-6 at halftime.

The second half, the offense came out fired up. The first touchdown came when Elias Saucedo took a pitch and rambled 30 yards into the endzone. The two-point conversion failed.

Jordan Lambert would hit Jessie Ledesmond for a 15-yard touchdown to put the Shorthorns ahead 12-6. The defense tightened up and the Shorthorns never gave up the lead. Elias Saucedo would later score from 10 yards out to end the game.

The defense was led by Robert Bartlett, Elias Saucedo, A.J. Martinez and Josh Quebe.

The 8th grade Shorthorns also traveled to Crosbyton for their first game of the year and brought home a 14-0 win.

They went into halftime with a 0-0 tie. The halftime opening kickoff was returned 74 yards by Chris Rodriguez. Frank Guerrero ran in the two-point conversion.

Terry Martin outran everyone to the corner and then cruised 49 yards for a touchdown. The two-point conversion failed.

The rest of the game was then dominated by the defense, which was led by Mark Wilson. Other defensive standouts were Cooter Durham, Thad Lusk, Matthew Lerma and Chris Butler.

Jones named All-American Scholar

FLOYDADA—The United States Achievement Academy has announced that Dustin Jones has been named an All-American Scholar.

The USAA has established the All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the Academic disciplines. The All-American Scholars must earn a 3.3 or better grade point average. Only scholars selected by a school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other

awards given by the USAA. Jones, who attends Floydada Junior High School, was nominated for this National Award by Mrs. Jones.

He will appear in the All-American Scholar Directory, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in American history. Certainly, winners of the All-American Scholar Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects All-American Scholars upon the exclusive recommendations of teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may be recognized by the USAA for other honors.

Jones is the son of Larry and Renee Jones of Floydada and Debra Jones of Lubbock. He is the grandson of Jean Jones of Floydada, Glenna Williams of Petersburg and Mr. and Mrs. Ronnie Woodard of Hawley.

Where We Still Believe In Making House Calls

'There's a house whose rooms I know by heart.

Where I tended the garden and read my books.

Where dreams were dreamt and memories made.

Where children grew up and I grew old.

There's a house where life was lived.

No Loopholes In CEU's

We are now (December 31, 1994) completing the first 5-year cycle during which the initial wave of private applicator licenses will have to have completed 15 CEU's in order to renew their license for 1995. Do not confuse this with the old certified or "Grandfather" certificate, which was issued prior to 1990. Those applicators with the old certificates have until December 1995 to obtain 15 CEU's.

Some clever licensees with few (if any) CEU's have already thought of the possibility of not getting their CEU's but rather just let their license lapse and start all over with the 3 hour training, the TDA test, and a check for \$50. That would, after all, be less time consuming and less problematical than trying to get 10-15 CEU's within the next few months.

TDA anticipated this possibility in 1991 and has addressed the matter with

a long-standing policy. Namely, present licensees can only get their license renewed by first completing their CEU requirements. You can not simply let your license expire with delinquent CEU's and start over with the training/test/fee.

CEU delinquent private applicator licensees will be notified by TDA in December 1994. They will actually have 60 days (until February 28, 1995) to correct their CEU deficiency without a late fee penalty. After March 1, 1995, those with outstanding deficiencies will still be able to bring their credits up to date, but will not be issued a license until an appropriate late fee has been paid to TDA.

If you have questions concerning this subject, give me a call at the Floyd County office of the Texas Agricultural Extension Service. If you have questions concerning how many CEU's you have, call 1-800-TELL TDA.

Local harvest aid test results

--From Kerry Siders, CEA-Ag.

Preliminary results from the harvest aid test on the Jimmy Kemp farm in Lockney, which was applied on September 10 and rated September 17, are in. These plots are a cooperative effort of Rhone Poulenc, Texas Agricultural Extension Service, and Jimmy Kemp. The treatments and their percent open bolls and defoliation are as follows:

Treatment	7 Days After Treatment	
	% Open Bolls	% Defoliation
Prep 1.3 pt	30	0
Prep 2.6 pt	84	3
Prep 1 pt + Folex 1 pt	84	43
Prep 1.3 pt + Dropp 0.1 lbs	86	12
Prep 1.3 pt + Folex 1 pt	90	58
Ginstar 8 oz	80	40
Cyclone 8 oz	50	5
Sodium Chlorate	44	5
Check	30	0

Clearly the Prep + Folex is performing better seven days after treatment. We must however, consider the weather which was cloudy and cool during those days. Given 10-14 days, which would be about the time you read this paper changes will have occurred. One should also consider the price of treatment and yield potential. The one critical factor is to not wait too long and allow for degradation of quality. If you have any questions, give me a call at the Floyd County office of the Texas Agricultural Extension Service.

Have a nice day!

AG UPDATE

Preparations are underway for start of weevil control program

--From Plains Cotton Growers, Inc.
Preparations are well underway for the start of PCG's 1994 High Plains Boll Weevil Diapause Control Program according to Lubbock-based Plains Cotton Growers. PCG official announced that Kubin Air Inc. of Bovina, TX, was awarded the 1994 aerial spraying contract with a bid of \$5.16 per gallon of chemical applied.

Kubin Air Inc. will provide 7 turbine powered aircraft for the program, each equipped with a satellite-based guidance system from Satloc, Inc., of Casa Grande, Arizona. Satloc's satellite-based global positioning system was specified as a requirement for the 1994 contract to provide parallel tracking and record-keeping for program operations.

"The 1994 program will kick off September 27th," says Roger Haldenby, PCG Boll Weevil Program Coordinator. "Weevil pressure has been high again this year following yet another mild winter. However, the dry, hot summer conditions have helped some."

Trap catches show weevil numbers are currently below levels seen in 1993. This is good news for the 1994 program but not much comfort for some producers who have seen more boll weevil activity in the past two years than they remember seeing before.

"Weather records were shattered in July '94 with temperatures soaring to as much as 119°F," adds Haldenby. "Boll weevil numbers in 1993 similarly broke records across our area bringing home to us the desperate need for a cold winter to aid us in the fight against this terrible pest."

Wayne Huffaker, Chairman of PCG's Boll Weevil Steering Committee commented, "PCG is pulling out all the stops again this year in the battle against the boll weevil. 1993 was the largest, best effort in the program's history. We will do what it takes again this year and pray for a cold winter. The South Plains cannot afford to lose this battle."

COTTON DEFICIENCY PAYMENT UNCHANGED THROUGH JULY

According to Lubbock-based Plains Cotton Growers (PCG) decreases in both the average price received by growers and monthly marketing left the estimated 1994 upland cotton deficiency

payment unchanged through July.

The projected cotton deficiency payment settled at 7.77 cents per pound through July leaving a 1.32 cent final payment rate after subtracting the 6.45 cent advance payment. Earlier in the season producers were able to apply for and receive the 6.45 cent advance on the 1994 deficiency payment.

Through July, 1994's cumulative marketings totaled 5.28 million bales. Marketing during the same 7-month period in 1993 were slightly higher at 5.69 million bales.

Preliminary calculations through July project the final payment around 7 cents. However, significant changes in either marketings or prices received could still effect the final payment rate. The maximum deficiency payment possible in 1994 is 22.9 cents, the difference between the upland cotton loan rate of 50 cents and the 72.9 cent target price established in the 1990 Farm Bill.

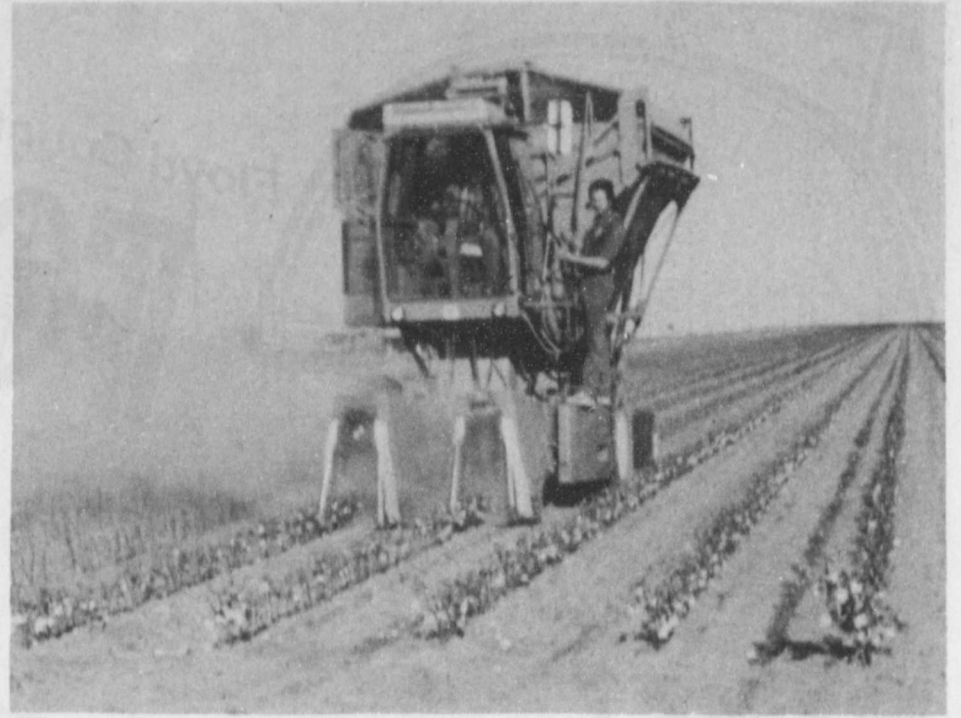

Deficiency payments are calculated as the lesser of the difference between the target price and either the Commodity Credit Corporation Loan Rate or the average price received by growers weighted by total marketings for the preceding calendar year.

NEW GROWTH ON COTTON

Kater Hake, Cotton Specialist with the Texas Ag Extension Service, says producers who see regrowth in their dryland and irrigated cotton may be close to missing a prime opportunity to get the 1994 crop out of the field.

According to PCG, Hake is still encouraging producers to take action to terminate their crops, including dryland fields with only marginal yield potential, in order to take advantage of the crop's earliness and maintain the highest quality possible.

He notes that plants that have started to show signs of regrowth are no longer sending any resources to developing bolls, instead they are putting all their efforts towards growing new stems, leaves and squares that will not contribute anything to yield. An added benefit of terminating the crop early is the ability to prepare fields to store as much moisture as possible for the 1995 season.

HARVEST UNDERWAY--Dryland cotton harvest is underway. Charlie Henderson, just east of Lockney, killed his cotton in order to get it out of the field as quickly as possible. Staff Photo

Floyd County Hesperian-Beacon FOOTBALL CONTEST

GOOD LUCK!!

Floyd County Hesperian-Beacon Football Contest Rules

Any subscriber or individual above the age of 7 years old who purchases a Floyd County Hesperian-Beacon is eligible to enter this newspaper's weekly football contest, except employees of this newspaper and family members living in the same household.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. In addition, write in each of the tie breaker footballs your guess of the combined total points to be scored by the two teams listed. Also circle the team you believe will win. Circle both teams if you think the game will end in a tie.

The only entries which will be considered for prizes will be those on official entry forms which are brought to the Hesperian-Beacon office in Floydada or to the Hesperian-Beacon Office in Lockney by 5:00 p.m. on Friday. No photocopies will be accepted.

NO MAIL ENTRIES WILL BE ACCEPTED.

Three cash prizes are offered each week. In the event of ties - the same number of correct games and equal scores on the tie breakers - prizes will be shared by those involved in the tie. The tie breaker scores will be utilized only in the event of a tie on the number of games correct.

Print your name and address plainly on the official entry form and double check your choices before clipping out the entry form and depositing it at the Hesperian-Beacon office before 5:00 p.m. on Friday.

Entries are limited to one per person per week. Weekly winners are limited to one per household.
