

## BROWNFIELD IS GROWING FASTER THAN EVER IN ITS HISTORY

**Our Roving Reporter, GWN, Makes a Survey Of the Building Activities of Our City. What Would It Do if Plenty Material Could Be Had?**

A run around town early this week reveals there is 25 modern dwellings under construction, and as many more completed since the first of the year, besides the many houses moved in and reconditioned and many additions to the older ones. Most of these houses contain from four to six rooms.

R. D. Copeland is completing a modern five-pump service station on Seagraves highway just west of the Legion Hall. He will also operate a grocery in connection.

John Walls is completing a modern equipped cafe on Lubbock highway, opposite the intersection of the Tahoka highway.

The large Ideal Body and Fender works building on Tahoka road is completed and machinery being installed.

Red Newton's 50x100 building is nearing completion on Lubbock road, to house his farm implement business, of the J. I. Case make.

T. W. Cadenhead is moving his Butane gas tanks to a new location on Seagraves highway at intersection of Lamesa highway, where he is constructing a large warehouse, repair shop and office building.

Harlen Mason is installing a wholesale oil and gas building and large tanks, adjoining his service station on north Lubbock road. Ocie Mason is completing a large garage and repair shop adjoining it. Both are recently discharged veterans.

Boyce Holder is opening up a wholesale oil and gas station on north Lubbock road. He will handle Standard Oil products, and is now installing several huge tanks.

Material is being assembled to begin construction next week on the 65x122 Oldsmobile Sales rooms and garage, by the Bowman Motor Co. at the corner of 4th and Broadway, to be of tile and steel construction.

Actual construction began early this week on the 60 x 100 tile building at the corner of west Broadway and Seagraves cutoff road, for the Kaiser-Fraser Automobile sales room and garage. Everett Latham is manager of the local company dealers.

The one story store building on south side being erected by Roy Wingerd, is nearing completion.

Mack Thomason is installing a stock of groceries and fixtures in his new store, on Seagraves highway, in the south part of town.

Andy Anderson, former resident here, is installing fixtures and stock, opening up the Handy Andy Grocery, at the corner of Broadway and Lubbock highway, in the building formerly occupied by "Sids."

Three other local business men have fifty thousand dollars set aside for construction of business houses, awaiting easing of material and labor.

### Future Farmers Make Creditable Showing At Tech Judging Contest

Competing against judging teams from 44 different high schools, boys of the Brownfield High School Vocational Agriculture Class brought back one first place and three second places from the Tech Livestock and Crop Judging Contests, which was held in Lubbock, April 27.

The Poultry Team, composed of Curtiss and L. G. Chambliss, tied for first place. Curtiss Chambliss carried off second individual honors in this event.

The Crops Team, composed of Alfred Bond, William Clements and Waymon Todd, placed second, Bond also placing second as an individual.

The Livestock Team was less fortunate and failed to place. Douglas King, Haskell Paden and Jerry Alexander make up the Livestock Team.

Winning teams received banners and individual winners received medals. The entire community extends the heartiest of congratulations to these boys.

### JAYCEES ATTEND STATE CONVENTION

### Handy Andy Food Store Opens Saturday

We are glad to welcome Andy Anderson, Mrs. Anderson and the two small Andersons to the city of Brownfield, where they expect to make their future home. Bill is 7 and Betty is 4 years old. Andy (that's what he wishes to be called) has leased the building formerly occupied by Sid's cleaners on the highway, and is opening a modern food market.

Andy is a returned GI, but he has had a lot of experience in the grocery line, having served 11 years with a wholesale grocery store in Lubbock, as well as some experience in the retail business.

He is thoroughly familiar with conditions in this section, as he has spent his life at O'Donnell, Lubbock and Littlefield. Returning from 2 years service in the navy, he could not get a house except in Lubbock.

This Handy Andy Food Store is in no way connected with chain groceries of similar name in south Texas, but rather bears his own given name with the prefix "Handy" added. He will have his formal opening Saturday, and the entire trade area is invited to visit this new store.

Since Sid moved out of the building, carpenters, paperhangers and decorators have held sway in the building, and it is really a beautiful food store. Note his prices listed in this issue of the Herald.

Plenty parking space.

### Brownfield Theatres To Be Host To Those Over 65

Beginning this month, the Brownfield Theatres will admit free during the run of a selected program, all people over the age of 65. The program this month will be "God's Country," at the Rialto May 10th-11th.

J. H. Hotchkiss of the Brownfield Theatres, stated "We are looking forward to this occasion. 'Furthermore,' he jokingly stated, 'they WILL NOT have to be accompanied by their parents.'"

Mr. Hotchkiss also calls attention to two outstanding roadshow engagements appearing on the Rio program for the month of May: "Saratoga Trunk," beginning May 12th, and "Bad Bascomb," beginning May 26th. Both run for four days.

### Graham Smith Back Home For Keeps

Captain W. Graham Smith, after over three years with the army in Germany, came in Saturday, discharged. After a few days resting and visiting relatives, he will take up his old work in the insurance business. Since occupation of Germany Capt. Graham was in Berlin with the Army Corps, directing rebuilding utilities, which were badly worn-torn.

### Famous Simmons Cowboy Band Coming

Mayor Jordan informs us that the famous Hardin-Simmons Cowboy Band from Abilene, making a tour of this section, will give a free concert Tuesday night, May 7th at the High School auditorium, and if fair weather, perhaps in the Court House park. This is one of the oldest and most famous bands in West Texas. There will be fifty members, and as they stay overnight here, townspeople are requested to furnish rooms.

The band is composed of about an equal number of boys and girls. Everyone who can spare a room for the night are urged to notify C. L. Horn, local bandmaster, or Jack Griggs.

from the local Junior Chamber of Commerce of this city, attended the State Convention of Jaycees at San Angelo, last Saturday. They heard former Governor Harold Stasson of Wisconsin, as the principal speaker of the occasion.

### Sam Teague Has DeSota-Plymouth Agency

After spending 2½ years in the service with Uncle Sam's navy aboard an LST in the Pacific campaign, Sam Teague has returned to his wife, the former Doris Lee Gore, and little 3½ year old daughter, Linda Latrice. Sam has accepted the agency for the DeSota and Plymouth cars, and is located in the former International Cement building at the end of the street north of the Brownfield Ice plant.

Sam is no stranger to the business interests of Brownfield, as he was in the automobile business here with his brother, J. M. Teague, Jr., from 1935 to 1939. He attended Tech college and graduated with a B. S. Degree in Agriculture. From 1939 to 1942, he operated the Plymouth-DeSota agency in Seagraves. He is building a new home in the southeast addition to Brownfield.

Sam is prepared to give good service on both makes of cars, as he will have well trained mechanics, and factory engineered parts. E. L. Moore will be the service manager, and was with Sam while he was in business at Seagraves. Tom Chitwood, of this city, will head the servicing of Chrysler cars.

Thus, another GI comes home and starts in on his own.

### Coach Crites To Supervise Soft Ball Tournament

Coach Harold Crites has been engaged for the summer to supervise the soft ball tournament being organized here.

Several civic clubs are sponsoring some teams, and it is thought some business firms will also sponsor one or more teams.

Those who have, or may get up a team, are requested to notify the coach, with names of players at once. Detailed arrangements are being worked out.

### Tom Adams Wins State Title

The title of Light Heavyweight Champion of Texas in the High School division was bestowed upon Tom Adams. Winning by the decision of the judges, he won over Dave Williams from Lockney, Tex.

This bout took place Saturday night, April 27 at Plainview. The award for championship given to Tom was a beautiful Gruen watch.

J. T. Ticer lost his battle on a decision of the judges to Bobby Ciley from Amarillo, Texas.

Though fighting hard, his experience proved his downfall.

### Seaman Raymond Houtchens Enjoys Home News

Gunnery Mate 3/c Raymond J. Houtchens is really enjoying his home paper over in the south Pacific, according to his mother, Mrs. S. F. Houtchens, who sends him the paper first class each week after they are through reading it.

RAYMOND HOUTCHENS

He even goes over the ads, and they give him a home touch, he states.

Raymond was a graduate of the local schools with the class of 1944, and in October of that year he began training at San Diego boot camp. Soon after finishing, he was assigned to one of the smaller boats and was in three fierce engagements with the enemy, two of the boats being shot out from under him, but he managed to be picked up.

He expects his discharge some time this summer, and will return home and perhaps can tell us a lot more about his adventures. The heavy typhoon last fall just barely missed them, he wrote.

### LIONS MEMORIALIZE FRED LOWE

The program at the weekly Lions Club, Wednesday luncheon was devoted to honoring E. F. (Fred) Lowe, an ardent member of the local club, and who passed away last Sunday morning. Tributes were paid in addresses by Rev. Preston Murphy, Burton G. Hackney, Dennis Lilly and Frank Jordan. Appropriate songs were sung by Misses Lorena Hargrove, Gwendolyn Franks, and Arnita Lucas. A committee was appointed to draft a resolution of condolences, to his family.

Mrs. A. W. Turner is on a four months leave of absence from Latham's Dry Goods store. She will resume her work there in the fall.

### Eye Witness of Nazi Atrocities To Speak

Rev. Joseph Hershel Cohen, Los Angeles, author of the books, "The Jews and Christianity" and "Looking at Russia," will speak Sunday night May 5th, at the First Baptist church.

REV. JOSEPH COHEN

Dr. Cohen has made five trips to Europe in the last 15 years. The last was the most momentous, for Europe was aflame with war. He was in Russia and Palestine during the war, and all will enjoy hearing him.

He has recently spoken in Hobbs, N. M., and Amarillo.

### School Closes May 17th With Eighty Graduates

Following the baccalaureate sermon to be preached by Rev. R. N. Huckabee at the Baptist Church Friday night, May 12th, the Brownfield Schools begin their closing week. Commencement exercises will be held at the High School auditorium on Friday night, May 17th, with the address by Dr. W. M. Wiggins, president of the Texas School of Mines, at El Paso.

It was stated by school authorities there would be about eighty graduates from the high school. Exact number and names will be disclosed next week. There also will be about 100 graduates from the Junior, to the High School.

With 64 teachers this term is considered very successful.

### County Welfare Office Moves

Miss Stephens, field supervisor of Old Age Assistance, for Terry, Yoakum, Gaines and Andrews counties, with headquarters here has moved her office from the old Legion Hall, to the basement of the Court House. Mrs. Buddy Gillham is her assistant.

The engineers, for the new road construction projects, have been assigned to offices in the old Legion Hall, just off the southeast corner of court house square.

A gallon of oil weighs less than a gallon of water.

### PORTWOOD MOTOR CO. TO STAGE FORMAL OPENING SATURDAY, MAY 4

### Red Cross Collections At Local Theatres Best In Entire Southwest

Hiram Parks, head of the Brownfield Theatres, was notified by telegram last Friday that this group of theatres had shown the largest increase in Red Cross Theatre Collections over those of 1946 of any town in the entire Southwestern District. This District is made up of the entire state of Texas, Oklahoma and Arkansas; half the state of Tennessee, Louisiana and Mississippi, and parts of Missouri, Kentucky and Southern Illinois. Dallas, Oklahoma City and Memphis serve as film distribution points for this territory.

Mr. Parks was notified in a later telegram that he had been selected a member of the "24 Hour Club", which is made up of exhibitors whose theatres showed the largest increase from each of the 14 districts and of ten selected distributors. This group will be entertained for 24 hours in Washington on May 8 and in New York for the same period of time on May 10.

While he had not been notified of the program for New York, Mr. Parks stated that the Washington program would consist of entertainment at the Statler Hotel, luncheon at the White House and a reception with President Truman.

Mr. Parks was very hesitant about accepting any honors for the success of the Brownfield collections, declaring that the entire credit for the remarkable showing belonged entirely to the people of this area, and that he offered his heartfelt gratitude to them for having been thusly recognized.

### Baptists To Collect Mothers Day Charity Fund

Baptist churches throughout Texas will observe Mother's Day May 12 with their second annual Mother's Day Hospital Fund collection to provide charity care for the needy sick in the five Baptist hospitals of the state.

Sunday schools, church congregations and all church organizations will participate with every member invited to make a gift to the sick poor as a personal tribute in honor, or in memory, of his own mother.

In the initial collection last year, Texas Baptists gave \$30,000. All gifts are used solely for giving free hospitalization to critically ill patients in need of hospital therapy but unable to pay for such treatment.

### Legion To Observe V-E Day May 8

In observance of V-E Day, the Howard Henson Post, American Legion, is playing host to all Terry County Veterans and their families, Wednesday, May 8, beginning at 7:15, with a free barbecue and dance. Scene of the occasion will be the Legion Hall.

According to Legionnaire Burton Hackney, the speaking program—if any—will be short and sweet.

As a limited number only can be taken care of, the Legion wishes to stress that the affair is for Veterans and their wives, children or girl friends. If this provision is carried out, the Legion can easily entertain the crowd.

Mr. and Mrs. C. C. Primm and daughter, Shelia Kay were in Lubbock last Friday on business.

Mrs. Johnny Davidson and daughter, Jan, of Tuscon are here visiting her father, Mr. Steve Boruk.

Allmon Jewelry  
In former location of John Walls Cafe, East Main  
BROWNFIELD TEXAS

Saturday, May 4 has been set aside by Portwood Motor Company as its formal opening day. The all-day affair commences at 8:00 A. M., and lasts until 10:00 P. M. John H. Portwood, owner and manager, extends a cordial invitation to everybody in the entire trade area and hopes that everyone will have and take advantage of the opportunity to visit and inspect his new building on this date.

Four bright, shiny new passenger cars, a station wagon and a pickup will be on display in the sales room. But there's no use trying to talk any of the sales force out of these particular cars, folks. They are already sold and will be delivered to their new owners Saturday night immediately after the end of the affair.

The new building, located at the corner of 4th and Hill streets, is the result of careful planning, with the idea of efficiency combined with attractiveness carried out in all departments. Of tile construction and faced on the street sides with green terracotta tile, the building would be a standout in any locality.

C. L. Truly, assistant manager, is head of the sales department. He is assisted by W. T. Pickett.

The parts department is stocked with an above-the-average line of parts and accessories, with a large reserve supply stored upstairs to replenish the shelves and bins in the sales room. Heading the parts department is George Germany and assisting him is Jack Benton and Fred Cox.

Miss Doretha Caldwell, office manager and bookkeeper and Miss Meryl Fitzgerald, make up the office personnel.

The service department is equipped with Laboratory Testing Equipment, Rotary hydraulic lift, ARO lubrication Equipment, Heavy Duty High Pressure Automobile Washing Machine, Doyle Vac-It, and numerous other equipment that goes to make this a very well equipped service department. Service department personnel consists of Jim Coughran, T. P. Brown, J. H. Richey, J. R. Smith, Clarence Hinkle, Walter Tomlinson, Harold Wilson, Marcelino Chadis, and Carl Brown. This department is headed by L. O. Greenfield, Jr., shop foreman.

Mr. Portwood states that he has a firm belief in the future of Brownfield and Terry county and it is his aim to do his very best to give the people of this section the type of service on their Fords that they have a right to expect and extends to all a cordial invitation to "bring your Ford home for servicing."

### Lions Attend Meeting At Alpine

Frank Jordan and wife, with Jack Griggs and wife and members of the Lions clubs of nearby towns, attended an international Lions cabinet meeting at Alpine last Saturday night. Lions from Mexico with a Mexican band furnished the music.

They were also treated to a visit to the McDonald Observatory, near Ft. Davis, where they took a peek at the heavens. They were advised, however, they would have to change their mode of living before they got a closer view.

### L. A. Greenfield Resigns P. O. Job

L. A. Greenfield, for 21 years head employee in the Brownfield Postoffice, has resigned his position effective last Tuesday. He was acting postmaster during the absence of Postmaster James H. Dallas, while in military service. Many patrons will miss his genial service.

Greenfield will soon move with his family to Tatum, N. M., where he has several hundred acres under irrigation, and indulge in farming and cattle raising.

### Portwood Motor Co., Ltd., Service Department

THIS IS THE DEPARTMENT that the entire Portwood Motor organization is built around. Owner-manager John H. Portwood places the servicing and maintenance of the car he sells on a better than equal basis with the sale of the car itself. This department will be in full operation tomorrow in order to give visitors a first-hand view of its equipment in use.

U. S. Senator Tom Connally has filed his application for a place on the Democratic primary ticket, for re-election. It is very unlikely that Connally will have any opposition for re-election. Being chairman of one of the most important committees in the congress—foreign relations — most Texans as well as other people in America see the importance of his being elected for six more years at this particular time.

Well, the time has arrived when every small weekly paper with a state candidate in their city, have joined up with that candidate to do all they can to graft other weekly newspapers of space free of charge for their candidate. It seems that almost every candidate for a state job, makes tracks for his newspaper office, to get his home editor lined up to filch advertising out of his brother editors over the state. Daily editors won't stoop to such tricks. Why don't weekly editors quit it? It is a direct insult to fellow editors, and really loses the respect they might have for such a candidate.

As we have stated more than once in these columns, almost all Americans stand ready to help all they can be saving needed food, and waste nothing, and even do without some things they have been used to having, in order to help feed hungry people in Europe and Asia. Some, at least of these people are entirely innocent. The war and subsequent famine was no fault of theirs. They are innocent victims of dictatorships. Yet, there is just a bit of grating on the nerves of people when they are told that they may have to do without a lot of things till maybe into 1948, to feed these people. As one GI remarked recently, it will take us four or five years to fatten those people up again to where they can begin drilling for another war.

There are at least two dictators in the world today, after the most terrible and destructive wars in history has been fought to eliminate three, Hitler, Mussolini and Tojo. We still have three, and a possible fourth, in Spain and Argentina, both neutrals, but both sympathetic to Germany and Japan. Then there is still some among the allies. In China, for instance, Chang is just about as near a dictator as a man could be with his limited resources and power. If he did not need US aid so badly, and he had plenty of all he needs, there is no doubt in our mind that he would be a first rate dictator. Then there is another that there is no question about. That one is Uncle Joe Stalin. He sends his representatives to all the meetings, but they must contact Moscow before any vote is taken, or any movement is OKed. Wishful thinking is not going to help us. As long as some powerful countries exist as dictator nations, just that long will the United States and other peaceful nations have to keep armed to the teeth. Let's not kid ourselves.

Bill Marchbanks called his wife, Nita Jean, from San Diego Saturday, and said he would soon be ex-Pfc. Marchbanks. He has been in the Marine Corps for two years with 20 months spent overseas. He sailed from Tientsin, China on the USS General Randal and landed in San Diego Saturday.

## We Burned Up The Roads A Bit Sunday

The majority of the Stricklins made a swing down to Odessa, Midland, Stanton and Big Spring Sunday. Odessa and Midland are growing fast. This was the first time we had seen either town in about three years. Dined in Odessa and had a delicious supper with Mr. and Mrs. Joe Roberts and daughter, Letha Nell at Coahoma.

Had a nice little chat with James N. Allison, editor-publisher of the Midland Daily Telegram early in the afternoon. Found that he had, like we, worked almost night and day during the last two years of the war, when trained help could not be had, except he stated, he did not have a wife that was trained to help him in the shop, like us.

He has plenty hands now, he stated. Leaving Coahoma about dark we motored on home in time for the ten o'clock newscast.

## SON-IN-LAW OF LOCAL WOMAN DIES

Mrs. Enoch Hunter of West Broadway was advised Wednesday that her son-in-law, Plehomon Krueger, had died early that morning at his home in Santa Anna, Texas. He is survived by his wife and four children. His wife, Mary Lou, is a sister of Mesdames Raymond Simms, Frank Jordan, and Irene Black, latter of Seminole. Though they were married here, had lived at Santa Anna.

Mrs. Hunter, Mrs. Jordan and Mrs. Simms, and two brothers from Amarillo attended the funeral down there.

Sgt. Darden, who for the past month has had charge of the local Army recruiting office, has been transferred to another station. Before leaving on sudden orders he was profuse in his thanks to those he met here for their kindness.

Mr. and Mrs. A. C. Copeland, former residents of this county but now of Plains, was here Wednesday for dental work.

## McPherson Boys Have Reunion

Mr. and Mrs. B. L. McPherson for the first time in several years had their three sons with them, at home on West Broadway, early this week. They were J. W. McPherson and wife from Walters, Okla., Barton L. and wife, late of Harlingen, and Ulee McPherson and wife of Artesia, who is to remain here until he enters GI school in June. Bart was entrained at Lubbock Tuesday for Point Barrow, Alaska, for a six months stay with the United Geophysics Company, oil explorers, with whom he has been connected for some time. His wife remains here as bookkeeper for Tri-County Clay Co.

## F. F. A. BOYS CLUB HAVE BANQUET

The F. F. A. boys club, with their parents staged a banquet at the High School gymnasium here last night. Motion pictures of soil conservation and other agricultural interests, furnished by a large implement concern, was shown. This club is very active, and successful in their efforts.

Mr. and Mrs. K. Martin Kirschner and children of Stamford were weekend guests of Mr. and Mrs. Sam Kirschner.

Rev. and Mrs. R. N. Huckabee, Mr. and Mrs. Leo Holmes, Mr. and Mrs. Bill McKinney, Mr. and Mrs. Fred S. Cox, Mr. and Mrs. Jack Benton, Mr. and Mrs. George Gergany, Mr. and Mrs. C. L. Truly, Mr. J. R. Smith, Mr. W. T. Pickett and Miss Merle Fitzgerald attended the funeral of Mr. John Portwood's father at the Plains Funeral Home in Lubbock Monday afternoon.

Cpl. Don Cates, who is a finance technician, in the Army Air Corp, and is stationed in Manila, called his parents, Mr. and Mrs. P. R. Cates, Thursday of last week and said he was well and would like to see little Carole Elizabeth.

Mr. Bill McKinney and his Sunday School class of boys from the Methodist church left Wednesday noon for a few days fishing at Lake Texhoma near Dennison, Texas. Those going were: Oliver Wheat, Joe Dale Scott, Don and Jimmy House, Chuck Wilson, Bernard Ward, Allen Thomason, Jackie and Jerry Worsham, Robert Knight, Robert Earl Montgomery, Bobby White and Jack Fitzgerald. Messrs Will Fitzgerald, Gene Gunn, L. M. Lang and Rev. R. N. Huckabee accompanied the group of boys and Mr. McKinney.

Mr. and Mrs. J. E. Smith moved into their new home on the corner of Ripptoe and Club streets, Monday and are now ready for their friends to drop in even though they lack the venetian blinds, a lavatory and an ice box.

Mr. and Mrs. Dayton Simpson, of Winters were weekend guests of Mr. and Mrs. Les Short.

The Wesleyan Guild of the Methodist church will have a mother and daughter banquet, May 8th at 7:30 o'clock in the Fellowship Hall of the church. Each guest is to bring her daughter or borrow one and bring her for the occasion.

Mrs. W. Moury Lewis, who sustained painful injuries when run down by an automobile at Broadway and Lubbock Road on April 21st, was released Wednesday from the local hospital, and is now at home on South B Street.

Somewhere on the high seas is a present destined for this columnist: it is a Japanese sword, 440 years old, and is the gift of Lt. Col. Ralph Yarborough of Austin, whose Army division—the 97th—was the only one to serve in both Europe and the Pacific. Among his many important assignments has been directing the military government in an area containing one-seventh of the population of Japan. Col. Yarborough has received two battle stars, a bronze star, a commendation citation and ribbon.

A little Texas story: A farmer living near one of the big cities became quite noted for his weather predictions, which were more accurate than the official forecasts. At last, the weather forecaster of the city decided to learn what the other's system was, so he drove to the farm and found the old fellow plowing. The visitor (let's call him Brown) did not introduce himself but opened the

THE STATE OF TEXAS TO: D. Zweig, his heirs and legal representatives, H. N. Anthony, his heirs and legal representatives and Jack L. Toone, his heirs and legal representatives, GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 3rd day of June, A. D., 1946, at or before 10 o'clock A. M., before the Honorable District Court of Terry County, at the Court House in Brownfield, Texas.

Said plaintiff's petition was filed on the 20 day of April, 1946.

The file number of said suit being No. 3194.

The names of the parties in said suit are: Fred C. Smith, individually and as independent executor and sole devisee under the will of Mattie Smith, deceased, as Plaintiff, and D. Zweig, his heirs and legal representatives, H. N. Anthony, his heirs and legal representatives and Jack L. Toone, his heirs and legal representatives, as Defendants.

The nature of said suit being substantially as follows, to-wit: Suit in trespass to try title, for damages and rents of the North-east Quarter of Section 24, Block C-37, P. S. L., in Terry County, Texas, for judgment for the title and possession of said land and premises, for writ of restitution and for costs of suit; plaintiff pleads the three and five year statute of limitation.

Issued this the 20 day of April, 1946.

ONLY A SMALL PORTION of the Service Department is the Washing and Lubrication Department, but nevertheless, it is a very important part, for here your car receives the proper attention that will lessen the necessity of costly repairs and keep your car looking new longer. We have equipped this department with a Rotary Hydraulic lift that will easily handle large trucks, ARO Lubrication Equipment, a heavy-duty vacuum cleaner and a high-pressure automobile washing machine.

THE PARTS DEPARTMENT is as well stocked as it is possible for us to stock it. In addition, we keep another large supply stored upstairs. Our parts personnel has been carefully selected for their knowledge of and experience with automotive parts.

ON OUR DISPLAY FLOOR, you will see six new units next Saturday: four passenger cars, a station wagon and a pick-up. At the present, this is a fairly unusual sight, but we hope the end of this situation is near and there will soon be Fords for all.

### Nedra Jones Weds California Man

The marriage of Miss Nedra Jones, daughter of Mr. and Mrs. Mat L. Jones of Carlsbad, New Mexico to Frank Hale of Eureka, California, has been announced by the bride's parents.

The single ring ceremony was performed in Albuquerque by the Presbyterian pastor, the 27th of March.

The bride is a graduate of the Brownfield High School, class of 1943, and was employed at the Roswell Army Air Base.

The groom is the son of Mr. and Mrs. Forest Hale of Eureka, California. He received his discharge February 6th.

The couple will make their home in Eureka until September, when they both will enter Washington State College at Pullman, Washington.

Mr. E. H. Graham, of Pauls Valley, Okla., was a houseguest of Mr. and Mrs. Al Muldrow several days this week while here on business.

### CARD OF THANKS

We wish to thank the many friends and acquaintances for their expressions of sympathy during the recent illness and death of our father.

Mr. and Mrs. John H. Portwood and family.

### EIGHTH GRADE HAS PICNIC

The Eighth grade pupils, with their parents and teachers, spent yesterday at a picnic at the County Park.

Pfc. W. S. Morris of Camp Perry, Williamsburg, Va., is home on furlough, and he and father, B. S. Morris, who is now farming just over in Lynn county, east of Meadow, called Monday. His dad let it out of the bag that his son was getting married while home, account of which we have elsewhere in this issue.

Mr. and Mrs. Roy C. Harriss and Mr. and Mrs. Roy D. Harriss made a business trip to San Antonio last week.

Mrs. John R. Turner, of Uvalde spent the weekend here on business and visiting friends.

County officers have filed charges against Emmett Sanders, for aggravated assault, alleging he severely beat and bruised his wife. He was jailed Tuesday, pending trial.

Mr. L. O. Toole, about 40, was brought to the local hospital Monday afternoon, with painful though not serious injuries sustained in a fall from a new building at the Carbon plant this side of Seagraves. He had sustained a sprained ankle and bruises.

Mrs. Crawford Burrows entertained a small group of friends informally Tuesday morning, with a coffee for Mrs. W. A. Roberson. Coffee and doughnuts were served to Mesdames Roberson, Vance Treadaway, Frank Szydoski, Ken Sadlier, Joe Miller and Ted Hardy.

Mr. Jack Browder was in Beaumont visiting his mother and in Houston, Groveton and Texas-Kana on business last week.

Mrs. M. R. Paddock returned to her home in Weatherford, Okla., after a two weeks visit here with her parents, Mr. and Mrs. W. M. Adams.

Mr. and Mrs. William L. Jones were in Levelland Sunday afternoon visiting Mr. and Mrs. C. J. Hibbets.

Bennett E. Cathey, who was seriously injured in a car wreck near Weatherford, on April 11th, but who has been in a local hospital the past few days, was carried to the Veterans hospital at Amarillo Sunday, by the Brownfield Funeral Home ambulance.

One little woman, Mrs. Graham Smith, poked her head in at the Herald office one day last week, and announced that her hubby, Capt. Graham Smith was on his way home. Was she thrilled? Of course most of us know Graham is now at home.

Charles Goodnight is home again after serving four years in the army. He received his discharge papers April 9th at Ft. Bliss.

Deenie Ballard Presented In Piano Recital At Jesse G. Randal School

Miss Carolyn Reynolds presented her pupil, Deenie Ballard, in a piano recital, Tuesday evening at 8 o'clock in the auditorium of the Jesse G. Randal school. Nancy Weir and Marian Wingerd assisted with the program.

The following piano selections were given by Deenie: Prelude in F, Chrale, and Prelude in C by Bach; Sonata, Op. 49 No. 2 by Beethoven; Anitras Dance by Grieg; Three Little Waltzes by Schubert; Song of the Lark by Tschajkowsky; Chatterbox by Rolfe; Morning by Prokofieff; and The Little Nigar by Debussy. Nancy sang, In Old Madrid by H. Trotere and Marian gave The House I Live In by Earl Robinson. Jane Weir and Mrs. Jane Shirley

were the accompanists.

Baskets of flowers transformed the stage into a garden and the three girls wore corsages of talisman roses in their hair. Deenie was beautiful in a dress made with a full hooped skirt of blue taffeta and strapless bodice of peach lace trimmed with blue velvet ribbon.

Refreshments of sandwiches, punch and gum drops in assorted colors were served from a table laid with a white cloth and centered with an arrangement of peach gladiolas which was flanked with blue candles. White napkins with "Deenie" monogrammed in blue were used. Mrs. E. D. Ballard, grandmother of Deenie, presided at the punch bowl with Nancy and Marian assisting with the serving.

Miss Dorothy Nell Graham And Alfred Gore Are Married

Miss Dorothy Nell Graham, daughter of Mrs. Stella Graham, became the bride of Alfred Gore, son of Mr. and Mrs. G. G. Gore in a double ring ceremony read by Cline R. Paden, minister of the Church of Christ, at the home of the bride's grandmother, Mrs. J. D. McDonald, April 26th at 10:00 A. M. Bowls of talisman roses decorated the room.

Mrs. Jack Thomas, of Lubbock, cousin of the bride, was matron of honor and Claudie Gore was best man.

The bride wore an aqua suit with black and white accessories. Her corsage was an orchid.

Mrs. Gore attended the Brownfield schools and graduated from the Kosciusko, Miss. high school. She is also a graduate of the Jockson Commercial Business College of Jackson, Miss.

Mr. Gore graduated from the Brownfield High School and attended Tech before entering the service. He was with a corps of combat engineers for three years and was overseas in the ETO. Mr. Gore is now in partnership with his brother Bill in the wholesale meat business.

After a short wedding trip to Ruidoso the couple will make their home here.

Guests at the wedding were: Mrs. Stella Graham, Mr. and Mrs. G. G. Gore, Mrs. J. D. McDonald, Mrs. Bill Gore, Latrice Teague, Mr. and Mrs. Willie McDonald and Miss Gertrude Jones.

**Grandmother Vinson Given Surprise Party**

Members of the Women's Missionary Union of the First Baptist Church and other guests honored grandmother Vinson with a surprise party at the home of Mrs. Charles Didway, Tuesday afternoon, to celebrate her eightieth birthday. When she arrived the group greeted her with the song, "Happy Birthday to You," and the W. M. U. presented her with a corsage.

After the many lovely gifts were opened and displayed the group sang many of Mrs. Vinson's favorite songs. Charline Didway played "I Come To The Garden," her special favorite. At the close of the singing Rev. Brian gave a prayer.

The refreshment table was laid with a mederia cutwork cloth and centered with roses and honeysuckle. The center of attraction was a beautiful birthday cake decorated with 80 candles. Mrs. Didway served punch with Mesdames Carl Johnson, R. M. Moorhead, Gladys Moorhead and Charline

**MRS. SIMES COMPLIMENTED WITH HANDKERCHIEF SHOWER**

Mrs. Charles Wilson and Mrs. Phil Gaasch complimented Mrs. C. F. Simes with a handkerchief shower as a farewell gesture, Friday afternoon of last week in the home of Mrs. Gaasch. After the gifts were presented the honoree an enjoyable hour was spent in visiting.

A salad plate was served to Mesdames Simes, Al Muldrow, Preston Figley, M. L. Mook, L. L. Bechtel, Joe Miller, Ed Perry, Boyce Holder, Wayne Lewellen, Rudolph Moorhead and Joe Shelton. Mesdames Harvey Gage, R. N. Huckabee and Bill McKinney sent gifts.

Didway assisting with the serving.

Guests were: Rev. and Mrs. A. A. Brian and Mesdames H. B. Grant, C. E. Ross, R. M. Moorhead, Gladys Moorhead, Roy Phillips, J. H. Carpenter, C. D. Moore, Carl Johnson, George W. Neill, Holmes, Jess Smith, Ame Flache, K. W. Howell, B. L. McPherson, and the honoree.

**Junior-Senior Banquet Goes Western**

One of the gala social affairs of the school year was the Junior-Senior banquet and prom held at the Legion Hall last Friday evening. Items pertaining to the West such as wagon wheels, ranch brands, saw-horses and baregrass were used to decorate the hall. The girls wore gingham dresses and the boys levis and plaid shirts.

The program was as follows: Welcome, Joe Killough; Response, Alfred Bond; Invocation, T. E. McCollum; Solo, Bennie Tapp; Senior Class Prophecy, Marian Wingerd and Gene Thompson; Last Will and Testament, Daina McLroy; Benediction, W. M. Vernon.

After a delightful meal of barbecue and sauce, potato salad, baked beans, pie a la mode and iced tea, the crowd enjoyed dancing to the music of Clifford Horn's orchestra.

Mrs. John Middleton of Seagraves, wife of floorman of the Herald, was carried home Saturday, following a minor operation earlier in the week.

# Remember is Mothers Day

Deep in your heart is a very special kind of love for a very special kind of lady—your "Mom." Through the days and weeks of the years you take her very much for granted—accept her kind words and deeds, her patience and understanding, her courage and selflessness. May 12th is Mother's Day—the day on which you can express your love and devotion—on which you can let her know in some small way how much she means to you every day throughout the year.

*Honor Mother on her Day*

Listed here are some of the many things we know she would love to have.

### Terry Goes Over Before Campaign Opens

Austin, April 30—Fred F. Florence, president of the Republic National Bank of Dallas, has promised to buy a manure for Mrs. Jo Ann Schuster.

Mrs. Schuster tore a newly-polished fingernail in dialing long-distance to tell Mr. Florence, in his capacity as state chairman of the National Americanism Endowment Fund's \$450,000 Texas campaign that Terry County had come through with its full quota—three weeks before the campaign opens officially.

C. L. Lincoln, of Brownfield, the county chairman for the campaign, sent a check for \$348.00 with the succinct report that American Legionnaires had subscribed it "at open meeting by unanimous consent" because "we all feel there cannot be too much teaching of the principles of our American con-

## EIGHTY-ONE TO GRADUATE AT HIGH SCHOOL THIS YEAR

### Many Changes Take Place In Oil Fields

Recently, at the Herald office, a pretense was made to do a little spring cleaning, and in doing so, naturally we ran across a lot of old stuff that had been parked back in unused reservoirs and forgotten. Among such junk, we ran across a "Map of the Permian Basin" that was probably printed about 1936 to 1938. We had pasted this old map on a piece of cardboard, as the oil game was just beginning to be played in this region.

The old map was printed in some newspaper, and on the back side, when we pried it loose from the cardboard a bit, we found pictures of the coronation of the present British King. That is as near as any date we could find. But the old map was interesting. To begin at the southeast there was a well, the Albaugh in what is now the Welch oil fields, just over in Dawson county from the southeast Terry county line. There was no Cedar Lake field, but a well or two northwest of Seminole.

The Huge Wasson-Denver City fields were unknown at that time, but there was a well at Bennett, eight miles southeast of Plains. There was a Duggan well in Cochran county, and the Slaughter well in Hockley county. Today, as most all in this section know, this field is now one and extends down a few miles in Terry county, and covers a huge territory with heavy producers that have long since connected the two fields. And all the fields mentioned have spread over large territories, with a nice little field in east Yoakum and west Terry being developed.

At the time the old map was printed, Upton, Crane, Ward, Ector, Winkler and the Lea county New Mexico fields were fairly well developed, and Andrews had several sizeable fields. Also there was a small development in Gaines county known as the Kirk well.

The Old He had done a bit of measuring on the now yellowed map, as we could vision Brownfield as some day quite an oil center, which has been justified by events. It was by air line, 27 miles to the Albaugh well in Dawson; 27 to the Bennett well; 30 to the Duggan well in Cochran, and 22 1/2 miles to the Slaughter.

What a change, what a change!

### Servicemen Claims Running High Here

Servicemen's Readjustment Allowance Claims from veterans are running heavy in the Brownfield area, according to Mr. H. W. Richardson, Senior Claims Examiner for the Texas Unemployment Compensation Commission.

Mr. Richardson will be at the Courthouse at Nine A. M., Wednesday, May 8th, 1946.

In addition to veterans affairs, Mr. Richardson will conduct the regular business of the Unemployment Compensation Commission while in town.

As agent for the Veterans Administration, the Unemployment Compensation Commission accepts readjustment allowance applications from unemployed ex-servicemen, as well as from veterans whose earnings from self-employment are less than \$100 a month. The \$20-a-week allowances may be drawn by the veterans any time up to two years after the official termination of the war, or two years after the individual gets out of the service, whichever is the later.

## Fly Control In Terry A Must

With recent showers throughout the area producing ideal conditions for the production of flies and other insects, an appeal is made by Walter Breedlove, Public Health Engineer of the South Plains Health Unit, for fly control by clean up and the application of D. D. T. to areas where flies are now being produced.

The danger to public health which may result from the production of flies especially the dysenteries and polio makes it very urgent that every person pay particular attention to the control of flies on his premises. All cow lots and privies should be cleaned and dusted with D. D. T. 10% dust, all garbage should be placed in covered containers and the area sprayed with a suitable spray. For the prevention of flies in the house screens and woodwork inside and out should be sprayed with a 5% solution of D. D. T.

There are several excellent D. D. T. preparations on the market such as 5 percent spray, 25 percent concentrate and 10 percent dust and these preparations are used according to directions are not harmful.

In making this appeal more urgent the fact that fly breeding constitutes a nuisance is quoted from the Texas General Sanitation Law as follows:

"Any condition or place allowed to exist in populous areas which constitutes a breeding place for flies."

Since the prevention of flies is of such great importance to the

## Outlook For Texas' Grain Crops Fair

College Station—Unless conditions grow worse, Texas farmers in 1946 should produce the third largest wheat crop in the state's history. Based upon April 1 conditions, the Crop Reporting Board of the U. S. Department of Agriculture forecast a yield of 59,940,000 bushels, according to a statement released by the Bureau of Agricultural Economics at Austin. If this yield is realized it will come from the largest acreage ever seeded in Texas.

The BAE statement points out, however, that final wheat harvest is dependent largely upon the state of the weather during April and May. In the important northwest wheat area, timely rains and snow provided sufficient surface moisture to bring the crop through the winter and early spring months with light losses of acreage. Notwithstanding, total rainfall for the season is below normal and sub-soil moisture is deficient. Meanwhile, good general rains are needed to prevent further loss in acreage and yield.

In other wheat areas, however, rainfall generally had been adequate and the crop to April 1 had made good progress. Infestation of greenbugs have been reported in many areas, but the damage from this insect had not been excessive.

Assuming that current growing conditions continue, or improve, the yield forecast would be exceeded only by the record crop of 1944 and that of 1931.

The BAE statement said that the prospective yield per seeded acre at 10 bushels is 1.9 bushels above the seeded yield from the 1945 crop and 1.8 bushels above the

health of our people it should be unnecessary for the control of flies to be other than voluntary procedure. With D. D. T. and a reasonable amount of clean up the production of flies can be reduced to the extent that they will not be a hazard to the health of our children.

PETITION IN BEHALF OF JOHN LEE SMITH FILED BY VETERANS

HOUSTON, TEX., April 8, 1946.—A group of 25 Harris County World War II veterans Tuesday sent a \$100. certified check and a petition requesting that Lt. Gov. John Lee Smith's name be accepted as a candidate for governor by the State Democratic Committee, William H. Posey, group leader, reported.

"We feel Lt. Gov. Smith has been a consistent advocate of those principles for which the youth of this country fought and died, especially the following points: "1. That ex-servicemen must be given preference in all jobs, public and private, and that his honorable discharge should be the only requirement for employment. It should not be secondary to a union card."

Veterans Questions And Answers Dept.

May a wife, widow, child, or other dependent of a veteran be granted hospital care by the Veterans Administration?

A. No. The person must have served in the armed forces.

Q. If a veteran dies after discharge from service, may a burial allowance be awarded by the Veterans Administration?

A. When a veteran of any war, discharged or released from active service under conditions other than dishonorable, a veteran of any war in receipt of compensation or pension, or a veteran of other than wartime service discharged for disability incurred in line of duty or in receipt of pension for service-connected disability dies after discharge, the Veterans Administration may pay for burial and funeral expenses and transportation of the body to the place of burial, a sum not exceeding \$100.

Q. What veterans are entitled to special privileges under the homestead laws of the United States?

A. Any veteran who served not less than 90 days, and who was honorably discharged and makes a homestead entry, is entitled to have the term of his service in the armed forces, not exceeding 2 years, deducted from 3 years' residence required under the homestead laws. Further information may be secured from the General Land Office, Department of Interior, Washington 25, D. C.

Q. May a veteran who has no service-connected disability be entitled to a pension?

A. A veteran may be paid a pension for a non-service-connected disease or injury only if the disability resulting therefrom is rated as permanent and total, and providing such condition is not due to the veteran's own wilful misconduct. The veteran must have more than 90 days active military service terminated by a discharge under conditions other than dishonorable.

"V" Gardens To Help Relieve World Famine

Four-H Club boys and girls throughout the nation are setting an example for all America. They are keeping on with their Victory gardens, which totaled a million acres during the war. It is in response to President Truman's recent message emphasizing the importance of increasing America's total food supply to help relieve famine abroad.

The club members' action is stimulating rural youth to participate in the 1946 National 4-H Victory Garden award program. The awards are offered by Allis-Chalmers for outstanding records of achievement. They comprise gold-filled medals of honor to the four top ranking entrants in each participating county, and \$9,600 worth of U. S. Savings Bonds to be shared by state and national winners. Sectional winners will also receive an educational trip to the 25th Anniversary National 4-H Club Congress in Chicago next December.

Participants learn how to care for and manage a well-planned garden, carry out a program of garden insect and disease control, and market surplus produce in an economical, approved manner. Planning gardens for a long season is encouraged so that nutritious vegetables and fruits can be produced for use throughout the year.

The State Extension Service will provide information and suggestions for carrying on this program and for helping 4-H Club members in attaining its objectives.

Last year's eight highest rating entrants in Texas were: George McBee of Eastland, Henry Neil Schacht of Lockney, Dick Penn of Moore, Jim Whaley of Estelline, Glafira Lopez of Alice, Helen Kojala of Damon, Lillian Roder of Shiner and Frankie J. Gipson of Plainview.

DD Said To Control Plant Root Disease

College Station—"DD", a petroleum by-product, shows promise of being a practical means of controlling the nematodes which cause plant root diseases, according to M. K. Thornton, agricultural chemist of the Texas A. and M. College Extension Service.

DD apparently is as effective in nematode control as other chemicals for this purpose, including carbon disulphide, methyl bromide mixtures, and tear gas. And the cost is much less than the other chemicals, which ran from eighty to several hundred dollars an acre.

Trials at the Plant Industry Station of Beltsville, Md., and the Branch Experiment Station, Weslaco, Texas show that DD is highly effective on the common root-knot nematode when soil conditions are favorable.

The DD liquid is applied in holes driven into the soil or as an

Tom Warren Brings In Huge Egg

We don't know whether Tom Warren has been doubling the diet of his hens or not, but he brought in an egg Tuesday, that was a whopper. Of course the egg had a double yolk, but the shell was very thin, and even with careful handling it was broken in two places.

The egg measured 8 1/2 inches in circumference the long way, and 5 1/2 around, and weighed five ounces. We forgot to ask Tom his brand of chickens.

**Phillips Company Shows Small Profit**

Marking its highest first quarter profits in the last eight years, with the single exception of 1945, Phillips Petroleum Company today announced a net profit for the first quarter of 1946 of \$4,244,933, or 86 cents a share, after provision for all charges, reserves, and taxes. In the same period last year, the net profit was \$9,145,293 or \$1.86 a share, including 61 cents of non-recurring profit from the sale of stock in another company.

The Company's first quarter sales of motor fuel were 25% higher than in the last pre-war first quarter of 1941.

**Obituary**

A great throng of relatives and friends gathered together at O'Donnell at the Church of Christ to pay their last respects to Lester Virgil Etter of Brownfield.

Minister Garnie Atkinson had charge of the services.

Mr. Etter, having moved to a farm nine miles southeast of Brownfield from O'Donnell a year ago.

Mr. Etter was born in Oklahoma December 19, 1901. Came to O'Donnell, Texas, with his family at the age of three years and lived there until said time. Lester died April 20, 1946, his death being due to a heart attack.

He was married to Miss Vera Askew of O'Donnell, Dec. 23, 1932 and to this lovely union three daughters were born, Peggy 12, Pat 11, and Polly 6.

Mr. Etter was a member of the Church of Christ, a very faithful Christian, husband and father.

He left his companion and three daughters, 3 sisters, Mrs. Loretta McLaurin of Ruidoso, N. M., Mrs. Hattie McLaurin of O'Donnell and Mrs. Myrtle Walls of Snyder, and 2 brothers, a twin brother, Chester of Andrews and John Etter, of O'Donnell.

All of Mr. Etter's brothers and sisters were able to attend the services. Also all of Mrs. Etter's family were able to attend. Mrs. Etter's parents are Mr. and Mrs. P. E. Askew of this city.

Miss Helen Askew of Long Beach, Calif., and Kenneth Askew of Hollywood, Calif., flew here to be with their sister in her sad hour. Also another sister and husband, Geraldine and Charles Shanklin of Lubbock were present. Another brother, Pvt. R. B. Askew of Ft. Bliss, Mrs. Bertha Rooker of Altus, Okla., an aunt of the deceased, also Mrs. Billie Teeter of Colorado Springs, Colo.

**TEXAS FOLKLORE GOING TO MOSCOW, RUSSIA**

Austin—Texas folklore will soon find its way to Moscow, Russia, a University of Texas librarian reports. A copy of the 1941 publication of the Texas Folklore Society, titled "From Hell to Breakfast" has been ordered from Moscow. Mrs. Marcelle Hamer, treasurer of the Folklore Society, and Texas collection librarian, said that the book will be sent to an exporting firm for forwarding to Russia.

The book is a collection of folk tales, and its title came from the saying that "when a man travels from hell to breakfast he goes a far piece and covers a lot of territory; he sees the elephant and hears the owl."

Mr. and Mrs. O. V. Hill and daughters, of Plains, were guests of Mr. and Mrs. C. R. Musick, Sunday.

**Measles Incidence Higher Than 7 Years**

Austin—with the incidence of measles more than sixty per cent higher than the seven year median, Dr. George W. Cox, State Health Officer, has issued a statement concerning the use of gamma globulin for protecting very young or frail children from an attack of this perennial childhood disease and its often serious complications.

"If you have a child less than five years old who has been exposed to measles, your family doctor may recommend giving him gamma globulin," Dr. Cox advised. "Through city, county or state health departments, doctors can obtain gamma globulin free to be used as they think advisable. Infants and children, whose health makes it inadvisable for them to suffer an attack of measles, may postpone the disease if gamma globulin is administered within eight days from the time of exposure."

The State Health Officer emphasized the fact that gamma globulin cannot give a child permanent protection against measles and added that the protection is ordinarily of about three weeks duration. However, there is no limit to the number of times it can be used, and a baby who is protected by it now can be protected by it again in June or July. Gamma globulin can go on shielding him against measles until he is old enough and strong enough to stand an attack without serious consequences.

During an outbreak of measles, Dr. Cox said that it is well to keep children under five years of age, and more especially frail children, from all other youngsters who might serve as sources of infection. Statistics show that nine-tenths of all measles deaths occur in children under five years of age.

Mr. and Mrs. Everett Hicks, of Ft. Worth, are here visiting Mr. and Mrs. G. W. Hicks Mr. and Mrs. L. R. Pounds and Mr. and Mrs. L. J. Dunn, Jr.

**Fred Lowe Dies Of Heart Attack Sunday**

E. F. (Fred) Lowe, aged 51, well known Brownfield business man, died of sudden heart attack, at his home on north First street at 3:00 o'clock Sunday morning. His wife was awakened by his struggling and immediately summoned physicians and neighbors, but he succumbed before they arrived. He had been active in his photographic studio Saturday, which he had successfully operated here for several years.

Funeral services were conducted at the Methodist church, at 2 P. M., Tuesday, by Rev. R. N. Huckabee, pastor, assisted by Rev. V. F. Lowrance, pastor of the Primitive Baptist church. Interment followed in the Terry County Memorial Cemetery, under direction of Brownfield Funeral Home.

He is survived by his wife, the former Ruth Pharr, and three young daughters: Freddie Ruth, 11; Frances, 6; and Felicia, one year old, and by his father, I. A. Lowe of Lubbock; his mother, Mrs. Wilbanks, of Spearman; three sisters, Mrs. Evelyn Collins, an employee at the postoffice, Mrs. Kathryn Buckner, and Mrs. Lovena Goodman, both of Lubbock, and a half brother, J. B. Wilbanks of Spearman. His father was a pioneer settler in south Terry. Fred has lived here for thirty years, and had achieved success in photography and business.

His mother and brother, and all other survivors attended the funeral.

Lt. and Mrs. Allen Todd, who have been stationed in Austin, visited with Mr. and Mrs. Tommy Hicks, Wednesday and Thursday while enroute to North Carolina where Lt. Todd is being transferred.

**NEGRO, LATIN-AMERICAN FOLKLORE SOCIETIES TO MEET**

Austin — Folklore of the Southwest—native, negro, and Latin-American, will be illustrated in literature, dances, and songs when the Texas Folklore Society holds its annual meeting at the University of Texas May 17-18.

Frank Goodwyn, president, and instructor in English at the University, has announced that foremost authorities on the three types of folklore will be on the program. They will be Mason Brewer, organizer of the only negro folklore society in the United States; Ralph Steele Boggs, professor of Hispanic literature at the University of North Carolina, and Brownie McNeil, University of Texas.

Members of the Society and others interested are invited to attend the meetings, which will be held on the campus and in the Texas Memorial Museum.

T/5 Ernest F. Richards, son of Mr. and Mrs. C. C. Moore, wrote that he is now at the port of embarkation in Italy waiting for a boat home. He has been in the army for 26 months and will receive his discharge papers on arriving in the United States.

Mr. and Mrs. J. B. Worsham were in Dallas on business the first of the week.

**DO WE WANT A DICTATOR SETUP?**

The surest way to destroy representative government in this country is to tie its future to our economic fortunes. Even now the American form of government is being distorted in an effort to control "inflation," to protect the people from possible economic hardships resulting from the war, and excessive government borrowing.

The truth is that there is no sure way to avoid a postwar upheaval. Material values will continue to undergo change. A people of strong will can live through the hardship of this change, and if necessary, start from scratch, economically speaking. However, continue the present trend of trying to soften the blow of what we are pleased to call inflation, by sacrificing institutions of government that alone stand between the people and the ruthless political oppression of past ages, and there will never be an opportunity to build anew. The sacredness of the individual inherent in the American political structure is the foundation of our civilization. Nothing should be permitted to weaken this structure. That is why the present controversy over the extension of OPA goes so much deeper than the question of prices. OPA is a form of government. It rules by decree. It can spread through every strata of American life. It is beyond the courts of our land. The question—and the only question—is, Do the people want this kind of government?—Rotan Advance.

**LOCAL PIONEER WOMAN OBSERVES 80TH BIRTHDAY**

Mrs. J. B. Vinson, widow of the late J. Bart Vinson, pioneer minister of the south Plains, was given a birthday party, Tuesday afternoon, by the W. M. U. of the local Baptist church, assisted by her neighbors of various creeds, at the home of Mrs. Chas. Didway on East Broadway. A huge cake with 80 candles, was served by Mrs. Dollie Fowler, was many other refreshments. She was recipient of many gifts. Her husband, who died about 12 years ago, pastored many churches in the early days of Terry county, and the South Plains. Though an injured limb keeps her shut in, she kitted dozens of sweaters and gloves for "our boys" during the recent war.

Dr. and Mrs. E. C. Davis left Wednesday for a ten-day visit in Erie, Penn.

**Terry County Pioneer Woman Passes On**

Mrs. Mollie Bell, aged 70, wife of Noah Bell, among the first settlers in this county, died late Saturday afternoon in a local hospital, to which she was rushed on being stricken ill at home, Tuesday morning. Funeral services were conducted by Rev. A. A. Brian, pastor of the First Baptist church here, Sunday at 3:30 p. m., followed by interment in Terry County Memorial Cemetery, under direction of Brownfield Funeral Home.

She is survived by her husband, widely known pioneer cattleman, one son, A. J. (Jewel) Bell, prominent stockman of this county; two daughters, Mrs. Clara Gist, wife of Brock Gist, of San Marcos, Calif., and Mrs. Vera Bingham, wife of Johnnie Bingham, well to do farmer of the Needmore vicinity, and nine grand children and three great grand-children. Two brothers survive, Charlie Raymer of Missouri, and Walter Raymer of San Angelo, who was at her bedside. All the children and grand children attended the funeral. Mr. and Mrs. Gist arrived in an hour after her demise. Their son Burrell, just discharged from military service, arrived Friday. They had planned on his arrival for him to drive Mr. and Mrs. Bell to his

**I GIVE YOU TEXAS**

By Boyce House

The only sea voyage I ever took was to Catalina Island, off the coast from Los Angeles. True, the distance was only 25 miles but the ship's deck developed quite an angle at times and walking wasn't easy.

The craggy island rises high from the sea, presenting a sight familiar to movie-goers for it has furnished the background of many a saga of the ocean—shipwrecks, marooning of sailors and hunts for pirate treasure; and it has been the locale for many an idyl of a South Sea isle.

On the way, you see flying-fish. There are many beautiful homes—including the one that belonged to Novelist Zane Gray—escorted on the precipitous slopes, which are clad in shaggy, green bushes. Then there is a drive over the island and, from the crest, you look down upon what seems a toy village, and creamy waves, incredibly little, break against a miniature shore.

But none of these constituted the most memorable feature of Catalina Island, which by the way is owned by William Wrigley, the chewing gum magnate, and he spent millions of dollars in the original purchase and in its beautification.

Nor was the most vivid experience the ride in the glass-bottomed boat, though you saw many marvelous ferns and flowers growing in the water and fish of many kinds glided at your very feet and stared at you with their big eyes; and, as the climax, the diver went overboard and you beheld him far below, on the bed of the sea, and after what seemed a minute, he started back to the surface with a big shell in his hand.

No, the most remarkable thing about this island, and it was literally "about" the island, was the water that lapped its shores, water not blue but actually purple—so rich in hue that it looked as though it had been dyed; but of course that could not be for it stretched far out to meet the baby-blue of the arching sky, which was dimpled with clouds.

You'd like Catalina Island.

Out of town relatives and friends attending the funeral of Mrs. Noah Bell here Sunday, were W. G. Cook and J. C. Bohanan and families of Lovington, Mrs. Jim Smith and two sons of Tatum, Mrs. Annie Raymer of Lubbock.

Mr. and Mrs. Rass Drake were in Lubbock shopping Monday.

**The Low Down From Hickory Grove**

You know, you don't find anybody much, who is concerned or excited about Socialism. It is seeping in at all the cracks but nobody alerts himself. Talk to 'em about it and they will look out the window—or fiddle with the blotter on their desk, and change the subject. But they will pound the table about England going into coal mining and putting politics in as cashier of the banks. Also, about France and her taking over the gas works, and electricity. But they won't stay awake if you tell 'em the U.S.A. is headin' for the same kind of mess.

Susie and I, we just been on a little trip to the city. I scurried around—visited with a lot a people—and like it was there in Rome just before they finally burned down the town, everybody had a pocket-full of dinero, and the fun was on—nobody gave a hoot beyond "what is the next dance."

And from our trip I deduct that there is nasty weather ahead of us—for big and little—if we don't get over the notion that socialism is something for the other guy to stew about—not us. It will not be just the big people who will be elbowed around by an over-size and socialist govt.—nor just the little people. It will be ALL the people.

What this country needs is a new Paul Revere. And ridin' with him, he should have a pulchritudinous Miss Bathing Brevity. That would alert us—100 per cent.

**Schooling Jobs Open To Veterans**

One of the main features of the GI Bill of Rights, is its on-the-job training program, whereby a veteran desiring to learn a vocation or profession, will be paid \$65.00 per month, if single, and \$90.00 per month if married, by the Government, plus whatever his employer may pay, learn while working and work while learning. There is about 25 establishments in Brownfield designated to give such positions of training.

A veteran should first get from his County Service Officer a certificate of eligibility, and any business institution, who gives some veteran a position where he may learn a trade or profession may also contact the veterans office.

There is many such trades prescribed. C. L. Lincoln at 605 West Main street, is Terry County Veterans Officer and is prepared to give free instructions on this service.

### County To Benefit By Money Spent On Rural Repair Jobs

Expenditures totaling more than \$118,000 will be made in the next few years by home owners on farms and in small communities of Terry County to improve present electric service and home plumbing.

These outlays will mean additional income to practically every local business and will finance additional wiring, bathroom improvements and new electrical equipment for the county's 326 farm and rural homes already served with electricity, according to a study released by the Tile Council of America.

Introduction of running water, installation of tiled bathrooms and replacement of out-moded plumbing fixtures head the list of most wanted farm home features, D. P. Forest, chairman of the Council's Residential Construction Committee, revealed. One in five farm families throughout the nation plan bathroom improvements, he said.

Additional wiring is needed in practically every farm home with electricity, according to the study. A huge market likewise exists for milking machines, quick freezing units, electric motors, baby chick brooders and other equipment.

Expenditures in the county are part of a \$94,617,000 program to be undertaken by Texan farm and rural home owners in the next five years, the study revealed. An estimated \$2,294,900,000 on similar improvements to present electric service will be spent in the nation during that time.

### Hubert Allen Puts 'Er Up A Year

Hubert L. Allen, of Lubbock, manager of the Southwestern Public Service Co., whose power lines cover this area like the sunshine—at night—sent in his renewal this week, with his regards. Strange, there are still some people who can pay a bill and wish you good luck at the same time.

By the way, we have always wanted to have a look at that big power plant of theirs at Denver City, and we dared not ask a peek during the war, as we might be a Nazi or Jap spy. But as the shooting is now over, we hope our friend, on his way over there some time will pick us up and show us how they develop all that electricity with gas from oil wells.

This, by the way is not a hint, Hubert, but a request with a hope thrown in for good measure.

### CARD OF THANKS

We take this means of thanking our many friends of Brownfield and Terry county for the many nice things they did for us during the last illness and death of our beloved wife, mother and grandmother. Also for the beautiful floral offerings. May the Father of all in his infinite wisdom bless all of you.

Home Demonstration week is May 5 to 12, and during that week radio programs will be presented, giving the activities of club people all over the nation, reports Miss Helen Dunlap, county home demonstration agent. The schedule of these programs are as follows:

Saturday, May 4, NBC Consumer Time 11:15 to 11:30.

Sunday, May 5, CBS Country Journal of the Air 7:30 to 8:00 a. m. This program will include a 4-minute interview with a home demonstration club member by Mary Burnham, home editor of the Columbia Broadcasting System "Country Journal."

Monday, May 6, Dupont's Cavalcade of American, 7:00 to 7:30 p. m. will include a plug for National Home Demonstration Week.

Saturday, May 11, ABC (Blue Network), American Farmer Program, 11:30 to 12:00 noon. It will include a cross-country pickup of 3-minute talks by 4 farm women.

Saturday, May 11 NBC and Home Hour, 12 noon to 12:30 p. m. It will include a five minute interview with a farm woman, picked up at San Francisco.

### CARD OF THANKS

We wish to thank our many friends and everyone who were so sweet and good to us in our sad hours, in the passing of our beloved one, Lester Etter. Especially do we thank the ladies for the good lunch that was prepared, for the many beautiful flowers and every kind word and expression of sympathy was all appreciated, and will always be remembered. ### SOCIAL SECURITY GUARDED

There are many explanations for the dangerous inconsistency. One is that unemployment insurance is being drawn by many emergency workers who expect to retire from the labor force—after their dole runs out.

Another is that many who have worked long hours and want a vacation are in a hurry to go back to work. They understandably want a little rest, and the Social Security System gives them the opportunity.

Wages, too, enter into the picture. Those who earned, at the end of the war, \$1.04 an hour are refusing 200,000 jobs that average 80 cents an hour. That's one for those who think Europeanisms have something to offer America!

The House committee vote is really to protect the Social Security System. The System cannot long survive drains for political purposes. A still better bulwark would be a more accurate and just definition of eligibility for unemployment payments.

At the beginning of the year the Journalism class entered the Cubs Den in the Interscholastic League Press Contest. A copy of each edition of the paper was mailed to Austin for judging. ### Terry Methodists To Help Raise Funds

Abilene, Texas—Six Methodist churches of Terry county will observe McMurry College day next Sunday, along with more than 300 other Methodist churches in Northwest Texas.

A goal of \$20,000 has been set for the amount to be contributed by the Methodists of this conference, the money to go to McMurry College maintenance fund. An annual observance, each church has been given a quota in proportion to its total membership.

"I need not stress the fact that the tuition paid by students in any college represents about 40% of the total needed to maintain the school," Dr. Harold G. Cooke, McMurry president, said. "The remainder must come, in the case of the church schools, from friends and believers in the church-related type of education.

"The tremendous importance of the Christian college has been brought to the attention of many because of our recent world crisis, and regardless of denomination, we know that they are the bulwark of human society in inculcating the ideals and spiritual values which go to make up the character of our future citizens and leaders. Such training helps to promote interracial and international understanding, brotherhood and world peace."

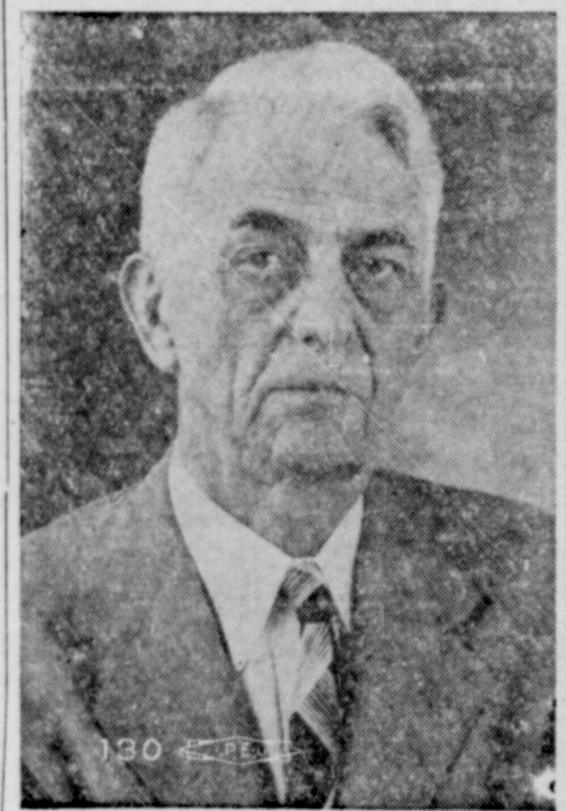

McMurry's present student enrollment is from 66 Texas counties, and nine other states. More than 110 ex-service men are now in McMurry College.

Methodist churches of this county participating in the McMurry day program are: Brownfield, Forrester, Johnston, Poole, Lakeview, and Meadow.

### City To Extend Utilities

Engineers are here this week, conferring with city authorities, preparing to extend the water and sewerage facilities of this rapidly growing town. This will include a larger disposal plant and extensively extending water mains and laterals.

Work also began on the building to house the pumps in the new water well in the northeast part of town.

all disability claims on a current basis except where it cannot get medical records. The Army, he announced, has promised speedier help in this respect.

A shortage of space for administrative purposes and lack of sufficient doctors are still plaguing the administration, General Bradley announced. He said the taking over of the Ashburn and McCloskey Army Hospitals at McKinney and Temple, Texas, and LaGarde Hospital at New Orleans would alleviate the shortage of beds for veteran patients.

"However," he went on, "our biggest trouble still is staffing these institutions. The situation is improving and we are getting some fine doctors."
