The always-popular football contest, sponsored by the Friona Star for more than 20 years, is being announced in this week's issue of the Star. The Star will once again sponsor the contest, along with 22 sports-minded area businesses.

Continuing the format of recent years, weekly prizes totaling \$20.00 will be offered, with \$10.00 awarded to the first place winner each week, \$6.00 given to the second place contestant, and \$4.00 awarded to the third place entry.

In addition to the \$20.00 in weekly prizes, contestants will be shooting for the grand prize of \$100.00 cash to be awarded to the leading contestant at the conclusion of the contest.

Contestants will once again be asked to pick a total of 22 games per week in the contest, which will include the top high school games from this area, as well as the top college games and professional games each week.

The contest follows the same pattern that it has throughout its history. The games to be picked by contestants are listed in the advertisements of the contest sponsors. Each sponsor's ad contains a game to be considered in that week's contest.

First place winner at the close of the 13-week contest period will receive \$100.00 cash.

Entries may be brought by or mailed to the Friona Star, Box 789, by 6 p.m. each Friday. They also may be left at Bi-Wize Drug. If mailed, the entry must bear a postmark by Friday "P.M." and should be marked "Football Contest."

Over 400 fans enter the contest each year, as individual rivalries usually develop among contestants.

Contestants must be 12 years of age or older to be eligible to enter the contest. In order that scores count for grand prizes, entries must be on an official entry blank, printed in the Star each week.

A tie-breaker game, usually the Friona Chieftain game, will be used to break weekly ties as well as those that might develop in the race for grand prizes.

With the exception of the Friona Star employees and their families, everyone is eligible to enter the weekly contest.

Sponsoring the event with the Friona Star are B&B Fruit Market, Lone Star Agency, Tasty Cream Drive-In, Production Credit Assn., Mike Chaney Fertilizer, Friona Wheat Growers and Reeve Chevrolet-Olds.

Also, City Body Shop, Lakeside Parts & Supply, Dairy Queen, Bi-Wize Health-Mart, Friona Ford-Mercury, Hub Grain, Bengier Aero Spraying and Mama Seale's Drive-In and Arcade.

Also, D.L.'s Thriftway, Bruegel Bros. Gin & Elevator, T.L.C. Service Center, Clark's Flooring & Tile, Anderson's Studio, Excel Corporation and Parmer County Implement Co.

## T. Johnson Burn Victim

Trent Johnson of 723 Country Club Drive, Hereford, was involved in an accident at an oil well drilling site some 20 miles North of Vega on August 14. He suffered second and third degree burns over 31 per cent of his body from the waist up in a flash fire which was caused from an accumulation of gas.

Johnson was employed by the Baker and Taylor Drilling Company on a summer job. A spark from the nearby motor caused the gas to ignite. A co-worker said the young man immediately covered his face and rolled on the ground to put out the fire.

The drilling site was 22 miles from the highway, where the workers were met by an ambulance which took him to Amarillo. From there he was flown by Lear Jet to the Burn Center at Parkland Memorial Hospital in Dallas, where he is currently undergoing therapy as an outpatient.

Trent is a 1982 graduate of Friona High School and is the son of Mr.

**FIRST DAY....** These Friona first grade students were among the 97 kindergarten and 1281 students overall to begin the 1983-84 school term here Monday. Seated, left to right, are David Bautista, Dená Buchanan, Terry Carson and B.J. Chavez. Standing is Corey Hamilton and Delma Madrid is seated to the right. They are in Mrs. Parker's room.

## Enrollment Total Tops 1982 Figure

Enrollment in Friona Schools showed a gain of 22 students over the same enrollment date a year earlier, it was announced by Superintendent of Schools Tom Jarboe.

The enrollment as of Thursday, August 25 stood at 1281 in the entire school system. This was up 22 students from the fourth day of the first week of school a year ago, when the enrollment came to 1259.

Biggest gain was shown in the high school totals, which are up by 14 students over 1982. Enrollment on Thursday stood at 341 students, compared to 327 the year earlier, a 4.3 per cent increase.

Junior high enrollment (sixth through eighth grades) climbed by six students, from 298 in 1982 to 304 this year.

Elementary school enrollment increased by just two students, from 634 a year ago to 636 for the current year.

The overall percentage increase in enrollment is just 1.74 per cent, but school officials were happy with any kind of gain. Last year's first-week student count had been down by 17 from the 1981 totals, which make the current totals a gain of five students over that time period.

The enrollment totals for each grade were as follows, with the totals for 1982 in parenthesis:

Early childhood special education 11 (10); kindergarten 97 (98); first grade 114 (110); second grade 103 (107); third grade 95 (105); fourth grade 106 (106); fifth grade 110 (98); elementary totals: 636 (634).

Sixth grade 109 (99); seventh grade 100 (96); eighth grade 95 (103). Junior high totals: 304 (298).

Ninth grade 98 (104); tenth grade 99 (92); eleventh grade 85 (64); twelfth grade 59 (67). High school totals: 341 (327). Grand totals: 1281 (1259).

## Chamber Needs Entries, Events

Maize Days is less than a month away, and Bunny Murpree, Chamber of Commerce and Agriculture manager, reminds all civic clubs or groups who have activities planned for the celebration to turn that information into the Chamber office.

The events must be turned in to the Chamber by Monday, August 29, in order to be included on the advertising flyer to be printed. Events received after Monday will not be able to be included in the flyer.

Planning for the Maize Queen pageant is well underway. As of Thursday, there are five entrants in the pageant, and area junior and senior girls are urged to turn in their entry forms and fees as soon as possible.

The five entrants are Sarita Ellis, daughter of Mr. and Mrs. Mike Ellis, sponsored by Reeve Chevrolet-Olds; Lisa Fulks, daughter of Mr. and Mrs. Bobby Fulks, sponsored by Glasscock's Studio of Photography; Devera Rhodes, daughter of Mr. and Mrs. Wayne Rhodes, sponsored by D.L.'s Venture Foods; Wennever Jackson, daughter of Joe and Thelma Jackson, sponsored by Polk's Texaco; and Dee Ann Harguess, daughter of Mr. and Mrs. D.L. Harguess, sponsored by the Friona Star.

In addition to the honor and title that goes with being crowned Maize Queen, this year's winner will receive over \$350 in prizes from various local merchants.

The Chamber of Commerce will award a \$100 savings account to be used after graduation from high school. Some of the other prizes include a "night at the movies" from Wilhelm TV & Appliance, an imprinted album or stationery from the Blossom Cottage, a curling brush and wand from Bi-Wize Health-Mart Drug, and a lunch for two at Gee's Snack Bar.

Also, a \$10 gift certificate from Foster's Dry Goods, a bucket of her favorite flavored popcorn from the Popcorn Place, and a \$25 gift certificate from Ruthie's.

The new queen will also receive \$15

in dry cleaning from Reed's Cleaners, \$15 in Redken beauty products from Shara's, a free car wash and wax from Polk Texaco, two six-week sessions of aerobics from Sylvia Ingram, and a \$10 gift certificate from Hardin's Tasty Cream.

Also, two deluxe Mexican dinners from Mrs. Abalos Mexican Restaurant, 100 personalized envelopes from Moonlite Printing, a \$20 gift certificate from Dairy Queen, and a \$25 gift certificate for framing from the Splatter Shack.

Last, but certainly not least, Friona Ford-Mercury will provide a 1983 Mercury Cougar for the Maize Queen to drive during the first week of her reign. Kendrick Oil and Cortese Oil will provide a specified amount of gas to go along with the use of the car.

The first organizational meeting of queen contestants will be held Monday, September 5 at 4 p.m. at the Speech Room at the high school. Contestants will receive their schedule of rehearsals and general information from Lynda Grimsley.

## Grid Tabs On Sale

Season tickets for the 1983 Friona Chieftain games are on sale at Bi-Wize Health-Mart Drug.

Plenty of seats are available for the five home games, which include: September 2, River Road; September 23, Dalhart; October 14, Abernathy; October 28, Muleshoe and November 4, Littlefield.

It's a power-packed schedule, with three of the five teams having been in the playoffs in 1982, and a fourth, Muleshoe, tying with Friona and Dimmitt for the runner-up spot in District 1-AAA.

Season ticket prices are \$12.50, which is no advance over the single-game price, but assures the fans of having the same seats each game.

Those who had season tickets in 1982 will be given until the day of the first game (September 2) to renew those seats.

## Chieftains Eying Wildcat Rematch

The Friona Chieftains were to have their second scrimmage at Springlake-Earth Friday, and then will turn their attention to River Road, their season-opening opponent Friday, September 2 here in Friona at 8 p.m.

"River Road beat us twice last year, and that hurt. We felt like we could have beaten them, especially in the playoff game," said Chieftain coach Tommy Moss.

However, the Wildcats will be good once again, as they are rated either first or second in their district (2-AAA) once again. Last season, River Road edged Dalhart, 8-7, for the district title.

Moss said he felt the team had accomplished what it needed to do in the Bovina scrimmage, but felt the only bad thing was that the scrimmage was somewhat limited.

The varsity was only able to run 15 offensive plays and 15 defensive plays, and the same for the second unit.

The Chiefs looked impressive by driving for a score in only six plays in its first offensive set. Alfredo Mata, Charlie Morgan and Reese Fleming were impressive in the drive. Fleming got the score from a yard out.

All three running backs ripped off good gains in the drive. Morgan carried the ball only twice for 25 yards, then was pulled to avoid aggravating a pulled muscle. Moss said Morgan's injury was now healed.

The Chieftain second unit then hooked up against the Bovina varsity, and neither team could score.

Jessie Gonzales had a sprained ankle in the opening defensive series, and has been slowed this week. Coach Moss praised the work of Tim Kirk, defensive end, and Rudy Bermea, middle linebacker. Both played great on defense, he said.

Moss said that the team has added a few more players since school started, and there are now 103 boys out for football in the high school grades. There are 36 out for football in eighth grade and 32 in seventh grade, which speaks well for the interest in football this fall.

and Mrs. Wayne Johnson. He attended West Texas State University last year, but will be unable to enroll for this semester, as his therapy in Dallas is due to continue for at least two more weeks. He and his parents report that his condition is good and the doctors have been amazed at his quick recovery. He did not suffer any bad burns to the facial area.

Trent attributes his quick recovery to the fact that the ambulance attendants covered his burns with shaving cream on the way to the hospital. He says this is now

considered the best emergency treatment for bad burns. He also had immense praise for the Parkland Memorial Hospital Burn Unit, which he says is the "number one" burn clinic in the entire United States.

Trent will be staying with his parents for the next few weeks at the Travelodge Tower at Market Center, 4500 Harry Hines Blvd., Dallas, Tex. 75219, Suite 721, phone number 214-522-6650. After that he will be at home in Hereford where his address is Box 2112, Hereford, Texas 79045. He would enjoy hearing from his Friona friends.

Wednesday's feature will be a concert by Paul and Christy Newberry, full-time music evangelists.

## H. Nichols Is Honored By TCASE

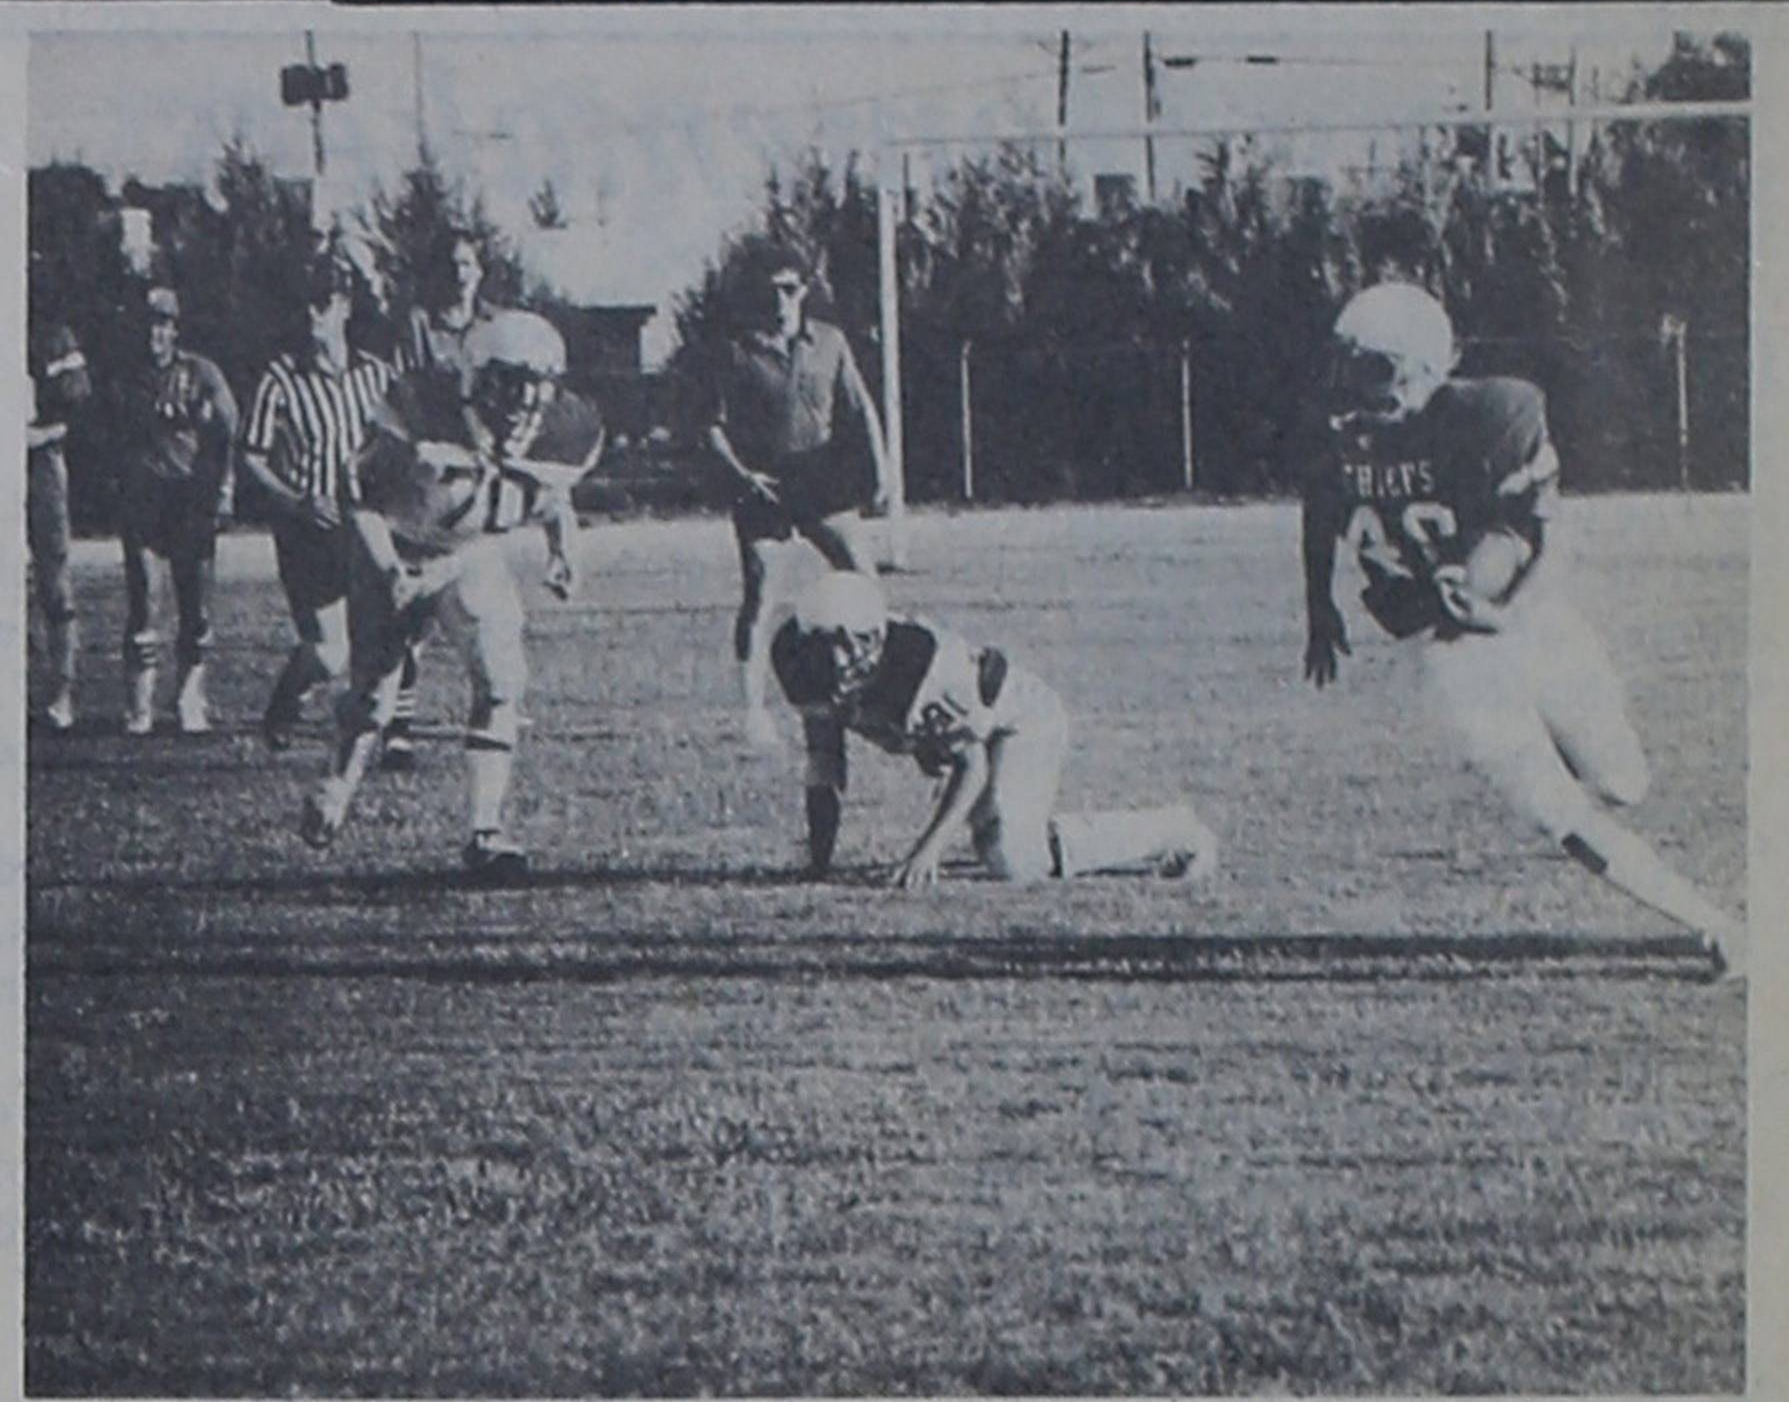

Ms. Harriet Nichols, director of Special Education Services for the Parmer County schools, was installed as president of the Texas Council of Administrators of Special Education (T.C.A.S.E.). The installation was held in Austin, Texas in August. She has held the positions of vice president and president-elect and will fulfill the presidency for the 1983-84 school year.

T.C.A.S.E. is an organization made up of directors of all Special Education programs across the state of Texas. The organization has a membership of 425. Two statewide conferences are held annually, mid-winter and mid-summer for local directors. She comes here from Amarillo where she was employed as a teacher, counselor, psychometrist, and evaluation consultant by the Amarillo Public Schools. The Special Education program for Parmer County includes twelve Special Education teachers, two speech therapists, and eleven paraprofessionals. ## Advisory Committee To Seek Special Aid

Administrator of Veterans Affairs Harry Walters has appointed an eighteen member Advisory Committee to counsel him in planning for special needs of women veterans.

A San Antonio resident, Carlos Martinez, executive director of the G.I. Forum, National Veterans Outreach Program, is a member of the committee.

The committee, scheduled to hold its first meeting in Washington, D.C., September 14-16, has been established to consult with the administrator on the needs of women veterans concerning health care, rehabilitation, benefits, compensation, outreach programs and other Veterans Administration programs.

Administrator Walters named

Colonel Lorraine Rossi, U.S. Army (Ret.) as chairperson. The majority of the committee are women veterans from World War II, Korea and Vietnam. One member, Staff Sergeant Cherynne Galligan is an active duty non-commissioned officer in the U.S. Army.

"I look forward to working with this dynamic committee in planning for the increased number of women veterans who will use the services of the Veterans Administration in the future," Walters said.

Administrator Walters emphasized that the members of the committee were recommended by veterans organizations, womens' groups, professional associations and government agencies and were chosen from throughout the United States.

## DPS Warns Texas Drivers About Holiday

Major V.J. Cawthon, Commander of the Texas Department of Public Safety in Region 5 said, "We will use all available personnel to reduce the death toll during the Labor Day holiday." He said, "In 1982, fifty persons were killed in traffic accidents on Texas streets and highways during the Labor Day holiday."

This is the last holiday of the summer and thousands of motorists will take to the highways for an outing. Some of these motorists will be driving at high rates of speed. Others will be intoxicated. Cawthon said, "These two combinations plus the lack of seat belt usage could cause a high death count this Labor Day weekend."

He said, "Our troopers will be aggressive in combating the speeding and DWI problem because these violations continue to be the leading factors in fatal accidents."

He added, "The Texas Department of Public Safety urges all Texas drivers to slow down to the legal speed limit, avoid the use of alcohol if they plan to drive, and to use their seat belt for safety."

MEETS SECRETARY...Bill Carrothers of Olton, a former Friona resident, is shown with Secretary of the Interior James Watt, during a recent conference for the Young Cattlemen.

## B. Carrothers Makes Tour Through U.S.

The fourth annual Young Cattlemen's Traveling Leadership Conference, sponsored by the National Cattlemen's Association (NCA) and its affiliated state and national breed organizations, was completed recently. The program is designed to assist in the development of future leaders of the beef cattle industry.

The 24 young cattlemen, selected by their sponsoring state cattle and breed organizations, traveled across the nation, from San Francisco to Washington, D.C. They were exposed to various aspects of the livestock industry during the six-day tour.

Members of the group, all under age 40, began their tour in Denver, where they were given an overview of the role of NCA by NCA president W.J. (Dub) Waldrip and NCA executive vice president W.T. (Dub) Berry. They attended workshops on policy development, communications and membership development. The group was also introduced to Cattle-Fax, a cattle market analysis service associated with NCA.

Among the delegates to the conference was Bill Carrothers, a former Friona resident. Carrothers is the son of the late Jack Carrothers, an early force in developing the cattle industry in this area.

To learn more about the retail meat business, the group next visited the corporate headquarters of Safeway Stores in Oakland, Calif. Safeway executives, including their president, Dale Lynch, explained Safeway's retail marketing approach, which includes a new nutrition awareness program for customers.

While in the Bay area, the young cattlemen visited the headquarters of Syntex Corp., an international health care firm that also produces growth promotant products, vaccines and veterinary products for animals.

The young cattlemen next traveled to Chicago, where they visited the Chicago Mercantile Exchange (CME). CME president Clayton

Yeutter commented on plans to move into a new building, to establish a certificate of delivery in December and to introduce a pilot program in agricultural options trading next year.

While in the Chicago area, the group visited nearby International Minerals and Chemical Corp. (IMC). IMC executives and technical experts introduced the group to marketing and research aspects of growth stimulants and anabolic agents in livestock production.

The final two days of the tour were spent in the nation's capitol. Following a special tour through the Capitol building, the cattlemen attended a Congressional briefing and luncheon in the historic Mansfield room of the Capitol.

They heard from top congressional leaders, including Cong. Tony Coelho, (Calif.), chairman of the Democratic Congressional Election Committee and member of the House committees on Agriculture, Interior and Insular Affairs; and Congresswoman Virginia Smith, (Neb.), ranking minority member of the House Appropriations subcommittee on agriculture and related agencies.

By Mildred May  
"Sunshine!" 'Though jargon of the C.B. trails,  
What better could describe this lovely one,  
Whose radiant smile was like the rainbow's glow,  
Or glistening dew, touched by the morning sun.

This spring, like never before it seems, just about every gardener you talk to had trouble getting vegetables to come up and, even when they did, they didn't get a good start.

However, now that vegetable harvest is with us, all the earlier problems are forgotten. Have freshly picked tomatoes, beans, peas, cantaloupes, cabbage, onions, potatoes, cucumbers and squash ever tasted better? If they have, we've forgotten that, too.

At any rate most of us are eating a lot of Parmer County produce and enjoying every bite of it.

An ex-Frionan, who has grandparents here, participated in the Little Miss Austin Contest in the Capitol City recently. Tiffany Weatherly, six year old daughter of Mr. and Mrs. James Weatherly, was one of the top ten finalists.

Tiffany, whose mother is the former Cindy Hutson, was born here. Her grandparents are Mr. and Mrs. Leland Hutson and Mrs. Lois Weatherly. Mrs. Thelma Hutson, who also lives here, is Tiffany's great-grandmother.

James and Cindy and their two daughters, Tiffany and Shayla, visited local relatives last week.

Little Clint Wilson Cox, son of Mr. and Mrs. Leroy Cox of Amarillo, visited his maternal grandmother, Mrs. Elroy Wilson recently. He was born July 14 in Amarillo and was accompanied to Friona by his sister, Carrie, and mother, the former Terri Lynn Wilson.

Clint's other grandmother, Marie Cox, lives in Farwell.

Several local residents, descendants of the late E.D. Matlock, attended funeral services for one of his sisters, Mrs. Leora Winn, in Plainview Friday.

Family members attending the services were Mr. and Mrs. E.D. Skipworth, Jim and Carla, Mr. and Mrs. Forrest Osborn, Carl Osborn,

Mr. and Mrs. Delton Lewellen and Mr. and Mrs. T.A. Kelley.

Mr. and Mrs. Donnie White of Hereford also attended.

Pallbearers were Delton Lewellen, Jim Skipworth, Carl Osborn, Donnie White and Jim and Jerry Matlock, both of Plainview.

Mrs. Elva Matlock is convalescing at home following a stay in the local hospital.

Mrs. Fairrie Parker, who is Marlene Drake's mother, is moving from Bells, Texas to 1400 Jackson, the former residence of Mr. and Mrs. Darell Thompson.

The Thompsons are moving to a farm southeast of town.

Although Mrs. Parker has not lived here for many years, she has visited here many times and has a lot of friends here.

She and her husband, the late A.C. Winchester, and daughters, Marlene and Alva, lived here a short time during the late thirties or early forties.

Bud and Arvilla Elmore spent Thursday night in the home of Mr. and Mrs. Larry Elmore and daughters, Andre and Rene, who live at Sundown, Texas.

Other guests in the Elmore home were Dale and Dolores Elmore Spivey, who live in Comanche, Texas.

The annual American Legion Auxiliary Sale has been set for September 9 and 10 and will be held in the Friona Texas Federal Credit Union Building.

Hours will be from 1:00 p.m. to 5:00 p.m. each day.

Anyone desiring to contribute items for sale may call Geneva Williams at 247-3206 or Marlene Drake at 247-3249.

The Floyds spent the weekend in the home of John, Geneva, Joel and

Heather Osborn at Tipton, Oklahoma. Brandon Dickson, who had been with us ten days, accompanied his parents, Richard and Frieda Dickson, to their home in Garland Saturday.

We returned home Sunday evening. Crops in the western part of Oklahoma east of Memphis were beautiful. There had been enough rain to get volunteer wheat up and the entire countryside was very pretty.

Many many huge planes were parked at Altus Air Force Base. Someone told us that many of them had been flown from the Gulf Coast because of the hurricane.

Recent visitors in the home of Mr. and Mrs. Roscoe Parr Sr. have been Keith Brock, Hart; Jan and B.J. d'Orsay, Seminole, Texas; Doris Seigler of Thoreau, New Mexico and Sandra Roots of Greenland, Arkansas.

Mrs. Roots, who is Mrs. Parr's daughter, left for her home Thursday after spending twelve days here.

She and her mother took Mrs. Seigler to Thoreau then went on to Arizona and toured the Petrified Forest and the Grand Canyon before returning home.

Hannah Lookingbill returned home Monday after an absence of about three weeks. She was accompanied by an aunt, Mrs. Exa Gunn, who returned to her home in Dallas Friday.

Mrs. Lookingbill had surgery at Baylor Medical Plaza in Dallas August 3. After about ten days she was dismissed and went to the home of her aunt for recuperation before returning home.

She reports that she is doing fine and has been working in the yard and garden and canning vegetables.

Mildred May submitted the following this week:

**SUNSHINE AND SHADOWS**  
(In loving memory of Cynthia Bishop)

Her sweet soft voice of, "How are you today?"  
Lent credence to the reason she would ask,  
For friendliness was such a part of her  
That kindness was her joy--and not her task.

Love for her family reigned in Cynthia's heart;  
Devoted daughter, sister, aunt and wife,  
Whose broken hearted husband said of her,  
"She gave eight years to me--best of my life."

Fond memories frame a portrait of her life,  
As day-by-day she brushed in true design  
Beauty in patience, courage, love, and hope  
That time cannot erase from memory's shrine.

For all, how fragile life rests in our hands,  
But faith looks out beyond this vale of sorrow,  
For we are but so-journers all our days,  
Wending our way toward the Great Tomorrow.

Now Cynthia would not want her loved ones crying,  
And she was not a person to complain,  
So, let's look up and find the dark clouds rifted,  
And see our Sunshine smiling through the rain.

The ceremony was conducted in the St. Cyril of Alexandria Catholic Church, Houston, by Father Edward Randall.

The bride is the daughter of Porter and Jean Roberts of 1208 Virginia,

Friona.

The bridegroom is the son of Ralph and Stella Shirley of 708 Woodland, Friona.

The church was decorated with two arrangements of daisies, white gladiolas and white rose buds. A unity candle was lit during the ceremony.

Mrs. Mary Stallings, organist,

and Nancy Stragusa, guitarist, accompanied Jo Ann Vallot, vocalist, as she sang "One Hand, One Heart," "One Bread, One Body" and "Set Me Like A Seal On Your Heart."

As the bride was presented in marriage by her father, she was attired in a formal length gown. The gown featured a chiffon knit skirt, high banded neckline, cap sleeves and

a long torso bodice. The bodice was accented with silk venice lace motifs. The attached chapel length train was edged with silk venice lace.

The bride wore a bandeau veil of imported silk illusion. The fingertip length veil of silk venice lace was edged with matching lace.

Her pearl and diamond earrings, a gift from the groom, were new. She wore the traditional blue garter.

Jalaine Lee of Houston served as the maid of honor. Bridesmaids were Mrs. John Archer of San Antonio and Sandra Cucuzza of Houston.

The feminine attendants wore full length gowns of blue tinasetta fashioned with empire waistlines and crystal pleated skirts. The high necklines were accented with sheer English net yokes and chantilly lace capelets.

They carried spring bouquets of daisies, mums and roses.

Gary Shirley of Houston, brother of the groom, served as best man. Groomsmen were Dwight Gardner of Houston and Mike Roberts of Lubbock, brother of the bride.

Amber Archer of San Antonio was the flower girl. Gift bearers were Margery, Jennifer and Michael Lee, all of Houston.

The reception was held in the home of Mr. and Mrs. Forrest Singletary.

Leigh McAllister registered the wedding guests.

The table was decorated with the flowers from the wedding ceremony. The three tiered wedding cake was decorated with white icing and daisies.

Assisting at the reception were Mrs. Forrest Singletary, Mrs. Gerry Clark, Mrs. James McAllister, Mrs.

Mr. and Mrs. Richard Shirley

Jimmy Kohli and Misty Singletary.

For a wedding trip to Hawaii and the island of Oahu, the bride chose a red and white sundress with white bolero jacket.

The couple will reside at 7730 Loro Linda Dr., Houston.
