

Sports broadcaster to speak at Lockney Chamber Banquet

RAY STONE

LOCKNEY-Ray Stone, producer of the Dallas Cowboys Football Report, is the scheduled speaker for the Lockney Chamber of Commerce Banquet. The annual event is scheduled for Saturday, February 28 at 7:00 p.m. and will be held at the Lockney Elementary Cafetorium.

Stone is in his 24th season of producing the "Cowboys Football Report", a syndicated daily talk/interview show airing in five states on 163 radio stations.

In addition to the Cowboys Football Report, Stone also introduces the nationally syndicated "Inside the NFL" hosted by Pat Summerall and

Reward offered Vandals cause

tions.

Over the past fifteen years, Stone has traveled the southwest, speaking on the humorous stories involving the Dallas Cowboys - from the days of Don Meredith and Roger Staubach to the current players - Aikman, Smith, Novacek, Johnson, etc.

But the real purpose and value of Ray's talk is in that segment dedicated to "Economic Growth For Your Community". Ray stresses that every resident in the community must support the local chamber of commerce, must be sold on their community and must support the local businesses.

He uses many factual examples to support his strong feelings regarding community involvement and shopping at home. Stone says, "Small communities are truly the heart-beat of America. A small community is comparable to a patient in the hospital listed in critical condition. How well local residents support their community and local businesses, will dictate the strength of that heart beat, survival, health, growth, and quality of life in that community."

The Chamber will be raffling off a football signed by members of the Cowboy's football team and a helmet signed by the 1997-98 Lockney music throughout the affair.

airing coast to coast on 740 radio sta- Longhorn football team. Tickets are \$2.00 each and can be purchased at the First National Bank in Lockney, from chamber directors or at the door before the banquet.

> The banquet will also feature the naming of the 1997 Citizen of the Year by Terry Ellison. Ellison was named the 1996 Citizen of the Year at last years banquet.

Chamber President Robin Satterwhite will recognize a Citizen Through the Years award as well as announce the Fireman of the Year.

Chamber officers and directors for 1998 will be recognized.

The cafetorium will be a showcase for Lisa Mosley's art students. On display will be art work by the students. Several pieces of art work on display will be sold by silent auction to furnish money for a trip by the students to a foundry and art galleries in Santa Fe. The art objects will be moved to the First National Bank in Lockney after the banquet and silent bids will be taken until March 6.

The menu will consist of brisket, potatoes, pinto beans, salad and fruit cobbler. Serving the meal will be members of the Lockney High School National Honor Society and the Student Council. Zelda Ellison will provide

QUICK-BEFORE THE WEATHER CHANGES--These youngsters at A.B. Duncan in Floydada enjoyed the break in cold and wet weather to enjoy Spring time temperatures Tuesday. Sunshine and temperatures in

the mid-70's gave South Plains residents a break to enjoy outdoor recreation and work. More cold and wet was forecast for this week.

New water well creates problems for Floydada

Lighthouse power outage

A major outage affecting 1,124 meters on Lighthouse Electric Cooperative lines in northeastern Floyd County and southern Briscoe County occurred Saturday morning, February 21, at approximately 8:00 a.m. The outage also affected Southwestern Public Service Company customers in Floyd and Briscoe Counties.

According to Lighthouse general manager Bill Harbin, the outage was caused by someone deliberately shooting insulators on the transmission line which feeds the Lighthouse Lone Star, Cedar Hill, South Plains, and Silverton substations, and also feeds SPS customers at South Plains and Silverton.

"About 20 more insulators were shot off Lighthouse distribution lines northeast of Lockney," said Harbin, "which means Lighthouse crews had to replace over 50 insulators damaged or destroyed by whoever did this shooting."

"We believe the shooting was done Friday afternoon," Harbin said. "We had an outage call about 4:00 Friday afternoon, and our serviceman, Rodney Hill, found several insulators on a distribution line which had been shot. Then, Saturday morning, when the rain started, the transmission line went off, and we found seven strings of insulators shot on it. We think they were all shot Friday afternoon, and the transmission line stayed on until it got wet."

"Whoever did this shooting caused a lot of inconvenience to both Lighthouse members and SPS customers, and did hundreds of dollars worth of damage to our lines," Harbin said. "Not only that, but they also put themselves, Lighthouse employees, and the general public in what could have been an extremely dangerous situation. If one of those lines had fallen on the shooter or someone else, they could have very easily been killed, or at the very least severely injured. For that reason, Lighthouse is offering a reward of \$1,000 for information leadcannot and will not tolerate anyone these vandals did."

FLOYDADA--Floydada Police Officer Ruben Ramon is becoming a familiar sight around Floydada schools.

As the new "Resource Officer", the major part of Ramon's job is to be very visible in and around FISD schools.

Hired with the Floydada Police Department in November, Ramon started his new assignment Feb. 17th.

Officer Ramon's shift begins at 7:30 a.m. and his early morning efforts are usually concentrated on school traffic. By the end of his shift at 4:30 p.m., he has covered a wide variety of juvenile problems.

Ramon will also be putting on programs designed for all age groups, and he will be the officer called when fights erupt at school or a juvenile needs transportation to PAC or municipal court.

"Officer Ramon has been a great help to us," said FHS Ass't. Principal Bert Vandiver.

"He has taken over many of the problems I've had to handle over the years. It has taken a big load off of me. The Resource Officer is a great idea.'

Vandiver believes the Resource Officer will help the whole school district. "Officer Ramon is always there and is here in a second when we call him. He is visible -- a good deterrent-and a very nice guy."

Vandiver is also grateful for the work Ramon does in filing truancy charges. "It used to take several hours of my time to file truancy charges. Now Officer Ramon takes care of that and it frees up my hands to do other work at school.'

Floydada Police Chief Darrell Gooch is grateful to the Resource Officer for many of the same reasons. "Ramon is a big help. Having the Re-

source Officer takes a big load off my back and frees me up to do the work of a police chief."

"So far I've been very busy knocking on doors advising parents of truancies and extended absences by their children," said Ramon. "The school is concentrating on getting the kids who have several absences in row--not just the occa-

sional absence. "There are some kids who don't come back from lunch and I am here to make sure Mom and Dad know about it."

Ramon says he gets different reactions from parents who answer their doors. "Some of the parents are happy I've let them know about their kids absences. Other parents complain."

According to Ramon there is one thing that all parents have in common-"They are all very surprised to see me!'

He indicated that he was very \$100,000.00 it has cost. upset about the well and the attitude the engineers are taking concerning it. Carthel told the council he felt the city should not pay for correcting the problem since it is either the fault of the engineers who developed the specifications for the well or the gravel used was not made to specifications. Either way, Carthel indicated that he felt the engineers should have done better in developing the well.

Carthel also informed the council that the specifications for the well developed by the engineers went far beyond what is required by the Texas Natural Resources Conservation Commission (TNRCC) and the EPA. Carthel said the engineers told the city tract with the firm.

Five men charged with **Organized Crime Theft**

FLOYDADA--Ten warrants were Police received a tip that three men issued out of District Court, Feb. 24, were stealing the trailers and taking charging 5 young men with Organized them to Knox City. "Our big break Crime Theft.

thony Emert, 21, of Knox City; Monte Gooch. Quisenberry, 20, of Lubbock; and Scott Hulme, 20, (who currently resides in TDC) were all charged with Organized Crime Theft.

The charges stem from 7 flat bed trailers being stolen during a period from October 1997 through January 1998. The total value of trailers stolen was \$14,000. Six trailers were stolen from Floyd County and one was stolen from Knox County.

According to Floydada Police Chief Darrell Gooch, "The men would steal the trailers in Floyd County and take them to Knox City to sell them. Two of the thefts occurred in the City of Floydada and four others were stolen from out in Floyd County."

According to Gooch the Floydada

came when Knox County Sheriff Chris Hacker, 22, of Knox City; Dean Homstad located one of our sto-

Richard Powell, 20, of Floydada; An- len trailers in Knox County," said

"Through the cooperation and the coordination of the Knox County Sheriff's office and the Police Department here the Knox County Sheriff was able to locate more stolen trailers. One of the trailers was located at a job site where three of the suspects were working."

Gooch said he and Floyd County Sheriff, Royce Gilmore, traveled to Knox City to talk to the suspects about the thefts. "We learned that it might involve more than these three men and we were also able to locate two other trailers."

Gooch said the investigation also led them to a TDC prison in Abilene where they talked to Inmate Scott **Continued On Page 2**

Page 2 - The Floyd County Hesperian-Beacon - Thursday, February 26, 1998

At a recent computer expo (COMDEX), Bill Gates reportedly compared the computer industry with the auto industry and stated, "If GM had kept up with technology like the computer industry has, we would all be driving twenty-five dollar cars that go 1000 miles to the gallon."

Recently General Motors addressed this comment by releasing the statement, "Yes, but would you want your car to crash twice a day?"

My computer fellow sent me some more computer jokes along this same line:

If Microsoft Built Cars.. 1. Every time they repainted the lines on the road you would have to

buy a new car. 2. Occasionally your car would die on the freeway for no reason, and you would just accept this, restart and drive on.

3. Occasionally, executing a maneuver would cause your car to stop and fail and you would have to reinstall

the engine. For some strange reason, you would accept this too.

4. You could only have one person in the car at a time, unless you bought "Car95" or "CarNT". But, then you would have to buy more seats.

5. Macintosh would make a car that was powered by the sun, was reliable, five times as fast, twice as easy to drive--but would only run on 5 percent of the roads.

6. The Macintosh car owners would get expensive Microsoft upgrades to their cars, which would make their cars run much slower.

7. The oil, gas and alternator warning lights would be replaced by a single "general car default" warning light.

8. New seats would force everyone to have the same size butt.

9. The airbag system would say "are you sure?" before going off. 10. If you were involved in a crash,

you would have no idea what hap-

Emert awarded Silver Beaver

FLOYDADA--Curtis Emert, of Floydada, was one of five volunteers who were awarded the Silver Beaver Award at the Boy Scouts South Plains Council's annual Recognition Banquet. Feb. 21.

Each year the South Plains Council has the opportunity to recognized a limited number of scouters in the Council by awarding them the Silver Beaver.

The award is conferred by the National Council of the Boy Scouts of America on the recommendation of the local Council to those who have given "Distinguished Service to Boyhood."

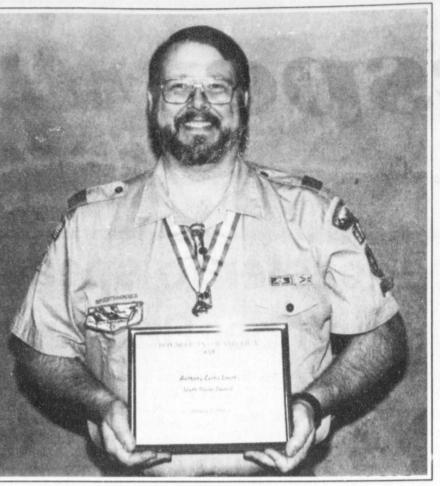

Beginning in 1931, the South Plains Council has awarded 239 Silver Beavers and 3 Silver Fawns.

Curtis Emert has served the Floydada Scouts in the positions of Assistant Scoutmaster, Merit Badge Counselor, Webelos Leader, District Camping Chairman, District Committee member, Troop Advancement Chairman and has served on several Junior Leader Training Staffs.

He is a Brotherhood member of the Order of the Arrow. He is Woodbadge trained and has received The Scouter's Key, and the District Award of Merit. Lions Club where he has served as Tail flag programs at local schools.

Clarification

Sharon Hinton of Rural Nurse Resource, Inc. has requested that the Hesperian-Beacon print a clarification of an item in the Caprock Hospital District Meeting coverage for the February 17 meeting.

Reported according to the financial report made public at the meeting, no rent was received in January from RNR for the space they use at the Caprock Hospital building.

According to Hinton, the rent for January was paid in December, therefore did not show up on the January report.

The Hesperian-Beacon apologizes for any confusion this may have caused.

Courtroom Activities

In County Court Feb. 19, 1998: Jesus Guerra Ovalle Jr., 24, of Petersburg, pled guilty to a January 8, 1998 charge of DWI-1st. He was fined \$600.00 and court costs and sentenced to 180 days in jail which was probated for 2 years.

Jesus Jose Ascencio, 22, of Plainview, pled guilty to a Jan. 30, 1998 charge of Possession of Marijuana. He was fined \$200.00 and court costs and sentenced to 6 months in jail which was probated for 2 years;

Ascencio also pled guilty to a Jan. 30, 1998 Assault charge. He was fined \$200.00 plus court costs and sentenced to 6 months in jail which was probated for 2 years.

Ricardo Cuellar, 18, of Lockney, pled guilty to a January 8, 1998 charge of Making A False Report To A Police Officer. He was fined \$50.00 plus court costs;

Homero Martinez was charged with Theft of Service of not more than \$20.00 and not less than \$500.00;

Rudolfo Pedroza, 17, of Lockney, pled guilty to a January 8, 1998 charge of Making A False Report To A Police Officer;

On Feb. 20:

Eusebio Saucedo Leija, 33, of Plainview, pled guilty to an August 28, 1997 charge of DWI. He was fined \$600.00 and court costs and sentenced to 6 months in jail which was probated for 2 years;

Floydada Police Report

FLOYDADA--Feb. 19th Floydada Police arrested Roberto Navarro, 32, of Donna, for outstanding city warrants.

Also on the 19th at 2:15 p.m. Cruz Zavala, 17, was arrested at FHS for Outstanding Warrants from the Floydada Municipal Court.

Feb. 20th, Noberto Hernandez, 53, of Floydada was arrested for Outstanding City Warrant.

Also on Feb. 20th at 4:45 p.m. police arrived at a residence in the 900 block of S. Main to execute a warrant for Assault against George Saldana, 18, of Floydada. According to Police Chief Darrell Gooch, "Roberto Navarro, 32, answered the door and said Saldana was not at home. Police gained access and found Saldana hiding in the residence. Saldana was arrested for Assault and Navarro was also arrested for Hindering Apprehension."

Feb. 21, at 12:15 a.m. police stopped a vehicle on 2nd Street for driving without headlights. According to Gooch, "When police approached the vehicle they could smell marijuana. The vehicle was searched and a bag of marijuana was found.

"Cody DeLaRosa, 17, of Plainview, and Shawn Nguyen, 20, of Plainview, were arrested for Possession of Marijuana."

Feb. 21, at 11:45 a.m. Gloria Tamayo, 27, of Floydada, was arrested for Outstanding fines owed to Floydada Municipal Court.

Feb. 21 at 4:35 p.m. police arrested Dennis Spray, 30, for an outstanding Theft Warrant.

Feb. 22, at 1:34 a.m. police were summoned to Allsups met with a 29 year old female who said she was a victim of domestic violence. She told police she had been assaulted by her boyfriend Troy Garza, 32, of Floydada. According to Gooch, "Police followed the victim to a residence in the 500 block of S. Main and located and arrested Garza for Family Violence/Assault. Once Garza was at jail he was served with additional fines owed to Floydada Municipal Court."

Also this week police finished an investigation of a Burglary of a Habitation that occurred in January. Police have recovered a TV at a pawn shop in Lubbock which had been stolen in the burglary. With this evidence a warrant was issued for Burglary of a Habitation against Roberto Navarro, 32, of Donna.

Police handled two juvenile reports this week. Feb. 23, police and school officials received information that a student had marijuana stashed in his car parked near school property. A search of the vehicle produced drug paraphernalia and an illegal knife. A 16 year old boy was arrested and sub-

sequently transported to PAC. Feb. 24, police brought a 15 year old Lockney boy to the Floydada Municipal Court for Outstanding fines.

Business of the Week

Thirty three employees keep track of 34,000 head of cattle at Caprock Industries northwest of Lockney.

The feedyard was purchased by Cargill, Incorporated in 1974 and has been turned into a state-of-theart operation. The plant is still in the expansion stages.

According to manager Pat O'Connell, All cattle in the feedyard are Cargill cattle and are contracted by Excel Beef in Plainview for slaughter. "We send a seven percent of the cattle having the Excel plant this close

also helps with expenses as it cuts shipping costs," he stansim manager "Two Cargill yards in the Panhandle have been closed and

Lockney is one of the yards chosen for expansion to take up the slack. Plus we are in the middle of a milo and corn growing area and cattle feed is readily available," he said.

"Presently we are feeding 600,000 pounds of milo a day and use approximately 50,000 acres of milo and 2,000 acres of corn in a year. We try to buy feeder cows, and as much milo, cotton seed, cotton burrs and corn locally as possible," O'Connell said.

"We receive 27 truckloads of milo each day and value is added to it once it is processed. We cook the milo and press it into flakes

February 1998 sales tax rebates when compared to the \$19,010.43 received in February of 1997. The total rebates received in January and Feban increase of 4/13 percent over the Lockney displayed a decrease of

6.15 percent over the same period for 1997 in over all receipts. The city's February check was in the amount of \$5,637.04 compared to \$6,006.50 received in February 1997. Total rebates Floydada Council discuss city services and approve hiring to date in 1998 are \$9,359.48, 1.73 percent less than total rebates at this time in 1997 Therefore, Hill will no longer receive

ing Contractors Inc. (Joe Bob Stotts) bid \$1.23 per cubic yard for a total of \$22,850.00. Councilmen voted unanimously in favor of hiring the low bidder, Stotts after a motion was made by Hill with a second by Sheldon Sue.

Continued From Page 1

Three requests for city services outside the city limits were considered and approved. Victor Smith and Scott Gin each asked for trash pickup and placement of a dumpster at their locations on the Ralls Highway. City manger Brown indicated that the service is provided for the Baptist Encampment several miles further out so it would be no problem to service these two customers at the usual out of town rate.

Water service was approved for Anthony Whitfill who is building a new house 1/2 mile south of Garrison & Ollie. He will be responsible for all lines south of the city connection point and will bear the cost of installing them. He will pay the usual out of town rate each month for water utility service.

Bruce Ballou met with the council to ask for permission to use three city owned lots near the Parent Adolescent Center for a garden project this summer. He also asked for free water to use on the garden. Both requests were granted on a motion by Corneluis with a second from Sue.

Mayor Hulon Carthel suggested the appointment of John Moss to replace Judy Ballou on the Floydada Housing Authority Board of Commissioners. Motion to make the appointment was made by Hill and seconded by Dale Lawson. All voted in favor.

Due to spring break, the next regular council meeting was rescheduled from March 19th to March 10th. May 2 was designated as the date for the spring elections by the city.

Council members approved turning the administration of COBRA health insurance for former city employees and other eligible insured over to TML, the current insurance carrier. This will relieve the city office staff of the paperwork involved in this type of carryover insurance.

An agreement was authorized with Clay Simpson, the current city farm lease holder, for reimbursement of expenses related to council approved capital improvements he makes at the farm. The agreement details how reimbursements will be made under a variety of circumstances.

Police Chief Darrell Gooch came before the council to make two requests. The first was for a new police car. He asked to trade the van in on a regulation police vehicle. As this was

paperwork, the judge has to supervise an evergrowing number of community service workers who are working off

A motion by Councilman Cornelius proposed \$500.00 per month for the purpose of hiring a part time clerical worker for the office. He said the employee could also be utilized in other areas at city hall if the work load in the City Court is not enough to keep the employee busy. Councilman Schacht seconded the motion and all voted in favor of the new employee.

Mayor Carthel suggested a concentrated effort in the next few months to get business and residential locations along Highways 70 and 207 to clean up. "We are getting a new highway through town and these locations are what everyone sees as they go through Floydada," said Carthel. "I would like to see them all put their best foot forward to make a good impression." Council members were in favor of developing a clean-up plan.

Council members reviewed financial reports and approved payment of monthly bills. Minutes from the January 20 meeting were also reviewed and approved as presented.

City Manager Brown told the council that he had been to several meeting in the past month, some with other council members and the mayor. As a result of information received at one of the sessions, he asked the council to vote on how they would like to see items placed on the agenda.

Brown said that currently, a councilman, the mayor or anyone who has a request, asks the city manager to put it on the agenda. The agenda is complied by the city manager and the city secretary. It is then reviewed by the mayor, who may or may not make additions. Brown indicated that many cities operate under a general law system where only the mayor and/or two council members can have an item placed on the agenda. Council members were in favor of using the same method that has been used in the past. They felt this would allow more communication between the council, city staff, and the general public.

Another item which stemmed from a meeting attended by Brown was the appointment of a designated individual to be responsible for handling not in the current budget and the po- any open records requests made to the

Bridal Selections for ...

By Ag Commissioner, Rick Perry

The fastest growing beverage consumed in the United States has no sparkle, no fizz, no color and no flavor. It's water.

Sales of domestic water in those easy-to-carry bottles have gone from 4 million gallons in 1984 to 750 million gallons in 1996. And beyond the bottles, more and more Americans are simply choosing to turn on the tap when they are thirsty instead of popping the top of a soda can.

The popularity of drinking water can, for the most part, be attributed to the American quest for healthy living.

20.00

Sic

0,0,0,0,0,0

Health experts tell us we should be drinking eight to ten glasses of water a day. Truly, all life depends on water.

So as we rediscover the importance of water as an essential element of life, Texans should also keep in mind the lessons learned from the drought of 1996. Remember that the typical American home uses 300 gallons of water a day. Good rains should not be cause for ending effective conservation practices such as limiting showers or gardening with drought-resistant plants. Because no matter how you bottle it, water remains one of our most precious resources.

immortal letter to the people of Texas - and to all Americans. He knew the Mexican Army was approaching, and he knew that he had only a very few men at arms to help defend the San Antonio fortress.

Colonel Travis wrote:

"Fellow citizens and compatriots: I am besieged by a thousand or more of the Mexicans under Santa Anna - I have sustained a continual bombardment and cannonade for 24 hours and have not lost a man - the enemy has demanded a surrender at discretion, otherwise, the garrison are to be put to the sword, if the fort is taken - I have answered the demands with a cannon shot, and our flag still waves proudly from the wall - I shall never surrender or retreat. Then, I call on you in the name of liberty, of patriotism and of everything dear to the American character, to come to our aid, with all dispatch. The enemy is receiving reinforcements daily and will no doubt increase to three or four thousand in four or five days. If this call is neglected, I am determined to sustain myself as long as possible and die like a solder who never forgets what is due to his own honor and that of his country - Victory or Death. William Barret Travis, Lt. Col, Commander.'

What American, Texan or otherwise, can fail to be stirred by Col. Travis' resolve?

In the battle that followed, 184 brave men died in a heroic but vain attempt to fend off Santa Anna's overwhelming army. But the Alamo was crucial. Because those heroes at the Alamo held out for so long, Santa Anna's forces were battered and diminished. General Sam Houston gained the time he needed to muster his forces and devise a strategy to defeat Santa Anna at the Battle of San

LONE STAR RISING

t the beginning of each year I look forward to March 2, a special day for Texans, a day that fills Lour hearts with pride.

On that day, 162 years ago, a solemn convention of 54 Staff Photo men meeting in the small settlement of Washington-onthe-Brazos signed the Texas Declaration of Independence. The declaration stated:

> "We, therefore ... do hereby resolve and declare ... that the people of Texas do now constitute a free, sovereign and independent republic ... "

> At the time, Texas was a remote territory of Mexico, hospitable only to the bravest and most determined of settlers. After declaring our independence, the founding delegates quickly wrote a constitution for the newborn republic and organized an interim government.

My great-great grandfather was one of the signers of

The store will have a total of 35,000 department store will continue to opsquare feet on one level. It will be erate in the catalog outlet store, the merchandised with a mix of recogniz- styling salon will close. Associates able national brand items and a broad assortment of JC Penney's own pri-

vate brand merchandise, designed and priced to compare with the best known brands of leading manufacturers. Special emphasis will be given to women's and men's fashions, includ-

ping experience to its Plainview cus- as family shoes and children's and intomers with the conversion of its de- fants' apparel. Other merchandise ofpartment store in the Plainview Towne ferings will include luggage and home Center to the J.C. Penney Catalog furnishings and related accessories.

The JC Penney department store will close on or before April 25, 1998, from the company's catalog distribu- and from now until April 25, will oftion system at discounted prices, 20% fer a number of special sales promoto 60% off the original prices. The tions to customers. The catalog outlet merchandise will reflect the store, which opens during the month company's fashion dimension, par- of May, will be stocked with new ticularly in women's and men's ap- merchandise to fit the store's new format. While the catalog desk in the currently employed at the department store will continue their employement at the catalog outlet store.

J.C. Penney Company, Inc. is the nation's largest catalog merchant and operates 20 catalog outlet stores throughout the United States.

March is National Nutrition Month

National Nutrition Month (NNM) lifestyle. It is a call to action that chal- tastes, within and among food groups. is a nutrition education and information campaign sponsored annually by the National Center for Nutrition and Dietetics (NCND) of The American Dietetic Association (ADA) and its Foundation. The campaign is designed to provide the public with the basic nutrition knowledge needed to make informed food choices and develop sound eating habits. NNM also promotes ADA and its members to the public and the media as the most valuable and credible source of timely, scientifically-based food and nutrition information, according to Melissa Long, County Extension Agent for Family and Consumer Science in Floyd County.

Initiated in March 1973 as a weeklong event, "National Nutrition Week" became a month-long observance in 1980 in response to growing public interest in nutrition. 1998 marks the 25th anniversary of this campaign.

The slogan for 1998, "Make nutrition come alive. It's all about you," reinforces the importance as a key component of a healthy lifestyle. It is designed to communicate the flexibility of nutrition recommendations, dietary guidelines, and the Food Guide Pyramid as the framework for daily food choices that can be personalized to each individual's food preferences, nutritional needs, health status, and

Thursday, February 26, 1998 - The Floyd County Hesperian-Beacon - Page 7 Have you any more readers?

The Duncan Volunteer Readers met involved can call Mr. Holcombe, Rachael Castillo or Janice Lloyd.

February 7, 1998, to evaluate the progress of the reading program. Letters had been passed out to the teachers to check the progress and effect of having the 20 volunteers.

All teachers responding expressed that they were pleased with the program. Some adjustments were made; more volunteers and substitutes were added.

Some of their comments were: "It's been wonderful for the children"; "the children look forward to the visits"; "reading seems better"; "the program is excellent and the students enjoy the attention".

Teachers indicated "all my children want to go"; "have you any more readers"; "more than one day a week would be great and it is extremely appreciated".

The teachers expressed they greatly appreciate the extra help this volunteer program has given. They appreciate the time volunteered and recommend "keep up the good work"!

Mr. Holcombe has been so support-

ive of the D.V.R.; in fact, he had sub- VOLUNTEER READER -- Carol Reese, center, is one of twenty volunteers stituted occasionally when he could. who work with the reading program at A. B. 3HS JV Girls Basketball Report

By Coach Eddleman

The JV girls lost their last two district games on the road. Roosevelt won 41-35. Leading scorer was Cynthia Chavez with 9 points. Lindsey Reddy had 6 and Nichole Hartline added 5.

The final game was at Denver City. They won 58-51. Leading scorers were Kylan Sanders with 15, Cynthia Chavez with 8, Nichole Hartline with 7. Karen Wyrick with 6 and Veronica Galvan with 5.

I was very proud of the JV Girls. They won 10 games and lost 16, but ten of that 16 was by three or less points. They played all but one district game very close.

Lady 'Winds Basketball Report

By Coach Roy Martinez

FLOYDADA 68 ROOSEVELT 56

The Lady 'Winds played Roosevelt, coming home victorious by defeating the Lady Eagles 68 to 56 on February 10. Marty Herrera had a doubledouble, scoring 27 points and pulling down 10 rebounds on 11 field goals and making 5 of 9 free throws.

Amanda Green was also in double figures with 17 points and 7 rebounds on 6 field goals while making 5 of 9 free throws to post her best performance of the season.Lana McCandless made 8 points on 3 field goals with 2 of 3 free throws. Amanda Wiliams had 6 points on 2 field goals and made 2 of 2 attempted free throws.

Neisha Simpson made 3 points but had 10 rebounds, seven on the defensive side. She also made a free throw. Jamie McGuire scored 3 points on a field goal. Gracie Dela Fuente and Ashleigh Williams each made 2 points.

of their high school careers were se

FLOYDADA 55 DENVER CITY 70 The Lady 'Winds took an early lead

tover Denver City o the locker room on February 13, but 32 Lady Mustang free throws in the second half ended another strong performance by the team. Marty Herrera scored 12 points and Amanda Green had 11 while both Neisha Simpson and Ashleigh Williams added 8. Tara McCandless made 7 points in the effort and Tamisha Burks made 4.

The Lady 'Winds lost their momentum early in the second half as they were called for 7 fouls within the first 72 seconds of the 3rd quarter. They did not give up and played extremely hard until the last whistle.Marty Herrera, Amanda Green and Amanda Williams fouled out early in the fourth quarter taking a lot of our scoring punch away with only 11 points in the fourth quarter, all from the free throw line

The tem's season record stands at 8-22 with a district record of 3-11. Playing in the last basketball game

The team really played well in all aspects of the game. The girls were able to get themselves where they were supposed to be both offensively and defensively. There was great communication by the team and you could see the girls playing with a lot of confidence.

Karlon Hooten added 5 field goals for 10 points. Elizabeth Torrez contributed 2 field goals and 1 free throw for 5 points.

Three points were added by Holly Arjona with a field goal. Lexi Jones

PUBLIC NOTICE

AEIGHBOR?

Southwestern Bell Telephone Company (Southwestern Bell) filed an application with the Public Utility Commission of Texas (PUC) to charge an additional 26 cents per month per line to recover costs for providing Expanded Local Calling service (ELC) to certain Texas Customers.

The 26 cents per month surcharge would not be billed to customers who receive ELC. However, ers who receive ELC and pay less than the maximum \$3.50 a month residential ELC charge or less than the maximum \$7 business ELC charge will have to pay the additional 26 cents per month charge.

Expanded Local Calling was created in 1993 by Texas legislation that requires telephone companies to provide toll-free calling between small towns that share a community of interest such as a school or hospital district. The legislation allows telephone companies to recover costs not paid through customer charges by applying a surcharge to all other customers in the state who do not receive the ELC service or who do not pay the maximum ELC rate. The maximum monthly ELC rate allowed under state law is \$3.50 per line for residential customers and \$7 per line for business customers.

Southwestern Bell estimates that the 26 cents per month per line charge will recover the \$27 million annual cost of providing ELC service that is not recovered from ELC rates.

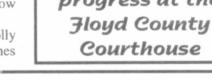

If approved by the PUC, the monthly statewide surcharge of 26 cents per line per month will begin with the April, 1998 billing cycles, with an agreement to refund all or part of the charge if the PUC does not approve it.

For questions about the reasons for the charge, please call the Southwestern Bell Business Office listed in your directory.

The PUC assigned Docket Number 18513 to this proceeding. The deadline for intervention in this matter is March 31, 1998. Persons who wish to intervene or comment in these proceedings should notify the PUC by March 31, 1998. All requests to intervene should be mailed to the Public Utility Commission of Texas, P.O. Box 13326, Austin, TX, 78711-3326. For information intervening, please call the PUC at 1-888-782-8477 or at 512-936-7120.

AVISO PUBLICO

Southwestern Bell Telephone Company (Southwestern Bell) presentó una solicitud ante la Comisión de Servicios Públicos de Texas (PUC) para cobrar 26 centavos más al mes por línea para recuperar los costos por el servicio de Llamadas Locales Ampliadas (ELC) a ciertos clientes en Texas.

El cargo de 26 centavos al mes no se cobrará a los clientes que reciben ELC. Sin embargo, los clientes que reciben ELC y pagan menos del máximo de \$3.50 al mes por el servicio ELC residencial o menos del máximo MAN 26 centavos adicionales a su pago mensual

El servicio de Llamadas Locales Ampliadas (ELC) fue establecido en 1993 por la legislación del estado de Texas y requiere que las compañías prestadoras de servicios telefónicos ofrezcan llamadas de larga distancia gratuitas entre pequeñas poblaciones que comparten un interés común tales como distritos escolares y de hospitales. Esta ley permite que las compañías telefónicas recuperen los costos no pagados mediante cargos a clientes, a través de un cargo a todos los demás clientes en el estado que no reciben el servicio ELC o que no pagan la tarifa máxima del servicio ELC. La tarifa máxima mensual permitida por la ley estatal es \$3.50 por línea para clientes con servicio residencial y \$7 por línea para clientes con servicio comercial.

Southwestern Bell calcula que los 26 centavos al mes por línea cubrirán los \$27 millones del costo anual del servicio ELC que no está cubierto por las tarifas de ELC.

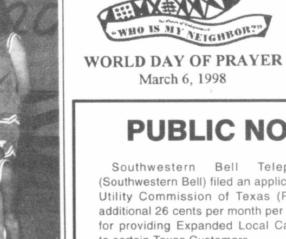

Si la PUC autoriza el cargo mensual estatal de 26 centavos al mes por línea éste comenzará a partir de los ciclos de facturación de abril 1998, con el acuerdo de reembolsar todo o parte del cargo si la PUC no lo autoriza.

Para preguntas relacionadas con este cargo, por favor llame a la Oficina Local de Southwestern Bell listada en su directorio telefónico.

La PUC asignó el número de registro de 18513 a este procedimiento. El plazo de intervención sobre este asunto terminará el 31 de marzo de 1998. Las personas que deseen intervenir o hacer comentarios sobre este procedimiento deberán notificar a la PUC antes del 31 de marzo de 1998. Todas las solicitudes de intervención deberán enviarse por correo a Public Utility Commission of Janes R.O. Box 13326. Austin, TX 78711-3326. Para mayor información sobre la intervención, por favor comuníquese con la PUC al 1-888-782-8477 o al 512-936-7120

Farm News **Proposed rules could weaken**

The Texas Department of Agricul- too many examples where the national ture today cautioned that the state's organic certification standards could be significantly weakened if proposed national organic rules are adopted as currently written. The comments were made during a U.S. Department of Agriculture public hearing in Austin regarding the proposed national standards.

"The advantages to national organic standards are clear, and we support the effort toward establishing them," said Waldo Morgan, assistant commissioner for Regulatory Programs at TDA. "However, dilution of existing organic standards in Texas should not be an option."

Texas is one of a dozen states with its own organic certification program considered to be one of the strongest in the country. In 1993, TDA asked and was given legislative responsibility for certifying producers and retailers of organic products. A voluntary organic certification program for producers had been in place at TDA since the late 1980s.

The proposed national standards are intended to bring uniformity for organics to all states. But in reviewing the proposal, TDA officials found far

> **Consistent Season-**Long Control of **Tough Weeds in Corn** Weed resistance problems,

unpredictable weather and the fast pace of the spring planting season make controlling weeds and grasses in corn fields one of the most difficult tasks for Billy Campbell producers. Zeneca Ag Products

Farmers

may have to make at least three herbicide applications in a season to keep weeds under control.

To avoid these expensive, multiple herbicide applications, start with a herbicide that gets the job done the first time. SURPASS® 100 herbicide is a premix of Surpass and atrazine that provides excellent control of annual grasses and broadleaf weeds.

Surpass 100 works because acetochlor, the active ingredient, allows you more control at lower use rates. Surpass 100 controls triazine-resistant weeds, such as pigweed, lambsquarters and common ragweed. This herbicide also contains dichlormid, a safener that eliminates injury risk for corn under adverse growing conditions

Surpass 100 adds flexibility to your busy spring planting schedule. It can be applied from up to 30 days prior to planting through emergence until corn is 11 inches tall.

Additionally, Surpass 100 works in all weather conditions and only requires a quarter-inch of rain to activate. Most other herbicides need at least a half-inch to an inch of rain to be effective.

And, it works in all tillage situations, including conventional tillage programs. But, unlike many preemergence herbicides, it also is ideal for conservation tillage because it doesn't require mechanical incorporation.

For more information about Surpass 100, contact your local ag chem dealer.

BEATRICE ADAMS

Graveside services for Mrs. Beatrice Connelley Adams, 88, of San Antonio were held at 11:00 a.m. Tuesday, February 24, 1998 in the Floyd County Memorial Park in Floydada. Michael Holster, music minister of the First Baptist Church of Floydada, officiated.

Burial was under the direction of Moore-Rose-White Funeral Home of Floydada.

Mrs. Adams died Friday, February 20, 1998 at Methodist Hospital in San Antonio.

She was born February 5, 1910 in Rocky, Oklahoma to J.I. Connelley and Millie Hopper Connelley. She attended schools in Oklahoma and New Mexico before coming to Floydada in 1926. She married her beloved husband, S.V. "Dude" Adams on December 21, 1928 in Plainview. He preceded her in death on March 18, 1986. She was a homemaker and helped her husband on their farms.

She is also preceded in death by three brothers, Haskell, Wilson and Eugene and one sister, Bernice.

She is survived by one daughter, Glea Adams of San Antonio; two sisters. Naomi Fawver of Decatur, and Geneva Cockrell and husband, John of Floydada; one sister-in-law, Mary Connelley of Houston; and one brother-in-law, Dee Adams and wife, Nita of Floydada.

The family suggests memorials be made to the Floydada Senior Citizens at 301 E. Georgia, Floydada, Texas 79235, Floyd County Friends of the Library Building Fund at Floyd County Courthouse, Floydada, Texas 79235, or to the Floyd County Historical Museum at 105 E. Missouri, Floydada, Texas 79235.

WILLIAM DORSEY BAKER

Graveside services for Mr. William Dorsey Baker, 94, of Lockney were held at 2:00 p.m. Saturday, February 21, 1998 at the Lockney Cemetery. The Reverend Tommie Beck, pastor of the First United Methodist Church of Lockney, officiated.

Burial was under the direction of Moore-Rose-White Funeral Home of Lockney.

Mr. Baker died Thursday, February 19, 1998 at Mangold Memorial Hos-

MARVIN G. BROTHERTON Brotherton, 79, of Tulsa, Oklahoma were held at 10:00 a.m. Tuesday, February 17, 1998 at Boston Avenue Methodist Church in Tulsa, Oklahoma.

Mr. Brotherton died Sunday, February 14, 1998.

He was the son of H.A. and Beauna Brotherton, who lived at Lockney many years.

He graduated from Lockney High School in 1937. He married Viola Cox on June 1, 1942 in Stillwater, 1998, in Amarillo. Okalhoma. They lived all their married life in the Tulsa area.

Mr. Brotherton retired from the Army as a Major and worked at the Soil Conservation Service in Oklahoma

Survivors include his wife, Viola; a son, Reverend Bruce Brotherton of Kingfisher, Oklahoma; a daughter, Debbie Brotherton of Tulsa, Oklahoma; two brothers, Henry Brotherton of Penrose, Colorado and Bob (Bascom) Brotherton of Canyon; three sisters, Mauritta Meek of Graham, Martha Jo Boren of Lubbock and Inell Zevrly of Amarillo.

EVERETT COLE

Funeral services for Everett Cole, 89, of Hart were held at 2:30 p.m. Wednesday, February 25, 1998 in the Church of Christ. Jim Hardwick and Deryl Clevanger officiated.

Burial was in the Hart Cemetery under the direction of Foskey-Lilley-McGill Funeral Home.

Mr. Cole died Monday, February 23, 1998 in Hart.

He was born December 20, 1908 in Childress. He lived in Lockney before moving to Hart in 1958.

He was a member of Hart Church of Christ and had worked as school safety patrol for Hart Independent School District until his retirement. He married Bernice "Bea" Plainview.

Survivors include his wife; three sons, Gene Davis of Conner, Montana, Curtis Davis of Spearman, and Gary ary Cole of Plainview; three daughters, of Baton Rouge, Louisiana, and ness.

Burial was in the Floydada Cemetery under the direction of Ossie Curry Funeral Home of Lubbock. She died Wednesday, February 18, 1998 in Methodist Hospital in Lubbock.

She was born on February 20,1957 in Crosbyton.

Survivors include a brother, Ben Joe Helen of Phoenix.

PERNECIE C. KING

Funeral services for Pernecie C. King, 89, were held Wednesday, February 25, at 1:00 p.m. at St. Luke's Methodist Church in Haltom City. Burial was in the Bluebonnet Hills Memorial Park under the direction of Bluebonnet Hills Funeral Home.

Mrs. King died Monday, February 23, 1998 at Holtom City.

She was born March 12, 1908 in Pidcoke, Coryell County, Texas to R.B. and Cora Calhoun.

She was married to William Alpha King, March 26, 1927 in Floydada. He and their son, Bobby Ned King, preceded her in death.

She is survived by a brother-in-law and sister-in-law, Raymond and Mary King of Lubbock, and several nieces and nephews.

Mrs. King was reared by parents instrumental in developing farming on the high plains of West Texas. After marriage she and her husband, who taught ag at Floydada High School for several years, moved to Fort Worth. They assisted in development of the Ft. Worth Chamber of Commerce and were active in management of the annual Fort. Worth Livestock Show and Rodeo for many years. She also worked in real estate throughout Tarrant County.

Her greatest love was caring for her family and maintaining membership and commitment to St. Luke's United Methodist Church in Haltom City.

LOIS PARRISH

OFFICIAL NOTICE OF NOMINATING **COMMITTEE MEETING**

10:30 a.m. March 3, 1998 Lighthouse Electric Cooperative, Inc. Headquarters East U.S. Highway 70 Floydada, Texas

In accordance with Article IV, Section 4.05 of the Bylaws of Lighthouse Electric Cooperative, Inc., the Board of Directors has appointed a Committee on Nominations to prepare a list of nominations for Directors to be elected at the annual membership meeting of the Cooperative on April 30, 1998. Three (3) Directors, one each from District 6, District 7, and District 9 will be elected in 1998. Although Directors are nominated from the District which they represent, all members in attendance at the annual meeting vote on all candidates who may be properly nominated.

SECTION 4.02 QUALIFICATIONS:

No person shall be eligible to become or remain a director of the cooperative who is a close relative of an incumbent director or an employee of the Cooperative, or is not a member in good standing of the Cooperative and receiving service within the District he represents; PROVIDED, that the operating or chief executive of any member which is not a natural person, such as a cooperation, church, etc., or his designee, shall be eligible to become a director, from the Directorate District in which such member is located, if he or such designee (1) is in substantial permanent occupancy, direction or use of the premises served by the Cooperative, and (2) is a permanent and year-round resident within or in close proximity to an area served by the Cooperative; BUT PROVIDED FURTHER, that no more than one (1) such person may serve on the Board of Directors at the same time. No person shall be eligible to become or remain a director of, or to hold any other position of trust in, the Cooperative who does not have the legal capacity to enter into a binding contract or is in any way employed by or financially interested in a competing enterprise, or a business selling electric energy or supplies to the Cooperative, or a business primarily engaged in selling electrical or plumbing appliances, fixtures or supplies to, among others, the members of the Cooperative. No person shall take or hold office as a Director who is the incumbent of or candidate for an elective public office in connection with which a salary is paid.

pital in Lockney.

He was born September 7, 1903 in Lockney. He was the ninth of thirteen children born to James Artemas Baker and Sarah Alice Ratliff Baker. He attended grammar school in Lockney, Peacock Military College in San Antonio and Castle Heights Military Academy in Lebanon, Tennessee where he graduated in 1920. He grew up working in the Baker Mercantile Company of Lockney, a dry goods and lumber store operated by his family. He married Wanda B. Stinebaugh on June 10, 1933 in Fort Sumner, New Mexico. He served as president of the First National Bank of Lockney from 1938 until 1945. Mr. Baker was a retired sheep rancher and farmer.

He is survivied by his wife, Wanda; two sons, Dorsey Lynn Baker and William Norton Baker, both of Lubbock; two sisters, Mary Baker Phillips of New Braunfels and Helen Baker Gross of Port Lavaca; 4 grandchildren and 3 great-grandchildren.

The family suggests memorials be made to a charity of choice.

She was born October 22, 1920 in Hill County. She married Clarence N. Walding in 1940 in Phoenix. She

Survivors include her husband; a daughter, Dana Robertson of Lubbock; two sons, Brynn of Lubbock and Douglas of Floydada; a brother, Bob Rafferty of Lake Somerville; a sister, Virginia Carver of Floydada; five grandchildren; and two great-grandchildren.

SECTION 4.05 DIRECTORATE DISTRICTS

The territory served by the Cooperative shall be divided into nine (9) Directorate Districts. Each District shall be represented by one director and the Districts are described upon the map on the territory served by the District attached to the Bylaws and made apart hereof.

SECTION 4.06 NOMINATIONS

It shall be the duty of the Board of Directors to appoint, not less than thirty (30) days nor more than one hundred eighty (180) days prior to the date of the meeting of the members at which directors are to be elected, a Committee on Nominations, consisting of not less than five (5) nor more than eleven (11) members. The Committee shall prepare and post at the principal office of the Cooperative at least twenty (20) days prior to the meeting a list of nominations for directors to be elected, listing separately the nominee(s) for each Directorate District from or with respect to which director must, pursuant to this Article, be elected at the meeting. The Committee may include as many nominees for any director to be elected from or with respect to a Directorate District as it deems desirable. Any fifteen (15) or more members of the Cooperative, acting together, may make additional nominations in writing over their signatures, listing their nominee(s) in like manner, not less than fifteen (15) days prior to the meeting, and the Secretary shall post such nominations at the same place where the list of nominations made by the Committee is posted. The Secretary shall mail to the members with the notice of the meeting, or separately, but at least ten (10) days prior to the date of the meeting, a statement of the names and addresses of all nominee(s) for each Directorate District from or with respect to which a director must be elected, showing clearly those nominated by the Committee and those nominated by petition, if any. The chairman at such meeting, after all nominations so made have been duly announced, shall call for additonal nominations from the floor and shall ascertain and announce, after any nominations made from the floor, the particular Directorate District from or with respect to which any additional candidates have been nominated.
