Not Neutral—Not On The Fence—A Paper With An Opinion And A Purpose

VOLUME 44 BROWNFIELD, TERRY COUNTY, TEXAS FRIDAY, AUGUST 6, 1948 NUMBER 2

Member Associated Press  
Member Texas Press Assn.  
Member South Plains Press Assn.  
Member Panhandle Press Assn.

The Herald has grown with this section from strictly a ranch country. This area now consists of thriving towns and cities, supported by scientific farming and stock farming, augmented by huge oil fields, with the nation's largest known oil reserves.

## County Democratic Convention Had "Warm Moments"

The Terry County Democratic Convention was held at District Court Room last Saturday with something like 30 people present. The meeting was called to order by J. O. Gillham, Terry County Democratic Chairman. Mr. Gillham was elected Chairman of the Convention and A. M. Muldrow was elected secretary.

The Chairman announced that the purpose of the meeting was to adopt any resolutions which might be desirable and to elect the County's six delegates and 6 alternate delegates to the State Convention to be held in Fort Worth on Sept. 14.

The fireworks started when a motion was suggested to send the delegation to State Convention unincorporated and untied to the unit rule. After long and heated debate, harmony prevailed and the motion was passed by substantial majority.

Several delegates wanted the delegation instructed for President Harry S. Truman and Senator Alben Barkley, but when assured that the county delegation had no intention of voting for Republicans or Dixiecrats, complete harmony was restored.

The convention also adopted unanimously a resolution to commend our Congressional delegation for their support of the Taft-Hartley Act, expressing their belief that the act had been beneficial to both labor and management.

A resolution to endorse the Gossett Bill providing for the election of President and Vice-President by direct vote of the people was also passed unanimously.

The convention also endorsed the Presidential Preferential primary principle. Several speakers made the point that a system of this kind would eliminate, to a great extent, the selection of our Presidential and Vice-Presidential candidates by the politicians and give the people a voice in selecting their candidates.

The following were elected delegates to the State Convention, J. O. Gillham, R. M. Kendrick, A. M. Muldrow, W. R. Tilson, Tom May, and R. J. Purcell.

The following alternates were elected: H. R. Winston, O. L. Petterman, Lee O. Allen, Jess McWhirter, J. B. Knight and John W. Cadenhead.

### Dope Peddler Arrested Last Saturday

City Marshal Andy Brock apprehended a man here Saturday who is being held on narcotic charges. A quantity of the dope was found on him.

Government agents have been notified and are expected to come for him. He had been sought for sometime in this area.

### Refining Hits Daily Peak of 237 Million Gallons

DALLAS, Aug. 5 (SpI)—The U. S. Oil industry is currently refining more than 237 million gallons of crude oil a day to meet the greatest demand for petroleum products in history, according to a detailed report on supply-demand released today by the Oil Industry Information Committee.

Commenting in figures contained in the report, Fred F. Murray, Gulf-Southwest chairman of the information committee, pointed out that refining rate today is 11 per cent above that of a year ago. The report, titled "Current Facts on Petroleum Supply and Demand," is a 12-page illustrated brochure issued and brought up to date periodically by the information committee.

"Americans use about 28 times as much oil per capita as all the rest of the world combined, and the demand is still growing," Murray said. "This year the industry will again break production records, and hopes to hit a peak of eight or nine per cent over last year's record production."

### Designs As First Christian Pastor

Dr. P. C. McCord, pastor of the First Christian church of this city has turned in his resignation to accept the pastorate of a church in Abilene. Dr. McCord came here about two years ago from Georgetown, Ky., and his church has made rapid growth since that time, making a 500 per cent gain in membership it was stated.

In the meantime the congregation has built a new church building, and lovely six room parsonage. The church is free of debt and has some \$2,000 in the treasury.

Dr. McCord has taken quite a lot of interest in the civic interest of the town, being a member of Rotary club, scouting, and other activities. He taught language and dramatic activities in high school, and his students took first place at the district meet at Lubbock.

Dr. McCord and family will be greatly missed in Brownfield.

### LIONS RETURN FROM NATIONAL CONVENTION

W. T. McKinney and Frank Szydlowski returned Tuesday from New York, where they attended the Lions International Convention, held there last week.

Mr. and Mrs. James Warren also attended and are visiting friends in Maryland and Kentucky enroute home.

### Meat Buying Strikes—What Will Happen?

The daily press is full of news from one place then another, mostly the larger cities, telling about the housewives' meat buying strike. In some places the motto seems to be, "no meat in two weeks." These strikes appear to be voluntary, and we wonder if anything will be accomplished.

For instance, this week a landlord told us that the man on his farm fed out some hogs and lost money on them for the reason pigs and feed both are high. It is a well known fact that retailers are making no whale of a profit. In fact one at Orange, Texas, told the strikers that it suited him, as he was making no profit, and forthwith closed his market.

That leaves the packers and wholesalers, and what with strikes in their plants and two wage hikes in a year, they claim they are not exactly getting rich. So there you are.

### Telephone Cabling Job Almost Half Done

Thousands of dollars worth of work has been under way here since winter by Southwestern Associated Telephone Co., cabling their wires over the city. The Herald was informed this week that the work was practically half complete. Where the work has been completed, there has been a vast improvement in the looks over the hundreds of old rusty wires hanging all over old decaying poles.

The new cables have a nice silvery appearance, and not a blot on the skyline. Mrs. Ruby Brahear informed us that cabling has been received and is being installed along the Lubbock highway, and that residents in the northeast section of the city were being given phone service as fast as possible. The Chisholm addition in the southeast part of the city are already enjoying phone service. Some 150 new phones have been installed since the improvement started here, but there are still many on the waiting list.

Asked if she anticipated the need of more switchboards for the central office, she stated that it would be required and was already on order, as well as more phones and equipment. In the meantime capacity numbers will be cut into the present switchboard arrangement, and possibly by that time the other equipment will have been received.

We feel sure that local residents of the city appreciate the efforts the company is making to meeting the phone needs of an ever growing city.

### Lt. Wade K. Hill Reburied Here

Last rites for First Lt. Wade K. Hill, killed in a plane accident July 5, 1944, while serving in the Air Corps in Italy was held at the Methodist church here, last Tuesday at 5 o'clock with Rev. H. W. Hanks, former pastor, officiating. Burial followed in the Terry County Memorial Cemetery, under direction of the Brownfield Funeral home.

Young Hill who was 23 at the time of his death was reared in Brownfield. After attending high school here, he attended Texas Tech and was a sophomore when he enlisted in the Air Corps. He had seen service in Africa, India, Sicily and Italy.

Survivors include his mother, Mrs. B. J. Hill of East Main, and small son, Wade Eugene Hill, now of Lubbock. Three sisters, Mrs. Bernice Huckabee, Mrs. Ruth Acker both of Brownfield, and Mrs. Kathleen Garcia, of Salino, Calif., and four brothers, Harold and Dale of Brownfield, Kenneth of Lubbock and Gene of Houston.

Military honors were extended by the local veterans.

### Local Man Injured In Knife Fight

Elmo Sears, about 35, is being treated in the local hospital for knife wounds and Harvey Dobbs, also about 35, is under bond on a felony charge as the result of a fight at the Veterans Hall last Saturday night.

Sears received three wounds which hospital attendants thought would not prove fatal. A colored man named Rogers was cut with a knife one time in a fight in the colored section of town Saturday night. His attacker fled from the section and is being sought by local officers.

A free-for-all family fight took place in the driveway of a local trailer camp Sunday. The victim had been estranged from his wife and went to the apartment of the family when his son and son-in-law and the man's wife attacked him, officers said they were told. Sheriff Murry and a deputy interfered and stopped the fight. The man was charged with drunkenness.

### Reports Interesting Meeting At Wellman

Sewell Dean and T. J. Woodard of Wellman were in this city Tuesday and reported an interesting meeting now going on at the Church of Christ there. F. I. Stanley, of Seminole is doing the preaching.

As many from Brownfield as possible are invited to attend as many of the services as convenient.

### Soil Conservation Practices Shaping

The local Soil Conservation committee handed us a rather lengthy article this week, some of which is good and applicable to local conditions but a lot of did not apply to this area. For instance it took up flaxseed, Egyptian cotton, rice, tobacco and a lot of other farm products that the not even attempted to be raised here.

But the main burden of the article was the conservation of soils, and all of us should be interested in that. It is stated on good authority that a huge area of our country, once highly productive, have already gone down, the many large streams, and in this area the top soil has been allowed to blow away, perhaps never to be recovered.

There is another large segment that stands to go the same way, but it is not too late yet to hedge on this erosion and stop it. In the east many once productive fields have been allowed to be cut to pieces by huge gullies, and are now nothing but waste and unsightly areas.

In the article B. F. Vance, chairman of the state PMA, says that the local workers in soil conservation have lined up behind the great plan of the secretary of agriculture in trying to keep down soil erosion by either wind or water, and that it is hoped to stop erosion, cold. If not there may come a time in our nation when many will be faced with starvation just as they are in some sections of Europe and Asia today.

Not only does the plan of PMA undertake to show farmers how to stop erosion, but how to maintain the best methods of well irrigation. The idea is worth the serious thought of every farmer in Terry and adjoining counties, and our advice to them is to get in touch with the local soil conservation committee at once, and get a full program of the plan.

The Herald stands ready at all times to help in soil conservation, and to use any localized articles that are not too long and technical. Most farmers are like the writer; they have to have know-how explained to them in language easily understood. We have never attended A&M College.

### Rodeo Here Four Days Next Week

According to placards in the stores, there will be a rodeo here next Thursday, Friday, Saturday, and Sunday, at the rodeo grounds northwest of the city. The rodeo is being sponsored by the Jaycees. Considerable prize money is being offered. There will be a rodeo dance each of the three nights.

### State X-Ray Machine Here All Next Week

Under direction of the State Health Authorities, a complete X-ray machine will be operated in the County Health Unit office in the Court house next week beginning Tuesday.

This work is to be done to ascertain whether any one has tuberculosis. It is entirely free, takes less than five minutes and there will be no disrobing. It is part of a huge program by the Department to stamp out tuberculosis before it advances to fatality.

The ladies clubs of the city are pushing the movement and all school children 15 years and older are urged to attend it. They are set up to handle 1,000 per day and expect to keep busy the entire week. People employing Mexicans of recent immigration are requested to have them attend also.

### Building Permits For Week Total \$80,875

Building permits as issued by the City of Brownfield for the week July 29 to August 4 total \$80,875.

Henry Newman, build 8 by 16 back porch located 621 N. 1st. \$75. Herman Hendricks, build 20 by 32 residence, located South 3rd., \$1200.

J. H. Stinson, move in 4, 12 by 30 frame streetcars, located South 4th, \$7000.

J. D. Williamson, for S. E. Blevins, construct 14 by 28 addition to present bldg. located 705 North B \$1600.

Wailer & McAllen for Drs. Treadaway and Daniel, construct 38 by 110 nurses home and 38 by 160 addition, located 211 South 6th, \$60,000.

De Foster for Leonard M. Williams, build 26 by 33 residence and garage, located 1323 West Hill \$2000.

Bryants Bro., owner Mrs. Boots Moreman, move 22 by 30 bldg., located West Main, \$100.

G. G. Martin, owner Mrs. Bernice Martin, construct duplex located 1008 North 3rd. \$8,900.

### Juveniles Escape From Local Jail

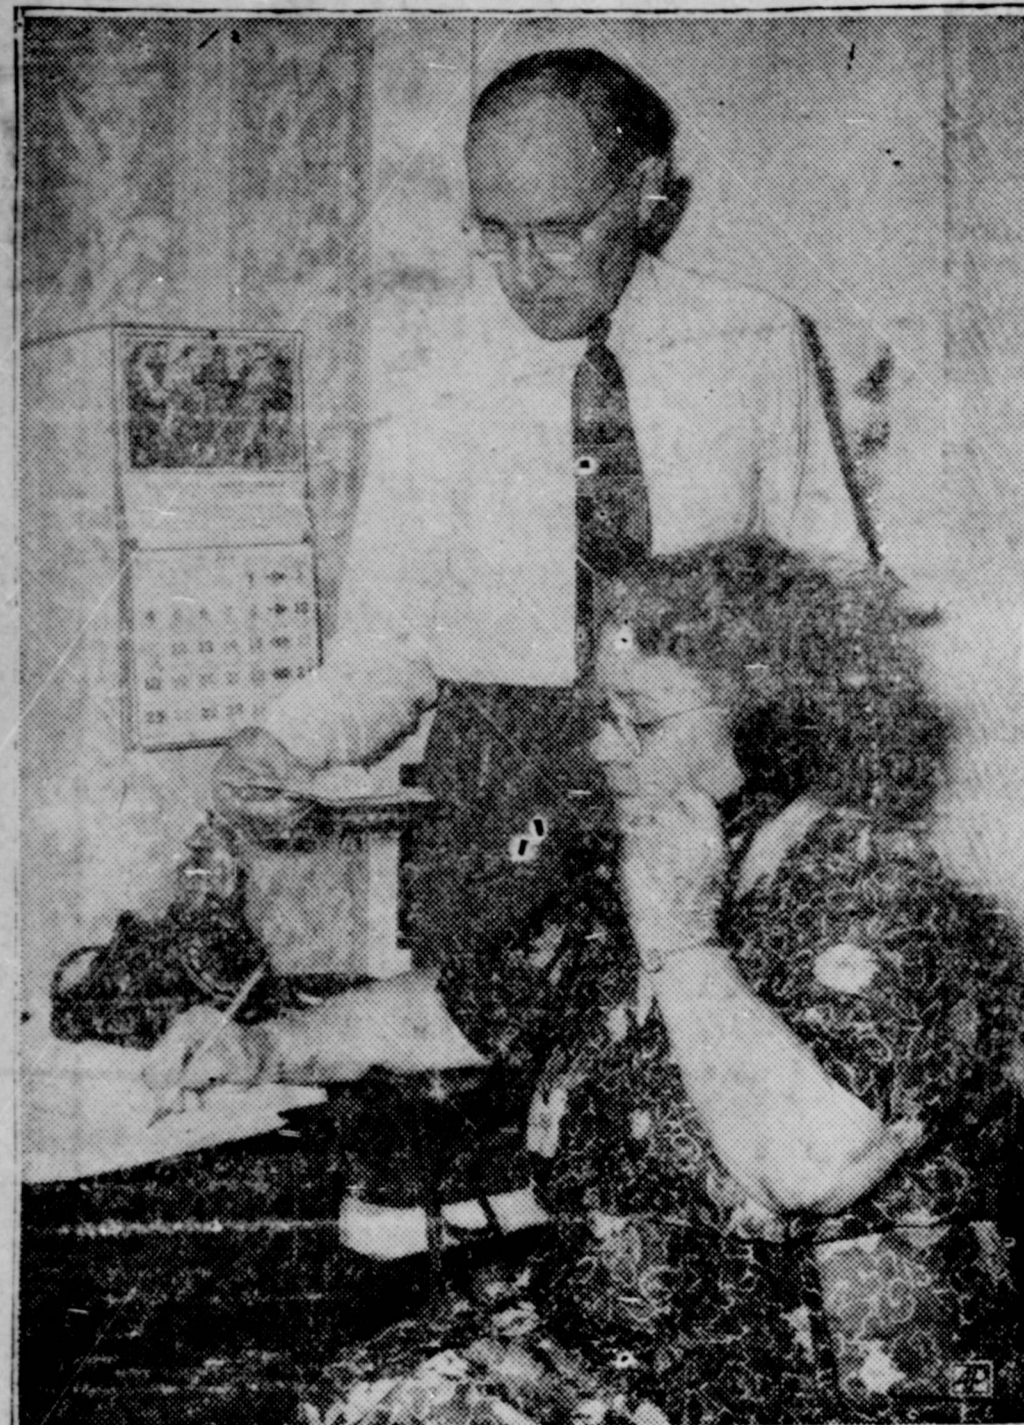

Johnny Wright, 16, and Dale Webb, 13, escaped from the juvenile section of the jail on the third floor of the court house sometime last Monday night. They were being held in connection with a car theft here two weeks ago, having been arrested in Clovis and returned here early last week.

They had picked a hole through a tile partition wall with an iron hook taken from a bunk. This let them into a storage room where the door could be opened from the inside, through a hallway to the main cells. They evidently tried to pick an outside door lock to liberate several men prisoners but abandoned this. The rest of the escape was easy down stairways and into the courtyard. Officers discovered the break about 8 a. m. Tuesday when taking breakfast to them. They immediately spread the alarm but thus far have failed to locate them. One of the boys had already been convicted and given a term in the State school at Gatesville. The other was to be tried this week.

### Tri-County Draft Board Named

The Selective Service department for the new draft act has named Bruce Zorns of Brownfield, Z. O. Lincoln of Levelland, and M. W. Luna of Plains of a board. Headquarters of the Tri-County board will be in Brownfield.

The board is to meet soon, organize and select a secretary. Operation begins early in September.

STARTS MEAT PRICE "STRIKE"—Mrs. R. D. Vaughn, a 71-year-old grandmother in Dallas, Texas., started the verbal guns booming in the "battle of the beefsteak," as she called housewives asking them to stop buying meat for a week in an effort to bring prices down. Back of her is her husband ready to assist. Mrs. Vaughn is president of the Dallas Women's Chamber of Commerce. The phone strike has spread to other cities in Texas and surrounding states. (AP Photo)

### Oil Test Reported On Edwards Tract

While the Herald was unable to get absolute low down on some rumors, we did find that a test is to be started some time this week on the Elmer Edwards tract about ten miles southwest of town, and some three miles east of Wellman.

Nor could we find what company is to do the drilling on the well. But people who live in the Wellman and Forrester section are pretty sure the rumors are authentic. Here's hoping Elmer gets a gusher.

Mr. and Mrs. Warren Towner and Mary of Greeley, Colorado, are visiting Mrs. Towner's mother, Mrs. Grace Woods. Mrs. Woods has just returned from Manitou, Colorado, where she has been for the past two months.

### Successful Revival At Church Closes

The officers and leaders of the Crescent Hill Church of Christ seemed more than pleased with the revival which closed last Wednesday night. W. S. Boyett of Houston, a former minister of the local church did the preaching. T. C. Livingston lead the song services.

According to Minister Jimmy Wood, there were 17 responses during the meeting and a few since, most of which were by primary obedience. He states that the church seemed to be strengthened and encouraged to go forward with the work of saving the lost.

Irene Austin and Marie Stone spent last week visiting in Carlsbad, N. M. They went through the caverns while there.

## Who Are "Loyal" Democrats, Trumancrats Or Dixiecrats

Much has been made by Democrats of late who term themselves "loyal" to stick by Harry Truman, no matter how much nasty truck he crams down their gullets. At the same time, they refer to the real foundation of the Democratic party since the time of Thomas Jefferson of Virginia and Andrew Jackson of Tennessee, as Dixiecrats. But whatever the conventions do in county assemblies or at the state affair in Fort Worth in September, they won't make the rank and file true Democrat swallow Truman.

Most of us who have been hammering along voting "er straight for 40 or 50 years, including four times for FDR, but are fast becoming fed up. And we think that Truman has just about as much love for our Southland as the Tories of Revolutionary time had for Washington and his freezing army, or the damnable Carpetbagger had for the South after the Civil War. In fact, folks, there is too much communistic stuff breaking out among the now and once bigwig members of the official families of the last two presidents to suit most of us. And folks, where there is so much smoke there is now or has been some fire. Get that straight. And speaking of commies, Wal-

lace, the former democrat(?) seems to be getting the lion's share. In fact the whole caboodle, Foster and all shouted for the big toothed farmer (?) from Iowa and called both Dewey and Truman "brazen liars." What would happen in their beloved Russia if a convention was to so far forget itself as to refer to "angelic" Uncle Joe Stalin in terms like that?

For the reason that the present and past administrations were so concerned in centralizing the law, order and money all at Washington, we can only agree with Coke Stevenson when he said: "Let's keep all the county seats right where they're at now." Let's not allow them to be moved to Washington.

It has come to the point already that if a guy wants to dig a post-hole or prune a tree, he thinks he has to look for a subsidy to help him. What would the old pioneers who settled down around Stephens county and area during the raging drought of 1887 thought or done if some one should have offered them charity?

Let's all get to be independent folks again, and not depend so much on a paternalistic or socialistic government.

# Brownfield Rodeo Opens August 12th.

President Truman notified all men 18 through 25 that they must register for compulsory military service beginning Aug. 30. About 9,600,000 men will report for the first registration.

## ANNOUNCEMENTS

The following named candidates have announced their candidacy for office subject to the action of the Democratic Primaries Saturday, August 28, 1948:

- FOR STATE SENATOR**  
KILMER B. CORBIN  
Dawson County
- STERLING E. PARRISH  
(Re-election, Lubbock County)
- FOR COUNTY ATTORNEY**  
GEORGE W. NEILL  
L. C. HEATH
- FOR COMMISSIONER Pct. 4**  
H. R. (Horace) FOX  
J. B. (Mutt) OLIVER

Recently the Lubbock Avalanche-Journal was granted permission to reprint one of George E. Sokolsky's articles that was syndicated by the New York Sun. The title was, "Northern View is Presented," and the burden of the article was to show that segregation was just as true and sure in the north as in the south. Sokolsky went as far as to call some of the advocates of non-segregation liars. Pretty plain language. But he goes on to show that in certain areas of Brooklyn, Harlem, Detroit, and South Chicago, that negroes were not only segregated, but he even referred to their sections as ghettos, such as were used to segregate the Jewish race in certain sections of Europe before the war, and perhaps in some instances, now. We are just going to quote a bit from

the article without permission: "They (northern white people) do not live in negro areas in their cities they do not entertain negroes in their homes; they do not hire negro secretaries or clerks except political ones, which is part of the vote getting technique. They do not encourage association between their children and negro children." Sokolsky then compares the number of negroes of two typical northern states with populations comparative with two southern states, according to the 1940 census. At that time the negro population of Minnesota was 9,928; Wisconsin 12,158. In comparison Alabama had a negro population of 983,290 and Mississippi 1,074,578, nearly half and half for the latter. The writer also stated that none of them in private life practiced what they preached the south should do. Which reminds us that off the record one of the US Senators from Wisconsin made a statement not so long ago that "he guessed if he lived in the south where the race question meant something, he would be like the southern white people." We guess so too. Sokolsky goes on to show that the political maneuvering of the negro "sympathizers" in the north was accomplishing nothing for the betterment of the negro; in fact was injuring him. Most of us know that equal educational facilities are not made for the negro. But in most sections of the South, and in Texas particularly, good progress is being made, and if the politicians and do-gooders would just let the two races alone in the South, they'd work together as in the past. But two much agitation may cause bloodshed, and the resurrection of the KKK, which will be bad for all concerned.

It seems that the bulk of Texas dailies are joining with a lot of the weeklies in wondering why our governor Jester is so opposed to letting Texas Democrats—big "D"—say whether or not they are for Truman-Barkley and their pressure groups, that may vote some other way if it suits their fancy, or vote for the Thurmond-Wright ticket that advocates all that the south holds dear, states rights mainly. It was upon a platform of advocating that all states have a right to make their own laws concerning most anything that did not conflict with the Federal constitution, that has made this nation great and free. But Jester is a politician of the first water, and politicians have always had an idea that they should tell the "deer peepul" just what was and was not good for them. He is the same man who by just a scratch got back in as governor for his second term, and failed to carry many counties in this area. He just did miss a runoff with Evans, an almost unknown outside his own city, Denison. To start with, as we remember, Jester headed the Texas delegation at Philadelphia which not only refused to vote for Truman but his running mate as well. Why be so hot for a ticket that the Texas delegation spurned, and even refused to join the bandwagon and make it unanimous?

Well at least one church bulletin

that we receive has let up for the time being on tobacco "chawers," dippers and smokers, and attacked the gum chewer. Especially was the article hot on the heels of those who insist on coming in the church with a wad of gum in their mouth and parking it under the seat. That makes a headache for the poor janitors. So, our advice would be to chickle chewers to part with the wad before entering the church.

The Lubbock Avalanche-Journal had a whaling good writeup of our city last Sunday. The article was by a staff writer of those publications, Bill Clark. Bill spent a day or so here recently and we believe he interviewed everyone who would take time to talk with him. So he came up with an article that should be worth much money to the city as free advertising. Editorial opinion cannot be purchased at any price, which naturally made the article worth the more. And for an article of that length, it was remarkably accurate. As in all cases, a few discrepancies in spelling names and the right initials will creep in in spite of h&hw. The only thing we would ask that Bill stand corrected on was the school bond issue which he mentioned as \$500,000. The amount was instead \$750,000, a matter of a quarter of million dollars difference. Speaking of getting names and initials wrong, no one can exceed us in that respect, even in a short article. But the incident reminds us of the late and lamented J. Sam Lewis, roving reporter for the AJ publications for many years. Sam got our name and initials wrong so many times that we once called his hand on the matter. He had occasion to write us one day, using a big no. 10 envelope, he wrote, "Andy Jack Strickland, or is it Andy Jack Stricklin, the Old He, Terry County Herald, Brownfield, Texas, USA, this world." Well, the letter arrived in due time despite the long address. J. Sam was a great old guy, fat and jolly as they make 'em, and on occasion when in town we had him in our home for a meal. J. Sam enjoyed traveling around and visiting and writing about towns in the Lubbock area. Peace to his ashes.

And now comes the old reliable Dallas Morning News advocating civil service for all county officials. As long as they efficiently conduct the office, keep 'em in there from the cradle to the grave, or words to that effect. This despite the fact that Dallas county, until about a year ago kept one man in the county collector's office for 20 odd years, and when he died his records were not only

short but in a mess both as to county and state taxes, and has not been entirely settled yet. He had used a lot of state and county money in his own promotions. Anyway, the idea looks good on paper. But how does the grand old News expect a county newspaper to live if there are no bi-annual announcements?

Much is being made by Texas bureaucrats of Federal school lunch aids and other handouts that the government is offering this and that and the other, mostly to garner votes. And as long as some pressure groups get these handouts, they will pull for Mr. Truman, no matter what conditions that may be imposed on them that would be repugnant to most southern white people. At this time they are trying to slur state -righters, Texas regulars and even ex-service men as un-Texan. All we have to say is to pause and ask where the \$3,500,000 come from for school lunches? It comes out of the pocket of every federal tax-payer from practically - the lowest wage earner to the millionaire; sent to Washington, and back to the school rooms.

We have wondered time and again how it is possible for some of our exchanges to figure to a znat's bristle how many pages they will run week after week. Always they come to us with the custom built 12 or 16 pages as the case may be. Do they have their advertisers done up in rag, and all they have to do is garner the ads in? In this old burg there is no such luck. You do not know any more than a haint on Monday A. M. how many pages you will wind up with. It might be 8, 10, 12 or more. But you'd be guessing how many you would have even on Wednesday morning. Some of you birds that run the same each week, give us a tip, please?

The segregation rule works both ways in Texas. It will be remembered that one Heman Sweatt, a negro, has been trying to break in to the white University of Texas, at Austin for the past year. This week a white student, Jack Coffman asked for admittance to the Negro University of Texas at Houston. Attorney General Price Daniell said the same thing to Coffman that he has been saying to Sweatt for the past year—nothing doing Bud. Radical northern papers please copy.

Some of the daily press are taking Coke Stevenson to task to come out one way or another on the Taft-Hartley labor act. If we remember aright, most of the Texas legislation to hold labor bosses and their union in check came out either under the admin-

istrations of O'Daniell or Stevenson. Coke Stevenson may not make a lot of unreasonable promises he has no intention to keep, but he certainly did not do anything as governor of Texas to hurt the citizens of Texas. One thing he did NOT do; spend every lasting dollar of state money he could lay his hands on, and ask for more. He went in with a 35 million deficit and came out with a 40 million dollar surplus. While his campaign is not spectacular, it does not in the least remind one of the flour merchant, now Junior U. S. Senator. We are more afraid of the sensational campaigner than we are the quiet fellow.

**CITATION BY PUBLICATION**  
THE STATE OF TEXAS  
TO: VERNON L. MILLER  
GREETING:  
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. on the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 1st day of September A. D. 1948, at or before 10 o'clock A. M., before the Honorable District Court of Terry County, at the Court House in Brownfield, Texas.

Said Plaintiff's petition was filed on the 20 day of July, 1948. The file number of said suit being No. 3493. The names of the parties in said suit are: Carrie Mae Miller as Plaintiff, and Vernon L. Miller as Defendant. The nature of said suit being substantially as follows, to-wit: Being a suit for divorce, Plaintiff pleading Residence of 12 months in the State of Texas, and six months residence in the County of Terry of the State of Texas, Plaintiff pleads abuses, Threatened Personal Violence, forsaken in another state without funds, cursing and abuse.

Issued this the 20, day of July, 1948. Given under my hand and seal of said Court, at office in Brownfield, Texas, this the 20, day of July A. D. 1948. ELDORA A. WHITE, Clerk (seal)

Miss Faye Caskey of Corsicana is visiting her sister, Mrs. W. C. Wadding.

Bro. L. T. Sparkman and family attended the ordination of the West Side Mission into an independent church, Sunday August 1. Dinner was served.

There were 52 present at Sunday school and church Sunday morning at the Baptist church. Bro. Carrol Herring of Union preached Sunday night. Several from Union attended.

The Brotherhood had their regular monthly meeting Tuesday night, August 3, at the church house. Roy Golden is president. All men of this community have a special invitation to meet with them he first Tuesday night of each month at the Baptist church.

The W.M.U. met Monday at the church for their regular monthly Bible study. Mrs. Jack Hungerford is Bible study leader. Mrs. W. H. Evans is leader of Sunbeams; Mrs. Otis McKee sponsors the Y.W.A.; and Rev. Sparkman is the leader of the R.A.'s. Everyone is invited to meet with any of these groups every Monday at three o'clock at the Baptist church.

Remember the meeting starting Friday night, August 6, at the Foster Baptist church. Bro. Ted Brian of Wells will do the preaching. Everyone come and bring someone with you.

Little Miss Carol Ann Golden is sick this week with a sore throat. Others ill are Mrs. Cheatham and Durwood Strickland.

Miss Sharleen Hadaway of Lubbock is visiting her cousin Wanda Hadaway this week.

Mr. and Mrs. Jack Mears and family of Lamesa visited Mr. and Mrs. W. H. Evans home Sunday.

Mr. and Mrs. Roy Golden and family attended the Stallings reunion at Tokio Sunday.

Mrs. A. L. Christopher and Mrs. Wilson Roberts of Wellman visited Mrs. Glendon Brown Wednesday of last week.

Visiting Mr. and Mrs. W. F. Collins are Mrs. Collins' three nephews, Adrain and Alvis Stewart, of Avondale, Ariz., and Francis Hester, jr., of Albuquerque, N. M.

Visiting Mr. and Mrs. R. J. Rowden are Mrs. Rowden's little nephew, Bobby Wilson of Lubbock and her sister, Mrs. Dorsey Martin of Gomez.

Mary Jo Hadaway spent last weekend in town with her sister, Juanita, who is working there.

We are still working and trying to get the REA to the Methodist and Baptist churches as well as some homes along that line.

**SUB-DEB CLUB MEETS LOIS FOSTER**

The Sub Deb Club met in the home of Lois Foster Tuesday, August 3, for a business meeting. Six sponsors were elected.

Formal installation was set for August 13.

Refreshments were served to Von Forbus, Jackie Dubose, Betty Ferguson, Mary Tankersley, Sharlene Daniel, Frances Price, Barbara Beard, Nancy Morgan, Charlie Gaston, Cynthia Black, Norma Jo Boyd, Jackie Allen, and the pledges.

Mr. and Mrs. John Portwood and children are vacationing in Colorado and New Mexico.

**Gomez Gossip**

Mr. and Mrs. R. C. Green of Abilene are visiting in the home of their daughter, Mrs. Richard Whitley and family.

Mr. T. S. Doss and daughters Janie and Maxine, visited relatives at Plainview Sunday.

Mr. and Mrs. A. E. Fletcher and children visited last week at Texarkana.

Visitors last week in the B. F. Cabe home were, Mrs. Estella Brown of Brownfield and Miss Patsy Benton of Tokio.

Mrs. Garvin Smyrl and children are visiting her father at Union.

Mr. and Mrs. D. S. Phillips and Mr. and Mrs. Elmer Lay of Coahoma visited Tuesday in the B. R. Lay home.

Mr. and Mrs. J. C. Gafford and son visited his parents at Monahans last week.

Mr. and Mrs. Alvia Gresham and sons visited his brother and family at Levelland Sunday.

Clancy Dean Martin, 16 year old son of Mr. and Mrs. Tyler Martin was carried to a Lubbock hospital last Tuesday for treatment. He will undergo an operation this week. He is reported resting very well.

Mr. and Mrs. W. G. Swain and

**Westside Revival To Start August 12**

The Westside Baptist church, which was organized August 1st will hold a revival meeting beginning August 12th and will continue through August 12th. Rev. S. W. Miller, pastor of the First Baptist church of Humble, Texas, will do the preaching.

Brother Miller is a strong gospel preacher and everyone is invited to hear him. The music will be directed by local forces. Services at 10:00 A. R. week days and 8:00 P. M.

The public has a cordial invitation to attend.

Mr. and Mrs. R. T. Williams and Mr. and Mrs. W. H. Dunn from Rock Springs, Ga., visited J. E. Thurman and family last week.

Mr. and Mrs. J. B. Knight are vacationing in New Mexico.

Maurice Martin visited in Lubbock Sunday.

Carrol Johnson preached Sunday morning and night in absence of Bro. Burns. The revival at Gomez Baptist church begins Aug. 15. Rev. T. L. Burns will preach and Alton Webb will direct the song services.

National Guardsmen Take Training

Thirty seven National Guard and Reserve Corps officers, mostly from Texas, received diplomas for completing work in a special guided missile course at Fort Bliss.

Another course begins on Tuesday, August 3. Each of two-week duration, the courses are designed to indoctrinate the officer-

Troop 49 of the Brownfield Boy Scouts returned Saturday from a camping trip at Lake Texhoma. Ralph Bailey, Scoutmaster, Dr. E. C. Davis, L. Lewis, and Everett Latham sponsored the boys.

Mrs. L. O. Greenfield, sr., was hostess to 45 members of the young peoples' and intermediates' departments of the First Baptist church Sunday night for singing and refreshments.

Students in the Army Field Forces guided missile program.

H. J. R. No. 13 HOUSE JOINT RESOLUTION amending Section 15 of Article XVI of the Constitution of the State of Texas, by adding thereto a provision that the husband and wife from time to time may in writing partition between themselves in severally or into undivided interests all or any part of their community property.

Section 15. All property, both real and personal, of the wife, owned or claimed by her before marriage, and that acquired afterward by gift, devise or descent, shall be the separate property of the wife, and laws shall be passed to give effect to the rights of the wife, in relation to such separate property as that held in common with her husband, provided that husband and wife, without prejudice to pre-existing creditors, may from time to time by written instrument, as to the whole or a part of the community property, constitute a part of the separate property of each spouse.

This Amendment is self-operative, but laws may be passed prescribing requirements as to the form and manner of execution of such instruments, and providing for their recording, and for such other reasonable requirements not inconsistent herewith as the Legislature may from time to time consider proper with relation to the subject of this Amendment.

FOR THE AMENDMENT TO THE CONSTITUTION OF THE STATE OF TEXAS, the Governor is hereby directed to issue the necessary proclamation for the election of electors for the office of Governor, to be held on the second day of November, 1948, at which election all voters shall vote for the office of Governor.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State of Texas, as to whether they favor or oppose the same, on the second day of November, 1948, at which election all voters shall vote for or against the same.

Section 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for the election of electors for the office of Governor, to be held on the second day of November, 1948, at which election all voters shall vote for or against the same.

Rat Eradication Controls Typhus

Statistical information compiled by the State Health Department shows a total of 182 cases of typhus fever so far this year. During the week between July 17-24, seven new cases were reported, one-half the seven year median of fourteen for the week of July 24.

The disease reaches its peak in the month of August, Dr. Geo. W. Cox, State Health Officer, said.

Over a five year period from 1943 to 1947, typhus fever has been responsible for 273 deaths. The death rate has been reduced from 63 in 1943, to thirty in 1948.

"Typhus fever as we know it in Texas is transmitted by the fleas of infected rats," Dr. Geo. W. Cox, State Health Officer, said. "It can be controlled by the simple expedient of consistently maintaining a program of rat poisoning, rat trapping, and rat proofing."

Typhus fever is marked by a severe headache, chills and fever. A reddish mottling appears on the skin and a hacking cough develops. The headache is the outstanding symptom because of its severity. Illness may last from 5 to 14 days.

The greatest outbreak of typhus

GOMEZ COSSIP -

(delayed) Arthur ay Carter who has been away in the wheat harvest returned home this week.

Rev. T. L. Burns, pastor of Gomez Baptist church, will leave Saturday to conduct a two-week revival near Petty.

Linda Rutledge who underwent a mastoid operation recently at a Lamesa hospital is home and improving nicely.

Mrs. L. Turner underwent surgery at the local hospital Monday.

Mr. and Mrs. Grady Dickson and daughters, Joan and Jannie, are visiting relatives at Deport this week.

The revival at Gomez Baptist church will begin Friday night August 20th. Make your plans now to attend.

Pattersons Off To Cool Colorado

Mr. and Mrs. V. L. (Pat) Patterson, son and daughter, are off this week for their vacation in the mountains of Colorado and perhaps some of the other Rocky Mountain states.

We asked Pat who would be the manager while he was away. "All of them; we don't have a manager here in the true sense of the word as it is usually understood."

"But he whispered: 'You'd better drop in occasionally to see how

over, or Brill's Disease, was in 1941, when there was a total of 73 reported cases.

The Health Officer added that it was a sad commentary on our position as the most health minded nation on Earth if we allow the disease to flourish when the means for its control and eradication is right at hand.

SUPERFORT CHIEF IN BRITAIN Col. John B. Henry of Charlotte, Texas, commanding the U. S. Air Force 28th Bomber Group, stands on the R.A.F. airfield at Scrapton, Lincolnshire, Eng., July 17, after leading the vanguard of 68 U. S. B-29s in a flight from the U. S. and Bermuda to England. (AP Photo)

WASTE NO FAT

The need for salvage of used cooking fat is still great. It is important that all fat is used in every home. However, there comes a time when fat is no longer usable for cooking purposes. You can sell this excess fat to your meat dealer for cash.

SAVE FAT

"Save fat" has been the cry to homemakers all during the war and since. There is still a great need for the lady of the house to salvage and sell all fat to her meat dealer that is not used.

FAT SALVAGE IMPORTANT JOB

Salvaging used kitchen fat is a little job, but a mighty important one. Scrape, scoop and skim all used kitchen fat when you broil, fry and boil. Our government tells us that world shortages of fats and oils are still critical, and it's up to every American homemaker to waste no used fats.

USED FAT IS ASSET

Spoon every drop of unusable fat into your fat salvage container and sell it to your meat dealer. You will add pennies to your food budget and help ease the world-wide shortage of fats and oils.

Things are going...

Does he want us to get pitched out on our ear?

Livestock Shipments For June

Texas shipments of livestock in June slid 20 per cent below May levels the University of Texas Bureau of Business Research reported.

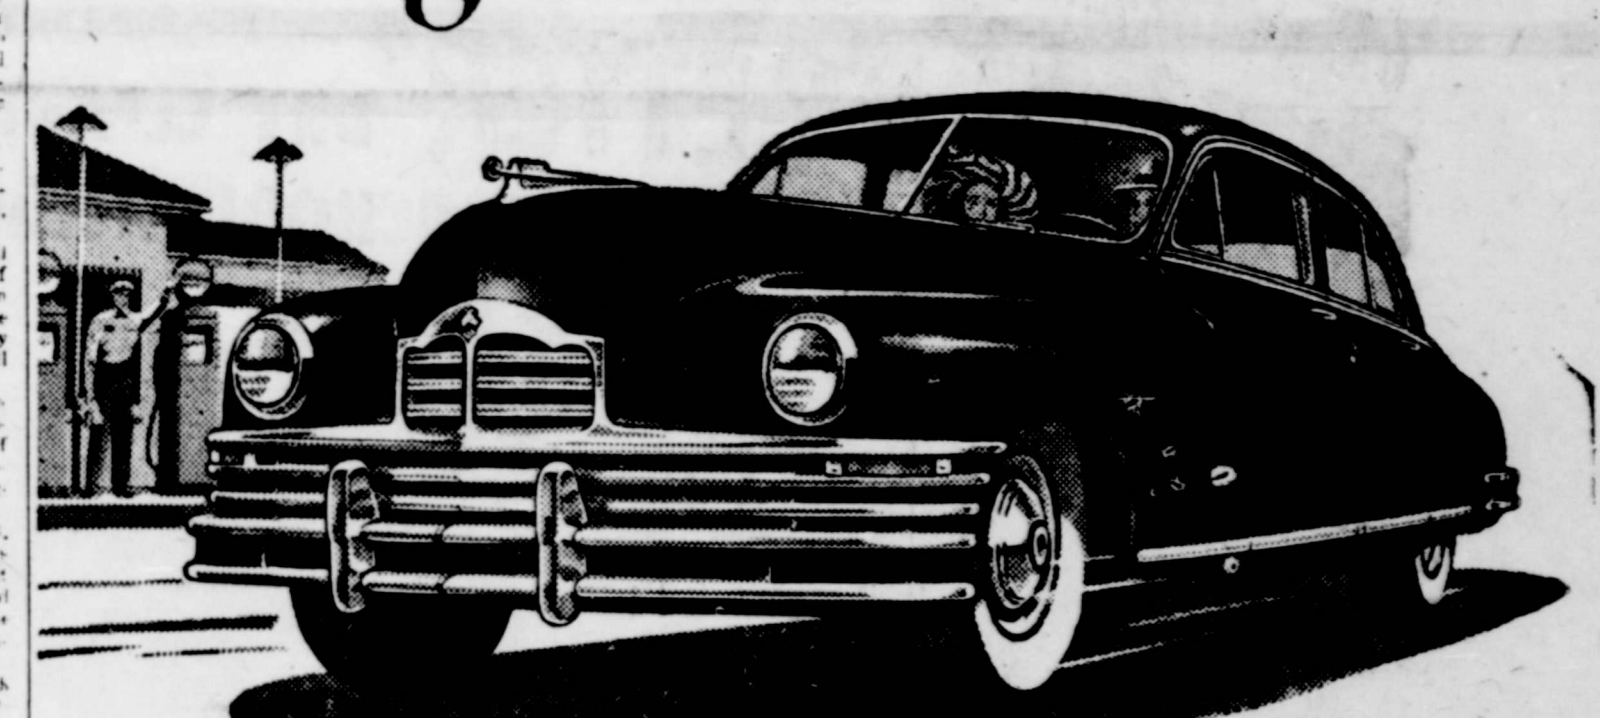

June movements totaled 8,870 carloads, or 12 per cent below a year earlier.

Hog shipments decreased the greatest over the month—29 per cent, while cattle shipments, down 27 per cent, followed closely behind.

Movements of calves and sheep increased 8 and 4 per cent, respectively, from May.

Mr. and Mrs. Tom May and grandson, Thomas Bruce Zorns, will leave Saturday for Springfield, Arizona.

"Free-breathing" gas miser!

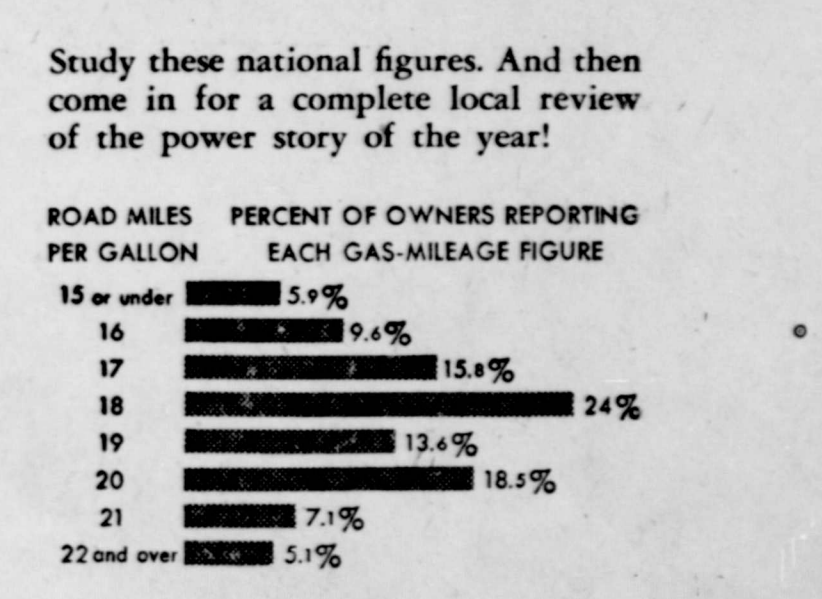

As every motorist knows, gasoline mileage varies with terrain, temperature, traffic conditions, speed, and individual driver habits.

But here, in the chart at right, you'll get a good idea of the gasoline economy you can expect from a new Packard... thanks to Packard's new "free-breathing" engine design.

These figures—taken from a survey among hundreds of new Packard owners from coast to coast—cover the highway performance of the 130-horsepower Packard Eight, with overdrive. (Packard overdrive is optional equipment, at moderate extra cost. It is being ordered on a majority of the new Packards.)

Packard advertisement including the slogan 'ASK THE MAN WHO OWNS ONE' and the Price Implement Co. contact information.

SANTA FE CARLOADINGS

Santa Fe System carloadings for week ending July 31, 1948, were 28,902 compared with 32,274 for same week in 1947. Cars received from connections totaled 11,246 compared with 11,500 for same week in 1947. Santa Fe handled a total of 40,563 cars in preceding week of this year.

DEAR FRIENDS:

I wish to thank each of you very much who voted for me on July 24th. I do appreciate your thoughtfulness of me and influence in any way.

It is my aim to continue to serve you as County Treasurer this next term to the very best of my ability.

Again I thank you, Yours very truly,

Mrs. O. L. (Oscar) Jones

DEAR FRIENDS:

I thank each of you for electing me for another two-year term for your District Clerk. I will try each day to be more efficient in my work. Anytime I can help you, just call by my office.

Thank you,  
Eldora A. White.

Mrs. Jack Stacy of Houston has recently moved here to be with her husband. Mr. Stacy is the owner of the Stacy Drilling Co.

## Miss Betty Sue Kelly Weds Spencer Murphy

In a double ring ceremony read at eleven o'clock Friday morning, July 30, Miss Betty Sue Kelly daughter of Mr. and Mrs. D. A. Kelly of Gomez, became the bride of Spencer Murphy, son of Mr. and Mrs. D. F. Murphy of Brownfield, in the home of the bride's grandparents, Mr. and Mrs. H. N. Key. Rev. T. L. Burns, pastor of Gomez Baptist Church, officiated at the ceremony which was read before an improvised altar of English ivy and baskets of dahlias and fern.

Preceding the ceremony, Misses Eura Lee and Billie Ruth Burns sang "Always." The bride wore a dusty rose crepe street-length dress fashioned with a side drape and grey accessories. Her corsage was of gardenias. She carried a white Bible topped with white carnations.

Miss Jane McCraw, maid of honor, wore a grey street length dress with white accessories and a corsage of gladioli.

D. F. Murphy, jr., brother of the groom, served as best man. A reception was held immediately following the ceremony. Miss Glenola Murphy, sister of the groom, and Mrs. Kelly, mother of the bride, presided at the bride's table which was covered with a silk lace cloth and centered with a three-tiered wedding cake.

The couple left for a wedding trip to Ruidoso, N. H. after which they will be at home in Brownfield.

For traveling, Mrs. Murphy chose a grey suit with grey and silver accessories.

Relatives and friends of the bride and groom attended the wedding.

## Miss Henson Weds L. W. Yowell

Miss Beryl Henson, daughter of Mr. and Mrs. G. W. Henson of 421 E. Oak, Brownfield, and Loyd Wayne Yowell, son of Mr. and Mrs. D. J. Yowell of Route 4, Brownfield, were married Saturday afternoon, July 31, at 4:00 o'clock in the home of Bro. Ed Tharp. Bro. Tharp read the double ring ceremony.

The bride wore a white eyelet dress with blue accessories.

Attendants at the wedding were Mrs. Edward Smith, Geo. Henson, jr., D. J. Yowell, jr., and Ellen Mae Rosson.

Mrs. Yowell is employed at Copeland Hardware. Mr. Yowell is a member of the county road construction office. The couple are at home in Brownfield.

## ALATHEAN CLASS HOLDS LUNCHEON WEDNESDAY

The Alathean Sunday School class of the First Baptist church held their monthly luncheon and business meeting at the home of Mrs. A. W. Turner, Wednesday, August 4.

After the business meeting, a pink and blue shower was presented to Mrs. Wilma Edwards. Present were: Mesdames Mola Moorhead, Georgia Carvel, Kathy Lyles, Marie Auburg, Louise Youst, Wanda Smith, Fay Fox, Gloria Planagan, Irene Kizer, Juanita Bell, hostess and honoree.

## BELL COUNTY REUNION

Former residents of Bell county now living in West Texas are invited to attend the Bell County Reunion to be held in Mackenzie State Park, Lubbock, next Sunday, August 8, meeting at 10 a. m. Come and meet your friends of other days.— E. I. Hill, President.

## PLAINS NEWS

Several from here attended the funeral of J. W. Williams in Brownfield last Wednesday.

Plains Chapter No. 862, Order of the Eastern Star met in regular session Monday night August 2, with 20 members and one visitor present. Refreshments were served by Mrs. Wilma Powell and Mary Jo St. Romain.

Mr. and Mrs. H. D. Oden and children are vacationing in Houston and Galveston this week.

Mr. and Mrs. Joe McLaren and daughter left Saturday for Houston for a vacation.

Mr. and Mrs. Ed Dumas, jr. and family were weekend guests of her mother in Lubbock.

## BIRTHDAY DINNER

As a courtesy to their son, Roscoe on his 13th birthday, Dr. and Mrs. T. L. Treadaway entertained Monday night August 2 with a backyard chicken dinner.

Attending were: Mackey Hord, Bobby Peterman, Billy Mac Merold, and Dale Crockett.

## Check Forger Has Long Record

One of the men brought here last week, charged with forging a large number of checks on a Levelland Oil Co., early last spring, was found to have a long record of such offenses. A report from the FBI at Washington on finger prints sent them by Sheriff Murry, reveals 42 former arrests in various states, and three terms in the pen.

He is to be tried here soon for passing one of the checks to a local man. Then he will be tried for several at Levelland. He and a companion are held in jail here.

## Who Wants To Rent Our Rich Back Yard?

In our sixty-odd years of experience on the farm in the village, town and city, we have seen many healthy, vigorous stalks of what we always called "careless" or is it "kerless" weeds. Two of the husky printers sneaked to our backyard at the Herald office late last week and came wagging in the healthiest specimen we have ever beheld.

The huge stalk was more than five feet tall, not including the roots, and at the butt just above the roots it was five inches in circumference. That may or may not be "the most gigantic specimen ever seen on earth" as the circus Barker used to say. But frankly we were so ashamed that we allowed such a weed to grow back there we had them carry it back before anyone saw it.

But we got to studying about the matter. If we had a body of such productive soil back there, why not rent it? Some one might get rich off that 25x70 feet. But we are reserving all mineral rights. Some guy with a well drill might punch up an oil gusher back there.

Teddy Joe Hardy tackled our premises at the residence, which was getting a bit out of hand, and did a fine job. But when showed the back yard at the Herald office he didn't seem quite so enthusiastic. Looked as if he did not feel sure that some wild animal might stalk him back there.

Mr. Everett Latham, Bobby Latham, and Herby Kendrick went from the Scouts out to Dallas to market and returned this week.

## G I QUESTIONS AND ANSWERS

Q. I expect to purchase a home under the guaranty provisions of the G-I Bill and would like to know if I must pay the appraiser's fee.

A. Yes. The appraiser's fee is paid by the veteran and usually is from 15 to 25.

Q. How do I arrange to get a loan for business purposes under the G-I Bill?

A. It is up to you to find a bank, public or private lending agency or even an individual willing to advance the money.

Q. I want to obtain a G-I farm loan to buy some farming equipment. However, I don't live on my farm. Am I eligible for such a loan?

A. Yes, if you actually conduct the farming operations.

Q. I applied at a bank for a G-I business loan, but I was turned down. What should I do?

A. First consider whether your proposition is a sound one. If so, try another lender. The fact that one lender is not interested does not indicate that another may not be.

Q. I applied for a G-I loan and it was entered on my discharge papers, but the loan wasn't completed. Can I have my papers corrected?

A. Send your discharge to the VA regional office where the entry was made. Include the necessary information, so the entry can be cancelled and the amount of guaranty restored for your future use.

## Revival Starts August 12 At Meadow

W. WALLACE LAYTON  
Lawrenceburg, Tennessee

We are requested to announce a gospel meeting to start at the church of Christ meeting at Meadow, next Friday night, August 12 and will continue over Sunday the 22nd. You are cordially invited to attend any are all of these services.

W. Wallace Layton, Evangelist of Lawrenceburg, Tennessee, will do the preaching. Congregational singing will be the local minister of the church, A. C. McIlroy. Sunday services at regular hours. Week day services at 10:30 A. M., and 8:15 P. M.

Jack Stricklin, Jr., wife and little son, Robert, left yesterday for a few days outing and fishing at Brownwood, with his sister, Mrs. H. Trigg and Herman. Jack Taylor, who has been visiting down there for the past two weeks will return home with them Sunday or Monday.

### Rancher And Former Sherif Lauds Retonga

Widely-Known Texas Citizen Was Elected to Office 10 Straight Years. His Wife Also Praises Famous Gastric Tonic for Gratifying Relief It Brought Her.

"Retonga was just the medicine my wife and I needed," declares Mr. Ed Custer, widely-known sheep rancher and farmer, of RFD No. 1, Knippa, Texas, Uvalde County. Mr. Custer was elected sheriff of Edwards County for 10 straight years. He gratefully continues:

"My wife felt so weakened and run-down that she could hardly cook a meal. She felt so jittery a restful night's sleep was almost impossible. Her appetite was very poor and she was bothered with distress of sour stomach and gas pains. I suffered the same tormenting distresses, so I know how badly she felt. We both had to rely on strong laxatives for constipation. Some days I felt so worn-out I could hardly stay on my feet. And many are the times I've gotten out of bed feeling too worn out to start the day.

"The relief Retonga has brought us has been fine. We have good appetites, enjoy our food, and no longer suffer as we did after eating. We both sleep good, get up feeling fresh and rested and no longer have to rely on strong laxatives. We are glad to recommend Retonga."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. The active ingredients of Retonga are purely herbal, combined with Vitamin B-1. You can get Retonga at Primm Drug and all other good drug stores. Adv.

# Texans In Washington

By Tex Easley

**AP Special Washington Service**  
WASHINGTON, Aug. 5—Texans stir up a lot of people in this voteless city of Washington, D. C.

Even before the polls closed in the first Democratic Primary election in the Lone Star State the telephone calls began to pour into the Associated Press Bureau here and into the offices of the local newspapers.

"I never knew there were that many people from Texas living here," commented one editor.

The contest which precipitated countless calls from other Texans was the senatorial race between Coke Stevenson and Rep. Lyndon Johnson of Austin, for Senator W. Lee O'Daniel's seat.

Word from Texas that Stevenson planned to come up as an ob-

server during the special session of congress created interest. While he was governor he had the privilege of going on the U. S. Senate floor. Senate officials said that this courtesy is not extended to ex-governors nor even to former members of the U. S. House of Representatives.

A few days before the Texas election the C. I. O. put out a "report card" on all members of congress, grading the legislators as to whether they voted "right" or "wrong" on 16 major pieces of legislation. The Texas members as a whole batted 500, chalking up about an equal number of R's and W's. An exception was Senator O'Daniel, who had 15 W's and 1 "A". The "A" denoted absence on a roll call vote. Senator Tom Connally was listed as voting "right" 7 times, "wrong" 3 times, and being absent on one vote.

Texarkana Congressman Wright Patman likely will be one of the busiest men in the special session, but he still doesn't think much will come out of it.

He is ranking Democrat on the House Banking and Currency Committee, which handles price control and housing legisla-

## How Many Words Do You Use?

You know more than you think you do! University of Texas speech Professor Jesse Villarreal says the average person far underestimates the number of words he has in his vocabulary.

A group of persons asked to guess their vocabulary content will usually give answers ranging from 500 to 15,000—very low guesses, because tests have shown that the first grade child has a vocabulary of almost 17,000, says Dr. Villarreal. His college freshmen have made test scores indicating an average vocabulary content of 100,000 words. Measurements made on college populations have shown an average vocabulary of 150,000 words.

Everyone, he says, is interested in a larger vocabulary, as evidenced by the fact that many people come by his office and want to take vocabulary tests to see how many words they know.

To increase word knowledge, Dr. Villarreal advises: try to learn new words encountered in reading.

These subjects, along with civil rights measures, are certain to provoke the most heated arguments.

and listening; look them up; preserve the original context in which the word was encountered; regularly review the collected information; read about the history of the English language's growth and development and study word roots and common affixes.

Mr. and Mrs. Jack Hamilton and Mr. and Mrs. C. R. Lackey left Sunday for points in Colorado.

### WE ANNOUNCE

with pride that we have been selected as the exclusive representative of the ASSOCIATED FUNERAL DIRECTORS SERVICE in this community. Through our nation-wide connections, we have the facilities for handling a funeral from any point in America.

**FARLEY FUNERAL HOME**  
Phone 404

**A CONTEMPLATIVE** correspondent wants to know which is the bigger gamble—baseball rookies or race horses.

There isn't much difference. Many are called but few ever hit .300 or win big stakes—possibly one out of a hundred.

Race horses, the good ones, usually cost more money, ranging from \$40,000 to \$70,000 in the higher brackets. Yet Wakefield of the Tigers came in for a \$32,000 bonus and 18-year-old Curt Simmons of the Phillies was somewhere in the \$60,000 class. It also is reported that if the young left-hander had waited a while longer the Red Sox would have gone to \$100,000 or more.

Simmons is the closest to Pericles, the \$25,000 colt who won one race. If Simmons wins only one game, Ben Chapman will absorb at least one keg of cyanide.

Simmons, Wakefield and Bob Brown are three of the higher investments. Wakefield has been no part of a bargain at his price tag, while neither Simmons nor Brown so far has drawn a chance.

But rookies on their way to major-league fame are scarce. Last year the Cardinals had only one from a big crop—Jim Hearn, a pitcher. The Giants caught a find in Jansen—the Dodgers in Robinson, to mention two of the best.

Few outsiders realize the size of a farm crop. The Dodgers had something like 500 budding phenoms at Vero Beach—the Giants over 400 at Sanford, Fla., and the Cardinals over 400 at Albany, Ga.

From the 1,200 young ball players gathered at these three locations, the Dodgers, Giants and Cardinals would be highly pleased to have 30 future big leaguers. Some vital statistics have made it one out of 200.

So the percentage of young rookies and promising yearlings who make good is about the same—few and far apart.

**Successor to Joe Louis?**  
In the boxing game about five out of 5,000 or possibly 10,000 make good. They have been looking around for a good young heavyweight to take the place of Joe Louis for six years. Six years and no answer. Not an echo. But Walter Friedman tells me that there is a good young Irish heavyweight named Ray Stevens working out of San Francisco who may be the one.

"He's six feet two, weighs 205 pounds," Friedman says. "I know of one offer of \$20,000 and another of \$30,000 which have been refused for his contract. They won't even listen to \$50,000. He's a good boxer and a good puncher. He can knock you down with a short punch. He's only 23 years old."

"Give him a break, and you might be the first to boost the next heavyweight champion of the world." Stevens is hereby given favorable mention. And he doesn't have to be too good.

**Duffers Lead the Parade**  
Too many golf writers are writing about the Nelstons, Hogans, Mangrums and Demarets in place of the duffers and the average golfers who compose at least 95 per cent of the game.

There would be no golf if it were not for the duffer and the average golfer. The few left couldn't afford to keep the courses in condition. They couldn't keep the manufacturers going.

And without the duffer and the average golfer, golf crowds would be under 500, and there would be no teachers and not many caddies. The stars would be playing for \$500—not \$10,000.

Above all, we love and admire the flaming spirit of the duffer who each year is going to remove at least five or maybe 10 strokes from his game.

I was talking about the duffer with Al Cluel, the Fresh Meadow pro who has taught so many thousands, including star professionals, for so many years.

"What," I asked, "are the chief faults the duffers or the average players have? And what, by the way, is an average golfer?"

"An average golfer," replied Cluel, "is one who shoots around 100. That's a good average. Some are around 90 or 92. Others well above 110. We can call it 100 and be safe."

"What is the most common fault?" I asked.

"Slicing," said Professor Cluel. "There are many hookers, of course, but many more slicers. Slicing is largely due to not turning the body enough, to taking the club back outside the line of flight and bringing it into the ball from the outside.

"The club head should be taken back slightly inside. It should be brought down inside with the club head aiming for a target slightly to the right, not whipped from the inside to the inside.

"Most slicers aim to the left of the course in order to allow for the slice. I've seen them do this by the thousands. A slice usually costs from 30 to 40 yards. Take enough turn and let the club head travel slightly to the right.

Fifteen members of the Phi Beta Craesus club spent Monday through Thursday in Ruidoso. They stayed in the L. M. Winger cabin and were accompanied by their sponsors, Mrs. Ike Bailey and Mrs. Sam Privett.

## P.-S. P. Catalogs Are Being Distributed

The Panhandle South Plains Fair catalogs are being distributed over the area. Accompanying our copy of the catalog, the Assistant Manager George Bond, Jr., writes that after studying the catalogs of Texas and other State fairs, that many premiums were increased. This is particularly true of the livestock and women's sections.

In this letter, the fair management wished us to say that they very urgently request the discontinuation of the words, "Lubbock Fair," and speak of it as "Our Fair." "Truly, it is your fair in every sense of the word, and we want you to think just that. Lubbock is just the place where it meets."

The letter stated that the management had contracted with some of the nation's leading amusement people for a real midway and grand stand attractions.

## Take No Paper Of Any Kind

To most people who regularly read their weekly, perhaps a daily, a few magazines and maybe a religious weekly, it is hard to understand why all people don't read some paper. Many non-readers are intelligent, God-fearing people, but they just don't read, except perhaps the Bible, which is good reading any time.

We recently heard of such a family right here in Terry, and they are good folks, the salt of the earth, neighborly and all that, but a neighbor lady had been dead within three miles of them for a month before they knew it.

Following the sudden death of the lady, the local papers carried a full account of her death and burial, along with a card of thanks from the bereaved.

But this is a free country, and each individual and family certainly have a right to live like they wish. If they want no papers, that too, is their affair.

## To The People Of Terry County

I want to take this means of thanking each and every one of you for your vote July 24th even though I had no opponent. It has been a pleasure to serve you as Sheriff of Terry County. I have given all my time and efforts to this job and am going to continue the same.

Think you all for your cooperation and want to ask you for continuance of same. I am going to do my best to make you a better sheriff in the future than I have in the past.

Again I say, Thank you all,  
OCIE H. MURRY

## Fair To Have 5c Rides On Children's Day

Midway ride prices to fit young purses were announced today for Children's Days at the Panhandle South Plains Fair in Lubbock, Wednesday and Thursday, September 29 and 30.

All "kid" rides will be a nickel; the merry-go-round 6 cents; Ferris wheel 12 cents; others in proportion. They will be just half the usual charges—as low, if not the lowest, for similar entertainment at any important fair in the U. S. this year.

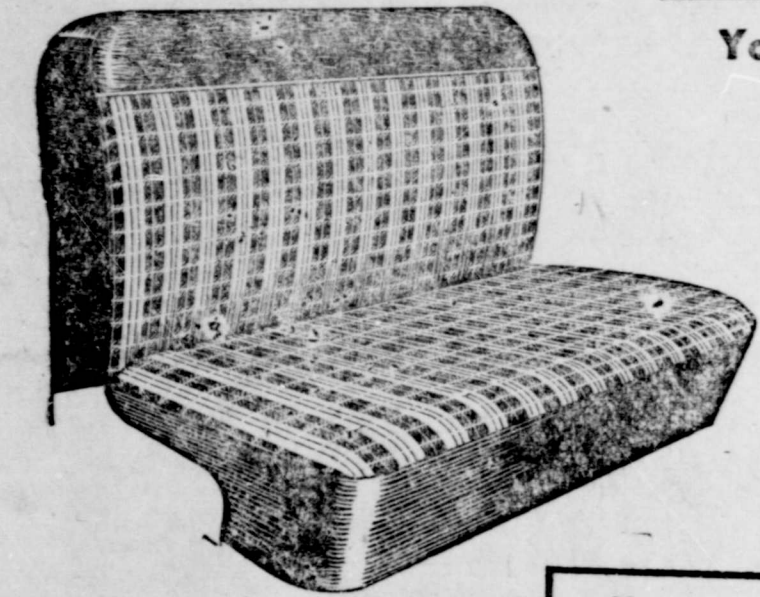

These low prices are provided for in the Fair Association's con-

tract with Forsythe & Dowis, who operate one of the biggest and unquestionably the "cleanest" carnival booked in the Southwest this year. It features rides particularly but will present numerous tent attractions of high entertainment and educational value.

Daily free attractions will feature "Seldon the Sratosphere Man," one of the most spectacular and dangerous acts on tour. Seldon performs at the top of a slender pole higher than a 15-story building.

Mr. and Mrs. E. G. Black and sons, Rex and Max, left Monday for a two weeks vacation in Wyoming.

"Where Most People Trade"

To Buy or Sell In A Hurry — Herald Want Ads

**To The Citizens Of Terry County**

I am deeply grateful to those who supported and voted for me in my race for District Attorney. I appreciate especially the unsalsh efforts of a large number of my friends who helped in my campaign. I carried 4 of the 6 counties of our district with overwhelming majorities but in the end was defeated by the narrow margin of 5 votes.

Mr. Clement is a good man and we are better friends than we were at the beginning of our campaign. Your duty as citizens is not complete when you elect a man to public office. It is your duty and your responsibility as citizens to give encouragement,

assistance and cooperation to your duly elected officers at all times as they fight for right and against wrong. Upon the citizenship of our district rests a large part of the responsibility for good law enforcement. When Mr. Clement assumes his duties as our next District Attorney he will have my full support and cooperation at all times, and I take this opportunity to urge each of you to give him and your other elected officers 100 per cent cooperation and assistance in law enforcement.

A large number of our citizens in this county have expressed regret to me for not having voted in the First Primary. In this respect I wish to state that we have a Second Primary election and a General Election this year. At each of these elections the voters of this county will have the opportunity and privilege to vote and choose men for offices which are of vital importance to every man, woman and child of our county. We should not so soon forget that during the past war hundreds of Terry County men fought and many of them died in order that we might continue having the right to vote in a Free America. If we are worthy of our American Heritage and the sacrifices made for us we will consider it a privilege and not a burden to do our plain patriotic duty and vote for the men of our choice in the coming elections.

Respectfully Yours,  
H. B. VIRGIL CRAWFORD  
Mrs. L. R. Pounds is taking a two week vacation from Cobb's.

**Farm Co-op Plank**

IT APPEARS to this reporter that someone is due for a royal double-crossing on the farm cooperative plank in the Republican platform adopted at the convention at Philadelphia.

The National Council of Farmer Cooperatives is pleased with the plank and its Washington letter, the "Washington Situation" of June 25, says "The statement on cooperatives was included over the most bitter opposition from the National Tax Equality association and the National Associated Businessmen, Inc. They appeared before at least three sub-committees during the week in a vain attempt to get a tax equality plank."

On the other hand, the NTEA and the NAB, who are the bitter foes of the NCF, issued a release at Philadelphia immediately after the platform was adopted in which they claim a decisive victory over the farm co-ops.

The release on the letterhead of NAB declares: "The present tax exemption of cooperatives and other tax exempt businesses failed to win support in the proposed Republican platform of 1948. This defeat for the co-ops was revealed today in the text of the party's proposed platform setting forth the principles on which the Republican party will appeal to the nation for votes at the next November general election. . . the co-ops had advocated that the Republicans declare in specific language for the present tax-exempt privileges." Now who is right on this issue?

The GOP platform plank on cooperatives contained just 13 words — "support of the principles of bona-fide farmer-owned and farmer-operated cooperatives." That's all it says. And the farm cooperatives say they are satisfied with that plank. But the plank on small business, "the bulwark of American enterprise" calls, among other things, for "correction of tax abuses." And it is upon this language that the NTEA and the NAB claim victory.

Insofar as this reporter is concerned, our opinion is that the farm cooperatives are whistling in the dark if they are satisfied with the farm cooperative plank. As a matter of fact, the farm cooperative plank in this 1948 platform is IDENTICAL with the 1944 GOP convention platform which read "support of the principles of bona-fide farmer-owned and farmer-operated cooperatives." And further, the 1944 plank on small business provided "it must be aided by changes in taxation . . . and enforcement of laws against monopoly and unfair competition."

**Tax Issue**  
And the 1944 plank did not prevent the Republican 80th congress from attempting to eliminate the tax-exempt features of farm cooperatives and neither did it bring about further enforcement of laws against monopoly or "unfair competition" for small business.

If the co-ops will remember, Rep. Walter Flosser (Rep., Mo.) conducted hearings all over the country with the express purpose of ending the tax exemption of co-ops declaring they were socialistic or communistic.

And it was only the herculean efforts of some of the friends of agriculture in congress that headed off a new tax bill when Rep. Harold Knutson (Rep., Minn.), chairman of the house ways and means committee, started to hold hearings for this purpose, namely ending of co-op tax exemption.

The one thing upon which co-op leaders are pinning their hopes is that both Gov. Thomas E. Dewey, GOP presidential nominee, and Gov. Earl Warren of California, vice presidential nominee, are on record as favoring retention of the tax-exempt feature. So, also, is President Harry Truman.

To use a favorite expression of Sen. Claude Pepper of Florida, the long range farm program adopted by the 80th congress is a "delusion and a snare." The senate passed a pretty fair bill. The house balked and passed a stand-by bill which merely extended present price supports to January, 1950. Then the conference committee took the senate bill and the house bill, made present price supports applicable until Dec. 31, 1949, and the senate bill is presumed to go into effect then. What will happen though is that a new bill will be written before that time.

**Over 800 Bills**

Bills passed by the 80th congress likely will total more than 800 and in addition about 390 private bills were passed. Out of 61 vetoes by President Truman, six were overridden. But on the major issues the 80th congress fell by the wayside on such important bills as agriculture, housing, oleomargarine, national health, federal aid to education, a national road program, universal military training and many others.

Mr. and Mrs. Rudolph Moorhead and daughter, Terry Lou, and grandson returned Sunday from a two-weeks vacation in California.

Mr. and Mrs. Elbert Lewis and children of Amarillo are visiting this week in the home of his mother, Mrs. Eula Lewis and other relatives.

**Johnson News**

Mr. and Mrs. J. R. Lindly visited their daughter Mrs. T. W. Cadenhead of Lubbock Sunday.

SAYS

**MANY, MANY THANKS**

**To The Citizens of the 106th Judicial Dist.**

According to the official returns I was selected Democratic Nominee for the Office of District Attorney by a very small margin.

I have a profound respect for my honorable opponent and desire to take this means of publicly expressing my appreciation for the clean campaign conducted by him.

If permitted to serve you as District Attorney I will endeavor to be diligent, fair, and efficient in conducting the affairs of that office.

To those of you that voted for me July 24th, I am humbly grateful. I desire the cooperation of every citizen of the district regardless of the way your ballot, and by the same token I pledge you my cooperation.

Sincerely,  
**STANSELL CLEMENT**

**MISS TEXAS— Bonnie Bland** (above), green-eyed blond who competed as Miss Orange County, was named Miss Texas in a beauty pageant held in connection with the Fort Arthur Golden Jubilee celebration, July 9. Miss Bland is 18 years old and comes from Orange, Texas. (AP Photo)

**It's the '49 FORD!**

**With the Features You Want!**

**AT OUR SHOWROOMS NOW!**

**SAFETY** The '49 Ford has a 59% more rigid "Life-guard" Body and Frame structure. It has a lower center of gravity, too, for solid security. And "Picture Window" Visibility all around.

**COMFORT** The '49 Ford has the "Mid Ship" Ride. You ride in the smooth-going level center section. New "Hydra-Coil" Front Springs and "Para-Flex" Rear Springs, too!

**PERFORMANCE** Only Ford in any field gives you a choice of V-8 or Six. Both engines are new . . . both are engineered for smooth, sparkling performance.

**BEAUTY** Outside—a "dream car" silhouette. Lower, yet there's plenty of road clearance and head room. Inside—new upholstery, new instrument panel, new fittings.

**ECONOMY** New "Econo-Flo" Cooling, new lubrication system, "Deep-Breath" Manifold for up to 10% greater gas economy. New Over-drive, optional at extra cost, gives up to 25% greater gas mileage!

**YOU HELPED DESIGN IT . . . COME IN AND SEE IT!**

**PORTWOOD MOTOR Co., Inc.**

**YOUR ENTHUSIASTIC FORD DEALER**

### The Low Down From Hickory Grove

In this land of uneasy, being normal is to have an "emergency" on our hands. Congress is called back. Uncle Harry says he needs a new 54 million buck steam plant at TVA to bolster the water power there—right away—can't wait. But in other parts of the country where Sambo has not barged in and built a powerhouse—like in Chicago, and New York, and Minneapolis, and New Orleans and a 1000 other places, nobody is hot and bothered on account of a power shortage. From what I can deduct, from reading here and there, power shortages are especially prevalent on Govt. jobs like maybe in the Orient where beriberi is prevalent or Switzerland where it is gouter.

But maybe it is just the way things went there in Philadelphia where the boys from Dixie just upped and walked out, leaving Uncle Harry in dire need of an emergency to get our minds off States' Rights, etc. And before going further with this learned essay, the one and greatest thing this USA needs to lower its fever and get its health and happiness back is to bring our Govt. back nearer home where we can watch things and keep governmental fumididdles and tinkering at a minimum.

Just keeping an eye on the local mayor is a big enough job—let alone watching Congress 2000 miles away.

Yours with the low down,  
JO SERRA.

Miss Forrest Steen is vacationing for two weeks in Alabama, Georgia and Florida.

### Hospital News

Surgical: Mrs. L. L. Miller, Seagraves; Mr. R. H. Bandy, Plains; Senor Marqonito Jimeoz, Ropesville; Ouida Schwartz, Meadow; Freda Edwards, Brownfield; Mr. E. M. Wright, Brownfield.

Medical: J. V. O'Neal, Plains; Mrs. W. L. Yocum, Seagraves.

Accidental: Elmo Sears, Brownfield.

Tonsilectomy: James Gayle, Denver City.

#### NEW ARRIVALS

Linda Jo, daughter of Mr. and Mrs. B. D. Bowlin of Brownfield, arrived July 30, weighing 6 lbs. 1 oz. The father is a farmer.

Patricia Kay, daughter of Mr. and Mrs. C. A. Bagwell of Brownfield, arrived July 31, weighing 8 lbs. 6 oz. The father is a farmer.

Mary Edith, daughter of Mr. and Mrs. Hubert A. Lumpkin of Loop arrived August 1, weighing 8 lbs. 11 oz. The father is employed at a service station.

Michael Wayne, son of Mr. and Mrs. William K. Mason of Brownfield, arrived August 4, weighing 7 lbs. 13 oz. The father is employed at a service station.

Donna Lou, daughter of Mr. and Mrs. Donald Wayne Moore of Brownfield, arrived July 3, weighing 5 lbs. 4 oz. The father is a carpenter.

#### CARD OF THANKS

We wish to thank the people of Brownfield and vicinity for their kind deeds and sympathy during the illness and death of our son and brother, J. W. Williams. We wish to express special appreciation to the donors as well as those who offered blood.

Mrs. Faye Williams and daughter Nita.

P. M. Williams and family.

### Senator Parrish Visits Here Tuesday

State Senator Sterling J. Parrish, was a visitor in Brownfield Tuesday in the interest of his candidacy in the runoff primary coming up the 28th of this month. While in close second place in the first primary Senator Parrish feels that he will get the required votes to put him over, as there were two other candidates from Lubbock in the first primary.

Senator Parrish stated to a Herald representative that he believed he had accomplished much in his first term, and had the experience that would be beneficial during another term. And that according to Democratic precedent, a man who makes good during his first term is usually accorded a second term by the voters.

He mentioned a few of the many things he helped to accomplish, such as gasoline tax refund to farmers, more money for both school and school teachers. He stated that he had worked hard in the interest of his district, and helped groups of officers and individuals that had come to Austin for funds for Farm to Market roads.

He stated that he certainly appreciated the nice vote the people of Terry county had favored him with in the first primary.

### Pictures of Friends Pop Up Occasionally

You never know when a picture of a friend will pop up in some paper you least expect. For instance in a recent issue of the Abilene Reporter-News, there were two pictures of friends we have known for years.

First off was that of Gerald Price, son of Mr. and Mrs. Joe Price, former sheriff, who is now ranching in New Mexico. But Gerald still calls Brownfield his home. He was a star on the Cub football squad four years. The R-N stated that Gerald would play on the north team of a North and South Texas football match, represented by stars of the past years or two in all sections of Texas.

The other picture was that of Minister Sam Ribble and wife of Loop. He is working for the Church of Christ at Loop at present, and he and wife were celebrating their Golden Wedding Relatives on both sides, 150 strong met at McKenzie state park at Lubbock for a picnic celebration.

Sam Ribble was one of the pioneer ministers of that church here on the Plains.

Mrs. Johnny Toomes and Vernie Sons of Berger are visiting their mother, Mrs. W. H. Rousey, who is ill.

### Henry Chisholm Store Expansion

From general appearances, the bunch at the Henry Chisholm Grocery have about got straightened up for their second expansion program of the store in the past year. It just doesn't seem to stay large enough long at a time.

This addition came on the east part of the front and gave them several hundred square feet of extra floor space, which will be used mostly for storage purposes, we understand. This store has done an excellent business since Henry took charge about two years ago.

Deputy Sheriff Bual Powell handed in his subscription this week unsolicited. He stated: "I just want to take a paper that will take a position on any matter that comes up and let the chips fall where they will. Thanks, Mr. Powell."

Rev. and Mrs. J. P. Murphy left Tuesday for a months vacation. Among the places they will visit are Fort Worth and Big Bend National Park.

Mrs. Buster Jenkins and son, and Miss Laverne Watson of San Angelo were weekend guests in Brownfield.

### TO THE PEOPLE OF THE 19th CONGRESSIONAL DISTRICT

While I had no opponent in the recent election, I want all of you to know of my appreciation for your confidence and support. At all times I welcome your suggestions and advice in regards to national affairs, and I want you to call upon me at any time for any special service which you feel I may be able to render. THANKS TO ALL.

GEORGE MAHON

(delayed)  
 Carolyn Verner celebrated her 8th birthday on Friday of last week. She received several nice gifts and relatives and friends.  
 Sam Gossett has moved a new house on a lot south of the Preston Hester home.  
 Mrs. W. T. Arnett visited at Lubbock early last week. Two of her grandchildren, Judy and Jeanette Nutt, returned home with her for several days visit.  
 Mr. and Mrs. B. F. Clemmer and Mr. and Mrs. Austin White and children went to Silverton, Texas last week, where Jim Clemmer lives. Jim has been very sick, but is getting to be improving.  
 Mrs. Inez White who has been working at the lumber yard office in the absence of Mr. Horschler, who has been on vacation in California.  
 The Methodist revival is in progress. Rev. C. M. Tune is pastor and is doing the preaching. Mr. Thomas of Abilene, Texas is leading the singing. Good attendance and interest has been manifested over the week end.  
 Work on the Baptist church is progressing very well. The roof will be ready to put on by Tuesday or Wednesday of this week.  
 Wilma and Patsy Hinson of Lubbock visited their grand parents, Mr. and Mrs. W. A. Hinson, over the weekend.  
 Mrs. W. T. Bell gave a pink and blue shower for Mrs. B. T. Verner on Friday of last week. Several nice gifts were presented to Mrs. Verner.  
 Miss Frances Bell has returned home, after an extended visit with her sister and family at Grady, N. M.  
 Mrs. Guy Nowlin has enrolled at Texas Tech for the Second six-weeks term of this summer. She also attended the first term of this summer.  
 Truett Babb and the FFA Boys returned home from the Encampment at Christoval last week. The boys report a great time at the Camp.  
 Jerry Nell Tilger is at home for awhile. She has been working at Lubbock.  
 Ruby Mae Curtis is spending her vacation at home. She works as a bookkeeper for an oil company at Houston.  
 Mr. and Mrs. S. W. White of Llano, Texas were visiting relatives and friends at Meadow last week.  
 Mr. and Mrs. J. M. Jones visited at Plainview last week.  
 Quite an interest has been shown over the new oil well southeast of Meadow. There has been some leasing and selling of royalties, since the well came in.  
 The Baptist Revival will start at Meadow on Sunday, August 1. The general public is invited to attend services at both morning and night. Rev. C. J. McCarty, pastor of the Calvary Baptist church at Lubbock will be the evangelist, and Rev. Fred Lambert, pastor of the East Side Baptist church at Lubbock will lead the singing. Rev. McCarty has been pastor at Lubbock for many years and is well known as a pastor-evangelist in this part of West Texas. Rev. Lambert came to this section from Melvin, Texas, where he was pastor for several years.  
 Miss Virginia Still of Rankin, Texas is visiting friends and relatives at Meadow and Ropes this week.  
 Melvin Peek of Lubbock visited Mr. and Mrs. J. E. Peek last Sunday.

**JOHNSON NEWS**

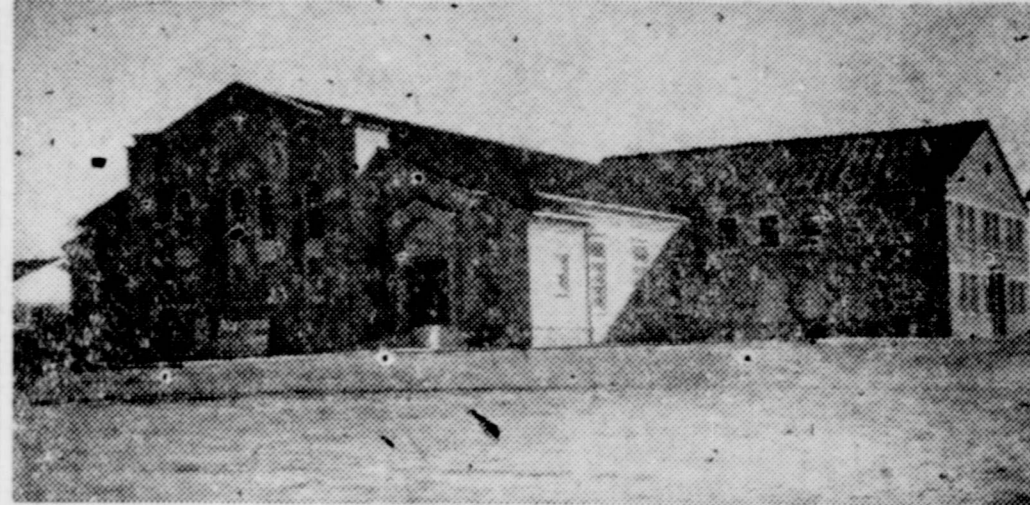

(delayed)  
 Mrs. D. E. Lyles has as her guest this week, her mother, Mrs. Dora Kennedy of Carneige, Okla., and a nephew, Kenneth Ray Downing of Corpus Christi.  
 Mrs. J. G. Allen and son of Dallas, are here visiting her parents, Mr. and Mrs. R. L. Stalling.  
 W. J. Stokes and W. E. Stokes, jr., went on a fishing trip to Carlsbad, N. M. last Friday.  
 Mr. Loyd McNabb of Ropes was in the community Monday on business.  
 Mrs. E. J. Hubbard and son, Arthur Jr., of Seagraves, visited her parents, Mr. and Mrs. J. M. Young last Friday.  
 James Evans of Montgomery, Alabama, arrived last week to make his home with his father, J. E. Evans and family.  
 Mr. and Mrs. H. Joyce left last Sunday for Ruidoso, N. M. to spend a few days with Mr. Joyce's parents.  
 Mr. and Mrs. W. H. Stalling visited in the home of Marvin McNutt of Meadow, Sunday.  
 The revival meeting of the Johnson Baptist church will begin Friday, Aug. 6. Rev. David Griffin of Tom Bean, Texas will do the preaching.  
 Sunday school service at the Baptist church begins at 10:00 o'clock each Sunday morning. Training Union begins at 8:00 o'clock on Sunday evening. The mid-week prayer service begins at 8:30 on Wednesday evening. Everyone is welcome at all the services.  
 Work on the Baptist parsonage is nearing completion. The WMU members met at the parsonage Monday and worked instead of having their regular program.  
 Miss Jeri Roberts returned Sunday with Mrs. Nell Williams from a two-week visit in Fort Worth.  
 Mr. and Mrs. J. M. Frost of Lubbock visited Mr. E. W. Hemme and Mr. and Mrs. Laurance Renfro last Sunday.  
 Mr. and Mrs. R. E. Castleberry had their daughter, Mrs. Harris, from Ralls visiting in their home on last Sunday.  
 Misses Bessie and Anna Brooks of Denver, Colo., visited their parents, Mr. and Mrs. L. J. Brooks and family. Mr. and Mrs. Brooks and boys drove the girls home to Colorado and are spending their vacation there.

**FARM QUESTION BOX**  
 by **ED W. MITCHELL**  
 Farm Advisor  
 General Electric Station WGY

- Q. Have just made a weather vane out of aluminum and brass and want to put it on the peak of my barn. Will it attract lightning?
- A. If lightning gets that close to your barn, a weather vane will have little bearing on what happens. The whole barn should be properly protected by rods and cable installed by a competent expert in that business. At least, run a 3/4 copper cable from the vane to the ground.
- Q. I have some extra potatoes and thought I would feed them, cooked, to the chickens. Are potatoes good for chickens? Will they cut down on the egg production?
- A. Potatoes are starchy and bulky and not a good feed for hens because it displaces high protein mash needed for good egg production. They are OK in small amounts for cows and pigs.
- Q. Why does the flame on a kerosene lamp or stove creep? Recently lost a brooder full of baby chicks due to this action of a kerosene lamp used for heating purposes.
- A. As the wick and the air become warmer, and as the amount of air supplied to the flame increases or decreases the flame will vary. That's one reason electric brooders are replacing oil ones.
- Q. How can we make our hen stop laying soft-shelled eggs?
- A. Only way is to cut off head end, but that stops laying altogether. Shells call for a reserve of lime that has to be built up over a long period of time and kept supplied by daily feed of oyster shell or lime grit. When the reserve gets low, the shells get weak and soft and it takes a long week or more period to rebuild reserve.
- Q. I use a cleaner to wash our painted walls. It seems to leave a film after I use it. Is it advisable to paint after using it, or would the paint peel off?
- A. I think the paint will peel off unless you wash walls thoroughly with water and get off all that cleaning preparation.
- Q. I want to plant pop corn and sweet corn in my garden and haven't room to space it far enough so it won't mix. Could I plant four rows—one half of each kind—and detassel the sweet corn?
- A. Better not detassel either because corn is generally self-pollinating. There will be some crossing, but unless you grow the corn for pure-bred seed it will make very little difference; only a kernel here and there, now and then.
- Q. If we want to transport a cow a long distance in a trailer, is it a good plan to give her a "hypo" to put her to sleep so she won't get excited and upset and go down on her milk production?
- A. No, it is not a good idea. Cows stand travel pretty well and the hypo would probably throw her off more than the excitement.
- Q. My red raspberry and strawberry patches are full of a weed; running clover or myrtle. Is there something to put on the weeds that will kill them and not hurt the berry plants?
- A. Yes—sulfate of ammonia or cyanamide, either as dust on wet foliage or a spray—one pound in one gallon of water.

 Rev. Curtis Jackson is in a revival meeting near Plainview this week.  
 Mr. and Mrs. Ed Dumas, jr., and family spent Saturday night and Sunday with her parents in Lubbock.

**New Wellman Supt. Called Wednesday**  
 The Herald had the pleasure of meeting J. F. Bryant, the new Wellman school superintendent Wednesday, when he called about other business matters. He gives the appearance of being a fine citizen as well as an educator.  
 And, apparently he is taking full share and part in the activities of the community, both social and civic. The Herald welcomes Prof. Bryant as a citizen and school builder.

**DE-WAXED and DE-JELLIED**  
**EXTRA PROTECTION FOR YOUR CAR**

**E. C. ROBERTS, Seagraves**

**Wherever you go, they're talking DYNAFLOW**

FROM Atlantic to Pacific, it's simply terrific.  
 Not in a generation—maybe not in two—has any single improvement in automobiles caused the talk or met the instant approval that has greeted this new drive.  
 You see the reason in your first five minutes behind a Dynaflo® wheel.  
 You sense that this is not merely an improvement on old ways, but a whole new system of transferring power from your engine to the rear wheels.  
 For the first time, oil does everything—replaces the friction clutch, eliminates the usual forward gears, even actuates the mechanism by which you change from Driving range to emergency Low and Reverse.  
 You feel the result in new smoothness that's like riding a mighty tide of flowing oil.  
 You move from standstill to road speed in one smooth unbroken sweep of power, quick and effortless in getaway and instantly responsive at speed.  
 You stop by pressing the foot-brake—go again by feeding gas. Once you've set the selector lever, you need not touch it again in normal driving until you're ready to park or back up.  
 Outside engineers look at Dynaflo and say, "Now you've got something!"  
 You'll say so too—once you handle a Buick ROADMASTER with this new driving magic.  
 Try it, first chance you get—and we think you'll want to see your Buick dealer at once to get an order in—with or without a car to trade.  
 \*Dynaflo Drive is available at extra cost on Buick Roadmaster models only.

**BUICK alone has all these features**  
 \* DYNAFLOW DRIVE (Optional, Roadmaster Series)  
 \* TAPER-THRU STYLING (Super and Roadmaster)  
 \* FLEX-FIT OIL RINGS \* HI-POISED FIREBALL POWER  
 \* SAFETY-RIDE RIMS \* QUADRU-FLEX COIL SPRING  
 \* VIBRA-SHIELDED RIDE \* ROAD-RITE BALANCE  
 \* SOUND-SORBER TOP LINING (Super and Roadmaster)  
 \* RIGID TORQUE-TUBE \* DUOMATIC SPARK ADVANCE  
 \* TEN SMART MODELS \* BODY BY FISHER

## Supt. Cowan Reveals Two Replacements

Supt. S. P. Cowan of the local schools announced this week that Byron Rucker has been named as principal of West Ward. He takes the place of C. A. Wilhite, who goes to Smyer as elementary principal. Mr. and Mrs. Wilhite have been on the faculty of Brownfield school for many years. He came to the local schools as Supt. of Harmony after consolidation of the districts.

Mrs. Grace Wood, music teacher in the local schools, will succeed Russell Craft as principal of the Jessie G. Randal school. Mrs. Wood holds a master's degree from West Texas Teachers college at Canyon. Craft goes to the Big Spring schools as elementary principal.

## West Side Baptist Now Full Fledged

Congratulations are now in order to the West Side Baptist church which until recently was a mission set up by the First Baptist church. It is now an independent church as of August 1, with its own officials and organization.

It has hardly been a half dozen years since the mission was set in order. Perhaps the South Side Mission will also be ready to get on their own in a short time. The West Side is starting a revival the 12th. Rev. W. T. Sparkman is the pastor.

## Winn Brings In The Roasting Ears

W. E. Winn of Gomez, was over Tuesday and was handing out a mess of mighty fine roasting ears to some of his friends here. Willie didn't say how many acres he had; the interesting part was the eating.

He did inform the Jr. editor of this sheet, however, that at one time he got pretty uneasy about his corn field, before the rain came.

## Fort Bliss Celebrates 100th Birthday

The 100th Anniversary of Fort Bliss was hailed in a historical sketch by the National Geographic Society, which has been distributed from Washington to newspapers and magazines throughout the world.

A headline says "Fort Bliss Centennial Marks Change from Tomahawks to Guided Missiles." The article tells how the anniversary is sparking Army celebrations and a commemorative postage stamp and points out that Fort Bliss has seen changing warfare from Indian fighting of pioneers through cavalry and saber days to antiaircraft artillery and guided missiles.

The history of Fort Bliss, first named the Post of El Paso, is linked with some of America's most famous military figures, states the article. Fort Bliss saw mounted soldiers on patrol, the pony express and camel pack trains.

## Two Teen Agers Enlist For Year

Two more of the Brownfield youngsters have chosen the one year military training before reaching the age of 19, when they would be drafted for two years or more. They are Robert L. Bowers Jr., son of Mr. and Mrs. R. L. Bowers and Oran L. Peterman, son of Mr. and Mrs. O. L. Peterman, both of this city.

Entering as privates, these boys sworn in July 30, and both departed for Camp Hood, where they will receive basic training and then assigned to tactical units for specialized training.

## BAPTIST REVIVAL AT CHALLIS AUGUST 8-22

The Challis Baptist church announces its Summer Revival beginning August 8 and ending August 22. Rev. Perry Threadgill will be the evangelist.

Everyone is invited to attend the services.

## Meadow Boys Enlist In Cavalry

Lewis C. Whisenhunt, son of Mr. and Mrs. William A. Whisenhunt, and Carey G. Johnson, son of Mr. and Mrs. Callie H. Johnson, both of Meadow, have enlisted in the First Cavalry division for a three year period. Both were sworn into service July 2th, and will take their training at Fort Ord, Calif.

Both young men starting of course as privates will receive all their basic training, together with all the newer methods now used in mechanized cavalry units.

Mrs. Ted Hardy, who has had a book and stationery store in the Neil building for several months, moved her stock to her residence last week, as she could find no one to stay with her children. Anything in her line can be found at her residence.

## CROP PROTECTION at lowest cost. CONTROLLED DUSTING

Stop crop losses with an Aven Simplified Duster. Blast from powerful 10" fan equally distributes poisonous dust through 4, 6, or 8 nozzles. Controlled dusting—1 lb. to 40 lbs. per acre. 3 models—tractor mounted, tractor drawn, or independent power.

 Phone 277-R

## A Visit To The Oliver Farm Sunday

The Old He and wife took off Sunday afternoon for a drive to look at the crops in the Pleasant Valley community, but principally to call on the A. A. Oliver family. The Oliver's are domiciled in the Jay Barrett old home place, and not only have an above average farm home, but some mighty good land to work.

And he not only has good land, but is putting that land to good use and has a good crop growing, both grain and cotton. He has had a fair amount of rain this year, but is getting a bit dry just now. This is not showing up as badly on the cotton as maize.

We wanted to find out when they aimed to send the truck to Tennessee after their daughter, Faybelle, who married a cousin of the writer, Philip Rogers. Their son, A. C. will start some time after Aug. 15th, if they still want to come to west Texas. Needless to say Grandpa and Grandma Oliver are very anxious to see little Phyllis, daughter of the couple who was nine months old Sunday. Near New Oil Well.

Saw Joe Hamilton out there eating watermelons and having a good time generally. There are a lot of fine crops in the Valley neighborhood, and the Oliver's are just three miles from the new well, which can be plainly seen from their house.

Of course while out there, that well was a big part of the conversation. Mr. Oliver stated that some even west of the place he is no had been \$45 per acre royalty. Another farmer had sold a quarter outright before the well was brought in for \$20,000, and had been offered over \$100,000 for another quarter.

Evidently some one thinks there is a good oil field about to be developed out there, or they are taking a long gambling chance, one of the two. And people who have followed the oil business for years are hard to fool.

Guests in the J. H. Carpenter home this week are Dr. and Mrs. G. W. Gress of Amarillo and Mr. and Mrs. Oscar Callaway of Wichita Falls.

A card this week from the Wesley Hinkles, stated that after quite a bit of rambling, they had decided to settle down at Portland, Oregon, and wanted their Herald forthwith.

Mr. and Mrs. Hayden Griffin and daughter Judy, visited their daughter and family and son, Andy, at San Angelo, over the weekend. They reported plenty rain in that area.

A bit over two inches of rain fell in Brownfield in July. This was about an average for that month. Cool the past two days, and partly cloudy.

Mrs. Clyde Truly and Patti left Wednesday for El Paso where they will visit Mrs. Truly's sister. Mr. Truly will join them Sunday.

## NOTE BURIED IN BUCKET 11 YEARS FOUND

LAMESA, July 31— A note written in ink and buried several feet underground was dug up recently and was found to contain the name of Adron W. Norwood, of Brownfield along with R. Alexander of Colorado City and Durwood Rogers Grayson, Tahoka. The note said it was buried for curiosity sake.

Atty. Stansell Clements, of Lamesa, district attorney primary election nominee, was over this week, getting acquainted.

**LET US GRIND YOUR GRAIN AND MIX YOU "Our Best" LAYING RATION**

Making your hens produce more eggs from your home-grown grain is one of our most important jobs. Your grain, ground and mixed with Purina Chowder, makes a ration that's balanced with proteins, minerals and vitamins—gives a balanced diet that adds up to lots of eggs. Bring in your grain—let us grind it and make a real laying ration.
