

GRAHAM CRACKERS

—WHG

Nitwit, the little fellow we introduced last week, may turn out to be a very handy staffer to have around. That is, if we are able to shove off all our shortcomings on his pointed head.

If Nitwit owes O. J. Beene an apology for reporting in last week's Star that poll taxes can now be paid in Friona (and receipts for payment issued simultaneously, he said), then the apology is forthrightly offered.

The details of Nitwit's story, however, were technically correct. At least, so confirms Sheriff Chas. Lovelace, who up until January 1 has been the tax assessor-collector for Parmer County.

Residents had found it possible to make application for payment of the voting tax at the City Drug Store, but it still was necessary that the receipts be issued at the courthouse—and these affidavits of payment returned via the mails to the persons paying the \$1.75 fee.

O. J. did the public a service in getting to the trouble of handling these transactions. He didn't though, issue the receipts.

Special note to Friona's Official Politician (newcomers to town should by all means get acquainted with Jake Lamb): Now that Ralph Yarborough is in the race for the U. S. Senate, what's up Doc?

To admit the truth, Jake, we've about lost out on politics since the November elections have passed. Bring us up to date on developments.

This matter of re-christening the Friona Squaws to be the Friona Redwings continues to generate conversation wherever we go. Red Duggins, the girls coach, has agreed to take it up with the gals to see what they decide. We think that, after all, it's up to them for the last word.

However, if the Squaws want to be Squaws or Redwings, that still leaves us in an unsettled condition on several fronts. We have started asking ourselves more questions. Like:

If the varsity high school boys are the Chiefs, then what are the freshmen boys? Or the "B" string boys? And if the varsity high school girls are the Squaws (or Redwings), then what are the grade school girls? Or the "B" team lassies?

Here is a real test for ingenuity. Can somebody think up original names, with the "Indian flavor" of Chiefs for the seven basketball teams at Friona Schools? We can't, but here are some starters: Maidens, Pansies, Braves, Scouts, Bucks, Warriors, and Medicine Men. Yep, a couple are a little far fetched. But can you do better?

The field of electronics is a fascinating one. If you have ever watched a giant IBM machine at work sorting cards, computing figures, and posting compilations by the millions per day, you have an idea of the importance the small vacuum tube is playing in our lives.

Less sensational is the common television set, a marvel in low-cost electronics. Just a few years ago, that big tube that projects the screen of your set would have cost several hundred dollars. Now, the entire set sells for as little as \$100 in some models.

One device that we are giving a try is the dictating-transcribing machine. It is really causing a stir in business circles. With this machine, we can "tape" whatever comes from our mind (letters, this column, miscellaneous instructions, memos, and what-not) whenever we need to.

Then, a few hours or days later June can "take" our voice from the tape and convert it into typed pages, filled-out forms, or most anything else.

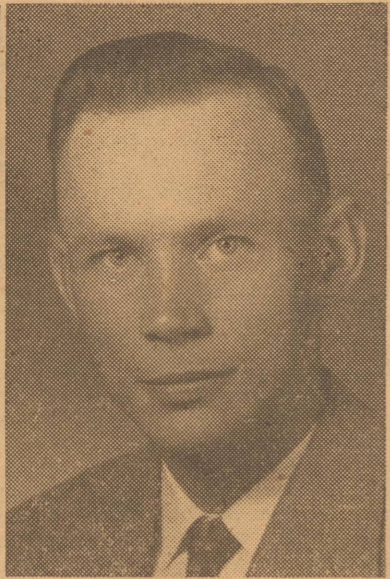

This replaces the conventional secretary-manager system, in the sense that the secretary does not take down in shorthand everything the manager says and then do her work. She hears his voice directly, through the magnetically-treated tape.

We like this, because it's convenient. The wife likes it too. She'd never hear to our hiring a secretary—even if we showed her we could afford it.

Boy Scouts Plan Bicycle Inspection

Boy Scouts of Friona, under the supervision of the Friona Lions Club safety committee, have completed plans for a bicycle inspection at the grade school building at 11:15 a. m. Friday, January 29.

All owners of bikes are urged by Jimmy Baxter, chairman of the committee, to bring their bikes to the schoolhouse at this time. Parents of children are asked to encourage the children to take advantage of the inspection which will be free of charge.

1st Lt. TIM MAGNESS

1st Lt. Tim Magness Is Killed

The tragic news that 1st Lt. Tim Magness, son of Mr. and Mrs. H. T. "Tiny" Magness of Friona, was killed in the crash of a jet military airplane Sunday afternoon brought shock to the family and the community this week.

A telegram from the commander at Las Vegas, Nevada, field near where Lt. Magness was stationed, officially confirmed his death at 8:35 Monday morning. For a time, the family had held to a slim ray of hope that perhaps it was not their son who was in the accident.

Lt. Magness, a co-pilot in a crew of three aboard the jet, was on a routine mission, having been headed toward Las Vegas when rough weather was encountered. The men were in radio contact with their base only a short time before the accident. The plane struck the side of a mountain and exploded.

His parents and a sister, Denise, accompanied by Pete Buske, left Friona Tuesday afternoon by car for Las Vegas. Details of the funeral were not known. A two-day delay in bringing the bodies down from the mountains was expected.

Tim Turner Magness was born in Friona, August 16, 1932. He was graduated from Friona High School in 1949 and went one year to Baylor, then transferred to Texas Tech. He was graduated from Tech in 1954 as a music major.

He enlisted in the Army Air Force in March of 1955, and was trained as a jet fighter pilot at Webb Air Force Base at Big Spring. He received radar training in Florida, and was transferred to Angel Peak, near Las Vegas, shortly thereafter.

Lt. Magness was married to Marjorie Scales of Lubbock on December 27, 1955.

Besides his wife of Las Vegas, the deceased is survived by his parents, two sisters, Denise of Texas Tech and Jacquelyn of the home; maternal grandparents, Mr. and Mrs. R. O. Gibson of Sagerton; and his paternal grandmother, Mrs. J. D. McMillan of Friona.

The Tim Magnesses were members of the Las Vegas Methodist church, and had been active in work among the young people there. They were MYF counselors.

Also, at the time he was in Friona, Magness had been active in church work, having served as director of the Methodist Church choir for a time.

Lt. Magness was scheduled to be released from the Air Force in March of 1958. His wife expects their first child this spring.

Commissioners, Judge Get Salary Boosts

Parmer County's commissioners and judge have received a salary increase for 1957. At the first meeting of the court this year, it was decided to increase the salaries of the five county officers by \$600 a year.

The pay boost for the commissioners was a raise from \$1,800 to \$2,400, plus \$600 annually for traveling expenses. The judge's increase was from \$3,000 to \$3,600.

The salary increases were the first for the court in many years. Of the salary schedule approved at the meeting last week, there were no other raises listed for county employees.

The County Commissioners are J. H. "Johnny" McDonald, Farwell; E. G. Phipps, Friona; Charlie Jefferson, Bovina; and Henry Ivy, Lazbuddie. County Judge is A. D. Smith.

CUMMINGS RETURNS

Ennis Cummings of Cummings Farm Store returned Saturday from Denver where he had attended the Western National Livestock show. The DeKalb Agricultural Association awarded Cummings an expense-paid trip to the show.

Final Rites Held For Ralph Miller

Funeral services for Ralph B. Miller were conducted from the First Baptist Church at 1 p. m. Monday. Rev. C. M. Fields of Talco, former pastor of the church, officiated. Active pallbearers were Curtis Murphee, Carl Maurer, John L. Ray, Frank Spring, Granville McFarland, and J. T. Gee.

Members of the Gideon Sunday School class served as honorary pallbearers and members of the Ruth Sunday School class were flower girls. Burial was in the Friona cemetery under the direction of Claborn Funeral Home.

Miller, who died at the Parmer County Community Hospital Saturday afternoon following a heart attack, had lived here since 1937. He was born April 28, 1907 at Duke, Oklahoma.

Immediate survivors include his wife, one daughter, Joyce Cunningham of Bowie; his parents, Mr. and Mrs. J. F. Miller; one brother, Roy Miller; and one sister, Mrs. Cleola Kirk, all of Friona; also one granddaughter, Leslie Karen Cunningham of Bowie. A son, R. B. Miller Jr., was killed in Korea in 1953.

PTA Meeting Rescheduled

The January meeting of the Friona PTA has been rescheduled for Thursday evening, January 31, at the cafeteria. The theme of the meeting will be mental health. Wilson Lane, principal of the Emerson School in Amarillo will be the guest speaker.

Lane's topic of discussion will be entitled "Individual Differences—Bane or Blessing?" He uses large paper doll figures to represent pupils in a fifth grade class as illustrations of differences. Several Friona residents have attended programs presented by Lane and recommend them very highly.

All parents and interested persons are urged to attend the meeting by Mrs. Ella Lamb, president.

Food and Fun on Tap For Firemen's Feed

Food and fun—that's what's on tap for local firemen and their guests come January 31, according to Charlie Bainum, Friona fire chief.

The night of January 31 will see the quarterly social supper of the fire department, to be had this year at the club house with progressive study club members preparing the menu and serving.

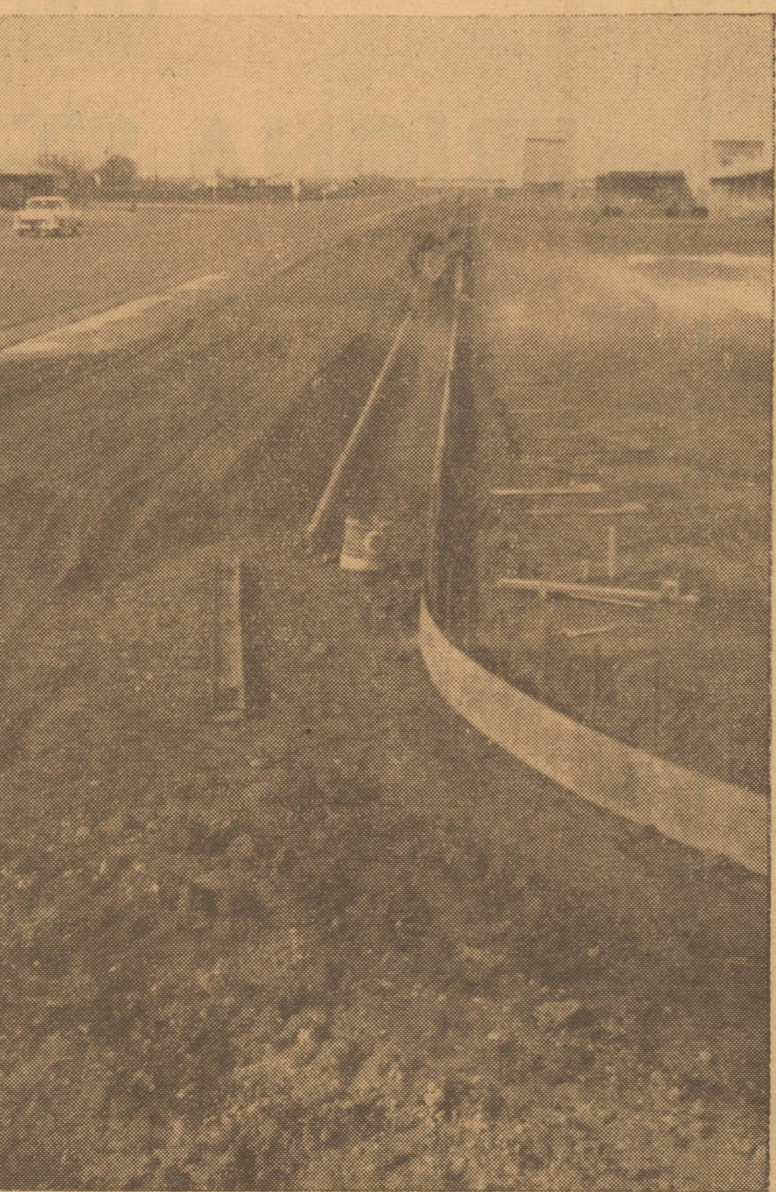

The planning committee for the feast, made up of Walter Cunningham, Howard Ford, and Joe Mann, has arranged for an early feed and a skating party immediately following.

From 70 to 75 persons are expected to attend.

CRAWFORD REMODELING

T. J. Crawford announced this week that he is in the process of remodeling his business building, located just north of the Ethridge-Spring agency in Friona.

Completion of the remodeling job is expected to come about the end of this month. The building has been leased and is expected to be occupied by February 1.

WEST LOOP IMPROVEMENTS—Curb and gutter is being installed at a rapid rate on West Fifth Street in Friona this week. This scene shows workmen of the Kerr and Middleton Construction Company as they earth fill against a form on the north side of the street.

Porch Light, Coffee Days Set

A house-by-house canvass of the town, commonly referred to as a "mother's march" will be staged in Friona next week for the March of Dimes, under the sponsorship of the Modern Study Club. It will be Tuesday night.

Mrs. Thelma Coffey, Friona MOD chairman, said this week that the club will call at homes where porch lights have been

turned on, indicating the family inside has a donation for the drive.

Mrs. Melba Miller, chairman of the community service committee of the club, is in charge of the organization of the work, and other women of the club have emphasized that steps have been taken to prevent unauthorized persons from taking any of

the money this year.

Mrs. Coffey says the ladies hope to have no one call at a home where they are not personally acquainted. In that way, it is hoped that residents will not be requested by "strangers" to give money to the MOD.

Activities are scheduled to get started at 6:30.

The next day, Wednesday, has been designated as MOD "coffee day" in Friona, with Bi-Wize Drug, Villa Cafe, and Mary's Cafe all cooperating to swell the community's efforts for the Dimes drive. All coffee sold that day will go at 10 cents per cup—and all proceeds will be turned over to the March of Dimes. Hours will be from 6 a. m. until 6 p. m.

THE FRIONA

STAR

THURSDAY, JAN. 24, 1957

FRIONA, TEXAS

VOLUME 6, NUMBER 16

IN WITH THE NEW . . . J. C. Claborn, new president of the Friona Chamber of Commerce (center) shakes hands with Wright Williams, outgoing president, at the annual banquet Thursday night. Hank Outland, left, and Andy Hurst have been retained as vice-president and secretary, respectively.

Claborn New Head Of Friona Chamber

J. C. Claborn was revealed as the new president of the Friona Chamber of Commerce at the annual banquet Thursday night in the high school cafeteria. Wright Williams, outgoing president, made the announcement at the conclusion of an address by Dr. Leon Hill of Amarillo.

Also introduced as officers of the Chamber for the coming year were H. L. "Hank" Outland, vice-president; and A. J. "Andy" Hurst, secretary. Both were re-elected.

The annual banquet was attend-

ed by about 180 persons, who sat down to a dinner of fried chicken, and were entertained by a large musical group. The Trebelaires sang "Together," "Stormy Weather," and "Whispering."

Bill Brittain sang "Danny Boy" and "Deep Purple," and a quartet composed of Raymond Euler, Charles Allen, Claude Miller, and Brittain sang "Standin' in the Need of Prayer," and "How Long Has It Been?" Mrs. Eva Miller had charge of the music for the evening.

Guests from Clovis, Bovina, Amarillo, and Shreveport, La., were recognized by Dillie Kelley, who served as toastmaster, and he also introduced Hill.

The Amarillo man, a former minister, called on his large supply of humorous stories to "loosen up" his audience before he got down to his main subject, titled, "The Aristocracy of the Uncommon Man."

Hill reminded those at the audience that "We are entering into the greatest era the world has ever known." He was speaking of technological advances, but underscored the need for above-average men and women to handle the great responsibilities that the modern world is bringing.

Hill displayed his philosophy of life in a call for his audience to lift their aims in living. "If you can build a cathedral, don't work on a doghouse," he said in one of his numerous colorful comparisons.

He also advised his listeners to "Get out on a limb—that's where the fruit is."

Hurst took the floor for a few minutes later in the program to recount activities and accomplishments of the Chamber during the past year. Claborn also spoke shortly in accepting his new office of president.

Farmers To Meet At School Monday

Farmers of the area have been invited by Clyde Weatherly, Friona farmer, to attend a meeting Monday, January 28, for the purpose of organizing a co-operative gin association.

The meeting will be in the study hall of the high school, and will start at 7:30 p. m.

A representative of the Co-op Cotton Oil Mill at Lubbock will attend, says Weatherly.

Sales Announced For Coming Week

Two farm sales for the coming week have been announced by the State Line Commission Company. They are:

Tuesday, January 29—A general clean-up at the former Alice Bewley place, 11 miles north of Muleshoe to Clay's corner, two miles east and 3½ miles north. Jack L. Wood is the owner and the sale begins at 10:30.

Wednesday, January 30—A farm machinery sale at the H. C. Nickels farm, 18 miles southeast of Portales. Sale time is 10 a. m. (MST).

Col. Dick Doshier will be auctioneer at both sales and Jerrell Doshier will be clerk.

MEETING POSTPONED

Because of funerals and other conflicts in Friona Monday, the meeting of the Friona city commission was postponed. Also, Johnny Sims, Pioneer Gas official of Hereford, who was supposed to meet with city dads, could not be present because of illness.

Services Are Held For Mrs. L. M. Crow

Final rites for Mrs. L. M. Crow, pioneer resident of Friona, were held at the First Baptist Church Monday at 4 p. m. Officiating minister was Rev. C. M. Fields of Talco, immediate past pastor of the church.

Six of her grandsons served as pallbearers. They were Dewayne Cleveland of Sunray, W. L. Cleveland of Tulia, Roy Lee Jones of Clovis, Jim Robason of Canyon, D. O. Robason of Odessa, and Bill Johnson of Odessa.

Annie Elizabeth Parson was born October 15, 1885 in Hunt County. She was married November 12, 1903 to L. M. Crow, who survives. The Crows moved to Friona in 1926 from Abernathy.

Survivors, besides her husband, are two sons, W. S. and C. S. Crow, both of Friona; seven daughters, Jewel Robason of Siloam Springs, Arkansas; Myrl Buske, Lillian Jones, and Elmina Carlton, all of Friona; Dophene Williams; and Hazel Johnson both of Odessa; and Sue Painter of Dodson;

Also, two brothers, Ed and Everett Parson, both of Brownwood; five sisters, Ethel Murphee of Comanche, Velma Tunnell of Amarillo, and Vallie Rushing, Bertha Rushing and Eula Parson all of Brownwood; 35 grandchildren and 11 great grandchildren.

Burial was in the Friona Cemetery under the direction of Claborn Funeral Home.

Friona FFA Boys Enter Hereford Show

Friona FFA boys made good showings at the Hereford Junior Livestock and Poultry show Friday and Saturday. In fact, one boy, Don McMahan, took first place with his Duroc hog in his class, and ended up with the reserve grand champion for all swine.

McMahan had entered two Duroc barrows, which took first and second place in their breeds. The reserve champ barrow brought 34 cents and was sold to Hereford Locker Company. The second place barrow brought 31 cents.

Jackie Sheek entered two South-down lambs and took 7th and 8th in his class.

Jimmy Greeson entered his Duroc barrow, and after the show sold it to Hereford Poultry and Egg for 21 cents.

Several other members of the Friona FFA chapter, including J. T. Gee, advisor, went to the show, but only as visitors.

Beene Takes Issue With News Story

O. J. Beene, former owner of the City Drug Store in Friona, and currently a life insurance company representative here, has taken issue with a news story appearing in last week's Friona Star.

The story, which gave credit to Dan Ethridge as being the first person in Friona to be deputized to handle and issue poll tax receipts, said, "This is more or less an historic moment. . . at no other time has anyone ever been deputized to issue the county's poll tax receipts."

The story also said, however, "It should be mentioned that application blanks have been available in previous years, and that it was possible for persons away from the county seat to send these applications to the courthouse at Farwell and be issued receipts by mail."

Beene, in a letter to W. H. Graham Jr., Star editor, said: "Congratulations to Mr. Dan Ethridge on being the first Friona citizen to be deputized to issue poll tax receipts here."

"However, I would like to say that poll tax receipts have been sold and issued in Friona for at least five years. Even though we were not deputized, it was a prac-

tice, custom, and a courtesy of the City Drug Store to issue poll tax receipts.

"This courtesy was a public service for the convenience of people in and around Friona who did not want to make a special trip to Farwell for that purpose only. Many, many people took advantage of our service and appreciated the courtesy."

"People of this community are most appreciative of favors extended for their convenience, and the Beenes are among the group."

Copies of the letter were sent to Ethridge, Charles Allen, Friona Lions president; Lee Thompson, assessor-collector; and Chas. Lovelace, sheriff.

Sheriff Lovelace, contacted by the Star this week, said previously (when he was assessor-collector) he had favored the application blank system for the reason that "it put all the bookkeeping in one office." He said that in some cases, double payment of the tax was avoided by this centralization of work.

"You'll have to give O. J. credit for doing a lot of work for nothing," he also said. "Beene turned in more applications than anybody else."

THE STAR'S EDITORIAL COMMENT

The Parmer County Fair

Fall—the traditional time for county fairs—is a long way off.

But it's time to start some thinking among the agricultural and civic leaders of the area on the subject of whether there will be a revival of the Parmer County Dairy Show & Fair this year. A huge job of rebuilding both interest and physical assets is in store for any group which takes on the work.

The decline in recent years in livestock population on the farms of the county has undermined the interest that farmers have felt for such a thing as a county fair. This decrease in livestock showed a marked decline in the entries at the fair. Many classes were without a single entry.

That was the picture in 1956, and it is even more true today. There are fewer show-type dairy cattle, beef cattle, hogs, sheep, chickens, turkeys, and rabbits than ever before. Generally speaking, the farmers of this area have become "land" farmers, specializing in the producing of crops. They buy their milk, eggs, bacon, and steak in town. We don't say this is good and we don't say this is bad. We do say it is true, though.

That means, apparently, that when and if the county fair is revived, it will need something to depend upon for its success that will be different from the mainstays of former years: cattle and swine. With a home demonstration agent in the county now, there is organized in-

The Friona Star

Member Texas Press Association

Entered as second class mail matter July 31, 1925, at the post office in Friona, Texas, under the Act of March 3, 1897. Published each Thursday.

In Parmer County.....\$3 Per Yr.
Elsewhere.....\$4 Per Yr.

Interest in this field, whereas as recently as three years ago promoters of the fair would have drawn a virtual blank here.

The fair, if ever revived, might have to lean heavily on the "sideshow" attractions of something like a carnival with rides that could be held in conjunction, plus the commercial exhibits of area businesses. It is apparent that considerable reshaping of the theme of the county fair would have to be undertaken. Some, however, would regard this as a poor excuse for having a fair at all.

The buildings in which the fair has been held are in a terrible state of disrepair. What's to be done here we wouldn't know.

These and other factors will enter into any decision affecting the future of this once well organized county institution. In the past, the fair has been successful largely through the support of Friona. That is understandable, inasmuch as the grounds themselves have been in Friona. It probably remains true that if the fair is revived, it will be up to Friona farmers, homemakers and businessmen to see that it is.

March of Dimes Letters Mailed

Letters are being mailed this week to all Parmer County box-holders, requesting their support for the March of Dimes, reports Hugh Moseley, county MOD chairman.

About 2000 of the requests have gone out, and contain a convenient return envelope to facilitate donations. Moseley has requested that the returns be made with as little delay as possible.

This has been an annual custom in the county for several years.

Jones Shows Improvement

J. D. Jones, formerly of Friona, who is a patient at the Veteran's Hospital in Amarillo, shows some improvement according to latest word received in Friona.

Jones, who has been hospitalized several months following a truck accident in Louisiana, has had part of one leg amputated and will be in the hospital for some time yet. Mr. and Mrs. Jasper Bass visited with Jones Tuesday.

NOTICE OF PUBLIC HEARING

Notice is hereby given to all property owners within the city limits of the city of Friona, Texas, and to all other interested persons as provided by law and Section 24 of Ordinance No. 118 of the City of Friona, that the Board of Commissioners of the City of Friona, Texas, will hold a public hearing on the 4th day of February, 1957, A. D., at 7:30 p. m. in the City hall in said City to consider an amendment to the zoning ordinance which is Ordinance No. 118 and said proposed amendment proposes that a section should be added to the zoning ordinance requiring occupancy certificates and at said hearing all interested persons will be given an opportunity to be heard and that this notice is particularly to all property owners but that all other interested persons will be given an opportunity to be heard.

Naomi Class Meets In Hyde Home

The Naomi Sunday School class of the First Baptist Church met Thursday afternoon at 2:30 in the home of Eula Hyde with 12 members present. Alice Price, president, had charge of the business meeting. The minutes of the last meeting, which were read by I. V. Day, were approved. Vela Wood, gave the devotional, which was followed by prayer.

Camille Lacewell conducted a Bible quiz. The February meeting will be in the home of Alice Price on the fifteenth. Inez Sherry will have charge of the game session. Refreshments of sandwiches, cookies, and coffee were served by the hostess. The dismissal prayer was led by Anna Mae Hays.

At today's prices it costs one million dollars to replace 8 miles of main line railroad track.

OFFICE ABOUT FINISHED

Remodeling of an office on the ground floor of the Friona American Legion building is almost completed, according to Russell Massey, commander. About a half dozen Legionnaires have been busy the past several days removing old wallpaper and textoning walls. The office was formerly occupied by the Friona Chamber of Commerce.

To Washington

Mr. and Mrs. James Welch of the Lazbuddie community will leave Wichita Falls Friday morning by bus for Washington, D. C. They will be a part of the Farmers Union Texas delegation which is going to the capitol city for a visit with congressmen the first four days of next week.

Railroads put 55,000 new freight cars in service in 1956 and have 110,000 more on order.

Local Residents Attend Funeral

Funeral services were conducted in Norman, Oklahoma, Saturday afternoon for Clifton Kirk of that city. Kirk, who died Thursday night, was the father of Mrs. J. B. Taylor, Mrs. Ansel Renner and Charles and Kay Kirk.

Local residents who attended the funeral were Mrs. Cleola Kirk, Mr. and Mrs. J. B. Taylor, Mr. and Mrs. Ansel Renner and Kay Kirk. Charles Kirk, who is in the U. S. Navy and currently stationed at San Diego, also attended. He will spend several days with relatives in Friona before returning to the West Coast.

Texas Capitols Topic of Study

"Texas Capitols" was the topic of discussion at the Wednesday afternoon meeting of the Friona Woman's Club. Roll call was answered by giving the name of an important Texas city. "Las Adaes and Other Early Capitols" was the title of Mrs. Leo McLellan's discussion.

"Our Capitol Today" was discussed by Mrs. C. W. Dixon, who has visited the capitol recently. Music was arranged by Mrs. Ed Boggess. The group sang "Texas, My Texas," accompanied by Mrs. Lawrence Lillard.

Refreshments of cranberry salad, sandwiches, and coffee were served by the hostesses, Mrs. Pearl Kinsley, Mrs. Ed Boggess, and Mrs. O. F. Lange.

Mr. and Mrs. Austin Corbin of the Westway community in Deaf Smith County were Saturday guests in the home of Mr. and Mrs. Jasper Bess.

NOTICE! TO PARENTS of School Age Children

The school census is being taken during the month of January this year. All children who are six years old on or before Sept. 1, 1957, but will not be 18 or older on or before that same date should be counted in this census. It is very important that all children six to 18 years be counted in the census. The child should be counted even though he may not be in school and even though he or she may be married.

If you, as a parent, have not received and filled out a school census blank you are being overlooked and should do one of the following:

1. Phone the school office and ask for a census blank.
2. Call in person at the school Tax office and get a census blank and fill it out.

Remember, if your child will be six years old next Sept. 1st he should be counted in the census now, even though he is not in school now. If he is six but not 18 or older on next Sept. 1st he should be counted now. All children from six to 18 should be counted. The six years old who start next September to school are the ones most often overlooked in the census. Failure to count them costs the school and taxpayers extra money. Please help us not to overlook anyone.

Please read the census blank carefully, fill it out completely, and return it by your child next day to the teacher. Thank you.

DON'T WAIT 'TILL FEB. 1st TO TURN YOUR BLANKS IN—AS THAT WILL BE TOO LATE!

Property Taxes Due By End of the Month

Payment of city property taxes is progressing normally this year, reports Elda Hart, secretary to the Friona city clerk.

Property taxes are due in the city clerk's office by January 31. Payments rendered after this date shall be considered delinquent, entailing a ten per cent penalty and a six per cent rate of interest to payees.

Redentions by property owners are now being accepted in the clerk's office but will not be due until April. Response on the part of Friona citizenry along this line is progressing more slowly than the tax response, many persons apparently preferring to leave property appraisal to the county tax assessor.

« Parmer County Farm and Home »

Farmers Eye Sources Of Possible Income

Parmer County farmers, just like thousands of others on the High Plains of the Southwest, today are anxiously casting about for additional farm enterprises that might possibly lead to more income.

Curtailments of cotton and wheat allotments, plus declining prices, has brought about a revival of interest in types of farm operations which have been minor in nature since the development of big-scale irrigation.

One thing already is apparent: There is no one crop or any one product that the farmer of the High Plains can undertake to produce that offers him a solution to the need for more income.

There is, in fact, no simple solution to be had. Conditions of the nation's farm program place tight restrictions on new enterprises.

Here are several things that you may expect to see more of in 1957:

Corn

Several thousand acres of corn were grown in Parmer County last year, and corn probably made the best all-around showing as a "new" crop in the county in 1956.

The average irrigated yield probably ran about 65 to 70 bushels, believes County Agent Joe Jones. Most of the corn sold for about \$2.25 per hundred, shelled.

This produced a gross income

not possible with milo last year. So far as is known, all the corn was disposed of on the open market, and the government loan program was not utilized, though it is offered.

Parmer County is a non-commercial corn territory in the eyes of the USDA, and as such is eligible for a price support of three-fourths the prevailing support in the corn states.

There are no acreage controls on corn production in non-commercial areas.

Some of the disadvantages of entering corn production include the fact that raising this crop will mean greater investment in new and specialized machinery.

A few Parmer County farmers purchased pickers last year, but the number is very small.

One factor that may not have left its full impact is the corn borer. It was this insect which drove large-scale corn production from the Plains a generation ago.

Farmers growing corn in 1956 reported increasing trouble with borers, and with big acreages, an increase of the insects may be expected. There is no effective means of control.

Growers now say that they will cut the corn early next year and lay it in the turnrows for a while before shelling. They thus expect to

"beat Mr. Cornborer to it," should he be much of a problem.

Corn requires more water than does grain sorghums, and timing on watering is more critical. That is, when the corn plant needs a drink, it needs one immediately.

County Agent Jones says that corn isn't any harder on the land than grain sorghum production; in fact, it may be a little easier. The most popular variety of corn in this area is Texas 30, a hybrid.

Farmers who grew corn for the first time last year admit that they learned a lot, and expect yields to increase as their experience progresses.

Most farmers seem to feel that the Plains ought to be able to produce between 90 and 130 bushels consistently under irrigated, fertilized, conditions.

Silage

Corn again ranks high in this field, and when cut green, provides a succulent silage crop for beef or dairy cattle operations.

Farmers raising corn, sargo, or some other crop for sale as silage did fairly well last year.

Legume Seed

One phase of the national farm program which farmers of the area are eyeing with great interest is the soil bank. The laying out of many acres and planting them to soil-building crops is expected to result in an increased demand for legume seed.

Because of this area's long-proven ability to produce quality seed, commercial legume seed farming may not seem so impossible after all.

Sudan seed has long been a steady, although minor, crop for many farmers of the western High Plains. The high, dry climate provides ideal conditions for superior seed.

Little special equipment would be needed for this possible new farming offshoot, believes Agent Jones. It can be combined, or mowed and threshed. The drills, rakes, mowers, and combines are already on hand.

Alfalfa, clover, or vetch seed is most likely to be most adaptable in this area. Producing this seed will require careful management, cautions Jones.

Certified Sorghum Seed

Certified grain sorghum seed is another possibility for some farmers, although their numbers are limited. Isolations and special management pose hurdles.

Also, the effect that coming new hybrids may have on the certified grain sorghum seed market is a consideration.

Soybeans

Like sesame, soybeans are an oilseed crop. They are grown on huge acreages in Southeast and Midwest states. They are only a very minor part of cropping on the High Plains at the present.

As a legume, they are a soil-building crop. The past year, they sold for about \$2.50 a bushel, and average yields ran from 25 to 35 bushels per acre.

They are eligible for price supports as a non-basic crop. At present, the beans must be hauled to Littlefield or Lubbock for marketing.

Sesame

Sesame, an old, old oilseed crop, but only recently produced on the Plains, came into the area farming picture with much fanfare two years ago. However, interest in this crop has sort of fizzled out.

Generally, farmers were disappointed with yields and regarded the crop as being more trouble than it is worth. Strengthening of the grain sorghum prices last year caused interest to decline further.

Agricultural observers aren't expecting sesame to make any sudden comeback. It may, however, return a few score acres—at a time. Its future place in the area's farming picture is not as yet defined.

Sorghum Alum

This is another much publicized, but very new crop for the area. Its commercial production was started in Collingsworth County, near Wellington.

Sorghum alum, claim its boosters, is a prodigious producer of grazing for cattle on the unusually dry pastures of the great Southwest. It is a hardy plant—not too much unlike Johnson grass—and seems particularly suited to this climate.

Several Parmer County farmers have indicated they may be interested in growing some sorghum alum next year for seed. This year, the seed has been retailing for about \$3 per pound—something that is widening the eyes of would-be seed growers.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

There has been a great deal said about the Soil Bank program and there is a lot of interest being shown in the program on dry land acres in Parmer County. If you are going to or have already put land in the Conservation Reserve Program, you now need to be on the lookout for suitable grass seed for planting these reserve acres.

Grasses that will be suitable in Parmer County are Blue Grama, Side Oats Grama, Weeping Lovegrass and Sandlove grass.

It will probably be desirable to plant the lovegrasses only on the medium or sandy soils. The other grasses mentioned are good on all soil types in the district.

Prior to planting these grasses, however, it will be necessary to establish a cover crop or high residue crop to plant the grass in. Seedings of grain sorghum, sweet sorghum, sudan, and millet planted at approximately double the regular seeding rate will be accepted. This high seeding rate is to keep the sorghum or sudan from making seed to germinate in competition to the grass seed when it is planted.

For complete information on planting rates and other information, be sure to check with either the county agent, ASC office or the Soil Conservation Service before starting any part of the program.

As of January 1, 1957, 3,322 acres had been signed up in the conservation reserve in Parmer County.

The first quarter of this year the SCS has received 191 requests for service on the ACP program. All but three of these requests were for pipelines. The three were for bench leveling land. The 191 is just nine requests short of the total requests received during 1956.

This has placed a very heavy load on our two technicians, along with our regular duties of assisting cooperators of the District with their soil and water conservation problems. We request your patience if we are unable to get to you as quickly as you would like, but we will be there.

NEWS FROM THE FARM BUREAU

By RAYMOND EULER

Your directors and officers in Farm Bureau feel the great loss of a faithful friend and worker at the passing of Ralph Miller. Mr. Miller was elected to a second term as director at the annual convention in October, 1956. He served as chairman of the legislative committee in 1955. His sense of individual responsibility for himself and his fellow farmers in working out solutions to problems consistently magnified the value of his services to his fellow man through the organization. His conservative and Christian approach to every occasion commanded the respect of all who were associated with him.

We are proud of President Kaltwasser's presentation of Parmer County Farm Bureau's recommendations to the president at the Lamesa drought relief meeting. A re-broadcast of his remarks was heard by many on Cotton John's program, and the report carried in county papers was complimentary in a factual way.

We have learned that TFB President J. Walter Hammond had breakfast with President Eisenhower in San Angelo, and was given a 30-minute audience to present TFB's recommendations for drought relief. Parmer County's recommendations, in general, were included in the state recommendations.

Vice-president Jack Patterson is getting his committee lined up for membership acquisition in February and March. Efforts are being made to increase mail renewals to save time and expense of so many farmers having to call on you for your renewal. If you intend to renew, says Patterson, you will be doing some farmer a great favor by mailing your dues in when you receive your first statement.

Consider this: Whoso rewardeth evil for good, evil shall not depart from his house. Proverbs 17:13.

You can't get something for nothing.

Five County Men To Lubbock Meet

Five Parmer County farmers attended a meeting of over one hundred District II Farm Bureau leaders in Lubbock last Thursday. Purpose of the meeting was to give information on executing Farm Bureau legislative policies during the year, keeping informed, and gaining information from local farmers and ranchers. Both objects are contributory to a truly representative organization, believe Bureau leaders.

Speakers heard were Millard Shivers, TFB organization director, who taught a class on legislative execution. Hub King, State TFB director from District II, reported to the group on the American Farm Bureau convention held in Miami last month. TFB field representative, Oliver Grote, instructed the group on the workings and duties of committees. John Gregg of the National Cotton Council addressed the group on progress of that organization's activities.

Dr. Wayland Bennett, head of the agricultural economics department of Texas Technological College, and Dr. Stangel, dean of agriculture, Texas Tech, made some observations of great interest to farmers of this area, according to Kaltwasser. They predicted that the present production of cotton and wheat will be

sufficient for domestic and foreign markets as late as 1975. But of further interest was their belief that an increase of 50 percent in cattle production and 40 percent in hogs will be needed by then. This, in turn would mean that more feed grains (sorghums to this area) would be needed, about the same percentage. They expressed the belief that the feed grains would not be marketed as such, but that they would be used mainly by the producers in feeding the additional livestock population, thus fading the importance of market prices on those commodities.

The trend, according to these agricultural experts, will be toward livestock production, possibly making this the cattle and hog center of the world. Attending the meeting from Parmer County were Jack Patterson, PCFB vice-president; Rhea; T. L. Kent, Lariat FB member; Donald Christian, Bovina director; Vernon Symcox, FB legislative committee member of Oklahoma Lane, and Gilbert Kaltwasser, PCFB president.

The American Veterinary Medical Association says that no rat poison is completely harmless to livestock and pets, and for that reason should be placed where farm animals cannot get at it.

"Where Most People Trade" Friona, Texas

THE PARMER FARMER

One of the doggonedest articles on farming we have run across was handed us the other day by J. G. "Red" McFarland. It was in a copy of the West Texas Livestock Weekly, a tabloid-size publication which many of our readers no doubt have seen.

The issue of November 1 of last year carried a story about a farmer in the Upper Rio Grande Valley of Texas (southeast of El Paso) who claims to be an "organic" farmer.

Idus Gillett frowns on just about everything the modern farmers of the High Plains consider absolutely essential in the way of up-to-date farming practices. He doesn't believe in spraying his crops, fertilizing his land, using insecticides around his livestock, or even breaking his land!

To care for his soil he gathers up manure (he runs a dairy) and other refuse and makes large piles of compost, wetting down the pile to increase the activity of bacteria

and generate heat.

This compost is applied to his land. In reality, it is home-made fertilizer. It stimulates the activities of animals in the soil, especially common earthworms. The earthworms is, in effect, Gillett's "plow." He depends on hundreds of millions of these minute and little respected animals to drill so many passages in his soil that the land is friable and easy to farm.

We don't know what your reaction to these revolutionary ideas would be. Some may be okay—some a little far fetched. We would class in the latter category his theory that people eat less bread today than they did a generation or two ago because of a preservative in it. He says, "I understand that the preservative, which has a long name, is the same that is used in the morgue for preserving human bodies."

Gruesome outlook, isn't it?

Dr. William Beene

ROBBING PETER TO PAY PAUL

Do you "Rob Peter to Pay Paul" in your farming operations?

Well, perhaps that is really a hard way to look at it, but in the case of irrigation farmers who continue to deplete their soil's vitality with heavy cropping, and not returning any fertility, that is just about what it amounts to.

After the lessons learned in the Valley of the Nile, the Eastern Coast cotton fields, and the Texas Blacklands, farmers have about decided that it's ALWAYS a paying proposition to keep your land just as good today as it was when you started farming it—or even better, if possible.

It IS possible through modern fertilizer techniques. See us for details.

Farmers Union SPEAKS

By W. L. EDELMON

Now that the president has made his recommendations concerning emergency relief for the drought area, we are wondering if such action will be taken and if so, will it be taken in time to do any good or will it be postponed until the emergency is over.

Except for this immediate area, the drought recommendations have been overshadowed by tremendous budget for the coming year. With the division over the Middle Eastern plans it may be some time before congress can get to work on any farm legislation.

One might still be wondering about the feed grain picture for 1957 as it is past the time the support program is usually announced by the department of agriculture. To say the least we are entitled to know what can be expected from Mr. Benson.

Recognized economists no longer consider the full flexibility "sliding scale" formula as fulfilling the need for reduced production nor for providing parity income for farm families. This was one of the promises made during the recent political campaign. During 1956 with more and more farm commodities coming under the "sliding scale" formula, the highest farm production on record was reached, and farm income was far below that of 1952.

With the largest peacetime military and foreign-aid budgets ever proposed, it is wondered why someone does not consider setting up a food and fiber reserve for use in the emergency for which we have been asked to provide in the 72 billion dollar budget proposed by the president. Are our memories so short that we have forgotten how farmers were urged to all out production during the last two military efforts required of this country?

Our present supplies of food and fiber could not last until another crop year in case an all-out military effort should be required. The costs of providing for this contingency would be negligible compared to the benefits it would bring. Its benefits to the farmers of this country would be no different to those received by the holders of military contract under the president's proposed budget for 1957. Each would be providing a necessary service or commodity needed in case of a military conflict.

Parmer County will be represented in Washington next week by two members of Farmers Union. Mr. and Mrs. James Welch of the Lazbuddie local of Farmers Union will leave Wichita Falls Friday morning and be a part of the Texas "bus trippers" delegation to visit congressmen and government departments during the first four days of next week. This is a part of Farmers Union plan to have six busloads of farmers in Washington each week for the entire session of congress. Last year more than three thousand farmers took part in the "bus tripper" program.

Welch is the vice-president of the Lazbuddie local of Farmers Union and while in Washington will be privileged to talk with congressmen telling them what he thinks we need in a farm program. Other farmers are urged to avail themselves of this opportunity. A second trip is planned for this year from Texas and announcements concerning it will be made at a later date. Welch will be invited to appear on the program of the annual Parmer County Farmers Union banquet to relate his experiences while in Washington.

Cummings Farm Store Hosts Caged Hen Meet

Several persons who are interested in caged layer projects were guests of Cummings Farm Store at an educational meeting Thursday evening. Harry C. Harvey of Portales, who is the district representative for Ralston-Purina Company, conducted the meeting.

Harvey showed a film on cage management and pointed out the small things which operators might overlook which would cut down on their profits. He also listed a number of things which successful operators had learned that should or should not be done.

Extension Course Offered By WT

Everyone interested in taking an extension course from West Texas State College is asked to meet at the Friona High School building Monday evening at 7:30, January 28.

The course can be counted toward graduate or undergraduate work. It is not known at this time what the course will be. The initial meeting will decide this, and early attendance is important.

Twenty-three people are needed to enroll before the course will materialize.

County 4-H Boys In Hereford Show

Three Parmer County 4-H boys showed their animals at the Hereford Junior Livestock and Poultry Show Friday and Saturday.

Taking 12th place in a class of 25 was Cooper Young, who entered his Whiteface calf.

Richard Chitwood took 8th in a class of 16 with his Angus calf. Tommie Tatum entered a Hampshire pig, reports County Agent Joe Jones.

Several FFA boys from over the county had entries also, but all their names are not available.

To Meeting At Panhandle

Miss Jimmie Lou Wainscott, Parmer County Home Demonstration Agent and Mrs. Dee Chitwood and Mrs. L. B. Lookingbill are in Panhandle today (Thursday) to attend the district Texas Home Demonstration Association training meeting for county council chairmen, THDA chairmen and county home demonstration agents.

THE HAPPY HOMEMAKER

If a felt skirt is on the list of "musts" for your growing daughter and you hesitate to make one because she will outgrow it so soon, here is an idea you will welcome. When cutting the skirt, just cut it two or three inches longer than it needs to be. Then cut this extra length off and store it for future use.

When the skirt gets too short, just use some decorative tape to hide the extension on the bottom of the skirt. Extra bands of tape may be added to give the skirt a new look.

Your adjustable ironing board can be used for many things around the house besides ironing. If you have a portable sewing machine, the ironing board will make a very satisfactory sewing table. By using a plastic cover,

the ironing board may be converted into a temporary snack bar or play table for the children.

When planning your spring gardening, don't overlook the possibilities of rhubarb. Several large two or three eye roots, planted now, will give the average family enough rhubarb for pies and sauce. There just isn't a better or easier vegetable to can or freeze.

Strawberries are another garden item which should be set out now. In this section of the country it yields a quart of fruit. You might measure the number of plants you should put out by the number of quarts of strawberries you would like to have this summer and fall.

Once you get a bed started, strawberries require very little care. They need to be in a well drained place and do better if the soil is rich. There is nothing that gives a gardener more pleasure than being able to step out in late spring or early fall and pick a basket of fresh vine ripened strawberries.

If you are planning a get-together and like to have something hot to serve with coffee, here is a recipe that you should try. It is called Orange-Cinnamon Bread and is real simple to make.

Sift flour, then measure out 2 cups. Sift again with 1/2 teaspoons baking powder, 1/8 teaspoon salt, 1/2 cup sugar, 1 teaspoon cinnamon and 1/2 teaspoon nutmeg into mixing bowl. Cut in 1/3 cup shortening with a pastry blender until mixture resembles fine crumbs. Add 2 tablespoons grated orange rind and 1/3 cup chopped nuts. Combine one well beaten egg and 1/2 cup milk. Add to flour mixture and mix enough to moisten flour. Spread batter evenly in a greased 9-inch square pan. Sprinkle with a topping made by combining 1/2 cup sugar, 1/2 teaspoon cinnamon and 2 tablespoons melted butter. Bake in a moderate oven for 25 minutes. Cut in squares while hot and serve. Makes nine medium servings.

A man was reading the birth and death records in a public library. After doing some figuring on a piece of scrap paper, he turned to the man next to him and said, "Do you know that every time I breathe a man dies?" "Very interesting," replied the neighbor. "Would you mind breathing in the other direction?"

THE H. D. AGENT'S CORNER

Jimmie Lou Wainscott

Stains on wood furniture sometimes present a problem; so I thought that these tips might be helpful.

Heat marks or alcohol stains on wooden furniture are not easily removed. Often furniture so damaged can be restored only by refinishing. Here are a few suggestions offered by extension home furnishings specialists for home treatment of such damage on woods: When you spill any beverages, perfumes or medicines containing alcohol on furniture, wipe up the liquid immediately before it has time to penetrate into the finish. If the liquid goes completely through the finish, there is only one remedy—spot refinishing job temporarily and a complete refinishing job later.

For temporary protection, polish with wax, using a colored wax for dark woods. If this is not effective, mix powdered pumice and oil into a creamy paste and apply it to the stain, rubbing with the grain of the wood, then polish with a clean soft cloth.

Try treating burns the same way, first trying wax, then the pumice and oil mixture. When penetration

is not too deep, heat marks may be eliminated by light stroking with a cloth moistened in camphorated oil, followed by buffing with a clean cloth. Water rings may respond to waxing or to treatment with camphorated oil.

Eggs take the feature spot on the February plentiful foods list announced for this area by the U. S. Department of Agriculture. Beef, lamb, broilers and fryers, and certain sea foods also are included on the February list.

Other foods expected to be in plentiful supply during February are rich, milk and other dairy products, potatoes, canned sweet corn, canned purple plums and dried prunes.

January is a good time to take stock of your supply of sheets, towels and other household linens. This is one of the best times of the year to restock linens. Many department stores and shops offer excellent values in sheets, towels, table linens and other household cottons at this time.

The January white sales have become an annual custom with many homemakers. For best values, read the ads first, then read labels and prices at stores and compare offerings.

Tetanus in farm livestock can be confused with several other diseases including cerebral meningitis, acute muscular rheumatism, "tetany" and rabies. It is always wise to obtain a veterinary diagnosis promptly when any such conditions are suspected.

SAFE - SOUND - SECURE

There are good reasons why more people insure with Farm Bureau than with any other Parmer County Agency.

BRILLION PLOW PACKER

"Makes Once-Over Tillage A Reality"

Come in and see this new piece of equipment that promises much for High Plains farmers. The Brillion machine is a "crow's foot" implement that breaks clods and mulches your soil—right behind the plow.

Soil moisture is precious—the Brillion Plow Packer will conserve it. It "seals in" your moisture by lightly compacting the rows, and is a great aid to seedbed preparation in this respect. These packers come equipped with a hitch that fits all lifts or pull type plows.

You're sure to want to see this new and moisture-saving implement. We will be glad to show it to you.

Championship Bout Will Be Re-Enacted

Wrestling fans are invited to attend the re-enactment of the Southwestern States Championship bout at the new coliseum at Hereford Saturday, January 26, at 8:30 p. m. between Dory Funk and Tokyo Joe.

This match was re-scheduled due to the fact that the last bout ended by police escorting Funk to the dressing room after the match ran into a brawl. Permission was secured by the promoters from the wrestling commission in Amarillo.

The championship belt is now in Funk's possession and Tokyo Joe is the contender. The second main event will feature Tommy Phelps vs. Rip Rogers.

McPherson, Kansas.

Even though the Millers do not get around as much as they have in years past, he still manages his irrigated farm southeast of town, and she keeps busy with her housework and cooking. She especially enjoys making homemade bread and pies. When the grandchildren visit her, they can always be assured that there will be treats in store for them.

Miller is 84 and his wife is 76. They are the parents of seven children.

New Residents

Mr. and Mrs. Leonard Nettle and children, Charlotte and Danny, are new residents of the Friona area. They moved to a farm northwest of town from the New Home Community in Lubbock County.

Hospitalized

W. J. Nazworth, who has been hospitalized at the Deaf Smith County Hospital for the past week, underwent surgery Monday morning and his condition is satisfactory.

Mr. and Mrs. T. E. Blackburn spent last week with Mrs. Blackburn's sister, Mrs. L. O. Martin at Rush Springs, Oklahoma.

Observe 57th Wedding Anniversary

Mr. and Mrs. Ira Miller of Friona observed their 57th wedding anniversary Tuesday. They were dinner guests in the home of their daughter, Mrs. Bruce Parr of the Black community.

The Millers, who moved to Friona from Mooreland, Oklahoma, have lived here 31 years. They were married January 22, 1900 in

BANQUET SPEAKER—Dr. Leon M. Hill drives home a point at the annual Friona Chamber Of Commerce Banquet Thursday night. The Amarillo man proved to be an entertaining speaker.

Jack Frost Restricts Curb and Gutter Work

"Cold weather has us over a barrel," Ken Hancock said this week concerning the construction of curbs and gutters on the West Loop and Highway 60 in Friona.

Hancock is foreman on the curbing job, representing Kerr and Middleton Paving Contractors of Lubbock.

The freezing temperatures that have prevailed in this area for the past few days have slowed the process down considerably, making the pouring of concrete a hop-skip-and-jump procedure with workmen matching their wits against the fickle mercury gauge. Under present conditions, the men are able to pour only about 1300 feet per day.

Hancock went on to say that otherwise the job was going smoothly, with extremely pleasant cooperation from property owners.

Under ideal weather conditions, completion of the task should be achieved by the end of the month. However, with conditions as they are, the job will probably be finished somewhere around February 5.

The West Loop area is expected to reach completion first; Highway 60 shortly after.

Sub about to expire?

Club Members Plan Programs

The Rhea Home Demonstration Club met at the home of Doris Hall Monday afternoon with 12 members present. The business meeting was called to order by Sarah Dean, president, and the minutes were read by Dorothy Bauer, secretary. Plans were made for the programs for 1957 and the year-books were completed.

Members present were Sarah Dean, Sue Shirley, Velma Schlenker, Oretta Schueler, Mary Gibson, Loraine Jarecki, Dorothy Bauer, Nat Martenson, Ona Patterson, Martha Schueler, Mrs. Herman Schueler, and the hostess, Doris Hall. Also present were two visitors, Laura Sullivan and Gwen Newbrough.

"We Welcome You"

Let's see the decisive factors in the '57 Inner Ford

They show you why the new kind of Ford is worth more when you buy it, worth more when you sell it!

The secret of Ford's nationwide success is this: it's a new kind of Ford . . . new from the wheels up . . . more than a last year's model with a few "face lift" changes. In a Ford the chassis, engine and body are individually engineered into one spacious rock-solid unit.

If you're a careful car-buyer with whom features count, count the new features of the '57 Ford. Then drive it! There's only one conclusion: the liveliest car in the low-price field is the completely new Ford. For the decisive facts see your Ford Dealer.

This Custom 300 Fordor Sedan has the Mark of Tomorrow at the low Ford price

Martins Have Dinner Guests

Sunday dinner guests in the home of Mr. and Mrs. Larry Martin and daughters were Mr. and Mrs. Calvin Martin, Mr. and Mrs. J. W. Baxter, Mr. and Mrs. Clarence Martin and children, Mr. and Mrs. Jim F. Baxter and Patricia, and Donna Dunn all of Friona;

Also, Mr. and Mrs. Lou Baxter and sons, Mr. and Mrs. Dick Baxter, and Mr. and Mrs. DeWayne Baxter and daughters, all of Bovina; and Mr. and Mrs.

Charley Baxter and family of Clovis.

CARD OF THANKS

We wish to express sincere appreciation to our friends and neighbors for the acts of kindness and sympathy shown us during the recent death of our loved one.

The Crow Family

16-1tp

Mr. and Mrs. Dallas Earl Coldiron of Amarillo visited in the home of Mr. and Mrs. J. M. Bradley Monday. They also attended the funeral of Mrs. L. M. Crow.

Scout News

The Senior Scouts met Monday afternoon at the Methodist annex. The roll for this troop has been completed for the Caprock Council and will be sent to the Lubbock office. The girls have greeting cards of all kinds to sell and will appreciate having interested parties call Mrs. Russell O'Brian. The hostesses, Janie and Coralyn Parker, served cold drinks to Mrs. Nora O'Brian, leader, and the following Scouts: Sally Hough, Faye Scales, Maxine Lafavers, Peggy Widner, Mary Tom Spring, Celia Weatherly, Geneva Floyd, Marilyn Potts, Linda O'Brian, Frances McGlothlin, and Jolynda Stokes.

Girl Scout Troop IX met at the home of Mrs. Joe Brummett Monday afternoon. Mrs. Brummett demonstrated dresden painting to the group and each girl selected a plaque to paint. Those present were the two leaders, Pearl McLean and Olive Massie, and the following Scouts: Carolyn Herring, Beverly Elliott, Linda Simons, Linda Carlisle, Joe Beth Brummett, Helen Stowers, Diane Jennings, Kay Coffey, Karyl Williams, Marcie Lynn Massie. Guests were Linda Brummett and Merylene Massie.

Brownie Troop 1-B had its regular meeting Monday afternoon. Those present were Mrs. Bill Stewart, leader, Lynn Frye, Jan Wells, Donna Dunn, and Annette Jennings. The girls learned how to make a bed correctly and practiced setting the table correctly for the morning, noon, and evening meal. Lynn Frye served candy.

A laying flock that is producing a lot of eggs needs a good supply of water. To maintain high production, hens should have all the clean fresh water they want at all times.

The salt mixture with phenothiazine for control of parasites in sheep should have a roof over it. Otherwise, the effectiveness of the drug may be lost because of exposure to sunlight and rain or snow.

KEEP THIS AD!
Over 20,000 Arthritic and Rheumatic Sufferers have taken this Medicine since it has been on the market. It is inexpensive, can be taken in the home. For Free information, give name and address to P. O. Box 522, Hot Springs, Arkansas.

Family Night Held At Rhea Parish Hall

Family night was held at the Rhea Parish Hall Friday evening of last week. The entertainment was conducted in the form of a television program. There were commercials, a trading post, and a session of truth or consequences. The new families, Mr. and Mrs.

Mart Sullivan and children, Mr. and Mrs. Christ Goetz and children, and Mr. and Mrs. Riken, were welcomed. After the program, refreshments of cookies, pie, and coffee were served.

"How many times a day do you shave?"
"Oh, 40 or 50 times."
"Are you crazy?"
"No, I'm a barber."

Mr. and Mrs. Raymond Fleming and Lavon spent Sunday with relatives and friends at Melrose.

Mr. and Mrs. Jennings Dukes of Borger were weekend visitors in Friona. Their son, Bryant, returned with his parents. He had been a junior student in the local high school.

Mr. and Mrs. Wilburn Carlton spent Sunday afternoon with her parents, Mr. and Mrs. N. W. Wyatt at Melrose, New Mexico. Mr. and Mrs. Gib Boatman attended the rodeo at the Amarillo Fat Stock Show Sunday afternoon.

Smart Moderns go **GAS** with a Combination **WASHER-DRYER**

BENDIX GAS Duomatic

For years, women have dreamed about an appliance that would take over two of housekeeping's toughest tasks... washing, and drying. And now here it is... a fabulous new concept in home laundering. From start to finish, it washes, rinses, then dries your clothes... ALL WITHOUT ATTENTION! Never "wears out" clothes, either. Can you imagine the saving in work and time... as well as space? Stop at your gas appliance dealer, soon, and see a demonstration of this remarkable GAS appliance.

fuel for a growing empire **Pioneer Natural Gas Company**

Chevrolet shows you some important differences in low-priced cars just by *the look on its face!*

Wouldn't you say that most of the '57 cars look good from 50 feet away, but what about from 50 inches away?

What does a close-up of the grille tell you, for example? Is it solidly made like the new Chevrolet grille? Or, in comparison does it look less rich in design—feel less strong and solid? Compare the quality and construction of the bumpers and headlights, the fit of the chrome trim.

The more closely you look all around the car, the more clearly you'll see that Chevrolet has the edge in the way it's put together. You'll find, for instance, that Chevrolet is the only car in its field with a lacquer finish... that only Chevrolet Bel Air models give you foam rubber cushions in front and rear seats as standard equipment. These are just a few of the advantages of Body by Fisher. And Chevrolet, you know, is the only low-priced car that has a Fisher Body.

We'll be glad to give you a close-up, comparative look at this new Chevy any time you care to come in. This week, maybe?

Friona Girls Win, Boys Lose to Morton

Friona high school basketball teams continued in a pattern last weekend that is becoming familiar. The girls won—the boys lost. Coach Baker Duggins' girls won their third straight conference game. They have been defeated only by Lazbuddie this year.

The games, at Morton, saw the Squaws in the lead 35-20 at halftime, and they continued the pressure to win 59-35. Johnnie Hand dropped in 30 points during the evening, and Phyllis Dean hit 15 and Robbie Bogges 12.

"It was another good game," commented Duggins this week, but he added, "We did have our weak spots, and one of them was free shots."

The Chiefs, in the bottom of the double header, slipped to the Cochran County Indians 67-48. That gives the local Redskins two losses against one win in conference competition. Morton is atop the District 3-A heap.

Coach Dempsey Watkins commented after the game, "It's the best team we've played all year long." Morton led all the way, 30-10, 34-24, and 57-35.

Scoring for the Chiefs was evenly distributed. Johnson bagged 12, as did Fairchild. McLellan had 11.

The Chiefs, with their up-and-

down basketball fortunes, will play host to Farwell here tomorrow (Friday) night in a game that could determine which team will remain the top two or three of the district.

To judge from the season's performances, it should be an evenly matched contest.

The Friona girls are definite favorites to take the Farwell visitors, but Coach Duggins said Monday, "Farwell hasn't been winning very many, but they will take the first team that regards them lightly."

PERMITS ISSUED

Two building permits were issued by the city during the past week. One went to Roy Williams for construction of a new brick veneer residence at 1005 West 5th Street. Dan Laceywell is contractor, and estimated price is \$7,500.

L. P. Davis was issued a permit to move in and remodel a building at 901 Grand. Johnny Brand, contractor, estimates cost to be \$1,250.

TO MULESHOE MEET

Grade school boys and girls teams from Friona will be in Muleshoe this week, participating in a basketball tournament there. This will be the first tournament of the year for the local groups.

— LEGAL —

THE STATE OF TEXAS To any Sheriff or any Constable within the State of Texas—GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Parmer County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: H. T. Shellnutt, Mrs. Ila Bell; John T. Shellnutt; Murl Shellnutt, and should he have ever married, of his unknown wife or wives; W. R. Reece, and his wife, Maude Reece; Boyd Reece, and should he have ever married, then of his unknown wife or wives; Bert Shellnutt, and should he have ever married, then of his unknown wife or wives; and if any of said persons be deceased; then the heirs and legal representatives of such of said defendants who may be deceased, Defendants, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Parmer County at the Courthouse thereof, in Farwell, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 11th day of February A. D. 1956, to Plaintiff's Petition filed in said court, on the 25th day of October A. D. 1956, in this cause, numbered 1884 on the docket of said court and styled BROWN SECURITIES CORPORATION, Plaintiff, vs. H. T. SHELLNUTT ET AL, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Suit to foreclose Mechanic's and Materialman's Lien and Statutory Paving Lien upon Lots 9 and 10, Block 40, Original Town of Friona, Parmer County, Texas as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Farwell, Texas, this 29th day of December A. D., 1956.

Attest: Hugh Moseley, Clerk, District Court, Parmer County, Texas

13-4c

Adjustments Made In New City Hall

The building superintendent for Cooley Construction Company of Fort Worth, contractors for Friona's new city hall, was here Thursday and Friday of last week, and supervised several adjustments in the new structure.

W. C. Null, the superintendent, met with City Clerk Roy Wilson and was pointed out the things that the city fathers felt needed work on before they pay for the building in full.

A warped steel door frame was straightened and plaster redone in the area where it had to be removed, locks were worked over so that a system of keys could be used, and outside bricks were touched up.

Also, aluminum doors were adjusted and the back door weather stripped.

"He did everything we asked him to," commented the clerk after the visit.

Just making its appearance this week is a new winter lawn outside the hall. Rye grass has been planted, but the cold weather has prevented it from making much of a showing.

Parmer Countians Attend Conference

Nine Parmer County men returned Wednesday night from Fort Worth where they attended the Pastor and Layman Evangelistic Conference of the Southern Baptist convention.

The men are C. W. Tannehill, Harry Hamilton, J. G. Baker, Ray Castleberry, Marvin Skinner, Curtis Murphy, Duane Carter, Johnny Marrs, and G. B. Buske.

According to Buske, the party arrived in Fort Worth Monday to attend the conference and enjoyed two and a half days of listening to outstanding Baptist speakers, including Billy Graham, Wallace Bassett, and R. G. Lee.

Approximately 14,000 Baptist

preachers and laymen were in attendance at the conference which was reported to be "far above anything Texas has ever known in the way of Baptist conventions."

Four Sections Now In Friona 1st Grade

There are now four sections in the first grade of Friona Schools, Dillie Kelley, superintendent, announced this week. Total enrollment in the class is 116.

The division of the class from three to four groups was effected this week, and necessitated a move of two sections of the fourth grade to the old frame-and-stucco band building west of the gymnasium.

"The kids came from everywhere—all of a sudden," Kelley said, in noting the enrollment increase.

Five-year figures, 1951-1955, show railroad travel 4 times safer than that by domestic airplane.

The BIBLE Says

"ENTER IN BY THE NARROW GATE: FOR WIDE IS THE GATE, AND BROAD IS THE WAY, THAT LEADETH TO DESTRUCTION, AND MANY ARE THEY THAT ENTER THEREBY. FOR NARROW IS THE GATE, AND STRAIGHTENED THE WAY, THAT LEADETH UNTO LIFE, AND FEW ARE THEY THAT FIND IT." (Matthew 7:13-14)

That there are two ways leading to eternity is evident from this teaching of Jesus the Christ. One way is to eternal destruction and the other to eternal life. Many travel the one while only a few go the other. He urges that we strive to enter the gate and travel the narrow way that leads to life.

These words indicate that the majority of the people of the earth will be lost. To teach differently is to bring us into conflict with him who died that we might live. He is the greatest teacher that the world has ever known. He knew what was in man and taught the truth concerning him. He came from God and knew God's will in regard to man. When he taught this lesson, as well as all others, he knew what he was talking about.

The few that find their way into eternal life will do so because they have searched for the way and have given diligence to walk the narrow way which leads to eternal bliss. Are you seeking for that way of salvation?

FRESHMEN TO FARWELL

Friona freshman boys and girls teams go to Farwell tonight (Thursday) for basketball games. The games are to begin at 6:30. Friona's boys team is undefeated.

We like our business. It's pleasant

—Because it gives people pleasure

We write most kinds of insurance. You might think this is pretty dull doin's.

But we figure what we sell is mainly . . . pleasure.

Insurance gives pleasure to insured people every day because it banishes fear of loss and disaster.

But it gives greatest pleasure when it covers an actual loss. We've seen people who would have been ruined by a fire, lawsuit, robbery or other loss if they hadn't had insurance written by us. With insurance, they still found life pleasant.

Yes, we like our business.

in & around
FRIONA
With June

We have added a number of new subscribers to our list since our January Clearance Sale was announced two weeks ago today. To each of you, we would like to say that we are glad to number you among our readers and hope that you will enjoy every issue. We would also like to invite you to call us anytime you have a news tip.

Several of our regular subscribers have also taken advantage of our special January rate. Our sale is different from those of our retail merchant friends. In clearance sales customers can usually expect the bargains to be available as long as the merchandise is in stock.

Our stock will not run out, but the time will. If you haven't renewed your subscription at the reduced price and desire to do so, you still have one week left. This offer will be withdrawn January 31 but we invite you to come in anytime between now and then. To those of you who regularly buy a copy each week, we would like to sug-

gest that you consider the amount of money you would save by buying a one year subscription for \$2.

The old hospital building is gradually moving away. Another section of it was moved last week. It would be interesting to know just where each section goes and what purpose it serves. Think the part that served as the pharmacy is now a kitchen.

If there is any doubt in anyone's mind as to whether or not the local residents cooperate with the Chamber of Commerce and Agriculture, it would be well to note that two other organizations postponed meetings, which had been scheduled in advance, because of the conflict with the annual C of C banquet.

Friona has a very wide-awake Chamber of Commerce and Agriculture and most of the residents realize that the members of it are working in the interest of the betterment of the town and surrounding trade area.

West Loop residents are getting the street improvement in which they have been interested for quite some time. Some moving about has gone on in that section of town, too. The Harry McCauleys have moved to Hereford and the Porter McGees are moving into the house they purchased from the McCauleys.

The new homes of the Guy Lattas and Carl Maurers are nearing completion. Pretty soon Guy and Lucille and Carl and Luella will be next door neighbors. The John Blackburns are also getting ready to move into their new home as soon as it is completed. Eddie and Pat Meil have just about completed the remodeling project on their house which they moved in from the country.

The new home of Mr. and Mrs. Mike Pavalus in the Lakeside Addition is underway. It is located across the street west of the Jimmy Baxters.

The John Wrights, who have lived west of town for several years, moved to the Steve Struve farm northeast of town last week. The Dan Lacewells have also moved recently. They moved into their new home just south of the Cayson Jones residence on Ashland Street.

Think our epidemic of measles has just about run its course. A lot of children have had them but most of the school children are back in school now. All three of the daughters of Mr. and Mrs. Louis Welch have had them, then the mother took them. It seems strange that she could have escaped them throughout her school days.

Our apologies this week go to Nolen Johnson, local high school student and member of the basketball squad. In reporting the basketball game last week, we inadvertently added him to the Fairchild family. Of course, we know he belongs to the Johnsons, but somehow we failed to get his name down right.

Maynard Greeson, a 4-H Club boy who lives out at Black, didn't get to show his calf at the show at Hereford last weekend. The reason was that he couldn't find him. Maynard had bought the calf and trained him in preparation for the show, but it seems that the calf had other plans. At any rate, he has been lost for several weeks and Maynard would like to get him back.

If opportunities offered in material being sent to young men who are seniors in high school is any indication, there is a wonderful future in the field of electronics.

Have you seen the new roadside sign southwest of town on Highway 60? It was erected by the Texas Federation of Women's Clubs and promotes safe driving on our highways. Specifically it is plugging driver education in our schools. In our opinion, the driver education courses in our schools are very effective from the safety

standpoint.

Thanks to each of you who called our attention to the error we made about the former Chamber of Commerce and Agriculture manager in this column last week. Upon reading the paper the name Al Reznick stood out very plainly as one of our area farmers. The former C of C manager was Al Romick. Reznick is one of our subscribers and we offer our apologies to him, as well as to Romick.

If the Clifford Hogues of Mount Vernon read this column, we want to say we are sorry for getting you moved to Hope rather than Mount Vernon. At least the proper address was on our mailing list, so you didn't fail to get a paper.

Surprise Party Honors Baxters

Mr. and Mrs. Jim Baxter were honorees on their 25th Wedding Anniversary when a group gathered in their country home for a party Saturday evening. The centerpiece on the serving table was a large white cake with HAPPY ANNIVERSARY written across the top. It was baked by Mrs. Calvin Martin.

The evening was spent playing dominoes and other games. Refreshments of cake, ice cream, and coffee were served to Mr. and Mrs. Trey Young and Jan; Mr. and Mrs. Larry Martin and daughters; Mr. and Mrs. Sterling Graham and Gayle; Mr. and Mrs. Clarence Martin and children; Mr. and Mrs. Oscar Baxter and children; and Mr. and Mrs. Calvin Martin.

Missionary Society Meets For Study

The United Pentecostal Missionary Society met Tuesday afternoon in the home of Mrs. Kenneth Houlette with six members present. Mrs. Spear, who is a new member of the society, presented a lesson on "The Laws, Statutes, and Commandments."

Mrs. Frank Griffith, president, had charge of the business meeting, and Mrs. J. B. Buske, secretary, read the minutes. The closing prayer was in unison.

The hostess served cake, spiced tea, and coffee to Mrs. Frank Griffith, Mrs. J. B. Buske, Mrs. Spear, Mrs. W. O. Thompson, and Mrs. J. V. Riley.

Mr. and Mrs. J. M. Watson spent the weekend visiting in the homes of Mr. and Mrs. R. L. Bates and sons and Mr. and Mrs. Don Hunt and daughters at Sunray. Mrs. Bates and Mrs. Hunt are daughters of the Watsons.

Modern Study Club Elects Delegates

Twenty-nine members of the Modern Study Club were present for the Tuesday evening meeting at the club house. The business meeting was presided over by Fay Reeve, president, Jamie Lu Lillard and Valoris Osborn were elected council delegates and Fern Awtrey and Fay Reeve were selected alternates. Anita Taylor resigned and was replaced by Eleanor Prewett.

The program was "New Look—Adult Education" and was built around the quotation, "Never allow yourself to go physically asleep if you expect to keep yourself mentally awake"—Nathan Sheppard. The invocation was given by Ilene Osborn, Fern Awtrey spoke on Dale Carnegie, and the group singing was led by Decima Beene.

The hostesses, Willard Stewart and Grace Parr, served a salad plate with hot spiced tea.

HD Club Studies Work Simplification

Eleven members of the Hub Home Demonstration Club attended the Thursday afternoon meeting in the home of Clydie Black. This meeting was the first in a series of three which have been planned on "Work Simplification."

Jinx Snead and Gennie Bingham presented the program. During the business meeting it was decided that \$15 would be donated to the Parmer County Hospital Auxiliary for the beautification project. The next meeting will be with Gennie Bingham February 7 and each member will present a plan for work simplification in her home. Those present were Melba Burleson, Ila Daniel, Dorothy Ellis, Helen Fallwell, Jinx Snead, Gennie Bingham, Mildred Walters, Fadine Wooley, Mike Ruzicka, and the hostess. Refreshments of sandwich loaf, potato chips, coffee, and cold drinks were served.

Moving To Abernathy

Mr. and Mrs. J. F. Buske are moving this week from a farm northwest of town to a farm northwest of Abernathy. The Buskes have been residents of this area for the past several years.

Dinner Guests

Sunday dinner guests in the home of Mr. and Mrs. Frank Griffith were Mrs. Florence Buske, Mr. and Mrs. U. S. Aiken, Mr. and Mrs. G. B. Buske and Kim, Mr. and Mrs. J. B. Buske and Darrell and Mr. and Mrs. J. E. Buske.

SECTION II
THE FRIONA STAR

Rhea Ladies Aid Meets Thursday

The ladies aid of the Immanuel Lutheran Church at Rhea met Thursday evening at the Parish Hall. The meeting was opened with a hymn followed by scripture reading.

After the business meeting, the topic "Foreign Missions" was discussed by Mrs. Herman Schueler. The hostess, Mrs. Chris Drager, served cake and coffee to the eight members who were present.

Lawtons Visit In Three States

Mr. and Mrs. P. N. Lawton of Friona and their granddaughter, Mary Sissell of Amarillo, have returned home after spending several weeks visiting relatives in Iowa, Missouri and Oklahoma. They visited Mrs. Lawton's sister, Edith Marsh; and brothers,

Tom and Frank Wright, all of Churdan, Iowa.

This was the first time in 18 years that Mrs. Lawton and her sister and brothers had been together. The Texas trio then visited Lawton's sister, Mabel Sabus of Sheffield, Iowa. From there they went to Gainesville, Missouri, where they visited Miss Sissell's parents, Mr. and Mrs. Pat Sissell, former residents of Friona.

They also visited in the home of Mr. and Mrs. Leo Whisnant. Mrs. Whisnant is Miss Sissell's sister. Then in Oklahoma City the group visited Lawton's 91 year old uncle, Fred Lawton.

To Tucumcari

Mrs. Alta Wyly spent the weekend visiting in Tucumcari. She was a guest in the homes of Mr. and Mrs. Porter Wyly and Mr. and Mrs. Duane Wyly. The Wyllys are former residents of Friona and sons of Mrs. Wyly.

Grade Boys, Girls Win Over Bovina

Friona grade school boys and girls teams won over Bovina Monday in games played there. The boys won 29-10 and led in the first three quarters 2-0, 9-5, and 15-8. Frank Spring hit 22 for Friona, Cumpton 5 for Bovina.

The local girls also won easily, 24-13. They led 9-3, 18-6, and 20-8 in the first three quarters. Treider of Friona got 13. Lloyd had 8 for the losers.

Man Is Charged With Theft by Fraud

Louis Harrod, formerly of Muleshoe, is in the Parmer County jail, awaiting action of the grand jury, on a charge of theft by false pretext.

He is alleged to have represented himself as a salesman for a Dallas firm and sold Lloyd Rounton of Oklahoma Lane an irrigation motor for \$415. The "sale" was made about three weeks ago and Harrod took the money and disappeared, failing to deliver the

motor.

He was picked up last week by Nueces County officers at Corpus Christi. Sheriff Chas. Lovelace went there Saturday and returned the fugitive to Farwell, where bond was set at \$1500.

Credit Union Declares Dividend

A four percent dividend was declared at the Tuesday evening meeting of the Friona Texas Federal Credit Union at the American Legion Hall. Mrs. Dyalitha Benson, treasurer of the Hereford Credit Union, was guest speaker and contrasted the rate of growth of the Friona organization to that of the Hereford organization.

Officers for 1957 were elected. Board members are Ralph Taylor, Mack Bainum, O. J. Beene, Loyde Brewer, and Lucy Jones. The credit committee is composed of Bill Woodley, Ralph Roden, and W. H. Flippin Jr. Steve Messenger, Fern Sanders, and Orma Flippin are on the supervisory committee.

Refreshments of doughnuts, coffee, and pops were served following the meeting.

Mrs. Lucy Jones, treasurer, requests that each member bring his passbook in so that dividends can be posted.

Fidelis Class Has Meeting

The Fidelis class of the First Baptist Church met in the home of Betty Smith for their regular monthly meeting Friday evening. The meeting was opened with a prayer led by Betty Smith. Roll call was answered by resolutions which members had made concerning Christian living.

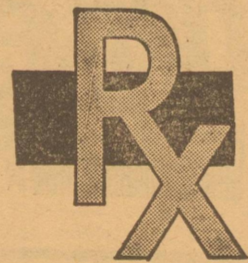

A short business meeting was followed by the devotional, which was given by the teacher, Katy Osborn. Bible verse quiz games were played by the group.

Refreshments of cake and hot chocolate were served by the hostesses to the following: Laura Lee Hart, Fern Sanders, Bell Maynard, Joyce Wilkins, Anna B. Lane, and Katy Osborn. The next meeting will be February 15 in the home of Mrs. Sloan Osborn.

Local Girls To Sing With Choir

Selections are being made now for the area FHA officers, choir members and convention delegates. Several Friona Future Homemakers are candidates for these positions. The area meeting will be held in Amarillo on March 2.

Members of the choir are selected on the basis of two girls from each chapter in Area 1. Chosen to represent Friona in the choir are Helen Hamilton, alto, and Lavon Fleming, soprano. Local candidates for area offices are Judy Barnett, Joan Beaty, and Luellen McLean.

NEWS FROM BLACK

HAS CHAMPION STEER

The reserve champion whiteface steer at the Hereford Junior Livestock show was shown by Weldon Tatum, son of Mr. and Mrs. Ellis Tatum of this community. The steer was bred by Gene Pickard of Albany, Texas.

MOD PROGRAM NEXT WEEK

There will be a March of Dimes program and buffet supper at the Black Community House February 4 at 7:30 p. m. The guest speaker will be Cotton John Smith of Amarillo. Everyone is asked to come and bring a covered dish.

Mrs. Eva Peaks of Amarillo was a recent guest in the H. H. Elmore home.

The Leslie Deatons are driving a new red and white Ford. Several residents of the community have new pickups.

Mr. and Mrs. John Bengier spent Saturday in Amarillo attending to business and visiting in the home of Mr. and Mrs. H. R. Clark. Mrs. Clark and Mrs. Bengier are sisters.

Mrs. W. P. Gibson and Rhea Gibson of Lubbock spent the weekend in the home of Mr. and Mrs. Leslie Gibson and children. They are the mother and brother of Gibson.

Mr. and Mrs. Giles Cobb were recent visitors in the home of Mr. and Mrs. Ike Williams of Hereford.

Mr. and Mrs. Johnnie Bengier of this community and Dr. and Mrs. Paul Spring of Friona were in Amarillo Saturday evening.

Our community was represented at the Friona Chamber of Commerce and Agriculture Thursday evening by Mr. and Mrs. Dick Rockey and H. V.; Mr. and Mrs. John Bengier, Mr. and Mrs. Clyde Hays, Mrs. Fern Barnett, and Mr. and Mrs. Bruce Parr.

Sgt. Calvin Doyle of Amarillo Air Base organized a Ground Observers Corps unit at a meeting at the community house Wednesday evening. Claude Edelman was elected supervisor and will be in charge of all activities. The meeting was well attended.

Mr. and Mrs. D. L. Carmichael spent Thursday with Mr. and Mrs. Roy Engle in Canyon.

Mrs. W. H. Price of Hereford, a former resident of this community, was honored with a birthday dinner in her home Sunday. Mrs. Price, who was 82 years old, received many beautiful cards and gifts from friends, neighbors, and

relatives. Mr. and Mrs. Ralph Price, Randy and Jeffy attended the dinner.

Several children of Black have had measles recently. Some of them are Glenda Deaton, Royal and Diane Gibson, Judy Edelman, and Linda, Cathie, and Ann Carlisle.

Mr. and Mrs. Hank Outland of Friona were Saturday evening guests in the home of Mr. and Mrs. Johnnie Bengier.

Some of those from this community who attended the rodeo in Amarillo Sunday were Mr. and Mrs. Pete Braxton, Jim and Ray Gene; Mr. and Mrs. Glen Robertson and Marie, Mr. and Mrs. Ellis Tatum and Tommie, and Mrs. Helen Fangman, Arnold, Teddy and Charles.

Sunday dinner guests in the home of Mr. and Mrs. R. E. Bar-

nett were Mr. and Mrs. George Brock of Lubbock, Dr. and Mrs. L. B. Barnett, Lewis, Beverly, and Jenifer of Hereford, and Mr. and Mrs. Fern Barnett, Wesley, Judy and Betty.

Mrs. Lester Dean and Rose Ann were in Friona Saturday. They visited Mrs. Dean's mother, Mrs. Merler Shirley, in observance of her birthday.

Mr. and Mrs. Bruce Parr honored Mr. and Mrs. Ira Miller with a dinner on their 57th wedding anniversary Tuesday.

Mr. and Mrs. Woodrow Whitaker and Dwight took Grandpa Whitaker of Hereford to Amarillo Sunday. They visited Mr. and Mrs. James Prewett and their new baby.

Mr. and Mrs. Dempsey Beckham of Los Angeles, California, have been guests in the home of Mr.

and Mrs. Tom Presley and Mr. and Mrs. Woodrow Whitaker. The Beckhams are on their honeymoon.

Mrs. Mabel Groves and Mrs. Ruth Airhart of Colorado City have been guests in the home of their sister, Mrs. W. H. Flippin Sr.

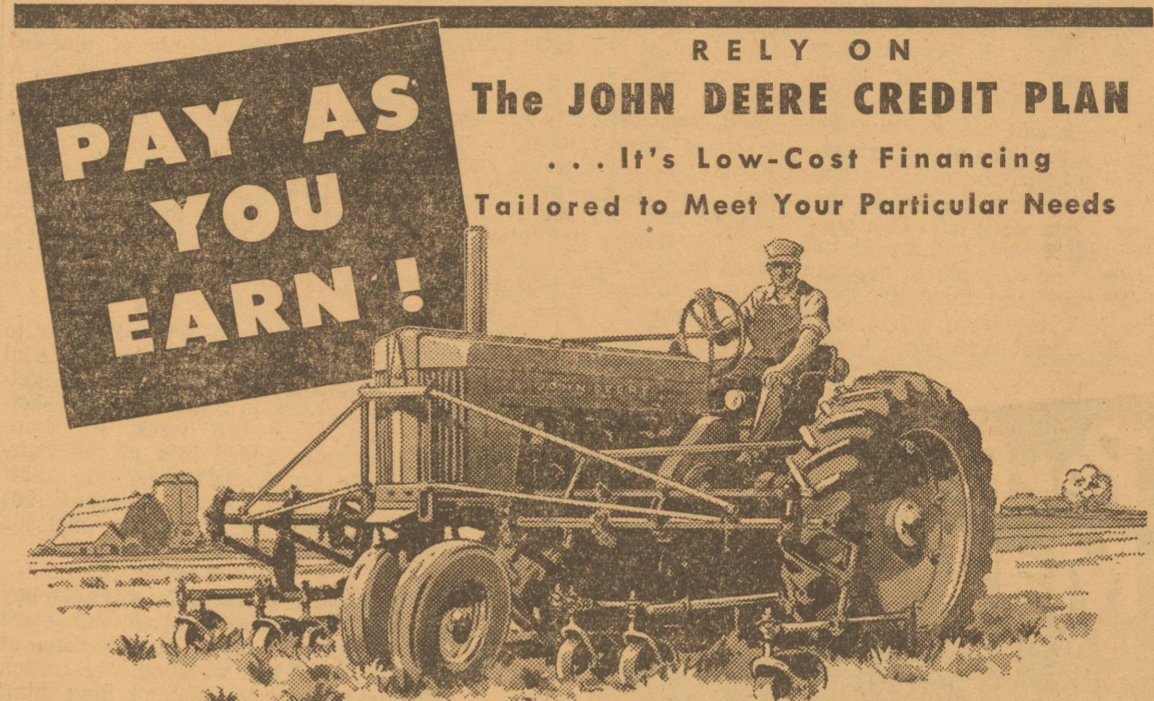

Mrs. Lloyd Prewett and Graham visited Mrs. Prewett's sister, Mrs. R. L. Bray of Lubbock, Saturday.

Mr. and Mrs. Albert Rolan and Ardith spent Sunday afternoon with Mr. and Mrs. Lloyd Prewett, Graham, and Ann.

Mr. and Mrs. Gene Purcell, former residents of Black, have a new baby boy.

New residents in our community are Mr. and Mrs. Sandy Washington, Mr. and Mrs. L. H. Lookingbill Jr., and Mr. and Mrs. Gene Welch.

The Raymond Schlabs are doing some remodeling on their house.

News From
LAZBUDDIE

MRS. CALVIN EMBRY

Janice Oliver Gets Recognition

Betty Crocker Homemaker of Tomorrow in Lazbuddie High School is Janice Oliver, daughter of Mr. and Mrs. F. L. Oliver.

She received the highest score in a written examination on home-making knowledge and attitudes, administered December 4, to senior girls in the graduating class. Her examination paper will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runnerup award in the state. For her achievement, she will receive an award pin designed by Trifari of New York.

The national winner in the annual Search conducted among 200,526 young women in 11,636 of the nation's public, private and parochial high schools will be named May 2 at the American

Table banquet in the Waldorf-Astoria Hotel, New York City.

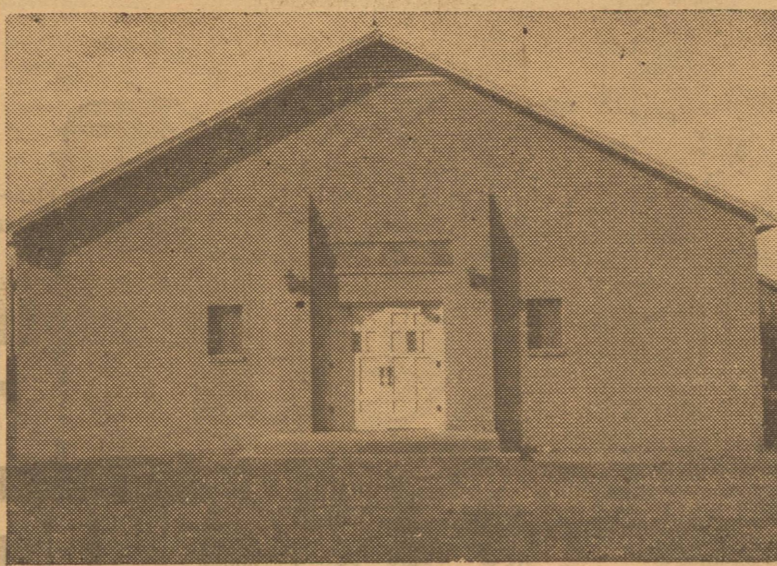

General Mills is sponsor of the program designed to assist schools in education for home and family living and to emphasize through a sound scholarship award program the personal qualities and sense of values necessary to successful homemaking. A total of \$106,000 in scholarships will be awarded.

Visit Relatives

Mr. and Mrs. L. B. Hambright of Lazbuddie and Mrs. Alice Linsley of Morton visited last week in the home of Mrs. Hambright's and Mrs. Linsley's sister, Mrs. Stella Stirmen, in Odessa. The Hambrights also visited in Midland with their son and daughter and families, Mr. and Mrs. B. E. Hambright and children, and Mr. and Mrs. B. J. Trimble.

MEETS TONIGHT

The Baptist Brotherhood will be host to the Brotherhood of the Temple Baptist Church of Hereford tonight (Thursday). The Lazbuddie men will serve the evening meal and the Hereford organization will bring the program. The wives of all the Brotherhood members are invited to attend.

NEW CHURCH—This is the new church of the Lazbuddie Church of Christ. Members have just moved into the new brick building, which has been under construction since summer.

Lazbuddie Church Dedication Week Begins Sunday

Dedication of the new Lazbuddie Church of Christ is scheduled to begin this Sunday, January 27, with R. A. Hartsell, new minister, the speaker. The services will continue through next Sunday, February 3.

The theme of the minister's talks during the week will be "The Church." "Everyone is invited to attend this special series of services each evening at 7:30 on week nights and at 7 on Sunday," Hartsell says.

Built by Heathington Lumber Company of Muleshoe, the new building is 100 feet long and 60 feet wide. Installed seating capacity is 250 and there is room for 400, Hartsell says.

The building includes men's and ladies cloak and rest rooms, a nursery, minister's office and study, baptistry and dressing rooms.

Equipped with automatic heating and air conditioning, the cream-colored brick building has been under construction since summer. It has a concrete floor with rubber-tile covering.

With the addition of this building plans are to convert the old building into educational rooms, according to Hartsell. An L shape structure, it is 78 feet long and 40 feet wide. "When converted, it will give 14 rooms for classes, making the entire building one of the largest in the county," the minister says.

The construction project for the church is not yet complete, as a new minister's home will be erected in the spring, Hartsell adds.

Hartsell has just recently been employed as minister of the church, conducting his first services at Lazbuddie last Sunday. He was pastor at Bovina before going to Lazbuddie.

now sport a 24-2 record for the season. In conference play they stand at 3-1.

The Nazareth game was a close one all the way as the lead changed hands numerous times. Lazbuddie jumped ahead 18-17 in the first quarter but fell behind 38-34 by halftime. By the end of the third period Nazareth had increased its lead by two points, 53-47, but a strong rally in the final period gave Lazbuddie the win.

Joy Smith was again the leading scorer, racking up 33 points. She was followed closely by Janice Oliver who had 27. Regina Gerber and Carolyn Huserman led the losers with 24 and 23 points, respectively.

The Lazbuddie Longhorns also played the two foes and they too lost to Happy and won over Nazareth. Their loss to Happy was in an overtime, 50-45. Nazareth proved to be an easier opponent and the Longhorns came up with a 40-27 win.

Glen Watkins was high man for Lazbuddie in both games. Against Nazareth he hit 18 points. He was followed by James Gilmore with 16.

The Lazbuddie boys have improved steadily in recent weeks, having won five out of seven since the Christmas holidays. The season record for the Longhorns stands at 9-10 and they have a 3-1 conference record.

Schedule for the week:
January 25—Bovina at Lazbuddie, 7:15
January 29—Lazbuddie at Vega
February 1—Happy at Lazbuddie
February 5—Nazareth at Lazbuddie, 7:15

The Lazbuddie grade school boys and girls will play Bovina at Lazbuddie, January 28. Game time is 6:15.

New Minister At Church Here

R. A. Hartsell is the new minister at the Lazbuddie Church of Christ. He, Mrs. Hartsell and their daughter came from Bovina, where he served as minister for the past 18 months. He has served 17 years in evangelistic service and 35 years as a minister.

The church will begin its dedication services, Sunday, January 27, for the beautiful and spacious new church. The dedication services will continue for one week, through February 3. Services will start at 7:00 Sunday evening and 7:30 on week nights. "The Church" will be the theme.

MYF Group Has Hobo Party

On Wednesday evening, January 16, the MYF of the Lazbuddie Methodist Church enjoyed a hobo party and supper at the home of Mr. and Mrs. Joe Bates Jennings.

A supper of Mulligan stew, hot biscuits, baked banana, tea and cocoa were served to the following members: Carolyn Scott, Carolyn Hinkson, Susie Carpenter, Lawrence King, JeDon Gallman, Ronnie Gustin, Darrell Jennings, Ted, Mickie, and Freddie Smith.

Others present were Mr. and Mrs. C. D. Gustin, Mr. and Mrs. Mel Smith and Donnie, Mike Hinkson, Tamra and Joe Brian Jennings, Bruce Matthews and the host and hostess.

Games were enjoyed by all through the evening.

WMU Circles Meet For Mission Study

All three circles of the WMU met at the church on Monday, January 21. Mrs. W. R. Broadhurst brought the devotional, Mrs. A. E. Redwine gave the study on "Mission Programs in the USA."

Those present were Mesdames Wesley Barnes, John Agee, A. E. Redwine, F. W. Greene, W. R. Broadhurst, Juel Treider, Claud Heath, C. K. Roberts, Earl Peterson, George Washington, Raymond Houston, Weldon Slayton and a visitor, Mrs. John Vaughan.

In Ft. Worth

Rev. and Mrs. C. K. Roberts were in Ft. Worth the first of last week attending an evangelistic conference. Tuesday evening, the evangelist, Billy Graham, was the speaker. Wednesday evening, Dr. W. A. Criswell closed the conference.

To Meet Monday

There will be a "Community Club" meeting, Monday evening, January 28, 7:30. This is the regular meeting night and there is some unfinished business that needs to be taken up, so please make an effort to be present.

Have New Son

Mr. and Mrs. Gene Smith are proud parents of a son, born Tuesday, January 15. The young fellow is the first child of the Smiths, and has been named Timy Carroll. He weighed seven pounds. Mrs. Smith and Timy are presently staying with her parents in Littlefield.

Miss Betty Floyd, of Plainview, visited over the weekend with her parents, Mr. and Mrs. Barney Floyd and Jeanell.

Weekend guests in the home of Mr. and Mrs. Jack Smith were Tech Sgt. and Mrs. Gerald Smith and David. Sgt. Smith is stationed at Clovis.

AT STOCK SHOW

Steven Young, son of Mr. and Mrs. J. B. Young, entered his Hereford 4-H Club calf in the Fat Stock Show in Hereford, Saturday, January 19. At the same time, Richard Chitwood, son of Mr. and Mrs. Dee Chitwood, had his Angus calf entered in the stock show. Both boys placed in their respective divisions.

FARMERS UNION MEETS

Lazbuddie Farmers Union met Tuesday evening, January 15. James Welch was elected as delegate to go to Washington. He and Mrs. Welch will leave Wichita Falls, January 25, by bus. There will be other delegates from several communities making the trip with them. They are to voice in legislature what the wants and needs of the farmers are.

All people are urged to pay their poll tax before January 31.

Juanita Scott visited over the weekend with friends in Del Rio. Mr. and Mrs. Ernest Nowell, Jo Ann, Johnny and Jan visited Sunday with Nowell's sister, Mrs. Sammie Taylor and family, in Denver City.

Mrs. Mae Mahan and Mrs. Claude Blackburn visited in Lubbock, Sunday.

Mr. and Mrs. Melvin Treider

have returned home from a tour in Mexico and parts of California. They visited the Grand Canyon and Petrified Forest. They had a nice time, but were glad to be home.

Mr. and Mrs. Bill Jennings and children visited Sunday with Mr. and Mrs. Mike Pavalus and family, Friona.

Glen Watkins, Leon Wilson and Carroll Littlefield attended the Amarillo Stock Show, Monday.

Mr. and Mrs. Leroy Wilson spent the weekend in the home of Mrs. Wilson's mother, Mrs. Virgil Barton, in Amarillo.

Mr. and Mrs. John Agee Sr. of Lubbock visited Sunday in the home of their son and family, Mr. and Mrs. John Agee Jr.

Guests in the home of Mr. and Mrs. E. D. Chitwood were Mr. and Mrs. Bill Buchanan of Hub.

Sunday guests in the home of Mr. and Mrs. F. L. Brown were Mr. and Mrs. Glen Splawn were Mr. and Mrs. Leroy Hickerson and Stanley of Lorenzo, Mr. and Mrs. Woodie Splawn of Whiteface and Mr. and Mrs. C. M. Splawn of Muleshoe.

Beverly Smith visited Sunday with Judy Brown.

Although having only a total length of 277 miles, the Clinchfield railroad extends into five states.
