Colson Says Nixon Knew About Watergate Affair

WASHINGTON (AP) — Charles W. Colson has told the House Judiciary Committee he alerted President Nixon both in January and February of 1973 to high-level complicity in the Watergate affair.

Nixon repeatedly has insisted that his first such revelations

were presented by John W. Dean in their conversation of March 21, 1973.

WARNINGS

Colson's warnings were addressed specifically to the involvement of John N. Mitchell and Jeb Stuart Magruder, according to virtually identical

accounts of his testimony published Saturday by syndicated columnist Jack Anderson and the New York Daily News.

Committee officials would neither confirm nor deny the newspaper accounts of Colson's interview with the panel's counsel a week ago. But Colson's attorney and former law partner, David I. Shapiro, confirmed that "It's all there" in the published reports.

NO HARD EVIDENCE

In what Anderson described as a draft of Colson's statements, the former special counsel to Nixon said that in January of last year "I determined it my responsibility to express to the President my belief that certain persons in the campaign organization, namely

Messrs. Mitchell and Magruder, must have been involved in the Watergate."

"I told the President that whoever it was who had ordered the Watergate had ill served him. I did not discuss any specific information about Mitchell, Magruder or others because frankly I had no hard evidence..."

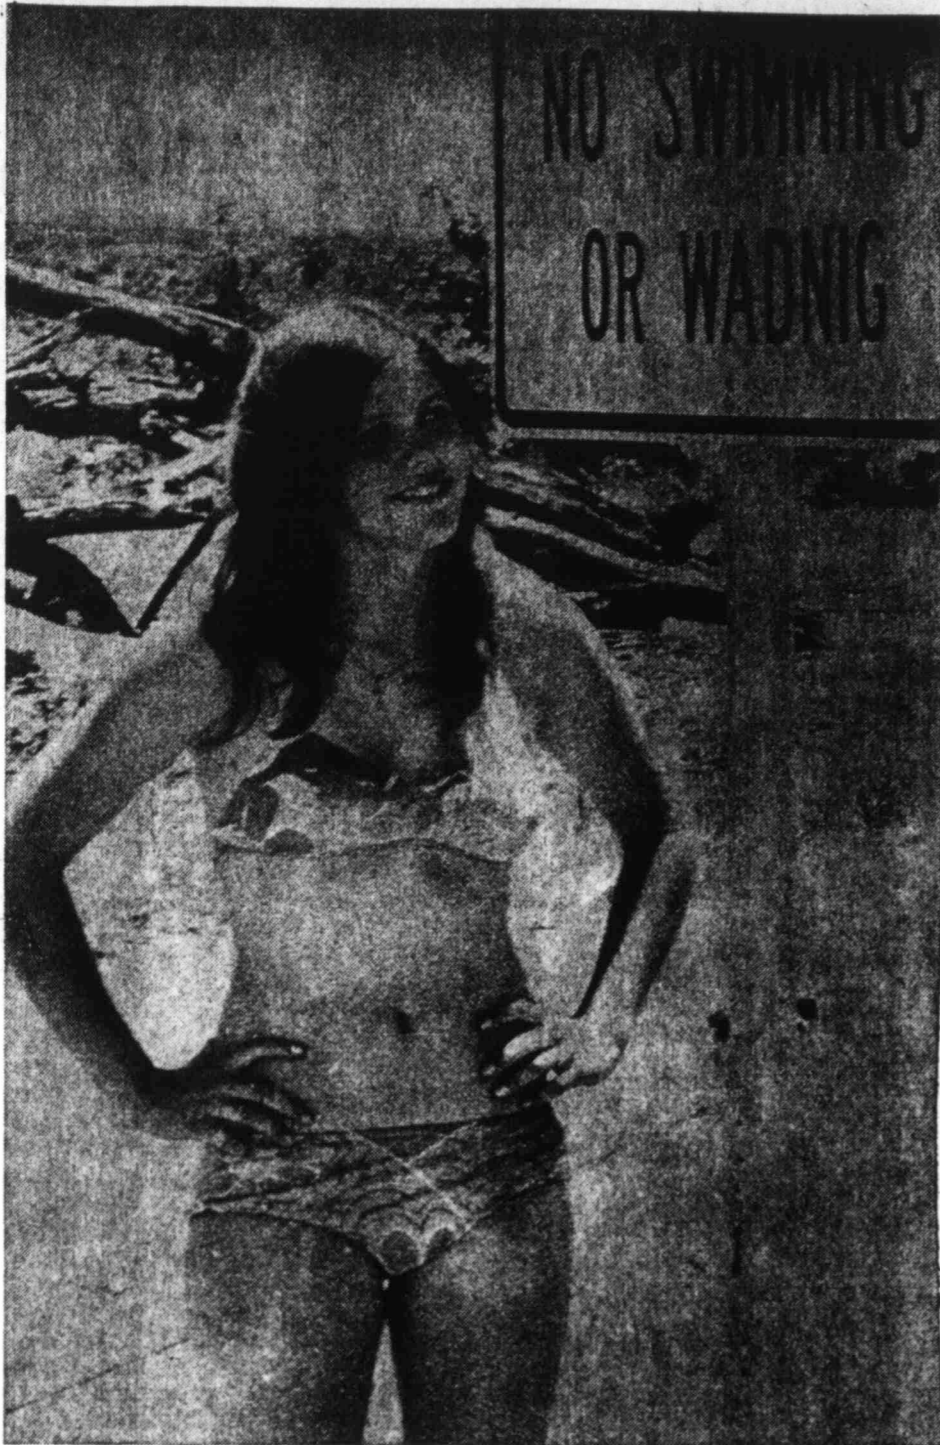

EXPOSED

"On Feb. 14, I told the President...that I thought whoever was involved at the Committee for the Re-election in ordering or authorizing the Watergate would eventually be exposed. I told the President specifically that I thought John Mitchell had to accept the responsibility, that the facts would in due course come out..."

"...I recall that the President reacted angrily. I can almost recall his precise words: 'Are you suggesting that John Mitchell be held responsible or be made a scapegoat? Mitchell has, after all, sworn he was not involved. I want to get to the bottom of Watergate, but I cannot ask a possibly innocent bystander to be a scapegoat.'"

"Colson is almost certain to be called before the full panel to repeat his testimony."

Colson was sentenced Friday to one to three years in prison and fined \$5,000 for a 1971 scheme to defame Daniel Ellsberg. He told the court that his acts in that case followed repeated and specific suggestions from Nixon.

Lamesa Residents Vote To Remain Dry

LAMESA — Residents here voted to stay dry 1,729 to 1,221 Saturday.

The proposal would have allowed grocery stores to sell beer and would have permitted package stores within city limits.

Providing the largest part of no votes were citizens balloting at the tax collector's office and those voting absentee. Box three opposed local liquor sales by two to one, and absentee votes rejected the idea almost three to one.

Unofficial tallies showed: Box one for 107 to 44; box two for 262 to 261; box three against 645 to 319; box four for 387 to 335 and the absentee box against 411 to 146.

This community has defeated proposals for liquor sales twice in recent years.

In January, wet advocates were unable to obtain enough signatures petitioning for the election. But the wet faction garnered enough signatures for the election in April.

Mystery Death Investigation

ABILENE, Tex. (AP) — A young Abilene couple told officers Saturday that they took a nap in their car and awoke to find a companion dead on the highway, apparently struck by a car.

Mr. and Mrs. Charlie Marsh of Abilene told investigators that they and Richard Glenn Barker, also of Abilene, were returning from a Lubbock club Friday night and stopped beside the highway to sleep.

The couple said they found Barker dead in the middle of the highway when they awoke. They said they placed him in the back of their truck and drove 75 miles to a truck stop west of Abilene from where they called officers.

An autopsy was ordered.

Wreck Injuries Prove Fatal

Services are pending at Nalley-Pickle Funeral Home for David V. Rojo, 19, who died at 8:50 p.m. Saturday in a local hospital from injuries received a week ago in an automobile and motorcycle collision.

The driver of the motorcycle, Benjamin Munoz, 17, was dead at the scene. Driver of the car was Ernest Lopez Gonzales.

Investigating patrolman was Robert Yeager, who was then injured Wednesday night while directing traffic at the scene.

Rojo was a passenger on the motorcycle.

TREE LIMB SPARKS STRANGE DEATH

DALLAS (AP) — A falling tree limb which broke a power line has taken the life of Lamirgrave Smith, 15, of University Park, a Dallas suburb.

Authorities reported young Smith was walking through an alley while barefoot at 8 p.m. when he brushed the line Thursday.

Shortly before, Danny Ward, 7, brushed the same wire. But he was on a bicycle. The rubber tires prevented the voltage from passing through his body to the ground.

Reviewing the ... Big Spring Week

... with Joe Pickle

The 41st Big Spring Cowboy Reunion and Rodeo galloped off into the sunset Saturday evening, but it departed with memories of having been one of the best. The clown act (Quail Dobbs of Coahoma) probably excited others to date; the Webb calf-dressing added spice but larger bloomers will be needed, especially if those "calves" get any bigger. The surprise hit was the 1st Division Cavalry Horse Platoon.

Anyone who would ask, "Hot enough for you?" should get a rap in the mouth. Monday came up to 101 and then Tuesday hit a season's high of 104. This sort of thing, coupled with an inability even to muster promising clouds, worked havoc on the cotton prospects. Asked how his cotton was doing, one farmer moaned: "I'm on the way to town now to get a tombstone."

Changes in two key spots were announced. Dr. Thomas T. Salter resigned as president of Howard College to become academic dean at Weatherford College. Col. Robert Liotta, 78th Training Wing commander, received his orders to report as assistant deputy commander for training operations of Air Training Command at Randolph AFB July 20. His successor here will be Col. Robert A. Owens, presently at Randolph.

The World At-A-Glance

ADDIS ABABA, Ethiopia (AP) — A 24-year-old pregnant American missionary nurse was freed by anti-government guerrillas and said she felt fine after her four-week ordeal. Her captors, the Eritrean Liberation Front, gave no reason for releasing Deborah Dortschach of Freehold, N.J. A pilot who flew Mrs. Dortschach to Asmara, the Eritrean capital, said she told him: "I'm all right. I feel fine."

MOSCOW (AP) — Security police in several Soviet cities were holding about 40 Jews, apparently part of a drive to prevent demonstrations during President Nixon's visit, Jewish sources said. The American President arrives on June 27.

LONDON (AP) — Prime Minister Harold Wilson faced a revolt from within his Labor party over a news report that Britain plans a nuclear test in the American underground test range in Nevada. Several members of the Tribune group, a leftist wing of the party, said they will challenge Defense Secretary Roy Mason to deny the report, in Saturday's Daily Express.

PHNOM PENH, Cambodia (AP) — Insurgent gunners fired three rockets into the area around the palace of President Lon Nol and opened fire on a 20-vessel convoy seven miles from Phnom Penh. It was the most damaging rebel attack in more than a year. No casualties were reported in the rocketing, but port sources said the insurgents sank a rice barge, disabled a freighter and damaged two others, killed two sailors and wounded two guards in the river attack.

VATICAN CITY (AP) — Pope Paul VI said there is a new ray of hope in the Middle East and urged a just and dignified solution to the Palestinian refugee problem. Addressing the Sacred College of Cardinals in his annual message on the State of the Church and the World, the pontiff said: "We do not wish to pass over in silence the new ray of hope for peace in the Middle East which has been kindled by the intense activity and the converging efforts of men in the high posts of responsibility — a peace so yearned for and so difficult."

DIES IN HOSPITAL LOBBY Brother Of Missing Youth Overdose Victim

Raymond Jordan, 24, brother of the youth who has been sought by law officials as missing since June 5, was rushed to Medical Center Hospital Saturday morning and dropped dead in the lobby.

VIETNAM VETERAN The Vietnam War veteran, who worked as a nurses' assistant at the Veterans Administration Hospital, was ruled dead by an apparent overdose by Justice of the Peace Walter Grice, summoned to the scene.

The family called an ambulance early Saturday with the ambulance driver notifying police. The police report said that they were told the youth took two kinds of pain killers, some aspirin and possibly some other medication.

Grice reported that bottles of medication were discovered in Jordan's pockets at Nalley-Pickle Funeral Home where services are pending, tentatively scheduled for sometime Monday at St. Thomas Catholic Church. Rosary will be held at 8:15

p.m. tonight at Rosewood Chapel.

MISSING SINCE JUNE 5 Raymond's brother, George, who is 23, has been missing since June 5 when he disappeared from the home in pajamas and robe. He was last seen near the underpass at FM 700 and IS 20.

A helicopter search and search by foot was conducted for several days for the brother, who is reported to be an epileptic.

Parents of the youths are Mr. and Mrs. Valdomero E. Jordan, 102 NE 4th. Other survivors include three sisters, Miss Bertha Chavez, Miss Sylvia Jordan and Miss Elizabeth Jordan, all of Big Spring; two brothers, including the missing George Jordan and Valdomero Jordan Jr., of Odessa; and two grandparents, Mrs. Cua Rangel, Big Spring and John Jordan of Marfa.

Raymond was born June 5, 1950 in Big Spring and was a graduate of Big Spring High School.

Oklahoma Cowgirl Blocks Texas Sweep

By MARJ CARPENTER

Five Texas cowboys and one Oklahoma cowgirl collected top money at the 41st annual Big Spring Rodeo at the conclusion of the final show Saturday night in a jam packed arena.

Bill Steiner of Austin won the bareback riding, Tooter Waite of Stephenville nabbed the calf roping championship, Shawn Davis of Lewisville led in saddle broncs, Rex Bland of Trent nailed down the steer wrestling and Butch Kirby of Greenville was bull riding champion with Delyssa Trotter of Midwest

City, Okla., keeping it from being a Texas sweep when she won the barrel riding championship.

In barebacks, David Curry of Burleson followed Steiner with a 70, Chris LeDeoux of Kaycee, Wyoming, a 69 and Jack Himes of Big Spring and Pete Carricker of Trent, 68 each to split fourth money.

CALF ROPING

Second in calf roping to the winner's 18.9 on two calves was Richard Stowers, Madill Okla., with 19.9, Roy Burk, Duncan, Okla., 20.3 and Lynn

Waldrop, San Angelo, 21.4.

In saddle broncs, Davis's 81 led followed by J. C. Bonin of Montana with a 75, David Merrill, Cleburne, 72 and Da Helger, Fort Worth, 71.

Bland scored a 4.6 the final night to win the steer wrestling on two calves with a total of 10.1 followed by Donnie Bowles, Burkhart, 10.5, Jim Middleton of Waco with a 11.6 and Eugene Smith of Talco with 13.8.

Kent Youngblood of Lamesa nabbed second in the second go-round with a 5.3 and Gerald Rogers of Crane was third with 5.3.

SISTER ACT

Behind Delyssa's \$6,000 on two rides in the barrels was Wanda Blackburn of Melrose, New Mexico, \$5,800; Lynn Schmidt, Lamesa, \$5,99 and Linda Saltemira, sister to Mrs. Blackburn, also from Melrose with a \$6,34.

Champion bull rider was Kirby with a 77 followed by Jack Himes of Big Spring with 72 and Bo Ashorn of Houston with a 70.

Barbara Fairchild, star on the final two nights of the show, got the attention of the children walking around the arena near the booths as she sang.

The clowns did some topnotch bullfighting again on the final night with Skipper Voss literally standing over the top of a cowboy who fell by the chutes to keep a bull from trampling him.

CLOWNS HURT

Both bull fighting rodeo clowns were injured by bulls here Friday night.

The purpose of the clowns being in the arena during the bull riding is to distract the bulls from the riders as they come off the bulls.

Near the end of the bull riding, Quail Dobbs, Coahoma clown known throughout the rodeo circuit, broke his nose when struck in the face by the bull as he helped a rider that had his hand hung up in the strap as he came off the bull.

Both the rider and Dobbs were knocked down. Skipper Voss, Houston rodeo clown, was injured earlier when he turned his ankle and a bull ran over the top of him.

Both still performed in the final rodeo Saturday night.

Okayed Wedding, Not Honeymoon

EVERETT, Wash. (AP) — Dale Swensen, superintendent of the state reformatory at Monroe, says he personally approved plans for an inmate's wedding in Everett but not for a honeymoon.

Swensen said Ronald Forkner, 24, serving time from Clark County for forgery and assault, was escorted to a private home Friday for his marriage to Ardith A. Botts. As the ceremony ended, Forkner and his bride slipped away in a state car belonging to the reformatory.

The superintendent said he wants Forkner and the blue sedan back.

NOT GAY'S DAY — Don Gay of Mesquite, one of the top bronc riders in rodeo, is shown taking a spill head first Friday night at the third performance of the rodeo here. The four nights of the show were deemed a big success by rodeo officials this year.

ONE OF MANY — "Together, Wherever We Go," with Angela Lansbury as Mama Rose (center), Zan Charisse as Louise, and Rex Robbins as Herbie, is just one of the many song hits of the Broadway bound company of "Gypsy," which plays a week at the Dallas Music Hall July 2-7. After being hailed as the most exciting thing to have happened in London since V-E Day, Miss Lansbury repeated her award-winning performance in Los Angeles where she broke all box-office records during a nine-week engagement.

Angela Lansbury Appears On Dallas Stage July 2-7

Angela Lansbury, who starred in the London West End production of "Gypsy" which premiered at the Piccadilly Theatre last May 29 and went on to become one of the most successful American musical comedies in London stage history, will repeat her award-winning performance in Dallas for one week, Tuesday July 2 through July 7.

This London production premiered in the United States in Los Angeles where it broke all box office records throughout its nine-week engagement. It will tour for 24 weeks and then open in New York on September 15 at the Winter Garden Theatre on Broadway.

One of the most popular musicals of all time, "Gypsy" was written by Arthur Laurents, who has also directed this production. The music is by Jule Styne and the lyrics by Stephen Sondheim. The story is the real life experience of Gypsy Rose Lee, her sister June Havoc, and their indomitable mother, Mama Rose, who literally pushes her children into vaudeville. Choreography for this production was recreated after Jerome Robbins by Robert Tuckett.

Angela Lansbury, a three-time Academy Award nominee for her performance in "Gaslight," "The Picture of Dorian Gray" and "The Manchurian Candidate," won her first Tony Award (and the New York drama critics award) for her memorable portrayal of the musical comedy, "Mame". Her distinguished performance in the musical version of "The Madwoman of Chaillot" won for her second prized Tony Award.

Producers Face ASC Deadlines

Continuing drought has focused attention upon deadlines and new crop disaster provisions of the Agricultural and Stabilization and Conservation Service.

While deadline for planting under the cotton program was June 15, producers have only until July 1 to file notice with ASCS for prevented planting. The planting deadline on grain sorghum is July 15 and July 15 is deadline for filing for the prevented planting loss application.

For crop disaster, a report must be filed on Form ASCA-574 for any cotton or feed grain not planted; cotton for feed grain come up; or cotton or feed grain that came up and then died.

James C. Barr, chairman of the county ASC committee, cautioned that under any of the crops, nothing should be disturbed prior to inspection by ASC representatives. This includes grazing before an inspection.

Producers also are reminded that July 15 (Not Aug. 1 as in former years) is the final date for certification (the sign-up for 1974).

Prior to her British stage role of Mama Rose, Miss Lansbury made her sole London stage appearance in 1972 with Dame Peggy Ashcroft in the Royal Shakespeare Company's production of Edward Albee's "All Over." She was voted the best Actress of 1973 by the London Theatre Critics Plays and Players Awards (the first time this award has been given to an actress in a musical).

Following her American "Gypsy" engagements, Miss Lansbury plans to return to England to work with Pater Hall at the National Theatre when it moves to its new site on the South Bank of the Thames in 1975.

Appearing with Miss Lansbury in the touring production of "Gypsy" will be Zan Charisse as Louise (Gypsy Rose Lee), and Rex Robbins as Herbie.

Zan Charisse is repeating her London role, which marked her English debut. Coming from an internationally famous theatrical family, she has appeared with the Pittsburgh Civic Light Opera in a long

series of musicals: "On a Clear Day You Can See Forever," "Pajama Game," "Kiss Me Kate," "My Fair Lady," "Bye, Bye, Birdie," "Song of Norway" and "Funny Girl." Other recent credits include "Look Me Up" at the Plaza 9 Music Hall, and "Gypsy" in both the American Theatre Productions and the South Shore Music Circus.

Rex Robbins joined the London Company after having played in Broadway's "The Changing Room", voted the best play of the 1972-73 season. He has toured nationally with the Carol Channing company of "Hello, Dolly" and with "Boys in the Band." He appeared on Broadway in "An Evening with Richard Nixon", "Scratch" and "One Flew Over the Cuckoo's Nest", and toured internationally in "The Play of Daniel."

Tickets for the seven performances of "Gypsy" in Dallas are available through the State Fair Box Office at Titcher's, or by mail from P. O. Box 895, Dallas, 75221. Prices are \$9 and \$6 for the lower floor, \$7, \$4 and \$2 for the balcony.

Record '73 Cotton Harvest Bigger Than Any Thought

It's bigger than anyone thought — that bumper cotton crop of 1973. Dawson County, biggest producer in the state for the second consecutive year, had 315,300 bales.

Howard, which ranked fourth in yield per acre, had its largest crop in history with 94,700 bales. Borden had the best yield per acre with 644 pounds, followed by Martin with 599, Howard with 593. In 1972 the leaders were Floyd 616, Crosby 605 and Borden 559 pounds.

Martin was another county with a record production, turning out 153,600 bales. (Figures are computed on 480 pounds net per bale).

LARGEST EVER
Official figures come from the Texas Crop and Livestock Reporting Service in Austin and show 2,888,600 bales of 480

pounds net weight produced in the 25 counties represented by Plains Cotton Growers, Inc., Lubbock-based cotton producer organization. The production came from 2,784,000 harvested acres for an average of just over 498 pounds per acre.

The total production was the highest ever for the Plains, well above the previous record of 2,443,900 bales set in 1961. The yield per acre was the second highest in history, falling behind the 513 pounds per acre made in 1965.

The joint PCG-Lubbock Cotton Exchange Estimates Committee in its final 1973 guess on Dec. 1 of last year placed production at 2,725,000 bales.

Lubbock County's total was close behind Dawson with an even 310,000 bales. In third place was Lynn County where

Policewoman Wounds Man

DALLAS (AP) — Police-woman Marian A. Hoy, 26, shot and wounded a man in a stolen car Thursday night because he didn't stop reaching for what she thought might be a gun between the seats, fellow officers said.

They reported the man, 36, suffered a slight injury from a bullet fragment. He was held without immediate charge.

Police gave these details: Officer Hoy, 26, spotted a car reported stolen earlier and radioed for reinforcement. Two police vehicles stopped the automobile on a freeway service road.

As the policewoman and her partner advanced, the halted driver turned to extend a hand between the seats. After warning him to stop, she fired.

Officer Hoy received minor cuts on her hand from glass fragments.

Although a stolen car report had stated the driver was armed, police searched and found no gun in the vehicle.

Signs Keep Popping Up Briscoe To Call Session To Aid Schools

AUSTIN, Tex. (AP) — Gov. Dolph Briscoe's aides insist he remains undecided, but signs kept popping up last week that he would call a special legislative session to help school districts meet their rapidly rising costs.

Lobbyists, sometimes the best sources of Austin political intelligence, insist that he will. Sen. A. M. Alkin, D-Paris, dean of the legislature and co-sponsor of the public school finance system that has been in effect for 25 years, said he talked with Briscoe Thursday.

NO INTENTION
"He told me he had no intention of calling a session until after the (constitutional) convention is over. What he had in mind was to get something out of the (legislative) leadership that they wouldn't try to restructure the education program but just pass something of an emergency nature," Alkin said.

Briscoe, he said, would want any special session limited to emergency relief for school districts, junior colleges, state employees and retired teachers hit hard by inflation.

There could be another subject, however, if the House Energy Crisis Committee can find a way for the legislature to force down soaring electricity rates in some cities.

IMMEDIATE BELIEF
Rep. Jon Newton, D-Beeville, committee chairman, said Briscoe told him "he would call a special session to deal with this problem if we could find a workable solution that would provide immediate relief."

The most common rumor is that Briscoe would ask a special session to appropriate \$50 million for hard-pressed school districts, \$50 million to raise the salaries of state employees, and \$40 million to boost teacher retirement benefits.

A House leader who asked not to be quoted by name said

Briscoe wanted an ironclad agreement that lawmakers would not seize on a special session to pass additional bills. "If he got that assurance, I feel certain he will call a session for those purposes," the source said.

LAREDO WOES
House Speaker Price Daniel Jr. said, however, that neither Briscoe nor any of his aides "has mentioned a special session to me or my leaders at all."

Another legislator said Briscoe was troubled by the plight of the Laredo Independent School District, which faces a \$700,000 deficit next school year.

"He wouldn't want to be the first governor who had a school district close its doors," the lawmaker said.

NO NEW TAXES
Inflation has eroded the 6.8 per cent to 10.2 per cent raises state employees received last year. Their raises at the start of the next fiscal year, Sept. 1, are only 3.4 per cent—far below today's 10-plus per cent inflation rate.

The money's there—an estimated surplus of \$315 million or more.

But Briscoe has promised no

CRMWD Net Revenues Down \$20,000 In May

Revenues were up through May for the Colorado River Municipal Water District, but so were expenses. Thus, despite an increase of \$126,000 in income, net revenues were down \$20,000.

In a good measure, however, this is due to a month's lag between revenues and expenses. For example, May 1974 was a record month for water deliveries, (two billion gallons) but revenue will not show up until the June report. But the expense of delivering more water was reflected immediately as in the case of more power costs and royalties on water from the Ward County field.

May revenues amounted to \$461,919 and for the first five months to \$1,983,688, a gain of \$126,000 over the comparable period last year. For the same period expenses were \$637,781, up \$145,000 over the first five months of 1973. Net revenue available to transfer to the net revenue fund was therefore \$20,000 less.

Water purchase expense for the first five months amounted to \$54,541, or \$32,000 more than a year ago. Electric power costs

165 Blocks To Be Paved

In between the two city paving programs, the street department will also begin their annual seal coating program which keeps up Big Spring streets which are already paved.

James Campbell, public works director, said that seal coating will begin in the next two weeks with 165 blocks to be paved.

Campbell said the first area to be seal coated this year will be in the College Park addition and the Monticello addition.

Not Guilty Of Kidnaping

ANOKA, Minn. (AP) — One of three men charged in the kidnaping of Eunice Kronholm has been found innocent by a jury here.

A jury of six men and six women deliberated for six hours before declaring James W. Johnson, 35, innocent of the kidnaping charge Friday night in Anoka County District Court. Johnson still faces a federal charge of extortion.

Mrs. Kronholm, 46, the wife of a South St. Paul banker, was abducted from her Lino Lakes home March 15. She walked away from one of her abductors March 18 after her husband, Gunnar, paid a \$200,000 ransom. The FBI says all but \$80 of the money has been recovered.

Frederick Helberg Jr. has pleaded guilty to a kidnaping charge and testified for the prosecution in Johnson's trial. Gary Hodgman, await trial on the same charge.

Johnson, a Lakeville housing contractor, admitted participating in the kidnaping of Mrs. Kronholm. However, he insisted that he had been forced to commit the act by a man known to him only as "Mike."

In final arguments, Johnson's lawyer said his client was the pawn of the underworld and was acting out of fear for his life.

Prime Lending Rates Raised

NEW YORK (AP) — First National City Bank and the Morgan Guaranty Trust Co. have raised their prime lending rates to 11 1/2 per cent the level charged by most other leading commercial banks.

The one-quarter per cent boost in the prime Friday restored the cut the two banks instituted two weeks ago, a drop not followed by other major banks.

The prime rate is the minimum borrowing fee banks charge their most credit worthy corporate customers. It can influence rates on consumer and business loans.

Citibank, the nation's second largest commercial bank, has a floating rate formula figured on a three-week average of commercial paper rates.

Morgan is the fifth largest commercial bank in the country.

Peace Festival Suit Is Scheduled Monday

DALLAS (AP) — A hearing is scheduled Monday against three present or past Hunt County officials growing out of an aborted rock music "Dallas Peace Fest" in 1971. The hearing will be before U.S. District Court Judge William M. Taylor Jr.

The suit asks for a permanent injunction against the Hunt County officials continuing their policy of prohibiting the use of private property for a music festival.

Claiming the Peace Fest was to raise funds for the Dallas Peace Committee, the suit asks damages in excess of \$50,000.

The Peace Committee says that it was not notified of the injunction hearing. It claims its petition for a stay order against the injunction, filed in federal district court in Dallas, moved the case out of the jurisdiction of district court.

THURSDAY HOURS
Blood collections at Webb will be Thursday from 9 a.m. to 4 p.m. at the John H. Lee Service Club.

Also, a community blood drive will be held here in Big Spring to benefit Mrs. Black on July 2, according to local Red Cross Director N. E. Roll. Roll noted that the blood donations from Big Spring citizens not only will show support for the Webb AFB, friends and neighbors but will increase the supply of blood available locally, particularly for donors. Under the community donor program, volunteer blood donors receive six months blood protection for themselves and members of their immediate family. Healthy persons from 17 to 66 are generally accepted as blood donors.

Doesn't Have Money To Pay For Funeral

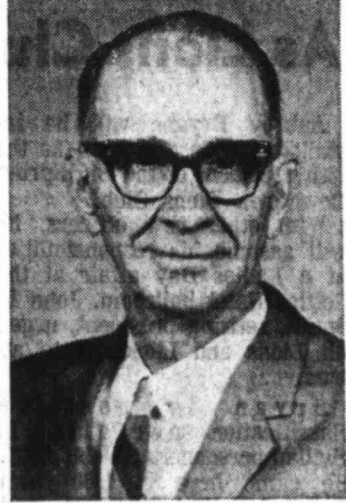

POTTSBORO, Tex. (AP) — A crippled father who tried to crawl to the aid of his dying son said he doesn't have the money to pay for a funeral for the 13-year-old boy. Authorities said the boy, Kenny Jergenson, an asthmatic, swallowed a mouthful of gasoline Wednesday as he was trying to sip from a can for use in a lawnmower. The father, John Jergenson, 41, was nearby. Even though on crutches from his third operation at a Veterans Administration hospital, he tried to grab his son, but fell down. "I turned around and I guess then he panicked. He was choking and started to run. I tried to grab him but fell," the father said. Jergenson crawled after his running son who vaulted into their house. Once inside, the boy attempted to drink some water. He couldn't swallow and began to gag. Kenny's three small sisters watched his gagging. His mother, an emphysema victim, was asleep in another room. Kenny was dead on arrival at Denison Memorial Hospital. Doctors said he might have lived if he had not been an asthma victim because his lungs might have cleared. His asthmatic condition forced his unemployed father to move through New Mexico, Oklahoma, and Texas in a search of climatic conditions where his son could lead a normal life.

Revised Constitution Must Get Voters' OK

Delegates to the Constitutional Convention are now nearing the end of their work. Texans voted to send their senators and state representatives to Austin to rewrite the present constitution but said for them to finish the job by July 31. The delegates have been working since January, and are now looking at the finished product, making some changes, and getting ready to accept or reject it. They must approve it, by a two-thirds majority, before they will present it to the voters. Only if the voters approve it at elections in November, will the revised constitution take the place of the old constitution written in 1876. Judging from the work so far, the new constitution will contain 11 articles instead of the original 17, be organized into more logical subject areas, be about one-third as long as the present constitution and will be written in clear, plain English which should be more easily understood. NOT CHANGED Not one word of the Bill of Rights has been changed. Freedom of religion, speech, press and the right to due process of law are still in the same words proposed by the writers of the 1876 constitution. Not changed either are the pay-as-you-go provisions for good government, requirements that the people approve any debt at a referendum, and provisions that guarantee that tax funds will be used only for public purposes. The 5-cent gasoline tax will still be dedicated to schools and highway development and maintenance, with a vote of the people on a separate proposal on using three-fourths of any additional tax above the present 5-cent gas tax for general state expenditures and the other one-fourth to continue for use of schools. In addition, new provisions have been added to improve the fairness of ad valorem taxes which allows for passage of legislation for farm and ranch land to be taxed on the basis of productivity.

Newman Speaks Tuesday To Rotarians, Wives

Ladies Night will be observed at the Big Spring Country Club Tuesday by the Rotary Club, with a reception scheduled for 7 o'clock and a dinner at 8:00. Chief speaker of the evening will be Dr. Guy D. Newman, a native Texan, who is in his 18th year with Howard Payne College in Brownwood. After having served as the school president for 17 years, Dr. Newman became the first chancellor the school ever had. Dr. Newman holds three earned degrees: The Bachelor of Science from Baylor University, the Master of Theology and the Doctor of Historical Theology Degree from Southwestern Baptist Theological Seminary. Dr. Newman has traveled in Western Europe, the British Isles, Eastern Europe, behind the Iron Curtain, Middle East, Japan, and Southeast Asia. Recently, Dr. Newman completed a 56-day world tour that took him to Europe, the Middle East and the Far East. It was the second such tour Dr. Newman has taken while president of Howard Payne College. Founder of Howard Payne College's Douglas MacArthur Academy of Freedom, Dr. Newman met with the late General in 1962 in New York, at which time the General consented for his name to be used in the formulation of the new honors program. Some two years before his meeting with Gen. MacArthur, Dr. Newman accepted an award made by the Freedoms Foundation at Valley Forge to Howard Payne College for its Democracy-in-Action program. Active in civic affairs, Dr. Newman belongs to the Rotary Club, is a 32nd degree Mason, is a member of the Board of Directors of the Texas United Fund, the Board of Directors of the Brownwood United Fund, and has served on the Executive Board of Comanche Trail Council, Boy Scouts of America. He has delivered addresses nationwide and has also made several television appearances, including NBC's Today Show. He has served on the Texas Youth Council, and in 1959 was appointed to the 10-member National Committee for the White House Conference on Children and Youth. He was appointed by Gov. Price Daniel to head the Texas Delegation to attend the White House Conference in Washington, D.C. His literary contributions are numerous. Born in Dorchester in 1907, Dr. Newman, an avid sports fan

FUNDS PRESERVED Actions have been taken to preserve the permanent school and university funds, the elective state board of education, and the teacher retirement system. The convention has also included a provision which provides for equal educational opportunity to all school children and established a new fund to support public colleges and universities that do not share in the earnings of the permanent university fund. These latter provisions could be the most expensive additions to the proposed new constitution.

Jacobsen Set To Put Heat On Connally

WASHINGTON (AP) — Texas lawyer Jake Jacobsen has agreed tentatively to plead guilty to a reduced charge of bribery in connection with \$10,000 he says he offered to former Treasury Secretary John B. Connally, according to informed sources. Jacobsen, who once swore that Connally refused the money, is offering to testify that Connally actually took it in two installments for help he gave Jacobsen's client, Associated Milk Producers Inc., the sources said. Connally consistently has denied taking the money. In return for a guilty plea and Jacobsen's promise of co-operation, the Watergate special prosecution force has agreed to drop its perjury case against him and to arrange for the Justice Department to drop an unrelated indictment in a Texas savings-and-loan case. All told, Jacobsen could receive maximum punishment of up to 40 years and \$80,000 in fines if convicted on all counts in the Watergate and Texas cases. Sources said the Watergate prosecutors offered to allow him to plead guilty instead to the least serious felony charge of bribery, which carried a maximum penalty of two years in jail and a \$10,000 fine. Jacobsen had sought to have all charges reduced to misdemeanors because conviction of a felony almost certainly would lead to loss of his right to practice law, the sources said. However, the prosecutors insisted on stiffer terms, and Jacobsen's lawyer, Charles A. McNeil, agreed to the bribe charge more than two weeks ago, the sources said. Jacobsen wants to resolve the charges against him because his wife is in poor health and needs constant attention, a source said. Jacobsen, McNeil and spokesmen for the Justice Department and the Watergate prosecutors all declined comment. Connally could not be reached but his lawyer, Edward Bennett Williams, said he had heard rumors of an impending deal.

PROTECTED WILDLIFE — "Squirt," a one year old antelope donated to the Big Spring State Park by a Parks and Wildlife employee, plays with Park Superintendent Dennis Wynne. The antelope is only one of many protected animals and plants at the park. In the background is the Park Headquarters building, which houses a museum-like interpretive exhibit.

TO BIG SPRING STATE PARK Hikers, Sight-Seers, Picnickers Attracted

By TROY BRYANT Big Spring State Park, almost 40 years old, played host to around 60,000 visitors for the fiscal 1972-73 year, even though the controversial fee of 50 cents per car load continued in effect. Some citizens have complained about the entrance fee, pointing out that the city park charges no fee for entrance, but State Park Superintendent Dennis Wynne said that the entrance fee served two purposes in the parks system, including keeping undesirable out and also providing revenues for the construction of new state parks. The annual State Park yearly permits, are undergoing revision beginning in September along with state fishing permits. The \$5 restricted annual permit and the \$12 statewide annual permit, purchased after Sept. 1, will be good for one year after the date of issue instead of the present system of all permits, expiring on Aug. 31. With the purchase of the \$5 permit, unlimited entrance is permitted to any one state park while for the \$12 permit, unlimited entrance is permitted to any state park in Texas. Big Spring State Park is a day-use-only park with facilities for picnics and a scenic drive, but most importantly, the park serves as a wildlife preserve where rock formations, plants, animals and the scenery is protected from man for his enjoyment. A special interpretive center exhibit is located in the headquarters building at the state park, providing exhibits of arrowheads, rocks and wildlife. Additional attractions for visitors include a pavilion for group and family picnics, a prairie dog town and a playground for youngsters. A large area of Howard County, including all of Big Spring, is visible from the scenic drive at the State Park. Wildlife found at the state park include fox, turkey, opossum, blue quail, bob white, ring neck turtle doves, several rare plants, migratory birds in addition to the usual animal life found in this area, and one antelope. Several people find the park pleasant for strolls or walks on the roads and through the wilderness, especially in the early morning and in the late evening when the weather is cool. Big Spring State Park does have a master plan of future development, prepared by the Texas Department of Parks and Wildlife. The plans, to include the construction of a mile long nature trail in the near future, are constantly reviewed by the Park Commission.

Billions Of Razor Blades Purchased

MORRIS PLAINS, N.J. (AP) — If all the razor blades sold in the United States last year could be stacked in a pile, they would just about equal the height of Mount McKinley, at 20,320 feet North America's highest peak. According to researchers at the Schick Safety Razor Co. here, approximately 1.9 billion blades were sold in the U.S. last year. They averaged five one-thousandths of an inch in thickness each, and on top of one another would make a stack more than 20,000 feet high.

Con Gang Cutting Big Spring Capers

Pigeon droppers apparently dropped all over West Texas Friday.

For some reason, they were apparently concentrating on Big Spring, although their big intentions netted them only around \$38.

William Shelly and Phil Perkins were arrested by the Colorado City sheriff's office on a warrant out of both Big Spring and Midland.

The two were jailed here on misdemeanor theft and will be turned over to Midland. These two and a third man, now in the Midland jail were in Big

Spring earlier and had made contact with their victim, an elderly man on the post office parking lot.

One approached the victim and asked him to help him find an address to return some money. The other apparently came up and entered into the conversation and claimed his father was a Realtor and he could find out the address. They ended up taking the victim with them in their car.

All three men later went to a local address and got into a game of chance. The victim supposedly won \$22,000 but the others had no cash. They then said they could match any cash he could produce. He went to the bank to draw out \$5,000 but changed his mind. The victim only lost a total of \$38 in the "game."

In the meantime, one black woman and one white woman approached a local woman on the Safeway parking lot and began a conversation similar to one in which a local woman lost a valuable ring last year. This woman also became suspicious and called the police. These two women were questioned and released.

Police thought the two groups might have been together in Big Spring. They apparently stopped next in Midland, according to detective Avery Falkner.

Local citizens were commended for their alertness and asked to notify police when suspicious of this type operation.

Rose Ann Slated To Graduate With Her Classmates

ALBANY, N.Y. (AP) — Rose Ann O'Brien will graduate tonight with her high school classmates after all.

State Education Commissioner Ewald B. Nyquist ruled Friday that Sachem High School on Long Island could not withhold her diploma merely because she was short one-quarter of a credit in physical education.

Rose Ann, 17, who lives in Farmingville, was excused from physical education classes after a 1972 back operation. School officials said she could make up the credits with other courses.

But they said that while she was enrolled in enough academic courses this year to fulfill graduation requirements, she failed to attend classes in two courses.

Nyquist said the girl met the school's requirements for credits in academic subjects and her only deficiency was in physical education.

Bryans To Be Installed As Lions Club President

Aubrey Bryans will be installed Wednesday noon as the 48th president of the Big Spring Downtown Lions Club.

With other new officers, he will assume his responsibilities at a Ladies Day affair at the Settles Hotel ballroom. John F. Smith, retiring president, urged all Lions and Lionesses to attend.

Bryans is position classification specialist in civilian personnel at Webb AFB. He came here in 1960 from Wichita Falls where he had been with the FFA. He and his wife, Johnnie, reside at 2508 E. 24th.

Bryans has held every office in the club, except secretary-treasurer, and has directed many of its major projects including the traditional light bulb sale. As chairman of the crippled childrens committee, he enlisted support that saw 13 youngsters go to the Lions Camp for Crippled children.

Others due to take office are Joe Horton, first vice president, Dr. Wayne Bonner, second vice president; Ted Hicks, third vice president; Earnest Boyd, secretary-treasurer; Gary

Oilman, Wife Found Shot To Death In Wichita Falls

WICHITA FALLS, Tex. (AP) — An autopsy is not expected until Monday in the deaths of Mr. and Mrs. Bobby Burns, found shot to death in their high-security home Friday.

Burns, 53, an oilman, was believed one of the wealthiest men in the Southwest, although this was difficult to determine because of his extreme secrecy about his business and private life.

SHOT IN HEAD
Burns was found shot twice in the head and once in the arm as he lay pajama-clad in the master bedroom.

His wife, 50, was lying in a second bed, a pistol wound in the stomach.

They were found by servants and were believed to have been dead about 12 hours.

Police clamped unusual security on the investigation, even warning ambulance and morgue attendants not to talk.

Police said only that they found a pistol near the twin beds.

The house is almost burglar proof, set on a six-acre estate surrounded by a high wall and patrolled by sentry dogs.

ALARM SYSTEM
An alarm system signals occupants of the house and a private security agency anytime the house is touched from the outside, police said.

Funeral services will be held at 11 a.m. Monday at the First

Presbyterian Church with burial in Wichita Falls.

Survivors are a daughter, Mrs. Becky Phillips of Dallas, and three sons, Bobby, Brad and Bill, all also of Dallas. Mrs. Burns additionally is survived by a sister, Mrs. Marylyn Ruffe of Torrance, Calif.

Mayor Escapes Chopper Mishap

NEW YORK (AP) — Mayor Abraham D. Beame and two of his aides escaped injury in an emergency landing of a pontoon-equipped police helicopter in New York harbor off Brooklyn.

The chopper came down amid severe afternoon showers

Friday after the pilot noticed it was losing power and "elected to make a precautionary landing." Beame, Deputy Mayor Judah Gribetz and a mayoral bodyguard, Detective George Tebeau, were flying from the Wall Street heliport to Kennedy Airport.

The 68-year-old mayor, who reportedly has an aversion to helicopters, finally made it to the airport in a public car.

Power Plant Opposition

JAY, Okla. (AP)—A proposed coal-fired power plant just two miles across the Oklahoma border at Gentry, Ark., will draw opposition from the Oklahoma Department of Pollution Control.

Richard M. Gunn, environmental quality coordinator for the department, said his agency "has found lots of drawbacks" to the proposed site.

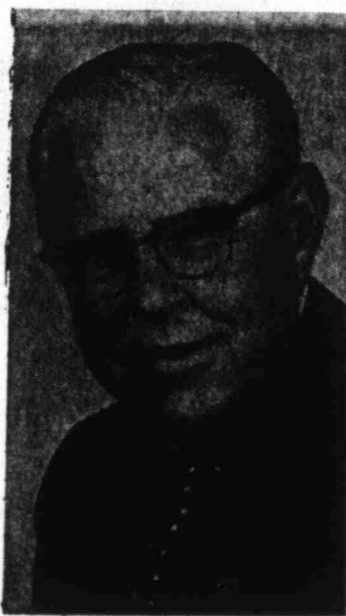

Southwestern Electric Power Co. wants to build the \$100 million, 500 megawatt generating plant on Little Flint Creek, which feeds the Illinois River in northeastern Oklahoma.

The environmental impact statement for the plant has already been found deficient on 82 points, Gunn said.

Gunn said Oklahoma officials will submit their objections to the Arkansas agency "early next month."

FREITAS, BARNES & MORTON SHINE

West Wins All-America, 36-6

LUBBOCK, Tex. (AP) — Jesse Freitas' deadly passing, Joe Barnes' electrifying scrambling and Dickey Morton's clutch touchdown dashes ignited the West to a 36-6 victory over the East Saturday night in the 14th Annual Coaches All-America football game.

Freitas of San Diego State, the nation's leading passer in 1973, rifled touchdown passes of 12 and five yards to Southern California Lynn Swann. Freitas guided the West on another drive climaxed by Arkansas' Morton, who slashed four yards for a touchdown. Barnes of Texas Tech, who

shared the quarterbacking duties with Freitas on Oklahoma coach Barry Switzer's West squad, dazzled the home-town crowd of 42,368 with a zig-zag 26-yard touchdown run in the third quarter. Barnes left tacklers strewn all over the field on his jaunt which gave the West a 22-6 lead to put the game out of reach.

Freitas completed passes of 17 and 25 yards to Oklahoma State's Reuben Gant to set up a two-yard scoring run by the swift Morton.

The East of Pittsburgh coach Johnny Majors made only one serious threat to make a con-

test of the nationally televised game.

The West built a nine-zero first quarter lead on the first Swann-Freitas connection and a 48-yard field goal by Berl Simmons of Texas Christian.

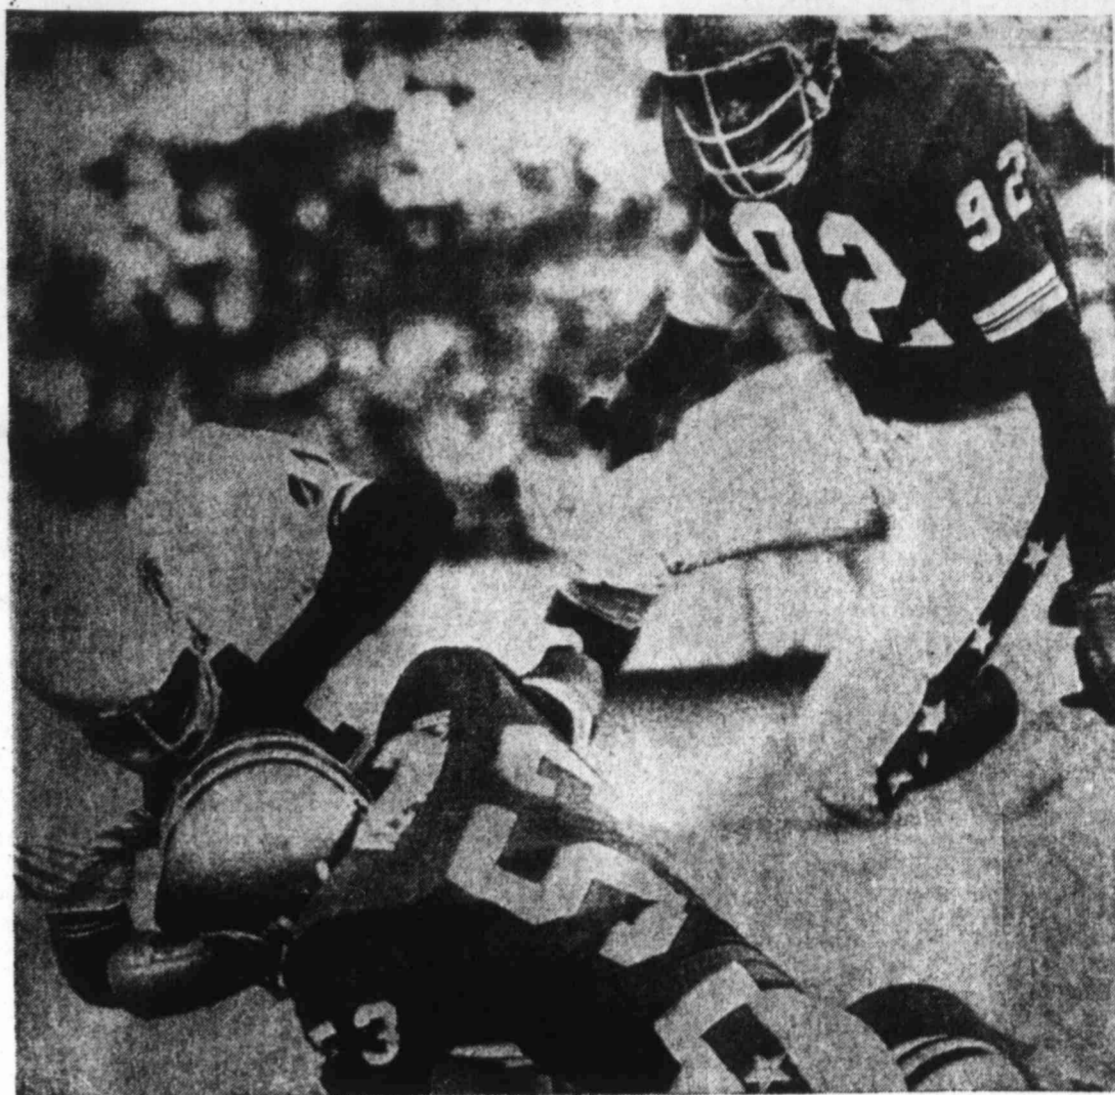

The East stormed back in the second quarter to make it nine-six on a 47-yard pass-and-run touchdown shot from Mississippi quarterback Norris Weese to tight end Paul Seal of Michigan.

Morton's four yard touchdown gallop gave the West a 16-6 halftime lead. The victory in 93-degree heat handed the West an 8-6 lead in the series.

It was the most lop-sided margin in the All-star game history.

With a 29-6 lead in the fourth quarter, the West refused to stay on the ground. Freitas, a sixth round draft choice of the San Diego Chargers of the National Football League, found the slippery Swann open again for their second touchdown pass completion.

Freitas completed nine of 18 passes for 136 yards, far below his average in college his senior year in which he had a 65 per cent completion rate. He was voted the outstanding player of the game.

ON HIS TRACKS — Billy Howard (92) of the East flies through the air in hot pursuit of West running back Dexter Bussey Saturday in the Coaches All-America Football Game in Lubbock. Steve Taylor of the East already has a piece of the runner. The West won, 36-6.

Chelette Leads North

HOUSTON (AP) — Mark Chelette of Odessa Permian knocked in two runs Saturday to lead the North to a 3-2 victory over the South in the first annual Texas schoolboy all-star game.

Chelette's two-run single came in the fourth inning with the North leading 1-0 and the North pitchers made the three runs stand up despite a late South threat.

Gerry Standridge of Carrollton Turner led the North fourth with a walk from pitcher Donald Kainer of Houston Milby. After Standridge stole second, Robert Merrifield of Dallas Kimball got an infield hit and went to second and Standridge went to third when South first baseman Charles Migl of San Antonio Harlandale made a bad throw to first. Two outs later, Chelette delivered his two-run single.

The South picked up its two runs in the sixth. Martin Zolkooski of Poth singled and Jerry Johnson of Austin McCallum walked off North pitcher Phillip Dodson of Community. Steven Harris of Waco Connally replaced Dodson and was greeted by Migl's run-scoring single to right.

Wohlhuter Wins 800

LOS ANGELES (AP) — Flying off the curve, Rick Wohlhuter raced to the second fastest, 800-meter time in history Saturday with a clocking of 1:43.9—only two-tenths of a second off the world record as he crushed a fine field in the 86th National Amateur Athletic Union Track and Field Championships.

The slender 5-foot-9 Wohlhuter took the lead at the beginning of the second lap, pulled into a three-meter lead going into the final turn and was timed in 52.8 seconds for his second 400 meters.

Wohlhuter, formerly of Notre Dame, had a 10-meter edge over New Zealand's John Walker at the tape.

Only world record-holder Marcello Fiasconaro of Italy has run faster but John Kipkurugat of Kenya has also run 1:43.9.

Wohlhuter, defending his national title, wiped out the old AAU record by 1.6 seconds and also set an American mark, bettering the 1:44.3 set by Dave Wottle in 1972.

Smith, Evert Take 'Player'

NOTTINGHAM, England (AP) — Big Stan Smith of the United States, fighting his way back to form, beat Soviet ace Alex Metreveli 6-3, 1-6, 6-3 Saturday and won the \$100,000 John Player Tennis Tournament.

'LOSER' WINS OVER ASTROS

HOUSTON (AP) — Randy Jones, the major leagues' longest pitcher, scattered seven hits in eight innings and Willie McCovey hit a home run, leading the San Diego Padres to a 6-2 victory over the Houston Astros Saturday night.

Jones, 4-11, blanked the Astros until the seventh when Cesar Cedeno doubled and Bob Watson hit his sixth home run of the season.

the match in registering a morale-boosting victory just in time for Wimbledon, which begins its two-week run Monday.

"I may not have looked too good out there," conceded Smith, the 1972 Wimbledon champion, "but I put it down to feeling a bit tired and Metreveli is always a hard player to beat."

Chris Evert of Fort Lauderdale, Fla., beat Britain's Virginia Wade 7-5, 6-4 in the final of the \$25,000 John Player women's tennis tournament.

Miss Evert, seeded second at Wimbledon, made a solid week-long preparation in the modest tournament with some smooth victories.

Against Miss Wade, Britain's top player, Miss Evert won seven games in a row to come back from 2-5 down in the first set and lead 3-0 in the second.

Then a grim-faced Miss Wade tied it at 4-4 before Miss Evert broke serve again to clinch the match.

In racing to a 5-0 lead in the first set, Smith appeared at the top of his game. But the tall American, who has been below his peak recently, suddenly began struggling.

He held on grimly to take the first set after four set points, but that signaled Metreveli's recovery and he took the second set, with Smith looking worried as he served nine double faults.

As quickly as he lost his touch, Smith found it again. He punched home his service with renewed accuracy and power, and with a couple of good passing shots, the American was in control after breaking Metreveli for 2-0 in the decisive third set.

Smith, the No. 4 seed at Wimbledon, confessed he had not really wanted to play in the John Player event but was pressed into service by the Association of Tennis Professionals.

Most of the leading men stars took part in the John Player tournament.

EVERT, BORG TAKE SPOTLIGHT

'Youngsters' Eye Wimbledon

WIMBLEDON, England (AP) — Two exciting teen-agers, American Chris Evert and Swedish Bjorn Borg, bring a breath of youth into the ivy-clad walls of Wimbledon this week. "Little Chrissie," a big girl now at 19, and Borg, the 18-year-old blond bombshell, have set the tennis world talking by winning the singles titles at Rome and Paris.

Miss Evert is seeded No. 2 in the women's singles behind defending champion Billie Jean King. Borg, who faces an incredibly difficult task, is placed in the No. 5 spot among the men.

The old guard is at Wimbledon in full strength, aiming to keep out those precocious youngsters.

Top-seeded among the men is John Newcombe of Australia. Newcombe won the title in 1967, 1970 and 1971 but was prevented from

competing the next two years because of disputes between controlling groups and a players' boycott.

Also in the lineup, are Stan Smith, the 1972 victor and seeded fourth this time, and Jan Kodes, the mercurial Czech, who won last year. He's seeded sixth.

Jimmy Connors, who shares the No. 1 ranking with Smith in the United States is seeded third, but some observers rate the 22-year-old lefty as the man to beat.

Then there is the effervescent Ilie Nastase who defended the French and Italian titles this year and lost both to Borg. The talkative Romanian is aching for revenge at Wimbledon.

Borg has won 18 straight matches since Newcombe beat him in the World Championship Tennis finals in Dallas.

But the streak came to a crunching

halt one week before Wimbledon when the young Swede was shot out of the first round of the John Player Tournament at Nottingham by self-exiled Czech Milan Holccek.

Miss Evert, a losing finalist in 1973, has Ms. King as her most serious competition — unless third-seeded Australian Evonne Goolagong, 22, is back to the form that won her the crown in 1971.

This is the way British bookmakers rate the players:

Newcombe is a 5-2 favorite to take the men's prize. Smith and Nastase are rated 4-1, with Borg 6-1 and Connors 8-1.

Ms. King is the 11-8 favorite in women's singles. Miss Evert is 5-2, Miss Goolagong 4-2, with Briton Virginia Wade next best at 12-1 and American Rosie Casals 14-1.

World Cup Play In Second Round

Brazil, reigning world soccer champions, edged unseamly into the second round of the World Cup Saturday but East Europe stole the glory.

East Germany, West Germany, Yugoslavia and Poland are also through to the second stage. The remaining three places will be decided Sunday.

The Brazilians, after two games without scoring a goal, labored to overcome inexperienced Zaire 3-0 at Gelsenkirchen.

Yugoslavia and Scotland tied 1-1 at Frankfurt and finished even on points with Brazil in Group 2. Yugoslavia, with a 10-1 goals aggregate, and Brazil, 3-1, advanced while Scotland, 3-0, was eliminated by one goal.

In an emotional affair at Hamburg, East Germany upset the favorites, West Germany, 1-0 in the first-ever soccer game between the two countries.

The two Germanys were both sure of advancing before the historic game began. Chile, the only other team with a chance in Group 1, was held to a 0-0 draw by unrated Australia on a rain ruined field at Berlin earlier in the day.

East Germany topped the group with five points. West Germany had four, Chile two and Australia one.

Freshman Wins NCAA Golf Meet

SANTEE, Calif. (AP) — Wake Forest freshman Curtis Strange eagled the final hole with a seven-foot putt Saturday for a one-stroke victory in the 77th annual National Collegiate Athletic Association Golf Championship.

The eagle gave Strange an even-par 72 and a four-day total of 282, six under par, and enabled him to slip past two University of Florida golfers, Phil Hancock and Gary Koch, each of whom finished a shot behind.

Strange hit a one-iron second shot to the 540-yard, par five 18th to set up his winning putt which curled all the way around the cup before dropping.

The eagle also gave Wake Forest a two-shot victory over Florida for the team championship, 1,158-1,160. Houston was third at 1,176 and the University of Southern California had 1,177.

Big Spring To Fete R. J. Englert Tonight

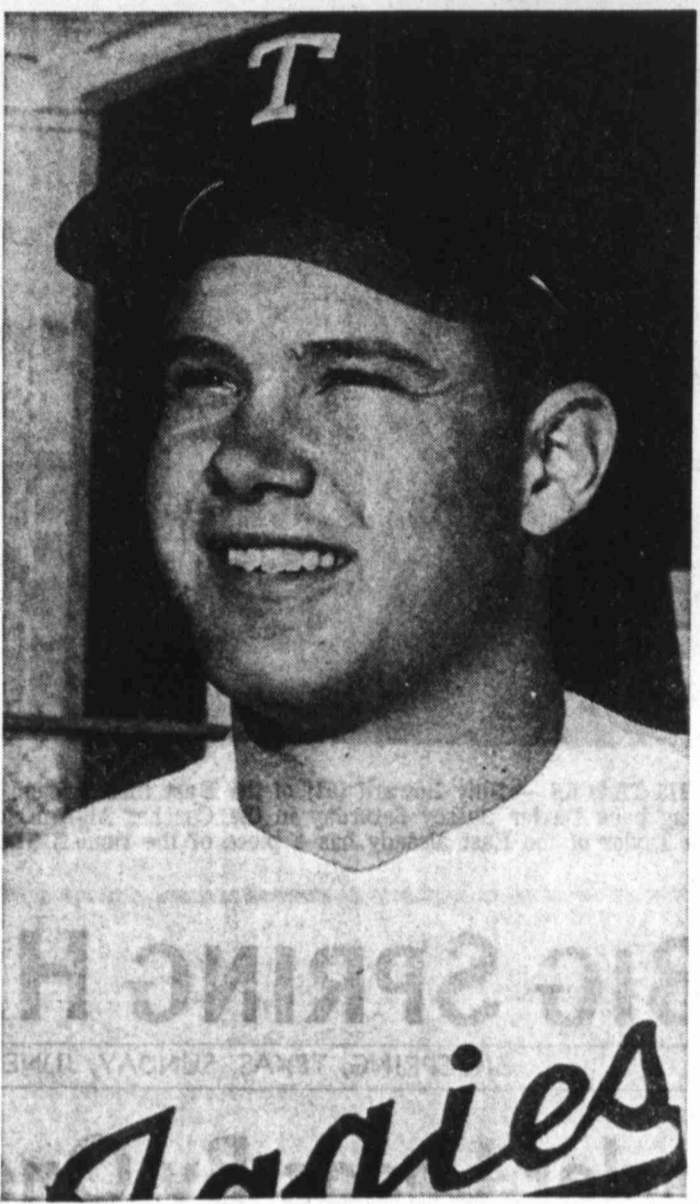

MIDLAND — R. J. Englert, center fielder for the Amarillo Giants, will play before his largest group of Big Spring fans since he graduated from high school six years ago tonight when local baseball fans visit Midland's Cub Stadium.

Big Spring Night and R. J. Englert Appreciation Night have been proclaimed for this game, and Englert and his Giant teammates tangle with the Midland Cubs in Texas League action. The game itself will feature two teams battling to stay out of the TI East cellar, as both trail league-leading San Antonio by eight games.

Activities start at 7 p.m., with the game set for 7:45 p.m. Englert will be honored first, with several local merchants donating gifts for the occasion and a special section for Big Spring fans set aside to view the ceremonies. Mayor Pro Tem Eddie Aciri, who is scheduled to throw out the first ball, will head up the local delegation.

Big Spring Mayor Wade Choate, in a special proclamation this week, said "Whereas R. J. Englert of Big Spring has demonstrated his physical agility during his baseball and football career at Big Spring High School, which was exemplified when he was selected All-Southwest Conference in baseball while attending Texas A&M University, and again proven when selected by the Amarillo Giants to play baseball in the Texas League,

"I, therefore, as Mayor of Big Spring, proclaim June 23, 1974 as Big Spring Night and R. J. Englert Appreciation Night at the Midland Cub Baseball Park and encourage all citizens of the City to attend the event and show their gratitude for the fine example R. J. Englert has set for our youths."

AMARILLO'S R. J. ENGLERT Due Honors Tonight In Midland

Englert was a three-time All SWC honoree as an outfielder, and was a second team NCAA All-American his senior year. His senior season, in 1972, was his best as he hit .420 in 38 games. In his sophomore and junior season he batted .400 and .367.

Englert hit .305 with Decatur, Ga. of the Midwest League in his first professional season, and last year he was third in hitting in the Class A California League with a .307 mark.

The Big Spring ace got off to a slow start with the Giants this season, but has raised his average 20 points to .265 in recent weeks.

Admission to tonight's game is \$1.25 for adults and 50 cents for children. All youngsters in youth baseball uniforms from Big Spring and Coahoma will be admitted free. Cub Stadium is located at Hogan Park in Midland on Wadley Avenue near Lamesa Road.

MISS SOFTBALL Rustlers Nab Fifth Victory

The Big Spring Rustlers claimed their fifth victory without a defeat here Friday, whipping Odessa East 8-1 in Senior League Miss Softball America play. Sherry Griffin hurried the Rustler victory.

In a Major League game Saturday morning the Blue Angels bombed the Good Housekeeping Sweepers 37-5, and in Friday action the Reader & Associates Cardinals trimmed the W. Lee Oil Co. Streakers 21-13 and the Carriers routed the Gibson Gals 31-5. Brenda Gilbert outdueled Tammy Webb in the Cards-Streakers duel, while Tina Moncus was the winner for the Carriers over Vickie Johnson.

The First Federal Belles smacked the State National Bank Greenbacks 36-11 Saturday in a Minor League make-up affair, as Laura Moore drilled two home runs and Jill Thomason and Karen Bell each had one. Moore was the winning pitcher, while Lorie Moreland took the loss for the Greenbacks.

In Friday Minor League play, the Belles downed the Forsan Oil Well Misfits 10-5, the Elks outslugged the Price Pavers Academies 38-20, the Pioneer Natural Gas Pioneers thumped the Greenbacks 18-9, and the AAA Rental Roadrunners won by forfeit over the Garden City Kitty Kats.

Thomason had a three-run homer in the Belles' triumph over the Misfits, as Dawn Berry got the mound win over Sonia Freeland. Cynthia Washington pitched the Elks' victory, while Tammie Tonn was on the losing end for the Academies, and Kim Hanson outdueled Denise Bradley in the Pioneers-Greenbacks match.

In the Mini-Minors Friday, Monette Wise hurled the Optimists to a 14-8 decision over the Rotary Club Rooters. Laurie Baum took the loss.

Culpepper Quits

COLLEGE STATION, TEX. (AP) — Jim Culpepper, Texas A&M assistant basketball coach for 10 years, has resigned to become recreation director for Waco's Texas State Technical Institute, an A&M spokesman said Saturday.

Muny Slates Partnership

The Big Spring Muny Partnership, cancelled last year in favor of an invitational meet, gets a new start this weekend at the rearranged Municipal Golf Course.

The two-division meet, for Scratch and Handicap Flight golfers, gets under way Saturday and will end on Sunday with close to \$2,000 prizes awaiting the top seven finishers in each flight. Tee times have not been set yet by the Big Spring Golf Association, sponsor for the meet.

Entry deadline is 4 p.m. Friday, and cost for signing up is \$30 per team. Tourney director Royce Cox said this would be the first major event in which the new course changes will be in effect. Changes in four holes turned the course from a par 73 layout into a par 71.

The major change was making No. 1, which plays from 200-230 yards, a par three instead of par four. No. 13 was also changed from a par four to a par three, but the distance has been cut to 165 yards. Holes 15 and 16, both par fives, have been lengthened by about 100 yards total.

Cox also said the fairways have been shortened and narrowed in order to cut down on watering.

ABA Grows. Still Hopes For Merger

LOUISVILLE (AP) — Holding out the hope that merger is not a dead issue for 1974, the American Basketball Association trustees ended their annual meeting by announcing the league will have 10 teams in the coming season and expand in the near future.

Commissioner Mike Storen said in a press conference just before midnight Friday that no communication had been received from the National Basketball Association concerning merger except a telephone call to ABA general counsel Bob Neft.

He said the call indicated NBA owners were having a

problem with the proposal of the older league's players association.

"The industry of professional basketball needs and should have a merger," Storen said. "At the point in time that the ownership group of the National Basketball Association is able to address themselves to the problems that exist in professional basketball a merger will come about."

Instead of working with a compact eight-team circuit Storen had been considering, the ABA owners decided to prop up the Memphis and Carolina franchises. Storen said the owners were unanimous that merger now must include all 10 teams.

"We had every reason to expect we'd be moving forward in a combined league" for the coming season, Storen said.

A group of Memphis investors is considering the possibility of operating the Tams in Memphis, Storen said, and "in all probability they will purchase the Tams."

He also said "a very responsible group has given the league a \$500,000 deposit on the franchise for Carolina," and intends to move the Cougars to one of three cities which he did not name.

He said Ted Munchak would be allowed to continue as a major or minor stockholder in the Cougars.

The trustees approved the sale of the Virginia Squires to Virginia interests headed by Norfolk city manager Bob House and businessman John Bernhart, Storen said.

And the ownership of the San Diego Conquistadors has signed a multi-year contract to play in the 14,500-seat San Diego Sports Arena, he said.

The ABA will expand and add franchises in Los Angeles and St. Louis for the 1975-76 season, he said, and also will place a team in Cincinnati "one year from now" if the Kentucky Colonels are not playing some of their games there.

Tiny's Gay Gets Big Test In Kansas Futurity Today

RUIDOSO DOWNS, N.M. — Tiny's Gay, being heralded as a superhorse on the two-year-old horizon, gets a chance to live up to this heady billing in today's 24th running of the Kansas Quarter Horse Futurity at Ruidoso Downs.

The first leg of the Triple Crown of quarter horse racing packs a giant purse of \$358,705. First place will yield a cool \$117,783. Kansas Governor Robert Docking will make the victory presentation.

A huge audience will be eyeing the 350-yard thriller, thanks to a one-hour telecast which goes out to some 50 stations in 13 states. Two TV outlets in the West Indies will also pick up the show.

In deference to the telecast, the 12-race program in the cool pines will start unfolding at the early starting time of 1 p.m.

Tiny's Gay has been unbeatable so far and will go into today's cliff-hanger with seven straight wins. He's already

earned \$83,848. Most of the cash came with wins in the Turnblew Downs in Washington, and the Bay Meadows Futurity. All of which is contributing to the year's best rags-to-riches story. Tiny's Gay was acquired in a yearling sale last year for a minuscule price of \$3,000. His owner is John Colville of Paramount, Calif. Colville is a newcomer to the racing game.

Trainer Larry Sharp, the man who developed Tiny's Gay, is pretty pleased about the way his super-star has primed for the Kansas showdown. "He looked ready before those two other Futurity wins," Sharp said. "But he's even better right now. In fact, right now, he's the sharpest he's ever been."

Tiny's Gay was supplemented to the Kansas Futurity at a cost of \$5,300.

The way Sharp sees it, Tiny's Gay is up against the first acid test of his career. "But we were sure pretty pleased about the way he won

those trial races for the Kansas Futurity."

The colt, in his first trial round, zipped over 350 yards in 17.57 seconds and set the day's top time. In the second round, he cruised under the wire with a 14 1/4-length lead in the top clocking of 17.54 seconds — the swiftest of the 10 finalists.

John Ward, the colt's regular pilot, will be back at the helm.

Here's the rest of the lineup, in order of qualifying times: I Can Go, 17.77; Get Swinging, 17.80; Panaman Sister, 17.83; Bo Rax, 17.92; Really Rapid, 17.97; Heza Charge, 18.01; Passum Choice, 18.03; Streaky Jane 3, 18.03; Rebel Rainbow, 18.05.

I Can Go, owned by Ethel and Charles Bird of Midland, looks like the logical choice for runner-up favorite. The colt, who's earned nearly \$24,000 so far, finished second to Tiny's Gay in a second trial round.

The son of Go Man Go holds a 2-4-0 mark out of six tries.

For What It's Worth

Jack Cowan

It was just about 17 months ago that I wrote "Sports writers, like colds, come and go. I'm one that's come, not that it makes any difference. . . . From now until the time I don't measure up to this newspaper's standards, or vice versa, I will be your emissary to the sports-type happenings in and around Big Spring. You can already feel the tension mounting, huh."

That was my first column, my first week on the job and your first real look at me. I'll admit, it wasn't too impressive an opening. But if you think that was bad, wait until you see my exit.

Yes, that's right — your not-so-beloved sports editor is getting ready to depart this place for pastures that are definitely green in Austin. To fly the coop, as it were.

I don't have to tell you it's nothing personal. I hope. A Chance For Advancement and an Opportunity For Success and all that, you know.

Honestly, covering sports here the past year and a half has really been enjoyable. Happy times. Watching the Howard College Hawks in basketball made me realize I was seeing some of the greatest players in the state, and even the Steers, though they won only one football game, were exciting — almost too exciting.

Herald photographer Danny Valdes told me to say thank you to everybody — the list was about as long as Castro's arm — and to be very humble and all. Danny thought that would be a nice closing touch. I figured to keep it simple, and that way it doesn't get too mushy.

If you've noticed a lack of reverence for sports in this column, congratulations — you just passed the test. That's what I've been trying to get across all along, that sports aren't serious business and shouldn't be treated that way. Sports are for fun, for relaxation — even for character-building, maybe — but there are too many more important things going on around to get too wrapped up in games.

If I've offended Dallas Cowboy fans by my less than prayerful attitude, I'm sorry. I'm sorry that you get so hot about men who play games for a living and make thousands of dollars for going around and knocking other men down. I'm sorry if it ruins your entire weekend when your team loses.

Sports fans, and sports in general, need to stop and take a good look at what's going on. That's from pee wee sports on up.

Maybe this is a good time for some constructive criticism — parting shots, some folks call them.

People need to keep after the city rulers to make sure the new baseball complex near the State Hospital really does go through because with all the leagues and teams here Big Spring definitely needs it. As a matter of fact, Big Spring's whole recreation program could stand a re-evaluation and subsequent shot in the arm.

Big Spring also needs to seriously get behind those pushing for a coliseum. It wouldn't benefit just the Howard College basketball program, though the Hawks definitely need the new facility. The city right now misses out on tournaments, conventions and all sorts of shows because there's no place to stage such a happening. It's one of the more obvious shortcomings of Big Spring.

If Little League, the Teenage League and Miss Softball America are going to continue in their current paths, they should figure some way for all the youngsters who don't make the playoffs to keep playing baseball. Only a handful of players go into the playoffs, and others find themselves without any summer activity for two months. . . .

Angels, Indians Claim Teen Wins

The Saunders Angels and McMahon Indians picked up decisive victories Friday in Big Spring Teenage Baseball competition.

The Indians used just four hits in routing the Optimists 12-1 in Hi-Junior play, with David Spence getting the win on a three-hitter. Bubba Stripling stroked two doubles for the winners and Johnny Jones managed a pair of singles as the team lifted its season mark to 5-4.

For the Optimists, now 1-8, Kenneth McMurry took the loss.

Kyle Pfeiffer allowed just four hits as the Angels jolted the ABC Rebels 11-1, and he also led the way at the plate with two doubles and a single. Pfeiffer struck out six batters in the four and one-third innings he worked, and reliever Javier Hernandez fanned two in one and two-thirds frames. Ronald Sundry smacked a pair

of singles in the triumph, the Angels' seventh against two losses, and Kent Rice added a double.

The Rebels were led by losing pitcher Randy Crockett, who managed a triple, and Danny Richards, who had a double. The Rebels struck 3-4.

Driesell Denies Promise Of Insurance For Malone

SILVER SPRING, Md. (AP) — The Washington Star-News reported Friday that the University of Maryland promised Malone help in obtaining the insurance policy against injury as one means of persuading him to sign a grant-in-aid.

Driesell confirmed that he, and other coaches interested in Malone, told the youth before signing of the advisability of such a policy.

The Terrapin coach also indicated that other prominent college basketball stars, such as North Carolina State's David Thompson and UCLA's Bill Walton have similar high-figure insurance policies.

Malone, a 6-foot-11 standout from Petersburg, Va., High School, was the most heavily recruited player in the nation. He announced on Thursday he would attend Maryland. He had no comment on Friday's developments.

Star-News sports writer Morris Seigel said in a column that Malone had demanded to be insured for \$1 million against injuries for the time he is at the university, as protection for a subsequent professional career.

Seigel said the university had agreed to arrange a loan for Malone so he may pay premiums on such a policy, estimated by Lloyd's of London at between \$5,000 and \$10,000 a year.

But Driesell said "He (Seigel) doesn't know what he's talking about," when asked about the reports and accused him of making inaccurate statements.

Stanford Gets 2nd Straight Tennis Crown

LOS ANGELES (AP) — Stop pitting the allegedly crippled tennis team from Stanford University. The patchwork squad overcame odds to reign as champions of the National Collegiate Athletic Association for another year.

The Cardinals of Coach Dick Gould wrapped up their second consecutive title Friday, sending unranked Chico Hagey and fifth-seeded John Whittinger into Saturday's singles championship.

After Hagey, serving 13 aces, ousted unseeded Steve Wedderburn, Oklahoma City, 6-3, 6-2, 6-4, the 5-foot-8 Whittinger, a sophomore, used two-twisted backhand passing shots to beat seventh-seeded Soshi Menon of Southern Cal 6-3, 7-5, 1-6, 7-5 and clinch the team title.

Stanford entered the final day with 28 points, three more than Southern California. Michigan was third with 19. The all-Stanford singles final means the Cardinal will score at least 29 points. The most the Trojans can get is 26.

Two months ago, Hagey wasn't even on Stanford's six-man dual meet team, and at that time the Cardinals were the overwhelming favorites to win again.

Then Alex "Sandy" Mayer, the 1973 NCAA singles champion, quit the team, later turning professional for the New York Sets of World Team Tennis. Pat DuPre, national amateur claycourt champion, came up with elbow tendonitis.

"On paper," said Gould, "I figured we'd finish third. Our backs were to the wall."

And for awhile Stanford appeared to be in trouble.

"When Jim Delaney went out in the third round — and he was a threat to win it all — we were really down," said Gould.

Besides the Hagey-Whittinger finale, the Cardinals' No. 1 doubles team of Whittinger and Delaney advanced to Saturday's final.

Whittinger and Delaney, who won the doubles last year with Mayer, had only one match as partners before the NCAA tournament started Monday.

Hagey, a 6-foot-3 junior from La Jolla, Calif., hasn't lost a set all week. He was an All-American as a freshman when he lost in the fifth round of the NCAA tournament, but he didn't play last year because of the broken ankle he suffered when he slipped on grass at Forest Hills in the 1972 U.S. Open.

Whittinger and Delaney, seeded fifth, advanced to the finals by beating Arizona's Rand Evert and DeArmond Briggs 6-4, 6-4. They meet top-seeded John Andrews and Menon of Southern Cal, who needed a tiebreaker 6-4, 5-7, 7-6 victory over fourth-seeded George Hardie and Tim Vann of Southern Methodist.

FOSTER WINS MARATHON — Jack Foster, New Zealand, holds a short lead at the halfway point in the AAU marathon at UCLA Saturday, closely followed by Tom Fleming (3) of New York and Neil Cusack, of Ireland. Foster won in 2:18.2 while Cusack, winner of the 1974 Boston Marathon, was second and Fleming third. The man at right is offering the runners a drink of water.

Local Runners Qualify For State TAAF Meet

ODESSA — Big Springers earned spots in five divisions for the Texas Amateur Athletic Federation State Meet this weekend by placing high in the Regional TAAF meet in Odessa.

Local runners earned seven first places in the action, and the top three finishers in each event qualified for the state action July 26-27 in Fort Worth.

Big Spring High School runner Ricky McCormick qualified in three events in the Senior Division Saturday, and placed fourth in another. McCormick won the 880-yard dash in 2:03.5, and followed with a second place finish in the mile run in 4:44. McCormick was also second in the triple jump, behind teammate Craig Knappe, and the 440-yard relay team of McCormick, Knappe, Loy Long and an out-of-town runner also was fourth.

Knappe's winning distance in the triple jump was 34-8, and he also qualified in the long jump with a second place finish. The other Senior performer to qualify was Danny Sherman, who was second in the shot put.

In the Open Division, Herman Evans won the 100-yard dash in 10.1 and took fourth in the long jump. Evans and Mike Sizenbach teamed with two other runners for a second in the 440-yard relay.

In the Intermediates, the girls took the spotlight as Evett Thixton topped the 55-yard dash in 1:25.25, and followed with a second place finish in the mile run in 4:44. McCormick was also second in the triple jump, behind teammate Craig Knappe, and the 440-yard relay team of McCormick, Knappe, Loy Long and an out-of-town runner also was fourth.

Grich, Grimsley Spark Baltimore Past Brewers

MILWAUKEE (AP) — Bobby Grich knocked in three runs with a double and a sacrifice fly Saturday, powering the Baltimore Orioles to a 7-2 victory over the Milwaukee Brewers.

Ross Grimsley, 8-7, scattered seven hits for his third consecutive victory.

The Orioles broke a 2-2 tie in the fifth inning after Mark Belanger beat out a bunt to burn first and continued to second on George Scott's wild throw to loser Kevin Kobel, 3-6, covering first. Belanger took third on an infield out and scored on Grich's fly ball.

Baltimore added a pair of insurance runs in the seventh on two walks and Grich's double into the left field corner and

Chisox Topple Twins In 10th

BLOOMINGTON, Minn. (AP) — Jorge Orta's tie-breaking two-run homer in the 10th inning powered Jim Kaat and the Chicago White Sox to a 3-1 victory over the Minnesota Twins Saturday.

Kaat, 7-6, outdueled Vic Albury with a five-hitter to beat his former teammates. Bryan Downing singled with two out in the 10th, only the third White Sox hit of the game off Albury, 2-7, and their first in 81-3 innings. Orta then boomed his fourth homer of the season 430 feet into the bullpen in right center field.

The Twins tied the score in the eighth inning when Eric Soderholm led off with a single, moved around to third on a sacrifice and an infield out and came home when Steve Brye lined a single off the glove of diving shortstop Bucky Dent.

PALMER 1-SHOT BACK Haynie Leads LPGA

SUTTON, Mass. (AP) — Sandra Haynie, one of the top money winners in women's pro golf, charged into a one-stroke lead over Candra Palmer Saturday in the third round of the \$50,000 Ladies PGA Championship.

Bidding for her 31st tour victory, Miss Haynie fashioned a steady par 73 for a 54-hole score of 215 at the Pleasant Valley Country Club.

Miss Palmer, who set a course record of 66 in the second round, lost a share of the lead when she shot into the water and took a double bogey 6 on the 53rd hole. However, she rebounded with a birdie 4 on the next green to finish with a 76 and a 216 total.

JoAnne Carner, five-time U.S. Amateur champion, had a two-over-par 75 and was alone in third place with a one-under-par total of 218 with the final round scheduled for today.

Miss Haynie, who won the LPGA championship in 1965, had two bogeys which she offset with a pair of birdies on route to her par 73 round on the sun-baked 6,130-yard course.

"I had an awful lot of opportunities," she said. "I missed a lot of 12 to 15-foot putts. I was tired out there. All of us are beginning to wear down a bit, and tomorrow's final round will be a test of stamina as well as golf."

Walk Lifts A's Past Royals, 3-2

OAKLAND (AP) — Gene Tenace drew a bases-loaded walk in the ninth inning to force home the tie-breaking run and give the Oakland A's a 3-2 victory over the Kansas City Royals Saturday.

Sal Bando doubled off the left field fence to lead off the ninth off Paul Splittorf, 7-7, and Reggie Jackson sent him to third with a single to left.

After Joe Rudi was walked intentionally to load the bases, Gene Garber replaced Splittorf and walked Tenace on a full-count pitch.

The A's took the lead with two unearned runs in the third inning. Angel Mangual singled and, with one out, Bill North was safe on an error by shortstop Fred Patek, who dropped a double-play toss from second baseman Cookie Rojas.

Rites Held Saturday

The wedding of Miss Alice Ann Brown and Michael Jay Cunningham was held at 7:30 p.m. Saturday in Trinity Presbyterian Church, Midland.

The bride is the daughter of Mr. and Mrs. Victor G. Brown, Midland. Mr. and Mrs. Jay Cunningham, 2324 Brent, are parents of the bridegroom.

The Rev. Jerry R. Tompkins, Austin officiated before an altar enhanced by two gold candelabra laced with salal greenery. On either side were white urns holding white gladioli, white daisies and babies'-breath.

Mrs. Joe B. Koenig, organist, accompanied Miss Janet Frizzoli, vocalist.

The bride's gown was of peau de soie and Alencon lace. Pearl and crystaled clusters detailed the re-embroidered lace overlay of the fitted empire bodice. Lace patterns created the sculptured, scooped neckline and a shoulder cap over the tapered sleeves. Lace appliques accented the sleeves and the front of the A-line skirt scalloped with lace at the hemline. Back panels fell into a chapel-length train scattered with lace appliques. The lace motif

was repeated on the train-length mantilla.

She carried a bouquet of white orchids, stephanotis, ivy and gypsophila.

Attendants for Miss Brown were Mrs. Warren Bright, Houston, matron of honor; Mrs. Todd Fields and Mrs. Jack Cope, Lubbock; Mrs. Pat Guthrie, Ardmore, Okla.; and Miss Marilyn Cunningham, sister of the bridegroom, bridesmaids.

They wore dresses of apricot silk organza over satin. A scooped neckline topped the empire bodice, and the skirt was edged by an organza ruffle. Organza sashes formed bows at the back.

They carried nosegays of apricot, yellow and white daisies with babies'-breath and ivy.

Soap, Water Not Good For Wood

When furniture needs to be cleaned — washing with soap and water is not recommended. Soap is not an efficient cleaner for the types of soil that accumulate on furniture surfaces, nor will it remove the previous coat of wax or polish.

Too Good

Dear Abby
Abigail Van Buren

DEAR ABBY: My parents live in a small apartment near us. They feel lonely and neglected, and complain constantly that friends and relatives visit them only as a duty, and not very often. They are critical and quarrelsome and have no interest beyond their aches and pains and being entertained.

I've tried to interest them in senior citizen groups, but because some of their members smoke, play cards and are Democrats, my parents couldn't mingle with them.

I visit my parents every Monday, Wednesday and Friday. I take them grocery shopping, to the doctor, and out for lunch once a week. I have them to my home for dinner every Sunday and Thursday. I even do their laundry!

The problem is, they are not satisfied, and let us know about it in no uncertain terms. We've had several heart-to-heart talks with them, but they still think we are selfish for not spending more time with them.

When I'm not with them, they phone, and if I am not home they get furious, and I get bawled out like a child for "running around all day."

I am 57 years old, and have worked for 41 years, and I am tired of running myself ragged trying to please them. Any suggestions?

RUN RAGGED
DEAR RUN: The problem isn't THEM; it's the way you react to them. As long as you know you are doing all you can for them, there is no reason to feel guilty.

None at all!

DEAR ABBY: My cousin had her first baby, so the other night we went to her home to see the new baby. There were lots of other relatives there.

This cousin kept looking at her watch because she had to feed the baby at 8 p.m. She could hardly wait to unbutton her blouse right in front of everybody. Then she said, proudly, "This is the first time I've ever had such a nice breast," and without even putting a blanket or diaper or anything around the baby, she proceeded to nurse him. BOTH breasts were exposed the whole time, which was not necessary. Some of the men went into the kitchen right away, and a couple of the younger kids got so embarrassed they also left.

I know there is nothing nasty about the human body, or nursing a baby, but what do you think of a woman who would take advantage of a situation like that to show off?

DEAR DISGUSTED: Same as you. It's disgusting. I'd also feel sorry for her.

CONFIDENTIAL TO T. M.: When someone starts out with, "It's not the money, it's the principle of the thing," it's usually the money.

Problems? You'll feel better if you get it off your chest. For a personal reply, write to **ABBY:** Box No. 69700, Los Angeles, Calif. 90069. Enclose stamped, self-addressed envelope, please.

Ceremony Performed In Methodist Church

Miss Karen Annette Coffee, daughter of Mr. and Mrs. John Richard Coffee, 601 Avondale, and Marvin L. Standefer Jr., son of Mr. and Mrs. Marvin Standefer, Lenora, were married at 7:30 p.m. Friday. The ceremony was held in the First Baptist Church with Dr. Kenneth Patrick officiating.

The altar was centered with a sunburst arrangement of yellow gladioli and white daisies with matching baskets on either side backed by candelabra.

Mrs. Louis Heinze, organist, and Miss Suzanne Craig, pianist, provided accompaniment for Randy Taylor and Miss Jerre Tonn, vocalists.

The bride's full-length empire gown of white organza was enhanced by an English cotton lace pinafore edged in ruffles. The long, straight lace sleeves were overlaid with organza to give a leg-of-mutton effect. Her veil of illusion, held by a lace bandeau, formed a train outlined in matching lace.

The bride's bouquet was of white daisies, gladioli, roses and babies'-breath.

Maid of honor was Miss Beth Piquet of Germantown, Tenn. She wore a floor-length dress of yellow organza fashioned along empire lines with deep ruffles at the scooped neck and at the skirt edge. Her picture hat was of yellow lace. Bridesmaids were the bride's two sisters, Miss Lynette Coffee and Miss Michelle Coffee; Mrs. James Dillard, Midland, sister of the bridegroom; and Miss Sarah Heinze, Arlington. FOR YOUR PLEASURE

This Week's Playbill Fare: "Macbeth" To "Music Man"

If "Music Man" moves off Thursday and Friday evening with the rapidity of its production preparations, it ought to be a real "23 skidoo."

Sets for the lively and melodic musical have arrived and are being hung. Last week the production came together for the first

time with remarkable smoothness, and dress rehearsals the first three nights this week ought to put plenty of polish on Meredith Wilson's nostalgic story of a con-man turned bandmaster in an Iowa river town.

Bobby Roger is cast as Prof. Harold Hill, the dandy with lightning-fast mental reflexes and a tongue to match, and Nancy Conway as Marian Paroo, the librarian and romantic interest. These will be backed by a cast and chorus of 28, all brightly costumed and drilled in the dance routines. Put this against humming tunes like "Good Night My Someone," "Lida Rose," "Marian, the Librarian," "Til There Was You," and the patterns like "Trouble in River City" and it shapes as prime fun.

Tickets may be had at the business office of Howard College, or on Tuesday and Wednesday, 1 to 4 p.m., at the high school auditorium — or from crew or cast. Profits will go to the Howard Scholarship Fund. Directing are Ken Sprinkle and Jack Bowers, with Bill Bradley directed the pit band. Curtain time Thursday and Friday will be 8 p.m. in the high school auditorium.

You can take in the Texas Cowboy Artists Association annual show from 2 to 5 p.m. today in the Scurry County coliseum. Judging was Saturday, and awards were made at the banquet Saturday. Coincidental with the association's art exhibit, C. T. McLaughlin is opening his Diamond Museum this afternoon to the public.

Mrs. Loyd Lille has returned from visiting her brother, Dr. Lee Hicks, and family of Edmond, Okla., and she got to see him in the Neil Simon play, "Come Blow Your Horn" which is playing at the dinner theatre in Lincoln Plaza in Oklahoma City. Besides

being a frequent performer, he is instructor in theatre and oral communications as well as director of the Central State University Theatre. He's directed some 75 plays ranging from "Lion in Winter" to "The Fourposter." He also is an artist of note, and Mrs. Lille helped with a showing of his works while in Edmond. Dr. Hicks also has two nieces who live here, Linda Cathey and Jennifer Spencer.

The famous Fort Griffin Fandangle at Albany kicked off its 1974 season with performances this past weekend. You can still get in on the action Thursday and Saturday, 8 p.m., if you contact the Fandangle office in Albany, Texas 76430 (or call for tickets — \$2 to \$6). This is the forerunner of many Texas outdoor historical musical pageants, and although written and produced strictly by home town people, is one of the most professional of all. The Prairie Theatre setting is spectacular.

When the annual Texas Cowboy Reunion is held in Stamford July 2-4, the celebration's first annual Western Art Exhibit and Sale will be staged. Among the artists with works in the initial exhibit are James Boren, Wayne Baize, Duane Bryers, Tom Lovell, Tom Tyan, Gordon Snidow, Harold Von Schmidt, H. C. Zachry, Clay McGauhay and many others. Proceeds (from \$1 tickets) go to the West Texas Rehabilitation Center in Abilene.

Another holiday art show will be the 13th annual July 4th Art Show at the Scurry County Barn in Towle Park. Area artists are invited to bring paintings between 1 and 8 p.m., July 2 (and pick them up from 9 to 10 p.m., July 4). There will be four places in senior professional, senior amateur and junior divisions. Ad-

ditionally, there are three traveling trophies. Artists may exhibit four paintings in each class (\$2 per adult and \$1 juniors). Information may be had from Mrs. Melvin Lee, 573-2754 or Joy McGlaun, 573-2412.

Note to campers: Camping fees have been reinstated in 280 National Parks and recreation sites. Fees had been eliminated in 1973 on all but camps with highly developed facilities including flush toilets and showers. Now they are back for grounds with tent or trailer spaces, etc., and on all except primitive campgrounds. Fees range from \$1-\$4. Golden Age passports may be had free for those 62 years and older for free admissions to parks and 50 per cent discount on camping fees; or Golden Eagle passports (\$10 a year) which get the camper and party into parks without charge.

Still on display at Museum of the Southwest, 1705 W. Missouri in Midland, are the works of Janet Kruskamp, noted West Coast artist acclaimed for her "magic realism."

The Globe of the Great Southwest opened its season Friday evening and inaugurated the Shakespeare Festival with "Macbeth." Monday evening "Invalid" will be produced, "Macbeth" back Wednesday, and alternating through Sunday. "Twelfth Night" moves in as an alternate on July 5.

Lita Guerra is the Festival Institute artist in residence through Tuesday at Round Rock. During the past week the Houston Symphony was at the festival under the baton of Swedish conductor, Sixten Ehring.

Dates for the 11th annual Arts and Craft Show at

Carlsbad, N. M. have been set for July 28-Aug. 9. Also, while jotting down dates, Beverly Sills comes to Dallas Nov. 2-5-8 for the Dallas Civic Opera opening. She will sing in "Lucrezia Porgia," and Marilyn Horn sing in "Mignon."

Jeffrey D. Talmadge, Big Spring won third place and \$50 for his "Autumn in South Texas" and other poems submitted in the annual Anne Flexner Creative Writing competition at Duke University. Material is judged in open competition with other forms of writing. Jeffrey son of Mr. and Mrs. John M. Talmadge, will be departing in July for six week of summer study at Oxford.

Clerks To Leave For Conference

Mrs. Pauline Petty, county clerk, and Mrs. Edgar Ray, chief deputy, will be among participants in the 79th annual Panhandle Plains Conference, County and District Clerks' Association of Texas. Also attending will be Mrs. Vena Lawson of Garden City, district and county clerk in Glasscock County.

The three women, accompanied by Edgar Ray, will leave June 26 for Amarillo where the three-

day event will be held at the Hilton Inn.

Returning to Big Spring with the group will be Mrs. Petty's niece, Mrs. Jack Cowan of Fort Lauderdale, Fla., who is now visiting relatives in Amarillo.

Mold Fruit Into Pretty Salads

A pretty molded salad will add a decorative note to any table. Gently fold drained canned cling peach slices, halved fresh strawberries and cubes of cream cheese into strawberry gelatin. Let gelatin partially set before adding fruits and cheese. Spoon into decorative molds and chill until firm. Add a few drops mint extract to mayonnaise for the dressing and top each salad with mint sprig.

SOUTH PLAINS

Replanting Cotton In Hailed-Out Areas

COLLEGE STATION, Tex. (AP) — Rain for crops is needed throughout the state as well as to allow farmers in Northwest Texas to finish spring planting, Dr. Dan Pfannstiel, associate director of the Texas Agricultural Extension Service, says.

Unless the dryland areas of the South Plains receive planting moisture by July 1, much cotton will not be planted, he said.

Peanut and soybeans planting is nearing completion in Southeast Texas and is at the halfway point in North Central Texas, Pfannstiel said.

YIELDS LIGHT
The wheat harvest is making good progress in the northern half of the state but yields are light, he said.

More than 10 per cent of the sorghum crop has been harvested in the Rio Grande Valley. Harvesting will start soon in parts of the Coastal Plains.

Second hay cuttings are under way in some areas, he said. Most hay yields are good but the shortage of baling wire and twine is causing some problems.

Peach harvesting is increasing in the southern half of Texas and in eastern regions. Supplies of watermelons and cantaloupes are increasing in South Texas, he said.

FEEDING
Range conditions over the western half of the state are generally below average and supplemental feeding is necessary in some counties, Pfannstiel said.

District agricultural agents gave these reports:
South Plains: Farmers are replanting cotton in hailed-out areas. Cotton lost in northern counties is being replaced with soybeans. Irrigated cotton is making good progress. The second cutting of alfalfa is in progress.

Rolling Plains: Wheat harvesting is complete in most counties. Yields have been poor, ranging from seven to 15 bushels per acre. Cotton planting is about 90 per cent complete. Some replanting is

under way because of recent rain and hail damage. Sorghum planting is complete in some counties. Ranges are generally below average.

Far West: Only irrigated crops are making good growth. Alfalfa is being cut for the second time. The pecan crop looks good. Onion harvesting is active. Range and livestock conditions are fair. Predators continue to plague sheep flocks.

COTTON BLOOMING
West Central: Small grain harvesting is nearing completion. Yields are light. Some cotton and peanuts remain to be planted. The sorghum crop is making mostly good progress. The pecan crop looks good. A good peach crop is being harvested in Gillespie County. Many ranges are below average. Some livestock feeding has started again.

Central: Crops are making generally good progress. Cotton is blooming in Bell County. Most corn is in the roasting ear stage. About 30 per cent of the peanut crop is seeded. Tomato harvesting is in full swing in Falls County. Pasture and range conditions are declining.

Southwest: Small grain harvesting is about complete. A good hay crop is being harvested but baling wire is short. Watermelon harvesting is active. Early peaches are moving to market. Casebearers are active in pecan trees. Ranges need more rain.

South: Sorghum harvesting is past the 10 per cent mark. Midge is infesting late sorghum. The watermelon harvest is about 85 per cent complete. Hay baling is active. Recent moisture has boosted pastures. Livestock look good.

Man Held In Jail For 37 Days Wins \$40,000 Award

DALLAS (AP) — A federal jury has awarded \$40,000 in damages to a man held in the county jail 37 days after auto theft charges against him had been dropped.

The suit, filed by Henry Lee Bryan, named Sheriff Clarence Jones and Dist. Atty. Henry Wade as defendants. They were named personally, not in official capacities.

Bryan, who originally sought \$175,000, told the jury he was arrested on an auto theft charge but was cleared after taking a polygraph test. He said his charges were dismissed March 3, 1972 but he was not released until April 7, 1972, more than a month later.

During the 37-day period, Bryan said he was crowded into a jail cell about as big as a jury box with 70 other prisoners.

LULAC Opens New Center

SAN ANGELO — A new educational center of the League of United Latin American Citizens (LULAC) was opened in San Angelo June 15.

The center at 7 West Avenue N. is located in the former St. Mary's School building in cooperation with Rev. Robert M. Kelly, pastor of St. Mary's Parish and will share the facility with Catholic Community Services, also located at that address.

Jessie Garcia, state director of LULAC Educational System

and director of the Houston Center, outlined the purpose of the centers as that of encouragement and assistance to young people toward higher education. Garcia, speaking at the opening ceremony, announced the approval of a \$100,000 grant from the Texas Education Agency toward the proposed eight centers in the state. Ruby Leyva is one director of the new center.

Communication Gap Is Noted

Considering that so much human activity depends upon communication, it's a wonder people don't do better at it.

But there are barriers, A. J. Prager told the Downtown Lions Club at its Wednesday meeting in the Settles.

One is a lack of communications confidence, a bad image. Another is complicating communication with big words and long sentences, or using words with double meanings. Still another is to put yourself in the other persons' frame of reference, and most of all be a good listener.

Prager listed 10 things which make communication more effective:

First have clear ideas; examine the purpose of a communication; consider the physical and human setting; consult with others in planning communication; consider overtones which may be conveyed; convey something of value to the listener; follow up to check on communication; communicate with the future in mind; have actions consistent with communication; seek understanding by being a good listener.
