

More Than Eight And A Half Million Dollars On Deposit

While down considerable from the December 30th call, the two banks of the city of Brownfield are at an all time seasonal high. Generally speaking, banks in this section show a slight drop from a call following the fall season, especially mid-summer.

We published the statement of the two banks last week, which showed them to be in fine condition, and we hope the customers and friends of the Brownfield State and First National took time out to read them. There is nothing complicated or hard to understand about a bank statement, and we feel sure that you join the Herald in congratulations to our banks, and that you feel proud that we have these two fine banking institutions located in our city.

A glance at the loan column shows that they are taking care of the building and progress of our city and community in a nice way. It shows evidence that new industries are getting help in a more substantial way than mere lip service, and we know that the old timer, the middle timer and the new timer, all find a friend behind the counter of our two banking institutions.

In the combined statements, we find the following:

Resources	\$8,992,611.42
Loans	1,873,486.26
Cash-Exchange	4,696,642.56
Deposits	8,641,243.27

Coleman Sons Reports On Legion Boys' State

Coleman Sons, as guest speaker, made a report of his trip to Austin as Terry County's delegate to the Legion Boys' State convention to local Rotarians at the regular noon meeting last Friday.

The boys, who gathered at Austin from over the entire State, were divided into two groups, and each group was formed into a political party, both striving to get their set of candidates into key government positions. Coleman was appointed to a post in the Soil Conservation Office.

Living accommodations for the boys were furnished by the State School for the Deaf.

Coleman is a student of Wellman High School. He is an outstanding rural high school student.

Visiting Rotarians were Fred McGinty, Tahoka; Will Dunlap, Jr., Tatum, N. M.; and Ellis A. Todd and J. A. Lewis, Seagraves.

SCHOLASTIC APPORTIONMENT INCREASED

The State Board of Education fixed the scholastic apportionment at \$35.00 per capita, an increase of \$1.00 over last year.

There is a possibility of transfer of certain funds to raise this to \$41.00.

Johnson News

Mrs. Bob Couch of Clarendon and Mr. and Mrs. Sam Couch of Bartlesville, Okla., are visiting Mrs. J. W. Lasiter.

Reeves Smith and family of Midland visited his parents, Mr. and Mrs. R. B. Smith Sunday.

Geraldine Fox, Freda Daniel, Eunida Pritchett of Ft. Worth are spending the week with V. H. Wheatley and family.

Those spending the weekend in the J. J. Jones home were: Mr. and Mrs. Paul Jones and daughters of Cottage Grove, Oregon, Mr. and Mrs. Will Copeland of Calif., who lived here years ago.

We are glad to have Jerry Jones home again. He came in from the navy last week.

Mr. and Mrs. E. E. McClintock and daughters spent the weekend at Santa Anna.

William V. Lasiter and Darlene Rock were married July 15th.

Mr. and Mrs. Austin Reid and sons of Levelland visited Mr. and Mrs. Claude Merritt and family Friday evening.

Mr. and Mrs. Doc Adair visited relatives in Seminole over the weekend.

CPA Uses Inventory Controls To Prevent Factory Holding

Washington, July 17 — To prevent hoarding at the factory of scarce household appliances and other goods in hopes of higher prices, the Civilian Production Administration tonight clamped stern inventory controls on manufacturers.

The anti-withholding order limits to a supply of 30 days or less the stock of nearly a score of finished products which may be held in factories or warehouses. The rest must be moved to market.

The goods affected include furniture, refrigerators, washing machines, electric ranges, sewing machines, and vacuum cleaners, cameras and photographic equipment and some building materials.

Simultaneously CPA tightened its control on the supplies of 27 materials and parts which manufacturers may keep in inventory. This is to prevent firms from buying them up and holding them as a hedge against rising raw material prices.

"What we are after is to see that scarce materials go to the manufacturer whose finished products go immediately to the consumer, rather than to those who plan to withhold manufactured products awaiting possible price increases," said CPA Administrator John D. Small in a statement.

The order specifies that a manufacturer may not hold in inventory more than 30 days' output of his goods, or not more than a "practicable minimum working inventory," whichever is less.

Manufacturers have until Aug. 15 to bring their inventories into line with the new ruling, which was issued as an amendment to priorities regulation 32.

Nearly All Of Us Sidewalk Superintendents

Nearly all, various and sundry of us have been admitted, dues free, to the Sidewalk Superintendents Club of the First National Bank, during remodeling. Conditions are that one must keep at least one foot on the ground. That is, one cannot get up in the air or lose his shirt.

No helpful suggestions can be offered even to the contractor, Ed Harden, or any of his help. However, you can and must criticize any and all of the work, pointing out a much better and cheaper way to do it, if you like. But here is the catch. All superintendents are No. 1; there being no priority or seniority. This feature is calculated to cause no little conflict, as there appears to be no "chairman of the board" superintendent.

However, we advise Contractor Harden and his help to wear ear muffs during work hours.

PICNIC GIVEN FOR MR. AND MRS. THOMASON

A picnic, honoring Mr. and Mrs. W. M. Thomason on their birthdays, was held at the McKenzie Park in Lubbock, Wednesday night, July 10th. Fried chicken and all the trimmings were enjoyed.

Guests were: Mr. and Mrs. J. F. Thomason, Curtis, Catherine and Clinton Joe, their married daughter, Mrs. H. M. Stewart and two children, Mr. and Mrs. G. M. Thomason and son and family, Mr. and Mrs. Wilton Thomason and three children, of Spur, Mr. and Mrs. Fred Baldwin and three children, Mrs. Wanda Mendenhall, Mr. and Mrs. Jim Webb and children, Donald Lee and Roy Gene, Mr. and Mrs. Kyle Hancock, Mr. and Mrs. J. D. Webb, Miss Winona Thomason, Mrs. R. C. Odum and daughter, Alberta and Mr. and Mrs. Manley Walker and daughter, Joyce, all of Lubbock, Mr. and Mrs. Charley Talley of San Marcus, Mr. and Mrs. W. A. Cox, of Dublin and Mr. and Mrs. W. M. Thomason and children, Billy and Alan, Mr. and Mrs. Bill Weeks, of Lubbock.

Their oldest son, Leebert, who is serving in the U. S. Navy in China was unable to be there.

Mr. and Mrs. Thomason were both born on the same day, but there is five years difference in their ages.

Mr. J. Mathews and daughter, Jo Bess, of Abilene were guests of Mr. and Mrs. Looie Miller, Monday and Tuesday.

Winds Are All On The Coast Seemingly

We are a faithful listener of the nightly weather broadcasts for Texas, and we are getting a bit hot under the collar in more ways than one. Doggone it, it seems there is no wind except in east Texas, and that is always southeasterly and on the coast. Why can't the weatherman give us a bit of wind, news in west Texas—we have it.

Another crow we have to pick with the meteorological gentlemen is that they have us Terry, Gaines, Yoakum and Dawson county folks in the Brazos watershed. If we had any watershed to start with, it would go toward the Colorado river, and not the Brazos. If some of those guys down at Houston running the USWB would come out to this section sometime, they might learn a bit of Texana, some of which would be that we actually have winds here, and that we are NOT in the Brazos watershed.

It is hard to learn an old dog new tricks. When a government bureau takes a notion something is right, all hades can't move them.

Soft Ball Team Goes To Town

The local team, sponsored by Primm Drug store, made up of the Moorhead bloc and one or two others, have won four straight games over outside teams at Lubbock, last week and this week, and will be in the finals of the district.

Last Monday night Furr-New-som took Gunn's Tire store team, 21 to 18, and in the second game the Jaycees won over Sinclair by the margin of 12 to 11. Tuesday night only one game was played. Mack's Oil Well defeated Gunn's Tire store, 12 to 11.

Tonight's schedule is Furr-New-som vs Herman's Gin, first game, and Primm's Drug vs Jaycees, second game.

GOMEZ HD HOLDS MEETING WITH MRS. MILLER

The Gomez home demonstration club met Friday in the home of Mr. L. L. Miller, president in chair. The house was called to order by the president. The roll call was answered by "Sewing Problems." Minutes of the last meeting were read.

Miss Dunlap gave an interesting demonstration on "Sewing Problems."

Refreshments of ice cream and cookies were served to seven members and Miss Dunlap.

The next meeting will be in the home of Mrs. Swink.—Reporter.

Mrs. R. C. Wilkerson, of Needville, Texas, is visiting Mr. and Mrs. A. A. Pierce and grandson, John Roy Pierce.

A husband is either a bull, a bear, or a dear.

New Lion President Elected At "Philly"

Chicago (Special)—Clifford D. Pierce of Memphis, Tennessee, is the new president of the International Association of Lions Clubs. He was unanimously advanced from the first vice-presidency to the presidency at the annual convention of the Association which closed July 19 in Philadelphia, Pennsylvania. Pierce succeeds retired president Dr. Ramiro Collazo of Havana, Cuba.

The Philadelphia convention concluded one of the most successful years in the history of Lions International, according to the report made by the Secretary Gen-

CLIFFORD D. PIERCE

eral, Melvin Jones. He reported the formation of 685 new Lions Clubs and the addition of 60,932 men to the roster of the Association in the twelve-month period ended June 30, 1946, which raised the total club figure to 5,400 and the membership to 279,116, which is by far the largest in the history of the International Association. He also stated that during the year Lions Clubs had been established for the first time in three additional countries or territories—Ecuador, Bermuda, and Curacao, N.W.I.

Texans To Walk Themselves to Death

Austin — This year approximately 360 Texans will "walk themselves to death," predicts the Texas Safety Association. For the most part, they will walk with the traffic and will come from behind parked cars to be struck down. Others will meet death while crossing at intersections against the signal and while crossing diagonally across the street.

These predictions are based on totals for the first six months of the current year in consideration of newly developing tendencies in the pedestrian accident field. Pedestrian fatalities increase around the hour of sunset in all seasons of the year. The greatest number during the summer months is between 7 p. m. and 3 p. m. The

The Old He Put In Class With Ripley

Nationally Mr. Robert Ripley, creator of "Believe It or Not," is quite a lot better known than the Old He. In fact, we doubt if we could borrow a postage stamp outside of our own little confinement of acquaintances in Texas and Tennessee, while Robert could probably get thousands of dollars by identifying himself at a London bank and drawing on a New York institution.

But we are just as proud of our recognition in our small area as Col. Ripley. In fact a letter addressed anywhere in the world to "Believe It or Not," with no street or city mentioned, will reach Mr. Ripley promptly at his permanent address. But a letter addressed most anywhere to the Old He with the words, Brownfield, Texas, will reach us. One did only this week that was mailed at Middleton, Tennessee.

And when the card reached Brownfield, Postmaster "Jeans Hurley Dallus" and his able assistants, knew just what to do. Billy Redford, who is substitute carrier for his big brother Terry, while he is on vacation, shot the card right into us. Another came in next day from the same source but from a different party.

Now don't you guys wish you was prominent?

There's No Flies At Stockyards

The Western Stockyards Co., operating a large feeding project in the north part of town, has fed out near five thousand head of fat cattle and now has two thousand on hand. They are shipping about 150 head every week to a national chain store. Coy Maroney, a home town boy, the manager of the project here, falling in line with health programs, recently procured a portable motor with high pressure spray, and 30 feet of hose runs the animals through a pen and sprays them thoroughly with 50 per cent mixture of DDT, and they sprayed every foot of the many pens covering ten acres of land. Walter Breedlove, of the local health department, inspected the pens and found no flies anywhere about. He praised Maroney for his efforts, and success in eradicating disease carrying flies.

Mr. and Mrs. R. L. Walker and Mr. and Mrs. H. B. Grant and son, Ronnie spent Sunday in San Angelo visiting Pfc. and Mrs. Jack Walker. Pfc. Walker will soon be transferred to Shreveport where he will remain a short time before going overseas for duty.

Dr. T. H. McIlroy and Mr. Leo Holmes and son, John spent Saturday night and Sunday at Buffalo Lake, fishing.

Saturday and Sunday toll constitutes approximately 50 per cent of the total pedestrian accidents.

A Great Citizen Passed Away Monday

Cam Sears, well known resident of this vicinity for the past 28 years, died last Monday night at his home on North 6th street. He had been in failing health for some time. He was 74 years of age. Funeral services were conducted at the First Baptist Church here, by the pastor, Rev. A. A. Brian, at 5 o'clock P. M., Wednesday. Interment made in Terry County Memorial Cemetery, under direction of the Farley Funeral Home. Pall bearers were six grandsons, Delmar D. Sears, A. Doyle Sears, C. Odel Sears, Alton B. Sears, Earnest W. Sears, and Earl Wayne Sears.

He is survived by his wife, Mrs. Jennie Sears, and three sons, Kelly and Elmer, well known farmers of Terry county, and Lloyd Sears, of Watsonville, Calif. One daughter, Mrs. Visa Mae Chapman, of Richmond, Calif., all being present at the funeral. One brother, Barnie, of Rockwall, Texas, one sister, Mrs. C. W. Whitsell, of Caddo Mills, also attended the funeral. Nine grandchildren, and one great-grandchild also survive.

Mr. Sears was reared in the Waco area, but moved from Haskell to Terry. While he and wife were attending the bedside of a very sick son, near Cameron a few years ago, Mrs. Sears was taken seriously ill, and another son died at Lamesa. Neighbors worked out his crop here, a kind of act he never forgot. Despite his sorrows, he maintained his wit and humor, and genial greetings to his many friends and acquaintances.

Singing Convention At Wellman

Mack Thomason was in this week and authorized us to state that the Terry County Singing Convention would hold forth at Wellman, at the high school auditorium, this coming Sunday afternoon.

Of course it is understood that all singers and song lovers are more than welcome and expected.

OBITUARY

John W. Hamm was born Dec. 11, 1866, in Henderson County, Tenn. Passed away July 13, 1946, 6:30 P.M., was 79 years, 7 months and 3 days of age. He was the son of T. G. and Elizabeth Hamm. His father was a Cumberland Presbyterian minister. The family moved to Texas in 1883.

In 1901 he was married to Miss Mandy Jones. To this union was born one daughter. He joined the Presbyterian church in his boyhood days.

Mr. Hamm was a man who believed in and lived by the Golden Rule. He lived in Brownfield for the past 17 years. He became ill about a week ago. He is survived by one daughter, Mrs. M. M. Scott, with whom he made his home; one granddaughter, Mrs. L. A. Greenfield, a grandson, Maxie Scott, one brother, R. L. Hamm, one sister, Mrs. J. D. McCullough, both of this city, and a host of nieces and nephews.

Mr. G. W. Collinsworth, of Lubbock, who is regional commander of the Veterans Administration, was a weekend guest of Mr. and Mrs. Looie Miller.

Broadway Becoming The Auto-Implement Street

Early in the life of our fair little city, Main street took the hook, line and sinker under for rapid growth. Hill and Broadway seemed destined to be streets consisting of vacant lots and weeds. But Hill finally took a spurt when property on Main became rather expensive in the business area.

For the past few years, Broadway has also undergone some rather radical changes, and seems likely to become the automobile and implement thoroughfare of the town. This is becoming more apparent all the time. At the present time, The Frazier-Kaiser agencies, the Pontiac, the Plymouth-Dodge, the Chevrolet, the Oldsmobile, are located, or will soon be in their own building, and we understand that the Plymouth-Chrysler agency will start a building at the corner of Broadway and 8th as soon as materials are available.

The Brownfield Implement Co. is soon to start a new building at Broadway and 8th, and there is the J. B. Knight Implement already doing business on that street, and we understand others are under consideration.

We can remember when Jones and Calhoun in Fort Worth were the automobile streets of that city, and included that old hot spot of the old downtown once referred to as Hell's Half Acre, before the indignant people of that city put on a genuine cleanup following the murder in that area of one of their most popular officers. However, in late years, West Seventh in that city seems to be the leading auto area.

Of course we are not trying to compare the business district of Brownfield with Fort Worth, but just to show a trend when it is once started. Some streets will be noted as retail shopping areas, while other will develop into auto and machinery houses and agencies.

CPA To Distribute New Wonder Drug

Washington, July 16— Limited commercial distribution of streptomycin, newest wonder drug, is to start Sept. 1 under supervision of the Civilian Production Administration.

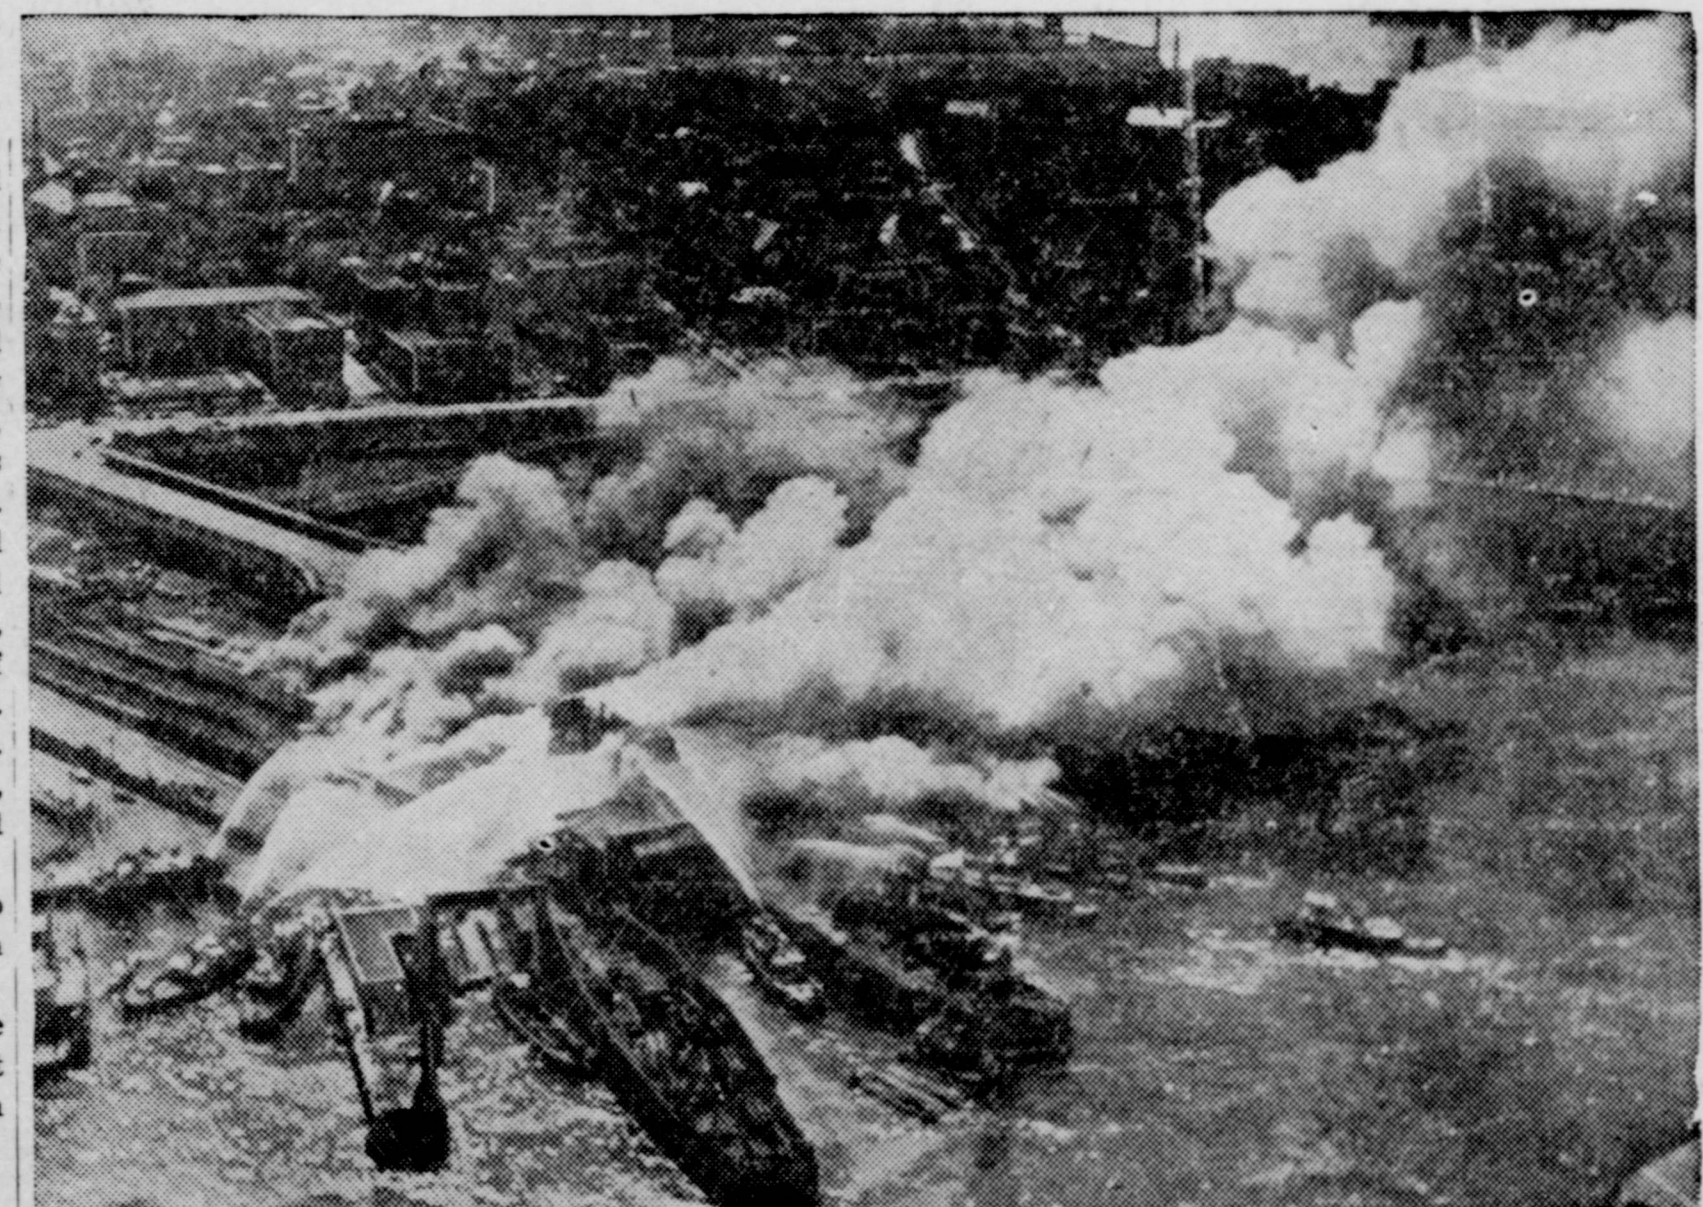

Experiments give increasing promise that the drug will be helpful in treating tuberculosis, Dr. Chester S. Keefer of Evans Memorial Hospital, Boston, Mass., told a meeting of streptomycin producers and CPA officials.

Boy Scouts To Fete Parents

All the Boy Scout troops in Brownfield will tender their parents a watermelon feast at the County Park tonight, according to Herbert Chesshir, chairman. The Boy Scouts are very active in Brownfield and always appreciate a boost. On account of the drought the boys will have to procure the melons in a different way than their fathers did when they were boys.

W. S. C. S. FINISHES STUDY BOOK

The Women's Society of Christian Service met July 15th at 3:00 o'clock in Fellowship Hall of the Methodist church. Opening song, "A Charge to Keep," followed by a prayer by Mrs. Cleve Williams. Mrs. Glenn Harris read a scripture from the 5th chapter of Matthew. She also read an article entitled "All Is Well in our Street." Mrs. Power gave the 6th and last chapter of the Study Book, entitled "Tomorrow Is Another Day." The meeting closed with the benediction. Those present were Mesdames Joe Johnson, Bill Culver, B. L. Thompson, Cleve Williams, W. B. Downing, J. H. Carpenter, G. S. Webber, Tobe Power, A. J. Lloyd and Lee Walker.

This air view shows tons of water being pumped into the oil-fed fire that blazed in four slips of the St. George ferry terminal on Staten Island. A number of persons were trapped in the buildings. Nine alarms quickly sounded, summoning every piece of apparatus available and three fireboats.

One reason that country weeklies as a whole are no better respected than they are in the business world, is that they are either careless or indifferent about business matter. As an illustration, a month or so ago, a Pittsburg, Pa. firm placed quite a bit of advertising with weekly papers, and some dailies. About the first week in June, this was canceled by them, and most papers stopped it promptly. But a few are still running the ads—to fill space, we guess. It is quite none of our business, but each and every country weekly in the future will likely be judged by the few who have continued to run the advertising.

One of the mysteries of the recent prohibition election in this county, to some at least, is, was there a man who votes at Tokio who signed the petition for the

election? Tokio cast a solid dry vote in the election. But there could have been one or more who signed the petition. We have known good and honest men who have signed petitions for elections, not only for wet and dry elections, but others, who, when they signed had no idea of supporting the measure, but they signed it in order to get the question come before the people and be settled one way or the other. Consequently, a person could have signed the call for election in the recent contest, and then voted dry. Could have.

A Gallup poll is said to show a two-party trend in the south. Possibly so, but our observation is that most of the folks in the south will want the other fellow to do all the "trending" to the Republican party, and leave them still be Democrats.

Sometimes a man can talk too much, and this applies to candidates as well as ordinary people. They can talk about themselves in a flattery way, or can talk about their opponent in a disparaging way, and disgust listeners. Most people have reached the point where they believe that if a man cannot run on his own merits, they do not want him for their official.

Speaking about advertising, too many of the so-called small business men in the small towns are liable to think "they have nothing to advertise." We don't say they do this every time, as a stall. Sometimes they really think they have nothing to advertise. On the other hand, take the big utilities and corporations, and we find that most of their advertising is good will and promotional. They are merely advertising their service. Every ad should be so written that it will promote good will as well as sell something.

The Herald still believes firmly in the old American custom that the law was made for all, and that all should obey it or pay the consequences. For this reason, we believe that if we curb management, we should at the same time put some bits in the mouth of labor. As long as America continues as a private enterprise nation, and most of us hope it will, we have to recognize the fact that we must have capital and management of it to employ labor. On the other hand, we must have labor. For that reason the big majority of us believe labor should be allowed to organize for self-protection. But each should be curbed when they get outside the law.

The Herald seldom comes out for a state candidate, and never for a local candidate in these columns. But this year we are making an exception in favor of Judge Tom Beauchamp for Judge of the Criminal Court of Appeals of Texas. Judge Beauchamp is well grounded in the belief that even courts are not to be exempted from criticism of the press if the courts get out of line. Judge Beauchamp showed his hand when a Corpus Christi judge was criticized by a daily for sustaining the eviction of a tenant in that city. The majority of the judges said jail the newspaper men. Beauchamp was the sole dissenter, and filed a minority opinion in which he severely criticized the rest of the court for their stand. A similar case from another state has recently been reviewed by the US Supreme Court, which has sustained the position taken by Judge Beauchamp. If courts are allowed to do just as they like without criticism, we as well resurrect Hitler and his gang to take over.

From a card received Wednesday, from the Terry Redfords from Yosemite National Park, they are having a wonderful vacation. They were among the audience at the Kay Kyser broadcast, have enjoyed swimming on the ocean, and have seen many wonderful sights.

Mrs. Bob Bowers underwent a minor operation at the local hospital yesterday. Doing as well as could be expected.

Walter Gracey who has been confined to the local hospital is improving, we learn.

Mr. John Houston and daughter, Kathleen and Miss Jackie Treslen, of Los Angeles, Calif., spent a few days here visiting in the Homer Winston and Eunice Jones homes. Mr. Houston is remembered in Brownfield as the husband of the late Mary Hudson.

While the Herald is not quite as badly misput as the First National Bank in being scattered from Dan to Bersheba while their big job is going on, which for them is both a remodel and re-decorating job, we can sympathize some. Ours is just an "inside job" and we don't mean by that there is anything suspicious about the matter, but simply that painters are present raking accumulated dust of the years down from seeming inaccessible places where it gets on the machinery and stock the printers are trying to work with, while the painters "smear us" and we don't mean what you may think about that word "smear."

Anyway, when our job is done and the First National job is over, we aim to call President R. M. Kendrick down and let him admire our progress, and then we'll go with him over to the bank, "rear back on our pastures" and admire his job, while both of us thank our stars that the job is over and the painters and decorators have moved out.

Miss Dolores Snodgrass Marries James L. Hayes of Littlefield

Miss Dolores Snodgrass, daughter of Mr. and Mrs. Hugh Snodgrass of Brownfield, was married to James L. Hayes of Littlefield, son of Mr. and Mrs. W. F. Hayes of Muleshoe, at 9 o'clock Friday night in the First Methodist church. Rev. R. N. Huckabee officiated for the double ring ceremony.

The bride was given in marriage by her father. She wore a white satin dress with fitted bodice, sweetheart neckline edged with tiny pleats and a short train. The bodice was fastened in the back with white stain buttons and loops. Her veil was of nylon marquisette edged with lace. She carried a bouquet of gardenias and stephanotis, with white tulle and satin bow. She wore pearls, which were a gift from the bridegroom.

Best man was W. F. Hayes, jr., brother of the bridegroom, of Muleshoe.

Mrs. Roy Jones of Tokio, sister of the bride, was matron of honor. Bridesmaids were Miss Bonnie Anderson of Big Spring, Mrs. Carl W. Myers of Lubbock and Miss Latrell Smith of Tokio, niece of the bride.

Muriel Zo Snodgrass of Tokio, niece of the bride, was flower girl.

Ushers were Weldon Street of Lubbock, Billy Joe Snodgrass of Brownfield, brother of the bride, and Ray Jones of Tokio, brother-in-law of the bride.

The church was decorated with palms, woodwardia fern and baskets of white gladioli. Candelabra were arranged at the altar. Satin bows marked the pews.

Mrs. Roy Herod was organist. Jeane Covington sang "I Love You Truly," "From This Day Forward." The traditional wedding marches were played. "Always" was played as the candles were lighted and "Indian Love Call" during the ceremony.

Candles were lighted by Miss Ruth Fisher of Petersburg, who was gowned in net over chartreuse taffeta, with corsage of red roses and Miss Jane Bates of Levelland, who wore net over orchid taffeta, with corsage of talisman roses.

The matron of honor wore a dress of rose net over taffeta, with sweetheart neckline, fitted bodice and cap sleeves. She carried a bouquet of blue agapanthus. Her head-dress was of rose net.

The bridesmaids wore dresses of aqua net over taffeta, with sweetheart necklines, cap sleeves and gathered skirts. Their headdresses were of aqua net. Bouquets were of pink carnations with pink satin bows.

The flower girl wore a white net off-the-shoulder dress of floor length, with aqua bows on the skirt. She wore a white net head-dress. A basket of petals was hung from her neck by a ribbon.

A reception was conducted in Fellowship hall of the church following the ceremony. The couple was assisted in receiving by the mothers of the bride and bridegroom and by the matron of honor and bridesmaids. The receiving line was under an arch made of fern with baskets of gladioli at each end.

Miss Jane Bates of Levelland poured punch. Miss Ruth Fisher of Petersburg served the wedding cake.

The table was laid with a white lace tablecloth. The centerpiece was of white gladioli and candelabra. The wedding cake was three-tiered, with a miniature bride and bridegroom on top. It was on a mirror surrounded with daisies. Crystal and silver appointments were used. White satin bows were on the handles of the cutting knife and server.

The bride's mother wore a black crepe dress with white accessories and a gardenia corsage.

The bridegroom's mother wore a navy crepe dress, with white accessories and gardenia corsage.

Out-of-town guests were from Glendale, Ariz., Floydada, Borger, Wichita Falls, Wichita, Kans., Plainview, Denver City and Muleshoe.

After a trip to Denver, Colo., the couple will be at home at 206 Thirteenth, Duggan Annex, Littlefield, after July 19.

For traveling, the bride wore a light blue woolen two piece suit with dolman sleeves and standing band collar, white blouse and hat and other accessories of black patent. She wore a white orchid corsage.

The bride taught home economics in Denver City the last year. She is a graduate of Brownfield High School and Texas Techno-

logical college. The bridegroom graduated from Dodson High School and attended Texas Tech, Kansas State Teachers college and Columbia university. He is parts manager of Lavender Motor Company in Littlefield. A dinner was conducted for the wedding party Thursday night following rehearsal. It was in the banquet room of Thompson's Cafe in Brownfield. The table was laid with a white damask cloth with centerpiece of blue agapanthus and white gladioli, with white satin streamers bearing the names "Dolores" and "James" in gold. White candles in crystal candelabra furnished light. Place cards resembled blue wedding bells.

Mrs. Motheral Named Honoree At Shower

Mrs. Merritt Motheral, who before her recent marriage was Miss Vera Jackson, was named honoree at a tea and shower in the home of Mrs. C. L. Williams, last Friday from 4 to 6 o'clock. Assisting as hostesses were: Mesdames J. H. Carpenter, G. S. Webber, Glen Harris, Joe Johnson, B. L. Thompson, Tobe Power, Ed Tharp, A. J. Loyd, Clarence Lewis, W. B. Downing, Scott Walker and H. O. Longbrake.

Receiving the guests were: Mrs. Williams, Mrs. Motheral, Mrs. Jim Jackson, mother of the honoree, and Mrs. Blue Graham. Mrs. Longbrake presided at the guest book, which was white leather with white satin streamers and red carnations marking the pages.

The tea table was laid with a maderia cloth and centered with an arrangement of pink roses and sweet peas and baby breath. White candles flanked the arrangement. Mesdames Webber and Carpenter presided at the punch bowl and were assisted by Mesdames Thompson, Powers and Harris.

The mantel in the living room was decorated with a fan shaped arrangement of gladioli which was reflected in the large mirror above the fireplace. The buffet in the dining room was centered with a bride doll and white satin parasol on white net with pink rosebuds lending color to the decoration. The honoree wore a corsage of pink oleanders and her mother one of pink roses. Members of the houseparty wore pink carnations and baby breath.

The many lovely gifts were displayed by Mesdames Tharp and Walker.

The Country Needs GEORGE H. MAHON BACK IN CONGRESS

He is experienced in the ways and means of Government. He is a faithful servant to this district. An able lawmaker for the nation. He has achieved a rank in Congress, of power and influence, worthy of our pride and support. His service and ability is too valuable through these re-conversion days, to be cut down.

Mr. Farmer:

If you had a hand, for 12 years, that was a good faithful worker, that knew your livestock, tractor, implements, when and how to plant and cultivate, knew your crops and soil, took care of your premises as well as you could, would you fire him for a "new" man—a stranger?

How long have we patronized our old family physician, the local mercantile establishments, the presidents of our banks? Does the most successful, gigantic corporations and industries in the land fire the men who helped to make them, just for a "new" man? Is it the policy of any business, or farmer, to fire an efficient hand every few years?

What incentive has a servant, great or lowly, to work hard and faithful, and become efficient, only to be fired? Three-fourths of the membership of the Senate and House, in both parties have served longer than Mahon.

George Mahon has worked hard, faithfully and consistently voted for every measure calculated to help the farmers, such as parity, REA, support prices on farm products. He was reared on a west Texas farm, knows by experience the long, hard hours and worries that beset the farmer. His mind and heart is with them. Congress is no playground for school boys. It takes years, and ability to climb up to effectiveness. George Mahon has made the grade. He has achieved a place of power and influence, a useful man to our district and the nation. Let's don't sell him down the river.

This government is too big, momentous, prominent in the peace of the world, foreign trade, gigantic problems, to risk in the hands of a freshman.

Seniority is a set rule of Congress, through administration of both major parties. It was seniority of Morris Sheppard, with over 40 years tenure, that kept him top man. And that put our own Tom Connally, chairman of Senate Foreign Relations committee, now on the UNO, making the peace and destiny of the wor'd. Seniority put John Nance Garner speaker of the House, followed by being the only Vice-President from the South since the Civil War, and later to place Sam Rayburn, another Texan, as present Speaker. It is seniority of long service, with his ability that will place George Mahon in places of power and influence, where he will become an honor to this District and State.

(This ad paid for by citizens of Terry county, who think we need Mahon back in Congress.)

LOWEST STATE TAX RATE IN YEARS

Austin, Texas, July 16 — Gov. Coke R. Stevenson Tuesday indicated that Texas will have its lowest tax rate in many years, possibly 37c, as compared to the present total of 72c. It would be the lowest tax rate since 1914.

The Governor is chairman of the State Automatic Tax Board which he has called to meet in his office next Monday when the rate is to be made. He said it will be 35c and 2c for confederate pensions positively, for a total of 37c, and possibly not even 1c for general fund purposes, which is 35c this year, constituting maximum.

Miss Eleanor Ruth Gillham Becomes Bride Of Robert Nolan Tipps At Methodist Church

Miss Eleanor Ruth Gillham, daughter of Mr. and Mrs. J. O. Gillham, became the bride of Robert Nolan Tipps of Amarillo, in a ceremony solemnized in the First Methodist Church Wednesday, July 17th, at 9:00 o'clock in the evening. The bridegroom is the

son of Mrs. A. V. Tipps of Quitaque. Rev. G. S. Upton of Lamer, Colorado, uncle of the bride, officiated.

The bride, given in marriage by her father, wore a gown of white satin, with marquisette and lace yoke and cap sleeves. Tiny buttons went down the back of the waist. She wore long satin mits which made points at the hands. Her veil, which belonged to a friend, Mrs. Claranel Lewis of Dallas, and was worn by her in her own wedding, was full-length and of imported lace. The bride's bouquet was an orchid with stephanotis and orange blossoms.

The single-ring ceremony took place in front of the altar banked with palms, accented by the candelabras. Mrs. J. C. Powell, Jr., of Lubbock, was her sister's matron of honor. She wore a pale green taffeta dress with a high round neck, cap sleeves and tiny buttons down the front of the waist. Misses Delores Gillham, La Vern Collier, Jane Rogers of Perryton, Georgie Sue Wharton of Fort Worth, Sue Tipps of Wichita Falls and Mrs. Z. A. Moore, Jr. of Amarillo were bridesmaids. Three of the girls wore peach dresses and three wore pale blue. All were identical in style to the Matron of honor's. Their bouquets were white net fans covered with shasta daisies. Their hats matched their dresses and were made of horsehair braid and Malline.

The bridegroom's brother, T. O. Tipps, served as best man. Ushers were Thomas Neely, Aubra Nooncaster, Midland, J. C. Powell, Jr. and Curtis Barrett of Lubbock, Homer Modris of Alpine, and C. C. Carroll of McCamey.

Mrs. Wm. J. McGowan, organist, played "Indian Love Call," as a prelude, and the traditional wedding marches, and Debussy's "Clair de Lune" during the read-

Betty Jeane Noble And E. P. Smith, Jr. Are Married

Miss Betty Jeane Noble, daughter of Mr. and Mrs. Robert L. Noble, and E. P. Smith, Jr., son of Mrs. E. P. Smith, were married Monday evening at 7:00 o'clock at the home of the bride's parents. Rev. A. A. Brian performed the single ring ceremony.

Attendants to the couple were Miss Wanda Jo Carr, who served as maid of honor, and J. B. Smith, brother of the groom, who acted as best man.

The bride, given in marriage by her father, wore a one-piece turquoise dress with black accessories and had a corsage of pink and white carnations. For "something borrowed" and "something old" she carried a white linen handkerchief belonging to her grandmother, Mrs. J. M. Noble. "Something new" and "something blue" was her wedding dress. Mother of the bride wore a powder blue dress trimmed with black and wore a corsage of white gardenias.

The room was decorated with palms and baskets of shasta daisies and pink asters. White candles were lighted by Joe Don Noble and traditional wedding marches were played by Mrs. Harold Stice, who also offered "Always" during the ceremony.

Mrs. Smith is a 1945 graduate of the Brownfield High School and attended college at Texas Tech and W. T. S. C. at Canyon, Texas. She is employed as receptionist in the office of Dr. W. A. Roberson.

Mr. Smith is a graduate of the Wellman High School and prior to his discharge from the Army, served in the European theater for several months.

Guests at the wedding included Misses Catherine McMillam, Mildred Eubanks, Mr. and Mrs. Lee Fulton, Mr. and Mrs. J. M. Noble, grandparents of the bride, Adon Carr, Bill and Robert L. Noble, Jr.

After a wedding trip to Amarillo, Texas, the couple will be at home here.

ing of the ceremony. She accompanied Mrs. Leon Huff of Lubbock as she sang "Because" and "I Love Thee."

Mrs. Gillham wore a dusty pink dress, and an orchid gladioli corsage at her wrist over long gloves. Mrs. Tipps was dressed in black with a shoulder corsage of talisman roses.

At a reception immediately following the ceremony at the home of the bride's parents, 604 East Tate Street, Mrs. Z. A. Moore, Jr. presided at the three-tiered wedding cake, and Miss Jane Rogers poured punch. Miss Georgie Sue Wharton presided at the hand-made bride's book. Miss Gillham and Mrs. Powell received guests in the dining room.

After a wedding trip to Colorado, the couple will live in Amarillo. The bride left in a gray suit with navy and white accessories.

Mrs. Tipps attended Texas Technological College, where she was a member of Ko Shari social club. She received her degree from Southern Methodist University of Dallas in June. She was a member of Chi Omega Sorority, and Phi Alpha Theta, history honorary fraternity. Mr. Tipps is a graduate of Sul Ross Teacher's College, Alpine, and attended the University of Texas. He served four years in the U. S. Marine Corps.

Miss Theda Jobe Becomes Bride Of Eldon Baggett

Miss Theda Jobe, daughter of Mr. and Mrs. V. O. Jobe and Eldon K. Baggett, son of Mr. and Mrs. Ben Baggett were married Monday evening at 8:30. Rev. A. A. Brian read the double ring service.

The vows were exchanged in the couple's own home, before an improvised altar of baskets of carnations and roses, and candles in tall candelabra. Miss Gwendolyn Franks, close friend of the couple, lighted the candles. Miss Jayne Jobe, sister of the bride, was maid of honor. J. C. Baggett, brother of the groom acted as best man.

The bride was lovely in a blue dress with white accessories and wore a corsage of white gardenias. She carried a white Bible. For something old, she wore a watch belonging to her aunt, Mrs. Barton, that was purchased in 1912. A diamond ring belonging to Mrs. Roy Jenkins was worn for something borrowed. She carried a good luck penny in her shoe. Miss Jayne Jobe also wore blue with a corsage of pink carnations.

Immediately following the ceremony a reception was held in the couple's home.

Guests attending the wedding and reception were: Mr. and Mrs. V. O. Jobe, Mr. and Mrs. Ben Baggett, the bride's grandparents, Mrs. A. A. Brian and Alfred and Elton and Gwendolyn and Billy Franks. The bride attended the Brownfield schools and for the past two years has been employed at Collins Dry Goods store, where she will continue working.

The groom attended the Meadow High School and served two years in the navy, receiving his discharge in May. He is now employed as bookkeeper for the Ban-

GOVERNMENT AGENCIES ENJOY CHICKEN FRY

The personnel of the various government agencies and their friends enjoyed a chicken fry at the home of Mr. and Mrs. Dennis Q. Lilly, Wednesday evening of last week. After eating, a delightful evening was spent in visiting.

Those present were: Mr. and Mrs. J. Geron, Inez Chandler, Graham Hard, Rufus Smith, Shirley Bond, Thelma Duffey, Mary Jane and Lanell Duffey, nieces of Thelma, Mr. and Mrs. R. W. Carlton, Riley Vernon Carlton, Imogene Bell, Mr. and Mrs. Bill Dugger, Mr. and Mrs. Joe Krizek, Mr. and Mrs. Looie Miller, Mr. Jim Little, Mr. Gamble, Mr. and Mrs. Vance Smith and Mrs. Louise Armstrong and daughter.

SUB DEBS INITIATE PLEDGES

The members of the Sub Deb Club held their initiation for the new pledges last Friday evening at the home of Mrs. Wayne Brown. After many harrowing experiences the pledges were taken to an old vacant house in the country, fixed as a haunted house, and there completed their initiation. A slumber party followed at the home of Yvonne Forbus.

Members present were: Norma Cary, Patsy Murray, Melva Jo Waters, Betty Ferguson, Lois June Foster, Mary Tankersley, Naomi Thompson, Barbara Benton, Joan Price, Billie Jo Tittle, and Yvonne Forbus. Pledges present were: Nancy Morgan, Lois Stevens, Jackie Allen, Margie Cary, Frances Price, Jackie DuBose, Scharlyn Daniell, Mildred Copeland, Delma Dawn Murphy and Sherry Harris.

The couple are at home to their many friends at 108 West Hill St.

Caravan Working At Presbyterian Church This Week

Four girls, known as a caravan, have been working with the young people of the Presbyterian church this week, conducting a daily vacation Bible school in the mornings and working with the Westminster Fellowship group in the evening. The girls in the Caravan are: Jo Johnson, of Stillwater, Okla., Joan Owens, of Albany, Ann Gibson of Alpine and Carolyn Munn of Magnolia, Ark.

Sunday evening a fellowship supper was held in the recreation room of the church and was followed by the election of officers for the Westminster group. Those elected were: moderator, Eleanor Miller; vice-moderator, Pat Harris; secretary and treasurer, Billy Hamilton. Mr. and Mrs. Phil Gaasch are sponsors of the Westminster Fellowship.

Monday evening the group met at the home of Gloria Hughes for an ice cream supper. The girls of the caravan explained the four commissions, which constitute the fellowship group. Afterward, games were enjoyed. Tuesday evening Mr. and Mrs. Phil Gaasch, Rev. and Mrs. Joe Murphy, the caravan and the young people went to Lamesa and met with the Westminster group of the Presbyterian church there.

Wednesday evening the entire church membership enjoyed a covered dish supper in the recreation room of the church. Thursday the young people and their sponsors were guests of the Methodist young people's group. The week of events was closed with a picnic supper on the church lawn Friday evening and was followed by a consecration service.

The caravan goes from here to San Angelo to work for a week in the church there.

To The Voters And Citizens Of Terry County

After having made a canvass of the country and towns of Terry county in behalf of my candidacy for Sheriff, I'm sure I have missed a few people. I have done my very best to see you all and haven't missed any of you intentionally. Please take this as a personal solicitation. It has been a pleasure in meeting and visiting in your homes and I thank you all for the courtesies you have shown me.

I don't think there is a man or woman that knows me, that doubts how I have, and still do stand on any issue that confronts the Sheriff's job. I believe a person can be too free spoken. I have stated to you, or to the most of you, my policy and what I stand for. When you go to the polls to cast your vote, on July 27th, I will appreciate your vote, and in return to you people, I'll do my very best to make you one among the very best officers. I will stand for the same things then, that I have these 25 years here with you as a citizen.

Respectfully,
O. H. (Ocie) Murry

BAPTIST CIRCLES MEET FOR ROYAL SERVICE PROGRAMS

The circles of the Women's Missionary Society of the Baptist Church met Monday for a program entitled "Education of the Young People" and taken from the Royal Service magazine.

The Lucille Reagan circle met in the home of Mrs. H. D. Leach with Mrs. Henry Holmes as program chairman. Those present were: Mesdames Holmes, J. T. Auburg, Ruth Auburg, R. E. Townzen, Gladys Moorhead, J. F. Wilson, E. L. Redford, Elco Evans, A. A. Brian, Henry Holmes and Miss Fannie Day.

The Bagby circle met in the home of Mrs. A. R. Tyler with Mrs. Ame Flache as program chairman. Mrs. C. L. Green gave the devotional. Those present were: Mesdames D. L. Patton, Arthur Cobb, L. C. Heath, D. P. Carter, E. D. Yeatts, C. L. Green and Ame Flache.

Apparently the shorter the dress the higher the price. But it just goes to prove that sight-seeing costs money.

If a woman is nothing but a rag, a bone and a hank of hair; then a man must be merely a brag, a groan and a tank of air.

VOTE FOR R. E. 'Bob' THOMPSON, Jr. Candidate For SHERIFF OF TERRY COUNTY

THE ONLY CANDIDATE who has made an earnest effort to bring before the people of Brownfield and Terry County a true picture of existing conditions . . conditions he will make every effort to correct if elected your next Sheriff.

A CANDIDATE who if elected Sheriff will have nothing to square with any violator of the law — liquor dealers, or others—but who promises to treat all alike in his job of enforcing your laws to the letter

A CANDIDATE who will be on the job at all times and who, if called upon to make an investigation or arrest, will feel that the job belongs to his office, and will not feel compelled to call upon any other law enforcement department to do his work for him.

A CANDIDATE who will make every effort to cooperate with all city, county and state law enforcement officers.

A CANDIDATE who will safeguard your interests and the rights you are entitled to as an American citizen. One who will enforce the law in such a manner that you will need have no fear of either your rights or those of your family not being upheld at all times.

A CANDIDATE who will make every effort to see to it personally that this county stands at the forefront of law-abiding counties in this area.

YOUR VOTE for R. E. (Bob) Thompson, Jr., for Sheriff of Terry County will be a vote for law enforcement, fairness to all, and a 100 per cent return of the confidence vested in him.

Congressman Mahon Addresses Large Crowd Saturday

One of the largest crowds of this campaign assembled on the Courthouse lawn, last Saturday night, and listened to George Mahon, congressman, render an accounting of his stewardship, and speak in interest of his candidacy for re-election. He spoke boldly and plainly of the many controversies in congress, and achievements, explaining the crop insurance, and support prices for farm products, stating many of the programs were not perfect, but being improved. He stressed his long climb up to the chairmanship of committees, by reason of which he was enabled to almost command favorable action on many matters. He gave credit to the voters for keeping him where he could achieve better service. His speech was very impressive and met with warm response. J. O. Gillham presented the speaker, with a resume of his accomplishments, stating: "I seldom take part in political campaigns, but here is a man the country needs."

Mahon has many friends and erstwhile supporters in Terry county.

Elderly Former Resident Buried Here

John Hamm, aged 79, died last Sunday at the home of his daughter, Mrs. Milton Scott, near Earth, where they had moved only a week before. All had formerly lived here many years. Mr. Hamm was in failing health. Funeral services were conducted here at the Northside Baptist Church, with Rev. A. J. Franks officiating, Monday evening, and burial was in the Brownfield cemetery.

He is survived by his only child, Mrs. Scott, his brother, R. L. Hamm, well known resident here, and a sister, Mrs. J. D. McCullough and granddaughter, Mrs. Lucian Greenfield, all of Brownfield.

Mesdames J. D. Keel and Sad Hailey, of Seagraves, were in town Tuesday, shopping.

Six Year Old Child Drowns

Little William Murray Redded Jr., 6 year old son of Mr. and Mrs. W. M. Murray of Levelland, drowned Monday evening in the Lubbock City swimming pool. Though a large crowd was in and around the pool, the child was missing several minutes, when found at the bottom of the pool in ten feet of water.

How it got into the deep part of the pool seems a mystery. Funeral services were held at Levelland, Wednesday morning. Its parents lived here in 1938 and 1939, employee of Troy Noel Tailor shop. Mesdames Mary Jo Hardy and C. McWilliams, friends of the mother, attended the funeral.

Mrs. Jim Lewis is reported seriously ill in the local Hospital this week.

Hop Halsey Speaks Here

Reading from a prepared manuscript, Hop Halsey, candidate for Congress, addressed a large crowd on the Courthouse lawn Tuesday evening at 8:00 p. m. Youngsters crowded the band stand, to get close to the musicians, who rendered several excellent pieces of music and songs.

His coterie travelled in a large bus, richly painted, reminiscent of the O'Daniel campaigns. His speech was routine of former talks over radio.

CITY BUYS GARBAGE TRUCK

The City Council at its last Friday night meeting ordered a large hydraulic garbage truck, to use in gathering garbage.

It will dispense with so much local burnings.

Douglas Jones Buys Noel's Tailors

While readers will be sorry to learn that Troy Noel, who has been connected with the tailoring business in Brownfield for many years, and probably intends to remain a citizen, has sold his tailor shop, they will on the other hand be pleased to learn that a boy who grew to manhood in Terry county, Douglas Jones, has purchased the business and will take charge some time in August.

Douglas is one of the several "Jones Boys" reared by the late S. W. and Mrs. Jones, the latter still with us. He is a brother of city utility superintendent, Eunice, and Jim Jones, a gin employee, and Mrs. Ned Self. In early manhood, "Doug" decided to try Amarillo as his future abode; went to work for the Panhandle Laundry and Cleaners, and before many years was manager of the cleaning and fur storage of that large company. In the meantime, he met and married a Denison, Texas, girl.

A personal talk with one of the owners of the above company while attending the press convention in Amarillo a few years ago, revealed the fact that "Doug" was not only a trusted employee, but a very efficient one. They moved to Grayson county about two years ago, but the call of the west was too great for them.

So, this is just a welcome to Douglas Jones and his fine little family (they have two children) to Brownfield.

It looks like the OPA needs a transfusion.

Doubtless both of our banks are sound inside, but from outside appearances, one of them has blown its top.

If we are going to send new plasma to Washington, we ought to send some with corpuscles in it. Medicos rule, it should be tested and typed before injection. The wrong type might do the body more harm than good.

For the year 1945, \$35,000,000 in addition to wages was spent by General Electric in extra benefits for employees

It isn't a new thing for General Electric to put more than money into pay envelopes for its employees.

"Job dividends"—these extras that G-E employees get in addition to wages—have a sound business reason. To be successful, a company must be efficient. A man with fewer worries can produce more efficiently, which makes further benefits possible.

Profit-sharing plans, relief and loan plans began over 10 years ago at General Electric. Life insurance for em-

ployees, cash for suggestions began over 20 years ago. Pension plans were started 33 years ago. And vacations with pay began 53 years ago.

Every employee has a stake in the future of General Electric. For out of its success—and only out of success—can come further advances in living standards. That is the aim of General Electric, not alone for its employees, but for the public, who gain by new and better products, continuously improved.

Don't Treat An Animal Bite Lightly

With a sharp increase in the number of persons being bitten by rabid animals in East Texas, and similar occurrences reported in other sections of the state, Dr. Geo. W. Cox, State Health Officer, recently warned all Texans to be on the alert for symptoms of this disease when around domestic or wild animals.

The 2,166 animal heads received for examination by the State Health Department during the past year have shown 687 positives, including incidence among cats, dogs, horses, rabbits, rats, squirrels, skunks, guinea pigs, coyotes, gophers, raccoons, hogs, sheep, and prairie dogs.

Rabies is transmitted to man through a bite or cut exposed to the saliva of a rabid animal. Bites through clothing are not as dangerous as bites on exposed surfaces, because the saliva is wiped off as the tooth passes through the cloth.

If a person is bitten, the offending animal should be penned, if possible, for a period of ten days observation. If the animal is normal at the end of that time, the case can be dismissed. If it is necessary to kill the animal, this should be done in such a manner that the brain is not destroyed, otherwise, an examination to determine whether or not the animal had rabies will be impossible. If the head is sent to the State Health Department, care should be used in properly icing it to prevent decomposition.

Mr. and Mrs. A. Muldrow and sons, Mont and Ken, spent Sunday in Midland visiting relatives.

Mrs. Rayburn Knott and son, Webb, of Levelland, visited in the home of her parents, Mr. and Mrs. J. H. Carpenter, Saturday.

Mr. and Mrs. Holland Edwards announce the birth of a daughter, July 11th in Lubbock Memorial Hospital. The baby weighed eight pounds, 3 ounces at birth. Mr. Edwards is the brother of Mrs. Jot Akers of this city.

SCIENTIST . . . Dr. Abraham Freirich, who has discovered a simple antidote to rescue persons who try suicide by taking overdoses of sleeping medicine. The drug, which also helps avert pneumonia, is called amphetamine (benzedrine) sulphate.

Mr. and Mrs. E. M. Royer came in Sunday from San Antonio where Mr. Royer has been getting his discharge from the army. On their way home they stopped in Waco to make arrangements for Mr. Royer to enter Baylor University and also visited relatives in Abilene.

Delegates Named For State HD Association

Mrs. H. G. Pendergrass, Meadow; Mrs. Clyde Heafner, Wellman; and Mrs. R. C. Faught, Scud-day, have been elected as delegates to attend the annual meeting of the state home demonstration association in Amarillo, August 14 to 16. Mrs. Everett Brantley, Tokio, was elected alternate. These delegates were elected by the county home demonstration council last Saturday afternoon in a meeting held in the district court room.

The council also voted to assist two 4-H club girls and one sponsor to attend the State 4-H Club Round Up to be held at College Station, August 28 to 30. Mrs. H. H. Hill, sponsor of the Union 4-H club will accompany the girls.

The education committee reported having received seven books and urged the women to check them out in order to qualify for receiving certificates for reading.

The council voted to meet next month on the first Saturday instead of the usual second Saturday afternoon.

In addition, the club voted to cooperate with the Lubbock Fair by placing an exhibit this fall.

Mr. and Mrs. Tom May and daughters, Jo Pete and Ida May and Mr. and Mrs. A. A. Sawyer left Saturday for a ten day vacation in Crede, Colo.

Miss Virginia Stockton, regional supervisor of Home Nursing of the American Red Cross, will be in Brownfield July 21-24 for the first two classes in home nursing to be taught by Mrs. Irene Griffith. Mrs. Griffith has recently completed a course for instructors of Home Nursing at Abilene.

ATOM BOMB . . . Mrs. Caroline Swancutt, left, mother of Maj. Woodrow Swancutt, who was selected to pilot the plane carrying the atom bomb over Bikini, receiving telegrams from friends. Seated next to her is Swancutt's sister, Mrs. Ralph M. Sloan.

Seagraves Boy Awarded Sears-Roebuck Scholarship

Lubbock — Harold Elder of Seagraves has been awarded the sophomore Sears-Roebuck Foundation scholarship at Texas Technological College for 1946-47, according to Ray L. Chappelle, head of agricultural education.

The sophomore scholarship is awarded to the student receiving the highest grades among the recipients of the freshmen Sears-Roebuck Foundation scholarships. Elder, son of Mr. and Mrs. C. L. Elder of Seagraves, is a sophomore agricultural education major.

Mr. Richard Davis, of Philadelphia, Penn., was a weekend guest of Mr. and Mrs. Slim Schellinger. He and Slim were buddies while in the army and he stopped off on his way to California.

COOKER CLINIC

A pressure cooker clinic will be held in the home economics room at the high school building on Saturday, July 27 from 10 A. M. until 4 P. M. All those who failed to have their gauges checked previously may have it done on this date.

Those who have new gauges should have them checked at this meeting. All gauges should be loosened from the pressure cooker top before being brought for testing.

Mr. and Mrs. Kenneth Hill and son, Wade, returned Saturday from a visit with Mrs. Hill's parents in Fredericksburg.

TEXAS GETS 336 FIRMS IN MAY

Austin, Texas — Texas gained 336 new corporations in May, with all but 13 capitalized below \$100,000, the University of Texas Bureau of Business Research reports.

Only 77 charters were issued in May, 1945, and 228 were issued in April, 1946. Those firms handling oil, real estate, or transportation equipment or service registered outstanding gains during May.

Mr. and Mrs. B. G. Cross and children are vacationing in Colorado. That state seems to be very popular with Brownfield vacationists this summer.

Dairy Association To Meet July 16

Lubbock — The Holstein-Friesian association of Texas will have a regional meeting in the Aggie Memorial auditorium at Texas Technological College July 16. N. C. Fine, associate professor of animal husbandry, announces. All dairymen in West Texas are invited.

Included on the program will be a report of the national convention by H. R. Hales, Holstein-Friesian breeder of Amarillo, a type judging school, and discussion of plans for the show at the State Fair of Texas in Dallas, Oct. 5-20. K. V.

Kipscomb, president of the association, G. G. Gibson, secretary, and G. R. Appleman, Lynn, Kan., an officer in the national association, will be among the speakers.

Misses Forrest Steen and Wanda Hall were in Ruidoso over the weekend.

Dr. and Mrs. E. C. Davis spent the weekend in Kermit as guests of Mr. and Mrs. Roy Crosby.

Mr. and Mrs. Troy Noel and Mr. and Mrs. Lee O. Allen are spending several days in Hot Springs, New Mexico.

Behind the Scenes in American Business

By John Craddock

NEW YORK, July 15—Elimination of the O. P. A. appears to have black market operators tottering. Midwestern markets received more hogs in the first week without the agency than they had in any preceding week for 12 years. Prices were up \$1.75 to \$2.75 a hundredweight, but dealers said they could buy at those prices and sell dressed pork 35 per cent below black market prices. Cattle prices were four cents a pound above O. P. A., but 30 cents a pound under black market. Other indications: Tallow which dribbled to soap makers under the 8½ cent ceiling price, flowed to manufacturers at prices ranging up to 11½ cents compared with the 12-cent black market price. Corn jumped

SPEED RECORD . . . The fastest airmail delivery in the history of the United States was accomplished when a P-80 jet propelled plane carrying mail left Schenectady, N.Y., and arrived in Washington, D.C. in 49 minutes. Capt. Robert Baird, pilot, of Clarksdale, Miss., is handling the pouch and a letter from W. Stuart Symington, assistant secretary of war for air, to Vincent Burke, postmaster at Washington. The plane reached a top speed of 580 miles an hour.

50 a bushel, but is still 90 cents under black market. Bakers are now buying flour \$4 a hundred-weight cheaper than former black market quotations. Legitimate food channels have a big advantage over black market operators in that their plants and distributing systems are more efficient. Illegal operators, however, evade income taxes. Legitimate dealers think their efficiency will soon put the black market out of business, despite the tax difference.

HOME BUILDING — Lack of volume in materials has been a prime factor in holding up the building of new homes throughout the nation, but one group of manufacturers, those of floor and wall tile, now foresee "more than

enough" of their product within a short time. Basis for their statement is a survey made by the Tile Council of America, which reveals that floor and wall tile production is currently running nearly double the 1945 rate and that, given manpower and a steady flow of materials, the industry will be turning out tile at the rate of at least 88 million square feet annually by the end of this year. Since 74,500,000 square feet was sufficient in 1925 when the record number of new homes were built, the industry's new high rate promises more than enough tile for bathrooms, utility rooms, floors and wainscots for the 700,000 standard type homes planned this year under the government's program.

THINGS TO COME — A windshield wiper to clean curved glass . . . New bookends which have the appearance of polished ebony and are decorated with a white onyx cameo. They are made of plastic . . . A new sweatband for hats and helmets, made of synthetic sponge which has absorbent qualities . . . A synthetic fibre for use in lining packing cases and cartons. It is impregnated to keep out moisture and to resist temperature changes. It is tough and flexible . . . An electronic device for garages and service stations which shows whether wheels are in alignment . . . A new kind of radio instrument which detects counterfeit coins, imitation diamonds and impurities in many types of solids, liquids and gases . . . A new water-repellent material to be applied to certain types of fluorescent lamps to combat high humidity . . . A new liquid soapless cleaner for kitchens. A thimbleful will wash the dinner dishes. General Aniline & Film is making it.

BITS O' BUSINESS — America no longer worries about the pre-war bugaboo of cotton surplus. Today prices are 500 per cent above the depression low of 1932 and there is about one month's supply ahead in contract to the two-year supply at prewar rates of consumption . . . Civilian Production Administration is expected to move shortly to stop what it calls speculative hoarding and excessive exports of semi-scarce products unless price controls are reestablished. Main reason would be to make available as much goods as possible and thus prevent inflationary tendencies caused by artificial scarcities . . . Last week Congress voted to stockpile a vast quantity of critical raw materials . . . Diversion of 468 million yards of fabric for the manufacture of low priced goods will not build

GI Question And Answer Department

Q. Can a member of the women's armed services obtain medical aid from the Veterans Administration in pregnancy cases?

A. Veterans Administration has ruled that pregnancy is not a disease or a disability but a natural phenomenon or process and therefore is not a responsibility of the government. However, if there are pathological complications, the ex-service-woman can receive medical aid.

Q. Can a merchant seaman who is disabled in World War II receive vocational rehabilitation?

A. Not from the Veterans Administration, for the reason that he is not a veteran. He may secure it from the Federal-State rehabilitation program under the Federal Security Administration.

Q. For what purpose may a veteran get a guaranteed loan?

A. To buy, build, repair, alter or improve a home; buy a farm, livestock, equipment or supplies or to acquire working capital; construct a farmhouse or other buildings on a farm; repair, alter or improve a farmhouse or outbuildings; improve farm land or equipment; conduct farming operations; purchase stock in a cooperative association where the purchase of such stock is required by Federal Law in connection with obtaining a farm loan; buy a business; buy a building or land for business purposes; buy business supplies and inventory; buy machinery, tools and equipment for operating a business; construct, repair or improve a business building or personal property; obtain working capital for a business or profession.

Q. Can a veteran get a guaranteed loan to pay off a debt that is past due?

A. Yes, under certain conditions. Full information may be secured from the lender or from the local VA loan guarantee officer.

Q. What interest rate is charged?

A. The interest rate on a guaranteed loan cannot exceed 4 per cent. The interest rate on non-real estate loan which is to be insured for the lender instead of guaranteed may be as much as 5.70 per cent.

Q. What loans can be insured by VA?

A. Any loan eligible for guaranty when made by a supervised lender.

up the supply substantially. It is only about 20 per cent of the current production.

First South Plains Fair Since War This Fall

Lubbock, Texas, July 13 —Work has started on the 29th Annual Panhandle South Plains Fair, the first to be held since 1941, Fair officials announced recently. Tentative date of the Fair, which will be held at the Fairgrounds in Lubbock, is October 7-12.

In preparing for the first Panhandle South Plains Fair since before the war, officials announced that the Fairgrounds are being reconditioned, and that buildings are

being painted and renovated so that everything will be in top condition when the Fair gets underway. They also disclosed that a carnival, a rodeo and midget auto races have already been lined up for appearances every day of the Fair.

1,080,000 POUNDS OF
BLACKEYED PEAS
ARE NEEDED FROM WEST TEXAS EACH DAY BY
GILBERT C. WILSON
LABORATORIES
AT PITTSBURG, TEXAS

We will need 1,080,000 pounds of blackeyed peas per day. Our plant will have a maximum daily production capacity in excess of 30,000 cases per day.

Our plant is now operating, canning peas from South and Central Texas. West Texas blackeyed peas harvest will begin after harvest season in East Texas is over. We will start buying here when peas are first available, and will continue to buy until the first killing frost.

We will set up receiving points at convenient places throughout the Brownfield territory, and peas will be paid for when they are received. We will pay market price for the peas, which should be in the vicinity of \$65.00 per ton.

The demand for canned blackeyes appears to be far in excess of what canners can supply this year.

According to the experienced blackeyed pea growers in West Texas, less moisture is required for producing a good yield of blackeyed peas than cotton, and they can be planted 20 to 30 days later than cotton and yet still in time for maximum yield.

Blackeyed peas, being a legume, will serve to build up the soil, and will also serve somewhat as a cover for the soil to keep down erosion during the winter months.

We will also buy dried blackeyed peas this year

The location of our buying points in the Brownfield territory will be announced in the near future.

Under Texas Skies

By A. Garland Adair, Curator of History, Texas Memorial Museum. Publishers and editors who gathered recently at Corpus Christi for their annual Texas Press convention heard reports from fellow members regarding the rural improvement program initiated by the Texas Centennial of Statehood Commission. They were also informed that every member of the association will be invited to become members of the centennial commission as rapidly as the invitations and letters of appointment by the governor can be written.

While the commission co-ordinated historical observances will continue to be held throughout the year, the revitalization of Texas agriculture, second phase of the commission's scheduled program, is destined to project itself into the second century of statehood.

Following the American Legion sponsored program at Brenham and Old Washington, held the 27th and the 28th of June, another centennial program, featuring the life of Sam Houston, will be held at Huntsville on July 26th, one day prior to the democratic primary. Then on December 12, at Galveston, a program will be given commemorating the centennial of the first federal court in Texas.

Responding to the suggestion of Commission Chairman, Karl Hobbeltzelle of Dallas, work was begun four years ago in the interest of a program that would project itself into and through the next century. The Revitalization of rural life in Texas was decided upon by a committee of representatives of all of the leading industries, institutions and business concerns of the State.

The Centennial Commission proposes that the State of Texas, at its next legislature, create and finance a coordinating and fact finding commission to assist farmers through rural community planning.

The eleven proposed Commissioners of the "Texas Rural Development Commission" are to serve in official capacities, and are to be a policy-making body.

The members are to be nominated by the governor and approved by the legislature. Their terms are to be four years, with their initial appointments to be of such duration as to perpetually stagger their

Bulwinkle Bill May Be Approved

The Bulwinkle amendment to the Interstate Commerce Act seeks to eliminate any possibility of conflict between the Interstate Commerce Act and the Sherman antitrust act by providing that agreements between common carriers be approved by the Interstate Commerce Commission.

This is similar to provisions for commercial airline and maritime shipping contained in the Civil Aeronautics Act 1938 and United States Shipping Act 1916.

The amendment provides that carrier agreements be approved only when found to be in furtherance of the national transportation policy declared in the Interstate Commerce Act. Under its terms no agreement would be approved which abridged the rights of independent action by non-concurring carriers.

The commission is authorized to prescribe necessary rules and regulations, hold hearings, prescribe terms and conditions upon which its approval is to be granted, modify such terms and conditions, and terminate agreements.

Carriers are specifically relieved from the antitrust laws only to the extent that they comply with such approved agreements and

conform with the terms and conditions prescribed by the Commission.

Legion Membership Doubled In 12 Months

INDIANAPOLIS, Ind. — The American Legion has almost doubled its membership within a year.

On June 11, 1945, the national enrollment was 1,580,568. On the same date in 1946 it was 3,125,012. This was a gain in 12 months of 1,544,444 members.

Eight American Legion departments now have soared past the 100,000 mark in their current memberships. They are:

California	155,794
Illinois	208,767
Indiana	114,450
Iowa	107,599
New York	240,463
Ohio	137,240
Pennsylvania	267,765
Texas	124,319

The American people are fed up on all the wolf stories which come out of Washington. One day we are told that the nation will go to the eternal bow-wows unless some bureaucrat saves the day for us; and the next day some one else denies the whole theory, and says that we are blown up unless we kick the pants off of all bureaucrats, and have a full house cleaning. The News would like to see the American people given a chance at free enterprise once more, but at the same time we realize the dangers that might develop under such a sudden change. Our federal government has too strong a hold on the everyday life of every American to suddenly relinquish all restraints. You can see what happened to real estate throughout the nation, as an example. Some day some one is going to take a terrible cleaning on real estate, just as they did following World War I.—Canyon News.

The young daughter paid her mother the highest compliment when she introduced her as a speaker at a Mother and Daughter banquet, by saying, "She's my mother. I had nothing to say about that. But I can choose my friends, and she's first on the list."

Yes, We Have Lumber?

While thousands of veterans and civilians have been unable to build because of lumber shortages, the exportation of lumber to foreign countries has been going full blast—so reliable sources from Washington reveal.

Nothing seems to be done to correct the situation despite the protests to the State Department.

During the first three months of 1946 the Department of Commerce shows exportation of 168,899,000 board feet of lumber. This amount is in addition to Army, Navy, UNRRA and foreign countries under lend-lease agreement. Lumber exported from the United States increased to 36 per cent while total production increased 24 per cent.

This is a ridiculous situation and is so unjust that it is hard to understand why the State Department has permitted it to exist.—Post Dispatch.

Mrs. R. A. Brown entertained with a dinner Sunday noon for her father, Mr. J. T. Auburg, to celebrate his 71st birthday. Places were laid for the honoree and Mr. and Mrs. Burdette Auburg and daughter Jan, of Post, Paul Auburg and Mr. Brown and Nelda.

COLOSSUS OF THE SKIES . . . The 220-foot hull of the world's largest cargo plane, designed and built by Howard Hughes, is moved from the Culver City (Calif.) plant to Terminal Island. Built almost entirely of wood, the \$20,000,000 craft—capable of carrying 700 persons—will now be assembled in a \$150,000 graving dock. Ten cities and towns and other subdivisions co-operated in moving the big plane.

Mr. and Mrs. I. B. Bailey and Sandra left this week for a vacation in Colorado.

Mr. and Mrs. Jack Shirley and houseguest, Miss Rose Palmer, of Ft. Worth, spent the week vacationing in Ruidoso.

Mrs. Ted Hardy and children, Tommy Dee and Teddy Joe, Mrs. Ethelda Edwards and daughters, Jonelda and Becky and Mrs. George Neill spent Saturday afternoon in the McKenzie Park in Lubbock and attended the Primm Drug ball game that night.

Mr. and Mrs. George Warren spent last week in Levelland with Mr. and Mrs. Gail Willis and Mrs. Bob McDonald. Their granddaughter, Reba Gail Willis, returned with them to attend the Baptist vacation Bible school.

Mesdames J. B. Worsham, Ray Halley, and Bill Marchbanks and Jackie Worsham and Richard McDuffie spent the week in Seymour visiting relatives. Lynn Wayne Machen and Nellie Grace Powell returned home with them for a short visit.

Mrs. N. L. Mason and her houseguest, Mrs. Orvaline Rhader, visited Mrs. Holt Eastland in Monahans, Wednesday of last week.

Mrs. Ovaline Rhader, of Beaumont returned Saturday to her home after a week's visit here in the home of Mr. and Mrs. N. L. Mason.

Enjoying several games of tennis last week, despite the heat, were: Mesdames Phil Gaasch, Ethelda Edwards, Ted Hardy, and Everett Mathews.

Newsweek comes out with the warning, "Sunset for New Dealers." Since that is a Republican publication you would naturally expect that all reforms proposed under the New Deal would be dead issues. The facts are that a large part of the New Deal program is of national importance and will always be a part of our law. You cannot overthrow reforms by making light of them. But the fact that the New Dealers went beyond reason and tried to make another little Russia out of America has caused the whole program to be criticized. While some of the New Dealers smell to high heaven, the fundamental principals of the so-called movement will last forever. Only those un-American ideas in the program will be discarded.—Canyon News.

Messrs. Bob and Joe Cobb, of Lubbock were in town Monday afternoon on business.

Mr. and Mrs. Tom Neely and daughter Jan, spent the weekend in Lubbock as guests of Mr. and Mrs. Curtis Barrett.

Mr. and Mrs. E. Robertson and Mrs. Tom Nelson, of Lubbock, were guests of Mr. and Mrs. Dick Fallis, Sunday.

Mr. and Mrs. M. V. Walker spent the weekend in Portales visiting Mrs. Walker's parents, Mr. and Mrs. C. C. Nixon.

Mrs. Alfred Mangum left Sunday for a two weeks vacation in Bryan with her parents, Mr. and Mrs. English.

Mrs. Wilma Frank Duke and children spent the weekend in Lubbock with Mr. and Mrs. Ira Duke.

Mrs. Frances Lewis is in Hot Springs, New Mexico, visiting Mrs. Flem McSpadden and Cheezy.

"Where is your bull fiddle?" was asked Beauford Jester when he visited Canyon. "The office of Governor is too serious a matter to be connected with bull fiddles. The candidate who cannot get the people's ear without the use of a jazz band is not taking his obligations seriously," was the candidate's response. To which he responded: Amen. Those candidates who are trying to fiddle their way into public office may be expected to fiddle at the expense of the people should they be elected. —Canyon News.

Newsweek magazine states that Senator Connally has no opposition. Newsweek, published in New York City, evidently does not know that four candidates have their name on the official ballot. But after all, they might be correct in saying that Mr. Connally has no "opposition." —Miami Chief.
