Joyce Williams chosen as Scout's "Woman of Distinction"

JOYCE WILLIAMS

FLOYDADA - Joyce Evelyn Williams, of Floydada, is one of ten area women to be selected as a 1996 Woman of Distinction.

All ten women will be honored at a dinner at 6:30 p.m. on November 23, at the McInturf Conference Center at University Medical Center in Lubbock.

She has been selected for this award for her years of involvement in Girl

Scouts, school, church and civic activities.

Each recipient will receive a special award designed exclusively for Women of Distinction by famed artist and sculptor Kenneth Wyatt of Tulia.

Mrs. Pete (Nelda) Laney will be the keynote speaker for the evening. Gwen Stafford will be the mistress of ceremony.

Women of Distinction is sponsored by University Medical Center and Caprock Girl Scout Council. The Women of Distinction Award identifies and recognizes women throughout the eighteen counties served by Caprock Council and University Medical Center who were former Girl Scouts either as adults or girls, who exemplify the Girl Scout Promise and Law, and who are outstanding role models for girls. Nominations were sent to area civic, church and community organizations throughout the South Plains.

Evelyn Joyce Williams is the mother of three children, a long time girl scout leader, a foster parent, and

a school teacher. She is also active in several community organizations.

Joyce's Girl Scout involvement began when she was a Girl Scout herself in Dumas, from 1938 to 1940. She was a Girl Scout Leader when her own daughter joined the Scouts and continued as a leader in the Crosbyton and Floydada troops for over 13 years.

She planned day camps at the Bridwell Ranch and the Silver Falls Park. Joyce's troops conducted minstrel shows for PTA programs. She also initiated a Candy Striper Program with the Caprock Hospital of Floydada and individual girl contributes over 100 hours of community involvement through this program.

Joyce and her husband, Q. D., opened up their ranch for a two week Senior Girl Scout Ranch Merit Program. A dozen Girl Scouts were immersed in the day to day duties of a working ranch.

Joyce has also served on the Regional Board for the Lubbock Girl Scout Headquarters.

Concerned neighbors help with harvest of Keith Jackson's fields

The death of Keith Jackson, September 16, left many voids in his home. A farming family not only struggles to cope with the loss of a loved one but they also struggle with fields left behind waiting to be harvested.

Jackson's friends wanted to make sure that was one less thing his family was going to have to worry about. With that in mind, more than 70 men gathered Wednesday morning, November 6, to harvest the Jackson fields.

Keith would have done the same thing for his neighbor, and that is exactly why no one thought twice about going to the aid of the Jackson family.

Keith's friends thought of everything. They even remembered his love for Bible scripture and his unique signature, every harvest season, on his bales of cotton.

While most farmers spray initials to mark their modules, Keith would write John 3:16 or another favorite scripture. In remembrance of Keith and out of love for his family, modules were sprayed with "Love Thy Neighbor".

Keith would have been happy. His family was overwhelmed.

"There are no words to convey how we feel about what our friends did," said Keith's wife, Gayle Jackson. "There is no way to re-pay them for what they did. Not only did these men take time off from their own harvest to donate their time, but they also paid their harvest crew to work in our field instead of their own."

At least 20 strippers could be seen in the field that day. They were backed up by at least that many boll buggies filling and re-filling 10 module builders. Two combines, provided by Joe and Donald Macha, and Martin Stoerner and Louie Bybee, were also working on harvesting Jackson milo.

One observer wondered how all those men kept from running over each other with cotton strippers and boll buggies. That responsibility fell to the overall coordinator Tom Johnson and his "traffic director", G.L. Hight.

"Tom had maps made up," said Gayle. "Everybody had a section to work and they followed their maps."

When it was all said and done (in approximately 5 hours), 500 acres of

Jackson's cotton, in the Providence Community, was stripped, including some land belonging to Keith's son, Boyd. Seventy two modules were built and 3 truck-loads of milo were cut.

"They did half of what we had," said Gayle. "They knew we would have never managed to get it all done. They have taken the stress out of this harvest."

"The real story," said Ray Macha, "was the incredible efficiency and smoothness of the operation, and we've got Tom Johnson to thank for that."

"This whole operation, from start to finish, was an outward demonstration of the real love and appreciation everyone has for the Jackson family."

"I appreciate everyone's willingness to come out and help their neighbor," said Johnson. "It is great to be a part of a community that is willing to pitch in and help."

The hard working men gave themselves an afternoon break and were treated to a luncheon in the Trinity Lutheran Church fellowship hall. Seventy-eight farmers were served a

Mistake in voter totals changes count

An error in the counting of straight party votes has led to a change in the final count in the Commissioner Pct. #1 race.

After questions were raised concerning the total number of votes cast, the numbers were tallied again and new numbers emerged. In the new count Commissioner Ray Nell Bearden has a total of 576 votes in-

stead of the 724 votes previously reported.

The total for write-in challenger Bob Alldredge remained unchanged at 233 votes. The total votes for another write-in commissioner candidate, L.D. Smith, also stayed the same at 97.

According to County Judge Bill Hardin, "The mistake was made in the computation of straight party demo-

cratic votes on election day and in early voting. The changes only affected the commissioner race and only on Bearden's count."

Hardin explained that it appeared the mistake was caused by adding the straight democrat party votes in all boxes to Bearden's total, instead of only adding the straight party votes to the two boxes in Precinct #1.

BIG MONEY WINNER--Ray Nichols, of Floydada (center), was the grand prize winner of \$10,000 which he won in an Affiliated Foods Anniversary promotion. Nichols name was drawn from over 300 partici-

pating stores. He plans to pay off his house with his winnings. Presenting him with the check for \$10,000 was local Pay-N-Save manager Johnny Summers (left), and Lowe's Vice President Max Smithey (right).

DISTRICT CHAMPIONS--The Lockney Longhorns are now the proud owners of a District Champion Trophy presented to them by the Longhorn coaches, after finishing a season with a 10-0 record. They now advance to play-offs in the Bi-District game against Post on Friday. Team members seen here are: (front, l-r) Charles Van Zandt, Danny Vasquez, Devon Phillips, Chad Stapp and Thad Lusk; (2nd row, l-r)

Ryon Smith, Bradley Veal, Tyson McDonald, Josh Lambert, Richard Guerrero, Jeff Archer, DeWayne Jones, JR Walker, Brandon Covington; (back row, l-r) David Hernandez, Max Ramirez, Adam Cummings, Willie Luna, Miguel Guerrero, Anthony Poole, Bryan Bybee, Casey Lambert, Tim Mitchell and Carson Johnson. BY THE WAY

By Alice Gilroy

This is the second week in a row that I have not done a "Business of the Week". I'm sorry.

I haven't run out of businesses—I just seem to be running out of time. My brain is on overload and I forgot once again to set up an interview for a business.

I think I've had to make too many decisions in the past several months. It's not the decisions at work that are overloading my brain—it's remodeling our house.

Anyone that knows me well, knows not to put too many decisions in front of me at one time. A roomful of carpet and linoleum in different colors and styles will make me comatose.

I can't remember how many weeks we spent on carpet colors before finally deciding on the very first carpet we saw.

I thought paint colors would kill me but I finally asked the salesman—"What color are the walls in here?" He told me and that is what I bought. I refused to look at all the samples.

Then I had to pick out a toilet!! I couldn't believe they were so many different styles and prices FOR A TOILET!! Even the salesman couldn't explain why one toilet was more expensive. He had to admit—they all flushed and they all withstood your weight!

My husband finally went without me and bought a toilet. But—the toilet seat is not included. Toilet seats come in plastic and wood. Soft and hard. Thin and thick. White, colored and flowered. They keep them up on the wall so you can't sit on them to test them out—which made it even more confusing.

My husband was afraid to send me to look for tile to put around the fireplace but he couldn't get away and it had to be done. He said, "Don't worry—

you'll find something. This place has lots and lots of tile all over the wall and on the floor!"

Uh-Oh. I took my decorator friend, Judy, to keep me focused. She must have prayed for strength on her part because I had the tile picked out in about 15 minutes. It was a miracle. I was so proud. As I started to walk out of the door the salesman said, "Now you have to pick out the color of grout!"

I won't even tell you how many choices they had.

In one of my many "go-fer" trips, for my husband and the carpenter, I was told to pick up light switch covers and outlet covers. No problem—how hard can that be?

A long, long aisle of covers greeted me. I knew it had been too easy to be true. They come in standard size, mid-size and maxi-size. I got one of each.

I'm making lots and lots of "take-that-back" runs.

The only good thing that can be said about my inability to make remodeling decisions is that sometimes I make my carpenter, David Rowell, very happy.

He will ask me how I want something done. Usually he is met by a blank look. He is getting used to them.

Most of the time I say—"I don't know. Why don't you do it the way you would like it."

That makes him happy. Thank goodness he takes great pride in his work, because what has made him happy has made us very happy!

Of course sometimes I make decisions that he is not happy with. If I ever get to the point where I have really disagreed with my husband and David's decision then I just put my foot down. David then says, "That's O.K. with me—I can't see it from Plainview."

So I change my mind.

A view from

The Lamplighter

By Ken Towery

The saving grace of politics, if there is one, is that the fat lady never sings. The process is never over. There's always another day, a day to repair the damage.

In our own view there will come a day when much damage to our Republic will have to be repaired. In a strange, contorted sort of way, the recent election may make that task not only possible, but probable. In short, it may have been a blessing in disguise.

At the moment, there is room for a degree of joy, and sorrow, all across the political spectrum. Those of us on the right can rejoice in that we kept the House of Representatives, and the Senate, that we did reasonably well across the nation and particularly well here in Texas. The Left can rejoice in that it is still alive, even if barely, and that it has found a political leader so perfectly adapted to the times we live in.

Bill Clinton will be our President for the next four years, or as long as he can escape the manifold scandals that surround his administration. We will have to gird our loins and put up with him (and Hillary). Adding insult to injury, we will also have to tolerate the blank blathering of Al Gore, as he prepares for his own run for the presidency, while explaining away the Asian connection. Surely it should not be too difficult for Mr. Gore, considering the tutelage he has had in his present position, to explain to us how it is not all that unusual for Buddhist monks and nuns, sworn to poverty, to have thousands of dollars hidden away for use in dire emergencies, or how Indonesian businessmen and Hong Kong bankers might consider it their patriotic duty (when asked) to become financially involved in American elections, despite our laws to the contrary.

So, once could reasonably ask, how can this possibly be a blessing in disguise? Perhaps it won't be, but we will try to explain how it could be.

For as long as most of us can remember America's children have been taught to keep their nose clean, to answer the call to duty, to be truthful, to be honest, to work hard, and perhaps some day, by virtue of following those rules, be rewarded with an office of public trust. It was the cultural glue that held us together. Certainly the public would never reward anyone who did not measure up to those simple principles. Or, so we were taught.

But then strange things happen. The public was hit with revelations indicating that people who had not followed those rules, who had not been truthful, who had not answered the call to duty in their country's hour of need, who had not followed those simple verities that normally lead to public trust, had done very well indeed. Some had even risen to great heights. Not because they publicly repudiated those rules, but because they were successful in obscuring their role in avoiding those rules. A goodly portion of the electorate was somewhat shocked, and even a little outraged, as things like the House banking scandal, and House Post Office scandal, came to light.

Then the process of weeding began. Sensing, finally, that many of the problems were the result of decades of arrogant, entrenched one-party rule, the electorate sent in a new congressional team in 1994, one of which was our own Mac Thornberry. By and large, they kept that team in place during this election. And therein lies the tale. Therein, we believe, is the reason this presidential election may turn out to be a blessing in disguise.

Jefferson, the author of our Declaration of Independence, and one of this nation's Founding Fathers, observed that "the tree of liberty must be refreshed from time to time with the blood of patriots and tyrants." Were he alive today, and if he had uttered those same thoughts, he probably would be charged with high treason, or at least ridden out of town on a rail for being politically incorrect.

We hasten to say we are not calling for a blood revolution. But our society benefits in the long run when it can be demonstrated that misdeeds in high places do not go unpunished, just as it suffers when citizens see misdeeds in high places go unpunished. Our society would benefit if it could be demonstrated that misdeeds by Democratic presidents would be treated in the same manner as misdeeds by Republican presidents.

That is surely not what would have happened, had the electorate returned a Democratic majority to the U.S. House and Senate. Nor are we even sure it would have happened had the electorate opted for a Republican majority in both houses, plus a Republican president. The pressure would have been, or could well have been, to "let bygones be bygones." Any extended, and intensive, probe

into the nefarious ways of this Administration would have been criticized as a political witch hunt, particularly if both Congress and the Administration were in the hands of Republicans.

But what assurance do we have that Congress will fulfill its constitutional responsibilities of oversight in these matters? What assurances do we have that an electorate already so cynical that less than half the potential voters even bothered going to the polls, (and less than half of that half reelected our president) will not end up even more cynical at the end of the next four years?

None, really. But the opportunity for corrective action will be there. And we think it will be taken. We home so.

Senator Al D'Amato, the flakey New York Republican who heads the Senate's Banking committee, now says he will conduct no more hearings into the Whitewater matter, and

he seemed to suggest that other areas of White House conduct be left alone by congress, as well. Perhaps this is wise, concerning Whitewater, since the special prosecutor seems to be moving along nicely, if slowly. But one suspects the senator has an eye on his next election in New York which went heavily for Mr. Clinton. After all, both he and Clinton share many of the same financial benefactors in New York. We suspect the Senator was talked to.

But Al D'Amato is not the U.S. Senate, and the Senate is not the U.S. House. And Whitewater is not the only avenue of approach to the political sins and legal transgressions of this Administration. It was, and is, merely one symptom of the moral sickness that afflicts Mr. Clinton's approach to governing. If the congress does its job, a blow will have been struck for liberty, and little kids can again be taught the value of virtue.

Support needed at Multi-Purpose Center Fajita Feast Benefit Sunday

A November 17 Fajita Feast will benefit Floyd County Friends in their endeavor to build a Multi-Purpose Center.

The fajita luncheon will be held at Duncan Elementary in Floydada, this Sunday, and will be prepared by El Rancho owners, Barney and Ricky Reyes.

"Barney and Ricky are paying for everything," said Nick Long, presi-

dent of the Floyd County Friends.

"One-hundred percent of the proceeds will go toward a Multi-purpose Center. We won't be out a dime!"

According to Long the Reyes will be prepared to serve 500 people. "There will be a take-out line and a service line," said Long.

Boxes and sacks will also be available to anyone wanting to transport food to farmers unable to leave their

fields.

Tickets can be purchased in advance from a Floyd County Friends Board member or bought at the door.

The cost of tickets is \$6.25 for adults; \$4.00 for children 11 and up; and free for children 3 and under.

The Fajita Feast will include all the trimmings of a fajita meal, such as beans, rice, guacamole, tortillas and hot sauce.

Joyce and Q.D. have a long term relationship with the Lubbock Children's Home and have been foster parents to nine children over the years.

Joyce was appointed by the Governor of Texas as a delegate to the 1960 White House Conference on Youth in Washington, D.C.

She has also been a 4-H leader, a past president of the Lakeview Home Demonstration Club and past president of the 1929 Study Club.

She was a member of the Lubbock Christian College Associates which was involved in the restoration of Katy Rodgers Hall and she helped to establish a LCC Scholarship Fund.

Joyce is a charter member in the founding of the Floyd County Museum and has served on the Museum Board from its beginning in 1971 to the present. She is also a Charter Board Member of the Floyd County Historical Commission.

She has been a hostess in the Ranching Heritage Center Ranch Days from 1970's to the present. She

is a member of the Daughters of the American Revolution.

Joyce is a Charter Director of the Massie Activity Center in Floydada, a member of the Floyd County Pioneer Association, a board member of the Floyd County Day Care, and a Charter Member of the Friends of the Crosby County Library.

Joyce helped start a Mobile Library Program at Crosby County Library and co-wrote the 75th Anniversary of the Floyd County History Play.

She is active in her church, the City Park Church of Christ, where she has been a Vacation Bible School teacher, hosted youth devotionals, and served as a nursery worker. She is also a regular volunteer cook at the White River Youth Camp during the summer.

Joyce has written columns for the Floyd County Hesperian, and she once was a stringer for the Fort Worth Star-Telegram. Joyce wrote a short story which was published in "Children's Activities" Magazine.

With her children in school, Joyce resumed her own education. She graduated from Texas Tech Univer-

sity in 1970 and is certified in both Home Economics and Special Education. She is a life member of the Texas State Teacher Association and has held various positions within the Floydada TSTA Chapter, including two terms as president.

Joyce has been inducted into Delta Kappa Gamma, an international teacher's organization. She is a member of the Vocational Home Economic Teacher Association of Texas.

She teaches Food Preparation and Maintenance, Early Childhood Development and Parenting Skills at the Alternative Education School.

The nine other recipients of the 1994 awards are: Carol Jean Bartlet, Lubbock; Georgia Mae Ericson, Crosbyton; Dorothy Griffin, Levelland; Barbara Hunt, Plainview; Sycily Lattimore, Levelland; Helen Otkin, Lubbock; Diana Phillips, Amarillo, formerly of Abernathy; Kathy Shorter Richardson, Lubbock; and Peggy Sugarek, Lubbock.

W.J. Mangold Hospital slates annual Holiday Health Fair for December 7th

LOCKNEY - W.J. Mangold Memorial Hospital will hold its fourth annual "Holiday Health Fair" Saturday, December 7th, from 9:00 a.m. until 2:00 p.m. in the Lockney Elementary Cafeteria.

Admission to the Health Fair will be a donation of canned goods or a new toy to be donated to the Salvation Army Christmas Cheer Program.

Again this year at the Health Fair will be "Project KidCare" a children's identification project that provides a picture and current information about your child in a handy vinyl pocket. This is part of a national effort to provide parents with personal safety ID's of their children in the event of an emergency. Everyone has pictures of their children, but most parents do not have a suitable photograph if their

child becomes lost or missing. It is very important to have a recent, unobstructed head and shoulders photograph of the child. KidCare is being offered as a free public service to families in the area. If your child attended last year, bring your packet to be updated. If you didn't attend last year, a new packet will be issued.

The Aero Care helicopter will be on hand for your viewing. And "Shots Across Texas" will be at the fair to administer immunizations free of charge. St. Mary's Mobile Mammography Unit will be at the fair again this year. If you would like to make an appointment for a mammogram, you may do so by calling 1-800-388-6266. And, Texas Blood Institute will be holding a blood drive.

Again this year the "Holiday Health Fair" will have approximately 30 booths manned by various local and area organizations plus children's activities booths. Door prizes have been provided by local and area merchants, and a healthy lunch will be provided by Lockney Band Boosters.

This event is designed to be informative and fun for the entire family. Mangold Memorial Hospital invites everyone to attend.

Letter to the Editor

Dear Editor,

In recent months due to the politics involved in the race to be elected Sheriff there have been a plethora of rumors and lies which have been thrown back and forth about myself and Royce.

It is with mixed emotion that I have now submitted my resignation, for the position of Deputy Sheriff with Floyd County. I have enjoyed working for Floyd County tremendously and would like to thank the Commissioners for their support and for the deeper understanding I have gained about the job they do. I would especially like to thank the County Judge who has indirectly taught me so much about politics. I certainly appreciate those us to work together as a team. We both have the welfare of the entire community at heart and if we cannot be

who supported me in this election and I now encourage all of us to support the Sheriff together as a community.

It has become necessary that Royce and I part company. Some of the rumors which have been circulated have been very damaging to our relationship and it is no longer possible for effective together then it is for the benefit of all that I resign. Royce has been a dedicated, hard-working Sheriff and will need your support as he seeks to become certified as a Peace Officer.

My last working day will be November 6, 1996. I will take the remainder of my vacation time and will end my employment on November 18, 1996.

Sincerely,
Jon White

PUBLIC NOTICE

Beginning Saturday, November 16th, 1996 the Floydada Municipal Landfill will be closed on Saturdays until further notice.

RETIRING THE FLAG--Lockney Boy Scout Troop #259 held an impressive Flag Retirement Ceremony at the Wall of Pride on Veterans Day, November 11. By the glow of a fire the scouts lowered an old flag flying at the park. A new flag was raised to half mast while the Scouts performed a ceremony of burning the flag. First a red stripe, signifying the heroism,

courage and bravery of all veterans, is cut and burned. Next, a white stripe, signifying purity, is cut and burned and then the blue field, signifying strength and unity, is cut and burned. Over a dozen flags were disposed of in this manner in front of a respectful audience. After the ceremony the new Wall of Pride Flag was raised to full mast. Staff Photo

Lockney Scouts plan reunion

LOCKNEY - Lockney Boy Scout Troop #259 is sponsoring an "Old Scouts' Reunion" at 8 p.m. Monday, November 18, at the Scout Hut.

Following a Court of Honor, recognizing Lockney Scouts for recent achievements, former Boy Scouts and Scout leaders are invited to stay and "swap scouting stories and share some 'bug juice,'" according to Scoutmaster Bill Hunter.

All former Scouts and Scouters are welcome to attend, whether their scouting experience was in Lockney

or elsewhere, and they are encouraged to bring their old scouting "treasures" and memorabilia.

The Scout Hut is still located on Main Street in Lockney, across the street from the Dairy Queen.

Annual Harvest Festival slated at Methodist Church

FLOYDADA - The annual Harvest Festival of the First United Methodist Church in Floydada will be Saturday, November 16. This year the Harvest Bazaar will include a country store, arts and crafts, silent auction, and the traditional harvest meal. Doors will open at 9:30 a.m. Friends and neighbors are invited to participate in this festive occasion. Proceeds from this year's event will be used to buy a new refrigerator for the church kitchen as well as to help support youth ministry and missions.

Featured for the first time will be the silent auction room. Here, bidders will find a variety of items to buy. A 1984 Mazda, crocheted afghan, hand-painted portrait, autographed book and hand-painted tea set are a few of the items up for bid.

Each item will have a sheet listing the minimum bid to be taken. The bid-

der will write his name and bid for all to see. Bids will be taken until 1 p.m. At this time, the item will go to the highest bidder. One may bid as many times as necessary to secure his favorite item. It is important to keep checking on that bid so that one won't lose out to another bidder!

The beautiful king-sized quilt features the Triple Irish Chain pattern in jewel tones. This year's fabrics were selected by Frances Staniforth. It was pieced by Billie Jordan and Jo Lyles; quilters were Faye Bertrand, Lorene Newberry, Elizabeth Armstrong and Jo Lyles. Quilt tickets are \$5.00 and are available in the church office and at the festival Nov. 16.

The traditional turkey dinner will be served in Fellowship Hall from 11:30 a.m. until 1 p.m. Take-out meals will be available at the drive-up in the alley after 11 a.m. Meal tickets are \$6 for adults and \$4 for children.

Whirlwind Sams

By Darlynn Hambricht

FLOYDADA - L.V. Assiter, vice president, of the Whirlwind Sams, called the meeting to order Monday, November 4.

Members having November birthdays are: Harold Temple, Jerry Livingston, Eva Parker, Fred Thaxton, Addie Assiter, W.B. Cates, and Glenda Livingston. November anniversaries are: Fred and Yvonne Thaxton and Blanton and Ruby Hartsell. Songs were sung to honor these members.

Jerry Livingston led the invocation. Delicious refreshments were furnished by Herb and Esther Wallace and Harold and Audrey Temple.

Randy Hollums presented the program. He and Teresa shared beautiful videos and slides of their Disney World and Olympic trip.

Dartha Westbrook, secretary, read the minutes of the October meeting. They were approved as read.

Harold Reese, November trail boss, informed the group about the campout in Oklahoma City.

A brief review of the Fall Samboree in Wichita Falls was given by Darlynn Hambricht.

Ruth Adams reported on the Christmas party, Saturday, Dec. 7, at Plains Baptist Assembly.

A motion was made, seconded, and approved unanimously for each rig to donate \$10, and the Whirlwinds Sams would match that amount to be given to Plains Baptist Assembly for renovation of the cabin.

Rigs represented were: Boone Adams, L.V. Assiter, Bill Feuerbacher, J.W. Gilbreath, Gordon Hambricht, Randy Hollums, Bob Kendrick, Jerry Livingston, John Lyles, Mac McElyea, Harold Norrell, Keith Patzer, Harold Reese, Wayne Russell, Harold Temple, Fred Thaxton, Herb Wallace, and Paul Westbrook.

Boone Adams led the group in singing "Happy Trails".

Trail bosses, Harold and Carol Reese led the Whirlwind Sams as they departed from the MAC, November 6. The campsite was Oklahoma City.

Rigs going with the Reeses were: Gordon Hambricht, John Lyles, Harold Norrell and Paul Westbrook. We stopped in Paducah for a coffee break.

Lunch was enjoyed at Cowboy's Restaurant at Erick, Oklahoma.

The group arrived at Rockwell RV Park and Campground. Everyone relaxed and enjoyed staying in their rig.

Thursday, we went to Bricktown, Oklahoma City's historic warehouse district with shops and restaurants. The group ate at Spaghetti Warehouse. We enjoyed a self-guided tour of the Crystal Bridge Tropical Conservatory and the Myriad Botanical Gardens. This is a tropical forest, inside a crystal bridge, and acres of landscaped parkland. The next stop was at the site of the federal building that was bombed in April, 1995.

Friday we went to Guthrie, Oklahoma, and ate lunch at Granny Had One. That afternoon we enjoyed a trolley tour of Guthrie, first capitol of Oklahoma and called the Williamsburg of the West, followed by a walking tour of Guthrie's historic Victorian-style downtown area. Points of interest were antique shops, drugstore, museum, and Harrison House. Our evening meal was enjoyed at Miss Carolyn's Territorial House Restaurant. The group was entertained at the Pollard Theatre as they saw the production of "The Fantasticks". The Pollard Theatre is Guthrie's former vaudeville house.

Saturday we went to the National Cowboy Hall of Fame, a tribute to the past, a vision of the future. We also went to the Omniplex which is a short name for Kirkpatrick Science and Air Space Museum. We ate lunch at The Garden Cafe in their omniplex, and also enjoyed visiting the International Photography Hall of Fame and Museum, and other points of interest. Saturday evening the group enjoyed a luau at the RV Park. Alan and Faye Benson joined us for the meal and fellowship. A time of devotion was conducted in the Paul Westbrook's rig. Paul Westbrook led songs accompanied on the electric keyboard by Dartha Westbrook. Harold Reese expressed his appreciation to fellow club members for accompanying him and Carol on the campout. Dartha led the devotional on being thankful for all that God does for us. Alan Benson dismissed us in prayer.

"Happy Trails" was sung by all. Sunday, part of the group departed for Floydada, while others went sight-seeing and camping elsewhere. Thank you, Harold and Carol, for a very enjoyable campout.

Floyd County & Community Education Council

By Murl Mayfield

FLOYDADA - Karen Miller called the meeting of the Floyd County and Community Education Club to order at 1:30 p.m. Oct. 30, 1996. Following her opening exercise, the minutes of the last meeting were read by Gladys Widener.

Members present were: Mae Williams, Karen Miller, Jonelle, Fawver, Murl Mayfield, Gladys Widener and Melissa Long.

Recreation was provided by Arvie Schultz and Murl Mayfield. Club reports were presented and

future meetings announced. Melissa Long presented the County Extension Agent's report.

The Program Committee will meet and select programs for 1997. If you have a program in mind, please let us know.

Thought: A new year is not a novelty. We have had several of them; some of us more than others. We do not earn them. They are given to us. As we are leaving an old year, we are a year older, however, perhaps not a year wiser, nor a year better

Local pharmacy offers help for smokers during smoke-out

FLOYDADA - With the American Cancer Society's Great American Smokeout coming up November 21, millions of smokers are now beginning to give serious thought to quitting. And this year, smokers in Floydada who are planning to quit will have additional support, as Payne's Pharmacy teams up with the American Cancer Society to launch a program to help smokers "Commit to Quit."

The Commit to Quit Plan, an informational guide that takes smokers step-by-step through the important stages of the quitting process, is now available at Payne's Pharmacy. Smokers who want to quit are encouraged to visit their pharmacist to receive a copy of the comprehensive plan and, equally as important, to talk with him or her about the quitting process.

"Your pharmacist is an excellent source of information about how to get started on a quit plan," says Denise Payne, a pharmacist at Payne's Pharmacy. "We can talk to our patients on a one-on-one basis and help each person decide what is the best way to quit, based on individual needs and preferences."

"This year more than ever, the pharmacist can play an integral role in helping individuals quit smoking," says Calvin H. Knowlton, Community Pharmacist and President of the American Pharmaceutical Association.

"This Great American Smokeout marks the first year that smokers have over-the-counter access to a number of proven effective stop-smoking aids that have previously been available only by prescription, such as nicotine chewing gum and nicotine transdermal patches. Pharmacists can counsel smokers about these new over-the-counter nicotine replacement therapy options and help smokers make the choices that are right for them."

In addition to helping smokers "Commit to Quit" and select a smoking cessation method, local pharmacists across the country will be serving as continuing resources for personalized smoking cessation tips throughout the entire quitting process. Payne encourages those people who are quitting to continue to seek a pharmacist's advice about important behavioral aspects of smoking cessation, such as removing smoking triggers and fighting cravings, as they go along.

"Pharmacists recognize that making the commitment to quit is the first step in smoking cessation," says Payne. "By first counseling our patients utilizing their Commit to Quit Plans and then working with them as they embark on their quit attempts, we hope to increase their chances of success this year."

Used book sale successful

By Jerry Crawford

The Floyd County Friends of the Library (FCFL) used book sale held during the Pumpkin Day festivities, was declared a big success by organization president, Joyce Lipham. The sale raised almost \$400 for the organization, which is raising funds for the construction of a new Floyd County Library.

Mrs. Lipham stated that this translates to the sale of between 1500 and 2000 separate titles, as prices per volume were deliberately set low. FCFL is interested not only in raising money for a new library, but also in encouraging Floyd County citizens to read more. Books for children were in high demand, a very gratifying fact because we believe that parents who encourage reading and set the example for their children are laying a sound foundation for the future success of their children and their community.

FCFL expresses thanks for the outstanding community support shown

by those who purchased the books and to the many FCFL volunteers who made the sale possible. FCFL Projects Committee Chairman, Ginger Warren has worked tirelessly on this and many other projects to bring the dream of a new Floyd County Library to fruition and deserves special credit for her contributions.

Rhonda Stovall and Marcia Phillips, 4-H club managers in Floydada and Lockney, helped publicize the book sale by providing 4-H youth volunteers to make and distribute posters. Our thanks to Jason Nutt, Derrick Griggs, Chance Crossland, Skyler Cornelius, and Tyler Phillips for their contributions of time and artwork.

Finally, a very special thanks is due to the management and staff of the First National Bank of Floydada who very graciously allowed the use of their Community Room and also kept the many FCFL volunteers well supplied with hot coffee and tea.

Cancer Society sponsors Great American Smokeout on Nov. 21

By Martha Farris

One of the most publicized annual events of the American Cancer Society is the Great American Smokeout in November. Although many have taken the message to heart that "smoking kills more people than alcohol, fires, homicides, and suicides" (according to the ACS Research Group), there are still many young people who use tobacco regularly. We urge them to reconsider what they are doing to their health and the chance they are taking with their future fitness!

While the hazards of direct and even indirect smoke have been

proven, the smoking rate is increasing among the teenagers. In April, the American Medical Association began still another battle against tobacco of all kinds, devoting an entire issue of the AMA Journal to the problem. It's a reminder that the war is not won, the body count keeps growing, the enemy is clever and rich, and the young are at risk!

On November 21, the local unit of the American Cancer Society urges those who use tobacco in any form to "give it up for at least one day". Take this important step to a better tomorrow, to a cleaner future.

Need a Turkey or other meat smoked for your Thanksgiving meal?

The Floydada Volunteer Fire Department will have the smoker going Tuesday, November 26th and Wednesday, November 27th.

Space is limited. Call City Hall at 983-2834 to reserve your space or obtain more information. \$5.00 donation per item.

Floydada Senior Citizen News

By Margarette Word

FLOYDADA - The center is open Monday through Friday from 8 a.m. to 4 p.m. If you plan on eating lunch, please call 983-2032 by 10 a.m.

Edell Moore was honored Tuesday, October 22, with a banquet at the Knippling Center of Methodist Hospital for his 58 years of service to the people of this community while in the funeral home business. Edell is still active in the business and takes pleasure in lending his experience and advice to help out at Moore-Rose-White Funeral Home.

Jim Word met his brother, Charles Word, of Conroe, in San Angelo and they went deer hunting. Jim was the only one that brought home a deer.

Greg Bond was in Floydada last week visiting his mother, Margarette Word. Mona and children were in Lubbock visiting her parents, Marjorie and Wayne Dean and other relatives. They went back to Waco Sunday, Nov. 3.

Sue Lovell has just returned from a two week Elderhostel genealogical workshop sponsored by Bigham Young University. The workshop and classes and library research were in Salt Lake City, Utah, with many hours in the world famous L.D.S. Library. Sue was able to tie her family line into John Hawland, passenger on the Mayflower, and signer of the Mayflower Compact, 1620.

Irene King's sisters were at the center, Wednesday, Nov. 6. They were Johnnie Ward, Alma Petty and Evelyn Pollan, all of Lubbock.

Wednesday, Nov. 6, while playing bridge, Randi Duke brought to the center several new tea towels, hand towels, and dish clothes from the Floydada 4-H organization. Their manager is Rhonda Stovall. We truly appreciate these donations. These are items we use a lot of. Thank you.

Thursday, Nov. 7, Blanche Williams was back at the center for lunch after being home bound for over four

months. It was so good to see her and to know that she is able to be out and come to the center.

Also at the center, Thursday, were C.M. Miller, Fred Thaxton's brother, J.B. Thaxton and his son, Joe Jr. Thaxton of College Station. Fred had surgery last Tuesday. Fred is at home now and improving and enjoying his brother and nephew. Bill Gilbreath was also at the center enjoying his lunch after having knee surgery about two weeks ago. He is improving and should be back to work at Conoco in about six weeks or so.

Thursday was chicken fried steak day and we had a large number of seniors enjoying their meal and visiting with friends. We wish more of our senior adults would participate in the center's activities and come for a very good hot lunch. Once you get started, you would enjoy it. The fellowship is great. Call 983-2032 if you plan to eat lunch.

Dale and Pat Newberry of Lamesa were here Sunday, Nov. 3, to attend church and have lunch with his mother, Lorene Newberry.

If you read the Hesperian last week you learned about the "gypsies" coming through town and taking advantage of senior citizens. Beware. I know I have made it a habit to not answer the door if I do not know the person. Jim and I have also made it a rule in our house that we do not contribute, donate or buy anything over the phone. Do not let people take advantage of you and rip you off.

Vera Rimmer Horton who use to live here several years ago, but now lives in Plainview, was at the center Friday, Nov. 8. She lives and works at Christian Manner. She said she would love for her friends here in Floydada, when they are in Plainview, to go by and visit with her. Her phone number is 296-7649 if you would like to call her.

Congratulations to Travis and Letha Lightfoot on their 60th Wedding An-

niversary, Nov. 8.

Congratulations to Peck and Frances Badgett on their 58th Wedding Anniversary, Nov. 6.

L.B. Stewart is home after having surgery.

Julian Lipham is also home after having 5 by-pass heart surgery.

Our sympathy to Al Galloway on the loss of his mother, Ellen Galloway.

Our sympathy to the family of Doris Sandefur "Girle" Miller.

The senior adults had their quarterly Sunday lunch after church, Nov. 10, at the First Baptist Church. There were around 75 attending, enjoying good food and great fellowship.

Please pray for the ill to keep on recovering from their illness and/or surgery.

Also remember the families who have lost loved ones.

Pray for one another.

Thought for the Week: "Treat everyone you meet like you want to be treated."

FLOYDADA - Hi! Are you enjoying the warm, nice fall days? I think so, after seeing all the snow up north, we should be thankful for these autumn days.

The residents made some turkeys to put on their doors on Monday. Also the ladies from Calvary Baptist Church came to help sing, and Irene Wexler played the piano. Clark Williams gave the devotional. On Wednesday, Roberta Hardin came and played the piano and gave the devotion.

As usual Wednesday was Bingo Day. Mary Alice Doves and Ruth Hammonds assisted the residents. Thursday evening the residents listened to music and enjoyed some popcorn.

Friday the residents went to Plainview on a bus ride. They were treated by McDonalds with some ice

cream. The residents going were: Odell Kerr, W.G. Marshall, Myrtle Vandiver, and Travis Parr. They enjoyed seeing the cotton strippers and bales of cotton. Thanks Josie for taking us. Also on Friday at 10:30 the ladies from the First Baptist Church came and led us in song. Lorena Newberry gave the devotion. The Calvary Baptist Church gave the devotion on Sunday. We appreciate all our volunteers.

"Harvest Blessings" Golden harvest time is here, Our crops are gathered in, The fruits and vegetables we harvest, Now fill each crate and bin.

I have just one request, oh Lord, That is each day I start, Please never once let me forget, To have a grateful heart.

Classic Cable launches new cable program

LOCKNEY - Classic Cable today announced the launch of "TV Land" in Lockney, Nick at Nite's newest network showcasing reruns of television classics. The new network will be added on Channel 29 replacing MOR Music prior to year end.

"We are excited about the addition of TV Land to our quality channel lineup," commented Regional Manager Rowdy Whittington. "TV Land reflects the first step in addressing our customers' programming preferences following the overwhelming response to the survey conducted this summer. The addition of TV Land demonstrates Classic Cable's ongoing commitment to deliver the highest quality family-based programming to our customers and further enhances our existing basic lineup which includes other highly-rated networks such as CNN, ESPN, Disney, Discovery, TNT and Nickelodeon."

"TV Land", a new 24-hour network of TV favorites inspired by Nick at Nite, will showcase the best television dramas, sitcoms, variety shows and Westerns from the past forty years including: The Addams Family, Cannon, The Ed Sullivan Show, Green

Acres, Gunsmoke, Hill Street Blues, Hogan's Heros, Mannix, Petticoat Junction, The Phil Silvers Show, The Sonny & Cher Comedy Hour, St. Elsewhere, That Girl, The White Shadow, and many other timeless hits. "TV Land" will also feature monthly programming blocks such as "Wonders of TV Land", "TV Calvacade", and "TV Land Goes West"—all filled with the good, the weird, and the wonderful shows from the history of television.

LOCKNEY - On Thursday evening the Senior Citizens met with 39 in attendance and seemed to have a good time and enjoy a good "pot luck" meal. After eating, Bobby Adams, from Crosbyton, and Bob Beare from Ransom Canyon gave us a good program on "assisted living". They explained what assisted living included, and told us they were interested in building an assisted living complex in this area somewhere.

On Thursday night, November 14, we will be entertained by a musical group, "Big Sandy", from Lubbock.

On November 18, at 2:30 p.m., Christy Pare, sponsored by Southwestern Public Service Company, will be here at the Senior Citizen's Build-

ing to give us a demonstration on "cooking festive foods" for the holiday season. She will cook foods and then serve them to her audience. Everyone is invited to attend.

Lavrin Carthel's knee surgery last week was very successful and he is probably at home by the time you read this. Maybe he will soon be back in circulation.

Rusty Baccus is at home after having hip replacement surgery and is doing good. We hope it won't be long until we will see his shining face at the center again.

Douglas and Mary Glenn Degge moved this week to Allen, Texas. We will really miss them from our community. We hope they will come back to see us.

The Lockney Senior Citizen Thanksgiving dinner will be Thursday, November 21.

1950 Study Club

By Addie Assiter

FLOYDADA - The 1950 Study Club met November 5 in the home of Ellie Anderson. Nell Abram led members in the club collect. Program hostess Carol Reese introduced Dr. Charles Craig, who gave us a slide presentation of his 1991 trip to East Africa. His bus tour through parts of Kenya and Tanzania was one to be remembered. Slides were of the country and seventeen different animals, some of which were close-ups. Dr. Craig managed to take extraordinary shots out of the bus. We enjoyed the discussion with him of the things seen, done and way of life in the Serengeti.

Temperatures ranged between 105 degrees to 120 degrees and no air conditioning. They had to buy water in jugs and had no restrooms along the way. Women used one side of the bus and men the other while the driver stood watch for animals, etc. Seeing how poor and bad living conditions there makes one grateful for America. However, Dr. Craig said he would like to return and do more touring.

Ellie and co-hostess, Geneile Evans served wonderful refreshments, including Ellie's famous cream puffs, to members Nell Abram, Addie Assiter, Joy Assiter, Etris Edwards, Wanda Hickerson, Amy Hollums, Billie Jordan, Martha Lotspeich, Jane McCulley, Margie McElyea, Doris McLain, Lovene Moore, Shirley Morton, Carol Reese and guests, Dr. Craig and Alice Baker.

Martha Lotspeich, club president, opened business. After many items discussed, names were drawn for Christmas meeting.

The evening was thoroughly enjoyed by all.

Lockney City Council hears short agenda on November 14

LOCKNEY—The Lockney City Council met Thursday, November 7 for their regular meeting and covered a short agenda.

A resolution was passed giving four councilmembers authority to sign documents which need to be written covering the grant work being done on the new water tower. Two signatures will be required on each document. Councilmember J.D. Copeland made the motion and the second was made by Councilmember Tina Graves.

The council heard a discussion on the payment of engineering fees for the Lake Mackenzie water well project. The council voted to take Lockney's share of the fee out of funds available from the Lake Mackenzie Project instead of writing a check for it. Motion was made by Councilmember Bill Anderson and the second was made by Councilmember Rodger Stapp.

Discussion was held on the purchase of a new postage machine for city hall from South Plains Equipment. The item was tabled until the next meeting.

A bid of \$610.00 per year was accepted from Cleatis Hays to lease 45 acres of pasture land from the City of Lockney. The site being north of Lockney beside the old landfill. The motion was made by Anderson and

the second by Graves. All voted for. A bid was accepted from Espidiron Martinez for Lot 13, Block I East Annex and Lot 4, Block B Amaya Addition. The bid for the lots was \$200 each. Councilmember Stapp made the motion and Councilmember Anderson gave the second.

On the agenda was a request from Loveta Rose to move a trailerhouse onto her lot on SW. 6th Street. A petition had been circulated and all the neighbors had not unanimously signed it giving their okay. Councilmember Anderson made the motion to deny the request and Councilmember J.D. Copeland made the second. All voted for.

Leandra Hernandez work record was reviewed on her anniversary date with the city and Anderson made the motion to give her a raise of \$50.00 per month. The second was made by Graves. All voted for with the exception of Stapp and he abstained.

The minutes of the previous meeting were read and approved, financial statements reviewed and a motion was made to pay current bills.

Present at the meeting were Mayor Gary Marr, Councilmembers J.D. Copeland, Rodger Stapp, Tina Graves, Bill Anderson; City Attorney Paul Lyle and City Secretary Charlotte Hooten.

County Commissioners hear grant proposal for library

Commissioners for Floyd County listened to an explanation of a grant application from Kay Howard, a grant consultant for the Friends of the Floyd County Library during the regular session of the county commissioners on Tuesday, November 12.

Howard presented the application for approval by the commissioners before submitting the request for funding to the Abell-Hanger Foundation. The grant request seeks \$10,000.00 toward the estimated \$650,000.00 need to begin construction of a new library facility in Floydada.

Commissioners approved submission of the grant application on a motion by Precinct 1 Commissioner Raynell Bearden. Lennie Gilroy, Commissioner of Precinct 2, seconded the motion and all present voted in favor.

Commissioners voted to leave current tax exemptions in effect for the 1997 taxing year. This means property owners will again be afforded the \$5,000.00 homestead exemption and the \$3,000.00 exemption for those over age 65.

County Treasurer Mary Shurbet presented her report for the month of October stating the county began with \$423,891.37 in funds and had receipts of \$322,803.51. Transfers in were 69,505.75 and disbursements were \$279,211.24. Transfers out were \$69,505.75, leaving a total of \$467,483.64 in county funds as of October 31, 1996.

Shurbet also reported certificates of deposit in the amounts of \$120,000.00 for undivided taxes, \$25,000.00 for Precinct 1, \$20,000.00 for Precinct 2, \$106,000.00 for Precinct 3, and \$25,000.00 for Precinct 4. CD and checking accounts earned \$134.98 in interest during October.

Commissioners reviewed monthly reports from the office of the District Clerk, the County Clerk, and Justice of the Peace for Precincts 1 & 4. No monthly report was submitted by Justice of the Peace for Precincts 2 &

3. The reports detail fines and fees collected by the offices of these elected officials during the month.

Commissioner Bearden was appointed to represent the county on the Floyd County Central Appraisal District Board. Mary Shurbet, County Treasurer was designated pool coordinator to receive communications from the Texas Association of Counties.

The commissioners discussed their options concerning railroad right of way near the county barn in Floydada on property adjacent to county owned land. They voted unanimously to submit an offer to the City of Floydada, currently holding the deed to the property, for purchasing the lot.

An agreement to accept a donation of materials was approved with Rob Heflin. Heflin is donating caliche for use on a county road. Bounty agreements were approved for Scott Jeffries and Ray Garza. This will allow them to kill coyotes in Floyd County and collect the bounty on each pair of ears submitted to the commissioner in their precinct.

Floyd County Commissioners also approved payment of monthly bills and four farm work contracts at the regular session. Contract #1694 in Precinct 4 was approved for John Dunlap to have a drainage ditch cleaned out for soil erosion purposes at a site 5 miles east and 2 miles north of Floydada.

Three contracts were approved for Precinct 2; #1684 for KGC Farms by Edwin Teeter to have washed out areas filled in for soil erosion purposes 5 miles south of Lockney on FM 378; #1683 to clean out a drainage ditch for soil erosion purposes 1.5 miles north of FM788 on FM 2301 then 1/4 mile east for Clyde Gallagher; and #1634 for Delton Jack to have old improvements buried to return land to cultivation 5 miles south and 1 mile west of Lockney.

The court also approved transfer of \$12,500.00 to each of the four precincts from the Road and Bridge Fund for operating expenses.

Shain leads Seminole over Winds

By Bill Gray
FLOYDADA - It was the "Toby Shain Show" at Seminole's Wigwam Stadium last Friday night. It was "Toby right, Toby left and Toby up the middle" as the talented tailback led the 8-2 Seminole Indians to a 42-0 season-ending victory over Floydada. Shain, the area's top Class 3A rusher, needed 264 yards to crack the 2000-yard barrier for the season.

The Seminole junior accomplished that task by rushing for 265 yards on 28 carries and scored three touchdowns. He finished the season with 2001 yards on 199 attempts for an astonishing 10 yards-per-carry and 200 yards-per-game averages.

The Seminole win and Shain's magnificent performance, however, were bittersweet. The Indians' thoughts were in Brownfield (where the possibility of a Seminole playoff spot was resting upon the outcome of the Cub-Denver City tilt). The Mustangs edged the Cubs 10-7 to nail down the postseason ticket as the number two seed from District 2-3A.

The Indians' only losses in the 1996 campaign were to the Mustangs and district champ Littlefield. The Whirlwinds finished their season with a 2-8 overall record (2-5 in district action). Denver City will face District 1-3A champion Friona in Portales, New Mexico, and Littlefield travels to Hereford for an encounter with Amarillo River Road in Bi-district action this week.

Once again the Whirlwinds were dominated and outmanned as they gave up over thirty pounds-per-man across the front. Following Floydada's initial series, it took the Indians only five plays to move 36 yards for their opening score. Senior Gabe Guerra's 27-yard scoring jaunt capped the short drive in under three minutes of the opening period.

The 'Winds managed one first down in the ensuing series, but Seminole gained good field position again. Shain completed the 7-play, 41-yard drive with a 20-yard TD around right end in the final 1:13 of the first quarter. Ray Ramos kicked his first of six conversions to put the Indians up 14-0 after the first twelve minutes.

Although Floydada held the ball for over five minutes, the second quarter belonged to the Indians. The Whirlwinds were limited to only 4 total yards and no first downs while Seminole moved at will in scoring three unanswered touchdowns to take a

commanding 35-0 lead at intermission.

Seminole quarterback Cole Kildow went to the air for touchdown tosses of 17 yards to Cody Fleming and 44 yards to Tanner Helton. Following Helton's score with 44 seconds remaining in the second period, Seminole retained possession on the ensuing kickoff. Shain rambled for 23 yards to set up his 1-yard TD plunge on the final play of the first half.

Shain left no doubt as to his intentions of gaining the 2000-yard mark on the first snap of the third quarter. He broke a simple off-tackle play into a 75-yard score for the final touchdown of the evening.

The Whirlwinds controlled the remainder of the period. However, in spite of an 19-play drive which consumed over 10 minutes of the stanza, Floydada was still unable to put any points on the board. The 'Winds stayed on the ground virtually the entire period, with Cy Cowart, Vernon Cooper and Andy Young getting the overland calls. It was the long, sustained offensive drive by Floydada in 1996.

Floydada drove as deep as the Indian 9-yard line after picking up five first downs. However, Cowart was sacked for a 7-yard loss on third down, and couldn't make up the necessary yardage for a first down in spite of a nice 11-yard run on fourth down. The Indians took over on downs deep in their own territory as the third period came to a close.

The Whirlwinds had one last opportunity to score late in the game, but suffered their second turnover in the final seconds.

Bill's Notes
 It was a tough and frustrating season. The 'Winds were out-manned physically week in and week out, but they played well at times even in the Seminole loss. They ran up against a good ball club. The Indians would be playoff-bound in most other 3A districts in Region I, with the possible exception of District 5-3A. The Vernon Lions rule over there, and are about as sure a bet for a Semi-Finalist as exists in Region 1-3A. There are some solid teams in the post-season party, and a couple of them come from 2-3A. Littlefield should handle River Road without any problems, but the DC - Friona match-up over in the "Land of Enchantment" tomorrow night could be a real "barn-burner." My guess is that the Mustangs' size and physical style of play will prevail. From there, it's anybody's guess who'll reach the Semis. One thing, for certain, is that they're gonna' have to go

through Vernon to get there.
 Some of the better Class 2A squads in the state are in this region...West Texas, Shallowater, Idalou, and Lockney are all strong, and will make some waves toward the eventual showdown between Lockney and Idalou. Lockney has all the tools needed to get out of Region I. They've already destroyed Post early in the year, and should give the Antelopes a quick exit from the playoffs at Snyder tomorrow night. Congratulations, Longhorns, for your first undefeated regular season in 39 years. I would like to think that all of Floyd County is behind you as you venture where no other Lockney team has ever traveled.

8th Grade Shorthorns win district

By Coach Hallmark
LOCKNEY - The 8th Grade Shorthorns played their final game last Thursday and went out with a win of 22-0 over Olton and the district title. For the year they were 8-1.

The kids ended the year on a high note with some good showings from many individuals. Once again our offensive line showed some power opening holes right and left for our backs. Jaime Salazar, Jeremy Butler, A.J. Thornton, Taurean McDonald and Christopher Ascencio all had

good running games.

"I am proud of the way these young kids played offensively. They are aggressive and like to take the ball right at you. I feel like our offense has improved each and every game and expect good things in the future."

Defensively we played well also keeping the Mustangs out of the end zone. One thing that I see in this group is that they like to hit and that tends to intimidate other opponents. Having good games for us were Micheal

Padilla, Micheal Vega, Jon Martinez, Heath Stoerner and Chris Aguiano.

"I would like to say congratulations to these young men for their district title. This group of kids work hard, love to play the game, and play together as a team. I saw much improvement in many individuals and think these kids can do some great things in the future if they continue to work hard. I have enjoyed coaching these kids and hope to continue to see them grow.

Lady Winds scrimmage Idalou

By Coach Martinez
FLOYDADA - The 1996-97 Floydada Lady Winds scrimmaged the Lady Cats of Idalou Tuesday night in the new Floydada Gymnasium. Idalou's full court pressure really bothered the Lady Winds early on as they forced 18 turnovers the first two quarters, but the Lady Winds only turned the ball over six times the next two quarters.

Defensively, the Lady winds were very aggressive and were able to apply full court pressure themselves the last two quarters. Offensively, the Lady Winds were able to take a lot of high percentage shots due to the transition game the full court press caused. The Lady Winds were 20 of 52 from the field for 38% (3 of 9 from the 3 pt. line) and they were 11 of 17

from the free-throw line for 65%. Christy Hale led all scorers with 16 points. Carissa Coursey had 8 points, Neisha Simpson had 7 points, and Amanda Green had 6 points. Christy also led the team with 7 rebounds.

"The girls were really tight starting off the scrimmage. We really have about three girls who have any varsity experience on the court. Idalou's press bothered us early and in a game we would have handled the press a little differently, but I wanted the girls to work on the press offense."

"Early in the scrimmage, we were just trying to get the girls to work out the butterflies and settle down a bit. The last two quarters we approached more to game like situation. Offensively, we need to do a better job of reversing the ball and running the

actual offense. I think that will come as we get better acquainted with one another and comfortable knowing what each other is doing."

"Defense is our strong suit right now, but we need to be a lot more consistent in every aspect of the game. We need to be more aggressive offensively but that is not a problem on defense. These young ladies have so much potential and as the scrimmage went on, our confidence level rose as did our level of play. We had several weaknesses exposed and that is exactly why we have scrimmages against other schools and not against each other. These young ladies are determined to turn this program around and it all starts with desire and determination, which are two characteristics we possess."

Lockney 7th Grade finishes football season

By Coach Dowell
LOCKNEY - The 7th Grade Shorthorns ended the year with a 6-6 tie with Olton giving the Shorthorns a season record of 4-3-1 on the year.

The single score came during the first half when quarterback Mo Collins ran in from 13 yards out to tie the game. The two point conversion was unsuccessful and the score remained dead lock the entire game. Big defensive stands in the 1st, 3rd, and 4th quarters by the Lockney defense kept the Mustang offense on it's heels. The final defensive stop came with only 52 seconds left in the game as the Mustangs had possession deep in Lockney territory. The youngsters from Lockney stopped the Olton team four consecutive downs to hold on for the tie.

"I want to take this opportunity to congratulate these young men for an outstanding season. I realize coming into the 7th grade everybody's expectations are high. This team not only met those expectations, but played above them. The success of this young team lies in the hearts of each and every one of them. Our coaching staff has enjoyed coaching this group and watching them grow as we take much pride in their accomplishments. Congratulations men and keep up the good work!"

Lockney JV falls to Littlefield Wildcats

By Lockney Coaching Staff
LOCKNEY - The Lockney JV fell to an undefeated Littlefield 34-22. Our kids put up a great fight on Thursday night demonstrating great effort and pride. These young men have really come on the last 2 weeks of their season. They played with a lot of enthusiasm, making great blocks, runs, passes and tackling with great force and power.

These young athletes have really accomplished a lot this year and we are very proud of their efforts.

Lockney scores came from Victor Alaniz, who scampered 17 yards on a fullback drive for a TD with the 2 pt. conversion to Brett McQuhae on a 5 yard pass from Jordan Lambert.

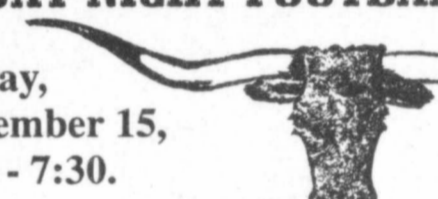

Lockney's second score was a 1 yard quarterback sneak by Jordan Lambert. Our final score was set up by a superb pass to Cooter Durham from Jordan Lambert who juked his way for 37 yards to the wildcats 1 yard line. Victor "Moose" Alaniz, bullied his way in for the final touchdown. Abel Rosales carried the ball in on a sweep with a Hollywood dance of his own for the 2 pt. conversion.

The whole team had great performances on both sides of the ball and we praise them for their desire to play football for Lockney High. A special thanks to our booster club and the JV cheerleaders for their great support!

Lockney Longhorns are 10-0, District Champions, and Playoff Bound

By Coach Malcom Moerbe

LOCKNEY - The Lockney Longhorns remained unbeaten, finishing the regular season with a spotless 10-0 mark as they rolled over the Olton Mustangs 46-8 Friday night in Olton.

The Longhorns now advance to the bi-district round of the state playoffs against the Post Antelopes. The 3-AA champion 'Horns and 4-AA runner-up Antelopes collide Friday night, November 15, at 8 p.m. in Snyder.

Lockney struck often and quickly in the first half in taking a 40-8 half-time lead. On Olton's first play from scrimmage, Longhorn, Devon Phillips forced a fumble by the Olton ball carrier and teammate Charles Van Zandt recovered. On the next play Phillips scored on a 10-yard run to stake his team to a 6-0 lead.

Following a fumble recovery of Ryon Smith, the locals put another score on the board. Adam Cummings

found J.R. Walker across the middle on a post pattern at the Olton 10 and the junior wide receiver scampered the remaining yards into the end zone to complete the 35 yard scoring play. Cummings 2-point conversion pass to tight end, David Hernandez, upped the margin to 14-0.

A Willie Luna interception led to the next score with Phillips doing the honors from 5 yards out. Phillips kick on the PAT made it 21-0. A fine play by Ryon Smith, who crashed through the Mustang line to cause a fumble set up Anthony Poole for the next Horn TD. Poole's 3 yard run and Phillips ensuing PAT raised the score to 28-0 after the fumble recovery by Carson Johnson.

Charles Van Zandt put an end to the next Olton drive by scooping up a Mustang fumble and returning in 69 yards for the 'Horns fifth touchdown of the day which raised the score to 34-0.

scoring from 5 yards out on the last play of the game to make the final score 46-8.

The victory concluded Lockney's first undefeated 10-0 regular season since 1957. The district championship was the first for the 'Horns since the back-to-back champions in 1984 and 1985.

Coach's Comments

By Coach Malcom Moerbe

LOCKNEY - Our boys had quite an accomplishment during this regular season. They set out early on in the preseason to have a 10-0 record and then went out and did it. To do so they had to battle through injuries and teams taking their best shot at them, but through it all the Longhorns persevered.

The best thing about this group of kids is they are not satisfied. The play-offs are a whole different season. We will take them one at a time. It would be nice to start with an easy opponent but we do not have that luxury. Post has come a million miles since our

game with them at homecoming. They had 600 yards of offense against New Deal on Friday. Their defense is a very aggressive run to the ball unit. They will be a very formidable opponent. But if we play up to our capabilities we have an excellent chance to play another game. That is what we hope to do.

We lost the coin flip so we will play at Snyder. Somebody made the comment to me that would be to Post's advantage because some of our fans would not make the long trip. That person doesn't know Lockney fans. We appreciate your support all season long and look forward to seeing you in Snyder.

SURPRISE ENDING--After their last District Game against Olton the Lockney Longhorns were surprised with a trophy and celebration in their home locker room. The team finished the season undefeated and were rewarded with a trophy courtesy of the coaching staff.

Go Longhorns! Beat Post!

Hey Longhorn Fans:

Wow! What a season! Longhorns finished it up with a 10-0 record. Friday, they'll be taking on the Post Antelopes in Snyder. The game begins at 8:00 p.m. Be sure to buy a huge bi-district ribbon from Student Council for \$1.

The pep rally starts at 2:30. Bring as many noisemakers as you can find to the pep rally and game. There will be a send-off on Main Street at 3:10 on Friday. Come out and show your support for your Longhorns. The Booster Club will be selling clickers at the game for \$1. Contact Karen Quebe if you need more information.

See ya at Snyder as the Longhorns rally to once again defeat the Antelopes!

Gallaway wins final week of contest

By Juanita Stepp

OOPS! The score card gremlin was at it again! In reporting results of the contest last week, we said Midland beat Odessa. After receiving more than one call about this, we checked out our results and discovered that we had reversed the scores. Our apologies to all participating in the football contest.

Rescoring made a few changes. The originally announced winners were Jean Hale of Floydada in first place with 6 errors, Mike Anderson of Floydada in second place with 7 errors and H. G. Graham in third place also with 7 errors. Each remains a winner, but the places changed.

The corrected results placed Mike Anderson in first place with five errors and a tie-breaker score of 33 (3 points over the actual combined score of 30) in the Floydada game. Second place went to H. G. Graham with 5 errors and a tie-breaker score of 35 (5 points over the actual total of 30).

3rd place went to Jean Hale who had 6 misses and chose a tie-breaker score of 32 (2 points over the actual total).

Honorable Mentions with eight

Freshman Whirlwinds blanked by Seminole

By Bill Gray

FLOYDADA - Floydada's 9th Grade Whirlwinds finished the season on November 7 with a hard-fought 28-0 loss to Seminole at Wester Field. The visitors scored in all four quarters with a balanced running game. Floydada was able to move the ball on the Indians, but three turnovers contributed to the Freshmen 'Winds' inability to put any points on the board.

errors were replaced by those who also missed 6, but had tie-breaker scores with a greater difference than Hale. They included Beth Tye (-3), Franklin Harris (+5), Phil Cotham (+5), Jim Ed Davis (-6), Tony Caballero (+8), Sammy Bradley (-9), Rocio Reyes (+9), Sheree Cannon (-10), Johnnie Mosley (+12), and Deneen Marricle (+14).

TENTH WEEK RESULTS

Earning the first place check for the final week of the football contest this season was Debbie Gallaway of Lockney. She missed 8 games and selected Lockney to win with a combined score of 57, three points over the actual combined score of 54. Her check for \$25 will be waiting in the Lockney Office on Friday.

Second place goes to Gene Lowrance of Floydada who also missed 8 games. He selected Lockney to win with a tie-breaker score of 49, five points under the actual combined score. His check for \$15 will be in the Floydada Office on Friday.

Four people tied with nine errors in the third place spot. Each chose The

prize money of \$10 goes to Enrique Medrano of Floydada with his tie-breaker score of 58, four points over the actual combined score. His check for \$10 will be in the Floydada Office on Friday.

Honorable Mention for also missing 9 goes to Mark Ford (47), Roy Saucedo (61) and Fran James (28). Missing 10 games were Keith Maricle, Dickie McCarty, Phil Cotham, Boyd Lee, and Danny Huggins. Eleven errors included Selma Mendoza, Franklin Harris, H. G. Graham, Jane Pruitt, Joe Copeland and Randall Stapp.

4-H Silver Spurs Horse Club News

By Laura Miller

The third meeting of the 4-H Silver Spurs Horse Club was held Monday, November 4, at 6:30 p.m., in the Lockney High School Agricultural Building. President, Tasha Powell, called the meeting to order. The Pledge of Allegiance was led by Karah Hrbacek, and Erika Miller led the 4-H Motto and Pledge.

Secretary Jurahee Jones called the roll which was answered by naming your favorite horse project. Ty Young was welcomed as a new member. Jurahee read the minutes from the last meeting and gave the treasurer's report. Marcia Phillips reminded everyone to turn in their horse club surveys as soon as possible. The Bylaws Committee met Oct. 29, to amend the bylaws, and the results of their meeting were handed out to the members. One change that should be noted: Members are required to attend 50% of the horse project meetings. If a member misses two meetings in a row without calling a project leader, their name will be dropped from the roll. This will help keep our membership current, and also save on postage costs when postcards are mailed to announce meetings. Project leaders to contact are Marcia Phillips or Ann Jones.

Sign-up sheets were available for the horse bowl project, a contest which tests our team's knowledge of horses against other teams, and also for the horse judging project.

Many horse club members will be contributing to the 4-H auction to be held Thursday, Dec. 5, at 6 p.m. at the Massie Activity Center. This is a great fund raiser for our county 4-H Clubs and everyone is encouraged to attend.

Tyler Phillips demonstrated how to clean a saddle.

Our program was given by Kyle Brock. He taught us about how to care for a horse when it is sick, and also how to prevent some diseases through vaccinations. The meeting was adjourned and refreshments of cookies and punch were served by the Youngs. Our next meeting will be held Monday, Feb. 3, at 6:30 p.m., in the home of Marcia Phillips.

SEEKING DONATIONS -- 4-Hers (front, left to right) Brenna Dawdy, Rebecca Warren, Robin Kirk, Jurahee Jones, Heather Ware & Abby Sanders were among those who asked Floyd County businesses to donate merchandise, money and time to the annual Floyd County 4-H Family Auction. The event is slated for Thursday, December 5, at Massie Activity Center beginning at 6:00 p.m. Businessmen including (back

row) Larry Nolan of Floydada Coop Gin, James McNeill of Floydada Country Club, Joe Stepp of Joe's in Floydada, Paul Sharp of West Texas National Bank in Floydada, & Monty Williams of First National Bank of Floydada have provided items ranging from floral merchandise to feed, seed, farm chemicals & monetary support for the auction. Proceeds will benefit 4-H projects in Floyd County. -- Staff Photo

Texas prisoners penalized twice for frivolous lawsuits

Two state prison inmates have become the first prisoners penalized with the loss of good time credits under a new law aimed at curtailing frivolous lawsuits filed by inmates against the Texas Department of Criminal Justice.

And starting next month, a new teleconferencing system will link the prisons with the federal courts in Texas by two-way television so that inmates who file lawsuits will no longer enjoy the chance to spend a day outside the prison walls when their cases are heard.

"Cutting out the trip to court should cut out a lot of lawsuit," TDCJ executive director Wayne Scott said, "of the court-by-teleconference system that lets judges hear inmate lawsuits via television with inmates miles away in a prison conference room.

Inmates file about 400 suits a month against the system, 75 percent of them in federal courts. At any time there are about 3,500 suits pending. The new law requires TDCJ to dock an inmate six months of good time if the prisoner within one year files four or more lawsuits declared by a court to be without merit.

State Rep. Allen Hightower of Huntsville, author of the law, said it "will save a lot of money and staff time by taking the fun out of frivolous claims by the recreational writers."

Attorney General Dan Morales, who helped draft the law, said the new penalties "will show all inmates that their right to due process on legitimate questions does not give them a right to clog up the courts and waste millions of tax dollars on foolish claims."

GEORGE by MARK SZORADY

Scott said the two inmates being penalized have filed a combined 12 lawsuits in federal court within the past year.

Suits filed by the two included complaints that inmates aren't served farm fresh produce and USDA meat, that inmates in administrative segregation don't get desserts with meals and allegations involving inmate mail service and strip searches.

Inmates involved include a convicted burglar serving a 60-year term who doesn't have any earned good time to be taken away so his six-month loss is charged on his record and will be deducted from any good time he might earn in the future.

For the other inmate, this sanction likely means he will never benefit from good time credit. He is serving six years for involuntary manslaughter and is already in arrears for good time lost through disciplinary actions. Even with good behavior he will likely complete his full sentence before he can work his way back to good time earning status.

"Just the fact that the deduction was charged against these inmates sends a strong message to all other prisoners that the courts no longer tolerate lawsuit abuse," Scott said.

Besides the loss of good time, the new law requires inmates who have money to pay some portion of the costs of their cases.

The teleconferencing system links federal courts in Corpus Christi, Austin, Houston, Amarillo and Tyler to prison complexes in Huntsville, Beeville, Palestine, Amarillo and Abilene.

Focus for the day: Jesus is the Answer

"FOCUS ON THE FAMILY" with Dr. James Dobson

QUESTION: My wife has very little sexual desire, despite the fact that we love each other and spend a lot of time together. She reports that this lack of sex drive is extremely depressing to her, and she is in therapy now to help her deal with it. I want to understand better what she is feeling. Can you help me?

DR. DOBSON

Dr. Dobson: It is certain that she is keenly aware of the erotic explosion which burns throughout her society. While her grandmother could have hidden her private inhibitions behind the protection of verbal taboo, today's unresponsive woman is reminded of her inadequacy almost hourly.

Radio, television, books, magazines and movies make her think that the entire human race plunges into sexual ecstasy every night of the year. An inhibited wife can easily get the notion that the rest of America lives on Libido Lane in beautiful downtown Passion Park while she resides on the lonely side of Blizzard Boulevard. This unparalleled emphasis on sex creates emotional pressure in enormous proportions. How frightening to feel sexless in a day of universal sensuality.

Sexual misfires--those icy bedroom encounters which leave both partners unsatisfied and frustrated--tend to be self-perpetuating. Unless sexual relations are accompanied by roman candles, skyrocket and "The Stars and Stripes Forever," the feat of failure begins to gnaw on body and soul. Every disappointing experience is likely to interfere with the ability to relax and enjoy the next episode,

which puts double stress on all those which follow.

It is easy to see how this chain reaction of anxieties can assassinate whatever minimal desire was there in the first place. Then when sex finally loses its appeal, great emotions sweep down on the responsive lover. A woman who finds no pleasure in intercourse usually feels like a failure as a wife; she fears she may not be able to "hold" her husband who faces flirtatious alternatives at the office. She experiences incredible guilt for her inability to respond, and inevitably, her self-esteem gets clobbered in the process.

With this understanding, it should be obvious what you, as her husband, can do to reduce the anxieties and restore her confidence.

Dr. James Dobson is a psychologist, author and president of Focus on the Family, a nonprofit organization dedicated to the preservation of the home. Correspondence to Dr. Dobson should be addressed to: Focus on the Family, P.O. Box 444, Colorado Springs, CO 80903.

Hardy to participate in 12th annual farm and ranch show

When the 12th annual Amarillo Farm and Ranch Show opens on December 3, a number of local agribusinesses will be present to show their products and services to the 30,000 farmers and ranchers who attend the event.

Don Hardy Fuel Efficient Engine Service of Floydada will be participating.

This company will be joined by over 450 other companies as they meet and discuss the 1997 growing season with the farmers and ranchers. The Amarillo Farm and Ranch Show is one of the largest indoor farm

shows in the country. The show also offers educational seminars by the Texas Agricultural extension service and makes CEU's available for pesticide license holders.

The 1996 Amarillo Farm & Ranch Show is scheduled for December 3 - 5 in the Amarillo Civic Center. Show hours are 9:00 am - 6:00 p.m. Sponsors for this year's event include the High Plains Journal, KFDD-TV, KGNC-Radio, Texas Agricultural Extension Service and Texas Wheat Producers. Admission to the show is free. For more information call 612-894-8007.

Warren and Quebe to compete for Farm Bureau scholarships

Texas Farm Bureau youth will take the spotlight on December 1, as scholarships will be awarded to winners of the state's largest general farm organization's Free Enterprise Speech, Miss TFB and Talent Find competitions in San Antonio at the 63rd annual convention Dec. 1-4.

Participants qualified for the state competition by winning their district contests earlier this year. The finals will be held Dec. 1 here at the Marriott RiverCenter.

The Free Enterprise Speech winner will receive a \$4,000 scholarship. The runner-up will be awarded a \$2,500

scholarship. The other four finalists will each receive a \$1,500 scholarship. The remaining district winners receive \$1,000 scholarships.

The Talent Find and Miss TFB winners will each receive a \$2,000 scholarship. The runner-up in each contest will be awarded a \$1,500 scholarship. Other district winners in each contest have been assured a \$600 scholarship.

Will Warren of Floydada will be competing in the Free Enterprise Speech contest and Gretchen Quebe of Lockney will represent Floyd County in the Miss Texas Farm Bureau competition.

Neighbors harvest crops

meal provided by Ray and Judy Macha. The Machas were assisted by Mary Turner, Esther Brasher, Tommie Quebe and Gayle Jackson. Barbara Mathis and Tommie Quebe were on clean-up detail.

"Even after it was all over I still had people calling me up and telling me they wish they had known about the plans because they would have come," said Gayle. "Some others were planning to come but they had equipment problems."

"We thank the Lord everyday for our bountiful friends and our bountiful harvest. This great harvest does not always come but we know we can count on our friends."

"Keith used to say every year, 'I wish the Lord would come back now so I wouldn't have to strip that cotton', (or whatever else he had to harvest)," laughed Gayle. "This year the Lord did come for Keith. He didn't have to do it and his friends took care of it for him."

The Jackson family expresses their thanks to everyone involved in the harvest, including:

Cotton harvesting equipment and labor which were donated by the well orchestrated team of: John Lee and Ron Carthel, Charles and Molly Huffman, Warren Mitchell, Warren and Mike Mathis, Tom and Steve Johnson, Paul Schacht, Eddie and Monty Teeter, Jerry Ford, Jerry Cawley, Bill and Randy Race, Gale and Steve McPherson, Keith Phillips, Louie Bybee, Martin Stoerner, Glen Quebe, Eugene Tannahill, Don, Shirley, Glenn, and Jeffrey Sutterfield, and James Morris.

Donating their time to run module builders, clean up around modules, tarp modules, mark modules and /or operate a combine, were: Byron and Kyle Brock, John Quebe, Donnie Bybee, Jimmy and Mike Dietrich, Glen Graves, Ray Gant, Lennie Gilroy, Dan McAnally, Ray Lee, Mike Williams, Jerry Johnson and G.L. High.

Harvest crew members included: Ricky Summers, Larry Cates, Juan Silva, Joe Cruz, Jody Blackerby, Miguel Pina, Julio Ramirez, Raymond Gonzales, Juan Mariscal, Eddie Wood, Juan Avila, Pete Gonzales, Rudy Fernandez, Carlos Molina, Mary Turner, Daniel, Andy and Joe Peralez Jr., Joe Banda, Huford Sue, Marcello Zuniga, Sam Garza, Juan Salazar, Jesse Soliz, Louis Villa, Ramon and Alfredo Saldana, Salud Ramos, Darrell Rasco, Joe Perales Sr., Louis Martinez, Henry Gutierrez, Matt Williams, Adam Garcia, David Guerra, Frank Luna Jr., Gilbert Reyna, Jose and Salome Estorga.

Citizen's committee completes property tax relief report

The president of Texas' largest farm organization is satisfied with the now completed work of Governor

Bush's "Citizens' Committee on Property Tax Relief." The committee completed its work

Friday, voting 19-0 to present the completed report to the Governor. Several ex-officio members of the committee voted under the rules. The committee has 17 members.

Bob Stallman, president of the Texas Farm Bureau, and a member of the Governor's committee, said, "I think it's a very fair representation of what the Committee heard across the state and it reiterates Texas Farm Bureau's own position that it's time for property tax relief."

The committee, chaired by Texas Insurance Commissioner Elton Bomer, voted to deliver a 23-page document to the Governor that said, in part, "...the Citizens' Committee on Property Tax Relief can unequivocally state that substantial public sentiment exists for school property tax relief." This essentially answered Bush's charge to the committee.

The document also stated, "Based on the information we have received and evaluated, the Citizens' Committee on Property Tax Relief finds that the current high level of school property taxes both hampers capital investment in Texas and hampers the ability of Texans to buy and keep their own homes."

The Texas Farm Bureau favors the business activity tax, one of three options proposed by Bush and his staff as replacements for the school property tax. Stallman said, however, that the final solution would probably blend several options.

"I doubt that the solution will include one single option," Stallman said. "There will probably be a hybrid approach utilizing several revenue-raising options."

The Columbus rice farmer said a solution that involves some changes in the sales tax, some business tax and leaving some property tax at the local level might get favorable attention from legislators. Such an approach, he said, would be preferable to the current system.

"We must get property tax relief to those who are footing the bill for education, spread the education burden more broadly across the population, and tie the funding mechanism to economic growth," Stallman said.

State Representative Rob Junell, Chairman of the House Appropria-

tions Committee, attended the meeting as an ex-officio member. He reported that the appropriations bill to be considered by the 75th Legislature will have to account for \$1.2 billion in statewide school enrollment growth alone.

This, Stallman said, demonstrates the fact that the need for school education funding continues to grow.

"We must find a way to tie education funding to the state economy," Stallman said. "The property tax can no longer keep pace with our education needs."

Three million acres are treated by weevil program

By Shawn Wade

The 1996 High Plains Enhanced Boll Weevil Diapause control Program came to an end October 31.

The 1996 Program, hampered by an unsettling lack of enthusiasm from the producers is designed to protect, treated approximately 3 million acres of cotton in this year's effort to reduce the overwintering populations that will invade 1997 cotton crops.

"There is no doubt that this year's program was successful, even with the limited operational capacity, and will provide a direct benefit to producers in many areas of the High Plains, whether they supported the program or not," says PCG Executive Vice President Donald Johnson.

Johnson adds that, even though the limited program will be beneficial, without the full support of both producers and allied industry it is unlikely the goal of removing the boll weevil from the High Plains will be accomplished.

The following is a break-down of the three diapause applications made this year.

- 1st application - 1,400,000 acres
- 2nd application - 1,300,000 acres
- 3rd application - 300,000 acres

Proposed regulations governing the next phase of the Conservation Reserve Program has Lubbock-based

Plains Cotton Growers (PCG) concerned about the selection of land during the next CRP sign-up period.

PCG is in the process of submitting a statement to USDA outlining those concerns. The primary goal of the PCG statement is to make sure Highly Erodible Land (HEL) in the Texas High Plains is given every opportunity to remain in the CRP.

PCG notes in its statement the tremendous benefits that have accrued as a result of participation in the CRP.

The proposed regulations utilize an Environmental Benefits Index (EBI) similar to the one used during the 13th CRP sign-up. PCG is recommending a re-evaluation of the EBI in order to ensure bids submitted for HEL from this area are judged fairly and that no single factor is inadvertently given priority during the process.

In a related area PCG is also preparing a statement concerning 1996 Farm Bill rules for conservation compliance on HEL and areas designated as wetlands. HEL and wetlands conservation are a major part of the current law.

PCG will seek to encourage the adoption of conservation compliance rules that provide adequate levels of local control, do not unfairly create undue economic hardship for the producer and are enforced in a common-sense manner.

VIRGIE OWENS

Funeral services for Virgie Baldwin Owens, 92, of Hollis, were Monday, Oct. 14, at 10 a.m., at the Clement-Keel Chapel in Gainesville. Interment was held in the Fairview Cemetery.

She died Friday, Oct. 11, at Colonial Manor II nursing facility.

Virgie Owens was born Nov. 29, 1902 in Ardmore. She married Andy Owens on July 19, 1919. They were long time residents of Floydada, until they moved in the early '70s. She was a homemaker and a member of the Baptist Church. She had lived in Hollis since 1985.

Survivors include four daughters, Emma Scalise of Richmond, Calif., Maggie Baker of Gainesville, Oma Nicholas of Garland, and Jean Keys of Hollis; two sons, Andy Owens of Rosharon, Texas and Joe Owens of Ardmore; 17 grandchildren; 24 great-grandchildren; eight great-great grandchildren.

She was preceded in death by her husband on April 7, 1978; a daughter, Ollie Nance; and a son, Donald Owens.

ROY VARNER

Services for Roy Varner, 53, of Plainview, were at 10 a.m. Tuesday, November 12, 1996, in Lemons Me-

morial Chapel, with Bill Jernigan, evangelist from Slaton, officiating. Burial was in Parklawn Memorial Gardens under the direction of Lemons Funeral Home of Plainview.

He died Sunday, November 10, 1996, at 7:55 a.m. in Methodist Hospital of Lubbock.

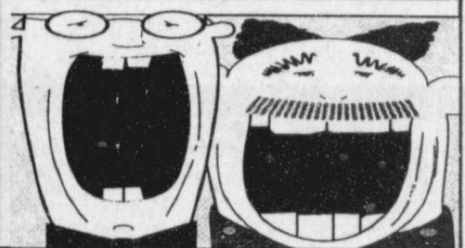

Mr. Varner was born April 17, 1943 in Cuthand, Texas. He grew up in Deport and attended Deport schools. He moved to Floydada in 1958, Lockney in 1960 and Plainview in 1961. He married Pollie Sykes, February 22, 1964 in Plainview. He had worked for Mathis Irrigation, Green Machinery & Center Implement, and Tillerson Fish. He had worked for Brown Implement in Floydada since 1980. He was Service Manager there.

He was baptized in 1971 and was non-denominational.

Survivors include his wife; one son, Michael Shane; three brothers, Billy Varner of Choctaw, Oklahoma, Larry Varner of Powderly, and Rainey Varner of Floydada; six sisters, Mary Cross of Graham, Eunice Herd of Sanger, Linda Thomas of Blossom, Jeanette Burks and Velma Westbrook, both of Deport, and Thelma Pope of Paris, Texas.

He was preceded in death by one brother, Kenneth Varner, in 1994.

CARDS OF THANKS

As we try to think all of the people who pitched in November 6 to help harvest our cotton and milo, we again find that words are inadequate to say what we feel in our hearts. "Thank You" just doesn't seem to go far enough, but please know that everything that was done on our behalf is appreciated.

"Love Thy Neighbor" is a phrase with special meaning now for us, for we saw those words put into action by people of this area when they unselfishly gave their valuable harvest (or business) time to come and help us. We are humbled by this demonstration of neighborliness.

Gayle Jackson and Boyd Jackson and the rest of the Keith Jackson Family 11-14p

CARDS OF THANKS

How grateful we are for the love shown us at "Mom's" death. On her last day, the Hambrights and Cannons kept vigil with us until the end. Then, when you heard of her death, the flow of flowers, cards, visits, food and memorials began!

To those who attended the Memorial Service in Hamlin, please know that our hearts were truly filled with love and gratitude.

Thank you, and may the Lord bless and keep each of you. Al and Sally Galloway 11-14p

I would like to thank everyone for the many cards, phone calls, flowers, prayers, visits and the food since I had surgery. I am home and doing well. Thanks to L.B. Stewart and Marlon Pritchard for sitting with the family during the surgery. May God bless you all. Leon Ferguson 11-14p
