

GRAHAM CRACKERS

—WHG

In talking with Andy Hurst last week, we found out that the ladies hereabouts are due for a surprise with the fashions they'll be seeing for themselves this fall.

Andy says some big changes are in store for the gals. The hem line is coming back up, for one thing, he notes. If it goes to 14½ inches like he says it's supposed to, there are going to be a few kneecaps showing.

All of our women out here in West Texas haven't reached that fashionable shape (thank goodness) where they are six feet tall, and get their kneecaps far enough away from the floor to wear such dresses with grace.

At any rate, he says the change is coming, and the ladies had best prepare for some alterations once again. * * * * *

A. G. Harris of Summerfield (the mayor of Goathead Prairie) tells us that sure enough, Friona is about 50 years old. He hit town back in 1909 as manager of Friona Hardware Company.

All signs point to the conclusion that Friona is a half-century old. To date, we haven't had many persons suggest what ought to be done about this significant occurrence. Surely we aren't going to let it pass us by. Sure would like to have some comment from our readers. * * * * *

It looks to us like these changes in fashion are what creates the unusual price structure of women's wear. Because there's always something new and different being offered, the "very latest" goes at a terrific price—because chances to mass produce are nullified.

Then, looking at the lower part of the price scale, we find woman's wear which is just beginning to slip from vogue going at prices which are way under what cost merchants to get the goods into the store. No woman, it seems, wants a dress if it looks like last year's model.

Now compare the gents with this. Year in and year out, the man's clothes stay pretty much the same. Changes do work their way in, but not nearly so rapidly as in women's lines.

We'll bet that if the mayor stepped out in a pair of shoes he bought 20 years ago, he'd never draw a second look (provided he'd shined them a time or two in the meantime). Let the mayor's wife try this, though.

And as long as we have decided to be The Star's fashion editor for this week's column, let us put in another plug for the cotton industry, which is waking up to the demands of modern living by producing new fabrics which you'd never recognize as the old standby.

They are now making cotton fabrics that don't wrinkle, they won't fade, stretch, shrink, or even mildew. It's truly remarkable. If cotton producers and the rest of the industry would invest enough money in promotion to get the average housewife to realize these things, we wouldn't have such big worries about allotments here in West Texas. * * * * *

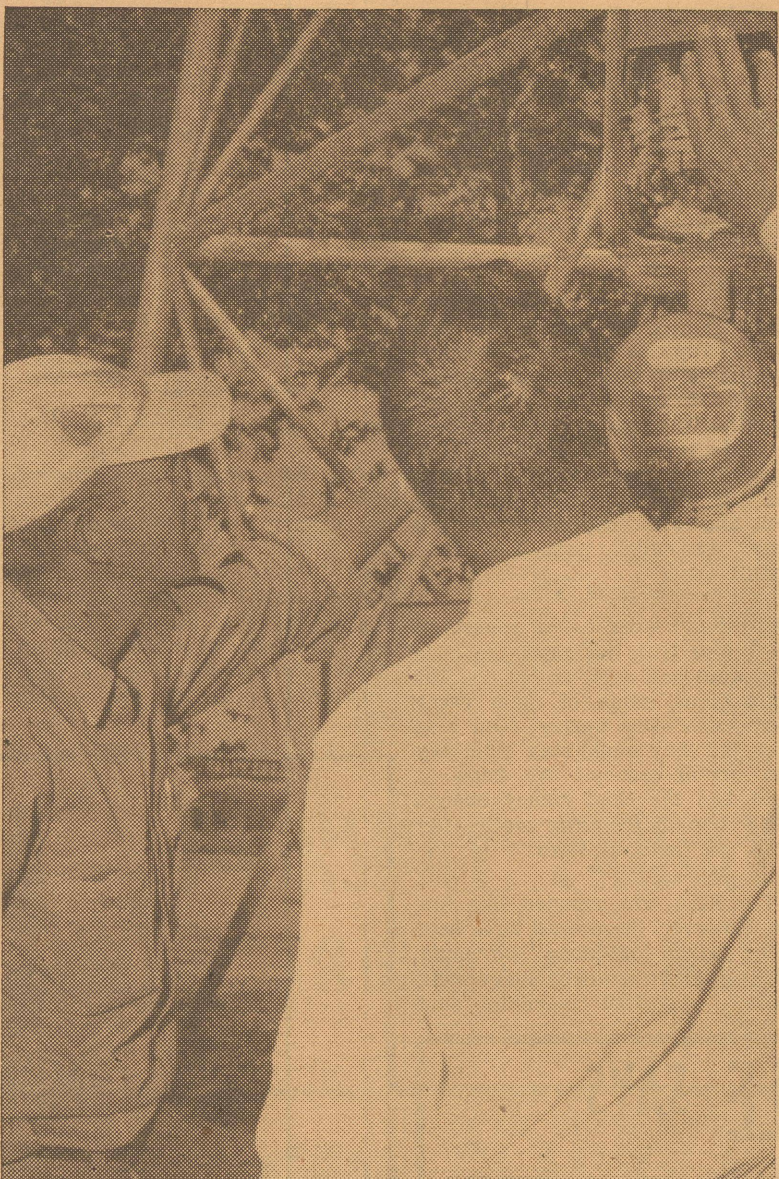

Joe Brummett of the Legion Post is worried about people's indifference to Memorial Day, to the American Flag, and to patriotism in general. And he has cause to be.

However, we believe that people are not consciously indifferent to our priceless heritage of freedom, and do not knowingly commit breaches of respect and etiquette whenever faced by the National Standard.

Either in the home or the school, American society is falling down on the job of instilling within its youth the love and respect for our country's heritage that we should have.

Consequently, young men and women push out into life without a true awareness of the debt we all owe the thousands who have given their lives to preserve our freedoms.

We believe that it is largely a matter of ignorance—not actual disrespect—when someone improperly displays his flag, fails to remove his hat, or creates some other offense against his country's heritage. The very fact that people attempt to display their flags indicates a desire to honor The Colors, (Continued On Last Page)

WHAT WENT WRONG?—Clyde Fields, left, and Roy Wilson, city employees, check over the electrical circuits Saturday morning after the fire alarm at the station failed to work.

Kruegers Schedule Expansion

Work has begun on the first of what will be 14 new motel units to be operated in connection with the Villa Cafe by Mr. and Mrs. Vic Krueger.

Cabins formerly operated as the Nu Courts have been moved from the Krueger property on the west side along Highway 60. These units were constructed along with the Villa Cafe when the Kruegers first came to Friona seven years ago.

The first unit under construction will be used as an office for the motel, and in addition will serve as living quarters for the owners.

Eight units will be built on the south side of the 200x140-foot lot, and six will be arranged along the alley facing the center of the court which will be grassed in, says Krueger.

A paved L-shaped drive is planned in front of the 12x16-foot units, which will be of concrete block construction. In all, the motel will accommodate 22 guests.

Other improvements scheduled in conjunction with the installation of the new motel facilities include brick veneering of the cafe and modernization of the front.

Firemen Stymied When Alarm Stalls

Several members of the Friona Volunteer Fire Department missed out on a call to a residence blaze Saturday morning, but fortunately, the fire was not difficult to control and was promptly extinguished.

The reason for the delay was a clogged switch on the central alarm siren located on the lot with the fire station. When the switch was closed from inside the building, nothing happened, and consequently, the fireboys were not notified of the fire in the usual manner.

The fire was in a rental unit of Mrs. Pearl Bartlett in the western part of town, and was believed to have been caused by wiring. The possibility of lightning was considered a factor.

Alarm of the fire was made at 7:20. Damage has been estimated at \$300.

ATTENTION SPORTSMEN!

Game laws for the 1956 hunting season will be discussed in a public meeting at the courthouse in Dimmitt on June 12 at 8 p. m.

This meeting has been called by the Texas Game and Fish Commission to discuss the 1956 regulations governing hunting and fishing in the 28 county district of the Panhandle. Everyone is invited to come and voice his opinion.

Showers Continue; Bring Friona Total To Over Four Inches

Coming as regular as an afternoon dust storm in March, showers have visited the Friona area almost nightly for the past week, bringing the rainfall total to over four inches since the "wet spell" began three weeks ago.

Cotton farmers have been grumbling over the re-planting which the showers have necessitated, but in the main, most farmers still feel that the benefits of the moisture outweigh its drawbacks.

Starting with a total of 1.46 up until Friday night, Friona itself picked up almost an additional inch that evening, and added to it 1.69 Sunday night to push the total to over four inches for the spell.

The rainfall has been described as "shotgun" in nature, hitting one

field with a heavy drenching, and virtually passing neighboring ones by.

Some of the reports from the farmland surrounding Friona are interesting:

Leo McLellan, one mile west, 1; W. V. Elmore, 2½ miles north-west, 2; Kenneth O'Brian, 17 miles southwest, .25; M. H. Skinner, 6 miles east, 3½; Ralph Wilson, 6 miles west, .75; and Ernest Osborn, 3 miles southeast, 1.7. These reports were all for Friday night.

Sunday night reports: Glenn Floyd, 5 miles west, .90; Leo McLellan, one mile west, 1.4; Roscoe Ivie, .70, eight miles northeast.

Most young feed has made good emergence and is coming along nicely. That includes corn, of which there is considerable acreage this year in the Friona area.

CITY ORDERS STOP SIGNS, MAINTAINS BUSY TEMPO

Continuing the fast pace that has required weekly meetings of the city commission, city dads attended to a lot more business for growing Friona Monday evening.

They submitted an order to Sargent-Sowell, Inc., Grand Prairie, for 50 24-inch steel stop signs which will be installed at busy intersections in the city. The signs will cost about \$3.50 each.

When a master plan on file in the city office has been completed, Friona will have plenty of visible

directions for motorists. The city's projected marking program, coupled with that of the state, will bring the total to 146 signs of different types in town.

That, however, is earmarked for the future. Right now, 18 will be put up on Highway 60, 12 on Main Street, 10 on Fifth, and possibly several more on well-used intersections.

Joe Brummett of the Friona American Legion Post was present to request that the city take action to remove a pile of street

sweepings which had accumulated on Legion property.

City Clerk Roy Wilson explained that the city's loader has been undergoing repairs for some time, but was now back in operation, and the work would be taken care of in the near future.

Bill Cogdill, another citizen present at the meeting, requested the commission consider reducing the speed limit on city streets to 20 miles per hour instead of the present 30.

This touched off a discussion

among the commissioners that cropped up several additional times during the 3½-hour meeting. The commission pointed out that the city's present 30-mile-an-hour law is part of a state statute governing traffic within cities, and that enforcement of the present regulation should be the aim of the city, rather than a city ordinance to further reduce the maximum.

No action was taken by the commissioners. * * * * *

Mexico Nationals Must Pay Cash

At the meeting of the board of directors of the Parmer County Community Hospital Monday evening, a new resolution was adopted concerning the care of Mexican Nationals.

Effective at once, Mexican Nationals will not be admitted to the hospital unless the employers pay cash. This same procedure is being adopted by the Deaf Smith County Hospital at Hereford.

The estimates of the new building were received and studied by the board members. Those present were Jimmie Baxter, G. B. Buske, Sloan Osborn, A. W. Anthony Jr., Carl Schlenker, and Lee Thompson.

Friona FHA Delegate Is Patsy Anthony

Patsy Anthony, 17-year-old daughter of Mayor and Mrs. A. W. Anthony Sr., will represent the Friona FHA chapter at the national convention of Future Homemakers of America. The convention will be held at the Conrad Hilton Hotel in Chicago, July 2-6.

Miss Anthony, who will be a senior in Friona High School next fall, has been an FHA member since 1954. She has served as chapter chairman of the rose committee, member of program committee, member of initiation committee and will serve as president of the local chapter during the 1955-57 school term.

This is the first time in the history of the Friona chapter that a delegate has been selected who had not held an office on the FHA Area I Council. Deanne Buske, Area I corresponding secretary, attended the national convention at Dayton Beach, Florida, in 1953.

The delegation from Texas will number 200. Each girl will take an active part in planning the FHA program for next year. There will be 15 delegates from Area I.

These girls, three sponsors and four mothers attended a meeting in Lubbock Friday. This meeting was for the purpose of getting acquainted and making plans for the trip to Chicago.

Friona Wheat Growers Annual Meet Tuesday

The annual stockholders meeting for the Friona Wheat Growers Inc., will be held Tuesday, June 12, at the Friona School cafeteria.

Members are invited to be present at 7 for the barbecue which will be served by a catering firm from Fort Worth. Clyde V. Goodwine, secretary-treasurer, urges each member to attend and to bring his family.

After the barbecue, there will be a business meeting in the auditorium. Two directors will be elected and other business will be transacted. Directors whose terms expire are A. W. Anthony Sr. and Lewis Smith.

After the meeting, attendance gifts will be given.

Lions Meet Thursday Night

About 20 Lions were present at the regular meeting at the club house Thursday evening. Before the business session, they were served barbecue beef, green beans, tossed salad, hot rolls, coffee and cake.

Hank Outland and Granville McFarland gave a report on the district convention which they attended in Amarillo. Plans were made for someone to accompany the Boy Scouts to Camp Don Harrington.

Auto-Pickup Wreck Is Fatal to Woman

Velma Vada Sessums, 47, died at the Parmer County Community Hospital at 6:30 Tuesday morning following a car wreck Saturday evening at the intersection of the farm-to-market road leading westward from Friona and Highway 60.

Also hospitalized as a result of the collision is her husband. His condition is not believed to be critical.

The wreck occurred at about 8 o'clock as Darrell Thompson, 17, was leaving town in a southwesterly

direction on Highway 60. The Sessums, riding in pickup, were going east on the paved rural road from a ranch north of the Harrison Highway where they resided as farm employees.

Thompson was not seriously hurt, but both vehicles were heavily damaged. He was the only occupant of the car he was driving.

Funeral arrangements for Mrs. Sessums are pending. The body is at the Marcum-Claborn Funeral Home in Friona.

Besides her husband, the deceased is survived by three children, Richard of Charleston, Virginia; Marie Moore, Oklahoma City; and Bobby of the home.

Also two sisters, Mrs. James Parnell, Manville, Oklahoma; Mrs. Johnny White; and three brothers, Ray Damron, Tulsa; Cecil Damron, Arlington, Texas; and Al Damron of Oregon.

All Rooms Taken At New Hospital

All rooms in the new building for the Parmer County Hospital have now been accepted by donors who will provide furnishings, announces Jimmy Baxter, hospital manager.

These include a total of eight units (with three doubles), plus the kitchen and nurses room. The most recent donors are the Friona Woman's Club and a room in memory of R. H. Kinsley. The donations have now come to a total of approximately \$6000.

A new campaign has been opened by the hospital to secure similar donors for the surgery area, which also needs to be furnished, points out Baxter.

This area, which will cost approximately \$8,000 to furnish, includes the delivery room, major surgery room, and sterilization room. The minimum donation applicable to this new area will be \$250, and plaques signifying that amount and higher will be displayed in the hospital, carrying names of persons or organizations who assist the hospital in this project.

"Some folks already have indicated they will be interested in this new project," says Baxter. "It won't be necessary for the donors to agree to pay at any specific time for the equipment and furnishings. We just want them to agree to take this responsibility."

Tri-County Elevator Gets First Wheat

Parmer County's first load of 1956 wheat was received by Tri-County Elevator at Black Tuesday morning. The wheat, grown by J. M. Wright, weighed 60 pounds to the bushel and made 33 bushels per acre, according to Pete Braxton, elevator manager. Of the Early Wichita variety, the wheat was from a 135-acre patch of irrigated land. Moisture content was 12.46 percent.

Wright received a \$25 premium from the elevator for its being the first load.

The second reported load of wheat in the county arrived at Shirley Grain Company in Bovina Tuesday around 7 p. m. Henry Ivy of Lazbuddie is the man who brought it in, says Joe Moore of Shirley Grain. Ivy also received a \$25 premium as it was the first load in Bovina.

The dryland wheat was cut from a 320 acre field that is av-

County 4-H Clubbers Head for Round-Up

Parmer County will be well represented at the annual Texas 4-H Round-Up at College Station next week, as six boys and two girls from the county get set to participate in the activities.

Delegates to the state-wide gathering will be Mike Ellis, son of Mr. and Mrs. Gene Ellis, Friona; James Stevens, son of Mr. and Mrs. J. D. Stevens, Bovina; Margaret Mabry, daughter of Mr. and Mrs. James Mabry,

Friona; and Beverly Smith, daughter of Mr. and Mrs. Jack Smith, Lazbuddie.

Also making the trip will be two demonstration teams. Heading the demonstration on soil and water conservation are Johnny Armstrong, son of Mr. and Mrs. John Armstrong, and Frankie Coffman, son of Mr. and Mrs. Gene Coffman, both of Farwell. Illustrating farm safety will be Truman McKillip, son of

Mr. and Mrs. L. E. McKillip, and Johnny McCuan, son of Mr. and Mrs. Dale McCuan, also both of Farwell.

The 4-H delegates representing the boys of Parmer County will be sponsored by the Parmer County Farm Bureau.

The soil and water demonstrators are sponsored by the Parmer County Soil Conservation District. Backing the safety demonstrators are businesses including McKillip

Motor Company, Billington Barber & Beauty Shop, Farwell Hardware, Security State Bank, City Barber Shop, Lone Star Elevator, John Getz, Gifford-Hill Western, Aldridge Insurance Agency, Shirley Anderson-Pitman Elevator, and The State Line Tribune—all Farwell businesses.

Attending the Round-Up as a 4-H leader will be John Armstrong. They will be gone June 12-14.

BOGGY THOROUGHFARE—This view of Highway 60 through Friona, which is undergoing extensive work as a part of its being widened to four lanes, would compare favorably with some of the old timers' pictures which show cars and wagons hub-deep in the mud of the 1920's. About two-thirds of the pavement was removed at this point, and traffic was forced to a narrow strip on the south side. Frequent showers which have fallen during the past three weeks have turned the scene into a quagmire.

THE STAR'S EDITORIAL COMMENT

Town Without A Slogan?

"Fighter from Decatur—County Seat of Wise"

"The Cattle Capitol of The Southwest"

"Town Without a Toothache"

"Where the West Begins"

"The Hub City"

Know what towns we're talking about? You probably do. But how about this one:

"Brightest Spot in the Golden Spread"

Whose is that? Did you know it belongs to Friona? Did you know that Mrs. Roy Wilson submitted that slogan as the winning entry in a contest sponsored by the Lions Club over a year ago? You probably didn't.

All of this is not necessarily your fault. Of course, if you were active enough in community affairs, you would have learned of the slogan, but as a newcomer to Friona, or as a visitor or just a tourist

Member Texas Press Association

In Parmer County.....\$3 Per Yr.
Elsewhere.....\$4 Per Yr.

Entered as second class mail matter July 31, 1925, at the post office in Friona, Texas, under the Act of March 3, 1897. Published each Thursday.

passing through, you couldn't possibly have a chance to ever associate the name of Friona with anything special in your mind.

Old Ben Franklin was right when he said, "Anything worth doing is worth doing well," and what is the value of having a slogan if no one knows about it? We suggest that publicizing Friona's slogan would be a good project for some civic-minded organization, of which the community has a number.

Signs displaying the slogan might be placed on highways coming into town. Merchants might be encouraged to use the words in their letterheads and statements, or in some other way in their business affairs.

How many people still think that Friona is a town without a slogan?

Memorial Program Well Attended

The Memorial Day program sponsored by the Friona American Legion was well attended, says Joe Brummett, commander. The first part of the program was at the city park and the second part at the Friona cemetery.

Mrs. John Benger placed a wreath on the memorial monument in the park. Mrs. Eva Miller directed the audience in singing the national anthem. Betty Agee, Barbara Hock, Janice Miller, Linda Gay Gee, Eva Nell Thomas and LaVon Fleming sang "My Buddy."

Friona ministers participating in the program were Rev. W. C. Wade, Rev. Hugh Blaylock, Rev. C. C. Nelson, and Rev. C. M. Fields.

The firing squad, which was composed of Dean Hall, Joe Mann, L. A. Jones, Lloyd Mingus, Russell Massey, Edward Hall, Ralph

Taylor, Earl Drake and C. L. Lillard, fired the salute. Flag bearers were Roy Wilson and Joe Brummett and color guards were Ray Strickland and David Smith. Joe McLellan was bugle boy. Brummett expressed the appreciation of the Post to all who assisted with the program.

Grahams To Attend National Conclave

Editor and Mrs. W. H. Graham Jr. left Wednesday morning early for Louisville, Kentucky, where they will attend the convention of the National Editorial Association. Making the trip with them is Mrs. W. H. Graham, The Star editor's mother, who owns The State Line Tribune of Farwell. The two young sons of Editor and Mrs. Graham, Ronny and Hal, went with their parents as far as Silvertown, where they were left to stay with their grandparents, Mr. and

Mrs. O. M. Dudley, while the Grahams are away.

The convention-goers expect to be back on the job Monday. Graham thanked the readers and advertisers of The Star for their help in getting the paper together a little earlier than usual this week, in order that they might make the trip.

Although active in the organization for several years, Graham says neither he nor any of his family has ever attended a national convention.

Two More Courts Possible at School

Tentative plans at Friona Schools for summer improvements to the property include the addition of two concrete tennis courts, plus the installation of a fence around what will then be a unit of three.

Supt. Dillie Kelley, in making the announcement, said the improvements will link in with the general physical education plan of the school, and will not be restricted solely for tennis playing.

Arrangement of the courts will be such that volleyball, basketball, and other sports may be played there. The estimated cost of the expansion will be around \$3,700.

Other planned work around the school includes planting of grass on the west side of the main building, erecting a fence around the elementary building, and moving playground equipment from the grade to the elementary grounds.

in & around FRIONA

With June

To everyone who was inconvenienced by our error in the time of the American Legion program Wednesday, we offer our sincere apologies. After checking with Joe Brummett, commander, before reporting a time, we still came up with the wrong starting time.

If you have never checked and re-checked then made an error, maybe you've never been a newspaper reporter. Like Epanamondous in the old story, we will not do that again, but will do something different next time. Don't really expect to ever reach the place where we will not make mistakes.

Several buildings down on the highway are being moved to new locations. Thursday there were movers' trucks everywhere we looked. The curbing is being poured and the rat-tat-tat of jack hammers can be heard where old concrete is being removed. One out-of-town driver was very unhappy Tuesday night when he inadvertently pulled off into a hole that he could not drive out of near the Texaco station.

Before very long, however, local

citizens borrowed a tractor and made it possible for the motorist to be on his way.

F. L. Spring, one of Friona's long-time merchants, was in our office. One of his hobbies is collecting maxims and he gave us one of his favorites. "The kind of person you are is much more important than the amount of money you make."

The population took another shift Wednesday afternoon. The Ralph Taylors moved into their new home and the Loyde Brewers moved into the one vacated by the Taylors. We made several attempts to contact Wana by telephone and failed. Later we asked her where she was. She replied, "I was going back and forth." Apparently, every time we called, she had gone forth.

We didn't ever get a report on the senior trip, but know the ones who went had a lot of fun. To our amazement, some of them came home with some money. (Our idea was that they would stay until they ran out of money.) We know at least two that had money enough for a trip to the drug store after they got back to town.

The FHA trip sounded like fun, oo. However, there must have been some rather "un-funny" moments. The report we heard included some rather squeakish incidents such

as snakes in the beds and bobby pin boxes. Then, how would anyone get that many girls to go to bed at the same time? Just wonder how Mrs. Caffey managed that part of the trip.

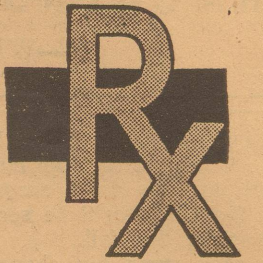

Our thanks to all of you who have stopped by the office or called to tell us about bits of news here and there. We surely do appreciate the thoughtfulness of each and everyone and want you to keep it up. To those of you who haven't stopped by or called, we cordially invite you to do so at your convenience.

Mrs. Jones Honored

Mrs. Roy Lee Jones was honored with a pink and blue shower in the Kenneth Houlette home Friday afternoon. Mesdames James Pope, Frank Griffith and J. B. Buske were co-hostesses. Refreshments of orange sherbet and angel food cake were served. About 15 guests were present and several who were unable to attend sent gifts.

Egyptian history dates back to about 4000 B. C.

The Philippines were ceded to the United States in 1899, by the Treaty of Paris.

THE BIBLE SAYS

THAT ALL MEN SHOULD REPENT (Acts 17:30-31). The greatest obstacle to the salvation of man is the obstinacy of the human will. In our day in this country it is not very difficult to induce men to believe the Gospel, in fact, it is a rare thing to find an unbeliever. Many may try but fail. When persuading themselves that there is no truth to the Bible they may succeed for a season but when they come face to face with death their unbelief is gone.

It is extremely difficult, however, to induce men to repent. Jesus found it so in his day and severely rebuked people in Galilee because they would not repent. Men find it a severe test to be called

upon to change a course they have been following. Far too many are not willing to admit that their way has been a perverse one.

Repentance, however contrary to our natural bent and pride is a condition of our salvation. If we find ourselves unwilling to yield to this requirement we may know that we must perish (Luke 13:3-5; 13:3-5).

God has been so good to man and His goodness, says Paul, leads us to repentance (Romans 2:4). He does not wish that we perish but rather that we come to repentance (II Peter 3:9). He wants us to change our will because of sorrow for sins and live a reformed life.

Wheat Allotment 102,700 in County

Parmer County's share of the nation's reduced wheat acreage next year (1957) has been set at 102,700 acres. This is a reduction of 5.6 percent from 1956 when the allotment was 108,404 acres.

Jim Whitfield, office manager

of the ASC, said the allotment was received at the county office last week. Individual allotment notices will be in the mail by June 15, he believes.

A national referendum will be conducted on July 20, in which farmers will determine whether they wish to continue under marketing quotas and acreage allotments.

The wheat picture, taken as a whole, shows a declining interest in the commodity in the eyes of Parmer County farmers. This slackening of interest began in the late war years, and was intensified with the development of irrigation and the introduction of cotton to much of the county's cultivated acreage.

However, a revival of interest in wheat production has been noted recently, especially during the past two years, when farmers with reduced cotton allotments and reduced prices for grain sorghums, have come to look upon their wheat allotment with more favor.

4-H Boys Give Demonstration

Four 4-H boys, Truman McKillip, Johnny McCuan, Johnny Armstrong, and Frankie Coffman gave two demonstrations at Rhea Farm Bureau Friday night under the sponsorship of county agent, Joe Jones.

Johnny Armstrong and Frankie Coffman gave a demonstration on permeability of the soil and using and preserving irrigation water on these different types of soil.

Truman McKillip and Johnny McCuan gave a demonstration on fire prevention in the home and on the farm. Both demonstrations were very interesting.

These boys will go to A&M College to give these demonstrations. They will leave June 13.

An Evening in Clovis

On Friday, May 25, 15 members of the Student-Faculty Congress and their sponsor, Mrs. F. M. Woolbright, spent the evening in Clovis. After a picnic supper in the park, they went swimming, skating, bowling and attended the show.

Those making the trip were LaVon Fleming, Don Reeve, Robbie Boggess, Larnie Blake, Doris McFarland, Wesley Barnett, Phila Mae Buske, Phillip Weatherly, Carol Oldham, Randy Dickson, Pat Cranfill, Jimmy Patton, Eva Woolbright, Phyllis Hinds and Patsy Anthony.

Black Friday was Sept. 24, 1869

LEGAL NOTICE

NOTICE TO BIDDERS
Sealed proposals addressed to the Honorable Mayor and City Commission of the City of Friona, Texas, will be received at the office of Roy Wilson, City Manager until 1:30 p. m., June 18, 1956, at which time said proposals will be publicly opened and read aloud, for furnishing all of the materials,

machinery, equipment, superintendence and labor for the construction of a city hall, jail, and fire station improvements, to be constructed of brick and tile and containing approximately 2750 square feet and includes all plumbing, air-conditioning, heating and electrical. Any bids received after closing time will be returned unopened.

Bidders must submit a cashier's or certified check issued by a bank satisfactory to the owner or a proposal bond from a reliable surety company authorized to do business in Texas, payable without recourse to the order of the City of Friona, Texas, in an amount not less than five percent (5%) of the largest possible bid submitted as a guaranty that the bidder will enter into a contract and execute a bond and guaranty in the forms provided within ten (10) days of notice of award of contract to him. Bids without the required check or proposal bond will not be considered.

The successful bidder must furnish bond in the amount of (100%) One Hundred Per Cent of the total contract price from a surety company holding a permit from the State of Texas to act as surety or other surety or sureties acceptable to the owner.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive all informalities.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions under which the work is to be done.

Plans and specifications and proposal forms are on file in the office of Roy Wilson, City Manager, Friona, Texas, and are available upon receipt of Twenty-five Dollars (\$25.00) as a guarantee of the safe return of the plans and specifications, the full amount of the deposit will be returned to the contractor on submitting of a bona fide bid on the work with such plans and specifications or upon returning the plans and specifications immediately after examining same and advising the City Manager that a bid will not be submitted, otherwise deposit shall be forfeited.

Friona FHA Girls Make Trip

Twenty-six members of the Friona FHA chapter spent several days last week at J. G. McFarland's cabin at Tres Ritos, N. M.

They were accompanied by the FHA sponsor, Mrs. Estelle Caffey; two chapter mothers, Ova Outland and Mildred Barnett; and the bus driver, Florence White. The group left Friona at 7:00 a. m. Monday and returned Thursday at 6 p. m.

Monday evening Phyllis Treider gave the devotional. On Tuesday evening, Luellen McLean gave the devotional and a vesper service was given by Patsy Anthony on Wednesday evening before the evening meal was served by a camp fire. Side trips were made to Tres Ritos and several nearby places.

The group climbed mountains, rode horseback and explored. They also visited a curio shop at Santa Rosa on the return trip.

FHA members making the trip were Margaret Mabry, Pat Cranfill, Janice Bock, Joan Beaty, Phyllis Hinds, Eva Woolbright, Doris McFarland, Phila Mae Buske, Loretta O'Brian, Patsy Anthony, Phyllis Treider, Judy Barnett, Nancy Outland, Ray Gene Jones, Ruby Grubbs, Paula Neel,

Ruth Ann O'Neal, Luellen McLean, Jan Edelman, Billie Rae McKee, Lila Gay Buske, Phyllis Dean, Helen Hamilton, Kay Kirk, Charlotte Bails and Elaine Holcomb.

Senior Bridge Club Meets

Mrs. W. B. Stark was hostess to the Senior Bridge Club in her home Saturday afternoon. Those present were Mesdames M. A. Bartlett, H. C. Kendrick, Bert Chitwood, Bert Shackelford, O. F. Lange, Bill Woodley and Carl Maurer.

The hostess played high. Refreshments of strawberry shortcake and punch were served.

Past Matrons Meet Friday

Four members of the Kinsley Past Matron's Club met in the home of Bessie Boggess Friday afternoon. After a business session, refreshments of pineapple sherbet with wafers and chicken salad sandwiches were served.

A social hour followed. Those present were the hostess, Ethel Chitwood, Hazel Guinn and Pearl Bartlett.

Thoma Lou Fallwell Weds

In a single ring ceremony at St. Anthony's Catholic Church in Hereford, Saturday afternoon, Thoma Lou Fallwell was married to Joseph Boeckman. The bride is the daughter of Mrs. Pat Fallwell of Friona and the groom's parents are Mr. and Mrs. J. F. Boeckman of O'Keene, Okla.

Father Cletus read the ceremony while soft music was played in the background. Donald Paetzold was altar boy. Bill Paetzold served as best man. Mrs. Glen Bingham of Geary, Okla., sister of the groom, was matron of honor. Mrs. Bingham wore a blue pima cotton dress with white accessories and a corsage of white carnations.

The bride was attired in a white silk dress fashioned with a scoop neckline and deep nylon lace yoke. Her hat was a bandeau of feathered flowers interspersed with seed pearls and rhinestones. Her corsage was fashioned from tiny pink rosebuds. She carried out the traditional something old, something new, something borrowed and something blue. She borrowed a nylon handkerchief from her sister, Mrs. Jeff Booker. For something old, she wore a diamond ring belonging to her mother. She also wore a penny in her shoe for good luck.

Immediately following the ceremony, a reception was held at the home of Mr. and Mrs. Tilden Slagle at 501 Star Street. The serving table was covered with a pink damask cloth and the centerpiece was of blue and white daisies and candelabra holding blue tapers.

Mrs. Jeff Booker served the cake and Mrs. Joe Fallwell presided at the punch bowl. Guests were registered by Miss Mary Tatum.

Mrs. Boeckman is a 1956 graduate of Friona High School where she took an active part in basketball and was on the staff of the school annual. For the trip to Milligan, Neb., she wore a blue tucked cotton dress with white accessories and a rosebud corsage.

Boeckman, who is a graduate of O'Keene, Okla., High School, is employed by Roberts Construction Company at Milligan, Neb., where the couple will be at home.

Among the wedding guests from Friona were Mrs. H. C. Wells, Mrs. Herschel Johnson, Mrs. Giles Cobb, Mrs. Ellis Tatum, Mary and Weldon. Also Mrs. Pat Fallwell, Mr. and Mrs. Joe Fallwell and children and Sandra Brock.

Bible School Begins At Methodist Church

Vacation Bible school begins at the Methodist Church Monday, June 11, at 9 a. m. Classes will be held each morning from 9 to 11. Valoris Osborn and Wana Brewer will be co-directors.

Teachers and helpers will be as follows: nursery department, Irene Anthony, Billie Long, Adelle Smith and Erma Drake; kindergarten, Nola Faye Vestal, Eva Lou Recor, Maxine LeFavors, Janie Parker, and Cynthia Caffey;

Primary I, Lauretta Brookfield, Olive Massie, Luellen McLean, Celia Weatherly and Carolyn Parker;

Primary II, Edith Johnson, Catherine Smith, Virginia Patton, Gayle Knight, and Linda Stokes;

Primary III, Doris Sides, Winifred Hurst, Charlotte Bock and Pat Foster;

Junior boys, Dottie Osborn, Juanda Jarrell, Doris McFarland, and Patsy Anthony; junior girls, Gwen Graves, Elsie Blaylock and Elizabeth Blaylock;

Publicity committee, Mary Lee Cass, Pearl Shelton and Luella Drake; refreshment committee, Ora Mae Anthony, Thelma Ford and Addie Moyer; music, Don Lewis and Faye Reeve.

The directors, teachers and helpers invite the public to attend.

Turners To Arkansas

Mr. and Mrs. Charlie Turner left Thursday for a vacation in Arkansas. They will visit in Prescott, Ark., with the Arthur Turners. They also plan to do some fishing and will return to Friona this week.

Mr. and Mrs. Dean Baxter and sons of Wichita, Kansas, visited in the H. G. White home last week. The Baxters and Whites were Saturday evening guests in the home of Mr. and Mrs. Clarence Martin and children.

Leaders to Meet

There will be a Cub Scout leaders' meeting in the Clyde Fields home Monday night, June 11, at 8. The purpose of the meeting is to plan the summer program. At pres-

ent, plans are being made for an overnight camp at Camp Don Harrington and for an ice cream social. All leaders are invited to attend.

For Best Results Use STAR Ads

DeWayne and Gerald Neel enrolled for summer courses at West Texas State at Canyon Monday. DeWayne has been attending W. T. and Gerald is a May graduate of Bula High School. They are sons of Mr. and Mrs. Otis Neel.

BUTANE HELPED CHANGE THIS

How long has it been since you have seen a wood or coal burning cookstove in a farm home? Likely quite a while! Butane brought modernization to the farm home, and revolutionized outside work, too.

Today, Butane is still the farm's most reliable, most versatile servant.

HAVE YOU CONVERTED YOUR TRACTOR TO LPG YET?

Entertains With Party

Mrs. Rosco Ivie entertained a group of friends with a party in her home Tuesday evening. After several games were played, refreshments of angel food cake and punch were served by the hostess. Those attending were Mesdames Helen Fangman, Elmer Altman, Clyde Hays, J. F. Miller, M. M. Shirley and Coy Patton.

roast at the city park Monday afternoon. The boys played games and played around the fire. Plans were made for one meeting each month during the summer. Cubs attending were Gary Crabbe, Leslie Weis Jr., Harlan Hugh Weis, Roscoe Parr Jr., Eric Rushing, George Rushing and Ronnie Brookfield. The group returned to the Brookfield home, formed a living circle, then were dismissed.

Back From Market

Mr. and Mrs. Andy Hurst returned to Friona Thursday of last week after a trip to market at Dallas. On the return trip, they had as companions Mrs. George Gabriel and Mrs. Bob Scutter as far as Spur.

Den III Has Wiener Roast

Six members of Den III and the two den mothers, Shirley Weis and Lauretta Brookfield, had a wiener

Senior Scouts Have Party

Twelve senior Scouts had an overnight party at the Russel O'Brian home Tuesday night. Supper was cooked and served in the back yard. Scouts attending were Linda O'Brian, Faye Scales, Janet Snead, Jacquelyn Magness, Marilyn Potts, Lynette Pritchard, Geneva Floyd, Peggy Widner, Carolin LeMay, Sally Hough, Jolynda Stokes, Dolores Elmore and Jamie Parker. Others present were Mr. and Mrs. Russel O'Brian and Karen and Mrs. Gordon Hough.

FHA Council Meets Monday

The executive council of the Friona Future Homemakers of America met in the homemaking department of the Friona High School at 9 a. m. Monday. The officers were acquainted with their duties. A group discussion on ways to promote interest in the organization was led by the sponsor, Mrs. Estelle Caffey. Officers present were Patsy Anthony, Pat Cranfill, Judy Barnett, Ruby Grubbs, Luellen McLean, Ruth Ann O'Neil, Paula Neel and Nancy Outland.

services. They returned to Friona Wednesday night. Mr. and Mrs. Steve Messenger were called to Dallas Friday to the bedside of Mrs. Messenger's father, J. Q. Finney of Plainview, who is hospitalized there. Sunday dinner guests in the home of Mr. and Mrs. Calvin Martin were Mr. and Mrs. Rudolph Renner, Mr. and Mrs. Billy Dean Baxter and children, and Mr. and Mrs. Clarence Martin and children. Mr. and Mrs. Oscar Baxter and children spent several days recently at Walch, Colo., where they have farming interests. Mr. and Mrs. Plez Venable and Mayrene of Tulsa, Okla., have been house guests of Mr. and Mrs. J. R. Nazworth and sons at Black. Mayor and Mrs. A. W. Anthony Sr. and Mr. and Mrs. J. L. Smith visited John Anthony at Elida, N. M., Thursday. John Anthony, who has had several heart attacks recently, is a brother of A. W. Anthony and Mrs. J. L. Smith. Mrs. C. A. Guinn spent Memorial Day with her sister, Mrs. Beulah Brown, at Clinton, Okla. She was accompanied by a brother, Earl Gilmer, from Muleshoe. Mr. and Mrs. Charles Ricard were weekend visitors in the home of Mrs. Ricard's parents, Mr. and Mrs. Edkar Miller, at Roosevelt, Okla.

It's A Girl

Pamela Gay is the new daughter of Mr. and Mrs. Delton Lewellen. She was born Monday, June 4, at 1:26 a. m. at the Farmer County Community Hospital and weighed 7 lbs., 4 ozs., The Lewellens have an older daughter, Donna Kay, who is 16 months old. Mr. and Mrs. Tom Lewellen of Friona and Mr. and Mrs. Harvey Shapley of Amarillo are grandparents.

Bob Gores Visit Here

Mr. and Mrs. Bob Gore and sons of El Paso were weekend guests in the home of Gore's parents, Mr. and Mrs. R. N. Gore. Gore returned to El Paso Sunday, but Mrs. Gore and the boys will spend several days here then go to Amarillo to visit relatives before returning to El Paso. The Gores are former Friona residents.

The Friona School board Monday night named three men to serve on the board. They are Clyde Goodwine, David Moseley and M. B. Buchanan.

Mr. and Mrs. W. F. Cogdill visited his sister, Mrs. Will Ryan, at Hobart, Okla., last week.

youth, beauty, Chevrolet, action!

The new Bel Air Convertible—one of 20 sassy-styled new Chevrolets.

Want to take the wheel of one of America's few great road cars? Want to send pleasant little tingles up and down your spine? Then hustle on in and try out a new Chevrolet V8!

Now showing—the happiest "double feature" of the year! One part is bold, new Motoramic styling. The other is record-breaking V8 action. Hollywood has a heap of words that describe it: colossal, stupendous, magnificent. We'll settle for just the name—Chevrolet.

Because once you've driven this sweet-handling showboat, the adjectives will take care of themselves. Horsepower that ranges up to 225 makes hills flatter and saves precious seconds for safer passing. And the way this Chevrolet wheels around tight turns would gladden the heart of a dyed-in-the-wool sports car fan.

Stop in sometime soon and highway-test this new Chevrolet.

AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. LET US DEMONSTRATE.

Rhea FB Maps Bindweed Fight

Rhea Community Farm Bureau, in its monthly meeting last Friday night, elected a committee to set a day and make arrangements for treating all bindweed on county rights-of-way and in fields within the community. The committee consists of Raymond Schueler, Jack Patterson and Franklin Bauer.

They also agreed to attempt to raise money for furnishing a room for the new hospital, and selected a committee to direct that project. That committee consists of Mrs. F. T. Schlenker, chairman, Mrs. Jack Patterson, Mrs. Carl Schlenker, Mrs. Helen Potts and Mrs. Walter Schueler. Tentatively, they planned a fund raising campaign to be implemented at their 4th of July celebration, an annual Rhea affair.

During the business session, at which Bauer, president, presided, Patterson, program chairman, suggested an "open forum" type discussion period for future meetings. He said he believed farmers should discuss farm legislation and any other problems facing them from time to time in order that he, as

their director, could properly present these ideas to the county board of directors. The group unanimously approved this suggestion. Plans were completed for rabies inoculation of dogs on Saturday afternoon if Mike Pavalous could administer the shots then.

Gilbert Kaltwasser, County Farm Bureau president, reported on the cotton meeting which was held in Lubbock Memorial Day morning, and discussed some phases of the Agricultural Act of 1956.

Joe Ed Sullivan of Canyon, District FB organizational field man, discussed phases of the CIO-AFL 10-point objective legislative program that he said are detrimental to the economic future of farmers. One of the proposals in that program, Sullivan pointed out, is the proposal of a \$1.25 per hour minimum wage for farm employees, with maximums of an eight hour day and a 32 hour week. Time-and-a-half pay would be compulsory after eight hours per day or after 32 hours per week.

Joe Jones presented 4-H boys Johnnie Armstrong and Frankie

Coffman who gave a varied soil type irrigation demonstration, and Truman McKillip and John McCuan, who gave a demonstration on fire prevention around the home. Refreshments were served at the close of the meeting.

METHODIST CHOIR HAS CLOSE CALL

The expression is sometimes made that a well-tuned Methodist choir can "raise the roof" with its blended voices, but Sunday, quite the opposite happened at the Friona Methodist Church.

Just at the conclusion of the morning services, as the congregation was filing out, a fluorescent light fixture in the ceiling over the choir loft gave way and crashed down.

No one was injured as the fixture bounced atop the piano to the right of the pulpit. Vera Ann Jones, church pianist, was reported to be relieved that she had finished her duties and was not seated at the instrument.

Inspection revealed that several other lights needed attention, and these have been secured.

RHEA

Rhea HD Club Sees Demonstrations

Mrs. Billy Sifford was hostess to the Rhea Home Demonstration Club Friday afternoon. Mrs. Paul Hall gave a demonstration of freezing meats then using them in the preparation of a meal. Mrs. Billy Sifford demonstrated salad making.

Those present were Mesdames C. A. Lawrence, Frank Markham, Charles Markham, Paul Hall, Elmo Dean, Floyd Schlenker and Joe Brown.

The next regular meeting will be June 15 in the home of Mrs. Jack Patterson. Miss Wainscott will be present at this meeting.

BIBLE SCHOOL SET

The community vacation Bible school at the Lutheran Church will begin Monday. Classes will be held each day from 9 to 11:45 a. m., Monday through Friday, until June 15. Closing exercises will be held Friday evening.

Mr. and Mrs. Franklin Bauer were hosts to Mr. and Mrs. Norbert Schueler and children and Mr. and Mrs. Florene Jeriska and children at a dinner in their home Sunday.

Rev. H. A. Stroebel was a Monday evening visitor in the home of Mr. and Mrs. Albert Drager and family.

Mr. and Mrs. Jack Patterson, Synthia and Sandy spent Sunday in Amarillo visiting in the homes of Mr. and Mrs. Hollis Harris and children and Mr. and Mrs. Morris Means.

Mr. and Mrs. C. A. Lawrence,

Mr. and Mrs. Roy Botkin and children and Mr. and Mrs. Delbert Bainum and children of Hereford spent the weekend in the Pecos Canyon near Cowles, N. M.

BLACK

MRS. DICK ROCKEY

PRESENTATION SET

Joe Jones, county agent, received word last week that the Black Community will be presented with its award in district and state rural neighborhood improvement contests, Monday, June 18, at 7:30 p. m.

LIGHTNING STRIKES

Lightning struck the B. C. Day home Thursday night, making a small hole under the kitchen window, and putting the Day phone out of order.

Weekend visitors in the Lloyd Prewett home were Mr. and Mrs. R. L. Bray of Lubbock, and Mr. and Mrs. T. E. Holley and son from Tulsa.

Mr. and Mrs. Clyde Hays went to Truth or Consequences last week to bring Clyde's father back to his home in Hereford. The elder Mr. Hays had been there taking

treatments for the past few weeks. Mrs. Beatrice Brady from Weatherford, Okla., arrived Monday for a visit with her sister and husband, Mr. and Mrs. T. J. Presley.

Mr. and Mrs. Dick Rockey and H. V. went to Alamogordo Lake Sunday where they met a group of friends from Muleshoe. They spent the day boating, racing, and water skiing.

Mrs. Molly Dillingham and Mrs. Elvis Tatum visited one day last week in Muleshoe with Mrs. Gilbert and Mrs. Blanche Wooley of Fort Worth.

Julia Dennis, small daughter of Mr. and Mrs. Fred Dennis, was in the hospital Sunday. She is home now and doing fine.

Mr. and Mrs. Dick Rockey and H. V. attended the wedding of Ann Woodley and Derrell Gene Hanks at the Muleshoe Methodist Church Saturday evening.

Visiting last week in the R. E. Barnett home were Mr. and Mrs. Clyde Hays, Mrs. Oley Hinds, Mr. and Mrs. N. E. Gass, and Miss Orr from Hereford.

Mrs. Ollie Beckman and daughter, Theta Mae, of Los Angeles, spent Wednesday and Thursday visiting Mr. and Mrs. T. J. Presley. Mrs. Beckman is his sister. Mrs. Molly Dillingham and Joe

have returned to their home in Albany after a week's visit in the Ellis Tatum home. Tommie Tatum went with them for a visit.

10 County Men At Cotton Meet

Ten Parmer County men attended a Farm Bureau meeting in Lubbock last Wednesday morning, to hear authorities discuss the present cotton situation, and plans for alleviating the surplus situation by market expansion to give cotton farmers a chance to continue their production at a volume and price that would yield a profit.

John Lynn of Washington, D. C., legislative director for American Farm Bureau, discussed the Bureau's seven-point cotton program aimed at solving some of the problems of profitable production and marketing that face producers today. He said that current legislation provided for export for five million bales of CCC cotton at 25½ cents per pound, which would provide some relief, temporarily. It is necessary, Lynn said, that we go further than this, and spend more money on research and marketing if we are to have a continually improving market.

Concerning net income for farmers, Lynn pointed out that in 1947, a peak agricultural year, U. S. farm gross income was \$33 billion and net income was \$17 billion; in 1955 the gross income was still \$33 billion, but net income was down to \$10½ billion, which indicated that what the farmer has to pay has hurt him vastly more than what he is able to receive for his production. He said he was leaving immediately to take up Farm Bureau's fight in Washington against legislation being introduced that would place a minimum wage of \$1.25 per hour base pay and a maximum eight hour day—thirty-two hour week on farm labor of all classes. This provision, he said, would put just about any farmer out of business.

Dr. M. K. Horn, economist with

the National Cotton Council, emphasized that price lowering was not an inclusive solution to the cotton marketing need. It may have a part, he said, but more important is a program of research for more uses, promotional advertising and marketing methods. While synthetics, which are presently taking some of the cotton markets, are spending \$60 million per year on research and marketing, the cotton industry is spending only about \$14 million. This situation, said Horn, should be corrected, H. L. King, TFB director for District II, of Brownfield, explained Farm Bureau's recommendation for cutting the state acreage reserve from ten per cent to two per cent.

"We have got to eliminate features of our acreage allotment program that tend to keep west Texas farmers and east Texas farmers fighting among themselves while they should be working together to improve the overall cotton situation," said King.

Men attending the meeting from Parmer County were Gilbert Kaitwasser, Jack Patterson, J. T. Jones, A. R. McCutchan, H. P. Hamilton, Ralph Miller, Bruce Parr, Dick Gerles, Joe Jones and Raymond Euler.

Friona Indians Win Over Nazareth, 14-5

Winning their fifth straight game of the season, the Friona Indians dusted off Nazareth nine here Sunday afternoon to the tune of 14-5. An outstanding pitching job by Lindley Davis, along with some fine fielding by Howell and the hitting of Manager John Renner paved the way to the Central Plains League win.

The Indian jumped to a 1-0 lead in the first inning, added five in the fourth, two in the fifth, and two in the sixth, before Nazareth broke loose for all five of their runs in the seventh. Friona added four more in the eighth to complete the scoring for the day.

The Friona squad pounded the visiting pitchers for 17 hits and committed two errors in the field. Meanwhile, Nazareth collected seven hits off Lindley, and committed five errors.

Friona plays at Bovina next Sunday. Bovina has lost only to Friona, that being by an 18-16 score three weeks ago on the local field. The Bulls hold a 4-1 record and Friona stands at 5-0.

Tri-County Elevator Receives First Wheat

(Continued From Page 1)

eraging 10 bushels per acre. Moisture registered 11.64 and the wheat weighed 60 pounds to the bushel, Moore said.

In Friona, the first load was received at 8 o'clock yesterday morning by Friona Wheat Growers. H. A. Hyde, who has 390 acres of dryland Early Wichita wheat southeast of Friona, brought it in.

Averaging six bushels to the acre, the moisture content was 14.45 percent, and it tested 59 pounds to the bushel, according to Arthur Drake, manager of Friona Wheat Growers.

The wheat in the county is a little earlier than in 1955. A year ago the first load in the county was harvested on June 15, and delivered to Farwell. Up to Wednesday afternoon of this week, no wheat had been delivered to Farwell, but two loads of barley had been received by the Sherley-Anderson-Pitman elevator.

Bert Williams brought in the

first barley from the West Camp community and it tested light, weighing 42 pounds per bushel, says Johnie Williams, manager of Sherley-Anderson-Pitman.

A load of barley was also received at the Lariat Elevator. Walter Kaltwasser delivered the load from two miles north of Lariat. Moisture content was light and it weighed 46 pounds per bushel, says Clarence Harriman, of the elevator.

Irrigated Wheat Ready for Cutting; Believed Best Ever

Irrigated wheat—which will total about 35,000 to 40,000 acres for the Friona trade territory—is ripening rapidly, and probably will be ready for the combines starting next week.

Frequent showers and cloudy weather have held off maturity to some extent, but the grain is turning rapidly in spite of the weather's interruption.

Farmers and warehousemen alike declare that on the whole, the irrigated wheat this summer is the best it has ever been. A number of factors have contributed to this rather optimistic outlook for the crop that was once a basic one to the Friona area. Among them are:

1. Farmers have learned better methods of watering wheat, and most important, have mastered the art of combining fertilizer with irrigation water for good growth.

2. The weather has been more cooperative than usual, and the big snow in February which melted slowly was especially beneficial to the young crop.

3. Insect damage was lighter than in several years previous, especially in the case of greenbugs, which only lightly damaged the 1956 crop.

CRACKERS—

(Continued From Page 1)

even though they know little about how to properly do so.

Joe has volunteered to obtain for us some mats and general information on flag etiquette. We intend to publish this material in The Star in some form. There is a big gap to be filled in this type of education.

To judge from stories that keep in circulation, Friona is going to end up with a gala array of new service stations along its four-lane highway when the work is finally finished.

Another station to be installed by a major oil company has been tentatively approved this week, and an announcement should be ready in the near future. This is besides the \$22,000 station which Gulf will put up as was announced in The Star last week.

City Orders Signs Transit, Continues Fast Business Pace

(Continued From Page 1)

commission to take action on a petition presented them two weeks ago, requesting that an election be called to increase the number of commissioners from two to four in number—making a five-man governmental board, including the mayor.

The petition, which had 92 names affixed to it, is now more or less "up in the air" pending a discussion of legalities between City Attorney Bill Sheehan and Attorney James Aiken of Hereford.

"I want to say that this (petition) does not show dissatisfaction with the present city commission," said Krueger. "We feel that the

commission needs some help. . .

"Our city has grown to the point where it warrants additional members on the commission. There are times when one commissioner may be absent, and this change would spread the responsibility. . ."

At this point, Mayor A. W. Anthony broke in to indicate his disagreement with Krueger's opinion. "This buck-passing doesn't get you anywhere," he said. "If the boys (commission members) you have can't do it (get the job done satisfactorily), then (you should) have an election and get someone who can. . ."

That ended the discussion of the instrument.

Plotting of the cemetery, a project carried over from the previous commission meeting, came up again for discussion, and the commissioners okayed the purchase by the city of a transit-level to insure accuracy of the work.

It was felt that the cost of approximately \$250 to acquire this instrument would soon be repayed by the money it would save the city. Cost of surveying the cemetery itself probably would run from \$200-\$250, pointed out Clerk Wilson.

The City of Friona collects gas bills for Pioneer Natural Gas Com-

pany, and since the number of businesses and residences has increased considerably in recent months, Clerk Wilson recommended that the city increase the charge made the utility company for this service.

Pioneer now pays the city \$60 a month for clerical help, plus \$30 a month for office space. The commissioners authorized Wilson to seek an increase.

The commissioners also agreed to hire Joe Mann and Howard Love on a monthly basis instead of by the hour, as they have been working. The men have been paid \$1.25 per hour for a work week that has averaged 44 hours. They will now switch to regular employment at \$235 monthly.

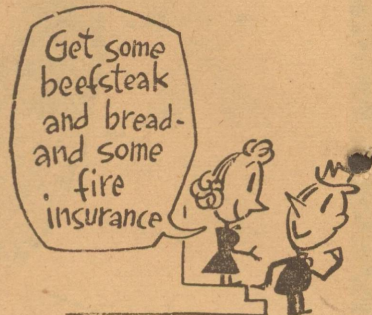

The possibility of hiring a night watchman for law enforcement and fire protection purposes was considered by the city dads, and a discussion of some length ensued.

Clerk Wilson referred to a fire insurance manual which indicated that Friona would be eligible for a five percent credit on the fire insurance keyrate, provided a man was on duty from 9 p. m. until 6 a. m.

The commissioners took no definite action on the proposal, but

asked Wilson to "check into the matter" to determine possible salaries and men who might be secured as applicants.

Wilson also was requested to write the Texas League of Municipalities for a copy of its "model curfew law" which the commissioners feel might be helpful in maintaining tranquility on the streets after hours.

Insurance is as necessary as groceries

You don't dare to run a home or a business without insurance. The risks of financial loss are too great.

Sensible people don't go a single day without adequate insurance of several kinds. They know that, otherwise, they may be suddenly ruined by a fire, storm, burglary, accident or a damage suit.

They buy insurance almost before they buy meat and potatoes.

And insurance probably does not cost as much as you think. Consult us today as to what it will cost you to protect you against most possible financial losses in your home or business.

IT IS PLANTING TIME NOW AND WE WILL BE OPEN FROM 7 TO 7

We Can Furnish:

LEGUMES—Soy Beans, Alfalfa, Chinese Red Peas, and Mung Beans.

HEGARI—Texas Certified Combine Hegari—The Double Dwarf High-Yielding Variety. Also Arizona Certified Regular and Early Hegari. We have non-certified Arizona regular and selected Texas grown common.

KAFIRS—Texas Certified Kafir 60, Select Kafir 60, Blackhull, and Combine Redlan.

MILOS—Certified Arizona and Texas Martin, Plainsman, Caprock, 7078. Also some dandy "select" seed of these varieties. Double Dwarf Yellow Sooner.

QUADROON MILO—Many of you once planted this variety for a sure crop of grain and bundle feed. Try it again.

SWEET SORGHUMS—Texas Certified Atlas, Sumac and Sourless Orange.

SUDANS—Texas certified Sweet, Nebraska Certified Common and New Mexico Certified Piper. Also selected Greenleaf. Sart and Tracy.

LAWN GRASSES—Bermuda, Blue Grass and Perennial Rye.

We have a small supply of Texas Hybrids and open pollinated corn.

FERTILIZERS FOR YOUR CROPS & LAWN

We can clean and treat, with Panogen, your seed if you will let us know a few hours ahead of time.

PURINA FEEDS FOR YOUR LIVESTOCK NEEDS

HENDERSON GRAIN & SEED COMPANY, INC.
FARWELL, TEXAS

...And No More Worries--

That's right, farmers, lay your irrigation well worries aside. We're in business to take care of your well problems.

At our command, we have over 30 YEARS of well drilling experience. We think we can do as good a job of caring for yours as anybody. And as economically, too!
