Longhorns win county championship

COUNTY CHAMPIONS--The Lockney Longhorns enjoy their triumph over their arch rivals--the Floydada Whirlwinds after the County Championship

game, Saturday, September 13, at Mitchell Zimmerman Field in Lockney. The game ended with a score of 42-0. Staff Photo

By Coach Malcom Moerbe

The Lockney Longhorns registered their first victory of the 1997 football season with a 42-0 win over the Floydada Whirlwinds Friday night at Mitchell Zimmerman field. This is the 71st meeting on the gridiron between the Floyd County rivals.

Still smarting from the after effects of an opening loss to Dimmitt the Horns found the going tough in the first quarter against the fired up Whirlwinds.

The two teams battled on even terms during the first quarter. But this changed following a punt by the Whirlwinds, which landed on the Lockney 9 yard line. Quarterback Carson Johnson then directed the Longhorns on a 91 yard drive which ended with a 23 yard run by fullback Miguel Guerrero. Johnson kicked the first of his 6 extra points for a 7-0 lead.

The Lockney defense played tough during each Whirlwind offensive series the remainder of the quarter. The Horn offense led by lineman Bradley Veal, Tyson McDonald, Josh Lambert, Simon Martinez, Jeff Archer, and Brett McQuhae enabled the Lockney attack to put 3 more scores on the

board before halftime. J.R. Walker's 59 yard run and two Devon Phillip's scores from 33 and 14 yards out gave the home team a 28-0 lead at the break.

Buoyed by fine defensive play, both teams played tough in the third quarter. But the Horn attack was not finished as they put two more scores on the board. Phillips scored his third touchdown of the night early in the fourth quarter on a 13 yard run to make the score 35-0.

The Lockney defense set up the final touchdown as Rodolfo Cervantes caused a fumble by the Whirlwinds, which was recovered by Anthony Poole. Poole did the scoring honors himself as he pushed across the goaline, from 3 yards out, to conclude the scoring behind impressive blocking on the 24 yard drive from Marc Wilson, Hank Henderson, McQuhae, Archer and McDonald.

The Whirlwinds continued to fight as they marched deep into Longhorn territory on their final drive. But Lambert and Eddie Amaya combined to shut down the Floydada offense deep in their own end of the field to preserve the shutout, and the Horns won

their third Floyd County Championship in a row.

The next action for the Longhorns is Friday at 7:30 in Post against the Antelopes. Post will be looking for revenge following two losses to the Longhorns last year, including a 13-7 loss to Lockney in the Bi-District game. Floydada returns home to face Abernathy this Friday. Good luck to both teams.

DEFENSIVE POINT LEADERS

GAME: Charles VanZandt - 36, Devon Phillips-30, Jeff Archer-26
SEASON: Charles VanZandt - 65, Anthony Poole - 54, Devon Phillips - 51

OFFENSIVE LEADERS

PASSING: Adam Cummings - 14 yards
RECEIVING: J.R. Walker - 14 yards
RUSHING: Devon Phillips - 157 yards
BLOCKING: Entire offensive line
SPECIAL TEAM: Jordan Lambert (punter)

Intersection lights to change

FLOYDADA--To help the flow of traffic in the 100 block of E. Missouri, the traffic control at the intersection of Missouri and Wall will be changed. The east-west traffic will be caution and will not be required to stop as it currently does.

This change is being made to assist with the flow of truck traffic. The change will become effective, Monday, September 22, 1997.

All motorists are reminded to approach the intersection with caution. All other intersections will remain as they currently are.

New laws could alter teen car privileges

New juvenile alcohol and tobacco laws hit youth where it hurts--their prized driver's license.

According to the laws, now in effect, a law enforcement officer need only smell alcohol on a juvenile's breath in order to arrest the juvenile for Driving Under the Influence of Alcohol by a Minor (DUIA by a Minor).

In Texas a "Minor" is someone under 21 years of age.

Minors cannot purchase, attempt to purchase, consume, or even possess an alcoholic beverage.

Since this law was already in effect, the Texas Legislature has established a ZERO TOLERANCE for minors who commit offenses while under the influence and for those who drive under the influence.

Zero tolerance means just that. Even if a minor is not intoxicated, as defined under the DWI statute, if the minor has ANY detectable amount of alcohol in his system while he is operating a motor vehicle in a public place, the minor driver has committed the criminal offense of DUIA by a Minor.

The Charge is a Class C Misdemeanor. The First Offense, if under 17 years of age, is punishable by a fine up to \$500.00, not less than 20 nor more than 40 hours of community service, and the minor's driver license may be suspended (or his privilege denied) for up to 12 months. Attendance in an Alcohol Awareness Course is required and, if the minor is under 18, the parent may be required to attend the course.

At the Second Offense the fines stay the same but the community service is increased to not less than 40 hours nor more than 60 hours.

On a Third Offense by a minor 10-17 years of age, the fines and community service are the same, however, the juvenile faces suspension of his driver's license until the minor is 19, or 365 days (whichever is longer).

If the minor is older than 17, but younger than 21, it becomes a Class B Misdemeanor with a fine not less than \$500 or more than \$2,000; not less than 40 hours nor more than 60 hours of community service, and/or

confinement in jail not to exceed 180 days.

If the minor commits a crime while operating a motor vehicle, and has any detectable amount of alcohol in their system, the person is deemed to have consented to submit to taking a breath test or blood test.

Refusal of the test results in suspension of driver's license of driving privilege.

AFTER THE ARREST

A police officer with reasonable suspicion or probable cause may stop any vehicle for a traffic offense.

If the officer believes that, in the case of a minor who has been operating a motor vehicle, there is ANY detectable alcohol in the minor's system:

The minor is arrested, and his car may be towed.

He may be handcuffed, taken to a police department or county jail, and given the opportunity to take a breath test. He may be taken to a hospital or clinic for a blood test. The test is designated by the officer.

If the test is refused, or if the test indicated that there is ANY detectable amount of alcohol in the minor's system, the driver may be placed in jail and held until bond is made or appearance before a magistrate or Juvenile Court Judge.

ADULTS WHO PROVIDE ALCOHOL

A person who purchases an alcoholic beverage for a minor or who furnishes an alcoholic beverage to a minor can be punished by a fine up to \$2,000.00 and/or confinement in jail for up to 180 days.

A person who sells a minor an alcoholic beverage can be punished by a fine up to \$4,000.00 and/or confinement in jail for up to one year.

TOBACCO USE

A minor who possesses, purchases, consumes, or accepts a cigarette or tobacco product, or lies about his age to obtain the product can now be charged with a Class C Misdemeanor.

The fine for this offense cannot

Family loses possessions in house fire

FIRE GUTS HOME--A fire on Tuesday, September 9th, in Lockney, gut the inside of this home in the 600 block of W. College. Although the outside of the home

survived the fire all inside was destroyed. A trailer backed up to the home can be seen here loaded down with the trashy remains of the interior. Staff Photo

LOCKNEY--Mario Hernandez and his 11 year old daughter, Melody, lost everything they owned when their house burned, September 9.

According to family members, Melody was getting ready for school when she noticed smoke in the ceiling of a front room.

She ran to the home of a friend and called 9-1-1.

Firemen arrived but were unable to save the belongings in the home.

The house, located in the 600 block of W. College, was owned by Rodney and Blanca Rodriguez, of Lubbock.

The Hernandez' did not have insurance on their belongings and there was no insurance on the house.

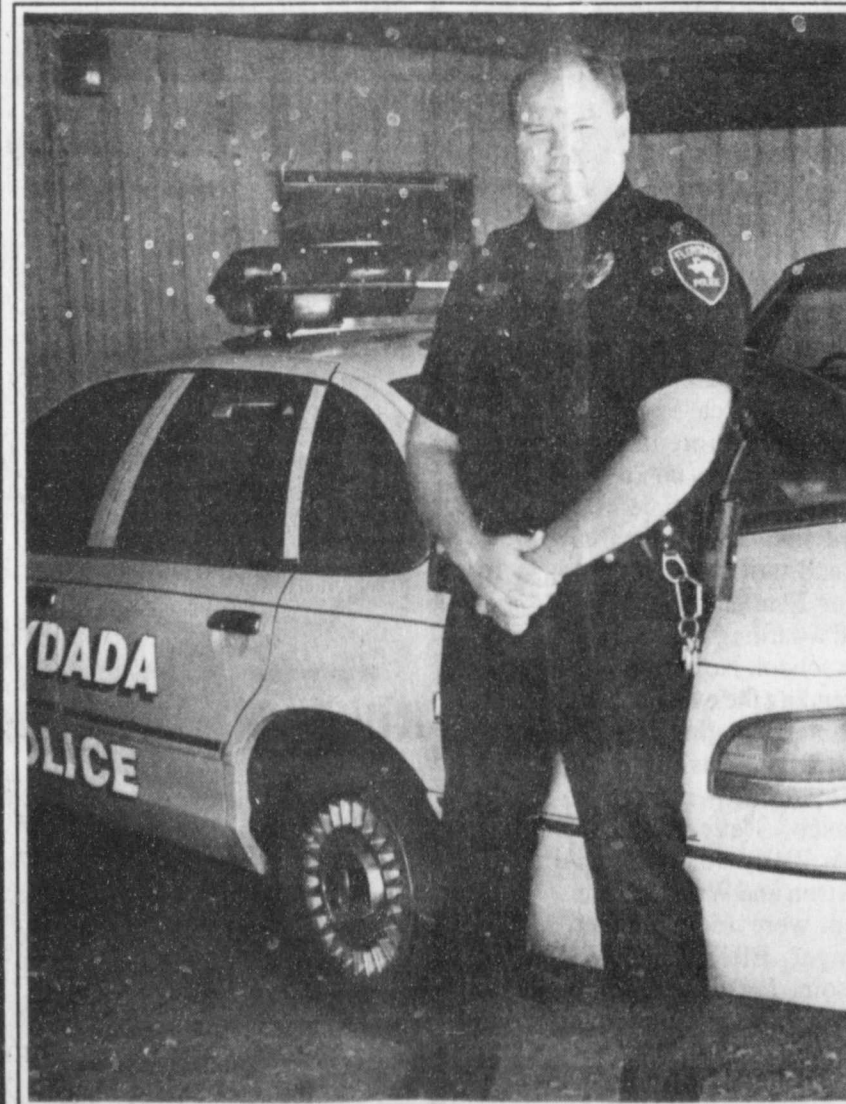

"They lost everything," said a family member. "All the furniture is gone, the bedding and towels, the refrigerator, microwave and dishes."

Anyone wishing to donate items to the family can deliver them to 714 N. Main in Lockney, or call 652-1218.

Melody wears adult medium shirts, 12 medium pants, and 12 medium petite shoes.

Gooch is new police chief

POLICE CHIEF DARRELL GOOCH

FLOYDADA--After meeting in executive session for 3 1/2 hours, Floydada City Council named Darrell Gooch as the new Floydada Police Chief.

The choice of candidates had been narrowed down to three men. Besides Gooch, Tom Sanderson, of Boyd, and Terry Bouchard, of Perryton, were also interviewed by the council.

After the interviews and discussion, Councilman Eric Cornelius made

Lockney unites to fight drugs

LOCKNEY--Do you think there is a drug problem in your community?

Find out--at a special informational program on drugs available to your kids and in your community, September 30, at 7:30 p.m. in the Lockney High School Gym.

The program is being presented through a joint effort of the Lockney Police Department, LISD, area law enforcement, counselors, and community leaders.

An effort will be made during the program to ease fears of those who may believe drugs are rampant in Lockney, and enlighten those who believe there is no problem at all.

"You don't have to be a parent to come to this meeting," said School Counselor Charlotte Mitchell. "Drugs affect everyone in the community through increased crime and violence."

The subjects of the meeting are designed to address the needs of adults only and, if necessary, baby-sitting services will be available at the Lockney Junior High gymnasium.

Subjects to be discussed will be: types of drugs available in Lockney and Floyd County; how to recognize these drugs; what is paraphernalia and what to look for; why youths turn to drugs; recognizing the symptoms; consequences of drug use and help available.

Parents and others in the commu-

nity will be guided in what they can do to help.

The subject of gangs will also be addressed and the audience will be educated in what to look for to know if someone is associated with a gang.

Guest speakers will include: Catherine Boring, a gang specialist with the Lubbock Juvenile Probation Department and Kay Brotherton, Chemical Dependency Counselor with the Floyd County Juvenile Probation Department.

After the first portion of the program a special panel will be seated to answer questions and concerns of the audience.

The panel will consist of: Lockney Mayor Gary Marr, District Judge Randy Hollums, County Judge Bill Hardin, District Attorney Becky McPherson, Chief Juvenile Probation Officer Bruce Ballou, LHS Principal James Poole, Kay Brotherton, Counselor Reye Valdez, and Police Chief Jerry Edwards.

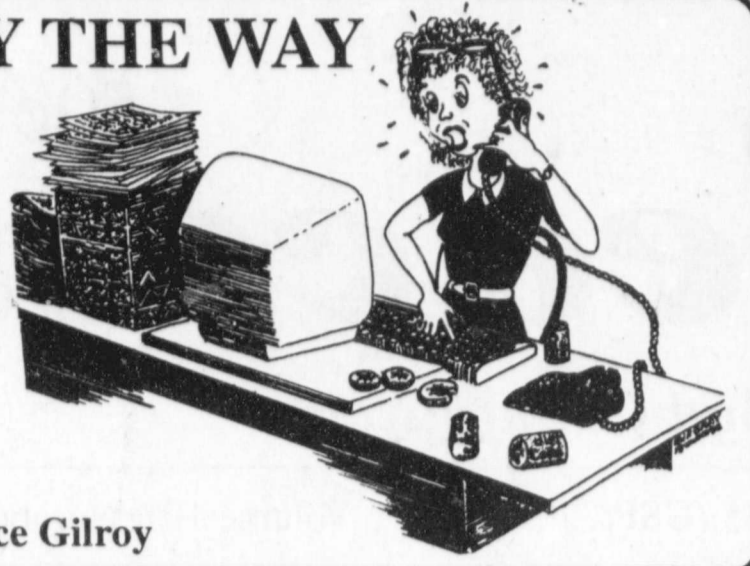

"We want to show our youth that we have high standards in this community," said Mitchell. "We care about our youth and we are going to take a stand together."

According to the organizers of the event the session should not only help those who might over-react to the problem but also those who might have "their head buried in the sand."

Love Fund

A Love Fund, in memory of Anita West, has been started at the First National Bank of Floydada. The money will be used to help the family with funeral expenses.

BY THE WAY

By
Alice Gilroy

Have you heard about the new federal rules which have taken effect that requires television broadcasters to air at least three hours a week of educational shows for children.

Sounds like a good idea. I don't have anything against educational TV--if you can get the kid to watch it.

However, it does worry me that the government is going to decide what is educational.

The FCC says the material must serve the intellectual, cognitive, social and emotional needs of children aged 16 and under.

I have this horrible vision of "Ellen" as the voice of a cartoon character. She will do another show about "coming out of the closet."

I personally thought that whole debate over Ellen's "coming out" was very educational. It just wasn't the kind of education I wanted my kid to see.

Obviously the TV network executives disagreed--since they put the

show on prime time for the whole family to enjoy together.

Speaking of TV education.

Vice President Al Gore's new project is to make Hollywood quit producing movies that show actors smoking.

Gore thinks it teaches the wrong things to our children.

He didn't see it necessary to go after Hollywood for the violence and drug use in its movies. He also didn't say anything negative about all the casual sex in the movies.

He just doesn't want you to smoke a cigarette.

I saw a reporter ask Mel Gibson what he thought of Gore's attempts. He said he thought it was the stupidest thing he had ever heard. He then made a statement that I know endeared him to all of Hollywood executives and Washington D.C.

In reference to Gore's new campaign, Gibson said, "When they stop lying--I'll stop smoking!"

Floydada Police Report

September 8, Floydada Police were summoned to the 200 Block of E. Hallie in reference to a domestic disturbance complaint.

While at the scene the complainant pointed out a car driving by the house. According to the police the complainant stated the occupants had been involved in the disturbance.

The vehicle was stopped and the driver, Ezereal Gonzales, 29, of Floydada, was arrested for DWI. A passenger, Michael Lee White, 22, of Arlington, was arrested for Public Intoxication.

September 9, Dwayne Jordan, 18, of Plainview, was arrested for Theft of gas from Friends Convenience Store. Jordan paid the fine and restitution and was released.

September 10, Vernon Lee Black,

21, and Alejandro Riojas, 19, were picked up on Floyd County Warrants for Theft.

September 11, at approximately 10:54 p.m., police were called to a home in the 400 block of W. Crockett. According to police, a woman living in the house was awakened by a noise. As she was walking through her hallway to check it out she met an unknown assailant in the hall. The assailant punched her twice in the face, knocking her down and then fled the scene. The victim could not describe the assailant.

September 13, police took a report of a theft of Mag wheels from a trailer parked in the Lot-O-Burger parking lot. The value of the wheels was \$40.00.

Lockney teenager remains hospitalized after car accident

LOCKNEY--A seventeen year old girl, Jennifer Rodriguez, of Lockney, remains hospitalized at W.J. Mangold Memorial Hospital after being ejected from a vehicle involved in an accident Saturday, September 13.

Police were called to the scene at 6:21 p.m.

Rodriguez was a passenger in a 1989 Chevrolet Blazer, driven by Jennifer Hernandez, 17, of Floydada. Marina Luna, 17, of Floydada, was also a passenger in the vehicle.

The Blazer was northbound on FM 378. As it was crossing Hwy. 70, the driver failed to yield the right of way

and was hit by a 1995 Nissan Pickup, driven by George Garcia, 37, of Plainview.

The force of the impact ejected Rodriguez from the vehicle. All the occupants of the Blazer were taken by ambulance to W.J. Mangold Memorial Hospital. Hernandez and Luna were treated and released.

Garcia was taken to the hospital by private vehicle. He was treated and released.

No citations were issued.

The Nissan was towed from the scene and the Blazer was driven away.

FISD discusses funding for annual convention

Board to begin recognizing Teachers of the Month

By Juanita Stepp
FLOYDADA -- FISD board members discussed paying their own expenses for attending the annual school board convention in Houston later this month during their regular board meeting.

Board member Charlene Brown said it was a way to demonstrate to the public the board was willing to do their part toward holding the line on expenses. She said, "We have for the past couple of years asked our principals, teachers and employees to do their best to keep their expenses down and to make do with what they had available. I feel that it is our turn to give a little."

Board member Jack Robertson said, "We are proposing to raise the taxes, maybe we need to propose that we give a little too."

After discussion, it was decided that each board member would be able to decide for themselves if they would pay their own expenses. An accounting would be provided by the business office and any member who wants may reimburse the school for all or part of their expenses on a voluntary basis.

FISD Superintendent Jimmie Collins instituted a new award program for teachers at the September regular session of the trustees Tuesday, September 9. Collins said he wanted to start a Teacher of the Year award and to do so had implemented a Teacher of the Month award.

"Each of the four campus locations will have the chance to nominate 2

teachers during the school year and one will come from the Alternative School," said Collins. "Each monthly award winner will then be considered for the annual award. Each monthly winner will receive a certificate to mark the occasion and a \$25.00 gift certificate."

Collins introduced Caprock Counties Learning Cooperative Principal T. W. Gaussoin who presented the first Teacher of the Month. Science teacher Kathy Givens was selected as the September honoree.

"She has a way of making the students excited about their work and can make them want to know more," said Gaussoin. "This is a skill that is most important in a teacher, and we are fortunate to have her."

FISD Trustee Jack Robertson was appointed to be the district's representative on the Floyd County Central Appraisal District Board of Directors. He will begin his term on January 1, 1998, replacing Adrain Helms who retires as of December 31, 1997.

Board members approved payment of monthly bills and read and approved the minutes from previous meetings held in August and September. Policy Manual Update 56 was unanimously approved by the board.

A tax collections report was presented by Administrative Assistant Dick Van Hoose showing collections as 98.15 percent complete as of August 31. A total of more than \$1,649,000.00 in tax revenues for the 1996-97 school year have been collected.

Board votes to keep same tax rate

LISD to introduce a drug testing policy

LOCKNEY--The LISD Board met Thursday night in regular session to discuss a student drug testing policy, set the tax rate and hire an assistant band director.

Superintendent Raymond Lusk opened the discussion on the subject of drug testing the students. He stated, "We have worked up a basis for a drug testing policy if the school board thinks there is a need to implement such a policy."

"This will tie in with the meeting held recently between law enforcement officers, youth organizations sponsors, school officials, city council members and a member of the Drug Task Force from Lubbock."

Lusk continued, "A policy could give kids a reason to stop using drugs. Hale Center, Tulia, Morton and Farwell are doing drug testing now."

Board members discussed who should be tested and decided that all students in extra-curricular activities in both high school and junior high school be randomly tested.

"This would be a good tool to counter the talk around town that the students can get drugs easily," stated Jessie Garza.

"I think we have some kids using drugs," Garza continued, "but not as many as most people think."

All agreed with Bernie Ford when he stated, "There will be some who disagree about doing the testing."

"I would hope they would be more interested in helping the kids who need help," Carlton Johnson said.

"But there are so many rumors around town right now that this is one way our kids names can be cleared, or if they are then we can go to work on the problem," Malcolm Moerbe said.

The board agreed to work on a policy and present it to the parents and community at a meeting on the night of September 30.

A motion was made by Carlton Johnson and the second by Bernie Ford to set the tax rate at .1635. This is the third consecutive year that the rate has remained the same. "At this rate the school district will bring in approximately the same amount of money that it has in previous years," stated Superintendent Raymond Lusk.

Steve Knight was approved as assistant band director. He came with a good recommendation. He worked at Lubbock Cooper for several years as an assistant and has recently been composing marching schemes for bands. He has worked on several pieces performed by the Lockney Band. Lusk stated that Knight would be able to start to work immediately.

A bid of \$44,262.25 from Crown Statewide Bus Sales, Inc. was accepted for a 72 passenger bus. The bus is a 1998 Carpenter Classic on

1998 Navistar (DT-466) Allison At-545. The motion was made by Bernie Ford and the second by Dan Smith. All voted for.

Bids ranging from \$41,957 to \$51,498 were also received from Longhorn Bus Sales and Texas School Bus Center, Inc. The bus accepted is the same that has been purchased from Crown before and Lusk stated that it is the same body and motor of several others in the LISD fleet and they have given very little trouble. The \$41,957 bid was for a bus with a smaller motor.

A letter was received from the Lockney Band Boosters asking for assistance in refurbishing the concession stand at the football field. Lusk said that the concession stand building belonged to the school district and that everything inside it belonged to the band boosters. "We cannot make them a donation for purchasing equipment, but we can do some work on the building. They are trying to make it more convenient for those who work and also on the customer waiting in line."

Bernie Ford made a motion to help with the building of cabinets and repairs to the building in an amount not to exceed \$1200. The second was made by Carlton Johnson. All voted

for. Junior High Principal Terry Ellison brought up the subject of the shorts the students are wearing to school. Several years ago the students asked to be able to wear shorts and a policy was set about length and fit. "They should be as long as the students fingertips," he stated.

"We have too many children in junior high and high school who are abusing the privilege and I wanted you (school board) to be aware. I am hoping that the students and parents will correct the problem before we have to take the privilege away," said Ellison.

Poole agreed and added that he was also concerned with the short tops that are being worn. "It is up to the students and the parents. So far we haven't sent anyone home to change and I hope that we don't have to. I hope they will correct the problem themselves."

Principal at elementary school, Phil

Cotham, reported on the student bank the First National Bank in Lockney is setting up for the students. "The students will be able to open an account and make deposits on Fridays."

"One of Mrs. Aston's classes will be in charge of helping the children and Ted Young's ag class has built a small three window tellers cage to make it more authentic. The students will receive a statement of their account each six weeks. We are hoping this will encourage them into a life-long habit of saving."

In regular business before the board the minutes of the previous meeting were read and approved, a motion was made to pay the current bills, and the financial statement was reviewed.

Present at the meeting were Superintendent Raymond Lusk; Principals, James Poole, Terry Ellison, and Phil Cotham; Athletic Director Malcom Moerbe; Mayor Gary Marr and Alderman Bill Anderson and the Hesperian-Beacon reporter.

Courtroom Activities

In County Court, September 11, Armando Mata Lopez, 23, of Floydada, was charged with DWI. There was no disposition on this case.

Board meeting night for October was changed to Monday, October 13. The change was made to accommodate board members attending a required school board training session on the regular meeting night, Tuesday, October 14.

One resignation was accepted by the board. It came from cafeteria worker Luisa Rea.

In the superintendent's report, Collins asked the board to consider taking action sometime in the future toward alleviating the parking problems and traffic congestion at A. B. Duncan Elementary School. He suggested a parking lot on the north side of the school. No action was taken.

Attending the evening session were Superintendent Jimmie Collins, Administrative Assistant Dick Van Hoose, board members Mitch Probasco, Steve Lloyd, Charlene Brown, Billy Joe Villarreal, Jack Robertson and William Dean. Others present were Joe Christian, Monty Hysinger, Ellen Enriquez, T. W. Gaussoin, Joe Stepp, Kathy Givens and the Hesperian-Beacon reporter.

Fire destroys family belongings

The fire is believed to have been caused by some type of electrical short.

PAC ready for extended hours

The building is finished, the staff has moved in and the PAC concept has become a reality in Floyd County. September 1st the Parent Adolescent Center began operating with longer hours and a full range of services.

Not only does the building house the Juvenile Probation Department, it also incorporates MHMR, Catholic Family Services, Floyd County Independent School Districts and STAND.

All the services are committed to working together to fill the needs of "at risk" juveniles.

Juveniles who are referred to the Juvenile Probation Officer not only are faced with the prospect of detention and a boot camp regiment, they can also be enrolled in drug rehabilitation, and classes to learn social skills.

They are also shown to washer and dryers and to the kitchen to learn the art of washing clothes and cooking.

A full time teacher is on staff to make sure school work is also part of the juveniles daily routine.

Juveniles on probation must report to PAC every morning and many are not allowed to return home until 10:00 p.m. at night. Their probation would be revoked if they are seen outside their home after 10:00 p.m.

Chief Juvenile Probation Officer Bruce Ballou has worked hard at making the PAC a reality and he has now been joined by an able staff to

make his life easier.

The office has a new Juvenile Probation Officer, Mindy Shadden, and Substance Abuse Intervention Counseling Specialists, Reye Valdez and Adela Munoz.

Kay Brotherton is the Clinical Supervisor and STAND grant coordinator. Brotherton's administrative assistant is Julianne Cornelius. Giselda Martinez is clerical staff.

Diana Williams is a rehabilitative caseworker for MHMR. She is helped out by MHMR counselor, Brenda Parker.

Terri Kirk is the teacher at PAC. She is assisted by Oscar Garza.

Matthew Escalon represents the Catholic Family Services one day a week.

Late nights are divided up among the more experienced staff and another Juvenile Probation Officer, Kevin Brendle, who travels from Dickens and Motley Counties to help at the PAC one night a week.

The Center is also helped out the evenings by Aramando Morales, Ilda Vasquez and Ester Arellano.

"The PAC is a mini-mall of social services," said Kay Brotherton.

As the STAND coordinator, Brotherton has four counselors who report to her.

STAND is a brand new program which has been made possible with funds by the Texas Commission on Alcohol and Drug Abuse through the Juvenile Probation Commission.

The STAND Program has been set up to teach individuals about the effects of drugs and alcohol; the damage to their bodies, dangerous behavior, harm done to family and friends and financial losses.

The program is designed to help individuals with low self-esteem, to teach them to appreciate their unique character, values, setting goals, self care, and respect for others.

Most of the youth involved in STAND are referred by the Juvenile Probation Office after a drug test has shown the youth to be chemically dependent.

Another aspect of the STAND Program is ROPES. "I am very excited about ROPES," said Brotherton. "It is a physical challenge course to build self esteem, problem solving skills and teamwork. It is a comprehensive program to cover all aspects of a kids life."

Covering every aspect of a kids life has been the dream of the PAC. PAC staff are doing their best to help youth who have never had the chance at learning the simple art of setting a table or carrying on polite conversation.

Visitors to the Center will find it spotless thanks to the constant cleaning by the juveniles. Every room is busy with school, counseling, detention, cleaning, cooking, and physical fitness.

It appears a "mini-mall" really has come to Floyd County.

PAC STAFF--New staff members at the PAC in Floydada are: (back row, l-r) Oscar Garza, Reye Valdez, Julianne Cornelius, Kay Brotherton, and Mindy Shadden; (front row, l-r) Adela Munoz, Terri Kirk,

Diana Williams, and Griselda Martinez. Not pictured are: Brenda Parker, Matthew Escalon, Kevin Brendle, Aramando Morales, Ilda Vasquez and Ester Arellano. Staff Photo

Commissioners to advertise for insurance bids

Floyd County Commissioners met in a reconvened session Monday, September 15. They addressed the matter of insurance coverage for the county during the coming year. In the absence of proposals from insuring agencies, the commissioners voted unanimously to advertise for bids on the coverage.

The county also approved the bond for Floyd County Central Appraisal District Chief Appraiser Shelia Faulkenberry. The bond is in the amount of \$83,000.00 and the fee for it is \$415.00.

Final budget amendments were approved and year end bills paid after review by the court. Three farm work contracts were also approved for J. R. Belt, Keith Stansell, and Jim Doucette.

Attending the session were Judge Bill Hardin, Commissioners RayNell Bearden, Lennie Gilroy, George Taylor and Jon Jones, budget clerk Linda Turner and the Hesperian-Beacon reporter.

confrontive and nurturing at the same time.

Shadden is also enjoying the role as "physical trainer". Every day Shadden can be seen running the juveniles at least 1 1/2 miles.

"I enjoy the physical training," said Shadden. "I am a very high energy kind of person."

"I also enjoy the hands on interaction and the counseling. I've always worked with troubled youths. I want to do my part to try and help dysfunctional families."

and completed her BS degree in Human Services this year, at Wayland Baptist University.

She specialized in Psychology and has worked with emotionally disturbed kids in Abernathy ISD for the past three years.

This is her first time working as a Probation Officer and she says Ballou is showing her the "enforcement end of the job."

"I am very happy she is here," said Ballou. "I am very impressed with her ability to handle kids and be

New Juvenile Probation Officer hired

A new Juvenile Probation Officer, Mindy Shadden, has joined the team with Chief Probation Officer Bruce Ballou.

Mindy and her husband, Chad, moved to Floydada two weeks ago and have settled into their routines.

Shadden reports to work everyday at the new PAC in Floydada and Chad drives to work in Lubbock.

Chad is a part owner of S&H Metal Works in Lubbock.

Shadden grew up in Hawley, Texas. She graduated Hawley High School

City hires Gooch as new police chief

exceed \$250.00.

If convicted of this offense the minor can be required to attend a tobacco awareness program and the parent or guardian may be required to attend the program with the juvenile.

If there is no tobacco awareness program the juvenile may be required to perform 8-12 hours of tobacco-related community service.

If the juvenile fails to satisfy the court orders, his driver's license or permit will be suspended.

with the interviews, with their answers and their presentations. The decision was tough, but I feel the Chief we selected is capable and will do the citizens a good job."

Brown also thanks Sheriff Royce Gilmore, Lockney Police Chief Jerry Edwards and Commissioner Lennie Gilroy (former Lockney Police Chief) with their assistance in the process. Gooch, 33, has served as a Floydada

Police Officer for 13 years. He was born and raised in Floydada and graduated FHS in 1982.

He graduated from SPAG Police Academy in 1984.

He is married to Katrina and they have three daughters: 7 year old twins, Caddisy and Camaray, and a 6 year old, Lashay.

He is the son of Roger and Joann Gooch.

UMC reports Cogdell Clinic collections are up

FLOYDADA -- Caprock Hospital District Board of Trustees met in regular session Tuesday, September 16 to handle a routine agenda. Attending the early morning meeting at Nielson's Restaurant were board members Tom Farris, Lee Battey, Rob Heflin, and Denice Payne, UMC representative Paul Acreman, Maybelle Monreal, Joe Stepp and the Hesperian-Beacon reporter.

UMC representative Acreman presented monthly reports detailing the operation of Cogdell Clinic in Floydada. He told the board the clinic expenses are down slightly to \$35,503.00 for the month, and collections are up a little, to \$22,000.00. According to his figures, this means the clinic had the best month it has shown during the

affiliation with UMC, losing \$13,399.00 in August.

Acreman said this is an upturn and he indicated he felt it would continue to equalize a little each month. He added that clinic visits are up a little. "With the heavy season for visiting physicians just beginning, the clinic should do better in the future," said Acreman.

One claim for indigent health care was considered by the board. Clinic manager Maybelle Monreal indicated that the claim had been disallowed under the specifications of the qualifying process. The board voted unanimously to uphold the decision.

The board approved minutes of the previous meeting and paid monthly bills after reviewing financial statements.

LOCKNEY SENIOR CITIZENS

By Gladys Ragle
LOCKNEY--It was good to see our attendance on Thursday, September 11, climb above 50. Maybe it will stay better for awhile.

I hope everyone enjoyed the nice rain. It is hard for everyone to be pleased with rain at the same time, but in the long run it seems to come out for the best.

Myrtle Taylor had surgery in Hale Center Hospital last week and then was transferred to their extended care center for recuperation. We hope she is doing better.

S.J. Williams had been in the hospital, but returned to his home. We hope for him a full recovery and to be able to be out and around soon.

R.L. Knox, a former Lockney resident and former school principal, visited on Thursday night. He spent Thursday night and Friday night with Jimmie and Theresa Stennett and enjoyed going to the Lockney-Floydada football game Friday night. Everyone

enjoyed seeing him and hope he will come back soon.

"Four Things"
by Henry Van Dyke
Four things a man must learn to do. If he would make his record true
To think without confusion clearly;
To love his fellow man sincerely;
To act from honest motives purely;
To trust in Heaven and God sincerely.

MENU

THURSDAY: Enchiladas, vegetables, salad and dessert
FRIDAY: Roast, vegetables, salad and dessert
Meals served with coffee, tea and bread

Creative Christmas set for Saturday, September 20

Creative Christmas sponsored by the Hale County Family and Community Education Association (formerly Extension Homemakers), the Plainview Daily Herald, the Hale County Resource Network, and the Methodist Hospital, Plainview will be held on Saturday, September 20 at the Ollie Liner Center in Plainview. There is a \$2.00 admission fee for adults and \$1.00 for 12 years to 18 years. You may wish to bring a canned food item to be donated to the local food bank. Hours for Creative Christmas are 9:00 a.m. until 5:30 p.m.

There will be a variety of events throughout the day including six different workshops, a marketplace featuring the best fall and holiday offerings, a health fair, a style show and luncheon. The workshops begin at 9:15 a.m. with:

The Pampered Holiday Chef will be presented by Patty Heflin. She will feature great kitchen gadgets and gizmos to make your holiday cooking easy. Also offered at 9:15 a.m. is Mop Angels by Beth Painter. She will help you make an adorable angel from a mop, doily, and wooden knob! You will need to bring scissors, needle and white thread. Cost for this workshop is \$6.00 to cover supplies.

At 10:30 a.m., Alma Cox will share her knowledge and expertise on collecting glassware. You can bring your favorite glassware collectible for a show and tell. Also at 10:30 a.m., Beverly Alvis of the Flower Nook in Plainview, will demonstrate her designer techniques on holiday decorating. She has great secrets to polish up your holiday home decor.

At 11:20 a.m. there will be a concert by the Plainview Symphony Brass. A lasagna luncheon will be served by the Hale County 4-H. Cost of the luncheon is \$6.00 per person.

A style show will begin at 12:15 p.m. Merchants who will participate in the style show include Gabriel's, Kristi's, J.C. Penney's, Treva's Merle Norman, Beall's, Wal Mart, Jones and Company and Hale County 4-H'ers.

At 1:15 p.m., Anna Ann Robertson will demonstrate how to make the Great Patchwork Pumpkin. Participants can make a quick and easy no-sew patchwork pumpkin. Be sure to bring a seam ripper and scissors. Cost is \$6.00 for supplies.

Kay Taylor of Abernathy will help participants learn how to make an 8" x 12" Angelic Snapshot mat. Bring 4 snapshots and paper scissors. Other supplies provided. Cost is \$1.00.

Recipe of the Week

GRAPE-NUTS PUDDING
By Dr. O.R. McIntosh
Soak: 1/2 cup Grape-nuts cereal in 1 cup milk and 1 tsp. vanilla.
In a sauce pan, heat: 1 cup milk, 3/4 cup sugar, 4 beaten eggs, and 1Tbs. oleo until the sugar is dissolved. Combine with Grape-nuts mixture. Pour into a coated casserole and bake at 300 degrees until set.

BRANDYE STENNETT AND BRIAN GOSS

Stennett and Goss

Mr. and Mrs. Gary Stennett of Plainview announce the negagement of their daughter, Brandye D'Angelie, to Brian William Goss, son of Betty and Lloyd Law of Plainview and Carl and Sue Goss of Tulia. Miss Stennett is the granddaughter of Mr. and Mrs. Jimmy Stennett of Lockney and the late Archie and Nora Bybee. She is a graduate of Plainview High School and is employed by The Flower Nook and Lemons Funeral Home. Goss is the grandson of Gladys Goss and Mary Wood of Tulia. He is a graduate of PHS and is employed as a computer technician for the Plainview Independent School District. The couple will be married October 11 at Harmany House in Plainview. Courtesy Photo

CONSTITUTION WEEK--Mayor of Lockney Gary Marr signed a proclamation on Monday, September 15, designating the week of September 17-23 as Constitution Week. Buffalo Grass Chapter of the Daughters of the American Revolution Trustee Gayle Reay witnessed the signing. Staff Photo

PROCLAMATION

WHEREAS, It is the privilege and duty of all American people to commemorate the two hundred tenth anniversary of the drafting of the Constitution of the United States of America with appropriate ceremonies and activities; and

WHEREAS, Public Law 915 guarantees the issuance of a proclamation by the President of the United States of America, designating September 17-23 as Constitution Week, now

THEREFORE, I, Gary Marr as Mayor of the City of Lockney, do hereby proclaim the week of September 17 through 23 as

CONSTITUTION WEEK

and urge all citizens to study the Constitution and reflect on the privilege of being an American with all the rights and responsibilities which that privilege involves.

In Witness Whereof, I, Gayle Reay, have hereunto set my hand and caused the Seal of the State of Texas to be affixed at 3:30 p.m. this 15th day of September in the year of our Lord one thousand nine hundred and ninety seven.

Thanks for reading us!

Floydada Senior Citizens

By Margarette Word

The Center is open Monday through Friday. Lunch is served from 11:30 a.m. until 12:30 p.m. If you are 60 years or older, this center is for you. Come and eat a good hot hunch and visit or meet new friends. Please call 983-2032 by 10:00 a.m. if you plan to eat lunch.

Recently, William and Faye Bertrand, Lorene Newberry and some of their children met in Colorado to spend several days fishing. The men fished and the women did the sight-seeing.

Glenna Orman went to Dalhart, Saturday 7th, to attend her grandson Shane Orman and Mary Gustin's wedding.

Roberta and Wayne Russell also attended Shane Orman's wedding. After the wedding, the Russells went to Stratford to visit Roberta's cousin and from there, they went to Lake Meredith, and then on to Lake Mackenzie to visit L.V. and Addie Assiter.

Alma Smith's nephew, Mr. and Mrs. Lee Hines of Pearland, Texas, visited Alma a couple of weeks ago.

Faye and Son Jackson's daughter, Lynn, and Joe Dunn and their sons, Shawn of Kentucky and Lane of Nacogdoches, came to Floydada to go dove hunting and visit.

Congratulations to Alvie Jackson for winning the drawing for a "free" car wash inside and out at Cornelius Conoco Service Station. Thanks to Eric Cornelius for providing this service to our center. You made another member very happy.

Congratulations to Dr. Charles Craig for receiving recognition from the American Dental Association for his many trips into lesser developed countries where he provided free dental care for the people who cannot afford dental care in that area. He has gone on these trips for 30 years.

Our paving project fund is getting better each day; as of last Friday, we

owe \$898.00. If you would like to make a donation or a memorial donation, we would certainly be happy for you to remember the center.

Those contributing since last weeks article are: Mr. and Mrs. John McKinney; Willie McCormick in memory of Fay Oster; Mary L. Fulkerson, Katie Riley, and Jack Rodgers in memory of their mother Eula Thurman William; John and Geneva Cockrell; Deeota Odum; Jo Davis; Plainview Production Credit Association in memory of Amielia Ashton; Boone and Ruth Adams; Francis Gunter; Grace Jarrett and Mr. and Mrs. H.C. McElyea. Please write paving project on your check.

Our sympathy to Queen Annie Lawson on the loss of her brother-in-law.

Doris McLain fell and had to have another knee surgery.

Our sympathy to the family of Anita West.

Remember to pray daily for the sick, those who have lost loved ones, for our churches and community.

Thought For The Week: A cheerful look brings joy to the heart, and good news gives health to the bones. Proverbs 15:30 NIV

Friday: Pork chops, baby limas, harvard beets, tossed salad/ranch, pumpkin crunch

Alpha Sigma Upsilon meet

By Maria Vasquez

Alpha Sigma Upsilon met at Pizza Gold at 6:30 p.m. for our first gathering of the Fall. We had a good relaxing time discussing our summer activities with family and friends.

Everyone had a great time. We all enjoyed each other's company and our meal for the day.

President Maria Martinez began

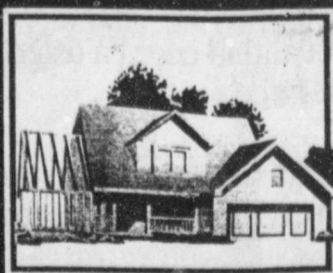

our meeting with the returning ritual. We exchanged ideas and started our preparations for "Rush". Our rush will be entitled "Sisters are Sweethearts". We hope all who were invited make plans to attend.

Our next convocation will be at the Lighthouse Meeting Room on September 23.

SEE YOU THERE...

BBB Report

The BBB warns that messages are appearing on the Internet offering access to billions of dollars in unclaimed money in the United States. The unsolicited e-mails promise recipients that the money "belongs to you, and millions of other Americans" and provides an 809 area code number to dial "to find out about your money today". When you see the 809 area code - BEWARE! Do not presume that it is a long distance call within the U.S. or assume that any number in the 800 series is toll-free. In fact, the 809 area code belongs to the British Virgin Islands and is an international long distance call that is unregulated and can cost you many dollars per minute, as many other unsuspecting Internet shoppers have already learned. If you choose to respond to these ads, be aware of the heavy phone charges that you may incur. Always remember to check out any company you plan to do business with by calling the BBB at 763-0459 or (800) 687-7890. Finally, be wary if you are asked by an unknown company to provide money up-front before the company will provide the promised services.

Quilt to be raffled Punkin' Day

By Janice Lloyd

Floyd County Friends of the Library will be raffling a "Holly Berry Star" quilt at the annual Punkin' Day festivities October 25. Tickets are \$5.00. Proceeds will benefit the Library's building fund dedicated to a new library facility in Floydada.

The quilt was pieced by Billie

Jordan and Alice Baker. The quilting was done by Jo Lyles.

The beautiful Christmas quilt was displayed on a 12:00 noon Channel 11 show with Sharon Maines September 16 by Ginger Warren, project chairman of Friends of the Library. She was accompanied by Miss Floydada, Meredith Schacht.

Look Who's New!

NIXON

Gary and Robin Nixon of Floydada are the proud new parents of a baby boy, Kirby Loyd, born at Methodist Hospital in Lubbock at 10:34 p.m. Friday, September 12. Kirby weighed 6 pounds 2 ounces and was 20 inches long.

Kirby's grandparents are Leslie and Doris Nixon of Floydada and Bob and Nancy Bowden of Plainview. Great-grandparents are Julius and Ena Trauer of Hart, Arno Cox of Plainview, and Alma Rape of Floydada.

GOEN

Michael and Dena Goen of Wolfforth are proud to announce the birth of their son, Tyler James on September 10, 1997. He weighed 6 pounds 1/2 ounces and was 19 inches long.

Proud grandparents are Sherry and the late Jim Taylor of Shallowater, Betty Goen of Floydada, and Norman and Tennie Goen of Plainview.

FLOYDADA HAS THE BALL -- FHS Whirlwind players run to the aid of their ball carrier as Lockney players move in to take him down during the annual confrontation between Lockney and Floydada. Lockney once again earned the county title by defeating the Floydada opponents. -- Staff Photo

Breezer Football Report

By Coach McNew
FLOYDADA--The Floydada Breezers took on the Lockney Short-horns in Floydada on Thursday, September 11th. The 7th grade Breezers dominated the Shorthorns as they outscored the 2 to 1 in a controlled scrimmage.

The Breezer offense scampered for over 170 yards on 20 plays scoring twice. Touchdowns were scored by Dustin Covington on a 40 yard run as he totaled 75 yards on 5 carries. Andrew Arvizu scored the other touchdown on a 35 yard run. Adding to the yardage gained was Tyler Helms with two runs and 30 yards. Other offensive players that showed their ability to play were linemen Chase Mitchell, Corey Hoyter, Bryce Bowley, and Stephen Cuevos.

On defense, the Breezers held the Shorthorns to less than 70 yards while recovering three fumbles and intercepting one pass. Recovering fumbles were Brady Rainwater, Dustin Griggs, and Librado Palacio, while Chase Tipton picked off a pass. Other "big hits" on defense came from Dustin Covington, Larry McNew, Scotty Gilbert, and Jacob Morales. We are looking for some great things from this group this year.

The 8th grade Breezers also took on Lockney but came up a little short as the score was 12 to 24 in favor of Lockney. Everything was pretty equal with the exception of the Shorthorn quarterback who had an outstanding game for them. Scoring touchdowns for the Breezers were Scott Nixon on a 4 yard carry and Edward Porter on

a 50 yard run. Others on offense that played well were Sean Holster and Tye Wood. Defensively, the Breezers played as good as they have since starting football, giving up only a few big plays. Recovering a fumble was Jose Ramos, while other "big hits" on defense came from Frank Hernandez, Juan Gonzales, Zack Emert, and T.J. Fuller. This group has come a long way from 7th grade. They work hard and good things are going to happen to them.

8th grade Shorthorns open season with win

By Lockney Coaching Staff
LOCKNEY--The Shorthorns started the season in style with a 26-12 win over the Floydada Breezers. The kids started the game out well with a 43 yard pass completion from Mo Collins to Brandon Alvis. From here things seemed to go the Shorthorns way. The first score came on a reverse play kept by Mo Collins to put the Shorthorns up 6-0. The Breezers then came back and tied the score at 6-6. The second score came in the second quarter with Collins scampering around the end with good blocking by Brad Durham. The Shorthorns went in at halftime with a 12-6 lead. In the second half, the Shorthorns defense really came out strong allowing only one more score. The Shorthorn offense continued to roll with Tyler Snow and Mo Collins finding the end-zone.

The offense, I thought played pretty well. The offensive line of Brad

Hey, Whirlwind Fans!

 FHS Varsity Cheerleaders.

Durham, Robert Luebano, Jared Lambert, Ullis Martinez, and Freddie Gonzales played well. I thought we did a lot of good things offensively.

Defensively, after the kids settled down, played pretty well, allowing only two touchdowns. Wade Miller, Frankie Gonzales and Emmanuel

FHS denied county championship

Courtesy of KFLP Radio
FLOYDADA -- After falling last weekend to Dimmitt, the Lockney Longhorns were on a mission to win Friday night. Behind Devon Phillips' three touchdowns and 164 yards and a defense that allowed only 134 yards, the Longhorns beat Floydada 42-0 and won the county trophy.

This was the 71st consecutive meeting of the two teams, making it one of the oldest rivalries in the state. Floydada held Lockney scoreless

in the first quarter, but couldn't hold back the Longhorns as they scored 28 points in the second quarter.

Miguel Guerrero started the rout as he scored on a 22-yard run from scrimmage to cap a seven play, 91-yard drive. J. R. Walker added another touchdown on a 59-yard run midway through the second.

Devon Phillips added two touchdowns to end the half. The first was a 32-yard score which ended a six play, 53-yard drive. The second TD was a 20-yard scamper to finish a seven play, 60-yard drive.

Floydada was able to put together three extended drives but was forced to punt seven straight times. The 'Winds were in scoring position twice. The first chance came in the third quarter when they started from the Lockney 22-yard line, but were unable to convert the advantageous field position into points.

The second scoring possibility came on an eight play drive that began on their own 15 yard line and ended on the Lockney 15 when they failed to convert on fourth down. Floydada was led by Justin McGuire who carried the ball seven times for 73 yards and by Michael Black who averaged 39 yards per punt in seven attempts for the 'Winds.

The Longhorns added touchdowns in the final period from Phillips and Anthony Poole to win their first game of the season. The 'Winds fell to 2-0 and host Abernathy in their final non-district game this Friday. The Longhorns will face Post on Friday.

Other scores from District 2-3A: Andrews beat Brownfield 38-9; Denver City shut out Muleshoe 26-0; Littlefield defeated Tulia 29-0; Cooper over Shallowater 30-6; Abernathy downed Roosevelt 7-3;

Seminole beat Greenwood 14-6, and Slaton bested Post 14-6.

LOCKNEY MOVES THE BALL -- A Lockney ball carrier moves toward the goal line as a teammate takes down the Floydada man in his path during game action last Friday evening at Lockney's Mitchell-Zimmerman Field. -- Staff Photo

Lockney JV earns big victory

By David Sutterfield
LOCKNEY--The Lockney JV beat Floydada 24-10 last Thursday. This

was a big win for the JV. It's been a long, long time since a Lockney JV has defeated Floydada. Our young

athletes played extremely well turning in some of their best personal performances. These kids practiced extremely hard last week and it showed at game time.

What a performance by the defense! They had two outstanding goal-line stances inside their own 5 yard line. They were determined not to be scored on and stopped Floydada.

The offense also performed well, scoring four times. Offensive scores were made by Frank Guerrero from 8 and 5 yards out. Daniel Banda scored on a 20 yard reverse and Taureen McDonald scored from 18 yards out. The offensive line did a tremendous job blocking all night. Once again, congratulations for a job well done!

We were extremely pleased with these young players and their performances. They will host Post here on Thursday at 6:00 p.m. Come support your future varsity football players.

7th grade scrimmages FJHS

By Coach Dowell

LOCKNEY--The youngest of the Lockney gridiron squads opened the season with a scrimmage at Floydada this past Thursday. The Shorthorn team fared well as Cody Bailey scored one touchdown but the Horns allowed two Breezers in the end-zone as Floydada edged out the victory, so to speak.

"I have told our kids that you do not win or lose scrimmages, but you

find out who can play and where your team needs to improve." I was very pleased with how hard all our kids played and I hope they realize they can be a very good football team if they will get more physical. I thought our secondary played well led by Cody Lass, Nathan Burson, Matt McPherson, and Jacob Ortegon. Our front seven will improve with time but I was pleased with their effort. "Offensive we have to improve, but I saw some very positive things and that is a great foundation," said Coach Dowell.

Our next game is at Post this Thursday at 5:00 p.m. We hope to see you there.

Vasquez wins top prize in second week of contest

Gregory Vasquez of Floydada, has earned the \$25.00 first prize in the second week of the Hesperian-Beacon football contest. He missed five games.

Second place was won by Mark Ford of Lockney. He missed six games and will collect the \$15.00 second place check.

Third place was determined by using the tie-breakers. The \$10.00 goes to Todd Cotham of Lockney. He

missed seven games, selected Lockney to win and a total combined score of 35 (actual was 42). In the second tie-breaker, he selected Tech to win with a total combined score of 50, 23 points less than the actual total of 73.

Also missing seven games were Franklin Harris and Sheree Cannon. Harris chose Lockney to win with a combined score of 35 and selected Tech with a combined score of 45, 28 points less than the actual total. Cannon selected Floydada to win, knocking herself out of the competition with the first tie-breaker.

Beginning this week, prize checks will be mailed to the winners at the address they give on their entry. This will alleviate the need to determine which office prize checks need to be at on Friday for contestants to pick up.

Earning honorable mention for missing eight games were Dane Golightly, Renea Jimenez, Pam Meador, and Vickie Norrell of Floydada and Lockney entrants Pat Stansell, Harold Abney, and Joe Copeland.

Missing nine were Homer Ragland, H. G. Graham, Owen Thornton, and Roy Saucedo of Lockney and Floydada entrants Gail Hale, Clay Horn, Brent Sanders, Robert de la Fuente, Roy Martinez, and Gene Lowrance. Those with 10 errors on the contest were Floydada entrants Lucio Vasquez and Keith Marricle.

Five entries had 11 games wrong. Twelve contestants missed 12 games this week and seven missed 13. Nine entries had 14 errors and four missed 15. Three contest blanks had 16 wrong and there were two entries with 17 errors and two entries with 19 wrong.

A total of 68 people entered the contest. Floydada turned in 39 entries and Lockney yielded 29.

Floyd County Farm & Ranch, Cargill Hybrid Seed, Floydada Power & Light, Floyd County Farm Bureau, Floydada Coop Gin, Schacht's Flow-ers, Jewelry & Gifts, Lighthouse Electric, Payne Family Pharmacy, Tipton Oil & Butane, Muncy Elevator, Lowe's Pay-n-Save in Floydada, City Auto, Lowe's Pay-n-Save in Lockney, Brown Implement, Lambert Spraying, Higginbotham-Bartlett Lumber Company, D&J Gin, Lockney Cooperatives, Producers Coop Elevator, Clark Pharmacy, KFLP Radio, Attebury Grain, Providence Farm Supply and Ray Lee Equipment.

Script Printing & Office Supply will alternate with Hale Insurance and Real Estate. Blanco Offset Printing will share the season with R Photography and Our Place Drive In will alternate with Cornelius Conoco.

He Is Just A Boy

Please don't curse the boy down there. He is my son, you see. He's only just a boy, you know. He means a lot to me. I did not raise my son, dear fan, For you to call him names. He may not be a superstar, It's just a high school game. So please don't curse those boys down there. They do the best they can. They never tried to lose a game. They're boys and you're a man. The game belongs to them, you see. You are just a guest. They do not like a fan like you, They need the very best. If you have nothing nice to say, Please leave the boys alone And if you have no manners, Why don't you stay at home. So please don't curse the boys down there. Each one's his parents son. Win or lose or tie, you see, To us they're "NUMBER ONE."

Contest designed to raise awareness of safe farm and ranch practices

LOCKNEY--Children in Floyd County may get rewarded for their efforts to learn more about safe farming practices thanks to a contest offered by Cargill and Farm Safety 4 Just Kids, a nonprofit organization dedicated to preventing farm-related incidents and fatalities among children.

Prizes include a multimedia computer provided by IBM corporation, savings bonds, and Farm Safety 4 Just Kids merchandise gift certificates. The contest is one of several promotional events being offered in farm communities throughout the United States in recognition of National Farm

Safety and Health Week, September 21-27.

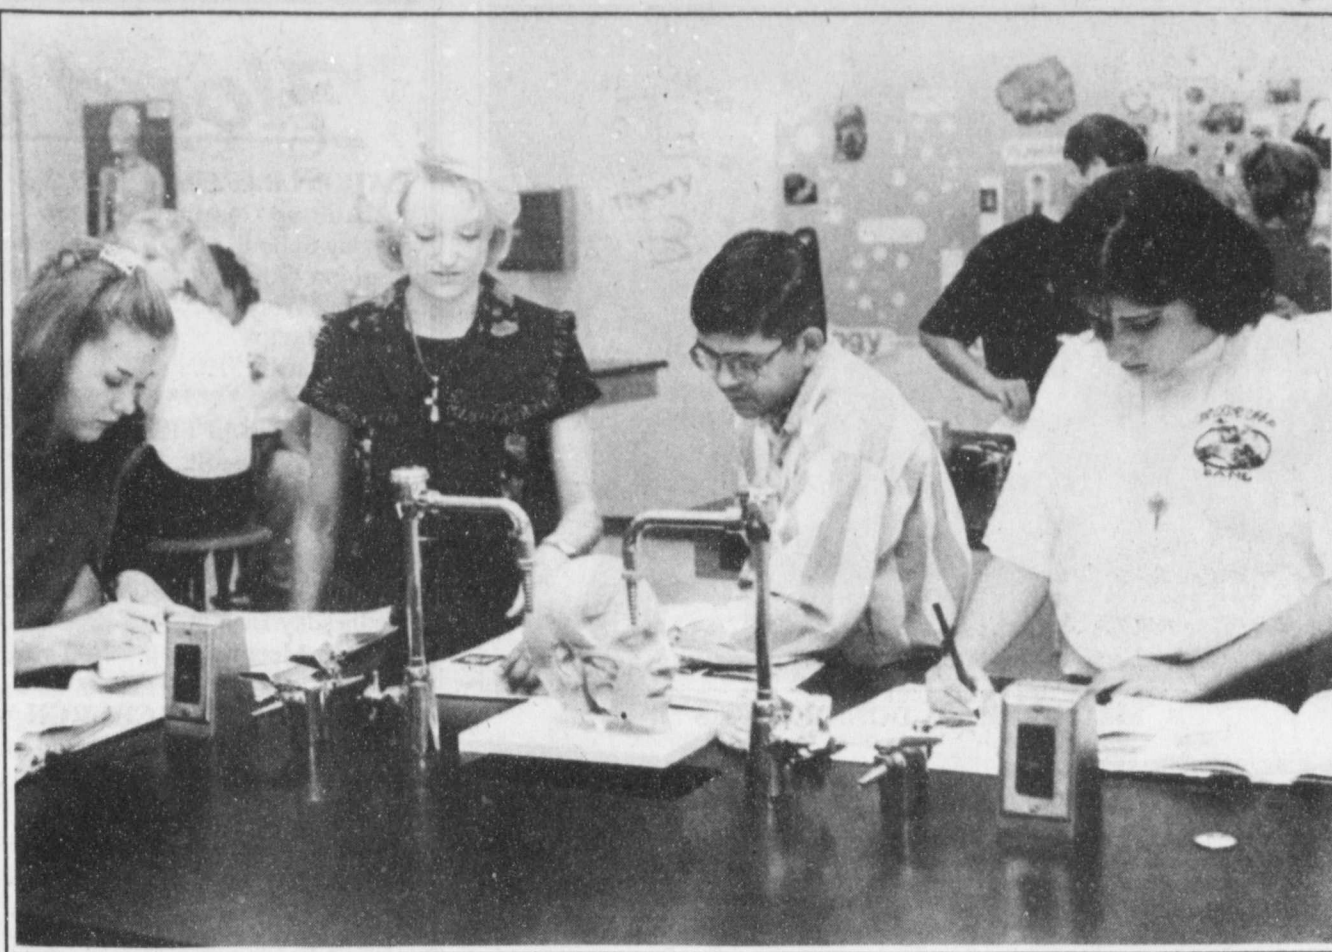

"Thousands of children are injured on farms each year," said Richard Larson, Cargill Seed, and Pat O'Connell, Caprock Industries. "This contest marks an opportunity for Cargill and Farm Safety 4 Just Kids to raise family awareness concerning safe farming practices."

Children 6-16 are qualified to enter the contest. To be considered for the drawing, the student must complete a Farm Safety Walkabout Sweepstakes Form available at the Lockney High School Library or contact one of your Cargill locations.

Official rules for the contest can be found on the form.

Since November 1992, Cargill has contributed or pledged nearly \$500,000 to its partnership with Farm Safety 4 Just Kids. More than 125 Cargill locations in the United States and Canada have participated in the program in the last year alone.

Cargill is an international marketer, processor and distributor of agricultural, food, financial and industrial products with some 79,000 employees in more than 1,000 locations in 72 countries and with business activities in 100 more.

BIOTECHNOLOGY KITS -- LHS Human Anatomy and Physiology students are benefitting from traveling lab kits as they study the human eye, ear and brain. -- Staff Photo

Student study kits funded by HHMI

LOCKNEY--The Lockney High School students in Human Anatomy and Physiology class are working with one of the many traveling lab kits provided by the Howard Hughes Medical Institute through the Texas Tech Biology Department.

"The students will be using several anatomy labs this year and also a traveling Biotechnology kit next semester. We now have models of the eye, ear and brain. They can be taken apart to study the close-up detail," stated Mrs. Heather Stowe.

Howard Hughes Medical Institute (HHMI) is a nonprofit medical research organization, founded in 1953 by industrialist Howard Hughes to "promote human knowledge within the field of the basic sciences (principally the field of biomedical research and education) and the effective application thereof for the benefit of mankind."

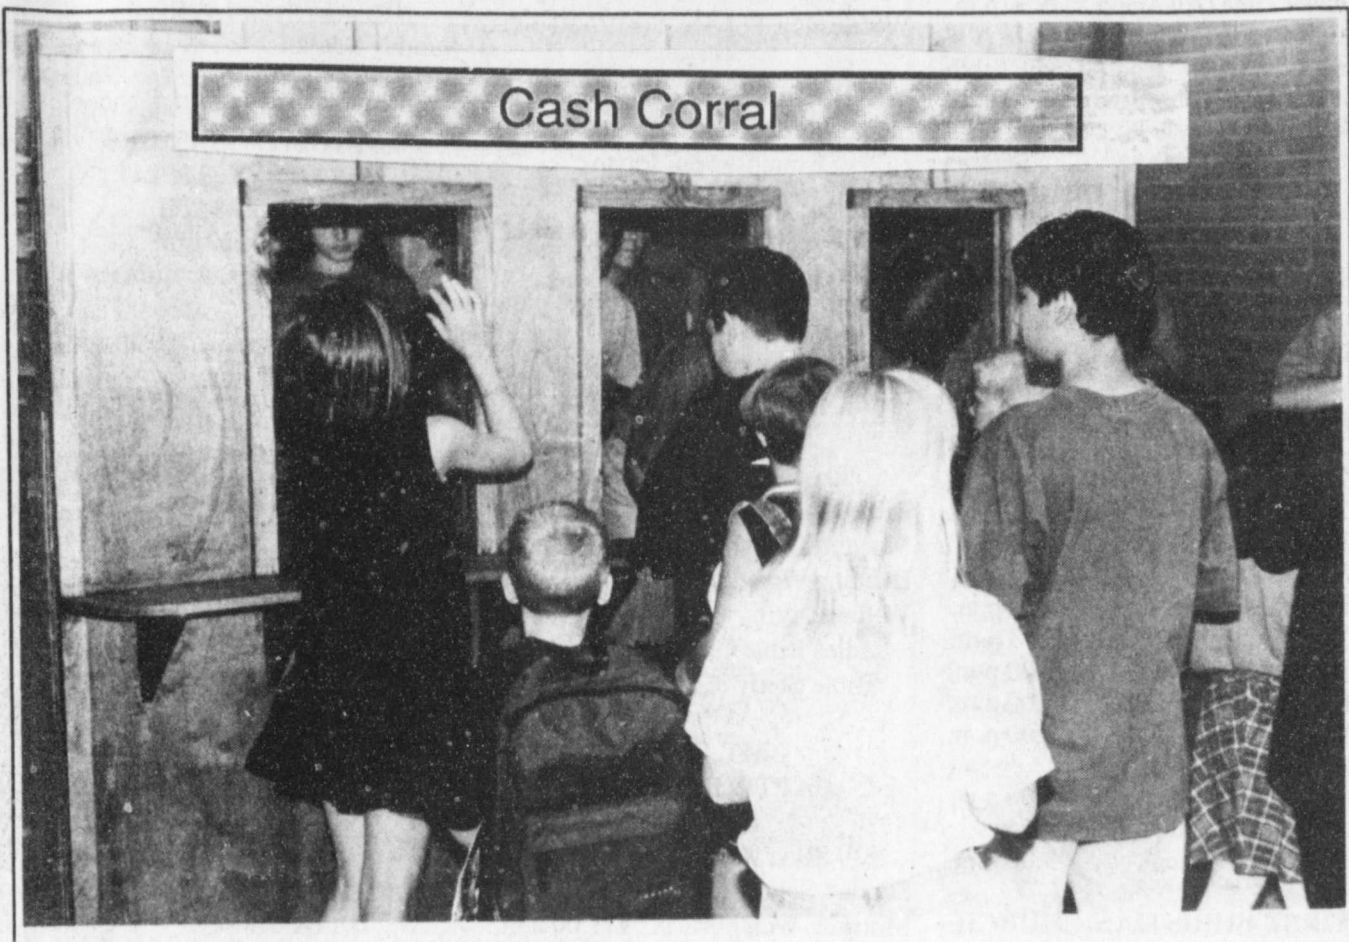

Over the past eight years, the HHMI program has given 333 million dollars to colleges and universities to enhance their undergraduate programs and develop outreach efforts to precollege teachers and students.

Texas Tech University received 1.3 million dollars to expand existing undergraduate research opportunities, improve teaching laboratory equipment and involve more TTU faculty in precollege outreach.

A second phase of the grant increased the funding to 2.5 million dollars and allowed the development of the Undergraduate Biological Sciences Education Program, which has proven to be a great benefit to Texas Tech and all of West Texas, specifically Region 17, of which Lockney High School is a part.

WHO'S WHO -- Kaci McLain, daughter of Kevin and Lana McLain, was recently chosen for listing in Who's Who for academic excellence by the NCA and the American Tumbling & Trampoline Association. McLain was 5th in the nation in synchronized trampoline in 1995 and is currently serving her second year as a Lockney Longhorn Cheerleader. She was also nominated for All-American when the squad attended camp in Denton. -- Courtesy Photo

CASH CORRAL -- Students at Lockney Elementary are pictured making deposits at the Cash Corral operated by the Early Childhood Professions class. Staff Photo

Lockney Elementary students stash cash

LOCKNEY--Students from Lockney Elementary School made their first deposits at the Longhorn Cash Corral this past Friday. In a partnership with First National Bank in Lockney, the Lockney ISD inaugurated a new program called Kidzbank.

The program will allow students from grades Kindergarten through five to deposit money each Friday morning. The accounts will accrue interest and statements will be received each six weeks summarizing the activity of each individual student.

Once the student reaches \$50.00 in total deposit, the First National Bank will open an account in the student's name at its downtown location. Those students who already have existing accounts with the bank will simply transfer the money to their own account and all participants will continue to deposit at the Cash Corral.

The Kidzbank program is designed to assist students in money management, record keeping, and just having fun. The Longhorn Cash Corral is operated by the Early Childhood Professions class under the care of Mrs. Treena Aston. The class is a high school Technical-Preparation Course allowing for 6 hours of junior college credit in the field of childcare professions. Mrs. Aston exposes her class to the field at least two days a week at daycares and on Fridays at the elementary school.

The class consists of Elisa Reyes, Gretchen Quebe, Rita Mann, Amber Waller, Gloria Torres, Hope Rendon, Lisa Cuellar, Becky Lambert, Erin Schaeffer, Tracey Raisse, Shelbey Pinales, and Lori Garcia. Mrs. Aston and her students are in charge of operating all functions of the Cash Corral.

Her students take the deposits, balance the money drawers, enter all data into the computers, and will calculate and print all statements for delivery to the participating students. With this type of responsibilities, the Early Childhood Professions class will also be able to take the Kidzbank project and compete on a national level as a FHA Star Event under Financial Fitness.

The Longhorn Cash Corral is located in the lobby of the Lockney Elementary School and was constructed by Ted Young and the Lockney FFA. All Lockney Elementary students in the specified age group are encouraged to participate and can fill out an application at any point in the school year.

An opening deposit of \$0.25 is required and minimum deposits of \$0.01 can be made thereafter. Applications can be picked up at the Longhorn Cash Corral on Friday mornings. Deposit time is limited from 7:25 a.m. to 8:00 a.m., so all students are urged to make it to school on Fridays as early as possible.

Better Business Bureau

With students heading off to college, prepaid phone cards are being purchased by the thousands throughout the South Plains and the United States. According to the U.S. Telecard Association, prepaid calling cards are positioned to become a \$1 billion mass marketing industry. There are two types: disposable and rechargeable. The disposable is simply that - use what amount is on it and discard it. The rechargeable can usually be recharged over the phone and billed to your credit card. Often, though, the packaging will tell you nothing about the number of minutes you are buying, but sometimes will state a number of 'units' which are typically the same as minutes. Phone cards are sold in vending machines and convenience stores. To protect yourself from purchasing phony cards, make certain you know the name of the issuer of

the card - contact the Better Business Bureau and check the reliability of the company. Make sure the card indicates how much time it provides. Is there an activation fee? Make sure you are purchasing your card from a reputable dealer. Understand the cost-per-minute rate. Find out if the rates are the same across the country. Is there an expiration date on the card?

RESPECT THE EARTH RECYCLE!

CAUTION URGED NEAR SCHOOL BUSES

Drivers are reminded to use caution and be alert when near a school bus. When approaching a bus with alternately flashing red lights, drivers must stop and not pass until the red lights are no longer flashing and the bus has resumed motion or the bus driver signals you to proceed.

The only time a driver need not stop is when meeting or passing a school bus which is on a different roadway (divided highway), or when the bus is stopped in a loading zone and pedestrians are not permitted to cross the roadway.

Lee's Home and Auto will no longer accept SPS payments after September 30. Please visit our new payment center.

Announcing: A New SPS Payment Center

Now, there's a new location close to you that will accept in-person payments for your Southwestern Public Service Company electric bill.

This SPS Payment Center* will provide you with a convenient way to make your monthly payments. Just drop off your payment along with your electric bill at the new SPS Payment Center.

Close, quick and convenient.

*To ensure your payment is properly credited, always bring your bill with you to the payment center. For even more convenience, pay by mail or sign up to pay by automatic bank draft by calling toll-free 1-800-750-2520 (In Spanish 1-800-687-8778).

MADELINE and DONNIE JONES

Evangelists will lead services at Lockney FBC

LOCKNEY--On Sunday, September 21, Donnie and Madeline Jones will be at the First Baptist Church, Lockney. They are full time evangelists from Longview.

This couple has scheduled over 40 revivals and concerts each year for the past 12 years in the United States and 17 foreign countries testifying and singing for their Lord.

Donnie and Madeline have touching testimonies how God called them out of the peak of their careers into full time service for Him.

They have been featured at numerous state conventions and Christian television programs including the Southern Baptist Convention, Texas Baptist Evangelism Conference, Texas Baptist Convention, Arkansas

Evangelism Conference and the Baptist World Alliance.

God called Donnie to preach in 1994. He has preached in over 35 churches each year since that call from God.

Donnie and Madeline will be singing and Donnie will be preaching in the morning worship service. During the evening worship service they will be presenting their message through a concert.

The morning service will begin at 10:45 a.m. and the evening service at 6:30 p.m. A love offering will be taken in both services for them.

The community is invited to come to First Baptist Church, Lockney and join in the worship services led by Donnie and Madeline Jones.

Words Can Hurt

At times, we all say things that we probably shouldn't. Sometimes we say hurtful things to others without realizing it, because we are not thinking or because we are unaware that what we say may hurt someone. Some people believe it's all right to tell someone they are getting fat, or they are going bald. They may even believe that they are doing the person a favor; as if one doesn't realize when they have gained weight or when they are starting to lose their hair. A friend of mine used to have a plaque on his desk offering this advice, "Before I speak, is it true, is it kind, is it necessary?" The little rhyme that we all knew as children, "sticks and stones may break my bones, but words will never harm me," is just not true. Words can be hurtful, and the Bible tells us that we will be held accountable for every careless word we speak.

I tell you, on the day of judgement men will render account for every careless word they utter; for by your words you will be condemned.

R.S.V. Matthew 12:36,37

"FOCUS ON THE FAMILY" with Dr. James Dobson

Question: My husband and I are doing far too much disciplining of our kids. Is there another way to encourage them to cooperate.

Dr. Dobson: The best way to get children to do what you want is to spend time with them before disciplinary problems occur, having fun together and enjoying mutual laughter and joy. When those moments of love and closeness happen, kids are not as tempted to challenge and test the limits. Many confrontations can be avoided by building friendships with kids and thereby making them want to cooperate at home. It sure beats anger as a motivator of little ones!

Question: It has always been my understanding that marriage was supposed to be based on unconditional love. That is, the commitment to each other should be independent of behavior, no matter how offensive or unfaithful. But your concept of accountability seems to be, "I will love you as long as you do what I want."

Dr. Dobson: You've misunderstood my point. The limitations of language make it difficult to express this concept adequately, but let me try.

I certainly believe in the validity of unconditional love, and in fact, the mutual accountability I have recommended is an expression of that love. For example, if a husband or wife is behaving in ways that will harm himself, his children, his marriage and the family of the "other woman", then confrontation with him becomes an act of love.

The easiest response by the innocent partner would be to look the other way and pretend she doesn't notice. But from my perspective, that is tantamount to a parent's refusing to confront a 14-year-old who comes home drunk at 4 a.m. That mother or father has an obligation to create a crisis in response to destructive behavior. Love demands that they do that!

I'm trying to say that unconditional love is not synonymous with permissiveness, passivity, weakness and appeasement. Sometimes it requires toughness, discipline and accountability.

Question: I'm 22 years old and

DR. DOBSON

am still living at home. It's driving me nuts. My folks are in my face every day. They want me to get a full-time job because I only work part time at a gas station. Why can't they get off my case and leave me alone?

Dr. Dobson: With all respect, I think it's time for you to pack. Many young adults like you continue to hang around the house because they don't know what to do next. That is a recipe for trouble. Your mother and father can't help "parenting" you if you remain under their noses. To them, it seems like only yesterday that you were born. They find it difficult to think of you as an adult.

The way you live may irritate them, too. They might hate your messy room, which would require a tetanus shot just to walk through. They may not like you music. They may go to bed early and arise with the sun; you might keep the same hours as hamsters. Perhaps you drive the family car as if you've been to Kamikaze Driving School.

They want you to get a job, go to school--do something! Every day brings a new argument, a new battle. When things deteriorate to that point, it's time to get out.

Send your questions to: Dr. Dobson, c/o Focus on the Family, P. O. Box 444, Colorado Springs, Co. 80903. These questions and answers are excerpted from books authored by Dr. James Dobson and published by Tyndale House Publishers. Dr. Dobson is the President of Focus on the Family, a nonprofit organization dedicated to the preservation of the home. Copyright 1997 James Dobson, Inc. All rights reserved. Floyd County Farm News

September 21-27 is Farm Safety Week

Floyd County Judge William Hardin signs a Farm and Ranch Safety and Health Week Proclamation as Farm Bureau President Monty Teeter looks on. Staff Photo

Proclamation

TO ALL TO WHOM THESE PRESENTS SHALL COME: I, William D. Hardin, County Judge of Floyd County, do hereby declare the week of September 21-27, 1997 as Farm and Ranch Safety and Health Week in Floyd County, for the following reasons:

WHEREAS, this being the 54th anniversary of the observance of Farm and Ranch Safety and Health, emphasis is placed on better technology, safe work practices and education as a means to a safer agricultural community and

WHEREAS, the 1997 theme, "Safety and Health: The first step toward a sustainable agriculture", calls attention to the fact that each year hundreds of people are killed and over a hundred thousand are injured in farm-related activities in the United States. It is estimated that several hundred youth under the age of 18 are killed and over 20,000 are injured each year on the farm and ranch. Appropriate protective measures should be taken when any farm task involves children, therefore, Texas farmers and ranchers are encouraged to recognize hazards and observe safe work practices and to protect young people by teaching them to work safely.

IN ADDITION, farm tractors remain one of the greatest sources of fatal injury on the farm. The most apparent problem facing the industry is tractor rollovers. Hundreds of fatal injuries from tractor rollovers occur annually to farmers who do not have a tractor equipped with a rollover protective structure (ROPS). Farmers need to understand the importance of having a ROPS on their tractor and wearing their seat belt.

The Texas Safety Association, the Texas Farm and Ranch Safety Council, the Texas Farm Bureau, the Texas Agricultural Extension Service, and the Texas Department of Agriculture join the National Safety Council and other organizations in working toward a safer farm and ranch community.

THEREFORE, I urge our farmers and ranchers to continue improving the working environment for all concerns.

Signed: William D. Hardin
Floyd County Judge

From the Floyd County Extension Agency

September 21-27, 1997 is Farm Safety and Health Week as proclaimed by the National Safety Council and the Governor of Texas. The theme for 1997 is "Safety and Health - The First Step Toward Sustainable Agriculture."

J.D. Ragland and Melissa Long, County Extension Agents in Floyd County, with the Texas Agricultural Extension Service, Texas A&M University System, said that agriculture consistently has a death rate that places it among the top three most dangerous industries along with construction and mining.

According to National Safety Council Statistics, the agriculture industry had the second highest death rate (24 deaths per 100,000 workers) in 1995, compared with a rate of 4 per 100,000 for all industries combined.

Nationally there were approximately 140,000 agricultural work injuries and 800 agricultural work-related deaths in 1995, according to National Safety Council statistics. Tractors continue to cause more fatal injuries than any other source in the agricultural industry. Youth and elderly are traditionally at higher risk of fatal or disabling injury.

Approximately one-half of the tractor related deaths are due to tractor rollovers. Almost all of these occur on tractors without Roll Over Protective Structures (ROPS). ROPS provide a safe zone for the operator in the event of an overturn. If seat belts are not used on a tractor with ROPS, the operator may be thrown out of the safe zone. With only a few exceptions, new tractors are required to have ROPS installed before being sold. However, most tractors in operation today are older tractors that do not have ROPS. Retrofit ROPS are avail-

able for many tractor models. Local dealers or County Extension Agents can assist with determining if a retrofit is available.

Farm equipment is often moved from field to field on public roads. Farmers should ensure that a clearly visible Slow-Moving Vehicle (SMV) emblem is installed on equipment that operates below 25 miles per hour, J.D. and Melissa point out. Farmers should also use flashing hazard lights to warn other vehicles about wide loads and frequent turns. With the recent change in speed limits (to 70 mph) on many rural roads, motor vehicles will have significantly less time to react to slow moving farm vehicles. The public can also help out by being extra cautious on country roads. Especially during planting and harvest seasons, drivers should watch for farm equipment on the roadway to avoid a potential accident.

J.D. and Melissa suggest that farm-

ers take five minutes each morning to consider the potential hazards of the day's activities and steps you can take to avoid an accident. If you have children that help with farm work, instill safe work habits in them by involving them in your daily safety assessment. Check for things like missing guards and shields on equipment, worn belts and bearings, and leaking hydraulic hoses and connections along with normal routine maintenance.

Remember, a few minutes taken to ensure safety is a small price to avoid a tragic accident.

Silver Spur Horse Project holds September meeting

By Ashley Brock

The meeting of the Silver Spur Horse Project was called to order by president Kacie Young, on Monday, September 1, at the extension office.

The United States pledge was led by Kellen Wyrick and Mathew Miller led the 4-H motto and pledge. Also Taylor Brock was welcomed as a new member.

Members were updated on project activities since our last meeting in April. These include: District 4-H Horse Judging Contest, Vaccination Clinic, Trail Ride, Playdays and Children's Rodeo at the county fair.

Tyler Phillips reported on the District and State 4-H Horse Shows, the State 4-H Calf Roping School and the Summer Library Reading Program.

In new business, the project members planned the meetings for the coming year and discussed money making ideas.

Judging Team practices are planned for the second Saturday of each month. The first practice was held September 13th from 10:00 a.m. to 12:00 noon.

It was announced that the horse project will have a contest for mem-

bers to show off their creative skills. Members can enter photography, art, or writing (short story, tall tales, poem, etc.) The subject of the contest is "Horses and/or Riders". Members may enter more than one category, but only one entry per category. The entries are due at the next meeting.

Study guides for the Horse Bowl were given out. Members were asked to study the questions so we can play a Horse Bowl Game at the next meeting.

We then went to the Wyrick's barn where Suzanne and Kellen Wyrick gave our program. Suzanne showed us how she teaches a colt to lead and load into a trailer. They also demonstrated general safety tips to use around horses.

The next meeting will be Monday, October 6th at the Lockney Co-op Office at 7:00 p.m.

Enjoy a safe dove hunt!

To the folks who make their livin' "off the land"

American State Bank believes in folks who make their livin' "off the land." We're glad they've trusted us as their bank. Often it's been a choice that's been made from generation to generation.

Through good times and bad, gentle rains and drought, American State Bank has been there. Other banks have changed their names, sold out for a quick profit or been gobbled up by out-of-state conglomerates.

Our roots and our branches are here. We know West Texas and its history and are proud to support the good folks who make their livin' "off the land."

OBITUARIES

AMELIA ASHTON

Graveside services for Amelia Ashton, 94, of Floydada were held at 10:00 a.m., Friday, September 12, 1997, at Floyd County Memorial Park, with Reverend Gene Hawkins officiating. Services were under the direction of Moore-Rose-White Funeral Home of Floydada.

She died on Tuesday, September 9, 1997, at Lockney Care Center.

She was born August 10, 1903, in Hamilton County. She graduated from high school in Hamilton County and attended Tarleton State College.

She married Clarence L. Ashton on December 10, 1929, in Clovis, New Mexico. He preceded her in death on November 9, 1992.

Mrs. Ashton taught school in the McCoy and Campbell Communities, and was a homemaker. She was a member of the First Baptist Church of Floydada.

She is survived by: one son, Bobby Ashton of League City, Texas; one daughter, Frances Ashton of Floydada; two grandchildren; two great grandchildren; one brother, Mack Fuqua of Reklaw, Texas; three sisters, Arma Lee Scott of Houston, Sharon Fowler of Davenport, Iowa, and Estelle Scheibel of Dallas.

The family requests memorials to the First Baptist Church Organ Fund, 401 S. Main, Floydada, Texas 79235.

VIRGINIA HOLLAND

Funeral services for Virginia Simpson Holland were held at 3:30 p.m. Saturday, September 13, 1997, at Restland Wildwood Chapel in Richardson, with Pastor Bill Bagly officiating.

Mrs. Holland passed away on September 8, after suffering a stroke in December.

She was born September 19, 1920 in Sparta, Tennessee, and moved to Floyd County at an early age. She graduated from Floydada High School and attended Texas Tech and Texas Women's University. She moved to Dallas in 1947.

She is survived by two daughters, Lynda Nicholas, and Jan Pierce; six grandchildren and three great grandchildren (all living in the Dallas area); two brothers, W. H. Simpson, Jr. and Jim Simpson of Floydada; and several nieces and nephews.

KEITH HOLLUMS

Services for Keith Wayne Hollums, 57, of Grapevine were Saturday in Bluebonnet Hills Memorial Chapel with burial in Bluebonnet Hill Memorial Park.

Mr. Hollums, nephew of the late Walter Hollums of Floydada, died Wednesday, September 10, 1997, in St. Paul's Hospital, Dallas.

He was born December 18, 1939, in Floydada. He was a member of Arlington Christian Church. He graduated from Texas Tech University.

He was an engineering consultant. He was the son of T.C. and Gertrude Hollums, former residents of Floydada.

Survivors include his wife, Kathleen; a son, Richard of San Antonio; his mother, Gertrude Hollums of Waco; a sister, Norma Mullins of Lubbock; two uncles, Roy Hollums of Dimmitt and John Hollums of Weatherford; and 1 grandchild.

ROBERT LILES

Funeral services for Robert Erwin Liles, 73, was at 2 p.m., September 16, in Meadow First Baptist Church with the Rev. Leslie Lewis and the Rev. Ken McClung, pastor, officiating.

Burial was in the Meadow Cemetery by Brownfield Funeral Home. Mr. Liles died Sunday, September 14, 1997, in Brownfield Regional Medical Center.

He was born July 17, 1924, in Lynn county and moved to the Meadow community with his parents in 1924. He graduated from Meadow High School in 1943 and served with the U.S. Navy during World War II.

He was a retired farmer, a member of First Baptist Church, the Meadow school board and a director for Farmer's Home Administration. He was an honorary member of Meadow FFA and was the first student to receive a Lone Star Farmer Degree from Meadow High School in 1939.

He married Dorothy Gregg on June 8, 1943, in Lovington, New Mexico.

Survivors include his wife; two sons, Jerry Liles of Meadow and Dennis Liles of Sunray; a daughter, Danette Davis of Lockney; two sis-

ters, Maurine Pendergrass of Meadow and Alma Jo Meil of Del Rio; and seven grandchildren.

A son, Douglas Edwin Liles, died in 1949.

The family suggest memorials to Meadow First Baptist Church building fund, The American Heart Association, the Open Heart Club of the Southwest, Box 877, Lubbock, Texas 79408, or to the American Alzheimer's Association.

ANITA WEST

Services for Anita Lea West, 53, of Floydada, were held at 10:00 a.m., Monday, September 15, 1997, at First Baptist Church of Floydada, with Reverend Howell Farnsworth, former pastor of First Baptist Church of Floydada officiating. Burial was in Floydada Cemetery under the direction of Moore-Rose-White Funeral Home of Floydada.

She died on Friday, September 12, 1997, at her residence.

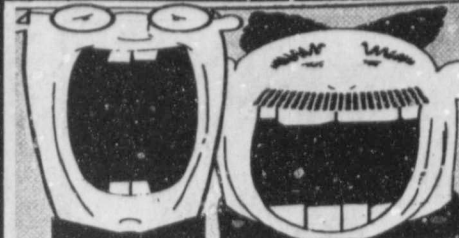

Mrs. West was born June 25, 1944, in Paducah. She graduated from Guthrie High School.

She married Arvana Monroe West on July 11, 1964, in Floydada.

Mrs. West was an office clerk for Lowe's Pay & Save. She was a member of the First Baptist Church of Floydada.

She is survived by: her husband; one daughter, Neva Anderson of Floydada; two grandchildren; and one sister, Wilma Compton of Midland.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION
NOVEMBER 4, 1997

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 36 proposes a constitutional amendment to allow a person to hold the position of municipal judge in more than one municipality.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow a person who holds the office of municipal court judge to hold at the same time more than one civil office for which the person receives compensation."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 43 proposes a constitutional amendment to allow the legislature to limit the maximum annual increase in homestead appraisals for each year since the most recent tax appraisal. The amendment would also permit the legislature to allow the governing body of a school district to elect to apply the law providing for the transfer of the age-65-and-older school property tax freeze to the person's new homestead, if the move to the new residence homestead occurred before the law took effect.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the Legislature to limit increases in the appraised value of residence homesteads for ad valorem taxation and to permit a school district to calculate the school property tax freeze applicable to the residence homestead of an elderly person or the surviving spouse of an elderly person in accordance with the law authorizing the transfer of the school property tax freeze to a different homestead regardless of whether that law was in effect at the time the person established the person's homestead."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 45 proposes a constitutional amendment to allow the legislature to authorize counties, cities, towns, and other local taxing entities to grant exemptions or other forms of ad valorem tax relief on property on which approved water conservation initiatives have been implemented.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to permit a taxing unit to grant an exemption or other relief from ad valorem taxes on property on which a water conservation initiative has been implemented."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 104 proposes an

amendment to update the Texas Constitution by deleting duplicate numbering in its provisions and removing certain of its obsolete portions.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment eliminating duplicate numbering in and certain obsolete provisions of the Texas Constitution."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 19 proposes an amendment to allow the Supreme Court of Texas to hold sessions at any location in this state. Currently, the court is limited to holding sessions only at Austin, the seat of state government.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the supreme court to sit to transact business at any location in this state."

PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 39 proposes a constitutional amendment to repeal the current provision which provides that the board of the Texas Growth Fund may not invest money in a business unless the business has disclosed to the board whether it has any direct financial investment in or with South Africa or Namibia.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing the Texas growth fund to continue to invest in businesses without requiring those businesses to disclose investments in South Africa or Namibia."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment to create the Texas Water Development Fund II as a fund separate and distinct from the Texas Water Development Fund. The amendment would authorize the Texas Water Development Board to administer the fund and issue general obligation bonds for purposes of the fund under guidelines set forth in the amendment.

The amendment would also allow the Board to use loan repayments coming into the fund after the end of the fiscal year to make bond debt service payments, and would provide certain conditions for the flow of funds for repayment of Texas agricultural water conservation bonds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment relating to the authorization to the Texas Water Development Board to transfer existing bond authorizations for water

supply, water quality, flood control, or state participation from one category of use to another category to maximize the use of existing funds and relating to more efficient operation of the bond programs."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 31 proposes a constitutional amendment which would authorize home equity lending, in which a loan could be secured by a lien against the borrower's homestead. The amendment would also establish several provisions providing for consumer protection in the home equity lending process.

The proposed amendment will appear on the ballot as follows:

"The amendment to the Texas Constitution expanding the types of liens for home equity loans that a lender, with the homeowner's consent, may place against a homestead."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 96 proposes a constitutional amendment that would authorize the legislature to authorize a property tax of five cents for each \$100 valuation in rural fire prevention districts which are located in Harris County. The constitution currently authorizes a property tax of three cents for each \$100 valuation in rural fire prevention districts regardless of what county they are in.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to authorize an ad valorem tax rate in rural fire prevention districts located in Harris County of five cents on each \$100 of taxable value of property."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 33 proposes a constitutional amendment to permanently dedicate monies from the Texas Crime Victims' Compensation Fund (and its auxiliary fund) so that they are used only for assisting victims of crime and not for any other purpose. If an episode of mass violence occurred, however, money from the funds could be used to assist victims of the mass violence if all other sources of authorized emergency assistance were depleted first.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment designating the purposes for which money in the compensation to victims of crime fund and the compensation to victims of crime auxiliary fund may be used."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 59 proposes a constitutional amendment to prohibit the Legislature from authorizing additional state debt payable from the general revenue fund if the resulting annual debt service (the amount needed each year to make payments) would exceed five percent of the annual general revenue avail-

able over the last three fiscal years, excluding revenues constitutionally dedicated for purposes other than payment of state debt.

The term "additional state debt" does not include bonds that, although backed by the full faith and credit of the state, are reasonably expected to be paid from revenue sources other than the general revenue fund.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment limiting the amount of state debt payable from the general revenue fund."

PROPOSITION NO. 12 ON THE BALLOT

House Joint Resolution 55 proposes a constitutional amendment to provide that if the Texas Supreme Court does not act on a motion for a rehearing within 180 days of the motion's filing, the motion is denied.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to establish a deadline for supreme court action on a motion for rehearing."

PROPOSITION NO. 13 ON THE BALLOT

House Joint Resolution 8 proposes a constitutional amendment to establish the Texas Tomorrow trust fund dedicated exclusively to the prepayment of tuition and fees for higher education. The amendment would guarantee that if there is not enough money during any fiscal year to pay the appropriate tuition and required fees, the needed money will be appropriated out of the first available money coming into the state treasury each fiscal year.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to encourage persons to plan and save for young Texans' college education, to extend the full faith and credit of the state to protect the Texas tomorrow fund of the prepaid higher education tuition program, and to establish the Texas tomorrow fund as a constitutionally protected trust fund."

PROPOSITION NO. 14 ON THE BALLOT

House Joint Resolution 83 proposes a constitutional amendment to allow the legislature to set the official qualifications for constables.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow the legislature to prescribe the qualifications of constables."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el 4 de noviembre de 1997. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llama al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.

COMBINED NOTICE NOTICE OF FINDING OF NO SIGNIFICANT IMPACT ON THE ENVIRONMENT and NOTICE TO PUBLIC OF REQUEST FOR RELEASE OF FUNDS

City of Floydada
P.O. Box 10
114 W. Virginia Street
Floydada, Texas 79235
Tel: 806/983-2834

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

Seventeen (17) days after this publication, the above named City of Floydada intends to request the Texas Department of Housing and Community Affairs (TDHCA) to release Federal funds under Title I of the Housing and Community Development Act of 1974 (P.L. 93-383) for Contract No. 717269

Exempt Activities

Administration
Engineering

Categorically Excluded Activities

Water Line Replacement

Environmental Assessment Activities

Water Line Replacement on U.S. Highway 70 from North City Limits of Floydada to AT&SR&RR on the East Side of Floydada

Cost of the Project

\$250,000.00

FINDING OF NO SIGNIFICANT IMPACT

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the above named City of Floydada has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (P.L. 91-190). The reason for such a decision not to prepare such a statement is based upon the fact that all environmental concerns could either be minimized or mitigated.

An Environmental Review Record for the proposed project has been made by City of Floydada which documents the environmental review of the project and more fully sets forth the reasons why such a statement is not required. This Environmental Review Record is on file at the Office of Community Development, City of Floydada, 114 W. Virginia, Floydada, Texas 79235 and is available for public examination and copying, upon request, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.

PUBLIC COMMENTS OF FINDING

All interested agencies, groups, and persons disagreeing with this decision are invited to submit written comments for consideration by the City to the address as set forth above. Such written comments must be received at the address specified within sixteen (16) days after this publication. All such comments so received will be considered and the City will not request the release of funds or take any administrative action on the project prior to date specified in the preceding sentence.

RELEASE OF FUNDS

The City of Floydada will undertake the activities described above with the Community Development Block Grant funds under Title I from its Program Year 1997 under grant numbered 717269 from the Housing and Community Development Act of 1974. The City of Floydada is certifying to TDHCA that Mr. Hulon Carthel in his official capacity as Mayor, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making, and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, City of Floydada may use the Block Grant funds, and it will have satisfied its responsibilities under the National Environmental Policy Act of 1969. TDHCA will accept an objection to its approval only on one or more of the bases and the procedures described in 24 CFR Part 58.75. Objections are to be addressed to the Texas Department of Housing and Community Affairs, P.O. Box 13941, Austin, Texas 78711-3941.

Objections to the release of funds on bases other than those stated above will not be considered by the TDHCA. No objection received later than thirty-three (33) days after this publication will be considered by the TDHCA.

Hulon Carthel, Mayor
City of Floydada
P.O. Box 10
Floydada, Texas 79235
September 18, 1997

Executive Director Wanted

The Floydada Housing Authority is seeking an Executive Director. The Executive Director is responsible directly to a five member Board of Commissioners for the management and operation of 300 units of Section 8 and Public Housing located in Floydada and Lockney.

Qualifications include a Bachelor's Degree in Public Administration, Business Administration, Management, or related fields; and five or more years of senior management experience, preferably as an Executive Director, or any equivalent combination of education, training, and experience which provides the required knowledge and abilities. Experience in bookkeeping or accounting preferred.

The successful candidate must be certified as a Public Housing Manager (PHM) or obtain a PHM within twelve months.

To apply, submit a detailed resume and a minimum of eight professional/personal references by September 30, 1997 to: Floydada Housing Authority P. O. Box 87 Floydada, Texas 79235-0087

The Floydada Housing Authority is an equal opportunity employer.

Tie Breakers

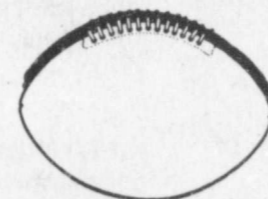

circle winner and write total combined score in football

Lockney vs. Post

NAME _____
 ADDRESS _____
 CITY _____

Abernathy vs. Floydada

Contest Rules

Any subscriber or purchaser age 7 or older is eligible to enter this contest. Only one entry per week per person.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. Also write a guess of the combined total points to be scored by the two teams listed in each of the tie-breaker footballs. Circle the team you believe will win. Circle both teams if you think the game will end in a tie.

Only entries on official entry forms brought to a Hesperian-Beacon office in Floydada or Lockney no later than 5:00 p.m. on Friday. No photocopies will be accepted and no mail entries will be considered.

Three cash prizes are awarded each week. In the event of ties (the same number of correct games & equal scores on tie-breakers) prizes will be combined & shared by those tied. The tie-breaker scores will be used only in the event of a tie on the number of games correct.

Print your name & address plainly on the official entry form & double-check your choices; before clipping out the entry form & depositing it at a Hesperian-Beacon office before 5:00 p.m. on Friday.

Entries are limited to one per person per week. Weekly winners are limited to one per household.
