Not Neutral—Not On The Fence—A Paper With An Opinion And A Purpose

VOLUME 44

BROWNFIELD, TERRY COUNTY, TEXAS FRIDAY, AUGUST 27, 1948

NUMBER 5

Member Associated Press
Member Texas Press Assn.
Member South Plains Press Assn.
Member Panhandle Press Assn.

The Herald has grown with this section from strictly a ranch country. This area now consists of thriving towns and cities, supported by scientific farming and stock farming, augmented by huge oil fields, with the nation's largest known oil reserves.

VOTE!

We Terryites made kind of a mess of the July primary, remember? Yep, we stayed at home in the cool comfort of the air conditioner and let a neighbor and friend go down to defeat by less than ten votes.

This time there is only three contests so far as most of the county voters are concerned. In Precinct 4, there will be a runoff between Mr. Fox, incumbent, and Mr. Oliver. The rest of the county will have just three races to decide.

For United States Senate, a runoff contest is between Coke Stevenson of Kimble County and Lyndon Johnson of Blanco county.

Then there is the runoff in the State Senate race between the present incumbent, Sterling Parish of Lubbock, and Judge Kilmer Corbin of Lamesa.

Third, there is a runoff contest for the office of County Attorney of Terry county between George W. Neill and L. C. Heath, both good men and your neighbors and friends.

The Herald is not trying to tell you how to vote. But we are urging you with all the power of persuasion we might possess to VOTE. The men that may represent you in any of these races may lack just your vote to reach the goal for which he aims, and for which you lend your support.

But, because of any indifference and shall we say laziness, that you do not put in just a little energy to get to your polling place, your support will be of no more value to your candidate than if you were a Chinaman, with no vote at all.

Many of you will come to town and lounge around in the shade all day. Perhaps you vote at some rural box. Be sure to drive by your voting box before you come to town and put in one for your man.

That is easy, and your conscience will then be clear. You have not let a friend or neighbor go down to defeat for lack of your vote.

Local Selective Service Board Reveals Registering Places

Prominent Farmer Passes Suddenly

The sudden passing of C. J. McLeroy, of the Gomez community, Sunday morning was a distinct shock to his many friends and neighbors. Mr. Mack as he was called by his friends, had been a resident on his fine farm southeast of Gomez for 27 years, coming here from Haskell, Knox county area.

He was a breeder of the Milking Shorthorn type of cattle, and his staff was in demand all over this area. Mr. Mack sometimes made trips north or east in quest of breeding stock, paying good prices and keeping his herd up to and above par.

Services for deceased were held here at the First Baptist church Tuesday at 4:30 p. m., with the pastor A. A. Brian, officiating. Burial in Terry County Memorial cemetery with Farley Funeral Home in charge.

Survivors include seven daughters, Mrs. Kelly Sears of Gomez, Mrs. Frank Bozeman of Spring Lake, Mrs. J. W. Stone of Gomez, Mrs. Louie B. Dendy of Salinas, Calif., Mrs. A. H. Patton of Gomez, Miss Delle McLeroy of Seminole, and Miss Nellie Mae McLeroy of Gomez; three sons, Bob McLeroy of Plains, George B. McLeroy of Ames, Iowa, and Calvis McLeroy of Lubbock; three sisters, Mrs. Anna Black of Timpson, Mrs. Arthur Hunt, also of Timpson, and Mrs. Horace Hunt of Jacksonville; and one brother, S. O. McLeroy of Kansas City, Mo.

Local Students Attend Music School

ABILENE, Aug. 27—Eighteen persons from Brownfield are attending the 9th annual Vandercook School of Music summer recreation camp at Hardin-Simmons University, it has been announced by Camp Director Marion B. McClure.

They are Doug Tankersley, Rex Black, Chuck Wilson, Don Andrews, Carolyn Mae Griffith, Herbie Kendrick, Carroll Hinson, Lynae Sturges, Carlton Dell Brady, Kay Szydloski, Crawford Burrow, Roxanne Miller, Lyle Shelton, Leah Dale Portwood, Von Forbus, Harold Hinson, Gilbert Nunn and Don Bevers.

The Vandercook School consists of two weeks of exercise and training in music—vocal, instrumental, ensemble, and solo. Students meet for group and individual study with some of the outstanding teachers in the country.

Of primary interest to a majority of the students are the classes in twirling being conducted by Norma Kniffen, twice National VFW twirling champion and a featured soloist with the Hardin-Simmons University Cowboy band, directed by McClure.

In addition to the high school students attending, college students and music teachers are enrolled. College credit is being extended to those desiring it.

The school will be concluded tonight, August 27, with a joint concert of the students, with special performances by outstanding soloists, ensembles and twirling combinations. Many schools have their entire twirling combinations. Many schools have their entire majorette corps enrolled in the school, learning new marching and twirling routines.

Mr. Cowan stated that there would be 10 extra teachers employed this year to help take care of some 250 additional pupils expected to enter the schools this year. The class rooms were crowded last year, and will be even more so this year, as a matter of course.

We understand that the contest on the school bond election will come up in district court today. Results, if any, will be announced in our next issue.

Mr. and Mrs. Clyde Money and children of Birmingham, Ala., visited friends in Brownfield this week. Mrs. Money is the daughter of Mr. and Mrs. Claude Jones, who lived here in 1930.

Mr. and Mrs. P. A. Nowlin visited in Tahoka Sunday with relatives.

Mr. and Mrs. C. W. Lucas is visiting her sister in Borger this week.

Agent Makes Recommendation For Control Of Crop Insects

What Has Become Of Our Oil Well?

Are we, after having our expectations raised to the tip top, to be suddenly let down that we have a very poor well at Hinson No. 1, 10 miles northeast of the city? It appears that the more the drillers monkey with that well, the less production appears. First it was a 40 barrel an hour well, then it dwindled to 10, and finally settled at about nine the last we heard of it.

Of course a lot of the drill stem tests, heads, mixtures of drilling mud, acid water, etc., is Greek to most of us. But it seems that all at once the company has decided to go the 12,000 feet contract depth, instead of stopping at around 9,500 feet where some oil was actually encountered. The last we had was that they had struck salt water, or was it sulphur water?

In the meantime, interest in the well so far as the run of mine "geologists" here in town are concerned, is dwindling. Some of them say that the well was a weak sister and perhaps will not pay at such a huge depth, as there is not enough gas to raise the oil.

Others are saying nothing much, but shake their heads, and some of them quietly intimate that maybe someone is trying to get some cheaper leases. What do you think—if at all?

As far as the Herald is concerned, we know no more about oil wells than an Eskimo knows about a banana farm. We will just wait to see what they do with this wildcat and whether or not anyone has the nerve to drill an offset.

J. V. Burnett New School Tax Collector

Our understanding is that J. V. Burnett has been appointed by the school assessor and collector of school taxes. He is taking the place of Elmer Brownlee, who is resigning, effective Sept. 1.

Burnett is a native Terrier, having been born on the old Burnett Bros. farm and ranch five miles east of town. He held the position of County Assessor-Collector some two or three terms. Following that he was for some time Chamber of Commerce secretary.

For the past year he has been looking after his farming interests. Mr. Brownlee has not stated his future plans.

Gomez Voting Box Moved Slightly

For the benefit of voters who cast their ballots at the Gomez box, County Democratic Chairman, J. O. Gillham stated this week that the usual voting place has been moved slightly.

Heretofore the place was the feed store belonging to Richard Whitley. As that place is in use, the voting place will be in the residence of Mr. Whitley, nearby.

Farm Home Destroyed By Fire

The farm dwelling occupied by L. H. King and family on the Copeland farm in the Happy community, was destroyed by fire early Wednesday. All of the household goods and wearing apparel was also lost.

No personal injuries were reported. Cause of the fire was caused by a kerosene stove explosion.

Banks To Close Election Day

The First National Bank and the Brownfield State Bank and Trust company will be closed election day, Saturday, August 28. The two institutions ask that their customers arrange their business accordingly.

Reburial of Meadow Soldier Will Be Held Tomorrow

Last rites for Pfc. William A. Whisenhunt, jr., son of Mr. and Mrs. W. A. Whisenhunt of Meadow, will be read Saturday, August 28, at 2:30 in the Meadow high school auditorium with Rev. N. S. Daniell, Methodist pastor of Lefors, officiating.

Remains of Pfc. Whisenhunt will arrive in Lubbock Friday morning and be taken to the family home in Meadow by the Brownfield Funeral Home.

Burial will be in the Meadow Cemetery with military honors by the VFW and American Legion. Brownfield Funeral Home will direct burial.

Whisenhunt was born Dec. 17, 1923 in Lindsey, Okla., and moved to Meadow with his family in 1928. He was a graduate of Meadow high school. He entered the service June 24, 1943 in the Infantry and was killed in action on Luzon. He was a member of the Hand Bros. Veterans Post in Brownfield and belonged to the Methodist church in Meadow.

Survivors are his parents, and three brothers, Kenneth and Donald Wayne of Meadow and Pvt. Lewis Whisenhunt of Fort Ord, Calif.

Pallbearers will be friends and ex-servicemen: D. J. Yowell, Herman Moorhead of Brownfield; Robert Beasley and Robert Liles of Meadow; Edward Warren of Amarillo, and Wallace Finley of Lubbock.

Several Indictments By Grand Jury

The new grand jury was empaneled this week and set to work immediately on some cases. James Weldon Vasser, who allegedly raped a local lady last week, was indicted, and his arrest for trial Monday Sept. 6.

The case of the murder of the Mexican by a negro woman was passed up for further investigation.

Two white men were indicted for child desertion. A Seagraves man was indicted on second offense driving while intoxicated. The man charged in unlawfully selling narcotics, was no-billed.

No bill was returned against man charged with assault with intent to murder. Instead the case was reduced to aggravated assault.

It was reported Thursday that a special petit jury venire had been called for Sept. 6th, in the Vasser rape trial.

CHAMBER OF COMMERCE ESTABLISHES RENTAL PLACEMENT SERVICE

The Chamber of Commerce put its rental placement service in operation the early part of the week. This service has been established in an effort to do everything possible to find rooms, apartments or houses for the constant stream of newcomers to Brownfield.

Those making inquiries for places to stay should be directed to the office of the Chamber of Commerce at 608 West Main and anyone having residence property of any kind for rent should list it with this organization. The Chamber of Commerce phone number is 138-W.

The only way this service can operate efficiently and with satisfaction to all parties is for the landlord, when he has rented his property out, and for the prospective tenant, when he has found a place, to notify the Chamber of Commerce at once.

NOTICE IOOF

All Odd Fellows are requested to be present with their guest, at an open house in Coleman Park, next Tuesday August 31, for ice cream supper at 8 p. m.

Jack Cleveland, Terry County Farm Agent, reported this week that some 50 farmers met at the courthouse Saturday afternoon to discuss the various insects and worms now attacking the cotton crop.

Mr. Cleveland stated that insecticides would control insects separately, and also combination of insects. He did not enlarge on this statement, but farmers, who are more interested than others, will likely understand that some poisons are more potent against one insect than another, but that a combination might be had or mixed that would efficiently handle all classes.

He stated that farmers were controlling worms in maize by a 10 per cent DDT and 15 pounds per acre.

It seems to us we have a strange combination this year. While we were having a fair amount of rain, there did not seem to be many insects, but when the weather became dry and unseasonably hot, they suddenly appear.

Many farmers are reporting that their maize is a goner, but we have seen what looked like a total loss in this grain recover somewhat and make a fair yield when it looked all fired up, providing there was a good soaking rain. We are watching and praying for such a downpour.

SPHU Reports First Case Of Typhoid Fever This Year

Typhoid fever made its appearance for the first time during this year in the South Plains Health Unit area, week ending August 14, 1948, reported by Dr. Frank P. Miller, Director of the unit.

Special efforts are in progress in the searching for the source of this existing disease by local Health Officer and the health unit personnel.

Typhoid germ is conveyed by bowel discharges and urine of the infected person, also by carriers of the germ (who has no symptoms of ever having the disease), and convalescent carriers may exist for weeks after feeling free of the disease. Typhoid is transmitted direct or indirect contact with patient or carrier or indirect by contaminated food, water, (ice water), milk, shellfish and flies.

The public is urged to take all sanitary precautions by boiling water of unknown safety, pasteurized milk and its products, all food thoroughly cooked, washing hands before meals, and extermination of flies. Do not take changes on questionable water and foods on trips, as typhoid germs are in season during the warm months.

Why have typhoid when we have at our disposal almost 100 per cent prevention of said disease, by immunization of three injections of typhoid vaccine, one booster dose yearly thereafter. If all persons avail themselves to this precaution typhoid will soon be whipped out of existence. Visit your physician without further delay for the valuable protection against this dreaded disease.

Registration For High School Begins Aug. 30

According to S. P. Cowan, superintendent of schools, high school students will begin registering Monday, August 30, with the Seniors registering on that day and the 21st Juniors will sign up September 1, the Sophomores, Sept. 2, and the Freshmen, Sept. 3.

Supt. Cowan stated that in accordance with past policies, all students starting to school for the first time must have their birth certificates and smallpox certificates with them on opening day.

1st Bale Of 1948 Crop Brings \$750

James Putty, grower of the first bale of 1948 cotton to be ginned on the South Plains, is more than \$700 richer than he was a few days ago. As set out in these columns last week, Putty set three records in the production of this bale of cotton. First, it was the earliest bale so far as records go for ginnings in Terry county by two days. Second, it was the first bale of 1948 cotton to be ginned in Terry county, and third, the first to be ginned in the South Plains.

The bale was ginned by the Forrester gin, owned by Herman Cheshir, and managed by his brother, last Tuesday who gave

Putty a free gin and wrap job. The bale was then brought to town and put on display on the northwest corner of the public square. The bale was auctioned Saturday by Col. Kenneth Bozeman of Lubbock, to the highest bidder, being the Brownfield State Bank and Trust Company. The bale brought \$1.40 per pound.

The bale was classed middling with 7/8 inch staple. In the photo courtesy of the Lubbock Avalanche-Journal and shown from left to right are the following business men of Brownfield:

O. L. Peterman, manager of West Texas Cottonoil Co.; John J. Kendrick, president of the Jay-

ees; J. O. Gillham, seated on bale, President of the Brownfield State Bank and Trust Co., the buyer; Slick Collins of Collins Dry Goods Co.; Hiram Parks, president of the Brownfield Chamber of Commerce and operator of Brownfield Theatre; W. E. Latham of Latham Dry Goods; Col. Kenneth Bozeman, auctioneer; Putty, grower of the bale, of the Forrester community, and Herman Cheshir, ginner of the bale. (Photo by Johnny Brooks.)

The Brownfield Chamber of Commerce gave Mr. Putty \$50 premium for having the first bale of 1948 cotton.

Permits Totaling \$32,100 Issued

Building permits issued by the City of Brownfield for the week August 18-25 total \$32,100.

A. H. Pierce, owner W. L. Bandy, construct 36 by 30 residence and 12 by 24 garage, located 1006 East Lake, \$9,000.

Geo. Nicholson, jr., owner J. L. Milsap, move in 50 by 20 residence and remodel, located North B., \$5,500.

Geo. Nicholson, jr., owner Milsap, move in 50 by 20 residence and remodel, located North Oak, \$5,500.

Terry County Lumber Co., owned Lee Beard, move in new ready built residence, located 801 E. Hill, \$2,150.

G. D. Hendrick, owner Methodist church, construct 68 by 42 parsonage located 200 Block E. Tate, \$8,000.

POLIO CASE RUSHED TO ABILENE HOSPITAL

Paul Martinez, jr., age 8 months was stricken with a very severe case of polio Wednesday. He is the son of Mr. and Mrs. Paul Martinez, sr., who live four miles northeast of the Cottonoil Mill.

The little fellow was rushed to the Hendricks Memorial hospital at Abilene, according to Dr. Wayne Hill.

More than 172,000 forest fires occur annually.

ANNOUNCEMENTS

The following named candidates have announced their candidacy for office subject to the action of the Democratic Primaries Saturday, August 28, 1948:

FOR STATE SENATOR

KILMER B. CORBIN
Dawson County

STERLING E. PARRISH
(Re-election, Lubbock County)

FOR COUNTY ATTORNEY

GEORGE W. NEILL

L. C. HEATH

FOR COMMISSIONER Pct. 4

H. R. (Horace) FOX

J. B. (Mutt) OLIVER

There is more than one reason for the hike in the cost of living folks, and in trying to arrive at the root of the evil, all sources should be examined. For instance, experts with figures at their finger tips tell us that the cost of essentials, food and raiment has only risen some 73 percent since 1939. This, mind you, does not include luxuries. At the same time the cost of government has risen 337 per cent. During peace time the cost was some 9 billion dollars; now 40 billions and peace time so-called again. We are told that there are now more useless workers employed by the government than there was during the war. Many of these employees could not even give a sensible answer why they are in the government employment, or what their jobs consist of. Then why are they employed? Each of them is an essential voter, and they'll vote for their boss.

Yep, we're all set now. Hanree Wallace's third party has held a convention in Dallas. Among the others, three negroes will have places on the ballot, the first time in Texas history. The Trumanists and GOP are just as much after minority group votes as Wallace's black and tan, red and pink brigade, but they do it with a "leasing morsel handed out via the platform route, while Wallace comes straight to the bat for negro votes. And while we are about the matter, we imagine that both Dewey and Truman are going to feel quite badly this year when the votes from Harlem, South Chicago and Detroit are all in, and Hanree has 'em neatly sacked

THE AMERICAN WAY

Some people will never learn

and stored.

If the Trumanists happen to get charge of the State convention in September, and refuse a place on the ballot for Thurmond and Wright, Tom Dewey will very likely carry Texas in November. But if there are three parties on the ticket other than Wallace's black and tan bunch, Truman may squeeze in by a nose. As long as the south is in the brass collar class, just so long will the south be the orphan section of the nation.

One of the most interesting short articles we have read of late was in the Sunday magazine section of the Dallas Morning News, called This Week Magazine. The article was written by the aviator that recently flew the new rocket ship faster than sound. His reaction of what would happen and other details were really fascinating. He knew that the Englishman that tried to fly one was blown to bits when his rocket disintegrated into a million pieces high in the air, and the American aviator had no assurance other than engineering skill of some of the nation's best mechanics, that his ship would not blow up too. He and ship were carried more than 25,000 feet into the air by a huge B-29, and loosed. He fell several feet before he got going on his own guns, and began to turn on rockets. He passed the speed of sound and went higher than any other ship ever went, both of which are military secrets. When he landed his craft, he described his feeling as all worn out and very tired, although he had not been in the air but a short time.

In view of the fact that most people, even those in the inner circle of the congress was for political purposes mostly, few can blame congress if they happen to play at the same game. The public was not very much interested in either move.

Anent the recent news conference that HST was quoted as saying "I like Joe," meaning of course Joe Stalin the Russian dictator, the Plano (Texas) Star-Courier remarks: "We can't think very much of a US citizen who takes such a position, in view of the war-like attitude that the Russian government has taken toward the democratic world as a whole."

Many folk who claim to be statesmen, have peculiar ideas, and some of them don't even believe in the old law of supply

labor vote, union or non-union. It is a well known fact that down along the gulf coast in the Beaumont-Port Arthur and Orange sections where the CIO is strong in the oil refining business, Johnson carried the section by good majorities. On the other hand the farm-ranch sections were usually strong for Coke as well as in one of the large cities. At first, he writer thought he was strong or the young, aggressive Johnson, but his first round campaign methods put us in mind of that certain flour merchant. We still believe in old time Texas methods without frill or fancies. So we choose Coke, and sincerely believe he will be the next junior Senator from Texas.

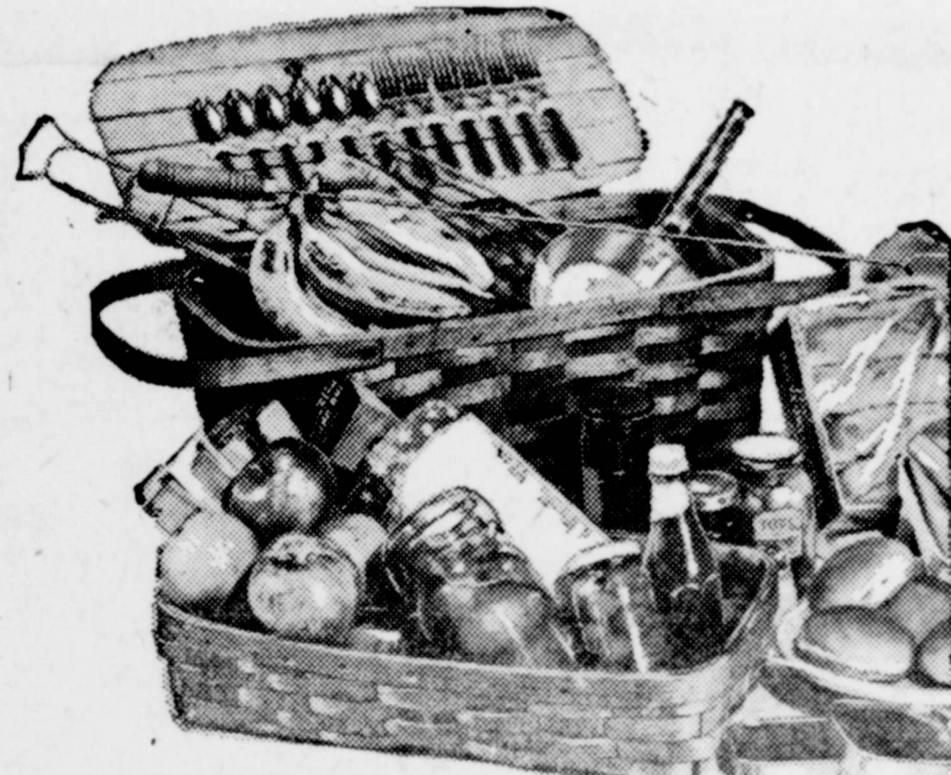

Most people in the know believe that universal military training did not die with the 80th congress, but was merely deferred, to await further developments of our foreign relations. In its place he limited draft was substituted. However, President Truman has not the limited draft so full of holes that it is now a question whether or not the quotas can be filled. Dailies tell us that they're standing in line in some of the cities getting married to escape the draft. And since farmers are deferred, there will likely be a lot of "essential farmers" living in town who will take advantage of that deferment to escape the draft, just as it was done in the last two World Wars.

We get amused at the antics of President Truman, who on every occasion imaginable criticizes the Taft-Hartley law, and even had a plank inserted in the Democratic platform denouncing the T-H Act. Yet in the face of all this, Mr. Truman has called on the T-H Act three or four times during its life, twice in coal strikes, once in oil strike, and we believe in the packing house strike. In fact, Harry denounces the act one day, and uses it to quell strikes the next. Mighty consistent.

We have noted for some time that a big radio station, a 50,000 watt affair in San Antonio, has been howling because the daily papers of SA refuse to carry their daily program free. In most of the cities of Texas, the big radio stations are owned by the newspapers, but in the case at SA, the protesting station is independently owned. This radio station is one of our favorites, as we can usually get it clearer than any other station, and we especially like their news broadcaster. But to save us, we can't figure why they expect the daily newspapers of SA to carry their programs. They never mention the daily papers of that city that we ever hear. Then, why expect the newspapers to carry their programs?

Card of Thanks
We are very thankful to our many friends and neighbors for their kindness to us, through the funeral services of Carl A. Rodgers. Especially for the dinner served us, and to the veterans attending.

Second or run off primary date is barely, in fact, less than two weeks away. The Hesperian thinks Mr. Stevenson, the ex-governor stockman, plain as a shoe sort of citizen, is a much better man for the people to select for senator than the ubiquitous, opportunist younger man Mr. Johnson. The latter will be good if we can't do better most likely. Whatever you may be told about Mr. Stevenson; He is smart, he is clean politically and personally. He will do what he thinks is best for Texas and the nation if you select him for senator. We just know, almost that he is the best man of the two to elect. He should go in, we think, by about 50,000 votes, if the state turn out a two-thirds of what it was in the first primary. We certainly wish Mr. Johnson well in what ever undertaking he may get into when the voting is done. — Floyd Hesperian.

Although tornadoes occur elsewhere they are not usually as severe as those in the Mississippi Valley.

Delighting in an afternoon picnic snack on the lawn of the Texas Scottish Rite Hospital for Crippled Children in Dallas, these young patients enjoy recreation and companionship while undergoing corrective treatment. Pictured left to right are: Clara Bryan, Midland; Wanda Williams, Elmore; Marguerite Clark, Fort Worth; Melva Sue Bonner, Tyler; and Anna Beth Goodwin, Dallas. Three of these girls are recovering from the devastating effects of polio at the Scottish Rite Hospital, the remedial center of Texas for that dread disease. The facilities of the hospital, which are provided by gifts and bequests, are made available at no cost to those for whom treatment would otherwise be unobtainable.

A Negro Looks At Civil Rights

By DAVIS LEE

(Note: An editorial in the Newark, New Jersey, Telegram written by its Negro publisher, Davis Lee.)

I have just returned from an extensive tour of the South. In addition to meeting and talking with our agents and distributors who get our newspapers out to the more than 500,000 readers in the South I met both Negroes and whites in the urban and rural centers.

Because of these personal observations, studies and contacts, I feel that I can speak with some degree of authority. I am certainly in a better position to voice an opinion than the Negro leader who occupies a suite in downtown New York and bases his opinions on the South from the distorted

stories he reads in the Negro press and in the Daily Worker.

The racial lines in the South are so clearly drawn and defined there can be no confusion. When I am in Virginia or South Carolina I don't wonder if I will be served if I walk into a white restaurant. I know the score. However, I have walked into several right here in New Jersey where we have a civil-rights law, and have been refused service.

The whites in the South stay with their own and the Negroes do likewise. This one fact has been the economic salvation of the Negro in the South. Atlanta, Ga., compares favorably with Newark in size and population. Negroes there own and control millions of dollars' worth of business. All of the Negro business in New Jersey will not amount to as much as our race has in one city in Georgia. This is also true in South Caro-

lina and Virginia. New Jersey today boasts of more civil rights legislation than any other state in the Union, and state government itself practices more discrimination than Virginia, North Carolina, South Carolina, or Georgia. New Jersey employs one Negro in the motor vehicle department. All of the states above-mentioned employ plenty.

No matter what a Negro wants to do, he can do it in the South. In Spartanburg, S. C., Ernest Collins, a young negro, operates a large funeral home, a taxicab business, a filling station, grocery store, has several buses, runs a large farm and a night club.

Mr. Collins couldn't do all that in New Jersey or New York. The only bus line operated by Negroes is in the South. The Safe Bus Company in Winston-Salem, N. C., owns and operates over a hundred. If a Negro in New Jersey or New York had the money and attempted to obtain a franchise to operate a line he would not only be turned down, but he would be lucky if he didn't get a bullet in the back.

The attitude of the Southerners toward our race is a natural psychological reaction and aftermath of the Civil War. Negroes were the properties of these people.

Certainly you could not expect the South to forget this in 75 or even 150 years. That feeling has passed from one generation to another, but it is not one of hatred for the Negro. The South just doesn't believe that the Negro has grown up. No section of the country has made more progress in finding a workable solution to the Negro problem than the South. Naturally Southerners are resentful when the North attempts to ram a civil rights program down their throats.

The entire race program in America is wrong. Our approach is wrong. We expend all our energies, and spend millions of dollars trying to convince white people that we are as good as they are, that we are an equal. Joe Louis is not looked upon as a Negro but the greatest fighter of all time, loved and admired by whites in South Carolina as much as by those in Michigan. He convinced the world, not by propaganda and agitation, but by demonstration.

Our fight for recognition, justice, civil rights and equality, should be carried on within the

KENTUCKY TOWN WANTS NO CHASERS

PRINCETON, Ky.— (AP) This city recently published a warning to automobile drivers who have been violating an ordinance which forbids chasing the fire truck to fires. And "if this doesn't accomplish the purpose, the ordinance will be strictly enforced and offenders arrested and fined." Police Chief Roy Rosser said. The ordinance provides a \$10 to \$25 fine for drivers of any vehicle who remain in motion within 200 feet of the fire trucks.

Sgt. and Mrs. Bob Allmon of San Angelo were weekend guests in the home of their parents, Mr. and Mrs. D. W. Allmon and Mr. and Mrs. E. D. Snedeker.

Master Bob Lockett of Brownwood is here this week visiting Jack Taylor Stricklin. Bob is a nephew of Herman Trigg.

Let us demonstrate to the world by our living standards, our conduct our ability and intelligence that we are the equal of any man, and when we shall have done this the entire world, including the South, will accept us on our terms. Our present program of threats and agitation makes enemies out of our friends.

Mr. C. McWilliams visited last week in Cameron. Two aunts returned with him for a weekend visit. They are Mrs. Bob Turner and daughter, Ennis, and Mrs. John Williams.

Mrs. J. L. Randal sent in the spondulix last week for another year of the Herald, about the 44th or ever since the Herald has been published. She also renewed for her sister, Mrs. Chas. Randal, Seymour.

YOU ARE INVITED TO ATTEND THE REVIVAL AT WELLMAN BAPTIST CHURCH

AUGUST 29 Through SEPT. 5
Rev. McKnight Fite of Ft. Worth
To Do The Preaching

TIME: 8:00 P. M.

Meadow Musings

Mr. and Mrs. H. Combs and sons spent the weekend in Walnut Springs attending a family reunion.

Mr. and Mrs. Edd Peek visited with Mrs. Essie Gray and family at Brownfield on Tuesday of last week.

Miss Mary Gober of Lubbock spent the weekend with her parents, Mr. and Mrs. J. H. Gober and brothers, Ray and Roy.

Mr. and Mrs. Garland Peek and children of New Home spent Sunday in the J. E. Peek home.

Mrs. R. E. Castleberry had her sister visiting in her home over the weekend.

Mr. and Mrs. Castleberry also had some of their children for Sunday dinner, last Sunday.

Mr. and Mrs. T. E. Verner and daughter, Carolyn, are visiting at Fort Worth and Stephenville this week.

Mr. and Mrs. Boyce Verner have a new boy. The mother and son are doing fine. They are in a Lubbock hospital.

Mrs. W. T. Arnett is visiting her sister, Mrs. George Arnett, at Lubbock.

Mr. and Mrs. L. L. Lockett and family visited at Vernon last week.

Rev. and Mrs. H. G. Verner and daughter, Theona, of Whitehall, visited Mr. and Mrs. J. T. Verner on Monday of this week.

Mr. and Mrs. J. T. Verner plan to move to the J. A. Miller place soon.

The revival at the Church of Christ closed last Sunday. It was a very successful meeting.

Mr. and Mrs. W. A. Whisenhunt received a message that the body of their son, W. A. Whisenhunt, Jr., who was killed on Luzon in 1945, will arrive at Lubbock on Friday of this week. Reburial will be in the Meadow cemetery.

Mrs. Howel Hamilton and baby of Odessa are visiting her mother, Mrs. Hattie Welch this week.

Mr. and Mrs. S. W. Roberts and children, Margaret and Johnny of Wichita Falls; Dr. Billy Featherston of Washington, D. C., and his mother, Mrs. W. M. Featherston of Petersburg, Texas are visiting Mr. and Mrs. John Roberts and family.

Miss Wilma Hinson of Lubbock visited at Meadow over the weekend.

Mr. and Mrs. James Warren have a new son, born last week.

Our old friend, W. E. Stone was in to see us a few minutes last week. Said he had a few peaches for sale, that while small, were good. Since the first few years Mr. Stone has been in Terry county, he has had some fruit for sale, peaches, plums or grapes, most years.

Canada is larger than the United States.

GOOD SOUNDING SOUP! THAT'S WHAT SOME EDITORIALS ARE MADE OF. BUT, WE TRY TO KEEP OURS HONEST, SIMPLE AND TO-THÉ-POINT.

Early Day Settlers Visit Friends Here

Of recent weeks, we have seen more of the old timers than for years. This is especially true of people who lived here 20 years ago or more. Among the more recent were Mr. and Mrs. Richard Castleberry and youngest son of Eugene, Oregon. With them was Mrs. Castleberry's twin niece, who visited her twin sister at San Angelo while here.

Richard is the son of the late Dr. and Mrs. H. A. Castleberry, who settled just north of town about 1920. Mrs. Castleberry was one of the two daughters of the late Judge and Mrs. D. J. Broughton. Mr. Broughton was also county and district clerk at one time, later serving as county judge. The Broughtons came here about the time the county was organized.

Mrs. Broughton died before the family left Terry county, and was buried here. Mr. Broughton died several years later after moving to Oregon. Ed Moore, who married the eldest daughter of the Broughtons, Gaye, died a few years ago. His widow still lives near the Castleberrys.

Failed to see Mrs. (Faye) Castleberry, but Richard and son came in for a chat and invited us to visit out there where it is cool.

Old Harrison Still Holds Own

Texas Liquor Control Board Inspectors in July reported the seizure of five illicit stills.

With the stills, which had a cubic capacity of 310 gallons, Inspectors captured 1,310 gallons of mash and made three arrests. Two gallons of moonshine liquor was destroyed.

Two stills were taken in Harrison County, two in Henderson and one was taken in Smith County.

GOMEZ GOSSIP

(delayed)
Mr. and Mrs. C. E. Wiggins of Lamesa visited Sunday in the home of their son, Ramon Wiggins and family.
Mr. and Mrs. Jessie Eaton of Meadow visited Wednesday in A. U. Britton's home.
Miss Barbara Britton is visiting relatives in Wolforth.
Miss Ethel Gelston of Denver City is visiting her sister, Mrs. Dokey and family.
Mr. and Mrs. J. McAdams of

Athens, Texas, visited recently in the C. J. McLerey home. Mrs. McAdams is the former Miss Berwyn Bass who taught school some number of years.
Mr. and Mrs. Edd Walker and children spent the weekend at his friends and relatives this week.
Alton and Walter McKee are visiting in East Texas for several weeks.
Mr. and Mrs. Denver Kelly and children spent the weekend at Quemado, visiting his parents, Mr. and Mrs. U. H. Kelly.
Mr. and Mrs. A. Gresham and

sons, J. P. and Wayne are visiting relatives in Oklahoma.
Mr. John Black, now of Comanche, is here visiting a few weeks.
Mr. and Mrs. Joe Chisholm and Mr. and Mrs. Jim Nelson of Brownfield were visitors Sunday in the Tress Key home.
Among those from this community who attended church of Christ revival at Wellman last week were Mr. and Mrs. C. B. Cabe, Mr. and Mrs. Tress Key and Mr. and Mrs. Walter Paden.
Mr. and Mrs. E. W. Wilkins and daughter, Helen of Quanah visited last week in the home of their daughter, Mrs. Kenneth Hodges and family. They all visited Mr. and Mrs. J. L. Tabor in Leveland Sunday.
Mr. and Mrs. A. E. Fletcher and daughter, Wanda Sue, visited friends in Lovington, N. M. last week.
Mr. and Mrs. Willard Shaur and sons visited last week with relatives in Paducah, Texas.
Mr. and Mrs. Alton Webb are taking their son, Ronnie, to a doctor in Big Spring, three times a week for treatment and it is believed his condition is improving some. Ronnie was left paralyzed from the waist down after an attack of polio two years ago.
William Smyrl, son of Mr. and Mrs. Garvin Smyrl, underwent surgery at the hospital in Hot Springs, N. M. last week. It is hoped it will enable him to walk better, as he is also a victim of polio. He will have to remain in the hospital for six weeks.
Maurice Martin and Graham Swain are attending a football training school at Cash, Oklahoma this week.
Clancy Martin who underwent an operation at Lubbock last week is much improved and he will be able to come home this week.
Carl Ming left Tuesday for McKinney where he will enter the Veterans Hospital for medical treatment.
Weekend guests in the C. Wade home were Mrs. Wade's parents, Mr. and Mrs. W. J. Johnson, a brother, Less Johnson, a sister Mrs. Oliver Sowell and family.
It is reported that Merford Shaver, six year old son of Mr. and Mrs. Willard Shaver, has polio and was taken to the hospital at Plainview Sunday.
Large crowds are attending every service of the revival at Gomez Baptist church, which will continue through the week. Rev. T. L. Burns is bringing the inspirational messages and Alton Webb is in charge of the song services. Everyone is cordially invited to attend the remaining services. A goal of 150 in Sunday school has been set for this coming Sunday. Help reach it by

Treatment Offered Palsied Children

Lubbock's Cerebral Palsy Treatment Center will open Monday August 23 with a clinic for the examination of cerebral palsied children. The Center is sponsored by the Lubbock Crippled Children's Society and the Rotary Club and the services of the Center are available to any children in the area in need of this care.
Cerebral palsy is also referred to as spastic paralysis and occasionally as birth injury and research has shown that treatment is most effective when started within the first few months of the child's life although children respond to treatment begun at a much later age.
Physicians specializing in the treatment of cerebral palsy will be present at the Center at regular intervals to examine children and order treatment. Physical therapy care will be under the direction of Miss Esther Snell, Director of the Center and will be available daily. Miss Snell is a registered physical therapist, a graduate of Harvard University School of Physical Therapy and for the past two years has been a teaching fellow in physical therapy at Stanford University, Calif.
The Treatment Center is located at 1317 Tenth Street, Lubbock. Miss Snell will meet with parents and their children at the Center during this week between 1 and 5 p. m. to obtain case histories and make appointments for examinations at the clinic. Further information may be obtained by contacting Miss Snell at the center or calling Lubbock 6541.

District Court, Grand Jury Convenes This Week

Judge Lou's B. Peed is to empanel a new Grand Jury here next Monday and open a new term of court.
Since the beginning of Texas statehood, District Courts have two terms per year, six months apart. This gave rise to the familiar designation of "Spring term" and "Fall Term." Each term was limited to four weeks. But as certain counties grew in population, the terms were extended to eight weeks, and longer, and in most of larger cities, two and more courts were created. Until some 25 years ago, all litigants and witnesses were summoned to appear on first day of the term, and many Jurors would sit idly for a week. Witnesses sometimes had to remain days and weeks, waiting their case in turn of the Judicial mill.
A few years ago, judges and attorney's adopted the plan of calling the docket, first day of term, and set cases for a day certain, during the term, thus releasing parties and witnesses, sometimes jurors, from this idle grind.
Some eight years ago, authorized by legal amendment, this district adopted, holding Court on the installment plan, that is the regular term is convened first Monday in January, and fourth Monday in August, empanelling Grand and Petit Jurors for the six months term. The Judge, then rides circuit, to each county, once each month and holds a session, disposing of cases that may be ready. This gets quicker action for litigants. Their citations now permit a trial in thirty days after filing suit, where under the old method one had to wait as much as five even six months after filing, to get a trial. This is a great relief, especially in divorce cases.

Jewel Dean Howard of Mena, Ar., is visiting her sister, Jackie McNeil this week.
Miss Decnie Ballard and Mrs. Bill Redford were guests last week in the home of Mr. and Mrs. Ben Mennel in Pampa.
Weekend guests in the home of Mr. and Mrs. Dick Falls were Mr. and Mrs. J. B. Patterson and Mr. and Mrs. Paul McClure of Amarillo.
Mr. and Mrs. E. D. Ballard left for Pecos, N. M.
Mr. and Mrs. Buddy Butter left week in Amarillo.

There's tour allure aplenty
IN THIS DREAMLINED NEW STUDEBAKER

New Harvesting Efficiency...
New OLIVER "66"
New GRAIN MASTER

Cash in on the advanced crop-saving, time-saving, money-saving features of this all-purpose outfit. Both are newly designed—farm-engineered to bring you new harvesting flexibility.
Into this modern Model 15 Grain Master Combine are incorporated all the improvements that 100 years of experience in making world-famous harvesting machines have brought.
In harvesting you'll especially appreciate the direct drive power take-off of the new 2-plow "66" . . . the advantages of its 6-forward-speed transmission, Fuel Miser governor, battery ignition and automatic spark advance. In addition, you have a choice of three new engines—for gasolines, tractor fuels, and a diesel that will be available later.
The Grain Master has a full 6-foot scoop type header . . . low height and narrow width . . . a new, sturdy one-piece agitator rack to do a thorough job of separating . . . 24-bushel grain tank or roomy sacker platform and many other beneficial features for handling all your seed crops. We'll be happy to give you all the details on this new harvesting combination. See us soon.

Shipley - Oliver Co.

J. V. O'Neal, Retired Road Builder, Dies
John V. O'Neal, 56, retired Plains road builder, died at 3:05 p. m. Tuesday in the Treadaway-Daniel hospital. He had been ill for almost a year. Mr. O'Neal was born Feb. 14, 1892 in Stonewall County, Texas. He came to Yoakum county in 1917. He was married to Ruth Webber, December 26, 1916. Before he became a road contractor in Yoakum county he was a rancher. Funeral services were held Thursday, August 25, at the Plains Baptist Church. Burial was in the Plains Cemetery. Survivors include his wife, three sons, James, John and Shelby, all of Plains; three daughters, Miss Minnie Ruth O'Neal and Miss Eddie Evelyn O'Neal of Plains, and Mrs. W. N. Hollis of El Paso. One brother, Albert O'Neal of Swenson; one half-brother, W. L. O'Neal of Roswell, N. M. Five sisters, Mrs. Manley Walker, Tularosa, N. M., Mrs. E. C. Hill, Eunice, N. M., Mrs. Ross Robinson, Lovington, N. M., Mrs. Ida Greenwood, Roswell, N. M., Mrs. Emma Collum, Swenson, and two grandchildren, Jimmy O'Neal and Nona Gayle O'Neal of Plains. Pallbearers were: Dorsey McKee, Dick McGinty, Standlee Bowers, Bill Harris, Bob McDonnell, and Gene Bennett.

Tom Ivey, Pioneer Rancher Dies
Tom C. Ivey, aged 72, prominent South Plains cattleman, died last Tuesday at his home in Lubbock. He operated the famous old T-4 ranch in southwest Terry from 1905 to 1915, when the railroad pushed him out. He then ranched in north Yoakum a few years, but for the past 20 years ranched near Hereford. He was well known over the South Plains. His wife died in Lubbock a year ago. He is survived by a brother and sister and several nephews and nieces. The Iveys had no children. Mrs. Sam Kirschner of the Brownfield Bargain Center and son, Martin, of Lamesa returned Monday from a six-week tour of eastern markets where they bought fall merchandise direct from manufacturers. They visited in Kansas City, St. Louis, Chicago, Philadelphia, and New York.

HENRY W. JONES BURIED TUESDAY
Henry W. Jones, a resident of Brownfield for 17 years, died in the Treadaway-Daniell hospital Monday night, following an illness of several days. He was 75 years of age, a native of Jacksboro, Texas. Funeral services were held Tuesday at 4:00 p. m. at the graveside in Brownfield Cemetery, with Bro. W. P. Elmore officiating. Burial was directed by Brownfield Funeral Home. Survivors include two sisters, Mrs. Tom Love of Waureka, Okla., and Mrs. Dee J. Stevens, of Ryan, Okla. Mr. Jones was buried beside his daughter, Mrs. Glover, who died several years ago.

POT LUCK DINNER AT COUNTRY CLUB
Monday evening, August 23, members of the Brownfield Country Club met for a pot luck dinner. About 75 were in attendance. Hosts and hostesses were: Messrs. and Mesdames P. R. Cates, Paul Campbell, Herman Chesshir, Herbert Chesshir, and Virgil Crawford.

Mrs. J. D. Stafford is in Mineral Wells for treatment. Wanda Stafford and Marion Wingerd have been with her for the past week.

UNCLE SAM'S SELECTIVE SERVICE

GENERAL INFORMATION

Q. What is the purpose of the new Selective Service law?

A. To train a body of men capable of defending the nation and to select the men for this duty by the fairest method possible—registration of every man 18 through 25 years old, regardless of wealth, influence or social position. From this registration will be chosen those men 19 through 25 years of age who are deemed best fitted to receive 21 months of training.

Q. Is this the first peacetime draft?

A. No. The first was in 1940.

Q. How many men will be affected by the Selective Service law?

A. Military authorities estimate 9,600,000 men will be registered in the United States and its possessions. In Texas between 550,000 and 575,000 men are expected to register.

Q. Who administers the program?

A. President Truman has named Maj. Gen. Lewis B. Hershey as national director of the Selective Service System. In each state the governor acts as co-ordinating head and names a state director. Gov. Beauford H. Jester has named Maj. Gen. K. L. Berry, state adjutant general, to hold this position in Texas.

Q. When will the Selective Service law go into effect?

A. President Truman has issued a call for the registration of all men 18 through 25 years of age who are living in the U. S. and its possessions. Registration in Texas will take place on the following days: On Aug. 30 persons born in 1922 after Aug. 30, 1922, will register; on Aug. 31 or Sept. 1 persons born in 1923 will register; on Sept. 2 and 3 persons born in 1924 will register; on Sept. 4 or 7 persons born in 1925 will register; on Sept. 8 and 9 persons born in 1926 will register; on Sept. 10 and 11 persons born in 1927

see me for anything they may want to purchase.

I will advertise any property listed with me exclusively.

NOTICES —

NOTICE FARMERS: Mr. Meredith is now ready to do your deep breaking, grubbing, and bulldozing work. Has front end and back end grubber and brush rake. See or write L. E. Meredith, Box 229, 614 South 1st. Phone 361-W, Brownfield. 461c

MAID WANTED: White or colored, for housekeeping and ironing, either full or part time. Apply at 315 Tahoka Road or call 234-M mornings. Bill McGowan. 41c

will register; on Sept. 13 and 14 persons born in 1928 will register; on Sept. 15 and 16 persons born in 1929 will register; on Sept. 17 and 18 persons born in 1930 before Sept. 19, 1930, will register. Persons born on or after Sept. 19, 1930, will register on the day they are 18 years old or within five days after they are 18.

Q. How long will the law be in effect?

A. Until June 24, 1950, unless sooner terminated by the two houses of Congress.

Mr. and Mrs. John Jennings and children have recently moved here from Dallas. Mr. Jennings is assistant parts manager at League-Bailey

Jane Fyeatt of Livingston, N. W. is spending the week with her sister, Jerry Fyeatt.

About one tenth of the population of the United States is Negro.

THE BEST DRIVERS—TEENAGERS? GROWNUPS?

Are teen-age drivers as reckless as older folks say they are? The National Safety Council says the answer is "yes."

The 1948 edition of "Accident Facts," the Council's statistical yearbook in ludes studies made of accident rates of drivers in various age groups. These studies show that the fatal accident rate in terms of miles driven by youngsters under 20 was 89 per cent higher than the average rate for all drivers.

The Council believes driver training courses in high schools and colleges are a big part of the answer to the problem. Better examples by parents and other older drivers would help a lot too, it says.

Guests in the Mon Telford home last week were Mrs. Weldon Wimberly and daughter, Beth, of Llano. Mrs. Annie Spivey, mother of Mrs. Telford, came with them and will spend the winter here.

Insist On Cleanliness At Eating Places

The Texas State Department of Health cannot maintain daily inspection of all eating places and the public is urged by Dr. Geo. W. Cox, State Health Officer to insist on the proper sanitation of the establishment where they eat. If the public is careless in this respect the incentive to maintain clean food service will be lessened and operators will only maintain the level the public is willing to accept. He urged that the public patronize "eating establishments which measure up to a high standard of cleanliness."

The State Health Department is making every effort to improve sanitation of eating places, Dr. Cox said, and there is "no excuse for cafe owners not taking advantage of the food handlers schools which are being offered all over the state." He added that there are laws, rules and regulations which require the use of approved equipment and methods in such establishments.

"The public should be aware of these sanitary rules and insist that restaurants observe them. Patrons should realize that tables and counters will be many times cleaner than the kitchen and other places out of sight," he warned.

He urged milk appraisal by the patrons also. Texas law requires that a milk bottle cap state the grade of milk, and whether it is raw or pasteurized. "Insist on having the milk served in its original container, with a covered cap and a legal label," Dr. Cox advised.

"Obviously," he said, "the best sanitation can be had only by close cooperation between the public and the investigators of the State Health Department."

Mrs. Irene Griffith, county health nurse, attended the Cerebral Palsy clinic which was held in Lubbock, Tuesday morning.

NEW GRAND JURORS ANNOUNCED FOR TERM

Mrs. Eldora A. White announced the following grand jurors for the next six months term which begins on August 23.

J. E. Asmoun, V. S. Reynold, J. T. Fulford, Fred Lintley, W. I. Walker, J. L. Newsom, Virgil Bynum, L. V. Alexander, J. R. Thomas, N. F. Lovelace, Ray Bairner, foreman, J. C. Herring.

Mrs. Castleberry Given Party
 Mrs. Richard Castleberry of Eugene, Oregon, was honored at a party Monday afternoon, August 23, at the home of Mrs. Burl Hahn, 19 East Broadway. Mrs. Castleberry is the former Miss Faye Broughton.

Guests were her early school mates and friends, Mesdames: Addie Hamilton Isbell, Laura Hogue Brown, Edna Hogue Benton, Edna Baird Tankersley, Mary Watts Green, Kate Spivey Telford, and their former teacher Mozelle Treadaway Fitzgerald.

PONTIAC

The great all purpose car!

Pontiac is the right car for so many people because it does all things—so unusually well.

If, for instance, you are concerned with economy—as most of us are—you will find that Pontiac is virtually as inexpensive to own and operate as any full size car you could buy.

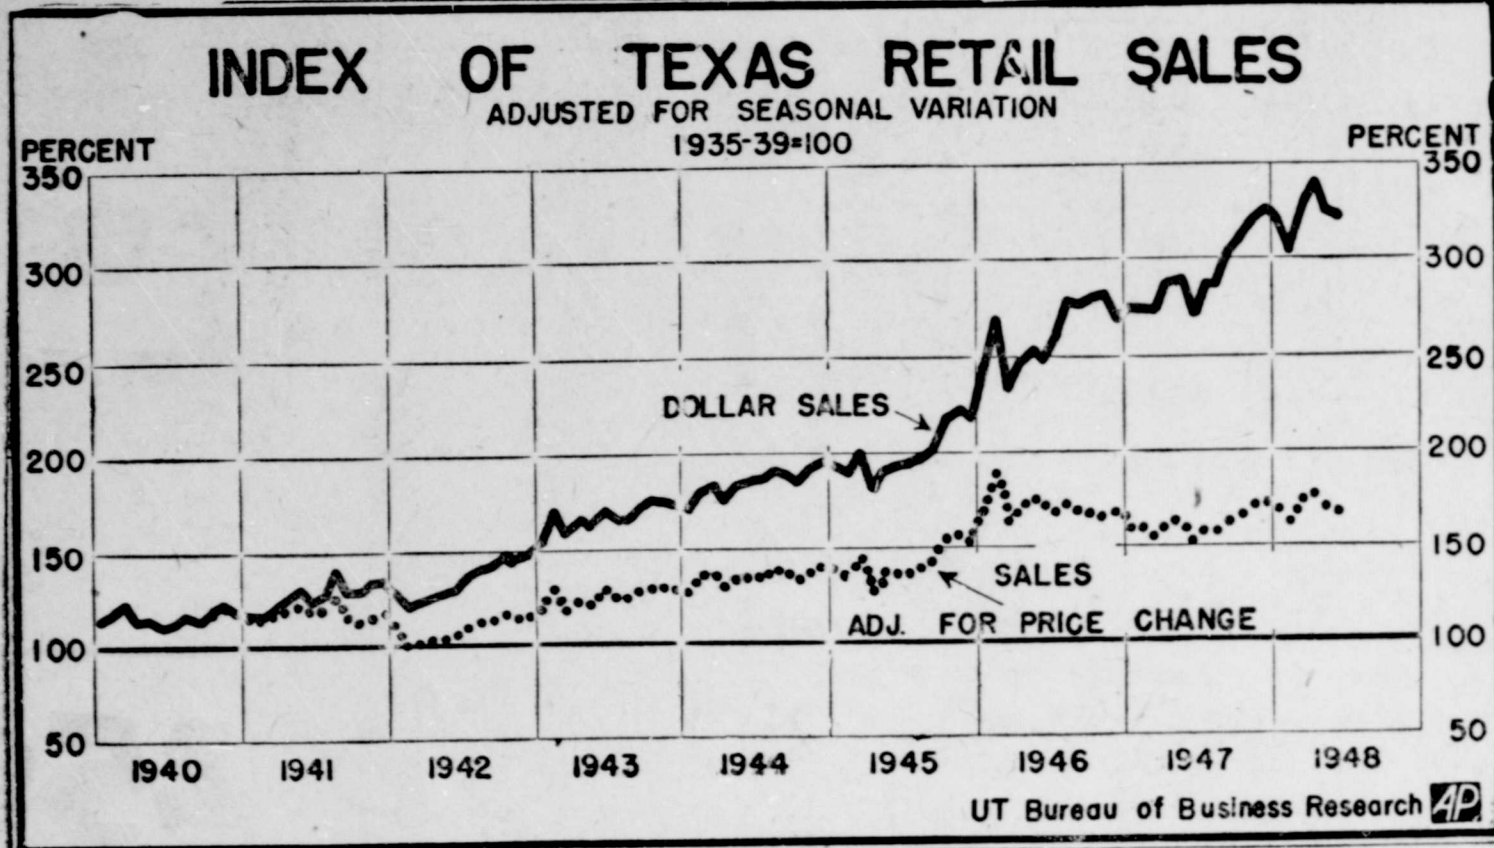

If you like to tour and take long trips—you will find that Pontiac is one of the easiest-riding, nicest-handling cars ever built.

When you need to "put your best foot forward"—go to a fashionable wedding or some other social event—you will find that your Pontiac looks "right at home."

And if you have to make hard daily trips over rough country roads—you will find that Pontiac can "take it" like the thoroughbred it is.

Truly, regardless of what you want a car to do, Pontiac provides a splendid answer to your problem. And this is always true of Pontiac, year after year—for Pontiac is deliberately designed to be America's "all-purpose" car.

UNION SCHOOLS TO OPEN
SEPT. 6
Supt. M. G. Gary, of the Union schools, was in this week and announced that the schools would begin the 1948-49 term on Monday September 6.
Mr. Gary was in a hurry and failed to state whether or not a full quota of teachers has been secured. We feel sure, however, that if not, they have at least enough teachers to man all departments.

High Costs Hit All
This reporter believes that the most rabid Republican or the most partisan Democrat will admit that the high cost of living is hurting the American people and is the most dominant domestic issue in this campaign.

There is no family, rich or poor, that is not feeling the impact of the unreasonable or unconscionable prices the people must pay for whatever they buy, necessities or luxuries. There is no denying the fact that millions in the lower income brackets are exhausting their savings and cashing in their war bonds to pay for the daily cost of living.

There also is the undeniable fact that insofar as the American people are concerned the time has gone by for recriminations, for "who done it" investigations or for casting about for who is to blame for the inflationary spiral in which the people are enmeshed.

The unescapable conclusion is that those most vitally affected either by action or inaction of the special session of the 80th congress are the large masses of the people in the home towns, on the farms, in the factories and offices and particularly those with fixed incomes.

The President of the United States has charged that the American people "cannot risk the danger or suffer the hardship of another eight months of doing nothing about high prices." It appears that the only answer to that charge can come from the people at the polls next November.

The Republican leadership in congress has charged, along with Governor Dewey and his campaign manager, that the President's excuse for this special session of congress was "solely a political maneuver in the campaign for his own reelection." The only realistic answer to that also must come from the people at the polls next November.

Whether or not the President's program would indeed lower the living costs, of course, is a debatable question but it at least is a positive program of action. Apparently the Republican leadership has decided that inaction is the answer.

Changing Senate Rule
Just for the sake of the record and to correct a widespread belief in a fallacy, any rule of the senate may be changed by a simple majority vote. The Republicans have a majority in the senate.

So the Republicans could by a simple majority vote of their membership change the two-thirds rule to establish a cloture and limit debate.
Thus, instead of using it as a strategic move to prevent action on anything, had the GOP wished to pass the civil rights program they could have killed off a filibuster at any time they wished. This reporter verified this fact with the parliamentarian of the senate.

In most groceries nowadays you buy oranges, bananas or other commodities by the pound instead of by the dozen or by the bushel. So a campaign is under way, sponsored by the American Food Manufacturers Association of Chicago, to change grain buying and selling methods from a bushel basis to a hundred-weight basis.

Different Story
Charles P. Howard, a Negro publisher of Des Moines, Iowa, and keynoter of the Wallace third party convention at Philadelphia, for the first time experiencing "human dignity," spent that time in castigating the President of the United States, Gov. Thomas Dewey of New York and other leaders of both political parties.

While most of these charges were false, Howard should remember that although he brandished his own country as a land of terror and near slavery and Russia as a land of freedom, had he been a Russian speaking in Russia instead of an American speaking in an American city, he would have been shot or by this time well into Siberia as a slave in the salt mines.

Same Game, Other Rules
Foreign diplomats were amazed at the stony hostility with which the President was greeted when he made his personal appearance to deliver his message to the special session. These foreigners cannot understand the American way of playing politics. In any other country failure of the Truman program before congress would have meant the fall of the government. But despite political mud-slinging, there is no politics in the danger of war.

At one point the Wood River in Idaho is 100 feet wide and four feet deep, while not far away it runs through a gorge where it is 100 feet deep and four feet wide.

An iron ore field in Labrador is believed to be as rich as and larger than the fabulous Mesabi deposits in Minnesota.

Texans In Washington

BY TEX EASLEY

WASHINGTON, Aug. 27— Departure of Senator W. Lee O'Daniel from the Washington scene affects very personally several individuals besides his own immediate family.
When a senator goes out of office it's a little like a business folding up.

One of those affected in this case is Harry Knox, 47, chief secretary of O'Daniel. He grew up in the wholesale grocery business in Brownwood and got to know O'Daniel on a business basis when the latter was selling flour in the early 1930s.

When O'Daniel was elected governor in 1938 he named Knox adjutant general. In 1940 Knox was appointed head of the State Board of Control in 1941 O'Daniel was elected to the Senate, and when Knox's term on the Control Board expired in 1946 he joined O'Daniel's staff in Washington.

Knox will remain in charge of O'Daniel's office here until next Jan. 3 when the senator's term officially expires.

What will he do then, says Knox, is uncertain except that he plans to stay in Washington at least for a time. A lot depends on what kind of a job he can connect with here or elsewhere.

Not long ago Knox bought a small apartment house here. He lives in one of its units with his wife and daughter, Annice, 13.

He has two other daughters, both married.
The apartment house formerly was a private residence, he remodeled it into a half-dozen apartments. It is next door to the four-story, former 40-room apartment building which O'Daniel purchased and remodeled into a private home.

Incidentally, the O'Daniels now apparently have disposed of all their Washington real estate. Their large home has been remodeled again into apartments. These have been sold on a cooperative purchase arrangement. The W. Lee O'Daniel News building, which formerly was occupied by a bank,

was sold a year or more ago.

Another of the top men on the O'Daniel staff is Garfield Crawford, veteran Texas newspaper and public relations man. He handled publicity for the senator during political campaigns and edited his weekly newspaper.

Crawford went back to Texas recently to run O'Daniel's office in Fort Worth. He expects to go back into the public relations field Jan. 3.

Fred Donohoo, one time acting Texas State Auditor, is another on the O'Daniel staff whose name is scheduled to go off the federal payroll. Originally from Stamford, he plans to enter business in San Diego, Calif.

Carl H. Miller, one time publisher of a small newspaper in Texarkana, is another member of the O'Daniel force. His plans are uncertain, but he says he hopes to land on the staff of some other member of congress. He came here originally as an aide to Rep. Wright Patman of Texarkana.

The lesser secretarial positions on O'Daniel's staff are held by girls, whose stenographic services make them equally qualified for jobs in other congressional offices. Individuals holding these jobs often switch from one legislator to another.

Rep. Fisher proposes issuance of a postage stamp next year commemorating the 100th anniversary of the introduction of Angora goats into this country.

He is taking the matter up with postal officials.
It was in 1849 that the first Angora were brought into the United States, says Fisher, himself a mohair producer.

They came from Turkey, nine of them, as a present from the Sultan to the then President James K. Polk. Prior to that time Turkey had barred the export of the goats to the U. S., but the gesture of the Sultan was in appreciation for cotton experiments carried on by American scientists in that country.

Incidentally, 90 per cent of all U. S. Angora mohair production is shorn in Texas. Almost, all commercial goat fleece in the nation is from Angoras.

Mrs. A. J. Stricklin, sr., and grandson, Jack T., are home from a checkup at Scott and White, Temple, resting a few days at Brownwood on their homeward trip.

Mrs. L. W. Bownds, Editor

Phone No. 1

Mrs. Richard S. Kennedy, who was married August 23 in Glendale, Calif. She is the daughter of Mr. and Mrs. H. N. Swan of Brownfield. The couple are at home at 501 E. Verdugo Ave., Burbank, Calif.

Marriage of Kathryn Verner Announced

Mr. and Mrs. T. E. Verner of Meadow are announcing the marriage of their daughter, Kathryn, to Billy Earle Smith, son of Mrs. T. A. Lynch of Mercedes, Texas. The double ring ceremony was read in the Lonesome Pines Chapel of Kingsland, Ga., August 5, 1948, with Rev. E. V. Ethridge officiating.

The bride wore a slate-blue satin dress designed with graduated crosswise tucks from the waist to hem. Her accessories were black and white, and a rhinestone pin was worn at the V-neckline of the dress.

Following a two weeks vacation in Florida, Mrs. Smith will continue as Home Service Advisor for Gulf States Utilities Co. in Beaumont, Texas. Mr. Smith is Chief Mate aboard the City Service Tanker, Royal Oak.

MRS. SHIRLEY HOSTESS TO KOLONIAL KARD KLUB

Mrs. Jack Shirley was hostess to the Kolonial Kard Klub Friday afternoon, August 20 at her home.

High score in bridge was made by Mrs. Wingerd; second high, Mrs. Kirschner; and bingo was won by Mrs. Telford.

A dessert course was served to Mesdames Roy Wingerd, Mon Telford, Bill Price, Jerry Kirschner, Swartz, N. L. Mason, Bill Williams and Walter Hord.

MURPHYS RETURN FROM VACATION

Rev. and Mrs. J. Preston Murphy have returned from a three weeks trip through south and east Texas. While on the trip they visited with parents of both in Fort Worth.

Rev. Murphy returns to his pulpit in the Presbyterian Church this Sunday, where he will conduct both morning and evening services at 11:00 a. m. and 7:30 p. m.

Mr. and Mrs. John Milner were Sunday visitors in Abernathy with relatives.

Sawyers Have Visitors From Denison And Chicago

Visiting in the home of Mr. and Mrs. Arthur Sawyer this week, are her brother, Raymond Speegle and wife of Denison and a sister Mrs. Edith Murphy of Chicago. Mr. and Mrs. Speegle have been visiting their son and wife at Denver, Colorado. His son is in the US Army Air Corps, and has been training since around the first of the year.

Raymond, as a lad attended school here some 35 years ago, making his home with his uncle W. G. Hardin and family. After reaching manhood, he worked in a gypsum board plant at Hamlin, finally obtaining a good position as one of the bosses. About 1930 he moved to Denison and shortly thereafter, joined the Kraft Cheese organization, and has worked himself up to a fine position with them in their Denison plant.

The Kraft Corporation have recently put in the highest bid for the enormous air craft plant, now under way near Dallas, and stand a fair chance of getting it. Raymond believes that he will be sent to the Dallas plant if the government accepts the Kraft bid for the plant.

ALPHA OMEGA TO SPONSOR STYLE SHOW

The Alpha Omega Study Club will present their annual style show of the latest fashions Thursday night, Sept. 9, on the stage of the Rio Theatre.

The Style Show will be given between features at the theatre. Pupils from Foy Mackey's Dancing School will also offer entertainment during the intermission. Popular admission prices will be charged and the proceeds will go into the club house fund.

DUANE PATTON GIVEN BIRTHDAY PARTY

Duane Patton was honored on his 10th birthday with a party given at the home of his parents, Mr. and Mrs. Edgar Patton.

Movie shots were made of the group.

Attending were: Billy Dumas, Richard and Parky Goyer, Mrs. Otto Goyer, Jerry Patton, Byron Tudor, Ross Wilson, Ronnie Martin, Mrs. Layton Murray of San Luis Obispo, Calif., Shirley Henderson, Mrs. P. L. Henderson, Mrs. L. B. Nevels of Lovington, N. M., Mr. and Mrs. George Haywood of Plains and Marie Patton.

Preston Ingraham spent the weekend with his mother, Mrs. Roger Williams, in Munday, Tex.

Clubs Will Open New Studies In Sept.

The Alpha Omega, Maids and Matrons, Delphian Study Clubs, and the Cen-Tex Harmony Club will begin a new club year in September.

The Delphian Study Club will meet Monday, September 6, for a Re-Assembly Day. Mrs. Wayne Brown will be hostess for the meeting.

The Maids and Matrons will convene Tuesday, Sept. 6, for a Federation Day Program at the home of Mrs. Leo Holmes.

Also meeting Tuesday, Sept. 7, is the Cen-Tex Harmony Club. The twelfth anniversary and federation program will be topics of the first meeting. Mrs. Johnny Haynes and Mrs. Eldora White will be hostesses for the meeting.

The Alpha Omega Study Club will meet Tuesday, Sept. 14, for a Re-Assembly Tea. Mrs. Clarence Lackey will be hostess at the meeting.

WSSC HAS LUNCHEON MONDAY

The Women's Society for Christian Service met Monday at one o'clock in Fellowship Hall for a covered dish luncheon. Hostesses were Mesdames Tharp, Power, and Gorton.

After the luncheon, Mrs. Carpenter conducted a devotional. Mrs. Charles Wilson lead a prayer. Mrs. Carpenter read scriptures and reported on the Seminar meeting held August 6 in Lubbock. Mrs. Wilson, who is moving to Lubbock, was presented with a gift.

Present were: Mesdames Wilson, Carpenter, Tharp, Power, Gorton, Hair, Jackson, Miller, Hill, Harris, Thurston, Loyd, Hogue, Thompson, Moppin, Longbrake, Downing, and two guests, Nancy Sue King and Norma Thurston.

MSS CHISHOLM TO MARRY MR. SKUPIN IN SEPT.

Mr. and Mrs. J. R. Chisholm are announcing the engagement of their daughter, Josie, to Mr. Charlie Skupin, son of Mr. and Mrs. Henry Skupin of Rosebud, Texas.

The wedding is planned for September.

Mr. and Mrs. B. C. Rhea of Mt. Pleasant are visiting their daughter, Mrs. J. D. Perkins this week.

Mr. and Mrs. J. J. Woodard of Wellman have as their guests two daughters of Amarillo, Mrs. M. B. Holloway and Mrs. Cecil Hunter and children.

Mr. and Mrs. E. B. McBurnett, E. B. jr., and Ann; Mr. and Mrs. Voris Myatt of Lubbock spent the weekend in Ruidoso.

Pre-Bridal Shower For Wanda Tyler

A Thursday afternoon shower given at the home of Mrs. C. P. Henderson was a pre-bridal courtesy to Wanda Tyler, who will marry Keller Greenfield, Aug. 31.

Mrs. R. N. Noble greeted guests upon entry and presented them to Mrs. Henderson; Miss Tyler, the honoree; Mrs. C. L. Balch, sister of the honoree; Mrs. L. O. Greenfield, sr., mother of the bridegroom-elect; and Mrs. Evelyn Tyler, sister-in-law of the honoree.

Miss Juane Greenfield registered guests. An arrangement of scasta daisies were on the registration desk.

The refreshment table was covered with a linen cutwork cloth and centered with an arrangement of golden glow. A color scheme of white and yellow was carried out. Presiding at the punch bowl were Misses Terry Moorhead, Norma Newman, and Dorothy Nell Brownlee. A miniature bride and flowers enhanced the buffet.

Miss Tyler wore a corsage of white carnations and members of the receiving line wore snapdragons. Other members of the houseparty wore corsages of kitchen utensils which were later presented as gifts to the bride-elect.

Other hostesses displayed gifts. Approximately 60 guests called during the afternoon.

Hospital News

Surgical: Mrs. Allen Tucker, Brownfield; G. B. Kisor, Brownfield; Mrs. R. H. Carter, Meadow; Dean Murphy, Brownfield.

Accident: R. G. Hartman, Seagraves.

Medical: C. W. Gaston, Brownfield; Homer J. Dial, Levelland; Mrs. L. L. Blackstock, Brownfield; C. W. Latham, Brownfield.

NEW ARRIVALS

Mary Ann, daughter of Mr. and Mrs. Harold Denton, 410 E. Buckley, arrived August 22, weighing 6 lbs. 1 oz. The father is manager of Knight Hardware.

Ester Lanea, daughter of Mr. and Mrs. H. H. Combs of Wellman, arrived August 22, weighing 6 lbs. 12 oz.

Amelda Ann, daughter of Mr. and Mrs. Glendon C. Brown of Brownfield, arrived August 23, weighing 7 lbs. 3 oz. The father is a farmer.

Mrs. R. F. Quinlan and two sons who have been visiting in the W. A. Bell home returned to their home in Robstown, Texas, Sunday. They were accompanied by Miss Margaret Bell.

Mr. and Mrs. Martin Line and son, Kenneth, are in Dallas where Kenneth will undergo a serious operation.

Mr. and Mrs. J. H. Ellis of Plains were in Brownfield Monday.

Mrs. Gene Karr, the former Gene Thompson, has accepted a position with Tarpley Insurance Co.

Diamond tools were first used in 1779.

JERI ROBERTS HOSTESS TO PHI LETA CRAEUS

Members of the Phi Beta Craeus met Tuesday in the home of Jeri Roberts.

Mrs. Hiram Parks and Mrs. J. T. Bowman were elected as active sponsors.

Plans were made for the Presentation Dance to be Sept. 3. Refreshments were served to: Nancy Wier, Ann Sneider, Ruth White, Barbara Stice, Peggy and Fatsy Black, Judy Griffin, Jean Crank, Jeane Thompson, Oanegene Walker, and Nan White.

SPEEGLE REUNION

In another article in this issue, an announcement that Raymond Speegle and wife of Denison and Mrs. Edith Murphy of Chicago, were here visiting their sister, Mrs. A. A. Sawyer. We learned later that Mrs. Sawyer is expecting her brother Ed Speegle in from Albuquerque, N. M. today and that her sister, Mrs. Queenie King of Oakland, Calif., will fly in today. Thus a family reunion.

Mr. and Mrs. Wayne Coffey, Wayne, jr., and Nita of Los Angeles, Calif. visited in the home of Mr. and Mrs. John Milner early this week.

PLAINS NEWS

Mr. and Mrs. Sherm Tingle were visiting in Atlanta, Georgia last week.

Rev. Curtis Jackson is in a revival at Knox this week.

Mrs. M. E. Dumas Jr. and children visited her husband in Andrews over the week end.

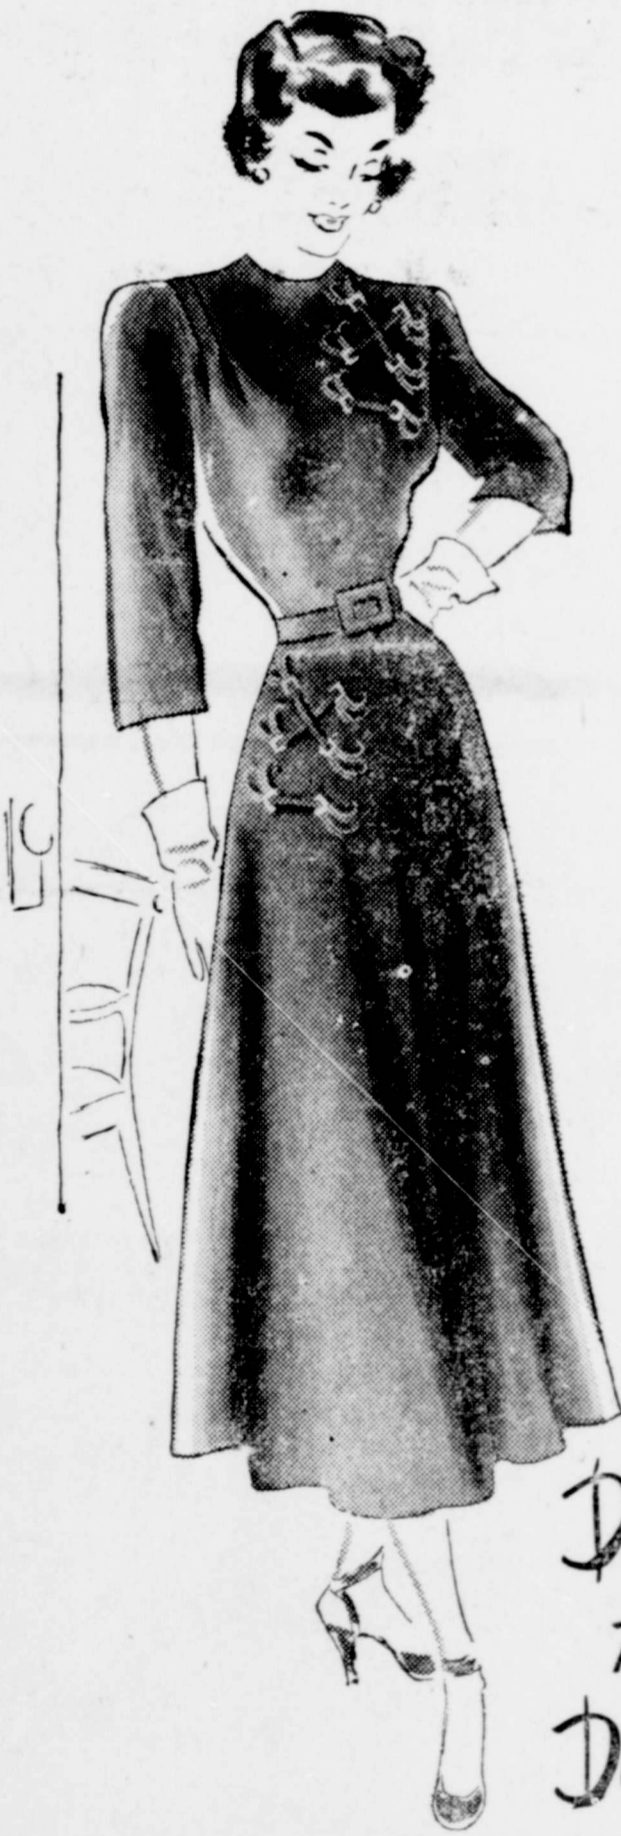

Mrs. M. W. Luna underwent an operation Monday in St. Mary's hospital in Lubbock, she is reported doing nicely.

Jimmy Lee Camp is visiting his aunts in Odessa this week.

AN OPEN LETTER OF APPRECIATION

To each of you who so graciously and lovingly assisted in any way during the hours of our recent great sorrow in the passing of our loved one. Words cannot express the full measures of our gratitude.

May the Lord's choicest blessings be yours now and always. Mrs. C. J. McLeroy and family Mr. and Mrs. S. O. McLeroy and family.

You'll revel in the flattery of easy going lines in this tissue-sheer wool dress. For added sparkle, nailhead studded eyelets carry the interlaced embroidery on the shoulder and hipline. Lovely autumn colors, sizes 12 to 20.

The Low Down From Hickory Grove

You know, your hired hands down there on the wide and wandering Potomac keep talking high prices and how heaven and earth must be moved to lower same. And all this goes on just as though these same gents had no finger in the pie of bringing on the dilemma. Queer chaps.

They been chief cooks there for years—have helped most in fooling the soup. And now, instead of doing what they ought to do admit their error or guilt, or whatever you choose to call it—they point elsewhere.

What should they do, says Henry. Let 'em consult, I says, that old Virginian, Harry Byrd, suh!—and pay heed. He can point out exactly where to operate. Our ailment is "Economic gout," brought on by too much Govt. in our diet. One million more folks than ever before needed to run the Govt. in peace times, is now interfering with our digestion—we are clear off our feed. By eliminating an excess load of one million from our back, we can shave around 6000 million bucks per year from taxes. Six thousand million bucks off our bent back per year, should sure help everybody's budget—and tranquility—and it sounds like a powerful sensible horse-sense procedure.

Alright then, says Henry, if it is going to take a major kind of operation like you say, why not have it soon, and before more complications and even higher prices set in—answer me that. You are seeing the light, I says.

ENDERSEN-SHEPHERD VISIT HERE

Mr. and Mrs. A. W. Enderson of Fort Worth and Mrs. Enderson's brother, Jack Shepherd and wife of Wichita, Kan., came in late last week for a visit with their mother Mrs. S. A. Shepherd and sister, Mrs. P. R. Cates.

A. W. is a manufacturer's representative, and travels most of the time. At one time he was in the hardware business here with S. H. Holgate, and that firm erected the building now owned by the Palace Drug Store.

Mrs. Enderson underwent a serious operation here early this spring at the local hospital, and she says she feels better than she has in 15 years.

OLD TIMERS ILL

We have heard about three of the old timers of Brownfield who haven't been feeling so well recently. They are Mrs. Dalton Lewis, Will Alf Bell, and Will Adams. These folks deserve enough company to keep them from spending lonesome days. In the early days when they were young and strong, the nights were never too cold or the way to weary for them to help attend the sick. If you can't drop by in person, send a pleasant card.

A plane flying from New York to London is more than one third of its way to its destination before it loses sight of the Newfoundland coast.

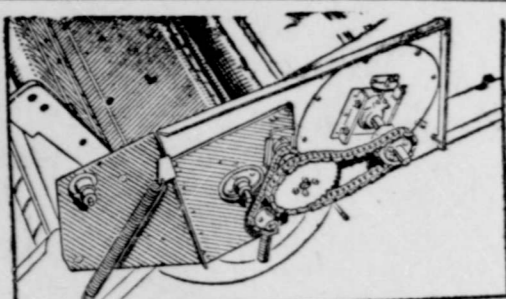

The first Atlantic cable was laid in 1858 between Newfoundland and Ireland.

Yours with the low down,
JO SERRA.

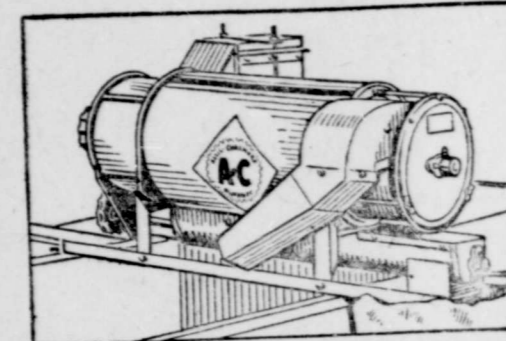

ATTACHMENTS FOR TOUGH HARVESTING

The All-Crop harvester has lowest attachments to meet the toughest kind of harvesting... to keep moving under unfavorable conditions... to save precious seed, flax and beans... to pick up weather-beaten crops.

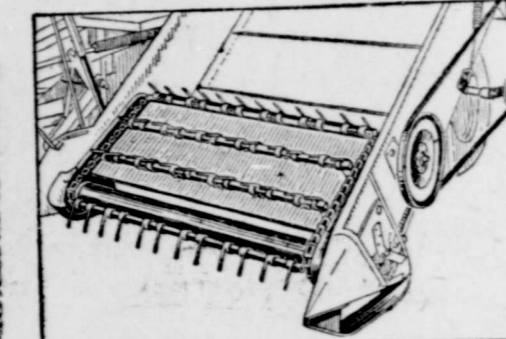

Perhaps you've never realized how much extra grain or seed you can save under difficult harvesting conditions with the right kind of attachment. Let's talk it over before this season gets under way.

FLAX ROLLER ATTACHMENT—Flattening feed action relieves flax harvesting headaches. Saves more seed.

SCOURKLEEN—Removes trash and weed seed in the field. Deposits weed seed in separate bag.

RADDLE TYPE PICKUP—On or off in 15 minutes. For harvesting small grain and seed crops where windrowing is necessary.

FRIENDS TELL FRIENDS... ONLY SERVEL GIVES YOU A TEN-YEAR GUARANTEE... BECAUSE

Only the GAS Refrigerator STAYS SILENT LASTS LONGER

IT'S TEXAS' GROWING FAVORITE!

Like all good news... it gets around! There's one different, simpler refrigerator that actually guarantees no noise or trouble for ten years. No wonder more and more Texas families prefer the Servel Gas Refrigerator.

Only Servel can afford to guarantee performance for ten years, because only Servel has a different, simpler freezing system—without a single moving part! There's no motor, no machinery. Just a tiny flame of natural, butane or propane gas makes ice and cold. That's why many of Servel's more than two million owners are still enjoying theirs after 18 and 20 years.

You'll say the new models are beauties, too. Plenty of room for frozen foods, lots of ice cubes, moist and dry cold for fresh foods are features you'll enjoy. Come choose your silent Gas Refrigerator today.

Operates anywhere ON NATURAL, BUTANE OR PROPANE GAS

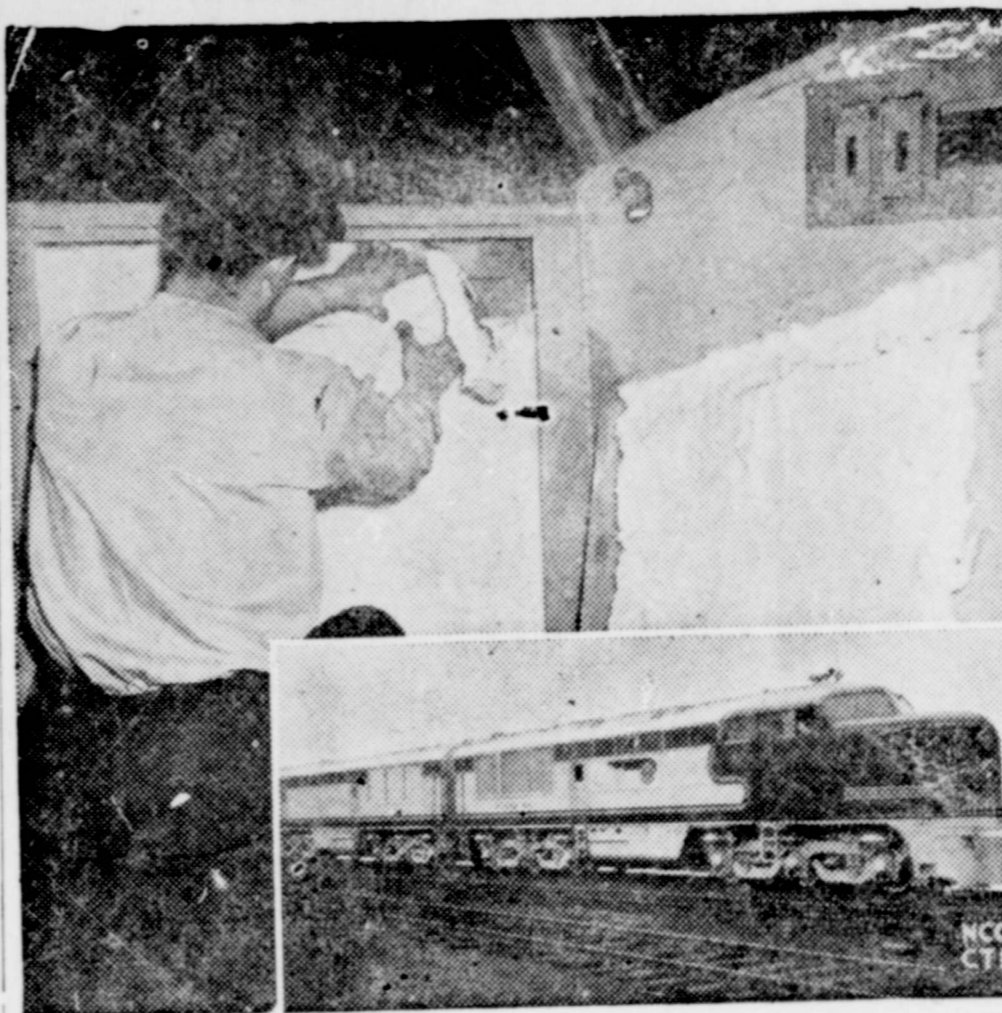

STAYS SILENT... LASTS LONGER

COTTON ON THE RAILROAD

Latest new use for flameproof cotton insulation is in giant diesel locomotives. The National Cotton Council reports. In the picture above, a mechanic installs fleecy blankets to keep out heat and noise. The inset shows the finished unit, one of hundreds being produced this year using cotton insulation. The cotton product already has proved highly efficient in passenger and refrigerator railroad cars.

overseas pay...
travel...
sports...
go with an Army job in Japan!

How times have changed.

Three years ago, when our first victorious combat men left Japan, much of it was a shambles. The Japanese people were so dazed by defeat they didn't know which way to turn. The life of an Army man often had its discomforts.

But look at him today! He's helped to start the rebuilding of Japan, to restore roads and railways, to inspire a tired and hungry people with the hope of Democracy. Under his guiding hand, courts of justice, woman suffrage and freedom of worship have been brought about. In Japan there is only one soldier for every 400 Japanese—the smallest per capita occupation army in the world.

The pay of a Private is 50% higher than three years ago, then another 20% higher overseas. And almost every cent can be banked. None of it goes for food, housing, medical or dental care, clothing, retirement annuity, or the opportunity to continue his education. The Army furnishes him equipment for organized sports. While on leave, he can ski in winter or visit summer resorts at a fraction of what these activities would cost him in the U. S.

An Army career in Japan is full of advantages such as these. Compare it with any job across the board—you'll find it hard to beat! Ask at your nearest Army and Air Force Recruiting Station for full details.

G I QUESTIONS AND ANSWERS

Q. I have applied for a job as bartender and was told I could have it if I obtained advanced training in mixing drinks. May I take a course in bartending under the G-I Bill?

A. Yes. First you must submit to VA complete justification that the course is in connection with your contemplated occupation. You must wait for approval from VA before you can start training.

Q. I work in my father's hatchery and would like to enroll in an institutional on-farm training course under the G-I Bill. Am I eligible?

A. No. Institutional on-farm training is limited to farms and

BWARE OF FOOD SPOilage DURING SUMMER WEATHER

Fungus, mold, insects and dry rot are always waiting to destroy your food supply stored in cupboards and bins, just as they do on a farm, the American Fat Salvage Committee points out:

Food experts and technicians urge women to be constantly vigilant, lest deterioration robs us of precious food.

Take inventory, inspect and clean out cupboards, refrigerators, cabinets, baskets where food supplies are kept, suggest home economists. Cereal, prunes and raisins easily become weevily; onions begin to sprout; bread begins to mold; fat gets rancid.

Air out cupboards, inventory supplies, plan menus to use onions, cereals and dried fruit before they begin to deteriorate. During the warm months, store bread in the refrigerator. Keep your fat salvage can in the refrigerator, on the cellar steps or in some other cool spot, and when it is filled, sell your surplus used fat to your meat dealer.

These tricks take little time, and are insurance against loss of food, and food is money these days.

other agricultural establishments operated for the purpose of raising crops or breeding poultry and livestock, or both. Establishments engaged exclusively in either processing, distribution or sales—such as a hatchery—are not included in the program. However, on the job training may be available to you if a suitable training program is set up and the training establishment is approved by the state approving agency.

Q. Are veterans eligible for medical treatment while going to school under the G-I Bill?

A. The G-I Bill makes no special provisions for medical treatment, except the payment of customary fees in a school, which, in some cases, include certain medical services for all students.

Q. May I complete grade school under the G-I Bill?

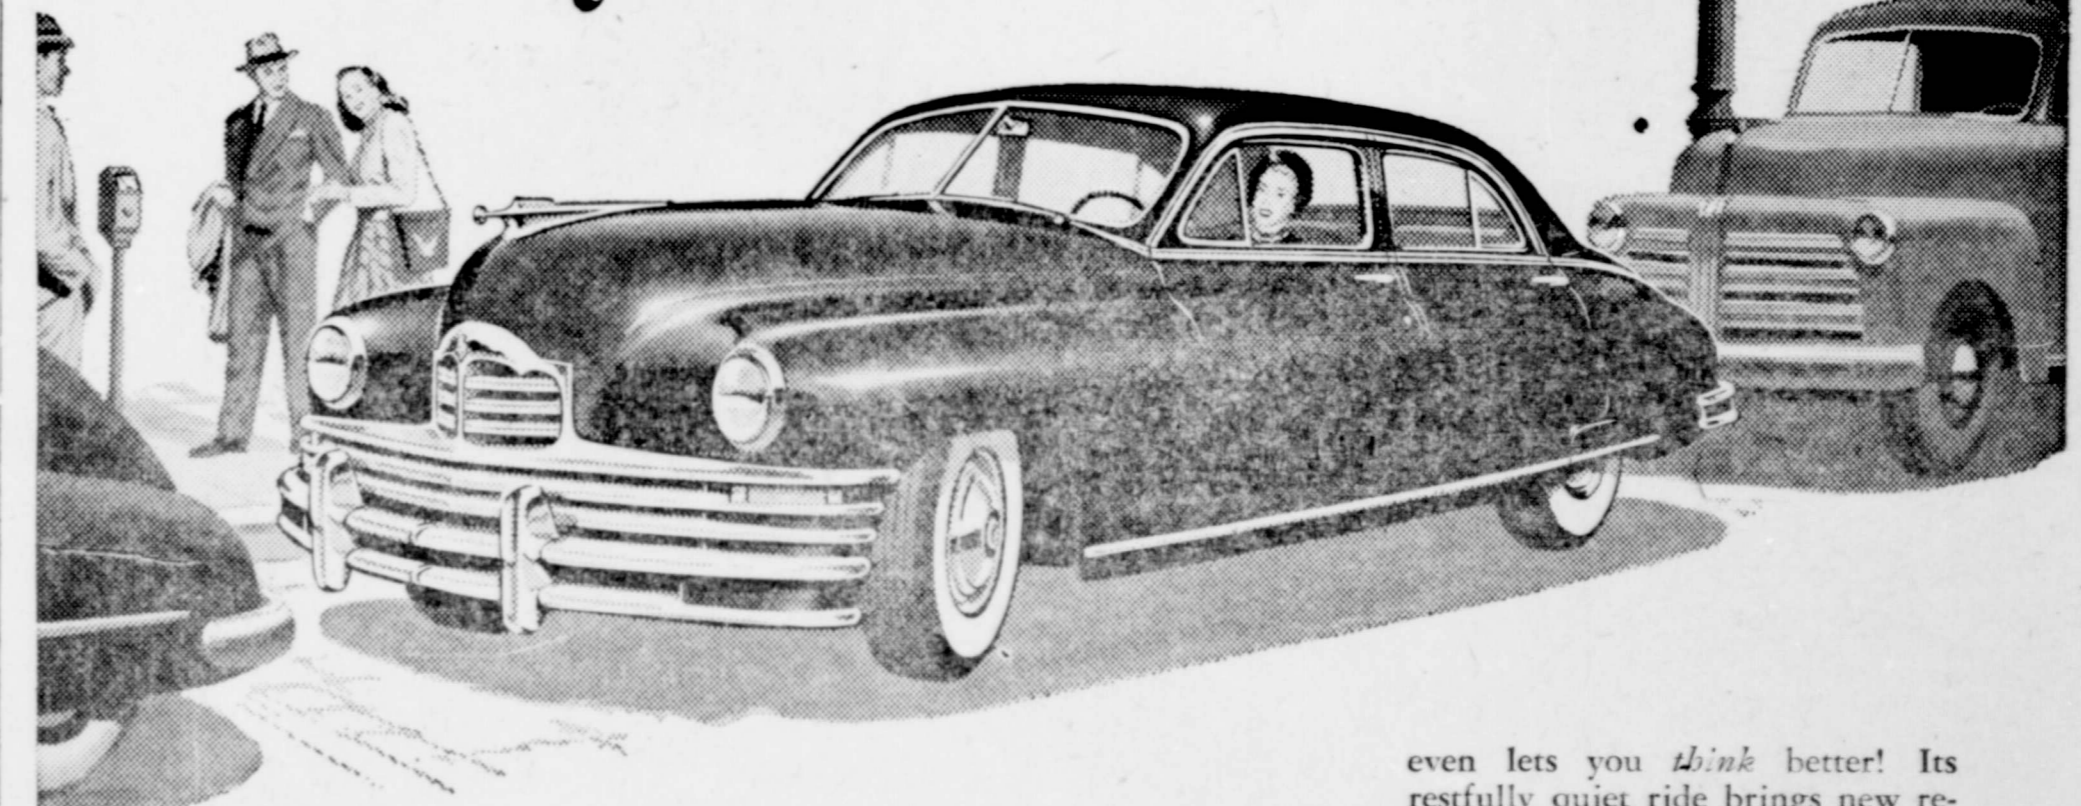

A. Yes.

The COPY BOY

IT'S A MATTER OF OPINION... WHETHER A STORY HAS NEWS VALUE... BUT WE THINK IF IT'S ABOUT THE FOLKS OF OUR NEIGHBORHOOD YOU WILL WANT TO READ IT.

Easy does it!

Come in—find out how Packard has turned city driving into a lady's game!

They're not talking about you, lucky lady, when they tell those stories about "woman drivers!"

For here's the one luxury car

that shows you off at your smartest all the time... even in heavy traffic.

Thanks to its compact, functional styling, it lets you see better.

Thanks to its advanced engineering, it lets you steer better—treats you to fingertip ease of control that seems to s-t-r-e-t-c-h those city parking spaces. (And on a highway, you simply "point" it!)

What's more—this great Packard

even lets you think better! Its restfully quiet ride brings new relief from traffic tension. Its all-season ventilation keeps you feeling refreshed and clear-headed.

Come in—see for yourself!

Geo. W. Neill Makes Statement To Voters

Having carried nine of the 11 voting precincts in first Primary, with a 141 vote lead over nearest opponent, we hoped you would not be bothered with a second go round in one hot summer. But as it is, here I am asking you, to again come out next Saturday, and help to confirm the first primary, for which I would be very, very grateful.

The County Attorney primarily deals with misdemeanor cases. The District Attorney handles felonies. In law enforcement, the Sheriff and other Peace Officers, the County Judge, Justice of the Peace, and sometimes Juries has something to do and say about it. They should be given their just credit. It is not a one man's job.

Unfortunately, crime is ever with us. We have changed State, District and County Officials often, even new laws, and yet crime goes on. Despite heavy penalties, and "vigorous prosecutions" crime keeps pace. For the past ten years the County Attorney's office has been filled, by two aggressive capable young attorneys, who could climb the stairs (3) three steps at a time, still crime goes on. So youth and vigor is not the answer. Texas has never had a prosecuting St. Patrick, and none available in this election.

The county's criminal dockets show just as many convictions, fines, etc., for liquor violations, including drunken driving, the year 1945 when I served, as for any other incumbent, same length of time. The real facts are, practically all such cases, are picked up by alert peace officers and laid over 95 per cent plead guilty.

Reburial of War Vet Held Tuesday

Graveside services for Sgt. Ivan V. Fannin, son of Mrs. Annie Fannin of Tokio community was held at 2 p. m. Tuesday in the Terry County Memorial cemetery under the direction of Brownfield Funeral home. Members of the local American Legion post served as pallbearers. The body arrived here Tuesday morning from the Fort Worth depot of the American Graves Registration service. Fannin, a member of the Army Air Forces entered service from Terry county in 1941 and was killed in France on Nov. 16, 1944. He was born Dec. 1, 1917, in O'Brien. Survivors in addition to his mother included four sisters, Mrs. Vernia Skains of Haskell, Mrs. Cora Williams of Stockton, Calif., Mrs. Beulah Newbrough of Visalia, Calif., and Mrs. Ruby Bowman of Meadow, and two brothers Marvin of Tokio and Hubert Fannin of Visalia, Calif.

JUDGE PRICE LOSES HIS FARM HOME

Judge W. W. Price, local attorney, lost his farm home and contents Monday, one mile southwest of the city, near the South Plains dairy. No one lived in the house at the time, but furniture was stored in it. All a total loss with no insurance.

Mr. and Mrs. Ed Dumas were over from Plains, Wednesday. Ed has been in poor health for the past few years.

J. J. Gaston was in from the farm Wednesday to visit his son Charley, a patient in the local hospital. Mr. Gaston reported that his son was a very sick man.

A report from the famous gulf coast fishing resort, Port Aransas, states that the O. L. Tittle party from Brownfield recently bagged 52 mackerel.

Foster Findings

The Baptist Meeting was very successful and the baptizing was held Sunday evening August 15 at the Alton Webb tank at Gomez. There were five candidates baptized.

The Methodist Meeting is in full swing at the Foster Methodist church. Everyone is invited to attend the rest of the meeting.

The Wayland College Mission Band from Plainview came and rendered some very inspiring services. There were four young ladies and three young men. Dinner was served at the Baptist church Sunday and the Mission band had charge of the program for the entire day.

There wasn't any services at the Baptist church Sunday night as everyone attended services at Union. The meeting is going on there also.

Charles Bruce is attending the Guard meeting at Camp Hood, Texas.

Mrs. R. J. Rowden and Lewayne went to Fort Sumner, N. M. last week after grapes and vegetables to can.

Mr. and Mrs. Carl Golden and daughter visited in New Mexico last week.

The Fred Bell family has been visiting in South Texas the last week.

Mr. and Mrs. Eual George have been vacationing in Colorado, N. M., and other points this past week.

Mrs. Glyndon Brown is a patient in the hospital at Brownfield.

Mary Jo Hadaway is visiting in Seminole.

Mr. and Mrs. Charles Bruce and family had his brother and family from Arizona visiting them this week.

Mr. and Mrs. R. J. Rowden and Lewayne and Mr. and Mrs. Otis McKee and Wayne will leave this week for an extended trip to Colorado and other points of interest.

NOTICE NOTICE NOTICE

Saturday, August 28, is election day! Let's everybody in Precinct 4 come out and VOTE FOR H. R. (Hoace) FOX FOR A SECOND TERM as your commissioner. Paid political ad.

A Trip To Meadow With The Gores

Last Sunday morning the G. G. Gores invited us to take a spin with them up to Meadow in Keith's new Oldsmobile to hear Wallace Layton in his series of meetings at the Church of Christ there. We enjoyed the trip, the sermon and just a bit of fraternizing with some of the good people of that fine little town in northeast Terry.

Crops along the highway had begun to suffer not a little bit from the prolonged drouth and unseasonably hot weather. Returning, we came directly west from Meadow to the old Lee Walker farm, thence south until we struck the F to M road, and west to Needmore. From there via Levelland highway home.

That section had promise of a big crop two weeks ago, but the hot weather was sure delivering a vital blow. Let us hope that it will not be too long until they get a rain.

That part of Terry county has some of our best farm homes, and a large majority of the folks own their farms.

LIONS TO PLAY BALL WITH ROTARIANS

Following the double header baseball game next Sunday afternoon between the Brownfield Bears and Denver City, at the local ball park, the Lions Club will play a game with the Rotarians.

This will be a very interesting and probably very funny contest.

OLD HE HAS A BIRTHDAY MONDAY

Very quietly and engaged chiefly with hunting and pecking out a few news items on the old Remington, was the way we spent our 68th birthday, Monday the 23rd. Not even the crew was aware of the great event.

Yes, we got a few presents, all very nice and thoughtful gifts. It is hinted that the eats are to come off Sunday when the daughter, Mrs. Herman Trigg gets here from Brownwood.

Few of our errors are ever serious until we make the error of denying them. Mr. and Mrs. Tom Eason have been visiting in San Angelo for the past two weeks.

The Terry County Lumber Co., is now agent for the distribution of the famous Dempster Windmill. None better, few equal. Mr. and Mrs. Wayne Brown and son, Wayne, and Mrs. Jack Benton and Carolyn were in Lubbock Tuesday on business.

CAVE'S 5-10-25c STORES
