HAPPY PUMPKIN MAN--To fully appreciate this pumpkin display at Floydada City Hall you should drive by and take a close look at the expression on the

driver's face. The pumpkin driver is all smiles over his colorful crop and the worker on the back of the truck is probably just relieved that it's over. Staff Photo

Drunk driving leads to prison sentence

Jurors find Valadez guilty of Aggravated Assault with Deadly Weapon

Thursday, October 19, after two days of witness testimonies, Floyd County jurors deliberated for 1 1/2 hours before deciding that Rudy Valadez, 35, of Floydada, was guilty of the 2nd degree felony of Aggravated Assault.

Jurors also found Valadez guilty of using a deadly weapon (his automobile) in the commission of the aggravated assault.

Charles Mais, the attorney for Valadez, requested sentencing be made by 110th District Court Judge Randy Hollums. After attorney's arguments, on Friday, October 20, Hollums sentenced Valadez to 18 years in prison and a \$10,000 fine.

The conviction of using a deadly weapon in the commission of the crime prevented Valadez from being eligible for probation. He must also serve a minimum of 1/4 of his sentence before he can be considered for parole. According to District Attorney Becky McPherson, a "deadly

weapon is anything that can cause serious bodily injury or kill someone."

This conviction stems from an accident in Floyd County, June 10, 1997, at approximately 10:14 p.m.

According to McPherson, Valadez was traveling west bound on FM 784. At the same time, three pickups were parked, one behind in the other, in the east bound lane of FM 784. The wheels of the pickups were on the edge of the shoulder of the lane. Ten teenagers were visiting at the scene, four outside of the pickups and six inside pickups.

Witnesses testified that Valadez crossed the center stripe, struck the first pickup in the line, continued down the pickup, and then struck the 2nd pickup, penning eighteen year old Jo Dee Homstad between the 2nd pickup and Valadez's vehicle.

The impact broke Homstad's right leg and tore all of the ligaments in her right knee. Her left leg was almost

totally severed at the hip.

Dr. Seay, an Orthopedic Surgeon from Lubbock, testified that the car actually amputated the leg at the hip and he just finished the amputation at the hospital.

Because of the accident, Homstad, of Knox City, was also blinded in her right eye and has undergone over 15 surgeries, including two brain surgeries. She is now in a wheelchair undergoing physical therapy. Medical bills are already over \$350,000 and are expected to go higher.

Todd Hinsley, 16, a passenger in the second pickup, suffered a broken nose as a result of the collision. Shane Derryberry, 17, escaped injury by jumping on the top of the tool box on the first pickup.

A DPS chemist testified at the trial that four hours after the accident, the blood alcohol concentration in Valadez was .17. Because of the time lapse the chemist told jurors that at the

"Turn Around America Program" presented to Floydada Council for community support

By Juanita Stepp

FLOYDADA — Those attending the October session of the Floydada City Council heard a presentation by Plainview Policeman Mike Carroll, a former Floydada resident. The subject was the "Turn Around America" program which originated in Pennsylvania in 1985. A football coach began the program in an effort to clean up the neighborhoods his student athletes lived in according to Carroll.

The program has spread westward and finally reached Texas where it is called "Turn around Texas". Carroll told those present that Plainview is the fourth city in Texas to institute the program which advocates personal confrontation as a means for driving criminals and drug dealers out of individual neighborhoods. Local citizens march into areas involved in these type problems, targeting known criminals or sites and engage in chanting, singing, etc. until the targets leave.

Carroll told the group that he had been asked to tell about the program by Rilla Sue Woody, a Floydada resident. The slogan of the program is "Up with hope, Down with dope." Police offer minimal protective services to see that the marchers and the targeted areas or individuals do not get hurt said Carroll. He termed the program, "a feel-good plan to allow local citizens to help make their city better."

He stressed that the program should not be instigated or run by the city or by the local police. He said it should be under the direction and control of local residents. The support of local and county governmental bodies is welcomed and encouraged. No action was taken on the subject. Mayor Hulon Carthel told the listen-

ers that if anyone was interested in organizing such a program in Floydada, they should do it and come before the council to seek a vote of approval.

Glenn Bertrand petitioned the council to authorize a waiver from a city ordinance which forbids animals within the city limits. He asked permission to keep five or six show pigs in a barn he owns at 101 South 12th Street. The council voted to approve the request with the provision that Bertrand renew the permit in January as the ordinance only provides for waivers on an annual basis from January to December. Renewal will be granted if there are no complaints from residents or landowners within 500 feet of the barn.

Discussion of several unpaved streets in Floydada concerned the possibility of getting grant money to assist in paving the areas. According to City Manager Gary Brown, there is very little grant money available for paving projects. He also said that such funds are difficult to obtain since grants are usually dispensed on the basis of the number of people served and their income. Council members approved a motion to continue checking into the possibility of paving some of these areas.

A motion by Councilman Eric Cornelius was seconded by Councilman Albert Hill, authorizing the city to pursue possible grant funding from TCDP for 1995-96 and to use Kay Howard as consultant for the projects. All voted in favor.

Specific areas to be funded are not known at this time, but Howard will keep the city apprised of any developments in that area. She will also make sure the city is aware of the steps to be taken in order to qualify.

Council members also approved

the preparation of an ordinance which will spell out areas of city property in which hand guns will not be allowed. The overall ordinance will be designed to address the situations arising due to the state's passage of a right to carry law. The ordinance will be presented for consideration at a late meeting.

Completion of the final house on the 1992 HOME Program was approved by the council on a motion by Councilman Wayne Tipton with a second by Councilman Dale Lawson. All voted in favor. The action was recommended by the City appointed committee which has monitored and determined the course of the entire program in Floydada.

Council approval was necessary in order to exceed the established limit of \$15,000.00 per home. The house involved had lead based paint on it and needs to be sealed with an epoxy substance and repainted. This will add about \$2,100.00 to the repair costs. The funds will be taken from remaining money which has not been earmarked for a particular home. Approximately, \$1,000.00 was also used to pay for the testing to determine if a lead based paint problem was present.

City Manager Gary Brown reported that the voting period is over on the extended calling option. No news has been received concerning the outcome of the voting.

Brown also reported that previous applications for grant funding concerning a telephone program for daily contact with elderly citizens had finally resulted in a grant of \$5,000.00. He stressed that more funding is necessary in order to implement the program. More grant funds are being sought and donations toward the project could make implementation possible.

Families will enjoy food, crafts, and games

"Punkin" party plans finalized

Beautiful weather has been forecasted for the annual Punkin Day celebration, Saturday, October 28, and there will be plenty of things to do while you are enjoying the sunshine.

The courthouse square will be full of arts and crafts, food, free entertainment and lots of games for the whole family to participate in.

The popular fall festival will kick off with the 5K Race beginning at 9:00 a.m., one hour earlier than in previous years. If the forecast is right, this year's runners will not be fighting bitter cold and winds during their runs. An awards ceremony to present beautiful trophies will be held immediately following the race.

The Fun Run has been pushed back one hour, to 11:00 a.m. Trophies will be presented at the end of the Fun Run also. Anyone wishing to sign up for the racing events should report to the back of the Floyd County Farm Bureau by 8:30 a.m.

To dress up the party, citizens are urged to bring their decorated pumpkins and baked goods for judging. All entries must be in place under the courthouse pavilion by 8:30 a.m. on the 28th. Judging begins at 9:30 a.m.

A prize of \$25.00 will be given to the person who correctly guesses the weight of the pumpkins parked at the courthouse square. Your guesses have to be entered by 10:00 a.m., as the pumpkins in the trailer will be used for afternoon games.

There will be plenty of food booths located on the square to satisfy every appetite and the Punkin Day Committee recommends bringing a lawn chair for your comfort during a fun afternoon of great entertainment (see separate story on entertainment)

If there are enough competitors, the famous Miss Pumpkin Patch Pageant will once again be held.

Anyone (and they really mean anyone!) who wants to enter the Miss Pumpkin Patch pageant should call Brenda Meyers at the Chamber Office and put your name on the list. It is not necessary to shop for evening or sportswear for the competition. This event is open to all shapes and sizes of male or female.

The "fast paced and exciting" Cow Patty Bingo event will be a feature attraction again this year, beginning at 1:30 p.m. The length of the event as always will depend on the mood of

the featured cow.

Cindy Jeffries and Laura Turner will be selling Cow Patty Bingo tickets throughout Punkin Days. If you are not approached by one of them, you can buy your ticket at the chamber booth under the pavilion. Don't forget to buy your tickets and take your chance at winning the first place prize of \$500.00.

Pumpkin games begin at 1:45 p.m. and will last throughout the afternoon. Different games will fit different ages and levels of fitness.

Participants will be able to compete in pumpkin carving, drawing, tossing, bowling, rolling, and races and wheelbarrow pushing. For a complete list of activities and their times, clip out the schedule inside on page 3.

The First National Bank of Floydada will be open on the 28th, from 10:30 a.m. - 12:00 noon for the public to view art exhibits. The Floyd County Historical Museum will also be open all day on Punkin Days, as will many stores in town. Don't forget to walk your own city sidewalks to look for bargains.

DECORATING CONTEST

Judy Jackson, of Lockney, has been asked to judge the homes and businesses who decorate for Punkin Days. The judging will take place on October 26.

Because of the large amount of publicity garnered by Floydada pumpkins this year, a large crowd of out-of-town visitors are expected to pay the city a visit on that day.

City Hall is encouraging homes and businesses to look their best with decorations and or clean windows. Owners of vacant buildings are asked to please clean the store front for a better appearance.

Punkin Day Chairman Paul Sharp is also asking for help from community organizations and clubs in decorating the highway medians. If there is a certain place your club would like to decorate, call Sharp at 983-5116, to reserve your spot.

Sharp would also appreciate any help from individuals who would like to help him decorate Friday, October 27, after 5:00 p.m. With some help, Sharp and his crew will transform the highway entrances into the city into a Pumpkin Day welcome mat.

COSTUME CONTEST

TRUNK 'R TREATING

Junior size Trunk 'R Treating are invited back for safe candy gathering at the walking path in the City Park the night of the 28th. The path will begin at the N.E. corner of the park, across from the High School.

Pre-approved candy will be passed out by pre-approved adults who enjoy watching the different costumes stroll by.

Vehicles will be parked along the walking path with the trunks open and children will walk in safety on the path. To help everyone in the event, children should bring flashlights for an easier and safer trail.

The annual costume contest will be held before the Trunk 'R Treating in the High School auditorium. The contest will begin at 6:00 p.m. and children will be released from the contest at staggered times to Trunk 'R Treat along the path.

Trunk or Treat organizers are still in need of volunteers to hand out candy. It is an easy job that is always enjoyed by those who participate. The candy will be provided. All the volunteer has to supply is a vehicle—any kind of vehicle.

If you would like to donate candy, or money to buy candy, please contact Laura Turner, Roxanna Cummings, at 983-3035, or the Chamber of Commerce office, 983-3434.

BULL BASH

A new event called the "Bull Bash" will begin at 5:00 p.m. on Punkin Days at the Floydada Rodeo Grounds.

According to Meyers this bull riding competition will attract competitors from all over the state. "If there is enough local interest shown in the event the organizers will be back," said Meyers.

CARNIVALS

After the full day of entertainment, Floydada youth can top off their Halloween night with a visit to the 1990 Study Club Carnival at the There will be game booths for all ages at the Massie Activity Center, from 7:00 p.m. - 10:00 p.m.

The carnival for Lockney children will be held at the Lockney Elementary School from 6:00 p.m. - 9:00 p.m.

Saturday Is Night For Treats

The city councils for Lockney and Floydada have both declared Saturday night as the official day for Halloween celebrations and door-to-door Trick or Treating.

Both cities are attempting to draw children away from the traditional means of gathering candy by offering fun alternatives to door bell ringing.

In Lockney, the PTA is sponsoring the annual Fall Festival with food and games.

In Floydada, the popular Trunk-or-Treating will be held at the city park across from the High School.

Wherever you decide to gather your candy remember to only ring the doorbells of homes with porch lights shining. Homeowners who are unable to answer the door or wish not to be disturbed will turn off porch lights.

Lockney PTA offers safe and fun celebration on Trick or Treat night

LOCKNEY—The Lockney PTA is once again sponsoring the popular Fall Festival at the Lockney Elementary Gym and Cafeteria, on Saturday night, October 28.

In an effort to keep children from being out late on school nights and to coincide with the PTA's festival, the City of Lockney, has declared this Saturday night as the official night of Trick or Treating. Children are asked not to Trick or Treat on Tuesday, October 31.

The festival at Lockney Elementary will have a large variety of games for youngsters to enjoy. Entertainment will begin at 6:00 p.m. and

booths will close down at 9:00 p.m.

A concession stand at the festival will serve hot dogs, chili dogs, nachos, cowboy nachos and drinks.

Children and adults are encouraged to wear their costumes to the festival and add to the jovial mood of this occasion.

The following booths, and their sponsors, will be found inside Lockney Elementary on Saturday:

Pop a Shot & the Jail, by the Junior High class; funnel cakes and small basketball toss, by the Church of Christ youth; cake walk, by Band Boosters; Spin art, by Early Learner Class;

Bean Bag Toss, by 3rd grade class; Spin Wheel, by the Catholic youth; Bake Sale, by 5th grade class; Love Meter and Roping, by 4-H;

Duck Pond, by Il Penseroso; Mini Pumpkin Painting and Candle Shoot Out, by the Sophomore Class; Marriage Booth, by the Junior High Student Council; Football Toss, by 4th Grade;

Sucker Game and Popcorn, by FHA; Cotton Candy, by Iglesia Del Rey Jesus youth; Color Wheel, by Kindergarten; and Glow In The Dark Room, Concession Stand, Go Fishing and Bracelet Engraving by PTA.

PROCLAMATION

PORNOGRAPHY AWARENESS WEEK
OCTOBER 29 - NOVEMBER 5

Whereas, the United States Supreme Court has repeatedly ruled that obscenity is not protected speech under the First Amendment;

Whereas, the sanctity of American homes has been invaded by dial-a-porn, cableporn, video porn, satellite-to-dish porn, radio porn, computer porn and rock music porn;

Whereas, pornography inflicts tremendous suffering and damage to individuals, families, children, business districts, communities and our nation;

Whereas, in this era of escalating violence, pornography features and promotes sadomasochism, rape and incest;

Whereas, children are increasingly sexually molesting other children in imitation of what they've seen;

Whereas, there are state and federal anti-obscenity laws on the books to protect public safety, public morality and public health;

Whereas, the obscenity laws are uniquely grounded in community standards;

Whereas, millions of Americans throughout this great nation will be participating in Pornography Awareness Week;

Now therefore, I Hulon Carthel, Mayor, do hereby proclaim the week of October 30 through November 6, 1995 as PORNOGRAPHY AWARENESS WEEK in Floydada, Texas.

/s/ Mayor Hulon Carthel

MAYOR HULON CARTHTEL (left) signed a Proclamation, Tuesday, designating October 30-Nov. 6 as Pornography Awareness Week in Floydada. Joyce Lipham (right), a member of the American Family Association (AFA) witnessed the signature. The proclamation was made in an effort to warn individuals and families of the dangers of pornography. Staff Photo

Studies show ill effects of pornography to individuals

Pornography's number-one consumer group is adolescent boys between 12 and 17 years old.

When experimental subjects are exposed to repeated presentations of hardcore non-violent adult pornography over a six-week period they: develop an increased callousness toward women, trivialize rape as a criminal offense; develop distorted perceptions about sexuality; develop an appetite for more deviant, bizarre or violent types of pornography.

Published in Volume VII of the Technical Reports, C. Eugene Walker found that 39% of the sex offenders

interviewed indicated that "pornography had something to do with their committing the sex offense that they were convicted of."

Darrell Pope, a former Michigan State Police officer, found that of 38,000 cases of sexual assault on file in Michigan, 41% involved pornography exposure just prior to the act or during the act.

A recent study by FBI researchers of 36 serial killers revealed that 29 were attracted to pornography and incorporated it into their sexual activity, which included serial rape-murder.

Mandatory classes to begin Nov. 4

Sherman ready for Concealed Handgun students

As of October 6, June Sherman, of Lockney, joined the ranks of 1,800 certified instructors in the State of Texas who are now qualified to teach a Concealed Handgun License Class.

The instruction has not been easy for Sherman but after four days of classes at the DPS school in Austin, she now feels very confident that she is ready to pass her knowledge on to future students.

Sherman will begin Nov. 4 teaching Concealed Firearm Courses to anyone interested in obtaining a license to carry a concealed firearm. The courses are one of the many mandatory steps required by anyone wishing to take advantage of the newly enacted Concealed Handgun laws.

Sherman arrived in Austin for the course, October 2, and joined a class of 250-300 people ranging in ages of 30 to over 76 years old. She was one of only 12-15 women in the class.

"We were told women tend to be better shooters than men," said Sherman with a smile. "Target shooting is supposedly 80% mental and 20% ability."

At least in Sherman's case she proved that theory right.

On the firing range alone, she was required to shoot 50 rounds with each of two firearms, a revolver and a semi-automatic. Of a possible 250

points, Sherman scored 241, or 96%, with a revolver, and 245, or 98% with the semi-automatic.

"To be an instructor you had to score 90% on the range," said Sherman. "An average citizen taking my course will only be required to score a 70% on the range."

Instructors are also required to score a 90% on the written test. Sherman, and the other instructors were not told their written grades—only if they passed or not.

"We spent a lot of time learning how to teach the use of force as a last resort," said Sherman. "We are told that although you may feel your life is threatened you better be able to prove it if it ever comes to a civil suit."

"We covered the Texas Penal Code in depth in the areas of justifiable force. We must now get across to our students that verbal provocation is never enough to justify force."

"We are also told that the threat of losing property may not be enough in a civil suit to justify deadly force. Property can be replaced."

"If you feel your life, or someone else's is in danger is the only time deadly force is justified."

Sherman will also now be responsible in spelling out the places the concealed firearms will be allowed and where they will be prohibited.

"People will not be allowed to carry a concealed weapon into a place of business that derives 51% or more of its income from the sale of alcohol," said Sherman. "You also can't take a firearm into a hospital, nursing home, courthouse, any place where government is doing business, or on any school property."

"You can carry it onto a public parking lot of a sporting event. If the parking lot is part of school property then the concealed firearm is illegal."

"The attorney general is still making rulings on different aspects of this new law."

According to Sherman licensed people will be responsible at all times to be aware of any posted signs that may be forbidding the carrying of firearms.

In every instance, no matter where, licensed individuals are always required to keep the firearm concealed. "It won't matter where you are," said Sherman, "if you claim anyone by your firearm showing then you will be breaking the law."

"Your firearm must be concealed in your glove compartment, under the car seat, in the trunk, in your belt out

of sight or in your purse out of sight.

"We will teach not to leave your common sense at your door. If your common sense tells you not to carry your firearm into an area—then don't."

"We will study conflict resolution and how to work things out without resorting to a firearm."

"Licensed carriers will also be responsible for making a police officer more comfortable if he or she is stopped. As soon as the officer checks your license plate he will know if you are licensed to carry a concealed firearm."

Because the officer will be walking up to a vehicle that he knows may have a gun in it, could of course make him very nervous. We will teach our students to always keep their hands on the top of the steering wheel and immediately tell the officer if you do have a firearm in the car and where it is. Licensed carriers should carry their concealed gun license with them just like they carry a driver's license.

Sherman will begin her course, November 4, in Lockney, and is still registering interested people. You must be 18 years or older to take the course.

The course offered by June, will last a full 10 hour day in the classroom and then range time will vary according to how well the students are doing.

"A person will have three chances to qualify on my classes," said Sherman. "After that they can take the course over again from me or from someone else."

"In order to qualify the student will have to use a minimum of a .38 caliber or a 9 mm. If you qualify with a

revolver you will only be allowed to carry a revolver. If you qualify with a semi-automatic you could carry either one."

Students will be required to shoot 50 rounds at the range. Twenty rounds will be done at 3 yards, 20 rounds at 7 yards, and 10 rounds at 15 yards. To pass a student must score 70%.

"Students will also be required to answer 35 out of 50 questions correctly on the test."

The cost of the June's course is \$150. After completing the course, students will have to pay an additional \$140 to the state for the licensing fee.

June Sherman and her husband, Tommy, are already certified NRA instructors in the use of rifles, pistols, shotguns, personal protection and home safety. To get ready for the upcoming instructions on concealed firearms, the Shermans have also prepared a "private range" which has been certified by DPS.

According to Sherman, as of October 1st, DPS had 100,000 applicants for the Right to Carry license. At this time, June Sherman is the only licensed instructor in Floyd County. To enroll in the upcoming class, call June Sherman at 652-3436.

Temptations will be open Saturday for "Punkin' Days" from 7 a.m. until 3 p.m. for Pastries and all kinds of Pumpkin Goodies, Coffee, Hot Chocolate, Hot Cider, etc. . . . Come in and take a break.

50TH WEDDING ANNIVERSARY CELEBRATED—The children of Ramon and Josefina Perez will honor their parents with a family dinner celebrating their parents' 50th wedding anniversary, Thursday, October 26. The couple was married on October 26, 1945. They have made their home in Floydada since 1958. Children and grandchildren of the couple that are hosting the dinner include Connie Mendoza, Lily and Frank Maldonado, Raymond and Monica Perez, David and Angie Perez, Rick and Connie Perez, Danny Perez, Sandy and Tony Rando, Gabriel Mendoza, Jr. and Rhoda and Armando Morales.

Study Club discusses carnival

By Anna Leta Bradshaw

The October meeting of the 1990 Study Club was held Wednesday, October 11, at the Floydada Country Club. Hostesses Jeanine Helms, Dara Ware and Kim Breed provided a wonderful meal of Subway sandwiches, salad, and chocolate dessert for members to enjoy.

After President Jeanine Helms called the meeting to order, members answered roll by naming their favorite Halloween costumes. Members present were Anna Leta Bradshaw, Kim Breed, Alissa Carter, Sheresse Covington, Cesali Ericson, Betty Ann Fortenberry, Tonya Gooch, Jeanine Helms, Connie Hurt, Melody Hysinger, Angie Lipham, Delinda Lucke, Robin Nixon, Becky Ross, Sandra Schwertner, Misty Seymour, Becky Sharp, Mendy Shurbet, Dara Ware, Ludustria Warren and Paige Younger.

Sunshine Girl, Becky Ross read a letter of resignation from Regina Smith. We will miss her. Kim Breed, chairperson of the Service Commit-

tee announced that extra cakes from the cake walk will be taken to the nursing home. Members elected to have Martha Griggs make new covers for our member books. The material was donated by Jeanine Helms. Cesali Ericson discussed the Christmas social. It will be held December 9, at the County Line.

Ludustria Warren announced she is expecting a new baby in May by passing out candy to the members. Congratulations to Tracy and Ludustria!

Becky Sharp, chairperson of the Pumpkin Days/Carnival Committee discussed what each member's responsibilities would be. It was decided to eliminate the admission charge. Tickets for games will be 50¢ a piece. Games will require different numbers of tickets. Becky also announced that Alpha Sigma Epsilon will run the dart throw game and the jr. high will be in charge of the jail house. Proceeds will be donated to Sr. Citizens and to the High School Scholarship fund.

Jeanine Helms, president, called the meeting to close.

Bradford hosts Hobby Club

By Peggy Roberts

The South Plains Hobby Club met Wednesday, October 11 in Silverton. Bessie Bradford was hostess.

The group was small but we had a very enjoyable time. We met many nice people and saw lots of beautiful things.

We visited the Brisco County News office. They have a full line of Watkins products.

The Plum Thicket is the newest gift shop in Silverton. It is filled with beautiful new and antique items.

The next shop was the studio of woodcarver J. Christopher White. He

explained about the different wood he uses, how and where he finds them and the steps he uses to bring out the art hidden in the wood.

Caprock Floral dries and dyes

weeds and flowers of the area. They have many interesting, unusual and very clever items.

The weather was very nice so the afternoon was completed with a picnic.

The next meeting will be at the home of Connie Sanders on November 8. The program will be on Christmas gifts ideas and ornaments.

Club visits Cove Girl Interiors

By Shanna Jackson

LOCKNEY—The II Penseroso Junior Study Club held their first meeting of the month, October 12th, at Cover Girl Interiors in Plainview. JeanAnne Williams was hostess for the meeting along with co-hostesses Alice Carthel and Shana Gonzales.

Pat Stoner, owner of Cover Girl Interiors showed the group many selections of wallpaper and materials in all different styles and patterns. She explained how they decorate a room.

Mrs. Stoner also demonstrated the new computer technology of searching for wallpaper on computer instead of looking through books.

During our regular business meet-

ing a new member Becky Fortenberry was introduced. The group discussed making a donation to the Lockney Chamber of Commerce for the Christmas lights and to the new high school library for decorations.

It was decided that we would have a booth at the Halloween Carnival and signed up for times to work.

Members present were Alice Carthel, Char Dowell, Shawnda Foster, Rayanna Glasson, Shana Gonzales, Shana Hallmark, Shanna Jackson, Jeri Rexrode, Lori Satterwhite, Victory Stewart, Michaelle Stennett, Heather Stowe, Kim Teeter, JeanAnne Williams, and Tami Wofford.

New Arrivals

COOPER

Tait Cooper wishes to announce the arrival of his sister, Tory Ellen, born October 17, 1995, at 8:25 a.m. in Methodist Hospital in Lubbock.

She weighed 8 lbs. 7 oz. and was 21 1/2 inches long.

Her parents are Tim and Tamara Cooper of Farwell. Grandparents are Mr. and Mrs. Glen Cooper, of Lockney, and Mr. and Mrs. Bob Bowden of Plainview.

Great-grandparents are Mr. and Mrs. Julius Trauer, of Hart, and Arno Cox, of Plainview.

Lockney Senior Citizens

By Gladys Ragle

LOCKNEY—We had a nice gathering Thursday, October 19 with 56 present for a good meal and game playing after. We had several guests including Dr. McClelland and his wife; Harleen McAda and her daughter. We were also glad to see Dee and Arla Copeland come. Maybe they will attend more in the future.

Our sympathy goes out to the Ray Dillard family, the R.C. Mitchell family, and the Kelton Shaw family on the loss of their loved ones.

Gladys Ragle has just returned from accompanying her daughter Charlotte McCulloch on a motor trip to visit friends in the Bayou country just west of New Orleans, Louisiana. They had a wonderful trip and saw a lot of different country. The people there were so warm and friendly.

They attended the first Houma Cajun Country Festival and enjoyed watching the Cajun dancers and the live Cajun band.

and Mabelle Francis (Mom & Pop). Lets give them a good turn-out.

Also! Anyone who would like to go to Hereford to Senior Citizens Christmas should contact Hazel Johnson.

WEEKLY WORDS OF WISDOM
"The test of humans is to be gracious in times of good fortune as well as adversity."

MENU

October 30 to November 3

Monday - Fried Chicken, vegetables, salad, dessert

Floydada Senior Citizen News

By Margarette Word

The center is open from 8 a.m. to 4 p.m. each Monday through Friday. If you plan to eat lunch, please call by 10 a.m. at 983-2032.

Lena Mae Watson of Midland, will be entering the Manor Park Nursing Home in about a week. This is on a temporary basis while Olin is recuperating from his surgery.

Glenna Orman met her sister-in-law, Katie Orman, from California, at San Antonio where they toured the area, then went on to Branson, Mo., and went to several shows and toured that area. They had a wonderful trip together.

Mary Alice Eakin's brother, Joe Montgomery and his wife Ebba, of Anchorage, Alaska, were here recently. Their daughter Marilyn Odom, of Oregon, was also here. Joe and Ebba had attended his college class reunion at Portales, New Mexico, and came to Floydada to visit his sister and brother-in-law, Mary Alice and W.B. Eakin and other relatives.

Mike and Phyllis Badgett of Arlington have recently been here visiting his parents, Peck and Frances Badgett.

William and Faye Bertrand recently spent several days fishing at Possum Kingdom catching lots of fish.

Dub and Margaret Daniel went to Waco recently, to a R.V. rally. After the rally, they went on to Temple, to visit relatives.

Nell McClung met her daughter, Shirley Parker of Hartley, Tex., at Dallas. From there they went to Little Rock, Ark., and met another daughter, Sue and Alton Higginbotham. They all then went to Jacksville, Ark., to do some sight-seeing and shopping. They had a lot of fun going to flea markets and antique shops.

The following people attended the "Roaming Arizona Air Stream Caravan": Jo Davis, Gene and Gladys Lawson, and Mac and Flora McNeill. There were 12 air stream families on the trip. They did a lot of sight-seeing and had a great time. They were gone about two weeks.

Our sympathy to the family of Lloyd Murry, the family of Freida Hall, and to Bob Alldredge on the loss of his aunt.

We were happy for Buelah Baker because she was back playing dominoes at the center last Monday. She has been ill. Willie McCormick was also at the center last Monday eating lunch with us. She has been ill and unable to come to the center. Glad you both are stronger!

We still have so many who are ill. Several are still in the hospital. Some are having surgery. Some are at home, but unable to get out. Keep in touch with those you know about. Be in prayer for one another, the ill, and those who have lost loved ones.

"Punkin Day" is Saturday, Oct. 28. Our center will have a booth, under the pavilion, with homemade pumpkin goodies such as pumpkin bread, pumpkin cookies, pumpkin pies, pumpkin ice cream and etc. If you would like to help the center by providing some of these goodies we would appreciate your help. All proceeds will to the daily expense of the center. Our booth will be ready by 9 a.m. on Saturday morning. We will appreciate you coming to our booth and purchasing some of the goodies.

Ethel Warren was in town last week. She wanted me to put her address in the paper so her friends could write to her. Her address is: Ethel Warren, Rt. 2 Box 780-L, Amarillo, Texas 79101. She would love to here from you.

"Thought for the Week" - The trouble with the voice of experience is that it won't keep it's mouth shut.
A.I. Bernstein

Senior Citizens Menu

Monday: Cheese enchiladas, red beans stewed okra and tomatoes, sliced onion, peppers, crackers, fruit salad

Tuesday: BBQ beef, baked potato, broccoli with cheese, pears, hot roll, peanut butter cookie

Wednesday: BBQ chicken, baby limas, summer squash, coleslaw, wheat roll, lemon pudding

Thursday: Salmon patty, blackeye peas, spinach, golden congealed salad, cornbread, sugar cookies

Friday: Meatloaf, mashed potatoes, mixed vegetables, tossed salad/Ranch dressing, wheat roll, chocolate cake

Floydada Nursing Home Happenings

What a lovely month, October... All dressed in every shade Blue and yellow, green and gold All ready to "parade"!

Mrs. Hall we honor For all her many years She's spent in helping others In good times or in tears.

To Mrs. Oda BirchfieldHer years are 99..... We're sure she'll make "100" She's counting on the time!

Salutes to Mrs. SmithermanA lady nice to know..... Stop in for a visit And you will find it so!

Mrs. Trapp we're greetingHer parents named her Ruth..... It is so nice to know her..... Believe me, that's the truth!

Another one we honorHer name is Georgia Nance.... Be sure you get to know her ...Now DON'T you miss your chance!!

To cheer these lovely ladies Let's do the Birthday Song.... So everybody sing it And come out good and strong.

Georgia Nance's birthday was in September, but I failed to get it in the paper. I am very sorry for the oversight and give her my apologies.

Thursday, October 19, was party time at the Rest Home with members of the City Park Church of Christ hosting. The Hesperian photographer came for the picture taking followed by everyone being ushered into the dining room with the honorees being seated at the "honor" table. A special guest at the "table" was Lloyd McCray who was visiting his wife (a resident) and celebrating his 82nd birthday.

The table was laid with a green cloth and held a floral arrangement in fall colors. Places were marked with special birthday cards. The ladies wore lovely corsages compliments of Williams Florist and Card Shop.

We are sorry Mrs. Hall and Mrs. Birchfield were unable to attend the party. The poem was read and all joined in singing the Happy Birthday Song.

The refreshment plate contained delicious pound cake or angel food cake complimented by a delightful fruit punch. The next party will be Thursday, November 16, 2:30 p.m. You are invited to be with your friends and loved ones at their special time.

OCTOBER BIRTHDAYS--Floydada Nursing Home residents celebrating October birthdays are: (l-r) Oda Birchfield, Ruth Trapp and Ruth Smitherman. Not pictured is Myra Hall. Staff Photo

Turner and Davis host club

By Margarette Word

The 1932 Study Club met Monday evening, October 23 in the home of Wanda Turner with Jo Davis as co-hostess.

Frieda Simpson, President, called the meeting to order. Bill Ferguson, Recording Secretary, read the minutes of May 19 and September 29. Both were approved as read.

Year books were given out to members by Program Chairman, Nell McClung. Roll call was answered by members giving a "current event". Finance Chairman, Effie Foster, gave a report.

Projects for this new year were discussed.

Program Chairman, Nell McClung introduced Donna Henderson, who gave us a program about "Russia, As I Saw It". She showed slides and gave us a very interesting program about the way the people live in Russia.

Eight people from the First Baptist

Church went as missionaries, meeting other Christians from surrounding towns going into Russia spreading the Word of God.

They lived in the homes of local people getting firsthand knowledge of how they lived. They also went into the homes of other local people. They witnessed by singing songs, passing out Bibles and other literature. They also attended their churches. They were in Russia about 10 days.

Refreshments were served to the following: Mamie Bunch, Jo Davis, Bill Ferguson, Effie Foster, Queen Annie Lawson, Nell McClung, Flora McNeill, Lorene Newberry, Eva Parker, Frieda Simpson, Wanda Turner, Margarette Word and guest, Donna Henderson.

Our next meeting will be Tuesday, November 14 in the home of Eva Parker with Lorene Newberry, co-hostess. The program will be a book review by Bill Ferguson.

We Salute in Floydada

Recipe of the Week

The following recipe was submitted by Flora McNeill of Floydada.

Sour Cream Lemon Cake

2 sticks oleo or butter
2 cups sugar
3 eggs
2 cups flour
1/4 tsp. salt
1/4 tsp. soda
1 cup sour cream
2 tbs. lemon extract (I use more)

Cream oleo with sugar and eggs. Then add flour, salt, soda and sour cream. Add extract. Bake in greased and floured tube pan at 350 degrees for 1 hour or until just firm to touch. DO NOT OVERBAKE!

Topping

1/2 stick oleo
1 cup powdered sugar
Lemon extract to taste.
Mix and place on top of cake

Junior Varsity team battles to 14-14 tie

By Coach David Sutterfield
LOCKNEY—Thursday night was the battle of the Longhorns. Neither Lockney or Hart could prove their dominance as they came away with a 14-14 tie.
 Max Ramirez went 30 yards on the option to set up the first touchdown. Brandon Covington then plunged in from four yards out. Ryan Graves sneaked passed the defense for the 2-point conversion.
 Hart then scored on a reverse but missed the 2-point conversion to make the score 8-6. Hart then knocked down a pitch and recovered it in the endzone to go up 14-8.
 Lockney would answer when Graves hit Miguel Guerrero on a 40 yard pass to paydirt. The 2 point conversion failed leaving the score knotted at 14-14.

Tony Williams, Jeff Archer, Max Ramirez, and Ryan Graves had good offensive games. Defensively Ryan Smith, Thad Lusk, Casey Lambert, and Brandon Covington had good defensive games.

The next Lockney J.V. game will be here on Thursday after the 7th and 8th grade games.
 I would also like to thank Brett McQuhae and Jeremy Stapp for all their hard work and dedication.

Lockney youths capture Punt, Pass, Kick honors

LOCKNEY—Fifty-eight participants took part in the NFL Gatorade Punt, Pass and Kick competition hosted by Lockney on October 14 at Mitchell-Zimmerman Field.
 The following youngsters earned first place in their respective age groups. They are: Age 8 - Landon Cotham, 100'6"; Age 9 - Ty Arjona, 160'8"; Age 10 - Michael Martinez, 169'7"; Age 11 - Gary Butler, 182'2"; Age 12 - A.J. Thornton, 245'2"; Age 13 - Johnathan Martinez, 252'5"; Age 15 - Ryan Graves, 326'3".
 The total score was made by the cumulative total of one punt, one pass and one kick.
 These seven winners will now move on to a Sectional competition to be held November 4 in Lubbock. They could qualify for the Team Championship competition, to be held in Dallas in conjunction with the Dallas vs. Washington game.
 NFL Gatorade Punt, Pass and Kick is a football competition that allows youngsters to showcase their talents in punting, passing and place-kicking with scores based on distance and accuracy.

CHAD HINKLE

TYE WOOD

Floydada boys on Plainview all-star team

Chad Hinkle, eleven-year-old son of Joe and Tanya Hinkle played for the Gator team in the regular season. He played offensive guard, kicker, kickoff return and defensive end. Chad had seven quarterback sacks and three other tackles in the backfield in the seven game season.
 Tye Wood, is the eleven-year-old son of John and Betty Ann Fortenberry and Lyle Wood of Lubbock. Tye played for the Hawkeyes in the regular season. He played defensive tackle, offensive guard, and all special teams and lead his team in quarterback sacks.
 There were 160 boys playing football in the Tiger League. Only 40 were selected to the All Star Team. Chad and Tye will be playing on the same red All Star Team.
 There will also be a blue All Star Team. There are twenty boys on each

team.
 The first game will be played Saturday, October 28 at 7:30 in the Plainview Bulldog Stadium.

8TH GRADE SHORTHORNS -- Members of the 1995 Lockney eighth grade football team include: (back row, left to right) Nick Castro, Chris Jones, Rolf Sherman, Justin Graves, Adam Jones, Primo Salazar, A.J. Martinez; (middle row) Michael Alaniz, Sal Naranjo, Jason Jimenez, Juan Gonzales, Eric Villarreal, Marcus Fierros, David Martinez, Josh Carter, Jesse Ledesma; (front row) Brandon Prather, Josh Pyle, Josh Quebe, Shane Summers, and Romero Martinez. *Staff Photo*

Floydada falls to Wildcats

By Bill Gray
 Littlefield lived up to its 34-point favorite role by defeating Floydada 41-0 last Friday. It was the Wildcats' largest margin of victory over the Whirlwinds in ten years as they improve to 7-0 for the year (2-0 in District 2-3A). Floydada dropped its second district game in as many weeks and fell to 2-5 for the 1995 campaign.

Following a 16-yard pass from Zach Abshier to Chad Hinkle for a first down on their fourth snap of the game, the Whirlwinds turned over the ball. Littlefield quickly capitalized on the miscue, getting on the board at the 9:47 mark of the opening period with a 43-yard TD by All-State candidate Michael Benton. Joseph Olmos added his first of five conversion kicks and the Wildcats were on their way to the one-sided victory.

The Wildcats' highly-regarded defense took the cue from their offense and held the 'Winds at every opportunity to maintain momentum for the remainder of the first half. Benton cashed in on a 3-yard plunge three and a half minutes later. Littlefield QB Danny Vargas went to the air in the next series as he hit Jermaine Davis with a 57-yard scoring strike. Vargas virtually put the game on ice for Littlefield in the last minute of the 1st quarter with a 35-yard TD toss to Keith Newton.

Littlefield coach Louis Boomer started to substitute freely at this point of the game. The Wildcats added another touchdown by Trey Ensor midway through the 2nd quarter to hold a commanding 34-0 lead at intermission.

Dorsett Jefferson scored from 4 yards out at the 3:37 mark of the third quarter for Littlefield's final margin of victory. The Whirlwinds increased their intensity in the second half, holding their own against mostly Wildcat underclassmen and second-unit personnel. However, the Whirlwinds were able to manage only six first downs and cracked the Wildcats' 20-yard line only once in the contest. Zack Abshier was forced to punt eight times for the Whirlwinds (for a very respectable 36-yard average), but field position and the swarming Wildcat defense prohibited Floydada from ever mounting a serious threat.

SCORE BY QUARTER

FLOYDADA	0	0	0	0
LITTLEFIELD	28	6	7	0

SCORING SUMMARY

1st Quarter
 LHS - Michael Benton 43 run (Joseph Olmos kick) 9:47.
 LHS - Benton 3 run (Olmos kick) 6:08.
 LHS - Jermaine Davis 57 pass from Danny Vargas (Olmos kick) 3:54.
 LHS - Keith Newton 35 pass from Vargas (Olmos kick) :43.

2nd Quarter
 LHS - Trey Ensor 2 run (kick failed) 6:25.
 3rd Quarter
 LHS - Dorsett Jefferson 4 run (Olmos kick) 3:37.

TEAM STATISTICS

FLOYDADA	LITTLEFIELD
6 First Downs	22
38-102 Rushes-Yards	42-266

31 Return Yards	64
25:03 Time of Possession	22:57

INDIVIDUAL STATISTICS

RUSHING - FHS: Ramon McCann 13-68; Andy Young 5-14; Omar Eguia 8-13; Zack Abshier 10-4; Vernon Cooper 2-3.
LHS: Michael Benton 7-66, 2 TDs; Trey Ensor 10-53, 1 TD; Ruben Martinez 2-35; Dorsett Jefferson 4-32, 1 TD; Jason Wright 4-32; Joe Abeyta 5-21; Larry Galloway 3-18; Danny Vargas 7-9.
Passing - FHS: Zack Abshier 2-8-0, 23 yards; Richard Casillas 0-1-0. **LHS:** Danny Vargas 4-6-0, 109 yds., 2 TDs; Joe Abeyta 1-2-0, 33 yds.
Receiving - FHS: Chad Hinkle 2-23 yards. **LHS:** Jermaine Davis 1-47, 1 TD; Nathaniel Williams 2-44; Keith Newton 2-41, 1 TD.

Bill's Notes
 It was a good country whipping no matter which way you look at it! What I saw at Littlefield last Friday was as good a Wildcat team I've seen since their great teams of the early 1980s. They've also got some good underclassmen coming up who got in a lot of playing time last week.

8th graders come up short against Hart

By Coach Todd Hallmark
LOCKNEY—The eighth grade Shorthorns traveled to Hart and played well but came up short.

The kids played well and I saw much improvement in the way they played. They went in at halftime down 6-0 but came back late in the third quarter. After scoring a touchdown and running the extra points the score stood 6-8.

The score was made by the hard running of Jesse Ledesma, Brandon Prather, Josh Quebe, and A.J. Martinez. Jesse Ledesma scored on an 8-yard run to make it 6-6. The two point conversion was made from a pass to Chris Jones.

The Shorthorns had two other opportunities to get into the endzone but fumbles killed the drives allowing Hart to get back in the game. At the final buzzer the scoreboard showed 18-8.

I was proud of the way the kids came back in the second half and played hard. Although mistakes hurt them in the second half, all in all they played a good game. I feel like the kids have reached a turning point and expect only for them to improve.
 The next game will be here against New Deal starting at 5:00 p.m.

Read More Books!

Coach's Comments

By Coach Bryan Davis
 We are still having trouble overcoming mistakes, and that early fumble (in Floydada's first possession) was a key factor in the game. Littlefield got off to a quick start and it kind of snowballed in the first half. We didn't play with much intensity in the first half. I was disappointed because I felt like we were ready to play. Obviously, we weren't.
 The coaches challenged our kids at halftime to come out and treat the game like it was O-O. It was encouraging to hold them to 7-0 in the second half. We've got to build on that level of intensity and play four quarters of good football.
 You've got to give a lot of credit to Littlefield. They have a very good football team. They executed well and did what they had to do. They have outstanding talent and they play hard from the start.
 We'll regroup for Muleshoe. We have to...because they have some good talent. We've just got to put together four good quarters and go out and execute. There are still some good teams left on our schedule so we've got to go out, play hard, and see what happens.

My hat is off to the Wildcats...they should go more than just a round or two in the playoffs.
 Michael Benton is a gifted high school player...one of the best to come around these parts in a number of years. However, he only stayed in long enough to rush seven times for 66 yards and a pair of TDs, so he doesn't get my nod for offensive player of the game. That goes to Littlefield QB Danny Vargas. He was near perfection in his execution for the three quarters that he played, tossing for two TDs in the 1st quarter. His biggest impact on the Whirlwinds, though, were his booming into-the-end-zone kickoffs which kept the Whirlwinds permed up in their own territory on almost every possession.
 My choice for offensive play of the game was Benton's 43-yard TD the first time he touched the ball offensively. It established the momentum early on that carried throughout the long evening. My nod for defensive player(s) of the game has to go to the entire Wildcat stopper unit that limited the Whirlwinds to only six first downs and a paltry 125 yards in total offense.
 The Whirlwinds can still gain some respectability by knocking off Muleshoe this week and then throwing a wrench into Shallowater's machinery on their way as the runner-up team in the district. It's gonna' be wild, as the two teams are pretty evenly matched. A "Punkin' Day" special sees the 'Winds over the Mules 31-27. As for Shallowater in their trip to Littlefield tomorrow night. The 'Cats are going to turn the Mustangs every way but loose...like about 35-13! Bill's other picks: Friona 25, Dimmitt 8; Lockney 40, New Deal 13; Stratford 21, West Texas 13; Texas Tech 27, New Mexico 17; Baylor 34, T.C.U. 31; Boston College 33, Notre Dame 30.

Quick strike offense and big play defense propels Horns

By Phil Cotham

LOCKNEY—Fired up by the Pep Rally Speech made by 1994 quarterback Tanner Johnson, the Lockney Longhorns continued their drive for a playoff berth by defeating rival Hart 34-13 Friday night at Mitchell-Zimmerman field.

The Longhorns struck quickly to take a 7-0 lead. Following a fumble recovery by Scott Crawford, after Joe Marks separated Hart's J.R. Lee from the pigskin, the Longhorn offense kicked into full gear. Shannon Veal found Mike Hernandez alone in the end zone for a 10 yard TD. Joe Marks converted the extra point.

Hart answered quickly with a 3-yard run by John Welps. But the point after attempt to tie the score caromed off the upright leaving Lockney with a 1-point lead.

Two other Hart penetrations deep into Horn territory in the first half resulted in no points as Adrian Rosales forced the ball carrier out of bounds inside the 5-yard line on a sweep and Romualdo Chavira broke up a fake field goal attempt pass.

After intermission, Hart was inside Lockney's 20-yard line again but came up empty when safety Devon Phillips made an acrobatic interception of a Welps pass near the goal line.

One first down later, Phillips sprinted into the end zone from 66 yards away. Stiff-arming Hart's J.R. Lee in full stride at the Hart 20 yard line. Mark's conversion built the Lockney lead to 14-6.

Following an impressive series by the Lockney defense, spearheaded by linebacker Marks, Lockney took over possession of the ball. After a crowd-pleasing 23 yard run by J.R. Walker

the Veal to Hernandez connection struck for its second pass-catch touchdown of the night giving the Horns a 20-6 lead.

After Hart closed the gap to 20-13 on an 8-yard run by Lee, Lockney took control of the game thanks to an electrifying 69-yard run by Marks who then booted the extra point for a 27-13 lead.

The score remained 27-13 until late in the 4th quarter when Veal found Hernandez again on a touchdown aerial, this one from 20-yards out on 4th down. Marks' conversion raised the tally to 34-13.

Hart's last gasp attempt to get in the game ended when linebacker Danny Vasquez intercepted a pass with less than a minute remaining.

With the victory Lockney improved its record to six wins and one loss, with a 3-1 mark in District 3AA play.

Next action will be in New Deal this week against the New Deal Lions. "I can remember from my coaching days that New Deal always plays Lockney tough, so lets all be in the stands Friday to support and encourage our Longhorns. I know I will be there and I hope to see you too."

Coach's Comments

By Coach Malcom Moerbe

LOCKNEY—I thought Fridays performance was a very solid effort. Hart has a good football team and to be able to win as we did should be a big boost for our confidence. It was a "must" game for our kids and they responded well. We had several play-

ers come up with big plays at times when we really needed them.

The season has now rounded the last curve and has headed into the home stretch. We control our own destiny and you can't ask for much more than that. We need three more solid all-out performances. That must start this week.

New Deal has struggled this year but they have some good players. The things that they do well are the things that we have had trouble with this year. It will not be an easy game. They were struggling last year when they came over to our place and fought us for the full 48 minutes and I expect the same kind of effort from them this year. They are very capable of beating us if we don't give them our best shot.

DEFENSIVE POINT LEADERS

Game: Joe Marks, 59; Devon Phillips, 40; Carlos Perales, 40.
Season: Joe Marks, 258; Devon Phillips, 249; Carlos Perales 227.

Hey Longhorn Fans!

The team is doing great! Everyone is encouraged to go out and see the Longhorns in action on Friday night, as they battle the New Deal Lions in New Deal, beginning at 7:30.

Fans can also show their support for the team by attending the pep rally at 3:00 on Friday afternoon in the Jr. High gym.

On Thursday night, the 7th grade game will kick off at 5:00 at Mitchell-Zimmerman Field, followed by the 8th grade and J.V. teams.

Seventh grade dominates Hart

By Coach Rodney Dowell

LOCKNEY—The seventh grade game turned out to be a huge turning point for the Shorthorns as they ended a two-week drought. The Shorthorns held the young Hart team to 10 yards of total offense in a short game.

"The game was short because the Hart team had only twelve players so the coaches decided it would be best for all the kids if we only played two quarters.

"It was a good thing we only played two quarters because our kids were ready to play and I don't think the Hart kids realized how good we can be," said Coach Dowell.

The first score came via a Taurean McDonald 25-yard run but the Shorthorns could not capitalize on the two-point conversion. As the Shorthorn lead was 6-0 the defense recovered a fumble on the Hart 20 yard line which set up a Chase Graves scamper for six. The two-point conversion was good after Graves hit Kelsey Schumacher deep in the endzone for his first points of the year.

The Lockney lead now stood at 14-0 and once again the Longhorn defense held Hart to three and out.

Once back on the gridiron the Longhorn offense struck swift as McDonald ran in a 35-yard touchdown on the 3rd play from scrimmage. The two points were carried in by Julian Guerrero bringing the Lockney lead up to 22 points.

After holding the Hart offense on its final possession the powerful Longhorn offense went on the attack as Raul Rivera darted for a 32-yard touchdown. The lid was slammed shut as A.J. Thornton placed the final PAT on the board leaving the Lockney victory at 30-0.

"I was very proud of our kids and how hard they played, because they were not too excited about getting to play only two quarters.

"Plus we were back at full strength after getting back six of eight kids we had lost to grades. I am very proud of all these young men for correcting the problems in the classroom. To bounce back like that takes a lot of character."

Our offensive standouts were Chase Graves, Anthony Garza, Taurean McDonald, Raul Rivera and Kelsey Schumacher.

Defensively we played well and I

credit this to the entire team. A lot of kids contributed to the defense and I am proud of each of them.

The next game will be here this Thursday at Mitchell-Zimmerman Field, starting at 5:00 p.m. versus the New Deal Lions.

Littlefield downs Floydada 'Wind JV-Freshmen team

By Bill Gray

Littlefield's junior varsity turned back Floydada's combined JV and 9th grade squads 20-8 at Littlefield on October 19. A 5-yard Littlefield touchdown in the second quarter was the only score until the Wildcats broke for a 60-yard TD run in the third stanza.

Floydada's Keith Collins scored from 2 yards out and added the conversion to narrow the gap to 14-8 in the final period. However, Littlefield answered with a 40-yard TD for the final margin of victory.

According to Floydada's coaches, "We played a great defensive game, but couldn't do anything on offense. We gave up the big plays which were the difference in the outcome."

The squad will split for two games this week at Muleshoe. The 9th graders will play Bovina at Muleshoe at 5:30 P.M. on October 26. The Whirlwind JV will play Muleshoe's junior varsity following the 9th grade game.

7TH GRADE BOYS -- Pictured here are the members of the 1995 seventh grade football team in Lockney. They are: (back row, left to right) Rigo Ascencio, Michael Vega, Kelsey Schumacher, Marcus Munoz, Taurean McDonald, Jeremy Butler, Raul Rivera, Christophe Ascencio, Josh Hernandez, Aaron Dietrich; (middle row) Miguel Padilla, Tyler Phillips,

Tyler Bybee, Heath Stoerner, Brandon Hennagan, Paul Juarez, Jonathan Martinez, Ricky Cabello; (front row) Chase Graves, Gilbert Encizo, Chris Aug Kelsey Hooten, Julian Guerrero, Anthony Garza, A.S. Thornton, and Marty Jiminez. Not pictured is Jarrett Thornton.

TSTA holds local meeting

By Joyce Williams

The Floydada local organization of Texas State Teachers Association met Monday, October 23, 1995 in the Junior High science room at 4:15 p.m. All schools in the district were represented.

The Treasurer, Sally Lyles, reported the payroll deduction plan for paying dues was working satisfactorily. During new business, the teachers discussed the disagreement they felt along with the state-level of TSTA about views held by the National Education Association. It was pointed out how frequently the liberal National organization supports and tries to foist attitudes on the conservative local and state members to no avail.

The scholarship was discussed. Members voted to continue to offer the annual gift to high school graduates planning to become teachers, but specified the check must be picked up by the honoree within the school year of summer school, fall or spring term of the year it is awarded.

Secretary Jan Willson handed out blue lapel pins to be worn to signify Texas Public School Week in November to say "I believe in public education". Drop out rates are down by 50% in Texas over the past eight years. The proportion of Texans who finish high school or who have earned a college degree is higher today than at any time in history. Blue ribbon decorated book bags were given to building representatives.

President Joyce Williams announced the TSTA grievance workshop to be conducted November 3 and 4 at the Barcelona Court Hotel in Lubbock. All who wish to participate in this expense-paid training should call 792-8811 or 800-324-4028 at the regional office. TSTA region 30 will train a cadre of interested members in employee rights and grievance awareness and processing.

The raise recently given to teachers was discussed. The average appears to have been about twelve dollars per month or fifty cents per day.

A film outlining Teacher Retirement Service plans and benefits was discussed. This will be ordered and shown at a future TSTA meeting.

Plans for a December salad supper were made, date to be announced later. The next meeting will be held in the high school building and building representatives will send notices. The Region 30 newsletter was distributed. Meeting was adjourned.

FJHS Breezer Football Report

By Bill Gray

Both Floydada squads lost to Littlefield last week in junior high football action. The 7th Grade Breezers were blanked 24-0 and the 8th Breezers were also shut out 22-0. The 7th grade coaches praised the offensive performances of Sam Holmes and Hosh Caballero. Turning in outstanding defensive performances were Max Garza and Matthew Rainwater. Garza also recovered a Littlefield fumble.

The Floydada coaches stated, "Some things went well for us. We

made some mistakes in key situations and didn't respond as well as we needed to. Hopefully, next week we'll be back on track."

Littlefield scored in each of the first three periods in their 8th grade victory. According to Floydada's coaches, "Brandon Wickware played very well at fullback for us. We were a little flat and, hopefully, we can bounce back next week against Muleshoe."

Defensive players of the game were Mark Romero (end), Darryl Henderson and Scott Holster (line-

backers), and Josh Tipton (secondary). Named outstanding on offense were Lonny Nelson (line), Jeff Lyles (end), Brandon Wickware and Shane Lloyd (backfield), and Justin McGuire (punter).

Littlefield won the 5th Quarter action with combined 7th and 8th grade squads by a score of 6-0. The coaches said, "Shane Lloyd played very well at halfback and Scott Holster performed well at linebacker."

The Breezer teams will host Muleshoe at Wester Field on October 26. The 7th grade kickoff is scheduled for 5:30 P.M.

Whirlwind Band competes in contests

By John Odom
The Floydada Whirlwind Band, over the last few weeks, has participated in several marching festivals and contests. The Band has realized some success and some disappointments during these contests.

On October 7th, the Band traveled to Denver City for the fifth annual Tumbleweed Classic. There the Band received a second division rating and placed third in their class. Other bands participating in this contest were Muleshoe, Denver City, and Portales. Bands ranging from Class A through 5A were represented from Texas and New Mexico. This was the Floydada Band's first time to participate in the Festival and they received many valuable suggestions from the judges.

The next week, October 14th, the Band participated in the Plainview Marching Festival. Through hard work and determination, the Band

improved enough to receive a 1st division rating. The percussion section of the Band was recognized as the outstanding 3A Percussion Section and the full Band received the honor of "Best in Class" at the contest. This contest had area bands ranging from Class A through 4A participating.

On Wednesday, October 18, the Floydada Band performed their show at the Region 16 U.I.L. Marching Contest, held in Jones Stadium on the Texas Tech campus. The Band competed with all the 3A bands in the Lubbock region. Though the Band performed an outstanding show, the goal of a first division rating fell just short of their grasp. The Band received a second division rating which means an outstanding performance. Other bands which participated in the contest were: Slaton, Brownfield, Lubbock Cooper, Littlefield, Muleshoe, Shallowater, Denver City,

Roosevelt and Seminole.

The Band has worked very hard this year to provide for the fans the best band possible. The members of the Band wish to thank all of the wonderful people who have been supportive of the Band and they hope that they can continue to earn that support and respect. The Band would like to thank the Band Boosters for all their help and the many things that they do to make the Band better. We would also like to thank the Athletic Boosters for decorating the Band Hall. This is the kind of support that all organizations need to succeed, and with the support of the parents and townspeople, not only the Band but Athlet-

ics, Ag, U.I.L. Activities and Academics in Floydada will continue to grow and succeed.

The Floydada High School Twirlers were also in competition on Wednesday in U.I.L. Solo and Ensemble Contest. Ashleigh Williams, Sulema Tamayo and Micah Marble performed class one solos for the twirling judge. Sulema and Micah received a division two on their solos, while Ashleigh received a division one. This rating also earns Ashleigh the right to participate in the State Solo and Ensemble Contest which is held in Austin the end of May. Congratulations to all three young ladies.

TWIRLERS EARN HONORS -- FHS Whirlwind Twirlers (left to right) Sulema Tamayo, Micah Marble, and Ashleigh Williams were among those in competition at Jones Stadium in Lubbock. -- Staff Photo

Mosley honored at state fair

Johnnie Mosley and FHA/HERO advisor, Treena Aston recently attended the State Fair of Texas in Dallas. The state officers of Texas' Youth Organizations were recognized at several functions held in their honor.

Mosley is State Parliamentarian for FHA/HERO. Along with state offic-

ers from FFA, 4-H, and fellow officers from Future Homemakers of America, Mosley was given an honorary medal by the State Fair of Texas. This medal was received at a banquet honoring youth leaders.

Another reception was given by Texas Tech's Department of Human Sciences. This reception allowed the officers to meet some of the staff and students from Tech and get to know more about the fields associated with each organization.

A dynamic speaker, Micheal Lee of California, spoke to members and officers from all three organizations about goals, dreams, and never giving up. This proved to be a very productive and exciting weekend for all who attended.

FHS BAND WINS AWARDS -- Posing with trophies from recent competition are FHS band members (back row, left to right) Melissa Garcia, Elisavet Mendoza, Veronica Cabrera, Anna Whitfill; (front) Tammy Cisneros, Michael Mercado, and Adrianna Gomez. -- Staff photo

Myths that surround adoption

By Dr. Renee Garfinkel, president

**Adoption Studies Institute
Washington, D. C.**

There is always much to debate in this country when it comes to talking about our children: how to educate them, how to love them. Yet to judge by the many expensive studies that are conducted about child-related issues, we are all talk and no action when it comes to making meaningful strides that benefit America's kids.

Simplistic solutions aside, there are some powerful myths embedded in our culture that keep us as a nation from recognizing that we already have a proven, cost-effective solution to helping children in need: it's called adoption. It is a forgotten solution to the problems of teenage parenting at too young an age and of finding homes for many of the 600,000 children in foster care.

The biggest impediment to adoption is the biggest myth of all: that biological parents make the best parents. If we consider the lack of foundation for this and other related myths, we can truly begin to help those who are too young to help themselves.

Like an endangered species, parents are disappearing at a dizzying rate. The Carnegie Commission tells us that in four years, the number of children in foster care has increased by 50 per cent. And the fastest growing category of children entering foster care are babies under the age of 1.

The pile of reports of child abuse and neglect testify to the urgency of doing what is best for the child. Sometimes adoption is best. Birth parents who choose this option are acting with courage and selflessness. They deserve our respect. We should let them know that we applaud their courage and we will facilitate, rather than impede, every effort to give every child a secure and capable family. Every child deserves a family, and if their parents cannot rear them, perhaps other adults can.

If we are to help these children, we have to eradicate the myths that make us afraid to advocate adoption to pregnant teens, to stringently limit the number of second chances parents have with children placed in foster care.

Some of the most powerful of these myths are:

Myth No. 1. The most important thing is to keep the family together. Maintaining biological ties is paramount.

Research has demonstrated that what is important is for a child to have a permanent, personal family of his own. Period. A Swedish research team followed three groups of at-risk children through age 18. One group lived in stable foster care (i.e., spent many years with the same foster family). Another group was adopted. The third was a group of children whose mothers had considered adoption but instead chose to rear them themselves. The adopted kids turned out best on every measure of psychological, social and educational well-being.

Growing with a biological parent had no positive effect. On the contrary, the disadvantages of living with a parent who wasn't truly prepared for parenting or with a family that, though stable, was never truly one's own could be seen even in late adolescence.

Myth No. 2. People who were adopted inevitably have psychologi-

cal problems.

A recent study of children adopted into families in the Midwest compared them with a national sample of adolescents. Funded by the National Institute of Mental Health, this study found the adopted teenagers to be at least on the national average on every dimension, and were above average on most. These kids were optimistic, happy to have been born, and generally got along well with their parents. In school accomplishments and plans for the future, they were in at least as good shape as the average American their age.

Myth No. 3. An adopted person doesn't feel "whole" until she is in touch with her biological parent.

The prospective, long-term studies mentioned in the first and second samples demonstrate that people who have been adopted are indeed OK. Nevertheless, many adult adoptees are interested in finding and knowing about their birth parents. That interest is no more a sign of pathology than is the interest of thousands of non-adoptees in their genealogy. An interest in personal history does not denote personal deficiency. Conversely, the person who is not at all interested in her or his family tree or even in stories about her or his grandmother is not "in denial." Neither is the adoptee who has no interest in the "search."

Earlier studies found adopted children to be overrepresented in mental health clinics, primarily due to two reasons: (1) Their parents, highly motivated and focused on their wellbeing, brought the children for help at signs of distress that less attentive parents would ignore; (2) Babies and children become available for adoption often because of adverse biological or social conditions early in life. Thus, for example, ADD (attention deficit disorder), a disorder that runs in biological families, seems to be disproportionately common in adopted children.

It is not hard to understand how a disorder characterized by poor impulse control in biological parents would make its way into the pool of adoptable children. This category of problem is not caused by adoption, nor can it be cured by contact with the biological parent.

We need to act on what we know: Children need stable, permanent families of their own, and adoption is one of the ways those families are created.

Public Notice

Pursuant to the Public Utility Regulatory Act of 1995 §§3.2532, 3.453, Southwestern Bell Telephone Co., (SWBT) has filed two applications for a new Local Access Service Tariff to allow:

- 1) Holders of a Service Provider Certificate of Operating Authority (SPCOA) to resell SWBT's local exchange service to the SPCOA's end user customer, and,
- 2) Local Service Providers (LSPs) to resell SWBT's new usage sensitive local connection (USLC) in the provisioning of their local exchange service to their end users. These services will enable LSPs to offer local exchange service to their end user customers.

Persons who wish to comment on or intervene in this proceeding concerning these tariffs should notify the Commission by November 28, 1995 in writing and refer to SOAH Docket Nos. 473-95-1209/473-95-1210 and Docket Nos. 14658/14659. The comment or intervention request should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., 400N, Austin, Texas 78757. If you have questions regarding the above docket numbers you may call the Public Utility Commission Public Information Office at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

Aviso Público

Según el Decreto, §§3.2532, 3.453, del Reglamento de Servicios Públicos de 1995, la compañía Southwestern Bell Telephone, (SWBT) ha llenado dos solicitudes pidiendo una nueva Tarifa para Acceso de Servicio Local, la cual permitirá:

- 1) A los poseedores de un Certificado de Servicio Proveedor de Autoridad Operacional, (CSPA) revender el servicio de la central local de SWBT al consumidor de los CSPAO, y,
- 2) A los Proveedores de Servicio Local (PSL), revender la nueva Conexión de Consumo Local Sensitivo (CCLS) en el abastecimiento del servicio de la central local a sus consumidores. Estos servicios permitirán a los PSL ofrecer servicio de la central local a sus consumidores.

Personas que deseen hacer algún comentario o intervenir en el procedimiento relacionado a estas tarifas, deben notificar por escrito a la Comisión para el 28 de noviembre de 1995 y referirse a SOAH números de rólulo: 473-95-1209/473-95-1210 y a los números de rólulo: 14658/14659. El comentario o la intervención solicitada debe ser enviada a: Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, 400N, Austin, Texas 78757. Si tiene alguna pregunta acerca de los números de rólulo antes mencionados, puede llamar a la oficina de información de la Comisión de Servicios Públicos al (512) 458-0223, (512) 458-0227 ó al (512) 458-0221 con teletipo para personas con impedimentos auditivos.

ORAL HISTORIES TOPIC OF CLASS—Janet M. Neugebauer, Certified Archivist, talks to Mary Lou Bollman during a South Plains College History Class. She brought a program on the correct way to take oral histories. The class meets in Floydada on Monday nights.

Courtesy Photo

Neugebauer speaks to SPC history class on oral histories

By Paula Pyle
Janet M. Neugebauer, Certified Archivist, author, and past president of the Texas Oral History Association (1994-95), instructed Ed Mason's South Plains College's history class on gathering and preserving interviews for the archives of the Southwest Collection.

Special guest Mary Lou Bollman was also present to hear tips on choosing persons to interview and types of equipment needed to conduct an oral history.

The class listened with great inter-

est as Janet Neugebauer took them step by step through the whole interview process. This was all in preparation for the class members next project...obtaining oral histories from Floyd County (or adjacent county) residents.

The oral histories obtained by the South Plains Junior College students will be deposited in the archives of the Southwest collection and also in the Floyd County Museum. The class meets each Monday night from 6:00 - 9:00 p.m. at the Floydada High School.

August figures drop weighted average price

By Shawn Wade
The weighted average price received by growers dropped following the addition of August marketing figures. Officials at Lubbock-based Plains Cotton Growers (PCG) note that the decline in the weighted average price received by growers doesn't alter the outlook for the 1995 deficiency payment.
In order for a deficiency payment to be realized the weighted average price would still have to drop below the 72.9 cent Upland cotton target price. Unfortunately the lack of a 1995 deficiency payment also means that producers will have to pay back their 1995 advance deficiency payments.
The 1995 advance payment totaled 1.85 cents and essentially equaled what many producers owed following the 1994 crop. In 1994 the final deficiency payment settled below the amount of the advance payment.
Marketing figures for the month of August indicate a total of 4.793 million bales of cotton have been marketed during the first eight months of

1995. USDA's preliminary estimate of August marketings totaled 444,000 bales.
The average price received by farmers during the month was 75.2 cents per pound. Through the first eight months of the year the weighted average price received by farmers totals 81.28 cents, 8.38 cents above the 72.9 cent upland cotton target price.
USDA's estimate of the 1995 crop continued to decline with the publi-

cation of the October crop report. High Plains prospects were dropped to 2.75 million bales. The U.S. crop was estimated at 18.8 million bales, 3 percent below 1994 production.
Marketing and price figures quoted above were taken from the National Agricultural Statistics Service and are subject to revision.
Monthly marketings and prices received through the month of August are included in the table below.

Preliminary Marketings and Prices Received Through August 1995 *

	Marketings (1000)bales		Prices (cents/lb.)		Weighted Avg. Price	
	1994	1995	1994	1995	1994	1995
January	1925	1990	62.7	79.7	62.70	79.70
February	913	1058	65.7	81.6	63.67	80.36
March	722	435	66.6	86.5	64.26	81.13
April	542	231	67.5	84.5	64.69	81.34
May	491	207	69.0	82.6	65.15	81.40
June	263	248	63.3	86.3	65.05	81.69
July	193	180	58.7	86.6	64.81	81.90
August	912	444	66.8	75.2	65.11	81.28

Texas and French officials discuss partnership

Texas and French officials today discussed partnering in Texas A&M University's Vegetable Improvement Center, where produce is bred to fight diseases.
The discussion occurred at a joint seminar between Texas A&M and France's National Institute of Agriculture Research in Avignon. The seminar was initiated by Texas Agriculture Commissioner Rick Perry, who gave the opening remarks.
"Agribusiness is the industry that provides the basics of life," Perry said at the seminar. "The work that you do here and the work done by Texas A&M University help make the quality of life better for people around the world."
"We believe partnerships and collaborative research between scientists working on similar projects can help everyone," Perry said. "It brings the technology to the marketplace faster, making it more profitable for everyone."
The Vegetable Improvement Center, headquartered in College Station, Texas, was created to focus on health and nutrition work in vegetables in partnership with other universities and private industry, according to Dr.

Leonard Pike, VIC director and horticulture professor at Texas A&M.
"That is something that no one else has done to date," Pike said. "We are working with several medical doctors, the heart and cancer researchers, and we have 37 private companies now working with us at some level in research, to improve vegetables for uniform high levels of naturally occurring compounds that help prevent cancer, heart disease and diabetes."
The center supports and strengthens the state's \$1.2 billion vegetable industry through research. Its goal is to develop new technologies for producing quality vegetable products in an efficient, economic and environmentally sound system, with a focus on achieving health and nutrition benefits.

Pike said France's vegetable industry is similar to that of Texas. At least four major U.S. vegetable seed companies have French connections, he said.
"This visit will help me see what their real needs are (for European consumers)," Pike said before the trip. "In cooperation with people in other countries, these crops will be improved worldwide and that improvement is for consumers worldwide."
In addition to Pike, other seminar speakers from Texas A&M University's department of horticultural sciences were: Dr. Dan Lineberger, professor; Dr. Jim Giovannoni, assistant professor; Dr. Luke Howard, assistant professor; and Dr. David Wolff, assistant professor.

Farm Bureau supports Proposition 3

By Mark McCormick
Voters will grant Texas agriculture and the entire state a big favor with the passage of Proposition 3 in the November 7 election, according to Mark McCormick, Floyd County Farm Bureau President.
"A vote for Proposition 3 is a vote for in-state processing of agricultural commodities, which is not only good for agriculture producers, but for the state's economy as well," McCormick said.
Proposition 3 proposes making use of an existing \$200 million in bonding authority to strengthen a unique business development program—the Texas Agricultural Finance Authority Program (TAFAP). Under TAFAP, the \$200 million would be used to guarantee loans for agricultural businesses, especially those which use innovative or value-added techniques to produce, market or export agricultural products. Because the bonding authority already exists, a vote for Proposition 3 will not increase taxes or debt for the state, the Floyd County leader said.
According to McCormick, 90 percent of Texas' raw agricultural products are sent out-of-state for processing. Keeping that processing in-state spells job growth, he said. For example, McCormick said more than 1,400 jobs have been created or retained by 47 companies helped with \$25 million in loans from TAFAP. Combined with the spin-off job impact, he predicted a total of 4,700 jobs have been produced.
"Overall, about three jobs are created for every one agriculture processing job TAFAP helps create," Mark McCormick said. "So transferring \$200 million to the TAFAP program would mean many thousands of jobs

created for the Texas economy. Saying 'yes' to Proposition 3 means saying 'yes' to job growth, business growth and economic growth."

Floyd County SCS accepting orders

Windbreak trees now available

By Dora Ross
The Floyd County Soil and Water Conservation District is accepting orders for windbreak tree seedlings and will continue to sell tree seedlings upon their availability until March 1996. All orders are filled on a first-come first-serve basis.

Windbreaks are relatively cheap to install and maintain. They provide for multiple-use benefits such as beautifying the countryside and/or farmstead, reduction of energy costs for heating and cooling buildings, reduction of soil blowing, and establishes livestock shelters.
The establishment of windbreaks around fields and farmsteads provide substantial benefits to wildlife. They have been proven to be very important nesting areas for 15 to 25 different species of song birds and critical wintering areas for many species of resident and wintering wildlife, particularly pheasants.

We encourage all CRP landowners who are incorporating wildlife habitats into CRP acreage to purchase a wildlife packet(s). A limited number of wildlife packets are available. They include quail and pheasant, turkey, deer, and squirrel. Each packet con-

tains 4 species and 25 seedlings of each species (100 total seedlings). The cost of wildlife packets are \$50.00 each.

Conifers available this year include the Afghanistan Pine, Arizona Cypress, Austrian Pine, Ponderosa Pine, Rocky Mountain Juniper, Redcedar, Spruce, Pinyon Pine and White Pine. Conifers will be sold for \$36.00 for 20 seedlings plus tax. Orders of less than 20 seedlings will be accepted for \$2.00 each. Conifers (3 1/2 to 4 ft.) in 2 gallon containers are available for \$23.00 each.

Hardwoods available this year include Green Ash, Hackberry, Catalpa, Desert Willow, Honeylocust, Mulberry, Nanking Cherry, Osage Orange, Shumard (red) Oak, Russian Olive, and Aromatic Sumac. Hardwoods will be sold for \$25.00 for 50 seedlings plus tax. Orders of less than 50 seedlings will be accepted; however, we cannot guarantee delivery.

For information and order placement, contact your local Soil Conservation Service, Floydada Field Office, USDA Building, Highway 70 East, phone number 983-2352.

Obituaries

EDITH DILLARD

Services for Edith Dillard, 73, of Lockney, were at 2 p.m. Wednesday, October 25, in First United Methodist Church, with the Rev. Tommy Beck, pastor of First United Methodist Church, officiating.

Burial was in Lockney Cemetery under direction of Lemons Funeral Home of Plainview.

She died Monday, Oct. 23, 1995, in Prairie House Living Center.

She was born April 5, 1922, in Knox County. She married Ray Dillard on Jan. 14, 1962, in Memphis. She graduated from Truscott High School, and she attended nursing school in Lubbock. She was a Baptist.

She was a lab technician at the Bryan Building Medical Lap in Plainview until retiring in 1988. Survivors include her husband; two sisters, Bobbie Kinnibrugh, of Floydada, and Sybil Simmons, of Truscott.

FREIDA HALL

Services for Freida Hall, 57, of Sweetwater were at 10 a.m. Wednesday, October 25, in New Salem Primitive Baptist Church with the Elder George Johnson, pastor of Lubbock Primitive Baptist Church officiating. Burial was in Floyd County Memorial Park under direction of Moore-Rose-White Funeral Home.

She died Monday, Oct. 23, 1995, in Abilene Hendrick Hospital.

She was born Dec. 7, 1937, in Lockney. She married Gerald Hall on Dec. 19, 1958, in Amarillo. She was a member of First Baptist Church. She moved to Sweetwater from Canyon in 1992.

She was a homemaker. Survivors include her husband; two sons and daughter-in-laws, Kelly and Ginna Hall of Houston, and Brent and Lisa Hall of Muleshoe; one daughter and son-in-law, Leslie and David Noyes of Great Bend, Kansas; her mother, Grace Jarrett of Floydada; one sister, Nedra Pruet, of Canyon, one brother, Jack Jarrett, of Rosenberg; seven grandchildren, Jason and Ashley Noyes, of Great Bend, Kansas; Christopher, Quinton and

Zachary Hall, of Muleshoe; and Hanna and Claire Hall, of Houston.

She was preceded in death by her father, Carl Jarrett, who died September 11, 1990.

The family suggests memorials be made to the American Cancer Society.

R.C. MITCHELL

Funeral services for Robert Carroll Mitchell, 80, former Lockney resident, were held at 2 p.m. Thursday, October 19, in First Baptist Church with Dr. Jerold McBride, pastor, and the Rev. Glenn Roenfeldt, chaplain of Baptist Memorial Geriatric Center, officiating.

Burial was at 2 p.m. Friday in Plainview Memorial Park with the Dr. Roy C. McClung of Lubbock, president emeritus of Wayland Baptist University, officiating. Arrangements were by Johnson's Funeral Home.

Mr. Mitchell died Tuesday, Oct. 17, 1995, at his home.

He was born May 22, 1915, in Rannels County. He received his vocational agriculture degree and his master's degree from Texas Tech University. He taught Vocational Agriculture for nine years in Crosbyton and Alpine before moving back to the family farm near Lockney in 1946. He was a seed farmer and he owned a seed supply company in Lockney.

He was a major supporter of Wayland since 1963 and contributed 28 paintings to Wayland's art collection. He served on the board of trustees from 1974 to 1983 and received the distinguished Benefactor Alumni Award in 1991.

He moved to San Angelo in 1988. He was a member of First Baptist Church.

He married Ruth Haney in 1940. She died in 1981. He married Ruth Feagan Brown in 1982.

Survivors include his wife; two stepdaughters, Mrs. Leslie (Jeannie) Wilkes of Austin and Charlotte Calahan of San Diego, Calif.; five grandchildren; and one great-grandchild.

The family suggests memorials to Baptist Memorial Hospital or to Hospice of San Angelo.

LLOYD MURRY

Graveside services for the cremains of Lloyd Murry were Wednesday, Oct. 25, 1995 at 1:00 p.m. Burial was in the Floydada cemetery with arrangements by Moore-Rose-White Funeral Home.

Lloyd Murry died Sept. 19, 1995 in Las Vegas, Nevada. He had been in a Care home the last twenty months.

He was born in Floydada, Oct. 15, 1914. He attended school in Floydada, graduating from Floydada High School. He was very active in all sports, and was well known for his football career in high school.

He married Mary Katherine Smith Oct. 15, 1935. She passed away in February, 1970.

He owned and operated a service station and oil retail business in Floydada until 1940. He moved to California and worked as a welder and contractor in the Shipyards until 1963, returning to Floydada. In 1972, health problems forced him to retire.

He married Imelda Ramsey on Aug. 24, 1973. They lived in the Harmony community. He moved with his daughter to Las Vegas, Nevada to live Jan. 27, 1994.

He is survived by a daughter, Rebecca Jo Lescavage of Las Vegas, Nevada; one son, Robert (Bob) Murry of Jefferson, Oregon; his mother-in-law, Rebecca Smith, of Floydada; a twin brother, Floyd Murry; a sister-in-law, Marie Murry of Canadian, Texas; seven grandchildren, 12 great-grandchildren, and a number of nieces and nephews.

When you see someone not smiling....give him one of yours!

Carthel Family holds 51st reunion

The annual Carthel reunion was held Saturday, October 7, in Lockney's community center. The crowd was smaller this year due to corn and pumpkin harvest. Sixty-six relatives and friends of the J.M. and Catherine Carthel family enjoyed a delicious meal.

President Lindon Morris conducted the business meeting during which officers for the next reunion were elected. Those elected were: Lindon Morris, President; Ron Carthel, Vice-President; Alice Carthel, Secretary-Treasurer.

The oldest family member present was John T. Carthel, 94 years old; Sunny Williams, daughter of Matt and Jean Anne was the youngest; traveling the greatest distance was David and Patty Cutain of Blue Ridge, Texas; married the longest (62 years) was Hershel and Octavia Carthel.

Heads of each family introduced themselves and their family members. Families of seven of the eleven J.M. and Catherine Carthel children were represented.

At the conclusion of the business meeting, the family enjoyed their third auction of handmade items. The auction was conducted by Lindon Morris with the help of Chase Thompson and Reed Carthel.

Matt Carthel, son of Chess and Susan Carthel broke his arm while playing on the see saw; however, he came away from the emergency room sporting a bright colored cast.

Templo Bautista Salem to hold revival in Lockney

LOCKNEY—A revival is scheduled at the Templo Bautista Salem Church on the Lone Star Highway in Lockney. Dates for the missionary experience in the mission field are October 27, 28 and 29. Evangelist for the services will be Guadalupe Amaya from Chi Chi, Mexico.

Services on the 27th and 28th are set for 8:00 p.m. On the 29th Sunday School will begin at 9:45 a.m.; Worship Service, 11:00 a.m. and Evening Service, 5:00 p.m.

Pastor Pedro Reyes and the congregation of Templo Salem cordially invites everyone to join them in the worship services and receive the word of God. Messages of Faith, Hope, Joy, Peace and Love will be given.

PUBLIC NOTICE

NOTICE OF SALE OF ESTATE LAND

The Executors of the Estate of John B. Mercer intend to sell for cash the following real property of the Estate:

The North 1/2 of the Northeast 1/4 and the southeast 1/4 of the Northeast 1/4 of Section No. 28, in Block B-4, Floyd and Briscoe Counties, Texas, containing 120 acres, more or less.

Improvements on the property consist of one irrigation well with turbine pump (Electric motor and control panel are not included). ASCS allotments include: cotton - 45.4 acres, wheat - 5.25 acres, and corn - 9.4 acres. The sale will include the surface estate and the minerals, if any, owned by the Estate. Possession delivered upon completion of harvest of 1995 cotton crop. Only written offers accepted. Submit written offers to Lanny Voss, attorney for the Estate, c/o Owen, Lyle, Voss and Owen, P.C., P.O. Box 328, Plainview, Texas 79073-0328. Deadline for receipt of written offers is November 15, 1995. All offers will be opened after 5:00 p.m. on November 15, 1995. The Estate reserves the right to reject all offers. If an offer is accepted, a written contract with 5% earnest money deposit required will be signed by the Executors of the Estate and the successful offeror. For further information concerning the property, call Joe Nance, Independent Executor, at (806) 293-1012 or (806) 293-3793 (after 5:30 p.m.).

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: ROSEANNE MENDOZA

You have been sued. You may employ an attorney. If you or your attorney do not file a written answer with the clerk who issued this citation by 10:00 a.m. on the Monday next following the expiration of twenty days after you were served this citation and petition, a default judgment may be taken against you.

The petition in this cause was filed on the 6th day of February, 1995, in the 110th Judicial District court of Floyd County, Texas. The suit is an action to establish paternity of and to enter appropriate orders for the conservatorship and support

NAME	SEX	DOB	SSN	DL#	PLACE OF BIRTH
Victor DelToro IV	M	04/17/77	466-45-7464		Tampa, FL
Rosemary DelToro	F	03/24/80	456-49-9677		Lubbock, Tx.

The court has authority in this suit to enter any judgment or decree in the children's interest, which will be binding on you, including the termination of the parent-child relationship, the determination of paternity and the appointment of a conservator with authority to consent to the children's adoption. No property is involved in the suit. The suit is entitled: IN THE INTEREST OF VICTOR DELTORO IV, ROSEMARY DELTORO, File number: Cause No. 6620 Parties to the action: The State of Texas; GUADALUPE MARMOLEJO; ROSEANNE MENDOZA; VICTOR DELTORO III; ISSUED UNDER MY HAND AND SEAL OF COURT, THIS 23rd DAY OF OCTOBER, 1995.

Katherine H. Goebel Assistant Attorney General State Bar No. 08058700 P.O. Box 2747 Lubbock, Texas 79408 Telephone No. (806) 763-3981 FAX No. (806) 763-7579	Ms. Barbara Edwards, District Clerk Floyd County, Texas P.O. Box 167 Floydada, Texas, 79235

FOOTBALL CONTEST

Contest Rules

Any subscriber or purchaser age 7 or older is eligible to enter this contest. Only one entry per week per person.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. Also write a guess of the combined total points to be scored by the two teams listed in each of the tie-breaker footballs. Circle the team you believe will win. Circle both teams if you think the game will end in a tie.

Only entries on official entry forms brought to a Hesperian-Beacon office in Floydada or Lockney no later than 5:00 p.m. on Friday. No photocopies will be accepted and no mail entries will be considered.

Three cash prizes are awarded each week. In the event of ties (the same number of correct games & equal scores on tie-breakers) prizes will be combined & shared by those tied. The tie-breaker scores will be used only in the event of a tie on the number of games correct.

Floyd County Hesperian-Beacon 1995 Football Contest

WEEKLY PRIZES ARE:

- 1ST - \$25
- 2ND - \$15
- 3RD - \$10

Print your name & address plainly on the official entry form & double check your choices before clipping out the entry form and depositing it at a Hesperian-Beacon office before 5:00 p.m. on Friday.
