

Mistake, Says Tower

MCALLEN, Tex. (AP) — It was a mistake to cut funds for the U.S. Border Patrol, Sen. John Tower, R-Tex., said today.

"When you cut spending you're bound to make some mistakes and this was one," Tower said of budget reductions that forced a near halt to the illegal aliens apprehension program in this country.

Tower told a news conference said the cutbacks may be adjusted after review.

Tower said he hopes President Ford's economic proposals will not include "panic programs" because "they might cause a bigger bust later on."

"In dealing with the recession, we must not reignite the fires of inflation," Tower said.

Tower said a tax cut is needed because the present system puts too much burden on low and middle income persons.

The senator said he does not want any involvement of U.S. troops in South Vietnam despite military gains being made there by the North Vietnamese.

'SAD AT COURSE OF EVENTS' Nixon To Celebrate His 62nd Birthday

SAN CLEMENTE, Calif. (AP) — Former President Richard M. Nixon, secluded in his oceanside estate once called the Western White House, observes his 62nd birthday today.

Rabbi Baruch Korff, among Nixon's staunchest supporters, was one of the few persons on hand for the occasion, and provided the freshest account in weeks of the nation's former chief executive.

In a telephone interview Wednesday, the rabbi described Nixon as "sad at the course of events" that saw him fall from the presidency in the Watergate scandal.

GOOD WILL
But the rabbi, who founded the President Nixon Justice Fund to try to shore up his troubled finances, said Nixon has been "heartened by the expression of good will" flowing in from around the world for his birthday.

Nixon's birthday plans for today were simple, the rabbi said — just "a quiet day with Mrs. Nixon." Sometime during the day his

daughters, Julie Eisenhower and Tricia Cox, were expected to call from their East Coast homes to wish him a happy birthday.

The rabbi, who has met frequently with Nixon since flying here from Massachusetts several days ago, drew a brief word picture of the former president: Nixon spends his days sleeping, reading, doing some work and resting at his beachfront estate, the

Find Chairman Fatally Shot

DALLAS (AP) — The president and chairman of Guardian Savings & Loan Association, DeWitt T. Ray Jr., was found fatally shot Tuesday at his Dallas home. He was 50.

Police said his wife found the body on a sofa in the parlor of their Highland Park residence and a .38-caliber pistol lay close by.

Ray joined Guardian Savings, a major financial institution here, in 1951 and became president in 1960. Before coming to Dallas he worked in Houston for the T.J. Bettes Co.

Surviving are the widow, two sons, a daughter, his parents and two sisters.

The funeral was set for 3 p.m. today at the Highland Park Presbyterian Church.

rabbi reported. Asked about Nixon's spirits, Rabbi Korff said, "It is hard to describe his spirits considering what he has endured and is enduring physically and emotionally. I would describe his spirits as compassionate. He is sad at the course of events."

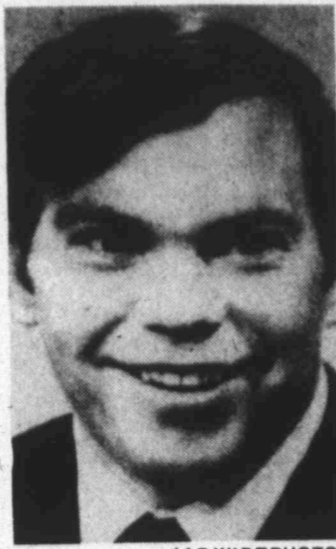

WATCHING TV
Nixon, whose future plans never have been spelled out, is still recuperating from surgery for a phlebitis-induced blood clot in his left leg and from a near-fatal shock that followed the operation.

A Nixon spokesman added in a separate interview, "He has an occasional visitor. He is not isolated. He spends some time reading and if I know the President he watched the bowl games on television."

Beset by mounting legal expenses since his resignation last August, Nixon recently mailed a check for \$11,000 to pay his medical bills. Sources indicated this will pay the total bill outstanding. Nixon lacked medical insurance to cover the expenses.

Rabbi Korff said he had donated \$1,000 to the "Nixon Justice Fund" as a birthday gift to help pay Nixon's legal expenses.

Nixon has made no public statement recently, but an aide said last week he was "anguished" at the conviction of four of his aides in the Watergate cover-up trial.

(AP WIREPHOTO)

VICTIMS — Former Army Lt. William L. Calley Jr., appearing on the ABC-TV "AM America" program Wednesday in New York, said he considers the American people "the greatest victims" of the Vietnam war. Calley, who was convicted for his role in the My Lai massacre of 1968, said he also considers himself a casualty of the American presence in Vietnam.

Altar Girls Issue 'Hot'

BALTIMORE (AP) — The council of a Roman Catholic parish has voted to ask for an end to the prohibition against altar girls. Twenty-three girls have been serving Mass at the church for two years.

The vote to forward the request to Baltimore Archbishop William J. Borders and other officials came Sunday during a meeting of the parish council of the Lady of Perpetual Help Church in nearby Woodlawn. Only one of the 18 council members opposed the motion.

Travel Advisory For West Texas

By The Associated Press
A wintry storm whistling down from the Colorado Rockies today promised to rout the generally mild weather over Texas the past few days.

Clouds thickened as the new norther approached the Texas Panhandle, and overcast skies also spread inland from the coastal plains. Dense fog in the Lower Rio Grande dropped visibility to zero at times in the early morning. Skies were clear in other sections.

Forecasters posted a travel advisory for West Texas areas west of the Pecos River, where winds gusting to 45 miles per hour in the lowlands and 60 m.p.h. in mountain passes were expected to raise clouds of dust.

Snow flurries were predicted in the Panhandle and far West Texas by tonight and scattered showers elsewhere in the west part of the state. Chances were seen for oc-

casional showers in other sections with the cold air headed for Central Texas before nightfall.

Temperatures near dawn ranged from 36 degrees at Amarillo in the Panhandle up to 67 at Alice and Corpus Christi deep in South Texas. Temperatures Wednesday afternoon climbed as high as a warm 83 degrees at McAllen in the Lower Rio Grande Valley while Amarillo was the coolest point with a maximum of 55.

Interest Earns \$11 Million

HOUSTON (AP) — Harris County Auditor Grady Fullerton says more than \$11 million interest was earned by various county funds in 1974.

More than \$3 million of that was earned by the county road bond funds.

Dealer Surrenders Gems Valued At \$200,000

DALLAS (AP) — A part-time dealer in diamonds surrendered stones he valued at \$200,000 to two gunmen at his office Wednesday.

Brad Boyar, 45, owner of an import firm bearing his name, said the intruders posed as clients asking an appraisal of a 1.28-carat diamond. While he was examining it they produced automatic pistols.

"They just said it was a stickup and stuck a gun to the back of my head," he related.

The cool robbers pulled out nylon strips with friction locks, bound him hand and foot, put him face down on the floor and proceeded to ransack his safe, Boyar said.

He said their haul consisted of uninsured loose diamonds and other gems worth \$125,000 to \$150,000 plus mounted stones valued at \$50,000 to \$60,000.

Referring to the nylon

strips, Boyar said, "They could very easily have put one of them around my neck and I would be dead. I was scared . . . and I heard one of them pull the slide back on his automatic before they left."

Boyar, a Delta Air Lines pilot who sells precious stones as a side line, said the bandits found him alone because he planned to move his place of business today. He had sent his secretary to oversee installation of telephones at the new location.

Both men were in their mid 20s, he estimated—one with dark complexion and brown hair, the other blond.

Boyar said the gunmen did not threaten him and they departed quietly, walking unnoticed down a corridor of office fronts in his North Dallas building.

"I kept yelling loudly," he said, "and somebody came in and untied me about 10 minutes after they left."

Put an American Statesman to work for you . . . and earn interest every day you save

The Abraham Lincoln Account

It takes only one Abraham Lincoln (\$5 bill) to open a First Federal passbook savings account paying 5.25% interest. The passbook is the sensible, flexible way to save. The savings account of the People, for the People, by the People. Ask Honest Abe.

FIVE DOLLARS

The James Madison Account

We the Association of First Federal, in order to form a more perfect savings program, establish the one-year savings certificate. Sign your "Constitution of Earnings" with one James Madison (\$5,000 bill). Your John Hancock will earn you 6% interest.

FIVE THOUSAND DOLLARS

The Salmon P. Chase Account

The long-forgotten, seldom-recognized, rarely seen Salmon P. Chase (\$10,000 bill) named after the Secretary of Treasury in 1861, has not been forgotten at First Federal.

He's our highest paying savings certificate account. We pay 6.5% interest on every Chase that's on deposit for 2 years. We pay 7.5% on four years. For 2 1/2 years, and a Salmon P. Chase we guarantee 6.75% interest. Interest on savings is paid quarterly.

TEN THOUSAND DOLLARS

The Woodrow Wilson Account

A Woodrow Wilson (\$100,000 bill) will not open a Woodrow Wilson savings account, because Woodrow Wilsons are used only in transactions between the Federal Reserve System and the U.S. Treasury Department. But bring in your William McKinleys, James Madisons, Grover Clevelands, and the like. We'll open you a savings certificate account paying a higher, negotiated rate of interest, depending on maturity. We'd even take 100,000 George Washingtons.

ONE HUNDRED THOUSAND

Blame Minor Grass Fire For \$2 Million Blaze

SAN ANTONIO (AP) — Insurance and fire investigators believe a minor grass fire sparked a more than \$2 million blaze which razed an Industrial Lubricants, Inc., warehouse on the city's north side Wednesday.

But they have no idea what touched off the grass fire, said Bob Boerner, treasurer of the Sigmor Corp., which owns Industrial Lubricants.

A dark, oily plume of smoke rose hundreds of feet from the warehouse as firemen battled the flames

from just before noon into the night. By dusk the billowing black smoke had given way to a light, gray curtain filtering upward from the smoldering ruins.

Boerner gave the estimate of more than \$2 million damage but said the structure and its contents were fully insured. It housed cans of petroleum derivatives and various machine parts.

Connie Rhodes, a forman at the warehouse, said firemen arrived before noon to put out a brush fire behind

the firm.

All fire units except one had left when Rhodes said he noticed a four-foot high blaze inside the warehouse.

"The next thing we knew, it was spread all over the place," Rhodes said. "I believe this fire started from the brush fire."

More than 115 firemen using 23 pieces of equipment eventually responded to the blaze. Several firemen were taken to area hospitals, but spokesmen termed their injuries as "minor."

Fire chief J. O. Martinez

said small explosions hampered firefighters for a while as cans of flammable liquids popped open and fueled the flames.

Small cans which exploded peppered the perimeter of the area like mortars and police kept some 300 spectators back.

By mid-afternoon authorities pronounced the fire controlled and said it no longer posed a threat to nearby petroleum storage tanks at a neighboring Exxon petroleum plant.

Traffic backed up nearly a mile in each direction as police closed down a lengthy section of Interstate 35 to let firemen run their hoses across the highway.

Martinez said quick response kept the flames from spreading to other

buildings in the Industrial Lubricants complex or nearby petroleum storage tanks.

He said also that use of more than 100 fire fighters and some reserve equipment kept the fire from spreading.

"We kind've ganged up on it," Martinez said.

Drop In Orders Dictates Layoffs Of 2,000 At TI

DALLAS (AP) — Texas Instruments says that a noticeable drop in incoming orders has forced a layoff of more than 2,000 workers throughout Texas between now and the end of the month.

In a statement released here Wednesday as part of preliminary 1974 report to shareholders, the company said the labor force cut is part of a worldwide reduction of 9,000 employees.

The company blamed layoffs on a drop in the number of incoming orders which fell below 1973 levels.

OPPORTUNITIES

"We sincerely hope that this action will establish a stable employment level," the company said, "but that is entirely dependent on the rate of incoming orders over the next few months. While the overall economic uncertainties make financial planning and orderly operations difficult, we are confident of our ability to meet problems and grasp opportunities as they occur."

The company said Dallas, with a reduction of 1,650 workers, and Houston, with a cut of 460 employees would be the hardest hit of cities in Texas. A spokesman said 450 persons would be laid off at three plants in Lubbock. But the company would not specify how many workers would be laid off in other cities.

Late in 1974, the company announced a reduction of 1,000 employees in the Dallas area.

While the sales for the last quarter of 1974 were above those of the same period in 1973, incoming orders dropped to \$280 million, while sales billed for the quarter stood at \$415 million.

Illegal Aliens Policy Change

HOUSTON (AP) — Illegal aliens in the 12-county district along the Gulf Coast and into Oklahoma no longer will be sought after or deported unless they are suspects in felony cases.

Immigration and Naturalization Service authorities disclosed this policy change Monday and said it was due to a drastic cut in the operating budget.

R.W. Heston, district director of the service in this area, said the budget cut will affect immigration offices throughout the country, although other districts may choose their own methods for staying within the dwindling fund limits.

"In this district we just cannot afford to detain or deport illegal aliens," Heston said. "We have already notified local law enforcement agencies not to call us when an illegal alien has been arrested unless he commits a serious crime."

Total sales for the year were \$1.6 billion.

The backlog of orders dropped from \$695 million at the end of September to \$560 million at year's end, the company said. At the end of 1973, the backlog was \$679 million.

The company said its worldwide employment

figures dropped from 78,000 at the end of June, 1974 to 66,000 at the end of December.

The company's report said that net income per share for the year, according to unaudited reports, ranged from \$3.90 to \$4 per share, compared with \$3.67 per share in 1973.

Talks Slated On City Posts

A called executive session of the city council is expected to be set this week at which time councilmen will hear recommendations for filling recently vacated positions in the city.

Recommendations will be made for hiring a city finance director to replace Robert Massengale and a head of parks and recreation to replace James Campbell.

Massengale accepted a position as finance director for the city of Midland and Campbell was named Colorado City city manager.

American Beef Closes All Six Packing Houses

OMAHA, Neb. (AP) — American Beef Packers, Inc., has closed all six of its meat packing houses and will keep them closed at least until next Monday, spokesmen said Wednesday.

A majority of the firm's 4,000 employees in four state have been laid off.

Company attorney David Pavel said the firm is "intending to continue in operation" and that the

plants have been closed down this week to let things "clear up."

American Beef, along with its wholly owned subsidiary, Beefland International of Council Bluffs, Iowa, Tuesday filed a petition for a reorganization and arrangement for debt paying under Chapter 11 of the federal Bankruptcy Act. American Beef is one of the nation's largest meat-

processing companies. Slaughter operations have halted at plants in Council Bluffs, Oakland and Harlan, Iowa; Ft. Morgan, Colo.; Dumas, Tex.; and Omaha. The plant at Dumas was closed Friday, the others Monday.

Feedlot operations at Min-astare, Neb., and beef processing in Nebraska City continued Wednesday.

Boy Returns Home To Unopened Yule Gifts

CORAL GABLES, Fla. (AP) — As a search continued for his abductor, 10-year-old Christopher Carrier returned home to unopened Christmas presents after a 12-day stay in the hospital.

A 24-hour guard continued at the boy's home Wednesday, and police said they were checking out "hundreds of leads from Lake Worth to Key Largo" for a man described by the boy in a composite drawing.

Christopher underwent

surgery Dec. 27 for a bullet wound in the head, inflicted by a man who apparently left the fifth grader to die in the Big Cypress Swamp Dec. 20 after snatching him from within yards of his family's fashionable Coral Gables home.

A hunter found the boy wandering in the swamp, about 75 miles west of Miami.

Physicians said the wound could cause Chris to lose sight in one eye.

Police spokesman Dennis Koronkiewicz said: "Chris is very, very happy to be home. 'He's been away a long time. Today he opened his presents and played with his dog.'"

'75 Legislation To Be Discussed

Farmers interested in contributing ideas toward formulation of 1975 farm legislation are invited to attend a meeting in Brownfield Jan. 13.

The chairman of the U. S. Senate agriculture committee is seeking proposals from farmers. An earlier meeting of Gaines County farmers for this purpose was considered successful.

The meeting will start at 7:30 p.m. in the Pioneer Natural Gas meeting room.

Prices Reversed In Local Story

Cotton prices for this and last year were accidentally reversed in a story about the dilemma of farmers and ranchers.

Dan Newsom, a local rancher and farmer, said cotton sold for 60 cents per pound last year and from 17-30 cents per pound this year, not vice versa.

South Carolina Poised

By The Associated Press
When it comes to poise, you can't beat Frank McGuire's boys.

Under their famous coach, South Carolina's basketball players have usually displayed cool in the face of fire through the seasons.

And Wednesday night, it was the same old story even with a young team. "South Carolina is a poised basketball team, no doubt about that," noted Virginia Tech Coach Don Devoe after losing an 81-77 decision. "They got themselves in a position to control the tempo. They were super at the free throw line. Overall, they played it smarter, got it where they wanted it and kept it there."

The 16th-ranked Gamecocks lost a 10-point lead late in the game, but hung on persistently to win behind Jack Gilloon.

In other games, fifth-ranked Maryland whipped Duke 83-77; No. 13 Marquette hammered Portland 87-57; 14th-ranked La-Salle turned back Memphis State 93-84 and No. 19 Providence turned back St. Joseph's, Pa., 82-68.

Gilloon hit a jumper with 1:27 left that broke a final tie, then added a driving layup that proved decisive as South Carolina beat Virginia Tech.

The Gamecocks, with Mike Dunleavy scoring 22 points, Gilloon 20 and Alex English 17, shot 50.9 per cent from the floor and hit 23 of 29 at the foul line.

Mo Howard, who missed his first eight shots from the floor, rallied Maryland in the closing two minutes as the Terps beat off underdog Duke. The Blue Devils, playing without highscoring center Bob Fleischer for 12 minutes, pulled to within 73-71 with 2:15 remaining.

Shooting 62 per cent behind Maurice Ellis, Marquette built a 20-point lead at the half and went on to beat Portland with ease. Ellis wound up with a game-high 26 points.

Joe Bryant scored 34 points to lead La Salle to a hardfought victory over Memphis State. It was La Salle's 11th victory in 12 outings, while Memphis State's record dropped to 10-4.

Bob Cooper scored 25 points and pulled down 12 rebounds as Providence whipped St. Joseph's.

The Friars, boosting their record to 8-3 and breaking a three-game losing string, jumped in front at the start and led 42-35 at the half. St. Joseph's, absorbing its eighth consecutive loss after two opening victories, never was able to cut into the margin after intermission.

Syracuse routed Bowling Green 90-61 as Chris Sease collected 23 points and 11 rebounds. The Orangemen opened an early 16-4 lead and breezed to their eighth victory in 10 games this season. Adrian Dantley scored 38 points, including 14 of 15 from the free throw line, to help Notre Dame beat Davidson 89-73.

Elsewhere, Kent State trimmed Penn State 61-59; St. John's, N.Y., turned back Hofstra 74-50; Washington & Jefferson beat Navy 54-47; West Virginia defeated Massachusetts 89-85; Pitt smashed Youngstown State 88-62 and Pan American beat Arkansas State 89-73.

Hawks Fail To Pass Title Defense Test

ABC CLASSIC

By CLARK LESHER

Panola swiped the title from defending champion Howard College here Wednesday night in the final round of the ABC Olympic Classic with the Ponies plowing by the Hawks, 104-84.

The final day crowd was below attendance expectations as the Hawk gym was a far cry from being filled to capacity.

In the opening game of the night, Cisco took care of New Mexico, 93-88, even though the Thunderbirds' gifted Mike Russell poured in 35 points.

The tournament winner is judged on the won-lost record.

Panola came through the three-day program in grand

style, wiping the slate clean at 3-0, while HC had to be content with a 2-1 effort, the one tourney game scar suffered at the hand of the Ponies.

Panola's size, quickness and overall team balance paid off in dividends though the Ponies played cautious ball the first nine minutes of play.

The score during that period was tied three times.

Panola came to life leading only 27-25 on the strength of sharp shooters Gregory Bouyer, Paul Werner, Mike Dukes and Dean Young. All four hit in the double figure with Young leading the Pony forces with 23 points.

The Hawks struggled to no avail in trying to find the

right combination to combat Panola's floor power. HC though stayed in close contention of Panola through the half-way point, trailing only by one, 54-53.

Everything fell into place for Panola in the second half as the Ponies could do no wrong. HC missed several timely shots from the floor which caused Hawk bewilderment.

The Hawks' Marvin Johnson, who had carried the scoring burden in the previous two tournament games, appeared bottled up against Panola.

Play was somewhat slowed down in the early stages of the second half as the referee's whistle gained attention due to numerous fouls called. A grand total of 53 personal fouls were called on both sides.

Panola posted its biggest lead of the night when the scoreboard flashed across 96 points for the Ponies and 79 for the Hawks.

The Ponies resorted to stall tactics near the closing stages of the game even with the win nailed airtight for Panola.

Johnson relinquished

Hawk scoring honors to Larry Erves, who came up with 24 points. Johnson, HC's leading point maker, averaging 22.75 point game clip, shot forth 18 points followed by teammates Johnny Harris and Alford Gladden, flipping in 17 and 10 points respectively.

The Hawks' David Giles, Erves and Harris had to watch action from the bench late in the second half as they were waved off the floor, each collecting five personal fouls.

Both Panola and HC sport identical seasonal records, 13-4 apiece.

The Hawks now turn attention to Western Conference wars and a date with Amarillo College, there, next Monday. HC and Western Texas are tied for the lead, each showing 3-0 records.

Panola is battling for its conference crown, sharing first place honors with Tyler and Kilgore. The Ponies are currently 2-0 in the Texas Eastern Conference.

With four Wranglers banging the nets in the double figures, Cisco was able to control all efforts thrown up by NMJC. Cisco held a commanding 51-39 lead at half-time.

NMJC tried to make a game out of it with two minutes left in the game. Tricky Richard Jenkins' two floor shots put the Thunderbirds to within three of Cisco, 89-86, but the Wranglers quickly put the fire out.

David Payne led Wrangler charges with 26 points and teammate Kirk Hanaway, chipped in 13.

Cisco finished the tournament on the strength of a 7-10 seasonal performance, while NMJC stands at the 5.000 mark, 8-8.

ALL-TOURNAMENT — Shown are members of the 1975 ABC Olympic Classic All-Tournament Team. They include: back row, left right, Larry Erves, Howard College, Marvin Johnson, Howard College, Robert Daniels, Cisco and Jim Murphy, Cisco. Front row, left to right, Johnny Harris, Howard College, Paul Werner, Panola, Mike Dukes, Panola and Gregory Bouyer, Panola. Absent were Richard Jenkins and Mike Russell, both from New Mexico Junior College.

HUNTER REVEALS

Interview Shy

NEW YORK (AP) — Although Catfish Hunter has been welcomed to the big city with open arms, this country slicker from North

Carolina is aware that some of those arms can go right for the wallet while others may reach for the throat.

"In 1965 I was scared to go out of my room," Hunter said Wednesday during a whirlwind tour that included an appearance on a national television program, a photographic session at Shea Stadium and interviews with the press at a midtown hotel.

"Now, I'm scared to go into my room."

Among other things, Hunter flew into New York, at the Yankees expense, to introduce himself to the members of the press who didn't attend his New Years Eve contract-signing party.

Hunter said he made up his mind to sign with the Yankees the night of Dec. 30. The next morning, Hunter told his wife that she would probably be a Yankee wife as he expected to sign a contract sometime that day in New York.

"Give me a call," she said as he walked out the door. But Hunter's firm decision had weakened a bit Tuesday night, when he left the details up to the lawyers.

who then spent several hours acting like lawyers.

But the lawyers soon ended their filibuster and Hunter, who said "he would have rather been anywhere else," affixed his Catfish Hunter on the Yankees dotted line.

Border Lympics has only nine running lanes. Summers said to have more than nine university division teams would necessitate preliminaries in the relay events and Southwest Conference coaches are against it.

All SWC teams will compete except Arkansas. Lamar University was picked to fill out the division over NTSU.

"We picked Lamar because they've been with us the longest," said Summers.

The Border Olympics, first major outdoor track and field meet of the season, is scheduled Feb. 28-March 1.

NEW ORLEANS (AP) — Here is The Associated Press All-Pro National Football League team for the 1974-75 season:

FIRST TEAM
Offense
Wide Receivers—Cliff Branch, Oakland; Drew Pearson, Dallas.
Tight End—Riley Odum, Denver.
Tackles—Ron Vary, Minnesota; Art Shell, Oakland.
Guards—Gene Upshaw, Oakland; Larry Little, Miami.
Center—Jim Langer, Miami.
Quarterback—Ken Stabler, Oakland.
Running Backs—Otis Armstrong, Denver; G. J. Simpson, Buffalo.
Place Kicker—Chester Marcol, Green Bay.
Defense
Ends—L. C. Greenwood, Pittsburgh; Jack Youngblood, Los Angeles.

Raiders' Stabler, Easy Winner

NEW ORLEANS (AP) — Quarterback Ken Stabler of the Oakland Raiders was named the National Football League's Most Valuable Player for the 1974 season by The Associated Press today.

Stabler, who earlier this week was named the Offensive Player of the Year, also heads the All-Pro team announced Wednesday.

A left-hander who led the NFL with 25 touchdown passes during the regular season, Stabler was an easy winner in the AP poll of sports writers and broadcasters who cover the NFL.

He received 36 of a possible 78 votes, easily outdistancing Terry Metcalf of the St. Louis Cardinals, who was second with 10. Minnesota's Chuck Foreman finished third with five.

Stabler led the Raiders to the American Conference

backfield are running backs Otis Armstrong of Denver and O. J. Simpson of Buffalo.

Armstrong was the NFL rushing champion with 1,407 yards and Simpson gained 1,125. Simpson, last year's MVP when he set an NFL rushing record with 2,003 yards, received just one MVP vote this season.

A graduate of the University of Alabama where he learned his football under Bear Bryant, Stabler was the Raiders' second round draft selection in 1968.

He was a reserve until 1973, starting only two games.

In 1973, he won the Oakland quarterback job from Daryle Lamonica, taking over in the season's third game and starting the last 11. Under Stabler, the Raiders were 9-2-1 that year and then 12-2 this season.

MISPLACED BALL — David Boles (43) and Ernest Lawrence (32) from Howard College seemingly fail to find the rebound handle to the ball in final round of ABC play with Panola Wednesday night in the Hawk gym. Panola's Gregory Bouyer stands pat. The Ponies won the olympic style tournament by upending defending champs, Howard College, 104-84.

PRESSURES MOUNT

Grant Creates Another 'Issue'

NEW ORLEANS (AP) — Has Coach Bud Grant created another "issue," another smokescreen to divert attention from the mounting pressures of a Super Bowl game, another way of psyching up his Minnesota Vikings? It looks that way. It appears he's found his new, improved version of "sparrows in the showers," and this time the sparrows seem to be roosting on quarterback Fran Tarkenton's valuable right arm.

Last year, when Super Bowl week was threatened with being enveloped by a mammoth yawn, Grant came up with an issue, what he called the Vikings' less-than-satisfactory practice facilities. Eventually, the whole thing was characterized by Grant's throwaway line about sparrows.

This week, too, was being underwhelmed by the ritualistic pregame practices and news conferences as the Vikings and Pittsburgh Steelers prepared for Super Bowl IX. Only briefly did something newsworthy surface.

First it was the viral infection that has hospitalized Pittsburgh defensive end Dwight White for four straight nights. Then it was Tarkenton's brief verbal swipe at Oakland's Ken Stabler and Miami's Paul Warfield, who had badmouthed both Super Bowl teams. Then it was the calf injury that is likely to keep Minnesota offensive tackle Charles Godrum out of Sunday's National Football League championship game

at Tulane Stadium.

Still, there was no focus for anyone's attention. There were no sparrows. On Monday, someone had asked Grant whether he had some more birds hidden up his sleeve — if he had another issue.

"It's gonna be a long week," he replied, "and if we can think of something, we'll let you know."

On Wednesday, he did... or so it would seem. Halfway through the daily briefing session Grant Tarkenton mentioned that Tarkenton had a sore arm, much as someone might suggest that it looks like rain.

Perhaps it was merely another throwaway line.

merely an observation, but probably not Grant, like all pro football coaches and clearly more than most, is a tactician, a calculating man, not given to the idle observation, the off-handed remark.

Whatever it was, it worked. The balloon of boredom was burst. Attention was focused. Here, clearly, was an issue to be dealt with.

And Grant was ready to deal with it. "Everytime he gets a sore arm, he has a great day," he said, perhaps trying ever-so-cleverly to throw the Steelers ever-so-slightly off guard.

Sports Shorts

NEWPORT, R.I. (AP) — The Newport City Council voted on Wednesday to sell 5.7 acres of land to a jai alai promoter for \$57,500.

Arthur W. Silvester, owner of the Tourism and Development Corp., which has a license for jai alai gambling, agreed to the purchase price.

Silvester has said he will build a fronton which he hopes will be open later this year.

BOSTON (AP) — Bad habits are hard to break, as Northeastern's hockey team is finding out. The Huskies took a brief 1-0 lead Wednesday night before dropping an 8-2 decision to Boston University. It was Northeastern's 33rd straight defeat at the hands of the Terriers.

Peter Marzo led the BU attack with three goals.

Bridge Smashup

MARSHALL, Tex. (AP) — A five-vehicle smashup on a fog-shrouded East Texas bridge south of here Tuesday resulted in the death of one woman and a fire that fireman from two counties fought for an hour.

State police said the wreck occurred after two trucks, one towing a mobile home and the other an oil tanker, stopped on the bridge when the drivers determined they couldn't pass each other in opposite directions.

Meanwhile, another truck loaded with logs slammed into the mobile home, police said. Following behind the log truck, a car driven by Ernest Andrews of Jefferson, Tex., was crushed by tons of logs, killing her and injuring two female passengers.

On the other side of the bridge, another automobile smashed into the oil tank truck.

About 10 minutes after the accident, spilled oil erupted into flames, consuming all the vehicles involved except the car that had been following the oil tanker.

Firemen from Panola County battled the blaze at one end of the bridge while Harrison County firemen worked at the opposite end.

Ex-New York Mayor To Wed

NEW YORK (AP) — Former New York Mayor Robert F. Wagner and Mrs. Bennett Cerf, the widow of the founder of Random House, plan to wed at the end of the month.

The marriage will be Wagner's third. His first wife, the former Susan Edwards, died in March 1964. He was divorced from his second wife, Barbara Joan Cavanaugh Wagner, in June 1971.

Wagner is 64. Mrs. Cerf's age is unavailable.

Friends said a Caribbean honeymoon is planned.

Septuagenarian In 3 Accidents

A 77-year-old man had a bad week here. He was involved in three wrecks within two days.

His first accident occurred Tuesday and was investigated by local police. On Wednesday at 8:40 a.m., a car driven by the man struck a parked vehicle in the 500 block of Gregg. Police filled out another report. Twenty minutes later, the same driver backed into a parked vehicle on the post office parking lot and witnesses related, left the scene.

Dawson Rains Concentrated

LAMESA — Rainfall in Dawson County during 1974 totaled 18.51 inches, nearly two inches above the 50-year norm. The average rainfall for the past half century was 16.55 inches.

Of the 1974 amount, 6.85 inches fell during an 11-day period in September — too late to do the Dawson County cotton crop much good. The October measurement was 4.20 inches.

Tank Is Stolen

A 250-gallon propane tank valued at \$254 was stolen from a well one mile south of Ackery, Tom Cook of the Desana Corp., Midland, told the sheriff's office today.

FOUR STAR GENERAL — General Russell E. Dougherty, commander in chief of the Strategic Air Command, is shown with his son, 2nd Lt. Bryant Dougherty, a member of UPT Class 76-03 at Webb, and Col. Robert A. Owens of the 78th Flying Training Wing at Webb. General Dougherty was here from Offutt AFB, Nebraska, for a promotional briefing to Webb's student and instructor pilots.

Briefing Given Pilots By Commander Of SAC

Gen. Russell E. Dougherty, commander in chief of the Strategic Air Command (SAC), and a team of SAC officers presented a promotional briefing to Webb's student and instructor pilots here Wednesday.

During the presentation, Gen. Dougherty and his briefing team explained the various missions performed by SAC fliers and their responsibility towards world peace. The SAC commander noted that, as the nation's major nuclear deterrent, with bombers, tankers and reconnaissance aircraft and intercontinental ballistic missiles, SAC fliers hold an awesome responsibility.

The briefing at Webb held special interest for Gen. Dougherty because his son, 2nd Lt. Bryant Dougherty, a member of UPT Class 76-03 here, was among the student pilots attending the presentation. Lt. Dougherty is expected to receive his pilot's wings in October this year. His twin brother, 1st Lt. Mark Dougherty, is a pilot stationed at MacDill AFB, Fla.

DEATHS James Gillespie Succumbs Today

James E. Gillespie Jr., Gamco vice president in charge of the Creative Visuals division, died this morning in Methodist Hospital in Lubbock where he has been under treatment for head injuries suffered in a Dec. 9 traffic mishap here.

Arrangements are incomplete at Nalley-Pickle Funeral Home, but services will be Saturday, with burial in Trinity Memorial Park.

Mr. Gillespie had been unconscious since a collision at IS 20 south access and Snyder Highway.

Surviving are his wife, the former Sue Edwards, to whom he was married June 3, 1942. Surviving are three children, a daughter, Suzanne, Big Spring, and two sons, Dan Gillespie, Lubbock, and George Gillespie, Big Spring.

Mr. Gillespie came here in July 1966 when he joined Gamco in the Creative Visuals field. He took his bachelor's degree with a science major from Auburn University, then earned his masters in audio-visuals from the University of Alabama.

During World War II, he was in the Army Air Force intelligence, hopping across the Pacific theatre from New Guinea to Japan. Retiring as a captain, he returned to high school teaching and became audio-visual aid supervisor for the Tuscaloosa, Ala. schools and instructed during summers at the University of Alabama. Recalled to service, he was an ROTC instructor, then became associated in 1959 with

JAMES GILLESPIE

General Analine and Film Corp. in New York in work paralleling that of Creative Visuals.

He was a member of the First Baptist Church and active in its children's division, was a former member of the Downtown Lions, and was a deacon.

Mrs. Jackson

LAMESA — Services for Mrs. Ruby Lee Jackson, 76, will be at 3 p.m. today in the North Ridge Methodist Church with the Rev. Julius E. Early, pastor, officiating. Burial will be in Lamesa Memorial Park under direction of Branon Funeral Home.

She died at 2:37 p.m. Wednesday in Medical Arts Hospital following a brief illness.

A native of Alabama, she married Frank Jackson, July 2, 1916 in Waxahachie. She was a Methodist.

Survivors include her husband; two sons, Raymond Jackson of Lubbock and Fred Jackson of Lamesa; two daughters, Mrs. Raymond Kinnison of Hobbs, N.M., and Mrs. Jim Bob Booth of Dalhart; four sisters, Mrs. Bob Chapman of Sacramento, Calif., Mrs. J. B. Elliott of Las Vegas, N.M., Mrs. Ruth Gray of Aletto and Mrs. Lettie Rogers of Abilene; a brother, Howard Baker of Hurst; 15 grandchildren; and 25 great-grandchildren.

Natural Gas Cutbacks Inquiry

WASHINGTON (AP) — An investigation has been launched by the Federal Power Commission into natural gas cutbacks by Transcontinental Gas Pipeline Co.

The Houston-based firm is a major gas pipeline operating in states from Texas to New York.

The announcement came Wednesday as FPC hearings continued into gas curtailments by Tennessee Gas Pipeline Co., another major interstate pipeline.

The FPC, in both cases, is investigating massive natural gas curtailments this winter to industrial customers as a result of the national natural gas shortage.

The federal agency said the probe of Transcontinental Gas began because its gas curtailments this winter appeared to be "far in excess of projected amounts."

A number of Transco customers complained that the curtailments had produced severe economic hardships.

The city of Danville, Va. protested that the curtailment resulted in a 55.5 per cent cut of Danville's natural gas supply and Danville city officials said the action threatened some 10,000 jobs at the city's four major industries.

Public hearings in the investigation were to begin Jan. 27 and Transco was ordered to produce records.

The FPC said the records sought would include listings of Transco's over-all natural gas supplies, changes in production levels, storage inventories and all additions and withdrawals from those inventories for the past year.

Workers Can Consult Their SS Records

The Big Spring office of the Social Security Administration says there is a simple way to find out where you stand with the government in terms of lifetime earnings on social security records.

According to Don

Ford Mulls Supplemental Help For South Vietnam

WASHINGTON (AP) — The Ford administration, responding to a South Vietnamese call for help, says it is considering supplemental assistance to the Thieu government.

State Department press officer Robert Anderson said Wednesday that President Ford and his advisers have the matter in under intense consideration.

South Vietnamese officials have asked for an increase in U.S. military aid to help counter the thrust of the Communist offensive that has resulted in the fall of Phuoc Long province.

SHORT RATIONS The Ford administration asked for \$1.4 billion in military aid to South Vietnam for the current fiscal year. Congress authorized \$1 billion — then cut the amount to \$700 million.

The administration has been quietly preparing the way to introduce a \$300 million supplemental request to restore the cut, which Congress made last month.

Congress has similarly cut military aid for Cambodia approximately in half — compared to authorizations for the past year.

A \$200 million ceiling was placed on U.S. aid to Cambodia, plus another \$47 million worth of military equipment, which can be drawn from Defense Department stocks.

Since the Communist offensive that toppled Phouc Long, ammunition, artillery and aviation fuel have been on short rations, according

THEFTS

On Malone and Hogan parking lot, Donny Nichols reported a CB Radio valued at \$130 removed from his vehicle. Discovered at 5:21 p.m. Wednesday.

On Malone and Hogan parking lot, Janice Wade, 1904 E. 25th, reported the theft of tape player and speaker from her vehicle. Discovered at 5:55 p.m. Wednesday.

State Wide Mobile Homes, 710 W. 4th, reported a break-in and theft of two lamps and chains, and eight ball type lights.

MISHAPS

Whipkey Road: Harold Dean Spencer, 1310 Lexington, in one vehicle accident, 8:57 p.m. Wednesday.

300 block of Main Street: William A. McMahon, 633 Tulsa and pickup that left the scene, 4:30 p.m. Wednesday.

Cattle Stray

James Gilbert told the sheriff's office 13 head of cattle strayed from a pasture near the Andrews Highway 10 miles west of Big Spring in the last several days.

to the South Vietnamese. The Viet Cong said the attacks caused heavy civilian casualties.

Heavy fighting spread today to South Vietnam's central coastal plain.

The Saigon command said

North Vietnamese and Viet Cong troops attacked government positions 300 miles northeast of the capital, but that the attacks were repulsed.

In Cambodia, field reports said government forces retook a strategic hill outside Phnom Penh.

The Cambodian command said 16 Buddhist nuns were found in a nearby pagoda and raped and murdered by Khmer Rouge troops.

CR '75 Glimpse Will Be Given

DEAD — David M. "Carbine" Williams, 74, died in a Raleigh, N.C., hospital Wednesday of bronchial pneumonia. He was 74. Williams developed the M1 carbine rifle used by U.S. armed forces in World War II.

Taxpayers Could Be Injured Youth In Galveston

A fourteen year old Sand Springs youth, Bobby Addy, is undergoing treatment in the Shrine Burns Institute in Galveston after losing a portion of his left hand in a fireworks accident at Sand Springs Dec. 18.

Addy, son of Mr. and Mrs. William Addy, was playing with firecrackers and a pipe and hammer with another fourteen year old, Mike Roeber. The Roeber youth, who lost the first joint of his index finger, was treated and then was released.

Young Addy lost the three middle fingers of his left hand.

The Big Spring Shrine arranged for the youth to be flown to the famous burns center. Dec. 27.

Auto Burglaries Are Cleared Up

Five auto burglaries were cleared up here this week by city juvenile officers in cooperation with the county juvenile and probation office.

Four of the burglaries were cleared up through statements of a 15 and 16 year old youth and the fifth was cleared with the arrest of another 16 year old early today.

All five involved tape decks, speakers or tapes taken from automobiles parked in the city at different times.

Taxpayers Could Be Injured Youth In Galveston

another taxpayer" to lessen liability; established trusts for limited periods, swap rather than sell.

Wilson also cautioned taxpayers to plan their estates so that upon death the survivors will not be faced with confiscatory taxes. One way is by gifts (both husband and wife can make annual gifts of \$3,000 per child which are tax-free to recipients), ownership of the other spouses life insurance, or perhaps bequeathing the wife a life estate in rather than total ownership of an estate.

Directors of the club will meet Thursday evening, said Aubrey Bryans, president. Jim Lemons, member of the club and current District 2A-1 governor, reminded of the mid-winter conference at Junction Saturday.

AHA Conclave Slated Friday

Plans for the annual campaign of the American Heart Association will be discussed with committee chairmen at a special meeting set for 12 noon Friday at the Holiday Inn.

Dr. Larry Key, Howard college occupational education dean, is campaign chairman. Dr. David Logan is chairman of the Howard County chapter.

Perk Up Pork Ribs With Sweet 'N Sour

Country living in the city! It's possible with a meal centered around country ribs of pork. These meaty ribs along with lots of sweet potatoes and lima beans fill the order for the hearty country style dinner.

Today, country ribs are most popular. They have a high proportion of lean meat to bone or fat making them good buy. These cuts are made from the blade end of the rib roast by splitting diagonally through the meaty rib eye. This leaves a portion of lean on the backbone and nearly an equal amount of lean pork on the small ribs. Allow about three-fourths pounds of country ribs per serving.

Pork has excellent nutritional benefits. It's the richest food source of thiamin and provides protein of the highest biological value. And it's a good source of iron, vitamin B6, niacin and riboflavin.

Pork ribs, prepackaged as they come from a self-service market may be stored in the refrigerator for about 3 to 5 days. For longer storage, most people prefer to remove the store wrap and rewrap the ribs in special freezer material. The frozen ribs may then be stored up to 4 months at 0 degrees F. or colder.

To dress up the ribs add a colorful sweet-sour sauce. It's so easy to make. Simply combine canned sweet-sour sauce, chopped green pepper, pineapple chunks and marachino cherries. Cheese-nut garnish with parsley make this country or city meal irresistible.

COUNTRY RIBS SWEET 'N SAUCIE

4 pounds Ribs of Pork
Salt and pepper
1 pound can (2 cups) sweet and sour sauce
1 1/2 ounce can pineapple chunks, drained
1/2 cup chopped green pepper
1/2 cup marachino cherries, optional

Arrange country ribs in heavy casserole or skillet. Sprinkle with salt and pepper. Place uncovered in 350 degree F. oven for 1 hour. Remove from oven and pour off any fat. Pour sweet and sour sauce and fruit over ribs. Cover and return to oven, continue to cook until meat is fork tender, about 1 hour.

Sausage And Apple Bake

Savory pork sausage patties with cinnamon-sugared apple slices can come to breakfast, lunch or supper! The dish has a simple goodness which appeals either by itself or in combination with other foods.

For patties which are at their palatable best, shape and brown the pork sausage patties before they're placed on top of the apples for baking.

SAUSAGE-APPLE BAKE

1 1/2 lbs. fresh bulk pork sausage
2 cans (20 ozs. each) unsweetened, sliced apples, drained
1/2 cup sugar
1 tsp. cinnamon
Shape sausage into 12 patties. Cook until lightly browned on both sides. Combine apples, sugar and cinnamon. Place in an 8-inch square baking dish. Arrange patties on top of apples. Bake in a moderate oven (350 degrees F.) 30 minutes. 6 servings.

King Crab Puffs Tasty Appetizer

These bite-sized Crab Puffs feature miniature cream puffs filled with a savory Alaska King crab filling. They can be made ahead and stored in the freezer to be reheated as needed.

KING CRAB PUFFS

1 (7 1/2 oz.) can Alaska King crab or 1 (6 oz.) package frozen Alaska King crab, defrosted
1 (3 oz.) package cream cheese, softened
1-3rd cup dairy sour cream
2 tbsps. chopped pimiento-stuffed olives
1 green onion, minced
1/4 cup grated Parmesan cheese
1/4 tsp. seasoning salt
Miniature cream puff shells
Drain crab and slice fine.

SWEET 'N SAUCIE country ribs of pork are most popular today served with sweet potatoes and lima beans. Pork has high nutritional values, too.

Ham Salad, Avocado

Leftover ham from holiday festivities may be used this good way.

3 tbsps mayonnaise
1 1/2 tpsps. prepared onionbit yellow mustard, from a 9-ounce jar
1 cup diced baked ham
1/2 cup diced celery
Medium avocado
Lettuce or watercress

In a small bowl stir together the mayonnaise and mustard; mix in ham and celery. Halve avocado lengthwise, peel and pit; slice halves crosswise into crescents. Arrange each sliced avocado half on lettuce on a salad plate; add ham salad. Makes 2 servings.

Apple Slices

Good fruit accompaniment with ham are Glazed Apple Slices, easily prepared with this simplified method. Core 3 to 4 Washington Delicious apples and cut into thick slices. Do not peel. Dip apple slices in granulated sugar to coat. Heat 3 or 4 tablespoons butter (or margarine) in medium-sized frying pan. Sauté apple slices lightly, about 10 minutes or until tender and glazed, turning once.

MINIATURE CREAM PUFF SHELLS

Heat 3/4 cup water, 1-3rd cup butter and 1/2 teaspoon salt to brisk boil. Add 3/4 cup flour all at once, stirring until mixture forms a ball and leaves sides of pan. Remove from heat. Add 3 eggs, one at a time, beating until thick and satiny after each addition. Drop by teaspoonfuls on buttered baking sheet. Bake in 400-degree oven 25 to 30 minutes. Cool on rack.

Ground Beef Rates High With Teeners

Give them ground beef in one form or another — they're happy to eat, say mothers of teenagers. They consume it in hamburgers, pizzas or spaghetti sauce.

This special open-face sandwich gives them ground beef in a variation of old favorite Sloppy Joes, says Reba Staggs, meat authority. As such, it furnishes the complete protein which young people need both to build and repair body tissues.

Mushroom soup replaces tomato in this version and English muffins are used instead of buns.

TEEN-AGE SPECIAL
1 1/2 lbs. ground beef
1/2 cup chopped onion
1-3rd cup green pepper strips
2 tbsps. lard or drippings
1 can (10 1/2 oz.) condensed mushroom soup
1/2 cup milk
1/2 tsp. salt
6 large English muffins, split and toasted
Paprika

Cook onion and green pepper in lard or drippings until tender. Add ground beef and cook until browned. Pour off drippings. Combine soup, milk and salt and add to beef mixture. Cook until heated through, about 5 minutes. Serve on toasted English muffins. Sprinkle with paprika. 4 to 6 servings.

Broccoli, Tuna Bake

You may want to use a less expensive kind of tuna than the one we suggest.

1 can tuna (about 8 ounces) packed in olive oil
2 tbsps flour
1 cup milk
1/2 tsp salt
White pepper to taste
4 servings cooked fresh broccoli
1/2 cup grated Parmesan cheese

Drain off from tuna into a 1-quart saucepan and use it to make a white sauce with the flour, milk, salt and pepper. Separate the flowerets on the broccoli and slice the stems — they should be peeled before cooking; arrange in a shallow baking dish (about 1 quart.). Break up tuna and strew over broccoli; add sauce. Sprinkle with Parmesan. Bake in a preheated 350-degree oven until hot through — about 15 minutes; if necessary, brown quickly under broiler. Makes 4 servings.

Chicken Cooking Contest Slated

Chicken is easy to digest — it is a short-fibered meat that is great for the children and the elderly.

Chicken also makes it easy to win \$10,000. That is the grand prize awarded at the National Chicken Cooking Contest each year. Just enter your idea for cooking broiler-fryer chicken.

Muffins Add To Branch

A special part of a Sunday brunch of tomato juice, ham steak and poached eggs, can be these delicious pineapple muffins.

PINEAPPLE MUFFINS
2 cups sifted cake flour
3 tpsps. baking powder
1/2 tsp. salt
1/4 cup butter
1-3rd cupsugar
1 egg
1 can (about 8 ounces) sweetened crushed pineapple, undrained.

On wax paper sift together the cake flour, baking powder and salt. In a medium mixing bowl cream butter and sugar; beat in egg thoroughly. Add flour mixture and undrained pineapple; stir only enough to moisten dry ingredients. Fill greased medium muffin-cup capacity about 3/4 full. Bake in a preheated 425-degree oven until cake tester inserted in center comes out clean.

Recipes must be mailed by April 1 to the National Chicken Cooking Contest, 614 Madison Building, 1155 15th Street, N.W., Washington, D.C. 20005. If name, address, birth date and telephone number are written on the front page of the recipe, an official entry form is not required. You must be 18 years old or over to enter.

Snacks To Make Far In Advance

A meaty snack type sandwich offers good appetite satisfaction when served with a mug of hot chocolate, tea or freshly brewed coffee.

There's distinctive flavor in a combination of deviled ham with cream cheese and apricot preserves, points out Reba Staggs, home economist. These can be put together 6 to 8 hours in advance of serving.

HAM GEMS

2 cans (2 1/2 ounces each) deviled ham
Salad dressing
8 slices white bread
4 lettuce leaves
1 package (3 ounces) cream cheese, softened
1 tbsps milk
4 slices whole wheat bread
Butter or margarine
1/4 cup apricot preserves
Spread salad dressing evenly on one side of 4 white bread slices. Spread deviled ham over salad dressing. Top with lettuce leaves. Combine cream cheese and milk. Spread on one side of whole wheat bread slices. Place plain side down on lettuce leaf. Spread butter or margarine on one side of remaining white bread slices. Spread apricot preserves over butter or margarine, using 1 tablespoon preserves per bread slice. Place on top of cream cheese, preserve side down. Cut each sandwich into thirds or quarters. Yield: 4 triple deck sandwiches.

Oatmeals

Based on prize winning recipes from
our first Big/Little recipe contest

Wilma Shafer's OATMEAL HAWAIIAN BREAD

4 eggs
1 1/2 cups sugar
2 1/2 cups flour
2 tsp. salt
2 tsp. soda

1 1/2 cups 3-MINUTE BRAND OATS
2 1/2 cups (20 oz.) crushed pineapple, undrained
3 cups (10 oz.) flaked coconut

Combine eggs and sugar and beat until light (about 2 minutes). Sift flour, salt and soda. Add to egg mixture and blend until smooth (about 2 minutes longer). Add remaining ingredients and mix very well. Spoon into two greased and floured 9 x 5 inch loaf pans. Bake at 325° F. for one hour. Remove from pan immediately and serve warm or cold.

Nation's Railroads To Resist Union Demands

WASHINGTON (AP) — The nation's railroads, threatened with strikes against five major carriers later this month, say they have no choice but to resist what they say are unreasonable union demands.

STRIKE NOTICE
The railroads responded after the Sheet Metal Workers International Association served formal strike notices Wednesday on

the Union Pacific, Missouri Pacific, Texas Pacific, Baltimore & Ohio and Seaboard Coast Line railroads.

All five carriers were notified they would be struck at 12:01 a.m. Jan. 24 because of lingering unsettled issues from the 1973 industry-wide agreement, portions of which have never been accepted by the sheet metal union.

Appraisal Board Won't Convene

The joint tax appraisal board has decided not to meet today, as was provided in the contract, Dr. Charles Hays, president of Howard College, said.

The board, composed of representatives from the city, schools, college and county, is waiting for more applications for the chief appraisal position.

BS Delegation To Attend Ball

Around 40 or 50 Big Spring Shriners will travel to San Angelo Saturday for the Potentate's Ball, honoring the Suez Temple incoming potentate, Dr. Sam Harris, San Angelo.

Expected to attend the event are local president Kenneth Patrick, local vice president Harry Nagel and three Suez Temple past potentates, George Bair, Ted Groehl and Cecil McDonald.

The Suez Temple includes some 2,400 shriners in 33 counties, including 200 shriners in Big Spring.

Three To Scout Costal Area

Tom Locke, Ralph McLaughlin and Ron Mercer will be leaving Big Spring soon for a two-day "prospecting" trip to the Los Angeles area representing the Big Spring Industrial Growth and Development Board.

Mercer, chief executive officer of the board, said that they have specific places to go and people to see in the West Coast area. McLaughlin is the Chamber president, and Locke is a vice president.

Further information about the prospects could not be released.

Hope Appears In Brownwood

JANUARY 9 & 16, 1975

sheet metal workers on all railroads for the duration of the threatened strike.

The strike notices were filed as representatives from all 17 railroad unions and the National Railway Labor Conference, the industry's bargaining arm, resumed joint contract talks for the first time since mid-December. The unions represent 560,000 rail workers nationwide.

MORE PRESSURE
The threat of a strike is expected to increase pressure to reach a settlement on both the carry-over issues with the sheet metal union and a new national contract with all of the unions.

Only the sheet metal union is legally free to strike as it technically is still negotiating issues that were settled with the other unions in 1973. The other 16 unions

are subject to the lengthy mediation procedures under federal railway labor law, which include a 60-day cooling-off period before a walkout.

However, J.W. O'Brien, sheet metal workers vice president, said he has commitments from other unions to honor his union's picket lines.

The unions are seeking an initial 20 per cent wage boost and a 15 per cent increase the second year, plus a cost-of-living escalator clause and other fringe benefits. They previously rejected an industry offer of a 9 per cent pay hike with 3 per cent more in each of the second and third years of a new contract.

Railroad workers currently average \$5.77 an hour, according to the industry.

(AP WIREPHOTO)

OPERA STAR DIES — Richard Tucker, renowned tenor with the Metropolitan Opera, died of a heart attack Wednesday in Kalamazoo, Mich. The 61-year-old singer was to have performed at a concert later in the day.

Postmaster General Quits After Criticism Barrage

WASHINGTON (AP) — Benjamin F. Bailar has been named to succeed Elmer T. Klassen, who is quitting as postmaster general after a barrage of criticism about postal service and rates.

"My only reservation in stepping aside is that it may appear I am yielding the battle to the critics of the Postal Service. Nothing could be less justified," Klassen said Wednesday in a statement accompanying his resignation.

\$60,000 JOB
The Postal Service's board of governors named Deputy Postmaster General Bailar to succeed Klassen in the \$60,000-a-year position.

Klassen, 66, became head of the agency Jan. 1, 1972, six months after it was removed from political control and turned over to business-type management. It was a stormy 3-year tenure.

A House committee said last year that the reorganized Postal Service "has failed to noticeably improve the quality of mail service."

ELMERKLASSEN

In addition, the service's operating deficit has doubled and the cost of first-class mail has increased by 25 per cent, the committee said.

A congressional investigation concluded last month that the Postal Service circumvented regulations and encouraged favoritism, inefficiency and waste.

The service had a deficit of \$438 million in the last fiscal year, not counting \$1.75 billion of government subsidies to cover normally money-losing services.

IN THE RED
Klassen has said the postal deficit could double in the current fiscal year and predicted a boost to 13 cents in the cost of mailing a first-class letter by July 1. The rate rose last March from 8 to 10 cents.

Klassen, who gave no details of his future plans, is a former president of the American Can Co. His resignation is effective Feb. 15.

Bailar, 40, also was an executive of the American Can Co. before joining the postal service in April 1972. He has been deputy postmaster for little more than a month.

Medal Awarded J. H. Richards

Tsgt. James H. Richards, 79th Field maintenance Squadron at Webb AFB, received the Air Force Commendation Medal here during a special retirement ceremony. The ceremony turned out to be a family affair as Tsgt. Richards' son, Airman First Class Charles H. Richards, was able to take leave from technical training school and attend the rite.

Tsgt. Richards' retirement culminated nearly 23 years of Air Force service. The Finley, Tenn., native has been stationed at Webb since August 1971. During his assignment here, he has served as the NCOIC of the Precision Measurement Equipment Laboratory (PMEL).

AIC Richards is currently attending precision measurement equipment technical training at Lowry AFB, Colo. Tsgt. Richards and his wife, Joanne, reside in Big Spring and have two children. Charles, an 18-year-old, is a senior at Big Spring High School. Tsgt. Richards noted that his retirement plans were indefinite.

Editors: Presidential politics will play an important behind the scenes influence on Texas legislators as they consider a number of urgent changes in state laws covering elections and campaign practices during the 1975 legislature. Here, in another of the AP's pre-legislative stories, are the highlights of the expected legislative proposals.

By GARTH JONES
Associated Press Writer

AUSTIN (AP) — Presidential politics will be a hot subject for Texas legislators the next few months as they try to change some of the ground rules for the 1976 elections.

Whether Texas has a presidential primary in 1976 to help along the presidential ambitions of Sen. Lloyd Bentsen, D-Tex., will be one of the hotly debated issues at the 181st session of the legislature, which opens on Jan. 14. The first meal will be breakfast on the morning of Jan. 15. Classes begin at 7:30 a.m. Monday, Jan. 20.

TEXANS WILL TRY TO REWRITE RULES FOR 1976 ELECTIONS

Presidential Politics Marked 'Urgent'

to allow an easy purge of dead and out-of-state voters, and that something be done to make the new campaign reporting laws more palatable.

CONFUSED CODE

"Our election code is hopelessly confused," said Rep. Ed Harris, D-Galveston, chairman of the 1973 legislature's elections committee. "It is impossible

to act under it without coming in conflict with some provision."

"Many actions of our election code have been made obsolete and in direct conflict with court decisions," said Secretary of State Mark White, the state's chief elections officer.

The presidential primary issue got new attention recently with reports that Bentsen's office wanted a presidential primary in Texas to help him along if he makes a 1976 presidential bid.

Students Report Through Jan. 18

LUBBOCK — Registration for the spring semester at Texas Tech University will begin Wednesday, Jan. 15, and continue through Saturday noon, Jan. 18. Residence halls will open at 10 a.m. Tuesday, Jan. 14. The first meal will be breakfast on the morning of Jan. 15. Classes begin at 7:30 a.m. Monday, Jan. 20.

GOOD CHANCE

"We should have had a presidential primary at least 20 years ago," said Rep. Dan Kubiak, D-Rockdale, one of at least two legislators who plan to introduce presidential primary bills. Kubiak said he talked to Bentsen "about my bill two years ago and he indicated he was very strong for it at the time...I think it has a pretty good chance now."

Sen. Oscar Mauzy, D-Dallas, a long time fighter for election law changes, said he would again introduce a presidential primary bill, along with proposals to have the party primaries in September instead of May and to require voter registration by party affiliation. "It looks better every year," Mauzy said.

Mauzy also hopes to correct what he thinks is an inequity caused by the new four-year terms for Texas governors. State law says the number of delegates elected to party conventions will be based on the last general election vote for governor. "Election returns four years old would be out of date and totally irrelevant," he said. He proposes that delegate strength be based in presidential election years, like 1976, on the last general election vote for governor, then in non-presidential election years base it on the

last general election vote for president.

VOTING ROLLS

The Secretary of State's office estimates that thousands and thousands of names on voter rolls now belong to dead persons or those who have moved out of the precinct—maybe to register again, and again, in other precincts. The legislature will be asked to make a law change calling for an easy purge of the rolls. Every two years, before elections, a county tax assessor-collector would mail a postcard to each listed voter. If the card is not returned, the name is left on the roll. If the card is returned with no forwarding address, the name is stricken. If the card is returned with a forwarding address, another card is sent informing the voter he must register again with his new address.

Another suggested change would have the state finance

primaries permanently along the same lines as the two-year bill passed by the 1973 legislature. Political candidates would continue to help pay for the elections with filing fees ranging from \$50 at the local level to \$1,000 for governor, U.S. Senator and other statewide jobs. The state would pay the rest of the cost.

The proposed bill would call for separate voting places for Democrats, Republicans and any other party holding primary elections. White, who often speaks for Gov. Dolph Briscoe, has come out several times against unitary primaries, saying they would open the door to intimidation of voters and would be less efficient than the multiple polling place system.

The secretary of state also has recommended that any political party getting 10 percent of the vote for governor

be given the option of naming its candidates by convention or by primary. If a party gets 20 per cent it must hold a primary, the current provision.

Another hot issue will be proposed revisions in the new political campaign reporting law. Both the secretary of state and the House Elections Committee are agreed that political action committees, which operate this year around, should be treated differently from political committees formed just for one election to support one candidate or measure.

Common Cause, which calls itself the "citizens' lobby," says it will push for an amendment to the reporting measure that would set a limit on the amount of campaign contributions for state legislators, similar to the new campaign limits for presidential candidates. However, the House Elections Committee vetoed such a proposal saying it would be "an incumbency protection act."

Cinema Has Unique Film

"Birth of a Legend" combines the multiple difficulties and dangers of making a movie with animals in their natural habitats.

The family motion picture opened Tuesday at the Cinema Theatre.

Renowned wildlife motion picture maker, Dick Robinson spent countless hours photographing thousands of feet of wildlife action footage in natural environments. Animal photography of this realm involves the need for an abundance of patience, time and ultimately luck to present an authentic picture story that captures the splendor of a natural environment.

Authentic footage was just part of the sensational film action. Many confrontations, which turn out to be adventures in their own right, occurred between the actors and trainers while handling and preparing sequences with larger semi-tame animals. Cougar clawings, rips from the fangs of large wolves, and skirmishes with large kodiak and grizzly bears kept the cast and crew on their toes.

These half-tamed animals when fully rested, in familiar surroundings and with their trainers, are usually not dangerous. They do, however, have an innate fear of most humans. It is not surprising, therefore, that they do not understand when they are required to perform after long journeys, in varying seasons.

No Planes Hit At Webb AFB

Security officers at Webb AFB said late Wednesday that four bullet slugs were found on a runway in the vicinity of planes parked on a ramp but, contrary to reports circulated previously, no aircraft was struck.

The origin of the shots have yet to be determined but there is no indication the planes were being fired upon. The bullets were taken to Austin for ballistic checks.

Gaver Will Be Guest Speaker

Kenneth Gaver, M.D., Commissioner of the Texas Department of Mental Health and Mental Retardation, will be the guest speaker at the annual Awards Luncheon honoring volunteers in the Big Spring State Hospital, Thursday, at noon Jan. 16.

The program will include the presentation of the Jack Y. Smith Award, presentation of special pins and bars, and the installation of officers.

The luncheon will take place in the auditorium of the Allred Building on the state hospital campus.

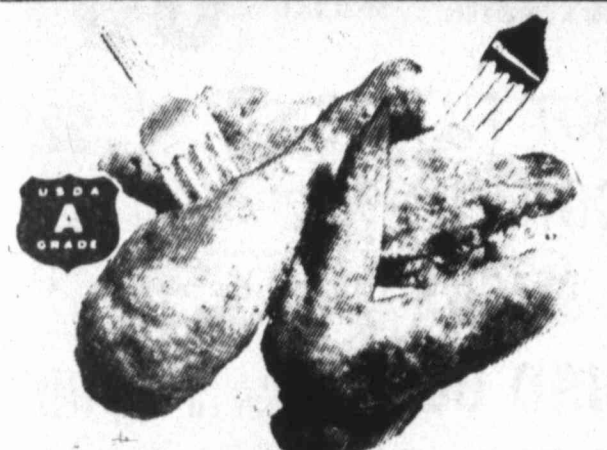

Resigns Post

PADUCAH — Chief of Police Jim Garvey, appointed to the post less than one month ago, said he was submitting his resignation because he had become disillusioned with his job.

Garvey cited the behavior of some citizens following arrests he made as a factor in his decision. Prior to coming here, Garvey had served as a policeman in Lake Worth for one year. He is a graduate of the North Texas Police Academy.

Abortion Decision

OLYMPIA, Wash. (AP) — A woman under age 18 should not be subjected to "absolute and potentially arbitrary parental veto" if she wants to have an abortion, the state Supreme Court has ruled.

In a 5-4 ruling Tuesday, the high court said the parental permission requirement in Washington's abortion law is unconstitutional.

The court overturned the conviction of Dr. A. Frans Koome, a Renton physician who performed an abortion on an unmarried 16-year-old woman without her parents' permission.

Names Of U.S. Domestic Radicals Provided CIA

WASHINGTON (AP) — Assistance Administration, said the names of domestic radicals were provided to the CIA with a request that the spy agency increase its surveillance of these people while they were on trips abroad.

INITS FILES
It could not be learned whether the names supplied by the Justice Department

were the same ones mentioned in a recent New York Times story alleging that the CIA conducted illegal domestic surveillance on antiwar activists and had the names of 10,000 Americans in its files.

Devine said he supplied the names while he was head of the Interagency Domestic

Intelligence Unit in the Justice Department. He said he gave them to Richard Ober, a senior officer in the CIA's counterintelligence division. The Times named Ober and his supervisor, James J. Angleton, as managers of the CIA's alleged domestic surveillance program.

Devine said the names included members of the Black Panthers, the Weathermen, the Students for a Democratic Society, some Arab organizations and other New Left groups.

The names had been compiled by the FBI as part of its monitoring of domestic demonstrators and violence-prone radicals, as well as in investigations of anti-riot violations and threats against government personnel and property, Devine said.

"Quite a few of them were going overseas, particularly to meetings in Europe," Devine said. "We wanted CIA to increase their coverage of them there to see who they were meeting, what they were planning, whether they were getting foreign training in sabotage and other foreign support," Devine said.

Devine said he had two meetings with Ober, one to turn over the list and another to discuss mechanics of CIA surveillance. "There were problems, because they weren't leaving from New York. Most were leaving from Canada or Mexico City and CIA had limited manpower," Devine said.

The CIA reports on foreign activity were channeled back to the FBI, Devine said.

MONEY WOES TALK OF TOWN Dallas Citizens Start To Rally Around Mayor

DALLAS (AP) — Dallas citizens are beginning to rally around their personable young mayor, Wes Wise, whose financial woes are the talk of the town.

Wise, 45, a former television sports caster, is serving his second term as mayor, a part-time post that pays \$50 a week. He is up for re-election in April.

Gordon McLendon, a millionaire broadcaster and theatre owner, has announced plans for a \$10-a-head reception Jan. 30 to retire Wise's debts, estimated at about \$75,000. McLendon himself has purchased \$1,000 in tickets.

(AP WIREPHOTO)

WE ARE PROUD
"I've known Wes over 20 years and I think he's worked like the devil," McLendon said. "I think the average person identifies with him very much. We are

proud, not embarrassed, that we have a mayor who is obviously not on the take." Wise's financial troubles sprang to attention last week when his battered, bumperless 1966 Volkswagen—estimated to be worth \$50—was seized and sold at a sheriff's auction to satisfy part of a \$30,000 court judgment obtained by two creditors.

Tavern owner Bill Martin, who said he didn't even know the mayor, bought the car for \$700, then had it returned to Wise's home. "The whole thing's ridiculous," he said. "You know the guy has to be honest, driving a beat-up old thing like that."

New Oil Wildcats

AUSTIN, Tex. (AP) — Wildcat oil drilling picked up in Texas in 1974, the Railroad Commission reported Tuesday.

Seven wildcat oil wells were drilled in the final two weeks of 1974 for a yearly total of 268, or 42 more than the previous year.

Eleven wildcat gas wells were drilled in the two-week period for a yearly total of 339, or 20 fewer than in 1973.

The new oil wildcats included three in the Abilene district, two in the Houston district and one each in the Corpus Christi and San Angelo districts.

The new gas wildcats included six in the San Antonio No. 2 district, two in the Corpus Christi district and one each in the San Antonio No. 1 district and the Houston and San Angelo districts.

A total of 187 oil wells were completed in the final half of December for a yearly total of 5,073, or 728 more than in 1973. Eighty-nine gas wells were completed for a yearly total of 2,519, or 124 more than a year ago.

Use The Herald
Want Ads

Wise also owns a newer model station wagon and is an executive with the World Trade Center where he earns \$22,900 a year.

POLITICS?
McLendon said his plans for the fund-raising reception were conceived before the car incident. "I would suspect there are some political motives involved with relation to the car incident although," McLendon said. "If this thing is politics it has certainly backfired."

The \$30,000 judgment against Wise stems from a defunct business venture he and an associate entered with borrowed funds. Wise offered to repay half, or \$15,000, but the offer was spurned by the creditors.

The mayor said part of his financial troubles stem from his \$50 a week salary.

Other mayors around the country have asked me how I can do it. Obviously, I couldn't," he said.

Sing Sing Will Be Sewage Treatment Plant

WHITE PLAINS, N.Y. (AP) — Sing Sing, the former home of notables like Willie Sutton, John Dillinger, Al Capone, Joe Valachi and Ethel and Julius Rosenberg, will soon be a \$28 million sewage treatment plant.

Westchester County Executive Alfred D. Del Bello announced today that five acres of the "Big House on the Hudson," known officially as New York Correctional Facility at Ossining, will be purchased by the county to serve the communities

Surrenders, Escapes Jail

RAYMONDVILLE, Tex. (AP) — Less than 24 hours after surrendering to authorities, a Raymondville man escaped from the Willacy County jail early Tuesday.

Chief Deputy J.J. Reyna said Manuel Mungia, 37, surrendered to local officers Monday after a warrant was issued for his arrest. Mungia's probation on a felony conviction had been revoked.

Officers discovered Mungia missing early Tuesday, noting that he escaped from the same window used by two prisoners in an escape last year.

2nd Debut Nite-Lift Special

2nd Debut NITE-LIFT CREAM is extra rich in CEF that carries precious moisture thru the skin surface reaching dry, shrunken cells below where wrinkles really start. NITE-LIFT also contains other potent emollients that do a lot for flakiness and rough texture. Yet contains no hormones. And, it works while you sleep. Ask here for NITE-LIFT by 2nd Debut today. Save now during our January Special!

Nite-Lift Moisturizing Cream with CEF 1200, 8 oz., reg. 15.00, now 9.00
Nite-Lift Moisturizing Cream with CEF 1200, 4 oz., reg. 8.50, now 6.00
