

**BY THE WAY**

By Alice Gilroy

By The Way--If you want a good laugh you need to try and spend a Saturday evening at Floydada's Bull Bash, October 24.

I say that at the risk of making some cowboy or parent mad at me. After all some of them take this stuff very seriously. But I can't help it. Seeing those four and five year old kids on top of those speeding sheep was hysterical.

Those youngsters are decked out in helmets with caged face masks, mouthpieces, protective vests, gloves, and chaps.

They are hanging on so tight to the back of those sheep that when they start to slide off they just keep hanging on. We saw more than one child racing across the ring on the side of a sheep instead of on the animal's back.

Running right along beside the sheep and the child was the rodeo clown with his arms out--either to catch or to push the kid back up.

By the end of one round I heard the clown breathing hard and say, "Boy--I just thought I was in shape!"

The whole scenario reminded me of the trained monkeys on top of the racing dog. The monkey bounces all over the place but never comes off.

Occasionally there was a child that shed a few tears over the fall, but most of them nodded in the affirmative when asked by Tim Assiter (in the ring with his microphone) if they wanted to go again.

I tried to stay out of the ring for the bull riding but got right out in the middle to take pictures of the sheep. The first sheep that bolted out of the gate ran by so fast that I was totally unprepared. I couldn't focus that quickly.

The Bull Bash has something for all ages. The older boys rode calves and steers--depending on the age of the boy. I was also surprised to see that some of the those smaller steers appeared to buck much harder than those big bulls. If they didn't buck harder--I'm sure it felt like they did.

\*\*\*\*\*  
If you have been keeping up with it in this newspaper the Floydada and Lockney police have been busy this year cleaning up the towns of drug dealers.

Last week an investigation by the criminal investigative division of the I.R.S. and an Organized Crime Drug Enforcement Task Force resulted in more drug arrests in Floydada.

Floydada Police Officer Darrell Gooch said, "With these arrests--the arrests our department had earlier in the year, and the 12 that were picked up by the Lockney Police--28 suspected drug dealers have been picked up. I can't remember that big a number coming out of this county in my police career!"

I think our police departments deserve a big pat on the back. They don't get congratulations very often--so be sure and overdo it. Those pats on the back may have to last them through a lot of future complaints.

**Off The Internet  
What Is An American?**

We yell for the Government to balance the budget, then take the last dime we have to make the down payment on a car.

We whip the enemy in battle, then give them the shirt off our backs.

We yell for speed laws that will stop fast driving, then won't buy a car if it can't go over 100 miles an hour.

We'll spend half a day looking for vitamin pills to make us live longer, then drive 90 miles an hour on slick pavement to make up for lost time.

In the office we talk about baseball, shopping or fishing, but when we are out at the game, the mall or on the lake, we talk about business.

We're the country that has more food to eat than any other country in the world and more diets to keep us from eating it.

We're supposed to be the most civilized Christian nation on earth, but we still can't deliver payrolls without an armored car.

We have more experts on marriage than any other country in the world and still have more divorces.

We tie up our dog while letting our sixteen year old son run wild.

We will work hard on a farm so we can move into town where we can make more money so we can move back to the farm.

**Genealogical workshop set**

A genealogical workshop, sponsored by the Buffalo Grass Chapter DAR and the Floyd County Historical Museum, will be held Saturday, October 17 at the museum.

which will open at 9:00 a.m. and continue until 5:00 p.m.

The public is invited to come and do research on their family histories. Experienced researchers will be

**LISD asks for parents help at football games**

LOCKNEY--Parents of Lockney children are being put on notice by LISD, to get control of their children at Lockney Football games or risk having the children removed.

Local school officials are asking that parents help control this situation.

LISD principals are asking parents to keep their children in the stands except when it is necessary to take a restroom break or a trip to the concession stand.

"For their own safety and for the safety and peace of mind of those around them, children should not be playing under or in the stands or in the surrounding areas of the stadium.

"Young children should not be left at football games unattended, but should attend with an adult who will be responsible for their behavior and safety," read a recent LISD notice to parents.

LISD urges parents to cooperate and assist in making the football experience enjoyable for everyone.

According to the LISD notice, "School officials will remove any children who contribute to the problem."

LISD also reminds those attending the football games that the reserve section is for reserve ticket holders only.

**County to contract for juvenile detention**

By Juanita Stepp

Contracts for holding juvenile offenders were approved Monday, October 12, by the Floyd County Commissioners Court with Dickens, Motley, and Briscoe Counties. Commissioners authorized Floyd County Judge Bill Hardin to sign the agreements.

Motion for the approval was made by Precinct 3 Commissioner George Taylor and seconded by Precinct 4 Commissioner Jon Jones. Voting in favor were Taylor, Jones, Precinct 1 Commissioner Raynell Bearden and Precinct 2 Commissioner Lennie Gilroy.

The three counties have agreed to pay \$15.00 per day for the care and supervision of juveniles housed at the PAC in Floydada under the jurisdiction of the 110th Judicial District Juvenile Probation Department. The 110th district is comprised of Floyd, Motley, Briscoe, and Dickens Counties.

Commissioners approved an interlocal cooperative agreement with the Office of the Secretary of State. The agreement concerns the computerization of the local voter registration lists and the necessary interaction between the State and the county in developing and disbursing the list. Judge Hardin was authorized to sign the agreement.

County treasurer Mary Shurbet made several financial reports to the

court. These included the monthly financial report for September, the quarterly report for July, August & September, and the quarterly investment report concerning certificates of deposit and interest earned.

The financial status of the county for the month of September showed a beginning balance of \$428,434.61 with receipts totaling \$272,775.77 and transfers in of \$237,449.02. Transfers out also totaled \$237,449.02 while disbursements totaled \$179,135.98, leaving a total of \$522,074.40 in all county accounts as of September 30.

Shurbet also told the commissioners that \$48,475.79 was earned as interest on certificates of deposit and other interest bearing accounts during the 1997-98 fiscal year. On September 30, CD's on deposit for Floyd County included: \$40,000.00 for Precinct 1; \$45,000.00 for Precinct 2; \$165,000.00 for Precinct 3; and \$35,000.00 for Precinct 4. No undivided tax funds remained at the end of the fiscal year on September 30 according to Shurbet.

The court approved several budget amendments to transfer money between budget items to facilitate the payment of monthly bills. \$80,000.00 (\$20,000.00 to each) was transferred from the Road and Bridge fund into the four Precincts for road maintenance.

Bond arrangements were approved for two individuals. Shelia

Faulkenberry, Chief Appraiser for the Floyd County Central Appraisal District will have an official bond in the amount of \$83,000.00 and Frieda Simpson, a deputy in the County Clerk's Office, will be bonded for \$10,000.00.

Seven farm work contracts were unanimously approved on a motion by Gilroy with a second by Taylor. Contracts approved included: #1869 for J.A. Welch in Precinct 3 to fill washes 3 miles east of SH 97 on CR 261 then 1/2 mile west on CR110;

#1803 for Mark Beedy in Precinct 3 to clean up old improvements returning land to cultivation 3 miles north of FM 97 on CR231; #1864 in Precinct 1 to install a culvert on Price Street for Caprock Cellular; #1868 for Ken Campbell in Precinct 4 to blade a ranch road 10 miles north on FM 28;

#1863 for Nathan Johnson in Precinct 3 to bury old improvements to put land back into cultivation 7 miles east of South Plains; #1865 in Precinct 3 to level an old house for soil conservation as requested by Emogene Stansell 1/4 mile west of Cedar Hill; and #1866 for Imogene Fortenberry to level an old fence row for soil conservation purposes 1/4 mile west of Cedar Hill.

Other action taken by the commissioners included authorization to pay bills and approval for using the general fund to pay county employees rather than creating a salary fund specifically for that purpose. Reimbursement for jurors in Floyd County for the coming year was set at \$12.00 per day, the same as it has been in the past.

Monthly reports from elected officials whose offices collect fines or fees were reviewed by the commissioners. A report from the Sheriff's Department informed the commissioners of the assets which have been forfeited to the department.

The final item on the agenda for consideration was a resolution supporting passage of a bill designating February 19 each year as a day to observe the anniversary of the birth of the State of Texas. The resolution was submitted to the county for approval by Daniel Kulvicki, a senior student in Dickens County.

Called the S.T.A.R. Resolution, the acronym stands for State of Texas Anniversary Remembrance Day. If passed, it will commemorate the date on which the independent nation called Texas became a member state in the United States of America.

All commissioners voted in favor of the resolution.

**Thornberry issues statement on House impeachment vote**

Continued From Page 1  
Each of us took, I believe that we must look further.

Some may try to change the subject by quibbling with the parameters of the inquiry or the lack of a time limit. Those are details--if not excuses--which do not change the fundamental question. The only precedent of modern times, the Watergate inquiry, is being followed.

Others seem to have concluded that even if all of the charges are true, it doesn't matter; they do not constitute an impeachable offense. Those Members are wrong. Perjury, obstruction of justice, abuse of power do matter--by anyone--and especially by the one person charged in the constitution with executing the laws of the land.

We must fulfill our oath to the Constitution that we have sworn to "support and defend." We cannot stick our heads in the sand and wish this unpleasant duty away. We cannot pass along our responsibility to polls, the media, or the other body. We have to try to do what is right, wherever that may take us, even if some of the facts are distasteful.

But, we must also remember that our response to these facts will help determine what kind of nation we will be in the future. Young people--and even those not so young--are watching. They are learning lessons--lessons about telling the truth, lessons

about selfish, reckless behavior, lessons about self-discipline and responsibility. They are watching to see if we really mean what we say, whether actions really do have consequences. We can teach them good, constructive lessons, or we can teach them lessons of another kind.

How we all handle this episode--what we say about it and what we do about it--will affect how much trust people are willing to give their elected representatives and the institutions which have navigated us through more than 200 years of often treacherous waters. Even more importantly, however, how we handle this episode will affect the values and moral character of a whole generation of Americans.

There are important decisions to be made in Washington over the coming weeks, but there are even more important decisions to be made around the kitchen table in every American home. I pray we all make the right decisions."

**Courtroom Activities**

In County Court Oct. 8, 1998, Linda Ratliff, of Floydada, was charged with Failure To Appear. There was no disposition on this case.

**Upstairs Theater to perform "A Stranger For Christmas"**

Ticket sales begin this week for the play "A STRANGER FOR CHRISTMAS", at the Upstairs Theater, housed in the First United Methodist Church.

A STRANGER FOR CHRISTMAS is a play with music by Carol Lynn Pearson and Elizabeth Funk. This is an excellent play for the entire family, centering around two rest home residents, Myrna and Florence. To settle an argument, the two fabricate a story about a fictitious character, Genevieve. Myrna says that any of the five of her children will take "Genevieve" in for Christmas. Florence, a retired actress, says they won't. The play has a unique ending

giving the audience the answer.

Bobbie Hamilton of CRH Systems is handling reservations at 983-2445. The production will be at 7:00 p.m. Saturday, November 7th, at 2:00 p.m. Sunday, November 8th, and at 7:00 p.m. Monday, November 9th. Tickets will be \$5.00 for adults and \$3.00 for students.

In addition to the play, the Methodist Youth will be serving an evening meal at 6:00 p.m. and coffee with dessert following the matinee performance. The price for the meal is \$5.00 and the dessert is \$2.00. Dinner reservations must be made by Thursday, November 5th with CRH Systems at 983-2445.

# Lockney city councilmembers hear police report on drug bust

LOCKNEY—The Lockney City Council met in regular session on October 8. They heard a report from Chief of Police Jerry Edwards on the drug bust. Hooten reported that the city is in the black by \$44,000 and the council voted to close an alley and take out railroad tracks at two locations.

Edwards reported to the council on the drug bust held on Tuesday, September 29 (as reported in the Hesperian-Beacon on October 1).

Charlotte Hooten, City Secretary related to the council members that the city had ended the 1997-98 fiscal year \$44,000 in the black. The city ends their fiscal year the last day of September.

Attorney Paul Lyle presented the

council with an ordinance relating to the closing of a T-alley on Block 28, Original Addition. "The closing will not affect any city services," stated Marr, "There has never been an alley in that location." Councilmember J. D. Copeland made the motion to approve the closing and the second was made by Councilmember Bil Anderson. All voted for.

Discussion was held on taking out the railroad tracks on S.W. 4th and S.W. 8th Streets. Hooten told the council that money had been budgeted for the project. Anderson made the motion to have the work done. The second was made by Copeland.

During department reports Building and Parks Supervisor Arcenio Martinez reported that chairs and

tables had been purchased for the Community Building with money that had been budgeted. He also stated that a handicap toilet and fixtures had been ordered for the renovations to the bathrooms.

In regular business before the board the minutes of the previous meeting were read and approved and the current bills were reviewed and approved for payment.

Present at the meeting were Mayor Gary Marr; Councilmembers J.D. Copeland, Tina Graves, Bil Anderson, Connie Duenas; City Secretary Charlotte Hooten, City Attorney Paul Lyle, Water Supervisor Dickie McCarty; Street Supervisor Kenny Hooten, Parks Supervisor Arcenio Martinez, Chief of Police Jerry Edwards and the Hesperian-Beacon reporter.

COUNTY PUMPKINS SENT TO CHARITY FUND RAISER--Floyd County pumpkins from Heptad Vegetables were delivered to the American Quarter Horse Association's Charities Committee Craft and Bake Sale this week by Cindy Perez. Members of the charity com-

mittee will decorate the pumpkins and sell them at the fund raiser. The proceeds will benefit the Don and Sybil Harrington Cancer Center, The American Quarter Horse Foundation, Make a Wish Foundation, and Eveline Rivers Christmas Project. Staff Photo

# Lockney Elementary honored

Lockney Elementary School has been recognized by the Texas Education Agency for successfully educating its migrant students.

TEA's Division of Migrant Education has selected Lockney Elementary School as a winner of the 1998 Promising Campus Award, given to school campuses and school districts that had high TAAS passing rates among their migrant students. Statewide, 73 school districts and 391 campuses are receiving this recognition.

The purpose of the award is to recognize school districts and campuses that are helping to meet the unique needs of migrant children and their families and helping migrant students meet high academic standards. There are an estimated 115,000 migrant children in Texas. About 70 percent of them attend schools in South Texas.

Recipients will be listed in the program at the 1998 Migrant State Conference and will also be honored during a luncheon, both of which take place at the Camino Real Hotel in El Paso on November 11-13, 1998.

In order to receive the district award, school districts had to attain at least 80 percent passing all areas of TAAS of their migrant student populations.

District winners were divided into four categories: 1000 migrant students or more, 501 to 999 migrant students, 101 to 500 migrant students and 100 or fewer migrant students. One district was recognized in the 1,000 migrant students or more category, two were identified in the 501 to 999 student category, 8 were recognized in the 100 to 500 student category, and 62 in the less than 100 migrant student category.

Campus winners also were awarded in four categories: exceptional, excellent, promising and acknowledged.

Some 53 campuses were distinguished as exceptional. Exceptional campuses had 10 migrant students or more tested in all areas (math, reading and writing) of the Texas Assessment of Academic Skills (TAAS), and had at least 90 percent of migrant stu-

dents passing all areas of TAAS.

There were 80 campuses identified as excellent. Excelling campuses had 10 migrant students or more tested in all areas of TAAS, and had at least 80 percent of migrant students passing all areas of TAAS.

One hundred and twenty six schools were acknowledged as promising campuses. Promising campuses had 10 migrant students or more tested in all areas of the TAAS, and had at least 70 percent of migrant students passing all areas of the TAAS.

There were 132 acknowledged schools specified by the criteria. Acknowledged campuses had five migrant students or more tested in all areas of TAAS, and had at least 70 percent of migrant students passing all areas of TAAS.

Each year the Migrant State Conference Planning Committee discusses and selects the criteria for district and campus awards. The committee includes state, regional and district migrant educators.

# Carthel wins football contest

Three entries tied this week with seven misses each. First place and a check for \$25.00 goes to W.L. Carthel of Lockney. He selected Lockney to win and chose a tie-breaker score of 36, 14 points over the actual combined total of 22.

Second place and \$15.00 goes to Pam Fulton of Lockney who also selected Lockney to win over Abernathy, but chose 42 as the tie-breaker, 20 points over the actual combined score.

Third place went to Sammy Bradley of Floydada. He chose Abernathy to beat Lockney. This earns him the \$10.00 check which will be mailed on Friday.

Honorable Mention goes to those missing eight games. They were Fernando Arvizu and Vickie Norrell, both of Floydada, and Billy Carl Lee and Russell Harris, both of Lockney.

Seven entries missed nine games on this week. Nine entries had 10 errors, 10 missed 11 games, and eight had 12 incorrect choices. Seven entries missed 13 games, five missed 14, and three missed 15. Three missed 16 games, one entry had 20 incorrect answers and another had 28 errors.

Take any opportunity you can to thank the sponsors of the contest for bringing it to you this year. Support them by taking your business to them whenever possible, not only during football season, but throughout the year.

## Floydada Senior Citizen News

**By Margaret Word**  
**FLOYDADA**-The center is open Monday through Friday. If you plan on eating lunch please call the center at 983-2032 by 10:00 a.m. If you are 60 years or older this center is for you.

Edell and Lovene Moore have just returned from a weeks trip to Cortez, Colorado where they visited their daughter, Jenis and Ronnie Tucker. Jenis went with Edell and Lovene on into Salt Lake City, Utah and on Sunday morning they attended the Mormon Tabernacle Choir which had 325 members, the highlight of their trip.

Over this past weekend Edell and Lovene Moore's daughter, Sharon and Jeff Henson and daughter, Ambree Vickers of Waco and their son, Kasey Vickers of Lubbock were here Friday. Visiting on Saturday was grandson, Rick Tucker from Oklahoma City, Oklahoma and on Sunday the Moore's daughter, Janet Julian and her son, Clay Julian and a friend, Carol were all here visiting from Lubbock.

Travis and Letha Lightfoot recently drove to Amarillo. Their son, Kenneth and his wife, Gayle drove them onto Grand Junction, Colorado to visit an-

other son, Mike and his wife, Bonnie Lightfoot. They were gone 7 days.

Willyne Norman and her brother, Bob and wife, Pat Crow of Granite Shoals drove to Victoria, Canada. At Boise, Idaho they visited a cousin, Willyne hadn't seen for 40 years. They were gone for 3 weeks.

Congratulations to Wayne and Roberta Russell on their 60th Wedding Anniversary who were married on October 1, 1938. Their anniversary celebration was Sunday October 11th at the Wall Street Parlor of the First Baptist Church.

Thomas and Marie Warren rode with son, Edwin and his wife, Dana of Levelland. The Warren's daughter's, Elaine Stout of Levelland and Joyce Owens of Floydada also rode with Edwin to Stephenville to attend a 50th Wedding Anniversary Barbeque for a cousin Ernest and Doris Huckabee on Saturday the 10th. Joining the get together was Elaine's daughter, Natalie Boyd and son, Hunter of Italy. Sunday in route home they stopped in Weatherford to visit an aunt, Mrs. Otis Huckabee and her daughter and husband, Nelda and Bob Bratton of Odessa.

Ruth Gilliland is still at Methodist Hospital in Lubbock. She has been there about 9 weeks.

Our sympathy to the families of Rev. E.O. McElyea and Barbara Barnard.

**THOUGHT FOR THE WEEK**  
 Often the best thing about not saying anything is that it can't be repeated.  
 Susan L. Wiener

**Thursday:** Tacos w/lettuce, tomatoes, onions, cheese, pinto beans, stewed tomatoes, taco sauce, apricots

**Friday:** Crispy fish, baked beans, broccoli, coleslaw, cornbread, chocolate pudding

## Recipes

### EAST TEXAS FRIED CHICKEN

3-4 c. buttermilk  
 2 tsp. Tabasco or other hot pepper sauce  
 2-3 tsp. salt  
 1 tsp. fresh-ground black pepper  
 3 1/2-4 lbs. chicken parts  
 1 1/2 c. all-purpose flour  
 1 1/2 lbs. (3 c.) shortening preferably Crisco  
 3 Tbsp. bacon drippings

At least 2 1/2 hours (and up to 12 hours) before you plan to eat, mix the buttermilk, Tabasco or other sauce, 1/2 tsp. of the salt, and 1/4 tsp. of the pepper in a shallow dish. Add the chicken parts, turning to coat them well with the mixture. Cover the dish, and refrigerate it.

About 20 minutes before you plan to fry the chicken, bring it to room temperature. Sprinkle the remaining salt and pepper into a medium-size paper bag, and add the flour. Set the bag aside.

In a 10- to 12-inch cast-iron skillet, melt the shortening over high heat. Add the bacon drippings to the skillet.

When small bubbles form on the surface, reduce the heat slightly. Place a large brown paper sack near the stove for draining the chicken. Starting with the dark pieces, take a piece of chicken out of the marinade, shake off the excess liquid, and drop it into the bag of seasoned flour. Shake the bag well so that the piece is coated thoroughly. Remove it from the bag, and lower it gently into skillet, skin-side down. Repeat until all the chicken is in the skillet, arranging it so that all the pieces cook evenly. The pieces should fit snugly together, although they shouldn't stick to each other. Reduce the heat to medium, and cover the skillet. Fry the chicken exactly 17 minutes.

Lower the heat slightly, take off the cover, and use tongs to turn over the chicken gently. Fry it uncovered for another 17 minutes. Remove the chicken with the tongs—it will be a deep, rich brown—and lay it on the paper sack to drain.

Variation: Among all the variations of fried chicken, we're partial to the jalapeno-garlic version we enjoyed a

few years ago at the Kerrville Folk Festival. Just add to the buttermilk a couple of minced pickled jalapenos with 1 or 2 tablespoons of their pickling liquid and a half-dozen garlic cloves. Serve the chicken with pickled jalapeno slices.

### COPPER PENNIES

2 lbs. carrots, sliced crosswise  
 1 med. bell pepper, finely chopped  
 1 c. tomato soup, undiluted  
 3 ribs celery, finely chopped  
 1 Tbsp. dry mustard  
 1 Tbsp. Worcestershire sauce  
 1 c. sugar  
 1/4 c. oil  
 3/4 c. apple cider vinegar  
 Lettuce

Cook sliced carrots in salted water until fork tender. Add chopped onion, bell pepper, and celery to the drained carrots. Set aside. Mix and bring to a boil soup, sugar, oil, vinegar, mustard, and Worcestershire sauce. Pour this hot mixture over above vegetables. Refrigerate overnight. Serve on lettuce. Serves 10-12.

### FRESH STRAWBERRY PIE

3 pints fresh strawberries  
 1 c. sugar  
 1/2 c. boiling water  
 3 Tbsp. cornstarch  
 3-4 drops red food coloring  
 1 (9-inch) pie shell, baked  
 1 pint whipped whipping cream  
 Mash enough strawberries to make 1 cup. Combine mashed strawberries with sugar and cornstarch and add 1/2 cup boiling water. Cook over medium heat, stirring constantly until thick. Add food coloring. Place glaze in refrigerator to cool. Wash remaining berries, slice to desired pieces, and place in baked pie shell. When ready to serve, pour cooled glaze over sliced berries and top with whipped cream.

## Ten good reasons to join 4-H

By J.D. Ragland, CEA-Ag

Are you looking for fun? Do you have an interest in an organization that meets all your expectations? Need a break from structured schoolwork requirements? Want to explore unique opportunities and interests?

Consider your local 4-H program as an exciting and fulfilling opportunity for you and your family. You can join the 5.6 million youth between the third grade and 19 years of age who are involved with 4-H every year. Here are the Top 10 reasons to join 4-H:

1. Develop skills to succeed in the workplace.
2. Improve goal-setting and decision-making skills.
3. Become a community leader.
4. Go to 4-H "Citizen Washington Focus" or National 4-H congress.
5. Learn to care for and make deci-

sions about the environment.

6. Meet kids from across the country.

7. Participate in a Workforce Preparation Apprenticeship program.

8. Discover how our government works.

9. Teach a 4-H Drug Education lesson.

10. Have lots of fun in 4-H!!!

All this and more is possible in 4-H. Each individual uses his or her own talents to create unique experiences through the 4-H program. Young people participate in 4-H through clubs, special interest groups, after-school programs, camps, and many other activities. 4-H is the largest non-formal youth education organization in the United States. 4-H reaches over 5.4 million youth every year through

its mission, "to create supportive environments for culturally diverse youth and adults to reach their fullest potential."

What does this mean? Youth involved with 4-H have the opportunity to develop and strengthen life skills.

This includes workforce, decision-making and leadership skills, which are crucial to success in today's society. Youth are able to develop these skills through their commitment to community, whether through a recycling project or a committee that tackles critical societal issues. Ultimately, young people gain beneficial lifetime experiences through 4-H and become better prepared adults. For more information, contact J.D. Ragland or Melissa Long by calling 983-4912 at the Floyd County Extension Office.

## F. C. E. Association discusses fall season

By Lillian Smith

The Family and Community Education Association met October 8 in the extension office.

The meeting was called to order by president, Karen Miller. Two clever poems were read by Karen in keeping with the fall season, entitled "A Glimpse of Fall in October."

Roll call was given by secretary Gladys Widener with all members present.

It was announced there would be an informative and demonstrational meeting held in Plainview, October 15, at 6:30, on "A Taste of Home." The meeting will take place at the

Ollie Liner Building.

Melissa Long reported on the various activities the 4-H has participated in. There was a number of entries in the South Plains Fair in Lubbock, bringing home \$345 in prizes. Melissa was to be in Brownwood this week for a meeting at the State 4-H Center. There was some concern about the needed repairs of the building but we have received some funding from 4-H clubs and private contributions.

The meeting adjourned with the following members present: Jonelle Fawver, Gladys Widener, Mae Williams, Ruth Scott, Karen Miller, Lillian Smith and Melissa Long.

## J.D. and Arla Copeland celebrate 90th birthdays

J.D. and Arla Copeland, of Lockney, will celebrate their 90th birthdays with a reception in the Fellowship Hall at the Church of Christ, West College and Third in Lockney Sunday, October 25 from 2:00 to 4:00 p.m.

J.D.'s birthday is October 24th and Arla's is November 9th. Their daughters, Frances Huddleston and Celia Webb and families, invite friends and acquaintances to join in the celebration.

### Lockney Health and Rehab News

By Rebecca Rodriguez, A.D.

LOCKNEY--Hello to everyone once again from all the residents and staff of Lockney Health and Rehabilitation Center.

We would like to give a special thank you to a group of singers from Plainview, called the Millennium Group. They came to sing for us on Thursday, October 8th. They were all members of the Plainview Senior Citizens. They sing very nice Christian songs. They were great! All of our residents really enjoyed it.

We would also like to thank Soila Reyes. She came out to give an inservice meeting for our staff on HIV/AIDS Awareness. She works for Catholic Family Services, Inc. in Plainview. This meeting was very interesting to all of our staff. Her presentation was great.

We would like to welcome Melvin "Shorty" Hartman, Juanita Ray, and Faye Harston to our home. They are new additions to our family. We hope you enjoy your stay here. This is all for now...until next time...

## Scott hostesses for Harmony F.C.E.

By Maye Williams

The Harmony FCE Club met October 12 in the club room. The President called the meeting to order at 2 p.m. The hostess, Ruth Scott read "Basic Facts About Your Memory," as an opening exercise. Roll call was answered by your favorite thing about fall.

Minutes of the last meeting were read and approved. We were glad to have our secretary, Vivian Curtis, back after having knee surgery. The treasurer gave a report of our auction, and in the order of new business, members decided to make a \$50.00 donation to the State 4-H center at Brownwood for much needed repair. Anna Maude Hopper gave a most

interesting program on "Fall Fix Ups." She stated that now is a good time to get rid of dead limbs and branches in shrubs and trees as well as rose bushes. It is also a good idea to place two inches of compost and soil on the crown of rose bushes, to feed and prevent them from freezing. She also stated October and November are good months for planting your spring blooming bulbs such as iris, crocus, tulips and hyacinths; also now is the time to put out your pansies. Ornamental cabbage and kale are colorful fall plantings. Suds for spring planting may be stored in the freezer.

## Lockney Senior Citizen News

By Gladys Ragle

LOCKNEY—I hope everyone is enjoying the cooler weather as much as I am. Fall is my favorite season of the year. I'm sure if I had allergies, like some people do, I wouldn't. But I am thankful I don't have them and can enjoy the fall season.

The sights and sounds of harvest are all around us. The gins are running and trucks are busy hauling cotton and pumpkins.

Our sympathy goes out to Elza and Jerry Cooper at the death of her brother Raynaldo Salazar of Lamesa.

Also our sympathy goes to Lavirn and Clementine Carthel and Velma Harrison on the death of their sister Dee Ritchie.

Some have been asking about flu shots and I have contacted the hospital. As soon as they get their vaccine in we will set a date and let you know.

### "Weekly Words of Wisdom"

Strange that some of us are so satisfied with so little in ourselves but demand so much from others.

### MENU

October 19-23

Monday - Chicken strips, vegetables, salad, dessert

Tuesday - Beef & macaroni casserole, vegetables, salad, dessert

Wednesday - Chicken fried steak, vegetables, salad, dessert

Thursday - Salmon patties, vegetables, salad, dessert

Friday - Turkey and dressing, vegetables, salad, dessert

### Floydada Rehab and Care Center

By Patricia Hill

FLOYDADA--Hello Floyd and surrounding Counties, from the residents and staff from Floydada Rehab and Care Center. A big thank you goes out to Morales Produce for all the corn stalks that were donated to the center. Also Travis Jones for the pumpkins, gourds, and FFA for the bales of hay.

There are some new faces around Floydada Rehab and Care Center. Thanks to the young people from FHA; they have been coming out and volunteering their time. The residents and staff look forward to seeing them and they are a big help. The residents enjoy sitting and talking with them, pushing them to supper and polishing the residents nails this means so much to the residents and staff.

Monday the 4-H club was at the center to play the piano. The 4-H club comes to the center the first Monday of each month at 4:00 p.m. to play.

Employee of the month is Connye Hickman, Business Office Manager. Don't forget the resident birthday party Thursday October 15, at 3:00 p.m. Come and join us for some cake and punch.

Wednesday October 7, there was a luncheon held for food service week. The staff enjoyed a 6 foot sub-sandwich, chips, cake and cokes.

Floydada Rehab and Care Center would like to welcome our new resident David Campbell.

Coffee time is at 9:30 a.m. and Devotion is at 10:30 a.m. each morning. Come out and join us. That's about all for now, God bless until next time.

**THOUGHT FOR THE WEEK**  
A good starter always starts at the starting line, not at the finish.

## Longhorn Freshmen defeat Valley Patriots

**By Coach Ventura**  
LOCKNEY--The freshmen kids did a great job in the second half in their game against Valley on October 1. In the third quarter Tyler Snow and Shane Russell connected for a safety and the score stood 2-0. Chad Johnson scored on a 2 yard run. The kick wasn't good. The final buzzer showed 8-0 on the scoreboard. We made a few adjustments and they came out and did what they were supposed to do. Everyone on the defensive side of the ball did great. The 9th grade football team record is 3-1-1, and we will play New Deal J.V. Green on Thursday, October 8th at 5:00.

Lockney 9th	0	0	2	6	8
Valley J.V.	0	0	0	0	0

## 8th grade Breezers slam Jackrabbits

**By Bill Gray**  
Floydada's 8th grade Breezers improved to 2-2-1 on the season by defeating the Ralls 8th graders 18-0 at Ralls on October 8. Dustin Covington (who would be the game's outstanding defensive player with more than 16 tackles to his credit) ran a fumble recovery in for a touchdown during Ralls' first series, but the score was nullified by a holding penalty. Covington then ran to the end zone again on the Breezers' first snap, but the score was again wiped out by off-setting penalties. Andrew Arvizu covered the final 9 yards to the end zone three plays later. Andrew rushed for 74 yards in eight carries and scored twice.

Joseph Cuevas sacked the Ralls quarterback for an 8 yard loss to thwart a scoring drive late in the 2nd period. Cuevas also recovered a fumble to set up Covington's 51 yard TD romp midway through the 3rd quarter. Dustin Griggs made a key defensive play in the 4th quarter when he spilled the Ralls ball carrier for a 9 yard loss during an attempted reverse. Tyler Helms then intercepted his first pass of the year, setting up Arvizu's second score from 39 yards out.

The Breezers turned the ball over four times on fumbles, but the defense

didn't allow Ralls to capitalize on any Floydada mistakes. Helms also turned in a good defensive outing, twice upending Ralls running backs with 360 degree cartwheel tackles.

Both Junior High teams will be home this week to host the Abernathy Junior High teams. The 8th grade game will be of special interest. Abernathy's Michael Garcia (#77) will be across the line from his cousin Tyler Helms (#10 for the Breezers). Michael's younger brother, Arnold Paul, is #72 on Abernathy's 7th grade team. Abernathy's 8th graders are undefeated so far this season.

SCORE BY QUARTER

**Fumble Recoveries**--Dustin Covington and Joseph Cuevas  
**Pass Interceptions**--Tyler Helms

## 7th grade Breezers take Jackrabbits

**By Bill Gray**  
A high snap to the punter in its first offensive series led to disaster for Ralls as Gerald Henderson scooped up the loose ball, rambled about 15 yards into the end zone, and produced the 7th grade Breezers' first score in a 20-6 win at Ralls last Thursday. Ross Bennett added a second score with a 31-yard romp off a reverse. Chris Wickware ran for a two-pointer, and Floydada held a 14-0 halftime lead.

Lineman-turned-fullback Lamberto Pena bulled his way 17 yards for a Ralls score early in the third quarter, but the Breezers denied Pena the two-point conversion attempt. Wickware added an insurance touchdown for Floydada from 11 yards out in the final 44 seconds. With the victory, the 7th Breezers improved to 2-2 for the season and 1-0 in district action.

SCORE BY QUARTER	
Floydada	6 8 0 6 20

## Freshmen win with goal line stand

**By Coach Ventura**  
LOCKNEY--The 9th grade Horns out lasted the New Deal team in their October 8th game by score of 12-10. The offense drove the ball right down the field and scored. Chad Johnson made a 2 yd. run. New Deal picked off the 2 point try and returned it for 2 points, making the score 6-2.

with Lockney ahead. The score was the same at halftime. We fumbled on the 3 play in the second half and New Deal only had to go 15 yards to score, they made the extra point and went ahead 10-6. We took the ball and drove it, Chad Johnson scored with a 10 yard run. The extra point was missed. The score

was Lockney 12 and New Deal 10. New Deal had the ball at 1st and goal on the 5 yard line, we finished with a great goal line stand and won the game 12-10. The overall record is 4-1-1. The next game is against Petersburg J.V. on October 15th, at 5:00 p.m. at Lockney.

# Whirlwinds rally to defeat the Ralls Jackrabbits 28-8

**By Bill Gray**  
**FLOYDADA**--Floydada stormed back from an 8-0 deficit to post a 28-8 conquest over the Ralls Jackrabbits in the district 7-2A opener at Wester Field last Friday. The Whirlwinds extended their winning streak to three while improving to 4-2 for the season. However, it wasn't easy for the 'Winds in the opening minutes of the contest. Ralls (1-5 for the year) pressured the Whirlwinds into a second-quarter safety and scored its only touchdown two minutes later to take an early 8-0 lead. The Jackrabbits, capitalizing on good field position following the safety, moved from Floydada's 37 into the end zone in just four plays.

Ralls QB Cody Campbell carried the final 10 yards on an option, at the 7:33 mark of the second period, and the Jackrabbits started smelling "upset" in their first district meeting with Floydada in three decades. Ralls' early lead seemed to be a wake-up call for the Whirlwinds.

Floydada's offense, which had been plagued with penalties and mistakes for the first 17 minutes, took control following the ensuing kickoff. The Whirlwind offensive line opened huge holes for runs by Justin McGuire, Dusty Anderson and Ticen Harper to mount a 12-play, 66-yard scoring assault which consumed the final seven minutes of the second quarter.

The Whirlwinds kept the Jackrabbits' defense confused with Cody Stovall passing to Dusty Duke for a key first down. Cody Stovall hit Todd Anderson with a 9-yard TD pass, and completed a 2-point conversion pass to Dusty Anderson to tie the game 8-8 at halftime.

Ticen Harper led the charge in a 67-yard, 11-play drive to open the third period. A questionable spot of the ball stopped the Floydada scoring threat at the Jackrabbit 3. Ralls couldn't move from the shadows of its own goal posts, and four plays later Darryl Henderson broke through to nail the Ralls punter at their own 1-yard line. Cody Stovall carried the final yard on the next play, Gabriel Rodriguez added the conversion, and the Whirlwinds were well on their way to their first District 7-2A victory.

Coach Tim Daughtrey agreed that the turning point of the game was Floydada's scoring drive before halftime. "We kept shooting ourselves in the foot every time we turned around in the first half," said the coach. "We had penalty after penalty that killed every drive we had...we couldn't get any offense going."

Floydada's "Green Wave" defense took the cue from their offensive counterparts to insure that the Whirlwinds would maintain the momentum for the remainder of the game. The Jackrabbits were unable to muster a first down and accounted for only 16 yards total offense during the final two periods. A Ralls punt buried the 'Winds deep in their own territory, but Ticen Harper carried from the 7 out to the 42 yard line on the final play of the third period. This "Offensive Play of the Game" enabled the 'Winds to control field position and the clock.

Moments later, Justin McGuire boomed a 55-yard punt to add to the Jackrabbits' field position woes. Unable to move the ball and forced to punt, Ralls sputtered again on fourth down. A high snap enabled David Lightfoot to finish off the punter. Floydada took over on downs, and Harper carried in three plays later. Rodriguez added the kick, and Floydada was in total control 22-8.

Defensively, I felt like we improved this week. We had several big plays by Justin Wright, Ocar Delgado and Justin Stoerner with several tackles. Overall, I felt like the kids played well. We faced a big and quick team in Abernathy. The Shorthorns will travel to New Deal Thursday with the game starting at 5:00.

Darryl Henderson helped seal his "Defensive Player of the Game" honors during the Jackrabbits' final two possessions. Brandon Wickware, Dusty Duke, David Lightfoot and Artemio Diaz all had outstanding defensive performances, limiting the visitors to only 121 yards total offense. Henderson also added Floydada's final score on a 1-yard plunge in the final 11 second of play. Dusty Anderson capped a solid performance in the Floydada defensive secondary by picking off a Cody Campbell pass on the game's next-to-last play.

Coach Daughtrey was happy with the first district win. "Any time you can win in district is something special," commented the coach in a post-game interview. "Our offensive line did a good job of opening holes for several of our running backs, and Ticen (Harper) had a good night. They were keying in on our halfbacks, which kind of opened it up for Ticen." Harper averaged over 8 yards-per-carry in 10 attempts. He fell short of rushing for 100 yards due to an official's call (holding) during Floydada's first-quarter scoring drive.

The Jackrabbit's hope of getting back into the win column may run into a stumbling block at Idalou tomorrow night. The Wildcats are coming off of a disappointing 14-10 loss to district co-leader New Deal, and will give the 'Rabbits all they can handle - and then some.

The Whirlwinds will also have their hands full at Abernathy (a 16-6 loser to Lockney last week). Abernathy used to be a long-time district foe of the Whirlwinds, but the two haven't met in a meaningful game since 1981. A loss to the 'Winds tomorrow night would make it an uphill battle for the Antelopes to make the post-season playoffs.

**Floydada** 0 8 7 13 - 28  
**Ralls** 0 8 0 0 - 8

**Scoring Summary**  
**Second Quarter**

# Lockney JV wears down Antelopes

**By Coach Ventura**  
**LOCKNEY**--The junior varsity played their first district ballgame Thursday, against Abernathy, and came away with a 27-14 victory. The team came out a little sluggish the first half, but wore down the Antelopes during the second.

We were so much more physical the second half. This was probably the most physical we have been all year. Mo Collins started off the scoring with a 62 yard run, then converted the extra point giving the Horns a 7-0 lead. The Horns defense held and forced the Lopes to punt.

David Martinez blocked the punt, but the Antelopes picked up the ball and ran for a first down. The Antelopes scored to make the score 8-7.

Collins hit a wide open Chase Westbrook on a sweep pass to put the Horns up by 13. The Antelopes then scored again to put the Lopes up 14-13 at the half.

The Horns drove to the 5 yard line to start the 3rd quarter before David Martinez coughed up the ball. He redeemed himself two plays later when Westbrook caused a fumble and he was able to recover it.

Collins played in from 5 yards out. Then Kelsey Hooten hit Westbrook for the 2 point conversion making the

score 21-14. The defense kept the pressure on the Antelopes and the Horns last score came when Hooten hit Collins from 12 yards out. The extra point failed leaving the final score 27-14. These kids do a great job each week. They will play New Deal Thursday.

## Behind the Sidelines

# Longhorns win first district game against Antelopes

**By Coach Kurt Ashmore**

To open up District 7-AA play Friday night, the Lockney Longhorns traveled to Abernathy taking on a tough Antelope football team and downing them 16-6. The scoring started early in the game when senior outside linebacker Eddie Amaya sacked the Abernathy quarterback for a safety in the first quarter. On the following kick-off, sophomore running back Taurean McDonald ran the kick-off back 55 yards for a touchdown. Junior quarterback Jordan Lambert and senior tight-end Ryan Graves connected in the fourth quarter for the only other Longhorn score of the game making the score 16-0. A tipped pass late in the fourth quarter was caught by an Abernathy receiver and run back close to the goal line leading to the only six points scored by the Antelopes.

The big story Friday night was the Longhorn special team units. This was a great game for the extra point and field goal team as they were successful on both extra point tries and field goal team as they were successful on both extra point tries. These points were crucial to the outcome of the game. After Abernathy scored, the ballgame was still a three possession game.

The kick-off return team scored the first touchdown of the night by doing an outstanding job of opening a big hole right up the middle for Taurean to find. In addition, the punt team did a great job of protecting Jordan Lambert and covering his booming punts which averaged 42 yards per punt. Keeping the other team backed up on their end of the field is definitely an extra weapon, and that is exactly what our punt team did.

All of the kick-off and punt cover teams did an extremely good job of containing Abernathy's return teams. I think the game Friday night showed how important special teams are, and I know they played a huge role in the Longhorns' first district win.

Defensively, we played well most of the game. The Longhorn defense caused six turnovers and came up with five of them. Jordan Lambert inter-

cepted two Antelope passes, and Thad Lusk picked off one. The fumbles were recovered by Frank Guerrero and Kevin Aufill. The defense was also responsible for two points when Eddie Amaya got a sack in the endzone. The defense is playing well, but we must work to do a better job of not giving up the big play.

The offense struggled against Abernathy in all but one series in the fourth quarter. Abernathy is a good defensive football team, and we had trouble blocking their line that averaged 235 pounds across the front. When we did get them blocked, it seemed that our backs had trouble with their footing. The thing we did accomplish was not turning the ball over. We did not have any fumbles or interceptions. When you put this together with great special team play and good defense, you will have opportunities to win ballgames.

The Longhorns host the New Deal Lions on Friday night at 7:30 p.m. New Deal is a good football team that is capable of scoring off of the big plays from anywhere on the field. We must play mistake free ball, not give up the big play, and control the ball offensively to get that second district win. See you at the game!

# Shorthorns 7th grade lose to Abernathy

**By Coach Fairchild**  
 The seventh grade Shorthorns hosted the Abernathy Antelopes Thursday night. Offensively we moved the ball well. Lockney kept possession most the ballgame. Lockney first score came in the second quarter with a 35 yard run by Kirk Wilson. The two-point conversion was also good on a sweep around the right by Kirk Wilson. Lockney's next score came in the fourth quarter on a twelve yard run by Kirk Wilson. The score was set up by a nice third down run by Jeran Butler that went for 13 yards.

Defensively, I felt like we improved this week. We had several big plays by Justin Wright, Ocar Delgado and Justin Stoerner with several tackles.

Overall, I felt like the kids played well. We faced a big and quick team in Abernathy. The Shorthorns will travel to New Deal Thursday with the game starting at 5:00.

**DUNCAN DOLLAR DEPT --** An official ribbon cutting was held for the Duncan Dollar Depot at A. B. Duncan Elementary School last Friday, October 9. The money each week towards opening a personal savings account. at West Texas National Bank -- Staff Photo

## Duncan Dollar Depot opens

FLOYDADA -- Students at A. B. Duncan Elementary School can now conduct their banking business at the school on Friday mornings. Sponsored by West Texas National Bank, Duncan Dollar Depot will take deposits in any amount (including one cent at a time) from properly enrolled students. Accounts will earn interest.

According to Paul Sharp of WTNB, the bank is designed to encourage children to save money on a regular basis and is set up to provide students with an opportunity to learn how to save and just what saving is and how interest can make a savings grow.

Duncan Dollar Depot account holders will receive receipts for their deposits, have a passbook to record them in and will get a statement every six weeks with their report card. When an account reaches \$50.00, it can be transferred to the WTNB location on Wall Street.

Students can only make deposits in their Duncan Dollar Depot. No withdrawals are allowed unless the student leaves the school to advance to R.C. Andrews or moves out of the district. Once an account transfers to WTNB, a student can still make deposits at Duncan Dollar Depot. With-

drawals can then be made at WTNB as long as a parent accompanies the student.

The necessary software was purchased and donated by WTNB and the teller cage was constructed by the bank employees. The Kids Bank facility is being operated by the PTA and belongs to the school.

Becky Sharp, a kindergarten teacher, serves as the Teacher Coordinator.

## Lockney High School FHA kicks off year

By Lacey Aston

LOCKNEY-The Lockney FHA Chapter kicked off this year with a party at the Lockney Park. President Kenzie Stapp called the meeting to order by introducing the officers. The skit depicted all their many activities that FHA has to offer. Following the skit new business and this year's activities were discussed. A Masquerade Ball is to be held January 16, this allows members to dress in medieval times and bring a date. We also discussed our "Adopt a Grandparent" program. The monthly parties at the Care Center were also discussed. Refreshments were served and water balloon volleyball was played.

This year's officers include: President- Kenzie Stapp, VP of Programs-Tessa Stapp, VP of Public Relations-Lacey Aston, VP of Recreation-Sarah Martin, VP of Records- Amy Davis, VP of Finance- Lindi Miller

These people were installed at the September meeting and plans for the upcoming year were discussed. The October meeting was held on October 5, 1998, at 6:30. We gathered at the Care Center to decorate the resident's doors and then went to the Home Economics building to discuss new business. We will continue to participate in the "Adopt a Grandparent" program. We will be having our October party at the end of the month where we will serve the residents refreshments and go trick or treating around the Care Center. We feel that FHA has had a very successful beginning having 43 member dues paid and still more are interested in joining. We are excited about this year's upcoming events and community service projects. Our next meeting will be held November 2 at Lockney High School.

## 4-H Silver Spurs Horse Club meets

By Laura Miller

The Floyd County 4-H Silver Spurs Horse Club had it's second meeting of the year Monday October 5th at the First National Bank in Lockney.

President Tyler Phillips called the meeting to order. Tasha Powell introduced the program; Wade Brannon is a spur and bit maker from Silverton. He told us that it took about two to three and a half days to make a pair of spurs. Brannon can make spurs with nickel silver or sterling silver. He said that it would cost alot more to make a pair of spurs with sterling silver than it would to make a pair of spurs with

nickel silver. It was very interesting! When the program was over our secretary Rachel Miller called the roll and read the minutes from the last meeting. During our business meeting Marcia Phillips talked about the upcoming 4-H auction. It is going to be December 5th. Everyone needs to come and bring a friend with them. The auction is a big fund raiser for 4-H. Everyone is invited. Kellen Wyrick had the mini demonstration. Using a chair he showed us how to tie up a horse. After the demonstration, delicious refreshments were served by Kay Brock. The next meeting will be Monday November 2nd. See you then.

**LOCKNEY BAND SPORTS NEW TRAILER--**The Longhorn Band has a new trailer to haul their instruments and uniforms to games and contests. The trailer is outfitted with spaces for each of the instruments and uniforms. Band Directors Will Brewer and Keith Riley are proud of the trailer which was purchased by the Lockney Band Boosters. "It is great to have a place for everthing and everything in its place," Riley stated. Staff Photo

## Longhorn Band earns Division I at contest

LOCKNEY--The Lockney Longhorn Band received a Division I rating at the eighth annual Plainview Pioneer Marching Festival held Saturday, October 10 at Bulldog Stadium.

Lockney received the Division I rating along with New Deal, Seagraves, Post, Plains, Sundown and Abernathy in the Class AA division.

Wayland's Pioneer Marching Band and the Plainview High School Band gave marching exhibitions. The Plainview Bulldog Band has 60 consecutive UIL Division I ratings in marching and was a state finalist last year.

Approximately 4,000 bandmen, directors, chaperones, and spectators from Class 4-A to Class A turned out for the contests.

MEREDITH SCHACHT

## Schacht is delegate to national FFA convention

A local student will help decide the future direction of the National FFA Organization this November at the 71st National FFA Convention. Attracting more than 45,000 FFA members and guests, this is the world's largest annual student convention.

Meredith Schacht, 17, Area I First Vice President of the Texas FFA Association will represent the state as an official delegate to the convention November 12-14 in Kansas City, Missouri. Schacht will join 475 state FFA officers from all 50 states, Puerto Rico, Guam and the Virgin Islands who will conduct the business of the National FFA Organization during special sessions of the convention.

Schacht is the daughter of Clar and Judy Schacht and is a member of the Floydada FFA Chapter.

The national FFA convention is the culmination of a year's activities for FFA members. Opportunities for personal growth and leadership development are presented by educational and motivational speakers including Les Brown, motivational speaker; Warren Fairley, storm photographer/chaser; Gerda Klein, author and historian; Baxter Black, cowboy poet; and Robin Roberts, sportscastr.

This year's convention theme, "Making the Connection," symbolizes the agricultural education organization's mission to continue to connect its members to their communities, the agricultural industry and to the nation.

FFA is a national organization of 447,880 members preparing for leadership and careers in the science, business and technology of agriculture.

## Lloyd participates in AQHA riding program

Stacey Lloyd of Floydada, recently earned an award for logging 100 hours in the American Quarter Horse Association Horseback Riding Program. The program provides AQHA members recognition for time spent riding or driving American Quarter Horses.

A unique aspect of the program is its simplicity. Current AQHA members complete a program application and pay a one-time \$25 enrollment fee. Each enrollee receives an official AQHA log sheet to record their hours driving or riding their American Quarter Horse. Participants need not own their horse, but all official hours must be accrued using a registered American Quarter Horse.

The first award, a program recognition patch, is given after only 50 hours have been logged and verified. Patches and nine subsequent awards are presented at 100 to 5,000 hour levels and range from merchandise gift

certificates to a trophy belt buckle at the highest level.

Other awards provided by AQHA corporate sponsors include a \$25 merchandise certificate and at 750 hours a headstall valued at \$22. At both 1,000 hours and 3,000 hours award recipients receive recognition in "The Quarter Horse Journal", AQHA's monthly magazine. Jim Bret Campbell, AQHA Manager of the Horseback Riding Program, said, "AQHA is so proud to offer this program regarding people who enjoy riding and driving American Quarter Horses. Enrollees are doing such diverse activities that it's obvious this program literally fits everyone who likes spending time with horses."

AQHA actively encourages horseback riding as a recreational activity that can be enjoyed alone or shared with family and friends.

## Variety of activities available in 4-H

BY J.D. Ragland, CEA-Ag

Any young person, from any community in our country can learn skills that employers look for...develop awareness about how to care for and make decisions about the environment...find new friends...become a community leader...and have lots of fun in 4-H! 4-H is for all youth, from third grade to 19 years of age. Young people, may pursue their interests in a wide variety of program areas. Youth can join 4-H through a local club, a special interest group, or through an after-school program. Each program is unique and often involves the whole family.

4-H encourages diverse groups of youth to develop their skills and talents to the fullest potential. In 4-H, you "learn by doing." You can gain confidence and skills that will last a

lifetime through 4-H's "hands-on" programs like Environmental Stewardship, Workforce Preparation, Public Speaking, Citizenship, and Leadership programs.

The accomplishments you achieve in 4-H will prepare you for the world of work and for becoming a contributing citizen. Most importantly, 4-H is fun! 4-H... it's more than you ever imagined!

So, how much time does 4-H take? You structure your own commitment to 4-H. Do as little or as much as you desire. You can get involved in monthly club meetings or weekly after-school programs.

If you are interested in becoming involved in 4-H, contact J.D. Ragland or Melissa Long at the Floyd County Extension Office by calling 983-4912.

### A GREAT BIG THANKS

to the members of the Impact Reading Group.  
 The program is off to a great start.  
 Thank you to all who are involved in this program.

**HATS OFF TO READING,**  
 held Tuesday, October 6, was a big success.  
 We had parents, grandparents, high school football players, high school cheerleaders, coaches, teachers, business people, and other friends that came and read to different classes through out the day.

Thank you to Mr. Collins for kicking off the day by reading to the entire school. To Mrs. Odom and Mrs. Mulder, Thank You, for putting this together. This type of day could not happen without the help of a lot of people. Thanks to all.

The P.T.A. had a successful book fair, October 6-8. Thank you to the P.T.A. members who ran this book fair. We have an excellent and active P.T.A. It takes a lot of time and effort on the part of several people for this to happen. Thank you to the P.T.A. for all their help.

Bob Campbell, Principal,

Staff Photo

## Lockney Junior High opens bank

LOCKNEY--A ribbon cutting was held recently by the Lockney Chamber of Commerce opening a branch bank at the Lockney Junior High. In a partnership with the First National Bank in Lockney this is the second bank opened in the LISD system. The first bank opened was at Lockney Elementary school in 1997. It is in the second year of its program. The banking program will allow students in grades six through eighth to deposit money into their account each Friday morning. The accounts will accrue interest and statements will be received each six weeks summarizing the activity of each individual student.

Once the student's deposit reaches

\$50.00 an account, in his or her name, will be opened at the First National Bank in Lockney at its downtown location. For those students who already have an existing account with the bank the money will simply be transferred to their own account. The program is designed to assist students in money management and record keeping. The bank is located in the lobby of the junior high and any junior high student can participate. An application can be filled out at any point during the school year. The LJHS Bank is operated by the Early Childhood Professions class under the direction of Mrs. Treena Aston.

Her students take the deposits, balance the money drawers, enter all data into the computers, calculate and print all statements for delivery to the participating students. With this type of responsibility the Early Childhood Professions class will be able to take the banking project and compete on a national level as a FHA Star Event under Financial Fitness. The Early Childhood Professions class is a high school Technical-Profession Course allowing for six hours of junior college credit in the field of childcare professions. Mrs. Aston sends her students into the field at least two days a week. One day they spend at the daycare center and the other at the elementary school.

## County 4-H'ers show livestock at Fair

**By J.D. Ragland, CEA-Ag**  
Nineteen Floyd County 4-H'ers exhibited swine, lambs and cattle at the 1998 South Plains Fair in Lubbock, September 25-October 3. Results are as follows:  
Swine: Lt. Wt. Gilt-Brady Ragland, 1st; Hvy. Wt. Duroc Barrow-Ashley Norrell, 6th; Hvy. Wt. Hamp Gilt-Ashley Norrell, 6th; Lt. Wt. White OPB Gilt-Cutter Stanlee, 2nd; Hvy. Wt. Breed-Mandi Wood, 6th; Hvy. Wt. Cross Breed-Payte Beedy, 3rd; Lt. Hvy. Wt. Cross Breed-Chase Beedy, 5th; Hvy. Wt. Cross Breed-Scott Nixon, 1st; Taylor Beedy, 2nd; Mandi Wood, 8th. Other steer exhibitors were Tye Wood, Cody Ware, Clay Ware, Luke Baker and Ty Arjona.  
Heifer: British Breed-Brady Ragland, 3rd.  
Congratulations to all youth on their hard work and good luck at upcoming local, county and major stock shows.

## Ragland and Norrell excel at state fair

**By J.D. Ragland, CEA-Ag**  
Three Floyd County 4-H members exhibited swine at the 1998 State Fair of Texas in Dallas, September 28 thru October 1. Ashley Norrell exhibited

her 247 lb. Medium weight Duroc to first place and then on to receive Reserve Breed Champion owner. Also, Brady Ragland's 258 lb. heavy weight Hampshire received 1st place and went on to receive Reserve Breed

Champion also. Both pigs were purchased by Tom Thumb Grocery Stores. Other county exhibitors included Morgan Norrell who received 15th place with her light weight cross-breed.

## Lockney FFA students place at South Plains Fair

LOCKNEY--Lockney FFA students competing at the 1998 South Plains Fair Steer and Heifer show in Lubbock brought home a bevy of trophies and banners. The Lockney FFA Chapter was awarded the Herdsman Award for their cattle exhibit. They received a banner. In the steer division of the show Kristen Kellison showed the Grand Champion British Steer and also a second place steer. Kacie Young placed ninth with her steer.

## Brownie Scouts attend camp

**By Christina Muse**  
Brownie Scout Troops 375 and Troop 11 from Floydada, attended a Fall Camp at Rio Blanco, September 25-27. The girls were kept busy at workshops, learning about the outdoors. They learned how to mark trails for others to follow using rocks and twigs. Troop 375 performed the flag ceremony on Saturday morning. The first ever performed by the troop. Girls stated that they really felt that this was

In the heifer division of the show Will Foster showed the Supreme Heifer. First place heifers were shown by Kristen Kellison and Justin Stoerner; second place heifers by Senee Foster and Avery Aston; Brittany Aston placed third with her heifer and Heath Stoerner fourth with his. Other Lockney FFA students showing their animals at the fair were Lacy Austin, Timothy Durham; Lacey Aston, Cody Gardner, and Ty Young. Ted Young is the Lockney FFA advisor. a great experience. While at the Saturday night camp fire, the troops performed skits for other scout troops attending. All were very entertaining. Sunday, before coming home, the troops attended a flag burning ceremony, where they learned about retiring the American Flag. Everyone was saddened by this experience, but understood the meaning of doing this. Everyone attending came home with more understanding of our world and traditions.

thru October !!**

**DOES THIS BELONG TO YOU?**

**THIS SUNDAY  
WE'LL HAVE GOOD NEWS  
FOR THOUSANDS OF TEXANS.  
WILL YOU BE ONE OF THEM?**

Every day, banks and businesses report unclaimed cash and valuables to the state—uncashed checks or refunds, forgotten bank accounts, jewelry and the other abandoned contents of safety deposit boxes.

Once each year, in an effort to reunite these unclaimed assets with their rightful owners, we insert the most recent **Unclaimed Property** list in the Sunday editions of 33 daily newspapers across the state.

In the past year, we've returned *more than \$38 million* in unclaimed property to Texans.

But more than \$800 million *remains unclaimed*. And in selected Sunday newspapers, we'll print the updated, latest edition of the list.

- Pick up a Sunday newspaper carrying the list and look for your name and the names of your relatives.
- Or call us toll-free at **1-800-654-3463**.
- Or visit our Web site at <http://www.window.state.tx.us>.
- Or write to **Comptroller John Sharp, Unclaimed Property Section, P.O. Box 12019, Austin TX 78711-2019**.

If you find your name on the list, give us a call, drop us a line, or send us an e-mail at [unclaimed.property@cpa.state.tx.us](mailto:unclaimed.property@cpa.state.tx.us) and we'll get you back together with your property.

## Y2K video to be shown at Trinity Church in Floydada

**By Pastor Henry Russell**  
Trinity Church of Floydada will be showing the new video, "2000 TIME BOMB", Sunday, October 18th at 6:00 p.m. This video features Dr. Jack Van Impe. He has researched hundreds of statements from leaders around the world. Men from the secular world such as presidents, congressmen, scientist, military, editors, etc. Dr. Van Impe does give his viewpoint in light of what the Bible says about it. He was voted the second most

trusted ministry in television and radio, second only to Dr. Billy Graham. The film is about one hour and twenty minutes. It shows what the men in high offices has to say what could happen, midnight, January 1st, when the computers that control every avenue of the globe, thinks it's 1900 rather than 2000.

The public is invited. There is no charge. A free will offering will be received.

### Factors That Contribute to Living a Long Life

By Ron Trusler

It seems that, as a whole, we are living longer lives. Some who have experienced longer-living have contributed it to at least five factors. You could probably add some to this list.

1. **Optimism** - a positive attitude is far healthier than a negative one. Positive thoughts and attitudes adds energy and peace to life.

2. **Commitment to something** - having a purpose for living adds much to our life. The purpose may not be a big one but if it is meaningful to us personally, it will help us be healthier.

3. **Ability to cope with Loss** - loss is something everyone of us faces. Some people seem to face more of it than others. There is a natural grieving process we go through even over small losses. How long the grief lasts

depends a lot on our perception and our ability to go on with our life regardless of the pain.

4. **Sense of humor** - it seems that those who have the ability to laugh at themselves or not take some mistakes so serious, have a great amount of strength and longevity. Having a sense of humor does not mean a person is not dedicated or serious about responsibility or commitment. It does mean they do not whip-up on themselves everytime something goes wrong.

5. **Activity** - being busy just for the sake of being busy is not always the best. Meaningful activity has to do with finding pleasure and purpose in what you do. Being active with things that help make a difference in the lives of others and the community, are activities that reap the most benefit.

## The Paper Pulpit

By: Pastor Henry Russell

### "The Ugliest Man in the World"

Lumpy Willie was considered to be so ugly, he couldn't get a job and never had a date. He shaved in a dark house because he hated to look at himself in the mirror. His real name was Alex Samuel Chapelski.

He was cursed from birth with a disease which caused tumors to develop at nerve endings and their connective tissue. Chapelski was effected with this disease which caused hundreds of lumps and bumps.

People stopped and stared as he walked city streets. He was refused service in restaurants because waitresses would not approach him. Employers would give him no interviews, bartenders would not serve him, and girls would not speak to him. He even dreaded looking at his own face. He drank by himself in a cheap hotel and tried suicide. He turned to crime and served at least 15 years behind bars.

After he was released from the penitentiary in June 1968, he went to a plastic surgeon, Dr. Wilkie, who agreed to help him even though Chapelski could not pay.

Police who were holding warrants for his arrest, waited until the plastic surgery was completed before arresting him. He appeared in court on charges in July 1969. Lawyer Marvin Storrow represented him without a fee, and told the story of the ugliest man in Canada to the court:

"He now has self-confidence and self respect for the first time and is prepared to attempt to live differently with his different appearance. Society has been harsh to this man. It may be doctors who have given him the first break in life, and should get a chance."

The court gave him that chance. "I'm lucky. Honest, I promise, I will never let you down. Thanks! Thanks!" Chapelski said. When he was released from prison a week later, he went to work, determined to keep his promise to people that had given him a chance. "I'm tired from running from the police, I'm tired of being so ugly, I'm ready to face the world now, to be free and to get a job. I have hope now for the first time." (Vancouver UPI)

After reading this, it made it even easier to sing the old hymn: "The great Physician now is near, the sympathizing Jesus; He speaks the drooping heart to cheer, Oh! Hear the voice of Jesus." Isaiah 61:1-3, "the garment of praise for the spirit of heaviness."

## Grain Sorghum Association reports

# \$3.2 million awarded for research

One key to survival for grain sorghum producers is staying competitive in the global marketplace by being able to efficiently grow a high-yielding, quality product while faced with environmental and weather-related obstacles. But, U.S. researchers are closer to helping sorghum growers reach this goal with a \$3.2 million grant recently awarded by the National Science Foundation (NSF) for plant genome research focusing on sorghum.

"We congratulate the National Science Foundation for their foresight in making such a valuable investment in the future of our industry," said Tim Lust, executive director of the Na-

tional Grain Sorghum Producers. Lust added that this latest funding represents a 30 percent increase in federal dollars dedicated to sorghum research. "This project could help scientists make significant strides in sorghum research and advance genetic improvements in other grain crops while helping to keep accomplishments in this area of biotechnology in the public sector," Lust said.

Sorghum is an excellent crop on which to conduct genetic studies associated with tolerance to environmental stress such as drought. The sorghum genome project will involve several scientists around the nation as they work to vertically integrate rather

than duplicate their research.

Grain sorghum is a leading cereal crop in arid and semi-arid areas of the world, ranking fifth in importance among the world's grain crops. In the U.S., sorghum is used mainly as a feed crop, but is increasingly becoming a significant source of food for human consumption worldwide.

"Our challenge in coming years will be to efficiently produce higher yields on less acreage. This research will be extremely worthwhile in keeping sorghum competitive with other commodities as demand for food increases, and we are forced to use dry, stress-prone areas for production," said Lust.

## Tips given for control of diseases

By Ron Graves  
Extension-Agent

Sometimes fruit tree care is forgotten or neglected in the fall, but it's a critical time for controlling many peach and plum tree diseases to insure a good crop next year.

Applying a copper fungicide now can stop or help reduce three of the major diseases that attack peach, apricot, and plum trees in Texas. These are peach leaf curl, bacterial leaf spot, and bacterial canker.

The puckered and distorted peach tree leaves that were either bright red or light green in diseased areas last spring were the result of peach leaf curl fungus. The time to control this disease effectively is in the fall by use of a copper-containing fungicide.

Bacterial leaf spot and bacterial canker can be partially controlled by fall spraying with a copper fungicide. Bacterial leaf spot affects both the fruit and the foliage. The infection causes the fruit to crack and the leaves to develop angular spots that drop out. Bacterial canker will kill trees slowly. Damaged areas are slightly sunken and somewhat darker in color than the surrounding bark. As the trees break dormancy in the spring, gum is formed by the surrounding tissue, and may exert enough pressure to break through the bark and flow. The area beneath the canker has a soured odor.

Timing of the fall spray is critical for effective control and for avoiding tree damage. Unless applied correctly, copper, a metal, may cause severe

defoliation.

Spraying should be done when 70 percent of the leaves have fallen. Spraying too early will cause leaf shed or cause the spray to be ineffective later.

Sanitation is also a very important part of controlling fruit tree diseases. Dormant pruning of cankered wood and removal of leaves and other debris in the fall is highly recommended. Fungicides can be used to suppress disease development, but fungicides alone do not fully prevent diseases. So the key to a good crop next year is an ounce of prevention. A combination of sanitation and fungicide application will make all the difference in managing and preventing fruit tree diseases.

## Farm Bureau urges changes to help farmers

The combination of weather-related disasters and low commodity prices prompted Congress last month to offer agriculture producers some monetary assistance, but a local Farm Bureau fears it won't be enough to help those in Texas.

"It was a nice gesture, but the \$500 million divided up nationwide won't go very far," said Bart Greer, president of the Floyd County Farm Bureau. "And there's really no relief for our cattle producers."

According to Greer, reinstatement of the emergency livestock feed assistance is on top of the list of additional help Texas Farm Bureau has

requested from USDA Secretary Dan Glickman on behalf of the state's drought-stricken farmers and ranchers. The farm organization also asked for the exemption of capital gains on the forced sale of livestock due to the drought.

Greer said changes in crop insurance are also high on the organization's list, noting that the current insurance structure is inadequate to cover the risks producers face. TFB has proposed a freeze on yields at average production history by eliminating the 1998 yield for crop insurance purposes; that current mandatory seed requirements be dropped; and that a

prevented planting rule be adopted. "We also support a plan like the one offered by Congressman Charles Stenholm (D-TX), which would reimburse producers for crop insurance premiums," he said.

Texas Farm Bureau also urged Glickman to implement haying and grazing of CRP (Conservation Reserve Program) land; expedite FmHA disaster loan processing; instruct federally-chartered banks to work with producers; and to streamline reamortization of Federal Land Bank and Production Credit Association loans for borrowers who have made good on past loans.

## PCG pushes for disaster package

By Shawn Wade

October has arrived and with it comes the start of one of the busiest parts of the year on the Texas High Plains.

Cotton strippers are running throughout the area and producers are busy with the million and one tasks associated with bringing in the crop.

Overall the area is expecting yields to be significantly lower than recent years. With weak prices and widespread crop losses growers are anxiously awaiting news from Washington about the fate of an agricultural disaster assistance package.

Pushing the need for, and important aspects of, the disaster package has been a focal point of Plains Cotton Growers (PCG) activity for the passed several months.

The disaster package is tied to the 1999 Agriculture Appropriations Bill

that is bumping and grinding its way through the political process.

President Bill Clinton vetoed the Bill, along with the disaster assistance package, and sent it back to Congress with a demand that additional money be put into the disaster portion of the legislation.

Despite the last minute maneuvering that has taken place, PCG officials are fairly confident that an assistance package will be approved quickly. The latest information available to PCG indicates that the original \$4.2 billion package included in the 1999 Agriculture Appropriations Bill could be increased by as much as \$1 billion.

Both the House and Senate are working to put together a compromise package probably to become part of an Omnibus Appropriations package that includes all unfinished appropriations legislation.

The next phase of the effort will be in developing the details as to how the money will be distributed in the country. PCG and the National Cotton Council are already looking at a num-

ber of alternatives, as well as working on alternative plans. The most likely scenario at the present time is a combination of supplemental Ag Market Transition Act (AMTA) payments and delivery of crop loss reimbursements through crop insurance providers.

## Crop estimates unchanged from first accounting

By Shawn Wade

The October 1 crop estimate has been released and the end result for the High Plains and Texas as a whole is unchanged.

The Texas Agricultural Statistics Service estimates Texas Upland cotton production at 3 million bales. The High Plains, comprised of reporting districts 1-N and 1-S, accounts for 2.07 million the total or 69 percent of the 1998 upland cotton estimate.

The estimate does include changes. Harvested acres dropped 180,000 acres in 1-N and 10,000 acres in 1-S. Reversing the effects of the acreage loss was an increase in the expected yields in those areas. Estimated yield in 1-N were upped 10 pounds to 596 pounds and yields in 1-S were upped 59 pounds to 491 pounds per acre.

The net result is no change in the projected size of the High Plains crop. That is not the case Beltwide where the estimate dropped projected U.S. Upland cotton production from 13.1 million to 12.8 million bales.

## Matter of Fact by Rick Perry, Texas Agriculture Commissioner

If you've ever shopped for a home computer and asked a question about a particular model, chances are you've been hit with a slew of technical terms that might have you wondering if you've been transported to another planet. It's easy to get lost when the conversation turns to "megabytes" and "RAMS" if you're not familiar with such terms.

Believe it or not, it's the same in agriculture when we talk about issues important to our industry with folks who just aren't up to speed with the terms we use. A study by the National Association of Conservation Districts reveals most folks just don't know the technical terms of our industry such as "integrated pest management" or "drip irrigation" or "sustainable agriculture" or "biodiversity."

This lack of understanding is a major hurdle when discussing issues important to farming and ranching. That's why it's important to keep it simple when talking about farming and ranching issues with folks who are not familiar with terms commonly used in agriculture. The only way for everyone to appreciate what we do and how we

do it is with understanding. All of us need to have a hand in helping the public grasp issues that affect not only agriculture but also consumers in the long run.

### Texas image still associated with cattle

There's an old joke that advises never asking someone where they're from. Why? Well if they're from Texas, they'll tell you. And if they're not, there's no need to embarrass them.

It seems no matter where you go or who you meet, tell someone you're from Texas and the image that immediately comes to mind is that of ranches, cowboys and cattle. Though the Lone Star State is now a center for international business and a vital component in the high-tech industry, the global image of our state is still associated with cattle. And in my mind, that's how it should be.

It's impossible to imagine what Texas - or Texas agriculture - would be without the cattle industry. Cattle production generates upwards of \$16

Just as with that home computer, it's easy to shake your head like you know what's being said. But a blank stare usually doesn't get much done when it counts.

billion to our state's economy. Without beef cattle, our agricultural receipts would dwindle by nearly half.

So while driving herds across the plain is a steadfast image for those who think of Texas, it's a mystique that's essentially still correct. Cattle are a driving force in our state. Texas depends on this industry for jobs, a healthy economy and, yes, for a legacy that helps define our past.

# Obituaries

**BARBARA BARNARD**  
Services for Barbara Barnard, 77, of Plainview were held at 2 p.m. Monday in First United Methodist Church in Floydada with the Rev. Wendell Horn, pastor, officiating.

Her body was donated to the Texas Tech University Health Sciences Center.

She died Saturday, Oct. 10, 1998, in Covenant Hospital in Plainview.

Barnard was born Aug. 9, 1921, in Wichita Falls. She graduated from Wichita Falls High School and Texas Women's University in Denton. She moved to Floydada in 1960 and to Plainview in 1982. She operated and was a part owner of Barwise Elevator and Fertilizer Co. in Floyd County. She was a member of Plainview Bridge Club.

Survivors include a sister, Jean Vinyard of Wilmington, North Carolina.

**BONNARAE BROWN**  
Bonnarae Stephens Brown passed away on Tuesday, October 13, 1998 in Rowlett.

Mrs. Brown was born on January 17, 1909 in Hess, Oklahoma. At an early age she moved to Floydada where she lived with her parents, Aurora and Will Stephens, brothers, Cleo "Curley" and Billy, and sister, Barbara "Bobbie". The Stephens family owned and operated the restaurant later named "Curley's Cafe".

She was preceded in death by her husband, G.W. Brown.

Survivors include one son, Alan Brown of Rowlett; three grandchildren, Steven Brown of Dallas, Jennifer Brown, of Rowlett, and Jeffrey Brown of Rockwall; and three great-grandchildren.

**KENNETH HENSON**  
Graveside services for Kenneth Donald Henson, 61, of Floydada were at 2 p.m. Sunday in Floydada Cemetery with the Rev. Wendell Horn, pastor of First United Methodist Church, officiating.

Burial followed under direction of Moore-Rose-White Funeral Home.

Henson died Thursday, Oct. 1, 1998, in University Hospital in San Antonio.

He was born Sept. 20, 1937, in Caddo Mills. He married Ann Hickerson on Jan. 26, 1957, in Plainview.

Survivors include his wife; his parents, Mr. and Mrs. J.D. Henson of Greenville; a daughter, Kenda Willoughby of San Antonio; two sons,

Brent and Bart, both of Uvalde; a sister, Barbara Galloway of Canton; and a grandson.

The family suggests memorials to the American Cancer Society, 3411 73rd st., Lubbock 79423.

**ROBERT JONES**  
Services for Robert Eldon Jones, 86, of Lubbock were at 2 p.m. Tuesday in St. Luke's United Methodist Church with the Rev. Elton Wyatt, associate minister, officiating.

Burial followed in Resthaven Memorial Park under the direction of Resthaven Funeral Home.

Jones died Saturday, Oct. 10, 1998, at the Lutheran Home of West Texas.

He was born July 6, 1912, in Floydada and married Mattie Walden in Tulia on July 31, 1932. He served in the U.S. Navy during World War II and was a self-employed trim carpenter. He was a charter member of St. Luke's United Methodist Church and was a member of the Leo Gee Sunday School Class. He moved to Lubbock from Amarillo in 1950.

Survivors include his wife; one daughter, Carolyn Maze of Lubbock; one son, Bob of Lubbock; one sister, Dorothy Collier of Beaumont; five grandchildren; and four great-grandchildren.

The family suggests memorials to St. Luke's United Methodist Church or a favorite charity.

**LEO DAMON KOGER**

Graveside services for Leo Damon Koger, 96, of Tulia will be today October 15, 1998, at 2:00 p.m. in the Silvertown Cemetery with Trey Morgan pastor of Central Church of Christ in Tulia officiating. Services are under direction of Wallace Funeral Home of Tulia.

Koger died Monday October 12, 1998 at Swisher Memorial Hospital in Tulia.

He was born on September 7, 1902, to Salome and E.T. Kogar. He married Silvia Bernice Woolfolk on March 10, 1924 in Plainview and settled on a farm in Tulia.

His wife Sylvia died October 26, 1976.

Survivors include one son and daughter-in-law Russell and Carol Koger of Albuquerque, New Mexico, 2 grandchildren, 12 great grandchildren and 3 great-great grandchildren.

The family suggests memorials to Olton Ambulance Association in care of Olton Banking Center, P.O. Box 655, Olton 79064.

**LOCHIE MIETHER**  
Services for Lochie Mae Miether, 77, of Odessa were held at 2 p.m. Tuesday at Hubbard-Kelly Chapel with Rev. Jim Ray Brown officiating.

Burial followed in Sunset Memorial Gardens under direction of Hubbard-Kelly Funeral Home of Odessa.

She died Saturday, Oct. 10, 1998, at Medical Center Hospital.

Miether was born Nov. 18, 1920, in Floydada. She married City Councilman Wilbert F. Miether on Dec. 2, 1978, in Odessa. He died Jan. 16, 1985. She was in real estate management for many years. She assisted her husband in running their company, Miether Machine. She was a Baptist and a community volunteer. She worked as a Medical Center "Pink Lady" and was a past president of the Lady's Auxiliary.

Survivors include one son, Carl Goetz Jr. of Odessa; three stepdaughters, Jeannette Miether of Terlingua, Marcia Miether of Irving and Diane Miether of San Juan Pueblo, New Mexico; a stepson, Evan Miether of Elkhart, Indiana, her sister, Mary Gaskin of Lockney; three grandchildren; seven great-grandchildren; and 11 nieces and nephews.

**VIRGINIA MCLAURY**

Services for Virginia F. McLauray, 82, of Olton were held at 10 a.m. Monday in First Baptist Church with the Rev. Kyle Streun, pastor, officiating.

Graveside services were held at 3 p.m. Monday in Llano Cemetery in Amarillo under direction of Foskey-Lilley-McGill Funeral Home.

She died Friday, Oct. 9, 1998, in Lubbock.

McLauray was born April 19, 1916, in Lockney. She married Lee McLauray on June 27, 1936, in Canyon. He died Nov. 27, 1982. She was a member of First Baptist Church of Olton. She moved to Olton from Amarillo in 1985. She worked at Blackburn's Clothiers in Amarillo as a cashier for 20 years and graduated from Canyon High School.

Survivors include two daughters, Kathleen Rose of Olton and Carolyn Shults of Rising Star; two sisters, Obara Zachry of Roy, New Mexico, and Lucille Ruff of Sedona, Arizona; three grandchildren; and five great-grandchildren.

The family suggests memorials to Olton Ambulance Association in care of Olton Banking Center, P.O. Box 655, Olton 79064.

# Small Business: Of Mice and Men

**By Jack Faris**  
The Fifth Amendment to the Constitution provides that private property shall not be taken for public use without just compensation. Tell that to a tiny meadow mouse that has land planning in snarls all across the front range of the western Rockies.

For the better part of two decades now, landowners and regulators have been in a cross-country showdown over the private and public domain. Ambitious government policies intended to protect the environment increasingly, and often ridiculously, are threatening people's right to own and control private property. These federal regulations are tying up the land, reducing its value, forcing drawn out litigation and creating economic hardship for many involved parties.

If the government needs an individual's property to address an overriding public need, such as building a road or a military base, the owner must be fairly reimbursed for the loss. However, in some cases, the government does not desire "ownership" of property, just regulation of its use -- for which it doesn't pay a single cent.

So it goes for the Preble's meadow jumping mouse. On the mere presumption that the reclusive rodent soon will be listed as endangered, federal and local regulators are requiring Rocky Mountain developers to make elaborate accommodations in their land use planning. The two-inch mouse has already taken a big bite out

of construction schedules and is continuing to furiously nibble away at development in one of the nation's fastest growing corridors.

If today's headlines are the Preble's mouse; yesterday's were the Stephens kangaroo rat, which was listed as an endangered species in 1988. According to a January 14, 1994 column in the *San Diego Union Tribune*, the 77,000 acres in Riverside County, which were declared "K-rat study areas," made the rat the county's largest landowner!

If the actions of our federal agencies weren't so increasingly sad, obnoxious, and damaging to the country, many of these stories would be comical. Instead, they have become terrifying threats to one of our most basic rights as Americans, as people living in a free society.

It's clear that we are at a turning point in environmental policy. Regulators must not be allowed to turn sensitive stewardship into a liability by encroaching it on landowners' constitutional rights.

Ten years ago, Ronald Reagan signed an executive order, which required agencies to consider the impact their regulations would have on takings of private property and to minimize that impact where they could. Many Americans want to see this order codified into public law.

The small-business community recognizes private property rights as a priority and has come up with several recommendations that would protect those rights: allow property owners to seek compensation for federal actions affecting property values; reform the Endangered Species Act to more effectively protect species and property rights; and allow appeal of local zoning disputes directly to federal courts to circumvent lengthy litigation.

These charges would reaffirm our obligation to protect the integrity of the Fifth Amendment, guaranteeing the freedoms that landowners across the United States hold most dear. More simply put, such reforms would provide for a more peaceful coexistence of mice and men.

## PUBLIC NOTICE

### Contest Rules

Any subscriber or purchaser age 7 or older is eligible to enter this contest. Only one entry per week per person.

To play, circle on the official entry form, the numbers of the teams you believe will win this week's games. To indicate a tie, circle the numbers of both teams playing the game. Also write a guess of the combined total points to be scored by the two teams listed in each of the tie-breaker footballs. Circle the team you believe will win. Circle both teams if you think the game will end in a tie.

Only entries on official entry forms brought to a Hesperian-Beacon office in Floydada or Lockney no later than 5:00 p.m. on Friday. No photocopies will be accepted and no mail entries will be considered.

Three cash prizes are awarded each week. In the event of ties (the same number of correct games & equal scores on tie-breakers) prizes will be combined & shared by those tied. The tie-breaker scores will be used only to break a tie on the number of games correct.

Print your name & address plainly on the official entry form & double check your choices before clipping out the entry form & depositing it at a Hesperian-Beacon office before 5:00 p.m. on Friday.

Entries limited to one per person per week. Weekly winners limited to one per household.
