DEMOLISHED---This pickup was demolished in an accident which occurred at an intersection in the YL community at noon Wednesday. The driver, Bobby E. Free, was hospitalized at West Plains for treatment of injuries. Jake Rodriguez, driver of the other vehicle involved, was not injured.

Two Hospitalized from Accidents

Two Separate Wrecks Leave Two Injured, Two Uninjured

UNCANNY---Mrs. Ella Pruitt was seriously injured in the automobile pictured above. Relatively little damage is visible to the automobile, however. The damage was to the right front shown on the right side, including the length of the car. Mrs. Pruitt is yet listed in serious condition at West Plains Hospital.

Two wrecks occurring the same day, Wednesday, June 5, sent two persons to West Plains Hospital and left two other persons involved in the separate accidents uninjured.

The first accident was just after 12 noon at the intersection near the Bill Millen home in the YL community, two and one-half miles east and two miles north of Muleshoe in Bailey County.

Hospitalized for cuts about the head, broken ribs and other cuts and bruises was Bobby E. Free, who farms in the YL community.

Free was traveling north, driving a 1963 Ford pickup when the collision happened at the intersection. In collision with the Free vehicle was Jake Rodriguez, driver of a 1957 Ford, traveling east. He is employed by Lewis P. Vinson.

Rodriguez was uninjured, however, in relating the accident, he said, "I sure was scared."

Mrs. Leon Lewis was following Free down the YL road and was a witness to the accident. The Free pickup overturned two and one-half times, landing upside down some distance from the point of impact.

Singleton ambulances were dispatched to the scene, however, Free had been brought to West Plains Hospital by Julio Garcia, who resides near the scene.

Doctors expect Free to be dismissed from the hospital within a few days.

The accident was investigated by Highway Patrolman Bill Angelo, Littlefield.

PRUITT ACCIDENT
During the early evening, around 6:25 p.m., Mrs. Ella Pruitt of the Oklahoma Lane community was injured in a two-car accident on U. S. 84. She was taken to West Plains Hospital by Singleton ambulance where she remains on the serious list. Doctors report that she was some improved late Friday.

The mishap occurred just west of Lariat near the construction site of a roadside park, when Mrs. Pruitt, driving a 1964 Buick Sedan turned onto Old U. S. 84 and was hit by George Colman Taylor, a Stephenville salesman.

Mrs. Pruitt was traveling east when she made the turn, and Taylor, driving a 1967 Chevrolet Sedan was traveling west. The Taylor car rammed into the front of the car.

Highway Patrolman Robert Shedd, Farwell, investigated. Taylor was not injured.

Doctors expect Free to be dismissed from the hospital within a few days.

The accident was investigated by Highway Patrolman Bill Angelo, Littlefield.

Board Reviews Water Import

The Board of Directors of Water, Inc. met May 30, at the call of the President, John Kendrick. The purpose was to review the progress being made in planning for import water to West Texas and Eastern New Mexico.

The directors present were A. L. Black, Friona; Russell Bean, Lubbock; Gene Benham, Morton; Lloyd Calhoun, Hobbs; Elwood Freeman, Lamesa; Ted Ford, Fortales, N. M.; John Kendrick, Brownfield; R. C. Godwin, Hereford; John Hickey, El Paso; George McCleskey, Lubbock; Chester Mitchell, Lockney; D. B. Nelson, Amarillo; Hoyt Pattison, Clovis, N. M.; Ray Joe Riley, Hart; J. D. Smith, Littlefield; Jim Ed Walter, Lubbock and K. B. Watson, Amarillo. Marvin Nichols, an advisory director from Fort Worth was also present.

The May 1968 Progress Report on West Texas and Eastern New Mexico Import Project Investigations was reviewed. This was considered a major milestone in the water import program as the report confirms the presence of some surplus water in the Mississippi River. Included in the conclusions of the study is the statement, "It is physically feasible to transport the projected year 2020 requirements of 16.5 million

acre-feet per year from the lower Mississippi River System to West Texas and Eastern New Mexico if it is determined that there are surplus waters in the Mississippi River to meet these requirements." The Bureau of Reclamation is continuing the study in coordination with the U. S. Army Corps of Engineers and the Mississippi River Commission of Vicksburg, Miss.

A study of Agricultural Resources Related to Water Development in Texas, prepared by the Texas A&M University Water Resources Institute was reviewed. This study is very

valuable as it contains data which points up the economic justification for the water import plan. The Board of Directors voted to express their appreciation to Dr. R. E. Patterson, Dean of Agriculture, Texas A&M University and Dr. J. R. Runkles, Chairman of the Committee also of A&M for their work in developing this report.

Amarillo was selected as the site of the 1969 membership meeting to be held February 18, 1969. The last membership meeting was held February 20, 1968 in Plainview and was attended by over 400 members from the three state area.

It's Not a Dream...It's War in Vietnam

Unless you have been there, the steaming jungles of Vietnam is something you only hear about... something you see on television and have some conception of what it's all about... but not really.

Ramon Cortinas

Guerrilla warfare is also something one might think they are familiar with, but again, unless you have been there it would be virtually impossible to actually know... to feel the presence of the unseen Viet Cong, yet the hair stands on end and the heart beats faster... waiting, because the super sense of detecting danger seldom proves wrong. The lurking shadows of the VC is concealed there somewhere and the fighting man knows the shadows will soon turn into a volley of fire, a trap of some strange device or disaster that only the VC and the jungles as their cohort can produce.

Sp/5 Ramon Cortinas arrived home on leave, living proof of what has happened and telling of what has happened in the limited information he is free to disclose.

Nine months of the time he spent in Vietnam was spent fighting the Viet Cong. Two and one-half months Sp/5 Cortinas was hospitalized with wounds.

For one of his experiences, the first time he was hit by

enemy gunfire, he was awarded the Silver Star.

The story is not a pretty one, but it is war in Vietnam. "Fighting with the 173rd Airborne division of the U.S. Army, his unit was engaged in fierce fighting near Dak To. The VC were penetrating and a buddy of mine fell... severely wounded by enemy fire.

"The bullets kept hammering away at us and knowing my buddy was still alive, I fell across him to try to save his life and therefore took the fire for a wounded comrade.

"There the fighting war ended for me for awhile as I was hit in the lower back and paralyzed for more than a week. Two bones were broken and I spent some six weeks in a hospital recovering from the wounds and learning to walk again after the paralysis left.

"For this, I was presented the Silver Star for taking fire for a wounded soldier.

"After my recovery, I went back into combat and after several months of trudging through the jungles, seeking out the VC and being sought out by them,

I was hit a second time... a less severe wound, but undoubtedly never-the-less.

"This time it was considered a flesh wound with shrapnel in the knee and hospitalization again. This occurred during combat near Tuy Hoa.

"I was there to fight and that is what I did, so it was back to the battle zones for me and there I stayed until coming home on leave May 23.

"Are we soldiers scared? YES... it would be foolish not to be. A human just does not face death by known or unknown methods without fear.

"Sometimes being afraid makes people a little more alert and active and is often credited with saving American lives. The wariness and knowledge of the working tactics of the VC keeps many of us alive, and believe me, their tactics are many.

"The earning of the Silver Star was the highlight of my fighting tenure in Vietnam. Taking the fire for the buddy was something I had to do and did of my own impulse and when I was recommended for

this award, I was pleased... very pleased," he said.

Sp/5 Cortinas also received the Bronze Star and a Meritorious Service Award.

Army officers again noted the young Cortinas was not in Vietnam just to while away the time and for another unusual deed, he was presented the Bronze Star.

Cortinas said, "Perhaps some of you are familiar with what we call 'the hump.' A fellow serviceman fell wounded some 50 meters away and isolated, for the unit was fighting on the hump. Seeing him, I went on out after him and got him back with the unit where he was evacuated and hospitalized.

"After this, I also received an Army Commendation Award for Valor.

"In Vietnam, we fighting soldiers call your 'guts' and, well, it isn't a matter of valor or guts... things move fast and you act. It is a matter of helping yourself and each other to survive. Nothing of this nature is done with the idea in the back of your mind that a

medal will be awarded, because at a time like this, although appreciated later, nothing could be further from a soldier's mind... survival and compassion for the wounded, in other words, the first law of nature "Self preservation" has a second verse on the front... preservation of your fighting comrades, when and if at all possible."

Sp/5 Cortinas leaves June 30 to return to Vietnam. Not to the battlefield, but to Cam Ranh Bay where he will work in the dispensary. He will spend six months at Cam Ranh before returning to the States to complete the 17 month tour of duty.

He is the son of Francis Fuery, Muleshoe, and is a 1966 graduate of Muleshoe High School. He was employed by Billy's Superette, in 1966, before enlisting that year.

Sp/5 Cortinas took basic training at Ft. Ord, Calif., then was sent to Ft. San Houston for medic training. From Ft. San Houston, he went to Ft. Benning, Ga., for paratrooper training.

"During this training, though

SYMPOSIUM—Bobby Julian, left, Muleshoe High School student, and science instructor Eric Smith, were among 500 of the state's top high school science students and teachers attending the eighth annual Texas Nuclear Science Symposium which ended Friday at Austin. The Texas Atomic Energy Research Foundation, of which Southwestern Public Service Company is a member, and the University of Texas presented the four-day symposium.

Peace Corps Test Saturday, June 15

Muleshoe area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 1:30 p.m. on Saturday, June 15, at Texas Employment Commission.

The Peace Corps uses the Placement Test, which takes about an hour and a half, to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. The test requires no preparation and is non-competitive — an applicant can neither pass nor fail.

The Application form, not the Placement Test, is the most important factor in the selection of Volunteers. Persons interested in serving in the Peace Corps must fill out an application, if they have not already done so, and present it to the tester before taking the test. Applications may be obtained

from local post offices or from the Peace Corps, Washington, D. C. 20525.

12,000 Peace Corps Volunteers are currently serving in Asia, Africa, Latin America and the Pacific Islands, working with the people of these nations in self-help projects in agriculture, health, education, and community action. Many more Volunteers are needed for projects which will begin this summer and fall.

Mr. and Mrs. Don Martin and Terri, Mr. and Mrs. Elton Bass, Scotty and Val, accompanied by Mr. and Mrs. Bernice Gowens, David, Mike and Danial of Friona, visited Elder and Mrs. Kenneth Martin in Progress Sunday. The group enjoyed homemade ice cream in the late afternoon.

Mr. and Mrs. Preston Cargile, Cassandra, Wade, Elaine and Karan were in Odessa the past weekend visiting the Richard Martin family.

Congratulations to Mr. and Mrs. Kenneth McGehee on the birth of a daughter, born Sunday, May 19 at Methodist Hospital, Lubbock. She has been named Lisa DeAnn. The baby weighed six pounds and six ounces. Grandparents are Mr. and Mrs. John McGehee of Lazbuddie and Mr. and Mrs. Alva H. Hudson of Victoria.

Janette Clayton is recuperating at home after receiving minor injuries in a car accident at the Tech freeway entrance May 16, at 7 p.m. Miss Slayton, Lazbuddie High School graduate, is a student at Isbell-Powell Studio of Hair Styling.

Mr. and Mrs. M. G. Bass, Midland and Teenie Beck, Muleshoe, visited Monday morning in the home of their sister and family, the Charlie Watsons.

Mrs. Raymond Houston, Mrs. J. C. Redwine, Marie Redwine and Denver visited in Lubbock the middle of the week with the Eugene Houston family.

Vacation Bible School students registered Tuesday, May 29 at First Baptist Church at 10 a.m. After registration,

they were feted with a picnic at the church. Classes began Wednesday afternoon at 2:30 and will close Friday, June 7.

The Lazbuddie Methodist Bible Classes are being held this week, each morning at 9-11. The school will close Friday noon with a special program the following Sunday night. Kitty Gallman is the supervisor of the school.

The Church of Christ, Lazbuddie, will have their Bible School studies beginning Friday evening, June 10, and ending the evening of June 14. Classes will begin at 8. Minister Barry Jones will supervise the school.

Congratulations to Dorothy Mullen on being a winner of \$100 recently in a contest given by a local firm.

Artis Ivy and Tish Watson were lucky winners of free stamps given in a drawing at a Muleshoe firm Saturday evening.

A farewell party was given Rev. and Mrs. Roy Haven at the church following services Sunday night. Members presented the Havens with a nice gift. He will be moving this week to Turkey where he will pastor a Methodist church.

The new pastor to the Lazbuddie Methodist Church, Rev. Roy Patterson and family from Ackerly, will be moving in the parsonage the last of this week.

Lorane Gallman carried her mother, Eula Noble, to Pampa where she is receiving medical care in the hospital there. Mrs. Gallman also visited with her daughter and family, the Bob Edwards.

HOW GOOD IS YOUR MEMORY?—The 12 persons pictured are the graduating class of 1931 from Muleshoe High School. Can you identify them? If not, this proves the need for the history living here and they live elsewhere with their families. Some of them have parents but how much can be forgotten in a span of 37 years? The family names are mostly familiar. Another became a school teacher and taught school here, while yet another visits here often and lives in a neighboring state. These are a few clues to use to test your 37-year-old memory. A History of Bailey County is being compiled by the Muleshoe Publishing Company, to send their personal histories and stories of early days in to be included in the book. These are needed as soon as possible.

Mike Hinkson, son of Mr. and Mrs. Frank Hinkson, arrives this week from New Mexico State University. Mike plans to be home this summer to help with farming and ranching.

Steve Jones will be working also this summer in the area. He is a student at Texas Tech.

Mr. and Mrs. Lacy Hardage are in Burkburnett this week visiting her sister, Mrs. J. V. Ady.

Mr. and Mrs. Carrol Redwine have moved back on the farm where he will be working this summer. Mr. and Mrs.

Carrol Redwine were students at WFSU, Canyon.

The spacious backyard of the C. C. Graef home was the scene of a fish fry Sunday evening at 5. The Graef's had been down Corpus was recently and brought back about 200 pounds of fine fish. Approximately 100 friends and relatives helped fry and consume the meat at the party. Present were those from Amarillo, Olton, Dismitt, Littlefield, Plainview, Lubbock, Clovis, Earh and Lazbuddie.

Mrs. Euel Mitchell and Jan, accompanied by Mrs. C. C. Graef, shopped in Clovis Friday.

Useful Study

I imagine that even now the Pentagon is making good use of the information it obtained in the Congo study. For a progress report, I take you to the office of Laypool Talisman, deputy assistant undersecretary for charms, fetishes and incantations.

"Mr. Talisman, what is that thing on your desk? It looks like a doll."

"It is a doll. As you can see, it bears the likeness of Ho Chi Minh."

"And what are those things sticking in it?"

"Those are hatpins."

"Would you mind explaining what military significance this has?"

"He glad to. Its purpose is to stop the infiltration of North Vietnamese troops across the Demilitarized Zone. When a troop movement is spotted, we stick a pin in the doll's leg and theoretically the enemy will develop a charlie horse, making it difficult to walk."

Henderson In Vietnam

Marine Corporal Kenneth Z. Henderson, son of Mrs. Myra Henderson of Muleshoe, is serving with the Third Battalion, Ninth Marine Regiment in the five northernmost provinces of South Vietnam.

As a member of the battalion he helps capture or destroy enemy forces. He accomplishes this through weapons fire, tactical maneuvering, and both large and small scale operations.

His unit is also engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of wells, culverts, small bridges and schools. Equipment and materials are made available through the Marine Corps Reserve Civic Action Fund.

Some collectors have old-fashioned aura.

Fireman Of The Month

Jack Rennels

Fireman of the month is Jack Rennels, electronics technician for Bailey County Electric Cooperative. He and his wife, Magann, live at 405 B West Ave. E. They attend the First Methodist Church. Fire Chief, Earl Ladd, said "Rennels has served on the Bailey County Fire Department for about 3 years. He is a good fireman, does a good job, a good worker and always ready to go." Bailey County Electric has always been cooperative in letting their men off when needed to fight fires which is greatly appreciated.

Pineda, Turner Share Top Hits This Week in League

Lupe Pineda and Keith Turner share top honors in hits this week in Babe Ruth baseball as the result of a game on Monday evening and another game held Friday night. In the Monday game, when the Eagles and Colts tangled, Lupe Pineda was at bat six times and came up with six good hits. He had two doubles for singles, and three runs batted in. Final score in that game was 23 for the Eagles and 16 for the Colts. In the second game of a Friday evening double-header, Keith Turner was four for four times at bat and had a single, two doubles and a triple, with

runs batted in each time he was at bat. Keith is centerfielder for the Colts and Pineda plays various field positions for the Eagles. In the second game Friday evening, the Cats beat Lazbuddie by a score of 16-8. Tuesday, the Cats held Lazbuddie to 1 run on 4 hits while scoring 9 runs on 9 hits to take the game. Thursday, in an early make-up game, the Colts were defeated by the Dusters with the final score being 11-7. In a second game Thursday, the Colts roamed over Lazbuddie 11-8. Friday evening, in the first game of the double-header, the Dusters fell to the Eagles by a score of 7-6. With 21 games gone by in the 1968 Babe Ruth baseball season, the team standings are as follows:

TEAM	WON	LOST
Eagles	7	1
Cats	6	1
Dusters (tie)	4	5
Colts	4	5
Lazbuddie	0	8

The Eagles are still one-half game ahead of the Cats in first place. Monday, June 10, will have the Eagles pitted against Lazbuddie and Tuesday, June 11, the Dusters and Cats will meet in Babe Ruth park.

The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm apparently is trying to get around having to mow his lawn, his letter this week indicates. Dear editor: A lot of people say the pioneering spirit is dead in America and the rest of the world but I don't agree and would like to prove it. According to an article I read on the sports page of a newspaper I found caught on the same clump of weeds in my front yard I found one on

week before last, more and more sports promoters are turning to artificial grass for football fields, baseball diamonds, race tracks, tennis courts, golf greens, etc. Even the track events in the Olympic Games in Mexico this year will be run on the stuff. They say the man-made carpet is better than grass and you don't have to mow or water it. I've been thinking. Why wouldn't this work on home lawns? I know it's a high-tone cushion from the homes of Muleshoe to the ancient grounds of Buckingham Palace to have a neatly-mowed lawn from early spring to the first frost in the fall, and the hum of lawnmowers in the late afternoon and on weekends can be heard round the world. You might say pride goeth before a lawnmower. But if a man could attain the same neat look with a carpet of man-made grass cut to fit his front yard, eliminating all need for fertilizer, crabgrass, pulling, mowing, weed control, and watering, wouldn't his yard look just as civilized as the rest? The only way to find out is to try it. If the makers of this artificial grass will come out here to this Johnson grass farm and measure my front yard and cut me out a section and lay it for me, I'll pioneer the new idea and see how it comes out. I'll test neighbor reaction. If people say, "Look at his yard, hasn't he got a pretty lawn, he must be mighty energetic, keeping it that trim all the time, why it's green ever in the winter time," and if it turns out that cows won't graze on it and I don't have to fool with keeping up a fence, then it'll open up a brand new industry. There must be hundreds of millions of square yards of lawns in the world. This will work a hardship on the lawnmower manufacturers, but did automobile makers hold back to protect the lively stable people? Did the students in Paris pay any attention to De Gaulle? Yours faithfully, J. A.

A nationally televised program, "Hunger in America" has stirred up a storm of protest and denials by those who administer welfare food programs. Following the broadcast, Secretary of Agriculture Orville L. Freeman, reported his views to Rep. Carl D. Perkins, Chairman of the House Education and Labor Committee. That committee had begun hearings on a proposal to establish a commission to investigate hunger in the United States following an earlier and widely publicized report by a non-federal group known as "The Citizens Board of Inquiry into Hunger and Malnutrition in the United States." Freeman told the president of the network that the report on hunger was dishonest and asked for equal time to tell what is being done in Federal food programs. "Hunger in America," bluntly and simply, was a travesty on objective reporting," Freeman wrote the president of the network. "It presents to millions of people a distorted, oversimplified picture of domestic hunger and what is being done about it." Immediately after the first report by the so-called Citizens Board of Inquiry was issued, my committee, the House Agriculture Committee, began an inquiry of its own. Chairman W. R. Poage wrote the Health Officers of the 256 counties listed. In his letters to the officials Poage noted that their areas had been designated as "hunger counties." He pointed out that the Agriculture Committee is greatly concerned with any possible lack of ability of people to obtain an adequate supply of food, then added this request: "I would greatly appreciate it if you would immediately advise me whether you have any personal know-

ledge of any actual starvation in your county. Second, do you have any personal knowledge of any serious hunger in your county occasioned by inability of the individual to either buy food or receive public assistance." Replies have been received from more than half of the counties named in the report, and are still coming in. Most are signed by medical doctors serving as health officers. Not one would state that he knew of a single case of starvation in his county. Two of these counties were in the 18th Congressional District - Motley and Cottle. The replies, including one from the County Health officer of Motley County, reported no case of actual starvation, but numerous instances of malnutrition. With few exceptions - they were made on ignorance on the part of parents as to what foods constituted a balanced diet. The letter from the doctor at Matador said the County received about 7,000 pounds of food monthly for welfare, "and often it is hard to find enough people who can qualify for it."

The Mayor of Paducah - Cottle County - which was also listed, said his inquiry to the Welfare Department, County and City officials, City and County Health officers, church groups, and interested citizens revealed that "none of these people knew anything about a survey being conducted in this area. I have arrived at the conclusion that no survey was made in this area..." Certainly no one in actual need should be expected to go hungry or suffer from malnutrition. But from the real evidence produced so far, the so-called Citizens Committee was created for the purpose of creating hysteria without regard for the facts, and the establishment of another commission to review the work of a headline seeking group which has made such a fantastic report.

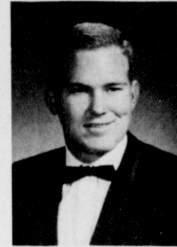

Atkinson Brothers Earn Texas Tech Recognition

Mrs. Richard Dee Chitwood

Miss Sandra Rosalind Busch became the bride of Richard Dee Chitwood in an impressive ceremony, Friday, June 7, at 8 p.m. at St. John's Episcopal Church in Norman, Okla., with Father Otto Anderson performing the ceremony.

The bride is the daughter of Mr. and Mrs. Robert E. Busch of Norman, Okla.

Parents of the bridegroom are Mr. and Mrs. Edward Dee Chitwood of Muleshoe.

Given in marriage by her father, the bride wore a gown of imported ivory silk organza in a toga design over a fitted sheath of ivory peau taffeta. The bodice of the toga had a batteau neckline and Kabuki sleeves richly appliqued with Alencon lace embroidered with seed pearls. The front panel of the toga was outlined in lace and was floor length. The back swept into a full chapel train from the shoulderline and was also completely outlined with lace. Her bandeau headpiece was of Venice lace flowers and held her veil of ivory silk illusion designed with three bouffant tiers, elbow length, and one tier train length. She carried a cascade bouquet of white marguerite daisies with white orchids, showered with white satin and net.

The matron of honor was Mrs. Lee Courtney Brown, sister of the bride, Norman; and maid of honor was Miss Jan Busch, sister of the bride, also of Norman.

Bridesmaids were Kathy Arledge, Kermit; Colleen Boyle, Norman; Carol McDade, Norman; and Anne Young, also of Norman.

They wore gowns of yellow silk organza also in the toga design to complement the bride's gown. The sleeves, neckline and panels of the toga were outlined in bands of dainty flower embroidery in yellow and pale green. Their headpieces were bandeaus of yellow daisies on a flat bow of velvet ribbon in a matching shade. Each carried a cascade bouquet of white marguerite daisies with English Ivy, showered with yellow ribbon.

Groomsmen were Marvin Porter, Lubbock; Rex Kennedy, Lubbock; Paul Wilbanks, Muleshoe and Dale Phelps and Danny Rich, Lubbock.

Serving as best man was E. Dee Chitwood of Muleshoe.

Ushers were Brad Busch, Norman and Courtney Brown, also of Norman.

The bride's mother, Mrs. R. E. Busch, wore a dress of turquoise re-embroidered Alencon lace in an original design with jewel neckline and long-fitted sleeves and a fitted bodice. The waistline was encircled with a cummerbund of turquoise silk and wide flat bow of silk at the center front. The skirt was two full tiers of lace. She wore matching accessories and a corsage of white orchids.

The bridegroom's mother, Mrs. E. Dee Chitwood, wore an ice green linen and silk sleeveless dress with a short coat. The collar of the dress was jeweled as were the pockets of the coat. She wore matching accessories and a corsage of white orchids.

The altar was decorated with vases of white majestic daisies and emerald greening in the background. Mother's pews were decorated with white marguerite daisies and English Ivy. Wedding selections were rendered by Mrs. Greenshields at the organ.

Following the wedding, a reception was held in the Parish Hall of St. John's Episcopal Church.

The bride's table was set with a yellow eyelet organdy table cover with a centerpiece of majestic and marguerite daisies. The three-tiered white wedding cake was decorated with yellow daisies, with punch being served from a silver punch bowl.

The groom's table was set with a yellow organdy cloth with its sword and Texas A&M cap as a centerpiece decoration. Chocolate cake and champagne were served from the groom's table.

After a wedding trip to San Antonio, HemsFair, Acapulco and Mexico City, Mexico, the

couple will be at home at Fort Lee, Va.

For traveling, the bride chose a cotton lime green and orange sleeveless coat dress with orange patent shoes and handbags. She wore a white orchid corsage from her bridal bouquet.

The bride attended Oklahoma University three years and is a member of Alpha Phi sorority and also attended Texas Tech.

The bridegroom attended Texas A&M where he received a degree in Agricultural Economics and received his master's degree in Agricultural Economics from Texas Tech. He was commissioned as a second lieutenant at Texas A&M and he will be stationed at Fort Lee, Va. on July 3.

Out of town guests included Mr. and Mrs. W. A. Busch, grandparents of the bride, Glenview, Ill.; Mr. and Mrs. Tom Coleman, Dallas; Mr. and Mrs. Charles Coleman and family, Dallas; Mr. and Mrs. Rex Lehman, Gary Oursbourn, Joe Martinez, John Allison, Willie

AUGUST WEDDING PLANNED—Mr. and Mrs. John W. West announce the engagement and approaching marriage of their daughter, Kathryn, to Stephen Mallory, son of Mr. and Mrs. D. C. Mallory Jr., of Sunray. Kathryn is a 1966 graduate of Muleshoe High School and is classified as a sophomore at Texas Tech. Mallory graduated from Sunray High School in 1964 and is a senior at Texas Tech. He is presently employed by Burlington Railway Company. The couple plans an August wedding.

Progress HD Club Continuous for 33 Years

The Progress Home Demonstration club met Tuesday, June 4 in the home of Eunice Crume in Farwell. The vice president, Fern Davis, presided at the meeting. Hostess gave "Personalities" as the opening exercise.

The roll call was answered with "What I Have Done to Help 4-H." The club has been one hundred percent in helping with the District and three state 4-H scholarships for many years.

Several of the members are also 4-H project leaders. Mrs. Ernest Ramm is a community 4-H leader and the program of 4-H was under her leadership. Ruth Ramm gave what the Progress 4-H is doing this year. Tani Murrah and Kathy Pena presented a safety demonstration they had given at District Eliminations in Lubbock. Jole and Laverne Carpenter gave their horse safety demonstration which had also been presented in Lubbock. Betty Carpenter, who with her husband, is in charge of the horse program, gave a report of the busy 4-Hers this summer.

Rollie McNutt To Give Artist Program

The Muleshoe Art Association will meet on the second Wednesday of each month for the coming year in the community room of Muleshoe State Bank. For the first program in this fiscal year, they will have Rollie McNutt, Muleshoe Junior High School art teacher.

McNutt is a water color artist, and will demonstrate and explain his favorite technique and with a short film, show Peter Hurd at work in his own studio.

McNutt took his bachelor's degree from Texas Tech and will take his master's degree this summer from ENMU in Portales. Before teaching art here, he taught senior high school English. He has studied art at the University of Colorado, McMurtry and ENMU.

He has studied privately; both with Peter Wetzel of Eastern New Mexico University, Portales and with Elizabeth Black of Muleshoe.

All members of the Art Association are urged to be present in the Muleshoe State Bank community room at 9:30 a.m., Wednesday, June 12.

4-H visitors were Kathy Pena, Tani Murrah, Ruth Ramm, Joe Roming and Laverne and Jole Carpenter. Visitors were Mary Alice Ramm and Betty Carpenter. Members present were Judy Roming, Fern Davis, Myrtle Wells, Gertie Kirk, Elzada Gulley, Ada Murrah, Lucille Gross and the hostess, Eunice Crume. The next meeting will be June 18, in the home of Sadie Bass, with the program on "Making Jellies and Jams" by Elzada Gulley and the roll call will be "Recipes Exchange of Unusual Jams and Jellies."

MARRIAGE ANNOUNCED--- Mr. and Mrs. Bobby Broyles of Lazbuddie wish to announce the marriage of their daughter, Vickie Corine, to Terry Lee Copley, son of the J. R. Copleys of Muleshoe. The couple was married June 4, in Farwell at 6 p.m. The bride attended Lazbuddie High School and the bridegroom attended Muleshoe High School. The couple will make their home in Muleshoe.

Lindy Kerr Installed As Worthy Advisor

Lindy Kerr was installed as Worthy Advisor of Muleshoe Order of Rainbow for Girls, No. 161, Friday, June 7, at 8 p.m.

Lindy chose as her theme, "My God and I," her symbol was the Holy Bible. Her colors were deep purple and white and she used the aster as her flower.

Her scripture was Isaiah II 5:3; "Come, Let us walk in the light of the Lord, that He may teach us His ways and that we may walk in His path."

The invocation was given by Alex Williams, followed by the presentation of the installation of officers. They were: Pam Seymour, installing officer; Pam Kerr, marshal; Marcie Williams, chaplain; Cindy Davis, recorder and Susie Tamer, musician.

Following the installation service, special music was presented by Miss Brenda Tanner, accompanied by Susie Tanner. The benediction was given by Wayne Williams, followed by a retiring march by the Rainbow Girls.

Mrs. C. B. Alexander attended the wedding of her granddaughter, Billie Elizabeth Cook and Gary "Butch" Duncan of Adair, Okla., Saturday evening

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

Congressman George Mahon of Lubbock expects a determined, well-planned attempt to impose a limit on the benefits available to any one farmer under government programs when the House considers an extension of the Food and Agriculture Act of 1965, probably about the middle of June.

"I am concerned that the present atmosphere of austerity, the poor people's march and other factors will give this effort a better chance for success than ever before," Mahon told Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc.

"And I can't think of anything that would destroy our farm programs and wreck the nation's agriculture more effectively than limitations," he added.

A bill to extend the Agriculture Act of 1965 for one year, without changes, has been sent to the House Rules Committee by Congressman Bob Poage of Waco, Chairman of the House Committee on Agriculture. Its proponents hope to get it scheduled onto the House floor during the second week of June.

A previous attempt to impose payment limitations was made this year in the House by Congressman Paul Findley, Ill., who offered an amendment to the Agriculture Appropriations Bill. The amendment was defeated by a vote of 123 to 79, with some congressmen voting against it on the grounds that such a legislative measure was out of place on a money bill.

A similar amendment was submitted to the Senate Committee on Appropriations by Senator John J. Williams, Del., but was rejected. It will probably be offered again on the Senate floor.

In a conversation with Johnson, Congressman Mahon said that PCG prepare information that could be used in the House to defeat the limitations efforts he feels are certain to be made.

Working with Area Farm Management Specialist John Seibert, Johnson worked up a cost-income-profit illustration using a typical 480-acre irrigated farm with a 35 percent cotton allotment and a feed grains base of 62.5 percent. Projected yields on the sample farm was assumed to be 600 pounds for cotton and 5,000 pounds for grain in sorghum.

Using program provisions applicable to 1968 and assuming maximum diversion of both grain sorghum and cotton, calculations revealed that government payments accounted for 39.5 percent of gross income and 102.6 percent of net income. In other words, without farm programs the farm would have lost money.

With a \$10,000 limit on payments, which is the figure that keeps cropping up in amendments to farm legislation, net income for the farm would have been reduced by 47.5 percent, Seibert, a highly respected farm economist who has studied costs, conditions and returns to farm labor, capital and management on the Plains since coming to Lubbock in 1959 said. "With high fixed investments in land, machinery and equipment, adjustment to such a drastic change would be practically impossible. Payment limitations and increasing farm input prices would cut net farm income below subsistence levels."

In PCG's reply to Mahon's request it was noted that about one-fourth of the farmers in Lubbock County received payments of \$10,000 or more in 1966, probably about the same as in 1968 and fairly representative of the situation throughout Mahon's Nineteenth District.

But it was pointed out that the effects of such a limitation would extend far beyond those farmers whose payments were actually reduced.

The larger farmers, Johnson figures, with tremendous investments in land and equipment could not and would not stand still for a 47 percent reduction in net income. They would either produce outside government programs, with drastic effects on market prices, or else vote farm programs down, creating a state of chaos in agriculture such as the nation has not seen since the depression."

PCG's letter to Mahon emphasized that a vote on payment limitations, whether \$10,000, \$15,000 or \$50,000, is in fact a vote on whether farm programs are to be continued at all.

Peter W. Wetzel Associate Judge For Art Exhibit

Peter William Wetzel, head of the Art and Art Education Department and associate professor in Art Education at ENMU, Portales, will be the associate judge at the scheduled Muleshoe Art Association's Annual Area Exhibit to be held the last week of June.

Wetzel was born at Pittsburg, Pa., in 1907. He and his wife, Mariagnes, now live in Portales, N.M.

He holds diplomas from Gettysburg Academy, Gettysburg, Pa., Art Institute of Pittsburgh, Pa., and National Academy of Design of New York, N. Y. He has a B.A. degree from Carnegie Institute of Technology at Pittsburgh, Pa., and a M.A. degree from Teachers College of Columbia University and has had additional study at Carnegie Institute.

During 1942 to 1945, Wetzel served at sea duty aboard a US Navy destroyer in America, Africa and European theatres.

Among Wetzel's many activities are the hobbies of fishing, fishing, outdoor sports, photography, collecting antique firearms, gun repairing, miniature metalwork, sightseeing and touring, visiting art museums and other places of historical interest.

Pam Seymore Awarded Music Scholarship

Pam Seymore, Muleshoe High School graduate, has been awarded an applied music scholarship for the 1968-69 session at West Texas State University.

The award covers cost of private instruction during the year, according to Dr. John Green, WTSU music department chairman. It was given following an audition on saxophone before a faculty committee.

Miss Seymore, daughter of Mr. and Mrs. Melvin Seymore, Poute 2, Muleshoe, was for two years named to the All-Region Band, and holds four medals in solo and ensemble contests in University Interscholastic League competition.

Vaqueros Ride Again

The Progress 4-H Vaqueros went to Morton June 1 and 2 to participate in the Little Britches Rodeo. There were 13 members of the riding club who rode in the parade and participated in the riding events.

The club won a trophy in the parade, and three belt buckles were won, along with several ribbons. Those winning buckles were Timothy Soter in the pole bending, Jimmy Henderson in the barrel race and Laverne Carpenter in the ribbon race. Ribbon winners were Tim Wheeler, second in pole bending, Jole Carpenter, second in ribbon race and Bobby Henderson, second in flag race.

The club members report they are all looking forward to their own "Fay Day" on Saturday, June 15. They said everything is ready for their big day.

Those who went to Morton were Terry, Tim and Tommy Wheeler, Coralie and Bernice Floyd, Jimmie Lober and Ken Henderson, Laverne, Jole and Curtis Carpenter, Randy Posey and Timothy Soter.

First Annual Cattlemen's Golf Tourney Hosted

SPECIAL AWARD---Tom Bratcher, Dallas, was awarded these golf balls at the conclusion of the tournament. To earn them, he was the first golfer to hit a ball to go into a water hazard. Bratcher is with Niehoff Packing Co., Dallas.

The first annual Golf tournament, dinner and dance for members of the Texas Cattle Feeders Association and business heads of related industries and their wives was held at Muleshoe Country Club Thursday.

Golf tournament started at 10 a.m., and trophies were awarded at the tourney conclusion. A total of 108 persons were served steaks with the trimmings. Serving as chefs, preparing charcoal steaks were Earl Schmitz, Ben Yeager, Herb Griffiths and Mrs. Earl Schmitz. Tiny Lynn and his orchestra provided music for the evening dance.

Mr. and Mrs. Max King and Mr. and Mrs. Harold King were host and hostesses for a hospitality hour held preceeding the dinner.

For the presentation of the tournament trophies, Max King served as master of ceremonies and Irvin St. Clair gave the welcome. King was assisted by Ben Cockrell in presenting the trophies. Wives who accompanied their husbands here for the event were entertained with table games during the day and swimming for those who cared to take advantage of the Country Club pool.

This first annual tournament and day of recreation was made possible through the cooperation of the Chamber of Commerce and members of the Muleshoe Country Club.

Among guests were cattlemen and industry representatives from Fort Worth, San Angelo, Hereford, Dimmitt, Clovis, Friona, Texico, Dallas and other cities.

Stanley Frank, San Angelo, and Bill Jim St. Clair, Muleshoe tied for first place in the golf tournament. Frank took second place; John Pittman, Hereford, came in third; Morris Pittman, Hereford, took fourth; Dr. Bill Lee, Dimmitt, came in fifth; Jimmy Butler, also of Dimmitt, came in sixth; Jack Carruthers, Friona was seventh; Ted Haberer, eighth and Bill McCasland, Clovis, took the ninth place winning slot.

Charlie Christian represented Texico Company Feed Lot; Dick Worley with Worley Mills, Clovis; D. C. McWhorter, Friona Feed Yards and Owen Semands, Parmer County Feed Yards. Numerous other persons, not pictured, represented other feed and cattle companies throughout the state.

TROPHY---Bill Jim St. Clair displays the first place trophy he and Stanley Frank, San Angelo, tied for in the Cattlemen's Golf tournament held here Thursday. The trophy was contributed by Griffiths Elevator for the winners.

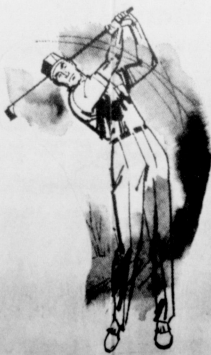

ALL SET---These golfers are all set for a day on the green as the first annual Cattlemen's Golf tournament got underway here Thursday. Pictured beside their golf cart and with clubs ready to go are D. E. McWhorter, Friona; Owen Semands, Hereford; Dr. Jerry Gleason, Muleshoe and Stanley Frank, San Angelo.

CHEFS AT WORK---Busy chefs took time out to pose for a Journal cameraman as they were cooking steaks which were served to 108 persons who attended a special tournament, dinner and dance held at the Country Club. They are Mrs. Earl Schmitz, Herb Griffiths, Ben Yeager and Earl Schmitz. The chefs were highly complimented for their cooking art.

CHAMPIONSHIP TROPHY---Mrs. Herb Griffiths is shown displaying the championship trophy given through compliments of Ray Griffiths and Sons at the first annual Golf tournament for Cattlemen and related industries. Behind her is her husband, Herb Griffiths and two players, Ted Haberer, left, and Jack Carruthers, Friona. Bill Jim St. Clair is holder of the trophy. He and Stanley Franks, San Angelo, tied for the prize and in a drawing to determine the holder of the championship, St. Clair won the draw. This rated Franks in second place, Carruthers is president of the Texas Feeders Association.

TEE OFF TIME---For the first annual Cattlemen's Golf tournament held here Thursday, Dick Worley gets in the swing of things as golfing started at 10 a.m. Shown with him (left to right) are Jimmy Butler, Bill Lee, both of Dimmitt; Ted Haberer, Muleshoe and Charlie Christian, Texico.

Former Muleshoe Teacher Earns D. E. Degree

The Doctor of Education degree was conferred upon Luther Bryan Clegg in graduation ceremonies at Texas Technological College, Saturday evening, June 1. Dr. Clegg was employed as teacher in Muleshoe Public Schools from 1955 through 1958. Since leaving Muleshoe in 1958, he has been employed by Lubbock Public Schools, where he has served as teacher and administrator. Presently, he is Coordinator of Title I of the Elementary and Secondary Education Act for Lubbock Schools.

Dr. Clegg is married to the former Mary Jo White whose parents, Mr. and Mrs. Roy H. White, reside at Route 3, Muleshoe. Mrs. Clegg attended Muleshoe schools, graduating from Muleshoe High School in 1950. She also taught school here with her husband in the years 1955-1958. The couple resides with their two children, Derek and Stuart, at 1912 62nd Street, Lubbock.

Anonymous Finger Offered

An anonymous finger recently reached out from a crowd as a gesture of approval to assist a medical officer performing minor surgery on a small Vietnamese boy.

The act took place during a medical civic action program (Medcap) visit to a small resettlement island in the Cua Viet river in eastern Quang Tri province.

Navy Lieutenant Paul Grotenhuis, Shoboygan Falls, Wis., medical officer with the 1st Amphibian Tractor Battalion, tells about the helpful finger.

"The Medcap had concluded, and most of the men were back aboard ship, when a small child was brought to me with a gash on his foot," recalls Dr. Grotenhuis. "The youngster had cut his foot on a tin can while Marines were visiting during the Medcap."

Examining the boy's foot, Dr. Grotenhuis saw it would require minor surgery and began to work treating the laceration.

"I had just made the last suture when one of the villagers stuck his hand out towards the boy's foot. I looked up and realized that he wanted to offer the use of his finger for me to tie the surgical knot," Dr. Grotenhuis said.

Smiling the doctor thanked the man with the helpful finger and all of the villagers smiled with him.

Members of the 1st Amtrac Battalion perform weekly Medcaps on the island which serves as home for some 2,500 refugees.

The villagers were ousted months ago from their home village of My Loc by North Vietnamese and have resettled on the Cua Viet.

TOPS Club

Twenty three members of the TOPS club met in their regular meeting Thursday night, June 6, in Bailey County community room.

With June Vinson in charge, the meeting opened with singing the fellowship song and saying the pledge in unison.

The minutes were read by the secretary, Lauranette Mason, and were approved.

Members drew names last week for pals and at the meeting Thursday night, the calls were discussed from those who received them. This is one way to help each other in their efforts to lose pounds and to encourage them.

Evelyn Harris won a hair set for having lost pounds for the past six weeks. Lauranette Mason and Mable Wolf received the same last week.

Queen for the week was Ernestine Vernon, Merle Rogers was first runner-up with four members tying for second runner-up. They were Ruth Clements, Zora Mae Beller, Girdie Kirk and Lauranette Mason.

Monthly queen was Aurora Mata, with a 14-3/4 pound loss. She received a fruit basket, which each member had filled. Mable Wolf was first runner-up for the monthly queen with a 9-3/4 pound loss and Myrtle Wells was second runner-up with a 7-3/4 pound loss.

The executive committee presented the club with a revised-version of their by-laws which was approved by the members, after a discussion on the subject.

The meeting closed with singing the goodnight song with 23 members in attendance.

Tech Student, Carol Haire Goes to Mexico

Carol Haire is one of nine Texas Tech students selected to go to Mexico this summer. She is the daughter of Mr. and Mrs. Lloyd Haire and a 1967 graduate of Muleshoe High School.

The Tech group, sponsored by the Texas Tech Baptist Student Union and the Lubbock First Baptist Church will leave Lubbock for Guadalajara, Mexico on June 29.

Different Menus

COLLEGE STATION--Thousands of new foods appear on the market every year. Be adventurous and add new subjects for conversation, different and interesting menus, and a sense of accomplishment.

"Instant" is found on many food labels, but what does it really mean? With some foods, just add water (or other liquid) and mix, says Gwendolyn Clayatt, Extension consumer marketing specialist. With others, such as instant tea or coffee, boiling the water takes longer than dissolving the product.

In some cases "instant" takes 30 minutes or longer, add liquid and let the product stand. Once the product is reconstituted, the food is ready to cook or to eat.

Many new products are lighter in weight, they are easier and less costly to handle, ship and store. The trimmings, peelings and other wastes are left at the processing plant.

If you can afford a Ford, you can afford a Chrysler.

Chrysler Newport now priced about \$3.78 a month more than Ford LTD*

Chrysler Newport now priced about \$3.78 a month more than a Ford LTD* (which is still a Ford, a high-price, low-price car). Chrysler Newport now priced about \$2.29 a month more than a Chevy Caprice* (which is still a Chevy, a high-price,

low-price car). That little more now moves you up into a big, full-size, almost shamefully elegant Chrysler—and that's an unbeatable deal. Afford a Chrysler? Can you afford to pass it up?

MEN AND MONEY:
 Both must be employed if our community is to prosper. If you plan to buy anything, purchase it from a local merchant. If you want your job to be secure and your investment protected, then trade at home. If you want a good thriving community, with good churches and good schools, one that you would be proud to be a part of, then support your local business men who are largely responsible for making all this possible.
