Lubbock City Bank buys Lockney's FNB

South Plains Financial Inc., parent holding company of City Bank of Lubbock, has announced an agreement to purchase the stock of West Texas National Bancshares, Inc., parent holding company of the First National Bank in Lockney and the First State Bank of Silverton.

According to Curtis Griffin, Chairman of South Plains Financial, in Lubbock. "We have no plans to make any changes in management or personnel. One of the reasons this arrangement appealed to us was because of the employees that were already in place."

The sale is subject to regulatory approval and, according to Griffin, the transaction will actually be closed around Dec. 1st, or upon the approval of the banking commission.

"We are excited about this acquisition," said Griffin. "The officers and employees of the Lockney and Silverton banks are dedicated to providing top-quality banking services to their communities, and we look forward to maintaining that level of commitment. We will add several new services and products, and we will be deeply involved in each community. We want to provide the best and most modern banking service to all our customers, no matter where they choose to live."

Griffith continued, "We believe agriculture is, and will continue to be,

the major economic force in this region, and we intend to be the best financial partner we can be for those in agriculture. All of our shareholders live in the South Plains and most of them are actively involved in farming and ranching. We understand the problems faced in agriculture today and will work with our customers to find answers to those problems.

"We believe this is the best place in the world to live and work and will do all we can to build our economy for our children and generations to come."

The acquisition will bring the total assets of South Plains Financial to over \$325 million and will give it locations in Lubbock, Levelland, Lockney, Morton, Olton, Silverton, Whiteface, Springlake, Floydada, and Paducah.

"The officers and employees of First National Bank are looking forward to continuing with providing for the needs of the customers and will continue to be active community bankers," said Ronnie Hardin, President and CEO, of First National Bank Lockney.

Bancshares owner James Doucette, said, "Several banks were interested in purchasing the banks. I chose SPF, parent company of City Bank of Lubbock, because they are in tune with this area, and are planning to continue business as usual."

County to contract out use of PAC to other counties

Chief Probation Officer Bruce Ballou appeared before Floyd County Commissioners Monday, to request their support of contacting with other counties for the use of the Parent Adolescent Center (PAC).

"I am getting good feedback from other counties," said Ballou. "They would like to throw in with us because they can see we are effective and they like what we are doing."

At it stands now, according to Ballou, the PAC is supported by Floyd County. Although each county in the 110th Judicial District is required by law to contribute a portion of funds

into the juvenile probation district, the bulk of the juvenile funding for PAC comes from Floyd County.

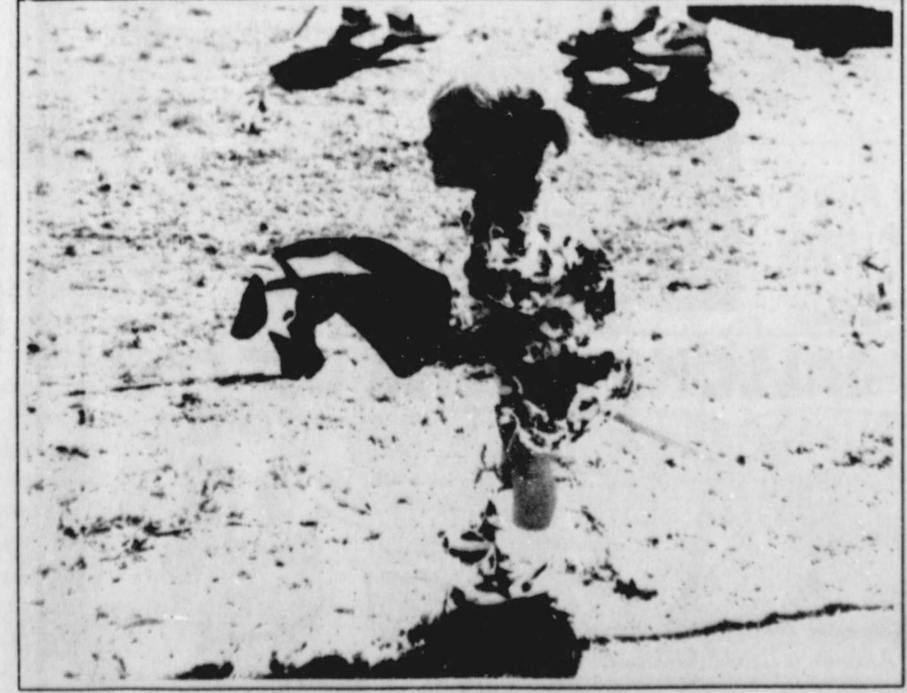

"The costs keep climbing," said Ballou, "and I would like a way to try and recoup some of the costs. If we did not have the PAC and the counties had to send their juvenile offenders to the Lubbock facility--they would be charged \$85 a day. We could contract with those counties and only charge \$45 a day."

"There would be times we would still have to use the Lubbock facility if the juvenile was violent or aggressive."

Congressman says most calls from voters urge President to leave office

By Alice Gilroy
 Floyd County's U.S. Representative Mac Thornberry says the calls he is getting from his constituents in the 13th Congressional District are overwhelmingly in favor of Pres. Clinton leaving office.

"The calls to our office, in the past 24 hours, are much heavier than normal," said Thornberry. "Approximately 90% feel the President should leave and the other 10% just want us to ignore the matter."

"There have been some who don't want the President to resign because they don't want him to be eligible for the pension benefits of the presidency."

In a phone interview, Thornberry told *The Hesperian-Beacon* that "like most other people, he found the Starr Report shocking, repulsive, and sad at the same time."

"The assertions presented in the report are generally very persuasive," Thornberry said. "And the President's people have not denied any of the facts presented in the report."

Thornberry also said he found the President's rebuttal to the report "insulting." "For him to play games with words--with legal technicalities--is insulting to the American people," said Thornberry.

Asked whether the high public opinion polls would influence the legislators' decisions, Thornberry said, "It is going to take some time for the public to digest all the information and come to conclusions, but I want to emphasize that it is now a Constitutional process--not a public opinion process."

"The Constitution has laid out a very clear step by step process for us to follow."

Thornberry said over the next 2 weeks the Judiciary Committee will review the 17 boxes of "back-up evidence."

"The committee will probably make most of it public," said Thornberry, "but they have to be careful not to include names that may just be mentioned in the report but are not involved in any way."

The Judiciary Committee will then go to the House and give their recommendation on whether or not the committee should be authorized to launch a formal impeachment inquiry.

"The House needs to give a simple majority vote for the committee to continue their work," said Thornberry. "I fully expect it to be approved overwhelmingly with a bipartisan vote. The House will say, 'this is serious business and we need to have an inquiry.'"

The Judiciary Committee would then continue to sift through the evidence and if warranted they would present the articles of impeachment--similar to a prosecutor presenting evidence to a grand jury and asking for an indictment.

"The length of time of this investigation will be determined by the report and the evidence Starr has included with it," said Thornberry.

"Once the Committee starts going through the boxes they will know if

City warns of fines for illegal dumping of tires

The City of Floydada is experiencing waste tires being put into city dumpsters. According to the ordinances of the City of Floydada, Ordinance No. 729, as amended, it is unlawful for tires to be placed in dumpsters. When caught placing tires in a dumpster, a person may be fined up to \$1,000.00.

When tires are unloaded in the pit at the landfill, the city employee must enter the pit and remove the tires. This action exposes the employee to a potentially dangerous situation and exposes your town to a fine not to exceed \$10,000.00 for the disposal of tires in an illegal way.

If you see anyone putting tires into a dumpster, please obtain a vehicle description, license plate number and a description of the person and notify City Hall. The cooperation of everyone is needed to stop this practice.

CHD hears good August report on Cogdell Clinic

FLOYDADA -- Trustees for Carprock Hospital District were informed that Cogdell Clinic in Floydada had shown a deficit for the month of August totalling \$3,600.00, making the year to date total loss \$57,000.00. "This is considerably less than the \$125,000.00 deficit showing last year at this time," said Paul Acreman. Acreman, representing Physician

Lockney City Council votes to install a new 6th Street water line and fire hydrant

LOCKNEY--The Lockney City Council met in regular session on September 10. Members voted to put in a new water line and fire hydrant south of town on S.W. 6th Street, discussed minimum water bills for the councilmembers and city employees, reviewed the Lake Mackenzie budget, and discussed several other items.

Water Supervisor, Dickie McCarty, reported to the council on the condition of the water line on South 6th Street. There is presently a two inch line taking care of six households. The line is old and leaks are repaired on a regular basis. Residents report very poor water pressure. McCarty reported that the cost of the line and fire hydrant will total \$7,197.00. Bill Anderson made the motion to put in

BY THE WAY

By Alice Gilroy

There are all kinds of reasons that Moms don't like to see their children grow up too fast.

I've always heard about the standard reasons like--

"I miss the sweet little hugs and soft kisses."

"I miss them curling up in my lap."

"I miss bedtime stories."

"I miss seeing them run to me with their arms lifted up to be picked up."

"I miss being the smartest person in their life--instead of the dumbest."

I can tell my son is getting older because I'm starting to really dread homework.

The A-B-C's and 1-2-3's were a breeze.

Reading out loud was fun. Checking over homework was an activity we did together.

Now I have to sneak in another room and pull out a secret calculator to check math.

Then I get--"Mom, would you explain that to me? I have to show my work on the paper."

I have learned how to save face.

I say, "Well, let's learn how to look it up in your book!"

The other night he brought home

Science homework. You can't use a pocket calculator in Science.

"Mom," he says. "I've done most of it but there are a few things I can't find in the book or in my notes."

Uh-oh.

Do you tell your kid you were stupid in Science? I mean after all--if kids use that expression parents jump all over them.

Do you admit that you barely squeaked by Science in college--that you were excited with a D!!!!

After all--your kids are supposed to make better grades than you ever did!!

Are you honest???

Absolutely Not.

I said, "Sure I'll try to help."

He shows me the questions and the fill in the blanks.

I have no ideas.

So I say, "I think it is very important for you to learn how to use your index and study guides."

He thought I was very smart and he was very appreciative.

Give him a couple more years. It won't be long I'll be looking back on these days and putting them in the same category as bedtime stories and butterfly kisses.

Courtroom Activities

In County Court September 11, 1998:

Monica Garza Arriola, Richard L. Burton, Cole DuBois, John V. Flores, Carolyn Gonzales, and Charles Keaton were all charged with Theft By Check of More Than or Equal to \$20.00 but Less Than \$500.

Also on September 11, Guadalupe M. Maldonado, 26, of Floydada, pled guilty to an August 28, 1998 charge of False Report To A Peace Officer. He was fined \$300.00 and sentenced to 30 days in jail which was probated for 6 months. He was also ordered to pay court costs.

Lockney Police Report

LOCKNEY--On August 24th Lockney Police responded to an accident with injury at the intersection of F.R. 378 (N) and East Locust Street. Josephine Cerda, 34, of Plainview, was transported by Lockney V.F.D. E.M.S. to Mangold Memorial Hospital. She was treated and released.

Michael L. Sanders, 23, of South Plains, driver of the other vehicle, had minor injuries. Cerda was issued a citation for failing to yield right of way at a stop sign.

Police responded just after 11:00 p.m. and again at 1:00 a.m., August 31, to the 500 block of S.E. 6th Street. Residents reported someone had tried to enter their residences through the back door. No entry was gained and nothing was taken at either location.

to the Floyd County Jail.

Just before 3:00 a.m. September 13, police stopped a maroon Ford pickup on S.W. 3rd Street. The vehicle was weaving from side to side on the street. The driver, Reynaldo Casas, 26, of Petersburg, was arrested for DWI and taken to the Floyd County Jail.

Also on September 13, at approximately 5:30 p.m. police were summoned to the 500 block of S.E. 6th Street. A resident had caught a person burglarizing a vehicle. A 14 year old Lockney youth was detained for the offense and referred to the Juvenile Probation Department.

Bryan Rector, 25, of Lubbock, was arrested September 8 for outstanding traffic warrants from the Lubbock Municipal Court. Rector was taken to the Floyd County Jail.

September 9, Olga Oliva Cera, 23, of Floydada, was stopped for speeding on U.S. 70. She was found to have outstanding warrants from the Justice of the Peace in Swisher County. She was taken to the Floyd County Jail.

Police were notified at approximately 10:15 p.m. September 12, of an intoxicated driver on U.S. 70. The brown Chevy pickup was located and stopped on Commercial Drive. The driver, Raymond L. Gomez Castillo, 31, of Lockney, was arrested for DWI. A passenger, Jerry Dean Aultman, 40, of Lockney, was found to be intoxicated and arrested. Both were taken

A view from The Lamplighter

By Ken Towerly

This whole thing about our President makes one want to go out behind the barn, chase the calves out of the way, and puke.

Which is what will probably happen if we see one more television image of:

Hillary and Bill strolling across the White House lawn, billing and cooing, holding hands on the way to one of our helicopters, on the way to Air Force One. or

Bill Clinton coming out of church services at Foundry Methodist Church in Washington, clutching his Bible tightly in one hand and Hillary's hand in the other....on his way back to the Oval Office for a Sunday morning quickie, or

Either Bill or Hillary making one more speech about how we must be concerned for our children, or

Hillary making one more speech about how "it takes a village", or

Bill Clinton, on the verge of tears and with his lips trembling, making one more speech about how sorry he is that this has caused so much pain

to so many innocent people, or

Hillary making one more speech about how proud she is of her husband, or

Any of the Clinton's lawyers and spin doctors making the argument that this whole thing is the result of a "right wing conspiracy," or

That this is all about our President's innocent, temporary confusion over how to define such things as perjury, sex, witness tampering, and the like, or

Hear Bill Clinton say that "normal" people in America would agree with his argument that his involvement with Monica Lewinsky did not involve sex, or

One more member of the Congressional Black Caucus making the argument that "any attack on Bill Clinton is an attack on all black people", or

One more t.v. comment by our President that all this mess may actually be good for the country, since, in a perverse sort of way, it will strengthen families, or

One more comment that this serves a good purpose since it has resulted in increased donations to his party and caused real supporters to stand up and be counted, or

Lordy, lordy, the list goes on.

We have said before that we think the President simply ought to resign. That would spare the nation the trauma of an impeachment trial. In this particular case it would spare the nation the embarrassment of hauling a multitude of witnesses down before Congressional Committees, where they would have to testify under oath before the nation and all the world.

Imagine, if you will, the scenario of Monica testifying under oath before the committee. Imagine the President testifying before the committee. Imagine him having to identify the "other woman" who was in the office with him, when Monica found out about it and threw such a jealous fit. Imagine the Threat Service agents having to testify, especially the one who was threatened with loss of his

job. Imagine the President of the United States being called on to testify as to his understanding what constitutes "sex." Imagine the world watching.

It would make captivating t.v., but would it be good for the country? It would be better, in our opinion, if he simply resigned, rather than put the country through it all.

Many others do not agree. Some say the impeachment proceedings should stay the course. Still others say we should ignore it, forget it, let Clinton serve out his term, give him his retirement and a lifetime of secret service protection, with all the perks that go with that event.

We are not one of the latter. He should not get away with it. He should either resign, or be impeached.

Why? Because there is one other, very important factor that ought to be weighed in all this, and that is... What will we be able to tell our children when it is all over?

Letters To The Editor

To the Editor:

I wanted to take this opportunity to let people know how inappropriate their behavior was at A.B. Duncan's Open House Monday night. If parents have concerns that need to be addressed they need to go through the proper channels to complain. Last night was a time for our children to show off to mom and dad the work that they have done thus far this year. Most of these children were "pumped up" and so were mom and dad. The fiasco that took place during the PTA meeting brought everyone down and put a damper on the kid's enthusiasm to show off their work and made it hard for mom and dad to concentrate on their child. I was truly disappointed at this show of rudeness, anger, bitterness, and basic lack of self-control to handle things in an appropriate manner.

When you have a problem with the school or it's policies, proper procedure to follow is as follows:

1. Go to the teacher first. If a reasonable solution cannot be met then,
2. Go to the Principal. If a reasonable solution cannot be met then,
3. Go to the Assistant Superintendent. If a reasonable solution still has not been met then,
4. Go to the Superintendent.
5. Only as a last resort when a reasonable solution cannot be met, are you supposed to take the matter to the School Board. Notice I say THE School Board, not one individual member. Most importantly, if you do go to an individual member, they should NOT express an opinion to you on the matter and if they do, you should NOT use it as a threat to someone in a public meeting place to get your way.

I want to go on record as saying that I agree with Mr. Campbell on the recess issue. He has not said our children cannot go outside at recess, he just wants the teachers to use their PROFESSIONAL judgement as to the appropriate time their class needs that recess time. My oldest child would cry and not want to go to school as a kindergarten and first grader. When asked why he said all they did was play. I believe him. As a first grader he would bring home at least an hour to an hour and a half of homework a night. I felt like they were playing at school and sending the work home to the parents to teach. That was how we felt and most importantly how my child felt. Schools are a learning institution, not a country club. Schools are not business or corporations; they are non-profit learning institutions set up to teach our students. Remember the 3 "R's"? Reading, Writing and Arithmetic.

In a time, when we have a "poor performing" school in our district, you would think parents would be supportive of any effort to get our schools up to an "exemplary" status. I am so glad to have Mr. Campbell and Mr. Hutton in our schools. They have brought about change, added vitality and have challenged all of us. I am so proud of all the administrators for deciding to make this the best academic experience our children can have. Instead of criticism, they need our prayers and praise. Prayers on their behalf for the wisdom to continue doing what is best for our children; praise to keep them going when times are hard and spirits lag.

In conclusion I ask you to think carefully about the following questions.

1. Why do you send your child to school?
2. What are your expectations for your child?
3. Do you want them to go to schools with "poor performing" statuses or "exemplary" statuses?
4. Do you want your child to merely pass or do you want them to be challenged and excel?
5. Do you really believe that social skills, morality and character building are the sole responsibility of the school and that is why they go to school?

Sincerely, Christina Chesshir

To the Editor:

The Friends of the Library organization is beaming over the success of the Denim 'N Diamonds benefit dinner last Saturday night; and we realize that many, many people are responsible for the successful occasion.

First, we thank you, the Hesperian-Beacon for the promotion you gave us...truly front-page all the way! The entire staff was cooperative and responsive to our effort; and, this in itself promoted a feeling of community unity.

The staff of the Plains Baptist Assembly gave us every advantage through their knowledge of catering, setting up the hall, directions, assisting with parking, welcome signs; and, they did everything with such enthusiasm and kindness toward us. What a wonderful atmosphere for an evening of relaxed fun!

An event of this size doesn't "just happen". Several committees worked over a period of time: Jane Bean took care of all the tickets, place cards, and table signs, and the finances; Jane

McCulley made and gave the certificates for the librarians; Jane B., Jane M., and Billie Jordan printed and provided the programs; Lovene Moore, Nettie Ruth Whittle, Ann Helms made all arrangements with the Baptist Encampment; Carolyn Marble, Doris McLain, Billie Jordan created the table decorations; and they, with Martha Lotspeich, Joyce Lipham, Carol Reese, and Joy Smitherman decorated the hall. Ann Helms secured the delightful entertainment. Carol Reese, Lovene Moore, Julianne Cornelius, Doris McLain were receptionists that evening, and Julianne promoted the ticket sales for the gift-earrings, during the evening. Eric Cornelius, Adrain Helms, and Don Bean assisted the camp staff with parking. Amy Hollums, Janice Lloyd, and Joyce Lipham, president of the Friends group, worked with every committee...in fact, all committee members interacted with other committees throughout the planning.

To every person who responded through ticket-sales, donations, attendance, encouragement, we say, "thank you". You made this event successful! Thank you, Alice, for being there to cover the event so well.

Sincerely, Martha Farris

County to contract PAC services

Continued From Page 1

Ballou explained to the commissioners that the move would not open up the county to any additional liabilities. The same insurance coverage the county has maintained for the PAC in the past would stay in place even if counties were charged for usage of the PAC according to Ballou.

"We could also refuse any juvenile," said Ballou. "My objective is to reduce the local funding.

"Floyd County and the City of Floydada have carried the weight of the expense for the PAC," said Ballou.

Commissioner Ray Nell Bearden made the motion for Floyd County to contract with other counties for juvenile services and Commissioner Lennie Gilroy seconded. The motion passed unanimously.

Ballou told the court he would handle the billing and the money would come straight back to the county.

"The money will probably be placed in the general fund," said Judge Bill Hardin.

The commissioners adopted a resolution supporting the county's participation in the Storm Water Phase II Coalition.

The coalition has been formed to oppose the adoption of proposed EPA regulations concerning "storm water discharges."

According to the coalition the regulations proposed by the EPA "will have enormous economic consequences for many counties."

The resolution states that 38 counties will automatically be designated in the proposed rules and will be re-

quired to obtain permits for storm water discharges from small municipal storm sewer systems, also known as MS4's.

"In these 38 counties a drainage ditch in the county right-of-way will be considered an MS4 and therefore the county will be required to develop and enforce the storm water management program," read the resolution.

It further stated, "every county in the State of Texas which engages in construction activities of at least one acre (such as clearing, grading, and excavating) will be required to obtain permits for discharges from such sites."

"Right now we aren't one of those 38 counties required to do this," said Judge Hardin. "The coalition is just asking for our help in fighting it."

"We could ride on their coattails," said Commissioner Jon Jones, "but I believe we ought to try and help. We could be next."

Gilroy then made the motion for Floyd County to support the efforts of the coalition in the amount of \$250,000. Jones seconded and the vote was unanimous.

County Extension Agent Melissa Long reported to the court on the monthly activities and very busy schedule of the Floyd County 4-H and Extension Agent J.D. Ragland also briefed the court.

According to Ragland the recent harvest of a Floyd County corn test plot yielded 90 bushels or 5,100 lbs. per acre. "The sorriest I have heard about has been 20 bushels and the best I heard about was 180 bushels in the

McCoy community," said Ragland. "It is a scattered report--it has just been too hot and dry."

Ragland said the pumpkin crop was "looking good, but some may be a little behind."

"The peanut harvest begins the first of October," said Ragland. "The drought has been hard on those starting a new crop. This may leave a bad taste in producer's mouths."

Ron Graves, Entomology Agent for Floyd and Crosby County, also addressed the commissioners.

Graves told the commissioners the cotton harvest should also produce variable results. "I have heard of ranges of 300-1300 pounds," said Graves.

Graves also said the boll weevil will become a greater threat as time goes on.

County Treasurer Mary Shurbet presented her report for the period of August 1 thru August 31, 1998.

The report showed the county with a beginning balance of \$394,756.20 with receipts of \$236,619.48.

Transfers in were \$149,148.12 and transfers out were the same.

The total amount disbursed was \$202,941.07, leaving a balance of \$428,434.61.

The total amount held in CD's was \$470,000 with interest earned on CD's and checking accounts at \$41,300.51.

The court also approved budget amendments and a Pct. #3 farm work contract to clear fence lines and level dirt loads on property owned by Dorsey Lynn Baker, on Hwy. 207 north of South Plains.

Thornberry prepares for impeachment possibility

Continued From Page 1

Starr has already done a thorough job of investigation or if they need to continue with the investigation."

If the Committee turns over articles of impeachment to the House, a majority vote of the House will then impeach the President--an indictment.

The House then sends representatives to the Senate which tries the case. The House members act as prosecutors in presenting the case to the Senate. The President would also have the opportunity to present his side and call his own witnesses.

The Chief Justice of the Supreme Court presides over the Senate during the impeachment hearings.

A two-thirds vote of the Senate

would convict the President.

"Only one President has ever been impeached," said Thornberry. "President Andrew Johnson was impeached, however he was not convicted by the Senate. One cabinet member was impeached but he resigned before the Senate trial, and there have been 10 federal judges impeached."

"The Constitution lists 'bribery, treason, and other high crimes and misdemeanors' as grounds for impeachment," said Thornberry. "I have been studying this and according to English law--their interpretation of high crimes did not require a criminal offense to impeach. There was a federal judge impeached because he was drunk on the bench all the time.

"It comes down to a matter of violating trust. That is why we have to have these debates and discussions. The President is our chief executive officer and chief law enforcement officer. If he lies under oath that in itself says he ought to be removed."

"I tend to agree with a U.S.A. Today editorial which points out a pattern of conduct by the President and said 'he always puts his personal self interest above the country's'."

Thornberry said it is that "pattern of conduct" which could be grounds for impeachment.

"We need to worry about our young people watching what happens and taking lessons on it," said Thornberry.

"If we follow the Constitution we will be fine."

CHD gets good news on Cogdell Clinic

Continued From Page 1

Network Services (PNS), the organization which oversees clinic operations in Floydada, told the board there was a \$6,800.00 drop in expenses for the month. This included \$3401.10 which had erroneously been charged to the clinic for Southwestern Bell advertising.

He added that collections are increasing and a special effort is being made to insure that Medicare and Medicaid claims are being properly documented, coded and processed. Collection efforts on self-pay and commercial accounts are also being stepped up according to Acreman.

Acreman also told the board the Floydada clinic was fourth of 13 community health clinics operated by

PNS in the area in the number of patients being served. He said the closest comparison was to a clinic in Slaton. The physician in Floydada sees 700-900 patients per month while Slaton's Physician's Assistant sees about 1400.

"When you are able to amortize the fixed costs of a clinic operation against that many more patients," said Acreman, "the numbers will always look better."

Other matters before the board at the Tuesday morning meeting on September 15 included approval of minutes from the August 18 regular session and acceptance of financial reports as prepared by Fred Thayer,

CPA.

Maybelle Monreal, office manager at Cogdell Clinic in Floydada, presented one indigent health care claim to the board for payment. The board authorized payment of \$2,371.75 on the claim. Monreal explained that the district is obligated to pay 95 percent of the bills for inpatient care and 93 percent of the billing for outpatient care on indigent claims. This reduces the total CHD obligation on qualifying residents of the district who need medical attention.

Board members also discussed changing the time and location of the monthly meeting. Currently, regular sessions are held at 7:00 a.m. in the dining room at Nielson's Restaurant.

A motion by Lee Battey called for changing the meeting place but not the time. Battey moved to hold the meetings at 7:00 a.m. on the third Tuesday of each month at Cogdell Clinic. It was seconded by Kyle Smith and prompted a split vote.

Denise Payne opposed the motion, saying, "You will not get public input at 7:00 a.m. People just cannot get ready for work and get their families ready for school and have time at that hour to attend meetings."

Voting in favor of the motion were Battey, Smith, Jeffery Johnson, and Tom Farris. Future meetings will be at the clinic.

City to install new water line

Continued From Page 1

a new six inch line to the city limits and install a fire hydrant. The second was made by J.D. Copeland.

No one was present for the public hearing on the minimum water bill for the city employees and councilmembers. City Attorney Paul Lyle stated that he did not think the councilmembers could have their minimum water bill paid. Salaries of the councils are set by the state legislature at \$25 for the members and \$100 for the mayor per month.

He stated a minimum water usage fee could be paid for the employees and be considered a part of their salary. The board voted to table the item until Lyle can check on the legality.

The council had been asked to consider closing a T-alley running East and West in Block 28, Original Addition of Lockney. The person asking for the closing was told that a formal written request with the signatures of all property owners along the alley would have to be presented to the council before any action could be taken.

The Lake Mackenzie budget was reviewed by the board. Mayor Gary Marr reported Lockney is currently paying \$12,136.00 monthly for water. The fee is based on yearly water usage. The rate for the City of Floydada is \$22,000, Tulia \$26,000, and Silverton \$5,700.

In regular business before the board the minutes of the previous meeting

were read and approved, current bills were approved for payment and the financial statement reviewed.

Present at the meeting were Councilmembers, J.D. Copeland, Tina Graves, and Bill Anderson; Mayor Gary Marr, City Secretary Charlotte Hooten; Department Supervisors, Dickie McCarty, Arcenio Martinez and Kenny Hooten; Chief of Police Jerry Edwards, City Attorney Paul Lyle, and the Hesperian-Beacon reporter.

Galvan visits China aboard USS Blue Ridge

Navy Petty Officer 1st Class Steven Galvan, son of Josefina Galvan of Lockney, recently visited China aboard the amphibious command ship and Seventh Fleet Flagship USS Blue Ridge, based in Yokosuka, Japan.

During the port visit to Qingdao, crew members from Galvan's ship had the opportunity to participate in several athletic contests and cultural activities. To return the hospitality, Galvan and crew members conducted tours on their ship for several thousand visitors.

The 1981 graduate of Lockney High School joined the Navy in February 1987.

Lockney Health and Rehab Center

By Rebecca Rodriguez, A.D.
LOCKNEY--Hello to everyone once again from all the residents and staff of Lockney Health and Rehabilitation Center.
 Our Floyd County Fair days have passed us by once again. We sold Spunkmeyer cookies to help our activities fund. We did very well. We will be buying something to use for the residents here at our facility. At this time we are still brainstorming on what to buy. We would like to thank everyone who supported us.
 I personally would like to thank a few people who have always supported me. I would like to thank: Sherry Coker, our Administrator; Anna Vorkavich, our D.O.N.; Willetta Isom, our Business Office Manager;

Julie Zentell, our FRD and Speech/Language Pathologist; Pat Gissonno, our Social Service Director; Janie Bursiaga, our Housekeeping/Laundry Department Head; and Delia Sierra, who has been helping me with activities. I really appreciate everything you guys have helped me to accomplish. I couldn't have done it without you! Thank you!
 We will be sponsoring Republican Tom Haywood on October 5th. We will have more information on this later.
 We have lost one of our residents, Pat Stansell. He passed away September 15th. Let us keep him and his loved ones in our prayers.
 This is all for now... until next time.

Moore and Wing recite vows

Lindsey Lanae Moore and Brandon Eugene Wing were united in marriage at noon on Saturday, September 5, 1998 in the Chapel of the First Baptist Church in Amarillo. Dr. Howard Batson officiated.

The bride is the daughter of Mr. and Mrs. Barry Peterson of Amarillo and Mr. and Mrs. Vernie Moore of Earth. Parents of the groom are Mr. and Mrs. Mike Wing of Amarillo.

Grandparents are Mrs. W.L. Davis and Mrs. Doyle Moore of Floyoada, Mr. and Mrs. J.C. Daniels of Panpa, Mrs. Barbara Wing of Amarillo and Mrs. Doris Salmon of Clarendon.

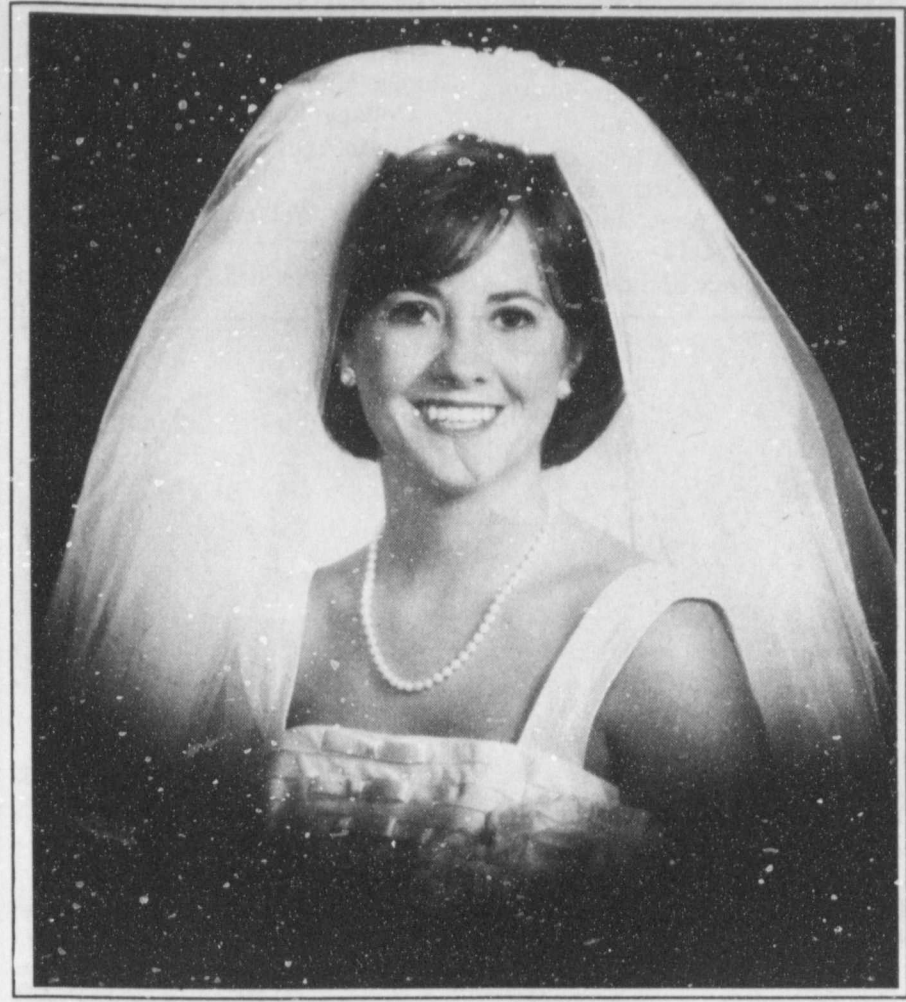

Escorted down the aisle by her father, the bride wore a formal gown of imported silk shantung designed by Jasmine. The straight neckline was complemented by a shoulder strap of pleated silk. The body was accented with tucks of silk and a row of small tailored bows that emphasized the empire line. Princess seams added to the elegance of the A-line designed skirt that fell gracefully to the floor and swept into a semi-cathedral length train. The edge of the skirt was accented with a tuck of silk and small tailored bows. To complete her ensemble she chose a veil with a cluster of rosettes finished with silk while illusion and satin corded edge. Lindsey wore her mother's pearl necklace and diamond/pearl earrings.

The bride carried a nosegay of white roses.

The bride was attended by her matron of honor, Tiffany Coffman, high school friend from Lubbock. Bridesmaids were Eden Moore of Colorado Springs, Colorado, and Shayla Ally of Dallas, sisters of the bride. Other attendants were Jamie Whittenburg and Marci Hansen, college friends of the bride, both of Lubbock.

The attendants wore black silk shantung ankle length suits and carried circle bouquets of red roses.

Bradley Spikes, high school and college friend from Lubbock, served as best man. Groomsmen were Reese Weller, Brian Walker, Matt Reeves, college friends of the groom from Lubbock and Cortney Henderson,

MRS. BRANDON EUGENE WING
 (nee Lindsey Lanae Moore)

high school friend from College Station.

Serving as ushers were Barry Wilson of College Station and Matt Nuchia of Lubbock. Mitchell Edwards of Sudan was the ringbearer.

Honor attendants were Carolyn Moore, Micah Wing, Keely Luginbill and Chelsea Keller.

The chapel was decorated with a candelabra arch holding 15 candles and 2 spirals of candles covered with greenery and clusters of white flowers, including lilies and roses. Baskets of fern also decorated the platform.

Aisles were decorated with single candelabras containing a single white candle, satin bows and greenery. Tulle was draped between the aisles. An aisle cloth was unrolled for the attendants and the Bride.

Prelude music was played by organist, David Lowe and mothers and grandmothers were seated to "Jesu, Joy of Man's Desiring" by Bach. Vocalist Lauren Dugger, accompanied by pianist Janice Davis, sang "Parents Prayer" by Greg Davis. "Canon in D" by Pachelbel was played as the attendants entered the chapel. The bride entered as the organist played Fanfare and "Trumpet Voluntary". "The Wedding Song" was performed before the wedding message and exchange of vows. Prior to the couple being presented as man and wife, Steven Curtis Chapman's "I Will Be Here" was sung by Ms. Dugger as she was accompanied on the guitar by Trent Monk.

Following the wedding, a champagne luncheon reception was held at the Amarillo Botanical Garden. The

luncheon was catered by Unlimited for You of Amarillo. Featured on the buffet were fresh seasonal fruit and berries in an elaborate display, fresh vegetables in an arrangement with herb dip, assorted beef and spicy cheese squares.

The bride's cake was a basketweave design of lemon, strawberry and almond layers decorated with fresh flowers. The groom's cake was two layers of chocolate with chocolate icing decorated with the groom and bride's monogram. Chocolate dipped strawberries accompanied the cake.

Other courtesies included were a lingerie show hosted by friends of the bride in the home of her matron of honor, Tiffany Coffman, a miscellaneous shower given by friends of the parents in the home of Mrs. Suzanne East of Amarillo. A couple's Home Improvement shower was hosted by friends of the groom's parents in the home of Sharon Shepherd.

The Bridal Luncheon was held at The Park on Sixth Street in Amarillo. Hostesses for the event were Carolyn Moore, Sue Moore, Donna Moore and Lana Peterson. Family members and honor attendants were treated to a brunch of chicken and mushroom quiche, fresh fruit, salad greens with raspberry dressing, and creme brulee for dessert.

A wedding rehearsal dinner in honor of the bride and groom was given by Sandy and Eddie Henderson in their Amarillo home. Approximately 60 guests were treated to a delectable buffet which included a dessert of chocolate cake baked by the host and beautifully decorated with confectionery flowers.

After a brief honeymoon in Las Vegas, Nevada, the couple is at home in Lubbock. The bride is a senior Early Childhood major at Texas Tech and a member of Kappa Kappa Gamma sorority. The groom graduates in December with a Finance degree and is a member of Phi Delta Theta fraternity. He is employed by McWhorter, Cobb and Johnson Law Firm in Lubbock.

FLOYDADA--The center is open Monday through Friday. If you plan on eating lunch, please call the center at 983-2032 by 10 a.m. If you are 60 years or older this center is for you.

The First Baptist Church, as of last Sunday, voted 98% of those in the congregation to call Rev. Anthony Sisemore as their new minister. He has been the minister at the First Baptist Church in Quitaque. He did accept the call and will be here in a couple of weeks or so to start his work here in Floydada.

Dell Yandell has recently returned from an 18 day trip to California to visit her daughter Judy Kalama and family and then Dell flew to Hawaii to visit her son, Lane Yandell and family and friends.

Flora McNeill's granddaughter, Misty and her husband, Dr. Ronnie Ford and their two children, Jordan and Peyton visited Flora over Labor Day holiday.

Congratulations to Olin Lyles whose name was drawn for September "Free" car wash which Eric Cornelius of Cornelius Conoco Service Station offers to our members. Thank you Eric for making another one of our members happy.

Edna Patton has just returned from a trip with her granddaughter, Lisa Stane and sons of Fort Worth. They drove to Florida to visit Edna's son, Larry and Marcia Patton of St. Cloud, Florida. They went on to Disney World, Sea World, and toured Universal Studios then on to Atlanta, Georgia, and visited friends. They drove on to Conway, Arkansas to visit Lisa's in-laws, Raymond and Margaret Stane and then on home.

We are happy that Alma Rape did not have to stay long at the Lockney Care Center. She is back home and is coming to the center for lunch every day. Josephine takes care of Alma. While Amy was at Lockney, Josephine had eye surgery. They both are doing well now.

Nell McClung's daughter, Sue Higginbotham of Jacksonville, Arkansas spent a week here visiting her mother. Her sister Shirley Parker of Hartley came and spent the weekend while Sue was here plus a grandson, Bryant Higginbotham (Sue's son) and his family drove over from Lubbock and spent a couple of days.

Elizabeth Armstrong's granddaughter, Donna Webb had surgery last week and is at home now.

We want to "Thank" all of you who have contributed either through a donation or memorial to helping to keep the center alive. The following are those who have contributed since September 1st:

In memory of Shorty Neff were Lorene Dunavant, Edd and Evelyn Pollan and J.W. and Betty Gilbreath; In memory of Gladys Jones were Mr. and Mrs. Raymond Poole, Jerry Bradford, Doc Botkin, Bob and Evalene Goodnight, R.L. 4-H'ers earn participation awards with Fair points

Floyd County 4-H Club members entering items receive points for the number of items they enter and the ribbons they receive. These points count towards participation awards received at the annual 4-H banquet. The Floyd County Fair Board presents the club member with the most points a plaque, 2nd place with a red rosette, and 3rd place with a white rosette. The first three places went to Tasha Powell 44 pts, Karah Hrbacek 41 pts, and Janee Hrbacek 37 pts.

Marricle pulls second week win

There were 51 entries in the first week of the Hesperian-Beacon Football Contest, 33 in the Floydada box and 18 in the Lockney box. Earning the first prize check for the second week of the contest was Keith Marricle of Floydada. He missed only 4 games out of the 28 on the contest. His check for \$25.00 will be in the mail to him on Friday. Marricle and Jim Ed Davis of Lockney tied with 4 misses this week. Each incorrectly selected Slaton to beat Lockney. First place was determined by the total combined score of the Slaton (10)-Lockney (26) game, 36. Marricle selected 38, two points over the actual total. Davis chose 28, eight points under the actual total. Davis will receive a check for \$15.00. Third place was also determined by the tie-breaker. Mark Ford and Allen Martin, both of Lockney, missed six of the 28 games. Both correctly chose Lockney to win over Slaton. The check for \$10.00 goes to Ford who

guessed a total combined score of 28, eight points under the actual total. Martin chose 23, 13 points under the total. Honorable mention for this week with seven games incorrect were Boyd Lee, Jimmy Kemp, and Pam Fulton of Lockney as well as Shane Lloyd, Vickie Norrell, Steve Arney, Dwayne Wilson, Franklin Harris, and Sheree Cannon of Floydada. 12 entries missed eight games and five entrants had nine games incorrect. Seven entries had 10 errors, seven missed 11 games, and one had 12 incorrect choices. Two entries missed 13 games, one missed 14, one missed 15, one missed 17 and one missed 18. Take any opportunity you can to thank the sponsors of the contest for bringing it to you this year. Support them by taking your business to them whenever possible, not only during football season, but throughout the year.

Pirates bag 'Winds, 24-21

By Bill Gray
A 27-yard field goal in the third quarter by Lubbock Cooper's Carl Pankratz provided the winning margin as the Pirates edged Floydada 24-21 in non-conference action at Woodrow on September 11. Each team now stands at 1-1 for the young season. Floydada set the early tempo when Cody Stovall downed a Michael Black punt at the Pirate 2-yard line. Brandon Wickware's jarring tackle caused a Cooper fumble on first down, and Wickware quickly pounced on the ball to give the Whirlwinds their first scoring opportunity. Three plays later Stovall connected with Ticen Harper on a 5-yard aerial for a TD, Gabriel Rodriguez added the PAT and the Winds were first on the board at 7-0. Floydada's next possession was highlighted by Stovall's 22-yard pass to Justin McGuire for a first down at the Pirate 31-yard line. On second down, Black broke into the open behind good blocking by Patrick Odom and John Dunavant, but a holding penalty nullified the play which carried all the way to Cooper's 2 yard line. A pair of offensive errors prevented the Whirlwinds from sustaining the drive as the first period drew to a close. The "Green Wave" defense led to Floydada's second score four minutes into the second period. Pirate QB Stan Finch's pass intended for Patrick Henderson was blocked by Darryl Henderson and picked off by linebacker Lonny Nelson. Two snaps later Black roared 43 yards for his first of two long TD runs of the night. Rodriguez tackled on the PAT to put the 'Winds in command 14-0. Cooper was quick to respond. Xavier Rios, who would lead all ball carriers with 148 yards on 31 carries, rambled for a 47-yard touchdown halfway through the period. Carl Pankratz boomed the first of three extra-point attempts to bring the Pirates to within 7 points. Cooper fought back on a 12-play, 68 yard drive in the waning moments of the first half. Stan Finch tossed a 20-yarder to Russell Madison for the touchdown and Pankratz added the conversion to know the score 14-all at the halftime intermission. Both defenses pretty well controlled the third stanza. A Floydada defensive holding penalty was offset by a Cooper holding call, nullifying a pass completion from Stan Finch to Gabriel Velasquez. The Pirates' shotgun attack started making some dents in the Whirlwinds' stopper unit. Sophomore Stan Finch had to step forward in replacing senior QB Lynney Tucker (who was lost for the year due to a pre-season injury). Cooper coach Greg Hogue chose to go to the shotgun set to avoid the fierce pass rush being delivered by Brandon Wickware and Darryl Henderson. Carl Pankratz's 27-yard field goal in the closing seconds of the third quarter put the Pirates in front for the first time at 17-14. However, the 'Winds regained the lead on the first snap of the final period. Again by good blocking on the left side of his line, Black ran a counter, then cut back against the grain and raced 78 yards for the go-ahead score. Black would end up with 121 yards on just 12 attempts and two touchdowns. Dustin Welch slipped through Floydada's protection to block a Whirlwind punt halfway through the final period. Rios continued his on-

slaught by carrying the final 11 yards in the winning 8-play, 32-yard scoring drive. Bad field position and a swarming Cooper defense put an end to any last-minute hopes of a Floydada come-from-behind rally. In a post-game interview, Coach Tim Daughtrey said, "The kids played their hearts out, but just made too many mistakes. It was a tough one...I don't know how many turnovers we had - plus the blocked punt. If you make more mistakes than they do and don't win the kicking game, then you're not going to win against comparable teams. That's what happened tonight." The coach added, "It's my job to get them ready to play...we'll just have to regroup and get ready for Shallowater." The Whirlwinds travel to Shallowater (an 18-7 winner over Idalou last week) for a 7:30 p.m. kick-off tomorrow night. Lubbock Cooper will venture to Odessa for a Saturday encounter with Reagan County at Ratliff Stadium.

Floydada JV loses to Cooper
By Bill Gray
The Floydada JV football team hosted Lubbock Cooper in its first home game of the year last week. The Whirlwind JV dropped a 28-7 decision to fall to 0-2 on the year. Facing a mostly sophomore Cooper squad, the freshmen-laden FHS team fell behind 14-0 early. Ed Porter gave the "Winds a big boost, however, when he took a Cooper kickoff near his own 10-yard line and followed crushing blocks by Eric Zepeda, T.J. Fuller and Jermaine Wickware on his way to an 87-yard touchdown return. Fuller added the point after touchdown kick to pull FHS within 14-7, but the Whirlwinds could never find their way across the goal line the rest of the game. Big defensive plays kept FHS close at first. Anthony Suarez and then Amado Morales killed second-half Cooper drives with key interceptions. Linebacker Fuller and sophomore defensive tackles Marcos Riojas and Chris Yannis spearheaded a tough FHS defense. The junior varsity stays home again this week when it hosts Shallowater at 6:00 p.m.

Behind the Sidelines

Horns gore Tigers, 26-10

By Coach Kurt Ashmore
Last Friday the Longhorns took their first road trip of the season to take on the Slaton tigers. Those of you who went to the game saw Lockney break into the win column against the Class 3-A Tigers with a 26-10 victory. We are proud of the progress these young men have made. They have put in many hours of hard work, and it is exciting to see their work pay off in the form of a win. The Longhorn offense got on track beginning with the first play of the first offensive series. After the Longhorns fielded Slaton's punt on the 9 yard line, junior quarterback Jordan Lambert opened up the scoring with a 91 yard bootleg run for a touchdown. The other scoring plays came through the air. With 3 minutes left in the first half, senior Cooter Durham made a fumble recovery deep in Tiger territory which set up Jordan Lambert's 23 yard touchdown pass to senior tight end Thad Lusk. Only 2 seconds remained on the clock when Lambert and Lusk connected again on a 12 yard pass completion. Sophomore fullback A.J. Thornton caught Lambert's pass for the two point conversion giving

the Longhorns a 17-3 lead at halftime. Our only score of the second half took place with 8 minutes left in the game. Lambert once again found Lusk for the final Longhorn score of the game on a 16 yard bootleg pass. Overall, the offense accumulated 322 yards: 244 yards rushing on 32 attempts and 88 passing yards. Lambert was six out of eleven passing with no interceptions and rushed 132 yards on 13 carries. Calvin Collins rushed for 103 yards on 14 carries. Lusk was the leading receiver with 5 catches for 78 yards. The offensive line did a great job of run blocking and pass blocking. Our young men definitely won the battle of the trenches, and this enabled us to put together many drives and have some big plays. If you looked closely at players' helmets Friday night, you may have noticed that several young men had stars on the backs of the helmets. These stars were awarded to players who executed their assignments well against Friona. This week and every week hereafter, we will hand out stars to award winners. Players who will receive awards for their performance in the Slaton game are senior guard

Brett McQuhae, junior center Adam Pachiano, junior guard Jessie Ledesma, senior tackle Hank Henderson, sophomore tackle Tyler Bybee, junior quarterback Jordan Lambert, senior tailback Calvin Collins, senior tight end Thad Lusk, and junior wingback Josh Quebe. The offensive team average against Slaton was 68%. We feel that if we grade 58% or higher as a team, we have the opportunity to win the game. This happened Friday night. Defensively the Longhorns controlled the Tigers for the majority of the night. Our quickness was a factor in offsetting Slaton's size advantage. With 9 minutes left in the 2nd quarter, Slaton scored on a 37 yard fieldgoal. Their only other score came with 7 seconds left in the game. Strong performances by linebackers Thad Lusk, Frank Guerrero and outside backer Josh Quebe led the defense Friday night. We held the Tigers to 149 total yards: 76 yards rushing and 73 yards passing. Players who scored high enough on defense to receive awards were senior linebacker Thad Lusk, senior linebacker Frank Guerrero, senior tackle Brett McQuhae, and sophomore cornerback A.J. Thornton. Senior Cooter Durham will receive a star award for the only fumble recovery of the night. This week the Longhorns will again be the traveling team heading north to Tulia. Although the class 3-A Hornets fell to 0-2 Friday night, their record is deceiving. They have played Childress and Littlefield, two perennial powers in class 3A. This week's kick-off will take place at 8:00 p.m. instead of 7:30. See you at the game!

Breezers Football Report

By Bill Gray
The Floydada junior high teams got their first taste of football action at Lubbock Cooper last week, and those attending should have been pleased with their first glimpse of the future Whirlwinds. The 7th Grade Breezers fought their Cooper counterparts to a 0-0 tie in a controlled scrimmage. Ross Bennett and Daniel Garcia alternated at quarterback and running back, where both performed well. Bennett, running a pass route out of the backfield, hauled in a 34-yard toss from Garcia. Bennett also accounted for a 16-yard gainer on the option. Gerald Henderson and Noe Marmolejo also made some good yardage carrying the ball. Chance Crossland directed the #2 offense with authority. Defensively the 7th Breezers had some outstanding plays turned in by Derrick Griggs, Gerald Henderson, Chris Wickware and D.J. Summers. The 8th Grade Breezers opened their season with a 12-12 tie against Cooper. It was a very physical game against a much larger (at least in num-

bers) squad. With 11 men on the field, the young Pirates still had over 60 on the sidelines, which provided them with plenty of fresh troops at all times. Nevertheless, Floydada held its own and even out-gained the future Pirates 206-174 in total yards. Both Breezer squads will travel to Shallowater this week.

GIRL SCOUT SIGN-UP--There will be a sign-up meeting for the Lockney girls who are interested in being in girl scouts. This first grade brownie troop will be doing a lot of fun things this year while earning try-it badges. Last year the girls had a fun end of school party at Antiques & More in Tulia. The girls enjoyed an afternoon of dressing up in old fashion clothes and had a tea party in which they learned basic etiquette. All mothers and daughters are encouraged to attend this meeting, Monday, September 21, at the Lockney Elementary school cafeteria at 6:00 p.m. Pictured are (back l to r): Malory Johnson, Anna Sherman, Jamie Butler, Kayla Summers, Dora Bueno, (front l to r) Jill Bramlett, Katie Brice. Texas rounds up readers with Cargill & RIF

Cargill, Inc. and Reading Is Fundamental, Inc. (RIF), in partnership with Hale County Literacy Council and Amarillo Independent School District, will sponsor a "Texas Reading RoundUp" September 17-18 to promote the importance of literacy and reading aloud to children. Texas First Lady Laura Bush and RIF Chairman of the Board Lynda Johnson Robb will join hundreds of Cargill employees, local teachers, parents, and volunteers in literacy activities at schools and day care centers in 11 Texas communities, including Plainview.

September 18, Laura Bush will kick off the Reading RoundUp in

Plainview along with Nelda Laney, the wife of the Texas Speaker of the House. Mrs. Bush will be reading to children at the Unger Memorial Library, Highland Elementary School and Estacado Junior High School. They will also attend a luncheon from 11:40 a.m. to 1 p.m. at the Ollie Liner Center.

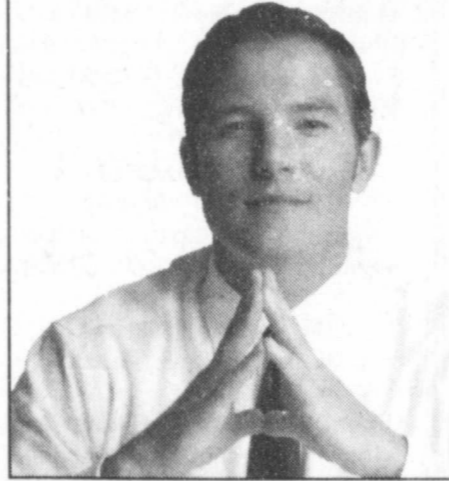

Texas communities participating in the RoundUp include Amarillo, Beaumont, Bovina, Dalhart, Friona, Hart, Houston, Lockney, Plainview and Spearman. In addition to reading aloud with children, local event organizers have scheduled flapjack breakfasts, book fairs, cowboy poetry readings, campfire read-a-longs, plays, and "reading rodeos."

Cargill and its subsidiaries will donate \$100 to each participating school to purchase books for their libraries.

"We are pleased to support this important event for Texas children," said Ed Bullard, human resources manager of the Excel plant in Plainview. "We hope these activities will help inspire parents and others to read to children."

With underwriting from Cargill, RIF has established family literacy projects throughout the state of Texas. Cargill encourages its employees to volunteer at RIF sites.

Texas Baptist men and Red Cross to conduct disaster relief conference

October 3, Texas Baptist Men, in cooperation with the Red Cross, will conduct a Disaster Relief conference at College Heights Baptist Church, 802 Quincey in Plainview.

In this part of the state there is the need of a greater awareness of the disaster relief ministry. A disaster can strike at any time, such as a tornado, fire, etc.. There is no small disaster to those involved. Among the first needs when a disaster strikes are physical (food, shelter, clothing), and spiritual needs (pastors come in here). In a disaster many people are in a state of shock.

The Red Cross representatives will give a presentation concerning Red Cross work in a disaster. Forest (Dick) Talley of Texas Baptist Men will give a presentation of Texas Baptist Men's responsibility in a disaster.

Everyone is invited. Women will find this conference interesting, because child care is a very important ministry in a disaster.

Registration starts at 8:30 a.m. Dismissal 3:00 p.m.

What To Do When Anger Turns Violent

By Ron Trusler

Anger can cause many problems for many people - violence in the home, at work, and at school. Angry people are usually unaware they are angry until they get angry. That's why most angry people are surprised. They feel it come on all of a sudden. However, others are usually not so surprised because they can see indications of the anger all along.

Anger by itself is not the problem as much as the behavior that can come from anger. If you have a problem with your behavior because you are angry, it is important that you find ways to control it. You can learn to be angry without behaving badly. I attended a seminar on anger a few weeks ago. The presenter talked about some healthy things about anger that I thought you might benefit from also. If you are an angry person, ask yourself, "What is anger doing for you that you cannot do for yourself?" Anger can be healthy by:

- * providing a way to express emotions
 - * being a motivation for change - to make things better.
 - * can be a warning of danger, that something is wrong and needs to be corrected.
 - * serves as a "pop-off" valve, like on a pressure cooker.
- Anger is also a part of the grief process. A person cannot successfully grieve without getting angry in some way. A person may be angry with themselves or another person, with the system or with God.

When anger is not healthy and it begins to hurt others, all of us get concerned quickly - especially when our children are involved. Violence in the school is the subject of our next TV program on Channel 6, September 15 at 7:00 p.m. I have invited two people as guests:

- * Dr. Ron Miller, Director of Special Services of the Plainview Independent School District and
- * Diana Williams, Skills Trainer for Regional Youth Associates.

- We will talk about 5 basic areas.
1. The history of violence in the local schools.
 2. What is being done to protect students and staff?
 3. What are some signs of potential lethality?
 4. What can a person do if they see something?
 5. What resources are available?

If you have a question about anger and/or violence, you would like to see dealt with during the program, give me a call at 806-293-2636. I will see if we can do that. We will be doing monthly programs with various topics. I hope they will be of benefit to you. The Channel 6 airs only in Plainview. However, each program will be taped for distribution to sites in the areas that have the capability of showing it on their own local channel.

(Ron Trusler is Executive Director of Central Plains MJMR and Substance Abuse Center. He may be reached at 806-293-2636.)

National Farm Safety and Health Week September 20-26

Agriculture Commissioner Rick Perry announced that the week of September 20-26 has been declared Farm Safety and Health Week in Texas. This year's theme - "Precision Farming Includes Safety and Health - reminds producers that safety and health are important management tools in all agricultural operations.

"It is important for everyone involved in our agricultural industry to promote safety awareness and follow safe work practices," Perry said. "The health and safety of all our agricultural workers is vital to Texas."

Farming is considered among the most dangerous occupations in the United States. In 1997, more than 700 people were killed and more than 150,000 people were severely injured in farm-related activities across the

United States.

The Texas Department of Agriculture stresses safety year round through its Farm and Ranch Safety Program. The program provides friendly tips and reminders for producers and their families.

Perry offered the following steps to promote safety and health:

*Have a "safety first" attitude. Following safe work practices all the time sets a good example for others to follow;

*Equip tractors with an approved rollover protective structure and wear seat belts;

*Operate tractors and equipment without carrying passengers or extra riders;

*Inspect your farm or ranch and equipment for any hazards and cor-

rect them;

*When operating equipment, follow safe work procedures described in the operator's manual or safety publications;

*Wear personal protective equipment; and

*Attend farm safety, first aid and defensive driving courses.

TDA is involved in education with safety booths at fairs, livestock shows and trade exhibitions. In addition, the agency works extensively with the Texas Safety Association's agricultural committee on farm safety programs.

For information on TDA's Farm and Ranch Safety Program, contact Lola Lemmon, safety coordinator, at (512) 475-1611.

Floydada Cooperative Gins, Inc. holds annual stockholders meeting

Floydada Cooperative Gins met for their annual stockholders meeting, Tuesday, September 8th, treating their members to a bar-b-que dinner and news of their cash dividends.

Gary Nixon and John Dunlap were reelected to serve on the board and a new director, Bud Taylor, was also voted in by members.

Gin Manager Rick Meyers reported on the progress of the gin renovation, including equipment and gin buildings. Meyers said the total project cost would be approximately \$2,400,000 and should be completed and ready

for the ginning season of 1998.

Meyers said, "Last year we averaged 39 bales per hour. After our renovation we will be able to gin 45 bales in an hour."

The auditors report showed net earnings for the gin, for 1998, at \$690,234. Of that-- \$1,421,345 was made off of the ginning of 36,142 bales of cotton and the related revenue.

For the year ending July 31, 1998, the Board voted to pay 50% cash dividend on the balance of net earnings

amounting to \$291,262. Additionally, they approved the retirement of prior year equities in the amount of \$310,634.

The total of these payouts was \$602,000 which was added to a ginning rebate of \$182,000 for a total amount being distributed of \$782,000.

The auditor gave the gin high marks and told the patrons at the meeting that the working capital of the gin (after payouts) was \$393,000. "This is very good. If it is not an all time high--it is as good as it has ever been."

Texas cotton fifth smallest crop in 20 years due to drought

Texas Agriculture Commissioner Rick Perry reported recently that the first production estimates of cotton, corn, sorghum and hay for 1998 show the severity of the drought on Texas agriculture.

Texas cotton production is estimated at 3.1 million bales, down 40 percent from last year and the smallest crop since 1989. If the production estimate holds for the remainder of the year, this would be the fifth smallest crop in the past 20 years.

"These numbers tell just how severe this drought has been and the toll it's taking on agriculture and our producers," Perry said. "Right now, we're looking at almost 2 million acres of cotton being abandoned across Texas because of the severe conditions."

Perry said that more than 1 million acres alone were abandoned on the Southern High Plains, the state's largest

cotton-producing area. Production in this region is estimated at 1.5 million bales, down 43 percent from last year.

The production figures are based on grower surveys conducted by the Texas Agricultural Statistics Service around August 1.

Texas grain sorghum production is estimated at 59.2 million cwt, down 43 percent from last year and, smallest crop since 1953. Although statewide yields have been cut by the drought, Texas producers also planted fewer acres of sorghum this year.

Some producers who lost their cotton replanted to sorghum, but Perry said that late-planted acreage also failed.

Perry said that Texas corn production is estimated at 175.8 million bushels, down 29 percent from last year's record-high crop.

The continued drought has cut Texas hay production in half. Total production of all hay is estimated at 5.3 million tons, down 51 percent from last year.

"With little or no available pasture across the state, our producers have had to rely on hay and supplemental feed for their livestock. I'm reminding producers to contact the Texas Department of Agriculture's Hay Hotline to get a list of suppliers who have hay for sale," Perry said.

The telephone number for the department's Hay Hotline is 1-877-429-1998.

"TDA continues to work with the private sector to get donated hay delivered to producers at no additional cost to Texas taxpayers," Perry said.

Cotton harvest guide available from Texas Ag Extension Service

By Roger Haldenby
Cotton across the High Plains of Texas is, for the most part, weevil safe as bolls harden off and the 1998 crop moves toward maturity.

However, boll weevils are continuing to appear in much higher numbers in traps and in fields as their fall migration continues.

The only counties in which a boll weevil presence remains negligible are Deaf Smith, Parmer and Castro. In-season numbers across the rest of Plains have been suppressed because of the hot, dry conditions but as fall approaches, weevil catches are running even higher than last year in many cases. Numbers have skyrocketed in the past two weeks and can be expected to remain high until the 1998 crop is harvested.

A 1998 High Plains cotton harvest aid guide is available to cotton producers from Texas Agricultural Extension Service through county agents and Plains Cotton Growers, Inc. The guide details recommendations and strategies for application considerations and chemical selection decisions as well as for late-season boll weevil management and reduction of sticky cotton potential from aphids.

Harvest Aid Speeds Cotton Harvest

With cotton harvest, timing is everything. Harvesting a week late can mean nearly \$30 an acre in yield and grade loss. But, using a cotton harvest aid that stimulates the maturing process of cotton bolls and desiccates crop and weed foliage can provide for a quicker, more efficient harvest.

As long as weather and field conditions permit, cotton continues to produce foliage, flowers, squares and bolls. A harvest aid product, such as CYCLONE®, acts as a defoliant, which stresses the crop and forces the transfer of nutrients from the leaves to the bolls to accelerate maturation. This allows growers to harvest a more mature cotton with open bolls earlier in the season.

In addition, Cyclone also acts as a desiccant. It kills foliage abruptly so leaves fall from the plant and weeds, halting further growth. Cyclone reduces unwanted cotton foliage and kills weeds for a cleaner, faster harvest.

When used in a harvest aid program, Cyclone herbicide allows growers to:

- increase cotton yields by cracking more mature, unopened bolls
- schedule cotton harvest and reduce harvest problems
- reduce regrowth of cotton foliage after cutout
- eliminate late-season weed problems
- improve lint quality and gin turnout by reducing levels of green foliage at harvest.

General recommendations and guidelines for Cyclone include using an adequate spray volume for good coverage; a nonionic surfactant and higher rates if weed or vine infestations are heavy or dense.

In addition, do not make more than two applications of Cyclone or exceed a total of 2.5 pints per acre. Apply a tankmix of Cyclone with phosphate or chlorate defoliants when bolls are 80 percent open and the remaining bolls to be harvested are mature.

When tank mixing with other defoliants such as Def®, Folex®, Dropp®, Harvade® and Prep®, treat when bolls are 60 percent open and remaining bolls are mature. After cotton has been properly defoliated, use Cyclone to open mature bolls and desiccate green weeds when 75 percent or more of the bolls are open and remaining bolls are mature.

Let Cyclone help you plan your harvest aid program. The better your timing, the more lint you'll put through the gin.

WANDA BAKER

Funeral services for Wanda Baker, 89, of Lockney were at 2:00 p.m., Sunday, September 13, 1998 at the First United Methodist Church in Lockney, with the Reverend Keith Wiseman, associate pastor at the First United Methodist Church of Lubbock officiating, and the Reverend Russell Byard, pastor of the First United Methodist Church of Lockney, assisting.

Burial followed at the Lockney Cemetery under the direction of Moore-Rose-White Funeral Home in Lockney.

Baker died Friday, September 11, 1998 at Methodist Hospital, Lubbock.

Baker was born August 24, 1909 in Grayson County, to the late Lester B. Stinebaugh and Laura Roberson Stinebaugh. In 1914, her family moved to Lakeview, in Hall County and in 1915 to Lockney. Baker attended school in Lockney. She earned her teaching certificate from West Texas State University in Canyon in 1928. She also went on to obtain a degree from Draughans Business College in Abilene in 1930.

She married Dorsey Baker on June 10, 1933 in Fort Sumner, New Mexico. He preceded her in death on February 19, 1998. She worked at the First National Bank of Lockney from 1930 until 1945. She also worked for the Baker Mercantile Company, Barker Chevrolet as a bookkeeper and Lockney General Hospital as a manager. She was also a bookkeeper for the family business and prepared federal income tax returns for Floyd County residents from 1935 until the early 1990's.

She became a member of the First United Methodist Church of Lockney in 1920. She served as the church financial auditor for many years, a member of the board of trustees at the church and a member of the church board. She held several offices in the Local United Methodist Woman's Group and was a member of the church's Fellowship Hall Building Committee. She was a Charter member of the Lockney Business and Professional Women's Club and the Local Birthday Bridge Club. She became a Silver Life Master with the American Contract Bride League in 1995 and was named of Floyd County Pioneer Woman of the year in 1977.

She is survived by two sons, Norton Baker and Dorsey Lynn Baker, both of Lubbock; four grandchildren and three great-grandchildren.

The family suggests that memorials be made to the First United Methodist Church of Lockney at 102 W. Poplar, Lockney, TX 79241.

I.T. GRAVES

Services for I.T. Graves, 100, of Lubbock will be at 2:30 p.m. Thursday, September 17, 1998 at Ford Memorial Chapel at First Baptist Church with the Reverend John Ballard officiating.

Burial will be in the Resthaven Memorial Park under the direction of Resthaven Funeral Home of Lubbock. Graves died Tuesday, September 15, 1998.

He was born on June 24, 1898. He married Frances Middleton on April 24, 1918. She preceded him in death on November 5, 1989.

Mr. Graves served 46 years in the field of education. He was superintendent of Crowell Public Schools for 17 years and Floydada Public Schools for 18 years.

In his profession he had received many honors. He was President of District 4 and District 13 State Teachers Association which included most all counties in West Texas.

The high school gymnasium in Floydada was named the I.T. Graves Gymnasium in his honor.

He was Citizen of the Year at Floydada in 1954.

Mr. Graves was a dedicated Christian. He served on many committees, Sunday School Superintendent, Deacon and teacher in his churches. He was a member of the First Baptist Church of Lubbock.

Survivors include two daughters, Dr. Camille Bell of Lubbock and LaRue Standefor of Amarillo; a brother, Grady Graves of Stephenville; a sister, Mona Marie McCain of Portland; five grandchildren and five great-grandchildren.

The family suggests memorials to University Baptist Mission Center or ConQuest Church in Lubbock.

MISS EMMA STALBIRD

Funeral services for Miss Emma Stalbird, 93, of Lockney, were at 10:00 a.m., Monday, September 14, 1998 at the Main Street Church of Christ in Lockney, with Russell Harris, pastor, officiating.

Burial followed at 11:30 in Silverton Cemetery under the direction of Moore-Rose-White Funeral Home in Lockney.

Stalbird died Saturday, September 12, 1998 at her home in Lockney.

Stalbird was born May 24, 1905 in Lockney to the late James Nelson Stalbird and Annice Waller Stalbird. She attended school in Lockney. She worked as a telephone operator. Stalbird also worked in and retired from the cafeteria for the Lockney Independent School District. She was a member of the Main Street Church of Christ and a lifelong resident of Lockney.

She is survived by her cousins Don and Ladora Afill, Chuck and Ronda Afill, all of Lockney, Don Afill Jr. of Houston, Steve and Katherine Afill of Lubbock, Jeff and Darla Afill of Houston and several other cousins.

JOHN H. "PAT" STANSELL

Funeral services for John Harold "Pat" Stansell, 83, of Lockney will be at 2:00 p.m. Thursday, September 17, 1998 at the First Baptist Church in Lockney with Reverend Gene Hawkins, interim pastor of First Baptist Church in Floydada, officiating.

Burial will be in the Lockney Cemetery under the direction of Moore-Rose-White Funeral Home in Lockney.

Mr. Stansell died on Tuesday, September 15, 1998 at the Lockney Rehabilitation and Care Center.

He was born on January 4, 1915 to Oscar and Gertrude Stansell in Leonard. He graduated from Floydada High School and attended McMurray College in Abilene.

He served in the U.S. Army Corp in World War II with most of his service spent in Brazil.

Stansell married Dorothy Asher on June 23, 1943 in St. Louis, Missouri and returned to Floyd County. A lifelong resident of Lockney, he retired in 1972 from the farm implement business.

A daughter, Patricia Sue Stansell Rigby preceded him in death in 1991.

He is survived by his wife, Dorothy "Dottie" Stansell of Lockney; three sons, Jon Steve Stansell and William Scott Stansell, both of Shallowater and Craig Tim Stansell of Lubbock; five grandchildren, John Patrick Rigby, William Josh Rigby, Molly Ashley Rigby, Julie Ann Stansell and Tyler Craig Stansell; and three great-grandchildren, Calin Rigby, Mattie Rigby and Blake Rigby.

HAROLD "RED" WATTS

Funeral services for Harold Garvin "Red" Watts, 78, of Sand Hill were held at 2:00 p.m. Monday, September 14, 1998 at the First United Methodist Church in Floydada. Reverend Wendell Horn, pastor of the First United Methodist Church of Floydada, officiated. Reverend Charles E. Lutrick, retired Methodist minister of Lubbock, assisted.

Burial was in the Floyd County Memorial Park under the direction of Moore-Rose-White Funeral Home of Floydada.

He died Friday, September 11, 1998. He was born March 23, 1920 in Saint Jo to Effie F. and James Richard Watts. He began school in Union Hill before graduating from Happy in 1937.

Watts attended West Texas State University until 1940 when his National Guard unit was mobilized for World War II. He was assigned to the Army Air Corp and received his pilot's wings in 1942.

He married Meda Ruth Thomas on August 2, 1942 and then moved to Georgia for training as an A-36 dive bomber. Following training, he was first assigned to North Africa and then to Sicily, Italy where he was a member of the 525th Fighter Bomber Squadron, 86th Fighter Group. Watts achieved the rank of Captain while completing 80 missions, including one in which he was shot down behind enemy lines but made it safely back to his unit with help from British Soldiers.

"Snag", as he was affectionately known as to his fellow pilots, was honored in his squadron's recently published history as one who "brought back aircraft so badly damaged that one could only stare in disbelief that such a wreck could fly." Watts was awarded the Purple Heart, the Distinguished Flying Cross, and the Air Medal with several Oak Leaf Clusters.

Watts, among the first "battle experienced" pilots to return to the U.S. in 1944, was pressed into service preparing new pilots for combat. For the next two years, he was a P-51 Mustang instructor.

Upon discharge from the service, Watts returned to West Texas State University until he began farming in Lockney and Floydada in 1947. He also owned the Barwise Gin from 1956 to 1975. He was one of the organizers of the Independent Ginners Association and served on the board of directors for both the Floyd County Fat Stock Show and the Floydada Country Club.

Watts joined the Baptist Church as a child and in recent years attended Floydada's First United Methodist Church.

Mr. Watts is preceded in death by his sister, Lorell "Bobbie" Watts Longan and a son-in-law, Larry D. Courtroul.

Survivors include his wife, Meda Ruth Thomas Watts of Sandhill; four sons and daughter-in-laws, Dr. Thomas E. and Nancy Watts of The Woodlands, Samuel M. and Joyce Watts of Odessa, Dr. Danny D. and Melanie Watts of Austin, and Ricky D. and Laura Watts of Baton Rouge, Louisiana; one daughter, Janet Watts Courtroul of Midland; one brother, James D. Watts of Madiera Beach, Florida; one sister, Connie Watts Wilson of Dallas; nine grandchildren and three great-grandchildren.

Pallbearers were Dennis Ross, Ronnie Graham, Buddy Hendricks, D.L. Miller, Bob Quisenberry, Mac Smitherman, Chuck Holmes and Dick Guest. Honorary pallbearers were Hul Ed Toles, L.G. Raymond, Gene Bloys, Milton Evans, Rusty Baccus, Jerrold Vinson, Bill Horton, Eddie Foster, Billie Dale Stringer and Leonard Noel.

"Direct Deposit" is safe, secure and convenient

By Mary Jane Shanes
Social Security Manager in Plainview

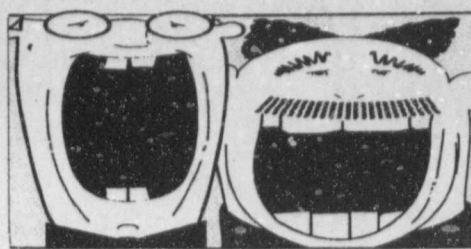

You've heard about "direct deposit" - having your Social Security check deposited directly into your bank or other financial institution where you have an account. It's safe, secure and convenient. And maybe you're considering signing up. But how do you decide which bank, credit union or savings and loan to use? They're all easy to get to and have friendly tellers. They all have checking accounts and savings accounts and all the other things we expect from our financial institution. So where should you go to sign up for direct deposit?

Where you put your money is your decision. You need to get all the information you can about the financial institution that you're considering - such as the cost to open and maintain an account, interest rates or the location and convenience of branch offices and ATM's. Note whatever features are important to you.

But remember, after you sign up for direct deposit you can change your bank. Maybe you moved, found a better interest rate or you got a better deal. Whatever the reason, you can change your direct deposit account to a different bank, credit union or saving and loan. Using direct deposit doesn't stop you from making a change. If you decide to change accounts, you should wait until after you receive your benefit payment in the new account to close the old account.

The best way to change your account is to visit the new bank, credit union or savings and loan you've selected. You can explain that you want to open an account and use direct deposit to receive your benefit. They'll complete all the forms and send the information to Social Security. Or, after you've opened your new account, you can call Social Security toll-free, 1-800-772-1213, and change your direct deposit information by telephone. If you call us, you need to have your new account number on your new personal checks or account statement.

On behalf of the Ybarra family we wish to express our gratitude for your many kindness on the loss of our beloved mother and wife, Sabina Ybarra.
Thanks from,
Liborio Ybarra, Armando,
Anita, Luis, Isabel, Maria Elena
and Liborio Jr.

Contest Rules

Any subscriber or purchaser age 7 or older is eligible to enter this contest. Only one entry per week per person.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. Also write a guess of the combined total points to be scored by the two teams listed in each of the tie-breaker footballs. Circle the team you believe will win. Circle both teams if you think the game will end in a tie.

Only entries on official entry forms brought to a Hesperian-Beacon office in Floydada or Lockney no later than 5:00 p.m. on Friday. No photocopies will be accepted and no mail entries will be considered.

Three cash prizes are awarded each week. In the event of ties (the same number of correct games & equal scores on tie-breakers) prizes will be combined & shared by those tied. The tie-breaker scores will be used only to break a tie on the number of games correct.

Print your name & address plainly on the official entry form & double check your choices before clipping out the entry form & depositing it at a Hesperian-Beacon office before 5:00 p.m. on Friday.

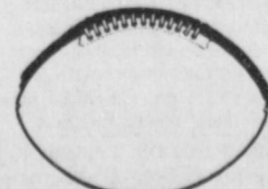

Entries limited to one per person per week. Weekly winners limited to one per household.
