## Easter services planned in county

The Lockney Ministerial Alliance and the Floydada Ministerial Alliance have both announced times for Easter Services Sunday, April 16. Lockney's service will be at sunrise and Floydada's in the evening.

After not having the Easter Sunrise Service last year, the Lockney Ministerial Alliance will be having it again this year. It will be at Mitchell-Zimmerman Football Field. The service will begin at 7:00 a.m.

Bringing the message this year will be Arthur Bliese, pastor of the Trinity Lutheran Church at Providence. The music will be under the direction of Kent Lloyd, Minister of Music at First Baptist Church, Lockney.

Those attending are asked to sit in the west side stands on the north end. Please bring something warm to wear and sit on as it may be quite cool. In case of bad weather, the service will be moved to the Worship Center of First Baptist Church.

Following the service there will be a time of fellow-

ship with donuts, coffee, hot cocoa, and orange juice.

The entire community of Lockney is invited to attend this time of celebrating the resurrection of our Lord and Savior, Jesus Christ.

### FLOYDADA SERVICE

The Floydada Ministerial Alliance plans their second annual community Easter Resurrection Celebration at the Trinity Church, 500 W. Houston, beginning at 7:00 p.m. Easter Sunday.

The service will feature congregational singing, instrumental music, special anthems by a community choir, and solos, duets, and ensembles from city churches. There will be no preaching. An offering will be received to benefit the Spirit of Sharing.

Mike Holster, coordinator of the service, invites all musicians to join the community choir, which will rehearse at 6:15 p.m. Everyone is invited to attend.

## Banquet tickets still available

The Floydada Chamber of Commerce still has tickets available to the annual chamber banquet.

Lady Raiders Head Coach Marsha Sharp will be the guest speaker at this year's banquet.

Several community awards, including Citizen of the Year, Employer of the Year and the Extra Mile Award will also be presented at the banquet.

The banquet will be held May 2, at 7:00 p.m. at the Floydada Junior High School Gymnasium. Tickets are \$12.50 and are available at the Floydada Chamber of Commerce office.

## Commissioners approve new phone system for jail

By Juanita Stepp

FLOYDADA — Members of the Floyd County Commissioners Court approved the purchase of a new telephone system for the Floyd County Jail during their regular meeting on Monday, April 10. The new system will be provided by Valuline, Inc., the current long distance service provider for the county at a cost of \$1,937.00.

Motion to purchase the new system was made by Precinct 2 Commissioner Lennie Gilroy and seconded by Precinct 3 Commissioner George Taylor. All voted in favor.

The purchase follows several months of telephone difficulties attributed to defective phones. The Floyd County Sheriff's Department has been experiencing problems such as interrupted calls for some time according to Sheriff Charles Overstreet. Commissioner Gilroy stated that had happened on a couple of occasions when he called the department recently.

The Sheriff's Department will also be having some repair and maintenance work performed on the radio system and tower equipment used for communication between patrol cars and the office as well as other law enforcement agencies and EMS departments. Lubbock Communications submitted a proposal for renovating the equipment and bringing it into a state of good repair at an estimated cost of \$695.00.

A middle of the night break down during March resulted in a partial repair to some of the equipment in order to get back on line said Overstreet. This cost \$315.00 and should lower the \$695.00 repair estimate a bit as some of the items included were already done.

Repair or replacement of the antenna on the tower is also anticipated according to Overstreet. He told the commissioners that the technician had indicated the antenna may have been struck by

lightening and might need to be repaired or replaced. An estimate for that will not be available until the antenna is inspected.

Motion to allow Lubbock Communications to do the work was made by Gilroy with a second by Precinct 4 Commissioner Jon Jones. All voted in favor.

County Treasurer Mary Shurbet made her report for the previous month stating that the county began the month of March with \$445,475.49 and took in receipts of \$123,757.54. Transfers in totaled \$217,445.07 and transfers out were \$221,217.90. Disbursements were \$142,742.64, leaving funds totaling \$422,717.56 as of March 31.

She also reported certificates of deposit for undivided tax in the amount of \$400,000.00, Precinct 2 for \$30,000.00, Precinct 3 for \$46,000.00, and Precinct 4 for \$40,000.00. Interest earned to date on certificates of deposit totals \$11,137.07 according to Shurbet.

The monthly report was approved on a motion by Gilroy with a second by Taylor. Shurbet also submitted a quarterly report encompassing January through March. This was approved on a motion by Bearden with a second by Jones.

Other items handled during the session included:

... Review and authorization for payment of monthly bills.

... Approval of three farm work contracts on a motion by Precinct 1 Commissioner Connie Bearden with a second by Gilroy. The contracts included: #1544 for Ricky Kellison in Precinct 1 to have a hole filled up at a location 9 miles west and 1 1/2 miles north of Floydada; #1503 in Precinct 3 to fill a low place for conservation at a site 2 miles east and 1/2 mile north of South

## City gears up for city-wide garage sale

The Floydada Chamber of Commerce is in the process of organizing and preparing advertisements for the popular City Wide Garage Sale.

Bargain shoppers are expected to flood the town, May 6, eager to be the first ones to find the right garage with the best buys.

The deadline for getting your address added to the list of "Garage Stores" to shop at is April 25th. The Floydada Chamber of Commerce will then add your address to a flyer which will be

distributed around town.

Advertisements will also spread the word around the South Plains of the bargains that can be found in Floydada. When the shoppers arrive, the flyers will be ready and waiting to point shoppers in the directions to go.

"It is important for everyone to know that the individuals who hold their own garage sales will keep all the proceeds they make," said Chamber Manager Brenda Meyers. "The advantage of calling the chamber office, and holding

HALE'S GENERATIONS--Hale's Department Store is celebrating 50 years of business. Walton Hale opened the store in 1945 and was joined in the business by his son Bill and grandson Richard. Walton died in May, 1993, but the succeeding generations are still running the store. This photo taken in 1981 or 1982 shows the past and present owners of Hale's Department Store: (l-r) Bill Hale, Walton Hale and Richard Hale holding his daughter Christy.

## Hale's Department Store marks 50th anniversary in Floydada

FLOYDADA—A city landmark, Hales Department Store, will celebrate 50 years of business this week with storewide clearances. Walton Hale opened the doors to Hales Department Store on Friday, Feb. 13, 1945.

"Friday the 13th has always been a lucky day for Walt," said son Bill Hale, who now owns and operates the store along with Bill's son and Walt's grandson, Richard.

"My father, Walt, passed away in May, 1993," said Bill. "Walt worked here in the store right up until his death. This is a third generation business now," said Bill.

The business first opened with a 25 foot store front on the west side of the square. "The lot we used to sit on is now empty and next to Script Printing," said Bill Hale.

"My father moved to Floydada in 1929 to open up J.C. Penny. He left Pennys in 1945 to open up his own business. J.C. Penny stayed until the 1950's and was bought by Beall Brothers (located where the current Perry's is now)."

In 1955 after three years in the Air Force and the Korean War, Bill Hale came home, finished his personnel management degree at Texas Tech and went to work for his father.

"We had moved to our present loca-

tion in 1952 and now had a 50 foot store front," said Bill. "In 1965 we added the shoe store side and then had an additional 25 foot front. The building we are in now used to be the Star Cash Grocery Store."

"We have salesmen that stop in this store all the time and they can't believe we have a store this big," said Richard. "They tell us that they have never seen a town this size with a department store like this."

"Most years there has been 3-5 department stores in Floydada, but as the population dwindled so have the stores," said Bill.

Hales Department Store is now the only department store in Floyd County.

Bill Hale married his wife Carolyn in 1952. In the early 70's after the twin sons, Mike and Steve, had gone to college, Carolyn came to work in the store. Their son, Richard started working at Hale's in 1977.

"I was running for the office of state representative," said Bill, and Richard came to work at the store. He has managed the store for the last 10-12 years."

Together the family has kept the store operating and filling the needs of residents all over the South Plains. Carolyn buys the womens clothes and Richard does the buying of shoes and mens clothing.

Since the first day it opened Hales

Department Store has carried a full range of clothing for the entire family, plus home furnishings and shoes.

Over the years the store has employed approximately 180 people. Current employees are: Irene Irby, since 1952; Martha Williams, since 1970's; Lisa Suarez, since the early 1990's; and the current DECA student is Zacha Harris.

The store will celebrate their 50 years this week with a storewide sale, Thursday, Friday and Saturday.

## Thornberry plans town hall meeting

FLOYDADA—Floydada residents are invited to attend Congressman Mac Thornberry's town hall meeting at noon Tuesday, April 25. The meeting will be in the Massie Activity Center, 513 W. Georgia, in Floydada.

The first-term Republican Congressman will discuss completion of the Contract With America and the upcoming budget proposals in Congress.

"Town halls are great opportunities for me to hear what my constituents in the 13th District are thinking," Thornberry said. "I welcome everyone to come and visit with me about how they think Con-

### LGHD

Ronnie Hardin, Jerry Johnson, and Terry Jones are the three candidates for election to three at-large trustee posts on the Lockney General Hospital District board in the May 6 election. Early voting will begin on April 17 and last until May 2. It will be held in the W. J. Mangold Memorial Hospital Administrative Offices under the supervision of Robin Satterwhite during regular business hours from 9:00 a.m. until 5:00 p.m.

## AGCO to acquire assets of AgEquipment Group

No-till and minimum-till products added to AGCO line

AGCO Corporation (NYSE:AG) has announced that it has agreed to acquire the assets of AgEquipment Group, a manufacturer and distributor of three major brands of agricultural implements, including no-till and minimum tillage products.

Under the agreement, which is subject to regulatory approval, AGCO will acquire certain assets of AgEquipment Group including accounts receivable, inventories, trademarks and trade names, together with trade payables and certain accrued liabilities.

AgEquipment Group manufactures and sells a full line of grain drills and accessories under the Tye brand name. Tye is an industry leader in no-till and minimum tillage seeding practices, which are continuing to gain acceptance as conservation influences in the

agricultural industry grow. AgEquipment Group also manufactures and sells lines of grinder-mixers, mulchers and loaders under the Farmhand brand name and a line of field cultivation products under the Glencoe brand name.

AgEquipment Group had net sales in its fiscal year ended August 31, 1994 of approximately \$33.0 million. The acquisition will add approximately 1,200 new dealers to the AGCO distribution network.

"This acquisition provides AGCO the opportunity to enhance and expand its already strong position in the planter and tillage markets," stated Robert J. Ratliff, AGCO's Chairman and Chief Executive Officer.

"The AgEquipment Group acquisition gives AGCO three additional well recognized product lines and

unique technology in these important farm implement segments. In addition, the purchase expands AGCO's distribution network to more than 7,800 dealers worldwide which is the largest in the industry by a wide margin."

AGCO Corporation, headquartered in Duluth, Ga., is a worldwide manufacturer and distributor of agricultural equipment and related replacement parts. AGCO offers a full product line including tractors, combines, hay tools, forage equipment and implements. The Company's products are currently distributed under the brand names AGCO Allis, Massey Ferguson®, Hesston®, White, GLEANER®, White-New@Idea, AGCOSTAR™, Landini, SAME, and Black Machine.

## 1995 Project Prom Night sponsors finalize plans

FLOYDADA—"The Surgeon General has reported that life expectancy has improved over the last 75 years for every age group, except for the one that includes high school seniors. Their death rate is higher today than it was 20 years ago because of drunk driving crashes. But, with Project Prom Night we are fighting back," say sponsors of this year's annual event in Floydada.

Plans are still underway for an exciting prom night party for the juniors and seniors of Floydada High School. Project Prom Night is a tradition at many high schools across the country and has been held for the past two years at Floydada High School.

"We would like to continue this tradition by once again having this party available after the Junior/Senior Prom on April 15 from 45 minutes after the Prom ends until 5:00 a.m. on the 16th," sponsors said.

Basically, Project Prom Night is an all night drug/alcohol free party that is organized by parents of the juniors and seniors. The party will be well chaperoned. There will be a disc jockey provided for dancing, games

such as ping-pong and table games. There will also be a drawing each half hour for various prizes ranging from small cash prizes to a grand prize of a color television. Students must be present at the time of drawing to win prizes. Organizers hope that Project Prom Night will reduce the chance of any local students being injured or killed in alcohol related car accidents.

Rules for Project Prom Night which is being sponsored by parents include:

\* Students will report to the Massie Activity Center within 45 minutes of the end of the Prom. This is to allow students to have time to change into casual attire for the party.

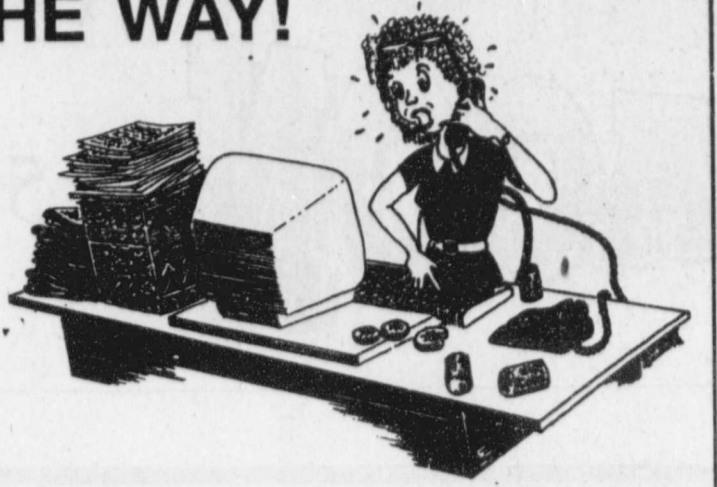

\* Project Prom Night is open only to FHS juniors and seniors who attend the prom at Duncan. No others will be allowed.

\* If students leave the party they will not be allowed back in. Students will be asked to sign in upon arrival and to sign out when they leave. Sponsors will not keep your child at the party. If a student leaves, sponsors are not responsible.

Donations are still needed for this event. Anyone wishing to donate may contact Duffy Hinkle at 983-3889.

## BY THE WAY!

BY  
ALICE  
GILROY

I'm so flattered and full of myself. Someone needs to call up and complain about something and bring me back to my senses. Just kidding—it's not necessary. We'll get there soon enough with no help.

If you haven't read the story on the Panhandle Press awards we earned then you don't know what I'm talking about.

We attended our annual convention this week-end and came home with four awards. Two first places, one second place and a third place. Thanks to a lot of hard work from a great staff we came home with some very pretty plaques.

Bill Gray was recognized for his hard work in sports and Rosemary Gonzales was also happy to get praise for her efforts on our society pages. I won something too!

This column won first place in the Humorous Columns division.

Remember the story I told about "Putting my foot down"? It concerned the rabbit we bought for our son and the expensive cage we ended up building. The judges liked it.

I liked it too when I wrote it. I laughed all the way through it.

There was only one problem. Brandon (my son) hated it and let me know about it.

I wasn't worried about him when I wrote it because he hasn't started reading my column (even though he is now suggesting ideas for the paper). The problem was—in my rabbit column I made the mistake of commenting that Brandon cried when we told him he couldn't have a rabbit.

Some older kids read the story and teased him about it. I was doomed.

Now I have a real problem.

On the one hand I've got judges and other people telling me they like the columns about my son. On the other hand my son is getting older and more aware of what I write. How do I handle this—do I go for funny and insensitive or do I stop writing about my son.

I guess I could make up a kid and write about him. There have been journalists that have won big awards for stories they fabricated. It just didn't look too good when the truth came out.

I talked to Laurie Ezzell Brown, edi-

tor of *The Canadian Record*, at the press convention this weekend. She asked Brandon if I ever wrote about him. (She knew the answer because she reads this column occasionally).

He rolled his eyes and said yes. She egged him on a little bit and enjoyed making me groan.

She'll be sorry. I'm going to get her back. She said she gets a lot of nice comments when she writes about her 2 year old grandchild. When that kid grows up I'm going to be sure to point out that grandmother is telling tales all over town.

Laurie and I laughed about what good material little kids are. Laurie said just about the time everyone in town is mad at her over something she has written she will write about her grandchild and then it makes everything OK. "All of a sudden everybody thinks I'm human again," said Laurie.

Anyway—I've been thinking—it will be a while until I can start over and write about my grandkids. Ya'll could help me out.

Send me your funny stories. I won't pay you for them but I'll be glad to steal them.

In the meantime—I can still pick on my husband. He can be a great subject!

## PROCLAMATION OF APRIL AS FAIR HOUSING MONTH

**WHEREAS** Title VII of the Civil Rights Act of 1968, as amended, prohibits discrimination in housing and declares its national policy to provide, within constitutional limits, for fair housing in the United States; and

**WHEREAS** The principle of Fair Housing is not only national law and national policy, but a fundamental human concept and entitlement for all Americans and;

**WHEREAS** The twenty-seventh anniversary of this National Fair Housing Law, during the month of April, provides an opportunity for all Americans to recognize that complete success in the goal of equal housing opportunity can only be accomplished with the help and cooperation of all Americans.

**NOW, THEREFORE, WE THE City Council of Floydada, do proclaim April as Fair Housing Month in the City of Floydada and do hereby urge all the citizens of this locality to become aware of and support the Fair Housing law.**

**IN WITNESS WHEREOF** we have affixed our signatures and seal on this 5<sup>th</sup> day of April 1995.

# Reynolds inducted into PPA Hall of Fame

Jim Reynolds, former editor of *The Lockney Beacon* and *The Floyd County Hesperian*, was inducted into the Panhandle Press Association Hall of Fame during a Saturday luncheon at Amarillo's Ambassador Hotel.

Reynolds shared the stage with three other Hall of Fame inductees: Troy Martin of *The Canyon News*, the late John Getz of the *State Line Tribune* and the late Cherry Kay Hamilton of the *Fritch Eagle Press*.

The PPA presented the awards in recognition of the many outstanding journalists in the area who have made lasting contributions to their profession.

Reynolds is also the former owner or co-owner of *The Lockney Beacon*, *The Crosbyton Review* and *The Tulia Herald*. His parents, Willis and Bernice Reynolds, live in Lockney.

Jim was born in Tulia. A second generation newspaperman, he started hanging around the furious pace of newspapers as a young boy working as a custodian for *The Tulia Herald*. By the age of 11 he had advanced to the job of "printer's devil" at *The Lockney Beacon*.

He studied at Lockney High School and Texas Tech University and also had instruction at Wayland Baptist University, Western Texas College and Watson Business College.

In 1965 Reynolds became editor of *The Lockney Beacon* which he owned with his father. In 1972, he purchased *The Crosbyton Review* and served as publisher-editor for 16 years before selling the business.

He was editor of *The Floyd County Hesperian* and *The Lockney Beacon* for almost two years before becoming editor and minority owner of *The Tulia Herald* in 1988. He sold his interest in the Tulia newspaper in May 1994 and presently is employed with the Texas Department of Criminal Justice Wheeler Unit in Plainview.

He has worn every hat that has ever been made in the newspaper field and at one time served as publisher, editor, sole writer, advertising salesman, photographer and sole make-up person for *The Crosbyton Review*.

He is the winner of approximately 200 national, state and regional press awards, including West Texas Chamber of Commerce Community Service Award and General Excellence awards on a number of occasions.

Reynolds is the past president of West Texas Press Association, past director of Texas Press Association and Panhandle Press Association.

Reynolds is also the founding director of Blanco Offset Printing in Floydada and Brazos Offset Printers in Slaton. He is a current shareholder and officer in both corporations.

Although newspaper work consumed almost all of his time in the past, Reynolds managed to use his position with the newspapers to accomplish wonderful things for the communities in which he lived. His active involvement with the creation of the Lockney Senior Citizens Association enabled *The Lockney Beacon* to earn a Community Service Award. He was also instrumental in starting the Senior Citizens Association in Crosbyton.

## FHS Class of '45 plans 50th reunion

FLOYDADA — The Floydada High School Class of 1945 is planning a 50th Reunion to coincide with Old Settlers the last weekend in May. A large turnout is expected for the May 26-27 events.

According to Jo Wester, addresses have been found for all but one of the listed classmates, Ralph Womack. Anyone who might know where he can be reached is asked to contact her at 520 W. Missouri, Floydada, Texas 79235 or 806-983-3430 or to call Ardis Daniel at 806-983-2030, HCR 3 Box 202, Floydada, Texas 79235.

Local exes are urged to get their registration forms, fees and letters in to the planning committee in order to have their items included in a special book being compiled to commemorate the reunion. Deadline for this is May 1.

Wester said, "Everyone needs to remember that out-of-town exes who haven't been back since graduation will be looking forward to seeing all the local exes as well as each other. Be sure you are included in the fun. Get your registration in as soon as possible so this can be a great reunion."

THE FLOYD COUNTY  
HESPERIAN-BEACON  
(USPS 202-680)

Published weekly each Thursday at 111 East Missouri Street, Floydada, Texas 79235. Second class postage paid at Floydada, Texas 79235.

POSTMASTER: Send change of addresses to: The Floyd County Hesperian-Beacon, 111 E. Missouri, Floydada, Texas 79235.

His promotions of community activities have earned him many awards, including: the athletic booster club "Booster of the Year" awards in Lockney, Crosbyton, Floydada and Tulia; the "Friend of 4-H" awards in Crosby, Floyd and Swisher counties; Honorary Chapter Farmer awards from the Crosbyton and Tulia FFA chapters and Crosbyton's Man of the Year award.

Reynolds was one of a three-man committee which brought the All-American Football Game to Lubbock, under sponsorship of District 2-T2, Lions International. The benefits from these games helped start a regional kidney foundation and aided Girlstown.

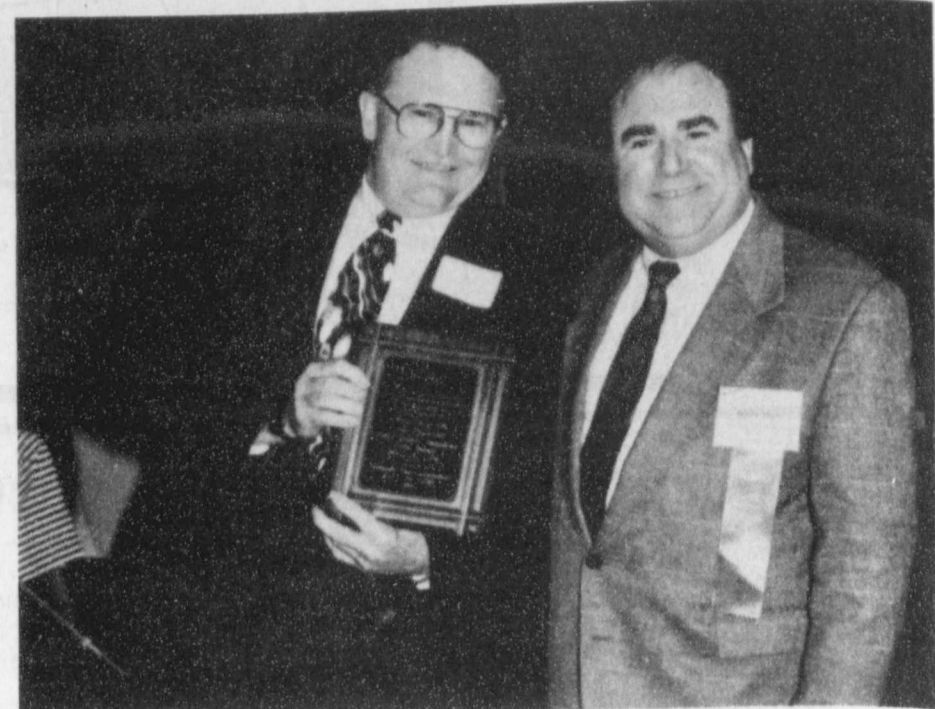

Besides being a local Lions Club president, Reynolds has also served as the Deputy District Governor and Zone Chairman several years for Lions District 2-T2.

He has served on the Lockney, Crosbyton and Tulia Chambers of Commerce boards and as the treasurer and director of the Greater Swisher County Industrial Foundation.

Reynolds was also one of three Crosbyton men who made initial contact with Texas Tech University about placement of a federally-funded pilot solar project in Crosbyton, which received national attention.

He helped spawn the idea for an outdoor amphitheater in Crosby County, which is the home of the "God's Country" presentation each August. He also appeared in Hee-Haw presentations to help fund the amphitheater.

Reynolds serves on the Swisher County Love Fund board which aids several hundred persons each Christmas. He is a Deacon at the First Baptist Church in Crosbyton and Tulia. He was presented the School Bell award from Crosbyton and Tulia teacher organiza-

REYNOLDS NAMED TO HALL OF FAME-- Jim Bob Reynolds (left), former editor of the Floyd County Hesperian and Lockney Beacon was named to the Panhandle Hall of Fame during a luncheon ceremony at the Ambassador Hotel in Amarillo, on Saturday. Rollie Hyde (right), publisher of the Plainview Daily Herald presented the plaque to Reynolds.

tions. He has worked with the youth as a Sunday school teacher, with the Boy Scout Council and as a coach of baseball and basketball teams.

Jim is married to Beth Reynolds. They have a son, Randy Reynolds of Lubbock and a daughter Rhonda Bownds of Rowlett. They also have three grandsons, Brandon and Bobby Bownds and Travis Reynolds.

The Hall of Fame tradition began in 1992 with seven journalists being the first inducted. Four more joined them in 1993 and four more were inducted in 1994.

# Floydada City Council candidates profiled

**RUBEN BARRIENTOZ**

Ruben Barrientoz is challenging incumbent councilman Dale Lawson for the position of City Councilman District 2.

He served as city councilman for two terms before being defeated by Lawson in 1993.

Barrientoz has been a resident of Floydada since 1975 and attended high school here. He has been associated with American National Life Insurance Company since 1985 and is an active member of the Spanish Assembly of God Church. He participates in organizing and sponsoring a boys organization at the church called the Royal Rangers.

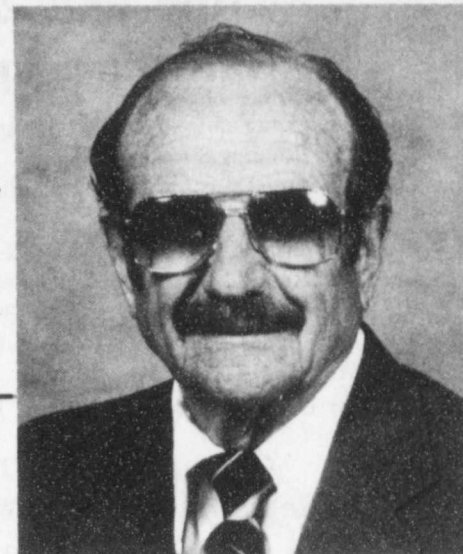

He is the father of two children, Ruben James, 14, and Tabitha, 7. He also has two stepchildren, Lori, 17, and

Johnny Lee, 14, who are the sons of his wife Elionor.

Barrientoz said he is running for city council because he feels an obligation to the Hispanic community to give them the opportunity to be represented on the council. "I remember a few years back the city was sued to have single member districts," said Barrientoz. "The purpose of the suit was to enable Hispanics to be elected to the council. Now we don't have any Hispanics on the council."

"There are a large number of Hispanics in the community and we want to be sure Hispanics have a fair shake and are treated equally. I want to represent them.

Barrientoz also said the youth would be a top priority for him if elected to the council. "I am involved with the youth program at church and have come to realize that we need to do something for the youth in the community to keep them in school and off the streets."

**LEROY BURNS**

Longtime incumbent councilman Leroy Burns is seeking reelection to his current post of city council member for District 3. He is being challenged by Roxanna Cummings.

Burns has served on the council since 1973.

He is the co-owner of City Auto which he has operated in the City of Floydada for 35 years.

Burns has been an active community member of Floydada and a resident for the past 65 years. He also has farming and ranching interests in the area and is a participating member of First Baptist Church.

Sincerely,  
Frances Cantrell

Burns and his wife Loretta, have been

married since October 21, 1942. They have four children and nine grandchildren.

"I am running for reelection because there are several problems I would like to continue to work on," said Burns. "We have serious water problems with the low water level at Lake Mackenzie and we need to continue looking for alternate water sources.

"I also would like to see us keep our old water tower. It is a landmark and would be costly to tear down. I have enjoyed being at City Hall as many years as I have and I have enjoyed working with a good crew. It is a good city and I am proud of this town."

**ROXANNA CUMMINGS**

Roxanna Cummings is seeking the position of council member for District

3. She will face incumbent Leroy Burns for the position.

Cummings was born in Brownfield and moved to Floydada in 1991 when she and her mother, Evelyn Branch, purchased the historical Lamplighter Inn.

Cummings and Branch are working to restore the building to the original look. Besides managing the Bed & Breakfast, the two also serve lunch every day out of the hotel dining room.

Roxanna is the current Punkin Days Chairman. She also serves as Chairman of the Board for the Floydada Housing Authority and is a member of the Daughters of the American Revolution. She is a board member of the Texas State Historical Hotel Association and maintains membership in the Floyd County Historical Museum. She also serves on the board for the Floydada Chamber of Commerce.

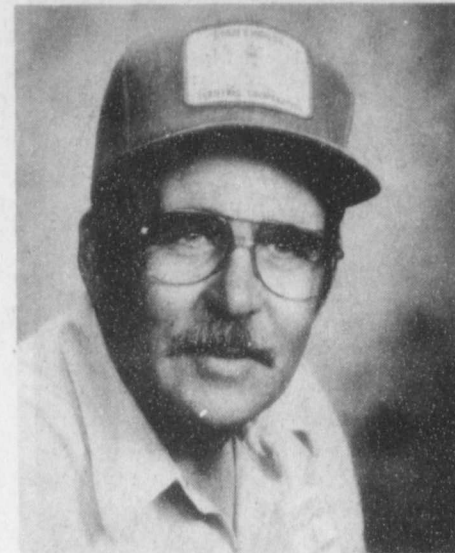

This is Cummings second run for the District 3 City Council position.

"I think it is important for the council to have young people with vision," said Cummings. "Floydada is struggling like a lot of other small towns in the area and I think it is vital to our future to address today's problems and to look at things with a fresh new approach.

"Coming here from Lubbock, I feel as if people who have enjoyed this lifestyle all of their lives don't know how fortunate and wonderful this place is. I would like to see Floydada come together and realize just what a great place Floydada is and the many pleasures Floydada has

to offer.

"We have some great members on the council and a good city government. I believe I could work well with them."

**DALE LAWSON**

Dale Lawson is the incumbent candidate for Floydada City Council District 2. He has been a city councilman since 1993.

He is employed as sub-station foreman for Lighthouse Electric, where he has worked for almost 36 years.

Lawson graduated from Floydada

High School and attended West Texas State University for two years. He is the father of two children, a daughter, Jana, and a son, Greg.

"I want to continue to serve as councilman because I think there are still things that need to get done," said Lawson. "We need to deal with the water situation and make long range goals.

"There is still work to be done to improve our utilities. We have replaced water lines to offer better service. Eventually the state will tell us that we need a sewage treatment plant and we are going to have to be ready for that.

"I believe we need to keep all of our facilities under our control so we can control our rates and keep our money locally.

"We have gotten a lot of things done in two years. We have opened our landfill pit, built the new city hall, redone parks and used grants to help low income families work on their homes. We did not have to raise taxes or borrow money to get these things done and I think the people of Floydada should be very happy that we were able to do this.

"I have enjoyed my work and have gotten a lot done. I have had good people to work with."

## Thornberry plans town hall meeting

Continued From Page 1

gress is doing.

"With the Contract With America successfully completed, we now face the tough task of approving a federal budget that puts us on a path to balancing the budget between now and the year 2002. It's not going to be easy, and I want to hear from my constituents on how to get there."

Thornberry will be in the 13th District during the April congressional recess, from April 17 through April 29.

## Hesperian-Beacon earns four plaques at PPA convention

The Floyd County Hesperian-Beacon was presented with four awards during the 85th annual Panhandle Press Association Convention, Saturday, April 8.

This newspaper was presented with first place plaques for Best Humorous Column and Best Use of Photography. A second place plaque was earned in the Best Society and Lifestyles Division and the Sportswriting Division brought the newspaper a 3rd place award.

Newspapers from across the Panhandle presented their newspapers for judging in the annual regional Better Newspaper Contest. The Floyd County Hesperian-Beacon competed in the Division One category with other weekly newspapers.

In the Best Column (Humorous) division, judges picked a "By The Way" column for first place. The judges comments on the entry included, "Strong point in writing like people talk. 'Put-

ting your foot down' was terrific."

Judges also like the use of photography throughout the paper, giving it a first place for, "good mix of sports, features and news. Good coverage of area especially the fair and Pumpkin Day. Lots and lots of photos."

A second place in Society Lifestyles recognized Rosemary Gonzales for her work on the society page. Judges said the page looked thorough and suggested society feature stories.

Bill Gray's sportswriting earned him a 3rd place plaque for his "good coverage."

The Panhandle Press Association was established in 1908 and includes more than 50 member newspapers in the Texas Panhandle and South Plains, and parts of New Mexico, Oklahoma and Kansas.

The PPA promotes high standards in journalism and cooperation among member newspapers. The group also awards scholarships to college freshmen who plan to major in journalism.

## Cancer crusade benefits research

--From the American Cancer Society

Cancer researchers are now walking among the genes . . . searching the secrets of the cell to discover just how and why cancer begins.

Through the years, cancer research has paid off handsomely. The American Cancer Society has been a leader in this effort, funding more than a thousand research grants.

We've now reached the point when half of all cancer patients will survive. In fact, there are more than five million Americans alive today who have had cancer.

Yes, we're winning the battle against cancer . . . and you can help . . . by giving generously to your American Cancer Society.

"Happy Easter"

## Letter to the Editor

Dear Editor,

I live with my daughter, Dorothy Chambers and her husband, Floyd in Georgetown, Texas. We both enjoy the Hesperian so much since we lived there so long and like to keep up with all the people we know there.

I especially enjoy the Senior Citizens News. I ate lunch at the center there a couple of years ago and it was very nice. I'm glad it is being updated with new paint, linoleum and all the new things that are being added. Hope things continue to go well.

Sincerely,  
Frances Cantrell

DENA TAYLOR AND MICHAEL GOEN

### Taylor and Goen

Jim and Sherry Taylor of Shallowater announce the engagement of their daughter, Dena, to Michael Goen, son of Betty Goen of Floydada and Norman and Tinnie Goen of Plainview.

The bride-elect is a 1992 graduate of Shallowater High School, will receive an Associate Degree from South Plains College in May, and plans to major in Early Childhood Education at Texas Tech beginning next fall. She is employed by Zookinis.

The future bridegroom is a 1990 graduate of Floydada High School, has an Associate Degree in Real Estate Appraisal from South Plains College and plans to major in Business at Texas Tech beginning next fall. He is employed by El Chico and by David Brown, appraiser.

The couple plan to marry June 24 at St. Paul's Lutheran Church in Plainview.

# Whirlwind Sams journey to Abilene

**By Betty Gilbreath**  
FLOYDADA--Wednesday morning, April 6, a group left the Massie Center at 8:45. Those going were the Lyles, Norrells, Wallaces, Weathersbees, Adams, Thaxtons and Gilbreaths.

We stopped at a roadside park south of Post for coffee and doughnuts and relaxed. Part of the Central Plains Sams from Plainview visited with us for a few minutes.

We arrived in Abilene at the Taylor County Expo Center around noon, Mac and Marge McElyea joined us. After getting registered and parked we had lunch in our trailers, rested for awhile. At 5:30 we all went to Cahoots Catfish Bar and Grill for a delicious catfish dinner.

At 7:00 p.m. Bubba Hanna had our devotional service. At 8:00 "The Lighthouse Five" from Lubbock had the entertainment for the evening. This was enjoyed by all. We were all very tired

### Lockney Senior Citizens News

**By Gladys Ragle**  
LOCKNEY--The meeting April 6 was well attended and everyone enjoyed the potluck dinner. Many stayed and played games afterwards.

We have welcomed several new members lately, Ray Hardin, Lynn and Wanda Smith and Audvie Barnett. We hope they will enjoy being in Senior Citizens.

Our bake sale is coming up this Friday starting at 9 a.m. and continuing until we sell out.

The drawing for the quilt will be at the Thursday, March 11, night meeting. Donations for quilt tickets can be purchased at the Senior Citizens Center from 11 a.m. to 1 p.m., Monday through Friday.

The community was saddened by the deaths of William Paul Cooper and Olive Allison. Our sympathy goes out to Jerry Paul Cooper and family and Wynona Allison and family.

Georgia Ford got word on Saturday of the death of her brother in Illinois. She left Sunday afternoon to attend his funeral and will return Friday. Our condolences to you, Georgia.

Willis and Bernice Reynolds continue to recuperate from their surgeries.

Thanks to the April hostesses for the pretty decorations. It really looks springy.

Weekly Words of Wisdom: "If a man is without ideals, if he comes to his hour and he has worked for himself and hasn't lived for the community, he is like a plant without a flower or like a tree that has borne no fruit."

#### MENU

April 17-21  
Monday: Swiss steak, vegetables, salad, dessert

Tuesday: Spaghetti, vegetables, salad, dessert

Wednesday: Chicken fried steak, vegetables, salad, dessert

Thursday: Beef tips, vegetables, salad, dessert

Friday: Chicken strips, vegetables, salad, dessert

### Look Who's New!

**NUTT**  
Zach and Stacy Nutt are proud to announce the arrival of their first child, Kelsey Jo, born on April 6, 1995 at 1:18 p.m. at St. Mary's Hospital in Lubbock. Kelsey weighed 7 lbs. 13 ozs. and was 20 inches long.

Grandparents are Kim and Sarah Hinsley and Edwin and Barbara Nutt, all of Floydada.

Great-grandparents are Wynell Hinsley and Aldine and Wanda Williams of Floydada, Ellie Nutt of Plainview and Eunice Hill of Tulia.

### We Salute In Floydada

**HAPPY BIRTHDAY**  
Thursday, April 13: Freddy Arrizola  
Friday, April 14: Reatha Gowen, Israel Morales, Crystal Rodriguez  
Saturday, April 15: Susan Martin, Robert Perez

Sunday, April 16: Cory Kirk, Jessie Sariana, Wayne Appling  
Monday, April 17: C.E. Leatherman, Estella Navarrete, Jessica Contreras  
Tuesday, April 18: Bob Ross, Joe Luna, Jesus Rodriguez Sr.

**HAPPY ANNIVERSARY**  
Saturday, April 15: Deryl and Tonya Evans

'Hoppy Easter'

and ready for bed.

Thursday morning, we all slept late. The guys got out to see about getting something done about the water situation we were parked in. They put some boards across the water so we didn't have to wade. By the way, we got pretty good walking the plank. This brought back memories about our Samboree at San Marcos, at least this time we were parked on pavement and didn't have to be pulled out of the mud. Most of our group went to Wyatts Cafeteria for lunch, then to Wal-Mart to shop a little.

After returning to our trailers we were all ready to rest or nap for awhile. At 7:00 p.m. we went to the coliseum for evening entertainment, the welcoming committee greeted all the "Good Sams". There were 722 rigs on the parking area Thursday night. Our entertainment was "Two Days Later". Singers were Leesa Stephens and Stacy Walker from Bangs, Texas. The theme of our Samboree was "The Fabulous 50's", all the old music and songs brought back lots of memories, another full day and ready for bed.

Friday morning, all of us except the Thaxtons were up early to go to the "Cowboy Breakfast". Now I know why it was called cowboy breakfast, it was all cold. About 8:15 we all went to Sams Wholesale for a shopping spree, as always spent some money. The Norrells stayed at Sams, their daughter Christi Brooks and children from Eastland were to meet them for a visit.

The Wallace dog "Big Bear" won first prize at the pet parade for being the cutest, of course we were all proud of him.

Later in the afternoon, part of our group played joker, lots of fun. Then we got

out our lawn chairs and sat in the shade of the Adams trailer for a time of fellowship, cokes and cookies.

Friday night entertainment was "The Sagebrush Sounds" from Seminole. This was Sons of the Pioneers type music.

Saturday morning started out with a Flea Market from 7:00 to 11:00 a.m. then to Wyatts Cafeteria for lunch, some of the guys began to hook up rigs to return home Sunday. Part of the guys and Christine Lyles went to play Bingo. The McElyea's visited a friend, also with Mac's daughter and grandchildren. Her and Esther left for Plainview, Esther will sing in the Easter Cantata at their church

Sunday night. Entertainment was "Bent Tree Jamboree", a wild west extravaganza from Ruidoso, N.M.

Sunday morning we all attended the All Faith Worship Service at the coliseum. Bubba Hannah, our Good Sams Chaplin, brought the message. After joining hands and closing prayer the Samboree closed by everyone singing "God Be With You." We all started on our way to Floydada, stopped in Sweetwater at Jacks Steak House for lunch. We reached home around 3:00 p.m. A very tired group but had a good time, the ones that didn't get to go missed lots of fun, food and fellowship.

# HALE'S DEPARTMENT STORE

## We're Celebrating Our 50th Anniversary!

On Friday the 13th, 1945, Hale's Department Store opened their doors on the west side of the square in Floydada in a 25-foot front building. Now 50 years later we are on the south side of the square with a 75-foot front. And we're on our third generation of Hale's; From Walton to Bill to Richard!

We want to express our appreciation to the people of Floydada and our surrounding trade area for their patronage - past,

present and future. We hope to continue to earn your confidence by bringing you the best in style, quality, and price. Proper fitting and good service will continue to be our hallmark.

We have always believed in our community and have worked hard to support it. Thanks for the 50 years -

We hope to continue for another fifty.  
Sincerely,  
Bill & Richard

The people who have worked at Hale's these 50 years have been super. Our sincere thanks to them and we want to individually recognize them by listing their names below. Unfortunately we don't have some of the first names and I'm sure there are a few omissions. For that we apologize.

#### First - members of the family who worked at Hale's...

Bishop	Lawrence Burke	Judy Emert	Ray Nell Bearden

# Floydada Senior Citizens News

**By Margarette Word**  
**FLOYDADA**--The center is open from 8 a.m. to 4 p.m., each Monday through Friday. We are having good crowds for lunch each day. If you are 60 years old or older, please call by 10 a.m. on the day you plan to eat lunch with us. They provide a good hot meal and you will always get in a lot of visiting. The center's phone number is 983-2032.

Nancy Bishop, Geraldine Calloway and their sister, Florene Teal of Lubbock recently drove to Brownwood. One of their reasons for going was to see the wildflowers. They did see lots of bluebonnets and they said they were beautiful. They did a lot of sightseeing. They were gone about a week.

Margaret and Dub Daniel are home after a month long R.V. trailer trip to Sherman where their daughter, Ilene and family live. Ilene and several of her church group and the Daniels camped for several days at the Eisenhower State Park. After doing alot of visiting, the Daniels' went on to Shawnee, Okla., to spend an 87 R.V. trailer rally. During their stay the townspeople treated them like royalty by having the mayor of the town "welcome" all the trailer visitors by giving them lots of gifts and making them feel right at home. When that rally was over the Daniels went on to Anadarko, Okla., to visit the Easter family. The Daniels truly enjoyed their vacation, visiting ole friends, meeting new

ones and seeing relatives. Even though they had a good time, they were glad to be home.

John Belaska's wife who lives at a nursing home in Plainview was taken to the Hale Center Hospital last Thursday. She was very ill.

Rebecca Smith was in the hospital for several days. The doctor was running tests. She is at home now. I'm sure she would appreciate a card or a phone call.

Lucy Eastham, who has been in treatment for cancer for a long time, has recently been given a very good report that she is clear of cancer. This good news has made us all very happy for her and her family.

Last Saturday our monthly Senior Citizen luncheon was held at the center with 17 members attending and three guests.

Those having April birthdays were recognized, sung Happy Birthday to and had their picture taken for our photo scrapbook that is kept at the center. Of the lists that were read only two April birthday people were present, they were Elizabeth Armstrong and Geraldine Calloway.

Margarette Word introduced our program. Rachel and Emily, 8 and 5 year old children of Dr. Randall and Gayla Griffin, were accompanied by their mother, Gayla on the piano while they sang several songs for us. These little girls have lots of talent. We enjoyed their music so much.

Saturday night, 18 of us from the Senior Adult Sunday School class of the First United Methodist Church took sandwiches and trimmings to Lena Mae and Olin Watson's home for a going away party. The Watson's will leave in a couple of weeks and make their home in Midland where their daughter, Lou Ann Barker and family live. We had a wonderful time. We wish the Watsons a happy move. We will miss them. Olin told us he had been a member of this class for 50 years. We all got to visit with Lou Ann as she was in Floydada for the weekend.

Our bake sale, that I mentioned in last week's article, will take place at Lowe's Pay-n-Save grocery store this Saturday, April 14, from 9 a.m. till we sell out. We will have homemade cakes, pies, brownies, cookies, bread and etc. Please, as you shop at the grocery store, come by our table and purchase your goodies for Easter lunch. This is a money making project for daily expenses at the center. We appreciate your support.

Thursday, April 6, Deeota Odum had the following family members for lunch: two sisters from Lubbock, Jimmie Hollomon and Odessa Cage and some cousins, B.F. and Ruth Poore of Goldwithe, Texas, and Wayne and Vada Lue Miller of Douglasville, Ga., B.F. and Vada Lue are sister and brother. They had a wonderful time taking pictures and getting alot of visiting in.

This past week Deeota Odum visited

our nursing home and visited with Winnie Neil. Deeota said Winnie was walking, with help, and seemed to be improving.

If you get a chance go by our nursing home, those residents would love to have you visit with them.

Don't forget our bake sale at Lowe's Pay-n-Save this Saturday, April 14, from 9 a.m. till we sell out.

Phyllis and Mike Badgett of Arlington spent last weekend with his parents, Francis and Peck Badgett.

Freida Hall of Sweetwater has been staying with her mother, Grace Jarrett and going to Lubbock each day for radiation treatments for her cancer. Freida has now finished the treatments so has gone home. April 17 she will be told if the treatment has helped and be told if she needs to start chemo. Our prayer is that the radiation did its job and she can lead a normal life again.

Recently Lorene Newberry's sister-in-law, Jean Newberry of Wolfe City spent the weekend with Lorene.

The following week, Lorene Newberry went by Lamesa and visited with her son, Dale, and then on to Midland and she and daughter, DeAnne, went on to Houston to spend time with DeAnne's son and Lorene's grandson. They went on the Texas Highway tour to see the bluebonnets and Lorene said they were beautiful.

Thought for the Week: This weekend will be Easter Sunday. Take time to go to church and worship our risen Lord. Enjoy your company and be happy. Do something good for someone. Pray for one another.

## MENU

**April 17-21**

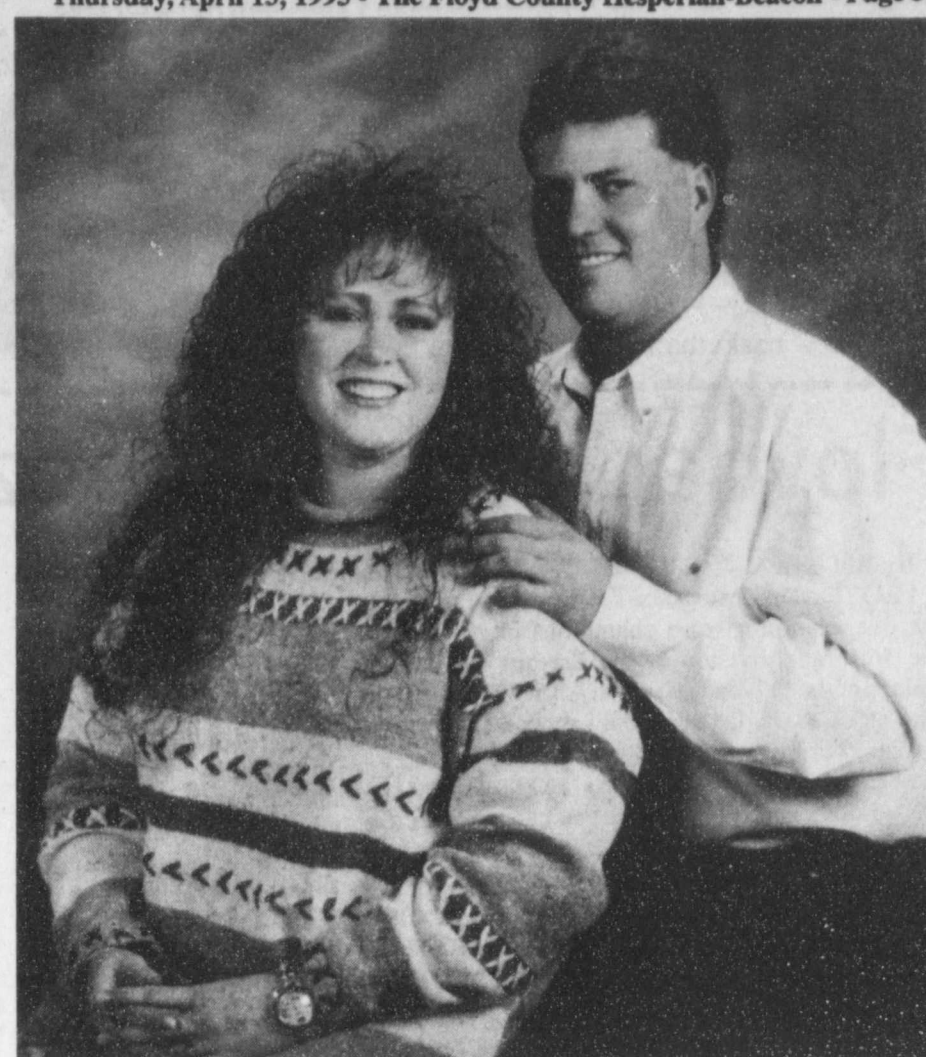

Monday: Hamburger steak w/brown gravy, fluffy rice, squash, wheat roll, golden congealed salad, milk/beverage choice

Tuesday: Brisket, au gratin potatoes, fried okra, dill pickle slices, wheat roll, apricot cobbler, milk/beverage choice

Wednesday: Fish nuggets, baby limas, carrots, bananas and oranges, combread, oatmeal cookies, milk/beverage choice

Thursday: Baked chicken w/mushroom sauce, mashed potatoes, broccoli, tossed salad/1000 Island dressing, bran muffin, lemon cake, milk/beverage choice

Friday: Lasagna, Italian vegetables or zucchini, tossed salad/Ranch dressing, garlic bread, banana pudding, milk/beverage choice

MR. AND MRS. JOE BRIAN IRBY  
 (nee Cathy Denise West)

## West and Irby marry

Cathy Denise West and Joe Brian Irby, both of Odessa, were married in the home of the bride's parents, with a reception following in the home of the groom's parents.

The bride is the daughter of John and Sandra Cole of Odessa. She is a 1988 graduate of Odem High School in Odem and attended Angelo State University. She is employed by Wal-Mart Vision Center in Midland.

The groom is the son of Larry and Margaret Irby of Odessa. He is the grandson of Pete and Pauline Nash and Irene Irby of Floydada. He is a 1990 graduate of Permian High School and attended Odessa College. He is employed by Fitz Equipment in Odessa.

Among the wedding guests were the grandparents and Mr. and Mrs. Connie Bearden of Floydada.

## Il Penseroso hosts bridge tournament

**By Victory Stewart**

**LOCKNEY**--The Il Penseroso Jr. Study Club recently hosted their annual bridge tournament at the Lockney Community Center. Seventy-two women attended the tournament this year. Members of the club donated various door prizes which were awarded during breaks throughout the day.

The ladies enjoyed turkey and broccoli crepes, a variety of sweet and vegetable salads, pound cake with strawberries and cream, and tea, water or coffee for lunch.

Winners of the tournament this year were partners, Bonita Pyatt and Frances Staniford. These ladies were awarded

beautiful silk flower arrangements. Consolation prizes went to Jewell Martin and Pauline McCormick.

During a regular bi-monthly meeting, club members instead met at the elementary school and were treated to a production of the high school team's one act play, "Dancing at Lughnasar." We enjoyed watching the talents of play members, Kristen Abney, Rowdy Boggs, Kelli Clark, Tiffany Ellison, Lee Anne Galloway, Mandy Galloway, Cody Hayes, Kaci Mathis, Tim Mitchell, Johnnie Mosley, Roger Perez, Mary Lindsey Poole and Josh Robnett. Club members provided a covered dish dinner for the cast. Best of luck to them!

Club met for its latest meeting in the home of Shelley Roberts. Members were able to view the finished quilt squares for the Friendship quilt they are making this year. They also discussed various projects and donations for the end of the year.

Members present at this meeting were Lori Caballero, Alice Carthel, Dana Cunyus, Char Dowell, Shawnda Foster, Pam Fulton, Shana Gonzales, Shana Hallmark, Shanna Jackson, Codee Owens, Ruth Reed, Shelley Roberts, Lori Satterwhite, Sammie Setliff, Robin Sherman, Victory Stewart, Heather Stowe, Kim Teeter, Jean Anne Williams and Tami Wofford.

## Floydada hosts Breezer Relays

**By Bill Gray**  
FLOYDADA--Muleshoe's girls were the overwhelming team champions in the 7th grade division of the Breezer Relays at the Floydada track on April 8. The 8th grade girls team title was won by Tulia. Friona was the team victor in the 7th grade boys division, and the 8th grade boys team championship was captured by Dimmitt.

Many of the participating athletes will be favored in their specialties at the District 2-3A Junior High meet at Littlefield in two weeks.

Floydada 7th grader Candice Herrera produced 8 team points for her 3rd place finish in the 2400-meter run. Analisa Enriquez and Marybeth York combined for 8 team points in their 3rd and 5th place finishes in the 1600 meters. Another top Floydada point-producer was Lindsey Reddy, who captured 3rd in the 200 hurdles. Darryl Henderson's 2nd place in high jump was the Breezers' top finisher for the 7th grade boys.

Victoria Cummings paced Floydada's 8th grade girls with victories in the triple jump and 200-meter dash. She also placed 2nd in high jump, and was a member of the 400 and 800 relay teams (which won 4th and 2nd, respectively). Carissa Coursey won the 100-meter dash, and also ran with the 400 and 800 relay teams.

Michael Black and Keith Ledbetter captured 2nd in the 400-meter dash and triple jump, respectively, for the 8th Breezer boys' best showings. Black also ran 5th in the 110 hurdles, and was part of the 3rd place 400-meter relay team. Dusty Duke accounted for 6 team points with a 3rd place effort in 300 hurdles.

Coach Jimmy Burns stated, "As a coaching staff, we were pleased with our youngsters' efforts. This meet helped us to prepare for the district junior high meet in a couple of weeks."

The coach added, "We also want to thank all the parents and helpers for their support and assistance."

## Lockney High School baseball team wins district opener

LOCKNEY--The varsity baseball team defeated New Deal in the district season opener. They were ahead 7-1 at the end of the second inning and narrowly won the game 9-8.

Jared Mosley hit a three run home run in the bottom of the first to put Lockney ahead by three. The Longhorns scored four runs in the second inning to New Deals one and were in the lead by six points.

Lockney did not score again until the 6th inning when they scored one. New Deal kept creeping up and in the seventh the teams were tied 8-8.

A single put freshman catcher Josh Lambert on base in the bottom of the seventh. A stolen base by Shannon Veal put the winning run in scoring position and an RBI double by Lalo Chavira sent the score to 9-8.

Alfred Martinez got the win and improved his record to 3-1. Tanner Johnson came in to record his first save of the season.

**COACHES COMMENT**  
"We needed the win against New Deal to achieve the team's goal of a district championship. I was proud of them, they hit the ball extremely well."

them, they hit the ball extremely well."

**SCORES BY INNINGS:**

**DISTRICT RECORD: 1-0**

## FHS Golf Action

### Lady 'Winds continue golf lead

**By Bill Gray**  
FLOYDADA--Floydada's Lady 'Wind golfers have positioned themselves for a possible district team championship and a berth in the Region 1-3A tournament. Floydada's aggregate team total leads second place Friona by 56 strokes going into the final round, which will be played at Littlefield Country Club on April 13.

Littlefield's Jennifer Beversdorf slipped to a 91 in the second round at Muleshoe, but still leads the individual medalist race with a 168. Shallowater's Christina Lester is ten strokes back at 178. Lady 'Wind Anna Whitfill trails 2nd place by only a stroke at 179. Floydada's Jamie Crow (195) is currently in 5th place in the individual standings.

The top two teams and the top two individual medalists will advance to the regional tournament later this month. High winds made playing conditions miserable during second round action at Muleshoe last week. The Lady 'Winds slipped 13 strokes from their opening round, but none of the other teams were able to make a move on the district leader.

Salina Shorter was one of two Lady 'Winds to improve over her opening day score as she shot 103 in the second day at Muleshoe. Other Floydada scores at

Muleshoe were Anna Whitfill 92, Jamie Crow 102, and Christi Hale 115. Heather Arney knocked 4 strokes off her opening round as she fired a 111 at Muleshoe.

It is unfortunate that Floydada did not have enough boys out to field a team this year, but the Whirlwinds still have a chance to have a representative in the Region 1 Tournament. Talented freshman Justin Payne fired an 81 in last week's second round at Friona to remain in contention for one of the two regional berths.

Payne is only three strokes out of second place in the individual medalist race. Muleshoe and Friona continue to battle for the top two spots in the team championship. The final District 2-3A round will be played at Floydada Country Club on April 13.

Other individual Floydada scores turned in during the second round at Friona were Josh Sneed's 93 and Randy York's 95. Muleshoe's Todd Shipman fired a 72 at Friona to lead the individual medalist race by 10 strokes.

## Lockney Longhorns defeat Jackrabbits

(Editor's Note: Research for the following article, by Texas Tech journalism student Joe Woodyard, was made possible by a grant from the Reader's Digest Foundation.)

**By Joe Woodyard**

LOCKNEY--The Lockney baseball team scored four runs in the top of the seventh inning to defeat the Ralls Jackrabbits 9-7 Tuesday, April 4, in Ralls.

Alfred Martinez took control of the game in the final inning for the Longhorns. He highlighted the four-run rally with a single that drove in two runs, and

struck out the side in the bottom half of the inning to become the winning pitcher.

"I knew we'd do it somehow," Martinez said of the win. "We've done it before and we'll do it again."

Lockney starter Carlos Perales struggled early in the game, allowing three runs in two innings and leaving the bases loaded with no outs in the bottom of the third. Reliever Nino Garcia got a strikeout and a line-drive double play to end the Ralls threat.

Garcia got hit hard in the fifth, allow-

ing four runs in the inning, including an RBI single by Ralls' Jesse DeLeon.

Martinez came in to start the sixth for the 'Horns.

The game saw many squandered opportunities for both sides. Ralls left the bases loaded in the third as well as leaving two men on in the fourth. Lockney left three men on in the sixth and two in the seventh despite the rally.

Lockney coach David Norwood was pleased after the game.

"I'm real proud of our kids," he said. "It's tough playing on the road -- we have to bring the intensity level up."

## Lockney Junior Varsity Baseball Team opens season with win and loss

LOCKNEY--The Lockney junior varsity baseball team played their first game Thursday at Lubbock Cooper and came home with a 7-5 win.

Carson Johnson was on the mound

and pitched the complete game for the win. According to the coaches "It was an overall great team effort."

Outstanding performances in the field were put in by Casey Lambert, Geraldo

Luna, Miguel Guerrero and Bradley Veal.

Putting in outstanding performances at the plate were Adam Cummings, Carson Johnson, Miguel Guerrero and Max Ramirez.

The JV team tried to push their record to 2-0 on Friday but couldn't overcome a tough New Deal team.

**LOCKNEY VS NEW DEAL**  
New Deal left Lockney with a 15-5 win. "Our kids played hard but they were a little over matched."

Good performances were put in by Willie Luna, Charles Van Zandt and Jeff Archer in the field. At the plate Miguel Guerrero, Tyson McDonald, and Adam Cummings had a good night.

The next game will be held at 10:00 a.m. on Saturday in Plainview.

## JOY & PEACE THIS EASTER

## REMEMBER WHEN A HANDSHAKE WAS GOOD ENOUGH? WE DO.

No Long-term Contracts. No Hassles. No Problem.

If the only thing holding you back from experiencing the convenience of cellular phone service is the fact that you have to sign a long-term contract, then Digital Cellular is for you! Just tell us what type of service you want, and we'll get you started! No long-term

contract is required. You can take advantage of Digital Cellular's many features and services just as long as you want, and not as long as we want, like other cellular companies. And what a line-up of great, convenient services! Just take a look!

**TOLL-FREE CALLING**  
With Digital Cellular, you can call anywhere in Texas, New Mexico or Oklahoma from Digital Cellular's home service area without paying any long distance charges! You pay only the regular airtime rates applicable! So whether you are on a tractor near Tahoka or in a car close to Cone, Digital Cellular puts you on the line to family, friends or business associates in all three states for just pennies a minute! Toll-free calling is available to all callers, including non-Digital Cellular customers.

**EXTENDED COVERAGE**  
We've extended our call delivery area to include most of the South Plains and part of West Texas. You can receive calls throughout the entire Digital Cellular Coverage Area, without having to activate or pay for any special roaming services, while traveling in the extended coverage area.

**OPTION2 RATE PLAN**  
If you use your cellular phone regularly then Option2 could be just the thing for you! With Option2, after you have talked just 120 minutes from your home system in a given month, every home minute for the entire month, from the first minute to the last, is charged to you at only 25¢! That's big savings to you if you use your cellular phone as little as 2 hours a month. You also get all of Digital Cellular's free services, like 6-Second Billing (one minute minimum on completed calls), Call Forwarding and 3-Way Calling, and

3-Way Calling, and Incoming and Outgoing Call Restriction. Plus, Option2 customers get Voice Mail free! Some other cellular phone companies charge for services like these, but they're FREE from Digital Cellular. Also free to Option1 customers are 6-Second Billing, Call Forwarding and Call Waiting, and 3-Way Calling!

## Floydada Baseball Report

By Bill Gray

FLOYDADA--Floydada pitching ace Chris Enriquez had his best outing of the season as he gained his fourth victory against two losses in a 12-3 district-opening win at Littlefield. Enriquez allowed 8 hits over seven innings and allowed only two earned runs in the Friday game that had been postponed from April 4 due to wet and cold weather.

Floydada's bats were hot as the Whirlwinds opened District 2-3A play with a victory for the first time since baseball was revived in 1992. Ten of Floydada's 12 runs were earned. Neal Nelson led the Whirlwind offense by going 3-for-4, with 4 RBI, a run scored and a stolen base.

Coach David Kennedy said, "It was a good game to open district play. We played sharp defense and committed only 3 errors... plus we had timely hits with runners in scoring position."

The coach added, "I want to take this opportunity to recognize some players who don't get a lot of ink...but are just

as important to our team as those that get the ink. Kyle Pierce, Dustin Owens, Nick Williams, and Bobby Green are doing a fine job in their roles on this team, and I am also proud of them."

	R	H	E
FLOYDADA	200	420	4 - 12 11 3
LITTLEFIELD	011	100	0 - 3 8 3

Chad Hinkle - 2-for-5, 1 RBI, 2 runs, 1 SB			
Jason Henderson - 2-for-5, 2 runs, 1 SB			
Tomas Barrientos - 2-for-5, 1 RBI, 1 SB			
Ken Cummings - 1-for-2, 1 RBI, 2 runs, 1 SB			
Michael Mercado - 1-for-5, 1 RBI, 1 run, 1 SB			
Joe Sanchez - 2 runs, 1 SB			
Monty Anderson - 1 run, 3 SB			
Sammy Rodriguez - 1 run			
Muleshoe unleashed a 13-hit attack, capitalized on four Whirlwind errors,			

and used its home field advantage to turn back the Whirlwinds 19-6 on April 8. The game was called after 5 innings due to the U.I.L. 10-run rule. The victory solidified the Mules' district-leading position at 2-0, while the 'Winds slipped to 8-8 overall and 1-1 in District 1-3A play.

According to Coach David Kennedy, "We had some costly mental mistakes that you can't afford to have against an experienced club like Muleshoe. I believe, however, that we can beat them. We'll be motivated to do so by their lack of sportsmanship. We will beat Muleshoe at home!"

	R	H	E

## Floydada hosting bike-a-thon May 6

Floydada will be the site of a "Wheels For Life" Bike-A-Thon, May 6, with proceeds benefitting St. Jude's Children's Research Hospital.

Mrs. Gerry Summers will serve as coordinator of the event and encourages all residents to support this community effort.

The Bike-A-Thon will begin at 9:00 a.m. at the Lighthouse Electric's parking lot in Floydada.

All participants will receive a certificate. Participants who raise at least \$35.00 will also receive a T-Shirt. Anyone raising \$75.00 will receive a sports bag along with their T-Shirt and certificate.

Everyone will also have a chance to win a girls bicycle, donated by Lowe's Pay-n-Save; a boy's bicycle, donated by Caprock Motor Parts & Hardware; a basketball goal and backboard, donated by Assiter Insurance; a skateboard, donated by Cornelius Conoco; a basketball, donated by Kirk & Sons; or a football, donated by Higginbotham-Bartlett Company.

"This is also the same day as the city-wide garage sale," said Gerry Summers. "The garage sales will be a great place for you to go while your child rides in the bike-a-thon!"

The Bike-A-Thon will end at 12:00 noon.

St. Jude Children's Research Hospital was founded in 1962 by the late entertainer Danny Thomas. It is the largest non-profit childhood cancer research center in America in terms of the number of patients treated and treatment success.

All findings and information gained at the hospital are shared freely with doctors and hospitals all over the world. Thanks to St. Jude Hospital, children who have leukemia, Hodgkin's disease, sickle-cell anemia, and other child-kill-

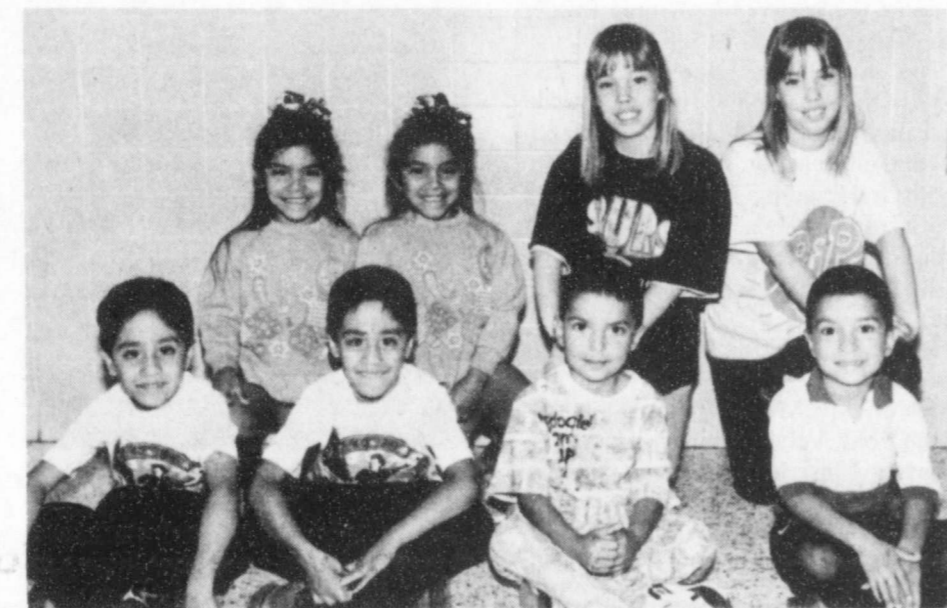

ing diseases now have a better chance to live.

This year's Bike-A-Thon poster child, eight-year-old Shauna Richters, represents all of the patients treated at St. Jude Hospital. Shauna was diagnosed with Wilms' tumor, a malignant growth on her left kidney, in December, 1990.

Shauna is in remission from her cancer and completed her chemotherapy

(anti-cancer drugs) in June, 1991. She is doing well and returns to St. Jude Hospital every six months for checkups. Shauna celebrated her last chemotherapy treatment with a present she had eagerly looked forward to: a new bike.

If you want to participate in the Bike-A-Thon contact Gerry Summers, 983-3041 after 5:00 p.m. on weekdays or anytime during the weekend. If no one is at home you can leave a message.

SEEING DOUBLE AT DUNCAN--Duncan Elementary teachers are kept on their toes keeping straight the names of the five sets of twins they have attending the school. Shown here are: (back, l-r) Aron and Moises Martinez, Ricardo and Concepcion Castillo; (front, l-r) Kayla and Kimberly Luna, and Kimberly and Alyssa Bennett. Another set of twins, Cassidy and Camary Gooch are not pictured. Staff Photo

## Cummings named winner

FLOYDADA--The United States Achievement Academy has announced that Victoria Cummings has been named a United States National Award winner in Science.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American high school students.

Victoria, who attends Floydada Junior High, was nominated for this national award by Mrs. Bobbie Jenschke, a Science teacher at the school. She will ap-

VICTORIA CUMMINGS  
pear in the United States Achievement Academy Official Collegiate Yearbook, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors, and other qualified sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Victoria is the daughter of Kelvin and Jolene Cummings. She is the granddaughter of Mr. and Mrs. Kendall Cummings of Floydada and Mr. and Mrs. Ross McWilliams of Canton, Texas.

## Warren earns 3rd place in district tennis competition

FLOYDADA--Floydada tennis teams participated in District competition on April 4 and 5 in Lubbock. Will Warren brought home a third place.

Warren, competing in the Varsity Boys Singles division, defeated Wischkaemper of Littlefield 6-0, 6-4. In the semi-finals he lost to Bryan of Dimmitt 7-5, 6-3. In the consolation game, Warren won over Gardner of Muleshoe 7-5, 6-1.

Chad Harmon won his first round match against Espinoza of Friona 6-2, 7-5. He lost in the quarterfinals to the eventual winner Kirkland of Shallowater 6-0, 6-0. Kirkland has won state the last two years in 2-AA.

In the Varsity Girls Singles division, Jennifer Harbin lost to Magerman of Littlefield 6-3, 6-1.

Angie Dean beat Ratuff of Littlefield 6-2, 1-6, 6-4. Dean lost in the quarterfinals to eventual winner Goddard of Friona, 6-0, 6-0.

Lisa Martinez and Elisavet Mendoza lost to McCarty and Ramos of Shallowater 6-1, 6-2 in the Varsity Girls Doubles competition of the tournament. McCarty and Ramos won the doubles competition.

Shea Sanders and Alissa Wilson lost to Trussell and McElroy of Muleshoe 6-4, 6-0.

Competing in Junior Varsity Girls Singles were Kjersti Tvinnereim, who lost to Garcia 8-2 and Leigh Dawdy, who lost to Jepsen 8-1.

Coach Robin Nixon praised her teams stating, "I am extremely proud and ex-

cited for these young athletes. It shows that hard work and commitment goes a long way toward reaching your goals. The tennis team ended the year winning three duals and having one tie." Junior high will have their district meet May 1 and 2 in Dimmitt.

### LOCKNEY MEET

In competition against Lockney, the Floydada tennis teams won seven matches out of 11.

Results were as follows:  
Elisavet Mendoza and Lisa Martinez lost 4-8 to Lisa Vargas and Dede McCarty

Elisavet Mendoza and Lisa Martinez won 8-2 over Leigha Wood and Jennifer Lynn

Shea Sanders and Angie Dean won 8-4 over Kay Lynn Lusk and Mandie Hunter

Elisavet Mendoza and Lisa Martinez won 8-0 over Gretchen Quebe and Pepper Billington

Will Warren and Chad Harmon lost 5-8 to Coby Marr and Eric Martinez

Angie Dean won 8-1 over Chelsea Patridge

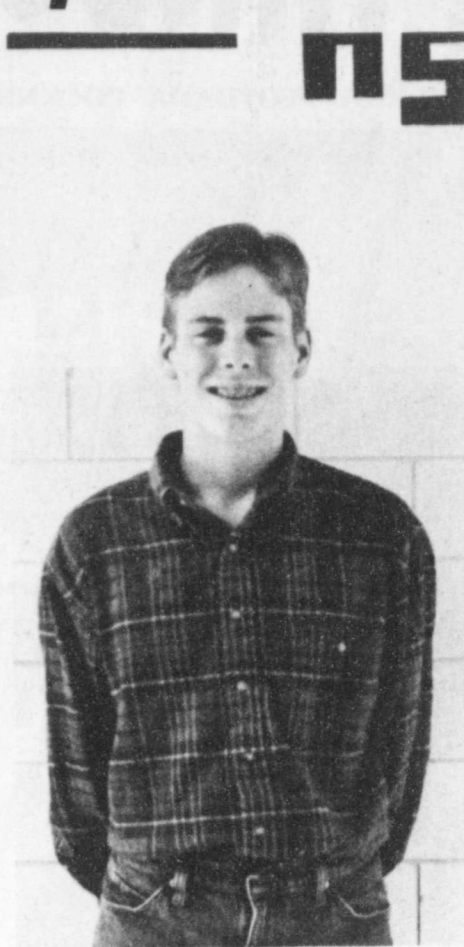

Shea Sanders won 8-1 over Gretchen Quebe

Will Warren won 8-3 over Brady Marr

Chad Harmon lost 2-9 to Mark Todd Terrell

Will Warren and Chad Harmon won 8-5 over Brady Marr and Michael Hernandez

Angie Dean and Shea Sanders lost 6-8 to Lisa Vargas and Dede McCarty

TENNIS WINNER -- Will Warren, representing FHS, won third place in district competition recently. He is the son of Martin and Jill Warren of Floydada. -- Staff Photo

## Six FJHS students win at regional science fair

FLOYDADA--Six students from Floydada Junior High entered and won awards at the South Plains Regional Science Fair this past Friday and Saturday, April 6 and 7. This was a large competition consisting of over 450 projects competing at all levels of district competition, from 1A to 5A schools.

The students who entered and won with 2nd division honors were Shane Lloyd, Maria Rangel, Kylan Sanders, Dustin Jones, and Heather Carr. Winning in the top most bracket of first division was Randi Duke who also was awarded a medal with her project -- Crazy Corn.

Winning special honors from the Air Force was Heather Carr for her project -- Which Ball Is Best. There were only

three Air Force awards from all the junior high level.

Also, receiving a special certificate from the Environmental Protection Agency was Kylan Sanders with her project -- Limestone and Acid Rain on Pines. Her award was one of only three of such special awards from this agency for junior high.

These students had already won from a local fair judging from over 50 projects from the junior high school. The local science fair for Floydada Junior High will be on April 20 and everyone is invited to see all the hard work done by all the junior high students plus the art exhibits from the junior high.

## Only the Strong Survive in '95

By Jennifer Harbin

**MATT WHITTLE**

FLOYDADA--One of our Senior Spotlights is Matt Whittle, son of Teresa and Mark Whittle. As a student at Floydada High School, he has been involved in FFA, freshmen and senior year football, and 4-H. Matt's favorite class is Ag with Mr. Wetsel.

He will always remember the fun he had his freshman year and Ag trips. After Matt leaves FHS, he will miss his friends and the stunts they pulled.

This fall he plans to attend Clarendon Jr. College and study Ranching and Feedlot Operations.

If Matt could take a trip anywhere, he would take all of his friends on a trip to Australia. He has a great admiration for his parents for being supportive and always being there for him.

In the future, he would like to go into ranching or help out on the farm.

Our second senior is Sammy Rodriguez, son of Jesus and Carmen Rodriguez. Sammy has been very active in all aspects of athletics throughout high school, FFA and FCA. His favorite teacher is Coach Carr and his favorite class is Economics.

When he looks back, he sees many great memories, such as football games, homecoming, and time spent with his friends. He also remembers his most embarrassing moment, when he was knocked out at the Post game last year.

He could never forget the closeness among everyone and the way they joked around together.

Sammy admires his parents, Rance Barnett, and his mother, because they have been there for him, when he needed them.

If he could take a trip anywhere, he would take his parents, Rance Barnett and his mom, Kathy, and David Watson to the Virgin Islands.

Sammy plans on attending West Texas A&M in the fall and majoring in Physical Education. He would like to have a job coaching in Texas someday. He feels that there is no football like there is Texas football.

A famous quote from Sammy is, "Losing is not a choice but winning is, No Fear."

year. His favorite class is his three ag classes and his favorite teacher is Mr. Standlee.

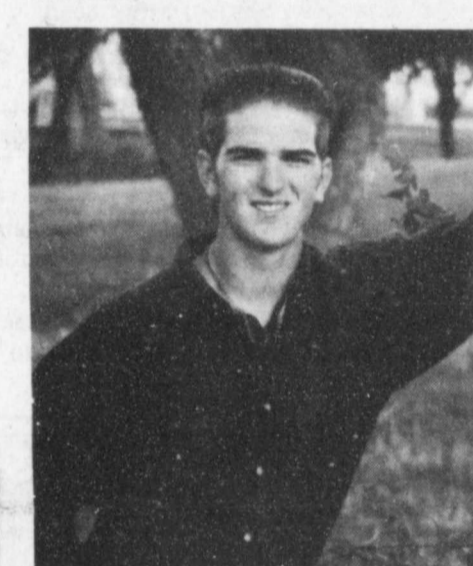

Brady's best memories of high school are of his freshman year and all the good times. If he could change one thing about the past four years, he wouldn't have left athletics.

Brady admires his father for being such a good friend.

After graduation, he plans on attending South Plains College and majoring in Wildlife-Management to become a game warden.

If Brady could take a trip anywhere he'd take some of his friends to the Virgin Islands.

Some advice from Brady, "You only live once."

**JASON DEAN**

This week's Senior Spotlight is Jason Dean, son of Steven and Debra Dean.

Since Jason has lived in Floydada, he has realized that people's attitudes here are not conceited, and they are just plain and to the point.

If Jason was able to change one thing, he would settle down a little more and keep his grades up. If he could go anywhere in the world, he would go to the Swiss Alps and take anyone who wanted to go.

After graduation, he plans on attending Clarendon and then transferring to Texas Tech. Jason desires to major in Fine Arts and someday, when he is settled, he plans on having a family.

Some words of advice from Jason are, "To be, rather than to seem."

**BRADY ANDERSON**

Our next senior being spotlighted is Brady Anderson, son of Steve and Donna Anderson. Brady has been involved in FFA for the past four years and football his freshman and senior

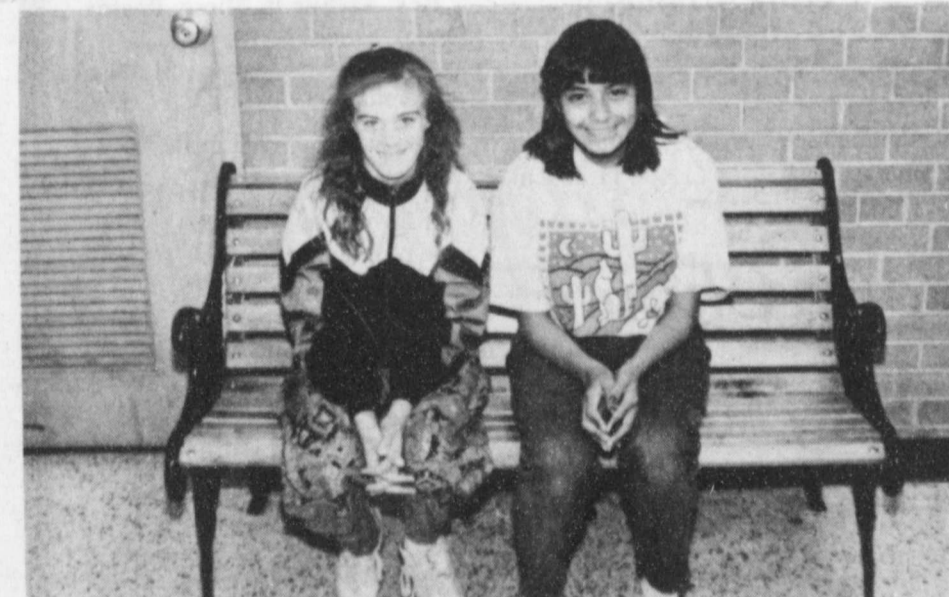

**JUNIOR HIGH UIL PARTICIPANTS**—These Floydada Junior High students participated in U.I.L. events, Saturday, April 1. The students on the front row brought home ribbons and included: (front, l-r) Jeremy Hernandez, 4th,

Cory Kirk, 6th, Ty Hendrix, 6th, Justin McGuire, 6th, Shane Lloyd, 3rd, Erick Arellano, 2nd & 5th, Kember Everett, 3rd and Mandy Emert, 4th. Second place winner, Shonda Smith, is not pictured. Staff Photo

**LITTLE LONGHORNS** -- Lockney Elementary School student named Little Longhorns for the week of April 10-14 included: (front row, left to right) Angelica Fierros, Sofia Ascencio, Greg Gonzales, Yvonne Martinez, Delilah Estrada, Juan Carlos Ascencio, John Sherman, Benjamin Balderas, Ruben Guerra, Alonso Castillo; (middle row)

Leticia Guerrero, Janee Hrbacek, Jana Miller, Amanda Butler, Paul Amador, Kellen Hooten, Landon Cotham, Chano Naranjo; (back row) Sharon Prather, Jessica Garza, Tasha Powell, Kirk Wilson, Garrett Mathis, Rance Shoemaker, and Daniel Luna. -- Staff Photo

**ELS LAB SUPERSTARS** -- Selected as the ELS Lab Superstars for the week of April 10-14 at Lockney Elementary School were Kami Wilson and Candi Rodriguez. -- Staff Photo

## Special services planned at Floydada Methodist church

FLOYDADA--First United Methodist Church of Floydada, 803 W. Kentucky, will hold several special services for Easter week.

On Thursday, April 13, the church will celebrate Holy Communion at 7:00 in the evening. This "Maundy Thursday" service will feature traditional liturgy, special music, and a meditation on the Last Supper.

On Easter Sunday morning at 7:30 the congregation will gather for a sunrise service at City Park. The Youth Choir will bring special music and the congregation will sing traditional Easter hymns and choruses. The pastor will bring a brief resurrection message.

"We'll set up plenty of chairs. We hope lots of folks from the community will

dress warmly, bring blankets, and join the celebration," said youth director Don Warren.

Then, at 10:50 a.m. the sanctuary will resound with praise as the congregation gathers for Easter worship. A highlight of the service will be the traditional "flowered cross." Worshipers will be given flowers to place on a bare cross to worship the risen Christ.

The Chancel choir, directed by Bobby Rainer will present a beautiful collection of Easter anthems accompanied by Penny Ogden and Wendy Pierce.

Pastor Clark Williams will bring the message entitled "A Window on Freedom." He urges and invites everyone in the county to join the church for this great celebration of worship.

## Holy Week services slated at St. Mary Magdalen Church

FLOYDADA--St. Mary Magdalen Catholic Church in Floydada (South Wall Street) has scheduled special services for Holy Week.

The schedule for Thursday, April 13 through Easter Sunday is as follows:

**Thursday, April 13:** Holy Thursday, 8:00 p.m. Lord's Supper, Washing of the Feet, Exposition of the Blessed Sacrament.

**Friday, April 14:** Good Friday, 8:00 p.m. Celebration of the Lord's Passion.

**Saturday, April 15:** Easter Vigil of the Lord's Resurrection, 8:00 p.m.

## The Crucifixion

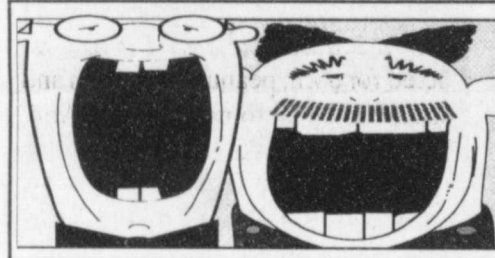

When they came to take him away,  
He didn't know what to do, or where to go.  
He cried his few hours in mercy and pain.  
He cried out to the Lord our God of Mercy and Reign.

The soldiers came to make jokes.  
Though He never spoke.  
They laughed and insulted him.  
And he only said, "Forgive them."

They nailed him to the Cross.  
With only three nails they used  
Two for his arms, the other for his feet.  
As we shouted, "Crucify Him," and watched him bleed.

He died to save us all,  
He rose to prove the wrong, were wrong.  
He had followers for all the world to follow.  
He said, "Seek and ye shall find,"  
"The blind shall see, the deaf shall hear."  
The world will be forgiven for us all to live here!

--Roxanne Mercado Garcia

This Week's Announcements

### WELFARE BOARD

The Floyd County Child Welfare Board reminds everyone that April is Child Abuse Prevention Month. Help prevent child abuse or neglect by calling the Child Abuse Hotline, 1-800-252-5400.

### DUNCAN PTA

Duncan PTA will have a meeting at 5 p.m. Tuesday, April 18, in the Duncan Elementary cafeteria.

### BASEBALL SIGNUP

Floydada's final baseball signup date will be Monday, April 17, from 5:30 to 7:30 p.m. in the Floydada Junior High cafeteria. This is open to ages 5-15.

### ATTENTION FLOYD COUNTY

The Floyd County Progressive Foundation will hold its next organizational meeting Tuesday, April 18, at 7:00 p.m. at Lighthouse Electric. The group will meet the third Tuesday of each month, alternating between Lockney and Floydada.

### WORLD ORDER

If you are against The New World Order, come to a meeting April 17 at 7:00 p.m. at the Mahon Library (downtown Lubbock) to hear what you can do to help.

# Fertilized management program necessary for good home gardens

By David Kostroun  
Extension Agent-Ento. (PM)  
Crosby/Floyd Counties

Home gardens provide high quality vegetables for fresh use, canning and freezing if the crops are supplied with adequate nutrients. All vegetables require relatively large amounts of plant nutrients. Most home gardeners will have to provide additional plant nutrients by applying fertilizers and/or compost. If your soil is naturally rich in nutrients, you are lucky; however, you may find it necessary to give your garden a nutritional boost through the use of fertilizers. In West Texas, a fertilizer management program is essential for successful home gardens.

The soils of this region contain an adequate supply of the essential plant nutrients generally, with the exception of nitrogen and phosphorus. In some soils and situations, iron and/or zinc are needed in small quantities.

Over-fertilization can cause gardening problems, especially with any of the "complete fertilizers". On many older gardening sites in our region, we find that excessive fertilization with phosphorus has induced zinc and iron deficiency.

Additional organic matter (compost, peat moss, and manure) can have beneficial effects on the home garden. Organic matter serves to "open up" a clay soil, thus improving drainage and aeration. In sandy soils, organic matter increases the water holding capacity. In any soil, the general soil fertility status will likely be improved.

Care must be taken with manure; nutrients will be added (in particular phosphorus), but so will salts which can have an overall harmful effect on the garden if too much manure is applied. Do not exceed a rate of 10 lbs. of dried manure or 50 lbs. of feedlot or stable manure per 100 square feet.

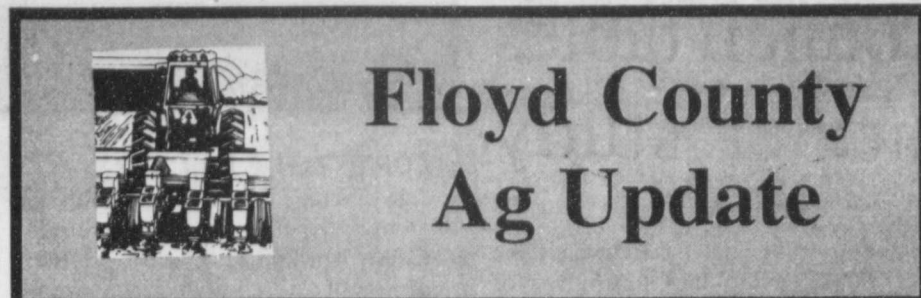

The objective of composting is to convert refuse into a "synthetic manure." Leaves, grass clippings, weeds, and vegetable matter from the kitchen can all be used. In our region, grass clippings will predominate. Depending on your lawn fertilization practices, compost from grass clippings will be high in nitrogen.

Assuming a three foot square area, a

compost pile may be constructed by:

- 1) spreading out a 4 inch layer of refuse,
- 2) covering the litter layer with a 2 lb. coffee can of soil (inoculate the litter with the soil microorganisms, responsible for the decay process),
- 3) adding 1/4 cup of ammonium sulfate fertilizer (stimulate the soil microorganisms),
- 4) repeat the above process to desired depth. Moisten dry materials. Under normal conditions, the pile should be turned in 2 to 3 weeks (sooner if the materials are green), and again in 5 weeks. Your compost will be ready in 3 months, or sooner depending on the nature of the refuse, temperature, and moisture.

When new clippings are added to the pile, they should be mixed in with some of the older material, finishing with a layer of older material placed over the top. To utilize the compost or peat moss, spread about 5 bushels of the material over 1000 sq. ft. and mix thoroughly into the soil.

## Floyd County Ag Update

### Rainfall shortage troubles High Plains cotton growers

Lack of rainfall and a declining water table pose problems for cotton growers on the Texas High Plains as they begin preparing their fields for planting. Some 6.4 million acres of cotton are expected to be planted in Texas this year, with some 4 million of that on the High Plains.

Since Jan. 1, the 25-county area around Lubbock which annually produces about half of the state's cotton has received less than an inch of rain. Lubbock has recorded only 0.97 inches of precipitation — about half its long-term average for the first three months of a year.

Combined with the below-average precipitation last year, fields are without adequate subsoil moisture for planting and for a good growing season, said Kater Hake, cotton agronomist with the Texas Agricultural Extension Service.

"Fields without some deep water could suffer severe loss if July rains (during the peak of the growing season)

aren't timely," Hake said. Some farmers who irrigate from wells are running into problems as they water fields in preparation for planting in the next few weeks, he noted.

"Well capacity is down substantially from 1994, and many wells are pumping dry during the prewatering," Hake said. He said that the High Plains Underground Water Conservation District Number One reports that the average pumping depth dropped about two feet from last year. The water district noted that the year before, the average water depth dropped one foot, while the 10-year average annual decline has been half a foot.

"Although producers are working their fields, applying herbicides and prewatering, conditions are less than optimum," Hake said. He noted that high winds and unusually high temperatures are resulting in evaporation losses of pre-plant irrigation water.

### Caprock Plains FLB stockholders meet for annual reports

The Caprock-Plains Federal Land Bank Association of Plainview held its annual stockholders meeting on Friday, April 7, at the Ollie Liner Ag Center in Plainview.

Updates on the association's performance in 1994 and for 1995 were given by Stuart Dixon, Chairman, Board of Directors. Dixon announced that a patronage distribution will be made this year to members, based on 7.14% of the net interest paid on 1994 loans.

Entertainment was provided by Doug Smith of Petersburg, a noted West Texas instrumentalist and performer who has produced more than 200 original compositions.

Among other items of business, stockholders re-elected Stuart Dixon of Matador and Jerry Oswalt of Abernathy to the association board of directors. Other directors are Don McCulloch of Plainview, Homer Roberson of Petersburg, L. B. Garvin Jr. of Silverton, Ronnie Hopper of Petersburg, and Dean Turner of Matador.

The Caprock-Plains Federal Land Bank Association of Plainview makes rural land and housing loans in Floyd, Hale, Briscoe, Motley and Hall Counties. Mike Howell, association president, reported that as of Dec. 31, 94, the association had 731 loans outstanding with a total volume of \$39.7 million, assets of over \$7.5 million.

### Proven Performance Makes THIMET Undisputed Champion

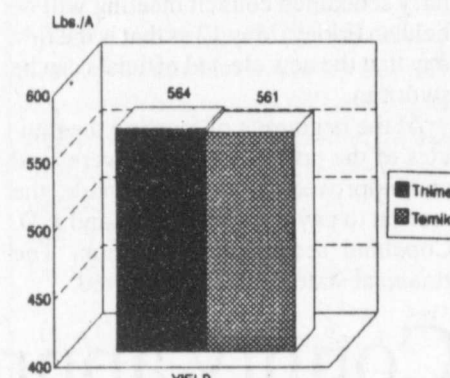

### THIMET® Beats Temik In Floyd County Rematch!

A field trial was recently conducted near Floydada, TX comparing the yields of cotton treated with THIMET® soil and systemic insecticide to that of Temik®. In fact, this grower-initiated study was located at the exact site as a trial set up last year by Rhone-Poulenc Ag Company.

For this 1994 cotton yield comparison, the grower applied both insecticides in-furrow at planting. Each treatment was replicated thirteen times across the field. Plant mapping was used to evaluate stand and fruit set. To compare yields, the grower stripped and ginned eleven acres from both treatments.

Mid-season plant mapping indicated a higher stand count and fruit set in cotton treated with THIMET. More importantly, the THIMET-treated cotton out-yielded cotton treated with Temik.

The average yield of cotton treated with THIMET was 564 pounds of lint per acre. The Temik-treated cotton yielded an average of 561 pounds, or three pounds per acre less than THIMET.

Yield results of 1994 THIMET vs. Temik comparison, Floydada, TX.

In addition, cotton treated with THIMET had a turnout of 30.4 percent. Turnout for the Temik-treated cotton was only 29.9 percent.

Granted, a three pound per acre yield advantage may not sound like much. However, when you combine effective early season insect control, the safety of LOCK 'n LOAD® and equal or superior yields (at a lower cost per acre), you'll agree that THIMET is the winner by decision... Make it YOUR decision!

\*TM Trademarks, American Cyanamid Company.  
\* Temik is a registered trademark of Rhone-Poulenc Ag Company.  
\* Command is a registered trademark of FMC Corporation.

Using THIMET® soil and systemic insecticide instead of Temik provides cotton growers effective thrips control at an economical cost. In fact, university tests across the Cotton Belt have proven that in-furrow applications of THIMET provide superior protection against thrips. This helps you get young cotton plants off to a strong healthy start, which means higher yielding cotton.

THIMET can be applied in any tillage system, from conventional to no-till. In addition, THIMET is also labeled for corn, peanuts, sorghum and sugarbeets just to name a few. And, according to FMC, THIMET can be used to protect your cotton from Command® herbicide. Temik can't.

THIMET is available in the refillable, returnable LOCK 'n LOAD closed handling system, which protects you, your family and the environment. It virtually eliminates the risk of insecticide exposure, spillage or odor and the worry of bag disposal.

Proven on farms across the Cotton Belt, THIMET gives you the performance and versatility you demand at a price you can afford. For more information on THIMET, see your local Cyanamid Agriscience™ dealer.

### Water Matters

The cities of Lockney and Floydada have joined with the Floyd County Hesperian-Beacon to bring a series of water conservation tips to the citizens of Floyd County.

### WATER QUIZ

1. Do we have more water or less water on earth than 2,000 years ago? (same amount)
2. What country boasts the most dams? (United States)
3. What's the longest river in North or South America? (Amazon)
4. Rain, sleet, snow, and hail are examples of what? (Precipitation)
5. The land area from which all water drains to a single area is known as what? (Watershed or basin)
6. Name two common agricultural products carried on barges on the Missouri River. (Fertilizer, grain)
7. When a river overflows its banks, the natural phenomenon is called what? (Flood)
8. What's the name of an artificial lake formed for the collection and storage of water? (Reservoir)

9. The zone in which the ground below the surface is saturated with water is called what? (Water table)

10. About how much water does it take to make a hamburger, fries, and soft drink? (1,500 gallons/5,678 liters)

11. Which holds more water, warm air or cool air? (Warm)

12. What's the Spanish word for water? (Agua)

13. Who has the responsibility to protect groundwater? (All of us)

14. Name 3 of the 4 oceans in the world. (Atlantic, Pacific, Indian and Arctic)

15. Name the canal that connects the Pacific and Atlantic Oceans. (Panama Canal)

16. What's it called when the human body is lacking in adequate fluids? (Dehydration)

17. In what three forms does water occur? (Liquid, solid, gas)

18. How long can a person live without water? (Approximately 1 week)

19. About how much water should a person consume per day to maintain health? (8 glasses)

20. Of all the earth's water, what percentage is ocean or seas? (97%)

21. What percentage of the earth's water is usable freshwater? (1%)

22. At what temperature does water freeze? (32 degrees F; 0 degrees C)

23. What is water stored in an aquifer called? (Groundwater)

24. What is the name for an underground layer of sand, gravel, or other rock that is a source of groundwater to wells or springs? (Aquifer)

25. Name a possible source of groundwater contamination. (Landfill, septic tank, feedlot, fertilizer, pesticides, gas/oil leak, abandoned well)

26. The reverse process of evaporation is called what? (Condensation)

27. What is another term for the hydrologic cycle? (Water cycle)

28. Name one example of flowing surface water. (Brook, creek, stream, river, canal)

29. Give one example of standing surface water. (Lake, pond, swamp, bog, marsh)

30. An unusually high wave sometimes caused by an earthquake in the ocean is called what? (Tidal wave or tsunami)

31. What's the name of a hole in the ground used to extract water? (Well)

32. Using the force of falling water to produce electricity is known as what? (Hydroelectricity)

## Floyd County Ag Update

### Rainfall shortage troubles High Plains cotton growers

Lack of rainfall and a declining water table pose problems for cotton growers on the Texas High Plains as they begin preparing their fields for planting. Some 6.4 million acres of cotton are expected to be planted in Texas this year, with some 4 million of that on the High Plains.

Since Jan. 1, the 25-county area around Lubbock which annually produces about half of the state's cotton has received less than an inch of rain. Lubbock has recorded only 0.97 inches of precipitation — about half its long-term average for the first three months of a year.

Combined with the below-average precipitation last year, fields are without adequate subsoil moisture for planting and for a good growing season, said Kater Hake, cotton agronomist with the Texas Agricultural Extension Service.

"Fields without some deep water could suffer severe loss if July rains (during the peak of the growing season)

aren't timely," Hake said. Some farmers who irrigate from wells are running into problems as they water fields in preparation for planting in the next few weeks, he noted.

"Well capacity is down substantially from 1994, and many wells are pumping dry during the prewatering," Hake said. He said that the High Plains Underground Water Conservation District Number One reports that the average pumping depth dropped about two feet from last year. The water district noted that the year before, the average water depth dropped one foot, while the 10-year average annual decline has been half a foot.

"Although producers are working their fields, applying herbicides and prewatering, conditions are less than optimum," Hake said. He noted that high winds and unusually high temperatures are resulting in evaporation losses of pre-plant irrigation water.

### Caprock Plains FLB stockholders meet for annual reports

The Caprock-Plains Federal Land Bank Association of Plainview held its annual stockholders meeting on Friday, April 7, at the Ollie Liner Ag Center in Plainview.

Updates on the association's performance in 1994 and for 1995 were given by Stuart Dixon, Chairman, Board of Directors. Dixon announced that a patronage distribution will be made this year to members, based on 7.14% of the net interest paid on 1994 loans.

Entertainment was provided by Doug Smith of Petersburg, a noted West Texas instrumentalist and performer who has produced more than 200 original compositions.

Among other items of business, stockholders re-elected Stuart Dixon of Mador and Jerry Oswald of Abernathy to the association board of directors. Other directors are Don McCulloch of Plainview, Homer Roberson of Petersburg, L. B. Garvin Jr. of Silverton, Ronnie Hopper of Petersburg, and Dean Turner of Mador.

The Caprock-Plains Federal Land Bank Association of Plainview makes rural land and housing loans in Floyd, Hale, Briscoe, Motley and Hall Counties. Mike Howell, association president, reported that as of Dec. 31, 94, the association had 731 loans outstanding with a total volume of \$39.7 million, assets of over \$7.5 million.

### Proven Performance Makes THIMET Undisputed Champion

Using THIMET® soil and systemic insecticide instead of Temik provides cotton growers effective thrips control at an economical cost. In fact, university tests across the Cotton Belt have proven that in-furrow applications of THIMET provide superior protection against thrips. This helps you get young cotton plants off to a strong healthy start, which means higher yielding cotton.

THIMET can be applied in any tillage system, from conventional to no-till. In addition, THIMET is also labeled for corn, peanuts, sorghum and sugarbeets just to name a few. And, according to FMC, THIMET can be used to protect your cotton from Command® herbicide. Temik can't.

THIMET is available in the refillable, returnable LOCK 'n LOAD closed handling system, which protects you, your family and the environment. It virtually eliminates the risk of insecticide exposure, spillage or odor and the worry of bag disposal.

Proven on farms across the Cotton Belt, THIMET gives you the performance and versatility you demand at a price you can afford. For more information on THIMET, see your local Cyanamid Agriscience™ dealer. --PAID ADVERTISEMENT

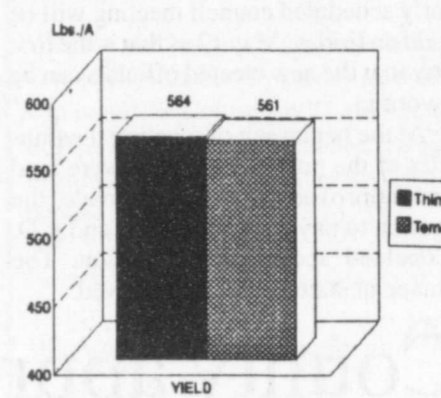

### THIMET® Beats Temik In Floyd County Rematch!

A field trial was recently conducted near Floydada, TX comparing the yields of cotton treated with THIMET® soil and systemic insecticide to that of Temik®. In fact, this grower-initiated study was located at the exact site as a trial set up last year by Rhone-Poulenc Ag Company.

For this 1994 cotton yield comparison, the grower applied both insecticides in-furrow at planting. Each treatment was replicated thirteen times across the field. Plant mapping was used to evaluate stand and fruit set. To compare yields, the grower stripped and ginned eleven acres from both treatments.

Mid-season plant mapping indicated a higher stand count and fruit set in cotton treated with THIMET. More importantly, the THIMET-treated cotton out-yielded cotton treated with Temik.

The average yield of cotton treated with THIMET was 564 pounds of lint per acre. The Temik-treated cotton yielded an average of 561 pounds, or three pounds per acre less than THIMET.

Yield results of 1994 THIMET vs. Temik comparison, Floydada, TX.

In addition, cotton treated with THIMET had a turnout of 30.4 percent. Turnout for the Temik-treated cotton was only 29.9 percent.

Granted, a three pound per acre yield advantage may not sound like much. However, when you combine effective early season insect control, the safety of LOCK 'n LOAD® and equal or superior yields (at a lower cost per acre), you'll agree that THIMET is the winner by decision... Make it YOUR decision!

## Lockney City Council tables projects for further study

LOCKNEY—At the Lockney City Council meeting held Monday, April 10 several items on the agenda were tabled for further study. The items tabled included a request for paving, installing a sewer line, and closing of streets.

Alderman heard a request from Leonard Cox for installing a sewer line to a house he owns. Gary Marr explained to Cox that the city ordinance reads that the city can not put in sewer lines on private property.

Santos Mariscal asked to have a street closed that is on a piece of property that he wants to put a house on. The lane that is in use as a street is not a designated street but has been used as one for the convenience of citizens in the area.

Jim Bob Martin asked to have a street closed that is south of his house on First Street. The designated street has never been used.

Also a request was made by Bruce Williams and Jim Bob Martin for paving. Williams and Martin are intending to build on Apogee Drive and will pay for paving their half of the street. They have asked the city to pave the other half at the same time in order to make a better street. The land owner of the other lots has consented to having a lein placed on the property until the remaining lots are sold and then the city will be repaid for the paving by the purchasers.

These requests were tabled for further study. Paul Lyle, city attorney, will look into the handling of these items.

J.D. Copeland made the motion to amend the budget as outlined and it was seconded by Bill Anderson.

Members of the council voted to hire Larry Mullins to train the secretary and assistant secretary on the new computer so that better use of the computer can be made. The training will be done on an hourly basis as needed.

J.D. Copeland made the motion and it was seconded by Gary Marr to appoint Robert McDonald to the Mackenzie Municipal Water Authority Board for a two year term.

The board voted to hire Mike Whiteley of Floydada to paint the flag poles at city hall and the police station. Bill Anderson made the motion to spend \$60.00 on each pole. The motion was seconded by Gary Marr and all voted

for. Donnie Bybee had asked to have the old "15 Minute Parking" sign in front of the old post office. The council voted to sell it to him for \$1.00 as it is no longer needed and nearly unreadable. Bill Anderson made the motion and it was seconded by Roger Stapp.

The Main Street Church of Christ has donated several benches to the city to be used at the Lockney Community Center. The motion was made by J.D. Copeland and the second made by Roger Stapp. Dickie McCarty said that he would move them to the center.

Roger Stapp reported that the local model airplane club had asked if they could put a water meter on a fire hydrant located near their flying field for water to start grass on the field. The board discussed the item and decided that it would be better to set a meter on a water line other than the fire hydrant and go the standard water meter route.

### DEPARTMENTAL REPORTS

J.D. Copeland reported that the city needed to put up a "no dumping allowed" sign on the railroad right-of-way by the cemetery. He reported that some dumping had been done and had to be cleaned up. McCarty said that he would put up the signs.

Anyone dumping trash of any kind anywhere in the city limits is subject to a fine.

Gary Marr asked the council to spend \$1100 for 450 feet of new rods for the sewer clean out machine. McCarty told those present that the old rods were worn out. They agreed to do so.

Hooten announced that the next regularly scheduled council meeting will be held on Friday, May 12 as that is the first day that the new elected officials can be sworn in.

At the beginning of meeting the minutes of the previous meeting were read and approved. Gary Marr made the motion to pay the current bills and J. D. Copeland seconded the motion. The financial statement was reviewed.

### Continued From Page 1

Plains for Glen Wood; and #1540 in Precinct 2 for Charles Huffman to level land for return to cultivation 5 1/2 miles north and 2 miles west of Lockney.

Budget amendments were approved transferring funds to allow payment of monthly bills. They included: increasing Tax Assessor/Collectors computer expense by \$35.16 and decreasing general surplus; increasing law library funds by \$800.00 and decreasing general surplus; increasing road and bridge miscellaneous by \$50.00 and decreasing road and bridge repair and maintenance; increasing Precinct 3 equipment by \$1,000.00 and decreasing Precinct 3 equipment reserve; and increasing library postage and supplies by \$300.00 while decreasing library equipment. Motion was made by Taylor and seconded by Bearden.

Transfer of \$15,000.00 to each of the four precincts was approved on a motion by Bearden with a second by Gilroy. The \$60,000.00 will come from the road and bridge fund.

Monthly reports from elected officials who collect fines and fees were reviewed and accepted as presented.

The bi-annual contract for the assessment and collection of taxes was approved on a motion made by Jones and seconded by Bearden. The contract has been approved by the Floyd County Central Appraisal District. It must also be approved by the Floyd County Tax Assessor/Collector, Penny Golightly, before it becomes final.

Members of the Floyd County Library Board were approved by the court. They include: Precinct 1-Betsy

**LORENZO DE LA CRUZ**  
 Services for Lorenzo De La Cruz, 37, of Pensacola, Florida, were at 2 p.m. Tuesday, April 11, 1995, in First Baptist Mission Church with the Rev. Lupe Rando, pastor, officiating. Burial was in Floydada Cemetery by Moore-Rose-White Funeral Home.

Mr. De La Cruz died Friday, April 7, 1995, in Pensacola, Fla.

He was born Jan. 17, 1958 in Levelland. He was a Catholic.

Survivors include three sisters, Susie Hernandez of Floydada, Teresa Valdez and Frances Gonzales of Lubbock; two brothers, Stephen De La Cruz of Grand Prairie and John De La Cruz of Navasota.

Pallbearers were Larry Hernandez, Bobby Hernandez, Hector Martinez, Adam De La Cruz, Agustin De La Cruz and Danny De La Cruz.

**FRANCISCA GONZALEZ**  
 Services for Francisca Gonzalez, 75, of Floydada were at 3 p.m. Monday, April 10, 1995, in Spanish Assembly of God with the Rev. Tomas Lopez, pastor, officiating. Burial was in Floydada Cemetery by Moore-Rose-White Funeral Home.

Mrs. Gonzalez died at 2:53 a.m. Sunday, April 9, 1995.

She was born Francisca Gomez on Oct. 4, 1919 in Odem, Texas. She married Alonzo Gonzalez Sr. on Aug. 30, 1937 in Ed Roy, Texas. He died Feb. 6, 1995. The couple came to Floyd County in 1957 from Corpus Christi.

A homemaker, she was a member of Spanish Assembly of God.

Survivors include two daughters, Amelia L. Rodriguez of Corpus Christi and Mary Lou Chacon of Taos, N.M.; three sons, Enrique Gonzalez and Alonzo Gonzalez Jr. of Floydada and Oscar R. Gonzalez of Roswell, N.M.; four sisters, Elena Torres of Buckeye, Ariz., Ester Nino of Sinton, Tex., Sara Salazar of Corpus Christi and Ofelia Cancino of Odem; a brother, Domingo Gomez of Petersburg; 16 grandchildren; and 16 great-grandchildren.

Grandsons served as pallbearers.

**PAUL HRBACEK**  
 Services for Paul Hrbacek, 64, of Lockney, will be at 10:00 a.m. Friday, April 14, at Trinity Lutheran Church in the Providence community, with the Rev. Arthur Bliese officiating. He will be assisted by the Rev. Harold Abney of the First Baptist Church in Lockney. Burial will be in Lockney Cemetery under the direction of Moore-Rose-White Funeral Home.

Mr. Hrbacek died at 11:30 p.m. Monday, April 10, 1995.

He was born February 19, 1931 in Apache, Oklahoma, and attended Apache High School. He moved to Floyd County in 1956 from Apache.

He married Vida Finley, February 28, 1958 in Plainview.

A farmer and rancher, he served on the Lockney School Board and also served as president of the Livestock Association. He served in the Navy during the Korean War.

He was a member of the Trinity Lutheran Church.

Survivors include his wife, Vida; a daughter, Sheila Roberts of Clovis, N.M.; a son, Ricky Hrbacek of Lockney; and five grandchildren.

**DERELLE SIMS**  
 Memorial services for Derelle Sims, 60, of Stephenville were at 3 p.m. Sunday, April 9, in Calvary Baptist Church under direction of Stephenville Funeral Home.

Mrs. Sims died Friday, April 7, 1995, at her residence.

She was born Feb. 17, 1935, in Shamrock. She married Royce Sims on Dec. 12, 1953, in Fort Worth. She was a member of Harvey Baptist Church.

She was a seamstress.

Survivors include her husband; a son, Gary of Stephenville; three daughters, Sherry McDonald of Lockney and Gwinda Jones and Debbie Christian, both of Stephenville; her parents, Charles and Myrtle Elston of Huckabay; six brothers, Allen Elston of Oregon, Kenneth Elston, Edwin Elston and Mack Elston, all of Stephenville, Gene Elston of Sweetwater and Carroll Elston of Morgan Mill; and 10 grandchildren.

## Obituaries

**LONA STOWE**  
 Graveside services for Lona Stowe, 83, of Wichita Falls were at 2 p.m. Tuesday, April 11, in Lockney Cemetery. Arrangements were by Lunn's Colonial Funeral Home of Wichita Falls.

Mrs. Stowe died Saturday, April 8, 1995, in University Park Manor, Wichita Falls.

She was born June 5, 1911 in Ennis, Texas. She moved to Wichita Falls in 1985 from Lockney. She married Clyde

Stowe July 19, 1930 in Clovis, N.M. A homemaker, she was a member of the First United Methodist Church and the Eastern Star in Lockney.

Survivors include her husband, Clyde; a son, Bill Stowe of Wichita Falls; three sisters, Willie McCormick of Floydada, Pauline Barnett of Amarillo and Nadine Barnett of Amarillo; seven grandchildren; seven great-grandchildren; and one great-great-grandchild.

She was preceded in death by a daughter, Nita Joyce Jones in 1982.

## County approves phone system for jail

Dempsey and Jan Willson; Precinct 2-Barbara Mathis and Glenn Earle Cummings; Precinct 3-Connie Sanders and Virginia Taylor; Precinct 4-Doris McLain and Sherry Colston; and At-Large-Nettie Ruth Whittle and Amy Hollums. Motion for the action was made by Bearden and seconded by Taylor.

The commissioners also discussed the loss of revenue, \$165.00 per month, due to the sale of equipment by Motorola to Champion Communications. Motorola has been paying that amount to the county for the use of tower space for a repeater. The new owners will have to take up the payments if they wish to continue to use the repeater according to Judge Bill Hardin.

The final item for discussion was the trees and shrubs on the courthouse

grounds. According to Judge Hardin, the trees and shrubs have not been fertilized and pruned since late in 1993 at a cost of \$1,042.00. He told the court that the man who had done that on an annual basis retired and the service was not performed in 1994.

Hardin presented the court with a proposal submitted by a Lubbock firm for doing the work this year. The estimates included \$660.00 for spraying and fertilizing the trees, \$450.00 for pruning the evergreen trees and shrubs, and \$920.00 for pruning the remaining trees.

Commissioners indicated that they were not against having the trees cared for, but requested that other estimates be obtained to insure that the county paid the lowest price for the work. The matter will be addressed at a later session.

### NOTICE OF TRUSTEE ELECTION (AVISO DE ELECCION SINDICO)

To the Registered Voters of Floydada, Texas: (A los votantes registrados de Floydada, Texas:)

Notice is hereby given that the polling places listed below will be open from 7:00 a.m. to 7:00 p.m. on May 6, 1995, for voting in a trustee election, to elect trustees for Precinct 4, Precinct 5, and At-Large.

(Notifiquese, por las presente, que las casillas electorales sitados abajo se abriran desde las 7:00 a.m. hasta las 7:00 p.m. el 6 de Mayo, de 1995 para votar en la Eleccion para Elegir sindicos para el distrito 4, distrito 5, y al liberal.)

William D. Hardin, County Judge  
Connie D. Bearden, Commissioner Precinct #1  
Leonard Gilroy, Commissioner Precinct #2  
George Taylor, Commissioner Precinct #3  
Jon Jones Commissioner Precinct #4  
4-13c

### CLEAN AIR ORDINANCE ORDINANCE NO. 781

AN ORDINANCE OF THE CITY OF FLOYDADA, TEXAS WITH REGARD TO HEALTH OF CITY EMPLOYEES, PERTAINING TO SMOKING IN CITY HALL ANNEX AS OWNED BY, OR UNDER CONTROL OF, THE CITY OF FLOYDADA; PROVIDING FOR A PENALTY; PROVIDING FOR A SAVING CLAUSE AND A PENALTY CLAUSE; AND PROVIDING FOR PUBLICATION.

Offense; Penalty.  
1. A person commits an offense if in the City Hall Annex the person smokes and fails, or refused, to extinguish smoking materials or move outside the building upon request by any person to do so.  
2. Any person convicted of violating this provision shall be guilty of a Class C Misdemeanor, punishable by a fine of not less than one dollar (\$1.00), nor more than one thousand dollars (\$1,000.00) as set by a judge of jury.

PASSED AND APPROVED THIS 23RD DAY OF MARCH, 1995.

Hulon Carthel, Mayor

ATTEST:  
Sharon Quisenberry, City Secretary

(ENTIRE ORDINANCE ON FILE IN OFFICE OF CITY SECRETARY)

3-30, 4-13c

### NOTICE OF EXECUTION SALE

Notice is hereby given pursuant to Rule 647 of the Texas Rules of Civil Procedure that I will sell the following real property for cash at execution sale: **Authority by virtue of which the sale is to be made:** "Pluries" Writ of Execution issued by the District Clerk of Harris County, Texas, pursuant to a judgment of the 55th District Court of Harris County, Texas, on October 29, 1993, Cause No. 90-63310, in favor of the Plaintiff, Lerion Properties, Inc., against defendant, Harry E. Blair, Jr. for the sum of \$269,554.40, less a credit of \$50,000.00, together with post-judgment interest at a rate of 10% per annum from the date of judgment until paid, plus all costs of said suit.

Time of Levy: April 5, 1995 at 9:30 a.m.

Time and place of sale: May 2, 1995, between the hours of 10:00 a.m. and 4:00 p.m. at the courthouse door, Floyd County Courthouse, Floydada, Texas.

Description of property to be sold: Approximately 34 acres, more or less, located in Floyd County, Texas, and being further described as all of that portion of the North 480 acres of Section 7, Block 4, Abstract No. 929, T & P Ry. Co. Survey, Floyd and Motley Counties, Texas, which is located in Floyd County, Texas.

This notice of Execution Sale shall be published once a week for four consecutive weeks preceding such sale.

Charles Overstreet,  
Sheriff, Floyd County,  
Texas

4-6, 4-13, 4-20, 4-27c
