New doctor begins Floydada practice

By Alice Gilroy

With the arrival of a new doctor, Dr. Salman Ahmad, at the Cogdell Clinic, in Floydada, clinic hours have expanded and spirits have been boosted by the long awaited arrival of another doctor to the district.

Dr. Ahmad was initially hired by the Caprock Hospital District but his contract has now been picked up by UMC.

Although driving back and forth from Lubbock at this time, Dr. Ahmad is anxious to make Floydada his permanent home.

"I have every intention of staying in

Floydada for a long time," said Dr. Ahmad. "We want to live in a small town and the people here have welcomed me with open arms."

Dr. Ahmad has been married to his wife, Mamoona for four years. They have a two year old daughter, Hafsa.

According to Ahmad, his wife is studying medicine in Lubbock and will do her residency in Lubbock.

"Because of our daughter it would have been too hard for my wife to travel the road back and forth to Lubbock and complete her training, so I am driving the distance," said Ahmad. "We are committed to this

for 3 or 4 years, but as soon as we can we will move to Floydada."

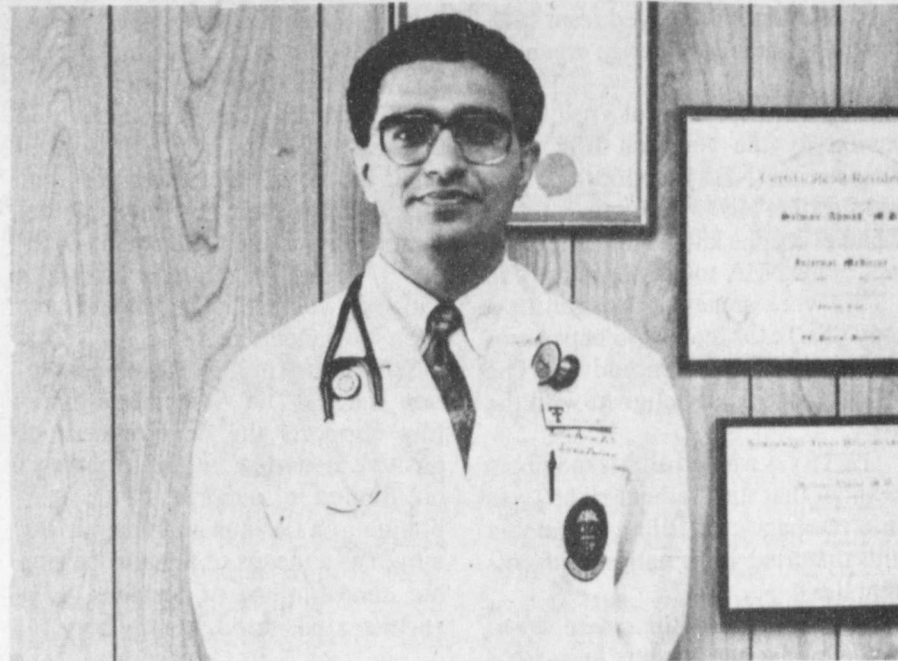

Ahmad is originally from Karachi, Pakistan. He studied medicine in Pakistan and also in the United States. He moved to the United States in 1992, however he had already been back and forth to the United States many times in his studies.

Ahmad received his medical degree from Texas Tech Health Science Center in Amarillo and also received specialized training in internal medicine. He also specializes in Geriatric medicine.

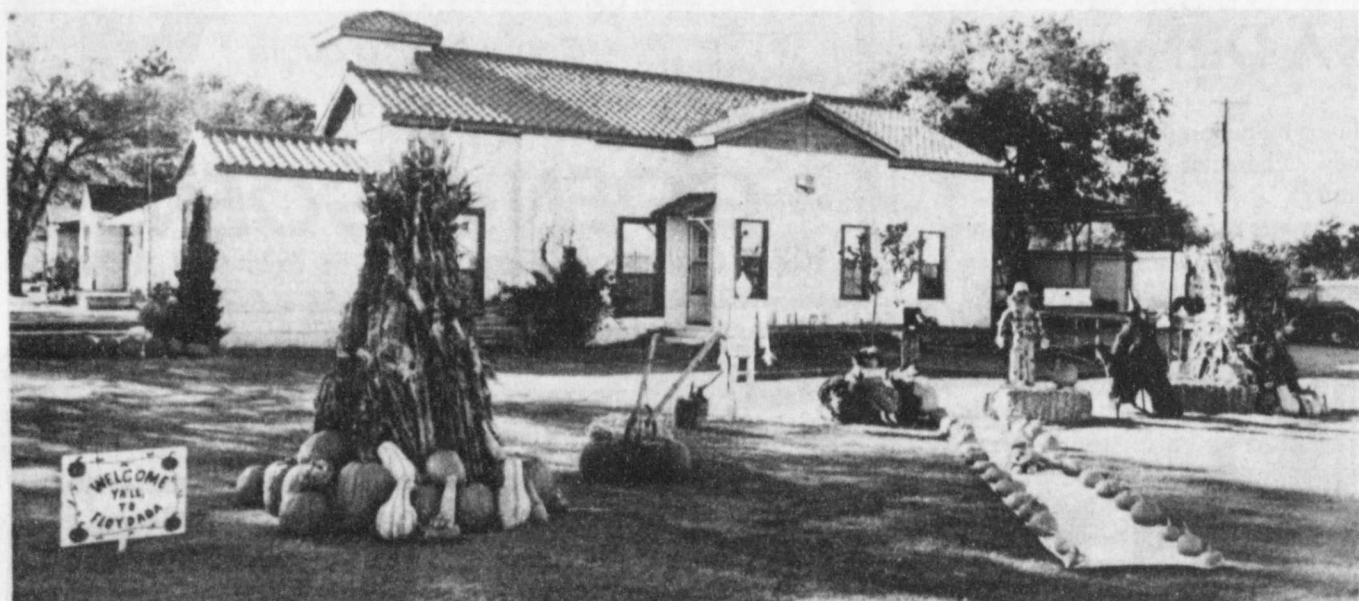

As an internist, Ahmad says he specializes in the areas of diabetes, high blood pressure, emphysema (COPD), asthma, high cholesterol and heart problems.

"I want to educate people that they do not have to travel to Lubbock or Plainview to see an internist specialist. I feel very confident in these areas and I know I can help them without them having to travel so far for treatment."

"I aim to bring as many patients as I can in to see me, because I am going to be here for a long time."

Food and fun guaranteed at Floydada's Punkin Days festival

Some of the old favorites will be returning for Punkin Days '95, but just to keep folks guessing the Punkin Day Committee will still have some surprises.

The popular fall festival will kick off Saturday, October 28, with the 5K Race beginning at 9:00 a.m., one hour earlier than in previous years. An awards ceremony will be held immediately following the race.

The Fun Run has been pushed back one hour, to 11:00 a.m. Trophies will be presented at the end of the Fun Run also. Anyone wishing to sign up for the event can complete the entry form in this week's paper or contact Julianne Cornelius.

To dress up the party, citizens are urged to bring their decorated pumpkins for judging. All entries must be in place under the courthouse pavilion by 8:30 a.m. on the 28th.

There will be plenty of food booths located on the square to satisfy every appetite and the Punkin Day Committee recommends bringing a lawn chair for your comfort during the afternoon entertainment.

The popular and hilarious "Human Puppet Show" will return this year for an encore performance during the lunch hour, and if there are enough competitors, the famous Miss Pumpkin Patch Pageant will once again be held.

Anyone (and they really mean anyone!) who wants to enter the Miss Pumpkin Patch pageant should call Brenda Meyers at the Chamber Office and put your name on the list. It is not necessary to shop for evening or sportswear for the competition. This

is not a sexist event and is open to all shapes and sizes of male or female.

The "fast paced and exciting" Cow Patty Bingo event will be a feature attraction again this year. Cindy Jeffries and Laura Turner will be selling tickets throughout Punkin Days, but if you are not approached you can buy your ticket at the chamber booth under the pavilion.

There is still room for arts and crafts booths around the square, but food booth slots are all full.

The First National Bank of Floydada will be open on the 28th, from 10:30 a.m. - 12:00 noon for the public to view art exhibits. The Floyd County Historical Museum will also be open all day on Punkin Days.

DECORATING CONTEST

Judy Jackson, of Lockney, has been asked to judge the homes and businesses who decorate for Punkin Days. The judging will take place on October 26.

To make sure your home is judged, Meyers is asking people to call in the addresses where you would like the judge to stop.

"The businesses will automatically be judged," said Meyers, "but because of the location of some homes they could be missed by the judge. If you call us we will be sure and go look at your home."

Punkin Day Chairman Paul Sharp is also asking for help from community organizations and clubs in decorating the highway medians. If there is a certain place your club would like to decorate, call Sharp at 983-5116, to reserve your spot.

Sharp would also appreciate any help from individuals who would like to help him decorate Friday, October 27, after 5:00 p.m. With some help, Sharp and his crew will transform the highway entrances into the city into a Pumpkin Day welcome mat.

COSTUME CONTEST TRUNK 'R TREATING

Junior size Trunk 'R Treaters are invited back for safe candy gathering at the walking path in the City Park the night of the 28th.

Pre-approved candy will be passed out by pre-approved adults who enjoy watching the different costumes stroll by.

Vehicles will be parked along the walking path with the trunks open and children will walk in safety on the path. To help everyone in the event, children should bring flashlights for an easier and safer trail.

The annual costume contest will be held before the Trunk 'R Treating in the High School auditorium. The contest will begin at ??? and children will be released from the contest at staggered times to Trunk 'R Treat along the path.

BULL BASH

A new event called the "Bull Bash" will begin at 5:00 p.m. on Punkin Days at the Floydada Rodeo Grounds.

According to Meyers this bull riding competition will attract competitors from all over the state. "If there is enough local interest shown in the event the organizers will be back," said Meyers.

Students plan to "Make A Difference" in their schools and Lockney community

By Alice Gilroy

Lockney schools will be kicking off their new "character education" program this week with Make A Difference Day next Thursday, and a instructional seminar by Dr. Jay Mulkey Oct. 24.

Mulkey is president of the Character Education Institute and founder of the Character Education Program, which has proved successful in other schools.

It is Mulkey's curriculum which will be used by LISD faculty. He will address all LISD teachers on October 24, during a three hour staff development time. At 7:00 p.m. on the same day, Mulkey will then speak to Lockney parents and all citizens to explain the program. The meeting will be

held in the new High School Library. Parents are urged to come to Mulkey's seminar and hear about the new curriculum. "We really want parents involvement in this," said LISD Superintendent Raymond Lusk. "In order for the new curriculum to be a success we must have parents and the community's involvement."

"The new program will be geared toward every age level and will be taught in every Lockney school. The curriculum will focus on citizenship, and will cover areas such as respect and courtesy for others and themselves."

Lockney staff will begin teaching the new curriculum Nov. 6 after they have time to organize their material

and after their meeting with Mulkey. To kick off the character building program, LISD students have already gotten involved in a very big way.

MAKE A DIFFERENCE

All students will be seen out in the community, October 26, taking part in a "Community Wide Make A Difference Day". This local activity is part of the "National Make A Difference Day."

The work done in the community will of course depend on the ages of the students.

The high school and junior high will begin "Make A Difference Day" with a motivational speaker. The students will then organize into groups of 8 or more students and one teacher. Continued On Page 2

UMC extends clinic hours

FLOYDADA — Members of the Caprock Hospital District Board of Trustees heard a report from UMC/ TTHSC Director of Regional Services which included a definite date for beginning extended hours at Cogdell Clinic in Floydada. Al Bendeck told the board that the clinic, now under the supervision of UMC, will begin serving the public from 8:00 a.m. until 7:00 p.m. Monday thru Friday.

Hours are also being added to see patients on Saturday from 9:00 a.m. to 1:00 p.m. He added that Sunday hours had been considered, but the decision was against Sunday clinic hours since there are no pharmacies in Floydada open on Sunday. The concern was that this would make getting prescriptions filled difficult for those who might come seeking medical care.

Bendeck also told the board that Dr. Ahmad has been in the clinic and working for the past two weeks. "His practice is building nicely," said Bendeck. "His specialty is internal medicine and he is especially good with middle aged and older patients."

A new air ambulance helicopter serving UMC and the surrounding area has been placed into service stated Bendeck. He added that the flying ambulance will be serving Floydada and the surrounding area whenever needed. Bendeck also said the hospital intends to have the red and black helicopter on hand in Floydada during the Punkin Day festivities, with the pilots handing out candy while allowing everyone to see the well equipped medical flight ambulance.

Bendeck also reported to the board

that at this time no plans to sell, merge or lease UMC facilities and affiliates is being considered by the UMC board. He stated that a consultant had been engaged to determine the possible problems the center would face in the future.

"The report returned by that consulting firm, Kaufman and Hall of Chicago, indicates that within ten years, not only UMC, but other Lubbock hospitals will face a financial crunch if they depend mainly on inpatient care for revenue," said Bendeck. "We are now involved in an aggressive program to insure that we have out-patient services and clinics in place throughout the region to avoid the crunch."

Outstanding County 4-H youth and leaders honored at annual banquet

Outstanding 4-H'ers and hard-working adults were recognized for their accomplishments during the annual Floyd County 4-H Achievement Banquet, Sunday afternoon, at Duncan Elementary.

The prestigious Gold Star Awards were given to Cynthia Martin and Kaci Mathis. This award was sponsored by the Floyd County Parent/Leaders Association and is presented to two outstanding 4-H members for excelling in many areas of 4-H.

This is the highest award that can be received at county level and is

presented to two outstanding 4-H members. Both individuals will receive a \$500 scholarship from the Adult Leaders Association.

The Silver Spur Awards, sponsored by Lighthouse Electric, were given to Sharon Bartlett and Brent Sanders. This award is given to recognize outstanding leadership.

John and Elaine LaBaume and Michael Hinsley were the recipients of the "Friend of 4-H" meritorious award. The award, which is sponsored by the Floyd County Parent/Leaders Association is given to

members of the community who contribute both time and resources to the program.

The "I Dare You" awards were given to Tim Mitchell and Stacey Lloyd. This award, sponsored by Floydada Higginbotham-Bartlett Company. Recipients of this award are chosen because of their outstanding 4-H careers to date and as a challenge to 4-H members to continue to strive for excellence in their remaining years in 4-H.

Colorectal cancer program offered

Men and women of Floydada and the surrounding area are invited to attend a free program on the Colorectal Cancer Screening Process Nov. 2 from 1 p.m. to 3 p.m. at the Senior Citizens Center, 301 E. Georgia.

The Digestive Diseases Center at University Medical Center in Lubbock will sponsor the event.

The program, presented by Dr. Eugene Trowers, a gastroenterologist at

Texas Tech University Health Sciences Center, will include a risk assessment based on a written questionnaire to be filled out during the program. Dr. Trowers will return Nov. 9 to perform screenings for at-risk participants.

State of the art equipment at the Digestive Diseases Center at UMC allows screenings to be performed every few minutes rather than the conventional 40 minute turnaround time.

First bale ginned

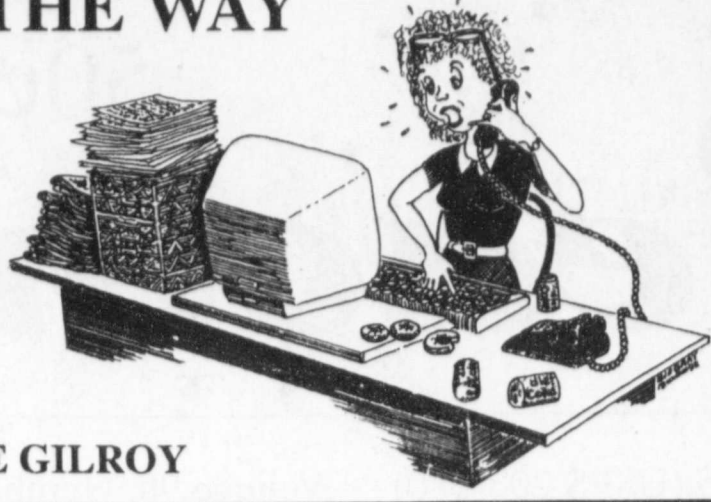

Gene Reed brought in the first bale of Floyd County cotton, Friday the 13th, to the McCoy Gin.

The defoliated cotton came from the irrigated Bradshaw farm in the McCoy community.

The weight of the bale was 480 lbs. and Reed said the yield of the field was about 3/4 bales per acre.

The Floydada Chamber of Commerce presented Reed with a check for \$100.00 for being the first bale.

BY THE WAY

BY
ALICE GILROY

A few weeks ago I told you about a copy of a letter I received from Concerned Women of America organization.

They were upset about a resolution passed by the National Education Association (NEA) supporting a Gay and Lesbian History Month.

I let everyone know about the leanings of the NEA and my opinion of it.

This week someone brought me a copy of a Texas State Teachers Association (TSTA) memorandum. The TSTA is politically aligned with the NEA.

The TSTA wanted all its members to know that the "radical right" was on a rampage and filling the media with distorted information and outright lies.

They wanted all of their members to let the media and parents know that the NEA had no activity planned to celebrate a Gay and Lesbian History month.

The TSTA asks their members to remember the long range agenda of Concerned Women and people like them. According to TSTA that agenda is to "destroy public schools!"

The memorandum goes on to say that the NEA had been misinterpreted and that their resolution did not call on any action by NEA or its affiliates (which is a good because most of their affiliates would not have listened anyway).

NEA says that the CWA organization does not understand the NEA's way of conducting business. The NEA says that resolutions are statements of belief and call for no action.

I stand by what I said before. I was not afraid of local schools supporting an NEA resolution. Considering they

are supposed to represent the public schools throughout the United States, I was angered by the NEA making the resolution in the first place.

They said they were misunderstood and the resolution was just a statement of belief. Well here for your enjoyment is their resolution stating their belief (as quoted from the October 13 issue of "Human Events"). Judge for yourself if they should have been "misunderstood."

Section B-9 of the 1995-96 resolution states, "The Association therefore supports the development of positive plans that...attend to but (are) not limited to...support for the celebration of a Lesbian and Gay history month as a means of acknowledging the contributions of lesbians, gays and bisexuals throughout history."

I am so proud of the Lockney students and faculty and the new "character counts" curriculum they are undertaking.

I include the whole community, including civic organizations and churches get behind the school and help them out with the curriculum. Superintendent Raymond Lusk wants the students to learn that respect and courtesy will be expected by everyone the students come in contact with.

To get everyone organized and thinking on the same wave length, the character counts organizer, Dr. Mulkey, will be at Lockney High School Library, October 24, at 7:00 p.m. to explain the curriculum to parents and interested citizens.

Please come and get involved in your child's future.

Floyd County's Coronado digs to be featured on public TV

More than 300 years before Charles Goodnight brought cattle to Palo Duro Canyon and cleared the way for settlement of the Texas panhandle, a Spanish explorer named Coronado, led thousands through what had been uncharted territory. From accounts written after the mission, researchers know he camped in two canyons while searching for the Seven Cities of Gold. The debate, however, has always centered on *which canyons?*

On October 22 at 5:00 p.m. **Perspective**, a public affairs program on the panhandle's public television station, KACV-TV, will travel on location to a site south of Floydada where archeologists are excavating what is believed to be one of Coronado's campsites. In recent years artifacts such as a chain-mail gauntlet and cop-

per crossbow points have been found in Floyd County.

Led by R. Donald Blakeslee, of Wichita State University in Kansas, researchers are concentrating on a site in Blanco Canyon. **Perspective** will take viewers behind the scenes, as archeologists dig through layers of dirt looking for promising evidence that will connect the 16th century explorer and his troops to the canyon. Rolla Shaller of the Panhandle-Plains Historical Museum and Dr. Jack Hughes, a retired professor with West Texas A&M University also contributed to the program. Nancy Marble, a board member with the Floyd County Historical Museum, assisted in the production of this program.

Perspective is a broadcast on channel 2 on cable channel 3 in Amarillo.

Courtroom Activities

In county court, Oct. 11, the following cases were filed:

Michael Todd Cooper was charged with Deadly Conduct;

Rodney Lavoy Glenn was charged with Driving While License Suspended;

Tory Lamont Turner, Santiago

Manuel Soliz and Joe Luis Lopez III, were all charged with Possession of Marijuana;

Earnest Ray Robinson was charged with Transporting Alcoholic Beverage in Dry Area.

There were no dispositions on these cases.

Lockney "Makes A Difference"

They will leave the campus to accomplish goals in the community.

The Junior High has planned to paint crosswalks and clean up alleys. "We will do just about anything the downtown businesses want us to do," said Principal Terry Ellison.

A project planned by the High School will be painting 911 address numbers on the curbs. Anyone not wanting the number painted should contact City Hall. It is possible that the 911 address number will be different than the address to which citizens have grown accustomed.

At the elementary school, Pre-K and Early Childhood will be singing for the residents at the Nursing Home. Kindergarten children plan to pick up trash.

First graders will put decorations on the doors of Nursing Home residents.

Second graders will be delivering cookies to the senior citizens and picking up trash around the school. Third graders are making appreciation ribbons for downtown businesses and fourth graders has a special service planned for Cargill Industries.

Fifth graders will also spruce up the Nursing Home by decorating mini pumpkins.

Lockney students and faculty will be using this day to put forth the effort to become involved with their community. In return the campuses are urging the community to return the

favor by becoming involved in their new "character education" curriculum.

Parents can learn more ways to be involved by attending Mulkey's seminar, October 24th.

Letter to the Editor

To the Editor:

The City of Lockney is very excited to see LISD stressing "character" in last week's article. This article's main focus was "Make a Difference Day" coming up on October 26. This day will be the kickoff project for the LISD's character-building emphases.

The City of Lockney is very proud of our schools, and we will be especially thankful to the students, teachers, and administrators that participate in this program.

The students will be doing various jobs around the city. Many jobs will involve cleaning and painting. Everything done will either help beautify

or protect our city.

As mayor, I would ask the citizens of Lockney to be very understanding of our efforts of the painting of 911 numbers on the curbs. These 911 numbers may not be the same as your house address, and we are not changing your house address, but these numbers will be the ones for all emergency personnel, such as Police, Fire and ambulance. If there are any mistakes, the city will correct it.

Thanks again, I'm sure we'll all be proud of the difference this will make in our City.

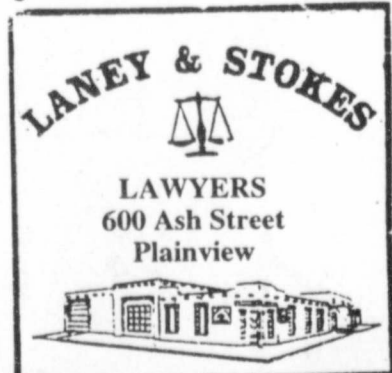

Mayor Gary Marr

Vehicle title applicants required to provide social security number

The Texas Department of Transportation (TXDOT) will soon require additional information on title applications for motor vehicles.

Beginning Nov. 1, 1995, Texans who request title transactions in counties using the registration and title system (RTS) must provide their social security number. RTS is an automated system that electronically links county tax offices to TXDOT Headquarters in Austin. The Floyd County Tax Office uses RTS to process motor vehicle transactions.

The social security requirement is part of House Bill 1863, passed by the 74th Legislature; the bill addresses fraud prevention in public assistance programs.

Shield along with St. Mary's to help serve our patients better in the future. UMC is in excellent financial condition at this time and intends to remain that way. Future considerations could include a merger, lease or partnership with other local or regional facilities, but at this time, none are anticipated. I do not foresee a time when a major player from outside the area would be part of our plan," said Bendeck.

Board President Tom Farris inquired about an afternoon recently when the clinic was closed early and asked the reason. Bendeck replied that a staff meeting had been held that afternoon for all personnel at the clinic. He added that future staff meetings were being scheduled to follow the CHD board meetings on the 3rd Tuesday morning each month.

"We feel that it is important to have these sessions with our employees, and think that the early morning

meetings will not interfere with seeing patients as much as the afternoon meetings would," stated Bendeck.

In other action at the monthly session held October 17, Farris informed the board that as of September 30, 1995, the district had \$220,000.00 on deposit. The board approved the financial reports and payment of bills as presented on a motion by Rob Heflin, seconded by Carmel Eastham. All voted in favor.

A new item on the agenda, CHD Facility and Grounds Update, will provide a forum for discussion concerning items which need to be addressed about the building or hospital grounds, such as the concern about the helicopter landing lights discussed at the last meeting said Farris.

"I would like to note that the lights have been replaced and are now working properly," said Farris.

He then asked for an update concerning rental payments from the

Floyd County Day Care and the Rural Nurse Resources group. Bob Ericson reported that the Day Care is paid up to date and had paid the first week of October.

Ericson said that the Rural Nurse Resource had not paid since it moved in last August. Upon checking, it was discovered that the director, Sharon Hinton, had been told to wait until the contract was in hand before paying rent. Farris said that he now has the contract and it will be delivered and the rent paid current within a day or two.

Attending the early morning session were board members Tom Farris, Carmel Eastham, Rob Heflin, and J. R. Turner. Denice Payne was not present. Also in attendance were Bob Ericson, Ralph Jackson, Al Bendeck, Dr. Antoine Albert, Dr. Salman Ahmad, Joe Stepp, and the Hesperian-Beacon reporter.

RACE PARTICIPANTS--Floyd County racers are preparing themselves for the 7th annual Punkin Days Coca-Cola Classic 5K and Fun Run on Saturday, Oct. 28. Races are open to both children and adults. The

County approves bid for patrol car

By Juanita Stepp
Members of the Floyd County Commissioners Court approved a bid from Floydada Ford for a 1995 Crown Victoria with a complete police interceptor package for a price of \$17,500. Voting in favor of a motion by Precinct 2 Commissioner Lennie Gilroy and seconded by Precinct 1 Commissioner Connie Bearden, were Precinct 3 Commissioner George Taylor, and Precinct 4 Commissioner Jon Jones.

Other bids received included \$17,957.00 on a 1995 Chevrolet Caprice from Oden Chevrolet and \$17,450.00 on a 1995 Crown Victoria from Jack Morris Ford in Plainview. All three bids were subject to availability and the vehicle offered by Oden had already been sold, nullifying that bid.

The vehicle from Jack Morris did not meet the specifications of the bid as published since no spotlight was included. The dealer indicated that a

charge of \$165.00 above the original bid would be made to include the appropriate light. This would have made the bid over \$100.00 higher than Floydada Ford's bid. Both Ford dealerships also submitted bids for 1996 vehicles, but both were rejected.

A representative of Pitney Bowes, David Hughes, met with the court again to present a more detailed proposal for the county to consider regarding the possible purchase of a new mailing machine. After hearing the proposal, the court opted to sign a contract to rent a new mailing machine at a rate of \$43.80 per month. This will include maintenance and the price will be locked in for a period of 6 months. Hughes estimated cost will rise 3 to 5 percent each year after that.

Motion to rent the machine for county use was made by Bearden, seconded by Gilroy. The pair were joined by Taylor in voting for the

motion. Jones voted against it due to the escalating nature of the contract cost. He indicated that he felt it should be possible to lock in a cost for a longer time period than six months.

Paula Miller of the West Texas Rural Counties Association came before the court to present a proposal for meeting county insurance needs through membership in the association and a self-insuring pool in cooperation with several other counties.

No action was taken on the matter at this time and more information will be sought for presentation at a later meeting.

Attending the Monday morning session were Judge Bill Hardin, Commissioners Connie Bearden, Lennie Gilroy, George Taylor, and Jon Jones, Sheriff Royce Gilmore, David Hughes, Paula Miller, Linda Turner, and the Hesperian-Beacon reporter.

The General Foods Consumer Center Media Grant of \$500.00 is awarded to individuals desiring to develop media materials emphasizing nutrition.

The project must emphasize a nutritious, balanced diet and sound eating habits, stressing the importance of variety and moderation in the diet. Since emphasis can be on topics, audiences, and approaches, Melissa and her colleagues are planning a collaborative effort with WIC in nine counties to provide nutrition training to sixty six WIC staff.

Other special guests included Hal Farnsworth, pastor, and his wife Sue,

from the First Baptist Church and Ione Sedinger, pastor, and husband Vic from the First Christian Church.

Gladys Jones introduced the program, which was an evening of music performed by the country gospel group called the "Trinity Railroad". They are a group of local young men that play and sing country gospel music, some of their songs being composed by themselves. Members are Don Warren, Brian Sanders, Sheldon Sue, Jerry Battey, and Dustin Owens. They presented a truly inspirational program.

Vandalism causes FISD to pay

FLOYDADA — Trustees for the Floydada Independent School District met in executive session following the regular session on Tuesday, October 10 to discuss the procedure for hiring a new superintendent. Current head administrator Jerry Cannon is due to retire after the next school year. No board action was taken following the closed meeting.

Vandalism at the local track facility was a major subject facing the FISD board at the October session. Areas of the track have to be removed and replaced due to vandals painting graffiti on the track surface. Since the track is composed of very porous asphalt and rubber materials, the enamel paint seeps into the body of the running surface and cannot be covered up.

Cost of the removal and replacement was placed at \$7,250.00, all of which will be paid by the district's insurance with the exception of the \$1,000 deductible. The repairs will include restriping the areas repaired.

Administrative assistant Jimmie Collins asked the board to consider paying an extra \$2,500.00 to have the entire track restriped so it will not look like part of it is new and part of it old. The board approved a motion by Charlene Brown, seconded by Billie Joe Villarreal, to authorize the restriping project. Voting in favor were Brown, Villarreal, Mitch Pro-

basco, Trena Simpson, and Steve Lloyd. Jack Robertson abstained, saying he felt the cost was too high for restriping. Board member Amado Morales was not present for the meeting.

Outstanding students from the various Floydada schools were recognized by the board. Representing A.B. Duncan Elementary School were third graders Luke Miller, son of Mark and Patti Miller, and Manuel Moreno, son of Manuel Sr. and Mary Helen Moreno. R.C. Andrews Elementary chose fourth graders Sylvia Mancilla, daughter of Isabel Ibarra, and Joey Martinez, son of Yolanda Martinez, for recognition.

FJHS students honored included seventh grader Clint Fyffe, son of Stephen and Barbara Fyffe, and eighth grader Jessica Coronado, daughter of Juanita Coronado. Floydada High School singled out juniors Amisha Bhakta, daughter of Natvar and Sita Bhakta, and Andy Young, son of J.D. and Janie Young.

Salaries were adjusted for three teaching personnel not covered by the state minimum pay scale in Senate Bill 1. The trio were the only FISD employees who did not receive a pay increase for the current school year according to Collins. Each of the three was granted a salary increase of \$570.00 for the current school year. Motion for the action was made by

Robertson, seconded by Brown, and approved unanimously.

Mita Chavarria was appointed to serve as the election judge for the district in the spring election. The appointment was made early so that she can arrange to attend the necessary training session in order to correctly serve as election judge next May. Motion for the appointment was by Simpson, seconded by Brown, and passed by unanimous vote.

Revisions of school policy were adopted as presented in TASB Update 48 Revision. The adjustment was necessary due to the omission of pages in the original Update 48 provided to the district. Lloyd made the motion, Simpson seconded, and all voted in favor.

The board accepted the resignation of Esther Caballero as an aide at Floydada Junior High on a motion by Robertson with a second by Brown. They also approved the hiring of an aide to work 1/2 time on the PEEMS data and 1/2 time as an aide to the FJHS secretary. Motion for this was made by Robertson, seconded by Villarreal, and passed by unanimous vote.

JAMES WALLER AND GWEN LANE

Lane and Waller

Bob and Wanda Lane of Lockney, announce the engagement of their daughter, Gwen, to James M. Waller of Temple, son of Jerry and Sue Waller of Groesbeck, Texas.

The fiancée teaches at Little River. The future bridegroom is employed as an engineer with C.S.I., Inc., Temple, Texas.

The couple are to be married November 18, 1995 in Groesbeck at the First United Methodist Church. After a trip to the Rockies, they will reside in Temple.

Ladies enjoys program on Russia

By Leora Younger

The 1956 Study Club met October 10th, in the home of Vicki Vandiver with Donna Henderson and Jan Willson as Co-hostesses. Delicious refreshments of veggies, fruit, dip, barbecue mini-weiners, caramel apple slices and tea were served from a table decorated with fall colors.

Donna Henderson gave our program on Russia. It was very interesting, as she went with a group this past summer to Russia as a missionary and therefore, had many exciting and first hand experiences to tell. We viewed a film of the trip, the towns she stayed in, the people she met, and the churches and countryside. The program was followed by a question and answer session.

Roll call was answered with "Something I know about Russia."

Minutes were read by Teresa Minnix, and Judy Dunlap recognized October birthdays and anniversaries.

Financial balance was read by Susan Simpson.

Shawnda Greer lead in the discussion of the Tator Bake which is to be held November 3, (the last home football game.) Proceeds from the Tator Bake go the scholarship and library fund. Those wishing to purchase tickets may do so from any club member or at the door the night of the Tator Bake.

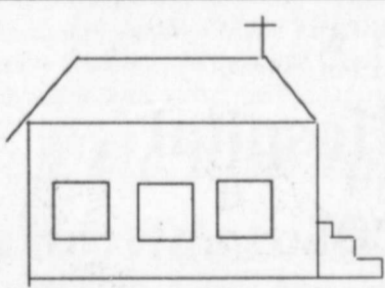

The club regretfully accepted the resignation of Jennisu Smith.

Members present were: Rozanne Bishop, Vickie Christian, Judy Dunlap, Shawnda Greer, Darlyn Hambright, Linda Harbin, Donna Henderson, Patti Miller, Teresa Minnix, Mitzi Nixon, Sharon Rainwater, Judy Schacht, Susan Simpson, Atha Sue, Penny Taylor, Jan Willson, Leora Younger, and hostess Vicki Vandiver.

November Club meeting will be in the home of Linda Harbin. We were reminded to bring auction items.

Club enjoys apple recipes

By Maye Williams

The Harmony Family and Community Education Club met at the center, October 9, with Anna Maude Happer as hostess.

The meeting was called to order by president Karen Miller. Preceding the meeting, Bennie Dutton gave an interesting experience she and her husband had with a Kieros Group in Amarillo. This is a group of volunteer Christians of many denominational groups that work with the maximum security prisoners. This work is similar to the Emmaus Walk that many have taken part in. She stated that this is also a group of prisoners that volunteer to participate in the experience. The prisoners are promised all the home made cookies they can eat and two home cooked meals a day. The men work with the male prisoners and the women do the cooking. The entire group may observe the results the last day of the program. Bennie stated it was such a touching experience to hear these prisoners lift their voices in songs of praise and give testimony about what it had meant to them. So many stated that just to know someone cared was so great. Each day they were assigned a table of six inmates, one pastor, and two lay men that read the Bible, prayed, and shared fellowship and experiences. The inmates then were given a choice. They would all return

to the same environment and situation they were in before hand, the only change could be within themselves.

Roll call for the club meeting was announced by a favorite apple dish. Reports of officers and committees were made. Announcements of 4-H activities were made and the Miller children were recognized with their participation and awards in the South Plains Fair.

Floyd County Agent, Melissa Long, gave a wonderful demonstration on cooking and serving apples in many unusual ways. She also listed twenty different varieties of apples and their best uses. She also reminded us that apples are high in vitamins A and C, and sue to their natural sugar content, they supply us with quick energy and can be a thirst quencher, since they are 80% water. Apples are a member of the rose family.

Melissa Long prepared apple-cot punch, apple dip, tangy apple cobbler, applesauce meatloaf, and apples and noodles. She and the hostess served the apple dishes, along with cookies and lemonade, from a beautiful table with fall arrangements.

Members present were Arvie Schulz, Vivian Curtis, Juanita Pool, Ruth Scott, Blanche Williams, Imelda Ramsey, Karen Miller, Bennie Dutton, and Maye Williams; also guests Melinda Hopper, Erica, Laura, Rachael, and Matthew Miller.

Craft Festival slated Oct. 20-22

The 21st Annual Running Water Draw Arts & Crafts Festival will be held in the Ollie Liner Ag. Center in Plainview from Oct. 20 through Oct. 22, 1995. The festival brings together over 125 artists and crafts persons from throughout the Southwest. During the three days over 7,000 people will attend. All items for sale are handmade by the exhibitor. Jewelry, pottery, clothing, furniture, quilts, afghans, and numerous country crafts are included. Original artwork in oil, watercolor, and acrylics are offered.

This is sponsored by the Plainview Rotary Club. Proceeds from the sales are used to support numerous chari-

ties and civic activities supported by the Rotary Club and to provide support for the Llano Estacado Museum at Wayland Baptist University.

Just this year, the Museum has added two exhibits. One includes a "giant" wolf found in Alaska. This wolf was once native to the South Plains. Exhibits such as this can only happen with the support from the Running Water Draw Arts & Crafts Festival.

The festival will be open on Friday, Oct. 20 from 10 am to 7 pm, Saturday, Oct. 21 from 10 am to 7 pm; and on Sunday, Oct. 22 from Noon to 5 pm.

Friends of the Library

By James H. Word

Amy Hollums, chairperson of the Board, presided at a meeting on Wednesday October 11th at 5:00 P.M. at the Lighthouse Electric meeting room. She presented the architects estimated cost of construction at \$500,000.00. She also presented the services that would be available in addition to the normal use of the library such as reference and research assistance and guidance, circulation of books, films, books on tape, video cassettes, pamphlets, and large print books.

Interlibrary facilities will be available for books and reference materials. Group services such as story hours, program assistance, and film programs will be provided. Specialized collections and sources such as newspapers, current periodicals, consumer guides, career information, telephone directories, business, and tax related services will also be available. A copy machine, displays, and a meeting room will be provided.

Membership fees were discussed and will vary from \$5.00-annually to \$100.00 for a life membership.

Donations have been received to date. Grants will be applied for to assist in providing the funds needed to complete this project.

An election was held, and Joyce Lipham was elected president for 1996. Jan Willson was elected vice president, Jane Bean was elected secretary and treasurer. James H. Word was elected publicity chairman. Joy Smitherman, Judy Dunlap, and Penny Taylor will be the historian committee.

FLOYDADA SENIOR CITIZEN NEWS

By Margarette Word

The center is open daily from 8 a.m. to 4 p.m. If you plan to eat lunch, please call by 10 a.m.

Monday evening, October 9, Jim and I attended with 85 other people, the Spirit of Sharing appreciation get-together. We each took a dish and we all enjoyed a wonderful meal.

The tables were decorated with painted large pumpkins and other fall colors.

S.O.S. is made up of all volunteers contributing some 3,000 hours this past year. I looked over the crowd and I saw many of our seniors who are faithful to our center. Senior citizens are busy people. Almost everyday, they are out helping people.

Mrs. Jack Jordan is our S.O.S. president. She and the other leaders and volunteers put in many volunteer hours helping this community to have a good S.O.S. organization.

The entertainment was provided by a group of young men known as "Trinity Railroad Musical Group". They are led by Don Warren. Everyone enjoyed their music. We all enjoyed a wonderful evening.

Opal Earp's son and daughter-in-law, Mr. and Mrs. Wesley Earp of Denton were here recently visiting his mother and other relatives.

Gladys Widener has just returned from visiting her daughter, Darlene and her husband Jerry Solomon, of Plano. Darlene and ladies went on to Covington, Kentucky, to visit Darlene's son and Gladys's grandson, Chris and his wife, Lynne Solomon, and their daughter, Jennifer. Gladys really enjoyed her great granddaughter. She also enjoyed seeing all the trees in Kentucky turning colors. She said it was beautiful.

Our sympathy to Mae Muncy on the loss of her sister.

Thelma Jones has been moved to the Floydada Nursing Home.

Fred Thaxton is home and is recovering from having surgery.

Beulah Baker has been in the hospital recently. She is at home now and is improving.

Freida Hall of Sweetwater, daughter of Grace Jarrett is improving with the new treatment she is receiving.

Cora Hartline has been moved to the rehab center in Lubbock. She is recovering from hip surgery.

We still have so many of our people who are ill. Some are still in the hospital. Some are well enough to be at home. Remember to pray for these and others you know about. Also pray for those who have lost loved ones, and also pray for one another.

Those contributing to our building fund since my last published list are as follows: Judge Bill and Roberta Hardin, in memory of Marguerite Wilks; Fred and Peggy Conner, of Amarillo, in memory of Lane Decker; Dale and Reta King, of Houston, in memory of Lane Decker.

I received a very nice letter from Dale King. He told me he was born and raised here in Floydada. He considers himself to still be a citizen. He said he is subscribing to the Hesperian now and finds my column to be informative and interesting. He said he likes to keep up with his "old and gold" friends and that this column helps him to do this. It does my heart good and gives me encouragement to do my best in giving you all the news I can about our senior citizens. Thank you Mr. King for your kind words.

Now I'll get back to the donations. Anytime any of you would like to make a donation or a memorial contribution, the center would appreciate being remembered. You may mail it to Floydada Senior Citizens Center, P.O. Box 573, Floydada.

We are looking forward to Pumpkin Day, Saturday, October 28. Our center will have a booth of homemade pumpkin goodies. We would be happy if you would like to help us by providing home baked pumpkin cake, cookies, bread, candy or pies.

Please call the center at 983-2032, and let us know if you plan to provide goodies. All proceeds go to the center.

Kyle and Diana Glover are home after spending the summer in the mountains.

JULIE BEATY AND DARIN GOEN

Beaty and Goen

Joe and Beverly Beaty announce the engagement of their daughter, Julie Lynn Beaty, to Michael Darin Goen, son of Mr. and Mrs. Frank Goen of Brownfield, and Suzie Goen of San Antonio.

The couple plans to be married Dec. 16 in the First United Methodist Church in Lamesa.

The bride-elect is a graduate of Lamesa High School and is presently attending Wayland Baptist College. She is employed by Dr. Noel A. Ellis in Lubbock.

The future bridegroom graduated from New Deal High School and is the owner of The Dent Shop in Lubbock.

Recipe of the Week

The following recipe was submitted by Elaine LaBaume. "This was one of my old recipes that I "adopted" for our "Punkin Days." I won a blue ribbon with it last year at the "Punkin Days Baking Contest."

PUMPKIN - OATMEAL CAKE

1 cup oatmeal 1 stick butter
1 cup boiling water
Mix and let stand 10 minutes, then add:

1 cup white sugar 1 1/2 cups flour
1 cup brown sugar 1 tsp. soda
2 eggs 1/2 tsp. salt
1/2 cup canned pumpkin 1 tsp. cinnamon

Mix carefully - do not use mixer. Bake at 350 degrees for 35 to 40 minutes. As soon as you take out of oven, spread on icing. Do not cook icing before spreading on cake.

ICING

6 tbs. oleo, melted 1 small can evaporated milk
3/4 cup white sugar 1 cup coconut
3/4 cup brown sugar 1 cup chopped pecans
Spread on cake and brown under broiler.

Kellison hosts El Progreso Club

By Edythe Clarke

El Progreso Study Club met October 11, 1995 at 3:00 in the home of Bobbie Kellison.

The meeting was called to order by the club president, Doris Thacker. Each member answered the roll call with—a happy thought.

Hazel Johnson was in charge of the program. She reviewed the book by author Patsy Clairmont—God Uses Cracked Pots, Forget It, Perks, and

Amazing Grace—a very entertaining book that all members enjoyed.

Delicious refreshments were served to the following members: Arla Copeland, Elaine Gibson, Doris Thacker, Alice Mitchell, Hazel Johnson, Mary Lois Montandon, Bobbie Kellison, Kathleen Thornton, Merle Mooney, Octavia Carthel, and Edythe Clarke.

Next club meeting will be November 8, 1995, an auction sale.

Floydada Whirlwind girls take first at cross country meet

The Floydada Lady Winds captured first place at the Motley County Invitational Cross Country Meet held Saturday, October 14 at Roaring Springs. This was the last Cross Country Meet before District.

Team totals: 1. Floydada 33, 2. Clarendon 64, 3. Lockney 83, 4. Motley county 129, 5. Memphis 136, 6. Lorenzo 146, 7. Valley 151.

Individual results: 1. Tara McCandless 14:02; 2. Victoria Cummings 14:14; 3. Missy Purnell 14:39; 4. Amanda Green 15:05; 16. Carissa Coursey 15:43.

Also placing high was Nick Williams, the only "Wind" running for Floydada. Nick came in second with a time of 19:16.

The Lady Winds received a Team Plaque as winner of the Meet. The first fifteen places of the race were awarded Medals.

Members of the Lady Winds Team are one Senior, Missy Pernell; one Sophomore, Tara McCandless; and three Freshmen--Victoria Cummings, Carissa Coursey and Amanda Green. Nick Williams is a Sophomore.

Coach McCann commented, "It was the best Meet they've run all year. I am very proud of them." The District Meet will be held October 28 at Mae Simmons Park in Lubbock.

8th grade bested by Morton's Indians

By Coach Hallmark
The 8th Grade Shorthorns battled the Morton Indians last Thursday, but came up short. The kids played hard, but just could not get anything going offensively. I must give some credit to our offensive line, because Morton liked to stunt and the kids did a nice job of cutting them off. Some mental mistakes stopped some key drives as the Shorthorns just could not find the end zone.

The kids are a bit down on themselves, but they understand that they must come and work harder this week. I expect these kids will work hard and only get better.

Their next game is there against the Hart Longhorns starting at 5:00 p.m.

LJHS 7th grade ties Indians, 0-0

By Coach Dowell
The Shorthorn defense played well, but the lack of offense left the Horns and the Indians tied at 0 to 0 when the final buzzer sounded. This game was a little disappointing to our kids because they pride themselves on playing hard on both sides of the ball. We just could not cut off the penetration long enough to bust open a hole for any of our backs, and when that happens, you're in for a long night. Luckily our defense played with a lot of pride and heart and kept them from scoring as well.

I was very proud of how well our defense played, but very disappointed in our offense—however, if I know these kids, you will see a very different group of young men against Hart.

Our defensive standouts were Rigo Ascencio, A.J. Thornton, Jeremy Butler, Miguel Padilla, and Anthony Garza.

JV shuts out Indians

By Coach Sutterfield

The Lockney J.V. played their best game all year Thursday. The offense hung 40 points on the board, while the defense held Morton to 0. The scoring started when Brandon Covington crushed threw the line to block a punt. The ball rolled around, then Max Ramirez scooped up the ball and scampered 50 yards for a touchdown. The extra point failed.

Lockney's next score came when Brandon Covington bulldozed his way into the end zone from 8 yards out. The 2-point conversion failed. The Horns offense was held scoreless until late in the second quarter. Morton lined up to punt and a whole herd of Longhorns stampeded threw the line to block the punt.

With only a few seconds remaining on the clock, Ryan Graves took the snap as the horn went off. Graves lofted a pass into the corner of the end zone and Miguel Guerrero sprinted under it for a TD. Graves then hit Anthony Gonzales for the 2-point conversion. The Horns went in at half with a 20-0 lead.

The Horns started the 3rd quarter on fire. Brandon Covington took a handoff and then rumbled and stumbled through the defensive front

and then turned on the jets to outrun the defense for a 70-yard TD. The TD gave the Horns a 26-0 lead. Covington once again found the end zone as he crashed in from 4 yards out. Miguel Guerrero ran in the 2-point conversion.

The final score in the game came when Miguel Guerrero bounced off 3 would-be tacklers and scooted into the end zone from 8 yards out. This brought the score to 40-0.

The offensive line consisting of Bradley Veal, Hank Henderson, Ryon Smith, Jeff Archer, Tony Williams and Casey Lambert did an outstanding job of opening holes for the backs.

Defensively, the Horns played with a lot of emotion. They held the Indians to only 68 total yards. "They were flying to the ball like flies to sugar", stated Coach Dowell.

It was a great team victory. Everyone contributed to the win. When asked about the game, Coach Dowell could only shake his head and say, "WOW!! What a performance!!"

Outstanding defensive players were Jeff Archer, Chad Stapp, Bryan Bybee, Ryon Smith, Thad Lusk, Miguel Guerrero, and Max Ramirez.

The Horns will travel to Hart Thursday. Kickoff will be around 6:30.

LHS Longhorns beat Morton Indians, 27-24

By Phillip Glasson

Well, if you want to know whether you have a strong heart or not, just attend a Lockney Longhorn football game. Morton got on the scoreboard first with a 27-yard field goal that was almost blocked by Eric Bartlett. It didn't take the Longhorn offense long to get into the end zone. On an option play to the right, QB Shannon Veal executed a perfect pitch to TB Devon Phillips who exploded down the Longhorn sideline for a 67-yard touchdown.

Morton jumped ahead again in the 2nd Quarter with a 17-yard touchdown pass. The mighty Longhorns

answered back minutes later when Devon Phillips, who apparently seemed to fumble the football, dribbled it, kicked it, etc., and then picked it up to burn rubber for 52 yards down the Morton sideline for Lockney's 2nd touchdown leaving the score at halftime 13-10.

Phillips scored again in the 3rd Quarter with a 19-yard run. Morton answered back with a 16-yard touchdown pass to narrow Lockney's lead to 20-17. Then came Lockney's one and only "Moose" Marks behind the great blocking of the Longhorn linemen. Marks found the end zone on a 9-yard run, making the score 27-17.

The Morton Indians looked to the great spirits one more time, scoring on a 7-yard TD pass bringing the Indians within 3 points of the Longhorns.

Now comes the excitement! On the ensuing kickoff, Morton attempted an onside kick and recovered it with only a few minutes left in the game. The Mighty Longhorn defense arose to the occasion pressuring Morton's QB and then J.R. Walker sacked the QB on the last play of the game. WOW!

Lockney 27, Morton 24. Lockney's Volunteer Assistant, Kip Holt, said, "The excitement of this football season reminds me of last year's team and my 1989 playoff season!"

5th Quarter Fellowship enjoyed by local youth

By Jason Schniederjan

(Editor's Note: Research for the following article, by Texas Tech journalism student Jason Schniederjan, was made possible by a grant from the Reader's Digest Foundation.)

The fifth quarter, held at the Massie Activity Center, gives teen-agers an alternative place to go after Friday home football games.

The fifth quarter is sponsored by the Ministerial Alliance of Floydada.

"We have video games, ping-pong, table games, it's a hang out for teen-agers", Marlon Prichard, minister of students and education at the First Baptist Church, said. "We provide them with free food, soft drinks and entertainment."

According to Prichard, they also try to provide a challenging speaker to the teen-agers. Coach Bryan Davis, State Farm Insurance Agent Nick Long, and a Texas Tech baseball player have previously spoken at the fifth quarter.

The fifth quarter is open to students in the seventh through twelfth grades, and averages about 200 teen-agers a night. The fifth quarter opens right after the football game and closes at midnight, Prichard said.

"We give door prizes, we have skits, do interviews, it's a great time", Prichard said.

"It's a team effort," Prichard said. "We couldn't do it without the help of the parents and pastors in the community. People donate things, let us borrow different things, it's a true community effort."

Dimmitt edges Floydada in JV and 9th grade action

By Bill Gray

Dimmitt's junior varsity defeated Floydada 28-22 on October 12. It was not easy for the Bobcats on their home field as Floydada almost pulled it out in the fourth period with 16 unanswered points.

The Bobcats jumped out to a 21-6 halftime lead, and extended that lead to 28-6 in the third quarter. Although Dimmitt held on for the win, it was not until after Floydada gave the Bobcats all they could handle.

Floydada's coaches stated, "We

played a great fourth quarter. It was a great come-back, but just a little too late. We are getting better, but we must play all four quarters in order to win."

Michael Palacios scored Floydada's only first-half points on a 1-hard TD in the 2nd period. The Whirlwinds' fourth-quarter rally was started by Cody Stovall's 27-yard TD pass to Cory Kirk. Stovall then passed to Michael Black for the 2-point conversion.

Moments later, the Stovall-to-Kirk combination worked again--this time for a 49-yard TD. Black added the conversion run, but time ran out before Floydada could get anything going again.

Named by the coaches as outstanding offensive players were Stovall, Kirk, and Keith Collins. The outstanding defensive players were Chris Enriquez and Joel Santos. The JV-Freshmen Whirlwinds will host Littlefield's junior varsity at Wester Field on October 19.

The Lockney Athletic Booster Club would like to remind everyone to bring their "Red Rally Rags" to the game and wave them on each 3rd down. Also, cars can be decorated on Wednesday and Thursday afternoon at 3:30 at Lockney High School.

Lockney Coach's Comments

By Coach Malcom Moerbe

I know it wasn't pretty, but I'm tickled to death to come out of Morton with a win. Obviously we are disappointed it came down to the wire, but it still goes in to the win column. The victory enables us to maintain control of our own destiny and that's really all you can ask for at this stage of the season.

We have another tough one this week. Hart is about as versatile a team as we will play. They have good athletes and play offense and defense equally well. They are in the same position as us in the district starting, so neither team can afford to lose another one. We must play our best to beat them.

Attention Faithful Longhorn Fans!

If you've seen our mighty Longhorns fight, then you know what they mean by "no nice guys on Friday nights". We encourage everyone to come and watch the Lockney Longhorns as they battle it out against the Hart Longhorns at home, at Mitchell-Zimmerman Field, beginning at 7:30 p.m. on Friday night.

The pep rally will be held at regular time, 3:00 p.m., in the Jr. High gym. Come on over and show your spirit as we root for the red and black!

On Thursday night, the 7th grade game will kick off at 5:00 p.m. in Hart, followed by the 8th grade and J.V. teams.

Dimmitt downs 'Winds in district opener

By Bill Gray
Long TD runs by Dimmitt's Oscar Rueda and Dagon Newton spelled the difference as the Bobcats amassed almost 300 rushing yards to defeat Floydada 21-11 in the District 2-3A opener last Friday. The home loss at Wester Field dropped the 'Winds to 2-4 for the season. Dimmitt's second consecutive victory over Floydada in the opening night of district play pulled the Bobcats up to 2-4 for 1995.

Neither team had much success moving the ball in the first quarter. Dimmitt's first possession resulted in Will Sanders' field goal attempt which missed from 41 yards. Following Dimmitt's early threat, Floydada moved toward scoring position with a 13-play drive late in the opening period.

Zack Abshier connected on a 42-yard field goal only ten seconds into the 2nd quarter, but the visitors responded with an 8-play, 53-yard scoring drive. Oscar Rueda carried the final 8 yards, Sanders added the conversion kick, and the Bobcats took command 7-3 with less than five minutes remaining in the half.

The Whirlwinds were "three-and-out" following the ensuing kickoff, and it took only three plays for the Bobcats to once again light up the scoreboard. Dagon Newton took a quick pitch, cut to the outside and streaked 56 yards down the east sidelines to cross the north double stripe. Sanders' kick was true, and Dimmitt took the lead and the momentum into the halftime locker room.

Floydada trailed 14-3 entering the third quarter, but cut the Bobcats' lead to three on Ramon McCann's 4-yard run and Abshier's 2-point conversion at the midway point of the stanza. The scoring thrust was made possible when Floydada partially blocked a Dimmitt punt to gain good field position at the Bobcat 41-yard line. Abshier orchestrated the 6-play drive which was capped by McCann's TD.

Although the Bobcats didn't score on their next possession, the 13-play

drive ate up a lot of valuable time. The Whirlwinds were held out of scoring territory by bad field position for the remainder of the evening.

Dimmitt put the game out of reach early in the fourth period when Rueda broke a 65-yarder for a score. Rueda and Newton each had 100-plus yards rushing, but the Bobcats' ground-control offense sputtered late in the game. However, the Whirlwinds were unable to capitalize on three consecutive Dimmitt fumbles in the final eight minutes.

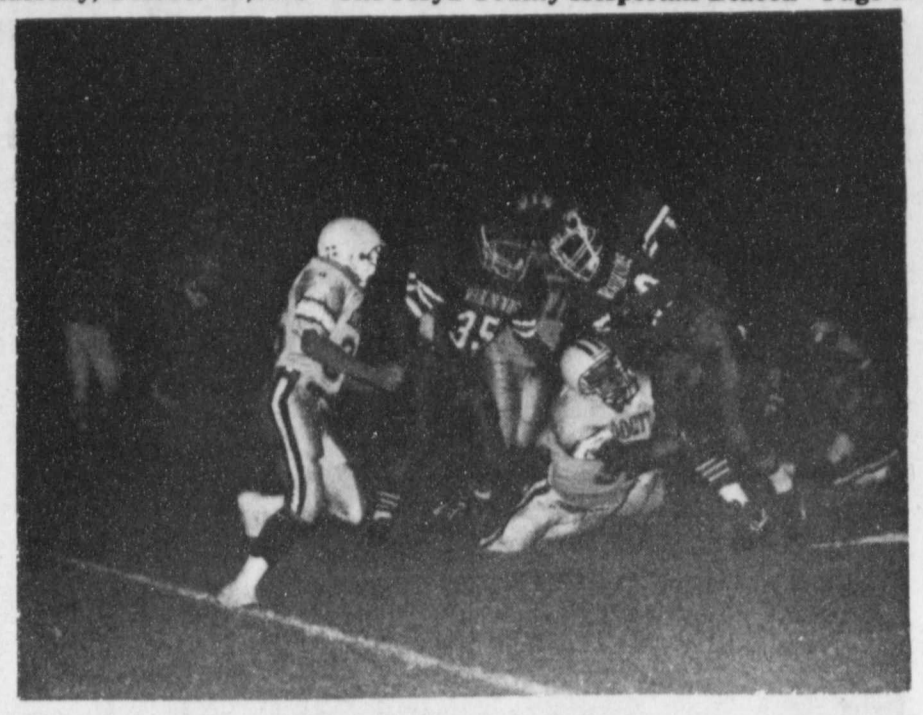

The Bobcats will host Shallowater this week as the Whirlwinds travel to always-tough Littlefield. The Wildcats have an unblemished 6-0 record after opening district play with a 21-0 blanking of winless Muleshoe last Friday. The 'Cats have scored 200 points this season while allowing only 55.

Lockney cross country teams vie at invitational

By Coach Schumacher
The Lockney Cross Country Team competed Saturday at the Motley County Invitational held south of Roaring Springs at the Roaring Springs Ranch Club.

Although this was a smaller meet than we have been competing in, I feel like it was a good one for our kids. The course supplied us with hills and some different types of surfaces. It was good training as we head in to district, which will be held October 28, at Mae Simmons Park in Lubbock. We'd like to invite all of

Lockney out to support our kids for that district meet on Saturday morning. Girls will run at 8:30 a.m. and the boys will run immediately following the girls.

The varsity girls placed 3rd overall at Motley Co. Individual placings were - 3rd overall, Dana Martinez - 4th, Debrah Ballejo - 7th, Randi Jo Henderson - 19th, Lindi Miller - 26th, and Michelle Smith - 27th. Due to injuries the boys only took three individuals. They competed well. Placing was: Daniel Banda - 3rd, Anthony Gonzales - 4th, and Fortunato Martinez - 5th.

Coach's Comments

By Bryan Davis
The big turning point in the game was Dimmitt's pass interception which led to their momentum and lead at half time. Those turnovers have hurt us in just about every game, and they really hurt when there are two pretty even teams. We were kind of on a roll there (following Zack Abshier's field goal) until that interception. It's kind of hard to explain, but those things happen.

It's hard to start the game if we aren't mentally prepared. That's something we did wrong this week, and it's the coaches' responsibility to get the team prepared - which we did not do.

The sign of a good football team is that you bend, but don't break, on defense. We gave up those two long runs, which were indications that we weren't prepared mentally. That

preparation has to come before the game starts...you don't get into it during the game.

We might have been a little overconfident, and that's my fault as the head coach to make sure they are ready to go. We've got a good football team if we come out and play hard with a lot of intensity.

We've got to get ready to play this week against a very good Littlefield club. If we play hard, we are capable of beating them. No one gave Tech a chance against Texas A.& M., and no one thought Northwestern could beat Notre Dame nor did anyone think Kansas could beat Colorado. It's all a matter of mental preparation, thinking you can do it and going out and doing it. We'll be over-matched going against Littlefield, but if you want to win and go out and play hard...you can overcome those things.

BREEZER FOOTBALL REPORT

By Bill Gray
Zack McNew tossed a 40-yard scoring pass to Bradley Minnix with only 16 seconds remaining in the final period to lead the 7th Grade Breezers past Dimmitt 6-0 in junior high action last week at Wester Field. Following the game, Coach Jackie McNew said, "This win makes us 4-1. The kids played well the whole game, and it paid off with the win on the last play."

Often sive players of the game, as chosen by the coaches, were Zack McNew, Bradley Minnix and Joe Cuba. Named outstanding defensive players were Ismael Areballo, Tyrel Fuller, Leon Childers and Ruben Castillo (fumble recovery).

In 8th Grade grid action, Floydada and Dimmitt deadlocked at 6-6. The 8th Breezers scored in the 2nd quarter on a 40-yard TD pass from Dusty Anderson to Jeff Lyles. Dimmitt answered with a 25-yard TD pass in the 4th period. Neither team was able to convert their point-after, which would have been the difference in the outcome.

Coach Jimmy Burns commented, "Dimmitt beat us 32-0 last year. The coaches challenged the kids to play their very best, and they stepped up to the challenge. Our defensive play was excellent, and these kids should be proud of the way they played." Coach Jackie McNew added, "Special recognition to our deep snapper (Hector Palacios) and our punter (Justin McGuire) should be given. They got us out of a hole there at the end that could have cost us the ball game."

Outstanding defensive plays were turned in by Todd Anderson (fumble recovery) and Andy Williams (pass

interception). Offensive players of the game were Brandon Wickware (backfield), Jeff Lyles (receiver), and Ty Hendrix (line). Outstanding defensive players were David Rainwater (line), Ty Hendrix (linebacker), Andy Williams (secondary) and Justin McGuire (punter).

Both Breezer squads will be in action at Wester Field this week when they host Littlefield. The kickoff for the 7th Grade game is 5:30 p.m.

Errors abound in fifth week of contest, E.M. Pyle wins in sixth week of contest

By Juanita Stepp
Our apologies to the announced winners and Honorable Mentions (as well as those left out) for the football contest last week! Sam Hale pointed out an error in our scores for the week, noting that we had the Redskins defeating the Eagles 34-27. The actual score was slightly different, Redskins 34, Eagles 37. Re-grading the contest resulted in a new set of winners, or at least some rearranged winners and a new one.

Mike Anderson of Floydada was announced as 1st place with 4 misses, he actually ended up in the Honorable Mention category with 5 games wrong. Brent Sanders, also of Floydada, announced as 2nd with 4 wrong, ended up as 2nd place with 3 wrong.

Pam Fulton of Lockney, announced as 3rd place, actually was in 1st place with 3 wrong. Fulton selected a combined score of 42 (6 points under the actual combined total for Lockney-Oilton) placing her in 1st over Sanders who chose 38 (10 points under).

Fulton was presented with a check for \$25.00 rather than the \$10.00 as previously stated. Sanders received the \$15.00 for his second place entry.

Amber Arney of Floydada was the 3rd place finisher with 4 misses. She chose Lockney to win in the tie-breaker, beating out Franklin Harris, also of Floydada, who also missed 4 but failed to select a winner in the tie-breaker.

Jr. Lee of Lockney and Shere Cannon, Paige Younger, and Jean Hale, all of Floydada, joined Anderson as Honorable Mentions with 5 misses.

Missing 6 were Javier Bernal, Phillip Glasson, and H.G. Graham, all of Lockney, as well as Gregory Vasquez, Heather Arney, Carrie Davis, Bob Alldredge, Sam Hale, and Chris Enriquez, all of Floydada.

Those who missed 7 included Lockneyites Boyd Lee, Marcy Vasquez, Mark Ford, and Jim Ed Davis, and Cody Bayley, Larry Kirk, and Monty Anderson.

6TH WEEK RESULTS
E. M. Pyle Jr. of Lockney was the 1st place winner this week. He missed 7 games on the contest. A check for \$25.00 will be waiting for him in Lockney on Friday, October 20.

Three people, Bill Harbin and Cody Bayley of Floydada and Mandy Gallaway of Lockney, missed 8 games this week, creating a need for the tie-breaker. All three were wrong about the winner of the first tie-breaker, choosing Floydada to win over Dimmitt.

Harbin selected a total combined score of 35, two points over the actual combined score of 33. This earned him the \$15.00 check for second place. Gallaway chose 37, just 4 points over the actual total, as her tie-breaker score, earning her the 3rd place prize of \$10.00. Bayley chose 21, 12 points under the actual total to secure a place as Honorable Mention.

Missing 9 this week were Jean Hale, Kenneth Young, Shere Cannon, A. W. James, Mike Anderson, Franklin Harris, all of Floydada, and Jim Ed Davis, Harold Abney, and Janie McNally, all of Lockney. Missing 10 this week were Bob Alldredge, Wes Campbell, Carrie Davis, Anthony Caballero, and Amber Arney, all of Floydada, and Lockneyite H.G. Graham.

Those with 11 incorrect included Sam Hale, Marcos Torrez, LaQuita Davis, Kyle Minnix, Jeremy Hernandez, David Sutterfield, and Brent Sanders, all of Floydada. Boyd Lee, Pam Fulton, and Mark Ford each missed 12, as did Keith Marricle, Beth Tye, Roy Moreno, W. H. Simpson, and Derek Martinez, all of Floydada.

There were 67 entries this week, 47

were in the Floydada box and 20 from the Lockney box.

CONTEST RULES
Anyone above the age of seven is eligible to submit an entry except employees of this newspaper and their immediate families living in the same household.

No mail entries will be accepted. All entries must be submitted on the official entry form printed on the Football Contest page of each weekly issue. Entries must be taken to the Hesperian-Beacon Office, either at 116 S. Main in Lockney or 111 E. Missouri in Floydada. No entries will be accepted after 5:00 p.m. on Friday of each week.

The contest is simple to enter. Clip out the entry form coupon on the contest page and circle the number corresponding to the team you think will win in each of the games listed in the footballs on the contest page. If you think two teams will tie, circle both numbers. Select a winner in each of the two tie-breaker games on the contest entry coupon and write your guess of the total combined points of the two teams in the accompanying football. If a tie occurs in which a winner cannot be determined by using the two tie-breaker games, the prize will be shared by those tying.

Readers are reminded that entries are limited to one entry per week per person. Weekly winners are limited to one per household per week.

Contest entries will be scored on Monday following the weekend games. Results will be printed in the next issue of this newspaper and checks for prize

4-H Horse Project holds first meeting

By Tyler Phillips
The Silver Spurs 4-H Horse Project held their first meeting of the year October 9, 1995 at the home of Ron and Debbie Shatley.

The project elected officers for the new year. Those elected were: Jurahee Jones, President; Kacie Young, Vice President; Tasha Powell, Secretary; Chris Hartline, Treasurer; and Tyler Phillips, Reporter.

Galen Smith, Colt Smith, Addie Foster, and Ashley Brock were introduced and welcomed as new members.

Kacie Young gave a Judging Team Report. She reported on the District Judging Contest and a video contest that were held in the spring. The team members were then recognized and awarded judging notebooks with plaques for being named the 2nd Place Team at the District Contest. Members of the Judging Team are: Tasha Powell, Matt McPherson, Kacie Young and Tyler Phillips.

Debbie Shatley gave talk on feeds and feed quality for horses. We then broke into groups and evaluated different bales of hay to determine which bales would be all right to feed.

The next meeting is scheduled for November 11th.

Book Fair underway at Andrews

FLOYDADA — Sixth graders at R.C. Andrews Elementary School are participating in a Scholastic Book Fair October 16-20. The reading event will offer students, parents and teachers the opportunity to see the latest works by popular authors and illustrators of books for young readers.

Along with winners of prestigious state and national awards, the fair will present hundreds of titles from over 100 publishers. Included will be how-to books, biographies, timeless classics, the 1995/96 Bluebonnet Award

nominees, and a wonderful variety of the newest titles in children's literature.

A special Parents session will be held on Monday, October 23, from 4:00 p.m. until 5:30 p.m. in the Andrews Library. Parents are invited to

come and purchase books for their children or to make purchases for gift giving in the holiday season.

Proceeds from the book fair will be used to place new books in the R.C.A. Library for all students to enjoy according to Librarian Janis Julian.

Floydada Parent Advisory Council to hold fall session

The Floydada ISD Parent Advisory Council plans to meet for their annual fall session on Tuesday, October 24, 1995, at 7:00 p.m. at the R. C. Andrews Elementary Cafeteria.

All parents are encouraged to attend.

Subjects that will be discussed are the following topics: the implementation of our local Title I Regular and Migrant application, TEA goals or objectives for our programs, Parent Training sessions to help parents with the skills needed to help or assist their

children at home.

Mr. Tiburcio Garza will be speaking concerning discipline and parental involvement.

Administrators, some teachers, and teachers assistants plan to be at the meeting to answer any questions parents may have or assist in any way they can.

Baby-sitting services will be provided by the FHS homemaking department. Please make every effort to attend. Our students can be successful if we work together for and with them.

First Christian Church welcomes new pastor

First Christian Church is alive with activities these days as they welcome their new pastor and co-pastor, Ione and Vic Sedinger. Rev. Ione graduated Magna Cum Laude from Texas Wesleyan University and did her graduate study at Brite Divinity Seminary at TCU in Fort Worth, Texas and the Hebrew University in Jerusalem. She was Associate Pastor at Sandy Lane and Hillside Memorial churches in Fort Worth during her student years at Brite. Ione has pastored churches in Palo Pinto, Pilot Point, Bartlett, and Silsbee, Texas and Hooker, Ok., before coming to Floydada.

in Texas. Both are amazed at the number of pumpkins coming into town everyday.

Coffee slated

The Christian Women's Fellowship will host a coffee on Friday, October 20, from 9:30 until 11:00 a.m., to give everyone the opportunity to meet and enjoy visiting with the new pastor, Ione, and husband Vic.

Everyone is invited to come to the fellowship hall of the First Christian Church at 301 West Missouri, for this very special event!

IONE AND VIC SEDINGER

Vic, a graduate of Auburn University, Auburn, Ala. in Aero. Engineering, was employed as Project Engineer at General Dynamics Fort Worth before retiring in 1986 after 35 years of service.

The Sedingers have three married children. Dr. Milton V. Sedinger, pastor of Northwood Christian Church in Indianapolis, Ind., Patricia Shelton, director of Agape Christian Preschool Handley Methodist, Fort Worth, Tx., and Lisa Winters, secretary of the Blaine United Methodist Church in Minneapolis, Minn. They are the proud grandparents of one granddaughter and five grandsons.

Ione and Vic both say they are really enjoying Floydada because they find the people here to be as friendly as all the other towns they have lived

Annual Harvest Festival slated at First United Methodist Church

FLOYDADA - The annual Harvest Fest of the First United Methodist Church in Floydada will be Saturday, Nov. 4. The "Country Store" and "Woodworker's Shop" will open at 9:30 a.m. and the harvest style meal will be served in the Fellowship Hall from 11:30 a.m. til 1:00 p.m. Friends and neighbors are invited to participate in this festive celebration. Proceeds from this year's event will help support local church youth, missions and the church van.

Featured again this year is the Children's Corner where the younger set will have an opportunity to make craft items under adult supervision. A nursery will also be available.

The gorgeous king/queen-sized quilt features the "Bargello" pattern in jewel tones. It was pieced by Faye Bertrand, Billie Jordan, Jo Lyles, Doris McLain, Frances Staniforth and Lin Tipton. The quilting was done by Elizabeth Armstrong, Julia Baker, Faye Bertrand, Jo Lyles, Lorene Newberry and Margarette Word. Quilt tickets are \$5.00 and are available from members and also at the church office.

The traditional Turkey Dinner tickets are priced at \$3.00 for children

under 12 and \$5.00 for adults. The meal will be served in Fellowship Hall from 11:30 a.m. til 1:00 p.m. and take-out meals will be available through the drive-up in the alley after 11:00 a.m.

Forums and meetings spotlight Lubbock and Texas High Plains

By Shawn Wade
A full schedule of forums, meetings, and shows put a spotlight on Lubbock and the Texas High Plains this week according to officials at Plains Cotton Growers, Inc.

The week started with the Texas Ag Forum and concluded with three days of the Texas Farmer-Stockman Show. Producers from around the state were on hand for each of these events according to Donald Johnson, Executive Vice President of the Lubbock-based producer organization.

"The amount of information exchanged over the past few days has been staggering," adds Johnson. "The Texas Ag Forum allowed area producers to get first hand information about the 1995 Farm Bill debate while the Texas Farmer-Stockman Show provided them the opportunity to see and evaluate the latest in equipment and ag products."

In addition to the Ag Forum and the Farmer-Stockman Show the PCG Board of Directors came together for their regular quarterly Board meeting to discuss a variety of topics that included the 1995 Farm Bill and the 1995 Enhanced Boll Weevil Diapause Control Program.

The PCG Board went on record to support legislation recently passed by the Senate Agriculture Committee during its work on the 1995 Farm Bill. The Bill, titled the "Agricultural Competitiveness Act of 1995", maintains much of the framework from the

1990 Farm Bill while meeting all budget targets.

During a report on the progress of the Enhanced Boll Weevil Diapause Control Program, PCG Boll Weevil Steering Committee Chairman Wayne Huffaker noted that the effort continues to set impressive standards for both size and effectiveness. He notes that a large part of the success of the program has been the dedication of the field personnel that carry out the day-to-day operations. He also applauded the efforts of the program's aerial contractors as well as the Program's chemical supplier, Denmark-based Cheminova.

Huffaker related to the PCG Board that delays in the arrival of some ocean-bound chemical shipments due to adverse weather conditions provided an excellent example of Cheminova's support. He notes that as a result of the delays, Cheminova has airlifted three separate shipments of ULV Malathion aboard the world's largest transport aircraft, the Anovot 124, from Denmark to Dallas. This effort ensured that adequate supplies were on hand to continue spray operations on PCG's program.

The High Plains most recent experience with the aircraft used for these deliveries was the shipment of a complete cotton gin plant from Lubbock to Greece just a few weeks ago. As a result of Cheminova's efforts, Program operations have continued with very little disruption.

Board works to help growers to improve marketing skills

By Texas Corn Producers Board
With probable reductions in the government crop support program, corn producers and other farmers must become better marketers. The Texas Corn Producers Board is helping make that possible by co-funding a "Master Marketer" program through Texas A&M University.

The program will initially provide 64 hours of extensive marketing training to growers in the upper 26 Panhandle counties. Training will come from Texas A&M economists and their counterparts from other leading agricultural universities.

Upon completion of the program, participants will be able to return to their counties and help establish local marketing clubs to extend marketing training to their neighbors, said Dr. Steve Amosson, Texas Agricultural Extension Service area economist in Amarillo and program coordinator. He said similar marketing training sessions will likely be held

Funded by TCPB, Texas Wheat Producers Board, Texas A&M and the Chicago Board of Trade, the program will begin taking applications for its first participants soon. Brochures with application forms will be mailed out in other parts of Texas, notably the South Plains, and central and southern parts of the state.

"The Texas Corn Producers Board is concerned that marketing could become a more difficult task for growers than it already is," said Carl King, TCPB executive director. "That's why we feel the Master Marketer program is one which will benefit those who want to learn more about using the various marketing tools. We're proud to be a sponsor of the program."

by the Texas Agricultural Extension Service in Amarillo.

"County agents, agri-business leaders and others will review applicants from their counties, then recommend participants to us," says Amosson. "We expect to have two participants from each of the counties. They will likely be producers who have already been exposed to using futures, options, forward contracting and other forms of marketing."

Some of the nation's leading grain and livestock marketing economists will serve as instructors. They will cover all facets of how the various marketing tools can be used, said Amosson. Assisting Amosson will be Dr. Mark Waller, extension economist at Texas A&M in College Station, and Dr. Jackie Smith, extension economist for TAEX in Lubbock. Dr. Ernie Davis, livestock marketing specialist in College Station is also assisting.

Other speakers and instructors will include Dr. Bill Tierney and Dr. Art Barnaby, both economists for Kansas State University; Dr. Wayne Purcell, economist at Virginia Tech University; Dr. Darrell Peel and Dr. Clement Ward, livestock economists for Oklahoma State University; Dr. C. Parr Rosson, extension economist for International marketing at Texas A&M; and Ted Abele, chairman and CEO of Continental Grain Corp.

Backed by \$7,500 in statewide corn checkoff funds and additional funds, the "Master Marketer" program is a pilot venture that could spread nationwide, said Amosson.

For more information on the Master Marketer Program contact TCPB at 1-800-647-CORN or your local county extension agent.

Proposition 3 will build state agribusiness manufacturing base

Voters will have a chance Nov. 7 to create jobs through Proposition 3, Agriculture Commissioner Rick Perry said. The proposition will help build the state's agribusiness manufacturing base by providing public-private financing to help companies, such as food processors and apparel manufacturers, start-up or expand.

Proposition 3—one of 14 constitutional amendments to be decided in November—asks voters to approve transferring \$200 million in existing bonding authority from the Texas Agricultural Finance Authority's Farm and Ranch Finance Program to its Loan Guaranty Program, increasing its funding from \$25 million to \$225 million.

"It's important to note that this ballot initiative asks only to transfer existing bonding authority from one program to another," Perry said. "It is not asking voters to approve new debt or new taxes."

If approved by voters, the transfer will still leave \$300 million in funding for the Farm and Ranch Finance Program, which helps farmers and ranchers buy land, Perry said.

Transferring bonding authority will help create additional jobs and economic development statewide by strengthening the TAFE Loan Guaranty Program. More money is needed by the TAFE Loan Guaranty Program because the bulk of the program's initial \$25 million in funding was used between 1991 and 1993. Through public-private loans, these funds assisted 47 businesses involved in agricultural processing, diversifying agriculture or producing innovative agricultural products. However, more than 200 companies expressed interest in the program.

Through loan guaranties to the 47 companies, TAFE so far has directly created or retained more than 1,400 jobs. These 1,400 jobs, when combined with the spin-off job impact, produced a total of 4,700 jobs. Overall the program has added more than \$400 million to the state's economy, Perry said.

"Four years ago, only 8 percent of Texas' raw agricultural goods remained in state to be processed into value-added products such as convenience foods and clothing," Perry said. "That figure is now up to 10 percent thanks in part to the assistance TAFE has provided. However, we still have 90 percent of our goods shipped out of the state or out of the country along with the jobs and industry created by processing a product."

Adding just 1 percent to the state's processing rate would contribute \$2.2

billion in economic activity to Texas each year. Bringing the state's processing average up to the national average of 20 percent would add \$22 billion to the state's economy, Perry said.

"The loan guaranty program also is not solely a government program," Perry said. "It is a successful public-private partnership."

With guaranties from TAFE, banks participate in a portion of each loan made by the program. A business cannot apply for a loan through TAFE until it has a private financial institution willing to participate in the loan.

The loan guaranty program was created by the Texas Legislature in 1987, and in 1989 Texas voters approved funding the program with \$25 million in bonding authority. The Legislature formed TAFE to help businesses that cannot receive conventional bank loans because they are startup operations or because the company's income or collateral does not fit a bank's underwriting criteria, Perry said.

"By voting yes on Proposition 3, Texans can provide a tremendous economic development and job creation boost to our state," Perry said.

Pickups and Rollovers--The Dangerous Connection

By: Janie Harris
Pickups and other "tough" vehicles have generally replaced the horse in today's world, but there is still a problem of being "bucked off" or more specifically "bucked out."

Twentieth century "horse power" whether it be a Ram, Bronco, Silverado, Cherokee or some other brand must be respected and proper precautions taken. The Texas Agricultural Extension Service's Passenger Safety Education Project has coordinated with the Texas Department of Transportation to demonstrate what can happen to unbelted occupants in a rollover motor vehicle crash.

The demonstration equipment is appropriately named the "Roll-over Convincer." The convincer is used to show how vehicle occupants can be tossed about or even thrown from a motor vehicle in a roll-over crash when they are not wearing their safety belts. It then is used to demonstrate how occupants wearing safety belts are held in place inside the safety cage of the cab as the vehicle rolls.

Why all the fuss about roll-over crashes?

Vehicle rollovers are a dominant rural roadside safety problem. Federal Highway Safety Information System data show that rural "run-off-road" (ROR) crashes are three and a half times more likely to result in a rollover than urban ROR crashes. Rural roadsides often have steep slopes, ditches, or embankments which contribute to the rollover risk. Vans, straight trucks, and pickups have the highest rollover rate.

During 1994, 494 people died in pickup truck crashes in rural areas of Texas. Eighty of the pickup crashes in rural areas involved an overturn or

rollover. Another 108 crashes involved collision with a fixed object. How many of these crash fatalities involved ejection because people were not wearing their safety belt?

Front seat occupants are two to four times more likely to be fatally injured if ejected during a crash (National Highway Traffic Safety Administration 1994 Sampler) whether it be a rollover or a frontal collision with a fixed object.

In 1994, observational surveys of more than 3,621 urban pickup truck occupants in 18 Texas cities showed a safety belt usage rate of 64 percent (about 20 percentage points lower than passenger vehicles). However, studies conducted in 25 rural towns of Texas showed that only 36 percent of the 1,942 pickup truck occupants observed were buckling up.

Unfortunately, other states show similar low usage rates. Most states have seat belt laws that require pickup truck occupants to buckle up. However, this should not be the issue. The key issue is that safety belts when worn correctly can save lives and prevent serious injuries. This is even true for drivers and passengers of the large pickups that are not required by law to buckle up.

"What does it take to convince our pickup drivers and occupants to

Buckle Up? "We must be personally responsible for buckling up whether it's the law or not."

USDA budget four percent of total federal budget

By Mark McCormick, President
President Clinton has proposed modest cuts of \$1.5 billion for support programs over the next five years. Senate Agriculture Committee Chairman Richard Lugar is proposing to strike \$15 billion from agricultural programs over the same period. Either of these options, or something in between, will be difficult for the nation's farmers.

"One thing is for certain," McCormick says. "We don't think farmers should be cut more than any other segment of the agricultural budget, or other segments of the whole federal budget."

The USDA budget is four percent of the federal budget, but agriculture doesn't get most of that. Nearly 60 percent is spent on domestic food and nutrition programs. U.S. agriculture is becoming less and less dependent on the federal government, but the European Union is out spending the U.S. by three to one in terms of support for agriculture, and six to one in terms of export enhancement.

"This is not the time to abandon U.S. farmers if we want to continue our own export growth" McCormick says.

There is currently a lot of debate in Washington about the importance and future of the federal farm program. Mark McCormick, president of the Floyd County Farm Bureau sounds a cautionary note.

"Our farm programs have really worked very well," Mark says. "In agriculture, we consider them more of an investment that an outright expenditure."

McCormick says the farm program works to keep food prices low, while protecting farmers' incomes, which helps keep agricultural producers on the land. McCormick goes on to say that farmers recognize the need to bal-

ance the federal budget, and expect some farm program cuts in the process.

Whirlwind Sams travel to see "The Promise"

By Betty Gilbreath
On Thursday morning, a group of Good Sams met at the Massie Center to travel to Glen Rose. We were on the road by 7:30 a.m. Those who went were the Norrells, Mayos, Patzers, Adams, Hambrights and the Gilbreaths. We stopped at the roadside park near Post for coffee break and were joined by the Lyles, Lusks, and the Willis'.

We stopped at Tye near Abilene for gas and ate lunch there. Herb and Esther Wallace joined our group. We arrived at Tres Rios campground about 3:40. The Millers and McElyeas greeted us. After getting our rigs set up we rested a while then took our lawn chairs to the McElyeas trailer to visit. Thursday night, everyone had free time to do what they

wanted. The Assistants arrived about 4:30 p.m.

Friday morning at 8:30 was coffee and refreshment time, which was furnished by the Norrells (our trailboss and wife). At 9:30 we went to Camanche Peak Nuclear Plant. This was a very interesting tour.

Lunch was on our own. When we got back to our campground, Paul and Dartha Westbrook greeted us. This made 14 trailer rigs present. At 4:45 p.m. we had reservations at Oletas Fish House for a delicious fish dinner. We all enjoyed this very much. After dinner, we all went to go see "The Promise", an epic musical drama of the life of Christ. This was a very spectacular presentation. We all enjoyed this very much and recommend this to everyone if you are

ever in this area.

Saturday morning, coffee and refreshments were served at 8:30, and then we left town at 9:30 to head to Fossil Rim, then to Grandbury for lunch. Some went to the Antique Car Show. Saturday evening was fellowship and games.

Sunday morning coffee was at 8 a.m. and devotional at 8:30. Boone Adams gave our devotional on "Witnessing". Paul Westbrook led the song service. Dartha Westbrook played the keyboard and Mac McElyea played the guitar. Esther Wallace performed a special song, "Living for Jesus". Dartha and Esther sang "Jesus is Lord of All". Darrell Mayo voiced the closing prayer.

Boone Adams led the group in "Happy Trails" and closed our meet-

ing. All of our group that could not attend this camp-out missed a good time. Thanks to Harold and Charlene Norrell, for planning this trip.

Contest Rules

Any subscriber or purchaser age 7 or older is eligible to enter this contest. Only one entry per week per person.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. Also write a guess of the combined total points to be scored by the two teams listed in each of the tie-breaker footballs. Circle the team you believe will win. Circle both teams if you think the game will end in a tie.

Only entries on official entry forms brought to a Hesperian-Beacon office in Floydada or Lockney no later than 5:00 p.m. on Friday. No photocopies will be accepted and no mail entries will be considered.

Three cash prizes are awarded each week. In the event of ties (the same number of correct games & equal scores on tie-breakers) prizes will be combined & shared by those tied. The tie-breaker scores will be used only in the event of a tie on the number of games correct.
