REV. ANDERSON WRITES HIS VIEWS ON COAL STRIKES

Marion, Ill., Jan. 4th, 1923.
Editor of Herald,

Dear Stricklin:—I now live in the "bloody" Williamson county, the town where the mine riot occurred. I am awakened by the mine whistles all around me each morning. I find that the miners are not the worst folks in the world. It is a mistake about their being "all foreigners." This is the biggest coal mining center in the world, and most of the coal diggers are Americans, 100 per cent. I find them to be a fine bunch of fellows. Nearly every man in my church here is a coal digger, and they pay a 10th part of their gross income into the church.

REV. J. E. ANDERSON
Dressed as an Army Chaplain.
Former pastor of the Baptist Church here.

The big concerns put it in the papers that the reason that coal is so high is because of high price paid to miners, and therefore it is the high cost of production. This is false propaganda. It only costs the operator \$1.42 per ton to dig and load a ton of coal. I bought my winter's supply of coal at \$3.00 per ton, delivered. I can tell you where the rake-off comes in if it is the railroads and the coal dealers. I do not blame the coal digger for contending for the present wage scale. You would not get me to work from 200 to 500 feet under the earth for what they get, for almost daily I am called to the bedside of a crushed miner. Their lives are in peril every moment they are in the mines. The recent strike was not pulled off by the miners, but by the operators. The working agreement expired with the operators, and the later refused to sign another agreement. Everyone who labors has an agreement. I have an agreement with my church; no one could therefore expect a miner to dig coal without any sort of a contract. There was not anything else left for them to do but walk out. But the big concerns will call them bolsheviks, reds, anarchist, un-American etc, and use the Associated Press as a means to spread their propaganda. If you are suffering from a shortage of coal at the present, it is because the miners can't get cars. The mines are running about one-third of the time, because they can't get cars. Wall street is determined to break the unions and starve the railroad men. The big capitalists have over-rated their rolling stock. They want big interest on their over-rating. In order to make up the deficiency they are trying to compel the laboring man to work for nothing.

We have an administration now in power that favors the big concerns. They are doing all they can to prolong the depression in order to crush the little man, and especially the laboring man. The miners now have a working agreement which will expire April 1. The coal diggers are now anxious to sign up for another year. But you will see that another big strike will be pulled off after April 1st, and the laboring man will be condemned by

HARRIS HAPPENINGS

Messrs. Hill, Fitzgerald, Alexander, Tandy, Clark and Ellington, dipped their cattle this week.

the public. Some will say this is all superstition, therefore not true. Tell 'em it was written by a "red-headed" preacher, who is not afraid of the devil, and that he has first hand information.

Express my love to the good people of Brownfield, and dear old Terry. Tell them I said if I were in their place I would not move off, for they are in "God's Country." Enclosed find check to keep 'er comin'.

TERRY COUNTY CITIZENS HAVE SERIOUS DIFFICULTY

I. H. Hudson, prominent stockman of this county, who resides 8 miles northwest of Brownfield, was shot in the neck at 4:30 o'clock last Friday afternoon with a shotgun. He is recovering at the local sanitarium, to which place he was moved Saturday.

K. Webb, another prominent citizen of that community came to town and surrendered himself to the sheriff's department and made bond.

As stated above Mr. Hudson is recovering if nothing unforeseen sets up, although the jugular vein was bared by the shot.

The difficulty seemed to have developed over settlement of rents or something of that nature.

WHY FEED A COW when you can buy milk for less money. Goodpasture Dairy.

The American Tailor Shop put out a calendar with a real original 100 percent American thereon—a beautiful American Indian maiden. Now our observation of the Indian has been limited, we admit, but we have never seen one of either sex, so far, that had maybe even resembling this picture. Maybe this is one time that art has excelled nature.

A COMMUNITY SERVICE

Occasionally you may need a letter of recommendation, or possibly a letter of credit; maybe it's a letter of introduction, or probably a business contract written—in fact, in any capacity through which the channels of this bank may be of service—you will find willing, efficient and courteous service at your command.

In the care of your funds, we place at your disposal all modern methods of protection known to the banking fraternity and being governed by the strict regulations of the State Department further affords you the complete safety and protection of the GUARANTY FUND OF THE STATE OF TEXAS. SCHOOL NOTES

School reassembled Monday, January 1st, with a large number of new pupils. There are new ones almost daily since that time. An additional teacher was added to the faculty, beginning the 1st of January. She was placed in the auditorium with sections of the 6th and second grades. It rained the auditorium, but that was the best that could be done, when we have only an eight room building.

A large number of pupils from the fourth grade up are trying out in the various contests that go to make up the Interscholastic League. We expect that our school will have something to say about both the County and District. High school students are busy at work on debates and declamations.

Next week ends the first half of the school year, and quite a few are dreading the examinations. The high and low sections of the grades, will be instituted at the beginning of the second term.

The school is proud of the record of the basketball teams so far this season. The first team so far has not lost a game, the second team only one game and the girls' team so far has not lost a game. The first teams of both boys and girls went to Lubbock last Friday and both teams won over Lubbock, the score being, boys: 38 to 28; the girls game being 28 to 16. The second team ran out to Gomez Monday afternoon and defeated the boys there 32 to 2. We are expecting the boys and girls from Lubbock, Friday, and we want a good crowd to see the game. We really believe that if we had ROOM, lots of folks would want to come to our school.

We had an egg day in the grades last Friday, and 157 eggs were bro't in, the proceeds of their sale to go to the library. Mr. Rankin auctioned them off Friday night at the mass meeting and received \$10.50 for them. We understood there was to be two mass meetings last week, and that they met to discuss ways and means to take care of the school for another year, but it seems that only a few people are interested in the school the way they attended these mass meetings. We suppose we will have half day sessions and a four months school next year the way things look right now. We really hope not though, for we folks at the school really want a school that we can be proud of.—Reporter.

LUBBOCK CHAMBER OF COMMERCE BANQUETS MANY

Early last week Judge Geo. W. Neill, present court attorney asked us if we would like to be one of two to five delegates from Brownfield, to a banquet to be given by the Lubbock Chamber of Commerce at the famous Cavia Hotel, that city, Friday night, and knowing as we do the reputation of the Lubbock boosters for pulling such stunts, and the program also appealing to us, we gladly accepted a seat in the Judge's flivver.

However, at the last minute and on account of a school mass meeting at home the same night, the Judge and writer were the only delegates from Brownfield to attend, the Judge carrying along the better half for balance.

By 7:30 P.M. the lobby was crowded with delegates from about eighteen towns, reaching from Amarillo in the north to San Angelo on the south, and the cream of men who are putting West Texas on the map.

Tickets were distributed and the hungry and tired delegates ushered in to the spacious dining room where a splendid three course dinner soon appeared the innkeeper. There certainly was nothing short about the bill of fare. The following very interesting program was rendered:

Master of ceremonies—W. S. Posey, President of the Lubbock Chamber of Commerce.

Invocation—Rev. C. N. Ferguson

Equalization of Taxation—Hon. Gordon B. McGuire, of Lamesa.

Solo—Miss Mabel Ricker, of Big Spring.
