Memorial Services To Be Held Here Sunday

In commemoration of the 82nd Memorial Day in the United States, Hand Bros. post 6794, Veterans of Foreign Wars, will hold their annual Memorial Day services Sunday, May 28, at 3 p.m. at Terry County Memorial Cemetery.

Services will be conducted beside the graves of two brothers who lost their lives during World War II, Sgt. Don J. Huckleberry and Flight Officer Willie R. Huckleberry. Their mother, Mrs. Della Huckleberry of Route One, will be the honored guest at the services. Other special guests will be veterans of the Civil War, Spanish-American War and Gold Star mothers.

Sgt. Huckleberry was with the 532nd Engineers Amphibious Regiment, familiarly known as the "Cape Cod Commandos." He was killed January 24, 1944, in New Guinea, southwest Pacific. F-O Huckleberry was with the 83rd Troop Carrier Squadron, 437th Group, a glider pilot. He was killed on D Day, June 6, 1944, at Ste. Mere Eglise, France.

District Judge Louis B. Reed of Lamesa will make the principal address Sunday. His speech will be followed by a number by a quartet, "Sleep, Soldier Boy, Sleep." Dr. A. H. Daniell, commander of the VFW post, will then read the memorial ritual, assisted by several other VFW members. W. J. Spreen, minister of the First Christian Church will give the closing prayer, after which graves of all veterans will be decorated. There will be an honor guard from Reese Air Force Base (Lubbock) participating in the services, also.

James H. Dallas is in charge of arrangements for the services. He is being assisted by H. L. King, Harmon Howze and Milton Bell. The public is cordially invited to attend.

MARY JO HARDY IS WOMEN'S GOLF CHAMP

Mrs. Mary Jo Hardy is the 1950 champion woman golfer of the Brownfield Country Club. Her name will be placed on the club trophy, along with the names of Mrs. Jean Brownfield, 1948 winner, and Mrs. Lois Wingerd, 1949 winner.

Mrs. Hardy won over Mrs. Bess Baldwin in a final play off last week.

FLAG COMES DOWN—Sophomore John Adams of Wichita Falls succeeds in removing a freshman flag that waved from Baylor University's flagpole 51 days. Adams scaled the last 14 feet of the pole after campus workmen erected an 87-foot scaffold. Freshmen fastened the flag to the pole March 27 as a pre-April fool's joke, then removed the chain and greased the pole. Several previous attempts to remove the flag were unsuccessful. (AP photo.)

Youth Released After Accident

The condition of F. M. Chambliss, 48, who was injured at about 1:15 p.m. Saturday when struck by a car as he was crossing a street, was described as "improved" this week. He was released from Treadaway-Daniell hospital earlier this week, after being treated for hip and back injuries.

A 17 year old Brownfield youth was released under \$500 bond, following his arrest for leaving the scene of an accident without giving aid.

Chambliss was injured when he was struck by an automobile as he was crossing the Lubbock highway at Main, going east.

Ready Mix Concrete Business Will Open

The South Plains Ready Mixed Cement Company will open in Brownfield sometime in June, and will be the first business of its kind in Terry county.

Located just south of Goodpasture Grain company, the plant will be of steel and concrete construction with two loading ramps. The cement sand and gravel will be shipped into Brownfield by train and loaded into separate bins. The concrete will then be mixed as it is needed.

Although several cities in west Texas and the South Plains have ready mixed concrete, this is the first similar company to set up here. Two transport trucks will be in use for delivering the concrete. Ready mixed concrete will cut out extra labor and costs, since two men can do the work of 10 with ready mixed concrete.

When the new business opens, standard mix will be available, or it will be mixed according to specifications. Ready mixed concrete is widely used in areas where there is oil activity, as it can be mixed according to specification and shipped direct to the wells. Prices vary, according to mix, but it is believed that ready mixed concrete is quite a lot cheaper per yard than that mixed in individual lots.

Watch the Herald for an announcement advertisement concerning the opening of this new business.

New Grocery - Market To Give Curb Service

A new drive in grocery and market is being opened this week on the Lubbock road by Mr. and Mrs. W. F. Pendergrass.

Residents of Terry county for five years, Mr. and Mrs. Pendergrass were engaged in farming before moving to Brownfield three months ago. They have four sons.

The new grocery and market is located at 615 Lubbock Road, and will feature curb service.

For further details and a cordial invitation to the public to visit their new store, we refer you to an advertisement in this issue of the Herald.

COFFEE SHOP BEING PAINTED THIS WEEK

The Brownfield Coffee Shop is closed this week for a new facelifting, according to Tess Fulfer, owner.

A complete paint job is being given the interior, and other repairs are being made.

Fulfer said the coffee shop will be open for business Monday, May 29.

RABIES INOCULATION GIVEN TO 85 ANIMALS

Dr. R. E. Kiofanda, Brownfield veterinarian who has held an rabies inoculation clinic at the courthouse for the past two Fridays, said this week that only about 85 animals were inoculated.

He said that this was only about one third of the animals in the city which should be inoculated.

Citizens Cooperate In Clean Up Campaign

Citizens of Brownfield are cooperating very well with city officials during Clean Up Week, which is May 22-27, according to information received from J. H. Aschenbeck, city treasurer.

However, Aschenbeck said, several vacant lots have still not been cleaned off. He asked that owners of lots please make a special effort to clear the trash and weeds from the lots and place the debris in the alley so that it can be picked up by city trucks.

City officials feel that with the full co-operation of the citizens in cleaning up the city and keeping it clean, the danger of any outbreaks of polio or other diseases can be kept at a minimum.

The city has already been fogged this week, and Aschenbeck and C. C. Primm, mayor, said that all sections of Brownfield will be fogged with DDT regularly during the summer months. County health officials urge that every home have, and use, a covered garbage receptacle, as a further measure in cutting out flies and other insects.

City trucks are busy this week, picking up all trash stacked in alleys throughout the city.

TROOP 5 PLANNING TO MEET DURING SUMMER

Troop 5 met at 4 p.m. Tuesday in the Girl Scouts Little House for a regular meeting.

Members made booklets with the Girl Scout trifold, and some of the new members painted designs on bottles.

The decision was definitely made to meet regularly through the summer months.

Those present were Jerry Katherine Dumas, Rhyoda Dumas, Carolyn Warren, Willene Key, Olive Ruth Wood, Betty Cabbiness, Sandra Yandell and Freda Apolinez.

FIRST BAPTIST CHURCH SERMON TOPICS GIVEN

"Why Is God a Stranger in the World?" will be the sermon topic at the First Baptist church Sunday morning, May 28, according to Fred Stumpp, minister. Special music for the morning services will be an anthem by the choir, "I Will Lift Up Mine Eyes."

The sermon topic for the evening service will be "Heaven," with a special duet, "Precious Hiding Place," by Mr. and Mrs. Gerald Nelson.

City Bond Election June 12

JAYCEES ASK CITY TO TAKE MEASURES AGAINST TRAFFIC OFFENDERS IN CITY

A committee of three members, headed by Dr. W. A. Roberson, was asked to draft a resolution to be handed the city council, asking the city officials to take measures against traffic offenders in Brownfield, and pledging the support and offering the services of the Brownfield Junior Chamber of Commerce in carrying out the measures. The action was taken at the regular Monday luncheon of the Jaycees, held at the Esquire restaurant. Other members of Dr. Roberson's committee

are Clyde Truly and John J. Kendrick.

Reports from several committees were given concerning the third annual Jaycee Rodeo to be held here June 22-24. Clyde Truly, ticket chairman, announced that there are still a few boxes left for sale, and persons interested in buying a box should contact him.

Truly also said that due to the demand, tickets for the rodeo will go on sale in various businesses in Brownfield on June 1. Adult tickets are \$1.50, and children 12 years of age and under, 50c.

J. E. (Buddy) Gillham, advertising chairman, told the group that the "dunk tub" will be set up this week end at its usual station, just northeast of the square, near City Drug, and that all smooth shaven persons who cannot produce a shaving permit will get a taste of it.

City Parking Zones Will Be Restriped

Members of the Brownfield City Council voted at their weekly meeting Tuesday night to recommend to the city police force that they wear uniforms. The uniforms will be ordered in the very near future.

The motion was also made and carried, to buy a tractor, mower, and loader for use by the city to maintain property, at a cost of \$2,734.65.

All parking zones around the square will be re-striped, with pedestrian zones also to be marked off. Horizontal parking will be designated on certain streets in the business section. This action was taken on the recommendation of the Brownfield Chamber of Commerce.

The group discussed and set the date for an \$849,000 bond election to be called June 12. In this election, voters will be asked to indicate whether or not water, sewer and light facilities in the city should be extended and improved, whether or not a new combined city hall, police station and fire station shall be built, and whether or not some 50 blocks of paving shall be made.

Election judges and clerks were also designated. D. P. Moorhead and John J. Kendrick were named judges, with clerks being Lee Brownfield, A. J. Geron and Harold Denton.

Members also discussed briefly an increased tax rate and estimated that in the event it is made, the increase would not be over 15c.

Council members present were J. B. Knight, Henry Chisholm, V. L. Patterson, Leonard Lang Herman Chesshir and Mayor C. C. Primm, City Secretary J. H. Aschenbeck and City Manager Eunice Jones.

Lions Golf Course Will Open June 1

Otis Davis, a member of the Brownfield high school faculty, will assist Clyde Bond, Jr., in managing the miniature golf course at the Brownfield Lions club sponsored recreation project at the swimming pool on South Fifth street, it was learned this week.

The miniature golf course will open by June 1, Bob Tobey, chairman of the committee, said this week. The course is almost completed, and will be ready to go within a few days, Tobey said.

Davis will also be in charge of the softball ground. It is hoped that several leagues can be set up, according to age groups, and that teams from communities in the county will participate.

All recreation in the park will be supervised at all times. Since the formal opening of the swimming pool last Saturday, the pool has been doing a "land office" business, Bond said.

Meanwhile, a special drive is being made to acquire funds for the project. Tickets may be purchased from any Lions club member, or you may send your donations to Youth Recreation, care of the First National Bank, Brownfield, Texas.

Citizens Will Vote On \$849,000 Issue

Mayor C. C. Primm announced Wednesday the decision of the city council to submit to the qualified voters of the city of Brownfield the propositions of issuing revenue bonds to finance improvements to the water system, sewer system and power and light system and general obligation tax bonds to finance street improvements and to construct a city hall, fire and police station. This action was taken by the city council after several weeks of study and conferences with engineers on the estimated requirements for expansion and extensions of the various utilities, future street improvements and study of preliminary plans for a combination city hall, fire and police station.

The propositions which will be presented to the voters are as follows: \$267,000 water and sewer revenue bonds, \$400,000 power and light revenue bonds and \$182,000 general obligation tax bonds.

The annual requirements for retiring the \$267,000 water and sewer revenue bonds will be provided from income from the water and sewer systems. Of the \$267,000, it is estimated that \$132,000 will be used for improvements and extensions to the water system and \$135,000 for improvements and extensions to the sewer system. The water works improvements will consist of additional water well, additional ground storage reservoir, enlargement of pump station No. 4 and installation of two booster pumps at the No. 4 station; installation of 10 inch and eight inch water mains from No. 4 station into the present distribution system in order to provide better service and better fire protection, and the extension of water mains to serve new areas as they are developed.

Improvements to the sewer system will consist of the construction of new sewer mains and lateral lines into areas that are not now served by sewer and into new areas as they are developed.

The annual requirements for retiring the \$400,000 power and light revenue bonds will be provided from income from the power and light system. Approximately \$105,000 of the funds made available from this issue will be used to refund or retire outstanding revenue bonds issued against the power and light system. The remainder of the \$295,000 funds derived from this issue will be used for improvements to the power and light system. The improvements are to consist of the installation of an additional engine and generator unit having a capacity of approximately 1500 kva, including switchboard and

Suffice to say, we do not deny visiting the hospital in question, but they failed to entice us inside the bugs building. We played around with other squirrels in the large park. The nuts were all "housed" for the night when we were there.

This is the year for the 13 year locusts back here and they, along with song birds, katydids and all nightfall whippoorwills, make the welkin ring. On the front porch where we spend much time, we see robins, red and blue birds, bluejays, mockingbirds, cat birds, house wrens, and a few bob whites.

There has been so much rain the grass is lush, trees a bright green and weeds growing. The wild blackberries are in full bloom, and, while late all say they never have seen them so full of blooms. Had

several showers since we came. Right now, there is a black cloud in the north and northwest that seems to be on the way.

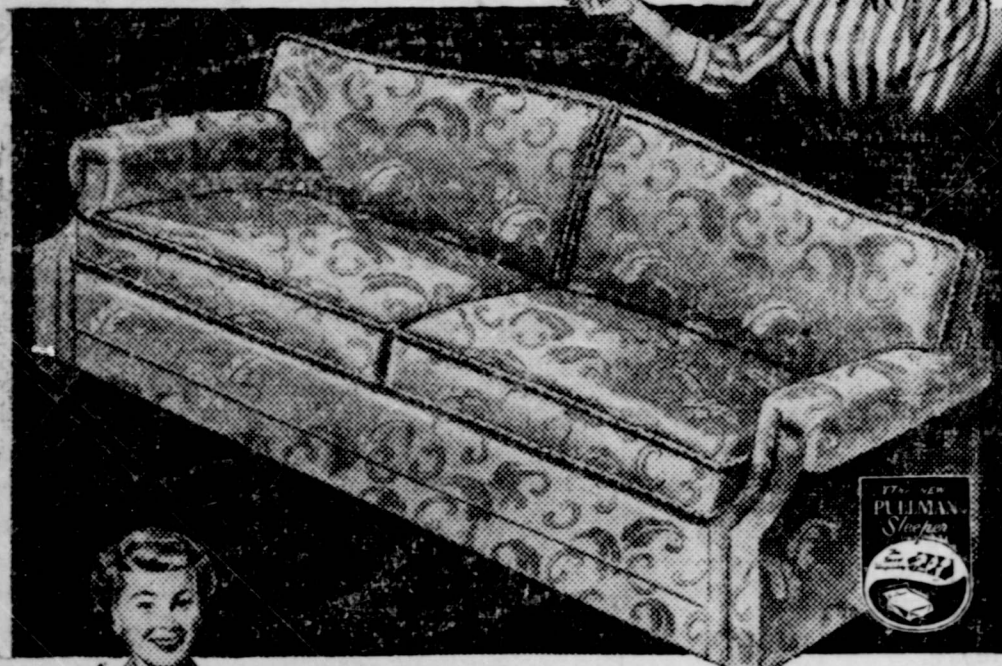

The last few days there has been quite a lot of sunshine and farmers are getting pretty well along with their planting. Some have finished.

Went to Corinth, Miss., this a. m. A right hard battle was fought there during the war between the States. Our oldest sister-in-law's father was wounded there. The inevitable Confederate statue adorns the public square. Corinth is a considerable manufacturing little city of some 12,000 or 15,000. Pants factories, work clothing, brick and steam engine foundry. It has many lovely old pre- and post-Civil War homes, as well as modern versions. A home can be built here for some \$3000 that will cost \$10,000 in Brownfield.

Well, the cloud got here and went pretty stiff, with some dust ahead—looked like old Terry for a minute. But we had to get up from our easy chairs and watch the rain. Quite a novelty to us. Speaking of rain, we sure was pleased to see in Herald, as well

Went to old New Hope church Sunday, in a mile of where we first saw the light of day. We met much kin and near kin that we would not have seen otherwise. All very well, except wife of a nephew, who will be carried to Memphis tomorrow (Saturday) for an operation at Baptist Hospital. She is expected to stand operation fine; she is up most of the time.

The last Herald looked prosperous. Maybe we should stay away most of the time. Speaking of papers, our daughter, Mrs. H. Trigg, sent us a Brownwood Bulletin received today, relating that that area had a million dollar hail that laid waste to roofs, windows, etc. Hope Brownfield area does not have one.

Well, the Bank of Middleton was robbed just before we came for the second time in some four years. The first guy was caught in high school attic, and all money recovered. There were three in last haul, but one was out on what was supposed to be McNary county corn squeezings. He was picked up where the car, being chased by bank president Lester Simpson and a deputy sheriff, was wrecked.

The other two were picked up in McNary county, the last one hiding in a church instead of a school house. All money recovered. Simpson's picture adorned the front page of the Memphis affiliate, along with other scenes of bank exterior and where robbers' car went in the ditch. Simpson dryly remarked that his picture looked more like a convict than the robbers, and if it had been taken two hours earlier, the law might have arrested him.

When we get home, have some stuff to tell on Luther Cruce's and Mon Telford's towns, Avery and DeKalb. And we will likely start home Monday, despite the fact that one kinsman says he still has five uncut hams. We hate to leave 'em. Be seeing you soon, we hope. And the wife says we are going back with her. Too many good looking women here.

Pima Impractical For Plains Section, Says Tech Expert

A Texas Tech cotton expert says Pima cotton would be impractical for the South Plains or any section where an early freeze might occur.

Pima had its original roots in Egypt. It has aroused new interest because it may be grown without regard for government quotas. It is the first strain developed from planting the Egyptian variety Sakellariadis in this country. Its staple length runs from 1 7-16 inches to 1 5-8 inches.

It takes a longer growing period, but also sells for a premium on the cotton market. Dr. Lyle Hessler, and Dr. A. W. Young of Texas Tech say. Hessler is head of the cotton technology department. Young heads the plant industry department.

In far west Texas the Pecos section has planted 30,000 acres of Pima. Its Pima Cotton Committee is determined to sell the yields on a competitive basis with Egyptian strains.

Hessler says Pima has been bringing around 20 cents a pound more than other varieties. Its high grade lint is sought by eastern mills which produce laces and woven goods. Much of the same sort of staple is now imported, with a quota of 127,000 bales for this year.

A small supply of long staple cotton has come from west Texas, Arizona and New Mexico. A hot, dry area with irrigation facilities is best suited for the crop, says Hessler.

Pecos, which isn't in the south plains, is hopeful it can turn out a product equal or superior to Egyptian strains and convince mills and merchants of it.

Shorter staple varieties are mass grown on the south plains. Dr. Young says Pima would require a longer growing period and also must be hand picked. Because of the long growing an early freeze is a threat.

"In the south plains there are over 200 frost free days, but the longer growing season and a lot of luck will be required before long staple cotton can be a paying crop," says Young.

He says there is a shortage of long staple seed and cites a quotation of \$600 a ton by one firm.

Also, says Young, Pima requires a changed ginning procedure which would be taken into account when figuring the net premium of Pima over short staple varieties.

Mr. and Mrs. Ladell Nelson and Mr. and Mrs. Clyde Welch and family of Lindsey, Okla., attended the races at Lubbock Sunday.

Students Are Warned By VA On Eligibility

Veterans planning to go to school under the GI Bill, with certificates of eligibility issued before Nov. 1, 1949, are advised by the VA to make certain that the school is permitted by law to offer training to veterans at Government expense. The law does not allow veterans to take GI training courses in schools which have not been in operation on their own for at least one year, or in schools not having approval of the State Approval Agency.

If a veteran enters school falling into either of these categories, he will receive no subsistence and he will be required to pay his own tuition and supply costs—even though he has a certificate of eligibility. Certificates are valid, the VA explains, only in those educational institutions or training establishments where GI training is permitted by law.

A veteran may check the status of the school or establishment he wishes to attend by calling or writing the VA, 1612-20, 19th St., Lubbock, Texas.

POW Survivors

If the POW is survived by a widow and no children, the widow, even if she remarries, is entitled to all the benefits. If there is no widow, the children share equally. If the POW is survived by a widow and children, the widow is entitled to one-half and the children are entitled to one-half equally.

Claim should be made, in case of minor children, by the widow if they are in her custody.

Request For Transfer Of Case Files

VA Form 572 is the form by which a veteran informs the VA of a change of his address and also by present custom, requests the transfer of his case file from one VA office to another.

For a long time it has been considered logical for the request to be mailed to the VA office from which the transfer is desired. The VA now advises against this. When a veteran moves to Texas from another state, his request to have his case file sent to a VA regional office in Texas, should be sent to the VA regional office in Texas where he wishes the file transferred and they in turn will repeat the re-

quest from the VA office where the file is located.

Deadline For Free Autos Is June 30, 1950

World War II veterans who have lost, or lost the use of, one or both legs at or above the ankle, have until June 30, 1950, to apply for automobiles at VA expense if they are eligible for such a grant.

Any dependent widows of War II veterans who have received blank forms for NSLI benefits from the central office at Washington, D.C., who desire to have us assist them in filling out the form, please contact your local county service office at the court

Smith - Mortenson Vows Read In N. M.

Miss Jennie Smith, daughter of Mr. and Mrs. A. L. Smith, Plains, and Corporal Lowell H. Mortenson of Roswell, N. M., son of Mr. and Mrs. H. C. Kasch of Madison, So. D., were married in a double ring ceremony at Lovington, N.M., Saturday, May 13. George Atkisson, minister of the Lovington Church of Christ, officiated.

The bride wore a white linen suit with a blue blouse and white accessories. For something old, she wore a necklace belonging to Wynona Bradley, and for something borrowed was a bracelet belonging to Peggy Bradley. Something new and blue was her wedding ensemble. She carried a bouquet of flowers with a detachable orchid corsage.

Attendants at the wedding were Mrs. Earl Bradley and Peggy Bradley of Brownfield.

Following the ceremony, a dinner was given in the home of Mr. and Mrs. Earl Bradley at Brownfield. Those present were Doyle Tyson of Lubbock, Bill Humphreys of Mineral Wells, Peggy and Wynona Bradley, the honoree and the hosts.

Following a wedding trip to New Mexico, the couple will be at home in Washington, D. C., where Cpl. Mortenson will be stationed.

Jill Walker Honored On Birthday Monday

Sandwiches, punch, ice cream and birthday cake were served to Judy Teague, Deenie Goodpasture, Yvette Scudday, Marken Frazier, Martha Chapman, Linda Bost, Joan Tarpley, Martha Kay Austin and Sherry and Lynda Applewhite of Tahoka.

Favors of miniature canes were given the guests.

Also present were Mrs. J. K. Applewhite, grandmother of the honoree, and Mrs. James Applewhite, both of Tahoka.

Miss Dora Ratcliff, traffic field supervisor of Southwestern Associated Telephone Co., at Dallas, was in the Brownfield office last Thursday and Friday on business.

Miss Margaret Todd, Loyed Daurhirty Wed

Miss Margaret Todd, daughter of Mr. and Mrs. J. C. Todd of 505 N. Fifth street, and Loyed Daurhirty, son of Mr. and Mrs. A. C. Daurhirty of 701 N. Second street, were married May 13 in Lovington, N. M.

The bride wore a white gabardine suit with a pink hat and a pink carnation corsage.

Those who attended the wedding from Brownfield were her mother and his father and Mrs. C. W. (Red) Brown.

Both the bride and groom attended Brownfield high school. Prior to her marriage, Mrs. Daurhirty was employed at St. Clair's Variety Store. He is employed with C. W. (Red) Brown as a painter.

The couple is at home at 216 W. Rippetto.

Betrothal Revealed At Tea On May 12

Announcement of the engagement and approaching marriage of Miss Dixie Burson, daughter of Mrs. N. N. Durbin, to Euel Lee Howard, was made at a tea given by Mrs. Durbin and Mrs. Money Price in the home of the latter May 12.

Chosen colors of the bride-elect were red, orchid and white, and were carried out in the house decorations.

The refreshment table was decorated with arrangements of orchid snapdragons and white candles, with a miniature bride and groom centerpiece. Mrs. Jewell Bell and Mrs. Doc Settles presided.

Mrs. Price greeted guests at the door and presented them to the honoree and her mother and Mrs. Major Howard, mother of the prospective bridegroom; Mrs. O. M. Minix of Lubbock; Miss Dorothy Burson, sister of the honoree; and Mesdames David Dunn, Bill Williams, B. B. Price and Buel Price.

Approximately 60 guests were registered in the white leather bride's book by Mrs. James Gunn between the hours of 3 p.m. and 6 p.m.

Las Amigas Met With Mrs. Clovis Kendrick

The home of Mrs. Clovis Kendrick was the scene of a regular meeting of the Las Amigas bridge club May 17 at 8 p.m.

A salad plate and iced tea were served to Mesdames E. L. Sturgess, O. L. Stice, Gordon Richardson, W. A. Roberson, Glenn Akers, Tommy Zorns, J. O. Rodgers, Marty Rowe, A. M. Muldrow, Frank Ballard, Harlen Glenn and J. T. Hoy.

High prize went to Mrs. Akers and Mrs. Muldrow received second high. Binges went to Mrs. Sturgess and Mrs. Zorns.

Mrs. Roy Wicker Shower Honoree

Mrs. Roy Wicker, jr., was complimented with a shower at the home of Mrs. Bobby Jones Thursday, May 18, from 2:30 p.m. until 4:30 p.m.

Other hostesses were Mesdames R. D. Newsom, Ray Christopher and Joe Bryant.

The table was decorated with a pink and blue "cradle" tree. Cakes and punch were served to about 30 guests who called during the afternoon.

Meadow Couple Wed at Hereford

Miss Navell Hunt and Robert Brooks, both of Meadow, were married Friday, May 12 at 6:30 p.m., at the Frio Baptist parsonage, Hereford, Texas. The double ring ceremony was performed by R. L. Shannon, minister of the Frio Baptist Church and former minister of the Meadow First Baptist church.

The bride wore a white dress with matching accessories.

Mrs. Brooks is the daughter of Mr. and Mrs. G. W. Hunt of Meadow. She graduated from Spade high school in 1948 and was employed with the Bell Telephone Co. in Lubbock at the time of her marriage.

Mr. Brooks is the son of Mr. and Mrs. L. J. Brooks of Meadow. He graduated from Meadow high school in 1945. After his graduation he served in the Navy.

Immediately following their marriage, the couple left for a trip to points in Colorado. They are at home in Meadow, where he is associated with his father in business.

Mr. and Mrs. Joe McGowan, Mr. and Mrs. J. B. Knight and Mr. and Mrs. Bobby Jones and Karen left Wednesday for Cowls, N. M., where they will spend several days fishing.

Gee Gee's Chit Chat

I've seen everything now. Jack Griggs, president of the Brownfield Lions Club and one of the most civic minded men in Brownfield, has leaped into the beard growing contest (being held in conjunction with the annual Jaycee rodeo June 22-24). Taking care of some business in my downtown office the other day, I accused Jack of making a serious blunder when he was trimming his goatee that morning. He just grinned slyly and pulled his chin up and presto! a perfect map of Texas. Talk about ingenuity.

Speaking of my downtown office, I have had to take up temporary quarters elsewhere this week as my landlord has closed up the joint. Redecorating my office for me. I'd hate for Tess to think me ungrateful, but I do hope he'll change colors—with summer coming on, I think I'd like something a little more dashing this time.

In keeping with Clean Up Week, which Mayor Primm declared this week will be, Tess Fuller is certainly setting a good pattern for businesses in Brownfield by closing the Brownfield Coffee Shop this week for a complete paint job and general repairs. As most of you know, Tess has always closed up one week each year in order to set his place to rights. I like the idea, and I wish more places in town would take some hints from him.

Since I have started talking about cleaning up, I may as well remind you that if you will only clean up the trash and debris around your place and stack it in the alley, the city trucks will pick it up today or tomorrow. I know it's an appalling thought for some of you—some of the places in the residential section look like a bunch of pack rats have taken up residence there—but I speak from experience when I tell you that, if you will just pitch in, it doesn't take long. And then when it's all done, you can sit down in the back yard and brag on yourself for being so good a citizen. And don't by all means, forget the covered garbage container and the insecticides. Might as well be hung for a sheep as a lamb.

If you will check the advertisements in this issue of the Herald, you will find some very good bargains. The Duchess Style Shop is preparing for a big five-day sale, beginning June 1, and for some real buys, check their ad. Another ad I would call to your attention, is the one run by Shelton's Ready to Wear on their White Stag play clothes. I have a few pieces of the play clothes and, not only do they launder like a dream, they let in plenty of sun. If you don't believe me, you should see my suntan.

I've had many, many comments this week on the third paragraph of my column last week, dealing with the reckless drivers in Brownfield. Incidentally, everyone who mentioned it to me has been in full accord, except for the fact that I didn't make it strong enough to suit some of them. Outside of parking myself on the curb in front of my house with a shotgun and shooting at the tires of all cars exceeding 20 miles per hour, I'm sure I don't know what else to do. And the lawyers I've consulted on that matter strongly advise against it. Perhaps what we should all do is to "hole up" inside our homes and let 'em have the streets. The thing that burns me up, though, is the fact that I pay my taxes and I have rights (just like you do), while most of the persons who seem to have the run of city streets aren't even old enough to vote. Well, perhaps I will get the last word yet. When I make my statement from my hospital bed, I shall simply say, "I told you so."

Eighty two years ago this month, May 30 was set aside as Memorial Day, a day on which all veterans of all wars would be remembered by decorating their graves. All over the United States memorial services will be held on May 30, or near that date, in memory of the men and women who have given their lives in upholding the honor of their country. In Brownfield, the Veterans of Foreign Wars will hold their annual Memorial service Sunday, May 28, at 3 p.m. at Terry County Memorial Cemetery, after which graves of all veterans will be decorated. I again repeat my request that all persons who have flowers which can be made into wreaths to be used on that day, please take them to Hays Flowers or Brownfield Floral by 3 p.m. Saturday, May 27.

For many of us, memory of the last world war has faded. We remember the war years, the friends and loved ones whom we lost, but the sharp edges are wearing off now. But to the fellows who are still in Veterans hospitals all over the nation, some of whom will live out the rest of their days in those hospitals, the war is not over and will never be over. These soldiers, who have also given their lives to their country, cannot forget. In the course of their rehabilitation, on of their

occupational therapy treatments is the making of "Buddy poppies." Each year, members of veterans organizations and their auxiliaries sell these poppies, with the proceeds going to support the families of disabled veterans. Saturday, May 27, auxiliary members of the Veterans of Foreign Wars will be in Brownfield, selling Buddy Poppies. Let's not forget these veterans who are not so fortunate as ourselves.

Remember the Dead, by helping the Living. Buy a "Buddy Poppy" Saturday.

Housewarming Held At New Farm Home

A surprise housewarming, held in the home of Mr. and Mrs. A. Clements Saturday, May 20, was attended by a large number of friends and relatives.

Hosts and hostesses were Mr. and Mrs. Lence Price, Mr. and Mrs. John Gracey, Mr. and Mrs. R. E. Twonzen, Mr. and Mrs. Pete Ellis, Mr. and Mrs. E. Bartley, Mr. and Mrs. A. Kissinger and Mrs. S. T. Miller.

The refreshment table was laid with a lace cloth and was decorated with red flowers and fern. Ice cream and cake were served.

Miss Marie Gracey received guests at the door, and Miss Ann George presided at the register.

A large number of gifts was displayed in the living room.

Those attending from Brownfield were Mr. and Mrs. Fred Smith, Mr. and Mrs. W. V. Carter, Mr. and Mrs. Jerry Davis, Mr. and Mrs. Herman Wheatley and Effie, Mr. and Mrs. J. C. Mackey and Laurell and Herman, jr., Mr. and Mrs. Bob Whitney and Bobbie, and Mr. and Mrs. Fay Cogburn and Jimmie. Also present were Mr. and Mrs. C. R. Caperton and family and Mr. and Mrs. Wayne Kissinger and Dickie of Lubbock; Mrs. Velma Patton of Salem, Ore., and Mr. and Mrs. Ellis Barnes and Bobbie Lou of O'Donnell.

The Sacramento (Calif.) National Wildlife Refuge is a popular wintering ground for geese.

Mrs. Mason Hostess To Pleasure Club

Mrs. N. L. Mason entertained members of the Pleasure bridge club at 8 p.m. May 17 at La Mecca cafe.

High scorer was Mrs. George Germany and Mrs. Clyde Truly was second high. Mrs. Truly also binged.

Cherry pie and coffee were served to Mesdames Walter Hord, Jack Hamilton, J. T. Bowman, John Portwood, Ted Hardy, C. C. Primm, Joe Shelton, Grady Goodpasture, Hillman Bearden, Truly and Germany.

Mr. and Mrs. Lee Lyons visited her sister, Mrs. C. E. Motley, in Monahans Saturday night and Sunday. On the way home Sunday, they visited friends in Grand Falls.

Mr. and Mrs. J. C. Wright and Mr. and Mrs. J. M. Bennett spent the week end in San Angelo visiting Mr. and Mrs. C. L. Sutton and other relatives. They left Monday morning for a few days visit in Fort Worth.

- \$50,000 general obligation tax bonds for the purpose of constructing street improvements in and for the City;

and which election was duly called and ordered by the order of the City Council of said City, passed on the 23rd day of May, 1950, and which ELECTION ORDER is made a part of this Notice, and is in words and figures as follows, to-wit:

BOND ELECTION ORDER
 THE STATE OF TEXAS
 COUNTY OF BROWNFIELD
 COUNTY OF TERRY

ON THIS, the 23rd day of May, 1950, the City Council of the City of Brownfield, Texas, convened in special session at the regular meeting place thereof in the City Hall, there being present and in

attendance, the following members, to-wit:

C. C. PRIMM, MAYOR,
 J. B. KNIGHT,
 HENRY CHISHOLM,
 HERMAN CHESSHIR,
 V. L. PATTERSON,
 L. M. LANG,
 ALDERMEN,

and the following absent: None, constituting a quorum; at which time the following, among other business, was transacted, to-wit:

It was moved by Alderman J. B. Knight and seconded by Alderman V. L. Patterson that there be submitted to the qualified voters of the City of Brownfield, Texas, who are property taxpayers therein, and who have duly rendered their property for taxation, propositions for the issuance of the bonds of said City, in the following amounts and for the following purposes, to-wit:

- \$105,000 revenue bonds for the purpose of paying off, refunding and cancelling an equal amount of the outstanding indebtedness of the City's Electric Light and Power System;
- \$295,000 revenue bonds for the purpose of constructing improvements, enlargements, extensions and repairs to the City's Electric Light and Power System;
- \$132,000 revenue bonds for the purpose of constructing improvements, enlargements, extensions and repairs to the City's Waterworks System;
- \$135,000 revenue bonds for the purpose of constructing improvements, enlargements, extensions and repairs to the City's Sanitary Sewer System;
- \$132,000 general obligation tax bonds for public building purposes, to-wit: the constructing and equipping of a City Hall, to include Police Station and Fire Station facilities; and
- \$50,000 general obligation tax bonds for the purpose of constructing street improvements in and for the City.

The above motion carried by the following vote:

AYES: Aldermen Knight, Chisholm, Chesshir, Patterson and Lang.
 NOES: None.

Thereupon, Alderman J. B. Knight introduced an order calling an election for the purpose of submitting the propositions to a vote of the qualified property taxpaying voters of said City, and moved the passage and adoption of such order. The motion was seconded by Alderman V. L. Patterson.

The motion carrying with it the passage and adoption of the election order, prevailed by the following vote:

AYES: Aldermen Knight, Chisholm, Chesshir, Patterson and Lang.
 NOES: None.

The ELECTION ORDER is as follows:

WHEREAS, the City Council of the City of Brownfield, Texas, deems it advisable to issue the bonds of said City for the purpose hereinafter stated; therefore

BE IT ORDERED BY THE CITY COUNCIL OF THE CITY OF BROWNFIELD, TEXAS:

I.

That an election be held on the 12th day of June, 1950, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this order, at which election the following propositions shall be submitted to the qualified electors who own taxable property in said City, and who have duly rendered the same for taxation:

PROPOSITION NUMBER 1

"SHALL the City Council of the City of Brownfield, Texas, be authorized to issue ONE HUNDRED AND FIVE THOUSAND DOLLARS (\$105,000) of revenue bonds of said City for the purpose of paying off, refunding and cancelling an equal amount of outstanding indebtedness of the City's Electric Light and Power System, represented by 'City of Brownfield, Texas, Electric Light System Improvement Revenue Bonds', dated March 1, 1947, being Bonds Numbers 46 to 150, both inclusive, in denomination of \$1,000 each, due serially \$15,000 on March 1st in each of the years 1951 to 1957, both inclusive, all of said bonds bearing interest at the rate of ONE AND ONE-HALF PER CENTUM (1½%) per annum, which said bonds were authorized and issued pursuant to an ordinance adopted by the City Council of said City on the 28th day of February, 1947, recorded in Book 2, page 220 et seq., of the Minutes of said City Council, and to which ordinance reference is here made for further description of said bonded indebtedness; said \$105,000 revenue bonds to mature serially over a period of years not to exceed Fifteen (15) years from their date, to bear interest at a rate not to exceed ONE AND ONE-HALF PER CENTUM (1½%) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by an exclusive first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses, as said expenses are defined by statute?"

PROPOSITION NUMBER 2

"SHALL the City Council of the City of Brownfield, Texas, be authorized to issue ONE HUNDRED THIRTY - TWO THOUSAND DOLLARS (\$132,000) of revenue bonds of said City for the purpose of constructing improvements, enlargements, extensions and repairs to the City's Waterworks System; said bonds to mature serially over a period of years not to exceed Fifteen (15) years from their date, and to bear interest at a rate not to exceed TWO AND ONE-HALF PER CENTUM (2½%) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by an exclusive first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses, as said expenses are defined by statute?"

PROPOSITION NUMBER 3

"SHALL the City Council of the City of Brownfield, Texas, be authorized to issue ONE HUNDRED THIRTY - TWO THOUSAND DOLLARS (\$132,000) of revenue bonds of said City for the purpose of constructing improvements, enlargements, extensions and repairs to the City's Waterworks System; said bonds to mature serially over a period of years not to exceed Fifteen (15) years from their date, to bear interest at a rate not to exceed TWO AND ONE-HALF PER CENTUM (2½%) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by an exclusive first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses, as said expenses are defined by statute?"

PROPOSITION NUMBER 4

"SHALL the City Council of the City of Brownfield, Texas, be authorized to issue ONE HUNDRED THIRTY - FIVE THOUSAND DOLLARS (\$135,000) of revenue bonds of said City for the purpose of constructing improvements, enlargements, extensions and repairs to the City's Sanitary Sewer System; said bonds to mature serially over a period of years not to exceed Fifteen (15) years from their date, and to bear interest at a rate not to exceed TWO AND ONE-HALF PER CENTUM (2½%) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by an exclusive first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses, as said expenses are defined by statute?"

PROPOSITION NUMBER 5

"SHALL the City Council of the City of Brownfield, Texas, be authorized to issue ONE HUNDRED THIRTY - TWO THOUSAND DOLLARS (\$132,000) of general obligation tax bonds of said City for public building purposes, to-wit: the constructing and equipping of a City Hall, to include Police Station and Fire Station facilities; said bonds to mature serially over a period of years not to exceed Twenty (20) years from their date, and to bear interest at a rate not to exceed TWO AND THREE-FOURTHS PER CENTUM (2¾%) per annum, payable annually or semi-annually; and to provide for the payment of principal of an interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

PROPOSITION NUMBER 6

"SHALL the City Council of the City of Brownfield, Texas, be authorized to issue FIFTY THOUSAND DOLLARS (\$50,000) of general obligation tax bonds of said City for the purpose of constructing street improvements in and for the City; said bonds to mature serially over a period of years not to exceed Twenty (20) years from their date, and to bear interest at a rate not to exceed TWO AND THREE-FOURTHS PER CENTUM (2¾%) per annum, payable annually or semi-annually; and to provide for the payment of principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to re-

deem said bonds as they become due?"

II.

In the event the said revenue bonds are authorized to be issued by a majority of the qualified electors of said City, voting at said election, and the same are issued and sold, the holder or holders of such bonds shall never have the right to demand payment thereof out of any funds raised or to be raised by taxation; and each bond issued or executed in pursuance of such election, shall contain this clause:

"The holder hereof shall never have the right to demand payment of this obligation out of any funds raised, or to be raised, by taxation."

III.

That said election shall be held at the CITY HALL in the City of Brownfield, Texas, and the entire City shall constitute one election precinct.

IV.

That the following named persons are hereby appointed officers of the election, to-wit:

Judge D. P. Moorhead, Presiding
 John J. Kendrick, Judge
 Alva J. Geron, Clerk
 Lee A. Brownfield, Clerk, and
 Harold B. Denton, Clerk.

V.

That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities, as provided in the General Laws of the State of Texas, and only qualified electors in the City, and have duly rendered the same for taxation, shall be qualified to vote.

VI.

Terry's Trade Growth And Expansion Given

The United States Department of Commerce has released the following business figures to the Brownfield Chamber of Commerce. These figures show the growth and expansion of dollar trade in Terry county and Brownfield proper from 1939 to 1948. Retail sales in the county during 1948 aggregated \$13.3 million, an increase of 316 percent over the \$3.2 million in 1939, when the preceding census of business was taken. Wholesale sales in the county reached a total of \$3.3

for the week of November 15, 1939.

These preliminary figures have been derived from a report on Terry county, which also includes data for the city of Brownfield. In the Retail Trade group, 143 establishments totaled \$13,296 in 1948. There were 152 active proprietors of unincorporated businesses, with 518 employees, including 431 full work-week employees. Of this group, 31 food establishments totaled \$2,621, with 96 employees, including 63 full time workers. There were 20 eating and drinking establishments with receipts of \$409,000, 22 proprietors, 63 paid employees, of which 58 were full time workers. Twenty one gasoline service stations netted \$944,000 in sales and receipts, with 24 owners, 42 paid employees, 40 of which were full time workers. There was a total of 71 other retail stores which netted \$9,322,000, with 75 proprietors, 317 paid employees, of which 270 were full time workers. In 1948, there were 14 wholesale trade businesses, which netted \$3,303,000, with 9 proprietors, and 65 paid employees.

In the selected service trades group, there was a total of 56 establishments, with net sales and receipts of \$724,000. There were 53 active proprietors, with 106 employees, of which 96 were full time workers. In this group, 27 of the 56 establishments were personal services, netting \$328,-

000, with 23 proprietors, 70 employees, of which 64 were full time workers. The remaining figures cover all other service trades. In Brownfield there were 118 retail trade establishments, with receipts and sales of \$12,445,000, 127 active proprietors of unincorporated businesses, 491 paid employees, of which 460 were full work week employees. The remainder of the county

BRYANT HEADED FOR FAR EAST

Headed for the Western Pacific to join the Seventh Fleet, whose mission is to support American foreign policy in the Far East, is Carroll P. Bryant, chief boilerman, USN, of Brownfield, a crew member of the aircraft carrier USS Valley Forge, which San Diego, Calif., early in May.

Enroute to the Philippines where the Seventh Fleet is based, the Valley Forge will make stops at Honolulu and Guam. Later it is expected the carrier will visit ports in China and Japan. Members of the ship's crew are expected to be given the opportunity to make sight seeing tours at all ports.

Mrs. H. K. Kendall visited Mrs. Nellie Frahs, a former resident of Brownfield, at Kermit last week.

The U. S. Bureau of Mines says the nation's most important deposits of chromite are in Stillwater and Sweetgrass counties, Montana.

Annual Jaycee Rodeo June 22-24

showed 25 retail trade establishments, with receipts and sales of \$851,000, 25 proprietors of unincorporated businesses, a total of 27 employees, of which 25 were full time workers.

Crescent Hill Church To Hold Vacation Bible - Singing School

The annual vacation Bible school of the Crescent Hill Church of Christ will begin Monday, May 9, and continue through June 9. This school will consist of one-hour Bible classes for all ages, and one-hour of singing instruction for the students. The classes will begin at 9:00 a.m. each morning, and will be dismissed at 11:00 a.m. The younger students will have Bible classes each morning from 9:00 to 10:00, and the older students will have Bible classes from 10:00 until 11:00.

LITERATURE TO BE USED: A special graded series of Bible lessons will be used during the school. These lessons are designed to encourage each student to greater and more diligent Bible study. The classes will be taught by fully qualified teachers, and will do much to build up your boy's or girl's knowledge of the Bible. In fact you cannot afford to let your child miss this series of Bible lessons.

SINGING INSTRUCTOR: Wilkin Bacon, song director of the Hampton Place Church of Christ in Dallas, Texas, and former instructor in Stamps School of Music in Dallas, will be here for the

would cost them several dollars in a commercial school. In addition to these morning classes Mr. Bacon will instruct classes in the afternoons and evenings during the period.

WHO MAY COME TO THE SCHOOL: All of the boys and girls of Brownfield and the surrounding area are invited to take advantage of this vacation Bible

school and singing school. We are equipped to take care of 300 and more students during this two weeks period, and are anxious to reach this goal. Parents send your children to our school, so that they might be better qualified to face the problems of life.

Chromite is used in high-speed, engineering and stainless steels.

HERE'S THE BUICK SPECIAL 4-door Sedan, de luxe finish. The same body type is available on SUPER Series.

"YOU HARDLY KNOW THE ROAD IS THERE!"

You won't be the first to say that—not by a long shot.

One of the first things you notice, when you step from another make of car into Buick, is the wonderful difference in the Buick ride.

There are good technical reasons, if they interest you...

Soft coil springs all around, the gentlest type of spring man knows how to make.

A stout torque-tube, acting like

the husky keel of a battleship to steady the whole carriage.

Low-pressure tires on wide, Safety-Ride rims, that stop heel-over and sway on curves.

Firm, sure, quick-acting shock absorbers, promptly snubbing the after-bounce of the bigger bumps.

The important thing is what these all add up to.

Freedom at last from jounce and jiggle. A level, floating, road-free passage over almost any kind of road, with even the

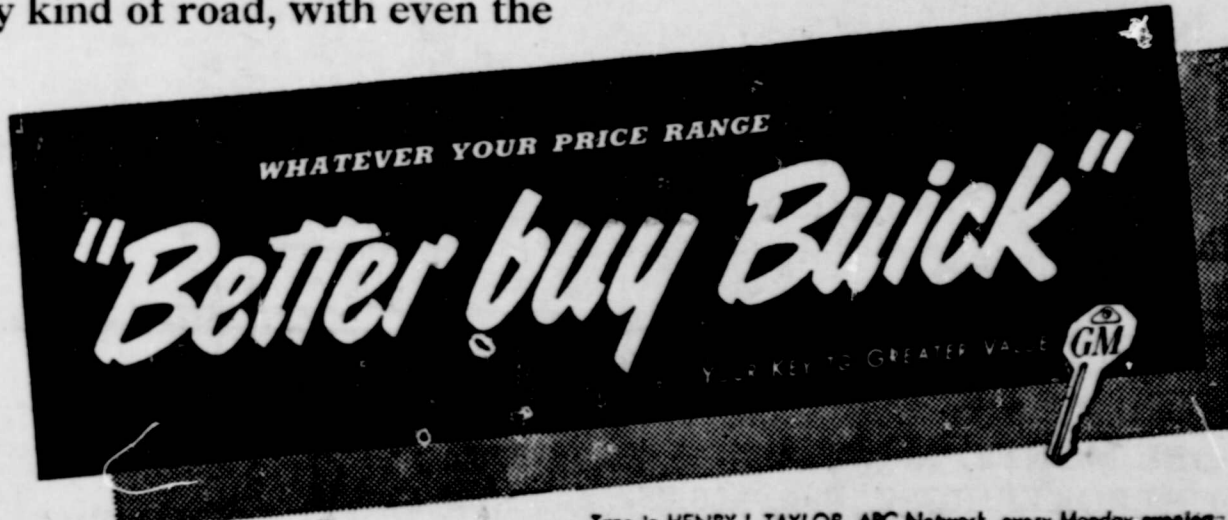

worst of them tamed and gentled as never before.

Add Fireball power to all this—the roominess of wide, deep seats—the lightness of Buick controls and the liquid silkiness of Dynaflo Drive—and you have a car just too good to miss.

Come try one, won't you? Your Buick dealer will be delighted to demonstrate without obligation—delighted to show you that if you can afford a new car, you probably can afford a Buick.

*Standard on ROADMASTER, optional at extra cost on SPECIAL and SUPER models.

ONLY BUICK HAS Dynaflo AND WITH IT GOES: HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and goring, short turning radius • EXTRA-WIDE SEATS cradled between the axle • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rim, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with body by Fisher.

See in HENRY J. TAYLOR, ABC Network, every Monday evening.

Large Crowd Expected To Attend RCP School

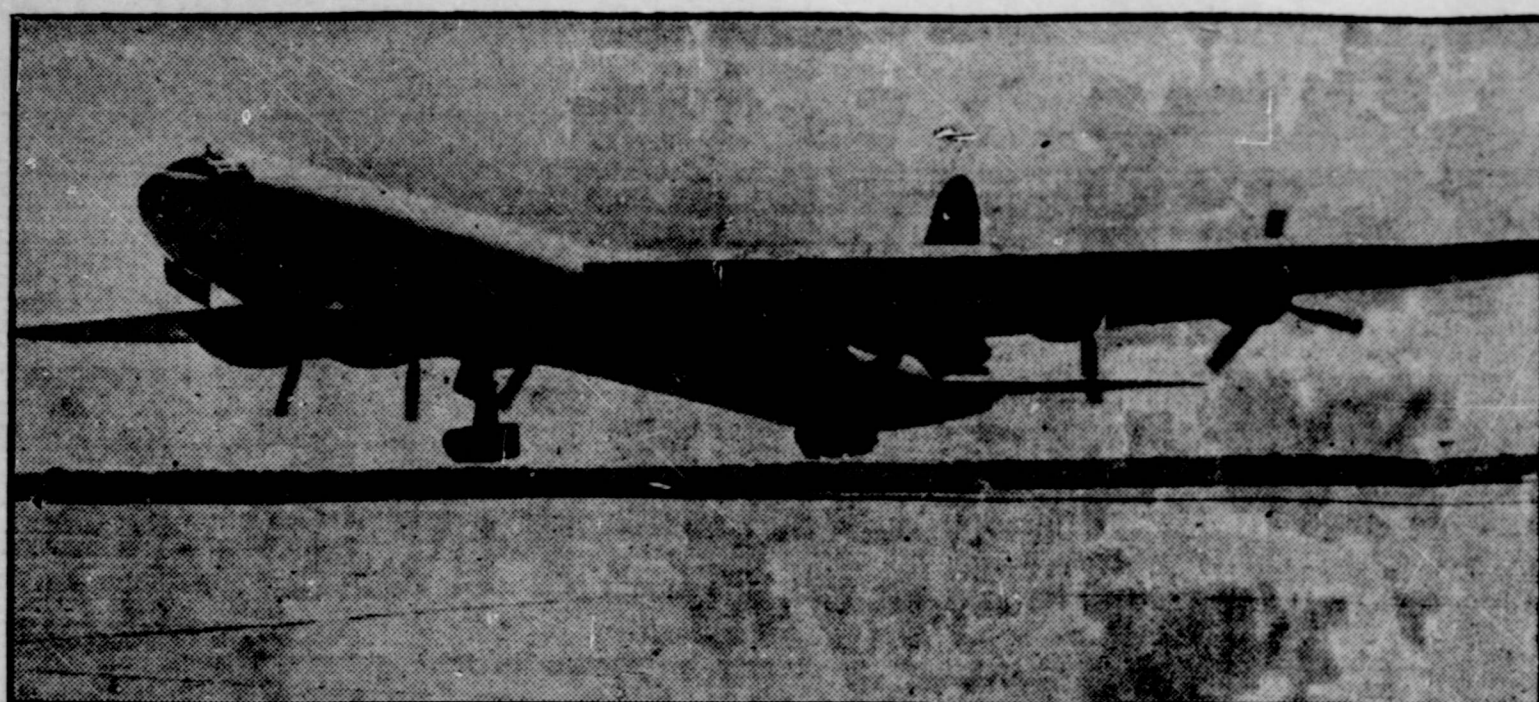

The first session of the Retail Credit Procedures course opens here Monday, June 5, under the instructorship of Sterling S. Speake of the University of Texas Division of Extension, cooperating with the State Board for Vocational Education.

A large number of business people is expected to enroll in this ten-hour course which is considered to be very helpful in the methods of handling charge accounts, according to A. W. Turner, manager of the Retail Merchants Association, sponsors of the school.

Local merchants doing business on a credit basis, together with their employees, are invited to attend the first meeting Monday night without obligation. After the close of this first session, those who wish to enroll may do so. Persons wishing to may enroll now by contacting the local Credit Bureau office. All phases of retail credit operations will be covered during the course, which will be held nightly from June 5 through June 9 at the Brownfield high school.

Speake is a graduate of the University of Texas School of Business Administration and has had several years of actual experience in the retail credit field.

He was connected with credit and collection work for more than

The Low Down From Hickory Grove

Been on a trip—100 miles—but that was enough to see, and no foolin', that rafts of dinero are still around. But, with all this plentiful do-re-me has not come peace of mind and tranquility. There is an uneasiness in the air—a feeling of unsettlement and insecurity—maybe things are okay today but how about tomorrow. And you know folks, I am kinda glad to see things taking this slant.

The big money around has not been the hard earned kind. The big money is Govt. money—and Govt. money is non-productive. It is spent, gone, written off—nobody has anything to show for it. If you spend 200 bucks for an ice box you got something to see and use which will be your own, and useful for year. But 200 bucks down at the income tax place, what do you get? Folks are catching on, I half-way think, and that is what is causing the uneasiness, doubt—loss of faith.

So much has been promised and so little accomplished that an awakening is overdue. We have had bad management. In private business—going in the hole year after year—you would see a new manager on the job, and pronto. This trip of mine and what I picked up, it shows that something is brewing—it is a good omen, maybe a harbinger of a return, soon, from our jaunt into sucker-land.

Yours with the low down,
JO SERRA

Union Feeds 'Em All-Nearly

The entire student body of the Union school system—with one exception—eats lunch at the school cafeteria. The one exception is Edward Gary, son of Supt. and Mrs. M. G. Gary. The Garys live in the nearby teacherage.

The fact that all other students ride the bus and that there are no stores or cafes in the immediate vicinity, very accurate marketing and budgeting is possible, and consequently, the Union lunchroom program is outstanding throughout the state educational system.

Mrs. Bonnie Kay and Mrs. Paula Scott have charge of the lunchroom in which some 230 students are fed each school day. Meals cost the student \$5 per month or 25c each.

SANTA FE expresses its thanks

A NOTE OF APPRECIATION TO EMPLOYEES, PATRONS AND FRIENDS WHO STOOD FAST DURING THE FIREMEN'S STRIKE

During this grave emergency we are proud that Santa Fe kept operating—not completely, but nevertheless still operating. Not a wheel was derailed; there was not a single personal injury. This was made possible only because of the response of loyal employees—many responding beyond their normal call of duty.

Our passengers and shippers showed both patience and understanding, and Santa Fe was heartened by their appreciation of our unswerving purpose.

Your understanding, help, and loyal cooperation are deeply appreciated.

SCOTCH INFLUENCE—There's no lavish waste of material in this trim swim suit modeled by Mary Brown at Miami Beach, Fla. A touch of the Highlands is also evident in the plaid "kilt" effect formed by the ballerina ruffles at the bottom. Designed by Margaret Newman, the suit has a simple, strapless bodice.

Hardin Joyce Home Scene of HD Party

A party was given in the home of Mr. and Mrs. Hardin Joyce May 16, honoring the Marshall Holmes family of the community, who are leaving soon.

The home demonstration club women and husbands enjoyed games of "42", Canasta and Chinese checkers.

The club members also used the occasion to celebrate the club's first birthday and National Home Demonstration Week.

A lovely white baby chenille bedspread was presented the Holmes' as a going away gift.

Decorated cake and fruit punch were served to about 25 persons.

MRS. CRITES HOSTESS TO IDEAL BRIDGE CLUB

Mrs. Harold Crites was hostess to the ideal bridge club Wednesday, May 17, at the Esquire restaurant.

Texas cream pie and iced tea were served to Mesdames Jack Bailey, Prentice Walker, R. N. McClain, Chad Tarpley, W. A. Roberson, George O'Neal, A. M. Muldrow, Roy Wingerd, Ike Bailey, Glen Akers and Joe McGowan.

Mrs. Roberson was high and Mrs. Muldrow was second high. Binges went to Mrs. Ike Bailey and Mrs. Akers.

TCHDC Hears Report Of District 2 Meet

The Terry County Home Demonstration Council met Saturday afternoon, May 13, in the extension office. Ten of the 11 home demonstration clubs in the county were present to answer roll call.

A report of the District Two meeting, which was held in Littlefield recently, supplied material for the program. Twenty-three women attended from Terry county. Mrs. Lee Bartlett, one of the delegates, reported many things of interest. One of the more important discussions was that concerning a scholarship of \$600 to be established in District Two. Several clubs have already shown their interest by sending money for this growing fund.

The 4-H girls made \$48 on a recent bake sale. More is yet needed to cover the expenses to the 4-H roundup at Texas A&M this summer.

A report was given by the Education-Expansion committee on the entertaining of the county court. A banquet was given May 2 at the Esquire restaurant. Approximately 60 members and guests were entertained for the evening.

Mrs. M. E. Henson, marketing chairman, reported that the Home Demonstration women can again this year obtain fresh shredded coconuts and pineapples from Laredo.

Miss Helen Dunlap urged the women to attend the Girl's Demonstration Team contests to be held May 27 in the District courtroom.

The Terry County Home Demonstration Council will meet again June 10.

Gorman Aboard Cruiser In Pacific Fleet Exercises

W. H. Gorman, seaman, USN, son of Mr. and Mrs. William H. Gorman of 416 Seagraves Highway, Brownfield, participated in DEMON III aboard the heavy cruiser USS St. Paul, the first 1950 major fleet exercises to be held in West Coast waters.

Naval commands in Southern California played host for the third successive year to approximately 500 instructors and students of the Army's Command and General Staff College, Fort Leavenworth, Kan., who witnessed the exercises which were designed to coincide with that phase of the college's curriculum in which joint operations are intensively studied.

Embarked in an escort aircraft carrier, provided by the Navy as an observers' platform, the Staff College watched Naval surface ships, aircraft and underwater demolition teams go through their paces at San Clemente Island, off the Southern California Coast. Later, they witnessed a Fleet Marine Force combat battalion of the First Marine Division make an amphibious assault on the beach at Aliso Canyon, near Oceanside, Calif., under simulated battle conditions.

FARM QUESTION BOX

by
ED W. MITCHELL
Farm Advisor
General Electric Station WGY

Q. I have two blueberry bushes about four years old. There is a shoot coming up from each one. Should these shoots be cut off?

A. No—let those new shoots grow and as bushes get older, prune out older wood and let young, vigorous shoots replace it.

Q. Can you straighten me out on the Displaced Persons that come from Europe? If we brought a person, or persons, over, would they be our responsibility in every way?

A. As far as I can find out, you apply to a Displaced Person and promise to give them a job at a certain minimum wage. If and when your D.P. warrants more pay, you are supposed to give it. If he does not fit into your work you "presumably" help him find a place where he may succeed. Most of this is handled through church organizations, however.

Q. I have a small place in the country which is pretty well overgrown with small trees (3' to 5' in diameter and mostly elms), a few large ones (ash, 18' and a few large ones), and a few large ones (18' and 24' in diameter). My problem

is how to remove the stumps after the trees are cut off. We have pulled out to an extent that it is necessary to level it up with a scraper. Also, I have tried burning out some of the larger stumps with a flame gun but find this to be an extremely slow process. Is there any chemical with which the stumps could be treated so as to hasten rotting?

A. There is no easy, cheap way to get rid of stumps. Cut over the area, spray with 2,4-D weed killer to keep all foliage killed and let stumps rot for a couple of years and they will pull or burn easier.

Q. I have a flock of pullets which have just started to lay. Now they have started pecking each other's heads. Is there anything I can do to stop them?

A. Yes. Cut off the tip of the upper beak back to the "quick" line and provide scratch feed in deep litter and cabbage or beets for them to pick on.

G. I. QUESTIONS and ANSWERS

Q—My husband, a World War I veteran, receives a pension for nonservice-connected total disability. He has an income of about \$2,000 and I have an income of about \$3,000. Must I included my income with his in reporting to VA?

A—Your husband will report only his income. Yours has no bearing on his rights.

Q—I have completed a course as mechanic under the GI Bill but my health is bad and I now wish to use the balance of my education and training entitlement in a course to be a farmer. Can I do this?

A—Since the two courses are in unrelated fields, you will have to undergo advisement and guidance by VA to determine your aptitude for, and need of, the new course.

Q—My estranged wife was granted an apportionment of my World War I compensation. Can I do anything to stop payment of the apportionment?

COUNTRY CLUB DANCE TO BE SATURDAY NIGHT

There will be a "Juke box" dance at the Brownfield country club Saturday, May 27, beginning at 9 p.m.

Hosts and hostesses will be Mr. and Mrs. R. N. McClain and Mr. and Mrs. Chad Tarpley.

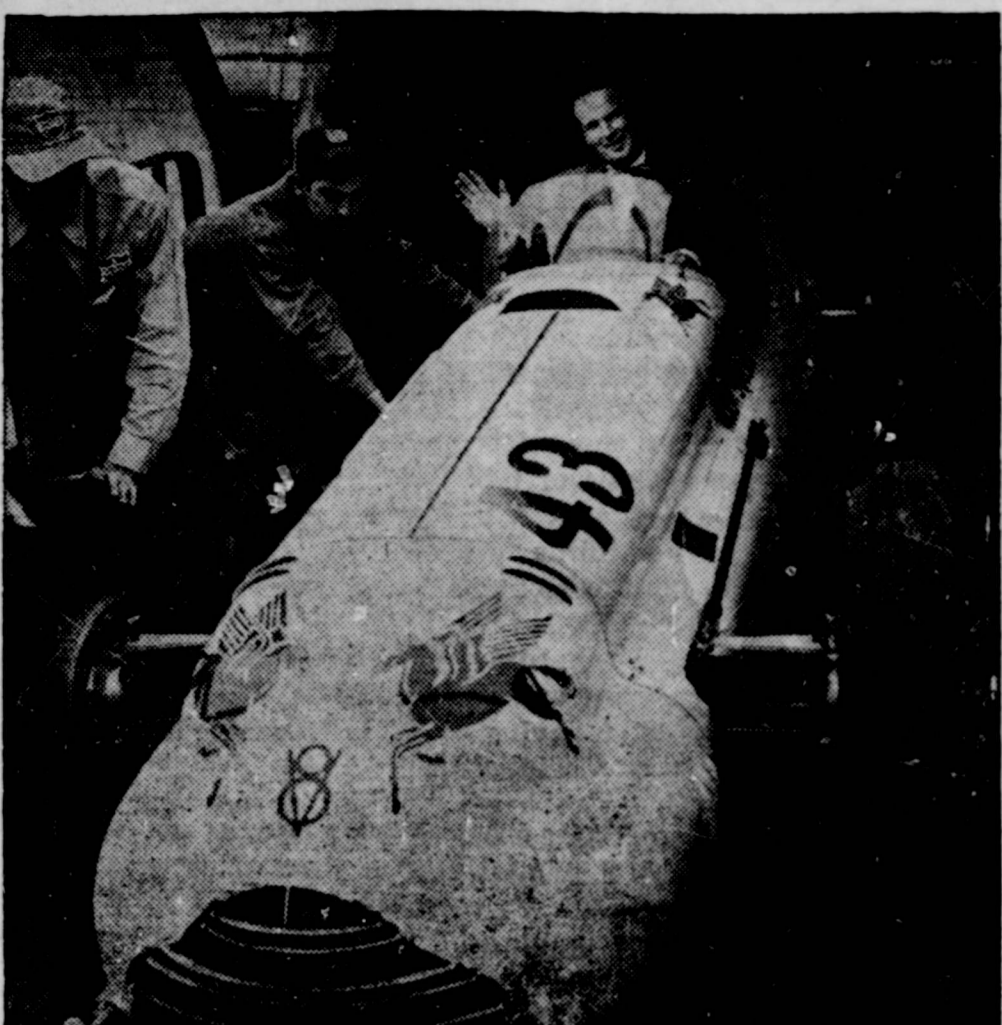

The dance will be for members only. For further information, members may contact either of the hostesses or Mrs. E. C. Davis.

Annual Jaycee Rodeo June 22-24

A—You may apply for relief by means of a special apportionment to be adjudicated on the basis of undue hardship. Your nearest VA office will assist you in preparing a communication for your signature. It should explain fully the reasons for your objection.

Q—Does the age of the wife of a Spanish-American War veteran have any bearing on her eligibility for pension as a widow?

A—If she married the veteran prior to January 1, 1938, and meets all the other eligibility requirements, her age has no bearing on the entitlement to pension.

BOUND FOR INDIANAPOLIS CLASSIC—Racing driver Duke Nalon takes the wheel of his "Novi Special" as cargo handlers roll it from an airliner in Chicago. Two of the long, low racers, weighing 2000 pounds each, and accompanied by more than 1000 pounds of extra parts, were flown from Los Angeles for entry in the 500-mile Memorial Day classic at Indianapolis. They were transferred to a transport trailer at Chicago for the trip to the track.

Garrard Candidate for District Judge, Says:

I was born on a farm in Delta county near Cooper. Early education at Doctors Creek country school and Cooper high school.

Been in West Texas past 43 years. Was sent out to West Texas

Tom Garrard

As by my father on account of East Texas chills and fever. Nestled on a piece of State school land and lived it out and worked around on ranches as could get work till lived land out.

As to my legal qualification: I graduated from the Law School of the University of Texas. Served three terms as District Attorney of the old 70th Jumbo District. Following that, was appointed by Governor Pat Neff as Assistant Attorney General for the Court of Criminal Appeals and served two years. Later I was appointed by Governor Dan Moody on the State Board of Education and reappointed for a second term by Governor Sterling. This was quasi judicial position as the Board had to pass on most all appeals in school matters.

Have practiced law in West Texas approximately 35 years and have tried cases in District and Federal Courts in some 36 West Texas counties and few cases in

District Courts in New Mexico.

In 1945 Governor Stevenson appointed me to Associate Justiceship of the Court of Civil Appeals sitting at Amarillo and the Texas Senate confirmed my appointment, but I declined the appointment for the reason I did not want to move away from the people with whom I have lived and worked so long. For the past 6 1/2 years I have served as County Judge of Lynn county. Am a member of South Plains, State and American Bar Associations.

As to the civic activities, have been a member of church 40 years or more. I have been a Rotarian for about 15 years. A member of Masonic Lodge about 38 years, K of P Lodge 6 years. Member of Lynn County Farm Bureau about 10 years and served as president of the Lynn County Farm Bureau about 5 years. Helped to organize the Lynn County Fair Association in 1948 and have served as its president since. Served as chairman of Lynn County Red Cross approximately 16 years. Have taken an interest in and assisted in most every progressive undertaking in my home county always.

My life has been filled with great activity and rich experience.

After these years of service to West Texas and the South Plains, I believe I deserve promotion to a higher and honorable position that will give me an opportunity to cap off such years of experience and service by serving a greater number of my neighbors and friends.

I shall strive at all times to make as good as the best judge we ever had.

all necessary auxiliary equipment; improvements and extensions to the electric transmission and distribution system.

Of the \$182,000 general obligation tax bonds, \$50,000 is for financing the city's portion of the cost of proposed street improvements, which, on the basis of the city paying one third and the property owners two thirds of the cost of such improvements, would provide sufficient funds for the city's portion on approximately a \$150,000 program or approximately 50 blocks of paving, depending on the street widths and lengths of blocks. The balance of the tax bonds, \$132,000, is for construction of a combination city hall, fire and police station. The proposed building would be designed to provide adequate space for the fire department, police department and all city offices, and planned so that future expansions of the various city departments requiring more space than can be provided on the ground floor a second story could be added. Present plans for the installation of an engine and generator unit is installed.

The proposed \$182,000 general obligation tax bond, in the opinion of the city council, will not bring about an increase in city taxes of more than 15c per \$100 valuation, and possibly less.

New ESA Officers Installed May 23

In a formal candlelight ceremony Tuesday evening at 7:30 o'clock in the Seleta Jane Brownfield club house, members of the Beta Theta chapter of Epsilon Sigma Alpha conducted a jewel pin ceremony, and had installation of officers for the next club year.

Five pledges receiving their jewel pins are Frances Hailey, Alma Ruth Kennedy, Madeline Holder, Mary Nell Diffey and Bette Boydston. The service was conducted by Evalyn Luker, outgoing president, who also installed the new officers. She, in turn, was presented a gold miniature gavel from the club in appreciation of her services as president during the past year.

New officers are Frances Hailey, president; Alma Ruth Kennedy, vice president; Madeline Holder, recording secretary; Mary Nell Diffey, corresponding secretary; and Bennie Bush, treasurer. Each was presented with a corsage of yellow iris.

Musical selections were offered throughout the evening by Ruth Huckabee, who also played "Indian Love Call" during both the ceremonies.

Refreshments of a sandwich plate with coffee and iced tea were served to Mary Ballard, Kanna Stephens, Bette Boydston, Margaret Goza, Mary Nell Diffey, Madeline Holder, Bernadine Grabber, Evalyn Luker, Bennie Bush, Forest Steen, Pat Steen, Trucine George, Alma Ruth Kennedy, Frances Hailey, Dorothy Gore and the guest, Ruth Huckabee.

Father of Local Women Claimed

Funeral services were held in Portales, N. M. May 17, for Frank L. Coe, 68, a former resident of Brownfield and the father of Mrs. T. G. Sexton and Mrs. Loyce Floyd both of Brownfield. He died the previous Sunday of a heart attack in his home.

Officiating at the services, which were held at 4 p.m. in the Wheeler Mortuary at Portales, were the Rev. Richards, pastor of the Calvary Baptist church at Portales, and Rev. Herman Coe of the First Baptist church at Jasper, brother of the deceased.

A resident of Brownfield for several years, Mr. Coe moved to Portales in 1930, where he was a produce dealer. He had suffered a heart attack earlier the same day of his death.

Survivors besides the daughters in Brownfield are four other daughters, Mrs. W. E. Bussell of Los Alamos, N.M., Mrs. Don Pasch of California, Mrs. Carl Sullins and Mrs. Burby Bridges of Portales; three sons, Clyde of Albuquerque, N.M., Woodrow of Lovington, N.M., and Joe of Portales; four sisters, three brothers, a number of grandchildren and great grandchildren.

Local Student Will Edit Hockaday Paper

Miss Dee Ballard, a student at Hockaday School in Dallas, has been recently elected by the student body to be editor of their school paper, "The Four Cast." This office is one of four elected by the entire student body.

She was also elected president of the Modern Ballet Group, which is an office that not only involves teaching modern ballet, but also organizing the annual Spring Arts Festival.

She was awarded the Hockaday Boarding Pin, an honor received only by outstanding boarders. Also, she has been given the right to wear the Hockaday Ring, the highest individual honor given at Hockaday school.

Dee will arrive in Brownfield May 31 for the summer holidays. In September, she will return to Hockaday as a senior.

SPOTTED SHOWERS FALL THURSDAY

Intermittent showers, which fell throughout Thursday afternoon, totaled 42 inch in Brownfield by 7:00 p.m. The fall was by no means general throughout the county, some sections possibly receiving more rainfall than in Brownfield while others were missed almost entirely.

Pennsylvania, West Virginia, Kentucky, Illinois, Ohio, Indiana, Virginia and Alabama are leading coal producing states.
