

The Terry County Herald

Not Neutral—Not On The Fence—A Paper With An Opinion And A Purpose

Best Advertising Medium

The Herald has the largest paid in advance circulation of any weekly newspaper on the South Plains.

The Herald has grown with this section from strictly a ranch country. This area now consists of thriving towns and cities, supported by scientific farming and stock farming, augmented by huge oil fields, with the nation's largest known oil reserves.

Disaster Committee Organized

At a meeting in the county court room Monday at 8:00 p.m. the Terry County Disaster Committee was organized.

Monk Parker has been appointed Over-all Disaster Chairman of the committee. Several sub-committee chairmen were appointed.

Mr. Simmons and Mr. Parker informed the sub-committees of their duties at the time of a disaster, and a round table discussion followed.

Members of the sub-committees will be asked to give reports from time to time, but a general meeting will probably be held only once a year.

City To Let Contract For Additional Paving

Eunice Jones, city superintendent, has announced that the proposed program of paving for Brownfield has been completed with the finishing touches having been put on 39 blocks last week.

The city plans to pave approximately 35 more blocks in Brownfield as soon as all bids are in.

Merchants Will Not Close Memorial Day

Members of the Chamber of Commerce have almost completed their survey of merchants' wishes as to what holidays they would like to observe by closing their businesses.

Walls of Baptist Church Annex Going Up

The basement excavation of the Educational Annex of the First Baptist church was completed last fall, and much of the material for the building was on the ground, but much inclement weather during the winter and early this spring held up the building.

This new annex is going to be quite a huge affair, when completed. It will be two stories, including basement, and will, when complete, house a large number of classrooms.

High School Seniors To Receive Diplomas May 27

Sixty-nine senior students will receive their diplomas Friday, May 27, at 8 P. M., in the high school auditorium.

New Stadium Discussed

Every civic club in Brownfield was represented at the barbecue and mass meeting held at Veterans Hall Tuesday, May 24. Homer Winston acted as master of ceremonies, and explained the purpose of the meeting.

The purpose of the meeting was to propose the building of a new football stadium for Brownfield High School.

Funeral Services Held Saturday For Long Time Resident

Funeral services were held in the First Methodist Church Saturday, May 21, at 3 P. M., for R. L. Cornelius, long time resident of Terry County.

Mr. Cornelius, who had been living southeast of Gomez, came to Terry county in 1921 from Donnelly county, Texas.

Mr. Cornelius, who had been in ill health for the past year. At the time of his death on Friday, May 20, he had been in the Treadaway-Daniell Hospital for 12 days.

Survivors include his wife; two daughters, Mrs. Alton Webb and Mrs. Bruce White, both of Brownfield; two brothers, L. L. Cornelius of Clarendon and D. E. Cornelius of Dallas; and three sisters, Mrs. Annie Mauldin of Terrell, Mrs. Bessie Gladden of Colbert, Oklahoma, and Mrs. W. H. Utley of Dallas.

VFW Completing Plans For Memorial Day Services

Hand Bros. Post, No. 6794, will conduct Memorial Day services at the Terry County Memorial Cemetery Sunday, May 29th, at 4 P. M.

It is the desire of the post to decorate the graves of all veterans of all wars, but difficulty has been experienced in locating the graves of some veterans.

Persons who have flowers that they would like to donate to the Post for this purpose, are asked to take them to Hoy's Flower Shop, 310 W. Main, where they will be cared for until the services are conducted.

DR. ROBINSON TO SPEAK AT CANYON

Dr. H. I. Robinson, pastor of the First Methodist church at Lubbock, has been designated as the baccalaureate speaker for the West Texas State Teachers College at Canyon Sunday.

Among those receiving degrees from the South Plains area is Robert West of this city.

8TH GRADE COMMENCEMENT PROGRAM THURSDAY

One hundred and fifteen boys and girls received their eighth grade diplomas at the commencement program, held at the high school auditorium Thursday, May 26, at 10 A. M.

The program follows: Processional, Clayton's Grand March, Miss Mabel Davis; Invocation, Rev. S. W. Miller; Vocal, "Future Generations", Eighth Grade Choir; Piano Solo, "The Bells of St. Marys", Rinnie Daniell; Address, S. P. Cowan, Superintendent; Presentation of Diplomas, Byron Rucker, Principal; Benediction, Rev. A. A. Brian; Recessional, "Clayton's Grand March", Miss Mabel Davis.

MAJORITY FAVORS NEW SPORTS ARENA

to the bleachers. The new structure will be built on the south side of the present site, and the south bleachers will be moved to the north side of the field.

Two different plans for financing the project were discussed, and committees were appointed to investigate them. The first plan was for the athletic council

to sell interest-free bonds of \$100 denomination until the amount of \$12,000.00 has been accumulated. The second plan was to vote and sell revenue bonds in the amount of \$20,000.00 in which the structure would be mortgaged for that amount and the bonds would be paid back with revenue from the stadium.

The committees working on these plans are expected to come to a decision within a few days, and another meeting will be held to consider their reports.

Approximately 77 people attended the meeting. The Brownfield High School Band, under the direction of Richard Young, furnished music at the affair.

Wear Beard or "Pay a Fine," Say Jaycee Clansmen Boosting Big Three-Day Rodeo

Oh, why did the Jaycees think of making the males wear a beard here in old Terry just about the time the hottest part of the year arrives? Why didn't they think of that during the ice age in January, when the "high shinnery" would have been some protection?

Anyway, the decree goes out that the males of this burg caught clean shaven before the rodeo comes off June 23-25, will have to ante up with a five dollar fine. In the meantime, the barbers are

all talking of a vacation on a river or lake somewhere in the USA.

To be perfectly frank, and not trying to dash some ice water on the program, we don't remember that the cowboys in the early days in Terry or Yoakum were given to any more beard than would grow between visits to the barber.

Indeed, when the old boys hit town, as soon as their nags were secured to the hitch rack on the west side of the square, they hit a bee line to the barber shop.

Early Day Settler Dies Here Saturday

R. W. O'Neal, early day settler in Terry county, died Saturday at noon, in the local hospital, where he had been under treatment for some time. The O'Neal family moved to Brownfield in 1920, but several years ago settled in Cochran county, when it began to settle up. He retired five years ago and moved to Seagraves.

Mr. O'Neal was a very liable citizen, and his friends were in proportion to his acquaintances. Funeral services were held in the Baptist church Monday afternoon at 3:00 o'clock, at Morton, with the Brownfield funeral home in charge.

Survivors include the wife; three daughters: Mrs. George Igo of Morton; Mrs. Vernon Bryant of Pecos, and Mrs. Willie Horner of Seagraves; four sons: Cecil O'Neal of Brownfield; Herbert O'Neal of Lubbock; Ansil O'Neal of Lovington, New Mexico; a sister, Mrs. Lucindy Reed of Stanton; a brother, Willie O'Neal of Haskell; 21 grandchildren and five great-grandchildren.

Crawford Again To Head VFW District

H. B. Virgil Crawford, local attorney, was re-elected District 7 commander, of Veterans of Foreign Wars, at the conclusion of a two day convention at Lubbock Sunday. A total of 800 were registered for the convention, many more than were expected.

Officers elected for the ensuing year were: Earl Creel, Lubbock, senior vice-commander; S. L. Edmonston, Levelland, junior vice-commander; Wm. F. Pennington, Lubbock, district chaplain; Robert Porter, Lubbock, judge advocate; Joe Dugger, Brownfield, adjutant, and Jewell Marbut, Lubbock, district quartermaster.

A joint meeting of the VFW and Auxiliary was held in the new vets memorial hall Sunday. There was also a barbecue and a memorial service. A number of national notables attended the convention.

BUILDING PERMITS

Lloyd Thomason received a building permit to construct a 14x16 ft. bedroom, at an approximate cost of \$1200, on his residence at 306 W. Ripley.

H. B. Stubblefield was issued a permit to make general repairs and to stucco a residence at 401 N. Second Street, at a cost of \$450.

Bears Still In Cellar of OB League

While the Seagraves Oilers still hold the top of the ladder position in the Oil Belt League, the unfortunate Brownfield Bears still hold the cellar against all comers. Up to Sunday, they had dropped every game of the seven they had played this season.

In the meantime, there are no meaner hitters in the league, but there seems to be a weak spot which we hope the management will find and remedy before the season is too far advanced. For instance, last Sunday, Post managed to nose out the Bears by staging four runs in the last frame.

Just to mention a few of the maulers, Anderson had 5 hits in six times at the bat; Bish took four of six; Russell twice in three times up. Let's more of us attend the home games and cheer up the Bears, or, for that matter, follow them if they are playing away from home. Bear Field is at the end of east Broadway.

Sunday's games resulted as follows:

Table with 5 columns: Team, W, L, Pct, %e. Rows: Seagraves (5-1-.900), Denver City (4-1-.800), Post (4-2-.700), Levelland (3-2-.600), Slaton (2-2-.500), Sundown (3-3-.500), Tahoka (1-4-.200), Brownfield (0-7-.000).

MILLERS TAKE BEARS IN NIGHT GAME

The Post Millers and the Brownfield Bears met Tuesday night, May 17, on the Post diamond in the Bear's first night game in the Oil Belt League for this year.

The Bears took the lead at the first of the game and held it until the 7th inning. Four Miller hits and several Bear errors decided the game and after the 7th inning, the Millers stayed a jump ahead of the Bears. The game ended with Post on top—14 to 11.

WOMEN, GIRLS TO SELL BUDDY POPPIES MAY 28

Next Saturday, May 28, in the offices, shops and stores, and along the streets of Brownfield Patriotic women and girls will take part in the 28th annual Buddy Poppy Sale of the Veterans of Foreign Wars.

The Ladies Auxiliary to V.F.W. Post No. 6794, sponsor of the sale, issued a call to volunteers to aid in this sale dedicated to veteran welfare. Mrs. A. H. Pierce, president of the Auxiliary, states that a splendid response was received from churches, women's clubs, the high school and other organizations.

This year's goal has been set at 1500 Buddy Poppies sold. The increase over last year's goal of 1,000 has been prompted by the increased living costs of disabled veterans who have not received a corresponding increase in government compensation.

As in previous years, the majority of the proceeds of the sale will be used for local veteran welfare projects. The remainder will be used to pay disabled veterans for their labor in making the poppies, to help maintain the C.F.W. National Home for war orphans and widows, and to aid the extensive national rehabilitation and service program of the V. F. W.

Strictly a non-profit venture the annual V.F.W. Buddy Poppy campaign is authorized by Congress for the purpose of bringing direct assistance to needy veterans, their dependents, and survivors of servicemen who are in need of help to acquire the necessities of life.

Main Attraction of Jaycee Rodeo in June

Monte Hale, rising young Hollywood western star, who will be the main attraction of the Jaycee Rodeo to be held here June 23-25.

Born in San Angelo, Texas, 29 years ago, Monte Hale has sandy hair, hazel eyes, stands six feet four inches tall, and weighs 210 pounds.

While he was appearing on a bond tour during the war, a talent scout spotted him and took him to Hollywood.

Since that time he has been a star in Republic western pictures. Mr. Hale rides, shoots, and plays the guitar and sings with all the poise and ease of a much older veteran of movies.

He lives on a ranch in the San Fernando Valley, where he spends his spare time writing songs, fishing, and hunting.

District Lions Meet Sunday And Monday; Cryer Nominated

A very interesting session of the Panhandle-Plains Lions held forth in Lubbock Sunday and Monday of this week.

The district governor, Curtis A. Cryer of Borger was nominated over Doyle A. Jackson of Texas Tech. Cryer is superintendent of Borger schools. Childrens made the only application for the 1950 convention.

The principal address was delivered by Dr. Eugene Briggs, president of Phillips U., Enid, Okla. Briggs stressed a better understanding of things and conditions, taking the five letters of Lions to stand for Liberty, Intelligence, Our Nations Security. A fine address was also delivered by the present President, Wm. R. Rutherford, of Dumas, who presided at most sessions.

Negro Man Injured In Street Shooting

Our usually quite little city experienced a bit of excitement here Tuesday about 11:45, when Wesley Loyd, colored, was shot three times. One pellet took effect in the shoulder, one in the bowels and one in the leg. The weapon was a .32 calibre pistol.

Loyd was rushed to the veterans hospital at Amarillo by a Brownfield Funeral Home coach. The victim was said to be in a very serious condition. Care Brown, colored, 23, is held in jail here pending outcome of the condition of Loyd. Brown went to Sheriff Murry and surrendered immediately.

The trouble is said to have arisen over Loyd's attention to Brown's wife. Only three shots were fired by Brown.

SWIMMING POOL TO BE OPENED SUNDAY

The Lions Club has announced that the city swimming pool will be open for business Sunday, May 29. Clyde Bond, Jr., will be general manager of the pool, and Joe Dale Scott will serve as life-guard.

Plans to give swimming lessons are underway, but no definite hours have been set. Watch this paper for a schedule of classes.

Jaycee Beard Contest Off To A Good Start

Beginning at 1:00 p.m. Monday, May 23, the Jaycees launched their beard-growing contest. Already this contest is meeting with success, and people who are curious as to whether or not the men in Brownfield have lost their razors (or if the barbers have gone on strike) are finding out about the contest.

For the men in Brownfield who have to get rid of their whiskers, shaving permits will be issued, at \$5.00 per permit. Deputy sheriffs of each civic club in town have been appointed to issue the permits and levy fines of 25c for each shaven renegade and outlaw who is caught.

Money derived from fines and permits during this community-wide contest will be used for prizes for the best beards. The contest will be divided into three parts, with prizes given for the best full length beard, the best goatee, and the best "wild set."

Clubs Plan Concert in Town 28th

THE first of a series of five summer band concerts, sponsored by the Lions and Rotary Clubs, will be presented Saturday, May 28, at 5:00 p.m., in the Band Shell on the courthouse lawn. These concerts will feature local talent, as well as outstanding talent from nearby towns.

Crawford Taylor, a member of the Lions Club, will act as master of ceremonies, and the band will be under the direction of Richard Young, band instructor in the Brownfield High School.

The programs will be of an hour's duration and will be amplified so that the music will be audible to everyone. This type of presentation is new to the Lions and Rotarians, and if these concerts meet with public approval, it is hoped that they may become an annual affair.

The band will be comprised of high school students now attending summer band school at the local high school, and exes of the local band and of other bands. Invitations have been extended to former band members and adults who used to play in school bands, to participate in these concerts. Any person wishing to play with the group in the Saturday concerts is invited to attend the rehearsal each Friday night at 8:00 o'clock, at which time preparation will be given the program numbers.

Instruments, such as basses and trombones, can be furnished by players who have long since disposed of the instruments.

Special talent, such as instrumental and vocal solos, quartets, and larger ensembles, are to be presented from time to time throughout these concerts. Richard Crawford, vice-president of the First National Bank in Lamesa, and a former cornet soloist and conductor at Cincinnati Conservatory, is slated to appear at one of the concerts in the near future.

Program numbers will consist of marches, overtures, light classics, and popular music.

The public is cordially invited to attend all the concerts.

Pre-School Round-up Said Very Successful

Approximately 36 pre-school children received smallpox vaccinations and physical examinations last Thursday and Friday, May 19 and 20, at Jesse G. Randal school, Mrs. Irene Griffith, county health nurse, and Dr. Frank P. Miller, county health doctor, stated.

Members of the Jesse G. Randal Parent-Teachers Association assisted Mrs. Griffith and Dr. Miller with the round-up, by registering the youngsters.

There are many pre-school children who still have not been vaccinated for smallpox or inoculated for diphtheria and whooping cough. Parents are urged to have their personal physicians or someone at the county health unit give their children proper immunization before they start to school next year.

JACK GRIGGS NEW LION PREXY

New officers for the coming year were elected at the regular meeting of the Lions Club at the Esquire Cafe Wednesday, May 18. The officers will be installed at the first meeting of the club in July.

Jack Griggs has been elected as the new president, and with him, Dr. T. H. McIlroy will serve as first vice-president; A. H. (Andy) Anderson as second vice-president; Crawford Taylor, third vice-president; James Warren, secretary; Dr. R. E. Klotfanda, Lion Tamer; and Clifton Jones, Lynn Nelson will serve as new directors with Les Short and J. B. Ricketts, who are hold-overs.

Miss Bennie Tapp, daughter of Mr. and Mrs. W. W. Tapp, has been voted "Miss Who's Who" at Lon Morris Junior College at Jacksonville. Miss Tapp will graduate this year.

It appears that at least some of our state officials are now on the verge of compromising the tidelands suit with the Federal Government, and particularly the present administration, the main prosecutor being of course, one Atty. Gen. Tom Clark, so-called Texan. In fact, Truman's supreme court has already agreed to allow Clark to sue Texas and Louisiana. Some think perhaps that a bit might be saved for the school children of Texas, by compromising with the Federal Government. This includes the Lieutenant Governor, but the Texas Attorney General wants to go on and fight to a finish. To our notion, a compromise and an understanding with those birds in Washington is just about like trying to get an understanding with Stalin and Molotov.

Don Morris, president of Abilene Christian college, poses one for Texans as well as the people of the United States to consider. Of course we hear a lot about what the Communists are trying to do to the United States. There are many other worries and pes-

tilences. Indeed we hear of the broken homes, juvenile delinquency, etc. But are we really trying to go to the bottom of the matter. President Morris thinks not. What is causing all the divorces and broken homes, crowded orphanages; the delinquent children that are roaming our streets and alleys, and in many instances taking things belonging to others, and finally landing in houses of correction or reform schools. According to the above authority, it is in many instances misdated couples, hasty marriages, etc. Instead, young people are not sufficiently taught the deep meaning and sacredness of marriage vows. Many states are making money undoing what some other places are doing at the marriage altars. In fact, many regard the sacred vows of marriage as just a trial affair to see if it is a failure or happy condition. With this general idea in view, is it any wonder that the statistics show that 26.3 percent of marriages out of every 100 go on the rocks and ends in the divorce courts, perhaps handicapping a lot of children for life? But Mr. Morris says that the students of ACC are taught the sacredness of marriage, and that the Bible means just what it says "until death do us separate." As a consequence, in the 43 years of that institution, marriages contracted between their students have had a divorce rate of 1-5 of one percent. President Morris recommends more family reading of the Bible; more family prayer, better attendance at church and Sunday School for both parents and children. We can only hope that other schools of our great state and nation are doing something along the line of ACC in stopping this hideous wrecker of our family life in America.

Seeing a number of articles in the press of late regarding the promiscuous sending of invitations to graduating classes, we have wondered just what the custom is, if any. One editor figured out that if he received 32, and that the average present was \$1.79, that would be pretty dear on an ordinary country editor. But to make it more interesting, the humorous editor put the figures at \$2.00 each, and made it a \$64 question. The writer and perhaps many others here in Brownfield have received invitations this year from parties we did not even know, or had heard of. In the early days of the city when there were from three to a half dozen graduates, it was not unusual to get one from each, and of course you knew the send-

## THE AMERICAN WAY

Making Lenin A True Prophet

er and their families quite intimately.

We note that a lot of towns, Lubbock and Tahoka to mention some nearby, are holding public forums, or if you like the old townhall meetings that run back into colonial times. Personally, we are glad to see these meetings revived. What the people in such a meeting agree on, at least a majority, can usually be put over. And there is not another crowd that feel that they have been slighted by the higher ups, and the wool pulled over their eyes. Such forums could in fact be applied to county, city or school district meetings, especially if a step is being taken to involve the county, city or school in a bond issue or other indebtedness. We figure that the townhall or forum type in approaching an issue that concerns all the people, is a mighty good way to keep local strife to a minimum.

The Dallas Morning News posed a question recently. The idea was that it was not always communism that is so opposed to capitalism or "big business," but pure ignorance. So often we note in some of our exchanges, not the large dailies, but mostly weekly papers such as the Herald, that the editor takes a crack at capitalism or big business as they are wont to call it. What is big business composed of? It is the combined savings of thousands of small investors, who have had enough foresight in life to save a bit of money instead of blowing it all in. Very seldom do we find that a little band of two to a half dozen own any big concern. And it is the ambition of a real good official of these companies to try to make the concern pay a respectable dividend on the stock owned by these thousands of small men and women who have invested in them. A lot of times this ignorance is genuine; many other times it is feigned in order to make these papers appear in a favorable light to the "horny handed." Wonder if the guys that are always yapping about capitalism have ever stopped to think that the U.S.A. would have lost two world wars had we not had a lot of big business and long assembly lines? We often wonder if these editors ever stop to think what their papers and presses would cost them if there were no big factories. They have probably heard what a hand built auto costs, but since they are out of the class of most of us country weeklies, we never stop to think what it would mean if applied to material we have to use every day in a printing plant. We admit material costs a lot of money as is, but suppose a job press had to be built in an ordinary blacksmith and machine shop? Both kinds of ignorance is bad, but the feigned kind is simply dangerous.

Many profess to be surprised that Sam Rayburn does not make his position clear in regard to

the Federal steal of Texas tidelands. However, most Texans, whether Trumanites, Dixiecrats or Republicans, already recognize the fact that old Tom Clark has been sold down the river. But they still wonder what the fat balding boy from Bonham thinks. That is an easy one. Sam had already compromised when he lavishly entertained President Truman in his Texas home last October. We are also aware that Truman has stated on probably more than one occasion that he cannot stand compromises. It is his way or none. He cannot understand why congress does not do his will and pass his "civil rights" laws and repeal the Taft-Hartley act. If congress ever fails to have a will of its own, we are gone fawnskin, world without end, heading into adictatorship no less than the one in the Kremlin.

### Rail Board Announces 176 Oil Wells Completed in Week

Austin —(AP)— Completion of 176 oil wells this week was reported by the railroad commission today. This year's completions total 3,339 compared with 2,716 for the same period last year. There were 12 gas wells completed and 79 dry holes. Wildcat operations resulted in nine oil wells, two gassers and 43 dry holes. Eighty-one dry wells were plugged, as were 26 oil wells. The total average calendar day allowances as of today was 2,029,007 barrels compared with 2,019,442 a week ago, an increase of 9,565 barrels daily.

### STRICTLY FRESH

WITH the coming of the buyers' market, salesmen in all walks of life are having to step a little faster.

The government is conducting a campaign to hike egg consumption. That's the right approach.

There's nothing like a good hot campaign to increase egg consumption.

A 100-year-old pillow and feather-bedding company was sold recently for \$1,000,000. Pretty soft, eh?

## Low Down From Hickory Grove

This old Sunflower—Mr. Alf Landon—guess he might read my stuff, it circulates considerable there between Dodge City and K. C. But braggin' to the side and getting out of the picture myself—Uncle Alf would have made us a good boss man.

You have beat around the bush long enough, says Henry, say whatever it is you are driving at and have it over with. Alright, says I, be irritated and petulant if you choose—I will consider the source and remain tranquil. And here is what Uncle Alf told them there in Topeka—"if Congress, he says, would now get the immediate needs of gov't. behind it and adjourn and come on home, business would pick up pronto." That is what he said—not exact words, but within gun-shot of same

I been harpin' on the same idea—provide for immediate needs—cut out the social and socialistic fummiddles and fiddlin' around. But I am not boosting Uncle Alf as a smart hombre and Kansas as a great state just because I rode into Topeka and picked up my little bride Susie—and am now afraid to say anything except something flowery for her home state. No sir.

One good reason for getting Congress home is on account it is so near the U. S. Treasury there—and seeing the money printing shop running day and night, it seems to pick up the idea it must stick around and spend every dollar that rolls off the presses.

Yours with the low down,  
 JO SEIRRA

Commercial broiler production where 5 thousand to 40 thousand broilers are produced each 10 to 12 weeks on the farm will continue to increase the sales of the ready-to-cook poultry. And this also tends to increase quick frozen poultry on the market and consumer acceptance if a high poultry and price ratios are favorable.

### CITIES SERVICE GIVES THE SEMINOLE FIELD BIG WELL

A report from Cities Service Oil Company, Bartlesville, Okla., division, states that Cities Service and Atlantic Refining Co. have given the West Seminole field of Gaines County, Texas, its largest oil well to date in their Northrup No. 1. The well was completed for an initial flowing potential of 550 barrels of oil daily and is producing from the San Andres lime between 5,058 and 5,140 feet. It is located at the south edge of the field, center SW SE Section 355, CCSD & RGNQ survey, Block G.

The West Seminole field was discovered by Cities Service and Atlantic, who now have six producing wells. There are five other producers in the field.

Exactly 701,243 spectators have witnessed Santa Clara-California football games since the rivalry began in 1898.

# 49 PONTIAC

\*Hydra-Matic Drive, white sidewall tires, bumper guards and fender shields available at extra cost.

## America's Lowest-Priced Straight Eight!

WORLD'S SWEETEST ENGINE!

You really don't know what topflight performance is until you've driven behind the great Pontiac engine. Its power, its quiet smoothness and its economy are a revelation—and will be for miles and miles!

Until they see the actual figures, few people realize that the big, beautiful Pontiac eight is America's lowest-priced straight eight. Not only does it undersell all other straight eights by a substantial margin, but it actually costs less than many six-cylinder cars!

The fact that the Pontiac eight gives so much for so little is the basic reason for the great and growing popularity it enjoys.

Pontiac has distinguished appearance, and distinctive Silver Streak styling. Its spacious body is Fisher's handiwork upholstered and appointed. It offers the amazing driving ease of GM Hydra-Matic Drive.\* And it carries the well-known Pontiac promise of long life and fine, dependable performance over the years.

We honestly believe that no other car carries such definite assurance of really enjoyable performance at so low a cost. We invite you to come in and take the wheel yourself. We're sure you'll be very pleasantly surprised.

### Three Types Barley Suggested As Best For Texas Growers

(College Station Service) THERE are three types of barley available that may be grown successfully in Texas, according to J. E. Adams, head of the Texas A. & M. College department of agronomy.

Results of recent tests by the Texas Agricultural Experiment Stations in the northern part of the Rolling Plains indicate recommendations of fall seeding of the arue-winter type varieties in this area as well as in the Panhandle. These barley variety tests were conducted under the supervision of Superintendents J. Roy Quinby, of the Chillicothe substation; L. E. Brooks, of the Iowa Park substation, and Dan I. Dudley and I. M. Atkins, of the Denton substation. Other tests were run at Greenville substation, where D. I. Hooten is superintendent, and at Stephenville under the direction of Superintendent B. C. Langley.

The cold resistant true-winter type varieties recommended for the Rolling Plains and the Panhandle areas include Reno, Ward, Wisconsin Winter, Michigan Winter, and all strains of Tennessee Winter. None of these varieties is recommended for spring seeding, these substation superintendents say.

The fall habit growth of these strains is similar to that of the winter wheat with narrow, dark green leaves that lie flat on the ground, says Dr. Adams. For the Texas conditions, Reno and Ward are the best varieties. At the Denton, Greenville, Iowa Park, Chillicothe and Stephenville substations, Reno yielded 24.5, 22.7, 40.3 and 23.4 bushels per acre respectively. At these same stations, Ward yielded 27.2, 22.2, 42.8, 34.6 and 20.6 bushels respectively.

Intermediate winter-type varieties for Texas are Wintex, Tenkow, Texan, Smooth Awn 86

### BEES DISRUPT TRAFFIC

Herschel Potty, Big Spring, Texas, garageman, removes a swarm of bees from a traffic light in Big Spring, May 10. Traffic on U. S. Highway 80, which passes the light, was moved with caution through the intersection after the bees covered one of the red lights of the signal. (AP Photo)

and Texas Winter. These varieties are less cold resistant but usually survive. And where they can be grown are generally more productive than the fall seeded types, Dr. Adams says. They also have the advantage of being planted as late as February 1 with fairly satisfactory results. The intermediate varieties produce quicker and more abundant fall pasture than other barley types.

Wintex and Tenkow are the high yielding strains well suited to fall seeding in the North Central and Rolling Plains of the state. They do have their disadvantages, too, however, in

### Five "S's" Real Way To Keep Hens Rappy

(College Station Service) THE five "S's" of poultry laying house sanitation introduce the new poultry circular recently released by extension poultry husbandmen of Texas A. & M. College.

Cleaning and disinfecting the poultry house and equipment makes for healthier disease-free birds. And it's one of the first important steps in getting maximum egg production. The five "S's" of laying house sanitation are scrape, sweep, scald, scrub and spray, say the extension poultry specialists.

The new circular, officially known as C-260, "Keep Hens Happy," also has information on disease and parasite control including coccidiosis, fowl pox vaccination, and reduction of internal parasites by frequently moving the range shelters to clean areas.

Two other points brought out in the new circular are the separation of old hens from the younger pullets and the space needed per bird in the henhouse. Older birds are sometimes disease carriers of roup and range paralysis, and for this reason the old hens should be kept apart from the young pullets.

Each hen needs three or four feet of floor space, eight to ten inches of roosting space, three to four inches of feeder space and one nest for every five hens. And keep them supplied with plenty of clean water and feed, the specialists say.

Texas poultrymen who are interested in this circular may find one available at the county agent's office.

Just ask for C-260, "Keep Hens Happy."

### WHAT THEY DID WHEN NO DOCTOR WAS HANDY

Austin — (Spl) — There wasn't a doctor handy when the daughter of a Texas pioneer had her finger almost severed, so the mother put the finger back in place, packed dirt around it, and wrapped it with a rag.

Today the finger is as good as new, Mrs. Hi Willis, 73, one of the only two survivors of the early town of Nesterville in Wichita County, relates in a story told to Bobby Lovelace of Wichita Falls senior high school.

Young Lovelace has written down experiences of Mrs. Willis as member of a pioneer family in the current issue of the "Junior Historian" magazine published by the Texas State Historical Association which has headquarters at the University of Texas.

Mrs. Willis came to Texas with her mother in 1878 and remembers a friendly Indian named "Chief Jack," who often came to eat with the family.

"Each time he came to eat," she said, "he would bring a different wife so that his wives could learn to eat as the white people did."

Mrs. Willis' parents, the S. P. Hawkins family, settled near the early trading post of J. G. Hardin (a point now in the bend of the paved highway one-half mile south of Burkburnett) in the fall of 1879.

### YOURS—FOR THE COOLER SUMMER

(College Station Service) YOU may not be able to do much about the temperature this summer, but you do something about your house to keep a little cooler.

Inside house temperatures may be from 10 to 15 degrees cooler with insulation than without it, provided the house has enough ventilation, says W. S. Allen, extension agricultural buildings engineer of Texas A. & M. College.

The insulation itself won't cool the house, but it will keep the heat outside during the day. And along with night ventilation, the shading of the windows, awnings and shade trees near the house, insulation helps provide better cooling. The difference will be enough to make any house more comfortable when the mercury climbs high, Allen says.

Any home exposed to high temperatures in the summertime needs insulation, and the higher or lower the temperature, the greater the need for it. Here in Texas it's most beneficial in the summer. Reflective insulation, which comes in metal foil or in sheets, helps keep the sun's heat out of the house during the day, and allows for rapid cooling at night. So it is well adapted to the South, says Allen.

Your house may be made cooler this summer by proper use of insulation. And don't forget that the fuel bills will be less next winter, too.

t-r, wIS - OIN OIN N

Abilene is to be highly complimented. They seem to have both drivers and pedestrians well trained to be careful. There has not been a death from traffic accidents in 705 days, and that is just 25 days short of two years.

### HOW HOOK WORM DISEASE STARTS

Austin — (Spl) — Hookworm disease is found frequently in those communities where sanitary toilet facilities are inadequate—and where infected human excreta is permitted to contaminate the soil. Persons who come in contact with that soil, either by going barefooted or by handling the dirt, contract hookworm disease when the hookworms from such soil bore through their skin and make their way to the human intestine.

"The main characteristics of hookworm disease," says Dr. Geo. W. Cox, State Health Officer, "are listlessness and apparent laziness, and many a child and adult has been called lazy, when in reality he was suffering from hookworm disease. Sometimes there is abdominal pain, nausea, and diarrhea, but this is unusual."

Inability to perform efficient work, and general weakness of the patient make this disease not only a public health but an economic problem, and it can be eliminated only by carefully following two steps: first, providing sanitary disposal for the human wastes, and by treating until it is cured, all infected persons. When the infected persons are cured, and can no longer transmit the worms to others, and when safe sewage disposal is at the command of all homes and communities, then hookworm disease need no longer cost the people of Texas the tremendous sum

**Dr. Royal E. Klofanda, Jr.**  
**VETERINARIAN**  
3 blocks West Copeland St.  
Phone 900F3

that it now does, annually, both in money and sickness. Dr. Cox stated that the treatment of hookworm disease should be done by a competent physician and not by self-medication. Full information for building sanitary privies may be had upon request from the Texas State Department of Health, Austin.

Miss Olga Fitzgerald visited her aunt, Mrs. S. I. Johnston in Lubbock over the week end.

Mrs. Viola Smith and children were business visitors in Lubbock Tuesday.

**"Texas Unlimited" Received Monday**

We finally got that big 438 page edition of the Dallas Morning News, officially designated as "Texas Unlimited." It was Monday afternoon late when we finally got our paper, although they were on sale Sunday by the distributor here. A few bought at the newsstand, as they could not wait until their mail edition came in.

Well, it was worth waiting for, as it lived up to advance announcements. It was full of facts, figures and illustrations of Texas and the southwest. No one will be able to master that paper in a day or two or three of them. So, our issue is stacked away and will be digested a section at a time, as we have time.

Anyway, we certainly appreciate our Texas Unlimited. There is a lot of history, some in the long past, rolled up in this issue.

**NOTICE! ALL OUTLAWS AND RENEGADES**

Spokesmen for the Jaycees announce that, in conjunction with the beard growing contest, which will last through June 25, all men must wear mustaches for the rodeo. Fines will be levied on any man caught with a smooth upper lip.

**TOKIO HD CLUB SEES DEMONSTRATION**

Mrs. W. C. Chenault was hostess Wednesday, May 18, when the Tokio Home Demonstration Club met with her.

Mrs. Wesley Sherrin gave a council report. Miss Helen Dunlap told of the interesting tour the clubs made in Lubbock county. Tokio did not send a delegate on the tour.

Mrs. I. W. Bailey read a report which Miss Dunlap had sent to the Farm and Ranch magazine, describing how the Pool Home Demonstration Club had improved their community by organizing a recreation center.

Miss Dunlap gave a demonstration on "A Well Equipped Bed."

Nine members were present. The club meets with Mrs. M. C. Duffy on June 1.

**MRS. SUDDERTH HOSTESS TO COUNTY LINE CLUB**

The County Line Home Demonstration Club met in the home of Mrs. Homer Sudderth May 20. Seven members answered roll call.

The council delegate, Mrs. I. L. Smith gave a very good report.

Delegates elected to attend the Texas Home Demonstration Association meeting at Mineral Wells were Mrs. George Alexander, with Mrs. Homer Sudderth as alternate.

"Work Simplification" was studied, and "Bed Making" was demonstrated.

Mrs. Alexander the first Thursday will be demonstrated.

The next meeting will be with Mrs. Alexander the first Thursday in June, which will be June 2. "Cold Drinks and Ice Cream" will be demonstrated.

**GOOD SHOWERS FELL WEDNESDAY NIGHT**

Rains ranging all the way from an eighth of an inch to an inch seems to have fallen over the trade area Wednesday night. A farmer who resides northeast of Plains reported an inch, and stated it was light in places and heavy in others between here and his place.

Another farmer living 12 miles northeast of town stated he thought he had an eighth of an inch. Probably the fall would average a quarter inch. The fall here was 37/100. Rain to date this year, 10.55 inches.

**PLAINS NEWS**

Jake Ellis passed away Saturday in a Waco hospital. He was buried Monday morning in the Tahoka cemetery. He is survived by his wife and one son, James, and one daughter, Levene.

Eddie Tingle, the son of Mr. and Mrs. Sherm Tingle, is in the Lubbock Memorial Hospital with pneumonia.

Jimmie Lee Camp is visiting in Albuquerque, N. M. and Phoenix, Ariz.

Mr. and Mrs. H. M. Banta and children visited his parents in Ralls Sunday.

Mr. and Mrs. Red Whisnant and family, Mr. and Mrs. Duane Dumas and family, all of Andrews, Mr. and Mrs. Chalk Dumas and family of Seminole, Mr. and Mrs. Ed Dumas and family and Mr. and Mrs. Woodie Houston and Vonal were guests Sunday of their parents, Mr. and Mrs. M. E. Dumas.

H. B. Virgil Crawford went to Sundown Wednesday night in the interest of organizing a VFW post there.

**NEEDMORE HD CLUB MEETS WITH MRS. McCALLISTER**

Mrs. Loyd McCallister was hostess to the Needmore Home Demonstration Club on Friday, May 13. Mrs. Lee Bartlett was in charge of the program.

Miss Helen Dunlap, county home demonstration agent, gave an interesting talk on "A Well Equipped Bed." The demonstration consisted of the making of bedding and caring for it.

All the members expressed their hope and good wishes for the coming operation for little Mary Frances Smith, daughter of a club member. Mary Frances has been in the Scottish Rite Hospital in Dallas.

Refreshments were served to five members, Miss Dunlap, and one visitor, Mrs. Woodie Tudor.

The next meeting will be with Mrs. Max Kiser.

**POOL HD CLUB MEETS WITH MRS. M. HOWARD**

The Pool Home Demonstration club met in the home of Mrs. Major Howard May 24. Seven members answered the roll call and two visitors were present. Report on the bake sale was given.

Mrs. Salsbery was selected as delegate to go to the short course at Lubbock. A Standley party was held before the club meeting. Refreshments were served.

—Reporter

**NEWS FROM THE SERVICE OFFICE**

All veterans of World War II who are at present drawing a service connected disability compensation and who have other disabilities where no official records are available should contact their service officer. Bring all the papers you have received from the VA and submit the names and addresses of at least three of your buddies who served with you and have knowledge of your service disabilities.

The service officer will be glad to write a letter of instruction to your comrades and procure an affidavit for proofs of service or injury while in the service.

Every veteran who is now drawing a pension or compensation should contact the county service officer and sign a power of attorney. This gives the organization service officer the right to examine your case file and give him a chance to advise you how to obtain many other benefits that you may be entitled to receive. All service rendered to veterans by your power of attorney costs the veterans nothing.

Just as the big blow and rain hit town Wednesday night, the fire department had to make a run on south 3rd to a trash fire. Some people sure do pick funny times to start fires.

**FLACHE HAS 100 ACRES OF COTTON UP**

Mitchell Flache was in Wednesday from the farm in south Terry and stated that he had 100 acres of cotton up, and another 100 that would be up in a few days.

Mitchell stated that he did not think the Union community has had as much rain as around town, but plenty for present needs.

**ERRORS IN FURR AD**

The Herald is sorry that a couple of errors occurred last week in the Furr grocery ad. Corrections were marked in the proof, but got by some way.

We believe these to be the only errors in their ad in some time, but we regret them just the same.

Mr. and Mrs. W. W. Tapp left Tuesday for Bryan, where they will attend the graduation exercises of their son, Paul, who has been attending Texas A. & M.

*May Party Peaches* Peach Family Style

- 1 No. 2½ can cling peach halves
- ¼ cup granulated sugar
- 1 tablespoon chopped mint leaves, or a few drops of mint extract
- 2 tablespoons lemon juice
- 1/3 cup orange juice

Drain Peaches, reserving syrup. Combine syrup and sugar; boil 2 minutes. Remove from heat; add mint and fruit juices. Cover; let stand until cool. Strain over peaches. Chill peaches in syrup. Serves 4 to 5.

Luscious sun-gold California peaches spooned right from the can! By far the biggest, brightest, best-tasted peaches your money can buy! Full of real fresh-picked peach flavor. Smooth, firm texture. Deep golden color. Exactly the peaches you want for pies, cakes, desserts, salads; or to help make other foods go farther. A smart buy! Priced right. Hundreds of uses. Keep them handy for company or everyday good eating.

VFW Plans Memorial Day Service in City Sunday, May 29th

The Hand Brothers Post, No. 8794, has planned a Memorial Day program here for Sunday, May 29th. An impressive ceremony is planned, and the general public is cordially invited to be present, as graves at both cemeteries will be decorated.

Members of this post also state that it is their intention to make the program an annual affair. The spokesmen for the organization also let it be known that the reason for the program on Sunday before Memorial Day, which falls this year on Monday, was that it would make it possible for more people to attend.

SAYS CYCLONE PASSED OVER TOWN FRIDAY

Henry Chisholm is our authority for the statement that he believes a cyclone passed over Brownfield Friday morning (13), around 9:00 o'clock. Of course, it never hit the ground, but Henry stated that it roared like a freight train.

Frankly, those cyclones are getting too frequent to suit us, and if we had an automatic spade, we'd start a storm house.

DISASTER COMMITTEE AND RELIEF STATION SET UP

Monk Parker, disaster chairman for the Terry County Red Cross, is completing plans to set up a special disaster committee and relief station for emergencies.

A. W. Turner, Jess Smith, Bob Hodge and Henry Newman, spokesmen, announced that the First Baptist Church in Brownfield will be offered for use as a relief station in the event of any emergency in Brownfield and Terry County.

THE QUADS PROVED TO BE PUPPY DOGS

Editor W. J. Hale of the Youkum County Review, Plains, had us hanging out on a high limb by one hand this week, when he put a four line local news item in his paper as follows: "Quadruplets have been born to Mrs. Penny at the trailer camp, three boys and one girl. Mother and babies doing well."

Well, we bit, as human quads are rare in any man's country and carelessly reading the article, decided to call Bro. Hale, and perhaps put the big news on the AP wires.

"Just a mammy dog had pups," Editor Hale said, when called up on the telephone. Nothing rare in four pups at a time.

Blossoms in the Rain

Rain doesn't dampen the spirits of these Japanese children on their way to view the famous cherry blossoms on the Plaza of the Tokyo Imperial Palace. Although bad weather shortened the life of the blossoms, thousands of visitors poured into Tokyo for the annual festival of "Hanami," or "Cherry Blossom Viewing Time," which amounts to a national holiday in Japan.

Local News Of The Long Long Ago

(From Early Files of The Terry County Herald)

MAY, 1909

W. G. Hardin has purchased the Connell interest in the lumber yard here. Purchase includes the lots, sheds and office building. (Located where new State Bank building is being erected).

O. M. Daniell, one of the trustees of School District No. 6 (Brownfield) furnished the Herald the following information concerning the district: Pupils of scholastic age ... 109 Houses in district ... 91 Windmills ... 62 Total population ... 462

The Maids and Matrons club will serve dinner June 15 for the purpose of raising additional funds for benefit of the library.

J. C. Preston is having a well drilled on his place as it is too dry to do anything else until it rains. Corn planting time is here and not a grain in the ground. (April 24, 1909.)

APRIL, 1919

Two of the soldier boys, belonging to the 133rd Field Artillery, came in this week, being Hugh M. (Dube) Pyeatte and Bunyon Odum. While of the same regiment, the belong to different batteries. The war closed before the boys saw active service, but they were both then overseas.

We are glad they got back, without having to face Hun bullets.

Messrs. Aut Graham and Arthur Sawyer are loading out a car of corn this week for a grain company in Lubbock. This was

the second and last car for the season for these gentlemen.

Born to Mr. and Mrs. A. A. Sawyer, a girl, Dec. 9, 1919.

Twins, a boy and a girl, were born to Mr. and Mrs. F. M. Cornish out on the start route, last Friday, May 10.

The M-System store, operated by J. E. Michie, was advertising golden yellow bananas at 19c per dozen; gallon blackberries, 49c. Chisholm Grocery was selling 25 pounds sugar at \$1.49; No. 2 1/2 peaches, 15c.

County visited by terrific sandstorm, comparable only to one on Thanksgiving, 1927. Luckily, little was planted by most farmers. Lee Lyon had about 90 percent of his cotton planted. Henry Franklin had some cotton, up and looking well until Wed. J. J. Gaston remarked that his seed was still in sacks, waiting for spring. C. H. Hester told his folks that he was like his folks in Navarro county—no seed to waste until sandstorms over.

1929

The City Dads are negotiating for a new gas engine that will develop 300 HP. This is a far cry from the little 80 HP, installed in 1923. At that time, some of the wise old timers predicted that as soon as this engine wore out, we would all go back to oil lamps. The West Texas Gas Co. guaranteed to have gas in Brownfield by August to care for the new engine when it arrived.

It now appears that the foot-mouth disease quarantine line in Old Mexico, will have to be moved further north toward the Texas line as the disease has broken out in a new place.

GUARDSMEN TO LEAVE FOR CAMP HOOD JUNE 5

Six men will leave June 2 for North Camp Hood, where they will prepare the camp area for the arrival June 6 of the local National Guard Unit. Pfc. Charles W. Arthur, Pfc. Frank D. Roseman, Ret. Herbert A. Dean, Ret. Billy Jack Little, Ret. Ira C. Brackett, and Pvt. Dean May will make up the party and will take with them all the equipment the unit will use during the 15-day training period at Camp Hood.

RED CROSS ASKS \$50,000 FOR AMARILLO AID

Lewis Simmonds, head of the Red Cross chapter here, has received a dispatch from the Dallas headquarters, in which they are asking the help of newspapers and radio stations in obtaining at least \$50,000 to be used in Amarillo in the maintenance of eight full time Red Cross helpers, now on the grounds.

Necessarily, there will be a lot of other expenses, such as food and clothing, medicine. A number of places are contributing blood, mostly from the National Guard Blood Center at Wichita, Kansas. Canteens have also been feeding rescuers.

If you wish to donate money, send it to the local Red Cross Chapter, who will see that it is sent to the place where needed immediately.

FOUR ALARM SNAKE

McALESTER, Okla.—(AP)—The boys at the fire station were sitting around enjoying some checkers when all of a sudden it happened.

Some one yelled and the fire ladders jumped up and started running as if there were a four-alarm fire. A snake had slithered into the station!

STAYS SILENT... LASTS LONGER

Servel The GAS Refrigerator

YOU SAVE UP TO

\$35.00

ONLY 10% DOWN 24 MONTHS TO PAY

STAYS SILENT LASTS LONGER

Only Servel makes ice and cold without using any moving parts at all. There's no motor, no valves, no piston or pump. No machinery that can wear or get noisy. Just a tiny flame does the work. So it stays silent, lasts longer.

BIG FROZEN FOOD COMPARTMENT ... EVERY MODERN CONVENIENCE

Servel brings you extra value in many other ways, too. It's bigger, roomier, with lots of space for everything. And it has all those latest features a family wants. Special low-temperature compartment for frozen meats, vegetables, fruits. Ample ice cube trays with quick trigger releases. Dew-action fresheners that crisp up vegetable. Plastic-coated shelves. And a flexible interior that can hold even bulky foods—a large watermelon or good-size roast.

SIX MODELS... IMMEDIATE DELIVERY

Come in today and see the new Servel Gas Refrigerators for yourself. There are six beautiful models to choose from—one that will exactly suit your needs and pocketbook. And remember, you can get immediate delivery—no waiting.

HARDWARE

**GRASS IS GOOD BUT FIELDS ARE FOWL**

The some 270 mile stretch of road between here and Brownwood has on its Sunday clothes. In fact, we don't remember ever seeing the grass in pastures as good as this year, and the cattle and other livestock are getting fat, fast. The only fly in the ointment is the many foul fields, especially below the cap, in the Abilene-Sweetwater section.

Most of west Jones, Fisher and Scurry, have been planted or the farmers have done a better job on the weeds in the fields. But the most cotton up and shining was seen in south Terry, Dawson and north Howard counties, principally in Dawson. They had less packing rains than most of the rest of the area. In Callahan, Eastland and Brown, they do not go so heavy on cotton, but they sure have some pretty wheat and oats. Some of the wheat is beginning to ripen.

Found the children all well, and school will be out this week at Bangs, when Herman can devote more time to his "hot-rod." A year or two ago, it was boats. His hobby is now definitely in favor of the hot rod. He already has sit running, and drove it down to the lake Saturday afternoon but as he had not built a body and seat, we did not choose to take a spin in it.

Mrs. Graves, Herman's mother, is still the fisherman of the family, and it was through her good graces that we had all the fish we could eat Saturday night at supper. She always keeps a supply on quick freeze for emergency.

The three of us, Old He, wife and grandson, Jack Taylor, had a good time on the trip, even if our car did get a shot as a furnace every few miles as we went down. Plenty to eat and good beds to sleep in. What more could we ask?

**POLIO VICTIM WINS CAA FLYING TICKET**

Marion William Mohrie (left), 24, former Air Force flight instructor, wins another victory over infantile paralysis which paralyzed his legs. He is receiving his private flying license from CAA agent Norwood C. Mood at Highland Park Airport, Dallas, Texas, May 12, after passing test flights. Mohrie was struck by infantile paralysis in the air while instructing three students in a C-45 near Big Spring, Texas, on September 12, 1945. He spent months in an iron lung and was bedfast for a year and a half. (AP Photo)

It's perfectly all right to place biscuit dough in the refrigerator for several hours before using. If you follow this procedure be sure to wrap the dough tightly in waxed paper or aluminum foil.

Eggs and canned corn are expected to be in plentiful supply in Texas during May.

**How to Get a Better Buy in Your Butter**

COLLEGE STATION—“You'll get a better buy in butter if you'll look for a U. S. graded product,” Myrtle Murray, extension home marketing specialist, of Texas A. and M. College points out.

Today's packaged butter cannot be tasted for quality as grandmother used to do before buying by the crock or in the bulk. The modern homemaker, however, has an even more reliable guide to quality—and that is the U. S. grade.

“The letters U. S. in front of the grade on the carton or label mean that the butter has been graded by an authorized grader, under the continuous inspection of the U. S. Department of Agriculture,” Miss Murray explains. “These graders are highly trained experts, with special training for the job and keen senses of taste and smell.”

The highest grade under U. S. standards is U. S. Grade AA or 93 score butter, which is tops in quality and has a fine, highly pleasing flavor. Ranking next is U. S. Grade A or 92 score, which is good quality with a pleasing flavor. U. S. Grade B or 90 score is satisfactory table butter but lacks some of the finer characteristics of the two top grades.

“U. S. Graders also carefully examine butter for body, color and salt before giving it an official grade,” Miss Murray concludes. “If the homemaker buys either of the two top grades, she can be sure that the butter will be delicious, warm or cold, served as a sauce, melted on waffles, or spread on a slice of bread.”

**14 Cases Diphtheria Reported in The State**

AUSTIN—With 14 reported cases of diphtheria within the past week and a total of 397 cases reported in the first 19 weeks of this year, Dr. Geo. W. Cox, State Health Officer, is urging Texas parents to have their immunized children Shick tested to determine immunity, and if inoculation is necessary, to have it done immediately.

“There is a widespread belief that once immunity is established, it lasts forever,” the State Health Officer said. “This is not always true. In some cases it diminishes and finally dies out, and reinoculation is necessary in order to protect the child.”

“Every child who will enter school next term should be inoculated or Shick tested now, because it takes from three to nine months for immunity to be completely established after the injection is administered.”

As long as cases of diphtheria occur, a child is in danger unless protected by immunization. The germs throw off a powerful poison which goes all through the body. It is particularly harmful to the heart, blood vessels, nerves and kidneys, and serious complications often accompany the disease. Some of the more dangerous complications are bronchopneumonia, to which the patient is particularly susceptible; paralysis, which may last for days or as long as 3 or 4 months; or permanent injury to heart, nerves or kidneys.

“The best thing to do with diphtheria, is to stop it before it starts,” Dr. Cox said. “When toxoid is injected under the skin,

**Red Is Eye-Catcher; Serves Many Uses**

COLLEGE STATION—A can of red paint can be put to good use around the house, regardless of the color scheme, points out Mrs. Bernie Claylor, extension home management specialist of Texas A. and M. College.

In the first place, she says it's an eye-catching color. In the second place, red is a danger and serves as a warning. As an eye-catcher, try painting the outdoor faucets and the handles of small garden tools red. The color shows up clearly against ground, grass or foliage.

“When you use the red paint to band the containers of such poisonous materials as fly repellents for cleaning drains or for insecticides.

The high shelf in the bathroom cabinet where medicines are kept out of sight and reach of curious children, may be painted red as a flag to other members of the family. Anything on that shelf should be handled carefully.

The pall of sand and the fire extinguisher which many wise families keep on hand for fire control will be easier to locate if painted red. An emergency or first-aid kit in bright red can be easily found.

“In fact, a can of red paint may save lives as well as time and trouble,” Mrs. Claylor concludes. The system manufactures a disease-fighting antitoxin which can successfully resist the disease. Children of school age should be inoculated or Shick tested now, so that immunity will be established or nearly so, before the opening of the next school term.”

**Working to Provide You With Good Gas Service**

It takes a lot of skilled men and women besides a lot of material to furnish you good natural gas service. Over 300 men and women are back of your West Texas Gas Company's gas service. Engineers, draftsmen, dispatchers, compressor operators, field men, welders, service men, pipe line workers, clerks and many other skilled workmen are on the job to provide you with good gas service.

Many of these men and women, your friends and neighbors, have been working for you 15 and 20 years. They know their jobs and are conscious of what good gas service means to you.

And they know too...“Good Gas Service Doesn't Just Happen.”

**West Texas Gas Company**  
HELPING BUILD WEST TEXAS SINCE 1927

**Texas Retail Sales Increased 1 Percent**

AUSTIN — Estimated retail sales for Texas, exceeding \$424 million, increased 1 per cent in April over the preceding month, but declined 1 percent from a year earlier, the University of Texas Bureau of Business Research reported.

Because of a late Easter, nondurable goods store sales rose 7 per cent above March to lead durable goods, which usually dominates Texas retail sales.

Florist's sales in April, with a 28-per-cent gain over March, showed the greatest increase among nondurable goods stores, 22 per cent; and family clothing stores, 21 per cent.

Sales of grocery stores without meat and combination stores rising 5 and 3 per cent, respectively, contributed to the 2-percent hike in the over-all food picture.

Although small gains over March were recorded by jewelry (1 per cent) and furniture and household stores (3 per cent), durable goods store sales declined 5 per cent from the previous month. Sales of lumber and building material dealers fell 10 per cent; farm implement, 9 per cent; and motor vehicles, 6 per cent.

Over the April-to-April span wider fluctuations were registered by Texas retailers. Sales of motor vehicle dealers went up 19 per cent; and automotive stores, 14 per cent; while building material, lumber and hardware sales slipped 25 per cent; jewelry, 17 per cent; and furniture stores, 15 per cent.

Retail sales of nondurable goods remained almost unchanged from a year earlier, with florist's sales jumping 42 per cent over the 12-month period. Next closest gains showed shoe stores rising 23 per cent, and women's specialty shops, 11 per cent.

Filling station sales dropped 16 per cent in April below April 1948 to show the deepest decline, being followed by country general stores, down 6 per cent, and men's and boys' clothing stores, both down 6 per cent.

**TWO LOCAL BOYS GET MINOR INJURIES**

Two local boys, James Strickland and Dale Keith, were slightly injured Sunday, May 15, when the driver lost control of the car about two miles north of Brownfield on the Lubbock highway.

A Brownfield Funeral Home Ambulance carried the boys to the Treadaway - Daniell Hospital, where they received treatment and were released.

**NEWSPAPER ADVERTISING LINEAGE UP IN APRIL**

Austin —(Sp1)— Texas newspaper advertising lineage gained 5 percent from March to April, the University of Texas Bureau of Business Research reported.

Reports from 35 Texas newspapers showed April advertising lineage bettering the April, 1948, level by 6 percent.

**CECIL O'NEAL LOSES 90 ACRES OF COTTON**

Cecil O'Neal was in last week to bring a subscription sent in by the Loyd Greathouse family who live at Yuba City, California. The Greathouse family were old timers in old Terry, and still like to hear from here.

Incidentally, Cecil stated that he lost 90 acres of cotton in the recent heavy rains.

**Studebaker buying wave sweeps the nation!**

**Another all-time record in April!**  
**More people bought new Studebaker cars and trucks in April 1949 than in any previous month in any year.**

**Studebaker sales in January, February, and March were the biggest for any quarter in Studebaker history.**

**Twice this year Studebaker has increased production in an attempt to meet this sensational upsurge in demand.**

**1949 is a Studebaker year!**

**Studebaker's really rolling!**

**Chevrolet's new Leader-Line Styling makes it possible to give you Panoramic Visibility—a fuller, freer, safer view of the road**

Look ahead! The curved, swept-back windshield contains 30% more glass area. Look down! The smoothly-rounded hood lets you see the road a full 11 feet closer in. Look back! A greatly enlarged rear window gives a closer, wider view behind.

Each sweeping change in Chevrolet's functional design was made for a purpose—to seat you in more comfort, to provide more room and more storage space, to make driving easier, safer and smoother.

This is sound styling—styling that stays advanced. It's another reason why Chevrolet for '49 is the most beautiful BUY of all!

ALL THE WAY THROUGH, THE BEAUTY OF THIS GREAT NEW CHEVROLET SPRINGS FROM FUNCTIONAL DESIGN.

## Methodist Women Have Luncheon

Members of the Methodist W.S.C.S. met at 1:00 p.m. Monday, May 23, at Fellowship Hall for covered dish luncheon. The hostesses were Mesdames Idabel Walker, J. H. Hogue, and Ernest Latham.

After luncheon was served, the new officers were elected. Miss Maude Bailey acted as chairman. The following officers were elected: Mrs. J. H. Carpenter, president; Mrs. Tobe Power, vice-president; Mrs. Barnard Smith recording secretary; Mrs. Glenn Harris, treasurer; and Mrs. Joe Johnson, promotional secretary.

Mrs. A. J. Loyd, secretary of Status of Women; Mrs. G. S. Webber, secretary of missionary education; Mrs. Walker, secretary of Christian Society relations; Mrs. H. L. Thurston, secretary of students work; Mrs. O. A. Wheat, secretary of youth work; Mrs. Leonard Chesshir, secretary of childrens work; Mrs. D. S. Sampson, secretary of literature and publications; and Mrs. B. L. Thompson, secretary of supplies.

Members attending the luncheon and meeting were: Mesdames U. D. Gorton, Cleve Williams, Roy Herod, A. E. Proctor, H. O. Longbrake, Thurston, Thompson, Carpenter, Johnson, Maupin, Bal-  
lew, W. B. Downing, Ben Hill, Power, and Anderson; and Miss Maude Bailey. Guests were Rev. H. L. Thurston, Archie Proctor, and Tina Gillham.

### NINTH BIRTHDAY

A birthday party honoring Leon Hinson on his ninth birthday was given by his mother, Mrs. Mancel Hinson, Wednesday, May 18. Twelve guests rode the bus out from school and were served ice cream and cake upon their arrival. After the gifts were opened, games were played.

Those attending the party were Bill Walker, Jackie D. Warren, Ronnie Ward, Derrel Rerrington, Roy Lee Smith, R. Lee Petty, Jack Kieth Addison, Kenny Willis, Darvin Willis, John L. Cab-  
business, Dickie Latham, and Adrian Hinson.

Mr. and Mrs. Dave Arnold of Seminole spent the evening in the Dick Falls home Monday.

## Terry HD Clubs Hold Dairy Products Show

A DAIRY products show was held on the first floor of the court house by the home demonstration club women of the county last Saturday. The purpose of the exhibit was to help the people learn to judge these products, as follow-up work in the dairy-  
ing demonstrations carried last year and this year.

The products exhibited were: butter, cottage cheese, processed cottage cheese and American cheese. Each woman's product was scored individually. All the products scoring 90 to 100 points received blue ribbons; those 85 to 89 red, and those scoring 80 to 84, white.

The women awarded blue ribbons on their butter were: Mrs. P. W. Smith, Tokio; Mrs. A. J. Bell, Harmony; and Mrs. H. B. Settles, Needmore. Mrs. J. D. Howard, Pool, and Mrs. Carroll Shults, Union, both received red ribbons.

Mrs. J. H. Massingill, Pleasant Valley, received the only blue ribbon on cottage cheese. Mrs. W. T. Bell, Meadow; Mrs. Thurman Solsbury, Pool, and Mrs. I. W. Bailey, Tokio, received red ribbons.

In the class of processed cottage cheese, Mrs. Leonard Willis, Pleasant Valley, received a blue ribbon. Mrs. M. E. Hinson, Pleasant Valley, and Mrs. Derah Gaudin, Tokio, received red ribbons. Mrs. W. F. Terry of Pool brought two samples of American cheese she made in her home last winter. The scoring was done for Mrs. Terry's own satisfaction. One sample scored 95. The other one was unable to be scored because she had stored it for a few days in the cellar. Since the cellar was damp, it caused the cheese to ruin by molding.

### CHRISTIAN LADIES TO HAVE BAKE SALE

Ladies of the First Christian Church have announced that they will have a bake sale Saturday, May 28 at 9:30 A. M. at Kyle Grocery number one.

## Water Skiing—Foamy Fun!

Beautiful form is displayed by Miss Beverly Vest as she previews the skiing that will highlight the water sports at the first Neches River Festival May 28-29 in Beaumont, Texas. A pageant depicting old times along the Neches, a queen's ball, and an American Power Boat Association regatta are on the two-day bill of entertainment. (AP Photo)

## Train 4-H's For Fine Leadership In National Program

IF there had been 4-H Clubs when George Washington was a boy, he probably would have qualified as a champion in the National 4-H Leadership awards program. Today's rural youth have the advantage of being trained for leadership by taking part in this program. As one of the 4-H'ers aptly observed—initiative, patience, perseverance and resourcefulness are qualities to be desired in a leader, and there's no better place to learn them than in 4-H.

With these objectives in mind as they work in the various 4-H projects, Texas Club members are participating in the 1940 leadership contest, according to the State 4-H Club office. Alvin Davis, of Post, was one of the national winners last year. He and Patsy Delavan, of Devine, had the most outstanding records in the state, and were presented with a 17-jewel wrist watch appropriately engraved.

Besides the watch for state winners, there is an educational trip to the National 4-H Club Congress for the high-ranking boy and girl in each of the four extension sections. From these eight sectional winners, the boy and girl having the best record will be chosen to receive a \$300 national scholarship. The two-runners-up will get a \$150 scholarship. Top boy and girl in each county will be awarded a gold medal of honor. All of the awards—totaling more than \$6,000—are donated by Edward F. Wilson, president of Wilson and Co., of Chicago.

In addition to the state winners, county medals were awarded to 94 other Texas boys and girls. The Cooperative Extension Service supervises the program.

## MISS DITTO, MRS. DUKE HONORED SATURDAY AT COVERED DISH PICNIC

Miss Vona Lee Ditto, of Ontario, California, and Mrs. Irene Duke, of Abilene, were guests of honor Saturday night, May 21, when Mr. and Mrs. A. J. Stricklin, Sr., entertained at their home with a covered dish picnic.

The guest list included Mr. and Mrs. Red Tudor, Mr. and Mrs. Ned Self, Mr. and Mrs. Eunice Jones, Mr. and Mrs. G. G. Gore, Mr. and Mrs. Bob Bowers, Mr. and Mrs. Arthur Sawyer, Mr. and Mrs. Walter Gracey, Mr. and Mrs. G. W. Chisholm, Mr. and Mrs. Roy Collier, Mr. and Mrs. Henry Chisholm, Mrs. Eldora White, Mrs. Bit Copeland, Mrs. W. A. Bell, Misses Margaret Bell, Mary and Joy Chisholm, and Mary Gracey, Sam Chisholm, Mrs. Sue Crawford Hunter of Lubbock, house guest of Mrs. W. A. Bell, and Mrs. Laura Chisholm and Theresa, of Oroville, California.

Miss Ditto and Mrs. Duke were weekend house guests of the Stricklins.

Eunice Jones, city superintendent, attended a water works meeting in Kermit Tuesday night.

## Pleasant Valley HD Club Meets With Mrs. Henson

The Pleasant Valley Home Demonstration Club met in regular session Friday, May 20, in the home of Mrs. Hubert Henson. The president called the meeting to order at 3 p. m.

"Measure your age by facts, not years" was the opening exercise. Mrs. Nathan Evans scored the highest grade.

Roll call was answered by seven members and one visitor, Mrs. Balle Johnson of Brownfield, by telling "how I help prevent accidents in my home."

The club voted to have each member write to her congressmen concerning the REA sponsoring a rural telephone program.

Six cakes were baked and sent to the council bake sale Saturday, May 21. Three women entered cheese in the Dairy Products Show, which was held at the same time as the bake sale.

MRS. SAWYER ENTERTAINS GRANDDAUGHTER MAY 23 Elaine Flache, daughter of Mr. and Mrs. Truett Flache, was honored on her second birthday Monday, May 23, when her mother and grandmother, Mrs. A. A. Sawyer gave her a party. Cake, Pink lemonade and mint cups were served. Favors of horns and balloons with the name "Elaine" printed on them were given to each guest.

## LENT POLKA-BOTS

This pretty little miss is coy as can be in her fresh cotton pique frock splashed with vivid polka dots. Created by Lil' Alice, the cotton dress is designed to keep the young lady cool and collected in any summer situation.

## United Daughters to Have Lubbock Tea

### Miss Billie Black Honored May 20th

Miss Billie Black, daughter of Mr. and Mrs. Burl Black of Clovis, N. M., was honored with a bridal shower in the home of Mrs. Lee Fulton Friday, May 20 from 4 to 6 P. M. Miss Black is the bride-elect of Joe Hamilton, son of Mr. and Mrs. Houston Hamilton of Brownfield.

Other hostesses for the shower were Mesdames V. L. Patterson, S. Yandell, Tommie Kelly, R. D. Jones, Jr., and Misses Mary Wanda Whitney and Patsy Black.

Mrs. Patterson greeted guests at the door and Miss Kelly, Mrs. Black, Mrs. Hamilton, Mrs. Fulton, and Mrs. Byron Black of Clovis were in the receiving line. Mrs. W. H. Black, grandmother of the bride-elect, presided at the hand-made guests book, which approximately 75 guests signed.

The table was laid with a white linen cloth and centered with yellow snapdragon and white tapers. Mrs. Jones, Miss Patsy Black, Miss Whitney, and Miss Lillian Hamilton served the punch, cookies and nuts.

Gifts were displayed by Mrs. Yandell, Mrs. Kelly, and Ann Patterson.

Mr. and Mrs. Allen Swann of Liberal, Kansas, who were married Sunday, May 22, in Amarillo, are visiting Mr. and Mrs. Bill Aschenbeck. Mrs. Swann is employed at the Citizens National Bank in Liberal, and he is employed with the Woolwine Appliance Company in Liberal.

The Stephen W. Wilkinson Chapter, United Daughters of the Confederacy of Lubbock have announced the program for their annual Jefferson Day Tea, June 3.

"Bride Of Fortune," by Har-  
nett T. Kane, will be reviewed for guests by Mrs. Russell C. Ray, member of the Lubbock chapter. This colorful romance of the old South is the story of Jefferson Davis' courtship of his wife, Var-  
ina Howell, a Memphis Belle. And to make the setting more realistic, all members of the Lubbock chapter will be dressed in costumes of the sixties.

Tickets for the book review and tea are being sold for \$1.00 to raise funds for the Chapter's welfare work. Mrs. Tommy Hicks Jr., of Brownfield is an active member of the Lubbock chapter, and will be glad to supply tickets for local people who wish to attend. The telephone number is 68-W and she lives at 506 East Main.

Daughters in the Brownfield area who have been members elsewhere are urged to participate in the program June 3rd.

### COUNTY-WIDE BASEBALL CLUB TO BE ORGANIZED

J. B. Hucakabee has announced that a county-wide American Legion baseball club will be organized Saturday, May 28 at 2 P. M. at the Veterans Hall.

All boys up to the age of 17 years are eligible to join this club, and are urged to do so. It is hoped that several teams can be formed within the club.

A pretty homemaker who knows her culinary artistry adds the finishing touch to piping hot cinnamon rolls by spreading them with rich, creamy margarine. She finds the new margarine recipe booklet, "Mealtime Marvels," a handy aid in planning tempting and nutritious dishes that are easy to prepare. This week The Herald introduces a series of recipe "marvels" adapted from the new margarine recipe booklet. Recipe for a "Velvety Chocolate Cake" appears on the next page of The Herald.

### MRS. BRYANT HOSTESS TO WELLMAN HD CLUB

The Wellman Home Demonstration Club met Friday, May 20 in the club room with Mrs. J. T. Bryant acting as hostess.

The recreation period was spent in singing with Mrs. Harmon Scales leading the songs.

After a short business meeting, Miss Helen Dunlap gave a demonstration on the "Essentials of a Good Bed."

Seven regular members and one new member, Mrs. J. T. Hodge, attended the meeting. Mrs. Horace Fox received the travelling prize.

### Luster, Aven Vows Exchanged May 15

In a single ring ceremony performed in the First Methodist Church in Lubbock Sunday, May 15, Mrs. Billie Luster and C. L. Aven were united in marriage. Rev. H. T. Robinson officiated.

The bride wore a navy blue dress with a pink hat and gloves, and navy accessories. Her corsage was talisman roses.

Mr. and Mrs. Aven are well known in Brownfield. She owns the Cinderella Beauty Shop, and Mr. Aven owns the Terry County Lumber Company here.

**VELVETY CHOCOLATE CAKE**  
A tempting, creamy rich chocolate cake is always an excellent answer to the problem of what to serve for party refreshments or company dessert. The smooth, velvety cake makes an ideal after-school snack or lunchbox treat for the children, too.

- Velvety Chocolate Cake**
- 1/2 cup water
  - 3 squares chocolate
  - 1 1/2 cups sugar
  - 1 teaspoon vanilla
  - 2 cups flour
  - 3 teaspoons baking powder
  - 1/2 teaspoon salt
  - 2/3 cup fortified margarine
  - 3 eggs
  - 1/2 cup milk

Use 2 nine-inch round cake pans or 2 square eight-inch pans, two inches deep. Line the bottom of the cake pans with paper and margarine. Start the oven heating with the oven control set in a moderate position (325° to 375° F.).

Mix the chocolate, water, and 1/3 cup of sugar in a pan and cook over very low heat until thick. Remove from the heat and cool to room temperature. Add the flavoring. All ingredients should be at room temperature. Sift the flour, and measure; add the salt and baking powder. Sift again. Cream the margarine thoroughly, adding the remaining sugar gradually. Beat until fluffy. Add the eggs one at a time, beating after each egg is added. Add the chocolate mixture (be sure it is cooled to room temperature) and beat until smooth.

Now add the dry ingredients and milk, adding about 1/3 of each at a time and finishing with the dry ingredients. Stir just enough to mix. Pour into prepared cake pans. Place in pre-heated moderate oven. Bake 25 to 35 minutes. Remove from pans and cool on rack. This recipe may be baked in muffin pans for cupcakes. It will make from 15 to 20, depending on size. Frost with quick frosting.

For other nutritious and flavorful recipes, send today for your free copy of "Mealtime Marvels with Margarine," a new, two-color, 32-page recipe booklet. Write National Cotton Council, Box 73, Memphis, Tenn.

# Remember the men who can't forget

**M**EMORIES! A green hell on a South Pacific island. The brackish odor of coral blasted from a reef. The stench of enemy dead bloating in the tropic sun. A shell-swept hill in North Africa. The staccato rip of a German machine gun sweeping the beach at Anzio. The sudden blast of a hidden mine in Normandy. The biting cold and the panic of Bastogne. The jolting, shin-cracking explosion of a torpedo at sea. A suicide plane crashing through the deck of a carrier. Shells smashing into steel, with flying fragments tearing open the bowels of men and machines. Battle stations in the grim dawn. Stale air in a submarine, deep in the black waters of a strange sea alive with lurking death and destruction. Holding steady to course while dark, deadly flowers bloom in the sky. The horror of watching a wingman explode into atoms of bone and flesh. Blacking out in a dive. The searing, antiseptic cold of 20,000 feet. The flame, fear and thunder of bombardment.

Memories that carve into a man's soul. Memories that wake him out of sound sleep, trembling, and dripping with sweat.

Forget? It's not easy for the man with wounds that refuse to heal. It's not easy for the man with mental pictures or sounds that refuse to disappear. It's not easy for the man with muscles frozen by nervous tension.

The dead are buried. Their pain is ended. Their tired bodies have found peace.

But the disabled, the men who embraced age overnight, the men who can never live as God willed the right, still face the uncertain future.

These are the men the American people are thinking about when they give their bit to "Honor the dead by helping the living."

These are the men who are being helped by patriotic Americans when they accept the V.F.W. Buddy Poppy as an eloquent symbol of their own gratitude.

This year the Veterans of Foreign Wars, the organization that has sponsored the sale of Buddy Poppies ever since 1922, is celebrating its Golden Jubilee Anniversary.

In observing this 50th Anniversary, the V.F.W. is proud to renew its pledge to the American people that the proceeds of this annual sale of Buddy Poppies constitute a sacred fund. As in the past, the contribution you make through the purchase of a Buddy Poppy will be spent strictly for these patriotic purposes:

- For the aid, relief and comfort of disabled and needy veterans, their dependents, or their widows and orphans.
- For maintenance or expansion of the V.F.W. National Home for widows and orphans of veterans at Eaton Rapids, Michigan.
- For hospital or individual assistance and entertainment for needy veterans and service patients, and their dependents.
- For rehabilitation, welfare and service work, including liaison service with the Veterans Administration.
- For necessary expenses for military funerals of deceased veterans.
- For acquisition, improvement and maintenance of burial plots and the decoration of graves of veterans and servicemen.
