

Hub Nips McCaslin, Hangs onto Lead

Remember the letter from Mrs. James Rankin (the former Amelia Schlenker) that we ran in our column a few weeks back? She was encouraging us to grow more trees out here on the bald Plains.

We explained to her that most folks seem to be slipping away from tree raising in favor of shrubbery and other pretty, though less majestic, decorations for landscaping.

The difficulty of growing grass in the shade was another problem, too, we told her.

Well, she's back with another plug for the trees this week, and we must say that she takes the problem to heart. Here are her comments, taken from a letter written from Claremont, California:

"It is tragic for 'grass in the shade' to prevent the Panhandle from having the much needed comfort of trees. Not only would trees improve the appearance of the whole land, but the very shade you object to would be a blessing in the summer.

I have heard radio programs on agriculture proving that farmers can really cut down wind and wind erosion by growing more trees around their homes and in extensive, well-planned windbreaks. With all the 'tail water' going to waste, it seems a sin not to have trees.

"As for growing grass under trees, that is not much of a problem, according to our nurseryman, who is experienced in this matter. He feels you Texans have given up too easily.

"He said Scott's Special Mix sowed thickly and given proper care will yield a good, tough lawn. You can surely get it in Texas, or we could get it here for you.

"Please give this serious thought."

Another letter on an entirely different subject is from a local woman. She says:

"For some time something has been on my mind. What is going to happen to the old hospital building? Has anyone thought of donating it to the youth of Friona?"

"The county and community have built the hospital. Why not let the hospital do something in return? I think it would be a good investment. Do you?"

"I wonder how other people feel about this."

Since we have not talked with any member of the hospital's governing board, it might be embarrassing or at least out of place for us to discuss in The Star what is to be done with the old hospital structure.

At the time that the drive for a new building was started, we recall mention of the possibility that it might be converted into a nurses' quarters, but scufflebut has it that this is no longer the plan.

Jimmy Baxter, hospital manager, feels that the board will attempt to deal with the problem of what to do with the old building the next time they meet, and that will be in just a few days.

To the thoughtful lady who wrote the letter, and to others who may have ideas of a similar nature, we would caution that the old hospital building would have problems fitting into any new plan.

It has been added onto innumerable times, and the floor plan is bizarre. Perhaps sections of the building might suit other purposes, but we cannot conceive the plan as it now is ever being used for anything else.

The biggest bottleneck would be the removal of the structure, or pieces of it, to another location. That would take some doing.

However, anything that is worth doing has its worries and this suggestion has merit. It might not hurt for some interested parties to put the question up to some of the members of the board for an unofficial opinion.

We do believe, though, that the community should have the discretion to wait until the board has a chance to decide what to do before we start making hasty plans. A situation such as this one depends upon the cooperation of all.

There have been a few doleful faces around town since the counting of Saturday's election ballots, but in general, everyone seems to be taking it peacefully, even if their candidate didn't happen to come out in front.

Our local commissioners' race was extremely unusual, we thought. It isn't often that four candidates in one race can split the vote as evenly as did E. G. Phipps, A. L. Carlton, Forrest Osborn, and Emmett Day. If you doubt this statement, look at some of the other races—the one for governor, for instance.

We always have hated to see any

Hub preserved its perfect season record in Little League play during the past week, but had a close call with McCaslin Lumber Monday. They emerged winner by the slim margin of a single run, 9 to 8.

That assured the rural team of top rung in the league ladder. They have only one other game to play, and that is against second-place Rockwell.

Other games during the past week saw the Hubbers take Reeve Chevrolet 22-3, and Rockwell Lumber beat Bengel 8-3. A Tuesday afternoon game resulted in a win for Herring over Bengel, also, 8-1.

Here are game sketches as submitted by Johnny Nazworth, Little League scorekeeper:

HUB VS. REEVES
Hub won over Reeve after 5 full innings of play, 22-3. Winning pitcher was Renner; losing pitchers were Herring, Scales and Roberts.

At the end of the 1st, the score stood at 0-0. In the 2nd, Reeve had 1 hit, 4 walks, 1 run (by Glen Herring), 1 out on base and 2 strikeouts, with 3 men left on base. Hub got 3 hits, 1 walk, 2 runs, 2 strikeouts, 1 out on base and 1 left. One of the runs for Hub was a homer, hit by Garry Snead.

In the 3rd, Reeve got 2 hits and 1 run (by Charles Ray), while Hub collected 2 hits and the score was tied, 2-2.

Reeve failed to score in the 4th, but Hub broke loose and made 9 hits and a total of 8 runs. Going into the 5th, Reeve came up with 2 hits and 1 run (by Glen Herring) as Hub went wild with 6 hits and 11 runs.

The game was called after 5 innings of play because of the time limit.

Right-fielder Gary Shackelford was injured in the 2nd and replaced by Ronnie Reed for Reeve.

This puts Reeve with 1 game won and 6 lost, while Hub counts 5 wins and no losses.

BENGER VS. ROCKWELL
Rockwell won over Bengel after 6 full innings of play, score 8-3.

Winning pitcher was Steve Aragon; catching was Everett Gee. Losing pitcher was Roy Dean Nazworth and doing his first job at catching was Freddy Beatty.

In the first, Rockwell scored twice while Bengel got only 1 hit and no tally. Rockwell added 2 more runs in the 2nd, and Bengel was again blanked with 1 hit.

In the 3rd, Rockwell scored 1

run and Bengel got 3 strikeouts. Rockwell got 1 hit but could not gain in the 4th, while Bengel got 2 runs, including a homer by Nazworth.

The 5th: Rockwell got 5 hits and 2 runs, both homers by Sanders and Deaton; Bengel was struck out in three tries.

The 6th: Rockwell managed 2 hits and 1 run; Bengel added 1 run from 3 hits.

Scoring for Bengel were Welch, Beatty and Nazworth. For Rockwell: Sanders, 2; Deaton, 2; Gee, 2; Jackson, 2; and Carson, 1.

Richard Kent McKeehan of Bengel was taken out of play in the 5th because of a slight injury.

This win for Rockwell tied them with McCaslin for 2nd place with 5 wins and 3 losses each.

MCCASLIN VS. HUB
Hub took McCaslin after 5 full innings, the score standing 9-8.

Bobby Daniel was winning pitcher, while Craig Coon was the losing moundsman for McCaslin.

1st inning: Hub got 1 hit and 2 runs; McCaslin got 5 hits, scored 4 times.

2nd: Hub collected 3 hits but no score; McCaslin, 1 hit, no score.

3rd inning: Hub, 4 hits, 3 runs; McCaslin, 2 hits, no score.

4th: Hub, 2 hits, 1 run; McCaslin, 4 hits, 2 runs. Floyd Reeve blasted a homer for McCaslin.

5th: Hub, 2 hits, 3 runs, including a round-tripper by Billy Thomas; McCaslin, 3 hits, 2 runs.

This brings Hub up with a perfect record of 7 wins. McCaslin has 5 wins and 4 losses, putting Rockwell in 2nd, and dropping McCaslin down to 3rd.

Clean-Up Drive Is Successful

In spite of the fact that the Chamber of Commerce's clean up drive got started late this year, the annual project has been termed successful by Chamber members.

Roy Wilson, city clerk, said that city equipment was kept busy all day Monday and Tuesday hauling off litter that had been cleaned from property in town.

TO STATE CONVENTION

Mr. and Mrs. Russell Massey of Friona are attending the state Legion convention in Dallas this weekend. Massey is commander of the local American Legion Post.

Pre-Election Favorites Win Democratic Primary Races

Marcum-Claborn Opening Successful

J. L. Marcum and J. C. Claborn have termed their grand opening in Friona Saturday "successful". They reported a total of around 600 persons visited the store during the special event.

Winner of a swivel chair door prize was Don Lewis, who happened to be present when the award was announced. Other lucky visitors were Mrs. Keith Blackburn, an electric toaster; and Mrs. Bill Elliott, an electric mixer.

A barbecue grill, electric skillet, and electric clock are additional awards to be made this week at the conclusion of Marcum-Claborn's grand opening sale.

"Jamboree" Is Saturday Night

A sideline effort to generate community interest in a proposed swimming pool and youth recreation park for Friona was started this week by Russell "Runt" Massey.

He backed a drive to build a wood and steel bandstand in the city park to be used for various public occasions. The first use to which the stand will be put, he announced Tuesday, was a series of local talent shows designed to draw people of the com-

Douglas, Bingham Join—Will Build

Joe B. Douglas and O. D. Bingham this week announced the union of their real estate and insurance interests. Two new companies—Douglas-Bingham Land Company and D-B Insurance Service—were created as a result of the transaction.

The partners announce they will erect a new office building in Friona in the near future, also. See details of the story on page four of the next section.

munity together.

Saturday night of this week the Green Valley Boys and other local musicians have agreed to entertain all who care to listen to their open-air program, which will be completely informal.

"We aren't charging admission to the show or anything like that," said Massey. "We aren't even going to have a container around anywhere to collect donations. The first thing we want to do is to get the folks of the community together and let everyone enjoy themselves."

Tuesday, pipe for the 14-foot octagon-shaped stand was set and concrete poured for the foundation. Local lumber yards and local carpenters have donated material and labor and Massey has furnished the pipe for the project.

On the possibility of a swimming pool, Massey said that over the weekend he had contacted officials of the Friona C and others who might be interested in helping get the work started.

"Our biggest problem right now is to get some local person to give us some property for our project,"

Indians Upturn U'barger

The Friona Indians, local amateur baseball team, scalped Umbarger 7-2 in a game played in Friona Sunday afternoon. The win kept the local nine in a tie with Bovina's Bulls for first place in the league.

Friona got 7 runs off of 10 hits. They made 5 errors.

Manager John Renner was on the mound for 6 innings, giving up 1 hit and allowing 1 run on an error. Lindley Davis relieved Renner for the final 3 innings, allowing 2 hits and 1 run.

Pitcher Brock of Umbarger allowed 10 hits. He struck out 3 and gave up 7 bases on balls. He also hit 3 batters.

In the slugging department, Barnett got 1 3-base hit, Rector a 2-baser. Long, who filled in at 2nd, got 3 hits. Davis got 2 hits, Burris 2 also.

Friona left 13 batters on base. Umbarger left 6 on base.

Scores by innings: Friona 2 in the 1st, 1 in the 3rd, 4 in the 5th. Umbarger 1 in the 3rd, 1 in the 7th.

The Indians were short 4 regular players for the game.

Friona plays next Sunday at Dimmitt. They have only two regular season games left to play, both of which are away from home.

(The preceding statistics were compiled by Ed White, Indian scorekeeper.)

INJURED BY LAWN MOWER

Betty Drake, daughter of Mr. and Mrs. Arthur Drake, received painful injuries to a foot Friday afternoon as she started to mow the lawn of her grandparents, Mr. and Mrs. A. O. Drake. Seven stitches were required to close the wound.

HE'D PROBABLY BEEN UP HOURS

Leo McLellan, Friona postmaster, showed up at 5 a. m. Monday morning in the new post office building, figuring he'd need to get a head start on what was promising to be a big day's work.

That was the day that hundreds of people were expected to change one of the most firmly established habits in America's small cities—getting the mail.

Postmaster McLellan had just gotten well into his day's work when he heard someone come in. Looking up, he spied Bert Shackelford. The time was 5:45, and Bert was calling for his mail.

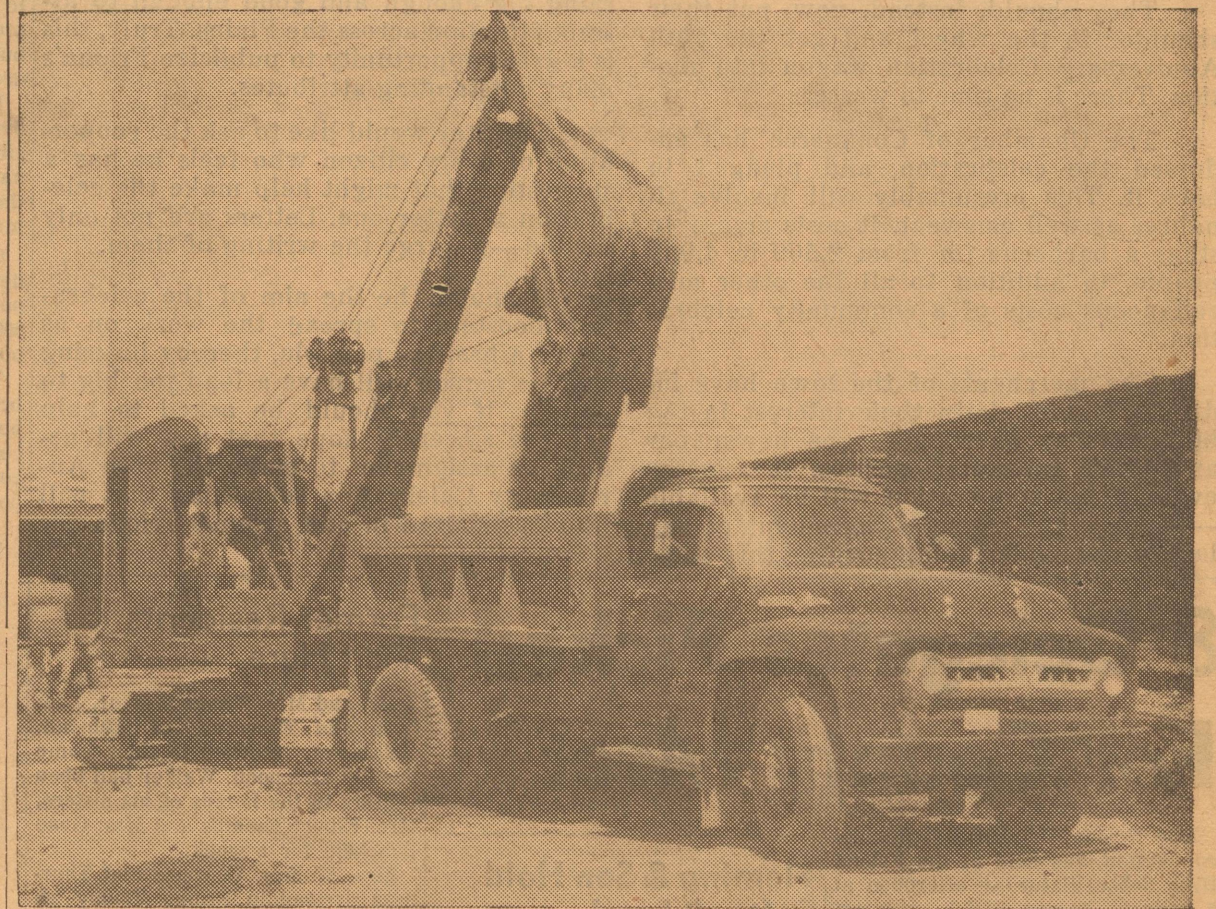

Mild surprises cropped up in county tabulations. Most political prognosticators had figured Haley to poll more votes than he did.

Also, Wright Williams, Friona gin-ner, came near to upsetting G. D. Anderson, Farwell banker, for the position of county Democratic chairman.

The biggest surprise of the election was the last-minute resurgence of interest in the voting, when county voters went to the polls in larger numbers than had been anticipated.

In all, 1,784 voters cast ballots. Approximately 2,500 were eligible to vote.

Here is the complete but un-official vote breakdown for the county: See the returns by precincts on page 7 of this section.

GO DOWN FIRST—Workmen of the Chalmers and Borton Construction Company of Hutchinson, Kansas, are building an addition of approximately 300,000 bushels to the Black Grain Company. They here illustrate that it is first necessary to go down before things will be ready to start upward.

Friona Businesses Launch Promotion

A number of Friona retail and wholesale businesses have organized a weekly "Trades Day" promotion. It is designed to encourage consumers of the trade territory to buy locally and attend weekly drawings to be held in connection with the promotion.

The first drawing is scheduled for Saturday, August 18. Merchants are kicking in from \$2 to \$2.75 a week to finance the promotion. Their contribution will depend upon whether they are active or supporting members.

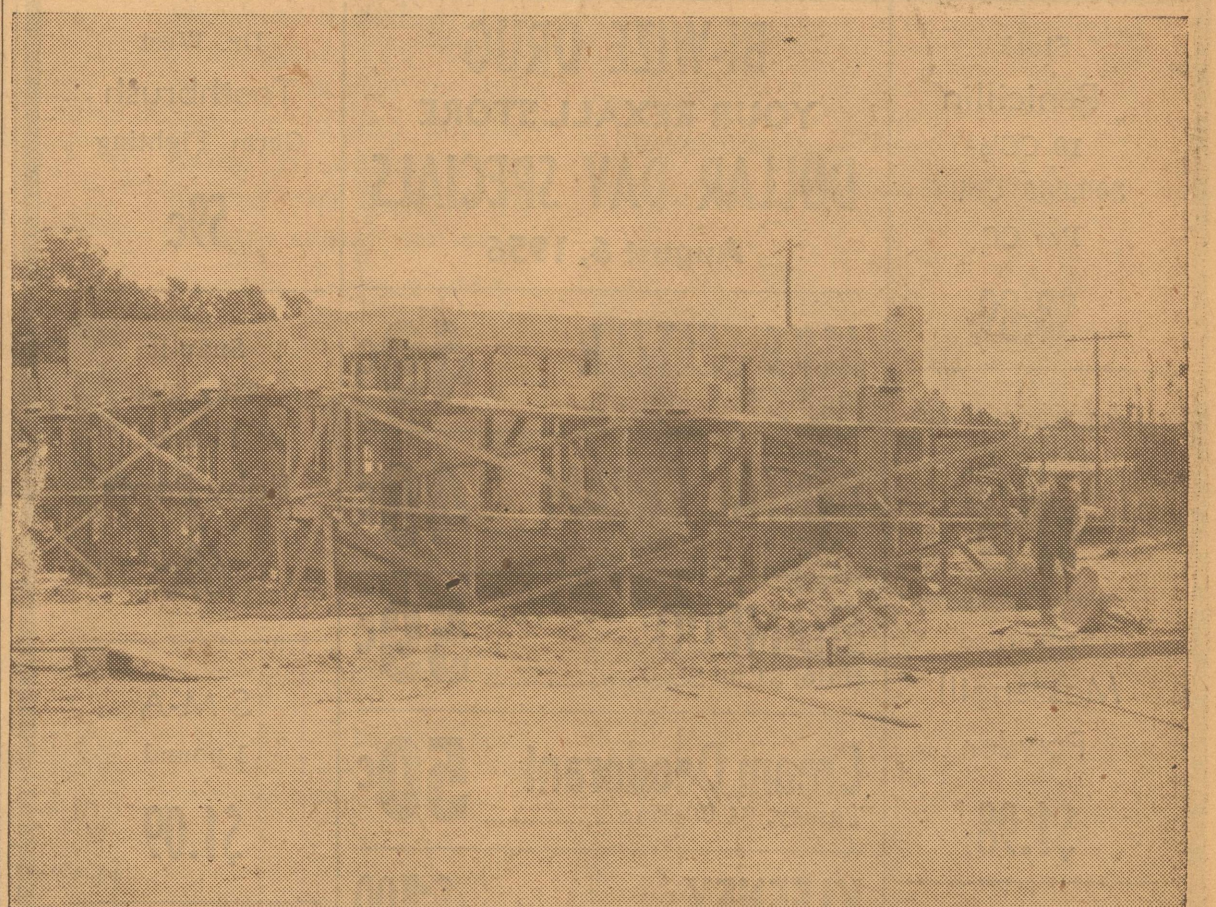

A representative of the National Trades Day Association of Weatherford was in Friona last week to explain the program and help merchants organize. Helping promote the program

were Joe Ferrell, chairman of the Friona Chamber of Commerce retail merchants committee, and Andy Hurst, J. L. Marcum, J. C. Claborn, and Charles Allen.

Signed up by the first of the week were 26 businesses. More were expected to be added this week and will be announced later. The initial signees:

Ware's, Marcum-Claborn, Lewis Variety, Piggly Wiggly, Bi-Wize Drug, Foster's, Houser Grocery, Johnson Grocery, White's Grocery, White Auto Store, Vestal-Brewer Hardware, Reeve Chevrolet, Gib's Cleaners, Cummings Farm Store, Parmer County Implement, Gaines & Smith Texaco, Herring Implement, Tasty-Cream, Allen's Jewel.

(Continued on last page.)

NEW SERVICE STATION—Bert Shackelford's new Texaco service station on Highway 60 is taking shape fast as the walls go up and other work progresses. Contractor is Glenn Stevick.

Friona Still Without Night Watchman

Friona is without a night watchman. But his absence probably won't be too noticeable, as Friona hasn't had one around for quite a while.

Two weeks ago the city commissioner hired M. D. Thompson of the Hereford police department to move here and take on the job—and he agreed to do it—for \$275 a month (after 60 days).

The starting date of this agreement was to have been yesterday, August 1, but things didn't work out so well. Commissioners J. G. McFarland and J. L. Marcum, after further investigation, decided it might be possible he was not the man for the job, and the position was left open pending the return of Mayor A. W. Anthony.

Monday night, the mayor concurred with the commissioners' decision, and the city decided not to hire Thompson after all.

Thompson was not present. That left the city still in search of a suitable man to fill the position, which has been kicked around in meetings for many weeks. They probably will interview a Morton man in the near future, but have no commitments with anyone.

Glenn Stevick, local contractor, was on hand again Monday night to renew his appeal for relaxing the city building code to permit

adjustments in the requirements for building locations with respect to lot lines.

In the discussion that ensued, Stevick mentioned what he termed "discrimination" in the letting of building permits where questions of distances from lot lines were involved.

The commissioners and City Clerk Roy Wilson said that exceptions to the building code had been

(Continued on Last Page)

THE STAR'S EDITORIAL COMMENT

Plenty To Be Done

The announcement this week that there will not be a Parmer County Dairy Show and Fair this fall interrupts a 12-year sequence of agricultural promotion that will be missed. But residents of Friona and the trade territory have no time for tears in witnessing this unfortunate casualty of indifference and disinterest.

They should, instead, now put their shoulder to the wheel and get the 50th Anniversary Celebration wagon into motion. There is no time to waste.

The Chamber of Commerce has endorsed the celebration, and pledged to back it. This presumably will involve finances as well as sweat. It costs money to stage a barbecue for from 2,500 to 4,000 people, in addition to all the other miscellaneous costs of a community celebration.

The merchants of the town have indicated almost daily their interest in the big event by questioning the newspaper and other interested parties. It appears evident that cooperation will be available—which is the essential ingredient of any large-scale undertaking such as this one.

Let everyone, then, put his mind and his actions to work to insure that Friona's 50th Anniversary Celebration will be something big enough and good enough to attract attention across the Plains. Truly, this is a great opportunity to publicize Friona's many outstanding attributes.

The Star would like to ask the cooperation of every citizen who feels he has a suggestion that might help make the celebration a better one. Letters are not only invited—we urge the writing of them.

It should be the aim of the celebration boosters to spread the work on as broad a basis as possible, thereby insuring that no person will have a load too big to handle. If you should be asked to help out, we sincerely hope that you will accept an assignment to make the 50th Anniversary Celebration something that will be remembered in and around Friona for a long time.

Corrections Sought to List of Donations

In order that donors to the new building for the Parmer County Community Hospital might insure that their names are properly recorded, The Star has been asked to publish the hospital's contribution list.

"We want to make sure that we have everyone's name spelled correctly, and also would like to use this as a means of checking our list to make sure that we have not omitted anyone through error," explains Jimmy Baxter, hospital manager.

A glass-enclosed scroll is soon to be fashioned, which will be mounted in the foyer of the new building which is scheduled for occupancy this fall.

It is essential that the hospital determine as accurately as possible the correct spelling of all names, he pointed out, because the scroll will be on display permanently.

Cash contributions toward the new hospital total \$61,135.22, reports Baxter. As of June 1, \$118,000 had been spent by the hospital board on the new building.

Total cost of the building will be \$200,000, and the difference between contribution and the cost of the structure will be covered by a loan, the manager reports.

8 Delegates Picked For County Meet

The Friona Democratic precinct convention was held at the Friona High School Saturday afternoon at 5 o'clock. Nelson Welch, precinct chairman, opened the meeting. A temporary chairman was elected to preside in the absence of the permanent chairman, Bill Sheehan.

Then the meeting was turned over to John Lamb, temporary chairman.

Charles Osborn was elected secretary of the convention. Eight delegates and alternates to Saturday's county convention were then elected. The delegates are Sloan H. Osborn, Dean Bingham, Oscar Baxter, E. M. Rushing, Ralph Wilson, Loyde Brewer, Joe B. Douglas, and Dalton Caffey.

Alternates elected are John Renner, D. C. Herring, Ernest Anthony, Hollis Horton, Frank Spring, F. W. Holcomb, O. J. Beene, and Deon Awtry.

Those registering for the convention were Nelson Welch, Ed Massie, W. H. Massie, Oscar Baxter, Glynn Don Hughes, Roy Clements, Dalton Caffey, Sloan H. Osborn, W. L. Edelman, Jim Baxter, F. W. Holcomb, L. A. Latham, and Deon Awtry.

Also present were Mr. and Mrs. Jake Lamb, Mr. and Mrs. Glenn Floyd, R. E. Snead, C. E. Osborn, Loyde Brewer, John Lamb, Steve Bavousett, E. M. Rushing, and Eugene Ellis.

Fleming & Son Hold Softball Lead

Fleming & Son softball team appeared to be a good prospect for the championship of the Friona softball circuit in games played last week, which pushed the season into the final quarter.

The Ginners continued to hold on to their first place position by beating Texaco in a game played Friday night. Thursday night, International passed up Texaco also, but then bowed to Herring in the Friday double-header.

Herring beat Reeve Monday night of this week, and are laying for the Ginners in a game scheduled tonight. The implement house team is considered the best prospect for upsetting the league-leading Ginners.

Fishing in Colorado

Mr. and Mrs. Ralph Miller of Friona and Mr. and Mrs. Glenn Cunningham and Leslie of Lubbock left Friday for Platora, Colorado. They plan to spend a week fishing there.

Mr. and Mrs. Doyle Cummings and children returned home last weekend from a week's stay at Tres Ritos.

Former Residents Visit Here

Mr. and Mrs. Elmer Walker, Leatrice and Thurman of Duncan, Oklahoma, returned to their home Sunday afternoon. Walker had been visiting in the homes of his sisters, Mrs. Elbert Thomas and Mrs. Gene Bracken, for a week.

Mrs. Walker, Leatrice and Thurman arrived in Friona Friday afternoon and spent the weekend visiting relatives and friends. The Walkers are former Friona residents.

Y.A.W. Interest High

The first evening of Y.A.W. was termed successful by Rev. Hugh Blaylock of the Friona Methodist Church. About 40 local youths and 12 visitors from Anton were present for the first session, Sunday evening.

Return from Fort Hood

Bill Sheehan and Roy V. Miller have returned from Camp Ft. Hood where they spent 10 days in summer training with the National Guard. Sheehan returned with an officer from Hereford.

Mrs. Roy V. Miller drove down and returned with her husband. On the return trip they visited at San Angelo with Mr. and Mrs. Earl Williams and Mr. and Mrs. F. P. Lewis. Then at O'Donnell they visited with their daughter, Mary Lou, who is the FHA advisor there.

Mrs. Tilda Ashcraft spent Wednesday with Mrs. A. O. Drake.

Frionans Have Fun In New Post Office

A post office building is a personal thing to most people. Some persons can actually be found there more often than they can be found at home. Perhaps that partially explains why Bert Shackelford showed up to get his mail at the new office at

SCENE OF THE WEEK—This was a very common sight in the new Friona post office Monday morning, as scores of local boxholders schooled themselves on their new box combinations. Struggling with a toughie are Hadley Reeve, M. M. Sherley, and Will Thomas. They finally succeeded in opening Sherley's box.

5:45 sharp Monday morning, and from that time on, a constant stream of postal patrons flowed in, milled around, and passed out of Friona's newest building.

By mid-morning, Postmaster Leo McLellan was beginning to show the strain, but he kept smiling as he answered inquiry after inquiry at the windows, handing out combination cards and helping patrons figure out their new box locks.

Orma Flippin and LaVerne Burrow had their hands full, too, and for all employees, it was a very busy day.

"All in all, everything has gone pretty smoothly," McLellan observed, although he admitted that three box combinations had absolutely refused to open according to the cards issued.

These and a few other complications made the day a slow one for putting up mail, but everyone in the new office seemed in a good humor about the entire affair.

There are 676 boxes in the new office, compared with 500 which were available in the old location. McLellan estimates that within 90 days, the demand will catch up with the supply even in the new quarters.

It's a Boy

The new baby of Mr. and Mrs. Les Bruns is a boy. He was born July 18 and has been named Jon Mark. The Bruns home is in the Lazbuddie community.

Mr. and Mrs. Bob Wyly and children were Monday evening guests in the home of Mrs. Alta Wyly.

They're All Boys This Week

The three new babies which were born to Friona couples at the Parmer County Community Hospital over the weekend are all boys.

Mr. and Mrs. Donald Green's son, Donald Glen, was born at 3 a.m. Tuesday and weighed 8 lbs. 6 ozs. Mr. and Mrs. George Green are grandparents and Mr. and Mrs. Taylor Green are great-grandparents.

The second son of Mr. and Mrs. Billy Dean Baxter was born at 11:40 p.m. Saturday. He weighed 6 lbs. and 12 ozs. and has been named Blayne Dee. The other son is Johnny, who is 8. They also have a daughter, Debbie, who is five.

Blayne's grandparents are Mr. and Mrs. Rudolph Renner of Friona and Mr. and Mrs. Bill Baxter of Pierre, South Dakota. The Bill Baxters are former Friona residents. Great-grandparents are Mr. and Mrs. J. W. Baxter, also of Friona.

Kenneth Ray is the third son of Mr. and Mrs. Roy Lee Jones. He was born at 12:15 Sunday and weighed 7 lbs. His older brothers are Jim Roy, 4, and Jackie Dean, 2.

Kenneth's grandparents are Mr. and Mrs. W. H. Jones of Friona, and Mr. and Mrs. R. B. Tedford of Fayetteville, Arkansas. Mr. and Mrs. Charlie Jones of Friona and Mr. and Mrs. S. J. Sanders of Mineola are great-grandparents.

THANKS A MILLION FOLKS

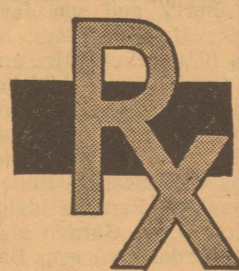

From the depths of an humble and grateful heart I want to thank you for the splendid support which you gave me in Saturday's primary in my race for County Commissioner of Precinct No. 1. The confidence which you expressed in me is deeply appreciated, and now in the coming Run-off campaign I earnestly invite and solicit your continued support.

I also want to congratulate those very fine gentlemen, Forrest Osborn and Aubrey Carlton, for their part in a clean campaign and invite those of you who supported the other candidates to give me your consideration and support on August 25.

If you should elect me to this important office I will work as hard to merit your vote as I am working to get your vote.

NEWS FROM LAZBUDDIE

BY MRS. BERT GORDON

Mrs. Phillips Is Shower Honoree

A pink and blue shower honoring Mrs. Gene Phillips, the former Charlene Graef, was held recently.

Charlene was presented with a corsage made of a baby rattle and diaper pins. Favors of marshmallow baby carriages holding jelly bean babies were given to the following guests: Mrs. J. J. Williams of Littlefield,

TO THE
VOTERS OF
Commissioner's
Precinct No. 1

I deeply appreciate the support the voters of Friona, Black, and Lakeview gave my candidacy in the Democratic Primary Election Saturday. In the coming weeks before the run-off, I will make every effort to contact each of you to personally extend my thanks and to request your continued support.

Sincerely,
E. R. "EMMETT" DAY

LOOK AT 'EM GROW!

Those field crops are far enough along now so that fertilizer is really showing up.

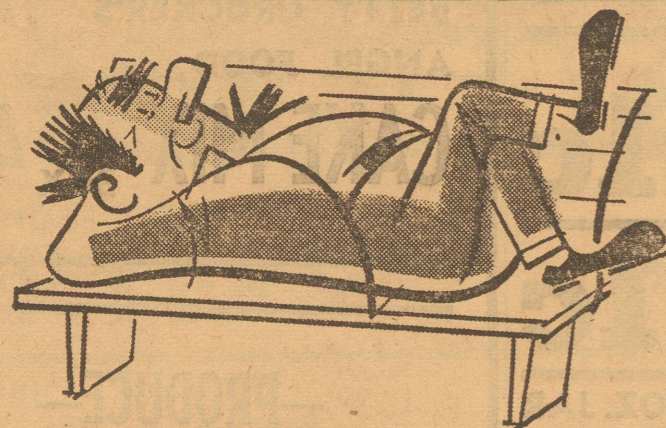

See for yourself what a difference an application of anhydrous ammonia makes. Notice fields where fertilized and unfertilized crops are growing side-by-side.

Fertilized crops will mature quicker—yield higher—resist hot, dry weather better.

Mrs. J. P. Perry of Anton, Mrs. John Carson of Olton, Mrs. Kenneth Seales of Fort Worth, Mrs. James Welch, Mrs. C. C. Graef, Mrs. Demp Foster, Mrs. Grace Gammon;

Also Mrs. Gene Smith, Mrs. R. H. Cox, Mrs. E. D. Mayhew, Betty and Janelle Floyd; Mrs. Ed Clark, Mrs. J. E. Williams, Mrs. Alfred Steinbock, and Mrs. Freeman Davis. Hostesses for the occasions were Mrs. Wayne Clark, Mrs. H. H. Briggs, Mrs. Roy Daniel, Mrs. Calvin Clark, Mrs. Frank Hinkson, Mrs. Mary Moore, Mrs. Laverne Brown, Mrs. Paula McBroom, and Mrs. Jimmie Ivy.

Construction Begins On Church Building

The Lazbuddie Church of Christ is getting started on its new building. They have the foundation laid and Minister Denton Thompson says that they expect the new auditorium to be completed by possibly November 1 and at least by December 1. The new building is to be constructed of brick veneer, and class rooms are to be constructed from the present building.

Bert Gordons Attend Reunion

The Bert Gordons attended a reunion of Gordon's family in MacKenzie State Park in Lubbock this past week. All but one of Gordon's family of 11 brothers and sisters were in attendance.

The 50 persons present were Mrs. Eula Marr of Dallas, Don Marr of Dallas, Mrs. Ora Ford of Bowie, Mr. and Mrs. Bill Prestwood and Homer, of Bowie;

Also, Mrs. Billie Coleman and children, Randy and Linda, of Frederick, Okla., Mr. and Mrs. Presto Berry and son Jerry, of Lubbock; Mr. and Mrs. Charlie Gordon of Crockett, Mr. and Mrs. Oscar Gordon and children, Bobby, Charles, and Jackie, of Post; Mr. and Mrs. Max Gordon, Kay and Bill, also of Post; the Bert Gordons of Muleshoe, Billie Miller and daughter, Pam, of Idalou; Mr. and Mrs. D. B. Gordon of Idalou, Homer Gordon and son, Barry, of Post, Johnny Barnhart;

And Mr. and Mrs. W. B. Criswell and children, Rodney, Theresa, and Gary Jo, of Idalou; Mr. and Mrs. Ray Langford and Dennis, and Mr. and Mrs. Weldon Gordon, Linda and Judy of Idalou, and Mr. and Mrs. Bob Pool of Lubbock.

Have New Daughter

Mr. and Mrs. Oral Gulley are the proud parents of a daughter, Deborah Kay, born last Thursday night in the Friona hospital. Mrs. Gulley is the former Roselean Redwine.

Has Birthday Dinner

Attending a birthday dinner honoring Marie Houston, daughter of Mr. and Mrs. Raymond Houston, on her 15th birthday, were Clyde Redwine, Patsy Cox, Johnny Henry, Mr. and Mrs. Clyde Henry and daughter, Shirley, of Muleshoe, and Marie's grandfather, J. T. Bostick.

To Kermit

Mr. and Mrs. Bert Gordon received word Sunday of an automobile accident near Kermit in which Mrs. Gordon's nephew was critically injured. Upon arriving at Kermit, the family spent some time at the hospital and then returned home, bringing with them Carol and Russell Morris who are Mrs. Gordon's niece and nephew. Mrs. Gordon remained in Kermit until the worst days of the recuperation for her nephew were over.

In Paul Home

Visiting in the home of Joe Paul and daughters on Sunday were his sister and brother and sister-in-law from Canada; his son, Charlie, of Bakersfield, Calif.; his daughter, Mrs. Daisy Bradbury of Lordsburg, N. M.; his son, Ralph, and daughter, Mrs. Jay Shaw, and their families of Hereford; his sister-in-law, Mrs. Berdie Paul of Muleshoe, and a host of grandchildren and great-grandchildren.

WMU Meets

Lazbuddie W. M. U. met in the First Baptist Church Monday for fifth Monday Bible Study. Those present for the meeting were Mrs. W. S. Menefee, Mrs. Ted Treider, Mrs. Earl Peterson, Mrs. Claude Heath, Mrs. Carrie Withrow, Mrs. Abe Mallouf, and Mrs. C. K. Roberts.

Visits in Groesbeck

Mrs. F. W. Greene left Friday for a visit with her sister and brother-in-law, Rev. and Mrs. M. A. Smith, and her brother, Judge Henry Jackson, of Groesbeck.

Her three other sisters and four brothers from Houston, Galveston, Cuero, and Overton, will meet her there.

Mr. and Mrs. W. S. Menefee visited in Hereford Thursday with their daughter and family, the Sam Longs.

Kenneth Redwine, son of Mr. and Mrs. G. E. Redwine, has gone to Dallas for another checkup.

Visiting in the Pyritz home Friday night were Mrs. Verlie Schumacher from Tulla, Mrs. Ed Steinbock, Pet Mason, and the Haran family of El Paso.

Mr. and Mrs. Max Steinbock and Mrs. Myrtle Steinbock have been gone about two weeks on a trip through California, Oregon, and Yellowstone National Park. They are expected home any day now.

Mrs. A. L. Eaves, mother of Mrs. Jimmie Ivy, is in the hospital at Dimmitt suffering from a broken hip received in a recent fall. Mrs. Eaves is supposed to come home the latter part of the week.

Mr. and Mrs. John Agee were in Oklahoma City over the weekend visiting her mother in the home of her sister and family, Mr. and Mrs. Bob Titus.

Fleming and Son Lose Softball Tilt

Fleming and Son Ginners, current leaders of the Friona Softball League, journeyed to Silverton Monday night for an exhibition game with a team there sponsored by Tomlin-Fleming Gin of Silverton. The host team managed for a run and the 2-1 win in the bottom half of the last inning.

Dale Malcom, Fleming outfielder, was the game's top hitter. He had three singles in four at bat. Glendon Sudderth went the distance for the losing visitors. He allowed only three hits as he accepted his first defeat of the season.

The Ginners play Herring Implement Company tonight (Thursday) in a regularly scheduled league game.

Lions Hear Graham On Water Storage

A program on ground water supply and irrigation potential of the High Plains was presented to the Friona Lions Club by W. H. Graham Jr. last Thursday evening.

Graham illustrated his talk with newspaper clippings and official records. He pointed out that Parmer County has more water in storage than any other county in Texas, but added, "We still don't have enough to be wasteful."

He said that the water table in the Ogallala formation from which nearly all irrigation wells are pumping is falling at the rate of from four to five feet a year, on an

average. Some wells show more decline than this, he said.

There were 27 members present for the meeting.

Mr. and Mrs. Weldon Dickson and children are in Fort Worth on vacation, where they are visiting her parents, Mr. and Mrs. E. J. Wood. The Dicksons will return to Friona this weekend.

Mr. and Mrs. Wright Williams will spend their summer vacation in Ruidoso. They will leave Sunday and be gone for 10 days.

Manns Have New Daughter

Mr. and Mrs. Joe Mann became parents of a girl last Wednesday morning at the Parmer County Community Hospital. She weighed six lbs. and seven ozs. and was named Joy Lynn.

Grandparents are Mrs. Bertha Hurst and Mr. and Mrs. D. T. Mann. The Manns have two other children, Joe Bob, 7, and Carla ue, 4½.

Pat Anthony Tells Of FHA Conclave

(Editor's Note: Patsy Anthony, daughter of Mr. and Mrs. A. W. Anthony of Friona, has returned from the national convention of the FHA, where she represented the local school chapter. The following is her report.)

By PATSY ANTHONY
The Conrad Hilton Hotel in Chicago was a scene of confusion as 2010 delegates from 47 states, Hawaii, Alaska, and Puerto Rico arrived and began registering for the

1956 national convention of Future Homemakers of America. The convention began July 2 and adjourned July 6.

All meetings were held in the grand ballroom and adjoining rooms. The delegates ate in the hotel cafeteria and had rooms in the hotel.

Convention objectives were: "To help you project the forward look in FHA; to guide you in working effectively with adults in achieving the goals of FHA; to encourage you to work toward FHA goals through participating in home, chapter, school and community activities."

Delegates were challenged to keep their sights on the "good and fair" things in life.

Speaking in the opening session, Dr. S. M. Brownell, commissioner of education, U. S. Department of Health, Education and Welfare, pointed out that due to changes in transportation and communication every nation is a neighbor. "We can no longer think of homemaking as confined to the four walls of home or the boundaries of the community. Because we are all neighbors now, we must think in terms of the world," he said.

"We are not born equal but we have equality of opportunity. If we don't have a good home we can at least take advantage of community institutions and later help build good homes for tomorrow's boys and girls."

These thoughts were given to us by Mrs. Billie Davis, noted author and lecturer from Bettendorf, Iowa,

McFarland Osborn Training in Field

Cadet McFarland C. Osborn, son of Mr. and Mrs. Claude Osborn, Friona, and a student at Texas A&M, is shown here fourth from the left as he leaves the chow line at Camp A. P. Hill, Virginia, where he is engaged in a nine-day field

training exercise.

Cadet Osborn and his 365 fellow cadets at the 1956 Quartermaster ROTC Summer Camp at Fort Lee, Virginia, are in their next to last week of the six-week training period.

Arriving on June 23, the cadets started training on June 25. They will be released to return to their homes and colleges on August 3.

at the second general session.

She explained that appreciation is the opposite of depreciation. "We tend to live beneath our privileges" because we do not understand nor appreciate the true values of life.

Mrs. Davis' life demonstrates her philosophy because she once was a bum from hobo jungle who discovered the free libraries, schools and churches to become one of the "real people who live in houses and contribute to society".

"Public relations is merely relations with other people," stated Hugh Muncy, executive manager, Illinois Chain Store Council.

"To have successful relations with others a person must display interest in others rather than inter-

est in self," he said.

"If things are done well and we appreciate our rights, our surroundings, our fellow man, then and only then do we know the true joy of living," said Edna P. Amidon, director Home Economics Education, U. S. Department of Health, Education and Welfare.

In the Thursday session a new program of work was outlined. National FHA projects include teenage consumers, families together, home, school and community beautification. UNESCO gift coupon plan, and civil defense.

The four goals adopted by the organization for the years 1956-59 are: to promote better family living, to help members understand

the opportunities open to them in the field of home economics, to understand our neighbors both at home and abroad, to provide training for each chapter member for participation in home, school, and community activities.

Roll call of states was presented in the form of a skit by the Texas delegation. Several skits and programs were given by various states and committees carrying out the theme of the convention: You, in home, chapter, school, community. The interest groups held Wednesday also carried out this theme. I received the honor of being elected chairman of interest group on home.

The convention was by no means all work and meetings and no play. The Texas girls arrived a day before the convention was to begin so had a day to see the city. We filled in the time with a trip to the aquarium, museum, picture show and shopping trips in uptown Chicago.

A tour of Chicago was held on Thursday. It lasted four hours and we saw homes and places of historical interest, the Museum of Natural Science and Industry, the Elk's Temple, zoo, and various churches.

The banquet was held in the grand ballroom Thursday night. Hawaii presented each person with an orchid.

The American Legion 4th of July celebration at Soldiers' Field was well attended by FHA'ers in spite of the light rain. Aerial acts, stock-car crashing and trained animals, along with the fireworks, were featured attractions.

Installation ceremonies for new officers were held Friday, closing a successful convention.

All Day Training Session Monday

There will be an all day training session for parents and teachers at the Sixth Street Church of Christ Monday, August 6. The program has been designed to instruct parents and teachers in teaching methods.

The morning session will begin at 9 a. m. and run through 11:30. Then the afternoon session will begin at 1:00 and end at 3:30. Lunch will be served at noon. All residents of the community are invited to attend, says M. B. McKinney, minister.

Visitor in Reeve Home

Charles Reeve of Naugatuk, Connecticut, arrived by plane in Amarillo Monday evening and will spend five days with his parents, Mr. and Mrs. F. W. Reeve, and other relatives.

NOTES FROM THE Hospital

ADMITTED: L. M. Grissom, accident, Bovina; Mrs. Velma Jones, medical, Friona; Gary Hodges, admitted, Friona; Juanita Palsina, medical, Hereford; Mrs. Oral Gulley, o. b., Muleshoe; Roy Fuentes, medical, Hereford; Sarco Sanchez, medical, Hereford; Mrs. C. W. Dixon, medical, Friona; E. D. Mayhew, medical, Friona; Kenneth Lee Alexander, medical, Anton; Mrs. Billy Dean Baxter, o. b., Friona; Mrs. Roy Lee Jones, o. b., Friona; Mrs. Donald Green, o. b., Friona.

DISMISSED: Mrs. Bill Meeks, Victorina Chavez, L. M. Grissom, Mrs. Velma Jones, Mrs. Charles Smith, Roy Fuentes, Sarco Sanchez, Kenneth Alexander, Juanita Palsina, Mrs. Oral Gulley and baby girl.

Elton Wyllys Have Second Son

Mr. and Mrs. Elton Wyllys of Harold, South Dakota, have a new baby boy. He was born July 16, and was named Paul Douglas.

The Wyllys have one other son, Clyde, who was six on July 16 and a daughter, Wileta, who is four. They are former Friona residents.

Mrs. Alta Wylly of Friona is paternal grandmother.

16 YEARS OF SERVICE

Since 1940, the friendly folks at Blanton Butane in Hereford, Friona, and Dimmitt have built their business around the word "SERVICE."

We have been with the farmers through good times and bad in those 16 years, but always we have enjoyed our associations with the people who depend on us for part of their agricultural necessities.

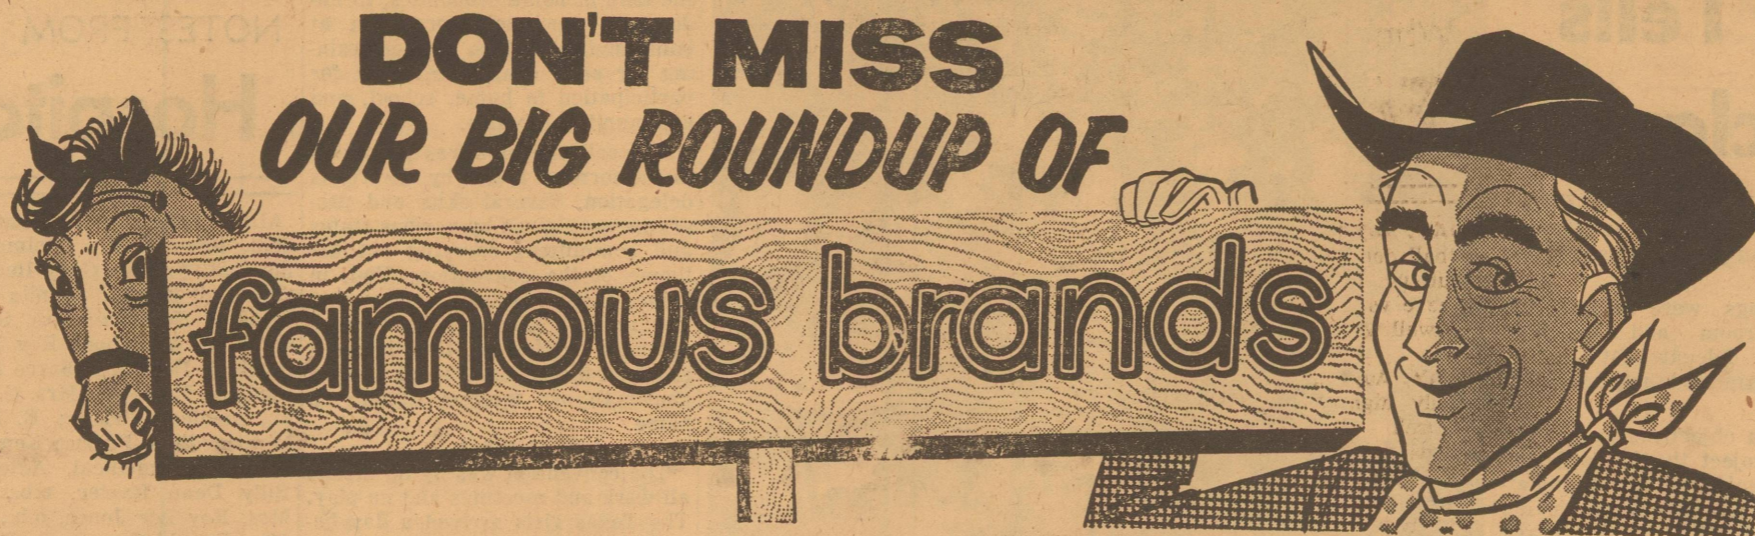

If you are a newcomer to the area, please accept this "howdy" from an "old-timer" and let us prove to you what we mean when we say that we want to be of service to you.

HAVE YOU CONVERTED THAT TRACTOR TO BUTANE YET?—IT'S THE MONEY-MAKINGEST IDEA IN THE LAST 10 YEARS!

Visitors in Tannahill Home

Weekend visitors in the home of Mr. and Mrs. C. W. Tannahill and children were Mrs. Tannahill's parents, Mr. and Mrs. J. B. Allen of Lockney. Friday afternoon they visited Mr. and Mrs. B. R. Teague of Clovis. Mrs. Teague is Allen's sister. The Allens returned home Saturday.

Also visiting were Mr. and Mrs. Ormand Thompson and sons of Fort Worth. Mrs. Thompson is a cousin of Tannahill. Mr. and Mrs. Guy Allen and Mr. and Mrs. Jimmy Allen and sons of Kress were Sunday guests.

Mrs. Cunningham Honored with Tea

Mrs. Glenn Cunningham, who has been a guest in the home of her parents, Mr. and Mrs. Ralph Miller, was guest of honor at a tea in the home of Mrs. H. H. Horton Jr., Friday afternoon.

Mrs. Ben Jordan was co-hostess with Mrs. Horton, and Leslie, daughter of Mrs. Cunningham, shared honors with her mother. Roses, pictures of Leslie and baby pictures of her mother were used to decorate the entertaining rooms.

After an afternoon of visiting, refreshments of strawberry ice and cheese balls were served to the following guests: Mesdames David Smith, Sterling Graham, Dan Ethridge, J. T. Gee, Charles Osborn, and Doyce Barnett;

Also J. F. Miller, Paul Spring, Lewis Welch, Ralph Miller, and the honorees. Mrs. Cunningham is the former Joyce Ann Miller.

The Statue of Liberty was made in France.
Inventor of the adding machine was Pascal, a Frenchman, in 1642.

FUEL FOR A GROWING EMPIRE

The "password" is Chevrolet!

Quick as a flick of your foot, this new Chevy changes its pace for passing. Lightning acceleration sweeps you out, around and back in line seconds sooner and safer.

Passing's short and sweet in this lightning-quick Chevrolet. Hair-trigger horsepower that ranges up to 225 saves you seconds for greater safety.

This is the car, you know, that won both the acceleration and flying mile events for its class at the NASCAR Daytona Beach time trials. It's the car that covered an almost incredible 2,438 miles in 24 hours to hang up a new competition track record at Darlington, S. C.

Stop in and put this beautiful record-breaker through its paces sometime soon.

America's largest selling car—2 million more owners than any other make!

Okay on Summer Polio Vaccinations

Reversing a previous announcement that advised against the use of poliomyelitis summer vaccine in summertime, the National Foundation for Infantile Paralysis last week cleared the shots for immediate use.

In a dispatch from the Foundation, Dr. Hart Van Riper, medical director, urged Dr. Paul Spring, county health officer, "to obtain just as much vaccine as you need and inject it without delay in as many of your patients as are eligible to receive vaccine."

He added, "The U. S. Public Health Service, the American Academy of Pediatrics, the American Medical Association, the American Health Association, and other medical organizations concur

that it is both safe and desirable to vaccinate with poliomyelitis vaccine now and throughout the summer."

Two more paragraphs of Dr. Van Riper's letter:

At the 105th Annual Meeting of the American Medical Association in Chicago on June 11, Surgeon General Leonard Scheele of the U. S. Public Health Service said: "The immediate order of business in the polio fight is to use every drop of vaccine available in the wisest possible way. . . . Vaccine given in July and August will prevent paralytic cases and even deaths in August and September."

May I suggest that you give reassurance that the present Salk vaccine is safe and effective to patients, parents and others in your community who still needlessly doubt it? The scientific documentation of the vaccine's safety and effectiveness is overwhelming. Over 30 million children in the United States alone have been inoculated without mishap since May 7, 1955. Experience in 1955, now reported from 23 areas (mostly states) shows that the vaccine is at least 75% effective in preventing paralytic poliomyelitis.

Dr. Spring indicated that vaccine is on hand now at the Parmer County Community Hospital in Friona, and that doctors there will proceed with inoculation as is suggested by the Foundation.

They previously had decided not to vaccinate after July 1 of this summer.

own. Term: This is our last show of the season, folks, but we hope to be back with you again in the fall.

Translation: The opposition is clobbering us in the ratings and we're being replaced permanently by old Charlie Chan movies.

*** * * * *

Had you ever thought of it this way?

Everything you "get for free" from the government has to be taken away from somebody else.

Friona Is Without Night Watchman

Continued From Page 1

taken up with the planning and zoning commission, which is a group which is allowed to make adjustments in special cases where unnecessary hardships seem likely to occur from strict interpretation of building ordinances.

Stevick said his purpose in bringing up the subject was to make it possible for some local property owners to build larger houses on single lots or smaller frontages (most being for 50 feet).

He said that he felt the city should enforce the regulations or alter local building ordinances. Commissioners answered with "there has to be a stopping point somewhere" and then said they felt it in the best interest of the community that restrictions be enforced.

They took no action to change the ordinance.

*** * * * *

The problem of outdoor toilets

in Friona and the slowness of some property owners to respond to city ordinances requiring tying on to the sewer came up for discussion.

There are about 100 instances in the city where property should be hooked up to the system, but are not, estimated Clerk Wilson. Since the sewer bonds are of the revenue type, it is unfair for the difference in paying off the bonds to be made up from general tax collections, he pointed out.

A decision to notify delinquent owners of the situation and request that they tie on by November 1 was agreed upon by the commission. If no action is taken by that time, regular statements on sewer services will be sent to all owners, whether they are tied on or not.

That will encourage some early action, the commission hopes. The residential rate for a 4-fixture connection is \$1.50 per month.

County Democratic Meet Saturday

Delegates to the Parmer County Democratic convention will assemble at the courthouse at 5 o'clock Saturday afternoon in the second meeting of the year.

They will name delegates to the state convention and attend to whatever other business may come before the group.

Guests from Shamrock

Mr. and Mrs. Glen Richardson and children from Shamrock were weekend guests in the home of Mr. and Mrs. J. C. Claborn and sons.

Friona Businesses Organize Promotion

ry, Maurer Machinery, and Dilger's Cleaners.

Supporting members included Charles Osborn, Friona Star, Friona State Bank, City Body Shop, and Ethridge-Spring Agency.

Stewart's Mother Critically Ill

Word was received in Friona late Sunday that Allen Stewart's mother was critically ill in a hospital at Big Spring. Mr. and Mrs. Stewart and children left immediately for Big Spring.

Mrs. Stewart, who is a former resident of the Black community, was a resident of Castro County for a number of years.

Anthony's Return

Mayor and Mrs. A. W. Anthony and daughter, Pat, returned home Sunday evening after a tour of the northeastern section of the United States and several points in Canada.

At Limestone, Maine, they were guests in the home of M-Sgt. and Mrs. Howard Biggers and sons. Mrs. Biggers is a daughter of the Anthonys.

On the return trip they visited several points of interest in Washington, D. C.

Mr. and Mrs. Jess Sparkman of Hobart, Oklahoma, were weekend guests in the home of Mr. and Mrs.

Glenn Reeve and sons. The Sparkmans are Mrs. Reeve's parents.

Army Buddies Enjoy Visit

Elmo Plank of Woodland, California, spent several days last week visiting in the home of Mr. and Mrs. Loyde A. Brewer and sons.

Plank and Brewer were buddies during World War II. Plank had just completed a tour of several Western states. He had visited other buddies in California, Washington, Wyoming, South Dakota, and Kansas.

Hydes Have Visitors

Rev. and Mrs. Omar Hyde of North Vancouver, British Columbia, have been visitors in the home of their parents, Mr. and Mrs. A. Hyde. They were accompanied to Friona by Mrs. Lee Harper, sister of Mrs. Hyde, of Loveland, Colorado, who spent several days visiting here.

Osborns Tour Eastern States

Mr. and Mrs. Claude Osborn of Friona left Saturday morning for Fort Lee, Virginia. They planned to visit several points of interest enroute. The Osborns will meet their son, M. C., at Camp Lee. From Camp Lee the group will go to Tampa, Florida, where M. C. will be in the wedding of a friend, DeWayne Peterson of Lamesa. They plan to return to Friona about August 15.

Guests in Euler Home

Mr. and Mrs. Earl Mangold of Flint, Michigan, arrived in Friona last Tuesday for a visit with Mrs. Mangold's parents, Mr. and Mrs. Elmer Euler. Mrs. Mangold is the former Louise Euler.

Guests for Sunday dinner were Mr. and Mrs. Roy Euler and Jeanette of Summerfield, Charles Allen, Mrs. Hardy May, Johnny Miller and Arlen May.

man in a purely local race get squashed in an election. Regardless of how good a sport a man may attempt to be, it is bound to hurt when your opponent blasts you five-to-one or something like that.

We are glad that nobody got stomped Saturday.

Something else on the election: Looks like we owe Raymond Euler a dinner of some kind. We swore that Haley would get more votes than O'Daniel in Parmer County.

The score, unofficial: Haley 316, O'Daniel 341.

Too often we suspect Negroes, Spanish-Americans, and transients of "lifting" personal items when they disappear occasionally. Most of the time, we later discover that we merely had misplaced our belongings.

Another illustration that Latin-American laborers aren't always the trouble-makers we would have them be, turned up last week. A couple of rings disappeared from Allen's Jewelry Store.

The next day, two small Spanish-American girls came back with the missing property. They had been members of a group in the store the previous day. What the details of the story were, we haven't heard.

The important thing, though, was that the jewelry was returned, voluntarily.

MARILYN GAIL FAIRCHILD

Early Fall Wedding Planned by Couple

Mr. and Mrs. E. L. Fairchild have announced the engagement of their daughter, Marilyn Gail, to Rex Blackburn, son of Mr. and Mrs. Claude Blackburn.

The wedding vows will be exchanged Saturday, September 8 at the First Methodist Church in Friona. Rev. Hugh Blaylock, pastor, will perform the ceremony. Friends of the couple are invited to attend.

Bradleys Have Out-of-Town Guests

Weekend guests in the home of Mr. and Mrs. J. M. Bradley were Mr. and Mrs. C. J. Carter and daughter, Sandra, and Miss Lounell Patton of Hobbs, New Mexico; and Mrs. Jackie Pedigo, Susan and Ronnie of Columbus, Ohio.

Sunday a number of relatives were at the Bradley home for a basket lunch. They were Mr. and Mrs. Herald White of Oak Harbor, Michigan; Mr. and Mrs. Kenneth Heady and son, Carl William, of Lubbock; and Mr. and Mrs. D. E. Coldiron, David and Ronnie of Amarillo.

Mary Dorcas Class With Mrs. Lloyd

Mrs. W. M. Lloyd was hostess to the Mary Dorcas class of the First Baptist Church in her home Saturday afternoon. Prayer was led by Mrs. White after the scripture reading by the hostess.

Refreshments of cake, cookies, ice cream and pops were served by the hostess to the following members: Mesdames Otis Massey, J. H. Wise, W. M. White, George M. Baker, Bert Day, C. A. Reagan, Sarah Vernon, Rosa Anderson, Florence Buske, Ella Burrows, and Lou Bussell.

During the business meeting a committee, composed of Mesdames Florence Buske, Rosa Anderson, and W. M. Lloyd, was selected to

help the president, Mrs. Otis Massey, select a teacher for the coming year. The minutes were read by Mrs. Florence Buske.

Northside Club to Make Planters

At the Friday afternoon meeting of the Northside Home Demonstration Club, plans were made for a planter making demonstration. Mrs. Gladys Wright was hostess to the club in her home.

The planter making demonstration will be given in the home of Margie Chiles on Wednesday afternoon, August 8, by June Brummett. The meeting date has been changed for this one time only.

The meeting was called to order by Nellie Ray, president. The entire group stood and gave the club creed and prayer. Roll call was by Faye McMahan and Thelma Ruth Shelton gave the council report.

Several members plan to attend the clothing workshop which will be held in Farwell August 15 at 2:30 p.m. This meeting will be in Jimmie Lou Wainscott's office in the Farmer County courthouse.

Ruby Robards was the recipient of the hostess gift. Cookies, mints, and frosted Cokes were served to three guests, Wanita Taylor, May Dell Taylor, and Mrs. W. C. Atkinson.

Also the following members: Drucilla Paul, Olive Massie, Velma Lovett, Daisy Miller, Faye McMahan, Nellie Ray, Thelma Ruth Shelton, Inez, Shirley, Dorothy Hough, Johnnie Stokes, Lauretta Brookfield, and the hostess.

Visitors from Arkansas

Mr. and Mrs. R. B. Tedford arrived in Friona Tuesday afternoon for a visit with their daughter, Mrs. Roy Lee Jones, and other friends and relatives. The Tedfords, who are former Friona residents, now live in Fayetteville, Arkansas.

Mrs. Herman Tedford and children, also of Fayetteville, arrived Monday for a visit with her mother, Mrs. G. A. Collier Sr., and other relatives and friends.

Sunday dinner guests of Mr. and Mrs. Jim Baxter and Patricia were Mrs. Alta Wylie, Mr. and Mrs. Bob Wylie and children, and Mr. and Mrs. L. D. Pope.

in & around FRIONA With June

Those of us who are unable to have a vacation in the mountains should take advantage of what the locality has to offer. Right now we can drive out to the northwest edge of town late in the evening and have all the effects of a lakeside drive in a mountainous country.

The lights of the baseball field make a very pretty reflection in the lake in Reeve's pasture, and the huge pile of caliche has some resemblance to a mountain in the moonlight. Anyone who wants to enjoy this make believe will have to do so very soon. Unless some rain falls, there will soon be no lake.

All of the advertising we have been reading reminds us that fall merchandise will soon be on display in all the stores. In fact, we have seen some fall clothes and some Christmas merchandise on display in Friona already. When we suggested that one of our local merchants was rushing the season, the reply we got was, "They are doing it in the larger cities."

Of course, we want Friona to keep up with the times just like the big towns do.

With fall coming on, several Friona concerns will have new homes. The post office is operating in

new location now. By the first of October, Jimmy Baxter anticipates completion of the new Farmer County Community Hospital. And, in the not too far distant future, we hope the Friona Star soon has a new home.

Mrs. Nellie Dean, Farmer County landowner who lives in Muleshoe, was a visitor at the Star office Tuesday afternoon. We are always glad to have out-of-town visitors, and especially enjoyed having Mrs. Dean call on us.

Not too long ago we were wondering what had happened to the practical jokers. Now we know. We have been victimized by one. Maybe we should apologize to our editor, W. H. Graham Jr., for accusing him of indirectly suggesting that we get up earlier. Since having the clock is such a pleasure, we are glad to learn that not all practical jokers have disappeared.

Driving into Friona in 1956 reminds us very much of driving into Dimmitt in 1930. By that, we mean that the TV aerials in Friona now remind us of the windmill towers that were in Dimmitt when we first moved there.

The Panhandle towns were the first ones we had ever seen with windmills. Each home had its own water supply and pressure pumps were almost unheard of. We like towns with towers, windmills or TV.

The Lone Star Roundup in the Farmer-Stockman is one of our favorite magazine pages. It is even more interesting to us since we had the pleasure of meeting

author of it at Black in the spring.

Read recently that five persons have been selected for places in the National Cowboy Hall of Fame at Oklahoma City.

They are Will Rogers, Charles Goodnight, Jake McClure, Theodore Roosevelt, and Charles M. Russell. Still think there must have been someone connected with the XIX who should be eligible for the honor.

When our schools are equipped with visual aid films, pupils will probably greet one another with, "What's showing at school today?"

Is there a difference between blackeyed peas and California blackeyed beans? We have heard quite a lot of discussion on the subject, but still are undecided. When we first began to hear of California blackeyed beans, our idea was that someone from the Southwest had gone "high hat" when he got to the West Coast. This we do know. There is a difference in the taste of blackeyed peas that look alike. Whether this is due to the type of soil, amount of water, or whatever, there is definitely a difference.

Wade to Floydada

Rev. and Mrs. W. C. Wade and son, Bobby, moved to Floydada last week. Wade, who has been the pastor of the Assembly of God Church here for several years, will serve in the same capacity there. No replacement has been named theyet.

SECTION II THE FRIONA STAR

McLellan Totals Quarterly Report

Postal receipts at the Friona post office for the second quarter are both "up and down." This oddity is explained by a sharp fluctuation in permit mailing at this time compared with last year, according to Postmaster Leo McLellan.

Receipts for the 1956 quarter were \$4,867. Total intake for the same quarter one year ago was \$5,136, showing a decline of \$269 in a year's span, but a look at permit mailings tell the story.

Those were \$1,094 in 1955 and \$700 this year, or a decline of almost \$400 in this type postal busi-

ness. Not taking permit mailing into consideration, the increase in general receipts would have been \$125, according to McLellan.

Postal receipts are generally a reliable "barometer" in appraising business conditions in a community.

To Illinois

Uncle John White and Mrs. Grace Hart of Friona, and Roy Hart of Amarillo left Tuesday morning for a ten-day trip to points around East St. Louis where they will visit friends and relatives. They plan to visit Uncle John's birthplace at Rockwood, Illinois.

The BIBLE Says

"There is a way which seemeth right unto a man; but the end thereof are the ways of death" (Proverbs 14:12). Things are not always what they appear to be. Some things appear to be good investments, but in the end they are not. Sometimes it seems as though it is certain to rain, but the clouds blow away and there is no trace of moisture. So is it in pleasing Jehovah God.

We think that because some things please us that they will also please our God. We think that one manner of life which is acceptable to us and to society is the kind of life which God desires that we live. God says, "For my thoughts are not your thoughts, neither are your ways my ways, saith Jehovah. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts." (Isiah 55:8-9)

The Bible further teaches that God's children are led by the teaching of His word. One of the inspired writers said, "For we walk by faith and not by sight." Since faith comes by hearing (understanding) God's word it naturally follows that if we are to please God we will do so by walking (doing all things) as the Bible directs.

JOHNSON'S CORNER GROCERY

Playing "Tourist" in Germany Fun for Joe, Carolyn Osborn

(Editor's Note: Carolyn Osborn, wife of 2nd Lt. Joe Osborn of Friona, has again written The Star about their travels on the European continent. Joe is co-owner of The Star.)

Last week we played "tourist" in Germany. To play "tourist," naturally is to go where the usual Americans on tour go. With two whole days free we left the hinterlands for Baden-Baden and Freiburg, both in the "Upper Black Forest."

By 1:30 p.m. we were in Baden-Baden and looking for a hotel. We decided on the Luz-Hotel Runkewitz on the Lichtentaler Allee. If you don't think that's a mouthful, you should try asking a German policeman for directions.

Hotel Runkewitz looked like an old mansion, with its own private park. We were given a room on the fifth story. From here we could step out on our tiny balcony and see the high mountains surrounding the town . . . and what a town!

The word "Bad" in German means bath or spa. There are many "Bads" in German town names but Baden-Baden is the capital of them all. It was also the summer capital of the French smart set under the Second Empire. English royalty was later represented by Queen Victoria who spent many summers in her villa there bringing with her the future Edward VII and her grandson, later George V.

To attract people of such prominence, Baden-Baden has three magnets; beauty, baths, and the Casino. We strolled through the sumptuous park along the Oos River . . . and a very tidy river it was . . . cement-lined, cobblestone paved, and many-bridged. Took pictures of fountains and wandered in the formal rose gardens.

We didn't get to the baths but saw pictures and an explanation of them at the Casino that night. Just one century after the birth of Christ the Romans discovered the hot springs of Baden-Baden. Six thou-

sand feet below the ground, they send up a temperature of 159 degrees Fahrenheit, higher than that of any other mineral springs in Europe.

Saving the best for the last, we went to the Casino for dinner. Ate to the music of a string quartet and afterward entered the famed gambling rooms, built about a hundred years ago. These halls owe their notoriety to the patronage of two Frenchmen, Jacques Benazet and his son Edouard, Jacques Benazet was a skillful operator in the gambling halls that flourished in the Paris Palais Royal. With his past success as background experience, he rented a Baden casino and turned it into the meeting place of the elite.

His son carried on the grand tradition by building the present Kurhaus or Casino. It has been called, and rightly so, "one of the most magnificent and richly decorated casinos in the world."

Elegant is the word . . . decadent is the feeling you get as you walk into the White Room, first of four. Its style is Louis XVI and its icy grandeur seems austere compared to the Red Room. Full of red velvet hangings, gilt, and huge crystal chandeliers, the Red Room is nearly a true copy of one of the rooms of the Palace of Versailles.

Next was the small "Salon Pompadour," modelled after the Chateau Trianon where Madame Pompadour lived. This seemed rather inconsequential when we got to the largest hall, the Green Room. It was full of symbolic statues, paintings, and more chandeliers. The roulette tables were busiest here.

We didn't gamble but the free show was great. Milady with her tiara would have been horribly shocked to see these fashionable salons filled with Germans in sport clothes! The only properly dressed person we saw was an Englishman . . . in tux.

The following day we left the glitter of Baden-Baden for Freiburg, "capital" of the Black Forest

F. L. SPRING

OLD FASHIONED COUNTRY STORE

Come and See Us

and birthplace of America. Geographer Martin Waldseemuller, the first to put the word "America" on a map, was born in Freiburg. In 1507 Waldseemuller mistakenly credited Amerigo Vespucci with discovering the new world. Poor old Columbus! Since he died in 1506, he wasn't around to take up for himself!

Because our time was growing short, we headed straight for the Freiburg Cathedral, one of the few continental cathedrals that was completed during the Middle Ages, started in 1122 and finished in 1252. Decoration of the interior, however, went far into the 16th Century. Although the cathedral suffered considerably during the war, it has been well repaired. The 386-foot tower and most of the stonework, making it one of the finest churches in Germany, were left intact. Still booming is the cathedral's heaviest bell, named "Hosanna" and dating from 1258, the oldest bell in Germany.

We were greatly impressed with the wooden statues telling the story of the history of salvation in repeating arches of the porch. On the north wall we found the familiar figures of Aaron and Sarah, John the Baptist, Abraham about to sacrifice Isaac, and Mary Magdalen. Nearest to the door, facing it on the left was the Adoration of the Magi. Five tiers of elaborate carving over the doorway showed the life of Christ and the Last Judgment.

I couldn't possibly describe the detailed beauty of the interior of the cathedral. It took our guidebook 15 pages to do just that. Its general effect is of man's reaching upward, a soaring infinity, a lovely uninterrupted vista from the door to the choir, and rich light flowing in from the many-hued stained glass windows.

There are statues of Christ and the apostles standing on carved stone brackets, statues of Madonna and Child, a chapel of the Holy Sepulchre erected in 1330, chapel of the Last Supper, tombstones set in the wall, paintings, alters, candles, and all in ordered profusion. While we were there the organist was practicing. The 11,245 pipes distributed in four places gave us a sample of magnificent music ringing through the high vaults.

Aside from the cathedral, Freiburg's most notable building is the Kaufhaus, a 16th Century merchants' hall located on the cathedral square. It had four enormous arches curving over the sidewalk. Four

statues of Hapsburg kings looked down on us from the second level. A short jaunt in the bustling city brought us to part of the old wall, which crosses one of the main thoroughfares. There we joined the parade of cars rattling under its ancient arches and started home fully delighted with the tourist side of Germany.

Parmer Students Attend Wayland

Plainview (spl.)—Three Parmer County students, Miss Joella Lovvorn, George Young, and Jimmie Kuykendall, are enrolled in Wayland College's first nine weeks summer school.

Miss Lovvorn is a 1952 graduate of Farwell High School and a senior at Wayland, seeking the B. S. degree with a major in biology and a minor in art. She was recently elected to serve on the Baptist Student Union's council as a church representative. During the 1955-56 school year she was elected as a senator to represent Mador Hall in the college's Student Government Association. She is the daughter of Mr. and Mrs. A. M. Lovvorn, Route 2, Muleshoe.

Young is a senior ministerial student, seeking the B. A. degree with art as his major field of study and a minor in Bible. After graduation, Young plans to do mission work among Spanish speaking people. He is the son of Mr. and Mrs. E. H. Young, Route 1, Farwell.

Kuykendall, Friona, is a freshman ministerial student at Wayland. He is seeking the B. A. degree, majoring in Bible and minor in education. He is the son of Mr. and Mrs. E. E. Kuykendall, Richmond, Calif.

In the change over to the nine weeks summer term, Wayland has also scheduled its first summer commencement for Aug. 5. Miss Eula Mae Henderson, executive secretary of the Women's Missionary Union of the Baptist General Convention of Texas, will address the August graduates.

Return from Tres Ritos

Mr. and Mrs. Sloan H. Osborn of Friona and Mr. and Mrs. Neal Osborn and Tommy of Hope, Arkansas, returned Saturday after spending several days at the Osborn cabin at Tres Ritos.

The Neal Osborns, who have been visiting relatives here, have returned to their home at Hope.

Mr. and Mrs. John Benger of the Black community are visiting relatives and friends at Fargo, Oklahoma, this week.

Hi-Point Club Meets Friday

Mrs. Glen Mings was hostess to the Hi-Point Home Demonstration Club in her home Friday afternoon. A demonstration was given on making an apple crisp by two 4-H girls, Joy Crow and Pat Cranfill. Those present were given a sample of the finished dish.

Plans were made for a family picnic which is to be held in the City Park Friday, August 10, at 7 p.m. Mrs. James Boyle gave a report of the last council meeting.

Mrs. Floyd received the hostess gift. Refreshments of cookies, congealed salad and lemonade were served to the following: Mesdames Ed Bogges, G. L. Mings, James

Boyle, Floyd Rector, Eugene Bandy, and Lloyd Mings.

Millerettes Sing At Coffee Club

The Millerettes, a trio of local talent, were guest performers at the Coffee Club in Clovis Saturday afternoon. The program was heard over KCLV.

The trio members are Johnnie Hand, Lavon Fleming and Nancy Outland. They were accompanied by Eva Miller.

Glenn E. Reeve Sr. and son, Don, made a business trip to Denver Saturday. They returned Sunday afternoon.

Visiting Preacher Becomes Ill

Kenneth Lee Alexander of Anton was guest speaker at the Friona Methodist Church Sunday. During the evening service, he became ill, collapsed and was taken to the Parmer County Community Hospital.

Alexander, who is the son of Mr. and Mrs. Kenneth Alexander of Anton, is a ministerial student at McMurry College at Abilene. He was released from the hospital Monday and returned to his home.

Mr. and Mrs. Allen Stewart attended the jewelry market at Amarillo Sunday.

Proposed Constitutional Amendments

To be voted on at an election to be held on

NOVEMBER 6, 1956

HOUSE JOINT RESOLUTION NO. 23 proposing an amendment to Section 9 of Article VIII of the Constitution of Texas to provide that the Commission on Public Safety in each county may levy whatever sums may be necessary for general fund purposes, permanent improvement fund purposes, road and bridge purposes and jury purposes so long as the total of these funds does not exceed Eighty Cents (80c) on the One Hundred Dollars (\$100) valuation in any one (1) year, and providing further that the Commission on Public Safety shall not impair any outstanding bonds or other obligations and shall provide for the necessary election and form of ballot; and providing for the necessary process and publication of the same.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 3. The State tax on property, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty-five Cents (35c) on the One Hundred Dollars (\$100) valuation, and no county, city or town shall levy a tax in excess of Eighty Cents (80c) on the One Hundred Dollars (\$100) valuation in any one (1) year for general fund, permanent improvement fund, road and bridge fund and jury fund purposes, provided further that at the time the Commissioners Court meets to levy the tax whatever tax rate may be needed for the general fund, permanent improvement fund, road and bridge fund and jury fund shall be levied and shall not impair any outstanding bonds or other obligations and so long as the total of the foregoing tax levies does not exceed Eighty Cents (80c) on the One Hundred Dollars (\$100) valuation in any one (1) year. Once the Court has levied the tax, the rate shall remain in force and effect during that taxable year; and the Legislature may also authorize the additional annual ad valorem tax to be levied and collected

for the further maintenance of the public debt, provided that a majority of the qualified voters of the county in which for that purpose shall vote such tax, not to exceed Fifteen Cents (15c) on the One Hundred Dollars (\$100) valuation of the property subject to taxation in such county. And the Legislature may pass laws for the maintenance of such roads and highways, without the local option provided for in Section 4 of this Section. This shall not be construed as a limitation of powers delegated to counties, cities or towns, or to any other Section or Sections of this Constitution."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1956, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment authorizing the Commission on Public Safety in each county to levy whatever sums may be necessary for general fund, permanent improvement fund, road and bridge fund and jury fund purposes so long as the total of these funds does not exceed a total tax rate of Eighty Cents (80c) on the One Hundred Dollars (\$100) valuation in any one (1) year and so long as the Court does not impair any outstanding bonds or other obligations.

"AGAINST the Constitutional Amendment authorizing the Commission on Public Safety in each county to levy whatever sums may be necessary for general fund, permanent improvement fund, road and bridge fund and jury fund purposes so long as the total of these funds does not exceed a total tax rate of Eighty Cents (80c) on the One Hundred Dollars (\$100) valuation in any one (1) year and so long as the Court does not impair any outstanding bonds or other obligations."

Section 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

as a condition to receiving such other pension aid; providing, however, that this section shall not be amended, amended, or amended by any subsequent session of the Legislature of Texas as adopted November 1954, or any enabling legislation passed pursuant thereto.

Section 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1956, at which election each ballot shall have printed thereon the following words:

"FOR the constitutional amendment empowering the Legislature to revise the existing Teacher Retirement System and to broaden the benefits to employees of public schools, colleges, and universities supported wholly or partly by the State, authorizing that the State's contributions shall equal contributions by such employees and providing that they do not exceed six per centum (6%) of the compensation paid each such employee by the State or school district or the sum of Five Hundred Four Dollars (\$504.00) for each year for any such employee, regulating the eligibility of such employees for retirement benefits and prescribing the manner of investing money accruing to the retirement fund."

"AGAINST the constitutional amendment empowering the Legislature to revise the existing Teacher Retirement System and to broaden the benefits to employees of public schools, colleges, and universities supported wholly or partly by the State, authorizing that the State's contributions shall equal contributions by such employees and providing that they do not exceed six per centum (6%) of the compensation paid each such employee by the State or school district or the sum of Five Hundred Four Dollars (\$504.00) for each year for any such employee, regulating the eligibility of such employees for retirement benefits and prescribing the manner of investing money accruing to the retirement fund."

Each voter shall mark one of said clauses on the ballot leaving the one expressing his vote on the proposed amendment. If it appears from the returns of said election that a majority of the votes cast were in favor of said amendment, the same shall become a part of the State Constitution and be effective from the date of determination of such result and the Governor's proclamation thereof. Section 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and shall have the same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NO. 31 proposing an amendment to Article III of the Constitution of the State of Texas by adding thereto a new Section to be known as Section 51-c, providing that the Legislature may grant aid and compensation to persons who have been fined or imprisoned under the laws of this State for offenses of which they are not guilty.

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto another Section, to be designated as Section 51-c, which shall read as follows:

"Section 51-c. The Legislature may grant aid and compensation to any person who has heretofore paid a fine or served a sentence in prison, or who may hereafter pay a fine or serve a sentence in prison, under the laws of this State for an offense of which he or she is not guilty, under such regulations and limitations as the Legislature may deem expedient."

Section 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1956, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment granting power to the Legislature to grant aid and compensation to persons who have paid fines or have served prison sentences under the laws of this State for offenses of which they were not guilty."

Section 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

SENATE JOINT RESOLUTION NO. 2 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to change the membership of the Veterans' Land Board; so that the total amount of bonds or obligations that may be issued by the Veterans' Land Board shall be increased to Two Hundred Million Dollars (\$200,000,000); and providing for the sale of lands purchased with the proceeds of the Veterans' Land Fund; providing for the election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veterans' Land Board, which shall be composed of the Commissioner of the General Land Office, and two citizens of the State who shall be appointed by the Governor with the advice and consent of the Senate. The Governor shall biennially appoint one such member to serve for a term of four years, with the initial appointments to be for terms of two and four years, respectively, and all subsequent appointments to be for terms of four years. One such appointive member shall be well versed in veterans' affairs and the other such appointive member shall be well versed in finances. The Commissioner of the General Land Office shall act as Chairman of the Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as may be now or hereafter provided by law. The compensation for said appointive members shall be as fixed by the Legislature, and each shall make bond in such amount as may be prescribed by the Legislature. The Veterans' Land Board may issue not to exceed Two Hundred Million Dollars (\$200,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas, in such form, denominations, and upon the terms as are now provided by law or as may hereafter be provided by law; provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum, and that the same shall be sold for not less than par value and accrued interest.

"In the sale of any such bonds, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds; such bonds to be issued as needed. In the opinion of the Veterans' Land Board.

"The Veterans' Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, to be situated in this State: (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation. Provided, however, the portion of the Veterans' Land Fund not immediately committed for the purchase of lands may be invested in short term United States bonds or obligations until such funds are needed for the purchase of lands. The interest accruing on such bonds shall become a part of the Veterans' Land Fund.

Land Board. All monies received from the sale of land and for interest on deferred payments on land purchased with the proceeds of the Veterans' Land Fund shall be credited to the Veterans' Land Fund for use in purchasing additional lands to be sold to Texas veterans as herein provided, in like manner as provided for the sale of lands purchased with the proceeds from the sales of the bonds provided for herein, for a period ending December 1, 1955; provided, however, that so much of such monies as may be necessary to pay interest on the additional bonds herein provided for shall be set aside for that purpose. After December 1, 1955, all monies received by the Veterans' Land Board from the sale of the lands and interest on payments, or so much thereof as may be necessary, shall be set aside for the retirement of said additional bonds and to pay interest thereon, and any such monies as not so needed shall not later than the maturity date of the last maturing bond be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law.

"This amendment shall be effective on and after January 1, 1957."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the general election to be held throughout the State of Texas on the first Tuesday after the first Monday in November, 1956, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to change the membership of the Veterans' Land Board; to increase the Veterans' Land Fund by \$100,000,000; said fund to be used for the purpose of purchasing lands in Texas to be sold to Texas veterans of World War II and to Texas veterans of service in the Armed Forces of the United States of America subsequent to 1945. Such funds shall be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to change the membership of the Veterans' Land Board; to increase the Veterans' Land Fund by \$100,000,000; said fund to be used for the purpose of purchasing lands in Texas to be sold to Texas veterans of World War II and to Texas veterans of service in the Armed Forces of the United States of America subsequent to 1945. Such funds shall be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of said amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said amendment, and the Governor shall issue a proclamation in keeping therewith. Section 3. Should the Legislature pass legislation with regard to this amendment prior to its adoption, it shall not be inoperative because of its anticipatory nature. Section 4. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and Laws of this State.

AND TALL, TOO—Creating quite a bit of discussion around the northeastern part of the county these days is the tall sorghum alnum crop of Harold Joe Wells, above.

Harold Joe Wells Grows New Grass

There's a new grass growing in Parmer County that shows promise of being adaptable to permanent pasture conditions. Its name is sorghum alnum, which when pronounced, makes the speaker sound as if he is tongue-tied.

However, Harold Joe Wells, Friona farmer, believes that sorghum alnum may turn out to be a lot more useful to Plains farmers than when used in a pronunciation exercise.

He is growing six acres of the tall, luxuriant plant on his farm north of Friona, and the passer-by likely would mistake the unusual plant for sudan or Johnson grass. However, it is not.

It is being introduced to the Plains by a Wellington seed man, who claims that it will "stand the drought well, that cattle prefer it, and that it will produce more tonnage of green forage than any other grazing grass, with less expense and less delay in getting to use it."

Harold Lillard and Eric Rushing also are interested in the unusual grass, and are growing some this year.

Wells' sorghum alnum now is going fine after being planted May 1. He intends to sell it for seed. It cost him \$4 a pound to obtain seed for his planting.

He is estimating his yield to be somewhere between 1,000 and 2,000 pounds per acre.

Wells, who has watered the grass three times, believes that it has good possibilities for irrigated permanent pasture. It lasts four years from one stand, and usually produces the heaviest in its fourth year.

He says an article in the June issue of Progressive Farmer illustrated the work being done by the Wellington seed man.

Sorghum alnum, claim promoters, is a sweeter grass than Sudan, and cattle prefer it for that reason. It is supposed to have originated in New Zealand. Although it has many characteristics of Sudan and Johnson, it is supposed to be easily eradicated by plowing once the farmer is through with it.

It is advertised as being able to graze two cows per acre under dryland conditions, for six months out of the year. For this reason, Wells believes that the grass will be a "natural" for dryland ranges in the Southwest, and that seed production may become important.

Market Still Firm In Potato Deal

Market conditions for potatoes grown in the Friona and Lariat areas were still reported favorable this week by area producers. Spuds were selling all the way from \$5 to \$6.50 a hundred.

The lowest the market has been this season is \$4.75, which is considered anything but disastrous. Yields are running from 200 to 250 sacks of No. 1's.

County Fair Gets Scratched

Directors of the Parmer County Fair & Dairy Show decided this week not to attempt to stage the annual show this fall. It will be the first time in 12 years that the county has been without the harvest time exhibition.

Secretary-Treasurer Bill Sheehan, in making the announcement, said that the directors of the fair who could be contacted decided that lack of interest this year would make it very difficult to have a successful fair.

The death of Floyd Schlenker, who was president of the Association, was a contributing factor, and added to other troubles, the condition of the fair barns is poor. Major remodeling was felt to be necessary before they would be acceptable for any show to which the public would be invited.

On the board of directors are Sheehan, Clyde Hays, vice-president, Arlin Hartzog, John Getz, J. T. Gee, Eugene Boggess and Walter Kaltwasser. Joe Jones, county agent, is general superintendent.

SOIL CONSERVATION DISTRICT NEWS

We have reached the time of the year when it is very easy to tell what kind of a job of irrigating a farmer is doing. The kind of weather we have been having sure makes it show up.

In a large number of fields, the crop is suffering to some degree from lack of moisture. In many cases, this is caused by not having enough water to irrigate as often as it should be watered. On the other hand, much of the cause is poor use of water that is available. It certainly looks bad to pass a field and see the crop suffering from lack of moisture and at the same time see tail water running off of the farm. One is made to wonder why farmers continue to let this happen.

Some farmers have been asking about planting vetch between sorghum middles. The seeding rate per acre should be from 10 to 14 pounds of good seed. The planting dates range from July 15 to October 15. The district has specially adapted seeders for this job. You may rent one by contacting one of the district supervisors.

Last week was National Farm Safety Week. Here are a few figures to impress on our minds the importance of safety on the farm.

In 1954, farming had a grand total of 2,100,000 injured. This year we are told that we can expect 1,100 farmers to be killed on the farm. Although the tractor is a farm machine and should not be operated on the highway, one-third of these tractor fatalities will occur on the highway.

Sixteen percent of the people killed by tractors will be children under 10 years of age. The monetary loss according to the National Safety Council is \$1.5 billion each year.

Let's practice farm safety every day in the year.

The American farmer uses more petroleum power on his tractors, trucks, automobiles, and self-propelled implements than is used by all other industries combined.

Black bear are found in the Big Bend country of Texas.

THE H. D. AGENT'S CORNER

Jimmie Lou Wainscott

Supplies of broilers and fryers are making prices which should prove popular with consumers. August supplies are expected to be 20 percent above a year ago with an average of nearly 29 million birds going to market weekly. Prices are running 20 to 22 percent below last year.

Too, the USDA announced that the turkey crop is at least a third larger than a year ago with heavy breed hens and toms making up most of the excess.

Food shoppers will also find plenty of beef available. Large quantities of all grades are expected for August.

Fresh plums and Bartlett pears are two plentiful fruits listed. The plum market has its peak supply in August and prices usually break.

Other plentiful listed for August include fresh and processed lemons, peanuts, peanut butter, rice and hens.

The USDA suggests that menus featuring broilers and fryers or even turkeys be used during the coming month because of the supplies and favorable prices of these food products.

Incidentally, here is a good barbecued chicken recipe that you might like to try.

- One 4-lb. chicken (or two 2 1/2 lb. broilers)
- 1 cup sifted flour
- Fat for frying
- 3-4 cup water
- 2 tsp. vinegar
- 1 tsp. prepared mustard
- 1 tsp. brown sugar
- 2 tsp. Worcestershire sauce
- 1 tsp. chopped onion
- 2 c. canned tomatoes
- 1 1/2 tsp. salt
- 1/2 tsp. pepper
- 1/4 tsp. chopped garlic

Wash chicken, pat dry with a paper towel. Cut into serving pieces. Flour, coating each piece thoroughly. Heat fat until hot but not smoking. Fry chicken until golden brown. Blend together a small amount of water with 2 tsp. of the flour. Add the remaining 3/4 c. of water. Mix well with the remaining list of ingredients. Drain excess fat from chicken. Pour sauce over chicken, cover; simmer an hour or until tender. Takes less time for broilers. Makes 4 servings.

After the Lazbuddie 4-H Club meeting the other day, I found out that Katherine, Beverly and Mrs. Jack Smith were planning to paper their living room this week. This will be added to Katherine's and Beverly's 4-H record of home improvement. I like the way this family works together. I visited in their home not too long ago and all were busy, Katherine washing dishes, Beverly and Mrs. Smith ironing. They also play together. Have heard reports of family fun. You know this is a homey philosophy, but if more families worked and played together there would be less worry about juvenile delinquency in the U. S. today.

Meeting Is Tonight To Back Foundation

The organizational meeting of county workers who will back the establishment of a sub-station for the Texas Research Foundation will be in Bovina tonight at 8 o'clock, announces Gilbert Kaltwasser, chairman of the drive.

He urged all men who had been contacted to attend the session, and invited those who are interested to come and listen to the program explained.

Deadline for Entry Set for August 13

Deadline for submitting names of entries for the Parmer County Farm Bureau queen contest has been set for noon, August 13, Raymond Euler announced this week. The annual contest is set for August 16 in Friona School auditorium.

County winner will receive a check for \$100. She will be judged on appearance, poise and personality.

Gilbert Kaltwasser Appointed to FHA County Committee

Gilbert A. Kaltwasser, Rt. 1, Farwell, was appointed to the Farmers Home Administration committee for Parmer County this week, Walter F. Johnson, local supervisor of the agency, announced today. The appointment was made by Walter T. McKay, state director at Dallas.

The new committeeman operates a 640 acre farm east of Farwell and is active in agricultural activities of various types. Kaltwasser succeeds M. Bev Buchanan of Rt. 1, Friona, whose term expired this year.

The other two members are A. W. Anthony, Friona, and Wilbur Charles of Bovina.

The committee determines the eligibility of local farmers who apply for Farmers Home Administration loans. They also certify as to the value of farms being purchased or improved through Farmers Home Administration loans, and make recommendations on loan approvals and loan servicing actions.

Advice of the committeemen is sought on good farm management and on the refinancing of Farmers Home Administration loans when borrowers build up enough equity in their property to get credit from local banks or other lenders.

The county supervisor relies upon the advice of the committeemen in connection with all types of loans. These include farm operating loans, loans to buy, improve, or enlarge efficient family-size farms in this area, and loans to establish and carry on approved soil and water conservation practices, including improving permanent pastures, terracing, soil erosion measures, farmstead water system, irrigation, drainage, and many other conservation practices.

Fifty-Two 4-H'ers Make Annual Trip

Fifty-two Parmer County 4-H Club boys and nine adult leaders were to have returned Thursday from the club's annual summer camping trip in Holy Ghost Canyon in northern New Mexico.

Texico-Farwell boys making the trip included Robert Carthel, Bobby Curtis, Joe Hughes, Eddie Collins, Benjy Dial, Murrell and Kenney Smith, Robert Murrellson, Bill Quickel, Tommy Williams, Jack Dean Williams, Scotty Turner, Leon Lovelace, Jerry McCuan;

Also, Mike Getz, Roy Donaldson, Delvin Langford, Jerald Gober, Aubrey White, Dale Gober, David Watkins and Larry Donaldson.

Tally Don Kelso, David Lowrie, Joe W. Jones and Davey Berggren, all of Bovina, made the trip as did the following boys from Friona: Larry, Laverne and Doyle Mabry, Mike Ellis, Tommy Barker, Pete Carter, Aaron Drager, Gordon Massey, Neal Parson;

Also, Ellis Jim Parson, Connie Ray, Tommy Tatum, Dewain, Phipps and Johnny Mabry.

Attending from Lazbuddie were Gerald and Gary Foster, Odis Bradshaw, Richard Chitwood, Durward Gammon, James Brown, Dean Watkins, Gary Mac Brown, Cooper, Steven and Edwin Young.

Adult leaders accompanying the group were Dee Chitwood, Jake

Jones, J. B. Young, Gordon Massey, John Getz, Webb Gober, Joe W. Jones, Ellis Tatum and Sterling Donaldson.

Parmer County Gets FHA Office

A telegram from Congressman Walter Rogers this week indicated that Parmer County will soon have its own office of the Farmer's Home Administration (FHA).

The telegram, sent to county newspapers, stated, "Farmers Home Administration advise authorization has been granted to establish full-time county office at Farwell to service Parmer County."

A check with local FHA office personnel revealed that none had knowledge of the new development. The county office has been operated "under the wing" of Deaf Smith county's unit at Hereford.

Walter Johnson has been director here, making trips to Farwell on Tuesdays of each week. Wilma Linder is the local office employee.

Lowest point in the USA is Death Valley, Calif., 282 ft. below sea level.

THE HAPPY HOMEMAKER

The newest diet we have read about was based on coffee. There seems to be no end to the things that someone thinks up for fat people. Someone has suggested that the best thing for anyone who is overweight to do is to do some push backs. Push back from the table, that is.

For those of you who like chocolate cake, here is a recipe which we like very much. It was given to us by Louisa Wilson several years ago.

PRIZE CHOCOLATE CAKE

- 1 cup shortening
 - 2 eggs
 - 2 cups sugar
 - 3 1 oz. squares unsweetened chocolate
 - 2 1/2 cups cake flour
 - 1/2 teaspoon salt
 - 1/2 teaspoon soda
 - 1 cup sour milk
 - 2 teaspoons vanilla
- Thoroughly cream shortening and sugar. Add eggs, one at a time beating thoroughly after each addition. Add melted chocolate and mix well. Add sifted dry ingredients alternately with sour milk and vanilla. Bake in three layers in a moderate oven. Ice with soft fudge icing.
- 4 1/2 cups sugar
 - 6 tablespoons butter
 - 1 tall can condensed milk
- Combine above ingredients and boil four minutes. Pour over two packages chocolate chips and one pint marshmallow cream. Stir until smooth. Then add a pinch of salt and one teaspoon vanilla.
- This icing can be eaten for fudge or stored in the refrigerator, then melted over hot water and used for icing.

"Build a better mouse trap and the world will beat a path to your door." Now, if we just knew who came up with the idea that carbonated water is fatal to mice, we might see a path being beaten to his door. Ever since we read about using carbonated water as a mouse killer, our curiosity has been aroused.

If we are fortunate enough to trap a mouse without killing him, we are going to find out whether he will survive after drinking carbonated water. The idea seems to be that mice are not equipped with facilities to belch and the gas that forms on their stomachs kills them.

Any time we see pictures of pretty things to sew, it is just about impossible for us to resist the temptation to buy material and patterns. Getting things made is a much bigger job at our house than getting the materials and patterns.

The things that are being shown for fall are very tempting. Never before have we seen prettier fabrics and designs. If anyone has a good idea for getting about half a dozen garments made in one day, we surely do need it.

Think all teachers of sewing tell their pupils that it is never wise to deviate from the instructions that are with the pattern. That is good advice, we feel sure. However, as we were making a blouse one evening last week, we made a change that worked very good.

The instructions called for a zipper placket. The zipper was to be opened from the bottom and sewn in the side seam. Since the blouse was form fitting, getting the zipper in just right was a problem. After trying to figure an easy way to get the zipper in just right, we decided to move it over to the seam in the center back.

Zippers in the center back of any garment are so very easy to sew in that we have been putting them in skirts and dresses that way for a long time. Now that will be the place for them in blouses, too. Don't know why someone didn't think of locating them there a long time ago. Zipper feet are not needed if you use the center back idea.

Here's something that just about fits all of us. The author is anonymous. "In controversial matters, my perception's rather fine. I always see both points of view, the one that's wrong, and mine."

Mormans, headed by Brigham Young, founded Salt Lake City in July, 1847.

Douglas, Bingham Combine

Joe B. Douglas and O. D. Bingham this week announced the consolidation of their business interests and the formation of a partnership to deal in real estate and insurance. They also revealed plans for the construction of a modern office building in Friona "as soon as details can be worked out and materials are available."

The partnership will join the Joe B. Douglas Real Estate and Insurance Agency with the Hub Real Estate and Insurance Agency, and

two new companies will emerge under the names of Douglas-Bingham Land Company and D-B Insurance Service.

Two offices will still be maintained, with present plans calling for the Friona and Hub offices of the two men staying open. The Hub office will be used primarily for real estate transactions, but both land and insurance will be sold out of the Friona office.

Both men will be active in both phases of the business, and also

announce the association of Dalton Caffey, former Friona superintendent, who will represent them in land and insurance sales.

The new building, which is to be at the intersection of Main and 11th Street, will be a brick structure "as modern as any in town," the partners announce, and "something the area will be proud of."

One side of the building will be used for real estate, the other for insurance.

Douglas has been in business in Friona for four years. Bingham has maintained his office at the Hub for two years, having bought out Alvin Glascock earlier this year.

ATTENTION HOUSEWIVES

Neighbors, today there are more septic tanks than ever before in the history of our nation. There has been no consideration given to the public for the treatment and care of septic tanks and grease traps.

We are all concerned with where the dangerous polio virus might be existing. According to medical science and bacteriologists, as long as we have proper bacteria reactions in our everyday life, plants and treatment of sewage, healthy and sanitary conditions will be maintained.

Anaerobicul, produced by Capitol Sanitation Company of Austin, Texas, is now on the market and available to the public and cities for the treatment of sewage disposal. Capitol Sanitation laboratories have been serving cities throughout the United States with these products, and their technicians are ever searching for a condition that our product could not handle.

Today we can say that we have been able to take care of most all of the problems of the treatment of septic tanks, city sewage lines and disposal plants for seventeen years.

The septic tank is a device utilizing the theory of anaerobic digestion just as our large municipal sewage treatment plants practice, however the septic tank is more subject to upsets due to the fact that the waste is from one household or establishment and not a mixture of wastes that may tend to counteract each other, becoming balanced by the time it reaches the city plant. In the septic tank an extra amount of bleaching material, strong acids, or alkalis may kill off certain strains of bacteria, and promote the growth of others, causing the contents to become out of balance and they cannot do their job (decompose the organic matter).

Grease (fats) are more difficult to break down than the bulk of waste entering the septic tank, fat splitting bacteria get behind with their work, and the result is an accumulation of the grease floating on the top and reducing the digestion capacity of the tank. This grease will work out into the

drain field and clog the pipe and soil, this is usually when you have your tank pumped out. Of course, pumping is not the answer, for all you have done is to remove the already established microorganisms. You failed to correct the grease problem in the drain field and as soon as the tank becomes full or shortly thereafter, you will experience the same problem.

ANAEROBICUL is a mixture of cultured organisms developed for the express purpose of speeding up anaerobic decomposition of organic matter, and includes a fat splitting bacteria which aids in breaking down the grease to bring the septic tank back into proper balance.

ANAEROBICUL will hasten the seeding off of new septic tanks by establishing action much sooner than will occur by natural purposes.

If your septic tank is overloaded, ANAEROBICUL, by speeding action, will prolong the need for placing a new tank in operation. The culture would have to be introduced into the tank periodically about every three months.

If your digestive system, septic tank, or cesspool is working properly, not causing odors, draining good—you will not need ANAEROBICUL or any other product sold for the aid of digestion. This is important!

WHEN SOMEONE CALLS AT YOUR HOME WITH A TRUCK AND TELLS YOU THAT YOUR TANK IS ALMOST FULL, THAT IS CORRECT. IT HAS TO BE FULL TO BE FILTERING PROPERLY AND THE MOST HARMFUL THING YOU COULD DO WOULD BE TO HAVE IT PUMPED. FOR PUMPING DESTROYS THE MOST VALUABLE PART OF YOUR TANK. PUMPING DOESN'T CLEAN YOUR LINES OR ELIMINATE ODORS AND YOU PAY AN ENORMOUS PRICE FOR THE HARM DONE.

The most harmful substances you can put in your lines to open them are highly caustic chemicals which can be found on the market ranging in price from 10 to 35c a can under trade names which most people are familiar with. Proper bacteria reactions open lines and eliminate odors, also keep TANK FILTERING properly.

ANAEROBICUL

Is a biochemical inoculum compound containing multiple strains of bacteria, and the enzymes formed by these bacteria during the incubation (culturing) period. These bacteria are blended into proper food mediums to sustain them, and also to furnish quick available food as soon as they become moist or wet.

This compounded product contains the anaerobic and facultative type organisms utilized in anaerobic digestion systems such as: Imhoff tanks, separate sludge digesters, grease traps, septic tanks, cesspools, etc.

Remember: When you practice good sanitation, you are practicing preventative medicine.

Some Friona Farmers Try Carrot Growing

A few Friona farmers are venturing into the field of carrot production this summer, after a successful season with potatoes has generated interest anew in vegetable growing.

Hardy May, east of Friona, has 45 acres up and coming, and reports the crop is progressing satisfactorily. Although this is his first year to try the carrot specialty, he says that the carrots have come up to a good stand.

Others who are giving carrots a whirl are Kenneth Christy, who has 20 acres, and Herman Neff, who is growing 40. There likely are other producers in the northeastern part of the county who have been attracted by the interest in vegetables in the Hereford area.

Valuing of Hereford is furnishing a "package deal" to encourage producers. Under this arrangement, the company supplies the fertilizer, seed, and oil needed for spraying. They will go up to \$50 per acre on this basis. Return from the sale of the carrots will be split with the vegetable-producing concern.

May is hoping for a yield of around 10 tons per acre this fall, which is considered a good average. The market at the present time is \$40 per ton, and Hereford growers who planted earlier this year have been quite pleased with the income.

As for himself, May says he is growing carrots to sell—not to eat. He doesn't like their taste. "I'd just as soon eat a piece of wood, myself," he says.

PARMER GETS 9 WELLS

Statistics from the office of the High Plains Water District in Lubbock show that Parmer County farmers drilled nine new irrigation wells in June.

Every foot of exploratory hole drilled last year cost oil men an average of \$24.30.

PORTABLE LIGHT TURNS NIGHT INTO DAY FOR WORK OR PLAY

Outdoor work areas on farms can be utilized in the cool of the night now that portable outdoor lighting is available. Tractor or farm machinery preventive maintenance, usually hot daytime work, can be made reasonably pleasant and at a time when the machines are not in active production. Added bonus, of course, is the use of these portable lights for entertaining, croquet, table tennis, or other nighttime outdoor activities. Also, night-flying insects tend to go to the light source; consequently, they stay up high (13 feet) and annoyance is reduced.

The pole components for supporting the light fixture equal about 13 feet; and to

the pole, single or multiple adjustable lamp holders can be attached. The flexibility of these units makes it possible for you to get as little or as much light as you need. Weatherproof PAR lamps (150 watts) complete the unit. These lamps are available in either flood or spot. Normally the flood lamps are used in yard lighting.

For those who are unable to make similar units, most electrical supply stores either carry them in stock or can order them for you. But, whether you make or purchase the units, you are sure of comfort, convenience, utility, beauty and safety in the farm outdoor areas every night.

The Parmer County Implement Co. News

"The Place Where Most People Trade"

Wednesday, August 1, 1956, Friona, Texas

This is Y.A.W. activities' week at the Methodist Church. About 60 young folks are expected each night. They will eat supper, have a recreation program, then a worship service. There will be a different speaker each night. The program is from 7 until 9:30 each night and all the young folks of the town are invited.

The new cars are beautiful and loaded with horsepower and gadgets of every sort. Statistics say that only one in seven Americans will buy a new car this year. We think the percentage is bigger than that for Texans. We also think that anybody who buys a new car only once in seven years should buy an Oldsmobile.

Mr. and Mrs. Kenyth Cass have company at their house. Their daughter, Gay, and her husband, George Price, have been visiting her. The Prices have recently received their army discharge and will move to Lubbock soon and George will attend Texas Tech this fall.

You'll find your tractors will give better and longer service if you bring them to the Parmer County Implement Company for repairs and you'll see the savings in lower maintenance cost.

More vacationing Friona folks this week: The J. T. Gees are in Colorado and New Mexico for about 10 days. Mr. and Mrs. Ralph Miller, Mr. and Mrs. Glen Cunningham and their daughter are fishing in Colorado. Our folks spent the weekend in Raton. The Hank Outlands visited in Higgins last week. Danny and Sally Kendrick visited their grandparents in Amarillo this weekend. The Sloan Osborns, and Mr. Osborn's brother and family from Hope, Arkansas, spent last week in Tres Ritos. Mr. and Mrs. Claude Osborn have gone to Fort Lee, Virginia,

for their son's, (M.C.'s) graduation. They will tour Florida and Louisiana on the way home. They expect to be gone about two weeks and M.C. will be home for a few days before entering A.&M. this fall.

New plastic dams—guaranteed to be pliable in the coldest weather, practically hole-proof, are available in our parts department.

Fourteen Friona Band students will attend a two-weeks Music Camp at West Texas College in Canyon August 5 to 17. There will be ten girls and four boys in the group.

The new \$100 IHC pickup will convince you that it is America's finest riding, driving and serviceable pickup.

According to a recent survey, the average man, in his lifetime, spends twenty years working, twenty years sleeping, sixteen years playing, five years shaving and dressing, five years eating, and three years waiting. We'd be glad to have you wait at our store. Time spent with us is not wasted.

The man who wakes up to find himself famous has not been asleep.

New and used power units. Let us trade you a good unit to finish your crop. All power units guaranteed for service.

ket. Fast hitch, change speeds without clutching—Click and Go with Farmall.

The Newman Jarrells went to Oklahoma to a park and camped out over the weekend. Mrs. Jarrell's two sisters and their families, both of Oklahoma, also went.

Home freezer packaging material now at new low prices. Stock up for the garden season.

Small boy, examining a big, fat, four-month-old cousin: "He looks like he'd been irrigated."

We have forward motion cut off switches for tractors and plows. Let us install one before breaking season.

There were 697 votes cast in Friona Saturday. We think this is a record vote for our city.

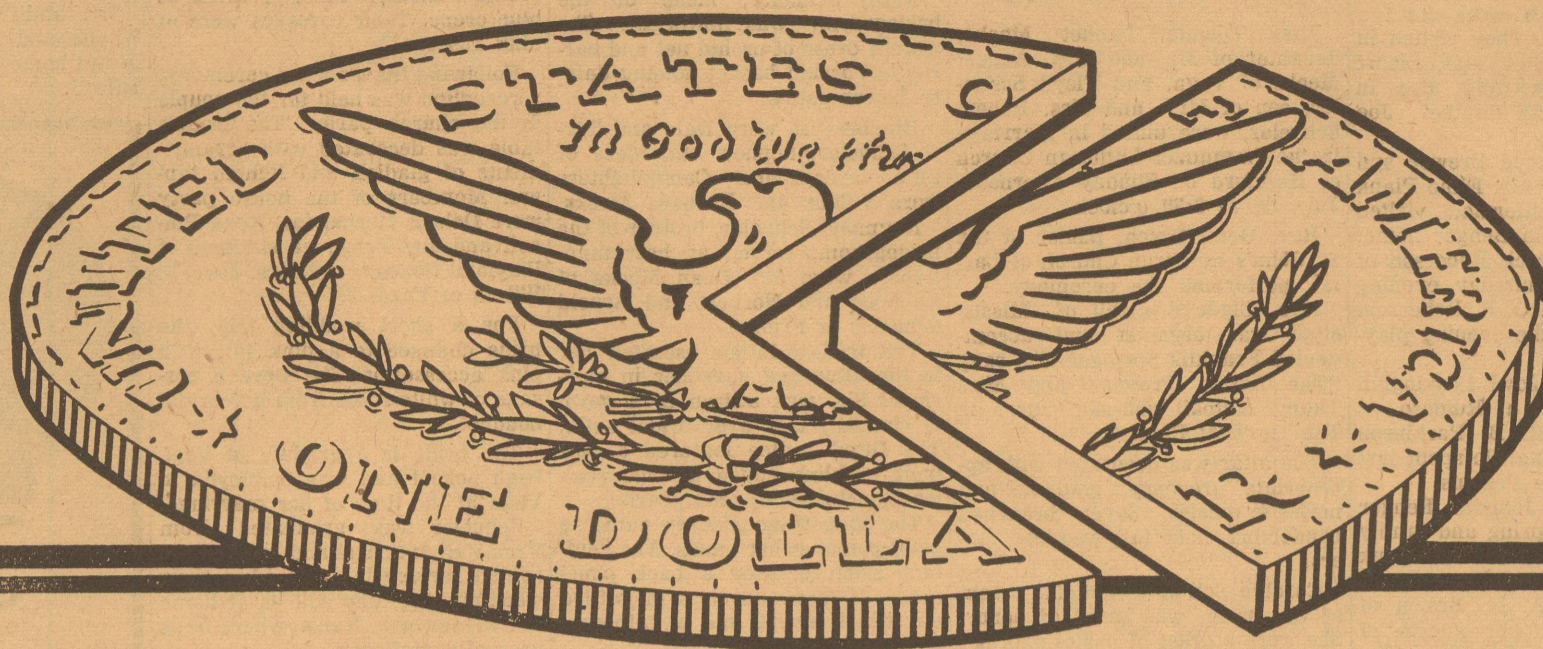

Need a good used car?—1954 Chevrolet Bel Air and 1955 Dodge—both locally owned and look nearly like new. These cars can be bought reasonable.

Mr. and Mrs. V. R. Jordan drove to Snyder Thursday to welcome a new grandson, who belongs to the Marvin Jordans. Mr. Jordan returned home Saturday but Mrs. Jordan will stay in Snyder for several days.

Our parts department is always ready to serve you. If you need parts after closing time call 3051 or 5121.

Lots of the first graders are getting their smallpox shots this month. Our six year old John Bill went yesterday and got a big kick out of what the doctor said. "Scratch behind your ear when your arm itches."

Wilbur Brookfield is the trouble shooter in our service department. If you have trouble on the road, in the field, or at your well call Wilbur at 2091.

A BIG SLICE OF YOUR DOLLAR

goes to make some community more prosperous
yours . . . or the other fellow's

An average of more than 30% of the dollar you spend stays in the town where it's spent . . . to support schools, furnish fire and police protection, put down paving . . . to pay the folks who work for you . . . to support churches and charities . . . to be invested in more kinds of merchandise for your selection and convenience . . . to improve service facilities . . . and to support all of the other things that promote prosperity, growth and better living in a community.

Make your dollars build your community...not somebody else's

***It Pays to Buy
where You Live***

BLACK

MRS. DICK ROCKEY

Demonstration Club In Barnett Home

The Black Home Demonstration Club met at the Community House Wednesday, July 25, with Mildred Barnett as hostess.

The president Mrs. Whitaker called the meeting to order. Council report was given by Lucille Rockey. The club discussed a rummage sale which is to be held in Hereford Saturday, August 4.

The meeting was turned over to three 4-H girls, Sally Hough, Dolores Elmore and Janie Parker, who gave an interesting program on the care of hair.

A skit on "Start at the Top" was given by Dolores Elmore and Janie Parker. Sally Hough read a recipe for apple crumble.

The hostess served salad and cold drinks to nine members and four guests. The next meeting will be September 5.

Have Barbecue

Mr. and Mrs. Glen Roberson and Marie entertained a group of friends with a barbecue supper in their back yard Sunday evening. Those enjoying the barbecue steaks were Mr. and Mrs. Vernon Christian, Ann and Lou of Bovina; Mr. and Mrs. Charlie Nolen and Bettie of Summerfield, and Mr. and Mrs. Woodrow Whitaker and Dwight.

Mr. and Mrs. J. R. Braxton and sons moved into their new home last week. We are proud for Pete, Christeen, Ray, Gene and Jimmie. Know you will enjoy it.

Mr. and Mrs. Lloyd Prewett and family and Mr. and Mrs. C. W. Tannahill attended a Silver Wedding Anniversary of Mr. and Mrs. G. E. Tannahill of Lockney last Thursday. The group from Friona, Hereford and close by took the couple a silver service.

Mrs. T. J. Presley visited last week in Hereford with Mr. and Mrs. Whitaker.

Ellis Tatum and son, Tommy, left Monday with the 4-H group on their trip to the mountains. They are expected home about Friday.

The Black Home Demonstration Club is having a rummage sale at Hereford Saturday, August 4. If you have anything to donate, please bring it to some of the club members before Saturday.

Mrs. Ellis Tatum, Mary, and Judy Barnett.

Mr. and Mrs. Howard Elmore returned home last week from a visit in Oklahoma. They visited in Rocky with her sister, Mrs. Elbert Dunn and family, and also in Mooreland with his brother, Joe Elmore and family.

Mr. and Mrs. Loyd Brewer and sons of Friona and Mr. Elmo Plank of Woodland, California, visited Sunday in the John Benger home.

Mr. and Mrs. Dock Roberson of Hereford spent Thursday evening with Mr. and Mrs. O. B. Roberson. The group spent the evening playing "42".

Mr. and Mrs. Lloyd Lookingbill spent the weekend at Ruidoso.

Mr. and Mrs. R. B. Parkinson and children of Amarillo spent last week with the Coy Pattons.

Mr. and Mrs. Johnnie Benger visited Dr. Paul Spring and family Saturday evening and the Hank Outlands Sunday evening.

Mr. and Mrs. A. H. Brown of Hereford were supper guests of Mr. and Mrs. O. B. Roberson. The two couples played "42" in the evening.

Mr. and Mrs. J. C. Cox of Hereford spent Tuesday in the home of their niece and nephew, Mr. and Mrs. Glen Roberson.

Mrs. Alan Bridges and Mrs. Alan Bridges Jr., of Amarillo spent Tuesday with Mrs. John Benger. They canned beans and peas.

Sunday dinner guests of Mr. and Mrs. Dick Rockey were Mr. and Mrs. John Key and sons of Leveland. Their son Richard, returned home with them after a two-week visit with his aunt and uncle.

Mr. and Mrs. John Benger left Saturday for Fargo, Oklahoma, to visit his brother, Lloyd Benger and sister, Mrs. Gertie Latta.

Mrs. R. E. Barnett returned home Thursday from the Hereford hospital. She is getting along fine.

The community would like to thank Mr. R. D. Braden of "Dust Stopper Storm Windows," Hereford, for giving the community a swing for the children.

NEWS FROM

RHEA

By GLADYS DEAN

Fellowship Group Has Campfire Supper

Pilgrim Fellowship group of the Congregational Church of Friona enjoyed a campfire stew party on Sunday afternoon at Alton Lake on the Cordie Potts farm.

Those attending were Ann McKee, Bill Nazworth, Phyllis Treider, Roy Young, Pat Cranfill, Jimmy Patton, Billie Rae McKee, Marilyn, Larry and Jay Potts, Gladys Dean and the sponsors, Mrs. Helen Potts and Mrs. Sarah Dean.

Before returning to Friona, Ann McKee, Bill Nazworth, Phyllis Treider, Roy Young, Billie Rae McKee, Gladys Dean and Mrs. Sarah Dean visited with Mr. and Mrs. Billy Sifford. Lonnie Wilson also visited with the group at the Sifford home.

Glenda Lannet Meeks Weds Floyd Schueler

Miss Glenda Lannet Meeks, daughter of Mr. and Mrs. August Meeks of Vega, and Floyd Schueler, son of Mr. and Mrs. Robert Schueler, were united in marriage in the Immanuel Lutheran Church of Hereford on Sunday afternoon, July 22, at 3:30 o'clock.

Rev. Gene Oesch, pastor of the St. John's Lutheran Church of Lariat, performed the ceremony.

Mrs. Clyde Swartzell of Mississippi was organist and accompanied Franklin Springer who sang "The Lord's Prayer" and Miss Thuma Metcalf who sang "Blest Be The Tie That Binds."

The altar was decorated with appropriate greenery, gladioli, and majestic daisies. Seven branched candelabra held tall wedding tapers.

Carolyn Sell of Littlefield, cousin of the bride, was maid of honor. She wore a dress of pastel pink net over taffeta.

Bridesmaids were Misses Sandie Purcell and Judy Pinnell. Mrs. Raymond Schueler was bridesmatron. They wore dresses of pastel green, blue and yellow, respectively. Their dresses were styled identically to that of the maid of honor. All of the bride's attendants

carried miniature white Bibles topped with carnations.

Kathy Schueler, niece of the bridegroom, was flowergirl. She wore a dress of orchid net and carried an orchid basket holding dainty flower petals.

Ringbearers were Dale and Terri Schueler, nephew and niece of the bridegroom. Candlelighters were Wilbur and Barbara Meeks.

Raymond Schueler, brother of the bridegroom, served as best man. Ushers were Jay Dean Meeks of Lubbock and Norbert and Arnold Schueler of Friona.

The bride's father escorted her to the altar and gave her in marriage. She was attired in a gown of chantilly lace over bridal satin. The fitted bodice featured a portrait neckline edged in lace scallops touched with seed pearls.

The long fitted sleeves came to petal points at her hands. The bouffant skirt featured a back panel made of lace and tiers of ruffled net which swept into a cathedral train.

Her fingertip veil of illusion fell from a scalloped band of lace and flowers. She carried a wedding bouquet of roses and stephanotis with cascades of ribbon and net atop a white Bible.

Traditional wedding customs were carried out in her accessories.

The bride's mother wore a dress of sky blue crystalline and the groom's mother chose a dress of blue crepe. Their corsages were of pink roses.

Following the wedding ceremony, a reception was held for the couple in the church parlor. The bride's table was decorated with arrangements of gladioli and lighted tapers. Members of the house party were Deloris Hernandez, Reba Pinnell and Joy Price, all students of Wayland College, and Mrs. John B. Wilson of Vega.

For a short wedding trip, the bride changed to a pink suit with pink accessories. She wore a corsage of white roses from her bridal bouquet.

The bride is a graduate of Vega High School and was employed in Vega at the time of her marriage.

Schueler was graduated from Friona High School and entered the armed service in 1955. After their wedding trip, they will be at home in Leavenworth, Kans., where he is presently stationed.

Relatives and friends from Clovis, Littlefield, Canyon, Adrian, Plainview, Lubbock, Friona, Lariat, Bovina, Vega and Hereford were present for the wedding.

Phyllis Treider of Friona visited from Wednesday until Friday night with Mr. and Mrs. Billy Sifford.

Kay McKee of Friona visited Sunday with Lindy Dean.

Mr. and Mrs. Herman Sifford, Wayne and Peggy visited Sunday in the home of Mr. and Mrs. Billy Sifford.

RHEUMATIC VICTIM THROWS AWAY CANE

Thanks to AR-PAN-EX Tablets

"I have had terrible pains in my knees for over two years and couldn't walk without a cane," writes Mrs. Mary Creamer, St. Louis, Mo. "About two months ago a friend suggested AR-PAN-EX Tablets. I took a bottle and the pains left my legs and by the time I finished my third bottle I was walking without any pains at all."

The big reason why AR-PAN-EX works best, is because it contains seven special ingredients — works seven ways at once — speeds long-lasting relief to chronic deep-seated agony; increases energy and resistance; and tones system. Sensational new formula of a prominent Eastern Scientist, scientifically "film-coated" to prevent useless, distressing action in the stomach. "Film-coating" dissolves in the small intestine where all pain-relieving medicine is quickly released into the bloodstream — speeds fullest possible relief.

Positively Nothing Like AR-PAN-EX
Thousands of men and women suffering from crippling torture of deep-seated rheumatic, arthritic pains get surer, faster, relief, by taking AR-PAN-EX Tablets. Be guided by them. If your druggist is out of AR-PAN-EX he will be glad to order it for you.
