Annual Rodeo A Decided Success

Though the hot summer sun was a most persistent attendant, large and enthusiastic crowds attended the three day Rodeo, sponsored by the Brownfield Rodeo Club, at Brownfield last week end. The club had remodeled the arena and had it in excellent condition.

Some of the best performers in West Texas, kept the audience thrilled, with Bronc busting, calf roping, Steer riding. The ribbon roping was a very skillful and dangerous stunt. One man on foot to catch a steer by the horns, after he was roped, and hold till another tied a ribbon on his tail. Being a masculine animal he naturally resented being adorned with a ribbon, and didn't fail to show his protest.

Mary Harris, Wanda Jo Winn, Mary Etchiverry, Alice Joy Bar, Mrs. Fladous Bonds and Jeffie Jeffreys, excellent horsewomen ran the figure eight around barrels.

Prize winners names were not available as we go to press, but the following well known performers contested: Red Paschal, Lonnie Sexton, Buck McDougle, Slim Metteer, Paul Young, Junior Fisher, W. F. Hudson, Billy Winn, Marvin Lee, Dave Gross, Corky Andrews, Gene Lowe, C. C. Copeland, J. Oxford, John Dalton, John Givens, Emmett Shields, Phil Williams, Buddy Derrick, Kelley Smith.

Where Are Those Million Junked Cars?

We have been hearing a lot about there being a million cars junked in the USA this year. One big oil company has been using a page of good space in the mags of late to tell that tale, The Herald wants to know where all this is happening.

If anything, we believe some of the ancients are being ghouled from the car cemetery and put on the road and streets of Terry county. A bunch of Piggly-Wiggly boys are running a 1915 T model Ford, which has all the chalked wise cracks that a bunch of teen agers can hatch up, together with some new ones to us, among them being, "gals here's your coop, and if you smoke, place your butts inside."

Lt. Fern Green Cited For Work After Big Cyclone at Antlers

For outstanding service and devotion to duty when a tornado struck Antlers, Okla. on April 12, 1945, Lt. Fern Green, Physical Therapy Aides, daughter of Mr. and Mrs. Leslie C. Green, Sr., Brownfield, is entitled to wear the Meritorious Service Unit insignia.

The 1882d Service Unit, Regional Hospital, Camp Maxey, has been awarded the Meritorious Service Unit Plaque for "superior performance of arduous duties" resulting from a tornado at Antlers, Okla, according to an announcement made today by Col. Albert Bowen, commanding officer, Regional Hospital.

Cpl. Hoover Keeps 'Em Goin' in 20th

Twentieth Air Force Headquarters, Guam—For the part they played in the historic series of five low level incendiary attacks on Japan during an all out offensive, Corporal Herbert C. Hoover of Brownfield, Texas, and other enlisted men at B-29 bases in the Marianas have been commended by the Commanding General of the Twentieth Air Force.

Corporal Hoover is a member of the ground echelons supporting the almost daily Superfort assaults against the Japanese mainland.

"Your determination, skill and courage have delivered a stunning blow to the empire of the Rising Sun," the General said. "Combat crews and the hard-working maintenance and staff people are to be heartily commended for their accomplishments in these historic operations."

Throughout the period of sustained bombing attacks, Corporal Hoover and the ground staff worked night and day, virtually without rest, to keep the Army bombers in the air and striking at the enemy.

Corporal Hoover's wife, Darlene, lives at 111 East Tate, Brownfield. He entered the Army in October, 1942.

Meeting at North 2nd St. Church of Christ

The Church of Christ at 219 North Second is pleased to announce a Gospel meeting to begin next Lord's Day and continuing over Sept. 2. Much progress has been accomplished in this congregation in many ways since its beginning in Brownfield.

The church feels very fortunate in securing the services of Bro. Lester Hathaway, of Mobeetie, Texas, as an outstanding Gospel preacher. We feel sure that all who hear him will be enlightened to some extent concerning the simple truths of the scripture, which man must comply with for his spiritual well being.

Everyone is cordially invited to attend the services, 11 A. M., and 8:30 P. M.

Mahon To View New Pacific Bases

Congressman George Mahon in company with high ranking Army officers and other members of the Military Appropriations Committee left last week by plane on an official mission overseas.

The Army officers are headed by General George Richards who handles the purse strings for the War Department. Other officers in the group represent the Air Forces, the Army Ground Forces, Service Forces and the Office of General Marshall, Chief of Staff.

Mahon is one of the eight members of the Military Appropriations Committee designated for the mission. Under arrangements made by the Secretary of War the group will see at first hand certain bases and installations before authorizing further expenditures by Congress. They will also confer with overseas commanders regarding speedier procedure for returning servicemen from overseas. The Committee expects to slash war spending as deeply as safely as can be done following this observation of the general situation.

ZANT BROTHERS PUTTING IN A REPAIR SHOP

We are happy to announce that Zant Brothers, Everett and Pedro are opening a repair shop near the Rialto Theatre. These boys will give you the service you want.

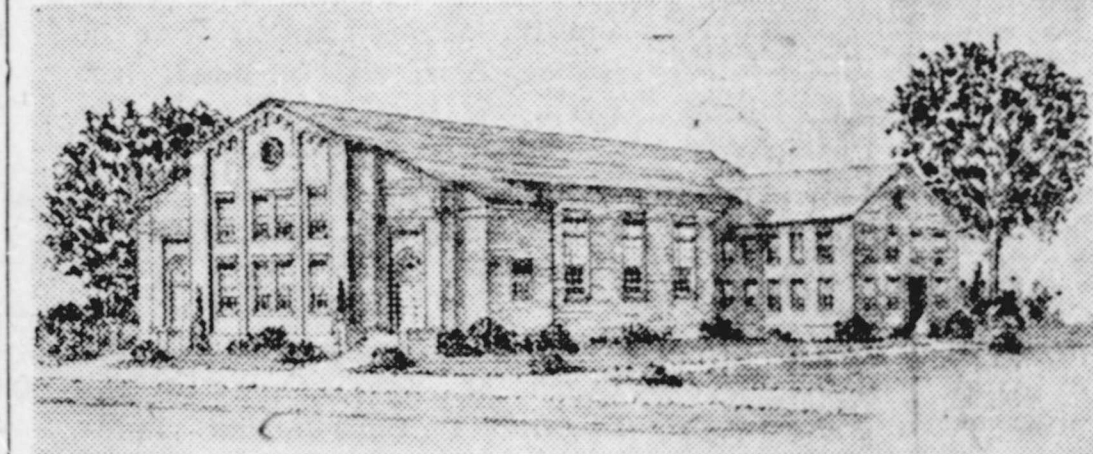

Pedro has just recently been discharged from the US Marines, and is well known here, having been advertising manager of the Jones Theatres for several years.

While he has not been here as long as Pedro, Everett has made a host of friends since making Brownfield his home.

Church of Christ to Construct Modern Church Building on Main Street

Much water has gone under the bridge since 1912, when the families of R. H. Banowsky, W. G. Hardin and the Stricklins began meeting for Sunday School and worship, first in the old school building just west of where the Co-Op Gin No. 2 now stands, west of the track, and later in the old district court room of the old court house. The present building was built in 1919, and seated a year or two later. By that time the Smiths, Browns, Joneses and Chisholms had come in.

The architect's drawing shown

herewith, is the plan decided on by the building committee, headed by Elder Joe Chisholm. When completed, this building will cost in the neighborhood of \$45,000, and will help to grace Main street in that area. The congregation now has a membership of 500 or better. As we understand it, most of the money is in hand or will be available by the time the building is finished. Haynes & Strange, Lubbock, are the architects.

The building is to be approximately 57x112. The main auditorium will seat comfortably 500 with an extra 200 in the gallery. The officers of the church believe

John A. Bost Tenders Resignation

John A. Bost, who has been connected with the Athletic Department in the Brownfield High School for the past ten years has tendered his resignation.

Bost came to Brownfield in 1935 as Head coach, and held this position until 1938. In 1942 Brownfield was voted into District 1 A-A and Bost again became head coach. During the season Brownfield won eight games-losing only to Pampa and Amarillo, giving Amarillo the greatest threat of the season on Butler field. The defeat the Cubs gave the Lubbock Westerners in '42 will long be remembered by the football fans of Brownfield.

Again in 1943, the Cubs laboring under many handicaps made history by playing the famous Amarillo "Lookies," as they were called that year, on even terms until late in the last quarter.

Coach Bost's teams are well known for their spirit, sportsmanship, and hard tackling, and hold the respect of opposing teams and coaches. His line in '42 and '43 was given the name of the "Seven Rocks of Granite," his defensive work has been outstanding and fans say he is one of the best line and defensive coaches in the state, as no team has ever penetrated his lines to any advantage.

For the present Bost will continue to make his home here and will be associated with the Piggly-Wiggly store.

DISTRICT COURT CONVENES SOON

A regular term of the District Court is to convene here August 27th, and empanel a new Grand Jury to serve ensuing six months. The following have been selected: Milton Addison, C. L. Aven, Jr., Lal Copeland, I. M. Bailey, C. E. Bartley, Jay Barrett, Homer Barron, L. A. Winningham, Earl Gray, Odell Fulton, Ray Golden, J. M. Bursleson, Elmer Edwards, J. R. Davis, B. Stice, V. B. Herring.

Robert L. Wilson of Tyler is here visiting his brother, W. W. Wilson.

that by the time this church becomes as crowded as the present building, the town will be large enough for the congregation to swarm, and another one started in another section of the city. The main auditorium will also contain wash rooms, toilets, etc. The baptistry will be in the rear of the auditorium, glass enclosed, but in view of all seated in the building. Floors will slope to within 20 feet of the pulpit.

The educational section will be two stories, with from 10 to 11 class rooms, minister's study, etc.

The auditorium will have two entrances, and really five exits.

The old building will be cleared from the site in the next two weeks, and used as much as possible in construction of the new building. The outside walls will be brick and tile with stone trimmings. Not sure about roof, but tile if possible. Floors asphalt tile over concrete.

The congregation has made no definite arrangement for a meeting place as yet, but very likely the high school building, while the building is under construction.

Agin Legislators Pay Increase

It is regrettably true that the American people have commercialized almost all of their various activities, naturally they presume that more money buys more honorable men, for more efficient service. This is a thin fallacy. Honor is not on the market; real Statesmen have no price. The idea of better pay induces better men to serve their state, just don't work. It maybe some inducement; 'tis true, but it is also true, it is a big inducement for the crook, weakling or money-getter to seek the place, run harder, spend more for it. There is no restrictions, or qualifications, attached to the proposed increased pay amendment. It is still wide open, free for all.

What can you expect of a legislator who seeks the place only for the huge pay. Why place the Legislature on the money mart. They are paid ten dollars per day for 120 days, 4 months actual service, and that is not too much either. But ten dollars per day for 365 days, yes two years, \$7,300.00 for the term, is entirely out of reason. They put in six months telling the voters how completed they already are; six months after election to ferment their promise into being, and four months to officially act on it in session, then a year and a half in official idleness. We all know any and every energetic American is not going to lay around and "study" he will be just as active in his private money making affairs, as though he got nothing, so what?

Wise legislation depends more on ordinary common sense, integrity, honor, and a sense of fair-play and justice to all, than on skill, silence or ability.

The remedy for the low tide of our legislature, is at the voter's finger tips. Why do people vote for who they do? Elevate their demands. There is lots of statesmen in Texas. But a real statesman, with the honor, integrity and patriotism to be a statesman just won't descend, to wallow in the mud of our modern campaigns, high pay or no.

It is hard to think, that even an East Texas legislator will for

The Road Bond Issue Explained

Judge Lincoln stated this week, that in view of some misunderstanding about the Road Bond issue to be voted on tomorrow, he wished to explain same. He pointed out that the proposed issue in line with the State and National reconversion plans, to spread government aid in public works over a period of three years, to provide employment for returning veterans and war plant workers, and those at home, whose jobs may be given to returning veterans. The State has already allocated construction and paving of thirty miles, farm to market roads, in different sections of the county.

This proposed issue is to supplant that work by paving 40 miles in gaps and to make connections with highways already made, and evenly divided among all precincts, making complete net work of paved farm to market roads. The Commissioners already have bids submitted to take the bonds, as soon as issued at little more than 2% interest, and no doubt they will be sold and actual work began by next January 1st, and then to be expended in an orderly manner, for about three years. The Commissioners will see that home labor only will be employed, and the bond issue is ear marked for road construction. It will be done on State Highway specifications, 80 foot right of ways, and fair wages paid.

Sponsors of the issue point out that a thousand veterans, and as many war workers will be coming home to Terry in next year, and that millions of workers are being laid off now, and this bond issue will aid all businesses as well as individuals, to tide over the gap till normal times can be set up. Besides it is invested in something useful, and benefit to the farmers, and went hurt Brownfield, with its already established market, and industries and more coming, and this net work of paved roads, will make Brownfield one of the best trade centers in the west.

Mr. Lincoln also stated the Commissioners had consulting engineers to pass on the county's valuation, who found that it would easily carry the bond issue, with .10c tax rate. And that the increasing values of the oil fields, and minerals, as well as recent industries, all of whom will pay their share of taxes, will lessen the burdens on land.

Sgt. John O'Neal Now At Miami, Florida

Miami Fla., August—T/Sgt. John S. O'Neal, 25, Box 404, Plains, Texas has arrived at the Army Air Forces Redistribution Station No. 2 in Miami Beach for reassignment processing after completing a tour of duty outside the continental United States.

During his processing, he is housed in an ocean-front hotel and enjoys abundant facilities for rest and recreation in this year-round beneficial climate.

Sgt. O'Neal, B-17 tail gunner in the European Theatre, flew nine missions and was awarded the Air Medal. He is the son of Mr. and Mrs. John V. O'Neal of Plains. He entered the Army April 2, 1941.

Mr. and Mrs. Johnny Criswell and children spent last week vacationing in Ruidoso.

John Middleton came in last Wednesday from Oklahoma, where he visited relatives since the Herald came out on the 10th.

two decades, violate the constitution and the very obvious injustice of preventing re-districting, one of the grossest wrongs ever inflicted on a people, just to preserve only a few of their thousand dollar jobs, but it seems true, What will they do to preserve a \$7,000.00 job?

Carry the proposed increased pay amendment, and west Texas hopes for redistricting, is gone with the wars.

Two Men Hurt In Train-Car Collision

A. T. White and Halbert Holder, prominent farmers of the Meadow vicinity, narrowly escaped death, Saturday noon, when the automobile driven by White, was struck by the south-bound Santa Fe train, at the crossing in Meadow.

They discovered the approaching train, which was late on this run, as they neared the tracks, a quick swerve by the driver down edge of the tracks probably saved their lives. The auto was totally demolished, while the occupants escaped with minor bruises.

Some Boys Back Home For Keeps

The following discharges have been recently confirmed to the local draft board:

Lynn S. Ely, Glenster Lomas, Claude Montgomery, Wm. B. Brown, Sammie H. Riley, Jr., Jimmie M. Reeves, Cecil A. Drake, Melvin E. Moore, Jno. H. Ashenbeck, Dewey O'Neal, Luther M. Price, Virgil Gossett, Sunler M. Howard, Wm. M. Zachary.

Pfc. Redford Home On Rest Period

Pfc. WWilliam A. Redford is here on a thirty day rest and recuperation from wounds received while in Germany. He is visiting his mother, Mrs. E. L. Redford. While overseas with the 8th Air Force, he was in the following countries, Germany, Belgium, France, Holland, Ireland, Scotland, England, Italy, and ferried planes from Iceland to England.

For the past several months he was a radio operator on a B-17. He came from Antwerp, Belgium, on a victory ship and landed in New York August 11th. He is holder of the Purple Heart for wounds received in Germany, and had just been released from the hospital in England when he was sent home. He has the Air Medal with several Oak Leaf Clusters, the Bronze Star, seven Battle Stars for participation in major battles, the Presidential Citation, with an Oak Leaf Cluster and the American and European theatre ribbons. After his leave he reports to Fort Sam Houston for re-assignment.

Sgt. Logan Redford, was here on a three days pass, is laboratory technician in the Medical Corps of the 8th Service Command at Ft. Sam Houston.

This is the first time in several years that Mrs. Redford has had all her family together.

Sgt. Brown Gets Vacation at Relaxation Camp

Rest Area, Ninth Air Defense—Here to relax for a week in this Alpine valley where the nobility of Europe once frolicked at winter sports with the fashionable and wealthy of the Old World and the New; S/Sgt. C. O. Brown, Jr., 441st Troop Carrier Group, now stationed in Dreux, France.

Established by Brigadier General W. L. Richardson to afford relaxation to combat veterans of his Ninth Air Defense Command, the rest center nestles in a valley of the French Alps on the border of Switzerland, a few miles north of the 15,781-foot snow-capped peak of Mont Blanc, the highest mountain in Europe west of the Caucasus. Eleven hotels have been taken over to afford facilities for the entertainment of troops.

Among its attractions the center affords skiing, golfing and tennis--and just plain loafing Mountain climbing--via a mechanized railroad--is a favored sport. Sgt. Brown is the son of C. O. Brown, Route 3, Brownfield.

BETTER GET CANNING SUGAR NOW

The Herald has been requested to say Aug. 31st is the last day you can get sugar for canning.

Sandage Opposes Bond Issue

The war is over—we hope—and it is now time for us Democrats to admit that the truth is no longer a secret. We wonder if we are going to let history repeat itself?

On Nov. 11, 1918, our nation emerged from a mighty struggle in which we were victorious. We were told that a new era of justice and right would follow the conclusion of peace; that tyranny would be dethroned; that justice would cover the nation as the waters do the mighty deep. Our gallant soldier boys, many of whose bodies were left beneath the soil of sunny France, or brought back to this country maimed by the enemies bullets, or emaciated through sickness, SHOULD have received the plaudits of a grateful people. He had been promised and expected a new era of justice. But the new era was soon a reign of economic terror unparalleled in the history of the country.

Thousands of our boys were mentally tortured, some of them into insanity; others into suicide by the stupid policy adopted by those on the home front. The soldier boy was forgotten. We put the nefarious prohibition laws over while many of our boys were overseas. Not only that, but in many places road districts were formed—bonds were issued, and the entire cost of road construction was placed upon agriculture. Results: 500 farms were sold in one county at one time for road taxes, after the deflation period struck. It was a case to some extent of "taxation without representation." Human nature has not changed since that time.

Are we going to let history repeat itself? Much is being said about what is going to be done "for" GI Joe. I hope I am and will continue to be a friend to the service boy. I certainly do not want to be a party who has ever said or done anything that would in any way cause disappointment to the soldier boy. Some are making the argument that G. I. Joe can go into the courts if necessary and get his job back, but they fail to tell us that same boy can be fired from the job and nothing can be done about it, and its happening every day. Maybe that is another story, and I am digressing. We are told that we should vote road bonds so we can employ the returning soldiers.

Is that the best we can do? A WPA job for GI Joe? If we vote those bonds, we vote them on the soldier boy who is now overseas, because they will soon have to take over where we leave off, and they, not us, will have those bonds to pay. Taxation without representation, and you can't deny it. One county official has told me that if we vote these bonds now that construction cannot start for at least three years. Why not wait until times are normal and our boys are home before we vote for bonds? What assurance have we that local labor would be used?

Should the cost of building roads all be borne by real estate owners? I do not know what course others may take, but as for me, I will not vote a bond issue on GI Joe while he is overseas. I know one Terry county boy who has proved his love for his country by the scars upon his body, who will vote against the bond issue. I have written this by request of some of the best citizens and farmers of the county.

The female of the species is the kind of a person that while sipping iced drinks under an air conditioner, has her mind on furs for winter.

It seems that Gov. Coke Stevenson is more anxious to fill out his term as governor of Texas than to accept Senator O'Daniell's offer of a Federal Judgeship post. Could it be that Coke has his weather eye on the Senator's seat a few years hence?

We thought we had put in some hours of our near 40 years as a printer and editor, but they tell us of a guy down at San Antonio that has just finished up 61 years, and now desires to retire and sleep around the clock if he wishes. Boy, he deserves the rest.

It seems that a lot of Texans, and that includes Commissioner Olen Culbertson, are overly anxious to pipe a lot of Texas oil out of the State to the west coast, to help boost industry there. Now that the war in the Pacific seemingly, is practically over, we see no reason for such a pipeline. Believing that the railroads will be able to carry what extra oil that is needed out there. However, they tell us that the new atomics will take care of all our fuel and power needs of the future. OK,

but perhaps we may also run out of atoms, sometime.

It seems that some of our writers and commentators are all torn up about the demands of Russia in the far east, after the peace comes. It must be remembered that the Chinese ambassador and Marshall Stalin held a long conversation just before they left for Potsdam. The Chinese ambassador came out of the conference smiling, and announced that everything was OK, to use an American expression. So that ought to suit us Americans, as we are seeking no new territory, so says President Truman.

A daily paper news item states that the Texas CIO will support all four of the amendments to be voted on the 25th of this month. On first thought, this announcement might cause a lot of conservative and middle of the roaders to vote against all the amendments, though such should not be the case, but each, as individuals, and not as dictated by organizations, should consider these amendments on their merits; vote for those that seem OK, and black the rest. Even the CIO can be right on some things, but if people in general had followed the wishes of CIO, today we would have Santa Claus Wallace for president instead of the very stable man we do have.

The American people should feel happy that a more conservative idea prevailed at Chicago last summer, and gave us a vice-president in which most of the people can place their confidence. While President Truman was a great admirer of the late President Roosevelt, he has chosen a far more middle of the road policy than the latter. As a consequence, a great shakeup has taken place in the cabinet since HST has taken office. He has chosen men more to his way of thinking and sympathies. What a great pity he is unable to make the supreme court of the United States a more American thinking body, instead of too much leaning toward the European ideas.

Mr. and Mrs. Gene Gunn and son Charles, spent the weekend in Pampa, visiting Mr. Charles Gunn.

Mr. and Mrs. G. G. Gore and Mrs. J. T. Bowman spent several days in Ruidiso recently.

Sam Jackson, wife and son, of Tipton, Okla., were here recently visiting Mrs. Jackson's brother, Elliott Harris and family. Sam, a county commissioner at Tipton, as well as his wife has been known to us since childhood. We picked

cotton the fall of 1902 in Fannin county with Sam.

We were glad to see Jim Huckabee and Aut Graham, both of whom have been ailing lately, on the streets, recently.

Obituary

Jesse Robert Lang was born Nov. 12th, 1863, died August 10th, 1945. He was 82 years 8 months and 28 days old, at the time of his death.

Mr. Lang married Miss Leona Cox in 1888, and to this union were born eight children, 2 boys and six girls, all of whom are living, and are: Leonard and Dewey and Mrs. Iva Garrett of Brownfield, Mrs. Dewey Evans of Moran, Mrs. J. B. Harris of Texas; Mrs. H. T. Turnbow of Andrews; Mrs. A. A. Turnbow of Loraine; Mrs. D. C. Smith, Jr., of Levelland.

Mrs. Lang preceded Mrs. Lang in death in 1922.

He was a member of the Church of Christ, having obeyed the Gospel in 1931.

He has 29 grandchildren and 21 great-grandchildren and a number of other relatives and a host of friends here and in Eastland county, where he spent most of his life, who mourn his passing.

Those from out of town attending the funeral of Mr. Lang were Mr. and Mrs. Jess Smith of Roscoe, B. B. Lee and family Lubbock; Mrs. Henry Yarbough of Loraine, Mr. and Mrs. Amos Turnbough of Seminole.

Funeral services were held in the Church of Christ at North 2nd street. Elder John R. Freeman, of Lubbock, held the services.

Norma Jo Boyd entertained a group of her friends at her home, Friday 10th. The evening was spent in paying games and making candy. Guests were: Chloe Marion Schmidt, Jo Ann Lay, Jewel Ince, Jackie and Jerry Worsham, Robert Montgomery, Buddy Rambo, and Shirley Summerhill.

It is stated that many of the big new guns just manufactured may be hermetically sealed in moist proof coverings, ready for any future eventuality.

Lt. Hicks Visitor From European Theatre

1st Lt. and Mrs. Lonnie Hicks and daughter, Cynthia, of Fort Worth visited his grandfather, Mr. G. W. Hicks and his aunts, Mesdames L. R. Pounds and L. J. Dunn, Sr. While overseas in the European Theatre of War Lt. Hicks was a pilot of a Thunder Bolt. On his 57th mission he was shot down over Germany and taken prisoner. He had a miraculous escape as the gasoline tank on his plane exploded after being hit and covered him with burning gasoline. He parachuted to the earth and remained hidden for thirteen hours until the pain from his injuries compelled him to surrender for medical aid. When taken to the German hospital all they had to treat him with was olive oil and paper bandages. When liberated he was taken to England and underwent surgery in the hospital there, and is now going to the Williams Beaumont General Hospital in El Paso for plastic surgery.

Lt. Hicks father was an employee of the J. E. Michie Grocery store when it was here.

Mr. and Mrs. Walter Hord complemented Mr. and Mrs. Bruce Zorns with a chicken fry at the home of Mr. and Mrs. Bill Heflin, Monday evening. Guests were Mr. and Mrs. Roy Herrod, Mr. Bill Heflin, Mrs. Rebecca Ballard and daughter, Deenie, J. W. Thrasher, of Longview, and the honorees.

Mr. and Mrs. R. L. Walker visited friends in Hobbs, New Mexico, Wednesday of last week.

Mr. and Mrs. Ralph Ferguson and son, Bobby and Mrs. Myrtle Gerst spent Sunday afternoon in Lubbock.

Mr. and Mrs. S. O. Izard of Tubenbari, N. M. visited Mr. and Mrs. Henry Newman, Saturday.

Mr. and Mrs. Terry Redford and Sgt. and Mrs. Logan Redford, left Tuesday evening for San Antonio, for a few days vacation. Sgt. Redford is stationed at Ft. Sam Houston, and has been here visiting on a three days pass.

Mrs. Barton McPherson of Vernon, visited her parents, Mr. and Mrs. J. H. Webber and Mr. and Mrs. B. L. McPherson, last week.

Mrs. R. S. Swindle and son, left Tuesday to spend several days in Big Spring, visiting her parents, Mr. and Mrs. W. E. Fielder.

Kay Frances Brown had tonsillectomy in the local hospital, Saturday.

Little Joan Tarpley of Odessa, is spending the week with her grandparents, Mr. and Mrs. M. G. Tarpley.

Mr. and Mrs. Chick Lee and son are spending this week in Ruidoso.

POSSUM FLATS . . . BALL GAME CHATTER

By GRAHAM HUNTER

Lorraine Thompson is visiting friends in El Paso.

Mr. and Mrs. A. J. Loyd and Mr. and Mrs. W. B. Downing spent the weekend in Ruidoso.

Mr. and Mrs. Emory Black and boys left Sunday 12th for Erie, Penn. to visit relatives.

DICK and PAT Super Service Station Phone 191

Sgt. Tommie Reeves, who has been here visiting friends, left Tuesday of last week for Amarillo. He is in the Air Corp and has been around the world. Before entering the service he worked for Mrs. Tobe Howze for three years when she was managing the Brownfield shows.

Pfc. Robert Adams, who has been overseas, is here on a furlough visiting in the home of Mr. and Mrs. Tobe Howze. He reports to Ft. Sam Houston next week.

Mr. and Mrs. Arch Fowler left last week for Pagaso, Springs, Colorado, where they will spend three weeks.

Mr. and Mrs. Jake Steen, formerly of Bridgeport, Texas are house guests of Mr. and Mrs. Arthur Sawyer until their home here is completed.

THE JUDGE SAYS—

Some Generals advocate rationing Japs, so each soldier can have equal shots. Now that is the way to exterminate them quickly. Just issue a directive, allowing them a dozen each, and if our boys have not been de-mericanized into doing what they are told, instead of resenting it, like we do, they will start a yellow market, and exhaust the supply by frost. Look how we done prohibition, and Thanksgiving, and the 35 mph per hour, and rationing. Millions now cry for sugar, who used to drink it straight. Highway departments latest report is that over two million civil gallons of gasoline used more than preceding year; WPB says over 100 millions pounds of meat consumed by civilians, above any peace year. If busses and trains don't want to be overcrowded, better quit telling people not to travel. Americans operates in reverse gear. But if our boys have been ruined by military discipline, we better recall them and their brass hat Generals, and appoint some publicized Senator and Columnist, and get a new army of over age smart. Boy! they'd fix 'em.

The Texas Supreme Court now consists of three Judges, elected by the people. It practically is a nine Judge Court. Many laymen don't know that the Court appoints two Commissions of Appeal, of three members each, paid for by the State. They review, and render decisions of cases appealed to that court. The real Court then merely approves or rejects their decisions. Thus while nine Judges do the work, only three can make an official ruling. Two of them can veto the opinion of the other seven whereas if the Court is made of nine Judges, it takes five to render binding opinion. If the Constitutional amendment up to the voters August 25th, is carried, the members of the Commissions of Appeal, will automatically become Judges of the Court, until next regular election. It will not increase State expense but little, as the six Commission members are paid about the same as the Judges. Whether the people can or will elect a better Court, than are now being appointed, is an open question.—G. W. N.

FATHER OF LOCAL MAN BURIED AT EASTLAND

J. R. Lang, aged 82, father of Leonard and Dewey Lang, well known business man of Brownfield, died here August 10th. Funeral services conducted at North Second St. Church of Christ, with Elder Vernon Gregg officiating Sunday evening at 2 p. m.

Interment was made at his old home town, Cranton in Eastland county. His wife passed away some twenty years ago. He has been residing with his sons, here some time. He left 8 children, including above sons and a daughter, Mrs. D. R. Smith of Level-land.

THURMAN FAMILY HOLD FAMILY REUNION

Pvt. William E. Thurman of Camp Wolters, Texas, was home over the weekend. Also, his sister, Mrs. W. T. Sanner and children are here from Duncan, Okla., for a two weeks visit.

This is the first time all the Thurman family have been together since their son, James, left for the army three years ago. James got his discharge in May.

Mrs. O. H. Hoover, of Post and Mr. and Mrs. J. A. Cornelius, of Ralls visited Mildred Adams and Daurene Hoover over the weekend.

Edwin Waldrop Serves On Escort Carrier

Aboard the USS Rudyerd Bay—Harold Edwin Waldrop, seaman, second class, USNR, Route 1, Tokio, Texas, served aboard this escort carrier as she topped off three major Pacific operations with her campaign at Okinawa.

The "Rugged Rudy," as she is called by her crew, helped smash Jap shore installations at Okinawa and her squadron pilots shot down six enemy planes. The first mission was to ferry planes to Espiritu Santo and the Majuro Islands in the Marshalls. Then she returned to the States, picked up her first air squadron and headed for the war in the Pacific.

At Iwo Jima she sent her planes in support of our landing forces for the first time. During the invasion of the Philippines, the Rudyerd Bay protected fleet oil tankers from enemy air and submarine attacks and rode out the roaring typhoon that sank three U. S. destroyers.

Last January the Rugged Rudy cruised into the China seas to protect tankers which were carrying oil for Admiral Halsey's 3rd Fleet, then striking against French Indo-China and Jap-held Chinese ports.

The Rudyerd Bay, named for a small bay in Alaska, is commanded by Capt. Curtis S. Smiley, USN.

Rodney Waggoner, of Winters is visiting in the home of Mr. and Mrs. L. E. Hamilton.

Mr. and Mrs. O. C. Cozart of Lamesa have been visiting in the J. W. Rhyne home.

Aboard The USS Alabama In The Pacific

Bernice W. Blevins, seaman, second class, USNR, whose wife, Virgie, lives at 517 South Second St., Brownfield, Texas, and Carlos B. Cross, seaman, first class, USNR, son of Mr. and Mrs. C. G. Cross, Wellman, Texas, are serving aboard this battleship which in one month's time raided the Japanese mainland twice, bombarded a Jap-held island north of Okinawa and rode unscathed through a violent typhoon.

One of the raids against the Nip homeland uneventful, but during the other operation the "Mighty A," as the man-o'-war is known to her crewman, ran into a hornet's nest of Jap suicide pilots.

Scores of the Kamikaze planes were shot down outside the task force formation, but at least four came in close enough to be splashed by the guns of this and other ships. Alabama gunners claim credit for downing two of these planes and for assisting in destroying another.

One Kamikaze, a "Zeke"-type fighter, flew through clouds of ack-ack before singling out this ship as his target, but as he turned to make his death run his plane hit and crashed flaming, a scant 300 yards away.

During her bombardment assignment, the Alabama turned loose her 5-and 16-inch guns to pulverize Jap shore installations.

The typhoon the battleship experienced pounded the 35,000-ton vessel for hours, causing her to pitch and toss heavily, but she came through undamaged.

5 Good Country Tricks for Saving More Used Fats

THIS year our domestic supply of fats and oils will be approximately one and one-half billion pounds less than last year. Right now, we are facing our worst fat shortage since the war began. To make up for this staggering loss, the government is depending on the women of America—and particularly women on farms and in smaller cities.

Every spoonful, every drop of fat is needed to help make battlefield and homefront essentials. So roll up your sleeves and do an all-out job, won't you? Clip this checklist and pin it up in your kitchen as a reminder.

- 1. FRIED SALT PORK—with milk gravy. Salt pork yields so much grease, you won't need it all for gravy. Pour the rest into the salvage can.
2. DEEP FAT FRYING—use the fat over and over; but when it's too dark and smelly to use any more, don't forget Uncle Sam wants it!
3. ROASTS AND CHOPS—save all trimmings (scraps from plates, too.) Keep them in a small bowl; once a week melt them down.
4. SAUSAGES—they're better if you parboil them first. Skim the fat off the cooking water—scrape the fat from the frying pan.
5. CHICKEN SOUP—chill it before you use it. Scoop off the hardened grease (soup tastes better, too!)

When the salvage can is full, take it to your butcher promptly. He will give you 2 red points and up to 4c for every pound of used fat you turn in.

100,000,000 More Pounds of Used Fats Are Needed This Year Approved by WFA and OPA. Paid for by Industry.

JAKE CARGILL DIES FROM TRACTOR INJURIES

J. T. (Jake) Cargill, aged 40, of 423 north 2nd street, died early Wednesday morning of last week, from injuries sustained when his farm tractor passed over his body ten days ago on his farm east of town. His little boy was driving the tractor, when trying to adjust some part he accidentally slipped and fell under the wheel.

Cargill is survived by his wife and three sons, Jerry now in military service in the Pacific, Marion and Jackie, at home. Another son, Irby was killed in Iwo Jima, in March. And by his father and mother, Mr. and Mrs. T. G. Cargill, in west part of town. One brother, Henry, living here, but who is now confined to his bed with rheumatism. Four sisters, Mrs. Mattie Thames of Meadow, Mrs. Bell Snicter of Plains, Mrs.

Beatrice Myers of Henderson, Texas, and Mrs. E. R. Kelly of Quemado, Texas. Funeral arrangements were tentatively made to be at the Baptist church with Rev. A. A. Brian officiating, Thursday evening, and burial in the Brownfield cemetery.

The Cargills have lived here for many years.

S-Sgt. Sandage Home On Furlough

Staff Sgt. Byron Sandage, son of Mr. and Mrs. Jacob Sandage, of the Union community, is here this week on a short furlough. Byron was in the tough operations in the invasion in north Africa in 1942, where he was seriously wounded.

He was sent home early this year, and assigned to train troops at Camp Fannin, near Tyler. It is said that they are so tough when they leave Fannin that McArthur has to give them a rest period to tame them down.

F. J. Stewart, pioneer resident here for the past several years, residing at Anaheim, California, and wife and daughter, Marlene, are here this week visiting his mother, Mrs. Jennie Stewart, and other relatives. Incidentally they hope to renew their taste for meat, other than lamb chops. Their two sons, born in this county, are in the navy and "Fletch", as most commonly known, is a member of the Coast Guard.

Business picked up slightly in the Sheriff's department over the last week end, with a few drunks and affrays, of minor grades.

W. S. C. S. HOLD MEETING

Members of the Women's Society of Christian Service met at the Methodist church Monday afternoon. Mrs. J. H. Carpenter led the lesson, taking the First, Second and Third Epistle of John as her subject. Mesdames N. T. House, Ray Frazier and Glenn Harris assisted her. The lesson closed with sentence prayers.

During the business meeting, presided over by Mrs. N. T. House, plans were made for the zone meeting to be held here the 31st of August. Mrs. Harris secured the names of those wanting new study books.

VISITORS COMPLIMENTED WITH STEAK SUPPER

As a compliment to Mr. and Mrs. Ray Burke of Dallas, who were here last week visiting, Mr. and Mrs. Bob Hodge entertained with a steak supper at their home Wednesday evening of last week. Steaks were broiled on the outdoor barbecue pit and served with salads, baked beans, potato chips and relishes.

Guests were Messers. and Mesdames Clarence Taylor, Dick Meyers, Harlan Glen and children, Rudy Wright and Ray Burke and children.

The Texas Bluebonnet is poisonous and livestock shun it.

W. M. U. MET MONDAY

Members of the Women's Missionary Union of the Baptist church met Monday afternoon at the church for their Royal Service program. The service was opened with the song: "Make Me a Channel of Blessings," followed by the devotional given by Mrs. Henderson.

The subject, "Facing the Need in Our Own Community," was under leadership of Mrs. Henry Fuggitt. Mrs. C. T. McCollum discussed "The How of Community Missions," Mrs. A. A. Brian, "The Heart of Community Missions" and Mrs. Scott talked on "The How for Community Missions, and "The Henceforth of Community Missions. The group singing of, "Rescue The Perishing" and a dismissal prayer by Mrs. R. C. Heath, ended the program.

Mr. and Mrs. V. L. Patterson and children left Sunday, for a weeks vacation in New Mexico.

S/Sgt. Cody Wison, who has been in the Pacific area, is here on furlough, visiting Mr. and Mrs. W. W. Wilson.

Pfc. and Mrs. Delbert C. Norris, will spend the week end in Carlsbad, N. M.

Mr. and Mrs. N. H. Dunham, of Reagan, Texas, and Horace and Hubert Dunham, of Waco, visited Miss Lola Dunham, this week.

W. E. Buchanan entertained the young people of the Baptist church of Gomez, with a lawn party, Monday evening. Punch and cookies were served to seventeen guests, after a delightful evening spent in playing lawn games.

Sgt. and Mrs. Jim Hudgins, of San Angelo announce the birth of a baby boy, born August 16th. The baby weighed 5 lbs. and 11 ozs. at birth and is named James Donald. Sgt. Hudgins is the son of Clarence Hudgins, who is a former resident of Brownfield.

To date 58 books have been collected in the Red Cross drive for books for the Lubbock Army Air Field. That is far short of the goal and Mrs. White again urges people with interesting books to please bring them in to her office in the court house.

Mrs. J. W. Duke and children were Lubbock visitors last Tuesday.

Ann Rivers is visiting her father in Rotan this week.

Staff Sgt. J. C. Baggett, who is stationed in Munich, Germany has been promoted to Tech Sgt.

Refreshments were served by Mrs. Elizabeth Morris and Mabel Camp.

Carl and Dad Rushing were called to Brownfield last week to be at the bedside of their father who had a stroke, he is reported better.

Bro. John Walker of Pauls Valley, Oklahoma preached at the Baptist church Sunday and Sunday night.

Cpl. Lenwood King is here visiting friends.

SIGNALMEN BEING RE-DEPLOYED DIRECTLY TO PACIFIC

Assembly Area Command, France—A Signal Heavy Construction Company which installed and operated communications at Sixth Army Group Headquarters has arrived in Camp Washington, Assembly Area Command, for redeployment directly to the Pacific.

These Signal Corps men installed and repaired 3,865 miles of single and 4-circuit communications lines—linking the Sixth Army Group Headquarters with the American Seventh and French First armies, and Supreme Headquarters.

Activated in Italy on September 4, 1944, original members of the outfit had had months of communications experience with the Fifth Army.

Included in this Signal Heavy Construction Company are Cpl. Troy E. Denson, Rt. 2, City.

Seaman 2/c James William Rhyme is spending his 10 day leave here with his family. He will report back to the Naval Training base in San Diego Saturday. Then he will go to Ships Repair School.

Before entering the Navy last year James was employed by McLaughlin Bros. in Brownfield. His wife and children are living in Brownfield.

Mr. R. M. Drake, of Plains, age 50, died Tuesday night in the local hospital. Funeral arrangements not complete, Wednesday morning.

Mr. and Mrs. Dennis Q. Lilly were hosts to members of the Baracas Sunday school class of the Methodist church with a chicken supper at their home, Wednesday evening of last week. Chicken, french fries, salads, ice cream and cake were served buffet style on the lawn. 65 guests enjoyed the affair.

Mr. J. H. Roberson, resident manager of the famous Lockett farms and gin, on north line of Terry county, was a business visitor in Brownfield Monday. He reports over 1200 acres of cotton, in about as good condition as last year, with yield expected about the same, on their several thousand acre farm, while their feed acreage is not so good. A part of this vast farm lies in the wet streak.

The lease-lend we extended to our allies, is small compared with the lend-lease we got from the Suns rays, in making that bomb.

Young Helps Kill Share of Japrats

With the 38th (Cyclone) Division On Luzon.—The 152nd Infantry Regiment, of which Pfc. J. W. Young, Rt. 1, Meadow, is a member, was recently given a battle commendation by Major General William C. Chase, Commander of the 38th Division.

The Commendation covering the period in battle from Jan. 29, to June 18, in the Luzon campaign, read in part: "You have killed over 5900 Japs. A splendid record for a famous regiment. It is an honor and a privilege to command such men. I am proud that the 152nd Infantry is a part of the 38th Infantry Division—THE AVENGERS OF BATAAN.

Young, a member of Company G, 152nd Infantry, is the son of Mrs. Ethel Young.

Rev. J. Preston Murphy will be here for regular appointment Sunday morning, and at the evening hour, Rev. Flem J. Sorley will fill the pulpit.

Pfc. Troy (Boots) Walker is receiving treatment at Ashburn General Hospital, at McKinney, Texas.

Green Transferred to Furr Store, Monahans

Mr. and Mrs. Charlie Green and children are leaving Sunday to make their home in Monahans, Mr. Green, who has been manager for the local Furr Food store here for the past year, will take charge of the Furr Food store there. Mr. and Mrs. Lanzo Miller, of Monahans will move here to take over this store.

Mr. and Mrs. Green have a host of friends here who wish them well in their new location. Mr. Miller is not a newcomer to Brownfield as he helped some in the store here when Charlie first assumed management.

Fredda Ruth Lowe is visiting Athea Jacobson in Amarillo, this week.

Mrs. Mrs. Joe Shelton was substitute postmistress at Tokio, last week, while her brother-in-law, B. E. Green, who is postmaster there, was on vacation in El Paso and Juarez. The office was swamped with mail from all over the United States to be mailed from that office on V-J Day. Mrs. Shelton was also interviewed by phone by a reporter from the Star-Telegram, for an article in their paper.

Mr. and Mrs. J. L. Newberry visited Mr. and Mrs. N. A. Lindsey in Lubbock, Sunday afternoon.

Mrs. Geo. W. Neil and grandson, Teddy Joe Hardy, visited last week with her daughter, Mrs. Lillian Burnett, at Abilene.

Old He Tells 'Em To Fill 'Er Up

The end of gasoline rationing found us with near a half tank of gas, and it was a quarter full Monday. But we just could not resist driving into a filling station and yelling, "fill 'er up." It seemed ages since such had happened.

While the attendant at the Hyman-Newberry place grinningly obeyed, we felt sure that many had already said the same thing to him, and it was not much funny by then, but he grinned as if we were the first.

And now—how long are we to wait until we get one of those little courtesy books that allows us to buy gas on credit all over the continent. Come to think of it, we have paid cash for the stuff so now that we don't know that we want to get off the good habit.

A SIMPLE JOB FOR AN EXPERT

Just running a hose over your car isn't "washing" it in a professional way! When we do the job—we clean every inch inside and out; dry clean upholstery—return your car with the old sparkle it had when you picked it from the showroom! Drive 'er in grimy—drive 'er out shiny!

Four Constitutional Amendments Will Be Submitted

Below is a brief resume of the amendments to the Texas Constitution to be voted on August 25, 1945 and is given herein as each amendment will appear on your ballot:

Amendment 1
This amendment provides that during the time the United States is engaged in fighting a war, or within one year after the close of the calendar year in which said war is terminated, no person, who at the time of holding any election in this State authorized by law, or who within eighteen months immediately prior to the time of holding any such election was, a member of the Armed Forces of the United States Merchant Marine, is required to pay a poll tax, or to hold a receipt for the payment of any poll tax assessed against him, in order to vote at any election. The foregoing amendment, if adopted, does not give any person the right to vote who is a member of the regular establishment of the United States Army, Navy or Marine Corps.

Amendment No. 2
This amendment provides that members of the Legislature shall receive \$10.00 per day during their tenure of office, and in addition each shall receive not to exceed \$2.55 for each twenty-five miles as mileage in going to and returning from the seat of government for sessions of the Legislature.

Amendment No. 3
This amendment provides that the Supreme Court shall consist of a Chief Justice and eight Associate Justices, any five of whom shall constitute a quorum, and the concurrence of five shall be necessary to a decision of a case. Our present court consists of three Justices and a Commission of Appeals composed of six Judges who now assist the Supreme Court without the power to vote and this amendment, if adopted, will make the six Commissioners full members of the Court with voting power on decisions.

Amendment No. 4
This amendment, if adopted, will empower the Legislature to increase the amount of old-age assistance from \$15.00 per month, (as now provided by the Constitution) to \$20.00 per month of State funds to be matched by the Federal Government with a like amount, which in effect would be, with both State and Federal money, the pensioner could be paid an amount up to \$40.00 per month.

This amendment further provides that a maximum of Thirty-Five Million Dollars can be raised by the State for its part in expenditures for the needy aged, the needy blind and needy children under 16 years of age.

The Herald Has the Weather Concession

Man, we are now fixed up to tell you just when it will happen, how and why. We have one of those Weatherhouses you have been hearing about over the Grand Ole Opera, and other stations. So, if in doubt about the weather, be sure to ring No. 1 for the latest information.

Almost since installed, the little boy and girl have had the old witch herded back near the fireplace, while they shashay around on the gallery or front porch. But, Tuesday morning the old witch began coming forward, just out of her door, while the children were sent back into the house.

And in case you want to get the latest on the heat, a thermometer is on the front porch of the Weatherhouse. No., we don't sell them.

P. S. The old witch didn't put out enough water to drown a gnat, and has gone back to the fire

Brownfield Oil Mill Is Expanding

Though the current drought may cause our Cotton Oil Mill to close down for a while later, it has not dried up the faith of its owners, and manager, O. L. Peterman, in the come-back of the South Plains as they are erecting another 100x150 feet cottonseed storage building at their plant one mile north of town, with capacity of 6500 tons. This institution has furnished a ready market for the cotton seed in a vast area, as well as furnishing cake and meal for ranchers and farmers, producing and feeding livestock.

Mr. Peterman, who has been very active in our local civic affairs, is making a strong effort in conjunction with Cattle Raisers Association, to procure allocation of soy beans, which can be processed thru this mill, and if successful, which looks favorable now, will keep the mill grinding full time, ahead.

Herald Gets a Big German Cigar

Sgt. Dale Brown, who has been across 14 months, and now in Germany, has recently sent his father a box of 25 German cigars, and they are really king sized. His dad brought one to the Herald office, and was smoking one. But we put our's in our souvenir collection.

The cigars are about 8 inches in length, and a third larger in circumference than ordinary ones. They are in a glass or plastic tube, with a tin cap over it. Evidently the Frau keeps her Burger's cigar moist by keeping the tissue paper damp at the top of the tube.

Dale is the son of Mr. and Mrs. N. H. Brown, of east of town, but used to live near Tokio. The Brown's had two other sons in the service, but one has been discharged after 54 months in the service.

T. C. Hogue, Jr., S 1/c of U. S. Coast Guard left the 12th after spending a ten day leave visiting his parents, Mr. and Mrs. T. C. Hogue, Sr. He has been on a transport, the USS Bayfield, in the Pacific for the past nine months. He has participated in two major operations, Iwo Jima and Okinawa. He is to report back to San Francisco and hopes to visit his brother, Carl Hogue, S 2/c of the U. S. Navy who is stationed nearby before he returns to sea duty again.

Mrs. Zeb Moore of Amarillo spent last week visiting Mr. and Mrs. Cyde Lewis.
