

## Brownfield To Play First League Game Sunday Against Levelland On Local Diamond

Sunday afternoon at 2:30 the Brownfield Bears in their first game of the 1948 season and as a member of the Oil Belt League meets Levelland on the diamond located just off the "Y" on the Levelland highway. Brief opening ceremonies will be held with Virgil Crawford acting as master of ceremonies. Willie Wilgus, vice president of the Oil Belt League, will toss out the first ball.

Harold Crites, who has recently been named as manager of the team, stated that his reason for doing so was due to the fact that he had as yet made no definite plans to reside here permanently. Blue Graham has been elected to fill this position.

Levelland has already played two games with Littlefield, winning one and losing one.

Tentative lineup for the opening game is as follows:

D. Warren	LF
Bill Anderson	CF
H. Crites	3B
P. Walker	2B
Warlick	SS
R. C. Morton	RF
J. O. Burnett	1B
Mutt Rodgers	C
Paul Bish	P

## Girl Scout Troop 5 Contacts Troop In Germany

The Girl Scouts of Troop 5 are carrying out an interesting project in which each girl is contacting a German girl from a Troop in Germany. These troops are led by an American leader with a German woman as co-leader.

Although these German children have been studying English less than two years, they write well. Following is a letter received by Nelva Boshor of 411 North 9th Street.

Darmstadt, February 29th  
Dear Nelva!

It's some days ago, that I received your fine letter very delighted. You tell me, what are you doing in your troop. I accept, you want now to know, how is the life with us at the Girl Scouts in Germany. I am twelve years old and I am learning English in the second year at school. For this reason you will understand, I speak English very bad. Therefore I beg your pardon, if there are mistakes, but I hope you are able to read my lines.

Also we tried to give any Christmas pleasures the poor and old people. But also we thought of the little children. Mrs. Kevin our leader, and her helpers, the secretary, Miss Hornlebert, they all helped us and in this manner we could make anything for everybody, to whom we wished to make a joy. Mrs. Kevin gave us little puppets and of rests of stuff we made them clothes.

Our leader is "ok." Some months ago, Mrs. Kevin granted stuff and everybody of us girls tailored a beautiful white blouse. For knitting stockings we got the wool by Mrs. Kevin. One of the girls decorated their stockings with splendid colored models. Short before Christmas day we drove to the old people of the neighbouring village and sang them Christmas Carols.

We are "Girls-Scouts-Group two." Our group is divided in two divisions. The first and the second division have their meeting always at the same time. Every division is called with the name of a bird. We are the blue titmouse, the other division is called the wrens. Our leader's helpers we call the eagles. They are changed every time at the fourth meeting of us. All our group is formed by 20 girls, ten till fourteen years of age. My name is Hannelore Schambach and I am 13 years old. Soon will be 13. Our group is so large that we cannot take up still more children. But every girl who want to come to us, can do so, then we make a new group.

Dear Nelva!  
It's enough for to-day. I hope you will answer to me soon. The next time I tell you more about the Girls-Scouts in Germany.  
Love,  
Hannelore Schambach

**JAYCEES ATTEND EL PASO CONVENTION**  
Mr. and Mrs. Tess Fulfer and Mr. and Mrs. Alfred Gore, as delegates from the Brownfield club are attending the State Convention of Jaycees at El Paso this week.

## New Owners Open Style Shop With Sale

The Go're Fashion Shop on west Main, was closed Wednesday while the stock was being invoiced, preparatory to turning over to the new owners. The new purchasers are, Mrs. Frank Ballard and Miss Mary Ballard, sisters-in-law, and both well known here.

The shop was purchased from Mrs. Minnie Hazel Bowman, who put in the shop a few years ago, and always proved a popular shopping place for the ladies. The Ballards are both very friendly, obliging persons, and we predict for them a fine business.

You will note in this issue that they are opening up with a store wide sale today and tomorrow.

## What About Many Traffic Violations?

As we have a new setup of a mayor and city marshal over at the city hall, it will not be amiss at this time to ask if there is a possibility that the law might crack down on some of the speeders on our streets, who go down there 50 or 60 miles an hour, cross intersections at the same speed. And if an old or crippled pedestrian happens to be crossing, he has to get out of their way the best he can.

In the past three years we have traveled almost from coast to coast. In fact from the Pacific to western North Carolina, and in every state, where pedestrians are crossing the street, where there is no intersection light, drivers are required to slow down, and stop if necessary. In some of these states it is a heavy fine not to slow or stop.

Last week, we came very near being hit, at Broadway and Sixth, and any number of times we have seen old people or children nearly run over. Just where the law stays all the while, we are not able to explain. But we see this violation so often, we wonder.

Yes, we have some of the speeders names. And in most cases their time is not worth \$500 a minute—more likely \$50 per hour. But the way they swish by, you'd think they were very important guys. What they need more than anything else, can think of is a second growth of hickory stick wrapper around the knot on their shoulders, they call a head.

On March 31, 1948 the Post office at Wellman had a change of postmasters. Marvin H. Clark was installed as acting Postmaster, succeeding Mrs. Estella H. Rich who had resigned after seven years service there. In the seven years Mrs. Rich had seen the office climb from about \$600 "compensation" to almost high enough to be placed in third class, since it is a small fourth class. Some of this, of course was due to the war conditions and some to the development of the Wellman community. Mr. V. E. Bell, post office inspector for this district had congratulated Mrs. Rich for her work and efforts in the post office development. However, like so many other post offices, after the war rush was over, the office receipts dropped back some. The calendar year of 1947 was a good one and the salary of the postmaster will rise in July, 1948.

Mr. Clark and his wife have bought the grocery and service station property which formerly belonged to Mrs. Rich and her husband, Miller H. Rich and are building living quarters onto the store. Mr. and Mrs. Rich have kept their home and other property in Wellman and plan to continue living in Wellman and farming.

**Postmasters At Wellman Change**  
On March 31, 1948 the Post office at Wellman had a change of postmasters. Marvin H. Clark was installed as acting Postmaster, succeeding Mrs. Estella H. Rich who had resigned after seven years service there. In the seven years Mrs. Rich had seen the office climb from about \$600 "compensation" to almost high enough to be placed in third class, since it is a small fourth class. Some of this, of course was due to the war conditions and some to the development of the Wellman community. Mr. V. E. Bell, post office inspector for this district had congratulated Mrs. Rich for her work and efforts in the post office development. However, like so many other post offices, after the war rush was over, the office receipts dropped back some. The calendar year of 1947 was a good one and the salary of the postmaster will rise in July, 1948.

**Girl Scouts Thank Jaycees**  
The Girl Scouts offer thanks to the Junior Chamber of Commerce for the privilege of having the concession stand at the Stock Show Saturday.

The Girl Scout Little House is progressing very nicely, however; there is a need for volunteer workers. The contractor will let anyone help. If you have not seen the Little House, drive by the entrance of Coleman Park and take a look.

Mr. and Mrs. Kenneth Jones of Slaton and Mr. and Mrs. H. H. Patterson of Seminole spent the weekend in the home of Mrs. O. L. Jones.

Mr. and Mrs. Will Downing had as week end guests, Mr. and Mrs. Charles Downing, of Norman, Oklahoma.

# The Terry County Herald

Not Neutral—Not On The Fence—A Paper With An Opinion And A Purpose

VOLUME 43 BROWNFIELD, TERRY COUNTY, TEXAS, FRIDAY, APRIL 16, 1948 NUMBER 38

## Meadow Musings

The Homemaking Department of the Meadow High School had a very successful box supper last Friday night. The supper was given to purchase and install a hot water heater in the Homemaking Department. They cleared \$126.54. The department wishes to thank all the business houses that helped in any way toward the supper, and for the fine patronage of the people in the community.

On Tuesday night of this week the Terry County Unit of the Texas State Teachers Association met at the Wellman School for a Blue Jean Party and program.

On Friday of this week the Senior FFA Conducting team of the Meadow high school will leave for Huntsville, Texas to enter the State meet. The team won second place in the Region contest competing against some large schools, which entitled them to enter the State Contest.

Supt. Wilson has finished the school census. He states that Meadow has 564 scholastics for next year. There were 478 last year.

The Meadow FFA boys had calves and hogs in the show at Brownfield last Saturday. Weldon Mason had calves in first and second divisions. Wendell Mason and Herbert Hicks had calves in both first and second divisions. Neal Barrier had a calf in second division and Melvin Carroll had a calf in first division. Kenneth White had a calf in second division. Weldon Mason won the grand championship on his Duroc Jersey Barrow. Wendell Mason won first place on showmanship. Dan Lewis Roberts won first on his sow and pigs.

The sale this year was very good with better calves bringing nearly forty cents and the better barrows brought around thirty cents per pound.

The FFA has had a very successful year and these winnings by the boys is another step toward making this the best year the Meadow FFA has had.

Mr. and Mrs. J. E. Peek visited Mr. and Mrs. Cecil Peek and Mr. and Mrs. Melvin Peek at Lubbock last Sunday.

Mr. and Mrs. J. A. Turner left Saturday for Brownwood for a visit.

Mrs. Martha Strickland suffered a painful injury, when she caught her hand in the wringer on a washing machine several days ago.

Marcille Bureson spent the weekend with her parents, Mr. and Mrs. J. M. Bureson.

Mr. and Mrs. H. V. West visited relatives at Earth, Texas Sunday afternoon.

Mrs. R. L. Brown, Mrs. Peachie Ford, and Miss Mary Goeber of Lubbock visited Mr. and Mrs. J. H. Goeber over the week end.

Mrs. J. V. Norris, Mrs. Frank Walter's mother, is in a Lubbock hospital. She is improving nicely.

Mr. N. E. Mackey is still in a hospital at Lubbock. He is improving.

Horace Belew underwent surgery for appendicitis at the Brownfield hospital Tuesday of this week. He is getting along fine.

Mr. and Mrs. Paul Whitaker, Jr., have a new boy born Saturday, April 10, at the Brownfield hospital. The boy, Danny Paul, weighed 7 pounds and 12 ounces. Mr. and Mrs. Whitaker now live in the Challis community.

Miss Marie Winningham, daughter of Mr. and Mrs. G. W. Winningham of Mexia, Texas, and Preston Turner, son of Mr. and Mrs. J. F. Turner of Meadow were united in marriage on April 10, 1948 at the home of Rev. R. L. Shannon in Meadow.

Those attending the wedding were Mr. and Mrs. H. L. Holliman of Brownfield; Mrs. Earl West, Lubbock; Betty Turner, Lubbock; Mrs. C. W. Duffey, Meadow; Mrs. Thelma Turner and daughter, Edna Jo, Meadow; Mr. and Mrs. J. A. Turner of Meadow.

Miss Winningham has been employed for the past seven years by the ACA office at Brownfield. They will make their home at Meadow, where Mr. Turner is engaged in farming.

Mrs. W. T. Arnett visited her sister, Mrs. Elder and family at Seagraves last week. She also visited her son, Jones Arnett and family at Loop, Texas.

Mrs. E. F. Schwartz is improving. She is in a hospital at Plainview, Texas.

Billy Jean Stander of Plainview is visiting her mother, Mrs. Donowhe, at Meadow.

## Terry County Singing Convention At Wellman

G. M. Thomason was in this week to get some publicity of the Terry County Quarterly Singing Convention at Wellman, all day Sunday. This singing is not to be confused with the frequent sing-songs from time to time. The time is all day Sunday, April 18, at Wellman, in the high school auditorium.

And remember, that the fighting war is now over, and the convention again goes to their old style of having that noon day dinner on the ground affair, that has always been so popular here in Terry. But also remember to bring plenty lunch, not only for yourself, but remember there will be a large number of out-of-county visitors.

Mr. Thomason stated that a number of fine individual singers were expected from all over this section, as well as some good quartettes. Among the latter, he stated that the Stamps-Baxter organization at Dallas had promised one of their best quartettes would be on hand.

Remember, that Wellman never does things by halves, but has always proved to be a great host. But don't leave it all up to them. Bring a well filled basket, and no matter where you live here in Terry county, appoint yourself a committee of one to see that the visitors from other counties are well entertained.

**Seniors Invited Guests Of Hardin-Simmons U**  
Senior students of Brownfield High School are among those invited to be "collegians for a day" at Hardin-Simmons university Saturday April 24, when the University plays host to several thousand students in annual Senior Day.

The Seniors will be entertained with a program at 10:30 Saturday morning in the new Rose Field House. Following the morning program, the students will be guests at a barbecue with members of the H-SU Cowgirl Band playing luncheon music.

All buildings on the campus will hold Open House from 12:30 to 3 o'clock. Visiting students may inspect the various dormitories, bookstore, gymnasiums and classroom buildings.

There will also be an opportunity for students to counsel with faculty members concerning their educational program.

The program will be concluded in the afternoon and evening when the seniors will be guest at the second annual Hardin-Simmons intercollegiate rodeo. There will be bareback and saddle bronc stomping, steer riding, calf roping, and wild cow milking for the waddies while the cow-lassies will vie for honors in goat tying and cow milking. All contestants will be college students.

**Grave Registration To Be Discontinued**  
The American Graves Registration Division of the San Antonio General Distribution Depot in San Antonio will be discontinued effective May 15, Lt. Col. S. H. Partridge, chief of the division announced today.

After that date remains of Texas war dead, returned to Texas for permanent burial, will be distributed from the Fort Worth Quartermaster Depot. Remains destined for sections of Louisiana that have been served by the San Antonio office will be handled at the Quartermaster Depot at Memphis, Tennessee.

After May 15, all communications relative to the war dead repatriation program should be addressed to the American Graves Registration Division, Fort Worth Quartermaster Depot, Fort Worth, Texas, Col. Partridge said.

Even the "chain letters" are not safe. At Abilene a mail carrier was convicted in Federal court for taking some "chain letters" from mail he was to deliver, and appropriating the money.

Mr. and Mrs. Auvie Johnson of Plains visited Sunday with Mr. and Mrs. Warren B. Scudday of this city.

## NEWS UNAVOIDABLY LEFT OUT THIS WEEK

In view of the fact that our supply of newsprint ran very low this week, some interesting news items had to be left out. We hope the newsprint situation will improve, and soon.

These items will be picked up next week, as we are expecting a new supply of paper by that time, from our wholesalers.

## Meeting For Parents Of Cub Scout Age Boys Tuesday

All parents of boys nine through eleven years of age are invited to attend a meeting next Tuesday evening looking forward to the establishment of a Pack of Cub Scouts in Brownfield.

Cubbing is the program of the Boy Scouts of America for junior boys. Mr. F. W. Atkinson, Field Scout Executive for the South Plains Area Council, will conduct the meeting and show a motion picture of how the program is organized and carried out.

The meeting will be held in the First Presbyterian Church at 7:45 P. M. The meeting is for parents only.

Rev. J. Preston Murphy, Cubmaster, reports that a good number of boys have expressed interest in Cubbing. It is an opportunity for parents to receive help and find comradeship with other parents in guiding their boys into useful activities—especially during the summer months.

## Brownfield Takes 4th Place In Conference AA Contests

Brownfield high school won 4th place in the Conference AA, District 2, Interscholastic League contests held in Lubbock Saturday, April 10.

A majority of the top winners in the various literary and athletic events will participate in the Regional meet to be held in Lubbock April 24.

Results were as follows:  
Declamation: senior boys, Billy Anthony, first place; junior girls, Sandra Bailey, third place; junior boys, Don Noble, second place.  
One-act play: third place "The Bishop's Candlesticks." In the all-star cast chosen from all the plays. Von Forbes was acclaimed the best actress. Coy Jones was also chosen to be in the all star cast.

## The C. T. Edwardses Move To Oklahoma

It is with many regrets that the people of Terry give up Mr. and Mrs. C. T. Edwards, who have made Terry county their home for many years. But Dustin, Okla., will gain a very fine couple as citizens.

Mr. and Mrs. Edwards have always taken a leading part in promoting every worth while thing for the good of the county and its people. During the first part of the war, he was very instrumental in organizing one of the best Texas State Guard companies in this area, being the captain.

Later he went to Austin where he took a position in an official capacity with the headquarters of state guard matters. He was also for several years engaged in the implement business here, but later moved to a farm he purchased 6 miles north of town, and which they recently sold.

## Lions Endorse Youth Center Campaign

The local Lions club goes on record endorsing a campaign to build a youth center, or recreation park with buildings for the use and pleasure of the young folks. The Lions point out it is too big a proposition to be sponsored solely by any one civic club and wishes to contribute their aid, with other clubs and citizens, to its accomplishment.

This thing has been urged by many for several years, and quite a few are boosting for it now. It is believed that if a few progressive people will get busy this worthy project can be realized during this summer.

Mrs. Ruth Lowe and daughter, Freddie Ruth, spent the week end in Hobbs, N. M. with Mrs. Lowe's sister.

## Winners of District 9B Interscholastic League Announced

From West Ward school comes the announcement of the winners of the District 9-B Interscholastic League which was held in Whiteface, April 10.

Winners for literary events were:  
Fifth and sixth grade spelling; Mickey Anders and James Chesshir, first place.  
Junior girls declamation: Janelle Lewis, first place; Sue Stewart, second place.  
Junior boys declamation: Sammy Sears, second place.

Seventh and eighth grade spelling: Leah Dale Portwood and Sue Stewart, third place. These two girls had one hundred per cent correct papers but were graded down because of illegible writing.

Number sense: George Crossland and La Juana Garner, first place. George Crossland worked more problems than any entry in this contest. The success of these pupils was due to the thorough drilling and training given by Mrs. Crouch.

Coaches for the other events were 5 and 6 grade spelling and declamation, Mrs. L. D. Spradling, 7 and 8 declamation, Mrs. R. N. Black; 7 and 8 spelling, Mrs. W. A. Stallings.

Track events were coached by Mr. James Burnett. There were two divisions, grade school and high school juniors. Brownfield earned 30 1/2 points in these contests.

Grade school division winners were:  
100 yard dash: John Odell, first place with 11.2 seconds; Howard Swan, second place; and Olan Chambliss, fourth place.  
50 yard dash: Clancy Martin, 440 relay: third place; Olan Chambliss, fourth place.  
440 relay: C. Martin, Byron Zant, J. Odell and H. Swan, first place with 53 seconds.  
High jump: Byron Zant, second place; Joe D. Auburg, fourth place.  
Broad jump: Howard Swan, second place with 17 feet.  
Chinning Byron Zant, second place; Bobby Latham tied for third place.  
Winners in the high school junior division were:  
100 yard dash: Clyde Chambliss, first place with 10.8 seconds; John Thompson, fourth place.  
50 Yard dash: Clyde Chambliss, first place with 5.9 seconds.  
440 yard relay: Dale Cory, Crawford Burrows, John Thompson and Clyde Chambliss, second place in 51.5 seconds.  
Broad jump: Crawford Burrows, second place with 16.8 feet.

## Real Effort Made To Get All Scholastics

Everyone who has had the experience know how hard it is to get all eligible scholastics in the community. It is well nigh impossible. With all the teachers and school officials working during an entire month, and with a plug from the newspapers every week during that month to see that all scholastics are enumerated, it looks like it would be just too easy.

Nevertheless, each year, when the end of the month of March is reached, always there are a few that were overlooked. When it is known that each child within school age draws the sum of \$55, it is no joking matter that if a dozen or two fail to be enumerated, as a consequence the school is out that much money to run the schools.

The regular enumerators sometimes find that the folks are not at home, or do not answer their phone, and after a few trials give up the matter of that family as a bad deal. To most people, it seems that parents should make a supreme effort to see that their children are enumerated. But a few parents are indifferent or careless.

So, this year after the regular enumerators made their rounds, the school board hired Mrs. J. H. Griffin for a reasonable fee to give the town a fine tooth comb for stray scholastics. She found not a few, and incidentally made some money for herself. Supposedly, others were hired to make the rural districts.

## Call Meeting Slated For Senior C of C

A meeting has been called Tuesday night, April 20 at 8 o'clock in the District courtroom for the purpose of having an open discussion of the problems, prospects and projects of the Senior Chamber of Commerce.

Hiram Parks, newly-elected president of the body, is on vacation and will not be present at this meeting, but he considers it best that this meeting is not postponed until his return in order that the organization can shift into high gear as an up-and-going Chamber of Commerce at the earliest possible date.

W. H. Teal, the new manager, has been very busy the past several days with office work. He is very anxious to become acquainted with everybody in this territory.

Every business or professional man, in fact, all citizens of the community, whether members of the organization or not, if they are interested in Brownfield's progress and development, are urged to be present at this meeting.

## Cooperative To Hold Annual Meeting

The Farmers Co-Operative Society No. 1, of this city, owners of two bins, a mill and service station, have issued a call for the annual stockholders meeting to be held at the district court room, April 20, 2 p. m., according to Johnny Criswell, secretary.

At the meeting an audit report will be read and such other business transacted as may come before the body. You and your neighbor are invited to attend this meeting.

## LADIES NIGHT AT LIONS CLUB IN PLAINS

The Lions Club of Plains had "ladies night" Thursday night, April 8.

Supt. Jones of Denver City schools was the principal speaker of the evening.

Local couples who attended the meeting were Messrs. and Mesdames Virgil Crawford, J. T. Bowman, D. Q. Lilly, Jeff Farley, W. G. McDonald, Geo. O'Neal, Chick Lee and Dr. and Mrs. W. A. Roberson.

## COUNTY CLERKS OFFICE BEING EXTENDED

The vestibule in the south entrance to the Courthouse is being closed, and converted into an additional room for the Clerk's office.

A fire proof door separate it from the main office. Increased accumulation of records require more room.

## Boys Club Stock Show Huge Success; Winners In All Classes Listed

**Building Permits For Week Total \$9,980**  
The following building permits totaling \$9,980 have been issued by the City of Brownfield since April 7.

Connelly Steen, 24'x24' garage located on E. Buckley, \$3,000.  
A. B. Brown, frame and stucco located on N. Bell, \$1,500.  
C. E. Bartley, remodel 16'x20' garage and living quarters located on 313 S. Third, \$200.  
Mrs. Odella Freeman, 5'x8' bath located at 808 N. First, \$200.  
Dr. T. H. Melroy, 27'x26' garage apartment located at 34 N. First, \$4,000.  
George Martin and M. V. Walker, move in 12'x12' frame building located at 107 N. Third, \$1,000.

Large crowds viewed one of the best exhibits of fat livestock, ever shown in West Texas at the Boys Club show here all day last Saturday. The barns at the County Park, built by the Junior Chamber of Commerce two years ago and who sponsored the show, was filled to capacity. The sixty-four calves and as many hogs were fed by the 4-H and FFA farm boys. The judging was done by Ray Mowry of Texas Tech who placed them in groups 1, 2, and 3. In the afternoon most of the animals were sold at auction by Kenneth Bozeman.

Business men of the town were the liberal buyers. Furr Food store and Murphy Meat Company led in number bought. The average prices paid for cattle was 33c per pound. Average weight around 900 lbs. Twenty-three cents was the average price paid for hogs with an average weight of 240.

Frank Ballard led with first calf sold in highest price of 40c with weight of 902, paying \$360 for it. Tom May paid highest total for a 970 pound steer at 39c, \$378. The State Bank followed with one for \$369. Quite a number brought over \$300.

The following boys entered calves which were judged to be in groups numbers following their names.

J. V. Burnett, jr. 3; Graham Swain, 2 and 1; Jack Key, 2; T. O. Adams, 3; Stanley Reimer, 3; Arnold Reimer, 2; Billy Lindsey, 2 and 3; Elwood Fox, 6 head, 3 in 2, and 3 in 3; James Watson, 3; Kenneth Wright, 2; Joe Covington, 2; Royce Kelly, 2; Doyle Newsom 3 and 2; Dale Newsom, 3; J. W. Hubbard, 2;

Norman Lockett, heifer; Billy Joe Keesee 2; Dale Travis, 2; Doyle Fletcher, 3 and 2; Lewis Chambliss, 3; Neil Barrier, 2; Melvin Cavill, 1; Herbert Hicks, 1 and 2; Harold McMillan, 2; J. O. Adams, 2; Van Perry, 1; Billy Pendergrass, 3; Jerry Parker, 2; Frank Young, 2; Tommy Winn, 3; Glenn Reid, 2, 1, 2; Earl Brown, 1 and 2; Weldon Mason, 2; Bobby Wade 3, 3, 3, 2; Guy Belew, 3, 3; Bobby Stikes, 2 and 3; Max Miller 1; Wendell Mason 1; Weldon Mason, 1; Dale Newsom, 2; Arnold Blake 2 and 2.

Hogs were grouped 1 to 10: Donald Bingham, 5 and 9; Eddie Bingham 4; Woodrow Bingham 3 and 6; Weldon Mason 7, 1, 6; Wendel Mason, 5, 4, 2; Dan Roberts, 8, 3; Wilburn Wentzel, 2; Mike McCord, 1; FFA Club 7; Dale Newsom, 10.

Weldon Mason had the grand champion barrow.

Total sales of calves and hogs, were over \$18,500.00.

## Retiring Tech Prexy Did A Fine Job

While anticipating the appointment of a new president, Texas Technological College looks in retrospect at the changes and progress realized under Pres. W. M. Whyburn's three and half years administration.

Of particular importance to the current and future students of Texas Tech and the pride of the alumni is the recent approval extended the college by the Association of American Universities. Following the approval by the AAU, approvals of other organizations have followed in rapid succession.

The entire area served by Texas Tech has applauded along with the student body the enlarged and improved petroleum and natural gas engineering work achieved this year. Close co-operation through men of the oil industry have greatly aided the college's enlarged petroleum program. A new and latest type of seismographic research station has been built on the campus.

Outstanding in service among the many "completely new" facilities put in operation on the campus is the student health service. This includes a dispensary, 20-bed infirmary and a complete medical and nursing staff. The first recreation hall for students and faculty has been opened along with a college cafeteria, and has rapidly become a campus center during the day and fortid otivtyai of activity during the day and for evening entertainment.

Viewed with pleasure by the

## DALLAS INFANT BURIED THURSDAY

John Harley Dallas, infant son of Mr. and Mrs. James Harley Dallas, who died at birth Wednesday night was buried Thursday afternoon at 6:30 o'clock.

A private service was held with Rev. J. P. Murphy officiating. Interment was in the Terry County Memorial Cemetery by the Brownfield Funeral Home.

Survivors include the parents, a sister, Carol Louise; paternal grandmother, Mrs. W. H. Dallas; and maternal grandmother, Mrs. John M. Butler, of San Antonio.

## LEGAL NOTICE

THE STATE OF TEXAS:  
COUNTY OF TERRY:

NOTICE is hereby given that it has been determined by the Commissioners' Court of Terry County, Texas, and it is advisable to make an oil, gas and mineral lease, of the lands hereinafter described, covering the interest of Terry County in the minerals in such land, and the Commissioners' Court will receive bids until 10 o'clock A. M. on the 26th day of April, A. D. 1948, in the Commissioners' Court Room in the Court House, in Brownfield, Terry County, Texas for such oil, gas or mineral lease or leases, and said bids will be considered by the Commissioners' Court of Terry County, Texas at that time.

The land upon which bids are to be received, is described as follows, to-wit:

West 1/2 of Block 6 and West 1/2 acres of Block 2 League 300, Terry County School Land, Gaines County, Texas.

THIS NOTICE is given in compliance with a resolution passed by the Commissioners' Court, of Terry County, Texas at a called meeting held on the 11th day of March A. D. 1948, and held in the Commissioners' Court Room in the Court House at Brownfield, Texas.

DATED this 12th day of March, A. D. 1948.

H. R. WINSTON  
County Judge Terry County, Tex.

ATTEST:  
H. M. PYEATT  
County Clerk, Terry County, Tex. (seal)

NOTICE OF SALE OF REAL ESTATE  
THE STATE OF TEXAS:  
COUNTY OF TERRY:

WHEREAS, by virtue of an execution and order of sale issued out of the District Court of Terry County, Texas, on a Judgment rendered in said Court on September 18, 1930, in favor of the State of Texas against Geo. L. Stephens, No. 1348 on the Docket of said Court, the Sheriff of Terry County did, on December 2, 1930 sell and

convey to the State of Texas Lots numbered 7, 8 & 9 in Block 109 of the Original Town of Brownfield for the sum of \$61.44 in satisfaction said judgment and,

WHEREAS, such sale was made to satisfy Taxes levied and assessed against said land in favor of the State of Texas and Terry County and the time for redeeming said land by the Defendant has long since expired and the same has not been redeemed.

NOW THEREFORE, I, Ocie H. Murry, Sheriff of Terry County, Texas, by authority vested in me by law (Art. 7325) hereby give public notice that on the 4th day of May, 1948, being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M., on said day, at the Court House door of said County, I will offer for sale and sell at public auction, to the highest bidder for cash, all the right, title and interest of the State of Texas in and to said property.

Dated this 25th day of March, 1948.

OCIE H. MURRY,  
Sheriff, Terry County, Texas. 38c

To Congressman Lyndon Johnson of the 10th Texas district goes much of the work as well as the praise in getting a stop order from President Truman on the destruction of many training camps in Texas and other states. While wild talk of preparedness was going on in the congress little or nothing was being done to step the needless destruction and sale for a song of the many camps, training grounds and buildings. But Johnson stayed on the job till he got the stop order from the President. To top it all, many of the camp sites were sold without recourse of the government ever getting them back in case of need. Americans are the most complacent people on earth. They are so busy making money and playing that it almost takes an atomic bomb on their beans to wake them up.

Whatever may happen in Brownwood at the State Democratic convention in May, or throughout the south prior to November, President Truman has brought it upon himself. In his eagerness to get a few racial votes in a few of the northern states, he has sold the South down the river. A man that is more of a politician than a statesman does not register very high with most southerners, and this same opposition seems to be growing in the north for one reason or other, mostly we guess because it is dawning on them that HST is small timber. In the meantime, we have asked many supposed know-it-alls just how far the pledge we take in the primaries go. The pledge merely states that "I agree to support the nominees of this primary." There is not a word uttered about supporting the nominee of some convention in some far off state. But the brass collar crowd would have you believe as much. A lot of good Southern people are beginning to grow up, and believe they, themselves are intelligent enough to vote without dictation from some yellow dog variety of politician. You can put this in your pipe and smoke it if you wish: If the GOP has gumption enough to nominate a young, open minded man like Harold Stassen, he will not only be likely to pick up some of the border states, but could cut deep into the 'solid South.'

George H. Sheppard, State Comptroller, is authority for the statement the income of Texas is now 7 million dollars per month more than the outgo. No wonder the state legislature wants to get down there and begin spending that 50 million dollar surplus. Some of those guys have never been able to make more than a mere living, but they sure know how to spend the taxpayers dollar.

Last Sunday's issue of This Week magazine, a supplement of the Dallas News and other dailies, had a story of a dictator by the name of John Kennedy, who started in business in Augusta, Ga., back in the early thirties when he got the reigns of government. Not only was there a raft of grafting, but any opposition was jailed on trumped up charges, and boycotts were started against business men who as much as opened their mouths. Even school children who wrote compositions on good government, would refuse to sign their names, for fear of the 'Kennedy Crackers.' Finally, a minister and an insurance man had the nerve to lock horns with the Kennedy gestapo and began to elect some councilmen. When the boys came home from the war, who had spent from two to four years fighting dictators, they joined the good citizens league and put John Kennedy and his bunch of hoodlums out of business, and many of them left Augusta for good. For some reason we do not believe it will ever be possible for such a coup in Brownfield. It has been demonstrated in the past few years that Brownfield voters believe in the old saw, "throw the rascals out" if they do not please you. But there are a number of cities in the United

States, still in the throes of dictators.

A year has passed since the Texas City disaster, and in that 12 months we find the gulf city making a fast comeback. But they have decided that they can do without ammonium nitrate plant in their fair city. The big chemical plant is being built back, but sans manufacture of this high explosive. That chemical will perhaps continue to be made as it is a potent fertilizer, but not in any city limits.

The medical fraternity, great sticklers for ethics, certainly pulled a boner recently, when they went after a cartoonist contest in the old soap opera fashion. No soap. The medicals, at least their publicity section, got an idea that cartoonists, or for that matter, no newspaperman has any ethical notions, and that their talent was for sale to the highest bidder. Their idea was this, offer a prize of \$1000 for the best cartoon ridiculing socialized medicine. They knew that newspapers as a whole have no use for socialized medicine, so-called. So, they expected the cartoonist to do their stuff, and then the newspapers to run them free as editorial matter, which cannot be bought. There were also \$100 consolation prizes. The stunt backfired. One thousand dollars is a lot of spendulix to the average country weekly, but chicken feed to some of the nationally known cartoonists and the syndicates they work for. Since the idea was considered an insult to newspapers in general, the publicity sections are not only getting a panning from newspapers, but the majority of physicians as well, who consider it a huge bust, coming at a time when they need all the friends they can get among all classes of people.

Why don't they let General Ike alone? Must he be forced to say no to a group of politicians every week or two, who have an ax to grind? As a military man, General Eisenhower is a national hero, but as a statesman he might be a flop, and spoil the general respect the great majority of Americans hold for him. We have no way to judge the future than by the past, and we have learned that the majority of generals who have been president were absolute failures. Read your history. Aside from that while a lot of guys who are seeking a soft spot should General Ike be "drafted," a big majority of the ex-GI's would vote against any brass that would be president, particularly MacArthur.

We note in the Gaines County News, Seagraves, that the price of a season ticket to see the eleven games there in the Oil Belt League is rather high—\$500. Of course the News meant \$50.00, but the pleggone that dablamed period failed to fall out of the magazine. But we sure get a kick seeing other papers make a mistake. We have two or three a week usually.

Andrew Jackson Stricklin, editor of the Terry County Herald and dean of South Plains editors says that the South Plains Press Association, which came into existence a couple of weeks ago, was organized while he was not looking. However he was not complaining—was just sorry that he missed the more-or-less important present noted and regretted Andy Jack's absence but they figured he would be on hand when the permanent organization is effected some time soon at a date yet

**SCHOOL BUILDING FOR SALE**

Forrester brick school building for sale. About 60'x70'. Located 8 miles Southwest of Brownfield, Texas. Two acres of land can be obtained with sale of building. Sealed bids will be accepted until 4 o'clock P. M. 21 April 1948. The committee retains the right to reject any and all bids. Address: 602 South First, Brownfield, Texas.

**Military Air Transport Vital**

Time and distance have always been the bogeyman of military supply lines. In the last war these two factors became more menacing as battles moved farther from production lines in the long push across the Pacific toward Japan. In many vital instances air transport successfully solved the problem of time and distance.

Shortly before the opening of a major engagement in the Pacific a destroyer burned out some boiler tubes. New tubes would not have arrived for weeks if surface transportation had been the only available mode of shipment. The Naval Air Transport Service flew the needed supplies 8,000 miles. Repairs were made in time for the destroyer to meet the flotilla rendezvous and take part in the action as scheduled.

Many thousands of similar vital deliveries have been made by the Air Transport Services of the Army and Navy. New parts flown to the scenes of far flung operations have enabled equipment to be put back into use weeks before surface supplies could have even been delivered. Everything from tiny radar parts to a giant battleship propeller has been delivered by air.

In any future war time and distance will be deciding factors. The rapid movement of men and supplies by air will be vital. There won't be time to build 'airlines' like the Army and Navy did during the last war. The Military Air Transport Service must be in-

Thanks for the frank opinion expressed. Will try to be on hand—if we are not back in Tennessee about that time. If we do happen to make the press meet, it is now and here understood that we are not going to be backed up to all those animals to have our picture taken.

Isn't it funny — That so many business men will get up in the morning, refresh themselves with a dose of advertised fruit salt; clean their teeth with an advertised toothpaste; shave with an advertised razor; wash and shave with advertised soaps; put on advertised underwear, socks, garters, shirt collar and shoes; seat themselves at the table and eat advertised breakfast food and bread; drink advertised tea, coffee or cocoa; put on advertised hat and gloves; light an advertised cigarette with an advertised match; go to work in an advertised car; type on an advertised machine; use advertised carbons; sign their letters with an advertised pen containing advertised ink—and then turn down a proposal to advertise on the grounds that advertising doesn't pay. — Gaines County News, Seagraves.

It shore is, Editor Vanzant. Such guys would rather die than be consistent.

**General Fund Balance At New High**

AUSTIN, April 6—\$50,301,231. is now the amount of surplus cash in the General Fund. After the first of September the balance in the fund went down slightly each month until March. The last raise in the price of Crude Oil reached the fund in the form of taxes and reversed the downward trend. Geo. H. Sheppard, State Comptroller, predicts that the balance in General Revenue will continue to rise.

Spending from all funds for fiscal operations has now dropped seven million per month behind receipts.

Motor Fuel Tax fell behind the same month a year ago for the first time in over a year. Sheppard does not think that is an indication of a reversal in our prosperity but is explained by the bad weather during February.

The school funds of the state are being added to in increasing amounts from Oil Royalties, Leases and Bonuses. In fact the prosperous condition of Texas fiscal affairs and the optimistic outlook are primarily a result of the prosperity of the Oil and Allied businesses.

Harvard investigators recently announced that materials found in onions aid in the healing of wounds, an ancient Roman writer listed 28 human diseases which onions would cure.

John Butler, manager of the St. Clair variety store, was in Dallas on business last week. Managers of the St. Clair stores in Morton and Muleshoe also made the trip.

**Terry Farmer Has Extended Fishing Trip**

Our good friend C. T. Pendergrass, farmer of the Meadow vicinity, returned last week from a five months visit to Corpus Christi and Aransas Pass. Naturally he put in most of the time fishing in the Gulf and claims to have caught many large ones. Some he wished for his farm to haul them to shore. Of course the big ones got away.

C. T. says he hardly missed being away, as the Herald regularly kept him informed of local happenings.

Mr. and Mrs. Dorcy Martin, Mr. and Mrs. Bill Swain and daughters visited in the Fain Clark home in Lubbock Sunday.

Mr. and Mrs. Voris Myatt and son, Max, of Lubbock spent Sunday with Mr. and Mrs. L. R. Pounds.

Mr. and Mrs. Bill McGowan and baby returned from New Braunfels Saturday.

cases of measles and various diseases it was thought best to postpone the clinic as was above stated.

Mr. and Mrs. Lee Overby of Stanton visited her sister, Mrs. Milton Boone and Mr. Boone Sunday.

Mr. and Mrs. R. H. Decker visited their daughter and family at Lovington Sunday.

**He Shorely Does Love The South**

Few of us ever had the pleasure of being aware that a guy by the name of Arthur W. Coolidge existed until we read our Tuesday's dailies. He is the Lt. Gov. of old "Messytoothshyttis," according to information in the press. Surely this bombastic yankee can be no kin to "Silent Cal" Coolidge, although they hail from somewhat the same region. Cal could not have thought up that much hate in 50 years.

What was it all about? Well, it seems that a lot of manufacturers, particularly in the textile line, are pulling out of New England, and relocating in the south. This made A. W. so affixed mad that he called all the south Clag-horns, razorback states, tobacco road people, and just about every other nasty thing that Mr. N. Webster ever thought of—then some.

Well, for many years the south has been paying the freight both ways for the New England states—the raw material up there and the manufactured articles back south. Time about is fair play, and no amount of vilification by this Lt. Gov. will help his section. He might as well learn the old theme song of Cal—"Keep cool with Coolidge."

He charges that the south is "stealing" the mills from New England, and particularly from his state. The Herald has an idea that the men who are relocating their factories in the south know what they are about. They are trying

**Service Officers Training School**

The Vet Affairs Commission of Texas has announced a Service School to be held at the Hilton Hotel, Plainview April 24-25. It will be for such officers within a radius of 100 miles or more of Plainview.

All persons interested in Veterans Affairs are invited. Harry E. Rather, Educational officer of the Commission, will be instructor.

Mr. and Mrs. Will Downing accompanied by their daughter, Mrs. Roy Herod left for Temple Tuesday morning where Mr. Downing will undergo an operation.

to avoid eight months a year winter, and get labor advantages. There used to be an old saying, "whom the gods would destroy, they first make mad."

Mrs. Byron Brewster and Mrs. Joe Simmonds of Seagraves were shopping here Tuesday.

Mr. and Mrs. C. C. Ward of Amarillo visited in the Leonard Chesshir home over the week end.

**Wellman Whisperings**

An old fashioned "42" party and bridal shower were attended and enjoyed by a large number of guests in the home of Mr. and Mrs. Miller H. Rich on Saturday night April 10. The honorees were Mr. and Mrs. John Spencer Bevers, recently married young couple of Wellman who are temporarily residing in Brownfield. The couple received a large number of beautiful and useful gifts. Pictures of the couple and their parents were made by Mr. Malcolm Scales, whose hobby is making pictures for his friends.

Presiding at the bride's book was Mrs. J. W. Bishop and serving were Mrs. M. H. Clark, Mrs. Bishop, Mrs. T. J. Pich and Maxine Rich.

Mrs. Julian Grady is here from California visiting her mother, Mrs. W. N. Grigg and sister and brother-in-law, Mr. and Mrs. Charlie Rowland. Mrs. Grady was a teacher in the Wellman schools for several years. Her husband is a native Frenchman whom she met and married during the war.

G. A. Rich has had the cast removed from his head and is recovering from a recent automobile accident.

Pupils of Wellman schools went to Whiteface Saturday, April 10 and competed in the Interscholastic League events there.

Mr. and Mrs. J. T. Jones attended the events at Whiteface Saturday and then shopped in Lubbock.

Mr. and Mrs. Joe Howton visited in East Texas this week.

Mrs. Miller H. Rich is visiting her parents, Mr. and Mrs. F. E. Howard in Duncan, Okla., and other relatives in Oklahoma City this week.

Loyde C. Foster and Vida attended the funeral of his niece Diana Foster in Borger this last week. Diana was fatally injured in a car and train accident in which three other young Borger people were killed. Diana was 15 years of age.

**George D. Is Going To Farm, Folks**

George D. Wade, erstwhile drug store proprietor, with his wife as chief operator, sold out you know, back in Jan. to Mr. and Mrs. Joel Hyman. George was poking around down town this week, and we asked his present vocation.

Farmer, says he. Rented the Roy Herod place of some 35 acres in the edge of town. We asked if he was going to use the irrigation well. Heck no, that is out of my line.

For True Happiness At Home Be Sure You Include **COOL COMFORT** In Your Plans!

### Behind the Scenes in American Business

Although luxury sales have been sagging steadily, buying of durable goods which were scarce during the war is still rising.

Release of figures showing revenue from federal excise tax levies gives a pretty complete picture of the industries and stores which have been hit hardest by the price—and tax—squeeze.

Release of figures showing revenue from federal excise tax levies gives a pretty complete picture of the industries and stores which have been hit hardest by the price—and tax—squeeze. Fur, jewelry, luggage and cosmetics tax collections—reflecting sales in retail stores—dropped from five to 20 per cent from July 1, 1947, to February 29, first eight months of the federal government's current fiscal year.

At the same time sales of durable goods on which excise taxes are levied show increases over a similar period in 1946-47. Refrigerators and air-conditioning equipment scored a gain of 60 per cent. Tax collections on the manufacture of autos and motorcycles jumped 43 per cent, auto parts and accessories 28 per cent, radios and phonographs 20 per cent, photographic equipment 19 per cent, musical instruments 12 per cent and sporting goods five per cent.

HOME REPAIRS—Keeping the nations homes in tip-top condition is one of the construction industry's biggest jobs. This year expenditures for home repair are expected to run between \$2,600,000,000 and 3 billion, 3 hundred million, according to a report of the Tile Council of America. More than 30 of every 100 homes will be painted, either inside or out, and 12 will be re-roofed in the

course of 1948, the report disclosed. Ten will have heating equipment overhauled or replaced, and nine will get new plumbing, have bathrooms tiled or showers installed, according to the report. In addition, many thousands of farm homes will be greatly improved, for farmers to-day not only want but can well afford such modern conveniences as running water, tiled baths and streamlined kitchens. These home repair expenditures mean not only busy days for building products manufacturers but prosperity to skilled construction workmen throughout the country.

THINGS TO COME—Night traffic cops can now direct in technicolor with new flashlights that can be push-buttoned from red to green. Built-in spray system for wooden buildings can be loaded with a powerful chemical toxic to combat termites. Brood-based auto jack with a rated capacity of 2,800 pounds can be used safely and efficiently on upgrades and in mud or sand. Tap water can be 'demineralized' into the chemical equivalent of distilled water by using a newly developed renewable resin cartridge. For dramatizing pictures or household beauty spots or highlighting the front door, Westinghouse is manufacturing 75-watt spot or floodlights with built-in reflectors. Heater hood for tractors does double duty by circulating engine heat through the operator's cab and also acting as protective cover for the machine, eliminating the need for indoor storage. Confidential messages can really remain private through use of a new automatic coding device. The system 'scram-

The sweet potato crop has been and still is, the most important truck crop in the South.

Good eating means that food should be appetizing and enjoyable, but that it provide, as well, all the substances needed for good health.

bles' a dictated message in code on a recording machine. The message cannot be decoded unless the recipient has a playback device equipped with the same code as the sender. Concentrated apple juice is a new food development of the week.

### FORRESTER FARMER LOSES HOUSE AND FURNITURE

A three room dwelling occupied by Roy Baker and family near Forrester gin, was totally destroyed by fire last week. The family lost practically all their household goods. The fire was caused by kerosene oil stove. No one was injured.

Mrs. B. E. Jones had as her guest Friday, Mrs. Ernest Thompson of Dallas.

Arlie Lowrimer returned Monday from a fishing trip at Possum Kingdom Lake.

One of the big problems of insect control is to find new poisons as fast as the insects become resistant to the old ones. Florida laboratory workers have developed house flies which can withstand twice the amount of DDT that kills normal flies.

The production of fat calves is a method of beef production which requires plenty of good pasture and roughage and small amounts of concentrates.

To supply eggs and poultry products for a family of five, an average of 30 layers should be kept.

### RANDALL SCHOOL WILL HOLD OPEN HOUSE APRIL 30

Faculty members of the Jessie G. Randall school invite the parents and all other adults who might be interested in their children's school work, to attend their Open House which will be held from eight o'clock until nine o'clock p. m. Friday, April 30, 1948.

Parents who have no one to leave their small children with while visiting the rooms may place them in the nursery. This nursery is being provided in the school that evening by the Parent Teacher Association.

Charlie Gaston spent Saturday in Lubbock.

Mr. and Mrs. G. W. Henson had as weekend guests, Mr. and Mrs. Edward Smith and family, Junior and Glenn Washer of Plainview.

Sgt. and Mrs. Bob Allmon, Sgt. James Buggs and Cpl. Ross Parks of San Angelo visited the D. W. Allmon's and other friends and relatives over the week end.

Mr. and Mrs. H. H. Dickson of Deport, Texas spent the week end with Grady Dickson and family.

Mrs. Mae Gainer, of Plains, was here early this week. She was returning from a visit at Abilene with her uncle, W. D. Currier, an early day settler of the Tokio community. Her uncle by marriage, the late J. T. Gainer, was a pioneer settler of Gomez and Plains.

Mrs. W. W. Price underwent major surgery last Friday at the Treadway-Daniell Hospital. She is reported recovering nicely.

Mr. and Mrs. H. E. Huddleston visited Mr. Huddleston's brother and mother in Morton Sunday.

AND TO GET FULL SERVICE FROM OIL

Farmers are learning to arrange things so chores can be done without unnecessary work. It's sheer waste to take 150 minutes for a job that could be done in 60 or 70 minutes with better planning. Just as it's wasteful to accept only 60 or 70 hours of use from tractor oil when Veedol Tractor Oil stands up for 150 hours in gasoline-burning tractors. 150-Hour Veedol is made by advanced methods and equipment from 100% Pennsylvania, the world's toughest crude.

SAVES FUEL by reducing power blow-by.  
SAVES TIME by avoiding breakdown delays.  
SAVES REPAIRS through greater heat and wear resistance.  
SAVES OIL — stands up 150 hours in gasoline-burning tractors; cuts oil consumption in all tractors.  
SAVES TRACTORS — assures long, economical service.

Mrs. L. M. Wingerd presided during the business session. Plans for a "Gay Ninety Party" to be held April 29, were discussed. The

various committees gave reports. Thirty-eight members were present.

Mrs. J. W. Draper was admitted to Treadaway-Daniel hospital Wednesday night.

Leo Holmes, Roy Herod, Crawford Taylor and T. H. McIlroy will spend the weekend at Buchanan Dam.

**HAS FOUND A GREAT  
FRIEND IN RETONGA**

**Felt so Miserable at Times He Could Hardly Think, Says Mr. Bert Pitra. Now Eats, Sleeps and Feels Like Different Man. Gives Retonga Full Credit.**

"Before I had finished the second bottle of Retonga I was feeling more like myself again," states Mr. Bert Pitra, Class A aircraft mechanic who lives at 12422 Pacific Ave., Mar-Vista, Cal. He gratefully praises Retonga in his statement:  
"I often felt so miserable I could hardly think," declares Mr. Pitra. "My appetite was shot to pieces. Food seemed to churn around in my stomach and cause awful gas pains which felt like they shifted around in me. I was constipated most of the time which made me suffer from awful headaches. I felt jumpy frequently and I seemed to never get

a good night's sleep. My legs pained me sometimes until I could hardly walk.

"Before the second bottle of Retonga was used up it brought me relief from acid indigestion, gas pains, and those terrible muscular aches and pains in my limbs. I sleep like a top now and my sluggish bowels are relieved. I never have to take harsh laxatives like I did. I don't feel toxic like I did and have regained my appetite. I'll sure give Retonga full credit for getting me back in shape again, as the saying is."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. The active ingredients of Retonga are purely herbal, combined with Vitamin B-1. You can get Retonga at Primm Drug Store and all other good drug stores. adv.

# City Ordinance No. 1201

## LEGAL NOTICES ORDINANCE NUMBER 1201 NOTICE

TO ALL PERSONS, FIRMS OR CORPORATIONS OWNING OR CLAIMING PROPERTY OR ANY INTEREST THEREIN ABUTTING THE PORTIONS OF STREETS HERINAFTER NAMED:

You are hereby notified that the City of Brownfield has contracted for the improvement of the hereinafter described portions of streets or avenues, by excavating, grading, filling and paving the same with eight (8) inch compacted caliche base and Triple Asphalt Surface Treatment, and necessary work in connection therewith, in accordance with the plans and specifications approved by the City Council, on the hereinafter named portions of streets or avenues. The estimated amounts per front foot proposed to be assessed against the owner or owners of abutting property and such property, and the estimated total cost of such improvement on each said street or avenue or portion thereof, is as follows:

**Unit No. 1:** Eleventh Street from the south line of Powell Street to the north line of Hill Street; width, 39 feet face to face of curbs; total rate to be assessed against owners of abutting property, \$2.65 per front foot; total cost of improvements on such portion of street, \$1864.24.

**Unit No. 2:** Eleventh Street from the north line of Hill Street to the north edge of the pavement on Main Street; width face to face of curbs, 39 feet; total rate to be assessed against owners of abutting property, \$2.65 per front foot; total cost of improvement, on such portion of street, \$2783.32.

**Unit No. 3:** Railroad Avenue from the north line of Ross Street to the south line of Lot 17, Block B, Santa Fe Addition; width face to face of curbs, 39 feet; total rate to be assessed against owners of abutting property, \$2.65 per front foot; total cost of improvement on such portion of street, \$2008.97.

**Unit No. 4:** Railroad Avenue from the south line of Lot 17, Block B, Santa Fe Addition to the south line of Lot 3, Block B, Santa Fe Addition; width face to face of curbs, 39 feet; total rate to be assessed against owners of abutting property, \$2.65 per front foot; total cost of improvement on such portion of street, \$1595.84.

**Unit No. 5:** Fifth Street from the southeasterly line of Railroad Avenue to the north line of Storey Street; width face to face of curbs, 49 feet; total rate to be assessed against owners of abutting property, \$3.15 per front foot; total cost of improvement on such portion of street, \$1577.85.

**Unit No. 6:** Fifth Street from the north line of Storey Street to the north edge of the pavement at Ripley Street; width, 49 feet face to face of curbs; total rate to be assessed against owners of abutting property, \$3.15 per front foot; total cost of improvement on such portion of street, \$3181.42.

**Unit No. 7:** Third Street from the south edge of the pavement on Lake Street to the north line of Powell Street; width face to face of curbs, 39 feet; total rate to be assessed against owners of abutting property, \$2.65 per front foot; total cost of improvements on such portion of street, \$1912.03.

**Unit No. 8:** Third Street from the north line of Powell Street to the north line of Hill Street; width face to face of curbs, 39 feet; total rate to be assessed against owners of abutting property, \$2.65 per front foot; total cost of improvements on such portion of street, \$2522.65.

**Unit No. 9:** Third Street from the south edge of the pavement on Tote Street to the north edge of the pavement on Cardwell Street; width face to face of curbs, 39 feet; total rate to be assessed against owners of abutting property, \$2.65 per front foot; total cost of improvements on such portion of street, \$1977.96.

**Unit No. 60:** Reppro Street from the east line of "B" Street to the east line of Club Street; width face to face of curbs, 39 feet; total rate to be assessed against owners of abutting property, \$2.65 per front foot; total cost of improvements on such portion of street, \$2572.87.

**Unit No. 61:** Reppro Street from the east line of Club Street to the east line of "C" Street; width face to face of curbs, 39 feet; total rate to be assessed against owners of abutting property, \$2.65 per front foot; total cost of improvements on such portion of street, \$2572.87.

**Unit No. 62:** Reppro Street from the east line of "C" Street to the west line of Ballard Street; width face to face of curbs, 39 feet; total rate to be assessed against owners of abutting property, \$2.65 per front foot; total cost of improvements on such portion of street, \$2572.87.

**Unit No. 63:** Lons Street from the west line of "B" Street to the west line of Club Street; width face to face of curbs, 39 feet; total rate to be assessed against owners of abutting property, \$2.65 per front foot; total cost of improvements on such portion of street, \$2008.97.

**Unit No. 64:** Lons Street from the west line of Club Street to the west line of Ballard Street; width face to face of curbs, 39 feet; total rate to be assessed against owners of abutting property, \$2.65 per front foot; total cost of improvements on such portion of street, \$2572.87.

A hearing will be given and held by and before the Governing Body of the City of Brownfield, Texas, on the 4th day of May, 1948, at Brownfield in the City Hall in the City of Brownfield, Texas, to all owning or claiming any property abutting upon said portions of streets and to all owning or claiming any interest in any such property. At said time and place all owning or claiming any such abutting property or any interest therein shall be and appear and will be fully heard concerning said improvements, the cost thereof, the amounts to be assessed therefor, the benefits to the respective parcels of abutting property by means of the improvements on said streets; and concerning the regularity, validity and sufficiency of the contract for, and all proceedings relating to such improvements and proposed assessments therefor; and concerning any matter as to which they are entitled hearing under the law in force in the City and under the proceedings of the City with reference to said matters. Following such hearings, assessments will be levied against abutting property and owner or owners thereof, and such assessments, when levied, shall be a personal liability of the owners of such property and a first and prior lien upon the property as provided by the law in force in the City and under which the proceedings are taken, being the Act passed at the First called Session of the 40th Legislature of the State of Texas and known as Senate Bill 68.

In all said matters and things, all owning or claiming any such property or interest therein, as well as all others in anywise interested, will take NOTICE.

Done by order of the City Council of the City of Brownfield, Texas, this 12th day of April, 1948.

ATTEST:  
E. D. JONES, City Secretary, City of Brownfield, Texas.

TOM MAY, Mayor, City of Brownfield, Texas.  
(seal) 40c

**NOTICE OF BIDS WANTED**  
STATE OF TEXAS  
COUNTY OF TERRY  
CITY OF BROWNFIELD  
NOTICE IS HEREBY GIVEN that the City Council of the City of Brownfield, Texas, will receive bids until 10 o'clock A. M. on the 4 day of May A. D. 1948 for the construction of their interest in a building to be erected on LOT 21 Block 52 of the ORIGINAL TOWN OF BROWNFIELD, TERRY COUNTY, TEXAS.

Plans and specifications are on file with the City Secretary of the City of Brownfield, Texas, and may be secured at said office, for the purpose of making bid of same.

City of Brownfield, Texas reserves the right to reject any and all bids received.

Such bids must be accompanied by a cashier's check, equal to 10 per cent of the bid, conditioned that the successful bidder will enter into a bond for the performance of the contract for the construction of the city's interest in said building.

DATED at Brownfield, Texas, this 16 day of April, A. D. 1948.

CITY OF BROWNFIELD, TEXAS  
BY C. C. PRIMM  
President Pro Tem  
ATTEST: E. D. JONES

Mrs. Al Stell has gone to Anson to attend the funeral of Sgt. Jack Walker, who was killed on two Jims. She will visit her sister, Mrs. W. D. Bond in Abilene before returning.

D. M. McCurdy informed us recently that he himself had already moved to Odessa, but that he was not moving the family until after this school term. The many friends of the family here regret to lose this excellent family.

## GOMEZ GOSSIP

Beverly Beatles of Slaton is visiting her cousin, Maxine Beatles.

Mrs. M. C. Wade spent last week in Fort Worth with her daughter, Louise Wood, who is ill. Mrs. Wade returned Tuesday and reported her daughter doing fine.

Mrs. and Mrs. Gordon Carter and family visited their son, O. P. Carter, and wife Sunday at Slaton.

Mrs. Mae McMillan of Ardmore Oklahoma, is visiting this week with her daughter and family, Rev. and Mrs. Fred Lambert.

Mrs. and Mrs. Hobert Dickson of Deport, Texas, are visiting his brother, Grady Dickson, and family.

Mr. and Mrs. J. C. Woley visited her sister, Mrs. Joanie Berryhill, and family at Seminole last Sunday.

Mr. and Mrs. A. E. Fletcher attended a birthday dinner April 7, for her mother, Mrs. John Timmons, at New Home.

Among the boys who exhibited calves and pigs and brought home a share of the ribbons at the Stock Show Saturday from Gomez were Graham Swain, Royce Kelly, Jack Key, Bobby Wade, Douglas King, Dale and Doyle Newsum.

Good crowds are attending the revival at the Baptist church.

A. B. Buchanan attended the

**JIM GRIFFIN**  
Candidate for State Commissioner of Agriculture.  
**Griffin In Race For Ag. Commissioner**

This year, if possible, The Herald is going to try to give at least a short sketch of each and every candidate for a State office, in order that voters may prepare themselves to intelligently cast their ballots.

The sketch this week is about Jim Griffin, of Mission who is seeking the office of Commissioner of Agriculture, to succeed J. E. McDonald who has held the office nearly two decades. Griffin was born on a farm near Kemp, Kaufman county, stands 6 feet three inches, and was a champion scholastic speaker. He believes in a reorganization of the Ag. Dept., soil conservation and drainage, and protection from plant insects.

Following high school graduation, he worked his way through Sam Houston State college at Huntsville, and then taught at Sugarland. Served as border patrol for US Justice Dept. in 1941, but at outbreak of war enlisted in the Marines. After war engaged in cotton, vegetable and citrus farming at Mission.

He will try to make the entire state before the first primary in July.

**BARGAIN CENTER, INC. HAS NEW EMPLOYEE**  
Mr. and Mrs. Melvin Dixon are new residents of Brownfield. They were transferred from the Kirschner dry goods store in Lamesa to the Brownfield Bargain Center Store here.

Mrs. Dixon is a nurse and plans to work in the local hospital.

**Dairy Show at Plainview Tuesday.**  
Weekend visitors in the B. R. Lay home were Bob McKinley of San Angelo, Mrs. Arch Thompson and Miss Letha Nell Roberts of Coahoma.

**It's Back!**  
THE TIRE THAT SETS THE PACE IN THE LOW PRICE FIELD!

# MARATHON

by **GOODYEAR** "IT RUNS AND RUNS AND RUNS"

*only*  
**1240**  
plus tax 6.00x16

**LONG WEAR** — New specially treated cords and newly compounded rubber make Marathon the tire that "runs and runs and runs".

**NON-SKID SAFETY** — Those famous Goodyear diamond blocks really grip the road. You get safer, quicker stops — especially on wet, skiddy roads.

**"COMPACTING TREAD"** — Inflation forces the sidewalls out, compacts the tread. This reduces tread wear, punctures, bruises and breaks.

**For a really sensational "buy" in tires, see us for Marathons today! And remember "new tubes save tires".**

board of directors and academic deans of the college is the strong organization of academic and administrative staff accomplished during President Whyburn's period of leadership.

Bill Benton, well known Tokio farmer is recovering in the local hospital from a serious operation late last week.

The Low Down From Hickory Grove

You know folks, trying to make the different kinds of statements jibe, that wait in via radio, telegraph, etc., is no mediocre chore. What is the latest, says Henry.

And then last week along comes Congress and votes 545 million for the Agriculture Dept. In this amount is 150 million for soil conservation payments.

How about the taxpayer, chimed in Henry, is anything in the budget for his worrying expense? Henry, I says, look me in the eye, where do you pick up the idea that the taxpayer would have any time left over for worry after he finishes scraping together enough to stave off the folks down at the income tax place.

And making a long story short, pouring cash into soil saving and then worrying because of raising too much wheat thereon, is about like stepping on the gas and then riding the brake. Taint horse sense.

Yours with the low down, JO SERRA.

Local Lad Makes Straight A in Baylor

Keller Greenfield was among the 84 students who made all A's in their subjects for the winter quarter at Baylor University announced Dr. Monroe S. Carroll, acting dean of the University.

According to classes, the juniors led with a total of 26 students on the list, the sophomores had 25, and there were 15 seniors. The freshmen were last with 13 straight A students.

Baylor university regularly enrolls, 4,200 students and is the world's largest Baptist college.

OLD TIMER VISITS HERE

Mrs. Minnie Burnett and son Roy, of Snyder, spent last week end visiting the family of John Burnett here. Her deceased husband Redge Burnett was an early settler and former County Commissioner here, prior to his death many years ago. John and Redge were brothers.

Margarine Battle Joined

THE 60-year-old battle between the dairy industry and the manufacturers of margarine appears about to be joined in this session of congress. Nineteen bills now are pending seeking to end or lower federal taxes on margarine.

Real nub of the contention is one of color, for that is the real import of the dairy lobby to repeal the tax of 10 cents a pound and federal licenses on colored margarine. The dairy industry declares that if this is done it will open the way to fraudulent sale of margarine as butter.

On the other side, the margarine association admits that in early days back in the 1830's there was an attempt at fraudulent sale of margarine but pure food and drug laws now make that impossible.

But even if federal tax is repealed the margarine industry has a long way to go, because in 23 states sale of colored margarine is prohibited; 17 states bar use of margarine in state institutions; in only 18 states are there no local restrictions, most of them in the cotton-producing South.

Only half of the 500,000 retail grocers have licenses to sell uncolored margarine, only 1 per cent are licensed to sell colored margarine; 13 states require annual licenses for margarine wholesalers; 11 impose annual retail licenses; nine require annual manufacturers licenses; seven states tax each pound of uncolored margarine; four states tax colored margarine 10 cents a pound, and four states require annual licenses for eating places serving margarine.

Consensus here is that the 80th congress will pass up all proposed long-range farm legislation until after the election and merely extend provisions of the Steagall act for another year. Provisions of the act expire December 31 this year.

Winning Friends

The records show that President Truman always has increased his popularity when he has risen above partisanship. He certainly did so when he openly challenged southern political leaders in reiterating his stand on his civil liberties program.

President Truman has asked extension of the reciprocal trade program for three years.

President Truman has asked extension of the reciprocal trade program for three years. The present act expires June 12. Except for the year of 1943, majority of Republicans consistently have opposed the reciprocal trade act.

Rep. Sid Simpson of Illinois wants the government to look into the rain-making industry. He has introduced a bill to direct the chief of the weather bureau to conduct experiments with respect to methods of controlling rainfall.

It takes a whole of a lot of technology in the operations of any business to overcome the costs of taxes and the ever increasing price of labor.

Government Arithmetics

The house of representatives used the bookkeeping method of cutting 37 million dollars from the commerce department budget and claims a "savings." Commerce requested 40 million dollars for aid to airports.

Mr. and Mrs. C. E. Ross had as weekend guests her sister and brother-in-law, Mr. and Mrs. Sid White of Quitman, Texas and their daughter, Jerry White, of Plains.

Mr. and Mrs. Homer Nelson and children went to Terrell for a family reunion on the Porter farm.

G I Question And Answer Department

Q. I have a discharge from the draft of World War I. May I consider myself a veteran?

A. For the purposes of laws administered by Veterans Administration in order to be classified as a veteran, you must have had active military service during a time of war. A discharged draftee is not considered to have had such service.

Q. I received a pension as a Spanish-American War Veteran's widow. I remarried and my second husband is now dead. Am I eligible for a pension again as a widow of the Spanish-American War veteran?

A. Yes, if you meet the other requirements of the law and regulations.

Q. May I receive death benefits for my husband and my son? A. Yes, if both were veterans and you are otherwise eligible.

Q. What proof is required to obtain death compensation or pension for an illegitimate child?

A. Acknowledgement in writing, signed by the veteran, or evidence showing he has been judicially ordered or decreed to contribute to the child's support or has been, prior to his death, judicially decreed to be the father of such child, or evidence satisfactory to the Administrator of Veterans Affairs that the veteran

Starter Solutions Urged For Early Growth

To get an early start in growth with tomatoes, peppers, and eggplants, try using a starter solution around each one. And here are directions for making the starter solution; add one pound of 5-10-5 fertilizer to five gallons of water—that's the same as ten pounds of 5-10-5 to a barrel of water—mix well and let the solution stand for awhile so it will completely dissolve.

When setting out the plants in the garden, pour a teacupful of the solution around each one. And here are directions for making the starter solution; add one pound of 5-10-5 fertilizer to five gallons of water—that's the same as ten pounds of 5-10-5 to a barrel of water—mix well and let the solution stand for awhile so it will completely dissolve.

There will not be many early tomatoes, peppers nor eggplants this year because of heavy kills of plants in the cold frames. Plants should go to the field in early April during an average year, but the late freeze will put this off for another two or three weeks.

The Rio Grande Valley plant is the father of such child.

Q. Is it necessary that a child, in custody of the widow file a separate claim for compensation? A. No.

dealers will be taxed to supply demands, so don't look for heavy yields in late tomatoes. Because the early variety tomatoes got off to a late start, the growing season for the later varieties has been crowded, says Rosborough, so the late-tomato yield will not be as large as usual this year.

Mr. and Mrs. Shag Bynum went to Dallas Saturday night to attend the funeral of Mrs. Bynum's aunt.

O. L. Beach of Plainview visited Paul Campbell here Monday.

The Don River is in Russia.

Mister, this Oil gives you "Lubri-tection"!

Yes, That's the Kind of Protection You Get With the Great Phillips 66 Premium Motor Oil!

RIGHT—you can get more than just lubricating qualities with this fine oil—you get plenty of engine protection, too!

That's why we call it "lubri-tection"! Because Phillips 66 Premium does more than just oil moving parts. It washes away harmful sludge, helps reduce piston-fouling varnish, protects delicate bearing metal from corrosion. All that in a quart of oil!

Why not give your engine this kind of treatment—it's worth it. Just ask for the new Phillips 66 Premium.

PHILLIPS 66 PREMIUM MOTOR OIL

\* "Lubri-tection"—the protection rendered by an oil of fine base stock containing special detergent and oxidation inhibiting ingredients.

CHEVROLET Advance-Design Trucks

are the only trucks with all these extra-value features of production leadership...

THE "CAB THAT BREATHES" Only Advance-Design trucks have the cab that "breathes"! Fresh air—heated in cold weather—is drawn in and used as it is forced out.\*

FLEXI-MOUNTED CAB Chevrolet's Advance-Design cab is mounted on rubber, cushioned against road shocks, torsion and vibration!

ADVANCE-DESIGN GEARSHIFT CONTROL This new steering column truck gearshift in all models with 3-speed transmission provides new driver ease and convenience.

NEW IMPROVED VALVE-IN-HEAD ENGINE Chevrolet's powerful truck engine, the world's most economical for its size, is now more durable—more efficient operating!

NEW FOOT-OPERATED PARKING BRAKE Providing new, clear floor area and greater safety and efficiency in models with 3-speed transmission.

... including these great new HEAVY-DUTY features that only Advance-Design trucks offer:

Entirely new, Chevrolet-developed helical gear 4-SPEED SYNCHRO-MESH TRANSMISSIONS provide quicker, easier, quieter operation and greater durability in heavy-duty models. "Double clutching" and gear "clashing" are virtually eliminated. Faster shifting promotes greater road safety and the maintenance of speed and momentum on grades!

Chevrolet's new SPLITTED REAR AXLE SHAFT ATTACHMENT to wheel hubs eliminates breakage and loosening possible with bolt-type attachments—assures greater strength and durability in heavy hauling!

● Advance-Design trucks, Uni-Built for uniformity, durability and economy. 107 models on 8 wheelbases, include: All-round cab visibility with rear-corner windows • Unweld, all-steel cab construction • Super-strength frames • Specially designed brakes • Hydovac power brakes • Heavier springs • Ball-bearing steering • Wide base wheels • Standard cab-to-axle length dimensions • 12-color and two-tone options

\*Fresh air heating and ventilating system and rear-corner windows optional at extra cost.

**Terry Teachers Hold Final Meeting**  
 The Terry County Teachers Association held their final meeting for the year, Tuesday night at Wellman. Over 60 attended. They were served barbeque from a chuck wagon, in western style.

E. H. Boulter, Deputy State Superintendent of Education addressed the meeting, discussing school problems.  
 New officers for next year are Lee Fulton, president; S. T. Cowan, vice-president and Truett Babb, secretary, treasurer.

**Country Club Provides Playground For Kiddies**  
 Letters have gone out to members of the Brownfield Country Club, asking them for surplus toys and playground equipment their children might have outgrown.  
 After these donations are in, the club plans to order necessary equipment to round out a complete playground and recreation program for children of the members.  
 Members and friends of the club are asked to deliver toys and small equipment to the club house. If the equipment is heavy and bulky, donor may call 161-J, and the club will pick it up.

**It Looks Like Yards 'n Yards Of EYELET EMBROIDERY**

AND IT'S ONLY **5.98**

The trick to this newest Half-Fare summer treat for pigtailers is that colorful ribbons and the eyelet entwined in it are PRINTED on the tubbable, Sanforized Ameritex cotton. Just what you've been wishing for... to live and play in all summer. Sizes 7 to 12. We have a similar idea in a midriff style, too.

**Jackie Nimble**

**NIP 'N TUK**

JACKIE NIMBLE'S version of the ever-beloved shirtwaist dress has some new twists Juniors will applaud. The tucked bosom front uses the stripes to make an engaging pattern; the waist is nipped in with a silver belt, and the skirt is wide—wide—wide! All made of Terra Cotton. Colors: Rose Clay and Shale, Pink Quartz and Slat, Amethyst and Jade. 9's to 15's. Price \$22.95

**Shelton's Quality Apparel**

**Back To School Program Given At West Ward**  
 A "back to school program" was given at West Ward school on Thursday night April 1. The program was sponsored by the PTA. Parents first met in the home room of their child for a short program. After that other rooms throughout the school were visited. Each room contained exhibits of school work from the beginning of the school term until the present time.  
 The tour of rooms was followed by a social hour and refreshments in the music room.  
 The school received much praise from Supt. Cowan, patrons, and friends.

**Grandma Says—**

**Milk Is Better Today Than Ever Before**

When grandma was a girl, milk was bought from big cans... not sterile, unsafe. Even so, doctors knew of its health giving qualities. Today, because of tested, carefully bred cows, pasteurization, sanitary bottling, and quick delivery, milk is a more nutritious and a safer fresh food. Drink milk regularly—phone now. We'll start deliveries immediately.
